Greetings to all our People and Satanic Comrades!

Yule is a happy season for all Satanists, and this is because it's the celebration of our Father Satan and all our Pagan Gods. However, these days of high importance have been hijacked, do not let the weaklings and frailed out dumb xians and others to bring you down. These days belong entirely to us, same as the festivities, and everything that makes the holidays worth it and fun.

Xians and many other dumbasses only own misery, and jewsus christ the cheap rabbinical thoughtform is just hovering on his sickly stick as the usual, hammer and sickle. Trying to destroy Yuletide happiness and replace it with slavishly worshipping a lie. This is why the majority of people like 'xmas' and the 'holidays', fun, leisure, only insofar these have Satan, shopping, and no xianity in them.

Do not let others lie to you or make you forget what the Yule season is about. This is entirely ours, and predates xianity by thousands of years. The Yule Tree is the Soul Tree, the Star on the Tree is the Pentacle, the symbol of Satan. Santa is actually an anagram for Satan, and this is symbolic of Santa who comes from the north, on Satan's Power days to confer gifts (blessings) to Humanity, and all those who have been good people over the year. All Children love Satan/Santa, and everyone is on a great mood on these cozy times. The traditional gift giving to the more poor and weaker, is also a Satanic trend, same as spending time with one's family.

All of that is Pagan/Satanic, and none of this has to do with the jewish 'church'. Of course, one cannot deny the resemblance to Odin and the Yggdrasil Tree, which is actually the Yule Tree- the Soul. The beautiful jewels or spheres hanging from the tree symbolize, aside of the chakras, the desires that one puts on their soul so they can gain power from the Tree of life to manifest in the next year. It's also traditional in many places that people write wishes on top or inside these spheres, and also the Soul needs light, and this is why the trees are decorated with light. This is a physical object to emulate what the Soul has to be: filled with light, beauty and splendor, and crowned by the Star which is the 7th Chakra and the consciousness. After all Satan is the Serpent on the... Tree.

Satan speaks openly through all of these symbols, rivalling the enemy who wants to

destroy and defile Satan and the Human Soul. In many xian ruled places, the Yule Tree is forbidden.

We are obligated as Satanists to spend the 21st, 22nd and finally 23rd of Month, in observance to Satan and his Magnificence. Satan is the most beautiful being and in the most Ancient tongues, he means life, truth, wisdom, and generally the highest and meanings that have ever been conceived by the human mind and intelligence. All those who know Satan, do know that all these indeed do fall short of his unparalleled magnificence.

The reason I am posting this is that every year, we gain more power, but the enemy and their ancient propaganda against the Grand God of Truth Satan is actually smearing him. The enemy jews and the enemy xians and pisslamics will of course for yet another year try to taint Satan's legacy, try to pin atrocities and all sorts of emo-crap and ancient lies and defamations on Him. The sheep will gladly follow these, and yet another Yule will be going to waste. That's what the jews think will happen into this Yule, but it will NOT.

What Satan has been receiving in Yule? His own children, creation and progeny attacked, His Name which means LIFE and TRUTH, tainted. Smear, lies, attacks, curses, false enemy propaganda, and hatred. That's what the jews have been giving Satan every year. Not that Satan cares or partakes into anything of this, neither does it even touch him in the least, but the thing is, can you see what is going on here? Do you feel for it? What have our Pagan Gods have been receiving? Smear, attacks, misinformation, being portrayed as hideous monstrosities, which is the exact opposite of what they are.

Nobody of all these scumbags had had ONE ounce of decency to look beyond the jewish crap about Satan. Well you know what, I have, and I have seen the most beautiful being in all creation, within, without, far to the depths of being totally incomprehensible, but yet so tentative to the heart and Soul of humans. Who are His creation after all.

So you know what?

This Yule belongs to Satan and we are going to Honor him MASSIVELY and accordingly. With our silent devotion and happy rituals, and contemplation on his Divine energy, Satan who is the Most High will be glorified. Satan's name has been smeared by the monkey lifeforms who follow stupidly and blindly the jews, and who are listening to their crappy propaganda against our God and our Gods of Hell. There is nothing lower than this filth.

This Yule Satan will get a lot of praise. Now below I am going to post a Ritual, but there are so many more things one can do to make things even better. You can send Satan beautiful energy, write him your gifts or poems, or just tell him whatever you want in your mind. Satan will hear you. Let's give him the gifts, the hymns, the beauty this being deserves. While Satan needs nothing, it's in the human heart and a universal law in existence to return the beauty and show gratitude to the ones we love at this season.

On the 20th and 21st of the Month, we are going to drive away the smearing and curses from our Father's name, by reversing this RTR's foiling the kike attempts at scorning and attacking Satan. Let's spam the Hell out of this Ritual. Keep doing it over and over again so we saturate the whole planet AGAINST all the SMEAR and LIES of the enemy. Let's see what they can do when the TRUTH is going out at such rapid rates.

For the height of the Yule at the 23rd:

You can open this Ritual simply as a formal Ritual, or if you want you can recite the prayer I have written below for this special occasion. If many of us recite this, this will give it power, as all of you here know there is power in numbers.

We Saturate your Name With Admiration! We clean your name of Nefarious Lies, and Jewish Abominations!

In the mind of everyone, knowing you or not, your Legacy and Your Holy Name are Absolved and Clean, Pure and Beautiful, as they once were in the Ancient Past.

I, Father Satan, I am one of your Children!

I am one of those who Love you, Admire you, Know you, but follow your Eternal and Truthful Mystery!

Oh Father Satan, Highest and Worthiest of Praise, Truth is in Your Name, Life is What you Give, Enlightenment is your bearing torch!
