**\*Scroll down to see the Update on the 30th, 31st and 1st in the upcoming days. Due to the enemy's Passover, we will only do three Rituals, but spam them relentlessly on these days - the Shema, the 72, and the Reverse Blood Sacrifice RTR**

Greetings to all of our Satanic Warriors.

Below there is the schedule we will be following from 18th of March to 2nd of April. We are keeping the introduction short to make translations swift.

There is chance we will do something special for the Solstice/Spring Equinox. In that case, we can add this to the already going RTR Schedule, but we will add some ritual of power there as well. We will keep you updated on this.

**Below is provided the Schedule:**

The SH-RTR is the Shema RTR and it is ideally done in the beginning and in the end of the Schedule. It must definitely be done in the beginning as it shreds the protection of the enemy.
