

# Reverse Torah Ritual Schedule [May 31 - June 16]

Greetings to all our People and Satanic Comrades.

I will do my best so that this schedule is short, easily understandable, and easy to do. As always, unless anything urgent strikes, we will be following this particular schedule for until the 16th of June. We are following our schedule and the planets to ensure the greatest success.

The 72 and 42 are irreplaceable Rituals, same as the one of the Communications. This is important. These Rituals must be done unceasingly, as they do the most damage at this point. The perfect thing is to do all the ones written for the day.

To mention something fundamental, it's understandable and Satan understands and knows that people have a life, responsibilities and other things. However it's also useful to see at the side of the enemy. The average rabbi they have, curses the goy morning, day and night. They hold daily service etc.

I cannot emphasize how it's important people learn persistence and doing something constantly. This is how great things are made, by daily work on them. It does not take much time at all to participate. No matter what 'thoughts' may creep up to you, you can do this.

I have done my end of the deal of making this morbidly easy for everyone. It's too easy to do, to the point there are no excuses. If you haven't done much until now, it's time to pick the ball up and...play ball. The enemy curses us for hours on end.

Just look how RIDICULOUSLY easy that is: You open the app or the page...You scroll down...Find the ritual and do it. All in all it doesn't even take a few minutes!

Those who participate into the RTR's are in Satan's army, therefore will enjoy special protection, benefits, and also, just by doing the RTR's, they remove the curses from THEMSELVES and their OWN LIFE too. If you stay idle that doesn't mean the enemy doesn't curse you, same as all humans who are beaten down by these curses. So it's up to you to do something... This is needless to say, not only toxic to the enemy, but profitable for you too.

Excellent cathartic for emotional issues like anger, and spiritually, this unbinds you

from bindings that torment all other people of the world. Due to an understanding of some people leading highly busy life (not those who use excuses) I will also put some Rituals which are PRIORITY rituals. In short, when one does RTR's for that day, they start from the priority ones.

The more we do, the better. The faster they will go down. In a last note, we are blessed by this ourselves. This schedule will be focused on blessing our own lot, as well, while ripping the enemy off. This is important as the planets are really helpful at this time. We will also re-affirm and reinforce some Rituals we have done before.

---

**Below are the Rituals to be done for each day, numbered accordingly.**

Underlined are the PRIORITY rituals for these days, for those who lack time. **However, \*ALL\* these Rituals are EXCEPTIONALLY important!**

I added an (\*) on days where you can really do them intense harm with the rituals, because the astrological aspects literally can rim them. This means on these days we can devoutly do the RTR's. In short, we have to rim them hard on these days, no excuses given...
