

## Truth Revealed ~ by Andromedus by Teloc Vovim 666

What are Jews? The undeniable truth is that the Jews are most definitely a race.

What is a Gentile? A Gentile is any person of non-Jewish hereditary origin, or more commonly just referred to any person who is not Jewish.

These days, nearly everyone is mixed to some extent. There are very few pure of any of the three main races. The three main races are White, Asian [Oriental] and Black. Many Gentiles have all three of these races in them, especially in the Mediterranean areas where the three continents meet. Most have two. The Jew is thoroughly mixed with all three. The Jews are a distinct race within all races. In other words, there are white Jews, black Jews, Oriental Jews and while the Jew may be black, white or yellow, they are still of the Jewish race. Just type into any search engine, such as 'Google' the word 'Jew' or 'Jews' and click on images and it is very apparent just by their physical appearance alone, they are a distinct and separate race. The more pure the Jew, the easier it is to identify them, the more white blood or blood of another race, this can be difficult. All Jews carry a 'Cohen' gene and have very distinct and identifiable physical features. This is easily proven by the fact Israel now performs DNA tests on immigrants entering the country. This development is the surest sign yet that Jewishness is not a cultural construct, but a biological one. According to the Times of Israel, "would-be immigrants may be asked to prove [their] Jewish bloodline" and will be "subjected to DNA testing to prove their Jewishness."

What do Jews believe?

Tacitus, the Roman historian writes:

"The Jews are a race that hates the gods and mankind. Their laws are in opposition to those of all mortals. They despise what is to us holy. Their laws condone them in committing acts which horrify us." (Historian V.3-8)

The Jewish race believes itself to be known as "the chosen people" which means they believe they were chosen or ordained by their "god" to be superior and entitled to complete control and freedom over all gentile races. This is clearly seen in their beliefs in the Talmud and Torah, as well as numerous other doctrines and directly expressed opinions from members of the Jewish race.

According to Jewish beliefs only the Jew is human. In contrast, all non-Jews are animals. They are beasts in human form. Anything is permitted against them. The Jew may lie to, cheat, and steal from them. He may even rape and murder them. The Jewish religion is a doctrine of Jewish supremacy over gentiles. The fundamental teaching of Judaism is that the Jews are a holy "chosen people" above all others who have been ordained by god himself to rule the earth,

possess all the wealth of the world and exploit the gentiles, subjecting them to a life of servitude and degradation. Those who resist the Jewish will are designated for complete annihilation. These supremacist edicts are vividly expressed in all Jewish holy texts. There are a great many passages from the Old Testament which illustrate the Jewish supremacist vision of world domination and subjugation of non-Jews.

There are hundreds of passages in the Talmud in which the non-Jews are described as animals. Some of them are:

"The Jews are called human beings, but the non-Jews are not humans. They are beasts." (Talmud: Baba mezia 114b)

"Even though God created the non-Jew they are still animals in human form. It is not becoming for a Jew to be served by an animal. Therefore he will be served by animals in human form."  
(Midrasch Talpioth p. 255, Warsaw 1855)

The following is a direct quote from- Prime Minister Menachem Begin (Israeli Prime Minister, June 1982):

"Our race is the Master Race. We Jews are divine gods on this planet. We are as different from the inferior races as they are from insects. In fact, compared to our race, other races are beasts and animals, cattle at best. Other races are considered as human excrement. Our destiny is to rule over the inferior races. Our earthly kingdom will be ruled by our leader with a rod of iron. The masses will lick our feet and serve us as our slaves"

This is a quote from (Thikune Zohar, translated by Dr. Bischoff

"Further there is a law concerning the slaughter of foreigners, (Even though it wasn't their land, and they slaughtered many people and stole their land) who are the same as beasts. This slaughter is to be carried out in a lawfully valid manner. The ones who do not follow the Jewish religious law have to be offered to God as a sacrifice. It is to them that Psalm 44:22 refers: `Yea, for thy sake are we killed all the day long; we are counted as sheep for the slaughter.'"

This translation and publication of the law of human sacrifice is the greatest blow ever struck the Jews in this controversy. THIS LAW COMMANDS THE JEWS TO BUTCHER NON-JEWS. THIS IS TO BE DONE IN A "LAWFULLY VALID WAY" THIS MEANS THAT THE GENTILES ARE TO BE SACRIFICED IN THE SAME WAY AS ANIMALS. THEY ARE TO BE SACRIFICED TO THE JEWISH GOD. THEREFORE, WE ARE DEALING WITH A LAW THAT DOES NOT ONLY PERMIT THE PRACTICE OF RITUAL MURDER, BUT COMMANDS IT!

The Jewish race also advocates pedophilia as well Jewish pedophilia has deep and ancient Talmudic roots. Talmudic law states that sex with a little girl is permitted under the age of three years, the general teaching of the Talmud is that

the rabbi must wait until a day after her third birthday. She could be taken in marriage simply by the act of rape. Second century Rabbi Simeon ben Yohai, one of Judaism's very greatest rabbis and a creator of Kabbalah, sanctioned pedophilia—permitting molestation of baby girls even younger than three!

He proclaimed, "A proselyte who is under the age of three years and a day is permitted to marry a priest."

1 Subsequent rabbis refer to ben Yohai's endorsement of pedophilia as "halakah," or binding Jewish law.

2 Has ben Yohai, child rape advocate, been disowned by modern Jews? Not even remotely. Today, in ben Yohai's hometown of Meron, Israel, tens of thousands of orthodox and ultra-orthodox Jews gather annually for days and nights of singing and dancing in his memory.

References to pedophilia abound in the Talmud. They occupy considerable sections of Treatises Kethuboth and Yebamoth and are enthusiastically endorsed by the Talmud's definitive legal work.

In Israel a blessing is given to the man who marries off his children before they reach the age of puberty, with a contrasting curse on anyone who waits longer. In fact, failure to have married off one's daughter by the time she is 12 years of age, the Talmud says, is as bad as one who "returns a lost article to a Gentile (non-Jew) - a deed for which "the Lord will not spare him." 13 This passage says: "... it is meritorious to marry off one's children whilst minors."

More disgusting advocations of pedophilia in Jewish law:

"A Gentile girl who is three years old can be violated." – .9boda Sarah 37a.

"A Jew may violate but not marry a non-Jewish girl." – &ad. Shas. 2:2.

"A Jew may do to a non-Jewess what he can do. He may treat her as he treats a piece of meat." – Hadarine, 20, B; Schulchan 9ruch, Choszen Hamiszpat 348.

But wait, it doesn't end there. The Jewish race is also excessively fascinated with coprophilia, which by definition is "abnormal interest and pleasure in feces and defecation."

From prayers of poop, to Rabbi's divination with human feces, to scat in all their holy texts and daily life, even in their sexual perversions. Keep in mind even Jewish psychology is obsessed with coprophilia, look no further than Jewish psychologist Sigmund Freud he was obsessed with writing about his fellow Jews scatology as well. He developed whole personality profiles around people and scat. Where do you think "Anal retentive" comes from. Simple, people who gain pleasure from holding their crap longer become Anal retentive.

The Jewish bible has numerous references to coprophilia; This passage takes place during the 390 days (that's over a year, people!) when Ezekiel is lying on

his side. (I hope that the prophet isn't a back-sleeper.) During that time, the Lord suggests--well, demands--that the prophet observe certain dietary restrictions:

"And you, take wheat and barley, beans and lentils, millet and spelt; put them into one vessel, and make bread for yourself" (Ezekiel 4:9) Not so bad, right? Whole grains are good for heart health! Well, wait ... God continues, "You shall eat it as a barley cake, baking it in their sight on human dung" (Ezekiel 4: 9-12). Yup, that's right ... on human dung. For over a year, Ezekiel must eat food that has been prepared over burning feces.

Here are more examples;

'But the Rab'sshakeh said to them, "Has my master sent me to speak these words to your master and to you, and not to the men sitting on the wall, who are doomed with you to eat their own dung and to drink their own urine."'  
(Isaiah 36:12)

Fecal obsession is normal to all Jews says Jewish Carla Naumburg; "We talk about poop a lot in my family. You might think it's just because we're the parents of a toddler and an infant, and that's definitely part of it. But we're also Jews, so it comes naturally to us.

It's true. Jews love not only talking about their fecal habits, but also stressing about them. Are we pooping often enough? Too much? There's even a prayer, the Asher Yatzar, thanking God for the orifices of our body, and expressing gratitude that they open when they should and perhaps more importantly, that they remain closed when they should."

I apologize to those of you who had to listen to the previous disgusting articles about coprophilia, but it was necessary to include that information so you the viewers have a greater understanding about Jewish obsessions and ideals.

Hello This is \_\_\_\_, and in this video we will be discussing how the Jewish race maintains control over the gentile populace

The Jewish race employs a very large and intricate variety of societal tactics and measures to ensure it has a complete grip over gentile nations and the world itself. This allows for them to remain in power at the highest levels of authority and wealth to mitigate the control over gentile societies. This system is unimaginably vast and has deep roots throughout our entire global community so discussing all of this in detail in this video would be a very daunting task. So

instead we will briefly discuss each of their main control mechanisms on society and provide you the viewer with sources and links to much larger compilations of all this intricate and detailed information at the end of the video.

The first control mechanism that the Jewish race employs to maintain power over gentile people are the national and global banking systems. These monetary systems are designed so that Jewish powers; such as The Rothschilds and other wealthy Jewish elites have complete control over the monetary systems of entire nations. Through this, they can regulate the quality of life and means to advance in society for all gentile people of different nations. A materialistic form of living is promoted so that all gentile people must constantly find a means to produce a limited income for themselves to be able to survive. Without money one does not have access to food, shelter, clothes, utilities that sustain life, and just about all forms of commodities. In a Jewish monetary system, you are kept in a rat race, constantly trying to make enough money to sustain your life but just barely, this system of poverty which billions of people around the world suffer is used to keep the gentile people in a state of slavery to the dollar. No matter what you do, you are always in debt in some way and will constantly be committed to a life of fee's, taxes, and bills you cannot escape from. At the end of this video there will be copious amounts of links and sources to verify these claims.

The second control mechanism the Jewish race uses to maintain power over gentile nations and societies is the use of news and media outlets. Through this, the Jewish race has complete control and censorship on what is discussed across vast mediums of media coverage. The truth is completely at their mercy when they broadcast whatever they desire to at the general public. Today, seven Jewish Americans run the vast majority of US television networks, the printed press, the Hollywood movie industry, the book publishing industry, and the recording industry. Most of these industries are bundled into huge media conglomerates run by the following seven individuals:

- Gerald Levin, CEO and Director of AOL Time Warner
- Michael Eisner, Chairman and CEO of the Walt Disney Company
- Edgar Bronfman, Sr., Chairman of Seagram Company Ltd
- Edgar Bronfman, Jr, President and CEO of Seagram Company Ltd and head of Universal Studios
- Sumner Redstone, Chairman and CEO of Viacom, Inc
- Dennis Dammerman, Vice Chairman of General Electric
- Peter Chernin, President and Co-COO of News Corporation Limited

Those seven Jewish men collectively control ABC, NBC, CBS, the Turner Broadcasting System, CNN, MTV, Universal Studios, MCA Records, Geffen

Records, DGC Records, GRP Records, Rising Tide Records, Curb/Universal Records, and Interscope Records.

Most of the larger independent newspapers are owned by Jewish interests as well. An example is media mogul is Samuel I. "Si" Newhouse, who owns two dozen daily newspapers from Staten Island to Oregon, plus the Sunday supplement Parade; the Conde Nast collection of magazines, including Vogue, The New Yorker, Vanity Fair, Allure, GQ, and Self; the publishing firms of Random House, Knopf, Crown, and Ballantine, among other imprints; and cable franchises with over one million subscribers."

It could also be added that Michael Eisner could depart from Disney tomorrow but the company will remain in the hands of Shamrock Holdings, whose principal office is now located in Israel".

START OF PART 3

Hello my name is \_\_\_\_\_, this is the third video in a 3 part series that discusses the truth about the Jewish race as a whole.

3.) Another control mechanism the Jewish race uses to maintain power over the gentile people is the control of the education systems. In the early 20th century both the Rockefeller and Carnegie Foundations were donating large sums of money to education and the social sciences. They supported, in particular, the National Education Association. <http://educate-yourself.org/ga/RF4chap1976.shtml>

By way of grants, they spent millions of dollars, money which was used to radically bend the traditionalist education system toward a new system that favored standardized testing over critical thinking, toward "scientific management" in schools. This was part of a calculated plan to make the schooling system benefit corporate America, at the expense of the American school child. Powerful foundations with private interests, such as the Ford Foundation <http://www.neafoundation.org/pages/educators/knowledge-and-resources/grantee-resources/> continue to support, and thereby influence the policy of, the NEA to this day.

Additionally, an unprecedented U.S. Congressional investigation into tax-exempt foundations identified the Rockefeller and Carnegie Foundations engagement in an agenda for vast population control. Norman Dodd, Research Director for the Congressional Committee, found this statement in the archives of the Carnegie endowment:

“The only way to maintain control of the population was to obtain control of education in the U.S. They realized this was a prodigious task so they approached the Rockefeller Foundation with the suggestion that they go in tandem and that the portion of education which could be considered as domestically oriented be taken over by the Rockefeller Foundation and that portion which was oriented to International matters be taken over by the Carnegie Endowment.” <http://www.youtube.com/watch?v=YUYCBfmlcHM>  
Through control over the education system, the Jewish race has been able to dumb down the average I.Q. of the gentile student greatly over many generations, they banish most forms of creativity and independent thought and replace it with right-brained standardized testing practices which cripple the intellectual development of the children in the education system, preparing them for a life of thoughtless acceptance of their roles in society as wage-slaves and unthinking, unquestioning machines. The control over the education system also holds two other powerful advantages for the Jewish race, one being they are able to freely expose and indoctrinate youth into the story of the holocaust, the second being the combination of Christianity into the school systems despite the separation of church and state. We will go over Christianity later briefly in the video, however we must first discuss the holocaust as well.

The holocaust, which is a program, is designed to assign meanings to the Jewish agenda, and places a powerful spell over the minds of the Gentiles. It is powerful propaganda in the aims of the Jewish agenda. Its premise is the foundation for numerous special laws, making the Jews beyond and above any criticism. It is further used as a tool to silence all debate and steamroll anyone who opposes their agenda. It delegitimizes any information that exposes them, along with those who do, and gives them moral precedent for their Jewish state in Israel; the greater world system they wish to rule from Israel. It is also a powerful steroid for their Cultural Marxist [PC's real name] ideology, which is designed to destroy any healthy, organic psychological or material institution that by its nature, hinders Jewish destruction, and the assimilation of their nation into the claw of the Jew World Order.

To understand the truth, the Jew has made it illegal in many areas to research this subject [truth does not fear investigation]. Copious amount of sources and links will be included at the end of this video to verify all of this thoroughly. Finally the most powerful of all of the control mechanisms the Jewish race uses on the gentile people of the world are the programs of Christianity and Islam. Christianity and Islam was a reaction to the original Pagan religions, labeled as "Satanism"; meaning "enemy/adversary" in Hebrew. If you read through the information contained within the end video sources and links, this is proven overwhelmingly.

Christianity and Islam was invented to remove spiritual and occult knowledge (the powers of the mind) from the populace and place this power in the hands of a "chosen" few to the detriment of all humanity. The powers of the mind and soul

are very real. People who are unaware of or who do not believe in these powers are easy to control and manipulate by those who are skilled in using these energies. Which is exactly why the Jewish race created these programs. To leave gentile people without any spiritual knowledge of any kind to advance themselves, empower their souls, heal themselves and maintain their lives, educate themselves, and to be truly free. Meanwhile the Jewish race hordes this stolen spiritual knowledge from the gentile people and uses it against them in countless ways from destructively spiritually infused programs like Christianity to enslave gentile people, to curses performed on the gentile people directly to destroy them and cause untold suffering, whilst they empower their own lives and souls with the knowledge we formerly had before these programs were initiated. (ENDING STATEMENT)

We strongly encourage you the viewer to keep an open mind about all of the information presented in this video. Please take a few more minutes of your time to visit the following sources and links to learn and educate yourself more on this information. In the following links you will find very detailed and accurate sources from which this knowledge is derived, we again encourage you to keep an open mind and review all of this information objectively and fairly despite negative impressions society has placed on this information. Thank you for your time and have a safe and wonderful day.
