

# Still, They Want to Nuke the Planet...

These jews are totally criminal. I wonder who isn't getting it anymore, after all of that is happening. People will REALLY neglect helping them, reading their bible, and being their whores for so long. Most of these people are so destroyed and retarded, that they have paid with this already. This is not however all of it. If you signed a pact with the jews, you are in to pay with... interest.

All these jewish organizations and 'future predictors' constantly try to pass the thing for Nuclear War, ad nauseum. Constantly, like all the time, they repeat this. The Rabbis of course, knowing they are going to fall soon if they don't do anything of that magnitude, they want to start a Jewclear War, so they cast the appropriate magick for it.

Israel and jewish world leaders will be safe anyway, only the Goyim in Europe and America are going to pay for it. The jews just want to quickly do a final march, already.

This is to force in reality the blueprint of their 'apocalypse' that the Goyim are reading in "Revelation" while they clap, give psychic energy, and eat MacDonald's. People haven't even read this book properly, as there are so many 'covered' translations. To read the original one is very revealing. All the Goyim are going to go extinct. That's how it ends.

Many members of Humanity are largely retarded, and too weak to do anything about this.

We have posted a schedule until the 30th. If anything 'looks' closely as to what needs action about, we will do Anti-War RTR's. And save the planet again... yet again.

Many people do not understand that what we do is so decisive, or what is going to happen if we do not. These people are shallow and poor in understanding. There are no other spiritual orders that do anything, except of speak, talk, and try to love jewsus in a different way. Too weak to give all these hoaxes up, and do their purpose to their people or the world at large.

Muslims are like, bowing to a rock, for their own destruction, and blowing themselves to bits. That retarded. Why do they believe it? Because why not, do you want some TNT now, do you? Are you an infidel?

Does that NOT sensitize people on what race mixing and all these things do? That retardation and weakness is so great and plaguing, that we are going to lose our home planet? If it doesn't sensitize anyone, then this again proves my point....

In short, we are alone in this, and this is a good thing. Most people are busy doing useless things with their life, such as wasting their petty life all over the place. And being a good, worthless life form, that the jews call goyim.

We can see through the fog, the fear mongering, and the weakness that plagues many.

These christians are the worst retards. They are the greatest help to the jews, same as the muslims. Without them, they could achieve nothing on their own. All their crimes, imposition, and cattle control, happens through christians. They also catapulted them in leadership positions.

Jew Infected "Goyim" are after corruption still in more than one way. This can be evidently seen in how they are going after all these useless 'theorists' that give them only bags of crap, and how they always deny anything that can cause real change. Subconsciously, they are cattle. Not only they do not want 'change', they want to be abused and destroyed.

Thankfully, there are improvements. These improvements are so vast, that the enemy replicated their meme of Jew-Clear world destruction to scare the "Goyim" off. They literally tell them that if they do not comply, they will be killed basically.

Our RTR's can change this. Humanity as always, again, depends on the Devil to do anything to save them. While the 'good lord' wants to cause a revolutionary holocaust, and destroy them all.

What's positive is that the tide turns to our advantage, and we will fight constantly and without wavering, forever. Here should also go all the bets.
