

# Vatican: Killed, Enslaved, Experimented Upon 100,000 Orphans

The story below is most revealing and shocking. The crimes of the Jewish Vatican are enough to make anyone cringe. Some people still talk about this Jewish excrement whom they once used to call "God", who does nothing but produce followers that are retarded, social menaces, murders and animals.

Especially his "holy ones" and "chosen" are the greatest criminals this world has ever seen following in the footsteps of the actual Jew "JHVH". These disgusting businessmen, dealers of fake hope and a Jewish "god", have done it again. Except of rape, murder, torture, civil war, wanting to wipe out Whites, there is more.

Many people will remember the story that was here of a similar incident, having to do with Children and innocent women. These are like 1 in the hundreds, or more. The enemy is a brutal rapist, slayer and destroyer of children since the dawn of time (see the latter end of the post):

Death, Humiliation, Slavery in "Christian housing" and more.

Do you all remember all the alleged "bad stuff" the "Nazis" were supposed to have done to people and innocents, and all this crap, in the supposed 1940's? Apparently, this was again projectionist propaganda by the enemy Jews, who behind the Vatican rapist, murderer and criminal institution, again was projecting things against people who never did anything remotely close to this.

The Nazis put the Orphans in the power of everyday women to take care of, they were adopted by families and the list goes. Children were taken care of. Orphan people have to undergo insane treatment, torture and destruction. These people are considered worthless by the enemy slaver Jew, who considers these people nothing but straight "Goyim" who are supposed to be drugged, beaten, destroyed, rather than rehabilitated or loved in any way.

A face you can trust, filled with love:

In the 1940's, A scheme reportedly launched by the (((CATHOLIC CHURCH))) and (((Canada's government))). The Church deemed kids 'mentally deficient' and orphans sent to MENTAL HOSPITALS.

“We're talking about children that were tortured, that we kidnapped, that were put into cells, that had to take tons of experimental drugs, chained and whipped.”

“The Duplessis Orphans were used as human guinea pigs for medical experimentations.”

“More than 100,000 Duplessis Orphans have disappeared or [have been] murdered. Innocent children were falsely labelled mentally retarded, and illegally warehoused into psychiatric hospitals.”

Clarina Duguay survived this horror:

“The evening when they forced me into an ice water bath, afterwards she [a nun] put a straightjacket on me by force, while I was still crying about finding my mother and returning back home. This is why they tortured me.”

.....”The Catholic Church DENIED responsibility and REFUSED to apologize.”.....

## The Forgotten Case of Duplessis Orphans

[...]

The Catholic Church and the provincial government of Quebec, then led by Maurice Duplessis, a strict Catholic himself, made a deal, which falsely certified 300,000 orphaned children as mentally-ill, confining them to psychiatric institutions.

The deal was beneficial for the Church and psych wards, as they received funds from the government for "taking care" of orphans. These children later became known as the Duplessis orphans.

Thousands of children died in these institutions. Those victims who survived in mental-health hospitals told horrifying stories of how unspeakable things were done to them when they were young.

[...]

In 1962, Landry managed to escape from that clinic. Soon he found a job and began a normal life. Eventually, Landry was able to find his mother at the age of 48. He didn't even know where he was born, until a Quebec social agency, which helps former Duplessis orphans, told Landry he was born in Quebec City.

"I know many Duplessis orphans and trust me they're definitely not mentally challenged. One of Quebec's renowned novelists Bruno Rua is a Duplessis orphan," said Alain Arsenault, a Montreal-based lawyer currently working on the case of orphans.

The lives of these people are permanently damaged by the Church and the Quebec government, which took away their childhood and filled it with pain, abuse and other dark memories.

Imagine adults who suddenly realize at 40 or 50 that they couldn't receive any education simply because someone wrote on their personal file that they had a non-existent mental disability. And for what? Well, because the Catholic Church of Quebec wanted to receive an extra dollar and a half for each child per day, Arsenault told Sputnik."

Shocking? It shouldn't be. They are following in the footsteps of their Hebrew savior and messiah, the one who destroys and kills babies for fun.

This is why people need to RIP THEM APART SPIRITUALLY WITH OUR RTR's. We must hit them like a battering ram. Thousands of people die, get tortured, raped and destroyed every day because of the jews and their works of terror. These criminals have to be spiritually destroyed. This is nothing more than the Torah, which in itself is just EXACTLY what is practiced by the enemy jews in the Vatican, in Pissrael, in World Governments and everywhere else.

According to their own JEWISH BOOK:

"Now go and attack Amalek, and utterly destroy all that they have, and do not spare them. But kill both man and woman, infant and nursing child, ox and sheep, camel and donkey. (1 Samuel 15:3)

"The people of Samaria must bear their guilt, because they have rebelled against their God. They will fall by the sword; their little ones will be dashed to the ground, their pregnant women ripped open. " (Hosea 13:16)

"Happy is he who repays you for what you have done to us. He who seizes your infants and dashes them against the rocks." (Psalms 137:8-9)

They are following exactly what the Torah and their Jewish "god" tells them, in the end. They just follow the Jewish dictates. That's all.
