Greetings to all our People and Satanic Comrades.

This is the New Schedule we are going to follow and apply.

These five days we will focus on the media, fending off attacks, while also empowering ourselves as a group. Then we will go on full assault mode again. This is as necessary as is the full assault mode.

The enemy is really down especially on the media. We have destroyed them a big deal. We need to keep destroying them, as information is power. Due to our Rituals the jewtrix of the news and the (((Information))) and (((Communications))) have been falling apart. We need to keep up this RTR.

The Curse Israel is self relevant.

The Serpent Rituals funnel intense power in the workings and are also good at the Soul, as the enemy has done their best to keep this creative force of humanity down so they go unthreatened. As thus these secondary Rituals are good to 'fuel' us again with the necessary power, while renewing the removed curses of the jews.

After this short 5 day schedule, we will go full assault mode with the other Rituals, whose power will be very big due to this preparation and renewal of removing Serpent bindings etc. Not only this, but the enemy will have everything they try to pull up, go straight onto them. This is to generally refresh our energies, backfire their nasty curses, as a group and spark them even stronger.

## **Below will be the Rituals.**

We are doing this on the line of this schedule, with a different addition:

**Priority 1 Ritual** for the dates of this schedule we are doing is going to be the Curse Israel RTR. This should help those who feel aggravated and have much on their tail so to say, to fend off the attacks they may have been receiving:
