

Ancient Artifacts from Mexico Show Grey Aliens On Earth

There is steady stream of ancient finds in South America that keep showing one major fact: The images of Reptilians and Greys shown in sacred dress.

I wrote about this in another article about the Mayan Temple artifacts of Greys. Keep in mind, the Aztecs were the ancient Mexicans. They were the people who made these Grey artifacts:

From the Aztec codex Chimalpopoca:

“The Toltecs were engaged in battle at a place called Netalpan. And when they had taken captives, human sacrifice also got started as Toltecs sacrificed their prisoners. Among them and in their midst the evil YAotl followed along. Right on the spot he kept inciting them to make human sacrifices. And then, too, he started and began the practice of flaying humans...Then he made one of the Toltecs named Zihcozcatl wear the skin and he was the first to wear a Toltec skin. Indeed, every kind of human sacrifice that there used to be got started then. For it is told and related that during the and under his authority, the first Quetzalcoatl, whose name was Ce Acatl, absolutely refused to perform human sacrifice. It was precisely when Huemas was ruler that all those things that used to be done got started. Huemas sacrificed a human streamer, thus making payment.”

In the Codex, the original civilization given by the Gods, which is described as blond-haired and blue-eyed, ordered them to never commit human or animal sacrifice. In the Codex, the Quetzalcoatl here is a title not of the Nordic God [Satan] but of the Priest King of the time, who kept the law given. We see in the Codex that later rulers started to make deals with these other beings, described as being evil. In return for power and earthly favors, they offered blood sacrifices. The name of this being is YAh-olt, Jau of Yau, Yao, is also a spelling of Yahweh who is also called Yah by the Jews. Yahweh is a collection of enemy aliens. Yahweh orders human sacrifice and animal sacrifice in the Torah.

(The full article is titled “Greys’ Involvement in Ancient America” on Satan’s Library.)

The Jews state in their writings that their "gods" the 'Elohims', which is the plural spelling, came down and created them by fathering them. They are not part of the Gentile races who came from the blood of Satan, the leader of the Nordic extra-terrestrials from Orion. They state the Jew came from the different blood of Yahweh and is a separate race, totally different from all other races on Earth. The Greys are Reptilian, and the Jews are the only race found with Reptilian DNA in their Cohen gene, which is their racial gene.

It is obvious who 'Yahweh' or the 'Yahwehs' the 'Elohims' really are, as it is stamped into the racial genetics of the Jews. Now it's obvious why Yahweh, at some point, forbade any images to be made of it, because when images have been made of the Elohims, you can witness them for what they are: Reptilian Greys

The Elohims then dictated the Torah to Jews, which is a battle plan to destroy the Gentile races, which is what "The Nations" mean in the Torah. It is a plan to build a global factory farm (farming non-Jewish Gentile humans) for their Reptilian masters.

What did the high-ranking Jewish leader Rav Laitman tell his fellow-Jews during a lecture in Israel? That the Jews are an alien race to this planet, that came from their former world to this one to conquer it.

ANCIENT sculptures depicting alien-like figures have been found in a cave in Mexico, it has been claimed.

The spooky artefacts which reportedly date back thousands of years show creatures with long faces and wide eyes.

There also was a story in the news years ago about construction workers doing renovations on part of the Vatican and finding the skeleton of a Grey alien.
