

Answering Questions about Satanic Elites

Questions:

What about these so called satanic cults who run paedophile rings and pornography cults. The ones in Hollywood and those in power of the new world order such meet at the Bilderberg meetings. These people are called Satanists but nothing they do is like spiritual satanism.

I was watching something about adult swim Matt Harmon being satanic and many more have been talked about. Seems to give satanism a bad wrap which is why most atheists won't touch it. Satan is synonymous with evil in mainstream legend. And yet everyone on this forum likens Satan to all just God.

I don't know enough about Satanism yet.

Answer:

Bilderberg is run by the Jewish banking elites who control the global currencies with the Rothschild greenback. Rothschilds, Rockefellers, and other Jewish families are behind this. The plan of the Bilderbergers runs across media, political, economic, and academic policies. However, the other wing of Bilderberg that never gets mentioned by the Christ-lie "Truthers" is that they have a religious wing as well. They are creating a world council of Christians Churches to forge a new universal Christian Church to control the masses.

As the Jews have stated in their own Israeli press, they run this world and are working to impose Judaism on the planet. They passed the Jewish Noahide laws in America. These are the same laws that command the execution of anyone who does not follow Judaism. Jews run Hollywood, the Media, and Music industries. They all follow a religion that tells them to create a one-world order run by Jews. Pedophilia is allowed in the Jewish Talmud, their religious text.

The Jews created Christianity to take control of the world. The Jewish elites took over the Roman Empire under the Flavian regime, which then wrote the Bible and created the Christ-lie Catholic Church and executed anyone who did not convert to this Jewish religion among the Gentile masses. The goal of the Bible is the book of Revelation, where the King of the Jews returns and rules the world with 144,000 Jews, who represent the 12 tribes of Israel, after destroying all the Gentiles who are called the Nations. The Rabbis state in their own Kabbalah that Jesus is their messiah, which is nothing but a Jewish spell to use the mass mind of the Gentiles to manifest their Jewish world order. There is a church on every corner, all praising the Jews as god.

Who runs the Free Masons? The Rothschilds. What Mason Lodge is the command lodge of world Free Masons and openly orders the governments of the world around and even puts Presidents like Bush into power? The Jewish B'nai B'rith Lodge, which is

run by Rothschilds. The Rothschilds call themselves the Jewish Messiah, and the mission of the Jewish Messiah is to bring about the Jewish One World Order ruled from the rebuilt third Jewish temple in Jerusalem. The Masonic lodge has a Jewish Bible on every altar, and they follow the Jewish Kabbalah. The goal of Judeo-Masonry, as stated in their system, is to rebuild the third temple of the Jews in Jerusalem. David Ben Gurion, the first Prime Minister of Israel, stated that the One World Jewish Government will be ruled from there. Even in the movie "Eyes Wide Shut", the "Truthers" go on and on about it, which just shows the Rothschild power structure at the top. The movie was filmed in a literal mansion of the Rothschilds. The leader of the party sitting in the throne represents a Rothschild. The throne has the literal emblem of the Rothschilds on it. The Jewish religion states that five animals are to be sacrificed to their "god" Yahweh, one of which is cattle. They call Gentiles "Goyim", which means "cattle". Right in the Jewish Bible they practice child sacrifice to Yahweh. In the story of Japhet, he sacrifices his ten-year-old daughter to Yahweh. According to the Rabbinical commentaries, this shows that child sacrifice to Yahweh was common in the Jewish Bible. Because no one tried to stop him, no one was surprised, and there was no law against it and.....YAHWEH ACCEPTED THE CHILD SACRIFICE.

Christianity, a JEWISH program, is based on ritual human murder and cannibalism where a Jewish father sacrifices his Jewish son and then has everyone drink his blood and eat his flesh. This is from the cultural psyche of the Jewish race. They practice this trash amongst themselves forever. It is also designed to be a form of Jewish black magic called "sympathetic magic". The Christians who practice this ritual in communion, which is literal in the original doctrine of the Church, are tied into the actual energies of the ritual murder victims of the Jews. Jews have even been convicted in court for doing this. They are just following their Jewish Bible, the race religion of their alien soul.

The Jews run all these institutions, and the Jews hate Satan and state that Satan is their enemy. Satan is the creator God of the Gentiles. The Jews want to destroy and enslave Gentiles, as their Bible tells them to do. Actual Satanism was always the ancient religion of India, Sumeria, Egypt, and such. The head God was always called Satan, which means the "King of the Gods" and "Eternal Truth".

The Jews practice a form of black magic called "scape goating" in which they project their own evil deeds onto the innocent. They also do this with ritual animal murder around Yom Kippur. They place the blame for their evil deeds onto the innocent and let the innocent take the blame for the crimes of the Jews.

That is why the Jews lie and blame their Enemy, Satan, for everything they do, so that the Jews avoid taking the blame for their own crimes. This reinforces their Jewtrix of lies in which Satan is evil and the Jews are "god". You see this today with how the Jews blame Whites for the crimes of the Jews in running the African Slave Trade. Innocent Whites take the blame for the crimes of the Jews. This reinforces the Jewish narrative about "evil Whites", which Jews created to destroy the White Race. The Jewish religion tells them to destroy the race of Amalek, which is the occult name of Satan in Judaism.
