

## Charlottesville Was A False Flag

The people who attended the rally state that the government set them up. The governor signed the State of Emergency at 11:06, a Kabbalistic number. President Truman signed the act to recognize Israel at 6:11. And Ben Gurion signed Israel into existence at 6:00. The number 11 represents the Jewish People and their God-form as one and six is the number of creation in the material realm.

Israel represents the Jewish People.

6:11 is also the number hidden in the “aleph” letter in Kabbalah, which is the letter of God. It is two Yods, one for the Jewish God-form and the other for the Jewish soul. This reduces to 1 and 1, which is 11, the number of the Jewish Messiah, Kav, kingship, and political power. The number 6 is the “vav” that connects the two into one. 6:11, 11:06. This is the Kabbalistic number of the Messianic Kingship of the Jewish Race, which is to be finished by creating a global Communist State. 11 is also the number of Edom, the 11 kingdoms of the Gentiles to be destroyed in the Messiah war of the Jews, as stated in their Torah and Kabbalah.

At 11:06, the Emergency Order was brought in to tie this event into their God-form using 6:11 to create a state of Emergency in the public mind and bring forth more political violence. The Jews are using this to tie into the American Civil War, which they also started to divide and destroy America. At the end of the war, the Jews tried to promote a pro-Communist regime in the South.

The car that drove into the Protesters was driven by a Jew and its license number was GVF1111. The Jewish Media is flashing this over and over.

VF is 66 in both Jewish and English gematria, making 66 and 1111, the doubling of 11:06, the date of the State of Emergency. There are also 66 books in the Jewish Bible, which is connected to their God-form. It is also the doubling of the number of the American signing of the State of Israel, thus connecting the agenda of Israel, which is also the Jewish People. The Jewish news originally reported 1 killed and 19 injured, which is 119, which is also 911. The number of Emergency and the date of the Balfour declaration of the State of Israel and the Mossad attacks on American on 911. This was to create Greater Israel, which is also the Jewish People. The car was not supposed to be allowed into the area, but the Police stated they allowed it in because it was the same style as undercover Police cars of their department, so this was deception. I don't think the driver was meant to be caught. From studying the Kabbalistic numbers and false flags, this was an operation to cause chaos and push America towards a Race War for Israel, which is also the Jewish People as a whole. This is their world government's agenda of destroying the American Nation by starting a civil war and bringing a Communist Revolution out of it, which is how the Jews took over the Russian, Chinese, Cuban, and Cambodian nations with Communism. It was also attempted in Spain, Germany, Hungary, and other nations as well. The Jewish Kabbalah orders them to create chaos and bring the Jewish world order out of it.
