

## Covid Pandemic is the Emergence of the Jewish World Order

In October of 2019 the Event 201 was run, which was a simulation of a global coronavirus pandemic and the actions for such. This Event 201 was run by Bill Gates and other groups such as the World Health Organization. Bill Gates is the largest funder of the WHO. The WHO (World Health Organization) was founded by the Jewish Rockefeller Foundation. Bill Gates from reports on his own family ancestry is a cousin of the Rockefeller family. Bill Gates' own father ran an important organization also run by the Rockefeller Foundation. The racial Jews keep their empires in the family. The Rockefellers are also mixed with the Rothschild family. Which is the top level of the global Jewish cult.

If one watches the video from Event 201 that is in public domain, the exercise directors stated that martial law and the shutting down of the internet to prevent freedom of press and information will be employed to combat the pandemic. Then all of a sudden the pandemic from a virus bioengineered in a lab, appears globally in our world right after Event 201. And the Bill And Melinda Gates Foundation and the WHO appear and are advising the governments of the world including America on how to handle the pandemic, and its the exact blueprint of Event 201.

Now they are attempting to impose martial law under the pandemic and economic and financial collapse, which is the shutting down of the economy. All of this while 5G is being put up at lighting speed everywhere.

The goals are to put new laws and restrictions into society that allow greater global controls while centralizing global economic control in the hands of the Jewish run world banks and corporations, who are working to create a global one world, digital currency and economic grid. The goal is, by running the nations economic systems into the ground, they become dependent on global ones, and the same with currencies. And the Jewish elites are in control of those.

5G which is being forced undemocratically on America by Federal Law and other nations. This despite 237 and now more EMF scientists for 41 nations lobbied the UN against 5G for its harmful effects on human beings.

The goal of 5G and the reason the Jewish owned telecom corporations and putting this 5G grid down with government force behind them is simple. The Jewish elites need 5G to build the global control grid. The "smart" technology requires 5G. The internet of all things which is required for the brain microchips companies like Neurolink are developing needs 5G. The internet of all things and thus 5G is the connection for the coming brain chip. To have a global digital currency and surveillance grid, 5G and the internet of all things are required.

In Toronto, Canada the parent company of Google, that of Alphabet, has planned a smart city in which the identical Orwellian system of Social Credit was to be installed. Alphabet is a global tech company run by Jewish owners, Larry Page and Sergey Brin. This brings us to Jew, Ray Kurzweil the Google executive who has stated that by 2030 all humans will be linked into the AI grid. This is the smart grid the Jewish elites are working to bring online. How does a Jewish, Silicon Valley executive know such? Silicon Valley is run by Unit 8200 the tech wing of the Israel military.

Bill Gates in an interview with Chris Anderson, openly stated that people will have to have a certificate of vaccination for Covid-19 before being allowed to travel or have any social existence. This is also stated in the news to be a "quantum tattoo" which can be digitally scanned and requires some microchip. In which at some point all your information will be downloaded into, thanks to 5G and the global smart grid.

The journalist Whitney Webb stated that Israel admitted it was working with the coronavirus and technologies, and that is why Israel claimed to have the vaccine for such. This is why its believed by many the Covid-19 is originally from a lab in the Israel military. The entire global smart grid is also designed as Webb has shown to be run out of Israel, the JEWISH STATE.
