

Gentiles on the Jewish Dinner Menu

It's known and historically and legally documented the Jewish race engages in ritual murder of children, animals and Gentiles. It's right in their Torah and even their thoughtform of Rabbi Jesus is a ritual human sacrifice of which his followers drink his blood and eat his flesh, which is made literal blood and flesh by the Kabbalah ritual of the Catholic Priest. This is done so it connects directly into the actual blood and flesh energies of the victims, which follows the ritual murders of the Jews in which they consume the blood and flesh of the victim. The Christian communion is a form of Kabbalistic sympathy magic designed to tie into the actual energies the Jews raise with their ritual murders in the astral and enhance them. That is why the Jews created the ritual murder as the center of the Christian program they created. The entire rituals of the Christian church are Kabbalistic magic. The tale of the Last Supper of Christ in the Bible ties into Jewish Kabbalistic rituals. The Last Supper ritual in the Bible is the theme of the "Holy Communion" ritual in the Church and its passages are recited from the Bible as they drink the blood and eat the flesh as part of the ritual, thus connecting the energies of the ritual murders and cannibalism of the Christ ritual into actual ones the Jews engage in. The Christian Bible is the source of this sympathetic magic. The energies of the victims of the Jewish ritual murders connect into the vortex of Christian energy and connect with the minds and souls of millions of Christians to infuse it with power. It's documented that Jews suffer from strange ailments that only members of cannibal tribes in New Guinea suffer from..... The ones the cannibal tribe members get from eating other people.

That is the murderous fake religious program the Jews created to bind the Gentiles to them and rule them. In 130 AD, Jewish missionaries were banned from the city of Rome for the charge of CORRUPTING GENTILES with preaching Christianity which the Romans called a JEWISH SECT. Saul of Tarsus in the Bible states Christianity is the method in which the Jews will corrupt the Gentile soul by making them spiritually Jewish. Connecting the Gentiles into this Jewish witchcraft to destroy them and possess their literal soul with the energy of the mass Jewish thoughtform "The Holy Spirit" they all tie into. It acts through them to manifest into the world.

In the Torah the Jews are to ritually sacrifice five animals, and one of them is cattle. The Jews call Gentiles....CATTLE, literally. As we see, the Jews also eat Gentiles like a hamburger as well.

We have records from the ancient histories of the Romans. From the history of Cassius Dio, a Roman statesman and historian of the early 2nd century A.D., writing of events in the reign of Trajan:

“From the reign of Nero to that of Antoninus Pius...humanity is shocked at the recital of the horrid cruelties which they [Jews] committed in the cities of Egypt, of Cyprus, and Cyrene, where they dwelt in treacherous friendship with the unsuspecting natives; and we are tempted to applaud the severe retaliation which was exercised by the arms of the legions against a race of fanatics, whose dire and credulous superstition seemed to render them the implacable enemies not only of the Roman government, but of humankind.”

What did the Jews do to the Gentiles? They ate them and drank their blood.

“In Cyrene they massacred 220,000 Greeks; in Cyprus, 240,000; in Egypt, a very great multitude...The victorious Jews devoured the flesh, licked up the blood, and twisted the entrails like a girdle round their bodies.”

The Jews have not only damned Gentiles to be Golems of a hideous witchcraft of the Bible, they also eat Gentiles for dinner like the alien reptilian soul and reptilian Cohen genes of theirs demand.

The Jews created Christianity, a religion where its core ritual is ritual murder and cannibalism and you can't go to their heaven without engaging in this communion ritual.

Never stop doing the Final RTR daily. It is the only way these monsters are coming down.

I'm a bit confused, I thought the Jews have always been feminine, rat like creatures with no military or ability to massacre anyone:? I agree with the main point though and am doing the Final RTR incessantly because of it.

You did notice, the Torah is full of stories of the Jews violently murdering entire nations of people...

That is an obvious strange thinking on your part. You did notice that Israel has its own military that massacres the Arabs. Mossad also engages in all kinds of mass terrorism like 911. You did notice the Jews who killed two hundred million people

with Communism at least between the USSR and China. Jews are violent and their entire religion orders them to destroy and murder the Gentiles by any means. As the Roman history states, they tricked the people into false friendships and then attacked them all with organized violence by surprise, murdering them in their own homes and streets like bandits. That is part of the fun for the Jews - the bragging about tricking the Goyim as part of destroying them. They really find that fun. It's part of the typical mentality of psychopaths. When Jews feel in the weaker position well feign weakness and friendship but they are preparing the knives behind the victims backs.

However, when the Jews launched those massacres, the Roman Legion was sent in and they themselves were all put to the swords of the Legion. The Romans were naturally disgusted and shocked by the Jews. Every Jewish uprising was always defeated by Rome and the Jews reverted to trickery on the entire Roman populace. They took them over in time with black magic and taking over the money supply, and then the government, and then imposing Christianity in which they then massacred millions of people in the Roman empire.

The jews often get others to do their dirty work. For example, in the 19th century in the shores of Turkey the local Greek population was massacred by Turks. The jews orchestrated the event. As the Turks were killing the local populations, the jews did throw glasses and bottles so the people who run away from their houses could not run. They put traps on the streets etc. Then they ransacked their houses to steal their belongings. They also swindled them out of their banks prior to the even with all their deposits in agreement with the Turks.

You can destroy people without even being able to do war. If you are jew, you can put other Gentiles in the front to die.

Think of how jews command the children of the US to go die for wars in Iraq.
