

# Blood Sacrifices - Who Does Them?

The hoax that "Satanists" are doing crimes and all the rest of the deplorable filth is a very intelligent one.

The jews, confronted with the harsh reality of being caught for their doings, including animal and human sacrifice (This is done in Purim) have had to come up with some hoax, and some scapegoat groups to shift blame upon.

It's a well-known fact the "Satanic Panic" of the 80s and 90s was largely a hoax. But anything will suffice if it is for jews to take the heat on themselves.

We can safely say at this point, that the jewish Atheistic, Carnal and Morbid (((("Satanism")))) was basically a creation to safeguard and protect the jews and all their doings. A nice scapegoat. Not only these crimes were done by the jews, they were also pinned on their "Pagan" enemies too. Perfect misdirection.

Instead of the jews paying, their enemy cultures since times immemorial got the blame for things they never did or even espoused.

The only Real Satanism, which is Spiritual Satanism, looks down on these jewish, dumb and morbid methods. We denounce and are directly opposed to these psychopathic monstrosities that do these things.

From the imagery to the content, to the judeo-kabbalistic teachings in (((Satanism))) down to the occult in general, we just have one thing: **jewish racial teachings**.

It is well known that those who pushed this as (((("Satanism")))) or within any other faith, were more than likely, jews themselves Racially. Just practicing their ancient tenets under a different name, of course. Then we have their demented idiots who believe and go do these things like stupid Goyim (animals in Hebrew).

All their supposed "Satanic", "Freemason" and other types of texts, do all pray to his "Magnificence" Jesus, Rabbi Yeshua, or "His Father in Heaven", Jehova/JHVH. It's well known the God of the Freemasons is basically Jesus. But few people do any studying.

The jews of course profit from this. They don't pay any of their crimes over

centuries (except of hundreds of expulsions and pogroms etc.) and they keep doing their horrendous crimes, while other socket groups get the 'blame'.

However, jews, muslim, and christians do engage in Blood Rituals all the time. In the very Truth of the matter, the blood sacrifice Rituals began with Jews. In Ancient Pagan tradition, Blood Sacrifice was the sacrifice of one's bioelectricity, CHI/Vril, or at best, a few drops of their OWN blood, in a symbolic manner. All of that went down the drain with ignorance, and jews in order to cover their crimes, created endless lies in the last century about their well-known practice.

Some people name the Rabbi, Aleister Crowley. Crowley lived his life aspiring to become a Rabbi. He indeed knew the hebrew "spiritual" and "blood" galore better than some Rabbis even. He was known as the "Beast" and one needs to open his dumbass books in order to see in plain that he was all about blood Sacrifice. He himself was nothing but a nutcase, so he plainly did write these for attention whoring pretty much. Long story short, many fucktarded people followed suit.

Crowley himself admits, it's (((("GOD")))) that won him over...Not Satan. Should testify enough as to what is there to follow...

I was in the death struggle with self: God and Satan fought for my soul those three long hours. God conquered — now I have only one doubt left — which of the twain was God?

Let's not forget in the temples of Kali in India nowadays, the spiritual laymen and stupid people still sacrifice animals. On the behalf of Hindus, this is more like spiritual corruption. That should testify, however, to where spiritual ignorance can lead.

## **On the behalf of others, you cannot state the same...**

What the media will not tell anyone, is the Eid Hada and of course, the Jewish Sacrifice of Children. All documented in the Torah.

Christians, every Sunday, go to actually drink the Flesh and Blood of their 'human god', which is actually none else than Jesus Christ. This is a literal emulation of the Jewish ritual, where they drink the actual blood and flesh of humans. But who cares, right? The early Christians of course, it's speculated actually ate humans too. Cannibalism.

Why do you even have to fucking eat the FLESH AND BLOOD in the EUCHARIST? That nonsense doesn't even make sense. Until you look at Judaism and the general 'requirements' of the Abrahamic religions.

***John 6:55-58***

***Rabbi Yeshua speaks to his congregation/disciples:***

***For My flesh is real food, and My blood is real drink.***

***Whoever eats My flesh and drinks My blood remains in Me, and I in him.***

***Just as the living Father sent Me and I live because of the Father, so also the one who feeds on Me will live because of Me***

***This is the bread that came down from heaven. Unlike your fathers, who ate the manna and died, the one who eats this bread will live forever."***

The "Good" Muslims of love "Allah" (Note Kabbalah - KAB-ALLAH of the jews) are actually, every year, sacrificing hundreds of thousands of living beings in a ritualistic manner. This is called "Eid Hadda". Of course, the energy goes to aliens, and their thoughtform. This is a normal Muslim, highest of importance, celebration.

THESE WILL BE THE STREETS OF EUROPE SOON TOO, IF RETARDS DON'T WAKE UP.

Then the jews, at least from what can be shown, they do have specific methods of ritualistically torturing and killing animals in the most inhumane way. This is called Kosher Slaughter.

The tortured animal has to be hanged up from the foot, and bled until they get every last bit of their blood out. This is a very specific ritualistic killing, as instructed in the Torah. If it's done otherwise, jews cannot eat this meat.

THIS IS NOT FOR THOSE WITH A WEAK STOMACH. Also, this is one of the most 'humane' videos one can find:

OF course, Humans are also liable for this thing. This is consistent and happens every year. The jews suffered pogroms and expulsions as a result of this, among other horrendous crimes.
