As times go by, many people are and many are now becoming aware of what the jews have been doing to us Gentiles for centuries. For that reason, people are becoming very enraged, rightfully desiring a revenge against this race of people. As the days go by, people are making their research. We do our part in fighting global jewry, by educating people. When people find themselves the lies the enemy has spewed, about religion, about every facet of life, people are becoming even more hatefully aggressive towards the 'chosen ones'.

The chosen "ones" have one "god" and its name is "money". Without their so called "god", they are nothing but a piece of shit. There are people who are unaware of the jews, one thing: read history. Read history from unbiased sources. There are more than hundreds books of 1000 pages or more, revealing the crimes of the jews, be it in Ancient Greece, Ancient Egypt, Roman Empire (whom they destroyed), Assyria and the Middle east, Even in the Americas (murder of the Indians) and so forth. People are being educated and not ed-jew-cated as they have done in the Age of Pisces.

The Age of Pisces and confusion and lies of the Abrahamic pieces of shit are over, unfortunately.

People nowadays know of the Inquisition that destroyed Europe and filled the land with blood of the 'heathens' and people know of the crimes of the Vatican. People know what Christianity and the other "holy" major religions have done to Humanity, Science and everything that is beautiful. People know what happened in the middle ages (people dying like rats from the Bubonic plague because xianity said that "cats were of the devil" and mass murdered them, as thus letting the infected rats roam). People know about the "purity belts", people know about the Federal Reserve and who owns it, people know about the stolen land of pissrael, people know about all these things or have even heard about them. People know the CEO heads and the ilk in the big-ass industries, be them pharmaceutical, or food industries. People know about the Black Slave trade, people know the curses the Ancient Egyptians receive in the bible. People know all these things. People know how Hitler was dragged into war and never intended there to be war. People ARE learning about USSR and the jewish beast, people have seen what the jews do when they have power. People know about the jewish mafia in Brazil and the cocaine cartels, people know all of this. People know of their direct involvement and control of anything. People know of the Torah, of their Protocols in where they are calling us a piece of meat and goy. People know about the Rothschilds and the civil war. People see what the jewish spawn of 'communism' is doing to china and how it shaped these people.

The Great masses of people awaken. People know that we have a Soul and that we owe nothing in the jews. Their spells are breaking and their state is crumbling.

People know that to the jews are are only to be slaves, animals and dead meat.

People are getting to realize the 'god' of nowadays that has allowed the world to rot for 2000 years, is just another jew, with stolen identity and personality from many major Ancient Gods.

People KNOW.

Nowdays, people know what they do. They know their unholy alliance with ET's and other entities, how they stole spiritual knowledge, how xianity, islam and Judaism have one aim: world domination under the jews. People see about Gaza everyday, how people are getting chopped and are dying, the murdering of the Yazidis by their kike-run and guided wars.

People know their lies.

But you know more, you know the Truth.

You know the capability of the Human Race, you know the True Father, you have the means to exact Spiritual justice on these spiritual, mental and physical criminals! So what should you do?

**BRING SPIRITUAL JUSTICE.**

If millions of souls who have been destroyed, raped, mutilated, poisoned, made lost, made insane and have endlessly suffered under the jews don't give you the shivers, if you deny all the Gentiles that live within you and in your blood, that have suffered for your Sake by trying to survive, that have spilled their blood for you, so you can live today and have another chance in defeating this scum.

Every Satanist must therefore affirm and say:

**"WE GENTILES OF SATAN ARE DEAD ANGRY WITH YOU, ALL OF YOU AND WE WILL NOT LET YOU ESCAPE THIS TIME. THIS TIME YOU WILL BE SHOWN NO SPIRITUAL MERCY. WE ARE FREE FROM YOUR LIES AND KNOW IT ALL ABOUT YOU AND YOUR TREACHEROUS WORK AGAINST US!"**

Satan wants nobody to allow themselves to be fast asleep when we have this chance to exact justice on this race of Criminals who are and stand against whatever we have being trying to create as Gentile people. Destroy spiritually what has been destroying for thousands of years.

**NONE OF YOU IS ALLOWED TO ALLOW THEM TO DESTROY YOU, BECAUSE YOUR LIVES AND YOUR FUTURES, THE FUTURE OF HUMANITY IS MORE PRECIOUS THAN A MERE COMFORT OF COWARDICE.**

People of our Pagan Gods have spilled their blood in the sand and the Earth,

screaming that one day will be back and take revenge against those who destroyed the world of Satan. Now us, as their Sons and Daughters, take the Holy fire to incinerate SPIRITUALLY all that has been destroying for so long! THE JEWISH TYRANNY AGAINST US, THAT OF THE JEWISH RACE!

So, do you want a new future? Or do you want us to be destroyed?

When we are so close to the new dawn, nobody is allowed to not welcome the Sun!

HAIL SATAN!!!!!!!!!!!!

HAIL THE GODS!!!!!!!!!!!!

HAIL TO OUR SPIRITUAL WARRIORS AND PEOPLE!!!!!!
