

Emergency Broadcast *Rubs Hands*

[July 29, 2018](#)

"I think there is a resurgence of Satanic Energy because at this point in time jews have not yet learned that we are spiritually superior and do not want to be multicultural. And I think we are going to be part of the throes of that spiritual erasing, which must take place. Judea is not going to be the monolithic criminal society they once were in the last 25 centuries. The latest RTR is going to be at the center of that. It's a huge transformation for jewish people to make. They are now going into a spiritual extinction mode and Satanists will be resented because of our leading role. But, without that leading role and without that transformation, or even with it, judea may not survive."

I hear Rabbis saying "oy vehhhhhhhh I didn't know the goyim can also rub their hands and do things like that against us, how come dis goyim being doing dis! It's been 20 centuries with rabbi jesux on their heads, how come dis possible *heart attack* ".

They don't know that we can 'rub hands' way better than they can.

But seriously now fellow SS, humor aside, good work yesterday. Let's keep up the pressure daily. We all must.

A winning battle must be resolved by continuing it.

It's been a long time since Gentiles have had the ability to do something about the enemy on the all-important spiritual level. It's been many hundreds of years. For this reason, everyone must make use of this opportunity and not disregard this chance foolishly.
