

European Jewnion Simply Explained - Rewards for White Murder

"Europe" is nothing but a jewish Superstate that created by the Jewish Banking Dynasties [All jew blooded, Baruchs, Rothschilds etc.] in order to steal Race and State Sovereignty and put people under total and full control, with the ultimate object to biologically wipe them out. Don't wonder why London and other places were taken over, or why people with murderous intent do actually have a hand in "Politics". It was part of "THE PLAN".

While the larger purpose remains to enslave the whole planet and establish the "Kingdom of Israel", this is done in gradual steps. As for the European Jewnion, the ultimate purpose, it is and was, and certainly will be as long as this place exists, European Genocide. Adolf Hitler knew of their plans long before all of this and made a heroic intervention to unmask this previously unknown global clique. So, this clique waged a world war against Him and his people, in order to destroy them. This didn't stop there, though, even after all the dead people of jewish instigated WW2.

"European" Union of Jews against Gentiles, Brexit etc.:

The jewish Banking Dynasties do what they always did best. Secretive International operations and forcing people and Nations through debt, rotten politics, mass media, deficit and other problems, to be forced into the direction that they want. They also used to do the carrot method, but this worked only for a few decades, until this whole thing was revealed for what it was in reality where it bore no fruit whatsoever.

We still nurse a sense of our homogeneity and difference from others, and that's precisely what the European Union, in my view, should be doing its best to undermine.

AZ QUOTES

The European Union, not to go into a long talk about it, steals the Sovereignty of Nations and basically this is why many people opt to leave now. Most officials who partake in this whole thing are not even elected. They are nothing, but a murderous jewish clique. Except of the funding that goes in furthering the Banking Dynasties, Guiding Europeans to extinction and openly welcoming all sorts of deadly people within its midst, to create the "Kalergi" plan into reality. That of the EXTINCTION and GENOCIDE of White Europe. The European Union is in the end, another Communist party. This had ideally to happen swiftly and before anyone found out.

The root of all these plans can be observed in the Hebrew Torah and the "New Testament" all of which are jewish religious text books that act as guides for the whole of the Jewish Race on what to work and impose on the Goyim (Non-jewish) Slaves. This was done in conjunction with the left, the femmies, the pacifists, and pretty much, everything that was jewish created and instigated. How does this happen so quickly and "globally"? By phone calls and the international jewish system.

It can't be such a coincidence that the same "movements" that show up and burst in one place of the world, do the same in another place, can it? How can the internet and everything else as well be equally controlled, televisions and everything pushing into the exact same direction? Simply, because we have a jewish system. The jews themselves largely admit it. All of them KNOW. The only one who doesn't know, is the respective Goyim who "Can't digest the information". Millions of millions of jews in positions of power are on the phone every day to further their global racial slaver oligarchy over the unsuspecting masses.

One of these networks is the Kehillah. Then you have the Sayanim Network and hundreds of others such as the Jewish Freemasons and the B'nai Brith. From the excrement of these do hang other "organizations" and many prominent and less known businessmen. All work and are directed from the same central source. There are no "Zionist jews", just jews. As for the jews who are incapable of high usury and leadership, they just reap of the work of their fellow "Patriarchs" who had ruled their midst since the dawn of their existence. They willingly and happily accept them every time. There is no rejection in this and even the opposing groups are equally controlled mostly by the same networks. This ensures the "Chosen" don't have any real opposition.

The Kehillah:

So the most people follow this line and the more they devote feverishly in order to

destroy the White European Continent, they do actually get honor and prizes. It's just jews, Jewing and ruling over the Goyim, robbing their state power, finances, vitality and in the end- their life and biological existence. The Jew "Kazmierczak-Angela Merkel" and many other crypto's and non- Crypto's are just the racial oligarchy over Europe, who are loyally following the Ancient Jewish dictates on how to bastardize one's enemies, control them by their finances, and pretty much, going "Torah mode" all over the European Populace. The same goes everywhere else.

Merkel is Jewish:

As for the Reward of Genocide of Europeans in behalf of Jews:

This is the "Coudenhove-Kalergi" Prize. Most of you here know about this living excrement that held once this name, and its goal of establishing the European Jewnion in order to actually destroy White Europe and turn it into a dictatorship banking state with "one" mongoloid/black race mix. In their terminology, these were called "Kalergi's Children". The more of these mixed people existed and found home in Europe, the more Europeans that were force to extinction by their policy, the better. This is rewarded as a honorary reward.

More in the words of Kalergi the Jew, who acts in defence of his race. He openly stated Whites must be destroyed and obliterated, in a war against Jewry vs Whites.

G. Brock Chisholm, former director of the World Health Organization (WHO) and a good disciple of Kalergi, said [in 1955]:

"The man of the future will be of mixed race. The races and classes of today will

gradually disappear due to the elimination of space, time, and prejudice. The Eurasian-negroid race of the future, similar in appearance to the Ancient Egyptians, will replace the diversity of peoples and the diversity of individuals. Instead of destroying European Judaism, Europe, against her will, refined and educated this people, driving them to their future status as a leading nation through this artificial evolutionary process."

Note: Space- Time- Prejudice. No "Prejudice" = Feminism, brutal feminization of people, and the list goes, allowing every kike to be thought of as "equal" and welcome to one's self and one's country. The results can be evidently be seen. No space- Invasion of the outside Races that multiply endlessly. No time- The jews usher all means in their arsenal to make people toil and work their whole lives, without and significant outcome by slavery. The American Dream was intended by the Satanic Creators of it, to be that people finally liberate themselves after years of successive labor and be able to live and co-exist in their spiritual and menial task of work. Europe being White was supposed to follow in these footsteps. The Jews never allowed this to happen in either country.

The jews destroyed this by Bank-ization of America and through the wizardry of debt. The Goyim must not have ANY freedoms whatsoever. Children, Women and Elderly are all and must all be forced to work for an always lessening pennies, or otherwise they will slowly starve to death. The jews are large on child Labor. In many European and American families or states, people are born in hoarding debt. In plain, they ought to be forced to work forever to repay this invisible chain placed upon their neck from elder and stupid selfish generations, that didn't bother waging war against the Jew.

This was why the enemy created some years of "peace" after WW2. Not because they are peaceful, like anyone, but to recuperate from damage, increase their powers and push the final march towards world bastardization and Jewish Worldwide Communism. For this to happen, the Races that resisted the Communist advance, such as the Europeans, have to be wiped out. Then the "Long March" is supposed to be successful.

According to the jew, Karl Marx [Son of A Rabbi], father of Communism and the creator of Communism:

"Goyim were born only to serve us. Without that, they have no place in the world – only to serve the People of Israel. [...]In Israel, death has no dominion over them... With gentiles, it will be like any person – they need to die, but [God] will give them longevity. Why? Imagine that one's donkey would die, they'd lose their money. [...]This is his servant... That's why he gets a long life, to work well for this Jew. [...]hy are gentiles needed? They will work, they will plow, they will reap. We will sit like an effendi and eat... That is why gentiles were created."-Rabbi Ovadia Yosef.

The jews remember their primordial purpose is to kill the Whites and to never forget of their constant "war". The jews think and believe that their racial peace will come when everyone else is bastardized and stupid, incapable of revolt, and Whites extinct from the planet. This way, they will be undisputed slaver overlords of the whole mankind. Meanwhile, Whites are oblivious on this relentless war waged against them by the jews.

As for the Kalergi Prize, there have been people rewarded with it. This also includes Kazmierczak-Angela Merkel in 2010.

Of course, no Goyim is ever going to really know about it. Most don't even know about the European Jewnion; after all to be a Goyim, said the jews, is to be naive and a slave.

President of the European Council Herman Van Rompuy. A face that can be trusted, just look at this goblinoid:

"I would like to express my sincerest thanks to the European Society Coudenhove-Kalergi for awarding me the European Prize. It is a great honour for me to be awarded the European Prize for 2012 and I consider it a special honour to receive this prize from your Society. I am conscious of the Society's continuous efforts to promote European integration, and I owe you a debt of gratitude for this work.

I am also aware – and I now have Presidents Mr. von Habsburg and Mr. Terrenoire in mind – that you also deserve congratulating, as you are celebrating ninety years of the Pan-Europa movement today, tomorrow and on Sunday. What a milestone, and what an achievement! Please accept my warmest congratulations!

Count Coudenhove-Kalergi is a familiar figure for me, or should I say a familiar face. I was first introduced to his thinking when a fellow student in Leuven devoted her thesis to his works. And today, every morning, I enter the building of the European Council and I pass along a gallery of portraits, and it opens with a portrait of the very first winner of the Karlspreis, Richard Coudenhove-Kalergi.

Back in 1922, when this Tokyo-born young aristocrat living in Vienna started to

campaign for the European idea, it was just that: an idea. Hapless, it seemed, and utopian. But in the uncertainty of the times, right after the worst war in the history of mankind, the idea struck a chord.

The young Coudenhove-Kalergi deeply believed that the cycle of destructive wars could be stopped, that the power of persuasion – including his own sense of persuasion – could change the course of history.

Ending wars: I.e., COMPLETELY wipe out Europeans who revolt against the Jew World Order. This is the "peace" the jews talk about. It's *THEIR* peace and nobody else's.

So what are the rewards for this glorious undertaking of the feces to destroy the European. [Of course, not adding the millions upon millions the jews in this biz of State destruction do reap from the unsuspecting work class and citizens]:

Herman Van Rompuy will be paid more than £500,000 by the EU to do nothing

"Herman Van Rompuy will be entitled to more than £500,000 for doing nothing at the taxpayer's expense over the next three years, after finishing his term as president of Europe. After standing down on Monday, the former president of the European Council will be paid £133,723 a year, 55 per cent of his basic salary, until December 2017 - to ease him back into life outside the world of Brussels officialdom. The Telegraph has established that Mr. Van Rompuy will also receive a one-off payment of £21,000 and, aged 67, he will be able draw a lifetime EU pension worth £52,000 a year, taking his earnings to £578,000 over the next three years. The "transitional allowance" does not require Mr. Van Rompuy to do any work at all and the cash will be paid under reduced rates of EU "community" tax, which are far lower than taxation in his native country of Belgium. "

"He was widely criticized four years ago for using his official motorcade of five limousines as a taxi service to take his family on 325-mile round trip to Paris airport enroute to a private holiday in the Caribbean. Nigel Farage, the leader of Ukip who was fined £2,700 by the European Parliament in 2010 for describing Mr. Van Rompuy as having the "charisma of a damp rag", attacked the payments. Van Rompuy's term in office has seen millions driven into poverty and unemployment by the eurozone crisis but he himself has hit the jackpot. The EU is a racket which looks after its own," he said.
