"Gentile Ethics vs jewish Ethics"

Xians, muslims and every other organization that aims to bluff people and steer them away from spirituality, gives fancy explanations of the afterlife, death and preaches nothing exists beyond this world, except of some lakes of fire for those who disobey [Xianity] or 9 year old virgins for you to get laid eternally. And do not forget the rice and the honey [Pisslam]. Both very advanced and intelligent perceptions of reality [sarcasm]. Not to mention the endless fear, lack of knowledge and all the rest of the diseased enemy crap.

Their 'god' does not exist. They call in for help en masse, no answers received. They beg this space-jew for salvation, freedom from pain, for healing, nothing ever happens. Out of 100 prayers, 0,0001 actually manifests and this is due to the massive cattle that prays [transfers spiritual energy to a purpose] or due to the subject's energy which manifests what they ask for.

The universe itself is not concerned if someone is stupid and shows no mercy to these idiots. They go against the ways of the universe and the spiritual laws and they just pay the price of their ignorance. Technically, it does not give a flying fuck if you are ignorant, a piece of shit and you do not want to realize its laws. It does not give a fuck if after death you will dissipate or get swept in by a huge energetical battery of some ET's that want to use your little bioelectricity for their own purposes, eradicating your being. The universe has its laws. It has the law of Gravity, whether you like it or not. It has the law that those stronger of you can destroy you, whether you like it or not. It has the law that unless you fight, you will get devoured.

The universe does not care about vain ideologies, vain beliefs, your own ignorance, what some weak people or dozens of weak people want to make out the universe to be. Even if these billions of sheep believe there is some sort of kike on the sky that protects them, the hurricane will happen anyway and destroy some millions of people. Where are their little prayers now?

On the other hand every day here you see dozens of messages, even from

people who dedicated to Satan and did not expect something, Satan gave them back answers, real events, real love and made his presence know, whether they totally believed or not. As it has been said, you get to realize a cause by its effect.

So, thing is, we try to be good with one another for our species to evolve and have peace with one another, form groups of survival against this violence. The species that eat and destroy one another for whatever reason, always perish the fastest. You see this on jews as their 'intelligence' and 'cunning' is that of a lower level. When confronted, they blame other jews, they attack other jews – at least SEEMINGLY. They do not hesitate to devour even their own, but this rarely happens and only if the Gentiles awaken up to the Truth about these people. Then they run like rats in all directions. Like all cowards, when in a position of power, they pretend to be awesome. When behind their paper money, they pretend to be important. When platted with millions they pretend to be kings and condemn Gentiles to be animals and lower than animals. When confronted or fought against, they never hit above the belt, always below the belt. When confronted, they pretend to be friendly as to not get their asses kicked. They bribe. They lie. They hide. And all that their low level of being has tied into it.

This has been and still is the first mission of every creation. Evolution. Humans are right now the cradle of evolution of the Earth. The Human Race has evolved to where we have invented Ethics. The Gods passed us down all sorts of needed emotions to survive, like Anger, Hatred, the sense of justice, the sense of Truth, the devotion, the faith etc. Ethics like sacrificing for the Greater Good, Greater instincts, protection of Women, giving to others, empathy and so forth are the cradle of Human evolution which ensure not only our survival, but our ascendance into higher levels of consciousness and understanding. The enemy as always drags these things to the other, exact opposite end. "Help" in the kike dictionary means "I enslave you and give you things without leaving you able to self-sustain yourself" which means death. Because when the master will not provide, the slave will perish.

When one treads far in Satanism, they realize one of the main reasons we were created is to exist, evolve, break our limitations, explore, and spread. When one delves even deeper one understands why the separation of Races was a natural intention and happens on its own. All this is strongly tied in with our personal purpose.

The enemy and kike infested religions came from humanoids [not Humans in any way, the only thing they have in common with Humans (Gentiles) is that they have two legs, two hands and one head, nothing as personalities] who were in a very

low intellectual and spiritual level. The jews through their behavior and in how they are getting always worse, more brutal, more cunning, show they are actually moving down the evolutionary chain, In the exact opposite direction of what we do. Where the Gentile has meant to go, the jew was by enemy design meant to go the opposite direction. We create civilization, they come and try to destroy it. We found the original religions, they come in and try to turn these against us, making up insane shit.

We talk about love, they distort love to some shitty, low level xian emotion, which is again tied in fear and adheres to a set of insane rules. We talk about sex, they pervert the notion and meaning of it to some pornified solely physical deed. We create food, they put poisons in it. We create a monetary system; they totally destroy this and try to control us and destroy us through it. We have a political way [Nazism] in which we govern ourselves according to the Divine Satanic Providence, they create a projection of the instant opposite where we are animals and merely 'goy'. To our dictionary 'obedience' means recognizing the higher understanding of another fellow Gentile Human being and adhering by their healthy and natural advice, to their dictionary 'obedience' is a series of torture, blind trust and becoming a subject to these putrid beings.

While in Gentile Paganism you do not wrong others, not because of some punishment, but because you are beyond this [your spirit has evolved past these stupid needs] or you do not cheat on your wife because you have realized how to find meaning in another fellow Human being, xianity and the related programs try to preach they are some source of 'Ethics'. Nothing could be more far from the Truth.

The only reason xians at least 'try' to follow their '10 commandments' is to not end up in Hell and burn eternally, or because they are afraid some other stronger and more brutal force will execute punishment upon them [the kikes have placed a space jew to be that brutal force, to connect themselves with this fundamental force of 'punishment', making the populace docile and obedient to them].

They obey due to cowardice. They do not understand any more than a monkey does. In fact, monkeys and other animals display natural altruism, not because some kike punisher indicates supposedly that if you do disobey, you will die. All they do and all they do not do is dyed with the color of fear, unintelligence and cowardice. This is by far the lowest way of understanding reality. Even insects can understand the laws of brutal force. I-e My force is stronger than your force therefore you must not wrong me. This is evident xians and the rest of stupid people learn what even monkeys and other species already know, live by the

same rules the most instinctive and far back in evolution way beings think and act.

Gentiles were made with the purpose to reach the stars and become a great Human civilization amongst the cosmos. They try to fulfill their purpose. While the Jewish purpose is nothing but keeping us from our purpose. They were created as an antithesis to the causes of Satan and His creations.

Thing is the same reasons that keep them from acting are the same reasons they have made Christianity the most horrid and dirty program to ever exist and haunt the populace. People are living in fear and guilt. You will see in the animal kingdom an animal who is afraid, when their master or the abuser turns their back they try to attack. Because they live in fear. They comply by the use of fear. They are afraid of others and others are afraid of them. It's all FEAR, FEAR, FEAR. This obedience and acknowledgement between species are the lowest level. When in this you tie the lack of spirituality, the teachings that cause neuroticism and go against every aspect of life, you make something that actually goes against the Evolutionary place of Humanity. This causes a clash and that's why we have this society we do.

So according to all the above, as Gentiles we have a built-in type of love and respect for another, which is the notion of brotherhood and serves to preserve us in our evolutionary way to reach the Stars. The enemy again takes this love, inverts it to stupidity, slavery, death, their notion of 'obedience', blind surrender, stupidity. Because Gentiles are by nature and genes altruistic, they feed on that thing. Because Gentiles are by nature supportive of one another, they get entangled in the endless web of Jewish lies and distortions.

Our own instincts are used against us. In Satanism, in Paganism and the original religions all these words gain meaning again. Help means, I grant a favor but I teach you how to grant it to yourself. Love means brotherhood, sacrifice, but not beyond the meaningful sense. All these understandings come with the purification of the Soul.

Another thing we have mentioned is the kike lacks creativity. In fact, as we go upwards to the evolutionary chain, we need no interaction with them. They on the other hand need us, to feast upon, prey upon, use us for their wars and in gathering their wealth. They need us and we do not in any way. We did perfect when they were not around. They need us to create things and invent things in order to distort them. We need to be willing to divide ourselves in order for them to come in and harass. We need to be willing our own to die and perish in order for

them to succeed.

The next time the kikes and their lackeys try to convince someone in their propaganda that they are needed, or as they dared to say, are 'useful' in civilization, recall the quotes from their Talmud.

These 'evolved' rats that have a lot to say about Ethics, the Gentile Soul, and generally have an opinion about anything, talk through their appointed leaders, to be exact:

"Erubin 21b. Whosoever disobeys the rabbis deserves death and will be punished by being boiled in hot excrement in hell.

Moed Kattan 17a . If a Jew is tempted to do evil he should go to a city where he is not known and do the evil there.

Gittin 69a. To heal his flesh a Jew should take dust that lies within the shadow of an outdoor toilet, mix it with honey and eat it.

To heal the disease of pleurisy ("catarrh") a Jew should >take the excrement of a white dog and knead it with balsam, but if he can possibly avoid it he should not eat the dog's excrement as it loosens the limbs. Pesahim 111a.

It is forbidden for dogs, women or palm trees to pass between two men, nor may others walk between dogs, women or palm trees. Special dangers are involved if the women are menstruating or sitting at a crossroads. Menahoth 43b-44a.

A Jewish man is obligated to say the following prayer every day: Thank you God for not making me a Gentile, a woman or a slave. Shabbath 86a-86b."

These are the assholes who preach about Ethics, Civilization, and generally pretend to be something on the planet. THIS IS THE SCUM OF THE EARTH THAT NEEDS BE CLEANSED BY OUR SPIRITUAL EFFORT, AS NEED BE CLEANSED THE DISEASES WHICH HAVE PLAGUED THE GENTILE MIND: THE ENEMY PROBLEMS! THESE ARE THE ENEMIES OF SATAN AND THE CREATORS OF COMMUNISM, CHRISTIANITY AND THE REST OF THE ABRAHAMIC, JEWISH HOAXES. THEY ARE THE ONES WHO HAVE BROUGHT THE TERROR, THE BLOODSHED AND THE DESTRUCTION IN THE WORLD, THE BLINDNESS.

Whomever is Gentile, knows the Truth, and denies it, is not only a Racial Traitor, but a traitor to nature herself. He betrays his one and only divine purpose; he

throws his chance to become a God into the trash can and chooses to become a Jewish slave.

By not following the original religion of the Swastika [Sun, Helios, Ra etc.] which brings the immortality of the body and Soul, the purification of the Soul, the Perfected Gentile being out of yourself...The nights these people plead in diseases and other mental and spiritual turmoil... Search nowhere else, but the ones you believe and the ones standing behind all the way of your 'beliefs', 'life awareness' and 'consciousness'.

When in doubt, look at yourself and all you have gained in your awakening and by walking again into the arms of our Creator, Satan. You have gained everything.

Them? Their ignorance has cost them anything. They have nothing. All this by itself will clear all your confusion.

GENTILES NEED TO WAKE UP, BEFORE IT'S TOO LATE AND UNDERSTAND AGAIN WHAT A HONORARY TITLE IT IS TO BE A CHILD OF THE ORIGINAL GOD OF HUMANITY.

Generally more in regards to morality:
