The relation of Jews and Jesus is one of love and hate. First love, though. It's that kind of disappointment you have from your first lover for not being a million times more amazing. You liked them really much though and always honor them. But they're with someone else now because they kind of sucked anyway. That's the relation of Jews with Jesus.

First of all you can see, the admitted fault of the Jesus, in his fictitiousness, was nothing else, but that he failed to enslave the whole planet under the rule of the jews. This is the prophecy "Rabbi Yeshua" or "Yeshu" failed to fulfil. HE simply didn't destroy all the Goyim of the world, enslaved all the nations, and gave the jews all the complete power they wanted.

For this reason, the jews were angry at him. They wanted him to take over the world, and they don't believe any such person would exist, for if they did, he would have gave them the world to rule with a rod of iron.

In internal Kabbalistic Tradition, the jews believe that this "Soul" of Rabbi Yeshua, will actually reincarnate and become the full and actualized "Messiah" of the jews, one day. The old version of Jesus is hated and rebuked as the lower aspect of this entity, the old skin of the same jewish ugly, retarded jew.

Jews don't have low standards for their leaders. So they excreted this jesus out of their culture into the culture of their stupid Goyim. Eventually enslaving them into a mass of idiots. Jesus the rabbinical hoax, has served the rabbis well, nonetheless. It's well known the Israelis start many campaigns for Jesus over the years, and promote this incessantly over the centuries.

It's just they don't want the same excrement for their OWN people. They are the people of the "Wisdom" and the people of the "Book". They aren't Goyim retards. Therefore Jesus was appropriately excreted in the culture of their slaves and disavowed in the beliefs of the masters, the jews. Christianity served them better than anything ever could.

Arguably it did them even more good than Judaism itself, for Christianity was the very thing that kept them alive throughout the centuries. Rabbi Yeshu carried a good operation on that one...

It has enslaved nations, rebuked the local and racial Gods, destroyed all spirituality, and got the "Goyim" to do acts that the jews would never have achieved.

In that the Jesus is someone they love. Without this hoax, they would never make it there. To explain you the matter, the jews hardly ever mention the name of Satan or Lilith or the Ancient Gods. They avoid it, especially the wise ones.

They wouldn't be the ones to go and kill the Pagans and burn their temples; for they would be killed on the spot. Therefore, they used the mental parasite of Jesus to get the people to do this unto themselves- and ultimately pay the price of such despicable acts.

Lastly, it's the Gentiles and their own souls and races that would pay the punishment for going against their own Gods, directly or indirectly. The fact that they neglected this fact doesn't take away the reality of their atrocities and acts against the Gods.

The enemy jews are very careful to not even say or pronounce the name of Satan (Especially the higher up Kabbalists), for they know this attracts attention and it can destroy them, or tie them into hostile energies that can ruin them. Unlike the wise ones, the Goyim, who are a sack of sand the jews drop anywhere they want, they openly blaspheme their own Gods, inviting disaster upon themselves.

All the evil statements about Satan and the Pagan Gods are from jews. The Pagan Gods after all, are all about protecting Gentiles. Beings like the jews is what they protect them from. All negative things mentioned about these Gods are from jews, because well, they fought with the jews and still do so that they will not dominate us like cattle slaves.

Unlike the Goyim, the jews have not the slightest question about the existence of Satan, who Satan is for Humanity, and who the rest of the Gods are to us all. They know the truth entirely, same as what they have done, and what they have caused to this world. They have a purposeful agenda of misinforming the planet about it and turning everyone against everyone.

I've studied enough by now, to know the jews better than many Rabbis know the jews themselves. Not only they do not hate Jesus, but they realize the importance of keeping themselves as "Christ Killers". This is highly demoralizing to the Christian Goyim, who have a Jewish rabbi as their God, and always make amends, excuses and cuck for the jews for it. See the meme? The jews killed your God, they rule your culture etc.

Christian resistance against the jews can never exist. They control people completely by the Kabbalah. One evil goy who pretends to be "Christos Strongman", gets one curse, and they die like the stupid filth they are in around a week. Nothing could achieve such lowness, but Rabbi Jesus and belief in "This thing".

There are also millions of jews who are avid lovers of Jesus. Their offspring, you will find Bible trumping, in churches, and in everything Christian, such as Christian political unions, writers and so forth. The amount of jews in all this forceful pushing of Jesus, is paramount, especially at these times where people wake up to them.

Israel gets billions a year from Christian tourists who go to the "Promised" land,

Christian Cucks pay them reparations for never gassing them, Christian USA Goyim fight their wars for centuries, retarded Christians consume their worthless products, shill for their agenda, play their politicians, have no awareness over their racial existence, and they have always mobilized the retarded Christian Slave Mass against the rulers, from Roman Empire to nowadays with mass recruitment of Black people in xian mega-churches in Africa and so forth.

It's the Christians that raised their own hands to kill their kinsfolk in the name of jewish 'gods', it's them pushing their bible in the whole planet, it's the same Christians who attacked their own Gods through their psychic energy: all this was accomplished by the hoax of Rabbi Yeshua.

Christian is also a code word for : Goy of White descent. Therefore they use hate against "Christians" in their writings, because this is a code word- if they did not, their whole false opposition game would have by now collapsed, leaving the jews naked and defenceless in the public eyes, and they would be slaughtered.

Jesus is the shield of the jew: he ensures that the gentiles will never revolt, but only cry to a rabbi and pray to the racial comrade of the jew. The jew they pray to isn't going to nail a finger on the jews. They are of the same race, this thoughtform belongs to them, and lastly, this is a well known hoax ripped from spiritual Pagan concepts.
