

Lunar Eclipse RTR Ritual: Shattering Enemy Defences

HP Hooded Cobra 666

[May 26, 2021](#)

***BE AWARE: THE ONGOING SCHEDULE IS NOT AFFECTED BY THIS RITUAL! THIS IS AN ADDON THAT WILL HOWEVER, BE DEVASTATING TO INCLUDE, ESPECIALLY IN THE LUNAR ECLIPSE OF THE 26TH OF MAY.**

The Ongoing Schedule: <https://ancient-forums.com/viewtopic.php?f=5&t=56968>

This Ritual has been composed out of hidden and highly secret texts of the Jews, which they have never made "public". Until recently, because they were in desperate need of this.

The reason for this is simple: Finding these texts, and using the correct knowledge, will mean their destruction. I doubt they even expected these would ever be found by the Goyim, but well, damnation just happens, I guess?

Essentially what this is, is shattering the diagram of the protection of their soul. They are using a diagram that they have been using for centuries, which is part of books that only their highest top ones are using. They don't name these books in the public at all, as if they never existed.

It should be seen as a "map" for this, where they chant and do numerous meditations over this. Another thing like this is the hebrew "Tree of Life", which is known to many here. Each triad corresponds to aspects of what we call here, "The Jewish Soul".

This diagram and their very soul will be removed like the peeling of an onion by this ritual. As it should be expected, this will dramatically empower our Rituals against them.

For those who don't know and may think this ritual looks complex, it is not complex at all. While this is one of the most advanced Hebrew protective meditations [only used by Rabbis and related, or for higher up jews], this is only a simple ritual.

How this ritual is going to be worked is simple. One reverses these names, and

then, blots out the square that is associated with these. This ritual of the enemy is building around also their 4 major "Archangels", which are code words for Jewish protective barriers and thought-forms. These are going to be wiped out with this ritual, alongside many other forms of protections.

In regards to the Hebrew, there is a catch. While these words are based on Hebrew [such as Rafael or Uriel in this ritual], there are also other stolen names which the Jews have stolen from other languages. These can be reversed and will be reversed by this ritual, and blotting them out is a gesture to wipe out the existence of these in all levels of existence.

Many of these texts have been correctly kept by the older Rabbis, rather hidden, beyond the reach of any Gentile. Now however that the enemy needs the maximum amount of spiritual assistance due to the heat they receive with the RTRs, they have made some of this public.

This specific ritual is going to wipe out their protection completely. These protections constitute high level protections and are not vague, like other well-known rituals of theirs. For those who understand the hidden connotations, you will see what these mean in the affirmation. This is to wipe out all of their defenses and stop their advances, but also achieve victory over them.

The ritual has been numerologically calculated to do the maximum amount of damage, so less repetitions are not required. In fact, this ritual will be rather short in time when you get the hang of this.

It is also formulated in a way to accelerate all the results of the other rituals, and destroy any last defenses that the enemy is putting together.

The next Ritual after this will be of constructive character and to build upon the enemy's ruins, for benefit of Satanists and to promote energies to create a new and better world.

How to do the Ritual:

BE AWARE: DO PROPER CLEANING, PROTECTION, AND RAISING YOUR ENERGIES FOR MAXIMUM IMPACT OF THIS RITUAL AND PERSONAL SAFETY. IF NEED BE, DO ASK SATAN TO SEND YOU A DEMON TO HELP YOU WITH THE RITUAL. HE *WILL* SEND A DEMON, DESPITE ON IF YOU ARE AWARE OF THIS OR NOT! AFTER THE RITUAL, CLEANSE YOURSELF REALLY WELL WITH SUN MANTRAS AND/OR RETURNING CURSES TO THE

ENEMY.

1. In the picture provided [scroll below], there are arrows. These show direction.
2. One starts from the first word [IAN-ODA] , vibrates it in reverse with hate and intent to destroy it **ONCE**, then blots out the first square in where it is included. After the blotting, one must focus on the fact this has been destroyed permanently.
3. After this, one moves into the first triad, which is to be done x6 times for each name [Lae YOHA, Lae-Yoha etc., then Lea-Far, Lea-Far etc.]. After these triads are completed, the letters are blotted out, and one proceeds to the next triad in the same way.
4. When all of the triads are done, one goes on the center, and does x6 times the two longer words, blotting them out similarly, finishing these squares.
5. Blotting out the Jewish Star and reversing its word.
6. Chanting IANODA once, and proceeding with the destructive affirmation for all of these to finish them off.

Then, one does the Affirmations x3 times [all of the dots are to be done together, in one turn]

Maximizing the Power of this Ritual:

For those who are very advanced, your visualization and intent here plays a major role. You know how to focus these.

This Ritual can be placed in a series of the Final RTR and Tetragrammaton. It can be added either on the beginning, or in the end of a sequence of:

Final RTR -> Reversing and killing the Tetragrammaton -> Demolishing Jewish Spiritual Defences

OR

Demolishing Jewish Spiritual Defences -> Final RTR -> Reversing and killing the Tetragrammaton

Both the above sequences will work. Personally, I found the first one to be really

devastating for them. Either should be fine.

FAQ about the Ritual:

1. How many times should it be done?

A few times per week would be ideal to empower the results of all other Rituals.

2. How do I read the letters?

Try to just read everything that you see, as you see it. How you pronounce them does not have to be perfect for this to work.

3. Can I do this without blotting out?

You can, but you will have to visualize wiping out these things. It's better for this particular ritual to blot this out, be it in your paint program in your computer, or in your mind. This focuses the destructive undoing energy onto the target.

4. Can this be used towards individual pest jews?

Yes, it can. It's neigh time Gentiles also have astral weaponry against the Jews. However, this done collectively will have devastating effects on those that matter most of their bunch.

5. What about the affirmation in the Ritual? What is the Soul of Egypt?

This is symbolic language for us collectively. Rabbis being in the know compared to spiritually oblivious Gentiles, will understand better here. In their intricate texts, they refer to their major spiritual enemies, as the "Soul of Egypt". Egypt stands for the Gentiles who are spiritually advanced, and is a metaphysical concept like Amalek or Esav.

6. What are these affirmations?

These affirmations are attacking specific segments which correspond to these "Defenses" they have set up, destroying them all.

7. Should I raise my energies before doing this Ritual?

Yes, you should.

8. I don't have time to do the ritual, can I still do it mentally or whisper it? Yes, definitely. Focus is what is important.

9. Is this Ritual specific to address issues such as the Jew World Order?

Read the affirmation, so, of course. Who the fuck wants Klaus Schwab as their leader in a Communist Dystopia?

10. What is the Negative Karma in the Ritual?

Negative Karma corresponds to all the "sins" the jews have transferred onto Gentiles. We have been doing other Rituals to heap this back at them, too.
