

The Invention of "Hell" Was Done by Jews

As for those that do not know, the word "Hell" is rooted in the Nordic adobe of "Hel" which is the underworld.

Traditionally, this to Pagans was nothing negative, quite the contrary, "Hel" or "The land of Hades" to the Greeks was a place where souls were kept for reincarnation, as in the Egyptian Duat. "Hel" was parallelized as a place where the dead who didn't have a lot of spiritual level did go, and they were kept there to progressively reincarnate, until they could reach a higher level of consciousness.

This is of paramount importance and nothing negative, as otherwise souls can be lost or harmed. We have never had a place of eternal torment for so called "Sins". The concept of eternal punishment is entirely jewish.

Then, the aliens who want humanity scared and into dead meat came in, and they started expressing ideas from their psychotic offspring, the jews, and we have had the rising of the situation of "Hell" being what everyone knows, this dumb terrorist hoax where one goes to burn for jewish disobedience.

In Christianity, which is a jewish cult that emerged as the direct child of Judaism, we have this laid out very clearly. It is called "Kolasee" or "Purgatory", which means "The place of punishment" and this deals with disciplining one's self or lack of discipline towards Rabbi Yehoshua's teaching or the teaching of the Hebrew Jehovah. This is a place of torment for the soul, the descriptions of which are arrayed in the same sick way by christianity.

Everyone is aware of verses such as those in the bible, which are the jews throwing threats way beyond mortal murder or death onto their enemies. These are used to push monkeys into submission. This hoax has basically collapsed today, with even the Pope admitting that there is no "Hell" and that this was a fanciful creation of the jews, but just sit there and think to yourself what this fear has done to people for centuries.

"This is how it will be at the end of the age. The angels will come and separate the wicked from the righteous and throw them into the blazing furnace, where there will be weeping and gnashing of teeth." (Matthew 13:50-51)

"If your hand causes you to stumble, cut it off. It is better for you to enter life maimed than with two hands to go into hell, where the fire never goes out." (Mark 9:43)

"It is better for you to enter life lame, than having your two feet, to be cast into Gehenna." (Mark 9:45:)

"It is better for you to enter the Kingdom of God with one eye, than having two eyes, to be cast into Gehenna." (Mark 9:47)

"Fear the One who, after He has killed has authority to cast into Gehenna; yes, I tell you, fear Him." (Luke 12:5:)

Just some loving verses about the religion, the loving 'angels' and the loving jews that express their will to fry you eternally because you didn't submit to them. Very loving of them. If this is the religion of love I am wondering what is like a RELIGION OF HATRED.

While this post says the evident, a line that goes by jews is that the creation of "Hell" has nothing got to do with Judaism. They invented this idea as I will prove below. The situation is however, that for the "Jews" there can be no hell. This is the message of Judaism, where "Hell" is a trivial punishment and there is no punishment.

In the "Revelations", Rabbi Jesus returns to save his "Elect Jews" And only the Goyim or Non-Jews are thrown into Hellfire, not the jews. So, in a sense, this does not affect jews, but it came to be from Jews. Then this was exported as what the culture of Judaism already claims on the Gentiles, and was put in as part of the 'religion' of the "Goyim Slaves". The same thing happened in Islam and all the denominations that the jews created later.

Jews know this is a hoax, and in Judaism, "Gehenom" is only for Gentiles, and a disciplinary place for bad jews, sort of like how Hades was for Gentiles, where the low-level souls went. It was exported differently on their slave programs on purpose, for reasons of irrational fear, control, expression of hatred, and submission.

In Islam this goes to the term "Jahanam" which is basically the hebrew term "Gehenom" with a slight irrelevant change. This is all entirely the same concept, where one burns eternally, is punished forever, and is to melt and melt again until the end of eternity in the "Lake of fire".

What does this "Punishment" revolve around? Well nothing just by you disagreeing with their jew egregore.

"...fear the Fire whose fuel is men and stones, - which is prepared for those who reject Faith" (Quran 2:24).

In the description of Islam, there are all sorts of further punishments for disobeying the sky given sky Jew and his Jewish Prophet Pedophile Mohammed, which also revolve around more "Specific" punishments, such as eating balls of fire for the end of your life. This goes into the bible in how the enemies of "Christ" will drink Sulphur for all eternity.

"Is that the better entertainment or the Tree of Zaqqum? For We have truly made it (as) a trial for the wrong-doers. It is a tree that springs out of the bottom of Hell-Fire. The shoots of its fruit-stalks are like the heads of devils. Truly they will eat thereof and fill their bellies therewith. Then on top of that they will be given a mixture made of boiling water. Then shall their return be to the (Blazing) Fire" (Quran 37:62-68) & "Verily, the tree of deadly fruit will be the food of the sinful. Like molten lead will it boil in the belly, like the boiling of burning despair" (Quran 44:43-46).

The general idea is that there is also no "Escape" from this, and it will be eternal, same as in Christianity.

"And those who followed would say: 'If only We had one more chance...' Thus, will Allah show them (the fruits of) their deeds as (nothing but) regrets. Nor will there be a way for them out of the Fire" (Quran 2:167) & As to those who reject Faith: if they had everything on earth, and twice repeated, to give as ransom for the penalty of the Day of Judgment, it would never be accepted of them. Theirs would be a grievous penalty. Their wish will be to get out of the Fire, but never will they get out. Their penalty will be one that endures" (Quran 5:36-37).

The main idea is simple, either one follows the egregore now, or they will be tormented eternally. Of course, these are empty threats from the enemy for the meek minded people, but one can really see how much bottomless hatred the jews have. Also, in Islam and Christianity, this has to do with the "Final Days", where the jews will rule the earth, and therefore, all those who have not confronted to them, are given a punishment to be eternally punished.

So deep goes the hatred of the jews that they don't want to punish their "opposition" for a said amount of time - they are to be roasted in boiling cauldrons for all eternity, constantly, without beginning and no end. Their crime? They disobeyed the jews. That's all. This is like the ultimate hatred and evil

expressed into something which is basically in front of us and people "Worship" and "Condone" every day.

Obviously, there are no said cauldrons and the weak jews do not have this ability, but just for the sake of record, they had to put this out there to just show what they plan to do when they can.

The Bible and Quran however will never be judged as books of hate speech now, will it? This is because it belongs to the Chosen People, and they allowed to threaten people for 20+ centuries with eternally boiling in lava fire and melting eternally, over their 'disobedience' to the Jews.

Due to the fact that this idea has been very ugly, even in at the face of the most deluded believers, who are at a cognitive dissonance in regards to how a "Loving God" is going to burn everyone for "Eternity", jews have rejected the authoring of this idea to the "Idolatrous Christians and the Gentiles".

This is the typical blame shifting the jews are doing, and this is always based on lack of understanding and awareness of both jewish culture, and in many cases, total ignorance in what "Gentiles" believe in, such as Islam or Christianity.

As stated above, the jewish term of this, is Gehenom and it means "Purgatory" or "Hell" as it means in the other two programs of the jews. Here is material that was written before the advent of Christianity by hundreds of years, possibly thousands - and also of course before the advent of Islam:

"They so stated with his wife; all the more so with the wife of his friend. From this, the sages said, "Any time that a man increases conversation with the woman, he causes evil to himself and neglects the words of Torah; and, in his end, he inherits Geihinam." -Pirkei Avot 1:5

"As we all know, we have Oral Torah, and Written Torah [...]. You go the Gemara, at Rosh Hashana page 17, chapter A [My note Rosh Hashana has to also do with judgement day] - "Wrongdoers of Israel who sin with their body and wrongdoers with the Gentiles who sin with their body, go down to Gehenom, and are punished there for 12 months. [...] This first 12 months is the trial (of the punishment) - After 12 months, their body is consumed and their soul is burned, and the wind scatters them down on the feet of the Qadosh (Righteous Jews) as it's said "You shall tread down the wicked, and they shall be as ashes down to the soles of the righteous, of your feet. But as for the minim (Idol worshipers) and for the informers, and for the scoffers, who rejected the Torah and denied the resurrection of the dead, and those who abandoned their community, and those who spread terror in the land of the living, and who sinned, and made the

masses sin, like Yeovam, the son of Davat and his fellows, these will go down to Gehenom and be punished there for all generations: And they shall go and see the caucuses of the men who have rebelled against me" - meaning Gehenom will be consumed but they will not be consumed [...] that continues forever." - Rabbi Yaron Reuven on Gehenom

Now, in regards to the idiots who still believe that Christianity is nothing else but Judaism, it makes you wonder why the original bible is the story of Rabbi and his 12 jewish apostles. Just know, you are going into "Hell" if you are non-jew, and that it's well documented into the contract you have signed with your faith.

It's pure ignorance, and also, based on spiritual laws of this universe, those who are foolish enough to believe they deserve eternal punishment because they disobey the jews and their horror terrorism, may actually manifest this reality after death (as our mind highly alters the 'world beyond' which is immaterial') and find themselves tormented 'eternally'. This is one of the prices to pay for one's own misuse of spiritual energy, and the price to pay for the mass deception of christianity.

This energy is pooled on the astral for dumb souls and the gullible to go in, and suffer 'eternally'. Obviously while this is not eternal, this should show people both the spite and irrational hatred of jews, and that the jew is a terrorist and nothing else, always procuring fear and terror for slavery of dumb subjects.
