

Himmler's Fake extermination

Pozen Speech

-High Priest Hooded Cobra 666

This is from a reply in another post, plus some extra.

This is my reply to some trolling person down the groups who mentioned the "Pozen Speech" of Himmler. This lie has been long debunked, but the jews keep it afloat, in the context of 6 trillion lampshades.

((Censorship))) complaints.

Seriously, unless you are a troll, you could answer this question yourself. Even google nowadays supplies all the lazy, with a gateway to knowledge.

This so called 'speech' was created by voice generation technology. This has existed for roughly 50 years now. All you need is a few samples, and with the correct software and some engineers, you can create full fake speeches and full fake 'claims' to support anything. This is known to the secret agencies, and obviously to jews.

Especially for people who are public speakers, like Adolf Hitler or Heinrich Himmler, this is especially easy. However, the voice will always sound flattened/dead and the list goes, as the speech is generated by a computer and according to algorithm.

The SS meetings were always secret. There were no pocket recorders or anything at this time. How would they have recorded Himmler? With a giant, recording device, or a cable microphone hidden in some pocket? Supposedly this thing was, according to mainstream (((History))), a total secret operation, only known to Himmler and Hitler, as claimed by mainstream jewish historians. Again, endless lies and jewish contradictions to catch all fish in the sea, just in case.

This is no different than the 'gas chamber' hoax. The doors and even walls were leaking air, even the amount of time in conjunction to how much it takes to 'kill someone' by 'Zykon B', would need to be triple in order to kill the 6 gorillion the jews claim. It would take a century given all the factors. But of

course, where there is heavy magick, facts go out of the window. Even today, killing people by alleged gassing, in the developed facilities we have is gladly impossible.

But in 1943 with the technology then, it would be extremely possible wouldn't it. Sounds as impossible as the pocket microphone that some secret Nazi SS used to record the secret speech of Himmler. It's an OY GEVALT situation from wherever one sees it, simply because these lies are too huge and only prey on emotion. If evidence comes in, off they go out of the window. This is why investigation in such has been criminalized.

The holohoax lies collapse onto their own self. You can also look around for your information. Satanism is about self-inquiry. If we go to answer every demand with all the supposed evidence that can be googled, we might as well write a bible and pass it around to people, and form xianity 2.0.

A thing to watch is also this, Ursula Haverbeck's interview. This elderly woman is in jail because she dared 'question' the biggest lie in history, only second to xianity: The Shoah Business.

https://www.youtube.com/watch?v=WPa_QeV9KDM

Do we honestly think that the Jews can't make up a speech? Also, the allies raved the archives of the Nazi and such as a speech would be found, would be used in Nuremberg. Is it so hard that in a decent speech, we get someone for instance with a similar voice, pretending the record is a bit broken, to say anything whatsoever?

The Gods will answer to all of your questions and lead you to your answers. These answers are for you. We, we know the Truth so it's not our concern to 'make believe' with anyone randomly. The Institute of Historical Review is a good place to start. You need to criss-cross all the sources to get into an understanding.

Heinrich Himmler: The Fake Posen Jewish-Extermination Speech:

Another post below by TheFourthReich666

Here is another hoax. Please note this speech has many phrases such as "Thank god" none of which are too bad. Himmler expresses his hate in this speech as well, you will find quotes such as: Every convinced Christian is against us. – Heinrich Himmler

This speech was edited by the Allies to say the holocaust happened in the Nuremberg trials. Much of what is in this article, is not my words. This is because there is no point in me to put precious time and effort into something which is so openly available.

This will be posted in two parts as it is too large to post as one

PART 1

The Fake Speech by Himmler

NOTE: Here is another hoax. Please note this speech has many phrases such as "Thank god" none of which are too bad. Himmler expresses his hate in this speech aswell, you will find quotes such as: Every convinced Christian is against us. – Heinrich Himmler

This speech was edited by the Allies to say the holocaust happened in the Nuremberg trials. Much of what is in this article, is not my words. This is because there is no point in me to put precious time and effort into something which is so oppenly available

Reichsfuhrer-SS Hienrich Himmler [Heil!] Supposedly gave a speech to very High Ranking members of the Waffen-SS regarding the extermination of the Jews given on the 4 and 6 of October on Pozen, Poland. This speech, like all the other allied hoaxes such as Malmendy and Lidice, arose in the Nuremberg Trials.

When historians look over a speech for legitimacy, the search for contradictions, words of context, etc. This speech contains out of context words everywhere. And this speech was meant to be top, TOP secret.....yet the Nazis were stupid enough to record right?

Regarding the recording:

The Holocaust History Project says: "There is a faint before-and-after echo that can be heard at loud portions of the speech, most notably when Himmler shouts "gnadenlos" ("mercilessly"). This is from

the magnetic impressions bleeding through two or three layers of tape on a reel, and indicates that a source for our recording spent some years on tape. Whether that is Himmler's original tape or the National Archives' master tape made in the 1970s is, at this time, unknown." The same writer also admits that it is unknown whether the original medium was magnetic tape or phonograph disc, which means that he cannot say that he has examined the recording in its original medium. That should be very troubling given the fact that the trustworthiness of the recording is in question.....

It was completely feasible to edit sound recordings after Germany was defeated in 1945, since magnetic recording tape, which unlike wire recording or phonograph record is easily cut and spliced, had already been invented (by a German) in 1928. According to the U.S. National Archives (cited by The Holocaust History Project) the most common method of recording speeches in the Third Reich was direct recording to phonograph disc. Echos in this recording however indicate that the speech was stored for years on tape.*** This means that ample opportunity to edit the recording existed.

Editing a sound-recording to make it seem more incriminating would not be the most outrageous thing that the Allies did in their propaganda during and after the war. (Cf.the U.S. Army's Why We Fight series, featuring undeniably fake Hitler quotes that could have been exposed by anybody who bothered to check, and deliberately misrepresented documentary footage from China.)

It makes perfect sense to suppose that some similar shenanigans were committed in this case, because the content of Himmler's Posen speech of 4 October 1943, as it has been presented to us in this recording, makes no sense, even in relation to itself." /1

In this speech Himmler is said to have said the extermination of the Jews is one of the 25 points of the NSDAP. However when we over the points, there is nothing linked to anything regarding the Eztermination of the Jews /2

According to many holocaust deniers and those who defended Zundel, The original speech was tampered. It was re-written with different typewriters. The original has never been seen before. All the Nazis who attended this speech also stated this. There is also another audio version, but you can be surprised of how much can be done with technology. This audio is **an obvious hoax**.

Within this speech, he talks about the "extermination of the Jews" using the German verb Ausrottung

"In 1993, Robert Wolfe, supervisory archivist for captured German records at the National Archives admitted that a more precise translation of Ausrottung would be extirpation or tearing up by the

roots. Wolfe also pointed out that in Himmler's handwritten notes for the speech, that Himmler used the term, Judenevakuierung, or evacuation of the Jews, not extermination." /4

In fact, there are four different definitions of this verb:

Ausrott/en v/t. (Plants) (also figurative): root out; (figurative), extirpate, eradicate, stamp out; (People) exterminate, wipe out; Ausrottung, f.: uprooting, extirpation, eradication; extermination; (Politics) (Entire peoples): also: genocide /5

Here is a 1887 definition: /6

It is fair to say that this verb means to kill.

Here is an excerpt from the translation of the speech (look below) which talks about the holohoax. Whitlock's note are in [] and in bold

The evacuation of the Jews

I want to mention another very difficult matter here before you in all frankness. Among ourselves, it ought to be spoken of quite openly for once; yet we shall never speak of it in public. Just as little as we hesitated to do our duty as ordered on 30 June 1934, and place comrades who had failed against the wall and shoot them, just as little did we ever speak of it, and we shall never speak of it. It was a matter of course, of tact, for us, thank God, never to speak of it, never to talk of it. It made everybody shudder; yet everyone was clear in his mind that he would do it again if ordered to do so, and if it was necessary.

I am thinking now of the evacuation of the Jews, the extirpation ["Ausrottung"] of the Jewish people. It is one of those things that's easy to say: "The Jewish people will be extirpated" ["wird ausgerottet"], says every Party comrade, "that's quite clear, it's in our programme: elimination ["Ausschaltung"] of the Jews, extirpation ["Ausrottung"]; that's what we're doing." And then they all come along, these 80 million good Germans, and every one of them has his decent Jew. Of course, it's quite clear that the others are pigs, but this one is one first-class Jew. Of all those who speak this way, not one has looked on; not one has lived through it. Most of you know what it means when 100 bodies lie together, when 500 lie there, or if 1,000 lie there. To have gone through this, and at the same time, apart from exceptions caused by human weaknesses, to have remained decent, that has made us hard. This is a chapter of glory in our history which has never been written, and which never shall be written; since we know how hard it would be for us if we still had the Jews, as secret saboteurs, agitators, and slander-mongers, among us now, in every city -- during the bombing raids, with the suffering and deprivations of the war. We would probably already be in the same situation as in 1916/17 if we still had the Jews in the body of the German people.

The riches they had, we've taken away from them. I have given a strict order, which SS Group Leader Pohl has carried out, that these riches shall, of course, be diverted to the Reich without exception. We have taken none of it. Individuals who failed were punished according to an order given by me at the beginning, which threatened: he who takes even one mark of it, that's his death. A number of SS men -- not very many -- have violated that order, and that will be their death, without mercy. We had

the moral right, we had the duty to our own people, to kill this people which wanted to kill us ["dieses Volk, dass uns umbringen wollte, umzubringen"].

[Translator's note: it is unclear whether the writer is referring to the Jews as a race, or to the Jews as saboteurs, agitators, and slander-mongers; see above].

But we don't have the right to enrich ourselves even with one fur, one watch, one mark, one cigarette, or anything else. Just because we eradicated ["ausgerottet"] a bacillus, after all, doesn't mean we want to be infected by the bacillus and die. I will never permit even one little spot of corruption to arise or become established here. Wherever it may form, we shall burn it out together. In general, however, we can say that we have carried out this most difficult task out of love for our own people. And we have suffered no harm to our inner self, our soul, our character in so doing.
