Greetings to all our Satanic People and Comrades.

The enemy has once again, proved us right. Proved that what we say is true, that our message is to be feared, and that our people are the only legit enemy who can really undue their plans on the deepest level in which they are generated and created.

THEIR TYRANNY IS BEING QUESTIONED, ATTACKED AND DESTROYED! BY YOUR HANDS AND BY OUR HANDS, THE DIVINE FIRE IS COMING DOWN FROM THEIR HEAVENS!.

THEY CAN DELETE, THEY CAN ATTACK, THEY CAN DO WHATEVER ELSE PHYSICALLY IMAGINABLE- BUT NOW IT IS TOO LATE FOR THEM.

As the Brits say, "IN THE SOUND OF GUNFIRE, WE MARCH!".

And SO ALL OF US AS SATANISTS WILL MARCH!

The ship has set assail and there is nothing stopping it.

The enemy for once again, because of course they believe "The ends justify" the means, they have attacked the Joy of Satan webpages again. Not only the library, but the RTR's section is down as well. This has been followed by many other attacks. This was only one day after the RTR's were translated in German.

This proves not only their fear, but also that they are guilty and that everything we do is 100% correct in stopping them. All people need to continue fighting against these monsters who want to enslave humanity and are willing to go into any end to promote their nefarious agenda.

The enemy wants to put a tombstone on free speech and in the freedom of the press. You can say anything you want in this world, except of the things we say here. With everything the jews and their "privileged casts" can get away with, but our side has to, against the laws of Freedom of Speech and the Freedom of the

Press, be attacked with these underhanded and cunning methods. Which are of course typical of the enemy, as they have never changed.

So as to repeat what I have been telling you all for months - save, archive, mirror the websites. Print the RTR's and keep everything in a safe place. We are living in tyranny. Whilst people believe they are "free" and a few "freedoms" have been won by blood and death in the West, the rest of the planet is not only not free, but threatens all the freedoms we have here. We have been making impact and changing things to the better.

For those who are higher up spiritually, they can see how everyone is enslaved, to the point people are walking around like radio-antennas that spew judaism 101 all day long. From their shows, to their life aspirations which mainly revolve around jewish projection. Tyranny will not go down with anything but spiritual warfare and continuous attacks to the enemy.

In this world, there are the people who cower, and the people who fight. Those who want to be free, and those created to be slaves. The slaves always end up in the worst of fates, and even though alive, they are completely, always dead. People are grown like nothing else but fuel and batteries for this jewish system that is operational, but is thankfully malfunctioning and will be destroyed.

If only people saw, and if only people knew. Humanity is marching towards an impending doom. Our people and our 'hated' side has once again came down from the heavens, as a literal 'hand of saving', to save people that the enemy has considered as unworthy of saving. People they destined to be swine, and exist as swine forever, others have been seen as potential Gods.

In all of my life I have been nothing but a messenger to all of you. Where the enemy has seen you as swine heading to an enslavement, we have seen you as nothing less than flesh and blood of the Gods.

Where the enemy has seen cattle, we have seen Gods. And where the enemy saw defeated people in heart, body and Soul, we have seen potential. We have been proven right. Slowly, we formed into making an army, and now we are waging full blown war.

We started from absolute zero, slaves amongst slaves. And now we are creating masters and active players into this giant game.

So expect no peace, and look forward to no regrets.

While millions and millions are still sleeping, in the lullaby of deathly slavery and servitude, about to pass down as another insignificant lifeform in this eternal universe- you will be passing down as the Warriors who have taken a stand and carried a torch:

### **The Torch of Freedom for all Humanity.**

AND EVEN IF WE FALL, THIS TORCH WILL FALL AND SET THE FIRE OF REVOLUTION ABLAZE.

OUR HEROES WILL NEVER SURRENDER IN THIS BATTLE AGAINST THIS MONSTROSITY!

They think that by attacking us in the most frail, illegal, and sly ways, they affect anything.

They only fan the flames of deathly ANGER, HATRED, RESENTMENT and RETRIBUTION. They only bring their days of deliverance to Satanic Justice even closer.
