

Jewish Oligarchs & Rabbinical Class Put Jew Putin in Office

Why are all these types of Jews who are supposed to be in opposition and not working together, all in union and working together?

Let us remember Jewish Communism was created by the rabbinical class of the Jews. Their leadership. This includes the Rothschilds.

What is Putin's openly stated aim?:

https://www.forbes.com/fdc/welcome_mjx.shtml

Is the main culprit Putin himself, who determined that the disintegration of the Soviet Union is the greatest geopolitical catastrophe of the 20th century; who admires Stalin and reinstated the Soviet national anthem with different lyrics; the same Putin who, in the VOLDAI conference in September 2013, said that: “The integration of the former Soviet Union into a single geopolitical entity is a key priority for Russia.”

Putin and the Jews behind him want to rebuild the Soviet Union.

Let us not forget those Jews in the White House, the British government, and elsewhere that worked together for a World Communist Jewish Government and still are:

Why is the underling of the Communist creator Rothschilds, Abramovich [who put Putin into Power] arm and arm with the Rabbinical class in Russia? Secular jews, Communist jews, and religious Jews working together.... Because they're all Jewish of course. Rothschilds are part of the Cohen [Rabbinical] class that is the leadership of Jewry... Wait a second they are all supposed to be against each other, right? And they're all working to bring back Communist rule in Russia. Why is Putin making homage to the Jewish state ruled by the Rothschilds and established by the Soviet Union? To pray at the holiest spot of Judaism? Why is Putin

connected so closely to Chabad-Lubavitch, an orthodox Jewish movement? Who follow the Talmud and Torah. Why is Putin's father a Talmudic scholar? But Putin is an open Communist? And held a high position in the KGB under the Soviet Union.

Because Goyim, the Jews are working together to create a World Jewish Government. You might know this as Communism but the Jews know better. Their racial nature is their religion.

As Jew Otto Weininger stated: "The Jew is an inborn Communist." Because Communism is the Jewish soul, it's simply Judaism under a politically dishonest mask.

"Communism is Judaism. The Jewish Revolution in Russia was in 1918." (H. H. Beamish, speech in New York, 1937.)

"Some call it Marxism - I call it Judaism." (Rabbi Stephen S. Wise, The American Bulletin, May 15, 1935.)

Why did Jewish Rabbis create Communism.... Hess and Marx were both Rabbis. And the Rothschilds who funded them and exported Communism around the world are of the Rabbi class as well:

"Communism is just another system of Jewish control, a scam for Jewish hegemony. Who could doubt it when it's two principal architects were Jews of Rabbinic descent." — Moses Hess and Karl Marx. Hess converted both Marx and Engels to Communism. Marx referred to Hess as the "Red Rabbi". In 1935 Rabbi Stephen Wise stated: "Some call it Marxism, I call it Judaism."

Why do Jews say Anti-Communism is anti-Semitism?

In 1941, New York Publication "Jewish Life" and "Jewish Voice" told their readers that Anti- Communism is Anti-Semitism. The New York publication "Jewish Voice," July and August of 1941, page 23, states as follows: "Anti-Communism is anti-Semitism."

Obviously because as the Jews stated; Communism is the New Name for Judaism.

Why were the laws of the Talmud/Torah enacted on Communism Russia, where any criticism of the Chosen People is the death penalty. In 1931 Soviet Dictator Josef Stalin [my note also a Jew and married to a Jewish wife] told the Jewish News Agency in the United States that: "Under USSR law, active anti-Semites are liable to the death penalty!" Because it's a Jewish Government so criticizing the Jews is illegal.

"In the time of the Messiah the Jews will exterminate all the peoples of the earth." In 1673 Bar Nachmani, in "Bammidhar rabba," fol. 172, c. 4 and fol. 173, c.

What this whole Zionist issue with the Jews comes down to is the Jews believe they have a messiah, who in their holy writings like Isaiah, is a Political leader and also a political movement. This King of the Jews must rule from Israel and when they conquer and destroy all the Goyim nations and destroy their gods, races, nations, and cultures, and Judaize them. Their god will descend to mount Hebron and rule through the Messiah in Israel and totally destroy all the races and nations finishing them into a Jewish world. This is the meaning of the Jewish religion and the instructions for this is in their Torah.

The Rothschilds believe this is them, they own and created Israel and have been pushing this Messianic agenda which other Jews have done for centuries before the Rothschilds. So it's obvious why the Rothschilds created Communism, it's the Messianic political movement that they are given instructions in the their Torah to create, for Jews to conquer the planet totally with. And Rothschilds will rule as the Messianic Jewish Kings from Israel, thus fulfilling the Messianic mission of Judaism - by actualizing it into reality.

When this happens, the Jewish world will be united under their Messiah to rule the Goyim with a Rod of Iron as their holy texts state. The program to do this is the dissolution of all races, cultures, nations, individual economies, and ethnicities. This will be replaced by a One World Religion of Judaism. The "No God But God" as the Muslims state. They got this off Judaism, this means no God but the Jewish God, thus the Jews themselves. The Messianic Jewish Religion they have planned to rule the Global Zion by is Communism. It's a religious Jewish Messianic movement which has been written on by the Jews themselves as being such. Remember- the Messiah is also a Political Movement.

So that is why all these Jews who are supposed to be opposed to each other are actually working together at the top to create their "God World", where the Jews become God.

The Torah is the blueprint of the Jewish agenda for creating a World Jewish Dictatorship. Communism is simply a pseudo political mask for this, as the Jews admit.

As we were told outright by the Jew Maurice Samuel in his book: 'You Gentiles':

"We Jews, we, the destroyers, will remain the destroyers forever. Nothing that you do will meet our needs and demands. We will forever destroy because we need a world of our own, a God-world [Jewish World Order]...." As Samuel tells us right to our faces what a "God World" is.

"We [Jews] have a national God. In the heart of any pious Jew, God is a Jew." That's right from their Torah, their most Holy "God" Book.

Take special note Goyim, they are talking about you here:

Deuteronomy 16:

And thou shalt consume all the people which the LORD thy God shall deliver thee; thine eye shall have no pity upon them: neither shalt thou serve their gods; for that will be a snare unto thee.

2 And when the LORD thy God shall deliver them [note: "Goyim", non-jews] before thee; thou shalt smite them, and utterly destroy them; thou shalt make no covenant with them, nor shew mercy unto them:

22 And the LORD thy God will put out those nations [my note: Nation means Goyim] before thee by little and little: thou mayest not consume them at once, lest the beasts of the field increase upon thee.

23 But the LORD thy God shall deliver them unto thee, and shall destroy them with a mighty destruction, until they be destroyed.

Putin's visit to worship at the Wailing Wall.

The powerful Russian President Vladimir Putin's visit at the Kotel took an impromptu turn when a from Jew called to him.

By COLlive reporter

Russian President Vladimir Putin paid a visit to the Kotel in Jerusalem Tuesday night with an entourage of Israeli and Russian security personnel.

Originally scheduled for the afternoon, the visit was postponed to 2:00 AM due to security considerations.

He was accompanied by Russia's Chief Rabbi Berel Lazar and his colleague Rabbi Alexander Barada of the Federation of Jewish Communities of Russia. They were greeted by Kotel Rabbi Shmuel Rabinowitz.

At the Western Wall, the President offered a prayer and recited Tehillim from a Russian-Hebrew prayer book.

Despite the late hour, bystanders were still around and one of them called out in Russian, "Welcome President Putin." He got a smile in response.

Later, after visiting the Kotel tunnels, Putin broke away from his security circle and approached the man who had called out to him.

Leaning over the police barricade, the former KGB officer began to chat with the frum Jewish man who apparently is an immigrant from the former Soviet Union.

The man related the importance of the Kotel to the Jewish nation, and mentioned the Beis Hamikdash and Shlomo Hamelech who first built it.

"That's exactly the reason I came here - to pray for the Temple to be built again," Putin responded, according to a report on the Bechadrei Chareidim website.

"I wish you that your prayers will be received," the president added and warmly shook the man's hand.

A person who witnessed the 3 minute conversation, commented "I guess (Putin) is not as closed and tough as we thought."

Putin will save “us” says Jew Kapner! By “us”, he means Jews.

“RUSSIA’S PM TO JEWISH DELEGATION: I WAS FIRST TO RESTORE JEWISH PROPERTY! MOSCOW — In an extraordinary 40 minute meeting with Russian Jewish leaders yesterday (November 25), Russian Prime Minister Vladimir V. Putin

promised to assist the Jewish community in combating anti-Semitism, building schools and reclaiming former synagogue buildings for Jewish communities.”

“Mr. Putin said he was familiar with both the menorah and the Chanukah holiday, because as a child his family shared their communal apartment with a Jewish family. He fondly recalled the pleasant demeanor of the various family members, as well as their attempts to preserve their traditions despite Communist reprisals for practicing religion. The Prime Minister recalled that he often saw the father of the house poring over large Talmudic tomes.”

Putin was put into power by the Federation of Jewish Organizations in Russia. The Jewish Chairman of this organization Abramovich stated in a 2005 interview that Putin could obtain Israeli citizenship if he wanted as an ethnic Jew. And that his mother was a Jew named Shelomova. This makes Putin full Jewish by Jewish law.

Something damning in the first addition of Putin's book: ‘First Person: An Astonishingly Frank Self-Portrait by Russia’s President’. It states his mothers maiden name was Shalomovitch which is a Jewish surname. But this is changed to Shelomova in the second addition which is an attempt to cover this up:

—Vladimir Putin in the foreground, Roman Abramovich in the background.

Abramovich is chairman of the Federation of Jewish Organizations in Russia (who are allied with the Putin administration) and he also donates money to the Jewish Chabad Lubavitch movement. Chabad-Lubavitch is an orthodox Jewish movement.

—Chabad-Lubavitch is an orthodox Jewish movement.

Appointed Putin and Medvedev [My note Medvedev is according to Jewish archives his surname is Mendel]

Abramovich was the first person who recommended Boris Yeltsin to choose Putin as his successor. When Putin formed his first cabinet of prime minister in 1999, the Jew Abramovich was the one who first held “personal interviews” with each of the candidates before they were approved. After that, Abramovich remained one of Putin’s closest allies.

In 2007 Putin asked this Jew, who would be elected as the new President – Dmitry Medvedev was then personally recommended by Abramovich. At the G-20 meeting in London in 2009 and the G-8 meeting in 2010, it was Medvedev who became renowned as he had with him a sample of the new supranational world currency “United Future World Currency”, which he campaigned strongly for according to Bloomberg.com.

Chris Hutchins, who has written the biographies ‘Abramovich: The Billionaire from Nowhere’ and ‘Putin: A Biography’, describes Putin’s relationship with Abramovich like one “between a father and his favorite son”.

Appearing on Russia Today’s website under the heading “prominent Russians”, Roman Abramovich is highlighted in Russia Today’s encyclopedia “Russiapedia”. It says, among other things, that Abramovich had access to Jeltzins “innermost circle” through the Jewish oligarch Boris Berezovsky.

The Jewish Rothschilds who created the Soviet Union at the top still own Russia, which Abramovich is a front Jew of.

Russian gov. owned Rosneft in business with Rockefeller (Rockefellers are Jewish, they are of the Rothschild bloodlines) run Exxon and BP despite “sanctions.”

The Putin Government and Chubais are joint owners of RUSNANO.

In 2012, Rothschild Capital Partners bought a 37 percent stake in the Rockefellers wealth advisory and asset management group.

Rothschild run Glencore and the Putin Government joined forces to create the world’s largest aluminum company, RUSAL.

The Rothschild Global Financial Advisory is located in downtown Moscow and their website brags of “high level political access” to the Russian government.

Deripaska is CEO of RUSAL.

Abramovich is Putin’s close confidant, and a joint shareholder along with the Russian government in assets such as Gazprom, Aeroflot, and RUSAL.

Putin selected close friend Oleg Deripaska to represent Russia in ABAC (APEC Business Advisory Council). Deripaska is also a close friends and RUSAL business partners with Roman Abramovich.

The Rothschild family members are majority shareholders of Rio Tinto. RUSAL and Rio Tinto are involved in joint mining operations despite so called “sanctions” imposed by the West.

Nat Rothschild is a fellow RUSAL investor, and best friend of Roman Abramovich. Nat is also close friends and RUSAL business partners with with Oleg Deripaska.

Since 2013 in Russian Federation there will be implemented electronic identification card system (UEK – Uniwersalnaja Eliektroniczieskaja Karta), the same as RFID. This is officially admitted by administration of Chabarovsk Country.
