

[Jews Smear Campaign Against Chinese People Over Co-VID Pandemic?](#)

One thing remains always eternal with jews, and that is lying and a double standard.

No matter how many verified bullying and crimes this race of people always has conducted against all other people, no matter how many times they are told to drop their neolithic reptilian human hating tenets, stop giving herpes to their own infants [I mean it's not like I have a problem with this, they can keep doing it to accelerate spreading illness to their own, but it's plain ghoulish], and no matter how many programs of stupidity and death they have authored to mankind, they always hold the same moral double standard. They are always innocent, and they must never be blamed on a "Racial" or "National" basis. They always innocent!

On the other hand, the MSM, authored by the Jews, does their work as always. The Jews have been have been of course playing double side since the CoVID epidemic broke, throwing of the Communist Chinese Gov under the bus [their pedigree and idol under other circumstances] was done by an Israeli agency personnel to be made out of China, which of course, since they knew, they were involved. The secret services of Israel are involved in many things, and that is well known universally by now.

In fact, they began, as they always begin, the trail of defamation against someone they betray. Think for example how everyone that Trump went in trouble over, was coincidentally a Jew, and a backstabbing Jew at that. Backstabbing and friendship to Jews are two things that always come together. Israel and Communist China are these types of friends.

The MSM started reporting and blaming the Chinese people for the virus, and causing them a lot of disgrace/ "They eat Bat Soup", "They are dirty", "They are animals", and all the related. And then, when Trump made a statement to imply the position from where the Virus emerged, saying "Chinese Virus", they jumped all onto him [because they were guilty and they wanted politicians to pick the bait, which they did] and pretended they had no clue how the blaming of the Chinese people started.

They started it. Purposefully. And they know it. So they were glaring when Trump said that, and they tried to pin their own intentions onto his statement. Trump's statement was about location, but as far as the MSM was concerned, they wanted to rig people into the typical form of thinking that they created, to blame them later for "Racism" and do the usual Jewish word rituals against them.

Now, they are repeating in the News and trying to arouse Governments and officials against the Chinese people. "It's the bat soup's fault", type of argumentation. The selective language they use reveals that they will never say things like COMMUNIST PARTY OF CHINA or COMMUNISTS, because what happens when you read on Communism? One thing hides behind the curtain of Communism, so better not look onto the curtain, the MSM thinks.

So the Jews, instead, do the usual bullying and primordial anti-human reptilian aggression, blaming the innocent people who just happened to live in Wuhan, or the Chinese people at large. They don't want people to understand that it is Communism speaking here, and that the leading practices of the Chinese are based on the Hebrew Formula. Therefore it's easier to simply blame the Chinese, over frivolous accusations, fit for stupid brains, and easy promotion value.

Notice, the people themselves. The Jews have been making sure to push politicians to put all the political blame of the CoVID towards China, which sure, they have. But why they do not say the TRUTH, that this occurs because of COMMUNISM? Would the Chinese have such destroyed immune system due to low wages, malnutrition, environmental collapse, a careless government, and such measures that crash the human spirit and unsanitary conditions, were it not for Communism?

A nation of deeply depressed people who are being spied by AI and work 12 and 15 hour shifts 365 days of the year, because they are told this is the means towards some "Communist Utopia", with the hammer and sickle above their heads? But if you point to the hammer and sickle, you point to something else behind it, too:

You will see only Jews if you look into Communism. And that is a major inconvenience for Jews. The Jews have a problem with all the crimes they have done, they know they are guilty, so further raising awareness about some things, leads directly to them. One such thing is Communism. One cannot be educated about Communism and not know it is entirely a Jewish ideology, top to bottom.

As Rabbis have stated before, "Communism" is only the political system of the Torah, applied, famously so explained elaborately by the Marxist and Top Rabbi Baal Shem Tov. Marx, Lenin, Trotsky, and numerous other blatant Jews, who gave these ideals and political formulae to people, that manifested monstrosities against humanity such as modern China, same as all state control and abusive practices started over there.

If people now are living in nightmarish condition that give rise to viruses, bad diet, improper environmental handling, the government gives not one crap what

people eat so long they can stand to work like ants [some animals should not be eaten and science has to explain this to them, but Communists don't care], oppression beyond imagination, and mass enslavement, that is the result of following this sickening political ideology named "Communism", authored and penned by Jews.

The "thing" behind the curtain does not want to be seen, therefore, we have "Bat Soup", "Evil Chinese", "Lol Chinese people suck", and so forth. The fat thing behind the curtain understands that it's important nobody notices the Hammer and Sickle. After all, this Hammer and Sickle is what it's preparing for the West, but he has modernized the language now. They call it "Socialism", but after all, the Communist Party of China calls it the same. But everyone knows what it hides behind it.

But the Jews, you see, love to smear the Chinese people, while at the same time, all large Jewish enterprises are all proudly sitting [and massively profiting] from the so called "Chinese Socialist" model, the soft title for the Communist regime. The Jews therefore love this style of regime, after all, look of what all the Jews and Jewish tech companies are trying to create in the Western Democracies. Little by little, they are creating the Communist web and Communist control infrastructure. One of the most old parties of the United States, the Democratic party, effectively got corroded into the Communist Party, but make no mistakes, many of these Communists are also in the GOP, in Silicon Valley, in the Vatican, and in many other places.

How the Jews use language to blame Gentiles into arousing other Gentiles to hate them, is convenient. They of course always become furious when this is done against them, or in particular, when they are called for Jewing the world on a consistent basis. They say that is "Stereotypical" and that this does not reflect "the opinions of all Jews". But it is increasingly impossible to find a single Jew who is not onboard, or who hasn't been on board for thousands of years, with the reptilian alien agenda the Jews have had against mankind. Even those who had some fake disagreement, dropped silent, and we are talking about less than 1 or 2% of all Jews.

The MSM blames the Chinese people, and they have went as far as to weave a

language that blames the people of Wuhan specifically. Not even the Communist Government - but the people themselves. This started all with the "Bat Soup" hoax and how supposedly all Chinese people suck entirely and totally just because they are Chinese.

All races on this planet, have flaws, and yes, certainly so do the Chinese, but who is the Jew to talk anyone into being subhuman based on some flaws, when their race has always been a monstrosity that sucks baby dicks and gives herpes to it's own infants? Or when they have historically always written, owned and promoted the world's most abhorrent filth that has drowned humanity for centuries into ignorance and failure? Which race on top of the whole earth can compared to the filthy conspiracies, evil, and destruction espoused and created by jews?

Jews always promoted Talmudic style of racism against Gentiles. In particular, when it is to wipe White people, they scream the loudest, that we all "universally are meant to die", that we are the "Sinful children of Amalek" and that we should be obliterated. This includes every White person. As to what they are planning about this, one needs to look no further than the 3rd world to West migration politics and Muslim invasion of Europe, all planned and staged by Jews. There is not one policy that was not imposed by a blatant jew, or a closely related jewish lackey, or that was not promoted and enforced by jews.

This isn't to punish a few, that is to wipe out every last White person and gene off of the face of the planet.

Now, what they are doing for the Chinese is nothing different. All of this most of the time is totally unjustified and pointless. It is aimed on the people, who most of the time, had no say against the Communist government, and have been only helpless. But the jews love to bully and attack the helpless.

Collective punishment [killing a race out for the problems a few people caused] is major in the Talmud and Torah, but lo and behold, when other people critically judge Jews "as a people" and blame them for what their race has committed and is still believing after 2500 years of constant neolithic reptilian hate, they always deflect this and say "The mistakes of the few should not be a punishment for all Jews!".

Unlike everyone else, the Jew is a proven perpetrator of a lot of bullying, hatred, evil, and has the most insidious plan to date [published in a book known as the Bible] where the extinction of every non Jew is celebrated on the last and final chapter. This according to the junkies that read this book, is called "The Revelations", and the final end that the jewish rabbis had a wet dream about in the desert after a lot of anorexia and not even having food to eat, as they lived in the desert because making civilization and producing food of their own was apparently impossible for this leeching race.

Apparently, 95% of Jews who are all Zionists and want the Goyim to be enslaved, or who run all the outlets of hate, mass control, mass brainwashing, and have always chosen the most radical leadership for consecutive generations, do not deserve to be called on this. Alternatively, since some few Gentile leaders hated them for all they have done, Gentiles need to go collectively the route of extinction.

If the Chinese, Whites, and everyone else is to be blamed collectively, and the jews want to open up the "Accusation" Era, then let us all thank them for making the matter a normal reality.

If the Jew wants to bully everyone, then they deserve what every bad bully deserves to have handed to them.
