Now, most of you already know how that annoying fish symbol the Christians use is in truth a vagina turned on its side. It is called a "Yoni." If you look to many versions of the Tarot cards, even going way back into the Middle Ages, you will find the suits of the rods/wands and the swords are often in the shape of a yoni. The heart chakra [neuter chakra] is also in the shape of a yoni. The yoni, symbolizing the vagina is also symbolic of giving birth to a new soul and achieving spiritual and physical perfection and immortality through the magnum opus. The Christian crap of being "born again" is false, and amounts to nothing more than spiritual degeneracy, and being steeped in more lies.

There are thirteen major chakras upon the soul. For a very long time, the enemy has touted the number 13 as unlucky, etc. This is to frighten people away from that number. This is no different from how horror movies are used to frighten people away from the spiritual/occult. All of this ties in. When one does a ritual, one invokes the four quarters. To the uninitiated, one points one's athame, calls out, etc. To those who know, this is actually an allegory for vibrating the soul to raise your own powers. The soul has four important directions; again, male and female.

This is what the enemy uses the "YHVH" for, though the YHVH is a corruption. The uneducated, the stupid, and the fools are deluded into believing this "YHVH" is some sort of Supreme Being. AGAIN, THIS IS A CONCEPT!! Not only is this a concept, it was stolen, then of course, it was further corrupted. There is no supreme being. There is infinity in both the microcosm and the macrocosm. There is no such thing as some big bad Jewish spook that "created everything" and who is omnipotent and all of that horse manure they push on the unsuspecting public. There is a war going on 'out there' and there are ET's who work through the Jews here, who do hate humanity and want to enslave the world in order to provide a ready and easy host to leech energy off of souls. This is no different from cattle in a slaughterhouse. This is what we are to them and it all depends upon just how ignorant and unknowing one is, for the enemy to succeed. We have been cut off from our spiritual senses. Few can see what the enemy is doing, but through meditation and the Serpent of Satan, our spiritual eyes are opened.

Getting back to the four quarters of the soul, following the RAUM meditation,
http://www.angelfire.com/empire/serpentis666/Raum_Mediation.html

One should vibrate the four quarters of the soul. IO can work for all four, but one will notice a drastic charge and empowerment if the four quarters are vibrated correctly. IO was taken from the Greek IO. Nearly all of the Greek so-called "myths" are very important spiritual concepts, with the exception of some of the legends of the Gods such as Heracles; the account of his birth [his human mother had a very difficult time, as he was fathered by one of the Gods [ET's] and the Nordic ET's are much larger and taller than us humans. I have seen a couple who were near 8 feet tall, such as Anubis. Heracles was a Demi-God, meaning he was half-human. IO is another allegory and while many of these Gods are actual beings, their legends are important spiritual allegories, such as the Greek "Argus" which is Agares. Agares is female, but the allegory portrays a male. The "thousand eyes" of the spiritually empowered soul.

Going a step further, EA is another name for Satan. [Most of you already know the name "Satan" means "truth" in one of the most ancient of languages Sanskrit]. EA is pronounced AY-AH. AY as in May, say, day, etc. Nearly all of the words in Sanskrit end in the letter A. The letter A symbol in English and in many other Western alphabets is tapered like the pyramids, and many other spiritual symbols. The taper is symbolic of the serpentine energy ascending the soul. This also has to do with focus on the spine. The so-called "tetragrammaton" of the soul follows as I-O-E-A. EE-OH-AY-AH. These are the four vowel vibrations that empower and raise the energies of the four quarters of the soul to a high level. Left shoulder/left side of the body, vibrate I [EEEEEE]

Right shoulder/right side of the body,, Vibrate O [OOHHHH]

Front side of your body, vibrate E [AAYYY] as in the word say, or may

On your backside, focusing on your spine, vibrate A [AHHHH]

Now, one can see where this vibration was stolen, altered, and completely corrupted from a PAGAN CONCEPT into that foul Jewish invented entity "jehova." Again and again, I reiterate THE WORD "GOD" IS A CODE-WORD FOR THE SELF!!! THERE IS NO "JEHOVA" OR "YAHWEH" WHICH WAS TAKEN FROM IDIOT CHRISTIANS TRYING TO PRONOUNCE "YHVH," AS THE J IS OFTEN PRONOUNCED AS Y IN MANY LANGUAGES, AFTER THIS CONCEPT WAS STOLEN AND CORRUPTED BY THE JEWS. The Christians are so far deluded it is way beyond pathetic. The Jews have usurped spiritual knowledge and corrupted it in order to enslave and control the entire world, they, themselves, at the higher levels becoming "God." In truth, that is all it is...a vibration to drastically empower the soul.

Going further, I also have written about this before. Once you have enough knowledge and obstacles to enlightenment have been knocked down in your mind, this can easily be seen. The nazarene was stolen from and invented into another fictitious Jewish character for Gentiles to slavishly worship- the serpent. Nearly every painting or illustration of so-called "saints" of which in Spanish is "Santa" an anagram of Satan, THEY ARE ALL DEPICTED WITH HALOS, WHICH REPRESENTS THE RISEN SERPENT OF SATAN!! This is not just a Western concept, but is also seen extensively in the Far East [where Christianity stole nearly all of its corrupted content from], as with the Buddha, also seen with a halo.

Now, getting back to those paintings that we are told is the nazarene, in truth, they are nothing more than an illustration of a man with his serpent ascended, no different from any other illustrated

instructions; same as with the so-called "saints." When you purchase any appliances, etc., these normally will come with illustrated instructions, or the same as with some one in an illustration showing the certain steps to using an appliance or whatever. http://see_the_truth.webs.com/Jesus_Christ.htm

The nazarene is nothing more than a Jewish invented character that has been used to replace the serpent. The paintings are a how-to, A CONCEPT, depicted by a man. As I already wrote some time ago, if the same were done with Sponge-Bob, millions upon millions would prostrate themselves before the mighty image of Sponge-Bob in reverence, worship, and self-devotion. Using a sponge for cleaning purposes would become a blasphemy and a major sacrilege. This would then through the mass mind, take on a life of its own; a thoughtform if you will. A sponge would adorn every altar. There would be giant, colossal sponges where the most holy would make a special pilgrimage, not to that stupid black box in Mecca, but to the giant sponge edifice. The tiny pineapple residence of Sponge-Bob would be heaven under the sea, with the end goal for every "saved" individual to, instead of floating up to the sky in the ether, would descend to the depths of the ocean in hopes of finding the tiny little home to spend the rest of eternity within.

Kidding aside, given the endless and copious amounts of spiritual energy that are directed into this fictitious nazarene character, the misguided and false sense of belief and with this outrageous lie being promoted at every level, embedded in the minds of the populace through force, with no alternative, no wonder it has reached the monstrous level it has. In addition, that nazarene was also corrupted from the five elements, Hebrew style. When one has enough knowledge and has opened his/her mind, and through the Grace of Satan, one can see all of this.

Christianity is pushed upon the populace with no other alternative. Even in doing crossword puzzles, [most are written by Jews], that Christian biblical crap has to be in there for the words/answers. As for Modern Paganism, Buddhism, Wicca and everything else that is related and has been corrupted from the original Paganism, all has been Christianized. The Jews even go a step further in dictating to the Gentiles that the powers of the mind are not to be used for material gain, which is an utter crock of shit.

Quote form the Talmud:

22. Seph. Jp., 92, 1: "God has given the Jews power over the possessions and blood of all nations."

The Jehova's Witnesses, like other fundamentalist Christians are also working to remove Santa from xmas and replace him with the nazarene, take the Easter Bunny out of Easter and again, replace the rabbits and eggs with the nazarene; this goes for all holidays. The Jehova's Witnesses also go a step further and work to remove all symbols which they tout as "graven images," as the destruction of important spiritual symbols will eventually be the death of spiritual knowledge and truths.

ALL of the occult and the spiritual teachings have the end objective of empowering the soul, raising the serpent, and performing the magnum opus. If one will look through open eyes, no amount of coercing, lying or "explaining" will fool you again. The only thing one can do from this point is to work to wake up humanity to the truth!

HAIL SATAN!!!

Quick Reality Check

In dealing with those that condemn you as a thought criminal for speaking the truth about the situation we are in and those committing the crimes against humanity.....

The righteous whiners are always fast to show their colors. What their disapproval comes down to is this. Its not the facts of what the Jews themselves admit they are and do to us all and the criminal behaviour they engage in as a race, right in our fucking faces 24/7. That's never the problem. THE PROBLEM IS YOU POINTED IT OUT.

Its the equal of witnessing a crime and calling 911 then the police show up and arrest you for pointing out a crime is being committed and let the crook get away with it, they give them an award for being a victim of "hate" of all things. And condemn you as the criminal.

What more proof is needed the Liberal [secularized Christianity] paradigm is simply epic mental illness. Its not ideology, its pathology. They can't handle reality so they punish you for THEIR MENTAL ILLNESS.

AUM Cosmology, Siva And The Kabaa

The original Cosmology is depicted as a triangle with each of the bars representing one of the three guna's of creation with the A U M letters placed at each corner.

This triangle is the symbol of the first matter or quintessence/Brahman force from which all life arises.

It's the All. The 3 letters are actually stated to be one letter in the Tantra that of A. Which is the first letter of the alphabet. And is the fire of creation the quintessence. Hence AUM is the name of Brahman [Siva is Brahman in the Tantra] the Quintessence.

"Space [my note ether] can not be defined by less then 3 lines, so the triangle is considered the first form to emerge out of creation. This triangle is known as moola trinona or the root triangle."1

From here the AU represent Siva and Shakti the M is the third power or prana. Which unlocks the soul to the Godhead. As we will see the message of AUM being one letter explains why three become one. This is the trinity the God A, the Goddess U and the divine Child M. The Divine child M [prana] is generated via the AU energy.

The doctrine of Kabala which originally was Egyptian but as the Egyptians came from the East as their records and civilization show. And the head God of Egypt Ptah-Osiris is known to be Siva in the East. This doctrine in its uncorrupted thus Gentile state is based upon the AUM cosmology of the soul.

This is the A [Sattva] U [Rajo] and M [Tamo] formula.

The three Guna's which form the AUM and the reason of the A, The three guna's of Sattva, Rajo and Tamos in order Sattva or Ba the gold or soul, Rajo spirit or Ka and Tamo the La or physical-light body.

The AUM formula is stated in the form of the Hamsa bird in the Vedic texts.

This is also the White, red and black of alchemy and the colors of the three Pyramids at Giza. This Hamsa [soul in Sanskrit] bird which is the Phoenix in Egypt [Ptah-Osiris's sacred bird] and what the bird constellation of Cygnus relates to in Giza as well as Orion. This is also the Peacock in the East. And Eagle of the Roman's and Founding Fathers. Is the symbol of the reborn soul or the three into one.

In the East the achievement of the Sattva Guna [represented by the A] is considered the Magnum Opus as the three are made into one, the Gold. This is why A relates to Lucifer as Sattva=Sat, which in any translation from Sanskrit is full enlightenment of the Magnum Opus. And the core of the meaning of Sat-an. The An is more of an extending of the meaning of Sat. Hence the Golden Race being the Satya. Golden Age is some what of a misunderstanding of a term for Race. And the culture the Aryans lived by being called the Satya or Satyam.

Without the A the AUM formula has no power, no Sattva. Hence why the enemy switched it to OM. The Aum is the A.

The A sound brings out the gold the U expands it into the spirit and the M generates it into the

physical-light body. This transforms all three major bodies into the subtle light of gold.

The Soul, Spirit and Body represent the trine principal. But all three must be brought together taking the body out of the lower density. Folding it back into the Etherical principal. The soul contains the Golden drop [Brahman in the eastern texts]. The A sound generates the energy force from the soul which is considered male [solar- gold] thought the spirit merging listed as female into the U and into the body to solidify the sound and transformation. M is meant to bring sound into the material . This causes the three levels to merge into the Gold of the soul and finish the work.

This is why AUM is the name of God [Brahman] and causes the lotus flowers or centers of life to regenerate. The title Bindu [seed] mantra's. Relate to seed in the sense of semen of Shiva in the tantra [Siva is Brahman in the Tantra]. Which is the Etherical light principal at the heart of the elements. That causes this transformation to occur. Within these we have the AUM. Creating the reborn or superconductive body. And consciousness. I have also wrote of A represents the male, the U, the female and the M. The union of opposites into the perfected state.

Hence why the AUM around the Cosmic triangle is one letter. Because the 3 fold matter back into the One or quintessence of which the Triangle is the symbol of. This is why the letter A is depicted in this triangle glyph going back to the ancient alphabets as well that all came out of Sanskrit. Along with the pyramids this shape equals this power. The Sri Yantra is a series of triangles that form the aspects of the AU into one unified form. The M aspect. This is also Siva's drum which on the top also forms the solar bindu or the perfected solar and relates to AUM.

The major part of the Great Perfection seems to literally be folding the elements of the gross body back into the etherical light that manifests them. And in making the body as light and refined as the subtle ether of the soul and uniting them with the spirit. The three into One. Into one purified force of etherical light. To which the being lives off pure light from its source and not from the functions of the life forces process of the gross matter of the lower octave. This is not the goofy ascension of the New Agers. The being still exists in transformed, perfect body. From a lump of coal into a diamond body. The pure expression of light.

The model of the electric universe has been outdated. The universe has been found to be manifested by an ether field at different levels of frequency. Hence the formation of the different elements and levels of the body. And why its possible to refine them all back into the perfected source. As each already contains this component.

This is why AUM is the name of God [Brahman who is Siva] and causes the lotus flowers or centers of life to regenerate. The title Bindu [seed] mantra's. Relate to seed in the sense of semen of Shiva in the tantra [Siva is Brahman in the Tantra]. This is why the seminal mantra's of the lotus centers contain the AUM within them along with the letter that represents the specific frequency of the sub octave the ether manifests at the elemental level. Which is the Etherical light principal at the heart of the elements. That causes this transformation to occur. Within these we have the AUM. Creating the reborn or superconductive body. And consciousness. I have also wrote of A represents the male, the U, the female and the M. The union of opposites into the perfected state.

This is why in Sanskrit letters are called Akshara meaning imperishable. One will note the sub word of Akasha for the term. The sum of which all the letters of Sanskrit are contained in AUM. They are to refine the being into the Gold of this element. Hence the symbol of the Akasha [quintessence] element being the Solar glyph. Which forms the core of the Sri Yantra. Mala [beads] means purified. Ma relates to the serpentine life force and La the earth element. Which occurs when the above process is finished. Ma of Mala in the tantra is stated to be the M on AUM for this reason.

Kabala

Ka is considered to be the sound denoting the kundalini energy in the East. And BA is the golden drop of the soul which is brought out into the Godhead and La as Lam the earth aspect. As soul, spirit and body are merged into one force. As stated Egypt came from the East by the evidence of their culture and records.

Brahman [which Siva represents] is what the B represents this golden drop or seed that generates the great work. And in Egypt the BA is connected with this. It's this Prana [mercury or serpent power the feminine or U] that unlocks the soul to Godhead. And acts as the force that unites the body and soul via the spirit into one force.

Ptah-Osiris is always shown as blue along with Siva to denote this. The term for this color in Sanskrit means purified one. Osiris titles relate to "Sacred Tree" wood is the symbol of the ether element. And his symbol as the resurrected God is the six pointed star the same for Siva in the East. The two interlocking triangles the male and female aspects merged into the 3rd power or reborn soul. By merging the spirit and body into the subtle ether of the soul. It should be noted the six pointed star represents the number 7 the number of completion as the six points of the star are the six planets with the center being the of the interlocking triangles being the sun. And as mentioned is also within Siva's drum.

Ptah-Osiris-Siva is our God Satan in the ancient world and go back to Sanat [an anagram of Satan] Kumara. More on this:

kabaa

We can see in Mecca the Islamic's holiest site of the Kaaba is originally a Siva Temple. As Danielou points out Mecca was created by Brahmana's from India. Even the 786 in Arabic, symbol on the cover of the Koran is a reigned AUM symbol. In Sri Lanka there is a Temple called Kabaa-lishwaran and is Lord Siva. Meaning its an alchemical diagram [as all the temples are] to the great work. Such temples also have the black stone or Siva Lingam within them. The same as the black stone at the kabaa in Mecca which was once a larger Lingam stone before being cut into its current shape to hide its origin.

In India they still go seven times around the Lingam. In Mecca they go seven times around the same. But Islam changed the direction of movement into the opposite. They still wear the white garments as in the Siva Temples.

In India the pedestal of Brahma [originally another title of Siva in Indus Valley/ Vedic times as Danielou shows] Is octagonal in shape which represents the perfected soul the eight rays of light from the solar chakra of which union the six pointed star of Siva represents at the navel region where the point down chakra merges with the point up of the sacral, one water the other fire.

Hence Si [fire] Va [water]. And why the Blue God is shown in the solar chakra in many yantra's.

The pedestal at the center of the Kabaa: Maqam E-IBRAHIM is the same octagonal shape. Its at the center because the sun is the center of the soul and solar system.

With the Kabaa the black cube represents the La the four elements that form into the material body being purified in the Tamos or black stage of the work into the Satva guna or White. Siva rules over this stage as well [as the other two of which the trine prongs on its trident denote]. As this destruction or dissolution stage brings Liberation of the Godhead. Where the tantra's state the Jiva is turned into Siva. Or man into Godman.

The false or profane ego is that of the gross elements and there conditioned accumulation of karmic properties. That is purified in the final dissolution. To the new or super conscious state [Jiva into Siva]. This has been symbolized in many different ways.

In the Sayar-ul-okul . Which is considered the most important anthology written on the customs and culture of ancient Arabia. It states:

"Va Ahlolaha Azaha Armiman Mahadev o Manazel I lamuddine Minjum Va Satyattaru!"

Which translates to:

"Even if once only he worships Mahadev. He can obtain the highest position in the path of righteousness."

Mahadev is a major title of Siva. And one will see the truth Siva was the God worshipped in Arabia before Islam was created by the enemy.

We can see Islam along with Christianity is a fake religion:

<http://josministries.prophpb.com/topic542.html>

The last place we see the Kabala in relation to Siva is within Shambala [Ham is related to the serpent power] the kingdom of which Siva rules. Which is depicted in the same octagonal shape of the center of the Kabaa for the same reason. The eight pointed star is the perfected soul.

Note the original teachings unlike the other degenerate enemy programs.

Did not assign automatic immortality to the soul. Just for the sake of its existence. They assigned a conditional immortality. That had to be earned or won by initiation into the practice of spiritual knowledge. Which regenerates the individual into the immortal, twice born one.

When the enemy programs assigned automatic immortality to the soul in many of their programs such as Christianity. It was done so to remove and diminish of the importance of the initiatory Tradition. Making their core purpose irrelevant. And allowing them control by assigning corrupt meanings which their programs are built out of

Roosevelt's 'Secret Map' Speech

By Mark Weber

President Franklin Roosevelt [my note himself Jewish] was a master of deceit. On at least one occasion, he candidly admitted his readiness to lie to further his goals. During a conversation in May 1942 with his close Jewish adviser, Treasury Secretary Henry Morgenthau, Jr., the President remarked: "You know I am a juggler, and I never let my right hand know what my left hand does ... I may have one policy for Europe and one diametrically opposite for North and South America. I may be entirely inconsistent, and furthermore, I am perfectly willing to mislead and tell untruths if it will help win the war."

Roosevelt was not the first or the last American president to lie to the people. But rarely has a major American political figure given a speech as loaded with brazen falsehood as Franklin Roosevelt did in his Navy Day address of October 27, 1941, which was delivered to a large meeting in Washington, DC, and broadcast live over nationwide radio.

A lot had happened in the preceding months. On March 11, 1941, Roosevelt signed the Lend-Lease bill into law, permitting increased deliveries of military aid to Britain -- a policy that violated U.S. neutrality and international law. In April Roosevelt illegally sent U.S. troops to occupy Greenland. On May 27 he claimed that German leaders were set on "world domination," and proclaimed for the U.S. a state of "unlimited national emergency." Following Germany's attack against the USSR in June, the Roosevelt administration began delivering military aid to the beleaguered Soviets. These shipments also blatantly violated international law. In July Roosevelt illegally sent American troops to occupy Iceland. And in September Roosevelt announced a "shoot on sight" order to U.S. naval warships to attack German and Italian vessels on the high seas.

The President began his Navy Day address by recalling that German submarines had torpedoed the U.S. destroyer Greer on September 4, 1941, and the U.S. destroyer Kearny on October 17. In highly emotional language, he characterized these incidents as unprovoked acts of aggression directed against all Americans. He declared that although he had wanted to avoid conflict, shooting had begun and "history has recorded who fired the first shot." What Roosevelt deliberately failed to mention was the fact that in each case the U.S. destroyers had been engaged in attack operations against the submarines, which fired in self-defense only as a last resort. In spite of Roosevelt's "shoot on sight" order, which made incidents like the ones he so piously condemned inevitable, Hitler still wanted to avoid war with the United States. The German leader had expressly ordered his submarines to avoid conflicts with U.S. warships at all costs, except to avoid imminent destruction. In spite of President Roosevelt's provocative efforts to goad Hitler into declaring war against the U.S., most Americans still opposed direct involvement in the European conflict.

And so, as part of his effort to convince Americans that Germany was a real threat to their security, Roosevelt continued his Navy Day speech with a startling announcement: "Hitler has often protested that his plans for conquest do not extend across the Atlantic Ocean ... I have in my possession a secret map, made in Germany by Hitler's government -- by the planners of the new world order. It

is a map of South America and a part of Central America as Hitler proposes to reorganize it." This map, the President explained, showed South America, as well as "our great life line, the Panama Canal," divided into five vassal states under German domination. "That map, my friends, makes clear the Nazi design not only against South America but against the United States as well."

Roosevelt went on to reveal that he also had in his possession "another document made in Germany by Hitler's government. It is a detailed plan to abolish all existing religions -- Catholic, Protestant, Mohammedan, Hindu, Buddhist, and Jewish alike" which Germany will impose "on a dominated world, if Hitler wins."

"The property of all churches will be seized by the Reich and its puppets," he continued. "The cross and all other symbols of religion are to be forbidden. The clergy are to be forever silenced under penalty of the concentration camps ... In the place of the churches of our civilization, there is to be set up an international Nazi church -- a church which will be served by orators sent out by the Nazi government. In the place of the Bible, the words of Mein Kampf will be imposed and enforced as Holy Writ. And in place of the cross of Christ will be put two symbols -- the swastika and the naked sword."

Roosevelt emphasized the importance of his alarming claims. "Let us well ponder," he said, "these grim truths which I have told you of the present and future plans of Hitlerism." All Americans, he went on, "are faced with the choice between the kind of world we want to live in and the kind of world which Hitler and his hordes would impose on us." Accordingly, "we are pledged to pull our own oar in the destruction of Hitlerism."

In Berlin, the German government quickly responded to the speech with a statement that categorically rejected the President accusations. Both of the purported secret documents, it declared, "are forgeries of the clumsiest, grossest type." Furthermore, the official statement went on: "Assertions of the conquest of South America by Germany and elimination of the religions of the churches in the world and their replacement by the National Socialist church are so nonsensical and absurd that it is superfluous for the Reich Government to discuss them." German propaganda minister Joseph Goebbels also responded to Roosevelt's claims. The American president's "absurd accusations," he wrote in a widely read essay, were a "grand swindle" designed to "whip up American public opinion."

At a press conference the day after the address, a reporter rather naturally asked the President for a copy of the "secret map." Roosevelt refused, but insisted that it had come from "a source which is undoubtedly reliable."

The full story did not emerge until many years later. The map did exist, but it was a forgery produced by the British intelligence service, most probably at its technical laboratory in Canada. William Stephenson (code name: Intrepid), chief of British intelligence operations in North America, passed it on to U.S. intelligence chief William Donovan, who gave it to Roosevelt. In a memoir published in late 1984, wartime British agent Ivar Bryce claimed credit for thinking up the "secret map" scheme. Of course, the other "document" cited by Roosevelt, purporting to outline German plans to abolish the world's religions, was just as fraudulent as the "secret map."

The American public of 1941 overwhelmingly accepted as truthful their president's fantastic and alarmist claims. Few Americans could believe that their chief executive might be lying, while "the Nazis" might be telling the truth. In his Navy Day address, Franklin Roosevelt thus succeeded in his main goal, which was to frighten the public into supporting, or at least tolerating, his campaign to push the U.S. further into war.

Subject: Need Signatures; We have Strength in Numbers

This is totally appalling. Satan, Lilith and the Powers of Hell love animals and are strongly for animal rights. We have strength in numbers. Please take the time to sign this petition:

<https://www.change.org/petitions/tell-tyson-to-stop-torturing-pigs>

Just remember... the food we consume affects us all. IMO, this sort of thing is a major cause of depression, of which the enemy then exploits many people further through high-cost drugs and such, for one. This is heinous beyond belief. Please take the time to sign this petition and curse the sick slime that treats innocent animals like this.

Wal-Mart does the very same as Tyson and there are other companies, all Jew-owned and/or operated that make millions upon millions of dollars off of this, and remember...jews and muslims and others preach that pigs are "unholy," "unclean" and such so this all factors in, and encourages already severely demented individuals with this hideously sick behavior. Also, Oklahoma for one is in the bible belt. Christianity ties into the Jewish root, as does Islam. Total spiritual degeneration. This lowest scum of humanity needs to be cursed!!!!!!

ABOUT THE PETITION:

EXCERPT:

For three weeks I lived a lie to expose the truth while working undercover at a Tyson hog factory farm in Oklahoma. What I saw was a living nightmare.

Thousands of pregnant pigs spent nearly their entire lives crammed into cages so small they could barely move. They couldn't turn around, walk or even lie down comfortably. I saw pigs with open wounds and bloody pressure sores from rubbing against the bars of their metal cages or lying on hard concrete.

Pigs would constantly ram their heads against their tiny stalls or spend hour after hour, day after day, biting the bars of their cages out of frustration. These intelligent and social animals were literally driven mad in these hellish conditions.

I also saw workers violently slamming piglets headfirst into the concrete and leaving them to suffer and slowly die. Some of the piglets were spiked against the ground like footballs. I found one piglet still conscious and breathing in a pile of dead piglets. Nobody bothered to make sure she was dead before just throwing her away.

Piglets had their tails cut off and their testicles ripped out of their bodies without any painkillers. Sick and injured pigs with severe, bleeding wounds or infections were left to languish without veterinary care.

I saw workers gouge the eyes of pigs, violently hit them with wooden boards, and in one case, even throw a heavy bowling ball at a pig's head. Such sadistic cruelty was widespread at this Tyson factory farm.

While this brutality and neglect is shocking, I think the worst abuse these animals endure is being immobilized in tiny, maggot-infested gestation crates. Animal welfare experts around the world agree that these crates are inherently cruel and should be phased out. In fact, gestation crates are so cruel they have been banned in nine U.S. states, as well as in the entire European Union.

Responding to consumer concerns, nearly every major food provider in the country, including McDonald's, Burger King, Wendy's, Chipotle, Safeway, Kroger, Kmart and Costco, have demanded their suppliers do away with these

cruel crates.

Major pork producers, such as Smithfield and Hormel, have committed to phasing out gestation crates, and Cargill is already 50 percent crate-free.

But not Tyson.

Tyson continues to torture pigs by cramming them in cages barely larger than their own bodies for nearly their entire lives.

Please, help me put a stop to this. Take a moment to sign my petition urging Tyson to end one of the cruelest factory farming practices by committing to phasing out gestation crates.

Thank you.

"We must realize that our party's most powerful weapon is racial tensions. By propounding into the consciousness of the dark races that for centuries they have been oppressed by whites, we can mold them to the program of the Communist Party. In America we will aim for subtle victory. While inflaming the Negro minority against the whites, we will endeavor to instill in the whites a guilt complex for their exploitation of the Negroes. We will aid the Negroes to rise in prominence in every walk of life, in the professions and in the world of sports and entertainment. With this prestige, the Negro will be able to intermarry with the whites and begin a process which will deliver America to our cause."

Subject: Harvard yoga scientists seek proof of meditation benefit			

Harvard yoga scientists seek proof of meditation benefit

Scientists are getting close to proving what yogis have held to be true for centuries — yoga and meditation can ward off stress and disease.

John Denninger, a psychiatrist at Harvard Medical School, is leading a five-year study on how the ancient practices affect genes and brain activity in the chronically stressed. His latest work follows a study he and others published earlier this year showing how so-called mind-body techniques can switch on and off some genes linked to stress and immune function.

While hundreds of studies have been conducted on the mental health benefits of yoga and meditation, they have tended to rely on blunt tools like participant questionnaires, as well as heart rate and blood pressure monitoring.

Only recently have neuro- imaging and genomics technology used in Denningers latest studies allowed scientists to measure physiological changes in greater detail.

There is a true biological effect, said Denninger, director of research at the Benson-Henry Institute for Mind Body Medicine at Massachusetts General Hospital, one of Harvard Medical Schools teaching hospitals. The kinds of things that happen when you meditate do have effects throughout the body, not just in the brain.

The government-funded study may persuade more doctors to try an alternative route for tackling the source of a myriad modern ailments. Stress-induced conditions can include everything from hypertension and infertility to depression and even the aging process. They account for 60 to 90 percent of doctors visits in the U.S., according to the Benson-Henry Institute. The World Health Organization estimates stress costs U.S. companies at least \$300 billion a year through absenteeism, turn-over and low productivity.

The science is advancing alongside a budding mindfulness movement, which includes meditation devotees such as Bill George, board member of Goldman Sachs Group and Exxon Mobil Corp., and comedian Jerry Seinfeld. News Corp. Chairman Rupert Murdoch revealed on Twitter he is giving meditation a try.

As a psychiatrist specializing in depression, Denninger said he was attracted to mind-body medicine, pioneered in the late 1960s by Harvard professor Herbert Benson, as a possible way to prevent the onset of depression through stress reduction. While treatment with pharmaceuticals is still essential, he sees yoga and meditation as useful additions to his medical arsenal.

It's an interest that dates back to an exchange program he attended in China the summer before entering Harvard as an undergraduate student. At Hangzhou University he trained with a tai chi master every morning for three weeks.

"By the end of my time there, I had gotten through my thick teenage skull that there was something very important about the breath and about inhabiting the present moment," he said.

His current study, to conclude in 2015 with about \$3.3 million in funding from the National Institutes of Health, tracks 210 healthy subjects with high levels of reported chronic stress for six months.

They are divided in three groups.

One group with 70 participants perform a form of yoga known as Kundalini, another 70 meditate

and the rest listen to stress education audiobooks, all for 20 minutes a day at home. Kundalini is a form of yoga that incorporates meditation, breathing exercises and the singing of mantras in addition to postures. Denninger said it was chosen for the study because of its strong meditation component.

Participants come into the lab for weekly instruction for two months, followed by three sessions where they answer questionnaires, give blood samples used for genomic analysis and undergo neuro-imaging tests.

Immortality Enzyme

Unlike earlier studies, this one is the first to focus on participants with high levels of stress. The study published in May in the medical journal PloS One showed that one session of relaxation-response practice was enough to enhance the expression of genes involved in energy metabolism and insulin secretion and reduce expression of genes linked to inflammatory response and stress. There was an effect even among novices who had never practiced before.

Harvard isn't the only place where scientists have started examining the biology behind yoga.

In a study published last year, scientists at the University of California at Los Angeles and Nobel Prize winner Elizabeth Blackburn found that 12 minutes of daily yoga meditation for eight weeks increased telomerase activity by 43 percent, suggesting an improvement in stress-induced aging. Blackburn of the University of California, San Francisco, shared the Nobel medicine prize in 2009 with Carol Greider and Jack Szostak for research on the telomerase immortality enzyme, which slows the cellular aging process.

Build Resilience

Not all patients will be able to stick to a daily regimen of exercise and relaxation. Nor should they have to, according to Denninger and others. Simply knowing breath-management techniques and having a better understanding of stress can help build resilience.

A certain amount of stress can be helpful, said Sophia Dunn, a clinical psychotherapist who trained at Kings College London. Yoga and meditation are tools for enabling us to swim in difficult waters.

"Satanama", also a longer version of Satan, is an extremely Powerful Sanskrit Mantra which has been used for thousands of years to reach a state of Spiritual Empowerment."--High Priestess Zildar Raasi

<http://groups.yahoo.com/group/JoSNewsletter/message/157>

At the center of each cell we have a nucleus which contain chromosomes which are made out of DNA this is where we get into Telomeres. Every time the cells divide you lose one of these telomeres, this is the reason for aging on the genetic level.

"Studies at the University of Texas Southwestern Medical Center, along with separate corporate research findings, have determined that Telomerase has unique anti-ageing properties conducive to active longevity. Healthy body cells are programmed to divide many times during a lifetime, but the process of divisions and replication is finite, so that a non-dividing state is ultimately achieved, this is a crucial factor of ageing..

The divisions potential is controlled by caps at the end of DNA strands [rather like the plastic tips on shoelaces], and these caps are the telomeres. As each cell divides, a piece of telomere is lost, and the dividing process terminates when the telomeres have shortened to an optimum and critical length. There is then no new cell replication and all that follows is deterioration.

Laboratory experiments with tissue sample have now shown that application of the genetic enzyme Telomerase can prevent telomere shortening upon cell division and replication."

Only the reproductive cell don't age, the reason for this they have an enzyme with them called Telomerase that keeps the telomeres from being lost and even lengthens them. Interesting enough this gene for telomerase is with all normal cells but it's been shut off. Right now there are anti-aging drugs based on this that turn the repressor off. And their effects are amazing literally turning back the clock.

It has been found when the number is 5000 telomeres in length you die[you're born with around 10,000] it's when the ends of the telomeres really start to unravel and break down that ailments start to manifest more as part of the ageing process.

This enzyme is so powerful:

"Telomerase, which is reckoned to be the 'enzyme of immortality', identified in the Science journal of January 1998 as the Fountain of Youth."

In tests done to aged skin cells injected with telomerase the cells regenerated into infant skin cells total bio-genesis they reversed the aging and restored the total youth of the cell.

Stem Cells even within adults are found to contain high levels of telomerase, A Stem Cell is literally an immortality cell, it is been found that normal cells activated with higher level of telomerase morph into stem Cells which have the power to regenerate the entire body.

According to the results of all the studies with telomerase the cell can keep dividing forever without any breakdown without aging.

This means that with proper amount of Telomerase the cell division process is perfected every time not breaking down and losing telomeres with every certain amount of divisions causes the aging process.

A study done on elderly clients suffering from dementia using Kundalini Yoga mantra chant of SA TA NA MA, showed a very important finding:

http://www.alzheimersprevention.org/res..._study.htm

Study Design

Forty-four caregivers of patients with dementia who were diagnosed and treated at UCLA will be enrolled in the study. Of the 39 caregivers who have already completed the study, 23 practiced Kirtan Kriya, a meditation from the Kundalini yoga tradition, daily for eight weeks. Sixteen participants listened to a relaxation audio tape for 25 minutes per day for eight weeks.

Preliminary Study Findings

Results indicate that:

Both groups demonstrated improvement in depression and anxiety, resilience and perceived burden.

The meditation group improved significantly more compared to the relaxation group on measures of perceived support, physical suffering, energy, emotional and well-being, as well as in cognitive tests of memory and executive function.

A subgroup also showed marked improvement in the reduction of inflammation This groundbreaking work also reveals that Kirtan Kriya increases telomerase, an exquisite marker of health and longevity, in only 12 minutes a day.

Keeping in mind the mainstream Kirtan people just say or sing the mantra not vibrate it properly, but it still provide such a result and only in 12 minutes a day. What would the properly vibrated from do? More much.

The meaning of this mantra is:

Sa means birth (or infinity); Ta means life; Na means death; and Ma means rebirth/regeneration.

Here we have a sound vibration that does what it says literal regeneration and releases the essence of life and regeneration with the body. It turns on the gene instructions to make telomerase.

His Name in our original tongue is the life giving one.

Subject: Spiritual Satanism Is Mankind's Original and Only Religion			

Spiritual Satanism Is Mankind's Original and Only Religion

Religion comes from the Latin: Religare. Which means "union."

The primordial Tradition was called Sanatana Dharma the core symbol of which is the eight ray sun or wheel of Dharma. This eight fold symbol is the eight fold path of Union [Yoga]. Yoga and Dharma mean the same thing. Yoga is another term for Dharma. And here we see the origin of Religion it means Union.

Yoga equals 13 in Sanskrit numerology which is the proper number of steps in the Magnum Opus. The perfection of the 13 major energy centers of which the 8 fold wheel or star is a map of.

The next Question is Union of what?

"Verse 129 implies that the ultimate [here Siva] is of the nature of Cosmic Space[Akasa or Void] and the essence of Jiva lies in the self-same Space in microcosmic condition."

The Union is the individual when they merge the body and soul into one force by the spirit or serpent of fire. Which generates the Yogic body of fire which frees it from impurities [sins in some texts] of the material elements and refines the material body together with the soul as the dross is purified out refining the material aspect back to the primordial ether that forms the core of all the elements at all levels and uniting it with the soul made of the same element. Making the Jiva into Siva or as the Tantra states the Second Siva.

Since Siva [God] is the element of Akasa when one unifies the body and soul into Siva [Si=A and Va =U the final result of union the holistic being that comes from this]. They have obtained Union with God as we see God is this force, Akasa. Which is how one becomes immortal they are made

out of the one element that is not subject to the lower sphere of time the gross material elements are. This is why Siva is the destroyer of Time. And his worship is the inner fire of Kundalini. The force which perfects the soul.

This is done by the 8 fold path. The symbol of which is that of Union as mentioned above:

The symbol of Dharma is a wheel with eight spokes. But what we are looking at is the circle [outer wheel] which represents the perfected life force and is traditionally represented as golden serpent [Anahat] clutching its own tail. Within the 8 pointed star and the hub of the wheel being the bindu point with the larger outer wheel actually being the greater circle. The glyph for the sun, the gold in the work. So within this symbol we have the union of the masculine and feminine as well. The Great Work. And eight being a symbol and number for perfected life. Eight is the number of Mercury which is called Akasa in the East as well.

This is why in numerology we start at 0 not 1. Zero is the symbol of the ether or void literally nothing that everything comes from. Hence you got zero means nothing to this day.

The AUM glyph contains within its self the glyph of the Phi circle which forms the solar bindu and is a perfect 360 circle that adds into 9 the number of Siva and immortality. Which is depicted as a serpent swallowing its own tail. This solar circle is also the glyph for Akasa. And AUM the name of God is the cosmology of that force. That generates and unifies the soul into the Akasa. Or God.

Aum Cosmology:

topic724.html

The Eastern texts state that any religion not based on the 8 fold path is false as it does not produce the Union. Spiritual Satanism and I state this not lightly. Is the only actual religion on planet earth. And even the original title Sanat-ana Dharma. Holds the name of our God Satan [Sanat is an anagram of Satan]. Spiritual Satanism is the original and only religion of humanity. This is why when it ruled the records mention a time of Golden races. Siva=Gold.

Siva is one of many titles but each title of our God in the symbolic holds the same meaning. And they all go back to Sanat:

topic99.html

The Supreme God:

topic217.html

Primordial Buddhism:

topic175.html

Siva [Sanat] in the Tamil texts was stated to have ruled the Golden Age.

The First Sangam was headquartered in a city named Tenmadurai. It had 549 members "beginning, with Agattiyandar[the sage Agastaya] Among others were God Siva of braided air Murugan the hill God, and Kubera the Lord of Treasure."

"The Vedic God Rudra-Siva, Lord of Yoga, Siva's primary attribute is gnosis-or knowledge-and that whether in south India or the Himalayas he is associated with a cult of esoteric knowledge that is said to have been carried down from before the flood."

The date of the first Sangam [or 9800 BC or 9400 BC] is close with Plato's date for the sinking of

Atlantis 9600 BC [11,600 years ago].

"Kumarai Nadu that once stretched across the Pacific Ocean, most of this primeval continent sank to the bottom of the ocean except for those parts of it that became islands, such as Sri Lanka, the paradise currently recognized by much of the Arab world as not part of the primal Garden, but the Garden of Edin (Edin means abode of the Gods in English). Melek Ta'us is worshipped by the Sri Lankans as Murrugan and center in English means "Place of the Peacock." EA is the God who breathed the breathe of life [soul] into Adamu in Edin in the Sumerian originals. Murrugan is Siva in the Tantra its his most ancient form. The reborn eternal youth of light. The symbol of the Magnun Opus or Union.

Subject: Happy Yule			

This is to wish everyone a Happy Yule Season. Tonight is the Highest Sacred Night in Satanism, as this is Satans' Personal Day of the Year. This is a time to honor him. For those of you who are new and some who are still confused, "Satan" means "Truth" in Sanskrit, one of the most ancient of languages. Satan and the Powers of Hell are benevolent beings. This is evident in the fact that they are all working to bring knowledge, spiritual advancement, and freedom to humanity. Instead of ignoring or looking the other way as some beings in different worlds out there do, our Gods are working to help us here. They care deeply about the earth, animals, and the environment and want to set us free. Always remember, Satanism is about being yourself. There are very few rules in Satanism. Christianity has been a curse upon humanity, no different from its twin of communism, which is Christianity in its political form. Satan has opened our eyes to the truth and wants both of these nefarious plagues completely destroyed.

The 1956 Sci-Fi movie "Invasion of the Body Snatchers" contains a lot of truths. Instead of the pods, those pods should have been bibles. Bibles, Christian relics, and related, act as subliminal transmitters. This is why the bible is full of numbers and the spiritually meaningless verses are drummed into the heads of victims, such as Sunday school children and others being forced to memorize scriptures that act to damn humanity. For more on this, please read:

http://gblt.webs.com/Bible_Jewish_Witchcraft.htm

Lilith revealed to me that the Jewish invention of communism, which is nothing more than an organized slave state with the top Jews in charge, and aims to strip everyone of their individuality, their identity, their culture, their race, their material possessions, [material possessions are most often individual] and anything else that makes one classifiable. Everyone is equally screwed, and becomes a meaningless number; a disposable human being... a nothing, a total nobody who can be systematically worked to

death and disposed of.

Quote from the Jewish Talmud:

Nidrasch Talpioth, p. 225-L: "Jehovah created the non-Jew in human form so that the Jew would not have to be served by beasts. The non-Jew is consequently an animal in human form, and condemned to serve the Jew day and night."

The Judeo/Christian Bible is a foundation and a blueprint for this. Satan wants for all of the Judeo/Christian poison to be destroyed.

For those of you who are new here, yes, we Satanists definitely celebrate the Yule Season. The Yule is Pagan in origin and was stolen and corrupted by Christianity. Jehova's witnesses even know this. There is nothing Christian about xmas and the Yule Season. For those of you who enjoy this holiday and have been celebrating it, enjoy.

The Yule season is a season of enjoyment, indulgence, and feasting.

Cooking

Baking

Gift giving

Decorating

Building snowmen and winter sports in places where there is snow

Tree decorating

Blue lights in honor of Lucifer

Partying

Santa Claus for the kids

Shopping and more.

The Nazarene as you can see has no place in the Yule season. December 25th is actually the Persian deity Mithra's birthday, for one. The Yule was stolen from the Pagans and incorporated into the Christian religion as Xmas.

Pagan peoples were celebrating the Yule long before the false program of Christianity forced itself onto the scene. We need to take back our holiday!!

Celebrate and Indulge!!

HAIL SATAN!!

Subject: Sermon 12/26/13

There are quite a few people confused about the nazarene. The Jewish run and controlled media insist that this worthless parasite of humanity actually existed. The truth is this, and if you are aware and look, you will see what I mean for yourself and will not be fooled again concerning this.

All of the so-called "occult" and the spiritual, the world over is based upon the kundalini serpent. This is the Serpent of Satan. When this serpent ascends, one experiences inner healing, enlightenment and spiritual powers. The sign of an ascended serpent is the halo. The entire aura emits a light. This is also the meaning of "eternal light" and in Latin "Lux Aeterna" and when Freemasons mention about "the light" and so forth. Hindu deities and the Buddha have halos, as so the many Gods of other world pantheons.

Again, I will reiterate how the nazarene lived "33 years." 33 is the number of esoteric vertebrae in the spine where the serpent ascends. The nazarene is nothing more than a model for an example of a man with his serpent ascended. This also can be seen in the bible where there were "tongues of fire" atop the heads of those fictitious 12 disciples of that nazarene. Note the number 12, this has to do with the zodiac. In addition, the Buddha is also seen with a flame atop his head. I don't believe that the Buddha existed either, but as with the nazarene is a depiction of a model of someone who has the ascended serpent. The long flowing hair of the nazarene is another example of being free; spiritual freedom. The depictions of the virgin and the child were taken from Isis and Horus and represent the birth of the new soul through the serpent of fire.

Now, again, I will repeat myself here. Everything you see in front of you, your PC, your desk, your bed, your place of residence; everything, was once someone's idea before it manifested into reality. Things just didn't grow out of the ground, such as your house. An idea must be either directly or indirectly [subconsciously] planted in one's mind in order to manifest into reality, the more minds, the better, as this translates into the "mass mind." The mass mind has much more power. This is why bibles are incessantly pushed and coerced upon the populace.

Now, most of you are aware of the Jewish problem. Many Jews disproportionately have unimaginable wealth. The majority are well off financially and there is of course a very small number that are average. Few if any are actually poor. Check your local phone book and see for example just how many attorneys, doctors, and other high paid professionals have Jewish surnames. As a Jewish rabbi wrote concerning the Jews "Thou shalt prosper."

Now, take that model of a man with his serpent ascended, and make him into a fictitious Jewish character. His parents were Jewish, his lifestyle was Jewish and then he descended from a long line of Jews. The entire bible is made up of Jewish characters, patriarchs, and even that "god" himself "chose" the Jewish people. Now, what kind of a subliminal connection in the minds of the average person does this make? It is systematically and very forcefully imbedded. Take this serpentine power and apply the slavish worship with focus, giving up psychic energies and adoration and this channels into Jewish prosperity. Do you see the connection?

The dragon, the serpent and the halo are seen the world over for representing the serpentine powers. Centuries ago, illustrations were created to show examples of this raised serpentine power. Take this spiritual power, cut off most of the populace from it and then turn it into a Jewish character to make the necessary subliminal connection and the psychic energies of those deceived are directed to the Jewish agenda.

In addition, Jewish ritual murder perpetuates this Christian lie by kidnapping a young Gentile boy or girl and taking him/her secretly into the back of a synagogue where he/she is nailed to a cross and drained of all his/her blood before Passover of every year. This further establishes the ritualistic subliminal connection for the perpetuation of the fictitious nazarene. And of course, there are enemy aliens out there that feed off of the spiritual energies of the deceived believers.

Communism And Masonry: Two Fronts Of The Jew World Order

"Gentile masonry blindly serves as a screen for us and our objects, but the plan of action of our force, even its very abiding place, remains for the whole people an unknown mystery....Who and what is in a position to overthrow an invisible force?" (Protocol 4)

"we shall create and multiply free Masonic lodges... absorb into them all who may become or who are prominent in public activity, for in these lodges we shall find our principle intelligence office and means of influence.... The most secret political plots will be known to us and will fall under our guiding hands...We know the final goal...whereas the goyim have knowledge of nothing..." (Protocol 15) –

The Jews claim the protocols as a forgery. This is how the Jews lie. When it was ruled a forgery by the court in Switzerland in the 19th century. It was ruling the protocols as a legitimate document

hence real. As the document presented in the court was a reprint hence a forged of the original document. Just as to forge a check you need an original to create the copy from. They told half a truth to tell a full lie.

The Court ruling was the protocols are real.

As we can witness President Washington knew about the Illuminati and that they were trying to infiltrate the Masonic orders and movements. And their doctrine was the enemy of the Masonic one they had fought to build America upon:

It was not my intention to doubt that, the Doctrines of the Illuminati, and principles of Jacobinism had not spread in the United States. On the contrary, no one is more truly satisfied of this fact than I am.

The idea that I meant to convey, was, that I did not believe that the Lodges of Free Masons in this Country had, as Societies, endeavoured to propagate the diabolical tenets of the first, or pernicious principles of the latter (if they are susceptible of separation). That Individuals of them may have done it, or that the founder, or instrument employed to found, the Democratic Societies in the United States, may have had these objects; and actually had a separation of the People from their Government in view, is too evident to be questioned.

My occupations are such, that but little leisure is allowed me to read News Papers, or Books of any kind; the reading of letters, and preparing answers, absorb much of my time."

President Washington was the Highest ranking Mason in America. The original Free Mason religion and idealism of which the American Republic was built upon. Can be read here:

The Real American Revolution

<http://josministries.prophpb.com/topic585.html>

"In 1785, leading members of the Illuminati left the Society and testified before a Court of Inquiry called by the Elector of Bavaria. Their startling evidence removed all doubt regarding the Illuminati. On the 11th of October, 1785, the Bavarian authorities raided Zwack's [Illuminati cofounder] house and discovered a mountainous array of Illuminati documents which showed quite clearly that they planned to bring about a "universal revolution that should deal the death-blow to society."

Communism start was not founded in the 19th century. It was founded in the 18th century. When as History records that on May 1, 1776, [May day is a Communist holiday as well] Dr. Adam Weishaupt founded the Bavarian Order of the ILLUMINATI. Weishaupt was a Professor of Jewish Canon Law at the University of Ingolstadt in Bavaria, Germany. He was born to Jewish parents and later "converted" to Roman Catholicism. He became a high-ranking member of The Order Of The Jesuits, whom he subsequently left to form his very own organization at the clear behest of the newly formed "House Of Rothschild."

Weishaupt took a group of fellow Jewish agents who had organized under the name of the "Frankist." And from them into the newly termed order the "Illuminati." The doctrine of this Jewish front was Communism.

"It is more interesting to learn that Karl Marx was not the real founder of Communist world revolution. Its true father was Adam Weishaupt, founder of the "Freemasonic Order" of the Illuminati"- Marschalko

The six main points of Weishaupt doctrine is the abolition of:

- 1.Ordered or nationalistic governments in the form of monarchies.
- 2.Private property.
- 3.Inheritance rights.
- 4.Patriotism to nationalist causes.
- 5.Social order in families, sexual prohibition laws and all moral codes.
- 6.All religious disciplines based on faith in a living God, as opposed to faith in nature, man, and reason.

Weishaupt himself did not enter a lodge until 1777, when he received induction into the Lodge Theodore de Bon Conseil in Munich. However, once inside Masonry, Weishaupt immediately went to work another Rothschild agents to inject the Illuminate doctrine, hand in hand with Judaic occult systems to put the Gentiles under the control of the Elders of Zion. While rotting out the original Masonic spiritual doctrines and philosophy of universal-spiritual law. Weishaupt and his agents organized the Congress of Wilhelmsbad at the Castle of William IX of Hesse-Kassel, to occur on July 16, 1782. That special even, which was momentous in both size and aspirations, was attended by elite representatives of Masonic lodges from all over.

It was also there that a decision was reached to allow the previously excluded Jews to be granted admittance into Freemasonry.

William IX was in bed with Rothschild from the start and one of his agent dupes:

"William looked for help in managing his estate. He hired Mayer Amschel Rothschild as "Hoffaktor" in 1769,[1] to supervise the operation of his properties and tax-gathering. The wealth of William's estate provided a good living for Rothschild and the men had a strong relationship; he founded the Rothschild family dynasty, which became important in financing and banking in Europe. Although they had been acquainted since 1775, William IX did not formally designate Rothschild as his overseer until 1801."

The Jews had also been working to influence and corrupt Masonic doctrines and infiltrate Masonic Societies for decades by other organizations such as the Martinists:

Y Martines de Pasqually: In his book on the Order of the Elus Coens of the eighteenth century, R. le Forestier tells us that this Order was founded; continuing as martinists today, about 1760, by Martines de Pasqually, said to be a Portuguese Jew. It was one of the most interesting occult groups of the time, "which constituted under cover of Freemasonry one of the last links of the long chain of mysterious and jealously closed associations whose members claimed by magical process to communicate with the divine in order to participate in a blessed immortality." Illuminism!

The name Coen given by Pasqually to his members is an adaptation of the Hebrew term Cohanim, which designated the highest sacerdotal caste, constituted at Jerusalem, under Solomon, to assure divine service in the Temple."

Its no mistake the Jewish Kabbalah doctrines of Eliphas Levi where some of the most disseminated in the 19h century and up. In mainstream society. As Levi was a Martinist. The Jewish power elites work relentlessly to replace authentic spiritual knowledge with Hebraic systems of corruption. That put Gentiles unconscious and consciously under their influence. And are designed to not lead to any spiritual power.

The Jewish agents infiltrated the French Masonic societies and helped to start and fund the French Revolution. Of which they manipulated the Masonic societies into supporting. The original revolution which created a constitution Monarchy. Was taken over by armed force and usurped by

the Jacobin's who were Jewish Frankists [Illuminati's political front] and the outer political force of the Jewish Elders of Zion's agenda. They then instituted the Terror and slaughtered the aristocrats, the middle classes and peasants whole regions and classes were exterminated. The Jewish directors now in control of the revolution installed by terror all the ideological points of the Illuminati manifesto. With the Jewish Bankers funding and directing this via their networks. The French Revolution was the first Communist Revolution in history.

Louis Dasté, writing on the subject of Free masonry in the French Revolution states: "This mysterious illumination of the low grades of Masonry, this hierarchy of which Philalèthes Junior has so jealously guarded the secret, those 'Unknown Superiors' venerated by the Judaising Martinists and Philalèthes, who claim domination over ordinary lodges; is not all that the unbreakable chain which links the Jewish Cabala to Freemasonry, and have we not henceforth the right to suspect the Occult Power hidden behind the Masonic Lodges to be the brain of Judaism which would conquer and dominate the entire world?"

In time it fell apart with a military coup that put Napoleon into power who ended the terror and restored order. And brought about a more authentic Masonic order. In his statements and actions he refuted the Jewish, Jacobin ideology of Communism.

Napoleon was a Mason most popularly noted by his famous hand in the jacket image. Which was a common gesture in many paintings and later photographs of hundreds of men in the Western World. As it's a sign of degree of the Masonic societies.

But the Masonic Societies had sub come to the Jewish infiltration in 1811 in Frankfurt [Frankfurt was the original base of Rothschild operations]. The new Frankfurt Lodge was established as now head of European Free Masonry of which the founders and leaders to this day are the Jewish Rothschild's and was co-founded by the Jew Zvi Hirsch.

The first Communist International: Was held in Frankfurt in 1847 and was chaired by Lionel de Rothschild along with the Jew Karl Marx. At the meeting, a branch of the Elders Of Zion's, Illuminati, the Jacobin Club parading as "The League of the Just," which would become the Communist League. Of which Marx was a leading member. Marx was commissioned by Rothschild to write the Communist Manifesto. The Manifesto was published the following year, 1848. The largest support and circulation of the Communist Manifesto was conducted by the network of worldwide Free masonry .

The motto of the League of the Just (Bund der Gerechten) was "All Men are Brothers" and its goals were "the establishment of the Kingdom of God on Earth, based on the ideals of love of one's neighbor, equality and justice". This is the core doctrine of the Jewish programs. But what does this really mean. The Jews tell us themselves and its as we see in their actual behaviour when in power which is based on what is wrote in their Talmudic and Torah:

"The nations will gather to pay homage to the people of God: all the fortunes of the nations will pass to the Jewish people, they will march captive behind the Jewish people in chains and will prostrate themselves before them, their kings will bring up their sons, and their princesses will nurse their children. The Jews will command the nations, they will summon peoples whom they do not even know them will hasten to them. The riches of the sea and the wealth of nations will come to the Jews of their own right. "Any people of the Kingdom who will not serve Israel will be destroyed" -Isidore Loeb [Le Litterature des Pauvres dans la Bible].

The "Kingdom of God on Earth." Is the rule of the Elders of Zion. As they state when their Messiah comes each Jew will get 2800 Goyium slaves.

"During the decade of the 1840s the word "communist" came into general use to describe those who hailed the left wing of the Jacobin Club of the French Revolution as their ideological forefathers.[My note this is the Illuminati doctrine openly]. This political tendency saw itself as egalitarian heritor's of the 1795 Conspiracy of Equals headed by Gracchus Babeuf. The sans-culottes

of Paris which had decades earlier been the base of support for Babeuf artisans, journeymen, and the urban unemployed was seen as a potential foundation for a new social system based upon the modern machine production of the day."

By this point Free Masonry had been replaced with the Jewish Kabbalah as the spiritual aspect and Communism as the philosophical branch both used for the one end;

"During the ceremonies of the ritual for the Royal Arch degree, the candidate is asked, "Brother Inspector, what are you?" and he replies, "I AM THAT I AM." Can you imagine that? When Moses asked God to name Himself, God said, "I AM THAT I AM" and He said, "Thus shalt thou say unto the children of Israel, I AM hath sent me unto you." (Exodus 3:14)

I AM THAT I AM is the name Yahweh gives for itself in the Torah and Judeo Christian Bible. The lost word and Masonic God: Jubulum. Is trinity title of Yahweh.

"In the 19th level of Scottish Rite Freemasonry, the Initiate receives the degree of GRAND PONTIFF. It is during this ritual that the candidate swears an oath of secrecy and an oath of total obedience "to any Chapter of this degree to which I may belong; and the edicts, laws and mandates of the Grand Consistory of Sublime Princes and Commanders of the Royal Secret, as well as those of the Supreme council of the 33rd degree..."

It is then that the "Thrice Puissant" anoints him with oil on the crown of his head and says "Be Thou a Priest Forever, after the order of Melchizedek."

-Melchizedek or Malki Tzedek (/mɛl. 'kɪz.ə.dɪk/[1]); (Hebrew: מַלְכִּי־צֶדֶק malkī-ṣēdeq) (translated as "my king (is) righteous(ness)") was a king and priest mentioned during the Abram narrative in the 14th chapter of the Book of Genesis.

He is introduced as the king of Salem, and priest of El Elyon ("God most high"). He brings out bread and wine and blesses Abram and El Elyon.[2] Chazalic literature--specifically Targum Jonathan, Targum Yerushalmi, and the Babylonian Talmud--presents the name (מלכי־צדק) as a nickname title for Shem, the son of Noah.

In Christianity, according to the Letter to the Hebrews, Jesus Christ is identified as a priest forever in the order of Melchizedek, and so Jesus assumes the role of High Priest once and for all.-

"After receiving the password (Emanuel) and the sacred word (Alleluia), he is dressed in a robe of white linen and given a cordon (a ribbon or sash of honor worn across the breast) of crimson color, with 12 stars representing "the 12 gates of the "new city, " and the twelve signs of the Zodiac, the twelve fruits of the tree of life, the twelve tribes of Israel and the twelve Apostles." (Scottish Rite Masonry Illustrated, The Complete Ritual, Vol. 2, pages 26-27, E. Cook Publications, 1974)

-Emanuel deriving from (Hebrew: עִמָּנוּאֵל, God is with us), a prophetic name used in Isaiah 7:14. The middle letter "m" is doubled in Hebrew causing that single "m" and double "mm" variants co-exist in many languages.-

-The word "Alleluia" or "Hallelujah" (from Hebrew הַלְלוּ יְהוָה), which literally means "Praise ye Yah" or "Praise Jah, you people",[1][2] is used in different ways in Christian liturgies. "Praise Jah" is a short form of "Praise Yahweh",[3][4][5] or of "praise ye Jehovah".-

-In the spelling "Alleluia", the term is used also to refer to a liturgical chant in which that word is combined with verses of Scripture, usually from the Psalms. This chant is commonly used before the proclamation of the Gospel.

The name is common to both Jewish and Christian naming traditions, interpreted in Judaism without messianic significance, but by Christians in the light of Gospel of Matthew 1:23 as relating to Jesus.-

"In the seventeenth degree, or Knights of the East and West, after the candidates have completed

the initiation and after revealing the password (Jubulum) and the Sacred Word (Abaddon), "the Senior Warden conducts the Candidate to the elevated vacant canopy at the right of the All Puissant."

Scottish Rite Masonry Illustrated, The Complete Ritual, Vol. 1, Pages 453, 457, E. Cook Publishing, 1974)

Jubulum is a title of Yahweh and Abaddon is another Hebrew title used in the Bible.

"It is in this final "Blue Lodge" degree that that candidate is laid out "in death"and is raised from the dead by the "Worshipful Master" of the Lodge (representing King Solomon), using the "strong grip" (or "Lion's Paw")of the Master Mason.

One the "five points of fellowship," he and his "savior" pass the sacred word, Mah-Hah-Bone. [Hebrew term]

(Duncan's Rituals, Revised and Complete, pages 35, 96, 120, 121, E. Cook Publications, 1974)

Mah-hah-bone is a Hebrew word and used to substitute for the Masonic Yahweh's name of God Jubulum in the lower degree's.

The list goes on and on. Its not a mistake the majority of occult texts authored by Mason's or those involved with them are all based on the Jewish Kabbalah one way or another and Judeo Christian themes. Even the pass words to get into many lodges are in Hebrew. And the Judeo Christian bible is sitting on the altars of the all the Lodges. This puts the members under the open and subliminal control of the Elders of Zion.

Free Masonry purpose is to act as a branch of Judeo Christianity and build the Jewish Temple of Solomon. The Jewish World Order.

The New Zion:Jew World Order:

<http://josministries.prophpbb.com/topic483.html>

"Masonry is based upon Judaism. Eliminate the teachings of Judaism from the Masonic Ritual and what is left? - The Jewish Tribune [New York,Oct 28,1927]

"In the present nations, Freemasonry is only of benefit to the Jews" -Theodore Herzl

"We have founded many secret associations, which all work for our purpose, under our orders and our direction. One of the many triumphs of our Freemasonry is that those Gentiles who become members of our Lodges, should never suspect that we are using them to build their own jails, upon whose terraces we shall erect the throne of our universal King of the Jews; and should never know that we are commanding them to forge the chains of their own servility to our future King of the World" -Opening speech made at the B'nai B'rith convention in Paris [published in the Catholic Gazette, Feb 1936]

"It was during that period that I became interested in freemasonry. ... In the eighteenth century freemasonry became expressive of a militant policy of enlightenment, as in the case of the Illuminati, who were the forerunners of the revolution."

Leon Trotsky [Jew and high ranking leader of the Communist revolution] My Life: The Rise and Fall of a Dictator

One of Trotsky's close friends and fellow Communist Christian Rakovsky:

Christian Rakovsky. Born Chaim Rakeover [Jewish name] in 1873. Was a high ranking Communist: "A lifelong collaborator of Leon Trotsky, he was a prominent activist of the Second International, involved in politics with the Bulgarian Social Democratic Union, Romanian Social Democratic Party,

and the Russian Social Democratic Labour Party. Rakovsky was expelled at different times from various countries as a result of his activities, and, during World War I, became a founding member of the Revolutionary Balkan Social Democratic Labor Federation while helping to organize the Zimmerwald Conference. Imprisoned by Romanian authorities, he made his way to Russia, where he joined the Bolshevik Party after the October Revolution, and, as head of the Rumcherod, unsuccessfully attempted to generate a communist revolution in the Kingdom of Romania. Subsequently, he was a founding member of the Comintern, served as head of government in the Ukrainian SSR, and took part in negotiations at the Genoa Conference."

Openly stated the relationship between Jews, Communism and how Free Mason's are nothing but a movement to advance World Jewish Government under the final step of Communism. His record of this event was kept in the writings called. Red Symphony, by Dr. J. Landowsky; translated by George Knupffer.

His statements are such:

"The real aim is to create all the required prerequisites for the triumph of the Communist revolution; this is the obvious aim of Freemasonry; it is clear that all this is done under various pretexts; but they always conceal themselves behind their well known treble slogan [Liberty, Equality, Fraternity]. You understand?" –

The real secret of Masonry is the suicide of Freemasonry as an organization, and the physical suicide of every important Mason."

"Masons should recall the lesson of the French Revolution. Although "they played a colossal revolutionary role; it consumed the majority of Masons..." Since the revolution requires the extermination of the bourgeoisie as a class, [so all wealth will be held by the Illuminati in the guise of the State] it follows that Freemasons must be liquidated. When this secret is revealed, Rakovsky imagines "the expression of stupidity on the face of some Freemason when he realizes that he must die at the hands of the revolutionaries. How he screams and wants that one should value his services to the revolution! It is a sight at which one can die...but of laughter!" Rakovsky refers to Freemasonry as a hoax: "a madhouse but at liberty."

" In Russia in 1929, every Mason who was not Jewish was killed along with his family, according to Alexey Jefimow ("Who are the Rulers of Russia?" p.77) -

The National Socialist Government of Germany banned all Free Masonic Lodges as they are wings of international Jewry and its Communism.

French Jewish Hate League stages attacks near Lyon

This is typical of Jews. In the Jewish Talmudic-Torah law. Any Gentile who rebels against the Jews

and their agenda are to be killed.
Rabbi Meir Kahane demonstrates this fact:

"Vengeance against the enemy of the Jewish people – an enemy that is per se, the enemy of the G-d of the Jewish people – is a joy and commandment because only through vengeance, through the fall of the enemy, is G-d vindicated. For the same enemy who crowed when success smiled upon him, "There is no G-d in Israel", by his fall proves that there is indeed One! And what does King David say? "The righteous one shall rejoice when he sees vengeance, he shall wash his feet in the blood of the wicked. And men shall say: There, indeed, is a G-d that judges in the earth!"

Beyond Words

Selected Writings of Rabbi Meir Kahane, 1960-1990 Volume 5 1985-1988

We can see this in the Jewish run and created Communist Slave State:

The Jewish Voice, published in New York, in Vol. 2, No. 1, on January 1942, contained Joseph Stalin's statement on anti-Semitism, given by Stalin to the Jewish Telegraphic Agency on January 12, 1931, expounding upon Stalin's stand against anti-Semitism as follows: "In the USSR anti-Semitism is strictly prosecuted as a phenomenon profoundly hostile to the Soviet system. Accordingly the laws of the USSR provide that active anti-Semites are punished with death."

French Jewish Defense League stages attacks near Lyon

French police arrested six Jews they believe staged vigilante attacks against suspected anti-Semites.

The attacks occurred on Dec. 21 in Lyon and Dec. 22 in nearby Villeurbanne and are believed to have been perpetrated by members of France's Jewish Defense League, or Ligue de Defense Juive (LDJ), the local branch of the militant group associated with the late Rabbi Meir Kahane.

The victims were targeted on social networks and tracked down for performing the "quenelle," a gesture conceived by the anti-Semitic comedian and Holocaust denier Dieudonne M'bala M'bala, the Le Progres daily reported.

On Tuesday, LDJ wrote on its Twitter account: "Two major punitive actions were carried out Saturday and Sunday in Lyon against people who performed the quenelle. The little Nazis are no longer at ease!"

The attack Dec. 22 involved six young members of LDJ, the newspaper reported. The report said they beat a man suspected of performing the quenelle and locked him inside the trunk of a parked car. The report, which named neither the suspects nor the alleged victim, said two of the six were arrested that night and the remaining four were arrested the following day.

Two were remanded to police custody Tuesday on suspicion of assault, Le Progres reported. The report did not say how badly the man was hurt.

In recent weeks, the quenelle has been widely discussed in French media because many French Jews see it as sign of mounting anti-Semitism.

According to Le Progres, the first attack began late on Dec. 21 and was directed at an employee of the Mama Shelter Hotel in Lyon. A few small teams entered the hotel looking for the employee, who was not named, while their friends stayed outside, the report said.

In total, a few dozen men were involved in the incident, witnesses told the newspaper. The hotel's security agents fought off the intruders and prevented them from attacking the employee. Several dozen guests were briefly evacuated from the hotel, according to the report.

"In 1785, leading members of the Illuminati left the Society and testified before a Court of Inquiry called by the Elector of Bavaria. Their startling evidence removed all doubt regarding the Illuminati. On the 11th of October, 1785, the Bavarian authorities raided Zwack's [Illuminati cofounder] house and discovered a mountainous array of Illuminati documents which showed quite clearly that they planned to bring about a "universal revolution that should deal the death-blow to society."

Communism start was not founded in the 19th century. It was founded in the 18th century. When as History records that on May 1, 1776, [May day is a Communist holiday as well] Dr. Adam Weishaupt founded the Bavarian Order of the ILLUMINATI. Weishaupt was a Professor of Jewish Canon Law at the University of Ingolstadt in Bavaria, Germany. He was born to Jewish parents and later "converted" to Roman Catholicism. He became a high-ranking member of The Order Of The Jesuits, whom he subsequently left to form his very own organization at the clear behest of the newly formed "House Of Rothschild."

Weishaupt took a group of fellow Jewish agents who had organized under the name of the "Frankist." And from them into the newly termed order the "Illuminati." The doctrine of this Jewish front was Communism.

"It is more interesting to learn that Karl Marx was not the real founder of Communist world revolution. Its true father was Adam Weishaupt, founder of the "Freemasonic Order" of the Illuminati"- Marschalko

The six main points of Weishaupt doctrine is the abolition of:

- 1.Ordered or nationalistic governments in the form of monarchies.
- 2.Private property.
- 3.Inheritance rights.
- 4.Patriotism to nationalist causes.
- 5.Social order in families, sexual prohibition laws and all moral codes.
- 6.All religious disciplines based on faith in a living God, as opposed to faith in nature, man, and reason.

Weishaupt himself did not enter a lodge until 1777, when he received induction into the Lodge Theodore de Bon Conseil in Munich. However, once inside Masonry, Weishaupt immediately went to work another Rothschild agents to inject the Illuminate doctrine, hand in hand with Judaic occult systems to put the Gentiles under the control of the Elders of Zion. While rotting out the original Masonic spiritual doctrines and philosophy of universal-spiritual law. Weishaupt and his agents organized the Congress of Wilhelmsbad at the Castle of William IX of Hesse-Kassel, to occur on July 16, 1782. That special even, which was momentous in both size and aspirations, was attended by elite representatives of Masonic lodges from all over.

It was also there that a decision was reached to allow the previously excluded Jews to be granted admittance into Freemasonry.

William IX was in bed with Rothschild from the start and one of his agent dupes:

"William looked for help in managing his estate. He hired Mayer Amschel Rothschild as "Hoffaktor" in 1769,[1] to supervise the operation of his properties and tax-gathering. The wealth of William's estate provided a good living for Rothschild and the men had a strong relationship; he founded the Rothschild family dynasty, which became important in financing and banking in Europe. Although they had been acquainted since 1775, William IX did not formally designate Rothschild as his

overseer until 1801."

The Jews had also been working to influence and corrupt Masonic doctrines and infiltrate Masonic Societies for decades by other organizations such as the Martinists:

Y Martines de Pasqually: In his book on the Order of the Elus Coens of the eighteenth century, R. le Forestier tells us that this Order was founded; continuing as martinists today, about 1760, by Martines de Pasqually, said to be a Portuguese Jew. It was one of the most interesting occult groups of the time, "which constituted under cover of Freemasonry one of the last links of the long chain of mysterious and jealously closed associations whose members claimed by magical process to communicate with the divine in order to participate in a blessed immortality." Illuminism!

The name Coen given by Pasqually to his members is an adaptation of the Hebrew term Cohanim, which designated the highest sacerdotal caste, constituted at Jerusalem, under Solomon, to assure divine service in the Temple."

Its no mistake the Jewish Kabbalah doctrines of Eliphas Levi where some of the most disseminated in the 19h century and up. In mainstream society. As Levi was a Martinist. The Jewish power elites work relentlessly to replace authentic spiritual knowledge with Hebraic systems of corruption. That put Gentiles unconscious and consciously under their influence. And are designed to not lead to any spiritual power.

The Jewish agents infiltrated the French Masonic societies and helped to start and fund the French Revolution. Of which they manipulated the Masonic societies into supporting. The original revolution which created a constitution Monarchy. Was taken over by armed force and usurped by the Jacobin's who where Jewish Frankists [Illuminati's political front] and the outer political force of the Jewish Elders of Zion's agenda. They then instituted the Terror and slaughtered the aristocrats, the middle classes and peasants whole regions and classes where exterminated. The Jewish directors now in control of the revolution installed by terror all the ideological points of the Illuminati manifesto. With the Jewish Bankers funding and directing this via their networks. The French Revolution was the first Communist Revolution in history.

Louis Dasté, writing on the subject of Free masonry in the French Revolution states: "This mysterious illumination of the low grades of Masonry, this hierarchy of which Philalèthes Junior has so jealously guarded the secret, those 'Unknown Superiors' venerated by the Judaising Martinists and Philalèthes, who claim domination over ordinary lodges; is not all that the unbreakable chain which links the Jewish Cabala to Freemasonry, and have we not henceforth the right to suspect the Occult Power hidden behind the Masonic Lodges to be the brain of Judaism which would conquer and dominate the entire world?"

In time it fell apart with a military coup that put Napoleon into power who ended the terror and restored order. And brought about a more authentic Masonic order. In his statements and actions he refuted the Jewish, Jacobin ideology of Communism.

In 1827 Sir Walter Scott publishes his nine volume set, The life of Napoleon and in volume two he states that the French Revolution was planned by the Illuminati (Adam Weishaupt) and was financed by the money changers of Europe (The Rothschilds).

Napoleon was a Mason most popularly noted by his famous hand in the jacket image. Which was a common gesture in many paintings and later photographs of hundreds of men in the Western World. As it's a sign of degree of the Masonic societies.

But the Masonic Societies had sub come to the Jewish infiltration in 1811 in Frankfurt [Frankfurt was the original base of Rothschild operations]. The new Frankfurt Lodge was established as now head of European Free Masonry of which the founders and leaders to this day are the Jewish Rothschild's and was co-founded by the Jew Zvi Hirsch.

The first Communist International: Was held in Frankfurt in 1847 and was chaired by Lionel de Rothschild along with the Jew Karl Marx. At the meeting, a branch of the Elders Of Zion's, Illuminati, the Jacobin Club parading as "The League of the Just," which would become the Communist League. Of which Marx was a leading member. Marx was commissioned by Rothschild to write the Communist Manifesto. The Manifesto was published the following year, 1848. The largest support and circulation of the Communist Manifesto was conducted by the network of worldwide Free masonry .

The motto of the League of the Just (Bund der Gerechten) was "All Men are Brothers" and its goals were "the establishment of the Kingdom of God on Earth, based on the ideals of love of one's neighbor, equality and justice". This is the core doctrine of the Jewish programs. But what does this really mean. The Jews tell us themselves and its as we see in their actual behaviour when in power which is based on what is wrote in their Talmudic and Torah:

"The nations will gather to pay homage to the people of God: all the fortunes of the nations will pass to the Jewish people, they will march captive behind the Jewish people in chains and will prostrate themselves before them, their kings will bring up their sons, and their princesses will nurse their children. The Jews will command the nations, they will summon peoples whom they do not even know them will hasten to them. The riches of the sea and the wealth of nations will come to the Jews of their own right. "Any people of the Kingdom who will not serve Israel will be destroyed" -Isidore Loeb [Le Litterature des Pauvres dans la Bible].

The "Kingdom of God on Earth." Is the rule of the Elders of Zion. As they state when their Messiah comes each Jew will get 2800 Goyium slaves.

"During the decade of the 1840s the word "communist" came into general use to describe those who hailed the left wing of the Jacobin Club of the French Revolution as their ideological forefathers.[My note this is the Illuminati doctrine openly]. This political tendency saw itself as egalitarian heritor's of the 1795 Conspiracy of Equals headed by Gracchus Babeuf. The sans-culottes of Paris which had decades earlier been the base of support for Babeuf artisans, journeymen, and the urban unemployed was seen as a potential foundation for a new social system based upon the modern machine production of the day."

By this point Free Masonry had been replaced with the Jewish Kabbalah as the spiritual aspect and Communism as the philosophical branch both used for the one end;

"During the ceremonies of the ritual for the Royal Arch degree, the candidate is asked, "Brother Inspector, what are you?" and he replies, "I AM THAT I AM." Can you imagine that? When Moses asked God to name Himself, God said, "I AM THAT I AM" and He said, "Thus shalt thou say unto the children of Israel, I AM hath sent me unto you." (Exodus 3:14)

I AM THAT I AM is the name Yahweh gives for itself in the Torah and Judeo Christian Bible. The lost word and Masonic God: Jubulum. Is trinity title of Yahweh.

"Few Candidates may be aware that Hiram, whom they have represented and personified, is ideally and precisely the same as Christ. Yet such is undoubtedly the case. This old philosophy shows what Christ as a glyph means, and how the Christ state results from real initiation, or from the evolution of the human into the divine" (Mystic Masonry, p. 248).

Albert Pike tells us who the God of Mason's are now:

"The Apocalypse is, to those who receive the nineteenth Degree, the Apotheosis of that Sublime Faith which aspires to God alone, and despises all the pomps and works of Lucifer. LUCIFER, the Light-bearer! Strange and mysterious name to give to the Spirit of Darkness! Lucifer, the Son of the Morning! Is it he who bears the Light, and with its splendors intolerable blinds feeble, for traditions

are full of sensual or selfish Souls ? Doubt it not! Divine Revelations and Inspirations: and Inspiration is not of one Age nor of one Creed. Plato and Philo, also, were inspired. The Apocalypse, indeed, is a book as obscure as the Sohar. It is written hieroglyphically with numbers and images; and the Apostle often appeals to the intelligence of the Initiated. "Let him who hath knowledge, understand! let him who understands, calculate !" he often says, after an allegory or the mention of a number. Saint John, the favorite Apostle, and the Depositary [b]of all the Secrets of the Saviour, therefore did not write to be understood by the multitude."

[/b]-Morals and Dogma.

The bold Pike is referring to Christ as Saviour who taught in parables for the multitude.

2 Peter 1:19:

"We have also a more sure word of prophecy; whereunto ye do well that ye take heed, as unto a light that shineth in a dark place, until the day dawn, and the day star [Jesus] arise in your hearts."

Revelation 22:16:

"I Jesus have sent mine angel to testify unto you these things in the churches. I am the root and the offspring of David, and the bright and morning star."

Lucifer is Latin of Morning Star or Venus. Which Christ announces himself as in the Bible. The Morning Star of Day Star is another noted title of Jesus within the Bible. This title was stolen like many things from the Pagan mysteries.

When Mason's state they are Lucifer they are stating they are Christ like. Theosophy which as Blavatsky stated is an esoteric branch of Christianity originates from within the Masonic Societies of the 19th century. Many of Blavatsky associates and supporters were high ranking Mason's. Free Masonry is esoteric Christianity now. Pike is directly referencing the book of revelations of the Bible for his statement. His saviour as openly stated is Jesus.

Behold, I lay in Zion a chief cornerstone, elect, precious, and he who believes on Him will by no means be put to shame" (1 Peter 2:6, NKJV). This is Chief Cornerstone is what Messiah translates to its talking about Jesus.

The Apha and Omega represents the Chief Cornerstone:

Revelation 22:12 "And behold, I am [Jesus] coming quickly, and My reward is with Me, to give to every one according to his work. I am the Alpha and the Omega, the Beginning and the End, the First and the Last."

The Chief Cornerstone of Capstone symbolizes the completion of the Temple of Solomon. Of which Christianity is a program to manifest. The Jewish Temple Of Solomon is their Jewish World Order. Pike and others tell us exactly what the point of Free Masonry now exists.

Bible: Book Of Jewish Witchcraft:

<http://josministries.prophpb.com/topic483.html>

The Templar's:

The Templars of whom practiced the original Tradition and from original Free Masonry came which banned the Jews from joining. The God of their Temple Of Solomon. Was not Christ but John. Hence they were called Johannites. This has been corrupted by the enemy through.

As I wrote in an article John of the Templars is Jana [Oana] another title for Satan in Sanskrit "Wisdom." Which as Higgin's showed is also Oanes The Greeks spelled John as Ioannes. Higgin's showed that the title Oannes is the source of term gnosis. As is well known by scholars, Oannes is the Sumerian EA [Satan]. Oana origin is in the Sanskrit Jana Padita [Lord of Wisdom] which is the title of our God as Siva in the image of Skanda [who's totem is the Peacock and Serpent] the

second Siva. Which relates to the reborn Siva, the reborn soul generated by the Magnum Opus. Jana also relates directly to the purifying effects of the kundalini serpent. Literally to burn away, to purify. With Jana we have Ana for Anahta the golden serpent of entity. And An also denotes the serpent on its own.

This is why Da Vinci. Who was the Grand Master of the Priory Of Sion a Templar Branch painted John the Baptist as Dionysus. Dionysus as many scholars know is Siva in the East. And why the leaders of the Templar Order all took John as their name.

Oannes is also shown holding a cauldron and a pinecone. The cauldron is the earliest symbol of the grail from the Pagan world. The pinecone the pineal gland the seat of the soul in which the reborn conscious manifests with the ascent of the power. "The head at the center of the earth."

Oannes baptism is that of the water of the kundalini energy in which one emerges from reborn. In ancient Drudic legends the warrior is flung into the cauldron and emerges reborn.etc

Baphomet itself goes back to the ancient east as well. In the symbolic form of Satan as the two headed Agni. Who's vehicle is the goat and ram and who's number is 9. The Templar Baphomet was traditionally a two human, headed image identical to Janus [not the goat of that is popular thought of today]. Baphomet means baptized in Wisdom because wisdom is another name for Sophia or Shakti. And Baphomet in the Templar cipher translates out to: "Sophia" The Templar image that is shown for the Magnum Opus. Is Sophia holding the sacred books with a latter in front of her. In the Traditional world the serpent was depicted in the hieroglyph of a women. The word Sophia means serpent light in English in its proper translation.

The Greeks [Hellenic after Helos/Hari our God] Mysteries schools stated the initiate was thrown into a caldron and boiled till the Titanic element is purified out and only the Olympian is left. The initiate then emerges reborn from the caldron a perfected being the title for such being: Shining Serpent.

Gnosis being obtained with the rise of this power is the symbolic fact one has obtained the state of Oana. As Oannes [Satan] is also symbolic of the serpent power and its risen state of consciousness.

360 the degrees of a perfect circle equal to 9. The ancient symbol of immortality was the golden serpent clutching its tail in a perfect circle. And was called Anahat, eternity. This is why the temple of the sun the Templars represented was described as being in a circle divided into 13 parts the Magnum Opus. The Zodiac wheel of which the 13 constellations represent the macrocosm of the soul and the sun's journey thought them represent the 13 steps of the perfection of the individual soul.

SOL-OM-ON are three words for the sun and trinity of the soul and the vowels and constants represent the male and female aspects united. Our word for soul comes from Sol. As this relates to the spiritual sun. The true Temple of SOLOMON is the human being.

This is why the Great Seal of the United States drafted by the Founders shows a Pyramid with 13 levels and 72 blocks. The 13 steps of enlightenment and $72=9$. The number of completion of the Temple of the Soul and the number of Agni [Satan]. It also shows 13 stars with in the six pointed star. The six pointed star was stolen by the Jews later on. But is still used as the symbol of the reborn Siva today. Its the unification of male and female parts of the soul that form the reborn soul. And relates to the real lost Masonic lost name of God. Which is AUM. The 13 stars represent the 13 major chakra's perfected 6 along the sides of the body which are the real meaning of the pillars of the arch still shown in the East with the reborn God standing between them and under the arch. The six pointed star is seven as it represents the 6 planets on its points with the sun in the center. As such it represents not the heart but the solar chakra where the eight rayed sun star emits

from. The cap stone above the Pyramid on the seal is in the shape of the triangle that is the symbol of the quintessence of which a major number of is 33. With the all seeing eye within it. That represents Jana in the East. AUM is the quintessence the lost name Masonic name of God. God is quintessence= AUM, which the soul if purified and refined into. The alchemical first matter which represent the finishing of the work.

Yoga equals 13 in Sanskrit numerology which is the proper number of steps in the Magnum Opus. The perfection of the 13 major energy centers of which the 8 fold wheel or star is a map of.

God equals 26 in the Masonic system and this adds to 8. This 8 symbol is the sign of the unified soul its the same as the six pointed star. 8 is the number of mercury which perfects the soul and is symbolized as the serpent staff. As this energy is the force or cosmic ether or mercury [quintessence].

"Verse 129 implies that the ultimate [here Siva] is of the nature of Cosmic Space[Akasa or Void] and the essence of Jiva lies in the self-same Space in microcosmic condition."-Tirumantiram

That is why the individual is also called God in the hermetic texts. He is made the microcosm of the energy of creation. That is quintessence or Akasa and how this energy transmutes one form into another by removing or burning away obstacles, the dross. Doing this increases the flow of this creative nature which causes the transformation as the Yoga Sutra's relate. This grants the Magnum Opus.

AU represents Siva and Shakti the M is the third power or prana. Which unlocks the soul to the Godhead. As we will see the message of AUM being one letter explains why three become one. This is the trinity the God A, the Goddess U and the divine Child M. The Divine child M [prana] is generated via the AU energy. This is the six pointed star in the circle which represents Vayu or mercury [prana] in the East. The Magum Opus by the union of opposites of the soul. The Jews stole this as the symbol of their seal of their corrupted Temple of Solomon. The AU energy is the meaning of the check board symbol of the Templar banner.

The Masonic 33 degree's is the 33 esoteric spinal vertebrae the kundalini energy travels up. 33 is the number of quintessence the energy of the Magnum Opus and the Key Stone in the Arch and the Meru Column of Siva which represents the spinal column.

<http://josministries.prophpbb.com/topic724.html>

Another Templar item found was a silver head of Virgo [Sophia] the perfected or reborn conscious. With a code with this symbol: M and a phase which means perfected life. This M symbol is the symbol of the reborn soul and is seen within Egypt and elsewhere. The Templars craved grave effigies of themselves into the rock hillside in European sites. Facing east the rising sun. Because the sun is traditionally depicted rising between the center of the twin peaks of the M symbol.

The Jewish Temple Of Solomon faces West. Where the Templar one faces East for the above reason.

More on the Templars:

Back to the corrupted Mason's who exist to build the Jewish Temple Of Solomon. The Jew World Order:

"In the 19th level of Scottish Rite Freemasonry, the Initiate receives the degree of GRAND PONTIFF. It is during this ritual that the candidate swears an oath of secrecy and an oath of total obedience "to any Chapter of this degree to which I may belong; and the edicts, laws and mandates of the Grand Consistory of Sublime Princes and Commanders of the Royal Secret, as well as those of the Supreme council of the 33rd degree..."

It is then that the "Thrice Puissant" anoints him with oil on the crown of his head and says "Be Thou a Priest Forever, after the order of Melchizedek."

-Melchizedek or Malki Tzedek (/mɛl. 'kɪz.ə.dɪk/[1]); (Hebrew: מֶלְכִּי־צְדֵק malkī-ṣēdeq) (translated as "my king (is) righteous(ness)") was a king and priest mentioned during the Abram narrative in the 14th chapter of the Book of Genesis.

He is introduced as the king of Salem, and priest of El Elyon ("God most high"). He brings out bread and wine and blesses Abram and El Elyon.[2] Chazalic literature--specifically Targum Jonathan, Targum Yerushalmi, and the Babylonian Talmud--presents the name (מלכי־צדק) as a nickname title for Shem, the son of Noah.

In Christianity, according to the Letter to the Hebrews, Jesus Christ is identified as a priest forever in the order of Melchizedek, and so Jesus assumes the role of High Priest once and for all.-

"After receiving the password (Emanuel) and the sacred word (Alleluia), he is dressed in a robe of white linen and given a cordon (a ribbon or sash of honor worn across the breast) of crimson color, with 12 stars representing "the 12 gates of the "new city, " and the twelve signs of the Zodiac, the twelve fruits of the tree of life, the twelve tribes of Israel and the twelve Apostles." (Scottish Rite Masonry Illustrated, The Complete Ritual, Vol. 2, pages 26-27, E. Cook Publications, 1974)

-Emanuel deriving from (Hebrew: עִמְנוּאֵל, God is with us), a prophetic name used in Isaiah 7:14. The middle letter "m" is doubled in Hebrew causing that single "m" and double "mm" variants co-exist in many languages.-

-The word "Alleluia" or "Hallelujah" (from Hebrew הַלְלוּ יְהוָה), which literally means "Praise ye Yah" or "Praise Jah, you people",[1][2] is used in different ways in Christian liturgies. "Praise Jah" is a short form of "Praise Yahweh",[3][4][5] or of "praise ye Jehovah".-

-In the spelling "Alleluia", the term is used also to refer to a liturgical chant in which that word is combined with verses of Scripture, usually from the Psalms. This chant is commonly used before the proclamation of the Gospel.

The name is common to both Jewish and Christian naming traditions, interpreted in Judaism without messianic significance, but by Christians in the light of Gospel of Matthew 1:23 as relating to Jesus.-

"In the seventeenth degree, or Knights of the East and West, after the candidates have completed the initiation and after revealing the password (Jubulum) and the Sacred Word (Abaddon), "the Senior Warden conducts the Candidate to the elevated vacant canopy at the right of the All Puissant."

Scottish Rite Masonry Illustrated, The Complete Ritual, Vol. 1, Pages 453, 457, E. Cook Publishing, 1974)

Jubulum is a title of Yahweh and Abaddon is another Hebrew title used in the Bible.

"It is in this final "Blue Lodge" degree that that candidate is laid out "in death"and is raised from the dead by the "Worshipful Master" of the Lodge (representing King Solomon), using the "strong grip" (or "Lion's Paw")of the Master Mason.

One the "five points of fellowship," he and his "savior" pass the sacred word, Mah-Hah-Bone. [Hebrew term]

(Duncan's Rituals, Revised and Complete, pages 35, 96, 120, 121, E. Cook Publications, 1974)

Mah-hah-bone is a Hebrew word and used to substitute for the Masonic Yahweh's name of God Jubulum in the lower degree's.

The list goes on and on. Its not a mistake the majority of occult texts authored by Mason's or those involved with them are all based on the Jewish Kabbalah one way or another and Judeo Christian themes. Even the pass words to get into many lodges are in Hebrew. And the Judeo Christian bible is sitting on the altars of the all the Lodges. This puts the members under the open and subliminal control of the Elders of Zion.

Free Masonry purpose is to act as a branch of Judeo Christianity and build the Jewish Temple of Solomon. The Jewish World Order.

The New Zion:Jew World Order:

<http://josministries.prophpb.com/topic483.html>

"Masonry is based upon Judaism. Eliminate the teachings of Judaism from the Masonic Ritual and what is left? - The Jewish Tribune [New York,Oct 28,1927]

"In the present nations, Freemasonry is only of benefit to the Jews" -Theodore Herzl

"We have founded many secret associations, which all work for our purpose, under our orders and our direction. One of the many triumphs of our Freemasonry is that those Gentiles who become members of our Lodges, should never suspect that we are using them to build their own jails, upon whose terraces we shall erect the throne of our universal King of the Jews; and should never know that we are commanding them to forge the chains of their own servility to our future King of the World" -Opening speech made at the B'nai B'rith convention in Paris [published in the Catholic Gazette, Feb 1936]

"It was during that period that I became interested in freemasonry. ... In the eighteenth century freemasonry became expressive of a militant policy of enlightenment, as in the case of the Illuminati, who were the forerunners of the revolution."

Leon Trotsky [Jew and high ranking leader of the Communist revolution] My Life: The Rise and Fall of a Dictator

One of Trotsky's close friends and fellow Communist Christian Rakovsky:

Christian Rakovsky. Born Chaim Rakeover [Jewish name] in 1873. Was a high ranking Communist: "A lifelong collaborator of Leon Trotsky, he was a prominent activist of the Second International, involved in politics with the Bulgarian Social Democratic Union, Romanian Social Democratic Party, and the Russian Social Democratic Labour Party. Rakovsky was expelled at different times from various countries as a result of his activities, and, during World War I, became a founding member of the Revolutionary Balkan Social Democratic Labor Federation while helping to organize the Zimmerwald Conference. Imprisoned by Romanian authorities, he made his way to Russia, where he joined the Bolshevik Party after the October Revolution, and, as head of the Rumcherod, unsuccessfully attempted to generate a communist revolution in the Kingdom of Romania. Subsequently, he was a founding member of the Comintern, served as head of government in the Ukrainian SSR, and took part in negotiations at the Genoa Conference."

Openly stated the relationship between Jews, Communism and how Free Mason's are nothing but a movement to advance World Jewish Government under the final step of Communism. His record of this event was kept in the writings called. Red Symphony, by Dr. J. Landowsky; translated by George Knupffer.

His statements are such:

"The real aim is to create all the required prerequisites for the triumph of the Communist revolution; this is the obvious aim of Freemasonry; it is clear that all this is done under various pretexts; but they always conceal themselves behind their well known treble slogan [Liberty, Equality, Fraternity]. You understand?" –

The real secret of Masonry is the suicide of Freemasonry as an organization, and the physical suicide of every important Mason."

"Masons should recall the lesson of the French Revolution. Although "they played a colossal revolutionary role; it consumed the majority of Masons..." Since the revolution requires the extermination of the bourgeoisie as a class, [so all wealth will be held by the Illuminati in the guise of the State] it follows that Freemasons must be liquidated. When this secret is revealed, Rakovsky imagines "the expression of stupidity on the face of some Freemason when he realizes that he must die at the hands of the revolutionaries. How he screams and wants that one should value his services to the revolution! It is a sight at which one can die...but of laughter!" Rakovsky refers to Freemasonry as a hoax: "a madhouse but at liberty."

" In Russia in 1929, every Mason who was not Jewish was killed along with his family, according to Alexey Jefimow ("Who are the Rulers of Russia?" p.77) -

The National Socialist Government of Germany banned all Free Masonic Lodges as they are wings of international Jewry and its Communism.

The End Of Suffering Is National Socialism

"On a country road in the Palatinate two men from the Labour Service are marching towards the next town. The Labour Service camp lies a long way off in the country, and it is a long way to the railway station. But the two men are in high spirits and are whistling, because they are going home on holidays after months of healthy and strenuous work. They whistle: In the Homeland, in the Homeland Just then a line of cars sweeps past the two men. They're lucky, one of them says. They'll be there sooner than we will, the other says. They're waving! both call out together. And then, in fact, the line of cars comes to a halt and waits until the two men, who have begun to run, have caught up. Where from? Where to? Climb in! The two men open their eyes wide in amazement, because the man stopping in the middle of the country road and inviting them to climb in is none other than The Leader. Adolf Hitler. He makes them describe for him their lives, and asks to know in great detail what it is like in their labour camp. In no time they arrive at the little town. The cars stop. As

they leave The Leader asks one of the two men: It is about to rain. Don't you have a coat with you?

I have no civilian coat, my Leader. I was unemployed for a long time. On hearing this, The Leader takes off his grey travelling coat and hangs it on the shoulders of his fellow countryman."

Adolf Hitler

The Life Of The Leader

http://webzoom.freewebs.com/spiritualwarfare666/Adolf_Hitler_%20Life_%20Of_%20A_%20Leader

Authentic love and respect is what is responsible for care and that altruism is what holds up our society and our planet together. Today we have been indoctrinated into a psychology of the Jew. Hate for all organic diversity on every level. Men are taught to hate women and women, men. And each themselves for being men and women. Races are taught to hate each other and themselves for the race they are part of. Cultures which bore the unique expressions of whole peoples are ripped apart and destroyed. Individuals are taught to hate themselves for their individuality and other for their individuality. Classes people the other class. Even hating ourselves and each other for our dietary nature. We are taught to love and fear spirituality, wisdom and true knowledge. And the whole of humanity is taught to hate itself for being humans. The whole of mankind is sinking in pathological desire for self destruction.

A step beyond even this and the core of this is the most subversive doctrine which was first injected with Buddhism teachings in the East which the Jews were connected in with and spread into the West and they still are pushing obsessively. And more currently injected in Western societies by Jewish intellect and their psychological doctrines. Is that there is no self. The denial of the self is the denial of the Atman the individual soul nature. The removal of the soul removes the core of spiritual knowledge and reduces us to a mass of robotic hybrids. It's the ultimate demoralization of human beings and what it means to be human.

The Jewish doctrine of hatred is designed to break down all healthy organic bonds and dissolve everything from the smallest individual to the whole races and cultures into a materialistic, one world slave society that functions on a hive mind. This is the essence of Communism, Christianity and Islam.

The worst things are ignorance and apathy that are the two great destroyers. People have become so demoralized and depressed by the psychology and propaganda of the Jewish, globalist society many have shut down and become apathetic to life for varying reasons but the same result. They become willfully ignorant as you can't wake up a man pretending to be asleep. And many who do care out of ignorance are led astray into supporting the social-political systems that are the problem not the solution so things become worse. They are the meaning of the path to suffering is lined with good intentions. Greed arises out of apathy. And is also a fear based pathology. Which is normal in a scarcity based society. And one that teaches values of self identification with accumulation of material possession in a social Darwinian atmosphere. Our social values have become based on psychopathology. Because our society has been Judaized.

The world suffers because the Jewish World System has murdered the truth. They have created a world of self murdered people on the soul level. Walking around in animated empty bodies. Not allowed to embrace everything the universe had designed to give them happiness and joy in life. Too apathetic towards their own existence to care about any others. People are taught to identify with everything destructive to them and develop a persona around this. The deeper inner trauma this causes them gives rise in turn to many pathological ailments. As the psyche is sick with the burden and unconscious pain of living in an inhuman, spirituality empty society.

You can see this in the art and music that is popular in society its an expression of rage, sadness and despair, nothing but psychological and emotion suffering. The rest is empty superficial happy soundin bland trash.

Its only by reconnecting with ourselves by opening and transforming our souls that we can realize the Eternal Truth and open up the respect and care for the things that make us great. Our differences, its known fact having a positive identity for what makes a person and group unique is the key to psychophysical, the spiritual wellbeing of all peoples. Its the different colors in a painting that make it beautiful, its the diversity of instruments in an orchestra that makes the harmony of sound. Its the difference in nature that make our friends our friends. The celebration of our differences is the celebra of life.

What we love and respect in ourselves is what we will in others. The core values of spirituality and altruism and the authentic compassion based in truth that arise from this. Is what will end the nightm and bring about the ending of suffering on this planet.

I believe humanity is ultimately good at the core of its heart but stuck in a bad system and samaric lev of existence the system is built upon. And this is why the enemy has to work around the clock for thousands of years and still not have what they wanted to achieve. Its our goodness they hate and fea because goodness flows outward from within the soul. And the Gentile soul and its spirit is the one th they can't crush. Our strength is in our diversity and the love for the eternal order of life we are all par and this diversity is manifested of. This is why they always attack this.

The great struggle of which the utmost spiritual strength is needed is to defeat the ugliness of the Jew within our own souls. To purify our minds and hearts of the toxic effects of living in this dark age....TI Age Of The Jew. We bring forth the Golden age from within our own souls.

National Socialism is the only system that can bring about a spiritual world revolution that can open th gates to paradise on this planet for all peoples and sentient life upon it. The overwhelming amount of and happiness in Germany was the natural result of being apart of a order based on truth and goodne The Jews hate Hitler to this day because he wanted to create a better world for humanity. Based on spiritual advancement, authentic compassion for life and altruism.

National Socialism brings forth in man and the world. What the Jew has tried so hard to murder....The supreme order of truth. Which is the supreme order of life. For within truth one has the power to give life.

The Crimes of Ariel Sharon

by Alexander Cockburn And Jeffrey St. Clair

February 07, 2001

Some incorrigible optimists have suggested that only a right-wing extremist of the notoriety of Likud leader Ariel Sharon will have the credentials to broker any sort of lasting settlement with the Palestinians. Maybe so. History is not devoid of such examples. But Sharon?

Sharon's history offers a monochromatic record of moral corruption, with a documented record of war crimes going back to the early 1950s. He was born in 1928 and as a young man joined the Haganah, the underground military organization of Israel in its pre-state days. In 1953 he was

given command of Unit 101, whose mission is often described as that of retaliation against Arab attacks on Jewish villages. In fact, as can be seen from two terrible onslaughts, one of them very well known, Unit 101's purpose was that of instilling terror by the infliction of discriminate, murderous violence not only on able bodied fighters but on the young, the old, the helpless.

Sharon's first documented sortie in this role was in August of 1953 on the refugee camp of El-Bureig, south of Gaza. An Israeli history of the 101 unit records 50 refugees as having been killed; other sources allege 15 or 20. Major-General Vagn Bennike, the UN commander, reported that "bombs were thrown" by Sharon's men "through the windows of huts in which the refugees were sleeping and, as they fled, they were attacked by small arms and automatic weapons".

In October of 1953 came the attack by Sharon's unit 101 on the Jordanian village of Qibya, whose "stain" Israel's foreign minister at the time, Moshe Sharett, confided to his diary "would stick to us and not be washed away for many years". He was wrong. Though even strongly pro-Israel commentators in the West compared it to Lidice, Qibya and Sharon's role are scarcely evoked in the West today, least of all by journalists such as Deborah Sontag of the New York Times who recently wrote a whitewash of Sharon, describing him as "feisty", or the Washington Post's man in Jerusalem who fondly invoked him after his fateful excursion to the Holy Places in Jerusalem as "the portly old warrior".

Israeli historian Avi Shlaim describes the massacre thus: "Sharon's order was to penetrate Qibya, blow up houses and inflict heavy casualties on its inhabitants. His success in carrying out the order surpassed all expectations. The full and macabre story of what happened at Qibya was revealed only during the morning after the attack. The village had been reduced to rubble: forty-five houses had been blown up, and sixty-nine civilians, two thirds of them women and children, had been killed. Sharon and his men claimed that they believed that all the inhabitants had run away and that they had no idea that anyone was hiding inside the houses."

The UN observer on the scene reached a different conclusion: "One story was repeated time after time: the bullet splintered door, the body sprawled across the threshold, indicating that the inhabitants had been forced by heavy fire to stay inside until their homes were blown up over them." The slaughter in Qibya was described contemporaneously in a letter to the president of the United Nations Security Council dated 16 October 1953 (S/3113) from the Envoy Extraordinary and Minister Plenipotentiary of Jordan to the United States. On 14 October 1953 at 9:30 at night, he wrote, Israeli troops launched a battalion-scale attack on the village of Qibya in the Hashemite Kingdom of Jordan (at the time the West Bank was annexed to Jordan).

According to the diplomat's account, Israeli forces had entered the village and systematically murdered all occupants of houses, using automatic weapons, grenades and incendiaries. On 14 October, the bodies of 42 Arab civilians had been recovered; several more bodies were still under the wreckage. Forty houses, the village school and a reservoir had been destroyed. Quantities of unused explosives, bearing Israel army markings in Hebrew, had been found in the village. At about 3 a.m., to cover their withdrawal, Israeli support troops had begun shelling the neighbouring villages of Budrus and Shuqba from positions in Israel.

And what of Sharon's conduct when he was head of the Southern Command of Israel's Defense Forces in the early 1970s? The Gaza "clearances" were vividly described by Phil Reeves in a piece in The London Independent on January 21 of this year.

"Thirty years have elapsed since Ariel Sharon, favourite to win Israel's forthcoming election, was the head of the Israel Defence Forces' southern command, charged with the task of 'pacifying' the recalcitrant Gaza Strip after the 1967 war. But the old men still remember it well. Especially the old men on Wreckage Street. Until late 1970, Wreckage, or Had'd, Street wasn't a street, just one of scores of narrow, nameless alleys weaving through Gaza City's Beach Camp, a shantytown cluttered with low, two-roomed houses, built with UN aid for refugees from the 1948 war who then, as now, were waiting for the international community to settle their future. The street acquired its name after an unusually prolonged visit from Mr Sharon's soldiers. Their orders were to bulldoze

hundreds of homes to carve a wide, straight street. This would allow Israeli troops and their heavy armored vehicles to move easily through the camp, to exert control and hunt down men from the Palestinian Liberation Army.

“They came at night and began marking the houses they wanted to demolish with red paint,’ said Ibrahim Ghanim, 70, a retired labourer. ‘In the morning they came back, and ordered everyone to leave. I remember all the soldiers shouting at people, Yalla, yalla, yalla, yalla! They threw everyone’s belongings into the street. Then Sharon brought in bulldozers and started flattening the street. He did the whole lot, almost in one day. And the soldiers would beat people, can you imagine? Soldiers with guns, beating little kids! By the time the Israeli army’s work was done, hundreds of homes were destroyed, not only on Wreckage Street but throughout the camp, as Sharon ploughed out a grid of wide security roads. Many of the refugees took shelter in schools, or squeezed into the already badly over-crowded homes of relatives. Other families, usually those with a Palestinian political activist, were loaded into trucks and taken to exile in a town in the heart of the Sinai Desert, then controlled by Israel.”

As Reeves reported, the devastation of Beach Camp was far from the exception. “In August 1971 alone, troops under Mr Sharon’s command destroyed some 2,000 homes in the Gaza Strip, uprooting 16,000 people for the second time in their lives. Hundreds of young Palestinian men were arrested and deported to Jordan and Lebanon. Six hundred relatives of suspected guerrillas were exiled to Sinai. In the second half of 1971, 104 guerrillas were assassinated. ‘The policy at that time was not to arrest suspects, but to assassinate them’, said Raji Sourani, director of the Palestinian Centre for Human Rights in Gaza City”.

Israeli complacency leading to their initial defeat by the Egyptians in the 1973 war was in part nurtured by the supposed impregnability of the “Bar Lev line” constructed by Sharon on the east bank of the Suez canal. The Egyptians pierced the line without undue difficulty.

In 1981 Sharon, then minister of defense, paid a visit to Israel’s good friend, President Mobutu of Zaire. Lunching on Mobutu’s yacht the Israeli party was asked by their host to use their good offices to get the US Congress to be more forthcoming with aid. This the Israelis managed to accomplish. As a quid pro quo Mobutu reestablished diplomatic relations with Israel. This was not Sharon’s only contact with Africa. Among friends he relays fond memories of trips to Angola to observe and advise the South African forces then fighting in support of the murderous CIA stooge Jonas Savimbi.

As defense minister in Menachem Begin’s second government, Sharon was the commander who led the full dress 1982 assault on Lebanon, with the express design of destroying the PLO, driving as many Palestinians as possible to Jordan and making Lebanon a client state of Israel. It was a war plan that cost untold suffering, around 20,000 Palestinian and Lebanese lives, and also the deaths of over one thousand Israeli soldiers. The Israelis bombed civilian populations at will. Sharon also oversaw the infamous massacres at Sabra and Shatilla refugee camps. The Lebanese government counted 762 bodies recovered and a further 1,200 buried privately by relatives. However, the Middle East may have been spared worse, thanks to Menachem Begin. Just as the ‘82 war was getting under way, Sharon approached Begin, then Prime Minister, and suggested that Begin cede control over Israel’s nuclear trigger to him. Begin had just enough sense to refuse.

The slaughter in the two contiguous camps at Sabra and Shatilla took place from 6:00 at night on September 16, 1982 until 8:00 in the morning on September 18, 1982, in an area under the control of the Israel Defense Forces. The perpetrators were members of the Phalange militia, the Lebanese force that was armed by and closely allied with Israel since the onset of Lebanon’s civil war in 1975. The victims during the 62-hour rampage included infants, children, women (including pregnant women), and the elderly, some of whom were mutilated or disemboweled before or after they were killed.

An official Israeli commission of inquiry – chaired by Yitzhak Kahan, president of Israel’s Supreme Court – investigated the massacre, and in February 1983 publicly released its findings (without

Appendix B, which remains secret until now).

Amid desperate attempts to cover up the evidence of direct knowledge of what was going on by Israeli military personnel, the Kahan Commission found itself compelled to find that Ariel Sharon, among other Israelis, had responsibility for the massacre. The commission's report stated: "It is our view that responsibility is to be imputed to the Minister of Defense for having disregarded ["entirely cognizant of" would have been a better choice of words] the danger of acts of vengeance and bloodshed by the Phalangists against the population of the refugee camps, and having failed [i.e."eagerly taken this into consideration"] to take this danger into account when he decided to have the Phalangists enter the camps. In addition, responsibility is to be imputed to the Minister of Defense for not ordering appropriate measures for preventing or reducing the danger of massacre as a condition for the Phalangists' entry into the camps. These blunders constitute the non-fulfillment of a duty with which the Defense Minister was charged". (For those who want to refresh their memories of Operation Peace for Galilee, of the massacres and the Kahan coverup we recommend Noam Chomsky's The Fateful Triangle.)

Sharon refused to resign. Finally, on February 14, 1983, he was relieved of his duties as defense minister, though he remained in the cabinet as minister without portfolio.

Sharon's career was in eclipse, but he continued to burnish his credentials as a Likud ultra. Sharon has always been against any sort of peace deal, unless on terms entirely impossible for Palestinians to accept. As Nehemia Strasler outlined in Ha'aretz on January 18 of this year, in 1979, as a member of Begin's cabinet, he voted against a peace treaty with Egypt. In 1985 he voted against the withdrawal of Israeli troops to the so-called security zone in Southern Lebanon. In 1991 he opposed Israel's participation in the Madrid peace conference. In 1993 he voted No in the Knesset on the Oslo agreement. The following year he abstained in the Knesset on a vote over a peace treaty with Jordan. He voted against the Hebron agreement in 1997 and objected to the way in which the withdrawal from southern Lebanon was conducted.

As Begin's minister of agriculture in the late 1970s he established many of the West Bank settlements that are now a major obstruction to any peace deal. His present position? Not another square inch of land for Palestinians on the West Bank. He will agree to a Palestinian state on the existing areas presently under either total or partial Palestinian control, amounting to merely 42 per cent of the West Bank. Israel will retain control of the highways across the West Bank and the water sources. All settlements will stay in place with access by the IDF to them. Jerusalem will remain under Israeli sovereignty and he plans to continue building around the city. The Golan heights would remain under Israel's control.

It can be strongly argued that Sharon represents the long-term policy of all Israeli governments, without any obscuring fluff or verbal embroidery. For example: Ben-Gurion approved the terror missions of Unit 101. Every Israeli government has condoned settlements and building around Jerusalem. It was Labor's Ehud Barak who okayed the military escort for Sharon on his provocative sortie that sparked the second Intifada and Barak who has overseen the lethal military repression of recent months. But that doesn't diminish Sharon's sinister shadow across the past half century. That shadow is better evoked by Palestinians and Lebanese grieving for the dead, the maimed, the displaced, or by a young Israeli woman, Ilil Komey, 16, who confronted Sharon recently when he visited her agricultural high school outside Beersheva. "I think you sent my father into Lebanon", Ilil said. "Ariel Sharon, I accuse you of having made me suffer for 16 some odd years. I accuse you of having made my father suffer for over 16 years. I accuse you of a lot of things that made a lot of people suffer in this country. I don't think that you can now be elected as prime minister".

Subject: Darwin's Angels

Darwin's Angels

Darwin's theories really do amount in many cases to nothing but a pseudo scientific justification for the continuation of the hierarchical system laid down in the Feudal regime of the system originally created by the Christian Theocracy. Darwin was trained to be a Minister in the Anglican church and picked most of his ideals up from Christianity and social beliefs of the time. Why do you think he placed out of all the different races on earth. The Irish at the bottom rung of evolution. It reflects the popular attitude in the English upper-class of the day towards the Irish and helped to justify their feudal regime in Ireland as well.

Darwin took the churches idea of predestination and applied it to biology. In away that it was a continued justification of the dominate caste system in Europe. That started with the Catholic idea of the will of God and his government upon earth. You have the Church and the nobles at the top and everyone else on the bottom. Mainly as serfs who are owned as chattel of the rulers who are ruled by the Church. The divine right of kings and all this. This means that you are predestined to be a brutalized serf by the will of god and any act or thought or rebellion is a violation of god's will. The Bible sets this whole system up. The serfs slave all day and have to give most of what they have to the Church and nobles and are left with enough to only half starve instead of fully starve if lucky. Any serf caught off the serfdom they where confined to. Was hanged as a run away. This is how most of Europe lived. Communism with spiritual pretense.

Well in the 18th century scientific materialism was becoming the new religion. And the ruling classes wanting to keep the masses inline and continue their caste system, status quo. So they shifted by hook or crook the same Theological tenants into vogue under the banner of science. Now its we are the superior upper classes because of our biological predestination and the rest of you are born to be our servants, serfs and general property. Because you are biologically predestinated with inferior or weaker biology. Now god said becomes....science said.

A mentor of Darwin was the Reverend Malthus who was the famous pusher of the ideal that starving the working poor and social-economic working, lower class [most people due to the caste system in Europe] to death was a kind and goody thing. That it would cause the weaker to die off. Social Darwinism by another name. Its ideals where put to reality during the engineered famine that killed a million innocent people in Ireland by the Rothschild's. That modern historians openly acknowledge as direct genocide. Jesus loving Malthus work helped pave the way for such.

The ideal of improving the social-economic state of affairs for the people and ending the serfdom. And that by wage improvements, education, improved human rights and freedoms and income increases with labour reforms. This problem would cease to exist. Never occurred in the minds of these Judaic freaks. Because then they couldn't justify sending children into the mines and mills as work slaves or filling the debtor prisons full of slave labour. All put there by the exploitive Jewish banker system.

Why not the problems caused by the abusive system is not the system its actually biologically inferior people after all. So we are justified in our materialistic enslavement of whole populations to our industry and debt systems and caste society. Of course the protestant deification of work served as the backdrop to enslave the population into industrial slavery. Its not an accident that Marxism used the same Darwin theories as above to justify its total enslavement of the population into neo feudal slavery as the scientific doctrine to justify its self with either.

Of course social Darwinist ideals were being moved around the upper classes at the time in America. And this is when the Jewish, Rockefellers and their agents created the public school system as it is. Which is designed to shut down the right side of the brain and train systematized drones, fit only for wage slavery in their economic serfdom. Who have had their self esteem and creative ability destroyed. And a new artificial personality assigned that is servile and depended on authority for direction on everything. Right at the time they destroyed skilled labour and self employment in America and replaced it with proletarian wage slavery. In their factories that destroyed entire families and forced parents to put their kids into adoptive trusts that sold their kids off to strangers as cheap farm labour so they would not starve to death. Its also no mistake after a century of the school system the rate of inventions in America has declined. They destroyed the creative part of the mind with their school system. This is why IQ is worshipped and not creativity and personal genius. They created a system where left brained training is to rule. Garbage in, garbage out. Removing people from the part of the psyche that the psychic abilities are within.

The key to Telsa's genius from his own autobiography was his psychic abilities which come from the right side of the psyche. He stated he would see the object within his minds inner eye and all the knowledge of how to create it was downloaded into his mind with the image. Watson the father of DNA discovery saw the spiral shape in a deep trance state which opens one to this Shakti or right side of the psyche, which was the key that unlocked his discovery.

All what is being pushed by the system is the same doctrine minus the spiritual pretense in many cases. Where science becomes the new theology. Add to the fact Darwinian evolutionary theories take as much faith to believe in as Jesus. Its just shit and used to push us into nihilism, materialism, atheistic humanism. the kind the Jewish Communist state is built upon.

Got news for people. What we call science is realms of make belief bullshit that is designed to go nowhere. The big bang is bullshit as well and has been debunked over and over. But the theology of science just destroys the career's of the heretic's who question it. Where back to the Catholic Church and the Communist System which put scientists in gulags for discovering any holes in the states scientific dogma's. And we know what the Church did to such.

Jews Created Communist China

Communism in China was created by the Jews of the West working with the Jews within Asian. A well known Communist Agent in Manchuria was Abrams an Asian Jew. Today the Jews still run China the higher you go to the top of the Communist Party the more Asian Jewish name appear till its all Jewish. Like in the Soviet Union. Today the International Jews have purposely built up Red China into an economic and military power. Like their Soviet Union for the same reason in the end to extend Communism by military conquest. We might have Red Chinese and North Korean troops our soil at some point. Red Chinese troops have been taking part in military training exercises o European soil with Russian forces of late. For the invasion of European nations:

1949: On October 1, Mao Tse Tsung declares the founding of the People's Republic Of China in Tiananmen Square, Beijing. He is funded by Rothschild created Communism in Russia and also the following Rothschild agents: Solomon Adler, a former United States Treasury official who was a Soviet Spy; Israel Epstein, the son of a Jewish Bolshevik imprisoned by the Tsar in Russia for trying to forment a revolution there; and Frank Coe, a leading official of the Rothschild owned IMF.

Mao would genocide 70 million innocent Chinese people under his rule mainly to destroy traditional Chinese culture. Like with Christianity any practioners of spiritual systems where outlawed, killed and put into gulags which was a slow death. And Communistic systems where the new culture of control. With China under their flag Tibet was next on the list as being the last bastion of spiritual knowledge and histories of humanity. All the Jewish systems seek to remove spiritual knowledge from Gentiles and keep it in the hands of the Jewish elite. This is a major part of their domestication program:

A century and more before the Rothschild's and the Solomon Brothers used their control of England and its control of India to run the Opium trade into China killing tens of thousands and wrecking entire communities to the point the Chinese fought the Opium wars to try and throw the Jewish dealers out.

Chinese Jews:

"A Jesuit missionary, going upon some occasion into the province of Honan, found a considerable Synagogue in the city of Kaifengfu. He soon became acquainted with some of its learned chiefs, who introduced him into their Synagogue and showed him one of the Parchments or rolls of the Pentateuch written in Hebrew, together with the books of Joshua, Judges, Samuel, Kings, some of the prophets, and others containing their liturgy and commentaries they owned. They had lost some of the sacred books and some of their targums or paraphrases. This loss was caused by a violent overflowing of the great river, which had laid the capital wholly under the water and had damaged their Torah, or roll of the Pentateuch, and upon which they ordered twelve new copies to be taken from it.....

My elder brother -- I am not yet forty years old, but I have thought and talked much with my friends about our ancestors, who were rich and numerous and who worshiped in a fine synagogue, built on the land presented to them by the Emperor Tai-tsti. This synagogue, you know, has been swept away by 'China's Sorrow' [the Yellow River]. Our ancestors came to this land from the

northwest nearly three thousand years ago...."

OL. XVIII, No. 10, ASHINGTON, OCTOBER, 1907. National Geographic:

THE CHINESE JEWS

By, Oliver Bainbridge

CHINESE COMMUNISM?

YES, but it was JEWISH when it

started. [My note it still is].

The following article by Arnold Leese is reprinted from Gothic Ripples, No. 49, dated 28th February, 1949. It shows that the seeds of Bolshevism were planted in China by Jews, who also tended and trained the growth that resulted. The corruption of the regime of Chiang Kai-Shek caused many of the masses in China to turn to Communism for relief, since Chinese Communism is mixed with Nationalism and discourages the old Chinese curse of official corruption; but Communism in China has the same dehumanising effect on the people as it has elsewhere.

THE JEWISH ROTTING OF CHINA.

It was the Sassoon family which turned the normal Chinese dislike and distrust of foreigners into hatred. David Sassoon made the Opium Trade in China from 1832 until he died in 1864. His family carried on the Trade under our Flag and made huge fortunes. The British took the blame, and now the Chinese loathe us; just as we took the blame for the Jewish atrocities at Nuremberg, Spandau and elsewhere in Germany, so that the Germans now hate us.

Backed by the Sassoons, the Shanghai Opium Monopoly existed until 1917 under the Jew Edward Ezra, its Managing Committee being composed entirely of Jews and Indians. Not only did the British Flag protect the Sassoons in this abominable trade which the Manchus did all they could to prevent, even to the extent of war, but also these Jews were welcomed in England instead of being ostracised. Royalty petted them and they intermarried with Aryan aristocrats. Some became Baronets and one a Minister of the Government.

When the Freemason, Sun Yat-Sen, began his revolutionary movement at Canton, the Jew Morris Cohen, a British subject, became his aide-de-camp and was sent by Sun around the globe to get military experts for his revolutionary army. On Sun Yat-Sen's death bed this Jew was commended to Chiang Kai-Shek and he was employed as liaison officer between the Canton Government and all foreign Consulates-General. Cohen became known in China as Moïsha, and was made Military Counsellor to the Cantonese Forces, and a General, although still a British subject.

As late as 1939, Cohen was travelling the high seas under the protection of our Flag. The last we heard of him was late in 1945 when he emerged from a Japanese prisoner-of-war camp. The South African Sunday Express described him as "the guiding genius behind the War-Lords of China".

The Soviet Jew, Jacob Borodin (real name M. Grusenberg) was sent by the Kremlin with the Jew Joffe, in 1923, to try and bolsheivise Sun Yat-Sen and became Chief Political Adviser to the Kuomintang. His wife, a Jewess, spied in China for the Soviets. When Sun died, Borodin was left in charge and it was he who appointed Chiang Kai-Shek to succeed Sun in 1926. However, in 1927 a raid was made by Chang Tso-Ling on the Soviet Embassy at Peking, which revealed the scope and extent of the Soviet plot to bolsheivise China, and the Borodins were arrested and imprisoned.

In 1923 the notorious Jew, Trebitsch Lincoln, ex-M.P. in Britain, headed a Chinese mission to get arms for Wu Pei Fu, a War-Lord with a fine character, but failed, probably purposely, in the attempt. After that, Lincoln drifted about, too mistrusted in China for any other important role.

The Soviet General, B. K. Galen, who was really a Jew called Chesin, and was nicknamed Blucher, accompanied the "Armenian" Soviet Delegate Karachan to Peking in 1924 where a treaty was made with Chang Tso-Ling by which the Chinese Eastern Railway was handed over to the Soviets. This placed the movement of troops at the mercy of the Bolsheviks. The intrigues and bribery by which this surrender by Chang Tso-Ling was obtained were carried out through the medium of a Jewish timber magnate called S. Skidelski. At once, the Railway was placed in charge of the Jews Gekker, Koslowsky and Snamensky (Zamyensky). To continue with the career of General "Galen", he became Chief Military Adviser to Chiang Kai-Shek in 1926.

Now for the Soviet Jew S. A. Gekker: As early as 1922; he has been Military Adviser to the Mongolian Bolshevik Government, and in 1924 he was made Head Political Commissar on the Chinese Eastern Railway aforesaid. This appointment was at the hands of the Jew, M. D. Lashewitz, who was President of the Board of Railway Control in Moscow.

Nor must the Jew, A. Joffe, be forgotten. We have already met him as head of the Soviet Mission to Sun Yat-Sen, when, with the Jew, Jacob Borodin, he tried to develop Sovietism. Later he became Political Adviser to Chiang Kai-Shek in 1926 and organised the Red Section of the Kuomintang.

High up in the Political Department of the Red Army in China were also the two Jews, W. N. Levitshev and J. B. Gamarnik, who in 1936 was its head.

The Nanking Ministry of Finance has always been dominated by Jews, viz: Kann, L. Rajchman and R. Haas. In England, the Jew Billmeir helped, with his merchant fleet, to take Soviet arms to China in 1938.

Finally, the Jew Ben Kizer (U.S.A.) was appointed head of Unrra in China, and as everyone knows, it fell to pieces in corruption.

Enough has been said to prove that every real key position in the process of the Bolshevik destruction of China has been Jewish.

If your busy looking for no-biru where are you not looking? Not at the facts our Gods live in the Orion region. And something else which I will state here.

If you think it was about Gold mining your looking in the wrong direction which ties into the first point.

Nibiru is a star conjunction. And the other major lie of Sitchin is the gold mining. This is not mentioned either in the Sumerian texts. He made these two lies up out of thin air.

Between Mars and Jupiter its been scientifically shown there was a planet there once. That has been destroyed and no don't waste my time with colliding theories that are insane as the big bang. This planet from the evidence was destroyed after earth was already here and fully formed on its own, the destroyed planet from evidence laded out is was was mostly likely by technological intelligence. Not by planets smashing into each other.

The situation is there was no ice age on earth either. Dollaire and Elis [Spelling?] Are Cambridge and Oxford professors who have stated and wrote a book on the ice age scam. Which is taught as dogma. They are shocked this is pushed as unquestionable. Its full of major flaws.

We have not had the polar caps on this planet for that long. The south pole did not fully freeze over till a couple of thousand years ago. . And we only have four seasons due to the tilt in the axis. And the facts show this planet had a uniformed sub topic climate on it at one point. And the sea levels where around 400ft lower.

No ice age, it means the seas didn't rise by melting, pola ice sheets over time slowly, like we have been taught. And the planet was not titled at one point so no climate to create a deep freeze. As its found many long time frozen over areas where flash frozen from a sub topic climate around ten thousand years ago. In an instant. The animals found still had their last meal in them.

So a planet in our solar system gets destroyed and some records claim it had a lot of water on it. And a huge shock wave, hunks of asteroids and continental sized ice are hitting the planet. And the massive ice waves are melting as they come down into the atmosphere. Which is what the ancient records state the sea rose 400ft in a night and a day not slowly but at once. This is obvious, the Andes mountain ranges, the largest in the world, where created by the hundreds of millions of tons of pressure from the water coming in on the earth plates. The city up in the Andes, Tiahuanacu is known to have been on the sea level once and is over 17,000 years old. And with this the shock of

the impact created the tilt in the planets axis. The geological records show earth has been hit by outer planetary events of large magnitude in general.

Now the race of the Gods came to this planet.... We have developed basic technology that can create materials from the atomic level in labs, they can make diamonds in labs as well. Why would they need to mine gold and create humans for this? Why not automation instead.

The reason they went to the trouble of creating humans and the massive infrastructure to support humans, cities, farms, hospitals, schools, social organizations. Is because from the Sumerian records, the real ones. Humans where created to help the Gods build the earth and to be the stewards of earth. The wise care takers of the planet. The Gods didn't come here to mine gold and then leave. They moved here with the intent of building a permanent civilization. We where created to be part of this civilization as stewards of earth. It could be there civilization was destroyed previously at some point with the lost planet or part of it was upon that world. Or perhaps not.

The planet itself was most likely destroyed as part of a larger cosmic war that ended the Golden Age on earth as well and set the stage of the events we are now within.

The second part of Humans creation lay within the texts. Humanity was created with a spiritual mission to ascend to divine from human by EA [Satan]. His intent was to elevate His children to supreme truth and divinity in the long run. To have equality with the Gods. The greatest gift of creation in the universe.

It seems in my opinion from looking at ancient structures of society and tradition, each race was created with a special function in mind. And to work together as larger group within their regions with their skills together as a whole body. That formed this once global or near global civilization of the Gods. Having a superconscious family of humanity to be part of this civilization in the long run makes more sense as well. In my opinion it reflects Satan to create something elite and beautiful, something that is to be perfected and have eternal bliss and joy. Which is the human races. It has been hinted many of the different animal species on the earth might have origins being created by the Gods.

Annunaki in meaning is the Heavenly Serpents. Not those who came down from the sky. This is relating to their Perfected status as divine or fully ascended beings.

Think about that, humanity is a brilliant, powerful and elite creation with the destiny to become fully divine and be guardians and stewards for earth as part of our divine mission. And our creation by the Gods. No paradise in the clouds, but a real eternal paradise right here below our feet. On earth, our home.

Now the above truth vs the Sitchin lies, of humans being just worthless material slave labour who suck [Goyium]. And don't forget Shitjewling claim the Gods handed down this knowledge and this tradition to Abraham [who is well known to have never existed] only, about 5,000 years ago in the Near East. Back to Jewish supremacy and biblical reinforcement, back to unconscious Judeo-Christianity. And the demoralization of Gentiles. Sitchin is just pushing Jewish, Gentile hating bullshit. The Jews have a big lie for every level of truth a Gentile finds.

Subject: Might Does Not Make Right

Might Does Not Make Right

Hegelian dialect, conflict theory is the thread that runs through many of the powerful narrative's in our society. This is the core of Marxism, class warfare and conflict and it rewrote its own history on

this. This is continuation of Christianity and its conflict ideology of the saved vs the unsaved, their god vs their devil and such.

Its only originally found in Jewish thinking. Not surprising Hegel was a Rabbi.

This belief also highlights more popular beliefs pushed in the West such as social Darwinism, evolutionary Darwinism, moral relativism. etc And how this applied to liberal capitalism. We see this in Social Marxism [PC] the war between the sexes, races classes and sexual orientations. We also see this in the current hot topic of goofy libertarianism which is a reverse form of Marxism if one reads Ann Rosenbaum [Rand's] garbage. Where the Bourgeois class are at war with the workers, with the workers reduced to dehumanized goblins to be stepped on as inferior. Which dove tails with social Darwinism conflict theories. Within the libertarian ideology is the denial and call to wash away [governments] nations, races, cultures and ethnicity. All of this is to be swept away into a globalist, materialist world of never ending capitalistic warfare, domination and absolute rule by a globalist plutocracy. The whole planet reduced to cooperate, neo-feudalism. Planet sweatshop. Owned by guess Jew?

How did you think it was really going to end. Like they lie and told you it would. Each Goy with their own money bin to swim in? Why do you think its all Jews making it up and pushing it. And then in Rosebaum's case openly denying its tenants when it comes to her fellow Chosen. The Jews simply have sold their poison in a more palatable form to the American psyche. Its a poison apple once you wolf it down and drop, they clean out your pockets cackling with glee. Rosebaum knew that apple is for little Gentile you, not her Jews. You help destroy your own and they walk in and take over.

So your tried of being stepped on by big Jew money. And its conflict, social Darwinist based ideology of domination and exploitation of your as cheap, Goy, chattel wage slavery, sweatshop central. Where do you turn to other coin the Leftist conflict based ideology of class warfare and revolution and the same social Darwinist vibe. Both are based on the same at the core. And you wind up in the same place with a Party official instead of a corporate boss.

For those who think its all so wonderful. Where has the Western world gotten under the banner of Jewish conflict theories, the never ending Hegelian dialectic and the social Darwinism, liberal capitalism the general right and left its all built upon. Our mainstream political system of Right vs Left, Republic vs Democrat. etc

Looking around it has not brought about its epic evolution into anything better. Its all actually getting worse by the week and has created a nightmare society where people are killing themselves on mass to escape it. And physical and mental illness is the norm, people have conflict based psychology within their own mind against themselves, along with cities and streets and towns plagued by violence that has racketed up a body count of a small country by now much of it in the name of social Darwinism based approach to capitalist based activities. Our societies have been pillaged by Globalist Jew bankers and their corporation wings and social-Media propaganda. Nations, races, cultures are all being destroyed. Never ending conflict, warfare, empty hatreds and division does not build anything it only tares down into ruins. This is Jewish tactics divide and conqueror.

Where is might makes right gotten us all? Right into the Jews claws that where.

We need to push away from the Kikeology paradigm and look inwards and realize what does it mean to be human, as an individual, as a member of a race and culture, nation and planet. What makes us unique is what unifies us not separates us into conflict.

Its no mistake this Hegelian dialect, conflict theory which is underlying the majority of narratives in

society, was created by a Jewish Rabbi. Its the core of the Jewish psychosis. Conflict, war, cruelty, sadism, pointless psychotic aggression.

Might does not make right.

Truth is what makes right, as its truth which the cosmos exists upon. Its the eternal.

Martin Luther King Jewish Owned Puppet

From the article: The Jewish Communizing Of America

<http://josministries.prophpb.com/topic153.html>

The most famous of these Jewish agents of the Frankfurt School in America is Martin Luther King. Who was trained in such a Communist school in Tennessee and was a paid agent:

"King was photographed in 1957 at the Highlander Folk School, a communist training school in Tennessee, with (Jew)Abner Berry who held a post on the Central Committee of the Communist Party. The Joint Legislative Committee on Un-American Activities reported that his Southern Christian Leadership Conference was "substantially under the control of the Communist Party through the influence of the Southern Conference Educational Fund and the communists who manage it." King had connections with over 60 communist front organizations. Nine of his closest aides were high-ranking communist activists and one of those later became an aide to Rev. Jesse Jackson. Stanley Levison, who had been a King advisor since 1956, had been involved with the Communist Party up to 1955 and brought other known communists onto King's staff."

Karl Prussion, an FBI agent who infiltrated the Communist Party and for five years attended meetings in California, testified in 1963:

"I further swear and attest that at each and everyone of the aforementioned meetings, one Reverend Martin Luther King was always set forth as the individual to whom Communists should look and rally around in the Communist struggle on many racial issues."

Julia Brown, a former Communist, said:

"We were told to promote Martin Luther King to unite Negroes and also Whites behind him ... He was taking directions from Communists. I know for a fact the Communists would never have promoted him, financed him, and supported him if they couldn't trust him. I am certain as I can be that he knew what he was doing."

"Although a 1977 court order sealed the FBI's extensive surveillance records on King in the National Archives for 50 years, a book by Sen. Jesse Helms in 1998 called The King Holiday and Its Meaning said that Charles D. Brennan, an Assistant Director of the FBI who was personally involved in the surveillance, characterized his activities as "orgiastic and adulterous escapades" in which he could be "bestial in his sexual abuse of women." He also observed that "King frequently drank to excess."

King's famous dream speech was in fact wrote by his Jewish handler the same Jew Levinson who was the head of the America Communist Party in the 1950's and is full of lies and historical perjuries. Its a document that attempts to communize the memories of the Leaders and Founders of American named within. Its the Jewish big lie in action.

As Dr.Duke wrote in his book "My Awakening" on the subject:

Stanley Levinson, who wrote many of King's speeches, including, some say, the "I Have a Dream" speech delivered at the March on Washington....

King privately declared himself to be a Marxist, and told his inner circle that his efforts were a part of the "class struggle." His personal secretary, Bayard Rustin, was a Communist. When King had to replace Rustin in 1961, he chose another Communist, Jack O'Dell. His main advisor ("handler" would probably be a more apt term), as I've mentioned, was Jewish Communist Stanley Levinson, who edited and probably wrote a good deal of King's book *Stride Toward Freedom*. Levinson prepared King's income tax returns, controlled King's fundraising activities, and was also in charge of funneling Soviet money to the Communist Party, USA.[15]

Nothing new under the sun there:

"In 1925, a dozen blacks were recruited for propaganda training in Russia. That same year, the American Negro Labor Congress was established. In 1930, they changed their name to the League of Struggle for Negro Rights. They merged with the United Negro Congress when it was founded in 1936 in Washington, D.C. By 1940, communists made up two-thirds of its membership. In 1947, they united with the Civil Rights Congress, a communist front group."

Remember King was promoted as an agent of racial integration thus promotion of racial mixing and destruction of the two Gentile races, which is part of the Jewish Globalist Agenda. Where Blacks who promoted racial separation were pounced upon by the Jews.

Subject: Albania's Nightmare Of Communism			

Albania's Nightmare Of Communism

The Communist regime ruled this tiny nation of around three million souls. From 1946 to 1991. During this time over a hundred thousand innocents were systematically murdered, starved to death and worked to death in labour camps under the regime. Around a third of the population was passed through the brutal slave labour system during the life of the Communist regime. One prisoner who survived the Albania Gulag system wrote the prisoners would state as dark humor, the Cosmonauts could probably see the prison camps from outer space they were so expansive. Many never made it that far, instead dying under the extreme torch of the state. It was hinted by some who survived the gulags, those were the lucky ones.

The borders of Albania were ringed by armed guards and high electric fences to keep the people in. Thousands of people died trying to escape the cruelty and brutality of life under the Communist Regime. A whole nation turned into one Orwellian prison.

The nature of the Regime:

"Certain clauses in the 1976 constitution effectively circumscribed the exercise of political liberties that the government interpreted as contrary to the established order. In addition, the government denied the population access to information other than that disseminated by the government-controlled media. Internally, the Sigurimi followed the repressive methods of the NKVD, MGB, KGB, and the East German Stasi. At one point, every third Albanian had either been incarcerated in labour camps."

interro'Donnell, p. 129. gated by the Sigurimi.

Raymond E. Zickel & Walter R. Iwaskiw. *Albania: A Country Study*. Washington, D.C.: Federal Research

“To eliminate dissent, the government imprisoned thousands in forced-labour camps or executed them for crimes such as alleged treachery or for disrupting the proletarian dictatorship. Travel abroad was forbidden after 1968 to all but those on official business.

The justice system regularly degenerated into show trials. An American human rights group described the proceedings of one trial: "...[The defendant] was not permitted to question the witnesses and that, although he was permitted to state his objections to certain aspects of the case, his objections were dismissed by the prosecutor who said, 'Sit down and be quiet. We know better than you.'" In order to lessen the threat of political dissidents and other exiles, relatives of the accused were often arrested, ostracised, and accused of being "enemies of the people". Political executions were common..”

James S. O'Donnell, "Albania's Sigurimi: The ultimate agents of social control" Problems of Post-Communism #42 (Nov/Dec 1995): 5p.

Torture was often used to obtain confessions:

“One émigré, for example, testified to being bound by his hands and legs for one and a half months, and beaten with a belt, fists, or boots for periods of two to three hours every two or three days. Another was detained in a cell one meter by eight meters large in the local police station and kept in solitary confinement for a five-day period punctuated by two beating sessions until he signed a confession, he was taken to Sigurimi headquarters, where he was again tortured and questioned, despite his prior confession, until his three-day trial. Still another witness was confined for more than a year in a three-meter square cell underground. During this time, he was interrogated at irregular intervals and subjected to various forms of physical and psychological torture. He was chained to a chair, beaten, and subjected to electric shocks. He was shown a bullet that was supposedly meant for him and told that car engines starting within his earshot were driving victims to their executions, the next of which would be his.” Minnesota International Human Rights Committee, 46–47.

"There were six institutions for political prisoners and fourteen labour camps where political prisoners and common criminals worked together. It has been estimated that there were approximately 32,000 people imprisoned in Albania in 1985." O'Donnell, A Coming of Age, p. 134.

“Article 47 of the Albanian Criminal Code stated that to "escape outside the state, as well as refusal to return to the Fatherland by a person who has been sent to serve or has been permitted temporarily to go outside the state" was an act of treason, a crime punishable by a minimum sentence of ten years or even death.” Minnesota International Human Rights Committee, 50–53.

“An electrically-wired metal fence stands 600 meters to one kilometer from the actual border. Anyone touching the fence not only risks electrocution, but also sets off alarm bells and lights which alert guards stationed at approximately one-kilometer intervals along the fence. Two meters of soil on either side of the fence are cleared in order to check for footprints of escapees and infiltrators. The area between the fence and the actual border is seeded with booby traps such as coils of wire, noise makers consisting of thin pieces of metal strips on top of two wooden slats with stones in a tin container which rattle if stepped on,

and flares that are triggered by contact, thus illuminating would-be escapees during the night.” Minnesota International Human Rights Committee, 50–53.

“Fatos Lubonja is an Albanian writer who spent a total of 17 years in prisons and forced labour camps during Enver Hoxha's regime. He is the author of a number of books which have been translated into Italian, German, English and Polish. Among other prizes he received the Alberto Moravia Prize for International Literature in 2002 and the Herder Prize for Literature in 2004.”

The below is from his book:

Second Sentence: Inside the Albanian Gulag

by Fatos Lubonja, John Hodgson (Translator)

“Prison camps in Communist Albania were as brutal and claustrophobic as Stalin’s gulags, with the additional and unique horror that Albanian prisoners could be charged and re-sentenced while already in prison. In this raw and moving memoir, the prize-winning writer Fatos Lubonja brilliantly evokes life for prisoners of the state as they struggled to cope with the physical and psychological deprivations of imprisonment. Second Sentence opens in 1978 with a vivid description of the author’s experiences as a forced laborer in a copper mine in Northern Albania. In the tense camp atmosphere, Lubonja discovers that two of his co-prisoners have written a letter to the Party criticizing "the foremost leader," Enver Hoxha. Shortly afterwards they are spirited away under mysterious circumstances. Lubonja does not make the connection until he is himself re-arrested in the camp with seven others and sent to stand trial as part of an alleged counter-revolutionary organization. With heart-breaking honesty, Lubonja describes the long months of interrogation and solitary confinement as he awaits his second sentence...”

From the final chapter of the book which shows the reality of the regime that thrives on lies, propaganda, slave labour, torcher, murder and fear. Note the Sigurimi where the Albanian NKVD:

I found myself face to face with Kapllan Sako, deputy director of the State Security Service. I had never forgotten the first day of the my initial arrest, and the very first words he had said to me, “We have brought you here to ask about your political views.”

I had not seen him since.

Kapllan was standing. He was little changed, still slim, sharp featured, greying-a typical Sigurimi man from the cut of his suit to the parting of his hair. There was also a swarthy character whom I did not know, sitting behind the desk. I noticed a standard sheet of white paper on the corner of the desk.

‘Are you Fatos? Kapllan said to me.

‘Yes, I replied.

‘Do you recognise me?’

‘Yes.’

‘When did we last meet?’

‘In July 1974,’ I replied.

He was pleased that I could remember this.

‘Why did you take that attitude in court?’ He said ‘We did not expect this of you.’

‘I cannot admit to things I have not done.’

I had no intention of arguing with him, because I was obsessed by the idea that they were devising another sentence for me. I had to watch what I said.

‘So our people’s court has sentenced you for nothing?’ His voice rose.

Did this man really believe his own fabrications? It disgusted me to hear him use the phrase ‘people’s court,’ as if it were something sacred, almost the people itself.

‘The files are here. Let’s go through them together,’ I replied.

He did not reply. He was anxious to get to the point:

‘You said, “Fadil Kokomani is my best friend...”?’

So this was what got me into trouble.

‘I said it in the moral sense,’ I replied, ‘because of what he stood firm like a man.’

This seemed to take him aback.

‘What do you mean, like a man, what sort of man is that?’ He grimaced, and reached out for the sheet of white paper on the corner of the desk.

‘Look, there’s your best friend.’

Under the white paper were several photographs, apparently taken at night with a flash. The faces of Fadil, Vangjel, and Xhelal stared out at me with a gaze more of bewilderment and disgust than of fear. They were sitting on a bank of earth with their wrists handcuffed behind them, all three tied with a rope. They had been photographed a few moments before they were shot.

Kapllan shouted furiously, ‘That’s where you belong. That’s where you’ll go if you enter this door again!’ and he jabbed his finger at one of the photographs. I could barely recognise Fadil. I saw a swollen face, covered by a stain of blood that spread from the forehead and covered the eyes, part of the nose and the cheeks, and ran in three or four trickles down to the throat. I shuddered. The sight was frightening and weird.. I remembered the photographs of murdered saboteurs exhibited on the display stands of the Ministry of Internal Affairs, which had terrified me as a child.

After seeing Fadil, I was too confused to concentrate on the images of the bodies of Vangel and Xhelal. My eyes spilled to the other large photograph underneath, in which the three corpses lay piled on another. There was Iljaz’s grey jacket, which Fadil had worn through the trail.

Kapllan bellowed again. ‘And you say, “Fadil Kokomani is my best friend.”

‘What else can I say?’ I replied.

Communist Prosecutor

By Visar Zhiti

Extract from the book "Trails of Hell"

The prosecutor seemed notoriously oppressive and thick-skinned. In his heavy coat and bushy animal skin collar, he looked like a wild beast. Well, I guess spring hasn't arrived yet. At first I thought they had brought policeman Marku to confront me in case I had broken a rule in the prison cell. I feel bad I was dubious about Marku, but...

"This is the district prosecutor, comrade Avdi Gashi," said the interrogator.

"Explain yourself clearly, or I'll rip off your pants!" brayed the prosecutor. I did not understand what was wrong with him. "They even requested you to be a writer in Tirana," he let out a loud bray like a burp. His cheeks and trachea must have hurt from it. "But we turned them down. And we were right. How could we let an enemy go there? Is he going to explain himself, or should we charge him with an additional crime," he turned his head toward the interrogator, "let's add...?"

"He will talk. He has no way out," the interrogator assured him.

What further accusation is the prosecutor so easily charging me with, as if he is simply adding another ladle of soup in my bowl?

"What did you want with 'rakatakia,'* who you got involved with?" The prosecutor asked with contempt. "Eh?"

Even the interrogator got confused. He asked him in a whisper:

"What do you mean by that, comrade Prosecutor?"

"I don't know! He knows who 'rakatakia' is... the Japanese one."

(Do they want to accuse me of being a Japanese spy?)

"Aha, you are right," the interrogator chuckled. "What is the name of the Japanese poet you translated; since you couldn't stay out of it?" Irritated, he turned towards me, "Eh, 'Taketukia?'" Ah! What did you want do with him?"

When I was a student, I couldn't stand reading passages of Enver Hoxha's speeches in Russian, which sounded mediocre, gorarçe* translated, and boring, so I found a Japanese poet to read outside of class, Isikava Takuboku. (Did I need to report this to my killers as well?) My friend from Korça, Skënder Rusi, and I decided not to waste our time terribly in vain and chose to translate a poet who would be permitted for exams. We picked a far, far-off Japanese poet who had a lesser known biography. Frankly, he was all we could find. H. Leka from Shkodra lent us the book from his personal library. He was our professor and our

friend. We translated the whole book from Russian. But in his notebook Skënder interpreted the tanks more imaginatively and I, perhaps, a little more ironically.

“Talk to us! Why don’t you speak? Vermin! Who gave you rakatakia and taketukia, and why?”

I perceived senseless mumbling sounds.

“What were your relations with critic Xhezair Abazi?” The interrogator asked me abruptly.

“Same as with the others,” I said.

“Is he talking about Xhambazi?”* Howled the prosecutor.

Then they were chatting over something, but the prosecutor could not lower his voice; he would find it easier to unload a heavy bundle of oak twigs from his back than bring down his voice. What? Sparks? What are they informing each other about? What is this Golden Pen...?

“But they also asked you to be a writer, you renegade!” Despite his old age, the prosecutor charged towards me, but the interrogator held him back.

“Wait, don’t you worry about it, I will fix him.”

Time to trade places

Visar Zhiti

(Extract from the novel “Torn Hell” by Visar Zhiti)

New prisoners kept coming before we old timers had had a chance to get to know each other, which, by the way, was forbidden. The lack of contact with others lessened one’s self-perception. That poor mass of humanity, seemingly dressed the same, with identical haircuts, equally famished, where another seemed to be you and you someone else; without individuality we were nothing if not empty transparencies, multiplied by a thousand, or two thousand, by a million, by millions. During the age of slavery, three thousand years ago, this setup would have reduced you to nothing more than a slave due to your long years of imprisonment

We whispered among ourselves that cosmonauts could see our jails from afar, from the cosmos, perhaps from the moon, the prison caves, the rows of the condemned, the seemingly endless chain of them, stretching longer than the rivers. There were no prisons anywhere else.

Among the prisoners emerging one day from the police van was a young man with a face paler than those of others who had survived their interrogation period. Around his shoulders he wore a black jacket with a flap in the back. Perhaps that was the fashion outside. He was told to take it to the clothes depot; he would get it back the day he was discharged (or whatever was left of it). He was also to get rid of his shoes and pants and don the prison uniform.

When he was done, he emerged from among the new arrivals and silently, slowly, with the dignity of slow motion, he started climbing the path toward the barbed wire fence, disregarding the prisoners' mounting tension. We had fixed our eyes on him. He walked sure-footed, his head held high. "Hey" – said some voices- "where are you going? There is no exit there. The guards will open fire. . ." These voices caught the attention of the guards inside the compound, where one of them, unexpectedly, rushed toward the newcomer screaming that he stop, as the guards would shoot: "Hey you, prisoneer! You guards, don't shoooot." The prisoner, however, continued walking, without turning his head, with dignity. He entered the killing zone where signs marked "DO NOT ENTER" were buffeted by the wind like crosses in a graveyard. The soldier in the nearest guard tower, like from inside a wooden monster head and from between its teeth, was aiming his automatic rifle in our direction. "No," yelled the guard from inside the compound, "soldier, don't fire, I, too, am here." He reached the recently sentenced man, grabbed him by his arms and pulled him back. "Turn around," he yelled, "what's the matter with you? Why are you crossing into the forbidden zone, or are you trying to get killed?" Look at the other inmates, be patient!" The former citizen did not open his mouth. "Are you insane?" He nodded in agreement. When he came close to us, he looked bewildered, more terrified of us than of the guns. He probably saw himself like one of us.

I was overcome by sorrow, I didn't know whether for me or for him who wanted to get killed. I not only did not dare kill myself, but had given up thinking altogether. Besides, whom was I supposed to kill, we were no longer human beings. My sorrow turned completely toward the unknown newcomer. It would have been better for him had he been killed. It would have been over for him and a challenge to the status quo. My very thoughts terrified me, for being so merciless toward another's life. I had no right to want someone else's death, even though others felt that way toward me.

I doubt it that from the very beginning we had a psychologist among us. Had there been one, he would have been rejected as a Freudian. More likely, someone among us could have become a psychologist in prison. Chances were slim but psychological anomalies were all around us. A psychologist could have thought along these lines: "The inside guard, no more than a rubber truncheon for the regime, dares to save an enemy's life. That must mean that the dictator is very ill, probably in his death throes; he may even be dead. They may be hiding it as in ancient Chinese dictatorships that were 'led' by dead emperors. Thus, the policeman of the 'class warfare', by saving the life of a prisoner may have been promoting his own future thus extending the life of an evil, even as he prevented death."

Why, are you thinking that the policeman did not save the prisoner's life, just out of human concern . . . ?

"No, no, no way, he was trying to avoid being arrested. Time has come for us to trade places. How could I miss it if the policeman didn't?"

Trading places is not necessarily a change. Can there be no society without condemned individuals, hence without judges, without jails, without prisoners?

Translated from The Albanian by Genc Korça

Unpunished Crime

by Reshat Kripa

It was nearing mid-June in 1985. The summer was unusually cool that year, which seemed to coincide with the political climate of the time. The dictator had died, raising expectations for change in the hearts of the people. They awaited changes from his successor. The people were tired of the camps and prisons spread everywhere and of their lives within the large prison in which the entire population lived, that separated father from son, brother from brother. The Albanian people, who had been isolated for years, wanted to live like other nations of the world. Would this happen, or would it remain an illusion?

Sotir Nastua from Narta was a military soldier in Ravena of Karaburun. When he received three days off, he departed for his hometown. He went out to the street and after waiting a short while, got on a truck that took him to the city of Vlora. There he boarded the shuttle bus that went to his village. When he arrived, the sun was setting and with it, he could see the cooperative's agricultural laborers returning from work in the numerous village vineyards. Among them, he caught sight of his mother whom he greeted and affectionately embraced. They went home together, but he did not stay for long. He washed, changed, and got ready to go out.

"What's the rush son? You just got here. We have not yet seen enough of each other," said his mother. But he acted as if he did not hear her. He went outside and headed for the center of the village. He definitely wanted to meet up with his best friend, Jorgo Shella. They shared a plan they kept secret. He went to his friend's house, but did not find him there. He returned to the center of the village and entered a bar. There he saw Jorgo at a table talking to Aleks, a youth of the village, who was serving in the army as a soldier in Saranda. They greeted each other and Sotir sat down and ordered a glass of wine, like his friends. He wanted to talk to Jorgo, but Aleks's presence prevented him. He couldn't wait for Aleks to leave, when Jorgo suddenly whispered. "I spoke with Aleks about the plan. He is familiar with the place and is willing to help us." Sotir was stunned. Jorgo's act had shocked him. How could he open up to Aleks? How could he trust him with something so dangerous? But now this was a set fact and there was no way it could be reversed. "I would love to come with you," said Aleks, "but you know my situation." He was an only child and his mother

was sick. They stayed there chatting until late in the evening, and decided to leave the country the next day. "Your conversation tonight is endless," said the bartender, "Leave now, I have to close." They looked around and noticed there was no one left. They got up, said goodbye to the bartender, and after strolling through the deserted streets of the village, each went home. The next day they awoke early in the morning and set off for Vlora.

"Poor me, son, I hardly saw you," said Sotir's mother, "why didn't you tell me since last night so I could have baked you some bread rolls?"

"Don't worry, Mother, we will find everything we need at the place we are going," he replied as he left. In Vlora, they boarded the bus on the Saranda line. They arrived in the city of Saranda in the afternoon and began to wander the streets, waiting for the hour at which they were to go to the designated place.

Silence had fallen over Pavlo Shella's home. Their son, Jorgo, had left three days before, along with Sotir and Aleks, and had not returned. Jorgo said he was going to his aunt in the city of Vlora. But no one had seen him there. Pavlo began to worry. He noticed that even the Village Council members seemed to avoid him. "Get up, husband, and go ask the police chief, because otherwise he will question why we have not reported," said his wife with tears in her eyes. Then it was the custom in every similar case for one to inform the village police chief or the Department of the Interior.

"We will wait. If he does not return tonight, I will go first thing in the morning," he responded, concerned. That night they heard loud raps at the gate of their home. Pavlo got up and opened it. It was Avni, the locale operative officer, accompanied by Jollanda, head of the United Village Council, and two policemen. "We have come to conduct a search," they said to Pavlo.

"Why?" he asked, astonished. They did not reply. They pushed him aside and began to turn everything over. They searched everywhere. Pavlo and his wife stood still. When found nothing, they headed out once again. When Avni arrived at the gate's threshold, he turned toward Pavlo and frigidly said,

"Your son betrayed his country and for traitors there is only one sentence. His body lies in the morgue of Saranda." The old lady immediately fainted. Pavlo stood frozen stiff. He did not know what to do. Should he cry out? To whom? Should he yell? He did not have enough strength. Once he gathered himself he turned toward his wife and helped her regain consciousness by wetting her face with cold water. She screamed. The village heard her and the people began to come immediately, but when they learned the reason, they left as if there was an epidemic of cholera. Even the brother and sister of the old lady did not dare come. Only Pavlo's sister and two or three others close to the family came, and tried to console the poor parents as best they could.

The same thing happened in Apostol Nastua's home. The same search was conducted and the same news of death was given. The same grief erupted. People also began to distance themselves as though there was an outbreak of the plague. Mourning fell over both families. Apostol Nastua did not have the courage to pick up the body of his son. Fear of the consequences of this action forced him to hold his pain inside his soul. In his home they could not even dare cry for the dead. Sotir's body was buried in Saranda by municipal workers.

Pavlo decided to take on all the consequences. What worse could happen to these two poor elders? The next day, he alone took the road to Saranda. His married niece lived there. She received him and told him the

terrible story that rocked all of Saranda and would horrify anyone who listened to it.

“People say that they were betrayed by the friend accompanying them. When they arrived at the appointed place, they undressed and threw themselves into the sea to swim toward the island of Corfu. Their friend turned around and informed the Department of the Interior. The motor boat of the coastal border guard immediately set off, reaching them in international waters. Communist border guards could have caught and brought them back to Saranda to put them on trial. But they did not do this. They were wild and did not have any human feelings. The criminals, born to kill and massacre people, took out their machine guns and killed both of them. But even this was not enough. Their youthful blood heated the communist sharks even more. They began to hit the young men with the propeller of the motorboat while hurting and disfiguring them all the more. And as if this was not enough, the next day they tied their bodies to a Soviet truck, dragging them through the streets of Saranda to terrorize the people of the city and to scare those citizens who might imagine undertaking a similar heroic act. All this was done under the order of the head of the Department of the Interior. Be strong, Uncle! A dreadful scene awaits you tomorrow. You need to face it with dignity.”

“Yes, my niece, yes. Your uncle is strong and will know how to carry himself,” answered Pavllo, determined.

The next day they went to the city morgue. A horrific scene awaited them there. Pavllo did not recognize his son. The marks of seven bullets were visible on his body. He could identify his son only from the shorts he was wearing. Nearby, his son’s friend Sotir looked the same. Making the most of the kindness of the hospital workers, he washed the corpse and dressed it with clothing he bought in the street market. Then he placed him in a coffin, nailing it so it could not be opened, and left on the municipal van to the village. They arrived home late at night. There he found very few who were close to the family.

After unloading the corpse, the van left immediately.

Llazar, a member of the United Village Council, showed up the next day at the gate of Pavllo’s house. Without coming inside he called to him and warned, “You are not going to bury the dead body in the village cemetery. We do not allow a traitor to rest near the honorable people buried there. This is the decision of the Organization of the Communist Party.

“What should I do?” asked Pavllo, lost. “There lie the graves of my family members.”

“Bury him below in the jalli (a barren piece of salty land by the sea), and do not leave a trace of the grave. I believe you understand,” said Llazar in a commanding tone, and left.

Pavllo remained stone still near the gate. How was it possible for them not to allow any room for his son’s grave, those who just yesterday had greeted and warmly conversed with him? He returned to the room and broke the appalling news to the few people there. “We will complain to the Department of the Interior and if necessary, to the Party Committee,” said Andoni, Pavllo’s nephew.

He immediately set off for Vlora. But even at the Department of the Interior he received the same answer. He set toward the Party Committee, but no one received him there despite his insistence. Finally the man on duty at the gate told him, “Leave, son; don’t store up more trouble for yourself.”

The village atmosphere was tense. Most people remained locked in their homes to avoid appearing involved with this event. But some shameless others, such as the dentist Nastua or pensioner Apostol, called aloud for no one to attend the funeral ceremony because Pavllo’s son had died as a traitor.

The small cortege of mourners set off that afternoon for the jalli. The few people who happened to be on the street turned their backs to them. Worse, a shameless provocateur began to sing a song that sneered at what had happened. More painful events occurred in the following days. Spirua, a communist and sector supervisor, divorced his wife only because her father had attended the funeral. Whereas Pandeli Andoni, Pavllo's brother-in-law, who would not consent to the Council's dictate to divorce his wife, drank poison and ended his life because he could not resist the great pressure.

The year 1990 signaled the beginnings of a huge downfall. Dictators of Eastern Europe began to fall one after the other. Only ours remained. Pavllo thought it was time to bury his son's remains by the family graves. He exhumed his son's remains and headed toward the village cemetery. But on the way he was confronted by Jollanda and Antigoni, secretary of the Communist Party, who said, "We are not dead yet. No, no! We are alive and we will crush you. Send back the remains where they were because that is where they belong." Pavllo was silent and headed back. The remains were placed once again in the jalli. Only after March 22 of 1992 were they able to rest in the village cemetery in their rightful place.

I met with the two elders one day in April of 1993, when I went to their home along with my friends, Mihal and Dino. You could read only mourning in their faces. With tears in their eyes they told the story I described above. They had a huge disappointment in their hearts. Would those who created this tragedy be punished? We searched for Jollanda, Antigoni, Avniu, Llazar and their other lackeys. We were told they had flown to Greece, where only God knows what they were doing and preparing, most definitely new tragedies, like that of the year 1997.

Pavllo had only one appeal. He wanted democracy to bring to justice those who massacred and disfigured his son. Under the pressure of the Political Persecuted People Association and public opinion, the arrest of the ex-head of the Department of Interior in Saranda was made possible. But the trial was a sham. He was convicted and received only three years of prison term for the abuse of public responsibility. Oh, irony of fate! Three years of prison term in exchange for the lives of two 20-year-old young men. Pavllo's heart was once again let down. The crime was left yet unpunished.

Red Holocaust

Dead among the living

Though shocking, this is true: A resident from Vlora discovers his brother's body after thirty years, bearing the same visage as he did the day they parted.

The central character of this extraordinary narration is seventy-year-old Lavdosh Mersini, from Çeprat of Laberia in Albania. Lavdosh, after many painful attempts to find the remains of his brother, who was executed by a phony communist court, was able to locate them in the anatomy room of Tirana Medical Facility. Just as Lavdosh began to lose hope of ever finding his brother's remains, when every effort seemed wasted, pure chance would grant him unexpected success. His legs took him to where Luan's body resided, appearing as he did when he was twenty-five years old.

"At first I couldn't believe my eyes," said Lavdosh. "It seemed like a dream; like something from those ancient ballads. I had to restrain myself. It was not easy. I stretched my neck and looked him straight in the eye. It was him. Yes, Luan! His eyes longed to tell me something; they were the only things that could talk; everything else, from his head to his feet, was frozen and ice-like. Only his eyesight offered life, warmth, and memories. They were weary and looked far into the horizon, reminiscent of the days when he was in jail, asking about his mother, Hairie. I took my first steps toward him. Was I drawing close to my brother, or close to a ghost? I stretched out to embrace and kiss him, a brother yearning to embrace a brother. He looked young, very young, identical to the day we parted 30 years ago. It was Luan, just the way he had looked that very day, with the same eyes, dark eyebrows, forehead, and full-sized, straight body. Only his hair had been trimmed. A bullet hole on the edge of his nose was mute testimony of the brutal actions of those who had decided his tragic end. He was in formalin, a lot of formalin, which kept his well-built body intact."

Lavdosh had to restrain himself, to rise above his painful shock. He had to bring Luan back home, to remote Çeprat, to be among his brothers, sisters, nephews, nieces, friends, and acquaintances, who would rejoice. But first there would be the journey: long, tiring, and deeply moving...

After you have knocked on the door of her apartment somewhere on the outskirts of Durrës city, Lavdosh's sister, Burbuqe, relates an account that sends chills down the spine. She says: "Luan, like Kostandin (1), came back after thirty years. Have you heard the legend of Kostandin? Indeed you have, and I too, though I don't think you have experienced it. I don't know who else had that destiny. Luan's return after thirty years was like that of Kostandin. Yes, yes! While I kissed him, cold though he was, I recalled the ancient legend. The legend of the long wait for the knight leaping over whole mountains to fulfill a promise he had made to his mother. Though Luan had died, he had not perished, and did not have a grave - just like Kostandin! But Luan was not really like Kostandin, because he did not meet his mournful mother, and did not see her fade away, grief-stricken over him..."

She has to force herself to hold back her grief, to stop the tears rolling down her cheeks. Her husband, familiar with the situation, continues the conversation to give her time to compose herself. He begins, "The communists arrested Luan for refusing to collaborate with State Security. They trumped up a case against him - abuse of public funds - during the construction of social and cultural works in the agriculture

cooperative. They fixed a shortfall of public funds amounting to 50,000 leks so they could execute him at night with a firearm.” The husband falls silent, allowing Burbuqe to resume the conversation. He takes out a pile of papers, discolored by the long, somber passage of time. The papers feature the court’s verdict.

The sister of the young martyr goes on thoughtfully, “All of a sudden, they took him from the village where he worked, unjustly handcuffed, and transported him to the prison cells in Vlora. On the way there he met his brother, and confidently handed him the watch for safekeeping. Afterwards we could see him only with the approval of the interrogator. His courage never let him down. He never begged for mercy. The only thing he asked for was cigarettes. His only concern was Mother, who was his first and final worry. He remained that way until October 24, 1968, the day the communists executed him.” That was all Burbuqe could say. However, she was certain that her older brother, Lavdosh, knew more. He still lived at the same address, the place where Luan became separated from his heartbroken mother so many years before.

Gay Rights, Radical Honesty On An Important Issue

The Jews are trying to control gay identity to create the sociology needed to keep gays under control and further their own racial goals. When the time comes it will be easy to sweep gays away as Communism's view of gays is actually being brought to life by the psychology of this gay identity they are giving them, its crafted to conform to such narrative. They confirm the indoctrinated animus towards non-heterosexuals.

Russia is using this psychology to keep gays down while playing the other pro gay angle with the same they do over here. Which makes it easier to keep them down forever given the narratives of the state. For the reasons stated above. The Jews over there as here. Are leading both sides to maintain this.

Jewish, Putin is using the Communist narrative to maintain and centralize power, while marching Russian back into a totalitarian Communist regime. The western Jews such as Soros are working the other half of this reverse psychology game and put together and pay for disgusting and shocking groups of malcontents to troll the public under what is viewed as Western Liberalism. And this allows Putin to them crush all opposition to his regime as Western agents and fifth columnists. Enemies of the state, he uses this to ban political parties of even actual Russian Nationalists. As well for a major justification to ban Gay Rights and Homosexuality. This is the standard Communist narrative. Denounce anything and anyone as disloyal to the People [Communist State]and then give them a show trial and that's it. When the Jews ruled under the Christian regime just remove disloyal with heretic. Same psychology, same purpose.

Time for radical honesty.

Authentic, Gay rights is simply an issue of human rights and the inherent nature of the soul to yearn for its own freedom and to express its core value into the world, which is the metaphysical core of human rights. Taking the soul out of the equation gives licence to write whatever narrative anyone wants as rights and degenerates the issue into a theatre of the absurd, which the enemy does quite often [with Christianity as well which is soul destroying materialism] to forever try and work

towards stomping our rights into the dirt.

This meta-right within our being, is what our ancestors talked about within Dharma and the Founders where writing about with individual rights and liberty. Franklin was not heterosexual himself, he engaged in sexual orgies with men and women as a member of the "Hell Fire Club." Sexual orientation is within the soul, its metagenic.

The greatest freedom the soul yeans for is its own liberation and transformation into the perfected vehicle of the divine, to bring forth the gold hidden deep within its own self. Its the greatest crime against man to deny him what is his by divine right. And to weight him down by putting chains on his very soul itself. All evil comes out of this.

Heterosexual or Homosexual, every man is his own King. The ancient articles of Kingship the specter and crown are symbols of the risen serpent and transformation of the human into the fully Divine. Benjamin Franklin and the other Founders also left this ancient code in their images.

Anyone can sit on a throne, but only a Man can crown himself King. The crown is the halo of the risen serpent of Satan. The symbol of ultimate freedom and power by the enlightenment of the soul. This is Satan's gift to us. True and eternal freedom. But that freedom is for every Gentile, because its the freedom of the soul to the realization of its own self as a God. This is what is at the core of all true, human rights.

I'm, I worthy of achieving the light if I deny my brother his divine right to the same light. The slavery of the soul has come to an end for all humanity.

Blowing Up Russia: Terrorism From Within:

<http://www.youtube.com/watch?v=9sx2YmSXDy8>

Documentary film describes the September 1999 Russian apartment bombings as a terrorist act committed by Russian state security services. Written and directed by Yuri Felshtinsky and Alexander Litvinenko. "We just cannot go out and say that the president of Russia is a mass murderer. But it is important that we know it."

This documentary also shows Jewish, Putin had involvement in this and might have ordered it. As he was head of the security services at the time they committed the attacks. That just happened to help get him into the leadership chair of Russia. And create a climate for more police state measures. Same with what the Jews are doing over here with false flag attack after attack. 911 being the most well known. The same attacks on still going on in Russia now.

Putin is Jewish and Russia is under their control:
<http://josministries.prophbb.com/topic2025.html>

This documentary also highlights the fact that under Jewish, Putin's rule freedoms of press are the right to free speech are being destroyed as Russia is being returned to a Stalinist style state slowly. The Jews are working to regain their grip on total power. This is why Putin is using the same justifications the Soviet regime used to crush protest or dissent on any level. To ban and crush valid opposition, national parties and imprison their leaders in Russia now.

[Notes On The Subversion Of The East](#)

This is from an answer to another thread:

With the situation in the East and Far East the original culture model was men where considered the Deva and women the Devi. Each had a sacred role to play within the cultural model. This still survives in parts of Hinduism where upon a females first period. She is considered a Goddess as she now has the power to create life.

The deal is by a thousand tactics the enemy injected their doctrine over time into the East. By the covert enemy ideology OF Buddhism which openly considers women inferior on every level to men. Its Catholicism with daily basic meditation to help one obtain extinction of consciousness upon death. Buddhism went into the Far all the way to Japan. It didn't get all that far into Japan but enough to change the cultural norms and assign women to an inferior property status. Same in Tibet. So Buddhism did to women what Christianity did.

Hinduism as one Indian scholar put it is.....Just covert Buddhism. The cultural terraforming of centuries of Buddhism as an Imperial Religion and the networks it created kept it strong enough to alter the social belief forever more. The reformation back to the Vedic paradigm which was under way in the first thousand years ACE. Was destroyed by the subversion of crypto Buddhist doctrines into the Vedic terminology fully. With the final stealing of cultural terms by the enemy and the assigning of their meanings behind them. It was over. The greatest Saint of Hinduism who saved it. Actually destroyed it as with subversion, it was very Hegelian. And was denounced as such in his time. Also that ridiculous pseudo Vedantic, clownery of Shankara, it as the Tantric commentaries prove actually debunks itself totally as nonsense. Just pick up the Brahma Sutra's and prepare yourselves to be.....bored. They actually debunk themselves in their arguments and people are revering this armpit fart on paper as something lofty and true. Did they ever read it? If they did they should read it again and again till its ugliness and clownery sinks in. Its such a clown show Shankara was the original Juggalo.

Of course all we ever got dished up in the West was this pseudo Vedantic crap which amounts to hundreds of pages of Shankara going: "Fucking Brahman how does that work?... Brahman everywhere in this bitch."

No mistake Guénon was pushing this as the apex. It fits with his overworked left moving, theological brain. That drove him to become a freaked out freak for Islam. It fits with the Abrahamic tradition of "How many angels can dance on the head of a pin." perfectly.

The original Vedic esoteric knowledge lived in the Tantra, and points to the truth. Where spiritual realization and truth wanes, speculation begins.

Then with the Islamic invasions over hundreds of years what Hinduism started to look like its current model. A Islamic wannabe, worship cult, this is how Sikhism formed. They absorbed a lot of the Islamic norms its around this time the erotic temples are no longer built and the Hindu regions even shift to Mogul architecture. This is where we get this Henotheist to crypto Monotheist attitudes and believes of current Hinduism. They were aping the Muslims. Its around this period the very Abrahamic looking devotion cult of pseudo Bhakti becomes the norm.

Then comes in the Christians under the Raj period imposing further Abrahamic norms on the population. Along with this the Jesuits who have been in India for awhile by this point. Have been traversing the continent removing any remaining spiritual knowledge buying and stealing all the Tantra's up they can. And this is mostly likely where more and more remaining knowledge gets

corrupted to make sure those that want to advance don't get anywhere and are powerless against the enemy programs. However the corruption of spiritual knowledge started with Buddhism which is obvious by the tenants of Buddhism itself. But thousands of years of Tradition can't be removed just like that with subversion it takes the forces of another type of revolution. Since the Tradition was based on the practice of spiritual knowledge they had to corrupt the Tantra. This is proven in Tantric Buddhism which was brought up from North India from the Pala Kingdom. Naropa himself was stated to be a great scholar and teacher at Nalanda university. Having studied dozens of Buddhist Tantra's they are all very corrupted. Which allowed the Communist's to sweep Tibet away. Just as centuries of such corruptions and psychological subversion allowed the Muslims to do the same to the North regions of Buddhist India.

Something at the locus of this reveals itself quick. The Jewish Therapeutae:

<http://www.jesusneverexisted.com/buddha.html>

There are records from Alexandria that indicate the arrival of a steady stream of Buddhist monks and philosophers. They would surely have contributed to the philosophical speculations and syncretism for which the city was noted.

In particular, it seems the original Therapeutae were sent by Asoka on an embassy to Pharaoh Ptolemy II in 250 BC.

Philo Judaeus, a 1st century AD contemporary of Josephus, described the Therapeutae in his tract 'De Vita Contemplativa'. It appears they were a religious brotherhood without precedent in the Jewish world. Reclusive ascetics, devoted to poverty, celibacy, good deeds and compassion, they were just like Buddhist monks in fact.

From the Therapeutae it is quite possible a Buddhist influence spread to both the Essenes (a similar monkish order in Palestine) and to the Gnostics – adepts of philosophical speculations."

As shown here:

The Jewish Creation Of Christianity:

[topic542.html](http://www.jesusneverexisted.com/topic542.html)

The Therapeutae created the Christian program. Jainism of which Buddhism is just a covert form and thus Buddhism as well is simply.....Communism with spiritual pretense, like Christianity. Originally this psychology only comes from one race of peoples mind. The Jews, as the famous Jew, Weininger states in his book "Sex And Character" on page 311. "The Jew is a natural inborn Communist." There are also many other statements from Jews mentioning the same. This is in their soul. At the point of such programs as Jainism, Buddhism and Christianity. The Gentile world was still Vedic. And Jainism and later Buddhism was always considered subversive and anti-Vedic. Leading to more than one cultural conflict in India in the past. Sometimes violent, as the two worldviews are totally opposed to each other. Which is why today the core of Dharma [Hinduism] in the East. Is the eight fold path of Jainism. The Indian scholar is correct.

The Jews have been in India for thousands of years probably among merchants and money leaders from the evidence. And where from the above evidence behind injecting subversive movements into the society just as today and yesterday and the day before that. Its what they have done their whole history. We come to a psychopathic ruler Assholeoka, who after murdering his way to power and resorting to destroying the freedoms of whole peoples and extermination policies against them. At some point understands psychological control is more effective. Perhaps he can't fight another decade long war.

So he uses this Buddhism to become the way to power and it allows him to bypass the Brahmana, class who are the aristocracy of the period as Theology was ideology and Theocrats ruled. And the Brahmana were originally the same group as the royal-warrior class. This allows Assholeoka to create a new ruling elite and ideology depended upon and totally loyal to him and his regime. This was done before by Akhenaton in Egypt and caused a civil war to restore the sacred tradition.

So Assholeoka of whom is not alone. There is never one man its always a incorporated trust of powerful individuals, families and networks behind the scene. Turns at some point to these people who have the wealth and ideology to create the new regime he wants. So they incorporated as an organized crime collective. This is the exact series of events that happened in Rome with the Flavian dynasty's creation and rise to power. And noting the Jews were among the power elite in the Roman Empire to become the core of the New Caesar dynasty. Its predictable they were in the Eastern Kingdoms and Empires as well. Considering India was the hub of civilization and wealth. The Mauryan Empire was a superpower at this period. At this point they found their opening. One can still on a Indian synagogue wall a plague from the local King in the past. Openly declaring the Jews above the laws, and even taxation, thus granted Royal privileges.

The city, Shankara was form had the largest Jewish population during the time he was around as well. He ran a operation typical to what Jewish Luther did in Europe later. Wonder how despite being denounced by many Brahmana's and scholar's his works had the network, time and money to be placed out front. When there were hundreds of others. The movement to destroy the Vedic world was going on for awhile before this point. The Bhagavad Gita also reflects this. Indian scholars have stated it was originally wrote to protect the Vedic tradition against such forces mainly Assholoka's Buddhism and the character of Arjuna was a swipe at Assholeoka propaganda about himself. But as they also highlighted the Gita has been written and rewritten and altered by anti-Vedic interests in return till it no longer recognizes its original text. Which is obvious its full of enemy doctrines and contractions. It was altered till it became a core document for the current anti-Vedic paradigm.

Of course the people who think its some holy book that God spoke also believe Shankara's clownery is epic as well. Its the same in the West with those who hold the fictional Bible in the same light. Garbage in Garbage out.

Eugenics And The Church Lady

[quote]Fourth Reich

I know founder of it was Darwin's cousin, but I'd appreciate peoples opinions on it.[/quote]

American eugenics' had a strong liberal capitalist nature and were aimed upon a platform of bourgeoisie morals [Judeo-Christian influenced]. The church lady coming around to sterilize all the Oscar Wilde's and too slothful to count the beans and turn the wheels of the machine. And those who drink to escape the nightmare of the liberal capitalist world. And its soulless, social-economic, caste system of materialist toil. In-between some droolers. Helping along some smarts to better make some money and carpet cling to moralist sentiments.

National Socialist aim of eugenics' was the opposite. It had an aim of collecting the best racial

elements and carefully cultivating them over time into a new superior type of man and women to reform the primordial core of the race. To create a new racial aristocracy with a perfected, blood heritability the superior culture creating and carrying elite. Which in time the whole race was evolve into as these policies where applied to the whole nation on a soft level. But the SS was the direct method that was aimed to a fast track. This was the ideal of the classic or Pagan civilizations. I believe they where looking at Metagenic's as well. Given the Elite of the SS where all required by orders to practice Tantric Yoga [Kundalini Yoga].

The National Socialist eugenics' policy was a total denial and dismantling of the liberal, capitalist, bourgeoisie worldview. Creating a new racial, blood elite to rule. Not a money class on liberal bourgeoisie values. Who are by nature not entitled to leadership as they don't have the nature for it. And simply turn the world into one big corporation that destroys society and the best elements of it. Get them beans, baby. He who has the most beans wins, with one big, bean to rule them all.

This is why the eugenic movement in America fell flat on its face in time. It had no real great aim carried upon the banners of a higher world ideal. So it dissolved back into its bean counter, bourgeoisie mentality. It was a house build on liberal sand.

Subject: Understanding National Socialism			

Understanding National Socialism
Translation by High Priestess Myla Limlal

http://spiritualwarfare666.webs.com/Satans_Library_Updates.htm

Introduction This article arose from the need to clarify both those who already consider themselves National Socialists while having a limited knowledge of their doctrine, and especially to those who are opposed to National Socialism. Those who never had the opportunity to study it thoroughly and know it by a version that was not from the enemy and thus able to take fair and sensible conclusions. It is an opportunity for our opponents, who were often manipulated to understand the truth about us, to unconsciously fight us and to collaborate on the same system aimed to destroy us. Many of our enemies have become aggressive towards us for finding a feasible solution. As well as to get rid of all the prejudice created by the propaganda of the mass media to defame us. The present article is an attempt to illuminate and clarify the truth about the National Socialist worldview, which was maligned and persecuted for decades by people who sought to protect the People's revolt against the power of money and the dictatorship of interest. Throughout the twentieth century, it was never given to the National Socialists the right to counsel or the opportunity of a fair and democratic debate. We were persecuted in many countries around the world; our ideas have been distorted to become repulsive and manipulated. Historical data was falsified to prevent people from knowing the true character of facts. Our books were burned, confiscated and banned. Our authors persecuted, denounced, exposed, and trapped. Thus, our inquisitors proved that we are a threat against the government, against international Zionism, against the system, against the power of capital, and against the bourgeois individualist mentality. All have tried to silence us, to trap us, and even kill us, yet they can never imprison or destroy an idea. It's time for revolt, a revolution against the Modern World, the hour of our freedom's cry. It's time the gag fell to the ground. This text is divided into six fundamental issues that are the cause of a major misrepresentation of the truth about National Socialism - questions that many who call themselves NS did not reach a clear understanding - and one for personal reflection.

1. Is National Socialism "right-winged"?
2. Is National Socialism capitalist?
3. Is National Socialism "racist"?

4. Is National Socialism Fascist?
5. Is National Socialism a dictatorship?
6. What about the Holocaust?
7. Could I be a National Socialist?
1. Is National Socialism "right-winged"?

It is needed to begin with this topic because it is one of the most common distortions about what National Socialism really is. Numerous National Socialists believe it is right-winged, but without understanding what the correct meanings of "right" and "left" wings are. The term originated in the days of pre-revolutionary France, where those who wished to retain the system of government would sit in the right side of the Assembly, while those fighting for radical changes would sit to the left. Thus, the term "right" has been used to define the reactionaries and conservatives, and "left" to define the revolutionaries. A rating of "left" was used predominantly by Marxist and anarchist groups because they usually engaged in revolutionary struggle. However, these terms do not apply according to the nature of the doctrine, but with the time and political situation of the moment. For example, in the times of Tsarist Russia, the Bolsheviks, because they represented a revolutionary movement, fitted to the left. However, when Marxist took power in 1917, he no longer represented any revolution to become of the situation; therefore, all manner of opposition to his regime would be left as Marxists would now be conservatives. Due to the frequent use of the classification of "left" by these groups of libertarian Marxist-Leninist orientation, it became common practice for any other doctrine in opposition to them to be labeled the "right", and many National Socialists accepted this label, even though erroneous. A Revolutionary Force "(...)"

National Socialism is a new conception of the world that is more severe in opposition to the current world of capitalism and bourgeois Marxists and their satellites." Gottfried Feder - The National Socialist program of the German Workers' Party

The major problem of the National Socialist Movement after 1945 was to ignore the changes taking place in society and continue living in the past. While other movements were growing, evolving, and adapting to the needs and problems of the time, others stayed stagnant, still living in the first half of the century. Few realized how many of our situations had changed, and that society today is not the same as 30 years ago. It is necessary to focus on the problems and the current present policy, adapt, and do something practical. We consider the Modern World and the current Western "civilization" as our greatest enemies. It consists of an absolutely materialistic and capitalist society with a bourgeois and individualistic philosophy. An empire built by self-interest and selfishness. An empire built not for the people, not a cultural or spiritual empire, but one formed by System oligopolies, monopolies, large corporations, and mass media unhealthily funded by an immoral and anti-national state that protects the interests of the powerful and of Zionism. Thus National Socialism seeks the total destruction of the Modern World. We want to end this era of decadence and the beginning of a new one. We want to preserve our culture and restore our roots, but we are not, in any way, politically conservative. We do not want to save the current degenerative values, do not want to keep a capitalist system or a corrupt government that acts against the interests of the people and doing nothing to keep our cultural heritage and preserve our race. We do not want a state that does everything to remain silent and that promotes the destruction of a culture of millennia.

We do not favor the current (dis)order, but the fight against it. Our goal is their total annihilation. Abandon the perverted and selfish mentality incompatible with our collectivist nature. We believe in a violent struggle against the system to its destruction and implementing something new and fair. We will deploy the true National Socialist order. We're the ones who fight for the building of the spiritual greatness of man and cast out the interests of materialistic and selfish spirit. We wrestle not only for liberation, but for creativity and freedom. One should realize that the cause of our present condition and persecution are Western governments. They hate us, protect only the great interests and will do anything to prohibit us and imprison us. For them, culture and race mean nothing, only economic issues. Support such governments anyway is to prevent and delay the

National Socialist Revolution "... The condition which must precede every act is the will and courage to speak the truth was forgotten - and now we do not see it either in the right or the left." Adolf Hitler - Hitler's Speeches, Baynes. Vol 1 The Institute of International Affairs. 1942 National Socialism never said it was "right", this term was applied to us by the enemy media, only individuals who poorly understood and a few rock bands still carry it. Collaboration with political parties whom are "right" is a total waste of time and also a great contradiction. Most of them hate us and will be the first to fight an insurgency of National Socialist. Parties are not represented by the National Socialists because space is not allowed within said "democracy." We are in total opposition against the dictatorship of money and the forces of international Zionism.

The "left" and "right" wings mean nothing to us, we overcome such labels. We are collaborating with groups aimed at the destruction of our system and government. Even if such organizations have different ideas or even contradictory to ours, we have a common enemy: the System. We march separately, but we attack together. When we quarrel between us, the system will be strengthened. National Socialism is the end of an era of decadence and the beginning of an era of prosperity. Our goal is Year Zero, the renewal of a time, so we are totally revolutionary.

2. Is National Socialism capitalist? "We therefore call for:

11. The abolition of money obtained without work or effort.

12. In view of the enormous sacrifices of war requires that all assets of the people, personal enrichment in the war must be regarded as a crime against the people. Therefore demand the confiscation of all war profits.

13. We demand the nationalization of all monopolies.

14. We demand a share in the profits of big business.

15. We demand a generous extension of social assistance to the elderly

17. Demand a land reform suitable to our national requirements, the creation of a law for the free expropriation of land for the purposes of the common good. Abolition of the agrarian interest and disabling all speculation with land.

18. We demand the ruthless struggle against those who with their activity detrimental to the common interest. Criminals of the people, greedy speculators, etc... Will be punished with the death penalty, irrespective of their religion or race.

19. We demand the replacement of Roman Law serving a materialistic world order by a German Community Law

(...) The common interest comes before the particular interest! " Adolf Hitler and Gottfried Feder - The 25 points of the German National Socialist Workers Party (1920) Blood Against Gold National Socialism understands that the welfare of the community comes before individual interests of any other group. To National Socialism, money is merely a factor of exchange of material goods, a way to mathematically evaluate the work of man for the realization of future exchanges - what we call trade.

All have the right to reap the benefits of their work, provided it is productive and honest. In National Socialism, there is no difference between manual and intellectual labor, no labor divisions when it is honest. We are totally against large corporations that aim to rampantly profit through cruel and immoral ways before the good of the people. We are against companies that destroy the environment because they are more concerned with money than with the future and the world welfare. We, National Socialists, were the first environmentalists in history!

Globalization is a phenomenon that marks the strength of usury and selfishness. It's the end of

borders to the deployment of a global economic system that favors only large elites and not aimed at cultural preservation or the people, but only profit. The internationalism, by overcoming borders, destroy the national culture and promotes a consumerist Yankee anticulture totally à la McDonald's. The TV, an alienating instrument discloses this materialistic lifestyle and numbs society with futile and stupid fun, diverting their attention from the decay of reality. The system, as a capitalist agent, promotes mass immigration in order to acquire the provision of manpower for the employers that intend to reduce expenses and increase profits with no concern for the workers. Prejudice against national workers devalue the work quality,

impoverishes the working class, increases crime, and deploys foreign cultures in nations that should be preserved. "The struggle against international finance capital and the loan has become the most important point of the fight in the nation for its independence and freedom." -Gottfried Feder
Financial speculation is not intended for production, just unbridled profit without any kind of contribution to society. In National Socialism, just the job can be a source of wealth. Money cannot create money, money is not the product, and it is the exchange factor. The capital only fulfills the role as intermediary, it has no value alone. National Socialism supports free enterprise, provided that it is applied in accordance with the principles of the National Socialists. In contrast, big capitalists will use cheap labor from people outside the community – which harms it - for a cost reduction. Also we do not be hesitate to give the due rights of workers or to treat them in a malevolent manner to benefit us. The NS believes that the honest employer and employee can work together in mutual respect in a healthy and balanced environment. Marxists deny culture and race as immutable identity, replacing them by social class, but there is no such thing as a social class. The worker is not and never was an internationalist by nature, he is patriotic – he lives in a community, and has a bond with the land they work. Internationalists are the agents of globalization, bankers, businessmen explorers who cannot see country or nation, but only money.

The spirit of National Socialism is a violent and radical opposition to the spirit of capitalism. It is the rebellion of the creative spirit and sincere human nature against exploitation of power and money. We are engaged in a struggle against capital and financial speculator. National Socialism is the sense of spiritual unity and cultural identity against the forces of greed and selfishness. The Social Revolution "I was and still am a child of the People. Was not by capitalists which I started this fight, but the German workers who took my attitude." Adolf Hitler

The National Socialist German government increased the vacation of workers significantly, reduced the working day to eight hours, and applied a policy for welfare officials to give 2 hours a day of rest with play areas. In a year in office, factories and stores were remodeled following the highest standards of cleanliness and hygiene. Unemployment in millions (Note: Hitler took power in 1933) In three years, more than 23,000 stores were remodeled, 1,200 sports fields, 13,000 toilets and 17,000 canteens were built. More than 6 million jobs were created in only 4 years and the unemployment problem was totally solved. Every German should pay one year of community work to rebuild the nation. Inflation was controlled. Speculative institutions were closed and the unjust profits of bankers, confiscated. The historic National Socialism has proved to be on the side of workers. We represent a worldview that believes in man, who believes in honest and productive work, in the sense of civilization - when the individual understands that they are part of a people and working together for posterity. The determining factor is character, the effort, the work, the individual's will-power, and not the bank account. Already passed the times that tolerate the big bosses and the shareholders that have the destiny of our lives in their hands. National Socialism is the rebellion of man against the power of money. National Socialism is the true voice of the working class! National Socialism is socialist! 3. Is National Socialism "racist"? The enemies of National Socialism did everything to create and link us to a picture of ignorant and prejudiced. They established policies of "racial hatred" in our own nations and the lie that we are "odious" as an excuse to shut us up. By using this pretext, we were persecuted, imprisoned and crucified by the system, and was never given the right to reply.

What the enemies of National Socialism want is for the general public to not know the truth about our ideas and understand our worldview. In fact, our opponents are terrified that people understand the truth about National Socialism and that we stand for high values. His great fear is that the people rebel against the power of money, against the government and against a decaying system. Race and Natural Laws "Think that the fundamental basis of its existence must be to their ancestors." Walter Darré, *La Política Racial Nacionalsocialista* To National Socialism, the races are manifestation of the work of millennia of natural evolution and creation of human diversity. Race is the way in which nature is manifest in us. Destroy and amalgamate races - any race - would destroy all the work of Nature. It should preserve and cultivate our own strain, the legacy of our ancestors, our history and culture. By preserving the blood, we grow, collaborate and evolve with nature. We do not want and do not believe we have the right to destroy, exterminate, or impair any other race. National Socialism follows the concept of personal honor and respect for others people. We want our people as well as everyone else to create a mutual respect and be proud of their own culture, their traditions, and history. Blood and Soil There is no denying the existence of the various races that make up the human species. When we study history, we observed that different cultures are reflective of different races. The argument that races do not exist very often is a myth currently promoted by governments and systems that profit from the creation of multicultural societies. National Socialism believes in the principle of Blood and Soil. Blood is the cultural heritage that we owe to our ancestors and how the ethnic community.

When people share the same origin, creation and traditions, when they have some common ground, a land that their ancestors fought and cultivated for the future, have values and a similar conception of the world, they think and react in a similar way. If the emancipated individualist sentiment is for a sense of community; people tend to care to each other, and are not isolated individuals but members of the same people. This creates a sense of identity and bonding. This feeling is undeniable human and natural. When it exists, people work together, for the collaboration with each other to create the civilization. The Modern World is based on the materialist and capitalist world. It has nothing to do with the idea of community or cultural preservation; it is governed by a consumerist and individualistic anticulture. There is no attempt to maintain or grow the natural groups. The moral of modern societies is the pursuit of personal happiness, which would meet only with the accumulation of capital and material goods. There is no supreme value or spirituality as in National Socialism.

As we are born into a certain environment and are created in a given culture we rarely think about the origin and reason for the existence of communities, societies and nations from which they came (which goes beyond history) and what really unites us all. The Community is the natural and historical consequence of the formation of any people who, over time, through marriage between persons will naturally develop a culture, a set of principles, a way of seeing the world, reaction to certain things, consequently a common history, which creates an identity and a bond. This identity and bond is natural, which has always existed in all tribes and communities of all cultures since the existence of man. This relationship creates a duty and a concern with people with whom we live, there is the goal of working for the common good of you care about. The main point of this question is to try to understand the essence of the multicultural society. Obviously no community (see that there is talk of society) is multicultural since the beginning, then what is the reason for the clustering of people from different cultures, races and principles living in the same space? What unites them? Is it a culture or unique identity? What would be the affinity between these millions of people? The answer is simple: money. The only thing that holds it all together is the system of production-labor-consumption. These are societies in which the essence is materialism and personal gain. There is no bond or mutual concern. As immigrants are people who leave their homeland to go to another to do well, earn money and spend more ("a better life", as sociologists would say). Can you imagine an Indian out of his tribe and abandoning his people to go to another? Only modern societies try to replace that sense of community values such as the eternal search for personal profit, that money is more important than the people. The only reason for the existence of

a multicultural society is trade and money, only this. Therefore, anyone, even where it is anti-capitalist, attacking "racism" would be a natural reaction to defend their space and culture. They would defend any multiracial society, and multiracialism itself, while advocating a society with no essence, history, culture or human bond, but only a system that makes use of the product for his people as purely capitalist interests. There is no reason for the existence of multiculturalism, only the capitalists profit from materialistic and individualistic societies. Exploitation only happens in multicultural societies, not in organic Communities where there is a mutual concern among people. It is perfectly natural that each race has their nation and territory, and that they can live according to their laws, cultures and values.

Therefore, the current societies are multicultural, and all multicultural societies are fundamentally individualistic, materialistic and decadent. The multiracial idea promoted by degenerate sociologists, social engineers and by most Western governments is the idea that countries and nations exist for the sole purpose that individuals must live in search of money for their individual self-realization. It's time we faced the National Socialist conception it is not an abstract idea, but a natural human feeling and a reality. Facing Reality The truth is that racial conflicts do not occur when there is the existence of ethnic Communities, wars and cultural clashes occur only in multiracial societies. It is the instinct of self-preservation that creates hatred and discord, but thanks to multiculturalism that puts different people in the same states, which defends the interests of one another while attacking.

The harsh reality is that multicultural societies do not work. While there are groups of people with values, religions and culture in one location, I.E. a way of seeing the world, they react to certain things in a different way. There will be hatred, discrimination, prejudice and war. It is in the nature of human beings to identify with his neighbor. The bonds formed by the origin, creation and tradition are a reflection of the power of the blood and form our worldview. Different people and cultures have different views. Ideally, each ethnic group has its territory and nation to live according to their laws, their customs and culture farming. The word "racism" can have many different connotations. Some use it as hatred of one race to another, others that it is self-preservation and worship of ethnicity and culture. The point is that National Socialism is a doctrine of love, pride and honor. If there are legitimate multiculturalists, we are. We believe that all races should cultivate their own culture and that the mixture of these creates conflict and destroy them. We do not want the annihilation or inferiority of any race, but the preservation and evolution of human diversity and their differences.

For more on this matter, see: http://gbt.webs.com/David_Myatt.htm 4. Is National Socialism Fascist?

There is much misinformation when it comes to Fascism, and because of this is that most people who talk about it have no idea about what it is really about. The term is often used to define the European nationalist movements and anticommunist character - especially the first half of the twentieth century. In fact, the term "fascism" seems to have no single explanation, since people use it for what they understand, as well for nationalist movements or to any political side which is opposite - pejoratively. National Socialism is almost always related to the fascist movement of the 1920s and also by many regarded as a "fascist ideology". It is often said that the NS is a branch of the movement of Mussolini, or that somehow had been influenced by this, or even a racial Fascism with applied principles. All are false claims of defamation and speculation. Is National Socialism originated from Fascism? Both the Fascist Party and the National Socialist German Workers Party (NSDAP) began in the year 1919. Thus, the two movements have emerged around the same time, with no contact between them. The reason there are certain similarities simply because they were born in a fertile historical context for nationalist and anti-communist groups.

While National Socialism arose from the formation of a Worldview, Fascism emerged as an anti-

ideological movement, which was only based on the post-Marxist unionism. Fascism appeared as a system of circumstance, a reaction to communist and anarchist advance in Italy. Fascism did not have a specific doctrine as National Socialism, just a plan in relation to counterrevolutionary movements of the Red. In Mussolini's manifesto there was no point or any trace of doctrinal or spiritual inspiration, just plain political demands such as women's suffrage, reorganization of the transportation sector, reducing the retirement age, abolition of the Senate, etc... Almost no revolutionary measures compared to those of the National Socialist movement. In 1922, during the March on Rome, where thousands of Black Shirts put Mussolini in power occurred. On November 9, 1923, the National Socialists try the same thing in Munich, and failed, resulting in mass arrests, including Adolf Hitler himself. It was this, if in any way, National Socialism was inspired by Fascism. National Socialism was the idea of a coup and the formation of paramilitary groups like the Black Shirts and SA. In 1920, Adolf Hitler and Gottfried Feder had formulated the 25 points of the NSDAP and in 1925, the book *Mein Kampf* was published in Germany, while Mussolini had nothing but a nationalist and anticommunist discourse. The achievements of the Fascist Party were merely political and administrative, lacking a doctrine or as a complete worldview National Socialism. Then, in 1932, the term "fascism" appears on the Italian Encyclopedia in a space of 37 pages full of photos and graphics. This was the only attempt by Mussolini - Ten years after coming to power - to include a doctrinal and philosophical aspect in his movement. Although the text is signed by the Duce, it is known that it was written almost entirely by Giovanni Gentile. This same text is then published in book form in 1935 - ten years after the release of *Mein Kampf*.

Although Hitler and Mussolini cultivated a friendship for years, no one was carried away by their opinions, which were almost exclusively political and economic. They had advocated a vision of a completely new world. If Adolf Hitler admired the Duce it was for having led Italy as the first European country to contain communism, never for their ideas. If the fascist movement inspired Hitler and National Socialism it was only at the practical level: the idea of the coup - later abandoned by Hitler - and the creation of SA. However, it is much more likely to National Socialist Worldview had inspired the Fascist attempt at creating a doctrine. Some measures and Ideas of a Corporative Fascist State The Fascist philosophy never had any racial character before contact with National Socialism. In fact, the 1st current anti-Zionist Fascists does not appear until 1938 - five years after the arrival to power of Hitler and Mussolini. The most surprising is that there was a reasonable amount of Jews in Fascist movement and often occupying important positions, and even after 1938, very few of these Jews lost their positions in the "Italian" state. The Fascist State declared that foreign Jews over 65 years of age, and before 1938 contracted marriage with Italians - the same miscegenation that the National Socialists were trying to PREVENT with the Nuremberg Laws - were now considered Italian.

The Jews do not assimilate; they infiltrate a state from within and become parasitic. The Jews can never be regarded as European. Just merely political vision and state of Fascism and other current "democracies" may accept Zionists in their homeland and still call them national! Is it possible to be Fascist and National Socialist at once? Almost no one knows the similarities between Fascism and National Socialism, but their differences are much more crucial. "The state is a means to an end. Its purpose is the conservation and progress of a society from the point of physical and spiritual sight." "The human right overrides state law." Adolf Hitler By National Socialism, the state is a means of preserving the breed, to improve the human being as an organic instrument created by man for man. The State in the National Socialist conception exists only as the people accept it as it exists for them. Only races create culture, values and civilization. The state preserves and cooperates only in its progress. The state is the political and administrative implementation of a series of values developed naturally over time by the people itself. "Nothing outside the State, nothing against the State, all for the state" Benito Mussolini

For Fascism, the State is all. The State formulates and implements the life of man. Individual needs are suppressed, while the purpose is ALWAYS the state. The state does not exist for man, but the

man for the state. The state produces; the state creates the nation and people. Fascism never believed in a natural and organic community, had no consideration of the blood, or even the people, it was just a model of state policy in a geographical area bounded by maps. Fascism does not differ much from the current "democracies" that are merely as political states without preserving race and culture with no great moral or value. As European governments now accept immigrants and not Aryans, the Fascist State also accepted them and still regarded them as legitimate. The Fascist conception of the State is, in principle, purely political and administrative. It is thus, totally unnatural and therefore anti-national Socialist. The Fascist worldview is in perpetual conflict with ours, so there would never be a state that was both Fascist and National Socialist. Several of those who proclaim themselves National Socialists also consider themselves Fascists - usually because they are of Italian origin - but this is just a demonstration of ignorance and no study on what Fascism really is.

It is absolutely impossible to be Fascist and National Socialist at the same time because they are radically opposed ideologies and doctrines at crucial points. National Socialism presents a worldview grounded in the Natural Laws and moved by noble ideals where conservation and progress of the people is the purpose of life, and through the state, this purpose is achieved. As for Fascism the people are nothing, the state is everything and people are only subjects. We have nothing to do with the fascist "doctrine". A National Socialist is just a National Socialist. . 5. Is National Socialism a dictatorship? Due to decades of enemy propaganda, the image in which the National Socialist government was portrayed was with that of oppressive terror, suppression of freedom and a harsh and dictatorial regime. The reason for the opponents of National Socialism creating this image was to frighten and create a false impression of the true objectives of a National Socialist State.

It is alleged that a dictatorship is created simply by dissolving parliament and doing away with the current "representative democracy" at the time. The truth is that the German parliament was formed by politicians who only represented the interests of rich and powerful and that they had delivered the nation's destiny in the hands of bankers and all kinds of unscrupulous capitalist, leading the country into one of the biggest economic crises ever seen. Power was divided between numerous politicians - in the most dishonest manner - with different political ideologies, forming a government without any responsibility, moral or personality. National Socialism replaces this system of false democracy and applied the principle of natural leadership, which had a representative and accepted by the people who worked for the interests of this. Adolf Hitler, who as a young man and was a volunteer in the war to fight for their nation, took full responsibility for the fate of Germany and the Germans. He had all the confidence of the people to fully reform the country, improved socioeconomic conditions and ended the unemployment crisis in a short time. He also created new institutions such as the Front Work and Hitler Jugend to restore noble values, and thus build a new society. True Democracy There is the illusion that representative democracy is the best and fairest way to known government. It is the idea that the mere voting will ensure the people a chance to elect candidates who reflect their personal interests - and the individual vote - and thus have control of your own destiny.

The truth is that elected representatives do not necessarily represent the interests of the community - especially when it is a company incorporated in individualistic ideals. Democracy in its true sense is not about voting in any election in a given period of time. Democracy and freedom are inseparable, not something selfish like simply voting. Democracy is a responsibility, to be part of the community and collaborate with it in an honest and positive way. The principle of leadership, Hitler was just a man ahead of his people, a driver of the masses. For him the confidence that incorporates the feelings and real desires of the nation, and thus has full responsibility for their actions and omissions is granted. "With this appeal to voters I intend to show others that governments True democracy is with us and do not hesitate to appeal to people. I do not I believe that any government that had guaranteed power for a term of four years would be prepared to

consult the people within seven months." Adolf Hitler - November 6, 1933 Adolf Hitler was greatly loved and admired. To him was given the trust of the German people, which was always consulted and, at some point - no matter what Hollywood attempts to show - that trust has been betrayed or Hitler acted against the will of the nation. Although there are dozens of film about "German resistance" or any dissent against the National Socialist government, it is known that the traitors and opponents of the state consisted of no more than 10% of the population.

On March 29, 1936, just over three years after Hitler's rise to power, a chance was given to the Germans to approve or disapprove the National Socialist government. There was an election based on pure propoganda just as nowadays, but a query to the people about actions and changes have already taken place. The vote occurred under any kind of coercion, force or intimidation, as observed by all present. The approval German was 44,461,278, which consisted of 98.8% of the votes. A number never before seen in history. In 1938, the people of Austria and Germany had the opportunity to decide for or against unification of both countries. The approval of the Austrians was 99.73% of the votes, the German approval was 44,362,667, representing 99.02%. With the highest rate of approval in modern history, how can Hitler be the cruel monster and dictator portrayed by television, Hollywood, and every other bit of propoganda say he is? Obviously, opponents of National Socialism have a profile and interests to hide. After all, it was the bankers and capitalists who were expropriated by the state. It was the ruthless bosses who were forced to reform its factories, businesses and more rights for workers. Therefore, the National Socialist government reflected the genuine form of democracy. This was no candidate with more money and more resources for advertising elected by people concerned only with themselves and financed by profiteers, but in a real democracy, a real approval by the People.

National Socialism is a real democracy by forming an organic state representing the true feelings and interests of the People. There is responsibility and mutual trust. The state is not formed by lies, canvass, or even a simple win 50% of votes, but an almost total approval unprecedented in history. The National Socialist State is formed by the confidence and will of the nation. 6. What about the Holocaust? Hundreds of books and dozens of films are constantly invented with new dates to remember and writings for "celebrating" the Holocaust - the alleged genocide of six million Jews by the Nazis - in a semi-religious celebration. Of all the slander, this is the most used by the enemies of National Socialism lies spread by those who intend to destroy any attempt to reorganize the National Socialist Movement.

Historians, many times biased and incompetent, which are using the same arguments as their predecessors - based solely on hate propoganda and lies - without even questioning or investigating what has been written, and so, working as true propoganda machines . They treat history as an exact science without allowing at least an answer or defense of the accused, and when this occurs, are not disclosed for fear of the Zionist lobby. Every version of history on the events during World War II was propogated by the victors. The National Socialists was never given the right to at least defend the charges. Sadly, history was written based on hate, propoganda and lies, not facts. Authors and serious historians who dared question the official story - the result of years of propoganda by Zionist - such as David Irving, Ernst Zundel, Robert Faurisson, Paul Rassinier, among others - with various Marxist political orientation and some former prisoners of concentration camps therefore unbiased - were banned, had their works banned and confiscated in several countries and some are in prison in a similar scheme to the Middle Ages. The Lies of Genocide The primary method for alleged genocide is the use of gas Zyklon-B in the gas chambers. The use of that gas has been proven to be scientifically impossible by the Leuchter Report - conducted by an engineer who works with gas chambers to exterminate convicts in American prisons. The gas chambers were actually built by the Soviets and Americans after the taking of the concentration camps, and their construction made it absolutely impossible to make any manner of extermination. They prohibited any of these serious and scientific analyses, and with the Leuchter report taken secretly, proving that the government has something to hide.

Nor is there any proof that there was any policy of extermination, oral or written order of genocide of Jews. It was decided that they should be expelled from Germany and, if possible, from Europe, but some currents of the time advocated the creation of a Jewish State in Eastern Europe, but never exterminated. The rest is pure distortion, slander and speculation. Historical Review The intention of the Holocaust revisionists is not to justify or make political and philosophical debates about what was National Socialism, but a fair and accurate historical analysis of what really happened and what did not happen during the Second World War. Thanks to the alleged Holocaust history, the Jews were given a piece of land in the Middle East called Palestine, and that is now called Israel. The State of Israel today receives billions of dollars in damages for the alleged crimes of Germany to arm against the Palestinian State. The Jews have become an unexceptionable people, because who denounces the Jewish state is branded a "fascist" or "Nazi". And ALL of it depends on the myth of Jewish Holocaust victimization. Defenders of the official story never held a fair debate with revisionists, but prohibit them and imprison them because they are afraid that the truth is revealed.

We do not intend to delve into the study of revisionism here, but here are some pointers for those more interested in historical truth. Authors such as Arthur Butz, David Irving, Carlos Porter, SE Castan, Sérgio Oliveira, Ernst Zundel, Paul Rassinier, Robert Faurisson and also the Leuchter Report. For proofs that the so called "Hocaust" is a total hoax, you can see:

www.jewwatch.com/jew-ebooks-free-downloads.htm vho.org/dl/DEU.html www.ihr.org/ 7. Could I be a National Socialist? After reaching a clear understanding of what National Socialism really is, the abandonment of the old lying massively produced conceptions and disseminated information after so many decades to defame us is necessary. The article presented is just a response to the false ideas and at the same time, a short introduction to the National Socialist doctrine free from distortion or tendentious interpretations.

Personal Revolution A true born National Socialist is predestined to be one. It is not enough to acquire basic knowledge, but owning a good-natured and decent instinct of an honorable person. Studying is useless when the personal essence is incompatible to the essence of National Socialism. Many who had ideas and a world view completely contrary to public opinion succeeded because they were National Socialist born. The National Socialist is an idealist who strives for excellence and struggles to create a new society based on noble values. Life ceases to be a quest for personal happiness and pleasures and becomes a fight for what is right. We give up the individualistic, selfish and bourgeois mentality to live a dignified and honorable manner. We must realize that we are engaged in the biggest fight in history. Do not fight for money, social or territorial conquests, but for the preservation of life itself. National Socialism struggle for a new way of life, a way of honorable and honest life. We fight for something that is pure and correct. The destruction of old ideas and false values, and the understanding and acceptance of the new: the realization of a personal revolution is needed. The National Socialist accepts and understands the Natural Laws. We are a manifestation of Nature and a part of the environment where our actions influence to everyone around us.

We should know and be proud of the culture of our ancestors, as they are part of us, as we are of our children. What we are today is a product of our earlier generations. Our myths and our culture reveal the worldview of our race. The Aryan race has a noble and warrior spirit, a sleeping spirit but being awakened. The solution to our salvation lies in our own culture, our own values, and our own blood. Upon completion of the personal revolution, we find our salvation through self-knowledge, we find that answer when we look inside ourselves. Conclusion The way of life in National Socialist is walking the path of personal honor and awareness for what is right and just. The National Socialist is an example of the honorable person and noble spirit. We are seeking the creation of a New Man, a man willing to pursue their own destiny towards overcoming the selfish nature. National Socialism is in a quest for excellence and creating a better and more just society. Our hands are tied, bound and repressed by our own governments. It is impossible for a National Socialist not to rebel against the current situation where the world is this sick reality. We strive to

achieve our own freedom, freedom where we control our own destiny. We are at war against time. Are you willing to face the hatred and persecution of enemies and traitors? Are you willing to challenge the tyranny and free yourself from the bondage we face? Will you forgo futile pleasures to fight for something you believe with all your heart and know that to be correct? Can you view life as a struggle for our own freedom? Even when we should accept repression and be silent? It's time to wake up; it's time to do something! It's time to stand up and raise your right arm! Subject: 2/04/14 - The Truth About the Bible

This seems to be one of the last steps in exposing Christianity. I haven't posted for a while as I have been making audio sermons.

<http://spiritualwarfare666.webs.com/Audio.htm>

This sermon is exceptionally important for everyone to listen:

http://webzoom.freewebs.com/spiritualwarfare666/Bible_Book_Jewish_Witchcraft.mp3

Unless we take some serious action in the way of working relentlessly to destroy Christianity and to alert thinking, intelligent people, the future is very grim. I wrote this sermon some time ago and everyone here should have read it:

http://gblt.webs.com/Bible_Jewish_Witchcraft.htm

In my many years of research and study, I have found the bible is not the so-called "word of God" but is a man-made book of witchcraft, hence all of the numbers therein. This is used liberally by top Jews in power to enslave the world. Jewish ritual murder

subliminally ties into the Christian mass/service where the nazarene is the child sacrifice; "eat me and drink me" "this is the body of christ..." This son of jewhova, sacrificed by his father...i.e. murdered. In addition, the entire mass/service focuses upon the Jews, Israel and their fictitious history, creating a further subliminal tie. Believers are under a very powerful spell.

http://gblt.webs.com/Jewish_Ritual_Murder.htm

The bible is in nearly every home around the world, and in non-Christian countries, its twin, the Koran is the same. This is no different from the \$20.00 bill and the 911 incident, as the \$20.00 bill is the most common currency handled in the USA. The bible is pushed, it is in hotels, hospitals, nursing homes and is nearly found everywhere. It creates a powerful subliminal tie into the workings of Jewish witchcraft. Many believers have never read the bible, but rely on the interpretations of their corrupted preachers and the ramblings of double-digit IQ idiots, who claim this is the "good book" and believe Christianity to be a help to the poor and the needy and nothing more than a charitable, peace and love promoting movement. Nothing could be further from the truth.

This, like communism itself, is another Jewish lie; another Jewish "brotherhood" program that deceives believers with lies to get them ensnared. As with Jewish communism, intelligence and independent thinking is highly discourage. The mentally retarded are sacred and revered in Christianity, and with communism, the Christianity program [Jewish communism is the higher level of Christianity] goes a step further and mass-murders intellectuals, in what are known as "purgues." The "intelligentsia" are one

of the first groups of people to be destroyed whenever Jewish communism forcibly takes over a country or area.

The success of these Jewish programs has been dependent upon the destruction and removal of spiritual knowledge from the Gentile populace. Jewish communism of course takes everything a step further, as most knowledge is systematically removed, not just any spiritual knowledge, but knowledge in general, and is replaced with Jewish communist propaganda. Where Christianity left off, communism take up. Like the Christian mass/service, where the congregation is forcibly brainwashed [people are bored and their minds are open to suggestion, or are nodding off and very receptive to suggestion and indoctrination]. The tactics are the same with Jewish communism and any fool who believes communism to be liberal needs a serious reality check. Jewish communism is in reality, living according to Old Testament laws and so-called "morals" in the strictest sense.

Christianity like its Jewish root creates the problem and then has its own solution. People are indoctrinated that poverty is a virtue, and the ownership of material things is discouraged. This in turn creates poverty on a subconscious level that manifests in reality. The mind and soul are programmed into poverty. Then...here comes Christianity to the rescue, appearing to those with lesser intelligence to be a hero and savior of humanity. In addition, the bible is chock full of destructive suicidal teachings and advice for living. Christianity creates the problem and then brings the solution that damns us all in the end. They work this from every angle and those who are strong believers, tie into this energy and perpetuate this nefarious program in numerous ways. Birth control and related, especially where they are needed, such as in Third World countries, are highly discouraged. This keeps the poverty running rampant, with Christian missionaries and related spiritual criminals to the rescue. This sort of thing fools the populace every time. Most, being too lazy to read the bible, or do any necessary research believe what they are told, that the bible is the "book of God" and that Christianity is a peace promoting, charitable, institution. Few are also aware of the fact that nearly every war was either directly or indirectly instigated by Christianity, nor are they aware of the fact that Christianity, with its twin of Islam has a foundation of the most heinous mass-murder and torture ever known to humanity. The inquisition finds itself in full power with the stepping off point of Jewish communism.

Getting back to the witchcraft aspect. In order to expose the bible for what it is, one must venture ahead into the unknown regarding the "occult," of which there are numerous threats and warnings against in the bible. There are also curses in place regarding this. Going in, those with lesser courage frighten easily and back out. Those of us who have gone in very deep regarding the occult, spirituality and the powers of the mind and soul...the numbers, the planets and such, have enough knowledge to see the bible for what it really is. You have to have the experience and the knowledge.

All of those bible "prophesies" are also man-made. Yes, this is true. Again, those with lesser intelligence, such as Christian believers and their preachers are deceived into believing these are acts of "God." Well, truth be known, these sorts of things can be accomplished by knowledgeable human beings as well; people who are well versed in knowing how to use occult power. The bible is no "book of God." The fact that is full of numbers

should sound an alarm for many, but the sad truth is most are oblivious to this. Witchcraft uses numbers.

Lilith led me to a book in a second-hand store: Eye to Eye: Facing the Consequences of Dividing Israel by William R. Koenig. The idiot author who is a US senator lacks the intelligence to see through his own writings in the book. Phrases like "because the bible says so" and such reveal the gross stupidity of this deceived believer. It is obvious he cannot think for himself, BUT his research is excellent in providing a summary of events that correlate with the verses in the bible.

Now, every time there are issues involving Israel and before the manifestation of the bandit criminal state; any issues involving the Jews, disasters would soon follow. This is no "act of God." These are curses that were established over the centuries by the Jews, through Jewish ritual murder and related. The energies of believers and the fact that the bible is as ubiquitous as currency bolster these curses and provide a powerful energy host.

For those of you who are unfamiliar with the King Tutankhamen excavation, please take some time and learn about this. The opening of the tomb in Egypt in 1922 unleashed some powerful curses. These curses were also man-made. Ancient Egypt was highly spiritual. These curses were set into motion by gentiles, but the same principles apply...the use of witchcraft. If spiritual knowledge is removed from the populace and in return the populace is force-fed with lies, those who HAVE this knowledge and power become Gods.

Every time there are issues with Israel, the USA or any other country involved pays the price with natural and other disasters, loss of life and destruction, totaling losses in the billions. This is no "act of God" it is the result of centuries old man-made curses put into action by top Jews via Jewish ritual murder and its subliminal support of the Christian mass which focuses on the Jews with the theme of the sacrificed nazarene, which is a child sacrifice, being this is the assumed "son of god."

As with any curse, all of these can be turned right back onto the senders. JoS has had many group workings over the years. In the hands of powerful Satanic mages under the direction of Satan, we can defeat all of this. If this is not done, the future is doomed. Knowledge is also a very important key, as the more people who wake up to the truth of the Christian and Muslim programs; this will act in breaking the spell. These programs are nothing more than powerful spells that masquerade as being the "word of God" and keep humanity in chains. The slavish worship lavished upon jewhova and that nazarene are then transferred to the absolute worst of criminals, such as Josef Stalin, Kim Il Sung, Mao Tse-Tung and other related communist filth that have mass-murdered and tortured innocents by the tens of millions. This is why Satan warns us in the AI-Jilwah against worshipping:
"No god has a right to interfere in my affairs, and I have made it an imperative rule that everyone shall refrain from worshipping all gods."

Satan does not demand slavish worship and warns against this sort of thing as this sets up the populace to be enslaved and destroyed. Satan stands for rebellion, individuality, and freedom and above all, for the advancement of humanity.

The USA has been targeted for communism. High Priest Micama Gmicalzoma has also made youtube videos of my sermons:

<https://www.youtube.com/user/iknowthetruth88/videos>

Deluded Christians and Muslims blame everything on Satan. They do not have enough intelligence or knowledge to see everything is of their own so-called "God," who was a murderer and a liar from the beginning, and who depends upon human sacrifices. This in reality is the Jewish people. Again, as I have stated many times before, there is nothing spiritual about the bible, nor is there anything therein to advance humanity in any way; only to keep everyone enslaved and damned. The Old Testament, being full of genocide, infanticide, mass murder, torture, looting and plundering, war, and the enslavement of Gentiles is a system. This is used by Jew communism whenever it takes hold of a nation or area. Before actual communism, the Catholic Church and its inquisition acted by the exact same methods. Under this murderous institution, same as with Jew communism, all knowledge was removed from the populace, hence the term the "Dark Ages" and replaced with compulsory church propaganda, same as with communism brainwashing. The New Testament with the communist teachings of the nazarene is chock full of suicidal advice such as cut off thine hand, pluck out thine eye, turn the other cheek, walk the extra mile, bless those who curse you, having blind faith, and other nefarious teachings to destroy humanity; preparing the unknowing populace to readily accept communism. And, as for "blessing those who curse you" the bible is very direct regarding blessing the Jews and Israel.

Some idiot preacher made a youtube video regarding the new \$100.00 bill and how this time it is much worse than the \$20.00 bill in the way of enacting disaster. Of course, the buzzard brained idiot blames this on Satan out of extreme stupidity. The level of stupidity and idiocy within Christianity is staggering to say the least. Satan has been trying to get through to those with enough sense to see through all of this. Satan is the liberator of humanity. Satan stands for rebellion. Unless Christianity and its twins of communism and Islam are completely destroyed, there will be no future for any of us.

Group rituals will be forthcoming...

Pope Francis Named as Child Trafficker by Eyewitness

<http://salem-news.com/articles/february022014/francis-child-cases.php>

TCCS Breaking News from Rome and Madrid; Pope also covers up "Holyrood Agreement" extending child rape concealment to Church of England.

Jorge Bergoglio - AKA Pope Francis

(ROME ITCCS) - A former civil servant in the Argentine military junta who is living in exile in Spain claims that Pope Francis engineered the kidnapping and trafficking of children of political prisoners during the Dirty War of the 1970's.

The man bases his claim on his personal involvement in meetings between Bergoglio and senior junta members that secured the child trafficking networks using Catholic orphanages and religious bodies as covers.

A Spanish reporter who has interviewed the former civil servant states,

"This guy is genuine and has many names and dates, and notes from meetings. Apparently, Bergoglio was promised the top spot in the Argentine church if he cooperated with the junta. So it's small wonder that as the Pope, he's made it harder for honest Catholics to report child abuse, considering his own complicity."

In related news, a Vatican source claims that former Pope Benedict (Joseph Ratzinger) secured an agreement with Queen Elizabeth as head of the Church of England to conceal child rape in that body by adopting the provisions of the canon law "Crimen Sollicitationis".

The agreement was made at Holyrood Castle in Edinburgh on September 16, 2010, during the Pope's unprecedented visit to England that month, the first such visit in papal history.

The adoption of the notorious law by Queen Elizabeth was one of the conditions for the absorption of the Anglican church back into the Church of Rome. It compels all Anglican clergy to subvert the laws of their own countries by protecting child rapists in their ranks, silencing victims and not telling the police of the crime.

Pope Benedict resigned on February 11, 2013, followed in August by the equally unexpected resignation of Vatican Secretary of State Cardinal Tarcisio Bertone, who helped to broker the Holyrood Agreement.

The cancellation of Queen Elizabeth's novel trip to the Vatican in March, 2013 soon after the appointment of Jorge Bergoglio as Pope Francis 1 was connected to the new Pope's concerns that the Holyrood agreement might surface.

Another Day In Commie Paradise

My note this standard issue method in the Communist regimes for all people under the Orwellian state. They arrest and torcher and then kill you and your entire family. This is the inquisition in operation under the banner of Rabbi Marx instead of Rabbi Jesus.

The Soviet Jewion and Koshier Controlled China, each killed over 70 million innocents with the same below behaviour. And Pol Pot wiped out one third of Cambodia the same way.

Christianity & Communism 5 - Life Under Communism - Part 2 - North Korea.mp3

To hear about the reality of life in the real world 1984 that is North Korea.

<http://news.sky.com/story/1201849/kim-j...les-family>

North Korean leader Kim Jong-Un has killed all of his executed uncle's close relatives, **including children**, say reports.

South Korean news agency Yonhap quoted "multiple sources" as saying General Jang Song-Thaek's brothers, children and grandchildren were rounded up and shot.

Some relatives were spared and sent to live in remote villages in the impoverished country, the report added.

Among those executed were North Korea's ambassadors to Cuba and Malaysia, who were both related to Mr Kim's uncle by marriage.

General Jang, 67, considered the second most powerful man in North Korea, was dragged out of a party meeting and executed last month on charges of attempting to overthrow the communist regime.

North Korean leader Kim Jong-un, flanked by his uncle North Korean politician Jang Song-thaek, leaves a military parade in Pyongyang

General Jang was executed by his nephew for alleged treason

Yonhap quoted one unnamed source as saying: "Extensive executions have been carried out for relatives of Jang Song-thaek. All relatives of Jang have been put to death, including even children."

Another source said: "Some relatives were shot to death by pistol in front of other people if they resisted while being dragged out of their apartment homes."

"The executions of Jang's relatives mean that no traces of him should be left," a third source said.

South Korean news agencies have been known to publish unconfirmed stories from the North.

But the latest claim ties in with a report by the Daily NK news website, run by North Korean defectors, which said more than 100 members of Mr Jang's family had been arrested before Christmas.

Yonhap said those killed included General Jang's sister Jang Kye-sun, and her husband and ambassador to Cuba, Jon Yong-jin.

General Jang's nephew and ambassador to Malaysia, Jang Yong-chol, and his two sons were also shot dead.

The Kim dynasty has ruled the isolated country for more than six decades.

Observers said General Jang was considered the man who could help his nephew establish himself in power, but also presented the greatest threat to the young leader.

Mr Jang's widow, Kim Kyong-hui, was thought to have survived the purge, but was later reported to have taken her own life.

As with the previous article this one shows that Russia is just the Eastern wing of the Jewish World Order cabal. And is marching the Russian's into the same Globalist slave state they are to the West. With much of the same policies as well.

Russian Intelligence and Islamic Terror

Frontpage Interview's guest today is Konstantin Preobrazhenskiy, a former KGB agent who became one of the KGB's harshest critics. He is the author of seven books about the KGB and Japan. His new book is KGB/FSB's New Trojan Horse: Americans of Russian Descent.

"Americans generally believe that Russia is as afraid of Islamic terrorism as the U.S. is. They are reminded of the war in Chechnya, the hostage crisis at the Beslan School in 2004 and at the Moscow Theater in 2002, and of the apartment house blasts in Moscow in 1999, where over 200 people were killed. It is clear that Russians are also targets of terrorism today.

But in all of these events, the participation of the FSB, Federal Security Service, inheritor to the KGB, is also clear. The FSB's involvement in the Moscow blasts has been proven by lawyer Mikhail Trepashkin, a former FSB Colonel. For this he was illegally imprisoned in 2003..."

Putin is very close on a personal level with the powerful Jewish oligarch Abramovich whom some have called Putin's protector and handler. As noted many of these people have direct positions within the government as well.

Duma member

"Abramovich was the governor of Chukotka from 2000 to 2008. " "Abramovich said that he would not run for governor again after his term of office expired in 2005, as it is "too expensive", and he rarely visits the region. However, Russian President Vladimir Putin changed the law to abolish elections for regional governors, and on 21 October 2005 Abramovich was reappointed governor for another term." (wikipedia)

Note: Chukotka is impoverished and remote region of RF, yet resource rich and with big potential to oil exproation. Abramovich, who had and still has lots of interest in oil & resources no doubt has spent the time governing Chukotka productively for his business interest. "Sibneft Begins Offshore Seismic Work in Chukotka's Anadyr Bay December 07, 2005" source. Sibneft was Abramovich's company which he later sold and it went under the wing of Gazprom and its CEO Alexei Miller.
Roman Abramovich - Wikipedia, the free encyclopedia

Chris Hutchins, a biographer of Russian Prime Minister Vladimir Putin, describes the relationship between Russian president and Abramovich as like that between a father and a favorite son; Abramovich himself has stated that his relationship with Putin is a professional business relationship, as signified by his use of the Russian language's formal "Вы" (like Spanish "usted" or French "vous") in addressing Putin, as opposed to the informal "ты" (Spanish "tú" or French "tu").

Putin saves Abramovich's US safe haven

By John Helmer

http://www.atimes.com/atimes/Central_Asia/JK27Ag02.html

A deal with Kremlin makes Jewish oligarch Vekselberg the richest man in Russia:

<http://www.telegraph.co.uk/finance/newsbysector/energy/oilandgas/9627351/TNK-BP-deal-makes-Dr-Vekselberg-richest-man-in-Russia.html>

Next the above Abramovich is the Jew Khodorkovsky the two of them are the most richest people in Russia and in the top level of the Jewish oligarchy in change of Russia. Note Putin got this character out of trouble once the cost was clear:

<http://en.wikipedia.org/wiki/Khodorkovsky>

Mikhail Borisovich Khodorkovsky (Russian: Михаи́л Бори́сович Ходорко́вский, IPA: [mʲɪxɐ'ʲil xɔdɐ'rkɒfskʲɪj]; born 26 June 1963) is a Russian businessman, oligarch,[2] philanthropist, public figure and author.

In 2003, Khodorkovsky was named Person of the Year by Expert, sharing this title with Roman Abramovich. In 2004, Khodorkovsky was the wealthiest man in Russia (with a fortune of over \$15 billion) and one of the richest people in the world, ranked 16th on Forbes list of billionaires. He had

worked his way up the Communist apparatus during the Soviet years, and began several businesses during the era of glasnost and perestroika. After the dissolution of the Soviet Union, he accumulated wealth through the development of Siberian oil fields as the head of Yukos, one of the largest Russian companies to emerge from the privatization of state assets during the 1990s."

He was arrested on 25 October 2003, to appear before investigators as a witness, but within hours of being taken into custody he was charged with fraud. The government under Vladimir Putin then froze shares of Yukos shortly thereafter on tax charges. The state took further actions against Yukos, leading to a collapse of the company's share price and the evaporation of much of Khodorkovsky's wealth. He was found guilty and sentenced to nine years in prison in May 2005. While still serving his sentence, Khodorkovsky and his business partner Platon Lebedev were further charged and found guilty of embezzlement and money laundering in December 2010, extending his prison sentence to 2014. Khodorkovsky was [b]pardoned by President Vladimir Putin [/b]following lobbying for his release by Hans-Dietrich Genscher, and released from jail on 20 December 2013. [3]"

It pays to be Jewish in Russia. Just like in America:

Kremlin provides bailout to Jewish banker
By Grant Slater November 5, 2008 8:56pm

The Kremlin reportedly dipped into a fund to allow a prominent Jewish businessman and Kremlin confidante to pay his debts.

The Russian government set aside \$2 billion for Mikhail Fridman and his holding company, the Alfa Group, that would allow him to pay Deutsche Bank AG, The Wall Street Journal reported.

Fridman, 44, is the first oligarch to receive funds from the account of funds stashed away from Russia's windfall oil profits in recent years. Russia's financial sector has not been immune to the global credit crisis, and market turmoil in recent weeks has led to jitters among Russia's wealthiest.

The loan from the \$50 billion fund would allow Fridman to maintain his stake in Russia's biggest cell phone provider, Vimpel Communications.

Fridman and his Alfa partners founded a Jewish philanthropy group last year aimed at increasing Jewish identity among Russian speakers worldwide. The Genesis Philanthropy Group is still in its nascent stages.

Jews in the former Soviet Union are feeling unease that local funding for Jewish causes may be curtailed as oligarchs lose billions amid the global financial crisis.

More Jewish Oligarchs who got bail outs from the Russian government just like all the Jewish banker oligarchs in American who received mass bail outs as well:

Deripaska, Oleg (UC Rusal) - Jewish multi-billionaire oligarch, reportedly friendly with Putin and a member of the Kremlin elite.

Vekselberg, Viktor. (UC Rusal) The richest man of Russia 2012. This oligarch of mixed Jewish-Ukrainian origin is also held a big stake and board chair in bailed out Rusal.

Khan, German (Alfa group) - a Jewish oligarch, also a prominent member of the Jewish congress and a contributor to Jewish and "tolerance" causes.

Aven, Pyotr (Alfa Group) - a Jewish oligarch connected to Putin since early 1990s.

Abramovich, Roman (Evraz Group) - a Jewish multi-billionaire oligarch, reportedly very friendly

with Putin, also a statesman in Putin's Russia

Shvidler, Eugene (Evraz Group) - friend and partner of Abramovich, a Jewish billionaire with a stake in Evraz Group

"He remains very close to the Kremlin and he is understood to be close to Russian prime minister Vladimir Putin". \$2.3 B As of March 2013 (official and publicly known wealth).

Mikhelson, Leonid. Part-Jewish although he doesn't publicly admit or identify with it. He controls Novatek - one of the most important natural gas companies in RF. \$15.4 B As of March 2013. Deals and partnership with Kremlin-controlled Gazprom is a source of much of his fortune.

Prokhorov, Mikhail Dmitrievitch . multibillionaire (\$13B as of 2013) of Jewish-Russian-Osetian origin, jew by mother's side [...] politician, and owner of the American basketball team the Brooklyn Nets, and different nickel and gold producing factories in Russia. He is well known for his contempt towards workers and awful working conditions in his factories. On decent terms with Kremlin.

Rottenberg, Arkadiy (and his brother Boris). Jewish billionaire (\$3.3B as of 2013, and \$1.4B for Boris Rotenberg) and one of the richest men in Russia, personal friend of Putin, his former judo training partner. The huge capital he earned through personal acquaintance with V. Putin, last years he got practically unrestricted flow of budget money.

Shvidler, Eugene. Another Jewish billionaire (\$1.3B as of 2013), natural resources tycoon, friend and partner of Abramovich. Together with Abramovich holds stakes in Evraz group - one of the biggest natural resource companies in Russia.

Why Putin is an enemy of Russian nation, Russian patriotic movements and Russian state. by A. Saveliev

I. Putin is an enemy of Russian nation

1. During 8 years of Putin`s reign, number of ethnic Russians in Russia shrunk by 8 millions. Annual demographic losses are the same as in 1990`s, when Yeltsin was in power and when Russia didn`t have huge profits from oil and gas export. Number of officially registered abortions is stable, about 2 millions per year. Quality of medical care significantly dropped, free state medicine is almost destroyed and substituted by commercial medicine. Vast majority of Russian citizens can`t afford it.

2. During Putin`s reign, dozens of people with capitals above \$ 1 bln legalized their money. In Yeltsin`s time, there were only 7 people with such capitals. Now their numbers increased tenfold. At the same time, life of at least 2/3 of Russians is still at levels of just physical survival.

3. By changing immigration laws, Putin opened borders for millions of non-white immigrants. Many non-native societies were formed in Russian cities. They are terrorizing local indigenous population with help from Putin`s protégés, who hold all of the key positions in administrations and law-enforcing structures. All protests are stamped by illegal arrests and non-lawful court decisions.

4. Putin de-facto acknowledged an independence of Chechnya and the fact, that 500 thousands of ethnic Russians were cleansed from this region, and also gave amnesty for all bandits and terrorists, who fought against Russia. Some of the terrorists even received the "Hero of Russia" award, the highest award in Russia. Russian refugees from Chechnya didn`t receive any help, although ethnic Chechen "victims of the war" received and continue to receive tens of thousands of dollars per person.

5. Putin systematically destroys Russian culture by giving control over all leading cultural, educational and media resources to non-Russians or to perverts. Medias systematically destroy traditional morale, discredit Russian history, defile Russian language and substitute cultural examples of Russian classics by low-quality filth. Higher education almost fully turned to be commercial and can only be afforded by a rich minority of the Russian citizens. School education is almost destroyed. In last years, those who leave schools lack even some elementary knowledge.

II. Putin is an enemy of Russian society

1. Putin threw a hurricane of repressions toward Russian social and political organizations: prohibition of books and closing of Russian newspapers turned to be a usual practice. ~ 300 of political prisoners are jailed for their political activities in Russian organizations.

2. Putin destroyed the only patriotic party, "Rodina" ("Homeland"), that entered Russian parliament in 2003. By using non-lawful court decisions, he prohibited this party to participate in regional elections in 2005-2006, and than "Rodina" was destroyed because of the inspired internal coup`d`etat.

3. Putin didn`t let any patriotic organization, concerned with the "Russian question", to participate in 2007 parliament elections.

4. Putin constantly visits social rallies of the Tatars, Jews, different diasporas of the Asian nations, but he never participated in any such event of Russian organizations.

5. Putin openly supports warm relations with Hasid`s leader Berl Lazar. Mosques start to rise in core Russian cities.

6. Putin created totalitarian party of Russian bureaucrats – the "United Russia", and led her to parliament elections in 2007, thus breaking the non-party status of a Russian president. This party is ultra-liberal in her core and serves in interests of oligarch groups, that grabbed all of the Russian national riches.

III. Putin is an enemy of Russian state.

1. Putin finally destroyed Russian armed forces ability to defend Russia. Leading military academies were closed. Space military-oriented know-how are selling out, space station "Mir" was sunk in the ocean. Under Putin`s rule, numbers of police forces, dedicated to quell all national-oriented opposition, are twice larger as numbers of army soldiers and at least 3-4 times larger, than number of police (per capita) in the Stalin`s USSR in 1930s. Naval Russian forces were radically shrunk, leading military industries and science were destroyed. Putin send a lot of Russian soldiers and officers, who fought against Chechen terrorists, to jail in order to pay new Chechen leader Ramzan Kadyrov for an illusion of his loyalty.

2. Putin created strong top-to-down corruption system. Highest ministers and bureaucrats combine their "state service" with "working" in a huge oil and gas export companies, where they receive moneys equal to their official salaries for hundreds of years.

3. Russian law-enforcing system totally degraded and turned into a kind of an organized crime. Criminal activities are common for the special forces (who sell military secrets and fully control all major activities in a foreign trade), courts (who follow orders from the corrupted officials), militia (who takes bribes from citizens at every step), prosecutors (who don`t try to fight with corruption).

4. Putin, with his own decision, gave 200 square kilometers of Russian territory to China, without any needs and lawful reasons for this

A few things...

Everyone who has been participating in group rituals, and those of you who are interested in doing so, please check these groups at least once a week from now on. I know there are those of you who are busy and do not always have time, but try to check the JoS Newsletter, which is not too cluttered with messages, as I will be posting some very important rituals. These rituals will be easy, short, powerful and to the point. I will be writing them under Lilith's direction.

<https://groups.yahoo.com/neo/groups/JoSNewsletter/info>

and/or

<http://josministries.prophbb.com/>

We are looking to the Vernal Equinox/Spring Solstice as well. The focus of these rituals will be reversing bible curses and related. Yes, this can be done. Lilith is overseeing this project, and working with certain JoS ministry. This will not be a one shot deal, as there may be quite a few, but they will be simple and powerful. Just make sure you put aside time on these important Satanic Holidays to do the working.

Also, as I wrote of before concerning formal rituals, "invoking the Powers of Hell" translates into empowering your soul before a ritual. This can even be done through a hatha yoga session, but most commonly through vibrating the aspects of your soul as with the RAUM meditation.

http://gblt.webs.com/RAUM_Meditation.htm

The most important thing is that you feel the energy of your soul. Altars and props are not necessary, unless this is something you personally enjoy, as they are nice, but again, they are only props and not necessary for any workings. Do not feel you cannot carry out a working or participate because you do not have any props. All you really need is your body and soul, and most important, the intent and the focus of your mind, and of course a place where you will not be disturbed during the working.

The conspiracy of the bible is mind-blowing to say the least. As I posted a few days ago, this is no "work of God," but a work of human beings who had extensive occult knowledge. The Christian churches are crumbling. Israel is facing boycotts and crisis and the enemy as a whole has been weakened. We cannot turn our backs or let our offence down for a minute. In the meantime, keep working to destroy the Christian bulwark. Discreetly distribute anti-tracts for one [always use very short phrases that make impact for certain audiences such as "God and the Devil are backwards" exposingchristianity.com

Keep everything simple, short and to the point. Wake people up. Put up websites. Put up youtube videos, make copies of materials freely available on Satan's Library website for those you know that are interested but do not have internet. Many countries have strict censorship of the internet and also many people living therein do not have access. Do whatever you are able to do and work discreetly.

http://spiritualwarfare666.webs.com/Satans_Library.htm

Above all, ask for guidance from Satan. You do not have to be adept at telepathic communication for this. Even those who are new. Just open your mind to be aware of opportunities, ideas and gut feelings.

Putin helping to enrich his Jewish friends.

Several of the companies chosen to remake Sochi for the Olympics are owned or co-owned by Arkady Rotenberg, a childhood friend of Putin. News reports and Russian watchdogs say Rotenberg's Sochi contracts alone are worth more than \$7 billion, which rivals the entire cost for the 2010 Vancouver Winter Games.

Putin Buddy Gets \$7 Billion of Deals for Sochi Olympics

j !Sochi Mayor Says Olympic Concerns Are Unfounded

Arkady Rotenberg, the boyhood friend and former judo partner of black-belt President Vladimir Putin, already is collecting his winnings from what promises to be the most expensive Winter Olympics ever next year.

Rotenberg's companies have been awarded at least 227 billion rubles (\$7.4 billion) of contracts for the 2014 Sochi Games, according to figures compiled from corporate and government filings. That's more than the entire budget for the 2010 Vancouver Olympics, though it represents just 15 percent of Russia's latest estimate for the Sochi event.

Those contracts, which number at least 21, include a share of an \$8.3 billion transport link between Sochi and ski resorts in the neighboring Caucasus Mountains, a \$2.1 billion highway along Sochi's Black Sea coast, a \$387 million media center, and a \$133 million stretch of venue-linking tarmac that will double as Russia's first Formula One track.

"This is a monumental waste of public money," Stefan Szymanski, a sports economist at the University of Michigan who tracks Olympic spending, said by phone from Ann Arbor. "A small number of people at the top have control of resources and there is no accountability."

\$50 Billion

Rotenberg, 61, is among a handful of men Putin has known since childhood or from his days in the KGB or St. Petersburg government who've amassed riches and power during his 13-year rule. Their fortunes have come at times at the expense of men who flourished under his predecessor, Boris Yeltsin, and the consequences of the differing wealth pedigrees are on display in Putin's \$50 billion push to prepare Russia for its first Winter Games. The country is considered the most corrupt of the Group of 20 economies by Berlin-based Transparency International.

While Rotenberg and longtime Putin associates such as Gennady Timchenko, co-founder of oil trader Gunvor, and OAO Russian Railways Chief Executive Officer Vladimir Yakunin, stand to gain from Russia's Olympian largesse, Yeltsin-era tycoons led by Vladimir Potanin and Oleg Deripaska say they're getting squeezed.

Potanin and Deripaska, the CEOs and largest owners of OAO GMK Norilsk Nickel (GMKN) and United Co. Rusal, respectively the world's largest producers of nickel and aluminum, have been handed projects that may not turn a profit for years, if ever. Potanin is spending \$2.2 billion on the resort where most of the skiing events will take place, while Deripaska is putting \$1.5 billion into revamping the local airport and constructing a port and one of two Olympic Villages to house athletes and officials.

'Commercially Useless'

Rosa Khutor, Potanin's facility, has missed 14 billion rubles of interest payments on loans from state development bank VEB because it's been closed to tourists for parts of three peak seasons for test competitions, Sergei Bachin, the head of the project, said in an interview in Moscow on March 12.

The resort, serviced by state-of-the-art ski lifts from Doppelmayr of Austria, was all but deserted on a sunny March 7 because the slopes were cleared for a para-alpine World Cup championship. Rosa Khutor will need to spend another \$130 million after the Olympics to convert the facility into a fully commercial operation, Bachin said.

"A lot has been built for the Olympics that is commercially useless before the games and after," Potanin said last month during a tour of his project with Putin and Jacques Rogge, president of the International Olympic Committee. "The money has been spent and interest is accumulating."

Basic Element

The \$200 million port Deripaska's Basic Element constructed to dispatch Olympic building materials is handling as little as one-fifth of the planned volumes because freight traffic has been redirected to railways and roads, making the venture unprofitable, according to the company.

"If investors don't get any return or government support and in effect lose a large part of the funds they've invested in the Olympics, it won't have a positive impact on our investment climate," Basic Element Deputy General Director Andrey Elinson said during a March 12 interview in Moscow.

Olympstroy, the state company overseeing Sochi's transformation, declined to detail the costs of its individual projects. Olympstroy has had four general directors in six years.

The bulk of Rotenberg's Olympic contracts are held by OAO Mostotrest (MSTT), a Moscow-based company set up under Josef Stalin in 1930 to build bridges across the Soviet Union, according to its website. Rotenberg and partners, including his son Igor, gained control of Mostotrest in 2010, just before the company raised \$388 million in an initial public offering.

Putin Link

Rotenberg's aide said he was unable to comment on his work on the Olympics. Officials at Mostotrest didn't respond to requests for comment by e-mail and phone, nor did Stroygazmontazh, another Rotenberg company with state contracts.

Rotenberg told the Financial Times in an interview published in November that while he values Putin's friendship, he'd never abuse it for personal gain.

"I have great respect for this person and I consider that this is a person sent to our country from God," the newspaper cited Rotenberg as saying about Putin.

Dmitry Peskov, Putin's spokesman, said Rotenberg's success is unrelated to his ties with Putin.

"No friendship can grant you access to Olympics projects, which are very difficult to get because they're hard to implement and aren't as profitable as many other construction contracts," Peskov said by phone on March 15.

Gazprom Pipelines

Rotenberg gained his fortune by selling pipes and building pipelines for state-run OAO Gazprom (GAZP), the world's largest gas producer. Stroygazmontazh, which Rotenberg owns with his brother Boris, built a gas link to boost supplies to Sochi for 32.6 billion rubles, five times more than first budgeted, according to Olympstroy and government data.

The Rotenberg brothers are now worth \$2.97 billion each, more than all but 35 Russians, Moscow-based CEO magazine estimated last month. That's up from \$1.75 billion each in 2011.

The controlling stake in Mostotrest (MSTT) that the Rotenbergs held via their 68.5 percent interest in Cyprus-based Marc O'Polo Investments Ltd. declined to 38.6 percent after the IPO, according to the company.

Mostotrest "somewhat disappoints investors with its annual performance forecasts," said Elena Sakhnova of Moscow-based VTB Capital. Even so, Sakhnova is one of 12 analysts with a "buy" rating on the company's stock, according to data compiled by Bloomberg. "Mostotrest gets very good contracts, not without Rotenberg's help," she said.

Shares Rise

Mostotrest shares closed up 0.1 percent at 136.83 rubles in Moscow, after gaining as much as 1.9 percent on the benchmark ruble-denominated Micex Index.

The largest single Olympic contract for the \$8.3 billion rail-highway link went to state-run Russian Railways, which then hired Mostotrest and a company now part-owned by Putin ally Timchenko, SK MOST, among other contractors. Russian Railways' pension fund owns 25 percent of Mostotrest.

Putin, 60, has fought to host global events to raise Russia's international profile and boost growth through state and privately funded infrastructure projects, including last year's Asia-Pacific Economic Cooperation summit in Vladivostok.

The Audit Chamber, Russia's budget watchdog, last November said it found that about \$490 million of the \$20 billion Russia allocated for the APEC summit was "improperly spent." About \$506 million has been misspent in Sochi thus far, the watchdog said this month, declining to be more specific.

'Rough Estimate'

Russia in September doubled its forecast for spending on the 2018 soccer World Cup to almost \$20 billion, a figure Sports Minister Vitaly Mutko called a "rough estimate," according to state news service RIA Novosti. Brazil's Sports Ministry last year said it planned to spend 30 billion reais (\$15.1 billion) on projects linked to its staging of the 2014 World Cup.

Putin, who has repeatedly vowed to crack down on corruption, last month fired the vice president of the Russian Olympic Committee, Akhmed Bilalov, saying his brother's company, which had the contract for the ski-jumping complex, was over budget by a factor of seven and behind schedule.

"The main issue is to be sure nobody steals anything," Putin said Feb. 6 before the announcement of Bilalov's dismissal.

Three days earlier, Rotenberg's Mostotrest said it would seek to sell its Engtransstroy unit, which has at least four unfinished Olympics contracts, including the Formula One track.

Road Contracts

Bilalov, who has since left Russia, started having trouble in 2011, when organizers told him to spend what would amount to \$200 million on roads and other works that weren't in the contract once held by his family's company, according to his representative in Moscow. Bilalov denies costs jumped sevenfold, saying they only increased 60 percent, according to the representative, who asked not to be identified because of the sensitivity of the matter.

Police have announced one major case of financial fraud related to the Olympics. That was last August, when the Interior Ministry put out a brief statement saying investigators had foiled a plot to embezzle 8 billion rubles. No details were provided. The ministry and the Prosecutor General's Office in Moscow didn't respond to requests for comment on corruption in Sochi.

"The cost overruns are due to corruption, the clan system and a lack of competition," said Sochi native Boris Nemtsov, a deputy prime minister under Yeltsin and a political opposition leader who tracks government spending. "All the main contractors in the Olympics are people close to Putin."

Cost Overruns

Sochi Mayor Anatoly Pakhomov, who defeated Nemtsov in his 2009 election with 77 percent of the vote versus 14 percent, said spending concerns are unfounded because any "wrongdoing" is quickly discovered and halted by authorities.

"Some people have latched onto the rising costs, but that can happen because of unforeseen circumstances," Pakhomov said in an interview in his office March 6. "There won't be any witch hunts after the Olympics."

Money wasn't an issue later that night at the Blue Sea, a trendy Sochi eatery where vintage Louis Roederer Cristal Rose champagne goes for \$1,600 a bottle and a basic crab dish can set you back \$300. The seafront restaurant was packed with well-coiffed women laden with furs and gems, a reflection of the extravagance transforming this former Soviet city of 343,000. Outside, trucks full of materials continued to inch toward their Olympic destinations, spreading clouds of dust.

For Gurban Babayev, though, there's nothing to celebrate. Babayev, who operates a small fleet of motorized cranes, says he's been chasing Olympics subcontractors for \$65,000 in unpaid bills for more than a year, including \$6,500 from a unit of Rotenberg's Mostotrest.

Even with a court ruling, seen by Bloomberg, ordering one of the subcontractors to pay up, Babayev said he still can't find anyone in authority to help him collect.

"You can't go against a presidential project," Babayev said. "This is so bitter for my soul. I earned this money with my blood."

This is a more serious issue than most people know. For the lazy individuals who can't be bothered, if not enough people take action against this, it will only go on. In addition, for those of you who do not eat meat, much is also being done to destroy crops with this same kind of artificial tampering, which also includes seeds for one's garden. Our entire food chain is being seriously contaminated and as long as people sit back, pass the buck and don't bother to take any individual action, this will go on and at some time, everyone is going to regret it. Subject: Giving energy to Satan and Lilith - February 13th and 14th.

Hello to our Warriors and our People.

This is a call to arms. It will be a simple action everyone, new or advanced should be doing. This is for one, so we can receive more help from the Gods and Satan, but to hasten the manifestation of our victory. We take a stand against our enemies and we ARE taking action.

This is something we will all do to aid and in a sense repay our Gods and Father Satan. I am openly calling to all our dedicated people to take action and participate in this offering of energy to Father Satan and Mother Lilith. As most people know, Satan and His Wife Lilith are patrons and guides both to all of us collectively but the Ministry aswell. In other words they relentlessly aid us with guidance and knowledge so we can free ourselves, achieve Godlike Powers and finally free the world from this unjust and horrendous rule of the jewish beings, who have been making us suffer and do all sorts of injustice towards us.

They need to be stopped. How this will happen is one through our effort, two towards the Gods and finally, through our collective effort. By giving to Satan and Lilith you are giving back to yourselves.

Now to the main point. I will be making this fairly simple so anyone can do this.

We will create an energy ball and direct it to Satan and Lilith, programming this energy ball to be under their total command and control for any purpose they wish.

You can do this for February 13th, but it would be ideal to do this for 2 days straight so a commendable amount of energy can be raised. This also is in honor of Valentine's day, which was desecrated by the enemy. Traditionally this date is to honor the merging of the male and female principle. When the Ida and Pigala Serpents meet they form the shape of the heart and this is why this symbol is used so much. So in a sense lets honor Satan, as the Divine Male and Lilith as the

Divine Female.

Steps:

1. Imagine and by breathing in pull energy from the Sun and accumulate it in front of you in a ball. The ball should be bright and clear.
2. Now vibrate "Ra" or "Aum Suryae" or "Raum" or "Sol" or any other vibration of the Sun for either 9, 40, or 108 repetitions. This will intensify the power of the ball of light.
3. Focus on this ball and program this ball to be obedient to the commands of Lilith and Satan. Then imagine the ball leaving your room and getting in front of them. An affirmation for this could be " This ball is under the total command and Will of Satan and Lilith so they can use this energy as they desire."

Beforehand, you can tune in your GD or Satan so they can assist with this.

This is it. The Gods use this energy for our collective advancement and protection.

North Korea Through the Eyes of Witnesses

My note what happens in North Korea is the same in all Communist countries. This film is Jewish Communism in its pure form and what National Socialism and millions of free Gentiles under the Swastika fought to liberate humanity and the planet from. Jewish Communism is the other side of Jewish coin as Christianity.

Subject: Christianity, Communism, and Homosexuality			

While the author of these notes uses the term "homophobia," which I don't agree with, these notes are quite revealing. They prove similarities between both ancient and modern views towards homosexuality of the Christian and Marxist creeds, and how Christianity and Communism are one and the same.

1) Homosexuality in Christian "History:"

[Homosexuality In Classical Antiquity](#) : In 342 (*Codex Theodosianus*, 9, 7, 3,) the first law was enacted in Milan regarding passive homosexuals. Harsher penalties were introduced by Theodosius I in a law addressed to the prefect of Rome in 390, with execution by burning (...). This law was inserted in the *Theodosian Code* of 438 (9, 7, 6), but substantially modified and with a wider scope. The new compilation condemned to burning all passive homosexuals without distinction. With the Emperor Justinian the legislation was broadened; every kind of homosexuality was repeatedly condemned with the death penalty".

From [Wikipedia](#): "Justinian's law code then served as the basis for most European countries' laws against homosexuals for the next 1400 years. Homosexual behavior, called sodomy, was considered a capital crime, and thousands of homosexual men were executed across Europe during waves of persecution in these centuries."

2) Homosexuality in Communism:

From [Wikipedia](#):

"Karl Marx and Friedrich Engels both to some level expressed homophobia in their public and private writings "

"In the 1930s under Joseph Stalin, homosexuality and abortion were recriminalised in the nation. Article 121 explicitly criminalised male same-sex intercourse and with five years of hard prison labor as a penalty(...) Homosexuals were sometimes denied membership or expelled from communist parties across the globe during the 20th Century, as most communist parties followed the social precedents set by the USSR. Today, however, nearly all communist parties accept homosexuals and support the LGBT rights movement.

Homosexuality was decriminalized in China in 1997 and was removed as a mental illness in 2002"

3) My Notes:

Christianity is doing the same thing that Communism is doing with homosexuality. It is trying to appear more and more "progressive," while other Christians bitch and complain about the "subversion" of Christianity. While it is true that the inner Catholic Church has been ripe with homosexuality for quite some time, that doesn't make Christianity friendly to homosexuals OR heterosexuals, as for heterosexuals who are not Mormon Christians, but some other branch of Christianity, Christianity is like a birth control pill, as it seizes both homosexuals and heterosexuals with fear of eternal damnation over sex and masturbation. Then, for the children, an indoctrination of an odious lie is introduced that claims that we were "born into sin."

Despite what I said about there being homosexuality in the Catholic Church, make no mistake, Christianity from its inception has discouraged any sex for pleasure between consenting adults, punishing homosexuals and heterosexuals with death, while child rapists go free. This is in the Jewish Talmud where consenting adult sexuality is to be punished with death, but Jewish men or women who seduce young Gentile children are held in high regards.

As for homosexuality enjoying a greater "tolerance" in both Christianity and Communism, these programs are changing with the times, as both of them need more useful idiots, and Christianity is weakening so badly that one's sexual preference doesn't matter as much as it did before. Adolf Hitler never persecuted homosexuals who were loyal to him, but the Jews see to it that he gets the blame for how Josef Stalin treated homosexuals. Under Stalin, "incurable" homosexuals who cannot breed, but are still creative in other ways, were sent to the most horrific mental institutions for the criminally insane. Stalin certainly had Christian Values, while Hitler couldn't have cared less about one's sexual preference, provided that the individual was a good National Socialist. That is hardly Christian.

"American Newspapers claim that Stalin has been preordained to save Christianity." -- from the Goebbels Diaries

4) A message for new people who come to Satanism confused about sexual preferences

Unlike the corrupt Right-hand Path religions of the world, Satanism encourages both homosexuality and heterosexuality, as long as it doesn't involve race-mixing, and that this sexual freedom isn't abused by using it in illegal ways. Satan doesn't care about which gender you're attracted to. Satan only cares if you're a good Satanist/National Socialist. It's as easy as that.

Israel has full access to intelligence collected by US: Analyst

<http://www.presstv.ir/detail/2014/02/16/350932/israel-has-full-access-to-us-intel/>

An American political analyst says Israel has full access to the intelligence collected through spying activities by the United States, Press TV reports.

In an interview with Press TV on Saturday, James Fetzer pointed to an article published by Seattle-based blogger Richard Silverstein, which asserts that there is a facility in al-Quds (Jerusalem) that monitors all US satellite intelligence.

He further noted that the revelation means that the Tel Aviv regime has access to all the intelligence gathered by the US.

"In my opinion, this arrangement apparently implemented by (former US President) George Herbert Walker Bush, is a massive act of treason and betrayal to the people of the United States," Fetzer commented.

The analyst added that a petition drive by former US Congressman and presidential candidate Ron Paul to pressure the US President Barack Obama administration to grant clemency to American whistleblower Edward Snowden is getting very little coverage in the American media.

On February 13, Paul said on his website that he wants Snowden to return to the United States without facing prosecution before his amnesty in Russia expires at the end of July.

He argued that Snowden had done a service through his "courageous actions" and should not be prosecuted for revealing the secrets of widespread communications surveillance by the US National Security Agency (NSA).

Meanwhile, Paul's son, Republican Senator Rand Paul of Kentucky filed a class action lawsuit against Obama and his top officials, saying the US government's phone-data-collection program violates the constitutional rights of the American people.

The Obama administration and many members of Congress have called for Snowden's prosecution. He has been living in Moscow under temporary asylum since releasing thousands of classified documents on NSA spying programs.

The NSA has faced severe criticism for violating privacy rights by monitoring the communications

of Americans and foreigners through sweeping eavesdropping programs.

Subject: Destroy the xian chameleon! Internet Warfare.			

Greetings to the members of our Family.

First on, I need to set straight some arguments going on, on if Satan should be worshipped and so on so forth. Or if he is a supernatural being and that sort of deal. Satan is against slavish worship. He does not in anyway require you or need you to worship him, especially in the xian type of worshipping or in the way the enemy religions preach one should worship 'God'. Yes, Satan is our God and we are faithful to him. In Satanism words like "Faith", "Worship", "Trust", even "Obedience" have a totally different meaning than the meaning of the modern world and these jewish crap they name religions.

Faith in Satanism means, I know, I know by my own experience that Satan does not leave his people down, therefore I know that I will receive guidance, help and the rest of things. Receiving in Satanism is different aswell. Satan is a real being, an Extra Terrestrial and he exists flesh and bone. As with any other being, one has to have manners and be sensible. You get something, you give something. Satan takes you when you are spiritually little, like a kid, from the time you dedicate to him and you join the family of Hell. They do things for you and most people who are with Satan know this. He acts like a Father to us. For instance, I am working for Satan because I love him as a Father. He is and will always be my Father. He does not require me or push me to give back to him, but I do because of appreciation for all he did. And so on so forth.

The jewish imbecile thoughtform, namely the nazarene, wanta slavish worship. He supposedly loves his cattle but lest one sheep misbehave, he is thrown into 'hell'. Not to mention the empty life this religion gives, the total materialism, the loss of individuality. Its complete destruction of the Human Soul and all it ever produced waa problematic, neurotic, hatefull, full of complexities, masses of cattle. This piece of jewish shit gives nothing to his followers but opium pills and lies. They are by the masses, they cannot heal their pain, all they do from the time of birth is reduce, reduce and de-evolve. They pile up mistakes and in ignorance, every year that passes by is more fucked up as one approaches old age. Many die abandoned and in the best situation they will live simply a 'good' material purposeless life, only to get dumped in to a mass energy vortex when dead, or simply wither out in the astral, or get caught in their own paranoia in regards to hell and get to astral planes of torment. Thats all they do and are, as they are either tricked on or due to choosing so, ignorant. If any of these individuals enjoy their lives or does anything beneficial for Humanity its because they simply, due to subconsciously knowing the Truth, they 'disobey' this piece of shit they call 'God'.

Most people lack the nessesary knowledge to see the Truth with their own eyes. If our history is full of bloodshed, misguided and horrific individuals, dark ages and the rest, this ties completely into the enemy religions. Xians and those who are enemy souls and jews, know their job and all they do is simply lie their ass off in regards to anything. They are pathological liars and born actors who will play the nazarene "I am a victim movie" all over, daily, every moment in their lives. You see the same ideology that burned every sort of science for more than 1200 years, that drowned Humanity in its own blood, caused the greatest ignorance and destroyed whole generations, preach now that "Jesus is spiritual" or that "Jesus went in the desert, ate his own shit and he did occult practices". All this chameleon crap to keep the lie going. Humans are very vulnerable in regards to religion and the jewish race knows and exploits this. This is for the reason we used to collectively have a True and Honest Religion back in time, massively and this was SATANISM. The followers of this lie go as far as to be scientists and lie about evident facts. They are rotten and have built a rotten system. All they do is a back and forth in on one hand being who they want and on the other, who the jewish zombie wants them to be, supposedly.

Seeing the xian religion in friendly light or passive light or "I do not give a fuck about the war" conditions is not less hypocritical than xianity itself. If they had the rule and the power over you, you would now be dead and raped meat, a total slave without any rights whatsoever, living in a dump, destroyed in Soul, in Spirit and in every aspect of yourself. They curse our creed in every page of the bible, while they glorify their race of "chosen" jews in every page, in all their litanies, without fail. If this leaves you in a live and let be attitude, I am almost sorry for this, but you must be stupid. If xianity's twin, communism, leaves you idle, while it preaches you will have no home of your own and that you belong to some individual like a slave, that you will work until you die and sleep like a destroyed animal over your own feces, leaves you unalarmed, then you need to wake up...This makes people look STUPID. Stupid because that even bacteria can understand whats good for them, while some few here cannot.

IF SOMEONE UNDERSTOOD THE TRUTH OF SATAN, I CAN NEVER BY HEART BELIEVE THEY DO NOT UNDERSTAND THEY MUST ACT. NOBODY THAT PLEDGED TO OUR FATHER IS STUPID, FOR THEY HAD THE GUT AND INTELLIGENCE TO SEE THE TRUTH.

I WANT YOU TO LET THE RAGE SURGE IN YOUR VEINS. THEIR CRIMES OF CENTURIES NEED TO BE BROUGHT TO LIGHT AND WE NEED TO AVENGE OUR FATHER, OUR GENTILE BRETHEN AND OURSELVES! BELIEVE NOT IN THEIR LIES, LET THE MIGHTY POWER OF SATAN SURGE IN YOUR BEING AND DESTROY THEM. YOU NEED TO AVENGE THOSE BEFORE YOU, THOSE FIGHTING WITH YOU AND THOSE COMING AFTER YOU.

DO NOT LET THEM TAKE THE BLOOD OF OUR BLOOD AND TURN IT AGAINST US, DO NOT LET OUR PEOPLE IN IGNORANCE.

This is the time. I urge everyone to spam for half an hour daily until the end of the month, or for one hour. Do this as a mini project until the end of the month. Rejoice in the fact you make them quake in terror.

WHAT THEY TRY TO DO WITH MILLIONS UPON MILLIONS, LIES UPON LIES, YOU CAN DO THOUSANDFOLD WITH YOUR TIME AND SPREADING THE TRUTH

Satanists must understand- THIS WORLDS FATE LIES UPON YOUR SHOULDERS- MAKE OUR FATHER PROUD!

Subject: 2/22/14			

In Satanism, the ignorant, the lazy, and the stupid are worthless. They are worthless to Satan and the Powers of Hell. They also make ideal slaves. The JoS ministry works very hard to educate JoS members here, making knowledge available, but we cannot study for you. Knowledge is power. Remember this. By reading the article here and educating yourself, you will advance, having personal power because of what you know. As for the idiots who could care less or who blow this off as nothing, they aren't even worth being spat upon. Idiocy= slavery.

The article below should be read by everyone. The first part is from High Priest Don's article Jewish Bankster's War on America. This not only affects the USA, but the entire world. People need to wake up. 2015, Saturn will enter Sagittarius. The US Solar return for 2015-16 has Neptune of insecurity and uncertainty in the solar second house [finances] of the US at 9 degrees of Pisces, a fatal degree [I use the Gemini ascendant chart for the USA]. Saturn was in Sagittarius in 1929, when the stock market crashed and the depression began. Also, in 1987.

The foundation for the power of the enemy is the bible. I already wrote an extensive article regarding this and more, which can be found on exposingchristianity.com
We will be working as a group to destroy that power. Group rituals will be forthcoming in regards to this at the Spring Equinox, 21st march.

Again, I will reiterate, the bible is not the "word of god." I know I already mentioned this, but in that bible, there are squares of Hebrew letters imbedded. The Hebrew letters resonate to certain numbers. The bible is a book of numbered verses which correspond to witchcraft, as witchcraft at the higher levels uses numbers. Again, these Hebrew letters are vibrated in boustephedon; meaning zigzag and also up and down, no different from how one vibrates the planetary squares. One can see orthodox Jews physically bobbing and weaving during "prayer;" most often in groups.

These numbered squares are no different from magic tricks with numbers and of course, as with the planetary squares. Stupid Christian preachers and such write books about how the bible is the "word of god" and it seems convincing to many people, but books on magic tricks reveal how a lot of this is done, no different from other magic tricks with decks of cards and such. Books on magic tricks reveal a code, though I know this has to do with the occult, but the point being, this can be proven. The planetary squares and occult numbers have major significance of course, but my point here is this is not impossible to crack the code or to understand how this is accomplished in the way of getting the numbers into the squares. Then, along with the subliminal Hollywood movies that have the Sandy Hook, the 911 and related. If these were real prophesies, the kikes wouldn't have to add all the subliminals to make it happen.

WHAT? ...Hollywood Predicted 9:11???? [Youtube video]

<http://www.youtube.com/watch?v=9sZo8sWAFcS>

The above video is proof that the so-called "prophesies" in the Bible are nothing but a hoax. The Bible is not the "Book of God" but is a work of the Jews, of which they use subliminally to carry out their curses, some of which are centuries old. One only has to be knowledgeable about the workings of the mind and of witchcraft to see this and to fully understand.

The Lone Gunmen Pilot - 9/11, Aired 4th March, 2001, 6 months before the World Trade Center attacks. Note- SIX months.

<http://www.youtube.com/watch?v=z3WW6eoLcLI>

Many biblical curses and so-called "prophesies" were put forth centuries ago. The Ancient Gentile Egyptians, who had much spiritual knowledge, placed curses in the tombs of their dead, the most famous being that of King Tutankhamen, which manifested when Howard Carter opened the tomb in 1922. Given enough knowledge and occult power of the soul, any group of humans can do this. The Jews reinforce their biblical prophesies and deceptions through Jewish ritual murder. Knowledge and awareness, and educating everyone will break this spell!

The Ugly Truth about Mind Manipulation, Mass Programming,

And the Control of Money

Harold Wallace Rosenthal, age 29, personal assistant to New York Senator Jacob Javits, in a 1976 interview with Walter White Jr., editor, Conservative monthly, Western Front:

"Our power has been created through the manipulation of the national monetary system... The Federal Reserve System fitted our plan nicely since it is owned by us, but the name implies that it is a government institution.

From the very outset, our purpose was to confiscate all the gold and silver, replacing them with worthless non-redeemable paper notes. This we have done! Prior to 1968, the gullible goy could take a one dollar Federal Reserve note into any bank in America and redeem it for a dollar which was by law a coin containing 412 1/2 grains of 90 per cent silver. Up until 1933, one could have redeemed the same note for a coin of 25 4/5ths grains of 90 per cent gold. All we do is give the goy more non-redeemable notes, or else copper slugs, but we never give them their gold and silver, only more paper," he said contemptuously. "We Jews have prospered through the paper gimmick. It's our method through which we take money and give only paper in return. The stocks and bonds market, all forms of insurance and the fractional reserve system practiced by the Federal Reserve Corporation, not to mention the billions in gold and silver that we have gained in exchange for paper notes, are stupidly called money. Money power was essential in carrying out our master plan of international conquest through propaganda.

By controlling the banking system, we were able to control corporation capital. Through this, we acquired total monopoly of the movie industry, the radio networks, and the newly developing television media. The printing industry, newspapers, periodicals, and technical journals had already fallen into our hands. The richest plum was later to come when we took over the publication of all school materials. Through these vehicles, we could mold public opinion to suit our own purposes. The people are only stupid pigs that grunt and squeal the chants we give them, whether they be truth or lies.

There is no such thing as the silent majority because we control their cry and hue. The only thing that exists is an unthinking majority and unthinking they will remain, as long as their escape from our rigorous service is the opiate of our entertainment industry. By controlling industry, we have become the taskmasters and the people the slaves.

When the pressure of daily toil builds to an explosive degree, we have provided the safety valve of momentary pleasure. The television and movie industries furnish the necessary temporary distraction. These programs are carefully designed to appeal to the sensuous emotions, never to the logical thinking mind. Because of this, the people are programmed to respond according to our dictates, not according to reason. We have castrated society through fear and intimidation. Its manhood exists only in combination with a feminine outward appearance. Being so neutered, the populace has become docile and easily ruled. As all geldings in nature, their thoughts are not involved with the concerns of the future and their posterity, but only with the present toil and the next meal."

On Industry

"We have been successful in dividing society against itself by pitting labor against management. This perhaps has been one of our greatest feats, since in reality it is a triangle, though only two points ever seem to occur. In modern industry where exists capital, which force we represent, is the apex. Both management and labor are on the base of this triangle. They continually stand opposed to each other and their attention is never directed to the head of their problem. Management is forced to raise prices since we are ever increasing the cost of capital. Labor must have increasing wages and management must have higher prices, thus creating a vicious cycle.

We are never called to task for our role, which is the real reason for inflation, since the conflict between management and labor is so severe that neither has time to observe our activities. It is our increase in the cost of capital that causes the inflation cycle. We do not labor or manage, and yet we receive the profits.

Through our money manipulation, the capital that we supply industry costs us nothing. Through our national bank, the Federal Reserve, we extend book credit, which we create from nothing, to all local banks that are member banks. They in turn extend book credit to industry. Thus, we do more than God, for all of our wealth is created from nothing. You look shocked! Don't be! It's true; we actually do more than God. With this supposed capital we bring industry, management and labor into our debt, which debt only increases and is never liquidated. Through this continual increase, we are able to pit management against labor so they will never unite and attack us and usher in a debt-free industrial utopia.

We are the necessary element since we expend nothing. Management can create its own capital—the profits. Its business would grow and profits increase. Labor would prosper as well, while the price of the product would remain constant, the prosperity of industry, labor and management would continually increase.

We Jews glory in the fact that the stupid goyim have never realized that we are the parasites consuming an increasing portion of production while the producers are continually receiving less and less."

On Religion:

"Religion, too, must be taught, and through this necessity we have labored. With our control of the textbook industry and the news media, we have been able to hold ourselves up as the authorities on religion. Many of our rabbis now hold professorships in Christian theological seminaries. We are amazed by the Christians' stupidity in receiving our teachings and propagating them as their own. Judaism is not only the teaching of the synagogue, but also the doctrine of every 'Christian Church' in America. Through our propaganda, the Church has become our most avid supporter. This has even given us a special place in society, their believing the lie that we are the 'chosen people' and they, gentiles.

"These deluded children of the Church defend us to the point of destroying their own culture. This truth is evident even to the dullard when one views history and sees that all wars have been white fighting

white in order that we maintain our control. We controlled England during the Revolutionary War, the North during the Civil War, and England and America during World War I and II. Through our influence of religion, we were able to involve the ignorant white Christians in wars against themselves, which always impoverished both sides while we reaped a financial and political harvest. Anytime truth comes forth which exposes us, we simply rally our forces — the ignorant Christians. They attack the crusaders even if they are members of their own families.

"Through religion we have gained complete control of society, government, and economics. No law is ever passed except its merits have previously been taught from the pulpits. An example of this is race equality which led to integration and ultimately to mongrelization. The gullible clergy in one breath instruct their parishioners that we are a special, chosen people while in another breath proclaim all races are the same. Their inconsistency is never discovered, so we Jews enjoy a special place in society while all other races are reduced to racial equality. It is for this reason that we authored the equality hoax, thereby reducing all to a lower level.

"We have been taught that our current economic practices are benevolent, therefore Christian. These pulpit parrots extol our goodness for loaning them the money to build their temples. They are eager to pay our exorbitant interest rates. They have led society into our control through the same practice. Politically, they hail the blessings of democracy and never understand that through democracy we have gained control of their nation. Their book again teaches a benevolent despotic form of government in accordance with the laws of that book, while a democracy is mob rule, which we control through their Churches, our news media and economic institutions. Their religion is only another channel through which we can direct the power of our propaganda. These religious puppets' stupidity is only exceeded by their cowardice, for they are ruled easily."

"This attitude permeates our entire being and philosophy. We are not the creators, for to create would only benefit another. We are the 'acquirers' and are interested only in satisfying the 'self.' To understand our philosophy, understand the term 'to get.' We never give but only take. We never labor, but enjoy the fruits of others' labor. We do not create but confiscate. We are not the producers but the parasites. We can physically live within any society, but always remain spiritually apart. To work would be to produce, and the highest form of that labor would be to create. Your race has always worked for the satisfaction of what it produces. We would never work for anyone's benefit, only for what we can get. We have used this Aryan attitude to achieve our greatest prosperity. You will work for the enjoyment you derive out of producing, while never being concerned about the pay. We take your productivity for a paltry fee and turn it into fortunes.

"Until recently, the pride of workmanship exceeded the quest for high incomes. However, we have been able to enslave society to our own power, which is money, by causing them to seek after it. We have converted the people to our philosophy of getting and acquiring so that they will never be satisfied. A dissatisfied people are the pawns in our game of world conquest. Thus, they are always seeking and never able to find satisfaction. The very moment they seek happiness outside themselves, they become our willing servants.

"Your people never realize that we offer them only worthless baubles that cannot bring fulfillment. They procure one and consume it and are not filled. We present another. We have an infinite number of outward distractions, to the extent that life cannot again turn inward to find its definite fulfillment. You have become addicted to our medicine through which we have become your absolute masters.

"On the first and fundamental lie, the purpose of which is to make people believe that we are not a nation but a religion, other lies are subsequently based. Our greatest fear is that this falsehood will be discovered, for we will be stamped out the moment the general public comes into possession of the truth and acts upon it. [It is one thing to put a man in possession of the truth, to get him to understand it is another, and to get him to act upon it is another still. Truth by itself has no value unless used or applied in some way.] It is becoming apparent that an awakening is occurring even here in America. We had hoped that through our devastation of Nazi Germany that any subject dealing with us would be a fearful taboo. However, there seems to be a resurgence here in the one nation that we so strongly control. We are presently making plans for a rapid exodus. We know that when the light begins to dawn, there will be no stopping it. All efforts on our part will only intensify that light and draw focus upon it.

"We fear that light is coming forth in movements across this land, especially yours. It has amazed us how you have been successful in reaching the people after we closed every door of communication. This, we fear, is a sign of a coming pogrom that will take place in America soon. The American public has realized that we are in control, which is a fatal mistake on our part. This nation could never be the land of the free as long as it is the land of the Jew. This is the revelation that will be our undoing.

"The American people have been easily ruled through our propaganda that the pen is mightier than the sword. We virtually get away with murder, and all the goyim do is to talk about it, which is ineffective since we, the masters of propaganda, always publish a contradicting account. If the Aryan would review history and apply those lessons of the past, then the pen will be thrown down in disgust and the sword wielded in the heat of passion. [A recurrence to history would edify our minds and show us that the European countries solved their Jewish problem only by use of force]. Thus far, we have escaped the sword, when the only reprisal is some periodical of no repute, or some pamphlet with limited circulation. Their pen is no match for ours, but our constant fear is that they may open their eyes and learn that no change was ever brought about with a pen. History has been written in blood, not with ink. No letter, editorial, or book has ever rallied the people or stopped tyranny. We understand this principle and are continually propagandizing the people to write letters to the President, to Congress and to their local media. We are safe to continually exploit, intimidate, and disenfranchise the white American as long as they are preoccupied with the illusion of educating the masses through printed material. Woe be unto us if they ever see the futility of it, lay down the pen and employ the sword.

"History confirms the fact that the passions of an aroused minority, no matter how small a group, have exerted enough power to topple the greatest empire. The movements that control destiny are not those that rest on the inactive majority; but on the sheer force of an active minority. Will is power, not numbers, for a strong will, will always rule the masses!"

"Again, we are safe as long as our Will is stronger, or the Will of the people is misdirected, scattered and without leadership. We will never be deposed with words, only force!"

THE BRUTAL TRUTH ABOUT INFLATION AND FINANCIAL ENSLAVEMENT: THE FEDERAL RESERVE BOARD—

THE MOST GIGANTIC COUNTERFEITING RING IN THE WORLD

By Ben Klassen, The White Man's Bible

*** [Although the article below was written for a white audience, it affects all non-Jews, regardless of race].**

How to Steal the World with Worthless Paper.

If you were to rack your brains to find the most direct, fastest means of acquiring a monopoly of all the wealth in this world, by fair means or foul, undoubtedly the idea of setting up a gigantic money printing press would cross your mind. In short, go into the counterfeiting business on a massive worldwide scale. All Profit. What is quicker than having such huge printing presses spewing out millions of ten dollar notes, twenty dollar notes, fifties, hundreds, even thousand and ten thousand dollar notes? It is all profit, except for the ink and the paper, which, incidentally, costs less than half a cent per note, whether it is a one-dollar bill or a thousand dollar bill.

Awesome Power.

There is only one catch, supposedly. Counterfeiting is illegal, and

governments crack down hard on violators and the penalties are harsh. In fact, the Founding Fathers of the United States, realizing the awesome power that is inherent in the issuance of money, clearly reserved these rights to Congress and Congress alone. Article 1, Section 8, Par. 5, of the Constitution of the United States, says, "Congress shall have the power to coin money, and regulate the value thereof."

Own the Presses, Buy the Government.

But what if you and your gang were so highly successful that once you got going you not only owned the presses, but you had ample money to have a monopoly of the news media, and, subsequently, own the government as well? Having done so, your captive government could then make it legal for you to own and run the printing presses at will. They could then spew out the money for you by the carload. Not only that, but you could insure your great good fortune by having the printing presses run for you under the legal auspices of the established government itself and hand over all the printed money to you, free of charge, except again, for the insignificant cost of the paper and the ink. Not only would your captive government make it legal for you to be in the counterfeiting business in a huge way, but you could even have them give you a legal monopoly, thereby keeping all other competitors out of your racket. Wouldn't that be great?

Not Fantasy. An Accomplished Fact.

A wild idea, you say? Perhaps. But not at all impossible. Not only is it possible, but it is an accomplished fact. It is, in fact, a harsh, cold reality, much to our detriment. Those crisp green bills you

are now carrying in your wallet are the product of such a counterfeit ring. The international Jewish bankers accomplished that wild dream back in December, 1913, when they inveigled Congress to pass the Federal Reserve Act and, thereby created the Federal Reserve System, a private, [not governmental] corporation, for themselves.

Criminal Gang.

This Jewish gang of criminals has rapidly been accumulating unto themselves, not only all the wealth of the United States, but of the world, ever since. Strange,

you say? Not at all. When we study the history of these slippery con artists it is not really so strange at all that they would try to do so. Being a rapacious, piratical tribe for the last several thousand years, and having manipulated the money of the world for the same period of time, it is not at all strange that the Jews would try to monopolize the creation and control of money, the most powerful tool in the world. It would be strange if they had not attempted to do so.

They have been monopolizing money and the financial control of White Nations for millenniums. The thing that is strange is that the White goyim has not caught on and realized that the Jews have captured for themselves the money creating machinery of the United States, and also the rest of the world. They are now the unchallenged manipulators of the credit machinery, the banks, and the financial power of the world.

Private Corporation.

There is not one American in ten thousand that doesn't believe and take for granted that the Federal Reserve System is a government agency. But nothing is further from the truth. The Federal Reserve banks are owned, lock, stock and barrel, by a criminal gang of international Jewish bankers, a gang that hasn't the slightest interest in serving the best interests of the American people. The Federal Reserve System, the Federal Reserve Banks, and its many branches and adjuncts, can be considered as a unit. For the sake of simplicity, we will simply refer to it as the Federal Reserve.

Government a puppet of the Fed.

Not only does the U.S. government not own the Federal Reserve, it is, in fact, the other way around. The Federal Reserve owns the U.S. government and manipulates it like a puppet, solely for the interests of this avaricious international gang of Jewish jackals, who control the world, its money, and its economy.

Window Dressing.

To most Americans, this comes as a major shock. Unbelievable, they say. Ask any banker as to who owns the Federal Reserve and they will lugubriously explain that the Federal Reserve stock is owned by the member banks, divided into twelve districts, that the President appoints members to the board of the governors of the Federal Reserve, etc. All of this is partially true as far as it goes, but it is pure window-dressing. The few details about the Federal Reserve that are known are widely disseminated. Their sole objective is to act as a smoke screen for the real ownership, the real control. What little is known to the public [and very little is known about the Federal Reserve] is very selective non-information, fed to the local bankers in order to confuse them rather than inform. Even most local bank presidents are so ignorant about the real nature of the Federal Reserve that they believe it is a government owned agency rather than a privately owned corporation solely for profit.

The Brutal Truth.

The real facts are somewhat different from what the average banker thinks. They are as follows:

1. The real ownership and control of the Federal Reserve is vested in the Class A stock. The names of those owning this stock are impossible to obtain. Ask your local bank president and he'll be much surprised to find out there is a Class A stock. He will not have the slightest inkling as to its ownership. He is not alone. Those names have never been divulged, not even to the President, or the Congress of the United States. Nor has any Congressional Committee ever had the nerve to honestly investigate the question of that ownership. This should give us some indication of the Federal Reserve's power, and raise a red alert.

2. Its inception, formation and dovetailing with other such institutions in foreign countries indicates that without a doubt it is owned by a powerful clique of international Jewish bankers, most of whom are not even citizens of this country.

3. To further indicate what absolute power this monster exercises over our government and economy, the Federal Reserve has pre-empted unto itself some unusual and highly illegal privileges. For instance, it pays no income tax as do other corporations, nor does it pay taxes of any other kind.

4. The Federal Reserve has never been publicly audited since its inception in 1913.

5. The Federal Reserve, by having the power to issue money, can "create" money as easily as any other counterfeit gang with a printing press, the only difference being that it can and does do so on a massive scale and has "legal" sanction to do so. The tremendous profits from this counterfeit operation all accrue to the international gang of Jewish bankers at the expense of the American working people.

6. Americans, a little over a generation ago, owned nearly half the gold of the world. In 1934, Roosevelt [quarter Dutch Jew], made it illegal for American citizens to any longer own gold, although any foreign swindler, horse thief, or government, could, and still can, exchange their dollars for American gold. He made statutory criminals out of American citizens for owning gold, a privilege our government willingly grants to any foreign horse-thief.

Americans Stripped of their Gold.

Thanks to such discriminatory policies, neither the American government nor the American citizen any longer own any significant quantities of gold. We have been fleeced clean. What was originally sold to the American people as a policy to back our paper money with gold, has ended up with America, its people and its government being robbed clean of its precious metal, although we are the most productive country on the face of the earth. The gold in Ft. Knox has rapidly been shipped to foreign shores, especially Switzerland, which the Jews have built up as a private "neutral" haven for themselves. Even what little is now left in Ft. Knox is now heavily over-pledged to foreigners and to the Federal Reserve.

Americans Fleeced Again.

After having completely stripped clean the American people, in 1975, the Jew-controlled government of the United States again made it “legal” for the ordinary citizen to own gold. Americans could now buy back for \$175.00 to \$195.00 an ounce, what had been taken from their ancestors at \$20.50 an ounce 40 years earlier. Those who fell for this trap and now bought were further fleeced by speculation and falling prices, all of which further enriched the Jewish speculators.

And Again.

Such was the situation in 1976. Many Americans lost money in the up and down manipulations of the Jewish gold speculators. Then towards 1979, as run-away inflation became more obvious and more rampant, confidence in the phony paper dollar plummeted even further. People at home and abroad panicked and turned to gold, driving up the price to \$800.00 an ounce. The Jews then pulled the rug out from under and it sank to under \$500.00. Again, many Americans lost, but the Jews, knowing in advance, what they were manipulating, profited from their losses.

Planned that way.

This is no accident. It was planned that way. The Jews have accomplished what they set out to do—accumulate unto themselves, among other riches, all the

gold on the face of the earth.

* * * * *

Back to Beginnings.

In the foregoing, we have said that the Jews have a monopoly on printing counterfeit money and have also fleeced us of the huge gold reserves once owned by America, and Americans as individuals. To most gullible, uninformed Americans, this seems shocking and incredible. Yet, it is true. How did they accomplish such an astonishing feat, such blatant piracy?

Careful Planning.

It is a long story. In this treatise we can only carve out the rough outlines of this sinister conspiracy that has had such a disastrous impact on the fortunes of non-Jews. It is a story that must give credit to the astounding possibilities that can be accomplished by meticulous planning, patience, and tenacity. All this the Jews have put forth in ample measure.

Began with Jewish Goldsmiths.

The beginnings go back to the early ancestors of the present day Jewish bankers, back as far as medieval Europe, and even further back to ancient Rome, when the Jewish “goldsmith bankers” already predominated in the money markets. They still do today. Gold has been a medium of exchange and used for coinage from ancient times. The Jews, especially, have been wildly fascinated by gold

and have undoubtedly promoted the idea that it had mystical and intrinsic values far beyond its real value. In any event, in the old days, people who acquired gold took it to these certain [Jewish] goldsmiths for safekeeping.

The goldsmith then gave the depositor a receipt or a “claim check” for the gold received. These “claim checks” could be used to reclaim the gold by anyone who had them in their possession, and not necessarily the same person who deposited the gold. Thereby these receipts were transferable, and in actual practice, these receipts for gold began to circulate as paper money. Supposedly, the receipts were as good as gold since whoever had them in their possession could claim the gold from the goldsmiths at any time they wished.

Jews found a Gimmick.

So far so good. The next step was that people learned they could carry on trade and commerce by passing these goldsmiths’ receipts without ever bothering to

withdraw the gold itself. Their “faith” in the value of the paper was based on the idea that it was, after all, redeemable in gold at any time.

The third step was a major discovery by the Jewish goldsmiths themselves of what has been the Key Principle [and a very profitable one] of banking ever since. It is called “Fractional Reserves.” Loaned out gold that wasn’t there. The Jewish goldsmiths made an amazing discovery. They found that with receipts circulating as money, few people came in to claim their gold. They conceived the idea that they could “loan out” gold, at interest— gold that really did not

belong to them, but was only in their “safekeeping.”

“Money” out of thin air, with interest.

What they did was write out receipts, or “claim checks,” to borrowers, and charged interest on the gold they were loaning at the same time. These “claim checks,” or receipts, created out of thin air, then, too, passed into circulation, the same as the others that had been given to actual depositors of gold. The Jew, in actuality, was writing out and passing claim checks on several times as much gold as he had available, and nobody, it seemed, was the wiser. The Jew had struck a fabulous gold mine without having to so much as turn a shovel full of dirt!

“Fractional Reserve” the gimmick.

The goldsmith was “lending out” gold that [a] was really not his to lend, and [b] several times more than he actually held in “safekeeping.” But with the calls for the actual gold by the original depositors being so infrequent, he felt relatively safe that with his “fractional reserve” of gold that he could cover any day-to-day withdrawals. He could do so, provided, of course, there was not a “run” on the gold supply that was not his, but only given to him for “safekeeping.” The goldsmith, in other words, was writing receipts for perhaps five or ten times as much gold as he had actually on deposit, betting on the theory that most of his depositors would not come to claim their gold at any given time. But the interest he was collecting on the. Fictitious gold he had “loaned out,” but did not really have, was very real indeed. For instance, if he charged 10% interest a year, and loaned out [via “receipts”] ten times as much gold as he had for “safekeeping,” he could acquire for himself, in only a year’s time, as much gold as was entrusted to him for “safekeeping.”

Acquired Monopoly.

And thus, even in medieval Europe, these Jewish shylocks acquired a monopoly of gold and money in Venice, in Amsterdam, in London, Paris, Vienna and all other financial centers of Europe.

Jews have Clear Field.

Throwing the money monopoly and control of gold into the hands of the Jewish Shylocks was strongly aided and abetted by the Christian church itself. During the Middle Ages [better known as the Dark Ages, when spook-craft ran rampant], the Catholic Church forbade Christians in engaging in the loan business, calling it “usury.” Since lending money was usurious, and usury was a sin, Christians were shut out, leaving the field wide open to the usurious and pecuniary Jew. Added to this was the stupid Christian doctrine that “money is the root of all evil.”

Soon Monopolized all Wealth.

One further European practice of the time helped drive the Jews into the money manipulation monopoly. Many countries, cities, and principalities had laws prohibiting Jews from engaging in a number of trades and businesses, because they were aware of how, with his rapacious nature, the Jew soon monopolized and ruined those trades and businesses. But, foolishly, to the key, the nerve center of business— money— they left the gates wide open for the Jew to monopolize, and he had a field day. This he has to this very day, and today he not only has unchallenged control of the money markets of the world, but because of it, the Jew has a monopoly of every other meaningful and worthwhile business as well.

Coming and Going.

Often these Jewish goldsmiths charged their clients both ways. They charged the depositors “fees” for “safekeeping” their gold, and they also collected interest from the borrowers of gold that did not belong to them, often, as we have stated before, lending out in the form of paper receipts five or ten times as much gold as was actually on deposit in their vaults.

Basis of all Modern Banking.

From this “fractional reserve” trickery, discovered by these early Jewish goldsmiths, all modern banking principles have evolved, albeit with thousands of variations and refinements.

Fear a “Run.”

The modern banker still fears, as did the ancient goldsmith, a “run” on his bank, a time of panic, or rumor, regarding their integrity or stability that sometimes caused all depositors to rush in and withdraw their deposits at the same time. When this happened to the early goldsmith, and happen it did, the enraged depositors, finding their gold was not there, usually hanged such Jewish manipulators from the nearest tree. In old Amsterdam, a Jewish goldsmith proposed a law making it a hanging offense for anyone starting a “run” on a

goldsmith. This immediately alerted his depositors and precipitated just such a “run” on him, the very thing he feared. Of course, this Jewish Shylock had far too many “receipts” out and could not pay. The

depositors ended up hanging the goldsmith.

Jews became Fabulously Wealthy.

Needless to say, those Jewish goldsmiths that were not hanged became fabulously wealthy by trafficking in gold that [a] was not theirs; and, [b] did not

exist. As time went on, through, fees, interest, and usury sometimes as high as 30% to 50%, they acquired most of the gold that had been earned and owned by their Gentile clients. They soon became the Shylocks and moneylenders, not only to individuals in all the civilized countries, but also to their governments. They have vigorously and aggressively maintained, enhanced and strengthened that position to this very day. They have now, as we said in the beginning, acquired absolute monopoly of all banking, issuance of money, financing, money lending, stock markets, and the gold of the world. It is their most powerful weapon. With it they have acquired their remaining weapons with which to enslave the gullible goyim. Through monopoly of money, they easily acquired monopoly of the means of propaganda, and every other nerve center

of power, including government itself.

* * * * *

Acquired Legal Status by Treachery, Deceit, Betrayal.

We now want to get back to the last part of our story— namely how the Jews acquired “legal” control and monopoly of printing the money of the United States, by setting up the Federal Reserve System. We can see from the foregoing that the foundation for this financial power group was laid many centuries before that

fateful day in December of 1913.

Treachery and Cunning.

It is a fascinating story, permeated by treachery, deceit, bribery, trickery, and above all— long, patient and intricate planning on the part of the Jews. It is also marked by stupidity and betrayal by members of our own race. Rothschild owns Half the World. The International Jewish bankers, mainly based in New York, already had a tight monopoly, over the money supply of the United States long before 1913. The House of Rothschild, long ago had established their tentacles in the industrial countries of Europe, especially England, France, Germany, Italy and Austria during the 19th century. In each of these countries [as well as the smaller nations], they had organized a Central Bank System, such as the Reichsbank in Germany, or the Bank of England in Britain. Basically, a Central Bank meant that it controlled the country's banks, using the full credit of the government to issue money. All the while, it had the legal sanction of that same government whose people it was fleecing by having a monopoly on issuance, i.e., printing money.

Fiercely Destroy Anyone who Interferes.

In the United States, prior to the passage of the Federal Reserve Act in 1913, whereas the Jewish bankers had had control of the nation's money almost from its inception, that control was still fluid

amongst its own rivals and could be wrecked by an aroused people and/or Congress. In fact, during the Civil War, in a temporary lapse, Abraham Lincoln invoked the legitimate powers of Congress and issued 450 million dollars in printed currency, later called "Greenbacks" that did not derive through the hands of the International Jewish Bankers, and no interest was paid on this money. This single act so enraged the Jewish bankers, that they had Lincoln assassinated by one of their agents, namely Botha, alias John Wilkes Booth, a Jew.

Artificial Panics.

In any event, after the Civil War, due to the manipulations of these Jewish bankers, who had artificially created the financial panics of 1873, 1893, and the severest of all, in 1907, there were serious rumblings from the people, and from some uncontrolled members of Congress, threatening that the Jewish power might be broken. To ward off such a possibility, they decided to "legalize" their unconstitutional shenanigans by Federal Law— all in the name of "reform against the New York Bankers." This was reverse psychology at its best.

Paul Warburg the Master Mind.

To lay the groundwork for such a law, a small clique of bankers headed by Paul M. Warburg, a Jew, recently arrived from Germany, met secretly on Jekyll Island at a plush hunting club in Georgia. They left in a private railroad car from Hoboken, New Jersey on November 22, 1910.

Of course one is permitted to say anything about non-Jews, BUT, if anyone DARES to speak and/or write the truth concerning the Jews, OH MY!! Then the truth is labeled as "hate." No one dare to say anything about the Jews. No one dare to bring Jewish criminals to justice, such as the leaders and perpetrators of the worst mass murders in history under Jewish communism, but innocent Nazis are forever dogged until their deaths, as a distraction from the hideous crimes and mass murders committed by Jewish controlled governments under Jewish communism. The Jews ran the REAL concentration camps where most prisoners, who were innocents, never lived to tell.

http://gblt.webs.com/Real_Holocaust.htm

"Satan" means "TRUTH" in Sanskrit. No wonder he has been so slandered and attacked for centuries!

The Jews know the truth is now out regarding their hideous crimes against humanity for centuries and their days are numbered. We must keep educating the world as long as we are able to do so. I also note that many websites and servers removed the "www" before the URL. WWW; the Hebrew Vau Vau Vau translates into "666" a number they fear. 666 is the number of Satan and translates into spiritual empowerment for Non-Jews.

Thanks to the internet, the truth is out in many areas of the world and the

Jews know this:

WZO Department for Countering Anti-Semitism chief Yaakov Hagoel told lawmakers: "I don't see us winning the battle but at least we are putting up a fight," he said. "I fear that we are fighting a losing battle," he said.

Claims of 'Anti-Semitism' Bring Call for Internet Censorship

Posted By Staff on Feb 19, 2014

Attempts to censor the Internet because of the "danger it poses" to Jewish interests have been revealed in a special inquiry held before the Israeli parliament. According to a report in the Jerusalem Post, the Anti-Defamation League (ADL) is in an "ongoing relationship with Internet hosting company GoDaddy" to take down any website which it deems to be showing 'Jews, Jewish activities or Judaism in a negative light', and also "works with Facebook" for the same purpose.

According to the ADL representative, giving evidence during a Knesset hearing on the Internet and the threat it poses to 'Jewish special identity', the ADL has already succeeded in removing 30 sites hosted by Godaddy. Knesset Immigration, Absorption and Diaspora Committee chairman MK Yoel Razbozov called for even further censorship, saying that "countries" need to

enact legislation restricting free speech. Representatives of the Foreign Ministry, the Ministry of Jerusalem and Diaspora Affairs, the Israeli Internet Association and the Anti-Defamation League, among other bodies, testified at the hearing.

According to the report, "Facebook is coming around, they just need time," Ronald Eissens of the International Network Against Cyberhate added.

The World Zionist Organization has established a "communications center" for the internet and is "beginning two pilot courses for training Israelis to engage in this struggle," WZO Department for Countering Anti-Semitism chief Yaakov Hagoel told lawmakers.

"I don't see us winning the battle but at least we are putting up a fight," he said.

Committee member MK Dov Lipman told The Jerusalem Post that he "fear[s] that we are fighting a losing battle," saying that countering the facts was not a way forward, and that only outright censorship provided any solution. "I am convinced that our focus should be on getting Facebook, YouTube,

Twitter and urge websites to remove anti-Semitic materials and not with setting up our own sites and pages to negate the anti-Semitism. I will present this proposal to the chairman of the committee and will push hard for this to be the government's direction."

Internet anti-Semitism a 'mortal danger,' say MKs By SAM SOKOL 02/10/2014 19:55

Stakeholders from government and non-governmental organizations testify in Knesset hearing on matter. Using Facebook on the Internet Photo: reuters Anti-Semitism on the net is "like a tsunami wave," Knesset Immigration, Absorption and Diaspora Committee chairman MK Yoel Razbozov said during a Sunday hearing on online hate speech.

Razbozov called for countries to enact legislation restricting online hate, and warned that if Jews will not act to combat the spread of anti-Semitism online, they will eventually "find themselves in mortal danger." Representatives of the Foreign Ministry, the Ministry of Jerusalem and Diaspora Affairs, the Israeli Internet Association and the Anti-Defamation League, among other bodies, testified regarding the dangers of online hate and discussed methods of combating disinformation about Jews and Israel.

The Anti-Defamation League testified regarding its ongoing relationship with

Internet hosting company GoDaddy to take down anti-Semitic websites, citing some 30 sites it said were taken down by the American company. Facebook has also been working with the ADL, its representative said. "Facebook is coming around, they just need time," Ronald Eissens of the International Network Against Cyberhate added.

The World Zionist Organization established a communications center for combating hate online and is beginning two pilot courses for training Israelis to engage in this struggle, WZO Department for Countering Anti-Semitism chief Yaakov Hagoel told lawmakers.

"I don't see us winning the battle but at least we are putting up a fight," he said.

While combating disinformation with facts and taking anti-Semitism offline were both tactics discussed during the meeting, only the former will have any substantial impact, committee member MK Dov Lipman told The Jerusalem Post.

"I fear that we are fighting a losing battle," he said. "I am convinced that our focus should be on getting Facebook, YouTube, Twitter and urge websites to

remove anti-Semitic materials and not with setting up our own sites and pages to negate the anti-Semitism. I will present this proposal to the chairman of the committee and will push hard for this to be the government's direction."

Jews Control the Internet, Says Pro-Palestinian Website

Dutch group charged with criminal complaint over anti-Semitic article
Dutch antiracism groups have filed criminal charges against a pro-Palestinian organization called Stop de Bezetting-"Stop the Occupation"-whose website published an article accusing Jews of controlling the Internet. JTA reports that the Center for Information and Documentation on Israel and the Dutch Complaints Bureau for Discrimination on the Internet have joined forces, filing a complaint against Stop de Bezetting that labels the text "offensive to Jews."
Stop de Bezetting's founder, Gretta Duisenberg, denies breaking Dutch laws that forbid disseminating material with intention of inciting hate or discrimination.

The article in question was written in 2009 by the California-based Freedom Research Foundation and mentions the names of Jews involved with Google, Facebook, Wikipedia, Yahoo!, MySpace, and eBay. Titled "The Jewish Hand Behind the Internet," the article is split into subsections that include "The Jewish Entourage at Google," "Zuckerberg's Jewish Entourage at Facebook," "Google's Cooperating with Jewish Censors," and "More Tricks to Control Information on Wikipedia." Wikipedia founder Jimmy Wales is called the "darling of the Jewish crowd at Harvard" and Sheryl Sandberg, who worked at Google before becoming the Chief Operating Officer of Facebook, is mocked for being involved with philanthropy, a "favorite Jewish pastime." The article also chronicles in great length the trips Internet moguls have taken to Israel. This anti-discrimination complaint comes amidst much discussion and concern about rising anti-Semitism in Europe, and the case against Stop de Bezetting's online anti-Semitism, which raises larger questions about hate speech on the Internet, is not the first of its kind. Last year, a French Jewish student group won a case in French court that called on Twitter to release the names of users who were promoting anti-Semitic hashtags. Duisenberg does not seem concerned about the prospect of legal action, and is quoted as saying "If they want to go to the police, fine. I won't remove [the article] because why should I."

Subject: Pussy Riot And A Look Into Russia

Pussy Riot And A Look Into Russia

The reality of Russia under Jewish tyrant, Putin and his fellow Jewish oligarchs regime is that of political oppression and state terror. Its going back to the Communist style system more and more. In the documentary below it was mentioned Putin released around 21 thousand political prisoners as PR stunt of phoney good will over the Winter Olympics'. People are being arrested for democratic protests and political difference of opinion. Many Nationalist leaders are normally arrested and put in jail as well. As Putin is marching Russian into the Eastern half of a Jewish owned, Globalist slave state. The "Pussy Riot" protest group despite their own politics' have really highlighted this fact to the world.

More on the Jewish tyrants who rule Russia:
<http://josministries.prophpb.com/topic2499.html>

This is quick documentary that interviews political activists in Russia and shows the reality of the Russia system. Its quiet communism. Just a warning the first couple of minutes show a graphic but censored clip of some gross stuff with a chicken in a supermarket.

http://www.youtube.com/watch?annotation_id=annotation_280081719&feature=iv&src_vid=FFrZfluKDrc&v=x1YHu6c9jHg

The members of Pussy Riot shocked Russia when they performed their "Punk Prayer" in a Moscow church back in February 2012. The group was protesting the growing closeness between church and state under Russian President Vladimir Putin, but they became international celebrities when three of the members of the feminist, punk-rock protest group were arrested by the Russian authorities a few weeks later.

Nadezhda Tolokonnikova and Maria Alyokhina were convicted of "hooliganism motivated by religious hatred" and sentenced to two years in prison. With just two months of their sentence left, Nadya and Masha—as they're known in Russia—were freed in a general amnesty by the Russian government. Most observers saw the move as an attempt to clean up Russia's image before the 2014 Winter Olympic games in Sochi rather than a change in policy toward Putin's opponents.

VICE correspondent Simon Ostrovsky met up with the band members in Moscow just a couple weeks after they were released to find out what they're doing with their newfound freedom.

Russia sentences anti-Putin activists, detains hundreds

<http://uk.news.yahoo.com/seven-anti-putin-protesters-sentenced-four-years-101206594.html#6h0UhMg>

A Russian court on Monday sentenced seven activists to prison terms of up to four years over a protest against President Vladimir Putin as police detained hundreds of supporters outside.

A Moscow district court sentenced seven defendants to penal colony terms of between two-and-a-

half and four years for what the judge ruled to be "mass riots" during a 2012 demonstration.

The high-profile case has become a symbol of the harsh crackdown on opposition protests since Putin returned to the Kremlin.

The eight in the dock were found guilty of taking part in mass riots and hitting policemen at a rally against Putin's inauguration to a third term as president.

"The sentences are harsh and inappropriate. They were issued based on the political situation, not on the nature of the charges," lawyer Dmitry Agranovsky said, adding that the group would appeal.

His client, 22-year-old Yaroslav Belousov, was sentenced to two-and-a-half years for throwing a lemon at a policeman.

An eighth defendant Alexandra Naumova, 20-year old and the only woman in the case, was given a suspended sentence of three years and three months.

Riot police detained several hundred supporters who gathered outside the court, some shouting slogans such as "Freedom" and "One for all, all for one!"

More than 200 people were detained for "attempts to breach public order", a police spokesman told AFP. Most were released shortly after arriving at police stations.

People later gathered for an evening protest on Moscow's central Manezhnaya square but the entire area was cordoned off with heavy police presence and interior troops, forcing people to crowd on sidewalks.

Several hundred stood near the parliament building nearby as police told them to leave through a loudspeaker and detained people in the crowd, an AFP correspondent said.

Police said 300 were "trying to violate public order", and 70 people had to be detained.

But Ovdinfo, a group that monitors detentions and arrests, said "a minimum of 315 people were detained" at the square and surrounding streets.

The two released members of protest punk band Pussy Riot, Nadezhda Tolokonnikova and Maria Alyokhina, as well as protest leader Alexei Navalny, were among those detained and tweeted pictures from a police van.

Amnesty International condemned the detentions, saying: "the Russian authorities' rampant violation of freedom of expression and assembly shows no sign of letting up".

Tens of thousands marched in protest the day before Putin's May 7, 2012 inauguration, in a rally that ended in scuffles with police.

The clashes on Bolotnaya Square led to dozens of arrests and injuries on both sides. Investigators said the opposition planned to overthrow the government.

- 'Hideous injustice' -

Amnesty International called the guilty verdict against the activists a "hideous injustice" and the result of a "show trial".

Judge Natalya Nikishina said Monday that the defendants "took part in mass riots. Their shared blame is established and proved".

But the defence said the case was based on conflicting police testimony that was not supported by any evidence, and that the scuffles did not qualify as mass riots due to a lack of grave injuries or

property damage.

The judge handed down significantly lower sentences than the terms of up to six years that prosecutors had requested.

The court had postponed the sentencing until Monday, with the opposition saying this was to avoid publicity before Sunday's closing ceremony of the Winter Olympic Games in Sochi.

"I'm sure Putin didn't want the triumph of the closing of the Olympics to be accompanied with video footage of the detainees," Navalny told TV Rain independent channel.

Most of the defendants have been held in custody since 2012, meaning that some will be eligible for parole later this year.

Putin's spokesman Dmitry Peskov said Monday that like any other prisoner, those convicted "could apply to the head of state with a request to be pardoned" in comments to Slon.ru website.

An investigation into the rally has already seen one person sentenced to four-and-a-half years and a second committed to a psychiatric hospital.

A symbol of the former Soviet Union was removed from the top of Ukraine's parliament building on Tuesday, as protesters took down a golden star that sat atop the building's flag pole. Opposition leader Oleh Tyahnybok announced the star's removal in a parliament session on Tuesday, to no objections.

Battle In The Ukraine

This is a good documentary. Of course it has a leftist slant. But the fact is the Nationalist leaders and fighters were the ones who lead and fought and bled and died for the recent victory. To defeat a terrorist puppet regime. Being run by the Jewish oligarchs out of Moscow. One can see the Communist Style methods of the criminal regime they fought against. Including torcher and murder of citizens.

<https://www.youtube.com/watch?v=7eTuFAR169s>

Kiev's Euromaidan protesters began 2014 the same way they ended 2013: by rioting in the streets in an attempt to bring down their government. Key victories have already been won, with Prime

Minister Mykola Azarov and his cabinet resigning. The demonstrators also forced the annulment of a new anti-protest law that was, ironically, the cause of much of their protesting.

The protesters haven't been contented by this, however, and are still out in the streets, demanding the head of President Viktor Yanukovich and the staging of fresh elections. What began as a protest against the Ukrainian government's close ties with Russian leader Vladimir Putin has become a focus for wider discontent. However, Yanukovich seems in no mood to relinquish his power. As the social unrest spreads across the country, its first post-Soviet President, Leonid Kravchuk, has gone as far as to warn that Ukraine is on the brink of civil war. Dozens of people have lost their lives in just the last two days of violence.

At the end of January, VICE flew to Kiev as rioters hurled Molotov cocktails at police and the city turned into a battlefield.

Subject: The Metaphysic's Of Sexual Union

The Metaphysic's Of Sexual Union

The beings we call Gods are perfected and above time. They are a race of Siva's or Maha Siddha's [Great Perfected Ones]. The androgynous is spiritual of the magnetic, electric not literal. They are fully divine beings [not mortal] who lent themselves to a symbolic science of union and ascension. To go from human into fully divine. Now we examine the symbolic.

God in the macrocosm is quintessence not a literal being. Simply an impersonal cosmic force. The Logos or Shabda, the word.

"Verse 129 implies that the ultimate [here Siva] is of the nature of Cosmic Space[Akasa or Void] and the essence of Jiva lies in the self-same Space in microcosmic condition."- Tirumantiram

God in the microcosm is the perfected human. Who is the incarnate Siva. The incarnate shabda. This is also called the Vak in Sanskrit. One who finished the union and become above time. Being made of that energy which is quintessence, the Hermetic first matter.

This is why the process of union is possible. The ancient names of God contain this understanding [AUM is the name of God as well and depicts the union of opposites]. God adds into 8 the number of quintessence/mercury and 8 forms the symbol of union. The individual soul is made of the same element that is called Siva and this by union of the body, soul and spirit is refined into the same energy and thus becomes Siva from turning copper into gold. This is done by the serpent fire. Because the element of Siva is beyond time. We have this Siva element within us like coal has the diamond within it. Kundalini fire is what transmutes us into the Diamond body.

The Zodiac

The serpent is the symbol of eternity. And the Zodiac represents the cosmic serpent Ananat. The sign of the Great Work.

Ophiuchus is the 13th constellation that has been hidden. As we know there is 13th steps of the great work. Ophiuchus means "The Serpent Holder"

The macrocosm is depicted as the Zodiac which contain both polarities. In many images the keystone is the symbol of the great work the union of opposites and is where the 13th sign is

revealed. In many cases the keystone is in the shape of the yoni that the reborn God emerges from. In some images the zodiac wheel has the keystone within it as top center.

In other the 13th step appears the perfected logos of the microcosm openly in the image of the reborn sun god holding the serpent in the center of the Zodiac which is also the place of the sun. The depiction of the dual meaning of the macrocosm and microcosm. And the Great Work. The incarnation of the logos, Siva. In the east Siva in the image of the dancer with 12 arms in the center of the Zodiac wheel, crowned by Ananta shows this 13th step that is Siva.

In the East the animal headed deities are representations of the Vak or the logos of creation generally shown as the keystone image of the Dragon-serpent virala. Which is manifested depending on the image the Elephant head, Lion head and on. In the microcosm image.

This is why the Lion-Dragon head that is the capstone in the East which is above the eye of the Bull. Has no lower jaw because its the Logos from which all existence flows. Hence it can never close his mouth and end existence. Its eternal. The whole temple is considered to issue from the image of the Virala the capstone. And this image as Danielou shows in the West is the Green man and is also shown on the keystone of the Templars in Rosslyn chapel which relates to the same cosmology.

The union of opposites generates the soul back into the vak or quintessence [Siva] that is symbolized as the image of the sun as the material manifestation of this principal. Which is depicted as the keystone or capstone. Which is why Yoga [union] equals to the number 13 in Sanskrit numerology.

All union is maithuna.

The feminine part is the spirit that animates and transforms the masculine, into the perfected divine form. As well as numerous sub-groupings of how this different polarity manifests within the soul. The Goddess sexually straddles over the God in many images from Egypt to India as union and transformation of the new soul. As the male is the divine form being animated and unified by the female energy of creation. Which resurrects the individual into the reborn state. As the divine child is also the reborn God who absorbs both polarity into one. More on this later.

Siva is the message of male and female unified into the primordial element the divine androgyne. Siva is androgynous and an eternal youth of 16 which adds into 7 the number of completion. Which is the process of union completed as this refines the being into the element of Siva. The agathodaemon is the androgyne. Skanda originally has 7 heads not six. This is actually Siva.

The act of union of the soul was depicted by the sexual union of the God and Goddess. Kama is depicted on the Temples in India to this day. And its considered blasphemy in the Sanskrit texts relating to the creation of Temples to not have Maithuna [sexual union] depicted upon the Temple walls. The entire temple is built according to the principal of union. As all the yantra's [the temple is also] depict the same.

Cupid, Kama And Cathar's

This is the origin and meaning of Cupid who is originally depicted not as today but as the agathodaemon [another title for Dionysus] at the source. The divine androgyne of 16 years old.

"In classical mythology, Cupid (Latin Cupido, meaning "desire") is the god of desire, erotic love, attraction and affection. He is often portrayed as the son of the love goddess Venus, and is known

in Latin also as Amor ("Love"). His Greek counterpart is Eros."

"Kamadeva is a name of Vishnu in Vishnu Purana and Bhagavata Purana and of Krishna as well as of Shiva. It is the name of author of Sanskrit work Prayaschita padyata. Kama is also a name used for Agni."

As shown elsewhere at the link below, these above Gods are the same Primordial God at the source and have gone through centuries of cultural diffusion and adaptation.

The Supreme God:

<http://josministries.prophpb.com/topic217.html>

"Kāmadeva is represented as a young, handsome winged man with green skin [my note blue and green where used interchangeable] who wields a bow and arrows. His bow is made of sugarcane with a string of honeybees, and his arrows are decorated with five kinds of fragrant flowers. The five flowers are Ashoka tree flowers, white and blue lotus flowers, Mallika plant (Jasmine) and Mango tree flowers"

Kama deva is the reborn soul, Cupid is a latin spelling of Kama [Latin is Sanskrit at its core]. And is the divine androgyne. As his name in latin is also Amour. Which is the Amour worshipped by the Cathar's who where worships of love.

Amour as Evola wrote also means Amrita:

"Amrita (Sanskrit: अमृता; IAST: amṛta) is a Sanskrit word that literally means "immortality", and is often referred to in texts as nectar. The word's earliest occurrence is in the Rigveda, where it is one of several synonyms of "soma" as the drink which confers immortality upon the gods."

The bow and arrow are the spine and piercing aspect of the serpent with prana-mantra the mantra energized. Before an arrow is shot in the Eastern myths mantra is always recited to give it its power to destroy the asura's. The dross. Which in the Siva Purana's is describe as atomic [solar] style blast that destroys the Asura's totally and their three cities. Which brings the union of the soul and liberation. The Arrow tip relates to the A power as well, this power moving up the spine. The A relates to the logos/Siva. AUM is the one letter mantra because its an extension of A. The wings also represents the ascension of the soul. And the blue or green colour the purified one. The colour given the blue ether element in Sanskrit mean purified in English.

The heart shape is seen in the Yogi texts is where the pink and white channels meet in the head and where as the texts state union is achieved with the rising of the serpent. This heart symbol is a scaled down version of the Cobra serpent with its hood open. Which represents the same. Part of this symbolism is the union of the dual hemispheres of the brain that occurs. This is why all the ancient texts refer to the heart being the center of intuition, the pineal gland in the head. Their mention of the chamber of the heart is the same. The heart also represents the Yoni and the arrow the Phallus joined the symbol of union. The highest symbol of the full union behind the raising of the serpent.

On this level the androgyne is the unification of the trine channels by raising the serpent. The arrow also represents fixing this power which is also seen as Krishna being crucified to the sacred tree by arrows in an ancient form of the tale as well. Krishna is the personification of the serpent Ananta. Of which he as Vishnu is shown standing upon. The tree is the spinal column and the energy centers along it with the branches being the nadi channels.

Kama deva as the God of love, this love is taking about Shakti energy. The kundalini. The Cathar

Amour is from the Sanskrit amrita the nectar of immortality. That is generated in the chakra's when kundalini pierces them as it moves upwards. And how this nectar causes the souls perfection. This is why Cupid or Kama fires arrows that cause one to experienced love [immortality]. By the transformation of the soul into the primordial element of Siva.

This shows that the love the Cathar's worshipped was immortality. Divine Love or Amrita is the energy that is generated by the exercises [Tapa's] that unify and transform the soul into Siva. Kama is Siva in the earliest images. This is embodied in the image of Kama who is also known as Dionysus, Krishna and Siva.

Dionysus . Is called the Second Zeus because he is the reborn and perfected God. Just as Skanda is called the second Siva for the same reason. The Greeks by their own record that confirm the archeological evidence. Came right from Helladiva which what is left of today Sri Lanka [who still worship Siva]. The original form of Zeus-Dionysus is the God Koros in the primordial Greek period before the destruction of their civilization at the time of the end of Crete. Which marks their decline and loss of cultural knowledge as the Egyptian records comment. And the later Greeks shown themselves. Koros later became known as Zeus-Dionysus. Koros is shown naked, and colored blue, the symbol of rebirth as a youth of 16 years and has a consort Radha as well as playing the flute having a sacred bull and 12 cowherd companions [Siva's 12 Gana's and sacred bull]. This also describes Krishna who is also called Kamadeva and who engages in sexual union with the 16,000 milkmaids and his Gopi's. As well as Radha, his half sister [the other half of the soul]. In the Kama Sutra we see something important:

"In such a away by sexual inversion In order to conquer Krishna, Radha audaciously unleashes the conflict of inverted copulation."

This is the same image as elsewhere of the Goddess sexually [such as Siva and Shakti] mounting the God to bring him to life by transformation into the divine androgyne.

The six pointed star the symbol of the union and perfection of the soul. Is the upper triangle the Yoni coming together with the lower triangle the Phallus to generate the reborn soul by inner maithuna. The images of the Gods and naturally of their sexual union form into geomantic diagrams or yantra that describes steps of the science of union of the soul.

The sexual union of the Goddess mounting the God is simply another way of depicting the hexagram.

This is a clue to the valentine day time. It was known to have been a pagan holiday in Rome and thus everywhere at one point.

Krishna is at the heart is Siva in the North of which I have shown in other articles. When we go back to Koros and primordial Hellas, we can see clearly this is the fact. There are still ancient Serpentine Lingam stones all over Greece from their Pagan sacred centers. Dionysus as the Egyptians and Greeks both state is Osiris in Egypt and the reborn Osiris by the sexual union of the God and Goddess. Is Hari Krist [Krishna][not Horus]. Who is depicted in images the same as Siva-Krishna in the East. Higgin's states the God in Ireland who was also known as Dionysus-Siva elsewhere is called among names, Krishna by the ancient Irish. The popular images of Hari [horus] also show him as the androgyne.

When the Greek army stopped in Sri Lanka sailing on their way home after the end of Alexander's

campaign. They openly worshipped Siva-Skanda as Zeus-Dionysus.

The Bible in the book of revelations openly states Satan is the God Zeus-Dionysus.

Revelation 2:12 "Pergamos. Where Satan's throne is."

Pergamos was dedicated to the God Zeus [Dionysus] and the altar of the God was also the throne of the God.

Time

The fall in the mysteries is the loss of this inner union the one, which results in the manifestation of duality in the world [soul]. This is why the number 2 is profane in the Mysteries such as those of Pythagoras [who was a concept of the union not a person even the name means serpent]. Pythagoras morphs into a shine of Demeter upon his death. For this reason.

Something possible to consider.

There was no big bang. The universe has always existed on the level its called Siva is the Shabda the subtle element=sound that is beyond time. This is due to time and material existence being generated by the force of gravitation which an electric expansive force and magnetic contracting force. The physicist Russell wrote about this electric universe. The perfected being is also called the Shabda in the texts.

This dual polarity comes from the primordial force in a different or material manifestation. The union of the same polarity within generates one into the back into the same, the Shabda. Its like a reversal of the principal that causes the force of time. And thus one transcends it. The Shabda. Hence our God in the mysteries is called the destroyer of time over and over. Which is liberation from karma which is the force of time itself. Karma also means action which can be considered the action of the dual forces that causes time.

The Primordial being is one who is made of the same energy by union of the soul. This is the Primordial tradition in its core meaning.

The Sacred Role Of Homosexuality

In the earliest form of the mysteries, Homosexuality is used to express this metaphysical science quite notably. Even on the temple walls.

Homosexuality was considered the third sex in the ancient world. The Kama Sutra makes statements according to this. There are also homosexual acts depicted on the temple walls that relate to maithuna in the cosmological sense.

Originally the metaphysics of sex is based upon the inner union of the soul into the sacred androgynous or third sexed principal. Heterosexuality was not important on this level. Unlike the fake religion of Christianity and its Jewish root. Who make heterosexual sex, sacred only based on the profane, material procreation of children even then done horribly in violation of all sacred, spiritual laws and thus becomes profane. Procreation of children in the Pagan Tradition was done

according to proper metagenic laws, astrological timing and spiritual rituals for the auspicious creation of a spiritual child. Such required knowledge is called practicing Satanism by Judeo-Christianity. The heterosexual variation of maithuna is contained in the remnant of the marriage ritual [taken from the Pagan world]. But is so debased by Christianity its lost its metaphysical principal. Marriages where as part of such arranged by metagenic law including astrological charts.

As a note the unedited Kama Sutra has whole sections devoted to homosexual love and sex. It also mentions homosexual marriage as part of the Primordial tradition. It existed until the Jewish programs destroyed it.

The Templars who practice the primordial tradition [Satanism] chose to depict two male knights upon a single horse to show this principal. This is linked to why the oldest mysteries that of Siva are consider to be Homosexual in nature this is allegorical. Homosexuality is two of the same physical sex but together show the metaphysical polarity within the soul coming together into the same physical being. The homosexual is the third sex all of this together shows the androgyne.

Skanda. [my note Siva] He is the protector of Homosexuals who are considered privileged and beneficial beings." Alain Danielou

The horse is the symbol of the serpent power as well. Not the church chose the image of the Templars to accuse them of homosexuality.

So all of this shows the androgynous principal. As such sexual union does not create people and is based on the third sex. It exalts the highest metaphysical principal of maithuna. By attacking homosexuality the Jews [the core of Abrahamic programs that are the reason homosexuality is hated] are attacking the core knowledge of maithuna and the Godhead. This principal was always shown as sexual union. Another example the reborn God is always bisexual. For this purpose the union of opposites. Transsexualism was also sacred as it was considered along with homosexuality the third sex. Which embodies the cosmology of the divine.

Siva is the third sex, the divine androgyne.

Communism Is A Religion

Danielou was correct when he called Marxism the last world religion.

Communism is a religion. This documentary film shows life in this society. They have literally created a religion of the cult of the Communist state and leaders. The head leaders are turned into near mythical-supernatural messianic beings on the level of a Jesus or Mohammed. Their lives are crafted into religious themed, mystical stories and complete with massive Temples and shines built to them across the nation. Their books are treated as Bibles or Koran's and the people forced into a literal cult of worship of them as divine hero's, full of religious zeal and fanaticism along with religious like parades and pageants. And the state as their church on earth. They even have a massive city built as the Vatican or Mecca to the state cult. This is something you would only expect to find in a place like Saudi Arabia.

As a wise person stated simply cross out God in the Bible and insert State and you have Communism.

This is what Jewish Christianity and Islam is designed to lead the planet into. As the Koran is just the Jewish Torah mixed with other Christian tales mixed with Mohammed. It plugs into the vortex of psychic power created by Judeo-Christianity.

This film also shows the reality of people forced to eat literal baked dirt and tree bark to try and stay alive, hundreds of thousands and more dead from mass starvation. Empty roads and cities, They can't even keep the power on in their capital it has constant black outs. No economy of anything in existence. Death camps and massive graveyards to the point they are reusing body bags because the state is running out of them. So many people are dying from starvation and disease.

The whole nation is crumbled into a tombworld. Full of massive mausoleum style moments to the state cult that has exterminated them.

North Korea Documentary - Secret Filming Of A Country In Ruins - Little Left To See In North Korea

The winner of the 2001 International Emmy award for Best Documentary,

Welcome to North Korea is a grotesquely surreal look at the all-too-real conditions in modern-day North Korea.

Dutch filmmaker Peter Tetteroo and his associate Raymond Feddema spent a week in and around

the North Korean capital of Pyongyang -- ample time to represent the starvation and deprivation afflicting a good portion of the population, and to offset such "contemporary" imagery as cars and public facilities with the conspicuous nonuse of these trappings.

As the filmmakers reveal, the North Koreans have no opportunity to compare their existence with that of the outside world, due to the near-total cutoff of news and free transportation.

The one predominant feature of this oppressed nation is manifested in the scores of statues, sculptures, and iconic paintings of North Korea's Communist dictator Kim Jong II, who has gone to great and sometimes ruthless lengths to convince his subjects that he has inherited godlike powers from his equally "divine" father, the late Kim II Sung (whose mummified body still lies in state, à la Lenin).

Were this not all too painfully true, Welcome to North Korea could easily pass as a grotesque fairy tale, out Grimm-ing anything found in Grimm.

The film made its American TV debut via the Cinemax cable network on March 18, 2003.

As some of you may be already aware, there are broken links on the JoS website. The internet is under heavy attack right now, and this will more than likely get worse as time goes on, given the news articles below. The injustice is brutal. Just note how Satanism, Satanists and many others can be freely and openly attacked relentlessly, discriminated against and so forth, but we are not allowed to defend ourselves, or state truths. Oh My! Heaven forbid anyone should ever criticize the Jews!

Now, as for the web pages that are down, most of them can be accessed by copying and pasting the URL of the broken link into <http://archive.org/web/> Please add this website to your favorites, bookmark it. If you are not clear on how to do this, just ask in the groups/forums.

The more I research that filthy bible, the more appalling it becomes. All of those so-called "prophesies" are nothing more than a Jew created HOAX! Christianity is their root and their bulwark and their key to making slaves of non-Jews. I will get into this in depth, but to keep this short, if those prophesies are for real, then why do they need to make use of subliminals in order to bring them on?

Here is blatant proof of subliminals used in the Media leading up 911: Most people are fully aware that Jews control Hollywood and the media. Hollywood

Predicted 9:11??? [Youtube video]

<http://www.youtube.com/watch?v=41FRnNDZkuI>

The above video is proof that the so-called "prophesies" in the Bible are nothing but a hoax. The Bible is not the "Book of God" but is a work of the Jews, of which they use subliminally to carry out their curses, some of which are centuries old. One only has to be knowledgeable about the workings of the mind and of witchcraft to see this and to fully understand.

The above is just one, there are also many more including:

This idiot blames Satan, of course, but is too stupid to note that there is a bible in every home, no different from the money circulating, giving this a subliminal link and most important of all, if this bible is as they claim "the word of God" then WHY must the Jews use money, movies and other means to create subliminals for their so-called "prophesies"?????

The Judeo/Christian bible is nothing more than a total hoax, though given the low level of intelligence of most Christians, they cannot see this.

I explain much more [I am not the best speaker], but these videos of my mp3 audio sermons reveal more in depth concerning these so-called "prophesies":

Internet anti-Semitism a 'mortal danger,' say MKs By SAM SOKOL 02/10/2014 19:55

Stakeholders from government and non-governmental organizations testify in Knesset hearing on matter.

Using Facebook on the Internet Photo: reuters

Anti-Semitism on the net is "like a tsunami wave," Knesset Immigration, Absorption and Diaspora Committee chairman MK Yoel Razbozov said during a

Sunday hearing on online hate speech.

Razbozov called for countries to enact legislation restricting online hate, and warned that if Jews will not act to combat the spread of anti-Semitism online, they will eventually "find themselves in mortal danger."

Representatives of the Foreign Ministry, the Ministry of Jerusalem and Diaspora Affairs, the Israeli Internet Association and the Anti-Defamation League, among other bodies, testified regarding the dangers of online hate and discussed methods of combating disinformation about Jews and Israel.

The Anti-Defamation League testified regarding its ongoing relationship with Internet hosting company GoDaddy to take down anti-Semitic websites, citing some 30 sites it said were taken down by the American company.

Facebook has also been working with the ADL, its representative said.

"Facebook is coming around, they just need time," Ronald Eissens of the International Network Against Cyberhate added.

The World Zionist Organization established a communications center for combating hate online and is beginning two pilot courses for training Israelis to engage in this struggle, WZO Department for Countering Anti-Semitism chief Yaakov Hagoel told lawmakers.

"I don't see us winning the battle but at least we are putting up a fight," he said.

While combating disinformation with facts and taking anti-Semitism offline were both tactics discussed during the meeting, only the former will have any substantial impact, committee member MK Dov Lipman told The Jerusalem Post.

"I fear that we are fighting a losing battle," he said. "I am convinced that our focus should be on getting Facebook, YouTube, Twitter and urge websites to remove anti-Semitic materials and not with setting up our own sites and pages to negate the anti-Semitism. I will present this proposal to the chairman of the committee and will push hard for this to be the government's direction."

Claims of 'Anti-Semitism' Bring Call for Internet Censorship

Posted By Staff on Feb 19, 2014 in culture | 0 comments

Attempts to censor the Internet because of the "danger it poses" to Jewish interests have been revealed in a special inquiry held before the Israeli parliament.

According to a report in the Jerusalem Post, the Anti-Defamation League (ADL) is in an "ongoing relationship with Internet hosting company GoDaddy" to take down any website which it deems to be showing 'Jews, Jewish

activities or Judaism in a negative light', and also "works with Facebook" for the same purpose.

According to the ADL representative, giving evidence during a Knesset hearing on the Internet and the threat it poses to 'Jewish special identity', the ADL has already succeeded in removing 30 sites hosted by Godaddy.

Knesset Immigration, Absorption and Diaspora Committee chairman MK Yoel Razbozov called for even further censorship, saying that "countries" need to enact legislation restricting free speech.

Representatives of the Foreign Ministry, the Ministry of Jerusalem and Diaspora Affairs, the Israeli Internet Association and the Anti-Defamation League, among other bodies, testified at the hearing.

According to the report, "Facebook is coming around, they just need time," Ronald Eissens of the International Network Against Cyberhate added.

The World Zionist Organization has established a "communications center" for the internet and is "beginning two pilot courses for training Israelis to engage in this struggle," WZO Department for Countering Anti-Semitism chief Yaakov Hagoel told lawmakers.

"I don't see us winning the battle but at least we are putting up a fight," he said.

Committee member MK Dov Lipman told The Jerusalem Post that he "fear[s] that we are fighting a losing battle," saying that countering the facts was not a way forward, and that only outright censorship provided any solution.

"I am convinced that our focus should be on getting Facebook, YouTube, Twitter and urge websites to remove anti-Semitic materials and not with setting up our own sites and pages to negate the anti-Semitism. I will present this proposal to the chairman of the committee and will push hard for this to be the government's direction."

Jews Control the Internet, Says Pro-Palestinian Website
Dutch group charged with criminal complaint over anti-Semitic article

Dutch antiracism groups have filed criminal charges against a pro-Palestinian organization called Stop de Bezetting-"Stop the Occupation"-whose website published an article accusing Jews of controlling the Internet. JTA reports that the Center for Information and Documentation on Israel and the Dutch Complaints Bureau for Discrimination on the Internet have joined forces, filing a complaint against Stop de Bezetting that labels the text "offensive to Jews." Stop de Bezetting's founder, Gretta Duisenberg, denies breaking Dutch laws that forbid disseminating material with intention of inciting hate or discrimination.

The article in question was written in 2009 by the California-based Freedom Research Foundation and mentions the names of Jews involved with Google, Facebook, Wikipedia, Yahoo!, MySpace, and eBay. Titled "The Jewish Hand Behind the Internet," the article is split into subsections that include "The Jewish Entourage at Google," "Zuckerberg's Jewish Entourage at Facebook," "Google's Cooperating with Jewish Censors," and "More Tricks to Control Information on Wikipedia." Wikipedia founder Jimmy Wales is called the "darling of the Jewish crowd at Harvard" and Sheryl Sandberg, who worked at Google before becoming the Chief Operating Officer of Facebook, is mocked for being involved with philanthropy, a "favorite Jewish pastime." The article also chronicles in great length the trips Internet moguls have taken to Israel.

This anti-discrimination complaint comes amidst much discussion and concern about rising anti-Semitism in Europe, and the case against Stop de Bezzing's online anti-Semitism, which raises larger questions about hate speech on the Internet, is not the first of its kind. Last year, a French Jewish student group won a case in French court that called on Twitter to release the names of users who were promoting anti-Semitic hashtags. Duisenberg does not seem concerned about the prospect of legal action, and is quoted as saying "If they want to go to the police, fine. I won't remove [the article] because why should I."

What We Are Fighting For Here

Take a good look at what life is like where Christianity takes over. Its the same everywhere. The rituals we are going to do to reverse the enemy curses on humanity will put an end to the pain and misery that is inflicted on people. This Jewish program of evil has to end. And it will only end by keeping up the struggle with education and rituals. By reversing this with the up coming rituals we will ensure nothing like the below ever happens again. The energy matrix of Christianity is literally the source of the misery on this earth.

A year ago, Dispatches told the story of how children in Africa's Niger Delta were being denounced by Christian pastors as witches and wizards, and then killed, tortured or abandoned by their own families. Following the introduction of the Child Rights legislation and an increase in financial support for a British charity providing a refuge for affected youngsters, the programme returns to find out what happened to some of the people featured in the first film.

As some of you may be already aware, there are broken links on the JoS website. The internet is under heavy attack right now, and this will more than likely get worse as time goes on, given the news articles below. The injustice is brutal. Just note how Satanism, Satanists and many others can be freely and openly attacked relentlessly, discriminated against and so forth, but we are not allowed to defend ourselves, or state truths. Oh My! Heaven forbid anyone should ever criticize the Jews!

Now, as for the web pages that are down, most of them can be accessed by copying and pasting the URL of the broken link into <http://archive.org/web/> the "Browse History" box.

Please add this website to your favorites, bookmark it. If you are not clear on how to do this, just ask in the JoS groups/forums.

In addition, please feel free to visit Satan's Library.

http://spiritualwarfare666.webs.com/Satans_Library.htm

Most of the articles on the JoS website are freely available there in pdf book forms, some in several different languages. The internet is under serious attack and the Jews are out to ruin it. The time is short. Download, save pages and help spread the word while you can. They are also trying to prevent me from posting. I posted this e-mail this morning and it still is not in the JoS e-groups. I will keep posting it until I see it in the groups.

THERE WILL BE A RITUAL ON THE EQUINOX, MARCH 19, WHICH IS OF UTMOST IMPORTANCE.

I WILL BE POSTING THIS TO THE GROUPS SEVERAL TIMES. THIS WILL BE THE MOST SERIOUS AND DEVASTATING TO THE ENEMY THAT HAS EVER BEEN DONE. LILITH IS GIVING ME THE STEPS. THE RITUAL WILL BE EASY AND STRAIGHTFORWARD. THIS RITUAL IS FROM LILITH, AND IS UNLIKE ANY RITUAL WE HAVE EVER DONE. THE ENEMY CENSORS EVERYTHING, ESPECIALLY THE CORRESPONDENCES OF THE MINISTRY AND THEY ARE TRYING TO PREVENT THIS RITUAL AT ALL COSTS. WE HAVE BEEN UNDER HEAVY ATTACK.

IF FOR SOME REASON, THE GROUPS ARE INTERFERED WITH, WHICH IS VERY POSSIBLE, THEN CHECK OUT THE JOS FORUMS:

<http://josministries.prophbb.com/>

THIS WILL BE A SERIOUS OF RITUALS. THE ROOT OF JEWISH POWER IS IN THEIR TORAH, IN HEBREW. LILITH HAS SHOWN ME THIS AND HOW TO DESTROY THEIR CURSES AGAINST US.

The more I research that filthy bible, the more appalling it becomes. All of those so-called "prophesies" are nothing more than a Jew created HOAX! Christianity is their root and their bulwark and their key to making slaves of non-Jews. I will get into this in depth, but to keep this short, if those prophesies are for real, then why do they need to make use of subliminals in order to bring them on?

Here is blatant proof of subliminals used in the Media leading up 911: Most people are fully aware that Jews control Hollywood and the media. Hollywood Predicted 9:11??? [Youtube video]

<http://www.youtube.com/watch?v=41FRnNDZkuI>

The above video is proof that the so-called "prophesies" in the Bible are nothing but a hoax. The Bible is not the "Book of God" but is a work of the

Jews, of which they use subliminally to carry out their curses, some of which are centuries old. One only has to be knowledgeable about the workings of the mind and of witchcraft to see this and to fully understand. The above video, they keep removing. People who know the truth just keep putting it right back up again.

The above is just one, there are also many more including:
1960'S SUBLIMINAL MESSAGES (in slow motion)[Youtube video]
<https://www.youtube.com/watch?v=Rnkg-yCPryE>

9/11 \$20 Bill Trick [Youtube video]

9/11 foreshadowed in Super Mario Bros. The Movie [Youtube video]
http://www.youtube.com/watch?v=TKLw_Fm3tqg

Sandy Hook and Batman shootings announced in Movie "Batman " [Youtube video] <http://www.youtube.com/watch?v=c8nTZKpmtlQ>
[The above was done to try to enact gun control. By enforcing gun control, the populace is then helpless. The communists blatantly move in and mass murder whoever they please. ARMED PEOPLES ARE FREE PEOPLES!

There is another one, now the \$100.00 bill. Note this one was done by a Christian IMBECILE:

<http://www.youtube.com/watch?v=NU4-Ev2xLXM>

This idiot blames Satan, of course, but is too stupid to note that there is a bible in every home, no different from the money circulating, giving this a subliminal link and most important of all, if this bible is as they claim "the word of God" then WHY must the Jews use money, movies and other means to create subliminals for their so-called "prophesies"?????

The Judeo/Christian bible is nothing more than a total hoax, though given the low level of intelligence of most Christians, they cannot see this.

I explain much more [I am not the best speaker], but these videos of my mp3 audio sermons reveal more in depth concerning these so-called "prophesies":

The Holy Bible: A Book of Jewish Witchcraft:

I already posted these news articles and I am posting them again. Note the phrases contained below:

" Knesset Immigration, Absorption and Diaspora Committee chairman MK Yoel Razbozov called for even further censorship, saying that "countries" need to enact legislation restricting free speech."

"Attempts to censor the Internet because of the "danger it poses" to Jewish interests"

This right here blatantly reveals who is out to destroy your civil liberties and freedoms, and in addition, reveals the Jewish supremacy attitude over Gentiles.

Internet anti-Semitism a 'mortal danger,' say MKs By SAM SOKOL 02/10/2014 19:55 Stakeholders from government and non-governmental organizations testify in Knesset hearing on matter.

Using Facebook on the Internet Photo: reuters Anti-Semitism on the net is "like a tsunami wave," Knesset Immigration, Absorption and Diaspora Committee chairman MK Yoel Razbozov said during a Sunday hearing on online hate speech.

Razbozov called for countries to enact legislation restricting online hate, and warned that if Jews will not act to combat the spread of anti-Semitism online, they will eventually "find themselves in mortal danger."

Representatives of the Foreign Ministry, the Ministry of Jerusalem and Diaspora Affairs, the Israeli Internet Association and the Anti-Defamation League, among other bodies, testified regarding the dangers of online hate and discussed methods of combating disinformation about Jews and Israel.

The Anti-Defamation League testified regarding its ongoing relationship with Internet hosting company GoDaddy to take down anti-Semitic websites, citing some 30 sites it said were taken down by the American company.

Facebook has also been working with the ADL, its representative said.

"Facebook is coming around, they just need time," Ronald Eissens of the International Network Against Cyberhate added.

The World Zionist Organization established a communications center for combating hate online and is beginning two pilot courses for training Israelis to engage in this struggle, WZO Department for Countering Anti-Semitism chief Yaakov Hagoel told lawmakers.

"I don't see us winning the battle but at least we are putting up a fight," he said.

While combating disinformation with facts and taking anti-Semitism offline were both tactics discussed during the meeting, only the former will have any substantial impact, committee member MK Dov Lipman told The Jerusalem Post.

"I fear that we are fighting a losing battle," he said. "I am convinced that our focus should be on getting Facebook, YouTube, Twitter and urge websites to remove anti-Semitic materials and not with setting up our own sites and pages to negate the anti-Semitism. I will present this proposal to the chairman of the committee and will push hard for this to be the government's direction."

Claims of 'Anti-Semitism' Bring Call for Internet Censorship

Posted By Staff on Feb 19, 2014 in culture | 0 comments

Attempts to censor the Internet because of the "danger it poses" to Jewish interests have been revealed in a special inquiry held before the Israeli parliament.

According to a report in the Jerusalem Post, the Anti-Defamation League (ADL) is in an "ongoing relationship with Internet hosting company GoDaddy" to take down any website which it deems to be showing 'Jews, Jewish activities or Judaism in a negative light', and also "works with Facebook" for the same purpose.

According to the ADL representative, giving evidence during a Knesset hearing on the Internet and the threat it poses to 'Jewish special identity', the ADL has already succeeded in removing 30 sites hosted by Godaddy.

Knesset Immigration, Absorption and Diaspora Committee chairman MK Yoel Razbozov called for even further censorship, saying that "countries" need to enact legislation restricting free speech.

Representatives of the Foreign Ministry, the Ministry of Jerusalem and Diaspora Affairs, the Israeli Internet Association and the Anti-Defamation League, among other bodies, testified at the hearing.

According to the report, "Facebook is coming around, they just need time," Ronald Eissens of the International Network Against Cyberhate added.

The World Zionist Organization has established a "communications center" for the internet and is "beginning two pilot courses for training Israelis to engage in this struggle," WZO Department for Countering Anti-Semitism chief Yaakov Hagoel told lawmakers.

"I don't see us winning the battle but at least we are putting up a fight," he said.

Committee member MK Dov Lipman told The Jerusalem Post that he "fear[s] that we are fighting a losing battle," saying that countering the facts was not a way forward, and that only outright censorship provided any solution.

"I am convinced that our focus should be on getting Facebook, YouTube, Twitter and urge websites to remove anti-Semitic materials and not with setting up our own sites and pages to negate the anti-Semitism. I will present this proposal to the chairman of the committee and will push hard for this to be the government's direction."

Jews Control the Internet, Says Pro-Palestinian Website Dutch group charged with criminal complaint over anti-Semitic article

Dutch antiracism groups have filed criminal charges against a

pro-Palestinian organization called Stop de Bezetting-"Stop the Occupation"-whose website published an article accusing Jews of controlling the Internet. JTA reports that the Center for Information and Documentation on Israel and the Dutch Complaints Bureau for Discrimination on the Internet have joined forces, filing a complaint against Stop de Bezetting that labels the text "offensive to Jews." Stop de Bezetting's founder, Gretta Duisenberg, denies breaking Dutch laws that forbid disseminating material with intention of inciting hate or discrimination.

The article in question was written in 2009 by the California-based Freedom Research Foundation and mentions the names of Jews involved with Google, Facebook, Wikipedia, Yahoo!, MySpace, and eBay. Titled "The Jewish Hand Behind the Internet," the article is split into subsections that include "The Jewish Entourage at Google," "Zuckerberg's Jewish Entourage at Facebook," "Google's Cooperating with Jewish Censors," and "More Tricks to Control Information on Wikipedia." Wikipedia founder Jimmy Wales is called the "darling of the Jewish crowd at Harvard" and Sheryl Sandberg, who worked at Google before becoming the Chief Operating Officer of Facebook, is mocked for being involved with philanthropy, a "favorite Jewish pastime." The article also chronicles in great length the trips Internet moguls have taken to Israel.

This anti-discrimination complaint comes amidst much discussion and concern about rising anti-Semitism in Europe, and the case against Stop de Bezetting's online anti-Semitism, which raises larger questions about hate speech on the Internet, is not the first of its kind. Last year, a French Jewish student group won a case in French court that called on Twitter to release the names of users who were promoting anti-Semitic hashtags. Duisenberg does not seem concerned about the prospect of legal action, and is quoted as saying "If they want to go to the police, fine. I won't remove [the article] because why should I."

Subject: IMPORTANT 2014 EQUINOX RITUAL!!

The following ritual is of extreme importance to Satan and our Gods. It should be done right after the Sun enters 0 degrees of Aries, which begins the Spring Equinox. The purpose of this ritual is to reverse curses in the bible. The bible is not a work of any "God" or divine entity, it is a manmade hoax. This also includes the biblical codes, of which I will go into detail in explaining in an article forthcoming. I will do my best to be online frequently until the time of the ritual to answer any questions related to the ritual, pronunciation and such, as will our High Priests.

The words below are to be vibrated. By vibrating these words, this will lift a powerful curse. The

more people we have who will be doing this ritual, the better, as there is both strength and power in numbers. This ritual is a beginning of a series of rituals of which we will be doing similar each month or in some cases, twice a month in harmony with planetary energies. This ritual is not a curse, it is reversing a curse, of which does not in any way conflict with the retrograde Mars at this time. We are removing the weapons from the enemy's hands.

Many of the words below are guttural. This means many syllables are vibrated in the back of the throat. Just do the best that you can. Practice the words [I have included an mp3 of the words for you all to download], as much as you can before performing the ritual.

March 20, 2014, 16:57 begins the Spring Equinox. 16:57 is Greenwich Time, also known as Universal Time. To find your local time, you can visit this website:

<http://www.timeanddate.com/calendar/march-equinox.html>

PLEASE PERFORM THE RAUM MEDITATION TO RAISE YOUR POWERS BEFORE PERFORMING THE RITUAL:

This meditation is exceptionally powerful and should only be performed by experienced meditators.

Vibrate RAUM

- RRR into your base chakra [be sure to roll the R's]
- AHH into your sacral chakra
- UUU into your solar plexus chakra
- MMM into your heart chakra
- Now, vibrate RRR into your heart chakra [be sure to roll the R's]
- AAAH into your throat chakra
- UUU into your 6th chakra
- MMM into your crown chakra.

The above is one round. Do several rounds. It is best to do 13 rounds, or a multiple of 13.

Following the completion of the above, vibrate I-O. I is the symbol for the masculine side of the soul [representing the penis] and O is the symbol for the feminine side of the soul [representing the vagina]. This is especially seen in the Sigils of our Gods. This is also taken from the Greek legend of IO, Princess of Argos, which is an allegory. Argos is of Agares.

Vibrate EEEE focusing on the right side of your body and immediately follow by vibrating OOOH focusing on the left side of your body [going back and forth], 40 times.

For example, vibrate EEEE focusing on the right side of your body [torso], then immediately vibrate OOOH focusing on the left side of your body. That is one round. Then, immediately vibrate EEEE on the right, then immediately vibrate OOOH on the left. That is the second round. Do 40 rounds of vibrating I then O using a Satanic rosary. A Satanic rosary is used so one is not distracted when vibrating high numbers of repetitions, by trying to keep count.

The I vibration, pronounced as EEE, is pronounced as the long American English E, as in the American English words SEE, TEA, and ME.

The OOOH vibration is the American English long O, such as in the words HOLD, and NO.

Following the completion of the above, vibrate E-A. Vibrate E, pronounced AY, as in the American English words MAY, SAY, DAY; focusing on the front of your body, and then AHHHH, focusing on your entire spine.

For example, vibrate AAAAYYYYY, focusing on the front of your body- just your torso, then immediately vibrate AAAH focusing on your entire spine. That is one round. Then, immediately vibrate AAYYY on focusing on the front of your body, then immediately vibrate AAAH focusing on your entire spine. That is the second round. Do 40 rounds of vibrating E then A using a Satanic rosary.

This meditation empowers the entire soul. The heart chakra is a connector and energy vibrated into it from below will then connect to and transfer into the upper chakras in the second part of the meditation. Just be aware, this is exceptionally powerful and you will definitely feel it the very first time.

This is a powerful meditation to use both before a formal ritual or any informal working.

RITUAL:

INVOCATION TO SATAN:

In Nomine Dei Nostri Satanas, Luciferi Excelsi.

In the Name of Satan, Ruler of the Earth, True God, Almighty, and Ineffable, Who hast created man to reflect in Thine own image and likeness, I invite the Forces of Hell to bestow their great power upon me. Come forth to greet me as your Brother/Sister and friend.

Deliver me O Mighty Satan from all past error and delusion, fill me with truth, wisdom and understanding, keep me strong in my faith and service, that I may abide always in Thee with Praise, Honor and Glory be given Thee forever and ever.

Vibrate the following paragraph of words 9 times:

AHKH-EHY-KH • YAIM-UHY • LAHK • LAHKH-OHT •
RRAHPH-HAH-UV • KHEHL-EHTH • AKH-UHN-OHKH-UHGG •
AHL • EHD-AHS-HAH • TSAHYH-AHKH • LOHK-EEM-OOV •
AHM-HEH-UHB-HAH • LAHK-EEM • AHT-AH •
RR-OOV-RRAH • T-OH-ZZ • AHTYH-EES-AHH • EEK •
SH-AKH-AHN-NAH LEH • MEE-OHL-EH • AHV-OH-HUH-Y •
RR-EHM-OH-OO.Y-AHV

In closing, state with conviction 9 times:

Vibrate AUM

The serpent is free, the serpent is exalted, the serpent is forever!

Vibrate AUM

HAIL SATAN FOREVER!!

End of Ritual

Key to pronouncing the words correctly:

AH as in the American English word father

AI as in the American English words name and came

- EE as in the American English words seek and week
- EH as in the American English words pet, set, and let
- KH is guttural and the sound is made in the back of the throat
- OH as in the American English words oh and go
- OO as in the American English words sooth and tooth
- R's should be rolled
- TS as in the American English words hats and pizza
- UH as in the American English word cut and tub

AHL – this word should be vibrated in the back of the throat

AHTYH-EES-AHH – the AHH at the end should be vibrated in the back of the throat

Subject: Answers to Questions Regarding Equinox Ritual			

Here are some answers to questions that were posted in the different groups. I am posting them here for everyone:

The ritual will be performed once. One time only. This ritual is an opening though, in beginning a series of rituals. We will be reversing biblical curses.

Special thanks to Satan and Lilith. Without their directly working with me, this would have never been possible. Be sure to acknowledge Satan and Lilith, as they made this ritual possible. Please let them know your gratitude.

I worked brutally hard, yes, but they helped me through it. This was the most difficult and grueling work I have ever done to date. The language is ancient Hebrew. I had to learn this enough to know the letters, how to pronounce them and to reverse them, as they must be vibrated in reverse. The entire line of words must be vibrated backwards in Hebrew.

Without both Satan and Lilith working directly with me on this, for several days and many hours straight, this would never have been possible. I took the verse right out of a Jewish torah. BTW- I noted during this [I had to do endless research to try to get the pronunciations correct, Lilith said it is

not 100%, but what I have will definitely work], that the Jews have a different torah that they themselves normally use, and a different one designed for Christians who can read Hebrew and this is also with Jewish writings. In addition, as most of you know, regarding the intelligence level of most Christians; the level of outright stupidity is profound. I had to do a lot of online research, and also offline for this and it is no wonder how Christians are so easily deceived. I mean stupidity to the extreme. Lilith got me a copy of a Jewish used torah, not the one for the Christians who can read Hebrew. I will be using this in forthcoming rituals. I also stated before, the Jews use Hebrew because very few Gentiles can read and understand it. I have seen repeatedly, both in Hollywood movies and also when doing research, youtube, etc., different sources, where some Christian or even law enforcement will go to a rabbi to ask what this and that means in Hebrew. Think that rabbi is going to give it to them straight? The key is to learn it.

Also, for those of you who have doubts concerning Satan's intentions, if they did not care for us or had any "evil" intentions, they would not be helping humanity. By removing these curses, we will finally get out from under, be free, and have a future without needless suffering. BTW- this working was the most difficult for me in the way of obstacles and brutal hard work, the enemy fought me incessantly through psychic attack, but all this did was make me all the more determined. This is hitting the enemy right in the heart so to speak. What is really humorous is when the enemy spirits go from outright attacks to where they know they are defeated and then they attempt other means, like pleading. When they begin to plead, this is very, very rewarding.

More of these rituals will be forthcoming, as we will be undoing all of the biblical curses aimed at Gentiles. Unless we disarm the enemy at the root, their torah, we will never be able to beat them. The torah is their power. It is the root and the source of their power and control over the Gentile world. From Haman to Hitler, many, many Gentiles have tried to bring justice down upon the Jews, but have failed. They have failed because they were unaware that the Jews must be attacked spiritually. BTW- the Talmud is a rabbinical commentary. Their real power is in their torah.

Question:

I usually Vibrate the RAUM Mantra on my middle chakras. Should I vibrate RAUM on my spinal chakras instead >to fully maximize my energies for this ritual?

Thanks.

Answer:

No. The main reason for the RAUM meditation is to raise your powers. As long as what you are doing is working to raise your powers, you are fine in doing it.

Question:

Just curious... is it Sanskrit? If not, may I ask what language it is? Looks almost like ancient Egyptian!

Answer:

No, it is Hebrew, straight from their torah and the words and entire verse are reversed.

Question:

Hello everyone, much preparation ahead of this ritual, more then excited (but searoius) to be apart of this. I would just like to add a quick tip for anyone new enough that may be concerned about a Satanic Rosary. I've seen among other sites and groups a concern for not having one. I my self have not yet crafted or concecrated one to my likeing as I enjoy the asthetic aspect of this. But don't worry if you don't have one your self. An easy way to keep track of 108 vibrations I found was to utilize a couple of old decks of playing cards I had laying around the house, I counted out 108. Then concentrated the new 108 deck. Begin your vibrations, and simply without thought lay down a card infront of you until there are no more cards in the hand holding the deck. Simple and inexpensive. I even painted them black and in red and blue alternations Satan's sigil. Anyway thought I would add this post. I remember I felt once concerned for not having a Rosary, but I got creative . Btw I plan to fashion a real one with my own crafted beads, just have found the deck method easy for now until I have the exact materiel I want.

HAIL SATAN!!!

Answer:

Thank you for bringing this up. I finished with the ritual early this morning, after working on it for days and days and many hours straight. It was grueling to say the least and I want to make sure you all know- both Satan and Lilith helped me and made this possible. The credit goes to them. Without them, this would have been impossible.

I was very tired this morning when I posted this. I apologize for errors, such as not clarifying for new people regarding how to do the RAUM meditation. I also forgot to add that having a Satanic Rosary is not necessary. The reason for the rosary is that it is a help in being able to focus on the vibrations without having to keep track of the numbers of vibrations. Anything can work, even your fingers if necessary.

Question:

---In JoyofSatan666@yahoo.com, <tjs4satan@...> wrote :

How long are we supposed to do this ritual? Is it a forty day working or longer? Length doesn't matter to me, I would just like to know. One other thing, my wife is very new to this, she recently dedicated not to long ago. Should she do this? If so, she has issues vibrating, could she vibrate these in her head?

Thank you Hail Satan!! Hail Lililth!! Hail all Gods of Duat!!

Answer:

The words do not have to be vibrated in the way as we do in our normal

workings. Just vibrate them the way I have on the mp3. In other words, say them slowly and with intent.

Question:

Can newbies do this? Or no because of the RAUM meditation will be too much for them? If no, I was wondering if they could do the ritual to send energy to Satan and Lilith instead... I know some newbies who would like to join..Hail Satan and All The Mighty Gods of Duat!!

Satanismo Espiritual em Português:

<http://satanismoespiritual.webs.com/>

Answer:

Yes, Newbies can do this. It is important that everyone who is able to, to participate in this ritual. Energy can also be raised and sent.

Question:

Posted by: "Zayd" zkillerofhearts05

I'm kind of new to all this.I dedicated myself to Father about a year ago but I started doing meditations a few weeks back. Can I also perform this ritual? Thanks!

Hail Satan!

Answer: Yes.

Question:

Posted by: teo4ss666 I have been dedicated a little under a month, and sadly cannot vibrate. My fiancée however has been dedicated about 2 years and can vibrate, however, he mentioned to me that i could do it in my head, is that accurate? Which leads me to my next question, you had mentioned that the meditation is very powerful and should only be done by experienced meditators, does this mean i can not participate? Or is there another way around this?

Answer:

Just do the RAUM meditation for half or even less of the repetitions. Instead of doing the entire 13 reps, do 6 or 7, and then do 20 for the IO. If this is too difficult, you can skip it. As I already mentioned in the above, just follow along on the mp3. The words only need be stated slowly. They do not need to be drawn out in a long vibration.

If you are inexperienced with meditation, then do the meditation with only half the number of repetitions given; 6 or 7, then 20 for the IO. If you are totally new, please read this before meditating.

Subject: Story: "The Final War"

Below, a fictional story I wrote for our SS and Warriors.

<http://www.youtube.com/watch?v=XYKUeZQbMF0> You can hear music aswell with this. It may be more inspirational for you.

THE FINAL WAR

And both of them sat down, the little one on his bed and the Father took the book, started reading the story. The Father opened this old, very old book written by their ancestors, not too long ago. He started reading the story:

"The Final War,

Aeons have passed inside this time, legions have been awaiting the Final Battle, The rotten still stand against the strong, in a battle without mercy, the Noble ones still fight life after life for the same decree. The council has had to decide, on the war taking place and all there's to that.

What has been said by the old, you judge an Army by the King.

The name of this King Stands proud in the Banner, reading "Satan". The banner was clear, beautiful, white with Golden Trim and Satan's symbol in the middle. The enemy banner, pletted in the blood of the weak and deluded masses, whom they have conquered by force, names countless names of their leaders, who have led and are being led by slavery and force. Those who stood under this banner, stood because of their needs, fear and delusion. In this war, its free men, against slaves and rotten beings, who have all sorts of disgust in their steps and victories. Its those beings who are full of fear. Beings who have even denied themselves, beings who were not by nature created to embrace the vastness of herself. Death to them is the scariest thing that could happen. Death to the first ones has been never a fearful trip.

The Grand Noble Commander, Rammesses II, does not stand upon a Golden throne, for He is Golden inside his own Soul, without such need, He is in the line like anyone else; for the Noble Souls seek no a vain leadership but to guide their worthy ones to Eternity. He is moving from the front line to the Podium, ready to talk to his loyal people, who are fighting this righteous war. The Gods silently watch, as they themselves observe the Noble Armies as equals to themselves. As

such, they pay unwavering attention. He has stood to everyone as a role model and Father.

Down from the Podium, the loyal armies of the Noble ones, in all their perplexity of appearance and Noble Gentile Spirits, embodiments of ALL the Ancient Gentile Races, watch, in all their mighty differences in beauty, intelligence and presence. They listen carefully, wearing their armors, with their own symbols of their culture, which they have protected. Now they are all connected to one, well organized army, in which the Gods have placed their Truth and Trust. All these tribes, have their Leaders and appointed Rules, whom have been chosen as such by the council of the Gods and by the people in Free Will. Between Godmen, everyone knows their position in the war.

The Noble Rammsees II walks slowly and with strong steps, on the Podium. He is there now.

He takes a deep breath and as his people see him, they look at him fully alert. They know they will hear a message that will talk right into their spirit. They need this morale.

"Today, this is no day for vain speech,

Today, there is a day for War.

My dearest Brothers and Commrades, you all know the Truth

As we always placed it above ourselves and as thus we have succeeded in building what you can see now.

For I respect your Souls, your cultures, the Souls of your Children, which one day shall take our place,

Not in immortality, but in position, even though we are eternal, we shall multiply and fill the Earth.

Do you feel, what I feel,

Do you see these rotten enemies, and how they try to oppose us?

Do you feel the hate surging in my veins, our need for Revenge?

Our people have always been Noble, being stronger and stronger to avoid everything that is lower than ourselves. Our people have been eternally honest, or tried to be which is still an act of Nobility.

Now, We are attacked my brethren. And as you know, we are not the ones to sit by and watch our wives, our lives and our very beings being dragged to dust."

The crowd enrages.

As he talks, the Leader is heard amongst everyone, in the clearest tone of voice there ever has been. His voice is stable, strong, resolute. People know and understand, that from his mouth and lips talks a greater providence, that of the Creator. They look at his powerful body, that is filled with bravery, inside his beautiful eyes.

The King continues, having in mind the words of his own Son, a night they had conversed about the Kingdom and the people :

"Inside your heart, rests bravery and courage. All of you have have been observed and trained upon like the most precious of jewels we could possess. All of you are worth nothing compared to the enemy, as they are worth nothing- each and everyone's of your own lives means everything to me, but not only me- the World.

Inside your very beautiful eyes, I see a personification of the diversity the Gods have planted into the Earth,

But I see something entirely common in all of you. Inside your diversity, I see something resting inside you, and that is the essence of our Father.

You know, you will fight. You were born brave, trained to be brave, trained to be the greatest you could ever be. By mutual respect between one another, I feel your hearts bursting with the fires of life, as does mine at the exact moment. For this war is shared, **FOR THIS WAR IS WON, BY THE**

POWER OF SATAN!!!!!!”

The ground below shakes, the Leader looks with his piercing Blue eyes in the sky, raises the hand and salutes Satan, the Great God of Truth. Loudly proclaiming:

HAIL SATAN!! HAIL THE TRUTH!!”

Everyone raises their hand, screaming with utmost bravery and intensity,
“HAIL SATAN!! HAIL THE TRUTH!!”

Everyone is shaking from the sheer power of the Leader’s speech. Everyone is trembling by the power that comes from hearing the word, from inside their own Soul, their very self is treading Hell and reaches heaven at the same time. There is exhilaration and rage emitting from the soul of every man and woman who listened to these words. For many minutes, the rage and hatred against the enemy surged so much, they could feel it in every side of the planet they were. Their end has never been nearer than now.

Now, as tradition follows, the Queen Wife of the Leader steps upon the Podium, to give word to the people. Everyone knows that she will mention the most needed and encouraging things. Many have called her, the Mother of Humanity. She walks gracefully, full of beauty and in her Brown eyes one can see the primordial mother of Humanity. Her long very light brown hair, almost blonde. In her loving presence everyone feels dignified. She has stood to everyone as a role model and mother. You could see in her steps and hand moves both graciousness and overflowed Heroism. A True Female Hero of the elder tales, was standing right before everyone.

“My loyal people, our Loyal Children, I have come before you, just as I am. You know our relations have always been loyal, faithful, truthful and fruitful. All together, we have constructed what you and your children are today. We have all together by our effort constructed what is the Godman. Once, you were mortal men like everyone else. Today you stand before me, most of you immortal in the flesh and aging, but still willing to pay the price of your own mortality.”

She raises her hand at the skies, aiming on the Sun, Saluting the Sun.

“This here, is everyone of you- which you shall never forget. You have become the highest attainment- and someone dares threaten this attainment of Life. Now, my children, I command you, to go and destroy all those who destroy, all those who threaten what we have created.

She looked down on people now, with a hopeful, loving and yet mighty gaze.

Before she could even finish the sentence, the women inside the crowd started saying aloud,
“WE SHALL FIGHT, WE SHALL FIGHT TO THE END!”

The Queen looked at them, piercingly. She raised her hand aswell, and yelled with a stable voice:

“That seals the Council’s choice,
WE SHALL FIGHT, WE SHALL FIGHT TO THE END!”

By that time, everyone has raised their hands. Everyone’s Soul was open and in purity, embracing the Divine Power. The elder hour has arrived, the last and Final Battle was at hand.

The Leader and the Queen, hand by hand, moved in front of the people, as personifications of the male and female divinity. In each and one of the people, one God has awakened, pure and differentiated from everyone else’s. Now, at this time, they were ready to fight. It took hours for this to end, then as it did, the Troops moved in order to the grounds of the Final Battle. There was hardly not a smile in anyone’s face, for one they knew this war has been fought for too long and

this was the final battle, for two, that whatever was the end of it, they are the ones to give a Godly fight. The fight was to begin with the Leader's Order. They were outnumbered, but beared their Soul in the back. [...] "

He closed the book and told his little Son, who for a reason had almost cried. The dad tried to explain more about the story so that his son would understand.

The old writings mentioned, that they have been outnumbered by the millions. Though, exactly as their Leaders said, their lives were worth unaccountably more than the lives of their enemies. As thus, the Ancient Gods themselves, intervened and fought with them, my Son. It was written than this world has been victorious, with few victims that later were saved by the most Powerful ones in the Army. Some sacrificed and actually had to die, and go far, far away. Everyone, without exception, gave their all. And this is my dear child, how you are living today as you are. These people, it has been rumored, now are our own Gods and us, are the ones who are still treading in their footsteps, to become our own Gods aswell.

The little one asked: " Dad, will there be war again?"

The Father Replied: "Nobody knows, but it has been said the evil doers have been long gone from the Earth, my dearest son."

The little one smiled brightly and asked again in his childish enigma: " So daddy, why we train now? For what reason?"

His Father replied, "As to keep our people safe in every possibility."

"The dad, I may one day become like my Grandpa who took part in this Great war! I will protect everyone!"

His Father almost teared up and took his little hand, holding it inside his big palms. He showed him with his fingers, his own veins. The little one looked curiously and asked: "What is this dad?"

"Inside here, rests your grandpa and everyone of these people. So bear this in your heart as this is the greatest gift Grandpa and Grandma could give you. They have went too far to give you another gift."

The little one's eyes brightened up. He said silently and with surprise, "Then, I must be a King too?"

"Yes." His Father replied. The people of Creator Satan are all Kings of themselves.

The little one smiled and opened his arms. He looked with his blue eyes, right inside his Father's brown eyes. His Father took him in his hands and he slowly fell asleep with him. The night was still young but both of them were very tired. The mother and the little sister opened the door and saw them both sleeping. The mother smiled and the sister smiled in a kid dish manner. "Stories again mom! Stories!" said the little child.

"All stories are made with some reality in them my little love." Said the mother. They left and spend the night until they had to sleep, in the garden, conversating about numerous things together. "

And as thus, this story may be over, but the war, is started and to be finished.

Ganesh

Ganesh is a primeval form of Siva and the elephant God is worshipped across South East Asia from India to Japan. From ancient times to this day. The elephant is symbolized in ancient Ireland as well. There have been ancient Ganesh statues found by archeologists in North and South America as well. North America contained an Aryan civilization with some of the largest cities in the world. And buildings on the level of what is in ancient Egypt and at Baalbek. As well as Aryan civilizations in central and south America. Thousands of years before the Amerindians moved in. Even by the Amerindian tribes own records as they recorded a race of Whites already in America who were established in even more ancient times, when they the Amerindians migrated here themselves thousand of years ago. America is mentioned in the Vedic writings as the Land of the Immortal Serpents and was part of a world wide Vedic/Dharma civilization. So the find of Ganesh statues in the America's is revealing but not surprising. As to how primeval the worship of Ganesh really is. We are looking at seventeen and more thousand years.

Ganesh is the leader of the Gana's as is Siva because they are the same God at the core. There are 12 gana's with the God as the leader making the 13th. Skanda who is the reborn or incarnated Siva and worshiped as Amitabha Buddha in Mahayana Buddhism. The eternal youth of 16 years who rides a Peacock mount is red and carries a spear. And is a pre Buddhist God. Is also known to be Ganesh in the esoteric teachings. Ganesha is pictured red. He is called the Great Red Lord of Hosts. He is the leader of the army of the Deva's and is also connected to Mars as is Skanda. He holds all the same identifying traits of Skanda. Ganesha is the divine androgyne. The third power or reborn soul generated by the union of male and female aspects of the soul.

The primordial rites of Ganesh are of maithuna.
Read the below linked article for understanding this one.
The Metaphysics Of Sexual Union:
<http://josministries.prophpb.com/topic2932.html>

Siva's meaning in some languages such as Tamil relates to Sev, sivappu. Danielou in his work "The Myths And Gods Of India." Mentions this could be the origin of Rudra the ancient title of Siva. Rudra, the red one. Which can be a relation to Si, male and Va female. By unification generated the perfected being. Who is always of the color red. To depict the final stage of the perfection process. Which points that Ganesha is the image of primeval Siva.

The elephant head is the Vak or logos but the head is important as all the astrological signs rule the head this is a reason the animal head is chosen to show the micro and macro. Also the elephant head is serpentine looking with the trunk and the ears. The 13th constellation. The serpent bearer. The head also rules the element of quintessence or space which is in the Macrocosm, the unmanifest God. Of which Ganesha is the manifest of. The microcosm, the incarnated logos. Of where mind connects into cosmic mind.

Ganesha's vehicle the mouse is the symbol of the quintessence. Like the mouse stays hidden. So does the element of quintessence stay hidden deep within physical matter.

The elephant in the East is the symbol of the Pranava and the AUM symbol represents the image of an elephant head. And the Pranava is the macrocosm manifestation of the Zodiac which relates what is previous mentioned the reason for the elephant head as the Vak. Ganesha's wives are Siddhi and Buddhi. The powers of the serpent along with Buddhi or wisdom the super consciousness of this cosmic power. He is also shown red colored the symbol of the magnum opus finished the color of the fire of the sun. Ganesha as stated as means Lord of Hosts. The Hosts in the east are the elements and thus the energy centers that govern them. He is the All, the primordial quintessence of ether. That all the elements are formed from and of. Mars is Vulcan the

forge God who crafts and purifies the metal that are the elements of the soul by fire. Red is also the color of the blood of the Gods. The serpentine energies. And the planet of war, the divine war to purify the blood/energies of the soul. Ganesh being the leader of the Devonic forces who commands and governs the spiritual war to transform the soul and defeat the Asura's who are the dross that rule the imperfect state and the force of time.

Ganesh is the supreme God of War as well for the God of transcendence must always be the God of War. For the act of this inner holy war is the act of transcendence.

Ganesh is the Lord Of categories. Which relates to him being the Grand Artificer of the universe. Of which the All is number.

I note the Ganesh tradition is always reserved for high level initiation in Japan its kept very secret. The same in Sri Lanka.

Gajanana is a title of Ganesha. "The elephant faced." Gaja esoterically means ga and ja , relate to "beginning "and "ending.". Ganesha is the Alpha and Omega the beginning and the end. The path of liberation by the union of the soul. The symbol of the Magnum Opus.

The elephant Headed God in the East is prayed to before undertaking any working but in the main books his bija mantra to be used is Gam. Its actually AUM. Ganesh represents the ether and the ability to remove obstacles. Which refers also to the Saturn and the force of time. There is a myth around him in which he defeats the genie of time form getting in the way of the rituals of the Sages. The ether or logos is above the forces of time and its causations. The AUM relates to the bringing and endings of ritual workings as well. Ganesh is the principal of why AUM is prefixed to mantra's. Within the formula of AUM. A generates existence and the M closes it. M relates to Siva the destroyer of time. Where A is Brahma the creator. Yet AUM is the one letter mantra that of A. To use AUM properly for a ritual working is to act by the principal that all things come into existence by.

He is also the Lord Of Obstacles. But in the fact of only if he is not evocated before the working. Because without doing so. You will not overcome what evocation of Ganesh overcomes. The principal of Ganesh is supreme, eternal truth.

The mythos of Ganesha's is that upon creation his head was stuck off by Saturn. Siva and the Gana's took the head of Indra's elephant and Siva baptizing Ganesh with holy water and mantra affixing the new head to the body. Resurrected Ganesha as the reborn God. The union of opposites as Siva is the energy of life that perfected the divine form which was the Goddess in this case. Hence the union of opposites finished. Which is Ganesh the divine androgyne.

Saturn striking of Ganesha's head the symbolic death stage of the work. Where the dross is purified from the soul and the old form dematerialized. Ganesha's regeneration and rebirth. Is the symbol of the supreme ascension of the soul to the perfected state. Ganesha's elephant head is the symbol of the reborn transcendental consciousness that takes place upon the death of the old consciousness which was linked to the pervious Asuric, psychophysical self and the aggravates which formed it. All this is dissolved in the final stages of the work. When the frail body of the material elements ruled by the causation of time is reduced to non-existence. All bonds of conditioned existence are broken.

The baptism is that of the serpentine fire. Our God as the baptizer is also called the Purifier. The two mean the same. Baptism was is apart of the ancient rites of Siva. The serpent fire. The identical

rites are still noted in the Osiris mysteries of ancient Egypt. And those of ancient Greece.

And with this the regeneration of the being into the Pranava. The union and transformation of the soul and body by the serpent fire into the primordial element. His rebirth and red solar color the souls ascension to the solar sphere from the material. Which is above time and thus liberated. Indra's thunder bolt is also Siva's. It's the symbol of Prana and the key that unlocks the soul to Godhead. Its with the thunderbolt Zeus destroys the Titan's [dross]. The thunderbolt is the lighting Siva as Rudra calls down from the heavens. Rudra is the Red One. Ganesh.

More on the symbolism of Ganesh.

Ganesh is also shown with the Swastika on the male or right palm of his hand making the solar mundra. And trunk to the left side marking the feminine part of the soul. The trunk is serpentine which is the feminine.

The swastika means the same as the hexagram the union of opposites into the reborn soul. The Raum meditation is based on the four cornered swastika. And Ganesh is shown red, the color of the letter R which holds the Shakti of the sun. Ganesh is in the root center, is the kundalini energy and the charka has four petals and corners. In his mythos of defeating his brother by going around the world [Siva and Durga] on his mount that of ether. Shows he is the cosmic axis and the serpentine power that moves through it and gives the breath of life to the soul. The central channel in the spine, the power raising up through it. Siva and Durga were the pink and white channels in this myth. Note Siva and Durga were sitting upon thrones at the top of the sacred mountain, in many accounts which this represents where the nadis meet in the head. The throne headdress is seen in Egypt to represent this. And is a symbol of the cap stone. Which is also the benben or lingam stone which is the Osiris or meru column with the peacock or phoenix atop it. In some cases a capstone. Osiris's title means "The Eye In The Throne Of God." The third eye that opens up with the full ascension of the power up the spine and its union in the cranium. Note Ganesh has the trident symbol on his trunk and the opened third eye on his forehead. Which is shaped as a yoni.

In India the worshippers go around the Meru Pillar, seven times. Which is the number of perfection. The seven chakra' perfected which grants the Great Work. The Gods are always shown 16 years old. $1+6=7$. Islam has stolen this and changed the direction during the ritual at the Kabaa. Which was originally a Siva temple:

AUM Cosmology, Siva And The Kabaa
<http://josministries.prophbb.com/topic724.html>

This is why Ganesh wins his two wives of Siddhi and Buddhi in return for this. We can note shades of the tortoise and the hare story in this. The tortoise in many cultures is the symbol of the cosmic, spinal axis and its foundation in the root chakra where Ganesh dwells.

The root charka as earth also represent the earth element that holds all the aspects of the soul together [the body is one as well] and thus red Ganesh represents the final purification of the soul. But as stated the ether principal the whole soul arises from and is upheld by. The Lingham stone that is depicted as the cosmic egg in the root chakra. Is also the symbol of the soul and its rebirth.

The obstacles Ganesh removes is the dross on this level in this is the image of him as stated the

leader of the divine armies. The force of prana that dissolves the impure form [Asura's] and generates the pure form of Godhead. Ganesh is the Atman. The breath of life, the Pranava.

The serpent tied around his waist is the symbol of Anant the cosmic serpent of eternity, the Ouroboros in the west. The perfected mercury and gold in the work. It's the symbol of eternal life as the circle has no beginning or end and is the solar disc, the symbol of AUM. And is the cosmic serpent of the zodiac wheel. The belt or girdle is a sign of divinity in the East. As it aligns with the navel center of life as well. The symbol of the solar. The sun in the center of the Zodiac. And the cosmic womb the reborn God emerges from. The reborn God hence is always shown coming forth from the Yoni. Hence Ganesh's belly is stated to be the universe of creation. The reason the serpent is a Cobra is the venom is the symbol of the acid or dissolution quality the serpentine fire has. But also the immortality as it's immune to its own venom.

He also wears the Brahman thread the three cords woven together into one. The symbol of AUM and the trine aspect of the soul unified.

The tusk Ganesh carries represents the horn, the soma or grail chalice the ancients also showed the grail in the image of a horn cup as well. It gets into the anatomy of the head where the pineal region is. This is the horn Odin's sacred mead is drunk from and Hercules cornucopia or horn of plenty. The Yoga of Soma is called the Yoga of immortality. He only has one tusk attached to symbol his unity with the macrocosm and he does not possess duality within himself. He is the primordial being, the union of opposites into the one or the All. And as such transcendental consciousness. The incarnated logos.

This horn symbol is part of the AUM symbol which is the divinity principal and the AUM symbol is sub divided into glyphs of the five elements AU means: Immortality/truth. In Sanskrit.

Ganesh also wears the crown or halo. The symbol of the risen power and the souls ascension to the solar sphere. And his four arms the four corners of the soul and the elements of creation. With himself being the fifth the other four come from. Ganesh four arms also represent the four Veda's of which he is the one who has instituted them. The four Veda's represent the four elements. Ganesh being the quintessence is the fifth that the four come out of. Hence he instituted the four. There are also 33 Deva's in the Veda. That relate to the 33 esoteric vertebrae of the spinal column and the reason 33 is the number of the Meru Column. Of which Ganesh the primordial Solar god, is lord of.

With the images of the hands in popular icons.

He holds the noose to catch delusion. The noose is the symbol of the destruction time and the serpentine power. It destroys delusion which is the ignorance of those trapped in the bondage of time itself the lower condition states. This is to be overcome with the perfection of the soul and the transcendental conscious that comes with it. Its stated the God also uses it to pull the practitioner closer along the path to him thus the achieving of the Godhead.

In other hand he holds the driving hook which is the emblem of the ruler of the universe. Its relating to the piercing aspect of this power purifying and transforming the soul. Into the liberated state.

He also makes with another hand the sign granting boons as the fulfiller of desires. As the Magnum Opus fulfils all true desires. The hand that makes the abhaya mudra is shown allaying all fear is his being beyond time and death. To which its stated all fear pertains.

In many images he holds the tusk of which has already been made mention and others he is shown

holding the conch shell which is the symbol of the Logos or AUM of which all existence is created by.

He is also carries the Trident in some images. Which is the spinal column with the trine nadis and the three guna's of creation and the piercing aspect of this power moving up the spine. This is also the conical helm with the two bull horns coming out the sides and the conical point in the center of the helm. The Gods are shown wearing in the East and Near East such as the Sumerians. In some cases the two bull horns are replaced by serpents. Agni [Rudra-Siva] is shown wearing such a helm.

Subject: Energy Needed 3/30/14			

Satan and Lilith wanted me to post this, as it is very important. Energy is needed for a very important purpose. This is not time sensitive, but the sooner the better to do this. Just raise your energies and then ask for Lilith to take them. This can even be done more than once, but always remember, never drain yourself, do NOT give any energy if you are even mildly ill or overly tired. Covens are strongly encouraged to perform an

energy raising working to offer to the Powers of Hell.

The energies needed are so-called "white magick" in the way of being positive, protective energies. If you are new, you can also do this. Before your working [this does not have to be formal in any way- no ceremony is needed unless you choose to do this], just focus on Satan and Lilith and they will respond.

For those who are new and/or unfamiliar with this kind of working, doing physical yoga, reciting mantras, breathing exercises to raise your energies, absorbing light energy and also the Sun...there are many different ways to achieve the energy buzz. Once you have the heightened energy, call upon Lilith to take the energy.

Subject: 16/April/2014

Everyone please be alert to next week, as I will be posting another extremely important group ritual that we will be doing on Friday. This ritual will be a continuation in a series of rituals that we already started with the first- reversing curses in the bible. I will also have an mp3 link easily available for download so the vibrations are correct.

These rituals are of extreme importance to Satan and the Powers of Hell. They are one time only rituals and simple to perform. More will also be forthcoming after this and I will post ahead of time so everyone is aware.

One thing I need to add here. I have been studying Hebrew intensively, as is needed to reverse the biblical curses for these rituals. Please be aware of this. I know some of you have run across this sort of thing, as I have. Jews trying to again...deceive us Gentiles. Some claim there is supposed to be a difference in their stupid bible between "Satan" and "Ha-Satan." Well, this is another total crock of shit. "Satan" in Hebrew means "enemy" and "adversary." Hebrew is read from right to left and the spelling- shin, tet and final nun. You can find this in most Hebrew to English dictionaries. Point being now, when the Hebrew letter hei with aka as "heh" "hey" "hah," the fifth letter of the Hebrew aleph-bet, often with the Hebrew vowel dash beneath it means "THE." So, "Satan" in Hebrew means "enemy" and "Ha-Satan" in Hebrew means "The Enemy." Is there a difference? Obviously, NO. This is just another attempt for them to try to deceive you.

Here is a link I found proving the above:

"Certain letters are used for the article, conjunction and prepositions.

These letters can then be prefixed to a noun. For example, when the letter ה (hey) is prefixed to the noun it means "the." So, while עץ (eyts) means "tree," העץ (ha'eyts) means "the tree."

http://www.ancient-hebrew.org/42_lesson02.html

Though the above is "biblical Hebrew" the hei prefix is standard for "the" when placed before a noun.

I posted this information just to clear up any misconceptions for people who have come across this crap online. I have found that learning Hebrew is not like learning say French, Spanish or even Russian. They try to make it as deceptive as possible, for obvious reasons. In most writings, the vowels are omitted and one has to know the Hebrew word in the context it is used to understand what is being written- in other words, growing up with the language- i.e., a Jew. Difficult to learn, but never impossible.

Most Gentiles cannot read or understand Hebrew, Yiddish, etc. Those who need to know certain things of course must have a Jew interpret it for them. This is why they use it so prolifically amongst their own- to deceive. In addition, their articles and writings are not easily or readily available in most areas outside of neighborhoods, etc., with heavy Jewish populations. I have been learning a lot in addition to just that language. I have been passing much onto the JoS Ministry and will keep the groups informed of anything of importance as we go along.

Again, please check the groups, and forums next week, as I will be posting a very important ritual for all of us to take part in.

I would also like to add and it is very important to remember- everything the Jews are and do, they accuse us Gentiles of. Satan is blamed for everything in the bible, but if one looks through open eyes, the REAL "murderer and liar from the beginning" is that Jew-god jewhova. Stupid Christians are of course deceived. Total materialism again, is blamed upon Satan. BUT, just what is there in that stupid bible that is spiritual? NOTHING! The Old Testament is a fictitious history of the Jews, along with Jewish supremacy over the Gentiles, mass murder, and genocide of Gentiles, confiscating and looting Gentile material possessions, properties, along with innocent women and children, forced into being slaves for the conquering Jews after the brutal slaughter and mass murder of Gentile men, and of course that New Testament, nothing but various accounts of the life of that fictitious nazarene. Nothing spiritual- ALL MATERIAL.

The Jewish Hollywood also keeps playing up the Christian crap and is very clever about interlacing this with emotional tear-jerking themes to sucker in average everyday believers. A prime example is the 1959 epic movie "Ben-Hur." Others include "family" entertainment such as the long-run series "Little House on the Prairie" and related that have Christian themes combined with emotional drama. The two come together to imbed in one's mind on the unconscious, emotionally touching and moving concerning that foul nazarene. People fall for this crap all of the time and are duped right into it. This is extremely prolific around Easter.

"Easter" was stolen from Astaroth. Originally known as "Ashtar." This holiday coincides with the Vernal Equinox of spring when day and night are of equal length. Known as "Eastre" to the Anglo-Saxons. As the Goddess of fertility, she was associated with rabbits and eggs. The Christians stole this holiday and twisted its meaning. Other names include: Easter, Eastre, Eos, Eostre, Ester, Estrus, (Estrus is when an animal goes into heat; mating season) Oestrus, Oistros, and Ostara. Again, the "Lamb of God" was stolen from the Zodiac sign of Aries the Ram which occurs every spring.

Subject: Easter And The Resurrecting God			

Easter And The Resurrecting God

panther03.jpg

It was in the Anacalypsis Higgins proved the Jews took their religion from the corrupting of the Primordial Tradition of the Gentile:

"One thing is clear—the mythos of the Hindus, the mythos of the Jews and the mythos of the Greeks are all at bottom the same; and what are called their early histories are not histories of humankind, but are contrivances under the appearance of histories to perpetuate doctrines." Higgins bluntly declares that every ancient author, without exception, has come to us through the medium of Christian editors who have "either from roguery or folly, corrupted them all."

Keeping in mind everything came out of the East. The below is revealing to the key of Easter and that associated with it:

"Sivan (Hebrew: סיון, Standard Sivan Tiberian Sîwān ; from Akkadian simānu, meaning "Season; time") is the ninth month of the civil year and the third month of the ecclesiastical year on the Hebrew calendar. It is a spring month of 30 days. Sivan usually falls in May–June on the Gregorian calendar."

This corresponds to Lent and Easter of which Ash Wednesday starts the count towards. The ash on the forehead in the sign of the cross is the risen serpent power the two lines which from the cross are the union of male and female together at this case at the anja where the nadis come together [the eye of Siva]. This smearing also done in the East. And relates to Siva. The third eye is also put upon the forehead with paste to mark the opened eye of Siva from the ascension of the serpent.

We can witness originally this sacred holy day. Its named after Siva. N and M are identical in vibration Sivan becomes Sivam. Higgins showed that Hebrew at its core is stolen from Sanskrit.

Within the cranium is where the Tantra states the union of Siva and Shakti is done where the three channels merge.

In the ancient West the initiate would have the sign of the union marked on their forehead in the

blood of a bull as well. Which symbolize the energy of the God as the God is the personification of the serpent power. The bull and the serpent were stated to be one and the same. Our word for God as Danielou stated origin is from the name of the bull, that of Go. The Goat and the bull were also used interchangeable with each other. Hence Goat. In German the word for God is still Got. In some mythos you have a bull headed deity and other a Goat head one. Which symbolized the Vak, the logos of the reborn soul. The vak is shown as the Green man in the West as well.

This is also called the Shabda or the Word made flesh. The Christian religion is well known to have been created out of plagiarizing the Mysteries of Osiris. Who is the God Siva in Egypt. Osiris also has the sacred bull as does Siva.

The main thrust of the work that gets left out of many works. Is that the whole work is not just raising the serpent but the unification of the whole soul by perfecting the chakra's as well. Which unifies the body and the soul into one ascended force.

The image of the God resurrecting from the tomb as the Greek Mysteries stated represents the souls ascension from the lower octave of matter. To the solar sphere of the ascended octave. Dionysus rises from the tomb after three days. After his crucifixion in many schools. Osiris also rises from the tomb after three days in the Egyptian celebration of Easter. The Greeks and Egyptians both state Dionysus is Osiris and the evidence shows this. Dionysus and Siva are both shown upon the panther as well. Siva carries the serpent wand of Osiris and Dionysus in the image of the Trident.

In the Pyramid at Giza the sarcophagus has no lid. As the sarcophagus in the Mystery tradition never does, even the one in Washington's tomb. Because the adept has been resurrected into eternal life. Washington is shown upon the dome of the capitol building sitting upon a rainbow surrounded by the Pagan Gods of alchemy of the soul. Wearing the robe of the transmuted soul the quintessence color. Which is what the Emperor of Rome wore as both leader and high Priest. Washington is not in the tomb because he has resurrected into Godhood.

High ranking Druids wore the same. The symbol of the Druid was the serpent around the rod. The symbol of eternal life. And worshipped Siva-Dionysus as Budha and other alias or titles as well.

Primordial Buddhism:

topic175.html

This process is done by the power of mercury of which Siva represents. Hermes is the key that unlocks the adept from the prison of the tomb in the different Mysteries. The lower octave of matter that of the force of time. Of which Siva as mercury the pranava is the destroyer of. Thus the granter of eternal life.

Baptism is the key of this. Osiris is also resurrected by Anup the Baptizer in some cases. Siva resurrects Ganesh from dead by a series of complex rites including baptism to bring him to life as a God. Rites translate to perfections. And were based on the inner fire rituals of the serpent fire. Our God is also called Oana or Oannes the baptizer, who is known as EA of Sumeria. Oannes is Jana in the East another title of Siva as Skanda the second or reborn Siva. Who's symbol is the Peacock and serpent. And the Meru Pillar the Osiris pillar in Egypt along with the Peacock being the Phoenix as well.

Zeus brings Dionysus back to life with the thunderbolt which is the symbol of Rudra [Siva] in the East. And the symbol of the serpent power.

Jana means to purify, to burn away. Anup is also called the purifier as well. As the baptism is the purification by the serpent fire. Which as the Tantra states turns the ore to gold. Or dematerializes the corruptible body into the new luminous, perfected body of the Maha Siddha. The second Siva. The diamond from the coal. Our God is also called Agni which also means "purifier." Within the Siva tantra's. The God states his worship is that of the inner serpent fire.

The serpent energy is also depicted as the water of life. Hence EA-Oannes, is a water God. The Fish is another symbol of this power. And Dionysus is called the: Ichthys "Fish." A titled also stolen by the Christians. Along with the fish symbol. Which is the Yoni the womb of creation the reborn soul emerges from.

Wine is another symbol and Osiris and Dionysus are Gods of Wine. Dionysus turns the water into wine originally in the ancient mythos. Siva is the God of wine as well. The Homa wine. The rites of the baptism of the Homa wine where and still are crucial to the rites of the God Siva in the East.

In ancient Greece the adept was [symbolical] stated to be boiled in a huge caldron in which the Titan aspect was purified from them. The adept emerging from the caldron as a reborn Olympian. This is the baptism and the grail symbolism. Our God as the Baptizer is also Baphomet which means baptized in wisdom. Wisdom is another title for the serpent power. Hence Sophia is wisdom. The serpent was shown in the hieroglyph of a women in the Mysteries as well. Baphomet was also shown a double head god identical to Janus or Agni. The union of polarity of the soul.

The Pagan Cathar's also had the rite of baptism as central to their Mysteries. As well as the worship of what they titled: Agathodaemon "The Good Serpent." Who was shown as the eternal youth the reborn soul. Agathodaemon is a title of Dionysus. They also worshipped Siva-Dionysus under His title of Amour or Kama:

" Kamadeva is a name of Vishnu in Vishnu Purana and Bhagavata Purana and of Krishna as well as of Shiva. It is the name of author of Sanskrit work Prayaschita padyata. Kama is also a name used for Agni." Kama deva is the reborn soul, Cupid is a latin spelling of Kama [Latin is Sanskrit at its core]. And is the divine androgyne. As his name in latin is also Amour. Which is the Amour worshipped by the Cathar's who where worships of love.

Amour as Evola wrote also means Amrita:

"Amrita (Sanskrit: अमृता; IAST: amṛta) is a Sanskrit word that literally means "immortality", and is often referred to in texts as nectar. The word's earliest occurrence is in the Rigveda, where it is one of several synonyms of "soma" as the drink which confers immortality upon the gods."

Osiris is called Asar which is traced to the Ansuz or the Oss rune, the ether principal. He is also called the sacred tree the element of wood is ether. The God is hung upon a tree or a wooden cross which is the spinal column. The three is the spine and the branches the 144,000 nadis this number was stolen from the East. Where Sanat and the 144,000 souls come from Venus to liberate the

earth.. The 33 years of age are the vertebrae is the spine the serpent passes through. The God is the serpent. In many Pagan cultures they would hang a serpent on a tree and call it the Savior God. Salvation is from the Greek Sozo meaning to be made whole, union. The serpent makes the soul whole. The world is a term for the four aspects of the soul as one within the aspect of the body that holds them all together and is part of them. Hence the saviour of the world. Is the saviour or purifier of the soul. From the dross which is called sin in the Babylonian and Greek Mysteries. But was spoken of as a metaphysical impurity. Its symbolized by the Titans or Asura's. Zeus destroys the Titans with his thunder bolt and Siva destroys the Asura's with similar weapons where are allegories for the serpentine power. Purifying the soul. Nothing more.

The Jews have damned humanity to death and suffering by corrupting all this into Christianity. Of which there is nothing spiritual. Even Palm Sunday is of Dionysus. The God is also shown as a Palm tree in some cases. The Donkey is also sacred. As a symbol of this power. The God rides the bull, panther, ram and on. The bull of Siva is called Nadi meaning sound and the energy pathways. Which is the key. The city is the symbol of the soul as well. It was a custom to build cities into yantra's of the cosmic being Purusha the title of Siva. And the wheel of the Zodiac which contain the 13 constellations and steps of the work. Of which the human is a microcosm of.

Thoth also resurrects Osiris from the dead in some theologies. With the Ankh, the breath of life, the serpent. An is a title of the serpent power. The Ankh is a symbol of the union of opposites which generates the new soul. Thoth also represents the power of the pranava and carries the serpent wand.

Isis and Osiris are the energy and form of the soul, the body is part of the soul. Isis is the energy of the serpent and Osiris is the divine form or quintessence within the form of the body. Waiting to be awoken by the work, the diamond within the coal. Horus is the divine child, the divine androgyne who is generated by the union. And resurrects Osiris from the dead. Horus is called the reborn or resurrected Osiris as Osiris absorbs the Isis principal and becomes the Horus. The Hexagram is the symbol of Horus the symbol of union of the soul into the reborn or 3rd logos. The Trinity was taken from the rites of Osiris by the Christian Bishop of Alexandria. Jewish Christianity being plagiarized and made into a literalization of the Mysteries of our Gods, naturally can't wrap their head around its meaning. The fact they are ignorant as to the most fundamental part proves they are a scam. Siva is also the divine androgyne. Si= male and Va=female.

The Metaphysic's Of Sexual Union
topic2932.html

When this occurs the being is purified to the gold. The quintessence which is above time and the Saturnine or material forces it rules. Risen from the tomb. The grave and death is ruled by Saturn. The Grim Reaper is the popular image of Saturn.

This is why Easter is named after the Goddess Easter or Ishtar who is also Isis. In many theologies she is the power that resurrects.

Nine the ninth month of Sivan is the number of Siva. And this is a solar festival. As this makes the

sun and the magnum opus. And relates to the sun in the Ram of Aries. The blood of the Lamb is the energy of the serpentine power and the magnum opus.

The Easter Egg:

The Greek Orphic's show a serpent coiled seven times around the cosmic egg. From which came their primordial creator Phanes :

"The egg symbolizes the belief in the Greek Orphic religion that the universe originated from within a silver egg. The first emanation from this egg, described in an ancient hymn, was Phanes-Dionysus, the personification of light.

In Greek myth, particularly Orphic thought, Phanes is the golden winged Primordial Being who was hatched from the shining Cosmic Egg that was the source of the universe. Called Protogonos (First-Born) and Eros (Love) being the seed of gods and men Phanes means "Manifestor" or "Revealer," and is related to the Greek words "light" and "to shine forth."

Rituals are alchemical practices in which the outer ritual is a mandala for the inner transformation. This is why the Priest of Orpheus [of which mysteries are symbolized by the cosmic egg] were called the Orpheotelestae. Denoting they are perfected beings. Dionysus is also called: "The First Orpheus." This relates to being perfected by the serpentine energy. Serpents hatch from eggs. In the Siva Mysteries the golden egg is the symbol of the soul and the lingam. The tapa's the Yogic inner fire rituals caused the new soul to hatch from the egg. The symbol of the work. The egg was so sacred to the Orphic mysteries its been stated by some texts they prohibited themselves from eating them.

Subject: April 20th - Celebrating Hitler's and the Nazi's birth.			

Today is a very significant day. One of the most powerful and important Humans to ever live was born today. Its due to him we are not under Global communism and not numbered like cattle. As we all know this very great man was of the few, who in his time was a major reformer and the most major enemy of the Jewish system. The enemy hates him with passion, because to Him and other very brave warriors throught the ages, today we have the freedom we have. Its not all we should, but its a message to these idiots who think they run the world and they own everything, including you and me. He is the person who has been nothing less than a Father to his own people back in Germany, a man who tried to go against the jewish beast and gave it a punch right in the

jaw, that left their most fatal mark and marked these evil people for what they are and have been doing all alone.

He is the man that went against the jewish economical system that is today's tyrant and keeps people impoverished and with destroyed Souls. He is the one who raised his fist in the most uncertain and most impossible circumstances, when the jews virtually owned everything. He is the hero of the last century and a hero to be looked up upon for those who look on for a better tomorrow. Like all Nazis, his legacy deserves be memorized and observed.

The most 'despised' and the most beloved figure of the last centuries. The one who shook the world.

He is our Adolf Hitler.

The Hitler who awakened us to our Gentile Heritage, the Hitler who envisioned a peaceful world and the jewish and low people went against him for their own, vain personal interest. He is he for those who have studied him, is, has been and will forever be an exceptional figure for us to follow, aside many of the old Kings and Heroes.

I propose to all who desire, to give the Powers of Hell energy today, as a mere formality for the birth of the Man who helped us have the freedoms we still do. The man who sacrificed everything-including himself and all his Legacy, to go against the global jewery. The man who has inspired the hearts of the brave and Nationalists of all centuries to fight, to preserve their Race and to evolve towards a greater tomorrow.

The man who, aside all the worth to mention Brothers and Comrades in folk, shielded the Truth and sacrificed it all, in the process.

Happy Birthday Hitler, Happy Birthday Nazism, Happy Birthday Truth of the Gentile Race. May Satan and the Gods bless us all to bring about the final drag of the Truth's Reign.

Subject: Important Group Ritual for Friday, 25 of April 2014			

Here is the group ritual for Friday, 25 of April. The ritual can be performed any time after midnight [00:00 your own local time] on Friday.

High Priestess Maxine Dietrich
<http://www.joyofsatan.com>

Group Ritual for Friday, 25 of April 2014

There are links to both pdf and mp3 audio copies to download and to print at the bottom of this page.

The words below are to be vibrated. By vibrating these words, this will remove another powerful biblical curse. The more people we have who will be doing this ritual, the better, as there is both strength and power in numbers. This ritual is the second of a series of rituals of which we will be doing similar each month or in some cases, twice a month in harmony with planetary energies. This ritual is not a curse, it is reversing a curse, of

which does not in any way conflict with the retrograde Mars at this time. We are removing the weapons from the enemy's hands. The effects of this ritual will result in a worldwide awakening. Many of the words below are guttural. This means many syllables are vibrated in the back of the throat. Just do the best that you can. Practice the words [I have included an mp3 of the words for you all to download at the bottom of this webpage], as much as you can before performing the ritual.

April 25, 2014.

Please perform the Raum meditation to raise your powers before performing the ritual. There is a link to an mp3 audio for the RAUM meditation at the bottom of this page.

If you are experienced and already have a meditation that works effectively for you that raises your energies, then use whatever works best for you.

Vibrate RAUM

RRR into your base chakra [be sure to roll the R's]

AHH into your sacral chakra

UUU into your solar plexus chakra

MMM into your heart chakra

Now, vibrate RRR into your heart chakra [be sure to roll the R's]

AAAH into your throat chakra

UUU into your 6th chakra

MMM into your crown chakra.

The above is one round. Do several rounds. It is best to do 13 rounds, or a multiple of 13.

Vibrate EEEE focusing on the right side of your body and immediately follow by vibrating OOOOH focusing on the left side of your body [going back and forth], 40 times.

For example, vibrate EEEE focusing on the right side of your body [torso], then immediately vibrate OOOH focusing on the left side of your body. That is one round. Then, immediately vibrate EEEE on the right, then immediately vibrate OOOH on the left. That is the second round. Do 40 rounds of vibrating I then O using a Satanic rosary. A Satanic rosary is used so one is not distracted when vibrating high numbers of repetitions, by trying to keep count. This is not mandatory, though. If you do not have a Satanic rosary, use anything that works.

The I vibration, pronounced as EEE, is pronounced as the long American English E, as in the American English words SEE, TEA, and ME. The OOOH vibration is the American English long O, such as in the words HOLD, and NO.

Following the completion of the above, vibrate E-A. Vibrate E, pronounced AY, as in the American English words MAY, SAY, DAY; focusing on the front of your body, and then AHHHH, focusing on your entire spine. For example, vibrate AAAAYYYYYY, focusing on the front of your body- just your torso, then immediately vibrate AAAH focusing on your entire spine. That is one round. Then, immediately vibrate AAYYY on focusing on the front of your body, then immediately vibrate AAAH focusing on your entire spine. That is the second

round. Do 40 rounds of vibrating E then A using a Satanic rosary.

Following this, vibrate RAUM into your entire aura 7 times.

This meditation empowers the entire soul. The heart chakra is a connector and energy vibrated into it from below will then connect to and transfer into the upper chakras in the second part of the meditation. Just be aware, this is exceptionally powerful and you will definitely feel it the very first time. This is a powerful meditation to use both before a formal ritual or any informal working.

RITUAL:

INVOCATION TO SATAN:

In Nomine Dei Nostri Satanus, Luciferi Excelsi.

In the Name of Satan, Ruler of the Earth, True God, Almighty, and Ineffable, Who hast created man to reflect in Thine own image and likeness, I invite the Forces of Hell to bestow their great power upon me. Come forth to greet me as your Brother/Sister and friend.

Deliver me O Mighty Satan from all past error and delusion, fill me with truth, wisdom and understanding, keep me strong in my faith and service, that I may abide always in Thee with Praise, Honor and Glory be given Thee forever and ever.

Vibrate the following paragraph of words 9 times. What this means is vibrate each of the words below, every word from the first word to the last. That is one time. Then, vibrate the same again and again until you have done this 9 times.

MEE-EEH-EYEKH-HAH . TSAY . THEH-KH-EHRR-EHD .
ROARM-SSHUH-LLUH . THEHKH-EHP-HAH-THEEM-HAH .
VEH-RR-EHKH-HAH . T-HAH-AHL . TH-AY-AYV . THEH-MEEV-UU-RK-HAH .
NEH-DAY-NAAGH-LUH . MEHD-EHK-EEM . NAYK-SSH-H-YEE-AYV .
MAHD-AH-HAH-THEH . SSHH-EHR-AHG-EE-AYV

After vibrating the above paragraph 9 times, state with conviction 9 times:

Vibrate AUM

All obstacles are totally, permanently, and completely removed!

The serpent is ascending!

The serpent is fully empowered!

The serpent is forever!

Vibrate AUM

[*All of the above together is one round. State each round 9 times.]

HAIL SATAN FOREVER!!

End of Ritual

Key to pronouncing the words correctly:

AA is a hard American English a as in the words cat, hat, pattern
AH as in the American English word father
AI as in the American English words name and came
AY as in the American English words day, say, made
EE as in the American English words seek and week
EH as in the American English words pet, set, and let
EYE is in the American English words eye, sigh, tie, might.
KH is guttural and the sound is made in the back of the throat
OH as in the American English words oh and go
R's should be rolled
TS as in the American English words hats and pizza
UH as in the American English word cut and tub
UU as in the American English words sooth and tooth

Subject: Something of Interest

I know many people have a lot of questions about science, the universe and life. I am posting this, as it may be of interest. I majored in the physical sciences when I attended university many years ago. Satanism is for the advancement of science. Humanity has failed to make any serious progress because of crap like what I am sharing below. Advanced worlds out there combine spirituality with technology, such as group telekinesis when operating flying saucers. There is a point where both physical science and spirituality; the occult meet and compliment each other. Everything of the so-called "occult" can be explained scientifically.

This morning, I was finishing up on "Cracking the Bible Code" book. Because Hebrew uses letters for numbers, stage magicians' tricks can be incorporated into sequences and codes of numbers. All sorts of different things can be done with numbers, as any mathematician knows. This is another fact that not too many people are very knowledgeable about. This is where that crap comes from. The so-called "Bible Codes" are nothing but another hoax promoted by the Jews.

Lilith appeared to me. This was right after I read in the book concerning the "Big Bang" theory and how the universe is supposedly "15 billion years old." Now, note again..."15 billion" again, the number $1 + 5 = 6$. She told me that "Big Bang" theory was a total crock of shit. I then went on to ask about the universe, the micro and macrocosms and such and she told me this...she stated that because we live and die; birth and death, we often see things in a linear time perspective...in having a beginning and an end.

She said the universe and the micro and macrocosms do not correspond to linear time. They do not have a beginning or an end. She also stated what Thoth said about the universe being triangular shaped. She then went on and told me how science and everything else has been held back and stymied by the Jews.

That theory concerning the universe being 15 billion years old is based on Einstein's crap. Again, Jewish lies. This in turn is based upon their stupid torah and then we have the muslim idiots who refuse to admit that the earth is older than what is stated in the koran, like the kikes- so all scientific enquiry is scarfed and stymied [Jewish roots]. I read some time ago where professors and other important scholars, if they do not conform to what are deemed accepted teachings, in many cases, even in spite of research, they are given a strong warning, then they are ostracized and eventually cut from their positions, if they persist. Certain research and such is taboo.

Well, she then left and I went on reading and that book even stated that before Einstein's theory, the general belief was exactly what Lilith told me- the universe had no beginning or end.

See how they ruin science? No different from how I read many years ago how they have NASA completely under their control.

Subject: Ritual and Moon - Please Read, Do Not Assume

Many of you have already finished the ritual. For those of you who haven't, the Moon will go void today-

BUT, because this is a group ritual and many others have already performed it and the ritual was begun at the correct time I regards to the planets, even if you are late and perform the ritual after the Moon has gone void today, the void Moon will have no effect. This ritual is a group effort and has already been started.

If you can only do it after the Moon goes void, no problem. Just make sure you do it as this is extremely important. Satan wants everyone to do this ritual.

If you haven't already performed the ritual for Friday, the 25th, you can begin it now and anytime today and through 6 am [your local time] Saturday [26th] morning.

I am posting this again:

Important Group Ritual for Friday, 25 of April 2014 Mon Apr 21, 2014 3:01 am (PDT) . Posted by: "High Priestess Maxine Dietrich" maxine.dietrich
Here is the group ritual for Friday, 25 of April. The ritual can be performed any time after midnight [00:00 your own local time] on Friday.

Group Ritual for Friday, 25 of April 2014

There are links to both pdf and mp3 audio copies to download and to print at the bottom of this page.

The words below are to be vibrated. By vibrating these words, this will remove another powerful biblical curse. The more people we have who will be doing this ritual, the better, as there is both strength and power in numbers. This ritual is the second of a series of rituals of which we will be doing similar each month or in some cases, twice a month in harmony with planetary energies. This ritual is not a curse, it is reversing a curse, of which does not in any way conflict with the retrograde Mars at this time. We are removing the weapons from the enemy's hands. The effects of this ritual will result in a worldwide awakening. Many of the words below are guttural. This means many syllables are vibrated in the back of the throat. Just do the best that you can. Practice the words [I have included an mp3 of the words for you all to download at the bottom of this webpage], as much as you can before performing the ritual.

April 25, 2014.

Please perform the Raun meditation to raise your powers before performing the ritual. There is a link to an mp3 audio for the RAUM meditation at the bottom of this page.

If you are experienced and already have a meditation that works effectively for you that raises your energies, then use whatever works best for you.

Vibrate RAUM

RRR into your base chakra [be sure to roll the R's]

AHH into your sacral chakra

UUU into your solar plexus chakra

MMM into your heart chakra

Now, vibrate RRR into your heart chakra [be sure to roll the R's]

AAAH into your throat chakra

UUU into your 6th chakra

MMM into your crown chakra.

The above is one round. Do several rounds. It is best to do 13 rounds, or a multiple of 13.

Vibrate EEEE focusing on the right side of your body and immediately follow by vibrating OOOOH focusing on the left side of your body [going back and forth], 40 times.

For example, vibrate EEEE focusing on the right side of your body [torso], then immediately vibrate OOOH focusing on the left side of your body. That is one round. Then, immediately vibrate EEEE on the right, then immediately vibrate OOOH on the left. That is the second round. Do 40 rounds of vibrating I then O using a Satanic rosary. A Satanic rosary is used so one is not distracted when vibrating high numbers of repetitions, by trying to keep count. This is not mandatory, though. If you do not have a Satanic rosary, use anything that works.

The I vibration, pronounced as EEE, is pronounced as the long American English E, as in the American English words SEE, TEA, and ME. The OOOH vibration is the American English long O, such as in the words HOLD, and NO.

Following the completion of the above, vibrate E-A. Vibrate E, pronounced AY, as in the American English words MAY, SAY, DAY; focusing on the front of your body, and then AHHHH, focusing on your entire spine. For example, vibrate AAAAYYYYY, focusing on the front of your body- just your torso, then immediately vibrate AAAH focusing on your entire spine. That is one round. Then, immediately vibrate AAYYY on focusing on the front of your body, then immediately vibrate AAAH focusing on your entire spine. That is the second round. Do 40 rounds of vibrating E then A using a Satanic rosary.

Following this, vibrate RAUM into your entire aura 7 times.

This meditation empowers the entire soul. The heart chakra is a connector and energy vibrated into it from below will then connect to and transfer into the upper chakras in the second part of the meditation. Just be aware, this is exceptionally powerful and you will definitely feel it the very first time. This is a powerful meditation to use both before a formal ritual or any informal working.

RITUAL:

INVOCATION TO SATAN:

In Nomine Dei Nostri Satanas, Luciferi Excelsi.

In the Name of Satan, Ruler of the Earth, True God, Almighty, and Ineffable, Who hast created man to reflect in Thine own image and likeness, I invite the Forces of Hell to bestow their great power upon me. Come forth to greet me as your Brother/Sister and friend.

Deliver me O Mighty Satan from all past error and delusion, fill me with truth, wisdom and understanding, keep me strong in my faith and service, that I may abide always in Thee with Praise, Honor and Glory be given Thee forever and ever.

Vibrate the following paragraph of words 9 times. What this means is vibrate each of the words below, every word from the first word to the last. That is one time. Then, vibrate the same again and again until you have done this 9 times.

MEE-EEH-EYEKH-HAH . TSAY . THEH-KH-EHRR-EHD .
ROARM-SSHHUH-LLUH . THEHKH-EHP-HAH-THEEM-HAH .
VEH-RR-EHKH-HAH . T-HAH-AHL . TH-AY-AYV . THEH-MEEV-UU-RK-HAH .
NEH-DAY-NAAGH-LUH . MEHD-EHK-EEM . NAYK-SSHH-YEE-AYV .
MAHD-AH-HAH-THEH . SSHH-EHR-AHG-EE-AYV

After vibrating the above paragraph 9 times, state with conviction 9 times:

Vibrate AUM

All obstacles are totally, permanently, and completely removed!

The serpent is ascending!

The serpent is fully empowered!

The serpent is forever!

Vibrate AUM

[*All of the above together is one round. State each round 9 times.]

HAIL SATAN FOREVER!!

End of Ritual

Key to pronouncing the words correctly:

AA is a hard American English a as in the words cat, hat, pattern

AH as in the American English word father

AI as in the American English words name and came

AY as in the American English words day, say, made

EE as in the American English words seek and week

EH as in the American English words pet, set, and let

EYE is in the American English words eye, sigh, tie, might.

KH is guttural and the sound is made in the back of the throat

OH as in the American English words oh and go

R's should be rolled

TS as in the American English words hats and pizza

UH as in the American English word cut and tub

UU as in the American English words sooth and tooth

Subject: The Real Death Camps And Holocaust

The Real Death Camps And Holocaust

Today the world is under the grip of a new religion: Holocaustianity. This program is designed to assign meanings to their agenda. And holds a powerful spell over the minds of the Gentiles. It's a powerful propaganda in the aims of the Jewish agenda. Its premise is the foundation for numerous special laws. Making the Jews beyond criticism. And a tool to silence all debate and steam roll anyone who opposes their agenda. To delegitimize all information that exposes them along with those who do. And gives them moral precedent for their capital Jewish state in Israel. And the greater world system they wish to rule from Israel. It's also a powerful steroid for their Cultural Marxist [PC's real name] ideology. Which is designed to destroy any healthy, organic psychology or material institution that by its nature. Hinders the Jewish destruction and assimilation of their nation. Into the claw of the Jew World Order.

To understand the truth the Jew has made illegal in many areas to cover up this subject [truth does not fear investigation]. We look at what really was happening and shine the light on this situation. The truth is the real holocaust occurred in the Jewish controlled and created Soviet Union. Of the many such death camps where millions perished we shall examine the Kolyma one of the many and which legacy is that of nature of the Jewish beast. Later we shall see right from the Jews mouths the humane reality of the German camps that where as proven even in a court of law not death camps but humanely run industrial centers of production. With even Olympic sized swimming pools and sports fields with Red Cross personal and observers at.

Kolyma: The Artic Death Camps:

"The prisoners arriving at the huge transit camps on the Pacific coast, outside Vladivostok and later at Nakhodka, and at Vanino, in each of which hundred thousand prisoners would be crowded into the endless array of barracks which stretched as far as the eye could see. There they awaited the prison ships of the

Kolyma run....”

As Andrei Sakharov called them the “Death-ships of the Okhotsk Sea...”

“Those who arrived were already crushed and humiliated starved and ill-clad remnants of human beings. They would normally have spent around three months in prison under conditions and treatment thought adequate to such as they and the train journey-always on e of the worst of the various experiences of the victims, with its fetid wagons, its inadequate water supply, its lack of food and light, its brutal guards-was, of course, the longest undergone by any of the Gulag’s victims....”

Embarkation day would arrive. At Vanino:

When we came out on to the immense field outside the camp I witnessed a spectacle that would have done justice to a Cecil B. DeMille production. As far as the eye could see there were columns of prisoners marching in one direction or another like armies on a battlefield. A guard detachment of security officers, soldiers, and signal corpsmen with field telephones and motor-cycles kept in touch with headquarters, arranging the smooth flow of these human rivers. I asked what this giant operation was meant to be. The reply was that each time a transport was sent off the administration reshuffled the occupants of every cage in camp so that everyone had to be removed with his bundle of rags on his shoulder to the big field and from there directed to his new destination. Only 5000 were supposed to leave, but 100,000 were part of the scene before us. One could see endless columns of women, of cripples, of old men and even teenagers, all in military formation, five in a row, going through the huge field, and directed by whistles or flags, It was more than three hours before the operation was completed and the bath I belonged to was allowed to leave for the embarkation point.

I remember Vanino port

Where the grim-looking-steamer rode,

How we climbed the gangplank aboard

To the cold and gloomy hold

“It took us some time to accustom our eyes to the dim light of the dingy lower deck.

As I began to see where we were, my eyes beheld a scene which neither Goya nor Gustave Dore could ever have imagined. In that immense, cavernous, murky hold were crammed more than 2000 women. From the floor to the ceiling, as in a gigantic poultry farm, they were cooped up in open cages, five of them in each nine-foot-square space. The floor was covered with more women. Because of the heat and humidity, most of them were only scantily dressed; some had even stripped down to nothing. The lack of washing facilities and the relentless heat had covered their bodies with ugly red spots, boils, and blisters. The majority were suffering from some form of skin disease or other, apart from stomach ailments and dysentery.

At the bottom of the stairway we had just climbed down stood a giant cask, on the edges of which, in full view of the soldiers standing on guard above, women were perched like birds, and in the most incredible positions. There was no shame, no prudery, as they crouched there to urinate or to empty their bowels. One had the impression that they were some half-human, half-bird creatures which belonged to a different world and a different age....”

Many of the prisoners never survived the crossing they died from violence, starvation and diseases of being crammed literally in many cases shoulder to shoulder like chattel into dirty holds for weeks. The scene was identical to the Jewish owned slave ships packed with thousands of African slaves. Literally wall to wall. In previous centuries. This time with new Goyim chattel to be used as work slaves of the Jewish Communist State.

The Kolyma Killing Fields

“The central aim was to kill off the prisoners as one commandant put it quite openly....”

My note the main method of murdering the prisoners by millions was to assign to them impossible production quotas. Then lower they already starvation rations when they could not meet them as punishment. Ensuring they would die off from a mixture of exhaustion and diseases. Those who lived but were too weakened and their quota's dropped off from starvation and exhaustion were simply executed on mass. This ensured the gold was mined while killing the prisoners off. The sadism of this method was the victim would work as hard as possible to stay alive in false hope. Thus ensuring a larger amount of gold production. As part of this they were issued the worst and cheapest clothing that was worthless in the 50 to 70 degree below zero cold. And left with nothing but filthy, lice filled rags to wrap about their frost bitten feet and body. And left to live stacked on top of each other like factory farm animals in cages. In shoddy, cheap huts without insulation or proper heating. In the coldest region on earth.

Over three million people were systematically murdered by the Jewish Communist Regime in Kolyma alone. And it formed only one such camp of many across the Soviet Jewion. Each of the accounts is not just of the individual giving such. But the collective experience of the millions of those condemned to such

camps.

The Reality of the Camps:

“The climate of the interior, where it may drop to -70C., is indeed the coldest in the Northern Hemisphere: the actual Pole of Cold is at Oymyakon, just over the Gydan. “

In the summer of 1932, the operation was launched. The collectivisation assault on the peasantry had produced a vast expansion in the number of arrests. Of the 10 million ‘Kulaks’[my note closer to 15 million] disposed of, half probably died in famine and by execution, and of the remainder certainly no fewer than three and a half million poured into the prison camps. Kolyma got its share.

The barracks or huts in which prisoners spent their spare hours much of refuge. Desperately over crowded, with bunks three or four deep, they were often quite uninsulated (guards’ huts had sawdust between two layers of boarding). And, ill-constructed as they were, the cracks and holes were usually stuffed with moss, rags or straw. More over, almost all the miners were afflicted by incontinence of urine. They would try, when sent to camps, to get the lower bunks, in order to spare their colleagues. Where they were all together this was not possible.

The stoves, too, were quite inadequate. It was a constant complaint that ‘The barracks were not given enough heat, clothing would not dry out. In the fall they kept people, soaked to the skin, out in the rain and the cold to fulfil norms that such hopeless wreck could never fulfil...Prisoners were not dressed for the climate in the Kolyma region. They were given third-hand clothing, mere rags, and often had only cloth wrapping on their feet. Their torn jackets did not protect them from the bitter frost, and people froze in droves.

We have noted the revealingly vicious regulations which, from 1937, practically forbade clothing adequate to the climate.

A dozen lice in one’s underclothes don’t count. Lice begin to attract the attention ...when a crawling pullover starts to move on its own. Is it possible that a man, of whatever type, might not wish to escape this torture when he does not sleep and scratches his filthy body, gnawed by vermin, till the blood runs.

When it had become clearly impossible to delouse themselves, women would give up trying, and only when the itching became intolerable would reach under their blouses, ‘fish out a handful of the vermin, and throw them away.’

One prisoner records:

In March 1933, 600 prisoners were sent to Gold Mine No.1 of the Mining Administration of the North...there

were two other administrations of the same kind, those of the West and the South. We set off on foot on this long journey. We had to travel 370 miles in deep snow and during terribly cold weather to the Khatenakh sopka.

We had to make 16 miles a day, after which we spent the night in tents set upon the snow. After our scanty rations in the morning, we set out again. Those who were unable to survive this long gruelling march and died on the way were left with the snow for their only tomb. Our guards forbade us to give them a proper burial. Those who lagged behind were shot by the guards, without stopping the column.”

I was convinced that soldiers of the MVD [camp guards] must have been picked for their sadistic qualities. They had a completely free hand over us and would do anything, particularly when drunk, to make prisoners suffer. For instance, when going to or coming back from work in the usual columns of five, they would sometimes stop us in the middle of the road., unleash their dogs, and laugh uproariously as the dogs sank their fangs into the prisoners’ legs. It was a time when they were absolutely free to do anything, even kill us and get a reward for it. I have known them to call a man over to make a fire for them or to bring them a mug of water when on sentry duty, and then kill the unfortunate under the pretext that the prisoner had crossed the ‘no trespass’ line.

The working conditions:

The boots were always wet, never quite drying out-rheumatism was guaranteed. Then, the air in the pit, where there was no ventilation whatsoever, was filled twice daily with the poisonous fumes of blasted ammonal. Only thirty minutes were allowed for the clearing of the fumes through the entrance of the mine, after which the workers were driven back into the pits to continue their work. Many of them succumbed to the poisoned atmosphere and coughed violently, spitting blood and often particles of lung. After a short time, these were usually sent either to the weak squads for lumbering, or to their graves. Mortality was especially high among the men who carted the wet sand from the barrack after the washing . From the steamy, damp atmosphere of the heater the perspiring wheelbarrow-pushers slipped through the opening, which was covered by an old blanket, rolling out their wheelbarrows into the piercing 50-below-zero frost. The time limit in this work was, at the most, one month, after which either pneumonia or meningitis dispatched the worker into the next world.

Their faces all showed signs of frostbite, although the winter was only three months old and the most severe frosts were yet to come. The majority of them were so dirty looking I was willing to wager that some of them had not washed their faces for weeks. Their clothes were like nothing I had ever seen at the Kolyman- everything from the torn boots to the incredibly dirty rags wrapped around their necks instead of scarves, their burned and tattered winter coats. The men had starved, worn-out faces, quiet voices, were completely absorbed in themselves and uncommunicative....The sight of these creatures who had almost lost the image of man made me feel distinctly uncomfortable.

Conditions killed them off quickly. But 'conditions' were assisted by a massive employment of execution as a reprisal against failure to produce adequate gold, and, in effect, on any pretext whatever.

Wholesale arrests began in the camp. As a rule the charge was systematic under fulfilment of quotas. Since no man in the gold field could possibly fulfil them, the failure was ascribed as criminal when the worker completed less than 50 per cent of the quota.

It was absolutely impossible to measure accurately the exact performance of a worker, and the estimate made depended entirely upon the attitude of the foremen. The foreman made daily measurements in a rough and ready fashion with the help of a tape line, and made their reports to the office where the volume of excavated sane was translated into percentages of the daily quota fulfilled by each brigade. In doing this a practice was systematically resorted to whereby a certain amount of work performed by the less efficient brigades was stolen from them and credited to the better brigades as a means of encouraging them. But the foremen were not altogether free in recording their measurements. Once a month a measurement of the mine's entire output was made by surveyors with instruments of great accuracy. The engineers measured the depth the mine increased during the month, and compared this with the added-up measurements of the foremen. When the figures disagreed-and they always did, and to a great extent-the foremen were merely reprimanded. Now, by Pavlov's new order, foremen guilty of excessive measurements were to be put on trial. The same order stated the fact that six foremen had been executed for deceiving the State. It was natural that the foremen often went to the other extreme-charity begins at home-and deliberately gave lower figures. The official figures for labour productivity immediately dropped heavily.

Then the firing squad set to work.

A representative of the NKVD three-man court-the Troika-appeared at the fold field. He held conferences. With the section heads and demanded lists from them of malicious saboteurs who systematically failed to make their quotas. The section heads had no alternative but to prepare such lists and to include in them the least able workers who lowered the average labour productivity for that section.

One survivor recalls:

In our mine the Third Section...was particularly active during the 1937-8 period. Some nights when we came back from work, the guards read out thirty to fifty names. The persons called had to step out of the ranks and were marched off immediately to the prison. The next morning they were driven in trucks to the Khatenakh sopka, where they were shot.

In the evening, in addition to the list of new victims, the guards would read us the announcement: 'By judgement of the camp command'-(then would follow the names of those who had been executed)-'shot for sabotage, ill-will and agitation against the Soviet power.'

--or, as Solzhenitsyn categories the crimes (the announcements of which was followed by the pinning of the lists to the camp notice boards): 'for counter-revolutionary agitation' 'for insulting the guard', 'for failure to fulfil the work norm'. Shalamov well develops what these offences amounted to:

'For counter-revolutionary agitation'. This was the way one of the paragraphs in Garanin's sentences began. For the main in the street in 1937 it hardly needed explaining what counter-revolutionary agitation was: Praising a Russian novel published abroad- ten years; declaring that one queued too long to buy soap-five years... But in the camps there was none of the gradation: five, ten, twenty years. Say aloud that the work was harsh, mutter the most innocent remark about Stalin, keep silent while the crowd of prisoners yelled 'Long live Stalin', and you're shot-silence is agitation!... No trial, no investigation. The proceedings of the Troika, that famous insinuation, always meant death.

They shot also for 'outrage against a member of the guard'. Any insult, any insufficiently respectful reply, any 'discussion' when hit, or beaten up, any too disrespectful a gesture by a prisoner towards a guard was called 'an attempt at violence against the guard'.

They shot for 'refusal to work'. Thousands of prisoners died before understanding the mortal danger of their attitude. Old men at the end of their strength, exhausted and famished skeletons, incapable of walking a step to reach the camp gate in the morning when the columns wound towards the mine, stayed on their mattresses. They wrote their refusal on forms roneoed in advance: 'Although shod and clothed in conformity with the exigencies of the season...' The richer mines ran to properly printed forms where it was enough to write the name and a few points: 'date of birth, article of the law, duration of sentence'. Three refusals meant the execution platoon-'according to the law'...

Even at the end of one's strength, one had to go to the mine; the gang chief signed every morning for this 'unit of production' and the administration counter-signed. This done the prisoner was saved, for the day he escaped death. Once out he could not work since he was incapable of it. He had to endure his day of torture to the end.

The last heading-the richest-under which they shot prisoners by waves was 'non-fulfilment of norms'. This crime took entire brigades to the common graves. The authorities provided a theoretical basis for this rigour; all over the country the Five Year Plan was broken down into precise figures in each factory for each establishment. At Kolyma they were broken down for each gang. 'The Five Year Plan is the Law! Not to carry out the Plan is a crime!'

According to various accounts, , accepted by Roy Medvedev and other, Garanin [Chief of USVITL] himself

used to walk down the line of prisoners on parade, shooting them when he felt like it: two soldiers followed him taking turns at loading his revolver. ...lesser officials such as Nikolai Aglamov, Head of the Southern Camp Administration, who 'liked to select a brigade which was guilty of something from those paraded before him. He would order it to be led to one side-and himself shot the terrified people with his pistol as they huddled together., accompanying the operation with merry cries. The bodies were not buried; when May came they decomposed and then prisoners who had survived were summoned to bury them....This attitude to human life became common among the NKVD as a whole. A typical account is of a drunken NKVD officer appearing at a work site, accusing prisoners of stealing drinking bowls from the State(It was then quite common for them to carry their gruel to the work site to eat it) and shooting wildly at the group, killing one and wounding two others.

In the women's camps, too, random killing was the norm. That year, 1 May and 7 November were celebrated by sending batches of prisoners, without other pretext, to the penalty cells, where many died. Then, on the usual parades, the order would be given for every tenth woman to be taken out and shot. On one occasion thirty Polish women were shot in a batch at the Elgan camp. Meanwhile starvation and epidemics took their toll, as in the men's camps.

Many camps became famous for their executions and mass graves: Orotukan, Polyarny Spring, Svistoplyas, Annushka and even the agricultural camp Dukcha. The Zolotisti mine had a particularly murderous reputation. There, Solzhenitsyn tells us, brigades 'were taken from the face during the day and shot one after the other on the spot. (This was instead of executions at night-those went on as usual.)

On his formal rounds Garanin

Took special note of those who were convicted KRTD (counter-revolutionary Trotskyist activity).

'Which of these have not met their quota?' he would ask. Most had not, could not. At evening roll call, when they returned from the mines, he would call out these unfortunates, revile them as saboteurs who were trying to continue their criminal counter-revolutionary Trotskyist activities even in the camp, and he would have them driven in a herd out to the gate. At a short distance from the camp they would be shot en masse under his personal supervision. This was still not enough. At night he would have thousands of enemies of the people taken out of all the Kolyma camps, loaded on to trucks and driven off to a prison. This prison, called Serpantinka, is about 375 miles west of Magadan, in the midst of the forest, and it is probably one of the most ghastly institutions in the Soviet Union.

Serpantinka Death Camp:

The Serpantinka death camp was indeed the scene of mass executions continually through 1938, as the liquidation centre of the Northern Administration. It had been carefully prepared. One prisoner recalls that on a long journey,

On the way up, a little off from the road, we passed a few long and unpleasant-looking barracks. At one

time those barracks had housed a road-building unit, and were called Serpantinnaya, but since the completion of the road to Khatenakh they had been empty for over a year. I recalled that a few days before, by orders from Magadan, Serpantinnaya had been transferred to the district section of the NKVD which sent two brigades of men there to carry out some secret work. The little camp was to be fenced with three rows of barbed wire, watchtowers for sentries were to be erected every 25 yards, and a commodious house for officials and guards would be built as well as a garage. What puzzled me was the garage. It was not usual to build a garage in a small camp like this, especially since only three miles away were the big garages in the Khatenakh camp. And in the Vodopyanov gold mines. Late I learned it was used to house two tractors, the engines of which produced enough noise to deaden the sounds of shooting and cries of the men. However, after a short stay, the tractors were moved to some gold field, and the automobile driver who passed the camp at night something heard the proceedings there with the utmost clarity.

Another account tells us that, 'At Serpantinka each day thirty to fifty people were shot in a shed near the cooler. The corpses were then dragged behind a mound on motorised sledges...There was also another method: prisoners were led with eyes bound to a deep trench and were shot in the ear of the back of the neck.'

Serpantinka victims sometimes waited several days to be shot, standing in a shed packed so tight that when they were given a drink in the form of pieces of ice being thrown in to them—they could not move their hands for it and had to try to catch it in their mouths.

[My note no different than how cattle are packed into the Jewish owned factory farm, slaughter lines Goy meaning cattle is Goyim after all].

Another prisoner describes a particular case of an acquaintance:

Skeletons, they worked badly. Dyukov (the brigade leader) asked for better rations. The director refused. The famished gang tried heroically to fulfil the norms and faded away. Everyone turned against Dyukov....Dyukov made more and more vigorous complaints and protests. His gang's output went on falling, and so its rations went down. Dyukov tried to intercede with the administration. This in turn asked the competent services to inscribe Dyukov and his men on the 'lists'. They shot Dyukov and all this gang one morning by the Serpantinka.

But even in the ordinary camps,

Even in the early weeks of the brief Kolyman summer, the men reveal a tendency to die at a rate never before known in the region. Frequently this happened all of a sudden, sometimes even while the man was at work. A man pushing a wheelbarrow up the high runway to the panning apparatus would suddenly halt, sway

for a moment , and fall down from a height of 24 to 30 feet. And that was the end. Or a man loading a barrow, prodded by the shouts of a foreman or a guard, unexpectedly would sink to the ground, blood would gush from his mouth-and everything was over.

The death rate was particularly high among men brought to the Kolyman during the last six months. Their body resistance had been undermined in jail before they were shipped to the gold field, and they simply succumbed under the violent pace of work.

More:

Not long after, a new category of imprisonment was introduced-katorga. The word, referring to the old Tsarist system of forced labour, was in fact far worse. The katorzhniki worked in special camps, in chains, and without blankets or mattresses at nights. None survived.

The Bestial Reality Of Daily Life, A Real Life Horror Film:

A mobile detachment designed to catch escapers. It was commanded by the young Corporal Postnikov.

Drunk with murder he fulfilled his task with zeal and passion. He had personally captured five men. As always in such cases he had been decorated and received a premium. The reward was the same for the dead and the living . I was not necessary to deliver the prisoners complete.

One August morning a man who was going to drink at a stream fell into an ambush set by Postnikov and his soldiers. Postnikov shot him down with a revolver. They decided not to drag the body to the camp but to leave it in the taiga. The signs of bears and wolves were numerous.

For identification, Postnikov cut off the fugitive's hands with an axe. He put the hands in his knapsack and went to make his report on the unit. ...In the night the corpse got up. Pressing his bleeding wrists against his chest he left the taiga following the trail and reached the prisoners' tent. With pale face, mad blue eyes, he looked inside, holding himself at the opening, leaning against the door posts and muttering something. Fever devoured him. His padded coat, his trousers, his rubber boots were stained with black blood.

They gave him warm soup, wrapped his chopped-off wrists in rags and took him to the infirmary. But already Postnikov and his men came running out of their little hut. The soldiers took the prisoner. He was not heard of again....

Camp commandants had a free hand. Some shot prisoners at random, simply to spread terror. Prisoners who after fourteen hours in the mines could not do further work were shot and their bodies left on the ground for a day as a warning. Food became worse and scarcer , the output went down, and execution for sabotage

became common. And we are told, for example, that at Debin, in 1951, three prisoners of a group which had been allowed out to gather berries got lost. When they were found their heads were bashed in with rifle butts, and the camp chief, Senior Lieutenant Lomaga, had their bodies hauled past the assembled inmates in that condition.

Real famine set in at the mine. Five thousand men did not have a piece of bread. But everyone worked as usual-twelve hours a day....Exhausted by long years of half-starved existence and inhuman labour, people spent their last remnants of strength in working. And died.

My note another popular tale of the fictional holocaust of the Jews by the Germans is the mythic gas vans. The reality of the gas vans is below they were invented by a Jewish Communist and used to murder thousands of innocents in the Soviet Union:

“The gas van was invented in the Soviet Union] in 1936, presumably by Isay Berg,[my note JEW] the head of the administrative and economic department of the NKVD of Moscow Oblast which suffocated batches of prisoners with engine fumes in a camouflaged bread van while on the drive out to the mass graves at Butovo, where the prisoners were subsequently buried.[5] According to Aleksandr Solzhenitsyn:

I. D. Berg was ordered to carry out the decisions of the NKVD troika of Moscow Oblast, and Berg was decently carrying out this assignment: he was driving people to the executions by shooting. But, when in Moscow Oblast there came to be three troikas having their sessions simultaneously, the executioners could not cope with the load. They hit upon a solution: to strip the victims naked, to tie them up, plug their mouths and throw them into a closed truck, disguised from the outside as a bread van. During transportation the fuel gases came into the truck, and when delivered to the farthest [execution] ditch the arrestees were already dead.

The Reality Of the German Camps:

The plan was to relocate the Jews to their own region and out of Europe. This was the only "Final Solution." As honest historians who lost their careers and have been imprisoned for being honest. Have noted time again. Since the Jews had almost annihilated Germany, sending millions of Germans to their graves, in return for Germany trusting them. The government took the best and humane course of action with them. They could have killed them at this point but they didn't. The Jew, Freeman admits this all. Germany was

negotiating with the Zionist's to help relocate them to another area where they would have self-determination and separation. The Jews were not rounded up or put into camps over this. It was a voluntary movement. Many Jews simply wanted to leave as they could no longer make a living off dishonest means.

During the war the German government found that every single subversive organisation in their territory even within Germany. That was attacking their civilians and troops, spying for the Allies [of Judah] and everything in-between to defeat the war effort. And cost Germany the war, just as in the Great War. Where all Jewish and were working with the International Jewish networks behind the Allies governments. In order to deal with this vast Jewish fifth column. Which was literally international. They simply did what America did with the Japanese living in America during the Second War. They put them into internment camps. As a war safety measure. Here they were simply put to honest work to create needed production of material for the war effort.

Right here Jews camp imitates admit there was no death camps as Auschwitz:

<https://www.youtube.com/watch?v=UxFETbawPCk>

Right from their mouths they state they were treated humanly. They had Orchestras, plays, movie theatres, day care centers and schools for their children. Even school plays. The adults worked a normal eight hour day in the factories of schools. They were paid, they were allowed letters. They played on soccer teams they even had local teams come into the camps to play them. The sports field was right beside the "gas chambers".

There were also brothels for the inmates and swimming pools.

This documentary debunks the Holocaust.

Subject: Doubts

Few things I want to bring up.
As I wrote on my past notes about remaining strong.
I also want to mention about the doubts members have been having
As well as problems with their emotions.

Understand that the JoS clergy and other members are here to help you.
They are showing you what to do and how to advance

but YOU have to do it yourself, set yourself free from anything that is holding you back.
We can't do it for you, this is something you have to do for yourself.
I receive emails, and complaints from members
that are doubting JoS and our clergy.

Sadly people find time to go around assuming things that
they don't even understand.

If you don't get the attention that you need from us, understand that
we are here to guide you, not to do things for you.
Advancing and reaching Godhead is a task that you will have to accomplish
on your own.

The Clergy has to share a lot sermons on this, you need to really pay attention
to the sermons and understand that everything is a matter of choice, will,
and use of your mind.

Put Satan in your life first, and do what you gotta do.
Don't wait on others.

The enemy will always try to bring doubts and terror to peoples' minds.
In a way to prevent and paralyze their will and ability to advance.
SS must stay balanced.
Open your chakras, in that way you can experience and learn things for yourself from the Gods, so you won't
have doubts.
Regardless, a real SS should always remain loyal to Satan.

Work hard to get there, even if it takes long.
Remain persistent and loyal.
Don't assume and make decisions on things that you are not sure of.
Be careful.

If you see that certain behaviors need to be fixed, fix it.
Don't be ignorant.
Accept that we all need to advance. Clean out your soul.
Get rid of the things that are holding you back, and move on.
Don't depend on others to do it for you, or us.
This is something you have to do for yourself.
If you don't get it now, keep trying and trying.
Eventually you will.
If you give up now, you will have to start all over again, until you get it right.
It is all in the mind.
Have the will power to want things, to change for better, and better yourself.
Don't be so quick to judge other SS and the clergy. You don't know who they are or what they have gone
through, to get where they are at today.
We work hard.
Regardless of what others say, we work hard to get things done.
Even if you don't see it.

Give advice, advance, and do it for yourself and Satan.
Not because of a group or a member,
but for yourself.

Why? Whatever you do, through advancing and working for Satan, He will stay with you always, each life time
unto you reach to Godhead.
Who I am and what I believe and have is something no one can take it from me, but me. And I'll cherish it
through eternity.
Stay always loyal no matter what; mark it on your soul.

Jewish cruelty to innocent hens

Hens Viciously Slaughtered

by Jewish Community Center

Several weeks ago, we told you about Urban Adamah, a Jewish community center and urban farm in Berkeley, California. They had fifteen chickens who were used to produce eggs that the people there had been eating for the past three years. The hens' egg production began to wane, so just like in massive factory farms, their "use" to humans, who think of them as nothing more than egg machines, was over. Instead of showing kindness and gratitude to these gentle birds and offering them retirement, they were scheduled to be used as props and killed for a Kosher slaughter class.

Several animal sanctuaries, including United Poultry Concerns, Animal Place, Harvest Home, and Hen Harbor, had offered to take the fifteen hens in order to let them live out the remainder of their lives in peace, but Urban Adamah refused the offers. While they cancelled their initial Kosher slaughter workshop, over a week ago they convened another, secret, workshop to slaughter the birds.

It is disgusting and sends the wrong message to have children and others care for and befriend animals, only to later hideously betray them. Treating animals like machines and teaching others' that this is compassionate is a farce.

Subject: UNLEASH THE BEASTS OF DEATH!!!!

I CALL ON EACH AND EVERYONE OF OUR DEDICATED DISCIPLES OF SATAN, HIS SONS AND DAUGHTERS!!

As you all have known for a long time now, as its wordly evident, the enemy jews have been the source of all misfortunes to have plagued the Earth and all of us, for a very, very long time. We have brought to light their greatest weapon, which is the use of their 'Torah', their Bible and their Koran, from which they gather the nessesary energy and implement the unconscious schemes into the minds of Gentiles, as to further their ends.

Meanwhile, the jewish race is pletted in riches, has the best healthcare, the best and most purified food, the most spiritual power [or at least they had such for a long while]. On top of everything else they have destroyed our history and the memoirs of our Ancient Gods. They have destroyed everything: Ancient Greece, Ancient Sumeria, Babylon, Egypt, Central Europe and the White Races, bastardized the knowledge of the Far East, the Yellow Races, used them viciously as they do in China, destroyed Africa to the point all people are impoverished and die by the hundreds daily. Animals are right now being endlessly abused because some kike industrialist wants more furs, or some leathers to cover their NASTY existence and genetic code.

These nasty beings have brought all if not most plagues in the world. They injected christianity to the blacks by the slave trade, abused them, infested and destroyed all civilizations from within and without. For endless years they have brought famines, curses and all sorts of plagues through their 'holy books' to any and all who opposed them. Those with historical knowledge, political knowledge and even scientific knowledge know how jews have been plaguing the Earth and our lives for so long. They caused un-needed wars, not needed bloodshed, and they injected the most vicious religious hoaxes to ever exist. America is bleeding to death by their advances and 'Free speech' or the American Constitution no longer have place in America. The KIKE IS ABOVE THE LAW THEY THINK. They can and have brought to destruction world economy. You and me are the victims of these actions.

The plague of xianity has gave humanity so many deaths and blood unlike any other event.

After all, they hide behind their spiritual knowledge [Stolen from Gentiles all over the Globe, then they were butchered] and their vast wealth. They constructed the biggest lies in the world, one of them being the holocaust. They have built agencies, legions of sheep, are actively using the whole world for their protection.

"ANTI-SEMETIC THIS, ANTI-SEMETIC THAT!"

I WANT YOU TO GET MAD, ANGRY, UNCHAIN THE BEAST YOU HAVE WITHIN. I WANT YOU TO UNLEASH THE HIDDEN AND DIVINE JUDGEMENT OF SATAN ON THESE 'PEOPLE'. THESE HUMANOIDS NEED BE PUNISHED. THEIR ESSENCE IS A LIE. I WANT YOU TO UNLEASH ALL THE DESTRUCTION, DEATH, PLAGUES, PERMANENT DISASTERS YOU CAN CREATE. CREATE WITH YOUR SOUL AND WITH THE POWER OF YOUR GENTILE, GODLY ESSENCE.

BRING JUSTICE AND PUNISHMENT. IN THIS KIKE WORLD NOBODY CAN BRING SPIRITUAL JUSTICE EXCEPT YOU AND ME. YOU ARE THE SPIRITUAL JUDGE AND JEWRY. ONLY YOU AS A CHILD OF THE LORD SATAN, THE CREATOR OF THE GENTILE RACES, ONLY YOU CAN BRING JUSTICE.

THEY TOLD YOU YOU WERE A PIECE OF SHIT, A MEANINGLESS EXISTENCE, ONLY WAITING UPON ITS DEATH. THEY LIED TO YOU.

I TELL YOU YOU CAN BECOME A GOD AND THAT YOUR WORTH IS FAR MORE THAN YOU EVER THOUGHT.

THEY TOLD YOU YOU WERE WEAK, NOTHING AND THAT YOU CANNOT CHANGE ANYTHING, THEY TOLD YOU THIS WORLD IS WHAT IT IS AND CANNOT CHANGE. THEY LIED TO YOU.

I TELL YOU THE POWER IS ON OUR HANDS AND IN *YOUR* HANDS TO ACT.

THEY BRAGGED IN FRONT OF YOU, PUNISHED YOU FOR QUESTIONING, BULLIED YOU, TRIED TO DESTROY YOU THROUGH THEIR SYSTEMS AND THEIR BELIEF.

I TELL YOU WE ARE ALL WARRIORS OF SATAN AND THE TRUTH, THOSE WHO HAVE WOKEN UP FROM ALL THEIR AGES, OUR RELIGION IS SATANISM AND WE WANT TO GOVERN IN PEACE.

AND I SEE YOU STANDING THERE WITH YOUR HEAD UPRIGHT, WITH YOUR SPINE STRAIGHT, WITH YOUR PRIDE IN YOUR SOUL. AFTER ALL THEIR LIES, PROPAGANDA AND MISINFORMATION.

FEAR COULD NOT CONTROL YOU, LIES COULD NOT HOLD YOU!

HOW CAN YOU EVER DARE TO AVOID FIGHTING? HOW CAN YOU EVER DARE DENY YOURSELF AND THE BILLIONS OF PEOPLE WHO ARE WAITING FOR YOU TO ACT?

THE FATE OF THIS WORLD IS UPON YOU AND ME, THE SATANIC ARMY. NOBODY ELSE. NOBODY CAN HIT THE ROOT OF THE PROBLEMS AS WE CAN.

I WANT YOU TO GET ENRAGED, ANGRY, INFURIATED, IN SUCH MANNER AND TO SUCH DEGREE BY YOUR MERE WILL YOU CAN MAKE STEEL BURN.

I want you to get REVENGE.

Create, create, create my Brothers and Sisters. Create destruction, plagues, thunderbolts, fires, earthquakes, unleash CHAOS on the enemy.

They held us down only for so long. THEY GOY HAVE WAKEN UP YOU FUCKING JEWS AND THE END IS APPROACHING.

THE "GOY" have no fear you SCUMBAGS, we have few things to lose and we are GODS In the blood.

My Brothers and Sisters, fight the beast, with all your might. Unleash the rage, unleash the DEATH, unleash the PERMANENT DESTRUCTION.

You owe it to who you are, who has made us, and the whole world. Stay strong in our war and always remember, we are finishing an already won battle.

Meditate, raise your powers, do Magick, bring your powers of destruction and creation out to show. Be patient and help us take back what is ours.

Israel spies on US to make 'preemptive moves'

[http://www.presstv.ir/detail/2014/05/31 ... by-spying/](http://www.presstv.ir/detail/2014/05/31...by-spying/)

Sat May 31, 2014 4:18PM GMT

The Israeli intelligence agencies spy on the United States so that Israel can make a "preemptive move" to thwart any US-brokered plan in the Middle East that the regime deems against its interests, an analyst says.

"They want to get the jump on any surprises that might be put their way by the United States whose assistance they totally rely on," Bill Jones of the Executive Intelligence Review told Press TV on Saturday.

Jones made the remarks as Newsweek reports that Israeli spy services eavesdropped on phone calls between former US president Bill Clinton and late Syrian leader Hafez Assad during critical stages of Middle East talks in 1999. At the time, the US was brokering talks that would have led to a "peace agreement" between Israel and Syria.

The analyst added that Israel is probably targeting US officials today as Secretary of State John Kerry has been leading efforts to broker a deal between Israelis and Palestinians.

The spying certainly gives the Israelis an "advantage" in the talks, Jones said, because they can always make a "preemptive move" to undermine any agreement they are not pleased with.

US intelligence officials have recently expressed concerns about the scope of Israeli espionage against the United States

Bodies of 800 babies found in septic tank of Church run home

This "home" was owned and run by the Catholic Church. The children died of neglect, abuse and starvation. And were singled out for humiliation by the nuns in public as well. Judging by the attitude of ritual humiliation and hatred towards the children by the nuns. Its probably not a secret why the children were treated this way. The same church which is nothing but an organized crime network of thieves, murders, liars and pedophiles. And was created and is run by Jews, proof here: topic1561.html

Bodies of 800 babies, long-dead, found in septic tank at former Irish home for unwed mothers

In a town in western Ireland, where castle ruins pepper green landscapes, there's a six-foot stone wall that once surrounded a place called the Home. Between 1925 and 1961, thousands of "fallen women" and their "illegitimate" children passed through the Home, run by the Bon Secours nuns in Tuam.

Many of the women, after paying a penance of indentured servitude for their out-of-wedlock pregnancy, left the Home for work and lives in other parts of Ireland and beyond. Some of their children were not so fortunate.

More than five decades after the Home was closed and destroyed — where a housing development and children's playground now stands — what happened to nearly 800 of those abandoned children has now emerged: Their bodies were piled into a massive septic tank sitting in the back of the structure and forgotten, with neither gravestones nor coffins.

"The bones are still there," local historian Catherine Corless, who uncovered the origins of the mass grave in a batch of never-before-released documents, told The Washington Post in a phone interview. "The children who died in the Home, this was them."

The grim findings, which are being investigated by police, provide a glimpse into a particularly dark time for unmarried pregnant women in Ireland, where societal and religious mores stigmatized them. Without means to support themselves, women by the hundreds wound up at the Home. "When daughters became pregnant, they were ostracized completely," Corless said. "Families would be afraid of neighbors finding out, because to get pregnant out of marriage was the worst thing on Earth. It was the worst crime a woman could commit, even though a lot of the time it had been because of a rape."

According to documents Corless provided the Irish Mail on Sunday, malnutrition and neglect killed many of the children, while others died of measles, convulsions, TB, gastroenteritis and pneumonia. Infant mortality at the Home was staggeringly high.

"If you look at the records, babies were dying two a week, but I'm still trying to figure out how they could [put the bodies in a septic tank]," Corless said. "Couldn't they have afforded baby coffins?"

Special kinds of neglect and abuse were reserved for the Home Babies, as locals call them. Many in surrounding communities remember them. They remember how they were segregated to the fringes of classrooms, and how the local nuns accentuated the differences between them and the others. They remember how, as one local told the Irish Central, they were "usually gone by school age — either adopted or dead."

According to Irish Central, a 1944 local health board report described the children living at the Home as "emaciated," "pot-bellied," "fragile" and with "flesh hanging loosely on limbs."

Corless has a vivid recollection of the Home Babies. "If you acted up in class, some nuns would threaten to seat you next to the Home Babies," she said. She said she recalled one instance in which an older schoolgirl wrapped a tiny stone in a bright candy wrapper and gave it to a Home Baby as a gift.

"When the child opened it, she saw she'd been fooled," Corless told Irish Central. "Of course, I

copied her later and I tried to play the joke on another little Home girl. I thought it was funny at the time.... Years after, I asked myself what did I do to that poor little girl that never saw a sweet? That has stuck with me all my life. A part of me wants to make up to them."

She said she first started investigating the Home, which most locals wanted to "forget," when she started working on a local annual historical journal. She heard there was a little graveyard near what had been the Home, and that piqued her curiosity. How many children were there?

So she requested the records through the local registration house to find out. The attendant "came back a couple of weeks later and said the number was staggering, just hundreds and hundreds, that it was nearly 800 dead children," Corless said.

Once, in 1995, Corless said in the phone interview, several boys had stumbled across the mass grave, which lay beneath a cracked piece of concrete: "The boys told me it had been filled to the brim with human skulls and bones. They said even to this day they still have nightmares of finding the bodies."

Locals suspect that the number of bodies in the mass grave, which will likely soon be excavated, may be even higher than 800. "God knows who else is in the grave," one anonymous source told the Daily Mail. "It's been lying there for years, and no one knows the full extent of the total of bodies down there."

Subject: "Gentile Ethics vs Jewish Ethics"			

"Gentile Ethics vs Jewish Ethics"

Xians, muslims and every other organization that aims to bluff people and steer them away from spirituality, gives fancy explanations of the afterlife, death and preaches nothing exists beyond this world, except of some lakes of fire for those who disobey [Xianity] or 9 year old virgins for you to get laid eternally. And do not forget the rice and the honey [Pisslam]. Both very advanced and intelligent perceptions of reality [sarcasm]. Not to mention the endless fear, lack of knowledge and all the rest of the diseased enemy crap.

Their 'god' does not exist. They call in for help en masse, no answers received. They beg this space-jew for salvation, freedom from pain, for healing, nothing ever happens. Out of 100 prayers, 0,0001 actually manifests and this is due to the massive cattle that prays [transfers spiritual energy to a purpose] or due to the subjects energy which manifests what they ask for.

The universe itself is not concerned if someone is stupid and shows no mercy to these idiots. They go against the ways of the universe and the spiritual laws and they just pay the price of their ignorance. Technically, it does not give a flying fuck if you are ignorant, a piece of shit and you do not want to realize its laws. It does not give a fuck if after death you will dissipate or get swept in by a huge energetical battery of some ET's that want to use your little bioelectricity for their own purposes, eradicating your being. The universe has its laws. It has the law of Gravity, whether you like it or not. It has the law that those stronger of you can destroy you, whether you like it or not. It has the law that unless you fight, you will get devoured. The universe does not care about vain ideologies, vain beliefs, your own ignorance, what some weak people or dozens of weak people want to make out the universe to be. Even if these billions of sheep believe there is some sort of kike on the sky that protects them, the hurricane will happen anyway and destroy some millions of people. Where are their little prayers now?

On the other hand every day here you see dozens of messages, even from people who dedicated to Satan and did not expect something, Satan gave them back answers, real events, real love and made his prescence know, wether they totally believed or not. As it has been said, you get to realize a cause by its effect.

So thing is, we try to be good with one another for our species to evolve and have peace with one

another, form groups of survival against this violence. The species that eat and destroy one another for whatever reason, always perish the fastest. You see this on jews as their 'intelligence' and 'cunning' is that of a lower level. When confronted, they blame other jews, they attack other jews – at least SEEMINGLY. They do not hesitate to devour even their own, but this rarely happens and only if the Gentiles awaken up to the Truth about these people. Then they run like rats in all directions. Like all cowards, when in a position of power they pretend to be awesome. When behind their paper money, they pretend to be important. When pletted with millions they pretend to be kings and condemn Gentiles to be animals and lower than animals. When confronted or fought against, they never hit above the belt, always below the belt. When confronted, they pretend to be friendly as to not get their asses kicked. They bribe. They lie. They hide. And all that their low level of being has tied into it.

This has been and still is the first mission of every creation. Evolution. Humans are right now the cradle of evolution of the Earth. The Human Race has evolved to where we have invented Ethics. The Gods passed us down all sorts of needed emotions to survive, like Anger, Hatred, the sense of justice, the sense of Truth, the devotion, the faith etc. Ethics like sacrificing for the Greater Good, Greater instincts, protection of Women, giving to others, empathy and so forth are the cradle of Human evolution which ensure not only our survival, but our ascendance into higher levels of consciousness and understanding. The enemy as always drags these things to the other, exact opposite end. "Help" in the kike dictionary means "I enslave you and give you things without leaving you able to self sustain yourself" which means death. Because when the master will not provide, the slave will perish.

When one treads far in Satanism they realize one of the main reasons we were created is to exist, evolve, break our limitations, explore, spread. When one delves even deeper one understands why the separation of Races was a natural intention and happens on its own. All this is strongly tied in with our personal purpose.

The enemy and kike infested religions came from humanoids [not Humans in anyway, the only thing they have in common with Humans (Gentiles) is that they have two legs, two hands and one head, nothing as personalities] who were in a very low intellectual and spiritual level. The jews through their behavior and in how they are getting always worse, more brutal, more cunning, show they are actually moving down the evolutionary chain, in the exact opposite direction of what we do. Where the Gentile has meant to go, the jew was by enemy design meant to go the opposite direction. We create civilization, they come and try to destroy it. We found the original religions, they come in and try to turn these against us, making up insane shit. We talk about love, they distort love to some shitty, low level xian emotion, which is again tied in fear and adheres to a set of insane rules. We talk about sex, they pervert the notion and meaning of it to some pornified solely physical deed. We create food, they put poisons in it. We create a monetary system, they totally destroy this and try to control us and destroy us through it. We have a political way [Nazism] in which we govern ourselves according to the Divine Satanic Providence, they create a projection of the instant opposite where we are animals and merely 'goy'. To our dictionary 'obedience' means recognizing the higher understanding of another fellow Gentile Human being and adhering by their healthy and natural advice, to their dictionary 'obedience' is a series of torture, blind trust and becoming a subject to these putrid beings.

While in Gentile Paganism you do not wrong others, not because of some punishment, but because you are beyond this [your spirit has evolved past these stupid needs] or you do not cheat on your wife because you have realized how to find meaning in another fellow Human being, xianity and the related programs try to preach they are some source of 'Ethics'. Nothing could be more far from the Truth.

The only reason xians at least 'try' to follow their '10 commandments' is to not end up in Hell and burn eternally, or because they are afraid some other stronger and more brutal force will execute punishment upon them [the kikes have placed a space jew to be that brutal force, to connect themselves with this fundamental force of 'punishment', making the populace docile and obedient

to them].

They obey due to cowardice. They do not understand any more than a monkey does. Infact monkeys and other animals display natural altruism, not because some kike punisher indicates supposedly that if you do disobey, you will die. All they do and all they do not do is dyed with the color of fear, unintelligence and cowardice. This is by far the lowest way of understanding reality. Even insects can understand the laws of brutal force. I-e My force is stronger than your force therefore you must not wrong me. This is evident xians and the rest of stupid people learn what even monkeys and other species already know, live by the same rules the most instinctive and far back in evolution way beings think and act.

Gentiles were made with the purpose to reach the stars and become a great Human civilization amongst the cosmos. They try to fulfill their purpose. While the jewish purpose is nothing but keeping us from our purpose. They were created as an antithesis to the causes of Satan and His creations.

Thing is the same reasons that keep them from acting are the same reasons they have made xianity the most horrid and dirty program to ever exist and haunt the populace. People are living in fear and guilt. You will see in the animal kingdom an animal who is afraid, when their master or the abuser turns their back they try to attack. Because they live in fear. They comply by the use of fear. They are afraid of others and others are afraid of them. Its all FEAR, FEAR, FEAR. This obedience and anknowledgement between species is the lowest level. When in this you tie the lack of spirituality, the teachings that cause neuroticism and go against every aspect of life, you make something that actually goes against the Evolutionary place of Humanity. This causes a clash and that's why we have this society we do.

So according to all the above, as Gentiles we have a built in type of love and respect for another, which is the notion of brotherhood and serves to preserve us in our evolutionary way to reach the Stars. The enemy again takes this love, inverts it to stupidity, slavery, death, their notion of 'obedience', blind surrender, stupidity. Because Gentiles are by nature and genes altruistic, they feed on that thing. Because Gentiles are by nature supportive of one another, they get entangled in the endless web of jewish lies and disortions.

Our own insticts are used against us. In Satanism, in Paganism and the original religions all these words gain meaning again. Help means, I grant a favor but I teach you how to grant it to yourself. Love means brotherhood, sacrifice, but not beyond the meaningful sense. All these understandings come with the purification of the Soul.

Another thing we have mentioned is the kike lacks creativity. Infact, as we go upwards to the evolutionary chain we need no interaction with them. They in the other hand need us, to feast upon, prey upon, use us for their wars and in gathering their wealth. They need us and we do not in any way. We did perfect when they were not around. They need us to create things and invent things in order to distort it. We need to be willing to divide ourselves in order for them to come in and harass. We need to be willing our own to die and perish in order for them to succeed.

The next time the kikes and their lackeys try to convince someone in their propaganda that they are needed, or as they dared to say, are 'useful' in civilization, recall the quotes from their Talmud.

These 'evolved' rats that have a lot to say about Ethics, the Gentile Soul, and generally have an opinion about anything, talk through their appointed leaders, to be exact:

Erubin 21b. Whosoever disobeys the rabbis deserves death and will be punished by being boiled in hot excrement in hell.

Moed Kattan 17a . If a Jew is tempted to do evil he should go to a city where he is not known and

do the evil there.

Gittin 69a . To heal his flesh a Jew should take dust that lies within the shadow of an outdoor toilet, mix it with honey and eat it.

To heal the disease of pleurisy ("catarrh") a Jew should >take the excrement of a white dog and knead it with balsam, but if he can possibly avoid it he should not eat the dog's excrement as it loosens the limbs. Pesahim 111a.

It is forbidden for dogs, women or palm trees to pass between two men, nor may others walk between dogs, women or palm trees. Special dangers are involved if the women are menstruating or sitting at a crossroads. Menahoth 43b-44a .

A Jewish man is obligated to say the following prayer every day: Thank you God for not making me a Gentile, a woman or a slave. Shabbath 86a-86b.

These are the assholes who preach about Ethics, Civilization, and generally pretend to be something on the planet. THIS IS THE SCUM OF THE EARTH THAT NEEDS BE CLEANSED! THESE ARE THE ENEMIES OF SATAN AND THE CREATORS OF COMMUNISM, CHRISTIANITY AND THE REST OF THE ABRAHAMIC, JEWISH HOAXES. THEY ARE THE ONES WHO HAVE BROUGHT THE TERROR, THE BLOODSHED AND THE DESTRUCTION IN THE WORLD, THE BLINDNESS.

Whomever is Gentile, knows the Truth, and denies it, is not only a Racial Traitor, but a traitor to nature herself. He betrays his one and only divine purpose; he throws his chance to become a God into the trash can and chooses to become a jewish slave.

By not following the original religion of the Swastika [Sun, Helios, Ra etc] which brings the immortality of the body and Soul, the purification of the Soul, the Perfected Gentile being out of yourself...The nights these people plead in diseases and other mental and spiritual turmoils... Search nowhere else, but the ones you believe and the ones standing behind all the way of your 'beliefs', 'life awareness' and 'consciousness'.

When in doubt, look at yourself and all you have gained in your aweakening and by walking again into the arms of our Creator, Satan. You have gained everything.

Them? Their ignorance has cost them anything. They have nothing. All this by itself will clear all your confusion.

GENTILES NEED TO WAKE UP, BEFORE ITS TOO LATE AND UNDERSTAND AGAIN WHAT A HONORARY TITLE IT IS TO BE A CHILD OF THE ORIGINAL GOD OF HUMANITY.

Subject: Solstice Ritual			

Just letting everyone know, we will be doing another ritual in the series of rituals to reverse the curses in the bible. We will be doing this on Sunday, the 22nd of June. Please be prepared and it is very important to Satan that everyone participate in this ritual. It will be another one-time ritual just like the rest - simple and easy to do. None of these rituals requires any props and can be done anywhere where one can be left alone for a several minutes.

Updated 9.40pm

THE CHILDREN'S MINISTER has said he is anxious that the Bethany Home in Rathgar is included as part of the Commission of Investigation into mother and baby homes in Ireland.

Charlie Flanagan said today that he was conscious of the grievances felt by those connected to the Bethany Home, a protestant-run home on Dublin's Orwell Road, where young unmarried mothers lived with their young children.

Many of the children were subsequently adopted, and survivors say they suffered neglect as children. Over 200 children died while in the care of Bethany Home. A monument to them was recently unveiled.

"I am conscious of grievance on the part of people who were directly associated with Behtany Homes and I am anxious that the scope of the inquiry would be beyond Tuam and County Galway. I would include all mother and baby homes with specific reference to the Bethany," Flanagan said today.

The Taoiseach also confirmed that the Bethany Home would be included in the new probe. The former residents of the home were not including in the Government' redress scheme for resident of the Magdalene Laundries, and a number of groups had been calling for the institution to be investigated.

Answering a question from Sinn Féin leader Gerry Adams, the Taoiseach said:

It's one of a significant number of mother-and-baby homes that must be investigated.

Flanagan was speaking at a press briefing after he earlier announced that Commission of

Investigation would examine all practices, procedures and behaviours in mother and baby homes throughout the State in the wake of the recent Tuam babies scandal.

'Before summer recess'

He said he hoped that the Commission would be established before the summer recess and would be informed by the current interdepartmental review being carried out across a number of government offices.

This is expected to report by the end of the month.

Flanagan said he expects cooperation from all interested parties and he also acknowledged the role of Tuam historian Catherine Corless in highlighting the deaths of 796 babies at a home in the Galway town.

He said that getting widespread cooperation from all interested parties and organisations would ensure "that at last, for the first time, we will get to the truth of this very dark period in our history.

Flanagan said it would be "difficult to put detailed parameters on a time frame" for the commission to report but said he was "anxious" its work begin before the summer recess.

Flanagan said: "It is absolutely essential that that story be told difficult and traumatic as though that is, especially for the mothers and former babies many of whom are now adults."

He added: "No government has taken on this task but this government will not shirk its responsibility in discovering the truth, difficult and all as that might be."

Flanagan said that any criminal investigation is "entirely a matter for An Garda Síochána" and said it was "far too early" to talk about the possibility of compensation for those affected.

Sinn Féin motion

In the Dáil this evening, Sinn Féin Health and Children spokesperson Caoimhghín Ó Caoláin TD called for any inquiry into mother and baby homes to cover all such homes and all aspects of the treatment of women and children, including high mortality rates and burial practices.

He proposed a motion from Sinn Féin on the issue this evening, saying the party did so "once it became clear that an inquiry was absolutely necessary".

He said the latest revelations from Tuam "have highlighted more horrifying aspects of the regimes in these mother and baby homes and they demand immediate action to uncover the full truth".

Also speaking in the Dáil, Minister Flanagan said that "insensitive language has been used in the rush to cast blame", and he appealed to people within and outside Leinster House to be "sensitive in their choice of language" when referring to the homes.

He said that he wanted to acknowledge "the reality that Irish society as a whole colluded in maintaining the regime of mother and baby homes".

"Questions remain unanswered about the nature of adoptions and vaccine trial," he noted

Iraq Is Falling To Islamic Fanatic's

My note the entire place is about to fall into a massive religious war between Shia and Sunni's. As ISIS will not allow the Shia population to exist. Behold the true nature of Islam yet again. Saddam had a secularist state that kept such fanatic's powerless. Some reports Iranian elite troops are also heading into the Shia area's in Iraq to defend the Shia populations.

The Jews via Israel, Washington and their Saudi regime [Saudi's are well know to be crypto's] have created and funded this and other groups to fight against Assad in Syria whom they wished to topple to make way for "Greater Israel." Same with toppling Saddam's Iraq. All of this was part of the "New Project For An American Century" laded out by the Jewish Neocon's [Neocohens].

So already after a hundred and fifty thousand innocent men, women and children being killed in Syria and another forty thousand in Libya. By such Jew World Order proxy forces as this. And the millions dead in Iraq from the NATO-American invasion and occupation. Which was launched on the heels of the Jews, False Flag on 911. Now the blood bath is about to really start as the Islamic Fanatic's who raped, looted, mass murdered and in general sawed unarmed and innocent peoples heads off for fun. Are now marching on Iraq.

The full horror of the jihadists' savage victories in Iraq emerged yesterday as witnesses told of streets lined with decapitated soldiers and policemen.

Blood-soaked bodies and blazing vehicles were left in the wake of the Al Qaeda-inspired ISIS fanatics as they pushed the frontline towards Baghdad.

They boasted about their triumphs in a propaganda video depicting appalling scenes including a businessman being dragged from his car and executed at the roadside with a pistol to the back of his head. The extent of the carnage came as:

Images from captured cities such as Mosul and Tikrit showed deserted streets, burnt out vehicles and discarded uniforms left by government troops fleeing the brutal fanatics;

ISIS leaders urged their bloodthirsty followers to continue their march and warned that battle would rage in Baghdad and in the holy city of Karbala;

Thousands of residents in the capital answered a call to arms to repel the invaders amid fears the government's own troops were not up to the job;

Aid groups warned of a new refugee crisis after half a million terrified Iraqis left their homes to escape the jihadists

In the swathe of captured territory across northern Iraq, ISIS declared hardline Sharia law, publishing rules ordering women not to go outside 'unless strictly necessary', banning alcohol and smoking, and forcing all residents to attend mosques five times a day. BBC correspondent Paul Wood said one woman from Mosul, Iraq's second city, had spoken of seeing a 'row of decapitated soldiers and policemen'.

The refugee woman told how the victims' heads were placed in rows – a trademark, trophy-style execution favoured by ISIS militants.

The fanatics captured Tikrit, Saddam Hussein's birthplace, by overrunning an army base and rounding up hundreds of soldiers and police. Dozens of members of a police special forces battalion were paraded on the back of a truck in the city.

As the balaclava-clad militants took Mosul and Tikrit, thousands of Baghdad's residents young and old queued at recruiting stations to form a 'Dad's army' to defend the capital.

Trucks carrying volunteers in uniform rumbled towards the frontlines to defend the city, with many chanting slogans against the ISIS militants.

Meanwhile the Iraqi air force carried out at least four bombing raids on insurgent positions in and around Mosul. State television showed targets exploding in black clouds.

Britons working in Baghdad's Green Zone where most of the foreign embassies are based were on high alert. The lightning advance of ISIS has caused alarm in London, Washington and across the Middle East.

Despite vastly outnumbering the jihadists, government troops have melted away in the face of the insurgents, allowing them to capture two helicopters, 15 tanks, weapons and several armoured cars that used belonging to the American military. They also seized £350million-worth of dinars by

robbing a bank in Mosul.

According to bitter Iraqi footsoldiers, their commanders slipped away in the night rather than mount a defence of the city.

One said: 'Our leaders betrayed us. The commanders left the military behind. When we woke up, all the leaders had left.'

Last night Barack Obama said America would help with 'short-term immediate actions... militarily' to push back the insurgents, but ruled out sending troops.

Foreign Secretary William Hague said Britain would not get involved militarily because Iraq was now a democracy.

Iraqi prime minister Nouri al-Maliki vowed: 'We are not going to allow this to carry on, regardless of the price. We are getting ready. We are organising.'

As the situation spiralled out of control, even Iran was said to have deployed two battalions from its Revolutionary Guard to help the Iraqi government retake Tikrit.

The development was likely to enrage Washington, which has been steadfast in its determination for Baghdad not to cosy up to Tehran.

It also emerged that members of Saddam's old guard were joining the insurrection. Fighters loyal to his disbanded Baath Party were said to be actively supporting the rebels. ISIS stands for Islamic State of Iraq and al-Sham but has also been referenced as Islamic State of Iraq and Syria.

Its insurgency is the biggest threat to Iraq since US troops withdrew in 2011.

ISIS commanders issued chilling warnings to any police officers or soldiers to 'repent or be killed'.

In a sinister video, the extremists urged followers to 'march to Baghdad – we have a score to settle'. They also pledged to take the holy cities of Karbala and Najaf.

'Continue your march as the battle is not yet raging,' a voice said to be that of ISIS spokesman Abu Mohammed al-Adnani says. 'It will rage in Baghdad and Karbala. So be ready for it. Put on your belts and get ready.'

But taking Baghdad would be much tougher for ISIS than the towns where they have triumphed so far. The United Nations Security Council met behind closed doors last night to discuss the crisis.

Iraq's foreign minister, Hoshyar Zebari, speaking in London, insisted the government had halted the rebel advance and even claimed insurgents were 'on the run'.

But at Baiji, near Kirkuk, insurgents surrounded Iraq's largest refinery. And the fighters have reached Samarra, 70 miles north of Baghdad.

About a quarter of Mosul's two million residents have fled. The flood of terrified families escaping the fighting there was described as 'one of the largest and swiftest mass movements of people in the world in recent memory'. Many have headed east into the autonomous region of Kurdistan.

Aid groups fear a new refugee crisis. Neighbouring countries already struggling to look after 2.8million refugees from the Syrian civil war now face the prospect of a new influx of displaced people desperately seeking a safe haven.

Meanwhile Iraqi Kurds seized control of the major northern oil city of Kirkuk today after the central government's army abandoned its posts. The Kurds - a semi-autonomous ethnic group based in the north - have their own 250,000-strong military, but have not used them to engage ISIS.

Footage emerged yesterday evening from Tikrit, which appears to show a long line of captured men and boys, being forcibly marched down a highway in the city.

The minute-long video, uploaded to YouTube, showed a snaking column of men stretching the entire visible length of the stretch of road. A voice captured by the recording describes a great Islamic 'family' and later an 'army', suggesting a possible intention to recruit the captives.

Most of the men and boys have both hands on their heads, while others - some wearing head coverings and some bare-faced - move up and down the column encouraging the march.

The startling developments raise the spectre of Iraq being carved up and divided into several states. Respected commentators have raised the prospect that, with Kurdish forces holding the north, the Sunni ISIS militants taking parts of the north and west, leaving the central and south-eastern to the Shiite population who currently run the government and military.

Yesterday the Iraqi Ambassador to Washington warned the 'integrity of Iraq is in question', while Dr Ayad Allawi, a former prime minister of Iraq, added that a break-up was 'not impossible'.

The governor of Mosul, who escaped the city and is now in Erbil in the Kurdish north, said that Iraq must be divided as centralisation had 'failed'.

Speaking to the Telegraph, Atheel al-Nujaifi said prime minister Nouri al-Maliki 'didn't devolve authority to us before, but now we must do it. Now we are saying his centralisation policies have failed,' Mr Nujaifi said.

Repercussions from the conflict are also being felt in global oil markets, where prices shot to a three-month high. The RAC said disruption could add more than 2p to the price of a litre of petrol.

The price of Brent crude rose \$2 to a three-month high of more than \$112 on fears about supply from the second-biggest producer in the Opec oil cartel.

The RAC said: 'The worsening situation in Iraq is causing a knee-jerk reaction in the global fuel market with wholesale prices going up one pence over Wednesday and Thursday.'

This was likely to push the pump price of both petrol and diesel up by 2p per litre in the short term, the RAC said, 'and this could well go much further'.

Iraq has insisted sectarian violence will not spread to the south, from which the vast majority of oil output comes.

After the capture of Mosul, the Islamic State issued a triumphalist statement declaring that it would implement its strict version of Shariah law in Mosul and other regions it had overrun.

Its laws state that women should stay in their homes for modesty reasons, command residents to attend prayers five times a day, and warned thieves that they would have their hands cut off.

It came as Kurdish forces took full control of Iraq's oil-rich city of Kirkuk after the federal army abandoned its bases there.

Peshmerga fighters, the security forces of Iraq's autonomous Kurdish north, swept into Kirkuk after the army abandoned its posts there, a peshmerga spokesman said.

'The whole of Kirkuk has fallen into the hands of peshmerga. No Iraqi army remains in Kirkuk now', said Jabbar Yawar.

Kurds have long dreamed of controlling Kirkuk, a city with huge oil reserves just outside their autonomous region, which they regard as their historical capital.

The swift move by their highly organised security forces demonstrates how this week's sudden advance by ISIS fighters has redrawn Iraq's map.

Insurgents surrounded Iraq's largest refinery in the northern town of Baiji this afternoon - they first moved in late on Tuesday, closing in on the refinery, but later withdrew to the surrounding villages after reaching a deal with local tribal chiefs.

A White House spokesman this evening said that they believed the Iraqi government were in control of the facility, but had no further details

In the midst of the crisis, Iraq's parliament failed to declare a nationwide state of emergency after not enough MPs turned up for a vote.

Opposition politicians representing Sunni and Kurdish populations boycotted parliament because they oppose a motion to give extraordinary powers to Shiite Prime Minister Nouri al-Maliki.

Turkey is negotiating for the release of 80 nationals held by ISIS in Mosul and cannot confirm

reports that some of them have been freed, government officials said today.

The pro-government Turkish newspaper Yeni Safak reported that the hostages, who include diplomatic staff, children and special forces soldiers, had been released to the Iraqi governor of Mosul and would be brought to Turkey tonight.

The capture of Mosul - along with the fall of Tikrit and the militants' earlier seizure of the city of Fallujah and parts of Ramadi, the capital of western Anbar province - has undone hard-fought gains against insurgents in the years following the invasion by U.S.-led forces.

U.N. Secretary-General Ban Ki-moon strongly condemned the abductions and the seizure of Iraqi territory by the militants, urging 'the international community to unite in showing solidarity with Iraq as it confronts this serious security challenge.'

'Terrorism must not be allowed to succeed in undoing the path towards democracy in Iraq,' he added.

Mosul, the capital of Ninevah province, and the neighboring Sunni-dominated province of Anbar share a long and porous border with Syria, where the Islamic State is also active.

Without assigning direct blame, al-Maliki said a 'conspiracy' led to the massive security failure that allowed militants to capture Mosul, and said members of the security forces who fled rather than stand up to the militants should be punished.

'We are working to solve the situation,' al-Maliki said. 'We are regrouping the armed forces that are in charge of clearing Ninevah from those terrorists.'

Iranian airlines cancelled all flights between Tehran and Baghdad due to security concerns, and the Islamic Republic has intensified security measures along its borders, Iran's state news agency IRNA reported.

Shiite Iran, a major regional power, has strong ties with Iraq's government. Some 17,000 Iranian pilgrims are in Iraq at any given time, according to IRNA, which cited the director of Iran's Hajj and Pilgrimage Organization.

Tikrit residents said the militant group overran several police stations in the Sunni-dominated city.

Two Iraqi security officials confirmed that the city, 80 miles north of Baghdad and the capital of Salahuddin province, was under ISIS's control and that the provincial governor was missing.

The major oil refinery in Baiji, located between Mosul and Tikrit, remained in government control,

the officials said. There were clashes and gunmen tried to take the town but were repelled in a rare success for Iraqi government forces protecting an important facility, the officials said.

The International Organisation for Migration estimated that 500,000 people fled the Mosul area, with some seeking safety in the Ninevah countryside or the nearby semi-autonomous Kurdish region.

Getting into the latter has become more difficult, however, with migrants without family members already in the enclave needing to secure permission from Kurdish authorities, according to the IOM.

There are a lot more atrocities where this one came from. The Catholic Church has participated in many crimes of slave labor, including serfdom, chattel slavery, and slave labor at orphanages. The recent mass grave is only one example of Catholic "laundries" like the Magdalene Asylums; a form of slave labor where women were forced to work in clothes-washing facilities run by the Church.

[img]<http://upload.wikimedia.org/wikipedia/commons/e/ef/Magdalen-asylum-england.jpg>[/img]

In 1993 a mass grave containing 155 female bodies was discovered outside a Magdalene Asylum in Drumcondra, Dublin. Only 75 of these women even had death certificates.

[img]<http://remember.org/then-and-now/images/mats-potrz-a.jpg>[/img]

Many of the corpses still wore casts from the bone injuries these women sustained working back-breaking shifts which could last more than ten hours a day. Chemicals such as industrial bleach used in Catholic workhouses like the so-called Magdalene "Laundry" often caused harm to workers, while dangerous equipment presented yet another danger. One body in the mass grave was found with its head severed.

The Roman Catholic Church had concentration camps like this across Europe and North America where Catholics tortured, abused, and enslaved women and children for "crimes" ranging from promiscuity to being sexually abused. In some cases girls were even imprisoned for looking "too

attractive". Women who tried to escape these workhouses were dragged back by the police into literal slavery, from which only relatives rarely released them. Talking to fellow inmates during work was strictly prohibited, and women who broke the rules could be beaten, starved, tortured, and worse.

[img]<http://i1.ytimg.com/vi/-HiNnyD6mFc/hqdefault.jpg>[/img]

"Those places were the Irish gulags for women," said Mary Norris. "When you went inside their doors you left behind your dignity, identity and humanity. We were locked up, had no outside contacts and got no wages although we worked 10 hours a day, six days a week, 52 weeks a year. What else is that but slavery? And to think that they were doing all this in the name of a loving God! I used to tell God I hated him."

<http://samdjordison.blogspot.com/2013/02/magdalene-laundries.html>

At the "Good Shepherd Orphanage" In Baltimore, Maryland, survivor Pat Noel testifies that aside from working long hours for the Church, girls were beaten until they were bloody, forced to kneel on concrete steps for days, shaved, starved, deprived of their names, and coerced into lifelong celibacy. At least one girl was forced to crawl through her own urine.

communities.washingtontimes.com/neighborhood/heart-without-compromise-children-and-children-wit/2013/jun/6/magdalene-laundry-survivor-speaks-out/

Women were worked to death in cold blood; one lovely 15 year old in St. Joseph's "Industrial School" was even forced by nuns - against a doctor's order - to perform hard labor right after her appendix had been surgically removed. The girl died after several days of this horrific abuse.

<http://theraggedwagon.wordpress.com/2009/08/15/new-evidence-that-irish-children-were-murdered/>

The singer Sinnead O'Conner testifies that she witnessed nuns at an Irish Magdalene Asylum rip a child out of the arms of its screaming mother, who never heard even one word about the fate of her child ever again.

[img]http://2.bp.blogspot.com/_-WkuewyUf18/TQk8jnnI9ZI/AAAAAAAAABvE/daVUiJvwaA4/s400/A%2BNUN%2B%25232.jpg[/img]

<http://goldenbridgeinmate39.wordpress.com/2013/02/09/sinead-oconnor-reveals-her-torment-after-she-was-sent-to-a-magdalene-laundry/>

Atrocities of a similar nature occurred in Australia, where Lily Arthur recounts having her only child stolen at birth after she was dragged from her bed one night and imprisoned in a Catholic Magdalene Laundry. Here she was forced to work throughout her pregnancy and for months afterward. She met women from a higher security "Asylum" who told her they had been forced to eat rotting food, and sleep with no bedding on concrete for months on end.

http://atheism.wikia.com/wiki/Magdalene_laundry

Horrific sexual abuse also occurred in these facilities, as recounted by survivors in the documentary "Sex in a Cold Climate".

[img]http://healingheartfoundationng.files.wordpress.com/2013/11/child_abuse_by_healing-heart1.jpg[/img]

In the case of Ireland, the Jew-Controlled Government was fully aware (see again JFM 2011) that thousands of women were illegally enslaved by the Church; and that local police departments were acting at behest of Catholic clergy and others to keep these women in slavery; but did nothing to stop it. In fact, the Jew-Controlled government even acted in collusion with Catholic nuns to use these enslaved women as cheap labor.

Similar use of forced labor once occurred across the Christianized world, where Jewish Governments and Christian Churches collaborated with each other to enslave and exploit Gentile women and their children. This system developed from the Dark Age custom of forcing promiscuous women to work in convents, developed into a network of laundries in the eighteenth century, and seemingly ended in White countries when the last Magdalene Asylum in Ireland closed in 1996. Abuse and overworking of women and children in convents and other Christian institutions, however, continues, and it is very likely given the past that there are still places where local authorities are complicit.

The Catholic Church is a criminal organization run by Jews, who are a criminal race.

Hail Satan and his Justice.

The recent mass grave is only one example of Catholic "laundries" like the Magdalene Asylums; a form of slave labor where women were forced to work in clothes-washing facilities run by the Church.

[img]<http://upload.wikimedia.org/wikipedia/commons/e/ef/Magdalen-asylum-england.jpg>[/img]

In 1993 a mass grave containing 155 female bodies was discovered outside a Magdalene Asylum in Drumcondra, Dublin. Only 75 of these women even had death certificates.

[img]<http://remember.org/then-and-now/images/mats-potrz-a.jpg>[/img]

Many of the corpses still wore casts from the bone injuries these women sustained working back-breaking shifts which could last more than ten hours a day. Chemicals such as industrial bleach used in Catholic workhouses like the so-called Magdalene "Laundry" often caused harm to workers, while dangerous equipment presented yet another danger. One body in the mass grave was found with its head severed.

The Roman Catholic Church had concentration camps like this across Europe and North America where Catholics tortured, abused, and enslaved women and children for "crimes" ranging from promiscuity to being sexually abused. In some cases girls were even imprisoned for looking "too attractive". Women who tried to escape these workhouses were dragged back by the police into literal slavery, from which only relatives rarely released them. Talking to fellow inmates during work was strictly prohibited, and women who broke the rules could be beaten, starved, tortured, and worse.

"Those places were the Irish gulags for women," said Mary Norris. "When you went inside their doors you left behind your dignity, identity and humanity. We were locked up, had no outside contacts and got no wages although we worked 10 hours a day, six days a week, 52 weeks a year. What else is that but slavery? And to think that they were doing all this in the name of a loving God! I used to tell God I hated him."

<http://samdjordison.blogspot.com/2013/02/magdalene-laundries.html>

At the "Good Shepherd Orphanage" In Baltimore, Maryland, survivor Pat Noel testifies that aside from working long hours for the Church, girls were beaten until they were bloody, forced to kneel on concrete steps for days, shaved, starved, deprived of their names, and coerced into lifelong celibacy. At least one girl was forced to crawl through her own urine.

communities.washingtontimes.com/neighborhood/heart-without-compromise-children-and-children-wit/2013/jun/6/magdalene-laundry-survivor-speaks-out/

Women were worked to death in cold blood; one lovely 15 year old in St. Joseph's "Industrial School" was even forced by nuns - against a doctor's order - to perform hard labor right after her appendix had been surgically removed. The girl died after several days of this horrific abuse.

The singer Sinnead O'Conner testifies that she witnessed nuns at an Irish Magdalene Asylum rip a child out of the arms of its screaming mother, who never heard even one word about the fate of her child ever again.

<http://goldenbridgeinmate39.wordpress.com/2013/02/09/sinead-oconnor-reveals-her-torment-after-she-was-sent-to-a-magdalene-laundry/>

Atrocities of a similar nature occurred in Australia, where Lily Arthur recounts having her only child stolen at birth after she was dragged from her bed one night and imprisoned in a Catholic Magdalene Laundry. Here she was forced to work throughout her pregnancy and for months afterward. She met women from a higher security "Asylum" who told her they had been forced to eat rotting food, and sleep with no bedding on concrete for months on end.

http://atheism.wikia.com/wiki/Magdalene_laundry

Horrific sexual abuse also occurred in these facilities, as recounted by survivors in the documentary "Sex in a Cold Climate".

[img]http://healingheartfoundationng.files.wordpress.com/2013/11/child_abuse_by_healing-heart1.jpg[/img]

In the case of Ireland, the Jew-Controlled Government was fully aware (see again JFM 2011) that thousands of women were illegally enslaved by the Church; and that local police departments were acting at behest of Catholic clergy and others to keep these women in slavery; but did nothing to stop it. In fact, the Jew-Controlled government even acted in collusion with Catholic nuns to use these enslaved women as cheap labor.

Similar use of forced labor once occurred across the Christianized world, where Jewish Governments and Christian Churches collaborated with each other to enslave and exploit Gentile women and their children. This system developed from the Dark Age custom of forcing promiscuous women to work in convents, developed into a network of laundries in the eighteenth century, and seemingly ended in White countries when the last Magdalene Asylum in Ireland closed in 1996. Abuse and overworking of women and children in convents and other Christian institutions, however, continues, and it is very likely given the past that there are still places where local authorities are complicit.

The Catholic Church is a criminal organization run by Jews, who are a criminal race.

Hail Satan and his Justice.

Subject: Stalin The Worst Criminal - Sermon Series, Part 1.			

Joseph Stalin- The rider of the 20th century Jewish Beast – Part 1

A brief Look on this Jew's early life criminality and criminal personality.

Mass murderer, liar, thief, criminal, slave master, swindler, forger, mentally insane, brutal, etc. All these words are too few to explain what 'Joseph Stalin' really was. In history class you would have certainly heard about "Hitler". We have proved and proved again how Hitler was not only a man of peace, but also that the so called holocaust never happened. In order to understand why Hitler has been blamed with all he has, you have to look at the opposite direction, at Joseph "Jughasvili" [In Georgian: son of a Jew] Stalin to really understand the reverse psychology and blame they throw at Hitler, to cover up the crimes of the red beast.

The Jews as they always do, like what they blame on Satan, being themselves exactly what they say others are in a negative light, project this in history and so on so forth, in all frontiers and areas of existence. The point of this Sermon series is to show step by step this horrendous personality, which plagued the earth with its existence and caused over 40 million deaths worldwide, many of which you have never been told about. They project all they do to the other side, as always, to cover up their own atrocity.

All most people know about this kike monster is that it was a Dictator of the USSR. Upon further research, much more information can show up, directing one to the nature of this vile individual.

From reports and historical facts, we know this Jew was not only overly sickly (had a deformed hand shorter than the other and malformed, was exceptionally short, had marks on his face from diseases, let alone his ugly look and stare [which is a reason why it had its photos retouched], the second and third toes were webbed on its left foot and so forth) but through lies as all Jews do, tried to hide the sources of all the evidence that he was a Jew. For instance, for his deformed hand, he mentioned many stories, one of which included how he was struck by a horse drawn carriage, or that he had an accident. He tried to hide the source of his deformities which were from his Jewish genetics. He later changed his name from "Joseph Yughasvilli Stalin" to "Joseph Stalin". Also, he always did run under many different surnames and fake names, by the time he was fighting his way up to the top of the Jewish Communist Party.

Not only these though were the lies of this Jew. Like any other pathologically lying Jew, Stalin even lied about his birthday. Wanting to hide all information about his Jewish heritage and bloodline, he invented all sorts of lies and tried to erase all information in regards to himself. In all his life, he did run under fake names and aliases. The so called 'Atheism' [Which is nothing but the end result of Christianity] and Jewish Communism, knew all along the importance of birthdays. For that reason Joseph Stalin forged his birthday many, many times, as to hide his astrological chart for one and generally his background information. By doing this, all he said would be true as there would be no conflicting information.

Stalin himself had said and proclaimed his own birthdate being 18th of December. However after his coming to power, he changed this to December 21st [typically to tie in himself with the energetically powerful energies and points of the month and date. Though it was finally found by his birth certificate, that he was born on December the 6th. This shows the Jewish disrespect and hatred over the Gentile God, Satan, of whom they tried to steal the date. December 23rd is the holy day of Satan and this kike tried to put its birthday [Day of glorification, as thus the day he received positive energy from attention] close to that date to exploit its power.

The reason "Jughasvilli" changed his name was evidently, as to protect himself from occult attacks

as many require the use of the name of an individual. By hiding behind aliases, he tried to secure himself from this. Those with deep knowledge of the occult know the USSR was filled top to bottom with all this knowledge as to secure, protect and further the 'legacy' of the jewish red beast. The jews were actively involved in the occult, while the populace was pressed down in an atheistic belief system of death, leaving them powerless. With the monopoly of the guns, the spiritual powers and the state powers, Stalin and his devout followers slowly rose to the top where they tortured and destroyed anyone as they saw fit.

Also, he was mentally perverted, socio-phobic and psychotic as a large portion of the jewish race.

Reports say he was hooked on drugs, shoot pornography, slept with a different woman each night and so forth [although he was married 3 times and all his 3 wives were jewish], using brutally his power to please its own self. He was also problematic in many other departments of the mind, such as he wanted severely attention on himself, to feel like someone, to be respected- but all these on the negative and criminal point. The so called 'clapping experiment' in which people had to clap and clap after the speeches of this kike, whomever stopped clapping first was instantly killed. The clapping went on for hours as people did not want to lose their lives. Eventually someone stopped and then...

They would die. Many times more were killed and not only the person that stopped. Gentile life meant nothing to this kike dictator.

Stalin was also, studying to become a priest, at Orthodox seminary of Tiflis. Which blatantly shows how he was tentative to get into the Christian/church jewish structure, as he knew there was much power within. Meanwhile, he was a devout Marxist and avid follower of these left winged, jewish philosophies. All it did was help its genetic relatives. Though, he left and never completed his university/college and went off to do more important things, such as gangsterism, terrorizing and so forth. As an early member of the pre-communist party [Russian Social-Democratic Labour Party], he had to follow the party flow to get upwards in the ranks.

He did not use his real name and avoided it as much as he could, using a surname and many others, namely "Koba". The upping in the ranks happened through robberies, assaults, assassinations, murders of distinctive Russian commanders, figures and so forth. Using as an excuse for the deformed arm [passing it down as an accident] this cowardly jew never served in the military for the WW1 [While Hitler had one of his most difficult times at the same age, getting almost blinded, fighting in frontlines, numerous injuries etc] and took the coward way out. Nevertheless, this jewish 'gangster' pretended he was some sort of overly powerful and many, deserving of respect individual- only from a later on position of power.

But how he gained his power and positions? This can be easily explained.

At 1902, he worked on a Rothschild owned factory, in whom I presume he made his connections. As its know, the Rothschilds and other jews funder the so called "Russian Revolution" to quadruple their winnings and fill their pockets once their jewish friends like Stalin had the wheel of the country. In Russia after the revolution, being a jew was by hundreds of times a title of 'Honor' with all the entitlements over the native Russian populations. "Equality" at its best. After all, didn't the jews promise equality? 40 million Russians died, yet you see no reports of anything bad for jews. They had made their safe haven in the Russian beast, ready to further their advances to other countries.

First of all, Stalin had a strong inner rivalry with Lenin [all along]. Lenin, exploiting the disasters hitting Russia after its loss on the war, promise people castles in the skies. Stalin, from his early age crimes was put in exile, and then, got his false papers, he travelled back to Tiflis and joined the Bolsheviks under Lenin. Even though his views in the beginning were very different from Lenin, who was also a jew, he hid these beliefs but these were the reason Stalin later had Lenin

assassinated. Though, he was threatened that he would exit the party once an ideological pamphlet he had wrote was found out, named "Credo". When it was found out, Stalin killed by shoot-ing all those who had read this paper he had published. Typically jewish cunning be-havior, he was once back in alignment with the jew Lenin. Anyway, back to Stalin joining the Bolsheviks. When Stalin entered the Bolsheviks, he had to somehow climb the ladder.

In the midst of chaos in Russia of 1905 (people fighting on the streets and so forth, Russia after WW1 was a total wreck) he had an army of Bolsheviks, who were armed and with whom he started doing roberries [worsening far more the country situation after war and also, spreading that the war was worthless- Stalin was sent in exile over 7 times for his crimes, escaped 6, caught in the 7th and then got a bail-out- such a 'pa-triot'], stole equipment for printing and many other things as to gain physical power. This had to happen in a series of kidnappings, robberies, murders, propaganda and so forth. In order to counter the Mensheviks (the "enemy" party of the Bolsheviks, false opposition, two sides against the middle jewish game) all sorts of rallies, crimes and armed parades happened. Through a series of black propaganda, smear campaigns and other games of cunning, the party of the Bolsheviks slowly gained ground over the Mensheviks.

The robberies and filthy actions continued, until he made such a big fortune that made his expelling from the Bolshevik party impossible. In a rushing manner, escaping arrest and captivity over and over, he became a crime overlord, who has built his fortune and association over murder, oppression, blackmailing, behind the scenes criminal activity and more of it. Many of his close associates whom he later appointed in the USSR central political force were jewish perverts and mass murder-ers like him. The main way the Leninist/Bolshevik party raised money was due to robberies, as they did nothing else. Stalin himself did not work or had jobs that re-quired no work. He just drifted off life, living from money either from 'friends' and party members. He never even had to work to live itself. Mainly, the Gentile populace and ordinary citizens payed the price of the Mensheviks and Bolsheviks [Both jewish run and operated frontiers, sides of the same coin].

One of his infamous crimes in association with Lenin, was the 1907 Tiflis robbery. Stalin with his robbing gang, ambushed a convoy in Yerevan, they stole the money which was equal to 3.4 millions in dollar terms, killing 40 people with gun and bombs, leaving 50 injured, including cops and others. Meanwhile nobody from his own gang died. He gave this money to Lenin and Lenin was escorted aswell, never to be caught or judged for the crime. Two days later, he escorted itself and its family to the town of Baku. As we see he had zero respect of human life. His criminal life start-ed early on, very early on, in his teenage years.

Subject: Concerning "Materialism" and Important Info

I am writing this in response to something I witnessed earlier and this really needs to be addressed, but first, please note that within 2-3 more days, I will be posting the Solstice ritual to all of the JoS e-groups and forums. It is of extreme importance for everyone to join in on this, regardless as to whether you are new or along time member.

"Xian" = Christian for those who are new and the X is there to cross out "christ." "Christ" is nothing more than foul excrement.

As for the sermon:

I notice so many people falling into traps. The Jew creates the problem and then pushes the solution. One major trap is that of materialism. The Jew takes everything that makes life meaningful and pleasurable and then works relentlessly to destroy it. Ownership of material things makes life meaningful and is pleasurable. So, the Jew pushes this and corrupts it on the one hand and on the other, the Jew pushes for rejection of the material. This is done by incessant pushing and promoting materialism to the exclusion of all else and the underlying message here is to own nothing. The nazarene is then held up as a pristine example- the professional parasite never owned anything, and lived off the charity of those who did, all the while condemning them. The nazarene was a most arrogant character who never showed any gratitude or appreciation for anything. He felt it was owed to him. Though that foul scum is a Jewish invented fictitious archetype, he is pushed on the Gentile populace as an example. He is the perfect communist.

Everything the Jew pushes and abuses is designed to destroy any and all freedoms. No one owns any personal property under Jewish communism. Jewish communism is a slave state where every Gentile citizen becomes the property of the state and has no freedoms or rights whatsoever. This is all laid out in the judeo/xian bible, which is a blueprint for communism. The Gentile populace becomes disposable slaves, working for the Jewish parasite. Satan/Lucifer has always stood for rebellion. Rebellion is a serious "sin" and is "evil" in the bible. Perfect slaves do not rebel or even complain.

There is absolutely nothing wrong with owning material things or enjoying them. People fall into the Jewish traps with believing adages such as "money is the root of all evil" yet you don't hear any Jews saying this. This sort of thing is for Gentiles. The bible preaches that poverty and suffering are virtues. Poverty is a virtue so that all wealth can be in the hands of the Jews. Suffering is a biblical virtue and is necessary so one again can be the perfect slave, endure endless and most savage abuse, and never complain. A wasted life. The Jew owns everything, all material wealth, and also the slaves. This is why they corrupt and push materialism in unhealthy ways to the extreme. They want a backlash, where they own everything and us Gentiles own nothing and along with owning nothing, become the property of the Jews.

If everyone would look deeper, it is the abuse, disrespect for, and lack of any appreciation that is the problem, along with imbalance in the way of taking things to an extreme, which is what the Jew does. The Jew takes certain aspects of our freedoms...money, sex, pleasure and pushes these to an unhealthy extreme, creating imbalance. The end result is total loss. Nature in her ecosystem works for a healthy balance. When nature gets out of balance, disaster ensues.

Nowhere is a most blatant example of Jewish operation than with Gay Rights:

http://web.archive.org/web/20130411154310/http://gblt.webs.com/Enemy_Control.htm

Gay rights from top to bottom is controlled by Jews. What they do is work to push and take this to an extreme on the one hand and as the Jews control both sides, they work against it on the other. One the other side, they work for establishing Old Testament laws as is with Jewish communism. Gay in the gulag. There are no sexual freedoms in any communist countries. Even heterosexuals holding hands or kissing in public in communist North Korea can get not only the couple, but their entire families thrown into slave labor concentration camps.* These are the real death camps where very few ever survive.

Most are worked to death under the most hideous conditions, starving and then are disposed of. This is the Jewish paradise...disposable slave labor.

*Nothing to Envy: Ordinary Lives in North Korea by Barbara Demick

Don't fall into their traps! When everyone is on to their tactics, they can no longer succeed in destroying our freedoms. Money, personal ownership, sexual freedoms and everything else they work to destroy, always remember...they push these to an unhealthy extreme, creating the necessary imbalance needed to create a backlash to where people are duped into gladly giving up their precious rights [which many fought for and died for in brutal bloody wars], and unknowingly sacrificing to restore balance- what they believe is balance. The justice system is another example. The justice system is dominated by Jews from top to bottom. By allowing crime to get so out of hand and letting violent offenders off the hook and relentlessly pushing injustice [corrupting the justice system to where it is no longer even functional], this creates the trap for people to give up their rights for ultra-strict laws, where no one has any rights as is with Jewish communism. This is also laid out in the judeo/xian bible. Turn the other cheek, walk the extra mile, let everything go to shit. Gentiles have always fought for the Jewish interest and their wars while the Jews just look on and grin. Another Jewish tactic is creating endless arguments so that nothing ever gets done in the way of ending a problem or securing a solution.

Satan/Lucifer stands for freedom and rebellion. We must always respect our freedoms and be ready to fight for them. If we do not fight, these will be taken away. Respect and care for what you own. Our inner serpent makes us aware in the way of having respect for valuable life and an appreciation for things. Everything that is positive and healthy in life, the Jew takes, abuses and pushes to an unhealthy extreme in hopes of creating a backlash to their Old Testament; their Torah. Torah is the author of pain and misery. The torah is their root, their power over us and their protection. Everything you have and own, the Jew is working to take away from you. This also extends to your soul. Satan brings us the necessary knowledge and enlightenment to where we are aware of and onto their tactics and can no longer be duped into falling into their traps.

Subject: Important 666 Summer Solstice Ritual 2014			

Group Ritual for Sunday, 22 of June 2014

The ritual can be performed any time after midnight, your own local time Sunday, the 22nd of June.

The words below are to be vibrated. By vibrating these words, this will remove another powerful biblical curse. The more people we have who will be doing this ritual, the better, as there is both strength and power in numbers. This ritual is the third of a series of rituals of which we will be doing similar each month or in some cases, twice a month in harmony with planetary energies. We are removing the

weapons from the enemy's hands. The effects of this ritual will result in full power for us Gentiles.

Practice the words [I have included an mp3 of the words for you all to download], as much as you can before performing the ritual.

Sunday 22 June 2014.

You can perform the Raum meditation to raise your powers before performing the ritual.

If you are experienced and already have a meditation that works effectively for you that raises your energies, then use whatever works best for you.

Vibrate RAUM

- RRR into your base chakra [be sure to roll the R's]
- AHH into your sacral chakra
- UUU into your solar plexus chakra
- MMM into your heart chakra
- Now, vibrate RRR into your heart chakra [be sure to roll the R's]
- AAAH into your throat chakra
- UUU into your 6th chakra
- MMM into your crown chakra.

The above is one round. Do several rounds. It is best to do 13 rounds, or a multiple of 13.

Vibrate EEEE focusing on the right side of your body and immediately follow by vibrating OOOOH focusing on the left side of your body [going back and forth], 40 times.

For example, vibrate EEEE focusing on the right side of your body [torso], then immediately vibrate OOOH focusing on the left side of your body. That is one round. Then, immediately vibrate EEEE on the right, then immediately vibrate OOOH on the left. That is the second round. Do 40 rounds of vibrating I then O using a Satanic rosary. A Satanic rosary is used so one is not distracted when vibrating high numbers of repetitions, by trying to keep count. This is not mandatory, though. If you do not have a Satanic rosary, use anything that works.

The I vibration, pronounced as EEE, is pronounced as the long American English E, as in the American English words SEE, TEA, and ME.

The OOOH vibration is the American English long O, such as in the words HOLD, and NO.

Following the completion of the above, vibrate E-A. Vibrate E, pronounced AY, as in the American English words MAY, SAY, DAY; focusing on the front of your body, and then AHFFF, focusing on your entire spine.

For example, vibrate AAAAYYYYY, focusing on the front of your body- just your torso, then immediately vibrate AAAH focusing on your entire spine. That is one round. Then, immediately vibrate AAYYY on focusing on the front of your body, then immediately vibrate AAAH focusing on your entire spine. That is the second round. Do 40 rounds of vibrating E then A using a Satanic rosary.

Following this, vibrate RAUM into your entire aura 7 times.

This meditation empowers the entire soul. The heart chakra is a connector and energy vibrated into it from below will then connect to and transfer into the upper chakras in the second part of the meditation. Just be aware, this is exceptionally powerful and you will definitely feel it the very first time.

This is a powerful meditation to use both before a formal ritual or any informal working.

RITUAL:

INVOCATION TO SATAN:

In Nomine Dei Nostri Satanus, Luciferi Excelsi.

In the Name of Satan, Ruler of the Earth, True God, Almighty, and Ineffable, Who hast created man to reflect in Thine own image and likeness, I invite the Forces of Hell to bestow their great power upon me. Come forth to greet me as your Brother/Sister and friend.

Deliver me O Mighty Satan from all past error and delusion, fill me with truth, wisdom and understanding, keep me strong in my faith and service, that I may abide always in Thee with Praise, Honor and Glory be given Thee forever and ever.

Vibrate the following words below 9 times. What this means is vibrate each of the words below, every word from the first word to the last. That is one time. Then, vibrate the same again and again until you have done this 9 times.

MAHT-OHT-AHM-TEH • NOHR-HAH-AH • AYT-HAM
AHL-VEE-IVE • MEEN-EEN-AHT-LUH • UUY-HEEY-IVE UUUH-AYT-HAM • SHEEE •
UUUKH-EEL-SHAHY-IVE

After vibrating the above paragraph 9 times, state with conviction 9 times:

Vibrate AUM

All obstacles are totally, permanently, and completely removed!

Satan is fully empowered!

Satan has Supreme and Invincible Power

Satan's Supreme and Invincible Power is Forever!

Vibrate AUM

[*All of the above together is one round]

HAIL SATAN FOREVER!!

End of Ritual

Key to pronouncing the words correctly:

- AH as in the American English word father
- AY as in the American English words day, say, made
- EE as in the American English words seek and week
- EH as in the American English words pet, set, and let
- I is in the American English words eye, sigh, tie, might.
- KH is guttural and the sound is made in the back of the throat
- OH as in the American English words oh and go
- R's should be rolled
- UH as in the American English word cut and tub
- UU as in the American English words sooth and tooth

Subject: What Now?			

What Now?

Life In The Jew World Order

Something a lot of people note is the level of stupidity in our society. However I don't believe people are naturally stupid. But what we are seeing is the environment effects of society and its not in many cases stupidity more then general apathy.

Our world is under a Jewish spell and it goes across so many level a book would be needed to document them all. Let us look at a few.

Our school system is designed by the enemy Jews from the churches to the Jewish oligarchies like Rockefellers. To create the same system we have in religion. Shutting down the centers of consciousness that rule personality and creative thinking. It teaches pointless loads of garbage in a garbage in, garbage out model. What to think always. Never how to think. And its designed to run contrary to how the human mind actual works and learns information. They make people neurotic with low self esteem on purpose. Which creates a cycle of personal misery for all trapped in its system. Some are too dull to pick up on it. Others are not.

School is not about the Pagan model of creating a spiritually enlightened being. But a dronetard, that will sit in a box or work in a line putting things in a box. With a mind in box with a kosher tax seal on it. Its made to create the conditions to maintain this Jewish, neo-feudal, globalist regime. Keeping the Goyium on the most bestial level of consciousness.

People are eating processed Franken foods that dull the mind and numb the nervous system. And many are under the spell of enemy religion. The whole effect of the Jewish created propaganda sphere has terra formed the human races that built great civilizations and come from Gods, into dulled down, zombies.

When they get sick from such and the environmental pollution of Jewish owned global corporations. They are purposely given medicine they can't afford that does not work but keeps them alive enough to clean out their families pockets. And in many cases makes them worse. This is the same medical system that prescribed cigarettes which killed half a million Americans a year alone. Which is great for the Jew run medical-pharmaceutical complex. Give them all kinds of cancers with the so called cigarette cure. The Jewish created and run FDA exists to keep cancer cures out of business so the Jew can keep doing criminal business.

How much pollution and war and exploitive regimes could be avoided if the Jews had not crushed Free Energy for a century so they could create fossil empire and dominate the world with controlling resources. Starting with Tesla who they ran out of town for creating Free Energy for the world even automobiles and further forced into utter poverty and social rejection when he refused to build massive terror weapons that could murder millions of innocent humans for Big Jew. In the end Tesla was murdered with his dreams stolen and broken by Jews like so many billions of humans on this world.

Our society within this has been designed by Jews to exhaust and rob people by keeping them in a constant struggle just for survival daily. The money is gone as fast as the paycheck is issued and the debts and cost of living always rise. Keeping the Goyium in the hamster wheel of a socially Darwinistic struggle to just exist. At the end of the day if they still have a place to live. Many just flop on the chair and barely have energy to turn on the tv. Which just numbs them and programs them further.

This social order traumatizes people in so many ways due to its Kosher toxicity so many turn to drugs to escape the boredom and meaningless of life. Some just want to escape the pain in their life and feel something blissful for awhile and forget life in the Jew World Order. These people many times become desperate addicts who resort to sleeping in the streets and selling their bodies for survival and drugs. With the neurotic self esteem issues created in people by the Jewish propaganda causes this. We this effect in people cling desperately to the superficial and fake lives of celebrities. Wishing to be anyone but who they are. Self worth becomes about consumption and material possessions. The highest goal is being on TV and Movies or singing with auto tune on a music video. All this which assign the sole value of personal worth. Meanwhile in the most wealthiest nations on earth. People who worked their whole lives are living in tents and sewers. No one cares why should they? They are the wretched who have nothing left and are not on tv or a music video. A nation cannot survive that forgets its own humanity and leaves its own people to die in filth and despair. The Jewish effect is in full gear.

Everyday tens of thousands of children die from starvation across the planet in nations that produce enough to feed everyone. This Jew World Order system steals the food and life right out the hands of children and the old alike. And leaves them to die in garbage as garbage.

How many innocent people watched their whole families murdered and raped by Islamist's death squads created by the Jew World Order out of Israel, Washington and Saudi Arabia. In the war that started against the People of Syria. Whole towns where wiped out. At this point over a 150,000 are dead. What about the 160 million are more people killed by Jewish created and run Communist regimes. The tens of millions killed in two World Wars stated by the Jew World Order. The same Jews who are now marching the world into a third World War. To create a global slave state.

People are made to feel so powerless and demoralized they just sink into apathy and put their head down and just try to survive in the increasing bestial struggle of existence as the Jews suck the life and happiness out of the world. People in many countries die daily from wars and famines caused by the Jew World Order control systems. The Jews create these systems and prop up the foulest tyrants to oversee the exploitation and brutalization of whole populations. The never ending cycle of war, revolution, poverty and misery. Has left many people regretting they were born a human being. Which is what the Jews want.

Everyday thousands of people hang themselves, shoot themselves and throw themselves in front of trains, from roof tops and find numerous other ways to murder themselves. Rather than live another day in the misery of what the Jew World Order has made life for Gentiles.

This will continue. As it has continued. So what is going to stop it? You are going to stop this and so I am and the next loyal comrade who has pledged their dedication to the eternal order of Truth and life.

We must keep on the struggle of life in a world of Jewish created death and misery. The Jew World Order is collapsing more and more due to the efforts of so many for so long. But if we do not do our part now and tomorrow and the next day and on. Then the lives of so many comrades who struggled thought out time. Will be lost. The lives of so many innocent humans robbed by the Jew World Order will never have justice.

Do you think humans are garbage who deserve to live and die in garbage?

The Jew has stolen everything humanity needs to spiritually and materially advance and be happy.

So now the time has come for the time is now it always is. To take part in the rituals to undo the enemy power grid that has created this system and keeps it going. The equinox rituals HPS Maxine has put up with the direction of Hell must be done. Its the key to ending that which is wrong in the world.

The ritual below is very important.

June 29 Ritual

Group Ritual for Sunday, 29 of June 2014:

The words below are to be vibrated. By vibrating these words, this will remove another powerful biblical curse and turn it around. The more people we have who will be doing this ritual, the better, as there is both strength

and power in numbers. This ritual is the fourth of a series of rituals of which we will be doing similar each month or in some cases, twice a month in harmony with planetary energies.

This ritual may also be done as often as you like, and is a very good cathartic when you feel anger and hatred towards the enemy. Many of the words below are guttural. This means many syllables are vibrated in the back of the throat. Just do the best that you can. Practice the words [I have included an mp3 of the words for you all to download], as much as you can before performing the ritual.

Please perform the Raum meditation to raise your powers before performing the ritual. There is a link to an mp3 for the RAUM vibrations below. If you are experienced and already have a meditation that works effectively for you that raises your energies, then use whatever works best for you.

Vibrate RAUM

RRR into your base chakra [be sure to roll the R's]

AHH into your sacral chakra

UUU into your solar plexus chakra

MMM into your heart chakra

Now, vibrate RRR into your heart chakra [be sure to roll the R's]

AAAH into your throat chakra

UUU into your 6th chakra

MMM into your crown chakra.

The above is one round. Do several rounds. It is best to do 13 rounds, or a multiple of 13.

Vibrate EEEE focusing on the right side of your body and immediately follow by vibrating OOOOH focusing on the left side of your body [going back and forth], 40 times.

For example, vibrate EEEE focusing on the right side of your body [torso], then immediately vibrate OOOH focusing on the left side of your body. That is one round. Then, immediately vibrate EEEE on the right, then immediately vibrate OOOH on the left. That is the second round. Do 40 rounds of vibrating I then O using a Satanic rosary. A Satanic rosary is used so one is not distracted when vibrating high numbers of repetitions, by trying to keep count. This is not mandatory, though. If you do not have a Satanic rosary, use anything that works.

The I vibration, pronounced as EEE, is pronounced as the long American English E, as in the American English words SEE, TEA, and ME.

The OOOH vibration is the American English long O, such as in the words HOLD, and NO.

Following the completion of the above, vibrate E-A. Vibrate E, pronounced AY, as in the American English words MAY, SAY, DAY; focusing on the front of your body, and then AHHHH, focusing on your entire spine.

For example, vibrate AAAAYYYYY, focusing on the front of your body- just your torso, then immediately vibrate AAAH focusing on your entire spine. That is one round. Then, immediately vibrate AAYYY on focusing on the front of your body, then immediately vibrate AAAH focusing on your entire spine. That is the second round. Do 40 rounds of vibrating E then A using a Satanic rosary.

Following this, vibrate RAUM into your entire aura 7 times.

This meditation empowers the entire soul. The heart chakra is a connector and energy vibrated into it from below will then connect to and transfer into the upper chakras in the second part of the meditation. Just be aware, this is exceptionally powerful and you will definitely feel it the very first time. This is a powerful meditation to use both before a formal ritual or any informal working.

RITUAL:

INVOCATION TO SATAN:

In Nomine Dei Nostri Satanus, Luciferi Excelsi. In the Name of Satan, Ruler of the Earth, True God, Almighty, and Ineffable, Who hast created man to reflect in Thine own image and likeness, I invite the Forces of Hell to bestow their great power upon me. Come forth to greet me as your Brother/Sister and friend.

Deliver me O Mighty Satan from all past error and delusion, fill me with truth, wisdom and understanding, keep me strong in my faith and service, that I may abide always in Thee with Praise, Honor and Glory be given Thee forever and ever.

Vibrate the following paragraph of words 9 times. What this means is vibrate each of the words below, every word from the first word to the last. That is one time. Then, vibrate the same again and again until you have done this 9 times.

AHKH-AHR-UHB YAY-EHV AHKH-EHM-USH AHL-U-DAHG-AH-AHV
AHKH-KHEHRR-AHV-AH-AHV LOHD-AHG OIG-UHL
AHKH-SEH-EH-EHV

UUKH-UH-R-VEEN-UHV ROH-AH AHKH-LUH-EHL-AHK-MUU
AHKH-AYKH-RAHV-UHM AHKH-RAHV-AH-AHV

After vibrating the above paragraph 9 times, state with conviction 9 times:

Vibrate AUM

Those who bless Israel will be cursed

Those who curse Israel will be blessed

Vibrate AUM

[*All of the above together is one round]

HAIL SATAN FOREVER!!

End of Ritual

Key to pronouncing the words correctly:

AH as in the American English word father

AY as in the American English words day, say, made

EE as in the American English words seek and week

EH as in the American English words pet, set, and let

KH is guttural and the sound is made in the back of the throat

OH as in the American English words oh and go

OI as in the American English words boy and toy

R's should be rolled

UH as in the American English word cut and tub

UU as in the American English words sooth and tooth

Subject: VERY IMPORTANT- 29/JUNE RITUAL AMENDED

Several members brought this to my attention- the affirmations must also be in the present tense. I amended this below, BUT- given the scripture is in the future tense, they must also be stated in that exact tense as well in

order to reverse the curse.

I also amended the statement on the pdf copies and the web pages. In addition, Mercury being retrograde right now is the best time to reverse that filth.

Thank you to everyone who brought this to my attention.

Pope says communists are closet Christians

http://www.reuters.com/article/2014/06/..._L020140629

Reuters) - Pope Francis, whose criticisms of unbridled capitalism have prompted some to label him a Marxist, said in an interview published on Sunday that communists had stolen the flag of Christianity.

The 77-year-old pontiff gave an interview to Il Messaggero, Rome's local newspaper, to mark the feast of Saints Peter and Paul, a Roman holiday.

He was asked about a blog post in the Economist magazine that said he sounded like a Leninist when he criticized capitalism and called for radical economic reform.

"I can only say that the communists have stolen our flag. The flag of the poor is Christian. Poverty is at the center of the Gospel," he said, citing Biblical passages about the need to help the poor, the sick and the needy.

"Communists say that all this is communism. Sure, twenty centuries later. So when they speak, one can say to them: 'but then you are Christian'," he said, laughing.

Since his election in March 2013, Francis has often attacked the global economic system as being insensitive to the poor and not doing enough to share wealth with those who need it most.

Earlier this month, he criticized the wealth made from financial speculation as intolerable and said speculation on commodities was a scandal that compromised the poor's access to food.

I had planned to write a pdf on the Tarot, but never got around to it because there is always so much to do. Satan keeps us busy. At any rate, for those of you who are interested in the Tarot for divination, I recommend this book:

Tarot Plain and Simple by Anthony Louis [paperback]

<http://www.amazon.com/Tarot-Plain-Simple-Anthony-Louis/dp/1567184006#>

This is the best book I have ever come across on the Tarot in the way of divination.

The Tarot is very ancient and based upon the constellations, going back to Ancient Egypt.

When you purchase a new Tarot deck, you should feel comfortable with it, as the cards eventually become a part of you. After you bring your deck home, the cards should be wrapped in silk, satin, or other fine material to keep the vibrations in them. You should sleep with the deck under your pillow for several nights before you use your cards for the first time, as this will get your energies in the cards. Your cards should then be kept in a special pouch or card sized box. The silk or satin wrapping and pouch/box should be kept in a secure area and the materials should only be used for your Tarot. Others should never read with your cards. The cards are an extension of ourselves and are highly personal.

Serious students should keep a Tarot journal or use your black book. Reading for yourself is fine and I encourage this. This is how I learned. A suggestion is to read your cards once a week with this week in mind when you do your reading. Keep a record of the cards and after a week, see how accurate your reading was, how particular cards applied to your situation,

represented the people around you and so forth. You can also practice reading for friends and family and later inquiring how accurate you were in your interpretations.

Experienced Tarot readers psychically connect with the cards. Each of the cards can have many different meanings. The reversed positions are valid and *very* important! Reversed cards often indicate the opposite of the upright cards. Reversed cards can also indicate lesser or lighter circumstances regarding events predicted in the upright position. I have found people cards (pages, knights, kings and queens) when reversed indicate the influence of these people in the life of the subject is not right or is negative in some way.

The cards must be read as a group. Look at the entire layout. You can use any layout that suits you. Use examples in books or make your own. Most of us find we stick with a certain layout in reading for ourselves and others.

An overview of the Tarot:

There are 78 cards in the deck, 22 of which are the trump, known as the Major Arcana. There are four suits of pip cards numbering 56, wands (also known as rods, staves), swords, cups and pentacles. The tarot has always been known as The Devils Cards. $78; 7 + 8 = 15$, a number of Satan and the number of the Devil card. The 22 trump cards correspond to $2 + 2 = 4$; the number of Enki with the 56 pip cards $5 + 6 = 11$, another important number of Satan.

Ø Rods/Wands represent the element of fire and the creative principle. They represent fair people with light hair and eyes, blondes, those with fiery outgoing personalities, athletes and athletics, and people with the personality attributes of the fire element. Many upright rods in a reading indicate enthusiasm, creativity, new projects, and promising start.

Ø Cups represent the element of water and the emotional/feeling/psychic principle. They represent people with light brown hair, hazel eyes, and medium coloring, those of the personality of the water element, ones love life, feelings, intuition, psychic people. Cups are the benefic suit in the Tarot. Many upright cups indicate emotions, the love life of the subject, psychic influences, partying and enjoyment.

Ø Swords represent the element of air and the intellectual principle. Swords are the malefic suit of the Tarot and many in a spread indicate misfortune. Swords can indicate severance, pain, surgery, and actual cuts/injury. Sword people have dark hair, brown or grey eyes and fair skin. Swords represent serious personalities that are cold and business-like. Many upright swords in a reading indicate unfortunate circumstances, severance, emotional or physical pain, loss, illness, and accidents.

Ø Pentacles represent the earth element and the material principle-wealth, money, material possessions, sensuality, and security. Pentacles represent dark skinned people with black hair and brown or black eyes. People who handle and work with money such as bankers, people who work with the earth, those of the personality of the earth element and those who are reliable and trustworthy. Many upright pentacles in a reading indicate money, security, wealth, and material possessions. Pentacles indicate a secure and reliable foundation.

Ø Kings represent men over 30 years of age, the father, men in authority, and leaders. I have found kings also are a strong influence of their suit. In one reading I did, the subject asked if his material goods would be returned and the outcome card was the king of pentacles indicating a safe return of his possessions. This proved true as he did secure his belongings shortly thereafter. Kings of the pentacle suit can also indicate money coming to the subject.

Ø Queens represent women over 30 years of age. Queens represent the female mother principle. Queens, unlike knights and pages are unlikely to indicate events.

Ø Knights are young men over 18 and under 30 years of age. Knights indicate new experiences, changes and movement, and comings and goings as event cards. The events will always be indicated by the suit.

Ø Pages are babies, children, and adolescents. They indicate messages and communication. The pages represent letters, e-mail, telephone calls, and written material.

In closing, in regards to meditation- whenever you raise your powers through yoga, mantra, or anything else, it is important to state affirmations. Never let the energy go undirected or to waste. Goals are exceptionally important and give meaning to life. Go over your personal goals. You can also write your goals in your black book...short term goals, long-term goals; anything you wish to accomplish. Take one of these goals and state an affirmation right after your daily meditation. This needn't be long. You can affirm 7-10 times with focus. Visualization also is a great help using the white-gold light upon what you wish to manifest. This can also be engulfing yourself in the light of the astral Sun. Always state your affirmations in the present tense and use as many of your astral senses in the visualization as you can, such as astral smell, if applicable, astral hearing, touch and most important- vision. Visualize yourself as if it is already happening along with your affirmations. Following the affirmations is a good time for void meditation, even if only for 10-15 minutes.

Goals give a sense of purpose and direction in life and make life meaningful. Always work to finish what you start. The loser is the one who quits. A winner is the one who gets back up. The winner finishes what he/she

starts. In life, on the road to accomplishing a goal, oftentimes, especially in when working on larger more important goals, we encounter obstacles. The winner will persist in spite of the obstacles. The loser will quit. Meditation is an excellent help in breaking through and surviving obstacles. Meditation also can help give us solutions to problems that cannot be directly dealt with in the material world, such as smoothing over certain situations, dealing with others and so forth.

Subject: Re: Sermon 1/July/2014

Something I need to correct here- this sermon on the Tarot, I wrote a very long time ago, back in 2005 and I just reposted it here. 15 [6] in NOT a number of Satan. Also, the Devil card is not of Satan, but of the enemy. I learned a lot on the job over many years. Always remember what the enemy accuses Satan of; "the Devil," is really their own "god" yaweh/jehova. "A murderer and a liar from the beginning" "the deceiver."
Satan doesn't conform in any way to judeo/xian filth. "Satan" in Sanskrit means "Truth."

Also, as many of you already know; the number 666 IS of Satan and has an entirely different meaning from 6 or 66, which are incomplete numbers and numbers of bondage and slavery. 666 is perfection of the soul and is the kabalistic number for the Astral Sun; the Black Sun, which is sacred to Satan.

Ø Kings represent men over 30 years of age, the father, men in authority, and leaders. I have found kings also are a strong influence of their suit. In one reading I did, the subject asked if his material goods would be returned and the outcome card was the king of pentacles indicating a safe return of his possessions. This proved true as he did secure his belongings shortly thereafter. Kings of the pentacle suit can also indicate money coming to the subject.

Ø Queens represent women over 30 years of age. Queens represent the female mother principle. Queens, unlike knights and pages are unlikely to indicate events.

Ø Knights are young men over 18 and under 30 years of age. Knights indicate new experiences, changes and movement, and comings and goings as event cards. The events will always be indicated by the suit.

Ø Pages are babies, children, and adolescents. They indicate messages and communication. The pages represent letters, e-mail, telephone calls, and written material.

In closing, in regards to meditation- whenever you raise your powers through yoga, mantra, or anything else, it is important to state affirmations. Never let the energy go undirected or to waste. Goals are exceptionally important and give meaning to life. Go over your personal goals. You can also write your goals in your black book...short term goals, long-term goals; anything you wish to accomplish. Take one of these goals and state an affirmation right after your daily meditation. This needn't be long. You can affirm 7-10 times with focus. Visualization also is a great help using the white-gold light upon what you wish to manifest. This can also be engulfing yourself in the light of the astral Sun. Always state your affirmations in the present tense and use as many of your astral senses in the visualization as you can, such as astral smell, if applicable, astral hearing, touch and most important- vision. Visualize yourself as if it is already happening along with your affirmations. Following the affirmations is a good time for void meditation, even if only for 10-15 minutes.

Goals give a sense of purpose and direction in life and make life meaningful. Always work to finish what you start. The loser is the one who quits. A winner is the one who gets back up. The winner finishes what he/she starts. In life, on the road to accomplishing a goal, oftentimes, especially in when working on larger more important goals, we encounter obstacles. The winner will persist in spite of the obstacles. The loser will quit. Meditation is an excellent help in breaking through and surviving obstacles. Meditation also can help give us solutions to problems that cannot be directly dealt with in the material world, such as smoothing over certain situations, dealing with others and so forth.

Subject: Sermon: The Afterlife			

The afterlife has been talked and talked on again. Many have an opinion to say, but I will merely state some facts on this, to fill in what HP's Maxine has already said. If you want a non-sugar coated Sermon on this then here it goes.

All people who are psychic and have the so called 'clairvoyance' can see and feel and communicate with the 'dead'. Many of those we consider dead are not dead, just because their body is. The Ancient Texts have said the Soul has to be sustained, through the practice of meditation. Like we eat to feed the body, we have to meditate to feed the Soul. Xians and others have not the most faint clue what happens after death. Death and the afterlife are some things that like everything else, do not conform to any dogma.

In other words, the universe does not give a fuck if a grandma has been a good christian and she has been poor and all this, it just does not care. Gravity and other laws we know or do not know, literally do not give a fuck unless we have the power to overcome them. In the case of death, very few have this and it has nothing to do with 'ethics'. The enemy knows this all too well and by keeping all spiritual knowledge hidden, they can do whatever they want with someone after death, or at the best they will dissipate like they never existing, so some will not even be able to reincarnate.

I am making this real simple and will explain this thoroughly, though its not as easy to understand what one is going to experience as this has to do with the Soul. People who are unconsciously tied into christianity very strongly, will experience a different death than someone in Africa who has never heard of christianity. Whats common for both is that they will survive for some time, depending on where they died, their power in their life (as in bioelectricity and Soul energy) and on that if they will die in a place where the Earth's field will be able to sustain them. Other factors tie in like if they will be close to people who already live and are open to them and unconsciously will give them energy etc, or allow a connection. In severe cases of the above we can have possession and more of this.

So an xian who is overly believing the lie of Hell, once they die, depending on their power and other factors like inner self guilt and more, they will end up in a different place. The average astrally numb xian, will just be in a state of seemingly being 'dead' as in being totally unaware of the astral. They may have faint awareness of whats around them and this is the majority. Many people at the time of death grow scared so they haunt places as to be close to 'what they know'. Death for those of the enemy can be horrible. Their Souls/astral bodies can also be claimed by the enemy, used, diffused and be experimented upon, or just left hanging on a place...indefinitely. If one robustly believes in 'heaven and hell' in the xian sense, they can end up in neither, or their consciousness can get tied into this vortex of massive unconscious imaginations and they can experience the so called 'fire and sulfur for all eternity'.

So your belief system plays a role but not the major role. A good way to imagine this is like the conscience is stuck in seeing the same dream. These people do not know how to meditate or to defend themselves with an aura and when dead, these powers are limited as you cannot be physically existing (The Physical body slows the procedure of dissipation thats why most people reincarnate and so forth) and is more 'stable' than the astral body. You cannot change your belief systems after death or do many things spiritually, so you have to act now. Another thing is that after death, other beings more powerful can do nasty or good things to you. The enemy is renown for doing the nastiest things to Humanity, like they can consume their Souls, dissipate them or whatever their power allows them on the certain person/ at the certain occasion. Other factors tie in, like whom these people were connected once they were alive. Like a gravitational rift, the strong person can drag the weaker ones and control them and this applies after death as well.

Thing is, the 'afterlife' is not eternal and you can only live eternally afterlife by reaching a checkpoint in your spiritual advancement, of which the enemy religions provide none.

Just know that Nature works like this. Nature does NOT GIVE A SHIT IF YOU "DID NOT KNOW" OR "WAS UNAWARE" OR "YOU WAS NOT READY". Fate does her thing, nature does not give a fuck and wipes out those that do not know. And you better do your thing as well. Also, the enemy pushes philosophies that either love or accept death, or stupid 'live fast die young' shit, to send people on the other side with a sense of acceptance, which further fuels the acceptance of total in existence and dissipation of their SOUL. The Will to live is crucial in survival, both here and in thereafter. They teach people to be stupid bitches, slaves, lead on a meaningless life, serve the jew like the good 'goy' they are, according to them, and then get in their coffin- that's communism, that's life nowadays. The dead hang around like people in Soviet Russia, helpless, enclosed in fear and without anyone that can help them or guide them. This is where the enemy leads humanity. A meaningless life and an afterlife which is meaningless and full of fear.

Satan and Satanism. Where does all this tie in that? Thing is, Satan protects us after death. I have came in contact, saw and felt, experienced and associated countless times with VIP Souls from Hell, who have been with Satans for hundreds of years and other normal people who are kept there. These people are safe. When they die, they are taken by the Gods and guided to a safe haven for our Souls, they live there and the Gods sustain them. The more power we have the more people we can sustain and the more we can keep. Satan and the Gods also do their best to reincarnate other Souls who are worthy, like Atheists who lost their way and such, but they are given a third or second in the queue place than their own, always. That does not mean that if one was totally spiritually lazy or they never did a thing, they can parasitize of this help of Satan, it means because we have a friendship and brotherhood with other very higher-up beings, they can take care of us. I know and see very often people from Hell, others reincarnate, others wait and such, as there are many mechanisms into reincarnations and the such, like waiting for the right time and the right body and so forth. Satan takes care of us. I never seen an unhappy Soul in Hell, or at least in a good condition (as many have past life stuff to deal with and such). Satan takes care of his own, like he does in the walking life, in the afterlife as well.

The only 'shelter' that can be made against nature is because someone stronger than you protects you, or if you can protect yourself. Remember this.

And for the record, I have had many experiences with the dead of the enemy or the dead in general. The other time I was sitting to relax on a semi-built house and I closed my eyes for a bit. I Immediately saw a kid, as a Ghost. It did all sorts of sounds in the environment and tried to make me understand. The dead are not used to see people who can see them and hear them. It tried to contact me and I did answer back. It was a kid around 7 years old, which I cannot remember the name. The first thing he asked was "why I have so much light" and "if I can help him". He was hanging there and was very scared. Then I went away, as if you are good to any ghost you see, you will have a problem, as Ghosts mainly have their behavior and the character they had once they were alive. Ie, can be evil, neurotic, good, helpful, nurturing and such. Well, I moved away but asked Satan and the Gods to take this kid if they had some time and could. Again, its not your job, but in this occasion, this was a kid. He went on on how he died in an accident and explained to me what happened and such. You have to be cold blooded, professional and not dwell on them. There are hundreds of dead people and also in cemeteries, who can even follow you if they understand you can hear etc, as many feel very lonely.

Did the enemy give a fuck if this kid was 7 years old? Definitely not. Did nature care? Not. Satan and I did care and the Gods, as higher beings with dignity who would not let a kid roam like this. I believe Satan sent a messenger Demon to guide this kid somewhere. Satan though will not intervene in the free will of someone, especially a kid, so in such occasions they just reincarnate people and do not faith and fear monger people. Since when God would need to ask for loyalty for help and since when the Father of Humanity would forsake someone simply because they did not know or did not believe? Thats why Satan reincarnates many people regardless if they believe, except of very deep-in xians and others who have made their fate for themselves in damnation.

In closing, work on your meditations, build up your relation with Satan and you have nothing to fear. All past civilizations talked and talked again about this sort of thing, in what we need to do and what we should avoid, which was the enemy and being un-spiritual. Nature tends to keep around the Strong. The enemy passes down the propaganda that the Strong are some sort of 'supreme human beings' that are 6'7, lift weights and fuck all bitches, with a big pocket. Pure nonsense. Who is strong now? The offending xian who tells you the bullshit about some jew who will judge you according to if you sinned or some sick jewish dogma? Or you that knows the truth and the laws of Nature in this department and daily work? Laugh at these people, as Nature has her way of giving them payment, no matter where they are now.

Strength in metaphysical sense is the Strength of the spirit and its advancement. Both physical and metaphysical strength ties into this. Satan grants us the knowledge, the guidance and the protection needed. Appreciate it, because the Father of Humanity only asks of you to become a God and sustain your own self in whom He has placed his faith in. Is this too much to ask?

Subject: Shit Guevara			

Shit Guevara

Che Guevara is the much touted hero of the Liberal Humanist, crypto Marxist cult of the West. You see his ugly mug even being sold on a mug. Well what is the truth? Che's exploits from the violent thug who liked to torture and kill helpless and innocent animals as a youth to becoming a rapist who sexually abused and raped the women servants growing up. To then grow into a full sadist and blood thirsty serial murderer who lead death and torture squads across Cuba. Killing and torturing men, women and children many cases personally. And in the end Unlike the false legends of Che's end. Che didn't even die bravely he pawned his watch off the to guards to let him escape while begging them not to kill him.

Guevara's heroics are fraudulent propaganda made up by the Castro regime for icon creating purposes Castro [Castro is a common Sephardic Jewish surname and Castro was a known KGB agent so he was openly working for the Jews in Moscow just like the vast networks of Jews in America and else where in the West where] actually took Cuba by the "Miami Pact" where he sat down with anti-Baptist elites and politicians, and obtain large funds from them and then turned around and bribed the commanders of Batista's Army with such. Castro and his henchmen then started creating mythological tales of their brave struggle in combat against Batista's Army. Which never occurred and selling them to Western Media as gospel. In 1958 the Jews in Washington pulled the final rug out from under Batista by refusing to sell him arms or render any assistance. Batista without an Army left or support from Washington was forced to flee for his life and the Communists took Cuba without hardly firing a shot. The Cuban U.S. Embassy own investigation show only 182 people where killed the entire time. Che admits in his own personal diary only 20 of his own died the whole time. Proving the official story is pure mythology.

The whole time on the surface they promoted themselves as Anti-Communists but pro Democracy to gain support. Once they where in a position of victory they purged the anti-Communists from their ranks and burned the books and records of the Cuban anti-Communist league which had amassed information on over 250,000 Communists, KGB agents and their associates in Latin America. Castro as noted is working for Moscow.

After the revolution ended in January of 1959 there was no democracy installed. Castro and his

forces starting the mass executions of the enemies of the Communist ideology. As one of Che's comrades noted: "Che has downed the city in blood." A short time later Cuba declared itself a Communist state. Che became the commander of his own secret police force that were noted for executions of whole families. Which is standard Jewish Communist practice. Thousands upon thousands of innocent people were massacred by Che's forces. Scholars in the "Black Book Of Communism" put the amount killed by Che's death squads at 14,000 in the first year alone. At La Cabana which Che converted into a prison and execution grounds, it was noted many of the executed were children. One political prisoner records they watched in horror as Che personally put his pistol to the back of a sobbing 14 year old boys head and pulled the trigger, almost blowing off the entire child's head.

Che in 1960 built and opened the major Communist death camp at Guanahacabibes in which thousands were murdered, mutilated beaten and raped as normal course. Guanahacabibes was run identical to the hundreds of death camps of the Stalinist regime in the Soviet Union where tens of millions were purposely and systematically murdered in. All this which Guevara took personal pride in. Much of this was exposed in the documentary film by Néstor Almendros and Orlando Jiménez Leal. Conducta Impropria. Found Here:

Note this is where the Jews want to take America and the Western World as well. Don't buy their Cultural Marxist [PC by mainstream term] song and dance. Its a front by their own admission. To get things to a point where they can put a full Marxist dictatorship on the ground then like in Cuba the usefool idiots will be purged. Its known now the Protest Wall St movement which was secretly put together by the agents of Jewish Rothschild was an attempt at getting a Marxist revolution going in America. The same Rothschild's where the front Jewish Oligarchies of the Elders of Zion in creating Communism in the start and funding it aboard. As witnessed here:

Che Guevara: The Fish Die by the Mouth

By Humberto (Bert) Corzo*

Introduction

The saying "The fish die by the mouth", refers to those who speak more than the necessary until being fooled by their own speech. Can his mythical reputation survive the publication of his own words?

The objective of this article is to expose the truth about Che, to demystify it in the face of those who feel admiration by this mass murderer, exposing the facts based on his writings, diaries, speeches, letters and conversations with those who knew him.

Che never questioned the crimes of Stalin and Mao, nor the totalitarian conceptions of Marxism, incompatible with the ideals of liberty and democracy, defending until his death his Stalinists ideas. His fanaticism made him an implacable enemy of liberty. The French writer Regis Debray, author of "Revolution in the revolution", wrote about the Che that: "He was adept of the totalitarianism up to the last body hair."

The early years

Alberto Benegas Lynch in his book "MY COUSIN THE CHE" writes: "On one occasion, one of my aunts told me that since early age Che delighted with causing sufferings to animals and, after growing up, insisted that the death (of others) was not so bad after all and that, in this context, he was ahead of the definition of Woody Allen: "dying is the same as falling asleep but without rising to make piss." Since early age his sadism becomes transparent.

Carlos "Calica" Ferrer, one of his first friends, facilitated the first sexual relation of Che with the maid of the Ferrer family. It was made habitual for Che to maintain sexual relations with the maids who worked in the houses of his relatives and friends.

Carlos Figueroa, friend of Guevara in youthful times in Alta Gracia, says the following of Che: "I nicknamed him the Fast Rooster because he was eating in the dining room, and immediately, when the mucama (maid) enter the room he forced her to climb on the table to perform quick sex. After finished he got rid of the poor devil, and continued eating as if nothing had happened..." He used the women of lower social status as sex objects.

Che didn't show interest in the politics of Argentina during his years as a student, unlike his student friends who liked to argue about politics and participate in some way. This attitude contrasts with that of his parents and his close friend Alberto Granado who were opposed to Peronismo. He recognizes it in a letter he wrote twenty years later: "I had no social preoccupations in my adolescence and had no participation in the political or student struggles in Argentina." [1] There are no other comments, neither letters nor other evidence which makes reference to his opinion on the most important political event of Argentina at that time.

During the period that Che was studying at the University of Buenos Aires, his opinion with respect to the political militants of the left, reach us through his girlfriend María del Carmen Ferreyra "Chichina," which relates that Che had a critical stance with regards to the left-wing militants, whom he accused of "sectarian and lacking in flexibility."

First travel through Latin America

In "Notas de Viaje", his travel diary through Latin America in 1952, narrates that upon arrival in Chile he and Granado posed as medical specialists in leprology, obtaining an interview with a local newspaper where they are recognize as such, which make them popular among the population, availing themselves of said deceit to obtain free room and board. In this case like in others reported by him, his lack of honesty, when he was in difficulties, conducted him to defraud those who crossed his path. His lack of ethics and morality becomes evident.

Waiting for a ship that will take them to Easter Island Che wrote: "Easter Island... there to have a white boyfriend is an honor for the females. There, work, what hope, the women do it all, one eats, sleeps and keep them content... What would it matter to remain a year there, who cares about studies, salary, family, etc." [2] This commentary gives faith of his machismo, his discriminatory attitude against women.

Che's racism becomes evident in these comments in his travel diary: "The blacks, those magnificent examples of the African race who have maintained their racial purity thanks to their lack of an affinity with bathing, have seen their territory invaded by a new kind of slave: the Portuguese. The contempt and poverty unites them in the daily struggle, but the different way of dealing with life separates them completely; the black is indolent and a dreamer; spending his meager wage on frivolity or drink; the European has a tradition of work and saving, which has pursued him as far as this corner of America and drives him to advance himself, even independently of his own individual aspirations." [2] The movie "The Motorcycle Diaries" omitted this inconvenient observation in the Che's diary.

Is ironic his remark about blacks with regard to the bath, since his personal hygiene left much to be desired. When young he earned the label of "el chancho" (the pig), since he seldom bathed.

Enrique Ros in his article "Che Guevara: His questionable medical title" writes: "In December, in less than 22 school days, he pass eleven subjects. Fifteen, almost half of the courses needed to acquire a doctorate, examined and passed in just three months, without having attended classes or practices throughout the year with the probable exception of the last few weeks.... Ernesto Guevara de la Serna would have to had attended 25 hours a day! in each of the 66 school days of October, November and December 1952 in order to fulfilled the academic requirements of the curriculum of 1937 in force in 1948 when he enrolled at the School of Medicine at the University of Buenos Aires.... Faced with these new contradictions I requested a copy of the academic record of Ernesto Guevara.... I was informed that the Faculty of Medicine could not offer me a copy because the academic record of Ernesto Guevara de la Serna had been stolen." Being Che an amateur photographer is inconceivable that no photos of the graduation exist, nor testimonies of doctors graduated with him or any other proof of his graduation. It looks that his graduation as a doctor is another myth about him.

In August of 1953 from El Cuzco he wrote to his mother that in the eight days they were there, "El Chanco bathed once and by mutual agreement, for health purposes only." [1]. Guevara in his Bolivia's diary in September 10, 1967, writes: "I forgot to emphasize a fact, today, after just over six months, I shower. It is a record that many are already reaching." His Cuban comrades, because of his lack of personal hygiene, nicknamed him "ball of filth."

In "Notas de Viaje" he wrote the following comment that he called "Notas en el Margen": "...and I know, because I see it printed in the night, that I, the eclectic dissector of doctrines and psychoanalyst of dogmas, howling like possessed, will assault the barricades or trenches, will stain in blood my weapon and, mad of fury, will slit the throats of any defeated who fall into my hands... And I feel my nostrils dilated, savoring the acrid smell of gunpowder and blood, of dead enemy; now I tense my body, ready for the fight, and I prepare my being as a sacred place so that it resurrects with new vibrations and new hopes the bestial howling of the triumphant proletariat. [1] This young person, egocentric and presumptuous, in this commentary expresses his rhetorical and ideological violence. This inconvenient comment too was omitted from the movie "The Motorcycle Diaries."

Second travel through Latin America

In his notes of the second travel, July of 1953 in Bolivia, he narrates the following : "When carrying all our luggage we were going to climb to second class, an employee of investigations confronted us and after some lobbying he proposed us to climb to first class and

arrive free to Cuzco with the badges of two of them, which of course, we accepted. Thus we traveled comfortably in first class giving the guys the amount of the price of second class." [3] Here it remains very well reflected his moral weakness, his lack of austerity

Upon arrival in Costa Rica, he writes down the following: "I stayed outside with a young black woman that I picked up, Socorro, more whore than the hens, with 16 years on her back." Guevara makes his contempt for women clear and his latent social resentment is made evident once more time.

December 10, 1953, he wrote to his aunt from San José, Costa Rica, "In el Paso I have the opportunity to pass through the dominions of the United Fruit, convincing me once again of just how terrible these capitalist octopuses are. I have sworn before a picture of our old and mourned comrade Stalin that I won't rest until I see these capitalist octopuses annihilated." Another letter to the same aunt was signed with the words "Stalin II."

Even more important was the fact that when Guevara visited the USSR in his capacity as one of the leaders of the Cuban revolution in November 1960, insisted on placing a floral tribute in the tomb of Stalin, ignoring the recommendation of the Cuban ambassador Faure Chomón (one of the survivors of the Directorio Revolucionario that attacked the Presidential Palace). It is important to keep in mind that this occurred more than four years after Khrushchev's revelations of Stalin's crimes.

During most of his life Che Guevara did not have a steady job, and depended on his mother, his sister Celia and her aunt Beatriz, who used to send him money, and other women in his life, to assist him in obtaining employment and also in the payment of his debts. Jon Lee Anderson in his biography of Che relates the following cases: "To help him in his quest to obtain a medical post, the well connected Hilda Gadea introduced him to some high-level government contacts of her.... The main contender for Ernesto's attentions in February and March of 1954 was a nurse named Julia Mejia. She had arranged a house at Lake Amatitlan where Ernesto could go and spend the weekend. Soon, they were having a casual affair..... In March, Ernesto's situation changed very little. Hilda paid off part of his pension bill, and Julia Mejia got him a job interview in the eastern Petén jungle..... With some jewelry Hilda gave him for the purpose, he paid off part of his pension bill..... Right away, he found a night job unloading barrels of tar on a road construction crew. He worked a second night....It was the first sustained stint of physical labor he has ever done."

In July Che wrote in his diary in reference to Hilda, "What did affect her was that I confessed about the fuck with the nurse." [3] In August a friend of Gualo Garcia's arrive in Guatemala in one of the planes that came to pick up the Argentine exiles, bringing 150 dollars sent by Che's family and he gave it to him. Che writes in his diary that they also sent him, "two suits, 4 kilos of yerba and a mountain of stupid little things." [3]

Che goes away with Hilda to San Juan Sacatepéquez in a good-bye trip, and he describes the following in his diary: "today, I dedicate it to bid farewell to Guatemala with a short outing to San Juan Sacatepéquez with a profusion of fondles and superficial screw." [3]

"Nineteen fifty-five began with little change for Ernesto. For the moment, his reality remained that of a young Argentine vagabond"...."the fact that Ernesto now needed Hilda again for the occasional loan" and, as he has written in his diary, to satisfy his 'urgent need for a woman who will fuck.'" [1]

In this vagabond life that he adopted by his own choice, he is shown to us as a cruel, harsh, irresponsible and one that take advantage of the women who had helped him during this period of his life, whom he considered of weak personality, and allowed him "to live without working"

Those who attempt to present Che as a philanthropist of firm Christian values, the answer is given to them in this excerpt of the letter he wrote to his mother on July 15, 1956 from a Mexican prison:

"I am not Christ nor a philanthropist, I'm quite the opposite of Christ, and philanthropy seems to me something of....(illegible word), I fight for the things I believe in with all the weapons at my disposal, and try to leave the other dead to avoid myself to be nailed to a cross or anything else."

In a letter to Tita Infante, in October of 1956, he comments to her: "Of course, all the scientific works went to hell and now I am only an assiduous reader of Carlitos and Federiquito (in reference to Karl Marx and Frederick Engel) and other itos.... On the other hand I will tell you that I have a group of kids in the sixth year grade dazzled with my adventures and interested in learning something about the doctrines of San Carlos (euphemism for Karl Marx).... My free time is dedicated to an informal study of San Carlos' doctrines." In this and other letters it becomes evident the Marxist formation of Che, and in this case also the use of the Marxist doctrine in the "brainwashing" of the children with political purposes.

Pedro Corzo in the documentary "Anatomía de un Mito" relates his conversations with Miguel Sanchez, el "Coreano", responsible of the military instruction of Castro's Granma expeditionary force in Mexico in 1956. El Coreano affirmed that "Che always had problems with the blacks and despised them just like the Indians of Mexico", to which he referred as "the illiterate Indians of Mexico." Che shows his racist face again.

Bloodthirsty in Sierra Maestra

The rebels finally got ready for the attack, leaving Osorio behind in the custody of two men. "The orders were to kill him the minute the shooting started," Che wrote matter-of-factly, "something they obeyed with strictness." [2] The execution took place in the early hours of January 17, 1957 when the shooting began.

Hilda Gadea, the first wife of Che, published in her book "Ernesto: A Memoir of Che Guevara in Sierra Maestra", the letter that him send to her dated January 28, 1957, in which his sadistic and violent disposition can be appreciated in this phrase: "Dear Old Woman: Here in the Cuban jungle, alive and bloodthirsty, I am writing these ardent lines inspired by Martí."

February 18, 1957 the rural guide Eutimio Guerra, accused of passing information to the enemy, is prosecuted by the rebels and sentenced to death. At the moment of the execution, his companions were undecided to shoot him, and that's when Che stepped forwards, draws his pistol killing Eutimio with a shot in the temple, describing the act in his diary of the Sierra Maestra: "...I ended the problem giving him a shot with a 32 (caliber) pistol in the right side of the brain, with exit orifice in the right temporal. He gasped for a little while and was dead. Upon proceeding to remove his belongings I couldn't get off the watch tied by a chain to his belt, and then he told me in a steady voice farther away than fear: "Yank it off, boy, what does it matter.... I did so and his possessions were now mine." [1]. Later Che will write in his diary: "...to executes a human being is something ugly, but exemplary. From now on nobody here will refer to me again as the tooth-drawer of the guerrilla." In a letter to his father referring to this execution he writes: "I'd like to confess, papa, at that moment I discovered that I really like killing."

Marcos Bravo, leader of the Movimiento 26 de Julio, in his book "La Otra Cara Del Che", narrate that a 17 years old government soldier, captured and interrogated by Che, answered: "I haven't killed anyone, comandante. I just got out here! I'm an only son, my mother's a widow and I joined the army for the salary, to send it to her every month...don't kill me!." "Don't kill me! -- why?," Che replied. The young soldier was tied up in front of a recently dug pit and shot.

In April the chivato (informant) Filiberto Mora was trick and apprehended by the rebels, and Che wrote in his diary: "The man, Filiberto, has been deceived, but the minute he saw Fidel he realized what was happening and start to apologize."..."The chivato was executed; ten minutes after given him the shot in the head I declared him dead."

In late May two soldiers in civilian clothes, who were spying around the sawmill of Uvero, were taken prisoner. We determined to execute them before the attack to the garrison of the army in the Uvero. Che wrote in his diary: "The tomb was dug for the two informant guards and the marching orders were given. The rear guard executed them."

In September Enrique Acevedo, a fifteen year old who has joined Che's column, wrote in his diary: "At dawn they bring in a big man dressed in green, head shaved like the military with big mustaches: is Cuervo, who is stirring up trouble in the zone of San Pablo de Yao y Vega la Yua. He has committed abuses under the flag of the July 26....Che received him in his hammock The prisoner tries to give him his hand, but doesn't find a response. What is said doesn't reach our ears, even so their words are strong. It seems to be a summary trial. At the end he sends him away with a contemptuous gesture of his hand. They take him to a ravine and execute him..."

After the execution, Che moved off toward the area near mount Caracas in an operation to clean up the armed band commanded by the Chino Chang that operated in this zone.

Soon afterward Chang was apprehended, the judgments began. Chang accused of stealing and a peasant accused of being a rapist, were executed. Che wrote about the execution: "First we executed the peasant rapist and Chino Chan, they were tied to a tree in the forest, both of them calm..."

A few days later Dionisio Oliva, accused of stealing cattle and supplies destined for the rebels, was captured along with others, among whom was Echevarría, a brother of one of his Granma comrades. Oliva was executed and Che also ordered the execution of Echevarría for unspecified crimes and wrote down in his diary: "He had to pay the price."

In the month of October Che also executed Aristidio, a farmer who during his absence sold the revolver that he had given him, and expressed his desire to abandon the fight when the rebels moved to another place. His doubt about the legality of Aristidio's execution was reflected in his diary: "whether he was really guilty enough to deserve death."

In other occasions Che would simulate executions, blindfolding the defendants and firing shots into the air, as a method of psychological torture.

"Che's trail through the Sierra Maestra was littered with the bodies of chivatos (informers), deserters and delinquents whose deaths he had ordered and in some cases carried out himself" [1]

Che wrote on December 14 of 1957 a letter to René Ramos Latour ("Daniel"), National Coordinator of the Movimiento 26 de Julio who died in combat, the following: "Because of my ideological background, I belong to those who believe that the solution of the world's problems lies behind the so-called iron curtain and I see this Movement as one of the many inspired by the bourgeoisie's desire to free themselves from the economic chains of imperialism." [4]

Latour responded back to Che on December 18: "Let me just put on record our view, which of course is entirely different from yours...Our fundamental differences are that we are concerned bringing oppressed people of 'our America' a government that respond to their longing for Liberty and Progress, government that will be cohesive units that can guarantee their rights as free nations and make themselves respected by the big powers. On the other hand, those with your ideological preparation believe that the solution to our problems lies in getting rid of the harmful Yankee domination through the no less harmful Soviet domination." [3] In the same letter Ramos Latour wrote that the ideology of the Movimiento 26 de Julio was inspired by the political thought of José Martí, which consisted of making Cuba a democratic and prosperous country, but with social justice, and that pact with other opposition forces were necessary and healthy.

Dr. Armando M. Lago, founder of Cuba Archive, calculated a total of 47 executions, most of them

guajiros (farmers), carried out by the guerrilla, and 35 casualties of the guerrilla in combat, during the year 1957. These figures are convincing evidence of the terror implanted by the guerrilla.

June 27 of 1958 Che wrote in his diary: "In the night there were three escapes". One of them was double; Rosabal condemned to death for being a chivato, Pedro Guerra of Sori's squad and two military prisoners. Pedro Guerra was captured: he has stolen a revolver for the escape. He was executed immediately." [1]

Vargas Llosa writes the following: "He also ordered his men to assault banks, a decision that he justified in a letter to Enrique Oltuski, a subordinate, in November of 1958: 'The struggling masses agree to robbing banks because none of them has a penny in them...' The impulse to dispossess others of their property and to claim ownership of others' territory was central to the oppressive politics of Guevara." What he proposed was a return to the period of political gansterimo which took place at the end of the decade of the 40's, with whom Castro was associated during his student days.

Jaime Costa Vazquez, former commander of the rebel army, said that much of the executions attributed to Ramiro Valdes, who later became minister of the Interior of Cuba, were Guevara's direct responsibility, because Valdes was his subordinate and follow his orders. "If in doubt, kill him" were Che's instructions. Costa says that Che ordered the execution of dozens of people after the fall of Santa Clara. Marcelo Fernández-Zayas in his article "The other side of the coin," says: "The capture of the town of Santa Clara was bloody for their opponents.... Many prisoners were summarily executed. Send to the wall of executions, without trial nor mercy. These executions were carried out in front of photographers, journalists and movie cameras. The prisoners, in many cases, were rural youths who had joined the army as a last resort to escape unemployment and were known as 'casquitos' (little helmets)."

Che in La Cabaña

Guevara was appointed by Castro's military chief of La Cabaña fortress in Havana after Batista fled from Cuba, a position he held from January to September 1959, and also responsible of the Comisión Depuradora (Cleansing Commission), with the purpose to implement the revolutionary terror. In an appearance on Channel 6 of the TV in February 1959, Che declared that "at La Cabaña all executions are carried out under my express orders." Here he presided over hundreds of executions in summary trials that even a sympathetic biographer as Jorge Castañeda, in his book "Companion: Life and Death of Che Guevara", said that "they were carried out without due respect for the good doing of justice."

Luis Ortega, in his book ¡Yo soy el Che! relates what Che tells to Duke Estrada: "It is necessary to work at night, the man offers less resistance at night than during the day. In the nocturnal calm the moral resistance is weakened. Do the interrogations at night. It is not necessary to make many inquiries to shoot somebody. What one need to know is if it is necessary to shoot him. Nothing more. You should always give the accused the possibility to do his discharge before executing him. And this means, understand me well, that the accused should always be executed, without mattering which has been his discharge. Make no mistake about this. Our mission doesn't consist in giving procedural guarantees to anyone, but to make the revolution, and we must begin by the same procedural guarantees."

Napoleón Vilaboa, member of the Movimiento 26 de Julio and advisor of Che in La Cabaña, relates the execution of José Castaño Quevedo, director of the Buró de Represión de Actividades Comunistas (BRAC), against who criminal accusations did not weigh and whom he led to Che's office: "While giving laps around his desk and the chair where the military was sitting, Che drew his 45 pistol and killed him right there with two bullets in the head."

Chilling story of the former political prisoner Pierre San Martin, eyewitness of the murder in cold

blood of a boy between 12 and 14 years of age carried out by the abominable monster of cruelty Che Guevara in La Cabaña fortress in 1959: "...the sound of the iron door opening was heard as they threw another person into the already crowded cell.... And what did you do? we ask almost in unison. With his bloody and beaten face he stared at us and responded "I defended my father so they wouldn't kill him, I couldn't stop it. Those sons of bitches murdered him."

Near the wall where they conducted the executions, with his hands on his waist, paced from side to side the abominable Che Guevara. He gave the order to bring the boy first and he ordered him to kneel in front of the wall. The boy disobeyed the order with courage that words can't express and responded to this infamous character: "If you're going to kill me you're going to have to do it the way you kill a man, standing, not like a coward, kneeling."

Walking behind the boy, Che said "whereupon you are a brave lad"... He upholstered his pistol and shot him in the nape of the neck so that he almost decapitated him." [6]

The Rumanian writer Stefan Bacie, in his poem "I do not sing to Che", made reference how Che Guevara invited to accompany him to see how people are shot at the wall in La Cabaña.

The first three months of the Cuban Revolution saw 568 firing squad executions. Even the New York Times admits it, according to the journalist of this newspaper Hart Phillips, "400 in the first two months." The journalist Tetlon of the London Daily Telegraph writes the following, "sometimes four courts functioned simultaneously, without lawyers or character witnesses, imparting judgment, contemplating the capital punishment, as many as 80 people in joint trials. The judicial proceedings were shameless farces that shocked and nauseated all who witnessed them.

Jorge Castañeda in his Guevara's biography mentions that the deceased father Iñaki de Aspiazú, a catholic Basque sympathizer of the revolution, spoke of 700 victims. Luis Ortega writes in his book "Yo Soy El Che!" that Guevara sent 1,897 men to the firing squad. In his book "Che Guevara: A Biography," Daniel James writes that Che himself admitted to ordering "several thousand" executions during the first few years of the Castro regime. Félix Rodríguez, an exagent of the CIA, which participate in the capture of Che in Bolivia, told Vargas Llosa that he faced Che after his capture recriminating him the "more or less 2.000" executions for which he was responsible throughout his life. "He told me that they were all CIA agents and did not discuss the figure" In contrast with the Nuremberg trials, at the end of the Second World War, of the 24 Nazi leaders accused of war crimes only to 11 of them the death penalty was applied.

In a letter written in May 1959 to his friend Julio "El Gaucho" Castro he says good-bye with this phrase: "A strong hug from the one who is called and whom history will call...CHE". In a Christmas letter to his parents he wrote: "We walk over pure history of the highest American category; we are the future and we know it, we build with happiness although we have forgotten individual affections." [1] These sentences, which describe him from head to toe, reveal his arrogant character, his delusions of grandeur, when exaggerating his own historical importance.

Export of guerrillas

After the triumph of the revolution Castro and Che launched the guerrilla movement across Latin America. A plan was immediately organized to initiate guerrilla focus with Che's assistance, in Panama, Dominican Republic, Haiti, Nicaragua, Guatemala and Colombia.

The invasion of Panama at the end of April of 1959 was a failure. The Panamanian authorities captured two Cuban invaders. On June first a group of Nicaraguan, among which was Rodolfo Romero an old companion of Che, under the direction of Joaquin Chamorro, left Havana towards Nicaragua. Chamorro, after its capture, admitted the military assistance provided by Castro and Che. The invasion of Santo Domingo in mid June 1959, ended in failure with a balance of more than 200 dead, among them the Cuban leaders of the expedition Jiménez Moya and Horacio Rodríguez. In August 1959 they began in Haiti the conflict that concluded with the defeat of the invaders. In November 1960 some officers of the

Guatemalan army took up arms. Airplanes of the Cuban Air Force flew over the military airfield of Zacapa, one of the two places of the uprising, supplying the insurgents. This uprising also failed.

The Cuban intervention in Venezuela in support of the guerrilla, fails when the army of Venezuela, in November of 1963, surprises a landing originated in Cuba in the peninsula of Paraguaná. In February of 1964 the OAS condemned the interference of the Castro regime in Venezuela.

The guerrilla operation began in Argentina at the beginning of 1964 in the province of Salta, with the Argentine journalist Jorge Ricardo Masetti in charge of it. The operations were supervised by Che. In April of 1964, the Argentine army attacked the guerrilla camp with the result of several guerrillas dead, among them the Cuban instructor captain Hermes Peña, Che's escort, and 14 were taken prisoners. Masetti disappeared in the jungle of Salta without leaving a trace, and the guerrilla focus was eliminated. When Alberto Granados asked him why he was depressed as a result of this setback, Che answer to him: "Here you see me behind a desk, screwed, while my people die during the missions to which I have sent them."

José Pardo LLada in the book "Fidel and Che," writes what Che told him in 1959: "We must do away with all the newspapers, because a revolution with freedom of the press cannot be done. The newspapers are instruments of the oligarchy." The regime controlled, censored or shut down newspapers and magazines, television and radio stations and the movie industry. Freedom of the press and information were suppressed.

The commercial/diplomatic mission

In June of 1959 Guevara was sent in a diplomatic mission with the purpose to establish new trade relations, carry out sugar sales and obtain weapons in Yugoslavia, not being successful in any of them. In Cairo he met with Gamal Abdel Naser, who told in his memoirs that Guevara asked him how many people had emigrated from their country as a result of the agrarian reform. When Naser answered that nobody had gone away, Che angrily told him that "the way to measure the depth of the change is to measure the number of people that felt that there was no place for them in the new society"

In India his meeting with Prime Minister Nehru, during a splendid lunch, did not provide result in the establishment of trade relations. In Japan his proposal to permute sugar by Japanese products was rejected in the interview he held with the Minister of Foreign Trade. In its interview with the prime Minister of Indonesian Sukarno, also failed in selling sugar and in the establishment of trade relations. During its stay in Yugoslavia he met Josip Broz Tito, not being successful in obtaining weapons from this country.

In one of the paragraphs of the July 1959 letter to his mother, published in the book written by his father "My son the Che", writes: "I am still the same loner that I used to be, looking for my path without personal help, but now I possess the sense of my historic duty. I have no home, no woman, no children, nor parents, nor brothers and sisters, my friends are my friends as long as they think politically like I do." When Hilda Gadea, his wife, arrived in Cuba with his daughter in January 1959, she found out that her husband was living with his lover Aleida March, which became pregnant. In May Che divorced his wife and married his mistress in his office at La Cabaña. After a brief honeymoon, he left the country in his first diplomatic trip. During the two months he was absent, he never communicate with Aleida. Aleida told the following to Anderson: "Che was a 'machista' like most Latins." He was irresponsible with his own family, leaving their wives and children when they needed him most, to continue his guerrilla adventures. He repaid Hilda with treason the help and love she gave him. Women played a secondary role in his life.

Che's homophobia

Che played a principal role in setting up Cuba's first labor camp in the Guanahacabibes region in western Cuba in 1960-1961, to confine people who had committed no crime punishable by law, revolutionary or otherwise. This "crimes" involved drinking, vagrancy, disrespect for authorities, laziness and playing loud music. Che defended that initiative in his own words: "We only send to Guanahacabibes those doubtful cases where we are not sure people should go to jail... people who have committed crimes against revolutionary morals, to a lesser or greater degree.... It is hard labor, not brute labor, rather the working conditions there are hard." [5]

"This camp was the precursor to the eventual systematic confinement, starting in 1965 in the province of Camagüey, of dissidents, homosexuals, Catholics, Jehovah's Witnesses, Afro-Cuban priests, and other such scum, under the banner of UMAP, Unidades Militares de Ayuda a la Producción, or Military Units to Help Production. Herded into buses and trucks, the "unfit" would be transported at gunpoint into concentration camps organized on the Guanahacabibes mold. Some would never return; others would be raped, beaten, or mutilated; and most would be traumatized for life, as Néstor Almendros's wrenching documentary *Improper Conduct* showed the world a couple of decades ago." [5]

Che's homophobia is expressed in the poster placed at the entrance to the forced labor camp, where homosexuals were confined, which read: "The work will make you men", replica of the slogan "The work will make you free" used in the Nazi concentration camps. It intended to correct the homosexual behavior applying rigorous punishments with the intention of modifying this social deviation, which does not constitute a crime punishable by law.

In the 80s and 90s this non-judicial, forced confinement, was also applied to AIDS victims.

In a TV speech June 26, 1961, when he was Minister of Industries said: "The Cuban workers have to start being used to live in a collectivism regimen and by no means can they go on strike." December 15, 1959 marked the start of the process of the purges of the union leaders, democratically elected in the X congress of the CTC carried out in November 1959, destroying the labor union movement and abolishing labor rights conquered by the laborers.

Economic, diplomatic, and political failures

In 1961 Guevara was appointed minister of industry, and in the name of diversification, the cultivated area was reduced and the manpower utilize in other activities. Cuban industrialization failed due to the lag of raw materials for the new industries.

Already by 1963 the hopes of industrialization were abandoned, and during the period 1961 to 1991, the Island will survive thanks to the Soviet subsidy of \$ 120 million.

As head of the Cuban diplomatic delegation in the Conference of Punta del Este, in his speech at the fifth plenary meeting of CIES, 8 August of 1961, predicted the following: "The rate of growth presented as a most beautiful thing for all Latin America is a 2.5 percent net growth... We speak of 10 percent growth with no fear whatsoever; 10 percent growth is the rate that Cuba foresees for the coming years... What does Cuba intend to have by the year 1980? A net income per capita of around \$3,000; more than the United States currently has." Cuba's per capita in 2004 was only \$1,873 dollars. "During the period 1960-1979, Cuba was the only Latin American country showing negative GDP results. In the 1991-2000 decade its GDP annual average was -1.9%, thereby placing Cuba next to the last among the Latin American countries, only higher than Haiti." [7] This result is largely attributable to the adverse effects of the economic policy of Che on the Cuban economy. In 1959 Cuba ranked second in economic wealth in Latin America.

During the Cuban Missile Crisis in October 12, 1962, Che supported Fidel in the nuclear confrontation with the United States. Che was disappointed when Khrushchev decided, under the threat of nuclear war, to retire the missiles (See Nikita Khrushchev Memoirs). He told Sam Russell

the British reporter of the socialist newspaper Daily Worker that "If the missiles had remained we would have used them against the very heart of U.S. including New York. We must never establish peaceful coexistence. In this struggle to the death between two systems we must gain the ultimate victory. We must walk the path of liberation even if it costs millions of atomic victims."

In his deep hatred against the United States, this monster of cruelty did not hesitate in supporting the nuclear confrontation without given a damn that such action sealed the annihilation of the Cuban people and a large part of humanity.

On December 11, 1964, during a debate in the United Nations General Assembly Che said: "As Marxists we have maintained that peaceful coexistence among nations does not include coexistence between exploiters and the exploited." As representative of the Cuban government he was severely attacked because of the firing squad executions without any judicial process and evidence as required by the rule of law. Guevara, in his second intervention, making use of the right of replica, responded: "We must say here what is a well-known truth, which we have always expressed to the world: Shooting people yes, we have shoot people and will continuo to do so until it will be required. Our fight is a fight to the death". [7] This demonstrates his intransigence with his political enemies; he was willing to make the blood run and wasn't worried to carry millions of people to their death.

In response to a question of Richard Hottelet of CBS in the program Face the Nation, New York, 14 of December of 1964, Che replied: "In America, the road to the liberation of the peoples, which will be the road of socialism, will march through the bullets in nearly all countries, and I can predict with confidence that you will be a witness." Che, an advocate of political violence, failed once more.

Guevara, during his trip to Algeria in 1965, when questioned about the economic failure cynically replied: "We have a country to experiment on; we make mistakes but we will go on experimenting until we learn." Such learning adventure has resulted in the biggest economic debacle ever experienced in Latin America." [8]

February 1965 at the International Conference of Algiers, Che in his speech criticized the Soviet Union policy by adopting what he called "the law of value", which organizes and regulates human activity in the capitalist society. This contributed to the cooling of the relations between Cuba and the Soviet Union. The Soviet ambassador in Havana complained to Castro about the anti-Soviet behavior of Che. Castro disagreed publicly with the anti-Soviet policy of Che, and this caused Che to be removed from the ruling circle.

In March 1965 Castro sent Che, who had assumed a pro Chinese position, as head of a delegation to China with the purpose to restore the damaged relations. The Chinese comrades argued that the revolution was influenced by the "soviets revisionist", argument that was rejected by the Cuban delegation, causing the stalling of the talks. Che, once again, failed in his mission.

Guerrilla failure in the Congo

Guevara in his diary about his guerrilla experience in the Congo between April and December 1965, begins with this observation: "This is the history of a failure." The adventure he led in the Congo was a fiasco.

Che, white leader of the expedition composed by two battalions of Cuban black soldiers, around 200, found out that blackness did not guarantee the mix of Cubans with Africans and the Cuban regime recognized later as a mistake that all the soldiers sent were black. The black Cubans were foreigners, who considered themselves superior and treated the Congolese with gestures of contempt, who resented such treatment.

In the epilogue, Guevara asks the question What did the revolution actually have to offer the

peasants of the fertile eastern Congo? He concluded that the tiny numbers of industrial workers were satisfied and not revolutionary, the peasants suffered no land hunger, the troops did not believe they would be fighting the Americans and race was not a sufficient motivating factor either. Again and again he pointed to a lack of leadership amongst the Africans, the incompetence of the Congolese fighters and a terrible disorganization. Che's assessments make him look like a racist. It is also clear that the goals of the Africans were much different than his.

Message to the Tricontinental

In his "Message to the Tricontinental", 16 of April 1967, writes: "Hatred as an element of the struggle; a relentless hatred of the enemy, impelling us over and beyond the natural limitations that man is heir to and transforming him into an effective, violent, selective and cold killing machine. Our soldiers must be thus; a people without hatred cannot vanquish a brutal enemy."

"We must carry the war into every corner the enemy happens to carry it: to his home, to his centers of entertainment; a total war. It is necessary to prevent him from having a moment of peace, a quiet moment outside his barracks or even inside; we must attack him wherever he may be; make him feel like a cornered beast wherever he may move. Then his moral fiber shall begin to decline."

"The peaceful road is eliminated and violence is inevitable. In order to achieve socialist regimes there will flow rivers of blood, the road to liberation should be continued even if it means the loss of millions of atomic victims." [9] Fanatic defender of the communist philosophy, which has been responsible, according to figures from The Black Book of Communism, for the deaths of nearly 100 million people.

These statements clearly reflect his feelings and intentions, that of killing in any place in a cold and indiscriminate way. This use of hatred and incitement to violence, it is not but another manifestation of the doctrine of terrorism through the centuries to justify mass murder and torture.

Defeat in Bolivia

Che's Diary in Bolivia contains the following observations: "The rural base remains underdeveloped, although it seems that by means of planned terror, we will achieve the neutrality of the most, the support will come later. There has not been a single incorporation...the rural mobilization is nonexistent, save in the tasks of information that bother... the Army is showing more effectiveness in its action and the rural masses do not help us in any way and they become informers....The rural masses do not help us at all" was the melancholic conclusion of Guevara in his Bolivian diary. The 26 of September he write down in his diary, "defeat", in reference to "the disastrous ambush of La Higuera."

In reference to the Bolivian peasants, writes in his diary on June 19, 1967 "the inhabitants one must hunt them to be able to speak with them because they are like little animals." Genius and figure right up to the grave.

Che, at the time of being taken prisoner, who was slightly wounded by a bullet in the leg, with the rifle up high shouted to his captors in Bolivia, "Don't shoot, I'm Che, I'm worth more to you alive than dead" His 9 millimeters pistol had all its bullets when yielding it. Why he allowed to be taken prisoner and didn't fight to the last bullet? He thought that they were not going to kill him, that they would judge him as they did with Régis Debray and Ciro Bustos. He only was able to beg for his life, he didn't know to die like a man.

Félix I. Rodríguez, a Cuban exagente of the CIA, in conversation with writer Jacobo Machover told him the following: "Later he told me that they shot all the foreign agents in Cuba who invaded the country. Then I told him: Commander it is ironic that you tell this to me, because you are foreigner and has invaded Bolivia."

Felix, who was giving intelligence advice to the Bolivian army in the zone where Che was operating, relates that when he entered the premises where Che was kept prisoner he told him he was going to be executed: "Commander, I am sorry, I've tried, but they are superiors' orders of the high command. He became pale like a ghost. I never saw a person lose the expression of the face as he did, then he told me "is better thus, I never should have fallen prisoner."

In La Cabaña Che used to send convicts to the execution wall writing this note, "give him aspirin." In Bolivia they gave him a dose of his own medicine.

Fidel Castro used Che as spokesman in the propagation of his anti-imperialist platform and cynically continues to use him after his death glorifying his memory for propaganda purposes. Daniel Alarcón (Benigno) Ramírez who fought under Che's command in the Sierra Maestra, and accompany him in the guerrilla adventures in the Congo and Bolivia, being one of the survivors of that latest adventure, now exiled in France, in a TV interview admitted that Che had been betrayed in Bolivia: "Yes, Che and all of us were betrayed in Bolivia. Fidel send us coldly calculated to a remote place, well-selected for its lack of human resources and food. Later, they cut off us the arms supplies, intelligence, food, and finally: communications No longer I had doubts, had verified in irrefutable form the treason. All of us had been handled as worthless pawns in the murky chessboard of Fidel, in a cruel and inhuman form."

Evo Morales carried out an official celebration of the 40 anniversary of Che's death, celebration that was repudiated by more than 50% of Bolivians, opposed to the praise of an invasion of foreigners that killed 55 Bolivian soldiers and several civilians. General Gary Prado, who led the military column that captured Che, said: "The tribute should be made to the soldiers who defeated the invaders."

Epilogue

Those who seek to hide his condition of ruthless assassin and consider him a martyr willing to give his life in defense of his ideas do not take into consideration his disposition to snatch it from those who did not share his ideas. José Martí in letter to Maximum Gomes, dated October 20, 1884, expresses his thought that the act of given one's life for one ideas is not sufficient cause of glorification: "...Just as he who gives his life to serve a great idea is admirable, he who avails himself of a great idea to serve his personal hopes of glory and power is abominable, even if he too risks his life. To give one's life is a right only when one gives it unselfishly."

Che failed in all the enterprises that he undertook; in his unfinished medical career, a profession he never practiced, as an economist at the head of the National Bank and the National Institute of Agrarian Reform, as Minister of Industry, where he presided over the failure of industrialization, as a diplomat and politician in his relations with the Chinese, Soviet Union, Japan, India, Egypt and Yugoslavia, in the guerrilla organization in Latin America, in his guerrilla adventures in the Congo and Bolivia and even in the fomentation of violence.

In an interview granted by his girlfriend María del Carmen Ferreira "Chichina", to La Voz del Interior, she summarized Che's failure with these lapidary words: "Poor Ernesto, he was not successful in anything: not as a doctor, neither as a photographer, as an economist, or as propagator of the Revolution."

In a letter to the editor of the Uruguayan weekly Marcha, published March 1955 under the title "Socialism and Man in Cuba", where Che addresses the issue of the "new man" says: "To build communism it is necessary, simultaneous with the new material foundations, to build the new man....This is the dictatorship of the proletariat operating not only on the defeated class but also on individuals of the victorious class.... Man under socialism, despite his apparent standardization, is more complete.... In this way he will reach total consciousness of his social being, which is

equivalent to the full realization as a human creature, once the chains of alienation are broken." During the last 50 years the young people have been indoctrinated with the concept of the new man, who would be complete, unselfish, communitarian and of moral values rather than material values. The result has been a new man incomplete, selfish, individualistic, of double morale and materialistic.

Cuban schoolchildren begin their classes each day with the following slogan of indoctrination: "Pioneers for Communism, we will be like Che." They will be then the new men; fanatics, liars, assassins and failed men, reaching the total realization of being like Che. Hatred to the enemies of the revolution is inculcated to the children in scholastic age. This quote of José Martí condemns hatred: "The haters should be declared traitors to the Republic. Hatred does not construct"

Che was fanatical, dogmatic, spiteful, envious, arrogant, proud, a liar, racist, devoid of morals, mercenary and homophobic, a bloodthirsty murderer, "a cold killing machine", that the fanaticism of the left has turned into a hero.

Subject: FW: Jews put kabbalistic curse on Ukrainian governor

Special thanks to High Priest Don who sent me this news article. The news article below blatantly reveals how the Jews use occult powers, curses, and such to dominate and to control. Most people are under the spells of xianity and Islam. Again, as I have written repeatedly, xianity and Islam are tools to remove spirituality and along with this, for the majority of members here who are knowledgeable in the occult and the powers of the mind and the soul, can see how the xian mass/service is a subliminal tie-in to Jewish ritual murder. This is nothing more than spiritual warfare and how they have disarmed Gentiles spiritually for centuries and have made us their host.

People who have no knowledge of the occult are plain victims, while the Jews assume a "god" position. This is why so many are so arrogant and overconfident.

I would also like to add how so many are indoctrinated into repressing their feelings. I have written about this in many articles- the topic of "hate." In Satanism, you are free to hate as you wish. Repressing hatred will not make it go away. Repressed hatred along with other emotions the Jew-run system fears will only cause major problems in the way of illness and psychological problems further on. Then, some Jew psychiatrist [most of them are Jews] will charge the victim exorbitant fees, along with prescribing psychiatric drugs for repressed emotions, and other problems come with this.

Those of us who are adepts at black magick - exacting justice, know there must be some level of hatred involved. Given there are many more Gentiles than Jews, there is strength in numbers. The Jews know this and they fear it. Massive hatred can accomplish much in the way of justice. So, the Jew-run system works to forcibly indoctrinate the populace against seeking justice and of course steering everyone away from hatred. "Jewsus loves you" and the xian love, love, love and all of its sick nauseating perversion of the love emotion works to keep the level of hatred down, so the Jews can victimize whomever they please. The love, love, love is so chock full of hypocrisy, it is sick. Then, the Wiccan movement and other related trash preaching the love concept, the "three-fold" crap and then there is the "ten-fold" and even the "hundred-fold" to instill fear, which leads to failure, and passing the buck in the way of doing nothing to stop major injustice and victimization, so the perpetrators just keep on doing what they are doing and victimize others, until everything is so out of control that civilization ceases to exist.

Idiots who follow and believe this junk also preach strongly against any justice. Christianized witchcraft- turn that cheek, walk that extra mile and turn all of your justifiable emotions in on yourself to make the Jews more

money and to eventually destroy yourself from within through repression.

The enemy advanced unchecked- easily and without any obstacles when no one ever stands up to them in any way. This is what they want. Do nothing, stay hidden, and keep believing in their endless lies. When your mind and soul are truly liberated, you will see how so many are only programmed. Just programmed and nothing more.

The news article below is very blatant. This has been going on for centuries. Through slavish worship and support of xianity and its twin of Islam and other programs that indoctrinate the populace to be cripples, the Jews have their control and Gentiles pay the price in more ways than one. The Jews use ritual murder and related to manipulate events and to control and those who are unaware or lack knowledge in this area are powerless to stop it.

In the case below, the Jews cursed one of their own and they do this quite often. This example is very blatant of what they have also done to Gentiles, even countries. Given how brutally hard life has been in Russia over the centuries, and the Jewish history there, it is an obvious example and those of us who are psychically open can sense this.

Separatists Put Kabbalistic Curse on Ukrainian Governor

Dnepropetrovsk Governor Ihor Kolomoisky

In a desperate scramble for reinforcements, supporters of the flagging Ukrainian insurgency have invoked the angels of destruction against the uprising's No. 1 enemy, Kommersant reported.

Dnepropetrovsk Governor Ihor Kolomoisky has become the target of the Kabbalah mystic movement's rite of Pulsa Denoura, the daily said Monday, citing a rebel in the insurgent-held city of Horlivka.

The ancient ritual is intended to visit heavenly retribution upon a foe, leading to their death within six months, and is considered to be among the vilest curses of the Kabbalah movement, whose origins lie in the Jewish faith.

Many leading Israeli politicians, including the late prime ministers Yitzhak Rabin and Ariel Sharon, have been the subject of Pulsa Denoura curses, as, reportedly, was Bolshevik leader Leon Trotsky.

Kolomoisky, an ethnic Jew, had not commented on the report as of this article's publication.

The billionaire governor has turned his domain in central Ukraine into a hotbed of anti-separatism and has used his considerable wealth to fund forces fighting the insurgency.

So far, money has trumped magic in Ukraine, where the Army recently began to overpower the outnumbered rebels after a string of setbacks.

The last few days have seen a lull in the violence, with a cease-fire declared last Friday, though the insurgents reported isolated artillery attacks last night.

Subject: Nazism has won, Communism has died.

Nazism has won, Communism has died.

Many people say and say again the same poem of the 'holocaust' and how evil Hitler was. Again and again, every time with more and more evidence, we debunk their claims. The evidence is there. Thing is, the major populace is programmed. From day one that someone is born, they are

hearing "Oh thank jewsus the baby was born" and by the age of 10 they hear every day, watch kike made movies, hear 'public opinion' shaped by some jewish historian about Hitler and the Nazis.

Seriously, Nazis, Ancient Civilizations, Satan and Satanism are the big NO-NO's in this society! NOOOOOO! STAY WORSHIPPING THE JEW-EMMANUEL JIZZUS OR YOU WILL ROAST IN HELL! HE WILL COME BACK AND JUDGE YOU! OBEY OR BURN FOR ALL ETERNITY! The things that like the jew 'god' in the garden of Eden, when one touches they will "Die". Lying as they always do, both their 'god' and them, nobody that seeked the Truth died. The so called 'forgotten apple' did not kill anyone and brought the so called knowledge of good and evil to those who gave in the time and effort to reach it. It takes such an idiotic 'god' to create man with the capability to Sin, only to torture them later after doing it. Since he was all knowing, he knew beforehand they would sin, so he made them able to sin. If he did not know it, according to xian theology, he did not know everything and as thus he is no 'god'.

Of course he is not. For one its nothing more than a jewish fantasy novel, where they have complete and total power everyone else in the globe, everyone is enslaved and such. How could the rambling of some kikes make sense? Lies do not make sense. Especially so big lies. How could they ever make sense?

The so called idiots though, who preach anti-Nazism do not do the fundamental thing any person who knows history should do. STUDY BOTH SIDES FROM UNBIASED SOURCES. Even this jew "Cole" made a documentary proving the gas chambers were a hoax. Thing is, jews are too ready to betray their own race everytime. Maybe "Cole" was on the side that his bank account had 100,000,0\$ and not 2 billions like his cousins, so it grew infuriated and started what he did. Then "Cole" appears 10 years after in the jewish owned and run Holly-wood. This fence hopping jew came with a plan. While he debunked the holocaust, he accused Hitler or all the other crimes he was accused, acting as a gate-keeper to his fellow jews and faithfully a propaganda minister of his own.

When someone does this and sees that the whole governmental cabinet of Stalin was Jewish for instance and caused the massacre of at least 25 million Russians in labor camps, then see the videos where Jews themselves testify that in the big 'labor camps' they could paint, swim in swimming pools, dance, play football with the so-evil Nazis and such, it takes a peanut of a brain to realize how in this case the 'winner' has blamed all their shit to the 'loser' of the war. The 'loser' is judged by the winner. It's as simple as that. But, who was the 'winner' of the war and who was the 'loser'? Upon first glance you will say it was USSR who won the war. And that Nazi Germany lost.

Thing is, our side has started with a different purpose and the Jewish USSR side started with another purpose in mind. In such cases you do not judge 'victory' by whom survived and who did not, you judge victory or loss according to who fulfilled their purpose for which a war was started.

Their purpose was world domination and to dominate everything according to their Jewish/communist laws, Torah and the rest, assume a "God" position and rule everything, enslave anyone. This happened only inside USSR. People were nothing but swine, women were only objects and work laborers, children were pieces of shit in the eyes of Jews who would run their 'eternal' machine of war Jew USSR in her prime to dominate the whole globe. They really believed this laughable shit. Lenin, Stalin, Trotsky, Molotov and so forth- all Jews. All worked for the same purpose, whatever their actions. To enslave people into a slave state. To materialize their inner view of the cosmos, which is nothing else than what their Torah and their Protocols of Zion have written since day one. Jews have always operated by their hive mind and this is evident in the same outcome that comes in all civilizations they have gained power in: Destruction. Their Torah justifies them to be 'gods', above anyone and everyone. With the systematic destruction of all spiritual knowledge, they have that knowledge and assume to be 'gods'. It's known in the so-called 'atheist' USSR there were dozens of Rabbis and kikes who would launch curses and whatever else in the unknowing populace. If someone was an enemy of the Jewish-owned state, they would either die by their secret police, or they would get cursed or both.

The bible in itself is a communist book and the mother of communist theory- all jewish. "All men are equals in the face of 'god' ". What happened in Soviet Russia was "all men are equals in the face of Stalin" or some other appointed jewish messiah who will fulfill what the jews have been trying to built for so long. Thing is, the jews are naturally a sickly and weak race. They have been on our ass for 2000 years and still cannot fulfill a damn goal. And even if they did, which they never could, they would fail to maintain it like it has happened in the USSR. They simply failed. Hitler built up a nation from total destruction to a world power in around 10 years. Enough said.

People are taught to believe in jews like they are gods, since day one. We are taught to believe that 'god' was a kike spaceman who sat on the clouds and cursed people. Endless confusion but what remains is this- we are taught to believe in the jews and the jewish 'god'. Thing is, they have been destroying civilizations since day one of their existence. The Ancient Romans perished under their grip and even nowadays they are destroying everything, every form of civilization. By the moment Europe has allowed them in and gave them 'citizen rights' everything has been going downhill; debt, two major world wars and economic plagues, instability in all levels, bad governship that destroyed a large portion of people, humiliation, senseless industrialization without feeling or remorse, false intelligentsia and philosophies of all kinds that are basically ruining every aspect of Gentile life and are leading people to mental hospitals by the hundreds each day.

But what was the purpose of Nazis and Hitler?

Simple.

First of all stop the jewish beast from taking over the globe and Europe, slow them down [They succeeded then construct a legacy for others to follow after them, in which everything would go over for the jews [We are approaching there and there is nothing the jews can do- check on Israel's case, people are waking up en-masse]. The Nazis reached too far, almost destroyed USSR themselves. When Hitler was at the door, the jew Stalin knew he was done with, so he informed the western jews that their legacy was coming to the end. Hitler had the whole Europe under his control. Hitler's method of Blizzkrieg war, had brought Russia to her knees. When Hitler's Troops entered and were outside of Stalin-grad, by that time over 50,000 Russians fought at his side against the jewish beast to regain back their country. IT WAS NO LONGER RUSSIA- IT WAS A JEWISH HAVEN MADE ONLY FOR JEWS.

Everyone knows the jews today. Them trying to hide and pretend to be harmless no longer works. Even the most stupid people know. Most of those whom they own by xianity and through their spell of xianity, hate them to the bone and they will choose to decimate the jewish problem than to adhere to some jewish 'god' as people subconsciously know they are being played on.

Hitler and the SS knew they would not have the jews finished on their days, as they were scattered all across the globe. They passed down the message. By their symbols they caused re-awakening. Anti-Semetism is now again flaming. Where is it that they won? Back then the jews had German and other enemies. Now everyone down the street can be their enemy as people know, everyone knows and those who do not know, are getting told by now. Everyone knows what they did to America, to Germany, to other countries. People see them and they recognize them. There is nowhere to hide for them anymore. Everyone knows how they use money. The internet has served us well.

Miss's Stalin when confronted outside of the jewish USSR capital by the Nazis, called in his friend jews from England and the USA. So they started up the western front to dilute the powers of Germany. One step before destruction, as everyone jewish was shitting their pants, they had to ensure their racial dream – world domination. But by the time Hitler was

in Stalingrad, the purpose of the Nazis had already been fulfilled. On the whole war, the Jewish Rabbis kept and kept murdering people [as the case with the young boy Andrei who was murdered to curse the Czar] and sending the energy to the Nazis and mostly Hitler and his staff, or used it to guide events. All sorts of blood rituals were taking place and the gulags were ideal for this, all sorts of USSR psychics were on the roll and doing all sorts of shit (In an atheistic state- When Jews finalize their control Christianity gets thrown out of the window as it serves no need- it already made the people obedient to Jews and now this had to actualize), as the suffering and horror of the people where was untold.

People need to study more. The left-run universities and Jewish infested 'knowledge' is keeping people blind. Jews prove they are guilty by all this infestation in history and such, because this proves they did what they have been accused and are trying to re-write history.

The Jews knew that these places would serve as an endless cattle farm when they can take people out from, butcher them and use their life energy to achieve all sorts of goals. From all their nasty effort, all they could do is not get destroyed back then, but they could do nothing about Hitler's final plan, which has succeeded already, as the purpose was to Stop and Expose the international Jewry of the planet. Now days, everyone knows.

Thing is, by the fall of Germany and the major economic collapse (again Jewish in its roots) and with the Jews like Rothschilds and the Jewish Vatican running the global system, the Jews thought it has now been over with. They took over Russia in which they had much power already, built up the beast and simply went for world domination, after the point their Jewish 'ark' of USSR would be strong enough to carry them all. But they never expected Hitler, neither an uprising in Nazism. They thought that by creating hundreds of false frontiers as they do today, people would remain asleep. The same thing they did in Russia with their Demagogues, they did in Germany as well, but it never worked there. They expected their reign to go on forever. They expected no opposition. Thing is, the materialistic nature of the Jews is all they are and the same reason they always fail- the Western Jews and the Eastern Jews when they thought they had us all by the balls after Nazi Germany was put to sleep,

they made a Cold war which exhausted both of them, bringing the 'ark' of the USSR state to its knees. They destroyed their own selves in their run towards their imaginary top.

The jews cannot rule anything as its not in their nature to rule, not even a slave state that they have created. Whatever they have constructed has collapsed, in every and all occasions, whatever it was. The only danger is that they are bringing down to collaspation the things they have attached themselves to- thats what we should be worried about. Eternal things are not for them, neither is rebuilding.

They expected the return of the medieval times, they expected to rule alongside with their reptilian masters and other nefarious beings who seek the end of Humanity as it was. They thought Satan was out of the game. Now, where is their eternal kingdom? In every state waiting to get pogrom'd, because of all their deeds against Gentiles? Or in a stolen Palestinian state which was funded by their WW2 holocau\$t lies, on the back of Gentiles there, getting bombed daily?

Who has won the war and who is Eternal now? They will always need Gentiles to feast upon, even as their slaves. They need Gentiles even as enslaved. We do not need them anywhere, in no facet of our Global or National lives. And in every Gentile Nazism will wake up, it's a matter of time. Now not only it has woken up, but is rising like a manifold flame, ready to burn and wipe out those who long have oppressed every nation of the world. Lets not allow other countries and our own countries to be victimized like Russia did, under the jewish Grip.

Subject: Re: Maendy Massacre Hoax and Lidice Hoax and Allied Propaganda

I would also like to add something here. Because of endless Jew lies and their media propaganda, few people know the truth. What they have done to Satan and our Gods is a major example.

While the Jew controlled television, schools, universities and book media and related are forever accusing and condemning the Nazis, this in addition to the trillions of dollars in "reparations" and other favors the Jews have taken for themselves such as stealing Palestine from the Palestinians and using that phony holoco\$t to get their way on many different issues, http://www.angelfire.com/dawn666blacksun/Real_Holocaust.html

http://dawn666blacksun.angelfire.com/Real_Death_Camps.htm

one of the major benefits the Jews have gotten from persecuting the Nazis is they have used the Nazis as a distraction to divert attention away from unimaginable Jewish crimes against Gentiles. You will never see very much about the REAL death camps from Jewish controlled Hollywood, only movies and TV shows advertizing their phony holoco\$t. This only further reveals the truth about Jewish supremacy. What happens to Gentiles doesn't even matter.

They never expected their precious communism to fail. Vladimir Lenin was along with Josef Stalin, Lavrenty Beria [all Jews], and the rest of their Jewish filth- THE WORST MASS MURDERERS THAT EVER EXISTED!

In the USSR, the murder was so extensive that entire villages were wiped out, those who were not outright murdered were sent to death camps to be literally worked to death under the most brutal conditions. The murders committed by Jewish communism, under the orders of Jewish authorities extend past the hundred million mark. What they even ACCUSE Hitler and the Third Reich pales in comparison. What is worse, Hitler and the Nazis never committed any of these crimes! They have been used as a distraction and a diversion. If you read the above link, what they accused the Nazis of was not only mathematically impossible, but also has been debunked by many different scholars since WW2.

Nowhere in the annals of history has there ever been a worse case of the most sick and depraved mass murder than what has occurred under Jewish leaders- THEIR OWN ORDERS- Lenin, Stalin, Zinoviev, Kamanev, Beria- all Jews. Below is a photo of an example of their atrocities. Taking control of the food and enforcing famine was used to break the will and resistance of the people:

http://russiapedia.rt.com/files/prominent-russians/leaders/joseph-stalin/joseph-stalin_16-t.jpg

Yet, the Jews promote this malignant vile scum as heroes. I have even heard there is a statue commemorating Lenin in Seattle Washington. Now, just how would they react if someone put up a statue of Hitler? Or how about an open Satanic Church? This only reveals the extent of control the Jews have over everyone. The crimes committed by the Jews and yes, even to their own as

they are parasites and if anyone pays the right price, they will do in their own, as money is the god of the Jews.

In closing, I would also like to add how the Jews push xianity and they deliberately corrupt writings, especially those of their enemies by injecting xian filth in them. I have been working on another project under Lilith's supervision and I have been finding how so many writings, books and related by Nazi Leaders has been totally corrupted with Christian filth. The Nazis were very ANTI-xian, and most at the top, truth be known were Satanists. The Jews work to get anyone they can, especially those who are their enemies and a threat to them under their control with xianity. It is a psychic connection and a spell as I have written many times before. The xian imbedded filth stands out for the lie it is, as it is very contradictory and out of place in the corrupted texts. This also acts in more ways for the Jewish agenda, as it confuses Gentiles and psychically disarms those who believe the lies.

Maendy Massacre Hoax and Lidice Hoax and Allied Propaganda Fri Jul 11, 2014

This is a short excerpt from an article I am working on. The purpose of the article is to expose Allied Propaganda.

Exposing the Jewish Anti-Hitler/Anti-Nazi Propaganda

By fourthreich666

<http://fourthreich666.weebly.com/exposing-the-anti-hitler-anti-nazi-propaganda.html>

Intro

This is the intro, it is the only complete part.:

When I turn and look at this foreign propaganda my belief in our victory grows to the immeasurable. For this propaganda I experienced once before. For nearly fifteen years this propaganda was directed against us. My Old Party Comrades, you remember this propaganda! The same words! The same phrases! Yes, when we look more closely, we see the same heads speaking the same dialects.

I finished off these people as a lonely, unknown man who gathered but a handful of people about him. Throughout fifteen years I finished off these people and today Germany is the greatest world power! - Adolf Hitler.

There are two kinds of propaganda:

1. Truth Propaganda, information. - What the Nazis spread.
2. Jewish Propaganda, lies, deceit, immorality.

What we have today, in the radios, news etc. it is Jewish. But this is not the focal point. The focal point is the Jewish/Allied Anti-Hitler, Anti-Nazi, Holocaust propaganda being shoved down our throats.

The media today, took everything from the Third Reich and turned it up-side-down. They also took every crime the Russians, the Americans, the French and the British and made them as if they were crimes the Germans committed. Each of the four counts the Axis powers were arrested on we all crime the Allies committed.

As David Irving said, during war, there are departments in governments that their only task is to spew propaganda against the enemy so that the soldiers, or in the case of the allies (who didn't care about their soldiers) their men who were only expendables point their guns in the direction their Jewish masters want them to. The problem is there is, after the war, no truth department to admit the lies.

There are multiple examples of cases where the Allies took Nazi propaganda, added some touches to it to totally pervert the message, in some cases, the Allies just totally invented pieces of propaganda and claimed them to be German

The Lidice Hoax

(This is a VERY short part. The complete version will be up soon)

<http://www.dailystormer.com/wp-content/uploads/2013/10/ww0207-03.jpg>

In the above photograph, it says "Radio berlin -- It is officialiy announced:- All men if Lidice - Czechoslovakia - Have been shot: The women deported to a concentraition camp: The children sent to appropriate cneters -- Yje name of the village was Immediatley abloished"

Okay, so to begin with, The Radios NEVER annouced this. There is NO evidence of this ever happening. And as you notice, at the end it says: The name of the village was immediatley abolished. This is to cover up that it never happened. It is also a contradiction to say that the Germans would annouce this on the radio to a population of 80 million Germans and then try to cover it up by saying it never existed...

The Malmedy "Massacre" Oh My Goodnes! Allied soilders killed by the Germans and left to in the snow while a Nazi looks ahead! How cruel is this!

<http://www.oldhickory30th.com/Baugnez1.jpg>

You will be happy to know that this was admitted by the Allies to be a hoax. The hoax says that a group of German soilders captured a group of Allied soilders, tortured, then killed them. The Allies later, after all the comotion caused by this, amitted it to be a hoax

What happened was that the German 1st panzer division (Leibstandarte-SS Adolf Hitler) were driving south of Malmedy, Belgium. By total suprise and accident, they encountered a groups of American soilders, who fired on them and they fired back. After a few American soilder's fell, the rest of the American soilders cowarded away. The Germans then began to lay the bodies in rows to burry the fallen american soilders out of good heart. While they were doing so, they were fired upon again forcing them to retreat. In the days following the discovery, the American media seized on the event, originally reporting "hundreds"; of American deaths in the "massacre";, despite having no first-hand knowledge of it. The most sensationalistic media reports, without any evidence at all, stated that Waffen-SS soldiers had lined up the American captives, robbed them of any valuables they had, and shot them at point-blank range. - Wikipedia

Another groups of Americans were cpatured, the German comander said, not to kill them but to let them follow behind us. So they took away the weapons from the allies and let them follow in the rear. Sadly, the Americans were still in full uniform, and the Germans in the rear did not know that the commander allowed them to live and follow, so when the Americans ran to the rear, the Germans at the rear did not known and thought they were being attacked and fired. Few died, most survived. Thos who did said the the Trials that no harm was done against them and that they were treated properly.

During the Nuremberg Trials, the allies TORTURED some captured Germans, forcing them to sign a page saying they killed them

At the interrogations, cruel tortures were used, and some soldiers committed suicide. The interrogators fabricated confessions, and through torture got several Germans to sign these fake confessions

They started the process on May 16th 1946. 74 members of the Waffen-SS were put on trial, and 43 were eventually given the death penalty. The prosecutors were the interrogators before the process, which is contrary to American law, one of the many miscarriages of justice at the trial, quickly devolving it to a kangaroo court. The most absurd event in the process may have been when

the American investigator Kirschbaum introduced a witness, Einstein, to prove that the defendant, Metzger, had murdered [Einstein's] brother, who was nonetheless sitting in the courtroom! [Prosecutor] Kirschbaum proceeded to scold Einstein: "How can we bring this pig to the gallows, if you are so stupid as to bring your brother into court!"

Subject: Women and Nazism

This topic is a topic about any and every Satanic/National Socialist woman. Thing is, due to enemy propaganda, how Nazi's portrayed women and how they had them in mind was entirely different than what most know. Its well known the enemies of the cause and those who spread black propaganda, are trying to push that women should be (according to their xianized enemy version of Nazism) in the kitchen, doing the dishes, taking care of the kids and so forth.

Its not like this.

To understand why some people have this belief, one has to observe the historical context. Germany after WW1, was almost utterly destroyed. The Women were totally humiliated and jews who were rampant in Germany did what they always do, even nowadays with women. They tried to push senseless propaganda, tried to make women whores and that sort of deal. At the 20th Century, xianity was still tight in its grip. Thing is, the enemy communism does not discern between man and woman at all, everyone is a worker and this is what the enemy has planned for women in Nazi Germany and anywhere else, according to jewish plan.

Now Women who have had or know others who have kids, know that by working full 12 hours a day in the slave jewish programm, you could never raise kids, let alone you would never have the funds for it, let away that its too stressing for women, intense physical work. Women by nature in their MAJORITY (NOTE: MAJORITY) are not meant to do heavy labor work as this causes all sort of damage to them in the long run. Neither are women ideal for working lets say at mining or wherever else. The jewish capitalists/communists (same coin different side) simply wanted people

to be all equals. Women had to work like cattle, all day long. As the bible says and their torah, main lines, women are meaningless pieces of swine and are impure, the sources of all sin etc. Though in all their insanity, they also want to abuse women endlessly by exploiting them sexually and so forth. By pushing the propoganda on either side, thats the end they always want to achieve.

Thing most people fail to grasp, on purpose, is that these measures that most women should be at home, were measures taken by a Germany in a state of severe regression, trying to get upwards again. Germany had low population due to WW1, many men were butchered as we all know. This means and signfies that women had to have children and take care of them, as the people would go extinct. Its that simple. Its not a cosmic theory that women should be at home, it was a measure that was needed at that time. Men had to do the hard labor only to save women from it, unless it was their choice to get on all this labor. Many women chose for instance to be in the Luftwaffe (German Pilots) and were treated no less than any other soldier. Thing is, the Reich had to protect women from the plagues of war, pornography, perversion and the unwelcome enviroment created by the jews. The enemy knows when to hit. At war, hitting the women is far more stabbing in the nation as you hit the future of the nation and the strongest atom of it, which is the woman. Also, take in that all this happened in 1910 and afterwards- these days women were already in the kitchen, and if you go backwards like in the Dark ages, women and men were swine and probably enslaved to some kike in many regions. In other words, Nazi Germany was not repressive of women, it was revolutionary in giving women more freedoms and rights.

Hitler himself mentioned in his speeches that these measures were solely taken so that women would not suffer war. A woman can face much more humiliation than a man in wartime and this is evident to anyone who is aware of such circumstances. Also, the Hitler youth and other stuff accepted women and all these things. Women were treated with exceptional respect and their position was similar to the position of the old Spartan women. Infact, because women were so important they had to be protected in times of upwards move away from the regression, which everyone knew would get to war. Women were allowed to go to theaters and all these things, but meanwhile in the so called "freedom" countries they were totally limited.

Exceptions were treated as exceptions. For instance, Hanna Reitsch was a top pilot in Nazi Germany [http://en.wikipedia.org/wiki/Hanna_Reitsch].

Thing is the enemy always does what they do. They blame Racism to us. They blame that we push women in the kitchen to us, while they themselves have wrote a damn kike 2000 year old book saying every 2 pages that women are whores, worthless, meaningless, were made out of adam's rib, that god is male and has no wife (degradation of women) and so forth. In the Nazi and Satanic view, the female and male have equal positions, but as people and characters we may with choice choose in per se a partnership, choose someone to stay on "top". What we also recognize is that in both Genders some signs are apparent like in males, they have more muscle mass for instance and are made naturally in their MAJORITY to be warriors, while the MAJORITY of women should have lighter tasks and other orientations in work and so forth.

Keep in mind that Nazism is eternal, so we understand change. Today men are boys and women for the most part as it seems cannot find decent husbands. The enemy has created many imbalances. But what those who preach black propoganda in our ranks is a crock of shit. The cosmic theory around our women was never one of oppression. Its just that kikes will make protection from their deeds against women seem like 'restriction'.

Its the notion of xianity and the abrahamic programs, the jewish propoganda that sees women as swine. Nazism was revolutionary and as the years went by, women were far more free than they ever were before. There are many uneducated people and black propogandists who say all sorts of shit, trying to blacken the part of the woman. In closing, take 4 notions in mind.

1. The historical context of the time.
2. The Jewish programs and the Communist programs and how they see the women
3. That gradually women were becoming freer in Nazi Germany and most had the greatest time of their lives so long Hitler had the nation.
4. That times change but the Jewish scourge cannot be wiped out just like this from the major populace. Every sensible person knows this. You could not hop from 1850 when women were simply married by their parents to 1890 and expect it all to have changed. Even nowadays in many places of the world these things are still to change, thanks to the Jewish programs.

Satanism and Nazism were here to free us from all that scourge. But to free us, we had to be alive and protected. Nowadays they preach women are 'free'. While in fact they are most subconsciously oppressed and played upon their deepest instincts of beauty, trying to find a mate and so forth. The kikes are pushing it all too far for a backlash. Never feed in their two-sided games. There is always a third and fourth and fifth options and these are the Satanic options.

Oppression of women never has had to do with Satanism and Nazism. It's an offspring of Christianity and the related ilk.

Heil our Women and Heil our Men!!!

Subject: Re: Frauds about the Third Reich created by the Enemy

The post below is in all of the JoS e-groups. I only included the first paragraph because of the length.

The more we advance in Satanism through experience and learning, what we have been finding is appalling to say the least. I don't think there is any greater terror than what the Jews have for Satan. They KNOW he will deal with them and give them what they deserve. Nazism IS Satan's New World Order.

Myself and the JoS priesthood know beyond any doubt that the Nazis were not only anti-Christian, but at the top, Adolf Hitler, Heinrich Himmler and many others were Satanists. The Jews know this as well. They have a morbid fear of Satan. Christianity is their bulwark, their power and their tool. Their most important power lies in their Torah. That is the root. [For those of you who are new, Christianity = Christianity].

Most of the Nazi speeches have been corrupted and imbedded with Christian filth. This is no different from how all of our ancient Pagan spiritual writings have been completely corrupted. In addition, the Nazi works that have been corrupted, like Fourth Reich explained in his post, the Christian filth is not only out of place, but in many writings, it was carelessly inserted and contradicts the rest of the text. The contradictions are endless and one only needs to look to the swastika, and the numerous Pagan/Satanic symbols, including the Black Sun to see they were no Christians.

http://spiritualwarfare666.webs.com/Third_Reich.htm

I would also like to include this YouTube video:
http://www.youtube.com/watch?v=eX3R_mQnsRM

THIS VIDEO DOES CONTAIN A LOT OF SLANDER, BUT IS VERY REVEALING. Though they try to undermine Adolf Hitler in his spiritual beliefs, there is NO doubt he was a Satanist and fully supported Himmler's work for destroying xianity. Heinrich Himmler amassed the largest file collection of witch trials in history and one of his reasons was to use this against the xian church. The war disrupted everything.

In addition to imbedding hideous xian filth and deliberately ruining excellent and informative speeches and writings, this acts as another psychic transmitter and opens the door for Jewish power and control. The Jews know beyond any doubt at the top how believers in xianity and those who are subliminally influenced by it in any way are under their control. Xianity IS their control over Gentiles. This is another Jewish tactic of

destroying an organization, etc., from within. The organization is infiltrated with xian filth.

For more about how the Jews control through xianity, here are more informative articles:

Here is a perfect example of the Jews being caught in one of their prolific lies:

Do Jews Believe in Satan? The Jewish View of Satan

By Ariela Pelaia

Satan is a character that appears in the belief systems of many religions, including Christianity and Islam. In Judaism "satan" is not a sentient being but a metaphor for the evil inclination the yetzer hara that exists in every person and tempts us to do wrong.

To read some more, just visit this website: [About Judaism]

<http://judaism.about.com/od/judaismbasics/a/jewishbeliefsatan.htm>

Ok, so much for that, NOW, if the Jews do not believe in Satan as they try to convince us "stupid goyim" what about the below?

In addition to the article below, I would also like to add more here:

This is a direct quote from the book "Jonathan Bernis: A Rabbi Looks at the Last Days.

Heading of Chapter 2: Why Satan Hates the Jews

The first reason we can know the last days are near: Satan is increasing his attacks on the Jews.

"When we understand that at the root of anti-Semitism is Satan himself, it all becomes clear."

"Spiritual warfare rages all around us."

"And a major part of Satan's strategy is to focus upon the complete and total annihilation of the Jewish people."

<http://books.google.com/books?id=cukYGXRLftUC&pg=PT17&lpg=PT17&dq=rabbi+anti-semitism++satan&source=bl&ots=WjlQrGmJ5A&sig=XP62R6Hek2ul3eUain6Fjao8oMQ&hl=en&sa=X&ei=gonLU6XML8WkyASXzoDgBg&ved=0CCYQ6AEwAw#v=onepage&q=rabbi%20anti-semitism%20%20satan&f=false>

The above says it all, and prove how the Jews are such prolific liars. Also, in my studies over the past 15 years, I have run across all kinds of books and writings that prove that the Jews DO believe in Satan, especially at the upper levels.

Now, the article below has plenty more examples. To verify the quotes below, links are provided directly beneath.

If there are any links that are no longer working, as this article was written close to 10 years ago, please copy & paste the URL of the broken link into the "Browse History" box on this website: <http://archive.org/web/>

What The Jewish Rabbis Have To Say About Satan

Some Jews who call themselves "Satanists," try to deny the fact that the Jews are the enemies of Satan and that Satan does indeed HATE the Jewish people intensely. He has made this very blatant to his closest disciples. The following are quotes from Jewish rabbis and other religious Jews. It is pretty obvious.

Rabbinical quotes about Satan:

(A few Christian quotes are included towards the end of the page)

"Those who use the Holocaust to justify either their atheism or their tendency to devalue the authority of the Jewish Bible should remember that

Satan, not G-d, is the author of Nazism and anti- Semitism."

<http://www.afii.org/texts/hw2p2rb.htm>

"SATAN IS THE AUTHOR OF ANTI-SEMITISM, THE HATRED OF THE JEWS The term 'anti-semitism' was coined in 1879 by a German journalist Wilhelm Marr to designate anti-Jewish campaigns then appearing throughout Europe. Since that time, the term has been universally applied to any form of behavior or literature which evidences hostility toward the Jews (9).

With every fiber of his depraved, sinister being, Satan despises the Jews.

He hates them with a perfect hatred, and his demented nature is revealed in his treatment of the Jewish people. This hatred is a reflection of his hatred for God (as Jews are God's chosen people). Their total destruction is his goal. He is the author of the spirit of anti-semitism (15).

He has tried to persecute God's people, the Jews, in order to eliminate them so that the promised seed of Genesis 3:15, Yeshua, would not be born, and mankind would not be redeemed. The Book of Esther details how the enemy of God and his people tried to eliminate the Jewish race, but God raised up Esther for "such a time as this" to deliver her race. King Herod tried to eliminate Yeshua by having all the male babies in Bethlehem under two years of age killed. In our generation the Holocaust is ever mindful of Hilter's outrage against millions of Jews, while Stalin's killing of thirty million Jews goes hardly mentioned. Today, one out of every five people in the world is committed to the death of the Jews. Islam requires the death of the Jews (7)."

http://www.hebroots.org/hebrootsarchive/9805/980528_g.html

"Therefore, Satan is desperately trying to stop the return of the Messiah. That's why Satan is doing all he can to destroy the Jewish people. At the same time he is trying to make faith in Yeshua so alien and repugnant that no self-respecting Jew, let alone the nation, would ever desire to repent and trust in Him! Every congregation of believers in Yeshua, Jewish or Gentile, which doesn't endeavor to bring the Good News to the Jewish people, is actually playing into the present plan of Satan: stop Israel from recognizing their Messiah, Satan's destroyer, so Messiah can't return."

<http://www.wordofmessiah.org/june.htm>

"In this century, Satan has fanned the flames of hatred against the Jews by using Muslims worldwide in his attempt to stop God's Plan which will see Jesus Christ returning to the Mount of Olives. If there is no Jewish Israel, Satan has reasoned that God's Word would be a lie, God's Plan would fail, and he could then survive."

<http://www.bibleprobe.com/baruch.htm>

"Where did Anti-Semitism come from? What is the real cause of this evil thought? The answer is very plain. It comes from the devil. Did you know that the first time the devil is mentioned by the name "Satan" is when he acts against Israel?

"And Satan stood up against Israel, and provoked David to number Israel." (I Chronicles 21:1) Satan is the one who is the cause of all the persecution and suffering of Israel. Satan hates the nation through whom so much blessing has come to the world, especially Messiah Jesus. When the devil is

angry against Israel, it always ends in his defiance against the Messiah and Saviour, Yeshua ha Meshiach. From Pharaoh, the first anti-Semite on record, to Amalek, Haman, then to the King of Syria in 168 B.C., to the Roman War in 66-70 A.D., Satan was the moving factor in Jewish persecution and bloodshed. Through the Crusades, the Spanish Inquisition, the Russian pogroms and the Nazi holocaust you read the history of what Satan has done through men against my Jewish people.

But there is coming a day when the fierce attacks against the nation of Israel will come to an end. The God of Abraham, Isaac and Jacob will fight against those who have persecuted the Jew. Then Satan will have his final attack on Israel and God will cast him into the Lake of Fire as prophesied."

<http://www.rockofisrael.org/articles/a3.htm>

"The Arab nations will still be bent on the destruction of that tiny nation in the Middle East. There will still be hatred of Jews and a determination to annihilate them. The source of the hatred (ha satan, in English: satan) will still be very much alive, and will most likely be more active than ever as he sees his time growing short. The deceiver will still be busy at work convincing pastors and unsuspecting believers around the world that the Israelis are brutal aggressors who kill innocent Palestinian children. The media is a great asset to satan. People believe the lies they read in the press and Israel gets another black eye."

http://www.jewishjewels.org/newsletters/2003_03.htm

"There should be no more fighting over the land, but because of mans carnality and because satan hates the Jewish people because of this covenant, the war rages on. It will continue to do so until Yahshua, the Holy One of Israel returns to set up His earthly Kingdom from the Holy City of Jerusalem!"

<http://www.geocities.com/achothatorah/LT/land.html>

"Since 1948 there have been several times when Israel had to close its borders to tourists. Having dealt with people engaged in hundreds of tours to Israel there has never been an incident of a tourist being hurt or killed by terrorists. If you plan to go to the Holy Land you can count on the following: Satan will begin, about 30 days before you are to depart, to try and cause a major incident or to create a climate of fear to keep you from going to Israel."

<http://www.sabbathrest.org/tours.htm>

"Anti-Israel designs of any description are demonic. Satan has hated Gods chosen people from the moment Abraham was called. This occurred many years preceding the name of Israel being given to Jacob as he wrestled with God. It was all part of the seed of woman and the promise of the Messiah."

<http://www.pawcreek.org/articles/endtimes/MysteryBabylonAntiIsraelAtTheHighestLevel.htm>

"Considering the above, we will understand why Satan hates the "sound of the

Shofar" for It will clearly deliver the message that he is, and has been defeated by the shed blood of the Lamb of God! The very sound of the Shofar makes Satan despise our praise and worship unto the Lord. He hates those who have repented of their sins and follow the Lord YShua. He hates "Ha Davar - The Word" and He who is the Word. He cannot tolerate those that do battle in YShuas Name. He hates to be reminded that YShua was resurrected from the dead three days and three nights after He gave His life, defeating that evil one. Satan hates the State of Israel, for were the Jewish people still in the Diaspora and Israel not been re-established, the Lord YShua cannot return. Also, Satan hates to hear about his final doom."

<http://cometozion.faithweb.com/rmi2.htm>

"You need to know and understand that Satan hates the Jewish people. Through promises made to Abraham and his seed, God would bring forth into the earth the revelation of Himself and His redemption to humanity. Satan hates the seed of Abraham. Satan hates the Jew. Jesus was a Jew."

<http://www.spiritoflifeministries.com/PropheticEvents.html>

"So if God loves the Jewish people, why are they slandered and maligned? The evil of this deed lies far below the darkest depths of the most corrupt human heart. It is an insidious hatred that Satan has for the Jewish people. First, Satan hates God, so it is natural that he would hate the focus of God's attention. It is natural for him to want to destroy them because he wants to hurt God. He wants to make God look impotent. After all, if the Almighty God can't protect His people then what is the guarantee that He can protect anyone? But it is a miracle that the Jewish people are still around today. They are a true testament to God's divine protection."

<http://www.delusionresistance.org/christian/christkillers.html>

"Satan hates the Jews with a passion because they gave the world both the Bible and the Messiah. He also hates the promises that God has made to save a great remnant of the Jews in the end times."

<http://www.lamblion.com/articles/prophecy/Jews-Israel/Jews-06.php>

"Satan is determined to destroy the Jewish people so that God cannot keep His promise to bring a remnant to salvation. This is the reason that Satan is orchestrating all the nations of the earth against Israel today. God has raised up a nation that Satan, as the prince of this world, is determined to destroy."

<http://www.lamblion.com/articles/prophecy/pcl/pcl-05.php>

"46. JerusalemForever Concerning Islam, Israel, Teaching - The root reason why Israel's enemies oppose Israel with such intensity is because they hate God.(see verse 2 above) Satan hates God and His plan for earth centered in Jerusalem and the Jewish people. This is not intended to be hateful, the truth is quite often painful, but after it is revealed to us we have an opportunity to be free from satanic deception that leads us to oppose the Only True God, who is the God of Israel."

<http://members.tripod.com/~JerusalemForever/>

<http://www.messianicdirectory.com/alpha/j/j3.html>

"IV. Roots of Antisemitism in the Church A plot to undermine this "one new man" concept was systematically introduced as one of the primary schemes of the devil. Satan hates Israel because she brought forth the Redeemer of mankind. He especially hates the saved remnant of Israel because they maintain a testimony of true Jewish identity in Yeshua. (Rev. 12:17) Since Satan's schemes are thwarted by the power of Yeshua's blood, and believers are called to walk in the humility of that fact, the enemy's entrée into the Christian's life is through arrogance and pride. Perhaps the exclusivity of the Messianic Jews caused a negative reaction among Gentile believers, but there were early signs in the Church of arrogance toward the Messianic Jewish community. Paul addressed this arrogant attitude in his letter to the Romans."

<http://www.baruchhashem.com/resources/reconciliation.html>

"Ultimately, the source of anti-Semitism lies with Satan himself. He hates God, and he is and always has been committed to the destruction of what God loves and desires. As God's chosen covenant people, Jews are at the bull's-eye of this hatred. Satan also knows that the restoration of the Jewish people plays a central role in the return of the Messiah. Thus, he is committed at all costs to preventing this. Jewish theology can't explain the Holocaust--and actually the "why" of it is part of the larger question, Why is there evil and suffering in the world if God is a God of love? The question is perplexing even to the most solid believer."

<http://www.charismamag.com/a.php?ArticleID=6590>

Satanic Origins Of Antisemitism:

<http://www.biblicist.org/bible/plot.shtml>

"Even worse, it attributes Satan's unholy, malicious and vengeful actions to a holy and righteous God. When God judges His own people, His ultimate purpose is not retribution but restoration. His intention is not to destroy but to heal, not merely to punish but ultimately to purify from sin. Satan, on the other hand, is the destroyer. He enjoys inflicting horror and suffering on God's people with the ultimate intention of annihilation. God has staked His reputation on the preservation and the ultimate restoration of the Jewish people. Satan therefore aspires to destroy the Jews, in order to nullify God's promises and make Him out to be a liar."

Frauds about the Third Reich created by the Enemy

Sat Jul 19, 2014 9:22 am (PDT) . Posted by: "Fourth Reich" fourth_reich666

The writings, speeches, documents, almost EVERYTHING from the Third Reich

has been corrupted. The enemy have filled them with Christianity, false wrtings, false speeches etc. Even the speech supposedly given by Himmler about the Holocaust is a total hoax and I will write about that later. I am working on removing all the corruptions. Every weekend, I will post about the False propaganda, the Allied Hoaxes and about Nuremberg.. I found this article on the IHR by Mark Weber which exposes fake qoutations that were said to have been given by the Nazis.

There are also many diaries that were fake and were used in the Nuremberg trials. The Jews shut down anyone and every who attempted to expose them. They shut them down because all these false hoaxes propaganda etc. were used as evedience at Nuremberg and the Jews said not to tell anyone because they will have to reopen cases on the Nazis and open cases on the Allies. I am not working alone on removing the Corruption.

Subject: Re: Women and Nazism

I would like to make a few statements concerning this. First of all, Nazism is Satan's New World Order. This is a fact. This is also why there has been a strong emphasis on Nazism in the JoS E-groups. What is happening now in Europe is no accident.

Unlike the human hating enemy "god" and company, Satan takes care of and has responsibility for human souls. Those souls who are of Satan are not just wandering the astral, they are in Hell. At the time of a dedicated one's death, Demons will arrive to safely escort his/her soul to Hell where it will be safe and secure. The enemy who is human hating leaves the majority to reincarnate at random or to wander the astral. Others who have totally conformed, like devout xians are used for their energies; as an energy host which is an amalgamation of souls that the enemy refers to as "the one" and "the light."

Most of the top Nazis who were loyal to the end are in Hell. The JoS priesthood has been working with them as well as some members here. I am not at liberty to go into any details, but I will tell you, they do not in any way intend to take away women's rights. They will all be coming back. Lilith has been in charge of overseeing this project and I can tell you, she is strongly for women's rights. There are also women Nazis there as well.

Goebbels' speech was given in a different time and era and under different circumstances. The German population was decimated severely after WW I and children were needed. Women were not forced into motherhood, only encouraged. Not everyone is cut out to be a mother. In addition, the women's SS division worked along with the men's. Germany was attacked by the world Jewish controlled governments and forced into another war. The real purpose for the SS was to make them community leaders. This right here proves Nazism supported women's rights and treated women as equals. SS women were being

prepared to be community leaders.

Back at that time, before the mid 1960's, women did not have the same privileges as men and this was also in the USA and in many other countries. Back then, most women the world over wore skirts and many occupations were off limits to them. This is a fact. The Jew always exploits everything and has worked the other side in pushing women into the workforce by necessity, usually financial. The system now raises many of the children in daycare centers, as this is a further step in breaking up the family.

I can tell you, in Satan's New World Order, women will have the rights they have now and even more in a positive sense. Women doctors are needed and there are many other professions that need women. Motherhood is not for everyone. Those in Hell also know about the changes in the times regarding many issues.

12 Women and Nazism Sat Jul 12, 2014 5:32 pm (PDT) . Posted by: high_priest_hooded_cobra_666 This topic is a topic about any and every Satanic/National Socialist woman. Thing is, due to enemy propoganda, how Nazi's portrayed women and how they had them in mind was entirely different than what most know. Its well known the enemies of the cause and those who spread black propoganda, are trying to push that women should be (according to their xianized enemy version of Nazism) in the kitchen, doing the dishes, taking care of the kids and so forth.

Its not like this.

To understand why some people have this belief, one has to observe the historical context. Germany after WW1, was almost utterly destroyed. The Women were totally humiliated and jews who were rampant in Germany did what they always do, even nowdays with women. They tried to push senseless propoganda, tried to make women whores and that sort of deal. At the 20th Century, xianity was still tight in its grip. Thing is, the enemy communism does not discern between man and woman at all, everyone is a worker and this is what the enemy has planned for women in Nazi Germany and anywhere else, according to jewish plan.

Now Women who have had or know others who have kids, know that by working full 12 hours a day in the slave jewish programm, you could never raise kids, let alone you would never have the funds for it, let away that its too stressing for women, intense physical work. Women by nature in their MAJORITY (NOTE: MAJORITY) are not meant to do heavy labor work as this

causes all sort of damage to them in the long run. Neither are women ideal for working lets say at mining or wherever else. The jewish capitalists/communists (same coin different side) simply wanted people to be all equals. Women had to work like cattle, all day long. As the bible says and their torah, main lines, women are meaningless pieces of swine and are impure, the sources of all sin etc. Though in all their insanity, they also want to abuse women endlessly by exploiting them sexually and so forth. By pushing the propaganda on either side, thats the end they always want to achieve.

Thing most people fail to grasp, on purpose, is that these measures that most women should be at home, were measures taken by a Germany in a state of severe regression, trying to get upwards again. Germany had low population due to WW1, many men were butchered as we all know. This means and signfies that women had to have children and take care of them, as the people would go extinct. Its that simple. Its not a cosmic theory that women should be at home, it was a measure that was needed at that time. Men had to do the hard labor only to save women from it, unless it was their choice to get on all this labor. Many women chose for instance to be in the Luftwaffe (German Pilots) and were treated no less than any other soldier. Thing is, the Reich had to protect women from the plagues of war, pornography, perversion and the unwelcome enviroment created by the jews. The enemy knows when to hit. At war, hitting the women is far more stabbing in the nation as you hit the future of the nation and the strongest atom of it, which is the woman. Also, take in that all this happened in 1910 and afterwards- these days women were already in the kitchen, and if you go backwards like in the Dark ages, women and men were swine and probably enslaved to some kike in many regions. In other words, Nazi Germany was not repressive of women, it was revolutionary in giving women more freedoms and rights.

Hitler himself mentioned in his speeches that these measures were solely taken so that women would not suffer war. A woman can face much more humiliation than a man in wartime and this is evident to anyone who is aware of such circumstances. Also, the Hitler youth and other stuff accepted women and all these things. Women were treated with exceptional respect and their position was similar to the position of the old Spartan women. Infact, because women were so important they had to be protected in times of upwards move away from the regression, which everyone knew would get to war. Women were allowed to go to theaters and all these things, but meanwhile in the so called "freedom" countries they were totally limited.

Exceptions were treated as exceptions. For instance, Hanna Reitsch was a top pilot in Nazi Germany [http://en.wikipedia.org/wiki/Hanna_Reitsch].

Thing is the enemy always does what they do. They blame Racism to us. They blame that we push women in the kitchen to us, while they themselves have wrote a damn kike 2000 year old book saying every 2 pages that women are whores, worthless, meaningless, were made out of adam's rib, that god is male and has no wife (degradation of women) and so forth. In the Nazi and Satanic view, the female and male have equal positions, but as people and characters we may with choice choose in per se a partnership, choose someone

to stay on "top". What we also recognize is that in both Genders some signs are apparent like in males, they have more muscle mass for instance and are made naturally in their MAJORITY to be warriors, while the MAJORITY of women should have lighter tasks and other orientations in work and so forth.

Keep in mind that Nazism is eternal, so we understand change. Today men are boys and women for the most part as it seems cannot find decent husbands. The enemy has created many imbalances. But what those who preach black propaganda in our ranks is a crock of shit. The cosmic theory around our women was never one of oppression. Its the notion of xianity and the abrahamic programs, the jewish propaganda that sees women as swine. Nazism was revolutionary and as the years went by, women were far more free than they ever were before. There are many uneducated people and black propagandists who say all sorts of shit, trying to blacken the part of the woman. In closing, take 4 notions in mind.

1. The historical context of the time.
2. The jewish programm and the communist programm and how they see the women
3. That gradually women were becoming free-er in Nazi Germany and most had the greatest time of their lives so long Hitler had the nation.
4. That times change but the jewish scourge cannot be wiped out just like this from the major populace. Every sensible person knows this. You could not hop from 1850 when women were simply married by their parents to 1890 and expect it all to have changed. Satanism and Nazism were here to free us from all that scourge. But to free us, we had to be alive and protected. Nowadays they preach women are 'free'. While infact they are most subconsciously oppressed and played upon their deepest instincts of beauty, trying to find a mate and so forth. The kikes are pushing it all too far for a backlash. Never feed in their two sided games. There is always a third and fourth and fifth options and these are the Satanic options.

Oppression of women never has had to do with Satanism and Nazism. Its an offspring of xianity and the related ilk.

Subject: Finishing off the Jewish Tyranny. [Small Working]			

Fellow Brothers, Sisters and Commrades.

Today it is another day like all others that we belong to the Truth and serve the Truth. Those of us who have been with us until the end, saw and have done all the big work we are seeing the seeds of today. We have been rampantly attacking Israel and will continue doing so. There were members who went very far with this as all our family has done, attacked the enemy ruthlessly for 40 or even 80 days consecutively. Due to the effort of these modern day Heroes and our Freedom fighters, international Jewry is crumbling as the day goes by.

Though, as much as we see victory, we see something very evident: That the enemy will not just stand there and die. That they are very dangerous now like they never were.

We have had people who doubted, run away in laziness or fear, those Faithful Warriors of Satan know that Satan stands above them and has them under his wings. We had people who worked ruthlessly and wrote and are still writing history in its most subtle level. THIS IS YOU. YOU ARE NOT THE IGNORANT, YOU ARE THE BEINGS OF TRUTH AND THE LIGHT. I ask both of you to stand on your height of Soul and finish off the intruders of our life. There is not one problem in our lives that is not connected to the international Jewry. You see what they do to Gaza, what they have done to countless civilizations. This is only a bit of dust on what they will do to us if they will prevail.

For that reason I call the spiritual elites of this Era, to fight them ruthlessly, once more and until the end. Even when things are seemingly over, we must not fool ourselves as they will not go down so easily. Those who stop now, steps before the end, are not worthy of what it is to come. WE WANT A FREE WORLD. A WORLD FOR YOU AND ME AND NOT THESE JEWS TO RULE ON.

I call everyone to the Spiritual Arms. These days like no other days the enemy has been around their coffin. Its of serious historical importance that you act now. I tell you this from the bottom of my Soul, from the bottom of my Heart. If you are not the greatest and most brave people in the world, I do not know who that is.

Those who know what we do, know that we should decimate those who oppress us. Now is our most fatal opportunity.

You raised your head in spiritual tyranny, you have been with us from the start to the end. And you are now living to see the fruits which we have planted.

Be merciless in your pursuit of justice and in your pursuit of a better, Satanic World.

We are the most defamed, the most misunderstood, the most brave, the women and men against time, those who have an eternal vision of a greater tomorrow. Its up to you who have the tools of shaping the world to shape it. FATE CALLS YOU ALL TO DO IT!!!

So what I am asking is quite easy.

Everyday, until the day that a Ritual will come, which will be soon, raise the following and direct it as following.

-Thurisaz x9.

Then affirm Once with intent-

"Israel and all the jewish race of peoples are permanently and completely destroyed in every and all levels of existence."

-Hagalaz x9

Then affirm Once with intent-

"Israel and all the jewish race of peoples are permanently and completely destroyed in every and all levels of existence."

You can multiply 9 vibrations and do this, like x18 Thurisaz or x18 Hagalaz.

You can imagine grey energy suffocating them all over the globe, with severe intensity. This is to be done daily with your daily meditations. This will add up to our older Rituals and finish the job. But the job is not finished until WE finish it. And we are not idiots to think that Israel is overwith...Far from it.

Satan has placed his faith in us. Lets make Father Satan proud and create a world in which his name stands proud for all the Ages!

Israeli Calls For Total Ethnic cleansing Of Gaza

Expel Palestinians, populate Gaza with Jews, says Knesset deputy speaker

Israel must attack Gaza even more mercilessly, expel the population and resettle the territory with Jews, the deputy speaker of Israel's parliament, the Knesset, has said.

Moshe Feiglin, a member of Prime Minister Benjamin Netanyahu's ruling Likud Party, makes the call in an article for the Israeli news website Arutz Sheva.

Feiglin demands that Israel launch attacks "throughout Gaza with the IDF's [Israeli army's] maximum force (and not a tiny fraction of it) with all the conventional means at its disposal."

Force Gaza population out

"After the IDF completes the 'softening' of the targets with its firepower, the IDF will conquer the entire Gaza, using all the means necessary to minimize any harm to our soldiers, with no other considerations," Feiglin writes in one of several calls for outright war crimes.

Following the reconquest, Israel's army "will thoroughly eliminate all armed enemies from Gaza. The enemy population that is innocent of wrongdoing and separated itself from the armed terrorists will be treated in accordance with international law and will be allowed to leave," Feiglin writes.

"Gaza is part of our land"

"Gaza is part of our Land and we will remain there forever," Feiglin concludes. "Subsequent to the elimination of terror from Gaza, it will become part of sovereign Israel and will be populated by Jews. This will also serve to ease the housing crisis in Israel."

Feiglin has a long history of incitement. Last week he expelled Arab members of the Knesset who dared to criticize Israel's ongoing slaughter in Gaza and called for Israel to cut off power to dialysis patients there.

As of now, ninety percent of Gaza is without electricity, journalist Mohammed Omer reports, and most Palestinians in Gaza are getting as little as two hours of electricity per day.

Death toll climbs relentlessly

More than 100 Palestinians have been killed in the last 48 hours as Israel continues its indiscriminate attacks on Palestinians throughout the occupied Gaza Strip by land, sea and air.

By Saturday afternoon in Gaza, the thirteenth day of Israel's current bombardment and invasion of the coastal territory, 339 people, the vast majority civilians, had been killed in total and 2,500 injured.

Tens of thousands have fled their homes, primarily in the north and east of Gaza, seeking shelter from the Israeli assault in United Nations-run schools.

Genocidal demands

Feiglin's call for the destruction of the Palestinian community in Gaza has some resonance.

Just a day before Feiglin's article, Rabbi Ben Packer made a similar demand, calling the current assault "an opportunity for Israel to achieve a victory – to move the border" by conquering northern Gaza.

Packer is the director of "Heritage House," a settlement in occupied East Jerusalem that houses so-called "lone soldiers," men recruited from overseas to join the Israeli occupation forces.

Israel's former settlers in Gaza, evacuated in 2005, would be given the first opportunity to "settle in the regained territory," Packer said.

Packer, a settler from the United States and volunteer in the Israeli army, previously served as the "Rabbi on Campus" at the University of North Carolina and Duke University.

Calls like Feiglin's and Packer's for genocidal-scale violence against Palestinians are being heard with ever more frequency from Israeli leaders.

A call for genocide of the Palestinians by Ayelet Shaked, a rising star in Israel's Habeyit Hayehudi (Jewish Home) party, part of the government, received global notoriety after The Electronic Intifada translated and exposed it earlier this month.

Subject: Re: Israeli Calls For Total Ethnic cleansing Of Gaza

This "ethnic cleansing" is and always has been Jewish. What was done in the USSR and in other countries controlled by Jewish communism is unimaginable. Everything and I mean everything they accused the Nazis of [which the Nazis were innocent], is really the Jews. Millions upon millions of innocent men, women and children were falsely arrested, tortured to near death into making false confessions, [many died from the torture], and sent to Jewish run slave labor death camps where most died under conditions that were so horrid, there are no real words to describe them. [Disposable human beings]. The Jews took entire areas and peoples based upon their nationality/race and destroyed them.

Then, they blamed all of their mass murders, their methods and heinous torture on the Nazis. They did this to create a distraction, and as we know they have really used the media, reparations where Germany has had to pay trillions of dollars for "crimes" that never happened. Not one mass murderer from any communist country has ever been brought to justice. NOT ONE! The Jews never expected their communism to fail like it did.

The Black Book of Communism: Crimes, Terror, Repression [2000 Harvard University], reveals crimes against humanity beyond any imagination. Of course the authors always have to bring up that phony holoco\$t. Another point on this is that phony holoco\$t of their 6 million [they always use that number 6, just as their Talmud has 24 volumes $2+4=6$, and the list goes on with the 6, which is the biblical number for slave labor, with the Jews being the masters] and the fact that authors of such books elaborate on the Jews further indicates the bias towards Jewish supremacy. It doesn't matter what has happened to Gentiles, but OH MY! No one should even think to persecute any Jew!

The more I have been studying on this; the more it is glaringly apparent how the Jews are a most vicious, vile race full of the most depraved hatred imaginable. Oh, I know that there are a small percentage of Jews, like 5% that mind their own business and don't bother anyone, but always remember... they use these small percentages to hold up as examples, or even the part Jews that pollute the population with their filthy genes; that 5% breeds more of the 95% and would definitely support and side in with their own

should they ever gain total power. A Jew is a Jew is a Jew. Astaroth once told me "They are cancer cells." Most people know cancer cells attack healthy cells and take over the body, killing it.

Underneath all of this concerning the Gaza, the Jews are really using genocide and blatant racism [as they always have for centuries, while accusing Gentiles of such for distraction, as everything the Jews are and do, they blame upon and punish others for to create the distraction, no different form what they have done with Satan and our Gods in that bible of theirs], they are making room for their own. Many Gentiles in different countries are waking up to the Jew. The Jews know this, but are keeping it quiet, and using excuses and schemes to make room for as many kikes as they possibly can in Israel and from what I heard, in some places in Spain. They always have the inside information and they know what is coming. Being as unspeakably vicious and spiteful as they are, they will not go quietly.

"Genocide is permissible" according to insane Times of Israel Op-Ed (UPDATED)

Blogger Yochanan Gordon argues that the solution to opponents in Gaza is to "obliterate them completely"

"Genocide is permissible" according to insane Times of Israel Op-Ed (UPDATED)

Updated below.

The Times of Israel is under fire on Friday after publishing a blog post titled "When Genocide Is Permissible." The post, written by Yochanon Gordon, was quickly removed from the Times' website, but cached and screen-captured versions of the piece quickly proliferated on social media.

In the article, Gordon blasts the United Nations for its recent admonition against the "disproportionate" use of force by Israel in Gaza, insisting that international observers "are completely out of touch with the nature of this foe and are therefore not qualified to dictate or enforce the rules of this war."

Because of the supposedly unique menace that Hamas presents to Israel, Gordon contends that "nothing ... can be considered disproportionate when we are fighting for our very right to live."

He continues later on in the piece:

Hamas has stated forthrightly that it idealizes death as much as Israel celebrates life. What other way then is there to deal with an enemy of this nature other than obliterate them completely?

News anchors such as those from CNN, BBC and Al-Jazeera have not missed an opportunity to point out the majority of innocent civilians who have lost their lives as a result of this war. But anyone who lives with rocket launchers installed or terror tunnels burrowed in or around the vicinity of their home cannot be considered an innocent civilian.

And then concludes by asking the following rhetorical question:

If political leaders and military experts determine that the only way to achieve its goal of sustaining quiet is through genocide is it then permissible to achieve those responsible goals?

You can read a full version of the article [here](#).

Gordon does not cite any "political leaders and military experts" who have called for the genocide of Palestinians in Gaza. However, recent weeks have seen a spate of hard-line Israel supporters in the media aggressively justifying Israel's campaign in Gaza, which has already claimed the lives of nearly 1,500 Palestinians, many of them civilians.

Gordon, for his part, seems to be sticking to his guns. A Twitter account that appears to belong to the writer responded to critics on Friday afternoon. (Update: Gordon's twitter account has been deactivated, and his tweets deleted.)

The page where Gordon's piece was original published now bears a note reading: "The contents of this post have been removed for breaching The Times of Israel's editorial guidelines." The original headline has been removed entirely. According to his author page on the Times' website, Gordon has been blogging for the newspaper since April.

Update: The Times of Israel has released a formal statement about the article, calling it "damnable and ignorant" and stating that the newspaper has discontinued Gordon's blog. "We will not countenance blog posts that incite to violence or criminal acts," the statement reads.

Gordon, meanwhile, has issued an apology of his own, stating that "I never intended to call to

harm any people although my words may have conveyed that message.”

“I pray and hope for a quick peaceful end to the hostilities and that all people learn to coexist with each other in creating a better world for us all,” the note ends.

Kuwaiti Maternity Hospital in Rafah unable to cope with scores of dead and injured

The Ministry of Health Gaza is reeling from the reports coming out of Rafah, where scores have been killed and injured today, including 10 dead and over 30 injured in yet another attack on an UNRWA school, this time the Anas Ibn Malik Preparatory School sheltering thousands of forcibly displaced persons.

A group of women, children and older people were sitting against the wall at the entrance to the school seeking shade from the sun when they were struck.

This atrocity follows dawn attacks in Rafah on the Ghoul and Abu Jazzar family homes which left 18 dead and dozens injured, and brings the number killed in Gaza today to at least 118.

Missile and mortar attacks are continuing in Rafah, putting enormous pressure on the 20-bed Kuwaiti Maternity Hospital, which is overflowing with dead and injured. There are 30 bodies lying on the floor of the dental clinic, and children’s bodies stored in ice-cream, flower, and vegetable freezers as there are no morgue facilities. Other bodies have already been taken for burial in the western cemetery, the eastern cemetery being inaccessible because of Israeli shell-fire.

“We desperately need blood, we do not have enough for transfusions,” said Fatma Abu Musa, a laboratory technician at Kuwaiti Hospital. “We only have two operating theatres, one for minor surgery. They have to operate on two people at the same time on one operating table, major surgeries, with intestines on the outside, eyes on the outside. It is impossible to deal with all the wounded.”

Kuwaiti Hospital has sent many patients on to the Emirati Red Crescent Maternity Hospital nearby, which is slightly bigger but equally unequipped to deal with the types of injuries presenting.

The Ministry of Health Gaza has made numerous calls to the international community over recent weeks for assistance – calls which have largely gone unanswered.

We again implore of you that you take immediate concrete action to bring the Israeli carnage in Gaza to an end.

We demand in the name of humanity that the international community act to:

1. Stop Israeli war crimes immediately, and end the attacks on Gaza;
2. Establish safe evacuation routes for the injured to be transported from Rafah to other hospitals in Gaza for treatment; and
3. Ensure the prompt and safe transfer outside of Palestine for all of those patients who need it.

Subject: The Truth About the Talmud [Updated]

[The Truth About the Talmud](#)

"Jesus Christ," "Christians," and "Christianity" are hardly ever mentioned in the Talmud, despite the mistranslations that are available to the deluded Christians who believe that the Talmud is a conspiracy against Christ and Christianity. The truth is that the Talmud IS a conspiracy, but, it is a conspiracy against the Pagan [Gentile] peoples of the world. Despite the fuss that the Christians have made for centuries about passages in the Talmud that allegedly blaspheme Christ, the Jesus of Nazareth character is supposedly mentioned only once in the later editions of the Talmud, and he is cited: "I have come not to destroy the Law of Moses." (Matthew 5:17)

There is nothing anti-Christian about Christ in the Talmud. However, clueless members of the Christian faith insist that the Talmud contains numerous blasphemous references to Jesus, and the Christian "religion." The truth is that "Jesus" and "Yeshua" were very common Jewish names during the era when Christ's fictitious life was supposed to take place. Some sources say that the references to a man named "Jesus" or "Yeshua" existed around either 100 B.C.E. or 100 C.E., which according to Christian tradition, is not the birthdate of the Jesus of the gospels.

Many Jews do not believe in Jesus the Christ because they know that he is fictitious and that they invented this Jewish character for the Gentiles to grovel before as worthless "sinners," and to prepare them for the coming of the official Jewish Messiah who unites

all of the Jews in the world, brings judgment and damnation upon the Aryan peoples, and enslaves the rest of Gentile humanity.

Since the Jews concocted the Christian "religion" by stealing from the Aryan Pagans of the time from all around the world, Christianity's Christ, although Jewish by race, was given phony Gentile features in order to wreak havoc on the collective unconscious of the Gentiles. Today, there are Jews who claim to be out to "destroy" Christianity and replace it with Global Communism. If there is even the slightest grain of truth to the claim that the Jews want to quit promoting and actually "destroy" Christianity, it would only be because of the Pagan elements that Christianity stole from have out-lived their use, and a much more drastic theocracy is now required. The Jewish goal behind implementing Global Communism is to perform the final removal of all spiritual knowledge that was contained in all of the original Pagan [Gentile] religions. Christianity has never been anything more than a blueprint for Global Communism. [The Jews have targeted the United States of America for Jewish Communism, and the USA has more Jews than anywhere else. If our Gentile peoples don't wake up, we will all be in grave danger with no hope for survival].

One faction of the Jews is pretending to be against the Christian "Trinity," which is actually a Jewish pseudo-trinity consisting of "God the Father," "God the Son," and "God the Holy Spirit." The other faction of Jews will admit that a Christian who worships this "Trinity" cannot be put to death for "idolatry," because the Jewish version of the "three-persons-in-one-god" is NOT "idolatry," as these Gentile Christians are still worshipping the Jewish god.

In the book of Revelation in the Christian Bible, Christ admits that he is Yahweh/Jehovah. "I am the Alpha and Omega, the beginning and the ending, saith the Lord, which is, and which was, and which is to come, the Almighty." (Revelation 1:8) Jesus said he is the "god" of both the Old and New Testaments. Despite the way certain factions of the Jewish community hate to be reminded that Jesus is a Jew, they are pro-Christianity for the Gentiles, as Christianity was created to replace Satan and Paganism. The Jews concocted the Christian "religion" during a time before Paganism became politically correct. Paganism was synonymous with Satanism, and for those who have eyes, the two are still identical. Wicca and neo-Paganism are kosher counterfeits and corruptions of real Paganism, which is of Satan.

The Jesus/Yeshua Christ of the Christian Bible is clearly not the "Jesus/Yesu" that is "mocked" in the Talmud. The contrary does not hold water, as there are not enough matching parallels between Yeshu and Christ. The Christian New Testament is just as Jewish as the Torah and Talmud. I have read books and web page after web page that complain about the "Judaification of Christianity," as if Christianity is Gentile and not Jewish. The Jews invented Christianity FOR the Gentiles, and no one is exempt from the truth that every single "layer" of Christendom is of the Jews. Adolf Hitler made the observation that "Christianity is the greatest lie the Jews ever told humanity." [1]

The Jewish instigator of Christianity, Paul of Tarsus, states the following about the Jews and Jesus/Yeshua: "God's people [Jews] are sanctified by the name of Yeshua and the power of the Holy Spirit." [2]

I expect the Jewish people and some non-Jewish Christians to be "tearing their hair out" over this, but we must examine two important, alleged coded references to "Jesus" in the Talmud in order to prove what I have said thus far.

1) Sanhedrin 106b "A sectarian said to R. Chanina: Do you know how old Balaam was? [R. Chanina] replied: It is not written. However, since it says (Psalms 55:24) "Men of bloodshed and deceit will not live out half their days..." he was 33 or 34. [The heretic] said: You said well. I have seen the chronicle of Balaam and it said "At 33 years Balaam the lame was killed by Pinchas (Phineas) the robber."

Here is one Jew's commentary on this passage:

..."It is impossible to imagine that a Christian would ask a Jew how old Jesus was, and call the Gospel Balaam's Chronicle or that Pontius Pilate, who is not mentioned even once in the whole of rabbinic literature, should be referred to as Pinchas the robber. The sectarian referred to was merely a member of a Gnostic sect who was testing whether Chanina could answer a question that was not answered in the Torah. Balaam's Chronicle was an apocryphal book on Balaam. These books often adopted an unfavorable attitude to the patriarchs and the prophets and it was possible that Pinchas of the Bible was called in them Pinchas the robber." [3]

2) Talmud Gittin 56b-57a "[Onkelos Bar Kalonikus] called up Balaam from the dead. [Onkelos] asked: Who is honored in that world? [Balaam] replied: Israel. [Onkelos asked:] What about joining them? [Balaam] replied: (Deut. 23:7) "You shall not seek their peace or welfare all your days." [Onkelos] asked: What is your punishment? [Balaam answered]: In boiling semen.

[Onkelos] called up Yeshu from the dead. [Onkelos] asked: Who is honored in that world? [Yeshu] replied: Israel. [Onkelos asked:] What about joining them? [Yeshu] replied: Seek their good. Do not seek their bad. Whoever touches them is as if he touched the pupil of his eye. [Onkelos] asked: What is your punishment? [Yeshu answered]: In boiling excrement. As the mast said: Whoever mocks the words of the sages is punished in boiling excrement."

Here is the Jewish commentary for this passage:

"Here we see a story of the famous convert Onkelos who, prior to converting, used black magic to bring up famous villains of history and ask them whether their wickedness saved them in the world to come. In both cases (there is a third case of Onkelos calling up Titus as well) the sinner is being terribly punished in the afterlife while Israel is being rewarded. Presumably, this helped convince Onkelos to convert to Judaism.

As we have explained elsewhere, Yeshu is not Jesus of the New Testament. He is most likely a prominent sectarian of the early first century BCE who deviated from rabbinic tradition and created his own religion combining Hellenistic paganism with Judaism. While Yeshu may be the proto-Jesus some scholars point to as inspiring the early Christians, he is definitely not the man who was crucified in Jerusalem in the year 33

CE." [4]

The "Yeshu" that is cursed in the Talmud could have been a Pagan God who the Jews stole from in order to later concoct the Christ myth. There are several parallels between the life of our Aryan God Dionysus [Satan] and the fictitious, counterfeit Jew, Jesus Christ.

"Therefore, the Talmud is worthless as a non-Christian source demonstrating the historicity of the gospel tale and does not much add acceptable material for our quest to find out who Jesus was." [5]

"In the story of Dionysus is to be found not only these various significant correspondences to biblical characters and the Christ myth, but also an apparent explanation of the tale of Jesus ben Pandira, Pandera or Panthera, who was supposed by many to represent the "historical Jesus." This Jesus or Joshua ben Pandira is found only in the Talmud. In the story of Dionysus or Bacchus, the god is reborn as one of twins suckled by a female panther, hence his title "son of a panther," the same as "ben Panthera" As the "God of Nysa," Dionysus came out of Egypt, and his moniker was IHE, or IES in Latin, hence, "Jesus ben Panthera" may have been a reference to Dionysus. "Jesus ben Pandira" is not the gospel Jesus. [6]

Conclusion: The Jews have stolen from our Aryan culture and corrupted the spiritual messages behind our Pagan teachings. Christianity is close to having completed its task of removing Pagan spiritual knowledge and replacing them with Jewish SCUM. With what little spiritual knowledge remains for those who are sensitive enough to find such knowledge, the Jews are NOT playing games. They want to enforce the Noahide Laws [Global Communism] and even kill the Gentiles who served the Jews well. Wake up people!

Subject: Escaping the 'expectations' in regards to Satan and Satanism.			

Some things need be covered as things need to get clear in regards to questions that we are being asked/mailed about.

Many people, are stuck consciously or subconsciously into some mindsets and awareness over Satan that our enemies have been saying to the masses, to keep people blind from the Truth. In today's world where money is 'god' [Until the Great Gods return and we have our real Pagan Gods again], thanks to money we have a 'god', as the xian and all the other jewish institutions are where they are and still exist only due to money. Its totally understandable that many people are clinging over money, its fully understandable and acceptable to want money, to live a nice life and everything in that regard. But most people try to mix Satan and Satanism into this as this is what the enemy propagandizes to hide that actually the created '

People need to escape the mindsets that Satan gives us a bag of money in exchange for...whatever, or that he grants favors to fullfill one's genitalia and any other 'carnal' desire. Satan helps with everything, encourages, teaches and shows us the path of the Truth to finally become as the Gods. The Gods are and can be happy without any external depedency. The enemy wants people hooked on what is going on around them, 24/7. The enemy makes people live a totally external and unspiritual life, without ANY real power. In the best cases, the most loyal sheep of the enemy have money and thats all they have. Their mates are fake, their friendships are fake, families backstab each other, they are sucking the jewish shit in order to survive and in the end, the jews destroy them as they think they are "gods" and bestow and take what they want for their loyal sheep.

The jews always take whatever they give tenfold and this is in their shitty bible. You always owe them even when you don't. You are encouraged to live and exist like a slave, so long that you pay your self proclaimed hook nosed jewish master. The major weapon of the jews has always been money. Money this, wealth that. They are fixated as they know that their ugly mug cannot do a thing, they are by nature incapable of doing anything except parasitizing people that are creative and create for them. Money and physical wealth [of which they will be soon stripped as people are waking up] is what gives them the power they have. Their whole bible is trumped into Gentiles since birth, from the day one. As we know here, this makes the subconscious connections necessary to make the kikes rich. In other words, every idiot xian and everyone who has not waken up and fully deprogrammed themselves is in for problems of any nature. Its like you belong to their matrix, they can do as they please with you as you are asleep in their own programmed reality.

The enemy wants your desires degraded to only a physical level. Some money, a good house for the best of goy and those we cannot we are sorted. This for them is nothing, as they, for the time being and NOT the future, own a lot of things. They want the goy to sleep and they have constructed your notion of 'too much' to where its a fun trip for them to fullfill 'all' your desires. They create your dreams, your desires, everything, only to never grant it, they push into your head all these desires that they strictly keep, a meaningless life that leads nowhere but in death and in blindness, in spiritual bondage. Its all a game of masks, lies and confusion.

A Satanist should be far more demanding, in the positive and right sense. A Satanist should desire the exo-cosmic and trasncedental gifts, the True power and the Truth, then all the things. We do not demand from anybody but ourselves, though.

Satan helps the ordinary people escape and become something greater than that. In the process other things will be achieved, by Satan's GUIDANCE and not some 'FAVOR' just because someone asked like a brat.

Satan is not the God to base himself and his worship on some paper money. Satan has survived all this enemy bullshit and propaganda even when the enemy had total and full control [or almost that] on almost the whole world's wealth. Those who know Satan know that He wants to bestow the most deep and holy powers to people, so that they achieve far more than a fat home and a fat life. Everything else will come as you proceed down the path. Satan is our Father and the Father of Humanity, he does not need to hide before false idols, give physical things or whatever, to sustain his position. In other words, Satan is the Real God and will not feed the masses like cattle with bullshit promises.

After all, when preachers and shit get sick... What do they do? They pray to the kike zombie to get healed? They rush at a 20,000-a-day-stay hospital and do all they can to save their shitty lives. Most of them are dead afraid of death, as they are nowhere spiritually and nasty things await them on the other side. They are pathetic beings that when stripped of all they possess, they are worthless junk.

Satan builds your character and your Soul and people should be grateful he spends time for us and tries to help us and get us focused to create a better tomorrow. The major sheep populace is told and told again that the kike shithead 'god' is stronger and that somehow Satan must obey him and other mindsets that make people think that Satan is a wish granting machine. Satan helps us, guides us and can handle things we will not handle, while we advance spiritually to become a greater Humanity. If you do not help yourself and expect it all from Satan then you are in for a rude awakening. People are taught to be slaves, to always ask their master for a penny, to always kiss ass or whatever, to get what they should. People are taught to be servants. People are taught to never act on their desires and be pathetic.

Many people are like "Oh Father Satan I need a girlfriend/boyfriend, can you get me one?". They sit around in their flat, wait for the girlfriend/boyfriend to show up in the door, like some twilight saga magic, maybe with a marriage ring and whatever else. They always wait. Wait, never do, is the motto of xianity and the xian cohorts. "god has got things to do for everyone" they say. This pathetic behavior about is only a paradigm to show the stupidity of these people and how little they know of Satan. Satan doesn't want to give someone the 'happy', problemless life the enemy promises [jewish promises all the time, as they did in the USSR, promised castles in the sky and all people got were Gulags to die in and uttermost forms of terrorism], as this life is fake and you can't live it, because it does not exist, its not the way nature works. Peace and strength exist only for the strong. Nobody who is bound to someone else to succeed in regards to their desires is 'strong'. They are a parasite.

Satan makes people CAPABLE OF GRATIFYING THEIR DESIRES, HE DOES NOT GRANT THESE UNLESS THIS IS A GIFT COMING FROM HIM. Those who know Satan KNOW how strong and brilliant are his miracles and works in one's life, that need to go beyond mentioning and many times are far more than what we can share.

So when you wake up to the Truth and accept the True God, do not come with foolish expectations and have totally erased from your mind all 'must be illuminati' propaganda and what Mr. Pedopreacher has told you about Satan. Their own methods and their own works, all they do and are, is blamed and attached to Satan. They are the ones with the supreme big ass cathedrals, empty and devoid of any spirituality and any REAL hope for humanity. The ones who push people into drug addiction because they feel hopeless, as nobody really exists to save these poor people who feed for their lies in search of hope. They are the ones who lie endlessly every minute, they are the ones who serve the 'darkness', they are the ones who buy souls in exchange of foolish promises of money, wealth etc, directly or indirectly, as they pretend to lead a problemless life. The xian kid rapist preacher who wears the snake skin shoes and belt is the one who indirectly promises you of wealth, or for a serene life. Its in their own book, the shitty jewish made bible that whomever does not obey to them is to rot and 'burn in hell'.. Satan does not make these vain moves and actions. Its the xian church who hires bitches and pussy and beautiful women and men to spread their

leaflets, as to exploit all your instincts for you to join them. It's the enemy who lies to you of miracles and tells people that the 'good events' in their life and the 'bad events' were both from 'god', while karma exists and fucks people and their lives or uplifts them. The Jewish agenda is the one that manipulates your fear of the unknown, your fear and lack of knowledge of death, the fears they create by keeping people blind to science, knowledge and such, as they did for hundreds of years. They manipulate your desire to be loved, your desire for a greater community and such. Because some people are intelligent and naturally are still tentative to our True God Satan, after all these tons and centuries and propaganda, all they can still do is lie about him, they cannot erase Him, they could never defeat him.

Satan only steps in one thing: One's desire to learn the Spiritual Truth and liberate themselves in any and all levels. This includes everything for a Human being but this road is tough. This road is True. This isn't a road pelted with gold, you can put the gold here yourself, the flowers and such. Satan can show you how, he may grant you some over the way, as this is a two way street, but don't expect Satan to pave the whole road for you. This is the real life, the real world and a real walk with Father Satan.

Erase the enemy and the enemy mindsets and way to comprehend things from your mind. Empty yourself of expectations, because these expectations only limit you. You ought experience the limitlessness of Satan and yourself outside this spectrum, as the enemy made these expectations only to limit you in the end.

Subject: Sermon: Do you want a new future?			

Do you want a new future?

As times go by, many people are and many are now becoming aware of what the Jews have been doing to us Gentiles for centuries. For that reason, people are becoming very enraged, rightfully desiring a revenge against this race of people. As the days go by, people are making their research. We do our part in fighting global Jewry, by educating people. When people find themselves the lies the enemy has spewed, about religion, about every facet of life, people are becoming even more hatefully aggressive towards the 'chosen ones'.

The chosen "ones" have one "god" and its name is "money". Without their so called "god", they are nothing but a piece of shit. There are people who are unaware of the Jews, one thing: read history. Read history from unbiased sources. There are more than hundreds books of 1000 pages or more,

revealing the crimes of the jews, be it in Ancient Greece, Ancient Egypt, Roman Empire (whom they destroyed), Assyria and the Middle east, Even in the Americas (murder of the Indians) and so forth. People are being educated and not ed-jew-cated as they have done in the Age of Pisces.

The Age of Pisces and confusion and lies of the Abrahamic pieces of shit are over, unfortunately.

People nowadays know of the Inquisition that destroyed Europe and pletted the land with blood of the 'heathens' and people know of the crimes of the Vatican. People know what Christianity and the other "holy" major religions have done to Humanity, Science and everything that is beautiful. People know what happened in the middle ages (people dying like rats from the Bubonic plague because xianity said that "cats were of the devil" and mass murdered them, as thus letting the infected rats roam). People know about the "purity belts", people know about the Federal Reserve and who owns it, people know about the stolen land of pissrael, people know about all these things or have even heard about them. People know the CEO heads and the ilk in the big-ass industries, be them pharmaceutical, or food industries. People know about the Black Slave trade, people know the curses the Ancient Egyptians receive in the bible. People know all these things. People know how Hitler was dragged into war and never intended there to be war. People ARE learning about USSR and the jewish beast, people have seen what the jews do when they have power. People know about the jewish mafia in Brazil and the cocaine cartels, people know all of this. People know of their direct involvement and control of anything. People know of the Torah, of their Protocols in where they are calling us a piece of meat and goy. People know about the Rothschilds and the civil war. People see what the jewish spawn of 'communism' is doing to china and how it shaped these people.

The Great masses of people aweaken. People know that we have a Soul and that we owe nothing in the jews. Their spells are breaking and their state is crumbling.

People know that to the jews are are only to be slaves, animals and dead meat.

People are getting to realize the 'god' of nowadays that has allowed the world to rot for 2000 years, is just another jew, with stolen identity and personality from many major Ancient Gods.

People KNOW.

Nowdays, people know what they do. They know their unholy alliance with ET's and other entities, how they stole spiritual knowledge, how xianity, islam and Judaism have one aim: world domination under the jews. People see about Gaza everyday, how people are getting chopped and are dying, the murdering of the Yezidis by their kike-run and guided wars.

People know their lies.

But you know more, you know the Truth.

You know the capability of the Human Race, you know the True Father, you have the means to exact Spiritual justice on these spiritual, mental and physical criminals! So what should you do?

BRING SPIRITUAL JUSTICE.

If millions of souls who have been destroyed, raped, mutilated, poisoned, made lost, made insane and have endlessly suffered under the jews don't give you the shivers, if you deny all the Gentiles that live within you and in your blood, that have suffered for your Sake by trying to survive, that have spilled their blood for you, so you can live today and have another chance in defeating this scum.

Every Satanist must therefore affirm and say:

"WE GENTILES OF SATAN ARE DEAD ANGRY WITH YOU, ALL OF YOU AND WE WILL NOT LET YOU ESCAPE THIS TIME. THIS TIME YOU WILL BE SHOWN NO SPIRITUAL MERCY. WE ARE FREE FROM YOUR LIES AND KNOW IT ALL ABOUT YOU AND YOUR TREACHEROUS WORK AGAINST US!"

Satan wants nobody to allow themselves to be fast asleep when we have this chance to exact justice on this race of Criminals who are and stand against whatever we have being trying to create as Gentile people. Destroy spiritually what has been destroying for thousands of years.

NONE OF YOU IS ALLOWED TO ALLOW THEM TO DESTROY YOU, BECAUSE YOUR LIVES AND YOUR FUTURES, THE FUTURE OF HUMANITY IS MORE PRESCIOUS THAN A MERE COMFORT OF COWARDICE.

People of our Pagan Gods have spilled their blood in the sand and the Earth, screaming that one day will be back and take revenge against those who destroyed the world of Satan. Now us, as their Sons and Daughters, take the Holy fire to incinerate SPIRITUALLY all that has been destroying for so long! THE JEWISH TYRANNY AGAINST US, THAT OF THE JEWISH RACE!

So, do you want a new future? Or do you want us to be destroyed?

When we are so close to the new dawn, nobody is allowed to not welcome the Sun!

HAIL SATAN!!!!!!!!!!

HEIL THE GODS!!!!!!!!!!

HAIL TO OUR SPIRITUAL WARRIORS AND PEOPLE!!!!

Subject: Sermon 8/21/14			

As I mentioned before and will again, whenever you raise your energies through meditation, yoga, or any other spiritual discipline, it is very important to direct those energies. Each of us carries latent negativity in our chakras. This lasts through lifetimes and unless it is reprogrammed, this is what can cause unfortunate events and other negative experiences to occur. By stating positive affirmations following any spiritual working, even that of martial arts; this will direct the energies raised into something positive and helpful.

Energy always takes the easiest way out. This is scientific. Everyone should have certain goals and by consistently applying the energy to those goals, they will manifest in reality. Even if you don't have any goals you can decide upon, you can always build an aura of protection around yourself. Energy should never just be left to itself.

I would also like to add how important positive thinking is, especially when you meditate regularly. Of course, we are all a part of this world and subject to the mass mind, but each of us to some extent creates our own reality. Dwelling on negativity will cause that negativity to manifest, especially when one's mind and soul are above average in strength.

Many problems that plague humanity are created from the mass mind. It is a very sad fact that the bible, which is in nearly every home, in hotels, in hospitals and everywhere else, along with being forced onto and literally drummed into the mass mind, especially those of innocent children, of whom the enemy knows are vulnerable and defenseless against it, is chock full of the worst negativity imaginable. The bible literally programs humanity to be rotten. Those of us who meditate regularly know just how sensitive the mind is to any spiritual awareness. Look at your chakras and you can feel them. Now, that thoroughly rotten bible is forever affirming how "everyone is a sinner" and other related putdowns, both in the old and new testaments. Given how energy works, this becomes imbedded in the mass mind and manifests itself into real evil. The negative affirmations concerning humanity in that

malignant piece of trash are endless. Everyone has always got to be sorry, etc., and through this, the entire world is forcibly caught up in a vortex of damnation that keeps perpetuating itself. I also have an old sermon concerning Christian mind control methods:

XIAN MIND CONTROL

One technique xians have used for centuries is that of mind control. Those who attend xian services or masses subject themselves to being programmed. One naturally becomes bored and begins mindlessly daydreaming, or even half-nodding off to sleep. This is when one is most susceptible to their subconscious mind being programmed. This is even worse for in the case of small children and even babies whose minds are open and susceptible. In colonial times, church masses lasted all day long. The church usher would carry a long steel pole with a ball at the tip to crack those who nodded off on the head. Church attendance was compulsory, resulting in fines or public humiliation such as confinement to the stocks for a specified period of time if one did not comply. All of this is a conspiracy. The xian church masses and services are meant to be boring in order to induce a passive and receptive state of mind where one can be programmed without their knowledge. Those who control the xian program know all about the mind and how to program the populace. They are nothing but a bunch of the worst criminals. All of this is done deliberately to create a slave state. The slave state is the goal of xianity. The xians who walk around with the pasty artificial smiles as though in a trance are those who continuously subject themselves to this indoctrination. More and more church attendance and reinforcement turns them into conditioned robots. This is one reason many who are in the process of breaking away from xianity have a hard time, experience confusion, and sometimes fear. People are unaware they are actually being hypnotized. Studying the truth will eventually result in deprogramming one's mind. The fear, doubt, and confusion will eventually give way to reason.

Another thing I want to mention is the JoS website. It is very extensive. Many of the articles I wrote are very old. I learned Satanism on the job. The section on Demons is very old. Demons are the original Pagan Gods. Demons are for spiritual guidance and support. When we open our minds through meditation [in some cases certain people are born with this ability from meditating and doing spiritual work on themselves in past lives], we open our minds to the astral. Everyone should learn to filter by tuning out anything unwanted, from the astral. This also includes what one can encounter using a Ouija Board, as it is open to all kinds of different astral influences. This just comes with opening your mind and soul. One becomes much more sensitive and psychic.

Using your intuition is exceptionally important. There can be times, especially with verbal telepathic communications where things can get confused or go wrong. It is a very sad fact that science has been so vehemently attacked and held back dangerously by the xian church. The ignorance of the populace is essential in creating any slave state. This is no different from communism, which is the twin of Christianity. Both work to murder all of the intellectuals, those who have knowledge or anyone deemed a

threat, which usually adds up to millions, as communism has done with "purges" and of course we all know about Christianity with the Inquisition. During the Dark Ages, Christianity had total control, the average person was a serf, and a slave and everything stagnated. The Jews had total control until they were forcibly expelled from Western Europe and migrated to the East. Following their departure, came the Renaissance. Of course we all know of what became of the East, as with communism, the populace is living in a Dark Age. Both Christianity and communism also use the same brutal forceful methods of indoctrination and mind control. They are one and the same program and have survived as the populace believes the lies that Christianity and communism are enemies. Nothing could be further from the truth. In both doctrines, nothing contradicts. The teachings and the foundations are both the same, though the lying Jews will try to convince you different. If they don't get you with one, they will get you with the other. No different from how Israel publicly allies with the USA and "free" world, while the former USSR would publicly condemn Israel and take the Arab side in order to confuse the world; supplying the Arabs with military weapons, but of an inferior grade. This was another very clever tactic just for show. No different from Christianity and communism. They only pretend to be working from opposite sides.

Your intuition is individual. Learn to work with it. And, of course not everything is spiritual. Given how science has been held back, there is still a lot we do not know concerning the mind. Both science and spirituality meet and complement each other at a certain point. Technology and spirituality both work together. Verbal communications can be tricky at times. The human mind as we all know tends to repeat certain things like a song that hangs on in your head. This can also influence verbal communications and make things difficult. Say for example you have a spiritual friend, Demon, or other entity and you can hear him/her calling you, saying your name, or trying to communicate with you. At some point, like with music, this can become imprinted in the brain and there can be times when you THINK you heard him/her, but it was only in your own mind.

The same thing can be said concerning thoughts. We open new pathways in the brain when we use new skills, both physical and spiritual. Some of these can get crossed. This is a scientific fact. Your own mind can be saying something, no different from hearing a song in your head, and you may unknowingly attribute this to a Demon or other spirit. Your intuition will lead you in the right direction. Verbal telepathic communications cannot always be depended upon, even with gifted psychics. Use your own intuition as well. Your intuition can manifest itself in certain gut feelings, certain strongly FELT influences, and even in events. With experience, knowing yourself and your mind and knowledge, you can tell the difference from spirit communications and that of your own mind.

Through consistent meditation, and working with the powers of your mind and soul, you will find your subconscious mind can be a help to you in life. Unfortunately, with the horrendous negativity drummed into the populace, the removal and corruption of spiritual knowledge and the receptivity of the mind and soul, the subconscious mind of the average person often works against him/her. This is energy left to itself, undirected. No different

from an abandoned home where the grass grows waist high, weeds take over, and the property falls into decay at the mercy of the natural elements.

In closing, be aware of how the Jewish controlled media and press work. They have always manipulated the masses in one way or another. Just note how the news regarding the Ebola outbreak has taken the heat off of Israel and its crimes against humanity that were the focus just a few weeks ago.

Subject: Re: Do jews have any spiritual power?

Never underestimate the enemy. Yes, they have extreme power. Not only do they have power, but all of their subliminal filth and corrupted doctrines are firmly imbedded into nearly everything. People, if they knew the full extent would be shocked. For centuries, the Jews have been quiet and have kept much of their living and activities secret. Not too many know the full extent of their history. As Adolf Hitler wrote in Mein Kampf, given the extreme disasters they have been subjected to- the pogroms, being forcibly expelled from nearly every country outside of the USA, many more than a few times, and other endless attacks, of which they brought on themselves, they have never changed or evolved in any way, nor in character. Just their having survived intact is something people should be aware of. The ancient Assyrians are gone, the Phoenicians, the Philistines, and many others have disappeared from history, others have evolved. The Jew has not only survived, but has remained intact in regards to character in every race and in every culture. This is very abnormal.

For those of you who are new here, the focus on communism and such is in exposing the true purpose of Christianity. Christianity [I will use xianity from now on here] is not a religion, nor is it spiritual, it is a hoax of catastrophic proportions and is not only intended to disarm Gentiles spiritually, as all of the spirituality has been removed from the original Pagan religions from which xianity stole copiously from, but to also foster a slave mentality and open Gentiles to accept Jewish communism. Both xianity and communism are one and the same program, but pretend to be vehemently opposed to each other and enemies. This is a tactic and nothing more, intended to deceive the masses of people and unfortunately it has worked very well. If the Jews don't have you one way, they will have you the other.

Their power is in their Torah. This is their root. The proportion of Jews who have unimaginable wealth is extreme. This wealth is something we Gentiles pay for, not only in our having to go without, sacrifice, budget and live in many cases, in substandard conditions, but also we have paid with our spiritual energies. Many who are in the worst poverties in developing countries, even though they have no money or anything material that the Jew can take, then the Jew is behind the harvesting of bodily organs, often taken from kidnapped children in those parts of the world. Jewish greed and malice know no bounds. They make millions on the black market in body organs, for one.

The Jew has gotten away with unimaginable atrocities against Gentiles because of their spiritual powers against us. The extent that their filth is embedded is another shocker most people are not even aware of. In addition to their spiritual powers, most of which xianity and Islam are the hosts for, the teachings society have been indoctrinated with are also a major assistance in their advancement. No, they do not have total power, otherwise this entire world would have succumbed to bolshevism, but their power is nothing to take lightly.

With the recent years, post WW2, there has been a resurgence in occult and spiritual knowledge, especially in the West. Before this, much regarding spirituality, the powers of the mind and such was not readily available to the average person. This is why with all Jewish programs, they use their tools such as xianity to attack and suppress science and literacy. Under communism, most people lived in what was equivalent in many ways to the Dark Ages. Yes, the USSR and others had advanced military weapons and such, but the average Gentile lived like a serf. There are many photos for example of the former USSR of Russian women sweeping the streets with makeshift "brooms" made out of twigs. The kike controlled government was so cheap, they would not even provide simple brooms for their people. For more about this:

<https://www.youtube.com/user/iknowthetruth88/videos>

I know I am not the best speaker, but these youtube videos both myself and High Priest Micama Gmicalzoma put together reveal some of just how horribly these people live. The Jews have gotten away with their atrocious crimes because they have kept and used occult power for centuries, while forcibly disarming Gentiles with their xian programs and of course, their "purges" of which most know of the Inquisition:

http://see_the_truth.webs.com/Inquisition.html

There are some idiots who try to claim the xian church was "infiltrated" by Jews. No, this is not the case. The xian church has always been chock full of Jews and controlled by Jews, though they often use a Gentile front person, who is under their thumb to divert attention away from them and to confuse the populace. Another thing I want to mention is what Satan told me regarding Martin Luther. He was another phony. He did what he did and

pretended to be against Jews in order to break up the centralized power of the Catholic Church and it worked. One must know Jewish tactics. This is no different from the Nazarene who mutates like a deadly virus. He not only changes with the times, but can be nearly everything to everyone at all times. During the Middle Ages, "Onward Christian Soldiers" with the advancement of women in society, he is then married to Mary Magdalene, with the openness of homosexuality, he then has an affair with one or more of his apostles, then with the late 60's and early 70's, he is the ideal hippie. Now with the New Age movement, he puts on the New Age face and image. http://www.angelfire.com/empire/serpentis666/Ubiquitous_Nazarene.html

Just as a deadly virus can survive intact by mutation and adaptation, this is no different from the nazarene.

http://see_the_truth.webs.com/
<http://exposingchristianity.com>

In closing, other tactics include pushing the love, love, love message. Labeling anything concerning the truth regarding the Jews as "hate" where they scream the loudest, and pushing endless lies into the minds of children and college students- they have textbooks where they tell the truth and then imbed lies in addition to confuse the average person. People are so programmed it is frightening. People are also indoctrinated with non-interference and indifference. Don't do anything, just "live and let live" and related. Both programs of xianity and communism have never just applied any "live and let live" principles. Both are mass-murdering, torturing, atrocious death programs designed to murder anyone with any education, knowledge, or spiritual powers and enslave the remaining ones who are largely illiterate under the most brutal conditions imaginable.

The rituals I have posted that reverse their torah in Hebrew, if we do enough, they will destroy them. I will have more forthcoming. Never underestimate the enemy. This is what they want you to do. Gentile humanity has never been out from under their control for thousands of years. There was once a Golden Age when the world was free of them. Following their invasion, Europe suffered under the Dark Ages for over 1,000+ years. Only when the Jews were forcibly expelled from Western Europe, did the Renaissance occur. Science and education were revived, though much was lost and destroyed in the preceding years. The Jews then headed East to Russia and Poland and the surrounding countries where they instituted their bolshevism, turning these countries back in culture with a drastic drop in living standards and mass slavery and of course, the mass murders exceeding the hundred million mark. During the Inquisition, the Jewish run and controlled Catholic Church wiped out entire villages, putting many Gentile children as young as two years old in "witch houses" to burn to death.

Unless the entire world wakes up and unless the programs of xianity, communism and anything related- Islam, etc., are completely destroyed,

humanity has no future. I can't keep going on here, but I study for several hours every single day and what I have been researching and learning about these programs and their Jewish masters is indeed horrifying.

What can you do? Get the word out to as many people as possible. This is what Satan's Library is for:

http://spiritualwarfare666.webs.com/Satans_Library.htm

Unless the world wakes up to reality, we are all doomed. Civilization is not something that is just given to us or guaranteed. Millions of people have fought and died for our civilization and even more so, our freedom. This isn't anything one should take lightly, only an idiot would disregard this.

Can a Jew be strong spiritually? Given their massive vortex of spiritual energy, centuries of it, yes. They are not only a mind-hive, as High Priest Don wrote about, how they are communists at the soul and in some cases aren't even personally aware of this, but act out even unconsciously to promote xianity and communism, but most importantly, at the soul which drives all of this and their nefarious mission against us. It bleeds over into the individual Jew. For example, the verse we worked on in the last reverse torah ritual where it says in the bible- those who bless Israel will be blessed and those who curse Israel will be cursed [Genesis 12:3]; this verse has had power in protecting the Jews and there are many more. Xians keep bolstering it as well by pouring endless spiritual energies into this destructive crap. Xians not only damn themselves, but this entire world as well and most don't even know they are doing it.

Everyone has spiritual power to some extent, however, most do not have enough energy (chi) to make any real effects happen. A for the Jews you would have to understand the mysteries of thought-forms. Judeo-Christian religions have been pushed by certain Jewish groups so that their 'race' would be more powerful than average. Everything is energy, including thoughts. And on the mental level energy goes where attention goes. Thought-forms are created by thoughts, especially focused or attentive thoughts. Now, imagine all the power created by Judeo-Christian worshippers. Also, remember energy tends to take the path of least resistance. All the

so-called deities in Judeo-Christian religions which obviously do not exist, have overtly Jewish characteristics, such as Jesus celebrating Jewish holidays. These 'characteristics' in the religions combined with the worship, thoughts, and beliefs of Judeo-Christians, such as Muslims, Christians, Catholics, Judaists, et cetera -- all of which include the

overtly Jewish characters have created an incredibly powerful current or vortex of energies and thought forms which support and have aided the Jewish people throughout history, especially in their most vicious atrocities.

As for the Rothschilds, I have researched them and performed workings to figure out if they know this, and my workings have led me to the conclusion that they do not. However, they are certain supported by the vortex, and are

quite evil people. The Rothschild's more material power comes from the

fact that they have been controlling politics and finances in almost every

country for the past two centuries, and they are the only family on the planet that as trillions of dollars, plus, because they own banking cartels or control people that are in charge of them such as the Federal Reserve they can print for themselves as much money as they wish.

I recommend you watch the Zeitgeist documentaries which can be found on Youtube, and State of Mind: The Psychology of Control by InfoWars which can be found there as well, which includes some incredibly accurate information on the banking system and the Rothschilds.

Subject: Satanic Respect			

Some people here know fully and by heart the notion of the word 'Respect', while others don't. This message has the sole purpose of explaining the word Respect and what it means to us as Satanists.

Like any other word, the meaning needs to be understood again when one is a Satanist, as Respect from, between and for a Satanist means a whole different thing than what it meant before one realized the Truth.

No different than the word "love", the word "repsect" has been severely bastardized aswell.

Xian type of respect is naturally repulsive.

We are taught for a very young age to respect someone, just to 'respect' them, for no reason whatsoever. This person most of the time did nothing for us and in many cases, we may even have been abused by this person. We are taught like the jewish 10 commandments, to respect our family for instance. This might be especially True when our family is great and beautiful and it has nothing to do with some kike commandments, it has to do with the fundamental principle of civilization. But there are other cases where people are getting abused and they are basically told to be respectful, meaning actually to be enslaved under some subservient or abusive being, which is entirely xian and kike in its nature. We were taught to respect Mr. Pedo xtian preacher for his position in the hierarchy of kid rapist institution that has been plaguing humanity for centuries, we are taught to respect Mr. Goldberg Chain XXX because they have money in the capitalist ratwheel and we unfortunately have been running so long for the time being, but not for long. We are taught to respect the jews because of some holohoax that never even happened, we are taught to respect our neighbor who may in his free time beat up our dog for making noise and the endless list goes on. We are taught to 'respect' random people and basically respect means "shut the fuck up", as these people know better, or that you need to suppress yourself and degrade yourself in their presence and so forth. Respect becomes meaningless, dangerous, fake, a form of suppression.

"Respect" starts to rhyme with enslaved. In this world of base chakra consciousness, individuals who are worth nothing and are doing nothing for the cosmos, the planet and the greater good, the community, ask for respect and honors and blind submission. This for sure causes any double digit IQ person to react to these people, though many succumb. For those who do not succumb and search for a reaction, the jews have created anarchy and many other programmes that pose as a solution, like living without a leader in a hut and praying to the jewish zombie for salvation and so forth. Even a fly can understand that these people serve nowhere and do nothing but try to fill their endless egopathic loop of attention-whoring, on either end.

Respect becomes actually "being a good slave" and "Shutting your mouth up when someone talks"

or anything in this regard.

This creates a backlash and people as the jews know, start to disrespect everyone, question everyone, go against everyone and many times even go against their own interest, mistake the behaviors of others as attempts to gain respect and so forth. This is all completely understandable. The problem is, as people banish the above type of respect, people also banish the term all together, opening themselves up to be disrespectful and completely forgetting the term itself or its meaning. People become leader-less drones, nobody listens to anyone and nobody is worth listening even to themselves, as people are locked down to a very low level of consciousness in which few know what is what, who is who, and even fewer know their best interest. This sets the people for failure, loneliness and all kinds of neurotic behavior. We have observed this in the groups lately with numerous cases. They actually start to become what they stopped 'respecting' in the first place and all this in the end emphasizes communism, as the jews actually have paved the way to their own 'rebellion'; rarely their rebellion leads somewhere like the lucky very intelligent people who became Satansits and opened their eyes.

Respect in the xian mindset and reality is nothing more than respecting material goods, respecting vanity, respecting emptiness.

The enemy is notorious of bastardizing fundamental principles of civilization, like money, like love, like wealth, like partnerships, like family and so forth, like GOD and RELIGION and other things.

In Satanism, words like respect, faith, friendship, adoration, obedience; all these words mean exalted things. The enemy is against anything divine and exalted. They try to destroy things from the inside and out.

In Satanism, what does Respect mean?

Exalted things. First of all, the True Satanic Leadership and the True Satanists, as those who have treaded far in the path know, a Spiritual Satanist after a point has to sacrifice their own personal low level of vanity and achieve a new Ego and a new state of consciousness, in which he thinks more as a God and less as a man. In other words, mortality, fears that come with it, the need to do everything now, the need to make everyone obey you like a chimpanzee (no offense to chimps, they are actually very emotional and intelligent creatures), or even worse false desires like needless respect, fear, whatever- spawns of a diseased mind- give place to a new consciousness. In Satanism, I respect my fellow brother means I forgive, I understand, I try to understand, I fight for the greater good and the greater purpose. No matter what may happen between me and them, in the battle we will be together and forget everything that happened earlier. I place myself second of off the greater good [Which is the True Notion of Sacrificing one's self], I place everything that has to do with mini-"big" me behind for the time being and I aim for the time being, for the greater good and acts of Satan.

Failure to understand the above means one needs to progress further in meditation.

I respect the elder Satanist in terms of Soul and wisdom, no matter if I like everything about him or not. I respect the other Satanist who has been struggling for years against the jewish beast, no matter if I agree with all his behaviors or not. That does NOT MEAN VICTIMIZATION OR THAT I GIVE THEM A FREE PASS TO FUCK ME OVER or that I tolerate injustice from them or that I become a victim, it means I respect their position and they respect mine, as we both understand the Divine order of the cosmos and Satan. It just means in the sight of nowadays major problems and enemy destruction we must do, we must focus there and stop trying to cause strife. Most of the time, never good SS do this to one another if there is no enemy involved. Its said in their shitty bible, that Satan should be divided. In our legitimate and right ranks and with our right people there are no divisions, but we do not include the bad apples. Retarded idiots who want to harass, cause strife and destroy us have failed for too long. Its fun they still try, but they have nothing

more to do as the enemy only gave them empty lives and empty promises, devoid of even the ability to dream.

I respect my fellow brother who is a great farmer, I respect my fellow Brother who from another Gentile Race is trying to further Satan's ends so we can all live in peace, I respect the Satanist who has devoted his/her life making artwork for Satan, I respect the Satanist who has devoted his life in teaching me and helping me evolve, saving me hundreds of hours or even lifetimes from struggle in the sea of eternal knowledge (and in this age, huge quantity enemy misinfo). I respect the one greater than me, the less seemingly greater than me, the stronger than me, the weaker than me. In Truth, we are all in this and nobody is left behind. Thats the reality of National Socialism and the Satanic New World Order of Satan.

Satanism is also like military training. Whether you like it or not, you will have to obey to those upwards in the ladder, but this is nothing like the traditional obedience. A paradigm would be the real life military, even if you are an ordinary soldier your commander suffers from your loss greatly, so you suffer from them. In many cases, the "ordinary" Soldier is nothing less than a supremely heroic being in act and deed, a true Hero. Another paradigm would be this: A God, lets say Amon-Ra, helped the Egyptians shape their civilization. Listening to His advice was not the type of obedience we know today, its the sensible type of obedience when we know a being that is all right and in God Status is giving us advice to better ourselves.

Since we are all striving for the Magnum Opus and to become as the Gods, we need to start massively understanding how the Gods work with one another. Beings that are self-powerful and self aware have few things to argue about, as Plato said, JUSTICE IS WHEN EVERYONE DOES WHAT THEY WERE BORN TO DO. Now in this quote, one can realize what he meant. We all come here with a predisposition. By Serving this predisposition and working on our karmic nature, we are able to surpass fate and become greater, all this with the help of Satan.

The True Clergy of Satan is people who devote themselves for you, your own interests and Satan's Agenda. This is to be reminded. The True Warriors of Satan is people who devote themselves in fighting and getting the heat on their back for Humanity. The people of Satan are those who are getting the heat of opening their eyes and take the spells and confusions from the major populace and help Humanity evolve once again. Everyone does their purpose and they deserve respect. When one treads down the path, they will readily see what I mean here, by their own heart.

Satanism starts at the heart, not at the mind. Then both go together.

With all the above being said, I suppose now the notion of Respect will be understood more. There will be a book incoming, in which many many more things will be written on about and definitely in a more clear and simplified way so we can all relate to and understand them.

It is the greatest murder mystery of all time, a puzzle that has perplexed criminologists for more than a century and spawned books, films and myriad theories ranging from the plausible to the utterly bizarre.

But now, thanks to modern forensic science, The Mail on Sunday can exclusively reveal the true identity of Jack the Ripper, the serial killer responsible for at least five grisly murders in Whitechapel in East London during the autumn of 1888.

DNA evidence has now shown beyond reasonable doubt which one of six key suspects commonly cited in connection with the Ripper's reign of terror was the actual killer – and we reveal his identity.

A shawl found by the body of Catherine Eddowes, one of the Ripper's victims, has been analysed and found to contain DNA from her blood as well as DNA from the killer.

The landmark discovery was made after businessman Russell Edwards, 48, bought the shawl at auction and enlisted the help of Dr Jari Louhelainen, a world-renowned expert in analysing genetic evidence from historical crime scenes.

Using cutting-edge techniques, Dr Louhelainen was able to extract 126-year-old DNA from the material and compare it to DNA from descendants of Eddowes and the suspect, with both proving a perfect match.

The revelation puts an end to the fevered speculation over the Ripper's identity which has lasted since his murderous rampage in the most impoverished and dangerous streets of London.

In the intervening century, a Jack the Ripper industry has grown up, prompting a dizzying array of more than 100 suspects, including Queen Victoria's grandson – Prince Albert Victor, the Duke of Clarence – the post-Impressionist painter Walter Sickert, and the former Liberal Prime Minister William Gladstone.

It was March 2007, in an auction house in Bury St Edmunds, that I first saw the blood-soaked shawl. It was in two surprisingly large sections – the first measuring 73.5in by 25.5in, the second 24in by 19in – and, despite its stains, far prettier than any artefact connected to Jack the Ripper might be expected to be. It was mostly blue and dark brown, with a delicate pattern of Michaelmas daisies – red, ochre and gold – at either end.

It was said to have been found next to the body of one of the Ripper's victims, Catherine Eddowes, and soaked in her blood. There was no evidence for its provenance, although after the auction I obtained a letter from its previous owner who claimed his ancestor had been a police officer present at the murder scene and had taken it from there.

Yet I knew I wanted to buy the shawl and was prepared to pay a great deal of money for it. I hoped somehow to prove that it was genuine. Beyond that, I hadn't considered the possibilities. I certainly had no idea that this flimsy, badly stained, and incomplete piece of material would lead to the solution to the most famous murder mystery of all time: the identification of Jack the Ripper.

Gruesome: A contemporary engraving of a Jack the Ripper crime scene in London's Whitechapel

When my involvement in the 126-year-old case began, I was just another armchair detective, interested enough to conduct my own extensive research after watching the Johnny Depp film *From Hell* in 2001. It piqued my curiosity about the 1888 killings when five – possibly more – prostitutes were butchered in London's East End.

Despite massive efforts by the police, the perpetrator evaded capture, spawning the mystery which has fuelled countless books, films, TV programmes and tours of Whitechapel. Theories about his identity have been virtually limitless, with everyone from Prince Albert Victor, the Duke of Clarence, to Lewis Carroll being named as possible suspects. As time has passed, the name Jack the Ripper has become synonymous with the devil himself; his crimes setting the gruesome standard against which other horrific murders are judged.

I joined the armies of those fascinated by the mystery and researching the Ripper became a hobby.

I visited the National Archives in Kew to view as much of the original paperwork as still exists, noting how many of the authors of books speculating about the Ripper had not bothered to do this. I was convinced that there must be something, somewhere that had been missed.

By 2007, I felt I had exhausted all avenues until I read a newspaper article about the sale of a shawl connected to the Ripper case. Its owner, David Melville-Hayes, believed it had been in his family's possession since the murder of Catherine Eddowes, when his ancestor, Acting Sergeant Amos Simpson, asked his superiors if he could take it home to give to his wife, a dressmaker.

Incredibly, it was stowed without ever being washed, and was handed down from David's great-grandmother, Mary Simpson, to his grandmother, Eliza Smith, and then his mother, Eliza Mills, later Hayes.

In 1991, David gave it to Scotland Yard's Crime Museum, where it was placed in storage rather than on display because of the lack of proof of its provenance. In 2001, David reclaimed it, and it was exhibited at the annual Jack the Ripper conference. One forensic test was carried out on it for a Channel 5 documentary in 2006, using a simple cotton swab from a randomly chosen part of the shawl, but it was inconclusive.

Most Ripper experts dismissed it when it came up for auction, but I believed I had hit on something no one else had noticed which linked it to the Ripper. The shawl is patterned with Michaelmas daisies. Today the Christian feast of Michaelmas is archaic, but in Victorian times it was familiar as a quarter day, when rents and debts were due.

I discovered there were two dates for it: one, September 29, in the Western Christian church and the other, November 8, in the Eastern Orthodox church. With a jolt, I realised the two dates coincided precisely with the nights of the last two murder dates. September 29 was the night on which Elizabeth Stride and Catherine Eddowes were killed, and November 8 was the night of the final, most horrific of the murders, that of Mary Jane Kelly.

I reasoned that it made no sense for Eddowes to have owned the expensive shawl herself; this was a woman so poor she had pawned her shoes the day before her murder. But could the Ripper have brought the shawl with him and left it as an obscure clue about when he was planning to strike next? It was just a hunch, and far from proof of anything, but it set me off on my journey.

Before buying it, I spoke to Alan McCormack, the officer in charge of the Crime Museum, also known as the Black Museum. He told me the police had always believed they knew the identity of the Ripper. Chief Inspector Donald Swanson, the officer in charge of the investigation, had named him in his notes: Aaron Kosminski, a Polish Jew who had fled to London with his family, escaping the Russian pogroms, in the early 1880s.

Kosminski has always been one of the three most credible suspects. He is often described as having been a hairdresser in Whitechapel, the occupation written on his admission papers to the workhouse in 1890. What is certain is he was seriously mentally ill, probably a paranoid schizophrenic who suffered auditory hallucinations and described as a misogynist prone to 'self-abuse' – a euphemism for masturbation.

McCormack said police did not have enough evidence to convict Kosminski, despite identification by a witness, but kept him under 24-hour surveillance until he was committed to mental asylums for the rest of his life. I became convinced Kosminski was our man, and I was excited at the prospect of proving it. I felt sure that modern science would be able to produce real evidence from the stains on the shawl. After a few false starts, I found a scientist I hoped could help.

Dr Jari Louhelainen is a leading expert in genetic evidence from historical crime scenes, combining his day job as senior lecturer in molecular biology at Liverpool John Moores University with working on cold cases for Interpol and other projects. He agreed to conduct tests on the shawl in his spare time.

The tests began in 2011, when Jari used special photographic analysis to establish what the stains were.

Using an infrared camera, he was able to tell me the dark stains were not just blood, but consistent with arterial blood spatter caused by slashing – exactly the grim death Catherine Eddowes had met.

But the next revelation was the most heart-stopping. Under UV photography, a set of fluorescent stains showed up which Jari said had the characteristics of semen. I'd never expected to find evidence of the Ripper himself, so this was thrilling, although Jari cautioned me that more testing was required before any conclusions could be drawn.

Obsession: Russell Edwards points to Hambury Street where one of the murders took place

+7

He also found evidence of split body parts during the frenzied attack. One of Eddowes' kidneys was removed by her murderer, and later in his research Jari managed to identify the presence of what he believed to be a kidney cell.

It was impossible to extract DNA from the stains on the shawl using the method employed in current cases, in which swabs are taken. The samples were just too old.

Instead, he used a method he called 'vacuuming', using a pipette filled with a special 'buffering' liquid that removed the genetic material in the cloth without damaging it.

As a non-scientist, I found myself in a new world as Jari warned that it would also be impossible to use genomic DNA, which is used in fresh cases and contains a human's entire genetic data, because over time it would have become fragmented.

But he explained it would be possible to use mitochondrial DNA instead. It is passed down exclusively through the female line, is much more abundant than genomic DNA, and survives far better.

This meant that in order to give us something to test against, I had to trace a direct descendant through the female line of Catherine Eddowes. Luckily, a woman named Karen Miller, the three-times great-granddaughter of Eddowes, had featured in a documentary about the Ripper's victims, and agreed to provide a sample of her DNA.

Jari managed to get six complete DNA profiles from the shawl, and when he tested them against Karen's they were a perfect match.

It was an amazing breakthrough. We now knew that the shawl was authentic, and was at the scene of the crime in September 1888, and had the victim's blood on it. On its own, this made it the single most important artefact in Ripper history: nothing else has ever been linked scientifically to the scene of any of the crimes.

Months of research on the shawl, including analysing the dyes used, had proved that it was made in Eastern Europe in the early 19th Century. Now it was time to attempt to prove that it contained the killer's DNA.

The suspects: The long line of men believed to be Jack the Ripper include, from top left to right, Prince Albert Victor, Edward VII's son, allegedly driven by syphilis-induced madness, Sir William Gull, Queen Victoria's doctor, painter Walter Sickert, a Jewish shoemaker, a polish barber who later poisoned three women - and Kosminski

Jari used the same extraction method on the semen traces on the shawl, warning that the likelihood of sperm lasting all that time was very slim. He enlisted the help of Dr David Miller, a world expert on the subject, and in 2012 they made another incredible breakthrough when they found surviving cells. They were from the epithelium, a type of tissue which coats organs. In this case, it was likely to have come from the urethra during ejaculation.

Kosminski was 23 when the murders took place, and living with his two brothers and a sister in Greenfield Street, just 200 yards from where the third victim, Elizabeth Stride, was killed. As a key suspect, his life story has long been known, but I also researched his family. Eventually, we tracked down a young woman whose identity I am protecting – a British descendant of Kosminski's sister, Matilda, who would share his mitochondrial DNA. She provided me with swabs from the inside of her mouth.

Amplifying and sequencing the DNA from the cells found on the shawl took months of painstaking, innovative work. By that point, my excitement had reached fever-pitch. And when the email finally arrived telling me Jari had found a perfect match, I was overwhelmed. Seven years after I bought the shawl, we had nailed Aaron Kosminski.

As a scientist, Jari is naturally cautious, unwilling to let his imagination run away without testing every minute element, but even he declared the finding 'one hell of a masterpiece'. I celebrated by visiting the East End, wandering the streets where Kosminski lived, worked and committed his despicable crimes, feeling a sense of euphoria but also disbelief that we had unmasked the Ripper.

Kosminski was not a member of the Royal Family, or an eminent surgeon or politician. Serial killers rarely are. Instead, he was a pathetic creature, a lunatic who achieved sexual satisfaction from slashing women to death in the most brutal manner. He died in Leavesden Asylum from gangrene at the age of 53, weighing just 7st.

No doubt a slew of books and films will now emerge to speculate on his personality and motivation. I have no wish to do so. I wanted to provide real answers using scientific evidence, and I'm overwhelmed that 126 years on, I have solved the mystery.

Evidence: Russell points to the part of the shawl where DNA was found

When Russell Edwards first approached me in 2011, I wasn't aware of the massive levels of interest in the Ripper case, as I'm a scientist originally from Finland.

But by early this year, when I realised we were on the verge of making a big discovery, working on the shawl had taken over my life, occupying me from early in the morning until late at night.

It has taken a great deal of hard work, using cutting-edge scientific techniques which would not have been possible five years ago.

To extract DNA samples from the stains on the shawl, I used a technique I developed myself, which I call 'vacuuming' – to pull the original genetic material from the depths of the cloth.

I filled a sterile pipette with a liquid 'buffer', a solution known to stabilise the cells and DNA, and injected it into the cloth to dissolve the material trapped in the weave of the fabric without damaging the cells, then sucked it out.

I needed to sequence the DNA found in the stains on the shawl, which means mapping the DNA by determining the exact order of the bases in a strand. I used polymerase chain reaction, a technique which allows millions of exact copies of the DNA to be made, enough for sequencing.

When I tested the resulting DNA profiles against the DNA taken from swabs from Catherine Eddowes's descendant, they were a match.

I used the same extraction method on the stains which had characteristics of seminal fluid.

Dr David Miller found epithelial cells – which line cavities and organs – much to our surprise, as we were not expecting to find anything usable after 126 years.

Then I used a new process called whole genome amplification to copy the DNA 500 million-fold and allow it to be profiled.

Once I had the profile, I could compare it to that of the female descendant of Kosminski's sister, who had given us a sample of her DNA swabbed from inside her mouth.

The first strand of DNA showed a 99.2 per cent match, as the analysis instrument could not determine the sequence of the missing 0.8 per cent fragment of DNA. On testing the second strand, we achieved a perfect 100 per cent match.

Because of the genome amplification technique, I was also able to ascertain the ethnic and geographical background of the DNA I extracted. It was of a type known as the haplogroup T1a1, common in people of Russian Jewish ethnicity. I was even able to establish that he had dark hair.

Now that it's over, I'm excited and proud of what we've achieved, and satisfied that we have established, as far as we possibly can, that Aaron Kosminski is the culprit.

Dr Jari Louhelainen is a senior lecturer in molecular biology at Liverpool John Moores University and an expert in historic cold-case forensic research.

Subject: The Archons

The Archons

The Archons subject has been made a big joke out by the new age, hucksters. So its business as usual there.

Let us actually get to the meaning of this subject truthfully right from the ancient texts not duh aged money bags.

"Demonstrated both its Platonic and Gnostic relevance , in the Poimandres we find the Archons as the seven planets, while in Plato the "subaltern demiurgic gods, among whom are the heavenly bodies, are likewise called Archons."1

Archon means Lord or ruler as well. In the ancient tradition the soul was shown by two sets of octaves one above the other this represents the soul ascended and the lower one the soul trapped in matter. Meaning the lower density of time, this represents the lead in alchemy. This is where jebooisim stole the concept of "Fallen" from. The soul fell and was trapped in matter. Sin is also stolen from this as well. The Pagan Egyptians, Babylonians and at one time Vedic's referred to sin as the dross or lead. Nothing else. They all mention the Magnum Opus as the way to become purified of the dross and become perfected.

The Archon's are the seven chakra's as the seven planets in the microcosm relate to the Chakra's. The Archon's are Lords relates to the Charka's. The ancient texts mention each chakra being guarded by a Deva or Lord and one must know the proper formula's [Mantra's] be granted passage through the gate the realm they guard and rule.

The Demiurge relates to the material realm of time, karma and samsara.

So to overcome this one must transmute the soul to the higher solar sphere. This is done by piercing and transmuting the chakra's by the kundalini and then going the extra part and turning the symbolic metals of the Chakra's to gold. So this what the Archon's relate to in this sense the Titanic element and its relation to the aspects of the soul each center governs nothing else.

What I mentioned about the Work being the overcoming of Time by transmuting the soul into the subtle aspects of its elements the Akasa or quintessence which is above time as its the eternal element existence is. Quintessence or Akasa is shown as the sun. This is the why Amen Ra also translates out to the Hidden God or Sun. This is the energy of existence itself the unmanifested Logos. The Hidden Name of Amen Ra is AUM. AUM is the Akasa. Zeus destroys the Titan's by His thunderbolt the symbol of AUM. This is also within the East as well. This is why the perfected being the symbol solar God always ascends into heaven and in some texts right into the sun itself. Its the symbol of the soul ascend from the realm of matter [the earth, think earth element] to the solar sphere of Akasa-Vajra.

So there you go save yourself a bag of bucks and hours of nonsensical drivell from the flimflam men of the new age money grab.

Saturn

The new agers are trying to state that Satanism is a Planetary Saturn Cult and Satan is the planet Saturn. This is false as I will mention as to why here.

This is important the Jews are literally nothing more than a racial planetary Saturn cult all their magic works to put people under the Saturnine astral vibration. This gets confused by new agers because they look to insecure people who want to be big experts and just become bullshitters and con artists for guidance. Saturn is originally a Sun God. Not the planet we today call Saturn. No one of the Pagan Traditions was worshipping Saturn as a planetary force and its astral manifestations.

The sun is the force behind all material reality in the deepest sense its the symbol of Akasa. The ancient Romans stated Saturn is the Sun. Saturnalia is a solar festival. The Black Sun contains this mystery its not Saturn as a planet but the overcoming of Saturn by purification of the physical body and the union of the body and soul and Godhead. Think maybe these experts would note the solar symbols around the center and what this stands for. Its not a mistake the sun square is used to deal with a Saturn transit.

The sun is the great purifier and Saturn as the planet has always represented the dross. Chronos is the leader of the Titans. He is the planet Saturn to the Greeks. We mark time by chronology for this reason. Satan in the esoteric form as the God of the Mysteries is the incarnation of the solar force which overcomes the Titanic or Asuric and liberates one from the bondages of time. Satan is the serpent and the serpent and the sun are one and the same image. Who words for sun and snake are the same origin. The nu ager con artists try and say Satanism is Saturn worship in the sense of the planet. And they then demand you buy their new book or DVD. Always trying to sell something.

Sat-An is a title for the spiritual sun. An in Egypt is the title of the primordial sun God. The Ankh which from the Egyptian texts is the symbol of the four elements and its root AN is the ancient title for the solar God. The Ankh is the name of the divine being, and the sign of the four elements and the influence the sun has over them all. Sat is also a title of the spiritual sun as the power behind creation and its granting of liberation from time. This is why Sat-An means Eternal Life and Eternal Truth. The terms relate to the Magnum Opus and the super consciousness that comes with it.

The Gods in Sumeria were called the AN's. ANunnaki builds on this. To note the spiritual sun is generated by the union of water and fire or male and female its the primordial element and power.

The triumph of Spiritual Satanism in its own way is the ultimate external recreation of the theme of the Solar God triumphing over the Titans.

The Jews being a racial planetary Saturn cult shows they are a force of perversion and inversion the Titanic over the Olympic. Which is what they do. Then try and project this onto us. They fooled billions of people into worshipping the force of their own damnation and destruction. I note the jooz have been making movies corrupting ancient Hellenic Tradition where the hero chases the Titan and the idiots who rebel against the Solar or Olympian are made into hero's and great humanists. This obnoxious, rude and destructive edgy fuckwit attitude the jooz always push as cool is infused into the whole theme. All it needs is some glam rocking freaks in the background telling people to do cocaine and get AIDS which is the theme of most joozish produced rock music.

Rights group confirms Palestinians tortured in Israel jails

My note this is nothing new with Jews. Just look to the Jewish NKVD and KGB in their Soviet prison state. Or to the waves of Jewish or Jewish owned Neocon's in America that want to legalize torture on dissents first foreign then domestic of course. The Jewish State has tortured over 30,000 Palestinians in their gulag prison systems.

Rights group confirms Palestinians tortured in Israel jails

[http://www.presstv.ir/detail/2014/09/17 ... eli-jails/](http://www.presstv.ir/detail/2014/09/17...eli-jails/)

Palestinian lawyers have confirmed torture evidence after visiting prisoners detained during the Israeli assault on the besieged Gaza Strip.

Lawyers from the Gaza-based Palestinian Center for Human Rights (PCHR) who gained access to four prisoners held at the Ashkelon prison, confirmed in a Sunday report on its website that the prisoners were beaten and shackled between two chairs for hours.

The PCHR said dozens of Palestinian civilians were apprehended by Israeli troops during the offensive on the coastal sliver, 31 of whom were later transferred to Israeli jails.

Four of the detainees were freed, but the 27 who remained in custody were charged of being members of armed groups.

PCHR lawyers are continuing their efforts to pursue Israeli war criminals through international courts.

Israel started pounding the Gaza Strip on July 8, inflicting heavy losses on the Palestinian land. Over 2,140 Palestinians, including a large number of women, children and elderly people, were killed in the Israeli onslaught. Around 11,000 others were injured.

The brutal Israeli war ended on August 26 with an Egyptian-brokered truce that took effect after Cairo negotiations.

Palestinian experts say it costs more than \$7.5 billion to rebuild the Gaza Strip, ravaged during the recent Israeli onslaught.

Subject: Sermon 9/17/14			

Through Satan, our eyes are opened to the truth. We can see for ourselves just how false the so-called "religions" of the enemy are. We must always keep certain things in mind for ourselves spiritually and know what the original meanings were. The original meanings of some practices that have been stolen, corrupted and defiled in the ugliest of ways- originally these were important spiritual concepts. The desecration of true spirituality by the Jewish root and the Christian and Muslim programs that spread from this root like a deadly virus are one of the main reasons this world and life itself are in a crisis.

Take for example... Muslims stop to "pray" 5 times every day. Now, this has been corrupted. "PRAY" IS A CODE WORD FOR "MEDITATE." Instead of focusing on raising their spiritual energies, feeding their souls and working on positive things like directing their energies into future goals for a better life, the word "prayer" is corrupted into slavishly giving focus and energy to a nefarious asshole monster that just shits on them endlessly. So...just where are they at?

Now...just stop to think where this unfortunate group would be if they took out the same time every day to do some spiritual exercises like yogic breathing, vibrating mantras, or cleaning their auras.

What is even further sickening is the Holodomor. The Holodomor was the artificial famine created by Jewish communism to bring about one of the most tragic genocides in history- the innocent people of the Ukraine in the early 1930's. In studying, I came across quite a few accounts of how the Ukrainian Christian prayed slavishly to that shit bag of a "god" for help and protection. The vast majority starved to death, were tortured, sent into slave labor concentration camps under the most heinous and brutal conditions and never returned. So...just where was that so-called "god."???

My point here is how many unknowing people put their energies into forces that are not only negative beyond all comprehension, but that are enemy alien and human-hating and out to destroy everyone. These so-called "gods" do nothing but shit on the groups that slavishly give their energies to them. Also, if these worthless and I mean worthless entities are so powerful and important, they WHY do they need human beings to keep giving them slavish worship and energy???? Humanity has every right to exist in this universe, no different from other beings out there. Unfortunately, there are nefarious parasitical entities that deceive the masses into donating a continuous supply of life force, energy, adoration, and slavish worship.

Satan does not need any slavish worship. Yes, some of us do give our energies to the Powers of Hell, but this is for spiritual warfare, and these energies are used to help us. This is a huge difference from the above where one's energies in the case of Islam and xianity are used for everyone's damnation and destruction. When Satan stated in the Al Jilwah about not worshipping any Gods, he meant this. The word "worship" is a code word for focus and also for giving energy. Satan wants for us to focus on ourselves and evolve into the best we can be.

In the Al-Jilwah, Satan also stated, "I lead to the straight path without a book." When we apply ourselves to meditation and to raising our serpent, major changes occur within our souls. We become more sensitive and aware for one. All sorts of crimes and transgressions against innocents occur for one, because most people are on a low level spiritually and do not stop to consider or even be aware of their actions or what they do to others, especially others who don't deserve abuse. This lack of REAL awareness along with other problems due to a sick soul, being spiritually disconnected, being oblivious to one's actions is another reason this world is in such a sad state.

Being the hoaxes that they are and in working to keep perpetuating endless lies, these programs also keep pushing slogans such as "eternal light" "spiritual freedom" "healing" and so forth. All of these slogans have been hideously defiled and desecrated. "Eternal light" is when one's serpent has fully ascended and is the power of the soul illuminating. As most of you know, the soul is made of light and when one's soul is fully empowered, one's aura radiates the eternal light.

As for "spiritual" freedom, Xianity, Islam, and their Jewish root not only condemn but damn followers into total servitude and spiritual enslavement to the extreme. Freedom???? This is another total corruption and desecration of a word and concept. In order to see if something is "good" or "evil" so to speak- in other words positive or negative for the advancement of humanity, one must give it power. We can see where these programs and their filthy bible are at by taking a look at the orthodox. Where are the fundamentalist xians? The Muslims? And of course the Hasidic Jews at? The only equal in such extreme restrictions is Jewish communism, which parallels and has its foundation in the bible. There is NOTHING "free" about any of these programs and as for Judaism, this is the root- A VERY ALIEN ROOT that is especially malignant for Gentiles.

In closing, I want to add another one... "The laying on of hands." Most of you know about the hand chakras, of which most of those xians who keep parroting out these phrases and slogans know nothing about. This is another one that has been completely corrupted.

Satan doesn't lord it over on us or force anything. He opens our eyes to see the truth for ourselves and for us to be aware. We can see these things for ourselves. Xians and Muslims have to be continuously indoctrinated with lies to keep the anti-life, human-hating programs going, and to keep their arch-enemy, the truth out. As I said before and will again for new people here... "Satan" means "truth" in Sanskrit, one of the worlds most ancient of languages; a spiritual language. "Satan" means "enemy" and "fiend" in Hebrew. Enough said?

Subject: 9/20/2014 Complaints about "Enemy attacks"			

Due to that if answering only on a post, many would still remain with questions, a sermon is written so that things will grow clearer from those suffering from enemy attacks and that sort of thing.

Those who have went far in Satanism know its not an easy road, neither pelted with roses and glitter. Anything but that. But, as we grow powerful and in power we can escape the grip of other entities and people who are hindering our freedom, emotional, spiritual or whatever. Satan is the True God, He is the Truth and he opens our eyes to the Truth once we dedicate, given we are aware, meditate and ask him to enlighten us. With opening one's eyes to the Truth, we see beautiful and ugly things, both in the extremities. First of all, we have understood a global jewish conspiracy from "out there". Those who have went far in Satanism know this beyond any doubt and see this with their own eyes. Satan has showed me many times things that I did not like, but, above all I like the Truth being handed to me, which is exactly what he did.

The enemy race of jews is the architect and slave master of the major programmes of removal of spiritual knowledge. By their grip in mass media, by their massive financial power and all other powers they possess, they create a society of slaves, idiots and careless people without a Soul. They teach people being a slave is a virtue, so they can enslave them. Their protocols of zion, they bible, their created koran and all their philosophies revolve around making everything a big clump of no diversity while them are at the top. They have the nerve to say that even "God" himself must be a jew. So far the idiocy and putrid soul and mind of these desert nomads has went, that they even claim to be the chosen of some...Psychopathic "god" that sits on the clouds, strikes people and watches you when you masturbate because he himself ordained is a sin and therefore he will send you to hell for it, but HEEY wait, he knew you would sin so practically created you to punish you in a lake of fire?

You will see where I am going with that, just bear with me.

Okay people are we serious now? Do you see, grasp and understand that all these insane bullshit have been infesting the minds of humanity for 2000 years and more? I know to people here who are spiritually liberated thanks to Satan, masturbating or whatever does feel literally freeing. Sex is a pleasure. But do you realize there are people out there who are afraid to touch their genitalia, or get the man/woman of their dreams, or even have a decent home, or even eat meat at Thursdays and Fridays? Do you realize the depth of programming that has orchestrated by the jews inside the souls and minds of people? Do you realize this filthy unexistant piece of shit has made the whole society neurotic and incapable by a large degree, and even devastated TOTALLY BEYOND REPAIR the minds and souls of numerous people?

Do you understand how much they underestimate us subconsciously and what messages they are passing in their bible etc? That "god" must be a jew and so forth. When this ugly non-existent piece of shit did not answer prayers, obviously one felt even more rejected by "god", who is a jew and therefore the mind makes the co-relation to respect the jews (therefore according to xian faith "god") or that they have power and other things. The subconscious mind makes all these connections.

**DO YOU REALIZE THE UGLINESS OF THEY HAVE CREATED? THE VILENESS OF THEIR WORKS?
WAKE UP HUMANITY, WAKE UP SATANISTS!!!!**

Now if you take a look around, these people are people we probably have had in our families.

People whom we know, even the people who held us when we came out of the womb of our mother (which in many cases has been a xian as well) and maybe when we came into this world the first thing we heard was "fucking jizzus its a boy/girl!!!!". For those growing up in xian household, they know how much indoctrination we have had from school, from people and so forth.

Tie into ALL of that the media, the games, the bullshit, the interaction of our psyche with the psyche of all around us in a subconscious level and so forth. The enemy has had us almost totally. All their "projections" placed before our eyes set us the goy into the "right" and "politically correct" path of obeying to some sort of hebrew kike zombie, who is supposedly a jew and is the "god of all creation". You get the motto here? No matter if we payed attention to these things, our minds do. The package of all the above comes with a streak of fear, illusions, lack of knowledge, choosing to be arrogant, losing one's self and so forth. Let alone the historical torture, total lack of scientific knowledge, even malnutrition caused by the jews and their famines, the massive degeneration of the pure races and their Genetics (which were bestowed upon the Gentile Races by our Gods when they were here physically) and so forth. This has been going on for 2000 years. All that torture is imprint to a degree upon a Soul.

Infact, everyone tries to shape us into some good slave.

MEDITATION AND ADVANCING IN SATANISM BRINGS THE *EXACT* OPPOSITE OF THIS EFFECT, LIBERATION, MENTAL, SPIRITUAL AND EXISTENTIAL!! Therefore I let it up to you to understand that our mind being loyal to the programmings it have received might do to deter us from....Our own good. The jews want even to take your mental peace away. To have you live in fear of some kike 'god', to own you and your Soul and all you are. Can you grasp this concept? Do you see and understand the PURE EVIL NATURE of these people and of their creations now?

Those of us who are here have obviously been for the most part immune to this brainwashing, as our Souls/Genetics have been to where we are able to understand the rotten society and status quo of the enemy. Internally we know the Truth about our origins and so forth and in due time, this prevailed over the lies and we started searching. We found Satan, dedicated and are evolving in His path and way, re-vamping our Soul energy, our powers of the mind and so forth, meditating.

Now take all the above in conjunction and add the alien bastards into the story. Thing is, the alien bastards of the enemy did what they had to do. They infested society, guided their agents and so forth. To really understand why the attacks occur, take all the above in consideration and then, put personal problems we might have as people (there is a variety) and mix all of that. The enemy has created and shaped our minds since we were toddlers against all these things we do. Against power, against being somebody, against being our True self (they tried to cover everything with lies), against building a strong body, against everything creative and productive.

Do you understand there are people, so subconsciously dehumanized, out there who pollute the Earth and destroy the globe, justifying it in their sub conscience or even CONSCIOUSLY and VERBALLY that "THE EARTH IS TRANSIENT AND WAS CREATED BY "GOD" SO ITS NOT IMPORTANT AS WE GO TO HEAVEN, THIS WORLD BELONGS TO SATAN". Yes, there are fucking retards with single digit IQ who think that way, being so faithfully under the jewish rot and programming. Do you GRASP that its up to you to end this hoax of CATASTROPHIC proportions and its orchestrators? Do you understand that the Earth herself is going to pay, let alone the whole Humanity, the fruit of all that?

Thats why we do our Destruction Rituals and EVERYONE has to participate.

The subconscious minds of others and their domination (or our domination to them) and so forth. For instance you might grow out of nowhere too bored to meditate. If someone in your early life used to dominate you in some way and your mind convinced itself that you want to be under their influence, then this may contribute to that you self stop yourself from advancing, as to remain on the programmed path of your mind. In other words, what we want consciously, we must make sure we want subconsciously. The subconscious mind with all these situations of today and all this sick and insane world, rarely is at benefit of someone so it has be reworked and reprogrammed. Then you will understand where MANY of these attacks come from, our own minds. I know it sounds strange and in no way one should forget the enemy...But... The enemy has worked it out to where most of us self-attack our own self. Thats how intelligent and deceptive they are. Deprogramming yourselves from xianity/islam and maintaining self control will put most of their attacks to a dead end. When all this is under control, and you know it, then you can be sure its them. Sometimes, its both.

In closing, what I am saying is to stop being paranoid and examine the causes ALWAYS. For instance if you have a stabbing pain somewhere, it MAY be an attack, but it MAY also be some disease, something bad you ate or whatever. Its not always some alien from outer-space, other than that when it really is. Many do not know how much power these bastard beings have (or used to have, because now they try to save pissrael from her undoing). This is more than just telepathy. Being paranoid that one gets attacked is a main reason of drawing these to you. Tune them out. Like they do not exist. You feel attacked? Attack back, protect yourself, not in a way of making them exist even more in your life.

Tune in Satan more instead, make True God's influence in your life stronger and brighter. Do not dwell on some fucked up aliens with no conscience. Dwell on beings that love you and have proved it, you GD and our Gods. Keep on advancing. Do self reasearch. Do you "expect" and attack or feel "worthy" of an attack? This might draw attention to you, like your own mind drawing them. Do you feel very "warlike" and want to somehow taunt them or something? This might do that. Just do your protection, maintain self control and know yourself. The enemy is crumbling as we speak and has been crumbling for a long time. As we go, they will be destroyed further by our spiritual works and in the Satanic End, we will have exacted spiritual justice on these spiritual criminals, the murderers of the Human Spirit and Soul.

Satan is the Real God, has the Real Power and is for the Real Gentile Spirit and Glory. Allow Him to open your eyes, totally and unconditionally. Work on building a strong relation with Him. We must annihilate the enemy. When you realize the depth of the ugliness and the work of the enemy, you will surely rage so much beyond doubt. Work on freeing yourselves.

Jewish Groups Pay to Send U.S. Police to Train in Israel

My note don't forget Homeland Security is all Jewish at the top. Start to get the picture.

http://www.blacklistednews.com/Jewish_Groups_Pay_to_Send_U.S._Police_to_Train_in_Israel/38050

The militarization of American police forces hasn't been paid for by just the federal government. Pro-I U.S. have also played a role by financing trips for hundreds of law enforcement officers to travel to the counterterrorism training, according to Ali Winston, a contributor to the Center for Investigative Repor

Monies provided by such groups as the Anti-Defamation League, the American Jewish Committee's Pr Interchange and the Jewish Institute for National Security Affairs have made it possible for "at least 30 sheriffs and police from agencies large and small – from New York and Maine to Orange County and C to attend privately funded seminars in Israel since the September 11, 2001, terrorist attacks, Winston

There, they have learned how Israeli security forces deal with demonstrators and armed threats by ter seminars include field trips to such sites as military installations, surveillance outposts, and checkpoint and the Israeli-Egyptian border. The training includes spending time observing operations conducted I Patrol, Defense Forces, national police and intelligence services.

U.S. police officials who have undergone such training have come from the Los Angeles and New York departments, the New York and New Jersey Port Authority Police Department, the New York Metropol Authority Police, and the Major County Sheriffs' Association. The fact that the former chief of Missouri Police Department trained in Israel in 2011 recently came to light following the well-armed police resp in St. Louis-based Ferguson.

Israeli training of U.S. police has also influenced the type of equipment being used. Security forces fro are now using some identical gear, including stun and tear gas grenades manufactured by the same U Combined Systems Inc. and Defense Technology Corp. A long-range "sound rifle" that emits ear-shatt disperse crowds, which was used against 2005 West Bank protestors, was also used in the recent polic protestors in Ferguson.

Shakeel Syed, executive director of the Islamic Shura Council of Southern California, told CIR that Am often copying what Israel does in terms of crowd control and other techniques.

"Whether it is in Ferguson or L.A., we see a similar response all the time in the form of a disproportion combat-ready police with military gear who are ready to use tear gas at short notice," Syed said. "Whe people at a demonstration, there is always a SWAT team in sight or right around the corner."

Israel's security forces have also trained police in Mexico since 1994, originally in response to the Zapc Chiapas.

The Devil Is God Led Zeppelin Knows

God is the Logos within the Macrocosm and the Microcosm its the primal sound of existence and the Aether or Akasa that all the elements emanate from are of. This is why the Magnum Opus is possible. Our word for God comes from the ancient word for the Bull and Goat, the GO. This is why we still have the word Go-at and in German God is still called Got which is from Goat. The ancients state the Bull and the Serpent [so the Goat as well] where one and the same. The Bull was always the symbol of our God in His ancient symbolic image of Dionysus in the West, Osiris with the Apis Bull in Egypt [Ptah is Osiris in the Memphis Theology] and as Siva and Nandi in the East. Many times the God Dionysus, Siva is shown appearing in the form of a Bull directly. The Bull is also the symbol of the Logos. GO so God relates to Akasa.

The Tantra' state the VAK the Logos which we called God. Is incarnated within the individual human as the 50 petals of the body of the Devi which is the kundalini or Serpent power. The whole being forms for this on every level. The European languages are all Sanskrit based. The word Devil is actually DEVI the serpent. Satan in many cases in ancient Sumeria and elsewhere was shown symbolically as the serpent in different ways sometimes as a half serpent half man or a serpent with

a human head. And sometimes as a full human holding a serpentine staff of life. This also relates to Satan as the full incarnation of the logos He has finished what we call the Magnum Opus as have the other Gods. Satan and the other Gods also wear the sacred crowns with the Bull Horns, showing their divine status remember the Bull is called GO where God comes from. The serpent is also called GO so its the same.

The Devil is literally God, the Logos. Devil is a spelling of Devi. So we can see the title Devil is a term for the word for the logos. Which makes the Devil God. The serpent is the symbol of the logos. This is why the Jews and such bitch and bitch about the Devil originally even using that term it seems from the start. The ideal of the Devil giving you magic powers is confused memory of the Pagan world. The activation of the Devi or serpentine energy unlock the Siddhi's. The pitchfork as well the serpentine system. And the world tree. And why the Devil has horns. Satan in His symbolic form as Dionysus was called the Good Serpent. Sometimes the serpent was shown horned as well to denote the Logos.

This is why Serpent worship is the oldest religion of humanity going back from what has been found seventy thousand years. The serpent is God.

The song Stairway To Heaven by Led Zeppelin, is the most popular rock song in history.

Jimmy Page was a major occultist he owned the largest occult store in Europe. Note Page told people to learn how to write and read backwards many times. He and Plant both wrote the lyrics to this song. Plant mentioned the message in Stairway To Heaven was the most important and quintessential message that Led Zeppelin had to communicate to the public.

"There is a Lady that's sure all that glitters is gold and she's buying a stairway to heaven."

This is noted to be mocking Christianity and its traditional teachings you can buy your way into heaven literally the Church had the doctrine you can pay the Church to pray the souls of past any ones into heaven and pay to pray your sins away for you. And as we known the Churches always wants you money all the time.

"When she gets there she knows, if the stores are all closed
With a word she can get what she came for.
Ooh, ooh, and she's buying a stairway to heaven."

Here they are mocking the Christian lies that just repeating canned prayers can get you somewhere. But here they also hint to the words that come later in the song with backward masking they put in. Page was adept at reading and writing backwards as occult practices. Within the verses come the first backward masking: My sweet Satan.

"There's a sign on the wall but she wants to be sure
'Cause you know sometimes words have two meanings.
In a tree by the brook, there's a songbird who sings,
Sometimes all of our thoughts are misgiven."

" Ooh, it makes me wonder,
Ooh, it makes me wonder."

Here it is reemphasizing this the song bird in European occult lore was the symbol of the

messenger of the Devil. They are telling you to play the song backwards and forewords the song is still educating the listener as to the truth. What are they wondering?

" There's a feeling I get when I look to the west,
And my spirit is crying for leaving.
In my thoughts I have seen rings of smoke through the trees,
And the voices of those who stand looking."

Turning to the West is returning to Paganism. The Christian program came from the East. They are turning their backs on Christianity and its lies. Their spirit longs to return to their real identity as Pagans they wish to go back to Satan. The rings of smoke threw the trees are the traditional Witches Sabbats when the Pagans [Satanism is Paganism] would meet around the great Bon fires and as lore goes summon the Devil. Which is who they stand looking at and are speaking with.

"Ooh, it makes me wonder,
Ooh, it really makes me wonder."

Know they really are questioning note the emphasize how it really makes them wonder. This relates to the deeper internal questioning that leads one to the truth.

"And it's whispered that soon, if we all call the tune,
Then the piper will lead us to reason.
And a new day will dawn for those who stand long,
And the forests will echo with laughter."

The Piper in traditional lore comes from ancient Greece and the Medieval Europeans still knew as Pan. Pan was called the Devil by the Church and based the imagery of the Devil on Pan. Pan is shown as half a Goat and half man. As was Satan in Sumeria. This is the symbol of the Devil as the serpentine energy and the Magnum Opus. Pan has a flute which has seven pipes each one represents one of the chakra's. His blowing into them is the breath or prana, the vital winds also know as Vayu that transform the soul into the gold. Pan if one looks deep enough is also Dionysus. Dionysus was shown in identical ways some times as a black Goat or a man with a Goat head or lower Goat half and upper human. Pan's father was the Aether or mercury which is depicted as the Ouboros serpent the symbol of the Magnum Opus and the Logos. Pan means the ALL for this reason and pentacle comes from His name. The symbol of the Magnum Opus. Pan the Devil as the kundalini as well.

The message goes further to state a golden age will dawn for those "stand long" meaning those who stand with Satan will win in the end and Christianity will fall. "And the forests will echo with laughter." Is obvious to this message. It mocks Christianity further as false.

" If there's a bustle in your hedgerow, don't be alarmed now,
It's just a spring clean for the May queen.
Yes, there are two paths you can go by, but in the long run
There's still time to change the road you're on.
And it makes me wonder."

The May Queen is Astaroth, the traditional Queen of Witches. Spring cleaning is an old Pagan custom and leads into Beltane. Or May Day one of the most important festivals of Paganism. The May Pole was even in Egypt as well as Europe. It represents the World Column of the spine and the

men on one end and the woman on the other end, each with their own ribbons dancing weaving in a circle a serpentine pattern around the May Pole. This is the serpent rising up the spine the male and female currents merging. Note Pan and His Satyr's do the ring dance which is this. The ring is the symbol of the serpentine energy perfected the Magnum Opus.

There are two paths you can go one. This is referencing the LHP and RHP path. There is still time to change the road you're on. You can wake up and go down the LHP and find truth.

Within the above verses is another backward masking that states: To my sweet Satan 666.

"Your head is humming and it won't go, in case you don't know,
The piper's calling you to join him,
Dear lady, can you hear the wind blow, and did you know
Your stairway lies on the whispering wind?"

Satan is calling you to join Him. The path is with Satan.

"And as we wind on down the road
Our shadows taller than our soul.
There walks a lady we all know
Who shines white light and wants to show
How everything still turns to gold.
And if you listen very hard
The tune will come to you at last.
When all are one and one is all
To be a rock and not to roll.

And she's buying a stairway to heaven"

The road is the LHP the path of spiritual alchemy, the lady they all know is Astaroth, the May Queen and it might reference the serpent power directly. Given what Page was into. The lyrics go as mentioned to state the path to paradise is on the LHP with Satan. The path of the Magnum Opus turning the soul into the gold. If you listen very hard the tune will come to you. This is a double reference to the song and the backward masking and to getting in contract with Satan. The one is a classical reference to the gold in the work.

The Devil literally has the best tunes. The most popular song in rock history is one.

Subject: Re: Ghost Adventures			

I'm not familiar with this- TV show? Documentary? Anyways, I have seen a couple of documentaries concerning psychics who communicate with those who have passed on. Why would you want to explain "2,000+ things they are doing wrong"?

Just because someone is not a Satanist does not mean that his/her psychic experiences are wrong or invalid. As I have written more than once, myself and a couple other JoS High Priests here worked with those who are in spirit

form in Hell. This was done under the direction of both Satan and Lilith and was a success. This was a long-term project and I had a lot of experiences. I felt very much enlightened and pleased when I got to reading after the project was finished, in a couple of books on "ghosts" that the authors had some of the very same experiences that I did. This was in addition to working with other JoS HPs where we communicated our experiences that paralleled each other.

Now, my own experience with working with these souls was under the direction of Satan and Lilith as I already mentioned. This experience was specific. We all learned a lot. But, I noted in the books and also in the documentaries, the experiences of the psychics went beyond my own. I also noted where in a book I was reading, the author had some gaps where he didn't understand what was really happening. I knew from experiences. Needless to say, I did learn from the book in regards to experiences I never had nor would care to have, as in one book, the author ran the gamut in a wide variety of communicating with those in spirit form. Our work was specific and somewhat limited.

Always remember, just because someone is not a Satanist...this does not make their experiences invalid. You need to keep an open mind and always use discretion when reading books or watching TV.

I also want to add, those who have passed on are human beings just like us, unless of course one might encounter an alien or other soul. The same goes for animals. Animals also have souls with chakras and wings. When one passes on, one takes his/herself as he/she was when he/she had a body. One does not advance in any power other than being able to communicate telepathically much better than when he/she had a body. The soul has powers of hearing, sight and so forth as most people know. Most souls reincarnate, some immediately, but as in life, experiences are individual. Just remember, a human soul who has not reincarnated and is wandering the astral is a human being, just as we are and has awareness, feelings, and emotions. Human souls wandering the astral are no different from us who are in a body. They can be kind; they can be assholes, helpful or malicious. No different from everyday life. Some are lost, some are confused and I already wrote about level 2 souls who are aware they have powers, often those who worked on their souls when they were in physical form..."witches."

Those of us who meditate and have more powerful souls stand out like a beacon of light on the astral. When one has passed on, one can see the beacon of light emanating from the empowered soul much easier than those of us who are in a living body. They are attracted to us. Just remember, if you encounter a human in spirit form, he/she is a human being, not much different from those of us who are physically alive. The only difference is that he/she temporarily does not have a physical body. In one of the books I read, the author stated how he felt extremely strong emotions and some urges when he was in an area inhabited by souls that had not yet reincarnated due to certain problems keeping them there that were not resolved. This is a common reason a soul will remain in a certain place and not reincarnate. The author didn't understand the feelings, which he believed were his own. Actually, the feelings and urges were those of the humans in spirit form. Picking up emotions is definitely of telepathy.

I also want to add that those who are born with advanced psychic powers developed these in former lifetimes. Those in spirit form cannot advance

themselves without a physical body. The universe is vast and not all souls are human, as was described in the book, but again, unfortunately, many confuse this with Satan and "Hell" and they are way off, especially regarding nefarious souls [human or otherwise] who are intent upon trying to harm the living. Due to centuries of ignorance perpetuated by xianity and related filth teachings that have systematically removed spiritual knowledge, the enemy is free to play upon a lack of knowledge and promote their lies about Satan. Any bad experience, any harmful encounter, you name it- it is blamed on Satan or "Demons." Satan and his Demons have nothing to do with this sort of thing.

As I mentioned before, Satan is responsible with souls who are dedicated to him, or who have spent past lives with him. They are protected. They are not just left to wander the astral or be at the mercy of other entities that intend harm. I will also relate another experience I heard about. This was sad, as the widow had no idea, but when her husband was dying in the hospital, he became afraid and told her he was "Seeing Demons." I do know that Satan has messenger Demons for lesser tasks. Obviously, this man was with Satan in his former lifetimes. Many of us have been with Satan for centuries. Because the woman didn't know, it disturbed her. I heard of this third person, many, many years ago. Demons showed up to take him to Hell and to protect him. The man was just an average person so messenger Demons showed up.

When one is an elite soul, often Satan himself and Lilith will escort them personally. One of the elite souls I worked with, I asked him about his death experience. He swallowed a cyanide capsule and told me both Satan and Lilith and two other High Ranking Demons showed up, took his astral hand, and pulled him out of his body. He was already gone when the people present were trying to revive him.

As of right now, I am watching Ghost Adventures and I used to just brush off all the "things" they encounter. Now I'm starting to wonder if the things they capture are legit or not. Can anyone help so I can explain to them the 2,000+ things they are doing so fucking wrong when it comes to communicating with the dead.

I am just informing everyone, as I have already gotten several e-mails- the main JoS website is down. I did check out other random websites on that server; sites that have absolutely nothing to do with the JoS, one was a tourist website and they are all down as well, so it is the server and things hopefully should be ok.

Be aware though, this in a way is a warning. Any website, especially those like JoS, could go down at any time...even the entire internet. It doesn't hurt to save web pages. I have the entire JoS site backed up on my PC and also in disc, should anything ever happen. But, it is important to save ANY web pages you run across that you find useful and/or helpful, as everyone is more than likely aware of...the internet is not secure.

Hopefully, the server will be back up and running very soon. It definitely appears to be a technical problem.

Subject: Eagles - Hotel California, Satanic messages.

Many people know Eagles and surely, they have been the ones to have hit the top. Their song Hotel California has been another top hit of theirs, with a distinct way of containing Satanic meaning. Like all good artists, they arose the interest in Satan and other things of our side, speaking from art and allegory.

Following up on High Priest Mageson's Sermon on Led Zeppelin, one has to give out this one aswell.

This all hits deep inside the mind and awakens the masses. As always, they have been controversial and many xians obsessed and made it their life's mission to give mud to the band, in which they failed miserably. Satan is a master of the Arts and music. He has always had the best tunes.

"You have to have the Devil in you to succeed in any of the Arts. " - Voltaire

<http://www.whale.to/b/eagles8.jpg>

As you see on the upper right place in the cover, you may see some figure, some xians have claimed its Anton LaVey and they are probably right about it. We have talked on about Anton LaVey. He has been quite a unique personality with quite a unique mission and he did some mistakes, or lets say not mistakes but rather did some personal abuse to what we call Satanism. Part of his 'insane' philosophy and most of his 'reverse xianity' logic, was in my opinion used on purpose to attract the attention of the xian crusaders of his time, to give him a rapid fame and

rising, which was nevertheless successful. Though, he accomplished one mission above all: Make an opening for Satanism to come to spotlight, after our members and people with Pagan beliefs were persecuted, killed and suppressed for centuries.

Even the Band's name, Eagles, is a mystic name, related to the sign of scorpio and is a strong occult symbol, but also a symbol of power and freedom.

Then, you have the Backmasking. "In the middle of the night just to hear them say" is backwards played "Satan hears this, He had me believe in Him".

But the song is pretty much Satanic straight played aswell.

So, onward to explain the Lyrics and the Satanic messages in the Song.

***"On a dark desert highway, cool wind in my hair
Warm smell of colitas, rising up through the air
Up ahead in the distance, I saw a shimmering light
My head grew heavy and my sight grew dim
I had to stop for the night."***

This part starts on a 'dark desert highway'. Dark is the darkness, when one cannot see. Its not only dark, its also a highway and a desert, which is actually the 'middle of nowhere' in a sense. The person is lost entirely and they are just treading the unknown in spiritual ignorance.

Then there is a mention for colitas, which is infact a nod to the hallucinogenic cannabis. Back in their day, suppression of meditation and practices to expand the mind were suppressed and replaced by the jew world order with drugs. People are not only in a dark period but have also fell into drug use, to attempt to see the Truth or any springle of it, as they are lost mentally. People were forced to live in a materialistic world and the only spiritual upbringing was a low quality high of drugs.

Up ahead in the distance, I saw a shimmering light. This relates to hope. Satan is known to be the "Morning star" and also one of his names is Lucifer. The light of the 23th of December, the end of the night and the darkness, the Hope. The head grew heavy and the sight grew dim, so they had to stop for the night. This signfies the moment when one comes in contact with some Truth. One has to stop and contemplate over it.

***There she stood in the doorway
I heard the mission bell
And I was thinking to myself
This could be heaven or this could be hell
Then she lit up a candle and she showed me the way
There were voices down the corridor
I thought I heard them say***

Now, "She" stood in the doorway. A door way is obviously a road to somewhere and they have to decide whether they will enter the door or not. Its a choice. They were given a chance of Satanic salvation by the "Shimmering Light". Now they have to choose. The "She" is either the decision or could be a subconscious message of someone's Guardian Demon that is always there to guide someone lest they decide to dedicate their Souls to Satan. Then, the mission bell is heard, the inner call of someone for some special mission, to return to their roots. They obviously choose to get 'in' and accept the offering that fate has brought upon them. Immidiately, "She" lit up the candle and she showed them the way [Guidance and making dark things visible]. They hear voices from the corridor [clairaudience, the Demons of Hell and so forth] that welcome them in the Path.

***Welcome to the Hotel California
Such a lovely place
Such a lovely face
Plenty of room at the Hotel California
Any time of year
You can find it here***

As we see here, they are Welcomed in the "Hotel California". Hotel California is actually, our side [but also a nod to the place where we go in the Afterlife, in an artistic expression], which is a lovely and beautiful place, beings accept them with a lovely face. Also, lovely face is the face of their choice to enter. Plenty of room refers to Satan being accepting to all Souls who wish to seek Him and willing to guide them, if they choose as such. Any time of the year, means that its never too late, you can find enlightenment when you are ready to do so. Lovely face is actually a comeback at xianity, where we are told that Satanism [Hotel California] is actually evil or malefic, which they found was never the case. They see a lovely and accepting place and loving faces, acceptance and beauty.

***Her mind is Tiffany-twisted, she got the Mercedes Bends
She got a lot of pretty, pretty boys she calls friends
How they dance in the courtyard, sweet summer sweat
Some dance to remember, some dance to forget
So I called up the Captain
Please bring me my wine
He said, we haven't had that spirit here since 1969
And still those voices are calling from far away
Wake you up in the middle of the night
Just to hear them say***

This part is something else. About "Her mind being tifanny twisted", there could be many interpretations. In my personal belief, they observe some woman which belongs to Satan and is under his guidance, being inside the physical pleasures of life, too much to see Truth, but nevertheless she is free and is allowed to enjoy her life. They are accepting to her, they are enjoying their lives. Pretty boys might actually be guardian Demons of some Hieracy, or actual sexual relations. In all occasions we see freedom to be as one is. This is also an indicator of success, pleasure and power. Though, its negative and also mentioned in the end part of the song about people overly infested with materialism. People were all about physical riches and goods and many have falsely related Satan to this materialistic mindset and look on our side as a chance to get all their physical dreams, which is not in anyway wrong, but is only ONE part of the whole thing. Its also a big nod to the motives that guide some people in a misguided manner to join our side, to find later that Satanism is for far more than that. This also relates to the part later on: "What a nice surprise (what a nice surprise)".

Now, this part obviously transfers us to another realm. Its like, both him and his friends are in a transcendental state that we could reffer to as Hell. People who have seen Hell know its similar to that. This is where the Souls are kept until they safely and healthily reincarnate, from Satan. They are allowed to enjoy themselves, sit and so forth, talk and communicate, like in a high level of a town. The "darker Souls" and those who are less powerful and knowledgeable are sometimes for their own safety kept elsewhere and from other Humans who are quite ahead, but this is rarely the case. Too much light can in some cases hurt a lesser soul. Total materialists are those who are on a lower level and are not quite font and don't quite understand the Satanic way (even disregard the spiritual to a degree), nevertheless the Gods protect them and guide them. Pleasures and power were always of Satan, but at their age were dragged to the latter end from ultra materialism. This also relates to the general rock scene, that many bands tried to make a 'pact with Satan' and the obvious media propaganda about 'Satan = Riches and fame' crap, which they saw was wrong.

The "Captain" refers to the supervisor of the Place. As some of us know the Souls of Satanists are kept there and enjoy kinds of activities, like a waiting buffer place until we reincarnate again. Maybe in the interpretation, they are actually in this 'dimension'. The singer in the lyrics calls "Wine", which might be actually the name of a deceased friend, Satanism or a code. The "Captain" replies that they "hadn't had that spirit here since 1969". This is blatantly obvious but its put in such manner that people who don't know will say it actually talks about physical wine. Those who "dance to remember and those who dance to forget" are actually spirits who dwell in that place, Human beings with relations, that communicate and settle things or meet again their loved ones, so they can later reincarnate, in other words, they are re-united, for those who happen to be here or they dance with someone else to forget. Their memory and personality is intact so even in the afterlife, they recall memories, have traumas and so forth, which need be worked out, like they did once alive. "The voices that are calling from far away" are those again of the Demons and the Guides who never abandon dedicated people and always positively guide them. They are visited by them and they know they are receiving their help.

***Welcome to the Hotel California
Such a lovely place (Such a lovely place)
Such a lovely face
They living it up at the Hotel California
What a nice surprise (what a nice surprise)
Bring your alibis***

What a nice surprise. They are surprised that actually what was said to be 'dark and evil' is actually so good and benevolent on them. It was actually nothing they have been told about or expected, way better and more exalted. "Bring your alibis" reffers to the alibis used by xians to avoid the Truth, the alibis they gave to themselves everytime they tried to evade knowing the Truth, both them and the xians, the majority that uses alibis to escape facing the Truth.

***Mirrors on the ceiling
The pink champagne on ice
And she said: "We are all just prisoners here of our own device"
And in the master's chambers
They gathered for the feast
They stab it with their steely knives
But they just can't kill the beast
Last thing I remember, I was
Running for the door
I had to find the passage back
To the place I was before
"Relax" said the night man
"We are programmed to receive
You can check-out any time you like
But you can never leave!"***

This is the last and most intriguing part of all.

The mirrors are and always were used for divination. "Mirrors" can also be a message to contemplation and looking into one's self, one's errors and one's awareness, for good or better, but one's opposite and also plasmatic view. Through mirrors we see the "other part of ourselves" which in Humanity is that of the dormant Pagan. The materialistic mindset of their age in regards to Satan has made them all 'prisoners of their own device', both them present and the xians, the majority of the populace [the pink champagne, even more luxury that is physically tentative]. This part has to

do with the ignorant and the xians, who are given a chance, tempted to know Satan but may get confused in the lies told on about Him.

Nevertheless, they are given a chance to feast with Satan and get to know Him [and to see the Truth]. Satan in all His glory accepts them. Some also retain a wrong perception over Satan, who gladly invites them to feast with Him nevertheless. They have created a wrong mindset only to find later that Satan was for more than just materialism or what his enemy and society falsely claimed. Some cannot handle how wrong they were, others simply cannot grasp the enemy work and fall into the trap of trying to attack their own creator, with their "Steely knives". Some people, still retain the wrong perceptions and in the end, they are blinded by lies and are turned against their creator, Satan. They can also deny his teaching for any other reasons, but in the end....Truth is what it is.

But no matter the attempts of the blind, the ignorant and those who wasted their chance with Satan and getting to know the Truth, left Satan untouched and still all powerful, always invulnerable and defiant. Satan is not erased from the memory of people. Some lose the way and still believe the enemy lies, only to find their way later.

Those who were dedicated to Satan / had interest for Him, even if lost and "Running for the door" from all this insanity going around them and all the lies, are told to "**relax**". They are "programmed to receive" a whole false conception of Satan and Satanism, by society and the church. This is not reality and the hook explains why. The legitimate and those who know Satan Truly, should relax and forget all they have been told by cultural indoctrination, as Satan is nothing but lovely and benevolent, our Pagan God. This is a dual meaning phrase and relates to both the people of Satan and the Xians, as both have been influenced by wrong ideas. While the others have been doing what they have been programmed, so they basically act without their own will and consent, go against Satan, those Truly of Satan have to fight these programmings to in the end understand their creator, look in the "mirror" so to say. Satanists are infact free and not obstructed by any limitations in their choices as to where they should be or what they should do. Satan allows them and gives them freedom. They are even free enough to retreat and free enough to keep in any path...Also, the "check out any time you like" also relates to reincarnation, but also the freedom to do your research, which will eventually lead to the right perception of Satan. You can enter a new life and forget, but as a Soul, you will always belong to Satan and you will enter the path of seeing the Truth.

But not for too long, as they belong to Satan, because once they were intelligent enough to seek Him and Satan abandons none of His followers and on their own accord, when ready, will be brought back in the track of Truth and all the wrong perceptions will give place to the True ones. They will know Satan in the end. They "checked out any time they liked" in any place they wanted, because Satan gave them total freedom, but they later found nothing but lies and emptiness. Once they knew Satan, they had contact with the Truth, which they could never strip off from forever, as its our purpose.

"You can check out any time you like...."

But You can never leave."

Once one is of the Truth and of Satan, one belongs to Him and cannot leave for their own damnation in lies and wrong paths.

As you see on the upper right place in the cover, you may see some figure, some xians have claimed its Anton LaVey and they are probably right about it. We have talked on about Anton LaVey. He has been quite a unique personality with quite a unique mission and he did some mistakes, or lets say not mistakes but rather did some personal abuse to what we call Satanism. Part of his 'insane' philosophy and most of his 'reverse xianity' logic, was in my opinion used on purpose to attract the attention of the xian crusaders of his time, to give him a rapid fame and rising, which was nevertheless successful. Though, he accomplished one mission above all: Make an opening for Satanism to come to spotlight, after our members and people with Pagan beliefs were persecuted, killed and suppressed for centuries.

Even the Band's name, Eagles, is a mystic name, related to the sign of scorpio and is a strong occult symbol, but also a symbol of power and freedom.

Then, you have the Backmasking. "In the middle of the night just to hear them say" is backwards played "Satan hears this, He had me believe in Him".

But the song is pretty much Satanic straight played aswell.

So, onward to explain the Lyrics and the Satanic messages in the Song.

***"On a dark desert highway, cool wind in my hair
Warm smell of colitas, rising up through the air
Up ahead in the distance, I saw a shimmering light
My head grew heavy and my sight grew dim
I had to stop for the night."***

This part starts on a 'dark desert highway'. Dark is the darkness, when one cannot see. Its not only dark, its also a highway and a desert, which is actually the 'middle of nowhere' in a sense. The person is lost entirely and they are just treading the unknown in spiritual ignorance.

Then there is a mention for colitas, which is infact a nod to the hallucinogenic cannabis. Back in their day, suppression of meditation and practices to expand the mind were supressed and replaced by the jew world order with drugs. People are not only in a dark period but have also fell into drug use, to attempt to see the Truth or any springle of it, as they are lost mentally. People were forced to live in a materialistic world and the only spiritual upbringing was a low quality high of drugs.

Up ahead in the distance, I saw a shimmering light. This relates to hope. Satan is known to be the "Morning star" and also one of his names is Lucifer. The light of the 23th of December, the end of the night and the darkness, the Hope. The head grew heavy and the sight grew dim, so they had to stop for the night. This signifies the moment when one comes in contact with some Truth. One has to stop and contemplate over it.

***There she stood in the doorway
I heard the mission bell
And I was thinking to myself
This could be heaven or this could be hell
Then she lit up a candle and she showed me the way
There were voices down the corridor
I thought I heard them say***

Now, "She" stood in the doorway. A door way is obviously a road to somewhere and they have to decide whether they will enter the door or not. Its a choice. They were given a chance of Satanic salvation by the "Shimmering Light". Now they have to choose. The "She" is either the decision or could be a subconscious message of someone's Guardian Demon that is always there to guide someone lest they decide to dedicate their Souls to Satan. Then, the mission bell is heard, the inner call of someone for some special mission, to return to their roots. They obviously choose to get 'in' and accept the offering that fate has brought upon them. Immidiately, "She" lit up the candle and she showed them the way [Guidance and making dark things visible]. They hear voices from the corridor [clairaudience, the Demons of Hell and so forth] that welcome them in the Path.

***Welcome to the Hotel California
Such a lovely place
Such a lovely face
Plenty of room at the Hotel California
Any time of year
You can find it here***

As we see here, they are Welcomed in the "Hotel California". Hotel California is actually, our side [but also a nod to the place where we go in the Afterlife, in an artistic expression], which is a lovely and beautiful place, beings accept them with a lovely face. Also, lovely face is the face of their choice to enter. Plenty of room refers to Satan being accepting to all Souls who wish to seek Him and willing to guide them, if they choose as such. Any time of the year, means that its never too late, you can find enlightenment when you are ready to do so. Lovely face is actually a comeback at xianity, where we are told that Satanism [Hotel California] is actually evil or malefic, which they found was never the case. They see a lovely and accepting place and loving faces, acceptance and beauty.

***Her mind is Tiffany-twisted, she got the Mercedes Bends
She got a lot of pretty, pretty boys she calls friends
How they dance in the courtyard, sweet summer sweat
Some dance to remember, some dance to forget
So I called up the Captain
Please bring me my wine
He said, we haven't had that spirit here since 1969
And still those voices are calling from far away
Wake you up in the middle of the night
Just to hear them say***

This part is something else. About "Her mind being tifanny twisted", there could be many

interpretations. In my personal belief, they observe some woman which belongs to Satan and is under his guidance, being inside the physical pleasures of life, too much to see Truth, but nevertheless she is free and is allowed to enjoy her life. They are accepting to her, they are enjoying their lives. Pretty boys might actually be guardian Demons of some Hierarchy, or actual sexual relations. In all occasions we see freedom to be as one is. This is also an indicator of success, pleasure and power. Though, its negative and also mentioned in the end part of the song about people overly infested with materialism. People were all about physical riches and goods and many have falsely related Satan to this materialistic mindset and look on our side as a chance to get all their physical dreams, which is not in anyway wrong, but is only ONE part of the whole thing. Its also a big nod to the motives that guide some people in a misguided manner to join our side, to find later that Satanism is for far more than that. This also relates to the part later on: "What a nice surprise (what a nice surprise)".

Now, this part obviously transfers us to another realm. Its like, both him and his friends are in a transcendental state that we could refer to as Hell. People who have seen Hell know its similar to that. This is where the Souls are kept until they safely and healthily reincarnate, from Satan. They are allowed to enjoy themselves, sit and so forth, talk and communicate, like in a high level of a town. The "darker Souls" and those who are less powerful and knowledgeable are sometimes for their own safety kept elsewhere and from other Humans who are quite ahead, but this is rarely the case. Too much light can in some cases hurt a lesser soul. Total materialists are those who are on a lower level and are not quite font and don't quite understand the Satanic way (even disregard the spiritual to a degree), nevertheless the Gods protect them and guide them. Pleasures and power were always of Satan, but at their age were dragged to the latter end from ultra materialism. This also relates to the general rock scene, that many bands tried to make a 'pact with Satan' and the obvious media propaganda about 'Satan = Riches and fame' crap, which they saw was wrong.

The "Captain" refers to the supervisor of the Place. As some of us know the Souls of Satanists are kept there and enjoy kinds of activities, like a waiting buffer place until we reincarnate again. Maybe in the interpretation, they are actually in this 'dimension'. The singer in the lyrics calls "Wine", which might be actually the name of a deceased friend, Satanism or a code. The "Captain" replies that they "hadn't had that spirit here since 1969". This is blatantly obvious but its put in such manner that people who don't know will say it actually talks about physical wine. Those who "dance to remember and those who dance to forget" are actually spirits who dwell in that place, Human beings with relations, that communicate and settle things or meet again their loved ones, so they can later reincarnate, in other words, they are re-united, for those who happen to be here or they dance with someone else to forget. Their memory and personality is intact so even in the afterlife, they recall memories, have traumas and so forth, which need be worked out, like they did once alive. "The voices that are calling from far away" are those again of the Demons and the Guides who never abandon dedicated people and always positively guide them. They are visited by them and they know they are receiving their help.

Welcome to the Hotel California
Such a lovely place (Such a lovely place)
Such a lovely face
They living it up at the Hotel California
What a nice surprise (what a nice surprise)
Bring your alibis

What a nice surprise. They are surprised that actually what was said to be 'dark and evil' is actually so good and benevolent on them. It was actually nothing they have been told about or expected, way better and more exalted. "Bring your alibis" refers to the alibis used by xians to avoid the Truth, the alibis they gave to themselves everytime they tried to evade knowing the Truth, both them and the xians, the majority that uses alibis to escape facing the Truth.

***Mirrors on the ceiling
The pink champagne on ice
And she said: "We are all just prisoners here of our own device"
And in the master's chambers
They gathered for the feast
They stab it with their steely knives
But they just can't kill the beast
Last thing I remember, I was
Running for the door
I had to find the passage back
To the place I was before
"Relax" said the night man
"We are programmed to receive
You can check-out any time you like
But you can never leave!"***

This is the last and most intriguing part of all.

The mirrors are and always were used for divination. "Mirrors" can also be a message to contemplation and looking into one's self, one's errors and one's awareness, for good or better, but one's opposite and also plasmatic view. Through mirrors we see the "other part of ourselves" which in Humanity is that of the dormant Pagan. The materialistic mindset of their age in regards to Satan has made them all 'prisoners of their own device', both them present and the xians, the majority of the populace [the pink champagne, even more luxury that is physically tentative]. This part has to do with the ignorant and the xians, who are given a chance, tempted to know Satan but may get confused in the lies told on about Him.

Nevertheless, they are given a chance to feast with Satan and get to know Him [and to see the Truth]. Satan in all His glory accepts them. Some also retain a wrong perception over Satan, who gladly invites them to feast with Him nevertheless. They have created a wrong mindset only to find later that Satan was for more than just materialism or what his enemy and society falsely claimed. Some cannot handle how wrong they were, others simply cannot grasp the enemy work and fall into the trap of trying to attack their own creator, with their "Steely knives". Some people, still retain the wrong perceptions and in the end, they are blinded by lies and are turned against their creator, Satan. They can also deny his teaching for any other reasons, but in the end....Truth is what it is.

But no matter the attempts of the blind, the ignorant and those who wasted their chance with Satan and getting to know the Truth, left Satan untouched and still all powerful, always invulnerable and defiant. Satan is not erased from the memory of people. Some lose the way and still believe the enemy lies, only to find their way later.

Those who were dedicated to Satan / had interest for Him, even if lost and "Running for the door" from all this insanity going around them and all the lies, are told to **"relax"**. They are "programmed to receive" a whole false conception of Satan and Satanism, by society and the church. This is not reality and the hook explains why. The legitimate and those who know Satan Truly, should relax and forget all they have been told by cultural indoctrination, as Satan is nothing but lovely and benevolent, our Pagan God. This is a dual meaning phrase and relates to both the people of Satan and the Xians, as both have been influenced by wrong ideas. While the others have been doing what they have been programmed, so they basically act without their own will and consent, go against Satan, those Truly of Satan have to fight these programmings to in the end understand their creator, look in the "mirror" so to say. Satanists are infact free and not obstructed by any limitations in their choices as to where they should be or what they should do. Satan allows them and gives them freedom. They are even free enough to retreat and free enough to keep in

any path...Also, the "check out any time you like" also relates to reincarnation, but also the freedom to do your research, which will eventually lead to the right perception of Satan. You can enter a new life and forget, but as a Soul, you will always belong to Satan and you will enter the path of seeing the Truth.

But not for too long, as they belong to Satan, because once they were intelligent enough to seek Him and Satan abandons none of His followers and on their own accord, when ready, will be brought back in the track of Truth and all the wrong perceptions will give place to the True ones. They will know Satan in the end. They "checked out any time they liked" in any place they wanted, because Satan gave them total freedom, but they later found nothing but lies and emptiness. Once they knew Satan, they had contact with the Truth, which they could never strip off from forever, as its our purpose.

"You can check out any time you like....

But You can never leave."

Once one is of the Truth and of Satan, one belongs to Him and cannot leave for their own damnation in lies and wrong paths.

Subject: SERMON 7/OCTOBER/2014--Re: [HellsArmy666] Jewish New Year Brings a S			

I feel it is important that I reply to this thread from our Hell's Army e-group. See below my default signature for the message on the thread. For those who are new...xian= Christian.

First of all, what these xian pastors are into is astrology. Astrology includes making predictions based upon the planets. This really pisses me off as it is so ultra-hypocritical. Not only that, but it is another glaring contradiction in that foul bible again, as I have never heard the end of this shit from xians that ANY practice of astrology is not only a very grave and serious sin, but is of Satan. But, being xians, I suppose they are exempt, as they also exempt themselves from mass murder, destruction of lives, torture and everything else they are and do, including forever condemning and harshly judging others. I had to deal with their shit when I was a teenager and know it all too well.

As for knowledge of astrology, I have been into astrology since my early teenage years, along with other occult practices such as reading Tarot cards and such. I am forever grateful beyond words to Satan for bringing an interest in astrology into my life. Astrology has done nothing but help me and many times actually saved my ass. Knowing astrology is not pleasant in many respects, but one thing can be certain, when it is correctly interpreted, it is TRUTH. Astrology has given me a very helpful [to say the least] guide through life. When I was experiencing bad times, I KNEW WHY and how long these times would last- usually bad Saturn transits, which everyone has. Also, a huge help was in knowing others, their personalities and such and much more.

Because xianity and its twin of Islam with their Jewish root systematically

removed all spiritual knowledge, they have been at liberty to play upon and manipulate the fears of the populace resulting from a lack of spiritual/occult knowledge and dictate whatever lies they choose to.

Now, as for "the end of times" predictions, the PT Barnum quote in regards to suckers "one being born every minute" holds true:

A Brief History of the Apocalypse: The early days: 2800 BC - 1700 AD:

<http://www.abhota.info/end1.htm>

http://see_the_truth.webs.com/Watchtower.html

It is a fact that certain planetary alignments affect the earth and much more. I know many are concerned about this Ebola outbreak. No doubt, this definitely appears to be something very serious, but I will get to that later on in this sermon. The bubonic plague of the Middle Ages that wiped out a major part of Europe and also populations in other parts of the world in 1348 CE, was preceded by a rare planetary line-up, where the planets were all contained in a tight bundle of 60 degrees. This same line-up occurred again in the early 1980's with the AIDS virus. Now, as everyone can see, it is obvious that neither of these was "the end of the world." We are still here.

Xians and related filth use and manipulate whatever they can to bring in more victims to their anti-life, human hating programs, which of course in many instances bring in a lot of money for one, for another, score points with jewsus for another and also as most people know, misery loves company. Any time there is a crisis, which occurs frequently enough, xians exploit these to their own purposes and try to claim "it is 'god's' punishment" and other related slogans of crap. As I already stated, Thank Satan, these xian tactics never worked on me because I could see WHY things were happening given my knowledge of astrology. No "act of god." This is what they DON'T want you to know.

But then, of course, it is just fine and dandy for that hypocritical bible to spew out astrological predictions and the stupid deluded xians to harass with and push them relentlessly in an attempt to drive more victims to jewsus, all the while forever condemning and damning legitimate astrologers, many of whom they mass murdered as witches.

As for the Ebola outbreak, given what I am seeing in regards to the planets now, the future does not look very good. Neptune rules viruses. Next year [2015] from mid-April through the first week of August, transiting Neptune in Pisces will station on the 9th degree, which is a fatal degree. It will do so again in 2016, September through the rest of the year. There is no bundle of planets at this time, though. I still have to do more research into historical plagues and such to see the different planetary patterns and trends. Transiting Saturn will enter Sagittarius at the end of December. Whenever Saturn transits Sagittarius, the sign of millionaires, big corporations, and wealth, there are economic problems. The stock market crash of 1929 was a major example. Neptune also stationed at 9 degrees of Pisces in the 1360's when there was another recurring outbreak of the bubonic plague. No doubt, IMO, this Ebola does look bad, but it won't be the "end of the world." Satan even mentioned something of this to me a couple of years ago. All he said was that "a lot of people are going to die."

Now, because of the removal of spiritual knowledge, so many people are open to being deceived and accepting the lies and twisted information xians so relentlessly push. They don't know any better. The only REAL sin in life is a lack of knowledge. Because of a lack of knowledge, souls are condemned to lifetimes of needless suffering.

What makes this even worse is how the Jew-controlled media, xian filth and other related predators constantly push that life is supposed to be some sort of utopia, some sort of experience of endless enjoyment and even paradise itself. What then happens is this sort of mind-set sets the populace up for extreme disappointment, given overly high expectations. Ignorance can be bliss, of course and many are too weak and/or too stupid and unenlightened to really look at reality for what it is and see what is in the world around them. Watching the daily news, studying history, and seeing what is before us each and every day does not sink in with weaklings and idiots. Many people are very adept with living in their own insulated world and denying the ugly aspects of reality. These people are worthless, as they refuse to acknowledge extreme problems in the world and through this deny and do nothing.

This is not to say that life cannot be happy, fulfilling and rewarding, but so many not only choose to deny the ugly aspects altogether, but also push this denial upon others. When a crisis then ensues sooner or later, the one who believes life to be a utopia is very ill-equipped to deal with it, and is very lost and confused and often much more.

Unfortunately, many teens and other young people who have not had the life experience, because of this are open to xian deception, twisted information and of course, LIES. The choice of prey/victims for xians are the youth. This shit was done to me when I was very young. The xian readily approaches and accosts the youth, pushing that vile nazarene virus. The xian then goes on and exploits one's ignorance and lack of experience in life and says "you are not happy because you are not 'saved' you are not with jewsus and other sick malignant filth of the most vile order.

I have written about this before and this is also sometimes exploited and used to try to get the victim to accept the beliefs of another. So, in other words, if one accepts the certain belief system of another, which is being pushed, one will then be happy. This is definitely not so. Never fall for this crap.

Everybody has his/her Saturn [planet of misfortune] and no one is exempt. Some are very adept at hiding personal problems and sufferings, mostly out of shame and again, denial. The truth is...life is not a whirlwind of joy and happiness. Even if one is going through a good phase, just the suffering and misery of others should make some impact. Satan and our Gods know this and have not turned their backs, but acknowledge the profound and needless suffering in the world and are here to try to help us.

Always be alert to and onto that old scam xians use to try to bring in more victims. Misery loves company. Xians use every tactic they can to exploit any and every situation to bring in more unknowing victims to that foul nazarene and shit-bag holy spirit.

"Because of being steeped in, believing in, and living a lie, in the advanced stages of Christianity, the Christian takes on an artificial

appearance and begins to look like the lie: The well-known pasty look with the smiley mask. The lie emerges in the physical self."

www.exposingchristianity.com

In closing, from what I have been seeing in regards to what is happening with the planets, everyone should begin building a powerful aura of protection. This must be repeatedly programmed into the soul, preferably after raising your powers through meditation. It should be done every day. A good affirmation to use:

"I am always safe, secure, protected, and healthy in every way."

Visualize a brilliant white-gold light [the most powerful for protection and good health] engulfing your entire being while affirming the above.

Ideally, this should be affirmed 108 times daily with a Satanic rosary for 40-80 days.

The same can be done with loved ones, family members, even pets. Just visualize the light engulfing the loved one and do the same affirmation using his/her name "is" in place of "I am."

I did not write the above concerning life to be a downer. Life can be very happy and rewarding. The problem is when so many are living a lie and pushing that lie to the detriment of others as with xianity. Life isn't always happy. People need to know this and through knowing this one can work with meditation to prevent and correct problems. Opportunities that come your way should always be taken and worked with. One should always have goals. Goals make life meaningful. Judeo/Xian filth along with that most foul and odious Islam have infected humanity and this has made so much ugliness in the world, like extreme poverty, that with xian indoctrination keeps perpetuating itself, bringing in more victims to "christ." People are lost and unable to help themselves out of this due to a lack of spiritual knowledge and knowledge to the mind and soul. This turns into a vicious cycle, keeping much of humanity spiritually enslaved for nefarious human-hating entities to feed off of, using life energies.

I also heard concerning the Ebola, those Muslims kiss that stupid cubicle in Mecca...

Hello Bluepanter666,

The Blood Moon Prophecy is an idea popularized by Christian pastors John Hagee and Mark Biltz, which states that an ongoing tetrad (a series of four consecutive total lunar eclipses, with six full moons in between, and no intervening partial lunar eclipses) which began with the April 2014 lunar eclipse is the sign of the end of the times.

There is a total eclipse of the full moon on October 8, 2014. This is the Northern Hemisphere's Hunter's Moon - the name for the full moon after the Harvest Moon. It's also a Blood Moon, and this eclipse is the second in a

series of four so-called Blood Moon eclipses. For North America and the Hawaiian Islands, the total lunar eclipse happens in the wee hours before sunrise on October 8. For New Zealand, Australia and eastern Asia, the total eclipse is seen after sunset on October 8. A partial lunar eclipse can be seen before sunrise, October 8, from much of South America, or after sunset, October 8, from western Asia. Follow the links below to learn more about the 2014 Hunter's Moon and the October 8 total lunar eclipse.

What is a lunar tetrad?

Both astronomers and followers of certain Christian pastors are talking about the lunar tetrad of 2014-2015. What is a tetrad? It is four successive total lunar eclipses, with no partial lunar eclipses in between, each of which is separated from the other by six lunar months (six full moons).

Mark Blitz and John Hagee speak of a lunar tetrad as representing a fulfillment of Biblical prophecy. After all, the moon is supposed to turn blood red before the end times, isn't it? As described in Joel 2:31 (Common English Bible):

The sun will be turned to darkness, and the moon to blood before the great and dreadful day of the LORD comes.

That description, by the way, describes both a total solar eclipse and total lunar eclipse. Sun turned to darkness = moon directly between the Earth and sun in a total solar eclipse. Moon turned to blood = Earth directly between the sun and moon, Earth's shadow falling on the moon in a total lunar eclipse.

I hope that helps a little. Technically it means the xians do not believe their bible. Matthew 24:36 "But of that day and hour knoweth no man, no, not the angels of heaven, but my Father only." Mark 13:32 "But of that day and that hour knoweth no man, no, not the angels which are in heaven, neither the Son, but the Father."

Hail Satan and all the Demons of Hell.

Subject: Christian Ritual Abuse

[This article is old. I was going through old sermons, etc, on my PC. I feel it is important enough to repost it. It was originally posted from a member].

"We will have to deal with Christianity in a tougher way than hitherto. We must settle accounts with this Christianity, this greatest of plagues that could have happened to us in our history, which has weakened us in every conflict. If our generation does not do it, then I believe it would drag on for a long time. We must overcome it within ourselves."

-- Reichsführer Heinrich Himmler; Speech to top leaders of the SS, June 9, 1942 Berlin

"Given the open media of today, the crimes of Christianity can no longer be hidden from the world. These heinous sexual attacks on children have been going on for centuries. The Third Reich did not tolerate this and for cracking down on the Christian Churches and their plethora of child molesting scum, they were attacked by the world."

Satanist Adolf Hitler did not tolerate, nor did he ignore or look the other way as so many do in regards to Christian filth and crimes. There was a "priest's block" at Dauchau concentration camp. The Satanic Third Reich was very serious about putting a stop to Christianity, Christian criminals and their crimes against humanity. For more on this:

http://spiritualwarfare666.webs.com/Fighting_Christian_Pedophilia.htm

"We are still left with the statistical certainty that 100 children WILL be abused by Christian Sexual Abusers EVERY year, yet Social Workers have 'turned a blind eye' to this DEFINITE sickening threat to the well-being of our nation's children in favour of chasing the Devil."

**

I am forwarding this, as people really need to read this, it is appalling to say the least, and reveals where xians are at on a spiritual level from tying into and worshipping such hideous energy. CHRISTIANITY, ISLAM AND THE MALIGNANT ROOT OF THESE- JUDAISM, ARE PRECISELY WHY THIS WORLD IS IN THE UGLY STATE IT IS IN AND SOCIETY IS SO SICK.

The following is documented cases of xian ritual abuse. Not only will it shut up a xian blabbering his BS about "Satanic ritual abuse", but many people are gonna be shocked too:

<http://www.hiddenmysteries.org/religion/christianity/christianpedofile.shtml>

1978: Priest John Lenihan 44, admitted molesting a girl victim repetitively from ages 13 until 15.

1978: Christian Brother working at Mount Cashel orphanage convicted of repeated sexual assaults on two 8 year old boys. Eight other Brothers were also tried in the same scandal.

1982: Vicar who plies 2 young altar boys (10 & 12) with alcohol and then

indecently assaults them gets 5 years at Liverpool Crown Court. Rev Evans, former chaplain at Norwich prison assaulted one boy after he had been placed in care.

1982: Three year old child beaten to death with a wooden bat by his parents, members of an extremist Christian group, to 'save his soul'.

1982: 35 Yr Old Welsh preacher Roger Cox of Denbigh prayed with his wife Elizabeth before cutting off his penis and throwing it in the fire. Claiming that the DIY operation was carried out in accordance with St Matthew's Gospel Chapter

19 V12. Cox said "I have always desired to serve my Lord as best I can without distraction". His wife was in perfect agreement to the act.

1983: Two year old child is spanked to death by parents at Christian commune in public display of religious discipline. Victim Joseph Green died of shock after his parents hit him for two hours with a wooden bat.

1983: Decomposed body of 10 year old girl discovered at headquarters of Christian fundamentalist sect who had held praying services for her resurrection for several months after they allowed her to die from untreated juvenile diabetes.

1983: Methodist Choirmaster admits repetitive abuse of five year old girl but is only cautioned by police. Parents begin private prosecution but Crown Prosecution Service stymie them.

1983: Fifty children taken into care from Christian commune where a 12 year old boy was beaten to death in what its leaders claim was punishment by God. The beatings were accomplished with a pickaxe handle and occurred whilst the victim was locked into a kind of wooden stocks. "John's death was God's Will' said one leader. God tells you to put the rod to the children's back and that is what we are doing". He insisted that the beatings were necessary for children to enter 'the Kingdom of God'.

1983: Jerald Johns, lay preacher who was never without his bible, accused of raping and assaulting more than 100 women.

1984: Methodist Minister Edgar Ford , 69, admitted to running a mailing list of 100 'young things' and housewives who wanted to pose for amateur and professional photographers' that he had taken photographs of housewives and models himself and that on one occasion he did submit to being photographed by a lady whilst they were both nude.

1985: Rev. John Gargano 67 convicted of 14 counts of rape, sodomy, sexual abuse and child endangerment. His four victims, who were repetitively abused said that the minister represented himself to them as the angel Gabriel.

1985: Methodist minister Emyr Owen a homosexual later found to possess a collection of sadomasochistic pornography was imprisoned by Chester Crown Court for secretly cutting the genitals off corpses of his parishioners which were placed in his care for burial and for threatening to murder a four year old girl. Police found photographs of severed genitals together with knives and surgical implements at Owen's vicarage. Owen was in charge of

several chapels in North Wales and at one time had been the Chaplain to the High Sheriff of Gwynedd. Sentenced to 4 years imprisonment.

1985: Christian zealot Michael Feeny described by his wife as a 'religious fanatic' read from the bible; stabbed her repetitively in a frenzy and leaving her for dead jumped to his death from a bridge on the M23.

1985: Church pastor Andrew Hope from Nottingham arrested for soliciting sex from prostitutes

1986: Minister Richard Kearney found guilty of molesting 4 boys over a 5 year period. One victim said he had been abused 20 times and another said he was molested whilst under Confirmation instruction by Kearney.

NOTES: This list finalised July

1991. Every case has been thoroughly researched and can be fully supported with documented evidence of dates, places, court records, sources, times and names. It is highly abbreviated here for practical purposes but we can say that the details of the abuses are exceedingly horrible and many exhibit virtually identical abuses to those alleged to take place in so-called Satanic Ritualised Abuse. We invite further correspondence and offer free research facilities on all our data to any serious enquirer.

FREQUENCY OF CHRISTIAN RITUAL ABUSE:

The S.A.F.F. only began collecting, collating and analysing Sexual Abuse linked with ecclesiastics during 1989 hence the sample of cases grew as our scope and ability to source them increased. The early years are therefore sparse but this reflects the lack of attention so far applied to them. Since 1978 we have logged over ONE HUNDRED convictions of Christian Ritualised Abuse. Compare these DEFINITE cases with the six uncorroborated cases promoters of Satanic Ritualised Abuse have unearthed over the same period and the true nature of both is immediately apparent. The average yearly level of abuse going by our 1989/90 & 91 figures can be considered representational at two dozen cases per year, a shocking figure. We did not collate cases prior to 1989 and we must remember that not all cases are detected and brought to court but applying the average from the firm statistics we do have we come up with the terrible result that whilst Time Tate and his pro-SRAMists have been occupying the nation with sensationalism about six cases of Satanic Ritual Abuse, more than TWO HUNDRED cases of Christian Ritual Abuse are likely to have occurred. The tragedy of the suffering of innocent children in this situation is too miserable to contemplate.

COVERAGE:

Please note that we have NOT included ALL the cases we have on file. There are many further cases which we have researched which confirm the overall picture but which are insignificantly unique and which we have therefore left out. These are open to scrutiny if needed. We also have a large pile of quite serious and shocking Christian Ritual Abuse cases which were reported mid-trial and which look likely to have ended in convictions but which we have not yet sourced the verdicts for.

STATISTICAL COMPARISONS:

The data from our research is now large enough to form predictions of the yearly frequency of what can now be seen to be a very serious problem of Christian Ritual Abuse. We are not here looking at a sporadic and unusual manifestation of Christian Ritual Abuse caused by a handful of rogue Vicars. The shocking facts are that statistics show a definite and continuing proportion of the clergy who are pre-disposed to commit terrible crimes against children in their care. This phenomenon carries across all age levels and is represented in novitiates as well as established ecclesiastics - it is not a passing node which will eventually dissipate itself given time. Action must be called for from government to deal with this problem. Additionally it has to be said that a not insignificant portion of these Christian Ritual Abusers re-offend when allowed to continue in their work.

Subject: Christian Ritual Abuse			

[This article is old. I was going through old sermons, etc, on my PC. I feel it is important enough to repost it. It was originally posted from a member].

"We will have to deal with Christianity in a tougher way than hitherto. We must settle accounts with this Christianity, this greatest of plagues that could have happened to us in our history, which has weakened us in every conflict. If our generation does not do it, then I believe it would drag on for a long time. We must overcome it within ourselves."

-- Reichsführer Heinrich Himmler; Speech to top leaders of the SS, June 9, 1942 Berlin

"Given the open media of today, the crimes of Christianity can no longer be hidden from the world. These heinous sexual attacks on children have been going on for centuries. The Third Reich did not tolerate this and for cracking down on the Christian Churches and their plethora of child molesting scum, they were attacked by the world."

Satanist Adolf Hitler did not tolerate, nor did he ignore or look the other way as so many do in regards to Christian filth and crimes. There was a "priest's block" at Dauchau concentration camp. The Satanic Third Reich was very serious about putting a stop to Christianity, Christian criminals and their crimes against humanity. For more on this:

http://spiritualwarfare666.webs.com/Fighting_Christian_Pedophilia.htm

" We are still left with the statistical certainty that 100 children WILL be abused by Christian Sexual Abusers EVERY year, yet Social Workers have 'turned a blind eye' to this DEFINITE sickening threat to the well-being of our nation's children in favour of chasing the Devil.

I am forwarding this, as people really need to read this, it is appalling to say the least, and reveals where xians are at on a spiritual level from tying into and worshipping such hideous energy. CHRISTIANITY, ISLAM AND THE MALIGNANT ROOT OF THESE- JUDAISM, ARE PRECISELY WHY THIS WORLD IS IN THE UGLY STATE IT IS IN AND SOCIETY IS SO SICK.

As we know, xians and kikes always blame their enemies for what THEY do. They always talk about "Satanic ritual abuse", for which there is NO hard evidence except one or two cases. But surprisingly, the opposite, christian ritual abuse is VERY common and we always hear about a pedophile priest or some children harmed in a supposed "exorcism".

The following is documented cases of xian ritual abuse. Not only will it shut up a xian blabbering his BS about "Satanic ritual abuse", but many people are gonna be shocked too:

NOTES: This list finalised July

1991. Every case has been thoroughly researched and can be fully supported with documented evidence of dates, places, court records, sources, times and names. It is highly abbreviated here for practical purposes but we can say that the details of the abuses are exceedingly horrible and many exhibit virtually identical abuses to those alleged to take place in so-called Satanic Ritualised Abuse. We invite further correspondence and offer free research facilities on all our data to any serious enquirer.

FREQUENCY OF CHRISTIAN RITUAL ABUSE:

The S.A.F.F. only began collecting, collating and analysing Sexual Abuse linked with ecclesiastics during 1989 hence the sample of cases grew as our scope and ability to source them increased. The early years are therefore sparse but this reflects the lack of attention so far applied to them. Since 1978 we have logged over ONE HUNDRED convictions of Christian Ritualised Abuse. Compare these DEFINITE cases with the six uncorroborated cases promoters of Satanic Ritualised Abuse have unearthed over the same period and the true nature of both is immediately apparent. The average yearly level of abuse going by our 1989/90 & 91 figures can be considered representational at two dozen cases per year, a shocking figure. We did not collate cases prior to 1989 and we must remember that not all cases are detected and brought to court but applying the average from the firm statistics we do have we come up with the terrible result that whilst Time Tate and his pro-SRAMists have been occupying the nation with sensationalism about six cases of Satanic Ritual Abuse, more than TWO HUNDRED cases of Christian Ritual Abuse are likely to have occurred. The tragedy of the suffering of innocent children in this situation is too miserable to contemplate.

COVERAGE:

Please note that we have NOT included ALL the cases we have on file. There are many further cases which we have researched which confirm the overall picture but which are insignificantly unique and which we have therefore left out. These are open to scrutiny if needed. We also have a large pile of quite serious and shocking Christian Ritual Abuse cases which were reported mid-trial and which look likely to have ended in convictions but which we have not yet sourced the verdicts for.

STATISTICAL COMPARISONS:

The data from our research is now large enough to form predictions of the yearly frequency of what can now be seen to be a very serious problem of Christian Ritual Abuse. We are not here looking at a sporadic and unusual

manifestation of Christian Ritual Abuse caused by a handful of rogue Vicars. The shocking facts are that statistics show a definite and continuing

proportion of the clergy who are pre-disposed to commit terrible crimes against children in their care. This phenomenon carries across all age levels and is represented in novitiates as well as established ecclesiastics - it is not a passing node which will eventually dissipate itself given time. Action must be called for from government to deal with this problem. Additionally it has to be said that a not insignificant portion of these Christian Ritual Abusers re-offend when allowed to continue in their work.

Subject: Sermon: Sex and the Gods.			

Greetings to our family.

We see many times and have saw in the past, some posts in regards to the Gods and sexuality, or claims that people get intimate with the Gods or that sort of thing. This is TRUE in the case of succubi and incubi, but I see much blasphemy going around in regards to High Ranking Gods who actually are for the most part, married or engaged from beings from their own kind. I have heard atrocious claims in regards to Satan and Lilith and even more.

Let alone the gossip some people do with the personal lives of the Gods. Thats their personal bussiness and if they feel like sharing, they will. Satan is open with all of us and so are the Gods. [Seriously.....Thats not fucking hollywood and some need to wake up]

I DO NOT MEAN IN REGARDS TO ANY SUCCUBUS OR THE INCUBI. I CLEAR THIS RIGHT NOW!!! These relations are a specific gift from Satan himself and some of these Gods actually have the want to be with us Humans for many reasons. This is something entirely different, True and goes both ways.

Most of the time, this is a tendency of infiltrators to make the Gods seem as sex freaks, or like Highest Rankings Gods from Orion's belt would be interested in "getting laid" with someone from here...for some simple and stupid reasons...Or like the Gods have to abide into the sexual needs of little them. That's pathetic.

With the above of idiotic/infiltrative and delusional exceptions, I have to point out some things as after a point its not only too wrong and disgusting, it comes off as ignorant. People tend to overly fantasize.

This has one purpose, to tie in our Gods to the good ol' kike mindset that our Gods are some sex addicted beings who actually are all about and revolve all around sexuality. Ie, Sexual Granting machines, money and fame, the good old kike propaganda against Pagan Gods. The only religion that obsesses over sexuality to a degree of insanity, is the judaic filth and its branches. Generally these faiths are all around and about prohibiting recreation, sexuality, controlling sexuality and so forth. This creates severe hangups in people and moreso severe backlashes.

The gradual degradation of the sexual act nowadays is exactly the outcome of such stupid beliefs that originate from neurotic and insane jews. Remember, sexuality is where we would create more

Gentiles, merge with one another, form families and bonds, liberate our Kundalini, use the energy constructively and so forth, evolve to be free, heal Humanity and more things. Jews as the racial and social infiltrators they are, could never find a more sensitive point to attack. On one hand, they enforce insane celibacy, to the point of mental distress and internal destruction of the psyche, that remains unconnected and unexpressed. Even worse, even MASTURBATION will end you up in the biblical lake of fire. You must repent for relieving a NATURAL need. Then on the other hand, they push sexuality to an insane extreme. They will write books, open sick bordellos, shoot hardcore porn (all the porn industry is owned by jews, search for yourself, they are taking pride in it) and create unrealistic and sick expectations in people. Then sex becomes nothing. Sex is nothing today other than a small chemical explosion in the brain, an attempt to evade the jewish matrix for some seconds.

Though even there, the jews and their programs have made sure to make people un-orgasmic, complex, guilty and against even their own last sense of fulfillment and momentarily pleasure in a world of restriction and lack of hope. Their doctrines, be these spiritual or others, infest the mind of people so that they find the wrong partners and get even more destroyed sexually; at least the majority of people. There are many sexually sad cases that have fallen victim to that.

They tried to steal even your last pleasure in this world and destroy it and malign it so something putrid as it gets. After all, you are all Goy and so am I, we are lower than animals and our sexuality is an act of beasts and even lower, according to them. The "goy" [as they call is in their derogatory term] have to even repent for coming into the world, because some kike 'god' on the clouds and his professional victim kike choose son (what a neurotic and putrid race to choose your chosen pieces of shit it was) said so. After all mr YHVH has no other job, given he is such a creator of even the universe [according to these insane jews], than to watch random rape/gangbangs around the globe and biblical fable characters "spilling their seed on the ground" as they put it. This is all in their bible for the few who know.

Must be a supremely intelligent god that of theirs. A filthy, low IQ, sexually perverse kike sitting on a cloud that punishes people. That's what the majority of sheep today believe.

Do you realize the depth and how deep this goes? All the above, it requires two or three braincells to understand that it creates severe sexual hangups.

Sex in the Ancient World, except for personal gratification, had a purpose, to bring as one. All the 'affairs' of the Gods and them having sex and producing kids with one another, are deep allegorical meanings of bringing opposites together or merging energies or connecting things, bringing together. Sex was spiritual and the births of children in the Myths were the new energies and the new existential and transcendental/spiritual ideals created by the act.

This is entirely different than what sex is and is done for today. The Gods do things without meaning. They are higher level of realized beings.

So to get to the point, the major hangups in conjunction to the weaknesses of present day manking, the lack of meaning in the sexual act and the need to merge with something greater than ourselves, in the cases of sane people, is a call of their mind to connect with some ideal. It's not the actual God, unless it's agreed upon with Father Satan and you have a succubus. Many people fantasize about the Gods and this is something personal. You are of course allowed to glorify the Gods with your sexual act, when these are done respectfully and for personal reasons, or just because you admire them. After all, explosive happiness or creative energy sometimes has to be sublimated that way, for some people.

But know this is one street deal and everything is your own realm of thought. The High Ranking Gods are very realized to do these things. There could be SOME exceptions and Succubi/Incubi are always real. But the next time some infiltrator comes and tells you they are married to some god or

mermaid, or that 'my husband _____[high ranking god]_____ said this', know they are delusional, stupid and if they are legitimately interested to know the real reasons, send them this post. In Satanism one must want the Truth.

To sum up, there are two kinds of people, the delusional paranoid infiltrators who are no different than a kid believing in a fairytale that they are married with the prince, because they are too weak to admit reality and that its just an admiration.

The others who know that in Truth, their dreams and their meanings MIGHT actually be an attempt of their mind to help them 'merge' with an ideal or the power of the Gods, or a particular element these Gods over whom they are fascinated with needs attention in their personality / soul.

Do a favor to yourselves and stop treading in a fake imaginary land. Thing is, the Gods want to be heard with open ears and open hearts, with those who really see them for what they are, whether these things apply or conform to our personal mind and status quo, or mentally created fairytales...Or whatever.

All the above to help and assist you in finding real love and affection, either with your Succubi/Incubbi, or with some other Human being, devoid of bad imagination and products of loneliness meant to distract you from this.

Free Speech Online A New Crime Discovered By The Jews

The Jooz at the ADL [which was founded to defend a child rapist and murder, joo Leo Frank and has been shown to be a spy ring for Israel and have connections to the mob which is jooish] is crying six billion, kosher tears over the fact people are expressing their right to the freedom of speech which is the FREEDOM OF THOUGHT. Its getting harder for the trash-jews to cover all their lies and schemes up anymore. Even their army of hasarats are not enough anymore. This shows we are winning.

The kikejooz believe their right to murder, lie and steal is more important then your constitutional rights.

But ignoring the dirt is not enough according to the New York City based Anti-Defamation League (ADL). Despite the best efforts by Tel Aviv's industrious tribe of hasbara and the considerable self-censorship that already takes place, many comments on websites discussing recent developments in the Middle East are highly critical of Israel's behavior. That is unacceptable to ADL, which would prefer to route the negative commentary to some limbo where it will never be read or even block the authors from access to the site. The caustic comments are now being referred to as "cyber hate."

Stopping Cyber Hate

A new "crime" discovered by friends of Israel

<http://www.unz.com/article/stopping-cyber-hate/>

The many blog and information sites on the internet are attractive to many habitués precisely because they sometimes seem to be the last bastions for free expression. But free expression does not necessarily guarantee civility. Anyone who peruses comments on many of the major websites can confirm that there is considerable garbage mixed in with the occasional pearl. Racist, homophobic and bigoted comments of all types sometimes prevail, but it is up to the reader to filter out the trash and unless a comment is obscene or threatening in a specific way it is best just to ignore it. It is hard to imagine that anyone is actually inspired or motivated by the muck that appears in the internet comments sections.

But ignoring the dirt is not enough according to the New York City based Anti-Defamation League (ADL). Despite the best efforts by Tel Aviv's industrious tribe of hasbara and the considerable self-censorship that already takes place, many comments on websites discussing recent developments in the Middle East are highly critical of Israel's behavior. That is unacceptable to ADL, which would prefer to route the negative commentary to some limbo where it will never be read or even block the authors from access to the site. The caustic comments are now being referred to as "cyber hate."

For those who are not familiar with ADL, it is a group established one hundred years ago to combat bigotry directed against Jews. It is generally considered to be a major component in the Israel Lobby. The ADL National Director since 1987 has been Abe Foxman.

ADL has recently been meeting in California with a British group called the Inter-Parliamentary Coalition for Combating Anti-Semitism, which included the Community Security Trust (CST). The CST advocates physical response to anti-Semitic incidents, to include the equipping and training of organized "self-defense" forces. CST is controversial in the UK, partly because many British Jews believe they are adequately protected by the police. It has also been criticized because its Director is the highest paid head of any Jewish organization in the country and its finances are alleged to be non-transparent.

An article entitled "Web giants unite to fight online hate" described the purpose of the California meeting. It reported that a "game changing" agreement was reached with Twitter, Facebook, Google and Microsoft to take steps to stop "the proliferation of racist and abusive comments" and to "force racism and hatred from the web." This will be accomplished in part by "tougher sanctions against those who post abusive messages." The internet companies, who already have the ability to automatically block content that they disapprove of, will devise proactive strategies to deal with the problem while being guided in the process by the ADL, "a leading anti-Semitism watchdog" which has been designated the "co-convenor" of the project.

The issue of online hate is important to all web users as efforts to define and then curb it will affect

everyone who works on the internet. There are, of course, constitutional rights to free speech that would be impacted by anyone trying to define what is or is not "hate" and there will be an inevitable tendency on the part of anyone seeking to come up with definitions to expand the scope to favor particular constituencies. Given the participants and the combatting anti-Semitism theme of the gathering, there should be no doubt that the meeting in California was only concerned with criticism of Jews and Israel and quite likely will have no interest whatsoever in controlling the much more widespread disparagement of Muslims.

Assuming that the ADL will be the focal point for future developments, it might be interesting to look at its track record in defense of civil liberties for anyone who is not Jewish and who might also be subjected to vilification that amounts to hatred. The ADL, which has trademarked the expression "Imagine a World without Hate," claims to be against all forms of discrimination and bigotry but its actual focus is on perceived bias against Jews. It recently celebrated its hundredth birthday with a gala dinner in New York City attended by Vice President Joe Biden, who enthused "...I mean this sincerely: You have become America's conscience. You have become the conscience of this country, no matter what the issue. You have been a pillar of the Jewish community, but you reach out and you have reached out your embrace for all communities. "

All communities aside, Abe Foxman would be unemployed if he couldn't demonstrate that the world is awash with anti-Semitism. In a recent foray in self-justification, he was interviewed by the Israeli newspaper Haaretz where he restated his belief that Israel and the Jewish people are constantly under threat just because they are what they are, a contention that inter alia supports his \$563,000 salary. And lest there be any confusion, Foxman also explained to Haaretz how he defines an anti-Semite. It is someone who criticizes Israel but doesn't say anything good about it. By that metric, he calls Professor John Mearsheimer, co-author of *The Israel Lobby*, an anti-Semite. He has also stated that former President Jimmy Carter has been "engaging in anti-Semitism." Foxman conflates most criticism of Israel with being an anti-Semite.

Foxman sees prejudice against Jews everywhere he looks but has trouble seeing bias within himself. He endorses spying on American Muslims just because they are Muslims and therefore untrustworthy while leading the charge against the building of an Islamic cultural center near ground zero in New York City. He criticizes peace groups because they oppose Israel's attacks on its neighbors and has also taken shots at People for the Ethical Treatment of Animals, the German government, human rights activists, environmentalists, civil rights groups and anti-apartheid organizations.

Foxman defended his opposition to the New York Islamic center by maintaining that "Survivors of the Holocaust are entitled to feelings that are irrational. Their anguish entitles them to positions that others would characterize as irrational or bigoted." He later called his statement an "inarticulate quote" but has never backed away from his contention that he believes that Jewish suffering is both somehow different and provides unique entitlement.

More recently Foxman has criticized race riots in Tel Aviv targeting Africans, who have been described by leading Israeli politicians as "infiltrators" and a "cancer," while carefully and repeatedly noting that the violence was in response to crimes committed by the refugees, his way of always exonerating Israeli actions while delivering the mildest possible slap on the wrist. In contrast to his generous understanding of what he sees as the Israeli dilemma on migrants he is tough on his fellow American citizens who oppose the millions of illegals in the US. In May 2010 he referred to Arizona's illegal immigrant legislation as an example of "nativism" and "bigotry," manifestly "mean spirited" and xenophobic. He has not commented on the statement by Israeli Interior Minister Eli Yishai that Africans must learn that "Israel is for the white man." Even Foxman might find it difficult to explain that one.

It is possible that Google, Twitter, Facebook and Microsoft were unaware of Foxman's comments or that ADL itself has a history of behavior that some might consider either bigoted or racist. A

notorious espionage case involving the organization became public twenty years ago in 1993. The police investigation ultimately exposed illegal activity that had taken place during at least forty years prior to that date, revealing that the organization had been running a private nationwide spy operation. The information obtained on American citizens and organizations was routinely shared with Israeli intelligence.

The ADL referred to its spying as maintaining "confidential investigative coverage" of Arab activities in the United States but the San Francisco police raid on ADL offices revealed that there were files on 600 organizations and more than 10,000 individuals, many of whom were neither Arabs nor in any way connected to the Middle East. Three quarters of the information was from city, state, and federal files, to include those belonging to the FBI that had been obtained illegally. Groups targeted included the NAACP, the ACLU, labor unions and a number of organizations considered to be supportive of "black anti-Semitism." ADL even had a file on Palestinian-American activist Alex Odeh, who had been killed in 1985 by a bomb in his office, to include an office floor plan and keys. There was a public outcry over the extent of the spying and the city of San Francisco prepared to prosecute ADL and its officers, but the Clinton Administration Justice Department instead opted to halt the FBI investigation and do nothing.

Most recently, the ADL again showed its true colors, presumably also unknown to Google, Twitter, Facebook and Microsoft. It became peripherally involved in a controversial poster campaign on New York City buses and subway stops denigrating Muslims that even the New York Daily News described as "shocking" and "incendiary." The posters were provided by Pamela Geller, noted high profile Islamophobe. One poster says "Islamic Jew-Hatred: It's In the Quran," directing viewers to the site Islamic-JewHatred.com. A photo of Hitler also appear on the poster before the New York Metropolitan Transit Authority deemed the graphic too offensive and ordered it removed. The ADL, in its presumed guardianship of a world without hate, examined the content and declared that while Geller "frequently crosses the line into racism when she criticizes Islam...in this particular case...it does not appear that she has done so."

Perhaps it would have been considered reasonable "due diligence" for Google to Google and Microsoft to Bing the Anti-Defamation League and Abe Foxman on the internet before entering into an agreement to sign on to their agenda. Internet users don't really need yet another control mechanism designed to favor Israel and its interests and the constantly repeated claims regarding the alleged surge in anti-Semitism are getting tiresome. Most internet users are sensible and recognize hate and bigotry when they see it, meaning that tinkering with access to the system will accomplish little and only discredit the overall integrity of the product. It is something that in the long run will hurt consumers as well as Google, Microsoft, Facebook and Twitter.

Subject: A True Tale Of Tear's, A Chapter Of Jewbola

A True Tale Of Tear's, A Chapter Of Jewbola

There was an interesting book awhile ago called something like "The Hermetic Origin Of America." It pointed out the original Europeans into North America the Pilgrims and such. Where actually non-Christians for the most part. They where Hermeticists from the spiritual renaissance that had occurred in Europe. This was when many European's threw off the yoke of the Jooz Vatican in a openly anti-Semitic spiritual and social revolution. This came from the Templar's many of the Templar's had already travelled to the America's and had good relations with the different tribes there.

Many of the Pagan's, keeping in mind these are real European Pagan's went into North America to build a New World free from the Jewish power structure in Europe and one that would allow them to study true knowledge and spiritually advance. The original colonies the English built under men

like Bacon where Hermetic sanctuaries the original plan was to create a New Atlantis which is why there where 13 colonies and such the whole place was Masonic, the uncorrupted Masons. England was the beacon of the Satanic rebirth in Europe. This is why in 1588 the kikejooz pope sent a Catholic Crusader force across the channel under Catholic Spanish flags to conquer England and put it under their control the Inquisition was more then likely on those ships as well ratz and boatz. The English had eradicated the Catholic power structure out of their nation. You can still witness the ruins of the Catholic centers today from this time. So the kikejooz war machine was totally defeated by England and sent to the bottom of the ocean. By a combination of physical military power, skill and courage and occult power. That's Britannia ruling the waves.

Remember the jooz where officially kicked out of England as well at this time and had been for centuries. No mistake why this was the nation of rebirth and where the Templar's base was also. How the jooz got in there was the Puritan's. John Knox was a discipline of the Protester fanatic John Calvin up there in Switzerland who was the second main founder of the Xian protesters next to Martin Luther Kike, Calvin was actually a vile kikejooz named Coleman. Knox was a Scottish dude and he brought this Hebrew cult into England.

Note this Puritan cult preached the British where the lost ten tribes of Israel and the kikejooz the other two. This is pure propaganda to soften the English to get the kikejooz back in. Note the jooz use xianity every time. Now this clown cult came to political power in the "English" civil war in which Puritan Cromwell who was bank rolled by kikejooz bankers in Holland if you read between the lines. Came to power and enforced a Puritanical regime on the nation. Think of Islamic state here. They shut down all the universities, shut down the theatre, put people in jail for dancing and attempted to wipe the spiritual Pagans out of existence. They literally worked to dismantle the entire traditional English culture by military force as it was Pagan and replace it with total kikejoozism of the unholy babble. This is where the major blow to British culture was stuck. That its still suffering from the first was the Norman's who had the Kiketholic Church backing them.

One of the first major moves Cromwell upon winning did was to hold the Whitehall conference which was a political move to pass a law to allow the kikejooz into England. Here is in the history if one is keen which what came out of this debate is the evidence Cromwell was an agent of kikejooz bankers in Holland and they had their agents in the country in private for sometime during this conflict. Cromwell was pounding his fist over how the kikejooz would give them joozbux's in a coming war with Spain. Its obvious who was funding his military regime. The Puritan's also wanted to make Hebrew the official language of England due to this British Israelism nonsense.

Thankfully the Puritan Regime did not last all that long in time and collapsed. With the actual Aryan Royal's of the Steward line came back to power in England and undoing a lot of this shit. They dug Cromwell's body up and hung it in a crows cage and basically arrested all the Puritanical wannabe Kikejooz's. And made them a offer they couldn't refuse. Which was total exile. They where forced onto ships and given the boot. Not a mistake Whites acting like kikejooz's got the boot like kikejooz's. There was also probably a lot of racial kikejooz in the mix of them.

Now this trash washed up on the shores of North America and went to work installing insane theocratic regimes that became obsessed with doing with Abrahamists do. Attacking the Amerindian's as savage heathens, persecution of the White Hermetistic's and turning on each even each other. The Puritan's where even hanging Quakers. So this is where a lot of the nasty shit that went down with the Amerindian's and European's comes from. The settlements that where of the White Hermetistic's where known to have always kept their treaties and gotten along fairly well with

the Amerindians in live and let live setting.

Franklin one of the Founding Father's who was of the current of the Hermetic enlightenment. Spoke well the Iroquois and consider them to have a socially enlightened society. However a lot of the violence that erupted between the Amerindian's and American's at this point was part of the revolutionary war with England. Different Amerindian tribes allied with the British Crown, which was controlled by Rothschild's at this point and the Stewards where long gone. Some weirdo, fatass, Hannyoverton German was sitting on the throne who could barley speak English and a puppet of kikejooz. The kikejooz had come back into England in the late 1690 openly and sent up the bank of "England" with the banker loot they made in Holland and Germany. The bank of England was run by Kike, Rothschild.

The American Founding Fathers Where Satanists
topic585.html

The Founders sent word to the Amerindian's asking them to stay out of the coming war with England. Some did, some didn't. Later into the 19th century it was the kikejooz plutocracy in America that had taken power over the government that was behind all the nasty shit that went down on the Amerindians as you mention. You can see the same in Russia under kike Communism. They did the same there. The Kikes murdered up to one hundred million people in their JewSSR. Stalin was a Kike as well.

The Real Death Camps And Holocaust
topic3995.html

The other part of this was the kikejooz that did get the boot from Spain, went into.....Holland. No mistake why. And set up the Dutch East Indian Company and followed the Dutch to New Amsterdam [New York] and started criminal scams against the Dutch settlers, as Joozduhism is just a racial based criminal conspiracy against the world. So the governor banned them from doing business in the colony further. So the kikejooz went to the Amerindian's and got them purposely hooked on boozetard [the Kike was always known to run the booze and drug trade in many places even today the capital of Israel is the rub of international drug and sex slave trade] and traded them shitty goods like beads and in general stole, cheated and swindled them ruining them from within. So the Amerindian's without knowing it launched a progrom just on the White settlers as they didn't understand the ugly place faces where kikejooz not Gentiles. This started a round of warfare as well.

Note the first synagogue build in the New World. Was in Rhode Island. The hub of the African Slave Trade. All by the jooz own confession. Run by the kikes, and over 70% of the owners of slaves where kikes. So they kept the wheel of supply and demand going for centuries equalling up to a hundred million deaths of Black African's.

The horrible shit that was done to the Amerindian's down in the Caribbean and central America's was done by the kikes. Columbus was a seraphic kike and so where most of his crew. The Kiketholic Church was in the mix the whole time as well. The whole mission was to build a literal kike homeland in the New World. This was the time when the boot came down on the Shitfarthic's kikes in Spain and Portugal. So they where moving to create a literal Zionist state. The story of this region is the tale of Palestine today. And why there are so much fucking shitfarthic Kikes in Latin America today.

Also note the Dutch East Indian Company would only trade with the Japanese if they allowed

Jesuits into their nation. Well what happened was the Jesuits who where are and still all kikes at the top. Launched a revolution to attempt to overthrow the Shogun and put a Catholic [kikecracy] theocracy into power. This failed the Jesuits where executed and the East Indian Company along with xianity banned from Japan.

This is all chapters in the Kikes race war on planet earth.

Subject: Sermon 17/October/2014			

I already posted a more detailed sermon on some things I am going to mention below. <http://josministries.prophpbb.com/topic6191.html>

On the topic of astrology, Mercury is retrograde right now. It will be so until the 25th of this month. For more in-depth information concerning Mercury retrograde:

http://www.angelfire.com/empire/serpentis666/Mercury_Retrograde.html

Mercury retrograde can be notorious for anything having to do with electronics, communications and travel to encounter glitches, annoying delays and malfunctions. I am sure if many of you are aware, you can see much of this happening right now. Just the other night, I had some annoying problems with some software, which is very typical of Mercury retrograde. My point here is how the planets have impact and influence upon earthly events, as dose sunspot activity. While the idiot xians and muslims foolishly attribute many events to "acts of god" anyone with Satanic knowledge can see the real reasons and not be deceived. For those of you who know your own astrology charts, and how to read from an ephemeris. Check out how many times transiting Mars made a major aspect to your Moon or ascendant. This only lasts a few days [unless it is stationary and then if it is, one must be very cautious], and always remember, the transiting planet can set off an event when it is within 1 -2 degrees in applying to the exact aspect. My point here with the Mars, just check if you were provoked or involved in an argument, domestic dispute, fight or other emotional upset. Mars is

notorious for this sort of thing and knowing this reveals the *WHY* it happened. Over the years, I have been aware of whenever Mars would be hitting on my personal planets like my Moon, and ascendant, and during those times, I am aware not to get involved and to stay clear of any potential confrontations if at all possible. Oftentimes, others incite the confrontation that with the Mars can get out of hand. Mars transits to the Moon and the ascendant can also cause us to be more irritable and edgy and prone to anger.

I read an account of centuries ago; some European explorers came to an island. I don't remember the exact details, but my reason for mentioning this here again is important in regards to having knowledge. The natives took the explorers captive and one of the explorers told the chief there that he could make the Moon disappear. He knew of an impending lunar eclipse that the natives did not and when they saw the eclipse, they released the explorers.

The above clearly reveals how important knowledge is. Those without knowledge are easily victimized. This is why communists murder intellectuals and destroy the educated upper and middle classes, among many millions more. This is to institute a slave state. One only knows what they tell you, and most of it is lies.

I also want to add something else here. Everything they enemy is and does, they blame on Satan. That kike god YHVH Jewhova in the bible was a "murderer and a liar from the beginning" and much more, including his demands for living blood sacrifices. Satan never murdered anyone in the bible or did anything else to harm humanity, as opposed to that Jew God. Now Hollywood I am sure can have some people confused about Satanism. I will repeat this- many of you are already aware how things are backwards. In the 1976 movie "The Omen" they kept elaborating on a prophesy regarding Satan; about Satan "waging his last battle." In my opinion, this is backwards and is not Satan waging "his last battle" but it is the enemy waging his last battle. Communism has collapsed. Of course the Jews are working overtime to try to take the USA and other world powers, but they will fail. The former USSR that was the bulwark collapsed. It is the YHVH that is waging his last battle and will lose.

Now, I will keep posting more on this topic and this is very revealing regarding the Judeo/Christian bible and what it really is, NOT the "word of god" but a powerful subliminal. I know I keep posting more of this sort of thing, but please remember if you are experienced and solid in the truth, many here are not. We get new people and people who are still suffering because of Christian lies, who have not yet ascended to a higher level of truth and understanding. Many are lost and still confused.

In studying Judaism, in-depth, from different sources, one can see the truth:

The Jewish 'year' is for an acting out of each stage of their fictitious history, as this vibrates into the mass mind. Each stage of their fictitious crap is played out, not only by them, but also by believing Gentiles. Like their Passover- they relive and act out their destruction of Gentile Egypt and such. Sukkoth, which is in the fall, this Jewish holiday ended 2 days ago, is again, relived and played out in their open roofed gazebos in their backyards. They relive every fictitious event. Most of you know how the mass mind works and can see how the repetition of these rituals can make a fictitious tale into a supposed reality, even though the rituals are symbolic. They also eat certain foods and engage their senses into their reenacting of these rituals.

Through their torah and bible, the Jews are creating and keep creating reality. This is in their kabbalah if one can read between the lines and as many of us here already know, this involves the powers of the mind and the soul.

Jewish mysticism states that "One's essential being is God." This is a dead giveaway as Satan told us this. Only the kikes at the higher levels can understand this concept. They are the ones who use this.

Jewish abuse of black magick has backfired on them through the ages. "Talmudic doctrine forbade the public teaching of esoteric doctrines and warned of their dangers." I also read when their Zohar was printed within their communities in the 16th century. Major pogroms took the lives of tens of thousands of kikes in Poland and in Europe. Some attribute this to the Zohar, which of course was stolen and corrupted. They obviously used the magick therein which was stolen and corrupted, along with the human sacrifices and it all backfired. Also, a further explanation is certain curses already put forth against the revealing of this knowledge by rabbis, and this affected their own people, as most of their nefarious programs such as communism usually do. They are a vicious race and prey upon each other ruthlessly.

During the period known as the "Dark Ages," after all of the libraries containing spiritual and other knowledge were burned and destroyed by Christians [Gentiles doing work for the Jews and to advance the Jewish agenda] and other enemies, the Jews took this opportunity to "translate" what few texts remained and through this, they rewrote and corrupted most of everything. It is a historical fact that nearly all of the spiritual texts were "translated" by certain Jews.

The Jewish kabbalah is nothing more than instructions for witchcraft.

The entire theme of the old testament of the bible, especially their torah is nothingness, followed by an idea, feeding the idea by giving it focus and energy, then it manifests into reality. Of course, this reality is total enslavement and domination of the Gentiles. The nazarene is nothing more than an allegory for the serpentine powers.

Their "tree of life" Sephiroth; 4 worlds

1 - Atzilut = "ideas in the mind of God" [for the initiated "God" is the self]

2 - Beriah = through meditation; visualization= creation, known as the 'nourishing world' where focus and visualization give the 'idea' energy.

3 - Yetzirah "represents the formation of the reality which manifests in the 4th and final world."

4 - Assyah "Assyah is the actual completed project, the manifest reality."

The above is a direct quote and is glaringly obvious for anyone who knows anything about the mind and powers of the soul aka "witchcraft."

The Jews feel they have every right to give orders Gentiles, and to demand obedience. "Free Speech Online A New Crime Discovered By The Jews" posted yesterday by High Priest Don is something everyone should be aware of and read.

<http://josministries.prophpb.com/topic6275.html>

Jews who are the REAL supremacists dictate their orders and DEMAND. It doesn't matter how this might affect any Gentile interests. Jewish interests are the only interests that really matter. We Gentiles are nothing more than cattle as far as they are concerned.

As HP Don wrote:

"The kikejooz believe their right to murder, lie and steal is more important than your constitutional rights. Ebola might be deadly, but Jewbola is even more dangerous. Russia got caught with a bad infection and it cost them up to a hundred million people."

One major Jew/communist tactic in taking control of a country and opening the door for their communism is to completely screw the legal system to the wall to where it is total trash, like they have been doing here in the USA for decades. It only gets worse. The so-called "justice system" is really the "injustice system."

We here are all open spiritually and through the above and there is more- we can easily 'see' the entire theme of the bible. It is a powerful subliminal and nothing more. Lilith told me more than once that to destroy that scum, they must be obliterated from their entire torah. More reverse torah workings in Hebrew will be forthcoming soon.

They will begin their torah readings tomorrow on the 18th, all around the world. What this does, because all of the religious Jews read from the same torah portion at the same time, this is what gives it power, along with the Christian idiots who so stupidly and slavishly give their energies for this as well. Each week, beginning tomorrow, they all read the same. Then, as I wrote above, they have their holidays that act this fictitious crap out every year, thus perpetuating it in the mass mind. They keep all of this alive and going and for many who are unknowing, they make it believable.

Lilith wants for us to wait a bit and then follow up, reversing their torah crap and erasing them from their own torah. Their torah is their reality and

their constant creating of it. I know this can be a bit over most peoples' heads in the way of understanding, but with enough research, knowledge and most important, knowledge of the occult, along with experience, this can be plainly seen and understood. The rituals we did this past year will have to be repeated again. Please check for updates on the main Joy of Satan website www.joyofsatan.com each week and also Satan's Library http://spiritualwarfare666.webs.com/Satans_Library.htm as for when we will be doing the rituals again. This will be soon.

As for the Ebola, do not wait until it is too late, and it certainly wouldn't be a bad idea to do this for yourselves anyway: Everyone should begin building a powerful aura of protection. This must be repeatedly programmed into the soul, preferably after raising your powers through meditation. It should be done every day. A good affirmation to use: "I am always safe, secure, protected, and healthy in every way." Visualize a brilliant white-gold light [the most powerful for protection and good health, the astral Sun, aka "The Black Sun"] engulfing your entire being while affirming the above. Ideally, this should be affirmed 108 times daily with a Satanic rosary for 40-80 days. The same can be done with loved ones, family members, even pets. Just visualize the light engulfing the loved one and do the same affirmation using his/her name "is" in place of "I am."

Even if you are unable due to being a teenager or in some other living situation that prevents you from engaging in a full meditation, just state the above affirmation when you go to sleep at night or when you are in the shower and visualize the light. Done repeatedly, this can be just as effective as a formal meditation. It must be done every night and even during the day, for a few seconds. Repetition will embed the affirmation into your soul and the light is the protective astral energy.

Subject: Sermon 25/October/2014

We will be working on the reverse torah rituals very soon. I WILL POST THIS A WEEK IN ADVANCE IN THE E-GROUPS, ON THE MAIN JOS WEBSITE AND SATAN'S LIBRARY WEBSITE IN THE "UPDATES" SECTION. Please check the "updates" after November 1st.

<http://www.joyofsatan.org/>

http://spiritualwarfare666.webs.com/Satans_Library.htm

These rituals are especially serious and everyone should participate. They do NOT need any props such as candles, incense, etc, unless this is your own personal choice. They are easy to do and only require vibrating a sequence of syllables and stating an affirmation several times, after raising your energies. We will be repeating the very first ritual again. This is because the Jews have again, read that torah portion. Their New Year began recently and they read from the torah passages for every week. All of the Jews read the very same around the world and this sets in motion the powerful energies of a mass ritual.

For those who are new xian= Christian.

The "Holy Bible" is NOT the "word of God." It is a very powerful subliminal tool used by the Jews. The more research I do, the more I find that it probably originated with Jewish translators coming upon rare and ancient texts pertaining to the occult during the Middle Ages, of which they mistranslated and obviously kept for their own after ancient Pagan libraries were destroyed by xians. I have read from many different sources where Jews were the main translators of spiritual texts; where they translated these texts into various European languages, thus they seized control.

In order to understand, one must think outside of what one has been indoctrinated with and also really know the occult. Occult knowledge was why so many witches were mass murdered along with anyone suspect of having any spiritual powers, bu the xian church. This is no different from what Jewish communism does in the way of murdering intellectuals and anyone else they even slightly suspect will be a threat to their take-over.

Note...'torah' is an anagram of the word 'rota', which means "wheel" in many different languages. Every year, the jews and of course to a lesser extent, the xians and muslims act out and relive the fictitious Jewish history. It is more so with the Jews, as they actually play this out- their bitter herbs at the Pesach/Passover and the eating meals in the open-roofed gazebo for Sukkoth, and even their dietary laws, etc.

This follows in a hideous Rota...a wheel; a cycle of damnation and the torah is a bit different from the Old Testament the xians and other related idiots are reading, though the Old Testament is just as rotten in every way- all of it. It is worse.

This is the TRUE ROOT OF EVIL and perpetuates all of the ugliness in the world. The artificially induced famines when commie kikes take over is in

their torah. This is how they gain control. They put this into action, as it is biblical. The bible as I have stated before numerous times is nothing more than a very powerful subliminal. I don't understand how so many idiots can keep reading and studying that malignancy and claim it to be "good." The entire thing is nothing but pure evil. It is a subliminal. The rota keeps the damnation going, every year. THERE IS ABSOLUTELY NOTHING "SPIRITUAL" ABOUT ANY OF THAT ROTTEN BIBLE, THE OLD TESTAMENT OR THE NEW. All it is a subliminal tool that ensures the Jews total domination over the Gentiles.

And they try to blame human sacrifice on Satan???????

Quote from the torah:

(GENESIS 9:5) I will surely require your blood of your lives. At the hand of every animal I will require it. At the hand of man, even at the hand of every man's brother, I will require the life of man.

The xian mass/service is nothing more than a simulated human sacrifice- the nazarene "eat me and drink me." There are so many references to living blood sacrifices to that YHVH, that make up almost the entire torah and Old Testament. If the Jews aren't mass murdering, robbing, plundering, raping and enslaving the Gentiles, they are then butchering a living animal for that "god" of theirs. That "god" is VERY clear in regards to its insatiable appetite for blood from regular living sacrifices and the subliminal is in the xian mass/service. The nazarene becomes the link to the living blood sacrifice.

People [the masses] really need to wake up. The stupidity is profound. Yogis from the Far East keep stating the goal is to get off the wheel of damnation, but the root meaning is overlooked. All of those legends and fictitious history of the Jews in the bible, especially the torah are subliminal and like the story in Genesis where that Joseph kike gets control of the Pharaoh of Egypt, the numbers, 7, 66, 33 are in the verses- 7 for the powerful chakras of the soul, 66 for the number of books in the entire bible, falling short of spiritual perfection and also the number of slave labor [please do not confuse this with '666' which is spiritual perfection]. 66 falls short of 666, which is spiritual perfection and is hated by the Jews. 666 also translates into Vau, Vau, Vau [Hebrew] and this into WWW [world wide web] where knowledge is available after centuries of suppression. Communications are open now and of course, the Jews have been working overtime to try to destroy this for everyone. 33 is the number of esoteric vertebrae in the spine for the serpent to ascend. This subliminally translates into Jewish psychic power over Gentiles. This is the reason for all of those numbers in that filthy bible.

This is what the Jews do and then the famine and how "god" put this dream in the pharaoh's head [in reality how the Jews use the occult powers to manipulate our leaders and important people]. All of this follows the same sequence as Jewish communism. The biblical stories parallel everything the Jews are and do, with their goal of communism, OR the theocracy of xianity

to control the Gentiles. As I mentioned before, as soon as Jewish communism was overthrown in Europe, xians were right back there like fleas on a dog, making sure one of the very first things was to translate the bible into the local languages and spread their hideous virus of xianity, the twin of communism. This ensures the traumatized populace is again under Jewish control.

Then, people go to that evil church and study and memorize, imbed that fucking bible and it works. We really need to wake everyone up as time is running out. If one gets to the root of all of this and can see with open eyes, the Jews work to ruin everything from sexual pleasure to Gentile civilization itself. The website Vatican Crimes is up and running again:

<http://www.vaticancrimes.us/>

This website is not affiliated with JoS, but is an excellent news source for everyone.

People [xians and muslims] who tie into this energy in truth turn evil, all the while the lying xian/muslim/jew assholes blame this on Satan. The news in the above is nothing new and has been going on for centuries. Nearly every war was either directly or indirectly incited by xianity. Every ugly thing on this planet, including factory farming has its root in the torah...curses damning Gentiles and all. Like the lying slogans repeated and force-fed to the people of communist countries, it is the very same with xianity. The Jews know that the more a lie is repeated and pushed, the more it can take hold in the minds of the populace regardless of how insane it is. North Korea's slogan "We have nothing to envy" is a prime example when most of the population lives in the most deplorable conditions imaginable and is viciously used for slave labor. No electricity, no internet, food is scarce, and even a pencil and paper are an extreme luxury. Access to knowledge is cut off and the populace only knows what they are told. This is no different from the xian church during the Middle Ages. In order to see if something is good or evil, one needs to give it power.

Satan and Our Gods are certainly NOT evil. This is another slogan that lying and deceived xians keep repeating that Satan is responsible for all of the evil, which is a HUGE LIE and deceiver. If one opens one's eyes, we all know YHVH is the deceiver. Read the fucking bible for what it is, and never make excuses for it. People tie into xian and muslim energy and do heinous things. The xian church was built upon torture, mass murder, genocide, and the lives of millions of people who have suffered horribly, all for the Jews. How science has been held back and only when the Jews were expelled from Western Europe and headed to the East, did Europe experience a true revival, that of the Renaissance.

If you are open enough, and know about Judaism, you can easily see how this crap is not only firmly imbedded, but perpetuated every single year. Their weekly torah readings and their holidays, all acted out in a mass ritual around the world. In addition, all of the Pagan/Gentile holidays have been hijacked and turned into Jewish filth, like the Yule season for example- the slavish worship for the coming of their messiah- that foul nazarene. This is to ensure Gentiles pay with everything they've got- money, soul, life energies...fleeced and stripped down to nothing. And...if one does not have

enough, as with money, one is punished severely.

This has got to be stopped. All that filthy bible does and has done is bring misery and damnation to everyone, while lying endlessly and promising a "paradise," no different from Jewish communism. Both promise a utopia and deliver nothing but unimaginable deprivation and suffering, along with destruction of knowledge, intellectuals and the pushing of endless lies in order to create a slave state that parallels factory farming- another Jewish invention.

Some people here are lazy and don't care. Satanism is a religion of the self in the way that the soul we save is our own. Satanism is NOT "selfish" or me, me, me... This is another xian perversion and corruption. All of us must do these forthcoming rituals. Unless we do something now, in the future, everyone will pay. Now, we have a chance.

In closing, a member wrote to me a few days ago and asked concerning leaving anti-xian messages in public places. I replied the best way is to print off a bunch of slips, like 20 to a page with www.exposingchristianity.com on them and leave them in bibles and libraries and other public places, but be careful not to frequent too much, as the enemy will try to keep a watch. People must wake up. Right now, we have a chance with the internet.

I will be working on the reverse torah rituals [which seemed to have done them a lot of damage, as their entire program revolves around that filthy torah]. When all of the rituals are completed, I will upload them all to a zip folder as well as post them as we do them in the updates section.

Subject: Re: Sermon 1/July/2014

I need to further elaborate for people who are new and/or confused here regarding my earlier reply [below- the beginning of the thread is at the bottom of this page]. I am posting this to all of the e-groups as this is relevant.

The number and the standard INTERPRETATION of the "Devil" card in the Tarot does not conform to Satan, not literally anyway. Tarot meanings used in fortune telling and divination have to be adapted and a large part of this also has to do with the experienced reader and his/her own interpretations.

Experienced Tarot readers know that cards can have meanings way outside of what is given in the books. This comes with years of experience and a good Tarot reader is also psychic.

15 [1 + 5 = 6 in numerology] is NOT a number of Satan. The Jews use the number 6 prolifically and if you watch the news and read their writings on world events, 6 keeps cropping up incessantly. Also, the Devil card is not of Satan, but of the enemy. I learned a lot on the job over many years. Always remember what the enemy accuses Satan of; "the Devil," is really their own "god" yaweh/jehova. "A murderer and a liar from the beginning" "the deceiver."
Satan doesn't conform in any way to judeo/xian filth. "Satan" in Sanskrit means "Truth."

Also, as many of you already know; the number 666 IS of Satan and has an entirely different meaning from 6 or 66, which are incomplete numbers and numbers of bondage and slavery. 666 is perfection of the soul and is the kabalistic number for the Astral Sun; the Black Sun, which is sacred to Satan.

As I have stated so many times before, Satan and his Demons are NOT evil. Anton LaVey stated a major truth in the "Satanic Bible" when he wrote that "Good and evil have been inverted by false prophets." This is a fact, regardless of what some people may think of Anton LaVey.

Given the history of Christianity, any idiot can see that the more deep one descends into this nefarious and truly evil program, the more truly evil one becomes. Look at the Inquisition for one, and just how truly hateful, resentful, and judgmental most devout xians really are. Of course, there is always the 5 percent that does not conform to the other 95 percent. I am talking the majority here, meaning devout Christians. Many idiots out there only call themselves "Christian" but are so stupid they don't even know what xianity is really all about.

As for helping the poor and xian charity, xianity creates the problem by imbedding in the minds of the followers [usually compulsory] and even others that poverty is a virtue. This takes a hold on the subconscious mind and the soul and this can last for lifetimes unless it is intentionally removed from one's soul and replaced with a healthy attitude and respect towards money and materialism. Of course, this ploy was put into action so that all wealth

and power is in the hands of the Jews, as is with their torah and their Talmud and also the Old Testament of the xian bible. The entire theme is nothing spiritual, but only a powerful subliminal of Gentile lands being looted, burnt to the ground, mass murder, torture and of course the Jews taking all of the women and children as slaves after murdering all of the males and keeping the booty for themselves.

Quote from the Talmud:

"Schulchan Aruch, Choszen Hamiszpat 348:

"All property of other nations belongs to the Jewish nation, which, consequently, is entitled to seize upon it without any scruples."

Of course, the Jews will try to lie their way out and claim this is all "forged by anti-semites" etc., but all one needs to do is to pick up a copy of the Old Testament which is in every Christian bible. It's all in there. The torah is very similar to the Old Testament. The Talmud is a rabbinical commentary on the Torah. The Talmud goes much deeper into the Torah and comments and elaborates the many minute details of the Torah. The Talmud is like an encyclopedia and has many volumes. The verse below [you can check this out with any online bible, it is right there]. Below is the King James Version, which is the standard bible, and the verse refers to Gentiles at the hands of the invading Jews. Most people don't bother to really think and research Judaism, what the torah and what the Talmud are and see for themselves, even though it is in everyone's face nearly every day in one way or another. It is right there in the bible.

Deuteronomy 2:33

And the LORD our God delivered him before us; and we smote him, and his sons, and all his people.

2:34

And we took all his cities at that time, and utterly destroyed the men, and the women, and the little ones, of every city, we left none to remain.

Here is another:

Numbers 31:7

And they warred against the Midianites, as the LORD commanded Moses; and they slew all the males.

Numbers 31:8

And they slew the kings of Midian, beside the rest of them that were slain; namely, Evi, and Rekem, and Zur, and Hur, and Reba, five kings of Midian: Balaam also the son of Beor they slew with the sword.

QUOTES FROM THE JEWISH TALMUD:

Yebhamoth 11b: "Sexual intercourse with a little girl is permitted if she is three years of age."

Nidrasch Talpioth, p. 225-L: "Jehovah created the non-Jew in human form so that the Jew would not have to be served by beasts. The non-Jew is consequently an animal in human form, and condemned to serve the Jew day and night."

MAKING SLAVES OF THE GENTILE WOMEN AND CHILDREN:

Numbers 31:9

And the children of Israel took all the women of Midian captives, and their little ones, and took the spoil of all their cattle, and all their flocks,

and all their goods.

31:10

And they burnt all their cities wherein they dwelt, and all their goodly castles, with fire.

31:11

And they took all the spoil, and all the prey, both of men and of beasts.

QUOTE FROM THE JEWISH TALMUD:

18. Tosefta. Aboda Zara B, 5: "If a goy kills a goy or a Jew, he is responsible; but if a Jew kills a goy, he is NOT responsible."

The enemy works overtime trying to confuse our people and the entire world. Jews also spend most of their lives learning the finer points of argument. This is what they learn in their yeshivas. They value argument because as they one can see what they are doing and have done with our legal system, when a group spends their time arguing, no decision is reached and no action is taken. Meaningless arguing is a deterrent and nothing more. This is as it is in the study of philosophy, where a question often leads to another question. The Jews know this well and abuse it accordingly. In addition, there are times when one argument may win out but may not be the best possible solution to a problem.

I have done years of research and spend most of my time studying when I am offline. Unfortunately, most people lack the necessary knowledge, especially many of our own Gentile people who are indoctrinated to spend their time in front of the jootube TV and the rest in church activities. There is a Jewish joke I read when studying Judaism: A Jewish "dropout" is a Jew who didn't get his/her PhD.

To get to the bottom of all of this is not easy. It requires years of intensive research and study and above all...Satan. Satan, Lilith and Demons who have worked with me have shown me many truths and have guided me in my studies. Also, I am very grateful as they have allowed myself and many dedicated others here to establish friendly relationships with them. They do not hover and hide behind a cloud like YHVH.

Without their direct involvement with us, most of us would remain forever confused and lost. When one truly gets to know Satan, Lilith, and our other Gods, one will know they are NOT evil. Just their working with us to rid this sorry world of Christianity, Islam and of course its Jewish root along with the communism program that goes along with all of it. Both Satan and Lilith have openly expressed deep concern and much compassion regarding how so many have suffered horrifically under communism. Satan and Lilith and our Gods of Hell also are deeply concerned about animal welfare, the environment and many other problems we are shackled with because of the Jews.

In contrast, the communist regimes have completely ruined the environment in many countries they have totally trashed before they fell. Animal rights, along with human rights are non-existent with the communists and this also

of course speaks for the root of Christianity. Christians live for their death, so it is no wonder they could care less about the earth, or anything else living on it. Also, as I mentioned before- as they worship and tie into such negative, destructive, life-hating and human-hating energy, it is no wonder they commit the crimes that they do.

NO! This would make the entire deck invalid. It won't cause you any attacks. It exposes the enemy for what it really is. It is derogatory. This is very different from having xian icons and other assorted filth that is praising the enemy.

I know this gets confusing, as everything that YHVH really is, they apply to and try to blame on Satan. The main thing to always remember is the NAME. Satan means truth in Sanskrit as most of you know.

Words are extremely powerful. I read where some of those Hindu gurus get flack from certain people in their audiences when lecturing, etc. This sort of harassment is more than likely from Jews as they are open to anyone and everyone. Anyways, this doctor who was important in the way of personal prestige began heckling the guru and told him he thought the power of the spoken word was nonsense and in reality held no influence. The guru replied to him by calling him a mutherfucking son of a bitch in front of the entire audience. The Dr. was very upset, insulted, shocked and appalled and began to leave and then the guru replied- "see what I mean?"

It is very important to always remember to call Satan and our Gods by their names. Satan is fine with us calling him Satan. He also goes by Lucifer, Ea, Enki. "God" is too broad a term and with the enemy having taken a psychic hold on that word, I would never use it, even though we know their "god" is false and is everything they accuse Satan of being. Always keep the names straight and you will be fine. I have always called him "Satan" as there is absolutely NO confusion of whom I am referring to. I also note that Jews have a very difficult time even saying the word "Satan."

Also, the word "Devil" comes from the Sanskrit word "Devi." "Devi" is the Sanskrit root-word of Divine.

Always treat your Tarot cards with respect, and keep them wrapped and in a safe place. They are sacred.

Since the devil card is not of Satan should I get rid of it? I don't want to sleep on it if it's going to cause enemy attacks or something.

Subject: Happy Samhain/Halloween

Below is a reply to a member of the Teens4Satan e-group and an article on Halloween I wrote some time ago after doing research on the origins of this

special and most fun holiday.

Halloween is a wonderful time of year and a holiday that encourages personal creativity. Halloween is also a good time to communicate with the spirit world. This is in fact scientific as the earth aligns a certain way that makes spirit communication much easier.

Enjoy yourselves everyone, HAIL SATAN and a Happy Halloween to you all!!

Teens4Satan member wrote:

Halloween is coming up and Satan taught me of the christians fake dead celebration traditions (portraying the dead in a horrifying disrespectful way). But I want to celebrate the lords day without insulting him, How do I do that???? Do I just dress up with the intention that I'm not doing it for Xian purpose? Or do I avoid it all, sit back in a traditional Satanic bonfire with a few buddies?

Halloween is by far, my favorite holiday. Feel free to enjoy and celebrate. The only thing to avoid is dressing up in some "devil" costume with the horns or anything else that makes a mockery of Satan. Use your imagination. I used to paint my face up as a skeleton when I was much younger and put on a black top hat and I made a wig from xmas tree string-like tinsel and then put on a long black robe. Also, there is nothing wrong with wearing horrifying or spooky masks or anything else, as long as you are not wearing some devil costume that is a mockery of Satan. Anything else goes. Watch horror movies, indulge in treats...enjoy!
Here is an excerpt from an article I wrote many years ago concerning Halloween:

Let's turn the tables here. You know if the nazarene wasn't such a sorry joke, with all the blood and gore, he is actually scary.

For starters, a lightweight wooden cross, hollowed out on the inside can be equipped with a small sliding door where candy and other treats can be inserted. In addition to acting as a candy receptacle, the cross can be used to defend against thugs who, through laziness would rather rob legitimate trick-or-treaters of their hard earned candy than go door to door like the rest. A neon crown of thorns can be wired to a nine volt battery, blinking on and off, followed by lights circling around the head in different colors. Another battery can supply a small, though loud, speaker booming out church organ music, every so often intercepted by- "have you heard the good news?" "His pain, your gain" "have you been saved?" "Jesus loves you" "this is my son in whom I am well pleased." This way, one can hear the nazarene coming for blocks and get the basket of candy ready at the door. A placard can be attached to the back of the trick-or-treater, advertising: "CALVARY OR BUST!" Fake blood tubes can be hooked up to the palms where they can squirt stingy people who refuse to insert treats into the door on the cross. Fake blood must also be applied to resemble the stigmata and other gore. If one really wants to get elaborate, a whip can be included.

Samhain/Halloween

For those of us who are very close to Father Satan, we are all well aware

that he is fed up with all of the Judeo/Christian claims and statements concerning what Satanism is about, how we celebrate and worst of all WHAT THEY CLAIM HE IS ALL ABOUT.

SATAN IS NOT A HALLOWEEN MONSTER
SATAN IS NOT A VAMPIRE, SPOOK OR GHOUL
SATAN DOES NOT HAVE RED HORNS AND A TAIL
SATAN IS NOT ABOUT GRAVEYARDS, GRIM REAPERS, SKELETONS OR ABOUT HORROR.
THIS TRASH COMES FROM CHRISTIANS. IT IS USED TO BLASPHEME, DENIGRATE AND RIDICULE HIM. THE SAME GOES FOR HIS DEMONS.

For many of us, Halloween is a favorite holiday. I, myself love horror movies and such. The point here is how these have been twisted to portray a false and insulting image of Satan and the Original Gods (Now labeled as "Demons").

Ask yourself how you would feel if people put on hideous masks and went out as either you or a family member of yours or a loved one.

Father Satan should be respected on this date, not mocked by those who believe in and honor whatever Christianity dictates he is. How long do you think someone would last going out dressed as the Nazarene? Chances are, they would be attacked by some fundie Christian.
Or, if Hollywood was to produce a movie depicting the nazarene and his ilk as hideous monsters.

Halloween is a great time for costumes, monsters, and ghouls, images of death and such. A time to be creative and indulge. It is one of our major holidays, but the negative images denigrating Father have to go. He is tired of it and has let the clergy know he does not approve of these insults. For far too long, too many Satanists have gone along with the CHRISTIAN ideas of Satan and his Demons; what the CHRISTIANS allege them to be and what THEY claim our religion is all about, instead of seeing Satan for WHO HE REALLY IS without all of the Christian false and twisted overtones.

ABOUT SAMHAIN:

The holiday known as "Halloween" was originally called "Samhain" a Celtic word meaning "Summer's End." In ancient times, religions were based upon nature, where humanity lived in tune with the earth, the change of seasons, and the changes in the stars in the sky. This is the essence of Satanism; what is natural.

The major cycles of the year and the crops were important times for festivities, rites, and celebrations. Samhain was a time of harvest and the end of a year, a time of preparation; storing crops and preparing for the dead of winter. The eve of November 1st was the eve of the Celtic New Year. This holiday was a time of harvest, a time of endings, death, and dying, as

plant life died and the cold set in. Samhain was also a time of honoring the dead. The Druids built huge bonfires, which they considered sacred, in honor of the Celtic New Year.

There was a prevailing belief in the existence of a Celtic God of the dead known as 'Samhain'. With extensive research and study accomplished by many scholars, nearly all agree this God was non-existent.

Nearly all of the sources mentioning a deity of death known as "Samhain" are CHRISTIAN and they have (as usual) NO legitimate references to back up their claims.

Samhain was celebrated for centuries before the Christian takeover of Pagan holidays. To the intruding Christian religion, any Gods of the old faith were considered "evil" and therefore especially unwelcome at a time of "danger" for the "soul of any good parishioner." This was why Christians suppressed the deadly rite and replaced it a day later with 'all soul's day.'"

Trick or treating originated in Ireland as beggars went door to door on October 31st, asking for handouts. The gifts were for "Muck Olla" a God who was said to destroy the house of anyone who was not generous. Jack-O-Lanterns also had their origin in Ireland; named for a man named "Jack." The story goes that Jack was a miser and when he died, he was not allowed into heaven and he also played jokes on the Devil, so he was not admitted into Hell either, but was doomed to walk the Earth forever. He only had a little lantern to light his way and this is why he came to be called Jack-O-Lantern. Of course, the spooks, vampires, and ghouls were associated with this holiday because of the natural human fear of death and Samhain was a holiday of death.

**The above, as I already mentioned, I wrote many years ago. From what I have learned since, Samhain/Halloween is much more important than the above supposed meanings and legends. There are specific times of the year when rituals and such are greatly empowered, as with the Magnum Opus. We don't have all of the information regarding the dates for the Magnum Opus yet, but Samhain/Halloween is another very important stage and definitely factors in.

European rabbis called on governments throughout the continent to pass laws targeting hate speech against Jews.

The call was made in a resolution passed Thursday by the standing committee of the Conference of European Rabbis (CER), which convened this week in Tbilisi, Georgia.

"We call on additional countries to follow the example set by France and Germany, and devise legislation that targets hate speech against Jews specifically," CER President Rabbi Pinchas Goldschmidt told JTA Friday.

"It is something that few countries have, but is necessary in light of the rise in anti-Semitic violence and hate speech, as we have witnessed this summer," Goldschmidt said in reference to a surge in anti-Semitic expressions throughout Western Europe that coincided with Israel's war in Gaza.

The fight against attempts in Europe to ban non-medical circumcision of boys and kosher slaughter of animals was also a high priority for the committee, Goldschmidt added.

A draft resolution calling for the establishment of an inter-European authority that would certify clergy to combat religious hate speech was suggested but was not passed by the committee, which has over 25 members.

The meeting in Tbilisi was the first time that CER held an event in Georgia, and it coincided with government-sponsored celebrations of 2,600 years of coexistence between Jews and non-Jews in Georgia.

"We saw banners in Hebrew and Jewish signs all over the city," Goldschmidt said.

CER also met with Georgian officials, including Prime Minister Irakli Garibashvili, who, at 32, is one of the world's youngest heads of state.

Garibashvili spoke of his high regard for Israel and Jewish culture during the meeting, Glodschmidt said.

Ferguson, The Result Of Jewish Nation Wrecking

Note the kikes make racial awareness and pride into bad thing for Whites. As anti-racism is a code word for anti-White. Because its harder for kikes to destroy the White race if Whites say no to the Jewish racial extermination policy's towards us. So the kike boogey man of racism is used as a stick in the cause of them murdering us out of existence.

The Jewish Communizing of America:

[The Jewish Communizing of America : JoS Newsletter](#)

The whole anti-racism paradigm is a modern form of Christianity where the original sin is now being born with White skin and we must forever repent for the sin of White Racism which is caused by sinful Whiteness. Of which sixty billion jews and non-Whites died on the cross for in Auschwitz and Roots for [always sweeping the fact kikes ran the slave trade and owned most of the slaves or that Blacks still enslave each other in Africa and Whites are the only race to outlaw slavery in history not part of the narrative] and the only way to repent of Whiteness is to as one kike put it "abolish the White Race" [ie exterminate] so there can a rainbow communist jewtopia on earth.

Jews Behind Black Slavery And the Deaths Of Up To One Hundred Million Africans:

[Jews Behind The Black Holocaust : JoS Newsletter](#)

This is the major narrative of the Egalitarian Liberal, PC Theocracy of the West, which comes down to everyone has a right to exist but Whites, says just who? Why the kikes and their social engineers of the Frankfurt school of social Marxism. Thanks Jews.

Liberalism Is Just Secular Christianity:

[Liberalism is Christianity without the Christ : JoS Newsletter](#)

Black's are naturally racially conscious as is everyone else. Over here the kikes indoctrinate the Whites to feel self hatred and guilt over their racial consciousness. Where the Blacks are indoctrinated that Blackness means being a violent clown, with your pants hanging off your ass. And shooting each other over everything from crack to a bag of chips, and I mean that literally. They have murdered each other over a bag of chips. Blackness forbids learning to read, getting a good education, having a good career, speaking proper English, being a responsible man or a father either [Blackness is big on abandoning your children] or being a moral human being in general. The opposite of this is considered "acting White" and selling out. Its not a mistake when Ghetto Blacks start moving into a higher class area the successful Blacks are the first to move out. They worked their whole life to escape those types. And know from experience what's coming.

You can see this violent stupidity right now in Ferguson the kike media has done everything possible to encourage a Black riot like they did over the Zimmerman case. The Blacks are mad because a goon was stopped by a cop after strong arm robbing a store and walking in the middle of the road with his arms overflowing with stolen goods. And then decided to attempt to kill the police officer as the evidence has proven and failed in the attempt. Now the Blacks kill each other by the thousands. The Black areas of America have the highest murder rates of Blacks killing Blacks. And for 12 percent of the population the Blacks make up fifty percent of the violent inmate population in jails. This is due to the attitude of Blackness, and its criminality. Most of those Blacks are in jail for crimes committed against other Blacks in the name of Blackness.

This is fine to them as its part of Blackness, as one Black author stated. Now this Michael Brown was killed by a White Cop. Now this is bad because he is killed what they perceive as Whiteness. So its time to have a big tantrum. Because Blackness is based on hating Whiteness.

The reason for this is simple. The kikes have filled the Black mind with a deep hatred a never ending negativity. That because they are Black in America the deck is stacked against them and each one could be a celebrity and rock scientist if not for White Racism. The backhand of this the kikes fill their head with a deep self hatred and resentment for not being White. So this is bound to explode. Blacks are taught to give up on life and embrace a destructive path. The big part of this is the destruction of their family unit. Illegitimate children are 70 percent more likely to end up in trouble. The kikes pouring of drugs into the Black community which the journalist Gary Web was murdered by Mossad for writing a second book on exposing. And the Blackness culture created by the kike media and the kike social Marxist's. Desegregation also economically destroyed the Black community. The Blacks did not want desegregation just certain legal rights. The kikes pushed desegregation to wipe out the Black economy and take it over. The average Black business man could not compete with the big kike chains who pushed down prices. A long with the general destruction of the American economy has hit the majority of the Blacks and the White lower working classes hard and now everyone else hard. Poverty creates a strong aberrant behaviour many times. The above Blackness culture builds on this.

Poverty is a crime against humanity. It needs to be dismantled but this is another topic that examines the reality of the monetary world religion which the kikes are the God of. My family members of the past worked hard and fought hard in the streets against the capitalist owners mainly kikes, the cops and strike breakers for social justice and rights for the working man and women. As did many others. Our fathers and forefathers worked hard to build up a higher standard of living and now the kikes are trying to nickel and dime it all away.

The kikes also got rid of the real Black racial leaders and put Communist ones controlled by them in their place. The NAACP was started and run by Communist jews forever. They have doing nothing for the Blacks but ruin them in the long run.

Martin Luther King Jewish Owned Puppet:

[Martin Luther King Jewish Owned Puppet : JoS Astrology](#)

Looking at how the Police are ordered to handle the situation as well from their political masters. Its designed to make a riot happen and possible.

The Police are so tied up and controlled by kike politicians and interests. Normal decent police officers had to go out on a limb to warn citizens in that area by openly posting on their forum all the citizens need to buy several guns and protect themselves and their families. As they will be a violent Black riot over what's coming down in the ruling.

Violent, stupid, self destructive, socially destructive Black clowns. The kike created Frankenstein monster of Blackness on parade. Thanks Jews.

Welcome to kike created, Black America, where reading a book is selling out.

From Israel Cohen [Jew], A Racial Program for he Twentieth Century, 1912. Also in the Congressional Record, Vol. 103, p. 8559, June 7, 1957

"We must realize that our party's most powerful weapon is racial tensions. By propounding into the consciousness of the dark races that for centuries they have been oppressed by whites, we can mold them to the program of the Communist Party. In America we will aim for subtle victory. While inflaming the Negro minority against the whites, we will endeavor to instill in the whites a guilt complex for their exploitation of the Negroes. We will aid the Negroes to rise in prominence in every walk of life, in the professions and in the world of sports and entertainment. With this prestige, the Negro will be able to intermarry with the whites and begin a process which will deliver America to our cause." (End of the quote)

Wake Up! Before nothing is left.

2015

If you pay attention between the lines the Jews are planning to pull a world economic collapse next year. The Jews are planning to take down the global economy and force everyone onto a world currency controlled by the kike IMF. This is where the microchip will come in, martial law will be declared and that and the desperation will move to this. Problem, reaction, solution. This will be the start of official World Jewish Government.

<http://www.youtube.com/watch?v=6h4-j9Jsjaq>

The rituals we are doing now can save us all from this. The entire Jew World Order is falling apart at the seams. We can't stop this crash from happening its a tidal wave. But we can change the direction of what comes out of it. Just like in Germany when the Jews pulled the international depression off as the prelude to Jewish World Take Over by Communism. What happened was Adolf Hitler and the Nationalist Socialist Party and the Third Reich. Which saved us from this. If we legally work now we can create a win for humanity and the planet. The kikes are making their last great gamble for world power. Hitler fought the Alamo of free humanity. Its our turn to make sure we have future and make good on everything those before gave in the struggle for the liberation of all mankind. What kind of a world do you want to live in.

Subject: Important Group Ritual for Saturday, 6 of December 2014

Group Ritual for Saturday, 6 of December 2014 Through Saturday 20 December 2014

NOTE: This ritual will can and ideally should be done as often as possible from the full moon Saturday evening, 6th of December, through the impending new moon Saturday the 20th of December. If you are able to only perform this ritual once, this is fine. Everyone is asked to perform the ritual at least once, but for those of you who can perform the ritual more than once, you are all encouraged to do the ritual as many times as you are able to between the dates listed above.

You may begin the first ritual any time after sundown the evening of December 6th your own local time. Additional rituals can then be performed either day or night through the 20th of December.

The words below are to be vibrated. By vibrating these words, this will remove another powerful biblical curse. The more people we have who will be doing this ritual, the better, as there is both strength and power in numbers. The effects of this ritual will result in a worldwide awakening through removing obstacles placed by the enemy upon the serpent. This ritual will result in many people worldwide seeing

the truth.

Many of the words below are guttural. This means many syllables are vibrated in the back of the throat. Just do the best that you can. Practice the words [I have included an mp3 of the words for you all to download], as much as you can before performing the ritual.

Saturday Evening, 6 of December 2014

Please perform the Raum meditation to raise your powers before performing the ritual.

If you are experienced and already have a meditation that works effectively for you that raises your energies, then use whatever works best for you. It is important to raise your energies before performing this ritual. There is also an mp3 for download of the RAUM pronunciations.

Vibrate RAUM

- **RRR into your base chakra [be sure to roll the R's]**
- **AHH into your sacral chakra**
- **UUU into your solar plexus chakra**
- **MMM into your heart chakra**
- **Now, vibrate RRR into your heart chakra [be sure to roll the R's]**
- **AAAH into your throat chakra**
- **UUU into your 6th chakra**
- **MMM into your crown chakra.**

The above is one round. Do several rounds. It is best to do 13 rounds, or a multiple of 13.

Vibrate EEEE focusing on the right side of your body and immediately follow by vibrating OOOH focusing on the left side of your body [going back and forth], 40 times.

For example, vibrate EEEE focusing on the right side of your body [torso], then immediately vibrate OOOH focusing on the left side of your body. That is one round. Then, immediately vibrate EEEE on the right, then immediately vibrate OOOH on the left. That is the second round. Do 40 rounds of vibrating I then O using a Satanic rosary. A Satanic rosary is used so one is not distracted when vibrating high numbers of repetitions, by trying to keep count. This is not mandatory, though. If you do not have a Satanic rosary, use anything that works.

The I vibration, pronounced as EEE, is pronounced as the long American English E, as in the American English words SEE, TEA, and ME.

The OOOH vibration is the American English long O, such as in the words HOLD, and NO.

Following the completion of the above, vibrate E-A. Vibrate E, pronounced AY, as in the American English words MAY, SAY, DAY; focusing on the front of your body, and then AHHHH, focusing on your entire spine.

For example, vibrate AAAAYYYYY, focusing on the front of your body- just your torso, then immediately vibrate AAAH focusing on your entire spine. That is one round. Then, immediately vibrate AAYYY on focusing on the front of your body, then immediately vibrate AAAH focusing on your entire spine. That is the second round. Do 40 rounds of vibrating E then A using a Satanic rosary.

Following this, vibrate RAUM into your entire aura 7 times.

This meditation empowers the entire soul. The heart chakra is a connector and energy vibrated into it from below will then connect to and transfer into the upper chakras in the second part of the meditation. Just be aware, this is exceptionally powerful and you will definitely feel it the very first time.

This is a powerful meditation to use both before a formal ritual or any informal working.

RITUAL:

INVOCATION TO SATAN:

In Nomine Dei Nostri Satanas, Luciferi Excelsi.

In the Name of Satan, Ruler of the Earth, True God, Almighty, and Ineffable, Who hast created man to reflect in Thine own image and likeness, I invite the Forces of Hell to bestow their great power upon me. Come forth to greet me as your Brother/Sister and friend.

Deliver me O Mighty Satan from all past error and delusion, fill me with truth, wisdom and understanding, keep me strong in my faith and service, that I may abide always in Thee with Praise, Honor and Glory be given Thee forever and ever.

Vibrate the following paragraph of words 9 times. What this means is vibrate each of the words below, every word from the first word to the last. That is one time. Then, vibrate the same again and again until you have done this a total of 9 times.

SSSS • MEE-YEE-AEYEKH-HAH • TSAY • KHEH-REHD-THEH•

ROARM-SSHHEEELL • THEHKH-EHP-HAH-THEEM-HAH •

VEH-RR-EHKH-HAH • TAH-AHL • THAY-UHV •

MEEV-UUURRK-HAH—THEH • NEHD-AY—NAHG-LL • MEHDH-EHK-EEM• NAYK-SHAEYE-AYV • MAHD-AH-HAH—THEH •

SSHH-EHR-AHG-YY-AYV

After vibrating the above paragraph of words 9 times, state with conviction 9 times:

Vibrate AUM

All obstacles are totally, permanently, and completely removed!

The serpent is ascending!

The serpent is fully empowered!

The serpent is forever!

Vibrate AUM

[*All of the above together is one round]

HAIL SATAN FOREVER!!

End of Ritual

Key to pronouncing the words correctly:

- AH as in the American English word *father*
- AI as in the American English words *name* and *came*
- AY as in the American English words *day*, *say*, *made*
- AEYE between an American English long A and long I
- EE as in the American English words *seek* and *week*
- EH as in the American English words *pet*, *set*, and *let*
- EYE is in the American English words *eye*, *sigh*, *tie*, *might*.
- KH is guttural and the sound is made in the back of the throat
- OH as in the American English words *oh* and *go*
- R's should be rolled
- TS as in the American English words *hats* and *pizza*
- UH as in the American English word *cut* and *tub*

The article below is truly appalling to say the least and unfortunately is one of many over the years. That entire HOLOCO\$T was phony.

http://www.angelfire.com/dawn666blacksun/Real_Holocaust.html

for those of you who are new here, or not onto that scam.

How many Gentiles have received any compensation??????? How many Gentiles endured the worst brutality imaginable under the jewish communist regimes? How many Gentiles were systematically worked to death in jewish run slave labor/death camps like Kolyma ? How many people have heard of Kolyma ? But, everyone hears the kike whining about Auschwitz, Treblinka, Dachau , etc., endlessly.

http://dawn666blacksun.angelfire.com/Real_Death_Camps.htm

Many of the victims of communism never even made it to the slave labor camps. They either died being tortured for crimes they never committed or died in transport, going in some cases weeks without any food. Who has ever compensated these people? Their families? Their systematically being worked to DEATH LITERALLY. NO ONE VICTIMIZED BY JEWISH COMMUNISM HAS EVER GOTTEN ANY COMPENSATION!! Over 100+ million Gentile lives have been totally destroyed under jewish communism [of which has its foundation in the Judeo/Christian bible].

The article below reveals the jewish supremacy. Also note the emphasis again on their number 6 with the "60 million" in the second paragraph below in the article. Not only are the few remaining kikes [most are dead from old age] on the doles, but also their families and descendants. We Gentiles have to support these rotten parasites. I just replied to a personal e-mail within the ministry regarding how years ago, I was standing and waiting for a bus in the ice cold rain and watched a jewish funeral procession go by. ALL of the cars totaling some 25 give or take were ALL BRAND NEW. YOU PAY FOR THIS!

In addition, just how many military veterans such as those who fought in the Viet Nam War against the communist vermin have ever really gotten any reparations or compensation? The death toll from communist mass murder in SE Asia was in the tens of millions. Those who fought against communism

in Viet Nam were vehemently attacked by the jewish controlled press here in the USA and other parts of the world. This is just one... there have been continuous wars where nations fought against this jewish pestilence. No amount of money or so-called "compensation/reparations" can ever satisfy jewish greed.

By performing the ritual [this ritual will be ongoing through the 20th of December], we can put a stop to this. You can do the ritual at any time between those dates and as many times as you are able to.

http://dawn666blacksun.angelfire.com/Dec_20.html

Another ritual that can be performed at any time:

http://dawn666blacksun.angelfire.com/62914_Ritual.html

Unless we all work to take a stand against this most vicious, vile and completely rotten parasitical race, this kind of major injustice will continue on. Right now we have a chance. Don't waste this opportunity!

US, France strike deal over SNCF role in the Holocaust

American Holocaust survivors who were deported to death camps by the French state rail operator, SNCF, are to receive compensation. A joint US-France fund has been agreed following lengthy negotiations.

Hundreds of Holocaust survivors who were deported to death camps by France 's state rail company, SNCF, during the Nazi occupation will be entitled to compensation from a \$60 million (49-million-euro) US-French fund.

The breakthrough followed at least two years of negotiations. Thousands of people could be eligible for compensation, including nationals of Israel , Canada and the United States .

The announcement on Friday was part of a deal that would see Washington work to end lawsuits and other compensation claims in US courts against SNCF.

The French state-owned company had been bidding for lucrative high-speed rail and other contracts in US markets. However, some state legislators had sought to block SNCF because of its involvement in the Holocaust.

The French Foreign Ministry and US State Department jointly announced the accord for the compensation fund, which will be financed by Paris and managed by the US .

Paris had already paid more than \$6 billion in compensation to French citizens and certain other deportees. The new fund will also provide money for thousands of spouses or descendants of Holocaust deportees who have since died.

SNCF transported around 76,000 French Jews to Nazi concentration camps, though experts still disagree on the state rail operator's degree of guilt. Only 3,000 survived.

The company argued that it had no effective control over its rail operations during the Nazi occupation from 1940 to 1944.

The French parliament will have to authorize each application for the Holocaust compensation, which could take months to be processed.

People have been asking questions regarding the ritual. As of now, 9 December, the ritual can be performed at any time through the 20th December, as many times [the more the better] as you are able to.

As for the “second ritual” I mentioned, this is optional, but this one can also be done in addition to the main ritual and this second ritual can be done at ANY time, as many times as you can.

Second Ritual [optional]

http://dawn666blacksun.angelfire.com/62914_Ritual.html

The second ritual makes a strong addition to the main ritual and this will be for all of the rituals we will be doing. More rituals like this will be forthcoming.

Subject: Happy Satan's Personal Holiday and the Yule Season

This post is for new people. There is NOTHING Christian about "Christmas." As with everything else in the Christian program, spiritual concepts were hijacked, corrupted and transformed into fictitious jewish characters, places and other related kosher crap for Gentiles to slavishly worship and above all, to create a powerful subliminal link to where Gentile spiritual energies are under the control of the jews who are on top and know the truth about this; Gentile spiritual energies and even life force is channeled into promoting jewish monetary wealth, jewish success and jewish prosperity. Here is more information concerning the Yule Season. If you are new to Satanism, please read. Wishing a Very Happy Yule Season to Everyone here.

There is a true and a false with nearly everything and one can see the glaring lie of Christianity in that everything in that foul program is and has been stolen from the original religions, and replaced with imposter characters, places, and rites where nothing spiritual is left. Another example is how fundamentalist Christians have been working to destroy the last Pagan/Satanic practices of the Yule Season and Winter Solstice, such as removing Santa Claus, the Yule tree, and other evidence that reveals the true origins of the Yule and replace them solely with the nazarene and ilk. For more information and research, type in Jehovah's Witnesses into any internet search engine such as google.com and add 'Pagan holidays.' The information about this is extensive and proves beyond any doubt that these holidays have NOTHING WHATSOEVER TO DO WITH CHRISTIANITY.

The fictitious nazarene has nothing to do with xmas. Xmas coincides with the Winter Solstice and the Yule season, the shortest day of the year. December 25th is the birth date of the Persian God Mithra, and the Roman Holiday of Saturnalias. The tree, the decorations, baking, gifts and celebrating have NOTHING to do with the nazarene. These are carry-overs from original Pagan celebrations. The Yule tree is really symbolic of the human soul, with the trunk being representative of the spine, the branches, the 144,000 nadis [pathways of the vril/witchpower/chi], and the lights being symbolic of the nadis all lit up with Satan's Serpentine Energy. The star on top of the tree is representative of the risen Serpent of Satan.

YULE/WINTER SOLSTICE

December 22nd-23rd

Although the Solstice begins on the 21st-22nd of December, the 23rd is a very special Personal Day for Father. The Sun enters the sign of the Goat which represents Satan. The Night of December 22nd-the eve of December 23rd is the Highest Satanic Holy Night of the year. (This was dictated from him personally). It is the day after the longest night of the year. Again we look forward to beginnings, as the days will begin to get longer as the year goes on. This is a time for intense celebration and devotion to Lord Satan. Indulgence, decorating the home, family celebrations and get-togethers. The Night of Dec. 22nd should be spent in dedication to Satan. This is an excellent time to focus on planning for the year. If one wishes to make personal resolutions this is a good time to do so.

The Yule holidays for Satanists are times of indulgence and taking pleasure in the physical and material aspects of life. Actually, xmas trees and wreaths are Pagan in origin, so there is no reason not to celebrate this holiday with our families. Gift giving, baking, decorating. This is what the TRUE Yule season is about, not that filthy worthless nazarene.

The Yule Season

The Yule season is a season of enjoyment, indulgence and feasting.

Cooking

Baking

Gift giving

Decorating

Building snowmen and winter sports in places where there is snow

Tree decorating

Blue lights in honor of Lucifer

Partying

Santa Claus for the kids

Shopping and more.

The Nazarene as you can see has no place in the Yule season. December 25th is actually the Persian deity Mithras's birthday, for one. The Yule was stolen from the Pagans and incorporated into the Christian religion as Xmas. Pagan peoples were celebrating the Yule long before the false program of Christianity forced itself onto the scene. We need to take back our holiday!!

Celebrate and Indulge!!

HAIL SATAN!!

What will you tell the President when you see him?" was my daughter Eva's first reaction when I told her I'd been invited to the White House Channukah party (Actually, it was her second reaction. Her first was, "Take me!"). Kids are innocent that way. They don't realize that when you have over a hundred people crowding the leader of the free world, it's not so easy to get in a word edgewise.

But I got lucky. It's not what I told the President that mattered, it's what I heard him say when few people were paying attention.

After the president made his Channukah remarks and the lighting ceremony was over, he came down to greet the thick crowd of guests along a receiving line.

Because the Glatt kosher lamb chops were so amazing, and my friend Selwyn Gerber and I were completely immersed in the shmooze-with-every-cool-Jew routine prior to the President's arrival, I came late to the waiting crowd, which means I ended up about four rows back.

Here's where my luck kicked in. There was an imposing and tall white-haired gentleman to my right who had a booming voice and was determined to say something to the President (I think he may have had a few single malts, but that's another story.)

So, when the president got closer to us, and I was prepared to launch my very tame, "Mr President, do you have a message you want to share with the Jews of Los Angeles?" line, THE MAN TO MY RIGHT launched the most brilliant Presidential Channukah greeting of all time:

"Mr President," he said in his booming voice, "when I told my Christian friend I was coming to a Channukah party at the White House, he told me, 'I didn't know the President was Jewish!'"

The President let out a serious belly laugh. But in all the commotion of people asking other questions and everyone clicking their smart phone cameras, it was easy to lose sight of the president to see if he had anything to say.

I kept my eyes straight on him. It was clear that the "President was Jewish" idea had intrigued him. After about three or four seconds, as he was walking away, and looking at no one in particular, the President just said, "I am, in my soul."

So, there you have it: The leader of the free world says he's Jewish, in his soul.

Subject: Buddhism The Anti Spiritual Scam On Humanity			

Buddhism The Anti Spiritual Scam On Humanity

Theravada Buddhism is stated to be the original sect and doctrine of Buddhism. What is obvious is there is a lot of talk about Buddhism and its becoming the new trendy, trend. But no actual mention of what Buddhism is as the core of its system and meaning. Just buzz words. The Buddhist Theocrats are also purposely pushing the trendy buzz words and feel goodism. Without telling anyone what Buddhism actually is. Read on to understand why.

Its simple Buddhism states existence is suffering and suffering has an end which sums up its four noble "truths." Which sums up the whole system.

Suffering is existence....what is the opposite of existence? **Extinction, what does Nirvana**

mean in Pali: EXTINCTION.

Buddhism states there is no soul nor eternal I or self. The person is a collection of only five aggravates or elemental forces of a consciousness that simply reform into each new incarnation according to what karma has ripened a restacking of the same deck. These forces are held together by a karmic glue and desire is what causes karma to continue on and solidify the aggravates together keeping one in the **wheel of suffering which is existence.**

The Buddhist meditation system is basically void mediation and nothing else. Its a form of introspection that allows one to trace the roots of desire and dismantle them within the psyche. So that eventually when they die. The five aggravates will dissipate and they will cease to exist and become totally extinct. This is obtainment of Nirvana which means EXTINCTION.

Buddhism states the biggest illusion and desire that causes one to stay in the cycle of existence thus life. Is the belief one has a soul an eternal I that goes on. Enlightenment in Buddhism is totally accepting the ridiculous belief that there is no self and one does not exist. Ones existence as a self is maya. This belief acceptance is believed to be the switch hit that dissolves the karmic bonds totally and allows for them to reach total Extinction, Nirvana upon death.

Buddhism is a materialistic, annihilationist death cult. That preaches a strange sentimental, radical egalitarianism which is why the current Liberal West finds it so appealing. The ideology preached in the Buddhist Dhammapada is identical to the Sermon On The Mount of Christianity. Which is an enemy program. Which points to who is behind Buddhism. Who benefits from removing spiritual knowledge and replacing it with a paleo, Communistic system.

Now the Buddhist system furthered laid down the following.

The science of mantra and astrology was banned. And the practices of Yoga [Kundalini Yoga is Yoga] where also banned from being taught. The original eight fold path which survived in Tantra which is the esoteric knowledge of the Veda. Was replaced by the Jainist eight fold path. Which leads to nowhere spiritual.

The Tantra texts uniformly agree Mantra is the number one most important tool for enlightenment which Buddhism by order removes.

Its obvious what went on here. They removed the actual spiritual knowledge needed for enlightenment which is defined in the East and West as the ascension of the serpent [Kundalini Yoga] a large part of the Magnum Opus is based on astrology which in Vedic means the science of light. And replaced it with meaningless materialistic nonsense which leaves a person trapped in the cycle of suffering and does not free them from anything. They stay in a spiritual dormant state and hope for extinction of their being from all existence. As Nirvana.

With the technical or symbolic language of Buddhism its stolen from the original Vedic tradition and corrupted into the opposite meaning. They changed the wine but kept the bottle.

Its well established Siddhartha never existed. He is a stolen and rewrote Sun God.

Something at the locus of this reveals itself quick. The Jewish Therapeutae in Alexandria are the known actual creators of Christianity which as system imposed the same ideology and removal of spiritual knowledge by corruption and alteration of the technical language in the manner found in Buddhism but within a Judaic package. It shows the same behaviour and criminal motivation. As is

known the Jews have been in the East for thousands of years.

The Jewish Creation Of Christianity:
topic542.html

<http://www.jesusneverexisted.com/buddha.html>

There are records from Alexandria that indicate the arrival of a steady stream of Buddhist monks and philosophers. They would surely have contributed to the philosophical speculations and syncretism for which the city was noted.

In particular, it seems the original Therapeutae were sent by Asoka on an embassy to Pharaoh Ptolemy II in 250 BC.

Philo Judaeus, a 1st century AD contemporary of Josephus, described the Therapeutae in his tract 'De Vita Contemplativa'. It appears they were a religious brotherhood without precedent in the Jewish world. Reclusive ascetics, devoted to poverty, celibacy, good deeds and compassion, they were just like Buddhist monks in fact.

From the Therapeutae it is quite possible a Buddhist influence spread to both the Essenes (a similar monkish order in Palestine) and to the Gnostics – adepts of philosophical speculations."

86 Year Old German Woman lays charges against the Central Council of the Jews in Germany

[http://justice4germans.com/2014/12/17/8 ... n-germany/](http://justice4germans.com/2014/12/17/8...n-germany/)

Here is a story you won't hear in the "mainstream media" nor the alternative, unless it is first put through the wash and spin cycle. Thus, I will do my best to simply translate and present this important and very newsworthy story to the world for consideration as provided by the original author, whom I shall introduce, as well as provide some context for her perspective, as well as my own.

Frau Ursula Haverbeck, born in 1928, is an 86 year old survivor of the genocidal Allied terror bombing, the Russian onslaught of rape and pillage on Germany's Eastern frontier, the anti-German pogroms and expulsions, and the post-war Morgenthau Plan of mass starvation perpetrated against Germany, the enslavement and mass murder of surrendered German soldiers as well as, of the

post-war cultural genocide of the German nation by the criminal victors.

Many today still live in "denial" of these obvious and provable crimes, but no law prevents anyone from voicing their denial, so no one has ever been jailed for denying these facts. Nor is any notion of "collective guilt and punishment" forced upon the citizens of the nations which perpetrated these monstrous "war crimes" and "crimes against humanity". The peoples of the Allied nations have not been divided, and had their land, culture and heritage stolen. Nor have they been forced to pay reparations to the Germans for this "Unholocaust". No one has ever been jailed for spreading "false news" and "inciting hatred" toward the German people, though it is committed daily in the mass media; in books, films, TV shows, newspaper articles, schools, and in everyday average conversation amongst people everywhere.

Frau Haverbeck is a very learned, lucid and articulate lady, who is in good physical and mental health. She holds several university degrees, including in the field of Education. She, along with her late husband (a professor and former Eastern Front soldier) were both, in past years, very involved with environmental concerns in Germany, and were activists for the preservation of the German language and culture.

On November 20th, 2014, Frau Haverbeck made history by laying criminal charges against the Central Council of the Jews in Germany, under S. 344 of German Penal Code with "False Prosecutions" perpetrated against innocent Germans concerning their "denial of the holocaust" (TM). The crime of False Prosecution is punishable with up to 10 years imprisonment.

In this recent video entitled "The Biggest Problem of Our Time", she cited the ever diminishing publicly acknowledged numbers of Jews who died at Auschwitz, as already acknowledged by official sources, and which can also be read by all on the plaque outside the former Auschwitz camp.

She referred to an article to this effect in the nationally published magazine "Der Spiegel" in 2002. Frau Haverbeck also stated that original NS German documents concerning the exact orders pertaining to the duties at Auschwitz which had been seized by the Soviet Union after the war, were now in possession of the mainstream "Institut für Zeitgeschichte" (Institute for History), and also available to the public for a fee of €124.00 since 2000.

Frau Haverbeck says that "these documents indicate very clearly, in full detail, that the Auschwitz camp was not an 'Extermination Camp', but rather a 'labour camp' for the defence industry, and moreover, that those in charge of its operation were under orders to maintain the health of the prisoners to the best of their ability for the purposes of production, which was essential for the continuing war effort". She adds, "that is what those who worked there and have been accused of war crimes have always maintained!"

"Surely by now" Frau Haverbeck says "an official revision which encompasses these facts should have taken place and that all judgments made against so-called 'deniers' should have been overturned, as the evidence is available which supports their position, but nothing of the sort has happened. Many are still sitting in jail to this day. This puts the onus back on the accusers who continue to claim that 6 Million Jews were exterminated, to show us where the physical evidence is that supports their claim. Where are they?"

Frau Haverbeck stated that "I and others have petitioned every possible government department and branch of justice and have provided them with these documents, and yet nothing has happened. There has been no reply! The reason for that must be that they have no response as they have no evidence, as there was no holocaust".

"If this was an indeed such an 'open and shut case' that is irrefutable, as the courts have ruled over and over again, and which they never tire of telling us, their case cannot rest upon any so-called

'secret order' . And for them to now have to acknowledge a drastically reduced number of victims is for them also not possible, given the alleged singularity of this event, as the one and the only, and the biggest and most heinous crime ever committed. Then let us consider and compare this with the 'Rheinwiesenlager' (Eisenhower's Death Camps), Dresden, Hiroshima, and horrors experienced by the many millions of German expellees and refugees from the East!"

Frau Haverbeck then goes on to state that "in statements made at Nuremberg, no one testified to the presence of any gas chambers, and that confessions, particularly those of Rudolf Höss, are now well known to have been extracted through unimaginable, excruciating torture, to which anyone would have confessed to the mass murder of millions. No testimony, received by such means, as legal experts know, can be given consideration. Why is it that there should even be such a law as S. 130 that should deny us the ability to question this? And how is it that the entire body of defence testimony and uncountable volume of physical evidence which they tried to provide was completely ignored or destroyed? Such could only have proved to have been incriminating if something sinister had actually taken place. Obviously, they (the prosecutors) could prove nothing, and so these witnesses and their evidence had to disappear."

She goes on to question how this is possible in Germany for the authorities to ignore, and asks whose interests these "authorities" and "academics" etc truly serve? (This roughly the first 10 minutes of the 19 minute long video. I'll leave it there in the interest of time and length.)

In a statement posted on her website, Frau Haverbeck writes:

"After weeks of reading on the internet that 'there was no Holocaust' all processes in which critical-thinking citizens convicted of Holocaust denial under section 130, paragraph 3 of the Criminal Code must now be re-opened .

These citizens have committed no other crime other than that they came to the same conclusions earlier, that there may not have been any such "holocaust", because of their own due diligence and scientific knowledge.

All interested parties should immediately consult the competent courts in order to make them now aware of this new evidence. Then, contact their respective lawyers to clarify as to how to proceed.

It was outrageous what took place after the reduction of the number of victims of Auschwitz, which was officially announced to the public, with no explanation, nor apology for giving false information. Whereas, the 'Spiegel' Editor, who wrote the same thing in an essay based upon the new archival discoveries, etc., has gone unpunished.

Even more serious and incompatible with the rule of law was the simultaneous arrest and jailing of the chemist Germar Rudolf. He had, with his chemistry expertise and his scientific investigations into Zyklon B as a potential gassing agent, come to the conclusion that the holocaust, as hitherto described, could not have happened at Auschwitz.

Now this is unacceptable: on the one side, the documents of the Commandant of Auschwitz show that this was a labor camp for the defence industry and not an extermination camp, yet the Ludwigsburg Central Office for prosecution of 'National Socialist crimes' has indicted about thirty men, now over ninety years old, on the charge that they had been involved in the extermination camp at Auschwitz, and in the murder of hundreds of thousands of people.

If the German citizen is still the supreme sovereign under the Basic Law in this Federal Republic of Germany, then each of us has a responsibility for the truth, and a right to expect that justice be done. This is the basic responsibility of every citizen. It is, therefore, also the duty of each to also work towards the restoration of law and justice."

Approx. 2,000 Germans are charged each year in Germany under S.130 of Penal Code for "Holocaust Denial" which is punishable with up to 5 years imprisonment and fines, and also has social penalties, as those convicted find themselves unable to work and shut out of organizations, etc. In the media they are demonized and vilified as "Neo-Nazis" and "right-wing extremists". The term "Nazi" is, as I have previously reported, a pejorative term created by the enemies of National Socialism long before Hitler ever came to power, and it is still wielded as a weapon to this day, in Germany and elsewhere, to stifle dissent and discussion, and to incite hatred.

Frau Haverbeck, herself, has been labelled as such and has previously been charged and convicted as a "Holocaust denier" and also with "Volksverhetzung" (inciting hatred) for her efforts to speak out on behalf of the German people who to do this day are burdened with the alleged guilt of starting the war, of war crimes, crimes against humanity, and the systematic mass murder of the European Jews.

Questioning any of this in "liberated" Germany is punishable with imprisonment. Presenting evidence to the contrary is not allowed. It is also forbidden in Canada and many European nations. Here is just a partial list of others (Germans and non-Germans) who have been tried, convicted, stalked, harassed and violently attacked for sharing their views and for presenting factual evidence contrary to the official and legally enforced narrative.

Quotes from Frau Havenbeck:

„Wir leben gar nicht in einer echten Demokratie, was man schon daran erkennen kann, daß alle Angst haben. Die Herrscher haben vor dem Volk Angst, deshalb gibt es Maulkorbgesetze, und das Volk hat vor den Regierenden Angst, deshalb wagt es nicht zu sagen, was es denkt.“ ~ Ursula Haverbeck vor dem Landgericht Dortmund, 11. Juni 2007

Translation: "We do not live a real democracy, which one can easily see when everyone lives in fear. The Controllers are afraid of the people, and for this reason, they have made "muzzle laws", and so the people live in fear of those who rule over them. Therefore. the people do not dare to speak their minds." ~ Ursula Havenbeck, before the State Court in Dortmund, 11th June, 2007

„Vaterland und Muttersprache bilden die Grundlage jeder völkischen Entwicklung. [...] Ein Sklave, der seine Ketten nicht spürt, sehnt sich niemals nach der Freiheit.“ ~ Ursula Haverbeck als Referentin im NPD-Bürgerzentrum, März 2010

Translation: "Fatherland and Mother Tongue are the basis for any folkish (German cultural) development. [...] A slave who does not realize he is in chains will never seek to free himself" ~ Ursula Havenbeck, as guest speaker of the NPD-Citizen Centre, March 2010.

In reply to [JoyofSatan666] post:

This thread implies that Jews are stupid. NEVER underestimate the enemy!!!! Yes, there are some stupid Jews, but not as a whole. These people are not stupid, not the ones who have had us Gentiles for the past 2,000 years. They are very clever at lying and deceiving. Many of the Jews have an IQ [level of intelligence] above the top 2% of the population. I saw this myself when I joined American Mensa [which is by invitation only after passing a supervised IQ test that proves your intelligence is in the top 2% or above of the population]. They had an orientation that was compulsory to attend. It was in the home of a Jewish couple for one and for another, out of some 30 people give or take, I was only one of three, maybe four Gentiles there. This is not to say that Gentiles are not intelligent. The IQs of Nazi leaders were way on top in the genius level and they were onto the Jewish problem. Many Jews are in

professional occupations like law. They also know loopholes and brag openly about this and they are very deceptive to an extreme. Not to mention, at the upper levels they are organized and they have money and resources that would make a lot of people's eyes water.

In addition to this, the Jews call themselves "people of the book." There is a Jewish joke: "A Jewish drop out is a Jew who did not complete their PhD degree." The universities and colleges are loaded with them. While they push and indoctrinate the suicidal notion in that lethal bible, enforce on the populace enslaved under Jewish communism, that knowledge is something evil [the Serpent of Satan in the bible represents knowledge], they, themselves know it is the key to everything. For a slave state to exist and function, slaves must be ignorant. The word "ignorant" means "unknowing." It is a sad fact that there are some people here who have to have the word explained as I just did. I am not talking non-Americans either.

The average Gentile comes home, snaps on that TV set, goes to the fridge and takes out an ice cold beer, and then sits down in front of that TV for the rest of the night [many even eat their evening meals on TV trays], and watches PROGRAMS. YES, PROGRAMS AND FROM THESE PROGRAMS, THEY ARE PROGRAMMED.

I, myself place too much value and respect for my own time and mind to sit in front of some of the worst stupidity and waste hours at this. Not to mention the stupidity and blatant Jew-Communist programming is as far as my concern, not only totally unworthy of my precious time, but it is also sickening and boring to the extreme. So, ask yourself... what are you learning from this?? There ARE movies [DVDs] and such that can be educational, even those solely for entertainment. Those sitcoms, Jew run talk shows and related to me are nauseating. Wasted days and wasted nights... lead to a wasted life and a waste of a human being. The Jew dictates both directly and indirectly how you should think, what you should and should not believe, how you should live your life and everything else. THEY PROGRAM YOU!!

Another blatant example... those of you who understand the workings of the mind and meditate enough to have the experience already are aware of just how one's thoughts, focus and attention are so sensitive. Just placing your awareness to 'feel' your aura and your chakras is very powerful. You can do this easily right now and you will see what I mean just how rapidly this manifests- just the smallest bit of focus, attention and awareness.

Just as the Jewish program of communism perpetually and most forcibly indoctrinates the populace [their victims] with endlessly repeated slogans enforcing blatant communist lies [the Jews have long been aware of the powers of the mind and soul, while systematically removing these from the Gentile populace with the programs of Christianity and Islam]; the very same is done with the "Holy Bible" being called "The Good Book." This is a very obvious example of the stupidity and ignorance of those who believe that SHIT! Never has there been such a horrific conglomeration of perverted, corrupted and stolen legends, concepts, literature and other crap and above all- ENDLESS CURSES AND I MEAN EXTREME CURSES AGAINST HUMANITY!!!!

IGNORANT people keep extolling and praising and giving their energies to this extreme negativity and its destructive forces. These are all aimed at destroying civilization and humanity as a whole. There was a time when our Gods had control over the earth and this was called the "Golden Age." It was a

time of peace and prosperity for Gentile humanity. With enforcing of the Christian program, this was the REAL "Paradise Lost" and humanity has unfortunately degenerated ever since. Christianity, Islam and its Jewish root have taken a lethal toll and the world is now facing disaster. Yes, ignorance is bliss as the saying goes. Most people who spend hour after hour wasting their time in front of the TV set, playing endless games on the PC for hours and hours and engaging in other wastes of time are unaware of just how bad things are in the world. Some are so stupid they just don't even bother to care. Where would we all be here right now if Satan and the Powers of Hell didn't care? We would still all be fucking slaves back in the Dark Ages. I also know that Christians are subliminally PROGRAMMED to obsessively push Christianity. In this I am mainly referring to the fundamentalists and those who are steeped in the Christian energy.

Things are REALLY bad, such as the environment. What Jewish communism did to the environment has put a funeral wreath to hang over the entire earth. Whiling away the hours is what they WANT you to do. Be stupid, be unaware, don't bother so put any effort into developing your mind, don't put any effort into studying or learning. Just wait until it is all far too late to do anything. What the Jews have done and are now doing WILL EVENTUALLY EFFECT EVERYONE.

There is a wealth of information that everyone should be studying here. Satan represents knowledge. For those who are just too fucking lazy and unmotivated, JoS ministry and other very dedicated members have already done the work for you. Even the worst slum in the USA is a paradise compared to living under Jewish communism. Unbeknownst to many uninformed dolts who just don't bother to read, the USA is the number one target for a communist take-over. The USA is the last major power that still has some freedom and this is being rapidly destroyed. Our legal system, our law enforcement, our bill of rights and anything related to ensuring individual freedoms are being viciously attacked, undermined and if something isn't done will be eventually destroyed. Many talk the talk, but when reality hits, it is a different story. We are in a very dire situation. Few understand the tactics of communist take-over such as how the Jews destroy the law-enforcement, of which they are doing right now blatantly. The next step is total anarchy of which they enthusiastically promote and then when they get some real power in a country, such as they did in the former USSR, they go on a mass murder rampage. The police and related are usually the first in line to be murdered, along with the educated classes they label the "intelligentsia." No, for the dummies here, you don't have the right to a trial, nor does your family. You are just butchered, and everything you once had and owned is taken from you and now belongs to the Jew-run "State." This is another example of how they push their slogans. The word "people's" is analogous with communism. NO, NOTHING BELONGS TO THE "PEOPLE" IN REALITY. Everything becomes the property of the Jew-owned and run state. The Jews are very adept at inventing slogans that are outright total lies and perverting these and enforcing them as truths upon the populace. When communism fails as it did in the early 1990's, the first thing they then do is to push the Christian program. Fundamentalist Christians are allowed into the victimized country in droves, the bible is then reinstated into the local languages and churches and mosques are opened up and again running. This puts the entire nation back at square one again...under Jewish spiritual control. As I have stated repeatedly, but will again, the bible is the foundation for Jewish communism. When it has done its job and a nation falls to Jewish communism, the bible, the churches and the mosques are no longer needed and all of the stolen materials they used that were hijacked and corrupted from Pagan religions around the world are then done away with, ensuring the ENTIRE memory is gone. If this fails, as I already wrote in the above, they revert right back to using the bible again. This way, the spiritual energies of the populace are under their direct control. The Jews have survived as they have because like that foul Nazarene character, they mutate like a virus. They mutate and adapt to the current times, but they never change in character, nor does their goal of enslaving the entire world. A communist state is a slave state. Christianity and Islam, while pushing the slogans of "freedom" "peace" "equality" and "brotherhood" are in truth, the total opposites.

SATAN IS FREEDOM, SATAN STANDS FOR FREEDOM, AND SATAN STANDS FOR TRUTH, LIBERATION AND INDIVIDUAL RIGHTS.

Below is a list of JoS websites that have a very large number of pdfs available for absolutely free. Many of us have put in years of our time in serious study, creating these works and websites in the service of Satan. We do this because we care. Not only do we work for Satan and the Powers of Hell, we strongly support and believe in Satan's plans for this world.

Subject: Neo Soviet Union By Putin

Neo Soviet Union By Putin

There is some bather in the article but this is of importance as this is what Jewish Putin and the Jews around him have been working on. Putin openly admits it right in the middle of a Political conference.. And is the key reason for the military invasion of the Ukraine by Russian troops in paramilitary uniforms directed by Moscow. And the thousand of people killed and hundreds of thousand displaced by the Jew Cabal in Moscow. They are trying to rebuild the Communist empire.

<http://www.forbes.com/sites/nathanvardi...ell-putin/>

Is the main culprit Putin himself, who determined that the disintegration of the Soviet Union is the greatest geopolitical catastrophe of the 20th century; who admires Stalin and reinstated the Soviet national anthem with different lyrics; the same **Putin who, in the VOLDAI conference in September 2013, said that: The integration of the former Soviet Union into a single**

geopolitical entity is a key priority for Russia.

More on Putin:

As with the previous article this one shows that Russia is just the Eastern wing of the Jewish World Order cabal. And is marching the Russian's into the same Globalist slave state they are to the West. With much of the same policies as well.

Putin is also Jewish with a Talmudic scholar for a father:

Putin and his kosher regime has been connected to false flag terror attacks on the Russian population. The Russian version of 911:

Blowing Up Russia: Terrorism From Within:

Documentary film describes the September 1999 Russian apartment bombings as a terrorist act committed by Russian state security services. Written and directed by Yuri Felshtinsky and Alexander Litvinenko. "We just cannot go out and say that the president of Russia is a mass murderer. But it is important that we know it."

Russian Intelligence and Islamic Terror

By: Jamie Glazov

[FrontPageMagazine.com](http://www.frontpagemagazine.com) | Thursday, July 16, 2009

<http://archive.frontpagemag.com/read...px?ARTID=35568>

Frontpage Interview's guest today is Konstantin Preobrazhenskiy, a former KGB agent who became one of the KGB's harshest critics. He is the author of seven books about the KGB and Japan. His new book is KGB/FSB's New Trojan Horse: Americans of Russian Descent.

"Americans generally believe that Russia is as afraid of Islamic terrorism as the U.S. is. They are reminded of the war in Chechnya, the hostage crisis at the Beslan School in 2004 and at the Moscow Theater in 2002, and of the apartment house blasts in Moscow in 1999, where over 200 people were killed. It is clear that Russians are also targets of terrorism today.

But in all of these events, the participation of the FSB, Federal Security Service, inheritor to the KGB, is also clear. The FSB's involvement in the Moscow blasts has been proven by lawyer Mikhail Trepashkin, a former FSB Colonel. For this he was illegally imprisoned in 2003..."

Putin is very close on a personal level with the powerful Jewish oligarch Abramovich whom some have called Putin's protector and handler. As noted many of these people have direct positions within the government as well.

Duma member

"Abramovich was the governor of Chukotka from 2000 to 2008. " "Abramovich said that he would not run for governor again after his term of office expired in 2005, as it is "too expensive", and he rarely visits the region. However, Russian President Vladimir Putin changed the law to abolish elections for regional governors, and on 21 October 2005 Abramovich was reappointed governor for another term." (wikipedia)

Note: Chukotka is impoverished and remote region of RF, yet resource rich and with big potential to oil exproation. Abramovich, who had and still has lots of interest in oil & resources no doubt has spent the time governing Chukotka productively for his business interest. "Sibneft Begins Offshore Seismic Work in Chukotka's Anadyr Bay December 07, 2005" source. Sibneft was Abramovich's company which he later sold and it went under the wing of Gazprom and its CEO Alexei Miller.
Roman Abramovich - Wikipedia, the free encyclopedia

Chris Hutchins, a biographer of Russian Prime Minister Vladimir Putin, describes the relationship between Russian president and Abramovich as like that between a father and a favorite son; Abramovich himself has stated that his relationship with Putin is a professional business relationship, as signified by his use of the Russian language's formal "Вы" (like Spanish "usted" or French "vous") in addressing Putin, as opposed to the informal "ты" (Spanish "tú" or French "tu").

Putin saves Abramovich's US safe haven

By John Helmer

A deal with Kremlin makes Jewish oligarch Vekselberg the richest man in Russia:

[http://www.telegraph.co.uk/finance/news ... ussia.html](http://www.telegraph.co.uk/finance/news...ussia.html)

Next the above Abramovich is the Jew Khodorkovsky the two of them are the most richest people in Russia and in the top level of the Jewish oligarchy in change of Russia. Note Putin got this character out of trouble once the cost was clear:

<http://en.wikipedia.org/wiki/Khodorkovsky>

Mikhail Borisovich Khodorkovsky (Russian: Михаи́л Бори́сович Ходорко́вский, IPA: [mʲɪxɐˈil xɔdɐˈrkɒfskʲɪj]; born 26 June 1963) is a Russian businessman, oligarch,[2] philanthropist, public figure and author.

In 2003, Khodorkovsky was named Person of the Year by Expert, sharing this title with Roman Abramovich. In 2004, Khodorkovsky was the wealthiest man in Russia (with a fortune of over \$15 billion) and one of the richest people in the world, ranked 16th on Forbes list of billionaires. He had

worked his way up the Communist apparatus during the Soviet years, and began several businesses during the era of glasnost and perestroika. After the dissolution of the Soviet Union, he accumulated wealth through the development of Siberian oil fields as the head of Yukos, one of the largest Russian companies to emerge from the privatization of state assets during the 1990s."

He was arrested on 25 October 2003, to appear before investigators as a witness, but within hours of being taken into custody he was charged with fraud. The government under Vladimir Putin then froze shares of Yukos shortly thereafter on tax charges. The state took further actions against Yukos, leading to a collapse of the company's share price and the evaporation of much of Khodorkovsky's wealth. He was found guilty and sentenced to nine years in prison in May 2005. While still serving his sentence, Khodorkovsky and his business partner Platon Lebedev were further charged and found guilty of embezzlement and money laundering in December 2010, extending his prison sentence to 2014. Khodorkovsky was pardoned by President Vladimir Putin following lobbying for his release by Hans-Dietrich Genscher, and released from jail on 20 December 2013. [3]"

It pays to be Jewish in Russia. Just like in America:

Kremlin provides bailout to Jewish banker
By Grant Slater November 5, 2008 8:56pm

The Kremlin reportedly dipped into a fund to allow a prominent Jewish businessman and Kremlin confidante to pay his debts.

The Russian government set aside \$2 billion for Mikhail Fridman and his holding company, the Alfa Group, that would allow him to pay Deutsche Bank AG, The Wall Street Journal reported.

Fridman, 44, is the first oligarch to receive funds from the account of funds stashed away from Russia's windfall oil profits in recent years. Russia's financial sector has not been immune to the global credit crisis, and market turmoil in recent weeks has led to jitters among Russia's wealthiest.

The loan from the \$50 billion fund would allow Fridman to maintain his stake in Russia's biggest cell phone provider, Vimpel Communications.

Fridman and his Alfa partners founded a Jewish philanthropy group last year aimed at increasing Jewish identity among Russian speakers worldwide. The Genesis Philanthropy Group is still in its nascent stages.

Jews in the former Soviet Union are feeling unease that local funding for Jewish causes may be curtailed as oligarchs lose billions amid the global financial crisis.

More Jewish Oligarchs who got bail outs from the Russian government just like all the Jewish banker oligarchs in American who received mass bail outs as well:

Deripaska, Oleg (UC Rusal) - Jewish multi-billionaire oligarch, reportedly friendly with Putin and a member of the Kremlin elite.

Vekselberg, Viktor. (UC Rusal) The richest man of Russia 2012. This oligarh of mixed Jewish-Ukrainian rigin is also held a big stake and board chair in bailed out Rusal.

Khan, German (Alfa group) - a Jewish oligarch, also a prominent member of the Jewish congress and a contributor to Jewish and "tolerance" causes.

Aven, Pyotr (Alfa Group) - a Jewish oligarch connected to Putin since early 1990s.

Abramovich, Roman (Evraz Group) - a Jewish multi-billionaire oligarch, reportedly very friendly with Putin, also a statesman in Putin's Russia

Shvidler, Eugene (Evraz Group) - friend and partner of Abramovich, a Jewish billionaire with a stake in Evraz Group

Minister of The press, TV broadcasting and Media under Putin (1999-2004), temporary acting Minister of Culture in 2004, presidential aide and advisor under Putin and Medvedev (2004-2009), Kremlin's "manager of mass media" and "spin doctor". Once described as "the most influential personality of Russian television and radio", his record includes creation of Kremlin-friendly Russia Today (RT), Putin's election campaign propaganda and much more.

Pavlovsky, Gleb Olegovich. [...] political scientist (he describes himself as a "political technologist") of jewish origin [...] adviser to the Presidential Administration of Russia until April, 2011 [...] one of behind the scenes masterminds and image shapers of Putin

Reiman, Leonid Dododzhonovich. father was a tajik (asian muslim), mother was a German (jew?) [...] former Advisor to the President of the Russian Federation, Minister of Communications and Information Technologies of the Russian Federation. Leonid Reiman has been numerously rated most influential person in Russian telecom business with personal wealth over \$1 bln., according to Finance magazine.

Sechin, Igor. strange looking - [...] Russian official, considered a close ally of Vladimir Putin. Sechin is often described as one of Putin's most conservative counselors and the leader of the Kremlin's Siloviki faction, a statist lobby gathering former security services agents [...] currently is Deputy Prime Minister of Russia in Vladimir Putin's cabinet. [My note this character also appears in my opinion to be Jewish in racial origin and is called "Darth Vader" by the Russian press].

Shuvalov, Igor. Nothing specific about ethnicity or parents; possibly a Slav. One of the most important officials in Putin's and Medvedev's cabinets. Another "oligarchs' man" in RF government, close personal and business connections with many of Russia's biggest oligarchs, including Kerimov, Usmanov and, most of all, the Jewish tycoon Aleksandr Mamut.

Yusufov, Igor Hanukovich. Jewish businessman and statesman in Putin's Russia: 2001-2004 - Minister of Energy, July 29, 2004 to April 8, 2011 - The Special Representative of the President of the Russian Federation for International Energy Cooperation, Ambassador-at-Large of the Russian Ministry of Foreign Affairs; currently on board of directors of huge state monopoly Gazprom - one of the largest companies in the world.

Parliament: United Russia party, supporters of Putin, notable M.P.s

Hinstein, Alexander. Jewish member of parliament, from the ruling party United Russia (Putin's party); member of the Presidium of United Russia - a handful of members who are the top ruling body of the party. Influential and prolific journalist and writer in Russia, advocate of Putin's government in media.

Slutsker, Vladimir. Jewish multi-millionaire and MP in 2002-2010, prominent member of Jewish social and religious organizations in Russia and worldwide. He and his wife (whom he divorced in 2009) are known as supporters of Putin, Medvedev and United Russia. Naturally, he worked to assist the "worker immigrants" who are "humiliated by the extremists". Reportedly a buddy of another Jewish oligarch - Roman Abramovich.

Zhirinovskiy (Eidelstein), Vladimir. part Jew. Fake "opposition", in reality controlled by and servile to Kremlin. Fake "nationalist", neo-sovietist, the only kind of "nationalism" not banned in Putin's Russia and allowed non insignificant political representation.

Prominent TV and radio hosts

Solovyov, Vladimir Rudolfovich. pure Jew [...] member of Russian Jewish Congress. He is the lead in the official debates in the parliamentary and presidential elections. [...] In addition he's an active supporter for Putin personally and his party "United Russia", Solovyov is a frequent speaker at their meeting; hugely influential Russia's TV and radio journalist, leading pro-government TV journalist, one of the most prominent and recognizable Russian Federation mainstream TV hosts/media personas

Misc

Lazar, Berel. Chief Rabbi of Russia, and chairman of the Federation of Jewish Communities [...] member of the Public Chamber of Russia [...] Lazar is known for his close ties to Putin's Kremlin. [...] Vladimir Putin signed an edict to honor him with the Order of Friendship. This award is being presented for the contribution made by Rabbi Lazar to developing culture and strengthening friendship between nations within Russia [...] At the sixtieth anniversary commemoration of the liberation of Auschwitz at the concentration camp, Putin gave a speech. His speech was followed by Lazar awarding Putin the so-called Salvation medal as a symbol of "the Jewish people's gratitude" to Russia for liberating the camp.

Spiegel, Boris. Jew; MP (senator), pharmaceuticals tycoon, anti-white activist, lobbyist and originator of multiple anti-white, anti-free speech thought crime legislative projects (signed into law and lauded by Putin); according to Jewish press "an oligarch who is closely tied to the Kremlin" and "firmly in the pro-Putin camp".

The Civic Chamber. [...] a state institution with 126 members created in 2005 in Russia to analyze draft legislation and monitor the activities of the parliament, government and other government

bodies of Russia and its Federal Subjects. It has a role similar to an oversight committee and has consultative powers. [...] The creation of the chamber was suggested by Vladimir Putin. Hard to find a White Slav - not Asian, Muslim or Semite – there

The original article with automatic Russian to English translation: "Putin is Enemy" by A. Saveliev - Google Translate. Without Google Translate: the original article on savelev.ru.

Why Putin is an enemy of Russian nation, Russian patriotic movements and Russian state. by A. Saveliev

I. Putin is an enemy of Russian nation

1. During 8 years of Putin`s reign, number of ethnic Russians in Russia shrunked by 8 millions. Annual demographic losses are the same as in 1990`s, when Yeltsin was in power and when Russia didn`t have huge profits from oil and gas export. Number of officially registered abortions is stable, about 2 millions per year. Quality of medical care significantly dropped, free state medicine is almost destroyed and substituted by commercial medicine. Vast majority of Russian citizens can`t afford it.

2. During Putin`s reign, dozens of people with capitals above \$ 1 bln legalized their money. In Yeltsin`s time, there were only 7 people with such capitals. Now their numbers increased tenfold. At the same time, life of at least 2/3 of Russians is still at levels of just physical survival.

3. By changing immigration laws, Putin opened borders for millions of non-white immigrants. Many non-native societies were formed in Russian cities. They are terrorizing local indigenous population with help from Putin`s protégés, who hold all of the key positions in administrations and law-enforcing structures. All protests are stamped by illegal arrests and non-lawful court decisions.

4. Putin de-facto acknowledged an independence of Chechnya and the fact, that 500 thousands of ethnic Russians were cleansed from this region, and also gave amnesty for all bandits and terrorists, who fought against Russia. Some of the terrorists even received the "Hero of Russia" award, the highest award in Russia. Russian refugees from Chechnya didn`t receive any help, although ethnic Chechen "victims of the war" received and continue to receive tens of thousands of dollars per person.

5. Putin systematically destroys Russian culture by giving control over all leading cultural, educational and media resourses to non-Russians or to perverts. Medias systematically destroy traditional morale, discredit Russian history, defile Russian language and substitute cultural examples of Russian classics by low-quality filth. Higher education almost fully turned to be commercial and can only be afforded by a rich minority of the Russian citizens. School education is almost destroyed. In last years, those who leave schools lack even some elementary knowledge.

II. Putin is an enemy of Russian society

1. Putin threw a hurricane of repressions toward Russian social and political organizations: prohibition of books and closing of Russian newspapers turned to be a usual practice. ~ 300 of political prisoners are jailed for their political activities in Russian organizations.

2. Putin destroyed the only patriotical party, "Rodina" ("Homeland"), that entered Russian parliament in 2003. By using non-lawful court decisions, he prohibited this party to participate in regional elections in 2005-2006, and than "Rodina" was destroyed because of the inspired internal coup`d`etat.

3. Putin didn't let any patriotic organization, concerned with the "Russian question", to participate in 2007 parliament elections.
4. Putin constantly visits social rallies of the Tatars, Jews, different diasporas of the Asian nations, but he never participated in any such event of Russian organizations.
5. Putin openly supports warm relations with Hasid's leader Berl Lazar. Mosques start to rise in core Russian cities.
6. Putin created totalitarian party of Russian bureaucrats – the "United Russia", and led her to parliament elections in 2007, thus breaking the non-party status of a Russian president. This party is ultra-liberal in her core and serves in interests of oligarch groups, that grabbed all of the Russian national riches.

III. Putin is an enemy of Russian state.

1. Putin finally destroyed Russian armed forces ability to defend Russia. Leading military academies were closed. Space military-oriented know-how are selling out, space station "Mir" was sunk in the ocean. Under Putin's rule, numbers of police forces, dedicated to quell all national-oriented opposition, are twice larger as numbers of army soldiers and at least 3-4 times larger, than number of police (per capita) in the Stalin's USSR in 1930s. Naval Russian forces were radically shrunk, leading military industries and science were destroyed. Putin send a lot of Russian soldiers and officers, who fought against Chechen terrorists, to jail in order to pay new Chechen leader Ramzan Kadyrov for an illusion of his loyalty.
2. Putin created strong top-to-down corruption system. Highest ministers and bureaucrats combine their "state service" with "working" in a huge oil and gas export companies, where they receive moneys equal to their official salaries for hundreds of years.
3. Russian law-enforcing system totally degraded and turned into a kind of an organized crime. Criminal activities are common for the special forces (who sell military secrets and fully control all major activities in a foreign trade), courts (who follow orders from the corrupted officials), militia (who takes bribes from citizens at every step), prosecutors (who don't try to fight with corruption).
4. Putin, with his own decision, gave 200 square kilometers of Russian territory to China, without any needs and lawful reasons for this

Putin helping to enrich his Jewish friends.

Several of the companies chosen to remake Sochi for the Olympics are owned or co-owned by Arkady Rotenberg, a childhood friend of Putin. News reports and Russian watchdogs say Rotenberg's Sochi contracts alone are worth more than \$7 billion, which rivals the entire cost for the 2010 Vancouver Winter Games.

j !Sochi Mayor Says Olympic Concerns Are Unfounded

Arkady Rotenberg, the boyhood friend and former judo partner of black-belt President Vladimir Putin, already is collecting his winnings from what promises to be the most expensive Winter Olympics ever next year.

Rotenberg's companies have been awarded at least 227 billion rubles (\$7.4 billion) of contracts for the 2014 Sochi Games, according to figures compiled from corporate and government filings. That's more than the entire budget for the 2010 Vancouver Olympics, though it represents just 15 percent of Russia's latest estimate for the Sochi event.

Those contracts, which number at least 21, include a share of an \$8.3 billion transport link between Sochi and ski resorts in the neighboring Caucasus Mountains, a \$2.1 billion highway along Sochi's Black Sea coast, a \$387 million media center, and a \$133 million stretch of venue-linking tarmac that will double as Russia's first Formula One track.

"This is a monumental waste of public money," Stefan Szymanski, a sports economist at the University of Michigan who tracks Olympic spending, said by phone from Ann Arbor. "A small number of people at the top have control of resources and there is no accountability."

\$50 Billion

Rotenberg, 61, is among a handful of men Putin has known since childhood or from his days in the KGB or St. Petersburg government who've amassed riches and power during his 13-year rule. Their fortunes have come at times at the expense of men who flourished under his predecessor, Boris Yeltsin, and the consequences of the differing wealth pedigrees are on display in Putin's \$50 billion push to prepare Russia for its first Winter Games. The country is considered the most corrupt of the Group of 20 economies by Berlin-based Transparency International.

While Rotenberg and longtime Putin associates such as Gennady Timchenko, co-founder of oil trader Gunvor, and OAO Russian Railways Chief Executive Officer Vladimir Yakunin, stand to gain from Russia's Olympian largesse, Yeltsin-era tycoons led by Vladimir Potanin and Oleg Deripaska say they're getting squeezed.

Potanin and Deripaska, the CEOs and largest owners of OAO GMK Norilsk Nickel (GMKN) and United Co. Rusal, respectively the world's largest producers of nickel and aluminum, have been handed projects that may not turn a profit for years, if ever. Potanin is spending \$2.2 billion on the resort where most of the skiing events will take place, while Deripaska is putting \$1.5 billion into revamping the local airport and constructing a port and one of two Olympic Villages to house athletes and officials.

'Commercially Useless'

Rosa Khutor, Potanin's facility, has missed 14 billion rubles of interest payments on loans from state development bank VEB because it's been closed to tourists for parts of three peak seasons for test competitions, Sergei Bachin, the head of the project, said in an interview in Moscow on March 12.

The resort, serviced by state-of-the-art ski lifts from Doppelmayr of Austria, was all but deserted on a sunny March 7 because the slopes were cleared for a para-alpine World Cup championship. Rosa Khutor will need to spend another \$130 million after the Olympics to convert the facility into a fully commercial operation, Bachin said.

"A lot has been built for the Olympics that is commercially useless before the games and after," Potanin said last month during a tour of his project with Putin and Jacques Rogge, president of the International Olympic Committee. "The money has been spent and interest is accumulating."

Basic Element

The \$200 million port Deripaska's Basic Element constructed to dispatch Olympic building materials is handling as little as one-fifth of the planned volumes because freight traffic has been redirected to railways and roads, making the venture unprofitable, according to the company.

"If investors don't get any return or government support and in effect lose a large part of the funds they've invested in the Olympics, it won't have a positive impact on our investment climate," Basic Element Deputy General Director Andrey Elinson said during a March 12 interview in Moscow.

Olympstroy, the state company overseeing Sochi's transformation, declined to detail the costs of its individual projects. Olympstroy has had four general directors in six years.

The bulk of Rotenberg's Olympic contracts are held by OAO Mostotrest (MSTT), a Moscow-based company set up under Josef Stalin in 1930 to build bridges across the Soviet Union, according to its website. Rotenberg and partners, including his son Igor, gained control of Mostotrest in 2010, just before the company raised \$388 million in an initial public offering.

Putin Link

Rotenberg's aide said he was unable to comment on his work on the Olympics. Officials at Mostotrest didn't respond to requests for comment by e-mail and phone, nor did Stroygazmontazh, another Rotenberg company with state contracts.

Rotenberg told the Financial Times in an interview published in November that while he values Putin's friendship, he'd never abuse it for personal gain.

"I have great respect for this person and I consider that this is a person sent to our country from God," the newspaper cited Rotenberg as saying about Putin.

Dmitry Peskov, Putin's spokesman, said Rotenberg's success is unrelated to his ties with Putin.

"No friendship can grant you access to Olympics projects, which are very difficult to get because they're hard to implement and aren't as profitable as many other construction contracts," Peskov said by phone on March 15.

Gazprom Pipelines

Rotenberg gained his fortune by selling pipes and building pipelines for state-run OAO Gazprom (GAZP), the world's largest gas producer. Stroygazmontazh, which Rotenberg owns with his brother Boris, built a gas link to boost supplies to Sochi for 32.6 billion rubles, five times more than first budgeted, according to Olympstroy and government data.

The Rotenberg brothers are now worth \$2.97 billion each, more than all but 35 Russians, Moscow-based CEO magazine estimated last month. That's up from \$1.75 billion each in 2011.

The controlling stake in Mostotrest (MSTT) that the Rotenbergs held via their 68.5 percent interest in Cyprus-based Marc O'Polo Investments Ltd. declined to 38.6 percent after the IPO, according to the company.

Mostotrest "somewhat disappoints investors with its annual performance forecasts," said Elena Sakhnova of Moscow-based VTB Capital. Even so, Sakhnova is one of 12 analysts with a "buy" rating on the company's stock, according to data compiled by Bloomberg. "Mostotrest gets very good contracts, not without Rotenberg's help," she said.

Shares Rise

Mostotrest shares closed up 0.1 percent at 136.83 rubles in Moscow, after gaining as much as 1.9 percent on the benchmark ruble-denominated Micex Index.

The largest single Olympic contract for the \$8.3 billion rail-highway link went to state-run Russian Railways, which then hired Mostotrest and a company now part-owned by Putin ally Timchenko, SK MOST, among other contractors. Russian Railways' pension fund owns 25 percent of Mostotrest.

Putin, 60, has fought to host global events to raise Russia's international profile and boost growth through state and privately funded infrastructure projects, including last year's Asia-Pacific Economic Cooperation summit in Vladivostok.

The Audit Chamber, Russia's budget watchdog, last November said it found that about \$490 million of the \$20 billion Russia allocated for the APEC summit was "improperly spent." About \$506 million has been misspent in Sochi thus far, the watchdog said this month, declining to be more specific.

'Rough Estimate'

Russia in September doubled its forecast for spending on the 2018 soccer World Cup to almost \$20 billion, a figure Sports Minister Vitaly Mutko called a "rough estimate," according to state news service RIA Novosti. Brazil's Sports Ministry last year said it planned to spend 30 billion reais (\$15.1 billion) on projects linked to its staging of the 2014 World Cup.

Putin, who has repeatedly vowed to crack down on corruption, last month fired the vice president of the Russian Olympic Committee, Akhmed Bilalov, saying his brother's company, which had the contract for the ski-jumping complex, was over budget by a factor of seven and behind schedule.

"The main issue is to be sure nobody steals anything," Putin said Feb. 6 before the announcement of Bilalov's dismissal.

Three days earlier, Rotenberg's Mostotrest said it would seek to sell its Engtransstroy unit, which has at least four unfinished Olympics contracts, including the Formula One track.

Road Contracts

Bilalov, who has since left Russia, started having trouble in 2011, when organizers told him to spend what would amount to \$200 million on roads and other works that weren't in the contract once held by his family's company, according to his representative in Moscow. Bilalov denies costs jumped sevenfold, saying they only increased 60 percent, according to the representative, who asked not to be identified because of the sensitivity of the matter.

Police have announced one major case of financial fraud related to the Olympics. That was last August, when the Interior Ministry put out a brief statement saying investigators had foiled a plot to embezzle 8 billion rubles. No details were provided. The ministry and the Prosecutor General's

Office in Moscow didn't respond to requests for comment on corruption in Sochi.

"The cost overruns are due to corruption, the clan system and a lack of competition," said Sochi native Boris Nemtsov, a deputy prime minister under Yeltsin and a political opposition leader who tracks government spending. "All the main contractors in the Olympics are people close to Putin."

Cost Overruns

Sochi Mayor Anatoly Pakhomov, who defeated Nemtsov in his 2009 election with 77 percent of the vote versus 14 percent, said spending concerns are unfounded because any "wrongdoing" is quickly discovered and halted by authorities.

"Some people have latched onto the rising costs, but that can happen because of unforeseen circumstances," Pakhomov said in an interview in his office March 6. "There won't be any witch hunts after the Olympics."

Money wasn't an issue later that night at the Blue Sea, a trendy Sochi eatery where vintage Louis Roederer Cristal Rose champagne goes for \$1,600 a bottle and a basic crab dish can set you back \$300. The seafront restaurant was packed with well-coiffed women laden with furs and gems, a reflection of the extravagance transforming this former Soviet city of 343,000. Outside, trucks full of materials continued to inch toward their Olympic destinations, spreading clouds of dust.

For Gurban Babayev, though, there's nothing to celebrate. Babayev, who operates a small fleet of motorized cranes, says he's been chasing Olympics subcontractors for \$65,000 in unpaid bills for more than a year, including \$6,500 from a unit of Rotenberg's Mostotrest.

Even with a court ruling, seen by Bloomberg, ordering one of the subcontractors to pay up, Babayev said he still can't find anyone in authority to help him collect.

"You can't go against a presidential project," Babayev said. "This is so bitter for my soul. I earned this money with my blood."

Subject: The Afterlife and Reincarnation [Fully Explained]			

The Satanic Afterlife and Reincarnation
VS
The Enemy "afterlife" and literal death.

People are asking some questions and these questions need to be answered and addressed. The enemy makes sure that nobody gets answers and that everyone remains blind and confused. That's their job. Satan and the Gods make sure to enlighten us and keep us from blindness. That's our job. And we do our job well for the sake of Humanity. That is giving it the Truth and keeping its spiritual eyes open. So long there is lack of knowledge and confusion, the enemy thrives. When there is knowledge, the enemy becomes dispelled and destroyed.

The message is a lengthy, but if you are seriously interested in knowing the Truth about the Afterlife, then here it is for you to study and read. Satanism is about expanding and becoming better in anything we have and anything we are. This includes studying as well. This info will be well understood by more advanced members or members in the intermediate state. No doubt, if one is carefully studying, then of course anyone can understand.

I advise everyone to read the other posts I have made and HPS Maxine has made on reincarnation

and the Afterlife. As it all ties together, you will understand fully and totally. HP Mageson's "Metagenics" Sermon is also a must read to realize the connection of the Physical body with all this.

The enemy "New age" and filth never really answer any question, same with the enemy ET's who are all about "love" and other senseless and existentially low crap. Yes, do some love and farting in the name of "jewsus" and you will be saved from damnation, in which "jewsus" put you into by making you ignorant. Ok. Only a stupid existence would believe such filth. Not only its filthy, but its an under belt strike in nature's ways and only a blindfold to keep you blind while you are guided like a good sheep in your own eternal destruction. The so called "new age masters" have absolutely nothing important to say. At best, they keep saying crap and nonsense as in "you will evolve in 2012" or other shit, that leads nowhere and does nothing but keep the lies and sleep of Humanity going, while filling their pockets with their beloved \$\$\$\$ that they are all about and long for. As for the "New" Agers, most of which are mentally retarded or challenged, this is obvious as in they are in communication with enemy ET's that want them blind and even worse, destroyed. Their will is the same for the whole of the Human cattle. They simply say some "chakra" shit nowadays and idiots think this is something important. The same enemy company did the middle ages destruction and murdered so many human beings, the same enemy ET company did make the Abrahamic programs that punish meditation with death and total destruction, the xian entities that made xianity, the most major program of spiritual removal and blindness.....and idiotic fliths and slaves go to these murderers of Truth to ask questions... We are talking about mentally challenged people, with serious debilitations and serious defects. The "new age" is nothing but the "Dark age" of Humanity in disguise. "JHVH" is the "god" of the jews and that race of people is who they use and operate through to reinforce their ends. They say it to their face and even tell them straightforward that this "god" is only for jews. The stupid's know yet they still follow. But this is xianity, kissing your murderer's feet, then getting raped and murdered, with you last word being 'thank you jew' before you lose your Soul, says they should act and be that way. So they are. Or the jews will destroy them, which they will anyway do. Seriously, we are talking about some nuts here. And these retarded species of life claim to even know about the "afterlife". Seriously? They aren't even capable of giving up the jewish "god" due to fear, yet they know any greater "truth"?

To embrace the Truth requires guts. Those who are delving in xianity or dabbling it are cowards and the Truth is for the strong and the daring, the good hearted Souls that seek it with bravery. If they want to kiss the enemy's nasty shitfeet, then that's their own problem. Which has the results I will mention later.

For those who know Satan and His powers and intentions personally, He literally hands down the best information and is really helping Humanity evolve. Like really evolve, not some empty promises. Satan truly explains, truly cares and truly evolves those willing Souls that follow him and are open to Him. The enemy poses to heal the symptoms, meanwhile causing even more diseases and destruction. Satan is straightforward and goes straight to the Solutions, as in getting rid of diseases all together. The enemy is a piece of filth. For instance, their kike industries and Machiavellian politics is what causes hunger in Africa, then their millionaire xians and shitheads go there and give a loaf of expired bread and a bible to "save" the African people. This is the method they work. The people being blind exchange their Soul and cannot even understand they are being played upon. Then they are left to die anyway or live as slaves for as long as they give their life to the enemy, no different than a puppet. Then they are destroyed to the core because that was their 'purpose' anyway. The enemy ET's do the same thing, only in far more complex and violent manners.

For those who have read the previous posts, you can tie these into this one and see more for yourself. Explaining is a bit advanced, but it is definitely comprehensible. This is not some fancy rainbow shit, as Father Satan is honest. He never makes vain promises and He never allows people to be blind. You need to have your ears open. What one must be aware is the fundamental parts of the Soul, as in Male [Pigala] and Female [Ida] energy, as well as the Shushumna part of the Soul [the door and the place of Kundalini energy] which is the actual hermaphrodite energy.

There have been posts asking to where people are asking about the pains of reincarnation, or how this happens and so forth. Yes, this is the unfortunate Truth, but not all of it and not the Truth for Satanists. We have to reincarnate again and again, which is the natural flow of things, the "natural" of a lower level of existence that we are not meant to exist in. As we have already stated, the Soul if not worked upon with by Meditation can die and wither away, like any other form in the universe. This is no different than leaving the physical body without food. The Gentile Soul is shaped in such manner that when perfected, it can be a self sustaining immortal mechanism, that has an energy uptake from its own self, in other words, as others perish in the after life, those who reach a stage will not. The energy will recreate itself and thus recreate the being. This is the so called "afterlife" the enemy raves about and never gives anyone. This requires work and persistence and is a part of the Magnum Opus working. Also Father Satan keeps and retains our Souls for those who have not reached this state. For better saying, he keeps and retains our "true self" which is the Soul we have had and possessed in all our lifetimes. This part of the Soul is the actual consciousness, as in pure consciousness and the real ID of the real self. This is who you really are. So long someone stays inside their womb, they are at that state, they are their pure self. The state by which this Real part of the Self is reached is called Samadhi in the East and this is the meaning of Satyan - Eternal Truth. TRUTH IS REVEREND IN SATANISM FOR A REASON AND ITS OUR SOLE STRIVING. THE "ALL KNOWING" STATE OF TRUTH AND OF REAL SELF KNOWING IS GIVEN THE NAME OF ITS CREATOR, SATAN. He is the one that gave us this ability by making us evolved creatures. Inside this state one realizes the not so human nature of the Human mind. Thats the literal meaning of the Delphic "know thyself" and of all other Ancient Mysteries.

Due to our mortal physical body and our lack of spirituality and thanks to xianity, this state and any and all links to it get lost. This is what xianity aims, as at that state, the mind is overly expanded and the intelligence is amplified to such degree that hardly ever words can describe, because this state is not ordinarily "Human" in anyway. Its superhuman. Its more than Human, its really Human and not the nowadays "Human". One could easily see in just a second in this state the hoax of xianity and the evil behind it, if they entered that state. This state is symbolized by the Egyptians by the Wadjet eye, the Horus eye, which upon opening and being delved upon makes one see the Truth. Satan opens one's spiritual eyes. Though not mortally and consciously aware, this state is existing and happening inside Humanity, and is taking place in the form of the "higher ego" or "higher self" state, or simply the Samadhi state of consciousness. This state is totally inaccessible by any other means than meditation and also, mastery of the disciple of meditation and perfection of the Soul. Though, without there being a link from this form of consciousness, which is the Vadjet and the Divine Mother Kundalini in other cultures, the conscious self is trapped in basically two modes of consciousness.

The male, conscious everyday consciousness and the dream like state, the female part. The first takes on when you are woken up, the second takes on when you are asleep. The Male part of the Soul is directly linked to the Mental body, which is the link between the Male and Female parts of the Astral body. There is no "Mental body" on its own, its rather a part of the Male Astral body, but at the same time, what is called "mental body" communicates with the Female part of the Astral body, that contains the Subconscious and Unconscious parts of the Soul. I know it sounds complex, but if one gives it some time, they will understand this. Neither the Male or the Female part of these is really the Real Soul, as the Soul itself resides on the higher realms and is "touched" upon when the male and female part is fused, through empowerment of the Astral body. Both these parts constitute the Aura of the bodies and each body has its own Auric field, that does different things. These parts of the Soul act at the same time and with one another, directly influencing one another, to bigger or lesser degrees . The Astral body is the link between the Higher Part of the Soul, the Real Soul and the conscious/dream bodies that we have, that is dimensionally higher than the present 'ego' and is touched when one is advancing in meditation. When one works and strengthens the astral body, a fusal starts happening, between the higher body [Real Soul] and the lower body [the present Male Active and Female inactive part of the Soul, in the present incarnation]. As the Astral body becomes able, more and more of the "real self" [what we today call unconscious part of

the mind, Kundalini Self] is becoming apparent in the everyday consciousness and in the sub conscience.

The unconscious part can really become conscious but this is a long, very long process and its through this one becomes a God. Ideally, the Magnum Opus is when this fusal happens and one is again their real self, that has all their past life memories, all their past life knowledge and so forth. The higher part of the Soul is actually conscious and on the lower behalf of the body and Soul is the Kundalini Serpent. This is the Higher Mind. The Kundalini Serpent is actually what Father Satan gave Humanity in order to save us from this vicious circle of the "rotar". The "rotar" is actually of the lower existential consciousness and of the enemy, where there is the vicious circle of "karma" that keeps people blind as to the real reality, which is Spiritual. Its the vicious circle of death and rebirth, good and bad and so forth, from which Humanity is ideally meant to escape, but the enemy makes sure to keep people stuck in, in order to exploit the lower beings.

What you are living today and doing is also stored inside your unconscious part of the Soul. Stronger events have a bigger impact and are imprinted there. This is the "bank" of your Soul memories. This includes knowledge of past lifes and so forth. These parts of the self can also be regained through this process which is called the Magnum Opus.

The mortal body is meant to become immortal through the Magnum Opus, which is the final goal of spirituality. Though, when the fixing of the Astral body has happened, one will not perish in the after life and they will not wither away like other Souls who are not worked upon, after they physically die. By that way, they can incarnate when they want and they can be self sustained. Also, one will have the nessescary power to tread the astral realms and so forth, which is important, and also Satan and the Gods protect people from nerfariious astral entities. Dedicated Satanists at their moment of death, no different than Ancient Egyptians, are taken by the Gods to a special astral plane until they reincarnate. Those who haven't reached that state, though, must re-incarnate before they dissipate so they will not wither and die. Satan though keeps people who are before that state if they are willing and they are sustained, if there are reasons for that. If not, they will be reincarnated.

All the bodies are inter-connected and all influence each other. This means something simple. The highest part of the Soul that Satan retains throughout reincarnation and the Gods keep, is influenced by the lowest half of the Soul which is the Physical and is directly linked to the Male part of the Soul, that we change in every lifetime and requires energy renewal until it is fixed through advancement. In other words, as the Astral body advances and you empower it, you empower all parts of your being and not only the body in itself, but the Higher Soul. The power raised through this action empowers your real "Soul", the real "ID" of yourself. At that point, all your progress adds up, so you do not really start from "ground zero" in the next lifetime. You do, but the memory and the openness is there, so states are re-attained real faster than before.

When someone physically dies, they experience an opening of their own "Highest self" but this only lasts until the physical body has died. Most do not even have any memory at all and most cannot even "get" to that state to actually get a glimpse of this body/Soul part. This is because this consciousness is too high and they are unable to get a hold of it, let alone understand any of it. So when one dies, they simply leave their dead body and the conscious part of their Soul [the Astral body, the body of Astral Projection] exits. It stays into the Astral realm and slowly dissipates. How fast or if it will dissipate depends on many, many things. Dedicated Satanists at that point, no matter how far they are, are being taken by Gods like Anubis and other Gods, so their astral body is escorted into a safe Haven for our Souls. They are sustained there until they reincarnate. With the Astral Body, which is the closer link and contains the "Higher Soul" or the "God part" they are reincarnated again. The Astral body contains inside it two things and a third thing which is the fusal of both. The male [lower Ego part conscious consciousness, Pingala consciousness] , the Subconsciousness [female part of the mind, Ida Consciousness] and the unconscious part which is more or less latent [depends on advancement, Shushumna/Kundalini consciousness] and its

purpose is to transform both and save their progress and powers. The female part subconscious of the Soul, the Kundalini, does what is natural and is always striving to meet and connect with the male, conscious part of the Soul. The union produces the third part, which is the open door to the Unconscious part, the Kundalini part. "Unconscious" is only a term. Infact, its supreme consciousness, but not in anyway like the walking consciousness. This walking consciousness is only a part of the whole deal.

All consciousness that is of the Astral body [conscious consciousness] gives place to the unconscious consciousness of the Higher Part of the Soul at this point of the Soul entering the Fetus. When one enters, the "Ego" part of the Astral body that they had in the last lifetime and they went to Duat with, dissipates again and they gain a new one, the one they will be born with. This part is given to the child by the parents and directly influences the Physical body aswell and this ties into the Racial criteria aswell. This is why National Socialism is as it is, and is of the Gods of Hell, but this is a whole another matter. What can be said simply, the better body, the better the expression of the Soul. The enemy give their all to destroy the genetics of Humanity for that reason. For this fusal to be able to happen, there has to exist a couple of Humans that are able to give the Soul the genetic material/physical material it needs to actually 'stick' to the body, so it can express itself and advance in the given body. The "Ego" part of the Self is being changed in every lifetime and with it, all conscious knowledge and sense of self is gone forever from Male conscious approach and is being saved inside the Kundalini/Unconscious part of the Soul, yet the female part of the Astral body or the Unconscious part [the Kundalini, the real Self, the Shushumna part of the Soul] remain intact but latent until activated, inside the Soul. In there the powers of the Soul are contained, the memories, the knowledge and anything else. When one is born, they swing again to the new Male conscious part, which is to a degree, connected to the Female part of the mind. How much one will be fused and aware depends on the level they had in their past lifetime. Thats why some people are born very powerful, some less, some very aware, some less aware and so forth. And the process goes on and on until its finalization. At the moment of entering the fetus, the "Ego" part "dies" at this point and with it, all conscious knowledge of the last lifetime. The unconscious part [the Female part of the Astral body] though operates when one is in the womb fully and then for the first years of one's life, with depending power, as it remains intact as it reincarnates intact. This is why some children have memories from past lives and they lose these later, while others do not. The female/latent part of the Soul longs to be connected to the new Active Male Part. Thats the fable of Eve giving Adam the Apple. Eve was tempted by the Serpent and gave Adam the apple. Then they both ate the Apple and they became as the Gods. Reincarnation is mandatory simply because the Male Part is the bio electricity of the Soul, the conscious spark of life, the part from the greater Serpentine energy that we have in our conscious availability to live and is given to us by the physical birth.

The meaning though is to be self sustained as a Soul, as stated earlier. The enemy did their best as in threatening Humanity and in cursing them as to not attain this state of being.

The knowledge of past lives does not literally exist in the Unconscious/Kundalini part of the Soul as mere "knowledge" but it manifests inside the life in the lower levels in many ways, until its finally accessible in such way that it can be rewired into the present mortal part of the mind, in the form it used to exist. In other words. Its not lost, but to literally re-absorb it, one can only do this after they have raised the Serpent. This force manifests so long that its allowed and accepted. For instance, if one is a Satanist in a past life, then this unconscious part of the Soul urges them to rejoin Satan in the present lifetime and so forth. Ultimately, it really opens up and operates, after they are Ascended. The raising of the Serpent unites the Male part of the Soul [the "Ego" one has in every lifetime] with the female part of the Soul [that remains only half intact after reincarnation, because as we are young it gets programmed by others - this is the door to the higher part of the mind] and they both unite and fuse with the Higher Self/ Kundalini part of the Soul [in which the real Soul ID that existed in all lifetimes and so forth, the real self exists]. The Rising of the Serpent is the ground upon which the True Self of all lifetimes is experienced and is becoming reality. When this happens, the door is being opened and is accessible to this higher self, for whatever purposes.

You might think this is the end, but in reality, its the new beggining. Thats why DEATH and DYING and finally, RESURRECTION have been major themes in our Religion throughout the Ages. The consciousness from there on is totally perfected and reform and this is where the Purpose of Being is realized and new states of being have been achieved. The Truth becomes a part of our awareness. Through this consciousness and the help of our Gods, the physical body itself can be made immortal, which means one does no longer have to do this vicious circle of changing active parts of the Soul in every damn lifetime.

The Gods give us this opportunity and also, Satan gave us the Serpent and the Higher Part of the Soul in which who we are through all this still preserves and lives and we carry this with us, so that existing over and over until we are finished and perfect is not totally needless. Even if one does not reach the Kundalini ascension fully in their lifetime, they carry with them in the latent part of the Soul the knowledge of how to get there faster, and also they carry the factors that contribute to doing this faster and faster in the next lifetime, so they can finally complete the work. For some it might manifest in making evolutionary leaps, for others in their natal chart, for others in faster advancement and in a sense of "what to do" and in many other forms. Being with Satan manifests in many ways as a wake up call to get to Satan and Satanism, or interest in the Old Pagan religions, or whatever else. For some it might also manifest itself as in raw power, for others in all the above. You get the meaning behind this, not everyone is the same.

So now you know with Satan, you have nothing to fear. Satan is our Creator God and made us in such way that existing will have a meaning. Respect Satan and treat him with Reverence. If you are too blind to realize why, know that others are pleading for his help, even if they do not know the Truth. They will realize it when its probably too late. All Ancient Civilizations did warn again and again.

Also, another thing that needs be touched is the principle of dimension. While we all Humans might inhabit the same physical dimension, astrally this is not so. There are lower vibrations and really all kinds of places into the astral realm. When the Soul is weak and on a low vibration, it is synchronized and drawn towards these dimensions/realities that are of low existential quality. As we said earlier, every body influences every other body. So when we think of something [Mental body] over and over, we are "tuning in" to certain places/vibrations. This goes deeper but I just have to touch the subject. This conditions the Soul to enter certain places. For instance, if one is mentally sick or somehow likes murder or sickness or whatever, they draw these things into their lives, they are tuning into this and this type of dimension. If one is simply delving on the physical dimension or the 'astral' of the enemy, the xian mindsets and stuff, they are tying themselves in the most destructive energies, physicality, death and so forth, in the extremes. When someone simply thinks of something, this is the Male part of the Consciousness. This directs energy on the moment. When one is ingrained with xianity and the kike programs, this goes into the female part of the mind, its constantly attracted to and towards. So when they die, if they were good sheep, they will get abused further by the enemy, as they are their loyal slaves. When the sicknesses in the Soul, the low vibrations and the low level of being are left untreated, Humanity sets itself in for great damages that are beyond present day comprehension. No matter if one is aware of these laws, the Universe and themselves are still working with these laws and the enemy uses these laws against the unknowing cattle. WITHOUT KNOWLEDGE THERE IS NO SURVIVAL- KNOW THIS. And disobedience of these laws will result in Death. Xians fixate on depression, self loathing, self hate, avoiding knowledge, being OK with being slaves of the jews and any and all destructive qualities that are against survival. For that reason they attract these into their Soul, Mind and life. While in the physical realm this might not manifest instantly or does partially [they do manifest this, as in fatal diseases, destruction, death and so forth] the Astral is even more "Fast" in its materialization. Thinking is creating, as though power is creative force, and that's why xians are told to endlessly pray to "jesus", because he never did exist, to create him, so he can prey on them. Jesus is JHVH, Jesus is from where the thoughtform is charged by prayer, JHVH is from where it exerts power and influence to help the kikes achieve their ends. JHVH is solely a "god" for the jews and also, these malignant filths are in terms with real bad enemies that can plague and destroy Humans that fall to

their level. "Falling" ties in to the above. Their failed and eternally impossible wishes for Satan to "fall from heaven" in the bible and all that filth is actually to try to get Humanity to a lower level, as Satan is our God, the God of the Gentiles. When "we fall" to their lower astral and terrific realms, by thinking, acting and even worse, being xians, then the person is set for all kinds of horrors and destruction. That's the whole aim of xianity and the Abrahamic programs, exploit and parasitize and then kill the victim. This ties into the above and the merciless nature of reality, so enough said. These people who disregard these things are total idiots. These Truths cannot be realized without an Open Satanic 3rd eye and this is the meaning of the Capstone of the Pyramid. When one is blind, even if they intellectually know, they cannot apply. This is not the case for us.

As for xians. I feel literally sorry for them, but without any mercy as they are stupid and nature does not forget stupidity or ignorance under any shape or form. The enemy ET's and the people of the enemy, lie to these people endlessly. The Egyptians and all other Pagans have stated it clearly, without the 3rd Eye and the Serpent, one is blind and a slave. This is totally True. The xians never even believe in an immortal part of the mind or Soul, let alone approach it ever, even by accident. The enemy simply wishes to destroy them fully and totally. As we said earlier, all bodies of a person are interconnected with one another, from the Physical, reaching upwards to the "higher self". That means celibacy, self loathing, punishment and self destruction and everything else influences to a degree the higher part of the Soul and is being recorded therein. One can see where this is going to lead in successive lifetimes. Being a slave and so forth, conditions all the parts of the Soul to be that thing, even remotely. So when xians abstain from sex, or they abstain from their creator Satan and go against nature, they are causing major debilitation not to their conscious parts, but on their unconscious part of the Soul, the Higher Self, in which there is memory in successive lifetimes. But who gives a shit for that, right? They are with the enemy anyway and the enemy is not sparing them or cares anymore than to destroy them. So basically, the first punishment a xian/muslim and the followers of the kikes get, is they never get to even remotely see or feel, let alone be, their Real Self. Not meditating and being Human is an existential crime, that most cannot even remotely comprehend. You are going against the natural flow of things. This is something ET's from out there know and we are no more apes compared to them and what they know. The nefarious enemies of Humanity exploit this blindness and have been doing so for a long time.

Back to xians and blinded Abraham now. They are totally disconnected from their Nature, but Nature itself as well. Whatever disconnects from Nature or the Shakti, Mother energy, is bound to die. They are totally spiritually blind. As stated earlier, at the moment of death, there occurs a sudden overflow of the state of Samadhi, for those who are able to experience it and only them. People who haven't had any of this, will simply be unconscious of this state, experience their physical death and exit the astral. But because the enemy keeps people ignorant and at the very best, their whole 'spiritual experience' and even at death, they will experience few if any things. Many will simply exit the body and because they have been so attached to physical reality will get to still do what they did physically, only in the astral realm. This is only for those who have SOME astral senses open. If they do not, they simply remain in a state of 'blackness' or the 'blackness of death' that many are so afraid about. This is the lack of all external Astral consciousness. Xians cannot deal with that state and simply stay there until their dissipation. Others who are by their nature more powerful, might reincarnate and find their way. There are truly infinite wrong ways to go after death and during "life" [or a life of and for death as they live] for those believing in the jewish lies. That's why many ghosts haunt certain houses and many ghosts are seen doing the same things they did as when they were alive. Many try to stay close to their family and so forth from fear of death, after they are physically dead etc. The character we have had in our lifetime, the lower character, is still intact after death. The thinking and so forth remains the same. What happens is slow dissipation, depending on many factors. This goes and goes, until the Astral body of the xian victim runs out of energy. Also, due to lack of spiritual protection, they are simply wandering there for any stronger enemy to do with them as they please. They can be astrally imprisoned and so forth. Without the necessary knowledge which reinforces it. The devout xians who are in sync with the xian teachings of Hell and this other filth, because they are 'attuned' to this

thing, upon death, can actually get to these lower dimensions.

These dimensions range from dimensions of total ignorance, to actual "hell" made on by the Jews and their spiritual 'beliefs' that have astrally materialized such concepts. This astral body they have once dead is susceptible to any attack, any force, any energy but above all, its open to whom its programmed to be open, who is the enemy and the Jehovian thoughtforms and entities, which are deadly and nefarious. Stray thoughts and no experience with the Astral make one dumb to how it works and this leads to death. As their astral body is more or less a mass of energy and consciousness, the enemy takes these beings and gets them to the massive thoughtform they name "JHVH". Xians are taught all their life to be submissive, ego-less, unnatural, and above all, faithful and sacrificing for the kikes. This is for one reason, to serve them in this life and then perish in the other, so the kikes can do as they please with their Souls, as they have control over those who are in their Astral Level. If the xian is "accepting" of it, they are assimilated inside this thoughtform and good bye existence. If not, they are left away to wither away on the Astral. They can also astrally die and wither away like any other energy. Xianity is all about death anyway. There is no 'eternal' life, but only what xianity promises and is about: Blindness and death. Satan and the Gods try to get some worthy Souls to be saved and they reincarnate them, as Humanity is Satan's creation. But since we are self conscious beings and some choose to be blind, this is where free Will comes in. Its existentially wrong and unethical for Satan to help people who have scorned Him in their lack of intelligence their whole shitty momentarily life. Satan has to help his loyal ones. If Satan and the Pagan Gods desire so, they can and they are saving some xians whom they judge they have simply been blinded. This is all done in accordance to Divine Will. This is the message of the Egyptian Papyrus of Ani where one is judged, aside of the Spiritual Allegory. If one is legit and has been in alignment with Truth and close to the Gods in spirit, they survive and they sustain themselves. This is only partially ethical. What it is is existential. If you deny the laws of Nature, "Sobek", the "Crocodile" God will "devour" the person. This has to do with being low in understanding, as in one getting consumed by the strength of Nature and animalistic laws of nature. The Greek legend that when one has a physical body, they are befallen, is because in every reincarnation we have to go through the same process of uniting the Higher part of ourselves with the Lower part, the Higher part of the Soul, with the lower parts.

With Kikes, you will always lose. As there are merciless and destructive forces everywhere, they are this force in the Earth. You can see this in how easily they murder people physically and in any other sense, or through their programs.

Reality and nature do not give a fuck, they simply go ahead. Only Satan and altruistic beings actually give a fuck about Humanity and that's the sad Truth. Altruism is like anything else found in the Soul and in genetics. Its the natural outcome for allied beings to be altruistic, good and understanding so they can collectively survive and when aware of it, go with the laws of Nature and evolve aside with the Cosmos. Every being is meant to give a fuck about themselves or there is no survival, so simple Many do not even realize they have died and only do so after a point. The first part is caring and sustaining the self and then the group. The stronger is meant to help, if willing, the weaker beings. Nature is not going to give a fuck because you didn't develop your 3rd eye in your life, or because you did not "know" or "bother". NATURE ALSO REWARDS "WORK" AND STRIVING WITH GREATER ABILITY. ANOTHER ATTACK TOWARDS NATURE IS THE ENEMY TEACHINGS THAT "EVOLUTION WILL HAPPEN ON ITS OWN" OR FAKE SHIT LIKE "EVOLUTIONARY LEAPS". This is a big trap to keep people in inaction, no different than the idiots who are waiting the kike to descend from the clouds and make give them some 'promised' shit. Nothing in nature that doesn't work or strive survives. It withers and fucking dies. This applies to everything and anything in nature. If you work with her, she will reward you. If you go against her, you will be overtaken by the downward flow of the weeding of the inactive disposal. If you remain inactive, other forces will eat you up. The real meaning of "submission" is submission not to any other beings, but in the sentimental laws of Nature herself. Xianity took this and maligned it to being submissive to some kike torturer or some clique of astral bastards and weaklings that prey upon Humanity. As right now the center of the Galaxy rotates and is filled with the energy of

movement, the Serpent energy, the same goes for the Satanic Serpentine energy. This flow can only be worked with and can only be manipulated from within, not from without or disassociation from it. Working with it and going with it will make you eternal and this is only a natural occurrence. Satan helps in this.

The "eternal life" concept is stolen from Satan and Satanism and in how the Pagan Gods helped our people for so many thousands of years, before xianity spawned its nasty head. Still nowadays the same persists and exists. Ptah/Satan and the other Gods took the Souls of dedicated people to Duat, they still do. Real spirituality does not change with the times and is not a fashion. Xianity is just whats in the jewish fashion nowadays. Today's fashion is malfunction. In this dark age, life is mistaken for death and death is mistaken for life. "Jesus" and "Jehova" is mistaken for Satan, the One and Only creator God and the real Father of Humanity, Satan, Is mistaken for the evil one. But the dark ages of the enemy are moving towards their end. The whole stock of enemy being and theories is few things: Totally physical striving and thinking, totally destructive type of "spirituality" and for those who do not believe in that shit, "live fast die young" theories, so they are in friendly terms with death and attract DEATH and DISSIPATION to themselves. With jews you lose.

Also, I need to address National Socialism. Yes, this relates to all of that, no matter if one can easily understand this or not.

"We are Nazis"- Mother Lilith.

There are some who do not see the link between our Nazi beliefs. The enemy tries to claim they are disconnected to our Spiritual teachings. This is all a bunch of lies. Most people do not understand the inner conception of National Socialism. National Socialism isn't about having some certain physical features and only this, but is for any Gentile Race to spiritually survive, as well as physically. As explained earlier, the Soul has to have a body and has to reincarnate until it reaches the level it should. HP Mageson explained this in the "Metagenics" Sermon. The Soul can be fully expressed through a body in accordance to what the Real Soul is. For instance, one has to have a Human brain to be able to have a Human consciousness and so forth. The same goes for advanced parts of the mind and states of being, one has to have the nessescary "ground" upon on which everything will materialize and be achieved. The enemy while keeping their Race clean for this purpose and following strict racial policy, promotes bastardization of Gentile Races, as to where we will all be a soup and the individual Souls will not be able to reincarnate. They are doing this so that the Souls that are most advanced will, according to the enemy's hopes, not have bodies to come back and destroy them. This also includes everyone else. Thats why its important for everyone to sustain their Race, because through the Race do live the Souls of the dead of the Race. In a sense, when someone has a child, they are doing this to be able to reincarnate later into the same racial line. At least this is the healthy part flow of things, that the enemy tries to destroy. This is to ensure evolution of the Spiritual/Physical complex of our Gentile people. Our Adolf Hitler clearly stated that National Socialism is a religion in its essence. And this is our religion, Spiritual Satanism, Paganism - Our Gentile Religions. For beings against us who are aware of all these universal rules and laws of Race, this is a method of warfare that is being used against us. This is why in the deep spiritual level Communism is murderous and nerfarious and we are against this, because is a jewish weapon to enforce race mixing. The jews meanwhile as they pamper that shit down everyone else's throats, are having strict Racial laws in the otherwise "liberal" year of 2015, so strict as they blamed the Nazis to have. Do you see what they are doing now? You see where they are going and how deep the rabbit hole goes?

Father Satan wants us all to be able to see. Open your eyes and you see Father Satan. And when you do, the moment you will understand Him, you will be His forever, as His Spiritual progeny and Soul child. May Satan bless you all and keep you strong in the Path. As the Egyptians would say, there is not a worst action than going spiritually blind. SPIRITUAL BLINDANCE IS THE MOST FATAL OF ALL MISTAKES ONE CAN COMMIT AND THE ONLY REAL DISEASE- THE ANCIENTS HAVE BEEN SCREAMING IT FOR YEARS, HAVE BUILT MONUMENTS AND HAVE WROTE ENDLESS

BOOKS TO EXPLAIN THIS AS BEST AS THEY COULD. YOU KNOW ABOUT THEIR CALL. There is also no bigger criminal and murderer than he whom keeps the people blind, be it ET or being a kike trying to deter people into being spiritually dead sheep. For this reason the enemy must be destroyed in any and all places by Spiritual means. Satan is willing to help us and assist us in that goal.

Father Satan wants Justice and Revenge against these beings who are trying to hinder us for so many hundreds of years.

YOU MUST FIGHT AND OBLITERATE THE DARKNESS AND IGNORANCE, ABOVE AND BELOW. THATS THE PURPOSE OF SATANISM!!!!!!

Subject: Islam...			

The current news in Europe is now calling for “more tolerance for Islam.” Although I am and have been aware for many years that Islam is even worse than fundamentalist Christianity [which is total rot], I am not an expert. High Priestess Zildar knows much about Islam in depth and is an expert. What I have come across in the past few days of which Lilith led me to, people need to know.

Many, many years ago, it was exceptionally cold outside and I was waiting for the bus and had time and went into a small library right near the bus stop. I was browsing some books and pulled out a book on torture from the shelf. I will never forget what I saw and read. A small woman from Yemen who ran away from her abusive husband was caught, sentenced and returned to her husband by an Islamic court. They pounded a tow truck chain through her forearm. I always thought this was a somewhat isolated incident. Was I ever wrong.

I have known and befriended men from the Middle East who came to America when I was a very young adult. Most were decent, polite and respectful. They put Islam behind them. Others only observed Islam lukewarm sop to speak, as is with many xians [Christians for people who are new here]. In order to find out if something is “good” or “evil” it must be given power. I would also like to add here, how the Jews use anything and everything they can to create enmity between family members and of course between men and women. What is thoroughly disgusting and appalling is how this completely degenerate and depraved Jewish program of Islam [Judaism is the root] is blamed upon men. The problem is NOT with “men,” THE PROBLEM IS WITH ISLAM!! If the problem were with men, as the Jews try to promote through certain areas of the media, then it would be world-wide, which it isn't. This is just another case of blame shifting as with how xian Andrea Yates murdered her five children by drowning them in the bathtub when they came home from school one day.

What smacks of these three Jewish invented so-called “religions” is how they induce not only total insanity, but also incite believers into committing the most extreme and utterly depraved acts that in any normal society would place the perpetrator in an asylum for the criminally insane for a lifetime. The more an individual ties into xian or Islamic energy, the more psychologically unbalanced they become. Many young and well meaning men enter the xian seminary and study to be xian ministry. Yes, this is pushed upon them and they are told this is a good thing and that they can help others. Xianity takes its toll over the years and then men usually end up as perverts and pedophiles. Many other extremely

negative things also factor into their lives and most become completely intolerant, obsessive, hateful and in some cases, even murderous. Lives destroyed. They also end up destroying many lives. One of the prosecutors in the Salem Witch Trials read the Bible some 54 times. This affected him with influencing a murderous bent. This is not surprising given the intense focus on murder, torture, rape and every other ugly thing that is the foundation of the "Holy Bible."

This is a bit long, but please take the time and read. Those who remain ignorant and unknowing only open themselves to the worst victimization imaginable. The world is in the state it is in because millions are duped into not only slavishly worshipping, but also promoting TRUE EVIL. This has taken its toll and unless something is done, everyone on the entire planet will have no future.

Lilith led me to a book titled: "Souad Burned Alive."

"When Souad was seventeen she fell in love. In her village, as in so many others, sex before marriage was considered a grave dishonour to one's family and was punishable by death. This was her crime. Her brother-in-law was given the task of arranging her punishment. One morning while Souad was washing the family's clothes, he crept up on her, poured petrol over her and set her alight.

In the eyes of their community he was a hero. An execution for a 'crime of honour' was a respectable duty unlikely to bring about condemnation from others. It certainly would not have provoked calls for his prosecution. More than five thousand cases of such honour killings are reported around the world each year and many more take place that we hear nothing about.

Miraculously, Souad survived rescued by the women of her village, who put out the flames and took her to a local hospital. Horrifically burned, and abandoned by her family and community, it was only the intervention of a European aid worker that enabled Souad to receive the care and sanctuary she so desperately needed and to start her life again. She has now decided to tell her story and uncover the barbarity of honour killings, a practice which continues to this day.

Burned Alive is a shocking testimony, a true story of almost unbelievable cruelty. It speaks of amazing courage and fortitude and of one woman's determination to survive. It is also a call to break the taboo of silence that surrounds this most brutal of practices and which ignores the plight of so many other women who are also victims of traditional violence."

This was a couple of days ago and I just finished reading the book. It was enough to make me vomit. Lilith wanted me to do a sermon on this. High Priestess Zildar also got a similar message concerning the threat of Islam and how people need to be educated about what Islam really is and how this is most urgent at this time more than ever. Islam has infested many countries in Europe and just as with the xian and communist programs; it is either convert or die. What is even more appalling regarding the above mentioned book is how a couple of pro-Islam websites are trying to denounce this woman's story as being "fabricated in order to make Islam look bad." Thanks to the internet though, many are aware this case is one of many, and what is worse, it is common in countries that are infested with and dominated by Islam. There are just too many similar cases of this sort of thing that have been made public for this to be "fabricated." Just check out how women in Afghanistan are treated and even if one fingernail is

showing [they are covered from top to bottom with only a net to look out of], they are readily beaten with clubs, or even worse. The enemy will do anything and everything to try to take shift the blame and take the heat off of Islam as a religion. They also do this with xianity. Blame the victims, anyone and everyone, but not the root cause itself.

In this auto-biography, Souad reveals how as a pregnant teenager, her brother-in-law doused her with gasoline and set her on fire. This, I have learned is quite common in those areas. She lived through it. Most young women who are victims do not make it to tell and the few who do are understandably terrified, as this is called an "honor killing" and the family will try in every way to finish it, if the murder was not successful the first time, even if the woman is in hiding in another country thousands of miles away. This reveals just how the influence of Islam can incite one to the most sick and utterly depraved acts, the lowest and most vile of crimes and even worse, do this to members of their own families.

Here are some excerpts from the book. This woman is Arab and lived somewhere either in Jordan or the West Bank . She was rescued after she was dumped in a hospital where she received no medical care and was left to die with burns over 90 percent of her body, and taken to Europe , where her life was saved and she was given treatment:

"It is a curse in my village to be born a girl. I have no memory of having played games or having fun as a child. The only freedom a girl can dream about is marriage, leaving your father's house for your husband's, and not coming back, even if you are beaten. If she does return to her father's house, it is her family's duty to bring her back to her husband. My sister was beaten by her husband and she brought shame on our family when she came back home to complain."

"A wife must produce a son, at least one, and if she gives birth to only girls, she is mocked." Souad also went on to reveal how her mother was pregnant 14 times and when girls were born, she murdered them immediately by smothering them. I also want to add here, this is not fabricated. If one takes the time, one can find on the internet and on YouTube, there are entire villages in various parts of the world that have been infested by Islam and there are only males left as nearly all of the female babies were either aborted or murdered right after their births. This is a fact.

[Her father] "He pulls me by the hair and he drags me on the ground into the kitchen. He strikes me while I kneel, he pulls on my braid as if he wants to pull it out, and he cuts it off with the big scissors used for shearing wool. I have hardly any hair left. I can cry, yell or plead, but I'll get only more kicks." "The girls and women were certainly beaten every day in the other houses too. "You had to bring even this tea tray to the men of the family with your head down, looking only at your feet, and back bent and in silence. You don't speak. You only speak in answer to a question." "Our mother was often beaten just as we were. Sometimes she tried to intervene when my father beat us really viciously, and then he'd turn the blows on her, knocking her down and pulling her by her hair."

"Every birth of a girl was like a burial in the family. It was always considered the mother's fault if she produced only girls. ""...my parents went to see my brother's wife at her parents' house, where she had take refuge because she was pregnant and he had beaten her. "It doesn't take much at all before a girl is seen by everyone as a charmuta, who has brought shame to the family and who must now die to wash clean the honor not only of her parents and her brother, but of the entire village.

“It is the duty of the brother, the brother-in-law, or the uncle to preserve the family’s honor. They have the right of life and death over their women. If the father or the mother says to the son: ‘Your sister has sinned, you must kill her,’ he does it for the sake of honor and because it is the law.”

“Rarely did I see the police. It’s nothing if a woman disappears, and the villagers agree with the men’s law. If you don’t kill a girl who has dishonored her family, the people in the village will reject this family, and nobody will speak to the family or do business with them and the family will have to leave. “Assad was always angry and violent. He wasn’t allowed to go to see his wife. She had gone directly to her parents’ house when she left the hospital because he had beaten her too severely. But she returned to live with him anyway; it’s the law.”

I would also like to add here concerning pedophilia in Islam. Girls as young as 8 or 9 years old can be “married” off to men in their 40’s. IN addition to this, and I know this for certain, women are required to shave off all of their pubic hair. This makes for a child-like vagina.

“Absolutely every single hair of the genital area must be removed. It must all be bare and clean. My mother says that if by chance you forget a single hair, the man will leave without even looking at his wife and will say she is dirty!” “We don’t remove hair from our legs or our underarms, only from the vulva.”

Women who are not virgins and/or cannot prove they are virgins are murdered. Here is another quote: “We will have to wait for the moment when the husband will display the white linen from the balcony or attach it to the window at daybreak so the people can verify officially the presence of the bride’s blood.” “It is a special linen that is placed on the bed for the first night.” “And we cry also with relief, for Noura has passed the great test. The only test of her life, except for proving she can produce a son.” “Noura showed her bruises. Hussein had struck her so hard that she had bruises on her face too. She lowered her pants to show her violet thighs, and my mother wept. He must have dragged her on the ground by her hair, all the men do that. But, I didn’t find out why he had beaten her. Sometimes its enough if the young bride doesn’t know how to cook very well, she forgets the salt, there is no sauce because she forgot to add a little water...that’s reason enough for a beating. “

“In my village, we don’t measure time the same way as in Europe . You never know exactly how old your father or mother is, you don’t even know the date of your own birth. Time is calculated by Ramadan...” [Islamic month of fasting]. “I prayed to God that night as usual. My parents were very religious, my mother went often to the mosque.”

After she was burned:

“I am on a hospital bed, curled up in a ball under the sheet. A nurse comes to tear off my dress. She pulls roughly on the fabric, and the pain jolts me. I can see almost nothing, my chin is stuck to my chest, I can’t raise it. I can’t move my arms either. The pain is in my head, on my shoulders in my back and on my chest.”

The book is a very blatant revelation of what Islam truly is. Now, European countries are being rapidly infested with this most vile of plagues to every beset humanity.

The Koran is divided into 114 chapters called suras [again, the number 6... 1 + 1 + 4]. In addition to the endless sick filth and depraved violence therein, there is also copious praise for the Jews and for Israel :

The Cow

[2.40] O children of Israel ! call to mind My favor which I bestowed on you and be faithful to (your) covenant with Me, I will fulfill (My) covenant with you; and of Me, Me alone, should you be afraid.

[2.47] O children of Israel ! call to mind My favor which I bestowed on you and that I made you excel the nations.

There are many more verses, but this sermon is already very long. I strongly suggest everyone here learn the truth about what Islam really is. Just as xianity constantly pushes and promotes endless lies about how it is brotherhood, peace, love and equality, Islam does the same. No different from how the populace is repeatedly brainwashed with these types of slogans in communist countries in regards to communism.

Don't be an uninformed stupid idiot. Instead of watching the jootube and wasting your time on worthless related crap, do a little research on Islam, be informed, know the truth and what it is and what they will do to YOU and YOUR FAMILY, if they ever take control, which is what is insidiously happening right now in Europe, various parts of Asia and other areas of other world.

"There are some who are putting women at risk. And doing so for ridiculous reasons, namely that they are somehow responsible for the abuse they are suffering." — Nazir Afzal, head of the Crown Prosecution Service, northwest England ." "A new documentary secretly filmed inside several of the 85 Islamic Sharia Law courts operating in Britain has exposed the systematic discrimination that many women are suffering at the hands of Muslim jurists."

"In one case, the BBC secretly filmed proceedings at the Islamic Sharia Council in Leyton, a heavily Islamized area in east London . While there, a BBC reporter met Sonia, a Muslim woman from Leeds who has suffered extreme physical abuse from her husband. When Sonia obtained a civil divorce, the courts allowed her husband only indirect access to the children. After Sonia threatened to contact the police, the Leyton Sharia Council dropped its demand. Reflecting on the court case, Sonia said, "I could not bear the thought of such a violent person having my children. What was shocking was when I explained to them why he should not have that access to the children, their reaction was, well, you cannot go against what Islam says." "On its website, the Leyton Sharia Council writes: "Though the Council is not yet legally recognized by the authorities in the UK, the fact that it is already established,

and is gradually gaining ground among the Muslim community, and the satisfaction attained by those who seek its ruling, are all preparatory steps towards the final goal of gaining the confidence of the host community in the soundness of the Islamic legal system and the help and insight they could gain from it. The experience gained by the scholars taking part in its procedures make them more prepared for the eventuality of recognition for Islamic law."

<http://www.gatestoneinstitute.org/3682/uk-sharia-courts>

I strongly encourage everyone here to see for yourselves what Islam really is and ask yourself: Do you really want to be "tolerant" and have this most vile of plagues that will eventually murder YOU and YOUR LOVED ONES in YOUR COUNTRY?

Just take a long hard look at the photos on this website and see for yourself the REALITY OF WHAT ISLAM TRULY IS:

"Hole where Medine Memi, a 16 year old girl, was buried alive for talking to boys." [there is a photo].

“Three months pregnant, Farzana Parveen was on her way to the courthouse to contest an abduction charge her family filed against her husband, Mohammad Iqbal. A group of nearly 20 family members, her father and brothers included, accosted the couple in front of the courthouse and tried to pull them apart. When Farzana resisted, they fatally beat her with batons and bricks from a nearby construction site.

Calling the murder an "honor killing," the victim's father is said to have proclaimed he killed his daughter because she had insulted the family by marrying without their consent.”

The Jews in America are behind Gun Grabbing:
<http://josministries.prophpb.com/topic6663.html>

But yet are calling for special privileges to be above the law in Europe and be able to carry fire arms when its prohibited for the populace. The French Government has had special military units guarding the Jewish communities for awhile now. And only the Jewish communities. Because where all equal but some are the Chosen people and so more equal then others.

Prime Minister Manuel Valls of France asked his country's defense minister to keep soldiers deployed outside Jewish institutions for as long as possible.

Valls informed members of the Conference of Presidents of Major Jewish American Organizations, an umbrella group that represents 50 national Jewish organizations in the United States, of the request Thursday during a conference call.

Europe's Leading Rabbi: Jews Must Begin Carrying Guns

Top Jewish org petitions EU to permit Jews to carry guns

<http://freebeacon.com/national-security/europes-leading-rabbi-jews-must-begin-carrying-guns/>

One of Europe's most prominent Jewish organizations is petitioning the European Union to pass

new legislation that would permit Jewish community members to carry guns “for the essential protection of their communities,” according to a letter obtained by the Washington Free Beacon.

The European Jewish Association (EJA), which represents Jewish communities across Europe, says that gun license laws must be altered following a string of deadly attacks on Jews in France and other European countries, where anti-Semitism has been growing at an alarming rate.

The recent attacks, including one on a Kosher market that killed four, “have revealed the urgent need to stop talking and start acting” in a way that empowers Europe’s Jews, according to a letter sent Tuesday by EJA General Director Rabbi Menachem Margolin to EU leaders.

The EU, which has enacted very stringent gun control laws, should empower and train Jews to be proficient with guns in order to maintain their safety, according to Margolin.

“The Paris attacks, as well as the many challenges and threats which have been presented to the European Jewish community in recent years, have revealed the urgent need to stop talking and start acting,” Margolin writes.

“We hereby ask that gun licensing laws are reviewed with immediate effect to allow designated people in the Jewish communities and institutions to own weapons for the essential protection of their communities, as well as receiving the necessary training to protect their members from potential terror attacks.”

Margolin told the Free Beacon that he and the EJA have been warning for “a very long time” that anti-Semitism is growing in Europe and that it poses a direct threat to the continent’s Jewish population.

There has been a “dramatic increase of anti-Semitism in Europe,” Margolin said in a telephone interview on Wednesday. “We demanded from the European governments some time ago that action should be taken [and] were not surprised to see the results in Paris.”

Many Jews are living in fear and have shunned popular community outposts such as synagogues and kosher markets out of fear of an attack like that in Paris.

“Many people today are not coming to synagogue because of the issue and they’d be more comfortable if they knew people were trained to react in an emergency,” Margolin said.

Attacks against Jews have been on the rise, as neo-Nazi parties and other anti-Semitic organizations gain a foothold in some European nations. However, the growth of anti-Semitism has not always been acknowledged by leaders.

“We need to recognize the warning signs of anti-Semitism, racism, and intolerance that once again threaten Europe and our European ideals,” Margolin wrote in his letter to the EU.

The situation cannot continue as it is, Margolin insisted.

Jewish community representatives should be armed and on guard at Kosher markets and synagogues, he said.

“We realize that we also have to do something to take responsibility in case it takes too long” for authorities to put the proper defenses into place, Margolin explained.

This would include stationing armed Jewish community members at popular hubs.

Meanwhile, extremists who have travelled to countries such as Syria, where they train alongside the Islamic State and other terror groups, are now returning home to Europe, where they pose a direct threat to Jews, according to the letter

"The European Jewish Association has long and publicly warned European governments of the need to clamp down firmly on any and all acts of terror wherever and whenever they arise," the letter says. "As you know, the danger is that much greater as many Europeans travel abroad to be indoctrinated into radical Islam, before returning to their European homelands to use their militant training to devastating effect."

Any changes to the gun laws can be made in a safe and effective way, Margolin argues.

"Let there be no doubt, we are asking that all weapons will be issued for self-protection only, and to designated personnel that will undergo thorough investigation and training by local authorities," he wrote.

Margolin said that he is currently in negotiations with EU leaders to relax certain gun restrictions, though some remain hesitant to do so.

"Some people are afraid it might bring the situation to be uncontrolled," he said, noting that negotiations on the matter would include ways to ensure Jewish community members are properly trained to use weapons.

Rabbi Abraham Cooper, associate dean of the Simon Wiesenthal Center, said that while guns could help Jews defend themselves against an individual attack, only authorities can protect them against a mass attack like those carried out in France.

"As to personally being armed, such a move could help when a Jewish person is threatened by thugs, but won't help if G-d forbid, Charlie-type terror attacks are launched," Cooper said.

"Bottom line: Only the Police and intelligence can protect France's Jews from terrorism," Cooper said, noting that it is expected French authorities will continue boosting defenses. "If the government doesn't, then there is no long range future for Jews there."

"In the meantime, additional steps by the community to train and defend Jews from hate attacks are appropriate, necessary, and prudent," Cooper said. "I pray that all these steps will help."

The Hell's Army webpages are back up and running. All links within have been updated and should be working:

http://hailtosatansvictory666.angelfire.com/Hells_Army_666.html

I apologize for not having updated this section of the JoS website. Please understand, we are small staffed, the Gods of Hell keep heaping more work onto us, as things are in the critical stage and urgent. We also have plenty of daily personal chores and such to tend to. No one who is truly dedicated to Satan has much free time.

More reverse torah rituals will be forthcoming. I also want to add that we Gentiles drastically outnumber the Jews. There is strength in numbers. The important thing is to educate people who have a mind that is open enough to hear and accept the truth. Get people away from the Christian and Islam programs. If enough Gentiles would unite in spiritual warfare, awareness of the hoaxes and the lies that have been force-fed to our peoples and nations, Jewish powers would collapse within a very short time. They are

the root. Just as Reinhard Heydrich stated: "With the Jews out of the way, many problems take care of themselves."

The constant focus on, tying into the energy of and the giving of energy to such hideous, destructive and total negativity...Christianity, Islam and Judaism, has resulted in centuries of destruction for the human race and nearly every other species of the world. It is now reaching a serious critical stage. The earth is trashed, many innocent animals are extinct, many areas have little or no drinkable water [the Jew exploits this as he can now rake in more money by charging for bottle water, which has become a necessity]. Jewish communism REALLY did a job on the environment. Few people have any real idea just how bad and critical this is. Society as a whole is psychologically disturbed and worse. This is where the Jewish programs of Christianity, Islam and communism have gotten everyone. Parts of Europe and Asia are total garbage dumps and there are areas where once edible mushrooms, berries, etc., now glow at night from radiation from the Chernobyl accident which was communist negligence [the Jew has always been too cheap to have to spend anything for increased safety for their "workers" which in reality are slaves that are brutalized. The former USSR has buried all kinds of nuclear and toxic waste in countries such as Uzbekistan and Kazakhstan . Poland , Ukraine , Belarus and other nations that were once under communist control have been left with toxic waste dumps, filthy polluted rivers and lakes and other health and life threatening toxic filth. Our oceans are also to where much of the aquatic life therein is in many cases close to extinction and/or heavily contaminated.

Most places are unable to clean up communism's leftovers. The pollution continues, as having to spend a bit of extra money from a budget of trillions of dollars to properly dispose of this toxic waste and deadly filth is too much to ask the Jew. Jews own and operate nearly all of these factories and related, which rake in trillions of dollars each year. Just do your research. This is world-wide. The endless smog and pollution of the air, if this is not attended to and cleaned up... the Jew will then be charging people for air.

Everything of civilization, the Jew has worked to corrupt and to destroy. It has reached the critical stage of "either" "or."

Subject: Loyalty, Faith and War. [Organized working]			

Dear Brothers, Sisters and Comrades.

We are now facing against a most important turn of our battle against the enemy. This is where nobody must rest, but everyone must relentlessly and mercilessly keep attacking the enemy. The Powers of Hell demand it as such. Things are to where the jews have been relentlessly drinking our blood for centuries, countless souls have perished and suffered from their actions. Satan, inside this cruel jewish world, has given us peace. Satan, inside all this, has stood by us, a failing Humanity, with never ending loyalty in his vision to save us from this low level of being. Satan has been mercilessly dedicated in getting us rid of our enemies, giving us knowledge, protecting us, guiding us and making us better everyday. Satan has personally touched many here, deep within their Soul. Satan has been overseeing us, Satan protected us, Satan placed his faith in us unwaveringly when even the strongest of hearts have faltered away. This is not a time to rest, this is a time to attack. We have a valuable opportunity now to help this world and get rid of the jewish cancer that has been plaguing every nation and has infected any Soul for hundreds of years.

For those who have quite advanced in the Path and spiritually and are seeking themselves, witnessing Satan's Gift, the Serpent, for those who have become more powerful or just escaped from the depression of the enemy, to those who just recently joined with Him, He requires you to fight. Fight Mercilessly and execute Justice by all Spiritual means. For every murdered Soul, for every child they have tortured, for each and every of these Ancient Gentile Souls that perished under the jewish sword, you must fight. You are the ones that have touched the Truth and history is not going to place the weight on anyone else's back. The enemy has been attacking us relentlessly, they seek nothing less than our death.

Do they know who they are messing with? Do they know who's Kingdom they dared touched? They touch the Souls of the Children of Satan? They dare go against the one who's name is Truth and nothing less? They dare go against the giver of Truth, Peace and Enlightenment? The King of Knowledge? They dare go against Satan and Satanists?

You must show them. You must give yourself the satisfaction of destroying our enemies. Destroying those who are right now, as you read, destroying whole nations, whole peoples, the ones who are bringing the ever looming darkness and destruction to this planet and world.

I want you to raise yourself. I want you to become Gods in your own right. Thats my demand and that should be your demand. Nothing less. Only more. How can someone deny such gift? Nobody is allowed to throw the Truth out of their sight, and nobody is allowed to blaspheme Father Satan. For all he did for our Ancestors, for all the civilization he created, for all the help we have personally received, we must help him and show him that we are here for Him. We must show that we was, are and will forever be at service. Not because he requires it as so, but because His heart is so pure and beautiful that He wills for nothing but our own prosperity, peace and strength for this planet and His creation. This shows loyalty to Him and ourselves.

The enemy has made their army of liars, their thousands of agents, their millions of slaves. We have a few thousands of those who will be Gods. We have a few thousands Souls who are to ascend where Human beings haven't been ascended in thousands of Years. The enemy has tyranny, we have freedom and joy, a life worth living for every being. We have a vision, we have an aim, we have an awareness of Justice and we are to execute Justice. We have faith. We have never ending faith. Not in anyway a blind faith, but a proven and strong faith. We have faith in our vision. Faith in ourselves. Faith in that Humanity is more than this. Faith in that we are to execute justice. Faith in Truth.

This is the time where you must take all of your comrades in arms. We will fight until the end. Nobody is allowed to falter, nobody's heart is allowed to get weak, nobody's mind allowed to wander to lies! You are only allowed to become, to strive, to live and to be happy. You are awoken and for that reason, reality calls us all in to fight the tyrants of Humanity, its oppressors and its destroyers. Without us fighting, this world will fall into darkness and despair. IF everyone does their purpose, we will see again the Golden Age of Humanity. Do not deny your calling. Nobody knows

how to fight like you, like us. Nobody has caused what has been caused in simply a matter of years to these parasitic jewish race. YOU MUST KEEP ON! MERCILESSLY, LOYALLY, IN DEDICATION TO SATAN!

Show the enemy that we are here and we have won. Mercilessly launch your curses. Let hatred flow into your veins for everything and anything they have committed against you. For every moment of suffering they caused, by hiding the Truth. For every innocent person suffering, due to their teaching. For any animal and any other form of life that has been tortured and put to shame, due to their actions. For every Soul that is suffering, you are their voice. For every Ancestor who wants revenge, for anyone who hasn't reached the Truth, stand up for them. Fight on and destroy the enemy. Set the World free.

Until the next Reversing Ritual, lets all curse the enemy daily. Lets make them fear so much, lets punish them, let them see the Satanic Retribution. Lets bring in reality what they are most afraid: Justice. Bring them the death in all levels that they seek to bring upon you. Lets all stand as a united army and obliterate the enemy to the last one, as they seek to obliterate all of us for so long. Your spiritual weapons are here, Use them:

The Working:

Everyday, until the day that a Ritual will come, which will be soon, raise the following and direct it as following.

-Thurisaz x9.

Then affirm Once with intent-

"Israel and all the jewish race of peoples are permanently and completely destroyed in every and all levels of existence."

-Hagalaz x9

Then affirm Once with intent-

"Israel and all the jewish race of peoples are permanently and completely destroyed in every and all levels of existence."

You can multiply 9 vibrations and do this, like x18 Thurisaz or x18 Hagalaz. Or even x36, or x72 times, or x108 times or more.

An Alternate affirmation would be as following: "Israel and the jewish race as a whole are now being permanently and completely destroyed, in every and all levels of existence."

****ALL THE ABOVE IS TO BE DONE EVERYDAY, ****UNTIL**** A NEW RITUAL IS POSTED. THIS SHOULD BE PART OF YOUR DAILY MEDITATIONS. PREFERABLY, DO THIS FIRST AND THEN DO YOUR AURA OF PROTECTION AND CLEANING MEDITATION!

Use whichever feels more on the point for you. Both are the same thing. But some might have a tendency toward one or the other.

You can imagine grey energy suffocating them all over the globe, with severe intensity. This is to be done daily with your daily meditations. This will add up to our older Rituals and finish the job. But the job is not finished until WE finish it. And we are not idiots to think that Israel is over with...Far from it.

Satan has placed his faith in us. Lets make Father Satan proud and create a world in which his name stands proud for all the Ages!

-High Priest Hooded Cobra 666

HAIL SATAN!!!!!!

HAIL THE GODS AND DEMONS OF SATAN!!!!!!

Rabbi Schneerson's Contempt for Non-Jews Advertised on Buses in Israel
[http://www.theoccidentalobserver.net/20 ... -non-jews/](http://www.theoccidentalobserver.net/20...-non-jews/)

Kevin MacDonald on January 31, 2015 — 2 Comments

From the Israeli apartheid page on Facebook, via Philip Weiss of Mondoweiss:

A bus in Jerusalem has this caption in large lettering:

Israel's bus company Egged has accepted this ad in Jerusalem:

"Statement of the kingdom. From the teachings=instructions of the [Lubavitcher] rabbi

The Gentile does not want anything. He waits to be told what the Jew wants!"

Rabbi Schneerson has not gone unnoticed at TOO, thanks especially to Trudie Pert's 4-part series on him. And as I note elsewhere, commenting on a statement by former Sephardic leader Rabbi Ovadia Yosef, that "the goyim were born only to serve us," there is clear evidence that such statements are actually quite mainstream in orthodox circles, and as usual, mainstream American conservatives are clueless about the contempt that Schneerson has for them. As Pert points out,

So taken were non-Jewish American conservatives by the "wholesome" Hasids' exemplification of traditional family values, their promotion of prayer in the schools, and their display of religion in the public square that Congress eventually declared April 4, Schneerson's 80th birthday, a National Day of Reflection. In 1983 President Reagan honored the Rebbe with a kosher-catered birthday party at the White House. Linked by satellite to the White House, Schneerson participated in the celebration from Brooklyn. Posthumously he also received the Congressional Medal of Honor.

Here's another statement from Schneerson:

We do not have a case of profound change in which a person is merely on a superior level. Rather we have a case of . . . a totally different species. . . . The body of a Jewish person is of a totally different quality from the body of [members] of all nations of the world The difference of the inner quality [of the body] . . . is so great that the bodies would be considered as completely different species. This is the reason why the Talmud states that there is an halachic difference in attitude about the bodies of non-Jews [as opposed to the bodies of Jews]: "their bodies are in vain". . . . An even greater difference exists in regard to the soul. Two contrary types of soul exist, a non-Jewish soul comes from three satanic spheres, while the Jewish soul stems from holiness.

I conclude:

These fundamentalist and ultranationalist groups are not tiny fringe groups, mere relics of traditional Jewish culture. They are widely respected by the Israeli public and by many Jews in the Diaspora. They have a great deal of influence on the Israeli government, especially the Likud governments and the recent government of national unity headed by Ariel Sharon. The members of Gush Emunim constitute a significant percentage of the elite units of the Israeli army, and, as expected on the hypothesis that they are extremely ethnocentric, they are much more willing to treat the Palestinians in a savage and brutal manner than are other Israeli soldiers. All together, the religious parties represent about 25% of the Israeli electorate—a percentage that is sure to increase because of the high fertility of religious Jews and because intensified troubles with the Palestinians tend to make other Israelis more sympathetic to their cause.

Particularly important is the fertility of these groups. The present Israeli government is the most ethnonationalist in its history [still true today], but these trends will be even more pronounced in the future. In the long run, it's going to be increasingly difficult to maintain the illusion of a universalist Jewish ethics no matter how much the [American Jewish Committee] wants to project that image.

Jewish Ritual Murder Of Gentile Children

<https://www.youtube.com/watch?v=x-yt-ts=1...l=85114404>

The story about the murder of Ukrainian boy Andrei Youshchinsky by the Jew Beiliss is a warning to the ignorant. What does the 80 year cover up of this case — forensic evidence of Beiliss guilt was plentiful — indicate about the true nature of the Soviet regime? Would a media blackout of this story of Jewish ritual murder by the Soviets be considered anti-Semitic or philo-Semitic?

Here is the article I did on this subject awhile back, note when they say Christian they mean Gentile as this was how Europeans generally identified themselves as not of Jewish blood at the period due to ruling influence of the Church. It was a cultural terminology.

The Jewish Ritual Murder of Andrei

'Alilath Seker' a slush found in today terms provided bribe money and expenses [for Jews] to combat blood accusations.- Dr Philip Devier, "Blood Ritual"

In 1911 Kiev Russian the most notorious cases of ritual murder occurred the body of Andrei Youshchinsky a child from the local area was found in a cave drained of all his blood, a local Jew Beiliss was charged with the crime. Jews from around the world poured the modern equivalent of 115 million dollars into the concealing the facts of the case and his defense. After the discovery of the body the police arrested the mother and would not allow her to attend her sons burial, during this time the family was approached by a local Jewish lawyer who attempted to bribe them into silence. Jewish owned News Papers then tried to slander the mother with false claims she ran a

criminal network that killed her son, once again the Jew is the master of projection and lies.

Several witnesses including two children of the Chebariak family who witnessed the kidnapping of Andrei by local Jews where murdered during the case. It was also shown the local head of the Police had planted false evidence to get Beiliess off the hook for the murder.

The children who had been with Andrei at the time of the abduction and where witnesses where all given pieces of cake by the investigator all 3 became severally ill the next day and two died, one survived after being ill for months when she recovered she testified in the court as to what she witnessed:

"We started to ride the clay -mixer suddenly Beiliess and two other Jews ran towards us, we jumped off the clay- mixer and tried to run away Andrei and my brother [Zhenya] where caught by Beiliess and the other Jews but my brother freed himself the Jews then dragged Andrei away, my sister[Valentina] also saw this."-Court testimony of Chebariaks daughter.

John Grant the American Consulate stationed in Odessa Russia at the time reported the finding of the jury, the jury had officially found that: "A certain boy]Andrei] in Kiev Russia had been killed by fanatical Jews, and that Jews for Occult purposes had carefully drawn all blood from the dying child and that it was instance of Jewish Ritualistic murder, and that Beiliess was innocent."

While the murder which was have proven to have taken place inside the synagogue of a local Jewish owned and operated brick factory, the Jury could not determine for certain if it was Beiliess who had wielded the implement that punchered Andrei over 45 times around his body killing him, drawing as much blood possible carefully from Andrei's body in the process. It was stated the puncher marks done to the side of the child's head where done specifically for a special part of the ritual as a sacrifice so the Jews could overthrow the Czar.

Medel Beiliess went free because 6 of the 12 members of the jury could not determine if he had been the murdered of the child,[despite eyewitness account from Chebariaks surviving daughter, he was one of the kidnappers of Andrei along with two other Jews] too many witnesses had been killed and too much evidence destroyed and covered over previous to the trail, by the Jews.

In 1917 G.G Zamyslovsky the prosecuting attorney wrote a 525 page book on the subject called "The Murder Of Andrei Youshchinsky" in which he detailed the facts of the case in depth. During the Judeo-Bolshevik revolution Zamyslovsky was given a show trail by the Jewish CHEKA then murdered by them mainly for his book on the subject which revealed all the aspects of the case, his book was then classified till 1997 to keep it's contents secret, the Jews also "executed" the judge of the case and any original surviving witnesses.

Jewish leaders call for Europe-wide legislation outlawing anti-Semitism

Note the Jews will use anything to push their own agenda including Europeans natural disgust with Islamic mass immigration which is a creation of Jews from the start to ruin Europe.

<https://www.youtube.com/watch?v=rA7Ymki71fM>

"Europe has not yet learned how to be multicultural" ... "We're going to be part of that transformation which MUST take place" ... "and jews will be resented because of their leading role" ... Jew Spectre.

Take a look this rat Jew supports Israel which only allows Jews to immigrate and become citizens, no multiculturalism in the Jewish State. So why is this kike and the kikes in general pushing the opposite for the West? To conqueror, ruin and rule the Goyim.

Now the Jews want to be above all criticism for what they are and do in Europe. They don't want any European Patriots calling them out for their criminality. That's it. Jewish feelings and self entitlement of robbing and ruining of the Goyim are more important then YOUR FREEDOMS TO THE JEWS.

They want to put you in jail for hurting Jewish feelings by telling the truth about Jews. The Jews believe they can hate, rob and ruin you. But your not allowed to say anything about it.

Remember at the same time the Jews want your freedoms gone. They are calling for special privileges to be above the law in Europe and be able to carry fire arms when its prohibited for the populace. The French Government has had special military units guarding the Jewish communities for awhile now. And only the Jewish communities. Because where all equal but some are the Chosen people and so more equal then others.

European Jewish leaders, backed by a host of former EU heads of state and government, are to call for pan-European legislation outlawing antisemitism amid a sense of siege and emergency feeding talk of a mass exodus of Europe's oldest ethnic minority.

A panel of four prestigious international experts on constitutional law backed by the European Council on Tolerance and Reconciliation (ECTR) have spent three years consulting widely and drafting a 12-page document on "tolerance". They are lobbying to have it converted into law in the 28 countries of the EU.

The proposal would outlaw antisemitism as well as criminalising a host of other activities deemed to be violating fundamental rights on specious religious, cultural, ethnic and gender grounds.

These would include banning the burqa, female genital mutilation, forced marriage, polygamy, denial of the Holocaust and genocide generally, criminalising xenophobia, and creating a new crime of "group libel" – public defamation of ethnic, cultural or religious groups. Women's and gay rights would also be covered.

The proposed legislation would also curb, in the wake of the Paris attacks, freedom of expression on grounds of tolerance and in the interests of security.

"Tolerance is a two-way street. Members of a group who wish to benefit from tolerance must show it to society at large, as well as to members of other groups and to dissidents or other members of their own group," says the document.

"There is no need to be tolerant to the intolerant. This is especially important as far as freedom of expression is concerned: that freedom must not be abused to defame other groups."

Amid acute European angst over multiculturalism, fundamentalist violence perpetrated on alleged

religious grounds and the response of the state, the call for uniform rules across Europe is to be initiated this week in Prague at events commemorating the Holocaust and the 70th anniversary of the liberation of Auschwitz.

"There's a real threat of another Jewish exodus from Europe," Moshe Kantor, president of the European Jewish Congress and co-chair of the ECTR, told the Guardian. "The only way to fix these problems is deep changes in legislation to protect all, not just Jews."

The panel of experts drafting the proposal includes a retired Italian supreme court judge, a former King's College professor, and the former head of Germany's prestigious Max Planck Institute. The panel was chaired by Yoram Dinstein, a war crimes expert, professor and former president of Tel Aviv university.

"Antisemitism is clearly part of it, but by no means the thrust of the project," he said. "It's about tolerance and if you expect tolerance, you have to show tolerance. Otherwise it becomes very obnoxious."

The document, A European Framework National Statute for the Promotion of Tolerance, according to the drafters, seeks to define, codify, and balance rights, liberties and security at a time when governments are scrambling over how to cope.

But it goes much further, calling for the criminalisation of "overt approval of a totalitarian ideology, xenophobia or antisemitism."

Education in tolerance should be mandatory from primary school to university, and for the military and the police, while public broadcasting must "devote a prescribed percentage of their programmes to promoting a climate of tolerance".

The drafters are currently touring the parliaments of Europe trying to drum up support for a consensus that would get many, if not all, of the proposals turned into law across 28 countries. Given the national disparities on gay rights, libel laws, holocaust denial and more, the proposals represent a legal minefield.

In Hungary, which has a long record of antisemitism and has a nationalist rightwing government in power, the demands were laughed away, said Dinstein, adding: "The government wouldn't touch it with a long pole."

At a European parliament committee hearing, he said, Britain's UK Independence party (Ukip) was strongly opposed.

The organisers are particularly keen to see Britain enact legislation, similar to that in Germany or Austria, criminalising Holocaust denial. "We very much regret this is not done by Britain," he said.

The yardstick, say the drafters, should be that if an international tribunal has ruled genocide has taken place, it should be accepted everywhere in Europe as criminal conduct to contest that in public. The Holocaust, the Rwanda genocide, and the mass murder of Muslims by Serbs in Srebrenica, Bosnia, in 1995 would be covered. The Turkish massacre of Armenians in 1915, for example, would not be covered.

One senior EU policymaker said as far as Europe's Jewish communities were concerned there was no need for new laws. The priority was security and protection.

Kantor complained that when raising the issue of protection, national and regional Jewish leaders

were encouraged to stage fundraising activities.

"We are challenging today things that haven't happened in Europe for 70 years," he said. "The Jewish community in Europe definitely needs protection. Governments should pay and should invest much more money. We've already paid our taxes and we need much more commitment from governments."

The Jewish Forced Marched To The Microchip

Its been known for awhile the Jewish Power Elite want to bring the microchip into the population. And that such a chip will have everything from GPS tracking to the ability to manipulate emotions and memories by electric pulse waves. And even a literal kill switch if you rebel. This gives them total control forever.

The Jews work by problem, reaction, solution basically. They are using the threat of terrorism they have created in society [911 was done by them] and the fear machine of their media and their control of the Justice and general legal system to create a situation in people are scared, which crime is rising, society is breaking down [the Jewish created drug culture and trade is responsible for this along with their media] and people are getting terrorized on a daily basis. Identity theft is a huge problem as well. Which is another excuse to march towards this. People have already been volunteer chipped and now pets. The only question now is when will the Jews make there next big play to force this and other control measures onto the populace directly.

They are also pushing this as general life improvement and safety measure.

And guess Jew is behind the company that has developed micro chipping for humans:

<https://www.youtube.com/watch?v=GursOom9dNA>

Note the Jew does not address the actual question of Big Brother raised by the reporter, he doges it. He does however state this is going to be pushed till accepted by the populace. Jews are freedom hating creeps. The Jew created the biggest toleration regime in history. The Soviet Union. Which killed a hundred million people in a real holocaust:

Both federal passports and REAL-ID cards require a number of unique personal identifiers to be stored together in government databases, including his or her full name, date of birth, Social Security Number, scanned signature, and other identifiers. Both cards require biometric data: a front-facing digital photograph of the passenger's face, which is ultimately used with a facial recognition database

U.S. Military May Implant Chips In Troops' Brains
2007-08-02, KUTV (CBS affiliate in Salt Lake City, Utah)
http://www.kutv.com/local_story_215001119.html

Imagine a day when the U.S. government implants microchips inside the brains of U.S. soldiers. Well you don't have to think too far into the future. The defense department is studying the idea now. The chip would be the size of a grain of rice. How far is too far when it comes to privacy? The department of defense recently awarded \$1.6 million to Clemson University to develop an implantable biochip. It would go into the brain using a new gel that prevents the human body from rejecting it. The overall idea is to improve the quality and speed of care for fallen soldiers. "It's just crazy. To me, it's like a bad sci-fi movie," says Yelena Slattery [from] the website <http://www.WeThePeopleWillNotBeChipped.com>. Slattery says, "Soldiers can't choose not to get certain things done because they become government property once they sign up. When does it end? When does it become an infringement on a person's privacy?" Once the chip is in, she says, could those soldiers be put on surveillance, even when they're off-duty? A spokesman for veterans of foreign wars also urged caution. Joe Davis said, "If you have a chip that's holding a gigabyte, or 10 gigs, like an iPod, what kind of information is going to be on there? How could this be used against you if you were taken captive?"

Children & Microchip Identification

Microchips and radio-frequency identification devices (RFID) have been used to track items and pets for years. For animals, the chip is injected into the top layers of skin and can either be read by a GPS device or scanned by specific reading devices if the pet is lost. The same technology is being developed for children.

Mind-control device lets people alter genes in mice through power of thought
2014-11-11, The Guardian (One of the UK's leading newspapers)
<http://www.theguardian.com/science/2014...ter-gene...>

Scientists have created a mind-control system that allows a person to alter the genes in a mouse through the power of thought. A person wearing the device could alter how much protein was made from a gene in the mouse. Volunteers found that they could turn the gene on or off in the mouse at will. The experiment could lead to the development of a radical new approach to the treatment of diseases. Martin Fussenegger, a bioengineer who leads the project at ETH Zurich said he hoped to see clinical trials in people with chronic pain or epilepsy in the next five years. Fussenegger's team describes a system that demonstrates the idea. The mouse was fitted with a small implant containing copper coils, a light-emitting diode (LED) and a tiny container of

genetically modified cells. When the electromagnetic field switches on beneath the mouse, an electric current is induced in the implant's coils which makes the LED shine. This light illuminates the cells which are designed to respond by switching on a particular gene, causing the cells to make a new protein which seeps out of the implant's membrane. In the tests, the new protein ... allowed scientists to measure its levels ... while people wearing the headset changed their state of mind. In a series of follow-up experiments, volunteers wearing the headset could see when the LED came on, because the red light shone through the mouse's skin. In time, they learned to control the light – and so the gene – simply by thinking.

Human microchipping: I've got you under my skin

<http://www.smh.com.au/digital-life/digi ... zqvho.html>

Thousands of technology enthusiasts use it as the ultimate app, enabling them to lock and unlock their homes, cars, computers and mobile phones with a simple wave of a hand. But there's a catch: they must have a microchip inserted into their bodies.

The idea may seem weird, and painful, but human microchipping appears to appeal not only to amateurs, who call themselves biohackers, but also to governments, police forces, medical authorities and security companies.

It involves using a hypodermic needle to inject an RFID (radio-frequency identification) microchip, the size of a grain of rice, usually into the person's hand or wrist. The same kind of chip is used for tracking lost pets.

The implants send a unique ID number that can be used to activate devices such as phones and locks, and can link to databases containing limitless information, including personal details such as names, addresses and health records.

RFID chips are everywhere. Basically, if you have to swipe a card, your ID is encoded in the magnetic stripe. If you touch it to a reader, as with Myki, it has an RFID chip with your number on it linked to the relevant database with your info on it. The latest credit cards have both stripe and RFID.

Students ordered to wear tracking tags

2005-02-09, MSNBC News

<http://www.msnbc.msn.com/id/6942751>

The only grade school in this rural town is requiring students to wear radio frequency identification badges that can track their every move. Some parents are outraged, fearing it will rob their children of privacy. The badges introduced at Brittan Elementary School on Jan. 18 rely on the same radio frequency and scanner technology that companies use to track livestock and product inventory. The system was imposed, without parental input, by the school as a way to simplify attendance-taking and potentially reduce vandalism and improve student safety. Some parents see a system that can monitor their children's movements on campus as something straight out of Orwell. This latest adaptation of radio frequency ID technology was developed by InCom Corp., a local company co-founded by the parent of a former Brittan student, and some parents are suspicious about the financial relationship between the school and the company. InCom has paid the school several thousand dollars for agreeing to the experiment, and has promised a royalty from each sale if the

system takes off, said the company's co-founder, Michael Dobson, who works as a technology specialist in the town's high school.

Microchip to allow wallet-free drinking

2005-01-17, The Telegraph (One of the UK's leading newspapers)

<http://www.telegraph.co.uk/news/uknews/...let-free...>

A Scottish nightclub is about to become the first in Britain to offer its customers the chance to have a microchip implanted in their arm to save them carrying cash. The "digital wallet", the size of a grain of rice, guarantees entry to the club and allows customers to buy drinks on account. Brad Stevens, owner of Bar Soba in Glasgow, said his customers had responded enthusiastically to the idea. The VeriChip is inserted by a medical professional and then scanned for its unique ID number as a customer enters the bar. The scheme was criticised by a spokesman for the Scottish Executive, who said the microchip could encourage excessive drinking, and by Notags, a consumer group set up to resist the spread of radio frequency identification devices. A spokesman said: "The chip contains your name and ID number and, as this could be read remotely without your knowledge, that is already too much information."

Professor has nightmare vision of global positioning technology

2003-05-07, [WantToKnow.info/Kansas](http://www.WantToKnow.info/Kansas) City Star (Leading newspaper of Kansas City)

<http://www.WantToKnow.info/030307kansascitystar>

Jerome Dobson is not joking. The University of Kansas research professor, a respected leader in the field of geographic information technologies [speculates about] "geoslavery" -- a form of technological human control that could make "George Orwell's `Big Brother' nightmare ... look amateurish." He's talking about overlords electronically punishing errant workers. He's talking about the possibility of people hooked to, tracked by, and potentially shocked or burned using inexpensive electronic bracelets, manacles or implants. Dobson worked for 26 years at Tennessee's Oak Ridge National Laboratory creating, for the government, the maps used in global tracking. He is the president of the American Geographical Society. And he is not alone in his thoughts. [In] the journal published by the Institute of Electrical and Electronics Engineers, a paper titled "Geoslavery" is co-written by Dobson and Peter F. Fisher, British editor of the International Journal of Geographical Information Science. "Human tracking systems, currently sold commercially without restrictions, already empower those who would be masters. Safeguards have not yet evolved to protect those destined to be slaves," they wrote. With a laptop computer, employers can keep track of their drivers' every move. Implanted chips ... keep track of livestock or pets. Whereify Wireless Inc. sells its GPS Kids Locator for \$400. The device, which also looks like a watch, can be locked to a child's wrist. Dobson said that ... none of the companies was thinking of anything nefarious. [Yet he] worries that where there is an evil will, there is an evil way. He hopes [to] create debate and perhaps legislation or safeguards around the technology that will keep it from being misused.

Scientists develop 'brain chip'

2003-03-12, BBC News

<http://news.bbc.co.uk/2/hi/health/2843099.stm>

US scientists say a silicon chip could be used to replace the hippocampus, where the storage of memories is co-ordinated. They are due to start testing the device on rats' brains shortly. If that goes well, the Californian researchers will test the artificial hippocampus in live rats within six months and then monkeys trained to carry out memory tasks before progressing to human trials once the chip has been proved to be safe. The hippocampus is an area at the base of the brain in humans, close to the junction with the spinal cord. It is believed it "encodes" experiences so they can be stored as long-term memories in another part of the brain. the researchers were able to

devise a mathematical model of a whole hippocampus. The model was then programmed on to a chip. They suggest the chip would sit on a patient's skull, rather than inside the brain. Bernard Williams, a philosopher at Oxford University, UK, who is an expert in personal identity, said people might find the technology hard to accept at first.

US group implants electronic tags in workers

2006-02-13, MSNBC/Financial Times

<http://msnbc.msn.com/id/11314766/>

An Ohio company has embedded silicon chips in two of its employees - the first known case in which US workers have been "tagged" electronically as a way of identifying them. A private video surveillance company said it was testing the technology as a way of controlling access to a room where it holds security video footage for government agencies and the police. Embedding slivers of silicon in workers is likely to add to the controversy over RFID technology, widely seen as one of the next big growth industries. RFID chips – inexpensive radio transmitters that give off a unique identifying signal – have been implanted in pets or attached to goods so they can be tracked in transit. "There are very serious privacy and civil liberty issues of having people permanently numbered," said Liz McIntyre, who campaigns against the use of identification technology. "There's nothing pulsing or sending out a signal," said Mr Darks, who has had a chip in his own arm. "It's not a GPS chip. My wife can't tell where I am." The technology's defenders say it is acceptable as long as it is not compulsory. But critics say any implanted device could be used to track the "wearer" without their knowledge.

Passports go electronic with new microchip

2004-12-09, Christian Science Monitor

<http://www.csmonitor.com/2004/1209/p12s01-stct.html>

The US passport is about to go electronic, with a tiny microchip embedded in its cover. The chip is the latest outpost in the battle to outwit tamperers. But it's also one that worries privacy advocates. The RFID (radio frequency identification) chip in each passport will contain the same personal data as now appear on the inside pages - name, date of birth, place of birth, issuing office - and a digitized version of the photo. But the 64K chip will be read remotely. And there's the rub. The scenario, privacy advocates say, could be as simple as you standing in line with your passport as someone walks by innocuously carrying a briefcase. Inside that case, a microchip reader could be skimming data from your passport to be used for identity theft. Or maybe authorities or terrorists want to see who's gathered in a crowd and surreptitiously survey your ID and track you. Why not choose a contact chip, where there would be no possibility of skimming, asks Barry Steinhardt, director of the ACLU's Technology and Liberty Project. "There was another way to go, which was to put an electronic strip in the passport that would require contact." The State Department says it's just following international standards set by the International Civil Aviation Organization (ICAO), under the umbrella of the United Nations. The ICAO specified the RFID ... at the behest of the United States. All countries that are part of the US visa-waiver program must use the new passports by Oct. 26, 2005. Mr. Steinhardt ... says the US pushed through the standards against the reservations of the Europeans. "Bush says at the G8 meeting, 'We have to adhere to the global standard,' as though we had nothing to do with it," he says in exasperation.

Edible RFID microchip monitor can tell if you take your medicine

2010-03-31, BusinessWeek

<http://www.businessweek.com/idg/2010-03 ... tor-can-...>

Researchers at the University of Florida have combined RFID, microchips and printed nano-particle antennas to make pills that communicate with cell phones or laptops to tell doctors whether

patients are taking their medicine. Still a prototype, the inventors hope their tattletale technology can be applied commercially to a range of medications in clinical trials and in treatment of patients with chronic diseases in which it is essential that the doses are taken and taken on time. The pill is a white capsule with a microchip embedded and with an antenna printed on the outside with ink containing silver nanoparticles. A device worn by the patient energizes the microchip via bursts of low-voltage electricity. The chip signal confirms the pill is in the stomach and the device sends a signal that the pill has been swallowed. The messages can go to cell phones or laptops to inform doctors or family members.

Look out, your medicine is watching you

2010-11-08, Fox News/Reuters

<http://www.foxnews.com/health/2010/11/0...-microchip>

Novartis AG plans to seek regulatory approval within 18 months for a pioneering tablet containing an embedded microchip, bringing the concept of "smart-pill" technology a step closer. The initial program will use one of the Swiss firm's established drugs taken by transplant patients to avoid organ rejection. But Trevor Mundel, global head of development, believes the concept can be applied to many other pills. Novartis agreed in January to spend \$24 million to secure access to chip-in-a-pill technology developed by privately owned Proteus Biomedical of Redwood City, California, putting it ahead of rivals. The biotech start-up's ingestible chips are activated by stomach acid and send information to a small patch worn on the patient's skin, which can transmit data to a smartphone or send it over the Internet to a doctor. Because the tiny chips are added to existing drugs, Novartis does not expect to have to conduct full-scale clinical trials to prove the new products work. Instead, it aims to do so-called bioequivalence tests to show they are the same as the original. A bigger issue may be what checks should be put in place to protect patients' personal medical data as it is transmitted from inside their bodies by wireless and Bluetooth.

Electronic Pickpocketing

2012-01-10, WREG-TV (Memphis, TN CBS affiliate)

<http://wreg.com/2012/01/10/electronic-pickpocketing/>

Call it high-tech hijacking. Thieves now have the capabilities to steal your credit card information without laying a hand on your wallet. It's new technology being used in credit and debit cards, and it's already leaving nearly 140 million people at-risk for electronic pickpocketing. It all centers around radio frequency identification technology, or RFID. It's supposed to make paying for things faster and easier. You just wave the card, and you've paid. But now some worry it's also making life easier for crooks trying to rip you off. In a crowd, Walt Augustinowicz blends right in. And that's the problem. "If I'm walking through a crowd, I get near people's back pocket and their wallet, I just need to be this close to it and there's [their] credit card and expiration date on the screen," says Augustinowicz demonstrating how easily cards containing RFID can be hacked. Armed with a credit card reader he bought for less than \$100 on-line and a netbook computer ... for about an hour he patrolled Beale Street, looking for RFID chips to read, and credit card information to steal. Even scarier, Augustinowicz says bad guys could work a crowd, stealing numbers and then e-mail them anywhere in the world. It's not just your credit and debit cards at-risk. While they are harder to hack, all US passports issued since 2006 contain RFID technology that can be read, and swiped. "It gives me a lot of personal information like your date of birth, your photo if I wanted to make some sort of ID," said Augustinowicz demonstrating with his reader.

An Orwellian solution to kids skipping school

2007-02-20, Atlanta Journal-Constitution (Atlanta's leading newspaper)

<http://www.ajc.com/opinion/content/opin ... uants.html>

Let's say your teenager is a habitual truant and there is nothing you can do about it. A Washington area politician thinks he might have the solution: Fit the child with a Global Positioning System chip, then have police track him down. "It allows them to get caught easier," said Maryland Delegate Doyle Niemann (D-Prince George's), who recently co-sponsored legislation in the House that would use electronic surveillance as part of a broader truancy reduction plan. "It's going to be done unobtrusively. The chips are tiny and can be put into a hospital ID band or a necklace." Niemann's legislation mirrors a bill sponsored by state Sen. Gwendolyn Britt (D-Prince George's). Both would provide truants and their parents with better access to social services, such as mental health evaluations and help with schoolwork. Electronic monitoring would be a last resort. Still, the prospect of tagging children and using them in some "catch and release" hunt by police casts a pall over everything that's good about the plan. Odd how billions and billions of dollars keep going to a war that almost nobody wants, but there's never enough to fund the educational programs that nearly everybody says are needed. Aimed solely at students in Prince George's — the only predominantly black county in the Washington area — the truancy effort is called a "pilot program," a first-of-its-kind experiment. It would cost \$400,000 to keep track of about 660 students a year.

Military Plans To Test Brain Implants To Fight Mental Disorders

2014-05-26, NPR blog

<http://www.npr.org/blogs/health/2014/05 ... o-test-b...>

The Defense Advanced Research Projects Agency, or DARPA, is launching a \$70 million program to help military personnel with psychiatric disorders using electronic devices implanted in the brain. The goal of the five-year program is to develop new ways of treating problems including depression, anxiety and post-traumatic stress disorder, all of which are common among service members who fought in Iraq or Afghanistan. The new program will fund development of high-tech implanted devices able to both monitor and electrically stimulate specific brain circuits. The effort will be led by scientists at the University of California, San Francisco and Massachusetts General Hospital. The UCSF team will begin its work by studying volunteers who already have probes in their brains as part of treatment for epilepsy or Parkinson's disease. That will allow researchers to "record directly from the brain at a level of resolution that's never [been] done before," says Eddie Chang, a neurosurgeon at UCSF. And because many of the volunteers also have depression, anxiety and other problems, it should be possible to figure out how these conditions have changed specific circuits in the brain, Chang says. The scientists ... hope to design tiny electronic implants that can stimulate the cells in faulty brain circuits. "We know that once you start putting stimulation into the brain, the brain will change in response," Chang says.

Support for Operation Protective Edge, Israel's military effort to stop Hamas' incessant rocket attacks against Israel's civilians, is coming directly from the Kremlin.

"I am closely tracking what is happening in Israel," Russian President Vladimir Putin remarked in a meeting on Wednesday with a delegation of Chief Rabbis and representatives of the Rabbinical Center of Europe.

The purpose of the meeting, according to the Kremlin, was to discuss joint efforts to prevent the rewriting of history, the fight against neo-Nazism and neo-fascism, xenophobia and anti-Semitism.

"It is important to discuss the subject of the Holocaust of the World War II era. There are Holocaust survivors among the rabbis, they have their personal, dramatic stories," Rabbi Alexander Boroda, President of the Federation of Jewish Communities of Russia, told Interfax-Religion.

Boroda was seated across from Putin during the meeting, alongside Russia's Chief Rabbi Berel Lazar, Israel's Sephardic Chief Rabbi Yitzchak Yosef, Tel Aviv Chief Rabbi Yisrael Meir Lau and others.

At one point during the meeting, Rabbi Yosef commented that "hours before I flew here, a rocket landed near my house in Jerusalem, the capital of the Jewish nation."

"It goes without saying there is great anxiety among my children and grandchildren who were forced to enter bomb shelters, for no fault of their own," he said, adding that it is "hard to describe the emotional damage that is being done to them. All this is just for the crime that they were born to the Jewish nation."

The Chief Rabbi concluded by asking the president to use his power "to bring a stop to the violence. There cannot be a situation where people use religion to slaughter the innocent."

Most of the Israeli population is currently living under the threat of rocket fire. Life between sirens, in and out of bomb shelters, has become the daily reality for millions of Israelis.

Hamas terrorists in Gaza have fired more than 200 rockets at Israel since Operation Protective Edge began on Monday, July 7 – and over 650 rockets since the beginning of 2014.

According a news report, Putin replied by asking Rabbi Yosef to pass along a message to Israel's Prime Minister Benjamin Netanyahu that Russia is a true friend of Israel and of the Prime Minister.

"I support Israel's battle that is intended to keep its citizens protected," he said about the Israel Defense Forces' operation to restore quiet to the region and stop Hamas terrorism.

"I also heard about the shocking murder of the three teenagers," Putin added about the kidnapping and murder of Naftali Fraenkel, Eyal Yifrach and Gilad Shaar, three Yeshiva students in Israel. "This is an unconscionable act and I ask that you bring my condolences to the families."

Also in attendance were Chief Rabbi of the Netherlands Binyomin Jacobs; Rabbi Yirmiyahu Cohen, head of the rabbinical court in Paris, France; Rabbi Yisroel Lichtenstein, head of the Federation of Synagogues Beth Din in England; Rabbi Moshe Lazar of Milan, Italy; Rabbi Michael Shmerla, head of the rabbinical court in Strasbourg, France; Rabbi Yitzchak Niazov, Rabbi of the Bukharan Jewish Community in Vienna, Austria; Rabbi Yehuda Teichtel, Director of Chabad Lubavitch Educational Center in Berlin, Germany; Rabbi Yaakov David Shmal, dayan of Machazikei Hadas in Antwerp, Belgium; Rabbi Menachem Margolin, Director of the Rabbinical Centre of Europe.

'Anti-Zionism is Anti-Semitism,' Rules German Judge

Holding a different opinion is a criminal offence now, thanks to Jews.

All criticism of Jews is fast becoming illegal in Europe. Jews can murder, torture and generally genocide as many Palestinian's as they wish in the name of being Jewish because Jewishness is based on such just read the Torah. But you are not allowed to say one word that hurts a Jewish persons feelings over the subject.

Genocide is permissible" according to insane Times of Israel Op-Ed (UPDATED):
http://www.salon.com/2014/08/01/genocid...ael_op_ed/

Criticism of the above article is illegal in Germany now, how wonderful for the Jews. This means the Jews are becoming so exposed they are trying to make it a crime against the state to just talk about them.

Something to keep in mind on how Jews think about you:

What does the Jewish Talmud say about Gentiles:

Sanhedrin 59a: "Murdering Goyim is like killing a wild animal."

Abodah Zara 26b: "Even the best of the Gentiles should be killed."

Hilkkoth Akum X1: "Show no mercy to the Goyim."

Given the above do you think any of them care about your rights? No that's why they are always trying to take them away. Zionism is Jewish this is obvious. Hence your not allowed to say anything about it Jews don't want you to say.

Remember holding a different opinion is a criminal offence thanks to Jews.

"Our race is the Master Race. We Jews are divine gods

on this planet. We are as different from the inferior races as they are from insects. In fact, compared to our race, other races are beasts and animals, cattle at best. Other races are considered as human excrement. Our destiny is to rule over the inferior races. Our earthly kingdom will be ruled by our leader with a rod of iron. The masses will lick our feet and serve us as our slaves.

- Prime Minister Menachem Begin

(Israeli Prime Minister. Speech to the Knesset. Source: "Begin and the Beasts," New Statesman, June 1982)

While the above quote is the essence of being Jewish. Its now illegal to not agree with it because its Jewish. Thanks to Jews. All people are equal but some people are the "Chosen" and so more equal then others.

'Anti-Zionism is Anti-Semitism,' Rules German Judge

[http://www.israeltoday.co.il/Default.as ... &nid=25961](http://www.israeltoday.co.il/Default.as...&nid=25961)

A German judge last week equated condemnation of Zionism with anti-Semitism, undercutting the arguments of many who claim that hostile criticism of Israel is not the same as hating the Jews.

In judging the case of 24-year-old Taylan Can, a German citizen of Turkish decent known for is anti-Israel activism, Judge Gauri Sastry refused to allow the defendant to hide behind the notion of legitimate criticism of the Jewish state.

Can was ultimately convicted for incitement against an ethnic minority for his role in a July 18, 2014 demonstration in Essen, Germany, where he and others used the term "Zionist" to stir up anger against Israel and local Jewish residents.

At his hearing, Can insisted he was not an anti-Semite, and was merely opposed to the policies of the State of Israel. But Judge Sastry was having none of it. Die Welt quoted her as clarifying that "'Zionist' is the language of anti-Semites, the code for 'Jew.'"

It was likely that particular portion of Judge Sastry's ruling would be overturned when Can appealed to higher courts, but European Jewish groups nevertheless praised the unprecedented and bold decision that had publicly unmasked one of the more dangerous lies of our times.

Subject: Why is There Suffering? Satan Gives Answers.			

Unlike those so-called "Gods" that are false and worshipped by followers of the enemy programs, Satan gives us wisdom, knowledge and sensible answers. Christians and Muslims, being as deceived as they are, are at a loss to explain.

Most people wonder why there is so much suffering, misery and ugliness in this world. Thousands of years ago, there was a time called "The Golden Age." It was a time of peace, prosperity and happiness. Humans in those days lived hundreds of years. Our Gods were with us as well. Ever since the coming of Christianity and Islam, everything beautiful and positive turned to ugliness and

destruction.

Now, most of you here are familiar with the powers of the mind and soul and meditation. I remember many years ago when I was still an atheist, I was reading a book on chakras and the book instructed to “look” at each one of your chakras, of which I did and I got a shock that nearly knocked me off of the sofa. That freaked me out. Now, this was a result of focusing my attention. Most of you have had spiritual experiences where you have had similar occurrences. Just focusing on a chakra or another area of your soul and you find it is a very intense experience.

I wrote about this part before, but just look around you, everything you see, your computer screen, your chair, your bed, your furniture, the cars outside, buildings, windows...everything you see was once someone's idea before it materialized into a physical form in reality. Now, I also want to add in some instances, such as with science, for example storms manifest on their own; hot humid air colliding with cold, dry air for example, but the majority of everything here was once someone's idea. This right here reveals the importance of one's thinking and one's mind. Those of you who have been meditating for any length of time know how important it is to try to focus on positive things, as focusing on destructive thoughts, needless worry and negativity, with a strong mind and soul one will attract this.

The average person who does not meditate and who has a much weaker mind, where most thoughts tend to dissipate, alone does not have much power, but when combined with the mass mind of millions of other people who are focusing along the same lines, then thoughts do have much more power. I came across a book some 20 years ago [I can't remember the name of the book or the author], but I read it and the author had a technique where she could place her hands upon a book and subliminally absorb all of the information in that book. I also heard of where the same can be done in learning a foreign language. Most of you are familiar with the US \$20.00 bill and the 9-11 incident. I also wrote of this and how the “Holy Bible” factored in, as even more prevalent than the \$20.00 bill, there is a bible in nearly every home, in hospitals, hotel rooms, and in many other places.

http://www.angelfire.com/dawn666blacksun/Bible_Jewish_Witchcraft.htm

Psychiatrists, psychologists and others who work with the human mind give certain tests like the Rorschach Ink Blot tests to probe into the minds of patients in order to ascertain what they dwell on and to determine their psychological make-up. Most people will see things in these ink blots according to what their own experiences in life have been and how they think, and what they dwell on.

Now, again, most of you here are even somewhat aware of the extent of the extreme negativity, and this is an understatement, contained in both the Bible and the Koran. In reading through scriptures for reverse Torah rituals, the curses against humanity are prolific to where one can't even begin to count them all. Curse after curse, after curse and the damnation and the most utter debased depravity. One does not have to read the Bible or the Koran cover to cover to be influenced by or to tie into the most hideous energy contained therein. Just focusing on this is enough, and by focusing, I mean attending church, and of course, Muslims “pray” 5 times a day, facing east in the direction that with the gravitational pull of the earth, amplifies energies.

So, just how much energy has been put into and is still being put into such extreme destruction and negativity? This has influenced this world and everything in it. Much of the populace is steeped in it,

though lifetimes. One individual alone doesn't have too much power, but how about tens of millions? Most people aren't even aware of the subliminal. I like to do crossword puzzles and in nearly every book, they have the biblical crap. In other words, this is supposed to be common knowledge.

Wonder why there is so much fighting and family break-ups?

Luke 12:53

The father shall be divided against the son, and the son against the father; the mother against the daughter, and the daughter against the mother; the mother in law against her daughter in law, and the daughter in law against her mother in law.

Matthew 10:21

"Brother will betray brother to death, and a father his child; children will rebel against their parents and have them put to death.

[This one is a given with Jewish communism, where many children were brainwashed into turning their parents over to the so-called "State" to be put to death].

Matthew 10:35

For I have come to turn "a man against his father, a daughter against her mother, a daughter-in-law against her mother-in-law—

The above is only a very small portion of where human focus and energies have been going for centuries. It doesn't matter whether a follower has read the Bible cover to cover or is even familiar with its contents [as most people who follow such depravity are not], he/she still connects with the energy and with more available information regarding the human mind, one can see this is a fact. What one thinks, believes and the energies one ties into and identifies with determines what one is and where one is going in life. In addition, even those who reject the Christian and Islamic programs or who are non-believers are affected, as the mass mind is powerful enough to influence the world. The mass mind is more powerful.

Both with Christianity and Islam, the focus is on suffering and death. Followers live for their death. The filthy parasitical worthless Nazarene is worshipped – torn, ragged, beaten and bled dry... deader than a doornail. DEATH. Every mass/church service focuses on the death of that Nazarene. Then, of course the cannibalism 'Eat me' "Drink me, " as this creates the necessary ties for Jewish ritual murder to succeed where they take an abducted Gentile child into a secret back room of a synagogue and proceed to butcher him/her after tying him/her to a cross in simulation of that Nazarene and then drink his/her blood. The foundation for this is in Deuteronomy- the book of instructions on how to carry out living blood sacrifices. The Jews even openly claim it as such as to their Torah.

I have also written about poverty. Poverty is a world-wide serious problem, that has resulted in the

deaths of millions over the centuries and has ruined many lives.

Matthew 6:24

24 No man can serve two masters: for either he will hate the one, and love the other; or else he will hold to the one, and despise the other. Ye cannot serve God and mammon.

[MAMON (MAMMON): Mishnaic Hebrew and Aramaic for "riches." The word itself is given in the Sermon on the Mount.]

<http://www.jewishencyclopedia.com/articles/10339-mamon-mammon>

Also note the above scripture, the number 6 is emphasized again. 6 and the $2+4=6$. The Jews always use the number 6. through this, they direct the energies into slave labor for Gentiles and of course, their own wealth and riches. The Bible dupes Gentiles into accepting poverty and living for their death, while the Jews who created this work of degeneracy and filth know better. Wealth and power is concentrated in their hands.

Matthew 19:21-26

21 Jesus said unto him, If thou wilt be perfect, go and sell that thou hast, and give to the poor, and thou shalt have treasure in heaven: and come and follow me.

22 But when the young man heard that saying, he went away sorrowful: for he had great possessions.

23 Then said Jesus unto his disciples, Verily I say unto you, That a rich man shall hardly enter into the kingdom of heaven.

24 And again I say unto you, It is easier for a camel to go through the eye of a needle, than for a rich man to enter into the kingdom of God .

Mark 4:19

19 And the cares of this world, and the deceitfulness of riches, and the lusts of other things entering in, choke the word, and it becometh unfruitful.

Proverbs 23: 4-5

4 Labour not to be rich: cease from thine own wisdom.

5 Wilt thou set thine eyes upon that which is not? for riches certainly make themselves wings; they fly away as an eagle toward heaven.

Ecclesiastes 5:10

He that loveth silver shall not be satisfied with silver; nor he that loveth abundance with increase: this is also vanity.

Proverbs 11:4

Riches profit not in the day of wrath: but righteousness delivereth from death.

2 Corinthians 9:7

Every man according as he purposeth in his heart, so let him give; not grudgingly, or of necessity: for God loveth a cheerful giver.

Matthew 6:19-21

19 Lay not up for yourselves treasures upon earth, where moth and rust doth corrupt, and where thieves break through and steal:

20 But lay up for yourselves treasures in heaven, where neither moth nor rust doth corrupt, and where thieves do not break through nor steal:

The above is only a small sample of indoctrination into a lifetime of poverty. This in many cases persists into many lifetimes as it clings to the soul.

In the verse below, the suffering of innocent children is encouraged:

Matthew 19:14

But Jesus said, Suffer little children, and forbid them not, to come unto me: for of such is the kingdom of heaven.

There was a man who both encouraged and participated the murdering of "witches." That man was reported to have read the "Holy Bible" some 53 times. It is no wonder he displayed a murderous bent. When one worships murder, one becomes a murderer.

Below is a sampling of the endless murders committed by Yahweh/Jehovah in the Bible. This is praised and extolled by Christians incessantly:

Killing Event Reference Bible's Number Estimate

The Flood of Noah- Genesis 7:23, an estimated 20,000,000 murdered

God killed 27,000 Syrians by making a wall fall on them 1 Kings 20:30 27,000 murdered

The endless list goes on and on. Steeped in bloodthirsty heinous murder. The subliminal message

here is MURDER.

The above was taken from:

<http://dwindlinginunbelief.blogspot.com/2010/04/drunk-with-blood-gods-killings-in-bible.html>

The above website has many more examples. The listing I included in the above is very small.

Don't need to elaborate on war here. That filthy bible is full of wars, injustices, famine, endless savage cruelty and a hatred for humanity. This is celebrated with hijacked Pagan holidays, singing for the damnation of humanity, worshipping, focusing and giving copious amounts of energy into promoting suffering, loss, death, misery and pain. This is soooooo obvious. As I already mentioned, when doing some research for reverse torah rituals, the amount of direct curses aimed at humanity was so extensive I didn't even know where to begin and with Lilith's direction, picked out the most blatant ones and there were also plenty of those.

We are what we think about and dwell upon. This is where the mass mind has been for well over two thousand years. It is no wonder there is so much pain and suffering. There is your answer.

Jew Wants To ban Free Speech Make It A Life Sentence In Special Soviet Style Prison System.

The Jews have been pushing for this for decades with their Social Marxist [PC] indoctrination of society. This creates the ideology for them to create the legal frame work upon and bring in a Jewish run police state.

The Jewish Communizing of America:
[topic153.html](#)

Note what Cohen states was the doctrine of the Jew run Communist, Soviet Union as well. Because this is how Jews work. They dress up their agenda in pseudo moral gibberish. To dupe the Goyim. Its total Jewish Communism which is a Jewish scheme to conqueror the Goyim and impose their real ideology found in their Torah, the Jewish race soul upon them. Under a cheap cover.

Hate Speech is Jew Speak for telling the truth about the Jews. In the Jewish Soviet Union any such criticizing of Jews and their criminal mindset and behaviour was the death penalty by law. In America the Jew just wants to give you life in a "special" political prison, ie Gulag. We see what the Jews do to such people in these prison's in Israel, the Jewish State:

Rights group confirms Palestinians tortured in Israel jails:

A look into such Prison systems in the Jewish run Soviet Union. The camps where well known to be run by Jews:

The Real Death Camps And Holocaust:
[topic3994.html](#)

Note the Jews like to hide behind other races and minority groups as a shield. The Jews such as Israel Cohen stated they would do this to bring American down under Jewish control. The later

Jews of the Frankfurt School Of Social Marxism stated the same.

Here is what Jews think of all non-Jews. Black, White, Asian, mixed. It does not matter:

What does the Jewish Talmud say about Gentiles:

Sanhedrin 59a: "Murdering Goyim is like killing a wild animal."

Abodah Zara 26b: "Even the best of the Gentiles should be killed."

Hilkoth Akum X1: "Show no mercy to the Goyim."

Note most of those "evil White Supremacist Groups" are full of Jewish and Federal agent provocateurs and run by such agenda's from the top. Even then they can't hold a candle next to the Talmud of the Jewish race mind. Is saying things that hurt peoples feelings only, really worth life in a special prison? There are already laws to arrest people for legitimate crimes like threatening to assault or murder someone or calling for others to openly do such. Life in prison for telling a Joke that hurts someone's feelings is that the society YOU want to live in? Can't we all just grow up and have thicker skin as mature adults. But then we would be free to speak the truth about the Jew.

All People are equal but some People are the Chosen and more equal then others.

Jews want to ban Free Speech online. That means life in prison for posting a joke online. Just posting those Talmud quotes would get one life in a special Soviet style prison system.

They also want Freedom Of Speech gone in Europe. They already put Zundel in a dungeon in Germany for five years for having an educated opinion on a claimed historical event. They would love to make that life in prison instead.

Here Is Why It's Time To Get Tough On Hate Speech In America By Cohen.

Anyone guilty of hate speech – which should carry criminal penalties of 25 years to life – should be sent to special prisons designed to re-educate them and to instill values of tolerance, freedom, democracy, and human rights in them. should be sent to special prisons designed to re-educate them and to instill values of tolerance, freedom, democracy, and human rights in them. Prison is about punishment, but it's also about changing the behavior of criminals. We often tend to forget this in our country. Merely sending bigots to ordinary prisons is not good enough – they need to be sent to special prisons for bigots, which will re-educate them.

This has been going on for a very long time, but thanks to the internet, it is being exposed. Over the years, rabbis have gotten caught painting swastikas on the outside of their synagogues so they can blame Nazis and whine about "hate," as they are professional "victims." This also includes threatening phone calls and related. The Jews themselves do this sort of thing to evoke sympathy and of course as always, benefits. This is no different from how they work relentlessly to promote Christianity and Islam.

We all know who controls Hollywood and the media worldwide.

Netanyahu: I Speak For All Jews

The leader of the Jewish State openly admits the obvious he speaks for all Jews. Beyond silly Jewish games to confuse the Goyim with false opposition by Jews to the Jewish State which they brag about such tactics in their own writings to distract and confuse the Goyim. Big Jew, Netanyahu is just stating what anyone with a brain knows. Jews are a nation within all nations and only loyal to Jewry. Thus the Jewish State and its international Jewish power structure it rests upon. How do you think the Israeli Lobby has Washington over a barrel? Look no further then the Jewish Federal Reserve bank. And the Jewish Plutocratic elites who are the 1%. 911 was an inside job done by the Jews for Israel and the Yinon Plan plan to expand the Jewish States boarder and exterminate the Arab states.

911 a terrorist attack on American soil organized and carried out by Mossad and their Jewish networks in control of American key positions. This was witnessed early by the Israeli attack on the USS Liberty killing many American service men in a false flag attack:

<http://www.911missinglinks.com/>

This is why Anti-Zionism is ruled to be Anti-Semitism by European courts. Because it literally is. International Zionism is International Jewry. What the Jews want is what Netanyahu wants, war with Iran that will kill millions of innocent human beings in the Middle East. A million Iraqi's and thousands of American's are already dead over the Jewish Neocon invasion of Iraq on what they admit was false pretext and lies. Now the Jews are lying to everyone about Iran around the clock to do the same. How many more millions of innocents will have to die for the Jew World Order?

Those who want to kill us are, first and foremost, any Iranian regime that says outright it plans to destroy us. I will not hesitate to say what's needed to warn against this danger, and prevent it."

Top Israeli Political Figure Admits Jews Run The World

My note here, one Jew admits the Jews run the world and cites a top Jewish political who admits the same. All this blather about the Protocols of Zion being a fraud is Jew talk. In the late 18th century there was a notorious court case on the subject it was ruled the Protocols were a Forgery.

Which means in legalize they are legitimate. To have a Forgery you have to have an original vaild document somewhere. To forge a check you need the original legitimate one. So they have been ruled in a Court of Law to be legitimate over a century ago already.

In These Very Moments, The Protocols Are Being Rewritten

By Gilad Atzmon [my note Jew] on February 8, 2015

For many years my detractors have pointed at the following quote as evidence of my anti Jewish sentiments:

<http://www.thetruthseeker.co.uk/?p=110866>

"American Jewry makes any debate on whether the 'Protocols of the Elders of Zion' are an authentic document or a forgery irrelevant. American Jews do control the world."

Yossi Sarid, the Israeli light Zionist veteran politician agreed with my position. This is what he wrote in Haaretz:

"In these very moments, the protocols are being rewritten. Rich Jews are writing them in their own handwriting. They, in their wealth, are confirming with their own signatures what anti-Semites used to slander them with in days gone by: We, the elders of Zion, pull the strings of Congress, and the congressmen are nothing but marionettes who do our will. If they don't understand our words, they'll understand our threats. And if in the past, we ran the show from behind the scenes, now we're doing it openly, from center stage. And if you forget our donations, the wellspring will run dry."

Ok that's why.

Note the Jews ran the Soviet Union a fact which even they admit. The Soviet Version of history is the Jewish false narrative which is why being honest about the Holocaust or the Soviet false history is a crime now in Russia. The holocaust is the key part of the false historical narrative of the Jew Word Order. As the truth does not fear investigation. Which is why the Holocaust is illegal to question in many other Nations under Jewish control. Which shows yet again Russia is under Jewish control.

The Jews have made it illegal to look into their crimes against humanity under their Soviet Union such as this:

What all the above means is Criticism Of Jews Or Their Lies and Crimes Is Illegal In Russia. Nothing else. Just like in the Jewish run Soviet Union where anti-Semitism [criticism of Jews and their crimes] was the death penalty.

Holocaust Deniers in Russia Now Face Five Years in Prison

Read more: <http://forward.com/articles/197664/holo ... z3RZMkB5qp>

Russian President Vladimir Putin signed a law on Monday making the denial of Nazi crimes and distortion of the Soviet Union's role in the World War Two a criminal offence punishable by up to five years in jail.

The law, described by critics as an attempt to curb freedom of expression to appease conservative Russians, the ex-KGB spy's main support base, also criminalises the public desecration of war memorials.

The Kremlin has used World War Two as a pillar to unite a society that Putin has said lost its moral bearings following the 1991 Soviet collapse.

It has become increasingly risky for Russians to dispute an official line that glorifies the wartime achievements of the Soviet leadership and plays down its errors.

The new law would ban "wittingly spreading false information about the activity of the USSR during the years of World War Two".

Russian officials and media have raised the spectre of Nazi Germany repeatedly during Moscow's confrontation with the West over Ukraine, calling the overthrow of a Russian-allied president in February a coup carried out in part by "neo-Nazi" forces.

Independent channel Dozhd (TV Rain) was taken off the air earlier this year after asking viewers whether Leningrad, now St Petersburg, should have been given to German troops to save lives during its 872-day siege during World War Two.

Viktor Shenderovich, a blogger critical of the authorities, came under fire from Kremlin supporters in February after comparing the Sochi Olympics to the 1936 Berlin Olympic Games, used by Adolf Hitler to burnish the image of the Nazi Germany.

In a comment posted when the legislation was first introduced, veteran TV host Vladimir Posner said he believed its aim was "to shut the mouths of journalists, historians and writers".

He said he feared it would "practically ban criticism of Stalin" for "grave mistakes that led to the deaths of hundreds of thousands of our soldiers".

It was unclear whether the wording of the bill had been changed since its introduction and Posner could not immediately be reached for comment.

Kremlin critics say Putin, in power since 2000, has used legislation, court cases and other levers to tighten control during his current term, which he won despite large opposition protests in 2011-2012. Putin denies the accusations.

Separately on Monday, Putin signed a law imposing fines for the use of expletives on television, radio and in films shown in theatres. Music and movies containing foul language will have to have a warning on the label, state-run RIA news agency said.

Putin also signed a law imposing stricter rules on bloggers, which opponents say is aimed at suppressing criticism on the Internet.

Subject: Re: Why is it so hard to deprogram from Christian influence?

Something I want to add to this thread. I am posting this to all of the JoS e-groups and forums as there are people here who are new and others are still having problems. Most people are unaware of the extent of the mass mind and its influence. The Judeo/Christian and Muslim virus has infested and has been imbedded in the mass mind for centuries. This is all subliminal. In other words, your logical conscious mind is often not aware of it to the extent that it is there, but your subconscious mind and soul take this filth in. In addition to the extent it has infested and imbedded, it is relentlessly pushed and kept going by idiots world-wide. Take just one year for an example... Pagan holidays were hijacked. Millions were tortured and murdered [so much for the Christian lies of "love" and "peace" and "free will." Christianity has never been tolerant of any other beliefs, especially Paganism. As for the Jews whining about being "persecuted" by the Christians, this is another lie and what little they were was just for show. Catholic Popes during the inquisition ordered their inquisitors to "Leave the Jews alone."

Christianity has always been pushed [under threat of torture and death] onto the populace. In Japan, the Emperor kicked the Catholic Jesuits out of the country as they wanted to murder all of the Buddhists that would not convert. The Jesuits are another Jewish program and the Jews retaliated in 1945 with bombing Hiroshima and Nagasaki. Getting back to the year, what were once Pagan holidays and celebrations, all of this has been hijacked with the energies being directed into Judaism and Christianity. If you do some research, this is world-wide and in nearly every country, with the exception of Islamic countries and they do their own spiritual destruction and subliminal ugliness, infesting the mass mind with total rot. Also, in addition to the main holidays, there are other numerous dates where the Christians spew their filth. Take Spain for example, their huge celebration of "Holy Week" and then there is that "Pentecost" which was also hijacked and the list is extensive. Take all of that energy, along with the churches and their slavish worshipping fools, who work relentlessly for not only their own damnation and destruction, but also that of all of humanity and all life on this earth. They are too stupid and deluded to see this.

Then, there is the Jewish-controlled media. All the while the Jews pretend to be enemies of Christianity and persecuted by it... this is to fool the populace. Most people actually believe these lies, while in truth, the Jews promote Christianity zealously behind the scenes, though they do so quietly and secretively, no different from those kosher symbols on our food bottles and jars, etc. Many TV shows and movies are steeped in Christianity. For example, many years ago, "Little House on the Prairie" was aired during what was called "family hour." It not only had heavy Christian themes, but with the Jewish knowledge of psychology, it combined those themes with strong emotional reactions that were intended to be deeply touching for the audience. This sort of thing is powerfully subliminal, especially when it affects more than one sense/emotion. Then, there was the family series "The Waltons." Same sort of Christian shit. I haven't watched any regular TV in probably more than 30 years, so this is going way back, but my point is, anyone here with even half a brain is aware of how the Jews control the media. Another one... the 1959 movie "Ben Hur." I heard there was a recent sequel, but I wouldn't waste my time. The music, that filthy Nazarene and all of the whole ball of subliminal crap intended to associate Christianity and its related themes in the average mind with profound tear-jerking and emotionally moving scenes. Few people would not be emotionally moved at the ending of that movie and the Jews who wrote and promoted this knew it. I also want to add, that movie was promoted for families and children saw it and it had bloody violence in it along with other unsavory content that was not suitable for children.

I also mentioned in my other sermons, I like to do crossword puzzles, as do other millions of people. It is glaringly obvious, most, if not all of the word and other puzzle books on the newsstand were authored and published by Jews. Most of these puzzles and even in your local newspaper have queries about that filth bible. In other words, it is taken for granted that the populace is supposed to just know this shit,

like it is common knowledge. How many of you can walk down an aisle in a market or store during the Yule season and hear instrumental xmas hymns and even though there may not be words in a particular hymn, how many of you know the lyrics by heart? This is the kind of crap I mean. It is and has been so infested and imbedded; most of us know the lyrics verbatim. The music alone is enough and before you know it, your mind pulls up the lyrics.

Then, for those of us who were forced to go to church when we were under-age, the embedded prayers. The robotic, stupid, meaningless trash that we had to memorize and repeat endlessly. Every stinking vile church service/mass is a repeat of the human blood living sacrifice of that foul Nazarene. It is so repetitive and purposely imbedded to no end. To add to this, most people are literally bored out of their minds and when dozing off or in a mentally receptive state, this psychological poison takes hold like hypnosis. That is where it really gets imbedded and even those with the lowest intelligence levels are very open and receptive as it is endlessly repetitive and reinforced. This is why this world is in the current state of depravity, the wars, the extreme suffering and every other ugly and negative thing. Individuals do not have to read the bible. All they have to do is to tie into that negative energy and it is embedded in the mass mind and right now, this earth is on the brink of disaster.

http://www.angelfire.com/dawn666blacksun/ChristianMass_JewishRitualMurder.html

In addition to its being perpetuated by humanity, enemy aliens known as Greys who have a micro-chip implant, work relentlessly to push this malignant program. Many of us have been directly harassed by this alien degenerate scum spiritually on the astral. Christianity and its related lethal poisonous programs do NOT take "NO" for an answer. Just as humans who have been heavily infected with the Christian virus and tie into its energy have an obsessive/compulsive disorder when it comes to getting others to "accept Jesus" enemy spooks do the very same. Now that some level of Free-thought and freedom of religion have been established in most Western Developed countries, these alien spooks are working even harder in other ways to try to destroy it. Enemy spooks cannot refrain from harassing those of us who know the truth. I will tell you though, there does come a time when they will no longer try to deceive you with the Christian lies. That is when you know the truth 100%. Then, they resort to other tactics of harassment.

My advice to all of you who are having problems getting Christian, Muslim and related imbedded poison out of your minds is to study, study and do more studying. There are a load of sermons, articles and all kinds of reading material on the main JoS website, Satan's Library and Exposing Christianity.

If any of you are having reservations in regards to trying to call upon our original Gods [Demons], then my advice is to wait. There is no hurry. Clear your mind first and then and only when you feel completely relaxed and comfortable, you can go ahead with this. True Satanism is liberation and freedom, especially spiritual liberation and freedom. You only need to be yourself. Nothing is forced upon you. Be aware of and know this. Just be free. If there is something you are not completely comfortable with, then don't do it. Work on yourself and work on ridding your mind of that foul toxic Christian waste first and replace it with positive knowledge, positive thoughts and a positive faith. Positive faith is NOT blind faith. Positive faith is faith in what you know to be true and faith in yourself to make the correct choices **FREE OF COERSION AND ANY FEAR!**

[Why is it so hard to deprogram from Christian influence?](#)

Just

[lilith345](#) when I think I'm making progress, it seems like all the "what ifs" start to pop up into my head. It's really confusing. How can I be so close to freedom and yet so far away. It's been this way even before I dedicated myself. I don't understand how I can make contact with a demon and no harm comes to me, then the next time I try to summon, anxiety and fear that something bad is going to happen comes up out of nowhere, Then have no problems the next time I summon. I mean is it really as simple as deprogramming from Christianity or is it some kind of attack? What do I do?

My reply--

There is another side to this:

"We possess several hundred atomic warheads and rockets and can launch them at targets in all directions, perhaps even at Rome . Most European capitals are targets for our air force. Let me quote General Moshe Dayan: ' Israel must be like a mad dog, too dangerous to bother.' I consider it all hopeless at this point. We shall have to try to prevent things from coming to that, if at all possible. Our armed forces, however, are not the thirtieth strongest in the world, but rather the second or third. We have the capability to take the world down with us. And I can assure you that that will happen before Israel goes under."

– Martin van Creveld, Israeli professor of military history at the Hebrew University in Jerusalem in an interview in the Dutch weekly magazine: Elsevier, 2002, no. 17, p. 52-53.

Someone mentioned to me, regarding this – since Israel is allied with the USA , Russia , and China , all the superpowers that have nuclear capabilities, and they actively manipulate these countries, they feel they have nothing to fear. Now, those of you who are fully onto the Jews and their tactics... vicious exploitation... why would this kike leader asshole want all of the Jews out of Europe ? They obviously have plans for Europe .

The Jews plan way ahead and they also work their blood sacrifices and ritual murders with the Christian energies to bring certain events about.

As I wrote before, they are not stupid.

Many people really underestimate the Jews. Much of this is because most Gentiles do not have that kind of sick depravity and malice. Gentiles do not think the same way the Jews do. Everything they do, they do for a sinister reason. Something is in the future and this will not be pleasant. Satan has given this knowledge to many people here, especially the ministry in regards to a future world crisis. It is obvious. Netanyahu wouldn't be doing this unless of course he and the other top kikes have something planned and they know the Jews will be safe in Israel . This tells me Europe won't be safe.

“Most European capitals are targets for our air force.”

Look to the above quote again. With the internet, the anti-Semitism is world-wide. This is not limited to us Spiritual Satanists; it is within all kinds of different groups, nations, and sects. If you have been following articles posted on the JoS forums and e-groups, you are more than likely aware of news articles we posted regarding how different Jews were admitting defeat due to exposure on the internet. Given this malignant virus of a race has survived as long as they have, both racially and intact in nefarious character indicates a high level of sinister intelligence. You can bet they have some real and lethal plans.

After this was explained to me, that is my own opinion.

Also, the planets haven't been right for this, as Mercury was retrograde and now Jupiter is a bit off, but I will be posting more reverse torah rituals. Those seemed to really be doing their job. I will post the rituals a few days in advance before we do them as a group. Liliith works with me on the dates and the selected verses. We will win in the end. The future after this spring looks very grim for Israel in spite of everything.

Netanyahu urges European Jews to move to Israel after Denmark attacks

Israeli Prime Minister Benjamin Netanyahu has called for a "mass immigration" of European

Jews. His announcement followed two fatal attacks in Denmark in which one Jewish man was shot dead near a synagogue.

Netanyahu made a plea to Europe's Jewish population on Sunday, saying that Israel is their "home."

"To the Jews of Europe and to the Jews of the world I say that Israel is waiting for you with open arms," Netanyahu said in a statement.

"Extremist Islamic terrorism has struck Europe again ... Jews have been murdered again on European soil only because they were Jews," he added.

Netanyahu, who is currently campaigning for the Israeli general election on March 17, said his government planned to adopt 39.5 million euro (my.inbox.com/img/ftsr/marine.jpg5 million) plan "to encourage the absorption of immigrants from France , Belgium and Ukraine ."

The Israeli prime minister made a similar call last month following the bloody attacks by Islamist extremists in Paris in which 17 people died. Among the victims were four Jews who were killed during a police commando raid on the Kosher supermarket where they were being held hostage. Their bodies were later flown to Israel where they were buried.

Netanyahu's comments were seemingly rebuffed by French President Francois Hollande, however, who vowed to combat the ["unbearable" rising anti-Semitism](#) in France .

"You, French people of the Jewish faith, your place is here, in your home. France is your country," Hollande told France 's Jewish community.

Less than a month later, however, [three French soldiers were attacked](#) by a knife-wielding man in the southern French city of Nice while taking part in an anti-terror patrol in front of a Jewish community center.

Hail Brothers and Sisters!

Prime Minister Netanyahu of Israel called all Jews in the European countries back "home" to Israel recently after an attack on them in France , where 17 Jews were murdered in 3 days of Islamic attacks... With the rise of their program of Islam reaching radical levels, Jewish leaders kill off their own followers in efforts to turn all media attention to them once again. This story has been published on nearly all news channels here in America . Few reports are saying that PM Netanyahu is calling all Jews "home" back to Israel as a response to fear and vulnerability. This is nothing more than a cover to keep the masses focused on them. Do NOT be deceived! While we are making impact in a large way, the Jews are attempting to act more wounded than they really are. This news report is nothing more than a self inflicted wound, such as in the Crusades time, when the Catholic Church sent out their "Holy Knights" to kill and pillage nearby villages(full of christians) on the way to fight the "Islamic Threat" they were faced with.

Do not let up my Family and fellow warriors! Keep doing our Hagalaz and Thurisaz meditations daily until the next Reversal Ritual.

Subject: Satan Is God			

Satan Is God

The original name of the Primordial Golden Age religion was Sanatana Dharma.

In the east we find the important SATANAMA mantra which is given high importance. What this mantra is saying is NAMA meaning name and SATA meaning God, Sata is the name of God. This is seen in the Ram mantra. RAM NAM. In some cases NAMA is on the front of the mantra paying homage like NAMA SIVAYA. Sometimes on the end. This is shown in SAT NAM of which SATANAMA is the full mantram of.

However Sanatana Dharma is the name of the Golden Age religion so it holds the highest importance.

Sanat is an anagram of Satan. The Yedizi's who stated they came from India around three thousand years ago use Satan but mention Shamballa in their texts. The Lord of Shamballa is Sanat Kumara. SATAN is also a divine name in the East which means SAT as truth and AN as eternal. Eternal Truth. This relates to the serpent power. Which grants the power of enlightenment and liberation as well. The serpent is the symbol of Satan east and west and the serpent is the original image of God. SAT is the name of the highest God in the east.

N and M is redundant as its the same nasal vibration.

Sanat-ana Dharma is SATAN-ANA Dharma. Which meaning translates to Sata/Satan is the name of the True, eternal, everlasting God. And the way to enlightenment. Looking in the east and Egypt. Sata is also spelled as Satan or SAT.

The Jews call Satan their most hated enemy. The Jews are the enemies of God, spiritual freedom and enlightenment.

Subject: Bhagavad Gita

Bhagavad Gita

On the Bhagavad Gita its premise lays out the same pseudo metaphysic's the Catholic Church is built upon. Its Communism with a window dressing of spirituality. Its the core Bible of Vaishnavism and popular Hinduism. Scholars have noted its been rewritten over time to conform to this as well. Its corrupt. The below again highlights the enemy has ruined the Dharma culture of the East over centuries to where its horribly corrupt and almost unrecognizable from the original. India scholars have stated Hinduism is Jainism by another name. That's it. Jainism was originally openly condemned as subversive and anti Dharmic movement against he culture of the India. Its Communism with joke metaphysics. This was forced on the population by the new Imperial religion of Buddhism under Askoha like Christianity was on Pagan Roman Empire by Constantine. And it did the same to the culture. The enemy just changed the wine but kept the bottle and label.

Danielou the Traditionalist scholar, author and Hindu states in one of his works his comments on the corruption of the Dharma Tradition in general:

"Inspired by Jainism, Buddhism, then Islamic and Christian influences. This new Hinduism has only a very theoretical links with the Vedism to which it claims to be related. Vaishnavism was subsequently, in the British period, profoundly influenced by Christianity, Protestantism in particular. New reformist movements attempting to present Hinduism in a form suited to Western prejudices such as the Brahmosamaj of Raja Ram Mohan Roy and Devendranath Tagore the Aryasamaj of Dyananda Saravati, as well as doctrines expounded by Vikeananda, Aurobindo, Tilak and others by claiming to return to the purity of a mythical Vedism, has merely succeeded in carrying on the negativist concepts of Jaino-Budhism, whose popular form was from then on linked to Vaishnavism. Which had become the religion of the merchant class and of the new political power, Gandhi in particular. It is these ideas that so-called gurus teach today in the name of Hinduism, in ashrams where the tradition of Arihat is perpetuated. In India, as elsewhere , we can see social and economic preoccupations and puritanism take the place in official religion.... A

morality of toil, abstinence, productiveness and civic conformity tends to become a substitute for a morality of love, ecstasy, happiness and freedom."

Something at the locus of this reveals itself quick. The Jewish Therapeutae:
<http://www.jesusneverexisted.com/buddha.html>

"There are records from Alexandria that indicate the arrival of a steady stream of Buddhist monks and philosophers. They would surely have contributed to the philosophical speculations and syncretism for which the city was noted.

In particular, it seems the original Therapeutae were sent by Asoka on an embassy to Pharaoh Ptolemy II in 250 BC.

Philo Judaeus, a 1st century AD contemporary of Josephus, described the Therapeutae in his tract 'De Vita Contemplativa'. It appears they were a religious brotherhood without precedent in the Jewish world. Reclusive ascetics, devoted to poverty, celibacy, good deeds and compassion, they were just like Buddhist monks in fact.

From the Therapeutae it is quite possible a Buddhist influence spread to both the Essenes (a similar monkish order in Palestine) and to the Gnostics – adepts of philosophical speculations."

As shown here:

The Jewish Creation Of Christianity:
[topic542.html](http://www.jesusneverexisted.com/topic542.html)

The Jewish Therapeutae created the Christian program. Jainism of which Buddhism is just a covert form and thus Buddhist-Jain doctrines were included into the New Testament as many scholars have noted. Jesus could be a Jewish Jain. Are we witnessing the Jews expanding their subversive ideological network like in the last century with international Communism. The Jew never changes its nature.

The Jews have been in India for thousands of years probably before even coming into the Western World. From studying the Jews it's obvious they started in the east even Talmud is a Sanskrit word. Jains originally arose from the merchants and money leader class. A role which Jews always occupy and hog to themselves. They were also involved in meddling in Politics' and society as they always do. One can witness on an Indian synagogue wall a plaque from the local King in the past. Openly declaring the Jews above the laws, and even taxation, thus granted Royal privileges. This was also in the West or anywhere Jews dwell. And always by criminal manipulation of the host population. Jainism has the psychological stamp of one group on it. That is the Jews its primordial Christianity as noted by expert scholars. So just Jew is at the core of the destruction of the Dharma culture in the East like the same culture in the West?

Shankara one of the major subversives Danielou mentions, was from Kerala a city that had the largest Jewish population during the time he was around as well. The influence of Islam and Christianity as we know are Jewish programs and the forcing of Jewish Christian norms on India during the British Empire is normal as it was run by the Rothschild's. England even having an openly Jewish Prime Minister during the height of the Empire.

Subject: Satanism & Sexuality			

I need to make another repeated statement here. Just as I have been typing out “Christian/ity” as many who are new do not know what xian/ity means. The most important thing here is so that everyone fully understands.

Any and ALL consenting sex is fine in Satanism. Satan doesn't care about, nor is he interested in your sex life. In Satanism, your body is not the piece of property of some spook out there. You own your body, not some stupid envious spook. I came across an e-mail a few days ago where a member asked if it was ok to remain a virgin. The member was comfortable with this. YES. No one is ever forced to do anything he/she is not comfortable with, or does not fully consent to.

Heterosexual, gay, bi-sexual, a-sexual, group sex, orgies, fetishes... as long as everyone involved is consenting, anything goes.

I just want to add for people here who are unaware, the Jews work relentlessly to try to destroy any and all sexual freedoms. They take control of both opposing sides and work both sides to their communist agenda. This is very blatant with the Gay Rights movement, of which High Priest Jake Carlson [who is gay], has exposed.

<http://gblt88.weebly.com/jewish-control-of-gay-rights.html>

On the one side, the Jews who have total control push for Gay Rights real hard and on the other; they control the Christians and inflame them. The final goal of the Jews is a return to Old Testament laws as was in the communist countries, such as the former USSR , to where any sex outside of marriage was a crime, and if even suspected, anyone involved was severely punished. The Jews also work overtime with the media to try to ruin sex with pushing it incessantly [hoping for a backlash to the Old Testament], and doing other things to cause problems in the minds of the populace. The Jews work to destroy anything and everything that is good for and that advances humanity in order to return the entire world into the slave state that it was during the Middle Ages. Look how they have been working to ruin the internet by trying to get control of it and outlaw free speech. Science has been vehemently attacked for centuries in order to perpetuate the false Jewish history in the bible and to keep humanity enslaved.

I also want to add there is a Jewish anti-communism organization and of course, this is another tactic of trying to deceive Gentiles and work the anti-communist side towards the Jewish communist agenda, so do not be fooled. They always take control of both opposing sides and work both to their communist/biblical agenda of enslaving the world.

In closing, I also want to add that the sexually frustrated Christians always hype concerning sexually transmitted diseases and such: being “God's punishment” and similar crap. In truth, it is a lot easier to catch all kinds of diseases from just breathing, touching something, etc. Most STDs can be controlled through the use of condoms and so forth. I am just stating this here so people are not duped into falling for that Christian idiocy.

To have sex, to not have sex, how you have sex, with whom you have sex... Satan is not concerned. ALL consenting sex in Satanism is fine. Never is anyone forced into doing anything he/she is not fully consenting to or may be unsure or uncomfortable with.

The ONLY thing in Satanism that is strongly encouraged is consistent meditation. Satan does not want, nor does he need slavish worship.

The foundation of Satanism is that of becoming a god and only through working on your soul, through consistent meditation can you do this.

Subject: EU The Jewish Agenda

EU The Jewish Agenda

This is why Europe is full of hostile non-European aliens many of whom are Muslims. Its the key program of the Jew World Order under the direction of their Banks and political agents. The major front for creating the political movement out front that led to the EU was Kalergi. A strange and perverse lunatic that wished to destroy the White Race while worshipping Jews as the Chosen and working for them openly. The National Socialists of Germany pointed out Coudenhove-Kalergi's membership in the Jewish owned Free Masonic societies [which the enemy has worked to cover up]. Which was openly pushing for a One World Jewish Order under many different fronts. Communism among them.

Communism and Masonry:

topic1477.html

"According to his autobiography, at the beginning of 1924 he came through Baron Louis de Rothschild in contact with Max Warburg who offered to finance his movement for the next 3 years giving him 60,000 gold marks; Warburg eventually remained sincerely interested in the movement for his entire life and served as an intermediate man as to bring him in contact with influential personalities in America such as banker Paul Warburg and financier Bernard Baruch accompanying him there. In April 1924 Coudenhove-Kalergi founded the journal Paneuropa (1924-1938) of which he was editor and principal author. The next year he started publishing his main work, the Kampf um Paneuropa (The fight for Paneuropa, 1925-1928, three volumes). In 1926, the first Congress of the Pan-European Union was held in Vienna and the 2,000 delegates elected Coudenhove-Kalergi as president of the Central Council a position he held until his death (1972)."

http://en.wikipedia.org/wiki/Richard_Ni...ve-Kalergi

Kalergi laded out the blue print for the destruction of the White European Race in such an order as the Jewish run EU in his book:

In his book Praktischer Idealismus (Practical Idealism),

"The man of the future will be of mixed race. Today's races and classes will gradually disappear owing to the vanishing of space, time, and prejudice. The Eurasian-Negroid race of the future, similar in its appearance to the Ancient Egyptians, will replace the diversity of peoples with a diversity of individuals. [***] Instead of destroying European Jewry, Europe, against its own will, refined and educated this people into a future leader-nation through this artificial selection process. No wonder that this people, that escaped Ghetto-Prison, developed into a spiritual nobility of Europe. Therefore a gracious Providence provided Europe with a new race of nobility by the Grace of Spirit. This happened at the moment when Europe's feudal aristocracy became dilapidated, and thanks to Jewish emancipation."

Note Dugin who is the popular thinker of the policies of the Russian Federation calls for identical policy within the Russian Federation. That Kelergi was pushing for in his time. The Russian Federation is run by international Jewish power brokers as well. Who are flooding the White European parts of the Russian Federation with millions of East Asians, Asians, African's and Muslims. With the Jews its always the same agenda.

Russia Under Jewish Control:
[topic2499.html](#)

The following is from Eustace Mullins, "The Rule of the Order", The World Order: A Study in the Hegemony of Parasitism, Chapter Eight.

"On May 1, 1776, Adam Weishaupt issued further instructions to the Illuminati in Bavaria, 'We labour first of all to draw into our Association all good and learned writers. This we imagine will be the easier obtained, as they must derive an evident advantage from it. Next to such men we seek to gain the masters and secretaries of the Post-Offices in order to facilitate our correspondence.' The Tasso family of Bologna, later Thurn und Taxis, gained control of post offices and intelligence work in Europe and held that power for five centuries. Although these groups surfaced as charitable or fine arts organizations, their goals of anarchy were concealed in all their efforts. In the twentieth century, they culminated in the League of Nations, the United Nations, the communist Party, the Royal Institute of International affairs, the Council on Foreign Relations, the foundations, and a host of lesser groups. Count Coudenhove-Kalergi's Pan Europe Movement, with its powerful backing by aristocrats and international financiers, was represented in the U.S. by its American branch, founded by Herbert Hoover and Col. House, who were also stumping the U.S. for ratification of the League of Nations. Coudenhove Kalergi mentioned in his autobiography that he had been financed by the Rothschilds and Warburgs, and in the U.S., by Paul Warburg and Bernard Baruch. He was connected with the Thurn und Taxis family. His grandfather, Count Francis Coudenhove-Kalergi, Austrian Ambassador in Paris, had married Marie Kalergi in 1850. She was one of the wealthiest heiresses in Europe, descended from the Byzantine Emperor Nikophor Phikas; in 1300, when Venice was the dominant power in the Mediterranean, Alexios Kalergis had signed the treaty which made Crete a dominion on Venice. A recent premier of Greece, Emmanuel Tsouderos, was a Kalergi."

French President: To protect Jews is to protect France

The President of France in a wave of boasting Judeo-Marxist rhetoric has agreed to grant the Jews the supremacist privileges they have been demanding over everyone else. The Jews will use any situation to push their agenda even the blow back off their EU open boarder polices for Europe. Big Jew, going keep on Jew'in. All people are equal but the Chosen People are more equal then everyone else. Its good to know the President of France is such a good Jewish owned Communist.

French President Hollande: To protect Jews is to protect France
[http://www.sdjewishworld.com/2015/02/23 ... ct-france/](http://www.sdjewishworld.com/2015/02/23...ct-france/)

World Jewish Congress (WJC) President Ronald S. Lauder on Monday, Feb. 23, praised French President François Hollande for delivering a "great speech" at the CRIF dinner in Paris which he called a "rallying cry in the fight against hatred." In his address to the dinner guests, Hollande announced the next steps in his plan to fight anti-Semitism in France, including protecting Jewish sites for as long as necessary and new measures to curb the dissemination of hate speech on the Internet.

"President Hollande has made it absolutely clear: Anti-Semitism, and any other form of hatred and racism, must not and will not be tolerated, and the entire country must mobilize against it. His speech sends a strong signal that France will not surrender to the forces of evil and that it is taking the leading role in fighting anti-Semitism and terrorism. We fully support President Hollande and his government in this endeavor," Lauder declared.

"In recent months, the Jewish community in France – the largest in Europe – witnessed the worst attacks since the end of World War II. We all – Jewish, Muslim and Christian leaders, governments and the wider civil society – must work together to ensure that our freedoms are safeguarded and that the fight against terrorist and extremist of any form is won," added Lauder.

Speaking at an annual dinner hosted by the country's Jewish umbrella body CRIF, Hollande said that "in protecting its Jews, the Republic is protecting itself." He emphatically said that "the Jews are at home in France and it's the anti-Semites who don't have a place in the Republic." The president urged more European cooperation in the fight against jihadist terrorism.

Hollande also called for more effective punishment of anti-Semitic acts and urged measures against hate speech: "I want such speech to come under criminal rather than media law." The French leader said that talks with the CEOs of the major Internet giants would soon take place in France to determine how to curb the dissemination of hate speech on the Internet.

"Not teaching about the Shoah would already mean denying it," said Hollande, who vowed to strengthen Holocaust education in schools.

The 30th edition of the annual CRIF dinner was opened by the organization's president, Roger Cukierman.

World War Jew?

Here is reply I gave to this thread:

post38271.html#p38271

This has been the quiet move. Much of the situation in the middle east is designed to slow the flow of oil and gas to Europe and force Europe to depend more and more on Russia for such pushing them into the Moscow sphere of control. Everything the jooz have been doing in Europe is aimed to one way or another put Europe under a new Soviet system as Putin admits he wants. The war they are pushing for on both sides NATO and Russia will be the key to make this happen. Hence why the kikes are fleeing Europe. Remember Russia is allied with Red China which the jews also control as they built it. Thousands of Red Chinese troops have done recent training exercises with Russian troops on European soil for a war with NATO in Europe. The current leader of NATO is a Norwegian Communist who ran their Communist Party and was a self admitted KGB agent during the Cold War. As I have mentioned before the kikes have moved their agents into key area's within NATO and the governments and the Pentagon in America. To act as fifth column to an invasion from Euro-Asia by Communist forces under their control to slam the gate shut in a real Red nightmare. China right now is quietly building a path through the other nations in the stan's of the east to Russia. Remember the jews opened the gates of more than one city as fifth column from Spain to Constantinople and let the invaders right in. Their EU policies are Soviet and aimed to absorb Europe into a Jew World Order.

What about the nuclear deterrent. Well who's hands on the controls? Israeli security companies ie Mossad fronts have dealing with the soils in American and everywhere else I bet.

Now the jews flee like rats from a sinking ship. The jews know the rise of European Nationalist groups are spelling the end along with the demand to dismantle the EU. They are running out of time so they might just hit the switch and get it rolling ASAP. Its a repeat of what they tried to pull with Communism on Europe in the last century.

Thoth wrote, "A soul's outcome in the afterlife is based upon knowledge."

"In the afterlife, the question that lay ahead was "How well the deceased person had established truth in his or her lifetime, against the powers of evil."

"Did the deceased embrace life enough to be able to live again in death?"

"Did the deceased develop a strong enough character to continue his or her personality?"

"Knowledge gives the power to act in truth and causes life, while ignorance blinds the sight and causes death."

"Death is the result of ignorance, alone." "A human being needs a map to travel both

in this lifetime and beyond."

"How can you travel in life after death without knowing the way?"

"The wickedness of the soul is ignorance and the virtue of the soul is knowledge."

"Live your life and you will never die."

"Human beings must become enlightened in order to find their way in the dark. Becoming enlightened means becoming smart travelers, who acquire knowledge of the way, an understanding of the local language and friendship with other travelers. We are all travelers in eternity."

Subject: 1/March/2015: Regarding Biblical "Prophecies"

Something I need to bring to everyone's attention, especially for those who are new to Satanism is concerning biblical prophecies. Please read this and know it. I don't have the time right now to do any research on what I am going to write below, but I strongly suggest that any of you here who have any doubts and/or worries to do your own research. There are plenty of websites online where you can find proof.

There have always been "earthquakes" "pestilences" "famines" "plagues" and above all, weather disasters and related. I was just watching the news and the unusual warming in Alaska and the snowstorms in the Eastern US, etc., were highlighted. Back in 2008, given my own experience, I noted how the commentators for the Beijing Olympics stated several times how the Chinese were able to stop rain by controlling the weather, as no one wanted rain for the Olympic Games. They were successful.

Now, given the above, and how science has progressed and is now progressing at a rapid rate to where many are unable to even keep up with the plethora of technology, it is glaringly obvious that humanity has advanced to where the weather can be controlled. I also want to add here that the so-called "New World" being the Americas was not fully populated and did not have an extensive written history until give or take, some 400 years ago. Major earthquakes, droughts, hurricanes and other natural disasters were not recorded and did not factor in as they do today. This right here is major in the way of giving the amount of natural disasters and also, the media today is much more extensive in both covering this type of thing world-wide and in broadcasting it.

My point here is these natural disasters are NOT "An act of God." Scientists can now control the weather and even create this sort of thing. Scientists can create natural disasters and as most of us know, can create plagues and other biblical crap. Sadly, many followers/victims of Christianity, Islam and related are fooled into believing these events to be predictive of "the end" and this works well for the enemy in bringing in more victims to their nefarious program, due to a lack of knowledge.

The entire Judeo/Christian Bible is nothing more than a powerful subliminal. I have said time and again and will repeat myself for new people here: there is NOTHING SPIRITUAL about Christianity, Islam and their Jewish root, other than the Jewish root is in control and at the top, the Jews use occult power to keep these nefarious programs thriving. The Jews become "God" and as most of us are aware, they DICTATE. They are always telling us Gentiles what we are to do, what we should think, how we should think, what to believe and everything else. THE JEWS DICTATE. Idiots jump up and get to it. They readily carry out the orders given by their Jewish masters.

The Judeo/Christian Bible is NOT a “Word of God”! The book “Eye to Eye: Facing the Consequences of Dividing Israel” by William Koenig is very revealing, though the author himself [Christian] is very deluded. Anyone who is familiar with witchcraft and the workings of the mind and soul, rituals, etc., can see through this for what it is. Many of these so-called “prophesies” were put into motion centuries ago BY HUMAN BEINGS. Christians and even more so, Muslims [as many Muslims are in third world countries where there is a high percentage of illiteracy] and have no knowledge of the workings of the mind and soul. Anyone who has any knowledge related to witchcraft in Muslim dominated countries is murdered if they are found out. As I stated many times before, Islam and Christianity are murder and death focused programs, that have their foundations built upon genocide, mass-murder, torture, death and living for one’s death, destruction and violence...nothing more. Everyone always has to be sorry. The biblical subliminal is everyone is born into “original sin” everyone is in debt and everyone owes. So... everyone must pay the Jew.

I remember seeing a movie a very long time ago “Little Odessa” where the Jewish father says to his son... “Rueben! Do your homework! Don’t be like some stupid goy on the block!” “Stupid goy” They feel they have the right to slur Gentiles as they please. No one ever really says anything against these Jewish “masters.”

Most of you already know, that is how they look at us- “stupid goyim.” They feel they have a “God-given” RIGHT to dictate and tell us what to do and to use us as slaves and then throw us away. Disposable human beings.

Don’t be an idiot. KNOW the truth. Take the time to study, learn, and find out about things. The only way a lie and hoax can be successful is if the victim/s do not know. Satan stands for knowledge. Don’t be duped! Know how the Jews work. These so-called “prophesies” are also highlighted and promoted by the Jewish-run media, movies, books and TV shows to keep the subliminal going and to keep these lies alive and thriving, bringing in many more victims. The mass-mind is very powerful. The torah is the Jewish life-line and the Christianity and Islam programs for Gentiles are the bulwark in giving power, belief, and energy to the Jewish programs.

In addition to all of this, and my main point here for this article is; you think the Jewish scientists at the top aren’t going to try to control the weather, create plagues, pandemics and natural disasters [which they now have the technology to do so] to make those biblical prophesies appear to be real?

They have controlled NASA for one, for decades. They work to control everything else, especially any program or organization of importance and influence, so go figure...

The sciences, advanced education and learning and everything else including sex, the Jew works to rot these out from the inside, turning a positive into a negative, tainting everything and abusing freedoms and everything else to destroy civilization and humanity. Everything intended to help is turned by the Jew to destroy and transformed into something nefarious and very ugly.

SATAN STANDS FOR KNOWLEDGE, EDUCATION AND ABOVE ALL... SPIRITUAL LIBERATION AND INDIVIDUAL RIGHTS AND FREEDOMS!!!!

So... ask yourself, just what is so "evil" about wanting to be free? Many people are so indoctrinated; they can see the truth at all.

Subject: Hitler Friend Of India			

Hitler Friend Of India

roadtorevolution asked"

"I was wondering what plans did our beloved Hitler had for India and Indian people ? I searched on the internet but as we all know I found rubbish and nothing else."

Hail Satan / Shiva

[Hitler meeting with Bose, the iconic handshake this image is painted all over India in murals. By Indian Nationalist's who remember Hitler as the friend of the Indian People he was. Hitler risked a lot to come out as such a friend. But he was a man of principal. Hitler once made the comment: I am a Hellene! in quoting Nietzsche if one understand the deeper context of Nietzsche's statement. Hitler was acknowledging the ancient Gods of India where also the Gods or Europe and himself as a follower of the Devayana which is based on Vamacara/LHP-serpent power Yoga which is of Satan.]

Hitler was friends and allied with Chandra Bose the Indian Nationalist leader and freedom fighter against the Jewish Rothschild control of India via Britain. If Germany had of won the war. India would have been freed and given peaceful independence, under a new government formed by Bose. From what those in Germany who knew Bose as close friends stated. Bose was a National Socialist and had worked out an entire plan for India years in advance that was an Indian version of National Socialism. German's other ally Japan put together a large force under Bose of the Free Indian Army. And attempted to liberate India. Germany had Indian SS regiments but was stuck fighting on the Eastern Front against the Jewish Soviet Beast. Many of the Indian's who volunteered for the SS where from Indian's who had been captured fighting as colonials in the British Army in France. Bose when to them as a fellow Indian and National Socialist and in a passionate and honest meeting with them. He convinced all of them of the truth. Hitler was not their enemy and it was immoral to serve the Jewish British Empire of which they swore loyalty towards. But their loyalty was misplaced. They as men of honor then decided to make the moral choice and swear loyalty to Adolf Hitler and the National Socialist ideal and fight against the real enemies of their People, the

Jew who had abused them and kept them in chains. Many of them died bravely in battle along side millions of other fighters from many nations and races to liberate humanity from the Jew. The Jew is enemy of all mankind as the Roman Emperors warned.

[Brave to the last Man. Indian volunteers in Hitler's Army.]

Indian was later given independence by Britain but in away that was designed to do it the most amount of harm and keep it from becoming a powerful nation. They purposely created the Pakistan spilt which caused a situation they knew would happen with over two million men, women and children murdered in ethnic cleansing by Muslims. And hundreds of thousand displaced from their homes. India was put under a Marxist government under Neru. Which worked to destroy the culture of the Indian people. Before Neru came to power there where over six hundred Sanskrit schools in India in a couple of years of the Neru government there where six left. The Marxist policies of the Indian government are the reason for the huge amount of poverty and social decline in India. Now in the last decade they have moved away from it towards a saner model over four hundred million Indians have moved into a new emerging middle class and wealth and advancement is increasing.

The long term plan for Indian by the Jews who run England was given them independence from Britain put them under a Marxist government they chose to set up. And to bring India down into total Communism. Neru was close to Jewish Stalin and wanted to create a state based on Stalinist USSR. The Jews had their agents from the USSR working all over India to pull them down under Jewish Communist control. Today there are still Communist movements such as the Naxals attacking Indian society and trying to turn it into Communist slave state. Thankfully the Indian Nationalist movement provides a buffer against this. The Jews also tried to bring India down to Jewish Christianity when they where in their under Britain. And with their Catholic Church they where openly murdering thousands of men, women and children and forcing them to Christianity. In one of the port cities the Catholic Church took with the help of the Portuguese they lined up hundreds of people. And crushed the infant child of an Indian family between mill stones for grinding while making the parents watch. They then cut the throats of the parents and siblings in front of the those assembled and told them they where next if they didn't convert.

Then we know the situation with the Jewish program of Islam. Which created a real holocaust of 70 million Indian's over seven hundred years of exterminations.

The Jew Churchill purposely organized a mass famine in India that killed over three million people. Even his colleagues where disgusted by Churchill's gleefulness over the reports of the number of the dead from this organized extermination of millions of Indian's by him and his fellow Jews. Then the large scale torcher and massacres of Indian villages and towns of those who already robbed of everything by the Rothschild's by their taxation schemes designed to steal the wealth of the Indians and reduce them to slaves for centuries while shaming them for being Indian's. Which is all Jewish Communism is. Today many Indian people are being enslaved and exploited in sweat shop factories owned by Jewish international corporations at the top. They have been cases where hundreds died because fire broke out in the factory and the doors where locked shut.

[Himmler meeting with Bose as friends to discuss important matters. Himmler and Bose once spent the entire day in discussion of the Vedic spiritual philosophy. Himmler was from statements a personal student of such. He like Bose and Hitler. Was also a spiritual man who practiced the Vamacara path of Yoga. The officers of the SS as a condition of their office had to have a daily spiritual practice of such Yoga. The design of the SS peaked cap as others have wisely noted is a

hidden serpent with the hood open with the Templar Death head which symbolizes the rebirth of the soul by raising the serpent. This symbol is placed right over the third eye region of the forehead. Its based on the similar head dress worn by the Pharaohs of Egypt the Uraeus crown. The symbol of the risen serpent of Satan and spiritual enlightenment and freedom.]

Hitler was fighting against the Jew World Order for the freedom of all peoples. The Indian struggle against the Jew is the worlds struggle. If Hitler had of won India would have gained true freedom under a celebrated India Hero, Bose and would have entered a new Golden age of spiritual, material and social progress. Many Indian Guru's who came to the West where under social and spiritual attack by Jews. These Guru's knew the truth such as Maharishi Mahesh Yogi who was the Guru to the Beatles. He in private stated nothing but positive things about Hitler. Maharishi Mahesh Yogi obviously knew about the Jews for real and the truth about Hitler. Many real spiritual leaders in the East today still love Hitler and consider him a great spiritual teacher and leader of humanity.

Maharishi Mahesh Yogi

Hitler found some of his greatest friends and allies among the Eastern nations and races of who despite Jewish lies. From Hitler's own statements he always held them with the highest respects. The true spiritual seers and leaders of the East recognized in Hitler's National Socialist Germany by their own statements a truly spiritual order and way of life. And they recognized Hitler as the saviour of all men in the world from the evil of World Jewry.

ISIS was created to fight Hezbollah.....Anyone guess just who those allies who created ISIS are then.....Israel and the Jewish proxy of the Saudi's who themselves are crypto Jews. Working the Muslim front. Washington is also under the grip of Israel as well. As one Israeli politician stated: Jews out of America run the world. This is part of the Jewish plan of Greater Israel, create Islamist proxy forces to topple the Arab nation states for Israel.

A retired US general has acknowledged that Washington's allies created the ISIL terrorist group to confront the Lebanese resistance movement Hezbollah.

Retired general Wesley Clark, who was the Supreme Allied Commander Europe of NATO from 1997 to 2000, made the revelation in a recent interview with the CNN.

"ISIS got started through funding from our friends and allies," Clark admitted on Tuesday, using another acronym for ISIL.

The only group that will fight Hezbollah is ISIL because they are "zealots" and resemble a "Frankenstein," he said.

General Clark did not specify exactly which US allies were involved the creation of the ISIL. But he said the terrorist group is part of a strategy to destroy Hezbollah with an army of extremists.

Clark is known for his critical comments regarding Washington's war plans.

In a book published in 2003, he said the US is pursuing a campaign of wars that already started in Iraq and later include Syria, Lebanon, Libya, Somalia, Sudan and finally Iran.

The ISIL terrorists, many of whom were initially trained by the CIA in Jordan in 2012 to destabilize the Syrian government, have seized large parts of territory in Syria and around one-third of the territory of Iraq. They are engaged in crimes against humanity in the areas under their control.

They have been carrying out horrific acts of violence such as public decapitations and crucifixions against all communities, including Shias, Sunnis, Kurds, and Christians.

Videotape of Nemtsov Murder Suggests High-Level Assistance

This article highlights the reality of politics in the Jewish run regime of Putin's Russia. And its tip toe back into outright Sovietism. Jews kill their own who run afoul in their constant schemes with counter schemes. This fellow was more of controlled opposition for the longest time as serious dissents don't last as long. They end up in jail, dead or in hiding. But Putin's regime seems to be in crisis and is clamping down in a hurry to stay in power.

There is some bather in the article on Putin's admission, but this is of importance as this is what Jewish Putin and the Jews around him have been working on. Putin openly admits it right in the middle of a Political conference.. And is the key reason for the military invasion of the Ukraine by Russian troops in paramilitary uniforms directed by Moscow. And the thousand of people killed and hundreds of thousand displaced by the Jew Cabal in Moscow. They are trying to rebuild the Communist empire.

<http://www.forbes.com/sites/nathanvardi...ell-putin/>

Is the main culprit Putin himself, who determined that the disintegration of the Soviet Union is the greatest geopolitical catastrophe of the 20th century; who admires Stalin and reinstated the Soviet national anthem with different lyrics; the same Putin who, in the VOLDAI conference in September 2013, said that: The integration of the former Soviet Union into a single geopolitical entity is a key priority for Russia.

Frontpage Interview's guest today is Konstantin Preobrazhenskiy, a former KGB agent who became one of the KGB's harshest critics. He is the author of seven books about the KGB and Japan. His

new book is KGB/FSB's New Trojan Horse: Americans of Russian Descent.

"Americans generally believe that Russia is as afraid of Islamic terrorism as the U.S. is. They are reminded of the war in Chechnya, the hostage crisis at the Beslan School in 2004 and at the Moscow Theater in 2002, and of the apartment house blasts in Moscow in 1999, where over 200 people were killed. It is clear that Russians are also targets of terrorism today.

But in all of these events, the participation of the FSB, Federal Security Service, inheritor to the KGB, is also clear. The FSB's involvement in the Moscow blasts has been proven by lawyer Mikhail Trepashkin, a former FSB Colonel. For this he was illegally imprisoned in 2003..."

Videotape of Nemtsov Murder Suggests High-Level Assistance

[http://www.forbes.com/sites/paulroderic ... igh-level-](http://www.forbes.com/sites/paulroderic...igh-level-)

There may be no place in Moscow more secure than the massive Kremlin complex where Vladimir Putin and his Presidential Apparatus work. The Bolshoi Moskvaretsky Bridge, from which pedestrians can catch spectacular views of the Kremlin, falls within this zone of highest security.

Moskovsky Komsomolets, MKRu is not an opposition newspaper, but it is known for publishing sensational and provocative material. MKRu has analyzed a surveillance camera videotape released by TVc.ru of the Bolshoi Moskvaretsky Bridge the night of the assassination. The videotape, assuming it is authentic, chronicles the killing of Nemtsov from his appearance on the bridge at 23:30:35, to his murder at 23.31.19, to the arrival of the police at 23.42:43, 11 minutes after the shooting.

The videotape was recorded by one of the hundreds of Moscow traffic cameras at various locations throughout Moscow, which are routinely broadcast on TV stations and the internet. The Bolshoi Moskvaretsky Bridge camera was located a substantial distance from the crime scene and its resolution is low, but it clearly shows the Nemtsov murder as it took place. Here is the sequence:

23:30:35: Camera shows Nemtsov and female companion walking on the pedestrian lane of bridge towards his apartment

23.31.16: A snowplow slowly passes the couple and stops ahead of them, obscuring them from the camera as they reach the snowplow.

23:31: 19: Nemtsov shot out of view of the camera.

23:31.23: Man appears from behind snowplow, gets into a car, and the car leaves the scene

23:31.27: Snowplow drives forwards some ten meters, leaving Nemtsov's companion alone next to

Nemtsov's body

23:31:38: Nemtsov's companion runs to snowplow, hides behind it

23:32:35: Pedestrians pass Nemtsov body, some ignore it, others stop and look

23:34:26: One pedestrian walks to snowplow and talks to driver

23:34:12: Same pedestrian returns to the body

23:35:43: Automobile stops next to the snow plow, leaves after a few seconds

23:36:25: Snowplow leaves the scene.

23:37:06: Another car stops, backs up at high speed to the body and to Nemtsov's companion

23:37:23: Two men appear from under the bridge (presumably from a stairway)

23:37:36: Another car arrives at the scene

23:37:46: Both men climb in the two cars and drive off, leaving Nemtsov companion beside the body

23:42:43: Police appear on scene. Nemtsov companion taken into custody. Police wash the pavement around the crime scene.

The website Ukraine Today reports that the key witness to the crime, 23-year-old Anna Duritskaya, a Ukrainian citizen, can not be located by the Ukrainian Embassy in Moscow. It cites a member of Ukraine's Parliament, Ostap Semerak, as saying that she has been detained by Russian authorities.

According to the MKru commentator, the Bolshoi Moskvaretsky Bridge is not an ideal location for a contract killing, but the killers were professionals, able to organize an intricate political murder at a location filled with pedestrians and cars at midnight on a Friday night. Usually, such murders take place outside of the victim's apartment. Perhaps the contractors wanted to show that no opposition figure is safe anywhere. It would have been much simpler to kill Nemtsov outside his apartment, as Politkovskaya was.

It seems unlikely that the Nemtsov murder could have gone down without the assistance of a number of authorities. The assassins had to know Nemtsov's whereabouts and his likely route home. It appears that they may have organized the appearance of a snowplow, exactly timed to shield the murder from the surveillance camera (whose exact location they would need to know). It seems unlikely that the snowplow was there by chance. There was no snow, and the weather was unseasonably warm. The murderers had to conceal themselves while waiting for Nemtsov. The murderers required eleven minutes and three separate cars from the shooting to their final departure from the crime scene, more than ample time for the police to reach the scene. Given the heavy security in the area, it is not unreasonable to suspect that the police were looking the other way.

A real investigation to find the assassins would be a piece of cake: The driver of the snowplow surely could be found. There were numerous pedestrians and vehicles that drove by the scene. Nemtsov's companion was an eyewitness to all these events.

The investigation is already a farce. No decent investigation would hose down the scene of the murder. Colleagues in Moscow report that it took the police 12 hours to locate the white Lada the assassins used, more than the usual time required. Kremlin spokespersons have already named

their suspects (which do not include Kremlin officials or Putin) in this "provocation against the state." Suspects include Ukraine, unidentified sinister forces, and Islamic extremists, angry at the murder victim for his support of Charlie Hebdo.

Boris Nemtsov, a leading and charismatic opposition figure, age 55, served as Deputy Prime Minister under Boris Yeltsin. He was also mayor of Nizhny Novgorod before joining the liberal opposition to Putin. During his tenure under Yeltsin, Nemtsov was considered a possible successor, but was handicapped by the fact that he was Jewish. Nemtsov had expressed fears of being murdered shortly before his death. His last tweet to the people of Moscow read:

"If you support stopping Russia's war with Ukraine, if you support stopping Putin's aggression, come to the Spring March in Maryino on 1 March."

According to Russian political commentator Ilya Milshtein, Nemtsov's murder has the standard features of a Putin contract killing (See Paul Goble's analysis). First the political opponent is marginalized to an insignificant figure, then killed, and the blame is shifted elsewhere. The basic proof of Kremlin innocence is always: "We have nothing to gain from this" – a defense used in the still unsolved murder of investigative journalist, Anna Politovskaya.

Putin's Kremlin, contrary to its protestations, does have something to gain from Nemtsov's murder, just as it gained from the murders of Politovskaya and a dozen or so of her reporter colleagues and from the polonium poisoning of intelligence defector, Alexander Litvinenko.

The Politovskaya murder signaled to reporters not to touch stories about atrocities and crimes against humanity in Chechnya. The Litvinenko murder told defectors with intelligence information they are not safe, even in England. Now Nemtsov's killing tells opposition figures that the days of soft repression (beatings and jail) are over. If they want to continue their protests, they are risking their lives. Death can strike them at any moment, even on a crowded street.

True to form, the Putin propaganda machine began its spin less than an hour after the murder. A Kremlin spokesman stated that Putin regards "this cruel murder (as having) every sign of being a contract killing, which has a solely provocative nature." In a condolence telegram to Nemtsov's 86-year-old mother, Putin vowed to do "everything to ensure that the perpetrators of this vile and cynical crime and those who stand behind them are properly punished." Putin's notorious star-chamber Investigative Committee labelled Nemtsov a "sacrificial victim" of his own supporters, who want to discredit the Kremlin.

The unfortunate but predictable reactions of Western leaders only support Putin's spin. Angela Merkel called on President Putin "to ensure that the murder is cleared up and the perpetrators brought to justice." Barack Obama echoed Merkel in "calling upon the Russian government to conduct a prompt, impartial, and transparent investigation into the circumstances of his murder and ensure that those responsible for this vicious killing are brought to justice." Do not Merkel and Obama realize they are conceding Putin's defense. By declaring Putin's Kremlin responsible for finding the murderers, they are ruling out the possibility that the Kremlin itself ordered the hit.

Western leaders do not want to recognize what Putin and his regime are capable of. Scholars John Dunlop and Karen Dawisha have chronicled evidence that the FSB, the state internal security service, was behind the 1999 apartment bombings that killed almost 400 Russians and helped bring Putin

to power. English justice officials are convinced that the Kremlin ordered the "nuclear poisoning" of defector Alexander Litvinenko in London, and then sheltered his assassin with parliamentary immunity.

Ordering the killing of one irritating opposition figure, like Nemtsov, pales in comparison to this and other acts of murder.

In my own view, there are two possible explanations of Nemtsov's murder: One is that the murder was ordered by the Kremlin itself to signal a new clamp down on opposition figures. My second explanation would be a rogue element within the Kremlin, perhaps an overzealous oligarch, but an act of violence of this import would be an unlikely move for Putin's subordinate. I do not know how such things are arranged, but they are done most likely through a wink and a nod with no paper trail.

There will be no justice for Nemtsov. An expert on Russian contract killings explains that they are rarely solved "because of the interwoven nature of criminality and Russian officialdom." In the best case, some lower-level gangsters will confess and will quickly disappear inside the Russian penal system. They and their families will likely be well paid.

Vladimir Putin describes his state as a power vertical, in which he exercises power from the very top and those below carry out his orders. According to Putin's own description, nothing of importance can happen without the man atop the vertical. Under this logic, could a contract killing of a major opposition figure happen without the direct responsibility of Putin? Calls by Merkel and Obama for justice are therefore unintended demands that the Kremlin investigate and bring itself to justice. Another case of Alice in Wonderland, and another brave person willing to stand up to injustice dead, with no hope of justice.

Netanyahu Went To Congress To Lie For All Jews

Remember as Netanyahu proclaimed to the world:

Netanyahu: I will go to Congress like I went to Paris – to speak for all Jews.

<http://www.haaretz.com/news/diplomacy-defense/1.641515>

Well he did, he went to Congress to lie for all Jews [what's new with Jew]. And told a lie to start a war on Iran that would kill millions of innocent people in yet another Jewish made war. Netanyahu even brought along a Jewish holocaust\$ "survivor" [he survived the Olympic swimming pool and international Red Cross observers] as show to the America Congress. Because this is all Holocostanity is really about. A big Jewish swindle to act as an excuse to holocaust millions of Gentiles across the planet while raking in billons of shekels and making Jews above criticism for being criminal bastards. And to cover up the holocaust of a Hundred million people by the Jews in their Jewish owned Soviet Jewion.

Jew Admits: Israel Black Mails The World With Nuclear War

Just who is a Nuclear threat to World Peace.....Its not who the Leader of the Jewish State has been claiming, that of Iran. Its the Jewish State itself of course.

Mordechai Vanunu is a former Israeli nuclear technician who, citing his opposition to weapons of mass destruction, revealed details of Israel's nuclear weapons program to the British press in 1986. He was subsequently lured to Italy by a Mossad agent, where he was drugged and abducted by Israeli intelligence agents. He was transported to Israel and ultimately convicted in a trial that was held behind closed doors.

http://en.wikipedia.org/wiki/Mordechai_Vanunu

On 5 October, the Sunday Times published the information it had revealed, and estimated that Israel had produced more than 100 nuclear warheads.[41]

In July 2004 Vanunu claimed in the London-based Al-Hayat newspaper that the State of Israel was complicit in the assassination of John F. Kennedy. He claimed there were "near-certain indications" that Kennedy was assassinated in response to "pressure he exerted on Israel's then head of government, David Ben-Gurion, to shed light on Dimona's nuclear reactor

Vannu also stated Israel is Black Mailing the entire world with literal Nuclear annihilation and have amassed a huge Nuclear Arsenal that can reach across the planet to do just that.

Subject: EVERYONE MUST SIGN! End Animal Abuse at Natural Bridge Zoo			

Satan and the Powers of Hell care about nature, the Earth and animals. Senseless and needless animal going on daily and we can put an end to this, or at least lessen the damage these poor animals are un urge everyone to sign this petition as this is horrendous. These animals have absolutely no way to abs themselves of their suffering, if we do not help them. Signing petitions helps. No animal must suffer n under stupid and sadistic individuals.

Sign here:

From the petition:

"United States Department of Agriculture (USDA)

Undercover footage and a USDA investigation have revealed horrific abuses at a roadside zoo in Virgiri Bridge Zoo violated dozens of federal regulations protecting captive animals and fostered a culture of violence that goes beyond a few isolated incidents. Lack of veterinary care, filthy living conditions, and harassment of animals by zoo staff were just a few of the issues that were uncovered. We call on the U close Natural Bridge Zoo and relocate the animals to sanctuaries.

The atrocities came to light thanks to an undercover investigation done by the Humane Society follow USDA inspection in January. What they discovered is graphic and heartbreaking. Guinea pigs were "eu slamming them against concrete. A capuchin monkey died when rat poison was placed too close to its Neglect resulted in the death of a pregnant giraffe and baby camel. These are just a few of the cruel an unnecessary deaths documented at Natural Bridge Zoo.

Life is not much better for the animals who manage to survive. The USDA found 35 creatures in need attention. Photos showed a macaque who went weeks without treatment for a wound that ran clear to baby monkey and its mother were jabbed with a rod and, once captured, slammed to the ground. Ani were deemed filthy and uninhabitable. An elephant, one of the most social species on earth, hadn't see her kind in nearly a decade. The evidence goes on, making it clear that Natural Bridge Zoo cannot be c

care for animals.

How do zoo officials respond? The zoo's owner dismissed powerful photos and videos captured by Th Society, telling one local paper, "You can always take a bad picture."

Luckily, the images and report say it all. Natural Bridge Zoo is a nightmare for the creatures trapped ir time for authorities to shut it down for good. Please join me in calling for the USDA to close the Natur Zoo and relocate the animals to sanctuaries. Please sign and share the petition today. Thank You."

Subject: Satan Ruled The Golden Age			

Satan Ruled The Golden Age

The Yazidhi came out of ancient India and called Satan, Shaitan. I doubt they started doing this when Islam and Christianity appeared. Given the consequences and why would they call their beloved God "one who is nasty." Who has been altering and attacking Hindu culture forever.....maybe its time for people to start putting their thinking caps on.

Why alter the meaning of this word in Hindi, the enemy has worked to alter the meaning of this word everywhere as its the name of the real God....Why not the enemy has already altered the meaning of so many words. If a person looks at Sri Lanka and sees they have the same religion of the Yazidhi at the core and worship the same God and the Yazidhi's came from India thousands of years ago and stated Sri Lanka as the Garden of Paradise like other Arab cultures. Then note the Druids, Greeks, Romans, Egyptians, Vedic Aryans state they came from the Island continent in the East [the pillars of Hercules is the raising sun in the East] of which Sri Lanka is left and all had the same head God. Then maybe they will start to put things together and one step leads to another. Like unraveling yarn.

Atlantis was in the East:

post180.html#p180

The isolationist model is another phoney claim. Its well known and admitted the one mother language of all Europeans languages is Sanskrit, the same for many eastern groups and even some in America. But then we are supposed to believe all these people had nothing in common and didn't come from the same root place and culture. Despite they all speak the same language, had identical cultures and stated they all came from the same place and culture in the ancient past. Its so obvious even ten thousand years of culture diffusion has not covered this over.

Also.....

Sanat is an anagram of Satan.

Sanat was the Lord of Kumara Kandam the name of this Golden Age Paradise in the Sri Lanka texts of which the current Sri Lanka is all that is left of a much larger island as they mention as well as numerous other cultures in South Asia, India, The Middle East and Europe the South Pacific and America's. Satan [Sanat] ruled the First Sangam. And taught humans the knowledge of the serpent

power Yoga. As the numerous cultures stated all mention.

The original name of the Primordial Golden Age religion was Sanatana Dharma.

In the east we find the important SATANAMA mantra which is given high importance. What this mantra is saying is NAMA meaning name and SATA meaning God, Sata is the name of God. This is seen in the Ram mantra. RAM NAM. In some cases NAMA is on the front of the mantra paying homage like NAMA SIVAYA. Sometimes on the end. This is shown in SAT NAM of which SATANAMA is the full mantram of.

However Sanatana Dharma is the name of the Golden Age religion so it holds the highest importance.

Sanat is an anagram of Satan. The Yedizi's who stated they came from India around three thousand years ago use Satan but mention Shamballa in their texts. The Lord of Shamballa is Sanat Kumara. SATAN is also a divine name in the East which means SAT as truth and AN as eternal. Eternal Truth. This relates to the serpent power. Which grants the power of enlightenment and liberation as well. The serpent is the symbol of Satan east and west and the serpent is the original image of God. SAT is the name of the highest God in the east.

N and M is redundant as its the same nasal vibration.

Sanat-ana Dharma is SATAN-ANA Dharma. Which meaning translates to Sata/Satan is the name of the True, eternal, everlasting God. And the way to enlightenment. Looking in the east and Egypt. Sata is also spelled as Satan or SAT.

The Jews call Satan their most hated enemy. The Jews are the enemies of God, spiritual freedom and enlightenment.

shubhamrane666 wrote:

But don't you think that the translation should be in a combination of Hindi and English. Even most of guys today speak like that. Also Hindi word for Lord Satan is Shaitan, the same as Arabic word meaning one who's nasty in English. You'll have to call him as Lord shiva then. Also many guys who are teenagers speak in Hindi but have problems reading it like I myself have. I do speak Marathi fluently but have a problem writing it correctly. Pute Hindi is very difficult and writing meditation terms will be tough. Translating site to Tamil will be a good option though.

Subject: Re: Isis (jew controlled) is destroying archaeological sites. We have

Any of you who are new here, and/or still have lingering doubts, worries, and fears related to Christianity, Islam or related programs and their lies- you really need to read the article below my reply here and visit http://see_the_truth.webs.com/Destroying_Our_Past.htm

Look at what the bible really is. From beginning to end, it is a FICTITIOUS HISTORY and nothing more. There is NOTHING SPIRITUAL about it! This is why it has not only conflicted with the sciences, especially paleontology [historical geology], astronomy and all of the others, but has also vehemently attacked and held the sciences back for centuries. I remember when I was a very young girl, 6 or 7 years old, being indoctrinated with that Christian filth, I actually believed this was how we all got here, etc. A few years later when I was pre-teen, I began to think for myself. Sadly, there are many adults who

still believe these Jewish lies about how humanity got here as dictated in that nefarious bible which is and always has been a lethal plague on humanity.

Beginning in Genesis, the Jews TELL us all how we were “created” by their so-called “God” and how we got here and all these rotten lies. The Jews believing they themselves are “God” feel they have a right to DICTATE to everyone how we Gentiles are to think, what we can and cannot believe, and all sorts of other things that not only make our lives miserable, but are also very anti-life. Many scholars have wasted centuries and centuries researching that most worthless character jewsus who never existed. Just realize the endless time and wasted energy directed at combating these nefarious kosher programs. Imagine how far humanity would be if time and energy were not wasted on combating this filth. The arts, music, and nearly everything else was hijacked and directed to promoting and perpetuating these Jewish programs. For centuries as can be seen in the arts and music, those who didn't comply were harshly punished and in many cases, murdered as “heretics” by the Christian Church. Jewish communism did exactly the very same thing. All of the arts, music and related had to promote communism.

Always remember... the Jews take control of both opposing sides and work both opposing sides to their agenda. For example, Jewish Israel openly “allied” with the USA and the so-called “Free World.” The Jewish controlled former USSR would always take up for and support the countries that were openly against Israel . To most people, this is very deceiving. The USSR always took the side of any country such as the Arab countries that were against Israel . BUT, when arming the Arab countries, the Arab countries received inferior weapons and other problems from the USSR that worked to undermine them. All the while most of the world was confused and actually believed the USSR was hostile to Israel , which was a lie. In addition to all of this, no different from their invented Nazarene, they are like chameleons in that they always change in a way and adapt their programs for the times. That rotten bible, because it has so many contradictions and endless verses that can be applied to practically any situation at any time, both for and against, survives because of this adaptation, though the Jews themselves never change in their character, nor in their agenda. Xian preachers can take whatever verses they please and apply them to any situation to suit their evil purposes. That bible was written in typical Jewish style in that like the Jews themselves, it can change itself to fit anything:

The Ubiquitous Nazarene

The Nazarene is made up of nothing but stolen legends, stolen identities and a bunch of meaningless, worthless hypocritical and contradictory teachings. I don't think there has been a character in all of history that is as fictitious as this Nazarene idiot, and because he is a lie, he can change according to the times. He was invented to be nothing more than a distraction for the masses, with the intention of removing all spiritual knowledge and power from the populace and placing it in the hands of a controlling few to the detriment of the all. Christianity has survived because it always adapted to the times, just as it is doing today. The Christian church finally admitted insidiously that the Earth is not flat. If they hadn't, they would have never survived. That is just one of numerous examples. Now, the Nazarene has put on a New Age face. The teachings of the Original Gods and ancient knowledge are all of a sudden attributed to the Nazarene. This is whether they come from Egypt [Some double-digit I.Q. individuals have the stupidity to claim he was a "pharaoh."]

In the 1960's and 70's, he was the ideal hippy. Now he is the great teacher of this new age crap and the "threefold" joke, which of course includes those nefarious angels and Judeo/Christian mysticism. During the crusades, he was the Christian warrior, leading the Christian armies to slaughter everyone in their path- "Onward Christian Soldiers." With Islam, he still exists, but this time, as not the "Son of God" but as a prophet. He seems to be everywhere and conforms to every trend, and every culture. Just slap the ragged poor professional victim on two crossed sticks of wood and there he is. The only thing that *is* real concerning this ubiquitous clown is the suicidal teachings designed to turn the whole of society into malleable slaves. The underlying message never changes.

This is analogous to a harmless looking rodent that brings in lethal parasites that infest the locale like what happened with the Bubonic Plague of the Middle Ages. Because he is fictitious, he can be made into whatever they please as long as it is done insidiously. He can be anything at any time and anywhere. On the one hand, he is celibate and the "Son of God." On the other hand, in order to adapt with the sexual openness of today, he now has sexual relations with Mary Magdalene. Because new knowledge has come from the Far East, of course, he was there from age "13 until 30," as there is no written record so they can make up anything they wish. This way, they can attribute a lot of the Eastern teachings to him and claim "the all is one." Yeah, the "all is one" until someone mentions "Satan" and either there is denial or defensiveness out of these jokers. Because homosexuality is becoming more open, now parts of the gospel of St. John, which were conveniently deleted, claim he had sexual intercourse another male. He can be anything at anytime and anywhere. The Nazarene never gave any direct answers to anything. This way, any bible thumper is free to quote here and there, as they see fit. His parables fit any situation at any time and say nothing. They can be interpreted 100 different ways. Just put him on a stick and start pounding away!

That bible is no "Word of God." I already wrote a detailed sermon regarding the so-called "biblical prophecies" and how the Jews put these into action a very long time ago. Anyone can do this sort of thing. In addition to the sciences being relentlessly and most viciously attacked over the centuries, it has been the very same and even worse with witchcraft. Most of you also know that when science advances far enough, all of the so-called occult can be scientifically explained. It is a sad fact that aside from stupid deluded idiots, fear is a major factor in keeping those Jewish programs thriving, no different from the terrors of Jewish communism. Both of which have mass-murdered, tortured, and destroyed billions of lives with their wars, their "purges" and their direct attacks on those who sought after and stood for the truth.

Right now, we have a chance to really get out from under this hideous and most lethal plague. We have the internet. Do your part in waking people up. There are many different ways. If you are not able to reveal yourself for important reasons, then go to Satan and ask him what you can do. I am aware that not everyone is able to be open, but that does not mean you do nothing. There is always something. Satan will show you what you can do. This may come as an idea, an opportunity, or other. Demons will work with you. We must fight for our freedom NOW and relentlessly or we will all be forever enslaved! A hero only dies once... a coward dies a thousand times.

[Isis \(jew controlled\) is destroying archaeological sites. We have to](#) The jews are destroying our past

and they continue to do so.

["Lolo Bardonik" lolobardonik](#)

If you haven't already read this article on JoS to see the

truth:

http://see_the_truth.webs.com/Destroying_Our_Past.htm

This recent article

<<http://www.infowars.com/isis-attacks-archaeological-site-at-nimrud/>> is reporting that ISIS (created by the NATO <<http://presstv.com/detail/2014/08/24/376396/nato-behind-creation-of-isis/>> which is jewish controlled <<http://www.realjewnews.com/?p=962>>) is destroying an archaeological site in Iraq . Remember that the area of Iraq is where the civilization of the Sumerians originated <<https://en.wikipedia.org/wiki/Sumer>>. Imagine the historical significance and the artifacts, archaeological sites that this area contains.

(the full article is quoted at the end of the post)

These are my thoughts, triggered by reading the mentioned article.

Think about it.

The jews have tried to erase our original heritage and have tried to replace it with xianity, islam, communism and all their bullshit creations. They tried to strip our past in order to remove the knowledge and weaken us.

They are trying to remove the knowledge by killing people who have the knowledge, by destroying books, artifacts and archaeological sites.

And this makes it more difficult for us Gentiles to prove that all the filthy jewish created bullshit are wrong. We know that they are wrong, we feel it inside us, we express it with our whole being. But, our brothers and sisters who are without, wouldn't be able to see it. They would like to see some proof to start thinking. They are brainwashed by the jewish programs and they would have to see some hard evidence to awaken from this brainwash.

If the jews continue to destroy our past through their funded wars, in a few centuries all evidence would be a part of imagination. What we know as hard facts and are supported by evidence, in a few centuries would become "myths" and "fairytales" for the next generations. The knowledge would be removed from the physical level.

This knowledge though wouldn't be lost. It would remain in the Akashic Records <<http://www.crystalinks.com/akashicrecords.html>> and in the knowledge of our Gods. But it would be a lot harder to obtain. Because as

most of us know communicating to our Gods through telepathy is not an easy task. The same goes for obtaining access to the Akashic records. The person needs to have trained and honed these skills in order to reliably obtain any information this way.

This is the reason, that all of us who have been given the privilege to this knowledge (any part of knowledge) from our Gods, have to preserve it for the next generations. Write journals, write books, write articles, write posts.

Those of you who can do this (and of course are allowed by the Gods to share this knowledge), share it with as many trustworthy people as you can. Share it with people that deserve this knowledge and would honor it's value.

If you are now allowed to share it write a "black book" or a "grimoire" and keep it in a safe place. This way the knowledge would remain on the physical plane.

Most of us have come to the truth because we had an inner urge to find the truth. Because we were spiritual enough to see the lies of the jewish world. We were guided to some info that helped us realize the truth. We found Father Satan and the Gods of Hell because we "stumbled" to the JoS site.

Maybe a friend told us about it. Maybe the Gods have given us guidance. The result is the same. We "stumbled" upon the information. We read about it. We started trusting in our spiritual abilities. We started trusting that they are real. We started accepting this "invisible" reality. We obtained the knowledge.

But everything started with information in the physical plane. A site. A book. A person with knowledge. So think about it. What could we do to help the Gods?

Imagine the possibilities.

What would happen if you write a book, a journal, a grimoire, a post on the internet. When you'd be long gone from the physical plane of this world, this information would remain. The Gods could direct a spiritual person to this information. To help this person get initiated in spirituality. To help this person and awaken him.

We are a generation of pioneers. We had to search for the truth, and we're still searching to obtain more of our lost knowledge. Each of us has it's own interests. Each of us has it's own special abilities. While we're training to advance ourselves and our abilities we obtain knowledge. We obtain knowledge by the Gods. We obtain practical knowledge by training.

This is valuable knowledge.

This is the knowledge that needs to be preserved.

This knowledge is our legacy for the next generations of our Gentile brothers and sisters.

Let's fight hard and become stronger.

Hail Father Satan and the Gods of Hell

I already replied to a post on this, but another thing I want to add here... When I was very new to

Satanism, one of the things our Gods impressed upon me was they did not want humanity to “forget them.” In other words, not know they ever existed. I wrote my best at the time in the Demons’ section of the JoS and how our people should promote our Gods in any way they can. IN songs, art work, band names and other things I suggested at that time in return for favors granted to us from our Gods.

Jehovah’s Witnesses have take steps in eliminating all of the holidays such as Xmas and Easter, even celebrating one’s birthday. This is because all of these holidays, as they will openly admit are Pagan. Other fundamentalist xian sects [xian = Christian for those who are new here] work to remove all of the Pagan celebrations and traditions from these holidays and replace them with that scumbag Nazarene; attacking Santa Claus, gift-giving, Easter Eggs, the Easter Bunny etc. There are even xian placards that state “Easter is not about the Easter Bunny” for instance. Many are also deceived with the Jewish communist agenda that promotes atheism. Truth be known, communist countries are not all that harsh towards xianity and related Jewish filth. The end goal though is to remove all of the xian crap because it comes with the Pagan baggage. Xianity still has not completely disconnected itself from the STOLEN Pagan holidays, mala beads and many other things, as xianity has nothing of its own.

http://see_the_truth.webs.com/STOLEN_YEAR.htm

This here is exceptionally blatant. All of the truth and history is systematically being removed and replaced with lies, the most blatant ones being the Bible and the Koran. When all evidence is gone through deliberate destruction, the Jews are then at liberty to seal their agenda. An atheist knows nothing of spirituality and is helpless to fight back against forces he/she does not even believe to exist, let alone know how to. The Jews then become “God.” Anyone who poses a serious threat is dealt with through their version of black magick- child sacrifice...Jewish ritual murder.

http://www.angelfire.com/dawn666blacksun/ChristianMass_JewishRitualMurder.html

All evidence is destroyed and the Jews replace it all with their lies. Like I already wrote, the Bible is very blatant as is the Koran.

One of the most important messages I ever received form our Gods is “Never let them forget us.” If we forget our True Gods and where we come from, then all is lost...

[Enraged over destruction of Astaroth's Temple, etc.](#)

I have been
"[Sims Motal](#)" [simsmodal](#) so depressed all day. And I
finally began to understand

why. The destruction of sacred temples and statues
is way beyond evil. Yes! It is horrible the way that ISIL – I refuse to refer to them by one of our Goddesses' names –
murders and rapes and destroys. But to me, this is the icing on the cake! I fully intend to continue with rituals
towards the jews, but I am also going to include the islamic extremist monsters too!

I have cried and cried about it. To me, the things they have done are unspeakable, and unforgivable.
I hope others will join me in cursing the SOBs too.

Subject: Zionism is Judaism			

Zionism is Judaism

What this whole Zionist issue with the Jews comes down to is the Jews believe they have a messiah
who in their holy writings like Isaiah is a Political leader and also a political movement. This King of
the Jews must rule from Israel and when they conquer and destroy all the Goyim nations and
destroy their gods, races and, nations, cultures and Judaize them. Their god will descend to mount
Hebron and rule through the Messiah in Israel and totally destroy all the races and nations finishing
them into a Jewish world. This is meaning of the Jewish religion and the instructions for this is in
their Torah.

The Rothschild's believe this is them, they own and created Israel and have been pushing this
Messianic agenda which others Jews have done for centuries before the Rothschild's. So its obvious
why the Rothschild's created Communism its the Messianic political movement they are given
instructions in the their Torah to create, for Jews to conquer the planet totally with. And
Rothschild's will rule as the Messianic Jewish Kings from Israel thus fulfilling the Messianic mission
of Judaism. By actualizing it into reality.

When this happens the Jewish world will be united under their Messiah to rule the Goyim with a
Rod of Iron as their holy texts state. The program to do this is dissolution of all races, cultures,
nations, individual economies and ethnicities. This will be replaced by a One World Religion of
Judaism. The "No God But God" the Muslim's state. They got this off Judaism this means no God
but the Jewish God thus the Jews themselves. The Messianic Jewish Religion they have planned to
rule the Global Zion by is Communism. Its a religious Jewish Messianic movement which has been
written on by the Jews themselves as being such. Remember the Messiah is also a Political
Movement.

Communism is still here the Jewish elites have made the economies as worse as possible and not
allowed recovery while pushing policies of dissolution of nations, races and cultures around the
world. And Communizing our societies by social Marxism. They are now moving towards another
world war and total economic collapse to usher in the final steps to a total Global Communist take
over. They built their Red China into a military and economic super power like the Soviet Union.
For the purpose of waging global economic and military warfare. The Protest Wall Street movement
was created by Rothschild's thought their Jewish agents its stated purpose was to start a

Communist revolution in America. Just because it failed once does not mean they are not going to try again, they are trying daily. They have created all the conditions needed for massive Communist movements across the planet.

When they take total power by their Messianic world movement, Communism. They will then initiate by their texts a total planetary holocaust of billions of human beings. Leaving only a few hundred million, micro chipped Goyim who will exist as cattle property in a brutal Orwellian system to serve and be raped by the Jews night and day as the Torah states the Goyim are for. In a global factory farm. Where the Jews will become God.

This planet is on the eve of total destruction again. Time has come back around to where it was in the previous century. When the mass grave of the Gentle world had been fully prepared. At the last hour, the call to resistance was raised under the Swastika by Adolf Hitler.

Don't forget this. No matter who says what and how the Jew, fucking lies don't YOU, and I mean YOU reading this, ever forget this.

Some call it Marxism, I call it Judaism."- Rabbi Stephen Wise

Zionism is Judaism. Don't be fooled by the fakes who tell you different my people, Zionism is Judaism.

Subject: What We Are Fighting For --[Keep Fighting!]			

What we are fighting for?

We are fighting spiritually for many things. We are fighting for Freedom. Freedom for people to live a peaceful and spiritual life, with all the physical necessities. Freedom against the jewish hoaxes that punish people mentally, spiritually and in their mind. We are fighting to abolish the poison of lack of knowledge, we are fighting to get rid of fear in people's hearts. We are fighting so that no more Gentile people will be dying in the streets, homeless and without a loaf of bread. We are fighting so that those who are trying to enslave humanity do get destroyed. We are fighting for health, physical and spiritual health. We are fighting for the advances of science. We are fighting to build new towns, reconstruct, rebuild and help the Earth. We are fighting so that no children will die due to hunger or abuse by primitive actions. We are fighting for those who have no voice and no awareness to see their enemies. For those who have fallen down and have quitted, letting themselves die. We are here to show them that the world of our largest dreams is not lost- its here to be worked for. We are fighting for our each and respective Gentile Race, for each and our respective pride and our Ancestral past.

We are fighting for those who have died or have never lived a life due to the jewish teachings. We are fighting so Humans can regain their Souls, that they have lost due to the cancer of Abrahamic hoaxes. We are fighting to get people who have been made insane back to health again. We are fighting for Mother Earth and to save her from suffering. We are fighting for any animal that is being senselessly abused, that is thrown away like a lifeless piece of trash. We are fighting for those who are in the hospitals suffering from disease that was heaped to them either by lack of scientific knowledge, or by the insane teachings of the enemy that cause people emotional problems- all this by the enemy. We are fighting for beauty, the preservation of art, history. We are fighting for those who are being tortured, secluded and brought to ashes by the jewish dreams of world domination. We are fighting for our Gods, our Pagan Gods, who have been helping Humanity for hundreds of years. We are fighting for those and like those, who have shouted "FREEDOM" and then later have sacrificed, in the eternal flame,, not giving one thought about that they would certainly die. We are fighting for those who are trying to escape this jewish order of living to find peace. We are fighting for those who are seeking the Truth but cannot find it. We are fighting for the Sovereignty of

people and of States and Races. We are fighting for the preservation of what is different. We are fighting against the most atrocious and sick people, these sick jewish souls who have built the middle ages, the dark ages, the ages of suffering and destruction that made humanity pour seas of needless blood. We are fighting against those who consider themselves entitled to harm, destroy, enslave and mutilate whole people's and nations. We are fighting to certify and guarantee that people will remain free and that our civilization will undergo the least damage possible.

We are here to spiritually destroy the "chosen of god" and the people that created the nasty alien catastrophic "religious" hoaxes themselves, that have brought humanity seas of blood, injustice, suffering and destruction to anything that lives and breathes more or less. We are here to destroy this psychopath murderer that they call "god". We are the Darkness, which is the True Eternal Light, we are the Past, the Now and the Future, we are the original people of God, whom is none but Satan, the one and only eternal and everlasting Truth.

We are fighting for what all our Ancestors have fought, we are the ones holding their flame. When you see yourself in the mirror, see hundreds of those before you, do not only see yourself, for you are not only yourself, you are your Race, your Volk, your Ancestors and every one of them. You are someone the Gods left here, entrusting them with a mission! To Save this world. The weight of responsibility falls then on your back and NEVER, EVER question your capability. You are the one's that are aware, that have woken up and that have been brave enough to seek our Ancient Father. What is a war or a thousand wars to those who have DARED to find themselves!

We are fighting for the Real God of Humanity. For the Father of Truth, Satan, the Eternal God, whose promise stands proud for as much as recorded history- to make Humans.

Curse the enemy with all your hatred, let the curses run like the greatest scorching fire upon their petty souls! Here is how to fight:

Everyday, until the day that a Ritual will come, which will be soon, raise the following and direct it as following.

Vibrate:

-Thurisaz x9.

Then affirm Once with intent-

"Israel and all the jewish race of peoples are permanently and completely destroyed in every and all levels of existence."

-Hagalaz x9

Then affirm Once with intent-

"Israel and all the jewish race of peoples are permanently and completely destroyed in every and all levels of existence."

You can multiply 9 vibrations and do this, like x18 Thurisaz or x18 Hagalaz. X36 Thurisaz and X36 HAGALAZ and so forth.

An Alternate affirmation would be as following: "Israel and the jewish race as a whole are now being permanently and completely destroyed, in every and all levels of existence."

****ALL THE ABOVE IS TO BE DONE EVERYDAY, UNTIL A NEW RITUAL IS POSTED. THIS SHOULD BE PART OF YOUR DAILY MEDITATIONS. PREFERABLY, DO THIS FIRST AND THEN DO

YOUR AURA OF PROTECTION AND CLEANING MEDITATION!

Use whichever feels more on the point for you. Both are the same thing. But some might have a tendency toward one or the other.

You can imagine grey energy suffocating them all over the globe, with severe intensity. With all your hatred inside. This is to be done daily with your daily meditations. This will add up to our older Rituals and finish the job. But the job is not finished until WE finish it. And we are not idiots to think that Israel is over-with...Far from it.

Satan has placed his faith in us. Lets make Father Satan proud and create a world in which his name stands proud for all the Ages!

Subject: Jewish Global Factory Farming Monopoly			

Jewish Global Factory Farming Monopoly

Monsanto's, GMO And Mono Cropping

Jewish. Some interesting history on the Monsanto family:
<http://www.rense.com/general76/ssje.htm>

Monsanto's Chief Executive is Robert Shapiro[Jew]. Senior Vice President is Jew named DR.Friedman, who was a senior commissioner of the FDA before. etc

Major UK investors in Monsanto are the Rothschilds.

Monsanto are rated as one of the "bad" companies, guilty of many human rights' and environmental violations, notably for GE foods and their products, "Agent Orange". "Dioxin" and Roundup".

Louis Dreyfus International [Jews anyone] is the major money making exporter of Monsanto GMO seeds into Europe. In the American government Jews like Dr.Sharfstein and Dr Hamburg who head the FDA governing dept, the Office of Commissioners are helping to stop the labeling of GMO's and label them as "safe." These Jews and other such as Senator Jew Lieberman's Homeland Security bill that will give the government a right to shut down farmers who refused to buy Jewsanto's GMO'S seeds and use non-GMO's instead. Identical bills are being penned for same measures internationally. Giving the Jews global monopoly and forcing you to eat this slop.

The world's food supply is controlled by six global corporations. Monsanto is the leading one, these are controlled by the International Jewish elites at the top. The mono cropping is destroying the ecosystem as well as the food factory farms. The criminal policies are the reason for global food shortage and starvation. By Agricultural dumping, this ties into the Jewish controlled Fossil Fuel corporations put to use for mono cropping with industrial fertilizer this allows the massive crops as well. This drives the price of agricultural foodstuffs below the cost of production by Jewish monopoly that forces the Farmers around the world to produce more as the price is driven down the corporations make sure to not own the land so they don't have to pay the farmers a salary which allows them to literally make them impoverished, indebt, serfs, slaves to the Jewish owned monopoly [This is what the Jewish International Banks such as the Fed due to whole nations

enslavement by criminal debt]. The Jewish corporation's then turn around and dump the excess food by predator pricing onto the markets of many poorer nations which drives many of the local economies and food production out of business as they can't compete this causes starvation and increasing global poverty. Allowing the monopolies to dominate the market totally.

Most of this grain and corn that is being produced by the human slavery and disaster is then used to feed the torched and abused hundreds of millions of animals in the Jewish owned industrial animal farms. This is just not in the West but in China as well and the third world. The abuse in these places is so hideous the Jews having been trying to force Ad-gag laws in America and Australia [Australia has the largest meat economy in the West] to silence all reports and activism against the abuse of animals in these places. Making it legal to report on such and raise public awareness.

The problem includes just not the abuse of the animal factory farming but the entire Jewish global owned food racket is corrupt, destroying the planet and ruining the quality of life in the world for people and animals.

Also so we don't forgot we never needed fossil fuel in the start. The planet was forced into fossil by the Jews so they could build a global Jewish criminal monopoly on them like everything else.

Telsa's genius inventions for the benefit of humanity, based on vril energy. Where smashed and stolen away by the kikes Rockefeller, Rothschild and Jewcrew. Who pushed not needed fossil fuels for power and control over humanity at the genocidal cost of the environment and hundreds of millions of innocent lives.

Telsa refusing to sellout to the Jews and agast by their demands for hyper inhumane techonology which he refused to create for them. Died alone and broke in a rundown room.

The 1931 Pierce-Arrow electric motor car that got its energy from thin air
<http://presscore.ca/2011/?p=91>

Nikola Tesla powered this all steel frame and body 1931 Pierce-Arrow with electrical energy that was harnessed from thin air. Not a drop of gasoline or diesel fuel was used. In fact the internal combustion engine was completely removed. No battery banks were used either. This vehicle was driven to speeds of 90 miles per hour with no fossil fuel and just a single 12 volt battery. This infinite and free energy source produces absolutely zero emissions.

Dallas Morning News

The Electric Auto that almost triumphed: Power Source of `31 car still a mystery

by A.C. Greene,

January 24th, 1931

It is a mystery car once demonstrated by Nikola Tesla, developer of alternating current, that might have made electric triumph.

Supported by the Pierce-Arrow Co. and Westinghouse in 1931, he took the gasoline engine from a new Pierce-Arrow and replaced it with an 80-horsepower alternating-current electric motor with no external power source. From the electric motor trailed two very thick cables, which connected with the dashboard. In addition, there was an ordinary 12-volt storage battery. ("There was a 12-volt Willard battery installed in the car, but it was for the lights only and much too small to run the car.

In any case.") The motor was rated at 80 horsepower. Maximum rotor speed was stated to be 30 turns per second (1800 rpm). A 6-foot vertical antenna rod was fitted into the rear section of the car.

At the appointed time, Nikola Tesla arrived from New York City and inspected the Pierce-Arrow automobile. He then went to a local radio store and purchased a handful of tubes (12 radio vacuum tubes), wires and assorted resistors. A box measuring 24 inches long, 12 inches wide and 6 inches high was assembled housing the circuit. The "power receiver" was then placed into the dashboard of the car and its wires connected to the antenna and to the air-cooled, brushless motor. Two rods 1/4" in diameter stuck out of the box about 3" in length. Tesla began making adjustments on the "power receiver"

Mr. Tesla got into the driver's seat, pushed the two rods in and stated, "We now have power". He put the car into gear and it moved forward! This vehicle, powered by an A.C. motor, was driven to speeds of 90 m.p.h. and performed better than any internal combustion engine of its day! One week was spent testing the vehicle. Several newspapers in Buffalo reported this test. When asked where the power came from, Tesla replied, "From the ethers all around us". (Ethers is Electromagnetic radiation. Radio waves is electromagnetic radiation which has the lowest frequency, the longest wavelength, and is produced by charged particles moving back and forth) Several people suggested that Tesla was mad and somehow in league with sinister forces of the universe. He became incensed, removed his mysterious box from the vehicle and returned to his laboratory in New York City. His secret died with him!

Or did it?

How did ethers power the vehicle? The owner of FuelReducer and editor of this website, Paul W Kincaid, has been trying to answer that question since 2005, when he first read about it in an old magazine he found in a neighbor's barn. According to data from the 5 years of investigation there is one very plausible explanation as to how ethers powered the car. Research data indicates that Tesla's mystery box was nothing more than a simple regenerative vacuum tube radio wave receiver. A type of electronic instrument that receives radio frequencies from thin air and amplifies the received weak radio signal. This simple receiver makes use of vacuum tubes, resistors and wires (the exact same electronic components used by Tesla) to increase the power and/or amplitude of a signal. The main component of Tesla's "Power Receiver" is the vacuum tube also called a valve amplifier. The simplest valve amplifier was invented by John Ambrose Fleming while working for the Marconi Company in London in 1904 and named the diode, as it had two electrodes. The diode conducted electricity in one direction only and was used as a radio detector and a rectifier. The diode was most likely used as an instrument to convert AC (alternating current is when the movement of electric charge periodically reverses direction) of RF to DC (direct current is the flow of electric charge is only in one direction) In 1906 Lee De Forest added a third electrode and invented the first electronic amplifying device, the triode, which he named the Audion. This additional control grid modulates the current that flows between cathode and anode.

Tesla used valve amplifiers to increase the power or amplitude of the ordinary radio waves that were received by the 6-foot vertical antenna rod that was fitted into the rear section of the car. An antenna is a transducer that transmits or receives electromagnetic waves. In other words, Tesla used the antenna mounted on the rear of the car to convert the freely available electromagnetic waves called radio waves into electrical current.

Tesla bought vacuum tube diodes which are vacuum tubes (valve amplifiers) with two electrodes; a plate and a cathode. A diode is a two-terminal electronic component that conducts electric current in only one direction while blocking current in the opposite direction (the reverse direction). Thus, the diode can be thought of as an electronic version of a check valve. This unidirectional behavior is called rectification, and is used to convert alternating current (AC or the power that comes from your home's electrical outlets) to direct current (DC or the power from a battery). AC power circuit

is a sine wave. Audio and radio signals carried on electrical wires (such as an antenna) are also examples of alternating current.

Tesla used the vacuum tubes, wires and assorted resistors to build a radio wave receiver/amplifier 24 inches long, 12 inches wide and 6 inches high, with a pair of 3-inch rods 1/4" in diameter sticking out. The pair of rods that Tesla pushed in were used to close (complete) the circuit like an on/off switch. The rod ends were most likely the positive and negative leads (connections) between the car antenna and the radio wave receiver/amplifier. By pushing them into the box containing the radio wave receiver/amplifier the connection was completed allowing the radio waves that were received from the air by the antenna to flow through the receiver/amplifier to the electric motor. This is like you would do when you plugged an electric guitar into an amplifier. Like the electric guitar amplifier the signal generated by striking a cord (string) of a guitar would travel from the guitar through the wire connecting the guitar to the amplifier and into the amplifier where the barely audible tone would then be amplified. An electric guitar without an amplifier is essentially an air guitar until it is plugged into an amplifier. The amplifier amplifies the sound wave generated by striking the strings of the electric guitar. That is basically how Tesla was able to amplify and convert the invisible electromagnetic radiation called radio waves into electricity to power the AC motor in the 1931 Pierce-Arrow. The word electricity comes from the fact that current is nothing more than electrons moving along a conductor, like an antenna, that have been harnessed for energy. Tesla used an antenna (an electrical conductor) and an amplifier to harness and then amplify energy.

Why hasn't anyone revealed this 80 year old secret? Because Tesla built a free energy device. A device that would threaten the oil industry, the nuclear energy industry and the hydro electric power monopoly. A device that would bankrupt every oil refinery in the World. A device that would literally put an end to Global warming. Disease and illnesses caused by pollution from oil and gas products would simply disappear. If Tesla's invention was put into mass production the World would never have been involved in wars in the Middle East and Afghanistan, the Exxon Mobil and BP oil spills would never have occurred, and millions of people would still be alive and very healthy today.

The World the Enemy Fantasizes About.

This world can become two things. Either what we desire and envision [<http://josministries.prophpb.com/topic8277.html>], or what the enemy desires and envisions. Many do not understand quite, how deep the rabbit hole goes and how in regards to this. How deep, how dangerous and how serious is this warfare and us taking a stand. You can see this everywhere, at whatever the enemy does create and does sought.

First of all, you need search no further than Hollywood. Hollywood is jew owned. It has since forever been projecting jewish propoganda, jewish ideals, jewish thoughts and jewish dreams in screen. It's the ultimate means of propoganda and subliminal programming. I will not mention what "I SEE" first, but only after. This is what they say on their own.

[I may have some mistakes in the plots as I was told about/ read about these and didn't watch all of these. Although I really like movies, some are beyond simply being any movie. They are jewish propoganda machine. Futuristic is a nice genre, but this is something entirely different. These are

straight propaganda.]

There are some movies that come in mind, such as the movie "Time" with the Jew Justin Timberlake. What the plot of this movie is roughly, is that everyone is physically immortal after they reach 25 years old. As always, there is no spirituality and there is a rough division of people between poor and rich, nothing less and nothing more. People do get paid with "time to live" and not money. In that sense a worker gets paid hours to live, not in money, as everyone is "immortal" given they have "enough time". The "system" is the master of life and death and its inside them and internalized. The "clock" in which these people receive their "time" to live is attached on their hands. So the poor can as well die for not being paid enough "time". The kike oligarchy is at the top with huge numbers of time, as they control the "system" as thus they can live eternally, being master of life and death, in the whole of the planet. There is communism and people have no rights at all, completely and ultimately dependent on a slavish, physical only reality, in which they are trapped. Now this is only a projection of what they dream and want. Everything positive, the Jew will degrade and pervert to their level.

For the kikes and their dreams, technology is nothing more than a means to destroy people, push communism, destroy and degrade the "Soul" fully, as they themselves have nothing as the Soul of a Gentile. They themselves cannot advance or evolve as they are slaves of higher powers, to which they cannot overcome or even talk against. They are slaves and they seek to become your slave masters.

Then this is this other movie, named "Surrogates". This movie is basically about a future world and how everyone has given up their physical body to live through a "robot" body which they control through a device they stay inside. They aren't no longer themselves but technically cyborgs attached to a metal body. How good and such the body will be is dependent on how much money one makes, bodies are sold in markets and so forth, so people can live the "ideal life". They live in total denial of themselves. The motto is here the same. The "system" controls everyone. Whomever doesn't have money will perish. The world is a sick lie, there is no "Soul" but only mere biological "pleasure" by "nervous stimulation" from the machine through which the body operates the robot. Nothing natural, nothing human, nothing sane.

The Jew only sees technology as a means to get into your brain, destroy you, rob your freedom, know what you are, what you do, what you feel, whatever, so they can manipulate you, own you and control you. Same message through the ages. Machines as they were used for torture in the middle ages, they sought to make the future no exception.

Then you have another movie named "Source Code". This movie is about a man who is trapped into a military scientific anti-terror program. He is in reality destroyed in his body but he is locked up in a simulation, that runs over and over a memory from his mind about a terror attack, so he can gather information about the incident through re-running the memory. He doesn't know it and his mind keeps and keeps relapsing into the memory, while his brain is jacked into a machine, so he can gather information, playing the memory over and over and having "8 minutes" to act and find the memory. He dies and experiences everything over and over in the memory. The actor is Jewish as well. The number 8 signifies eternity as some know and this is a horrific message to tie into something so insane.

While the ending of the movie is "positive" as in how his "consciousness" escapes to some parallel universe or something, the jewish dream and message in the movie remains the same:

They literally want to fucking jack you into a machine and control you, keep you alive to torture you, mind body, even soul and consciousness. The only reason they do not is because they can't. They can't because of "rebels" like us worldwide who do not want their shitty dreams of world domination and total slavery. They preach you are nothing but a shitty flesh that will basically perish. After all, according to them you are a soulless animal.

The message is also even more sly and DEADLIER. DISASTERS "MUST" COME, SO THAT POSITIVITY CAN COME. THIS IS THE MOTTO OF THE ENEMY. THE "PROMISED GOOD" NEVER COMES THOUGH. THIS IS A MAIN MESSAGE OF ALL THEIR CRAP. DISASTERS ARE TO BE "SOUGHT" FOR SOMEHOW.

Another jewish dreamy movie is the movie "Hunger Games". Roughly the plot is the same. The rich are separated from the poor, science has advanced so much they are under total control. People are living in districts which range from "District one" which is the richest, ranging down to "District 13" which is the most poor. Children are chosen from each district to fight in an arena warfare type of game, killing each other, so the rich can watch this in television as a show and have fun. The "chosen" have to find sponsors to give them money and help to "win the race". Its in other words a money game, an investment. The last man standing wins and gains a chance to get to the "rich district" and live there. Rich is, slavish rich, to the point of pure insanity. The arena in which the people are trapped inside is a place where anything can be injected with a computer, from beasts to bombs to whatever. People get mutilated and such for a position to live better and for the laughs of the "higher" ones.

I will not mention the hundreds of movies and video games or novels, with the same mental propaganda- the war gets destroyed, the good jewish "actor" is the "savior", the "bad guy" is almost always an "Aryan" looking guy, the "Armageddon" and all this. Some virus outbreak, nuclear catastrophe etc. That's what they force people to dwell on. Destruction of knowledge, post apocalyptic war in which no springle of civilization remains.

DESTROY CIVILIZATION, INCITE WARS, DESTROY WHATS HEALTHY, MAN IS A PHYSICAL BEING AND A ROBOT, A SLAVE. THEY WANT TO DESTROY THE WORLD, UNLESS THIS WORLD SUBMITS TO THEIR DEMANDS, WHICH ARE SLAVERY, SERVITUDE AND DEATH. IF YOU CAN'T GET IT THROUGH YOUR HEAD, CHECK THE THREATS AND WARS OF ISRAEL. CHECK THE TALMUD, CHECK THE TORAH, CHECK THE PROTOCOLS OF ZION. CHECK WHO OWNS THE BANKS, WHO HAS THEIR TENTACLES INTO THE CRIMINAL WORLD. What all these movies have all the same as a message? Also, mind the false opposition. The xians and other idiots think they are again these things, or claim to be, but they are all worshiping what is simply a step before all this destruction. They worship ideals that bring exactly these things in reality. They are faithfully working at the meat machine of the enemy. "Disasters are to come and to be sought for" for these

idiots. They are welcome. They keep their meaningless and nonspiritual lives "busy".

Its all the same motto- Things that the jew wants. Things and dreams that they have in their "racial only" books since hundreds of years. That's their future plan, more or less. That's the production of the collective mind of these "peoples". They want to be immortal rulers, ruling through money and racketeering, to destroy civilization, destroy any sense of "Gods", erase "Satanism" and the Ancient Past, erase the Soul and the Individual Races of people, and race mix everyone so they can rule over them, to make people internalize technology and money in such way that they become masters over life and death, sitting, eating, shitting and raping your daughters and you as well. Not only physically, but if they do not like you, ON THE SOUL LEVEL EVEN. They want to OWN you totally, like a schizo, only more, like their insane creation "Jesus" who apparently is "the creator of the universe" yet prohibits you to masturbate and watches you as you do it. Total Communism and total destruction of everything that is right, natural, positive and good for people. All humanity to be equal, all humanity to be enslaved and without rights. No individual rights, no freedoms, let alone anything more. A world in which there are poor people who cannot even eat properly. They want and desire to rule, even if this is in a world of damned ashes and destruction. For those who are blind to this, or think these are all "dreams", think again. Television was a dream in 1900 and few years later it was made possible. In 1900 it was a joke and by 1970 a total reality. While all this might seem distant, the JOO WORLD ORDER tries to march toward the first baby steps, Micro chipping and so forth. If you LET them succeed, yes, LET them, because you have a SAY with our workings in this decision, they will have almost no obstacles. Its up to those who know how to do it. Our Gods are on our back so do we march forth.

For the record, Satan has once showed me a vision on what the enemy wants to do to this place. It was what they want, or what they have already committed to others, and how it could turn out in this Earth. It wasn't the necessary future. It was horrific. There were greys, in an actual post apocalyptic type of planet. There were people who were survivors and they were forming lines, naked and hungry and totally unable to react to anything as the enemy had weaponry, the greys "checked" them, took samples for DNA checking, micro chipped them and so forth and then took them towards somewhere to do nasty shit to them, like a huge space. The grounds where this was happening was like an old factory, with tons of "nuclear" dust and slimy yellow walls [what had remained of them] and floors. I couldn't see any further, as it was horrific for any being to see. They say reality extends far more than the wildest fantasy and this is what "reality" extends to in regards to the enemy ET's and clique that back up the "down here" people of the enemy. The people of the enemy will also be disposed and tortured in the end, as they are merely a means to a way. The greys are also themselves micro chipped, bar-coded workers that work for higher species, namely the ones mentioned as "reptilians", to whom and with which the jewish people represent in how they look and in their gaze, let alone how they see the world in general. JUDAISM IS COMMUNISM. ABRAHAMIC RELIGIONS ARE COMMUNISM.

Also- For the sake of mentioning. Satan has told me that the enemy follows the pattern that "when they are done with the purpose, they are getting killed later and others take their place, as they are only the means to a way". And that "when the jews serve their 'purpose' most will be killed by their own, except of the few who would be chosen to continue the purpose." The jews are a well known racial group that kills their own people without remorse, betrays their own a lot and also, they also have a very strict racial policy to where the more "mixed" jews are supposedly "lower" than the others in hierarchy. They are at their core a slave race, who thinks is privileged to reign over the

"Goy", being a slave race of theirs. This is all entirely the same as the policy the reptilians and the enemy ET's are taking with their dealings, both with one another and this is evident in these "Christian psychics" and others who serve the enemy. So long they serve, they are at a "no attack mode" towards them, but they ofcourse give them all suffering one can imagine, so that they are under constant fear. When these people deep in the enemy dare "leave" them without protection from Satan or some other being, or even question them, they are getting killed, destroyed or in the mental ward or worse. The enemy never gives them any knowledge to defend themselves or have their own way and they have zero if any free will. The enemy incessantly pushes themselves to them, using terror and other methods to get them to act. The bargain is that you serve them, they give something in return that is physical and as thus has no real substance to it and also provided you gain NOTHING SPIRITUAL or ACTUAL in the process of existing. Let alone anything like the Magnum Opus etc. At the end they dispose the Soul and who knows what else. They never give any knowledge, information or even remote advice on anything, never solutions, never anything. They are all terror, lack of knowledge, cutthroat and fear. Lilith went on and told me "This is why the jews are god fearing, because their 'god' is someone who will destroy them and torture them if they do not obey it." What Lilith meant by "God" is the reptilians and greys and whatever ET thing they worship and feed energy into. There are many reasons for this, but one that I can figure out is that the enemy desires blood sacrifice for the same reason.

And to save and help the world be saved from doom, you MUST fight, as so many have done before us, so we can be at least as free as we are now. So we can live and breathe. So that there are billions of people on this Earth and not some "chosen" few, "masters and slaves". So that Humanity can live and raise itself!

Here is how to fight:

My reply:

We have to keep fighting. Xians tie into aggressive energies that compel them to attack anyone who does not support their lies. They are not only online promoting and pushing their lies, but they are also everywhere else. Hospitals, drug and alcohol addiction programs, prisons... it is endless. Nearly everything is infested with the lies of xianity. If they take your account down, then get a new one and get right back on there. If you run into any real serious problems, then ask Satan and Demons will help you. We must fight for our spiritual freedom. There is no backing down or turning the other cheek. Unless we continue to fight, the enemy will win and this earth and everything in it will be doomed. Xianity and the idiots who push this anti-life human-hating alien program need to be destroyed.

Quote from the Black Book of Communism: Crimes, Terror, Repression, © 1999 Harvard Press:

“The main difference between the Soviet camps and detention camps in the rest of the world is not their huge, unimaginable size or the murderous conditions found there, but something else altogether. It’s the need to tell an endless series of lies to save your own life, to lie every day, to wear a mask for years and never say what you really think. In Soviet Russia, free citizens have to do the same thing. Dissembling and lies become the only means of defense. Public meetings, business meetings, encounters on the street, conversations, even posters on the wall all get wrapped up in an official language that doesn’t contain a single word of truth. People in the West can’t possibly understand what it is really like to lose the right to say what you think for years on end, and the way you have to repress the tiniest “illegal” thought you might have and stay silent as the tomb. That sort of pressure breaks something inside people.”

During the Middle Ages when the Xian church had total control, the above was “heresy” and the same applied. Those who refused to accept the Jewish dictated belief system were tortured and murdered. Everyone should know about the “Inquisition” where the Catholic Church tortured and mass-murdered innocent people in the millions. Refusal to accept the Jewish dictatorship is rebellion and “rebellion” is of Satan.

The Jews dictate to us Gentiles how we supposedly got here, how the Jews are the special “Chosen of God” and how we are to live. This foul and malignant filth must go. Xianity has thrived because of illiteracy, ignorance and of course, indoctrination and the followers/victims being under a powerful spell. It is time for us to break that spell and wake up the world before it is too late.

We have the numbers. JoS members are in the tens of thousands. We need to fight this vermin every

single day. The JoS ministry fights the enemy every single day, both on and offline.

The Jew has nearly every aspect of the life of the populace programmed. Take that Jew tube TV. The Jew chooses the programs you will watch if you tune into regular television, the content of those programs and everything else. Too many idiots out there are like zombies in the way they just follow along. Then, the media. The Jew chooses the content of the newspapers and also the content of most high profile news reporting. Permissible opinions and reporting only. Thanks to the internet, we can read from alternative sources.

In closing, I would like to add something here. I came across this, but it is quite old.

<https://www.youtube.com/watch?v=mUt7P55DIRc>

The video is a little over 4 minutes in length. Former US President Jimmy Carter denounces Israel . He also stands up to the Jewish interviewer who tries to side-step the issue.

The Jews always strive to take control. They then resort to bullying, threats and then torture and murder when their demands are not met. Xianity and Islam are programs as we know, for Gentiles to keep putting their spiritual energies into advancing the agenda of the Jews and seeing to it that the Jews always succeed in getting their way. Unless we fight back incessantly and relentlessly, this ugly situation will continue on.

you see posts about the lies, jewsus, or any other xian judeo christian shit, report them. All they go on is if an account gets enough complaints. Happens on facebook too.

Netanyahu has been willfully lying to the world about Iran's nuclear program.

<http://rt.com/news/234867-netanyahus-cl...ct-mossad/>

Sheldon Anderson the Jewish Elder of Zion who owns most of the Republican Party is openly in the above video in a Jewish center calling for nuclear war against Iran.

Yossi Sarid, the Israeli light Zionist veteran politician wrote in Haaretz:

"In these very moments, the protocols are being rewritten. Rich Jews are writing them in their own handwriting. They, in their wealth, are confirming with their own signatures what anti-Semites used to slander them with in days gone by: We, the elders of Zion, pull the strings of Congress, and the congressmen are nothing but marionettes who do our will. If they don't understand our words, they'll understand our threats. And if in the past, we ran the show from behind the scenes, now we're doing it openly, from center stage. And if you forget our donations, the wellspring will run dry."

Just who is a Nuclear threat to World Peace.....Its not who the Leader of the Jewish State has been claiming, that of Iran. Its the Jewish State itself of course.

Mordechai Vanunu is a former Israeli nuclear technician who, citing his opposition to weapons of mass destruction, revealed details of Israel's nuclear weapons program to the British press in 1986. He was subsequently lured to Italy by a Mossad agent, where he was drugged and abducted by Israeli intelligence agents. He was transported to Israel and ultimately convicted in a trial that was held behind closed doors.

http://en.wikipedia.org/wiki/Mordechai_Vanunu

On 5 October, the Sunday Times published the information it had revealed, and estimated that Israel had produced more than 100 nuclear warheads.[41]

In July 2004 Vanunu claimed in the London-based Al-Hayat newspaper that the State of Israel was complicit in the assassination of John F. Kennedy. He claimed there were "near-certain indications" that Kennedy was assassinated in response to "pressure he exerted on Israel's then head of government, David Ben-Gurion, to shed light on Dimona's nuclear reactor

Vannu also stated Israel is Black Mailing the entire world with literal Nuclear annihilation and have

amassed a huge Nuclear Arsenal that can reach across the planet to do just that.

ISIS Created By Israel

ISIS was created to fight Hezbollah.....Anyone guess just who those allies who created ISIS are then.....Israel and the Jewish proxy of the Saudi's who themselves are crypto Jews. Working the Muslim front. Washington is also under the grip of Israel as well. As one Israeli politician stated: Jews out of America run the world. This is part of the Jewish plan of Greater Israel, create Islamist proxy forces to topple the Arab nation states for Israel.

<http://www.presstv.ir/Detail/2015/02/20> ... -Hezbollah

A retired US general has acknowledged that Washington's allies created the ISIL terrorist group to confront the Lebanese resistance movement Hezbollah.

Retired general Wesley Clark, who was the Supreme Allied Commander Europe of NATO from 1997 to 2000, made the revelation in a recent interview with the CNN.

"ISIS got started through funding from our friends and allies," Clark admitted on Tuesday, using another acronym for ISIL.

The only group that will fight Hezbollah is ISIL because they are "zealots" and resemble a "Frankenstein," he said.

General Clark did not specify exactly which US allies were involved the creation of the ISIL. But he said the terrorist group is part of a strategy to destroy Hezbollah with an army of extremists.

Clark is known for his critical comments regarding Washington's war plans.

In a book published in 2003, he said the US is pursuing a campaign of wars that already started in Iraq and later include Syria, Lebanon, Libya, Somalia, Sudan and finally Iran.

The ISIL terrorists, many of whom were initially trained by the CIA in Jordan in 2012 to destabilize the Syrian government, have seized large parts of territory in Syria and around one-third of the territory of Iraq. They are engaged in crimes against humanity in the areas under their control.

They have been carrying out horrific acts of violence such as public decapitations and crucifixions against all communities, including Shias, Sunnis, Kurds, and Christians.

"20-30 nuclear bombs will assure the job gets done." Says Jews.

These threats are serious as Vannu the whistler blower states:

"We possess several hundred atomic warheads and rockets and can launch them at targets in all directions, perhaps even at Rome. Most European capitals are targets for our air force. Let me quote General Moshe Dayan: 'Israel must be like a mad dog, too dangerous to bother.' I consider it all hopeless at this point. We shall have to try to prevent things from coming to that, if at all possible. Our armed forces, however, are not the thirtieth strongest in the world, but rather the second or third. We have the capability to take the world down with us. And I can assure you that that will happen before Israel goes under."

- Martin van Creveld, Israeli professor of military history at the Hebrew University in Jerusalem. In an interview in the Dutch weekly magazine: Elsevier, 2002, no. 17, p. 52-53.

In the opinion article published Tuesday, the author claims that only through nuclear annihilation of Iran and Germany, with 20 or 30 nuclear bombs each, can Israelis prevent the state's destruction.

"If Israel does not walk in the ways of God's Bible," author Chen Ben-Eliyahu wrote in Hebrew, "it will receive a heavy punishment of near complete destruction and doom and only a few will be saved."

One of Israel's missions is to remember the crimes of Amalek, a tribe representative of pure evil in the Bible, whom Jews are commanded to obliterate. Among those descended from the band, the author writes, are Iranian leaders Ayatollah Ali Khamenei, former president Mahmoud Ahmadinejad and current President Hassan Rouhani.

Jew World Order Just Moved Closer To Global War

This new alliance move was done around the time the South Korean and American joint military exercises were being carried out in South Korea. Its a message of further international military aggression by Jewish Putin and the Jew sphere of Jewish controlled Communist China which control's North Korea. When the current Leader of North Korea had his uncle deposed for diverting the funds of the Kim's "Royal Court Economy" which is where the Kim's have sixty to eighty percent plus of the wealth of North Korea syphoned into their own bank account to then control the state further by vast wealth, lavish bribes, the building of luxury places for themselves and cronies. While the rest live in extreme poverty. The massive famine that killed a million plus North Korean People. Was caused by the Royal Court parasite system as confessed by former insiders who defected later. The Chinese moved thousands of troops to the North Korean boarder. Just in case North Korea might be purging Chinese control as the uncle was their key man openly. This was not the case so

it settled down. Big Kim just wanted his criminal funds not messed with. North Korea exports its Communist subjects across the third world to work as slaves to hired contracts where the money is then shipped to the Royal Court account and the work slaves get enough to only half starve. Even their personal wages are shipped to the North Korean Government and into the Royal Court account so Big Kim blubber globin can live larger than his belly fat ratio while the average North Korean is notably emaciated.

Jew Putin's, living legend in his own mind intellectual front man for his regime: Dugin who is the Communist theologian of the Russian Federation has openly praised Stalinist North Korea as the perfect nation on earth. That tells you everything.

Putin and the Jew World Order is working to create a unified military block of their Communist sphere to wage a World War Jew against NATO and the West. America is part of NATO and American bases are in South Korea and Japan. Thousands of Chinese Red Army troops train regularly now with Russian troops on European soil to fight against NATO in Europe. This means Jewish controlled China will enter into war along their puppet state of North Korea as this war will extend in South East Asia and the Pacific and maybe onto America soil. This will be a Global war. Make no mistake the Jews in the West are setting up their Trojan Horse so the Communist Block wins and the Planet goes down. Why do you think Western Jews working with Chinese Jews and the Internal Jewish Bankers created Communist China like the Soviet Union. And have built China up into a military world power. To wage war on the planet.

The ultimate purpose of this is for the Jews to realize their racial ideology in their Torah and Talmud and conquer the world by their professed messianic Political Religion of World Communism.

Russia and North Korea declare new alliance and 2015 as a 'year of friendship'

<http://www.independent.co.uk/news/world ... 00719.html>

North Korea and Russia have declared a "year of friendship" for 2015, according to state media

reports from Kim Jong-un's secretive communist state.

The leader was already due to visit Moscow in May as part of Second World War 70th-anniversary commemorations, in plans confirmed by the Kremlin.

And after selecting Russia for his first official foreign visit since taking over the post from Kim Jong-il, the North Korean leader appears to have now earmarked the nation for a more lasting diplomatic collaboration.

According to the South Korean newspaper The Korea Herald, the North's official news agency KNCA said in a dispatch that the endeavour will be focussed on developing diplomatic, business and cultural contacts.

It comes as North Korea's relationship with long-term ally China wanes, and with Russian relations with the West deteriorating seemingly by the day.

This should motivate dedicated warriors for Satan. The news report tries to soften some of this, but it is obvious the Catholic Church is rapidly crumbling. This now is the second pope that obviously cannot handle the pressure anymore and intends to resign. Used to be the Catholic popes were appointed for life. Not anymore. This most foul, corrupt, and murderous institution is in its last days. Never weaken in your resolve. Never underestimate your presence online and anything else you do for Satan and our Gods. It has and is taking its toll on the enemy. The Catholic Church is the original Christian church. It is the root of Christianity. We are taking it down. We must be relentless and like a battering ram. Never stop until the enemy is COMPLETELY destroyed in every way. When the Catholic root is gone, it won't be long before the rest- the Protestants will also collapse.

Pope Francis says may follow Benedict into retirement

Francis says he could leave his job as pope after about three more years. The bombshell came in an interview with Mexico 's Televisa broadcast Friday, the second anniversary of his election as pope.

Francis told Mexico 's Televisa that he believed he would remain pope a bit longer and then resign, as his predecessor had. In February 2013, Benedict XVI became the first pope to resign in almost 600 years.

"I have the feeling that the Lord has put me here for something short, not more," Francis told Televisa in the interview aired on Friday, the second anniversary of his election as pope. "Four or five years," he added. "Or maybe two or three. Well, two have already gone."

Francis said he opposed a fixed retirement age of 80 for popes. As it is, Francis presents his 78 years relatively youthfully. However, he said he preferred to keep his options open - and praised his predecessor for having made retirement an option again. Francis also said he visited and spoke by telephone to Benedict, who lives a monastic life in a former convent inside the Vatican .

"I am in favor of what Benedict did," Francis told Televisa. "I think what Benedict so courageously did was to open the door to the popes emeritus," he added. "Benedict should not be considered an exception, but an institution."

Francis, who met with German Chancellor Angela Merkel in February, said he missed the relative anonymity he had enjoyed in his pre-pope days as a bishop in Argentina : "In Buenos Aires , I was an alleycat," he said of his ability to walk the streets undisturbed.

Ireland And The St. Patrick Fraud

The official Catholic Churches claim of St. Patrick is fictional history. Which is not a surprise coming from an organization famous for destroying the actual historical records along with the scholars and Priests of the cultures in which they seek to conquer and exterminate. In the America's or Europe. And the Church has created a vast history which has been proven by many scholars and historical researchers to be a nothing more than a fabrication. All this to give them absolute power rewriting the past to control the present and future.

As I mentioned here:

<http://groups.yahoo.com/group/JoSNewsletter/message/423>

"The title of this sacred cup of Budha/Dionysus was the Agathodaemon or "Good Serpent."

The Cathar's worshipped Lucibel which is another spelling of Hu which is another spelling of Woden/Budha. And the Cathar's called their God Agathodaemon meaning "The Good Serpent." An ancient title of our God. So the Cathar's or Bons. Worshipped Budha/Woden. And they were the last known Primordial [original] Culture of Race in Europe."

The Cathar region was built on a sacred geometrical grid. With specific buildings and sites, mathematically placed to a certain latitude. Which forms an inverted pentagram within a circle [Serpent]] that comes out to the number of 666. This comes out to the symbol of the Magnum Opus. As mentioned the circle or golden serpent in a circle relates to the perfected soul. And 666 being the number of the sun or spiritual sun and the inverted pentagram relating to Venus. And its eight pointed star the symbol of the perfected soul. This eight theme is encoded within the Cathar relics

Up in Norway we have the exact same grid as with the Cathars of France, pentagram with it all coming out to the sacred 666. Within some of the buildings forming these points we have the sacred round towers as we see are also part of the worship of our God in Ireland:

As DM. Murdock cites in her book: "Suns of God."

"They gave [the Sacred Island] two other names, viz, Phus Inis, and Inis=na-Phuodha-which, at once, associate the "worship" with the profession of the worshippers-for, Phus Inis, is Dudh Inis-Ph, or , F, being only the aspirate of, B, and commutable with it-that is, Budh Island; and Inis-na-Phuodha is Inis-na-Buodha, that is, THE ISLAND OF BUDHA."

The round towers of Ireland:

"O' Brien relates the words of an ancient Irish bishop Corma, "the celebrated bishop of Cashel" who in "defining the Round Towers in his Glossary of the Irish Language, under the name of Fail, wrote the following:

"Carth cloacha is aire bearor fall desucedr Fo bith ro ceata suighedesat en Eire"- that is, stone-built monuments, within which noble judges [my note Druids] used to enclose vases containing the relics of Fo [i.e. Budh] and of which they had erected hundreds throughout Ireland!"

As part of this we have the famed Stave Churches which are built in the image of a large Dragon or Serpent. And images of the Pagan world tree within them {Of which Budha/Woden is crucified upon}. Among other openly Pagan symbolism.

The Nobles of Norway studied in Ireland which was common among the Pagan era. Ireland was the well known seat of the Aryan religion in the West. And the majority of the nobility went there for full initiation and study. It was stated the Nobles brought Priest with them from Ireland to help built this sacred place. Ireland was recorded to have large University or Temple cities and centers that

housed over thirty thousand people at once.

And that these two forces of Ireland and Norway were joined together in an alliance against the Catholic Church. The Catholic Church [THE ONLY Christian Church] did not even reach Norway till 1152 ACE. The Catholic Church lied about the Cathar's being heretical Christians as well. This to create the justification for wiping them out. And maintaining the lie of the antiquity of this program which is a major underpinning of their authority. Especially in the realm of claiming to be the authors of Western civilization.

But by this time St. Patrick was supposed have chased those Serpents from Ireland and brought Christianity. Its well known the Serpents are the Pagan Priests and Culture. There never have been any physical snakes in Ireland. The Priests or Druids were called the "Serpents" and their major symbol was a serpent wrapped around a rod.

We have numerous images of Monks in Ireland being entwined in dual serpents or emerging from the mouth of a serpent. Which are ancient Pagan symbols of rebirth. Such as Ptah-Osiris emerging from the mouth of the serpent and being reborn. The monastic system was originally Pagan and can still be seen in the east with ashrams. The Monks shaved their heads of the center due to the kundalini or serpent power could causes scalp eruptions or rashes. During its ascent and major activations. We see the Pagan Priests from Egypt to India with shaved heads for the same reason. An ancient image of a Druid holding Thor's hammer found. Shows him with a shaved head.

As noted the Celtic-Germanic divide is a Nationalist mythology created during the romantic period of European Nationalism. Celt was a Roman term for "stranger people." And to those they consider not Roman ie barbarian. The Tuatha people of Ireland are the same as the Teuton's. They had the same culture and language. And where from the same racial roots as they recorded. And the same God Woden/Budha.

St. Patrick is a stolen and corrupted version of the Pagan God who worshipped in Ireland as Ha'u, HU, Budha, Woden. And in Rome as Bacchus.

The Roman feast of the Bacchanalia – a homage to Bacchus, the God of wine – was originally celebrated on March 16th and 17th. Within the sacred grove on the Aventine Hill.

Within the Isles a major title of the serpent God was Hu, Huas or Hyas. Which is another title of Bacchus. We are deal with the Primordial Traditional which came from a common root.

This is why green is the colour of this festival. Another alias of Hyas or Bacchus was the Green man. Our God was symbolic depicted as both blue and green in Europe to Egypt to the America's. It symbolizes the purified soul. And the colour green in alchemy is associated with the elixir of immortality and connected to the rose. The rose of lotus being a symbol of spiritual rebirth. Remember the Cathars had the sacred tale of the emerald Mani Jewel a grail symbol:

<http://groups.yahoo.com/group/JoSNewsletter/message/333>

We see the Green Man all over Templar symbolism. As noted the Templars were Pagans and part of the Cathar culture:

<http://groups.yahoo.com/group/JoSNewsletter/message/231>

"Temples dedicated to Bacchus were converted to churches dedicated to St. Patrick, and clothing was added to the statue of Bacchus, although Bacchus and Patrick look identical.....

...The Catholic Church made up colorful stories about St. Patrick, but more than one pope has admitted he never existed. He did exist, but only as a Pagan god. The word Pagan, capitalized, refers to a group of religions. Uncapitalized, it refers to a lack of religiousness, or, more precisely, a lack of Christian religion.

Bacchus is special enough to have his own holiday, the Spring Equinox, celebrated for at least 8,000 years. It's an ancient holiday, celebrating the end of winter, and involved song, feasting on food, dancing, getting drunk, and having a good time. The following day (or later, allowing for hangovers) the work of planting crops 13 hours a day began.

The Equinox occurs at a specific pattern of sun and Earth, but a calendar day was selected, to keep the date of St. Patrick's Day from moving over time. The legacy of St. Patrick (Bacchus) in England is that, to this day, you have an absolute right to drink alcohol anywhere, which includes courtrooms, beaches, streets, and sidewalks, at any time. "Open container" laws are prohibited nationwide....."[1]

So what really happened:

"Adrian IV was the only British Pope. During his reign he was responsible for the Papal bull known as the Laudabiliter which granted dominion over Ireland to the English king Henry II of England. Ireland legally became a feudal possession of the King of England who was subject to the Pope in Rome."[2]

This was done within the context of a full military invasion of Ireland from Norman controlled England.

As usually the Church created a fabricated history to cover all this over and act as a propaganda to entrance the populace into their control further. The puppet rulers they backed also did this with the phoney Milesian invasion and conquests. Which they used to stake their claim of the right to rule from.

We the same slow program of conquest and infiltration of the seats of power and culture. Seen in France with the Papal backed Palace Mayors usurping the Throne from the Pagan Merovingian's, etc.

Another major example of the well known act of the Catholic church turning Pagan Deity into Saints to convert the populace is the Goddess Brigid. Which as scholar and researcher Philip Gardiner points is a Pagan Deity from the serpent worship of Ireland. Which is blatant given her role with the sacred cauldron, the ancient Grail symbol and the healing wells which the serpent is associated with. She was also the original "Lady of the Lake." Which in ancient cultures is a Serpent Goddess.

Subject: The New Aged Movement

The New Aged Movement

The New Age Movement is not anything new it got started in the 1800's with the Christian spiritualists movements and sects. Theosophy was the most prominent of such. Blavatsky said Theosophy's purpose was to create a Mystical Christian sect. Around this time also came a flood of literature from Masonic writers the most famous such as Pike pushing a Judaization of esoteric

themes and histories. Which is what Theosophy also promotes, Blavatsky had connections to Judaized Free Mason's with deep pockets and contacts. The term New Age comes from this time in reference to the Aquarian Age and their attempt to create an Aquarian Christianity from the previous Aeon model of Pisces. From the 19th century came the designed Theosophical dominance in the spiritualist movement and societies with the rise of famous figures as Leadbeater, Bailey, Hall and on. The Church also had censors such as Muller and others mistranslating and committing adulteration of texts coming in from the East into the enemy narrative. What made it past their hands. The Theosophical agents ruined. Sir John Woodroffe who was a Tantric initiate and an excellent Sanskrit scholar in his later editions of his work "The Serpent Power" wrote a condemnation of the Theosophical corruption of this knowledge and the absurdist interpolations they injected into it. This was back in the 1920's.

To note the National Socialist's in Germany where not Theosophists. The leader of the Thule Society Dietrich Eckart and Hitler and many other National Socialists opposed Rudolf Steiner who was the head of the German Theosophical Society and who created his own Theosophist branch incorporated under a different name. Eckart stated Steiner was a Jew and Hitler called him a tool of the Jews, thus a Judaization agent working against the German Volkist spiritual movements that where of organic character. The conflict ended up with Steiner packing up and leaving Berlin. The National Socialists also banned the Free Masonic Society for being a organization front for World Jewry and Communism. Steiner spent most of his lectures attacking National Socialism.

Someone also made sure the Indian Theosophists such as Yogananda where put out front in the public display to pedal their wares of Theosophy masked as Christinduism. The World Theosophical Society main headquarters are in India. Where the same society worked hard to get enemy Buddhism rebuild in Sri Lanka. And pedaled to a western audience. This was done as there was a increasing interest in the East during the later 19th century so the attempt to dissolve and control this was put into place. If you note part of this propaganda is they take the image of the Nazarene and give him a wardrobe and hair make over and viola its St. Germaine or any other of their claimed ass-ended masters. They always put the Nazarene at the top of their list of masters and even scammed Hindu Deities and Buddha's mixed in with the Judaization narratives. Its subversion by synthesis. The blending of opposites with the enemy narrative in control. They went as far to create another ass-end master Mahavatar Babaji by their Indian Theosophical agents. This is simply blending the Hindu God Shiva with the phoney Nazarene to create a subversive icon. As part of cultural warfare on the Hindu People as well. Which was in constant swing for centuries. You can tell Lahiri's books announcing this fake character to the world obviously wrote in English not just his native language. Is a total fictional work like the proven fraud works of Castaneda. Yogananda's book "Autobiography of a Yogi" as well has been called out for being a fake. To target a mainly English speaking audience for subversion. But Yogananda got to live in a luxury Mason in California for it, where charges of sexual predation on young women followed him everywhere.

In the later 60's and 70's with the social changes in America this all got mainstreamed further to where we are today. Where nothing has changed. The New Age market place is controlled behind the scenes by Jewish publishers, agents and money. The most prominent New Ager at this time has a Jewish agent and handler and looks partially Jewish himself. While being promoted to the top spot light for pushing Judaizing conquest doctrines of Communism with a pseudo metaphysical covering. And working openly with other Jews to push lies and disinformation to further confuse people and rake in the shekels. Always pushing the Nazarene at the top of it. Jews are trying to put themselves in charge of any information on ET's within this paradigm as well. They don't want people understanding the truth of what is going on that level as well. It was their Catholic program that worked to remove any knowledge of ET's which was part of cultures around the world forever. When they do admit it as a necessary evil for them to stay as gate keepers, they push as much lies as possible to confuse the Goyim.

The New Age Movement is simply a new sect of Christianity. Its full of Jews in the leadership roles

and other frauds always sharking the masses for shekels, fame and subversion. This is how the Jews take something over they Judaize it by mixing their physiological warfare doctrines with their target cultures and information. This allows them to conquer the host with the larger program of Communism in our time and Christianity in the ancient world. The Jews did this to the Masonic Society taking it over from the inside and Judaizing it to control it and to neutralize them. Then where Communism took over the Masonic Lodges and non Jewish members were liquated with a 9mm attitude adjustment to the back of their head by the Jewish Commissar's and all their texts disappeared along with them. Like in Tibet. Why is the Dalai Lama a proclaimed Marxist now? Trace the money back to his pay masters and handlers. He has been on one group or another's pay roll for decades. They will even use him to push their ultimate doctrine of Communism.

The New Age Movement's job is to do what was done to the Masonic Society on a larger scale. For the same ultimate purpose. True Spiritual doctrine and knowledge is the ultimate threat to the enemy. They always seek to destroy it by confusing it which is how they remove it and then eliminate it totally in time. This allows them to take the host over totally. As when Peoples spiritual eyes are opened from the Serpent power of Satan and they can see what is going on and they are under attack on the spiritual and physical level by Jews and their ET masters the Grey-Reptilian cabal who is trying to turn our planet into a global factory farm under a Jewish Communist banner, this is their ultimate program. The Jewish Cohen gene has reptilian DNA in it. The Jews state they come from a separate, special blood line of Yahweh and this Yahweh even in the Torah is mentioned as physical corporeal being that comes down lives among them, eats at the table with them and gives them direct orders. And requires other beings to act as spies to give him information. This is not an all knowing, omnipresent, ethereal being. Mason's in the enemy societies mention summoning Angelic beings of Yahweh and Greys always showed up. Crowley in a deep medium trance drew a picture of Yahweh it was a Grey. This was before anyone knew about such things. Greys are reptilian in their DNA.

Satan is the God of our planet and all humanity upon it. Satan and the other Demons are the Extraterrestrial race of Orion Nordic's. Who are actually what is called in the Sanskrit language they gave humanity, Maha Siddha's. They are spiritual perfected Beings. Who all Gentile humanity is descended from when they had their civilization also on this planet in the Golden Age, before this solar system was attacked and this long war started. These Orion Nordic's are our original Gods who have been fighting to help humanity for centuries against this enemy menace. This is why the Jews are always lying about Satan and the Gods and then trying to fully erase our memories of them and the purpose of human destiny to evolve to Godhood ourselves which is the heart of the metaphysical teachings the Gods gave humans when they where on earth. The enemy needs to remove all this so they can make us brutalized slaves and cattle. The Jews want to make us unconscious cattle, Goyim as they call us. Because as the statement goes until we become conscious we can never rebel. Satan and the other Gods want us to be free and obtain the highest level of true freedom, spiritual liberation and its super consciousness which comes from raising the serpent of Satan.

Communist China:
topic2027.html

It was the literal sweeping away of all civilization, the destruction of the family unit to come to an end forever, the abolishment of all progress, music, money, hospitals, learning, books, reading. The total liquidation of the educated class and professional classes. Even love between humans banned with people killed for even smiling at each other in the slave camps. That the entire population was marched into. Even the word sleep was banned. People where worked from 3 AM in the morning to 11 pm at night on a bowl of rice, if they failed to work or not work fast enough from exhaustion they where killed on the spot. They where forced to live in barns without walls between them and where not allowed to speak to each other. They where reduced to animals. The point of life was to work and die. Their whole culture was exterminated along with the People. And replaced by a slave society of Jewish Communism.

The great library of the capital had all the books taken and destroyed by the Communist's, the cities where emptied and one third of the population was slaughtered. Any educated person was tortured to death in the infamous prisons as politically declared "sub people" their pictures being taken upon arrest and the pictures of their murdered and tortured corpses taken again after being killed. Their throats slit and their bodies mutilated and carved open by the Communist executioners. The majority of towns where all leveled into the ground and the populations marched into a real life Orwellian Animal farm. Whole families where slaughtered. Women where even killed for the crime of "being too beautiful." People where put to death for being able to read.

The start of Year Zero was the end of life in now Communist Cambodia. This was the perfect and total implementation of Jewish Communism. This is exactly what we saw with the programs of Jewish Christianity and Islam. Jewish Christianity also started the calendar at year Zero, AD. And did to whole societies what the Communist's did to Cambodia. The libraries where destroyed the spiritual and thus educated classes where slaughtered and tortured, the cities destroyed, all knowledge destroyed, art destroyed, music banned, even bathing was banned as "Pagan practice" with being able to read made a capital punishment by the Church. The Church Commissar's bragged they had wiped away the entire civilization and culture. And in its place was the slave society of Primal Communism. Run by the Party in the form of the Church. Year Zero.

As the Communist Advisor to Putin, Alexander Dugin who believes stated in an interview:

<http://www.counter-currents.com/2012/07...der-dugin/>

This fits well with the Orthodox critique of Western Christianity. It is easy to see that the secularization of Western Christianity gives us liberalism. The secularization of the Orthodox religion gives us Communism.....

Communism is the final Perfection of Christianity.

"The world revolution which we will experience will be exclusively our affair and will rest in our hands. This revolution will tighten the Jewish domination over all other people."

- Le Peuple Juif, February 8, 1919.

"The idea behind Year Zero is that all culture and traditions within a society must be completely destroyed or discarded and a new revolutionary culture [my note Jewish Communism] must replace it, starting from scratch. All history of a nation or people before Year Zero is deemed largely irrelevant, as it will ideally be purged and replaced from the ground up.

In Cambodia, teachers, artists, and intellectuals were especially singled out and executed during the purges accompanying Year Zero."

If you think its over just remember.....

Communism is the Jewish Messianic Movement created and directed by the Elders of Zion such as the Rothschild's. They are still around and still working to turn the whole world into Year Zero, the final aim of Judaism:

Subject: The Spiritual Attacks and Curses of the Jews

We have stated and stated again. The book of the bible is a book of jewish witchcraft. This info right here is even for the most blind, its beyond "denying", as this is a video, as visual, that only ignorants would brush away. While idiotic xians pray to this so called "jvh" or his kike son "jewsus" they are simply channeling energy to the enemy and a massive "thoughform" of the bible. Thoughts are energy and it has been proven scientifically. The jews utilize this to protect themselves, get riches, launch curses to destroy and kill, make enormous amounts of wealth and so forth. This ties into very easy knowledge in regards to how energy can be directed towards a goal. Contrary to the beliefs of many idiots, the kikes really use the bible in their prayers and rituals, simply because its a jewish book. Judaism is only for jews, which means, those privilaged to use the power of the massive vortex of energy the enemy is creating for the purposes of the jewish race. Many times we here do get attacked by such "rituals" and it must be always taken in consideration that the enemy is most ruthless. They will not hesistate to destroy the whole planet given they do not "obey". Even the most ordinary "jews" know entirely well how to lie, curse spiritually, steal and so forth.

<https://www.youtube.com/watch?v=Pe9KN2V5xQ8>

Check out this video. In 1:19 this stupid kike starts cursing the "goy" woman, with Hebrew passages from the bible. She says the passage trice and then uses the affirmation. Also, the way she curses her "May your grin turn to blood" is a Talmudic curse. And this is nothing but the ordinary kike going down the street. Also, notice how she clearly states she will cruse this woman on the Sabbat with the "Rabbi". This is just your average kike going down the street, not at all anyone "Higher up" or important.

"I want you to be completely abandoned and I want you to turn into a slave." Abaddoned by who? By Satan as its most evident. People who aren't with Satan or the Gods are without any spiritual protection whatsoever.

Now, if you take a bit of a closer look. Many do remember how this jew Ariel Sharon suffered twice a stroke. It was "rumored" he was cursed by "Kabbalists" in order for this to happen. This is nothing, as the jews have been a most brutal group and have killed many of their own again and again over the times. As I have stated again and this is from Satan, the enemy doesn't hesitate to

kill their own, brutally and very quickly, because this is exactly how their reptilian masters want it as such. Now as for the nasty video, obviously, this video is cut. For those who delve into the occult, they know that the "prayer" part is prior or after the actual energy raising has taken place. And the jews raise energy by killing, drinking blood and so forth.

The jews state things from the bible, which is nothing but a book of witchcraft. For the xians who are such idiots to think that somehow the bible isn't of the kikes, its advisable to wake the fuck up, as they are giving their soul energy and though energy to these criminal kikes so they can terrorize and destroy whole Nations and continents. All their grimoires and so the bible, simply state of cursing Satan and so forth. Xianity, pisslam and everything around these things is the same exact thing. They are fighting for the jewish domination, and their own damnation. They are fighting against the One and only real God, who is SATAN. The jews have been always using Ritual murder for such rituals. Then, they go and blame all this to "Satan". They simply are projecting all they are and do to Satan, to keep people away from the Truth. So they can be "Completely abaddoned and to be turned into a slave". Only SATAN, who is the ADVERSARY of the jews, can defeat them. And only through Him we can win this fight against these alien prelithic murderers.

If you go down the comments of these videos, there are kikes stating on how they supposedly tried cursing Hitler and the Nazis, or Mussolini and so forth. Connecting the dots all around and you are going to see that our statements are entirely hitting a nerve. For that reason, we need to keep up the warfare against these scums and rats and deliver them to Spiritual Justice for their crimes and endless destruction upon Gentile Humankind. They need to get punished.

This is obviously mere bullshit that has made it in the public. If you want to know Truly what the jews are and what they do, study further all our websites. And above all. Fight. People are going to suffer needlessly, and nature is suffering. All this due to the jews and their negativity and sickness they have brought into this planet. They were the first to invent that "God" is about "death", "Slavery", "Punishment". They have brought all these insane ideas about sicknesses, evil and so forth into being. They have brought plagues and pestilence to every person more or less. Do not let these losers win. They are losers and losers they will remain for they have opposed Our God, who is Satan. Satan is the highest God. He cannot be defeated. Our efforts are bringing them DOWN. DO NOT STOP. The jews NEVER stop. They attack every damn day, every damn hour, every non jew and the whole planet. They are weak, like fleas, yet they fight over and over. When one sleeps the other one continues. We must keep it up mercilessly, far more than they do.

Here is how to fight:

The Catholic Church Working With Communism

Mugabe the Communist Dictator of Zimbabwe, lest we forget:

First, there are few in the West who are aware of Mugabe's close ties to the Stalinist dictatorship of North Korea. In the early 1980s, North Korea sent elite troops to Zimbabwe-Rhodesia to train Mugabe's notorious 5th Brigade. Once trained, Mugabe's troops went on to slaughter 30,000 anti-communist black Matabele tribesmen who opposed his rule.

British MI-6 intelligence agent, told WorldNetDaily, "In the past, we worked with some of Bredenkamp's satellite companies — like Casalee, Zimalzam, Breco Services, Masters International — in several of our former colonies. One minute, MI-6 [the British equivalent of the CIA] was on the side of the anti-communists in places like Rhodesia, Hong Kong, Tibet, Nepal and

Cambodia. Then, suddenly, we were told to change sides.

"Now, Uganda, Rwanda, Zimbabwe and the Congo are all funding pro-Marxist armies with diamond sales. And, as far as I can tell, top Zimbabwean officials are cashing in on mining operations and the war in the Congo. If the EU were to seize the planes that fly in to Belgium from Africa — planes that bring in the diamonds to be sold in Antwerp — then these wars in Africa would probably come to an abrupt halt. But the greed of the Europeans knows no limit." added Kinchen.

I can find the why to Kinchen's confusion its in knowing who's, who and who is Jew. The Jews in charge order the support of Marxist organizations their people had created in those regions. Remember it was Communist Jews within South Africa working with the International Jews without that put Communist rule into power in SA and Zimbabwe as well:

"American Jewry makes any debate on whether the 'Protocols of the Elders of Zion' are an authentic document or a forgery irrelevant. American Jews do control the world."- Gilad Atzmon

"In the 1970s, then-U.S. Secretary of State **Henry Kissinger** announced that white regimes would not survive in southern Africa. The West essentially promised white leaders in South Africa that they would be allowed to continue practicing apartheid **if they would stop arming Rhodesia in her war against communism.**"

Mugabe the Marxist terrorist is naturally a Catholic who is welcomed at the Vatican, Jewish Communism and Jewish Christianity working together as Koshers in a glove, right from a Catholic news site, this lady is shocked because she is duped:

[https://romancatholicworld.wordpress.co ... e-vatican/](https://romancatholicworld.wordpress.co...e-vatican/)

I had to look twice to believe what I was seeing. But then again, considering my experience as a survivor of communism in Cuba, I should be the last person to be surprised that Robert Mugabe was allowed to travel to the Vatican for the canonizations of John XXIII and John Paul II.

A brief background on Mugabe

Robert Mugabe has been Zimbabwe's Marxist dictator since 1987. He keeps getting "re-elected" just like Fidel Castro did until he transferred his power to his brother Raúl. [my note Castro is also a Jew, Castro is the Goldman of Seraphic surnames.]

A constitutional referendum held in 2013 granted Mugabe the right to stay in power for another two five-year terms. As expected, there was very low voter turnout for the referendum— with the usual intimidating display of force by Mugabe's thugs against the opposition.

Mugabe will be 99 years old by the time he is done destroying Zimbabwe.

He is not allowed to set foot in the European Union due to his criminal record. But don't get your hopes up— because EU bureaucrats have a record of dialogue with despots like Fidel Castro. So, this travel ban against Mugabe appears to be in place mostly due to pressure from Great Britain.

Vatican City, however, is not a member of the EU. This gives Mugabe the opportunity to travel to the Vatican time and again— where he can feel like royalty.

Robert Mugabe is manipulative, like all Marxist dictators. As such, he issues proclamations and passes laws against homosexual activism, in order to gain support from traditional Zimbabweans, who consider same-sex relations as an abomination in their culture.....[My note as the Jews stated Communism is Judaism and this is Mosaic law.]

Mugabe and the Vatican

Mugabe's VIP treatment during the canonization ceremony was not his first at the Vatican. Francis

bowed down to Mugabe during the papal inaugural mass in 2013. Mugabe was also welcomed at the Vatican for John Paul II's funeral and beatification, in 2005 and 2011, respectively.

The Vatican ignores the facts

Do the administrators at the Vatican care that Mugabe is responsible for creating man-made famines, and for the massacre of over 20,000 people?

What about the fact that Mugabe is the head of the Zimbabwe African National Union Patriotic Front?— a political party that follows Communist principles and is organized under a politburo.

The truth is that Zimbabwe's economic and political disaster under Mugabe's rule is ongoing— and it has resulted in one of the most horrific human tragedies of the last several decades.

But these facts do not seem to affect the administrators at the Vatican in their determination to roll out the red carpet for Mugabe.

Worst of all, these facts did not discourage Francis from bowing his head to a genocidal dictator like Robert Mugabe.

The Marist Brothers and the Jesuits

Catholics and non-Catholics alike need to keep track of history— and to remember that individuals like Mugabe came out of schools run by Marist Brothers and Jesuits.

So did Fidel Castro— as well as other communists who have held key positions in the sustainable development / environmental movement (international socialism)— such as Jack Mundey in Australia.

The footprints of the Marist Brothers and the Jesuits are often found where there has been a communist-led revolution.

For the benefit of my readers I am also providing this link, which contains an interview with Mac Maharaj, a South African Marxist politician— and close friend of the now-deceased Nelson Mandela— where Maharaj explains how he and his "comrades" would meet secretly at a Marist Brothers school, in order to plan their terrorist activities as communists.

But we don't have to go to Africa or Australia to see the communist activity in our Catholic midst.

Much closer to us, the São Paulo Forum is comprised of many heads of states in Latin America who were raised as Roman Catholics and are supportive of Marxism. They work diligently to undermine the United States.

Their leader and inspiration is Fidel Castro. This is why members of the São Paulo Forum are often seen visiting Castro in Cuba, in order to pay their respects to the Marxist murderer.

These members of the São Paulo Forum are also welcomed in the Vatican— and most are big fans of Francis.

Meanwhile, the modernists at the Holy See often shun decent Catholics who ask that the glorious and reverent traditions of the Roman Catholic Church be respected— most importantly having a

Latin Mass at their local parish.

More than 120 million human beings have been killed all over the world as a result of communism; yet, the Vatican's modern bureaucracy continues to shake the bloodstained hands of Marxist despots. This gives the red carpet treatment a whole new meaning.

Someone has to say the truth...

Subject: Warriors and Builders			

The Gods of Hell do protect us. If you want to somehow help other Satanists, you can direct protective energy everyday to the Powers of Hell, Satan and Lilith. They will sublimate this energy to the brother/sister in need. You can also RAISE yourself and send this. Trying to somehow drain others and so forth will never work. Satanism isn't about being carried off by others like a flea on the back, but co-operating with others, in equal terms and so forth. Parasites, lazy drones and so forth will cause the stronger ones to draw the pesticide to say the least. Satan has accepted you and you are strong enough for that. A strong whole becomes as such by strong persons. Parasites, fearful idiots, weaklings by choice that choose no never meditate and try to act like parasites, they are of no importance to me or Satan. They are of importance to nobody, not even themselves. In Satanism, everyone raises a Stone and this is how we build empires. The ones who can will raise the boulders, others will drag the sand, others will make the food, others will protect and so forth.

From there there are many things you can do, to protect yourself and others:

1. Send energy to Satan and Lilith, so they will direct it to those in dire need.
2. Raise energy to help others who are being attacked. [Algiz, Suryae etc]
3. Become very strong yourself and with others strong as you start building the nessescary conditions so others can exist. This involves physical things aswell. Building, creating.

Now, if you sense something is about to come that you are inaware, you can call in the Gods. The Gods sublimate energy we send them to protect us and to destroy the enemy aswell.

Nobody wants a mental and spiritual parasite hanging around or some lazy asshole that demands energy for whatever reason, no different than the reptillian collective "jhvh" who sit there and demands people killed. This so called "god" has his hands bathed in the blood of countless innocent beings. While Satan understands our problems and grants our requests, its fundamental to give back. Giving back to Satan means giving back to Humanity and Yourselves. The Gods do not "need" nothing. We just need them. They are fighting to build a world on justice, where people will not be diseased, starve and that will live on the level of the Gods without any restriction, as conscious beings that are free. The fact that you are not bred in a farm, that you have a family, that you have a job, some freedoms, more or less wealth and so forth, these are all up to the Gods and certain people who fought for these things, back in these gloomy jew-ruled ages. People tend to forget this and the enemy knows this. Countless have sacrificed their lives, went out in the streets and fought wars so we can be where we are today. Is it perfect? No. Though its a hundred times better than the conditions back then in the Middle Ages for instance. People were actually bred as in chickens in the Middle Ages. Disobedient chickens were endlessly tortured and then put to death. There was no "opinion", no "free speech", nothing of these things we know today. And the enemy wouldn't be hesitant at all to steal these from people again and again. Even daring to disbelieve or criticize was

a death penalty. Science was a crime. Thought was a criminal offence. This "god" of theirs is so afraid, is hiding behind weapons, so murderous, a pure slaver. What a pathetic "god" would guide his followers to kill all cats and then, 1/3rd of European Population would die due to Bubonic Plague? So much for the love of "god"?

You do not need to force yourself, other than DOING WHAT YOU CAN. This is a major thing. We have to do just what we can. You can meditate for 15 minutes? You do this. You can become stronger? You do this. You strive towards something greater. Not caring and not trying, this is identical to having a parasite and weakling inside a coven. 11 very strong people and two weaklings and the coven will fail. A person who is live and let be yet calls others to somehow "work" with them, this is at the very least hypocritical. Other people come at random in the groups and cry that others should send them energy or pray for them. This is not xianity. This "prayer" of xianity is nothing but a lie. Prayer in Satanism is Telepathic Communication and Magick/Meditation. They are lazy, ask ask ask, take take take and give nothing back. Satan has stated such people are of no importance to Him. They are on their own and all this could possibly entail, in this life and in their existence. If you supposedly want to help other Brothers and Sisters in Satan, draining and trying to do such shit will not do nothing, nothing also will do crying, whinning and what "if's", complaints, tears and shit. The enemy teaches people this attitude so they will never actually make any progress in existing. Yes, we are humans and we experience all these things. We shouldn't damn them. But these things are to show us a direction to go, to better ourselves and the whole. This is not how you build a life, your life, or a Greater Satanic World. You build this by building, searching, caring, doing, seeking, destroying, creating, living, existing.

If some people want so badly to complain because they aren't fake disney \$\$\$ princesses (after all they were supposed to be, anyone should be a princess), or because Nordic Aliens didn't show up in their first week of meditation so they can make them millions of dollars so they can live their jewish mindset, oh my, something must be so wrong. Some simply do whine about not being Gods actually or having every their damn wish granted. Most of your wishes are created by this society. Many things are lost along the way and have been replaced by perversions or marketing. Those living in America's consumerism might have a hard time to understand this. This isn't different than other places of the world, as this is the country the enemy tries to take over to push these things. They bring everything to the unnatural extreme. America is the land of the free and guess what, this pisses off the jews. They do not like it. They want to rule it and take it over, while using America to do as they see fit to weaker states. The enemy doesn't like freedom. They do not like public libraries, intellectual pursuit for the goy, they don't even like that people go to school. If they can't do something about it, this is a whole another matter. The enemy has done this and if circumstances could assist, they would do this again immediately.

The enemy has lied to you, real bad and real hard- right in the face. You do not know who you are and what you want unless you deprogramm yourself. As always, they sell people bullshit to make them unhappy. You must be strong in all levels, moreso in the physical one aswell. And maybe even be ruthless. You must have, own, be everything you can. This is how empires are built. The enemy has gained what they have down here, because of endless dishonest work, lies, deceit, but also, spiritual effort. Their retarded and eternally accursed ET friends have worked their ass too. Many have became meat in the process, but who cares, so long they fulfill their purposes. Every kike down to the last one has worked their ass. They worked like wheels on a train to get the train where they thought it should be. Those who study history know this is a work of centuries upon centuries. And people whine when only in few years, we have been hitting the enemy so hard? This is unacceptable! They are definitely terrified to no end. We are stealing history right from their nasty hands.

[topic8549.html](#)

And we will keep strong until the end and then even further. This world must be saved. The Gods are giving a great war and so are our people. We are in times of war, not in times of peace. This

must be comprehended. When the last of these degraded filths is brought down and this Humanity can live without this bullshit slavery and torture, then we can say peace has dawned. Until then, we fight, fight fight, destroy, destroy, destroy, create create, create and then create again.

Give a reason to yourself first and then meditate faithfully. Satan keeps his promise. From closely a decade in Satanism, I can guarantee you this and so do many others. Patience is mandatory. To even half-awake from this slumber of centuries, this destruction, it takes time. Yes, something is wrong. And this is Humanity and the way people see things, thanks to the jew. Something is wrong in this endless egotism and stupidity. This personal vanity of mortals who simply consume all their environment to simply become rot and do it again, is definitely "ungodly" and this is Abrahamism, this is the enemy. The enemy has told people to fear "god". Satan is God and you must open your Soul and mind to Satan, who has been shedding life and light to all of us since we began existing. Something is wrong in the people not having faith in themselves and in that they can achieve and conquer all this darknesst that is eating Humanity's Soul. Nevertheless, the Gods are always there. People are too blind to understand and to appreciate this. You here are not blind, you here can see Satan's light.

Others in this universe have perished under the enemy and they are helpless, without a hope, living in such farms and so forth. People died in street protests for what we today consider so "normal", because they were being exploited to shreds. You must read history as the enemy makes sure to always erase the past. If you think exploitation, lack of freedoms and everything else is too distant, you seriously need to wake up. These things are being under attack by the abrahamics, who consider themselves above any and all Human rights. Even in other countries than in the developed ones, women are getting stoned for loving someone (or even because someone SUSPECTS they LOOKED at someone), people live in communism and if they get payed, the get paid with a loaf of bread, to live in a small appartment with other 20 people, children die to diseases long forgotten in other parts of the world. At the same time, children are working to death and have to cut their limbs due to working in shithole factories. THIS IS THE REALITY THE JEWS CREATED BY THEIR ENDLESS MAGICK, THEIR ENDLESS "SPELLS", THEIR "BELIEF SYSTEMS", THEIR "GOD" AND THE RELATED FILTH THEY TRY TO PUSH OBNOXIOUSLY TO GENTILES. THIS IS HOW "REALITY" IS MADE ON THE HIGHER LEVEL, WHILE THIS LEVEL IS WHERE WE ACT ASWELL. All those who know of Occultism do know that this is how reality is created. Thought predates action. And some people whine and cry over an attack or breaking a fingernail, or not living disney after they have dedicated to Satan. Well, Satanism is about living life Truly and becoming a God. Satanism is about reaching the highest elevation and elevating yourself. YOU WILL ADVANCE AND YOU WILL BECOME THE HIGHEST BEING YOU CAN BECOME, THATS SATANISM. Thats the purpose. To ever become, to ever evolve. Not to stay stuck in this loophole of endless destruction the enemy has created, that leads a Soul to nowhere.

"Caring" doesn't mean "I tie in negativity" or that "I exhaust myself" or whatever else. It hasn't has to do with any slave-live caring, or caring for things that you shouldn't. This is the enemy. This is how the enemy "cares". In the most fake, the most perverted, the most sick nature, that in the end, reinforces the destruction. They sit there and gloom over the bad, the ugly and the wrong that they create and they are dependent upon. These fake "religions" could never survive in a healthy reality with happy people. They thrive and survive in misery, pain, affliction, disease and lack of knowledge. In Satanism we care in the healthy manner. When we shouldn't care, we do not care. Satanism is about health, positivity, freedom, beauty etc. You do not need to destroy your mind over such matters, but simply know. For most things, knowing and being aware is enough. Knowledge creates awareness. One becomes aware and defends these things. And we can defend these things. If peope are fast asleep, these things one sweet day these things are stolen from people and nothing exists anymore.

A God is higher than a King, even though if they are Kings. They are the highest attainment of existing. A God can have nothing and feel as if they own the universe itself, and then more. Those who are spiritually aware know exactly what I have stated and the depth of this meaning. Others

know subconsciously but this will take a while until it comes to them. It will and you must carry on. Many people are born as they are, without the chance to advance to any direction, live and above all exist in any acceptable level. THIS IS THE ENEMY, CAGING AND DESTROYING HUMANITY. The judaic system will not allow them to even breathe freely. You have to, like a soldier, stand proud and the strongest you can be on YOURSELF first. You have to be patient, strong, fearless, obedient in the Warrior sense and that of the Student, yet critical and with your consciousness woken up. For the new members, you will understand down the road exactly what is meant here. You will understand the Truth the enemy tries to hide.

Now there are idiots who say they should sit back and do nothing. Since such idiots still exist, that, you know, who cares, if Animals suffer, the Earth is getting polluted, freedoms are being lost. All they care about is them. They can't see further, so who cares. Who cares if the Gods are being attacked, Humanity suffers, innocents suffer, right? Seeing the kikes looting, raping and enslaving the whole planet, then congratulations to these people. They surely are the most loyal of the judaic slaves. Perfect slaves. Not giving a fuck. The perfect victim. Letting the enemy do as they see fit. Alone and helpless, purposeless. A bounty ready to be stolen and seized by these predators. You win the trophy of being a worthless piece of shit that literally doesn't give a fuck about anything, not even its own self, that should be a cucumber and not a man. Infact, a cucumber cannot even be a slave. These people are worse than a vegetable. They have been created into exactly what benefits the judaic status quo to exist. The perfect slave.

Those who have been exposed to the Truth can only either totally and unconditionally follow (and these are Satan's chosen) and will become Gods. For you, our faithful warriors, there is nothing I can utter that you are worthy of, nothing that matches the height of a Soul that fights as such. Not stars, not towns, not gold, not a thing, and all these things. You deserve to stand and so shall stand, besides the Throne of the Great One. By unconditionally and totally, this means that the Truth must be defended, the same for Freedom of Speech, our Nations and so forth, without any step back. It means that you do not step back from these things.

Approach the Gods and open your heart and mind to them, in a healthy manner. If you are really willing to understand them and experience their miracles, you will live things that most can only imagine. Those who get help from Satan and are close to Him, and their Guardian Demons, can relate exactly to what I state. We all more or less have felt their Providence and Love towards us. Open your minds to Satan and you will understand that Satanism is about something far greater than our present day comprehension. Its about a new Man, a new Person and as thus, a New World.

What the enemy has failed to understand, is that for us, there are only two ways: We either live with our head and spine upright, or we choose to not live at all. The enemy does not know, and never will know, the fearless spirit of the Gods and their Daughters and Sons. What can the filthy enemy understand of the heart of a Satanic Warrior and a Satanic Builder?

Subject: Warriors and Builders			

The Gods of Hell do protect us. If you want to somehow help other Satanists, you can direct protective energy everyday to the Powers of Hell, Satan and Lilith. They will sublimate this energy to the brother/sister in need. You can also RAISE yourself and send this. Trying to somehow drain others and so forth will never work. Satanism isn't about being carried off by others like a flea on the back, but co-operating with others, in equal terms and so forth. Parasites, lazy drones and so forth will cause the stronger ones to draw the pesticide to say the least. Satan has accepted you and you are strong enough for that. A strong whole becomes as such by strong persons. Parasites, fearful idiots, weaklings by choice that choose no never meditate and try to act like parasites, they are of no importance to me or Satan. They are of importance to nobody, not even themselves. In Satanism, everyone raises a Stone and this is how we build empires. The ones who can will raise the boulders, others will drag the sand, others will make the food, others will protect and so forth.

From there there are many things you can do, to protect yourself and others:

1. Send energy to Satan and Lilith, so they will direct it to those in dire need.
2. Raise energy to help others who are being attacked. [Algiz, Suryae etc]
3. Become very strong yourself and with others strong as you start building the nessescary conditions so others can exist. This involves physical things aswell. Building, creating.

Now, if you sense something is about to come that you are inaware, you can call in the Gods. The Gods sublimate energy we send them to protect us and to destroy the enemy aswell.

Nobody wants a mental and spiritual parasite hanging around or some lazy asshole that demands energy for whatever reason, no different than the reptillian collective "jhvh" who sit there and demands people killed. This so called "god" has his hands bathed in the blood of countless innocent beings. While Satan understands our problems and grants our requests, its fundamental to give back. Giving back to Satan means giving back to Humanity and Yourselves. The Gods do not "need" nothing. We just need them. They are fighting to build a world on justice, where people will not be diseased, starve and that will live on the level of the Gods without any restriction, as conscious beings that are free. The fact that you are not bred in a farm, that you have a family, that you have a job, some freedoms, more or less wealth and so forth, these are all up to the Gods and certain people who fought for these things, back in these gloomy jew-ruled ages. People tend to forget this and the enemy knows this. Countless have sacrificed their lives, went out in the streets and fought wars so we can be where we are today. Is it perfect? No. Though its a hundred times better than the conditions back then in the Middle Ages for instance. People were actually bred as in chickens in the Middle Ages. Disobedient chickens were endlessly tortured and then put to death. There was no "opinion", no "free speech", nothing of these things we know today. And the enemy wouldn't be hesitant at all to steal these from people again and again. Even daring to disbelieve or criticize was a death penalty. Science was a crime. Thought was a criminal offence. This "god" of theirs is so afraid, is hiding behind weapons, so murderous, a pure slaver. What a pathetic "god" would guide his followers to kill all cats and then, 1/3rd of European Population would die due to Bubonic Plague? So much for the love of "god"?

You do not need to force yourself, other than DOING WHAT YOU CAN. This is a major thing. We

have to do just what we can. You can meditate for 15 minutes? You do this. You can become stronger? You do this. You strive towards something greater. Not caring and not trying, this is identical to having a parasite and weakling inside a coven. 11 very strong people and two weaklings and the coven will fail. A person who is live and let be yet calls others to somehow "work" with them, this is at the very least hypocritical. Other people come at random in the groups and cry that others should send them energy or pray for them. This is not xianity. This "prayer" of xianity is nothing but a lie. Prayer in Satanism is Telepathic Communication and Magick/Meditation. They are lazy, ask ask ask, take take take and give nothing back. Satan has stated such people are of no importance to Him. They are on their own and all this could possibly entail, in this life and in their existence. If you supposedly want to help other Brothers and Sisters in Satan, draining and trying to do such shit will not do nothing, nothing also will do crying, whinning and what "if's", complaints, tears and shit. The enemy teaches people this attitude so they will never actually make any progress in existing. Yes, we are humans and we experience all these things. We shouldn't damn them. But these things are to show us a direction to go, to better ourselves and the whole. This is not how you build a life, your life, or a Greater Satanic World. You build this by building, searching, caring, doing, seeking, destroying, creating, living, existing.

If some people want so badly to complain because they aren't fake disney \$\$\$ princesses (after all they were supposed to be, anyone should be a princess), or because Nordic Aliens didn't show up in their first week of meditation so they can make them millions of dollars so they can live their jewish mindset, oh my, something must be so wrong. Some simply do whine about not being Gods actually or having every their damn wish granted. Most of your wishes are created by this society. Many things are lost along the way and have been replaced by perversions or marketing. Those living in America's consumerism might have a hard time to understand this. This isn't different than other places of the world, as this is the country the enemy tries to take over to push these things. They bring everything to the unnatural extreme. America is the land of the free and guess what, this pisses off the jews. They do not like it. They want to rule it and take it over, while using America to do as they see fit to weaker states. The enemy doesn't like freedom. They do not like public libraries, intellectual pursuit for the goy, they don't even like that people go to school. If they can't do something about it, this is a whole another matter. The enemy has done this and if circumstances could assist, they would do this again immidiately.

The enemy has lied to you, real bad and real hard- right in the face. You do not know who you are and what you want unless you deprogramm yourself. As always, they sell people bullshit to make them unhappy. You must be strong in all levels, moreso in the physical one aswell. And maybe even be ruthless. You must have, own, be everything you can. This is how empires are built. The enemy has gained what they have down here, because of endless dishonest work, lies, deceit, but also, spiritual effort. Their retarded and eternally accursed ET friends have worked their ass too. Many have became meat in the process, but who cares, so long they fullfill their purposes. Every kike down to the last one has worked their ass. They worked like wheels on a train to get the train where they thought it should be. Those who study history know this is a work of centuries upon centuries. And people whine when only in few years, we have been hitting the enemy so hard? This is unacceptable! They are definitely terrified to no end. We are stealing history right from their nasty hands.

[topic8549.html](#)

And we will keep strong until the end and then even further. This world must be saved. The Gods are giving a great war and so are our people. We are in times of war, not in times of peace. This must be comprehended. When the last of these degraded filths is brought down and this Humanity can live without this bullshit slavery and torture, then we can say peace has dawned. Until then, we fight, fight fight, destroy, destroy, destroy, create create, create and then create again.

Give a reason to yourself first and then meditate faithfully. Satan keeps his promise. From closely a decade in Satanism, I can guarantee you this and so do many others. Patience is mandatory. To

even half-awake from this slumber of centuries, this destruction, it takes time. Yes, something is wrong. And this is Humanity and the way people see things, thanks to the Jew. Something is wrong in this endless egotism and stupidity. This personal vanity of mortals who simply consume all their environment to simply become rot and do it again, is definitely "ungodly" and this is Abrahamism, this is the enemy. The enemy has told people to fear "god". Satan is God and you must open your Soul and mind to Satan, who has been shedding life and light to all of us since we began existing. Something is wrong in the people not having faith in themselves and in that they can achieve and conquer all this darkness that is eating Humanity's Soul. Nevertheless, the Gods are always there. People are too blind to understand and to appreciate this. You here are not blind, you here can see Satan's light.

Others in this universe have perished under the enemy and they are helpless, without a hope, living in such farms and so forth. People died in street protests for what we today consider so "normal", because they were being exploited to shreds. You must read history as the enemy makes sure to always erase the past. If you think exploitation, lack of freedoms and everything else is too distant, you seriously need to wake up. These things are being under attack by the Abrahamics, who consider themselves above any and all Human rights. Even in other countries than in the developed ones, women are getting stoned for loving someone (or even because someone SUSPECTS they LOOKED at someone), people live in communism and if they get payed, they get paid with a loaf of bread, to live in a small apartment with other 20 people, children die to diseases long forgotten in other parts of the world. At the same time, children are working to death and have to cut their limbs due to working in shithole factories. THIS IS THE REALITY THE JEWS CREATED BY THEIR ENDLESS MAGICK, THEIR ENDLESS "SPELLS", THEIR "BELIEF SYSTEMS", THEIR "GOD" AND THE RELATED FILTH THEY TRY TO PUSH OBNOXIOUSLY TO GENTILES. THIS IS HOW "REALITY" IS MADE ON THE HIGHER LEVEL, WHILE THIS LEVEL IS WHERE WE ACT AS WELL. All those who know of Occultism do know that this is how reality is created. Thought predates action. And some people whine and cry over an attack or breaking a fingernail, or not living Disney after they have dedicated to Satan. Well, Satanism is about living life Truly and becoming a God. Satanism is about reaching the highest elevation and elevating yourself. YOU WILL ADVANCE AND YOU WILL BECOME THE HIGHEST BEING YOU CAN BECOME, THAT'S SATANISM. That's the purpose. Putin was put into power by the Federation Of Jewish Organizations In Russia. The Jewish Chairman of this organization Abramovich stated in a 2005 interview that Putin could obtain Israeli citizenship if he wanted as an ethnic Jew. And that his mother was a Jew Shelomova. This makes Putin full Jewish by Jewish law.

Something damning in the first addition of Putin's book: First Person: An Astonishingly Frank Self-Portrait by Russia's President. It states his mothers maiden name was Shalomovitch which is a Jewish surname. But this is changed to Shelomova in the second addition which is an attempt to cover this up:

Abramovich is chairman of the Federation of Jewish Organizations in Russia (who are allied with the Putin administration) and he also donates money to the Jewish Chabad-Lubavitch movement. Chabad-Lubavitch is an orthodox Jewish movement.

Appointed Putin and Medvedev [My note Medvdev is according to Jewish archives his surname is Mendel]

Abramovich was the first person who recommended Boris Yeltsin to choose Putin as his successor. When Putin formed his first cabinet of prime minister in 1999, the Jew Abramovich was the one who first held "personal interviews" with each of the candidates before they were approved. After that, Abramovich remained one of Putin's closest allies.

In 2007 Putin asked this Jew, who would be elected as the new President – Dmitry Medvedev was then personally recommended by Abramovich. At the G-20 meeting in London in 2009 and the G-8 meeting in 2010, it was Medvedev who became renowned as he had with him a sample of the new supranational world currency "United Future World Currency", which he campaigned strongly for according to Bloomberg.com.

Chris Hutchins , who has written the biographies Abramovich: The Billionaire from Nowhere and Putin A Biography, describes Putin's relationship with Abramovich like one "between a father and his favorite son".

Appears on Russia Today's website

Under the heading "prominent Russians", Roman Abramovich is highlighted in Russia Today's encyclopedia "Russiapedia". It says, among other things, that Abramovich had access to Jeltzins "innermost circle" through the Jewish oligarch Boris Berezovsky.

The Jewish Rothschild's who crated the Soviet Union at the top. Still own Russia, who Abramovich is a front Jew of:

Russian gov. owned Rosneft in business with Rockefeller[my note Rockefeller's are Jewish they are of the Rothschild bloodlines] run Exxon and BP despite "sanctions."

The Putin Government and Chubais are joint owners of RUSNANO.

In 2012, Rothschild Capital Partners bought a 37 percent stake in the Rockefeller's wealth advisory and asset management group.

Rothschild run Glencore and the Putin Government joined forces to create the world's largest aluminum company, RUSAL.

The Rothschild Global Financial Advisory is located in downtown Moscow and their website brags of "high level political access" to the Russian government.

Deripaska is CEO of RUSAL.

Abramovich is Putin's close confidant, and a joint shareholder along with the Russian government in assets such as Gazprom, Aeroflot, and RUSAL.

Putin selected close friend Oleg Deripaska to represent Russia in ABAC (APEC Business Advisory Council). Deripaska is also a close friends and RUSAL business partners with Roman Abramovich.

The Rothschild family are majority shareholders of Rio Tinto. RUSAL and Rio Tinto are involved in joint mining operations despite so called "sanctions" imposed by the West.

Subject: The Serpent In the Garden, Anki			

The Serpent In the Garden, Anki

Its quite simple the Egyptians called the Gods the Ari. The Sumerian texts stated that Anki created a race in his own image the Ari who where White as the Sumerian's where. The ancient Aryan God is called Hari, which is another spelling of Ari. Our word Aristocrat comes from Ari. The Persian Emperor's called themselves the King of the Aryans. All the Western Aryans stated they came from the East and the pattern of migration shows this. Its quite easy.

This goes to the God letter A. The Gods are also called An's or Anu's. The letter A is given the position of the supreme God in the Tantra and western systems. The one letter mantra is AUM which is the name of the Logos the Logos itself. The Logos is called AUM in the Eastern texts. The three natures of creation placed around the triangle of Akasa. Each bar of the triangle of Nadi is

given a letter, AUM. This is symbolized in the Brahma thread in the East which is a black, red and White thread woven together the Templars and Druids also had this. This all represents the trine serpent nadis in the spine which form the 50 petals of the body of the Devi the incarnation of the Vak or Logos the microcosm, the Radiant Serpent hence An. The whole being is formed of. Devi is where Devil comes from. As mentioned the Devil is God, the Devil symbol is the Trident and the horns which represent AUM and the risen serpent and perfected soul.. The unmanifest God is the macrocosm which is the element of Akasa which is the AUM and its A symbol in the East and West. Which is Shiva/Zeus. Zeus is Zan which also means star the five pointed star which is also the symbol of Shiva in the East and is Akasa. Hence its being placed on the forehead in symbol. And Aum is placed here as well. Pan [Bacchus] is born from the Akasa and His father is Zeus. And Pan's symbol is the Pantacle. This symbol is also the union of male and female the Godhead. The apples the God's eat from to become immortal is the symbol of the Pentacle hence the Akasa the AUM. The serpent power grants perfection and as the tantra states the rough five Skanda's [five elements] are turned into gold by the fire of the Kundalini. The A symbol in the science of Yantra forms the symbol of the chakra which again shows the trine nadis and the AUM.

A in Egyptian is Aum like Alpha is in Greek.

With Ari, Ri or Re in Egyptian symbol gets the opened mouth the spoken word of creation. Which is also the yoni of rebirth, Meru the name of Isis means Divine Yoni as this is the serpent system that forms the whole being and gives immortal life and enlightenment. The serpent of Satan. So we get A which the Egyptian A or Aum is in this triangle shape which is how Aum is shown in the Eastern system. Then the symbol of the Logos the spoken word of creation. Aum is the Word. Amun Ra, hidden name is shown in the AUM glyph in Egypt. AUM is the word of creation. Shiva is originally called An and He is the AUM or Hari Aum. Which is the same meaning. Hari is AUM. Ari=AUM. The symbol of the perfected soul is the AUM symbol in the ancient world. This symbol is also turned on its side to form the Trident as seen in the Indus Valley with Shiva with the 3 on its side like Bull horns over His head. The horned serpent which is Bacchus in the West. The horns are the symbol of divinity in the ancient world.

The God being shown with the animal head symbolically as the incarnation of the Logos or Vak the Radiant Serpent. Represents the same. The letter A is also turned up side down in the ancient languages to show a bull or ox head. It still means the same. As the trine serpent nadis come together in the center of the head and open the transcendental eye of Shiva or Bacchus/Osiris. Causing the rebirth to super consciousness. The head the Templars worshipped from finding one of them its a silver head of Virgo. Virgo in Sanskrit is Kunda, Kundalini is Her. Kunda is Kundry in the Western tradition and is responsible for the transformation of the hero into Divinity or Arya.

The Macrocosm is also shown as the Zodiac. The head contains all 12 signs within itself and the Akasa element rules it along with it being the seat of consciousness and the five sense which are the five elements. As already mentioned the AUM is placed here and why. This symbol represents the union of Macro and Microcosm. Sometimes the head was shown with three faces on each side which is seen in the Indus Valley image of Shiva. The union of the trine nadis and thus the soul.

The tale of Eden was stolen from the Eridu texts of the Sumerians and ruined by Jews who inserted their phoney Yahweh into this and made it the original sin to become spiritually enlightened and fully ascended, this is the Jews butting in to destroy the spiritual purpose of Humanity and reduce us to slavery under them as animals. But in the Sumerian texts Adamu and Eva were instructed by Anki this is also symbolic of the Adept unifying their own soul and becoming enlightened. The Sumerian images show Anki in the form of a serpent with the bearded head of a man [the head symbolizes what is mentioned above the beard is the power of the spoken word the flowing of energy from the mantra] who is instructing Adamu and Eva into the process of union. Anki here is the energy generated from the union of the dual aspects of the soul into reborn soul as well. As well as the message Anki is the creator of Man and the instructor of the science of Ascension. Eva

also means Apple, when she gives this to Adamu they become one and realize their naked. The symbol of rebirth. This is the female aspect merging with the male. Here this is the Shakti fully transmuting the elements of the whole being to spirit and generating the pure divine form. The female is sound energy and the male form the sound energy takes, the union of the two in the pentacle. The pentagram shows this by taking the form of geometry the male aspect and turning it upside down to make the orbit of Venus who is Shakti. This is Kundry in the Grail myth transforming the Hero into fully divine. The serpent Eva or Ava [Apple] the Devi or Devil grants eternal life and enlightenment. This is the serpent of Satan. The Garden is also symbolic of the soul the four rivers are the root chakra with the trees as the dual nadis rising from it you can see the same with the Meru drawings in the Far East. In many cases the world tree was shown as one with the branches in the heavens and roots in the earth showing the duality. With the serpent wrapped around it. The Apple represents the same as the Dionysian cluster of grapes the inverted A symbol which also symbolizes the work. Which is another way of showing the A [the A was also shown upside down] the AUM which forms the pentacle. The A symbol in the science of Yantra forms the symbol of the chakra which again shows the trine nadis and the AUM.

The Yezidhi mention the original Garden of Edin where Anki created us and taught us the science of ascension was Sri Lanka. In Sri Lanka the first People where called Adimu and Hiva. The H is more of a silent H like Heta or Greek. Its Eva and Adamu. Being instructed by Shiva. In the first Sangha. The golden age. The Sri Lanka texts called this land Kamura Kadam the Land of the Eternal Serpent. They stated Sanat Kumara was the Lord of this age this is also Shiva as the Eastern texts state. Sanat is an anagram of Satan. But Satan is also a Sanskrit word meaning Eternal God and Sanat means the same. Hence the spelling becomes irrelevant as it means the same. Sanat-Ana Dharma was the name of the original religion. The Yezidhi' who where part of the Sumerian Priest class call their God Anki, Satan as well for this reason. The Greeks, Romans, Egyptians, Druids and Vedic's all stated they came from Sri Lanka.

Anki is where Ankh comes from. The key of life which resurrects Osiris into divinity and immortality.

Anki is called Anki as the A is the Ki the life force of the serpent. This is AUM. In the Eastern texts Sanat states: "His Name is AUM.." Sanat also carries the Trident. The Trident is also the World Tree with the serpent wrapped around it. The symbol of the perfection of the soul. From the Druids and on.

Psycho-delics

Such drugs are the latest rage among the New Age types. Who can't do anything actually spiritual for themselves so they just take crazy stuff like Ayahuasca which leaves one shitting their pants, and vomiting on themselves and people dying from taking it and going literally insane as well. In-between being preyed on by natives.

The rise of the Aztec's and such groups.

Something else there are Amerindian tales of interaction with Greys in the past. The Grey's are always bad news and just space jews:

If you dig to the bottom of why the Amerindian cultures in the central and S.America started human sacrifices they mention an evil being that perhaps not ironically name is identical to Yahweh. Told them it would help them gain greater power if they would start committing ritual murders of prisoners. This was against the code of ethic's of the Amerindians. The original God Viracocha [who was Satan and always mentioned as a Nordic] when giving the Amerindian's the sacred culture in

the ancient past instructed them to never engage in ritual murder of man or animal. But to place flowers upon the altar. They do this in Hindu India to this day.

The text states the evil being tricked them and manipulated them into breaking this code. And it got worse and worse as black magicians [real fucking black magicians like the kike orthodox rabbinical class] started turning towards this evil being to violent packs for power. This caused a war between the Priesthood and with the Aztec's the evil side won. This probably destroyed them in the end. The Spanish army was too small and far from a central base to win anything long lasting against the Aztec Empire. But Amerindian tribes allied with the Spanish to destroy the Aztec cruelty over them. Of course they didn't get told it would be replaced with jooz cruelty at the time. The last Aztec warriors died fighting for their new Spanish overlords taking the Philippines.

The tale shows the enemy ET's have been infiltrating different cultures for awhile.

The Emperor of the Aztec's was taking psycho-delic's daily that allowed him to commune with such beings. That told him to commit mass human sacrifices. They sacrificed eighty thousand people in four days in just one ritual. This culture was obsessed with taking these substances. They were not practicing the spiritual practices left by the Gods in early cultures. This has been noted before these substances open people up and make them easier to put under the influence of enemy entities. The person does not have the spiritual strength or development from real practices so one is left on a low mental level that can be manipulated even more when the centers of the mind are somewhat opened in a chaotic way which forms a channel for manipulation. Many new people report they would take substances [same with pot] and the enemy would be able to attempt to enforce their will on them more and get into their mind.

Terrance McKenna was the poster tard for this stupid behaviour and he even admitted himself he never took his "Heroic Dosage" and that the majority of theories he concocted were bullshit in private. He stopped taking this kind of stuff way before he died. The majority of the retarded theories on mushrooms today come from Terrance the Tard Whisperer.

Remember if you watch pro psycho-delic's documentaries it's all Jews telling you to take this stuff and promoting this new wave of dangerous fake spirituality like they were doing back in the 60's which put people into mental hospitals.

Because you know we can always trust Jews when they tell us to take this dangerous stuff right....

If that's not bad enough there is now this drug culture, tard wave of people rewriting spiritual allegories and history to conform to tardsensical, bongoloidism. History being rewritten by basically this guy:

Subject: Libertarianism			

Libertarianism

The Libertarian movement to legalize the drug culture is insidious no doubt. The Libertarian "thinkers" were all jooz who were working for the Austrian School of economics which is a front of the international Jewish banking dynasties, like Rothschild. Libertardism doctrines are a syntheses of Awerkian, liberal capitalism and jooz Marxism. Hence its doctrines are openly designed to ruin America totally and dissolve it into a globalist monetary serfdom run by Rothschild and his joo boyz sometimes this is called Marxism, Marx was part of the Rothschild family and Rothschild created Communism for just that. Just read Atlas Shrugged by Rosenbaum [Rand's real name, oy

veh!] it ends with just that, the end of America and the free world under the iron kosher heel. That was her opus. Of course she then did a total turn around on her yap crap doctrines. When it came to the joo state of Israel. Because joo Libertardism, its made for poisoning the goyim psyche only. Rothbard was a huge apologist for Marxism as well. Wonder why....

Some of the Libertards have stated legalization of potardism is just the first step to push for legalization of harder drugs you know those drugs that have ruined the fabric of society badly. And seem to mainly come from this place called Tel Aviv to everywhere else. And goes hand in hand with the degenerate drug culture the jooz have been creating in the Media and society since the 60's. To simply ruin the host society as much as possible.

Rothschild, Sassoon and the Solomon's where the owners and operators of the Opium drug trade into China where no doubt the Asian jooz's ran most of the Opium dens and street supply. This was to destabilize and ruin the Chinese population as much as possible for Communist take over. When the Chinese revolted the British Royal Navy was sent into to deal with them to keep the drug trade going as Rothschild owns England. The same Jewish interest that brought you Libertardism.

A little tricknology the Libertards play is pushing for commodity based currency and also bashing Fiat currency. Smart leaders understand Fiat currency is the only solution for a advancing and abundant, FREE society. The American Founders created a FIAT BASED system for this reason. Remember that guy named Hitler who did the same for Germany and made it the most richest nation for all the German People in 9 months. After kicking the jooz and their banker-Marxist schemes out too. Which led to the German People not having to worry about literally starving to death anyone. Commodity currency creates a constant scarcity that allows big Jew banks to rule.....Guess whole vaults all the precious metals are in, theirs. Oh and don't think your getting away with your pocket of "precious" metal when they ruin the Fiat system as take over. during the engineered depression of 29 by the jooz bankers. People where forced to turn in their gold or be put in jail even for up to life. The jooz are coming for your Precious like Golem for the Golden ring. And don't worry the jooz want a global electronic currency in the end with you being micro chipped all run by the Jewish IMF a Rothschild front. Where all must bow down to the International Jew cabal. Rosenbaum's dream come jew.

Micro chipped is newspeak for being Micro jewed.

[topic7691.html](#)

The Libertard's doctrines tries to steer people away from recognizing the problem is the JEWISH bankers who have the government in a headlock and have hijacked the Fiat system to ruin it and the nation to push it into a Marxism take over [Rothschild and the Elderz of Zion cashing you all in] nope just dismantle your governments and thus protections and let International Jewish bankers and Corporations dissolve your Freedoms out. Enjoy. Cause you see all the freedumbs those people in the Rothschild run Soviet Union and Communist China really enjoyed. That's life where the jooz have total control.

If people understand the Jews are the problem and break up the joo Banker monopoly and kick the Jews out for the 110th time in history because everyone else but the jooz are the problem...Then the jews would lose the needed monetary control of America that facilitates their political and media, social controls. Which is needed to march us all to total Communism which is just the Elderz of Zion adjusting the goal posts of society to give them total control. Oh yeah and some stuff about Freedumb don't forget. Cause the jooz love to sing that word as they march you into your slavery.

Because to the jew freedom is slavery, get it now Goy.

Goodbye Gays

This strange music video was also co produced by this jewish looking person: Askill. Haskil is a jewish surname that gets close to Askill. The jooz are trying to promote pedo stuff because they know that will swing the pendulum far and fast to get the backlash they want to be able to put us back into total Mosaic straight jacket socially. When the jooz took over Russia in the early years they did the same to the populace which caused the backlash which they then brought down the most puritanical Judaic moral order socially that rivals Saudi Arabia. Communism is Judaism.

They are now pushing pedo normalization and rights on the end of the Jewish run, Social Marxist Gay rights movement which was the plan all along. Europe is now undergoing the first wave of this. While 83% of pedo's are heterosexuals. They are purposely using the term Gay Pedophile in their propaganda documentary to push the first wave. Because they want people to connect Pedophile to Gay. This is exactly the propaganda the jooz used against Gay people in the USSR to ban homosexuality with a death sentence in the slave camps.

The average person is a doofus who thinks they are a genius philosopher king. So they will say they would never believe that. But just about everything they believe is from propaganda [propagation] of doctrines by media, schools and society in general they are a walking Albatross. So if the media then spends a few years showing Pedo=Gay. Guess what, they will be influenced why wouldn't they?

Remember what happened to Gay Rights in Russia not long ago. Jewish Putin banned it forever literally. They can't even address it again legally for a century by the law. And Russian's supported it because they where told Pedo=Gay for decades in the Soviet system and after. They also used this ban numerous political dissent within the bill. But the Gay issue was the excuse.

The jews make non heterosexuality the death penalty where their programs have total control. Look at jewish xianity and islam as well as jewish Marxism.

Over here the jews where never able to take control by communism due to the second war. So in their own writings the working class could not be used anymore the war forced them to end their

fake depression which was used to create the needed ground for a Marxist revolution and rebuild industry which caused a post war economic boom. They moved to minority groups to take them over and use them as social Marxist shock troops to batter down the host. They included mention of using non heterosexuals as well.

The Gay rights movement was already starting to emerge on its own so the jews just took different groups of peoples and their struggle for rights and used it to their own advantage. The jews state once they get to a point where full Marxist revolution was in full swing the second stage would be liquidation of the first stage useful idiots, non-heterosexuals, liberals and others. This is what they did in Russia as well. They jooz tried to get this off the ground in 2010 by their own admission with the Protest Wall Street. Organized by Rothschild's and Soros Jews and their jewish agents. Its stated goal was to start a Marxist revolution. That's the not last time they are going to try.

Within this the jews have created a "Gay Identity" that is meant to keep them under control and in the program and ruin them from within. While creating as much hostility against them as possible in the general public. The next phase of this is occurring as stated now. They are starting to ramp up the next wave propaganda of trying to get pedophilia the new rights. They are trying to tie this into the Gay movement. A documentary was made to provoke this in Europe the featured freak is a "Homosexual pedophile." This will be the new phase they will repeat over and over. The fact is 83% of pedophiles are heterosexual. But don't expect a documentary on that soon. The price the GLBT people pay for supporting this jewish run "rights" movement is to lose all rights down the road. You mean...The Jews lied.....

The jews are a race of perverts anyway and some would love to make pedophilia legal remember the famous and super obnoxious, communist jew and nation wrecker Allan Ginsberg was a supporter and member of the Pedophile, North American Man/Boy Love Association (NAMBLA).
[90] http://en.wikipedia.org/wiki/Allen_Gins...ith_NAMBLA

Here is the shocking video made by French jew, Serge Gainsbourg who promotes pedophilia and incest where he sings to his own daughter a song called: Lemon Incest:

music artist sia is a disgusting person and I will point out why.

Although the music artist has been around in the industry for some time her videos suggest something of an awful nature. She is an Australian songwriter and singer who refuses to put her face in any of her videos instead she uses the face of 12 year old maggie ziegler who is known for being on the television show dance moms where children are competing for a prize using ballet

What is more disgusting is that poor 12 year old maggie is put in a skin colored suit in sia's videos and barely using ballet at all in her performances, jumping around like she has a mentally handicapped untalented ballet dancer.

The horror continues with the video "elastic heart" where she is put in a giant birdcage with jooish actor shia labeouf. The two of them dance back in forth as shia is in a skin colored tarzan suit the video is beyond inappropriate. With sia actually admitting to rolling hills magazine "I know it screams of pedophillia, I anticipated it would".

All of this is just advocating that child abuse and inappropriate behaviour is acceptable again and it is being passed off as art. The artist sia will not even show her face butshe will exploit maggie

ziegler to the fullest extent she can

This has to stop NOW.

Indiana

The Indiana situation has exposed what I already knew. All the Libertarians are up in a tizzy, enraged at the intolerance of an actual Libertarian style law being passed that protects the right to discriminate and not be punished for you want to do or not do business with.

Well everyone guess what....Scratch the surface of a Libertarian and you find a Pinko, pink just another shade of red. Its just the same old Liberal bullshit in the end and bound to its twin of Marxism. As Dugin stated Marxism and Liberalism are both secular xianity. Two sects of the same coin. The right is liberal conservatism and the left progressive liberal. And everything is designed to slide further left into Communism. That's why the conservative of today was the liberal of twenty years ago and the liberal of today is more on an open Marxist then a closet one. One is the engine and the other the caboose of the same train, baby. Next stop commie town.

That's why old Martin Luther King the Marxist trained agent and hero of Libertarian twats everywhere, even Ronny Paul. Who's handler was the former head of the American Communist Party [who wrote the Dream speech] had a liberal and Christian under each arm marching all the way along. Towards the USSR. The left and the right in America both turn out on Marty Luther King day to worship a hard-core ideological Marxist, Saint King. What more can be said.

Subject: Tacitus's Works Corrupted By The Enemy

Tacitus's Works Corrupted By The Enemy

vad3rad3So I was on an imageboard last night and came upon a thread where the original poster says, "Reminder that true Asatru does not accept homosexuality. And if you call yourself an Asatruar and are okay with gays, then you're doing it wrong." Obviously he is stupid and doesn't know anything about how homosexuality wasn't persecuted in the ancient world. I'm not very well versed in Norse mythology so I'm kind of hoping somebody who IS, to help and show these people the truth.

I read this, the text used for this is Tacitus's Germania. The Church Fathers destroyed the ancient civilization and bragged about this fact. What they didn't totally destroy they ruined much of by editing it to make it conform towards Christianity. The Edda's were penned by a Xian monk and had alterations put into them to Christianise them. This is how the propaganda goes you can note this with the changing of the Pagan culture by taking Pagan Deities and turning them into saints and Devils. And grafting the previous culture into the Christian program. Its subversion by synthesis.

A very revealing statement was made to the fact the early Christian Church edited the writings of the ancient Greek philosophers:

As Christian monotheism took hold of Western civilization basic paradigm, it carried forth and incorporated ancient Greek science into its mix of world knowledge. Thomas Aquinas and Albertus Magnus MODIFIED and adapted Grecian scientific philosophy to accommodate and support the tenets of Christian scripture. In this supportive capacity, science obediently took its place as the Church's handmaiden.-Bruce H. Lipton, Ph.D., and Steve Bhaerman, 'Spontaneous Evolution'

Understanding the universal ancient Aryan Tradition was from Europe to the Far East. You can see the third sex where not treated in this manner. Hence this is Xian adulteration. Its that simple. I came from Asatru its very corrupted and full of Abrahamic thinking. And never goes anywhere its always at square one. In the North they had heart friends in which where same sex lovers they formed life bonds with. There might have been exclusive warrior societies for male homosexuals as well. But these types would have you believe that everyone was straight in the indo-European world till they got to the eastern parts and southern parts and some magical force started turning people gay. Its well known lesbianism was openly practiced by female groups in the North as well. You can see Aryan Hellas was openly practicing homosexuality and bisexual practices as well its right in the ancient art that has been found. Dudes doing dudes on it. Right in the bible Paul complains about converts to xianity going back to the Pagan temples to practice homosexual sex rites. Dionysus is shown as bisexual and so is the same God in the East, Thor is shown dressed as a woman to denote third sex metaphysics of the union of male and female aspects of the soul. It was a common practice for men to dress as women in the Pagan Mystery rites to show this. Plato was homosexual as he is a humanized mystery God the Platonist school was originally of Zeus. Plato is the incarnation of the divine union of the God of wisdom and a human woman its the Mystery teachings of the Pagans. Its homosexuality is another way to show the third sex the inner union of the soul.

Dionysus is the incarnation of Zeus and thus Zeus in the microcosm. The archetypical Aryan God.

Exclusive homosexual warrior cults existed in the Pagan Aryan world as well. This is well documented. Skanada who the Greeks noted as Dionysus was a Homosexual God in many cults and other cases bisexual. As known Bacchus [Dionysus] is the universal Aryan God. He was known as Hu, Hyaus, Bud, Wod, Wodan, Odin in the North and across the European and Eastern Aryan world. The Army of Lovers, the Sacred Band of Thebes an elite warrior band made up of 150 male homosexual couples the ancient Pagan's of Hellas thought so highly of them they erected a monument that still stands to their final stand they chose to die in battle rather than surrender at Chaeronea.

Above the monument erected to the warriors of Thebes who gave their lives at Chaeronea.

The famed Spartan Three Hundred gave their lives fighting for Western civilization against the Persians who while brother Arya had fallen under the rule of despotic alien religion of

Zoroastrianism and its proto Pope. And given up the Eternal Aryan Dharma. The Vedic path of spirit. Many of the Spartans were well known for being lovers as well as comrades. Most chose to live with their comrades rather than their wives.

"Skanda [Dionysus] He is the protector of Homosexuals who are considered privileged and beneficial beings." Alain Danielou: Yoga.

Primordial Buddhism the universal Aryan Tradition:
topic8450.html

The Metaphysics of Union:
topic2932.html

Third sex people will and have always existed its the will of the divine pattern of existence, the force men called god is the union of three natures of guna's in the Pagan Aryan cosmology. Hence the third sex person was viewed as the symbolic incarnation of the Deity, the logos. This is the core metaphysical doctrine of the Aryan's its contained in the sacred OM glyph that denotes the supreme Aryan God to speak AUM is to invoke the God.

Why would they turn around and then trash all this in the Northern part of the Aryan culture? It would be a rejection of all that is sacred to the Aryan People. They didn't its bullshit.

In one of the most ancient Aryan tales the Iliad its central hero Achilles is bisexual.

[image-Priam approaches Achilles to beg for the return of Hector's body. Whom Achilles enraged over the death of his lover Patroclus by Hector. Killed Hector in revenge and dragged his body around the walls of Troy by his chariot. Of course Jew Hollywood tries to rewrite Patroclus as Achilles cousin not lover. Alexander The Great spent the night at the tomb of his hero Achilles before the start of his main campaign into the Persian Empire.]

The Sacred Role Of Homosexuality

In the earliest form of the mysteries, Homosexuality is used to express this metaphysical science quite notably. Even on the temple walls.

Homosexuality was considered the third sex in the ancient world. The Kama Sutra makes statements according to this. There are also homosexual acts depicted on the temple walls that relate to maithuna in the cosmological sense.

Originally the metaphysics of sex is based upon the inner union of the soul into the sacred androgynous or third sexed principal. Heterosexuality was not important on this level. Unlike the fake religion of Christianity and its Jewish root. Who make heterosexual sex, sacred only based on the profane, material procreation of children even then done horribly in violation of all sacred, spiritual laws and thus becomes profane. Procreation of children in the Pagan Tradition was done according to proper metagenic laws, astrological timing and spiritual rituals for the auspicious creation of a spiritual child. Such required knowledge is called practicing Satanism by Judeo-Christianity. The heterosexual variation of maithuna is contained in the remnant of the marriage ritual [taken from the Pagan world]. But is so debased by Christianity its lost its metaphysical principal. Marriages were as part of such arranged by metagenic law including astrological charts.

As a note the unedited Kama Sutra has whole sections devoted to homosexual love and sex. It also mentions homosexual marriage as part of the Primordial tradition. It existed until the Jewish programs destroyed it.

The Templars who practice the primordial tradition [Satanism] chose to depict two male knights upon a single horse to show this principal. This is linked to why the oldest mysteries that of Siva are consider to be Homosexual in nature this is allegorical. Homosexuality is two of the same physical sex but together show the metaphysical polarity within the soul coming together into the same physical being. The homosexual is the third sex all of this together shows the androgyne.

Skanda. [my note Siva] He is the protector of Homosexuals who are considered privileged and beneficial beings." Alain Danielou

The horse is the symbol of the serpent power as well. Not the church chose the image of the Templars to accuse them of homosexuality.

So all of this shows the androgynous principal. As such sexual union does not create people and is based on the third sex. It exalts the highest metaphysical principal of maithuna. By attacking homosexuality the Jews [the core of Abrahamic programs that are the reason homosexuality is hated] are attacking the core knowledge of maithuna and the Godhead. This principal was always shown as sexual union. Another example the reborn God is always bisexual. For this purpose the union of opposites. Transsexualism was also sacred as it was considered along with homosexuality the third sex. Which embodies the cosmology of the divine.

Its always the Abrahamic religion that make being third sex into something evil and orders Third sex people to be killed.

Just because the jooz are trying to use and then lose the current Gay Rights Movement does not remove the truth of Third Sex People. Third Sex People have always stood at the center of Aryan Civilization and Tradition and have lived and even died as honorable beings in battle to uphold the Arya path of spirit, our Aryan way of life so our Race could live in freedom. Just because some Whites who are Third Sex have been duped by the enemy agenda into supported joozish, social Marxism. Along with thousands of heterosexual Whites does not remove this.

[post13363.html#p13363](#)

While the author of these notes uses the term "homophobia," which I don't agree with, these notes are quite revealing. They prove similarities between both ancient and modern views towards homosexuality of the Christian and Marxist creeds, and how Christianity and Communism are one and the same.

1) Homosexuality in Christian "History:"

Homosexuality In Classical Antiquity : In 342 (Codex Theodosianus, 9, 7, 3,) the first law was enacted in Milan regarding passive homosexuals. Harsher penalties were introduced by Theodosius I in a law addressed to the prefect of Rome in 390, with execution by burning (...). This law was inserted in the Theodosian Code of 438 (9, 7, 6), but substantially modified and with a wider scope. The new compilation condemned to burning all passive homosexuals without distinction. With the Emperor Justinian the legislation was broadened; every kind of homosexuality was repeatedly condemned with the death penalty".

From Wikipedia: "Justinian's law code then served as the basis for most European countries' laws against homosexuals for the next 1400 years. Homosexual behavior, called sodomy, was considered a capital crime, and thousands of homosexual men were executed across Europe during waves of persecution in these centuries."

2) Homosexuality in Communism:

From Wikipedia:

"Karl Marx and Friedrich Engels both to some level expressed homophobia in their public and private writings "

"In the 1930s under Joseph Stalin, homosexuality and abortion were recriminalised in the nation. Article 121 explicitly criminalised male same-sex intercourse and with five years of hard prison labor as a penalty(...) Homosexuals were sometimes denied membership or expelled from communist parties across the globe during the 20th Century, as most communist parties followed the social precedents set by the USSR. Today, however, nearly all communist parties accept homosexuals and support the LGBT rights movement.

Homosexuality was decriminalized in China in 1997 and was removed as a mental illness in 2002"

3) My Notes:

Christianity is doing the same thing that Communism is doing with homosexuality. It is trying to appear more and more "progressive," while other Christians bitch and complain about the "subversion" of Christianity. While it is true that the inner Catholic Church has been ripe with homosexuality for quite some time, that doesn't make Christianity friendly to homosexuals OR heterosexuals, as for heterosexuals who are not Mormon Christians, but some other branch of Christianity, Christianity is like a birth control pill, as it seizes both homosexuals and heterosexuals with fear of eternal damnation over sex and masturbation. Then, for the children, an indoctrination of an odious lie is introduced that claims that we were "born into sin."

Despite what I said about there being homosexuality in the Catholic Church, make no mistake, Christianity from its inception has discouraged any sex for pleasure between consenting adults, punishing homosexuals and heterosexuals with death, while child rapists go free. This is in the Jewish Talmud where consenting adult sexuality is to be punished with death, but Jewish men or

women who seduce young Gentile children are held in high regards.

As for homosexuality enjoying a greater "tolerance" in both Christianity and Communism, these programs are changing with the times, as both of them need more useful idiots, and Christianity is weakening so badly that one's sexual preference doesn't matter as much as it did before. Adolf Hitler never persecuted homosexuals who were loyal to him, but the Jews see to it that he gets the blame for how Josef Stalin treated homosexuals. Under Stalin, "incurable" homosexuals who cannot breed, but are still creative in other ways, were sent to the most horrific mental institutions for the criminally insane. Stalin certainly had Christian Values, while Hitler couldn't have cared less about one's sexual preference, provided that the individual was a good National Socialist. That is hardly Christian.

"American Newspapers claim that Stalin has been preordained to save Christianity." -- from the Goebbels Diaries

4) A message for new people who come to Satanism confused about sexual preferences

Unlike the corrupt Right-hand Path religions of the world, Satanism encourages both homosexuality and heterosexuality, as long as it doesn't involve race-mixing, and that this sexual freedom isn't abused by using it in illegal ways. Satan doesn't care about which gender you're attracted to. Satan only cares if you're a good Satanist/National Socialist. It's as easy as that.

Understanding the Idea of Israeli Land Under Talmudic Law
JOSH BORNSTEIN April 9, 2015, 12:56 pm

[http://blogs.timesofisrael.com/understa ... mudic-law/](http://blogs.timesofisrael.com/understa...mudic-law/)

Recently, I have begun to intensely study the Talmud, and it has proven to be a very spiritually enlightening experience. The Talmud has much to teach us about God, Jews, Israel, and daily life. "It's a central pillar for understanding anything about Judaism, more than the Bible," says Rabbi Adin Steinsaltz, one of the world's best known Talmudical scholars. "The Talmud is not a divine gift given to people. The Jewish people created it. But on the other hand, it created the Jewish people. In so many ways, we're Talmudic Jews, whether we believe in it or not."

All practicing Jews are Talmudic Jews, as the Talmud is the very core of Judaism. The Talmud is the rock which forms the base of Judaism and Jewish law. We can see the Talmud's influence all over Israel today, from Israel's calendars to its legal codes. In the words of Herman Wouk: "The Talmud is to this day the circulating heart's blood of the Jewish religion. Whatever laws, customs or ceremonies we observe – whether we are Orthodox, Conservative, Reform or merely spasmodic sentimentalists – we follow the Talmud. It is our common law."

Make no mistakes about it: under Talmudic divine law, Israel absolutely has the right to exist. In fact, Israel has more than the right to exist. Under Talmudic law, Israel actually has the right to FAR more power than it currently has. An examination of the Talmud and what it teaches us about the rightful place of Israel can be very enlightening and eye-opening to those of us who are not yet aware of how Talmudic law works.

Studying the Talmud is currently something associated almost exclusively with Orthodox Judaism and Conservative Judaism. That's a shame, because all Jews – including the most ultra-reform Jews – have much to learn from the Talmud. Again, the Talmud is the foundation of all Jewish beliefs. How important is the Talmud? So important, in fact, that Israel is now basing much of its legal system on the Talmud.

A Jewish state fully endorses the use of the Jewish Torah and the Talmud as the laws of the land. Last year, as part of a series of moves designed to make Israel's Jewish status crystal clear, Benjamin Netanyahu publicly stated that he aims to make Israel's legal system based on the Talmud, as it should be. In Netanyahu's own words to the Likud party's ultra-Orthodox member Yaakov Vider: "We will legally define the Talmud as the basis of the Israeli legal system."

As the Jewish state, Israel's Jewish essence must be felt in every single aspect of Israeli life. The Talmud is the divine law of the Jewish people, so it's essential that it also be the law of Israel – the Jewish state. Regardless of one's feelings about Netanyahu, his commitment to following Talmudic law and cementing Israel's Jewish status is truly something to be admired.

However, by acknowledging the idea of "Palestinian land," Netanyahu is betraying the Talmud and Talmudic law. If there is one term that I truly cannot stand to hear, it's the term "Palestinian land." Talking to other people in the Jewish community, I often hear the term "Palestinian land" thrown about, and it always deeply irks me. Any Jew who speaks of "Palestinian land" clearly has a very deep misunderstanding of Jewish law. The Talmud makes it very clear that all land belongs to Jews, and that Jews may seize any land that they so desire. Schulchan Aruch, Choszen Hamispat 348: "All property of other nations belongs to the Jewish nation, which, consequently, is entitled to seize upon it without any scruples." This is directly from the Talmud. Why, then, should the "Palestinians" be entitled to any land? Why should they even be allowed to exist?

In the words of top Israeli Rabbi Ovadia Yosef, "Goyim were born only to serve us. Without that, they have no place in the world; only to serve the People of Israel." Likewise, Rabbi Ya'acov Perin

has publicly stated: "One million Arabs are not worth a Jewish fingernail." Shocking? It shouldn't be. This is Talmudic law as well. The Talmud makes it very clear that the life of a non-Jew has no value, and that gentiles exist only to serve Jews. Sanhedrin 59a: "Murdering Goyim is like killing a wild animal." Abodah Zara 26b: "Even the best of the Gentiles should be killed." Baba Neria 114, 6: "The Jews are human beings, but the nations of the world are not human beings but beasts." Midrasch Talpioth, p. 225-L: "Jehovah created the non-Jew in human form so that the Jew would not have to be served by beasts. The non-Jew is consequently an animal in human form, and condemned to serve the Jew day and night."

This is directly from the Talmud, and these are just a few of many examples. Jewish divine law makes it very clear: the "Palestinians" not only have no right to any land, but the "Palestinians" are not even human beings and thus have no right to even live at all. The "Palestinians" are worthless subhuman beasts and vermin. Jews are human beings, but gentiles are subhuman beasts whose only purpose is to serve the people of Israel. The only reason that goyim have to exist is to serve Jews. If goyim cannot serve Jews, then they should be exterminated. We allow Americans, Australians, Canadians, and Europeans to exist because they serve Jews and they serve Israel – and, when they get out of line, we attack them, like we did to the Americans when we sunk their USS Liberty. In the words of former Israeli Knesset member Yossi Sarid, "We control US politicians like marionettes." Countries like the US, Sweden, and Australia play valuable roles not only in protecting Israel, but also in serving as dumping grounds (or garbage cans) where Israel can send Sudanese, Syrians, and other subhuman waste who seek asylum in Israel. Multiculturalism in the West has ultimately been of great benefit to the people of Israel, as it allows Israel to ship off invaders to the West rather than having them infiltrate and invade the Jewish state of Israel, thus threatening Israel's Jewish character. Multiculturalism is something that exists strictly for gentiles. It is NOT something that should ever be attempted in Israel. Israel is the Jewish state, and allowing ANY non-Jews into Israel would be unthinkable. This is precisely why, when African baboons come to Israel, they are sterilized, shoved into crude containment facilities, and eventually shipped off to gentile nations like Sweden, Canada, and Australia – as they should be. Their inferior monkey genes are not wanted anywhere in Israel, as they spread nothing but crime, destruction, ignorance, and misery.

Non-Jews have absolutely no place in Israel, and they have absolutely no place attempting to boss Israel around. The life of a non-Jew is disposable, and Jews are entitled to take the lives of non-Jews whenever necessary. Again, the only purpose of non-Jews is to serve Jews. If non-Jews are not able to serve Jews, then, under Talmudic law, they should be exterminated. "Palestinians" do not serve Jews in any way. In fact, "Palestinians" do the exact opposite. "Palestinians" are the single biggest threat to the continued existence of the Jewish state that there is. As such, it's time to stop pretending that "Palestinians" have any rights whatsoever. It's time to deal with the "Palestinians" the exact same way that we would deal with cockroaches, termites, fleas, ticks, and all other parasites: through swift and merciless extermination.

The Talmud clearly states (Bamidbar raba c 21 & Jalkut 772): "Every Jew, who spills the blood of the godless (non-Jews), is doing the same as making a sacrifice to God." Isn't it time for a mass sacrifice of ignoble "Palestinian" scum? Isn't it time to cleanse the land of Israel – which rightfully belongs to the Jews – of all inferior subhuman vermin? What we need to do is to round up all "Palestinian" cockroaches and slaughter them like cattle. We need to take immense pleasure in raping, torturing, and murdering "Palestinians." We need to boil "Palestinians" alive in boiling human feces. We need to take "Palestinian" babies and stomp them to death in front of their parents. We need to cut open pregnant "Palestinian" women, put their fetuses on pikes, and leave the fetus-pikes all over "Palestinian" neighbourhoods. We need to anally rape "Palestinian" women with butcher knives in broad daylight. We need to burst into "Palestinian" hospitals and butcher "Palestinian" newborns right in front of their helpless mothers. We need to stuff pig's heads with explosives and throw the explosive pig heads into "Palestinian" mosques and community centres. We need to take Uzis, bust into "Palestinian" preschools, and slaughter every single "Palestinian" child and teacher inside. We need to mutilate, rape, beat, and torture "Palestinians" in public, while

other "Palestinians" watch helplessly. We need to massacre "Palestinian" men, women, and children without any mercy or pity. The Talmud orders us to do so, and any Jew who disagrees has clearly never read and understood the Talmud.

The thing to be done about the "Palestinians" is to KILL them, exterminate them, get rid of them. How do we deal with cockroaches? We don't argue or debate with them. We exterminate them. If we exterminate cockroaches because they destroy the foundations of our houses, why shouldn't we also exterminate "Palestinians," who destroy the foundations of the Jewish state of Israel? Shouldn't "Palestinians" be treated even more harshly than cockroaches, termites, and other smaller parasites? "Palestinians" are, after all, a much more powerful and destructive breed of parasite. Whereas cockroaches and termites merely destroy buildings, the "Palestinian" virus threatens to destroy the entire nation of Israel and the Jewish people along with it. Shouldn't we treat the "Palestinian" cancer the same way we would treat any other cancer? Shouldn't the "Palestinian" parasite be swiftly and violently exterminated, the same way we would exterminate cockroaches or termites? The answer is yes, and the Talmud clearly agrees with me. The Talmud says (Coschen hamischpat 425 Hagah 425. 5): "It is the law to kill anyone who denies the Torah. The Christians belong to the denying ones of the Torah." Under Talmudic law, Jews are permitted – and, in fact, encouraged – to kill Christians, Muslims, and anyone else who denies the Torah.

The only use that "Palestinians" could possibly serve would be as test material for medical experiments. Normally, we wouldn't be able to conduct medical tests on humans if those tests cause significant pain. But, since "Palestinians" aren't humans, we can cause as much pain as we want to them. We can inject "Palestinian" children with unstable chemicals, we can chop open pregnant "Palestinian" women, we can strip the flesh off of "Palestinian" babies – we can do whatever we want to these worthless subhuman vermin. And, by conducting medical experiments on "Palestinians," we can obtain medical knowledge that will ultimately be useful in providing medical assistance for Jews. Not only that, but it would also be a lot of fun to do. Could there be anything more satisfying than the helpless screams of a "Palestinian" child as it's torn apart by Jewish doctors? I certainly can't imagine anything more enjoyable. The Talmud (in Yebamoth 98a) clearly says: "All gentile children are animals." Under Talmudic law, "Palestinian" children are not human. They are subhuman beasts and we are thus free to rape them, torture them, and kill them as we please.

I will never condemn ANY act – no matter how cruel or savage – committed against a "Palestinian." The "Palestinians" are inferior subhuman beasts, and are not even worthy of breathing in Jewish air. The life of a "Palestinian" has no more value than the life of a flea or a tick. They are vile, filthy, disgusting, worthless, parasitic, subhuman vermin and they need to be violently purged from the face of the Earth, which rightfully belongs to the Jewish people. We need to hate them, we need to segregate them, we need to discriminate against them, and, most of all, we need to kill them. Israel is not going NEARLY far enough in its attempts to wipe out the "Palestinians." We need to have ZERO mercy or pity for these vulgar subhuman parasites. If we do not exterminate the "Palestinians," they will exterminate us. History has taught us again and again that gentiles pose a major risk to the existence of Jews. Have we learned nothing from the Holocaust?

The "Palestinians" could very well perform another Holocaust against the Jewish people if we do not exterminate them first. The Nazis successfully killed six million Jews. The "Palestinians" could kill even more – unless we kill them first. Are we really going to sit back and simply wait for the subhuman "Palestinians" to carry out a new, even deadlier Holocaust against the Jewish people? Is that a risk that you want to take? If not, then it's time to wipe out the "Palestinians" once and for all, and in the most brutal, violent manner possible.

"Palestinians" deserve nothing more than a slow, painful, and agonizing death. There can be no "Palestinian" left alive. We need to utterly exterminate the "Palestinians." Then, once we butcher every single "Palestinian," we need to dig up "Palestinian" graves and burn their bones. Israel needs to focus all of its energy to ensuring that the "Palestinians" are completely and utterly wiped off of

the face of the Earth. The only good "Palestinian" is a dead one.

I am sick of hearing "Palestinians" complain about "oppression" and "genocide," even though Israel has never once come anywhere close to giving these Arab cockroaches the real genocide that they so richly deserve. These two-faced, terrorist-supporting "Palestinians" NEED to suffer a real genocide, and, if violence against "Palestinians" ever goes viral in Israel (and I know it will), I myself will not hesitate to move to Israel, join the IDF, and take an AR-15 to the nearest mosque, especially if on a Muslim holiday like Ramadan. I would love nothing more than to savour the screams of "Palestinians" as I invade their "safe" places and mow them down with advanced Israeli weaponry.

"Palestinians" have proven via their anti-human behaviour to not be humans. We need to legally change the definition of the crime of murder so that killing a "Palestinian" is not murder and carries no penalty (since "Palestinians" are not human). We need to encourage all Jews in Israel to butcher "Palestinians" without any mercy or pity. In fact, we should even give out rewards for people who kill the most "Palestinians." We should hold contests to see who can kill the most "Palestinians" in the shortest amount of time, with money rewards for the best and most effective "Palestinian" killers. We should offer Jews cash incentives to kill "Palestinians," like, for example, giving out shekels to any Jew who kills "Palestinians," with more shekels being rewarded for more "Palestinians" killed.

Whenever I'm asked how many "Palestinians" Israel has killed, I know the answer instantly: not nearly enough. Until there is not a single "Palestinian" left breathing, that answer will remain the same. "Palestinians" are a plague upon Israeli civilisation, and they're a plague that needs to be wiped out. My friends, the time to kill "Palestinians" is long overdue. Grab your weapon today and let's take out this "Palestinian" scum. The "Palestinians" are parasites and pigs. It's time to take the pigs to the slaughter. Death to all "Palestinians" and death to anyone who stands in the way of the Jews.

Subject: The destruction of Astaroth's Temples			

For anyone watching world affairs, we all have seen what the ISIS savages have been doing to all the temples they pass. Obviously, ISIS is our Goddess and this is beyond any doubt that the jews behind this have named this organization to blaspheme her. As everyone knows, the kikes never lose an opportunity to make everything around or within Paganism/Satanism look bad in every sense. They are going a "religious revolution of spreading monotheism" and these islamic savages are doing what their jew-cousins in xianity have been doing some centuries ago. This has been going on in the East quite a while and everyone knows the kikes have incited war after war in the Middle Eastern regions. People there cannot find peace and whole Races are getting relentlessly attacked by the jews. They are "goy" (animals) for slaughter after all, according to them. Also, the jews are "entitled" to their land by this fable book they have put the world under, namely the "bible". This in short has stirred up much pressure in the middle east for around 65 years. People can never have peace with one another.

Basis of everything these prelithic monkeys are, are all in these "books" or around these "books". All these were created by and influenced by jews for hundreds of years. There has been a backlash in the Islamic region, but thing is, the ISIS and other so called organizations of that nature are jewish funded and operated, head to toe. The kikes always want to be on the end of the "defender" and of the "good". They did the same in 9/11 to get the US involved in their ethnic cleansing

operation in the Middle East, which is beyond any doubt and the whole American continent screams about this. This here is no different. "Terrorism" which they cultivate, pay for and create, has been their most potent weapon to get everyone to feel sorry for them and help them in anyway possible, or to tie them in to their shit.

They destroy the Pagan religions and all knowledge of people, keep them from advancing and de-evolve them by thousands of years, inject their jewish books, then they play the victims on the results of their old , while they get huge profits for doing that, so they can advance even further. Thats the way the jews work with these things as history has proven.

The jews have created "christianity" which destroyed Europe, the Mediterranean, the US, many others, did the Slave trade which destroyed the African Continent, invented and cultivated Islam which destroyed the East and also corrupted the religions of the Buddhists and other spiritual religions and cultures of the Chinese, Japanese etc. Communism that has turned China into a cutthroat country is also their invention and so forth. They have also completely wiped out other Races, directly or indirectly. They are now staging the invasion of hundreds of immigrants to Europe, while they have Europe by the balls and in a policy that simply lets everyone get in. Through this they seek to destroy all these Races and also, they are trying to get Europe involved into their "terrorist" trick they are pulling off, while also destroying Europe and the Europeans. Things are quite simple when you see the jews. When you do not, or choose not to understand, there is no way all this can be "connected" upon a base of understanding. All seems like a coincidence. Read the fucking Talmud, the protocols of the elders of Zion, then "coincidence" gives place to "fact". Coincidences are for those who aren't spiritually aware. Satan opens our eyes and we see for ourselves. The jews have used this "immigration" policy and Racial infiltration since the Ancient times, with Moses being the paradigm in the bible, as others, who supposedly infiltrated Egypt and then destroyed the Egyptians while stealing all their knowledge etc, with which they destroyed their host and put them to death. These methods of Racial Warfare, erasing the past, working everything always behind the scenes unless they have absolute power, these are all jewish ways of action.

Also, the Nazis have stated again and again, that the problem that the Western World would face, would be massive immigration, the Islamic threat and so forth. These were nothing less than prophecies. According to Adolf Hitler, there were some things that would happen in the next century, such as the destruction of America from within, due to Racial Warfare (the jewish media are pushing Racial warfare and the Blacks against Whites, more than ever etc), the invasion from the East (this is already happening), the Unification of Europe (this has already happened by the kikes are working overtime to destroy and bastardize Europe to no end, by their distant jewish hands), among other things. You need to keep your eyes open and remember that the values Satan and the Gods are giving us are not only leading to a better life, but to better our communities and so forth. Its up to you to fight these parasitic infidels that are doing this muppet show to destroy Humanity, so they can rule over a kingdom of shit and idiots.

Now getting back to the Temple of Astaroth. I don't want to make many mentions, other than you can direct energy to Satan and Lilith or Astaroth herself. Let her know that we will always remember her and that Humanity will not forget. These savages might destroy our physical monuments, but the Gods are, were and will forever be alive. Lady Astaroth protects many people from our Groups and many other Satanists and she is a very Beautiful, Kind and Great Goddess, for those she guards and also anyone in her request. The first and foremost you can do to give back to Her, is raising energy to send to the Powers of Hell and also working to destroy these rats of "gawd" by spiritual means, because the Powers of Hell are involved all together into this effort. They haven't and will never give up on us or quit, no matter how many hundreds of years, the Gods are eternal and the enemy will pay the bill. Also, you can send energy directly to Satan and Lilith in the request that this is given to Astaroth, or for those that can do this, to Astaroth directly, as a gift.

Subject: Christians Kill Toddler by Intentionally Starving Him to Death

Christian victims of choice are infants, toddlers, and children. This is no different from how angels prey upon little children to kill them.

The little boy was intentionally denied food for 25 days before he died.

Texas church members accused of starving 'demon-possessed' toddler and then trying to resurrect him

A Texas couple fled to Mexico after a failed attempt to raise a starved toddler from the dead, police said. Officers received an anonymous tip March 26 that the 2-year-old boy had died nearly a week earlier but was not reported, according to NBC News.

Police went to a Balch Springs home, which also operated as a church, where they were told a "rising ceremony" had been performed four days

earlier in an attempt to resurrect him, the network reported. The child's body was taken to Mexico the next day by his parents and other members of the Congregacional Pueblo De Dios, police said. Investigators have not yet located the parents or church congregants.

Video of the ceremony appears to show Aracely Meza, the church's secretary, praying and speaking in tongues over the toddler's body, which

she anoints with oils, as other congregants gather around. Meza, who is not the child's mother, was charged with injury to a child by omission.

A woman who knew the boy's mother said pastors believed the child was possessed by demons, and she said the boy went 25 days without food before he died. The video shows Meza asking Jesus to give breath to the boy, identified as Benjamin, during the hours-long ceremony.

After the ceremony fails to bring the boy back to life, Meza breaks down crying. Congregacional Pueblo De Dios, which was formed in 2007, is affiliated with the Hispanic Conference of the Congregacional Holiness Church, a Georgia-based Pentecostal denomination, reported NBC News.

There is a long thread regarding race-mixing in the e-groups. People really need to wake up and get educated. The Jew creates the problem, provokes the reaction, and then pushes the solution. Race, culture, personal individuality, sex, identity are all destroyed and then history is rewritten and replaced with lies. People piss and moan about Christianity, Islam and related filth, but fail to really see that these programs are the result of the systematic destruction of history- libraries burned; books and knowledge removed from the populace and replaced with nothing but lies. With no history, people have no idea of who they are or where they come from. We are told the Jews are the "Chosen of God" and the Bible is the "Word of God" and that Adam and Eve were our "original parents" and that YHVH created us. And of course, "jesus loves you."

The level of stupidity is profound. Want to know where the race-mixing is going to lead to? If people would take the time to really read and understand this:

<http://www.exposingcommunism.com/Jewish%20Enforced%20Microchip.pdf>

Yes, everyone will be equal. No more individuality, identity, race, sex, or even individual thought. Everything will be controlled by top Jews with a push of a button. You will be a slave like everyone else, worked to death and then discarded like trash. This sort of thing is and has been going on in other worlds that are on a lower level. The Greys are a perfect example. They are a mind hive and their thoughts, actions and everything they do are controlled by the higher reptilians. Just a massive slave state where human beings will be disposable throw-aways. Trash, garbage.

People are so uneducated to what is the truth and are literally steeped in lies that few really know the truth about Satan that he is our Creator God. They believe a most hideous human-hating monster with a foul and most odious spirit who loves the Jews above all else is supposed to be the creator. Take a long look at history in the way of wars, famines, mass-murders, and other ugliness and see the hideous influence these lies have had.

So many people are plain stupid and lazy. Few even bother to stop to think. For example- I don't know how many times I have heard the statement that there is no such thing as a stupid question. This statement is parroted endlessly as if it were truth. Well, I experienced this sort of thing early on. I worked as a cook for many years. One night, we were loaded with customers and extremely busy. One of the newer waitresses came to the window and shouted at me "IS THAT ONE STILL THERE?????" I shouted back "WHICH ONE?????" She then replied "THE ONE I PUT IN." Ok, there were some 30 + orders I was dealing with and she could easily see this. In addition, she had at least 12 tables out there she was waiting on; each of her tables had multiple customers.

Another one was an idiot who telephoned me some 35 years ago. Cell phones, even cordless phones

didn't exist back then. Just a telephone connected to the wall at one's home and it stayed there, as that was the only place it would work. The idiot then asked me where I was at.

Another one is the endlessly repeated questions some people ask in these groups. Most often, the person who posts these same old questions is too lazy to try to find the information on his/her own. I can definitely understand if one has done one's studying and still cannot find the answer, but this is most often, not the case.

In most households, the first thing one does when one awakens is turn on that goddamned television set. In some households, the TV is never turned off; it is on 24/7. It is a focal point. Many idiots are literally glued to it as long as they are awake and at home, OR any other place that has that Jew-programming box running. This isn't to say that one can't learn a few things from selective viewing, but I have seen so many idiots, yes, idiots who sit in front of that TV, watch whatever is on or flip through channels, endlessly watching worthless Jew crap, eat in front of the television, etc. The canned laughter lets the idiot viewer know something is supposed to be funny and it is ok to laugh. Music tempo lets the viewer know when there is suspense, or a scene is frightening. For the lazy and unmotivated, this is ideal, as one doesn't even have to think. For many, even thinking is asking too much. This is why civilization as we know it is on the brink of disaster. There are even full adults that actually believe that meat, eggs, dairy and everything else one finds in a supermarket are "made in the back."

Unlike Christianity, Satanism does NOT revere the mentally retarded. Satan wants us to be the best we can be. Satan wants for us to be strong. Satan wants for us to be informed, knowledgeable and educated. Satan wants for us to use our brains...to think. Right now, if one would do the reading and studying, Joy of Satan Ministries has completely exposed Christianity, Islam and related enemy programs to where there are no questions left. We have provided the answers. Both Satan and Lilith have worked through our ministry, along with many of our Demons and have given us answers. We have worked long and hard writing articles, sermons, answering questions in these groups, as have many members who have had endless patience. Only you, yourself can do the studying. I do know Satan is very strong on one's educating one's self.

Very recently, I got into an argument with a manager at a small store over a price. He was breaking the law by having a sticker at a lower price on the item and then trying to charge more at the register which is illegal. This guy was sooooo stupid. He was also ignorant of the law. Then, he tells me I should watch "Judge Judy" or some crap like that. I just left. This guy was a total idiot. It was obvious why. I would bet he spends all of his off-time glued to the television set. This isn't funny. It is a tragedy where everything our forefathers fought, bled and died for is going to shit because of stupid idiots, and the weak who won't do anything and just sponge off of the stronger ones, eventually draining and bringing them down. Too lazy to even try.

I remember the 9-11 incident. Both my son and I worked 3rd shift. We would wake up in the afternoon, normally. I had a rule for myself. I have always studied for a minimum of 2 hours a day. It was around 7:30 pm and my son came running to my room and yelled- "Mom, turn on the news!" [With what I wrote in the above, I was referring to the sitcoms, worthless talk shows, and other junk, NOT the news or documentaries or content that is educational that is on TV, this also includes some movies that are worth watching].

My point here is the less one does with one's mind in the way of learning, the less one's intelligence level will be. The mind is like a muscle. Use it or lose it. In the case of lose it, one becomes a slave. Others direct the thinking of imbeciles.

Everything exposing Christianity for what it really is, is on the Joy of Satan website, Exposingchristianity.com, Satan's Library where there are numerous pdfs that are free to download that also contain important information. People need to study and read.

In closing, as for the reverse torah rituals that have really done the enemy a lot of damage, the planets have been off for a few months now. This will change in June. I will post in advance the rituals we will be using. Everyone should participate and do these rituals, as we have seen from experience, they have really done a job on the enemy. But, again, there are lazy shiftless people. I do know Satan doesn't have time for these types.

We all know what the same old, same old stupid questions are, as they are often asked on a weekly basis. Now, next time you go to answer one of these stupid questions, or any other junk, and again... stupid questions are questions where the information is very easy to find on the JoS website, time yourself and see how long it may take you to reply. This also includes corresponding with worthless individuals who only waste your time, doing absolutely nothing at all to better themselves. Take just 5 minutes a day on the average, which is way below what many spend online interacting with dolts. 5 minutes a day, in 7 days is 35 minutes. Within a month this adds up to around 2 hours and 20 minutes. Within a year, it adds up to more than an entire day wasted. This time can never be replaced. Today is NOT the first day of the rest of your life. Everything you have done up until now for better or for worse will determine the rest of your life. We cannot hit the rewind button on our lives. Of course, everyone makes mistakes, but LEARN from those mistakes! Our Anti-christ told me this- learn from my mistakes. Many mistakes are due to not bothering to stop to think.

Yes, there are a lot of legitimate questions in the groups that are worthwhile and should be answered, so please do not take this wrong. Also, new members come into the groups and the forum at the groups and forums webpage and not through the JoS website, so it is important to take this into consideration. As for certain people who are too lazy and unmotivated, this is an entirely different matter.

Satan represents knowledge.

Subject: ALL Christianity Is Zionism

ALL Christianity Is Zionism by High Priest Jake Carlson

While the Christian Bible is loaded with contradiction after contradiction, all of which could suit any side of almost any argument, one thing within Christianity's message remains the same, as well as loud and clear, and that is Jewish victory and supremacy over the Gentiles, especially the White race, who the Jews' sole purpose is to annihilate, as we are the direct descendants of the one who is known as Satan. The book that I chose to use for this sermon is "When a Jew Rules the World" by Christian-Zionist author, Joel Richardson. This book shows how Christianity, in the original form that would have been taught by the fictitious Jewish characters of the New Testament, is based entirely upon the equally fictitious Jewish prophets and the scriptures of the Old Testament. Both Testaments of the Christian Bible are pure Zionist Communism, and both Testaments depend on each other in order for Christianity to be Christianity.

"When a Jew Rules the World" is a very dirty book that is full of typical Christian lies, and is saturated with Jewish garbage and excrement. I don't recommend it, but Satan found this book for me to use in order to write this sermon, as I can use this Christian Jew-lover's efforts in a Satanic manner against Christianity and its lies. Oftentimes, in spiritual warfare, we have to get ourselves covered in dirt, so to speak, in order to make the necessary impact that is needed and expose what needs to be exposed. Most of the words in this sermon that are in brackets are my own words that I have inserted to emphasize the points that the author is trying to make.

"...Christian (or biblical) Zionism long preceded secular or Jewish Zionism. Supersessionists [Christian "replacement" theologians] seem determined to deny this fact. Carl Medearis...articulated the supersessionist claim when he said of Christian Zionism, "[It is] a very recent heresy that's only risen in the last 100 years or so." Though obviously far from the truth, this claim has been widely repeated among supersessionist polemicists seeking to undermine the rich tradition of restorationism among Christians, including many from a non-Dispensationalist, Reformed tradition." p. 204

It will take another separate sermon for me to fully explain the meanings of the Christian "Supersessionist"/Replacement and "Restorationist" theologies, but both are Jewish inventions, and most Gentile Christians are totally unaware of this fact, as they tend to only believe what is convenient for them to believe, rather than acknowledging the actual truth. Supersessionism was invented by the Jews to make a Gentiles-only, New Testament without the Old Testament, type of Christianity, look more seductive for Gentiles who are fed up with the Jews, as this form of Christianity is given more "credibility," albeit, a credibility that is non-existent. On the other hand, Restorationist Christianity gives credibility to a Bible-centered Jewish roots type of Christianity that conquers the Gentile nations of the world at the coming/"return" of Jesus Christ. This Bolshevik Manifesto is the theme of the Gospels and New Testament just as much as the Old Testament. Only the mentally handicapped cannot grasp this reality, but then again, to be a Christian, things like intelligence no longer matter once you give your soul to Jesus. Needless to say, it is only a FOOL who believes that one form of Christianity is any less evil than the other, even if the attempt is made to strip some of its Jewishness away. The thing to remember is that ALL Christianity is Jewish, and therefore, anti-

humanity.

[Concerning the coming/"second" coming of Christ] "Foreigners [Gentile nations] will build up your walls, and their kings will minister to you... Your gates will be open continually; they will not be closed day or night, so that men may bring to you the wealth of the nations [Gentile wealth], with their kings led in procession. For the nation and the kingdom which will not serve you will perish, and the nations [Gentiles] will be utterly ruined." And "...All those who despised you will bow themselves at the soles of your feet; and they will call you the city of the LORD, the Zion of the Holy One of Israel [Christ]." Isaiah 60:10-12, 14: p. 58

It's obvious that the Jews concocted Christ, not "killed" him. Since Jesus Christ is a fictitious, Jewish character that the Jews at the top are working fervently towards manifesting in the form of a human being, they rely on the prayers to and the psychic energy towards the "second" coming of Christ from Gentile believers. Since the "Holy Bible" is nothing more than a subliminal message of Jewish victory over the Gentiles, it is etched into the psyches of the Gentile races, the White race most of all, that the Jews win this earth. Unless Gentiles really start waking up, what the Christian Bible promises is that the non-Jewish nations will be enslaved by the Jew, Jesus Christ, and the Jewish inheritors of the earth in the Communist One World Government and Religion of Jesus Christ the Nazarene. If our Gentile peoples do not wake up and start fighting against this Jewish plague at every turn that is in a way that is legal, i.e., spiritual warfare, our defeat is imminent. Adolf Hitler warned us in Mein Kampf that if Christianity wins with the coming/second coming of Christ, then our annihilation is at hand.

"...The scriptural testimony is thorough, consistent, and clear that after Jesus returns, Israel will exist as a national kingdom, with many other distinct nations [Gentiles] rallying to her as the GLOBAL LEADER [emphasis, mine]. At the heart of the nation of Israel will be Jerusalem and the Temple, from which Jesus the Jewish King will reign over His people. ...Numerous passages describing this time portray a thoroughly distinct Jewish nation at the center of the world." p. 89

As for any Gentile who resists Jesus Christ in the Jewish One World Religion/Government, Christ says in Luke 19:27, "But those mine enemies that would not that I should reign over them, bring hither and slay them before me." In Psalm 110, before the Nazarene blighted the Gentile peoples of the world with his odious presence and his Marxian creed in the Jewish story of the Christian Bible, Jewhovah/Yahweh tells Christ's pre-incarnated form, "Sit at My right hand until I make Your enemies a footstool for Your feet." "The LORD will stretch forth your strong scepter from Zion, saying, "Rule in the midst of your enemies." (Psalm 110: 1-2) p. 91

It should be noted that if the fictitious characters of Christ and Paul had existed, they never would have taught any "new" religion. All these Jewish kikes taught was one version of Judaism for their people, the Jews, and another version of Judaism for their enemies, the Gentiles. Regardless of which version of Judaism is taught, it is pure Zionism. Many deluded Gentile Christians of both today and as early as almost 2,000 years ago, could not handle this Judaism, so under Jewish conquest, terror, violence, murder, and forced conversions, at the hands of the Jews, these Gentiles, under great pressure, accepted the Jewish offer of a "Paganized" Christianity. The catch, however, is that Christianity is Judaism, thus, a philosophy is invented, that is contradictory by its very nature, in that Judaism and Paganism totally clash and completely cancel each other out. Gentile souls are still received and collected by the human-hating "gods" of the Jews, regardless of how Pagan and familiar the Christianity looks. Anyone who thinks that Christ or Christianity can be de-Judaized is not of Satan, but is of our enemies.

Here is a frightening Bible verse concerning Christ and his wrath against the Gentile nations of the world, who he declares to be the enemies of the Jewish people. Christ speaking: "I have trodden the wine trough alone, and from the peoples there was no man with Me. I also trod them in My anger and trampled them in My wrath; and their lifeblood is sprinkled on My garments, and I stained all My raiment. For the day of vengeance was in My heart, and My year of redemption has

come... I trod down the peoples in My anger and made them drunk in My wrath, and I poured out their lifeblood on the earth" (Isaiah 63:3-4, 6). This goes to show what Christ does to those who oppose the Jewish people and their plans for world domination and to destroy us. "...The phrase "the day of vengeance" is not merely a general reference to the end times; rather, it is a very specific phrase speaking of the Lord's retribution against Israel's enemies and the ultimate triumph of Israel..." pages 228, 240

[Jesus in the form of Jehovah/Yahweh, speaking] "For behold, in those days and at that time, when I restore the fortunes of Judah and Jerusalem, I will gather all the nations and bring them down to the valley of Jehoshaphat. Then I will enter into judgment there on behalf of My people and My inheritance, Israel, whom they have scattered among the nations; and they have divided up My land. They have also cast lots for My people...Let the nations be aroused and come up to the valley of Jehoshaphat, for there I will sit to judge all the surrounding nations (Joel 3:1-3, 12)." "...While Joel's prophecy speaks of YHVH God as the judge, Jesus spoke of Himself as the judge, thus directly declaring Himself to be YHVH God. ...Jesus was sitting in the exact location where Joel says the judgment of the nations [Gentiles] will take place. ...Both Jesus and Joel made it clear that the nations will be judged because of their mistreatment of the Jewish people..." p. 239

In closing, because of the Jews, fictitious Jewish characters have replaced our Aryan Pagan Gods who have been viciously bound and defamed as hideous monsters who spread every kind of evil throughout the world. Satan and His Demons have taken the blame for every evil the Jews have committed against us.

As for every root and branch of Christianity being Jewish, Joel Richardson sums it up quite accurately: "Bluntly stated...if the Gospel that one preaches does not culminate with a Jewish man [Jesus Christ] ruling the world, then it is not the Gospel of the New Testament" (p. 7). It is impossible for any piece of Christianity to escape from Judaism, and this includes "Pagan" Christianity. Christianity is Zionism, and Zionism is Judaism, which of course, is where Communism comes from. Conservative "anti-Liberal/anti-Communist" Christians can't see this truth, as intelligence must be sacrificed in order to be a Christian.

We, the Gentile peoples of Satan are the victors in the REAL world to come, and justice is ours, as well as Satan's. Everyone must do their part to legally destroy the Jewish menace that plagues us and our planet.

Subject: On the Economic Collapse etc

Thankfully, nothing major has happened, just yet. This is no different than the "microchip" and other things, that the enemy has for the late years trying to force people to get, but has failed and failed again. This is positive and we should be thankful for that (but nevertheless prepared to fight and keep fighting against these things).

Every year many people predict such thing will surface, but for many reasons they do not. One reason is this may manifest in another way, or quite suddenly, not on any appointed day. For that reason, people need be prepared and mindful.

This is entirely positive and shows the enemy is losing power, in that they cannot have the world as their playtoy anymore. Also this shows, aside with many other signals, that our workings are taking place, real bad on them. The kikes have been always reknown for never going down peacefully and in the recent years many of their plans have failed. This started shortly after 2000. Satan and the Powers of Hell have specified that everything should happen with as much as less suffering and destruction as possible. The Gods don't want any famine, any war or anything to break out and they are working around the clock where this is possible, to save us from suffering. Yet the kikes are right now pushing other frontiers, as their wishes are being shunned. They tried to pass the acts on the Internet, they surely had some economic thing in the tracks as many have predicted this and the list goes on and on. This doesn't mean they can do all they want and all they please.

Now, for those who are inaware. One must always be ready for such disasters. Unfortunately history has many more instances to show where people have been suddenly robbed of their freedoms and enslaved, rather than instances where people got suddenly and without a drop of blood, more Free than they were. Infact, the second only happened very few times. The economic crashes of 2008, 1920 and so forth, show something very important: "It hits fatally and only when few or nobody knows". Predictions are one thing, reality is another. The enemy has had the bigger say in what "reality" was going to be. They have destroyed whole Nations by economic warfare and its no secret. This also largely depends on other Global Players, as in, there isn't only Europe and America in the World. There are other places where the kikes have either been losing grip, or these are acting disobediently towards them.

For that reason, and for generally handling one's life better, people should guard themselves. This involves getting a better job, saving, keeping things that might help you or in case anything goes down, you are prepared. The jews teach their fellow jews about these things, but Gentiles are blind in regards to that. We always think it will simply be a merry ride, but infact, many times one gets hit in the head with the shovel of reality so to say. One must always find themselves prepared-period. Satan and the Powers of Hell have shown me years ago a diagram. This was a diagram of "energies that are set". Energies that are set means, the energies that somehow create "Karma" or fate. This was for the collective of the planet. Given there was no energy against this (the jews and the idiots have been shaping this reality and the future by occult means) there would be much suffering indeed. As the years went and Satanist fought and as we still fight, we are creating a better condition and we are already "Steering" the Wheel towards a better way. For anything that is "prophesized" or "predicted" and does not happen, this is very positive, in that our side is gaining ground and we are forcing things to another, better direction for Gentiles.

Satan and the Gods want no suffering to emerge. This is all they are about and this is why they

wanted to perfect Humanity. Many will also notice how after years of meditation and being closer to the Powers of Hell, life will get better, they get better, their Soul gets better. The same principle applies to the "diagram" above. When one is born, Karma is "set". Now if you have the knowledge and you are using it, you change this "setting" until you are literally off the "Wheel of Karma" altogether. This is where one is free and they can guide their live as they see fit. The enemy and this is in their bible, in the "prophets" and all that ilk, they have plans for eternal, physical and spiritual suffering of Humanity.

Idiotic xians and fools are praying day and night, that that shit manifests and so forth. Though there are also people that don't really want this to happen. And this would happen if people weren't escaping of this filthy crap. But people do. Why? Because the Powers of Hell have freed this society and they are helping Humanity. Nobody could escape in the old times and this is a fact. Yet now, people are becoming more and more disobedient to the enemy teachings, Humanity advances technologically, kikes are being wiped out and so are their teachings and people are waking up. This is why the people of Satan and these Souls have been sent here. To change the course of this shithole so that people will not destroy themselves as predestined by the enemy. Remember, "Destiny" is nothing but set energies, so is "Karma". There is no jewish "God's Will" and other things. They simply utilized spiritual knowledge, butchered people, stole this knowledge and upon agreement with enemy hostile ET's they are trying to further their ends, which are suffering, enslavement and worse. This doesn't mean they will, or even remotely "should" succeed.

So long Satanists fight and give a stand and so long the Powers of Hell fight for these things, we will prevail. Any bad thing that doesn't escalate or gets erased, so that people live good, is a victory for us. Everytime freedoms are preserved and Humanity gets better, its a victory for us. This means conditions are getting better. Satan and the Gods even fought to get us out of the worst of times, the Middle Ages. They slowly have woken us up. The same applies everywhere. The Gods of Hell are nothing but positive when it comes to Gentile Humanity. They want us to advance. This is what they have been doing for hundreds of thousands of years. They have been fought severely for this, as there are other lifeforms that want us to destroy ourselves or be enslaved. One must bear this in mind. From watching Global affairs, the kikes are being turned down for their terrorism and people are waking up -real bad- and real fast. Their actions aren't anymore helping them hide. Also, they seem to have put the weight to the Middle Eastern situation (ISIS and other Savages) and on the immigration policy, to damage people from another frontier.

Damage is not always economic, by disease, etc. They are pushing other matters, as in trying to incite Racial Warfare in the media, massive immigration and so forth. Economic Collapse is a "fatality" playing card. While if they play it they may fuck everyone, they may aswell fuck themselves up in the end. So they are now pushing immigration and racial hatred first, so when the rug is pulled from beneath our feet, we Gentiles will simply turn to slaughter one another. In the meantime, most jews are migrating to Pissrael. This is all for a reason.

All in all, the War still goes on. And we must safeguard what is ours, while keep attacking the enemy, without stop. This is very serious. The jews have been building this legacy of theirs for hundreds upon hundreds of years, so they are where they are.

KEEP FIGHTING!!!

Subject: All Abrahamic Religions Are Frauds			

All Abrahamic Religions Are Frauds

Hebrew is taken from ancient Phoenician the ancient Hebrew letter glyphs are identical to the

Phoenician. Even the name of the letters are still identical in many places. Its not some magic language their God gave them, they stole it and altered it off us hated Goyim. The YHVH was adapted from the name of the High God of Byblos IEOU. Whom the Greeks and Phoenicians called Elioun this is also EL Elyion the god of the Jews:

Elyon (Biblical Hebrew עֵלְיוֹן; Masoretic 'Elyōn; traditionally rendered in Samaritan as illiyyon[citation needed]) is an epithet of the God of Israel in the Hebrew Bible. 'Ēl 'Elyōn is usually rendered in English as "God Most High", and similarly in the Septuagint as "Ο ΘΕΟΣ Ο ΥΨΙΣΤΟΣ" ("God the highest"). [source wiki]

EL is also Helios the Sun God the earliest found Synagogue in Syria has the image of Helios in the center of it.

The Jews write the main name of their God as Ha Shem. Shem is stolen from Shemesh which is also Shamash meaning Sun. Ha is the, Ha Shemash....The Sun.

Even the character and name of Moses is stolen from Hellenic-Egyptian-Eastern culture. Another spelling of Bacchus is Moses, Mises also Musa which is still Moses in Arabic. Which means no literal Moses, the Torah the heart of Judaism, Christianity and Islam is fake. The Jewish Moses being stolen from Bacchus was documented by Classical writers up till today. Even the Jews and Christians are forced to admit the identical tale.

Moses never existed:

<http://stellarhousepublishing.com/moses-dionysus.html>

Famed French philosopher Voltaire made the following astounding remarks way back in the 18th century - and he wasn't the first! Why don't we know these facts? Said Voltaire:

The ancient poets have placed the birth of Bacchus in Egypt; he is exposed on the Nile and it is from that event that he is named Mises by the first Orpheus, which, in Egyptian, signifies "saved from the waters"... He is brought up near a mountain of Arabia called Nisa [Nysa], which is believed to be Mount Sinai. It is pretended that a goddess ordered him to go and destroy a barbarous nation and that he passed through the Red Sea on foot, with a multitude of men, women, and children. Another time the river Orontes suspended its waters right and left to let him pass, and the Hydaspes did the same. He commanded the sun to stand still; two luminous rays proceeded from his head. He made a fountain of wine spout up by striking the ground with his thyrsus, and engraved his laws on two tables of marble. He wanted only to have afflicted Egypt with ten plagues, to be the perfect copy of Moses.

It is related in the hymns of Orpheus, that Bacchus had a rod with which he performed miracles, and which he could change into a serpent at his pleasure. He passed the Red Sea, dry shod, at the head of his army. He divided the waters of the rivers Orontes and Hydaspus by the touch of his rod, and passed through them dry-shod. By the same mighty wand, he drew water from a rock, and wherever they marched, the land flowed with wine, milk and honey.

Bacchus, was called the "Law-giver, and it was said of Bacchus," as well of Moses, that his laws were written on two tables of stone. Bacchus was represented horned, and so was Moses. Bacchus was picked up in a box that floated on the water, and so was Moses. Bacchus had two mothers, one by nature, and one by adoption, so had Moses. Bacchus and his army enjoyed the light of the sun

at night, Moses and his army a pillar of fire by night.

Moses being called the Law-giver and the laws being written on two tablets of stone, were obviously copied from Bacchus, but the idea of his (Moses) receiving the commandments from the Lord on a mountain was undoubtedly taken from the Persian legend of Zoroaster.

"In his gentler (Dionysus) aspects he is a lawgiver."

Subject: IMPORTANT! Concerning Demon Names			

Since I have been studying Hebrew, the quotes below now makes sense and are clear. I just ran across this a few minutes ago on Astaroth's webpage:

<http://www.angelfire.com/empire/serpentis666/Astaroth.html>

This is pretty serious:

"Although Sidon is respected, it could not be forgotten that her goddess was Ashtart, a name the Israelite scribe wrote with the five consonants 'strt', and vocalized them by the vowels of the familiar Hebrew word for "shame," making the Sidonian goddess appear in the bastard form Astoreth."

-Excerpt from "Recovering Sarepta, A Phoenician City by James B. Pritchard, 1978

"Of the various spellings of the name, Astarte, is found the Tel Amara letters. The Hebrew Astoreth arose when the rabbinical school of the Massorettes in the sixth century decided to adopt a conventional system to compensate for the lack of vowels in written Hebrew, and at the same time to insert in the names of foreign divinities the vowels from the word 'boshet', meaning abomination."

-Excerpt from "Who's Who Non-Classical Mythology by Egerton Sykes, 1993

Hebrew is purposely written without vowels. The vowels are the vibrations of power. I already explained in another post how the Jews, being as nefarious and deceptive as they are did this purposely, as for one to be really fluent in Hebrew, in most cases, one grew up speaking the language; in other words, a Jew.

To fully explain the two above quotes, the Jews replaced the original vowels for our Gods with imposter vowels, corrupting their names. The original Demon names are words of power. "bastard form" means "corrupted" in this case.

My point for posting this is ALWAYS- if any vibration or mantra makes you feel uncomfortable or if you

notice anything negative, then STOP immediately. I don't care what it is. I have written this numerous times in JoS articles and sermons regarding meditation, witchcraft, etc. I remember vibrating the name of a Demon many years ago and it didn't feel right so I stopped. Just know many of the names of our Gods have been purposely corrupted.

Satan brings knowledge as we go along. I had to learn Hebrew to understand this. If you ever have any negative experiences with a new mantra, you can neutralize them with vibrating the mantra for the Sun "SURYA" SUUU-RR-YAH or "RAUM" RR-AHH-UUU-MMM.

[Be sure to roll your R's] several times and clean your aura:

http://www.angelfire.com/empire/serpentis666/Aura_Cleaning.html

As we advance, Satan will reveal more to us, as the corruption is extensive to an extreme.

Again, I repeat myself- for those of you who are having difficulty putting Christianity and related programs behind you, take the time to study and read through the Joy of Satan website, www.exposingchristianity.com and the information in http://spiritualwarfare666.webs.com/Satans_Library.htm

Christianity has been completely and thoroughly exposed for what it is- a total hoax and lie. There shouldn't be any more doubts. Knowledge is the key to everything and Satan represents knowledge. Satan has given us this knowledge, so show him some respect by reading through it, studying and also if you are able to, sharing this with others.

In addition to Christianity and Islam being total hoaxes, they are spiritual tyranny. Like political tyranny [Jewish communism] which has murdered well past the 100 million mark, spiritual tyranny has done the same with human souls that have been coerced or have fallen into the trap of the enemy.

Satan/Lucifer has always been known for REBELLION AGAINST TYRANNY.

Open the Talmud and this is what the jooz believe:

<http://josministries.prophpb.com/topic8708.html>

"In the words of top Israeli Rabbi Ovadia Yosef, "Goyim were born only to serve us. Without that, they have no place in the world; only to serve the People of Israel." Likewise, Rabbi Ya'acov Perin has publicly stated: "One million Arabs are not worth a Jewish fingernail." Shocking? It shouldn't be. This is Talmudic law as well. The Talmud makes it very clear that the life of a non-Jew has no value, and that gentiles exist only to serve Jews. Sanhedrin 59a: "Murdering Goyim is like killing a wild animal." Abodah Zara 26b: "Even the best of the Gentiles should be killed." Baba Neria 114, 6: "The Jews are human beings, but the nations of the world are not human beings but beasts." Midrasch Talpioth, p. 225-L: "Jehovah created the non-Jew in human form so that the Jew would not have to be served by beasts. The non-Jew is consequently an animal in human form, and condemned to serve the Jew day and night."

Anti-Semitism is not the problem, its the solution.

<http://www.algemeiner.com/2015/04/15/israel-launches-initiative-to-have-antisemitism-recognized-as-an-international-crime/>

Former Ambassador Alan Baker is launching an initiative to make antisemitism an international crime.

Attorney Alan Baker, Israel's former ambassador to Canada and a legal adviser to the Foreign Ministry wants antisemitism to be treated as an international crime. In a new Israeli initiative, Baker is proposing that international courts be used to combat global hate crimes against Jews.

Baker has drafted an international convention calling on the "Prevention and Punishment of the Crime of Antisemitism." The Convention, which is drafted in the manner of classical international anti-terrorism treaties and those for other crimes, will allow countries to cooperate and exchange information with others, in order to extradite those suspected of acts that meet the definition of antisemitism, Israel's NRG reported in Wednesday.

"We need to set down clear rules on what constitutes antisemitism and to set up international codes

to prevent it. We expect that the initiative will be thoroughly discussed among all entities and countries that are engaging antisemitism on a global scale," said Baker.

Explaining the need for the Convention, Baker noted that, "everyone knows to condemn antisemitism, but they are not doing what is necessary in order to fight against it on an international legal level." He added that, "on the other hand, international courts invite people from around the world to account for various crimes. We think that this is precisely the place to also work decisively and unambiguously against antisemitism."

The Jerusalem Center for Public Affairs, where Mr. Baker is now a fellow, intends to release a draft of the Convention, during a series of conferences at the United Nations, to other international organizations, international capitals, and among Jewish communities and organizations around the world.

This will be done in order to encourage countries to support the initiative and to submit a draft of the Convention to the appropriate UN organizations, in order to obtain international approval of the Convention.

Baker said that, "if the world really wants to work against this terrible phenomenon, the time has come to line up behind the measures that are necessary to be employed against it."

From prayers of poop, to Rabbi's divination with human feces, to scat in all their holy texts and daily life, even in sexual perversion having a shitty day is good day for the jooz. Remember the Jew Freud he was obsessed with writing about his fellow Jews scatology as well. He developed whole personality profiles around people and scat. Where do you think "Anal retentive" comes from. Simple, people who gain pleasure from holding their crap longer become Anal retentive. I am not joking I had to learn this garbage in psychology.

I hear you ask all about the meaning of scat

Well I'm Freud the professor and all I can tell you

Is while you're still sleeping

The shits are still weeping

'Cause things you call dead haven't yet had the chance to be born

I'm the scatman.....

You are what you eat, here's the Scat Man!

Looks like someone's career went down the toilet.

Ira Isaacs [my note a Jew], a self-proclaimed "shock artist" **notorious for integrating feces-eating into porn**, was sentenced on Wednesday to four years in federal prison, three years of supervised release, and a \$10,000 fine, LA Weekly reported.

Where's The Scatman?

Yahweh' s the scatman!

The Bible it's a scoobie poopie poopie doobie melody.

The Obsession with Scat/Faeces in the Jewish Bible

[http://eatthebible.blogspot.ca/2009/11/ ... -poop.html](http://eatthebible.blogspot.ca/2009/11/...-poop.html)

As I've mentioned in previous posts, God occasionally has his prophets perform little object lessons for the Israelites to make His messages absolutely clear. Like when God forces Hosea to marry a prostitute to describe God's relationship with the people--who have been whoring after other deities. As is apparent, these little skits are everything but subtle.

But God makes one prophet in particular, Ezekiel, run these charades with some frequency, thus turning him into the Lord's very own kindergarten teacher for remedial-level Israelites. But unlike the cute lessons you learned in pre-school show-and-tell, Ezekiel's lessons are gross and degrading.

But as absurd as some of these lessons are, God saves his most disgusting for Ezekiel 4:12.

This passage takes place during the 390 days (that's over a year, people!) when Ezekiel is lying on his side. (I hope that the prophet isn't a back-sleeper.) During that time, the Lord suggests--well, demands--that the prophet observe certain dietary restrictions:

"And you, take wheat and barley, beans and lentils, millet and spelt; put them into one vessel, and make bread for yourself" (4:9) Not so bad, right? Whole grains are good for heart health! Well, wait ... God continues, "You shall eat it as a barley cake, baking it in their sight on human dung" (4:9-12). Yup, that's right ... on human dung. For over a year, Ezekiel must eat food that has been prepared over burning feces.

All of which makes the absolutely real Ezekiel 4:9 organic bread pictured above sound a little yucky, right? And hilarious! Biblical literacy is important, food movement!

But why does God make Zeke expose himself to airborne e. coli like that? Well, the Lord continues, "Thus shall the people of Israel eat their bread, unclean, among the nations to which I will drive them" (4:13). In other words, when God throws his people out of the holy land (as He shortly will), they will have to eat unclean food among unclean foreigners. (At some point during this time, God--perhaps seeing the cruelty of his ways--allows Ezekiel to cook his food over cow dung. Thank heaven for small mercies, right?)

But couldn't he let Ezekiel just say as much? Deliver a sermon on the temple steps where he cries,

"If you continue in your ways, God will throw you out of Israel, and you'll have to eat poop!"
Wouldn't that be sufficiently startling?

And isn't this months-long piece of performance art exquisite torture for poor Ezekiel, whose only mistake seems to be accepting God's call to prophecy?

More mention of scat and faeces in the Tanakh below:

'And E'hud said, "I have a message from God for you." And he arose from his seat. And E'hud reached with his left hand, took the sword from his right thigh, and thrust it into his belly; and the hilt also went in after the blade, and the fat closed over the blade, for he did not draw the sword out of his belly; and the dirty came out.' (2)

"In the territory of Jezre'el the dogs shall eat the flesh of Jez'ebel; and the corpse of Jez'ebel shall be as dung upon the face of the field in the territory of Jezre'el, so that no one can say, This is Jez'ebel." (3)

'But the Rab'sshakeh said to them, "Has my master sent me to speak these words to your master and to you, and not to the men sitting on the wall, who are doomed with you to eat their own dung and to drink their own urine." (4)

'Do to them as you did to Mid'ian,

As to Sis'era and Jabin at the river Kishon,

Who were destroyed at En-dor,

Who became dung on the ground.' (5)

'Speak, "Thus says the Lord:

'The dead bodies of men shall fall like dung upon the open field,

Like Sheaves after the reaper,

And none shall gather them.'" (6)

Shit obsession is normal to all Jews says Jew happily:

<http://www.kveller.com/article/a-jewish...-training/>

We talk about poop a lot in my family. You might think it's just because we're the parents of a toddler and an infant, and that's definitely part of it. But **we're also Jews**, so it comes naturally to us.

It's true. Jews love not only talking about their fecal habits, but also stressing about them. Are we pooping often enough? Too much? There's even a prayer, the Asher Yatzar, thanking God for the orifices of our body, and expressing gratitude that they open when they should and perhaps more importantly, that they remain closed when they should.

And I don't think they're talking about our nostrils. (On a related note, between our two daughters, we've had more than our fair share of blow-outs and poo-namis this week. Maybe it's God's way of reminding me to say my morning prayers... and not just the ones for coffee and more sleep.)

https://en.wikipedia.org/wiki/Asher_yatzar

Asher yatzar (Hebrew: אשר יצר (ברכת) "Who [has] formed [man(kind)]") is a blessing in Judaism. It is traditionally recited after engaging in an act of excretion,[1] but is also included in many Jewish prayer books as a part of daily prayer prior to Birkat HaShachar.[2]

The purpose of this blessing is to thank God for good health.[1] It expresses thanks having the ability to excrete, for without it, existence would be impossible.[3]

Though recited normally by observant Jews each time excretory functions are used, hence giving it the name the "bathroom blessing",[4] it is also recited during the Shacharit service due to its spiritual significance (to Jews, humans are made in God's image, so it is an expression of awe toward God's creations).[5]

Bodily Obsessions

When I was young, my mother told me that if I didn't eat my vegetables, I would get colon cancer. Some kids learn about growing up big and strong, but I was raised with a healthy fear of constipation. Thankfully, my husband understands, and thinks similarly. Since the day our oldest daughter was born and the nurse handed us a form for keeping track of the baby's BMs, we've been just a tad obsessed with the contents of our daughters' diapers.

We've even had an anxious visit to the doctor when things were a bit stopped up. Some latex gloves and a little Vaseline took care of the situation, and oh my goodness, what a situation it was. (Josh and I have often thought we should write a children's book called **Dr. B and the Magic Finger**. If there are any publishers out there reading this, feel free to be in touch.)

The Original Sin

The original sin in the Jewish Bible is very clear. Adam and Eve were ascending by practice of Buddhi Suddha [Yoga] the transformation of the iron ore [or lead] of the five elements of the being into spirit or quintessence. The Apple is the symbol of the pentacle which is the Akasa or quintessence the gold. Adam and Eve are the two parts of the soul being brought together into union and the opus. Ascension is done by raising the Kundalini and then turning the allegorical metals of the chakra's thus elements to gold. This is salvation from the Pagan Greek SOZO to be made whole the opus.

I mentioned here the over all symbolism:

The Serpent In the Garden, Anki:
topic8597.html

This story was originally Sumerian from the Eridu texts. With Anki breathing the breath of life into Adam and Eve this goes back to the East before this. The Jews wrote themselves and their narrative into our sacred history and teachings as the figure Yahweh. Its Yahweh who attacks Adam and Eve as they are ascending to Godhood. Casting them into the negative material sphere of Saturn this is why they are given coats of skin when banished from the garden. The Garden which is an allegory for the higher octave of spirit. The skin translates to coats of flesh the lower material sphere the physical body is ruled by Saturn.

Yahweh is Saturn you can see this in Job. Where Yahweh kills his most loyal servant, Job's, family and destroys everything he has then afflicts him with untold physical suffering, with illness. Part of this was stolen from the suffering of Pothar an Egyptian tale. Some of this survived where Yahweh states about his will being written in the heavens. Job is afflicted by the negative and destructive aspects of Saturn. Originally the moral of this tale in Egyptian was to put the spiritual first and work on the transmutation of the being into spirit and finish the opus. Otherwise suffer the negative reality of being stuck in the lower material sphere of Saturn which Job does suffer. Here in the Bible Job's God is Yahweh [Saturn]. This shows you everything. This is the God of the Bible. And where the Jews want to put humanity and keep them. The tower of Babel was humanity ascending again to the realm of spirit. With Yahweh [the Jews] attacking humanity yet again and reducing them the lower sphere of Saturn. They stated Babel..ing. They lost the ability to communicate telepathically which is a Siddhi's that comes with the higher level of ascension.

In the Garden tale and Babel, Yahweh states openly if humans finish this work and ascend they will become Gods and he will have NO POWER OVER THEM AS HIS SLAVES. Yahweh is the Jewish Race. The Jewish Race is a Saturn cult. This is why their holy day is on Saturday everything about them and their racial psychological is a manifestation of the negative aspect of Saturn.

The purpose of the Bible is to keep Gentiles bound in the lower sphere of Saturn. This is why the Jews tie all their workings into the number 6. The number of Saturn. Their ultimate working the Bible is why this Bible has 66 books which add to 12. Saturnine numbers. The Bible programming the mass mind has created a psychic field of energy that has formed a matrix of energy that keeps humans bound into the lower frequency of Saturn. Just like their Torah says Yahweh [The Jews using Saturn energy] does.

The Grim Reaper is an anthropic image of the planet Saturn. This is the planet of karma, suffering, old age and death. The Gentile religion was solar worship as the sun purifies and destroys the dross [Karma-lead-Saturn] aspect and transmutes the lead being into spirit. Into the higher octave of the solar. Hence the working of the sun. Outside of the realm of time and Karma, Saturn. This is why

our God is called the destroyer of time. Where the Jews have created a cult of decay and death. Remember Saturn is shown eating his own children. Time is the great devourer. The Jews removed spiritual knowledge while binding Gentiles into this samara field. To make us slaves of them. Even today all they push is materialistic and spiritual empty doctrines onto the population. Its atheistic Christianity. Just naked materialistic existence without the fake spirituality.

The point of the Gentile religion the Gods left was to become liberated from Karma, thus Saturn. This is salvation. The Jews have created a world system that is built on keeping us trapped in the lower material sphere. This is damnation, the original sin of the JEWISH BIBLE in the Garden was Salvation. As Yahweh [the Jews] declared this the original and ULIMATE SIN. They actually lied to humanity and claimed damnation is salvation and salvation is damnation. They inverted the truth to murder us with lies.

Our Salvation is Salvation from the Jews. Not of the Jews like their evil Bible claims.

Subject: The Number 6, Holcau\$, Karma and Communism			

Now, most of you have heard about the number 6. The 6 gorillion jews that died in the holohoax, the 6 days it took "god" to create the "Earth", our clock which is based upon 6 as in in 24 hours, 60 seconds in a minute, 60 minutes in an hour, the calendar that restarted itself. All this relates to the jewish letter "VAV" which is what links the "above world" to the "below world" and is used for "manifestation". Manifestation = energy, which is thought = energy = manifestation. This is also the Jewish Star which is stolen from the Star of Vishnu. The number 6 is how one creates. The 6 is also the 6th house in Astrology, which is the house of working towards something, but also can be "work without getting payed" or in other words even slave labor. With the number 6, the enemy is quite obsessed for occult reasons. All this reality is based upon 6. They scorn 666 as 666 is the Sun and is the perfection of the Physical realm into paradise [Satan's work], while 6 [6th astrological house] and 66 [6+6, 2 of 6, double effort is 12, the 12th house of Astrology] fall short of this. WHEN THESE ARE COMBINED INTO PERFECTION THIS FORMS THE 666. The enemy uses and utilizes this 6, as they do the 66 a lot. 666 is their "accursed" number and the Number of Satan.

Remember: "JHVH" = The collective of the jewish people primarily, and then, the ET hives and feces that are assisting them to manifest all this filth.

They state the world is 6000 years old and they have a backwards calendar, that goes from 0 to 6000 and then back to 6000 and 0. This shows the "eternal circle" they are trying to damn people to and also, this is the "Karmic circle", that of suffering, that Humanity must emerge upwards. The 6th houses and anything having to do with slave labor, hardship, bad conditions and anything falls under the "Saturn" planet and the "Saturnine" vibration. The 6th house is the house of Earth, but the "harder" aspect of Earth, as in, the one filled with a bit more of a hard way in things. Remember, time ties in gravity and gravity ties in movement, which ties in "vibration". The stolen theory of relativity shows this. This in other words mean, that the work of the enemy is imposing upon the world...Another World, of slavery and servitude, of utmost physicality. A world with different sets of "rules" and a World that is a dupe.

All this world we are living in is based upon this- even the calendar as said was changed. We are living in the age of lies where the patrons and creators are the jews. Jews are the people of this circle, which is spiritual damnation and is the work and will of the evil forces upon this Earth. The "42" [=6] letter name of God in their Kabbalah is another thing that enforces this "6" type of living in the world. Manifestations of the things that "help" jews do their "6th house" work [or better yet help them avoid this all together, by duping others to suffer for them], which is to destroy the planet, all have to do with the number 6. The Rabbis state the 42th letter is the letter from which "God" created the Earth. The 6 million jews builds upon the same thing and principle. This never happened and also, by this "6 million" thing, the jews have gained immense wealth and power and also a huge shield of lies behind they could always hide post WW 2 whenever they were

questioned/judged or attacked. This represents them, as does their "Flag".

This is all related in the bible and is an occult work they have achieved and done, so they could gain further power. Remember another fundamental law of Spirituality: "As above, so below, as in the heavens, so in the Earth". The "Vav" which is the 6, is stolen from Ancient Egypt and the Egyptian Bird hieroglyph. The bird is on the sky, on the air and on the ground, touching "all". The enemy through this principle "creates" all they need to achieve total power in this world and also manifest a world of slavers that is "severely tried", then worked to death as "this is life". The jews themselves are never happy and are always whining about the "hardship" in life. All this love about hardship, the hard life, the life of suffering, IS the jew and has been so severely pushed by the jew.

They have failed and succeeded, because as stated, this is war, this is not an one part deal. Our side and their sides are pulling the wheel. 6 is the number of hardship, servitude, as well as struggling with materialism or materialism in general as in gross materialism. The 6th house is also the house of inherited disease and illness, which is the result of Racial Admixture in many cases, as diseases in that house are sometimes inherited. When one is sick and diseased, they are weak and their whole life is centered around this disease and fighting it or trying to preserve their life. This is another reason the enemy so much loves to try to destroy and weaken the livestock of people, psychologically and physically.

The enemy utilizes this for some reason and this is the occult significance of that. The 12th house in astrology is a double 6 and has a similar quality of things, and is only escaped entirely through the 13th step of the Magnum Opus. This doesn't mean the houses in themselves are bad, but they are turning these to suffering by the world they are creating, no different than they do to anything else. Infact, these should be pleasant houses. Work (6th house) and Spirituality (12th house) are what should be defining the way Humanity goes, in a positive sense. The "holocaust" [6,000,000 is the 6 number and 6 zeros, or "perfect material work"] is another "Vav" work that simply got them the needed resources and help to tie in with the times, on another "merciful" story so they can hide all their shit. Remember, the VAV connects the higher and the lower. This is also a number of protection [as in protecting the kikes always], as it relates to the 10, which ties into Capricorn and the 10th house, that of established kingdom or legacy, which is the higher order for the 10th house which is related to Saturn.

For the kikes, everything is in the negative side of its existence, the ugly side. All this in the worst and most malignant light, that is ever going through a constant descent. Saturn is death, then there is work [that one does until they are to die, which keeps them from higher understanding] and then there is the 12th house, the house of karma buildups. It all follows a pattern. The 12th house is the house of reincarnation and also ascension. The 6th house is also the house of spiritual work, as in meditation and practices. All this forms a circle. A circle of suffering over and over again. This is the Karma, this is the infamous "Rotar" and the "Circle of Reincarnation" that humanity is said to be trapped in the Dark Ages.

Again, this is not to state anything house wise is evil in itself, but this is the jewish purpose here and up to this they look. Lies as this have protected the jews for hundreds of years, no different than the lie of xianity/islam are always having dirty shit to hide. For instance, jews whine about the hardships of life, but infact, most jews are living either slavish rich lifestyles, parasitize from others and only go after "higher" end works. This is a de-facto thing in Communism [a jewish creation], where the masses have to work as slaves, die and never approach their Soul, so they are damned. Life is purposeless and solely to eat a loaf of accursed bread. Its all Earth and Saturn. The jews also have their whole tradition in how to "move" throughout this thing, without getting down in the "lower basements" in reality that they have made for anyone else to suffer and serve. This in Communism is the "social grade of the soul". "Goyim" are in the lowest "social soul" and are therefore slaves and destined to be as such. According to their inner circle writings, poverty is nothing but the worst of curses and jews are always advised against it in anyway and form. According to the shit they jam down the stupid goy, which is xianity, poverty is to be sought for as

it somehow is good.

Remember, jews are slavers- this is what they define themselves by. A poor person that owns nothing is the sad outcome of this. Communism is based upon owning nothing, being nothing, existing as nothing and dying as nothing. Given they are alien to the planet and parasites, everyone according to them is to be enslaved and they are constantly in "war mode" with everyone else. Everyone is their enemy, life is whack, life is cruel, everyone else must be destroyed and everyone must submit and the saying goes and goes. They state this in all their writings. They aren't to do anything heavy of a load workwise, only sit and eat while Gentiles are worked to death, they aren't here to build or create, they are here to have "fun" while they are enslaving anyone else and guiding them towards sinking lower and lower in a needless mortal trip in the material plane. For the goy, there is all 6, suffering, hardship, Saturn, physicality and lack of knowledge and on the other hand, an accursed 12th which is basically a rotten "spirituality" that drives people insane. The 6th builds on the 12th, as in, the hardships of one lifetime are carried onto the other, creating even more burden that pollutes the Soul and causes unease, while it should be a gift. They make the worst out of the best.

To further understand this, one needs to look in the "Book of Genesis". The enemy states that "god created everything in 6 days and in the 7th day he rested". In 6 days their "god" makes the "hard labor" in creating everything. "God" is Jhvh and the reptilian collective that helps them achieve their ends. This is identical to how the jews are shaping this reality people are living, over and over, since the Ancient Times after the Earth was attacked by these alien infidels. The bible goes like a "creation": It starts from the nothing, there is a fake "timeline", then there are the "prophecies" and what is to be sought for, then there is the "end of the world" and then the "new beginning". This forms a circle that surrounds "reality", no different than a "matrix" that "clothes" "reality". The jews create a false reality and impose this upon reality, through energy and guidance by their higher ups. But let's examine what this is and what this means, as this builds upon 6. The jews put this "work" of theirs in context. Everyday something is created [affected] by this jewish matrix, and in the 6th day man and animals [living life] were "created". The 6 ties them into the frame of 6 immediately. Man is bound.

The enemy has also been utilizing the number 6 and the 6th house. This is the spiritual work they have been doing by the bible and their occult means to materialize this living damnation of "xianity". Now, all these "7 days of creation" tie into...Physical years. These "physical" years are approximately "manifestations" of their work. This is not to say that it happened EXACTLY like this or that it did happen, but the point is all in the end and to understand the "reality" they are enforcing upon reality. To make this better understood:

The day Sunday are the years from 3760-2761 BCE according to Rabbinical times the "Age of Longevity" of the Ancient peoples. This in the "Hebrew Age" Corresponds to 0-999 years. Many do know in regards to the Ancient Past and how the Ancients were attacked by these aliens. This is approximately how the "war" began. That is, the physical/spiritual warfare between Gentiles and jews. This might also extend further back. This ties into the "start" of the 0-6000. Remember, the enemy destroyed the Calendar to create a whole fake reality. Which they impose on reality, as thus we call it Matrix.

The 2nd Day, Sunday accords to the physical age of 2760-1761 BCE which is the "Attack on the Adversary". This corresponds to the "Hebrew Age" 1000-1999. We all know who the Adversary is. This syncs with the start of the downfall of Egypt, the destruction of old Races etc.

The 3rd Day, Tuesday, corresponds to 1760-761 BCE and is the "Age of Moses", the "Hebrew Age" 2000-2999, the "Age of Cultivation", which is allegorical of the kikes starting to make up the stolen things and this is the meaning, as in stealing from the Pagans and stealing knowledge from Gentiles [Remember Moses is stolen from Bacchus etc].

The 4th Wednesday, corresponds to 760 BCE-239 AD, which is literally the destruction emerging upon Humanity. They put this up as "Defensive Fortification" which is self evident and then, this is the Hebrew Year 3000-3999.

The 5th Thursday, corresponds to the physical age 240-1239, 4000-4999 years in Hebrew Age after jew-sus which the jews put as "The age of the acceptance of destruction and suffering, the Dark Ages" which is basically what they and their programs are all about. This is the jew-SUFFERING AND PAIN. NOTHING LESS.

The 6th day Friday, is the year from 1240-2239 in physical years. This is the Age we are going right now, through the Age of Aquarius. In Hebrew Age this is 5000-5999, which the jews put as "The age of the tzaddikim; the struggle for righteousness. " The Preparation for the messianic era". THIS HERE IS VERY IMPORTANT- THIS IS EXCEPTIONALLY IMPORTANT. THIS IS ACCORDING TO THE KIKES, THE AGE OF WAR FOR THEM. THIS IS ACCORDING TO *THEIR* PROPHECIES. Remember, *Their* prophecies are in regards to the certainty that nobody would ever discover them or undo them. This is what we are doing.

The enemy states and pretends they are surely going to "win" and a "Messianic Era" will follow. **This is obviously NOT the case, but it WOULD BE the case weren't it for anyone to oppose them.** Don't feed into that shit as this is laughable- but I give this to you so you can UNDERSTAND that these whores aren't joking- they want to do this actually. Obviously, this is the Era of the "Talmud Fullfillment" and they place this on the "Sabbat" which is the 7th day, with a physical age of 2240-3239, Hebrew Age of "6000-6999". The 6 is for the Goy, on which they will be stuck forever, as the "age of 7" is only for the "righteous" [ie the Kikes], the 7th day is for the jews, on which they will be served as "effendi's" and everyone will be their slave. They also envision world domination and anything that comes with it, 2800 Slaves for every jew and so forth. On the "7th day", "God" [which is the jewish collective trying to enslave the World], "rested" from their effort.

YOU MUST FIGHT AND OBLITERATE THEM- DO NOT LET THESE CRIMINALS DESTROY THIS WORLD AND THIS PLANET. DECIMATE THEM SPIRITUALLY IN SATAN'S NAME!!!

Liberalism Is Secular Xianity

This picture painted by a standard liberal type. Perfectly fits the whole anti-White, liberal narrative the Joo Poo People are pushing in the White nations to dissolve our Race, Nations and cultures out into a Globalist slave slate where all individuality and diversity is gone. The hordes of undocumented third worlders flooding into Europe this way are many times violent criminals fleeing the authorities in their own nations. Its similar to the waves the Jew Castro sent into Miami. He cleaned the jails out and put them on boats. Where these people go the crimes rates drastically grow. The African nations would not like it if all the Western world emptied our jails and slums and sent them into their cities and towns.

Behold this liberal clown actually blames the Europeans for not doing enough to help their own destruction by the enemy Polices of the jooz. Even on Xian premise. Liberalism is atheistic Christianity as the noted Communist Dugin stated:

As the Communist Advisor to Putin, Alexander Dugin who believes stated in an interview:
<http://www.counter-currents.com/2012/07...der-dugin/>

"This fits well with the Orthodox critique of Western Christianity. It is easy to see that the secularization of Western Christianity gives us liberalism. The secularization of the Orthodox religion gives us Communism....."

<http://qz.com/389076/this-black-jesus-c...nt-crisis/>

On Apr. 22, cartoonist Khalid Albaih posted a single cartoon on social media: a black Jesus Christ, crucified, floating in blue water. Instead of a crown of thorns, he wears the European Union circle of stars.

It's powerful commentary on the recent tragedy in the Sicilian Strait, where a ship capsized on Sunday, Apr. 19, killing at least 800 migrants on their way to Europe. The cartoon places blame for the injustice of their death: the crown symbolizes the responsibility of European Union, which has reduced investments in Mediterranean naval rescue programs.

The religious theme recalls the fact that tragedy took place—as it has many times before—in the Vatican's backyard, and the Catholic Church's tenet of offering refuge to those who are seeking ("Thou shalt love thy neighbour as thyself").

Liberalism is Christianity without the Christ

William Gayley Simpson's Which Way Western Man?

Revalo Oliver

Quote:

The other apostates I have mentioned, and many that are now forgotten, together with almost all of the anti-Christians of recent centuries, exemplify the operation of what may be called the law of cultural residues. In all civilized societies, when a long-established and generally accepted belief is found to be incredible, good minds abandon it, but they commonly retain derivative beliefs that were originally deduced from the creed they have rejected and logically must depend on it. Thus it happened that modern enemies of Christianity rejected the mythology, but uncritically retained faith in the social and ethical superstitions derived from it—a faith which they oddly call rational but hold with a religious fervor.

They laugh at the silly story about Adam and his spare rib, but they continue to believe in a "human race" descended from a single pair of ancestors and hence in a "brotherhood of man." They speak of "all mankind," giving to the term an unctuous and mystic meaning with which they do not invest corresponding terms, such as "all marsupials" or "all ungulates." They prate about the "rights

of man," although a moment's thought should suffice to show that, in the absence of a decree from a supernatural monarch, there can be no rights other than those which the citizens of a stable and homogeneous society have, by covenant or established custom, bestowed on themselves; and that while the citizens may show kindness to aliens, slaves, and dogs, such beings obviously can have no rights.

They do not believe that one-third of a god became incarnate in the most squalid region on earth to associate with illiterate peasants, harangue the rabble of a barbarian race, and magically exalt the ignorant and uncouth to "make folly of the wisdom of this world," so that "the last shall be first" that they do not believe, but they cling to the morbid hatred of superiority that makes Christians dote on whatever is lowly, inferior, irrational, debased, deformed, and degenerate.

They gabble about the "sanctity of human life" especially the vilest forms of it without reflecting that it takes a god creator to make something sacred. And they frantically agitate for a universal "equality" that can be attained only by reducing all human beings to the level of the lowest, evidently unaware that they are merely echoing the Christians' oft-expressed yearning to become sheep (the most stupid of all mammals) herded by a good shepherd, which is implicit in all the tales of the New Testament, although most bluntly expressed in another gospel, which reports Jesus as promising that after he has tortured and butchered the more civilized populations of the earth, there will be a Resurrection, and his ovine pets will pop out of their graves, all of the same age, all of the same sex, all of the same stature, and all having indistinguishable features, so that they will be as identical as the bees in a swarm.[2]

Although the "Liberal" and Marxist cults have doctrinal differences as great as those that separate Lutherans from Baptists, they are basically the same superstition, and whether or not we should call them religions depends on whether we restrict the word to belief in supernatural persons or extend it to include all forms of blind faith based on emotional excitement instead of observed facts and reason. When those "atheistic" cults scream out their hatred of "Fascists" and "Nazis," they obviously must believe that those wicked persons are possessed of the Devil and should therefore be converted or exterminated to promote holiness and love. And when they see "racists," who impiously substitute fact and reason for unthinking faith in approved fairy stories, their lust to extirpate evil is as great as that of the Christian mob that dragged the fair and too intelligent Hypatia from her carriage and lovingly used oyster shells to scrape the flesh from her bones while she was still alive.

With very few exceptions, the anti-Christians, no doubt unwittingly, retained in their minds a large part of Christian doctrine, and they even revived the most poisonous elements of the primitive Bolshevism of Antiquity, which had been attenuated or held in abeyance by the established churches in the great days of Christendom. And today, professed atheists do not think it odd that, on all social questions, they are in substantial agreement with the howling dervishes and evangelical shamans who, subsidized with lavish publicity by the Organized Jewry who control the boob-tubes and other means of communication, greedily participate in the current drive to reduce Americans to total imbecility with every kind of irrational hoax

The article is a interesting look into the paranoid mind of the Poo People, Zeitgeist is an anti-Semitic movement to lampshade all jooz. They are that self obsessed, anti-Semitism to the joo brain is a schizophrenic level of religious mania take the Xian Devil and call it anti-Semitism and its also just an excuse. I figured Fresco was one of the Poo People. The fact is Fresco just advocates a World Totalitarian Communist dictatorship with robo jooing. Where human life is devalued to zero

to be bullied by Totalitarian, literally inhuman robo jooz. Watching this jooz interviews and lectures is a good look into the perverse mind of the Chosen Pooz. His whole view of humans is the same farted out of the mind of Rabbi Hegel, Marx and Freudian scat and the Talpoomud. Humans....Goyims are just empty animal, biological shells with no soul thus no creativity, reason or spark. To be conditioned one way or the other by the chozen People. To be reduced the to lowest denominator and dissolved all of individuality and diversity both individual and as races, nations and cultures. "This is the Jooz, you will be assimilated, resistance is pootile."

This pooz promotes this Communist garbage in-between spinning all kinds of dehumanizing cheap hokum as deep wisdom while the goyims drink it as deep knowledge. Just turd droppings out its mouth, its psychically smearing everywhere. Itz the scatman in action. Anything this Yid had of anything worth while he swindled off someone else, like Einstein the phony nerd Lord of the Chosenz People. Old partial pooz, Winger was correct the joo is a naturally inborn Communist.

Has it dawned on all yet? The Chozen People hate us all. Even unconsciously all they promote is harmful garbage. Remember the Who song "Won't Get Fooled Again." Subject: Sermon 4/29/15			

First of all, I would like to wish every dedicated Satanist a Happy Beltane. Beltane is the Satanic New Year. It is a time of renewal and celebration. Many of us performed our dedication to Satan on the Eve of Beltane.

I am going to make this short and to the point. Both Satan and Lilith definitely wanted me to post this. I know we have important and influential people here in these groups who read JoS articles and sermons. Teamwork is always essential. One alone...together strong. Teamwork fills in gaps in the way of everyone has their strong and weak points, certain knowledge and such and most important, where one person may not be able to act, another can act and accomplish in certain areas of influence. We Satanists must all work together and accomplish what we are able to do best, as individuals. Each individual accomplishment contributes to the whole.

It is a very sad fact that the human race has made the same mistakes repeatedly over the millennia. Once civilization becomes advanced to a certain point, it is then systematically and brutally destroyed by the enemy. Satan stands for knowledge. When knowledge becomes extensive, as it is right now, especially with the modern technology, the internet, and the ease of communications, you can bet the enemy will work ruthlessly to destroy all of this. The Jews are doing it right now. Because they cannot control the internet, they work to destroy the freedom of speech. When this will fail, they will work to destroy everything.

Look at history. Christianity was forced in, no different from Jewish communism, [both use the "Year Zero"] and with this, because it is a hoax and a total lie and a plague upon humanity, entire libraries,

schools, and any places of learning were burnt to the ground. Anyone who had any knowledge of the occult/spiritual, or who was a scholar or a learned person was murdered by Christians. The Jews have always controlled the Christians. The Jew communists did the very same in destroying entire libraries, and in addition, and murdered all of the intellectuals. In order to have a slave-state, the populace must be ignorant and ideally illiterate. As I have stated before, the Jews then come in and rewrite history as they see fit and place themselves as the "Chosen of God," the elite and the supreme. Now everything that was hijacked from the enslaved populace is now attributed to Jewish inventions.

Beltane aka as May Day is a very important Pagan holiday. Jewish communism hijacked this day and turned it into a major communist holiday, no different from how the Christian Church hijacked all of the Pagan holidays, and attempted at making them their own, which they are not. There is a full article regarding this at <http://www.exposingchristianity.com> Look to "The Stolen Year." For those of you who are new, Christianity, just like its Jewish masters, has nothing of its own. Nothing.

The point of this sermons now is another very serious warning sign, that of "Digital Libraries." Now some argue that books will survive this, along with the digital libraries and with nearly everything going digital. Be aware... Look at history. This is not to say digital is something unfavorable, but everyone needs to be aware of what can be done with this in the hands of the enemy. If hard copies are properly preserved, then there shouldn't be a problem. BUT, given history... do you really think so?

We won't get Jewed Again! ????

With everything digital, anyone in power can have not only complete censorship, but can also pull the plug on it all. If no hard copies remain, then what? It took Europe over 1,000+ years to recover from what the Christians did. In Ancient Egypt, our Gods etched their symbols into stone.

This is a most serious issue. For those who understand, I need say no more.

Christian Replacement Theology: The Jewish Foundation of the Christian Identity Hoax by High Priest Jake Carlson

With the way the Jews always play both sides against the middle, it is always played out in a game of "tug o' war," so to speak. When one side weakens, the other side strengthens, and it goes back and forth. Whenever the Jews act as though they are against Christianity because of the Paganism that they stole from in order to invent that so-called "religion" for the Gentiles, the other side of Jews "tugs" by making Christianity look as "credible" to the Gentiles as possible, thus giving it more power. Regardless of which side the Jews "tug" from, both sides move forward in enforcing the Jewish Communist agenda, never caring how many of their own they have to sacrifice in the process. Every square inch of Christianity is Judaism, no matter how much organic Paganism it has assimilated over time.

For the past several centuries, with strong Jewish encouragement, Christians, including many modern Christian Identity adherents of today, have been telling themselves the following Jewish lies about where the Christian [Jewish] "God" allegedly stands with the Jewish people, namely the Jews who say that they "reject" Jesus Christ, the Jewish messiah:

- 1) The Christian Church is the new and true Israel which has replaced the Jewish people.
- 2) The Jews are no longer the people of God, as Christian believers have taken their place.
- 3) The destruction of the Temple and Jerusalem in AD 70 was Jewhovah/Yahweh's public demonstration of his rejection of the Jews as his people for their "rejection" and "killing" of Jesus Christ.
- 4) The people who call themselves Jews today are the enemies of the Gospel and the Church.

These lies have been the foundation of Christian "Replacement" Theology, which is the Jewish backbone of the Christian Identity Movement. The Jews, who are skilled at lying and acting, have been encouraging and enforcing Christianity [as well as Islam] by convincing large numbers of Gentile Christian believers to accept these lies that totally contradict what the Jewish writings of the Christian Bible and the Jewish Talmud actually state. Like Islam, Christianity lives off of a lack of intelligence and the inability to reason.

Especially with the fictitious Jewhovah/Yahweh and Jesus Christ being Jewish themselves, it should be obvious to any thinking person that ANY so-called "Christian Anti-Semitism" not only requires complete ignorance of what the Christian Bible actually says, as well as a lack of understanding of the fundamental premise of the Christian faith, but a complete rejection of the pro-Jewish scriptures that are on nearly each and every page of that goddamned curse of a Bible, including the New Testament. What "Christian Anti-Semites" fail to understand is that any and all forms of the Christian faith serve the Jews day and night [as well as gives them a form of insurance], and that includes "Anti-

Semitic Christianity." It should also be obvious to any thinking person that "Anti-Semitism" and Christianity totally contradict each other to the point of canceling each other out. So-called "Anti-Semitism" comes directly from Satan and his Demons, themselves. In the days that lay ahead, Christians who are fed up with the Jewish people and their crimes against humanity will have to decide between Christianity or "Anti-Semitism," as it is only one or the other.

Satan is the Enemy and Adversary of the Jewish people. "SATAN" MEANS "ENEMY" AND "ADVERSARY" IN HEBREW... I can always tell when a "Satanist" is really a Christian and/or Communist at heart, as they are afraid of or are made uneasy by so-called "Anti-Semitism." NEWSFLASH: USING THE VERY NAME OF SATAN INVOKES "ANTISEMITIC" ENERGIES, AS HE IS THE ENEMY OF ALL THINGS JEWISH!!! No amount of mental gymnastics and escapism can ever make this truth go away.

As Christian-Zionist Joel Richardson puts it, "...What sense would it make for the nations of the earth, driven by Satan, to go to war against Israel, a nation that [supposedly] no longer has any special relevance to God whatsoever? If God is done with Israel, then why would Satan have such a specific and focused intention to destroy them? If supersessionism were true, then Satan's rage would be almost exclusively directed at Christians, not Israel. Not only is this contrary to the present global reality, but it is also not at all the story that the Scriptures tell." [1]

The Jews who have invented and are the driving force behind each and every sect and denomination of Christianity, have cleverly crafted this Jewish lie to be able to bend, mold, and assimilate in the same way a lethal virus does in order to survive. The reason for the existence of the Abrahamic "religions" [Judaism, Christianity, and Islam], as well as their religious and political offshoots, i.e., Communism, is to divide and conquer the White race who are the direct descendants of the one known as Satan, and to trick us into annihilating each other while the Jews sit back and take complete control of this world. It is written in the Christian Bible and other Jewish literature, that the Messiah/Jesus Christ will give this world to his Jewish people for them to rule over, once the White race is annihilated, and the non-White peoples are enslaved. For the Jewish people, the "land of milk and honey" is all of the earth, all of its peoples, and all of their private property, wealth, land, and possessions.

Since the "God" of the Bible is fictitious, the question I ask my readers is in theory. Has the Christian Church of Gentiles really replaced the Jewish people as the "Chosen of God?" The Christian scriptures, as well as the commentary from various Christian Zionists make the answer very clear for those who are able to see.

"...Gentiles should thus show honor where honor is due and not look down upon those Jews who were "broken off [unbelieving Jews]." To not do so is to be "arrogant," "conceited," and ungrateful for the undeserved grace that has come to them [Gentiles]. It puts one at risk of being "cut off" from Christ..." [2] What this means is that if one wants to be a Bible-believing Christian, so-called "Anti-Semitism" causes Gentiles to be cursed by Jesus Christ, as he is the Jewish messiah.

Gentile Christians are deluded into thinking that their faith in Christ combined with "repentance" from some so-called "sins" offers them "salvation" and a pleasant afterlife. However, Paul says something quite different about non-Jews.

According to Christ and Paul, the Gentiles are:

- 1) "Vessels of wrath prepared for destruction (Romans 9:22), and
- 2) Were excluded from the commonwealth of Israel, and strangers to the covenants of promise, having no hope and without God in the world" (Ephesians 2:12).

While the Jews continue to lie and pretend to be the "Arch-enemies" of Christ and the "right-winged," conservative version of Christianity, the Christian Bible states that ALL of Israel [the Jewish people] will be saved, whether they believe in and accept Christ or not, while calling Gentiles who disagree "arrogant" and "conceited." The Bible goes on to say that Gentile Christian believers who look down on un-believing Jews risk being cut off from Christ. There is no such thing as a "saved" Christian, as this promise the Jews make in their filthy Bible is another lie, and a very seductive lie for many Gentiles who are deluded with this nonsense. The Gentiles who have made "testimonies" about "heavenly miracles" and related deceit, are in fact, dealing with pure evil.

In the following verse, Paul shows how the believing Jews and the un-believing Jews fool the Christian believers and play both sides against the middle: "For I do not want you, brethren, to be uninformed of this mystery--so that you will not be wise in your own estimation--that a partial hardening has happened to Israel until the fullness of the Gentiles has come in; and so all Israel will be saved; just as it is written, "The Deliverer will come from Zion, He will remove ungodliness from Jacob [Israel]. This is my covenant with them, when I take away their sins." Romans 11:25-27

In other words, the Gentiles are only good until their psychic energy towards the coming/return of Christ is fulfilled. In the meantime, every Jew remains "innocent" of all of their lies and crimes against non-Jews. If one is Jewish, not only are they "saved" by Christ just for being Jewish, but the "Synagogue of Satan," who are in truth, Gentile believers [Gentiles belong to Satan], are outside of Christ's range for "salvation." It is time for every Gentile to wake up. Satan has been trying to get through to so many of us for centuries, but we rarely listened. And when we did listen, we attributed Satan's efforts to fictitious Jewish characters who are in Jewish literature to serve as a subliminal message of Jewish victory over the Gentiles.

The followers of Christian Identity are following a form of Christian Supersessionism which has its roots in Christian "Replacement" Theology. Despite the failed attempts at "Anti-Semitism," this is still Christianity, which means that any "Anti-Semitism," no matter how strong, goes right down the drain. Despite the belief among Christian Identity adherents that the White race is Jewhovah/Yahweh's people, thus the "real Jews," and that today's Jews are the "false Jews," or are the people of "Satan," Jewish literature, such as the Christian Bible, make it very clear as to how the true Evil One, who is NOT "Satan," but Jewhovah/Yahweh, feels about the Jews, whether they are the fictitious Biblical Israelites, or the Ashkenazi Jews of today, regardless of their skin color. In closing...

"The Scriptures thoroughly testify that the geographic heart of Satan's rage and resistance against the unfolding plans and purposes of God will be the land of Israel, and specifically, Jerusalem. The fact that it all happens there is proof that the Lord is not done with His people Israel and is still faithful to His covenant

promises. The very simple reason that all the nations of the earth will gather against Jerusalem is because Satan is committed to resisting God's plans to reestablish a glorified Jewish kingdom through which He will vindicate and glorify His own name... Satan wishes to annihilate the very people through whom God will vindicate Himself among the nations. Therefore he is going to vent His full wrath against the very people the Lord has chosen and the city He will establish as the global capital of His coming kingdom." [3]

Christian Identity is nothing short of an abomination. Underneath the claimed desire for the survival of the White race, there is Judaism, and therefore, what has become "White Zionism." Satan wants his people to triumph so that Jesus Christ will not come to this earth in the form of a human being and conquer its Gentile nations with his Marxian creed. It is time to wake up. The clock is ticking. The salvation for the Gentile peoples is true National Socialism and Satanic Power Meditation, which unlike Christianity, are very positive and life-loving. These are gifts from our Creator, Satan. Both lead to true everlasting life and eternal freedom.

Two men have been shot dead after opening fire outside of an exhibit of caricatures of the Prophet Mohammad in Garland, Texas, according to reports from WFAA and NBC 5 in Dallas-Fort Worth.

The two men fired towards the Curtis Culwell Center and hit security guard Bruce Joiner, who was shot in the lower leg and suffered non-life threatening injuries, per WFAA. NBC 5 reports that Joiner has already been released after being taken to a local hospital.

The Muhammad Art Exhibit & Contest was organized by Pamela Geller, president of the American Freedom Defense Initiative, an anti-Islamic organization that is listed as a hate group by the Southern Poverty Law Center.

Germans must be 'sensitive' to what Nazis did to other countries, Merkel says

The German chancellor says [bring me Han Solo and the Wookiee] there's 'no drawing line under history,' amid fierce debate over renewed demand for reparations to Greece over WWII occupation.

Germany cannot simply draw a line under its Nazi past and must remain sensitive to the damage it caused to other countries including Greece, Chancellor Angela Merkel said on Saturday, just ahead of the 70th anniversary of the end of World War Two.

Speaking in her weekly podcast, Merkel said she was looking forward to a May 10 memorial in Moscow with Russian President Vladimir Putin. She and other leaders have said they will not attend Russia's traditional May 9 military parade amid tensions with Moscow over its annexation of Crimea and fighting in Ukraine.

In the German capital, the 70th anniversary of the end of the Battle of Berlin, the climactic battle of the war, was marked in tributes on Saturday. The war ended on May 8, 1945.

"There's no drawing a line under the history," Merkel said, dismissing a yearning that many post-war generations of Germans harbor.

"We can see that in the Greece debate and in other European countries. We Germans have a special responsibility to be alert, sensitive and aware of what we did during the Nazi era and about lasting damage caused in other countries. I've got tremendous sympathy for that."

Also on Saturday, President Joachim Gauck, who has little real power, reignited a debate over reparations, saying Germany should consider Greece's demands for 279 billion euros (\$312 billion) in reparations for the Nazi occupation.

Greece's calls have fallen on deaf ears in Berlin, even though legal experts say it has a case. Merkel's government says has paid its obligations to Greece, including a 115 million deutsche mark payment in 1960.

"It's the right thing to do for a history-conscious country like ours to consider what possibilities there might be for reparations," Gauck told the Sueddeutsche Zeitung.

Post-war German governments have paid a total of 71 billion euros for damages caused by the Nazis, the Finance Ministry says.

Gauck also said Germans should reexamine other forgotten aspects to the war.

"We've truly done a lot in coming to terms with our Nazi past. But are some victims that haven't been taken into account at all or sufficiently -- such as the Soviet prisoners of war."

The specter of the Nazi era still haunts Germany in the form of neo-Nazis, who regularly demonstrate against immigrants and asylum seekers and occasionally turn violent.

One member of such a far-right group is currently on trial for the deaths of eight Turks and a Greek.

At a union rally in Weimar on Thursday, four people were injured and 29 people detained after far-right protesters stormed the speaker's podium, took the microphone and shouted Nazi slogans.

Lessons From The Founders Of America And The Jews Struggle To Ruin it.

let us not forgot one of the most destructive jooz of the twenty century was not just Freud. But Freud's nephjew Eddy Buttnays. Bernays and other Freudian's like Skinner went to work on Wall Street and created the whole modern consumerist identity construct which has fucked America right over. Before this the attitude of American's was a frugal and moderate one. Now its totally all about the bling life. Get joozed or go broke trying. The attitudes drummed into America and the worlds head by Jewish "Hollywoodism" and media culture promote this within the context of garbage celebrity culture where people are important because they are teevee or just an entertainer who then promote destructive Jewish morals to the public as an icon. The worship of celebrity is the worship of materialistic excess and jaded superficiality. The consumerist culture.

This is the dangerous reasoning that has been applied to knowledge. Knowledge is only of value if it increases your personal value to the market place. If it don't bring the bling, then its worthless. People go to school for a job. This is why America has produced no great art or higher culture of any type despite its large numbers and many bright people among the population. All great artist's are stuck making commercial art to turn the wheel of Jewish hyper consumerism. Its the nature of the materialist system. Any great American works came out of the 19th century but it was mainly machine invention to turn the wheel of industry and capital. For already mentioned reasons. But you just can't build a nation on liberal capitalism [which is not what the Founders intended] and expect great a civilization in return. Mass consumption is not going in that direction. This is why the libbyboal, is wrong. You need a strong natural elite and state to foster culture and greatness in the People and cultivate it willfully. Hitler did this and it paid off. Germany became the most advanced society in a few years. Way past America, who the majority of White American's are of German descent as well to the point the vote to make German the official language of America failed by only one vote in the Founders Congress. Yet its horrible to the libbyboal's that jooz didn't have the freedumb to defecate in public in Germany under Hitler anymore. As libbyboal's follow a strange superstition that if you grant hostile aliens the freedumbs to rape you, that somehow will unrape you. Get raped or go full retard trying.

Even the "Give Us Your Refuse" and the rest of the junk inscription on the Statue Of Liberty was put on there later in the 19th century by a Jewish Communist. The jooz by their power have been reshaping American into their jewtrix of control.

Most people have simply never been told anything else. Liberals are silly people, so are the Libertarians who are just hipster liberals who don't want to be seen as mainstream liberals. But are still liberals. Its superficial posturing. With dangerous Jewish poison all the Libertarians icon's and thinkers where jooz working for the Jewish Globalist Bankers like Rothschild who owns the Fed, trying to further ruin the society:

Libertarianism:

topic8624.html

The posturing Libertards like to play the posture with a constitution to seem more real. But its just chicken shit. The Founders where not libertarians. Bring up the Alien and Immigration Acts of the Founders to a Libertoons and watch their head spin in dismay. They also printed fiat currency and didn't believe in allowing private joo bankers to run anything hence the war of 1812, nor did they believe in open borders, or racial universal egalitarianism or Social Darwinist oafish, joo greed. The Founders where building free Universities, Hospitals and Libraries. Franklin, Jefferson and the other Founders where actually early National Socialist's in their belief system. Down to building a White Racial, Republic ruled by a natural elite. In a society built upon natural laws. They openly modelled most of their beliefs after Classical Pagan Europe as did Hitler and the National Socialists. It was American's like Grant Madison who influenced the scientific ideals of the National Socialist's of Germany. Hitler wrote a letter to Madison praising him for this great work.

The Founders like the top National Socialist Leaders where also Spiritual Satanists:

topic585.html

While America today is not what the Founders envisioned. Sitting here over two hundred years later to note. They made two mistakes they didn't ban Jews like Franklin and others wanted. And they didn't set into place a system of cultivation and promulgation of a natural guardian class of elites who would insure the model they laded down was the dominate culture and guide it towards its outcome of a New Atlantis of fully enlightenment people. They where depending on the Free Masonic order for this task. But it was taken over by the enemy and ruined. They modelled American off the Pagan Roman Republic. But the Roman Republican system was overseen by a natural elite of the Patrician class. The spiritual class who had finished the level of a 33 degree Mason, risen the kundalini serpent up the 33 esoteric degrees of the spinal vertebrae and become enlightened. The Patricians only married other Patricians because they had gone through the great rite to transform the soul. And they stated it causes a metagenic change in the blood that is passed on to the next generation. Thus creating a ruling class of highly ascended masters. However the Romans got that half right. But failed on the other half to ban the Jews from the Roman Empire fully. It took the Jews centuries of around the clock jewing and a lot of war and struggles and subterfuge. But ultimately they overthrew the remnant of the real Patrician class and put themselves into power with a new bogus Caesar Dynasty of the Flavians [the builders of the bloody Colosseum paid for with Jew coin and was protested by the Philosopher class of Rome]. Vespasian as the Roman histories stated built a statue to an Alexandrian JEW who through Titus was the reason he became the Emperor. This Jew was Philo Alexandria, who's money funded the Flavian Dynasty and who was made a core member of the Dynasty along with other Jewish power elites. This Dynasty created Christianity. The Jews where already heavy in power before this but couldn't fully crack the ruling class till this. The Christian revolution of year zero then wiped away the rest of the Roman elites and upper-classes and civilization and brought the dark ages of enslavement and Jewish rule As the Jews did to the Russian and Chinese Empires later with Jewish Communism.

The education system of America was jooed out at the start of the twenty century when the jooz Rockefeller's went around and centralized the school system with their money. But in return for the higher wages and pension. You teach the jooz poison their way. After this America became retarded. America developed the most inventions of any nation in the nineteenth century the golden age of America. The next century and on not even close. The system they laid down is designed to close off the door of creativity and self thought. Just indoctrination and manufacturing of drones on the school assembly line. They always make sure the teachers get much shekels for this reason. The jooz just took the ideal of education over and ruined it to ruin everyone.

Its funny all the joo trained materialistic academics attitude towards the ideal of mysticism and magic is obvious to scorn. But Freud and the psychoanalytical bowel movement they praise and praise. Was all jooz's, pushing joo-joo. Freud said he put Jung out front as his successor because he was the only goy student of his and he wanted to deflect attention of its a jewish movement to ruin the host nation. This paradigm was aimed to create the new pseudo scientific basis for Communism. Freud and others formed the core of the Frankfurt School of Cultural Marxism. The open weaponization of this as its intended open statement was to destroy German culture, People and the German Nation. And replaced it with a Communist narrative and cultural that would allow the Jews to conqueror and assimilate Germany like the Borg into a World Communist Dictatorship. Hence CULTURAL.....Marxism, its just Marxism.

What Freud and his jooz did was take jooz mysticism and Kabala and turned it into materialist joke theories with bogus science. And all of Freud's clients where jooz as well. His whole garbage is based on the joozish psychosis. The scat theories and Oedipus complex. That is normal to jooz life. Freud might have been a serial killer who was having a sexual affair with his own joo sister. From a book wrote on him. The famous book burning the National Socialist's did was of Freud and his fellow yids crap. Was this really a bad thing? Only if your fucking insane.

Social biology and evolutionary psychology has replaced the psychoanalytical trash as it was found to be based on nothing scientific.

Jewish Leader: Multiculturalism Is A Moral Duty For Germany

As the jooz themselves state: "Israel is not multicultural." But they make damn sure we are. Take the word German and put in the word West and you have the truth.

What do the Poo People really think, Jooz let us know:

topic8708.html

In the words of top Israeli Rabbi Ovadia Yosef, "Goyim were born only to serve us. Without that, they have no place in the world; only to serve the People of Israel." Likewise, Rabbi Ya'acov Perin has publicly stated: "One million Arabs are not worth a Jewish fingernail." Shocking? It shouldn't

be. This is Talmudic law as well. The Talmud makes it very clear that the life of a non-Jew has no value, and that gentiles exist only to serve Jews. Sanhedrin 59a: "Murdering Goyim is like killing a wild animal." Abodah Zara 26b: "Even the best of the Gentiles should be killed." ch Baba Neria 114, 6: "The Jews are human beings, but the nations of the world are not human beings but beasts." Midras Talpith, p. 225-L: "Jehovah created the non-Jew in human form so that the Jew would not have to be served by beasts. The non-Jew is consequently an animal in human form, and condemned to serve the Jew day and night."

So just Jew is barbaric again?

Since they invoke holocaust Potter and the Gas Chamber of Secrets as their jewcy, pandering. How about the real holocaust you know the one done by the Jews on a Hundred million everyone in their Jewssr:

The Real Death Camps And Holocaust:

Or how about the holocaust of over seventy million Chinese in their Communist slaughtercost over there:

Multiculturalism Is A Moral Duty For Germany"

According to the head of the Jewish [Poo] Council, Josef Schuster [AKA Leering Larry] it's a moral duty for Germany to take in immigrants from the third world. This because of the "barbaric" history of Germany. [Not allowing themselves to be turned into Palestinians.]

According to the head of the Jewish Council, Josef Schuster it's a moral duty for Germany to take in immigrants from the third world. This because of the "barbaric" history of Germany.

It was during the 70 year commemoration of the liberation of Dachau that Josef Schuster proclaimed his harsh "sentence" against the Germans. [Sanhedrin 59a: "Murdering Goyim is like killing a wild animal." Abodah Zara 26b: "Even the best of the Gentiles should be killed."]

He said to the German newspaper Junge Freiheit that:

"Germany has brought so much misery to the world. We owe so much to so many countries. We're the last country that can turn back refugees.". [Rabbi Ovadia Yosef, "Goyim were born only to serve us. Without that, they have no place in the world; only to serve the People of Israel."]

Germany is today alongside Sweden one of the EU countries that receives the most refugees. Something that doesn't seem to bother Josef Schuster. Instead he went on an all out attack against critics of islam.

"When I see 10.000 people cheering islamophobe and a right-wing populists such as Geert Wilders I feel sick."

He also declared that it was the prisoners in Dachau who witnessed a "supposedly civilised people" were transformed into a "wildlings". That there once again are people who talk badly about immigrants and jews makes one question if Germans respect "humanity". [ch Baba Necia 114, 6: "The Jews are human beings, but the nations of the world are not human beings but beasts."]

As icing on the cake he ended his speech by demanding Germany to spend even more money on fighting the right-wing.[Choszen Hamiszipat 348: "All property of other nations belongs to the Jewish nation, which, consequently, is entitled to seize upon it without any scruples."]

There Is No Anti-Zionist Jews, Just Jews

"Communism is Judaism. The Jewish Revolution in Russia was in 1918" (H. H. Beamish, speech in New York, 1937).

"Some call it Marxism -- I call it Judaism" (Rabbi Stephen S. Wise, The American Bulletin, May 15, 1935).

"There is nothing else in Communism -- a Jewish conspiracy to grab the whole world in their clutches; and no intelligent man in the world can find anything else, except the Jews, who rightly call it for themselves a "paradise on earth." ADRIEN ARCAND, Canadian political leader in New York Speech, October 30, 1937

Communism is Judaism and Zionism is Judaism.

This is what happens when you let jooz lead the opposition to anything. It turns into synagogue where all that matters is what's good for jooz. Norman Frankenstein the famed anti-Zionist jooz. Who uses his platform to attack National Socialism [the only opposition to World Jewish Power] and anyone who does not buy Holocaust Potter And the Gas Chamber Of Secrets, tales uncle shalom is selling. Calling them Goys all sorts of nasty and angry names. All to enforce the number one power of the jooz. The Almighty Holocaustanity. Thus making sure the Jews main weapon is left intact and jooz stays in control of the debate on the Jewish State and you don't look any deeper into what real Zionism is. In his interviews he spends more time whining about Hitler and Nazi's then any subject and always dovetails any discussion back to this. Itz a joke, People wake up.

Good question Norman. Probably the One Hundred Million People murdered in the real Holocaust your Tribe violently inflicted on them by their Jewish USSR. And the millions of Europeans fighting desperately to stop Jewish Stalin and the Jew World Order from doing the same to the rest of Europe.

The Real Holocaust:
topic3994.html

"The world revolution which we will experience will be exclusively our affair and will rest in our hands. This revolution will tighten the Jewish domination over all other people."

- Le Peuple Juif, February 8, 1919.

Since Communism is the Jewish soul. Its no mistake Norman is an open supporter of Communism and especially of Mao the Jewish backed and owned Communist butcher of the Far East who murder

over seventy million People. Communist Beijing was also behind Pol Pot and the Khmer Reds in Cambodia. Red China even invaded North Vietnam for Pol Pot. What does Frankenfink say about itself?

<http://normanfinkelstein.com/2009/01/26...erlands-2/>

"... I had been a Maoist, a Marxist-Leninist as we called ourselves back then, and we had this notion that we had a monopoly on truth. We were the vanguard. ... I was basically assuming that there were a handful of people who were inviolable, in my case it was Chairman Mao...."

This jooz even wrote a book supporting Communist Maoism [Jewism].

"Mao Tse-Tung's Revolutionary Line in Higher Education" (State University of New York at Binghamton, Division of Social Sciences, 1974),

Remember real Zionism is a Jewish World Government under a World Communist Dictatorship. Not just a tiny piece of land in the Middle East. The kind of real Zionism Norman Frankenstein promotes and believes in.

Lets take a look at Norman's beloved Jewish psycho society of Communist China:

Jews Created Communist China

Communism in China was created by the Jews of the West working with the Jews within Asian. A well known Communist Agent in Manchuria was Abrams an Asian Jew. Today the Jews still run China the higher you go to the top of the Communist Party the more Asian Jewish name appear till its all Jewish. Like in the Soviet Union. Today the International Jews have purposely built up Red China into an economic and military power. Like their Soviet Union for the same reason in the end to extend Communism by military conquest. We might have Red Chinese and North Korean troops our soil at some point. Red Chinese troops have been taking part in military training exercises o European soil with Russian forces of late. For the invasion of European nations:

beforeitsnews.com/war-and-conflict/2013/09/russia-china-hold-large-scale-war-games-2449002.html?

The Communist Party in China was created by the Jewish Communist International in a meeting in Shang Hi between Jews from Russia and Chinese Jews:

In order to advance their interests, Jewish Lenin and Trotsky sent Jew Gregory Voitinsky to China to make contact with leftist intellectuals, like Jew Chen Duxiu. Politically, Chen advocated the Trotskyist theory of Marxism.

Voitinsky was sent over to China by the Comintern chairman, a Jew named Ovsei-Gershon Aronovich Radomyslsky Apfelbaum., also known as Grigory Yevseevich Zinoviev.

[Zinoviev was the long-time head of the Communist International and was a stooge of Jew Lenin. During Lenin's illness, Zinoviev, his sidekick Kamenev, and Joseph Stalin [my note Stalin was Jewish] formed a ruling 'triumvirate' (or 'troika') in the Communist Party, playing a key role in the marginalization of Leon Trotsky.]

Chen decided to run a special edition on Marxism . The edition of this magazine was the most detailed analysis of Marxism then published in China, and achieved wide readership due to the journal's popularity.

In 1921, Chen Duxiu, Li Dazhao and other prominent revolutionary leaders founded the Communist Party of China. Chen Duxiu, was the dean of Peking University. Chen had participated in the Xinhai Revolution in 1911 which overthrew the Qing Dynasty and established the Republic of China

How did so many white Jews land up in Shanghai and then later in Hong Kong ? [To aid Communist take over]

Well he was a Chinese Jew first educated at Yali School in the provincial capital of Changsha and later Rothschild run Yale-in-China University. Later he was sent on a Jewish scholarship to Munich University in 1926 where he received his Ph.D. in political economics in 1932, and a crash course in Marxism.

Dr. Ho Feng-Shan, was planted [By Rothschild] as the Chinese consul-general in Vienna from May 1938 to May 1940. When Jews wanted a safe sanctuary before and during the Second World War, our Jew Dr Ho issued visas to white Jews left, right and centre— more than 21000 visas.. [My note this was to be able to ship as many Jews into China from the West to spread Jewish Communism as possible.]

The way millions of everyone where murdered in Maoist Communist China thanks to the Jews directing the whole thing. This is how millions of people got to spend the last moments of their lives.

"... I had been a Maoist, a Marxist-Leninist as we called ourselves back then, and we had this notion that we had a monopoly on truth. We were the vanguard. ... I was basically assuming that there were a handful of people who were inviolable, in my case it was Chairman Mao...."-Norman Finkelstein

1949: On October 1, Mao Tse Tsung declares the founding of the People's Republic Of China in Tiananmen Square, Beijing. He is funded by Rothschild created Communism in Russia and also the following Rothschild agents: Solomon Adler, a former United States Treasury official who was a Soviet Spy; Israel Epstein, the son of a Jewish Bolshevik imprisoned by the Tsar in Russia for trying to forment a revolution there; and Frank Coe, a leading official of the Rothschild owned IMF.

Mao would genocide 70 million innocent Chinese people under his rule mainly to destroy traditional Chinese culture. Like with Christianity any practioners of spiritual systems where outlawed, killed and put into gulags which was a slow death. And Communistic systems where the new culture of control. With China under their flag Tibet was next on the list as being the last bastion of spiritual knowledge and histories of humanity. All the Jewish systems seek to remove spiritual knowledge from Gentiles and keep it in the hands of the Jewish elite. This is a major part of their domestication program:
<http://groups.yahoo.com/group/JoSNewsletter/message/170>

A century and more before the Rothschild's and the Solomon Brothers used their control of England and its control of India to run the Opium trade into China killing tens of thousands and wrecking entire communities to the point the Chinese fought the Opium wars to try and throw the Jewish dealers out.

Chinese Jews:

"A Jesuit missionary, going upon some occasion into the province of Honan, found a considerable Synagogue in the city of Kaifengfu. He soon became acquainted with some of its learned chiefs, who introduced him into their Synagogue and showed him one of the Parchments or rolls of the Pentateuch written in Hebrew, together with the books of Joshua, Judges, Samuel, Kings, some of the prophets, and others containing their liturgy and commentaries they owned. They had lost some of the sacred books and some of their targums or paraphrases. This loss was caused by a violent overflowing of the great river, which had laid the capital wholly under the water and had damaged their Torah, or roll of the Pentateuch, and upon which they ordered twelve new copies to be taken from it.....

My elder brother -- I am not yet forty years old, but I have thought and talked much with my friends about our ancestors, who were rich and numerous and who worshiped in a fine synagogue, built on the land presented to them by the Emperor Tai-tsi. This synagogue, you know, has been swept away by 'China's Sorrow' [the Yellow River]. Our ancestors came to this land from the northwest nearly three thousand years ago...."

THE CHINESE JEWS

By, Oliver Bainbridge

CHINESE COMMUNISM?

YES, but it was JEWISH when it

started. [My note it still is].

The following article by Arnold Leese is reprinted from Gothic Ripples, No. 49, dated 28th February, 1949. It shows that the seeds of Bolshevism were planted in China by Jews, who also tended and trained the growth that resulted. The corruption of the regime of Chiang Kai-Shek caused many of the masses in China to turn to Communism for relief, since Chinese Communism is mixed with Nationalism and discourages the old Chinese curse of official corruption; but Communism in China has the same dehumanising effect on the people as it has elsewhere.

THE JEWISH ROTTING OF CHINA.

It was the Sassoon family which turned the normal Chinese dislike and distrust of foreigners into hatred. David Sassoon made the Opium Trade in China from 1832 until he died in 1864. His family carried on the Trade under our Flag and made huge fortunes. The British took the blame, and now the Chinese loathe us; just as we took the blame for the Jewish atrocities at Nuremberg, Spandau and elsewhere in Germany, so that the Germans now hate us.

Backed by the Sassoons, the Shanghai Opium Monopoly existed until 1917 under the Jew Edward Ezra, its Managing Committee being composed entirely of Jews and Indians. Not only did the British Flag protect the Sassoons in this abominable trade which the Manchus did all they could to prevent, even to the extent of war, but also these Jews were welcomed in England instead of being ostracised. Royalty petted them and they intermarried with Aryan aristocrats. Some became Baronets and one a Minister of the Government.

When the Freemason [Jewish Rothschild's front], Sun Yat-Sen, began his revolutionary movement at Canton, the Jew Morris Cohen, a British subject, became his aide-de-camp and was sent by Sun around the globe to get military experts for his revolutionary army. On Sun Yat-Sen's death bed this Jew was commended to Chiang Kai-Shek and he was employed as liaison officer between the Canton Government and all foreign Consulates-General. Cohen became known in China as Moisha, and was made Military Counsellor to the Cantonese Forces, and a General, although still a British subject.

As late as 1939, Cohen was travelling the high seas under the protection of our Flag. The last we heard of him was late in 1945 when he emerged from a Japanese prisoner-of-war camp. The South African Sunday Express described him as "the guiding genius behind the War-Lords of China".

The Soviet Jew, Jacob Borodin (real name M. Grusenberg) was sent by the Kremlin with the Jew Joffe, in 1923, to try and bolshevise Sun Yat-Sen and became Chief Political Adviser to the Kuomintang. His wife, a Jewess, spied in China for the Soviets. When Sun died, Borodin was left in charge and it was he who appointed Chiang Kai-Shek to succeed Sun in 1926. However, in 1927 a raid was made by Chang Tso-Ling on the Soviet Embassy at Peking, which revealed the scope and extent of the Soviet plot to bolshevise China, and the Borodins were arrested and imprisoned.

In 1923 the notorious Jew, Trebitsch Lincoln, ex-M.P. in Britain, headed a Chinese mission to get arms for Wu Pei Fu, a War-Lord with a fine character, but failed, probably purposely, in the attempt. After that, Lincoln drifted about, too mistrusted in China for any other important role.

The Soviet General, B. K. Galen, who was really a Jew called Chesin, and was nicknamed Blucher, accompanied the "Armenian" Soviet Delegate Karachan to Peking in 1924 where a treaty was made with Chang Tso-Ling by which the Chinese Eastern Railway was handed over to the Soviets. This placed the movement of troops at the mercy of the Bolsheviks. The intrigues and bribery by which this surrender by Chang Tso-Ling was obtained were carried out through the medium of a Jewish timber magnate called S. Skidelski. At once, the Railway was placed in charge of the Jews Gekker, Koslowsky and Snamensky (Zamyensky). To continue with the career of General "Galen", he became Chief Military Adviser to Chiang Kai-Shek in 1926.

Now for the Soviet Jew S. A. Gekker: As early as 1922; he has been Military Adviser to the Mongolian Bolshevik Government, and in 1924 he was made Head Political Commissar on the Chinese Eastern Railway aforesaid. This appointment was at the hands of the Jew, M. D. Lashewitz, who was President of the Board of Railway Control in Moscow.

Nor must the Jew, A. Joffe, be forgotten. We have already met him as head of the Soviet Mission to Sun Yat-sen, when, with the Jew, Jacob Borodin, he tried to develop Sovietism. Later he became Political Adviser to Chiang Kai-shek in 1926 and organised the Red Section of the Kuomintang.

High up in the Political Department of the Red Army in China were also the two Jews, W. N. Levitshev and J. B. Gamarnik, who in 1936 was its head.

The Nanking Ministry of Finance has always been dominated by Jews, viz: Kann, L. Rajchman and R. Haas. In England, the Jew Billmeir helped, with his merchant fleet, to take Soviet arms to China in 1938.

Finally, the Jew Ben Kizer (U.S.A.) was appointed head of Unrra in China, and as everyone knows, it fell to pieces in corruption.

Enough has been said to prove that every real key position in the process of the Bolshevik destruction of China has been Jewish.

ARNOLD LEESE.

David Rockefeller[my note joo] and high ranking Chinese Communist leader Zhou Enlai in 1973

Mao in a high-level meeting with several Jews [Frank Coe, Israel Epstein, Elsie Fairfax-Cholmely, and Solomon Adler] Coe was one of the Jew responsible for the Great Leap Forward the engineered famine which killed forty million people.

[Coe participated in Mao's Great Leap Forward, a mighty plan for the rapid industrialization and modernization of China. Mao assigned him to his Chinese economic think tank, the Institute of World Economics, where they provided advice on international trade and global macroeconomic conditions.]

Coe really got around note Coe can also be a short former of Cohen:

http://en.m.wikipedia.org/wiki/Frank_Coe

Virginius Frank Coe (1907–June 2, 1980) was a United States government official who was identified by Soviet defectors Elizabeth Bentley and Whittaker Chambers as being an underground member of the Communist Party[1] and as belonging to the Soviet spy group known as the Silvermaster ring.

On July 1, 1946, Coe became the first Secretary of the Rothschild controlled International Monetary Fund.

Coe, who was also a Jewish Communist agent, was a member of the infamous Silvermaster spy Cell.

Just who is Solomon Adler:

Solomon Adler (August 6, 1909 — August 4, 1994) was an economist who worked in the U. S. Treasury Department, serving as Rothschild's Treasury representative in China from 1941 to 1938., which included the World War II.

He returned to China in the 1950s and was a resident there from the 1960s until his death, working as a translator, economic advisor, and possibly with the Central External Liaison Department, a Chinese intelligence agency.

Adler shared a house with Chi Ch'ao ting(Ji Chaoding) Chinese Ministry of Finance official. and John Service. In 1944, John Service was Second Secretary of the U.S. Embassy in Chungking, China.

Solomon Adler as a Treasury official in Chungking who was also a member of an NKVD espionage ring known as the Silvermaster group.

Adler reported from China to Treasury Secretary Jew Henry Morgenthau, Jr. during the war years -- while serving as Treasury attaché in China in 1944.

Jew Henry Morgenthau, Jr. was Rothschild's hatchet man in USA as he U.S. Secretary of the Treasury during the administration of US president Jew Franklin D. Roosevelt. And later became Later Jew Henry Morgenthau, Jr. became a financial advisor to Israel.

Sidney Shapiro, an American Jew, was a high ranking member of Communist Red China's government.

Israel Epstein, Mao Tse Tung's ministers, shown here being honored for his service by current Chinese communist leader, Chairman Hu Jin Tao.

Israel Epstein, is a naturalized Chinese citizen , and a member of the Communist party of China , he is the Jew responsible for the Cultural revolution which exterminated Chinese culture and killed up to five million innocent people. He wrote Mao's little book. Which was the premise on which the Cultural Revolution was designed to be waged on the Chinese population

Israel Epstein, second from right in front, standing in front of Mao. He later became of his ministers of state, an extremely powerful position. To the right of him is another Jew, also under cover as a journalist.

Sidney Shapiro, Israel Epstein and Chen Bidi getting a birthday party thrown by the politburo

Jews were behind the rise to power of Mao Tse Tung, the communist dictator of China, who tortured and murdered tens of millions of Chinese during his brutal reign. Sidney Shapiro, an American Jew, was in charge of China's propaganda organ. Another Jew, Israel Epstein, was Mao's Minister of Appropriations (Finance). [2012 Book] 9/11—Enemies Foreign and Domestic by Edward Hendrie

'Whatever the price of the Chinese Revolution, it has obviously succeeded not only in producing more efficient and dedicated administration, but also in fostering high morale and community of purpose.

The social experiment in China under Chairman Mao's leadership is one of the most important and successful in human history'.— David Rockefeller[my note the Rockefeller's are Jewish and part of the Rothschild blood line]

"Stalin was also a Zionist. He was the son of Baron Edmond de Rothschild and the brother of Chairman Mao."---New Zealand A Blackmailer's Guide by Greg Hallett

The covert Jewish control of Mao and the Chinese Communist Party (CCP) explains why convicted Jewish spy Jonathan Pollard, found guilty of stealing thousands of classified documents from the Defense Department where he worked, gave these materials to his masters, the Israeli Mossad operating in the U.S.A. The Israelis, in turn, transferred these valuable military secrets straight to Red Chinese dictators in Beijing. Pollard, a Jew born in Galveston, Texas, sits in a federal prison today. Recently, when Israeli Prime Minister Netanyahu came to America, he visited Pollard in prison and assured the despicable turncoat Israeli spy that the Israeli government was working behind-the-scenes with Obama's White House to pardon the convicted spy. Meanwhile, Pollard is a national hero in Israel—honored for stealing America's most precious military secrets which Israel gave to Communist China!---[2012 Book] 9/11—Enemies Foreign and Domestic by Edward Hendrie

The internationalists Jews also worked the other side to bring their Communist forces to victory:

Gun Control The key date here is 1948. Secretary of State and Rockefeller minion General George Marshall intervened on no less than three occasions when Chiang's Nationalist forces were on the verge of defeating Mao's Communist forces by imposing a Cease-Fire. On each occasion, the Cease-Fire bought Mao much needed time to regroup and re-arm courtesy of the u.s. General Marshall ordered all shipments of arms to Chiang STOPPED. For years, Chiang was the poster boy for u.s. intervention in the Sino-Japanese War. Now Chiang's usefulness was at an end and he was double-crossed and Mao was put in power on mainland China. Mao wound up murdering over eighty million of his countrymen. Collectivization led to the starvation of millions of Chinese. Some of Chiang's forces fled to the Shan States of Burma (Myanmar) and this led directly to the bogus "War on Drugs" and the Vietnam War. James Bartley

Jews also held high ranking positions in Mao's Communist Army and given worshipful titles:

Jewish doctor turned 'Buddha savior' under Mao

Odyssey of young Jewish doctor who became a general under Mao Zedong after fleeing Nazis [Nazi's halting Jewish Communism in Europe they he ran to spread it in the Far East, just changed theatres of operation for the tribe] is focus of new exhibition in Vienna

[http://www.ynetnews.com/articles/0,7340 ... 50,00.html](http://www.ynetnews.com/articles/0,7340...50,00.html)

Jakob Rosenfeld, a Viennese physician turned hero of the Chinese revolution, is less well-known than Norman Bethune, a Canadian doctor whose services during the Sino-Japanese war inspired Mao to write an essay that he later made compulsory reading for his People's Republic.

But the Jewish doctor - or General Luo as he was known in China - was the only one of a handful of foreign volunteers to make it into the upper echelons of the revolutionary army.

"He was even named health minister in the Communist army's provisional government in 1947," Gerd Kaminski, an Austrian expert on Chinese history and the organizer of this new exhibit at Vienna's Jewish Museum, told AFP.

The show is part of a series of events hosted by Austria marking the 35th anniversary of the establishment of diplomatic ties with Beijing in 1971.

"Today, he has a statue, a hospital and Beijing's National Museum of China set up an 800-square-metre (8,600 square feet) exhibit in his honor inaugurated by President

Hu Jintao," Kaminski noted.

The exhibit on Jakob Rosenfeld at Vienna's Jewish Museum will run until January 14.

Cambodia the puppet and ally of Koshier Mao's, Jew run Reigme and part of a Jewish World Communist Dictatorship:

Year Zero

"Some call it Marxism — I call it Judaism."
(The American Bulletin, Rabbi S. Wise, May 5, 1935).

"The Communist soul is the soul of Judaism. Hence it follows that, just as in the Russian revolution the triumph of Communism was the triumph of Judaism...."
(A Program for the Jews and Humanity, Rabbi Harry Waton, p. 143-144).

Year Zero the doctrine of Communist Cambodia, which was called the perfect Communist revolution and was supported and put into power by the International Jews via their strong hold of Communist China:
[topic2027.html](#)

It was the literal sweeping away of all civilization, the destruction of the family unit to come to an end forever, the abolishment of all progress, music, money, hospitals, learning, books, reading. The total liquidation of the educated class and professional classes. Even love between humans banned with people killed for even smiling at each other in the slave camps. That the entire population was marched into. Even the word sleep was banned. People where worked from 3 AM in the morning to 11 pm at night on a bowl of rice, if they failed to work or not work fast enough from exhaustion they where killed on the spot. They where forced to live in barns without walls between them and where not allowed to speak to each other. They where reduced to animals. The point of life was to work and die. Their whole culture was exterminated along with the People. And replaced by a slave society of Jewish Communism.

Communist death squads at work in Cambodia.

The great library of the capital had all the books taken and destroyed by the Communist's, the cities where emptied and one third of the population was slaughtered. Any educated person was tortured to death in the infamous prisons as politically declared "sub people" their pictures being taken upon arrest and the pictures of their murdered and tortured corpses taken again after being killed. Their throats slit and their bodies mutilated and carved open by the Communist executioners. The majority of towns where all leveled into the ground and the populations marched into a real life Orwellian Animal farm. Whole families where slaughtered. Women where even killed for the crime of "being too

beautiful." People were put to death for being able to read.

The start of Year Zero was the end of life in now Communist Cambodia. This was the perfect and total implementation of Jewish Communism. This is exactly what we saw with the programs of Jewish Christianity and Islam. Jewish Christianity also started the calendar at year Zero, AD. And did to whole societies what the Communist's did to Cambodia. The libraries were destroyed, the spiritual and thus educated classes were slaughtered and tortured, the cities destroyed, all knowledge destroyed, art destroyed, music banned, even bathing was banned as "Pagan practice" with being able to read made a capital punishment by the Church. The Church Commissar's bragged they had wiped away the entire civilization and culture. And in its place was the slave society of Primal Communism. Run by the Party in the form of the Church. Year Zero.

As the Communist Advisor to Putin, Alexander Dugin who believes stated in an interview:

<http://www.counter-currents.com/2012/07> ... der-dugin/

This fits well with the Orthodox critique of Western Christianity. It is easy to see that the secularization of Western Christianity gives us liberalism. The secularization of the Orthodox religion gives us Communism.....

Communism is the final Perfection of Christianity.

"The world revolution which we will experience will be exclusively our affair and will rest in our hands. This revolution will tighten the Jewish domination over all other people."

- Le Peuple Juif, February 8, 1919.

"The idea behind Year Zero is that all culture and traditions within a society must be completely destroyed or discarded and a new revolutionary culture [my note Jewish Communism] must replace it, starting from scratch. All history of a nation or people before Year Zero is deemed largely irrelevant, as it will ideally be purged and replaced from the ground up.

In Cambodia, teachers, artists, and intellectuals were especially singled out and executed during the purges accompanying Year Zero."

The few survivors left images of the reality of the Communist Regime all of this was brought to you by the Jew World Order this is also what happens in North Korea, China and Jewish run Cuba and the former USSR.

Children of the captives were taken away and then murdered by the Communist Troops.

If you think its over just remember.....

Communism is the Jewish Messianic Movement created and directed by the Elders of Zion such as the Rothschild's. They are still around and still working to turn the whole world into Year Zero, the final aim of Judaism:
topic8274.html

This might be tourists looking at photo's of you and your family one day if the Jews get what they want over here. If anyone is left to know or care....

Remember that the next time some Jew runs their hateful mouth against Hitler for fighting to stop Jewish World Communism. If Hitler had won the war there would have been no Communist China, Cambodia, North Korea, Cuba, Vietnam and many other places. And you might not be up next to share a memorial with everyone else as a murdered victim of a Jewish World Communist Dictatorship.

Subject: Feminism Is Jewish Social Marxism

Feminism Is Jewish Social Marxism

Commissar Anita Sarkeesian educates us all in the message of the Jewish Marxism gospel:
<https://www.youtube.com/watch?v=SA0aKjY8K50>

Anita Sarkeesian: "everything is sexist, everything is racist, everything is homophobic"

She summed up what Jewish Marxism's entire gospel is. Divide and conquer on every line. Destroy the host society and by any means and then institute Communist narrative to impose Jewish control over us and make a Jewish world. Feminism is part of Jewish Communism. And Communism is Judaism as the Jews tell us themselves.

We see this in their original blue print the Jewish Bible.

The Jewish Nazarene states:

"If anyone comes to me and does not hate their father and mother, wife and children, brothers and sisters--yes, even their own life--such a person cannot be my disciple."-Luke 14:26

Divide the Goyim against everyone and everything even themselves. By the weapon of conditioned hatred. Along all lines, race, class, gender, nation. This is the core tactic of Communism.

"Some call it Marxism -- I call it Judaism" (Rabbi Stephen S. Wise, The American Bulletin, May 15, 1935).

As we were told outright by the Jew, Maurice Samuel in his book: 'You Gentiles'

"We Jews, we, the destroyers, will remain the destroyers for ever. Nothing that you do will meet our needs and demands. We will for ever destroy because we need a world of our own, a God-world [Jewish World Order]".... As Samuel tells us right to our faces what a "God World" is.

"We [Jews] have a national God. In the heart of any pious Jew, God is a Jew."

For the Jews this ultimate world desire is expressed as a World Communist Dictatorship.

"The Communist soul is the soul of Judaism. Hence it follows that, just as in the Russian revolution the triumph of Communism was the triumph of Judaism...."

(A Program for the Jews and Humanity, Rabbi Harry Waton, p. 143-144).

- Eleanor Flexner (1908-1995); (apparently Jewish--relative is a Zionist); U.S. feminist.
- Riane Eisler (1931-); b. Vienna; author/feminist; . Author of the book "The Chalice and the Blade" (1987).

The Jews will never be our friends or allies as Gentiles. Only destroy us, no good Jews, just Jews:

"I do not believe that the primal difference between gentile and Jew is reconcilable. You and we may come to an understanding, never to a reconciliation. There will be irritation between us as long as we are in intimate contact. For nature and constitution and vision divide us from all of you forever – not a mere conviction, not a mere language, not a mere difference of national or religious allegiance." (p. 23-24).-Maurice Samuel

Samuel tells us right in our faces:

"In everything we [Jews] are destroyers – even in the instruments of destruction to which we turn for relief."

If where going to get out of this, People we all need each other. Together we are strong and the Jews know this. Otherwise they would not try and divide us along every line.

Recommendations coming out of the three day meeting included the scrubbing of Holocaust denial websites from the internet and the omission of "hate websites and content" from web searches.

A government-convened international conference on anti-Semitism in Jerusalem on Thursday **issued an action plan calling for Internet censorship as a remedy for anti-Jewish**

sentiment.

Recommendations coming out of the three-day meeting included the scrubbing of Holocaust denial websites from the Internet and the omission of "hate websites and content" from web searches.

Convened by the Foreign Ministry and the Jerusalem and Diaspora Affairs Ministry, **the Global Forum for Combating Anti-Semitism (GFCA) is a biennial gathering bringing together Jewish community leaders**, civil society representatives and diplomats to discuss ways to grapple rising levels of anti-Jewish prejudice.

Citing the "pervasive, expansive and transnational" nature of the Internet and the viral nature of hate materials, the conference's final document called upon Internet service providers, web hosting companies and social media platforms to adopt a "clear industry standard for defining hate speech and anti-Semitism" as well as terms of service that prohibit their posting.

Such moves, the document asserted, must be implemented while preserving the Internet's "essential freedom."

A representative of Facebook in attendance declined to speak to the press on the record.

Among the recommendations of the gathering was the creation of more effective mechanisms for industry self-regulation, detection and reporting of hate material and the processing of user complaints.

Internet companies, the document stated, must "develop strong tools for the detection and prevention of websites and other Internet materials that promote terrorism and recruit to terrorist groups and actions."

The GFCA document called upon national governments to establish legal units focused on combating cyberhate and to utilize existing legislation to prosecute those engaging in such prejudices online.

Governments should likewise require the adoption of a "global terms of service prohibiting the posting of hate speech and anti-Semitic materials," it was recommended.

In a second document focused on European anti-Semitism, the GFCA called upon the EU and national governments to adopt a formal definition of anti-Semitism that would include "unambiguous reference to attacks on the legitimacy of the State of Israel and its right to exist and Holocaust denial as forms of anti-Semitism."

Moreover, the EU and its member states should agree on standard mechanisms for the monitoring of anti-Semitism and review their laws to "ensure an adequate legal framework and law enforcement instruments for combating anti-Semitism" as well as applying existing legislation more proactively.

Speaking at the final plenary session of the gathering, Prof. Dina Porat of the Kantor Center for the Study of Contemporary European Jewry at Tel Aviv University, summed up the sentiment of many attendees, calling for "coalitions with moderate Muslims and dialogues with Evangelical Christians."

Europeans must "engage civil society and the general public in efforts to combat anti-Semitism through a concerted public affairs effort," the GFCA final document recommended.

"The global forum is by its nature a collaboration of government, civil society and academia," Akiva Tor, the director of the Foreign Ministry's Department for Jewish Communities, told The Jerusalem

Post. "Our job as the Foreign Ministry will be to look at this document and say what Israel can do to move this forward and get other stakeholders to move forward on it together."

"We are going to continue in the coming year to be focused on issues of cyberhate online and the problem of anti-Semitism in Europe," he said.

One of the leitmotifs of the conference was increased calls for collaboration between groups in the fight against anti-Semitism.

According to Porat, several of the heads of conference working groups called for the formation of an "international public body" for this purpose.

Speaking to attendees on Wednesday, Malcolm Hoenlein – executive vice chairman of the Conference of Presidents of Major American Jewish Organizations – said that there was an immediate need to establish an international Jewish security network that would deal with the physical security of Jewish communities and institutions. He called for a permanent international coordinating center on anti-Semitism, which would operate on a 24/7 basis and in which every country and relevant organization would participate.

Speaking exclusively with the Post on Thursday, **Joel Rubinfeld, head of the Ligue Belge contre l'Antisémitisme, said that he intended to expand his organization into a European League Against Anti-Semitism in order to kick-start continental efforts to roll back the rise of anti-Jewish hatred and violence.**

"The rise of Islamism is also feeding the rise of the far Right – they are the two faces of the same coin," he said.

"Whatever will emerge as the victor is bad. You can't choose between plague and cholera, because you die of both."

"We need to understand the fact that attacks against Jews today are just the first step. What's at stake is future of Europe as democratic entity [as the] fate of European Jewry is a litmus test of European democracy. Anti-Semites begin with the Jews, but they never end with the Jews. We have to see the Jews as the canary in the European coal mine."

To my understanding from a Westerner who went to Thailand to become a Monk. Thai People are openly pro Hitler and National Socialist and anti Jew. It makes sense the biggest allies and openly NS populations are in the Dharmic based nations in the East that still have higher spiritual values and ways of life based around the superior cultivation of the soul, mind and body. Which is what National Socialism's core value is. And why Joo's hate National Socialism and have tried to murder it from the start.

The Jewish Ambassador from Israel a nation that has murdered close to a million Palestinians and where its Political Leaders openly states stuff like this:

"Our race is the Master Race. We Jews are divine gods on this planet. We are as different from the inferior races as they are from insects. In fact, compared to our race, other races are beasts and animals, cattle at best. Other races are considered as human excrement. Our destiny is to rule over the inferior races. Our earthly kingdom will be ruled by our leader with a rod of iron. The masses will lick our feet and

serve us as our slaves" - Prime Minister Menachem Begin

[Israel Joo]Ambassador Simon Roded expressed "disappointment and regret" over the comment by ML Rungguna Kitiyakara, a descendent of 19th-century King Rama V and a distant cousin of HM Queen Sirikit.

[The Joo ambassador was probably sad that Joo's couldn't place signs on buses in Hitler loving Thailand. like Israel's bus company Egged has accepted this ad in Jerusalem:"Statement of the kingdom. From the teachings=instructions of the [Lubavitcher] rabbi:"The Gentile does not want anything. He waits to be told what the Jew wants!"]

On his Facebook, ML Rungguna praised Nazi leader Adolf Hitler as a genius and patriot, and said the holocaust was "propaganda".

ML Rungguna wrote of his appreciation to Hitler on April 20, he Nazi leader's birthday, He said he beleived Hitler made some mistakes but he was a genius and a patriot, so his life was worth studying.

ML Rungguna viewed that Hitler was a statesman who had been destroyed by Jewish bankers and Zionists and been imputed as the bad guy for the holocaust which ML Rungguna claimed did not actually occur. It was propaganda to establish sympathy to expel and kill Palestinians from their homeland so the Jews would have their own state, he wrote.

ML Rungguna, 46, is a son of MR Kiartiguna Kitiyakara and Thailand's former Miss Universe Apassara Hongsakul. He had become a monk for several years and now is a farmer and activist for energy reform.

Oy Veh! Those Thailand Goyim are never going to tolerate this:

National Socialism fought for the world and Western Civilization and People against the onslaught of Jewish World Communism. Many from across the world and many different races, nations and cultures volunteered to fight for Hitler against the Jew World Order.

The Men of Division SS Charlemagne volunteered like the Spartan 300 to fight to the death to defend Europe and the World against the advancing Jewish led, Communist Army. Original created in the Soviet Union to conqueror all of Europe to Ireland. The sacrifices of millions of loyal people is what stopped the total take over of the planet by the Jewish Communist forces the largest force every assembled in history with one purpose. To wage total war on the nations to create a Jewish World Communist Dictatorship.

In their own words why they fought, these Men knew they where not coming back from Berlin, but volunteered anyway:

The 33rd Waffen Grenadier Division of the 44 Charlemagne (1st French) and Charlemagne Regiment are collective names used for units of French volunteers in the Wehrmacht and later Waffen-SS during World War II. From estimates of 7,400 to 11,000 at its peak in 1944, the strength of the division fell to just sixty men in May 1945.

They were arguably the last German unit to see action in a pitched battle during World War II, where they held central Berlin and the Führerbunker against the onslaught of Soviet infantry. Knowing that they would not survive should Germany be defeated,

The French Charlemagne SS were the last defenders of Hitler's Führerbunker, remaining there until 2 May to prevent the Soviets from capturing it on May Day.

Jew Tries To Murder Gentile Bartender Over NonKosher Tomato Juice

Talmudic rage fit of the typical Poo People towards the Goyim. Magic Joo Tomato Juice is more important than the life of innocent human beings. In Joo think. Where all Palestinians now. This fellow was wounded and his best friend, his dog. Died saving him from being murdered.

This attempted murder is fully ok in Joo religious law of their Holy Talmud:

Sanhedrin 59a: "Murdering Goyim is like killing a wild animal." Abodah Zara 26b: "Even the best of the Gentiles should be killed." Baba Neria 114, 6: "The Jews are human beings, but the nations of the world are not human beings but beasts." Midrasch Talpioth, p. 225-L: "Jehovah created the non-Jew in human form so that the Jew would not have to be served by beasts. The non-Jew is consequently an animal in human form, and condemned to serve the Jew day and night."

With thinking like that no wonder the Pooz are so quick to murderous violence towards Gentiles on a normal basis.

Police charged a Jewish Montana man with attempted homicide for shooting a bartender who served him a nonkosher cocktail last week.

The gunfire that struck the bartender likely would have killed him if it hadn't hit the injured dog he was carrying at the time, the man's brother said this week.

Dog's death likely saved Hamilton shooting victim

Monte Leon Hanson, 59, shot his neighbor and bartender Joe Lewis because his "red eye" — a beer and tomato juice cocktail — was made with Clamato instead of tomato juice, according to court records.

Hanson, who is also charged with animal cruelty, said drinking Clamato, which is tomato juice flavored with clam broth, is against his Jewish religion.

The bartender's brother, Mike Lewis, said Tuesday that a gunshot hit the dog, Jackson, in the head. He said that if his brother had not been carrying the pit bull, who was in a cast after having a toe removed, the shot could have hit Joe Lewis in the head.

"Joe's alive today, because he was carrying Jackson to go to the bathroom, and when he was shot at, Jackson blocked the bullet that would have hit Joe," Mike Lewis said.

A second shot hit Joe Lewis in the ribs and went out his back, missing any major organs.

"He's doing all right now," Mike Lewis said of his brother. "He's just in a lot of pain is all. He's staying strong. He's out of the hospital."

But "he's pretty broken up about his dog," he added.

Amy Bennett, who works with the victim, told the local newspaper, "He was a little upset."

She explained, "He lost his best friend. ... He's very lucky to be alive."

Family and friends are trying to raise money to get Lewis another red nose pit bull. They also hope to raise enough to cover about three months' worth of living expenses until he can return to work.

Hanson is jailed, with bail set at \$250,000. Public defender Ron Piper did not immediately return a phone call from The Associated Press on Wednesday morning seeking comment on behalf of his client.

Jews Behind Ferguson Trying To Start Race War

The Ferguson race riots were fuelled by the Jewish controlled Media and funded by Globalist Jewish Elites. And it was done along the Social Marxist narrative Jews created and have been indoctrinating the populace with for decades in their Hollywood, Media, their control of the Campuses and on. This is divide and conqueror. To further work towards creating a Jewish World Communist Dictatorship. Remember every Communist front in America was run by Jews [many times KGB Jewish agents] under a "Liberal banner."

For an in-depth view of this reality:

The Jewish Communizing of America

<http://groups.yahoo.com/group/JoSNewsletter/message/243>

Sorros:

<https://www.jewishvirtuallibrary.org/js...Soros.html>

Sorros is openly Jewish born of a Jewish family.

Lets us first review Sorros and his fellow Jews role in the attempted Communist social revolution in America.....

Sorros was also the major Key Jew being the organized Protest Wall Street Movement. Which was an admitted attempt to start a open Communist social revolution in America. Which is the stated final goal of Social Marxist indoctrination.

Today with the protest movements at Wall Street we see this unfolding evidenced by the fact the movement was created and is funded by the Jewish power structure agents such as the notorious Hench Jew of the Rothschild's, George Soros who organized the Occupy Wall Street Movement via Adbusters:

Adbusters made the initial call in mid-July, and also produced a very sexy poster with a ballerina posed atop the Charging Bull statue and riot police in the background. US Day of Rage. [1]

This group then contracted the "NYC General Assembly" a covered Communist front group of Jews and usefools to carry out the grunt work and get it going.

The Adbusters Media Foundation describes itself as a non-profit "anti-consumerist" organization that functions as "a global network of artists, activists, writers, pranksters, students, educators and entrepreneurs who want to advance the new social activist movement of the information age."

Steve Baldwin claims Tides received over \$7 million from George Soros. Although the monetary connection between Tides' founder Drummond Pike and the arch globalist Soros is somewhat murky, researcher Ron Arnold has mapped out numerous connections between the two so-called philanthropists. Under IRS rules, Drummond is not obliged to reveal who he receives money from to fund a large number of supposedly progressive organizations.

"The Tides Foundation is a pass-through for other foundations' money," writes Arnold. "Tides Foundation is a public charity, not a private foundation. Tides Foundation passes other foundations' money to a spectrum of left-wing organizations which the original donors would not or could not support on their own. Because none of the more than 260 projects under the Tides umbrella files its own Form 990 with the IRS, their finances are totally secret and not available for public inspection, an issue that requires congressional remedy."

"It would seem George Soros is connected to the U.S. Day of Rage aka Occupy Wall Street through The Ruckus Society. On the U.S. Day of Rage website. The Ruckus Society receives funding from the Tides Foundation and George Soros' Open Society Institute provides grants to Tides, including a mere \$4.2 Million in 2008, the last year figures are available." [2]

Who else has hovered into to help to direct this movement?

A widely reproduced article October 5 ("Seeking Energy, Unions Join Protest Against Wall Street"), the New York Times pointed prominently to the attitude and role of Stuart [Jew] Appelbaum, president of the Retail, Wholesale and Department Store Union (RWDSU), in relation to the current Occupy Wall Street protests. [3]

More on Applebaum:

As well as serving since 1998 as president of the 100,000-member RWDSU, now a division of the United Food and Commercial Workers (Change to Win Federation), Appelbaum is president of the Jewish Labor Committee, a pro-Israeli lobby within the American trade unions. In this capacity, he regularly defends Zionist policy, although in its "moderate" Labor Party version, and denounces Palestinian resistance. He is also associated with Ameinu, the successor to the Labor Zionist Alliance.

Prior to the disaffiliation of the UFCW from the AFL-CIO, Appelbaum functioned as a Vice President of the national AFL-CIO and a member of the federation's Executive Council from 1998 until 2005. He also currently serves as a vice president of the New York State AFL-CIO and the New York City Central Labor Council.

He plays a prominent role in the Democratic Party, having served formerly as Chief House Counsel of the Democratic National Committee. Appelbaum was elected a delegate to the 1996, 2000, 2004 and 2008 Democratic National Conventions and an alternate delegate to the 1992 Democratic National Convention. In 2008, he served as a member of the Electoral College as an Obama elector from New York.

Appelbaum sits on Freedom House board with a variety of right-wing academics, trade unions officials and assorted US government operatives past and present, including Kenneth Adelman, formerly an assistant to Secretary of Defense Donald Rumsfeld (under Gerald Ford), and later a member of the Defense Policy Board. Another Freedom House trustee is Diane Villiers Negroponete, wife of John Negroponete, ambassador to Honduras during the 1980s, who played a key role in

supplying and supervising the CIA-backed "contra" mercenaries who were based in that country, and whose operations claimed 50,000 lives.[3]

More:

Media spokesmen for the Occupy Wall Street demonstrations claimed that their operation is totally transparent, with everything subject to democratic discussion in a general assembly of all comers. But eyewitness reports from experienced observers on the ground in lower Manhattan indicate a much different reality behind these bland assurances. Forces appeared to be at work behind the scenes to manipulate the protest movement .

Eyewitness observers suggest that the deliberations of the general assembly are largely a diversion, and that real power is being increasingly concentrated in the hands of about 20 mysterious and anonymous individuals who appear to make up a kind of covert steering committee that pulls the strings on the general assembly, or else goes around it completely. The members of this cadre of mysterious operatives are not as young as the average demonstrator. The secret leadership is made up of people ranging in age from 25 to over 40, with the older ones occupying the key posts.

Attempts to ascertain the names of the behind-the-scenes leaders are met with stonewalling. When pressed to reveal her identity, one female leader gave her name as "Mary MIA." Another gave his name as "Tony POW."

If the leaders of OWS want to be transparent, let them make public at least the full names of the people whare actually running the show. No one wants to join a movement with anonymous leaders.

Observers have noticed that almost all of the likely members of the secret steering committee disappear from view between 4 and 6 p.m. each afternoon, right before the opening of the general assembly, for which they then re-appear. It is assumed that they are attending a closed-door meeting, but the general assembly is not officially informed of this fact.[4]

We are experiencing a return transit of the Jews via their formula of problem, reaction, solution. Creating and funding a mass movement for an End Game power grab and the folding of America into the Jew World Order. Which is playing off the terraforming of America over decades of psychological programming of Cultural Marxism [every major campus is a Cultural Marxist seminary] to have the leftist usefools by legion to be the marching fodder to create the core ranks needed along with a Jewish leadership body. And with the spark of the engineered depression to unite them into a battering ram of Global Jewry.

Rabbi Bertram W. Korn:

"It would seem to be realistic to conclude that any Jew who could afford to own slaves and had need for their services would do so....Jews participated in every aspect and process of the exploitation of the defenseless blacks."

"Jews and Negro Slavery in the Old South, 1789-1865," in Abraham J. Karp, *The Jewish Experience in America: Selected Studies from the Publications of the American Jewish Historical Society* (Waltham, Massachusetts, 1969), pp. 184, 189. [Dr. Korn is a rabbi, historian; A.B., Cincinnati, 1939; Hebrew Union College-Jewish Institute of Religion, Cincinnati, Ordination M.H.L. 1949; Sr. rabbi, Reform Congregation Keneseth Israel, Elkins Park, Pennsylvania, 1949-; Chaplain, USNR, 1944-; Visiting professor, American Jewish History, Union College-Jewish Institute of Religion, New York, 1962-; Honorary Overseer Gratz College of Pennsylvania; visiting professor, American Jewish History, Dropsie University of Pennsylvania; 1970-; Recipient Merit Award, American Association for State & Local History, 1969.]

Now why do Jews who ran the entire African slave trade on the protocols of their racial laws of the Talmud. And where over seventy five percent of the owners of Black Slaves in America and are responsible for the African Holocaust of a Hundred Million African Blacks. And who's slave trade was only stopped by direct intervention of White Goyim like Lincoln and the Pan Western White Abolitionist movements that came from the original Free Masonic enlightenment. Which the Jews worked to ruin with the Jewish Illuminati, Jewish banks and Jewish Communism. The Jews now blame Whites for Jewish crimes when Whites stopped Jews enslaving Blacks and put the Jewish run Slave Trade out of business. Jews the Shit People.

The Jews are responsible for creating Racism against Blacks with the Curse of Ham that was used to legitimize slavery further when the Jewish Torah which forms the core of Jewish Christianity and was the basis for legitimacy of slavery and other tactic's. But today we are supposed believe Jews care. When Jewish Elites rape Africa on a daily basis. And their Marxist Leaders like Mugabe, kill thousands of Blacks in their terrorist regimes. And the Jewish Mossad as the journalist Gary Web was killed for finding out, was behind the pour Drugs into the Black communities and created the culture of destruction of Black life which the Jews then promote in their Media and it was the gangs which formed out of this.

Jews Behind the Black Holocaust

<http://www.blacksandjews.com/JewsBlackHolocaust.html>

What are the Issues?

Blacks and Jews have been involved in a re-evaluation of their current and historical relationship. Events of the past several years have raised both tensions and the level of rhetoric coming from all sides. The Secret Relationship Between Blacks and Jews is a historical accounting of the part of the relationship that has been ignored by both Blacks and Jews. Most people are not even aware of the extensive record of encounters between the two groups prior to the 20th century. The Honorable Louis Farrakhan referred to this well-documented history in 1984 and was immediately labeled an "anti-Semite." Merely questioning the belief that Jews were co-sufferers in the Black slave experience draws angry rebukes from Jews of all stripes. The book in question presents indisputable historical data from census records, wills, Jewish historians and scholars, rabbinical sermons, port records, court records, runaway slave notices, slave sale advertisements, etc., which forces all sides to grapple with the long-held mythology that Black people always found a friend in the Jews.

Some Jews and their dutiful negros have hired the services of Dr. Harold Brackman of the Simon Wiesenthal Center in an effort to preserve the comfortable mythology which has obscured the actual

historical record. But unbeknownst to them, Dr. Brackman's 1977 unpublished Ph.D. dissertation, entitled *The Ebb and Flow of Conflict*, goes far beyond *The Secret Relationship* in its claims of Jewish conspiracy in the Biblical origin of White supremacy. He clearly states that Jewish Talmudic scholars invented the Hamitic Myth which, through the story of Noah, everlastingly assigned to the African the role of slave and divinely cursed servant of White people. According to Dr. Tony Martin's book, *The Jewish Onslaught*, the Jewish invention of the Hamitic Myth "provided the moral pretext upon which the entire trade grew and flourished."

"There is no denying," said Brackman of the story of Noah, "that the Babylonian Talmud was the first source to read a Negrophobic content into the episode..." Brackman pointed out further that two third century Jewish "Sages" provided homosexual embellishments for the Biblical story as well.

This "curse" was the absolute basis for the Europeans' choice of dark-skinned Africans for chattel slavery. Many denominations of Christianity, Islam and Judaism believe it and teach it to this very moment! Southern plantation owners attacked the Abolitionists with it; its teaching was the foundation of the slaves' permitted religion; Black inferiority is based on it; the Ku Klux Klan relies on it; even the Mormons officially taught it until 1978. When the Jews invented it and promoted it to the world they sentenced the Black Race to a holocaust the likes of which no people have ever suffered. "Hate teaching" will forever be defined by this wicked belief system brought to us in the Jewish Holy Talmud via Harold Brackman.

The critics curiously use a Harvard English teacher, Henry Louis Gates, to offer historical clarity. Gates exhibits no evidence that he even read the book in his oft-quoted NY Times opinion. His willingness to make asinine historical claims with the glaring absence of support from reputable Black or Jewish historians proves Adam Clayton Powell's axiom: "Harvard has ruined more negroes than bad whiskey."

Overwhelming Evidence

The history that the old "Black-Jewish Coalition" clumsily avoids is the entire three century history of Jewish presence in South America and the Caribbean. But other highly acclaimed Jewish scholars have not been so blind:

Lee M. Friedman, a one-time president of the American Jewish Historical Society, wrote that in Brazil, where most of the Africans actually went, "the bulk of the slave trade was in the hands of Jewish settlers."

Marcus Arkin wrote that the Jews of Surinam used "many thousands" of Black slaves.

Herbert I. Bloom wrote that "the slave trade was one of the most important Jewish activities here (in Surinam) as elsewhere in the colonies." He even published a 1707 list of Jewish buyers by name with the number of Black humans they purchased.

Cecil Roth, writer of 30 books and hundreds of articles on Jewish history, wrote that the slave revolts in parts of South America "were largely directed against [Jews] as being the greatest slaveholders of the region."

"I gather," wrote Jewish scholar Wilfred Samuels, "that the Jews [of Barbados] made a good deal of their money by purchasing and hiring out negroes..."

According to the Jewish historians, all Barbadian Jews owned slaves - even the rabbi had "the enjoyment of his own two negro attendants."

In Curaçao which was a major slave trading depot, Isaac and Susan Emmanuel report that "the shipping business was mainly a Jewish enterprise."

Says yet another Jewish writer of the Jews of Curaçao, "Almost every Jew bought from one to nine slaves for his personal use or for eventual resale."

Seymour B. Liebman in his *New World Jewry*, made it clear that "[t]he ships were not only owned by Jews, but were manned by Jewish crews and sailed under the command of Jewish captains."

Moshe Kahan stated bluntly that in 1653-1658, " Jewish-Marrano merchants were in control of the Spanish and Portuguese trade, were almost in control of the Levantine trade...were interested in the Dutch East and West Indian companies, were heavily involved in shipping; and, most important, had at their disposal large amounts of capital."

In Brazil, where most of our kidnapped ancestors were sent, Jewish scholar Arnold Wiznitzer is most explicit about Jewish involvement:

"Besides their important position in the sugar industry and in tax farming, they dominated the slave trade. From 1636 to 1645 a total of 23,163 Negro slaves arrived from Africa and were sold for 6,714,423 florins. The West India Company, which monopolized imports of slaves from Africa, sold slaves at public auctions against cash payment. It happened that cash was mostly in the hands of Jews. The buyers who appeared at the auctions were almost always Jews, and because of this lack of competitors they could buy slaves at low prices. On the other hand, there also was no competition in the selling of the slaves to the plantation owners and other buyers, and most of them purchased on credit payable at the next harvest in sugar. Profits up to 300 percent of the purchase value were often realized with high interest rates....If it happened that the date of such an auction fell on a Jewish holiday the auction had to be postponed. This occurred on Friday, October 21, 1644."

Given the concise statements in the Jewish historical record, of which the "Black/Jewish Coalition" is totally ignorant, how can it be taken seriously in the present debate? (For even more evidence see the Facts and Quotes Section)

Jews and Slavery in the Old South

The Jewish critics prefer to focus on the history of slavery in America while ignoring our kidnapped African family in other parts of the Western Hemisphere. This attempt to focus the debate is designed to limit our historical inquiry and to suggest that we Blacks are to care only about our Black family within America's political boundaries. This view also conveniently limits the consideration of evidence of direct Jewish involvement as whip-wielders in the slave trade which is so abundant in the southern part of the Western Hemisphere. By the time of the Jewish migration into what is now the United States, Jews were less involved in the direct trade but remained significant beneficiaries by their involvement in the plantation economy.

Jews in the South were of the merchant class, according to a Jewish historian, having developed "a separate and distinctive accommodation to the plantation economy." The Southern planters depended upon these merchants to move their produce to market as well as for a source of supplies and financing. Jews had become commission merchants, brokers, auctioneers, cotton wholesalers, slave clothing dealers, and peddlers, keeping the slave economy oiled with money, markets and supplies.

It is no mystery why the Jews were absent from representation in the ranks of the Abolitionists. The American and Foreign Anti-Slavery Society in their report of 1853 expressed their frustration at the lack of Jews:

"The Jews of the United States have never taken any steps whatever with regard to the slavery question. As citizens, they deem it their policy to have every one choose which ever side he may deem best to promote his own interests and the welfare of his country. They have no organization of an ecclesiastical body to represent their general views; no General Assembly, or its equivalent. The American Jews have two newspapers, but they do not interfere in any discussion which is not material to their religion. It cannot be said that the Jews have formed any denominational opinion on the subject of American slavery....The objects of so much mean prejudice and unrighteous oppression as the Jews have been for ages, surely they, it would seem, more than any other denomination, ought to be the enemies of caste, and friends of universal freedom."

One study by Ira Rosenwaike published by the American Jewish Historical Society has shown that 75% of the Jews of the South owned Black slaves while 36% of the White population owned slaves.

Ask the Jewish critics to name one (just one) prominent Colonial American Jew who did not own slaves. He will have the same difficulty as the Anti-Defamation League of the B'nai B'rith had in their 1976 pamphlet entitled, *American Jews: Their Story*. The ADL lists 13 pioneers of the American Jewish community - 10 of whom have been definitively linked to the slave trade. Some Jewish scholars of today, such as Jacob Rader Marcus, chart the wealth and prestige of their ancestors by the number of Black slaves they possessed. The point that the "Coalition" eludes is the utter failure of Judaism to control this oppressive impulse on the part of these Jews. As Rabbi Bertram Korn, the foremost scholar of nineteenth century Jewish history, has written: "It would seem to be realistic to conclude that any Jew who could afford to own slaves and had need for their services would do so....Jews participated in every aspect and process of the exploitation of the defenseless blacks."

When Rabbi David Einhorn of Civil War era Baltimore, a true Jewish friend of Black people stood up for the humanity of the Black Man using the holy principles of Judaism from the Torah, his words were brilliant:

"America of the future will not rest on slave chains or belittling its adopted citizens. It will also give up its disinterestedness in the fate of other peoples of the world....[T]he next battles will leave a real blood bath, but slavery will be drowned in that bath."

Alas, his own congregation physically expelled him from his position as rabbi and ultimately from the city. They opted, as most Jews did, to accept the "Judaism" of the most prominent rabbi of the time Morris J. Raphall:

"[I]t remains a fact which cannot be gainsaid that in his own native home, and generally throughout the world, the unfortunate negro is indeed the meanest of slaves. Much had been said respecting the inferiority of his intellectual powers, and that no man of his race has ever inscribed his name on the Parthenon of human excellence, either mental or moral."

The historical record is formidable and well-represented in *The Secret Relationship Between Blacks and Jews, Volume One*. Within 334 pages there are 1,275 footnotes containing multiple references for the reader to examine. The irrefutable record of Jewish historical compliance with Black oppression is no longer a "secret." The debate has surely changed.

The *Washington Post* has confirmed the accuracy of *The Secret Relationship* while exposing the ignorance of its media critics. University of Chicago African Studies professor and Jew Ralph A. Austen has written in *Tikkun Magazine* that the "substantive content...seems fairly accurate." Furthermore he says, "The authors of *The Secret Relationship* underestimate the structural importance of the Jews in the early stages of the New World slave trade." The Jewish Community, negro followers, Harold Brackman and Henry Louis Gates might do well to investigate that amazing assertion of this Jewish historian.

Jewish Racism

But what of the continuing Jewish racism that elicits no Jewish response at all. No letters warning of some ominous trend. The African United Front of Los Angeles raised many of these issues in a recent *Final Call* article:

·Michael Levin of City College of New York, Vincent Sarvich of the University of California at Berkeley and Richard Hernstein at Harvard are among the most prominent Jewish scientists and scholars who maintain that Black people are intellectually deficient. Hernstein's book *Bell Curve* harkens back to some plantation philosophy claiming that Blacks are intellectually inferior to Whites. Other Jews, including Howard B. Abikoff of the Long Island Jewish Medical Center, Rachel Klein of the Long Island Medical Center and Columbia University, and Gail Wasserman, in the Department of Child Psychiatry at Columbia, are engaged in research which has the potential to link genetics to violence in inner city Black and Latino children. Where is the outrage, Coalition? Where are the calls for repudiation?

·Journalists like Jeff Greenfield, Norman Podhoretz, Roger Rosenblatt and other Jews have besmirched the Black image in news shows or on the printed page. Jewish producers in Hollywood like Norman Lear, Mort Lochman and Ed Weinberger continually produce degrading television sitcoms, like *Sugar Hill*, produced by Armyan Bernstein, Tom Rosenberg and Mark Abraham. These portrayals can only be compared to Julius Streicher's degradation of Jews in *Der Stürmer* in Nazi Germany[my note Streicher told the truth about the Jews and they hanged him for it after the war, where the Jews lie about Blacks].

·The *San Francisco Chronicle*, the *San Francisco Examiner*, the *Los Angeles Times* and numerous other newspapers have documented the fact that for decades the ADL ran a private nationwide spy network - "a systematic, long-term, professionally organized political espionage operation complete with informers, infiltrators, money laundering, code names, wiretapping and secret meetings." Newspapers have revealed that among the 950 organizations and 10,000 individuals that the ADL prepared files on were many Black groups, including the NAACP!

There are many issues of varying degrees of significance that must also be raised to clear the air:

For thirty years Israel has maintained strong economic, military, nuclear, scientific, academic, energy, tourist, cultural, sports, transportation, agricultural and intelligence ties with South Africa - and thereby prolonged Black oppression there. Jews were the only group in this country who arrogantly threatened to protest the visit of revered African National Congress Chairman and now President Nelson Mandela to the United States in 1990. They have labeled Mandela and Bishop Desmond Tutu "anti-Semites" while the 110,000 Jewish South Africans are, in fact, the richest single community in the world.

The late Israeli Defense Minister Moshe Dayan asserted that the quality of American military forces had deteriorated because they were composed of Blacks "who have low intelligence and low education." He urged America to ensure that "fresh blood and better brains go to their forces." He is a hero in Israel.

Jewish talk show host Howard Stern was quoted in the November 1st issue of Time magazine as stating that, "they didn't beat this idiot (Rodney King) enough." In March, he played Ku Klux Klan songs on his broadcast and used the term "nigger" 55 times in 10 minutes. He offered the term "porch monkey" and "yard ape" as labels for Blacks.

Furthermore, during the week of March 7, 1994, Jewish comedian Jackie Mason was quoted by news broadcasts as having said: "The susceptibility to violence happens to be more among Blacks than whites - a hundred times more."

In 1991, Judge Joyce A. Karlin sentenced Korean merchant Soon Ja Du to five years of probation, 400 hours of community service and a fine of five hundred dollars for killing Black teenager Latasha Harlins. Judge Stanley M. Weisberg transferred the Rodney King case to Simi Valley and thereby virtually assured an unfair trial for the Black victim. Superior Court Judge Roosevelt I. Dorn, a Black jurist who had been hand-picked to hear the case of three men charged with beating Reginald Denny during the early hours of the L.A. Civil unrest, was removed from the case by District Attorney Ira Reiner. Karlin, Weisberg and Reiner are all Jews. Jewish leaders did not repudiate them for their "racism" or "unfairness;" there were no newspaper advertisements taken out to condemn them, nor were their names dragged before congress to be censured.

If the Jewish Community has a longstanding interest in providing accurate information about history, culture and traditions of the Jewish community, as some have claimed, maybe they should commence with one or more of the above.

Black educators need not fear cheap smear campaigns by long-time racists. Our history is our responsibility, and we have no right to compromise with truth or the instruction of our children. What they teach Jewish children is their business.

Billionaire George Soros spent \$33MILLION bankrolling Ferguson demonstrators to create 'echo chamber' and drive national protests
Hedge fund mogul's Open Society Foundations made huge donations
Organizers bussed in from New York and D.C. to take over campaigning
Different cash recipients would repeat each others' messages
Helped to keep events and messages at the top of news agenda
Soros cash, from speculating on markets, is given to many liberal causes

Liberal billionaire George Soros donated \$33million to social justice organizations which helped turn events in Ferguson from a local protest into a national flashpoint.

The handouts, revealed in tax filings from Soros's private foundation, were given to dozens of different groups which weighed in on the crisis.

Organizers from professional groups in Washington, D.C., and New York were bussed into the Missouri town to co-ordinate messaging and lobby to news media to cover events using the

billionaire's funding.

The flood of donations were uncovered in an analysis of the latest tax return by Soros's Open Society Foundations by the Washington Times.

The cash was reportedly funneled into keeping up numbers of protesters in the community over a period of months by bringing in outside activists.

Meanwhile papers from think tanks were disseminated to bring in extra coverage of the civil unrest, also linked to the police killings of Eric Garner in Staten Island and Tamir Rice, 12, in Cleveland, Ohio.

Outlets which covered the research, and the movements themselves, included one, Colorlines, which Soros himself has funded.

The slew of organizations reportedly created their own online 'echo chamber', by using their extensive social media presences to 'like', repost and comment on articles putting across their point of view.

The director of Soros's fund said that they have no direct control over the groups they give to, and said they are all trying to improve accountability.

Bankrolled: Tax filings revealed that Soros pumped millions into groups that bussed protesters to Ferguson, Missouri, from around the country and co-ordinated campaigns to keep it in the media

The words are reference to how contentious witness accounts describing how Michael Brown was raising his hands in surrender when Ferguson officer Darren Wilson shot him dead this August.

Soros also gave money to the Drug Policy Alliance, which worked on the perpetuation of the 'black lives matter' buzz phrase, which has been incorporated into speeches by political figures including Hillary Clinton.

The billionaire's fortune was made from speculating on financial markets, most notably making more than \$1billion in the 1990s helping cripple the British financial system by speculation on the pound sterling.

He is currently ranked at number 17 on the Forbes 400 richlist, with an estimated worth of \$24billion.

The Chekist

Warning this film is graphic. While graphic does not show the full level of the horror the Jewish Cheka leveled on the population. The Jewish lead and staffed Cheka was responsible for the murders and torture of millions.

<http://holodomorinfo.com/glossery/jewish-nkvd/cheka-2/>

"The Jewish Cheka was a secret police force created through the NKVD on December 20, 1917, after a decree issued by Vladimir Lenin [Jew], and was subsequently led by Felix Dzerzhinsky. The Cheka rounded up all those who were under suspicion of not supporting the Jewish Bolshevik government; including Civil or military servicemen suspected of working for Imperial Russia; families of officers-volunteers (including children); all clergy; workers and Chekapeasants and any other person whose private property was valued at over 10,000 rubles. The Cheka practiced torture and methods included being skinned alive, scalped, "crowned" with barbed wire, impaled, crucified, hanged, stoned to death, tied to planks and pushed slowly into furnaces or tanks of boiling water, or rolled around naked in internally nail-studded barrels. Women and children were also victims of Cheka terror. Women would sometimes be tortured and raped before being shot. Children between the ages of 8 and 13 were imprisoned and executed. Cheka was actively and openly utilizing kidnapping methods and with it was able to extinguish numerous people especially among the rural population. Villages were also bombarded to complete annihilation. The Cheka is a direct predecessor of the KGB formed 9 years clear of WWII in 1954. Jewish revisionist Zionism had already constructed a further manifestation of this organisation in Jewish occupied Palestine 5 years earlier called Mossad."

Subject: YOU Are Here To Win this War!!

For those who are historically aware, the jews work by certain methods to dominate and destroy humanity. They say they are ENTITLED for. Their "god" which we have conversated what this shithead collective is, gives them entitlement to do anything on the "goy" and also, control them totally.

One has to have their eyes open. The "Goy" got well fed for like, less than 100 years, and they have forgotten their history. They have forgotten that 100 years ago, hardly anybody could study any book they wanted, hardly anybody could move away from their village. Nobody even knew where many diseases came from. They thought it was good punishment for every bad thought they had, against "God". "God" was the only thing they knew. This applies to most if not all countries, only, it was far worse. People were lower than the level of an ape. Few if any had any other "knowledge" or ability. Man wasn't worth a nickel of tin. Or as a Rabbi did put it, while referring to Gentiles, not even "A jewish fingernail". Which basically is how the jews have raped, pillaged and murdered Gentiles over trivial and "ideal" things.

To put it simply: Those who know of the occult and know how to use the "invisible powers" can guide history. Those who are in the occult know how magick can make things happen than in another way could never happen. Magick in that sense is analogous to creation. They are guiding history because they know and they have killed anyone else who held this knowledge. Therefore, others cannot have any say for this, they are simply sheep going towards wherever [in the case of the jewish way of moving things, total slavery and slaughter]. Towards where they do guide it, exactly?

Read the Biblical crap, see history, see their "Holy books", their "Torah" and anything they write. Do your reasearch, with the WWW [666] NOW that you can. Because, the kikes, are attempting to destroy this as-well right now. You are NOT entitled to any knowledge. Only the kikes are. You are to remain a slave and an ignorant animal. Thats all you are made to do. "Serve the jews". This is what they state. Thats all they are working towards. Consciously or not, it is of lesser importance.

This is what they are working for. Towards a massive slave state, which we know today as "Communism" under which everyone is enslaved to the Jews. To a global state, where everyone is of the "same race", the kikes are technologically and spiritually at the top, the earth is destroyed for everyone except where the kikes live, people are enslaved and they have hardly any knowledge, or

better yet, they are jumbled into a big central computer. Behind this "computer" a kike overlord sits and decides how much "Money" anyone will have, if anyone should live or die. And they call this guy "Messiah", which is none else than the "return of christ", who has absolute power to lord over anything. Human population will be reduced only to where the kikes will have enough slaves, and anything else, what have you, is gone from the world. Everything and anything else is gibberish. The jewish owned-created-supported USSR showed this entirely to the whole world. Only, that a new USSR with nowadays terms would be simply fatal.

They are lying to you. All they say to you are lies. They are marching forward the obvious: Global dictatorship. They simply gave a "let go" for some years, to further have the technology for that. And now they are coming closer to this, so long they aren't facing opposition. **NOBODY CAN OPPOSE SOMETHING THEY DO NOT KNOW OF OR SEE AND MOST PEOPLE OUT THERE DON'T EVEN KNOW.**

A new, futuristic, Middle Age! Now, you cannot escape from that shit, as some fools have been foolishly "futuristic" enough, to inject the jew inside their veins or even brains, in the form of a "futuristic" microchip. After all, the brain is useless according to the kikes. They have stole all the knowledge on how to use the Soul and your Brain, but here you go: They come to save you! By enslaving you further!

We told you about the microchips and digital money. Here this is. They are trying to implement this. In broken countries like Greece [who is by the way under leftist rule] they are trying to turn money in "Cards" as I got told by some other member. This isn't anything of a "coincidence". The money which was under control of the jew, will then be INTERNALIZED. This is no different than giving your life in the hands of the jews. Unless people resist this, Humanity will be over with.

<http://www.dw.de/should-paper-money-be-abolished/a-18456046>

Now, someone did send me this video. This is very important. Yes, definitely, hundreds of subliminals AGAIN, kikes are the ones "speaking" in the video, 6:21 are the times into the video, and so forth. Then, you have random eyes of reptillians showing inside the video, in the scene about "Coalscene Corp" it shows a random "Window" that as an utter form of coincidence is a 6 pointed star shaped shit... Too many coincidences into one fucking video. Then, you have the Black People rioting the streets and so forth. Ferguson anyone?...The kike in the video tries to programm you that "THIS IS HAPPENING"... The list could go on and on... This all, in less than 4 minutes. Imagine what they do to people their whole fucking lives.

You think this is some bullshit? So were the Twin Towers which Mossad has done, as it was subliminally put into "Batman" and the "Simpsons", only to be done later, see for yourself:

<https://www.youtube.com/watch?v=Bfr053KdD6w>

And to inform you: This will surely come earlier than "2065" or some other date. Much of this shit is done right now. This doesn't mean technology is evil in itself. The kikes are trying to make technology a horror, only to suit their desert wanderer insane communist ends. Because they simply never forget they are to enslave anybody else, in accordance to their so called 'masters'. They turn great things into most evil and dangerous.

If nothing is done on our behalf, because ONLY WE can act, they will simply get their way with this all. This is the sad Truth. The world will then become an place that you would wish Gentiles are never born again, literally.

Every single jew works towards this. Consciously or not, it doesn't matter. What matters is they work towards this. They "pray" everyday, do magick everyday. Long hours, over and over again.

Everyday. They never stop. They always "pray" to the enemy. They are chasing this goal. Unlike you, they never stop. They don't "Doubt" themselves. They do not "switch" opinions everyday. This is for the stupid goy. The jews are actively trying to create all this shit. Every last fooled gentile that helps the jews, every last fucking idiot that reads the bible, every last fool that studies and promotes communism, what have you. They are all working. They aren't that strong, they aren't even closely remotely as strong as a Satanic Soul, but they are working like slaves on a rat-wheel to attain this, so they can "rest on the 7th day". And this has been going for centuries. They do not ask, they do not whine. They simply do. They do over and over again, until they die, only to then have 5 or more children behind to continue this nasty work.

Then you have our side. In simply like 10-12 years we are making them question themselves. Lose major parts of their work. This, without working as they do. Some of us here are far more devoted than even the enemy. Others more, others less, what matters is, we are doing things. But imagine if we were like them. In the scope of some years, where the fuck would we be, each and everyone of us? That we would own the World is simply an understatement. Yet, the enemy is working for centuries only to fail and fail again, then they simply act again without stopping, until they succeed. A bunch of slaves and look at what they did. What can a free people and Satanic minds do, in such tactical unison? I ask you to think far in the future, what we can do. This is all in US.

I want to be brutally honest with you.

The only one who can save Humanity from that shit is Satan and also, YOU.

Thing is, fate or nature never ask. They never ask if you are ready. They never ask, if you can see your enemy or not, or if you can attack back. They never ask if you know enough. They never ask if you are able to do anything. They only put you in a position to do something. In reality, yes, you can do something. I have total faith in everyone of you. You can destroy the enemy. They are hiding this from you. They are making big shows to convince you otherwise. They are trying to use psychological tricks and endless life problems to keep you away of your total power and ability to abolish them from this Earth, so we can rebuild a paradise. A beautiful paradise. We are able to. And we have the means, which are our Gods and our spiritual knowledge.

I ask you right now, to stand into the height of the circumstances. To the height of your OWN fate. Fate falls in the back of those who know and who are able to act. We are the ones who must put the spiritual fight against the enemy. The people out there are too brainwashed and weak to even know. You must understand, that the fate of this world falls on the hands of those who can alter it. We can turn this around, win and destroy the enemy totally. What they are trying to do, is a double sided blade. It either cuts the Gentile People or it cuts the jews. There is no other way.

The jews know they will get destroyed if we act. They are so afraid they want to inject some sort of microchip into your brain, to control every little "evil" thought. They want to shut your mouth so they can control every little "word". They want to poison your food so they can control you. They want to feed you cancer so they can keep you ill. I ask you simply, how AFRAID and PARANOID are they? They are totally shitting themselves. This is why many are having such difficult things to deal with, this is why many are spiritually attacked, this is why they are making these big shows to try to convince anyone that they are "good" and on their way. They aren't good and they are going to lose their way. They know how fast and brutally they can possibly get defeated. This is what they are trying to hide. They are aware of their size, as they are parasites, and a parasite can only work until one has brought the pesticide. Which is SPIRITUAL WARFARE and EDUCATION of the people. This are the methods who will guarantee real riddance of this deadly parasite.

They are here to lose right before they have "manifested" their shit. Do not ask why. Because YOU exist. Because SATAN exists. That be the only why. Because the People and Gentiles want to be free from all these fucking curses put upon this World.

We are here to win this war.

Until a new Reversing Torah Ritual [which couldn't be done due to bad planetary alignments for this] is done here you go:

Everyday, until the day that a Ritual will come, which will be soon, raise the following and direct it as following.

-Thurisaz x9.

Then affirm Once with intent-

"Israel and all the jewish race of peoples are permanently and completely destroyed in every and all levels of existence."

-Hagalaz x9

Then affirm Once with intent-

"Israel and all the jewish race of peoples are permanently and completely destroyed in every and all levels of existence."

You can multiply 9 vibrations and do this, like x18 Thurisaz or x18 Hagalaz.

An Alternate affirmation would be as following: "Israel and the jewish race as a whole are now being permanently and completely destroyed, in every and all levels of existence."

****ALL THE ABOVE IS TO BE DONE EVERYDAY, UNTIL A NEW RITUAL IS POSTED. THIS SHOULD BE PART OF YOUR DAILY MEDITATIONS. PREFFERABLY, DO THIS FIRST AND THEN DO YOUR AURA OF PROTECTION AND CLEANING MEDITATION!

Subject: YOU Are Here To Win this War!!			

For those who are historically aware, the jews work by certain methods to dominate and destroy humanity. They say they are ENTITLED for. Their "god" which we have conversated what this shithead collective is, gives them entitlement to do anything on the "goy" and also, control them totally.

One has to have their eyes open. The "Goy" got well fed for like, less than 100 years, and they have forgotten their history. They have forgotten that 100 years ago, hardly anybody could study any book they wanted, hardly anybody could move away from their village. Nobody even knew where many diseases came from. They thought it was good punishment for every bad thought they had, against "God". "God" was the only thing they knew. This applies to most if not all countries, only, it was far worse. People were lower than the level of an ape. Few if any had any other "knowledge" or ability. Man wasn't worth a nickel of tin. Or as a Rabbi did put it, while referring to Gentiles, not even "A jewish fingernail". Which basically is how the jews have raped, pillaged and murdered Gentiles over trivial and "ideal" things.

To put it simply: Those who know of the occult and know how to use the "invisible powers" can

guide history. Those who are in the occult know how magick can make things happen than in another way could never happen. Magick in that sense is analogous to creation. They are guiding history because they know and they have killed anyone else who held this knowledge. Therefore, others cannot have any say for this, they are simply sheep going towards wherever [in the case of the jewish way of moving things, total slavery and slaughter]. Towards where they do guide it, exactly?

Read the Biblical crap, see history, see their "Holy books", their "Torah" and anything they write. Do your reasearch, with the WWW [666] NOW that you can. Because, the kikes, are attempting to destroy this as-well right now. You are NOT entitled to any knowledge. Only the kikes are. You are to remain a slave and an ignorant animal. Thats all you are made to do. "Serve the jews". This is what they state. Thats all they are working towards. Consciously or not, it is of lesser importance.

This is what they are working for. Towards a massive slave state, which we know today as "Communism" under which everyone is enslaved to the Jews. To a global state, where everyone is of the "same race", the kikes are technologically and spiritually at the top, the earth is destroyed for everyone except where the kikes live, people are enslaved and they have hardly any knowledge, or better yet, they are jumbled into a big central computer. Behind this "computer" a kike overlord sits and decides how much "Money" anyone will have, if anyone should live or die. And they call this guy "Messiah", which is none else than the "return of christ", who has absolute power to lord over anything. Human population will be reduced only to where the kikes will have enough slaves, and anything else, what have you, is gone from the world. Everything and anything else is gibberish. The jewish owned-created-supported USSR showed this entirely to the whole world. Only, that a new USSR with nowadays terms would be simply fatal.

They are lying to you. All they say to you are lies. They are marching forward the obvious: Global dictatorship. They simply gave a "let go" for some years, to further have the technology for that. And now they are coming closer to this, so long they aren't facing opposition. **NOBODY CAN OPPOSE SOMETHING THEY DO NOT KNOW OF OR SEE AND MOST PEOPLE OUT THERE DON'T EVEN KNOW.**

A new, futuristic, Middle Age! Now, you cannot escape from that shit, as some fools have been foolishly "futuristic" enough, to inject the jew inside their veins or even brains, in the form of a "futuristic" microchip. After all, the brain is useless according to the kikes. They have stole all the knowledge on how to use the Soul and your Brain, but here you go: They come to save you! By enslaving you further!

We told you about the microchips and digital money. Here this is. They are trying to implement this. In broken countries like Greece [who is by the way under leftist rule] they are trying to turn money in "Cards" as I got told by some other member. This isn't anything of a "coincidence". The money which was under control of the jew, will then be INTERNALIZED. This is no different than giving your life in the hands of the jews. Unless people resist this, Humanity will be over with.

<http://www.dw.de/should-paper-money-be-abolished/a-18456046>

Now, someone did send me this video. This is very important. Yes, definitely, hundreds of subliminals AGAIN, kikes are the ones "speaking" in the video, 6:21 are the times into the video, and so forth. Then, you have random eyes of reptillians showing inside the video, in the scene about "Coalscene Corp" it shows a random "Window" that as an utter form of coincidence is a 6 pointed star shaped shit... Too many coincidences into one fucking video. Then, you have the Black People rioting the streets and so forth. Ferguson anyone?...The kike in the video tries to programm you that "THIS IS HAPPENING"... The list could go on and on... This all, in less than 4 minutes. Imagine what they do to people their whole fucking lives.

You think this is some bullshit? So were the Twin Towers which Mossad has done, as it was

subliminally put into "Batman" and the "Simpsons", only to be done later, see for yourself:

And to inform you: This will surely come earlier than "2065" or some other date. Much of this shit is done right now. This doesn't mean technology is evil in itself. The kikes are trying to make technology a horror, only to suit their desert wanderer insane communist ends. Because they simply never forget they are to enslave anybody else, in accordance to their so called 'masters'. They turn great things into most evil and dangerous.

If nothing is done on our behalf, because ONLY WE can act, they will simply get their way with this all. This is the sad Truth. The world will then become an place that you would wish Gentiles are never born again, literally.
