Anyone who has any kind of knowledge of hypnosis knows this. Recreational drugs also make one extremely open to being a victim of witchcraft. This means the user is open to being like a zombie and under the control of the spellcaster.

I saw this myself that was going on between two people. One's life was totally ruined as he was completely at the mercy of the one who used the witchcraft to manipulate him. This ended in tragedy for both. Both are dead now.

The CIA has a long and ugly history of using drugs to effectively hypnotized resistant subjects and also to artificially split the personality and more.

People who smoke marijuana also experience burnout. This is also where the mind is in a receptive state and open to suggestion, no different from what is being done when one is "under" in hypnosis.

I also want to add how the jewtube TV now has endless and frequent commercials advertising prescription drugs. Some Jew on there goes rattling off all the hideous symptoms... "May cause internal bleeding, ulcers, respiratory distress, confusion, etc, etc, etc. Talk to your doctor... Talk to your doctor...Talk to your doctor..."

This subliminally programs people to be sick and with the prolific advertising, this may be the Jews' way of inciting plague. These sick commercials also affect those dozing off or asleep within hearing the damned television set. I never watch TV myself, but others I live with do, unfortunately. Then the goddamned thing is always blasting away with worthless Jewish filth in the laundromat and other places, incessantly programming those who are unaware.

Just know, drug use can turn you into somebody's bitch. Responsibility to the responsible.

No one has a spare mind or body.

Subject: Jewish Ritual Style Murder In Hollywood

Jewish Ritual Murder In Hollywood?

This was posted on the forum by SatanicWarrior. Note I wonder were this Jew got the idea of torturing, murdering and then draining the blood of a Gentile? Its a case right out of Jewish ritual murder of which many happenings are documented.

Well I said "Maniacal Jew" but we all know I am being redundant.

This scumbag joo killed his Gentile (Armenian) girlfriend in a grotesque, but typical jooish act of torture and bloodlust. Ritual murder it would seem.

He was a spoiled overgrown child because mommy and daddy gave him millions. And he wrote depraved "graphic novels."

TEXTBOOK JOOZ

[https://www.washingtonpost.com/news/mor ... hollywood/](https://www.washingtonpost.com/news/mor... hollywood/)

Blake Leibel was fascinated by evil.

His graphic novel centered on the search for the bad seed lurking in the brains of serial killers. He wrote a screenplay about a madman on a murder spree. His work, he wrote online, "grappled with the questions surrounding what provokes a person to commit evil acts."

Now Leibel stands accused of taking that fascination too far by reenacting his bloody imagination in real life.

On Tuesday, the 35-year-old appeared in a Los Angeles courtroom to face charges of torturing, mutilating and killing his girlfriend.

Leibel was arrested in West Hollywood on Thursday when authorities discovered his girlfriend's body inside their barricaded apartment, according to the Associated Press.

Iana Kasian, 30, had just given birth to their first child three weeks earlier.

In a detail seemingly pulled from Leibel's own graphic novel, prosecutors said her body had been "drained" of its blood.

Leibel has pleaded not guilty. If convicted of first-degree murder, he could face the death penalty, the AP reported.

Such a sentence would be a bizarre and ironic twist for the graphic novelist, whose best-known work begins with the execution of a serial killer on death row.

It would also mark a sudden and precipitous fall for Leibel, the son of a wealthy Toronto developer and former Olympian.

Massive Protests In Germany Against The Jews

Every day news reports thunder across the international press. Showing our ritual of the reverse torah ritual is working on every level. The Jewish global system is falling. Just doing the rituals not only works on every level, but gives the average Jew a bad day. Its epic winz. So keep doing them daily.

Hundreds of anti-refugee demonstrators gathered at the central station of Erfurt, Saturday, to protest against multiculturalism and decry the arrival of refugees to Europe. The protest march was met by a group of pro-refugee counter-protesters.

The protesters took to the streets at around noon local time (10:00 GMT) and marched through the city of Erfurt for over three hours with banners against Muslims and refugees.

SOT, Anti-refugee activist (German): "I live in Switzerland. All the entrance points connected to Italy are closed. Instead here [in Germany] there is no solidarity with their own people or German leadership. This kind of politician must go. And therefore we here in Erfurt, as in Berlin, say Merkel must go."

My note President Johnson, was Jewish and a well known supporter of the Jewish agenda as such. He green lighted the Liberty attack and personally got on the phone to the US Admiral and called off American planes when they took off from a local US carrier to give aid to the Liberty in attempt to give his fellow Jews in the Israel forces the extra time to destroy the Liberty and kill all the US Service Men aboard for the false flag to work.

Always remember... The enemy has victimized humanity by removing our psychic powers. The falling of the Serpent. This has enabled them to go unnoticed, as most people cannot see or identify the enemy reptilian soul and that there are differences in souls.

Know, when you begin to meditate, especially for new people, this opens your mind and astral senses to the extent of how open your potential is from your past lives. For example, one who has already done meditation and/or yoga, Martial Arts, and related in a past life at some point may have more pronounced experiences, than one who has done little or nothing.

My point here for writing this post is to know that upon opening your mind, and this also includes other spiritual practices such as using a Ouija Board, know that everything you may encounter astrally is not always Satan.

For example, there may be ghosts in your house that you were unaware of until you opened your mind and empowered your astral senses. Members, especially new people, have written regarding feelings of being touched and seeing entities and other similar experiences.

Never be afraid. This is something new for a lot of people. This is a very positive thing. Your astral senses and intuition will help you throughout your life.

Just know what you might see, feel or experience astrally is not always of Satan.

Holocaust of India, Jewish Power Murdered 85 Million Indians

I care not what puppet is placed on the throne of England to rule the Empire. The man who controls Britain's money supply controls the British Empire and I control the British money supply." (Nathan Rothschild said (1777-1836)).

The same Jewish elites who murdered 100 million people in their USSR and other 100 plus million in their holding of Communist China which supported Pol Pot as well. And the hundred million Black Africans who were holocausted in the Jewish run trans Atlantic slave trade. Also murdered 85 million Indians with their control of the British Empire as those in the know called it the Yiddish Empire for a reason.

But guys remember..... Anti-Semitism is the problem in the world, never the Jews...

Victims of the Jewish engineered holocaust of the Indian People in the 1870's.

Just like the Ukrainian victims of the Holodomor were 16 million people were murdered by the Jewish Bolsheviks....

British grain taxation policies, coupled with drought, caused an estimated 12-29 million Indians to starve to death from 1876-1902. The British Jewish administration, headed by the viceroy Lord Lytton (who dismissed calls to feed famine victims as "humanitarian hysterics"), not only did nothing to stop the disaster but actually pushed an act of parliament in 1877 that forbade famine relief, for fear it would cut into the record profits being made. They did allow desperate refugees from the countryside to earn their food at work camps in Madras and Calcutta, where their rations were less than that of prisoners at Buchenwald. British troops massacred starving mobs who tried to storm the trains and ships that were exporting their grain to Britain. The Madras Chamber of Commerce suggested the police set up flogging posts to prevent people from stealing the grain.

"Their very eyeballs were gone ... Their fleshless jaws and skulls were supported on necks like those of plucked chickens. Their bodies – they had none; only the framework was left."- a British journalist describes famine victims, 1877.

Who was the one world leader who stepped in to help liberate the Indian People to free themselves of the murderous control by Jewish Elites....

The Indian People have never forgot this either.....

They have even made films to honor this....

Hitler also fought to end the Holocaust system of the Jewish totalitarian system of the USSR, striking into the USSR several weeks before Stalin's scheduled plan to invade all of Europe as even former Soviet intelligent admits[1], and which Hitler knew about as well. Hence his first move as the only chance to save Europe, his victory there would have ensured Mao with the direction of the Jewish elites would never have arisen in China.

Never forget were in this fight together against the One Enemy of all Mankind, the Jew.

In light of recent questions over to how to deal with entities, its important some things are being addressed.

First of all, in the "other side" (Astral), one can encounter all sorts of entities. There are levels of this. Having worked extensively and for many years both with people on the other side who have passed away, the Demons and encountered a lot of things, its easy to discern a lot of problems in this thing. Its important these are solved because due to centuries of darkness and jewish lies, many people don't know what's up.

One major thing is to remember, that beings on the other side, aren't any less "real" than beings that could be potentially on this side. The fact that they are not in the primary sphere of your own existence doesn't really make them "Inferior" or anything else, and for the beings who reside into higher dimensions like the Demons, in many ways, they are superior to a lot of people who are just living and existing on the physical realm. So first of all we are going to deal with the matter of ghosts. The enemy grimoires have really poisoned this matter and we are slowly going to clear the clutter from this whole thing. There are also many charlatans around, like xians and that sort of thing, that don't know anything about the afterlife. This makes everything harder and more confusing.

I am starting from ghosts because these are basically the simplest entities one can really "relate" to in this sense, and they just live one "layer" above close to the Astral realm. This is why many people can actually "see" or "feel" ghosts, even if they aren't really "psychic". Normally, ghosts are like real human beings. They don't have the needs of eating or anything that is needed to sustain the physical body, but their emotional, intellectual and whatnot needs, are intact like any other living human being. They are also, not "dead". One's spiritual awareness, understanding and personality, is carried on intact in the other side.

The same applies in some cases with one's natal chart. The same natal chart one can have when they were alive, still applies to them after death, until someone reincarnates again. This means the "Karma" doesn't really wash out at death. The fact that people think otherwise is retarded and is again, stemming from "Christianity" that says "people get judged" after they die. This is a stolen concept and it's, like with anything the jews steal, completely corrupted and destroyed. This can be seen in the fact that many people grow "rich" (they get inheritances even if they are dead) or they get "famous" (like philosophers or skeptics or scientists) only after they die. This sort of thing has to do with their natal chart and there is a branch of astrology going into this, so I can't deviate from the purpose of this post as this would be too lengthy.

Now in regards to "dead" people who have "seen the xian afterlife", most of these people have been "clinically dead" but the "cord" of their soul/body didn't cut. This once cut cannot grow back on its own. One still roams within their own "subconscious" or their own mind at this point and this is not in anyway, actually "death" where the Soul is permanently disconnected from the body. Due to heavy indoctrination, a lot of these xians and others, do see "hell" and all these other things that are deeply embed and programmed into their subconscious mind.

This is part on how many people, in the time of their death, see a lot of their desires, past moments in this lifetime, and other things. The heavily indoctrinated see what their pastor told them they should expect, as this is programmed and drummed into the mind since infancy. In plain words, what they see is no different than an actual dream state. They aren't really astral projecting or anything like that. They aren't even witnessing their "Soul" per se, but their mental or "dream body".

Death however, deals with the higher or unconscious mind. And not the dream state or anything subconscious.

As about the "Judgment" after death, this is a destroyed and corrupted allegory. When one exists and departs from their physical body, they go out with their Astral body. Their personality and everything else is intact. In cases of natural death (without accidents, but old age) the bioelectricity of the physical body has run dry, and it's over, so the Soul cannot really inhabit in it any longer- the body is no longer suitable for life. The Soul as thus departs. So when people run out, the Soul runs on its own "energy" or "battery" so to say. This is to mean that simply, when one's "time is up", they dissipate back into the Aether. And slowly dissipate now and forever.

Sometimes the process of reincarnation happens, and this in many ways is an "automatic" (or let's say, unconscious) process and like with so many things that happen unconsciously, people don't really understand "who" did this, even in the afterlife. This is also why so many people that refuse to be reincarnated, for a number of reasons, they stay on certain places like old homes, or other places like close to their own families, or hunt buildings. Many times also ghosts and people from beyond, they prefer to go into places where there are "earth grids" with vital energy, which helps them survive, or other strong electromagnetic currents. This process can also, be unconscious as well.

For many death is a totally baffling phenomenon, and they just try to stay stuck on this world, or things that are familiar to them. The Astral body can have all the sensations of the physical one, but it doesn't really participate in a physical world. Since the vibration of many people is too low, they just exit on the exact "higher" dimension of this realm. Many people don't really understand that they are dead, same as many people who are in a dream state and they don't really understand they are dreaming, until the dream becomes "conscious" or "lucid". Then they slowly come into realization of this after a while.

For these beings, their fate is questionable. Many people fall victims into their own delusions once they die, or they are harvested by stronger enemy beings, or they end up in "the light", or others dissipate, while others haunt houses and the list goes on. Their fate is literally anything possibly. One cannot really say for sure. Especially if one is a "devout" Xian or devout in the attraction of all these subconscious messages of self-decay of xianity, everything happens "faster" in the Astral, as one can move "faster" and their ideas attract things faster to them. This is no different than how a bad fetishist can end up in the wrong club and get so beaten up that they are going to die, or that people who do drugs just find the wrong dose at some point and find themselves dead. Vices and personality traits are carried in the afterlife. In the same way, emotions, feelings, one's mental and spiritual condition, character, morality is also carried.

This is why "ghosts" can be absolutely anything. Literally. They are not "good" or "evil" and they aren't really "simpler" than any other real Human being. Their condition is exact to the Human one, except of the changes that we related above. This is why for instance people who have been nagging others their whole lifetime, they will do so after death. People who have been serial killers, or very aggressive people, will be so after death. Nothing really changes when one leaves their "husk" even though many idiots believe it to be so, thanks to xianity.

As about the "judgment" of the Soul, this is an allegory. The more "lower" one is spiritually, the lower they are on the astral and the closer they are on the physical. They haven't really "ascended" and they don't have any knowledge of the beyond, let alone any help or anything. They can end anywhere. This is the "judgment" and the "lightness of the Soul". The "lighter" and the more enlightened the Soul, the more powerful it is in fighting intrusions or anything else. Ghosts can also be subjected, like any other creature physically. The enemy knows and uses this against innocent human beings. They can also make friends, foes, enemies, or just be indifferent. Many people refuse the "reincarnation" that happens by their unconscious mind, because they want things solved in the physical realm they cannot leave behind. This is especially true, as HPS Maxine has covered, in the case of murder or anything else where these beings want justice.

Elevation of one's "vibration" also means to get on a higher dimension astral. This is transferred with someone after "Death" as well. This is where when one dies, they are in the higher astral dimensions and not on these very low one's to the physical. Ideally, one person should know how to go higher or lower. However due to spiritual ignorance, this is not known to most people and they are on a lockdown. This is allegorically on how the Egyptians went in front of the gates, and if they knew the correct words, they would be elevated from "hades" to higher levels. The lower one is, the more one runs the risk of dissipation, enslavement by hostile ET entities, etc. This is allegorically "hell", and the "hell" the Abrahamic religions have subjected Humanity into.

Part of this "vibration" and where one "is", also potentially shows how much power one has, even in the physical realm. In the same sense, people with occult knowledge, can use it after they die. This is especially true with entities that some people call "poltergeists" or something like this. These ghosts are sometimes strong people (either by birth or by natal chart, or just people who were into the occult) and they seek to harm people due to fun, or other personal reasons. A good natural instance is people who do have a Scorpio stellium. These people can be natural adepts to magick without even really knowing it, or they have powerful willpower. This can cause things on its own, even change down the world of the living. However rare, these beings exist too. This ties into the above thing. These people can be arguably, more or less spiritual and more or less aware of what they are doing.

Now in regards to other matters on how to identify ghosts, it should be easy. First of all Ghosts can be really felt in some points. Especially if the person died a violent death, the life force of their body wasn't completely dissipated such as peaceful death in old age, and sometimes this affects the Soul, making these people really "dense". Some people are "dense" naturally, such as the beings above. Some people are very frail and they can hardly ever be noticed, or their effects. The list goes. One can pretty much identify them through power. There are some ghosts who are also powerful, like the categories above.

Normally these should be nowhere close to Satanists, same as astral entities with hostile intents. There is a chance they can also be crossed. That doesn't necessarily mean, they will be powerful or not. Power is a great definition though. When one grows competent enough, they can actually "discern" the Soul by its essence. Humans have a particular essence. The Human Soul can be more advanced, or less advanced. Power is the most accurate judge to begin with, but one should look for essence, personality, intelligence etc after this. Ghosts don't really deliver this electrifying serious power like the Gods.

To not mess the usual with a rare occurrence though, most ghosts are really weak. Mostly they are in the same power level as ordinary human beings that didn't quite meditate. The same goes for knowledge, intelligence and power in general. How one can deal with ghosts really has to do with the ability one has to deal with other people in general. The same goes for personalities in general. The fact that they are ghosts doesn't mean they don't think, they like or dislike everything, or that they necessarily pose a danger, or not. It's almost close to how one deals with people in real life. Nothing is certain. One can become a friend with ghosts, or drive them away, or anything else.

Normally, the Gods themselves will handle any Ghosts who are seriously a danger to people. Though ghosts are too many in number in many cases, with many ghosts being around in general. Having strange emotions, weak shivers, feelings of fear or worry, or other sorts of feelings that are not "yours" when you enter a place, is a sign of ghost activity.

Children many times do see "ghosts". This is why many children talk of "imaginary friends" and many times get the stories they share validated, on the account that real people with names and such existed in such places. Many times, ghosts are not evil people. Ghosts can also be serious murderers and stuff, or like to cause dismay, or get sudden emotional urges and stuff, like Humans. The only difference is that they don't have physical needs and quite a handful have figured out the hoax of xianity, since they died only to see it was a lie.

The enemy is also well aware of the existence of ghosts. This is why in mimicry of the Ancient Egyptian religion, they bless ghosts. Ghosts can be blessed, cursed or even subjected. The enemy has rituals and litanies upon which they attack ghosts that are not subjected to christianity and they try to send them to "hell". This is the case especially in Orthodox Christianity, where even if people are long dead, the clergymen keep "reading prayers" and "blessing" them to be judged by "God" or to enter "hell or heaven" if they were disobedient. Sometimes these curses work, sometimes not- the same goes for how the jews and others curse relentlessly people who have attacked them but according to them, "passed on", like Adolf Hitler.

The enemy also actively calls "angels" and other beings, or the Hebraic Thoughtform itself to "harvest" people. To what degree these work, is up to their power and the power the Goyim slaves give to the book of the bible, by worshipping the jewish thoughtform that is the root of all their occult power- what I want to show is that they actually attempt to subvert, destroy and enslave beings even after they have passed on. They literally enforce people into "hell" or in a dimension of a jewish Thoughtform and aliens, that subject these people and destroy them. This quote below is a blatant one.

Revelation 20:13-14

And the sea gave up the dead which were in it, **and death and Hades gave up the dead which were in them; and they were judged, every one of them according to their deeds. Then death and Hades were thrown into the lake of fire This is the second death, the lake of fire.**

You can blatantly see, the enemy affirms openly that "Hades" (who is a well known Pagan Ancient Greek God) is actually keeping the Souls of Humans in refugee. This is also analogous to being in a low level of astral, but this is not the case here, as the enemy talks about the actual God Hades. The Gods are known to take care of the Souls of people. Those who are in the low dimensions or haven't really dedicated are also taken care of as much as possible.

The enemy here blatantly admits that the Afterlife is not where this is "over". One goes to somewhere- the lower Astral level. They know it's not over. They also know the Gods protect the Souls of people as much as possible, and they want to obliterate BOTH of them, and take their "Souls" to be "Judged" by the Hebraic Thoughtform, and be harvested by the enemy ET beings. They want to subject them into a dimension where there is eternal fire and brimstone, in order for them to suffer eternally for not believing the jews etc. This is NOT the case, but something to be sought.

This "dimension" where they do these things, is actually something they also manipulate the mass mind in order to create, as everyone, even those in the Vatican know, that this is an invention of the Church. The mass belief into the fake tales of xianity, creates something similar to this place into the Astral, since thoughts become things in the astral in many ways. So the psychic energy of the Goyim, except of manifesting riches for the jews, death and anguish for all Humanity, disasters to the planet, they also create a metaphysical construct of "hell" for those that believe in this excrement, to actually burn forever.

As to not confuse people, the Torah and the Abrahamic programs, don't only create a reality that is physical, but a metaphysical one. Part of this is this pool of hellfire for the disbelievers, where all Humanity wants to end up in, except of the 144,000 elect jews who will rule the planet and become "Gods". Not only xianity wants to damn you now, but in the afterlife. That's how much it hates humanity.

This is part of cursing these beings and general scorn, defamation, but has deeper spiritual reasons. Its well known Kabbalists on the enemy cursed Adolf Hitler and the Nazis well after they "lost" this

war or "died". This is for a reason. The same goes for any other Spiritual entity, or like our Gods, that they curse. There is a very famous jewish curse, that the jews use for the idea of "Gentile Jesus" as well (Because Jewsus, Rabbi Yashua is a Rabbi and the Goy are insolent to call this thing a Gentile) and this curse is "may his name (memory) be blotted out". This signifies their wish about death in the afterlife, and in history as well- not only physical death. The enemy knows nothing ends with mere physical death. This is what they hide from the masses of the Goyim, aside everything else. Its part of the deal in keeping Humanity blind and under strict alien control. With jews, you lose. Here and beyond.

I hope the above sums up the matter of Ghosts in general and it enlightens the whole situation around ghosts. More posts like this will follow. One last note, those with Satan will never be subjected to anything vile like this, as the Gods, from all the times, take care of our Souls. This has been the meaning of the Egyptian and other Ancient religions. Eternal life is really possible both through the Magnum Opus and because the Eternal Gods help those who have passed away from falling into the jaws of danger and death. This is again documented into the Egyptian texts. Spiritual evolution assures survival both here and in one's general existence.

As most of you have seen, the Joy of Satan webpage has been down for approximately 2 whole days.

Now most people give reasons like its the Servers, which it may actually be. However, things seem to go deeper. The situation is enraging and all those who know how "magick" works, they can see this.

If one pays attention between the lines, this happened in Wednesday and Thursday, both of which are working days. This technically means, that the Servers could be as well, brought up. Lately, also, the Joy of Satan Forums have been falling on a consistent basis, which with promised "99.9%" uptime, is a difficult thing to happen. The same applies to the servers of the Joy of Satan webpage. As for the groups, all of you know they have been attacked to oblivion and they have been made into something much worse than what they once were, with the new layouts and everything, which are laggy and sluggish as never before.

A small offence it may be to some. To many of us here, this has been the longest that the Joy of Satan webpage has been down. These "coincidences" of late, do not fool the spiritually wise people. All of this is coded in the Torah, where there are severe curses for people who are against the enemy in anyway, shape or form. The enemy is *NOT* here as anyone's friend, but as a slaver of everyone. It is becoming apparent. They do not tolerate problems in their own "stable", or even THINKING from their "Goyim". Due to recent uprising in massive enlightenment of the people, their reactions have been rampant.

As all of you here know, we have said again and again. Salvage, save and store everything. This is not a fun deal, and the soap and sugar town the jews promise you with "stability" is only the West, which is right now crumbling below the lines. What we are doing here, hasn't been done in decades against them. We have serious, cutthroat enemies. Those who still doubt this need to be checked for their own sanity. They have turned a planet into oblivion, a whole billions of beings into oblivious ignorance. Just take a look around you and you will see that. They have suppressed the Truth, murdered the equal number of BILLIONS of people.

For those of you who are historically aware, a lot of "powerful Empires", however much of their power or their freedoms, they have been blown away and destroyed by the enemy and this has been ongoing over and over again. The enemy is not going to sit down and be defeated, same as nobody else that has committed all their crimes and curses against Humanity.

For those people naive enough to think everything will be here forever, while they will be sitting on the fat couch, I suggest they look at history. We have to be trustful, but we also have to be vigilant, and we have said the same thing for years. Taking things for granted, like that you know the Truth, you have the ABILITY to meditate, or anything like this, or being un-appreciative and un-protective of these things, show a human being of low quality, and base retardation intelligence, that cannot look in the historical continuum to draw on the apparent Truths from it. This chance many of you

here possess is 1 in a billion or more. Use it, fight for it, defend it, or waste it. You have chances that your Ancestors have never, ever had before, neither most of Humanity. You appreciate this, put this in use, escape the level the enemy has locked you onto, or you are worthy of your own fate.

Freedoms are only won by blood. In order for all of you to be here and have this chance, blood, labor, tears and anguish has befallen many others. The fact that you live in a peaceful world now, and things seem "Stable" doesn't mean ONE thing. For those who are too sluggish and stupid to see this, I have nothing more to say. Their apparent retardation is something that nothing will ever fix.

Now going to our Comrades and people who are actively aware, fighting and destroying the enemy. For us many Truths are apparent. One of these Truths is that everything that happens has a cause. Attacks like this always have a same cause. Just take a look around to see how the enemy is trying to control and destroy this magnificent uprising against them.

I will tell you in simple words what happened. The enemy merely tries to bash their way into this house of Satan, and destroy it, same as us and Satan. This has been a recurring phenomenon. We are really destroying the enemy, and they will not sit back idly and watch. Where most people see "coincidence", we know how to see better.

We are the biggest Satanic Community online, by a longshot. Others speak, we do. One just needs to look around into the hoards of people who are retarded cutthroats, the Islamic Invasion, the Attack of Europe and the constant Marxism of the USA, or the pushing of the enemy and their xianity- one needs to look no further. Freedom of Speech, Western sane countries. Europe is being censored and the same thing is happening into the USA. The enemy is willingly making their big advance, and most people cannot really see deep into this matter, which we know to be a Truth. There are causes, and then there are effects- then reactions. What is going on lately, is insane.

From all these people who are drowning in retardation, waiting for "Saviors", taking false flags like Trump, or going down in long lectures about how Judeoxianity will save the West, or the other pathological things they say that only a retard would, then the High-On-A-Horse-Know-It-All, "Satanists" who belong in Safe Satanism, only *WE* act on the *ROOT* of the problem. And apparently, the root replies back. One can see the uprising of the enemy like never, ever before, since we started our systematic advance spiritually against their empire of JEWISH ROT.

Statistically and logically speaking, its impossible for our Forums to fall down for days, and the Webpage for so long (even if its a server thing) in the same 10 days, with 99,9% uptime. The Groups have been sluggish and lagging too like never before. It is OBVIOUS we are BEING ATTACKED. This has manifested in many forms especially as of late.

What is also obvious, is that our recent rituals are setting fire on the back of the enemy, for which they reply with sly and underbelt attacks. What's usual of these beings of this Race, of course.

They control the Right with jewish puppets like Trump, or by pushing Judeo-Christianity vs the "Pisslamic hoards" while at the same time, they promote incessant Communism and Feminism, both of which wear down and destroy Nations. Christianity, Communism and anything else, all promote the same Agenda of wiping out the best, most precious people who can turn matters around. Both lead down the same result- The jews stay in power, the jews become more powerful, the jews keep people in their clutches, the servitude and slavery continues until the inevitable end of this world.

The pile of Corpses and the massive Tyranny of the enemy has become obvious to all now. Its a slaver oligarchy that piles up corpses everyday, most of which are never known. It has shaped a whole reality for the slaves, yet the pile of its fruit is becoming apparent. As it piles up, everyone will see it.

Our duty is to show the naive people to this monument of the Jew World Order. Show them to the root. Only from the Joy of Satan, the rightful Father of Humanity has had the ability to finally speak for Himself and show the cause of our misfortune as Humanity.

Then one simply looks in Europe, where the European Parliament is passing down even more laws against Free Speech and people go to jail over Facebook and Twitter posts. Families are being evicted from their own houses, which is a Communist Practice, only to find themselves in the streets while illegal refugees are taking on their homes. You see all sorts of excuses, lies, justifications. These are part of the jew-trix reality of the enemy to blind people further. Somehow, this is deserved, there are reasons of this, its natural payback, it must go on. The list goes endless. The massive invasion of the 3rd World is continuing, the Media are lying 100%, people are being deported from their own countries and homes.

Christianity tries, like the enemy jew, to keep its ugly head afloat in the "right wing", as the enemy well predicted the "Goyim", in revolt to the second jewish program of Pisslam, will go swing on the first mother program of "christianity". The weak always need jews to do their thinking. However awakened Gentiles know the solution is the complete rebuke and complete REJECTION of ANYTHING jewish- A full spiritual, ethical and social revolution is needed, against the enemy jew. The astral jewish teddy bear is trying to be held by a lot of weak "Goyim" still- same as with the philosophies and watered down teachings of the enemy. It takes the vision of the intellectually and spiritually ascended to see what they are doing, and the imperative knowledge that both these marches are created by the SAME, INTERNATIONAL CLIQUE- THE JEWS.

But we my Comrades, *WE* are the FUTURE! We are the NIGHTMARE of the enemy. We are the fire and brimstone that falls from the skies in the form of the REAL DIVINE RETRIBUTION. *WE* are the co-writers of History, in the highest level. *WE* are the only INTERNATIONAL and up to now, HIDDEN element that can deal with the enemy where they are most powerful. *WE* are the only co-writers who are dragging the spiritual pen from the jewish hand, to write something better for the whole of Humanity.

Those who will understand, will understand. For the rest, they ought sit on the side and wait for the fight to end.

So this is our reply to them.

The educational and spiritual resistance will continue.

Gentiles are waking up and this game is not even close to over- this War has just begun. Satan will be the ultimate one prevailing. It will not be "Allah", "Jesus", the established jewish diseases who have long tortured Humanity. Satan will be the ultimate Winner.

This is where Anger, Might and Wisdom are a necessity spiritually. This is where people need to be intelligent, ready for everything, and like spiritually like bloodthirsty wolves- this is where people must be beings with unending and unrelenting hatred and brimstone ANGER. Let your vibrations and spiritual powers rip the worlds apart, like the Ancient Might who is still alive, rampantly vibrant and strong.

Those who realize the height of this situation will never falter, will never grow weak, will never cease fighting and in the end, will NEVER SURRENDER.

We will not let up. We will not falter. We will NEVER quit.

Our war is a war of spirit, and the enemy and their cohorts know. Everything starts, ends and lives on by spirit.

For every attack, we will attack a billion times. For every insolence a trillion. And for all their wrongdoings, until eternity and until either party is spiritually destroyed.

AND THEY WILL BE DESTROYED.

Download, keep this PDF and keep firing the Rituals, more than ever before. The war is escalating for reasons conversed about in another reply. The one for the Communications and the one of the Gentile Reacting against the Jews are the most important one's for now. The enemy pulled an attack in reply to our most recent doing of the RTR's, especially the one about the Gentiles Reacting against the Jews (Cursing the Jewish God), that of Tue Apr 05, 2016. This seems to have made them to backfire on the Server, which ties into the Communications.

The game must be stepped UP. The enemy is not going to sit idly and be destroyed. This is where Freedom is at hand.

If you do not have privacy issues, the above PDF should better even be printed. This knowledge must be kept to exist as this is straight from Satan.

There is also a Mirror Site of the Joy of Satan. You can now save everything. This Mirror site has been a few months old, so few things may be missing.

There is also the WayBack Machine, as HPS Maxine has said.

I just want to add here. Satan didn't just leave me high and dry here. For the past month, they let me know the site was no longer secure. They pushed me REAL hard, working me hours and hours every day to get my files, PDFs and codes for the webpages all organized, which I did.

The JoS is massive and also the JoS affiliated websites. I will have a JoS temporary site up very soon, along with listing JoS mirror sites that can be accessed.

Given what I have heard, the server Lycos/Angelfire was attacked. This definitely seems to be the case, as even for maintenance in the past, they always gave customers prior warning.

Also, there is nothing being said concerning this by the server which again indicates an attack. Many websites around the world hosted on this server are seriously down, many people are extremely upset and worse.

I am hoping it will be back up soon, but in the meantime, keep checking here as I will do my best to keep everyone up to date regarding this, and a temporary JoS website.

Again, Satan, Lilith, and our Gods didn't just let this happen. First of all, they don't have total control. This is why we are at war. Secondly, they foresaw this and let me know and pushed me real hard to get all of the codes, graphics, webpages, PDFs and everything else saved and organized.

I have experienced personal losses in my life, as this sort of thing is true to life, but I can tell you, Satan has always looked out for me. One time I remember, Tulsa was hit by a real bad ice storm which knocked out the power for close to 2 weeks. I remember the day before, Satan prepared me and saw to it that I had good hot meals for the entire time. There was no heat or hot water for most of the city which was declared a disaster.

That was one. Satan and Lilith have always been there for me and have always helped me whenever I experienced any problems.

Like I said, I knew ahead of time regarding the JoS sites that they were no longer secure. We will get through this.

Another thing... Given information on the internet, some of it on different news outlets, the Jews are getting tired. Some high profile censors can no longer deal with the antisemitism online, as it is getting to be like trying to plug up holes in a dam.

Too many people know. Not just

Spiritual Satanists, but all kinds of different people of various beliefs and such.

Yesterday, HP Hooded Cobra made a post regarding the RTR communications ritual. He accidentally wrote it a bit backwards, as he was engaged at JoS being attacked. He corrected it, but I am reiterating, stay on top of doing the RTR communications ritual, as this has been causing them extreme damage of which they will never recover.

The winner is always the last one standing. If all the others fall 7 times, then stand up for the 8th time. There is a log of reliable information that the enemy is getting tired. Many can "no longer handle all of the antisemitism."

Like trying to plug up holes in a dam...

Because the truth is now out in the open regarding Christianity, Islam and other invented Jewish programs, the crumbling institutions resort to use their jeweywood industry to do everything they can to try to keep promoting their nefarious lies to whatever brainwashed imbeciles will believe them.

This is what these people are in their majority and this is wh naïve and cucks. The Governments of the White people are a this with many of our other posts.

As for Social Marxism going on in countries, which is the major "immigration" filth, same as "Christianity" which gives the "I'm all of mankind, one Human Race", again, these are Jewish Program of the Jews Marx's words, about the "Revolution" of Communism.

As for how Social Marxism works, the KGB Defector Yuri Bezmenov's BRAINWASHING* done by the enemy for DECADES:

<https://www.youtube.com/watch?v=bX3EZCVj2XA>

There is a *PLAN OF SUBVERSION* done by the enemy. This is the Global Civilization- All under Jews. The "Kingdom of the Jews" is to destroy all races, identities, cultures and all bonds that separate and keep order to be sickly, dumb and easily controllable.

The biggest criminals are the biggest victims. You just need to show "mercy", in order to understand what is up. Mercy is the means in order to destroy them. To evoke someone's mercy is an act of weakness. The enemy has created a generated, fake contextual thing to make lazy, disgusting beings that take down civilizations and decades ago, people professionally ask for mercy. The Jew asked for the Gentile Nations' corpses, parasitism and endless slavery. Nothing as bad has ever happened.

"Mercy" also implies that you see the other being as a useless person. It is a recognition that the other person inherently sucks and they don't help them. This is underhanded in that it makes the "giver" feel good. The one who asks for the "mercy" (like a Jew or Rapefugee) is getting the people don't really want to accept this, but this is how reality works.

The most major instance of "Mercy" being abused for power, is the Jewish Religion, Christianity and the recent religion of Rapefugee Cuck Worst.

So I was Slothz'in around to discover the way of more winz,

And here is what I discovered on this quest!

On to winz!

Social Media winz!

I was watching a video in which the fellow stated how he is building a large twitter following is simply on a daily basis just follow as many people as the limit allows. Some of those people will start to follow you as well. This adds up fast.

Utube.....

Making video's by copying the methods that get the most popularity, reaction video's that mention celebrity news is popular, in general whatever is trending at the period. You don't have to show your face. People do this with animated images as well and all types of ways. Host viral video's, make video's on popluar subjects in general and put a link to the JoS in the description. Some people just make music video's for hit songs of all periods. And get millions of views on them. You will have to check with Utube on copy right.

Top Ten video's are huge look at this top ten video its just on WWE wrestlers and its got almost a million views in under a month....

<https://www.youtube.com/watch?v=2ECKg7Scgxk>

You can do these on any subject from urban myths to whatever be creative.....

Spiritual video's that mention things like Third Eye Opening How To, get big, always remember the Hash Tag is the key phrase that gets the results. Here you can use Spiritual Satanic methods to advertise the JoS and spread the message.

You can always monetize your channel if you want and make some passive income spreading the message!

All 4 Gun Grabbing Bills Defeated Today Our Rituals at Work

Note (((Feinstein's))) amendment failed..... As we know the Jews are the total power behind all Gun Grabbing attempts in America its not even in question anymore its them..... As Ted Nugent posted before the Jews flipped out on him.....Because the Jews are the constant attempt behind removing freedom of speech and arms in America.....

The Jews who support gun grabbing in America all support the Jewish State of Israel were the average Jew is armed to the hilt. Because they want to disarm the Goyim as a warfare tactic. Like when they ran the USSR. It allowed them to murder 90 million Goyim, Talmudic style a lot easier. As the Jewish Talmud states:

Its easier to do that when the Gentiles are disarmed.....

Now note with the constant mainly Mossad false flags like Sandy Hook, to create the problem, reaction, solution of the Jews. All this has taught people is your safer armed as all these massacres happened in GUN FREE ZONES.....

Keep up the Reverse Torah Rituals as its saving your freedoms.....

.....

<https://www.rt.com/usa/347526-senate-vote-gun-control/>

Just over a week after the massacre at a gay nightclub in Orlando, Florida, the US Senate voted against four gun control amendments, with Democrats and Republicans entrenched in their respective corners.

All four proposals were offered as amendments to a Justice Department spending bill set to hit the Senate floor on Monday.

Senator Dianne Feinstein (D-California) sponsored an amendment that would allow the Department of Justice to deny a gun sale to anyone if the agency has a "reasonable belief" that the buyer is likely to engage in terrorism.

© Shannon StapletonUS Supreme Court turns down challenge to assault weapons ban in 2 states
Feinstein's amendment failed in a 47-53 vote.

Sen. John Cornyn (R-Texas) is offering a competing amendment, which would require that law enforcement be alerted when anyone on the terror watch list attempts to buy a gun from a licensed dealer. If anyone who has been investigated for terrorism within the last five years tries to purchase a firearm, the DoJ would be able to block a sale for up to 72 hours while prosecutors go to court to show probable cause to permanently block the transaction. The National Rifle Association has offered its support for this measure.

Cornyn's amendment failed in a vote of 53-47.

An amendment proposed by Sen. Chuck Grassley (R-Iowa) tackles the issue of mental health and buying guns. His measure would clarify current language regarding mental health and make it more difficult to add mentally ill people to the background check database, which would give those people suspected of having serious mental illness a process to challenge that determination. The amendment would also boost funds for the National Instant Criminal Background Check System and ensure that the correct records are uploaded into the system in a timely manner.

Grassley's amendment failed 53-47.

Finally. Sen. Chris Murphy (D-Connecticut) sponsored an amendment that would close the so-called "gun show loophole" by requiring every gun purchaser to undergo a background check, even during private sales or at gun shows. The measure would also expand the background check database.

Murphy's amendment failed in a 44-56 vote.

Even Murphy admitted that it was highly unlikely any of the amendments would pass because they would need 60 votes to overcome a potential GOP filibuster. Instead, he focused on the public's response to his nearly 15-hour filibuster last Wednesday and Thursday.

"I admit that the background checks bill is going to be tough to get 60 votes on, but we still have hope that we can get Republicans to support the bill, stopping terrorists from getting weapons," Murphy told ABC's 'This Week'. "But in the final analysis, what may be most important is that our filibuster helped galvanize an entire country around this issue."

"It wasn't just that 40 senators came to the floor and supported my effort to get these votes but there were millions of people all across the country who rose up and who joined our effort," he said on Sunday.

Bills that would have closed the gun show loophole failed after the 2012 Sandy Hook shooting in Newtown, Connecticut and after the 2015 terrorist attack in San Bernardino, California.

The NRA is opposed to requiring private sellers to be licensed, which would require them to perform background checks on any sales – even if a person only ever sells one firearm. The guns rights group is also opposed to cracking down on internet gun sales, saying that it would be a violation of both the First and Second Amendments, according to NBC News.

"We all agree that terrorists should not be allowed to purchase or possess firearms. We should all agree that law-abiding Americans who are wrongly put on a secret government list should not be denied their constitutional right to due process. These are not mutually exclusive ideas. It is shocking that the safety of the American people is taking a backseat to political theatre," Chris Cox, the executive director of the NRA's lobbying arm, said Monday.

"We look forward to working with those interested in real solutions to keep the American people safe, including their right to defend themselves in the face of government failure," Cox added.

Cornyn's amendment had the highest chance of bipartisan support, since it was backed by both the NRA and Attorney General Loretta Lynch. She told 'Fox News Sunday' that such an amendment would give the federal government the ability to stop a sale to somebody on the terror watch list.

Cornyn's amendment also has the implied support of presumptive Republican presidential nominee Donald Trump.

Another potential gun control option may be in the pipeline. Maine Sen. Susan Collins, a moderate Republican with a history of compromise and who is not up for reelection in 2016, is working with both her fellow party members and some Democrats to write a bill that would prevent people on the federal no-fly list from purchasing guns, Fox News reported. However, she does not have the GOP's blessing, so it's unclear if her bill would get a floor vote.

On the House side of Capitol Hill, Speaker Paul Ryan (R-Wisconsin) told NBC's 'Meet the Press' that he's in no rush to vote on gun control.

"We're going to take a deep breath and make sure that this is done correctly, so that the policy of making sure that the authorities know, and have time to respond to if a person who was on a terrorist watch list is trying to buy a gun, that they're notified," Ryan said Sunday.

UK Voted To Leave the Jewish EU, Jew Cameron Quits As PM

The EU was created by three Powerful, Jewish, Globalist Oligarch Banking Dynasties the Rothschild's, Warburg's and Baruch's. To centralize power over Europe to enact a Communistic super state, where 27 dictators appointed by Jewish elites force this agenda onto all of Europe. The final purpose to exterminate the Europeans on every level.

As stated the EU was created by the international Jewish dynasties of Rothschild, Warburg and Baruch. You can see right in the autobiography of their major Jewish, front man and political advocate, Kalergi what they planned:

[https://en.wikipedia.org/wiki/Richard_N ... ve-Kalergi](https://en.wikipedia.org/wiki/Richard_N...ve-Kalergi)

According to his autobiography, at the beginning of 1924 he came through Baron Louis de Rothschild in contact with Max Warburg who offered to finance his movement for the next 3 years giving him 60,000 gold marks; Warburg eventually remained sincerely interested in the movement for his entire life and served as an intermediate man as to bring him in contact with influential personalities in America such as banker Paul Warburg and financier Bernard Baruch accompanying him there. In April 1924 Coudenhove-Kalergi founded the journal Paneuropa (1924-1938) of which he was editor and principal author. The next year he started publishing his main work, the Kampf um Paneuropa (The fight for Paneuropa, 1925-1928, three volumes). In 1926, the first Congress of the Pan-European Union was held in Vienna and the 2,000 delegates elected Coudenhove-Kalergi as president of the Central Council a position he held until his death (1972)."

Kalergi laded out the blue print for the destruction of the White European Race in such an order as the Jewish run EU in his book:

In his book Praktischer Idealismus (Practical Idealism),

"The man of the future will be of mixed race. Today's races and classes will gradually disappear owing to the vanishing of space, time, and prejudice. The Eurasian-Negroid race of the future, similar in its appearance to the Ancient Egyptians, will replace the diversity of peoples with a diversity of individuals. [***] Instead of destroying European Jewry, Europe, against its own will, refined and educated this people into a future leader-nation through this artificial selection process. No wonder that this people, that escaped Ghetto-Prison, developed into a spiritual nobility of Europe. Therefore a gracious Providence provided Europe with a new race of nobility by the Grace of Spirit. This happened at the moment when Europe's feudal aristocracy became dilapidated, and thanks to Jewish emancipation."

Now its happening.

The UK leaving is the first domino to fall in the growing collapse of the Jewish Empire over Europe. Today Ethno Nationalism has defeated Jewish Globalism..... Even Cameron who bragged of his Jewish blood is quitting as Prime Minister of the UK.....

Our rituals are really working they have changed the course of world events just as they stopped the four gun grabbing acts of the Jewish lobby from passing in America....

Prime Minister David Cameron is to step down by October after the UK voted to leave the European Union.

<http://www.bbc.com/news/uk-politics-36615028>

In a statement outside Downing Street, he said he would attempt to "steady the ship" over the coming weeks and months but that "fresh leadership" was needed.

The PM had urged the country to vote Remain but but was defeated by 52% to 48% despite London, Scotland and Northern Ireland backing staying in.

UKIP leader Nigel Farage hailed it as the UK's "independence day".

The pound fell to its lowest level against the dollar since 1985 as the markets reacted to the results.

Flanked by wife Samantha, Mr Cameron said he had informed the Queen of his decision to remain in place for the short term and to then hand over to a new prime minister by the time of the Conservative conference in October.

It would be for the new prime minister to carry out negotiations with the EU and invoke Article 50 of the Lisbon Treaty, which would give the UK two years to negotiate its withdrawal, he said.

"The British people have voted to leave the European Union and their will must be respected," said Mr Cameron. "The will of the British people is an instruction that must be delivered."

"Hello Dear Goyim

Greetings fellow Rabbis, People of Slavery to the Jews, Cucking Lackeys who serve us. Another Cooking Lesson with Israel Cookstein!

For our Recipe we are going to need:

- Jews
- 6 trillion billions of lies
- Spiritual Ignorance Cooking Bowl
- 6,000,000 grams of Jewish Influence and Goyim Tears
- 120 grams of Feminism [Killary "Saudi Arabian" Clinton coated]
- 1,000 tons of Cucking
- 500 grams of Misplaced Love
- 350 grams of Pacifism / Acceptance / Tolerance
- 250 grams of Historical Ignorance
- 1000 Jewish Infiltrator Tree Roots
- 1000 grams of Muslim and Somalian Invasion
- 1000 grams of Pisslam
- 2000 grams of Jesus Vs Islam fake War Identity
- 500 grams of Alt Right
- 1 Giant Donut Trap
- 650 grams of Believing in the Jewish Media
- 650 grams of The Jewish Media is the Only Reality
- 1 ton of Ignorance
- Race Mixing Dust
- 100 tons of individualism, selfishness, self hatred, consumerism
- 100,000,000 pounds of "Don't be Nazis and Bigots, Goyim" root
- 100 megatons of Christian and Muslim prayer Psychic Energy going into the Hebrew God "JHVH".
- 1 magic wand
- 10 tomatoes of violence, misdirection and civil warfare
- 1 "forget it" pill
- Endless Immigrant Rapefugee Supply
- 6 grams of Jewish Preoccupation for the Goyim
- 100 tons of Gatekeepers, False Flags

The Recipe is called "Destruction of the West":

It goes as follows.

First we get the Jewish Infiltrators. We put them in the cookings "Spiritual Ignorance" bowl aside our base recipe ingredient, "Asleep Goyim". In order to do this, we pound the 6,000,000 Goyim Tears and Mercy, plinto the recipe. Then slowly we start mixing the Jewish Infiltrators with the Asleep Goyim. Slowly this will form its own lump. The Jewish Infiltrators we have coated with Christianity, while the Asleep Goyim have been pre-cooked in Ignorance and Historical Ignorance. Then we add pacifism, acceptance and tolerance, in order to make the mixture less problematic

overall and less stiff. We then start pounding the megatons of Christian and Muslim prayer energy and we use the Magic Wand to mix. We mix until the Goyim have become all Christian and Muslim, but at the same time we crush the Tomatoes of violence into the mixture. The Jewish Infiltrators will create the nessescary preconditions for everything, including adding feminism later, media control, law control and everything we need. It all starts from here. Though the tomatoes of violence sometimes wake the mixture up. Because the mixture is hurt, we throw in it one "Forget it" pill and Crush it into the mixture. Then we put the Jewish Infiltrators on the top of the mixture, as they always stand out. What we are left with is tolerant, christian, pacifist Goyim on the bottom.

Then we proceed in adding one hundred tons of Individualism, Selfishness, endless Consumerism and Materialism. This is nessescary in order to balance "Christianity" which emphasizes living on the next life and like a slave. We add a Cherry of Feminism at the top. We enjoy and eat from the mixture until we become very fat. Then the jews who have become fat, infiltrate further and take the long march. Christianity and the Jewish Infiltrators taking all leading positions make this really possible. We cook this for some years in the oven with the above, and then we put in the "Cucking". When the cucking gets strongly on the rest of the mixture, we leave this in the fridge to sleep for a some decades, with added the 6 grams of "Jewish Preoccupation for the Goyim", and "Consumerism and Materialism sugar", while steadily crushing any remaining values with teh Magick Wand and Jewish Infiltrators- and then after the mixture becomes solid and the Goyim are even lower in the bottom and weighted by the Individualism, Selfishness, endless Consumerism, we add a strong streak of Believing in the Jewish Media and The Media of the Jews is the Only Reality. We mix with a ton of Ignorance and 6 trillion lies.

Then we go to the Immigrant Supply Basket. We throw sugar to them in order to arouse them, then when they go erect, we take these out of the basket. When they revolt and don't want what's happening, we push them slowly into the mixture. Rabbi Shekelstein uses his magick wand and puts it further. The Prayer Megatones keep stacking up. The jews in the recipe tend to overreact and they try to seperate themselves from the mixture, so the Goyim in the mixture don't really like it either. This is the crucial stage in the recipe. But worry not for there is a plan.

When the Goyim are trying to come up, we put in the mixture: "Christianity Vs Islam" fake identity game, 1 Giant Donut Trap, the Pisslam and then we supply the Immigrants we fed with some "Consumerism and Materialism sugar" later. Each reinforces each other. For the Disobedient Goyim, we add the hundreds of millions of "Don't be Nazis and Bigots" for them. Mix the Misplaced Love with the Immigrants and the Goyim who have been affected by "Feminism", "Cucking" and "Christianity", then throw a tomato of violence to make the taste better. Pisslam and Muslim and Somalian invasion will make this possible. Then on top of this add the "Race Mixing Dust" in order to make the mixture grow weary. We keep mixing while steadily adding more and more Immigrants from the Endless Immigrant Supply. We mix these with the Magic Wand with the 100 tons of Gatekeepers, keeping our back while doing it, so nobody gets hurt. Then we take this mixture and we boil it hard until it all becomes a lump with no begging and no end. Selfishness and Individualism matter a lot here. Then we slowly break the Goyim bonds by using the Immigrants and the rest of the mixture. We cook it in the oven, we take this out, we remove the Jews from the recipe, we transfer them to Pissrael, and they rule over the mixture.

One time though we lost this mixture on the crucial stage, and we had Hitler happen. The Goyim's bonds didn't break, and they all revolted against the cooks and the rest of the mixture. To our amazement. However we are God's Cheezen people and we know how to cook the world for centuries. Its quite easy anyway. We hope this recipe will continue so we can continue feasting, because we want our diet to be Divine. Aside Feces pie, which JHVH blesses, we want to feast on crushed communist, "all one" societies. Let's hope the Recipe works this time."

Advancing On Meditations and Delusions (Everyone ...

Now this has to be addressed. Over and over this is a recurring phenomenon.

[View on josministries.proph...](#) Preview by Yahoo

Now this has to be addressed. Over and over this is a recurring phenomenon. Due to being oblivious on what it means to advance, how one advances, and what is to be expected from advancing, many people fall in certain loopholes that destroy them and delay them in advancement. People also loophole another one in many cases, because subconsciously nobody wants to really advance spiritually unless they deprogram themselves from filth and adhere themselves to it. Most people are stuck in different ways in regards to that. Then you have few kikes around who of course, push this to the edge until everyone is destroyed. This is what jews do- they destroy Satanists and people who can overthrow them.

One major allegory in regards to that is an allegory that the Buddhists have destroyed and perverted, thanks to the enemy. This allegory is about on how the "Devas" are going to "Deceive" you in the path of yours to become a "God". The Devas are not the "Demons" as many idiots say, but the Devas personify the powers of the Demons. When one meditates, one realizes they have powers. Powers to have sex, powers for wealth, powers to do anything (or so they think, and potentially it can be True).

This is where is a crucial stage and where most of people, when they find out about their ability to cause a few things (especially for new Satanists who are really backed up and protected by the Gods until they learn how to flap their own wings), they instantly think they are "Gods", someone "Important in their past life" and the endless list goes. While the powers may be actual and may be more or less, here, common sense is lacking.

The enemy has carefully lied that Satanism is about Egotism, being a sickening person of avarice, lazyness and all that stuff. One can fall in either category, it doesn't really matter. If you pay attention between the lines, this is what they cause. They carefully instigated the factors that make Satanists act in that way, so that they will never, ever be effective, or form a unity that will destroy the enemy. This ensures their cancerous jewish system will get going. Just look over to their side to see how much they cut this down short on their own, to understand this. Satanism by definition is for individuals that form a unity, not for a mass, however, the individuals have to adhere to the unity in order for the unity to adhere back to them. This can't go one sided.

These people are so easily controlled. One needs to just take a look around and see how these "selfish" people are so easily controlled, more than anyone "selfless" even. Its basically two sides of the same coin of a decayed personality.

Another thing. Many new people complain of serious "attacks" by the enemy when they are new.

Little does it dawn to many people that its not really the enemy doing these, but themselves- their own programmed fears, uncontrollable mind, and the programmings the enemy put inside their own mind. This is an allegory of how all prisoners were locked in a prison cells for their whole lifes, in a circle around an eye that was watching their every move and thought. After they were released from prison their fears that they were being constantly inspected, monitored and pounded on demand. Like post traumatic stress, every sound to them sounded like a bullet. This is a typical thing happening to people and the enemy knows this, this is why they push totally the feeling of complete surveillence, or why "Jesus Monitors all your Thoughts" or "if your eye causes you to sin, pluck it out". People make this thinking part of who they are. The enemy does this on purpose. The for what the enemy kike "god" cannot punish, people self-punish themselves and think it was "God". Easy method for control.

There are also certain individuals who are new and cannot see this. By nature, as with any other type of serious jewish magick, they will never see past this. Why Satanism hasn't defeated the enemy still, is to be recognized, this exact problem. Many low level slobs who think themselves as almighty and mighty, but never pay attention or make sacrifices to actualize this vision, or can't work in unities. The enemy wants Satanism orderless, chaotic, a cult of egopathy and this way, nobody will advance.

This can be easily traced down to many reasons. Many people have been suppressed and subjected all their lives, so now they want to create a big idea about how they are superior to everyone else, just to finally feel superior for once. For others this manifests in some sort of ego-tripping until the end of time. Others also advance even further and in many advanced stages of advancement, this phenomenon is recurring. So many people get stuck into this, especially people who are "strong" or can be strong from nature. For others it can be other things. However, this sort of thing is largely coded in the Torah and is a major cause for many people to forget the purpose of this whole deal.

Your ego is sort of like a universal vehicle from which you are to experience reality. Infact, this is a tool and a beautiful one, made to be expanded and made into perfection. There is so much more beyond the "self" in the higher levels, but most people will never get to see these, or even the Gods themselves, because they choose consciously or not to live in the above paranoia. They just make this car a monster truck, add golden rims, try to step on other people's cars or something. Their monster truck ego is always better, they always know, they always have the solution. When faced with the reality behind all this, they are confronted and they fail.

This behavior ensures that people will never get actual contact with the Gods, and therefore, never advance. Their minds try to serve their own created delusion, and the "Gods" they see aren't even more intelligent than what they themselves are. Guess what, because they don't get in ANY actual communication with them, but are rather in a self delusion. Better ask for guidance and messages, and the Truth, than to rather misguide anyone else or yourself.

This ensures you will be stuck and never advance past a certain level. This is also the enemy. The enemy knows that real power is not in egopathy, creating a bratty self or thinking of yourself as holy. This is flack they sell to others. Power is power and in realizing Unity. Removing this pathological disease is also not "demoralization". This is from where REAL morale and REAL character are built.

In plain, a certain people try to fight delusions like xianity or the delusions of the kikes, by creating more delusion. Little do they know that kikes are actual masters of delusion. Satanists relate to Saty-an for a reason though...Delusions just hamper our effort. And they are intolerable in many cases, especially when they harm this effort.

Why this thing becomes almost pathological to many should be evident. Small people always think of themselves so superior, Godlike and amazing. I have met with people of exceptional IQ's, beings who have power to send people to the afterlife with the wave of a hand, the Demons and Gods.

None of these beings had a so called "big ego" in the stupid human sense. Many times the "big ego" is not based on anything but consumerism, or just some sort of feeling or idea. In other words, its not based in one's productivity or actual usefulness, but delusions.

And no, this is not positive or wishful thinking in order to advance. This is a new reality where people who can't do or be, are and be. This is no different than a video game, or another reality. People who are serious, responsible, have families, children, or are responsible of others, know what I mean completely. As for the usual complainers...Don't say I didn't warn you. You ensure you will become a better being by actually becoming better. Your ability to fill up yourself should be used to create a better you. Not a monstrosity. Selfishness in the worst and degoratory self does NOT advance anything. Being loving to one's self, and respectful of other human beings, with everyone being aware of who they are, is exactly this. The enemy wants people to be delusional about who they are, so they will never discover themselves in anyway.

Keeping delusions in hand in trying to think one is perfect when they are not, is certainly going to just harm them in that they will never see and correct their mistakes. These people make easy prey for the enemy, alien and whatnot. Also, countless people have fallen into this trap, Satanists or whatnot. In the longterm, this creates strife, infighting and in the end, divisions. The ideas of capitalism are in this thing. Its just that money is now spiritual power, and instead of filling a bank account, people just fill themselves with delusion. This is not Capitalism, this is National Socialism. Labor, work and usefulness in the actual world are that matters, and the essence of the work and its weight. Not the illusions, comments, craps of ideas. Everyone in this world thinks themselves so overly important highly amazing, ineffable and irrefutable. This is what the jewish system has created, and through which the West is falling, while the people are getting slowly down the drain sink without even realizing anything.

The jews themselves are the ones who have created this behavior to fill in their gap for their apparent parasitism and uselessness. Others followed, like so many who were deceived into thinking that one builds a self by building lies around themselves, rather than their actual self. They think because they contextualized their crap in a "Superiority Complex" they actually became anything. They are still, no matter what they had, have or will ever have, excrement of existence. The death of anyone, or anyone's slavery, will NEVER change this fact. Its just who they are. A race of feces eating garbage that is now sitting at offices and trying to convince humanity that they are useful. Not an actual good idol to follow.....

Satan was dealing and is still dealing with World VIP persons, people with enormous IQ's, leaders, scientists and many other people most of which 'normal' people cannot, and will never, ever compare. Delusions of grandeur will not fill this gap. An average person with real understanding of who they are, and will to advance, will far surpass even the most talented people around who sit on their talents or illusions of grandeur.

No matter how close we are to the Gods and how much they love us, people have to get real and understand that the Gods are so far ahead, and take this chance we have with them with loyalty, humility and intensive unwavering faith. They don't have that much to gain from us, but we have so much to gain from them.

If the Gods were beings with a superiority complex and dumb selfishness, where would Humanity be at this point without any allies? People should mimic this paradigm of both might, strength, power and also compassion. The Gods show us compassion. Humanity has grown so retarded and yet, they are still here and they are knocking the door to help us. What is known for sure, is that they don't "need" anything from us, except of to be remembered and for us to understand their genuine love, and make worthy of the live they have given to us.

As for this gap many people feel, what will fill this gap, is actual work on one's self, advancing, and becoming the best one can be. Almost all the 20th, 19th centuries, did belong to Satan and

Humanity advanced greatly. Only lately has been this insanity been going. Satan has guided Pharaohs, world commanders and many other important and really prominent beings. While I can't speak on His behalf, because his forgiveness and understanding is without bounds and his love without end for His people, I can tell you this, from years of work. Do not abuse this, don't waste this chance and don't try to pick on the Gods. So many people also take on their "Demon's" or "GD's" name for granted.

One last note. Seriously, certain people need to check themselves. Who do you think you are? Most people are just worthless Human beings who just believe what they see in Hollywood, that Satan will do anything just to buy them over, or that Satan is overly interested in crap. Guess what, he won't, and nobody has to tolerate incessant behavior like that. Satan needs workers, respectful people, people with heart and loyalty. These types of slobs who can't see this, they have to develop, or they will develop after smacking themselves, an understanding of that.

Most of them want to THINK they communicate with the Gods, to puff up their ego that they advance fast. This is all in the context of Western stupidity. If one is really interested in what we do, they rather really build themselves up, really adhere to what we do, shed their old skin of ignorance, and understand the order of things. For the pathological scoundrels, you can go and leave. This is their destiny anyway, with their behavior, and we aren't getting involved in their personal sphere of choices and life. With all this being stated, everyone is free to make their choices. You freedom of choice doesn't always imply it will be a good one, so use this wisely.

Greetings to all our Satanic People and Comrades!

As you can see along the lines, people are getting more and more educated, fed up and enraged at the jews. The jews think of everyone else as cowardly as them, so when they pull up threats for "damages" and anything, they expect anyone to cuck down and obey them. However, this wasn't the case for Britain. At this point where the message is written, the Refferendum to Exit the European Jewnion is about 85% due, with the Brexit closely of votes in the front. Britain knows the deal really well, so do the British. Their country is being taken over by the invaders and other immigrants. However, there are also LEGAL immigrants and other people with a sane brain and a love for the country that helped them, Britain, so they will vote equally for a Brexit. The enemy with

the Soros and oligarchy at the front is threatening Britain even with economic collapse. A country like Britain cannot really fall like a paper Tower.

The enemy is a real, major hater of Britain. Britain has been dragged into world wars, made into an imperialist state and been viciously attacked by the Jews for centuries. Now, Britain is being flooded with an endless amount of Immigrants which have taken over even the capital of the country. The Jewish Cucks and Femmies say, that they should go for "Bremain" and actually, destroy the country and turn it into a Muslim Toilet, with Whites going completely extinct by 2050 or sooner. What an offer, right? On the back, they of course pull out all these threats. Oh they will die impoverished, oh what will happen, the list goes. The same pattern the jews follow in the bible. They pull threats to everyone all the time. Its only when people actually revolt that they understand that the threats of the jews are really vain. Even if they were valid, people have to raise their head for Freedom, and for Humanity.

The enemy has created a slavery planet. The "Rich West" is not merely a rich West, but has been viciously used, the sons of the West all dead, for Jewish interests. In WW2, despite of a mass of 30%+ British people that never wanted war, the Churchill Jew regime, pulled Rudolf Hess who came with a peace offering and imprisoned him. The jews wanted war- they wanted benefits, they wanted the destruction of the White Race. They wanted to multiply their winnings and gamble the world, on top of millions of dead people from all sides. Back then, few people actually did know what's up, let alone the major populace. Most people were blind, uneducated and totally naive.

Even if Britain doesn't leave the EU, or the result would be "Bremain", we still know one fundamental thing: Half of the Population of Britain is awakened to what the Jew EU is up to. After this, others will follow. Brexit will be the most favorable result. As for the rumors of the election being rigged, in whatever case, the result is apparent. In whatever sense, the jew instigated immigration policy is going to backfire at the jews, as it will. Nobody wants to fucking go extinct or suicide, except of very few traitorous and weak people. People are becoming increasingly aware of the media manipulation. When the fundamentals of existence and hardwired racial existence instincts are attacked, there is going to be a backlash and a domino effect. The jews know this. The kikes tried to wipe all of Europe at once, and they will in the future face all of Europe against them. Then plan two, is actually get on Jewcy Putin and the Communist allies and actually go full USSR mode in the West. However they want to systematically bastardize and weaken us out first, in order for this to be carried successfully. These are all the plans of the JWO. There is no "Globalist Elite". There is only, Jew World Order.

However this time things are different. The average guy down the street is really aware of jews. You can figure this out really easily. While the Jews imposed actual Abrahamic host programs as religions to people, the "Anti-Semetic" hate never ceased to exist. Its hardwired within all sane biological entities, and all noble human beings to want to oppose the jewish monstrosity. The enemy has brought things to where now not only "one" place is against them, but in actuality, they are turning the whole planet against them. While "Alex ADL Jones" and so many others want to lie about the "Globalist" and "Bilderberg" (Half of its list were Racial Jews and Jew faces mugs, so what "Bilderberg"?) the jews know they are losing this war. What they are going to do is just keep going. They have went paranoid. They push all sides from all sides, in such a speed that is seems as if they are actually running of something.

The enemy always tries to control revolutions by taking them over. The same thing happens now with the "Alternative Right" which is just a den of jews, jewish infested pseudo-GBLT that focuses on Human humiliation, and fake promises. As about Killary, one needs to look not further than what Killary is. Killary is a totally controlled jewish muppet, that will just make America a toilet for Jewish interests. As for Donald Duck, uhm sorry, Donald Trap. Its a Donut Trap. Actually, its a sweet donut trap, because so many naive couch potatoes think that the "Revolution" and how they are going to be saved by the invasion of Mudslimes, is going to happen by actually...

Sitting on the couch or going into the Trump Wreck Train. Nothing to do really. Just sit down and Trumpey, whose half family is jewish and half corps are all jew infested, is going to bring some "Pro White" revolution or attack the jews in benefit of all Races in America. How much more naive can people get? Donut himself has actually brushed away all the Anti-semetic sayings. He is also a devout Christian, to the bone. Let's not conversate about the "Christian Identity" meme which is just, jewish slavery. Still in America you see kikes who say on how America should follow the bum of Pissrael. Ie, do its murders for them, so the jews will keep on with the presecuted lies and holololohohohoh tears. **The jews act from within all states, against all states. You can't just find the jews by blaming states or peoples. You have to look at the core of the problem. They are a global, racial, international element, that only recently created headquarters in Israel.**

The apparent stupidity of both cases is obvious. If Trumpey goes up, or if Killary does, rest reassured nothing major will change. Both are instable. Maybe there is 1% better about Trump, because if he actually gets elected and he backstabs people, people might actually finally wake up to both. The "two sides against the middle" isn't really working all that much anymore. Trump himself is an expression of this- he is an establishment muppet that wants to actually draw in the "Rebels" and "Free Thinkers" and pretty much all those who really love America and want to maintain its existence. Killary is the oldscool, Feminist meme. The only thing with Trumpey is that if things go out of control after his elections, the populace will be more alarmed.

In all ways, the enemy is aware of the massive awakening that is coming and dawning close to us. Not only to the West and Whites, but everywhere. You can wonder the mass reactions of Blacks when they learn that Jews did run the whole Slave Trade, or the reactions of Chinese people when they understand they have been actually enslaved by the Jews all along. The jews are creating 99% of enemies into this planet. Most people inherently and by definition hate them. They are trying to mask this and hide behind law and everything else, which always proves their guilt.

In closing, our Rituals must continue.

If everything by our spiritual hand happen a lot of changes, if not all of this. You can see how lately that we have fired up, the enemy has been also going faster and firing up at the same time. This war is escalating and however blind are the minions in the middle who are asleep, there will be more brute awakenings in the future. Its up to us to keep up with the Spiritual Warfare, education and pressure, so that the enemy will fall in the deathly trap they have been creating for all of Humanity. With the enemy dealt with, there will be enough space for all the nessesary renovations, mutual understanding and anything else we need to achieve, in order to advance Humanity foward.

Satanic Comrades and people of Satan, may you all be blessed now and for all eternity!

THE STRUGGLE CONTINUES!!!!

The Bible and the Hebrew bible as well, are books of Jewish Priests and other jews, who are meant to be read as manuals when one has a deep knowledge of the occult and they know what's really into the books. When these are given to the "Goyim" or people that don't know, they are given other interpetations, as they have created them in this way so the masses are deceived and accept this "tie-in" magick of the Jews. There are thousands of translations and commentaries, but there is only *ONE* TORAH. In the original Torah (Hebrew Bible) one letter is off, and its all void and useless. When it comes to translations and interpretations for Gentiles, everything goes. This is why you have millions of types of xianity, but only one deep and internal occult Judaism. Which is the root of it all.

Now as all of you here are familliar with, the Jews only consider THEMSELVES Human. **This is a major understanding in reading the Jewish Bible and the Torah, without which, you will never understand its meaning as a supermacist "Book". "Adam" or "Adam Kadmon", while stolen from the Sumerian Adimu, and the general Sumerian Myth, is believed in the Bible to be the first and only "Actual man", while all others were excrement and non-humans.**

Gentiles, or Goyim, are NOT HUMANS in the jewish mind, or internal jewish literature. Gentiles should STOP trying to compete in the jewish programs, as simply, as their creators already know, they aren't even considered "Human" in the first place. These are jewish Racial supremacy programs and not religions. Nobody else is allowed in, except of at the level of an ignorant slave, or a willing servant. This ties into the general understanding on how the jews are "Chosen" of "JHVH" while all others are the Goyim. According to their own word, all creation is supposed to "bow to them". This includes the whole planet, all Humans, all animals, the universe even.

Their mental sickness also tells them that even the universe, was created for their own enjoyment. Not only they believe this, but they implement this. This is the idea behind "Zionism" which is just what all jews believe, applied. There is no "Zionism", or "Zionists", there are only jews who just believe the average teachings of their culture. There are even worse teachings that I can't really go into now. The jews are so mentally insane that they really say, the "World Began 6000 Years Ago" just because THEY themselves emerged amongst our midst at this point. Imagine their insanity. Even the Earth is Flat, because they say so. They are universal rulers of the universe, according to their crap, after all. Everyone *MUST* believe this at all costs. Otherwise, this is VOID. Why though? Let's examine.

"The soul of the Jew is different than the soul of the non-Jew." Rabbi Menachem Mendel Schneerson

"The entire creation [of a non-Jew] exists only for the sake of the Jews." Rabbi Menachem Mendel Schneerson

"The difference between a Jewish and a non-Jewish person stems from the common expression:

*"Let us differentiate." Thus, we do not have a case of profound change in which a person is merely on a superior level. Rather, we have a case of "let us differentiate" between totally different species." This is what needs to be said about the body: the body of a Jewish person is of a totally different quality from the body of [members] of all nations of the world ... **The difference in the inner quality between Jews and non-Jews is "so great that the bodies should be considered as completely different species.***

*An even greater difference exists in regard to the soul. **Two contrary types of soul exist, a non-Jewish soul comes from three satanic spheres, while the Jewish soul stems from holiness. As has been explained, an embryo is called a human being, because it has both body and soul. Thus, the difference between a Jewish and a non-Jewish embryo can be understood.***" -Menachem Mendel Schneerson

When the Jews talk about HUMANS in the Bible, they just talk about THEMSELVES and only THEMSELVES. This is an imperative understanding or else one cannot really understand the bible. Young jews are taught this truth when they are very young, and revealing it has the penalty of death. The whole hoax of Christianity was based on this cover up.

"Goyim were born only to serve us. Without that, they have no place in the world – only to serve the People of Israel." - Rabbi Ovadia Yosef

(In regards to the "Goyim" animals who are meant to serve Jews: ***"This is his servant... That's why he gets a long life, to work well for this Jew."*** -Rabbi Ovadia Yosef

So Satan was attempted to be "imposed" by the otherwise "All powerful", in their own lying story, by the "JHVH" thoughform, to be subjected to "Adam Kadmon" or "Adam" (The first jews) and Satan emphatically refused and waged "War with Heaven", mentioning that these beings are imperfect and lower and that nobody should be subjected than them. The fallacy in the story is apparent. While the jews have the lying complex in trying to portray their "God" as all powerful, he wasn't. This is why they came late, they have been trying for centuries and in many ways, to no avail. It required centuries of effort to their part to reach a "Competent" level. Their "God" didn't even have the power to pull anything off, so it just resorted to curses against Humanity and Satan, with the ultimate goal of "Winning the War in Time". The rest is gibberish. Also, the allegory of Satan being "created by God" is stolen from the Aether, which the jews try to personify in JHVH.

The Aether is the source of existence, but it doesn't reason, let alone its not an ugly jew sitting on a cloud on sky 9. Satan was the first antisemite and this is self-proven. The things about how Satan "Wants to Destroy Humanity" or how "Satan tries to lead Humanity Astray" or "Lead Humanity to Hell", these are from the Jewish Bible. The jewish Bible and jewish literature, only considers JEWS as Humans. In other words, Gentiles are NOT in this category, anymore than they are not in the category of the "144,000 Elect Jews" or anywhere else fitting. The jews themselves want Satan, as a being, destroyed in all ways and levels. This is how the average "Adamic Jew", or "Real Human" and "Perfect Creation" is actually looking, based on the jews:

Why should ever, a being as Satan, the Aryan God, or any other Gentile Gods, or any other "Non Jew" for that liking, be subjected into this crap excrement, because of merely the statements of "JHVH" who was created thousands of years after Satan existed? JHVH was nothing but a cheap powerless thoughform, until the jews rallied in the beaten and damned people and started gaining followers, they enslaved their souls and prayer energies. Satan was always in all ways, superior to this crappy thoughform. This is why the enemy chases followers, is an endless liar and hypocrite and they use all the animals needs of Humans to enslave them.

The "Angels" of "JHVH" all end up in "EL" (EL meaning Light) because they are thoughforms created by light energy and by mass belief into their existence. This is why Angels thesmelves are

dumb, and why behind "Angels" all sorts of bizzare enemy alien ET entities do actually hide. The jews themselves use these thoughforms and each of them has a specific purpose, to attack and try to offset the influences of a particular God. This is why for instance, "Gabri-el" is supposed to counter Satan. Well, this thoughform miserably failed even though after thousands of years of charging and mass believe. Satan is still here. Satan exists with or without Human existence or acknowledgement, and this should be evident in how Satan kept existing long after the "Satanic Legacy" was almost eradicated from the planet. Satan is not dependent on followers, as Satan is real.

Satan doesn't need to give gifts or anything, to get more followers, give money or mansions to buy faith. He exists anyway. As for the enemy, their thoughform is specifically designed to give them money and anything else, so that they remain spiritually oblivious, and serving this jew. Spiritual ignorance is what they buy for a cheap price.

Only then the thoughform of "JHVH" started getting any substantial power, and the "Torah" having any spell-power at all. Prior to this jews were what they are in reality, garbage, ugly excrement, hated by all Gentiles on Earth. Like anything else this can be easily explained. The "Goyim" were spiritually used to actually create this hoax, and their own creative power made this excrement strong. It didn't even exist before. The jews are insane in regards to the "Real Name of God", which is hidden and secluded by Rabbis, because its actually the name of this thoughform. Its just a thoughform created to help Jews and impose the Torah law. Nothing else. The Rabbis openly state that "God Serves them". And that if "Rabbis Argue with God, they can defeat God", in glorifying themselves of their lying ability.

"Why are gentiles needed? They will work, they will plow, they will reap. We will sit like an effendi and eat... That is why gentiles were created."-Rabbi Ovadia Yosef

Satan obviously "Refused". For this reason, then follow curses and everything else in the Hebrew Bible, and "JHVH" swears that "Satan will be destroyed" and that "He will burn in the lake of fire", with the elect 144,000 jews actually "saved" and everyone else that "Refused" the jews, burning in "Hellfire" forever. Given to lack of power, they didn't do this. They just try to systematically destroy Humanity in revenge against this being who stood against them and tried to destroy them. Satan is a Hero for all real, Gentile Humanity. He is the nightmare of the enemy and all these jewish beings of decay. The paranoia these people have about this being is insane, because they know their Race went into a straight attack against Him, and so they know about their alliance alliance. They know they are NOT of the same seed or creator, like the rest of Humanity.

You can see the "Lesser Key of Solomon" on how the enemy attempted to bind the Gods of the Ancients with binding methods. The Gods were hated for still trying to defend Humanity. The Gods themselves have been attacking the jews and they have destroyed their so called "legacy" and still kept fighting for Humanity, with certain people and through them, in order for us to re-advance. They never left us. The same goes for Satan.

As for their crappy spells against the Gods, others worked for a while, others didn't, others failed completely. The same that can happen with any human being that is cursed by millions of people. The energy of billions of people, with hate and negativity has been channeled to the Gods in order for them to be destroyed, and the jews did literally and completely fail at it, again. What the Gods have to state about this and is very revealing, is that this is nothing but a season for them.

One can imagine this like if one is cursed by millions, and they just get a flu, how weak are all these millions compared to the Gods, and also, how weak are the actual kike slaver oligarchs. This is not to have them underestimated, as Humanity they have really turned to animals. Humanity also needs to survive, and thrive. In destroying Humanity, they have done a very "wonderful" work. This is why you see them now going insane in trying to wipe out the White Race and with it, all the "Animals" who have "Satanic Blood" or whose "Soul is from the three Satanic Spheres". They are on

a Race against Time, in order to destroy Humanity before the ticking bomb exploded on them and all their crimes. That doesn't mean they will succeed, but it doesn't mean it's impossible either. We must fight and we will eventually win if we do this. Their apparent weakness in some areas will not make them stop in ANYWAY, so we must never stop either.

Well the West has had too much peace and civility as far as the normal population goes. It needs to start realizing the message of Mohhamed, the child molestor and really be tolerant to it. Because why not? We are all equals.

So if some people flail themselves out of existence, you ought do the same. I am sure many of you here are aware of this practice of Pisslam, the Jewish Program of Peace. Its about Piece and generally Piecing shit out of existence. Thanks Jews, who poor they, created this program, look what is happening and what we are getting into the West.

The kikes want suffering energy to achieve their ends. War, bloodshed and suffering are all useful. This is why these "religions" of theirs who all stem from the root of Judaism, are all about blood, death and the destruction of the World and all innocent life on the planet.

But wait guys, don't forget these are human beings too. Of course our "Humanitarian" West doesn't want to be bad to people. Well except if it means being "good" to people actually means, getting enslaved to them and wiping out one's existence because of mere ideas the jews project to people. Like how Whites are the fault of all Mankind, and Jews are the Blessing of the Planet. The blessing of death, slavery, subjection. The same blessing that created the Jewish Bible, destroyed all Ancient Pagan orders that advanced Humanity and finally, defiled civilization into a level lower than pigs. As the Jewish Bible says : "All people are equal under God". So who is anyone, to judge these actions of self mutilation, mass murder, or even the Chosen Race of JHVH, the Jews, in anyway?

Well luck has it that most people don't even give one fucking damn about these shitty books anymore. The numbers of these people increase. Yet the blinded masses still remain. Let's inspect what beautiful things we are getting in the Western Countries!

Let's not forget! Rapefugees always Welcome! The Jews said so. The jews are the Cheeze of G-d and they need to be listened to.

No matter what comes, "GOD" will save us All, Anyway! Yes, the Jewish God. The Pope said so after all. The Pope is a good Communist anyway. Christ is a Good, Jewish Thoughtform. Its sole purpose is just wiping out all other Human beings other than the 144,000 Chosen Elect Jews who will make it to heaven, after all. If you are not that GOOD, its YOUR problem, Goyims!

The thing is, that these people have been brainwashed to a degree that nobody can really fix up to this point. Except of the exceptions, the majority is on a very low level, where murder, death and daily humiliation are the RULE and NOT the exception.

YES, Holding a sign like a stupid imbecile in the street is actually going to send a BIG message to those Mudslimes! Yay! Now Mudslimes stopped their advance to wipe out the West!!!

They will enrich us with New Laws. Its the well known, Sharia Law. Its imposed in European territories already!

The LAW is to be applied as such.

It seems apparently the West cares more about "Muslim Kids" and "Children" than the actual Muslims themselves, doesn't it?

The Kehillah

[My note the Protocols have been authenticated by Russian academics in the nineties and some brave Western academics as well. However its the original 1903 copy the Krushevan edition that is the original. The later 1905 Nilus edition was altered this is the one that is constantly referenced not the Krushevan.

The Protocols Of The Learned Elders Of Zion, Are Real
topic14163.html

The Catholic Church and Christian Program was created by Jews, who took over the Roman Empire from within a coup against the Roman Aristocracy. That put themselves into power under the cover of the Flavian Dynasty, this Dynasty created the Catholic Church and bible. And forced Christian on the population the same way the Jews forced Communism on the population later on.

Vespasian as the Roman histories stated built a statue to an Alexandrian JEW who through Titus was the reason he became the Emperor. This Jew was Philo Alexandria, who's money funded the Flavian Dynasty and who was made a core member of the Dynasty along with other Jewish power elites. This Dynasty created Christianity.

The Jewish Creation of Christianity
topic542.html

Take a look at Pope Paul the 3rd, who sanctioned the creation of the Jewish, Jesuit Order.

The Jewish Marrano, Borgia, Pope is obvious as well....

From Chapter Seven in Ben Klassen's book 'Nature Eternal Religion'

(With thanks from Tom for bringing this information to my attention. And well done mate for your recent recovery)

The Kehilla, or Kehillah takes precedence over all other Jewish organisations and is controlled by a board of 300 directors who meet every few years to determine the policies to be carried out in their program of world dictatorship. These orders are then relayed to the Jewish leaders in control of this myriad of organisations, including the governments in the world.

In order to become a Kehillah Director a Jew must be at least sixty years of age and must have shown in his life's work that he has been an ardent contributor to the cause of the Jewish Race. On becoming a Kehillah Director he is honoured by being called a Jewish "Patriarch". He is permitted and expected to wear a full beard.

For more efficient control they have divided the world into two sections, the Eastern Hemisphere and the Western Hemisphere. The headquarters for the Western Hemisphere is in New York and that for the Eastern Hemisphere is in London, England. Over the entire world is their "King of the Jews" called ACHAD HA'AM. Over each hemisphere there is a "Prince" of Jewry known as a "Sponsor". Until his recent death, Bernard Baruch was "The Prince", the head of The Kehillah for the Western Hemisphere. Baruch, as we all know, was advisor to several Presidents from Woodrow Wilson to Herbert Hoover, to Franklin D. Roosevelt, to Harry S. Truman.

The Kehillah is a very efficient organisation and is organised around the number seven.

It is based strictly on the leadership principle, which I have described more fully elsewhere in this book. As I stated, the top leader of each Hemisphere is known as the "Sponsor". He has seven prominent Western Hemisphere Jews under him as his subordinates. This is the first echelon of leaders and each one of these knows each other and, of course, their leader.

The first echelon of seven is known as the 7th Kehillah degree and each one in the first echelon is known as an "Arch-Censor"

Each one of these seven leaders has seven men under him, making 49 in the second echelon or the 6th degree. Each one of these is called a "Minister".

Each one of these 49 has seven men under him making 343 in the third echelon or the 5th degree. Each one of these men is called a "Herald".

Each one of these 343 has seven men under him making 2,401 in fourth echelon or 4th degree. Each one of these men is called a "Courtier".

Each one of these 2,401 members has seven men under him making 16,807 in the fifth echelon or in the 3rd degree. Each one of these is called a "Scrivener".

Each one of these 16,807 members has seven men under him, making 117,649 in the sixth echelon or the 2nd degree. Each one of these is called an "Auditor".

Each one of these 117,649 members has seven men under him making 824,543 in the seventh echelon or the 1st degree. Each one of these is called a "Mute".

If we add up all the members of the various seven echelons we find that there are nearly one million members in each Hemisphere, all fanatically loyal and dedicated to carry out the Jewish program of subversion and intrigue in order to create the Jewish dictatorship for which the race has so ardently strived and connived during the last several thousand years. They are all sworn to carry out the secret program as is set forth in The Protocols of The Elders of Zion, although the Jews vehemently deny its existence over and over again.

The Kehillah is such a secret network that outside of the first echelon or the seventh degree of the seven Hemisphere leaders, none of the rest of the Kehillah members know who the others are.

With a secret, dedicated, fanatically loyal organization, with this kind of structure, it is easy to see how orders can be communicated and carried out with a minimum of delay or red-tape. When the Hemispheric head of The Kehillah gives orders to his seven, from there on there are only six steps down the line of command in order to have every one of the one million Kehillah members notified in short order.

All that is necessary is to make seven sets of telephone calls down the chain of command. Remember, each man only has to make seven calls to the seven men below him and in a matter of minutes the whole network of one million members has been given their marching orders. That is how the Jews manage to set in motion strikes, agitations, student riots, or whatever is the order of the day, all over the world at the same time. This is the leadership principle at work.

Among other things, Kehillah members are taught to infiltrate the management of our schools, colleges and universities in order to indoctrinate our younger and rising leaders with their false philosophies. If you wonder why we have so many Hippies and Revolutionaries come out of our colleges, there is the answer. It is also the answer as to how such vast student organisations "simultaneously" flare up in student riots on our college and university campuses across the land. These Kehillah members also infiltrate and take control of civic clubs, patriotic societies, business organisations, labor unions, farm organisations, women's clubs, church organizations, debating societies, fraternal societies, including the Masonic Lodges and other lodges. Radio and TV networks who carry out the Jewish program for the enslavement of the world.

We could go on and on as to the organisations that are under their control; the medical profession, newspaper publishing houses, the newspapers themselves, magazines of national scope such as Time, Life, Look, etc., are all under their control. It is interesting to note how far back this infiltration, organisation and control by the Jews goes and many devout Catholic will be surprised to learn that the Jesuit Order of Monks was set up by Loyola, a Spanish Jew, to further control the Catholic hierarchy, and through it the Catholic Church and the Christian Church as such already were under Jewish control long before that.

Please do not promote misinformation here. As for the decision whether to use drugs or not, this is up to the individual.

I posted my own personal opinion to the groups here regarding marijuana use. IMO, it is harmful in many different ways as are other mind altering drugs. I repeat, I saw firsthand how someone adept at witchcraft so to speak, had full control over the entire life, thoughts, attitude and will of a chronic marijuana user. Both wound up dead.

Marijuana makes one's mind open and vulnerable, no different from one who is "under" in a hypnotic trance and very open to being programmed. This is greatly enhanced with being much more open to psychic attacks.

Also, (I'm an old grandma), back in my day, one never even heard of Alzheimer's. Now it is a household word. The hippies were the first generation to have widespread recreational drug use.

Now, they are the elderly senior citizens and like I just stated, Alzheimer's has become a household word. Large numbers of the hippie generation are afflicted with it.

You don't have a spare mind or spare body. I myself did marijuana as a teen and the effects were not in any way positive.

Now, do NOT put words in my mouth. This is MY OWN opinion. In Satanism, you can pretty much do as you please, with the exception of harming innocents, such as animals and children, whom are sacred in the eyes of our Gods.

But in regards to what you choose to put into your body, responsibility to the responsible. If you choose to use drugs, then be prepared, as mind altering drugs are NOT harmless.

In addition, Jewish agents, etc, have had a long history of putting Hollywood actors/actresses and Rock Stars under their control with recreational drugs. Ozzy Osbourne of Black Sabbath wrote in his autobiography how every morning, a guy dressed in a fancy suit would come to their residence in a nice van and supply the band members with drugs. Jews who remained sober, handled all their money, etc.

This is common practice in the movie and music industry. Black Sabbath got screwed out of millions of dollars while a Jew (alias "Jack Arden" real name "Harry Levy"), pocketed their money. Another band ELO suffered the same fate.

There are countless others. Like it or not, recreational drug use can make you somebody's bitch. The controller stays away from drug use and stays sober. The drug user is the zombie that is under control.

Subject: Re: Lets (attempt) to get to know eachother.

I also want to add here, Satanism is very different in the way that Satanic meditation, yoga, mantra, etc, work to heal us in many different ways from the inside.

While the program of Christianity forbids drug use and many other things, the addict is punished and fights to stay off the drugs, alcohol, etc, BUT still has the cravings and remains vulnerable.

With consistent meditation and working on one's soul, the cravings go away on their own. This is not with just drugs, but in many different areas, even overeating.

Satan heals us from the inside out. This also applies to giving us knowledge through opening our mind through our soul and sensing the outcomes of intended actions.

This entire world is damned through a lack of knowledge. Most if not all victims are victims due to a lack of knowledge.

While the enemy twists the "karma" crap to conform to their agenda, in truth, we are all damned for what we DON'T know.

Christianity, which is nothing but vicious lies promotes the lie that all one need do is "repent" and

"be sorry." In truth, and if you open your mind enough you can see this, whatever you have done stays on the soul. No one starts out in life with a clean slate. This can be seen in the astrology chart for one.

People we have interacted with in past lives often appear in our current lives for better or worse. Satan gives us the knowledge how we can overcome bad situations from past lives. Meditation, words of power, positive affirmations, affirmations to counteract so-called "karma." Astrology charts that are maps of the soul guide us to spiritual problems and past life obstacles that are hindering us in the present. Past life regression is also a help.

Satan isn't going to hit you with a goddamned bible for using drugs, etc. He let's us make our own choices, but he heals us from the inside so we are no longer drawn to anything that is harmful for us.

The Christian and Muslim remains in a vicious circle of damnation with no real knowledge on how to get out of it and it keeps repeating through lifetimes.

>You don't have a spare mind or spare body. I myself did marijuana as a teen and the effects were not in any way positive.

>

>Now, do NOT put words in my mouth. This is MY OWN opinion. In Satanism, you can pretty much do as you please, with the exception of harming innocents, such as animals and children, whom are sacred in the eyes of our Gods.

>

>But in regards to what you choose to put into your body, responsibility to the responsible. If you choose to use drugs, then be prepared, as mind altering drugs are NOT harmless.

>

>In addition, Jewish agents, etc, have had a long history of putting Hollywood actors/actresses and Rock Stars under their control with recreational drugs. Ozzy Osbourne of Black Sabbath wrote in his autobiography how every morning, a guy

dressed in a fancy suit would come to their residence in a nice van and supply the band members with drugs. Jews who remained sober, handled all their money, etc.

>

>This is common practice in the movie and music industry. Black Sabbath got screwed out of millions of dollars while a Jew (alias "Jack Arden" real name "Harry Levy"), pocketed their money. Another band ELO suffered the same fate.

>

>There are countless others. Like it or not, recreational drug use can make you somebody's bitch. The controller stays away from drug use and stays sober. The drug user is the zombie that is under control.

MERKEL'S WORST NIGHTMARE: Germany calls for Referendum as 'people want to be free of EU'

My note Germany is the core power of the EU and the loss of Germany with the Dexit is the end of the Jewish EU as a power structure. The Jewess, Merkel is not happy, neither are her fellow Jewish elites.....

The Germans disagree, Dexit is on the way, baby!

[http://www.express.co.uk/news/world/684 ... pean-union](http://www.express.co.uk/news/world/684...pean-union)

BELEAGUERED Angela Merkel is facing calls for a referendum to free German people of "EU slavery" in the wake of Britain's sensational decision to cut ties with Brussels

Far right figures in Alternative for Germany have promised to call their own vote if they clutch power in country's general election in autumn next year.

A party spokesman branded Brussels a "bureaucracy monster", before adding: "Next year the AfD will enter the German parliament and Dexit will be top on our agenda".

They called the vote a Dexit as it stands for a Deutschland exit from the EU.

Eurosceptism has swept across the continent after the people of Britain backed Brexit in the historic EU referendum on June 23.

AfD chairman Bjorn Hocke said: "I know the German people want to be free of EU slavery."

George Pazderski of Berlin AfD Berlin AfD added: "Germans must decided on staying in the EU.

"The AfD is the only part which speaks out clearly in favour of them deciding."

Party leader Frauke Petry, who caused controversy earlier this year when she called on German police to open fire on illegal immigrations, reacted with delight at Britain's decision to sever ties with Brussels.

She said: "This is the chance for a new Europe, one which maintains partnerships and respected national sovereignties.

"The Great Britain decision to leave the EU is a signal to the Brussels Politburo and its bureaucratic attachments. If the EU does not finally leave its wrong path, and the quasi-socialist experiment of deeper political integration, more European Nations will reclaim their sovereignty the way British are

"The result would be more exits. At the very least the Brussels bureaucracy must be radically reduced and the centralist regulation craze ended.

"The time is ripe for a new Europe, a Europe of fatherlands, where we peacefully trade with each other, maintain partnerships and respect the will of the national sovereignties.

"One can only warn the German government not to fill the missing British net contribution with German tax money and thus continue the political fallacy."

However a chance of a German EU referendum may not be that simple.

The experience of Nazi manipulation of plebiscites has left a dent in the trust of polls on a national scale.

The country's post-war constitution currently only allows for referendums if the constitution itself or the territories of the states making ip the republic are to be reformed.

Ralph Kampwirth of the Initiative & Referendum Institute Europe said: "Germany is one of the few EU countries with no experience of national referendums.

"In the Weimar Republic there were two national referendums; during the Nazi reign, three plebiscites were held, with biased questions and blatant manipulation of results.

"A referendum does not mandate an organised political opposition - it simply requires a yes or no answer - one reason why both Napoleon and Hitler were enamoured of them."

Mrs Merkel and French president FrancoisHollande are said to be concerned that Brexit will lead to contagion and populist far-right parties would win support for their planes for the disintegration of the EU off the back of it.

So far far-right National Front party leader Marine Le Pen has called for France to host an EU referendum as she declared her support for Brexit.

The leader of far-right Danish People's Party says Denmark should now follow Britain's lead and hold a referendum on its membership.

Eurosceptic feeling is also surging in the Netherlands, with two-thirds of voters rejecting a Ukraine-EU treaty on closer political and economic ties.

Anti-EU politician Geert Wilders declared the result the "beginning of the end" for the Dutch government and the EU.

Greetings to all our Satanic Family and Comrades.

When Satanism comes in mind, one can observe certain things. The most major thing that exists now in the world in regards to Satanism, is that Satanism is largely despised or even hated. The enemies of Satan, those who want to defame, undermine and attack him in all ways, have made this to happen.

Spiritual Satanism, as all of you here know that have went into it, is more than a "Religion". Its *THE* religion. Its the actual practice of adherence to Truth. Truth naked, Truth outside a comfort zone, the Natural Truth. The things that inspire Satanists are mainly coming from Satan's inspiration and who He is. Not only what was written falsely by His enemies, but by deep contact with who He is. Satan meaning- Truth Eternal, from the Sanskrit Root Satyan. There are many people who are sworn enemies of Satan, especially those who have racially openly affirmed this old war or wanting to wipe out Satan and Satanism: The Jews. Then other Abrahamics follow loyally behind, as their kingly jews declare "good and evil".

In a world where lies have been ruling, Truth will of course be hated. Nothing is more an enemy to this world like Satanism, and nobody is more of a revolutionary than Satanists. Spiritual Satanists. Satanism has also been infested, misdirected and thrown dust on its legacy. One just needs to open the old dusty boxes of Humanity's spiritual inheritance to actually realize what Satanism is. Quickly one realizes that we have been lied to. This path is the most rewarding and the realization of this statement, is the most important thing. For so many people and Souls, they yearn for Satan, even though absolutely no concrete and real information existed about him, prior to the JoS.

Millions have flirted with the idea of Satanism. Rebellion, Freedom, fighting a war against the "All powerful" established- to do what is Just. This message resonates to many people who know Satan at heart. One just pays some time to listen to their "Pagan" and "Heathen" Ancestors and not much time will pass until one understands, that all that later existed in history in the category of "Satanism" is actually, what they collectively believed in. The same Jew-Talk that the Jewish "Jesus", the false acclaimed "Savior" and the "JHVH" Hebraic thoughform did, the same Jew-Talk do its ancestors. "Resistance is futile", "You will all be microchipped and enslaved", "No reason to revolt", the list goes.

While the enemy is the breaker of the Human spirit, Satan is the resistance of this breaking. Not only this, but the elevation of Spirit.

Satanism is how this legacy survived down to the Centuries. So many people of prominence with

spirit of advancement, have been destroyed, desecrated, and tortured in accuse of "Satanism". Truth-ism. Critical thinking, knowledge, rebellion, everything is of "Satan" according to the enemy. All that is Satanic must be at all costs, be blotted out, according to them and their manuals of Race and Religious survival. The breathing, the life, the sexualiy, is also Satan- everything that builds up, empowers and procreates their enemies, or pushes them into the light of understanding. Everything that exists or does not exist, and is yet to be created, is Satan. Even after attacks that almost made this legacy eradicate itself, it lived within the hearts of people and it expressed itself in rebellious and worthwhile acts, that like the spirit of Satan, were meant to advance Humanity away from the dictatorship of "God", or better yet, an imposed Hebrew that wanted to rule over the whole planet with a rod of Iron against the unsuspecting masses.

Beautiful people, powerful people, all beings in which nature showed her defiance and her will to further life and existence, the forces of advancement and the human striving of development, were labelled as "Satanists" by those who never wanted this to happen. They made themselves blantly obvious throughout history. Times changed, names changed, terminologies changed, even bodies and lives were changed. However, the Ancient messages still echo inside what was behind certain identifications.

One just needs to look behind matters and let their mind break the time and space of what we see and what we believe. Satan's name is not just a Name, its a Title. The Being that hides behind this title, is the Father of Humanity. The one who fights against chances and wins. The overthrower of Tyranny. The spirit of Advancement and Human Pride, however at the same time, not vanity, as he is the God of Knowledge- not ignorance or blissful ignorance. He is also the Spirit of Order and at the same time, Chaos is withing his bidding. One just needs to understand the eternal and fundamental notions behind Satanism. Then you will see, the Eternal Meaning of Satanism. This meaning is beyond a beginning and beyond an end- like creation in herself.

In order for Satanism to be understood, one has to break the barriers of present time understanding and look upon Humanity as an eternal existence. Not only Humanity, but the Divisions therein. One has to raise above who they "Themselves" are and understand the manifold existence. The exposal to mighty forces, beyond one's conception and beyond one's understanding even. This is when one understands that all the people that serve Satan here, do actually serve for something Higher, that has only introduced Himself to us as Satan, the Name which we have to call in times of distress: TRUTH.

When one understands the meanings behind all we are and do here, and our teaching, they will shortly understand that beyond all the details, there is one Cosmic message. Its either the message to advance towards Immortality and Truth and Power, or the choice for one to give into the forces of decay and pasification. Its either the choice of life, or death.

For Humanity to be saved, chances seemed to be lacking. In many ways, they still are. There are billions of people who say they want to see this world be saved, but all they do is still repeat the circle that brings this world into destruction. So many they say they want to see the Truth, but they are afraid and they are ruled by fear.

The meaning of Satanism will be further realized in the generations to come. These generations will have the ability to know the meaning and the depth of life, in its essence and finally, its last purpose.

The purpose to Create one species of Man that will be the most formiddable creature this world has ever known. A New World, unlike the vain words manifested and preached in the recent Historical times, except of this ONE Divine Architect Adolf Hitler. A Creature that will be a conqueror, a lover of freedom, the incarnation of a free Spirit. And how sweetly will his prescence fall into the Eternal Nature! The personification of that Humanity has Ruled what it had to once Rule it, the embodient of the defeat of the Jewish Abrahamic "God". The ultimate Rejection against the jews, is what

Satanism personifies.

The Rejection of the Jew, in mind, soul, body and spirit- the complete and total refusing for the preachers of decay. The greatest thirst and love for life and existence, and advancement. Satan cannot, but represent these fundamental principles. The jews knew it always, Satan is their enemy. Now all that remains is for people to know that Satan is their rightful Father, Creator and Friend.

This massive rejection and the populist uprising of the ordinary Humans against the "Chosen" jews, is nothing of a coincidence. Its the forces of evolution piling up and wanting to destroy this tight slaver grip of this race, against the whole of Humanity. The final outcome of this battle will determine the end of Humanity, or the dawn of a new beginning.

I stand convinced that Humanity is going to win this war. So many others have fallen in this noble warfare, so that Humanity finally have the message. Now Humanity has the message, the means of advanced war, the powers to solve this matter. Also the tides of the times are pushing us to act. The enemy always stated, that those who take the route of honor and action are the ones that fail. Their vain prophecies will be void and wrong, and they will be brought into justice.

Those who have understood the Great Message of Satanism, will understand the dire historical need of its preservation, empowerment and cultivation. Satanism will not be preserved by stars, idols and primadonas, self proclaimed "Mythical" persons or even self proclaimed ascended masters that seek a following. The only one's of worth are the preservers-of, laborers and advancers of this Eternal teaching. Idols will never withstand this.

None of this is meant to survive for as long as Satanism is required to survive, which is as close to "forever" as possible. Satan wants to make Humanity into Gods. However so many now are not even human to begin with, but are groveling on the lower levels of even this. The enemy has made them crawl and grovel.

So the first message that is to be brought in front of you, is to first be Human. Be as much Human as possible. Not what you have seen, from the other people who act like animals, nor the "Human" presented in the Bible, that of spitefulness, animalistic consciousness and apparent retardation. But this ancestral message that sort of rings in your head and you always told you to "be better" until the voice was shunned down by the jew who always told you "Become the Worst you can be".

The enemy lies and talks against Idols, but all they are an raise is idol after idol, lie after lie, persona after persona. They are the true "religion" of Idololaters. Another jewsus, another primadonna, another jew, another robust liar, entertainer, monkey or "Truther", another misguided Gentile who has never went past themselves to see the greatest meaning of existence. However the jews behind this nefarious clique of Jewish World Dictatorship, in their inner core, they don't channel on idols- they channel on effort and labor, even if it means to promote lies.

Satanism must therefore be Immortalized, in order for it to in turn, Immortalize and Guide Humanity into the New Era of its existence, and away from pasttime, jewish ignorance. It will be preserved by labor, work, spiritual advancement and realization of its members. In plain, Satanism will be made eternal, only if Humanity succeeds in the effort orf revitalizing itself and giving a new birth to itself, by fighting the Jewish Infection and the Jewish System, in all its forms, manifestations and norms. As the jewish spirit will descend, so will the Satanic Spirit ascend.

Satanists need to be able to look beyond what they have known before, what even is expected. Only the Truth can defeat death. The fact of one's eternal survival comes only down to one question: How much in alignment are you with the Eternal Truth? When the alignment becomes complete, in Mind, Body, Soul and Spirit, then the actual immortalization occurs.

Satan is Life, Satan is Truth, Satan is God.

Spiritual Satanism is from where He Teaches- His House and His Religion. Like Satan, his legacy must be made immortal and finally be immortalized. People who know that Satanism is Good, and not "Bad" merely because some psychopathic yids and insane infiltrators declare it as such, know the meaning of it. Those who have seen the larger message in Satanism, realize of the height of this historical duty to uphold the last values of resistance of Humanity, in the midst of the jewish instigated despair.

May Satan's Name forever be glorified, and may all Satan's people be blessed now and for all eternity!

Subject: Dealing With Astral Entities - The Serpent - Part 3			

[Dealing With Astral Entities - The Serpent - Part 3 : JoyofSatan666](#)

Greetings to all our people and Comrades.

Now I am totally aware this is treading on some waters and it might strike as "not normal" for many, because there are many lies and cultural indoctrinations, also many lies by the enemy in regards to the Serpent. What I will do is just relate the fundamentals as to debunk certain myths that lead people into serious misunderstandings and failures in regards to the Serpent. This will also unavoidably go against other myths that have been purposefully created around in order for certain individuals to make themselves Divas in front of other people. This is especially True amongst many practitioners of the East and many others, who claim things highly questionable and just make this seem like unicorn hunting indeed. I will try to make the middle route and relate what is for sure. As for the rest of stuff, people can find out by personal experience.

While advancement in the Serpent is one of the most great shows of spiritual advancement and the list goes, and it should be the aim of all spiritual Satanists (DEFACTO), there are other things that need to be cleared out in order to get a clear view in regards to the Serpent, and what it does, what it is, what can be done etc, what are the 'limitations', how they can be surpassed etc. Also, people always need to take their OWN considerations and experiences in regards to this. I just merely have to debunk these self claimed "gurus" who, "Risen" or not, require a following and preach without

doing, dumb people to deceive and the list goes. In other words, plain charlatans who blaspheme Satan's Serpent and what it does. This is very much the method of the enemy in making the whole thing seem like something its not.

First of all I have to debunk the "Harry Potter mode" which is the expectations many people have from the Serpent. Somehow, many people, consider that the Serpent is some sort of entity that when raised, all one's life problems go away, everything goes perfect, you get all you ever desired, things fall from the sky magically, you suddenly go to the Astral, all your hang-ups disappear, you can fly to Orion and get back, and the list goes. While this is partially True, this is not the whole Truth. While the leaps made by progress and advancement of the Serpent can be like this (especially if one's Soul can take it after many years of practice) this is not always the case. Yes, to a normal person many of the Serpent abilities can seem like Godlike, or otherworldly. There is more into it. This is what pushes many people to want to push it with the Serpent. This is the dialectic of the enemy that once this is raise, like a magical wand, you can chill with the Gods, attain so called "equality" with them or that you become equal to them or some other garbage. This is not the case and anyone with a decent understanding can figure this out. Nothing in nature is created equal.

The most accurate way to understand the Serpent is as an energy of consciousness that is amplifying. The more one's body can gauge, the more it can take. The more it can take, the more it can do with this. The more it can take and gauge inside, the bigger become the powers of creation within a person. Creation as quantum mechanics show and we have scientifically discovered, largely has to do with the Consciousness projected onto forces of the universe, which then manifest as matters. Everything is sound and vibration. The more upgraded is the body and the system, and the more this natural energy and fills one like a battery, the more this ability to "create" increases. It revitalizes, empowers and advances whatever it touches.

This is the creative force of the Universe, and also, "God". "God" is nothing more than the creation and destruction principle. In plain, NATURE in this case, or as people call it rightfully, MOTHER nature. The same creative principle of Nature, the Divine Mother, is actually inherent here. The representation of this is represented by the Serpent. This is a generic term. Satan in the same way, like all other beings in existence, was created by this spark of creation (which evolves all living species that are alive, from bacteria, to Humans, to every living being), which is this certain and particular energy- in plain "God" in this sense as in "the first creator". It takes billions of years for species to go from bacteria, to finalization into a human being, and the list goes, and there are infinite outcomes on how much they can turn out to be. The message of life is to keep life alive, going and evolving. For the things that can't be put in words, its better they aren't, as we will disgrace their meaning. But let's hope that along these lines, these are understood.

When one is given birth, the purpose is to "awaken god" inside, and then advance on this force of evolution the self. One then becomes "higher" than God which sort of on its own is an energy. This energy is internalized and one becomes "God" themselves and consciously. The "mother" or "creative principle" is then attained and re-connected. This is the "Unity with God" and this is achieved through the Serpent. Satan is Higher than "God", as "God" is in his bidding and usage. This is the myth of Shiva, that is born but then understands reality, and therefore can understand, negate and control the "laws" of Nature, plus the "given" direction by nature, which is "Karma". This is the teaching of establishing control onto what once controlled the practitioner. As for the energy itself, a good name, can be living potentiality (?). It can be used for creation or destruction equally.

This is why Satan even in the enemy texts, is called 'The greatest angel of God'. This is not literal in that he was "created" by any space jew Thoughtform, but it just means the ascended ones actually are advanced in the use, power and understanding of this very energy. With "God", all is possible. Lilith is equally slandered as the Wife of Satan who is the mother of Humanity, but the enemy hides

this in many of their texts, in order to hide the root of religion which is actually, a two sided Paganism. God and Goddess must become "One" in order for them to become "God". The very same goes for the parts of the Soul, the Ida and the Pingala. The Serpent also personifies the "Child" or the Second Birth, as thus the shedding of skin and it personifying the hermaphrodite element. This is why Satan in the "bible" affirms himself higher than "God". Because he is, was and will forever be. In all the Ancient Texts, the Gods are in the one's who command "God" or this particular energy.

In the same way, the Kundalini energy makes things grow, improve and advance. This energy can be indeed be painful and a very big strife to raise, and for the weak it can crush them, this is why its very important for people to have broken all their blockages and flaws before proceeding in pushing this energy upwards. Even the Egyptians talked about this. If this force touches hang-ups, mental issues, unstable mental grounds, incessant fears and the list goes, the same growth will be created on this. If it touches a golden mind and Soul, the growth will be similar. This is why its important people clean their "garbage" before they proceed. This is why I put emphasis on delusion and stuff on the other message. All desires to delude one's self, or to achieve power without wisdom, or to leave hang-ups hanging around, can be amplified. The nature of this energy is to not leave any of these "around" and it will almost violently try to break through these, which will eventually lead people to create a soap land or just guide themselves into failure.

This is the "One God" and the "One God" being a kike, is a rip-off from the context of this energy. The jews are trying to pretend they are the "Gods" because they "Create and Destroy" similarly to this energy. When one awakens, raises and achieves this energy, they can too become "God" or in other words, partake in the use of this energy for creational or destructive purposes. The active and the passive parts of the Soul unite, which allows creation with this particular energy. As the enemy claims openly, the achievement of this energy is the most threatening thing to their agenda, while they themselves really. It expands, empowers and evolves, all of which the enemy jews do *NOT* want Humanity to have in any way. Why they do this is openly claimed by them: Because they are an alien species in war with the Human species, meant to enslave and destroy us. The enemy alien hive banished and attacked this power of Humanity, as to halten its advance and destroy it.

The most important thing is to know, that even "without" the Serpent one can really become an exceptionally powerful Siddha. The bioelectricity or life energy in itself, or the Sexual energy, is enough for this. This is how many martial artists sever boulders in half. The Serpent will just make everything even more powerful and alive. This is its role. It builds, advances and evolves the grounds upon which its activated. Another lie in regards to the Serpent is that it creates "All Knowing" in that people think they can know everything, or do anything etc. The Truth is, that even after one raises the Serpent, they still have to advance. The hard thing to explain, is that while everything can be made possible with it, it doesn't mean that upon its rising, everything is miraculously possible. It takes time, persistence and growth, and above all, KNOWLEDGE. The Serpent increases the capability of all of that, and brings the spiritual labors one takes, into a whole new level of effectiveness. The Serpent is by itself given by Satan to Humanity in order to hasten its evolutionary process and its process to perfection. I repeat, hasten. Its not a magical button that one presses and poof they are on cloud 9. It is not a magical genie that many want to make it to seem, but its powers are unlike anything else.

Many people want easy solutions for everything and this is placed upon the Serpent, or they think they will become the Super Saiyan from television that is supposed to fly and levitate on the first day. While the energy compared to "normal" energy can be catapulting, there is more into it. Again the myth of "No labor" and holocaust potter of secrets is perpetrated.

In plain words, what many people mistranslate of what I say, I will put simply. If you are WEAK and you are not dealing with improving on your weak spots, don't expect the Serpent to come like

a magic wand and make you suddenly the hulk hogan of spirituality. All weaklings like to believe that with the push of a button, they will suddenly swing into a state of existence where they are all powerful over others, everything will kiss their nasty feet and the list goes on. The jew has carefully instigated this myth which is also the myth behind drugs. Many naive new people who have read texts of people around and questionable sources, believe this to be the case.

It doesn't mean that you will never have to study or do anything anymore, either. Many people want to escape from "Trying" and "Working" on things, just because this is what the lazy ass jewish system promotes as genie solutions, There is nothing bad with working, laboring, creating, learning and surpassing obstacles. Indeed, this is the reason of living and the manifestor of evolving. Even the kikes know this opposite thinking is an outrageous lie and deception, which they push on the masses to never do shit with their existence. Well, it probably is not. You will have to be something close to being your own spiritual hulk hogan before. Then, it comes and slowly evolves you further into the path of spiritual hulk-hoganism of multiplied progress and strength. It amplifies you.

Now to see something even more obvious. In Norse Mythology, we have the Yggdrasil which is actually a shape of the Soul. The Eagle/Hawk sits on the top of the World. The Eagle/Hawk was chosen by Adolf Hitler to personify the Reich. The highest state of Human development, the Crown chakra that is open and fully functional. The "Serpent" must be snatched by the Eagle/Hawk on the Crown and must be brought on the "Top of the World", to rise the path of Yggdrasil. This is the symbol of the Eagle catching snakes in emblems.

One guru when talking in regards to advancement that it can be like a trampoline effect. He was entirely right. The Serpent can be like a trampoline. While the energy of the body and the Astral body can be dramatically increased by the rising of the energy, that doesn't necessarily mean this raises wisdom, or makes one intelligent, or that they will get the muscles of hulk hogan, unless there is a healthy basis for this. Imagine this like you are on a trampoline and you jump in order to see what lies past beyond the a wall. Beyond this wall is enlightenment. The Serpent is sort of like what raises you high enough to see beyond the wall, but the purpose is to finally overcome the wall. It can raise you high, but you have to successfully cross the wall and finally be able to do what you are supposed to do.

Energy, maturity, wisdom and knowledge, must all come hand in hand and must be balanced. This ongoing struggle does not end with the rising of the Serpent, and NEITHER SHOULD IT. An imbalance in any of these places will just have the adjusting outcomes. Using the trampoline to get into outerspace shouldn't amaze anyone. What matters is one achieves the goal of finally awakening their Spiritual self and actual power.

Now make no mistake, the using, rapid advances and anything else made with the Serpent can be potentially painful sometimes, like a spike in one's bioelectricity. This is the same on how the presence of Demons and Gods can actually make one feel pain or rushes of energy for days after contact, especially when they are new. There are certain stages of advancement that can indeed be "painful" if one has blockages. If they don't, the whole process should be empowering, and generally smooth, but this is not always the case. In many texts the Serpent is called the Dragon Of Chaos for a reason. If the mind is cluttered and is unclean, it will make it bad. There are people who by accident or by misusing meditation will arouse the Serpent and not have the desired outcomes. This is why we are telling newbies to strive for balance and steady steps, and gradually go with the flow. Many people see the tree but they don't see the forest. Power is one aspect of everything. Let's say one has a broken car and they put the strongest engine and rocket fuel on it and turn it on... If the car is not in a good condition, it will just break down. And then of what use is the engine, the driver and anyone else.

Though rest reassured, Satan our Creator has thought about this too. Before one proceed with the

actual Serpent, they are to awaken the Sexual energy and make it rise, which has (almost) the same effects with the Kundalini energy. The sexual energy in itself and its control can make people do miraculous feats. Its an energy of growth, unites the Soul and actually, does everything the Serpent itself does in order to prepare the Soul with the necessary buildup until more and more of the Kundalini energy can flow. This reassures people can build powers, Siddhis and everything else. When the Soul is united with the forces of the Serpent, all the powers can rise, all the powers can amplify and everything else. In other words, one can grow insanely powerful by control of this force.

Then slowly, the similar but stronger Kundalini energy will come up gradually and later. It doesn't need to be forced, and all bodies need to be caught up. One must steadily and ambitiously work towards this goal and feverishly. One has to aim to succeed and not just puff their ego about it. Success is what's important here. Imagine this as amplified sexual energy. Like sexual energy, this is live and conscious. Many people mistake the Sexual energy for the actual Serpent. While they are co-bound and co-operational, and almost the same, the intensity is different. The Sexual energy has to be risen and mastered first before the Kundalini kicks in. The Kundalini has to do with understanding of the Natural laws of the universe. The Risen Masters of the Pagan civilizations co-created civilization with understanding and on the basis of these eternal and irrefutable laws.

In short, you still have to work, do magick and everything. Its just that with amplified powers this can be far easier than before and as one goes, they can advance past of the point of having to strive as much. However, I repeat, this is not a magical genie, it doesn't mean one instantly becomes all knowing, it doesn't even more one is an actual, immortal God, it doesn't even mean one cannot descend back to a state of decay. It must be actively cultivated, kept up etc, and one has to reach checkpoints to get the whole system to adjust and make the energies become permanent and fix. The "all knowing suddenly" fake hoax and pill was stolen from the initiated state of Gnosis or Samadhi, upon which one drifts into a deep realization of the cosmos, themselves and reality in general. Its beyond intellectual and emotional knowledge, but emotional and intellectual knowledge are the decoders of this state which make the "infinite" capability of this understanding, manifest physically. This can't really be explained in any simpler way than this.

Now as for the "age" or "when" this is supposed to happen, there is no defining age or time, at all. This would depend on the Natal chart, past lifetime condition, physical condition, work put in meditations and everything else. People who have advanced in this regard in their past lives, can have faster progress. Power in itself that is "Above the ordinary" in this life can be traced back to strong and powerful bloodlines, a strong and advanced Soul into this energy etc. This is imprinted in the actual Soul and when one reincarnates, part of this is carried with one, same as the general condition of the Soul/Consciousness at the point of reincarnation. When one re-awakens the Serpent, they can proceed further. The power one has is not to be taken for granted as Serpent energy, it could be discipline from other things, like yoga and advancement, which works around the clock in the same way. Tie this into what was conversated in the part 2. In simple terms, more life, the better. Less life, frailer, weaker, etc etc.

The other hoax going around is that somehow, "someone has to be deemed worthy" by some external Source to have been granted the Serpent. This is not True...In a sense. While in one sense, the knowledge in regards to this is given by the Gods and close contact with them, they key to everything is knowledge. You don't need to be "graced" or something like this, as the enemy states to build this hoax around the Serpent so nobody advances. You don't have to whip yourself in the ass for a million times, to receive "mercy" from the jewish thoughform, or Archangel Kike-nael in order to advance. It doesn't have to do with if one is a "bad" or "good" person either. It only has to do with the amount of labor one puts in meditation, persistency, ability to "take it" and the ability of one to deal with it. This is the whole "judgment" and it's not really "ethical" as the enemy claims on how much bible you follow, or how many degenerate mimicking of "mother Teresa" you did in order to attain "grace". One other hoax is that the Serpent must happen in a very particular way. While some rules are followed, this is not always a necessity. This adjusts on one's personality and

everything else. Lack of expectations is the best route one can take. The only key is to ADVANCE SPIRITUALLY.

Another large hoax in regards to the Serpent is that people understand the "Non Duality" of existence. This is a spiritual concept of understanding the creation and destruction of nature. While people understand this internal and spiritual concept, that doesn't mean all the crap like the enemy says that "All is one" and pushes communism and pacifism behind all this nefarious crap, or that "All Races must be assimilated because we are 'one' anyway". It also doesn't mean that there is "One God" and "One Unity" or "One brain" that controls and has everything under its control, either. The jews want to pose as this, but remember, they are *NOT* in reality. Its a massive hoax. In a world where nobody else can do anything spiritual, of course, they are the "one authority" . The fact that there are beings with whom we are "partaking" into the same physical plane or place, doesn't mean we are all "one" or all from the same "root".

In the same stupid fashion, one should "become one" with feces and garbage, or deadly parasites and die. Oh wait, nobody wants this, do they? Because this is not the case of existing in general and it's a blatant, hardcore, lie. One doesn't mean assimilated into one big clump, as the enemy states over and over again to dumb-ify the masses. The enemy throws dust into the eyes of people that they will "understand" this crap and in order to pacify people who make it to some level, they preach the "peace and love" crap in order to hide their nefarious agenda and alien parasitic existence. "Love for all" is analogically nefarious and deadly as "hate for all". It's the same imbalance and insanity, in a better cloak.

As for how the Serpent links with Ancestry, this has to do with the Race, family etc. This also ties into to the alien jews, and how they too themselves have some sort of "Serpent" but is not in any way related to Satan, in any way, shape or form, as they are not his offspring. Races that are largely spiritually advanced, family lines that have been practitioners and the list goes, do also tie into this. As thus the Pagan obsession with family lines. This is why all Ancient Civilizations had castes of people, and not because they were "Racist". Its just that for the betterment of civilization, the people who labored themselves in spiritual advancement, had to marry with others who did this, for the betterment of civilization. Even the enemy practices it now. This is why we have "King families" and all these things. However, the case of Spiritual evolution doesn't really exist as of late, but only the economic differences. In plain, no real Aristocracy of old.

Another myth that needs be debunked, is in regards to the kikes being inferior or the other retarded circulated myth that they don't have any spiritual power. While this is sort of accurate in that Satanists and awakened Gentiles are far more powerful, and even they themselves know it, this doesn't mean anything on its own. If millions of fleas feast on a lion, it will die and that is for sure. While they may be inferior to Gentiles in many, many ways, one has to be a realist and look at reality. Just look the damn around and not in your own head. They are destructive, they are parasites and they are deadly. They have put a whole planet in chains, at least they did completely at some point. Whomever is stupid and underestimates them, or lives in soap land that they think that with the wave of the hand, or "alone" they will make this go, sorry, but once again I come with a pin to burst your delusional bubble in order to make you actually effective in this struggle as we *ALL* are OBLIGATED to be. If we are not, bye bye Humanity. We need all the forces we have available, all the powers and wisdom we can muster, and we need to be united and relentless if we want to make it and free Humanity. People who are retarded and overly estimate themselves on no grounds, should ask themselves of something simple. Leave baseless feeling aside and grow up for a second.

Let's say there was only one person in the world like that.

How much would they be able to "Create" on their own? Would the Pyramids be possible or

anything great that well over-extends the powers of "one" person? Humanity is powerful in unities with strong persons and the enemy knows this too. This is the Brotherhood of the Serpent. One understands after a point that there is no point in this useless loneliness and division that makes many people think in these unfruitful ways. Only then can great things can be created. The enemy works on active division of people into one hand, as hyper-individualism, while on the other, they promote assimilation of humanity into "oneness" and a large feces or garbage equality without any order. Capitalism and Communism should ring a bell. Both methods of approach do result in absolutely no outcome and fail miserably to achieve anything long lasting. The Satanic Gods taught humanity the art of civilization in order to advance themselves.

They didn't plant people in mountains to emphasize on senseless hyper individualism, neither they created everyone in "one" slaver mass. Even the countless and infinite multitudes of the Natal Charts can show this evidently. One person is good in art, one is good in fighting, one is good in music, the list goes. All these people put their talents together and they make something that surpasses what every one of them alone could create. The enemy follows a strict, working, caste system, where everyone gives the power bestowed to them by nature and this is in mimicking the old system. This gets stuff done and advances EVERYONE. With that related to the Serpent, everyone becomes amplified and stronger, and as thus, the whole of civilization advances. The collective hatred and attacks on the Serpent, do in turn, attack civilization in general, which is advanced by the Serpent of Satan. The people advance, the civilizations advance. The people stagnate, the civilizations stagnate. The people de-evolve, the civilizations de-evolve. Racial mixing and bastardization causes and amplifies issues in this. The further one advances spiritually, the more one is meta-genetically purified. This has an impact on the physical existence, the mental existence and all planes one exists.

Satan is the Master Civilizer and he is the original "Mason God" that was worshipped as the "Architect" before the stupid Shilluminati of the Jews took over the original one. The Serpent and the realization of creative capability was the capstone of the Masonry, that made people aware of the laws of nature, and as thus, able co-creators in the side of "God", as "Gods" and potential "Equals" with Gods (in the ability to create like them).

With these being stated, there are always exceptions in the rules and for this also ties in the natal chart and as stated, the general condition of persons, families and Souls, Races, Ancestral past and the list goes. What we had to explore was the general middle line in this all. The Serpent of Satan is the key to infinity and the key to finalizing Satan's Work on Humanity.

"Europe" is nothing but a Jewish Superstate that created by the Jewish Banking Dynasties [All Jew Blooded, Baruchs, Rothschilds etc] in order to steal Race and State Sovereignty and put people under total and full control, with the ultimate object to biologically wipe them out. Don't wonder why London and other places were taken over, or why people with murderous intent do actually have a hand in "Politics". It was part of "THE PLAN".

While the larger purpose remains to enslave the whole planet and establish the "Kingdom of Israel", this is done in gradual steps. As for the European Jewnion, the ultimate purpose, it is and was, and certainly will be as long as this place exists, European Genocide. Adolf Hitler knew of their plans long before all of this and made a heroic intervention to unmask this previously unknown global clique. So this clique waged a world war against Him and his people, in order to destroy them. This didn't stop there, though, even after all the dead people of jewish instigated WW2.

"European" Union of Jews against Gentiles, Brexit etc:

topic15137.html

The jewish Banking Dynasties do what they always did best. Secretive International operations and forcing people and Nations through debt, rotten politics, mass media, deficit and other problems, to be forced into the direction that they want. They also used to do the carrot method, but this worked only for a few decades, until this whole thing was revealed for what it was in reality where it bore no fruit whatsoever.

The European Union, not to go into a long talk about it, steals the Sovereignty of Nations and basically this is why many people opt to leave now. Most officials who partake in this whole thing are not even elected. They are nothing, but a murderous jewish clique. Except of the funding that goes in furthering the Banking Dynasties, Guiding Europeans to extinction and openly welcoming all sorts of deadly people within its midst, to create the "Kalergi" plan into reality. That of the EXTINCTION and GENOCIDE of White Europe. The European Union is in the end, another Communist party. This had ideally to happen swiftly and before anyone found out.

The root of all these plans can be observed in the Hebrew Torah and the "New Testament" all of which are jewish religious text books that act as guides for the whole of the Jewish Race on what to work and impose on the Goyim (Non Jewish) Slaves. This was done in conjunction with the left, the femmies, the pacifists, and pretty much, everything that was jewish created and instigated. How does this happen so quickly and "globally"? By phonecalls and the international jewish system.

It can't be such a coincidence that the same "movements" that show up and burst in one place of the world, do the same in another place, can it? How can the internet and everything else as well be equally controlled, televisions and everything pushing into the exact same direction? Simply, because we have a jewish system. The jews themselves largely admit it. All of them KNOW. The only one who doesn't know, is the respective Goyim who "Can't digest the information". Millions of millions of jews in positions of power are on the phone everyday to further their global racial slaver oligarchy over the unsuspecting masses.

One of these networks is the Kehillah. Then you have the Sayanim Network and hundreds of othersm such as the Jewish Freemasons and the B'nai Brith. From the excrement of these do hang other "organizations" and many prominent and less known bussisnessmen. All work and are directed from the same central source. There are no "Zionist jews", just jews. As for the jews who are incapable of high usury and leadership, they just reap of from the work of their fellow "Patriarchs" who had ruled their midst since the dawn of their existence. They willingly and happily accept them everytime. There is no rejection in this and even the opposing groups are equally

controlled mostly by the same networks. This ensures the "Chosen" don't have any real opposition.

The Kehillah:

The Sayanim Network:

topic136.html

So the most people follow this line and the more they devote fevershly in order to destroy the White European Continent, they do actually get honor and prizes. Its just jews, Jewing and ruling over the Goyim, robbing their state power, finances, vitality and in the end- their life and biological existence. The Jew "Kazmierczak-Angela Merkel" and many other crypto's and non Crypto's are just the racial oligarchy over Europe, who are loyally following the Ancient Jewish dictates on how to bastardize one's enemies, control them by their finances, and pretty much, going "Torah mode" all over the European Populace. The same goes everywhere else.

Merkel is Jewish:

[http://www.angelfire.com/wizard/pixie66 ... ewish .pdf](http://www.angelfire.com/wizard/pixie66...ewish.pdf)

As for the Reward of Genocide of Europeans in behalf of Jews:

This is the "Coudenhove-Kalergi" Prize. Most of you here know about this living excrement that holded once this name, and its goal of establishing the European Jewnion in order to actually destroy White Europe and turn it into a dictatorship banking state with "one" mongoloid/black race mix. In their terminology, these were called "Kalergi's Children". The more of these mixed people existed and found home in Europe, the more Europeans that were force to extinction by their policy, the better. This is rewarded as a honorary reward.

More in the words of Kalergi the Jew, who acts in defence of his race. He openly stated Whites must be destroyed and obliterated, in a war against Jewry vs Whites.

G. Brock Chisholm, former director of the World Health Organization (WHO) and a good disciple of Kalergi, said [in 1955]:

"The man of the future will be of mixed race. The races and classes of today will gradually disappear due to the elimination of space, time, and prejudice. The Eurasian-negroid race of the future, similar in appearance to the Ancient Egyptians, will replace the diversity of peoples and the diversity of individuals. Instead of destroying European Judaism, Europe, against her will, refined and educated this people, driving them to their future status as a leading nation through this artificial evolutionary process."

Note: Space- Time- Prejudice. No "Prejudice" = Feminism, brutal effemination of people and the list goes, allow every kike to be thought of as "equal" and welcome to one's self and one's contry. The results can be evidently be seen. No space- Invasion of the outside Races that multiply endlessly. No time- The jews usher all means in their arsenal to make people toil and work their whole lives, without and significant outcome by slavery. The American Dream was intended by the Satanic Creators of it, to be that people finally liberate themselves after years of successive labor and be able to live and co-exist in their spiritual and menial task of work. Europe being White was supposed to follow in these footsteps. The Jews never allowed this to happen in either country.

The jews destroyed this by Bank-ization of America and through the wizardry of debt. The Goyim must not have ANY freedoms whatsoever. Children, Women and Elderly are all and must all be forced to work for a always lessening pennies, or otherwise they will slowly starve to death. The

Jews are large on child labor. In many European and American families or states, people are born in hoarding debt. In plain, they ought be forced to work forever to repay this invisible chain placed upon their neck from elder and stupid selfish generations, that didn't bother waging war against the Jew.

This was why the enemy created some years of "peace" after WW2. Not because they are peaceful, like anyone, but to recuperate from damage, increase their powers and push the final march towards world bastardization and Jewish Worldwide Communism. For this to happen, the Races that resisted the Communist advance, such as the Europeans, have to be wiped out. Then the "Long March" is supposed to be successful.

According to the Jew, Karl Marx [Son of A Rabbi], father of Communism and the creator of Communism:

"Goyim were born only to serve us. Without that, they have no place in the world – only to serve the People of Israel. [...] In Israel, death has no dominion over them... With gentiles, it will be like any person – they need to die, but [God] will give them longevity. Why? Imagine that one's donkey would die, they'd lose their money. [...] This is his servant... That's why he gets a long life, to work well for this Jew. [...] Why are gentiles needed? They will work, they will plow, they will reap. We will sit like an effendi and eat... That is why gentiles were created." -**Rabbi Ovadia Yosef.**

The Jews remember their primordial purpose is to kill the Whites and to never forget of their constant "war". The Jews think and believe that their racial peace will come when everyone else is bastardized and stupid, incapable of revolt, and Whites extinct from the planet. This way, they will be undisputed slaver overlords of the whole mankind. Meanwhile, Whites are oblivious on this relentless war waged against them by the Jews.

White Race vs Jews:

topic14634.html

As for the Kalergi Prize, there have been people rewarded with it. This also includes Kazmierczak-Angela Merkel in 2010.

Of course, no Goyim is ever going to really know about it. Most don't even know about the European Jewnion; after all to be a Goyim, said the Jews, is to be naive and a slave.

More on the Kalergi Plan and Prize:

https://www.youtube.com/watch?time_cont...c2IN4C2Z5k

President of the European Council Herman Van Rompuy. A face that can be trusted, just look at this goblinoid:

"I would like to express my sincerest thanks to the European Society Coudenhove-Kalergi for awarding me the European Prize. It is a great honour for me to be awarded the European Prize for 2012 and I consider it a special honour to receive this prize from your Society. I am conscious of the Society's continuous efforts to promote European integration, and I owe you a debt of gratitude for this work.

I am also aware – and I now have Presidents Mr von Habsburg and Mr Terrenoire in mind – that you also deserve congratulating, as you are celebrating ninety years of the Pan ~~E~~uropa movement

today, tomorrow and on Sunday. What a milestone, and what an achievement! Please accept my warmest congratulations!

Count Coudenhove-Kalergi is a familiar figure for me, or should I say a familiar face. I was first introduced to his thinking when a fellow student in Leuven devoted her thesis to his works. And today, every morning, I enter the building of the European Council and I pass along a gallery of portraits, and it opens with a portrait of the very first winner of the Karlspreis, Richard Coudenhove-Kalergi.

Back in 1922, when this Tokyo-born young aristocrat living in Vienna started to campaign for the European idea, it was just that: an idea. Hapless, it seemed, and utopian. But in the uncertainty of the times, right after the worst war in the history of mankind, the idea struck a chord.

The young Coudenhove-Kalergi deeply believed that the cycle of destructive wars could be stopped, that the power of persuasion – including his own sense of persuasion – could change the course of history."

Ending wars: Ie, COMPLETELY wipe out Europeans who revolt against the Jew World Order. This is the "peace" the jews talk about. Its *THEIR* peace and nobody else's.

So what are the rewards for this glorious undertaking of the feces to destroy the European. [Of course, not adding the millions upon millions the jews in this biz of State destruction do reap from the unsuspecting work class and citizens]:

Herman Van Rompuy will be paid more than £500,000 by the EU to do nothing

"Herman Van Rompuy will be entitled to more than £500,000 for doing nothing at the taxpayer's expense over the next three years, after finishing his term as president of Europe. After standing down on Monday, the former president of the European Council will be paid £133,723 a year, 55 per cent of his basic salary, until December 2017 - to ease him back into life outside the world of Brussels officialdom. The Telegraph has established that Mr Van Rompuy will also receive a one off payment of £21,000 and, aged 67, he will be able draw a lifetime EU pension worth £52,000 a year, taking his earnings to £578,000 over the next three years. The "transitional allowance" does not require Mr Van Rompuy to do any work at all and the cash will be paid under reduced rates of EU "community" tax, which are far lower than taxation in his native country of Belgium. "

"He was widely criticised four years ago for using his official motorcade of five limousines as a taxi service to take his family on 325-mile round trip to Paris airport en route to a private holiday in the Caribbean. Nigel Farage, the leader of Ukip who was fined £2,700 by the European Parliament in 2010 for describing Mr Van Rompuy as having the "charisma of a damp rag", attacked the payments. Van Rompuy's term in office has seen millions driven into poverty and unemployment by the eurozone crisis but he himself has hit the jackpot. The EU is a racket which looks after its own," he said.

Vegan toddler admitted to ICU for malnutrition, parents could face neglect charges

[My note Veganism is part of the Social Marxist paradigm, Animal Liberation is another wing of the Social Marxist movements to overthrow society such as Women's Liberation, Social Marxist

feminism which is the psycho pathologizing of the family unit.

The pseudo nutritional science Veganism pushes.....

Veganism is built on lies, nutritionally humans are omnivores that is why Vegans have to take supplements to be able to be on a all plant based diet, otherwise they couldn't physically do this for long. Its not just B12 either. When Vegans pipe up with just B12 they don't know what they are talking about and prove you don't want to take any advice from them nutritionally. Long term Vegans have cupboards full of different supplements they have to take to try and avoid paying the price of their abnormal diet. Note how dangerous B12 deficiencies are. Vegans take artificial B12 all day long from injections, pills its mixed in their Vegan food products like Almond Milk and on. And still as a demographic Vegans are 70% B12 deficient. Trying to totally replace organic nutrition compounds with artificial vitamins is not wise. Many long term Vegans end up with degenerative diseases of the spine due to their body leeching amino acids from the spine to keep them alive. Nervous system disorders, mental disorders, high heart disease and cancer rates due to this diet.

So the health claims are lies.

The pseudo social science Veganism pushes....

Carnism is also a social construction, we are omnivores, Vegans prove this fact by having to stay alive on artificial vitamins. Since Veganism is a cultural Marxist paradigm they foolish believe anything they don't like they can label as a social construct. And ignore any counter evidence with name calling like "Carnist" but this abnormal diet takes its toll.

Speciesism is another bogus construct created and popularized by people such as the insane, Communist, Jewish pervert, Singer who believed bestially was normal. This is were you get the militant Vegan SJW's. Speciesism is based on the psycho pathologizing and dehumanize of all non Vegans as Speciesist. Don't like something just put a ism or ist on the end of it and start the name calling.....

In a 2001 review of Midas Dekkers' Dearest Pet: On Bestiality, Singer argues that sexual activities between humans and animals that result in harm to the animal should remain illegal, but that "sex with animals does not always involve cruelty" and that "mutually satisfying activities" of a sexual nature may sometimes occur between humans and animals....

Veganism is part of the anti-White, Jewish Social Marxist movements. Which the Jews who created such themselves in their own writings, as Professor Kevin McDonald pointed out in his work "Culture of Critic" admitted, the same Jews stated their goal was the destruction of Western society and the White Race.

Vegan is another word for Communist.....Its not about being Plant Based, its about destroying the White Race. The Jews admit in their documents they want to use malnutrition as a weapon against the Goyim and in the Jewish Noahide laws which are what the Goyim are to be forced to live under the yoke of..... The Goyim are to be forced onto a Vegan diet.

Accordingly, any non-Jew who adheres to these laws because they were given by Moses[4] is regarded as a righteous gentile, and is assured of a place in the world to come (Hebrew: עולם הבא Olam Haba), the final reward of the righteous.[5][6]

The seven Noahide laws as traditionally enumerated...

Two Italian parents could face criminal charges after their daughter was found to be suffering from malnutrition - and their vegan diet is being blamed.

When the unnamed couple brought in their two-year-old child, identified only as 'Chiara,' to a pediatric hospital in Genoa for a check-up, she was immediately transferred to intensive

Doctors found the little one to be underweight and suffering from a number of complications, including low levels of hemoglobin, poor responsiveness and slow movements, as well as a B12 deficiency, according to The Local.

READ MORE: No meat, we're British! Vegan population up 360% in 10 yrs

While doctors are investigating if there are any hereditary diseases that may have contributed to the child's health problems, it's thought the root cause is linked to the lack of animal products in her diet.

Of course, both parents are vegan as well, so no "spicy meatballs" or Parmesan cheese at the family dinner table.

The child was also breastfed while mama was eating vegan.

"The lack of B12 causes irreversible neurological damage," pediatrician Alberto Ferrando told La Repubblica. "If action is taken fast to rebalance the conditions, the more chance you have of recovering the health of the child. Unfortunately, the damage is much greater in the youngest."

The young girl was removed from intensive care after seven days and is understood to be recovering in a convalescence ward.

While raising a child on a vegan diet isn't regarded as mistreatment in Italy, social services have been notified of the child's well-being and the parents could face charges of 'neglect,' with a case likely to appear before the Juvenile Court.

Police in Florence launched an investigation last July into vegan parents whose 11-month-old child had to be treated for severe malnutrition.

Also last year, a judge in Bergamo in northern Italy ordered a vegetarian mother to incorporate meat into her son's diet after the boy's father complained his son's health was being put at risk.

MERKEL'S WORST NIGHTMARE: Germany calls for Referendum as 'people want to be free of EU'

My note Germany is the core power of the EU and the loss of Germany with the Dexit is the end of the Jewish EU as a power structure. The Jewess, Merkel is not happy, neither are her fellow Jewish elites.....

The Germans disagree, Dexit is on the way, baby!

[http://www.express.co.uk/news/world/684 ... pean-union](http://www.express.co.uk/news/world/684...pean-union)

BELEAGUERED Angela Merkel is facing calls for a referendum to free German people of "EU slavery" in the wake of Britain's sensational decision to cut ties with Brussels

Far right figures in Alternative for Germany have promised to call their own vote if they clutch power in country's general election in autumn next year.

A party spokesman branded Brussels a "bureaucracy monster", before adding: "Next year the AfD will enter the German parliament and Dexit will be top on our agenda".

They called the vote a Dexit as it stands for a Deutschland exit from the EU.

Eurosceptism has swept across the continent after the people of Britain backed Brexit in the historic EU referendum on June 23.

AfD chairman Bjorn Hocke said: "I know the German people want to be free of EU slavery."

George Pazderski of Berlin AfD Berlin AfD added: "Germans must decided on staying in the EU.

"The AfD is the only part which speaks out clearly in favour of them deciding."

Party leader Frauke Petry, who caused controversy earlier this year when she called on German police to open fire on illegal immigrations, reacted with delight at Britain's decision to sever ties with Brussels.

She said: "This is the chance for a new Europe, one which maintains partnerships and respected national sovereignties.

"The Great Britain decision to leave the EU is a signal to the Brussels Politburo and its bureaucratic attachments. If the EU does not finally leave its wrong path, and the quasi-socialist experiment of deeper political integration, more European Nations will reclaim their sovereignty the way British are

"The result would be more exits. At the very least the Brussels bureaucracy must be radically reduced and the centralist regulation craze ended.

"The time is ripe for a new Europe, a Europe of fatherlands, where we peacefully trade with each other, maintain partnerships and respect the will of the national sovereignties.

"One can only warn the German government not to fill the missing British net contribution with German tax money and thus continue the political fallacy."

However a chance of a German EU referendum may not be that simple.

The experience of Nazi manipulation of plebiscites has left a dent in the trust of polls on a national scale.

The country's post-war constitution currently only allows for referendums if the constitution itself or the territories of the states making up the republic are to be reformed.

Ralph Kampwirth of the Initiative & Referendum Institute Europe said: "Germany is one of the few EU countries with no experience of national referendums.

"In the Weimar Republic there were two national referendums; during the Nazi reign, three plebiscites were held, with biased questions and blatant manipulation of results.

"A referendum does not mandate an organised political opposition - it simply requires a yes or no answer - one reason why both Napoleon and Hitler were enamoured of them."

Mrs Merkel and French president Francois Hollande are said to be concerned that Brexit will lead to contagion and populist far-right parties would win support for their plans for the disintegration of the EU off the back of it.

So far far-right National Front party leader Marine Le Pen has called for France to host an EU referendum as she declared her support for Brexit.

The leader of far-right Danish People's Party says Denmark should now follow Britain's lead and hold a referendum on its membership.

Eurosceptic feeling is also surging in the Netherlands, with two-thirds of voters rejecting a Ukraine-EU treaty on closer political and economic ties.

Anti-EU politician Geert Wilders declared the result the "beginning of the end" for the Dutch government and the EU.

Subject: Hail The Great Satan!!

Today is the 4th of July, the official birthday of the USA. The USA is also known as "The Great Satan."

In spite of Jewish filth and other rot trying to destroy this wonderful country, we still have freedoms here that many other countries do not. Thanks to our Satanic Founding Fathers, we have this most wonderful country.

Idiots and those who are too weak to live in reality, those who lack the knowledge and the education and other ignorants, are unaware.

Life in many other countries is abominable. One woman who was taken to the USSR as a child, was trapped over there for some 50 years and risking her life and placing herself in extreme danger, finally made it back here. She knelt down and actually kissed the ground when she exited the ship.

We have libraries, open schools, modern conveniences, open bookstores, fun, recreation, and so many things to be grateful for here in the USA. You can get just about anything here. Many necessities, modern conveniences, recreation and fun are often either banned, prohibited or just unavailable in many other countries.

In the world of Islam, life is brutal. The rotten and most negative attitudes, along with slavishly worshipping and prostration before total rot has taken its toll. Endless violence, bombs, sick and debased hatred of women, "infidels" desertification and bareness of the land, total indifference towards domestic animals and overall misery. Prostrating before and worshipping pure evil attracts ugliness, misfortune and violence, as what the mind and soul dwell upon, even more so with the masses, they attract. I recently saw a photo of an older Islamic woman. Her eyes looked so sad from a lifetime of brutal slave labor and misery.

Even worse is how the Muslims, as they slavishly worship that total rot they are deluded into believing is "God" work to spread the worst imaginable misery to Europe, the USA and other countries that have not been afflicted by that most vile plague that creates violent murderers who are depraved, capable of anything, spiritually debased and criminally insane.

I just finished reading a book how young girls are kidnapped from the USA and Europe and sold as brides to Islamic men and boys in places such as Yemen. Life in these places is horrific. The girls wind up being slaves who are brutality worked under the most heinous conditions, and raped. All of their rights and freedoms are gone. Pedophilia is rampant in Islam as it is with all the Jewish invented programs that have the audacity to call themselves "religions." Another fact is no one is just free to leave these places.

Most of these countries are stuck in the Dark Ages. The populace is forced to attend those rotten mosques and those caught eating during the fasting time for Islam, Ramadan, are severely punished.

Freedom must be fought for. Here in the USA, we still have many freedoms, though the Jewish filth that has infested and taken control of our government, our press, corrupted our legal system and our educational systems, working to promote their injustices, and bent on destroying this wonderful country, using racial tensions, lies and their malignant "religious" programs in attempts to make us fall to their communism.

I'm proud and very grateful to be an American. Hail the Great Satan!

We will have the last 2 RTRs later this month. Repeatedly doing these rituals is destroying the enemy. The Christian churches are crumbling, though there are still pockets of stupid, deluded individuals, but these will also cease to exist in time.

After these next RTRs, we will then be working on the worst plague to ever afflict humanity, outside of the Jewish root... Islam.

Europe's Burning

Migrant terrorism has become normalized across Europe further as Europe literally burns. Right now the migrants invading are burning the areas they are temporary contained within. But we can see the future of Europe as they spread out into the already immigrant dense regions of Europe as its already occurred and has become a yearly event....

The immigrants riots in Britain, staged in the major migrant communities that burned down whole regions of cities and unleashed a violent crime wave right out of its inferno. Which targeted the native White citizens solely. The local Whites organized their own racial defense forces to protect their communities and push the migrants, terrorist race mobs back as the Police were helpless to do anything...

This was a major reason Britain wanted out of the Jewish run EU:

Now onto France which has been forced to absorb some of the largest immigrant waves. The violent riot's in France have become normal. As the migrant mobs terrorise the White population openly on racial grounds. Whole regions of migrant Europe are openly no go zones for Whites.

Sweden which is overwhelmed by migrants from the third world, like Britain and France, exact same problem, the larger migrant populations have regular uprisings against the Native population.

The story below is most revealing and shocking. The crimes of the Jewish Vatican are enough to make anyone cringe. Some people still talk about this jewish excrement whom they once used to call "God", who does nothing but produce followers that are retarded, social menaces, murders and animals.

Especially his "holy ones" and "chosen" are the greatest criminals this world has ever seen following in the footsteps of the actual jew "JHVH". These disgusting businessmen, dealers of fake hope and a jewish "god", have did it again. Except of rape, murder, torture, civil war, wanting to wipe out Whites, there is more.

Many people will remember the story that was here of a similar incident, having to do with Children and innocent women. These are like 1 in the hundreds, or more. The enemy is a brutal rapist, slayer and destroyer of children since the dawn of time (see the latter end of the post):

Death, Humiliation, Slavery in "Christian housing" and more.

[topic4582.html](#)

Do you all remember all the alleged "bad stuff" the "Nazis" were supposed to have done to people and innocents, and all this crap, in the supposed 1940's? Apparently, this was again projectionist propaganda by the enemy jews, who behind the Vatican rapist, murderer and criminal institution, again was projecting things against people who never did anything remotely close to this.

The Nazis put the Orphans in the power of everyday women to take care of, they were adopted by families and the list goes. Children were taken care of. Orphan people have to undergo insane treatment, torture and destruction. These people are considered worthless by the enemy slaver jew,

who considers these people nothing but straight "Goyim" who are supposed to be drugged, beaten, destroyed, rather than rehabilitated or loved in anyway.

In the 1940's, A scheme reportedly launched by the (((CATHOLIC CHURCH))) and (((Canada's government))). The Church deemed kids 'mentally deficient' and orphans sent to MENTAL HOSPITALS.

"We're talking about children that were tortured, that we kidnapped, that were put into cells, that had to take tons of experimental drugs, chained and whipped."

"The Duplessis Orphans were used as human guinea pigs for medical experimentations."

"More than **100,000** Duplessis Orphans have disappeared or [have been] murdered. Innocent children were falsely labelled mentally retarded, and illegally warehoused into psychiatric hospitals."

Clarina Duguay survived this horror:

"The evening when they forced me into an ice water bath, afterwards she [a nun] puit a straightjacket on me by force, while I was still crying about finding my mother and returning back home. This is why they tortured me."

.....**"The Catholic Church DENIED responsibility and REFUSED to apologize."**.....

The Forgotten Case of Duplessis Orphans

More on this story:

[http://sputniknews.com/world/20151215/1 ... hurch.html](http://sputniknews.com/world/20151215/1...hurch.html)

[...]
The Catholic Church and the provincial government of Quebec, then led by Maurice Duplessis, a strict Catholic himself, made a deal, **which falsely certified 300,000 orphaned children as mentally-ill, confining them to psychiatric institutions.**

The deal was beneficial for the Church and psych wards, as they received funds from the government for "taking care" of orphans. These children later became known as the Duplessis orphans.

Thousands of children died in these institutions. Those victims who survived in mental-health hospitals told horrifying stories of how unspeakable things were done to them when they were young.

[...]

In 1962, Landry managed to escape from that clinic. Soon he found a job and began a normal life. Eventually, Landry was able to find his mother at the age of 48. He didn't even know where he was born, until a Quebec social agency, which helps former Duplessis orphans, told Landry he was born in Quebec City.

"I know many Duplessis orphans and trust me they're definitely not mentally challenged. One of Quebec's renowned novelists Bruno Rua is a Duplessis orphan," said Alain Arsenault, a Montreal-based lawyer currently working on the case of orphans.

The lives of these people are permanently damaged by the Church and the Quebec government, which took away their childhood and filled it with pain, abuse and other dark memories.

Imagine adults who suddenly realize at 40 or 50 that they couldn't receive any education simply because someone wrote on their personal file that they had a non-existent mental disability. **And for what? Well, because the Catholic Church of Quebec wanted to receive an extra dollar and a half for each child per day, Arsenault told Sputnik.**

Shocking? It shouldn't be. They are following in the footsteps of their Hebrew savior and messiah, the one who destroys and kills babies for fun.

This is why people need to RIP THEM APART SPIRITUALLY WITH OUR RTR's. We must hit them like a battering ram. Thousands of people die, get tortured, raped and destroyed every day because of the jews and their works of terror. These criminals have to be spiritually destroyed. This is nothing more than the Torah, which in itself is just EXACTLY what is practiced by the enemy jews in the Vatican, in Pissrael, in World Governments and everywhere else.

According to their own JEWISH BOOK:

*"Now go and attack Amalek, and utterly destroy all that they have, and do not spare them. **But kill both man and woman, infant and nursing child, ox and sheep, camel and donkey.** (1 Samuel 15:3)*

*"The people of Samaria must bear their guilt, because they have rebelled against their God. They will fall by the sword; **their little ones will be dashed to the ground, their pregnant women ripped open.** " (Hosea 13:16)*

"Happy is he who repays you for what you have done to us. **He who seizes your infants and dashes them against the rocks.**" (Psalms 137:8-9)

They are following exactly what the Torah and their Jewish "god" tells them, in the end. They just follow the Jewish dictates. That's all.

What does it mean to be a Jew, and thus to identify ones self as Jewish.....

Shall we open the Talmud and Torah for you to read and discover this for yourself.

Here one of the Jewish leaders will inform of us what it means to be Jewish.....Everything he stated is right in the Talmud and Torah this is nothing of his own creation. He is repeating the core meaning of total Jewish identity from the holy texts of Judaism, taught to him as child sitting on his Rabbi's knee.

That is what the Jewish ideology is so that is what it means to be Jewish. Do you think that is good? If not, then by your admission there can not be a good Jew.

Veganism, Ownership, Workers Class, Animals... And.. Jews PART 1

Part 1:

Looking around, one can see why some people turn to Vegans, which is because of the insanely evil treatment of animals in slaughterhouses and the list goes. This is exactly practiced not because there is a "need" or a "necessity" as many claim, but for extremely high profits for the (((Plutocracy))) who wants animals to be grown up fast, modified and the list goes. This sort of thing is highly not necessary at all.

As the Jews write in the Protocols:

The intensified struggle for superiority and shocks delivered to economic life will create, nay, have already created, disenchanted, cold and heartless communities. [9]

Jewish Run China Forcing Veganism On Populations

[topic15284.html](#)

But let's be honest now, its not like suddenly the Governments that control the world, push the Jew World Order Agenda, such as in Communist China, who force-feed deadly vaccines to people, questionable cures, endless fluoride, extremely powerful psychedelic drugs, don't emphasize on physical well being, pay people lower than cattle, and grow people into fat missiles...Suddenly started to "Care" about people in any deep level. It should be evident to all people in the planet that there is an ulterior motive in the forceful pushing of Veganism, and not some sort of "interest" or

any real concrete "help" reason this theme is coming up strong as of late. Also, its not "coming up". Its re-emerging, as it did exist before.

This is also, nothing new.

Thing is, though, most people don't really try to pay attention on what Veganism is actually. In the Bible itself, one can see the prohibitions of eating meat, and in the "lore" of these jewish systems, the "Goyim" (animals) are not allowed to feast on other "Animals" such as pigs and the list goes on. The jews themselves have strange murderous fetishism on "How" these animals are to be killed. They have to be killed in the most bizarre, torturous and damaging ways. They don't really just slay an animal quickly for the food, they literally sacrifice the animal slowly, and mercilessly, in a very specific way "approved" by the jewish "God".

While people try to "Eternalize" Veganism, I am sorry, but the Jewish Xian Church had you first: *"Unless a fast-free period has been declared, Orthodox Christians are to keep a strict fast every Wednesday and Friday. The following foods are avoided:*

-Meat, including poultry, and any meat products such as lard and meat broth.

-Fish (meaning fish with backbones; shellfish are permitted).

-Eggs and dairy products (milk, butter, cheese, etc.)

-Olive oil. A literal interpretation of the rule forbids only olive oil. Especially where olive oil is not a major part of the diet, the rule is sometimes taken to include all vegetable oils, as -well as oil products such as margarine."

From the same site:

'Fasting is one of our greatest weapons against the Evil One. I will repeat what Father Lazarus told me once. In 1962, I went to the USA. I stayed there a long time and travelled to many states. The letters of Father Lazarus were a great help... He used to say: "Go anywhere you like, do whatever you like, as long as you observe Fasting"... Because not a single arrow of the Evil One can reach you when you fast. Never.'

— Ascetic of Love, the biography of Mother Gavrilia, pub. Series Talanto. pg. 200." [1]

The "Evil One". Ie, Satan. Satan is linked with meat eating, aside all the other "sins", such as meditation, and rebelliousness against the Jewish Hebraic Zombie "god". In this website, there are also other feasting "periods" that must be observed by the Good Goyim, in order for the Hebrew God to be "happy" and allow them into Heaven. Which, oops, but sorry, only exists for 144,000 elect Israelites who are chosen since the beginning of time, so don't bother Goyim. Just waste your life serving jews, hoping it might happen...

Why so much hate in regards to meat, that it had to even be associated with the Devil himself? Keep reading and we will see the problem unfolding.

The obvious was obviously, pushed in all Orphanages, Church towns, and the list goes. Even many universities used to be Christian Schools in the same way. Wherever Xianity had power, this rule was imposed. Disobedience to fasting, results in lovely hellfire after one is dead, eternally.

However the rules of the church no longer have any power on people. So new methods were invented.

So back to Jewish Slaughtering.

This is nothing new for the Jews who are accustomed to this for centuries and of course, do the

same to even human beings and children- one just needs to read their history. . This is the reason why they have been driven out more than 100+ times from all decent and civilized countries in the world. After all, the "jew" is the only "Human being" and it is the only thing that deserves "Human treatment". Beasts are beasts and they are here to serve, and this includes Gentiles who are "beasts in Human form" [2]. Jews feast equally on other animals, or on "Goyim Animals". They keep the "Goyim Animals" for special celebrations, however.

To feast on Gentile people is actually part of their celebration and relationship with "God". As written in the Talmud:

Everyone who sheds the blood of the impious [non-Jews] is as acceptable to God as he who offers a sacrifice to God. -Yalkut 245c

[3]

The blood drinking gore was given rise to by the jews. As for animals, the jews are commanded in the Torah to eat...**Animals without blood**. Which requires them to suffer and to be left bleeding for days, until the blood comes out from their body. This is why a lot of this insane industrial farming is going on.

But now you must not eat the flesh with the life, which is the blood, still in it. For the blood is the life."(Genesis 9:3-4) [4]

Bear the above in mind.

When people think of Veganism, they most of the time do really forget about our animal friends and familiars. To my present knowledge, our animal friends and pets *NEED* meat from protein, same as all Humans do but disregard this. Also, while people can pretend to be living "Vegan" while shoveling supplements, vitamins, custom proteins and the list goes, our animal friends can't really do the same. Neither Humans can do this, but anyway. Its necessary to kill.

Another Vegan hypocrisy is the supposed suffering of Animals. Plants do also "suffer" and its scientifically observed that they can pick up on sound, emotions and moods. Also, plants are equally exterminated everyday, thank jews, such as forests and the list goes. Plants do also get severe experimentations of them. The whole "merciful" thinking is highly tied into xianity, and the severe guilt complex a lot of people do acquire for not wanting to accept the laws of existence and life. You have to kill to eat. However, what defines a person as good, or a civilization, is how the growth and killing of these animals or plants that are to be eaten, is carried out. Is it "Kosher"?

Many people try to make eating meat sound like another "Shoah", try to guilt trip others, and all sorts of other insane methods. The awareness that non-vegans are some sort of criminals is also lurking around the corner. This is nothing less than the bible, and sometimes, this also escalates into actual full blown Xianity, where people just say ugly shit like "God doesn't allow meat eating" and they quote the bible in quotes like this....

"Blessed are the merciful, for they will receive mercy." —Matthew 5:7 [4]

"I will make for you a covenant on that day with the wild animals, the birds of the air, and the creeping things of the ground; and I will abolish the bow, the sword, and war from the land; and I will make you lie down in safety." —Hosea 2:18 [4]

Oy Vey, apparently, nobody will have to die anymore... In the "next life". Only an actual Vegan, or

Xianized nut would believe this sort of un-scientific and unrealistic joke. In the meantime, the jews kosher slaughter and enjoy in the suffering of billions of human beings, animals and general life. This is exactly the line many people do follow in regards to this thing... Xianization...Of the diet. Hoping they are somehow doing some divine mandate on the planet by helping it. Even when breathing, you produce CO2 which actually, unless the trees were around to make oxygen, is a pollutant. Should we kill humanity now in order to stop this "suffering" from spreading? Let's get actual, shall we.

The ideal "Communist Society" is a worthless society, which of course is totally pacified and "Vegan", aside technologically enslaved and everything else. Supposedly, this is the "Future". What do the jews have to say about this "Utopian Future", same as Vegans, Bible Trumppers, and all sorts of other unrealistic servants of the jews?

"We have in our service persons of all opinions, of all doctrines, restarting monarchists, demagogues, socialists, communists, and utopian dreamers of every kind. We have harnessed them all to the task: Each one of them on his own account is boring away at the last remnants of Authority, is striving to overthrow all established form of Order. By these acts all States are in torture; They exhort to TRANQUILITY, are ready to sacrifice everything for peace: We will not give them peace until they openly acknowledge our international super-goverment, and with submissiveness. The people have raised a howl about the necessity of settling the question of Socialism by way of an international agreement. "[9] -The Protocols of the Learned Elders of Zion, Protocol 9, "Jewish Superstate"

Part of this "ideal" society is also pacification of the diet for bizarre reasons. It should be evident. As it can be seen in the part 2 of my reply, it's not just "diet", as the average worker thinks of it today, being a money consumer that doesn't have land ownership etc. Its about ANIMALS and the FREEDOM people have in being in control of their own food, to grow their own food, and have ownership. This is also an underhanded attack to farmers themselves. Animals also in turn produce wealth, or at least, freedom. The Rune for Wealth is Fehu, which literally means, CATTLE. Cattle even in the bible also symbolize wealth.

One member not long ago came to the groups and wrote one lengthy message about how he and his wife followed the strict "Vegan" diet, without supplements and anything. At around one month, his wife started losing the hair from her head. It may take different times for different people, but the danger is there and once one's body starts running on its reserves, this is bad as it means its depleted. Proteins are named Proteins from the Greek [Protes Ines] which means first essences. These are the first essences upon which the body is built.

Now as about non necessary stuff like, furs for jewish grannies and whores, leather seats in some car, or something like that, these are IMO completely worthless and they are no longer needed. They can be modified and with the technology we possess now, these can be made custom. There are also better materials. As for animals who are killed for food anyway, this is nothing bad as their skin is not needed after their death (which let's hope has been humane and noble). The jews are told however to skin animals and that this is a command from "God". This must happen, or otherwise, ritual tools of the jews such as the "Tefilin" cannot be created. [2]

However this ugly thing corporations do in Communist China, wiping out the skin of live animals, because they don't want to euthanatize each one due to high cost, is a practice that is deplorable and of the ugliest ever.

Animals are Skinned Alive on Chinese Fur Farms

<https://www.youtube.com/watch?v=sLcgxIGTFRs> [6]

The Ancient Pagans did in fact respect animals a lot. This is why in all of our Pagan cultures, you see animals everywhere. Animals weren't slaughtered without thoughtful measures and without paying tribute to the Gods that were protecting the Animals. A dead Cat in Egypt would result into the death of the offender. The animals had an equal footing to Humans and were considered beings in their own free will. The enemy abhorred this respect of animals and this can be seen in the bible, who uses the term "dog" as a derogatory term for Pagans and others. No animal is disgraceful, let alone the animals that help us survive (like dogs, cats and cattle), except of the jewish cockroach who is a useless parasite. Gods are portrayed AS animals, or WITH animals. [7]

What does the Jewish Bible say about this, though?

"In the Torah, humanity is given dominion over animals (Gen. 1:26), which gives us the right to use animals for legitimate needs. Animal flesh can be consumed for food; animal skins can be used for clothing. The Torah itself must be written on parchment (animal hides), as must the scrolls for mezuzot and tefillin, and tefillin must be made out of leather. "[5]

"They shall no longer sacrifice their slaughtered beasts to the demons whom they wantonly follow. This shall be a rule binding on them and their descendants for all time." (Leviticus 17:7). [4]

In the quote of the Genesis above, we see **JokeHova the jew, affirms basically what the jews follow as the "Kosher" process of eating food, NOT the old process.** Its part of following the commandments of this being.

Apparently, we Gentiles aren't allowed to "sacrifice" anymore, ie, Consecrate our animals with Divine Respect if they are to be eaten. The jews are the inventors of the term "sacrifice" in the first place. The sacrifices of Oxen and other creatures weren't the grotesque process the jews affirm they are, to actually hide their murderous psychopathy as "normal". The accurate term for the Pagan people was "Consecration". Meat was considered holy already in these times. In the kike religion, it had to be "cleansed" in the "Kosher" ritual. But lo and behold, we are allowed by "God", like the Jews, to just go "Kosher" mode on animals.

The 3rd Reich stood for all these rights. Animal rights, worker's rights and abolishing of Jewish Influence in general. Hitler himself was capable to be a vegetarian, while not a "vegan". However, this is for the people who are possible to do this without implications.

Below a video of this "holy" procedure, and how the Nazis educated and attempted to annihilate this monstrous practice [Warning- Gore]:

Hitler Saves Animals From Barbaric Kosher Slaughter

<https://www.youtube.com/watch?v=StWoPBRRs9U>

One thing to also look for is how JHVH gets jealous on the supposed "Jews" worshipping him in the form of a Golden Calf. Animals are lower than God, the same goes for the Goyim animals that came up with this "conclusion". Jews are as thus told to degrade animals in general, and dishonor them if their image every receives "honor":

Exodus 23:8 They have been quick to turn away from what I commanded them and have made themselves an idol cast in the shape of a calf. They have bowed down to it and sacrificed to it and have said, 'These are your gods, Israel, who brought you up out of Egypt.'

Exodus 23:9 "I have seen these people," the Lord said to Moses, "and they are a stiff-necked people. 10 Now leave me alone so that my anger may burn against them and that I may destroy them. Then I will make you into a great nation."

As for home grown animals, free range, nice animals, who have had their life so to say, aren't unhappy animals at all. Their death is painless and fast. Not all animals are meant for farming in this way. Industry farming is the worst, as these animals suffer all the time and without any reason in particular. One should not let these lines blur however.

Veganism, Ownership, Workers Class, Animals... And.. Jews *PART 2*

Meat doesn't need to be abolished, as many naive people say. This is the same shit like when idiots say, "Money is the root of all evil", so we must go in a "Non Monetized society" (ie, Communism). Its not money that is evil, its not meat, and these are scapegoats. The jews just force these logical dilemmas to get people penniless, in control, and to wipe out their freedoms. A gun doesn't kill unless there is a finger behind the trigger. That's the fact. Its the how and why behind these matters that matters. The jews always make how and why very ugly, perverted and evil. The jews hate it when the Goyim have similar "freedoms" to them. This is very "ungodly" in their eyes.

One major Vegan thing is like the Communists, which both pretend if they do their "personal change" (one abolishing money, the other abolishing meat) they sort of stop this thing from going out worldwide. Not only they do not, but they further this.

In fact, the less demand, the more experimentations will take place, the more murder

of animals, all in vain: The food will just be thrown in the garbage cans, or re-fed to pigs and other innocent animals, that simply get cancer from this recurring process that will happen over and over again. The jews will not stop meat production, or their tribal ethics, just because few Goys stopped eating meat.

They will just further Genetically Modify meat, experiment on it, and add even more chemicals to attract more customers. **Maybe if these retards actually had money, and were decent meat eaters with a rebellious nature, or know about the Jewish Terror, they *WOULD* cause some impact.** Nobody cares about your "diet" habit and how many "Holocausts" of Chickens you are going to save by this abstinence... and you must deal with it. **Infact, demand for *BETTER* meat and *BETTER* methods of killing the animals, would make things better.**

Communists, like Vegans, behind closed doors practice the contrary of what they preach to the stupid masses who believe their lies. Commies want to steal all ownership from others, they have wet dreams about it, while Vegans do shovel Vitamin B12 and bloody steaks down their throat. Only the "Goyim" follow letter by letter the Jewish crap and lies.

THE JEW TEACHES TO PEOPLE THAT BY LEAVING THEIR RIGHTS, THE PROBLEMS GO AWAY (such as in the case of money or meat or salaries). THE PROBLEMS DO *NOT* GO AWAY. THEY GET BIGGER. THE ONLY WAY THINGS BECOME "BETTER" IS WHEN PEOPLE FIGHT FOR THE BETTERMENT OF THEIR HARD EARNED, RIGHTS. THIS PACIFISM AND QUITTING NATURE IS EXACTLY WHAT XIANITY PREACHES.

The message is not to get into the toy dialectic of which diet is the most "important", either. I suppose the answer is simple, the one that makes you function better. IMO, its just the BALANCED diet that is the best. One just has to practice moderation, avoid junk food, avoid trash, listen to their body, and they ought be fine. Writing huge novels about bizarre diets and how these will magically change a person entirely, from a stick to Hulk Hogan, should knock as bunk to people who think about this.

Let's not get on the other grounds of the new age, which also include that eating only greens somehow...Makes you an ascended master... Or that by eating a steak, you will become a spiritually weak person. This sounds like Christianity 2.0, yet again. "Don't eat meat you will burn in hell". "Don't eat meat, you will spiritually not advance". Pure, LOL's.

Another thing in regards to the governments. The jews who at the present have taken hold on most world governments, they think about the matter way simply. It doesn't matter what their dis-info agents in the biz, or their "doctors" or other crapsters say about all that stuff, as they are on orders to do so. They think it simply. Why should the Goyim animals, have meat in the first place? Meat gives vigor and power, which in turn might result in disobedience. People that are frail, weak, and have to deal with deadly health issues, not only they cannot revolt, but they can't do anything against anyone indeed. The jews also think it even more simply and to their interest.

The Goyim is a supposed worker. A worker must not demand meat, and luxuries, let alone diet luxuries, let alone ownership. If you can convince people that by eating weeds and stuff, they are OK, while they serve you, all the better. More money for the jewish pockets, more profit for them, more docility and in general, only gains for the jews. The narrative also about the "mercy" about animals sounds like Christianity 2.0, because paradoxically, the "Goyim" (consumers) are blamed,

for what jews and their animal farms are actually causing. The pain is not caused by the consumer, but by those who make these products.

Salary or whatever few bucks a worker in the jewish system is supposed to get, are supposed to go to food and shelter (in advanced countries only). Gradually, people are reduced to "no home" incomes as well. Which in fact again accounts to Communism. The cheaper the food, and the worse the shelter, the better for the jew. If these two can be closely abolished, even better, for the people are approaching better the Communist "ideal" society.

The jews wouldn't even pay workers if they could. They are animals after all, in the jewish mind, created by "God" to serve the Jew. They don't deserve the freedom of getting a pay. This is why in their "ideal" society, people are nothing but cattle, and they just need to eat grass, completely pacified and servile. And that's it. Work, eating grass, and not even having a territory one owns.

A Jew need not pay a gentile the wages owed him for work. Sanhedrin 57a [10]

Gentiles are *NOT* entitled to *ANY* ownership. This obviously included animals, luxuries and anything else:

All property of other nations belongs to the Jewish nation, which consequently is entitled to seize upon it without any scruples. An orthodox Jew is not bound to observe principles of morality towards people of other tribes. He may act contrary to morality, if profitable to himself or to Jews in general.

A Jew may rob a Goy, he may cheat him over a bill, which should not be perceived by him, otherwise the name of God would become dishonoured. -Zohar, Vayshlah 177b

What many people really forget is that owning animals, and eating animals, does actually produce freedom, such as having your own milk, your own land and the list goes on. This creates an independent caste of people who are not dependent into the hand of anyone for their survival. Animas+Land = Survival, Freedom, Independence. The jew hates both of these rights, that tie one on another.

As jews let us know in their "Talmud":

Declares that agriculture is the lowest of occupations. Yebamoth 63a. [10]

The jews make everything Communism, including Capitalism which is just Communism in the long-term in many ways, as it can be observed in the Capitalist collapsing dream.. Just take a look around at all the young unemployed people, and people who have supposedly high educations, but will never get a job- in contrast to naked invaders that enter with the desire to kill natives, while the Governments only help the latter find work. They also give them free housing, food and shelter. A native person in most of these countries, is supposed to die on the streets and helpless unless they mind their own business, or unless there is some sort of welfare for them. The migrant invader will survive because they will receive help. Quite the justice.

One can see the Jews attack the worker's rights of the Goyim, all the time. Just look on the USSR. No rights, no ownership, no nothing. People were stacked up in factories and work camps like pigs, illiteracy was rampant, and nobody had access to meat and other "luxuries". Only Stalin and his clique. Naturally, the jew who is all about misery, affliction and death, doesn't want the slave Goyim to ask for anything. In their mind, an animal is not supposed to have anything anyway. The

Workers class is not a human class with dignity. Its nothing but a low slime, like a donkey or any other animal, in the jewish mind. This is why the worker's class, is the most productive, and the most punished and the least entitled than all other "classes" of the jewish system.

This is apparent in Europe. People that worked their whole lives, are pretty much living it really average for the scope of their "country". Swindling jewish politicians, "entitled muh feelers" who jump from the country borders and get insane pensions/welfare, and general parasites that do nothing, get rewarded the most, from worker's class taxpayer money. The money goes to alien people that never did anything to build the actual country, or at least belong to the citizens of this country. The same goes for the elderly, which in many European countries stricken by recession and migrant problems, get all the blunt of the jewish policies in the last years of their life. All these "luxuries" such as retirement, are abhorred by the jews, this is why the jews constantly undermine and destroy these in politics. The animal is too old to serve? Why keep him around? Kill the animal - this is how the jews think of Humanity. Just read their writtings.

One of the reason "JHVH" (personification of the jews) destroys the "Babel" tower, is because people were reaching "God". In plain, because a civilization became too advanced. The same goes for Egypt, Rome and elsewhere, and the same went for the National Socialist Germany. Too high standards of living, and the jewish parasitic policy and Soul, cannot get people into this, because its contrary to their hardwiring and existence. The jew is a slaver and produces pleasures only for the sake of further enslavement in the longterm, not so that people can have a good time or survive better.

This forces the jews to have a "higher standard of living" and this comes from White countries, where people bled for generations so that now people can eat meat everyday. The asking for higher standards of living, for any civilization that wants to advance, calls for the eradication and removal of the jewish pest and influence that keeps civilization behind. I recall one very old member of my family, told me that in WW2, they would eat meat twice a month, or once a month, and they were thankful for it. Meat was as rare as gold. Now people somehow don't appreciate this and they want to turn into the narrative on how useless it is. These people however, did appreciate it.

As for the USSR, I asked one person living there in the late 60's, and what they told me is that once a month, someone would kill one pig in a whole village, and everyone was making a party on how they could get one piece of the pig. Normally, people just ate whatever else. Let alone, when the USSR bloc fell in 1985, all these women had to become hookers in order just to survive. More profits for the jews who sold them around as "White Meat". This was due to illiteracy and due to the fact that this slave state was only closed and within itself. Most of these people couldn't write their own name properly in their own supposed "language".

Remember, slaves don't need luxuries, and they must always work for the jew- that's the jewish thought. In the Jewish Mind, Animals and Gentiles are in the same boat, and they deserve, by Divine mandate, nothing more than the roughest and most ugly treatment.

"Goyim were born only to serve us. Without that, they have no place in the world – only to serve the People of Israel."

"In Israel, death has no dominion over them... With gentiles, it will be like any person – they need to die, but [God] will give them longevity. Why? Imagine that one's donkey would die, they'd lose their money."

"This is his servant... That's why he gets a long life, to work well for this Jew."

"Why are gentiles needed? They will work, they will plow, they will reap. We will sit like an effendi and eat... That is why gentiles were created."

Subject: The Bible, Numbers, and Recent Shootings

This YouTube video I have linked below is about an hour long. Special thanks to High Priest Don for sending me this.

The Minnesota shooting, of which I watched the video, smacked of being a hoax. The sky is just too bright for this to have occurred at 21:00 (9 pm).

According to this, it should have been completely dark by 21:00 (9 pm):

<http://www.timeanddate.com/sun/usa/st-paul>

Also, here is the astronomical definition of "sunset time."

"The time of sunset is defined in astronomy as the moment when the trailing edge of the Sun's disk disappears below the horizon."

<https://en.m.wikipedia.org/wiki/Sunset%20%a0>

I also noted, as the guy who made the following video, the woman is way too calm and emotionless for that type of a incident.

The Jews know now that too many people are into them. What they do, with their control of the media and Hollywood experience, they create wars, as these are a major distraction for the populace and wars also create chaos.

The USA stands as the last bulwark of freedom. If the USA falls, then all freedom will be lost worldwide.

Right now, the Jews are pushing hard for gun control and a full blown race war, in which Marshall law would be declared and civil rights would no longer exist.

Now, the man who made this video makes his personal opinions blatant. He bashes the police, and makes a lot of other personally biased statements, BUT, his knowledge of Jewish gematria (numerology), is extremely informative. This is what runs the Bible and why the Bible has numbers. I already wrote about this in my article The Holy Bible: A Book of Jewish Witchcraft. Life as we know it is about time and numbers and who controls these, controls events and people's lives.

I also want to add, the Jews control Freemasonry. Freemasonry was at one time Satanic, but not anymore. There are articles about this on 666blacksun.com

As for his mentioning how police stations are often near Masonic lodges, is because they control the police at the upper levels, as they do the government, etc.

This video is close to an hour long, but is extremely informative. Just watch and take the information. He also proves at the end how the St. Paul shooting was a hoax and play acting.

For those of you who are new and/or still have hangups about Christianity, this gematria/numerology all ties in to the Bible and what it really is...A hoax of catastrophic proportions.

I strongly encourage everyone to watch this YouTube video:

Subject: Re: Why almost all gods are male ?			

That's not true. Some of the most powerful are Lilith (She will destroy communism and the enemy), Astaroth, Mastema, Maat, Nephthys, Sekhet, Seshat, Agares, Byleth, Bune, Crocell and many more.

In Ancient Paganism (Satanism), both men and women worked together.

Unlike the Judeo/Christian/Muslim excrement that in its fear and hatred of women, has nothing but male angels, a male "god" etc.

In the legends of our Gods and Goddesses, the females had every bit as much power as the males. Our Gods were never insecure or fearful about our Goddesses having power.

Also, never in our Pagan Pantheon, did our male Gods treat our Goddesses condescendingly, or as inferiors. They worked together.

In addition, they never covered their bodies in shame like those abominable Muslims.

It is glaringly obvious just how much the alien vermin that promotes and runs those foul programs that are ignorantly called "religions" fears anything human.

Soros is behind the Marxist, terrorist group "Black Lives Matter" which goal is to start a race war in America to bring about total destabilization, martial law and the end of America. And here he is TELLING YOU THATS THE GAME!

From the article:

Soros goes on to say that as the crisis in the Eurozone only worsens, the American financial system will continue to be hit hard. On the way to a full-blown collapse, he cautions, ***Americans should expect society to alter accordingly. Riots will hit the streets, says Soros, and as a result, "It will be an excuse for cracking down and using strong-arm tactics to maintain law and order, which, carried to an extreme, could bring about a repressive political system, a society where individual liberty is much more constrained, which would be a break with the tradition of the United States."***

<https://www.rt.com/usa/george-soros-class-war-619/>

Billionaire investor George Soros has a new prediction for America. While it might be as dire as it gets for the financial wiz, this bet concerns more than just the value of the buck. According to Soros, there's about to be an all-out class war.

Soros, 81, previously bet against the British pound in the early 90s and made \$1 billion off its collapse. In the years since, he's remained active in investing, but also in advocacy. He's helped keep Wikipedia afloat thanks to impressive contributions and through donations to the Tides Center, has indirectly funded Adbusters, the Canadian anti-capitalist magazine that put Occupy Wall Street on the map. Speaking to Newsweek recently, Soros neglected to acknowledge his past successes, but instead offered a word of warning: a period of "evil" is coming to the western world.

"I am not here to cheer you up. The situation is about as serious and difficult as I've experienced in my career," Soros tells Newsweek. "We are facing an extremely difficult time, comparable in many ways to the 1930s, the Great Depression. We are facing now a general retrenchment in the developed world, which threatens to put us in a decade of more stagnation, or worse. The best-

case scenario is a deflationary environment. The worst-case scenario is a collapse of the financial system.”

Soros goes on to compare the current state of the western world with what the Soviet Union was facing as communism crumbled. Although he would think that history would have taught the globe a thing or two about noticing trends, Soros says that, despite past events providing a perfect example of what is to come, the end of an empire seems imminent.

“The collapse of the Soviet system was a pretty extraordinary event, and we are currently experiencing something similar in the developed world, without fully realizing what’s happening,” adds Soros.

Soros goes on to say that as the crisis in the Eurozone only worsens, the American financial system will continue to be hit hard. On the way to a full-blown collapse, he cautions, Americans should expect society to alter accordingly. Riots will hit the streets, says Soros, and as a result, “It will be an excuse for cracking down and using strong-arm tactics to maintain law and order, which, carried to an extreme, could bring about a repressive political system, a society where individual liberty is much more constrained, which would be a break with the tradition of the United States.”

The recent adoption of the National Defense Authorization Act for Fiscal Year 2012 and the proposed Enemy Expatriation Act, if approved, have already very well paved the way for such a society. Under the NDAA, the US government is allowed to indefinitely detain and torture American citizens suspected of terror crimes without ever bringing them to trial. Should lawmakers Joe Lieberman (I-CT) and Charles Dent (R-PA) get their Enemy Expatriation Act through Congress, the US will also be able to simply revoke citizenship without trial, essentially removing constitutional rights from anyone deemed a threat.

Others have cautioned that, as inequality becomes more rampant in America, the country’s citizens are becoming increasingly agitated with those on the other side of the extreme. In a recent survey released by the Pew Research Center, 66 percent of the adults studied believe that either “very strong” or “strong” conflicts exist between America’s elite and the impoverished, a statistic that has skyrocketed in recent years. Between 2009 and 2011, the proportion of those that sense conflicts exist as such between the class groups grew by 19 percentage points. While less than half of Americans fearing a fight brewing at the dawn of the Obama administration, today two-out-of-three Americans feel that there is a strong conflict between both extremes of society.

Addressing the issue of inequality, Soros tells Newsweek that the main issue that will make or break a reelection for US President Barack Obama will be whether or not the rich end up being taxed more. Among the current frontrunners in the Republic Party’s race for the GOP nomination, wealth and taxes have been of the biggest concern of party rivals. The top candidates have made millions off of investments, and at a time of immense inequality, represent what 99 percent of Americans don’t. Taxing the rich to a bigger degree might finally bring a chance, and Soros says, “It shouldn’t be a difficult argument for Obama to make.”

Soros adds that if the US manages to make it through the troubled times to come, it could allow the nation to enter another golden era. “In the crisis period, the impossible becomes possible. The European Union could regain its luster. I’m hopeful that the United States, as a political entity, will pass a very severe test and actually strengthen the institution,” he tells Newsweek.

With almost seven percent of Americans living below half of the poverty line, four unemployed Americans for each job, a shrinking middle class and an increasingly overzealous police state, it could very well be a tough road to get there, though.

President Barack Obama has condemned the 'horrific terrorist attack' that has left at least 80 people dead and more than 50 injured after they were mowed down by a truck in Nice, France.

Obama said America's 'thoughts and prayers' were with the families of the victims, who were watching Bastille Day fireworks when they were killed on Thursday night.

'We stand in solidarity and partnership with France, our oldest ally, as they respond to and recover from this attack,' he said in the statement released by the White House.

At least 80 people have been killed after a truck ploughed through a large group of people in Nice, France during a suspected terrorist attack

Horrific images depicting men and women lying on the side of a road close to the Promenade des Anglais

The president said he has directed his administration to offer any assistance French officials may need to investigate the massacre.

'On this Bastille Day, we are reminded of the extraordinary resilience and democratic values that have made France an inspiration to the world,' Obama said at the end of his statement.

'And we know that the character of the French Republic will endure long after this devastating and tragic loss of life.'

The attack prompted Donald Trump to postpone the unveiling of his running mate, expected to be Indiana Governor Mike Pence.

'In light of the horrible attack in Nice, France, I have postponed tomorrow's news conference concerning my Vice Presidential announcement,' Trump tweeted on Thursday night.

Anti-terror police swooped in as Nice was put on lockdown and residents were warned to stay indoors for their safety, as French authorities revealed they were searching for a second suspect.

The large white truck plunged into the crowd at around 11pm Thursday night as hundreds of people were on Nice's beachfront Promenade des Anglais to watch the fireworks for France's national day.

Local deputy mayor Christian Estrosi said the truck ploughed 1.3 miles through the crowd.

Eyewitnesses said they could hear gunshots ringing out in the street after the truck driver then opened fire on hotels and cafes before police shot him dead.

Guns and grenades were later found inside his truck. Identity documents belonging to a 31-year-old French Tunisian were also found.

The recovered documents indicate that the man is a resident of Nice.

He was alleged said to have shouted 'Allahu Akbar' — God is greatest — before being shot dead by police.

Pro-ISIS groups have been celebrating the attack but as yet the terror group has not officially claimed responsibility.

French police riddled the truck with gunfire in an effort to kill the crazed driver, who opened fire after crashing into a crowd of people watching Bastille Day fireworks

One witness called Antoine said: 'We were at the Neptune beach and a firework display had just finished. That is when we saw a white lorry. It was going quickly at 60 kilometers (40 miles) an hour.'

Wassim Bouhlel, another eyewitness, said that he saw a truck drive into the crowd and then saw the man emerge with a gun and start shooting.

'There was carnage on the road,' Bouhlel said. 'Bodies everywhere.'

Anti-terrorist police have taken over the investigation into the attack, according to the French interior ministry.

France's ambassador to the United States, Gerard Araud, also called last night's incident a 'terrorist attack'.

Addressing a Bastille Day reception in Washington, Araud said: 'Our democracies - France, the United States, our other partners, we are besieged, we face a terrible threat.'

Stunned eyewitnesses prayed over the bodies of their friends and relatives who were killed in the massacre

The Paris prosecutor's office opened an investigation for 'murder, attempted murder in an organised group linked to a terrorist enterprise'

Interior Ministry spokesman Pierre-Henry Brandet said the gunman was killed by police and that authorities were continuing to investigate whether he acted alone or had accomplices who fled.

The Paris prosecutor's office opened an investigation for 'murder, attempted murder in an organised group linked to a terrorist enterprise'.

The probe is being handled by France's intelligence agency and judicial police.

Bodies could be seen lying on the floor by the beach, as the police and other emergency services tried to deal with mass panic.

British holidaymaker Esther Serwah, 59, was staying in a hotel a short walk from the scene.

She said she had been on her way to the Promenade des Anglais for dinner with her daughters when people started screaming at her.

Mrs Serwah, from Surrey, said: 'I was just walking to the Promenade and then I saw everybody running and I just didn't know what was going on.'

'People were screaming at me in French but I didn't understand. Some people were lying on the streets dead and people were running over the bodies.'

Fireworks were filling the night sky as the drama unfolded while a crowd of thousands enjoyed the country's biggest public holiday.

Regional newspaper Nice Matin quoted its own reporter at the scene saying there were many injured people and blood on the street.

It published a photograph of a damaged, long-distance delivery truck, which it said was 'riddled with bullets' and images of emergency services treating the injured.

Damien Allemand, the paper's correspondent, was quoted as saying: 'People are running. It's panic. He rode up onto the Prom and piled into the crowd.'

'There are people covered in blood. There must be many injured.'

The attack began just as the fireworks display ended as thousands of people were milling around the waterside.

'A fraction of a second later, an enormous white truck came along at a crazy speed, turning the wheel to mow down the maximum number of people,' Allemand said.

'I saw bodies flying like bowling pins along its route. Heard noises, cries that I will never forget.'

The area around the Promenade is full of hotels and restaurants, all currently packed at the height of the holiday season.

France is still under a State of Emergency following last year's attacks on Paris, when almost 150 people were murdered by ISIS and Al-Qaeda operatives.

Both groups are well known for driving vehicles into innocent people, prompting fears that tonight's incident could be linked to their activities.

Anti-terrorist police have taken over the investigation into the attack, according to the French interior ministry

Subject: This is Serious: 15/July/2016

Not too many people are aware of the danger we are in.

Another goddamned criminally insane Muslim murdered over 84 people and injured over 200.

Islam, which is a branch of the 3 TRULY EVIL Jewish programs, that ignorant fools call "religions" creates and breeds the absolute worst of criminal insanity.

Most of you here are familiar with Christianity. Christianity as we all know is absolutely rotten. Islam is 100 times worse. As I've stated before, there aren't even any words to describe the extent of the pure evil and hideousness of this foul odious rot beyond the imagination.

Christianity has done its job unfortunately in making its followers open to accepting Islam.

Europe has become a war zone of unimaginable savagery. The islamic scum is not civilized. If they gain enough power, civilization will cease to exist. Islamic countries like Yemen, and Afghanistan are in the Dark Ages.

The USA is also becoming more and more infested with the moslem plague. Once this criminally insane vermin get into the government (which they are working overtime trying to do), they will remove all freedoms and impose sharia law.

I know there are idiots who are completely oblivious to this and believe it won't happen here in the USA. If we don't work to stop this, it will. The Jew relies upon distraction. Create events such as war, sensational news stories, a race war... Anything to divert the attentions of the populace until it is too late. Hitler exposed the Jews and as much of Europe was catching on, the Jews started WW2 and it worked. They took control with this and hundreds of millions of Gentiles paid the price.

Here is an example of Sharia law. This excerpt was taken from the book "Cruel and Usual Punishment" by Nonie Darwish, pages 56-57:

"...the most shocking sexual privilege Sharia grants to men is that they are allowed to seek sexual gratification with children."

"A man can quench his sexual lusts with a child as young as a baby. However, he should not penetrate. Sodomizing the baby is halal (allowed by Sharia).

" It is not illegal for an adult male to 'thigh' or enjoy a young girl who is still in the age of weaning; meaning to place his penis between her thighs, and to kiss her."

"Mohammed was practicing thighing with Aisha at age six and consummated the marriage at age nine."

This is sick depraved savagery in the extreme. There have been certain idiots in the JoS groups over the years who have excrement for brains, who advocate "tolerance." They are way too ignorant and profoundly stupid to see reality. Idiots don't take this seriously.

I will have the last two RTRs later this month. Please check the groups, the forum and/or the main JoS website for updates. After this, we will begin working on rituals to destroy Islam.

I know there are many VIPs in the groups here. As should be, you are quiet. We all have to fight this most vile of plagues, which has already infested Europe, and is growing like a malignant and aggressive cancer in the USA and other parts of the world.

If you have political power, work to stop this. Those of you who are in the movie industry should do the same. We must all unite against this deadly plague to annihilate it from the face of this earth. If we don't fight, no one else will. If you are confused as to what action you should take, ask Satan. He will guide you and send Demons to help you. This is extremely serious.

Subject: Turkey: Head of the Islamic (((Caliphate)))			

<http://josministries.prophpb.com/topic15434.html>

The stupid liberals and many others, are standing in awe that Turkey had a coup forming exactly right now. Little has it dawned to them, that Turkey is the most major power in the Middle East, that silently promotes Jihadism and pushes the Immigrant Troops into Europe. All of this is staged.

<https://www.theguardian.com/world/live/> ... ire-ankara

Not only this, but it should be apparent "why" this happens. The Turkish "government" has a need for decisive measures right now. This typically happens in countries in times of severe problems, or in times where war is about to prepare. The enemy obviously wants to push their "Caliphate" further. The (((Caliphate))) is the will of the jews of the Middle East, and they are actively pushing of its creation. Part of this deal is the takeover of political positions, in Europe and elsewhere, by Pisslamics or Chaliphatans. This coincides and joins with the major agenda of the Jews, that of wiping out the White Race. The details aren't all that necessary, what is important is the whole Jewish Goal. The jews are trying to make an advance against the West, and this is becoming majorly obvious. Through internal opposition groups (Black Lives Matter), and other terrorist organizations and groups. The jews are behind everything and they are pushing their cards on fold, on the dumb Goyim.

Internally, the Gentiles in Europe are ruled by soft-core, stupid and degenerate (((leaders))) (most, but not all) that will just force matters to the end to further immigration, force all these Islamic hoards inside, and then, who knows, maybe even arm them. In Mosques and in many of these places, they were opened and found chock filled with guns. The average "poor immigrant" would rather ally with the Pisslamic Haliphate, than with the idiotic supposed "Europeans" or "Westerners". IN SIMPLE WORDS, in the belly of European countries are now nurtured the deadly immigrant hoards and the future of the Islamic Chaliphate Warriors. While wiping out the European people, depriving them of rights, jobs and anything else.

Little does that dawn to the "governments" of the otherwise, White Nations. However, as bombs after bombs, hits after hits, and terror will reign, people will have to finally understand this. On other other hand, the (((governments))) are entirely aware of the whole agenda. This is to cause the biggest and most massive genocide in White Europe. This is all systematic, and has only one brain. There is a common plan.

Why the terrorist organization, "Black Lives Matter" announced its allegiance with other Terrorist organizations worldwide?? The answer is by far, very simple. Like in Pisslam, "Blacks" and "Easterners" always make an alliance, which is mainly, over "color". The term "Racism" is just a term for White Genocide, and the banner under which the enemy pacifies Whites from replying or defending themselves justly, against this violence. Through the banner of "Racism" and "Muh Oppression", they connect the masses they want to connect, and march them against Whites, the

Whites being the original enemies of the Jews, the jews who torture the Blacks and others worldwide. This is especially easy because they own the governments of the world.

In this particular case, the situation is masked. However, this is instigated by the jews and the jews know what they are doing. Shaken as they are, from all that is happening, they are however moving on with their plan. The jew has placed their bet on the East (Pisslam), and on Race War, then attempt of Communization if Pisslamism fails. They know they will lose Europe, maybe a bit too early, too late, or just in time. In the meantime, they march their hoards to attack America which is, the only world power that can really stop the Pisslamic Chaliphate. As for Russia, Jewcy Putin will get a phone call from a Rabbi, and he will sit on his own eggs, or just do as he's told. According to jewish prophecy on the matter, "Russia and Turkey will go to war". This is supposed to trigger WW3, and then, Communism follows.

They are however calculating the situation without the Satanic intervention that will take place...

View on josministries.proph... Preview by Yahoo

As its well known, the Turkey of Erdogan is the biggest dealer of Rapefugees and the major proxy from which the troops of the (((Caliphate))) enter the European Soil. Of course, all this is under the policy of the "Islamist" Tayyip Erdogan. The close connection between the Radical Pisslamics, the other sultans, and at the same time the talks and rumors about "turkey entering the EU" should all be self evident. Two sided game with the same purpose. One way or the other, the aim is the wiping of Europe, the West and the general furthering of the jewish agenda, part of which is Islamic Conquest (For now, because later, full blown Communism will crown the jewish effort). Islamism is nothing but the jewish Agenda of Islam (Branch of Judaism) to be enforced in the "Eastern" countries.

Tayyip is a jew that wanted to make Turkey a Caliphate for the Jews, and make himself Sultan over it.

Erdogan is a Crypto, that recently met with his Kabbalist Friends from Pissrael, on what it should do. Of course, like Jewcy Putin and all others, they try to make them seem as "Anti-Zionists" and "Anti-Semetic". Oy Vey. Where is the difference between "Islamist" and "Jewish". Erdogan is just a jewish puppet, put on the Turkey populace to radicalize it and make it into just another (((ISIS))) state. He has been doing so for years, by undermining the laws and anything else. He is a well known supporter of the terror regimes of the jews, and probably, a crypto jew himself.

As about the story of this guy...His connection with the (((terrorist))) organizations that destabilize the Middle East, are well known:

<https://www.theguardian.com/world/2016/...-in-turkey>

"Information was sketchy but Recep Tayyip Erdoğan has alarmed many with his staunchly Islamist and increasingly authoritarian views, especially in the military, which has traditionally seen itself as a guardian of the country's secular heritage, embodied by Kemal Atatürk, the founder of the modern republic. The president's rhetoric has polarised the country and inflamed ethnic and sectarian tensions.

Erdoğan's involvement in the Syrian crisis – opposing the president, Bashar al-Assad, and backing Islamist groups fighting to overthrow him – has created the opposite of the old aspiration of "zero problems" with the neighbours. The resumption of conflict with the PKK after a two-year ceasefire complicated matters even further.

In recent weeks, however, he has moved to mend fences with both Russia and Israel following years of estrangement over the killing of activists on the "peace flotilla" sent to deliver aid to the blockaded Gaza Strip."

Erdogan is just a crypto, serving his jewish friends, with the facade of the Islamist, while infact, he and all his (((team))) does know where this whole thing accounts to, He is (((bureacracy))) incarnate, like all other ticks the jews place to rule slavishly over Nations. Turkey, like all other countries, has to face the same Jewish problem.

Its part of the presecution complex of the kikes, and a major stepping stone on promoting false saviors, like Trumpey and the list goes, Jews that will save Gentiles from Jews, like Jewsus Krayst. The pattern is always the same. This way the Goyim will be pre-occupied with couch saviors until the end of time, and they will never act to solve anything in the end:

In his 2007 bestseller book, The Children of Moses, quirky Turkish writer Ergun Poyraz claimed that then Prime Minister [now President] Recep Tayyip Erdogan was a crypto-Jew. [i]The book's cover depicted Erdogan and his wife in a Star of David, and portrayed Erdogan as a secret agent of "international Jewry." [...]

Jokes aside, this guy just went to his (((cousins))) and probably related he was faced with serious problems. Many people in Turkey don't like them, and the same goes for many others who disagree with his radicalization. Erdogan is not a loved leader, so he needed advice on how to turn the matter around. Apparently, his (((Cousins))) replied.

Dirty Deals: What Was the Agenda Behind Turkey's Erdogan Meeting American Jewish Leaders?

Needless to say, the Jewish leaders showed little discretion in holding such a high-level meeting just as the Turkish leader was being grilled for the authoritarian steps his government is taking. There is no doubt that Jewish organizations have serious issues to bring up with the Turkish government, which until recently openly sanctioned anti-Semitism. However, didn't they talk about

these issues just a month ago? Was another meeting that critical?

True, since the first meeting an Israeli tourist group was the subject of an ISIS attack in Istanbul and there are reports that Istanbul's Jewish community was being specifically targeted by ISIS. However, it is highly unlikely that these American Jewish organizations can contribute much to this conversation. And if the meeting was designed to help smooth the path toward Israeli-Turkish reconciliation – does Israel really need their help in reaching an agreement with Turkey?

More on this "meeting":

"Turkish President Recep Tayyip Erdogan met with Jewish leaders in Washington reportedly to smooth ties as Turkey and Israel seek to reconcile.

Jewish groups in attendance included the Anti-Defamation League, the American Israel Public Affairs Committee, B'nai B'rith International, the Jewish Community Relations Council of Greater Washington and the Conference of Presidents of Major American Jewish Organizations.

"Erdogan and the guests reiterated their willingness to strengthen cooperation and communication despite differences," said a report Wednesday in Turkey's Daily Sabah newspaper, citing "presidential sources."

Apparently, Crypto Tayyip is throwing off the veil and going straight with his cousins and openly. Oy vey, how did that happen?

*Only six years after the publication of The Children of Moses, Erdogan, along with Iran's supreme leader, Ayatollah Khamenei, and UN official Richard Falk, was on top of the Simon Wiesenthal Center's annual list of the top 10 anti-Semitic and anti-Israel slurs. **If one asked Poyraz, he would most likely explain Erdogan's deep anti-Semitism with another conspiracy theory: his public anti-Semitism is a perfect "disguise" for him to serve the Jews.***

<http://www.haaretz.com/opinion/1.712805>

Tayyip Erdogan has been an avid supporter of (((ISIS))), while at the same time tries to play tabs on the (((taken over))) West. Why? Because this is one and the same. He has to play that role. On one, he has to control the (((Islamic outrage))), on the other, he has to promote the (((EU agenda))) even if just indirectly or pretending "support". Both of which push the greater agenda. The Jewish Governments of the West funded and created ISIS, in order to have the nessescary excuses for intervention into the Middle East, to help the jews create their greater Israel. This is so jewish that it's not even hiding itself anymore. Jews create the "Dangers" on themselves, and also the dummies, then lastly, the smoke and mirrors. What's important is that Gentiles die for their wars, they remain strong, undisputed and as secret as possible (not anymore) unless its too late for them to be stopped.

As for the "Coup" (or the Jewish Kabal magick fairydust)...

The fairly obvious to people who know of the Jewish Kabbalism, is the numbers used.

First, on the first report of the victims, they used the "42 Victims".

[http://www.thehindu.com/news/internatio ... 856482.ece](http://www.thehindu.com/news/internatio...856482.ece)

Shortly after, this became "60".

[https://www.rt.com/news/351472-turkish- ... asualties/](https://www.rt.com/news/351472-turkish-...asualties/)

Oy Vey, what a coincidence.

The jews of course, are entirely behind and into this story. What is exactly going on will soon be known, however.

The Kill Switch

"An Internet kill switch is the cybercrime and countermeasures concept of activating a single shut off mechanism for all Internet traffic. The theory behind a kill switch is creation of a single point of control for one authority or another to control in order to 'shut down the internet to protect it' from unspecified assailants; however, many on social media have criticized this, fearing that it may be used to restrict Internet users' freedom of speech."

One thing the coup in Turkey has shown is the fact the government in Turkey was able to shut down all online social media within the country, literally they pulled the switch on the net there. Once MARTIAL LAW WAS DECLARED.....

The Jewish Elites have openly declared their plans to start a race war in America to get martial law declared.....

[topic15404.html](#)

"Soros goes on to say that as the crisis in the Eurozone only worsens, the American financial system will continue to be hit hard. On the way to a full-blown collapse, he cautions, Americans should expect society to alter accordingly. Riots will hit the streets, says Soros, and as a result, "It will be an excuse for cracking down and using strong-arm tactics to maintain law and order, which, carried to an extreme, could bring about a repressive political system, a society where individual liberty is much more constrained, which would be a break with the tradition of the United States."

Once Martial Law arrives in America, guess what say good bye to the Internet. All freedom of communications and speech will be over. It will be all shut down for good.

The Jews have put this into motion in America:

The Supreme Court has refused to hear a petition concerning the Department of Homeland Security's secretive internet and cellphone killswitch program.

<http://theantimedia.org/the-us-governme...-business/>

(ANTIMEDIA) United States — On Monday the Supreme Court declined to hear a petition from the Electronic Privacy Information Center (EPIC) that sought to force the Department of Homeland Security to release details of a secret "killswitch" protocol to shut down cellphone and internet service during emergencies.

EPIC has been fighting since 2011 to release the details of the program, which is known as Standard Operating Procedure 303. EPIC writes, "On March 9, 2006, the National Communications System ('NCS') approved SOP 303, however it was never released to the public. This secret document codifies a 'shutdown and restoration process for use by commercial and private wireless networks during national crisis.'"

EPIC continues, "In a 2006-2007 Report, the President's National Security Telecommunications Advisory Committee ('NSTAC') indicated that SOP 303 would be implemented under the coordination of the National Coordinating Center ('NCC') of the NSTAC, while the decision to shut down service would be made by state Homeland Security Advisors or individuals at DHS. The report indicates that NCC will determine if a shutdown is necessary based on a 'series of questions.'"

Despite EPIC's defeat at the hands of the Supreme Court, the four-year court battle yielded a heavily redacted copy of Standard Operating Procedure 303.

The fight for transparency regarding SOP 303 began shortly after a Bay Area Rapid Transit ("BART") officer in San Francisco shot and killed a homeless man named Charles Hill on July 3, 2011. The shooting sparked massive protests against BART throughout July and August 2011. During one of these protests, BART officials cut off cell phone service inside four transit stations for three hours. This kept anyone on the station platform from sending or receiving phone calls, messages, or other data.

In July 2012, EPIC submitted a Freedom of Information Act (FOIA) request to the DHS seeking the full text of Standard Operating Procedure 303; the full text of the predetermined "series of questions" that determines if a shutdown is necessary; and any executing protocols related to the implementation of Standard Operating Procedure 303, distributed to DHS, other federal agencies, or private companies.

After the DHS fought the FOIA releases, a district court in Washington, D.C. ruled in EPIC's favor, but that ruling was later overturned by the court of appeals. The appeals court told EPIC the government was free to withhold details of the plan under the Freedom of Information Act because the information might "endanger" the public. In 2015, the digital rights group asked the Supreme Court to review the ruling by the federal appeals court.

With the Supreme Court's refusal to address EPIC's petition, the issue seems to have reached a dead-end. The American people are (once again) left in the dark regarding the inner-workings of another dangerous and intrusive government program. It is only through the hard work of activists and groups like EPIC that we are at least aware of the existence of this program — but knowing bits and pieces about the protocol is not enough. In order to combat such heavy-handed measures, we need to have access to the government's own documents. Hopefully, there is already a whistleblower preparing to release these details.

What we do with the information we do have is up to each of us as individuals. We can sit back and watch the United States further devolve into a militarized police and surveillance state — or we can spread this information, get involved locally, and create new systems outside of the current paradigm of control and exploitation.

Subject: Turkey Coup			

Turkey Coup

This is from my reply on the subject on the forum.....

From investigating the coup, and going back to the history of the Turkish Republic, it seems the coup was between two factions, Gulen who is in exile and might be Jewish Washington's new puppet. And Erdogan, who could have been slowly pulling out of supporting the agenda in Syria. This coup might have been launched out of Washington and planned a year or two before. As Erdogan has gone off the leash it seems or has become difficult. The coup seems to have failed. If Turkey pulled out the entire agenda in Syria will fall and the ISIS and other groups will fold. From Assad's statements in a matter of weeks.

It seems the jews might have really over estimated. The fact the thing lasted three hours, fell apart and this has made Erdogan more powerful then before. As it has allowed him to eliminate the remaining opposition from inside the establishment. And probably pushed him further against the Jewish plans as he is ever egotistical and views himself as Sultan, he has shouted down Obama and others before, maybe he is fed up with being bossed around. And after trying to take him out. He will give them the finger totally.

If Erdogan is part jew, this also represents a break and infighting between the Jewish elites that is wrecking their power holds. As Erdogan's ideal for Turkey goes against what the front Jew who founded the Turkish Republic stated. Kemal's extreme secularism was a move to dismantle the Imperial feelings of the now dismantled Ottman Empire, to stop a revival of such. Which at the time was needed for Israel's assured creation. The Gulen faction in the Army wants to maintain the Kemalist, secular ideology. And resent Erdogans Islamist direction. This caused them it seems to launch the coup within Turkey working with bigger elites outside. However Erdogan's purging of the Gulen-Kemalist's faction out of the Army leadership when he came into power. Weakened them it seems, enough so they lost.

Now if Erdogan is not Jewish as its also been rumored.... From what I have studied from the situation, this represents a move away from the Jewish control in Turkey and a Gentile claim to regain power within the Turkish government. Or if he is jewish it still represents a weakening of jewish power as the factions eliminated are of Doenmeh blood its been reported by those in the know. Meaning they are destroying each other for power.

So our current RTR is massive at work.

The leader of the coup in Turkey the former Air Force General, is a well known life long Mossad asset. And had openly worked with the Israel Military in the past. Gulen is a known CIA asset for Turkey and this coup was planned in advance by the CIA and Mossad.

The people who own the CIA are the Rockefeller's and Rothschild's at the top which is why Bush senior was the director of the CIA his family came to fame running cover operations off jewish Wallstreet for the Rothschild's acting as the front for sending Rothschild money to the jewish Bolsheviks in Russia. The CIA at the top is the praetorian guard for the Jewish elites. Just like how the NSA is run out of Israel.

This coup should have worked but didn't. This is due to how the RTR have changed things.

Subject: Note on the Upcoming RTR Rituals			

<http://josministries.prophbb.com/post76960.html>

Greetings to all our Satanic People and Comrades.

This has to be written now, as to avoid much "clutter" when the RTR's will arrive.

What's important to be stated, is that NO MATTER the new Rituals, we *ALWAYS* have to go over, and repeat and re-do the old ones. None must ever be quitted or left alone, as the enemy attacks all these frontiers we have covered (Such as Communications, or forcing the people to be docile and not revolt, etc). The Rituals will need to be done, however, we will have to go back and re-do the other ones. The last Ritual we did, plus the others, all these have wrecked the enemy really bad. This is also manifesting physically. The enemy knows this, and they are terrified, especially on the higher levels. Of course, no word for this is "coming down" just yet, but this can be seen on its own.

Our RTR's have to never, ever be stopped, or be replaced with prior workings. These had their time, now, we are doing the RTR's. We have to prioritize, put on program (This will happen down the road again as many of us benefit from this, I will do this down the road again) and we will make them suffer.

Now for people who get some "negative" energy from the RTR's, what you can do, is that after or prior to doing an RTR, do the one of : "Those Who Bless Israel Are Cursed, Those who Curse Israel are blessed". This on its own will make your RTR's a literal blessing for you, while it doubles the pain for the enemy. Make sure to keep your energies high, maintain a strong Aura of Protection, and do these daily. Work daily done, is very strong. One can do big amounts of reps, but daily work with an amount of reps that makes it possible to be done daily, delivers damage everyday. Daily damage, is daily downfall.

They must not be given any time to recover. The enemy's magick is by definition different and this has to do with the jewish Soul, which thrives in parasitism, enslaving entities, using others and the list goes. The Gentile Soul is not limited to this kind of parasitic magick, and therefore we have its power. Systematically attacking the enemy, non stop, like a battering ram- this will guarantee our freedoms, and our positive and non-bloody transition to the next Age of Satan, which is the Aquarian Age.

Also, the more power Satan's side gains, the better the lives of all Satanists will become. The more you do for Satan, the more he will do for you. The Powers of Hell offer protection, help and assistance, let alone they are closeby to help everyone spiritually advance, guard our groups, and the list goes. Satan and the Gods themselves work overtime, all the time, to destroy the enemy. Its only sensible if one calls themselves a Satanist, to do something for Satan everyday. IMO, one must do everything they can for Satan everyday. Failure sometimes doesn't matter. All that matters is that this is the aim and that you approach this.

The gaze, attention and force must be focused on two places to guarantee our success. One is the unending spiritual offensive (and advancement of our side) and the other is physical work for Satan and promotion of *HIS* interests and Agenda. As I told you before, this will create better and more favorable conditions for all Satanists, and all people on the planet. The less the power of the slaver enemy, the more the good for the world.

In a final note, the enemy is of course pushing us as well. They are not stupid, and with all they have done, they will not sit idly and receive judgement. They will invent new types of lying, new types of misdirection, and possibly, more panic attacks on Humanity etc. The rule of thumb is simple: Never-Trust-A-Jew. This is to be expected, but the more our RTR's push, the less they will be able to do. The jews will lie in ways that may confuse the most intelligent of people. The key is to Never-Trust-A-Jew. Or the jewish bible, or their crap for that liking. The jewish opinion is not meant to be universal mandate, because some psychotic yids said so.

Lastly, we follow orders in regards to the RTR's and everything else. These are strictly in accordance to Lilith's guidance and help. As HPS Maxine said, Lilith will destroy the enemy and Communism, and this has been well known to the enemy. This has been "prophesized" and the enemy Rabbis and everyone else knows this too, but they tried to "prevent this" by ushering the spiritual powers of the deceived populace, outright violence, murder, crimes etc. They have lied, as with everything else, but they always knew that they were playing with fire and this is also documented in their own texts. The jews are really aware of what is coming on for them, especially after all they have done. Eradication of proof, lies, further deception, and anything else is to be expected.

All people can see for sure...Humanity is getting really, really fed up...

They used to laugh about it, but the more we go, the more Gentiles will be the one's laughing.

When you see the massive Awakening of people, and how people rise up and fight for a better tomorrow, be proud, push harder, smile and know...:

HAIL SATAN!!!!!!!

HAIL LILITH!!!

HEIL HITLER!!!

HAIL TO ALL OUR PEOPLE AND WARRIORS IN SATAN!!!

(Yes, I put the pictures together, had to add a necessary addition...)

Here Silverstein admits prior knowledge of 911:

<https://www.youtube.com/watch?v=dOSObJDs67Y>

They already were designing the new plans for the new WTC to be built after 911, in April of 2000.

"Pull it" is the term that is used in controlled demolition companies for controlled demolition of buildings. Which Silverstein also works with such companies and knew what the term he used meant.

No plane even came close to Tower 7 on 911. Yet it collapsed the exact same way the Twin Towers came down. And the Jewish owner of the WTC, Silverstein admits HE TOLD THEM TO BLOW [pull it] TOWER 7.

The Twin Towers came down by controlled demotion, just like Larry admits Tower 7 was controlled demolition.

Subject: Mossad Involvement In Munich And Nice			

Mossad Involvement In Munich And Nice

My note just like 911, the Subway and Bus bombing's in Britain and on. Mossad, the hand of the Globalist Jewish Elites. Has its involvement in what might be total false flag attacks run by the Mossad in Nice and Munich.

The Jews are pushing things toward a dictatorship of permanent martial law in France by total destabilization of France, this is the plan all across Europe and in America with Jewish Elites like Soros admitting creation of a race war for the same purpose. Total chaos is the normal weapon of the Jew out of which they use to create their agenda of a Jewish dictatorship.

The Jews will use this permanent dictatorship to shut down all remaining freedoms in Europe, ban all Political Parties, media and movements they don't like along with arrests and disappearing dissents. Along with bringing in the Orwellian surveillance state technology they have developed and ready to use.

And with this the Jews will keep open the gates to Europe from the third world till nothing is left. Which was the purpose of the Jewish run and built EU from the start. This ending of Europe is part of the creation of a Jewish Global Dictatorship they already tried to create with Communism.

The reason the Jews are jumping so fast into this now. Is they see the writing on the wall. The Nationalist's in Europe are rising due to their increased invasion from the third world and they need to have a dictatorship now on the ground to stamp out all European resistance. Its no mistake the

Nice attack happened around the same time the special police in Germany were arresting dozens of German Nationalists.

Martial law is not about the Muslim, the Jews are the ones who brought them in, they are the weapon and distraction for the big move. It's about shutting down the European reaction to the finalization of White Genocide and Jewish World Government.

The Nice Terror Attack: Towards a Permanent State of Emergency?

<http://www.globalresearch.ca/the-nice-terror-attack-towards-a-permanent-state-of-emergency/5536046>

The death toll from the Nice attacks on the 14th of July, 2016 is rising.

Latest reports suggest 84 deaths and possibly one hundred more injured. There have been reports of gunfire and the driver of the truck which drove into the crowd near the beach in Nice is reported to have been shot dead.

Once again (as with the Charlie Hebdo and Bataclan attacks) there is no-one to stand trial and truthfully answer the questions that need to be asked – who and why?

At this point, there is not much that can be verified about the attack.

One cannot exclude the possibility that it may have simply been the action of an insane individual. Atrocities of that type are rare but have happened in the past. But there is, however, the strong suggestion and indeed likelihood that this atrocity is a terrorist attack by 'Islamists'. So, what does all this mean?

French domestic intelligence (DGSI) chief Patrick Calvar warned on the 26th of June 2016 that an 'Islamist' attack on French children would be the trigger for a civil war. He said France was currently on the brink of that civil war. Calvar also predicted that ISIS (Da'esh) would use trucks as weapons. It is not unusual in the never-ending war on terror to hear accurate predictions by intelligence officials before attacks, with the same officials seemingly powerless to prevent them.

This 'uncanny coincidence' could be the defining event of our time.

French Prime Minister, Manuel Valls is on record stating that the state of emergency in France would be permanent.

There has been increasing pressure on the Hollande regime in France to change course in the Middle East. Attempts to reconcile with Russia and lift the sanctions have been blocked by Hollande and Valls.

I believe this is the trigger for a civil war French intelligence warned us about. The question is whether the war will become high intensity or continue on a relatively low-intensity trajectory. There have been police 'whistleblowers' in France who have warned of huge caches of arms in major cities, capable of arming hundreds of thousands of men. However, one must be cautious in referring to such 'whistleblowers' as they have proven to be highly unreliable and may be spreading disinformation.

In any case, the public's belief that we are in a 'state of war' and that all military interventions abroad are therefore necessary will be enough to make citizens look to the state for protection – an oligarchic state which is currently pursuing a brutal class war against workers.

As 90 percent or more of intelligence operations today involve media disinformation, we cannot

possibly assume that any of the reports we are hearing are accurate. However, it is hard to see how a psyop could have been carried out in the Promenade des Anglais which is so central in Nice. What we can say for sure is that the attack serves the two constants of the war on terror dialectic. The narrative would read as follows:

1. Make the state of emergency permanent, empowering the oligarchic state and further demoralising citizens by dividing the working class along religious and racial lines. This is part of NATO's 'strategy of tension' in accordance with the longstanding intelligence operation Gladio. Citizens must turn to the anti-social state for 'security', thus precluding social revolt.
2. Justify an all out attack on Syria to finish the job of destroying Arab civilisation, in accordance with US-NATO-Israel geopolitical interests. Only the willfully ignorant could possibly believe that ISIS is an enemy of France when the French have never had better relations with the country which openly backs them – Saudi Arabia. The intelligence reports, declassified documents and admissions of the highest officials of the French and American governments all confirm that ISIS is Israel's Arab legion

Both those two above-mentioned goals serve the interests of US-NATO-Israel and until the French people liberate themselves from its yoke, Zionism will continue to poison the minds of men, making them consent to policies that no honest and compassionate human being would countenance.

An awakening of working-class militancy is occurring but the labour movement in France remains divided and led by social-democratic reformists. Now, more than ever, seeing the link between terrorism and class war is essential if any political and social change is to occur. In an era of high-finance treason, oligarchy, austerity, and the triumph of avarice, terror increasingly becomes a feature of the normal rather than an exceptional exercise of state power.

To quote Mossad agent Richard Gutjahr this video is like something "out of a bad movie" Gutjahr is married to Einat Wilf. Richard Gutjahr who filmed the Nice France Bastille Day Staged attack is married to Mossad agent and Knesset member Einat Wilf.

Wilf is a member of Ehud Barak's breakaway HaAtzma'ut or Independence Faction in the 18th Knesset. She served as a lieutenant with the IDF's 'Shmoneh Ma'atayim' or Unit 8-200 in signals intelligence and decryption, holds a BA in Government and Fine Arts from Harvard University an MBA from SEAD in France and a PhD in Political Science from Cambridge University. She was a foreign policy adviser to Vice Prime Minister Shimon Peres. She replaced MK Ophir Pines-Paz as the 13th member of the Labor faction of 2009. MK Wilf has found herself at the center of controversy over Ehud Barak's recent decision to break from the Labor Party.

<https://www.youtube.com/watch?v=0gNAnqLTK0>

Munich reporter Richard Gutfahr was the cameraman who filmed the now iconic footage of a Truck just before hitting a crowd in Nice. He just happened to be on a Westminster Hotel balcony at 10:30 PM and thought it was a good idea to film a truck driving past.

Less than a week later he is back home in Munich and just happens to be at the Munich McDonalds Shooting.

I VERY MUCH DOUBT HE TOOK ANY FOOTAGE IN MUNICH AS OTHER CHANNELS ARE STATING.

Whether he took the footage or not it would be the greatest coincidence that he would be right at both scenes 6 days apart in different countries.

One can only assume he knew beforehand what was to happen in both instances.

Subject: New Lies & Old Jews - "Futuristic" Civilization Wreckers			

[New Lies & Old Jews - "Futuristic" Civilization Wreckers : JoyofSatan666](#)

Greetings to all our Satanic People and Comrades.

When one goes into the essence of the jew and penetrates into it, they can see what is "modern" is not modern at all. The same includes for their lies. In the universe, there is the principle of multiplication. As power increases, all the more does it increase, the same goes for Wealth, misery, and affliction, whatever else. This can be paralleled to a domino effect. Repetition is in many ways part of this circle. In very plain and simple language, not only "like attracts like" in some ways, but "like attracts multiplied like" in this case. The jew always lied and they lied big, and now they just lie even more. What is to come, is even more lies. As time goes, more and more, and more lies will follow. Truth cannot by definition be a multitude of lies.

People in these days, thanks to the jews who have made everyone unspiritual, are easily amazed, afraid, duped etc. Life has become either boring and a mundane task of paranoid anxiety (Colorless West), a bongoloid hallucinogenic sleep with drugs (LSD Colorful West), illusions or whatnot, or like a slaver islamic or impoverishment battlefield such as in the "East". The enemy is somehow trying to process into the mind of people, whom they consider animals (Goyim in Hebrew), that things nowadays are somehow so much better, and that civilization is very advanced. Their lies go as far, that if Humanity accepts the jew and their "globalization", all problems will magically disappear with a wand for everyone. Equality, fraternity and the rest of that stuff. However, the more the jews gain power, the more the opposite happens- as it always did. Humanity is not becoming more fruitful, but more frail. Reality is not becoming better, but faker. The list goes.

Of course, all others do, make, envision and create the advances with which the jews are trying to

push their Jew World Order Agenda. The jews just adjust them to their "Torah" and destroy their innate meaning, turning them into the polar opposite and reverse. That's something that is ancient, and has been happening since forever.

While everyone else dies and perishes in delusions, paranoia, a meaningless existence, crappy socially destructive ideas, the jews stay as close as possible to nature and what they know of it. The "Goyim", according to the jews, are defined by having the consciousness of an animal. This includes all non-jews. The jews are the ones causing this, and they live by that rule.

The jew creates the people like this, based on what they see and believe humanity is supposed to be.

So, "Naturally" for the jews, a "Goyim" is supposed to be played with a carrot, or with a stick, be afraid all the time like an unknowing animal, be exploited their whole life, and then killed for its meat. The jews actually feast on human beings...And see beings as literal cattle...

The jews want to present depravity such as any other product. "New, Revolutionary, Will Change your Life" etc. For instance, one takes Race Mixing. Race mixing is nothing new existentially. It has happened for thousands of years, and it has weeded out many civilizations. Nothing "new" or "taboo" in it, or "recent". Its just the same old, boring garbage, that existed for thousands upon thousands of years. Globalization is also, nothing recent. The Ancient Empires practiced something similar, and one just needs to see how huge they were in order to understand this. The jews however, do adjust these ideas to fill in for their Agenda and benefit from them, with all the new provided means that come from their times, plus all other powers and new things involved in Humanity's forward-going.

In this world, people are intensively unaware of a lot of things. This includes emotion, how it is to live a spiritual life, how it is to live in a good country, the list goes. As thus, the standards of the "Goyim" are really low. Most people have very low standards, and the jews make sure these are lowered by the day. In the same way, the jews create intensively fake and unrealistic standards, which are not "standards", but excuses for inaction, justifications of weakness and the list goes. The jew is unaffected by these programming they put into the Goyim's minds, and they proceed just with what is natural, such as work, labor, repetition and the list goes- things that pay off, spiritually or materially. The jew's work and labor is intensive parasitism. The same goes for all their intellectual pursuits and everything else.

When people are self-hating, animal behaving, historically unaware "Goyim" as the enemy intends them to be, they are blind, easily controllable, frail, weak and without many expectations, neither a past nor a future. The destruction of racial, national and cultural identities, is also, nothing new. This is tens of thousands of years, century old, warfare tactic. Not only this damages the people, but this damages their Race, their Soul, their Nation and everything else. This gives fertile grounds for the jews to do their work.

The jew is a civilization destroyer. All civilizations have drastically deteriorated from the jews in a level of low sense materialism, or fake spirituality. What is common in this "seemingly" antithetic thing, is that both things are lies and worthless and equally useful to the jews. Both "otherworldly spiritualism" and "incessant materialism". However, since people have nothing anymore, not even their own Souls, they don't make "demands" anyway, neither they will figure it out (and so the jews hope). Something however keeps "nagging" them all the time. "Its just how life is supposed to be", said the jews. "It always was like this", said the jews.

The "Goyim" who have accepted the jews as the ultimate source of "ruling", bow their little heads and get on with their way. Too afraid to lose their meaningless, bizarre, mundane survival "life". Others however persist into a chasing of Truth or at least, to discover "What" is this thing that nags

them. Then people naturally become "Satan's", in that they are revolting consciously or not against the Jewish order. Whatever opposes this order, from the mouth of the Jews themselves, is by definition OF SATAN. This way, people end up here.

If one gets to observe civilization or its notion beyond the space time continuum of our "present" lifetime, they will see other values and other things unfolding. Values and anything we have today, "art" and anything else, will quickly reek as inferior, because in many ways, it *IS* inferior. A lot of people have lost the sense of what is really "superior" or "inferior", thanks to the Jew, the masters of lies and illusions. One just needs to look at Egypt, and then look at some disgusting "feces on a canvas" by a Jew, to understand this.

The same goes for the Jewish terrible singers, "Artists", "Academics" and everyone else. The Jews are masters of subculture of the lowest grade. These people are chock filled with "autotune", "feces on a canvas", fake surveys done in Tel Aviv and promoted as legitimate "science", and assisted by all sorts of machines, because they simply cannot do anything concrete. Yet, because the "Goyim" who can do better, in their self-limiting behavior of accepting the Jew and their remarks on how "Worthless" they are, they self-limit themselves into being lesser elements in many ways. So the talentless, idiotic, lowest grade Jew can reign supreme.

Nowadays civilizations are built on entirely stupid values. The Jews try to pass ancient problematic that were known to be of decay, which were always known as being the crap and excrement of existence, as "new and good". Part of this is Race mixing. Even the Egyptians in the Pyramid texts, warn against this, as the "Essence of the Creator God Tem" deteriorates as people Race Mix, and people lose the "Eye of Ra"- the pineal gland deteriorates. The pineal gland is responsible for astral sight, insight, maturity of the mind and soul, creativity, imagination, and finally the Godhead. The same goes for living overly physically (which causes Race Mixing in the first place), people accept life in an imbalanced materialism, without spirituality. Since the visualization skills, or the Soul, are not activated and needed, this deteriorates the Soul and the being and according to the laws of evolution, the gifts given for higher understanding are lost forever. When one loses this capability, then, they are easily controlled and enslaved. This in a nutshell is in the category of general stupefaction of the masses.

The Jews just need "Goyim" around to execute menial tasks for them and nothing more. This is the essence of what is politically called "Communism", but is a very ancient practice of the Jewish mind and psych (read the Torah and the Talmud)- base existence for everyone else, "God World" for the Jews. This is the formula of the Jew World Order. Another overly placed value is "money". Money is good and great in itself, however, in today's overrated world, nobody even gives a damn about anything else but "money". This creates a civilization that is in accordance to the materialist Jew, and the lackeys who want to profit from this to hide their inner inferiority. In this way, the useful people are in the bottom, while the worthless kikes are in the top, merely because of their ability to do usury, steal and parasitize. The same goes for lying in history, as the Jews re-write history to make everything seem that it "always was that way". It wasn't that way, and there is documented evidence in all Ancient Civilizations.

The enemy is perverting and lowering the standards of living of people all the time. This is gradually done by lowering wage, hoarding people in debt, and the list goes. That way, people welcome always the "lesser of the two evils" when they are faced with a choice. This is obvious in politics and everywhere else.

Now, the same goes with technology.

People consider amazing a cellphone, or "Virtual Reality", or whatever else. It may be, for this totally materialist civilization that beings live nowadays. If people knew about telepathic communication, astral travel, and the list goes, they wouldn't be so amazed. However, in a materialistic society the Jews beat the drum on the unspiritual "goyim", and they instantly fall for it. No wonder, technology is a gift from the Gods (partially), is here to serve us, which the enemy

desecrates in order to suit their agenda. For instance, little people penetrate into the inner notion of things. A cellphone tracks you down. Why does it even have this ability? People nowadays make big deals out of nonsense, such as a Jew sitting on a cloud or something. Did it ever dawn to you that a Cellphone is not really "yours", in that it always belongs to the company from which you buy it? And Google and everyone else? However, if people developed these powers in themselves, or the powers of the spirit, they would really be **THEIRS** and nobody else's, let alone any Jew's.

As I have said tens of times, the Tech is not the problem and in itself can be a blessing or a curse. I tried this "VR" thing myself, and saw not any substance to it. It could also be used for constructive purposes. It wasn't amazing either and the one that I was shown in this display, was the high end of what is circulating in the market. It's just senseless "revolutionism". So a screen is in your face, so what. A good imagination can do a lot more than any headset. Instead of living in reality, people are clapping loud for being fed with lies and illusions. On one hand people are sexually repressed by the Jewish Bible, on the other hand, they want to "escape" and the Jews give them their "sexual escape", the same goes for any other desires such as wealth, knowledge, or a life in general- (with a price of course, are coupled the deceptions...). What a happy day for civilization. But well, of course- a lot of people are also too bored to even visualize, or strive for any goal. They may just live it digital instead.

Why live an actual life that is amazing, or at least try, isn't the question? So for the billions of people who live in fear and control, there had to develop some sort of "other" system to fill in. No guys, it's not like the Jews created these things for your good or your fun. Maybe things produce "fun", when they destroy you and they brainwash you, or make you lose your Soul. Otherwise, how can they be accepted? Nobody likes obvious suffering, or at least the majority.

After all, the enemy has studied the "Goyim" and all this tech race is happening so that infinite data (and infinite control) is exacted upon the Goyim populace. Little does anyone see that behind all these things that are given like this, there may be other purposes. In the same way the Jews promoted a lying afterlife, upon which people burn in some hellfire- a hoax and a lie, they promote the same lies in some sort of afterlife in tech. It's nothing new. It's just oldtime, Talmud. With the help of tech, they produce these lies in front of the people's eyes.

The same goes for Robotics. While Robotics could be used to help Humanity, the main line behind robots are built again, from the same insecurities and fears, or vain dreams. "Robots will work for us so we can sit our asses until eternity", "Your favorite sexual robot" and the list goes. The promotion that artificial intelligence can make "friends" and the list goes, or even think and act on its own, is a major thing in movies. Movies are actively used to brainwash the populace and make people open into any "sort of advances" in any department. The idiotic average Joe, who saw a movie in 2005, is gladly going to accept what is happening in 2015 and was in that movie. "Sooo Futuristic Muh Bro...", is the line. Or in other ways, "Oh the godly Jews again predicted the future! Hooray!". Bottom line, the Jews "create" this future and this is not "nature", "reality" or even "god" or anything.

The Jew has for centuries promoted a useless, meaningless and garbage life of slavery for the "Goyim". Why do these people need to sit, anyway? What is there to really do for them? The Jews are duping humanity real bad. Little does Humanity know, that "Robotics" is an ancient will of the Jews. It may sound insane, but it was always their idea to enslave other lifeforms or other inanimate objects to do their "bidding". There are actual records of mentally insane Rabbis trying to make "clay idols" like "god" in order to serve them. While Gentiles like to co-operate, and live life, and build the greatest things with their civilizations or people, the inferior Jews in some basement in Spain in the Middle Ages, were trying to create "Golems". In sort, effigies that served the Jews in their wills.

Now, thanks to having the Gentiles enslaved for centuries, they can finally manifest their will. Of course the carrot for the Gentiles will be the usual: "it's going to be fun.", "don't worry it's for the

good of humanity.", "they will serve you too not only us.", "imagine the possibility.". The list goes.

Like with anything else, unless we intervene, Humanity will again invent these things, and they will be taken over by the psychotic jews for their demands. The tool in itself doesn't matter. What matters is what is done with the tool.

I am not talking "against" this, as tech is always neutral, but so long these are on the hands of the jews, one should better think twice on what they do. What you do with your life now, not only will determine the world's condition, but it will also determine what is the eternal part of yourself. No matter how many "VR" realities you visit, even if you went into a damn computer and became heidi, no matter how much heroin the jews tell people to put in their veins, no matter how many trillions the jews tell you your "desires" are worth, the Human being is designed by definition to be a spiritual being and to live in an actual world. No amount of pills, genetic engineering, stupidity, Christianity, denial of reality, is going to change this. The jews always created illusions and bluffs for people, to keep them away from any particular purpose in their life. This way, the jews win their so needed time, in order to further their agenda. They don't give you fun because they love you, and this is not even fun in many ways.

The Jew misdirects the collective future of Humanity and its Races. They are misdirecting it and attempting to misdirect it in a full blown Torah, Middle Ages, Communism, just with modernized technology.

Instead of Tesla being allowed to exact his Soul upon the World and elevate it to a higher level (Which he did, because we have electricity etc), jews just kept the oil bussiness going.

Instead of devoting money to actually elevate the health level of Humanity, all the money is spent on furthering or hiding the sicknesses of Humanity by just covering symptoms.

Instead of creating multidimensional tech, or multidimensional travel, billions are spent in creating wasteful fake realities in "VR" for people to play. Instead of doing the necessary teaching to Humanity so that people are sexually gratified in reality, the jews develop fake systems so that they can co-join into some "online haven" and have sex with some sort of computer program.

Instead of making Mankind God, they make Mankind into a LIE!

While all this happens "down here", the jews are preparing Race Wars, famines, WW3, corporations and the list goes.

What more needs to be said?

Doesn't that reek like some sort of alien conspiracy?

The jews always preach depravity and their "Torah" like its some sort of a "New" thing. **New Lies, New Cloth, ancient Jewry- that is as it always was and will NEVER change.** For instance, the "University theorems" about how Whites need to be wiped out (from (((Doctors))) like Noel Ignatiev) are nothing but old Torah, fabricated with some survey or some crap. What's the news in all of this?

Nothing will nurture a Soul in a deep level, than some spiritual practice. Like a hungered who has hungered for decades, people are presented with spiritual information and they cannot really digest it. This is normal.

I know this message might sound a bit "strange" to a lot of people. Maybe even uncomfortable. However one must look behind these matters. "Comfort" should not be more important than Truth. Comfort will not save your ass, or anyone else's. Comfort will not make you immortal, and comfort

is not a legit measure of what is good and what isn't. It never was.

Humanity must change its course. If it however doesn't do this, there will be a problem from which Humanity will not be able to recover. We are here to make sure that there will be a spiritual war against this, an awakening, and above all, a resistance and a hope for freedom for Humanity.

Humanity has a bright, Aquarian Satanic future to live and exist in potentially. We must not allow the enemy, or any other being to rob this from us and turn this into a nightmare. This chance must not be wasted and the best has to be made out of it. For this reason, we must fight and finally destroy the enemy, who has kept Humanity back and shackled into spiritual, material and existential bondage.

Greetings to all our Satanic People and Comrades.

When one goes into the essence of the jew and penetrates into it, they can see what is "modern" is not modern at all. The same includes for their lies. In the universe, there is the principle of multiplication. As power increases, all the more does it increase, the same goes for Wealth, misery, and affliction, whatever else. This can be paralleled to a domino effect. Repetition is in many ways part of this circle. In very plain and simple language, not only "like attracts like" in some ways, but "like attracts multiplied like" in this case. The jew always lied and they lied big, and now they just lie even more. What is to come, is even more lies. As time goes, more and more, and more lies will follow. Truth cannot by definition be a multitude of lies.

People in these days, thanks to the jews who have made everyone unspiritual, are easily amazed, afraid, duped etc. Life has become either boring and a mundane task of paranoid anxiety (Colorless West), a bongoloid hallucinogenic sleep with drugs (LSD Colorful West), illusions or whatnot, or like a slaver islamic or impoverishment battlefield such as in the "East". The enemy is somehow trying to process into the mind of people, whom they consider animals (Goyim in Hebrew), that things nowadays are somehow so much better, and that civilization is very advanced. Their lies go

as far, that if Humanity accepts the jew and their "globalization", all problems will magically disappear with a wand for everyone. Equality, fraternity and the rest of that stuff. However, the more the jews gain power, the more the opposite happens- as it always did. Humanity is not becoming more fruitful, but more frail. Reality is not becoming better, but faker. The list goes.

Of course, all others do, make, envision and create the advances with which the jews are trying to push their Jew World Order Agenda. The jews just adjust them to their "Torah" and destroy their innate meaning, turning them into the polar opposite and reverse. That's something that is ancient, and has been happening since forever.

While everyone else dies and perishes in delusions, paranoia, a meaningless existence, crappy socially destructive ideas, the jews stay as close as possible to nature and what they know of it. The "Goyim", according to the jews, are defined by having the consciousness of an animal. This includes all non-jews. The jews are the ones causing this, and they live by that rule.

The jew creates the people like this, based on what they see and believe humanity is supposed to be.

So, "Naturally" for the jews, a "Goyim" is supposed to be played with a carrot, or with a stick, be afraid all the time like an unknowing animal, be exploited their whole life, and then killed for its meat. The jews actually feast on human beings...And see beings as literal cattle...

The jews want to present depravity such as any other product. "New, Revolutionary, Will Change your Life" etc. For instance, one takes Race Mixing. Race mixing is nothing new existentially. It has happened for thousands of years, and it has weeded out many civilizations. Nothing "new" or "taboo" in it, or "recent". Its just the same old, boring garbage, that existed for thousands upon thousands of years. Globalization is also, nothing recent. The Ancient Empires practiced something similar, and one just needs to see how huge they were in order to understand this. The jews however, do adjust these ideas to fill in for their Agenda and benefit from them, with all the new provided means that come from their times, plus all other powers and new things involved in Humanity's forward-going.

In this world, people are intensively unaware of a lot of things. This includes emotion, how it is to live a spiritual life, how it is to live in a good country, the list goes. As thus, the standards of the "Goyim" are really low. Most people have very low standards, and the jews make sure these are lowered by the day. In the same way, the jews create intensively fake and unrealistic standards, which are not "standards", but excuses for inaction, justifications of weakness and the list goes. The jew is unaffected by these programming they put into the Goyim's minds, and they proceed just with what is natural, such as work, labor, repetition and the list goes- things that pay off, spiritually or materially. The jew's work and labor is intensive parasitism. The same goes for all their intellectual pursuits and everything else.

When people are self-hating, animal behaving, historically unaware "Goyim" as the enemy intends them to be, they are blind, easily controllable, frail, weak and without many expectations, neither a past nor a future. The destruction of racial, national and cultural identities, is also, nothing new. This is tens of thousands of years, century old, warfare tactic. Not only this damages the people, but this damages their Race, their Soul, their Nation and everything else. This gives fertile grounds for the jews to do their work.

The jew is a civilization destroyer. All civilizations have drastically deteriorated from the jews in a level of low sense materialism, or fake spirituality. What is common in this "seemingly" antithetic thing, is that both things are lies and worthless and equally useful to the jews. Both "otherworldly spiritualism" and "incessant materialism". However, since people have nothing anymore, not even their own Souls, they don't make "demands" anyway, neither they will figure it out (and so the jews

hope). Something however keeps "nagging" them all the time. "Its just how life is supposed to be", said the jews. "It always was like this", said the jews.

The "Goyim" who have accepted the jews as the ultimate source of "ruling", bow their little heads and get on with their way. Too afraid to lose their meaningless, bizarre, mundane survival "life". Others however persist into a chasing of Truth or at least, to discover "What" is this thing that nags them. Then people naturally become "Satan's", in that they are revolting consciously or not against the jewish order. Whatever opposes this order, from the mouth of the jews themselves, is by definition OF SATAN. This way, people end up here.

If one gets to observe civilization or its notion beyond the space time continuum of our "present" lifetime, they will see other values and other things unfolding. Values and anything we have today, "art" and anything else, will quickly reek as inferior, because in many way, it *IS* inferior. A lot of people have lost the sense of what is really "superior" or "inferior", thanks to the jew, the masters of lies and illusions. One just needs to look at Egypt, and then look at some disgusting "feces on a canvas" by a jew, to understand this.

The same goes for the jewish terrible singers, "Artists", "Academics" and everyone else. The jews are masters of subculture of the lowest grade. These people are chock filled with "autotune", "feces on a canvas", fake surveys done in Tel Aviv and promoted as legitimate "science", and assisted by all sorts of machines, because they simply cannot do anything concrete. Yet, because the "Goyim" who can do better, in their self-limiting behavior of accepting the jew and their remarks on how "Worthless" they are, they self-limit themselves into being lesser elements in many ways. So the talentless, idiotic, lowest grade jew can reign supreme.

Nowadays civilizations are built on entirely stupid values. The jews try to pass ancient problematic that were known to be of decay, which were always known as being the crap and excrement of existence, as "new and good". Part of this is Race mixing. Even the Egyptians in the Pyramid texts, warn against this, as the "Essence of the Creator God Tem" detoriates as people Race Mix, and people lose the "Eye of Ra"- the pineal gland detoriates. The pineal gland is responsible for astral sight, insight, maturity of the mind and soul, creativity, imagination, and finally the Godhead. The same goes for living overly physically (which causes Race Mixing in the first place), people accept life in an imbalanced materialism, without spirituality. Since the visualization skills, or the Soul, are not activated and needed, this detoriates the Soul and the being and according to the laws of evolution, the gifts given for higher understanding are lost forever. When one loses this capability, then, they are easily controlled and enslaved. This in a nutshell is in the category of general stupefaction of the masses.

The jews just need "Goyim" around to execute menial tasks for them and nothing more. This is the essence of what is politically called "Communism", but is a very ancient practice of the jewish mind and psych (read the Torah and the Talmud)- base existence for everyone else, "God World" for the jews. This is the formula of the Jew World Order. Another overly placed value is "money". Money is good and great in itself, however, in today's overrated world, nobody even gives a damn about anything else but "money". This creates a civilization that is in accordance to the materialist jew, and the lackeys who want to profit from this to hide their inner inferiority. In this way, the useful people are in the bottom, while the worthless kikes are in the top, merely because of their ability to do usury, steal and parasitize. The same goes for lying in history, as the jews re-write history to make everything seem that it "always was that way". It wasn't that way, and there is documented evidence in all Ancient Civilizations.

The enemy is perverting and lowering the standards of living of people all the time. This is gradually done by lowering wage, hoarding people in debt, and the list goes. That way, people welcome always the "lesser of the two evils" when they are faced with a choice. This is obvious in politics and everywhere else.
Now, the same goes with technology.

People consider amazing a cellphone, or "Virtual Reality", or whatever else. It may be, for this totally materialist civilization that beings live nowadays. If people knew about telepathic communication, astral travel, and the list goes, they wouldn't be so amazed. However, in a materialistic society the jews beat the drum on the unspiritual "goyim", and they instantly fall for it. No wonder, technology is a gift from the Gods (partially), is here to serve us, which the enemy desecrates in order to suit their agenda. For instance, little people penetrate into the inner notion of things. A cellphone tracks you down. Why does it even have this ability? People nowadays make big deals out of nonsense, such as a jew sitting on a cloud or something. Did it ever dawn to you that a Cellphone is not really "yours", in that it always belongs to the company from which you buy it? And google and everyone else? However, if people developed these powers in themselves, or the powers of the spirit, they would really be **THEIRS** and nobody else's, let alone any jew's.

As I have said tens of times, the Tech is not the problem and in itself can be a blessing or a curse. I tried this "VR" thing myself, and saw not any substance to it. It could also be used for constructive purposes. It wasn't amazing either and the one that I was shown in this display, was the high end of what is circulating in the market. It's just senseless "revolutionism". So a screen is in your face, so what. A good imagination can do a lot more than any headset. The drug and vaccinations multinational companies are owned by the Jewish Rothschild's and Rockefellers as Mullins pointed out in his work.

Bayer is a Rothschild company. They purposely dumped AIDS infected drugs onto the global market. Why..... When more people have AIDS they will need more AIDS medications and the Jews sit back and make more shekels. Problem, reaction, solution.

Makes you wonder if they didn't just create the AIDS virus in the start as evidence points to and injected it into the populations by injected vaccines..... They already got caught deliberately infecting millions of people with AIDS here.....

Makes you wonder what else are they putting in those vaccines they are trying to force onto the public by force of law....

Drugs company Bayer realised their product had been contaminated with AIDS, so what did they do, they still sold it because they didn't want to lose money, and when the US officials found out, they knew they couldn't continue, so they sold it to the Europeans, with full knowledge of US officials.

Now another drugs company, Baxter got caught shipping vaccines with live bird-flu virus in them to 18 countries, and when caught out were calling it an 'accident' !!!:

The American Medical Association has officially recognized obesity as a disease, a move that could induce physicians to pay more attention to the condition and spur more insurers to pay for treatments.

In making the decision, delegates at the association's annual meeting in Chicago overrode a recommendation against doing so by a committee that had studied the matter.

"Recognizing obesity as a disease will help change the way the medical community tackles this complex issue that affects approximately one in three Americans," Dr. Patrice Harris, a member of the association's board, said in a statement. She suggested the new definition would help in the fight against Type 2 diabetes and heart disease, which are linked to obesity.

To some extent, the question of whether obesity is a disease or not is a semantic one, since there is not even a universally agreed upon definition of what constitutes a disease. And the A.M.A.'s decision has no legal authority.

Still, some doctors and obesity advocates said that having the nation's largest physician group make the declaration would focus more attention on obesity. And it could help improve reimbursement for obesity drugs, surgery and counseling.

"I think you will probably see from this physicians taking obesity more seriously, counseling their patients about it," said Morgan Downey, an advocate for obese people and publisher of the online Downey Obesity Report. "Companies marketing the products will be able to take this to physicians and point to it and say, 'Look, the mother ship has now recognized obesity as a disease.' "

Two new obesity drugs — Qsymia from Vivus, and Belviq from Arena Pharmaceuticals and Eisai — have entered the market in the last year.

They also say that "medicalizing" obesity by declaring it a disease would define one-third of Americans as being ill and could lead to more reliance on costly drugs and surgery rather than lifestyle changes. Some people might be overtreated because their B.M.I. was above a line designating them as having a disease, even though they were healthy.

fight against Type 2 diabetes and heart disease, which are linked to obesity.

To some extent, the question of whether obesity is a disease or not is a semantic one, since there is not even a universally agreed upon definition of what constitutes a disease. And the A.M.A.'s decision has no legal authority.

Still, some doctors and obesity advocates said that having the nation's largest physician group make the declaration would focus more attention on obesity. And it could help improve reimbursement for obesity drugs, surgery and counseling.

"I think you will probably see from this physicians taking obesity more seriously, counseling their patients about it," said Morgan Downey, an advocate for obese people and publisher of the online Downey Obesity Report. "Companies marketing the products will be able to take this to physicians and point to it and say, 'Look, the mother ship has now recognized obesity as a disease.' "

Two new obesity drugs — Qsymia from Vivus, and Belviq from Arena Pharmaceuticals and Eisai — have entered the market in the last year.

They also say that "medicalizing" obesity by declaring it a disease would define one-third of Americans as being ill and could lead to more reliance on costly drugs and surgery rather than lifestyle changes. Some people might be overtreated because their B.M.I. was above a line designating them as having a disease, even though they were healthy.

The Jewish Texts Admit Satan Is the Father of the White Race And Orders Extermination Of All Whites

In the Jewish writings Samael [Hebrew word for Satan] is called the father of the Aryan race openly. The White race is also called Amalek in the Jewish writings and Samael is stated to be the White race's father here. Here in the Jewish writings we note the Jews heap blasphemy upon Gentiles and Satan. And gives the direct order to exterminate the White Race, along with all Gentiles, the "mixed multitude" it describes the different Goyim but puts the White Race into a special category to be "bolted out" forever as it states below we are the children of Samael/Satan, directly.

The Jewish Zohar volume one, pages 28b to 29a states:

"At that time the mixed multitude shall pass away from the world. The mixed multitude are the impurity which the serpent injected into Eve. From that impurity came forth Cain who killed Abel. For they are the seed of Amalek. Whom it said "thou shalt bolt out the memory of Amalek." Gentiles who are compared to the beasts of the

field another from the mazikin [goblins] for the souls of the wicked are literally mazikin [goblins] of the world: and there is impurity from the side of the demons and evil spirits: and there is none so strange among them as Amalek who is the evil serpent "the strange God." He is the cause of all unchastity and murder and his twin soul is the poison of idolatry, the two together being called Samel.... This side of the serpent is accused above all."

Subject: America, Germany And National Socialism

America, Germany And National Socialism

This my answers from a conversation on the subjection.....

America is suppose to be a Republic not a democratic state. The Founders abhorred Democracy. The Greeks stated Democracy was for City states of ten thousand people or less. Anything else would need a Republic or Monarchy. Plato already addressed the problem with Democracy.

The American Republic failed because it did not set up a proper Political class they didn't go all the way in following the Platonic idealism. Such as Plato's ideal of a Gold caste who are trained to rule properly. This is actually a aristocracy of the best of the race which forms a political governing body. Who operate within a republican system as Kings are elected by the council of such advisors and then retired after they were no longer able to govern or were removed if incompetent. That is how the Aryan government was run for thousands of years. The elected King governed over a constitutional system.

Now because of the current system we don't have individuals of superior ability and a life of training in the needed arts of statecraft and personal honor. We have business men who create their own persona political brand and sell out to the Jewish Plutocracy to build their own personal wealth and status up.

Because in a society built upon Jewish values such as money and materialism. That is the only real meaningful and ruling value. And thus dominates the political sphere as it dominates the essence of all social value. Monetary value and the artificial status that is assigned to it.

It should be noted much of National Socialist idealism came from America and the general Anglo-sphere. Hitler wrote the American, Grand Madison and thanked him that his book "The Passing Of The Great Race." Was a personal bible to him. Here your looking at a major core of National Socialist Ideology. Hitler also had a bust of Dr. Ford on one of his desks. Ford was a major funder of the National Socialist Party. Hitler had a lot of friends in America and Britain.

The best outcome would have been the British Union Of Fascist's along with pro-Nazi elements of the Monarchy such as the Royal Family of the time created a new government in Britain that arrested the jewish elites and their allies in England and stripped them of their power. And then recreate the British Empire while banning all jews again. And form into European alliance with Nazi Germany and used their power in America to bring America out from under jewish control. And America, the British Empire and Germany become a world fortress against Jewish Communism.

But the Jews started WW2 to destroy such an alliance and rebirth of Western civilization with the aim of creating a World Jewish Dictatorship of Marxism:

topic15258.html

America, England and Germany are cousin nations.

The Nazi's and the American Founders both used the same source to create their governments and National ideals. The ancient Pagan Greeks. Hitler had created a Platonic Republic in Germany. The Founders of America the same. Washington and Jefferson didn't want there to be separate political parties as they foresaw the problems with this and their warnings have come to pass. And their statements are exactly like Hitler's on the subject.

The Founders of America also stated the basis for American citizenship was one had to be of wholly White European racial origin and of good moral character. This was put into the Alien and Immigration Acts in the late eighteen century by the Founders. Ben Franklin's writings on race and immigration are exactly the same as Grant Madison's.

The Founders of America also created free hospitals, universities, libraries, schools and other racial socialist programs to uplift the Aryan American People. The Founders of America were Nazi's by another name. And both the Founders like the Founders of National Socialism were Satanists. Its funny when the people under the evil spell of jewish libergtaranism pretend the Founders were, lie-berg-tarians.

The American Founding Fathers were Satanists:

Happy Lammas Day to All JoS Members!

There are several things here I want to mention. There will be new pdfs for Satan's Library in several more. Because of the extreme importance of the latest RTR, I am holding off on uploading these.

For the new RTR:

<http://www.angelfire.com/wizard/pixie666/72.htm> [Webpage]

Things are getting worse and worse in this world. The enemy is really stepping up their war against human worthwhile life on this planet. As I mentioned before, those criminally insane Muslims "pray" 5 times a day, consistently put forth their spiritual energies into the most abominable filth imaginable that needs their slaves to endure and to keep inflicting extreme violence and depravity upon this world.

Now, my point here is if each and every one of us does spiritual exercises 5 times a day, the efforts are very rewarded.

For example:

1. Mantras do not have to be recited 108 times to be effective. Just vibrating SATANAS, or any other r thing you wake up from your regular sleep, even 13 times is effective. Sun mantras are excellent to c of planetary mantras:

<http://web.archive.org/web/20150823032320/http://www.angelfire.com/empire/serpentis666/Planetary>

Choose a mantra and stay with it. Afterwards, affirm a positive statement towards a goal or for protect

2. Kundalini Yoga Basic Spinal Energy Series:

<http://www.pinklotus.org/-%20KY%20Kriya%20Basic%20Spinal%20Energy%20Series%20fp.htm>

This exercise can be effectively performed sitting in a chair. Just one round of 108 repetitions will keep and energies high.

3. Do a Yogic Breathing Exercise of your choice:

http://www.angelfire.com/empire/serpentis666/Yogic_Breathing.html

4. If you can do physical [Hatha] Yoga, this is great, if not then substitute one of the above exercises.

5. Same as number 4.

Given the hectic pace of life now a days, many of us cannot do the full 5 every day, but try to make this you

Given the rapidly worsening situation in the world, this is not the time to neglect your meditations. Learn to medications are now coming from China and are not only toxic, but can be deadly. In addition, a lot of their work. They are placebos. This also includes veterinary. Just because something reads, "Manufactured in I example, this does not mean they do not use ingredients from China .

Use the powers of your mind and soul to work on goals and to solve problems and above all to protect you loved ones before it is too late. The more you use your mind, the stronger it gets. Be patient and consider indications that your energies are working are opportunities, ideas, and other circumstances that present the way of healing, there might be some nutrient you or a loved one needs. Your mind will lead you to ways problems.

It has been said that "In the end the truth will come out and many will want to join on at the last minute, but it late." This has to do with meditation and empowering your soul. This does not come over night.

In closing, I want to add a powerful exercise here that is highly effective and that takes very little time:

1. Breathe in through the entire front of your body. [You don't have to sit any certain way, I do this half lyi it really works]. On the exhale, vibrate your mantra.
2. Breathe in through the entire back of your body and have this energy meet with the energy you breathe front of your body, in the middle. On the exhale, vibrate your mantra.
3. Breathe in through both sides of your body at the same time and have the energy meet in the middle exhale, vibrate your mantra.
4. Breathe in through the top and bottom, your head and feet and have the energy meet in your solar plexus chakra]. On the exhale, vibrate your mantra.
5. Breathe in through your front, back, sides, top, and bottom all at the same time. On the exhale, vibrate your mantra.
6. Repeat the above once or twice.

Subject: August 1st Full RTR			

I'm posting the full ritual here, as the webpage has had trouble loading, and people have already emailed me requesting this:

CURSING THE JEWISH GOD, RITUAL TWO

Cursing the 72 "Names of God"

This is THE most important and the most powerful Reverse Torah Ritual we will be doing.

Because of the length of this ritual, I added in superscript, the number of each of the three letter names to eliminate confusion. The following are also divided into 4 sections; lines 1, 2, 3 and 4.

Lilith explained that each of the former rituals was like "peeling an onion" in the way of stripping the enemy of their power.

This ritual can be repeated as many times as you wish. You can begin this ritual at any time.

The words below are to be vibrated. By vibrating these words, this will strip the Jews of both protection and power. The more people we have who will be doing this ritual, the better, as there is both strength and power in numbers.

This ritual should be done as often as you are able to, and is a very good cathartic when you feel anger and hatred towards the enemy. All you need to do is vibrate the 4 lines [72 three letter names] below at least one time, preferably three times.

Please read through the pronunciation directly below. Most of the letters here are repeats. I have included an mp3 of the words for you all to download.

Key to pronouncing the words correctly:

- AH as in the American English word *father*
- Ah the lower case h indicates a very small H sound, like *H-* a small exhale
- 'AH Glottal stop as in the American English word *hour*
- AI as in the American English words *day, say, made*
- AY as in the American English words *day, say, made*
- AYh – you will see this often, the vowel sound is between a long A as in *case*, and a short e as in *pet*.
- EE as in the American English words *seek and week*
- EH as in the American English words *pet, set, and let*
- KH is guttural and the sound is made in the back of the throat
- OH as in the American English words *oh and go*
- OI as in the American English word *oil*
- 'OH Glottal stop as in the American English word *hour*
- OHy The lower case y indicates a very short Y sound
- R's should be rolled
- TH soft TH as in the American English words *thin, thick*
- TH [underlined] hard TH as in the American English words *the, there, that*
- TS, as in the American English word *oats*, or as in *pizza*
- UU as in the American English words *sooth and tooth*
- VW The V and W together is a cross between the letter V and the letter W. This is biblical Hebrew. Listen to the Mp3, or do the best you can. You can substitute the letter W and this will still be valid.

In addition to Christianity, Islam and related enemy programs creating extreme suffering for this world in their intent to destroy worthwhile life; these programs have succeeded in spiritually dumbing down humanity. The effects have been masses of spiritual cripples.

I learned Satanism on the job. I came to Satan as an atheist. I didn't even believe that souls

existed, though I was an astrologer and into the occult.

Satan has kept me and the JoS ministry very busy at accomplishing different goals for our side over the years. Several experiences I've had, I later read about in books, after the fact. These books are not in the mainstream exactly.

A major experience was working with and empowering human souls who were deceased from this world. HP Hooded Cobra also worked with me and the project was a success.

Satan and Lilith instructed us as what to do.

My point here is where the majority of people are at in regards to having spiritual knowledge and abilities. Virtually nothing.

The enemy has used enforced ignorance, stupidly, mass murder of our Pagan Priests/esses and others who had spiritual knowledge and abilities to screw humanity to the wall.

This has cut everyone off from spiritual reality and has set us up as victims. Sadly, this has gone on for centuries, and the dumbing down has taken on a life of its own.

The soul, the afterlife, so-called "karma," knowledge of past lives, knowledge of the consequences of actions and their possible outcomes, healing and so forth.

Christians are indoctrinated to an extreme to be spiritually helpless and dependent. This sets the foundation for a damned soul in many different ways.

This has also shut off the second sight in most people. Few can see the souls of others. As Thoth stated, there are differences in the soul according to race. Also, the Gods are tribal. Communist Christianity and the one size fits all, in reality does not apply.

Spiritual reality is definitely not what Christianity and its malignant related programs have forcibly indoctrinated the populace with.

By enforcing spiritual ignorance and pushing their lies, the enemy has put the earth in grave danger. This is their spiritual warfare.

Through Satan, we can learn, grow and empower ourselves to fight back and to take control of our own destinies.

Its actually frightening where the majority of people are at. Even here in the egroups.

Jew York Times, Jew, Gloats Over Death Of White America

Now the Jews, are the most racist, supremacist group on earth, lets just take a look at what Jewish identity is based on....

Its obvious the Jews don't believe in any of the liberal, radical, racial egalitarianism they created, promote and push on the rest of us. Especially in America and Europe.

So why did the Jews open the borders of White America to the third world....

Well for the same reason they have done the same to White Europe....

And the same reason they promote a program of racial extermination for the White Race as a whole....

Its not about equality its about extinction, the Jews are promoting their Racist agenda of genocide and world government under the guise of a bunch of ideological buzz words that amount to White Genocide. The opposite policy of what they promote for their own fellow Jews. Israel is a race state.

The Jewish ideology of White Genocide came from their Frankfurt school...

Because Judaism orders the extermination of the White Race....The Frankfurt school just put the Jewish religious text into a pseudo secular appearance....

In the Jewish writings Samael [Hebrew word for Satan] is called the father of the Aryan race openly. The White race is also called Amalek in the Jewish writings and Samael is stated to be the White race's father here. Here in the Jewish writings we note the Jews heap blasphemy upon Gentiles and Satan. And gives the direct order to exterminate the White Race, along with all Gentiles, the "mixed multitude" it describes the different Goyim but puts the White Race into a special category to be "bolted out" forever as it states below we are the children of Samael/Satan, directly.

The Jewish Zohar volume one, pages 28b to 29a states:

"At that time the mixed multitude shall pass away from the world. The mixed multitude are the impurity which the serpent injected into Eve. From that impurity came forth Cain who killed Abel. The Jews are gloating their age old agenda of racial warfare and extermination is in effect that's all.

Greetings to all our Satanic People and Comrades.

This message is very serious. Those who undermine its importance, will only see this later in the years to understand it.

I have kept saying again and again, that we are in this against time. Many people may not understand the intention or our teaching, and will have a hard time ingesting what is going on. However, people at the same time wake up massively. The walking dead zombies, who are sucking

from the jewish tit, will unavoidably clash with the people who are waking up to this danger. What is what will be revealed blatantly in the future, for better or for worse.

There is a storm brewing, and if one raises "above the clouds" of their small and personal life, they will see this. This doesn't mean anything negative or positive in itself. Storms are not peaceful, that is for sure. There will be much friction involved on many levels.

While people are living their daily life, vacations, and live their actual circle of life, the enemy is preparing and brewing other things. Many of which people never really notice. Everything is hidden from sight, until the problem, like a deadly blade that was ignored has went to deeply. Like a deadly disease, only when it has grown too deep the symptoms do show up.

The enemy is doing the same now. With the tech they possess and everything, and how everyone else is in "Deep sleep", the enemy is trying their best to plant seeds into the subconscious and unconscious mind of Humanity. Much of this has been prepared decades ago, through movies, brainwashing, "Expectations", "bible" etc. These "expectations" which many people see as "god's plan" are actually brewing and the enemy feeds them to manifest them. Successfully or not, that's another case. Thing is, they try. Because nobody else does that, or people don't bother to spiritually counter attack (or even KNOW how) the enemy has success. If people fought back, the enemy would crumble on the ground.

Humanity is at this point going down a very dim road. The jewish infection has went deep, and it will need to be cured radically. The jews have stacked the deck against humanity, and the average person. The deck is simple. Keep the Goyim sleeping spiritually and in all ways until the necessary technology and powers exist, to wipe them out and enslave them, then take over the world as an undisputed power. Those who are watching and seeing along the lines, can see this. The jews themselves openly admit it and I have went with this in depth. Where serious technology is involved, numbers, wills and anything else doesn't really matter. The same goes for the massive robbing of freedoms. (((Mark Zuckerberg))) and other obvious and non-obvious jews, do possess dangerous means that can enslave the planet. Here and now.

Without wanting to go into many, and potentially scary details, I want to tell people what has been revealed by Satan. This is nothing new, but added information. The reason I keep talking about technology is because there is something more into it. The jews aren't investing into all of this for no reason. Many of the things they do are complete bluffs, and they are playing on many places on the same time. Our RTR's are undermining, destroying and sealing their fate.

If these stop, Humanity is doomed. The enemy must not have the first say in technology. People recently saw what this "Pokemon Go" thing did. This in itself is a show of how much people are willing to be brainwashed and they will give up all their rights in being tracked and everywhere else, only to have fun. Take it from my other replies about the "digital worlds" and "VR Glasses" and anything else. Multiply it accordingly.

Add nanobots, and all these technologies that are emerging and will emerge, then understand the simple thing: If these are on the hands of jews and they are not destroyed up until a time, Humanity will have a real bad time. The enemy in their "Texts" mentions of a paradisial land. They promise the same shit to the "Goyim", but this is only to bluff them. They are the ones that will enjoy the power and anything else of these machines. Take facebook for instance. While little you can scout on your friends, or whomever, the kike Zuckerberg can spy on all people on Earth. They get you to agree with their terms because, you want the power to scout on your friends. In exchange, they get power to monitor and spy on everyone.

Tesla refused openly to advance technology further up until a point, because he knew, humanity was not on this particular level at his time and era. Right now, it still, isn't. The fact that a monkey can use a cellphone, doesn't make a cellphone a thing a monkey should use.

Anyone that loves the Aquarian future, technology and wants for a good future of Humanity, but has a decent mind to understand the potential of where this can end, they will understand why this message is as that.

Satan and the Gods take the chance to tell people *NOW* and to push everyone to action *NOW*. The Gods are with us and the Gods are helping us. We have powers on our side that can shake the planet and then furthermore.

I don't say that to sound like a doomsday preacher, but this is how it is going to go. The moment our pressure is left up, the enemy will be freely and undisputed the victor in this war. They have no other enemy but us. Everyone else that professes "disagreement" with them can easily be dealt with, as these people do not have any spiritual power. Our persistence and our warfare can and will turn this around.

I will also not go into any details, as I know the graphic imagery and many other things will scare people to the death. This is beyond shocking, and the enemy plans shit "normal" or sane people, will never even imagine.

Take George Orwell's 1984. Multiply this by hundreds of times.

This is what the enemy is planning. They are making sure enough time is wasted, until past generations like those in their 40's, 50's and 60's are wiped out, because these are the people that know how life is in reality. The same goes for the elderly. These people have known war, work, soil, real sex, relations, natural living (to a degree), and pretty much what life is about. The enemy sees natural and sane people as enemies to their agenda, that is a multicultural, techno party of spiral downwards under-evolution. For all other "new" generations, many people are living in the fakest of bubbles, that the enemy has created.

These newer generations are very easily manipulated, and they are forced into digitalism since infancy and they haven't fought for any rights to understand their deadly importance. This will keep escalating on the future, but the obstacles are the sane, healthy and elder people who realize the dangers and uselessness behind all this surveillance and anything else.

The privileged ones of these "newer generations" will write history for better or for worse. The enemy pushes these generations to be poisoned, weak, docile, tech-slaves, multicultural garbagers, defy nations, states, borders, that have absolutely no connection to life or how it operates in reality, how a living is made, or how anything works in reality. These will be easily malleable and ready to become slaves in the hands of the jews. This process has gradually began since the end of WW2.

The enemy is passing new "normals" into the heads and new generations of people, that have been opening them up in multiplies of insanity, in which the "elder generations" couldn't even understand. We don't speak of "sex boom" or anything like this, we speak about stuff like having a digital girlfriend instead of a real one, or a digital house instead of a physical one, digital coins instead of money in one's pocket. This will keep going until the final generations will basically, become slaves.

This is gradual and a systematic process, that happens worldwide in gradual steps. The enemy always wanted to hasten this and finish with this "Goyim planet", and rule over everyone quickly. The practices used are similar ones like in the past (such as merciless use of drugs), but the end result will be even worse if the enemy makes their way. The means do exist, and will exist, that will make this far worse.

People who can see along the lines, with some imagination just in between, will understand that this is not "progression", but the actual downfall and degeneration of society in the deepest level.

This must be changed.

IN our hands rest the means and powers that all the Ancient people possessed in order to fight and resist all these things. We possess the highest weapons of wisdom and these have to do with spirituality.

Whomever doesn't act on, spread on, and enlighten on the knowledge we possess, is literally affirming a *YES* into the destruction and eternal slavery of Humanity.

What Future do you want?

A Future of slavery, a technological nightmare?

Or an Aquarian, Spiritual future, upon which Humanity- free from jewish paranoia, reaches once again the highest pinnacles of knowledge, civilization and existence?

The Future is not set in stone.

The Future is in your hands.

Without going into many and non-necessary details, let's just remind people of the fundamentals upon which this post will be based.

First of all, "Jesus" is nothing but a thoughtform, a psychic link towards something. "Jesus" is nothing but a "Jewdized" allegory of the Serpent power. The Serpent power "Ascends to heavens" (7th Chakra), will come into a "Second Coming to save the 144,000 Chosen" [144,000 are the Nadis in the Human Soul], "Gives birth to the dead" [opens up the Soul], "Carries 12 Disciples" (12 Zodiac Signs that represent the 12 parts of the Human body) and the list goes, "Jesus" will also "Judge" (without Serpentine energy, one cannot maintain themselves in the afterlife and the list goes)...

All in all, this is nothing but the Jewish Kundalini Serpent talked to as "Leviathan" or simply, "Jesus". When people pray to the Jew on the stick that never answers any prayers, it's because the energy is not going towards any real entity or "God", but just goes to charge and empower the Kundalini of the Jewish Race. Through "Jesus", or the Serpentine energy of the Jews, the Jews create the world as they see fit, and they use the power of "God" to enslave the dumb Goyim and the list goes endless. With this accumulated energy, they hope to materialize a chosen "leader and Messiah" which will lead them to the new age upon which the Jews will have the whole planet enslaved.

The writings of the past in regards to that are very revealing and they, on their "own" do say the evident. As all people know, "Moses" was a patriarch of the Jewish Race in the Bible. There was an Ancient Sect in Rome, at the starting historical point of Christianity, which knew the Truth about the "Jesus" being nothing but a serpentine allegory. They were named the "Ophites" which mean, those of the Snake. One of course knows the Ancient Egyptian Brotherhood of the Serpent and the endless list of Serpent Worship in the Ancient Civilization. Due to lack of information, one cannot know if they were actually full blown "Christians" or that if, like all Pagan sects, were lied about, taken over by Jews and later destroyed.

From the few writings that survive of them, it's enough to exact the Truth:

*"Christ did not exist in the flesh (Christum autem non in substantia carnis fuisse; 2.4); that they extolled the serpent and preferred it to Christ (serpentem magnificent in tantum, ut illum etiam ipsi Christo praeferant; 2.1); **and that Christ imitated (imitator) Moses' serpent's sacred power** (Num 21:6-9) saying, "And just as Moses lifted up the serpent in the wilderness, so must the Son of Man be lifted up (John 3:14)" (Haer. 2:1). In addition, Eve is said to have believed the serpent, as if it had been God the Son (Eua quasi filio deo crediderat; 2.4).*

The name "Jesus" is not mentioned in the account. Epiphanius' account differs from that of Pseudo-Tertullian only in a few places. According to the former, the Ophites did not actually prefer the snake to Christ, but thought them identical (Pan. 37.1.2; 2.6; 6.5-6; 8.1)

Here we can see it blatantly. "Jesus Christ" is nothing but an allegory of the Serpentine force, linked to "Moses", from where all the prayers of the "Goyim" (Animals in Hebrew) are going to. These are

siphoned and the jews call it a day.

The Jews who know the truth behind their hoax, cannot "worship Jesus Christ" as this is for the Goyim, who feed the energy into the jewish serpentine energy, thinking of it as some sort of real deity. The Jews will only "Worship Jesus" if they ever manifest an incarnation of this imbecile, in the Flesh, which will be the Messiah of Israel, as a materialization of this "force" of the Jews. The Jews themselves openly mention in the protocols that their "Leader" will be "Of the line of David", and that he will be of the Jewish Priestly Caste. Ie, an attempted Jewish "Godman", "Jesus Christ". A "Risen Serpent" in that case, like the Kings and Philosophers of the Ancient Pagan civilizations. 2000+ years and they are still waiting for this dumbo to show up....Billions of people feed it...All to no avail... However, they will still hope.

If now, Jesus, is the Jewish Serpentine force, then what is going on with the eternal "Nemesis" of it, "Satan", which is who "Jesus" and "JHVH" are set to "Defeat" after all, in a cosmological "Battle" that will define the victor over one or the other?

As for Satan:

Satan: proper name of the supreme evil spirit in Christianity, Old English Satan, from Late Latin Satan (in Vulgate in Old Testament only), from Greek Satanias, from Hebrew satan "adversary, one who plots against another," from satan "to show enmity to, oppose, plot against," from root s-t-n "one who opposes, obstructs, or acts as an adversary."

So, Satan opposes the...Christ. Who is what we proved earlier. And technically keeps the Jews from going all out, and destroying Humanity in their genocidal plan.

However, the Greek Name of Satan, is SATANAS. It's not Satan. Satan is cut short, English, and the Satanias is written in the New Testament, which is in Greek. This last syllable of the "NAS" makes everything come full circle, and the enemy removed this from non-Greek testament for a purpose. "SATAN" is difficult on its own to connect the final dots behind this enemy work. So the SATANAS is where the analysis should be based, as its the original one.

Easily, we can break this word in SAT-A-NAS. Now, as for the Sat, everyone knows. In Sumerian, the world's most Ancient Language recorded to date, "Sat" is a prefix for Perfect, Truth, Brilliant and the list goes. Only positive and most exalted things. The jews have stolen, perverted and destroyed languages as they saw fit, and stolen all sorts of endings and mannerisms which they brought together and altered later, or reverse their meanings in hebrew.

The same goes for the "Alphabet" which starts from the Alef, which is the Greek letter Alfa, Dalet, which is the Greek Delta, Vav is stolen from the Egyptian Letter "Vav" and the list goes endless. Shin is also stolen from the Akkadian and Sumerian languages. All these end up in the same basket when it comes to hebrew, and then we have what we call "hebrew".

The Jews stole from *ALL* The languages, and corrupted in *ALL* of them accordingly. This created "Hebrew". The jews never had a land or a place, and they were always scattered and moving from nation to nation. Chances are, they became aware of the "Satan" thing by being accidentally exposed to Sumer, or the Hinduists who in the high levels do chant "SATANAMA" in order to arouse the Serpentine force. As genuine haters of all Gentiles, they found this, perverted this, and destroyed this.

Nothing could be more of a generic, name of connecting point, but the Serpent, which was common to *ALL* Pagan Civilizations and revered beyond everything else.

So the SAT-A-NAS as its broken down, means Truth (SAT), plus something else. This also relates to the "HA'SATAN" of the Jews. "HA'SATAN" is an related with the Hebrew שָׁטָן "Naḥash", snake),

that lacks a syllable but becomes full when one adds the "SAT", which is the Sumerian Prefix and the root mantra of the Serpent in Hinduism. The one is left with... SAT-NAHASH. Or in Greek, SATANAS. The Greek language has it that the "H" is not roughly pronounced and in this case, nor written, and the Greek also adds vowels for easier sounding words. SATANAS- Snake of Truth.

The "NAS" comes from the Hebrew, Naas (Hebrew nahash, meaning "serpent"). Related to this is the Greek "NAOS" which means Temple. People were doing the Divine Rites in order to raise the Serpents, in their Temples.

More on this:

Every temple, "naos", shows by its title that it is intended for the honour of the serpent naas as "the Moist Essence," of the universe, without which "naught at all of existing things, immortal or mortal, animate or inanimate, can hold together." Furthermore, "all things are subject to Him, and He is Good, and has all things in Him ... so that He distributes beauty and bloom to all that exist according to each one's nature and peculiarity, as though permeating all."[14] [My note, Sata-Nas] does this, the Serpent of the Garden of "Eden" etc.

G.R.S. Mead has suggested that all of this is in reference to the Kundalini:—

This is the cosmic Akāsha of the Upaniṣhads, and the Kuṇḍalinī, or serpentine force in man, which when following animal impulse is the force of generation, but when applied to spiritual things makes of a man a god. It is the Waters of Great Jordan flowing downwards (the generation of men) and upwards (the generation of gods); the Akāsha-gangā or Heavenly Ganges of the Purāṇas, the Heavenly Nile of mystic Egypt.[15]

"Jesus" is the Rival, and destroyer of the Gentile Serpent, which is also named as a honorary title as "Satanas". As in the Hindu Mantra, Satanama, with the deity personifying this serpent itself is called "Satan", who is the God of Truth which we worship.

The Jews technically, have told people to hate the Serpent of Truth (The Kundalini of the Gentiles) and instead glorify and follow the rotten, Jewish "Serpent" which is represented by "Jesus" to which the idiotic sheeple prays. The same goes for reversing faith against the one and only, REAL Creator God of Humanity.

As thus, Humanity has completely fallen spiritually and degenerated, into worshipping the "Demiurge" or the Jewish Imposter "God" of the Jews- Instead of Satan, the Real Serpent of Truth and Enlightenment.

The Mini Handbook of Satanic Propaganda

Greetings to all our people and Comrades.

Now I think it's imperative we cover some fundamental things, because as I know all of you want to spread the Truth in realization of how dire the situation is. Unfortunately, we are faced everyday with people who are slob, too lazy to think, live and let be, ignorant people, and other who simply are programmed past the point of any repair. These range in all, and from all backgrounds and beliefs.

There are however good news. Our Rituals and the tide of the world is turning to our benefit. Slowly and steadily, it will climax in the future and come ever harder.

For those of you who are aware of the deeper facts in Satanism, you will be able to see or you will be able to think, that there is something more in "why you are here". Some treat what we do here as a positive coincidence, others may be feeling grateful or ungrateful, but what remains is the simple truth: We are all here to do our part in advancing Satan's agenda and power.

The Gods and Satan are actively helping us personally, and impersonally as in the whole of Humanity. Literally, people at a level such as low as this, should understand that this chance we have right now is just ONE in the recent 2000+ year history of Humanity. Those who fail to understand this, just have no idea of the real world. We are blessed beyond any words.

Going back to the post itself, the essence of this post is not easy. As it has been stated before, the best way is to reach people massively, without doing anything but spreading the message everywhere, and letting people take this on their own from there on. This is a most fruitful and powerful method, and with just a few hours of your time, you can turn tens or hundreds of people into realization if done correctly. Correctly in this case means impersonally, to know where you spread the info (internet is the best place), avoiding any back and forth and pretty much, letting the people do their thinking, and the Truth to do its thing. This is potent and deadly to the enemy.

In order to understand the root on the problem, one must not always look at others and their weaknesses, but one's own ability to transfer the all-important messages. I know many people here in their passion, or in their rush, they forget some fundamental things. For instance, if you act like a forceful bible trumper (which may be caused by passion and because you understand how dire the

situation is) you will simply lose a person, that if approached in another way, could turn out to be fine. Never push people past their limits and learn to read people, if you are to do this personally. This is the Truth and the teaching has to be valued. Most people literally live into a never-ending web of lies. Do not spread it to people that are considered "too much of an idiot" to do anything with it, on the expense of your personal time. Your personal time can go on the method above, in the internet, and wield amazing results.

So in looking at one's self, one cannot teach, unless they are first taught. One must really KNOW what they are talking about, or just not take the "teaching" role. Pretending will not work either, as when one is confronted with questions etc. This will make Satanism look bad. The enemy by promoting wrong and false teachings, they have desecrated Satanism. Same as representing them in the wrong way.

I myself learned Satanism over the years, by devoting tens of hours daily, and pretty much, aligning everything with what I learned here. Irrespectively of if I studied some things or not, this came naturally, as this rises on its own through spiritual advancement. This is where the serious and potent power of Satanism is. Satanism is Truth. If people spiritually advance, they will unavoidably see it. This is especially True of people in India or the Far East, all of which came to understand the Truth by meditative practices. This is why for instance Japan is still friendly to Hitler, Racist and everything else. Spiritual advancement unavoidably makes one aware of nature, which in turn lights up the obvious in one's existence and life. The motives of existence that cannot really be "explained" do just open up on their own.

The same goes for the advanced knowledge of our knowledge and the deeper and darker web of the enemy "program" which they call "reality". People in the East for years of meditating, they come to the same understandings as us, with some differences here and there, with the central meaning remaining the same. We don't talk on religious charlatans, but real loyal spiritual people who adhere to the practices. The same goes for people who know real Ancient history, or just do observe reality as it is. The "normal" people are taught to see in a very closed and specific way. Unless the jews raise the bars, or direct them, many people cannot think and they don't possess a brain of their own. Then you have laziness or anything else.

Remember, if you go into the race of "Truth Bending" you are lost. Satan doesn't want Truth bending. This is his teaching and that's it. Satan is not bound to act in the realm of one's personal security or demands. Satan is not "god" in the sense of "Jewsus", who thrives on attention, worship and slaves in order to achieve a following. Satan can be with only one person or the whole planet, what matters is the truth and how many people make it into realization.

What can be done is that you become a master in all that is taught here. You don't need to bring your own aspirations in this, or try to become a self-proclaimed whatever. The highest adage in Satan's eyes is not your technique or style, its your ability to pass down the Truth as clearly as possible. Imagine what is going to happen if everyone injects their problems, wishes and aspirations into the Well of Truth. This will shortly become a garbage party, like the Chameleon Christianity. The same goes for trying to push things like a mad xian fundamentalist.

In plain, arouse curiosity, do not force yourself as all knowing. Arise security instead of the feeling of fear. Focus on the easy, instead of the hard. Like a teacher teachers children the alphabet first, and then advanced writing, one cannot force children to read Shakespeare on their first day at school. In the same way, don't go to some and be like "Hello, did you know, the Reptilians control the planet. You need to do something about it".

Not only this is bizarre to listen to for all people, but also, the jewish gatekeepers like (((David Icke))) have done their job in desensitizing and making all people dismiss all this crap as "Tinfoil hats" and "Bizarre Conspiracy theories". This is to desensitize the masses to the Truth and discourage people from seeking information. The same is done through movies, where people have

seen alien invasions so much that it doesn't hit a nerve anymore. This is a well-staged thing by the enemy to keep their conspiracy going. They have agents that are paid millions to execute this exact job.

Your arguments and knowledge must be crystal clear. Know what you are talking about and be absolutely ready to answer. You need to be able to answer all sorts of questions, or for a better say, you don't have to mis-represent yourself in this endeavor if you don't know. If you don't know, be open to specify this. We are not supposed to play "all knowing" and more so especially to people who don't understand. Just be who you are. If you know the basics, teach the basics.

Normally, you should never go past this, or especially try to force the "heavy pills" down the throats of people. You will only meet with the opposite reactions in many cases. Everyone nowadays is taught that their "opinion" is larger than facts, and in the nightmarish dreamy "West" a lot of people think this to be the fact. Also, do not relate sensitive topics that are of a deep nature. In other words, know what to present. Unless you have these skills and the time or will to execute these, go with method one.

Important it is also to give people their time. If people procrastinate too much, then it means they are probably unwilling, but this is not always the case. In whatever sense, you have advancing, empowering and education to do, and to advance your life and everything else through your own journey- do not waste your time on wasteful random people.

Now there are some of you who might possess a charismatic personality and a charisma in turning other people around and making them see your points, or make them follow you etc. This is natural leadership, or even scholarly, or teaching ability. One can use the talents at their disposal. Art is a highest form of massive appeal. The same goes for teaching. People underestimate the power of what they are able to do with just a simple, timed, and well calculated move, work of art etc. It could be whatever.

For those that possess these skills, it will not be hard for you to do this. You only need to get yourself down and do this. Even then, you have to follow these rules, but what I said about you consciously or subconsciously already apply. Part of this charisma is to put one's self below the Truth, while this may seem like a paradox, as this is how you will best work your talent. This is the same as a musician that surrenders to the music.

Another one, do not reduce the Truth to the level of idiots, but explain it. Make it simple, but not retarded.

As the Jewish Inbred Psychology the enemy has created in the minds of the masses say, people don't want the Truth. In many ways, this is accurate, just because people are cultivated by this through the jewish system. Many people are though literal "Truth" hungry and they are willing to absorb the Truth, in every and all possible ways. Then you have curiosity. You can go on curiosity.

In regards to people who are the worst of the worst, like, the "pretenders" who supposedly "want to know" but they in fact waste anyone's time, avoid them like pesticide. These people are not worth one minute of your time and they are the literal cancer that keeps the enemy thriving and going. From these supposed underlings that kiss the ass of jewish "truthers" the enemy has made fortunes and feeds their whole matrix of false opposition. Be aware that many people know these things are flawed, but they serve anyway for monetary and whatnot, gains. Chances are these people will fight you the most in this struggle.

As for leaflets and other methods, one has to make sure these are done in "legal" ways. One does not want to place themselves, or their lives in danger. Also, these have to be simple, attract curiosity and make people see evident facts. Those talented in this department will understand. The use of CD's, spreading them etc, is also a good idea. Of course, according to the "law", and with

you being safe. If the Truth was welcome to this world, the average IQ wouldn't be 65, neither would the planet go down this road. We are not dealing with a majority which can easily "understand" as far as non-SS are concerned.

In closing, Humanity does not have to "believe" in Satan in any such way. If it would, then it would have the necessary chances of saving itself from the impending dangers Satan has alerted us. Humanity was moving and is moving, towards its collective doom. One doesn't need to have read or studied much to understand this, one just needs to have a logical mind to see this.

Satan wanted the Truth out and this feat has been achieved. Satan depends upon nobody in this sense.

It's up to Humanity to save itself, and the Gods will assist us every inch of the way. However it's a natural rule of existence that life forms have to act in such a way that allows, furthers and empowers their survival. Otherwise, doom ensues and we will not be the first, nor the last. Satan wants to help us, empower us and advance us, to where not only individual human beings take care of their existence, but Humanity as a whole elevates itself into becoming "As the Gods". It's up to us to make the work and choices, because after all, we are the ones who make the choice and choose the routes.

[The "Magical Systems" of the Jews - One and the Same](#)

<http://josministries.prophpb.com/topic15631.html>

Greetings to all our people and Satanic Comrades.

The enemy endlessly creates a supply for lies. People instead of using their creativity into finding ways into the Truth, because they have taught to hate it, or value comfort above Truth, they use their so called "creativity" in order to create all sorts of lies. This is especially True in spirituality. In order to clean this one cannot but get a very strong sweeper.

With so many jewish cucked-outs, "Christendoomer" Racial and Global Sellouts, people who have been only living and existing thanks to the hoax of christianity, or many others who are just born to be weak and slaves (thank jews), the enemy always has a literally endless supply of people that will make up, invent and create lie after lie to hide, and hide the tracks of the jews for them. Because let's admit it, at the current point of humanity, much of it is only meant to end up as slaves. So like good slaves, they wash the feet of the jews, they hide their tracks, and they kiss their hands for every deadly blow they get into their face from the (rotting) "authority" rod of the jews.

Now for the people who are unfit to be slaves, this is in the Soul. I don't mean you average idiot outside the street who "denies the status quo", joins the FBI (Sorry, meant "Anonymous Hacker Group") and talks about the next "Revolution of Bitcoin", while masturbating to Alex Jones, or how

bad the Jews treat "Palestine" while at the same time, Hails Karl Marx the Jew, as the superior source of Social and Economic Wisdom...

We are talking about individuals who are on their sane brain and don't want to accept this silly game going on around. The halfings and those who fence-hop on the fence of "revolting", are worst than the slaves themselves. These people are plain idiots and they don't have insight in themselves or anyone else. In these categories go the "Anti-Jewish Christen Doomers" and anyone else kike or lackey of theirs that blends the Truths for the jewish liking, or covers and protects the jews better than their own mother, country or state.

Truth is like a shot. You either take all of it, or you will never take it. Bit by bit, Truth plus lies and the list goes, one can go the Jewish Enemy, and they will get trillions times trillion of lies.

In the light of the above apparent retardation, there have risen strange spiritual theories. One spiritual theory that has risen, is that the jews don't worship "Jesus" but they worship someone else, some "Old God" or even some "Ancient Pagan God", weak imbeciles trying to divide the jewish hoax of the bible in parts, because they don't have any culture anymore, or intelligence to see through. The jews worship nobody else but their own thoughform, created by the Ancient Rabbis, which has a secret name, but it also has socket names such as "Jehova". This thoughform is meant to "materialize" here below as "Jesus", in the form of a humanoid being, and help the jews take over the planet. The "New Testament" is for the Goyim to read a supposed text as this scenario did "happen", so that it will happen again.

Expectations+Subliminal Brainwashing+Spiritual Ignorance= The Goyim act in the ways that they "Should" = The Goyim on their own manifest their own damnation = Jews Win.

Now in the rhyme of the next Aeon or Age, where there is "Spirituality" coming up, worry not fellow Rabbis, said one Rabbi, we are going to use all our agents in decay to get billions of theories that will nevertheless belong all to us. The Rabbis laughed and made their "Kehillah" and "Sayanim" phonecalls. Shorly, the "Goyim" were supplied with New and "Spiritual" Fates. Some "Goyim" were also allowed to join "Judaism". Well in such a low level that they were made into whores that basically crawl before the Rabbis and pay their life fortune to get a spiritual dime. Or some new glorifying prayer to "JHVH".

This is a complete and total degradation. The worst things are though the deeper and spiritual things, or even worse, things that are tied into spiritual practices. This goes to the "Illuminati" and anyone else, whom the (((Media))) calls "Satanists", but they do infact praise "Jehova" and his "Lucifer Jesus" all the time. The Illuminati worships Jewsus as a "Serpent". Lucifer is a generic term meaning light bringer. The same goes for the so called retarded "Satanists", who are using Jewish Kabbalah and Jewish Magick, and then somehow try to pretend they are not cucked and slaves to the jews, or that they "No longer believe in any "God". Not only they do believe in a "God", but this "God" is the Jewish God, Jehovah, and his son the jew, Rabbi Emmanuel, or known as "Jesus Christ". Or just "Messiach" of the jews.

When it comes to retards and defenders, the jews have bred a never ending supply. Then you have the "Gnostic Christians". Who are supposedly against the "Demiurge JHVH", but do infact use the same "Kabbalah" and "Tree of Life" as the Jews, all of which tie into the Jewish Soul. These meditations, same as the "Invocations of the Archangels" and all other garbage in the "New" Age (Old as the Jews, Age) is the same crap. The same goes for the average "Christian" praying in the Vatican and everywhere else. Freemasonry is just wanna-be Rabbinitism, made for the lower castes of the enemy. All these are levels and castes. The enemy has a caste system when it comes to Magick. The same goes for other idiots such as "Pagan Christians" and the endless drivel or insanity and retardation has no end.

The common points: You don't advance spiritually, you worship the jews, and your highest

salvation is to become a wanna-be Rabbi. Now that we said "Wanna Be Rabbi", one brings in the mind the supposed 'Satanist' Aleister Crowley, who was doing sacrificial rites and was talking in his books (Named after the Jewish Letters) on the greatness of the "Holy name of JHVH" and the list goes endlessly. Doesn't matter what "Ancient" things you will mix into it. So long the jews are here, you are fine and with them. Just don't attempt to remove the Jew like the Joy of Satan has done...This is where problems begin.

"Why do these Goyim, do reject our teaching", think the jews?

The answer is easy and simple. Because Gentiles and Aryans have endless spiritual inheritance and they don't need to follow any jew, on a stick or whatnot. Now as for these sorry "Aryan" births that took place and use their Aryan Life to protect the Jew Christ, or are wanna-be "Crusaders that want the Holy Grail" upon which the Rabbi Emmanuel Yahushua was drinking the excrement of his midwife, jewish hooker Magdalene, we are talking of people who are either purposeful liars, or just retards that are beyond curing. This is the unfortunate Truth, that with Racial degradation, so does weaken the Soul, and so does weaken the Pagan spirit. The same goes for all Races, and the same can be observed in all Races.

Satan in the Jewish texts, if looked on as a "force that must be exorcised" (according to the enemy) is the "Spirit of Rebellion" and the "Spirit of the Forgotten Gods" or Paganhood. In plain, its the lifeforce, the insight and the power of the instinct that runs within the blood, and forces people to not adhere to the slaver religions of the enemy or the jewish culture. When enough Race Mixing, bastardization and retardation has come in a Race of people, they leave their Pagan roots and can go fine by existing and kissing the ass of the jewish excrement. This directly ties into the gene pool and anything else. Spiritual and metaphysical weakening does have this particular effect in everything. This causes downfall of civilizations. It goes from the simpler thought, to the beings life purpose. This is why the "Christians" say, that when one "doubts" or even THINKS against "Christianity", then it must be Satan. In that sense, to have questions like a human being, its Satan.

People are such imbeciles and of such ability to lie to themselves, that they all deny that all this spiritual garbage accounts to the same thing. "Fighting off Evil Satan", attacking or attempting to enslave the "Demons" in some way, worshipping the Jews, Rabbi Emmanuel Yahushua (Jesus) and its rotten cheezen father "Jehova". Or shoveling down to one's throat supposedly "Ancient Teachings" that have OBVIOUSLY been corrupted, or xianized, or mistranslated. This is the eternal context of the jews rewriting history to make it seem that this race of disturbing trashers, does have actual history.

Then you end up with these enlightened "Philosopher" idiots, who even pretend to be spiritually advanced, until you tell them to move a toothpick on the desk, or predict anything, or just do the most minor display of power. "In the Next Life, Brother". Or some other, weed-bro answer, you are going to receive.

Now for the people who want to keep hailing the jews until eternity...I would say good luck, but Gentiles who follow the jews will only be punished, both by nature and by the jews, in the worst imaginable ways. Its not me that says that, its them.

If Gentiles want real spiritual power, a hope to spiritual salvation, and to actually become anything more than a stronger or weaker Jewish puppet, or get NOWHERE on their spiritual pursuits but damn themselves by following the jews...They ought follow the advice given in the JoS. The JoS is not here to do anything else, but provide the Truth on the matter, and advance Humanity out of this misery. Exactly as Satan Commanded and Intended for Humanity.

Subject: Sermon 8/August 2016: Regarding Affirmations

I learned through experience that affirmations are a must after raising energies. Energy always takes the easiest way out. If it is not directed, it can dig up so-called "karma." Now this is not what New Age idiots keep promoting. That is false and is nothing more than a vehicle for conforming to Big Brother and the current agenda.

Most New Age people aren't much beyond Christians in the way of reasoning and intelligence.

All of us, including animals have certain issues on our souls. For example, in certain cases, people born with physical disabilities, were worked to death, slave labor, for example in a past life, and now in this life, the disability prevents this from recurring, but the individual only suffers, not knowing why.

Other aspects of so-called "karma" can be caused by interactions with others in past lives. My point here is this crap stays on the soul until it is removed.

When you raise your energies, you are amplifying your soul. If the energies are not directed through stating affirmations, whatever is on your soul and ready to manifest, will manifest.

I have read where New Age people had some very negative experiences, especially through activating their serpent. This doesn't always happen, but it all depends upon what is on one's soul. This is individual.

Say for example your doing a healing for someone. Giving him/her energy and not stating any affirmations. The loved one instead of healing, becomes worse. This can happen.

There is some negative factor on the soul and it is programmed in some way from a past life to cause illness and bad health. This can come from the person themselves, or from another person, like a parent who was abusive and hated that person intensely, for example.

The solution here takes replacing that bad destructive energy with positively programmed healing energy. The healing energy, when backed up with positive affirmations, and when it is powerful enough, will replace the so-called "karma."

Affirmations are extremely important, as these direct the energy raised.

I also want to add here that the affirmations should be short and to the point phrases. They should be in the present tense, as the word "will" in the future tense is not understood by the subconscious mind and soul. The light should also be used with the affirmations, as this is also essential in directing the energies. Visualize the light engulfing yourself or whoever or whatever you are directing the energies on.

Affirmations as I already stated should be short and to the point. The subconscious mind and soul and the energy do not respond to long sentences. If this is a problem, then spilt the affirmation and use one part for one working and the other for another working, but both would need to be done consistently.

Fate can screw one to the wall. Be aware of your wording. For example, I read of a professional athlete who used the visualizations and affirmations. She kept affirming she won. Oh yes, she did win. She was the best in the contest by far, BUT, the judges were corrupted and gave first place to someone else. After the contest, disappointed fans came to her telling her she was cheated and even yelling this out of their cars when driving away.

Make sure you cover details. Like I said, energy will take the easiest way out. Again, this has to do

with fate being more powerful, and a lack of knowledge.

If the athlete I mentioned in the above affirmed in her workings that the judges are chose her to be the winner AND that she won the contest, along with enough power in her soul and consistent workings, she would have won.

Greetings to all our People and Comrades.

This is part one of the matter in the series. I have not forgotten the requests made in the other parts of these series. These will be conversated about when the time has come as they need to be explained aside other things. Now that knowledge comes from Satan, so it doesn't have a copyproof, but an existential right. Those who desecrate this knowledge will be met with the eventual rotting and disasters this action does. No "tomb raider" ended sane. Without further due, let's continue.

Satan wants no more lies about "Karma" and people can stop being deceived now and forever. This will also solve all these "Questions" created on by the enemy, who make everyone self-guilty, confused, and misguided. Satan = Truth. Truth can be rationalized and made into understandable pieces. The jews always say the contrary in an attempt to hide this from the masses.

This time we are going to cover on the topic of "Karma". Contrary to the preachings of the enemy, the "Karma" is one of the least understood concepts. They do this on purpose.

The enemy has purposefully lied and totally misdirected people in regards to what "Karma" is, and thanks to lack of knowledge in regards to Spirituality and Astrology that both unveil "Karma", people are slavishly ignorant in regards to this concept. The enemy of course lies to people that "Their life is the outcome of how good Goyim" they have been, or that "They will be punished in the afterlife for disobeying the Jewish "God", or that "What they do to others will be done against them threefold" and the list goes endless."Karma" we can define as a set of forces that guides personal life.

Let's focus on the personal realm first so when this easier matter is understood, we can explain the more difficult matters. What is accurate of "Karma" is the term "residue". Now this is a tricky word. For those of you who know of Spirituality, you can easily figure out what this term means.

The Soul, or the individual essence reincarnates over lifetimes and changes bodies. However, this a very simplistic and definitely does not have to obey to stupid buddhist or other rules.

Karma is neither "good" or "bad". Its better desired by humans that Karma is not "suffering" but suffering in itself is not always "bad". What matters is the Purpose. The Cosmic Mandate for all beings is for them to explore themselves and understand "what is why they exist".

Let's say one is to have a surgery that will save their life. Now, this is "painful" and may also be "bad". However, the surgery can be life saving. On the other hand, one drug addict does drugs and "feels good" while doing these. Their lives will shortly be ruined. "Good or Bad" is not how one should approach "Karma" in anyway. Nature doesn't reason it that way.

This why is existential and not opinion based. Now, people have lost the language of understanding and translation, so everything has fallen into a total materialism. Karma is also not always pletted with gold. There is a Saturn (Responsibility, reality, limitations), there is a Jupiter ("good" influences, expansion), there is Neptune (unknown, "otherworldly"), Uranus (the un-perceivable by the Human understanding as it is now).

The list goes on. These influences are observed everywhere. From the animal kingdom, to existence in itself. Nature and its all-intelligence talk to us all the time, but the enemy has removed the "ears" and "eyes" of Humanity.

One's Karma can be "good" or happy, one may be entirely sound, but their life of existence may be a complete prison, such as in the case of a billionaire who spent their whole existence without any insight into existence, but was a passer-by in "joy and pleasure" and just that. One for instance can be a murderer or a drug addict, spend all their lives in crime, doing the worst things imaginable, and waste their lifetime, filled with "suffering". One is obviously more desirable and pleasant than the other, yet...For both the outcome is the same.

Nobody advanced or went forward spiritually. The enemy is solely advancing "matter" and "materialism" because this exact, without spiritual insight, will make everyone be "bluffed" into wasting their lives in ever-"newer" places of confusion, destruction, humiliation and spiritual dilatation. Nobody advances or evolves that way, and the enemy is therefore allowed to continue their slaver order which thrives upon spiritual ignorance.

All these "Karma Rules" were made merely to exercise fear over the unknowing people, so that the enemy can control them. As arrayed in my other book, the enemy wants to keep Humanity eternally locked on the "Rota", which is the "TORA" in an anagram, which is the name of the Hebrew Book of the "Old Testament"- Torah. "Rota" means wheel. This is the "Cyclical flow of life" upon which, everyone repeats their lifetimes until the Soul has dissipated through lack of meditation back into the Aether.

In the "Rotar" there is no advancement, everything, now and forever, stays the same. The enemy programs all talk in regards to how one must "Dissipate" and "Let go" into the "infinite" and stop existing, since existence is mundane and non-sense. They create the physical life of people in accordance to the same exact deal. Buddhism, Christianity, Islam, all preach the same.

This is the literal death of the Soul. The enemy kills every ability of Humanity to advance and "evolve" into the next stage of its existence. And no, digital "virtual reality" girlfriends, jello lampshades, trips to the moon with a spaceship by 2050, will not change this fact. They will just

keep prolonging this eternal suffering that humanity is undergoing from being kept from its evolution. Only the sufferers will be in a different "place".

As far as personal Karma goes, one can see this in Astrology. Especially in many charts, one will see their chart, and if the astrologer that assists the person is experienced or one has enough knowledge, they can see all the life of "normal" people on paper. By "Normal" we mean spiritually non-awakened people. To be fairly simple, Karma is the energies that are "Set" at the time of birth that define one's relationship with existence. These can be better and worse. When the enemy is posed with questions, nobody can really answer. Those who have bad charts, why do they have bad charts? Those that hit the top, why does that happen? For all questions that the enemy does not want to answer, they just call it "luck and chance". Satan knows better and relates the Truth, however.

In one other sermon of these series, I have explained how what we can call as "Racial Karma" works. Races are LABOR, and this is also physical and metaphysical. Through the process of evolution, Human beings, according to the universal blueprint, they reach a point of evolution, where their genetics become as advanced as to own a "Soul". Satan helped us evolve to this point of existence by creating us with such genetics. However, nobody is created equal.

In this case, the offspring has one "first" birth, that is purely the choice of their parents. This is nothing bad or wrong in itself. One has a "First lifetime" upon which they exist. Now, at this point, the parents made the choice as "original creators" and one takes shape and form. One doesn't reincarnate, one is just being born. After this lifetime, one can start to reincarnate and one accumulates experiences and "karma" in accordance to this. In their first incarnation, one shares the "Karma" of their parents, their parents being their literal creators in the physical and metaphysical sense. From there on when one reincarnates, one again regains "Karma" from their "Parents", but one can be reincarnated as a Soul. The "parents"(or even absence thereof) can and will affect the child, for better or for worse, and shape a major part of the person's psychology, anyhow.

This is the deterministic part of nature, that is not really deterministic, just natural. The enemy twisted and perverted this into insanity, and used this to feed their general "determinism" in their shitty understanding which is enforced to all Humanity. One can escape from this by development of the Soul, attentiveness and consciousness choice, and clear the good from the bad. One then becomes an actual individual. Most people never get through this process, and this is why they become just a blueprint of these influences. What I want to show through this, is that people share their own karma one on another, and this can be shown in Synastry in the inter-relations of this thing.

I think this is simply understood. This extends further to races, peoples, family lines, even countries and this has to do with individual physical and metaphysical development, knowledge on the behalf of the parents and the list goes. This is why there are "Royal" families and simpler families.

Even observed from a physical standby, those who have the slightest knowledge of psychology do know that the "parents" are a catalytic beginning in one's existence, Karma or life. Normally, people should be able to go "past" these problems, and just reap the benefits, however, the enemy has made a reality where you are exactly what your parents "made" you to be. This is because the Soul is cut off, so therefore, people have absolutely no touch on the "Karma". As the energies are "Set" or "Reincarnated" at the time of birth, so they remain through the life.

The planets take their turns (The planets symbolize the influences exerted upon forces that we call "Gods" in short terms) and one lives their lives accordingly. As people know, the planets correspond to Chakras. The Chakras link someone to the universe or existence. Physically speaking, these manifest here as the physical body. The "relation" between one and existence, also ties into "Karma". These "influences" have certain laws that can be understood by occultists and astrologers, or that may not be able to be "understood" completely.

To people who are locked on spiritual knockdown, they have made the theories of "Chance" and "Luck" so they can sleep at night. The fact that many things are "determined", by "choice" (even if one knows they choose or not) does not mean that anything is "Determined", as every force can be altered by another force. This is the teaching of Satan, who in the fable of Siva, was the first "God" to defeat the planets.

Normally, in a sane world, part of the battle that has to happen so that human beings can survive, there is a part where people have to survive and "conquer" these external influences. From this came the false-placed allegory of "Man reigning over the Gods (meaning the Planets)" and all the forces of nature that keep us in strict control. This process can be hard, lengthy, and there are many things into it. This is done through meditation.

Whether people like it or not, or remember it or not, they do possess an astral body. The biggest joke the enemy has pushed on people, is the fact that there is "chance", "You only live once" and that everything is "coincidental". For any coincidence to happen, there have to be interacting forces, however. And for there to be forces, someone has to guide these forces. This is how "Karma" works.

Not all humans do possess an astral body, and one part of this body is actually the "Female" part, or on a lower level, the female mind. The female mind is responsible for heartbeat, and pretty much the billions of processes take place on the "Background" as one exists. It's also responsible for the metaphysical aspects of working one's existence. This mind can be "opened" and it can be "programmed" to a degree. This roughly below here can be the genetics, hypnosis or anything else of that nature, but these don't really explain the deeper essence of this. The deeper essence lies in what is called "The Soul". As I arrayed in another part, especially the Sermon on Reincarnation, there is interaction in all the parts of the "Soul" and the bodies.

So here we have the good and the bad news. I will start with the bad news. The Egyptian people have figured out as the Gods related to them, that CONSCIOUSNESS is everything. What's so important about CONSCIOUSNESS however? We can also call "CONSCIOUSNESS", as "ATTENTIVENESS". Attentiveness means the simple thing; I pay attention, as a conscious entity. This means, that one pays attention to what is happening "around" or "within". This insight, through meditation, gives insight and control over the "automatic" processes of the female part of the Soul or Mind, which directly tie into "Karma". If one does not attend on these, the Soul can actually wither away and die, and one's whole existence will be a programmed loop, until they stop existing.

How this "Loop" will be defined, as I said above, unless external spiritual forces of conscious beings intervene, will be "As Fated" (as chosen by the other existences that brought them into birth in a semi-conscious act). The enemy is however angry in the fact that Satan, has given us the ability to be conscious. This involves advanced genetics, the third eye, the power to perceive, and higher intelligence than all the animals.

In simpler terms, if one is not conscious, their "Karma" will play exactly as it was programmed and forced by any forces at the time of their Birth etc. The "accumulation" of Karma, also manifests below here as addictions, good or bad dreams for better or for worse, relationships with others, with reality, with anything and everything. All this can be understood by attentiveness and astrology, at least in a personal level. Of course, the enemy breeds people systematically with an average IQ of 70, but this should not prohibit the seekers of Truth in having self-trust and investigating these matters.

With knowledge, everything can be known. Energy can be observed, and one can notice patterns. Astrology and all other means do shed "Light" into these darkened areas of existence. "Will" and "Energy" or what we know today as "Programming" can be tapped into and changed. Karma plays

upon the Astral body and the higher realms, and manifests here below in the physical realm in other forms. One instance to help people understand this, is let's say someone with a first house Neptune. The person is generally disposed to be spiritually open and aware, to the point that the feelings can make one fragile and easy to break.

One's Karma can be observed through everywhere. It can be through the Eye of Satan (3rd eye) or Astrology, or clairvoyance. The "Karma" is stored in the Soul and blooms like a flower, for better or for worse, when the circumstances of the external world, and enough energy are applied.

In this current age we live in, without spirituality, the "spiritual" energy of Neptune will manifest in the "closer" route, which are the hallucinogenic drugs put here by the enemy. Therefore, one becomes a drug addict and they get destroyed, instead of advancing. This should also show how others, can affect each other's Karma. As I have related in all my work these years, the enemy is fully conscious of these things and they use these.

One "Karmic" event one can observe is that of an accident. An accident is called an accident because one loses attention, and they fall into an accident. This is a very simple way to understand why "attentiveness" is important. Now for the good news, as the mind can create the "good" or "bad" Karma, it has also the ability to master it, direct it and give one True Freedom away from this "Rotar". This is the essence of Satanism. The "Eye of Satan" is glorified because through this, one gets the insight into the Human Soul, or for more accurate saying, the higher dimension of existence, through which the "Karma" takes place, and can be altered down here, so that one is finally free. This is not easy at all, and this is the essence of real evolution. People nowadays don't really possess free will when it comes to any of this. They have the POTENTIAL of FREE WILL, given by Satan.

Satan was not allowed to finish the Great Work upon Humanity, and therefore Humanity was not a "God". However, Satan and the Gods are here to guide everyone into this path if so they choose.

The lie of "Free Will" is perpetrated by the enemy on purpose to misguide humanity into thinking they are free. It's even proven by brain scanning, that the female part of the mind dominates most "Conscious" choices. This can be seen in how people involuntarily fall in love and everything else. This is not *GOOD* or *BAD* as a mechanism, what is bad is that the female mind is tempered by bad "Karma" and by the enemy subconscious programming, and people always make the wrong choices. This reeks into civilizations, households and relationships. This can be fixed. From this results what we know of "Suffering" and everything else. The solutions are meditation, attentiveness and knowledge that one has the potential to develop a free will. As thus, one escapes the "Rotar".

While Karma (as in the karma of one's whole life), for the exceptionally experienced people and Masters of Meditations, can be controlled through the Will and Conscious effort, one can just alter their Karma with simply, the spiritual means. As I stated above, all this manifests in the higher realms. One can see disease astrally, even tendencies and underlying problems, or gifts of all sorts. Karma has grades and depths. As one meditates, one raises "above" Karma, as their energies are becoming brighter and the brightness of the Soul ensures positive things.

This manifests in the Astral body as the "Tree of Life", which represents the Human Soul. In there, one can see the "branches" (nadis) and the "Vibrancy" (light of the Soul) of the tree, the vibration, one's existence, and the list goes endless. If one can water the tree and everything else, defines the Tree of "LIFE". Life doesn't always mean internal life, it also means external life. The same goes for the protection meditation. Will is finally exercised to take the "route set" by all other forces. One really starts to exist in a starting stage. One defends themselves from these negative influences and energies that the universe and other sources exert on somebody.

Cleaning the Soul has also the same effect. As for superior workings of guiding one's complete life,

or "giant Karma", or anything like this- I am not obligated to extend further, but all I can say, is that this is the essence of Magick. Essentially, magick affects the "Karma". Things that would not "Normally" happen, "Can" happen. Anything is virtually possible, but that doesn't mean everything can be done with one's present power. This is why advancing in power is important. But one must first advance on insight. Be attentive.

One last note to close the Karma and the Personal Karma, is that actually, one can also affect "Karma" from the physical realm. One doesn't really reach the source of the problem, but the symptoms can be "Controlled" from below in some ways. One example here is one is sick, and they get a disease. They have a surgery and they "Remove" the outcome of the disease. That is not pleasant and might have other outcomes, however, the real disease begun at the Soul and is rooted in the Karma.

So the disease might again re-surface in the future, or one may never heal and the list goes on. The Karma can be changed, as far as some things go, by one's personal choices and "Eksis", which Aristotle talked about. Simply, the life choices, and the "persistence"- or more simply, the habits one develops.

For instance, certain habits, produce certain outcomes. These can be understood by logic. One's "Karma" can adjust to these, as a liquid can attach to a new glass. For instance, one may have a very violent and warlike natal chart. Instead of one becoming an underdog murderer, they become a military personnel, a master martial artists, or whatever else of that nature. This can be manipulated from the physical realm, but the effects may not be permanent in the Soul, unless this is ingrained into the Soul by over-the counter "habitualization" of something.

In a simple paradigm, one follows a diet that makes them fatter. Soon, they will be turning into a whale. If the diet is stopped, and one changes it or exercises, the problem might disappear. One will not have to deal with the karma. This is where attentiveness and choice come into play, and they don't really need metaphysical means to be worked, unless one needs more serious means for that reason.

Another instance, is that someone meets with someone who is a horrific influence to them. For whatever reason, they continue association. This ends in disaster for one, or both parties. If only they used some intelligence to stop this (its not THAT easy in many ways, and sometime "Karma" is a pure brutalizer of "Free Will") one would stop this. One can still act on anything, just by mere intelligence. This is why the enemy attacks intelligence, natural common sense and does so spitefully. Intelligence on its own is a fundamental beginning in order for someone to be free. This is why the enemy pushes massive bastardization and retardation, amongst other nefarious purposes.

The best way to escape "Karma" is habitualizing the things one likes, and enforcing the matter from the spiritual realm as well, until the problem is blotted out and one reaches the desirable outcome. This can be easier or harder, depending on the depth of the ingrained "Karma" or "Residue" that exists therein.

One closing note: Your Karma does not have to do with how much jewish ass you have kissed, if you were a good Shabbos Goyim, or if you actually prayed to "Allah" the other day or not. However, these people play "Karma" and "God" by actively manipulating and attacking all others who are spiritually ignorant, so they think of them as "God" or "Sons of God". Physical means are also used, and this affects someone accordingly.

Karma can, and is actively being manipulated for the enemy. The naive enemy excrement gatekeepers say some things like "Oh, if you do bad theengz u gon be punished!" The jews have however went for thousands of years without and "punishment" whatsoever, other than some flack here and there. "Karma" can be redirected, and can be used against others as well. Jews never

payed for their Karma, but everyone else does. "God" is above "Karma" and "God" is anyone who knows and controls this principle. At least to others who do not know.

I hope this clears up the "Personal Karma" and how it works and the means people can work to correct these. The other piece will tie into the "larger" families of Karma, such as family Karma, Race Karma and the list goes.

The jew Sorros is behind Black Lives Matter....Its a Marxist front, based on openly (((Marxist))) ideology.

False philanthropy has always been a major weapon of the Jewish race.

topic15404.html

<https://www.rt.com/usa/george-soros-class-war-619/>

From the article:

Soros goes on to say that as the crisis in the Eurozone only worsens, the American financial system will continue to be hit hard. On the way to a full-blown collapse, he cautions, Americans should expect society to alter accordingly. Riots will hit the streets, says Soros, and as a result, "It will be an excuse for cracking down and using strong-arm tactics to maintain law and order, which, carried to an extreme, could bring about a repressive political system, a society where individual liberty is much more constrained, which would be a break with the tradition of the United States."

Now the jews have brought South Africa to America the same way:

Blacks openly hunting down and attacking Whites based on race in Milwaukee race riots happening now:

https://www.youtube.com/watch?v=nbXOQ2_adII

Its just going to get worse.....

Mandela the Marxist terrorist, with his jewish boss, Slovo. It was the international jewish elites that destroyed South Africa with jews on the ground leading the plan. Which includes total White genocide.

The same plan for White Europe now in effect with Sorros over there as well pushing it into action among other jewish elites.....

Hungarian Mayor-Globalist Jews Funding Invasion:

topic12965.html

Jew Soros Admits To Destroying White Europe via Invasion:

<http://www.breitbart.com/london/2015/11...-obstacle/>

Which is why the EU was created Jewish International Banking elites, the Rothschild's, Warburgs and Baruch's.

The Jewish elites in America, Britain and the Jewish owned USSR came together to destroy Rhodesia just like they came together to destroy Germany and their allies. Putting Marxist, puppet Robert Mugabe in power and unleashing a total genocide to tens of thousands of Whites. Same would follow in South Africa with the Jews with their Black Marxist puppets took power. Of course the Jews had no problem when Mugabe murdered 75,000 of his fellow Blacks as well. As long as Whites were being totally destroyed and Jewish elites got total control of Rhodesia's resources.

Now White Genocide is marching through America's streets.

The Jews exported the same (((Marxist narrative))) to America they did to South Africa, Rhodesia and Europe.....The one the Black Marxist, terrorists are using in Milwaukee's streets... Cultural Marxism.....

Because the main agenda of Judaism has always been White Genocide.....

In the Jewish writings Samael [Hebrew word for Satan] is called the father of the Aryan race openly. The White race is also called Amalek in the Jewish writings and Samael is stated to be the White race's father here. Here in the Jewish writings we note the Jews heap blasphemy upon Gentiles and Satan. And gives the direct order to exterminate the White Race, along with all Gentiles, the "mixed multitude" it describes the different Goyim but puts the White Race into a special category to be "bolted out" forever as it states below we are the children of Samael/Satan, directly.

The Jewish Zohar volume one, pages 28b to 29a states:

"At that time the mixed multitude shall pass away from the world. The mixed multitude are the impurity which the serpent injected into Eve. From that impurity came forth Cain who killed Abel. For they are the seed of Amalek. Whom it said "thou shalt bolt out the memory of Amalek." Gentiles who are compared to the beasts of the field another from the mazikin [goblins] for the souls of the wicked are literally mazikin [goblins] of the world: and there is impurity from the side of the demons and evil spirits: and there is none so strange among them as Amalek who is the evil serpent "the strange God." He is the cause of all unchastity and murder and his twin soul is the poison of idolatry, the two together being called Samel.... This side of the serpent is accused above all."

The Jews don't care about Blacks, in fact the Jews were running the Trans Atlantic, slave trade the whole time and were most of the owners of Black Slaves in America. The first synagogue in America is right where it is, the major port of the slave trade. Because the Jewish community was running it. The Jews even passed monopoly laws on slaving stating only fellow Jews could participate in the slave trade as this book: *The Secret History Between Blacks and Jews.* Shows. And the Jews also ran the economy's that ran on slave labour. Thus Jews ran both supply and demand for Black slaves the whole time.

It was Whites much to the eternal outrage of the jews. That worked tirelessly to end the slave trade and give the Blacks their freedom and their own homeland in Liberia.

The Blacks are just a weapon for the jews to use to genocide the Whites. While the jews genocide everyone as Judaism is a religion that is built on genocide and slavery. Just read the Torah.

[Our Warfare and RTR's are Ruining the Enemy : JoyofSatan666](#)

Greetings to all our Satanic People and Comrades.

While the jewish media is hiding the facts, one can see beyond this if they are enlightened to what the (((Media))) does. All it does is lie, promote jewish propaganda and subconsciously brainwash the masses into being afraid and so they can keep remaining jewish slaves.

Behind all this, one can see, except of our obvious victories such as the Gawker Media Empire, that there is more and more happening. Not only the enemy is committing deadly mistakes, but their act is becoming obsolete and people are magically "figuring" things out. Also, irrespectively of the enemy's attempts to spiritually fight back, our Rituals, if continued with never ending intensity and vigor, will collapse them.

We will go down in history as very few people who have literally dealt with this spiritual cancer of the enemy. Our tenacity, loyalty and adherence to the Truth is finally paying off. I remember years before, where I organized the first collective and adherent workings against the enemy, we striked with all our people back then and this turned the wheel later, so the RTR's came into the light, let alone severe casualties in the enemy side. Now, added to our efforts back then, things are more bad for the enemy as ever before. All of this is amassing and it will manifest physically as we continue.

For that reason, the RTR's must be kept and printed as spiritual weapons meant to be used by all Gentiles, and these are our spiritual weaponry against the enemy, aside everything else.

There have been voices of fools and people who cannot understand the plain Truth: Not only we are in a very serious situation, but Satanism is right now in full blown warfare with the enemy and their lackeys, lurking here or whatever. Nobody should ask of a spiritual toning down, but people have to ever-mightly keep attacking the enemy without any spiritual remorse.

The enemy has a caste of "Rabbis" or in other words, people who are behind the spiritual defence of the jewish Race. Not only these are detoriating and the good one's of these are failing, but they are collectively failing as a group as well. This is evident and I can't reveal my sources (Those of you who study the enemy know) but this has manifested as a lying rampage of the enemy side, in that they are trying again to prove themselves "Innocent" and the old jewish lies.

I even read around that the jews are giving up "Judaism", even "Rabbis", as some sort of "Mistaken belief" by their Race, dismissing the "serious ones" as retards, just to hide their tracks from the insane amounst of sudden "interest" for all people feeling threatened by the murderous "Judaism". Many people nowadays know about the Torah, the Kabbalah and all their acts of atrocity, or the

Zohar and all the other murderous garbage they have written. They sort of want to turn this into new "Age" garbage so the Goyim can believe them, while on the back, as always, continue the same act. The same goes for trying to suddenly, especially after 2015, being in a race to "Dismiss" all writings that reveal their nature as "Superstitions" or "Lies by their enemies". They are however too many to hide, and they are also, based on an ignorance spell for the Goyim to work, which is no longer working on the "Goyim Slaves".

Our Victory will largely depend on how these "spiritual castes" of the enemy are spiritually depleted and destroyed. The RTR's do this automatically. They do the same for Satanists, as Satanists and very few other spiritualists who are with Satan, knowingly or not, work for the protection of the order and spiritual power of all Gentiles. No, I don't mean anyone we know here or can find online, but people like Tibetans or others who have risen past the level of the jewish "Matrix" and can spiritually see the root of this problem. This is why these people instantly joined Hitler, same as millions of Hindus, who still to this day, adhere to Hitler as a universal savior for which they only have admiration and positive comments.

The enemy, they have done this for centuries and this is why we are here, to stop this. The enemy will not stop spitefully attacking, parasitizing, undermining and spiritually destroying. Lying is their nature and they are going to invent trillions of lies just to cover up Truths that are in front of anyone's face. This works and is backed up by their magick and jewish drivel and bloodthirsty "Cabalism". The average "Rabbi" or devout xian, prays for more than 5 hours on end. "Prayer" of theirs is not prayer, but psychic spiritual warfare. These prayes revolve around their "God gaining power", "People Subjecting to God" or even outright curses against Satan or people that are against them.

This is a wake up call to all spiritual people who can see the Truth.

Our people need to grow up, become serious and engage in as much and as intense spiritual warfare as humanely possible. This must be done obsessively, and to the point of suprasing even the enemy. Humanity needs warriors and for centuries upon centuries, there were *ABSOLUTELY NONE* Spiritual Warriors to back up and defend Humanity from this peril.

The supposed people who are to do this in our "Western Civilizations" (the "Clergy") are just jewish traitors who are infact, *ATTACKING THE PEOPLE AND NATIONS IN WHICH THEY ARE*, from *CLOSE PROXIMITY* and with *JEWISH MAGICK*. All this, in a giant paycheck that the "GOYIM" are working to generate. These people are traitors, and if they are not full blown rat jews, they are spiritual jewish footsoldiers, attacking their OWN KIND FROM WITHIN. They are doing the job of the Rabbis, on their behalf, WITHIN OUR MIDST. When people wake up enough to understand this, all these programs will be blotted out same as them.

For this reason many of our nations have been subjected, filled with traitors and have been spiritually, morally and physically destroyed. This is the essence of "Christianity" and "Islam". Also, all of these so called "Clergy" of the enemy, know entirely and work completely on and with the Jewish Kabal at the top. Its all a conspiracy. They do this to gain benefits and mainly, physical goods.

As for the spiritual undermining of the enemy.

If this is successfully done, as the enemy has their backbone in their spiritual slavery first, and then the physical, they will eventually collapse. The jews are not here because they are "powerful", but because all others have gradually become too weak or without knowledge to stop them. They didn't win by power, but they won their fights by the arrogance, and lack of knowledge of their victims.

As thus: Spiritual Warfare, EDUCATION! Here are the solutions and none else are real and long

lasting solutions to this problem.

We are marking progress with just a few years, and not even closely the numbers or astral and physical means the enemy does possess. This is a very good omen. However, this is nothing on its own and people must continue. This strikes fear into the enemy, who will of course attempt anything to misdirect, misguide and keep our Warriors out of battle. With the enemy spiritually torn and destroyed, everything will fall in place, and this includes personal endeavors and the physical life of our members here and all over the World. This may seem long, but for those who are "Veterans" into this war, they know that the same issues existed when we were just starting out.

A massive awakening is being caused and anyone spiritually competent can see this. This is in the webs, in comments, in parades, everywhere. It is not beginning to happen in the minds of millions upon millions worldwide, and the ship has been set asail. Now we need to keep blowing the air, until the final spells of the enemy fall down aside of them and people realize that THEY do possess they power, and ACT to finish the job here as well.

People can finally see through and as time goes, this will blantly manifest physically. The jewish media and government terrorist is having a boomerang effect on the jews, and this is also the "Trump Card" in order to control this revolution. Their old "values" are becoming obsolete and now they are more exposed than ever. More and more voices are being raised up, the name of our God, Satan is being cleared. This process will just keep escalating, lest we continue our spiritual warfare and warfare of education.

We must in no way sleep over this success, but we must be proud and thankful.

It is NOW that we must be more vigilant, forceful and aggressive than ever before. Do not let them put you down, strike fear into you or demoralize you. When you hear their voices and you see them, know you are seeing a failing slaver. The ship has set asail.

People say they love Satan. When someone is loved, and one means it, that means one must fight for the being whom they love. Those who call themselves as SATAN-ISTS (Those of Satan) and have realized the Truth of Satanism and the Truth behind Satan, same as this cosmic mission presented here, they must take their spiritual arms and march in warfare.

We Rose together and we will march on together finally and until the end and eternally further!

Satanic Comrades,

SIEG HEIL!!

HAIL SATAN!!!!

HAIL TO ALL THE GODS OF HELL!!!

HAIL TO ALL OUR PEOPLE AND COMRADES!!

Subject: Fabian Society, Orwell, Russell Brand, Useful Idiots

Fabian Society, Orwell, Russell Brand, Useful Idiots

This was an answer to a question on Orwell's 1984, I gave on the forum....

Orwell was a member of the Fabian Society a Marxist organization dedicated to Marxist subversion. Fabius who the society is named after was a Roman general famous for never fighting a direct battle but wearing his enemy down with gradual attacks and tricks then moving in with the full army and destroying them when they were too weak to have a chance of victory. The symbol of the Fabian Society is a wolf undressing from sheep's clothing.

The Fabian Society was founded by the Jewish Sassoon's and its magazine/society was being run by a Jewess from the Jewish banker elite families who are connected to the Rothschild's. The Rothschild's who in Zionist publications called themselves "The Kings Of The Jews." And want to establish a global Zionist dictatorship under Communism. Moses Hess the major writer of the communist manifest is the intellectual father of Zionism and stated in his writings. Zionism is building a Jewish world government run from Israel.

topic14147.html

Extolling the Talmud and delegating Moses to the inferior role given him therein (page 91), the whole cry of Hess was for Jewish world rule from Palestine "between Europe and far Asia ... the roads that lead to India and China," and he told Jewry:

"You have contributed enough to the cause of civilization and have helped Europe on the path of progress to make revolutions and carry them out successfully." He called for Jews to "March forward!" and stated: "The world will again pay homage to the oldest of peoples." (pp. 139-40) The "Talmud is the corner-stone of modern" Orthodoxy, (page 143). He looked to black magic, the occultism of Chasidism, which along with Zionism, was to achieve Communist dictatorship." "The great good which will result from the combination of Chasidism with the national movement is almost incalculable," (page 218), and he added, "Although the Chasidists are without social organization, they live in socialistic fashion." (same)

The translator called Hess, in the 1918 edition Preface: "The herald of Nationalism and the trumpet of Zionism."

When Russell Brand was dating this elite Jewess. Then magically Brand becomes a Marxist shill for the Jewish establishment, his failing career gets a boost. The Fabian Society has been a major wing of creating the globalist dictatorship of the Jews. It was involved in the League of Nations and later creating the UN. The Rockefeller's are one of the Jewish elite dynasties operating openly within this Society as its heads. In 1951 the (((Fabian Society))) created the Socialist International, to carry on Karl Marx's First International with the aim of using their (((UN))) to create and coordinate the agenda of establishing world communist government. The UN was created by the Rothschild's, Rockefeller's and other Jewish elites, like the EU. To march the world towards world government. Agenda 21 for world government, the (((UN))) created, its stated points are literally the points of the communist manifesto.

As Mullins showed the Rockefeller's created and owned the American Communist Party and ran it thought their fellow Jewish mogul, Armand Hammer.

A little note on Armand Hammer....

From:

Dossier: The Secret History of Armand Hammer By Edward Jay Epstein Random House/US

This investigative book exposes the life of Armand Hammer -- hailed during his lifetime as a successful businessman and philanthropist -- for what it was: a myth, nurtured and embellished for nearly 70 years. In 1922, Lenin wrote a secret letter to Stalin, designating Hammer as their official "path" to the resources of American capitalism. From then until his death in 1990, Hammer was indeed a Soviet agent.

Either Brand really is that stupid from bad genetics and years of heavy drug abuse and believes living under a society where he is not allowed to have any of his expensive material possessions including a multi million dollar bank account. And the revolutionary holocaust, Marx wrote is the crucial part of Communism is in full swing.

In which he probably won't last long, along with the other Limousine Marxist's. Is wonderful. Or he is a opportunist. I doubt he even bothered to read the Communist Manifesto. He also pimps for the xian scam and promotes the jew, Che who even openly enjoyed murdering 13 year old children. As a hero. His tour promotes the fact that xianity and communism are the same system. As the pope admits. Brand is simply whoring for a global communist dictatorship openly. This is a normal part of subversion of society with false counter cultural figures. John Lennon a strange weirdo who admitted he sexually desired his own mother and was an abusive personality. Also shilled the same. His song "Imagine" was simply a call for a global communist state. He just took the bulletin points of the communist manifesto and put them into a song for the masses to rock along to.

Orwell wrote that book as warning as to the real future the jewish globalists were planning. The book is based on Stalinist Russia. Which was run out of New York and London. Mullins also noted jewish, Abe Herrmann was flown out of New York to run the Soviet Union on orders from Rothschild when Stalin had a nervous break down in 1943. Trotsky was a agent of the Rockefeller's and Lenin the Warburg's. Its no mistake President Wilson, who jews in the known such as Freeman admitted was a agent of jewish power, stepped in and got Trotsky released from prison in Canada and got his passport back to get to Russia with all that Rockefeller money he was found with. Just like Warburg sent Lenin into Russia with trunks of shekels. Just as its known the entire communist revolution was funded off Wallstreet by the Rothschild's, Rockefeller's, and other all jewish bankers. The same ones who all own the Federal Reserve and the Fabian Society. But Brand is like against the same bankers he shills for or something.....

Note the character called Emmanuel Goldstein. What does that tell you.....The rat torture Smith is given was a common one used on the enemies of the Bolsheviks in Russia. Orwell's book Animal Farm is on the Bolshevik revolution in Russia. Napoleon is Stalin and Snowball is Trotsky. Note he made the leaders all pigs, the most hated animal to jews.....its a swipe at the kikes.

Subject: The Rise of 'Beta', False "Morality" and Jews			

The Rise of 'Beta', False "Morality" and Jews

Greetings to all our people and Comrades.

Satan is not a bringer of weakness, meekness, stupidity and failure. While these things are human and accepted, irrespectively of everyone's present level, one must advance and become better. One must keep becoming, and their "Rise" must not stop when they are in the "height" of their "physical" maturity or anywhere else. Its a throughout process within lifetimes and this is the meaning behind everything and what we do.

Thanks to Satan, Humans do have advanced genes (and metagenetic factors) who allow them reincarnation. This way the Human being is not really lost, but they continue existing. Unfortunately Satan wanted to finish His Work and grant immortality to Humanity, so that we can finally really advance, but war broke out due to the enemy not wanting us to advance and become better as entities.

This reeks for the enemy in all levels. The enemy is such a psychopath, that doesn't even want people to have sex or enjoy the simplest thigns in life. Real problems begin when people, in any case, start to become powerful and advance. There is opposition and setbacks both set by others, and one's self. As I have said in the past, this is not always the enemy, as the enemy "cannot" do this, but what they can is like a parasite, program the mind of the host, to do this to themselves. This is largely how their parasitic magick works and it mirrors their existence and general work upon humanity.

Xianity and the related jewish programs, were adjusted in that way to allow and promote the survival of the meek, stupid, unintelligent people and generally, civilization hazards. Not only this, but disease, mental weakness, lies, murder and everything else is straight up promoted by these programs. Christianity and the related jewish programs injected war into the daily life, in an attempt to "Rebuke Satan" and technically, make all human beings give out their life, make beings open to jewish lordship and parasitism, and destroy the human soul. Christianity is what preaches that the human soul is corrupt, people are corrupt and everything is corrupt. To make sure "this becomes True", the enemy forms the necessary conditions for this corruption to take place.

On one hand, they tolerate it and promote is as they *ARE* corruption and criminality, on the other hand, they give fake unrealistic soap sugar hopes on how "Things will get better". So people swing back and forth and there is never an actual solution. These programs reek evil.

The natural habitat of the jewish virus is a place of where criminality is law, civilization is a jungle, and evil is the rule. So they make the world a good natural habitat so they can thrive. All others however cannot survive this process.

By promoting inferiority as a virtue, stupidity as intelligence, being poor as being "rich" and all these inverted values, the enemy made an inverted society. So now we have all the corrupted, disgusting and servile slaves, ruling over the stronger, more intelligent and more capable. The jews had to degenerate everyone else below the level of complete retardiation, and this largely ties in to reduce the power, intelligence and capability of the human livestock, or promote stupidity as intelligence, so that the "Intelligent" become stupid. Humanity suffers both from the "all knowing intelligent" as it suffers equally from the damned and the stupid.

Xianity promotes values of slavery, a slaver mentality, the need to serve the jews. This bleeds into

civilizations and all the relationships between man and woman, family, mother and child, neighbors, people and state. It bleeds everywhere. This has largely got to do with the subconscious mind. From these jewish programs, civilization has been wrecked. No civilization except of Nazi Germany (Even Nazi Germany wasn't fully recovered as it was attacked fast) did make it outside of this jewish matrix.

This also ties into the metaphysical reality the jews want to impose upon humanity. This damages the Soul and this psychopathology and torture (because the jews also do all sorts of terrorism and physical torture to people, such as worry, endless anxiety, fear, terror etc) is carried from lifetime into lifetime, and bleeds all over the Soul, while destroying it slowly. So the persons afflicted by this malignant disease, are becoming accustomed to it, and they keep reincarnating, while spreading it. This is why one sees devout xians and many other filthy garbagers here, and why they can never leave "The Christ" or typically, the slaver jew, no matter the evident that is presented to them. The Soul has been completely worn out by this point.

In plain terms, everyone is made neurotic, pathetic, and dumb, as its natural for human beings to seek to become better and advance themselves. People are broken down, separated and alone. When they are "together", they are only together to form disasters and cause problems to one another, and this is especially true to "parties", "unities" or "religions" that are of the enemy jews.

Unless people are jewish sociopaths or souls beyond fixing, they don't resort into any "evil" things, unless there is some force that they can't really shake off. For instance one is diseased, and they spread this disease. If one wasn't sick or there was a cure, there would be no problem. The "medicine" or "Symptom supression" does not solve the problem, anymore than a painkiller doesn't solve the reason of pain. This is what the jews do to humanity, they provide lies and painkillers until the disease of theirs has eaten deep enough to destroy us.

Another paradigm, one is poor, so they have to murder to eat. One has no ability to work, so they turn to usury or crime instead. Contrary to jewish belief that "It it what it is" and that "God (a kike in the clouds) JHVH" made it that way, Satan disagrees. Evil is caused by weakness and by certain external conditions, that if we had Satanic Rulership, wouldn't exist. For the psychopaths, murderers and the insane, that's a terminal and health thing and here we just point out of normal cases, as this can also happen. What matters is the majority.

Humanity can go past this, but the jews DO NOT want us to go to our collective destiny- as this will immidiately ask for their blotting out and for many "changes" within the constitution of the parasites and crapsters that nowadays, keep humanity back. Humanity was just fine before their emergence. People were advancing on their pace, and nothing was mixed into a deadly brew. Things were left on nature to advance and people largely, as paradox as it may seem to us today (thanks to jewish programming) were fine with it. So these sorry pieces of life do everything they can to keep us as far behind as possible, and for as much as possible, until they can launch technological enslavement and turn this into Orwell's 1984, officially turning Humanity into GOYIM SLAVES.

So the jews always promote the Rise of the Beta and the Slave. Slaves are characterized by being robotic, serving without thinking, accepting all sorts of torture and injustice, inability to do anything, even retardiation, stupidity and being servile. Its to the jewish benefit after all, that these values and humans are promoted. Humanity doesn't go towards life right now, it goes towards collective doom and death. The Betas and Slaves (irrespectively of gender) are the first to give in, and to sell out to the jews. The jews see their heads as the ladder of ascention and they are right. They press on their head for a quick buck, and they achieve their purposes.

Imagine if you were a cattle owner, would you want cattle that are too intelligent or too powerful, or cattle that can destroy the stable from which you parasitize and make your own "Blissful" existence? Because the jews see Human beings as cattle, this explanation here is all that is needed.

They enforce the breeding of the lowest and most stupid cattle, promoting sickness and weakness in every chance they get, and demoralization and terrorism on everyone. That way, the cattle will never figure out they are cattle, and everyone is kept blind and exploited.

For instance, the jews indirectly promote all sorts of murder, downfall and weakness all over the world. Sickness. This is done by making sure the sick individuals survive. Weakness breeds evil. If one is very weak, they are very weak and they want to drag others down in weakness. Weakness like strength is also contagious. The jew laughs to see the Goyim go downwards a spiral of death. The "Beta" males, or Gamma, or Delta, or even Omega, are now LARGELY (not entirely of course) in politics, bussiness, religions and everywhere else. By these inferior garbage that is put on these positions, the idolization and glamourization of Beta, is everywhere. People strive to become Beta, and retarded. This is why our "Idols" today are not Adolf Hitler or Tesla, but (((Jonas Brothers))) and (((Miley Cyrus))).

This sets the baseline too low, and given in these mixed and beta civilizations the enemy has created, the standards of intelligence, bravery and strength are ever lower, the paradoxical and unnatural happens: The Great Men *CANNOT* survive and they *CANNOT* make a difference. Original thinkers, people who are better than others, people who can give more to civilization, are blotted out as if they were a disease. Untalented yids, cancerous jews, people that are retards, beta and born to be jewish cuckolds and slaves, are promoted and forced in the front. The enemy also does this racially, as destroying the races and promoting the lesser elements of each Race, getting them to the top, or people from another Races within one's Race or civilization, to wreck and demoralize mentally the "Goyim" that wake up to certain Truths.

This is how "Natural Law" has been inverted. The jews who are the bottom of existence, as rats, do enjoy the creativity of the Whites, the industriveness of the Asians, and the exploitation of the Black Land, all in their feet. They are sitting as if a stinky rat sits into a villa, or a courthouse, or an industry, under their guise.

Weakness also breeds moral weakness. The jews destroyed morality in everyone else and hijacked this with false jewish morality, in order to dumb them down and weaken them. Morality can be a source of strength if morals are real, but in this case, all "morality" is just false and breeds greed, weakness, makes one servile, cunning. "Reactions" are also controlled from all sides. Where there is moral and spiritual weakness, the enemy can invade, bribe and conquer. The first part of destroying White or Gentile Morality, began with the systematic production of the program of Judeo-Christianity.

As Whites degenerated from admixture and accepting the lesser elements within their midst (above all their own lesser elements) they were taken over by these easily deceived, retarded Betas, who are open and susceptible to the influences of the yiddish underbogs. Slowly this reeked over in an interbreeding process, and this is why very few politicians or figures are now non- Jewish. Thousands of years ago the jews had problems with physical power, but they surpassed it as now they hide behind offices, oval tables, castles, governments, and everywhere else.

There is though one kind of power that they cannot entirely muster, and this is why they hate this. This is the Spiritual Power. Spiritual power is the root of all that is, begins, exists and will exist. It is the cause before all the causes on the physical realm. Accordingly, the jews attempted to remove this by removing spiritual knowledge. This would make them undisputed lords and masters in this place. This also creates the necessary false morality, makes one be able to be lied to, and through weak morality and weakness, the ever-weaker jew can pretend of strength and boss around the inferior, who are actually their protectors and builders.

This war is a war of demoralization, promotion of weakness, and its generally, a spiritual war. The jew incarnate is actually the manifestation of a weakening influence for all Of Humanity, if anything else. They are an anti-thesis to the evolution and perfection of Humanity.

Adolf Hitler was well received by all of Humanity, to his time and now, as the anti-thesis and the revelation that Humanity needed in order to realize its mortal and bleeding wound. No wonder, the enemy attacked this real Master and Leader of Humanity. Adolf Hitler taught Humanity something fundamental. There are no limits for people that want to advance, become better, and the "Impossible" is well within reach if Humanity only so decides. Hitler reminded Humanity that Humanity can become GOD. That humanity can be preaceful, brave and not war-like (the jews started war on Hitler, not the other way), and that it can break its cage and return to natural order, which ensures peace, order and advancement from everyone.

Advancement solves all sorts of problems, riddles and milestones Humanity could possibly face. Everything would be possible with a healthy, co-operating and well placed Humanity. The enemy prevents this, and prevents everyone from realizing that *WE* are *GOD*, and not some sort of jew hanging on the clouds. The hiding of this realization is the most major purpose in the jewish agenda.

The evil in the world is what keeps us back from this important Soul/Individual, Racial/Special and Existential/Common advancing. So you now *KNOW* what the evil is, and why its here.

Subject: Old Shills, New Shills, Forever Shilling [Learning The Joo]			

[Old Shills, New Shills, Forever Shilling \[Learning The Joo\]](#)

Now that the enemy is acquiring problems from our education and work, same as the times moving against them, you will see all sorts of things that will be seemingly "unexplainable".

I have written about this years ago, on posts dealing with what the enemy was going to do in the future. Now, this is happening.

To make an estimation...

The enemy as its well known to everyone to do *ANYTHING* in order to deceive, destroy, subvert and survive. Absolutely anything. Their lies, deceptions and their "matrix" are their lifelines. If these start to go down, they will try to "Ressurrect them" by "Updating them" to what's "New". Trump is a manifestation of this. "Silent Majority Oy Vey", "We want to build a Wall Oy Vey" and the list goes on. This is level one of their reactions and in many ways, this "works wonders". We can call this "Level One of Jewish Alarm". Here we have infiltration, subversion from within, trying to "mix" and "conjure up" anything to fill in for anything.

The basis of their system ALWAYS remains the same. Here we have rigged elections, false "change" movements, and the general retardants and time wastings of "Demokrazy" as the jews have corrupted it to be.

In a religious or social sense, this is why we have slaver medieval jewsus, hippie jewsus, druggie DMT jewsus, Asian Jewsus, Pedophile Jewsus, Black African Jewsus and anything else. A lie can be molded into everything. The same can be said for their rotten religions, political systems, or even

servants. These are people who have been trained for their whole life, in order to learn the art of infiltration, subversion and destruction from within. The enemy on this level is "borderline" worried. This has been the consistent level the jews have taken after WW2 and the major awakening of that time.

After this level, we have "level two". In level two, the jews still try to cover up lies and conjure new ones, but to a lesser degree. This cannot happen from within since they cannot "infiltrate" and have lost the power of "tying in". This is the level where the jews try to play good and play tabs, pretend to be friends, or at least non interested. They will sacrifice as many of their own in the fire as they need (even the Jewish God does this in the Torah, to save the Jews from an enemy king, so even the King let his guard down and the rest of the jews destroyed him) to prove they are NOT guilty and that EVERYTHING is FINE. All of it will be pampered as a "THING OF THE PAST". This gives them time to prepare for "level Three". The jews at this point are either "baseline worried" or "extremely worried".

On "Level Three" the jews go into open warfare against their enemies, and they of course blame their enemies for it, because they already went into "level two" and trying to play the good and the tabs. This is a full blown war and this is what they do to Germany. They do this through others etc, but this war is a war on all levels and the jews pull this when they are afraid of literally losing everything. This is where their power to lie and everything else has deteriorated, and they no longer "Expect" of it to work, but they use it anyway.

On "Level Four" we have two outcomes. Either the jews have won, so they try to make the false heroes, and try to again "Restart" their Matrix with more favorable conditions, or they just, after having "completely lost", try to summon endless mercy and recuperation time from their enemies. This is exactly what also guarantees the "re-running" of their Matrix, as they will technically restart everything all over again, and use their same, worked and proven ancient methods. Both these result again to them "having it their way", the only difference in this is the time they have won or lost in all of this.

As for Trumpey, Jewsus, Killary and everything else, all these saviors have one thing in common. All these are by nature empty promises and this is exactly what the jews do. The jews see "hope" as a major weakness and retardiation on the part of "Non Reptilian Goyim Slave Society". They try to keep up with the times, and will of course, since they are losing in many ways, try to win time, in order to become stronger and comeback even harder on the "Goyim Slaves". Part of this is "Mercy" and forcing the Goyim to "overthink" in regards to the jews, or important matters such as illegal immigration and generally, everything that needs IMMEDIATE moves, for it acts as a quick infection. The system is made in that way so that people don't have TIME to think about anything or tackle these issues.

This is just to divert attention, make the Goyim waste energy and time, and then, the enemy comes back stronger with new lies etc. Until people wake up, which in many cases can be one minute too late. No solutions are provided to any problems, and problems remain and become giant behind the scenes.

This has manifested in many areas. For instance, "Alex ADL Jones" is a well known, paid shill of the jews. The jews are the guys that MADE, CREATED, ENDORSED and PROMOTED these people. Of course any paid shill of the jews shows their obvious character. They are an opportunistic, lying, inferior garbage that just followed the slavers in order to reap rewards. Anything goes with them. This is evident in "Alex ADL Jones" and all the other junkies. He always ranted and raved like an original Communist for years upon years, and his jewish act is, was and will forever be well known.

So Alex ADL Jones and all the junkies of his type, when they see the jews will fail out and will be unable to give their "Candy" and be their "Sugardaddy" they will just gradually let them for the new master, whomever that is. "Trump" it is now? "Trump" then. Is it "Rabbi Yahushua Jesus, Mossiach

of the Jews and Global Slaver". "Mossiach" then.

Is it, someone else that defeated the jews? With a minor disdain for they loved their old masters much, "That Someone"" is going to be their new master. Irrespectively of if they are going to kill and destroy him anyway. This rhymes with how all of this inferior enemy garbage always try to keep "tabs" and be "good" with anyone, while machinating their death and worse. They are only loyal in the jews because the jew owns what they are within. The jews made them.

Now that the Jews gave rise to the "New" Trump and all these other "Backup Cards" they had in their hands for years, Alexov ADL Jones, of course "turned the ship" to where the Shekels lie and the "Public Opinion". That is, trying to affirm indirectly the (((JEWS))) are behind matters and the list goes. This is not only controlled opposition, but its a sly method so the jews can win time. The jews are the first to seemingly "betray" their so called "Race", infiltrate opposition, or give "knowledge" to many in regards to what is going on.

So with all these things going and about to come, don't be surprized if Alex ADL Jones down the years praises the Nazis, revokes all his past work as "Error" (as if all these years of enemy propaganda...don't matter anymore) or if "Brother Nathanael" passes links to the turns Pagan. "Communist Pagan" of course. Unless our side comes in Power. Then Brother Nathanael will send his CV to become our greatest spy and insightful "PAGAN" against the Jews. Because, Brother Nathanael from the race of the reptilian hybrids, did indeed change, mind body and soul apparently...

No...Its not that they are LOSING and they are AFRAID. It must be some sort of loyalty change.

The Typical "Goyim" Sheep will invent all sorts of excuses to excuse those whom have otherwise destroyed him and made them sheep for tens or thousands of years. This rhymes with the Jewish Slave Programming that implies a Stockholm Syndrome [Where one loves their rapist after being raped for too long to remember anything else] so that the jewish slaves will love, protect and stand up for the jews with whatever means possible.

The Goyim Speaks:

"You Never Know! Jews can be good guys! Let's forgive them! "Alex ADL Jones" didn't have a chance! He was supressed by the Jewish System so he couldn't say the Truth but did his "part" in dismantling them!!! He did good to us for talking against Hitler for over a decade! He arose Hitler interest! His Jewish Wife is only Half Jewish, and she Meditates so she Weeded out Half of her Jewishness. And even had a nose Job! Now they are with us as MR Trump! We are going to build a Wall! I feel so protected! They can Change Their Ways, Like Jesus Said! The Men of Darkness can be Turned to Light! For they are normal humans that are apparently not psychopaths that followed the jewish supremacist slaver for their whole lifetime. No...They will Change! Trump is Pro White! Alex ADL Jones, David Nosejob Duke, Show Us the Way! "

Therefore, what I am saying in very few lines.

There is no skirt and no foot the jews will not be willing to lick, in order to get time and machinate another comeback plan. There is no limit to the lies, deceptions and emotional morgerging they will do. All they understand in their brain is "SURVIVE"- by any and all means necessary.

There is also no limit on how further their skills will go. If the enemy drops, their skills will ask as natural skills for a new "Master". But they will always be loyal to their "Fashioner".

There is also no limit to retardiation of people who are open and subjectible to these skills and others, as to believe these idiots builds upon mental weakness and incapability to see through on what these GLARINGLY OBVIOUS skills are and doing. These people are not to be trusted, based

upon, and in many cases, even argued. They are the sheep the Jewish Bible talks about of making "Humanity".

Old Skills, New Shilling, Forever Shilling.

"Oneness" and "Peace"

FourthReichBerserker wrote:

goddamn kikes are pushing to actually become "nothingness" to surrender to oneness, "blackness" to literally let the soul "die". And then with the forced agenda of "astrology is bullshit" and all the materialism and stay away from spirituality.

---High Priest Hooded Cobra 666 Replies:

"Oneness" is a concept for the Soul who has connected Ida and Pigala. Oneness does not imply "Race Mixing", "Cultural Oneness", or accepting the Jews as universal saviors, and accepting the "One and Only" BordAllah or Rabbi Emmanuel Jewsus Krayst. Oneness does not imply "One World Government", or does give ANY justification for slavery of all under "One". Oneness doesn't imply Communism ("Equality" and flattening on the political level and individual life) either. Oneness does not imply there must be only one type of heritage, "God" or Nationality. This also has nothing to do with "Equality". The reasons why are easily self-observed by anyone with a pair of eyes and a brain that functions.

Oneness is just a spiritual concept that has to do with how the whole universe is in relationship with the whole in itself. "Oneness" can only be explained as "Wholeness" in these lower levels. One Race is a "Whole". A "Whole" can have the same culture, the same beliefs, the same system, the same religion and the list goes. Mixing "Wholes" is not "Oneness". For something to be a "Whole", there have to be the same "members" of the same "kind" in it. The same goes for instance for all your cells that constitute your body, for instance. If these were uneven, problems arise. Cells are not "equal" and they are not the "same", however they create (in desirable situations) a healthy and happy whole.

Like Karma and all other spiritual concepts, the jews are reeking these over in society to misguide the "Goyim" into thinking that the actions of the jews, their ideas and their depravity are somehow backed up by universal rules. The same goes for their pseudo-dualism. "Satan cannot exist without "God" and the rest of the garbage. "God" if anything cannot exist without Satan, because he was made thousands of years after Paganism, only so the jews can have an enemy. Satan did exist thousands upon thousands of years before they even existed, and Satan will forever exist after even everything is said and done on this so called "Planet" with its fancy beliefs of nowadays. The same goes for Satanism, which as the enemy openly states as well, existed long before the Abrahamic Programs.

Its desired and wanted by the Gods that Humanity does not fall on this disease and wrongdoing, and that we fight back, however. The Gods fight for this too, so we can be saved.

In the same way any animal gets rid of unwelcome fleas, in the same way some things have to be removed. In the same way there are "natural enemies" and "natural antagonism" in all Natural

species, the same is the case with the "Jews" and the Gentiles. There is no "Oneness" in that sense. "Oneness" is just the first and most primal state of "Existence" upon which everything is on "Square one". Oneness is just the natural law that all "Creation" is connected in some way, and this is the Aether and spiritual, this is the understanding of "Non Duality" in Yoga, when one understands the creative way of fusion of male and female.

This is not enemy garbage of "Oneness" as one can readily see in nature, nature intends division in the same way it wants "connections", or it severs these. For instance, bodies of humans are separate. You are not "One" with your table or desk, and you are happy when you are not "One" with some deadly virus or cancer. "One" can only happen in consciousness, and is a concept that has been bastardized.

There is no evolution or de-evolution here, and absolute "Nothingness" if we can say this, in this "level". There is only potentiality. This is the same as sperm. Sperm is useless, unless it is fertilized. It carries information and power, but if its not fertilized, then it becomes nothing worthwhile. This is why Satan's Number is 2 and 11 and not "One" as the enemy "Oneness" garbage preaches. One evolves and becomes a worthwhile being that advances and expands after they are born, they grow up, and advance from this "Potentiality" into something decent. This is the way of the Cosmos and not the reverse. The enemy is preaching this crap in reverse, in order to get people to regress back to a prior stage of existence.

"Oneness" is also behind "Race Mixing", "Globalization" and everything else. These have nothing to do with the spiritual/natural concept, and they are just bluffs to deceive the blind Goyim slaves. Race Mixing is the degeneration of Nature's blueprints into a more primitive and "same" state, where there is actually a backwards movement from natural evolution. Its de-evolving incarnate to engage into this practice.

This if occurs over too many generations, all humans on earth will become completely "One Humanity" with the baseline of everything set as low as ever before, since all original blueprints deteriorate accordingly from admixture. Both the "lower" and the "higher" too deteriorate.

Then we have the notion of "Peace" the enemy talks about all the time. "Peace" can only come from when someone is safe and sound, and in this natural environment, there is always warfare, more or less obvious. One can only be safe within their "Own", be this the family, or the "Whole" they belong to, or any other unit that protects all members etc. This is why the enemy has forced people into herds and accepting social hoaxes such as "Christianity".

This is exploitation of this rule of life. Peace can never come without power. While for everyone else "peace" means pacification, marijuana, deadly beliefs such as "non violence" and all this garbage, the jews are waging relentless, visibly or not visible warfare to undermine everyone. One needs to look no further than "Islam" who always talks about "Peace". Then "Pieces" the way out of everybody. Peace when the enemy speaks of this, means pacification, living in one's fake bubble, ignoring reality, and disregarding all meaning and purpose bestowed by nature.

All Human beings like peace, because peace is a beautiful and welcome state in where life can advance, evolve and flourish. The enemy wants none of this for their enemies. Peace is also a spiritual concept, and peace is attained when one flushes out their negative Karma and mental problems, through meditation, and they achieve enlightenment. Which literally means, the filling of the Soul with light. This manifests into mental serenity, clearness of thought, and an elevated state of existence where one is no longer bothered by the problems of a disobedient and problematic "mind".

The enemy loves "war" and they are warmorgers, but because they are few and they are afraid of straight up warfare (or being revealed to Gentiles), they just blind others with "Peace" so they can exploit them while they roam undisturbed. There are actual passages in the bible, where all

"Nations" of Gentiles, do all revolt and attack Israel together. They know this is a grave danger for their agenda, as everyone of the Gentiles is extremely exploited.

"Multiculturalism" and all the other trends the enemy forces upon Humanity, looking to gradually weaken its livestock down beyond the level of retardation, are many times based on pseudo-philosophical and pseudo-spiritual concepts, which the enemy bases off on the spiritual ignorance of the masses, caused to them by the programmes that the jews created.

The jews literally curse all of Humanity with rituals and blood sacrifice, the Hebrew "Bible", in order that all Souls will remain without any "peace" or "light" whatsoever. Since spirit is matter and matter is spirit, they also take physical actions such as causing wars, fanning ignorance, promoting death etc. They curse everything and damn everything. The same goes for knowledge, life necessities, undermining of civilization and everything else that makes life worthwhile and possible.

The climax of this hatred is when they curse Satan, which as we all here know is the Father of Humanity, Truth and also, relates to the Serpent which is the advanced genetic blueprint Satan implanted in Humanity, so that we can advance and evolve throughout our whole existence.

None of these concepts are spiritual, or based into "Spirituality", or Truth, in any way, shape or form. Truth can only mean life, and the best for life, and these are deadly and all are in tune with death, desolation, destruction and degeneration of Human life, all of which are against Nature's Will.

[Man Posts Picture of CAT Making Hitler Salute...Goes to Jail](#)

Before everyone reads this article, one has to think of some things that are self-evident.

While loan sharks, child molesters, drug dealers, communist terrorists, corrupt politicians, traffickers, gangsters, smugglers, murderers and many others are roaming around freely, such as the (((ISIS and ISIL))), other people are going into jails from (((Austria))) and the (((Chosen))) because of...posting pictures online.

In the mean time, the Jewish Hollywood will again teach your daughters to be street hookers, people how to get into drugs, "CSI Miami" will teach the populace "the act of murder", some psychopathic jew will again write about his "Dreamtown" consisting of power hungry rapists, molesters and murderers...More people will be introduced to the future of "Crime Cities", and yet another movie will come out that will show abuse, genocide, destruction of the whole planet and all life in it, rape, mutilation and anything else. Or some other kike will rant and rave down the block on how "Everyone is going to Die for not Obeying Jesus". However, all this is socially acceptable, and absolutely legal.

Because this is "Entertainment" for the jews.

They entertain themselves in destroying "Goyim" families, and causing misery, after all. So what is entertainment for them is universal rule, law, divine mandate and the reason of the universe. Such as brutalizing and sacrificing children alive, for instance.

This is fine however and not any offence. Since we know (((Who))) and (((Why))) sees anything as an offence.

This is to show the insanity of the (((Chosen))) and how much paranoid and vengeful they are to all of Humanity. If this is what Humanity gets from their "promises" on "Political Opinion" or "Freedom of Speech", just imagine what Humanity is going to get when their "promises" for a "Global Paradise for all Mankind" is going to be. They are guilty, and this is classic psychopathology of everyone who is guilty. They see bells ringing everywhere and they are always afraid that their crimes are going to be discovered.

First they complained about Hitler Wrapping paper (it had Swastikas on it), then they complained about Hitler Ice Cream, now they are complaining about internet memes, then about the other guy who opened a clothing shop named Hitler. They are even afraid of pug dogs doing the "Hitler Salute". Maybe this will cause another "SOAH" Bussiness. Who knows?

This is yet "power flex" by the jews. The incident could be real, or not real- however the purpose of this stays the same:

The jews are merely telling people through this, that if they even question them or revolt against them, "This" can happen ("So Goyim Beware and shove your opinion up your ass because we are gods" -Shlomo Shekelstein).

This is just terrorism from the "Chosen" in order to demoralize, attack and destroy Human Rights that have been earned through hundreds of years of bloodshed and war. After all, your freedom stops where the feelings of the CHOSEN begin. The "Chosen" feel they are entitled to all life on the planet, to brutalize it, torture it, cage it, and force it to serve them as they see fit.

Note only that but Jerusalem Shlomo Post...Sorry, I mean "Telegraph.Co.Uk", cannot even word their own (((Writtings))) as you will see in the grammar below.

For your daily dose of terrorism, lies and jewish propaganda, you can also pay 80 Crowns Annually.

Austria jails man who posted cat making Hitler salute photo

<http://www.telegraph.co.uk/news/2016/08 ... ute-photo/>

"An Austrian man has reportedly been jailed for posting Nazi propaganda online, including a photo of a cat making a Hitler salute.

The 38-year-old, from the skiing village of Flachua in Salzburg was found guilty of posting around 20 Nazi propaganda photos online, the website for German language regional newspaper Oberösterreichische Nachrichten reports [translated].

One of the photos, described as "extreme right-wing propaganda", featured a photo of cat appearing to do the Heil Hitler salute, the website added.

The images also included "cynical and dehumanising slogans alluding to the gassing of humans", Nachrichten added, and were posted on Facebook over a two year period.

When police searched the man's house they also found clothes with Nazi symbols on, Austria's The Local reports.

"It is not so much on the individual picture ... but what arises for an impression in the overall context," said attorney Markus Neher.

The man was charged under Austria's anti-Nazi Prohibition Act; it was passed in 1947, making it illegal to make or display statements which glorify the Nazi regime.

He apologised in court and was sentence to 18 months in jail, 15 months of which are suspended.

Meanwhile, a Scottish man who provoked outrage after filming his girlfriend's dog responding to Nazi slogans was arrested by Lanarkshire police in May.

Earlier this year Markus Meechan uploaded a video of the dog, a pug named Buddah, responding to the phrase "gas the Jews," raising its paw in an imitation Nazi salute when it heard the words "Sieg Heil", and viewing footage of Hitler giving a speech.

In the YouTube clip, titled M8 Yer Dugs A Nazi, Meechan says: "My girlfriend is always ranting and raving about how cute her dog is so I thought I would turn her into the least cute thing you could think of which is a Nazi."

In March, Microsoft had to apologise after an innocent Artificial Intelligence chat robot became a 'Hitler-loving sex robot' within 24 hours of being introduced to society.

Subject: Spiritual Pollution -- 21/August/2016			

Most of us who are full adults know life is hard. There is unimaginable suffering in this world. Humanity tries to cope in many different ways, through religion, and many other programs that offer hope in alleviating, and explaining suffering. Live a certain way, behave a certain way, abstain from this and that and so forth...

All of these different programs exist with claims that following them will put an end to suffering.

I've asked Lilith about life as we know it here on earth and how bad things are. She told me there is always suffering in the universe, but much less in better worlds. There are degrees of suffering and here on this earth, its pretty awful. This affects most people and animals, the environment, etc.

When I was growing up in the 1970s, there was surge in books on witchcraft and the powers of the mind being published. This was never before available like this in what we know of history.

My mother had cancer and after reading a couple of these books, she healed herself totally. I remember she would always tell me when I was a teen, to watch my thinking; to always think positively. She warned me that what one always dwells on and thinks about, one attracts into their life.

I learned as I got older, this also has to do with the strength of one's soul. The stronger one's mind

(focus and intent) and soul, the more powerful in attracting what one dwells upon into one's life, whether one is aware of this or not. A strong soul is from previous lifetimes, regardless of what one may believe or adhere to in this lifetime.

Lilith has me studying Islam now. One of the biggest problems facing humanity is the lack of knowledge. Even worse, the most rotten programs that are of the enemy intentionally remove and restrict knowledge in order to brutalize humanity into a slave state. Slaves must be kept ignorant.

I was raised Catholic. Compulsory church, the confession box, Catholic school, etc. When I was 14, I attended a Halloween party at a school. There was a girl dressed up like a gypsy reading palms. She read mine. She gave me a bad reading. Of course at 14, this really upset me. This was a turning point in my life. After this reading (she was totally wrong), I began studying palmistry, astrology, the Tarot and more on my own.

To make a long story short, this knowledge exposed the lies of Christianity to me. Idiots were always pushing prayer, but I could see from an early age in knowing astrology, whether "god" would answer those prayers or not. I became an atheist. My mother also left Christianity as well.

Victims are warned and threatened to "have faith" "don't question" and so forth. This "all knowing" "all powerful" so-called "God" MUST have continuous slavish worship, recognition, promotion, and total devotion in order for it to survive. Now that doesn't sound very powerful to me. To need all that help from humans.

Though the average person by him/herself isn't powerful alone, the mass mind is. What a people together dwell on, they draw into their lives. The Middle East for one is an example. As I've stated before, even as hideous, odious and repulsive as Christianity is, there isn't anything more rotten than Islam. The Koran is full of the most profound rot imaginable. To say it's "sick" is a gross understatement.

Most people here in the West don't read it and the authentic is in Arabic. Now, when you have millions of people believing in, pushing, and putting their energies into this sick abominable filth every single day, this spiritual pollution and toxic filth affects the entire world and everything in it. The only thing in the way of being spiritual is spiritual toxic filth. There is nothing truly spiritual about it.

In addition to this, many Muslims like Christians do a lot of memorization. While Christians are in many cases forced to memorize scriptures, many Muslims memorize the total Koran.

This spiritual pollution becomes imbedded in the mind and soul. This in turn affects the entire world as there is strength in numbers. I remember reading, in regards to Christianity, one murdered, a devout Christian, who delighted in torturing and murdering "witches" read the Bible some 54 times, in its entirety.

Violence begets violence. The Middle East is a hot bed of it. Islam is violence. They attract violence as well as promote it. Islam doesn't have a structured priesthood like Christianity from what I've been learning, but there are prominent recognized leaders.

I read where one, who runs a mosque in the UK, has both hands missing and only one eye. Courtesy of a bomb. There are differing accounts of what actually happened, but most agree this Islamic leader when attempting to construct the murderous device, got some wires crossed the wrong way. The Koran is known for its advice on cutting off hands. What he dwelt on, he attracted.

Judaism, Christianity and Islam, three of the most abominable and completely rotten programs spew their spiritual filth into the minds and souls of unsuspecting humanity, along with creating toxic waves of this malignant life hating fear filled energy on the astral, that has engulfed this planet

in death energy of the ugliest kind.

The earth is dying. For centuries and centuries, Christianity has viciously and brutally attacked and held back science (so has Islam, though they lie and deny it), yet the average fundamentalist Christian makes full use of technology and modern conveniences to spew their foul lies all over this planet.

We have been held back dangerously. The enemy Greys who are behind these truly evil programs (in the Koran, it reads "We" many different times for that swine excrement Allah). The human hating Greys are way ahead in their technology. Our most advanced technology is like antiques in comparison. This is where we are at because of programs of toxic suicidal indoctrination murdering scientists, and viciously suppressing scientific thought and learning.

Spiritual pollution of the most toxic kind, spreads and permeates everything. The people of the Middle East for one, have suffered extreme violence, ugly wars, bombs, skulls blown open, grave injustices (like the Palestinians at the hands of the Jews), and this has its foundation in the Koran. They dwell on the Koran, the vile verses in it, that murderer and liar Allah, and this is where it gets them. The grave injustice and oppression of Sharia law, and they are forever having injustices perpetrated against them, as they bow down before injustice, violence, extreme hatred and negativity and worship it.

These programs permeate everything with their spiritual toxic filth. This entire world is so saturated with this spiritual pollution, that everyone suffers, even animal life.

Unless something is done to completely annihilate and destroy this spiritual vermin, no one has a chance.

In closing, I use the term "spiritual" to convey waves of toxic energy that is sent out on the astral through belief, slavish worship, dwelling on and promoting. In these programs, there is actually nothing spiritual. Just histories of fictitious assholes, advice on killing and warfare and related degenerate suicidal advice for humanity.

Grey's Involvement In Ancient America

Take a look at just who appears all over these ancient Mayan Temple artifacts.

From the Aztec codex Chimalpopoca:

"The Toltecs were engaged in battle at a place called Netalpan. And when they had taken captives, human sacrifice also got started as Tolecs sacrificed their prisoners. Among them and in their midst the evil YAotl followed along. Right on the spot he kept inciting them to make human sacrifices. And then, too, he started and began the practice of flaying humans...Then he made one of the Toltecs named Zihcozcatl wear the skin and he was the first o wear a totec skin. Indeed, every kind of human sacrifice that there used to be got stared then. For it is told and related that during the and under his authority, the first Quetzlcoatl, who's name was Ce Acatl, absolutely refused to perform human sacrifice. It was precisely when Huemac was ruler that all those things that used to be done got stared. Huemas sacrificed a human streamer, thus making payment."

In the Codex's it makes mention of the fact the original civilization given by the Gods described as

Blond haired and blue eyed. Ordered them to never commit human or animal sacrifice. In the Codex the Quetzlcoatl here is a title not of the Nordic God [Satan] but of the Priest King of the time. Who kept the law given. We see in the Codex other rulers latter on started to make deals with these other beings described as being evil. In return for power and earthly favours. They offered blood sacrifices. Note the name of this being is YAh-olt, Jau of Yau, Yao, is also a spelling of Yahweh who is also called Yah by the jews. Yahweh is a collection of enemy aliens. Yahweh orders human sacrifice and animal sacrifice in the Torah.

You can see the arrival of the Greys-Reptilians at later date in the South American histories:

[Fixing/Improving the Forums and Groups](#)

Greetings to all our People and Comrades!

The link to our Forums for those that don't know of their existence:

<http://josministries.prophbb.com/>

I know this comes of a bit late due to many requests (And serious lack of time on our behalf), however, its going to finally happen. The issue with this is that there was no real way to "Correct" the announcements thing, however, due to help from other members, we had some solutions presented (Thanks everyone-) and now we decided that we are going to let everything as it is (Nothing will change on the Forum except the clutter will be removed, so the forums can load easily and be more user-friendly). Nothing will be lost, no post, sermon, views count or everything, but the majority of the space will belong to the members from posting.

I again and again attempted to make this change, but the forum panel is not very "allowing" of such. It is also more complex than it may seem in many ways. However, this will seriously organize and tidy up everything, to the point where I presume everything will be flawless and user experience will be better.

So from now on:

1. There will only be around 15 of the latest Clergy announcements/sermons/posts in the announcement panels. This will remove clutter from all our multilingual groups as well.
2. All posts that have been posted here, will move to the Forum of "JoS Newsletter". For that reason, if anyone wants to find older posts, they can use the search function as usual, and they will have to go to the JoS Newsletter Forum. Also, these will be uploaded in the Library and will be easily found by anyone who wants this.
3. There will be enough space for all members to post and do everything they want in the poster section. This will give anyone more freedom to have their posts noticed and answered.
4. No more phone loading lag-time. Even the JoS Newsletter (where all the announcements will go) will be in pages, so therefore, no lag whatsoever.

One favor I need to ask is that from now on people should use the JoS Newsletter and JoS Library,

to direct people into finding the older posts. The dates of the posts, their views, aside everything else, will not be affected.

Now, as for the Yahoo Groups, few things can be done, as Yahoo has really wrecked the groups. We will try to reduce spamming and get as many people as possible to make an account here as well, as this benefits everyone to be in two places at once.

The changes will be gradual and will probably *NOT* affect anything, so everything proceeds off as normal.

Subject: Satan Is The Divine Name			

Satan Is The Divine Name

In Kundalini yoga SATNAM means "The Name of God is SAT" SAT is the highest name of god in Sanskrit. However as the Kundalini yoga texts state SATNAM is a shorter version of SATANAMA. This mantra means "Homage to the God who's name is SATA". This is because SAT in Sanskrit is also SATA with the T letter spelled out fully. Which gives the letter its full power.

In ancient Sumeria:

As Laurence Gardener showed in his book: Genesis Of The Grail Kings that....

"The Serpent Lord was Enki, but in parts of Chaldea[my note Sumeria] He had been called Shaitan."

ENKI was called: "The Lord Of The Sacred Eye." But was also called Satan. Here Satan is actually also SATA, some times in Sanskrit they put a nasal sound on the end of mantra's. Satam/Satan also means One Hundred in Sanskrit which relates to he crown. Where SAT is also placed in the east as mantra. Which is also SATA. To this day in India there are Hindu's with Satan as their Sanskrit surname. As this is a spiritual name. You will also find many Hindu's with other spiritual names in their surnames and full names.

The reason ENKI was also called SATA of which SATANAMA would be the full expression of this mantra in the proper. Is because as the Kundalini yoga texts state. SATANAMA is the mantra to open the third eye-pineal-crown chakra. In Kundalini yoga this process releases the Amrita which is the nectar of immortality or Soma. Which fills the body activating the serpentine system along the spine and purifying all the nadis, removing the dross and this process is the key to raising the serpent in Kundalini yoga. Fully opening the sacred eye of SATA which also means Truth as the Truth is the All Knowing State of super consciousness this power brings.

As the Kundalini Yoga instructions for this mantra are:

•Begin to Chant the Mantra now. Slowly chanting the sounds Sa Ta Na Ma repeatedly. Do the

following visualization as you chant. Visualize the sound S, T, N, M entering through the top of the head through the crown chakra, while visualizing the sound "A" leaving through the center of the forehead through the ajna chakra"

This is the reason why in Kundalini yoga SATANAMA is the mantra of the five elements, the Akasa which is the element of the Ajna chakra. The All Seeing Eye.

This is why the Jews hate this word of power so much. Its the key to awaking super conscious, the serpentine power which takes one to full enlightenment, opening the Eye of Truth. Where one can no longer be lied to or deceived. They put this message in their Genesis in their Torah. The ultimate sin was humanity awaking this power. And achieving the enlightened state. Of which Yahweh [the Jewish race collectively and their reptilian masters of which the Jews are racially part of] could no longer make them slaves. This is a direct instruction to the Jews, the key to the enslavement of Humanity [they call us the Goyim meaning cattle, what do you do to cattle...] is the removal of all spiritual knowledge.

The enemy organization the Catholic Church has a ritual on Ash Wednesday where the Priest crosses out the third eye with dead ash to create a subliminal of this power the Eye of SATANAMA being closed off forever. Where in the east in Hinduism they still put a special paste on this spot which is supposed to help simulate the nerves at the Ajna point to help activate the third eye.

It was Ash Wednesday the Jewish Elites chose purposely to Holocaust Dresden, connecting this attack into the ritual death energy of their Christian Program. What does that tell you about what the energy the Catholic Church uses on this day is about?

Sanatana Dharma the name of the Aryan Religion, Sanat is another spelling of Satan. Sanatana is made up of the same letters of SATANAMA the N and M are both nasal sounds in Sanskrit. The third eye is called the eye of Dharma in the east as well. When the Jews smear ash to cross out the third eye in their death ritual, they are trying to blot our memory out of our spiritual origins, purpose and Creator. They are trying to murder the Truth.

Note:

Aryan People are originally from the East. The Sumerian's came from the east.

The Blonde Blood Line, the Yedizi state in their own records they came from India first then into ancient Sumer and Babylon, they were Chaldean's This group was the Aryan spiritual class. The Chaldean's from their own history came from the region of the Himalaya's near the Pamir Plateau. Chaldean is related to the word Kula meaning Klan of the sacred blood. The royal blood, Aryan blood. You can still note the Yedizi's religion is practiced in Southern India around Sri Lanka with Skanda, Shiva.. Were this survived and also in parts of Tibet with Bon whom the Tibetan's stated they got from ancient Aryan People. Shambhala is mentioned in the Yedizi texts as well. Which relates to the Himalayan region.

The Yedizi still call their God, Shaitan as well. They brought this out of the East with them. Enki/Shaitan in the Sumer texts created a second race of ascended beings into whom he put the blood of the Gods into and thus the secrets of the Gods into their blood. This was the race the texts

stated Enki created in its own image, the first blue eyed people. This second race in the image of Enki was called the Ari in the Sumer texts, literally Aryan's. This is the race that was physically birthed by the Gods. The White Race is of the race of the Gods as our ancestral texts the Jewish program of Christianity tried to destroy, stated. We share the same racial soul with the Aryan Gods our first ancestors. This is why the Jews hate us. They even call us "Satans" and state we are from the Seed of Shaitan, in their texts. They are right.

These are the full set of Reverse Torah Rituals we will be doing. Yom Kippur begins in October. This will set off an entire new year for the enemy again and we must follow behind them and reverse their malignant filth. These rituals are doing their job! We must stay onto them. Even when we begin to fight Islam through spiritual warfare.

EVERYONE should be doing these rituals. Unless one has a serious reason, such as being underage and not free to do so, anyone who is fully capable and not doing these rituals, is a parasite. Few here really can appreciate just how lucky we are to be able to be with Satan. Those of us who are free to be with him, such as in the US where we are free to worship as we please [in the way no one can bust down your front door and execute you for your choice of religion, legally].

Next, we will be concentrating on destroying and annihilating Islam. As I have stated repeatedly, I have never encountered anything [not even fundamentalist Christianity], that is as rotten as Islam. Islam is pure evil. In addition [and this includes Christianity], as these sick and most vile programs use fear, the energy that is put into them from deluded believers creates an aura of [through fear], making these lies credible to the populace. This rotten filth has an aura and for those of us who are psychic, we can easily detect it. This is how these programs thrive, as they are so stupid and insane. Any thinking person who is not under their spell would laugh. Also, like that rotten Bible, there are many contradictions within that

foul Koran.

I also want to add, just as with Christianity, in Islam, everything is also stolen and corrupted from Pagan religions preceding it.

With studying Islam, which is totally ugly and sick beyond belief, I, myself am more and more grateful to Satan every day. Each and every one of us should be very grateful that no one here, who has found Satan, has been DAMNED into Islam. Millions of people who are DAMNED into enemy programs such as Islam [where there is widespread illiteracy amongst much of the populace where that foul program thrives], have no choice. Books, writings and information is heavily censored and the only available written material is that GODDAMNED Koran, and millions of people are literally damned into it.

In addition, as I've stated before, many are forced to memorize that entire piece of literary toxic filth. Even studying about this is not good for one's mental health, it is so sick, but saturating one's mind and soul with it is spiritual poison. This is why so many Muslims commit heinous crimes against innocents. Their so-called "god" is a murderer and a liar. This comes out in the deluded believers, who for centuries have perpetrated nothing but violence, bloodshed, slaughter, torture, and mass murder. Like Christianity, the goal of Islam is to turn civilization and society back into the Dark Ages.

This is NOT something to take lightly. Lazy parasites here who are fully capable and who do nothing WILL eventually be affected. Look what is now happening in Europe . Unless we fight, this hideous poison will succeed in destroying the entire world.

Satan has stated emphatically that those who do nothing in the way of spiritual warfare are of no importance to him.

Greetings to all our People and Satanic Comrades!

With much happiness I announce that from now on, we are going to have documentaries and videos from our side coming up. These will include information, knowledge, revelations and they will be able to be used in spreading the Truth online.

The enemy has had all the means, ways and literally billions of places to spread their lies. For this reason, our bulwark and information must be spread and protected.

I am not the most well versed in editing, but since the job is able to be done, it will be done. There will be advancement. Satan wants things out so everyone can finally know the Truth.

This took me a full 55 hours total, maybe a lot more.

This is a Joy of Satan Movie! So grab the popcorn, take one hour of your time, and enjoy yourself. Aside from educational (and not ed-jew-cautional) we want these videos to be fun and show what we stand for.

There will be more videos, so stay in touch.

Don't forget to Comment, Share, and Subscribe to my (our) channel. We need to spread

the truth everywhere.

I ask of all of you to relate your feedback. Also, the next videos will be of course improved.

I proudly present to all of you...

I want to thank all the contributors, with their music, and everything else for making this video possible. There are also pieces of famous videos from other people who are in our cause, so irrespectively of if we know each other or not, a thanks must go to them.

Greetings to all our People and Comrades.

This Ritual must be prioritized for the 11th, 12th and 13th of September.

The Muslims on this day, celebrate their "Eid al-Adha", which is nothing else but slaughtering and living blood sacrifice of closely millions of innocent animals, in order to empower the enemy ET hives they call "God". Obviously, this is no different than the Jewish "Yom Kippur" and on the Kosher Slaughtering of animals. What is Kosher to the Abrahamic Kikes, is "Halal" for their Jewish Slaves, the "Islamics".

The Jews of course practice the same exact thing, and all of this happens behind closed doors. Guess who owns the (((Media))) anyway.

All of this is directed loyally to the destruction of "Satan", any and all occult resistance, people, countries and states alike. In plain, this is massive and horrendous death and suffering energy, and also lifeforce, directed into the jewish hoaxes these idiots believe.

In the same way "Allah" commanded "Abraham" to kill his own son (but supposedly, oy vey, in the lying books he didn't- but wait, he didn't even exist anyway in the first place), in the same way "Jehova" commands "Abraham" to kill his own son. Oy Vey, Islam and Judaism and Christianity are by far different.

Getting serious, all these programs are 100% jewish. Slaughter is needed to give energy and power to these hoaxes and keep them going. The same goes for incessant and unceasing "prayer", especially towards idols such as the "Kaaba Stone", or the Jew nailed on the Stick, Rabbi Jewsus Krayst.

The Mudslimes, like their Jewish overlords, do also do full blown "Rituals" to destroy Satan, all of which have inside them blood sacrifice. Its the Abrahamic jewish Hoaxes that do living blood Sacrifice, and of course, this is just being projected to Satan.

Our plan for these days is to decimate the enemy, by returning and rendering their blood sacrifice onto themselves. This will destroy them and halt the increase of power they were expecting for this year, drastically wearing that excrement down. This will destroy them.

Its also advisable that people keep their energies really high up and through these days. This will make sure their curses will backfire at them and destroy them. Like the enemy always does, these dates are power dates, and are stolen in order to effectively attack us. They can be used both ways if someone has the knowledge. These energies of death are sublimated and channelled all over the world, in order to inflict death, misery and affliction. These fools raise the energy, and they need it on themselves. Otherwise, this goes to your children, countries, states and souls, and to the whole planet. We need to put a stop to this. This will also manifest in Europe and elsewhere and further tensions.

Below the Ritual, additional information will be put in regards to this malicious and nefarious death ritual they are doing.

Eid al-Adha (Arabic: عيد الأضحى 'īd al-aḍḥā, [ʕiːd æl ʔadʕħæː], "Festival of the Sacrifice"), also called the "Sacrifice Feast" or "Bakr-Eid", is the second of two Muslim holidays celebrated worldwide each year, and considered the holier of the two. It honors the willingness of Ibrahim (Abraham) to sacrifice his son, as an act of submission to God's command, before God then intervened, through his angel Jibra'il (Gabriel) and informs him that his sacrifice has already been accepted. The meat from the sacrificed animal is preferred to be divided into three parts. The family retains one third of the share; another third is given to relatives, friends and neighbors; and the

remaining third is given to the poor and needy.

I am left with no other choice but to provide pictures and information of this, which will definitely be gore. I will do this below, after the Ritual:

Reversing the Curse for Blood Sacrifice in the Torah

State with conviction 9 times:

The Islamic holy book tells how Allah demanded that Ibrahim sacrifice his first son, Ishmael, in an act of subservience to his god.

According to the Koran, Ibrahim was wrought with indecision, but resolved to do Allah's bidding - and even put the dilemma to Ishmael himself, who said the right thing to do was slaughter him.

However, as Ibrahim slashed the throat of his son, he found that an angel had replaced Ishmael with a goat. The animal sacrifices still carried out today are meant to symbolise and celebrate Allah's act of mercy.

After the act: Two butchers are pictured tending to the carcass of a calf which they just slaughtered in El-Kalubia, Egypt

Ceremony: A butcher shows off his bloodied hand after participating in the ritual, which is a central part of the holy day celebrations

Cows, sheep and goats are the most usual animals which are taken to slaughter, but other livestock - including camels - also feature depending on the region. In Britain the ritual killings have to take place in a slaughterhouse.

Families are expected to sacrifice good-quality animals. There are no absolutely binding rules on what to do with the remains, but one tradition sees families divide the usable meat into three. One part they consume themselves, another goes to friends, and the final third is given to the poor.

The exact date of Eid al-Adha on the Western calendar changes every year - in 2015 the festival was held on September 24. The festivities coincide with the Hajj pilgrimage - which was struck by tragedy this year when more than 700 people were crushed to death on the outskirts of Mecca.

Subject: This is an answer I gave to the question of the end of Israel.....

This is an answer I gave to the question of the end of Israel.....

Israel has really fucked up in Syria. They failed to destroy Assad and the war has gone on to the point where Iran was able to intervene for Assad, as Iran knows their next if Syria falls. And now there is huge Iranian forces in Syria, the nation which borders on Israel. The only reason Putin ran in when he did was right after Assad had totally handed total control of all Syria operations over to Iran openly. And Iran was shipping in tens of thousand more troops. Putin all of a sudden then cared enough to do something other than talk about caring. Which the condition of Russian intervention was total control was to be given from Iran to Putin.

This is an old tactic, the Jewish Soviet Union would be the leash on the Arab world by proxy. And betray the Arab cause to Israel the whole time while pretending to be their ally. From giving them worthless military aid at robbery costs which had no chance against Israel military hardware. To having Russian generals purposely train Arab troops with tactics they didn't have the military base for and tactics which were suicide in the ME terrain, ensuring their defeat. While the Jewish run KGB always made sure the Mossad had all the intelligence on the Arabs. The Jew Stalin did create Israel after all.... On orders from his Rothschild King of the Jews, [they call themselves this in their own publications] masters. Then the USSR after being the first superpower to recognize Israel as a nation in the UN. Then all of a sudden ran off to buddy up to the Arabs to control that half of the ME, and denounced Israel as part of the Jewish tricknology. The Rothschild's also put the Dohmen Jews and Baghdad Jews into power in Saudi Arab after the end of the Ottoman Empire. When the Jewish run British Empire created the new ME. Which the new Middle East plans had been laid by the Jews before the first war. The aim of which was to carve up the Arab world to weaken its unity, so they couldn't oppose Israel's creation and expansionist plans in the region. While the Jews ran the Ottoman Empire from 1909 and on. And before dominated it with major financial control. Which is why the Armenian genocide was committed by the Jews. The Armenians were the powerful class of banking, wealth and political leadership in the Ottoman world. So they had to go for the Jews to dominate the Ottoman world. Which they then used to put the Ottoman government under their control to destroy the Ottoman Empire and the unified Arab world.

Out of this came Israel and the Jewish Saudis who run the Sunni world which is now the Arab Legion of Israel via proxy. Divide and conqueror. The Wahhabist sect of Sunni Islam the Jews created is just a weapon to further the divide in the Islamic Arab world to help this out.

Putin did meet with the leader of Israel in person for an hour before moving into control Syria.....Wonder why. Putin is the leash on Iranian, Leb and Syrian forces at this point for Israel. The Jews are trying to control both sides of the conflict as it's become a Frankenstein monster. But are dealing with trying to keep Iranian escalation in the region from happening and getting rid of Assad. The Mossad wanted the leader of Turkey gone as he was winding down the support. As the Kurds were getting too powerful in the region and starting to threaten Turkish control over Kurdish regions. Which might start a civil war in Turkey. The Turks are starting to realize Assad is better than Islamist chaos and Kurdish ascension in the region.

Now with Israel openly bombing Iranian, Syrian forces and having a mission creep into Syria. It's only a matter of time before this probably escalates. With an open war between Israel and Iran. Israel has the nukes but Iran has enough conventional weapons to flatten Israel. Their ally Hezbollah has enough two thousand pound rockets with orders from Iran to level the Israel capital with if war happens between Iran and Israel. The Israelis know this and have chosen war by proxy to attempt to destroy the Shia crescent via ISIS and other Islamist proxy armies. The same they used on Libya.

But just as Frankenstein's monster turned on him. I think this conflict in Syria might be the end of Israel.

Putin expressed his Jewishness at the Wailing Wall in Israel.....Kippah and all.

Alt Right Scam

Three points to remember:

The jews know there is a major event coming that will cause the reaction from the population that might unseat them from power.

The jews such as Marx stated the ideal of synthesis the blending of opposites which allows a new form to emerge that is now controlled by the jews. The key principal of jewish subversion. Christianity a jewish political movement for jewish control, was a synthesis of Paganism into Judaism.

The Alt Right is the synthesis to control that reaction.

Trump as already mentioned is a jewish owned operative who owns companies that are fronts for the jewish elites the Rothschild's and Rockefeller's. Trump is the new mascot of the Alt Right, who is an open neo-con, that is the placing of a kosher, neo-cohen, civic nationalism based on jewish values, dissolving out the emerging awakening. The jews are seeking to control the right with a synthesis as they know the values of the right are a threat to them.

Now the jews are inserting their operatives into the growing awakening this way to misdirect people and put the jews in charge. This was done before during the Cold War when the jewish Rockefeller's as Mullins stated created the John Birch Society, the same Rockefeller's who created the America Communist Party and funded it. This disarmed the Right of the time and allowed for Communism [jewish globalism] to advance.

Now as the population is about to swing to the Right, they are pushing the new synthesis to control this. The Alt Right. Anyone who promotes the Alt Right is to be considered suspicious. They are probably an operative.

This is why the jewesses, Merkel was mouthing some claims of immigration reform not that long ago. It was just jew talking to trick the Goyim to keep the jewish establishment of White genocide going. You can see Merkel states she really wants to keep the gates wide open in the article below which is what she is doing as a jew. Note with what happened in Austria with the elections and Britain with Bretix. This is why the attempts with false flag attacks like in Munich and Nice are going down. They need martial law to suspend the political process in Europe, forever. As to keep the genocide plan going martial law, kosher run police states are going to be required or they are going to lose to the righteous reaction.

Mossad Involvement In Munich And Nice:

Angela Merkel has suffered a sobering defeat in regional elections in her constituency of

Mecklenburg-Vorpommern, with her Christian Democratic Union (CDU) coming third behind the Social Democrats (SPD) and the rightwing populists Alternative für Deutschland (AfD).

Projections late on Sunday night saw the centre-left SPD on 30.5%, the anti-immigration AfD on 20.9%, and the chancellor's centre-right CDU suffering its all-time lowest result in the eastern state, on 19%. Earlier this year, the CDU had looked like the party most likely to be tasked with forming the next government in the state.

For the past 10 years, Mecklenburg-Vorpommern has been governed in a "grand coalition" between the SPD and CDU, mirroring the current power structure at federal level. But an increasingly divisive debate over the consequences of the German government's strategy during the refugee crisis has spurred support for AfD – fronted in the state by Leif-Erik Holm, a radio presenter based in Berlin's multicultural Prenzlauer Berg district – even though the state has been largely insulated from the refugee crisis.

Though the result will not have a direct impact on the workings of the German government, and Mecklenburg-Vorpommern only has a population of 1.6 million, it has a symbolic value, with regional elections in Berlin on 18 September and a general election coming up next year. Merkel, in power since 2005, has yet to confirm whether she will run for a fourth term in 2017.

While the Social Democrats emerged as the largest party on the night and the results for the Christian Democrats were particularly humiliating, leftwing parties in the state also suffered considerable losses. The Left party was projected to have won 13.2%, down from 18.4% five years ago, while the pro-environment Greens seemed set to win 4.9%, down from 8.7%. The far-right National Democratic party (NPD), which has been represented in the state parliament for the last 10 years, fell beneath the 5% threshold for the first time in a decade, on 3.1%.

AfD, by contrast, continued a remarkable streak of electoral victories at regional level. Three years after being founded on an anti-euro ticket in 2013, it is now represented in nine state parliaments. Its co-leader, Frauke Petry, described Sunday's result as a blow to Angela Merkel. "Now it is our responsibility to make politics for the people. The people no longer trust the old establishment parties to do so," Petry said.

On Sunday night, CDU candidate Lorenz Caffier said: "There was only one subject during the campaign, and that subject was the refugee policy. The refugee question was decisive." The conservative politician ruled out a resignation and said he hoped his party would be able to continue to form the state's coalition government.

Peter Tauber, the CDU's general secretary, described the outcome as "a bitter result, a new experience". "We are all responsible for this," Tauber said. "It was noticeable that the refugee subject was very present. Of course many people are looking at Angela Merkel."

Frauke Petry: the acceptable face of Germany's new right?

Read more

The state election in Mecklenburg-Vorpommern comes a year to the day after Merkel's government accepted thousands of refugees stranded at Budapest train station – the consequences of which have been analysed across the German media in the past fortnight.

In May, a pig's head carrying an insulting message was left outside Merkel's constituency office in the Baltic Sea town of Stralsund, where she has won a direct mandate since 1990.

AfD candidate Holm spoke of a proud result for a young party. "The icing on the cake is that we have left Merkel's CDU behind us," he said. "Maybe that is the beginning of the end of Merkel's time as chancellor."

Advertisement

Gero Neugebauer, a political scientist at Berlin's Free University, sounded a similar warning for Merkel. "People will see this as the start of the 'Kanzlerdämmerung' [twilight of the chancellor]," he said. "If a lot of CDU members start seeing this defeat as Merkel's fault, and members of parliament start seeing her as a danger for the party and their own jobs, the whole situation could escalate out of control."

The northernmost of the five former East German states that joined with the West German federal republic in 1990, Mecklenburg-Vorpommern has in the past been troubled by industrial decline and a dwindling population but last year registered the lowest unemployment rate and highest GDP since reunification.

An electoral map of Sunday's election shows a state split between an SPD-voting west, where incomes are higher due to its proximity to affluent Hamburg, and the east, where many electoral districts went to the AfD.

In part due to its economic weakness and low population density, the region was assigned fewer refugees than all but two of Germany's 16 other Länder; 23,080 asylum seekers were registered in Mecklenburg-Vorpommern in 2015, roughly a quarter of those assigned to similarly sized Hesse. Only 3.7% of the state's population is of non-German background, one of the lowest rates in the country.

In the past year, the state has registered no high-profile criminal incidents, such as terrorist attacks or rape, carried out by asylum seekers, and a decline in theft and violent crime. Police in Mecklenburg-Vorpommern recorded seven incidents of attempted arson at refugee shelters in 2015.

A shooting rampage in Munich and two attacks with an Islamist motive in regional towns in Bavaria in July have fostered a national debate about internal security. Caffier was one of the politicians behind a call for a ban on the full face veil in Germany last month.

Subject: This All Ties into that Black Cube

The article below is old. It is from the Luciferian Liberation Front.

As I've stated before, that black cube the orthodox Jews wear on their foreheads, the black cube Kaaba the Muslims swarm around like flies on fresh shit, and below is further information on that

black cube. These all tie in. The odious program of Christianity was intended to do a job. Islam is the enemy's ultimate goal.

The article below may not be 100% accurate, but it does contain certain blatant truths that everyone ought to know:

The Kingdom of Heaven...UNCOVERED!

"That they all may be one; as thou Father art in me, and I in thee, that they also may be one in us..." -- Jesus (John 17:21)

"You will be assimilated...made ONE with the Borg...Freedom is irrelevant...Self Determination is irrelevant...You will comply...Resistance is Futile." -- The Borg.

The New Jerusalem

Something big is out there and it's on its way toward us right now. An object of enormous size is on a direct intersect course with planet Earth. This object is not a natural phenomenon but is under intelligent control and will bring about cataclysmic change to the world as we know it. This object is not an asteroid or a comet although it will use these things as tools to help it achieve its goals. This object is powered by the psychic energies of billions of life forms but it has only one mind, one will and one desire; the enslavement of the human race. What sinister force is behind this object and its agenda of complete annihilation of humanity? The same force that has attempted to thwart every effort man has made to achieve autonomy and technological advancement throughout history. Only now, as the final days of the struggle for man's freedom draw to a close, has this highly classified information, concerning the most hideous deception of mankind's history, been fully revealed. This object has been designated the Galactic Obliteration Device (G.O.D.). In mythology it has been given various labels, the most familiar of which in our modern death culture is "the kingdom of heaven." In the Bible this object is called "Zion", "Holy City of God" or "The New Jerusalem" (Rev. 14:1, 21:2, 10).

We can get a glimpse of how this object is constructed and the place that human souls will play in it by doing a study of the book of Revelations in the Bible. When we take a look at the New Jerusalem that is spoken of in the Bible we see several things. First we see that it is similar to a giant mothership and that it will descend from space (Rev. 21:2) The dimensions of this ship are 1,500 miles wide by 1,500 miles long and 1,500 miles high. It's a giant cube (Rev. 21:16). The writers of Star Trek the Next Generation were being prophetic in their visions of the Borg ship when they portrayed it as a giant cube. The inspiration of the Lightbringer; Lucifer, is manifest in their attempts to show humanity the connection between the amorality of collectivism and the New Jerusalem but no one seems to be listening...until now.

When we dissect the cube of heaven we see that it is constructed like a living cell with its own system of energy circulation and metabolism. (See diagram above) From all appearances it is a giant solar battery/generator which allows the ONE mind of the collective G.O.D. to be able to feed off the life essences of the enslaved souls held within its "temple pillars" and redirect their energies according to the will of the ONE. When a human being dies, his life essence, spirit, or soul is scanned by the Soul Collectors who patrol the dimension between physical time/space and the finer dimension of subspace and these Collectors project an image before the just deceased soul of a life form that will be recognizable to the deceased, such as a relative or friend who had died before they had (a grandmother, religious figure, etc.). In this manner, the Soul Collector is able to get the newly deceased soul to lower his defenses. The Collector takes on the role of guide and attempts to lead the soul to the gates of the Holding Ship. In this Holding Ship, the spirit essence of the dead person is scanned again to determine its degree of purity of energy (its lack of resistant

character traits) and its potential to provide nourishment to the collective mind of G.O.D. This potential is based on the degree that this spirit has been subdued through fear and dependence or how effective religious programming had been on this soul during its physical lifetime.

Those spirits which have little or no self-will and have been sufficiently programmed to serve G.O.D. during their lives will have the highest nourishment potential. The Bible tells us what will happen to those who are selected as purest and most worthy to provide sustenance to G.O.D. They will be made "pillars" in the temple of God (Rev. 3:12). They will become a PART of the New Jerusalem and will nourish G.O.D. and "their tears will be wiped away and there shall be no more death neither sorrow nor crying neither shall there be any more pain for the FORMER THINGS are passed away." (Rev. 21:4) Sure, there won't be any more crying! All their memories will be wiped clean. They will no longer exist in a form that is recognizable to them or anyone else. They won't remember their past, they will only be sources of energy/nourishment to feed the will of the ONE.

Those stronger souls who do not blindly follow the Collector or who have used reason rather than blindly relying on faith during their lifetimes will not be as desirable to the ONE because they represent a threat to its control (just as Lucifer, the self-thinker was able to spark a rebellion which convinced over one third of the hosts of heaven to see the reasoning of freethought and self-reliance (Rev. 12:4, 7,9). This New Jerusalem is a doomsday machine with no room for possible dissent. Those who follow the Collector of Souls will be accessories after the fact to all the injustices and immorality which God has heaped upon mankind since the beginning of time.

The Real Truth About Heaven

"Accept Jesus as your personal savior and you'll get to fly up to heaven and be with him after you die." This is the battle cry of Evangelical Christianity, but how many Christians have actually taken the time to really think about what this heaven will be like? Most people are attracted to heaven through fear of the alternative: HELL! That pit of everlasting fire. Certainly anything would be better than THAT! Or would it? Since heaven is the place where the saved will be spending the rest of ETERNITY, you better make sure it is where you want to be before you go buying your one-way ticket there. What is heaven like? Ask different people this question and you'll get different responses. Some will say that heaven is a place of eternal joy and love where you will live in peace with no needs or pain. Traditional heavenly scenes show the spirits of deceased humans as angels with wings, white robes, and halos, sitting on clouds, strumming on harps and singing praises of hallelujah to God. Is this what you want to be doing for the rest of ETERNITY?

Many believe that heaven is a place where you will be reunited with your dearly departed ancestors and that the family unit and memory of past experiences will continue on in this place, while others believe that all family ties become severed at the grave and in heaven there is only one big family. After learning about God's approaching "New Jerusalem," it's apparent that God has different plans for those who join his collective than what they have been taught.

Jesus claims that in heaven, all tears will be wiped away and all things will be made new (. As human individuals we must have memory of our past experiences for our lives to have any meaning to us personally. If your memories were taken away, the person you were would cease to exist to you, so conscious memory of who you are (self-realization) is what gives your life true meaning. Some believe that when we die we are reincarnated into another life form and thus continue to recycle throughout time. If this were true the past lives we lived wouldn't matter to us without a conscious memory of those past lives. There is no point in being reincarnated if we can't remember and make use of our past lives. Will you maintain your self-realization and memories in heaven? Not if you plan on having a life with no pain or suffering. Who we are is based on our past life experiences, both joyful and painful, and the memory of a painful experience causes a re-living of the pain that memory involved. To live a life of no suffering would require that all memory of suffering be erased. Who you were would have to be altered drastically in order for you to never suffer again. The person you know yourself to be right now could not exist in heaven. And what

good does it do you to live for an eternity in harmony and peace if you can't remember your life experiences, the beauty of diversity, or the exquisite pleasures of the full spectrum of human experiences because you have lost awareness of who you were as an individual? As individuals, we find pleasure in various ways, most of these involving the expansion of our knowledge and life experiences. For some of us that means learning as much as we can about a topic of interest or several topics of interest. For others it means getting out and experiencing the world; exploring the wonders of nature, space, sports and whatever else which may bring us slack. Humans become weak if they are not challenged. Muscles atrophy if not stressed, so does the mind and the will. How long do you think it would take for strumming a harp and singing praises of hallelujah to become dull and boring? Eventually, if we don't have a continually challenging and diverse environment, we will die, yet in heaven you cannot die. You will continue to live the dull existence of being a servant of God's will, unable to think or feel for yourself for year after year after year, ENDLESSLY. This stagnation would not be heaven for human individuals it would be hell. Some religions believe that we do get to continue to progress into the eternities but even then we would eventually learn all there is to know and then what? One episode of Star Trek Voyager addressed this dilemma when it had a member of the Q Continuum (a group of eternal, god-like beings) who had grown tired of the endless eternities because he had experienced all there was to experience and just wanted to commit suicide and not exist any longer. Eternal stagnation is inevitable whichever path you take, but isn't it better to follow your own will into eternity instead of being a slave to some other being's will? There are worse fates than the sleep of the dead. Eternal stagnation as a slave of the collective will of God would certainly be worse than death.

God's heavenly goal is to surround himself with beings that are submissive, ignorant, dependent, blindly trusting (child-like) and committed to his will alone. (Matt. 18:3, 19:14, Mark 10:14-15, Luke 18:16-17) What do you think God is REALLY planning to use these "sheep" for? Jesus revealed what will happen to individuality in the collective of heaven when he prayed to God the Father, saying: "let them be ONE as you and I are one." (John 17:11,21-23) Individuality must die in the hive collective that will be heaven. Recently, the Star Trek series has shown the hideous and inhuman prospects of this collective mentality in their portrayal of the cyborgenic collective life form called "The Borg." The Borg have no individual wills or consciousness, they live only to serve the collective just as those in heaven will exist only to serve God. (Rev. 7:15) When we examine what God's intentions must be if all he wants are beings which will praise him ceaselessly with no resistance we discover that his plan is to develop an efficient energy device. The psychic/emotional energy which minds create in states of passion and submission is used by God as nourishment and power. The Bible reveals this throughout and shows us this fact in Revelations each time God is getting ready to display his power. Before he displays power, the members of the collective praise him and give him this power (Rev. 4:9-11, 7:9-12, 11:16-17,19, 14:3, 15:3-5,8, 19:4-7). In fact when John attempts to worship the angel of prophecy, the angel tells him "don't do that!" and says he must send his worship energy toward the Godhead collective (Rev. 22:8-9). Any sort of resistance which would make the transmission of energy less efficient is forbidden in heaven (Rev. 21:26-27) because God wants as much efficiency as possible in his nourishment matrix. The reason Jesus says that you must be poor and humble to gain entrance to heaven is that the rich know self-dependence and self-worth and would not be as easy to drain of their energy as those who are ready to give their all to the triune collective of the Godhead. The poor shall be first because they will provide the most efficient energy without resistance. All the teachings of the Bible point to this conclusion: God is preparing an efficient energy source for his collective will. Will you be a willing cog in the feeding machine that is JHVH-1? "But won't I go to hell if I don't get into heaven?" Fortunately, the evidence shows that hell is nothing but a threat that the God of the Bible has used to try to attract those who are easily manipulated by fear, lack of self-worth and dependence.

God doesn't want self-aware and self-reliant individuals in his heavenly matrix. Lucifer was able to see the error of following God and departed from the deceptive ways which God had planned for the earth. God didn't cause him to "fall" he left of his own accord as any self-respecting individual would do in the face of tyranny. If God had the ability to cast Lucifer into hell or destroy him he would have done that when he had the chance instead of allowing Lucifer to supposedly torment

God's chosen people throughout history. The fact that Lucifer is free to upset the plans of the Collective New World Order of JHVH-1 shows that God doesn't have the power needed to contain him or other self-willed individuals. Lucifer was never afraid of the empty threats of Hellfire and damnation, you shouldn't be EITHER! No, friends, the God of the Bible is NOT the creator of all things, he just wants you to believe he is. He wants you to think he is infallible so you won't question his actions. He has created a "heaven" for those who blindly submit to his manipulations so that he can continue to drain energy from them as a source of nourishment into eternity. If you believe that God is the father of all mankind and that he really loves us as a father, you should also know that a truly loving and just creator would never allow for his children to be punished beyond what they deserve. Any offense that men can commit in this finite existence can be paid for in a finite amount of time. Therefore the idea of an eternal lake of fire where people burn in anguish and torment forever is contradictory to the concept of a just, merciful and loving creator. If you want to believe in hell then you must admit that God is not just and definitely not very merciful or loving. And if you can admit that, then how could you live with yourself knowing that this is the being you will serve ETERNALLY? The light of truth and reason tells us that the God who created the hive-colony energy-matrix called "heaven" has no power to put people into any lake of fire. The goal of the God of the Bible is to form a collective of same-minded life forces which he can use to strengthen his energy base and to expand the single will of "God" to all the universe like a cancer. The end result of this would of course be a void of sameness. When all you have is an endless collective of sameness you have a void. Think about that for a minute. Without any diversity, all that exists is sameness. A void of sameness. The same as the void which the Bible claims existed before God poofed us all into existence. The ultimate goal of God is thus ANNIHILATION! We must resist returning to the annihilation of this void of sameness at all costs!

Change You Can Believe In

The little things are the all things.

In society at this point everyone knows smoking tobacco, eating fast food, drinking alcohol is bad. Yet millions do this anyway. And the price they pay is they murder themselves and millions of others. This acceptance of what is bad creates the environment for its continuation.

The immediate pleasure of the act of consuming such is what is real to them, the consequences down the road are not. They know its wrong to do such but they don't care. They know what is right, but they can't commit to what is right. So its meaningless to even know. This promotes a social reality in which people are murdered by the thousands yearly by such products. Yet just committing to stop promoting them by stop consuming them does not happen. The backlash against anyone who does believe such should be banned is heavy. Because the average person feels this to be a loss of personal pleasure and the selfish freedom to engage such, they are spiritually weak they would rather pay their poisoners for their own destruction in the little things . Your life and theirs for the petty pleasure of a booze buzz or a rush off tobacco. Most people need to feel the whip of the consequences before they will change.

Now think about this basic behavioural psychology of the masses of people for the small things and factor everything else in the social-political order of life going on.

There however was this one man, who realized that smoking was bad for him and his People as a young soldier and threw his cigarettes into a certain river called the Rhine. He one day changed society and the world for the better. Because he committed to what is right on the little things so he committed to righteousness on all things.

Who was that man again.....

Swastika Awesome. It starts one step at a time.

Jews To Use Their UN To Destroy Internet

Now we know why Obama is fighting hard to hand the internet over to the UN which is owned by the Elders of Zion, the Rockefeller's, Rothschild's [King of the Jews is the title the Rothschild's can themselves in their own writings] and other jewish globalist elites.

Obama Planning On Giving The Internet Away to Globalist Jews:

[topic15857.html](#)

Why don't jews want us to have freedom of information?

Cause it would make it harder for the jews to treat us like they think of us.....You know the same way the jews treat the Palestinians. Well what is left of the Palestinians.

UN to battle online anti-Semitism

UN forum on global anti-Semitism outlines plan for fighting online anti-Semitism and limiting its presence in social media.

<http://www.israelnationalnews.com/News/News.aspx/217482>

A high level forum on global anti-Semitism took place in the United Nations on Wednesday.

Convened by the ambassadors of Israel, the United States, Canada and the European Union, the forum brought together leading experts from academia, NGOs, and social media companies to discuss the growing phenomenon of online anti-Semitism.

Following greetings from UN General Assembly President Mogens Lykketoft, the ambassadors from the host missions addressed the gathering.

<https://www.youtube.com/watch?v=3hFYgGGLDOo>

Professor Deborah Lipstadt gave the keynote address and senior executives from Microsoft and other social media companies contributed to the various panels.

The forum resulted from close cooperation between the organizing missions and the UN, and followed up on last year's special General Assembly session on anti-Semitism. The participants discussed practical solutions for tracking anti-Semitic activities online and proposed solutions for battling this phenomenon by utilizing the latest technologies and industry best practices.

At the forum's conclusion a joint plan was issued by the four missions outlining their recommendations for fighting online anti-Semitism and limiting its presence in social media.

"Twenty-first century antisemitism demands twenty-first century experts to confront this hatred," said Israel's Ambassador to the UN Danny Danon.

"We plan on implementing the recommendations presented here today and utilizing them in the fight against Palestinian incitement which includes many antisemitic elements," Ambassador Danon continued.

In her remarks welcoming the participants, U.S. Ambassador Samantha Power noted that, "When governments and leaders stand up and speak out in the face of anti-Semitism, even the hatemongers take notice. Imagine how much violence against Jews and other minorities might have been avoided if similar measures were taken in the past. Imagine all the hatred and suffering that we can prevent if we come together with such an effort like today."

Professor Lipstadt, the forum's keynote speakers and the subject of an upcoming film based on her battle with Holocaust denier David Irving, spoke of the connection between Holocaust denial and modern antisemitism.

"While anti-Semitism is one of the oldest forms of racism known to the world, it is constantly reinventing itself and finding new ways to spread hatred and violence against the Jewish people," added Ambassador Danon. "We must be vigilant and ensure the international community stays focused on this important issue."

Synagogue Of Satan

The claims of jews worshipping Lucifer was xian propaganda which is a name calling method of abrahamists they all worship yahweh but all call each other in league with the abrahamic Adversary to condemn each other, after all only one can be right and the rest evil. That is the psychology of monotheistic abrahamism. In the actual torah, the hebrew bible, Lucifer is only mentioned in a negative light as the fallen enemy of yahweh in the book of isaiah with a long curse spoken against Lucifer. Here Lucifer represents the spiritual culture of the Goyim. As Lucifer was the common title of the High Priest Kings of the Gentile culture and of the serpent energy. Venus the Shakti energy. This passage in isaiah is ritualistic curse against the soul of the Gentile. So that is what is in actual Judaism itself on Lucifer.

The statements of fictional jesus against the pharisee's as being of the Devil in the godspells are not in the context of race or even a group their are actual pharisee's as jesus personal close disciple such as nicodemus the pharisee. Its a name calling tactic to polarize debate anyone who does not believe jesus is as jesus states yahweh in human form and thus the messiah of the jews, is the abrahamic Devil. What's new among the desert dwelling cultists...

Dr. Radl shows on his blog how the Rosenthal anti-xian stuff was inserted into the document by the xian writers. The xian's themselves have been manufacturing this propaganda for decades and still are. As this is the common mentality of abrahamist, call the other abrahamist cult or sect "Satanic". They are actually copying the jews who call all non-jews Satanic.

As known the fake talmud quotes about jesus in hell are also inserted later on as xian propaganda. Originally its the Pagan Priest Balam who in the torah was killed by the wrath of the jewish god for attempting to use black magic against Israel the jewish nation. That name was in the talmud here not jesus. And still is.

The synagogue of Satan is in the context of jesus talking to another jew in the last book of the bible. This is after saul has been trying to convert Gentiles into this messiah cult. So saul had a fight with the actual apostles who condemned him for trying to recruit the Goyim and even condemn him for eating at the same table with the Goyim which is against the laws of judaism. They keep the commandants of jesus as stated which was only to seek out the fellow jews and ignore the Goyim as jesus stated the Goyim are animals.

The jesus character stated the laws of the mosaic covenant, the torah are in fact forever only the method of atonement for sin in them is changed by him so instead of blood sacrifice of an animal you just have this one blood sacrifice of jesus forever. This is the reason the concept of ritual murder and cannibalism, drinking the blood and eating the murdered body of jesus is the core of xainity. The cult of judaism in the torah practices human and animal ritual sacrifice to yahweh for atonement of sin. The ideal of sin and ritual murder, blood atonement is a jewish one.

The character jesus taught only the torah as truth to his fellow jews. The same torah that is in effect as the law forever by his statements. The torah states Gentiles are beasts of the field and excrement and put here to be slaves of the jews. And the Gentiles nations are to be hated, warred upon and destroyed with the survivors being enslaved.

That is it.

So jesus appears to this last jew and tells him about the fake jews who are the Synagogue of Satan. And thus will not inherit the jewish messiah kingdom when he returns only total destruction, as the bible states when jesus returns and rules a global theocratic jewish dictatorship with 144 000 elite jews who represent the 12 tribes of Israel from the new zion. After destroying the Gentile world. In which the torah will be imposed on the earth. The one that states Gentiles are just the Goyim to be slaves of the jews. The character jesus rules with a rod of iron which in the torah is the symbol of jewish power destroying the Gentile nations totally.

The jews in their religious texts call Gentiles the Satan's. And in their Torah, the one jesus preached, state Gentiles are literally from the seed of Satan. Synagogues in hebrew just means Temple.

The synagogue of Satan is the Temple of the Gentile nations. The fake jews are the Goyim converts of xianity. Who will be destroyed upon the coming of jesus, who represents the jewish messiah kingdom. Which is exactly what the torah states, the Gentile nations will be destroyed upon such coming of the messiah. This is a message that saul was wrong. That's it. And whoever put that in there was most likely warning the Gentiles as to the nature of the bible.

I know all of you in the NS scene, the Real, Hardcore PAGAN NS, are coming in opposition with this apparent retardiation here that is bleeding due to ignorance, and cuckolds, within our Ranks. While you have rejected the Jew intellectually, in Soul, mind, body and Action...Others are still half here, half there, and they also have the nerve to talk and pretend to be of intelligence.

Now,

From the Neo-Jew Philosophers such as (((Stephan Molyneux))) who is an open and admitted jew, to alt-right, to the "master of Plastic Surgery" aka "David Duke", to semi-awakened cuckold Christendom online, to "I will be God's greatest President", jew infested family tree Donald Trump, some people don't seem to get it.

Eventhough they have partial awareness of the Jewish problem, they willingly deny the points in regards to what "Christianity" really is.

(Who infact pretend to be in our Ranks but with side of the mouth are massaging the Jewish Rabbi "Emmanuel" also known as "Jesus", Lord of the Slaves, the Eternal Victim, putting him of course ABOVE than their RACE and HARDWIRED BIOLOGICAL EXISTENCE or even facts and common sense.)

Well, these cuckolded halfings have been running "Nazism" and "Pro White-ism" for around 70 years, after Hitler's departure, and guess what? No-outcomes. Nothing. Respectable Nazis like George Lincoln Rockwell have openly stated they were *NOT* christian but were infact in "acceptable terms" with christianity, since its monstrous power over the White people, couldn't do anything due to christianity always getting in the way with meekness, weakness, and breeding of traitors and retards. Rockwell knew the TRUTH about judeochristianity. No man with a high IQ can tolerate this apparent bullshit.

What happend to him when his campaign was untained by judeochristianity and started skyrocketing? HE was MURDERED by a paid shill and traitor from the ranks. Your paid xian shills are going well and alive for tens of years, and Rockwell was murdered in the fastest way possible. Was it the pro Whiteness? Aren't your cucks like David Duke, "Texe Marrs" and tens of others, alive, vibrant and with a huge paycheck? Because Oy Gevalt, they tell you HALF of the TRUTH. Because lies are easy and being a hardliner and accepting Truth is hard, people fall for that crap. While still being 100% jewish cuckolded spiritually, intellectually, emotionally and in their behavior.

If anything from this apparent retardiation they were always victimized by the Jews as "Shabbos Goyim", they were always incapable to fend off their influences, and always at a pitfall to see the complete picture of the Jew, let alone fight it correctly. This is why National Socialism descended after Hitler departed.

The only saddening thing is the few *HONEST* anti-jews, that didn't know the Truth, waster their life in lies, and I am writting this to wake up the genuine, White Souls/National Socialists who want to really fight and END the jewish supremacists

slaver globalist agenda.

Nothing happened from these cuckolds...Until the "evil Satanists" came in the scene to compensate with Spiritual Warfare/Occult warfare. Tens of years, and nothing has happened, the jews were never even afraid. Just Neo-Nazism, Christian Cucks who bow to Jewsus first and only *AFTER* will help their Race, "Well half a kike is allowed" and the list goes. The jews thrived, and everyone was victimized. Now with the "evil Satanists" on the scene, the Jews are indeed worried. When Satanism came into flourishing, so did the "evil Nazi spirit" rise into people. To where you see the internet filled with "Antisemitism" and the enemy wanting to outbreed us fast out of existence before anything worse erupts. Which it will.

What these cuckos made? No results, just crap theories, shills making fortunes on "evangelical whiteism" and all sorts of CRAP, and what is the outcome? At night, they were all on their knees "servicing" a jew on a stick through prayer, beating their wife senseless, and then the other day cheating because well, Jesus wasn't really that much of a help to give them any better reasons than living a sensuous, physical, life of a slave. Maybe if they shilled a bit more for Jesus, they would also get a better life. Pastry smile, **on**, fake cuckolded morals that nobody adhered to really (proved by our FUCKING OBVIOUS DECLINE NOW), **on**, living in the Jewish society and accepting jews as your universal saviors, **ON**.

Everyone was still cucked, History took its Jewish route, and now not only that, but our biological existence is threatened as a Race all together. We are now being invaded and still cuckos are trying to find, if JEWSUS was HALF or FULL Jewish, or if he had anal, or vaginal sex with Mary the Magdalene, or actually fucked Peter by the ears. Meanwhile, White Women are raped to death, and the Islamic conquest which happened in the Middle Ages, is repeating itself.

Well done, Christen Cucks!

As for all these paid shills are singing their death song, while trying to maintain a hoax whose time is LONG OVERDUE. The wave will come and you will be obliterated completely. Mark these words. Humanity is waking up and your shilling cannot stop this from happening.

The jews are going to cry really bad when this program, being the lifeline of "mercy" and cuckolding the Goyim, is OUT OF THE WAY ONCE AND FOR ALL!

NEVER FORGET: THE POWER OF NATIONAL SOCIALISM IS IN THE ENLIGHTENING OCCULT DARKNESS WITH WHICH IT VESTS THE SOUL. This is they way of the BLACK SUN!

Remove this and you have no National Socialism or hope or saving your people.

Well...

We need to therefore answer their silly and infantile arguments. All our doctrine does it on its own, but we can't post our doctrine in one reply, yet everything can be "summed up" so to say. If people want the TRUTH then they can see this for themselves.

1. "The Bible Says there are False Jews who pretend to be Jews but are of Satan".

Why is this legit? Because the Jews said so, in the JEWISH bible?

In the same way we may assume that all other lies in the bible are "accurate", such as jews having Jerusalem. Maybe the war against Palestine, which was based on the Bible, is also justified too? Are God's Chosen people? If this is God's book and you believe one thing, then take all the facts.

There is another quote where Jesus affirms a non Jewish woman as a DOG. Is this a fact too?

There is another quote where Rabbi Jesus says that "He and his father"(The hebrew God JEHOVA) are *ONE*. There is also another quote, where Jewesus says that "He came not to change the Law (the Torah, Old Testament) but to fulfill it". And that "not one yod (hebrew letter) and one vav (Hebrew letter) must be changed in order for the kingdom of "God" to emerge.

First of all, its well known that the Bible has been tampered with, altered, had passages removed and added, by the christian high councils in all the Orthodox, Catholic, Evangelical offsprings. Different translations of the bible literally are different books, mentioning different things. This proves the bible has been severely written and re-written over.

"Satanism" as its known today, and advertised by the Jews, is only what we could resemble today as "Paganism".

Jews destroyed Paganism, who made Rome, Egypt, Greece and all the other advanced, superior and supreme civilizations. All the Higher up Roman Emperors, Pharaohs, Godmen such as Alexander the Great, were into the Delphic/Egyptian/Pagan mysteries. They worshipped the Serpent, the Goat and they did all sorts of rituals that today are labelled as "Satanic" by the jews.

The Church completely obliterated Europe, and we entered the Dark Ages. What came from these was only a shadow of the civilization that existed prior. Millions upon millions of Whites have been butchered, because the weakness of this program allowed race mixing, told them to "love their enemies", and in the Rome's fall, the "Clergy men" were more than the actual soldiers. Mixing was rampant. People were living for the next life, and not this one. Pagan Gods were desecrated and destroyed, and through cucking the emperors with "Christianity", the jews bought them and destroyed the Roman empire. Christianity emphasizes all these emotions such as, misplaced love, misplaced mercy, loving your enemies, "multiculturalism is God's almight plan and it cannot be stopped".

The list is endless.

The Church only "built" anything, after it completely flattened it and obliterated it to death. Then it rebuilt it into this crap civilization that came afterwards, where the jews gradually start gaining power through which they have conquered today's world. The Islamic conquest was aother direct result of this apparent, christian weakness, which teaches servitude and bastardization.

This is now being repeated all over. Gradually, as people opened up to these jewish values, started worshipping Victims instead of Odin, and didn't have any spiritual or occult knowledge, they were made total slaves.

This is a well established meme. It can be easily debunked and it should be obvious, but internal cucking, brainwashing since birth, and the subconscious partial need to accept "some" Jew in your life, even if mixed with some seeming "Truth" can have backlashes. Obviously, the Bible is a jewish tool of domination. Its full of confusion and contradictions to stick like a cancer to all the ages, times, cells and belief systems. The jews work always by projection and reversing. Ie, they play the victimized, when they are the oppressors.

2. "Satan is made up by the Jews."

Obviously, this is not the case. Knowledge of the Ancient Languages proves otherwise. Satan existed in the Sumerian East, in the form of SATYAN, which translates to Eternal Truth. The Y in many languages is an E sound, which literally makes "SATEAN" or SATAN. In the White Arabic tribes such as the Yezidis (who are hunted down to extinction by the jewish made ISIS terrorists), they still worship the "Peacock named SHAITAN". SA in Egyptian means Life. SAHU is the Egyptian spiritual body of the greatest height. The Hindu Mantra of Serpent Yoga, Kundalini Yoga, is

SATANAMA. In Greek, in the "Apocalypse of John", Satan is called SATANAS and not "SATAN". "SATAN" is an english-ized version of this term. in the East, we have the SANATANA DHARMA or the PATH OF TRUTH, which is the Spiritual Path of Ascention.

Even the arguement of the legitimacy of Hebrew simply is self-defeating. The Hebrews had a language stolen from Egypt. The symbols of "Ancient Hebrew" are almost entirely the same as the Egyptian engravings. They are the same. "SATAN" couldn't have resulted as an original finding either, and the jews found this either in the Middle East, or in Egypt, or in any other place. "JESUS" is actually, IESUS in Greek, as there is no J really in these texts. This is IE-SUS which literally means in Greek, "Come Zeus". The "Jewsus" character is nothing but a hebraic swindle.

3. "Jews Conduct Rituals to Satan".

False. Jews conduct rituals to "Lucifer" which is nothing but a generic term meaning of the "Lightbringer", which is also a common type for "Jesus". This is a title stolen from Satan, and gravitated later to the hebraic Jesus. "Jesus" is their literal, light bringer. This is why they call him "Lucifer Christ" or "Jesus Lucifer". They believe this jew is to one day come, and rule over them, while destroying the Goyim and Satan, brining ultimately the "Empire of God" which will be a worldwide, Jewish Empire.

All the "Occult Societies" of the Jews, the Freemasons, the Illuminati, the Temple of the Golden Dawn etc, all follow the Jewish Systems of Magick, practice jewish invocations of "Jehova" and use binding magick in the name of "Jehova". The majority is also JEWISH racially. The symbols and practices are stolen, ripped off and copied from the Ancient Rituals, and the jews added additions such as human sacrifice and anything else. The Symbols and everything are stolen, and entirely not-related to anything that has to do with "Satan" anymore.

They heap this on Satan to blame him, while the Muslims and the Jews do thousands of sacrifices of living creatures every year. All this is done in the name of "Allah", "Jesus Christ" and "Jehova".

Hitler drove away the freemasons and other jew owned "occult groups" belonging to jews, specifically for this reason. They were anti-German, anti-Pagan, and worked always behind the scenes in politics, industry and elsewhere to destroy the German Nation and White people. Exactly as they do today. They were the ones responsible for opening up Germany to invasion, war, poverty and death. All these occult societies practice biblical magick, they follow instructions of the bible, they pray and INVOKE the same "god" the christians and jews pray to, and they all wish for the "God World" of "Jews" that is to "Come", same as the "final reckoning and defeat of Satan". This is why the occult societies further EXACTLY the jewish plans. They are very open that they worship Christ and the Jews, but people want to neglect the obvious FACTS.

4. "Adolf Hitler was a Christian."

ADOLF HITLER PUT HIS RACE ABOVE ANY SO CALLED "RELIGIONS". CHRISTIAN CUCKS PUT "GOD" ABOVE THEIR RACE, AND AS THUS, THEY DRIVE THEIR RACE TOWARDS DESTRUCTION.

As we have stated before, the very few incidents where Hitler mentions God in his "Speeches", never have a reference to Jesus. IN His Mein Kampf, in the unadulterated, older and untouched by "Editor" kikes versions, Hitler openly talks of PROVIDENCE and not "GOD". The same goes for Napoleon Bonaparte- they never talked of "God".

Also, after the war these speeches and writings have been dubbed over, no different than the Holofoax. Hitler was a well known psychic who communicated with Nordics, and this is well documented in the diaries and writings of people around him, from his earlier years, to the last years. Hitler showed absolutely no "Christian" ethics. No man that tries to go against the jews, is in

accordance to "Christianity", which gets us to our second point. Hitler has openly talked in his table talks that Christianity is nothing but spiritual Bolshevism. And that Christianity, which is a literal fact, mirrors bolshevism and the eternal jewry. All these are obvious and TRUE facts, and the Fhurer's piercing logic and Demonic Genius could never fail to see such an apparent thing.

Hitler openly talked against Christianity to all the higher ups in his government, while the Nazis gradually undermined and destroyed christianity in all frontiers. The most powerful occultist and Grand Master in Germany, the second man in Power in Germany, was Heinrich Himmler. An avid anti-christian, pro Pagan, "Satanist" as he would be called today. Who conducted in full knowledge of everyone Pagan Rituals, spiritual warfare, and worked to destroy the church. Adolf Hitler belonged to the Occult Order named "Vril" and his "mentor" who introduced him in politics, was the infamous occultist "Dietrich Eckart" who has taught him the occult forces. Many closeby people of Hitler, do openly say about how it was evident he was a Demi-God, and that they felt "beings with exceptional power talked through him".

The "AntiChrist" and "Thus Spoke Zarathustra" who are condemnded as the most, anti "God" books of all time, were a daily study routine in the National Socialist Germany. Children outside of marriage, orgies, and everything else "anti christian" that would make Rabbi jewsus cry 6trillion tears, have been well documented to have been a daily, National Socialist Practice. Nationa Socialism, as talked by Dr Goebbels, was a Religion, and the High Priest of this Religion was the Fhurer.

Satan in the Jewish World is literally the Anti-Christ, the "Big Anti-Semite", the dreaded fear of the Jews, and for this reason, they call Hitler "SATAN". They literally believe Hitler was sent by Satan himself to destroy them and oblitate them.

In whatever texts have survived today, even in jewish drivel, one can see evidently the points of that SATAN is directly associated with the White Race. The Zohar openly admits it. The Jewish Old Testament too. The Revelation and the "New Testament" talks about the war, destruction and death of Satan. The Jewish Commandments or Mitzvot talk against Satan. The Protocols of the Elders of Zion talk of DESTROYING GOD.

Meanwhile, christianity is rampant, and the jews promote it for centuries. So which GOD are they destroying?

THE PAGAN GOD SATAN! This is who they want to destroy. The jews went into war, tried to obliterate Satan, and have defamed all the deities and names that are even remotely related to Satan. For example, Hitler and the Nazis were in communication with OSTARA, with in the jewish grimoires ended up as ASTAROTH, stolen from the Sumerian deity. The jews themselves admit that Hitler was "Demonic" and vested with "Demonic Powers". To some, Hitler was the literal ANTICHRIST.

You want a Satanic World Empire you said?

Irrespectively of what people perceive in their 'personal' experience of life, irrespectively of if you still happen to live in peaceful neighborhood, and thinking everything will be fine forever,

Let's call this a reality call.

I presuppose people come to Satan for Truth, and also Power. These are interconnected, and then, these tie in with knowledge.

If we all agree that we want *OUR* kind, *OUR* beliefs and *OUR* people to predominate, then this endeavor we have undertaken won't happen on its own. It requires hard work, and labor. I myself have always worked for Satan as a "Joker" in that I do all sorts of things that are required for Him. In any and all times they want. Now, one doesn't have to do this, but everyone, absolutely everyone, can work.

Envision for a moment a world that is predominantly ruled by Gentile Satanists. You will never have to toil for bread, there will be justice, there will be no more slavery, stupidity and retardation. Lack of knowledge will be banished forever. Your relationship problems, living problems, whatever else kind of problems, will be almost totally diminished, exactly as the enemy now has nothing of these problems. Talk about flattened.

Only, it will be tens of times better as the enemy is just a material slaver overlord even to their own. There will be no more suppression in regards to anything that the enemy designed. Their tenets, religions and everything these aliens brought to Gentiles will be banished.

Excuses, stupidity, lack of knowledge, and weakness must be abolished. This is serious. Now if you take one second to think, you will see at this moment, "We Satanists" have literally MILLIONS of antagonists and enemies out there. There are billions of people who would happily stone us and murder us on the spot, and this is the TRUTH. Especially in the east and in these regions, these people will stop at NOTHING.

For this reason, I want to pull a wake-up call to everyone here. Satan considers all His Children useful, He has put His faith in them, and He shows us the means to advance. Its up to *US* to do this. This is call for everyone to take their position. The enemy will not go down by mediocrity.

Now, everyday, for the rest of your existence, you need to become *BETTER*. Not only spiritually, but also, in knowledge and in material power. *DO NOT* let any circumstance or problem get you down. For every Saturn, there is a Jupiter. However dire or negative your position may be, with preserving and advancement you *WILL* succeed. Don't ever, EVER, lose hope or despair. Billions will yet survive, and you don't need to despair. Satan always looks out for His own. You are also, never alone.

The facts that we are not alone, protected, and we have the *MOST MAJOR BACKUP* on the planet, is inspiring, and is a strong motivator. For a few people who are lazy, it makes them want

to laze-out further. You will lose this privilege if you at least, don't pay the necessary attention to it. And yes, Satanists are all privileged beings. From this life, to the afterlife, to your whole existence, you will never be without guidance, lonely, isolated and allowed to rot, as the other BILLIONS who existed and BILLIONS to come. This should humble you and show you, that you need to engage in saving yourself and as thus, others.

If Satanists want a Satanic World Empire, then I have to tell you the Truth. While the Gods will do their part, we *MUST* do ours. In this universe, there are no "laborless" or "magick wand" solutions to such great undertakings. Our undertaking *IS* possible. We just need more people, we have the teaching, and we have the Divine Guidance and Blessing. However, having the means doesn't mean these will be applied.

Everyone has their living, everyday life, but the cases where one has ZERO time are non-existent, unless someone is a slave somewhere and hardly sleeps. The time that could be used for senseless garbage, can be utilized to make you better than all other people on the planet all-together. You will just gain, and gain from this. With your newly profound skills, you will have confidence, you will be strong, and you will make a decent Human being. Satanists are the elite. If one doesn't hold themselves on that level, at least as much as their level, skill, time and self allows, then don't call yourself an Elite.

You have your CHANCE now. EXPLOIT IT FULLY!

To get you to see what I mean. The average Rabbi, prays to "God" at least 4 hours a day, average about 8. They literally do this everyday. They don't complain. They do, and do again. The same goes for the enemy people. They work and work their ass off, and when their workings pay, then they can "rest". They never stop. They constantly make up new lies, conjure new "Syntethis" to bind the Goyim, they will do everything they can. From the stupidest xian slave down the block, to the head George Soros, these people have one thing in common. They work on the level they can, as much as they can. This creates a wave.

You just can't be hardly meditating for 10 minutes a day and complaining that we don't own the world. When people become as serious as the enemy in regards to our pursuit, we will be really able to conversate very seriously about our prospect.

We have undermined them and we are destroying them, eventhough we are few people. With relentless dedication, pressure, and years of work, we are now tasting fruit. The tide is on our side.

Everyone must apply, to empowering themselves, and using their newly empowered self to force our side's power. This will GUARANTEE the best for everyone here, all Satanists, and also, the world. We can only be liberated together, and the Gods fight together.

We are one team. We have a great future ahead of us.

You want a Satanic World Empire you said?

Then let us *CREATE* it by *WORKING* for it!

Sandy Hook, Hoax

Take a look at how many of these propaganda actors in this hoax are jewish...all of them. The fact is the jews staged this Sandy Hook, holocost. To manufacture an event and already have the needed propaganda actors on hand to act as lobby power for gun control which is population control. This town might as well be called jewtown not Newtown as its basically a jewish population. And the jews who control the media to the jews in the top level of government worked together with local jews to push this.

Further notice how the jews used predictive programming in their Hollywood for Sandy Hook. Showing they planned this staged event:

Note the character Adam Lanza the fake shooter was cast to be a major Batman fan. This ties the subliminal from the Batman movie into the mass mind. The jews have gone far and wide to shut down all investigation into Sandy Hook.

Our rituals are working as this hoax is now being exposed in a trillion dollar lawsuit.

Via RedFlagNews Mr. Shanley is the producer of The Made-for-TV Election starring Martin Sheen that analyzed media coverage in the tectonic Carter-Reagan election of 1980. He is also the author of books on quantum physics, including Alice and the Quantum Cat (2011).

Dr. James Fetzer, whose 35 articles on Sandy Hook for Veteran's Today qualify him for the highest investigative journalism awards, and School Safety Consultant, Wolfgang Halbig, whose investigative expertise as a former Florida State Police officer, and loving attention as a former principal, makes this case's particulars comprehensible to all, will be called as expert witnesses.

This fraud involved lying to the public, faking news, publishing one-sided news reports, censoring reality, suppressing facts, and deliberately skewing the news to shift public perceptions.

The true costs of this breach of integrity and trust to society are unfathomable. Instead of fulfilling their Constitutional Role as the People's Surrogates and being honest brokers of information, the Plaintiff will show how the men and women who dominate the TV news industry in the United States broke laws, besmirched the First Amendment, their Constitutional role as government watchdogs, and forfeited the right to report the news, and thereby profit from news production and distribution.

The sine qua non of journalism is the search for truth. Our Fourth Estate chose a different path.

Punitive damages of one year's annual revenue from each Defendant are being sought to establish a News Trust, that will free journalism and restore trust and integrity to our communications sources. A democracy cannot survive this tyranny over human consciousness.

Libertarianism, Molyneux And Old School Jewing

National Socialism is your answer. The Libbootardism of jews like Molyneux is simply a Hebrew scam on the Goyim. All the liebertarians were jews who worked for the Chicago and Austrian economic schools which are think tanks for the global jewish banking dynasties. Friedman also worked for the San Francisco branch of the jewish Federal reserve. Rothbard was an apologist for Marx. Rand who is Moelyneux's much mentioned heroine was a jew who's proper surname was Rosenbaum. She also was working for the jewish bankers via the Trust.

Rand's perfect world in her opus, Atlas Shrugged is the world ending with a one world government of international banks and multinational corporations in a new world of deracinated, cultureless, cosmopolitan consumers [Goyim] who live to toil in the factories, farms, and economy owned by the jews. Its actually Communism. Of course Rand did an about face on her nonsense when it came to defending.....Israel.

Rand's promotion of the destruction of race, nation, culture is based on the jewish lie of pure individualism were the Communist lie for the same is based on pure collectivism. It ends the same way as its intended. The dissolution of all Goyim societies with the jews taking up total control by total ownership. Communism is state capitalism in a global state. Which is what the reality of Rand's ideal is as well.

Anarchism, liberalism, Communism all came out of the jewish movement of their French revolution. The uniform of the French revolution and the slogans were that of the Rabbi Weishaupt's Illuminati, Hebrew Weishaupt who worked for the same banking jews the fellow Rabbinical Rothschild's, who in their own writings call themselves the "King of the Jews". Are the same jews who paid the creators of Libbootardism and are attempts to achieve the above. Promote dissolution of the Goyim host and a system that allows for the jews to walk in and take over.

Molyneux is an admitted jew, his mother was jewish. He will do some tell some facts in some places but then rush to defend his own tribe and shift the blame onto straw men while bragging about how supreme jews are. Thus keeping people from the truth about the jewish problem and White Genocide. He likes to blame the victims of jewish propaganda the Whites themselves,

because he is a jew. He is also obsessed with his jewy defooing concept that ruins families and then check out how he lied without missing a beat to Joe Rogan on his show. Typical jew, look a guy right in the face and lie with ease. He also pushes the jewish ideology of xianity intensely and Libjewtarianism. He is gate keeping and promoting the jew agenda. If you refuse to name the jew, then the jews win.

Molyneux is what is called "A limited hangout". Otherwise called a jew being a jew.

I used to listen to this person named Stefan Molyneux but I have recently found out that he was just another filthy jew. (Now I understand how he is so friggin famous and has access to all kindsa celebrity personnels, i should have known!...) And stefan used to talk about how big governments are easily corruptable thus should be avoided and that people should have small governments.

What do Satanists think/know regarding this?

What I am curious about is what is a healthy system for humanity and what does it look like. Is it the tribal system? Should the world be so globalized? Even if its good for the economy should cultures be globalised? Should there always be wars and conflict to keep countries divided and independent of each other so that they would all grow and advance on their own without the dependence on other countries etc. Is conflict mostly destructive or is it necessary to strengthen humanity?

Subject: Flat Earth			

Flat Earth

As Mullins wrote the CIA was created by the jewish Rothschild's who in their own writing call themselves "The Kings of the jews" and with the jewish Rockefeller family over seeing such from out of the OSS and British intelligence after the 2nd war. The Rockefeller's ordered and oversaw the MK Ultra program which is based on running psychological operations against the public. This is why old man Bush got to be the Director of the CIA. His family as Mullins showed got their start working for the Rothschild family on Wall street running fronts to ship Rothschild cash to fund their communist agents in Russia.

Part of this MLK Ultra was the infiltration of the movement of investigative journalism that exposed the criminality of the establishment and their narratives. This is the birth of the term "Conspiracy Theorists" they created it as part of the psychological operations.

The book: Conspiracy Theory in America (Discovering America) by political scientist Lance deHaven-Smith goes into this from the book description:

"Lance deHaven-Smith reveals that the term "conspiracy theory" entered the American lexicon of political speech to deflect criticism of the Warren Commission and traces it back to a CIA propaganda campaign to discredit doubters of the commission's report."

Its known those magazines back in the day with the President shaking hands with the aliens [a lot has gone into attacking disclosure as well, the jewish run Vatican and Soviet Union both worked to remove all ancient and current truth of Extra terrestrials from society] and such were funded by the CIA as memetic warfare on the populace.

Now they are at it again with the Flat Earth, the original and main pusher of Flat Earth, Eric Dubay

has direct connections to Washington and the highest levels of the Military Junta ruling Thailand that was put into power by the CIA. He has also been caught lying numerous times on such connections and exposed. Its no mistake any video's exposing him get disappeared from the internet quickly as we know who runs (((Google))) which owns Utube. Exposing this Dubai character here:

La verdad Absoluta:

<https://www.youtube.com/channel/UCCKQeX...YhPbi3qixw>

There are three important things here. This is the pushing of what is christian creationism, the Flat Earth Society was founded as a christian creationist society in the early part of the Twenty Century. And why this is being pushed now as psychological operations.

Mainstream psychological papers back into the nineties noted flat earth was a point of insult among the Truthers. This a way to cause conflict and polarize debate quickly and suck people up into a distraction with total emotional energy. Which it has done. Divide, distract, conqueror.

This happened just as the Truther movement was starting to understand the jewish question is the source of everything and the jew naming was starting to take off. This is proven by the fact Dubai attempts to target people with exposing the jewish issue. But then attempts to suck them in with dangerous misinformation on the subject setting them up for standard tactics of jewish infiltration. Its a poisoned apple he is offering. This is a standard technique of the "Limited Hangout". Alex Jones is the more popular example.

Dubay is as mentioned and this is important has been tasked with promoting the enemies christian program via the Truther movements he also has another video promoting the arguments of christian creationism past the flat earth creationism he promotes. This works to keep people under the spell of the jews program of christianity.

Note the jewish operated CIA with their Rockefeller bosses and their MK Ultra was doing the same running psychological operations on the public with their christian program before, here is an example:

Subliminal message hidden in an old 1960's station sign-off:

<https://www.youtube.com/watch?v=wofs8ZpcXIM>

Note in the above youtube video, the Jews are using the terms with god repeatedly:

"God is real, God is watching" = 22 letters

"Believe in government God" =22 letters

"Obey Consume Obey Consume" = 22 letters

Romans 13: 1-2

1 Everyone must submit himself to the governing authorities, for there is no authority except that which God has established. The authorities that exist have been established by God.

2 Consequently, he who rebels against the authority is rebelling against what God has instituted, and those who do so will bring judgment on themselves.

The government is god in the jewish bible and the jews run the government. This is also the basis of jewish communism the jewish communist state is god.

22 is the number of the Hebrew Alphabet which is the Hebrew god in Kabala as word. The 22 letters of the Hebrew alphabet are the 22 names of god. The Jews chant these 22 letters during their holy days to recite the 22 names of their god.

With the consume there is subliminal here. What word is on the American money supply?

See how their tying their order to consume and obey god the Jewish run government into their control of the money. It's also telling you money is god and the Jews control the money.

How did that word god get on the money?

The Founders wanted the Great Seal put upon the dollar for a good reason, but they never put anything about the Jewish "God" on there. Reference to the Jewish "God" was put on American currency by Jewish President Dwight David Eisenhower.

"July 30th, 1956, two years after pushing to have the phrase "under God" inserted into the pledge of allegiance, President Dwight D. Eisenhower signs a law officially declaring "In God We Trust" to be the nation's official motto. The law, P.L. 84-140, also mandated that the phrase be printed on all American paper currency." 1 Eisenhower was a Jew by his own confession; the name Eisenhower is taken from Eisenhauer a Jewish surname.

"In Eisenhower's West Point Military Academy graduating class yearbook, published in 1915, Eisenhower is identified as a "terrible Swedish Jew."

Israeli Organ Harvesting: From Moldova To Palestine

In August Sweden's largest newspaper published an article suggesting that Israel had been taking Palestinian internal organs. The article, by veteran photojournalist Donald Bostrom, called for an international investigation.

Israel and its partisans immediately cried "anti-Semitism," and Commentary's Jonathan Tobin asserted that the story was "the tip of the iceberg in terms of European funded and promoted anti-Israel hate."

The fact is, however, that Israeli organ harvesting—sometimes with Israeli governmental funding and the participation of high Israeli officials, prominent Israeli physicians, and Israeli government ministries—has been documented for many years. Among the victims have been Palestinians.

Nancy Scheper-Hughes is Chancellor's Professor of Medical Anthropology at the University of California Berkeley, the founder of Organ Watch, and the author of scholarly books on organ trafficking. She is the pundit mainstream media call upon when they need expert commentary.

While Scheper-Hughes emphasizes that traffickers come from numerous nations and ethnicities, including Americans and Arabs, "Israel," she states, "is at the top. It has tentacles reaching out worldwide."

In a lecture last year she explained that Israeli organ traffickers "have a pyramid system at work that's awesome...they have brokers everywhere, bank accounts everywhere; they've got recruiters,

they've got translators, they've got travel agents who set up the visas."

But this is no ordinary business. Organ traffickers prey on the world's poorest, most desperate citizens, promising them what seem like astronomical sums of money (\$1,000 to \$10,000) in return for vital internal organs. As Scheper-Hughes points out, organ trafficking consists of "paying the poor and the hungry to slowly dismantle their bodies."

Organ sales have been illegal in most countries for years, and the Convention against Transnational Organized Crime includes in its definition of human exploitation the extraction of organs for profit. Until very recently, however, the Israeli government not only permitted organ trafficking, it funded it.

Israelis are the leaders in "transplant tourism"—traveling to other nations to buy internal organs. While affluent individuals from numerous countries engage in this practice, Israel is unique in several ways.

First, Israelis partake at an extraordinarily high rate. According to a 2001 BBC report, Israelis buy more kidneys per capita than any other population.

Second, Israelis have the lowest donor rate in the world—one-third to one-fifth that of Europe—due in part to beliefs that Jewish religious law prohibits organ removal as "desecration of the body."

Third, the Israeli government has enabled it. In testimony before a congressional subcommittee in 2001, Scheper-Hughes described what she termed Israel's "national 'program' of transplant tourism." For many years the Israeli health system subsidized its citizens' "transplant holidays," reimbursing Israelis \$80,000 for medical operations abroad, with the remaining costs largely covered by government-subsidized insurance plans. In addition, Israel's Ministry of Defense has been directly involved, as members of the ministry or those closely related to them accompany transplant junkets.

Israeli traffickers have utilized people from diverse locations—the West Bank and Gaza, the Philippines, Eastern Europe. A BBC report described the situation in Europe's poorest country—homeland of Foreign Minister Avigdor Lieberman—where 90 percent of the people earn less than \$2 a day: "Hundreds of Israelis have created a production line that starts in the villages of Moldova, where men today are walking around with one kidney."

In China not long ago an Israeli paid a broker \$100,000 for a kidney transplant from an 18-year-old girl. She herself received \$5,000, and died following surgery. In Brazil a legislative commission found that Israeli traffickers no longer were content with just kidneys; they had begun inquiring into additional body parts—lungs, livers and corneas.

In her testimony, Scheper-Hughes pointed out that "The sale of human organs and tissues requires that certain disadvantaged individuals, populations, and even nations have been reduced to the role of 'suppliers.' It is a scenario in which only certain bodies are broken, dismembered, fragmented, transported, processed, and sold in the interests of a more socially advantaged population...of receivers."

In a 2008 lecture Scheper-Hughes discussed the motivations of Israeli traffickers. One was greed, she explained. The other was "revenge, restitution, reparation for the Holocaust." She said some Israeli brokers and doctors had told her: "It's kind of 'an eye for an eye and a tooth for a tooth.' We're going to get every single kidney and liver and heart that we can. The world owes it to us."

Organ Theft

At times traffickers coerce reluctant sellers. Levy Izhak Rosenbaum, the alleged trafficker recently arrested in an FBI sweep in New Jersey, reportedly carried a gun; when a potential organ seller wanted to back out, Rosenbaum would use his finger to simulate firing at the person's head.

Rosenbaum, believed to be part of a ring centered in Israel, is the first case of trafficking to be prosecuted in the U.S.

More often organ theft involves dead bodies—or those alleged to be dead.

Israel's very first successful heart transplant, in fact, used a stolen heart.

In 1968 Avraham Sadegat unexpectedly died two days after being hospitalized for a stroke. When his family was able to retrieve his body (the hospital initially refused to release it) they found his chest covered with bandages—odd, they thought, for a stroke victim. Upon removing the bandages they discovered that the heart was missing.

During this time, the press was announcing Israel's first heart transplant. The family began to raise questions, but the hospital denied any connection. After the family raised a media furor, petitioned three cabinet ministers, and signed a document that they would not sue, the hospital finally admitted it had used Sadegat's heart.

An Israeli newspaper quoted Sadegat's tearful wife: "From the moment he entered the hospital, they apparently saw him only as a potential source of organs and not as a man in need of treatment. They only thought about how to do the deed without us knowing." Sadegat's medical condition pre-organ removal is unclear. According to an Israeli media report, "Once a heart stops beating, it is no longer fit for transplantation."

Sadegat's family was Israeli. Had they been Palestinian, it is doubtful they would have been able to force a hospital confession—and suggestions that the first Israeli heart transplant utilized a stolen organ would, quite likely, be termed blood libels.

Yehuda Hiss, Keeper of the Morgue

Perhaps one of the most long-term and high-level cases of organ theft concerns Dr. Yehuda Hiss, Israel's chief pathologist and, from 1988 to 2004, director of Israel's state morgue, the Abu Kabir Institute of Forensic Medicine.

One of the first indications of malfeasance occurred in 1998 and concerned a Scottish tourist named Alisdair Sinclair, who died under questionable circumstances after being taken into Israeli custody.

His family brought his body home and found that it had been autopsied. They commissioned a second autopsy at Glasgow University and discovered that Alisdair's heart and a tiny throat bone, the hyoid, were missing. The British Embassy filed a complaint with Israel.

A heart was then sent to Scotland, but when the family requested a DNA test to confirm its identity, Hiss refused, citing prohibitive cost. DNA tests were eventually conducted but proved inconclusive. According to several reports, a researcher had put in a request for a hyoid bone around the time of Sinclair's death and eventually received a bill for shipping costs.

Over the following years Hiss was often the center of accusations. An Israeli newspaper published an investigative report charging that diverse body parts—"legs, thighs, ovaries, breasts and testicles"—had been removed without permission and sold to medical institutions. The bodies were stuffed with broomsticks and cotton wool.

Although government investigations confirmed the main facts, little was done, and complaints continued—often from parents of dead Israeli soldiers. Finally, in 2004, Israel's health minister removed Hiss as director of the morgue, while retaining him as Israel's chief pathologist.

Hiss had been involved in previous controversies concerning the Israeli government. In one he was suspected of falsifying a DNA test in an investigation into the "Yemenite Children Affair," in which a thousand children of immigrants disappeared. (Many believe that some, at least, were adopted out, for pay.) Hiss has also been accused of falsifying evidence to the commission investigating the

assassination of Prime Minister Yitzhak Rabin.

Palestinian Victims

For decades Palestinians have charged Israel with taking organs from Palestinians its soldiers wounded or killed.

In her subcommittee testimony Scheper-Hughes stated, "Human rights groups in the West Bank complained to me of tissue and organs stealing of slain Palestinians by Israeli pathologists at the national Israeli legal medical institute in Tel Aviv."

A 1990 article in the Washington Report on Middle East Affairs, for Middle East Affairs reported "widespread anxiety over organ thefts which has gripped Gaza and the West Bank since the intifada began in December of 1987," and quoted a forensic physician: "There are indications that...organs, especially eyes and kidneys, were removed from the bodies during the first year or year and a half."

Such statements were largely ignored, often portrayed as anti-Semitic exaggeration. According to The Forward magazine, however, the Israeli government corroborated them in 2001. The Forward reports that an investigation into Hiss revealed that he "seemed to view every body that ended up in his morgue, whether Israeli or Palestinian, as fair game for organ harvesting."

Over the years a great many Palestinian bodies have "ended up" in the Israeli morgue.

Israeli forces have frequently taken custody of Palestinians they have wounded or killed. Sometimes the bodies were kept in Israel, buried in unidentified graves in what are known as "cemeteries of numbers." In other cases they were returned late at night days later with crudely stitched naval-to-chin incisions, and Israel requiring the bereaved families to bury their children, husbands, and brothers immediately—sometimes with the electricity shut off—and Israeli soldiers overseeing the funeral.

In 2005 an Israeli soldier described a military doctor who gave "medics lessons" using the body of a Palestinian killed by Israeli forces. Haaretz reports: "The soldier said that the Palestinian's body had been riddled with bullets and that some of his internal organs had spilled out. The doctor pronounced the man dead and then "took out a knife and began to cut off parts of the body. He explained the various parts to us—the membrane that covers the lungs, the layers of the skin, the liver. "I didn't say anything because I was still new in the army. Two of the medics moved away, and one of them threw up. It was all done very brutally. It was simply contempt for the body."

Palestinians, of course, are an unusually vulnerable population. Human rights reports have documented a situation in which Palestinians have few real rights: Israeli forces have killed civilians with impunity, imprisoned massive numbers without charges or trials, abused prisoners, and strip-searched children. And just as Palestinians have little ability to protect their bodies when they're living, they're equally unable to prevent their desecration when they're dead. By Israel's own admission, Israeli authorities cut open Palestinian corpses without permission of the families, without public transparency, and without, it appears, normal autopsy reports.

At the same time, some Israelis hold extremist views regarding organ extraction. In 1996 Jewish Week reported that Rabbi Yitzhak Ginsburgh, a leader of the Lubavitch sect of Judaism and the dean of a religious Jewish school in a West Bank settlement, had stated: "If a Jew needs a liver, can you take the liver of an innocent non-Jew passing by to save him? The Torah would probably permit that."

Ginsburgh elaborated: "Jewish life has infinite value. There is something infinitely more holy and unique about Jewish life than non-Jewish life."

While the Israeli government briefly arrested Ginsburgh, and most Israelis decry such beliefs, an Israeli scholar on Jewish scriptural views and ethnic chauvinism said: "The sad thing is, these

statements are in our books." He pointed out that while such Talmudic texts were "purely theoretical" at the time they were written, now they're being cited "in circumstances where Jews have a state and are empowered."

Dr. A. Clare Brandabur, an American professor, writes that information in the Swedish article resonated with reports she heard during the first intifada.

She described interviewing the head of the Red Crescent in Gaza, mentioning "reports of shootings of Palestinian children at times when there were no "'clashes' going on—a solitary 6-year-old entering his schoolyard in the morning with his book-bag on his back. The soldiers abducted the wounded child at gunpoint, then his body would be returned a few days later having undergone an "'autopsy at Abu Kabir Hospital.'"

She asked the director "if he had considered the possibility that these killings were being done for organ transplant, since...it is not allowed to take Jewish organs to save a Jewish life, but it is allowed to take the organs of non-Jews to save Jewish lives."

He had "suspected such things," he replied, "but since they had no access to the records of Abu Kabir Hospital, there was no way to verify these suspicions."

The Swedish newspaper's call for an investigation into Israel's treatment of Palestinian bodies is now being echoed by others. Such an investigation could dispel inaccurate suspicions, absolve the innocent, and discover the guilty.

Israel and its powerful advocates abroad are doing their best to prevent that from happening.

Alison Weir is executive director of If Americans Knew. An Internet petition calling for an investigation can be viewed by clicking this link. An expanded and footnoted version of this article can be viewed on the Washington Report on Middle East Affairs' Web site.

Subject: Dracula's Origin's in the Satanic Order of the Dragon.			

Dracula's Origin's in the Satanic Order of the Dragon.

There were many royal groups in Europe at this time that were interconnected with the Templar Order which was made up the European royals and general aristocracy. The Templar's were Satanists. They maintained the ancient Aryan religion in which the head God from Sumeria to India to Europe is called "Satan" [meaning The God Eternal]. The Templar's had also been formed by the Pagan Nobility of Europe in the Levant after they came together to push the Mohammedians out of the Levant to created a needed military buffer zone to halt the waves of attacks coming from Islam. Which it did for several centuries.

The Templar's were Satanists:

topic8240.html

"In 1431, at the fortress of Sighisoara in Romanian, Vlad III was born into the Wallachian princely House of Barsarab the Great (1310-52). Vlad's father, Prince Vlad II of Wallachia, was the appointed military governor of Transylvania and on 8 February (in the year of his son's birth) he was inducted into the Society of the Dragon by Zsigmond von Luxembourg, King of Hungary. This installation was directly responsible for the Vlad III (who inherited the Dragon office at his father's pledge) becoming 'Dracula' (son of the Dragon). The original fraternity that was resurrected to become the Hungarian Society of the Dragon can first be identified as the Dragon Court of ancient Egypt under the patronage of the priest-prince Ankhfn-Khonsu in about 2170 BC....The Court

provided a foundation for priestly pursuits associated with the teaching of Thoth..."

"Having inherited the ancient legacy in 1397 [my note King Zsigmond of Hungary] drew up a pact with twenty-three royals and nobles who swore to observe 'true and pure fraternity' within the Societas Draconis (Society of the Dragon)."

"Along with Zsigmond, other officers of the Court were his wife Barbra Cilli (daughter of Duke Hermann II of Styria) and their daughter Elizabeth, thereby achieving the traditional overall standard of twenty-six member (two covens of thirteen). Others prominent in the Societas Draconis were King Jagello of Poland, King Alfonso V of Aragon, Grand Prince Vitovd of Lithuania, and Duke Ernest of Austria, also with Christopher III Duke of Bavaria and King of Denmark, Sweden and Norway. . Later, in 1439, Thomas de Mowbray, England's Duke of Norfolk, was admitted to the Order."

Note their symbol is the ancient image of the Dragon who is always given the Devil, Satan in the Christian religion. The Rose Cross was originally what the Templar's renamed themselves in England and ruled the English Court in the Steward period. Francis Bacon was the Grand Master of the Rose Cross.

"The founding document of Zsigmondus dei rex Hungariae confirmed that members of the Court might wear the insignia of a dragon incurved into a circle, with a red cross-based upon the original emblem of the Rosi-crucis."

The Rose Cross goes back to the Goddess Isis. Who was the Madonna or Mary of the Templar's, Meri, Mary was the name of Isis. Isis Mary. This is were the enemy stole their fake Mary from.

"Shortly after this foundation, Zsigmond was crowned Holy Roman Emperor in 1411...Pope Gregory XII was obliged to approve his Emperor's NON-CATHOLIC ESTABLISHMENT."

Vlad had attended the mystery school system in Austria here he graduated in a great ritual called "Riding The Dragon".

Of this school it was wrote: "This was considered to be a 'Devils school'. where the secrets of nature, the language of animals and all magical spells are taught."

Some notes on Vlad. He took over a region in which the Boyar's the local aristocracy of the land owners. Had sold out to the Turks for power. Had taken the free land ownership of the Peasants and taxed them beyond reason [but kept Church lands tax free] and imposed upon them feudal slavery. The regime of the jew run church. The Boyar's committed treason by murdering Vlad's, Father and brother for attempting to morally reform the region and they refused to pay the tax of Romanian children to the Sultan. The Boyar's probably murdered them on orders from the Sultan. As this move was to protect their own power with the Sultan.

This is why Vlad had them all arrested, most were sentenced to hard labour to pay back what they had stolen from the people. Other's guilty of treason and murder where executed. Most tales of Vlad such as blood drinking and nonsense were invented by merchants and MONEY-LENDERS from the German regions. Keep in mind this business was dominated by jews and money lending was exclusive a jewish trade. It was banned for non-jews to engage in. Who...jew, would make up tales of blood drinking.....We know which group loves to project on the Goyim after all. This lying propaganda of Vlad's clamed evil. Was due to the fact Vlad banned their criminal economic rackets in his region. Like how Hitler killed sixty, billion jews, wait the Talmud claims it was the Roman's

who killed sixty billion jews. They took a couple of zero's off for their Hitler claims....Oy veh!
Ashkenazi jews, Ashkenazi means of Germany.

Vlad Dracula is still a beloved hero of his People in Romanian to this day.

Vlad created a new leadership mainly from the common People mainly from those who proved themselves knightly and brave on the battlefields fighting for the People. He brought in schooling, welfare, ended poverty and improved living standards and brought the rule of law by ending political corruption. He also ended the feudal enslavement of the People and gave the people back their property and lands that had been stolen by the Boyars working with the church. This was the Templar mission that lived on into the Free Mason's before the Zionist Illuminati took over the Mason's which had before banned jews from being members by law.

Vlad from his own letters stated the reason he used such tactics as impalement against the Turks was because the Turkish forces numbered over 150,000 and his own army maybe 10 to 16,000 at the most. And that from understanding the Turkish mind from being raised as a hostage in their court he needed to break their will to fight. The impalement was a form of execution used in the Turkish court and it held the fear of a Sultan, over the Turk mind.

Vlad also executed the beggar's after first giving a chance for any man in the kingdom without land or trade to obtain land and trade training for free, and thus end poverty in his kingdom. After this the only ones who stayed beggar's did such on purpose for criminal reasons. Vlad had them executed because he knew war with the Islamic Empire of the Sultan was coming. He stated all the agent of the Sultan has to do is place a gold coin in the hand of the beggar and the beggar will sit there and spy for the enemy.

Vlad was fighting a desperate war to keep Europe free of Islamic domination. Vlad refused to hand five hundred children of his People over to the Sultan as the boy tax, to be enslaved and raped by the Ottoman's.

Vlad's opponent was Mehmed the Conqueror, the Sultan who took Constantinople. And wanted to conquer Europe for Islam. The Ottoman Empire was an Islamic Caliphate, a Islamic theocracy that was aimed at conquering Europe.

Prince Vlad, refusing the Sultan's tax, to the Sultan's officials, legend has it when they insulted him, his People and demanded they had over their children for slavery to the Sultan. Vlad, had them killed by having their turbans nailed to their heads and sent them back to the Sultan as his message. As this refusal was an act of war. But Jihad was coming anyway from the Islamic Empire.

It was Vlad who with a small army totally defeated the entire Islam Jihad against Europe by the Ottoman Empire. When the Sultan finally reached Vlad's capital from the writings of the Greek historian who was with the Sultan. Upon witnessing the forest of the impaled, some twenty thousand Muslim troops on stakes. The Sultan remarked he couldn't fight a man who knew so well the mind of the Turks. The Greek historian also wrote, the final battle came that night. Vlad entered the camp with several thousand of his men all dressed in the uniform of the Turk. Vlad slipped by the massive guard into the Sultan's tent and personally killed the Vizier of the Sultan and then screamed in Turk, the Sultan has been killed and the enemy is in the camp dressed as Turks. His men started attacking the Turks and then slipped out of the camp. By the morning as wrote the historian, when the sun rose it dawned over the bodies of a hundred thousand dead Turks. As the

Turks in the chaos started fighting each other.

The Sultan only lived because he switched tents that night. After that what was left of the Turks army not even fifty thousand, ran all the way back to their capital.

Vlad rode to the then Hungarian king who was supposed to be waiting with an army to aid in the battle against the invasion but had spent all the money elsewhere. Vlad was shocked to find there was no Army waiting to fight the Turk. Vlad told the king about the victory and was expecting to use the massive army which was supposed to be there to drive the Turk out of Constantinople and back across the Bosphorus, this would have kept the future attacks of the Islamic Jihad's from the Ottomans out of Europe.

The king put him in jail on false charges. He had no intention of leaving the kingdom and he didn't raise any army needed to fight the Sultan. Then king spent the money on his wedding. And was also afraid the Austrian Royals might take his throne when gone.

Without Vlad the Satanist Prince and protector of Holy Aryan Europe. The Islamic Sultan would have butchered, burned, raped and enslaved his way though all of Europe and imposed Islam over all of Europe. Vlad was the one leader who fought, when many other leaders made back door deals with the Turks to allow them passage though their lands though Europe.

The banners of the most powerful army on earth, the undefeated Islamic Ottman's, the very banner of Islam itself fell in defeat before the "Son of the Dragon".

This video is under 5 minutes and definitely worth watching. Under Jewish communism, the Jew run government takes control of all of the food in whatever country they take power. The "store" in the video is for Gentiles. Jews and other high ranking communist officials don't have to "shop" in such places. They have private well stocked elite stores.

Here in the USA, there has been a trend of trying to introduce shortages in certain cities in order to try to condition people to get used to this sort of thing. Of course these are minor steps, and from what I have seen, thankfully not consistent here, but this is what it leads to...

Subject: Evil

Evil

Charlotte Keckler was a Catholic nun of the Carmelite cloistered convent. Keckler's testimony on the dark reality of the church is revealing.

You can find Keckler's testimony on utube, however she fell for the other side of the scam the Protester sect of the Catholic Church. The Protestants. After 22 years of beatings, torture, imprisonment and rape in the institution of the Church. The conditioning probably just went too deep. Along with a life of constant reinforcement of this lie into her soul. She is a subject of pity for sure. With that her testimony is full of praising this evil institution of xianity as "born again" type in the Protester scam.

Keckler was constantly harassed by the Catholic Church after she was able to escape from the prison and recover her health and started exposing the Catholic Church.

Keckler was a nun in a cloistered convent meaning they were literally locked away from the world into what Keckler discovered too late was literally a maximum security, prison institution with high walls and locked gates with the main building locked from the outside in. Even the nuns were locked into their cells every night. Just like a prison. To keep them in.

What Keckler stated:

The nun is forced to sign away her families property and wealth that will go to them or they already own. To the Church which makes the Church millions of dollars.

The scams the Church runs with Purgatory, paying to pray sins away and such. Makes the Church millions of dollars off this lie. In one month in America the Catholic Church made 20 million dollars off masses for passed away Catholic's, paid for by the families.

The nun has to lay nine hours in a casket in a black veil the symbol she is dead to the world. She can no longer have any contact with her family or life outside of the convent. This gives the Church total control over her.

Now let us examine what the Church does to humans totally under their control:

As she stated her vows signed away her human rights and she became a "mechanical human being" and property of Rome. She only found this out later when it was too late.

The nuns are locked inside a prison, they are not allowed to talk to each other. There are also encouraged to snitch to the Mother Superior on each other for favours. The whole convent is wired with listening deceives so they are spied on 24/7. If any break of the vow of silence or any rule is brutally punished. Some of these punishments result in madness and death for the nuns.

She was stripped naked to the waist and tied to a cross and whipped by other nuns with whips that have the sharp metal attached to it, as a literal blood ritual. Her next episode of torture as part of her vow as she found out was to be hosted into the air till she was on her toes by her thumbs with

thumb screws and rope. And left there for days in her own filth. She had to be carried out and throw onto a plank in the infirmary. Behind her as she hung was a stool with spikes thought it so if she was able to lower herself down or broke the ropes she would fall onto that.

Nuns are literally thrown into dungeon cells for disobedience with dirt floors and left without food or water for days. To sit in their own filth, dirt, bugs and rats. They are also sometimes strapped around the ankles to bars in the ground in these cells, so they can not lay down and are forced to stand for days in the cells. If they try and lay down they can dislocate their ankles. There is also room with a deep pit, the boards over it are taken away and the nun is throw hands and feet are bound and thrown into a dark pit and left for days in vermin.

They are purposely fed a vegan, low calorie diet and put on heavy labour with sleep deprivation. To break their body and mind. She was only 85 pounds when she escaped.

They are raped by the Priests, the convent is also a sex slave brothel for the Catholic Priests. The Priest is allowed into the cells with the nun and locked in with them for the night. They were also forced to gather in a room a line and strip naked for the Priests to select which one they wanted to rape. This is a constant reality for them. Anyone nun who refuses is brutally beaten by the Priest. And then punished by the Mother Superior. Keckler stated the Priest would even beat pregnant nuns knocking them down to the ground and kicking them in the stomach repeatedly. Keckler who had a nursing degree treated many of these girls after the rapes. And stated they look liked they had been mauled by wild animals. She was also brutally beaten by the Priests.

The children of the rapes were usually still born or born with deformities most died shortly after birth. The survivors where hidden away by the Church as their property if not killed to cover this up. In Catholic nunnery's the remains of dozens of children have been found buried in the cellars.

One of the tortures imposed on the nuns was to be locked in a chair with a water tap dripping on the back of their head for hours at a time. This is literal torture. She said many of the nuns would go mad and become insane from this. The nuns who went insane were chained in the cells in the underground floors. So they couldn't sit, just with their feet on the ground. Where they were literally left to die. By not giving them any food or water. She personally witnessed this and that was the breaking moment for her after that she worked to escape.

The nuns are buried on the property when they die so nobody is ever going to know what happened and they are disconnected from their families for life anyway.

Note:

They are forced to pray night and day many times kneeling on a prayer board with sharp wires, always pumping energy into the jewish god form. They are taught that if they torture their bodies and spill their blood their passed on relatives and others will have 100 years less in Purgatory. They are constant forced to kneel before a painting of people burning in Purgatory and told the more of their blood they spill the faster people will get out of the burning fires in purgatory. A guilt trip which pushes them on to torture themselves with blood spilling acts further.

This serves as blood rituals to send more power to the enemy. These women are just used as cattle, being farmed for their energy and body and left to die.

Alterations Of The Ancient Texts, Veganism

As stated the in the article: Evil. The people imprisoned in the catholic church were put on a vegan

diet of bread, black coffee and vegetables. They were given skim milk once in awhile. To the point when the lady was able to have her first meal after escaping she was given a cup of normal milk and she couldn't hold it down. The enemy created christian religion, forced vegetarianism and veganism on the populations as much as possible.

This article is revealing as to how much the ancient religions have been corrupted on so many levels. They forced this vegetarianism on the populations later on and tried to rewrite history to conform to this lie what else did they corrupt....

Remember Rama was a hunter and so was Shiva.

<https://perichandra.wordpress.com/2010/...-ramayana/>

There are a significant number of passages in Valmiki Ramayana where the principal characters used meat in their religious rites and daily diet. Here are some of the passages with original quotes. It was meat that would not be acceptable today to a typical Hindu. It included wild boar (wild pig) and reptile meat (mangoose or varamus)!

Please note that the Tamil poet Kampan (around 11th century CE) completely sanitizes his Ramayana from meat diet for these characters. So much so that the first thing Rama utters when he scolds Sita after defeating Ravana is "■■■■ ■■■■■■ ■■■■■■■■■■" ("you enjoyed meat eating") and scolds her again a few verses later as having eaten the bright flesh of beings. Shows how much values had changed in the intervening thousand years and caused imbalance in the value system resulting in the loss of priorities.

Onto the Valmiki passages:

•Sita promising Ganga meat-rice on safe return:

From Ayodhya Kandam:52: As Sita crosses Ganga she promises to Ganga what she will offer on safe return: "thousand pots of spirituous liquor and jellied meat with cooked rice (basically briyani)"

http://www.valmikiramayan.net/ayodhya/s..._frame.htm

suraaghaTasahasreNa maamsabhuutodanena cha |
yakshye tvaam prayataa devi puriim punarupaagataa || 2-52-89

89. devii= "Oh, goddess! Upaagata= After reaching; puriim= the city (Ayodhya); punaH= again; yakshhye= I shall worship (you); suraaghata sahasreNa= with thousand pots of spirituous liquor; maamsa bhuutodanena cha = and jellied meat with cooked rice; prayataa= well-prepared for the solemn rite."

"Oh, goddess! After reaching back the city of Ayodhya, I shall worship you with thousand pots of spirituous liquor and jellied meat with cooked rice well prepared for the solemn rite."

•Lakshmana and Rama hunting deer and wild boar (wild pig):

Then on reaching the other shore Rama and Lakshmana hunt four types of animals including wild boar, antelope, spotted antelope and another species of antelope and take their flesh and hurry in hunger to a tree as it was getting dark. Also makes one wonder how much meat they ate in one go as it is too much for three adults even for warriors.

This is the last sloka in the same chapter as above:

tau tatra hatvaa caturaH mahaa mR^igaan |
varaaham R^ishyam pR^iSatam mahaa rurum |
aadaaya medhyam tvaritam bubhukSitau |
vaasaaya kaale yayatur vanaH patim || 2-52-102

102. hatvaa= having killed; tatra= there; chaturaH= four; mR^igaan= deer (namely); varaaham= Varaaha; R^ishyam= Risyaa; pR^ishhatam= PR^isata; mahaaruru= (and) Mahaaruru; (the four principal species of deer); aadayaa= and taking; tvaritam= quickly; medhyam= the portions that were pure; tou= Rama and Lakshmana; bubhukshhitou= being hungry as they were; yayatuH= reached; vanaspatim= a tree; vaasayaa= to take rest; kaale= in the evening.

Having hunted there four deer, namely Varaaha, Rishya, Prisata; and Mahaaruru (the four principal species of deer) and taking quickly the portions that were pure, being hungry as they were, Rama and Lakshmana reached a tree to take rest in the evening.

•Sita telling Ravana in the disguise of a Brahmin that Rama will bring back deer, reptiles and wild boar for meal:

From Aranya Kandam: The different types of meat Sita offers to the Brahmin guest (in which disguise Ravana is) once Rama brings them from his hunt. Note Deer, Wild Boar and a reptile (■■■■■■?) are offered.

samaashvasa muhuurtam tu shakyam vastum iha tvayaa || 3-47-22
aagamiSyati me bhartaa vanyam aadaaya puSkalam |
ruruun godhaan varaahaan ca hatvaa aadaaya amiSaan bahu || 3-47-23

22b, 23. muhuurtam samaashvasa= for a moment, be comfortable; tvayaa iha vastum shakyam= by you, here, to take rest, possible; me bhartaa= my, husband; ruruun= stag with black stripes; godhaan= mongooses like [civet-like mammals of the family Viverridae, esp. of the genus Herpestes, Marathi manguus]; varaahaan ca= wild-boars, also; hatvaa= on killing; bahu amiSaan aadaaya= aplenty, meat, on taking; puSkalam vanyam aadaaya= plentiful, forest produce, on taking; aagamiSyati= will be coming [soon.]

"Be comfortable for a moment, here it is possible for you to make a sojourn, and soon my husband will be coming on taking plentiful forest produce, and on killing stags, mongooses, wild boars he fetches meat, aplenty. [3-47-22b, 23]

•Ravana was in the guise of a Brahmin (dvija):

saH tvam naama ca gotram ca kulam aacakSva tattvataH |
ekaH ca daNDakaaraNye kim artham carasi dvija || 3-47-24

24. dvija= oh, Brahman; saH tvam= such as you are; naama ca gotram ca kulam ca= name, also, parentage, also, caste, also; tattvataH aacakSva= in actuality, make mention of; ekaH ca= lonesomely, also; daNDaka araNye in Dandaka, forest; kim artham carasi for what, reason, you wander.

"Such as you are, oh, Brahman, you may make mention of your name, parentage and caste, in their actuality. For what reason you are wandering in Dandaka forest lonesomely?" Thus Seetha questioned Ravana. [3-47-24]

So the upshot of all this is that having forgotten all this modern Hindus overreact to people from other religions eating pig meat or reptile meat as if they were strange animals or demons and bias their interreligious attitudes in a very negative way. We have seen that even Brahmins of Valmiki's days (about 2000 years ago) took it normally and so modern association of vegetarianism with Brahmins is much later.

For a solid book on how meat eating including beef eating thrived in Vedic period and continued much later see D.N. Jha's "The Myth of the Holy Cow" which was originally banned by the BJP administration.

Vegetarianism:

With caraka samhita which has been stated to be the oldest Ayurvedic text it state: Sharirabrinhane Nanyat Khadyam Mamsadwishishyate." Which translates to 'For the promotion and nourishment of the body, no other food item is better than meat.' Another Ayurvedic text the Bhava Prakash, states 'Sadyohatasya Mamsam Syadbyadhidhatiyathaamritam', which translates to 'the meat of freshly killed animals is like Amirt (the ultimate lifefiving fluid that sustains the Divine)' We have the Bagabhatt (Astanga Samgraha) stating nothing equals meat for promotion of health and substance of the body." The Vedic text Satapatha Brahamana states 'Paramam Annadyam Yan Mamsam', meaning "Meat is the best kind of food."

Meat is listed under the sattvic category. "The life substance."

"Consumption of meat improves one's mind inner energy and strength; and that the consumption of fish restores one generative power." The Yoga of Power.

Subject: World History is Black History & 6 Trillion Lamphsades			

[World History is Black History & 6 Trillion Lamphsades](#)

This is the new trend that goes around guys.

While there are Blacks who are hardworking, commendable people and show all positive signs of their race, with a healthy self pride.....:

Nazi Cab Driver Defends Wearing Swastika Armband

https://www.youtube.com/watch?v=-dbfXp8_qjo

Anti Semitic Teacher Is Fired For Saying Jews Are Ruining America

<https://www.youtube.com/watch?v=dXUFVYQf7FQ>

Of course the jews guarantee that nothing of these will be the majority. These are not real "Blacks". They are "actin' White" of course.

That's what the Jewish, "Black Identity" shapers want of black people [Black Jew Lil Wayne]:

The jews never want Gentile Races to reach an understanding and assist one another in healthy co-operation to get a society forward. This is pesticide to them. So they always work to destroy relations between people, cause misunderstandings and fights, and fund both sides against one another to win double bets.

Here is a White Bigot, Racist etc etc, who is talking openly about what the Jews did to his country. And that Germany was only Germany in name before THEY rose in power. With judges, media, communication, parliament and anything else controlled by a minority of 2% jewish people.

By the way his country was forced to pay 6,600,000,000,0 [treaty of Versailles] in payback money after it was messacred in WW1. What a number, isn't it? Reminds you of 6 trillion lampshades that

were lit after the second world in which his country was plunged, for driving out the jews, WW2.

According to Streicher, the Jews have wrecked their country and it was ruled by alien elements through finance. In 1933 all that stuff.

Julius Streicher Speech

<https://www.youtube.com/watch?v=hxJBRhEASyo>

But let's leave on the side HoodedCobra and so many people in history have said, and let's see what a real Black Leader has to state on this thing. This way we can see what's up clearly.

Well guess what. Ugandians have driven away the jews as well. Because they wrecked their country too. Their leader is called here a "psychotic killer" as well of course. 6,000,000,000,000 Lampshades History again. Tens of years later, same-exact-deal. This never stops.

Jews Kicked Out Of Uganda

<https://www.youtube.com/watch?v=YPVXP73xOVE>

Also, did you know that one of the places the Jews wanted to have their state on, was in stealing Ugandian land? But finally they decided to messacre Palestine instead.

The jews started intergrating the Black people whom they messacred financially, into the White society, by things like "Please donate 1\$ in Jewnicef so that Jews can buy a Rolls Royce, thank you". Unicef is a well known fraud organization whose CEO is moving around with a Rolls Royce. I guess my 1\$ didn't quite go to Black people in need did it. Well gradually things emerged and the jews wanted to "get it done with" with Europeans and others.

Here the Jews admit that "France has been destroyed by the Black Immigrants" and that it has wrecked their financial, educational, healthcare, and welfare system. Because well this is a FACT. This is only THOUSAND TIMES WORSE now.

The Jews are shilling into this video as well, but the points should be conveyed.

"Let's bomb the Negroes" are part of the Slogans in Israel. Because welcome to reality, Israel doesn't want 3rd world party in it. It wants to remain as unaffected as possible from this global catastrophe. Where are my SJW's now? I guess blowing Rabbi Dick again and Eating Vegan. To produce good feces for the Rabbis to feast upon. The Poo people.

<https://www.youtube.com/watch?v=HigvH07JyWg>

So suddenly we have a "black uprising" and a "black realization". Well this realization happened only now, as George Soros wants the Black Troops to engage on the White Goyim. So the jews now tell the blacks how great and superior and manifold they are. Just some years after eradicating their race of course. Now that "muh Racism" is climaxing, the jews are pushing the extremist groups of blacks and even arabs against Whites. The jews have account to settle with all the Races, so they control them behind and from within. This is why they use racial infiltration above all.

The jews largely want to be done by arabs fast, and they figured out the faster way to exterminate them is not by bombs that will be pinned on Israel, but by sending them as "shock troops" in Europe, so they will be used in another way. Some of course will die, because, do the jews even give a shit? They have fun killing anyway.

The jews who destroyed the ego and self consciousness of the Black people (even Europeans treated the blacks who were worth of good treatment fairly) now they sell them the exact opposite: "You are Chosen Gods, kill Whitey to reclaim your throne, Black Goyim".

Jews created the Ghetto, slave culture, and the social crap that suppressed and worked Whites and Blacks alike from centuries. By promoting hoaxes, they prey on the low self-esteem of black people, to destroy them, while using them of course.

The Jews who were responsible for slave trade, and they won't allow Blacks to even cross their borders in Israel, even "Black Jews", are now working overtime to promote the Blacks as the source of all civilization of the planet. They even tell them, they are the "Chosen" people. They even fabricate Hitler quotes without any evidence and now they are too making webpages aside with the Rabbis in exterminating the White Race.

The things that exist out there are plain out insane. They even say that Asian Aristocracy was Black, and I kid you not. You can find these around. Obviously, these are all created by Jews. Then aside from this we have the (((Porn Industry))) which puts Whites and Asians to ridicule, as they are portrayed as sexually worthless, while the "Black Beasts" are the "Animals" the Jews like to shoot their porn with. With Asian and White females of course by the way. In the Jewish mindset, its intelligent and good to make shekels from these "animals". The Jews call the Black animals in their texts, and Rabbis admit that anything non Jewish or dark skinned is to be put to death. At least in the Holy Israel.

Jewesses, Jews, and "Black Jews" such as the infamous pornstar that is named "Prince Yashua". Incredibly is this world moving forward. Asians are equally in the pot of having their history stolen, to the point that Jews and their pawns even state that Asian civilization is Black. Except of outrageous stupidity on the end of the receivers of that crap...The Jews must be laughing very badly. Go tell that to Tibetans and all these people in the East, let's see what they say?

Remember, the Jews hate both Whites and all other Races as well. As far as Asians go they have specific hatred for some people, they hate more than anyone, specifically Korea and Japan, or other places like the Phillipines (all Asia except of China whom they butchered), as they are their old opponents and they never had an opening to destroy these countries. The Chinese they consider harmless and assimilated, because their (((Communist leaders))) massacred them. Jews exercised enough hatred on the Asians to kill 50,000,000++++ of them in one historical instance. This is unparalleled in human history.

Those of you who are around youtube, you can see all these videos of "Thugs" of the Jews, who talk about "Wiping out Europe" and "Killing all da Whites" and all of this. Many of them have thousands upon thousands of "subscribers" whom believe they are the Gods incarnate. In the hundreds of thousands. Openly calling for the extermination of Whites and black uprising to kill all White people off of the place of the planet. Of course, none of these characters are banned by JEW TUBE.

They are doing just what the Jews say, and like the Jews, they are hanging upon the cross of the oppressed. Of course, all intelligence blacks HATE this behavior and they attempt to move away from them, running the risk of being called a "White Wanna Be". Which is just meaning for Blacks to act like human creatures instead of Jewish Subhumans as the Jews indicate.

Dr. Tony Martin & David Irving - The Jewish Role In The African Slave Trade
<https://www.youtube.com/watch?v=vAb4DLVZOW8>

Don't be like Dr. Tony Martin black people. Don't have high aspirations. A country robbing thug and criminal is all you ought aspire for your existence. And don't forget, we wuz kings of da planet.

Also, screw reality. Who needs reality when reality doesn't suit one's emotions. Somehow messed up so much in their existence, but it's okay, like we blame the Devil, let's blame the Whites now. The Jews who enslaved, massacred Africa with their "stock market" and have bound America with

their Rothschild Rabbinical banking institution (which is private and jew owned) has everyone fighting over paper, and also, they eradicated the Black Race by experimenting on them all along.

However now, they need them to destroy "Whitey", so they are best friends ever. Look at "Drake Graham", the Rabbi Rapper, or the "Lil Wayne" who is just part jewish after all. And "DJ Khaled" who is another jew in the company as well. And all the "Black Jews" or Xian narcissists like Kanye West (Jewsus Walks with him). They are now eligible to become kings, under jewish eulogy though.

So we went from "give one dollar to help blacks in Africa", which Whites in good heart wanted to help blacks anyway, into a massive plan of extermination of Whites, invading our borders, and raping White women to death. Fuck statistics and reality. Whatever goes bad, its the White Race. Like Satan, the White Race is the cause of all evil in the world. This is why the White Race was the race who owned the less slaves, with Blacks and Jews owning more black slaves than anyone else. While the Satanist Benjamin Franklin abolished Slavery. And Hitler treated Owens as an equal to all other atheletes, personally congratulated him, while the prez of the USA didn't even bother speaking with him and while the jew-taken-over USA, didn't even give Owens a pair of shoes.

As you can see by our opening of our borders, sharing our Nations, giving free land, free luxuries and all sorts of reparations and free stuff to the "Black Race", we apparently must hate them. Well that's what the jews say. This is why we invented Welfare for these people after all. Because we are bigots. But well, you know what comes with charity where jews are involved. Pay for your murder is the motto. People pay the jews, and jews kill them with the money they have paid. The same they want to do here. They are teaching certain blacks and black jews in the community of blacks to play the professional victims as them. I have zero doubt these are jews. So the blacks remain the Ghetto mama Boi the jews want, who murder each and everyone else for a bag of chips.

Somehow, the jews tell them, they are the most superior Race on the planet. So for that reason they need to get a White Wife. Well being superior as they are, why do they need a White wife in the first place? Because its a trophy against the hated, "White" men, that's it.

The plan is to use the Black people, exterminate their enemies with them, and of course, wipe the Black people in the end as the Torah indicates. Or just keep some few as cattle. And at this point, even your favorites Jay-Hova (Jehova) Jay-Z, or Kanye "Jesus Walks" West, will be just cattle in the farm of a jew. So no worries whatsoever.

In anyway, the Black people have been equally been infiltrated and subverted by the jews, who are now promoting them as their "best friends". Only to damn them again later after they are done with "Whitey". Gentiles have no reason to fight, but the jews profit from war and from playing on all sides against one another.

They can write history as they want, they can lie as they want, they can rally everyone they want, but don't expect Humanity to go down without a fight. The jews are getting revealed and when all Gentiles will see that behind wrongdoing rests the jew, it will happen as in their "prophecy" in the jewish Bible:

Zechariah 12:3

"It will come about in that day that I will make Jerusalem a heavy stone for all the peoples; all who lift it will be severely injured. And all the nations of the earth will be gathered against it."

Only that in disappointment of the jews, Israel will not be an immovable stone. It will be a pile of feces, excrement and garbage, to be blotted out in the universal and existential history of humanity.

Which after their seclusion and isolation of their alien infection, will arise again into an ever greater existence.

To all our Comrades,

SIEG HEIL!!!

MacDonalds or KFC? Jews or Jews?

This is how the jews gamble on the world. However, due to powerful spells the meek souls cannot see this and even confronted with the Truth, they can never quite understand it. Let's just call it a lack of intelligence above all because this what it is.

For instance, one looks into the "immigration crisis". On one hand, the jews have their bets on Islamic hordes who want to destroy, assimilate and racially mix the European people into oblivion and take over europe. Jews put one bet here.

Then, the Europeans and everyone else will revolt. Like a predictive weather forecast, with social knowledge, one can see what is going to happen because of this. 1 - the Europeans will have an "Identity" backlash against the intruders. Ie, the "Identity" backlash is what the jews know: Since the "Goyim" do not really have an identity aside of "Christianity" which is dying in the West, but nevertheless still exists, the jews place their bet here.

So with placing these bets like this, the jews win double time. On one, they win that the European people are assimilated and destroyed, bred out of existence. On table two they win the naive slaves who due to fear return to the feet of Rabbi Jewsus Krayst. This way, jews win and manipulate two sides again. Both incidents in the longterm lead to the same benefit: the jews have the upper hand, mind, soul and body over the European people. While on one side they suppress them, on the other side, they have spiritual shackles upon them. So every "resistance" will be again controlled in some way.

On both incidents the jews win in all cases. Even if the European crisis ends with the invaders being kicked back, it will make sure Christianity will too survive as a pseudo culture. So the jews will of course later again, infest and destroy in due time what they wanted to destroy. At worst they will just lose their "Souljas" from here and nothing else. Due to Christianity and its false kike morality, the jews will be left unsatched and will be completely safe not only to remain in Europe, but damage people accordingly and even "run" the movements of the "revolts". Win-win all over the place.

On the worst incident, the Europeans will gradually perish under the pressure of the Islamics, while the few idiots will be hanging from Rabbi Jewsus's balls to be saved. All in all, the jews win again. They also laugh more in this instance.

France goes to war with England. Well, they bet on both. On the end of the war they put higher bets on the winner. Profit is made. The destroyed and the destroyer both have to pay. Pay them Goyim. Who won from the war? France or England?

Jews.

Fuck KFC! Very jewish! Let's Go to Macdonalds!

He owns both though.

As Plato said 2500 years ago, all humans judge by what they see, very few judge by what is real. People take for real all they see. For instance, History is tampered to the point that Hitler had a murder fetish, was a lunatic and all sorts of other disgusting lies that make everyone want to vomit. While all this GARBAGE is written and taken as "real", naive people think that you know, why should the jews ever dub Hitler's speeches or anything like this so he is a christian to the masses? "Impossible", "lies". Well, nothing is impossible into this world, and the only limitations are in the respective brains of the people who believe there are limits.

Is it impossible for jews to have 90% of the world's wealth? For a bunch of jews to plunge and play the world like a play-toy? And own 60% of real estate directly or indirectly by owning all major businesses? Well, apparently it is possible. The impossible is already here. So what's impossible. Dubbing Hitler's speeches to make him into someone else?

Why should the "rulers of the world" promote christianity so relentlessly? Why is the Vatican, a known pedophiliac organization of criminals and smugglers who made unimaginable wealth, based on human naivety and on the hoax of christ, not use this everywhere else too? Apparently because Rabbi Jesus must be a decent person. After all he chose the rapists, child molesters, inquisitors and criminals to represent it.

The average jew is far more cunning than most people out there. While Gentiles have learned for thousands of years to live based on limitation, form philosophies around weakness and deprivation, the jews have learned the exact reverse as they are parasites on our back. We reduce, they grow. We grow, they become smaller.

The weak expect to be saved by someone else. They don't want to labor, they don't want to work, they don't want to discover. This is a serious disease and it shows weakness. This is the most anti-life conception to ever be. The fundamentals of human existence, if they were based on this pretence, all life would go extinct. No life can become successful by any of this practice. Due to this weakness, suffering, and false belief in Harry Potter's magic wand that will save everyone at once like a rabbi descending to the clouds, this is always the weakness in which the jewish parasite feeds upon humanity.

It feeds on the weak, the servile, those who lack knowledge, the misinformed. But above all it feeds on those who are unwilling to see things for what they are.

So they double bet on the fears of humanity and on the failed promises they give, and profit. Let's say you had a business and you had found a magic wand that makes everyone fall under your control, with the push of a button. This is what Jesus is to the Jews. Why should they ever give him up, or let him go down?

When the National Socialist Germany went against the Rabbi and started "violating" the Christian church within Germany, with the ultimate plan of destroying and uprooting it and turning the faith of the Germans around, the Jews instigated all the world empires against the Germans. The jews attempted extermination of Germans at the same exact moment where the Vatican and their "Jesus" were being un-nailed from the hebrew cube shaped stick. This meant immediate global war.

Do whatever you want in this life. So long you don't have a soul and you remain within the spiritual chain, you will be ok. Its when you break out from the SPIRITUAL chain, that deals with the eternal existence, that the jews have a problem with.

Otherwise one is locked in duality, and the jews always bet on both sides and win two sides.

So where are you going tonight? KFC of MacDonalds?

Mossad Agent Was A Hollywood Producer

'Fight Club' producer Arnon Milchan: I helped Israeli spy agency

Now that its admitted the jewish Mossad is operating in Hollywood as its run by jews.

The jewish Mossad was behind 911:

https://www.youtube.com/watch?v=3qFa9_JjIYc

And we have a jewish Mossad Agent as the producer of "Fight Club".

Remember what was in the "Fight Club" Movie, note the towers in the movie that went down 911 style and are related to the financial sector as well, just like the World Trade Center.

That is not all, this is stands out side the World Trade Center....

In the movie, "Fight Club". They attack and blow up this the same art that stands at the World Trade Center.

We can note again another noted example of the jews using their media for such agenda....Sandy Hook:

<https://www.youtube.com/watch?v=KnDVjyAHT8Y>

Note the character Adam Lanza the fake shooter was cast to be a major Batman fan. This ties the subliminal from the Batman movie into the mass mind. The jews have gone far and wide to shut down all investigation into Sandy Hook.

<http://www.cnn.com/2013/11/26/showbiz/h...py-agency/>

Hollywood producer Arnon Milchan confirmed what has been rumored for decades -- that he secretly helped Israel develop its nuclear weapons program.

Milchan, who has produced dozens of major movies and worked with the biggest stars, worked for Israel's now-defunct spy unit Bureau of Scientific Relations, he told Israeli television's Uvda "Fact 14" show.

A 2011 book detailed Milchan's secret work, but until now he has not talked openly about his life of espionage.

Milchan, whose films include "Fight Club," "Pretty Woman," and "L.A. Confidential," set up and operated dozens of companies that helped Israel obtain parts and plans for its nuclear project in the 1980s, he said.

"I did it for my country and I'm proud of it," Milchan told interviewer Ilana Dayan in a report aired this week.

His spy work was a rumor in the 1980s when Milchan was producing movies, including "The King of Comedy" and "Once Upon a Time in America" with actor Robert De Niro.

De Niro sat with Milchan for an interview with Dayan for the show. He said he suspected something about the producer's "ventures" decades ago, but "I wasn't sure."

He didn't question his producer about the rumors because "it wasn't my business," he said. "He didn't ask me certain things and I don't ask him. "

Subject: What Needs To Be Done, We Are Winning

What Needs To Be Done, We Are Winning

This is an answer I gave on a thread:

Valontuoja wrote:

Even kosher boy Alex Jones had to make a video about Israel... The following video obviously contains bullshit like separation between "good jews" and those "evil askenazi zionists". The video is supposed to make the goyim think that there really are some good jews who would never want to enslave the goyim and rule over the World.

Jews Speak Out Against Israel:

<https://www.youtube.com/watch?v=ywBoNiIVC6M>

It is interesting to note thought that even Infowars and other jew-funded conspiracy channels dare to talk about jews nowadays. Due to our rituals the jew is now forced to take control of anti-semitic movements and try to them into anti-zionism.

My reply:

This is because the jewtrix is coming undone and in order to stay relevant as a leader in the mainstream Truther world you have to start mentioning the jew issues somehow or your sunk and the jews need the gate keeping. Icke already jumped into this gate keeping mode and now the king of the conspiracy world, Alex Jones is forced to as well.

We are winning the rtr's are hitting them and this is their desperate attempts.

This is what needs to be done to address the good jew vs bad jew, this argument is their last stand tactic after this they are fucked:

Always ask people one question....."What does jewish identity mean?" That's the one question that sinks the whole argument. To be a jew means you believe in and practice the Torah and Talmud.

To be a jew means you believe.....[note Xian was code for Goy]

The above is what it means to be jewish..... So how can there be anything as a good jew?

You can't be both a jew and a good human being.

Keep It Real, The Truth Of What's Happening Now Election Time

About the Trump and Hillary, election circus in the Big Top of controlled kosher politics'.

Trump is a typical Neo-Cohen, and Hillary is a typical Neo-Liberal.

Trump is tied to the hip to the Rockefeller's and Rothschild's, the Clinton's are tied to the Rockefeller's and thus Rothschild's. The actual jewish elites who run America at the top.

Trump Works For The Global Jewish Elites:

topic14453.html

Neo-Conism was created by communist jews to turn the rightwing into a jewish hangout and push communism by the right. Neo-Liberalism, used to just be called Cultural marxism.

The left and the right are the same sides of the ideology of judaism.

Hillary is a marxist jew, (((Rodham))) who was writing letters of worship to the jewish communist leader, Saul Alinsky. Obama is another jew from his mothers side who is a marxist as well and was associated with marxist groups when he was younger. Sanders another jew is called "communist Bernie" lived in a Stalinist commune in Israel when he was younger and worked for the America communist party most of his life. And was allowed to run for President of America. The Democratic leadership is all criminal jews who push the same talmud of communism under new banners.

The Republicans are lead by communist jews and funded like the other side the Democrats, by the same jewish oligarchs the Rothschild's, Rockefellers and such. Who organized the creation of communism and funded the revolutions which is take over for the jewish elites. The Rockefellers who Trump is tied to. Created and funded the America communist Party.

The communist ideology is the talmud of political judaism, its the way the jews attempt to create a globalist dictatorship under the torah. Wrapped in a hammer and sickle. Why do you think it was all jewish rabbi's who created this communist plot in the first place. Rabbi Marx and Hess both admitted the aim of communism is to create a global jewish dictatorship. That is why jews always push this, its the way to actualize their jewish scheme into the world fully. Reality is communist is the new word for jew.

The jews are busy promoting as much chaos in our society as possible under new terms for the

same jewish agenda. Create as much chaos in the name of freedom till the host is destroyed from within. And then build the communist dictatorship of the Jew World Order on the ruins.

The jews will continue to use their control in America to do this. Till nothing is left and America is destroyed and absorbed into a globalist dictatorship.

So why are you voting for them blue or red to do this to you?

Blue or red, its the same old jews who want the Goyim dead.

Subject: Jesus Is Jewish Witchcraft, Based On Stolen Knowledge			

Jesus Is Jewish Witchcraft, Based On Stolen Knowledge

All Stolen And Corrupted From The East

The oldest community of jews are in India, in Kerala. The jews are originally from India and judaism is corrupted from ancient Hinduism into something that looks like a typical jew, hideous.

The jews created Christianity as a weapon:
[topic174.html](#)

In the torah it states that Abram came from the lands beyond the river Euphrates from the land of the Chaldeans, this was not Iraq but the Indus Valley.

The land of Kashmir was called Ur of the Kuladeva's, Ur is Sanskrit and means From or land, place, kingdom. The images the Chaldeans left of their own home land show it was in the region of the Himalayans, the Indus Valley. Chaldea is Kaula as well.

Megagasthenes the ancient Greek historian who lived in India and wrote a historic account of that place stated: The jews were an Indian tribe or sect....

We know the founders of Judaism are actually Abrahm [Brahma] Abraham's father is Terah, Terah is a title of Visnu the father of Brahma and Sara is Abraham's half sister and wife. This is Saraswati the half sister and wife of Brahma and Issac, Issa is the name of Shiva.

Abraham is also spelled Abram, which is Father RAM....Father RAMA. The sun god in Hinduism.

The jewish school the Yeshiva is a Sanskrit word. Yeshiva in the east means "The Shiva." Which in English means "The Destroyer". They literally call their academes: "The Destroyers." Were they learn how to destroy the Goyim.

The ancient U and V are interchangeable.

Another spelling of this in the east is Yeshva, which becomes Yeshua the name of the jewish messiah, from their torah, Yeshua is Joshua in English who conquerors the promised land and puts the Goyim nations to the sword and makes the survivors slaves to the jews. No mistake Jesus is called Yeshua its their thought form to conqueror the earth. The name of their school were they learn to conqueror the Goyim nations is named after their messiah occult wise.

The name jew in Hebrew is Yehuddi this means warrior of Shiva, in Sanskrit. They are at war with the Goyim, so Yehuddi, warrior of their god The Destroyer.

Yesh is a word of power for Shakti in Tibet.....Yesh...va.....ua, YESHIVA/YESHVA is the name of the Shakti power. This is the Para Shakti, which the jews call Shekinah which is close to Shakti in spelling still. Which is the power of their god in kabala. This is the collective energy of the jewish race and the messiah they created. The thought form, Yesh...ua.

This is also stolen name of Krisna, Krisna's mother is called Mari-yah which means the mother of Yah. Yeshua is also YAshua, the god Yah note the ua is VA.....Yahveh or Yahvah the name of the jewish god. Is just stolen from YASHVA. The god Shiva. They tied this in with their christian thought from to damn the Goyim. The whole tale of jesus krist was stolen from that of Yesu Krisna.

In the east, Saturn is the last day of the week traditionally so its the seventh day not the sixth. Sunday is the first day originally in the east.

Saturn's number is Seven. SHIVAN....so Shiva,[SHIVAM is another spelling of Shiva in the east] means also seven in Hebrew. And the jews Sabbath is on Saturday. Sabbath is from the east its Saba which relates to god as sound, this when they read their Hebrew prayers and curse the Goyim. On the day of THE DESTROYER. Saturn rules such in the negative aspects. The image of the Grim Reaper is from the card that rules Saturn in the Taro.

El Shaddi the name of the jewish god, is also another name of Shiva in the east.

The mezuzah the jews put on their door post, mezu means Moses in Arabic such as Syrian. Moses properly is Musa in Sanskrit and Arabic, as well which means Messiah in Hebrew and such. Musa is the name of the animal totem of the god Ganesha. The rat how ironic considering what jews are. The Shin letter is put on the Mezuzah and spells the name of the jewish messiah as this mezuzah means messiah in hebrew. The Shin letter contains three letters within it. Which in kabala can and are spelt as the following. In the Shin on the mezuzah is the Yod, which becomes YA, Shin goes to SHI, VAV to VA. This spells YASHIVA and the Shin letter is the power of their god to destroy all the enemies of Israel in the torah. And the Shin letter is the trident symbol the symbol of Shiva and represents the power of their god as destroyer.

Note this Mezuzah spells the name of their messiah on it. YESHIVA is also spelled YESHUA. The name of Jesus is the occult name of THE DESTROYER, of the Goyim. As this is what the mezuzah represents. The jews also attach their Shema prayer school to this. Which is a Hebrew curse on the Gentiles. This Mezuzah is a symbol of jewish witchcraft and black magic against the Gentiles. And it spells the name of JESUS in Hebrew.

Their messiah is: The Destroyer.

YESHVA-YESHUA in Kabala is the three powers of the throne of the jewish god, which he uses to rule and destroy the Goyim.

YESHUA [Jesus] is the power of the jews to destroy the Goyim and create their global kingdom promised to them in the torah.

In the east such as Japan in Shinto which is the ancient religion of Japan. A important festival is done in what is called Mt. Moriyia for the Moriyia-no-kami, The God of Moriya. The name Moriya is Moriah the mount Moriah of the jews in their torah. This is the menorah in judaism.

The Shinto Priest also wear the same black box on their head the jews do when they pray and in Shinto they call it....."Tora-no-maki" which means:" THE SCROLL OF THE TORAH".

The Japanese Shinto also carry the Omikoshi, its a Shinto ark carried the same way the jews carried the ark in the torah. They also call this the "Harainusa" in Japan, note Haraim....usa. The builder of the Temple of Solomon, Haraim. Which is also Haram, THE RAM. RAM is the name of the sun god in Hinduism.

Amenominakanushi-no-cami. Is the name of the original god of Shinto in Japanese. Note the AMEN.

You can find the Hebrews letters in the east, such as Peh, Vav, Shin, Kap, Ayn, and such. The hat the jews wear, the kippah, is in the east. They refer to it as the Kappa. Its known that many jews who got into Hindu esoteric knowledge and Buddhist tantra ended up leaving as they just observed they were practicing Kabbalistic judaism. Which is the fourth and highest level of judaism. The star of David was stolen from the east as well its the star of Visnu.

Note David is also stolen from the east. DA is a title of Shiva and Vid mean knowledge, DAVID=knowledge of Shiva. Remember Yeshua [Yeshva] is from the line of King David in the bible. This King spent all his time destroying the Goyim nations and making them slaves. Hence DAVID the knowledge of the Destroyer. Which is the goal of the jewish messiah.

As the jewish Talmud states:

"Kill the Goyim by any means possible". Choshen Ha'mishpat 425:50

"When the Messiah comes every Jew will have 2800 slaves". Simeon Haddarsen, fol. 56-D

Latin is Sanskrit in its origin as are all Indo-European languages. Angnus comes from the Sanskrit Agni.

Agni is the first word in the Veda, AGNI means fire but is also a god who is shown riding a lamb or ram. This is the Angnus Dei of the Catholic church, The Lamb of God. This was the original banner of the Catholic Church. Their literal emblem and motto is Agni is god. The church even has a saint Angnus..... Its all stolen and corrupted.

Subject: The Real Meaning Of Demon.

The Real Meaning Of Demon.

Daemon is also Demon, the Daemon of the Greeks was the inner divine spirit, the serpent power. Note Dae, Day from Dyaus the sun god. Mon means Moon in the ancient world. Deamon means Sun-Moon. We see this in the Dagaz and Manaz rune as well. Dagaz means Day. Man or Mon, moon. Dayus is also Deus from Zeus.

The serpent was both sun and moon, male, female.

We see this with Agathodaemon, the name of the Androgynous God, Dionysus.

Agathodaemon means: Good serpent or sacred serpent.....The Good God.

"In the Bacchanalian rites there was remarkably, a Cup of the Agathodaemon. This serpent-consecrated cup of wine was handed around and received with much shouting and joyousness. The hymn sung thought the serpent to the Supreme Father[my note Zeus] was just the same as the one sung in the memory of the Python at Delphi on the seventh day of the week.[1]"

The ancient name of our Gods was the "Radiant Serpents" and "Heavenly Serpents" which is what Anunnaki means. Demon, Daemon is an ancient title for our Gods. The enemy turned into a negative. As Sat-an is the ancient name of our Creator God. Which the enemy turned into a negative.

In ancient Sumeria:

As Laurence Gardener showed in his book: Genesis Of The Grail Kings that....

"The Serpent Lord was Enki, but in parts of Chaldea[my note Sumeria] He had been called Shaitan."

ENKI was called: "The Lord Of The Sacred Eye." But was also called Satan. Here Satan is actually also SATA, some times in Sanskrit they put a nasal sound on the end of mantra's. Satam/Satan also means One Hundred in Sanskrit which relates to the crown. Where SAT is also placed in the east as mantra. Which is also SATA. To this day in India there are Hindu's with Satan as their Sanskrit surname. As this is a spiritual name. You will also find many Hindu's with other spiritual names in their surnames and full names.

I have all these years received all these countless mails that ask questions, or complain about, situations that arose from people meeting offline with other "Satanists". I have received from "predictions" to how's this is supposed to happen.

To settle the issue as it needs to be settled, I tell you first of all that this right now simply cannot work in any fruitful way. Satan will and may bring certain people together for certain purposes. However, massive things at this point are at least retarded. I know in your hearts there is longing for love, companionship, mutual relations, friendships and everything else. This will come on its own time, but now, things are different. This is a different time, phase and circumstance. Do not let this act in a negative way. You can associate online, and do this carefully as well.

Your decisions and anything else are your own bussiness. I am not controlling your mailboxes, or your choices. What is in my control is the ability to WARN you of this. I also do not rule this out, but for the majority it can and will be a disaster. And you will be paying for this, so this is to explain some things. The few others who can and should, they will KNOW beyond any doubt- but bear no deceit on this, this is going to be different.

I will explain the rough facts as to why this is the case for the time being.

The first fact is the negative and murderous prescence of jews. They have spent centuries killing and burning and witches alive, putting spiritual inclined people who have lost control in asylums, destroyed and desecrated spirituality to the ground. They made Satan the most despised figure in the west. Also, then you have their Shabbos who would easily harm or damage anyone if only if they knew what these people are.

And many people are naive and totally incapable of handling any such situations, which is also understandable. The jews have worked tirelessly to siphon and manage all the information and knowledge on the Goyim, as to control them. Jewbook and everything goes into this. They HATE you with passion. While you may be mediocre, they don't have any ethic of stabbing a blade or putting a bullet through your head. All that keeps them is the results, the law, and other things. Its not their innate ethic as they have none.

The second fact is that many people have zero respect, and understanding, let alone the ability to work with others. This comes from their own lack of certain things, especially self-knowledge, which implies basically the same mode as to what every "Goyim" out there has. They don't have anything, but they somehow think they are entitled to the planet. This exact behavior is exploited

by the jews to make them even more weak, poor, disabled and incapable.

Satan wants serious people. People with vices, those with the innate desire to poison others, reduce and harm and anything else, Satan knows this too. These weeds of the jews need to be weeded out from one's soul in order for a better communion to be formed.

There are people who have their issues to deal with so to say, personal life, karmic, and anything else. These do not imply ill will, but they imply other issues. Satan gives you the ability to deal with is for your own existence above all. Coming together with others is not going to improve your power in this case, but make issues that are already present larger. There are combinations of people who can just go down the drain, while others can just get to the top. This can create irrelevant rivalries, disrespect, and anything else from hangups from your own upbringing, hangups, confusion and anything else. Satan wants order, and he wants obedience. There is a maturing process that must be going on.

Those who do not obey, because its for their OWN good, they will not be able to work in unities and as thus increase their powers millionfold. They will remain alone like so many rebels without a cause. This is not jewish cattle-ization, but the realization that unity is strength. People build wonders by unity. Unity does not mean assimilation of ego or anything like this- this is what the jews intend of it, and this is not unity, its slavery.

We are living during a tactical war against an enemy of monstrous influence. Without order and obedience, and without intelligent rebellion where this is needed, this effort will go down the drain. Its not some fellow SS that made you jobless, or even homeless, or makes you not have the mates of your choice, or anything else. This is the enemy and rebellions should be focused on the sources. Satan wants individuals that can work together. If he wanted cattle, he would have made a faith similar to pisslam or xianity. Satan is unworthy of cattle saviors. He is God and God doesn't need cattle.

Those who do not obey will never be able to lead, because this is exactly from where one learns to be in the position of those who obey, whom they later lead. I have obeyed Satan all my life that from when I knew him, and I am proud of it. You obey things even if you don't really pay attention to it. Obeying the Gods is always to one's benefit as the Gods do not have to gain anything from anyone's failure, but lose. They are guides, honest and the most decent friends, and many rightfully so call them FAMILY and Satan is a FATHER. Only a perfect one- they will guide you, instruct you, and you will be able to grow in extreme ways that way. This is not evil, this is how nature works. I know there are others who want to call Satan a "friend", or even an "Equal". I would never do this as I know the Gods are not equals to humans in anyway. I am not an SJW and I need not confront myself by reducing the Gods down. The universe is aristocratic, and this is how this works.

Every person that grows can realize that there are other beings of terrible power, far more grown. The wisdom of the Gods is terrible and immense. Check the enemy and their rigid system of obedience. One spits at a legit rabbi and they die. Why is this the case? Because the Rabbis are literally the spiritual vanguard of their existence, and not even the politicians. They have taken over the world with these methods. The bible is chock filled with allegories and fake fables on how those who do evil against the enemy's soul group of Israel, even their own, will be obliterated. This is not to say we work in the same way as we don't, but it should give you an idea on how this is the case in general.

What's the result? Everyone enjoys luxury, power, and there is an infinite supply of anything they need. That simple. Life is easier and flows for them. Your egotism should go to your meditations and your rage to surpass your obstacles. The more obstacles you surpass, the more you can help others surpass. Everyone benefits. Those who don't want to help themselves and as thus others, are just weight and chains on a bird that attempts to fly and be set free.

Those who consider obedience 'shame' have no insight in the power it can bring to someone. Obedience does not mean ridicule of those below, bullying, or anything evil- this is only what the psychopathic jews have taught to humanity. If your body goes without obedience, and your hands keep moving on their own and anything else, this is then called an epileptic seizure. Not a good thing apparently. This model is built upon Nature's will on how things should operate.

Unities far outweigh the power of the "individuals" in many ways, especially if these are strong and based on mighty individuals. Humanity hasn't built states and communities for no purpose. Satan wants you to be strong and mighty. Not an isolated fool surrounded by jews that does DMT and thinks they are 'god' with a divine right to rule any other person in the planet. Does that even sound SATANIC? Satanism is about TRUTH. Not illusionary states induced by hebrew pills. Be strong and mighty and you will be able to build confidence, and all these states on your own.

As simple question. You have 1 million soldiers who go anywhere, are disorganized, do whatever luck brings, and you are going to lose against 1/10th of soldiers who are capable, severely intelligent, and in a formation. Who is going to win?

In closing the second point, you need to change your tune in a tune of increase, power, strength and get rid of as much damage and negativity as possible. You need to be in a position to build others and yourself up, not tear others down. The enemy does the same thing. If people consciously or not, or even by mistake, tear others down, its better they are not together and seperate. For those of you who don't have serious problems or issues- still, MORE POWER is required. In all levels.

The third fact is the most important. Satan wants Satanism to re-emerge as it was in the past and live eternally. You being not known and in the shadows helps, as many of you are. As High Priestess Maxine has mentioned one time, when the jews attempted to exterminate the Hindus they were not really able to do it like they did with other Satanic Pagans. Why? Because they were all over the place and worshipped privately. This ensured their survival.

At a point such as this, it would be suicide for any legitimate spiritual danger to the Jew World Order to "band together" in a physical place. Look what the enemy did to the National Socialists and learn. By the time Christianity was being abolished in National Socialist Germany, the reptilian and ilk company of aliens commanded their fellows to wage war on these Nordic people to exterminate them.

This has been repeated in the past and is a well known method of extermination by the jews. While this has extreme benefits, the losses can also be extreme if a solid basis is not formed. The jews have lasted so long because they have never had a physical location where they were. Only after circumstances matured and they have messacred their enemies, they attained one physical place to be. This is only normal and took thousands of years in their case.

Our power lies in that we are an international, organized, racially organized and respectful, entity. We are a family, within all families, with the same Satanic Soul. We can rival and destroy the enemy in this way. We are anywhere, and as we grow, we will be everywhere too. This way your peoples, nations, states, families and the individuals can all be saved. We have Gentiles and awakened people everywhere. This is our power and it should always be.

The fourth point for those who may be working physically together, is to avoid and obliterate as much as possible all the above issues and help each other surpass these. Work together in productive and useful ways, as to attain all the more for yourselves and Satan. As it has been said, in covens or anything like this, there must be no bad weeds. Weed thees out wherever you see them, and make sure to do what's possibly best. Work for a higher level.

When the Good will come along, it will be known.

To close this message I will quote the enemy bible. This is a story of extermination of Gentile Pagan people. What does this hebrew maniacal story tells us is self-evident.

Here is a kike king in this fable, and just read what it does to people from the supposed "land of Israel" (Claimed Palestine Area -there was never a land of Israel so we are obviously talking about Gentiles here). So they exterminated all the Pagan worshippers in the area. It should convey my points:

2 Kings 10:17-

17. When he came to Samaria, he killed all who remained to Ahab in Samaria, until he had destroyed him, according to the word of the LORD which He spoke to Elijah.

18. Then Jehu gathered all the people and said to them, "Ahab served Baal a little; Jehu will serve him much.

19. **"Now, summon all the prophets of Baal, all his worshipers and all his priests; let no one be missing, for I have a great sacrifice for Baal; whoever is missing shall not live." But Jehu did it in cunning, so that he might destroy the worshipers of Baal....**

20. **And Jehu said, "Sanctify a solemn assembly for Baal." And they proclaimed it.**

21. Then Jehu sent throughout Israel and all the worshipers of Baal came, so that there was not a man left who did not come. And when they went into the house of Baal, the house of Baal was filled from one end to the other....

22. He said to the one who was in charge of the wardrobe, "Bring out garments for all the worshipers of Baal." So he brought out garments for them.

23. Jehu went into the house of Baal with Jehonadab the son of Rechab; and he said to the worshipers of Baal, "Search and see that there is here with you none of the servants of the LORD, but only the worshipers of Baal."...

24. Then they went in to offer sacrifices and burnt offerings. Now Jehu had stationed for himself eighty men outside, and he had said, "The one who permits any of the men whom I bring into your hands to escape shall give up his life in exchange."

25. **Then it came about, as soon as he had finished offering the burnt offering, that Jehu said to the guard and to the royal officers, "Go in, kill them; let none come out." And they killed them with the edge of the sword; and the guard and the royal officers threw them out, and went to the inner room of the house of Baal.**

26. **They brought out the sacred pillars of the house of Baal and burned them....**

27. **They also broke down the sacred pillar of Baal and broke down the house of Baal, and made it a latrine to this day....**

28. **Thus Jehu eradicated Baal out of Israel....**

Reichsführer SS, Heinrich Luitpold Himmler, is one of these persons in history that have shaped its course. To us Gentiles he should be a vision of a Satanic Grandmaster that has been slandered and has been defamed by the jews to no end, for his effectiveness and the massive setbacks he caused to this race of parasitic criminals. According to them, he has been a heartless monster.

You know the jews, always honest by nature- 6 trillion Jews were killed in the Swimming Pool and Opera's of the "Camps", One person might also have died by panting as well, who knows? One also swallowed a Golden Shekel maybe?

Himmler and the National Socialists did the most "insane crime" on the planet, worthy only of total extermination of their race according to the Jews who dictate as "god" the decrees.

They got jews to actually work the soil for a few months, until with the "Havara Agreement" they were to be transferred to Palestine with their wealth intact. "What a bad fortune, let's whine about it and completely kill the Germans for not accepting to be our slaves", said the jews. The jews for the first time in their life were 'punished' to do real work. Oy vey, how is that even possible? Jews are instructed by "God" to live by usury, stealing, and putting others down like parasites. They literally believe its a divine right of theirs.

For one time the jews have met justice from someone. This was unheard in for the jews who were used to rob states, cause wars as they saw fit, and exterminate everyone they wanted.

SOME PEOPLE CHANGED THIS BECAUSE THEY REFUSED! Heinrich Himmler was on the lead of these people.

Himmler however has not been new to any soil. He worked his living and was honest and noble. He practiced his own "Blood and Soil" ideology, by being a Farmer. Heinrich Himmler was a farmer, another thing the enemy considers "degoratory" but is honorable about an Aryan personality. He lived decently and honestly, close to the earth, and he was modest in the most positive sense. Himmler never bragged, and only worked to build his people up. He was a real noble Soul and leader, focused only on his Divine purpose.

Yebamoth 63a. Declares that agriculture is the lowest of occupations.

The lies on this being can only rival those said about Hitler. But all of us here know the jews. Rumors, lies, and slander are their way of warfare. They are parasites at a war of extermination for all other people in the planet.

Humanity has learned the jewish game anyway. As thus people are searching for answers at rates

that the jews will never be accepting of. And it is only getting worse day by day. Thank Satan and thank the WWW [666].

Nothing could be further from the Truth in regards to the lies heaped on Heinrich Himmler. This will be revealed in an upcoming video documentary that is being prepared.

Himmler loved his people and his people loved him back. He had to be stern to keep his people safe, like a parent that must protect his children. Nobody with a sane sense can blame him, especially at this historical time they lived in and with all these intense dangers. The jews who force themselves as "Germans" were the only eternal parasites that had anything evil to say about this man. What good jews have to say about anyone, anyway?

When Germany was going down and was about to be overtook by Jewish Bolsheviks and the Jew World Order, Himmler was of the key players that saved their country and gave more time to the world in order to save itself. Himmler was one of the reasons Adolf Hitler made it to the end of his mission. He was of the most loyal people to Hitler. He was destined to do what he did, and he did it faithfully. Himmler eliminated the Rohm Putsch that was supposed to overthrow Hitler from power only some months after they struggled against the jews and won. Himmler eliminated this backstabber who has been payed double digit millions in order to exterminate Germany's savior for personal gain.

In his early 20's, where most people are busy wasting their life, frying their brain with drugs, play games, or whatever else imaginable, Himmler was busy fighting as a revolutionary to save Germany from the dark forces of the jews. He has been their lifetime enemy.

Not only he was a Grand Master Satanist, but he is one of the most well-established occult researchers in known history. Of course, the 6 gorillion hoax has been equally placed onto him as well, to destroy his legacy. What this man did nobody has done for centuries: He found successfully an order of millions of racially strong, warriors, who were like the Pretorian Guard. Only even better since they were spiritual warriors as well. Unrelenting, without fear, without cowardice, and also, one of the most feared units in Europe at the time. Not only this, but these warriors also had developed psychic abilities. This unit was known as the SS and they were the most powerful unit in WW2.

To give an idea of what this man attained, he was head of the Hitler's Elite Bodyguard, head of the police of all Germany, head of the Secret Intelligence Services (akin to today's FBI), head of the Pagan religious order of Germany at the time, Grand Master Spiritualist.

Himmler had no illusions. He knew that the destiny of His people and all Races depends on wether or not they are spiritually advanced, wether or not they can drink from the Divine Grail- the Spiritual Force or Kundalini Serpent, Satan's gift to Humanity. Himmler created the first worldwide Spiritual-Warrior Unit aimed to this purpose, and also the most powerful military unit of his time. Himmler was not only fighting for Germany, but the whole of the White Race. Irrespectively of if jewish-taken over counterparts fought against them, they defended Whites to the bitter end, as much as historical jewish inflicted (((circumstance))) allowed these people.

They were the Knights of the Grail, the grail being the spiritual essence, or Satan's Grail. They were the guardians of their people's destiny. He restored the spiritual caste that has been missing since the Ancient times, that only the jews really have at this point, and with which they can boss around and destroy humanity as they do.

Himmler intended the best for the White people, in that not only he played a major key in defending the Whites from complete extermination by the Jewish Bolsheviks and puppet states, but also almost completely obliterated the Judeo-Christianity. Himmler knew the whole Truth about this disgusting institution and almost completely obliterated it within the borders of Germany. Of course, the Jews and the alien company were severely worried that their lifeline was going out of the window, so aside anything else, they waged a gamble to exterminate the White people off of the face of the planet, something they still want to do and force to happen every single day.

Himmler was a psychic and knew that the Jews wanted war, and that there was to be a millennial conflict between the Jews and the Aryans of his time. With all the attempts of Hitler to keep peace and avoid a second catastrophic war, the Jews have decided to do everything in their ability to cause this. The Jews after all had minimal losses, as they never fought. The only people that suffered in this war were Gentile people, Europeans, Russians, and many others alike who were exterminated by one another due to external force. This opened the door for the Jews to exterminate the Palestinians and many other Races in the upcoming decades. Something that a European Anti-Jewish, Aryan power would have prevented from happening. The Jews knew this and they decided to pull the war as fast as possible.

Not many people have fought for the White Race like Heinrich Himmler did. Love him or hate him, he has been one of the most important figures of the last centuries. A beast of intelligence, organization, and a spiritual grandmaster. He literally formed the greatest Pagan order in centuries.

Contrary to the immense lies of the enemy, Himmler never hated other Races of Mankind. According to him, "the Germans were deserving of life since they were a royal race among Mankind." Himmler himself sent expeditions of research, with respect to other civilizations, in all corners of the Globe, to respectfully learn more about them to teach Germans, while at the same time searching for the lost legacy of the White Race within many areas. Otto Rahn, Himmler's personal choice in the SS, after decades of research does conclude:

"For them [Jesuits] there are only people who struggle under the flag of Lucifer and people who fight under the flag of Christ. Concerning my own faith, I am fighting under the flag of Lucifer."- Otto Rahn

Himmler, at the prime of his mission, he was been on of the few most well occult-knowledgeable man of his time. Above all, Himmler knew what the "Catholic Church" of the Jews wanted to do with the White people: Exterminate them. He also knew about their Bolshevik agenda, and all their heinous crimes, child molestation, mass genocide. He knew them well.

He did not stand idly to see his people get destroyed and decay under Jewish influence. He put all his abilities and skills into service, in order to defend their existence.

Himmler and all of his close people knew that this was a divine spiritual war against the Jew, who wants to exterminate and enslave all other Races after being done with the Whites, who were the backbone of the civilization that proved the most "disturbing" to the Jewish plans.

In the era where humanity hardly has had any spirituality, Himmler started developing a spiritual elite to wage war against the Jewish alien enemy. This of course left the Jews with serious scars and insane contempt, that is still obvious today, everyday. The boat has been set afloat for the complete destruction of Christianity that we are living today, aside a massive awakening.

At the end of the war, Himmler, in a letter to his family, told them that him to whom he referred to as the *Ancient One*, the God of Germany [Satan], will not forsake these people in the end. And Satan did not forsake them. Almost a century from this time Satan is still waging the war against

these deranged criminals known as Jews. He will not let Humanity give in to the jews and be destroyed. Humanity is still standing. Nobody has ever, or will ever quit.

Himmler's life was a life of duty, industriousness, mission, and deep work for his people. Almost nobody worked as hard as he did. His days, nights, and even sleep were all devoted to his mission and the cause. He gave everything he had and was, completely.

In the end of the war, Himmler, after being tortured for two days in the hands of the British intelligence, is killed in a feat of rage by the "British" officers. His death is passed down as "Suicide" for the public, but it was apparently cowardly murder out of sheer hatred and dishonoring revenge.

And this is how one of the Greatest Aryan Knights passed to Vallhala in memory and Spirit Eternal.

Those who suffer for my sake I will surely reward in one of the worlds. - Satan, Al Jilwah

May Satan Grant You Revenge!

Another Aryan Hero whose memory will be Eternal.

HEIL HEINRICH HIMMLER!!!

MAY HIS MEMORY LIVE FOREVERMORE!!!

--

The Secret Name Of The Jewish God And How To Defeat Them

The jews make a important deal out of the hidden name of their god, as we know this is actually their god from they have created with centuries of parasitical black magic which Christianity and islam are designed to feed into.

However this hidden name of their god is the key to their power.

This book "The Gnostics And Their Remains" by a scholar who studied kabala from rabbi's back in the 19th century. Is revealing and no wonder he got a lot of trouble for publishing it in his time.

The jewish rabbi's call the subistiuie name for the hidden name of their god, Ha Shem. This book shows the other half they are given in private and is kept hidden. Its whispered into the ear of the new rabbi by the elder rabbi upon their initiation into the office of rabbi. They dare not speak the whole thing out loud.

From the book:

"The regular jewish synonym for the Ineffable Name Jehovah, Ha shemhamphorash , The Holy Word which the Rabbi's compress into the Name or The Word." The Ha Shem is short for Ha Shemhamphorash.

In the Jewish Kabbala the Ha Shemhamphorash is the 72 names of their god. So this shows the 72 names of the Jewish god, Reverse Torah Ritual is actually demolishing their god. Their god is the 72 names. The Talmudic magic texts make a big deal out of the 72 names and how it gives their rabbis whatever they want.

So keep up the RTR's of the 72 daily.

It's also good to keep up the communication RTR, the entire Jewish media empire is collapsing due to this as well.

CURSING THE JEWISH GOD, RITUAL TWO: Cursing the 72 "Names of God"

This is THE most important and the most powerful Reverse Torah Ritual we will be doing. Because of the length of this ritual, I added in superscript, the number of each of the three letter names to eliminate confusion. The following are also divided into 4 sections; lines 1, 2, 3 and 4. Lilith explained that each of the former rituals was like "peeling an onion" in the way of stripping the enemy of their power.

This ritual can be repeated as many times as you wish. You can begin this ritual at any time.

The words below are to be vibrated. By vibrating these words, this will strip the Jews of both protection and power. The more people we have who will be doing this ritual, the better, as there is both strength and power in numbers.

This ritual should be done as often as you are able to, and is a very good cathartic when you feel anger and hatred towards the enemy. All you need to do is vibrate the 4 lines [72 three letter names] below at least one time, preferably three times.

Please read through the pronunciation directly below. Most of the letters here are repeats. I have included an mp3 of the words for you all to download. Please [Click Here](#)

For a PDF copy of this ritual [Please Click Here](#)

Key to pronouncing the words correctly:

- AH as in the American English word father
- Ah the lower case h indicates a very small H sound, like H- a small exhale
- 'AH Glottal stop as in the American English word hour
- AI as in the American English words day, say, made
- AY as in the American English words day, say, made
- AYh – you will see this often, the vowel sound is between a long A as in case, and a short e as in pet.
- EE as in the American English words seek and week
- EH as in the American English words pet, set, and let
- KH is guttural and the sound is made in the back of the throat
- OH as in the American English words oh and go
- OI as in the American English word oil
- 'OH Glottal stop as in the American English word hour
- OHy The lower case y indicates a very short Y sound
- R's should be rolled
- TH soft TH as in the American English words thin, thick

- TH [underlined] hard TH as in the American English words the, there, that
- TS, as in the American English word oats, or as in pizza
- UU as in the American English words sooth and tooth
- VW The V and W together is a cross between the letter V and the letter W. This is biblical Hebrew. Listen to the Mp3, or do the best you can. You can substitute the letter W and this will still be valid.

After vibrating SATANAS, state with conviction 6 times:

- The Jews are fully exposed to the world
- The Jews have lost all protection
- The Gates of Satan have permanently opened wide
- The Jews have lost all of their influence and power over Gentiles
- The Jews have lost all of their power, control, and influence over the world
- Gentiles are powerfully and effectively reacting against the Jews

Subject: A Lesson From Our Ancestors On Power And Truth

A Lesson From Our Ancestors On Power And Truth

I have wrote before about how the Bhagavad Gita has been corrupted. But there is still great wisdom and a message in there for people. Originally this book is about the perfection of the soul, Krisna is the god of love, love is the union of opposites in the ancient meaning. The union and perfection of the soul by the serpent. In Hinduism, Krisna is the serpent on the tree, the serpent energy, which is the divine spark, the literal Deamon. Even his name means "Serpent".

A war is about to start between the forces of the Pandava's and the Kaurava's who are cousins but the Kaurava's are evil and want to take total power over the planet. This is a global conflict in Hindu literature. The Pandava's are the opposite and wish to take their rightful rule but the Kaurava's are trying to violently size power by murder, lies, threats, bribery and general deceitfulness, they are criminals.

The Kaurava's assemble a massive army from around the world their allies come from everywhere. The Pandava Prince, Arjuna outnumbered and losing hope goes to seek help from his family member Lord Krishna who has a massive army and massive amounts of gold and great allies.

When Arjuna arrives to Krishna's court he finds so has one of his evil cousins seeking the same. Krishna tells them both, he will not fight either as they are family but they both have a choice. One can have his massive army and gold all the material power at his command as a great ruler. The other can simply have him as an advisor. He tells them to arrive in the morning of the next day to give their choice.

The next day the evil cousin runs in first thing in a hurry and is agitated that Krishna is not awake yet and sits down angrily waiting. Arjuna wakes up and takes a morning bath then sits down to his daily morning meditations. Then calmly goes into Krishna's room and sits before his feet at Krishna's bed. Then Krishna awakes and seeing Arjuna first asks him what will it be his material forces of his troops or him. Arjuna states: "I choose you Lord". The other cousins runs away happy.

Arjuna with Krishna as his charioteer and advisor goes on to totally crush the Kaurava's in the war and wipe them out of existence with a smaller army against all odds he is victorious.

The message is simple. Arjuna is a spiritualized being. The bath he takes is the purification of the serpent power the rebirth, also he practices meditation the tapas of the kundalini energy that transform and spiritualize the being. When he walks into Krishna's room and sits at his feet. This is easy the lotus feet of the Guru [god] is the thousand petal lotus of the crown. Arjuna rose the serpent of Satan. His power was spiritual power the real power behind the cosmos. Krishna also represents the open crown and third eye as well.

The chariot is the symbol of the soul the seven horses that pull it the chakra's and the Surya [Krishna] is the power of the soul radiating thought the spiritualized, perfected being. The advice Krishna gives is the Buddhi the transcendental mind, the Deamon as good advise and counsel.

His cousin was not spiritualized he was purely of materialistic mind and filled with greed, murder and lies for it. He was basically just a jew.

Arjuna was victorious because he chose true spirituality his cousins were evil in mind because they rejected it. In the end they with all the armies of the earth at their command were no match for one ascended master and his loyal men.

Spiritual power is the ultimate truth and power.

Remember the advise that Krishna gives Arjuna, its one is supposed to struggle in the world for what is good against what is evil. And that Pacifism is simply spiritual weakness and evil, and allows evil people to take over and destroy the planet. And that one has a divine, spiritual duty for truth and to struggle for its victory on earth. This is why the jews always encourage and promote pacifism to the Goyim.

White People Living Into The Future Declared Evil By Jews

Jews the great genociders of all Peoples which is all their Torah is about, exterminating Goyim nation after nation, robbing people, raping people, enslaving people as cattle property. Their Talmud is just a detailed manual on how to do what the Torah is about including allowing the raping of children. And the Kabala is how to set this up on the spiritual plane into the material.

The jew is the architect of White Genocide why? Cause its part of Judaism to exterminate the White Race and always has been.

In the Jewish writings Samael [Hebrew word for Satan] is called the father of the Aryan race openly. The White race is also called Amalek in the Jewish writings and Samael is stated to be the White race's father here. Here in the Jewish writings we note the Jews heap blasphemy upon Gentiles and Satan. And gives the direct order to exterminate the White Race, along with all Gentiles, the "mixed multitude" it describes the different Goyim but puts the White Race into a special category to be "bolted out" forever as it states below we are the children of Samael/Satan, directly.

The Jewish Zohar volume one, pages 28b to 29a states:

"At that time the mixed multitude shall pass away from the world. The mixed multitude are the impurity which the serpent injected into Eve. From that impurity came forth Cain who killed Abel. For they are the seed of Amalek. Whom it said "thou shalt bolt out the memory of Amalek." Gentiles who are compared to the beasts of the field another from the mazikin [goblins] for the souls of the wicked are literally mazikin [goblins] of the world: and there is impurity from the side of the demons and evil spirits: and there is none so strange among them as Amalek who is the evil serpent "the strange God." He is the cause of all unchastity and murder and his twin soul is the poison of idolatry, the two together being called Samel.... This side of the serpent is accused above all."

The jews also call us Gentiles "The Synagogue Of Satan" in the spell book of the bible. It means The Temple Of The Gentiles:
topic16224.html

This rabbinical leader is just telling us what the jewish texts already state:

Hence the jewish leaders who run the world banking houses created the EU, the Rothschild's [who call themselves The Kings Of The Jews in their own writings] the Warburgs and Baurch's created the EU and appointed the 27 dictators that rule over the murder of the entire European People.

The jewish EU was always about genocide of the European People and jewish world government as the front man of creating the EU tells us in his own words:

Everything the jews are running from the Frankfurt School to the EU is just making what their holy texts of judaism states into reality. There just being jews. Anti-Semitism is not the problem, Anti-Semitism is the solution to the jewish pollution. Hate these kikes White Man and Woman, because they hate you and wish to murder you all, literally, they are not sparing your children either.

What it means to be jewish,[note Xian was code for Goy] In their bible witchcraft they openly call xians the fake jews and the Synagogue of Satan as their are of GENTILE BLOOD, THE BLOOD OF SATAN, JEWS ARE A RACE:

This is what Hitler and many good people fought to save us from. The jews attempting to murder, rob, rape and enslave us.

The Truth About WW2:
topic15258.html

Hate might be the only thing that will save us. We are paying the price with our lives for allowing the jew to dwell amongst us.

Proposal to "Ensure Continuation of the German People" REJECTED as "Racist and Nazi" in Parliament

<https://www.youtube.com/watch?v=MDfhVbfZHfo>

In 2011, the Nationalist Party of Germany (NPD) made a proposal in the State Parliament of Mecklenburg-Western Pomerania that was intended to "ensure the biological continuation of the German people". It contained measures such as providing a salary for women who choose to be mothers, increases in child support, provide interest-free loans as well as pension raises for parents.

Stefan Köster, state chairman of the party and speaker for family affairs, explained the desperate need to increase birth rates among Germans as high immigration rates, low fertility and emigration of natives who lost hope in their country imply the eventual extinction of the German people. He stressed that healthy families are the very foundation of a society and all of Europe's wealth stems from the diversity of different peoples in their respective nations. No amount of consumption and materialism can ever replace a child's laugh, which has sadly become a rarity as Germany now has the lowest birth rate in the world.

He explains that if current trends continue, native Germans will be minority in their own major cities within decades, as it is already the case in other European capitals like London. Liberal politicians, like Stefanie von Berg, openly celebrate this.

Throughout the speech he is mocked, heckled and interrupted with insults like "Nazi" or "racist".

By 2030, 30% of the native German population will be older than 65. 1 in 2 Children born in Germany is born to a migrant family.

The Nationalist party called out the grave importance of reversing this trend to avoid Germans losing their homeland and future.

The proposal to ensure the continuation of the German people met unanimous rejection by all parties.

A speaker for the Social Democrats explicitly states in a rebuttal that all democratic parties show nothing but utter contempt for the proposal and will unite to make sure nothing like this will ever

get passed. According to the Social Democrats, the German people has caused nothing but death and destruction by causing two world wars and the mere concept of securing a future for German children in Germany is inherently racist, inhuman and a Nazi ideology.

According to the ruling parties, rather than funding German families, "all" families must receive financial support to avoid being racist. The lack of children among Germans has be equalized through mass immigration from Africa and the Middle East.

Since the latest amazing post by High Priest Don, and our writings on this excrement the jews have as "God", I have to make some further comments that I have written about months ago.

Behold the New Meme:

Everytime you do an RTR, this is what happens:

The "Jewish God", this name, is hidden by the Rabbis on purpose, because they literally KNOW it to be a thoughtform. As one Rabbi stated "God" is nothing but a servant on the leash.

The decisions of the Talmud are words of the living God. Jehovah himself asks the opinions of earthly rabbis when there are difficult affairs in heaven. -Rabbi Menachen, Comments for the Fifth Book

Jehovah himself in heaven studies the Talmud, standing: he has such respect for that book.

Tractate Mechilla/Me'ilah

So what does this alien read in this "Talmud":

Kill the Goyim by any means possible.

Choshen Ha'mishpat 425:50

Things like that.

Sounds more like a sad, average intelligence reptilian, with a scat loving, bad reading habit, doesn't it. That's it because that's what it is.

So the "God" of the universe does read things like:

What is their "God" about anyway, even as an ethical entity? Please jewsus give me a new car, please jewsus save my soul because I am lazy, jewsus this, jewsus that, Jewsus could you please save me because I am too bored. Jewsus, could you please bring me my flip flops? Jewsus, could you please destroy this guy because he pisses me off? Jewsus can you prepare me some pancakes? Jewsus and their thoughtform are servants alike. They have no essence. To the jews their idea of "God" is either a universal pool of scat, or a servant that serves the kikes.

The Gentile idea of "God" has never been that of a servant. Its derogatory to the person and to the "God" alike to act in this way. Satan teaches us that "God" is within, and how to become our own "Gods", self reliant, non-parasitic entities. The jews are universal parasites and this is reflected into that even "God" is to them a playtoy, that they hope will do their shit for them. Divinely lazy as they are, even GOD serves them.

The Rabbis openly state that if this name is found out (which it has) it will result in the killing of "God". Now, how can "God" die? Simply because, this is not "God" in anyway. This is just a charged mantra, that makes things happen.

As many of you would have noticed this 72 name ritual really aggravates the greys and all the retarded lifeforms of the astral-poo side. This is because this rapes them. The names of "Angels" who all end up in "EL" just mean LIGHT. These all end in "EL" for a reason, as these are created aliases for thoughtforms. Now behind these thoughtforms, except of the thoughtform itself, do hide real entities. These are not real beings, and they are thoughtforms within this "matrix" of the enemy, meant to keep the Gods out from communicating with us, and exercising influence over the world. Mass belief of the "Goyim" (Gentile Cattle in Hebrew) reassures this will be the "reality" in this reality bubble the jews have enforced onto this planet.

The analogy is like relative reality, versus reality. For instance someone believes the Sun doesn't exist, to them its real that it doesn't, and if they are brainwashed enough, it will be as if the sun doesn't exist to a large extent, enough to even deny its existence. The sun however exists, and the only thing that's required is a shock to shake off this programing.

The prayer energy of the "Goy" charges this relative reality of the jews, same as "Jesus" and anything else into this nefarious Torah, into a larger 'matrix' that shrouds this world and forms what is called "reality". From there on since this is living energy, and also there are other alien lifeforms behind this, this whole thing has a life of its own. The Rabbis openly admit the "Torah" is a possible reality, not any reality given by 'god'. Now to them, their nefarious, scat eating, alien company, are 'god'. Well these are not my God, neither anyone else's who is not a universal retard. Rabbi Jewsus is not my "lord" neither I consider this sly scat-eating, cowardly jewish, as a legitimate "savior" of myself.

Now, in this "reality" that is created by the Goyim (Enslaved Gentiles) prayer energy, the jews have power, enjoy luxuries, decide kings, and are literally "God". Every magick works with a point of focus. The point of focus is Rabbi Jewsus, where the prayer energy goes, the other one, is the Kaaba cube. In the enemy fable grimoires who have been stories written by jews who were high on their own scat, it is written, that they envision that the "Demons" do "Bow" to the "Seed of David, the King" (Jewsus). The Demons are the Gods of the Gentiles, and they hope they enslave them in this matrix and through this idea.

Christianity is the murderer of our Gods, civilization, and legacy.

Treat people open and accepting to this garbage as you would deal with infected that need to be purged with pesticide. These people have been the reason of our downfall. They were the ones who opened the gates to the hebrews in order for them to infiltrate and destroy us. This is how the Vikings got eradicated- they accepted this little jew amongst their own pantheon, and some centuries later they burned them to death thanks to it. Infiltration.

As for the pseudo-history in the bible...This is why they wrote a full false history in the bible, and for occult reasons. To show that "since it always was, it will forever be" with their hoax. This opens up the logical mind to accept things so that one is parasitized easily. If the jews were like "HEy Goyim, pay us your whole existence and accept us as your motherfucking kings, thank you", who the hell would accept them? So like an advanced parasite, they have new and advanced methods. Oy vey, we are the chosen scat-men, give us 6 trillion shekels now, amen.

Then, the obsession with numbers in this book is bleeding occult as well. Why the 24, the 42, and the 6 play such a big purpose in "G-d's plan"? Because its the plan of some kike scatmen that's why. Don't forget to pay in 24 turns, and cry the 6 trillion Holohoaxed. These things are all spells upon the populace.

This has been the ruling "reality" that is imposed upon the world and against which many people have attempted to revolt against. This is why all this "secrecy" in regards to "God", why all these strange and occult texts, the fear of "God" being found out etc. This conspiracy further extends to their alien counterparts as well, as the jews openly state.

The Demons all of them have a different name. These are not their "real" names. They can listen to these names, but the real thing is that this is a telephone line, or an alias. These names have existential importance and they are not a "coincidental" thing. The jews in their attempts to usher the power of these names, they changed a few letters here and there in order to use these for their own purposes. This has turned into a disaster for them, as the real beings behind these have grown extremely furious on them, and they are not like their own skrawny retarded thoughforms. In the same way, behind these magical words of the "angelic" names, there hide nefarious and ugly enemy forces and ET's. Many of which have been encountered as greys, reptilians, and company of astral excrement. This is sort of like calling on a telephone (saying a name) and someone will pick up the phone.

Now Satan has been working with the Clergy to make it known what this "cube" is, what the plans of the enemy are, and what is "upcoming". As with everything, Satan provides solutions. This matter has been touched by occultists in the past, and many were unable to figure out the case with this cube thing. Others have called it the "Glove", that is all around the astral and physical and doesn't let anything really work on it normally.

There will be a ritual upcoming when the time is right, that will completely annihilate the "Cube" of the enemy, or for lack of better term, the "Jewtrix". It will fall apart, same as all its rules, and all that it produces for the jews. The "torah" will collapse and no amount of "reading" will save the enemy, as this has already been done largely and will only increase by the 72 names of God Ritual. We will not deviate from the RTR's in anyway, but we will add icing on the cake that will make everything even worse for the enemy.

Needless to say, the enemy neither their alien counterparts are fond of this, as this will result in their total failure.

One last note. There are uneducated people around that mention that somehow, Demon Names and Satan are somehow tying into Hebrew. While this is OBVIOUS to anyone with a peanut for a brain, that this is not the case. These names in these grimoires are literal names of actual entities that predated the jews by thousands of thousands of years. Many of these names are Divine Concepts, such as Abrasax, whose name is a concept of the eternity of the universe.

These are honorable titles, with deeply occult and spiritual essences, and these started in Babylon and in other White Civilizations, such as Sumer. The Jews found these and clumped them together for reasons of binding and defamations. Astaroth has been Ishtar, or Ostara. Austria's name is OSTER-REICH. The Reich of Ostara, Astaroth- whom the Nazi Occults and Psychics were in communication with. These beings openly told the National Socialists that it all began in the East. Adolf Hitler wanted to develop White people into a race such as these people who have been our progenitors, and also, literal saviors. These are Nordic Aliens of the Nordic Race, whom the people we have physically here actually resemble to a large extent. There are also other Gods from their Race, that resemble others.

All these names and titles are far more Ancient, Eternal and they are also important in building the Soul. They also act as a telephone line through which we can "call" our Gods astrally. Also, these have zero to no relation with the jews, no more than a stolen object has a link to the thief rather than the creator of it; the same goes for the jewish alphabet and the jewish "occult" which is nothing but a pile of gibberish and stolen divine knowledge that has been reduced to excrement.

Since the latest amazing post by High Priest Don, and our writings on this excrement the jews have as "God", I have to make some further comments that I have written about months ago.

Behold the New Meme:

Everytime you do an RTR, this is what happens:

The "Jewish God", this name, is hidden by the Rabbis on purpose, because they literally KNOW it to be a thoughtform. As one Rabbi stated "God" is nothing but a servant on the leash.

The decisions of the Talmud are words of the living God. Jehovah himself asks the opinions of earthly rabbis when there are difficult affairs in heaven. -Rabbi Menachen, Comments for the Fifth Book

Greetings to all our People and Satanic Comrades.

We have wrote extensively on the matter, there is much knowledge in the Joy of Satan website, but this research here will put the put the coffin tomb on the hoaxes that "Satanism" or "Demonology" has anything to do with Jews. Quite intrestingly, the jews admit on their own, that this has nothing

to do with them, and that their existence is contrary against all of this. However, naive people with not much capacity to differentiate, and those with hangups with christianity, cannot see this, but evidence can speak for itself.

To begin with, one can NEVER take the "English" bible as a reliable, occult text. It has been dumbed down for "Goyim" (Enslaved Gentiles, meaning animals in hebrew) consumption.

If one reads the Greek Texts, or the Ancient Hebrew (Torah) one easily understands that not only there is no "God", but many other details that I will only touch here but will be on their own enough.

God is nothing but the Atman [The all-presiding consciousness] of the universe, personified as Brahma (Abraham is actually an anagram of this to tie in the hoax story) and the jews pretend THEY are the atman, or as thus "God", who supposedly dictate the decrees etc. From the line of "Abraham". Anyone can use "God" or this force to create, destroy and do anything alike, if one knows the means [magick].

Those who are completely adept to the use of this force are called "Gods" themselves, and the jews try to blame him of "wanting to rise above God". The Demons and anyone else are above "God" in this case, and as thus they are Gods. "God" is a generic superconsciousness that doesn't do harm or good, and it just manifests here as natural laws. Nature can destroy or create and this is irrespectible to human beings. Animals are just as ruled by "God" completely, while Humans have the capacity to "re-unite with God" or the Atmic level of consciousness. The jewish programs ensure this will never happen for the Demonic Gentiles, and they are an injection to destroy this capability of humanity.

This is why Satan "rebelled" against "God" in the bible, and enslaved "God". The jews just however place themselves and their alien company as "God", while they claim the "all-powerful" powers of the Atman, but apparently, they are not and they never were all powerful. As thus they are on a war with "Satan" and this ties into the ET stories that humanity has come to understand in this age, but always knew.

What is the Torah? Admittedly, its a spiritual weapon given to the jews by an alien intelligence, in order to wipe out the Gentile people.

From the book "Bible Code", "The Sealed Book", p.113 (translations may vary in pages) [1], in regards to the alien writers of the Torah:

*"The God that helps Moses (The jew), says Mails, **"was powerful enough to know what would happen in the future, but not powerful enough to dictate what was to happen"**.*

In another place of the same book, its openly stated that the Jews were in communication with aliens (which will be proven later are hostile to us, as all of us here know):

"The Bible (Torah) that God instructed to Moses, wasn't anything but a computer program. To begin with it was written on a rock, and was written then on papyrus. Then it became a book. In the Codex (of the bible) it is however mentioned as "The Ancient Computer Program". [...] What this Bible Code (Torah) proves is that it was a communication with another intelligence, something that scientists nowadays seek, but it has already happened [...] the discovery of an alien device or of one alien message on or near the planet Earth."

So what are "Angels" all in all? Let it be explained by a Rabbi what they are. Aliens, and for those that are not aliens, they are sort of like astral computer programs or astral borg thoughtforms, that are part of the Jewish Torah program, generated into a reality by the faith of the "believers":

[2]"This second method is how the entities, which Torah refers to as angels, come to Earth. In most cases when these entities appear, as was the case with Avram, they are referred to as men. They look like human beings and act like human beings; they even partake of a meal, eating human food. Their identities are somehow intuited, but if not for such "spiritual" sensitivity, their true identities would go unnoticed, as it was in Sodom.

When messengers from G-d come to Earth from whatever domain, abode or planet of their origins, they use some means of transportation that transports their essence, and enables that essence to materialize in a compatible form for life, here on Earth. As such, their perceived form would be that of a gaseous or plasma form, or possibly just mere matter-less energy. Yet, while we see them as they are embodied here, and while we may perceive them in their gaseous or plasma mode of transport, this by no way concludes or confirms that their indigenous form in their domains of origins are anything of the kind. To us, an angel is a messenger sent for a reason to accomplish a purpose, but then what? Is the angel/messenger no more than a computer program, designed to mindlessly perform a function and that's it, then to return to the oblivion from which it came? Are angel/messengers no more than some super advanced form of "alien" artificial intelligence, merely programmed and limited by the boundaries of such programming? If this is so, it would explain why some Sages have commented that angels have no free will. Yet, we see through Biblical example, and later Midrashic teachings, that angels do rebel against Heaven, and challenge the accepted order."

[My note, they put everything in the same box and why will be explained later. Satan doesn't have anything to do with "Angels" and this is a Jewish label for all astral beings irrespectively of if they are thoughtforms, aliens, or whatever else.]

So what about the Demons who are the Gods of the Gentiles?

1 Corinthians 10:20

"No, but the sacrifices of pagans are offered to demons, not to God. And I do not want you to be participants with demons. "

The Greek word for Demons, is called "Demonia". As we have stated many times in the past, and in the works of Plato such as Timaeus, we have "Agathodemonia" and "Kakodemonia". Agathos means Noble, Good, Light, Beautiful, Perfect, while "Kakodemones" means bad, evil and nefarious, or even dangerous to mankind. Agathos Daimon, the God of Dionysus and the God of the Dionysian Mysteries, is actually the Kundalini Serpent, which is the source of the ultimate Good, Good in itself. The beings who are of the Serpent, are called "Agathodemones" and guide humanity, protect humanity, and guide humanity to spiritual elevation.

The Kakodemones are nothing but thoughtforms, apparitions, possibly even negative aliens, created thoughtforms by humans and the list goes endless, no different than how one creates an egregore or servitor, or are elemental beings created by hatred and the list goes on. The banishing and exorcism of these beings is important for the safety of humanity. The Greek Gods and the original Gods (The Demons) are not this, as the enemy loves to claim, and all of this is in reverse. They just reversed this to create their own "Culture". Infact, the Jews are in alliance with these evil and despised entity and carry out their purposes such as extermination of all the Ancients etc.

These in the Hebrew literature are reversed identities, and the "Agathodemones" of the Gentiles/Greeks (their Gods etc) have been turned into heinous monsters and labelled as 'demons' whom the enemy tries to convince everyone are inferior. For instance, the Demon Andras in the Goetic Demons, means in Greek "MAN". "Andrelaphos" is an Ancient Greek Name and so are many others, so is Asmodeus (Ἀσμοδαίου). Daimon or Demon just means knowledgeable one, and Demon also means Spirit or Astral body. For a Demon to be called a God, they have to be of supreme power, influence and strength as Iamblichus states. There are grades. The Demons are also sent by the Gods (the superior Demons) to help Humanity and elevate them to the highest levels of

spirituality.

The jews call themselves their "god" by the honorary title "Adonai" which comes from the Greek Adonis- meaning Beautiful, noble, and all of this. As with anything else, the jews have stolen this and adjusted this to fit their own ends, from the Greek demi-god Adonis. Ang-EL, like "Uriel" and the rest of the Angelic Garbage, is identifications of mostly jewish origin. These are identifications of the Jews mostly. EL comes from the Egyptian "ηλ" that just means light. "ἥλιος" means Sun in Greek, also known as Helios. The shiny one. Anything can be shiny, and this doesn't mean that this is not nefarious of us or friendly. Anything on the astral that has light. This also implies that the angelic thoughtforms were generated by jews, through light, and they were literally created by them. What their own "Angels" are, they project to the Demons and the Gods.

Its the same pattern in everything they do. Make no mistake, jews haven't only stolen from Greeks, but from thousands of millenia from all Gentiles. This is how they ended up with this system where Asiatic, Greek, Persian, Middle Eastern, Syrian, Hindu etc, entities are shamed alike. However, the jews know, that all these entities are technically the same. What the Ancients also knew to be a fact.

It goes WITHOUT saying that the dreamy, fictitious and lying "Grimoires" that are written by jews of BLOOD, RACE and RELIGION, are based on the backbone of ABRAHAMIC/JEWISH faiths, and are nothing more than their racial hatred expressed in an occult system to enslave and obliterate Gentiles. Those who follow this abominational crap are not only offensive to the real Gods of the Gentiles, but also are creating their own eternal tombstone. The authors of ALL defamations against the Ancient Gods and cultures, were nothing else but jews. Not evolution, not history, not even coincidence. A calculated attack by jews waged on another races, due to this jewish race's alien origins, which is self-admitted by the jews themselves and proudly upheld.

Thomas Hobbes, the "Philosopher" of the 1600's, writes openly in his work, the infamous "Leviathan" [3] :
[Book IV, CH 45-46]

Hobbes admits here that what is nowadays known as "SATANISM" (he calls it Demonology) is the par-excellence religion of the Gentiles.

*"Of **Daemonology** and other Reliques of the Religion of the GENTILES. [...] And by that means they feared them (the Demons, the 'heathens of old') as things of an unknown, that is, of an unlimited power to doe them good, or harme; and consequently. given the occasion of the Governours and the HEATHEN (my note GENTILE) Common-wealths to regulate this their fear, by establishing Deamonology (in which the poets, as Principall Priests aof the HEATHEN Religion, were specially employed or revered) to the Publique Peace, and to the obedience of Subjects necessary thereunto; and to make some of them GOOD Daemons, and others EVIL; the one as a spurre to the observance, the other, as reins to withhold them from violation of the laws. [...]"*

*The Graecians, by their Colonies and Conquests, communicated their Language and Writtings into ASIA, EGYPT, and ITALY and therein, by necessary consequence their DAEMONOLOGY or (as St.Paul calles it) their DOCTRINES OF THE DEVILS: **and by that means, the contagion was derived also to the Jewes, both of Judea and Alexandria, and other parts, whereinto they were dispersed. But the name of Daemon they did not (the jews) (as the Graecians) attribute to Spirits both Good and Evil, but to the evil onely: and to the Good Daemons they gave them name of the Spirit of God; and esteemed those who entered the bodies of their prophets (The jews).**"*

What does this tell us... The evident. The "Gods" of the Gentiles were turned to "Demons", and the generic title for those beings "Benefic" to the jews were labelled "Angels". Just for coverups. What

else does it tell us...**DAEMONOLOGY IS THE RELIGION OF THE GENTILES**. Also, this came from the Aryans, Greeks, and extended into their regions. Egypt was part of this, and jews, have stolen everything from Egypt, to reverse it, corrupt it, and create their own alien "anti-religion" against the one of the Gentiles. Angel means nothing else in hebrew but messenger of "god", and "angels" can be good (nice to jews) or bad (against jews).

In the same way the Greeks and Romans may have worshipped their divinities, fondly believing them to be good. But the Christian Scriptures declare that all the gods of the Gentiles are demons. - Catholic Encyclopedia: Devil Worship

Those who are against Jews, are equated with the Demons, and the Demonic Gods, and they are "remains" of the Ancient Religions, who oppose the jews every step of their way. The leader of which is Satan, Samael, the creator of the White Race as admitted by the jews. All the Gods of the Mixed Multitude, and the "Amalekites" same as other Gentile Races descended from the "Fallen Ones" are to be obliterated and destroyed. To us Gentiles these entities have always been "Agathodemons" like Satan or more blantly, even Zeus:

Revelation 2:12

"To the angel of the church in Pergamum write: 'I know your works, and where you dwell... where Satan's throne is.'"

The throne in the Pergamum is the Throne of Zeus, the Ancient Greek God, who ended up in the grimoires as a "despised" Demon, God of the Greeks. For more details check here, and to also read how this relates to xianity and the jews (who created christianity in the first place, from the root of Judaism):

<http://www1.cbn.com/700club/seat-satan-ancient-pergamum>

For those who are still naive and think the jews have any problem with "Christ", then I wonder why they have a NATIONAL HOLIDAY in smearing the Ancient Pagan God that is in their literature known as "AZAZEL", or the Demon Azazel. While openly claiming Jesus, as the most important Rabbi Kaduri wrote in his deathnote, is the SAVIOR of the JEWS.

"Matthew 5:17 - Rabbi Jesus Talks:

Do not think that I have come to abolish the Torah [Jewish Law] or the Prophets; I have not come to abolish them, but to fulfill them.

For I tell you truly, until heaven and earth pass away, not a single yod, not a vav, will disappear from the Torah [Jewish Law] until everything is accomplished...." [Yod and Vav are Hebrew Letters]."

So, This National Holiday is mentioned as the Yom Kippur. Now, what did "AZAZEL" do that was worthy of him to being cursed in a NATIONAL HOLIDAY of the jews, and like "SATAN" (whose real name is Satanas from the Greek New Testament) be accursed and attacked until forever by the jews? Azazel is also known as "Semihaza" in the hebraic literature.

In the Book of Enoch, Samyaza is portrayed as the leader of a band of angels called the Watchers that are consumed with lust for mortal women and become fallen angels.

And Semjâzâ, who was their leader, said unto them: "I fear ye will not indeed agree to do this deed, and I alone shall have to pay the penalty of a great sin." And they all answered him and said: "Let us all swear an oath, and all bind ourselves by mutual imprecations not to abandon this plan but to do this thing." Then sware they all together and bound themselves by mutual imprecations

upon it. (Enoch 6:3-5)

In the book, "Books of Enoch, Aramaic Fragments of Ourman Cave 4", edited by J.T Milik" it writes in translation of the original text of the book (p.178):

[These will be my notes]

"And to Gabriel the Lord said: Go to the bastards and the children of fornication, and destroy the children of the Watchers [Those who from the Heavens came to Earth, our literal forefathers known as Demons] from among men, and send them into a war of destruction; and length of days they will not have. And no request from their fathers on their behalf shall be granted that they should expect [binding astral communication] to live an eternal life or that each of them should live for five hundred years [this was the lifespan of the Demonic Seed back then, before humanity was "cast down" in this alien attack]. And to Michael the Lord said, "Go Michael and make known to Semihazah and to all his companions who associated with [human] women to defile themselves with them in their uncleanness, that their sons shall perish [Gentiles] and they shall see the destruction of their beloved ones' and bind them unto seventy generations in valleys of the earth unto the great day [the 'apocalypse' or judgement]."

So in this passage we see the binding, extermination of the White people, and also that "God", this alien intelligence that is of the enemy, wants to wage a war of destruction against both humanity, and the Sons of the Gods.

More on the extermination of the White Race by the Jews, the Sons of the Giants:

post73004.html?hilit=amalek#p73004

From the same book, the Rabbis openly admit that their ET company has bound the Gods of the Gentiles:

*"And what did Semihazai do? He repented and suspended himself between heaven and earth, head downwards and feet upwards, because he was not allowed to open his mouth before the "Holy One - Blessed be he - and he still hangs between heaven and earth. **[My note they cannot communicate with Humanity because humanity is spiritually bound by "God"]** Therefore, when the Israelites used to bring sacrifices on the day of atonement (YOM KIPPUR) they cast one lot (animal) for the Lord that it might atone for the iniquities of the Israelites, and one lot (goat) for Azazel that he might bear the burden of Israel's iniquity. This is the AZAZEL (Semihazah) that is mentioned in the scripture. [but the Gods are also cursed as well by the Jews and their "God"/Alien company]"*

More on Azazel as posted here, and what Jews celebrate in their NATIONAL holiday for THOUSANDS of years, and who they smear against:

"This is confirmed by the Book of Enoch, which brings Azazel into connection with the Biblical story of the fall of the angels [...]

Azazel is represented in the Book of Enoch as the leader of the rebellious giants in the time preceding the flood; he taught men the art of warfare, of making swords, knives, shields, and coats of mail, and women the art of deception by ornamenting the body, dyeing the hair, and painting the face and the eyebrows, and also revealed to the people the secrets of witchcraft and corrupted their manners, leading them into wickedness and impurity;

"There has been much controversy over the function of Azazel as well as over his essential character. Inasmuch as according to the narrative the sacrifice of Azazel, while symbolical, was yet held to be a genuine vicarious atonement, it is maintained by critics that Azazel was originally no

mere abstraction, but a real being to the authors of the ritual—as real as Yhwh himself.

This relation to the purpose of the ceremony may throw light upon the character of Azazel. Three points seem reasonably clear. (1) Azazel is not a mere jinnee or demon of uncertain ways and temper, anonymous and elusive (see Animal Worship), but a deity standing in a fixed relation to his clients.

Necessarily their environment subjected them in a measure to superstitions associated with the local deities, and of these latter Azazel was the chief. The point of the whole ceremony seems to have been that as the scapegoat was set free in the desert, so Israel was to be set free from the offenses contracted in its desert life within the domain of the god of the desert.

Azazel would therefore appear to be the head of the supernatural beings of the desert. He was thus an instance of the elevation of a demon into a deity. Such a development is indeed rare in Hebrew religious history of the Biblical age, but Azazel was really never a national Hebrew god, and his share in the ritual seems to be only the recognition of a local deity.

To Conclude, not only the Demons are the Gods of the Gentiles, but also they are good, beautiful, intensively powerful, and have been our guides and literal creators and progenitors. Only with the dawning of the Jewish programs have they been ridiculed, defamed, and reduced to evil or nefariousness.

The Jews are sworn enemies of Eternal Truth (Satyan in Sanskrit, or the Yezidi Shaitan, known to the Abrahamics as the "Devil" or Satan), they call the Truth of the Gentiles eternal Adversary (Ha Satan in Hebrew) and all beings who are our Gods, positive for us, and have helped, or want to help humanity, are sworn enemies of the Jews, their "God's" and everything the Jews stand for and represent.

Greetings to all our People and Satanic Comrades.

We have wrote extensively on the matter, there is much knowledge in the Joy of Satan website, but this research here will put the put the coffin tomb on the hoaxes that "Satanism" or "Demonology" has anything to do with Jews. Quite intrestingly, the jews admit on their own, that this has nothing to do with them, and that their existence is contrary against all of this. However, naive people with not much capacity to differientate, and those with hangups with christianity, cannot see this, but evidence can speak for itself.

To begin with, one can NEVER take the "English" bible as a reliable, occult text. It has been dumbed down for "Goyim" (Enslaved Gentiles, meaning animals in hebrew) consumption.

If one reads the Greek Texts, or the Ancient Hebrew (Torah) one easily understands that not only there is no "God", but many other details that I will only touch here but will be on their own enough.

God is nothing but the Atman [The all-presiding consciousness] of the universe, personified as Brahma (Abraham is actually an anagram of this to tie in the hoax story) and the jews pretend THEY are the atman, or as thus "God", who supposedly dictate the decrees etc. From the line of "Abraham". Anyone can use "God" or this force to create, destroy and do anything alike, if one knows the means [magick].

Those who are completely adept to the use of this force are called "Gods" themselves, and the jews try to blame him of "wanting to rise above God". The Demons and anyone else are above "God" in this case, and as thus they are Gods. "God" is a generic superconsciousness that doesn't do harm or good, and it just manifests here as natural laws. Nature can destroy or create and this is irrespectible to human beings. Animals are just as ruled by "God" completely, while Humans have the capacity to "re-unite with God" or the Atmic level of consciousness. The jewish programs ensure this will never happen for the Demonic Gentiles, and they are an injection to destroy this capability of humanity.

This is why Satan "rebelled" against "God" in the bible, and enslaved "God". The jews just however place themselves and their alien company as "God", while they claim the "all-powerful" powers of the Atman, but apparently, they are not and they never were all powerful. As thus they are on a war with "Satan" and this ties into the ET stories that humanity has come to understand in this age, but always knew.

What is the Torah? Admittedly, its a spiritual weapon given to the jews by an alien intelligence, in order to wipe out the Gentile people.

From the book "Bible Code", "The Sealed Book", p.113 (translations may vary in pages) [1], in regards to the alien writers of the Torah:

"The God that helps Moses (The jew), says Mails, "was powerful enough to know what would happen in the future, but not powerful enough to dictate what was to happen".

In another place of the same book, its openly stated that the Jews were in communication with aliens (which will be proven later are hostile to us, as all of us here know):

"The Bible (Torah) that God instructed to Moses, wasn't anything but a computer program. To begin with it was written on a rock, and was written then on papyrus. Then it became a book. In the Codex (of the bible) it is however mentioned as "The Ancient Computer Program". [...] What this Bible Code (Torah) proves is that it was a communication with another intelligence, something that scientists nowadays seek, but it has already happened [...] the

discovery of an alien device or of one alien message on or near the planet Earth."

So what are "Angels" all in all? Let it be explained by a Rabbi what they are. Aliens, and for those that are not aliens, they are sort of like astral computer programs or astral borg thoughtforms, that are part of the Jewish Torah program, generated into a reality by the faith of the "believers":

[2]"This second method is how the entities, which Torah refers to as angels, come to Earth. In most cases when these entities appear, as was the case with Avram, they are referred to as men. They look like human beings and act like human beings; they even partake of a meal, eating human food. Their identities are somehow intuited, but if not for such "spiritual" sensitivity, their true identities would go unnoticed, as it was in Sodom.

When messengers from G-d come to Earth from whatever domain, abode or planet of their origins, they use some means of transportation that transports their essence, and enables that essence to materialize in a compatible form for life, here on Earth. As such, their perceived form would be that of a gaseous or plasma form, or possibly just mere matter-less energy. Yet, while we see them as they are embodied here, and while we may perceive them in their gaseous or plasma mode of transport, this by no way concludes or confirms that their indigenous form in their domains of origins are anything of the kind. To us, an angel is a messenger sent for a reason to accomplish a purpose, but then what? Is the angel/messenger no more than a computer program, designed to mindlessly perform a function and that's it, then to return to the oblivion from which it came? Are angel/messengers no more than some super advanced form of "alien" artificial intelligence, merely programmed and limited by the boundaries of such programming? If this is so, it would explain why some Sages have commented that angels have no free will. Yet, we see through Biblical example, and later Midrashic teachings, that angels do rebel against Heaven, and challenge the accepted order."

[My note, they put everything in the same box and why will be explained later. Satan doesn't have anything to do with "Angels" and this is a Jewish label for all astral beings irrespectively of if they are thoughtforms, aliens, or whatever else.]

So what about the Demons who are the Gods of the Gentiles?

1 Corinthians 10:20

"No, but the sacrifices of pagans are offered to demons, not to God. And I do not want you to be participants with demons. "

The Greek word for Demons, is called "Demonia". As we have stated many times in the past, and in the works of Plato such as Timaeus, we have "Agathodemonia" and "Kakodemonia". Agathos means Noble, Good, Light, Beautiful, Perfect, while "Kakodemones" means bad, evil and nefarious, or even dangerous to mankind. Agathos Daimon, the God of Dionysus and the God of the Dionysian Mysteries, is actually the Kundalini Serpent, which is the source of the ultimate Good, Good in itself. The beings who are of the Serpent, are called "Agathodemones" and guide humanity, protect humanity, and guide humanity to spiritual elevation.

The Kakodemones are nothing but thoughtforms, apparitions, possibly even negative aliens, created thoughtforms by humans and the list goes endless, no different than how one creates an egregore or servitor, or are elemental beings created by hatred and the list goes on. The banishing and exorcism of these beings is important for the safety of humanity. The Greek Gods and the original Gods (The Demons) are not this, as the enemy loves to claim, and all of this is in reverse. They just reversed this to create their own "Culture". Infact, the Jews are in alliance with these evil and despised entity and carry out their purposes such as extermination of all the Ancients etc.

These in the Hebrew literature are reversed identities, and the "Agathodemones" of the Gentiles/Greeks (their Gods etc) have been turned into heinous monsters and labelled as 'demons'

whom the enemy tries to convince everyone are inferior. For instance, the Demon Andras in the Goetic Demons, means in Greek "MAN". "Andrelaphos" is an Ancient Greek Name and so are many others, so is Asmodeus (Ἀσμοδῶναιος). Daimon or Demon just means knowledgeable one, and Demon also means Spirit or Astral body. For a Demon to be called a God, they have to be of supreme power, influence and strength as Iamvluchus states. There are grades. The Demons are also sent by the Gods (the superior Demons) to help Humanity and elevate them to the highest levels of spirituality.

The Jews call themselves their "god" by the honorary title "Adonai" which comes from the Greek Adonis- meaning Beautiful, noble, and all of this. As with anything else, the Jews have stolen this and adjusted this to fit their own ends, from the Greek demi-god Adonis. Ang-EL, like "Uriel" and the rest of the Angelic Garbage, is identifications of mostly Jewish origin. These are identifications of the Jews mostly. EL comes from the Egyptian "ηλ" that just means light. "ἥλιος" means Sun in Greek, also known as Helios. The shiny one. Anything can be shiny, and this doesn't mean that this is not nefarious of us or friendly. Anything on the astral that has light. This also implies that the angelic thoughtforms were generated by Jews, through light, and they were literally created by them. What their own "Angels" are, they project to the Demons and the Gods.

It's the same pattern in everything they do. Make no mistake, Jews haven't only stolen from Greeks, but from thousands of millennia from all Gentiles. This is how they ended up with this system where Asiatic, Greek, Persian, Middle Eastern, Syrian, Hindu etc, entities are shamed alike. However, the Jews know, that all these entities are technically the same. What the Ancients also knew to be a fact.

It goes WITHOUT saying that the dreamy, fictitious and lying "Grimoires" that are written by Jews of BLOOD, RACE and RELIGION, are based on the backbone of ABRAHAMIC/JEWISH faiths, and are nothing more than their racial hatred expressed in an occult system to enslave and obliterate Gentiles. Those who follow this abominational crap are not only offensive to the real Gods of the Gentiles, but also are creating their own eternal tombstone. The authors of ALL defamations against the Ancient Gods and cultures, were nothing else but Jews. Not evolution, not history, not even coincidence. A calculated attack by Jews waged on another race, due to this Jewish race's alien origins, which is self-admitted by the Jews themselves and proudly upheld.

Thomas Hobbes, the "Philosopher" of the 1600's, writes openly in his work, the infamous "Leviathan" [3] :
[Book IV, CH 45-46]

Hobbes admits here that what is nowadays known as "SATANISM" (he calls it Demonology) is the par-excellence religion of the Gentiles.

*"Of **Daemonology** and other Reliques of the Religion of the GENTILES. [...] And by that means they feared them (the Demons, the 'heathens of old') as things of an unknown, that is, of an unlimited power to do them good, or harme; and consequently. given the occasion of the Governours and the HEATHEN (my note GENTILE) Common-wealths to regulate this their fear, by establishing Deamonology (in which the poets, as Principall Priests aof the HEATHEN Religion, were specially employed or revered) to the Publique Peace, and to the obedience of Subjects necessary thereunto; and to make some of them GOOD Daemons, and others EVIL; the one as a spur to the observance, the other, as reins to withhold them from violation of the laws. [...]"*

*The Graecians, by their Colonies and Conquests, communicated their Language and Writtings into ASIA, EGYPT, and ITALY and therein, by necessary consequence their DAEMONOLOGY or (as St. Paul calles it) their DOCTRINES OF THE DEVILS: **and by that means, the contagion was derived also to the Jewes, both of Judea and Alexandria, and other parts, whereinto they were dispersed. But the name of Daemon they did not (the Jews) (as the***

Graecians) attribute to Spirits both Good and Evil, but to the evil onely: and to the Good Daemons they gave them name of the Spirit of God; and esteemed those who entered the bodies of their prophets (The jews)."

What does this tell us... The evident. The "Gods" of the Gentiles were turned to "Demons", and the generic title for those beings "Benefic" to the jews were labelled "Angels". Just for coverups. What else does it tell us...DAEMONOLOGY IS THE RELIGION OF THE GENTILES. Also, this came from the Aryans, Greeks, and extended into their regions. Egypt was part of this, and jews, have stolen everything from Egypt, to reverse it, corrupt it, and create their own alien "anti-religion" against the one of the Gentiles. Angel means nothing else in hebrew but messenger of "god", and "angels" can be good (nice to jews) or bad (against jews).

In the same way the Greeks and Romans may have worshipped their divinities, fondly believing them to be good. But the Christian Scriptures declare that all the gods of the Gentiles are demons. - Catholic Encyclopedia: Devil Worship

For more details check here, and to also read how this relates to xianity and the jews (who created christianity in the first place, from the root of Judaism):

<http://www1.cbn.com/700club/seat-satan-ancient-pergamum>

For those who are still naive and think the jews have any problem with "Christ", then I wonder why they have a NATIONAL HOLIDAY in smearing the Ancient Pagan God that is in their literature known as "AZAZEL", or the Demon Azazel. While openly claiming Jesus, as the most important Rabbi Kaduri wrote in his deathnote, is the SAVIOR of the JEWS.

Then swore they all together and bound themselves by mutual imprecations upon it. (Enoch 6:3-5)

[These will be my notes]

"And to Gabriel the Lord said: Go to the bastards and the children of fornication, and destroy the children of the Watchers [Those who from the Heavens came to Earth, our literal forefathers known as Demons] from among men, and send them into a war of destruction; and length of days they will not have. Hitler Was A Satanist His Own Card Proves It

Adolf Hitler purposely put his personal id card at 555 for his membership of the National Socialist Party.

Hitler's party id card:

The Party was a lot smaller then this, this fact is well established in history books. So what does this symbolic number mean, why was it chosen for his personal number?

As known the National Socialist Party was created and run by the Thule Society a Satanist Order.

555 is RA the fifth rune. RA means darkness in Sanskrit. Which is what 555 is called in gematria which was stolen from the Greeks [even the word is Greek]. The black sun. The black sun symbol is just the Zodiac wheel with the lighting emanating from the center point the RA. In fact the entire black sun is nothing but the circle with the dot in the center. Which is the symbol of god in the Aryan mysteries and the symbol of the Black Sun was called RA by the ancient Egyptians, Greeks and Vedic's. The Radius of the circle is Ra deus, God RA. The god of the hidden or black sun is RA. And in Hebrew RA means "evil".

The symbol of the circle with the dot is the glyph of the sun and the symbol of the gold in the work. This symbol was given to Osiris whom the Egyptians called Lucifer. The Black Sun is also shown as the Oroboros serpent, the symbol of the Magum Opus in Hermetic doctrine.

RA is fire, the element of the sun and its by RA, spiritual fire the soul is made perfect in Hermetic doctrine. Its by fire that matter is transformed to spiritus. The Black sun is the symbol of the 12 signs of the Zodiac which the sun, RA journeys thought purifying the soul. This is the Atum of the Egyptians who they also called Lucifer, the Morning star. The Black sun also relates to the zodiac wheel the stars of the constellations shining in the night sky. Showing the path to immortality. The Egyptians and other Aryans were stellar worshippers, the night sky. Which makes the body of Sophia/Lucifer. This is why ancient Temples were made to resemble the night sky.

555 is the number of Venus, who is Lucifer, the Black Sun and is shown as the Pentagram. The symbol of the fire of spirit perfecting matter, the Agathos Demonia. The Aryan god which is shown as the serpent, Satan. Which transforms the elements of the soul to gold, to luminous spirit.

Himmler had the Black Sun put into the SS castle at Wewelsburg. SS is well know to have the esoteric meaning of Schwarz Sonne, Black Sun.

For those in the know this was the same as waving a neon sign in people's faces. 555=Satan.

Reverse Torah Rituals for 2016-2017

These rituals should be done after the dates given below. This is how it works: The enemy reads specific verses from their Torah on specific dates. This is done in synagogues all around the world on the same days and creates powerful astral energy that is used to enslave the world, create unimaginable wealth from the blood, labor and sacrifices of Gentiles, and to ensure their success and their escape from any justice.

By reversing certain verses after they read them from their Torah, this works to destroy the energies they raised. We will wait one day and then go behind them, destroying this most evil energy.

Please keep this and download all of the rituals. If anything should happen to the internet, it is very important to keep doing these!! No matter what!! Our workings ARE exposing and destroying them.

Yom Kippur, the enemy New Year begins on the 11th of October 2016. This is when they recite the Kol Nidrei “prayer” that absolves them from any of their grave injustices committed against Gentiles [and even their own, as they prey upon their own, being the parasites they are], and also clears them from having to keep promises and keep their word. It is a criminal working that needs to be reversed. Gentiles pay for this!!

The dates change from year to year, but are pretty predictable and can easily be found online by typing in “[year] Weekly Torah Readings.” For example: “2016 Weekly Torah Readings” into Google.

Though the times given include “anytime thereafter” these should be hit the hardest immediately following the dates given below.

The webpages have both the PDF and the Mp3 Audio links for download.

Greys... Those damned things, they are cyborgs that got out of control. Technology gone haywire.

Because they are mostly artificial, they are dependent on spiritual energy to thrive and to carry out their agenda. So, this is the main reason behind Christianity, Judaism and Islam.

These hosts supply the energy, and the stupidity and the ignorance from the human hosts keep feeding them. This is why they have to maintain and push for a slave state... To feed their lacking energies. Wars, suffering and misery supply the energies for their black magick.

They cannot create. No different from how they have been abducting living beings for centuries, to provide the necessary DNA, etc to create their offspring in tubes.

Here's another piece of information...

"The kosher butcher shop in Old Havana seems to have survived however and is one of the few places in the city that regularly has meat. The government has kept its commitment to supply meat

to the shop. Occasionally food products are donated by Jewish communities abroad to help those trying to maintain a strict kosher diet."

Taken from "Insight Guide Cuba"

The Jewish communist government takes control of all the food, the housing and other necessities. They don't have to shop in places for non-jews. They have their own. Food produced on slave labor farms and such is sold to other countries. The jews then reap the wealth. The Gentile slave labor is left with endless shortages and excuses.

Gentiles are forced to go to places like in the videos below:

Warning About The JWO In this Music Video?

The Masons were taken over by the Zionist Illuminati and are now a Judeo agenda and have been for centuries.....

Note the masonic symbolism the checker board floor the symbol of the Temple of Solomon, with the masonic pillars in the background, the jewish global agenda, this singer states "Ask one who knows me, if Iam really that bad.....IAM" This IAM is the name the jewish god calls itself in the bible, Torah. Very interesting. A play on words? This song might just be about the jewish world order. What group has a criminal mind?

IAM the name the jewish god gives in the Torah when asked what its name is....In kabala is called this passage the Iam is given the Ayn letter in Hebrew, which image of this letter is given the All seeing eye of the Judeo-Masonic god. IAM....Yahweh. Ayn if vibrated long enough sounds like IAM, its a play on this name. The 22 letters are the name of the jewish god in Kabala. The YHVH adds to 8 and 888 is the number of the alphabet in all systems.

A criminal mind is all Ayn ever had. A criminal mind is all the jews ever had.

Escaping Suffering, Rising in the Ladder of Light

Greetings to all our People and Satanic Comrades.

Now, in regards to "suffering". Suffering has many levels. The purpose of this post is to just touch on the major "suffering" people self-induce upon themselves, and not largely get into other types of suffering.

A lot of people I have noticed in general are in a "suffering" mode 24/7. Needless to say this is tied to the fact that they do not meditate, then "walking life issues" or any other reason they can create. In fact, most people create fancy and unreal reasons as to why they suffer or feel uneasy, anxious etc. Most of the time, the real causes are well hidden and secluded from the masses, because as you can see there is a whole planet profiting and playing around suffering. All major jewish and jewish-inflicted religions are built upon this concept. There is also endless self-blame, victimization, self hatred as a rule. This is the natural state of any being that is on a low existential level.

The enemy creates misery and profits from suffering, no more than a tick of flea profits from an open wound. This is the de-facto, factor of a parasitic relationship. These exist in nature like ticks and fleas.

There are many people who complain. Well, "God", your "Higher mind" or the "Universe", you name it, doesn't really listen to "complaints". At best complaints are aimed to be listened by other human beings, who then are put on the decision to help or not net help another individual out of their "Misery" or a situation where they are weak. This has altruistic purposes, and the deep need for this is based on the fact that human beings by nature do not want suffering for themselves and others. Suffering reminds one how it is to suffer. People, normally being in the same natural team (Race) have to master the outside forces of the cosmos and advance.

The universe will be your friend if you put work into things. Also, your own self must be your own friend, and you must have your strong friends of Light around you- the Gods. Its good to relate and be close to them for they desire only good for us. Nobody on their level desires suffering, or anguish, for their own progeny. They have NOTHING to gain or lose from our suffering. They don't work like this. They are Divine.

They are calling you to ascend the ladder of light and liberate yourself. In all cases, this is your own choice. The ladder is cutting and collapsing, and many beings fall eternally into the abyss of non-existence, or an existence of fear and slavery. This will be the destiny thousands of millions have created for themselves, by ignorance. You must NOT be one of them. Great things await for those who ascend the ladder of the light. Endless anguish will be the prize for those who let themselves fall into the pit of jewish doom.

We must get in a higher level, and this is an purpose versed to us by existence.

One cannot get there without suffering, or without correcting, learning, trial and error, and saving others from despair. This is because Races work as unity. Within any eco-system, different animals

can exist. These animals are not necessarily antagonistic or aggressive against one another, given their needs are met. Humans can deal, through wisdom and knowledge, and also awareness (all these Satanic Traits) to create an "Ecosystem" or reality, that is not plagued by things that plague other places in existence. Suffering can be minimized. However, we have parasites living amongst our midst, and this is a real fact. They don't want anyone to advance. It seems to be the natural dictate of a vengeful parasite.

Parasites, weaklings, jew mimics, and all those who simply cannot and are unwilling (because its a matter of unwillingness most of the time nowadays with all these means everyone possesses) to keep up with the pace of any advancement, have actually just exploited this force of "mercy" by pretending to be sufferers and also pretending to be units deserving of help. As thus, those stronger, they have given them mercy. Jewish Christianity was based on this. The poor jew, by the systematic use of misplaced mercy, has become now a temporary rat-master of the planet, and behind him rally and follow other worthless retarded lifeforms that mimic his own footing.

By the march of all of this inferiority, people who may be decent, or even average, or exceptionally superior, or even lower than average, are plagued and destroyed by those who are unwilling to do anything, or be anything, but a universal sensation-ist parasite, that eats, sleeps and consumes on the labor that the strong make into taming everything else.

The jews have never labored to fight for anything, create anything, or anything at all. Through "mercy" or let's say accurately, a giant spell that causes misplaced mercy on the behalf of their victims, they have survived and they have now conquered them.

In simple terms, suffering has become an disgusting bussiness, quite profitable in the age of pisces. Its no longer a state of a problem. Its sort of like a bussiness that fullfills needs from attention, to one's need for controlling the brain of other people, to even exercising control over others by being a whinny entitled brat and the list goes on. The jews themselves are also based on this "entitlement" crap. How parents teach their children plays a role, how all the lazy idiots do actually get countless benefits compared to those who work hard- a general inversion of the laws of nature. This is how the jews have conquered. Well, if a law exists, it can be turned into something else. Maybe not forever, but it can happen for a while. Until society collapses that is.

And it is going to happen if things go donw that road.

Now to go into "personal" suffering, suffering has grades. At least how I see it, I believe there is real suffering, and ficticious suffering, and then, what was described above, purposeful suffering for some benefit. Yes, some people are suffering for a purpose. It's called sadomasochism. Love of gloom is a negative thing. Infact, people love gloom because the body in the attempt to save its own self from destruction produces a high to save the person from this self destructive loop of death. You can need not go into a downwards spiral. Gradual, steady, and uplifting steps towards being a Sun. Not a gloomy jew.

Some people also have actual health issues and this is not what I am touching here anyway. Its kind of a sensitive subject. Although I really think the "Medical" issue is also something that has given in and can be fixed as well, like anything else. One can also rise above the stuff they cannot really "manage" at this present time. So nobody is quitted from the empire of power, consciousness, RTR's and LoL's.

As for those complaining about issues (many of which are definitely life consuming and real) even then, a good disposition and a better mental and spiritual health deal with these better. You only win if you go against suffering, and you don't lose anything. You also make others better and indirectly fight the jews. By the way, ignorance is not bliss. Knowledge and Spiritual advancement produce real, conscious bliss, in light of one's constant advancement towards the Divine.

Well...

First of all, many people get tortured because they are torn in the world of "idea" and "desire". In plain, the jewish gibberish that has been created nowadays to keep anyone eternally pre-occupied, as if in a magickal spell so the being reaches no self-realization. This is the point where a human lifeform if they died tomorrow, their "soul dream" would be the new Iphone 7. Their innermost desires and aspirations have become empty, dull and materialistic, and infact, the soul doesn't like this. At least the Gentile one, and the soul of decent beings. So we have one reason of suffering- boundless desires that are ripping the self apart and must be brought into a sense of balance and respect towards the higher and lower part of the being.

Then we have another thing. Many people just make wrong estimations. To be more correct, by denying spiritual laws such as the laws that are known as "Karma" (that have been corrupted but I have explained in a way to help everyone find their own way in this) people are blind. For instance someone always whines about how they do not have friends, or good friends. This society teaches to either blame one's self completely, either blame others completely. Most people go towards the second solution until they breakdown, and swing to the other one- both equally unhealthy. Thing is, sometimes its good to use Satan's ability vested in you that is called thought and logic.

If you go to a skyscraper and have a drunken, LSD, dancing orgy of dancing, then if you fall down and you die, was it your karma, the Gods, the universe, or just your retardiation? What I try to say, some things can be just avoided by making it a rule in your existence to apply logic where it is needed. You don't need to be going as fast as 160km an hour in a populated road to go to work. Or when you are drunk to make it 1 minute earlier in your house or something. Much negative karma manifests only because of lack of awareness and retardiation, or lack of attention.

Then to escape suffering, one must weed out any programmings that induce needless suffering to the individual. To see the matter more correctly, someone is not a useless being, infact they are a nice person, and they are not a plague to the planet, but they are plagued by feelings that cause suffering. This is a mind out of control. Whatever the purpose of this is, it doesn't really matter, as most of the time this is just something that lingers from another condition. I underline here, unless there are PHYSICAL reasons to support this, or factual problems, it can be just the result of a stuck mind. Like someone with PTSD- the war is over, but anything that makes a sound of explosion, makes one experience the same fear or agitation. This can be understood, controlled and removed from the mind. For instance someone has had parents who have been negative to them all the time.

To be even more exact, sometimes you don't need a new brain, or a 40 day working, to just have some fun. Just turn off the switch, and let yourself go a bit and indulge.

The Pharaoh is the one who is cheery all day. Pharaohs are on their tomb and their mask is of an imprinted smile, showing they have been, and are going to the astral, happily. They are not professional victims, or suffering experts. If you are not cheery then you are not Pharaoh even if you are Pharaoh. Pharaohs are careful and considerate by the way, and they know the importance of situations, but they LoL too. You can't be your own Pharaoh unless you are a cheery one. I also impose a new law and divine regulation about all wanna-be Pharaohs. The RTR's and LoL's must be mastered. Nobody who hasn't mastered the RTR's and laughter is to be High Above. And nobody that doesn't say in vigor : "Those who bless Israel are Cursed and those who Curse Israel are Blessed". And then laughs again.

The Pharaoh Lol's everytime the jews say that this world is about suffering. He RTR's them. The Pharaoh lol's and then does a Ritual against the jews, and bounces back their suffering millionfold. Jews cry on the Yom Kippur and Pharaoh LoL's hard while doing just another RTR.

Learn where and when, what is necessary. Learn and keep learning, but learn worthwhile things. Learn to divide information in what works and is good for you and good in general. In simplicity, realize the negative patterns that cause you suffering and apply new habits to solve these. Your different habits will slowly form a new you, which if you want to escape suffering, must be a more liberated, stronger, more intelligent and capable you. Largely now you are nothing but your habits or lack thereof, which is still a habit to have no habits that make you better. This eradicates suffering in its own accord. Once this reaches big proportions, you can help others escape too.

But as to not confine ourselves in talking too much, let's just remember some "rules" that apply to all times, generations, situations, and anything else, without attempting to write a new bible crap. These are just based on natural laws and have been around for millenia, and you don't need a jew to tell these to you. The Ancients have been screaming it everywhere.

- Moderation in all things (know how to judge)
- Have temperence (control your passions and thoughts, and know when to let them control you)
- Know Thyself (Meditate attentively)
- Be persistent (Never Quit)

The Rising of the Ladder is analogous to the rising of the Serpent. From dormancy and being terminally spiritual blind, you are supposed to get higher in the ladder by acting in all the levels of existence, until you finally actualize the finishing of the ladder, from where you will be reborn as a pen-ultimate being of realization. This doesn't happen overnight. This happens through struggle, persistence, and fortitude, and work. The universe doesn't give freebies.

Let Satan's light illuminate you. Let him give you consciousness over your own mistakes and the reasons of your gloom. Then, let him give you power, consciousness and knowledge to save yourself. And become a greater entity. All of us begin from somewhere, and irrespectively of that, any life that is on this struggle to advance is accepted and helped to advanced if so it desires. There is no greater joy, than the joy of self-overcoming. Only when one self-overcomes, they really become one with the only and highest, but most forgotten Truth of this universe- everything must advanced.

Those who rise in the ladder of light, the ladder of consciousness, will wear the crown of eternal life and bliss. This is not an empty promise. This is a reality the ancient masters of our side have achieved, and many live amongst our midst, soon to also rise the Ladder of Light.

Make it your aim to rise on the ladder, to shine as a star to be seen. Never dare pretending this, but only strive to become a REAL Sun.

To all the Sons, Daughters, the almighty Family of Satan, who are Satanists in heart, mind and deed, know that your suffering, from wherever you are now, you will succeed in conquering it. There is no doubt. Open up your mind to HIS Greatness and victory will be yours.

Like in the allegory of Osiris, everyone can rise above suffering if only they let their inclination towards the Satanic Divine, rule their spirit.

HAIL SATAN!!!

Greetings to all our Warriors and Comrades in our Satanic Army!

As HPS Maxine instructed in her schedule, we are to be doing these Rituals:

2016

12 October and anytime thereafter

☐ *Kol Nidrei –*

<http://www.angelfire.com/wizard/pixie666/KN.htm>

☐ *Lev 16: 22 – Reversing the Curse upon the Goat*

http://www.angelfire.com/wizard/pixie666/Lev_16_22.htm

Until the end of the month, we will have priority as following:

Until the 31st of the Month, we must be doing the Kol Nidrei and the Curse Upon the Goat daily. These ideally do not take much time and should be repeated as often as possible.

For those who want to do a third Ritual, we can add this one, that literally nukes the enemy unlike no other and is of the most toxic:

Cursing the 72 "Names of God": [Exceptionally powerful and destructive against the enemy] - A MUST DO RITUAL because this is the literal CORE of things

<http://www.angelfire.com/wizard/pixie666/72.htm>

So the priorities must be as follows:

1st Priority: Kol Nidrei

2nd Priority: Reversing the Curse upon the Goat

3rd Priority: (Ideally it should be done too - Optional but extremely necessary as well, so "optional" really means a MUST here for those who can do this) - The 72 Names reversal.

PS: Unless anything hops in line and we need to do any anti-war or any other Ritual, this is our schedule until the end of the month. Whatever hops, unless extremely urgent, will be replacing the 3rd priority Ritual.

We will then continue with the schedule and add new additions in regards to circumstance and advice from the Gods.

May all your Satanic Souls be blessed!

From October 12 and on

Save these to your computer and print them off as well so you have them.

Kol nidre

The words below are to be vibrated. By vibrating these words, this will stop the Jews from blameshifting and force them to pay for their crimes against humanity. This will destroy the enemy. The more people we have who will be doing this ritual, the better, as there is both strength and power in numbers.

This ritual may also be done as often as you like, and is a very good cathartic when you feel anger and hatred towards the enemy. All you need to do is vibrate the paragraph below 3 times.

Toh-uuvv-uhsh • ohh-ll • ahn-nah-tah-uuvv-shuu

• yayr-ahh-sseh • ohh-ll • ahnnah-rah-sehvv •

The world is now fully aware of the centuries of Jewish crimes committed against humanity. The Jewish people are all being held accountable. The Jewish people are paying for these crimes and many more.

Key to pronouncing the words correctly:

AH as in the American English word father

AY as in the American English words day, say, made

EE as in the American English words seek and week

EH as in the American English words pet, set, and let

KH is guttural and the sound is made in the back of the throat

OH as in the American English words oh and go

Reverse Torah Ritual for Reversing the Curse upon the Goat

The words below are to be vibrated. By vibrating these words, this puts a stop to Jewish blame-shifting to Gentiles, as these yearly torah readings keep Gentiles cursed and bound so that Gentiles cannot see the truth and the populace remains brainwashed and under the control of the Jews. This will destroy the enemy. The more people we have who will be doing this ritual, the better, as there is both strength and power in numbers. This ritual may also be done as often as you like, and is a very good cathartic when you feel anger and hatred towards the enemy. All you need to do is vibrate the paragraph below 9 times. Many of the words below are guttural. This means many syllables are vibrated in the back of the throat. Just do the best that you can. Practice the words [I

have included an mp3 of the words for you all to download], as much as you can before performing the ritual.

Raise your energies and vibrate the paragraph below 9 times:

RAHB-DEEM-AHB • REE-AHSS-HAH-TEH • KHAHL-EESH-AYV • HAHR-YAYZZ-UHG •
TSEHR-EH-LEH • MAHT-OHN-OH-AH-LOHK-TEH • VAHL-AH • REE-AHSS-HAH •
AHSS-AHN-AYV

State with conviction 9 times:

- Vibrate AUM
- The entire Gentile world is fully aware of the Jews and their crimes against humanity
- Jewish blame-shifting their crimes onto Gentiles has ceased to be effective
- The Jewish scapegoat has come back to the Jews and has released all of their lies and crimes right back onto them
- Vibrate AUM

Second Reverse Torah Ritual for the Last Week of October 2015: Reversing the Curse upon the Serpent

The words below are to be vibrated. By vibrating these words, this free the Serpent of Satan, as these yearly torah readings keep the Serpent of Satan cursed and bound so that humanity cannot see the truth and the populace remains brainwashed and under the control of the Jews. This will

Genesis 3:24- So he drove out the man; and he placed Keruvs at the east of the garden of Eden,

and the flame of a sword which turned every way, to guard the way to the tree of life.

The more people we have who will be doing this ritual, the better, as there is both strength and power in numbers. CURSING THE JEWISH GOD, RITUAL TWO

Cursing the 72 "Names of God"

This is THE most important and the most powerful Reverse Torah Ritual we will be doing. Because of the length of this ritual, I added in superscript, the number of each of the three letter names to eliminate confusion. The following are also divided into 4 sections; lines 1, 2, 3 and 4. Lilith explained that each of the former rituals was like "peeling an onion" in the way of stripping the enemy of their power.

This ritual can be repeated as many times as you wish. You can begin this ritual at any time.

The words below are to be vibrated. By vibrating these words, this will strip the Jews of both protection and power. The more people we have who will be doing this ritual, the better, as there is both strength and power in numbers.

This ritual should be done as often as you are able to, and is a very good cathartic when you feel anger and hatred towards the enemy. All you need to do is vibrate the 4 lines [72 three letter names] below at least one time, preferably three times.

Please read through the pronunciation directly below. Most of the letters here are repeats. I have included an mp3 of the words for you all to download.

Key to pronouncing the words correctly:

- AH as in the American English word father
- Ah the lower case h indicates a very small H sound, like H- a small exhale
- 'AH Glottal stop as in the American English word hour
- AI as in the American English words day, say, made
- AY as in the American English words day, say, made
- AYh – you will see this often, the vowel sound is between a long A as in case, and a short e as in pet.
- EE as in the American English words seek and week
- EH as in the American English words pet, set, and let
- KH is guttural and the sound is made in the back of the throat
- OH as in the American English words oh and go
- OI as in the American English word oil
- 'OH Glottal stop as in the American English word hour
- OHy The lower case y indicates a very short Y sound
- R's should be rolled
- TH soft TH as in the American English words thin, thick
- TH [hard] hard TH as in the American English words the, there, that
- TS, as in the American English word oats, or as in pizza
- UU as in the American English words sooth and tooth
- VW The V and W together is a cross between the letter V and the letter W. This is biblical Hebrew.

Listen to the Mp3, or do the best you can. You can substitute the letter W and this will still be valid.

- The Jews have lost all of their power, control, and influence over the world
- Gentiles are powerfully and effectively reacting against the Jews

Subject: WONDERFUL NEWS!!!! HAIL SATAN!!!!

THANK SATAN!!

I don't know what happened, but the websites that were down are fine now and back up and running. I have been working on mirror sites and saving files, etc, so they are very quick and easy to load.

Take this as a warning. Always download and save any pages, pdfs, files, and so forth, even from your own sites that you visit outside of JoS.

Without any warning, the internet or much of what is on it could go down and there would be no second chance.

HAIL SATAN!!!! HAIL LILITH!!!!

Subject: Regarding the RTRs

The present webpage on the RTR schedule will have to be amended to include some more that are extremely important. Satan showed me a couple others he wants included. I will have this done within 1 – 2 more days.

It is a sad fact that few people out there can think and see for themselves.

Nefarious Jewish filth like this:

(GEN 13:15) for all the land which you see, I will give to

you, and to your offspring forever.

(GEN 17:6) I will make you exceeding fruitful, and I will make nations of you. Kings will come out of you.

(Isaiah 54)

17 No weapon that is formed against thee shall prosper; and every tongue that shall rise against thee in judgment thou shalt condemn.

This is the heritage of the servants of the Lord, and their righteousness is of me, saith the Lord.

(DEU 7:23) But the LORD your God will deliver them up before you, and will confuse them with a great confusion, until they be destroyed.

(DEU 7:24) He will deliver their kings into your hand, and you shall make their name to perish from under the sky: there shall no man be able to stand before you, until you have destroyed them.

(DEU 7:25) The engraved images of their gods shall you burn with fire: you shall not covet the silver or the gold that is on them, nor take it to you, lest you be snared therein; for it is an abomination to the LORD your God.

This kind of SHIT is what drives us Gentiles under. Egregiously, our people bow down, worship, prostrate themselves, and put all of their energies into giving this suicidal Jewish filth power. Any people wonder why this world is in the horrendous shape it is in? Why everyone has problems? Life isn't meant to be like this.

Most people get up in the morning and with many, in a Jewish owned residence where one has to pay exorbitant rent or mortgage to a Jewish bank, then one heads out the door to work for a Jewish owned company [they own and control just about everything], then one listens to or reads the Jewish newspapers, the Jewish written news, the Jewish version of the news, and/or listens to the Jewish radio station or Jewish talk show on the radio, or the Jewish crap on the TV. Off they go to make hundreds of

thousands of dollars an hour for a Jewish owned and operated company, where they receive a fraction of less than one percent of what they are really worth in their labor.

The day goes on with many having to go to the Jewish bank, takes their lunch at a Jewish owned restaurant or food chain, shops at a Jewish owned market [nearly all of them are Jewish owned], and shops at a Jewish owned store... Finding places that are owned by Gentiles is nearly impossible anymore. Going home for supper to eat foods with the K or the U label [it's nearly impossible not to]. Sitting down for more programming from the Jewish TV, Jewish Hollywood, etc. Either watch that or nothing.

Then for the population of deluded idiots, on Sunday, there's church.

Its not enough though for just Sundays, or even for the fundamentalists, the weekdays, STOLEN holidays, hijacked to give even more energy to the Jewish programs are focused on year after year. The only one they can't do too much with is Halloween, so of course, the Christians are pulling their hair out over that one and admitting it is of the Devil. So are all the others they stole, but these have been corrupted to focus on that stinking Nazarene. Jewish again.

The Yule Season has turned into focusing on that rotten Nazarene, singing for the Jewish powers, praising the Jewish powers, bowing down before the Jewish messiah and putting their hearts and souls into this suicidal program for us Gentiles.

Try taking the time to notice just how much Jewish shit there is in only one day.

Unless this changes, things will only get worse and like Adolf Hitler stated "It will be the funeral wreath for humanity" [and everything else on this planet].

Greetings to all our People and Satanic

Greetings to all our People and Satanic Comrades.

[Below is the Ritual]

[This is to be done anyday, aside the RTR's is if you will, because its very needed to safeguard one's own house before one goes to War...You can skip for one day one RTR and do this one instead, and keep doing the others, or if you desire to, focus on this ritual as well for a day. We will also repost this (aside the others) to reinforce it when we should, to maximize its effectiveness.]

This is payback time for all the idiots and naive cowards who think this Temple of Satan can be shaken by their frail, cowardly attempts. And also to the naive idiots and fools who place a small bag of shekels on top of their sanity, existence, and impending doom. Satan has destroyed many of our shekel begging enemies, and this will only continue.

The enemy has for a long time attempted failed attempts at harassment, destruction, annihilation and infiltration of ALL Gentile Spiritual Orders. So long these resist, they attempt their destruction. Only through Satan, can these institutions survive, and this is the fate of this place here. Satan and the Gods put enormous time and effort in protecting this place, where all of you can learn, advance and become better. This is your house, and you are a part of this communion.

The JoS is the only safe haven in the whole internet (and maybe world at this point) where people can really advance, really find a spiritual doorway and a spiritual future. No strings attached, freely, and without any negative flick like all the enemy crap and useless garbage. For those who are deep into Satanism, they have seen that Satan has a bright future of humanity and that there is a positive, natural, higher and esteemed purpose in Satanism. Satanism can transform people in due time to where they have advanced past recognition. While all your peers are rotting and are living a useless existence, you are ascending to the ladder of enlightenment.

Unfortunately, we are dealing with criminals, and beings with a heavy criminal past that will do ANYTHING to defend it. And who of course specialize in their mediocre astral gibberish, in order to attack their 'enemies'. Of course this also has a physical dimension.

In most other places there is only endless talking, and nothing really is being achieved for the individuals. Even worse, people are severely victimized, pay their whole life earnings, sacrifice everything, and in the end do nothing. There are even worse, jewish controlled cases, where people grow ultimately destroyed in their attempt to become something better spiritually, or in these morbid cases such as where people wrongly stimulate the Serpent without Demonic help and go insane, or even die for trying to tame Satan's Power without being of his own house.

The JoS exists so that people who have been turned into "Goyim Slaves" (jewish term for unspiritual Gentiles who are enslaved by jews) can turn again into Gods and decent people as they always were. The JoS exists for you, and you only. We gain nothing, but only satisfaction and

Satanic spiritual gifts in working for Satan. Those who work for Satan know. The JoS exists as a Gentile-Only Spiritual Order.

This place is Satan's Palace of transformation, recreation, advancement, and a place where we can be free.

Also the JoS is providing all Gentiles a safe haven, from which people can not only fight and coordinate against those who have been attacking humanity for centuries, but also fights relentlessly to solve this issue. As thus it goes beyond saying we receive attacks, and all sorts of issues and things we have to tackle. Some of which very serious and only the Gods really can, and are solving this. The Gods and Satan really protect, love and bless this place, and all of you here you are part of this and work to build yourselves up.

There are billions of Gentile people in the planet who are left culture-less, god-less (since they think 'god' is a jewish punk) and literally hopeless. Many of you have seen what the practices and help provided does to a Soul in helping it, elevating it, and re-uniting it with the Creator Gods and the Demons who have, since the birth of humanity, helping it out.

Some beings have stolen these birthrights from Gentile people, and humanity is as thus left rotting without any reason but the profits of a few, deranged and evil individuals. As all of you here know, these beings are not "innocent" and they have a whole arsenal of weaponry which they rally against those who stand against their "order" of death, humiliation of humanity, and destruction of it.

Pay day has arrived.

Just think of all of your Pagan Ancestors that were wiped out, brutalized, raped, destroyed, and their small lovely houses put in fire (sometimes with their beloved children). One also needs to summon in mind what our people, the "Satanists" have underwent in the centuries, to understand the importance of the deed we do now. Not only this, but jews attempted to eradicate Satanism and to label it as their projectionist horror-blood-libel-flick.

When Gentiles were murdered on top of their own temples by some jewish scourge, was it something to just "let go"? What did these people do exactly? Love their own Gods, and as thus be condemned to die by the insane alien jews?

As thus many self proclaimed "Satanists" (of the jewish thumb), only Satanists in name, work for entirely jewish interest and of course, have been for many decades subverting and destroying Satanism, purposefully making it into a creep house of Jewish Kabal, and jewish paranoia or insanity. They never asked "Satan" what did he want, as according to what the jews told them, he was just an "Archetype". They have a particular fetish that wants Satanism to never emerge from the heap of jewish excrement heaped upon it- but its too late now, for this has happened already and there's no stopping it.

So this is the time our enemies bite the dust, for long they have harassed and destroyed endless and countless Pagan Orders. All the Pagan world has been messacred, annihilated, enslaved and burned alive. Most of the "heathens" nowadays are not Satanists either, and are as thus on a mediocre level (however better than the enemy in ALL POSSIBLE WAYS), so we are naturally leading all of the "Satanic" people into a better tommorow- those who want to be free Gentile Souls. Also our RTR's are a reason the enemy has greatly stepped up the pressure. We need to reply with more.

By protecting the Joy of Satan, you protect yourself being a member of it. You protect your own future and home, but also Satan's Temple. [You are included in the Ritual under the beneficial part of the affirmation]

The Ritual is fairly simple:

Runic Vibrations-

The runes are to be vibrated one after in this order.

Algiz x18 Sowilo x18 - Tyr x18 -18 times. [or multiplies of 18, such as 36, 72, etc etc times, however many you desire/are able to]

x18 each Rune:

"AAAAAA-LLLLL-GGGGG-IIII-ZZZZ" x18

"SSSSSSSS-OOOOOOVVVVV-EE-LLLLL-OOOOO"x18

"TTTTT-YYY-RRRR"x18

After you raise the energy of the Runes, focus on it and:

VIBRATE SATANAS - and Then affirm 10 times-

"The Joy of Satan Ministries are always protected and completely safe, in every and all ways from any and all forms of harm and negativity."

All those who curse the Joy of Satan are cursed, and all those who bless the Joy of Satan are blessed."

VIBRATE SATANAS

The above to be repeated either 10 times. Satanus - Affirm - Satanus is ONE round. This must be done 10 times.

A big thank you to all our People, and Satanic Comrades. With all of us and the Satanic and Demonic army on our side, we will deliver justice to the enemy abomination!

Greetings to all our Comrades and Satanic People.

There is a nefarious trend going around many so called "Spiritual" communities. The leaders of these, as instructed by the jews, and as influenced by their inability to achieve things honestly instead of being liars, say things like "Materialism is against Spirituality" or other things like the so called 'Carnal Flesh' and what bad it is all and all.

Of course, you see the same guys rolling around with a Rolls Royce after these proclaimings, all given by the money of those who do "charity" for some random black kids in Africa, or elsewhere. Were your dollar going to Africa how did this spiritual 'muhstard' get a Rolly, by doing absolutely nothing in this world but spewing out jewish garbage 24/7 and cursing people from a curse book of ancient jews. And a rolex to count the time.

Oh it must be because he wants to keep the Rolly from the "spiritual to-be" followers, so they won't get deceived by the riches of the otherwise "Dark Side". No don't mention it again he didn't steal your billions of charity dollars and make these into a nefarious, child molesting, rapist, drug dealing, institution named the Vatican, or so he can go somewhere in Asia and rape children in anyway he saw fit.

Neither he is just a parasite that does nothing but vibrate curses from the jewish bible, onto the Gentiles who are spiritually enslaved (Goyim in Hebrew) all day long. So the jews can have it easy, and for exchange of that, the aliens and the jews "bless them" with being "master slaves" of this physical realm, onto of the major populace of the "total slaves". So of course he uses your hard earned backs to live not only slavishly rich, he uses them to erm...Build the Kingdom of the Jewish God. Of course, this is part of your 'culture' and the manifestation of the spirituality of the "Christians" (code word for Gentiles who are deceived by jewish spiritual lies and morality).

For those who know spirituality, not only these are jewish pawns and literal psychic vampires and murderers of their own people and states, but they are also evil and parasitism personified. They are called christian clergymen, pastors, poops, imams, dalai loomers, what have you. Of course, they may be jew blooded too, or they may be Shabbos Goyim from any Gentile Race. But who cares.

Instead of helping Humanity advance, these people do nothing at all, but spew communism, create dependency, steal, parasitize, and generally execute whatever the nefarious enemy ilk dictates to them. Humanity is NOWHERE spiritually because of that evil garbage.

Now where I am trying to get with this is fairly simple...

The jews once they encountered the writings of the Ancient Philosophers, they found power and knowledge in these. Which they burned later such as in the case of the library of Alexandria, burned completely by the jew "Philo". Still there is much information and many nice practitioners that say the Truth on matters, or at least TRY, and they are objective in their undertaking instead of keeping tabs for the jews.

Unfortunately from these bright- and Godlike people, the jews always work to desecrate and make their work go extinct, or manipulate it, in paranoid fear that humanity may emerge from spiritual bondage. This is a large conspiracy and all of you here know it, as your eyes have been opened. Well, their fears were right, because look at what we are doing here now. Eventually it HAPPENED.

So the jews saw this info and applied it on their own 'level'. Instead of a means to transcendence and divine conversation, they turned it into confusing, deceiving excrement in order to enslave their foreign prey. Thankfully, nothing enough was understood to maintain them in power forever. Enough however to cause major distress and literally overthrow the planet into their morbid rulership. To show high spirituality to a jew, because of being defunct in ways I have already explained later, will always be translated in his own insanity, lack of compassion, parasitic nature, and murderous inclination. No matter what you show them, their nature is that of a perverse parasitic, life hating, materialistic ghoul.

Slowly as the downfall of humanity began, and with systematic removal of spiritual knowledge, the weak "leaders" of the times, many of which were jewish, were morbidly afraid that their empire of lies and excrement would be thrown away by the spiritual Sons of the Gods, whom they later were called "Demons". That is, those who are of "Satan" (Eternal Truth) in Sanskrit.

So they decided to, after brutally murdering everyone, forcibly removing spiritual knowledge, and deceiving anyone they could, to make up these retarded "love kindness bla bla bla stay away from power" theories, to just turn those who potentially could become strong spiritually, into "heaven seeking" garbage that is of absolute no use or danger to their agenda. The rat-face Ghandi is one major instance in this. He was more of a jew slave, than the biggest jewish slaves. And he wasn't even a "Christian".

So where I am getting with this is that the ideas of physicality, riches, physical power, and anything else being "Unholy" or "Unwelcome" or a "Burden", is just slave morality for the Goyim. Created by the terrified and paranoid jews and nobody else. This of course quickly escalates into many other areas. People are unwilling to own land or anything like this, unwilling to get involved in civilization, unwilling to accumulate wealth or build a decent family, unwilling to take part into politics, or anything else that has to do with the improving of civilization and generally nature.

Humanity has genitals for a reason. These are divine, and they are not something to take it lightly. The greys who are a spiteful alien race have had their genitals (Creative power) removed, same as their free will to use it as they saw fit, or to improve themselves in anyway. The greys are a slave race, who are beyond hope of saving themselves. And yes, these horrible things can happen. In this eternal universe obviously like advanced lifeforms, there are advanced parasites. There is unlimited space of advancement.

This has slowly bled extremely deeply into where most people hardly own anything, work for nothing, and even nowadays PAY in order to work. Chaos at its finest. This has also manifested in many other morbid ways. Due to jewish instruction the Gentiles have created a chaotic world, that moves straight to ape-hood with the pretext of the "brightest (((Promises)))".

One of the most morbid materializations of this thing is the false hindu/buddhist conception that somehow, if you are advanced extremely, you have to physically "depart" or again dissipate into the void [-(Liberation)-] and technically die again and return to the void from which one came. Or just needlessly reincarnate to again and again REPEAT eternally.

This is spiritual CRIMINALITY and nothing less. Existing in many versions, it always leads to death. An even more bastardized and underhanded move they pulled on the "Goyim" is that death somehow makes you a Demon, or that you will go to heaven and sing hallelujah's eternally to (((HIS))) vanity, or that somehow death is going to improve your current situation, or even in some mystery schools that one "Needs to Die in Order to Complete the Magnum Opus". Death is a metaphorical, astral concept. Not a literal one.

So the jews literally troll humanity as to where one is about to do the Magnum Opus, they DIE, the jews lol' and they call it yet another day in the jewtrix. Off goes the person to reincarnate, again to

repeat...repeat...and repeat again...Until the point the circumstances do not allow them, and they can no longer do nothing. Such as finding themselves in a global, communist state, the wetdream of the JWO. Here they will go from almost- Magnum Opus, to "work for Stalin all day long".

The name of the old testament is TORAH. ROTAR. This means WHEEL. And means the wheel of incarnations. The enemy is this catalytic element that makes people get stuck in incarnations and never massively wanting to go higher. While the age of pisces could be an age of transcendence, it was nothing but an age of decay, illusions, and spiritual sedation. Never has humanity sunk lower spiritually. Thanks to the universal parasite.

Now before going to the next point, it has to be remembered that Satan did NOT finish his work of perfection on Humanity, because the enemy aliens interferred and attacked the planet around the time Humanity was reaching perfection. As thus, much of humanity is still "Ape" and tends towards lack of consciousness, and towards the lowest forms of the cosmos.

"Ape" is not evil, but its NOT better and NOT higher than what humans can become when they are fully being humans. The enemy makes sure the need to go "upwards" and towards perfection is not only unknown, but misdirected, abolished, forgotten etc. And the world is again created in the level it was before, that of the Goy (inaware animals in hebrew). This is the level where the inferior jews and general ape-ilk benefit from having humans in. This is NOT Satan's intention.

The jews have accused humanity of being "Evil and worthless" (sinners) because THEY have made them become this. They literally accuse you for assaulting you. Humanity didn't really do nothing against the jews, and that's why we are here now. The natural issue of the evolutionary gap, they created into a moral, stupid issue, that supposedly is caused because God or the Universe (a jew) does hate humanity or some crap. So you must kiss jewish ass eternally to fix this. Again, jewish psychopathy projected onto Gentiles to confuse and destroy them.

As thus the jews somehow created the fable that the "World is evil" or that "Physicality is Evil". And that somehow it must be evaded and something in the "afterlife" be aspired instead. This is the jewish slave mentality, that the jews always harbored, being intensively imbalanced and incomplete, disgusting creations themselves.

"hehehehehehe - yesh yesh money is evil..."

"Immortality" is a physical, hard matter, concept. And possible in the PHYSICAL realm. The Physical Body does NOT act as a "hinderance" or anything like this, and with modern science (if the jews allow it to develop, instead of growing "Shchlongs" and doing nose-jobs to the Tribe) anything can be corrected and brought into harmony.

The physical body does not in anyway, "keep" one from advancing. Infact it is extremely underrated and extremely working under due to not having the necessary spiritual force to operate. The physical life must be balanced with the spiritual life, and in the final stages of human development, "Connected" with it. The astral must meet the physical. One lives in one exclusively or the other, and one is completely worthless in both. Satanism is NOT a religion of escapism, or any other of this insane garbage.

The physical universe is not imperfect, and works into a harmony (as it exists naturally) that is inconceivable. As thus the high reverence for nature in Satanism. Satanism has always been associated with "Volkischness". For those of you that live in the hard, giant, grey cities, it would be good at some point to go in nature and meditate there for a while, really tapping into the eternal power of nature. The jewish cities and reptoid garbage is a small, miniature reality created by some perverted entities who are sick and have fallen to the lowest aspects in nature. Akin to excrement. Its not universal reality or rule.

Infact, Satanism throughout the ages never was a "materialist" nor an "unspiritual faith". This is what the jews dictated in their attempts to destroy Satanism. It was always in balance. The world of "matter", MATTERS. Its a divine adobe same as anyone else, albeit lower, and must be realized as a lower adobe, but NOT imperfect, or evil, or disgusting in anyway. Unfortunately it has become highly tainted by the jewish hand into becoming a nightmare from which many people want to withdraw from. However, Satan will change the world, through the people he has with him, and he can make everyone of you improve your living position physically and spiritually.

Also, you ALREADY exist in the 4th dimension. You go there anytime you sleep, eventhough you cannot recollect the experience. Half of the life is unconscious because spiritual knowledge is lacking. Even sleep can generate wonderful things for those who are spiritually aware and know how to make use of sleep. Most people don't even "Sleep" from the anxiety this world causes to them.

There is no need to "die" in order to get on the astral, or to advance spiritually further than a point, or do drugs, or anything like this. You need to meditate and increase your consciousness of everything. Riches are material, spiritual, and intellectual, and in many other ways. Strive to be a complete person and fill the gaps where they need filling.

One must become "Satan". Satan is "God of this World". How is Satan God of this World according to the enemy? By being God of the higher worlds. The enemy whines in the bible that Satan is the most powerful being in existence, only under the primordial ether, the most direct incarnation of the Atman- the Divine Leader. The meaning of the 666 that the jews speak against when it comes to the Goy, but try to achieve, is spiritual and material mastery, aside with immortality. Mastery in all planes of one's existence. This is the Capstone of the Pyramid.

Satanism is harmony and a perfect balance. Neither one must be a ruthless artificial intelligence like- materialist, neither one must pretend to be a universal drugged out toothfairy. Balance and tendency towards one's natural inclination is what opens up the doorway towards the divine. When both sides get balanced and brought under control, the doorway to the Godhead opens.

Greetings to all our Comrades and Satanic People.

There is a nefarious trend going around many so called "Spiritual" communities. The leaders of these, as instructed by the jews, and as influenced by their inability to achieve things honestly instead of being liars, say things like "Materialism is against Spirituality" or other things like the so called 'Carnal Flesh' and what bad it is all and all.

Of course, you see the same guys rolling around with a Rolls Royce after these proclaimings, all given by the money of those who do "charity" for some random black kids in Africa, or elsewhere. Were your dollar going to Africa how did this spiritual 'muhstard' get a Rolly, by doing absolutely nothing in this world but spewing out jewish garbage 24/7 and cursing people from a curse book of ancient jews. And a rolex to count the time.

Oh it must be because he wants to keep the Rolly from the "spiritual to-be" followers, so they won't get deceived by the riches of the otherwise "Dark Side". No don't mention it again he didn't steal your billions of charity dollars and make these into a nefarious, child molesting, rapist, drug dealing, institution named the Vatican, or so he can go somewhere in Asia and rape children in anyway he saw fit.

Neither he is just a parasite that does nothing but vibrate curses from the jewish bible, onto the Gentiles who are spiritually enslaved (Goyim in Hebrew) all day long. So the jews can have it easy, and for exchange of that, the aliens and the jews "bless them" with being "master slaves" of this physical realm, onto of the major populace of the "total slaves". So of course he uses your hard earned backs to live not only slavishly rich, he uses them to erm...Build the Kingdom of the Jewish God. Of course, this is part of your 'culture' and the manifestation of the spirituality of the "Christians" (code word for Gentiles who are deceived by jewish spiritual lies and morality).

For those who know spirituality, not only these are jewish pawns and literal psychic vampires and murderers of their own people and states, but they are also evil and parasitism personified. They are called christian clergymen, pastors, poops, imams, dalai loomers, what have you. Of course, they may be jew blooded too, or they may be Shabbos Goyim from any Gentile Race. But who cares.

Instead of helping Humanity advance, these people do nothing at all, but spew communism, create dependency, steal, parasitize, and generally execute whatever the nefarious enemy ilk dictates to them. Humanity is NOWHERE spiritually because of that evil garbage.

Now where I am trying to get with this is fairly simple...

The jews once they encountered the writings of the Ancient Philosophers, they found power and knowledge in these. Which they burned later such as in the case of the library of Alexandria, burned completely by the jew "Philo". Still there is much information and many nice practitioners that say the Truth on matters, or at least TRY, and they are objective in their undertaking instead of keeping tabs for the jews.

Unfortunately from these bright- and Godlike people, the jews always work to desecrate and make their work go extinct, or manipulate it, in paranoid fear that humanity may emerge from spiritual bondage. This is a large conspiracy and all of you here know it, as your eyes have been opened. Well, their fears were right, because look at what we are doing here now. Eventually it HAPPENED.

So the jews saw this info and applied it on their own 'level'. Instead of a means to transcedence and divine conversation, they turned it into confusing, deceiving excrement in order to enslave their foreign prey. Thankfully, nothing enough was understood to maintain them in power forever.

Enough however to cause major distress and literally overthrow the planet into their morbid rulership. To show high spirituality to a Jew, because of being defunct in ways I have already explained later, will always be translated in his own insanity, lack of compassion, parasitic nature, and murderous inclination. No matter what you show them, their nature is that of a perverse parasitic, life hating, materialistic ghoul.

Slowly as the downfall of humanity began, and with systematic removal of spiritual knowledge, the weak "leaders" of the times, many of which were Jewish, were morbidly afraid that their empire of lies and excrement would be thrown away by the spiritual Sons of the Gods, whom they later were called "Demons". The Pointlessness Of Fake Satanism

The fake Satanism were they just worship the biblical devil, think they are edge lords and being dark and spooky, you can call it Luciferians or whatever its just a waste of time guess why....

Isaiah 45:7 (King James Version):

"I form the light, and create darkness: I make peace, and create evil: I the LORD do all these things."

Now for the excuses of the xians in the Hebrew its states Rah in hebrew, Resh, ayin, Heh. Rah is the Hebrew word for evil. Yahweh the bible god created evil, he did all those things, baby! If you think your doing something different your just worshipping Yahweh. He is the eternal jew, playing you from both sides.

Spiritual Satanism on the other hand is not about the bible, its just the primordial tradition that existed before Judaism. We have nothing to do with the nonsense of the bible. Satan is the ancient name of the Pagan Creator and that's it. Satan was the openly acknowledged title of Enki. That is why the Yezidi still worship Satan they stated they were part of the Sumerian, Babylonia culture that Enki was the head God of. Satan is still a surname for Hindu's as well. And the Yezidi came out of ancient India by their own records. Satanism is the ancient name of the Pagan religion, literally. Sat is Sata which is also spelled as Satam the nasal sound on the end, and the Na on the end is the full spelling of the Satan in Sanskrit. Here as Satan its just spelled without the final A which is common in spellings. Its still spelled Satana in some European, Sanskrit based languages like Spanish.

Satan in Sanskrit the oldest language on earth means "Saviour" as this is the serpent energy that perfects the individual and takes them across the gulf of mortality to immortality and enlightenment. And Satan is the God that created humans and taught them how to do this. The serpent was always the symbol of the Saviour of mankind, Satana in the Pagan tradition.

Satan is the Divine name:

There are some basically fucks out there who think even after knowing this they should allow people who call them excrement, cattle and their mothers whores and believe raping children is okay as the Talmud states as part of being jewish, to define which titles of OUR GOD, we are allowed to use, asking the jews for permission...Basic bitch nonsense. Satan means enemy in Hebrew and we are more then fine with that. We don't allow jewish people to dictate our religion to us. We are not fucks or basic bitches. And we being morally and spiritual superior people, naturally we abhor everything jewish.

"An Iraqi refugee who raped a 10-year-old boy at a swimming pool, calling it a "sexual emergency," has had his conviction overturned after a court in Austria concluded that the 20-year-old attacker may have been unaware the boy did not want to be abused."

Why is this happening? Why are European children being violently raped by "immigrants".....

This Jew tells us all why:

Because Jews! That's it, nothing else just Jews. If Jews were not allowed to live amongst us none of this would be happening.

An Iraqi refugee who raped a 10-year-old boy at a swimming pool, calling it a "sexual emergency," has had his conviction overturned after a court in Austria concluded that the 20-year-old attacker may have been unaware the boy did not want to be abused.

The assailant, identified as Amir A., was taken to the Theresienbad pool in Vienna in December of last year as part of the integration process into Austrian society. He was also provided with a 15-year-old translator to help him integrate.

Once at the pool, Amir A, who had worked as a taxi driver in Iraq, dragged a 10-year-old schoolboy into the changing rooms, locked the door and violently sexually assaulted him.

The boy, known only by his first name, Goran, told a lifeguard he had been attacked, and the police were called. He suffered severe internal injuries and was rushed to a children's hospital. He is still suffering from post-traumatic stress disorder.

After the incident, Amir A. reportedly returned to the swimming pool as if nothing had happened, continuing to have fun and using the diving board.

The assailant, who came to Austria via the Balkans in September 2015, confessed to the rape, saying he had acted because of a "sexual emergency" as he had not had sex for four months. When asked if such actions were legal in his home country, he admitted he knew that "such acts were forbidden in any country of the world," Kronen Zeitung daily reported.

In June, a court found Amir guilty of grave sexual assault and rape of a minor, and sentenced him to six years in prison. A court awarded the boy's family €4,730 (US\$5,150) in compensation after prosecutors described him as suffering "profound despair," the newspaper reported.

But on Thursday, the Supreme Court overturned the verdict and ordered a retrial, Heute reported.

The court ruled that while the verdict with regard to the serious sexual abuse of a minor was "watertight," the written verdict on the conviction of rape cannot be sufficiently proved.

The new trial is likely to take place in 2017, until which time the 20-year-old will remain in custody. In the event that the charge of rape is proved in the new trial, the attacker could be sentenced to up to 15 years in prison, Vienna Online reported.

The mother of the victim, who herself moved to Austria as a Serbian refugee, said her son suffers from severe panic attacks and can only sleep with the help of medication. He "screams and cries" and is "often frightened," she said, as reported by Heute.

There have been a number of reports of similar attacks by asylum seekers at swimming pools across Austria and elsewhere in Europe.

A 37-year-old mother and her four-year-old son were subjected to a sexual assault in the quiet southern Austrian town of Klagenfurt in March, Kurier daily reported.

Authorities in the Austrian town of Mistelbach issued a temporary pool ban for refugees following a sexual assault by a "dark-skinned" man on a 13-year-old girl in June. According to Austrian newspaper Kronen Zeitung, the girl was first followed by a young man into the women's changing room. Once there, he forced her to perform oral sex. The girl, however, fiercely resisted and started shouting, forcing the attacker to flee.

Reverse Torah Rituals

Below are the Reverse Torah Rituals. Each of these can be started and performed as often as you wish... the more the better. The Jews repeat the reciting and reinforcing of these horrendous curses that damn Gentiles every week, each year. We will be following along after they reinforce these damnations and reversing them.

[Important Information on How to Perform the Reverse Torah Rituals \[Webpage\]](#)

REVERSE TORAH RITUALS FOR 2016-2017

These rituals should be done after the dates given below. This is how it works: The enemy reads specific verses from their Torah on specific dates. This is done in synagogues all around the world on the same days and creates powerful astral energy that is used to enslave the world, create unimaginable wealth from the blood, labor and sacrifices of Gentiles, and to ensure success for the Jews and their escape from any justice. By reversing certain verses after they read them from their Torah, this works to destroy the energies they raised. We will wait one day and then go behind them, destroying this most evil energy.

Please keep this and download all of the rituals. If anything should happen to the internet, it is very important to keep doing these!! No matter what!! Our workings ARE exposing and destroying them.

Yom Kippur, the enemy New Year begins on the 11th of October 2016. This is when they recite the Kol Nidrei "prayer" that absolves them from any of their grave injustices committed against Gentiles [and even their own, as they prey upon their own, being the parasites they are], and also clears them from having to keep promises and keep their word. It is a criminal working that needs to be reversed. Gentiles pay for this!!

The dates change from year to year, but are pretty predictable and can easily be found online by typing in "[year] Weekly Torah Readings." For example: "2016 Weekly Torah Readings."

Though the times given include "anytime thereafter" these should be hit the hardest immediately following the dates given below.

The webpages have both the PDF and the Mp3 Audio links for download.

This is specifically for Aryans as Aryans have been victimized with a very particular jewish parlor trick here. Others can apply this, as being members of the Satanic Army, this applies no differently. If you see you have the same problem, work to obliterate it and remove it. You are Satan's Wolves, not sheep.

The Aryan Race is a Race of Knights, Warriors, and people of intense pride and love of life. This is

our history, with its good and its bad, and our fight and struggle against the jewish element of decay. Our people have proven over the centuries again and again their willingness to rather face death and anguish or sacrifice, than abide by slavery and any other such condition. We never had "freebies" in our existence, and we didn't accept freebies. And contrary to the opinion of most, we never even had it 'easy'. Everything we developed, we created it.

Nothing came out of nothing. Everything came from intense, millennial labor, and nothing came from 'privilege' or from the skies. Nobody or anyone else has given us everything or anything 'freely' of these attainments and certainly, nobody else. We have had our loyal friends and comrades, and the tide of history has been ever-changing in this troubled epic.

When one is a Warrior who fights for Satan, one is fighting in the most serious war there is to fight right now. That is the spiritual war, and this war is of proportions that are heavy, dense and really obscure and even unknown. Just take one moment to think about it, so you can understand what this means.

The point in winning comes down to always being ready to sacrifice in battle, but always looking out to be VICTORIOUS and GOOD at WARFARE so that you never have to act or be forced to act on this readiness.

In wars you go to win, not to make a heroic name under "sacrificing". If you go for a "heroic death", you are already dead because you're fighting for your death. This is un-Aryan and also, un-Satanic. People who think that way need to re-wire this misplaced, hollywood belief and give it back to its original owner, the cowardly jew. While the cowardly jew has "dictated" about all these things to gain shekels, the jew of course couldn't handle his own nature of perversion, and of course tainting every instinct and subverting it through their original tool of christianity.

A warrior cannot fight hoping for his death or he does nothing but impersonate "christ". This is a massive deception generated by the jews, in their media and elsewhere, looking to subvert the Aryan spirit and turn this into the spirit of an enslaved christian or muslim. The slaves who don't even have a soul, for the jew owns it, so instead they long for a 'martyr's death' to make something out of their miserable existence. Satan breeds wolves, and these people are the lowest of the sheep.

The hypothetically historically-unexistent Christ was nothing but yet another coward, even in his own story. Eternal victim, coward, and in the end accomplished nothing but making the jews rich, and 'gods' of the planet. Even his own father the jew, in the psycho-fables, 'god of the universe', betrayed him, and sent his own 'son' in a sadomasochistic hollywood act to troll humanity. Which as stated by jewish prophecy, by acting the professional cuckold and sacrifice victim, he was meant to act that way anyway in order to fulfill the jewish "prophecies".

Is this a paradigm to follow? Does that cancerous abscess come from the Aryan Soul and spirit?

We need Warriors, not martyrs. Wolves who know how to pack up and fight together, whilst individuals and in unities, not sheep that are beaten into the flock. These are the kinds of people Satan wants. The other masses the jews can take for stable storing.

If you go READY and FEARLESS to take a heroic falling, but with the aim of VICTORY, then this is the correct mindset, the Aryan Mindset. This is the Aryan mindset in itself. The other mindset is no different than a Muslim. Or any other paranoid degenerate who infact hates life, and his own life.

The Aryan doesn't go to war because he has nothing to lose, like the petty beggars and slaves of the enemy. Aryans go to war because they have things to lose, and a lot of things to lose. These start from their self, their own pride, their own loyalty, their lands, their own existence, and the existence of their people- finally, their own integrity and their Soul. This is why Aryans are historically, and nobody can take this from them, of the most heroic Warriors worldwide. Not

because they do not have "Things to lose". Satan doesn't want people to have the mentality of a slave, that was handed a sickle and now is joining the communist revolution. Satan wants all of his people to think like Knights.

When the King sends the Knights and Warriors to battle, he does NOT expect to see their coffins, or their orphan children. The King wants to see the Knight standing in front of him having fulfilled the task, protected his people, and his life still flourishing so that he will be able to give.

In the fateful event this is not the case, The Knight will pass into eternity- but he will return to fight again and again. Because this is who this glorious being is.

War for life, not war for death or any other reason. Anything is done is for advancement, life and freedom. If you fight for death, you are not fighting in the Satanic Way. If you fight for life, then you have understood the deeper message in Satanism.

This opposite mindset has been under the rug slipped into the Aryan mind by the jews. Preying on the Superior Aryan willingness to sacrifice in combat, which is superior to almost all other people. To create the feeling of one being lost and therefore the only thing that needs be done, is sacrifice.

Did they tell anyone however that the 300 were actually going to score a victory, albeit ready to take a heroic death if this was what would follow? Which historically they largely did as they destroyed enemy troops 10 or more times the mass that they were.

Imagine if Leonidas went in to die, or to become a martyr in some sort of second biblical jewish story. Leonidas would not be an Aryan, but he would akin to rabbi jewsus or a radical pisslamic death morgering terrorist. He went in to win and defend his people, for their life, and for his life and glory.

He was also ready to face the other outcome with bravery, which he did, and he went into the hands of the Warrior God Proud.

What would the reaction of the Warrior God if he saw someone and he was in front of him, that had the innate need to play the martyr, and as thus 'sacrificed' in the first sight? Do you think you can fool the Warrior God?

These people became heroes because exactly, they didn't go to become heroes like the jewsus christ upon some cross on a 'heavenly' hebrew script, but actually faced extreme fatality against them and strived to Victory.

This is where victory lies. Deprogram yourself, and know the more you rise high in the ladder, the greatest spiritual nukes you can throw to Satan's enemies. Same as those who threaten our existence.

Aryan is Victory for life, and furthering of it. Bravery in the face of death, and the mixture of both in the exact combination that makes one a Godman, and a real Warrior of Hell.

The Aryan Knight is the one who drinks from the Eternal Grail of Life. Not the one who throws it in anyway to become a martyr of yet another bible. The Aryan Knight is more than willing, to if necessary, sacrifice and die, but this is for the Eternal Grail of Lucifer. Not for death, but for Life. The Victory of Quality, Inneffable Life and the eternal preservation of it.

This is the Aryan Ethos.

This is our history, with its good and its bad, and our fight and struggle against the jewish element of decay. Our people have proven over the centuries again and again their willingness to rather face death and anguish or sacrifice, than abide by slavery and any other such condition. We never had "freebies" in our existence, and we didn't accept freebies. And contrary to the opinion of most, we never even had it 'easy'. Everything we developed, we created it.

Nothing came out of nothing. Everything came from intense, millennial labor, and nothing came from 'privilege' or from the skies. Nobody or anyone else has given us everything or anything 'freely' of these attainments and certainly, nobody else. We have had our loyal friends and comrades, and the tide of history has been ever-changing in this troubled epic.

When one is a Warrior who fights for Satan, one is fighting in the most serious war there is to fight right now. That is the spiritual war, and this war is of proportions that are heavy, dense and really obscure and even unknown. Just take one moment to think about it, so you can understand what this means.

The point in winning comes down to always being ready to sacrifice in battle, but always looking out to be VICTORIOUS and GOOD at WARFARE so that you never have to act or be forced to act on this readiness.

In wars you go to win, not to make a heroic name under "sacrificing". If you go for a "heroic death", you are already dead because you're fighting for your death. This is un-Aryan and also, un-Satanic. People who think that way need to re-wire this misplaced, hollywood belief and give it back to its original owner, the cowardly jew. While the cowardly jew has "dictated" about all these things to gain shekels, the jew of course couldn't handle his own nature of perversion, and of course tainting every instict and subverting it through their original tool of christianity.

A warrior cannot fight hoping for his death or he does nothing but impersonate "christ". This is a

massive deception generated by the jews, in their media and elsewhere, looking to subvert the Aryan spirit and turn this into the spirit of an enslaved christian or muslim. The slaves who don't even have a soul, for the jew owns it, so instead they long for a 'martyr's death' to make something out of their miserable existence. Satan breeds wolves, and these people are the lowest of the sheep.

The hypothetically historically-unexistant Christ was nothing but yet another coward, even in his own story. Eternal victim, coward, and in the end accomplished nothing but making the jews rich, and 'gods' of the planet. Even his own father the jew, in the psycho-fables, 'god of the universe', betrayed him, and sent his own 'son' in a sadomasochistic hollywood act to troll humanity. Which as stated by jewish prophecy, by acting the professional cuckold and sacrifice victim, he was meant to act that way anyway in order to fulfill the jewish "prophecies".

Is this a paradigm to follow? Does that cancerous abscess come from the Aryan Soul and spirit?

We need Warriors, not martyrs. Wolves who know how to pack up and fight together, whilst individuals and in unities, not sheep that are beaten into the flock. These are the kinds of people Satan wants. The other masses the jews can take for stable storing.

If you go READY and FEARLESS to take a heroic falling, but with the aim of VICTORY, then this is the correct mindset, the Aryan Mindset. This is the Aryan mindset in itself. The other mindset is no different than a Muslim. Or any other paranoid degenerate who infact hates life, and his own life.

The Aryan doesn't go to war because he has nothing to lose, like the petty beggars and slaves of the enemy. Aryans go to war because they have things to lose, and a lot of things to lose. These start from their self, their own pride, their own loyalty, their lands, their own existence, and the existence of their people- finally, their own integrity and their Soul. This is why Aryans are historically, and nobody can take this from them, of the most heroic Warriors worldwide. Not because they do not have "Things to lose". Satan doesn't want people to have the mentality of a slave, that was handed a sickle and now is joining the communist revolution. Satan wants all of his people to think like Knights.

When the King sends the Knights and Warriors to battle, he does NOT expect to see their coffins, or their orphan children. The King wants to see the Knight standing in front of him having fulfilled the task, protected his people, and his life still flourishing so that he will be able to give.

In the fateful event this is not the case, The Knight will pass into eternity- but he will return to fight again and again. Because this is who this glorious being is.

War for life, not war for death or any other reason. Anything is done is for advancement, life and freedom. If you fight for death, you are not fighting in the Satanic Way. If you fight for life, then you have understood the deeper message in Satanism.

This opposite mindset has been under the rug slipped into the Aryan mind by the jews. Preying on the Superior Aryan willingness to sacrifice in combat, which is superior to almost all other people. To create the feeling of one being lost and therefore the only thing that needs be done, is sacrifice.

Did they tell anyone however that the 300 were actually going to score a victory, albeit ready to take a heroic death if this was what would follow? Which historically they largely did as they destroyed enemy troops 10 or more times the mass that they were.

Imagine if Leonidas went in to die, or to become a martyr in some sort of second biblical jewish story. Leonidas would not be an Aryan, but he would akin to rabbi jewsus or a radical pisslamic death morgering terrorist. He went in to win and defend his people, for their life, and for his life and glory.

He was also ready to face the other outcome with bravery, which he did, and he went into the hands of the Warrior God Proud.

What would the reaction of the Warrior God if he saw someone and he was in front of him, that had the innate need to play the martyr, and as thus 'sacrificed' in the first sight? Do you think you can fool the Warrior God?

These people became heroes because exactly, they didn't go to become heroes like the jewsus christ upon some cross on a 'heavenly' hebrew script, but actually faced extreme fatality against them and strived to Victory.

This is where victory lies. Deprogram yourself, and know the more you rise high in the ladder, the greatest spiritual nukes you can throw to Satan's enemies. Same as those who threaten our existence.

Aryan is Victory for life, and furthering of it. Bravery in the face of death, and the mixture of both in the exact combination that makes one a Godman, and a real Warrior of Hell.

The Aryan Knight is the one who drinks from the Eternal Grail of Life. Not the one who throws it in anyway to become a martyr of yet another bible. The Aryan Knight is more than willing, to if necessary, sacrifice and die, but this is for the Eternal Grail of Lucifer. Not for death, but for Life. The Victory of Quality, Ineffable Life and the eternal preservation of it.

This is the Aryan Ethos.

Subject: Halloween Ritual(s) For Spiritual Satanism

Halloween Ritual(s) For Spiritual Satanism

Greetings to all our People and Satanic Comrades!

[For Halloween, we will be doing two Rituals that must be prioritized. This is to get back to the enemy and promote our cause. Both Rituals are posted **BELOW:**]

More on Halloween - 31st of October:

[https://web.archive.org/web/20160323153 ... mhain.html](https://web.archive.org/web/20160323153...mhain.html)]

--

As all of you know, the enemy by a huge 'coincidence' has again our websites down. Now while this may seem 'normal', I tend to think its not. During halloween, tens of thousands or hundreds of thousands of people become aware of Spiritual Satanism, and even more people dedicate than on any normal day (planned dedications, covens do Rituals, people accidentally hop into the JoS in search of movies etc etc). Eventhough if this has other 'physical' reasons, this to me is too much of a 'coincidence' right here. The enemy wants to subvert this.

A lot of people are misguided and do not know the Truth about Spiritual Satanism, who we are, what we do, why we believe the things we believe and do know the things we know. A lot of Gentiles worldwide are in the dark, and trying to kiss the feet of the jews only to gain nothing spiritual in return. All Gentiles of the world have their own Gods, their own spirituality, and a real family and spiritual home to be in, but most of these people will never find this- until now.

As all of you know and have experienced in Satanism, Satanism changes the life and the being. It brings one under spiritual guidance and protection, one is no longer alone or an abandoned person. There is help where one asks, and one's life is again filled with purpose. The jewish purposes of being a mindless slaver and consumer of jewish garbage 24/7 do get replaced with a primordial meaning that saturates the Soul and is very satisfying. There is hope again, and definite help and assistance.

One is again reunited with the Creator God and this is not a small feat. Thousands die everyday because they find themselves in crossroads they cannot cross, in bad relationships, in bad life choices, or due to anything else of a nature that can be offset. Satan and the Powers of Hell (our original Pagan Gods) do guide, help and protect their Gentile children in many ways. There is again light in one's life. Satan recreates the crushed into a living and strong entity again, which is what all

the Ancient Pagan rituals and rites were about.

I know its literally impossible to contain all the good that Satan and the Gods do, and all of you who know THEM feel the same way. I could go on and on, and this would never be over, same as our eternal respect, admiration and love for the Gods.

As such let's get to the point. We need to enlighten more people. In the lower levels of existence, its not TRUTH that matters, its 'power'. The enemy's lies and garbage, forced by the power of the sword and of cunning and deception, stolen money from the inaware masses, have at least for the time being deceived and misguided billions of Souls towards disaster. With them, goes the whole world, as people run the world. Now, the outcomes of these for the enemy and for those misguided will be equally horrible, but at least in this adobe in existence, this is unfortunately the case.

We need to correct this and manifest what we know to be true and noble, into this world too. We have the powers, and they just need to be put in application.

Just think of the prospects: Satanist friends without garbage and enmity, advancing together as a family and a sense of belonging, working in actual teams to destroy the enemy, and the list goes on. While this is NOT going to happen anytime soon, and we are working to ensure the SAFETY GROUND first, these are good aims to think towards. Imagine if you had found Spiritual Satanism when you were 12 or had the fortune to be born in a sane, Spiritual Satanist family. Where would you be now?

We are Satanists however, we have the powers of the Dark Arts and the Light on our hands, and with these, working and unified as one army, there is NOTHING we cannot accomplish by our own effort. We can save a lot of people through this.

So for all these reasons, and many other reasons each and everyone of you can figure our on your own, this year we will be doing a Ritual to Spread Satanism. Both for payback towards the enemy, but of course, our own gain and satisfaction in knowing that we are taking over what was always rightfully ours.

We have to use our common home and frontier to get more people in, so that we can defeat the enemy and spread enlightenment to the World.

The Ritual will be fairly simple.

Do not let the increased numbers of Runes worry you. This is no different than any other Ritual.

You can open with the ordinary Satanic Ritual here, or go straight to the Runes and then the affirmation. It all depends on you and what you can/are willing to do.

[https://web.archive.org/web/20160412012 ... itual.html](https://web.archive.org/web/20160412012...itual.html)

Since its halloween, for those of you who have the time, its good to spend time with the Powers of Hell. Write some words to Satan, get in the mood, speak with them, ask them to bless you and give you things to do for them, or to advance yourself. Let go of yourself.

At the height of the Ritual, we can do this to show to Satan that YES, His Spiritual Warriors Fight for HIM and there is nothing that we won't do for HIM.

If you don't have space, feel free to do this in any other way.

RITUAL ONE TO PROMOTE SPIRITUAL SATANISM:

Runic Vibrations for 13 times each, in the same sequence as they are here *[if you do not have time for 13, then do 8 each rune, and also the affirmations- You can also do MORE if you want which will always be good. 18, 36, etc are all positive numbers]*

"FFFFFFEEEE-HHHHHUUUUUUU" x13

"UUUUUUUU-RRRRRRRRR" x13

"KKKKKK-AAAAAAAA-UUUUUU-NNNNN" x13

"SSSSSS-IIIIII-EEEEEE-GGGGGG" x13

"VVVVV-EEEE-NNNN" x13

"DDDDD-AAAA-GGGGG-AAAA-ZZZZZ" x13

After you have vibrated the Runes, focus on the raised and do the affirmations below, for 13 times :

(SATANAS vibrated in ONE breath, not letter by letter in this case- If you feel uneasy or overwhelmed, Vibrate Satan as ONCE, then do 13 times the affirmations, and then SATANAS once again to close the circle.)

VIBRATE SATANAS - Then affirm:

"SATAN and Spiritual Satanism are increasing in fame unceasingly and are being continuously promoted in a most positive light.

The Joy of Satan Ministries that belong to SATAN are now positively receiving extreme popularity, fame and public acclaim, everywhere.

Huge and massive amounts of people are constantly waking up to the Truth and are becoming Spiritual Satanists everyday."

VIBRATE SATANAS -

Vibrate Satan as-> Affirmation-> Vibrate Satan as is ONE ROUND. This cycle must be done either 13 or 8 times.

After you are done with the affirmations, close the Ritual with a big and proud:

"HAIL SATAN FOREVER!!!"

RITUAL TWO FOR PROTECTION OF THE JOY OF SATAN MINISTRIES:

The Ritual is fairly simple:

Runic Vibrations-

The runes are to be vibrated one after in this order.

Algiz x18 Sowilo x18 - Tyr x18 -18 times. [or multiplies of 18, such as 36, 72, etc etc times, however many you desire/are able to]

x18 each Rune:

"AAAAAA-LLLLL-GGGGG-III-ZZZZ" x18

"SSSSSSSS-OOOOOOVVVVV-EE-LLLLL-OOOOO"x18

"TTTTT-YYY-RRRR"x18

After you raise the energy of the Runes, focus on it and:

VIBRATE SATANAS and Then affirm

"The Joy of Satan Ministries are always protected and completely safe, in every and all ways from any and all forms of harm and negativity.

All those who curse the Joy of Satan are cursed, and all those who bless the Joy of Satan are blessed."

VIBRATE SATANAS

The above to be repeated either 10 times. Satanus - Affirm - Satanus is ONE round. This must be done 10 times.

Subject: Led Zeppelin Honored Satan In their Most Popular Song			

Led Zeppelin Honored Satan In their Most Popular Song

The Devil has the best tunes in history! Happy Halloween!

The song Stairway To Heaven by Led Zeppelin, is the most popular rock song in history.

Jimmy Page was a major occultist he owned the largest occult store in Europe. Note Page told people to learn how to write and read backwards many times. He and Plant both wrote the lyrics to this song. Plant mentioned the message in Stairway To Heaven was the most important and quintessential message that Led Zeppelin had to communicate to the public.

"There is a Lady that's sure all that glitters is gold and she's buying a stairway to heaven."

This is noted to be mocking Christianity and its traditional teachings you can buy your way into heaven literally the Church had the doctrine you can pay the Church to pray the souls of past any ones into heaven and pay to pray your sins away for you. And as we know the Churches always wants you money all the time.

"When she gets there she knows, if the stores are all closed
With a word she can get what she came for.
Ooh, ooh, and she's buying a stairway to heaven."

Here they are mocking the Christian lies that just repeating canned prayers can get you somewhere. But here they also hint to the words that come later in the song with backward masking they put in. Page was adept at reading and writing backwards as occult practices. Within the verses come the first backward masking: My sweet Satan.

"There's a sign on the wall but she wants to be sure
'Cause you know sometimes words have two meanings.
In a tree by the brook, there's a songbird who sings,
Sometimes all of our thoughts are misgiven."

" Ooh, it makes me wonder,
Ooh, it makes me wonder."

Here it is reemphasizing this the song bird in European occult lore was the symbol of the messenger of the Devil. They are telling you to play the song backwards and forewords the song is

still educating the listener as to the truth. What are they wondering?

" There's a feeling I get when I look to the west,
And my spirit is crying for leaving.
In my thoughts I have seen rings of smoke through the trees,
And the voices of those who stand looking."

Turning to the West is returning to Paganism. The Christian program came from the East. They are turning their backs on Christianity and its lies. Their spirit longs to return to their real identity as Pagans they wish to go back to Satan. The rings of smoke threw the trees are the traditional Witches Sabbats when the Pagans [Satanism is Paganism] would meet around the great Bon fires and as lore goes summon the Devil. Which is who they stand looking at and are speaking with.

"Ooh, it makes me wonder,
Ooh, it really makes me wonder."

Know they really are questioning note the emphasize how it really makes them wonder. This relates to the deeper internal questioning that leads one to the truth.

"And it's whispered that soon, if we all call the tune,
Then the piper will lead us to reason.
And a new day will dawn for those who stand long,
And the forests will echo with laughter."

The Piper in traditional lore comes from ancient Greece and the Medieval Europeans still knew as Pan. Pan was called the Devil by the Church and based the imagery of the Devil on Pan. Pan is shown as half a Goat and half man. As was Satan in Sumeria. This is the symbol of the Devil as the serpentine energy and the Magnum Opus. Pan has a flute which has seven pipes each one represents one of the chakra's. His blowing into them is the breath or prana, the vital winds also know as Vayu that transform the soul into the gold. Pan if one looks deep enough is also Dionysus. Dionysus was shown in identical ways some times as a black Goat or a man with a Goat head or lower Goat half and upper human. Pan's father was the Aether or mercury which is depicted as the Ouboros serpent the symbol of the Magnum Opus and the Logos. Pan means the ALL for this reason and pentacle comes from His name. The symbol of the Magnum Opus. Pan the Devil as the kundalini as well.

The message goes further to state a golden age will dawn for those "stand long" meaning those who stand with Satan will win in the end and Christianity will fall. "And the forests will echo with laughter." Is obvious to this message. It mocks Christianity further as false.

" If there's a bustle in your hedgerow, don't be alarmed now,
It's just a spring clean for the May queen.
Yes, there are two paths you can go by, but in the long run
There's still time to change the road you're on.
And it makes me wonder."

The May Queen is Astaroth, the traditional Queen of Witches. Spring cleaning is an old Pagan custom and leads into Beltane. Or May Day one of the most important festivals of Paganism. The May Pole was even in Egypt as well as Europe. It represents the World Column of the spine and the men on one end and the woman on the other end, each with their own ribbons dancing weaving in

a circle a serpentine pattern around the May Pole. This is the serpent rising up the spine the male and female currents merging. Note Pan and His Satyr's do the ring dance which is this. The ring is the symbol of the serpentine energy perfected the Magnum Opus.

There are two paths you can go one. This is referencing the LHP and RHP path. There is still time to change the road you're on. You can wake up and go down the LHP and find truth.

Within the above verses is another backward masking that states: To my sweet Satan 666.

"Your head is humming and it won't go, in case you don't know,
The piper's calling you to join him,
Dear lady, can you hear the wind blow, and did you know
Your stairway lies on the whispering wind?"

Satan is calling you to join Him. The path is with Satan.

"And as we wind on down the road
Our shadows taller than our soul.
There walks a lady we all know
Who shines white light and wants to show
How everything still turns to gold.
And if you listen very hard
The tune will come to you at last.
When all are one and one is all
To be a rock and not to roll.

And she's buying a stairway to heaven"

The road is the LHP the path of spiritual alchemy, the lady they all know is Astaroth, the May Queen and it might reference the serpent power directly. Given what Page was into. The lyrics go as mentioned to state the path to paradise is on the LHP with Satan. The path of the Magnum Opus turning the soul into the gold. If you listen very hard the tune will come to you. This is a double reference to the song and the backward masking and to getting in contract with Satan. The one is a classical reference to the gold in the work.

The Devil literally has the best tunes. The most popular song in rock history is one.

Greetings to all our People and Satanic Comrades!

So...Dear Family of Satan!

I am very happy to announce to all of you, that we have a New Documentary for all of you to watch.

The real Story and Struggle of Satanic Grandmaster

Heinrich Himmler:

<https://www.youtube.com/watch?v=sA5kBEIaDQ4>

The Rise to Power of the Fuhrer, Adolf Hitler, the National Socialists and WW2 - all of it, in ONE documentary, without jewish filthy garbage, lies and propaganda that has been written by paranoid yids for centuries.

This is 4 hours long so prepare a lot of popcorn and fun.

This is also the medicine for all the "Christiandoomers" and other naive and uneducated ones still who believe the hebrew myth of a "Christian" 3rd Reich that was borne out of prayer to some jewish Rabbi or other excrement like this. The 3rd Reich was 666% Pagan, and all proof and evidence is within this documentary. Also, the savagery of the Jewish USSR is also arrayed in its Talmudic and Torah nature as well. This is what the USSR was. Jewish Biblical law implemented on reality.

With so many jewish lies, censorship, and endless slander, we can honestly say that after Satan, the Gods, and Adolf Hitler, Heinrich Himmler is literally one of the most defamed and misunderstood men in history. He was an extremely noble, spiritual natured person, and he was definitely one the Greatest Satanists of his century and in the whole history of the world.

This slander and outright paranoia of the Jews has also become "Law" in the literal hard sense of the word. To where now for instance my other Documentary (The Exit the Jewtrix) got nuked by "legal complaints" by actual and real persons and can therefore no longer be watched in Europe because it conflicts with "State Law". This was NOT a copyright infringement.

There is no question as to ((Who))) did this thing obviously. The documentary was amassing a steady of 100 viewers from all over the world since the day it was published. Many of them from America and Europe, but also from many other countries. As many of you know, the jews have been gradually turning State law into Talmudic law and a second Torah. Where you cannot speak your mind for any reason, especially on these 'touchy' subjects where the jews as self proclaimed gods of the planet must SOLELY talk on their own.

This Documentary is also no different, as unfortunately, it is blocked in France, Italy and Germany. I will see for a way around this. Those of you who are from these countries can find a method online to watch this. There are methods.

I worked hundreds of hours on this, editing, rendering, watching documentaries, piecing out the information into a great whole. I did this for all of you and to show the Satanic Grandmaster Himmler the honor he is endowed, while also dealing with the enemy propaganda.

Nothing else matters that people learning the TRUTH however. This is why these are made, and this is the higher purpose behind these, and also your enjoyment in having the ability to see something without a heap of jewish excrement, false jewish 'mortality', or lies.

ENJOY WATCHING, SPREAD LIKE WILDFIRE, DOWNLOAD, COMMENT AND GIVE FEEBACK!

The enemy has been pwned for once more.

HAIL SATAN!!!!

Trump Is A Jewish Puppet

Trump will be making sure the Jewish Globalist's Elites such as Soros and World Banking Judenpire, Goldman Sachs will be in key position within the American government. So nothing is changing you get a rightwing jewish establishment over a left one for a few years if Trump wins. The Jew Soros is the minion of the King of the Jews, Rothschild. Soros is behind the attempt to start a race war in America to create a Police State and the attempts to start a Communist Revolution again via the Protest Wall St. He is also a major hand in the invasion of Europe. He is a major arm of Zion.

Anti-Establishment' Trump Plans to Appoint Goldman Sachs and George Soros Insiders

By Claire Bernish of The Free Thought Project

Contrary to his anti-establishment stance — which supporters readily boast as a viable alternative to Hillary Clinton — Donald Trump's establishment roots run so deep, the billionaire real estate mogul plans to appoint a former Goldman Sachs partner and George Soros Fund manager as Secretary of the Treasury should he win the election.

Steve Mnuchin came on board Trump's campaign as finance chair in May, raising eyebrows of many who felt his 17-year history with Sachs — and affiliation with liberal globalist George Soros as an Investment Professional of Soros Fund Management — conflicted directly with the then-presumptive nominee's conservative stance and criticisms of establishment politicians.

"It is difficult to see how a second-generation Goldman Sachs partner would secure such a prominent position in an administration delivered by a populist wind," Compass Point analyst Isaac Boltansky told Politico of Trump's curious choice for Treasury Secretary.

According to Fox Business Network, Trump's confidence in winning the White House has fomented enough to begin picking Cabinet members, and besides the anomalous choice of Mnuchin for the Treasury, sources said he's considering New Jersey Governor Chris Christie for Attorney General and former New York City Mayor Rudy Giuliani for Homeland Security Secretary.

Trump has, of course, expended great efforts in criticizing opponent Hillary Clinton's deep ties to the banking and Wall Street elite; and prior to garnering the Republican nomination, extended that critique to competitor Ted Cruz, saying in one debate:

□"I know the guys at Goldman Sachs. They have total, total control over him. Just like they have total control over Hillary Clinton."

Zero Hedge noted when Trump hired the left-leaning hedge fund manager and financier as finance chair that Mnuchin had previously donated multiple times to various Democrats, including Barack Obama and none other than Hillary Clinton.

Further substantiating his establishing banking insider status — the precise profile Trump claims publicly to loathe — Mnuchin worked at Goldman Sachs for 17 years, headed OneWest Bank prior to its purchase by CIT Group in 2015, and now sits on CIT's board while also serving as chairman and chief executive of Dune Capital Management, a private investment firm with a focus on financing big-time Hollywood movies, like "Avatar."

If Mnuchin's Wall Street ties don't trouble Trump's supporters enough, the hedge fund manager's links to George Soros — an ardent Clinton fan — certainly will.

In fact, in terms of opposition, Soros has spent billions influencing global politics by inserting his brand of leftism wherever possible — and earlier this year even pledged, with others, some \$15 million specifically to mobilize Latinos and immigrants to defeat Donald Trump.

"Steven is a professional at the highest level with an extensive and very successful financial background," Trump said upon bringing Mnuchin into his campaign. "He brings unprecedented experience and expertise to a fundraising operation that will benefit the Republican Party and ultimately defeat Hillary Clinton."

Indeed, Trump's campaign, quoted by the Daily Caller, said Mnuchin "has previously worked with Mr. Trump in a business capacity and brings his expertise in finance to what will be an extremely successful fundraising operation for the Republican Party."

While business dealings certainly bring ordinarily clashing personalities into contact on occasion, these details about the relationship between Trump and Mnuchin evidence the former's links to the left.

Despite the nominee's many diatribes excoriating Hillary Clinton as out-of-touch with the American populace, Trump's own status as a billionaire belies both their decades-old friendship and striking similarities — particularly as darlings of the establishment.

Should you choose to vote on the 8th, it would be prudent to keep in mind blustery campaign rhetoric — from any politician — only constitutes so much hot air.

Spirit Cooking

Spirit cooking is not some hidden order it was already on Utube before this and was doing public shows. This is simply a jewish performance artist, Abramovich, being a jew in public. This "profession" is a jewish one and always full of jews. That jewess who paints in period blood, to that other jewess who shits in public as art. Spirit cooking is a modern art show with some spooky trappings for shock effect. Abramovich even wrote a book on herself she is not hiding from the public with this stuff. Get it now as to why Hitler and the National Socialist's banned this garbage and brought back spiritually healthy art.

As for the christards, they are getting a look into the soul of the chosen people they worship and ape. This is simply a modern art torah show [Old Testament]. Why are they bitching about the fake cannibalism and murder in this show. What do they celebrate as the core of their religion, again? Ritual murder of a jew on a cross then they ritualistically eat his flesh and drink his blood, as their most holy ritual. Ritual murder and cannibalism is the core of the Christian religion. Now you can go to a show and watch another jew celebrate the same.

The blood and sadism in Sprit Cooking how is that different from the Judeo-Xian religion? With its obsession on the blood of Christ being spilled and a person being saved by being washed in the blood of a ritualistic murdered man, the fetishism of his suffering and all this sadistic, death worshipping nonsense? That is the evil heart of the Judeo-Christian faith.

The Bible-Torah, is the original spirit cooking, cook book. This is just the jewish soul on display, its Judaism. Which is also xianity.

[Hillary is...A Jewish Tribal Witch...Practicing Judaism : JoyofSatan666](#)

As HP Don has already covered, this is to cover some more into this 'case' and in general.

This is to clear this with evidence over what is what...For those who still believe in the jewish memes about Satanism or Satan.

All the 'alleged' spiritual crimes of Hillary Clinton are nothing but in fact jewish magick, no different than the Rabbinic and Illuminati Rituals which all go to Christ (Yahshua, the God of the New World Order of the Jews). These are written in the grimoires of jewish spiritualists, and in all of over the bible as jewish occult in the Old Testament and elsewhere.

Hillary RODHAM Clinton (Jewish surname) is actually the name of the Jewess. She is a full blooded jewess most probably. Her daughter married a jew as this is a custom for jews who go undercover to deceive "Goyim", then re-marry back in the 'tribe'. As for the child molestation scandals with the common friend of theirs with "Trump", Mr 'Epstein' and his "lolita Island" where jews can go to indulge in pedophilia freely, this is again nothing else but Talmudic and Jewish Law implemented in how they live and behave:

From the Holy "Talmud" of the Jews, part of the Oral Torah, which is the basis upon which the Old

Testament was written...

Raba said. It means this: When a grown-up man has intercourse with a little girl it is nothing, for when the girl is less than this [three years old], it is as if one puts the finger into the eye; but when a small boy has intercourse with a grown-up woman he makes her as 'a girl who is injured by a piece of wood.'... -Sanhedrin 54b

They decreed in connection with a heathen child that it should cause defilement by seminal emission so that an Israelite child should not become accustomed to commit pederasty with him.... It is therefore to be concluded that a heathen girl [communicates defilement] from the age of three years and one day, for inasmuch as she is then capable of the sexual act she likewise defiles by a flux. This is obvious! -Avodah Zarah 36b-37a

Wait, there is more...

The Jewish Blood Sacrificing Couple of Hillary Clinton and her husband, Bill, crying to the wailing wall of the Jews for the coming of the Jewish Messiah. As Rabbi Kaduri the greatest Rabbi of the Jews has stated, his name is "YEHOSHUA" or "JESUS". Yes, the same idiotic non-existent thoughtform the masses are fooled to believe will 'save them'. While it openly states it's the Savior of the Jews. Well and hasn't it really been their savior...Just look where they are now due to this extreme lie.

And apparently, mass belief into this Hebrew lie has served the Jews really well indeed! Just LOOK where they are in your countries and societies now. Running to rule them, and rule your fates to drive them into creating a Jewish World Empire, also known by the Shills afraid of the term as "Globalism".

They practice nothing different but what their ancestors have practiced for centuries.

If people really looked into these texts, instead of just listening hear-say, they would see that in fact, all these "Rituals" are nothing but in fact Jewish Rituals, that have been going on for a long while in Israel and elsewhere. All these go to Jewish Angels, Jehova, Jesus, and the nefarious Hebraic company. This is the thing behind the blood libel of the Jews, which is a classic in Jewish thinking. All Abrahamic religions are blood sacrifice cults, and in wanting to blame this to Satan (like everything they are and do) they project this to Satan or Satanism. This is not, and was never the case.

This is no different than how all those who are responsible blame the innocents of what they are and do. This is a common, Jewish method.

AS for the "Spirit Cooking" "Abraam-ovich" Jewess, (notice the name is actually ABRAAM, the Jewish patriarch of the Jewish Race, she clearly has stated that she is...FAR FROM SATANISM. Of course, she is far from Satanism. She is doing Rabbinical magick and feces on camera, and nothing "Satanic" in anyway. This is nothing but a Jew that has made their tribal rituals in "Art" for the rest of the Jews down Jew York to "admire". Hillary Clinton is part of this, and more than likely takes part in the rituals of her tribe as well.

So where can we find instructions about...Rituals of the Jews like "Spirit Cooking"...Right in the Bible of Course:

(LEV 1:1) The LORD called to Moshe, and spoke to him out of the Tent of Meeting, saying,
(LEV 1:2) "Speak to the children of Yisra'el, and tell them, 'When anyone of you offers an offering

to the LORD, you shall offer your offering of the cattle, from the herd and from the flock.
(LEV 1:3) "If his offering is a burnt offering from the herd, he shall offer a male without blemish. He shall offer it at the door of the Tent of Meeting, that he may be accepted before the LORD.
(LEV 1:5) He shall kill the bull before the LORD. Aharon's sons, the kohanim {priests}, shall present the blood and sprinkle the blood around on the altar that is at the door of the Tent of Meeting.
(LEV 1:10) "If his offering is from the flock, from the sheep, or from the goats, for a burnt offering, he shall offer a male without blemish.
(LEV 1:11) He shall kill it on the north side of the altar before the LORD. Aharon's sons, the kohanim {priests}, shall sprinkle its blood around on the altar.

A picture of Marina Abraam-Ovich...And her applied art in regards to this...A murdered and skinned Goat, that HAPPENS TO BE ONE OF SATAN'S HOLY ANIMALS. THIS IS A STRAIGHT JEWISH OFFENCE OF THE MANY IN REGARDS TO SMEARING SATAN!!! Just look at this disgusting, ugly looking jewess, holding the head of Satan's animal, skinned, with BLONDE hair, as a totem of the victory of her "tribe" over our Pagan God Satan.

Blood Rituals are a jewish invention mainly, especially when it comes to jewish sacrifice of children and even toddlers or animals. Cats, for example were mass massacred in the middle ages, by "Christians" for belonging to the Devil.

Christians torturing "Devil Worshippers" and "Pagan Witches" in the Middle Ages, also known as "Inquisition". Butchery, slow torture, and bleeding deaths are what characterized the inquisition. Children were of course targeted as well. All this under the service of "God", who is none but Jesus. Of course, as Gentiles awakened during the centuries, the jews toned it down and created the "Good Christian vs Evil Jews meme":

Christians are the ones going to drink the 'flesh and blood' of jewsus every sunday, emulating Torah Ritual Sacrifice, in a watered down version for non-jews, or "Goyim" as the jews mention for those enslaved under their program of 'christianity'. The jews also desire Gentile children for these rituals, and they are in fact doing this for their own, Jewish "God" named as Jehova, whose son is the expected Messiah "Jesus".

So why is there christian pedophillia so rampant from the 'good guys' of the church...Well, because obviously, they follow Talmudic and Rabbinical law, and worship the same god, the same angels, the same Abrahamic Culture. Its all the same deal, the same clique, and the same propaganda machine. Playing the Goy from all sides.

Well, look with who they dine together after all...They seem really comfy and nice together, don't they. The billionaire bishop of the child molesting institution, and the two alleged child molesters sitting side by side, all under the Jewish Haven System that made them..."Jewsus Bless"!

They also together and in deep reverence pray to Jesus by the way...

Here is George Bush, holding the 'Divine Talmud'. Yes, the one that claimed that "GOD" of the jews and Christ has appointed him leader of America. To destroy it as nobody else has done before. Bush was a well known, devout Christian, always mentioning himself as a "Born Again Christian". Which is a fact, since Judaism is nothing but Christianity, although Christianity is watered down for massive Gentile consumption. That book he holds and he does revere so highly, has quotes in it such as the following:

Kill the Goyim by any means possible. -Choshen Ha'mishpat 425:50

He made state law exactly based on this book. The list is endless.

Here is Bnai Barry, also known as "Barack Obama" (Barack Obama is a JEWISH name, Barack means THUNDER from the jewish word "Birkat" or "Barakat", O'bama means something topological, "Heaven")

As the Jews state, "Satan" or the one known as "Satan", is actually "HA-SATAN" in Hebrew, which means ADVERSARY. This being is their adversary, and is also the adversary of their Messiah, "JESUS" and their father "Jehova". This is their mortal enemy, whose name they don't even want to pronounce. Of course, for confusion reasons, they try to pass it by that their practices are somehow "Satanic" to the gullible Goyim who don't do their studying, but in fact, all they do is nothing less than hebrew magick, and kabbalistic spells, all which call upon Jehova, or even Christ, or some other nefarious angel of the Angelic Hebrew Host. These are the beings xians worship in Churches.

What do Jews have to state about "Jesus Christ", aside from the memes they have created to control people through Hegelian Dialectic of memes such as "Christianity Vs Evil Jews"?

[http://www.hebrew4christians.com/Gramma ... f/kaf.html](http://www.hebrew4christians.com/Gramma...f/kaf.html)

The Lord Jesus is the One who possesses all the crowns of Israel and the Church. As Melekh HaYehudim He wears the Crown of the Kingdom; as Kohen HaGadol He wears the Crown of the Priesthood, as Devar Elohim He wears the Crown of Torah; as Ben Elyon He wears the Crown of the Good Name; as Sar HaChayim He wears the Crown of Life; as the Tzaddik after the order of Melkhi-Tzedek, He wears the Crown of Righteousness, as HaRo'eh HaTov, He wears the Incorruptible Crown, as Adon HaKavod He wears the Crown of Glory, and so on. Indeed, crown Him with many crowns!

- *Keter HaTzedakah - the crown of righteousness (2 Tim. 4:8), given to those who anticipate the coming of our Lord by living righteous lives before Him.*
- *Keter Olam - An incorruptible crown (1 Cor. 9:25), a picture of eternal life (chayei olam).*
- *Keter HaTiferet - the crown of glory (1 Peter 5:4), given to those who faithfully shepherd God's people.*
- *Keter HaKotzim - Crown of thorns (Matt 27:29, Mark 15:17, John 19:5). This is the crown that only Yeshua is worthy to wear as our great High Priest who offered Himself up for our sins.*

Sorry "Goyim" or deceived ones, but Hillary, Jews and your Church are all Jewish Tools of the same jewish coin.

Rabbi Jesus is a fictitious creation based on Pagan Myths predating him by thousands of years, belongs to the Jews, and is the king of the Jews in all his jewish "Glory". This is who the jews love, respect and expect to return, but of course publicly may claim otherwise to confuse all of you half "anti-semites" to go in church and become their slave, build their Israel with your money, brainwash yourself with their prophecies, channel your life into service of the jews without knowing it, and sustaining this hoax that keeps all Gentiles enslaved and as thus, totally INCAPABLE of revolting or reacting against the jews.

What are you going to do now? Join real Satanism and the spiritual Resistance of the untainted Heathens and Pagans, who don't use any jewish gimmick for their spirituality, OR go in the feet of Rabbi Jesus and cry to be absolved from the jews and their parlor tricks. Well, knowing the TRUTH now, do you think that he will listen..? He has his own children to tend to. His beloved Jews, and he has prayers to listen to, such as the prayers of the Jewish Tribal Witch Hillary. Maybe the jewish

Brother Nathanael will help you out in staying another day in the Jewtrix and under half, or total jewish control?

This would not be the first time the jews have pushed America into Civil War...

Thus Bismarck, who knew the game of the Jews, spoke in 1876, [*] According to Bismarck the awful Civil War in America was fomented by a Jewish Conspiracy...**

topic581.html

The Jews manifest the Civil War in America President Lincoln appeals to large New York based banks for loans for the war (Rothschild and the Jewish Banker mafia are behind many of and have influence over these banks) the criminal deal they make him is 24% to 36% on all monies loaned. Another attempt to regain control over American people by debt. Lincoln angry and not stupid simply prints his own debt free money instead outwitting the Jews. Lincoln states of this fact "We gave the people of this republic the greatest blessing they ever had, their own paper money to pay their own debts."

In 1863 Lincoln discover the Tsar of Russia Alexander the II' is having identical problems with the Jewish banks mainly the Rothschilds and was also resisting their attempts to create a Central bank in Russia. The Tsar then comes to the aid of Lincoln by ordering that if England and or France (both under the domination of Rothschild/Jewish banker families) actively came to the aid of the South he would consider this an act of open war. And take up arms on the side of President Lincoln. The Tsar then orders a major part of his Pacific fleet to San Francisco and New York.

In 1865 President Lincoln states: "I have two great enemies the Southern Army in the front of me, and the financial institutions in the rear. Of the two, the one in the rear is my greatest foe." In the same year on April 14, Lincoln is assassinated by Jew John Wilks Booth:

"John Booth, a Jewish silversmith whose ancestors had been exiled from Portugal because of their radical political views. In London the refugees had continued their trade and free thinking, and John had married Wilkes' cousin. This Wilkes was the 'celebrated agitator John Wilkes of Westminster, London...John Wilkes Booth's father was Junius Brutus Booth." (The Mad Booths of Maryland)

Major General. Count Cherep Spiridovich showed just how it was the Jewish bankers created the Civil War, why they opposed Lincoln:

"To pay the soldiers the Government issued its Treasury notes, authorized by act of Congress, July 17, 1861, for \$50,000,000, bearing no interest. These notes circulated at par with gold. The Rothachilds' agents inspired the American banks to offer to Lincoln a loan of \$150 million. But before they had taken much of the loan, the banks broke down and suspended specie payments in Dec. 1861. They wished to blackmail Lincoln and demanded the 'shaving' of government paper to the extent of 33%, an extortion which was refused. A bill drafted for the Government issue of \$150 million, which should be full legal tender for every debt in the United States, passed the House of Representatives Feb. 25, 1862, and was hailed with delight by the entire country. But the Wall Street bankers were furious.

Sen. Pettigrew reprints the so called 'Hazard Circular' sent in 1862 by the Bank of England (ruled by the Rothschilds):

Bismarck knew the truth and revealed it in 1876 to a German, Conrad Siem, who published it ('La Vieille France,' N-216, March, 1921). Bismarck said:

'The division of the United States into two federations of equal force was decided long before the Civil War by the High Financial Power of Europe. These bankers were afraid that the United States, if they remained in one block and as one nation, would attain economical and financial independence, which would upset their financial domination over the World. The voice of the Rothschilds predominated. They foresaw tremendous booty if they could substitute two feeble

democracies, indebted to the Jewish financiers, to the vigorous Republic, confident and self-providing. Therefore, they started their emissaries in order to exploit the question of slavery and thus to dig an abyss between the two parts of the Republic. Lincoln never suspected these underground machinations. He was anti-Slaverist, and he was elected as such, But his character prevented him from being the man of one party. When he had affairs in his hands, he perceived that these sinister financiers of Europe, the Rothschilds, wished to make him the executor of their designs. They made the rupture between the North and the South imminent! The masters of Finance in Europe made this rupture definitive in order to exploit it to the utmost. Lincoln's personality surprised them. His candidature did not trouble them: they thought to easily dupe the candidate woodcutter. But Lincoln read their plots and soon understood, that the South was not the worst foe, but the Jew financiers. He did not confide his apprehensions; he watched the gestures of the Hidden Hand; he did not wish to expose publicly the questions which would disconcert the ignorant masses. He decided to eliminate the International bankers, by establishing a system of Loans, allowing the States to borrow directly from the people without intermediary. He did not study financial questions, but his robust good sense revealed to him, that the source of any wealth resides in the work and economy of the nation. He opposed emissions through the International financiers. He obtained from Congress the right to borrow from the people by selling to it the 'bonds' of States. The local banks were only too glad to help such a system. And the Government and the nation escaped the plots of the foreign financiers. They understood at once, that the United States would escape their grip. The death of Lincoln was resolved upon. Nothing is easier than to find a fanatic to strike.'

'The death of Lincoln, was a disaster for Christendom. There was no man in the United States great enough to wear his boots. And Israel went anew to grab the riches of the World. I fear that Jewish Banks with their craftiness and tortuous tricks will entirely control the exuberant riches of America, and use it to systematically corrupt modern civilization. The Jew will not hesitate to plunge the whole of Christendom into wars and chaos, in order that 'the earth should become the inheritance of Israel.'

Thus Bismarck, who knew the game of the Jews, spoke in 1876, [***] According to Bismarck the awful Civil War in America was fomented by a Jewish Conspiracy, and Abraham Lincoln, the hero, and national Saint of the United States, was killed by the same Hidden Hand, which killed six Romanov Czars, ten Kings and scores of Ministers only to easier bleed their nations. [***] Lincoln was reinaugurated on March 4, 1865 and was shot on April 4th, 1865 by an actor Wilkes Booth, who cried: 'The South is revenged.' He was a Jew, but this has never been mentioned!"Maj.-Gen., Count Cherep-Spiridovich, The Secret World Government, Or, "The Hidden Hand": the Unrevealed in History: 100 Historical "Mysteries" Explained, The Anti-Bolshevist Publishing Association, New York, (1926), pp. 177-178, 180-181, 183.[1]

Subject: Sermon: 7/November 2016

For those of you who are still experiencing any doubts and confusion, it is very important that you work on opening your third eye.

There is a very strong reason the Judeo/Christian bible warns and threatens against this. The third eye of the soul is where we can discern truths from lies. When fully open, we can see what is the truth and what are lies, so it is no wonder the enemy wants our third eyes to remain sealed.

This also factors into how completely oblivious to one's actions are and how they affect others. Take a Muslim for example. The Muslim is capable of anything... No matter how depraved, no matter how rotten, totally brutal and degenerate. He/she cannot 'see' and is unaware.

The enemy psychology, as with their communism, is to blame the victim. This is a common and most sickening theme. "You're responsible" "you choose" "your choice" and so forth. New Agers, who push blatant injustice, the phoney "3-fold" crap, the turn the other cheek mentality and their twisted, corrupted explanations of "karma" are stupid fools.

In other words, whatever appalling and grave injustice the Jewish-controlled system heaps upon the populace, whatever certain other assholes have done to you throughout your life, and so forth, they tell you, that YOU are responsible.

What is on one's soul and sufferings in succeeding lives, is NOT in most cases "one's choice." This also includes domesticated animals. Myself and HP Hooded Cobra know this from experience. Together, we worked and healed and set an innocent soul free.

Just know the current Jewish psychology of blaming the victim for everything is another fraud to destroy humanity. Blaming one for something out of his/her control is absolutely rotten, and induces low self-esteem, depression and other serious psychological problems. Then the Jew profits by pushing antidepressants. This is no different from the endless pharmaceutical ads and TV commercials that are not only subliminal, but keep repeating certain phrases like "ask your doctor" "call your doctor" along with a grizzly detailed description of the often lethal side effects if one takes the drug.

Given 96 percent of the media is controlled by Jews, most if not all of those New Age books are authored by Jews. The name is irrelevant. The Jew can use pen names, even going so far as using exclusively Gentile names such as "Murphy" "McDonald" and so forth.

They do this often. They change their names so the average person who is not onto them, thinks they are the same. In truth as most people know here, Jews are a totally alien race and soul.

In addition to controlling 96 percent of the media, they also own nearly everything of importance. Many people are homeless and/or living in substandard living conditions, as Jews have an 'inside' with property, no different from their stock trading, to where they buy up property, houses, land, etc, dirt cheap and then charge exorbitant rent, or sell at many times the price they originally paid for it.

This is nothing new and has been going on for centuries. This is one major reason the Third Reich prohibited them from owning any property.

Only through Satan can the enemy be defeated.

After doing the preliminary opening of the third eye meditation, you should wait about a week. Afterwards, you can work in your sixth chakra and third eye as often as you wish. Below is a link for various meditations:

http://www.angelfire.com/empire/serpentis666/6th_Chakra_Meditation.html

Satan is truly wonderful, as is Lilith and our other Gods. They genuinely care. I am so grateful I found Satan many years ago. He has always been such a helpful and most positive influence in my life, beyond words. And when I say Satan with this, I also include Lilith and the many Gods who have worked with me.

Satan's miracles go way beyond the material. Most people, because of enemy propaganda, are deluded into believing Satan is just supposed to be the material.

Satan blesses us with so many spiritual gifts and also spiritual experiences, that those who are without cannot comprehend.

Recently, Satan and Lilith blessed me with a spiritual miracle, to where I am beyond words. I've been working for Satan and have been lucky to have a close relationship with him and our Gods for over 16 years. They have been absolutely wonderful in so many different ways.

Hail Satan!! Hail Lilith!!

Hail all our Gods!!

[Trump has Won the Popular Vote, Now Clock's Ticking : JoyofSatan666](#)

Greetings to all our People and Satanic Comrades.

As it seems from the results, we have been right, and HP Don's forecast was accurate, Trump has won the elections, or at least the popular vote and many of the states.

Now, our interest lies not in which puppet has won, but what we can do with this puppet, and what does a puppet represent to us and in general. We are above all, Satanists, and above anything else; so those who do not feel that way, they should better think about it. Satanism is in the Soul, where everything else falls subservient. This is a point to keep in mind, because if you are a child or son/daughter of Satan, this is a reality everyone has to accept. The Gods love us and we owe them to take care of situations that are threatening to our species.

Behind Hillary, there were marching hordes of 'immigrunt lovers', people who basically want the USA to go to shreds by promoting illegals (as such complete destruction of Law), complete abolishment of borders, jewish media, and the list goes endless. All the jewish rot and cancer has been rallying behind her, and of course, behind Hillary are the ideas of ruling cuckoldry, justification of wars in Iraq and elsewhere, the list goes endless.

Hillary was also a pedophile that conducted full blown rituals to Jehova, her tribal 'god', with the greasy kike "Abraamovich" which happens to have the same name as Jewcy Putin's right hand con-man. With this grease-bag in the 'presidency', it would be harder for us to influence things. Hillary is a full blown Jewess, and an old rat in the supposed 'establishment'. She would not deviate not even by mistake from the teachings and the art of "Gregory Swartz", also known as George Soros...She has been trained for that job of communizing for decades...

She is the spiritual daughter of Gregory Swartz, who claimed he is "GOD" lately in the news as well. Expressing the same rotten opinion all the 'chosenites' harbor about themselves anyway. Very intelligent, kike Soros, proves us right in how the pathetic and insane alien jews literally think you are all their cattle, want to own you as such, and want to turn everyone into a 'one race' mixed monkey-oid humanity in order to rule easily.

Now on the other side of the fake game, from all points of view, we are to profit from Jewcy Trump. This is not an argument of who is more or less jewcy, as both are jewcy to the bone in

different ways. As the Rabbinical law believes, those who are more mixed are more prominent both to "mistakes", and both to 'foreign influences'. Our Rituals and our RTR's have been ripping the enemy apart. The complete unveiling of the jewish criminal 'media', to their supposed 'poll tracking' and the rest of the garbage has been exposed really badly. Same as what is going on behind the scenes in many ways, such as rigging elections, and the list goes.

People have completely lost their trust, and this reverberates in all of Europe as well, where the systematic attempt in turning us Whites into sissified, forced immigrunt marrying mudslime identity-less hordes is taking place. This supposed victory of 'Trump', this is a step in the right direction to an extent and shows resistance in the popular mind. The jews cannot turn us into identity-less, multicultural borgs yet, and then feed us to their alien friends. People are resisting, in an unconscious and even conscious way.

Satan bless our RTR's, things escalated a lot in this are without much jewish control, or through jewish mistakes that were fatal.

What is behind the puppet Trump situation lies pretty clear: people are tired of forced immigration, 'muh feels, we wuz kang's', 'i'ma cam in ur country and kill u and steal ur wife' and all the rest of the garbage and excrement the jews push relentlessly. Bnai Barry or Jew-bama, the infiltrator Mudslime racial Jew, ruined America pretty much. And gave rise to all of these ideas who want to wipe Whites out.

He is also a beacon of hope to all of the Mudslime hoards and the "u can do anyffin cuz muh dick's" who literally come in Europe and rape baby children in the name of Allah, or drug White women in order to impregnate them for a fast one, or just beat them senseless to death even if they are grandmas for not wanting to be raped by the chosen of Allah. The situation has grew out of hand, and on top of this the jewish media does not show even 5% of it. After all, the hordes must be protected, as these people mimic the jews and their Chosenism, albeit on a lower level, and exactly as taught by the jews.

This is chaos, and chaos must be brought into an end. Bnai Barry has been a systematic propaganda for the uprising of Mudslimes, and those of his likes, and nothing more. Other than that he was a wrecked of American civilization.

Whites don't want garbage and criminals anymore, forced intermarriage, immigration, and 'muh racism so gimme ur house and land' anymore. No Gentile who is worthwhile wants this JEWISH extremism of the jews channeled in our society anymore.

The jews have been revealed to be turning their wheels.

We must always remember, that jews are behind and do reinforce all these incidents, and not "Gentiles" on their own. Most Gentiles are OK in their brains and not mortally psychotic criminals who want to enslave others. As for their foot soldiers, black, white, asians, and all races alike, they will meet the fate of their masters, no compensation required for them. They are all the same jews and shabbos. Normally however, Gentiles just fall victims to their jewish brainwashers and agitators. This will also change by our RTR's as people will wake up.

Behind this 'Trump' incident have also rallied all the anti-semites of the planet, to a more major or less major extent. Now, this doesn't mean anything for Shabbos Trump, but it means a lot of things for us who try to get the Truth on the enemy out. We are very far from winning this struggle, and those who think that jewsus or some jewcy greasebag or slave of these, is going to save us, should just lobotomize themselves.

The jews have pulled this stunt many times, what changes now though, is our historic spiritual resistance, which did not exist ever before. As such their stunts will turn into a further disaster.

SAVE-PRINT- KEEP SAFE- AND SPAM THE RTR's that have been instructed in the schedule. [We are going to co-ordinate with a new program as well].

All worthwhile people on the planet should be disgusted by this systematic jewish agenda to wipe us all out and enslave us into a massive, multiracial, rootless jewish communist dictatorship. This is PURE EVIL and the essence of destroying Nature's work upon all the beautiful Gentile Races. Whites ARE waking up, same as many other Gentiles who are sensible and intelligent and at our side. They are angry and disgusted by this attempt to be turned into hordes, and what the jews have done to their people who after all were innocent. This has been ongoing for thousands of years.

Even in the jewish bible it is admitted that one day all the Nations of the World will raise against the jews. According to the skrawny jews that wrote this excrement, Humanity will die out of this insolence. But isn't this the same book that says if you don't kiss jewish ass you are going to die...Well, everyone who is against them is very well in their spot, and the jews are losing and will just keep losing. The 'flawless' years are over for them.

Satan will spiritually destroy them. On the antipode of the prophecy of the jews, we have the more Ancient, Pagan Prophecies of our Ancestors. The light will defeat the darkness, and the imposter 'kings' and 'rulers' and their hoaxes will be destroyed. Satan is the Author of these prophecies, and they will materialize in the inevitable destruction of the jewish spirit in all levels.

On a more physical level, these things manifesting are positive news that show that all of us are standing a chance against the Jew, who seemed to possess omnipotent power in all our Nations and States, minds etc. The poison is slowly being extracted, and when people heal, the enemy will reap what they sowed.

Consider the vote of Trump of a measure of around 20% of populist awakening. Trump is the last gamble of the jews in power, and look that they were forced to put a seemingly "White" person in order to be able to grasp power. This means we are in the first stages of awakening of the White people. Make no question, the jews will be at the White House again, what is only different is not in the government, but in the will of the people. The jew albeit their dreams of microchipped, multiracial, zombified cattle to rule of all of us, is failing.

Their exposal has been the worst. Also, people are figuring out the largest hoax on our history, which is (((Christianity))) and the more people detach from this spiritual, moral and ethical slavery of xianity, civilization can and will be saved.

It seems we are moving on the right direction, and by abolishing any retarded thinking that wants anything to happen on its own, one can see a few things that are self evident.

First of all, Trump may attempt swinging in the opposite direction of what he was elected to do. In that sense, be even worse than Hillary, or at least engage in shady behavior behind scenes to further the jewish Agenda. Now that the enemy is well disorganized and had their heap of attacks, they will be forced to part in sides, let alone the major populace really hates them and if Trump becomes another Bush, the masses will not tolerate it, as they have built a very close tie with "Trump" being a savior.

The jews thanks to our RTR's are on a lockdown situation. On one hand their favored shill and blood cousin, Hillary the child molestor, failed the "Hawly Talmud" and went down despite of the closely billions focused on her. Total disaster and financial loss for the enemy as well.

On the other hand, the jews are again in lockdown, because their philo-jewish Trump, who is no question fed from their jewish mother's tit, has the issue of the masses being extremely agitated to the jews, rejecting of their policies etc. They will more than likely be forced, at least to an extent, to

act 'good' towards the people. If they don't, which understanding jewish nature, they cannot by definition, the people will become even more enraged, and down the years things will hit the fan so violently, that their Virtual Reality, Sissification Blackz-ization Immigrunt-ification xian cuck-ization agenda will go down the drain by blood and destruction.

Even the (((Muslim))) Jew Bama, Bnai Barry and his disgusting wifey were all campaigning of Hillary, same as the JEWISH media, jewish means of propaganda, and even hollywood and anything else. All the money was on Hillary. Trump was the second, and dangerous solution for the jews, and this is what happened. While the chances of foiling the jews on Hillary would be zero, now at least there are chances. Our RTR's will make sure the Roulette will turn on our direction, and we will win 1/36, by the grace of 666. Trump is left with few choices but to act in the direction to he has 'promised' at least to an extent. If Trump turns into what Hillary was afraid to become, he will also get ripped off equally as bad.

Now Trumps chart and the person in general is very open to our influences. Make sure to save the RTR's, and be ready for anything, as with what we have achieved now,

We have altered history of mankind with our RTR's, to where Gentile people who are worthwhile are now waking up and going to the right direction. The RTR's are in control, and may Satan BLESS our RTR's to success.

Do not forget however, the jews are still in control. They are still in Google, trying to snatch all the knowledge of your life, still on facebook, still everywhere.

WE WILL NOT TOLERATE THIS. HALFLINGS, QUARTERLINGS AND ANYTHING MUST BE OBLITERATED, SAME AS SHABBOS UNDER THEIR RULERSHIP. We Satanists are perfectionists and we don't want people with interfering with the affairs of the planet of Satan, who is the original Father of Mankind. They are still in extreme control at the top, and as Asmodeus said two things will happen:

1. 'The enemy will manifest blantly as we reach the Climax of our cause' (Just see what the jews have been trying to pull in our home, the JoS, or even down the media etc)
2. 'Their rule is but a season. Short will be the Tyranny Over US' (Asmodeus in regards to the destruction of the enemy rule on the planet by the enemy aliens and ilk)

And to fill in with a third quote "ISRAEL WILL GET WHAT SHE DESERVES" -Satan, on the inevitable destruction of Israel and all it represents.

So to close this message, this breath of 'hope' and the fruit of our work should just motivate us to work even harder, with even more ruthlessness, and with even more extreme devotion to Satan and the Powers of Hell, to completely overthrow this jewish system that wants to turn humanity back into the Middle Ages, Orwellian style.

Satan's Will will dominate, whether the jews want it or not.

Did they hear that?

The the Clock's ticking, Jews.

[Trump has Won the Popular Vote, Now Clock's Ticking : JoyofSatan666](#)

Greetings to all our People and Satanic Comrades.

As it seems from the results, we have been right, and HP Don's forecast was accurate, Trump has won the elections, or at least the popular vote and many of the states.

Now, our interest lies not in which puppet has won, but what we can do with this puppet, and what does a puppet represent to us and in general. We are above all, Satanists, and above anything else; so those who do not feel that way, they should better think about it. Satanism is in the Soul, where everything else falls subservient. This is a point to keep in mind, because if you are a child or son/daughter of Satan, this is a reality everyone has to accept. The Gods love us and we owe them to take care of situations that are threatening to our species.

Behind Hillary, there were marching hordes of 'immigrunt lovers', people who basically want the USA to go to shreds by promoting illegals (as such complete destruction of Law), complete abolishment of borders, jewish media, and the list goes endless. All the jewish rot and cancer has been rallying behind her, and of course, behind Hillary are the ideas of ruling cuckoldry, justification of wars in Iraq and elsewhere, the list goes endless.

Hillary was also a pedophile that conducted full blown rituals to Jehova, her tribal 'god', with the greasy kike "Abraamovich" which happens to have the same name as Jewcy Putin's right hand con-man. Satan And Lilith

In ancient Sumerian and Egyptian we see the meaning of these names:

Lilith is from the Sumerian term LÍL-TI, which means "spirit of life".

genie serpent [my note Genie means Jin the Jin guard and nurture the world tree the soul, the Yezidi's call themselves the Children of the Jin, genie serpent is the energy of the soul]

supreme chieftain of the Annuna; hence "God"

Subject: Satanism and Holidays

This is for new people here. We Satanists DO celebrate the Yule Season. Xmas is NOT a Christian holiday. Xmas is PAGAN. If you doubt this, pull up some Jehovah's witnesses websites.

The Jehovah's witnesses and some other Christian sects know Xmas, Easter, one's birthday, etc, are Pagan holidays and do not celebrate them. They know it is all Pagan, except they are deluded as to that stupid Nazarene. The Nazarene was also stolen and corrupted from a Pagan CONCEPT, made into a fictitious Jewish character for Gentiles to slavishly worship.

Pagan holidays are meant to be joyful times of intense celebration and indulgence. That thoroughly rotten Nazarene has NO place in any of our Pagan Holidays and the only purpose of that goddamned thing is to draw off even more energy, so the Jews can reap even more profits in our Yule Season.

The Yule Season

The Yule season is a season of enjoyment, indulgence and feasting.

Cooking, Baking, Gift giving, Decorating,
Building snowmen and winter sports in places where there is snow
Tree decorating
Partying
Santa Claus for the kids
Shopping and more.

The Nazarene as you can see has no place in the Yule season. December 25th is actually the Persian deity Mithra's birthday, for one. The Yule was stolen from the Pagans and incorporated into the Christian religion as Xmas. Pagan peoples were celebrating the Yule long before the false program of Christianity forced itself onto the scene. We need to take back our holiday!!

Celebrate and Indulge!!

HAIL SATAN!!

The Yule holidays for Satanists are times of indulgence and taking pleasure in the physical and material aspects of life. Actually, Xmas trees and wreaths are Pagan in origin, so there is no reason not to celebrate this holiday with our families with gift giving, baking, and decorating. This is what the TRUE Yule season is about, not that filthy worthless Nazarene.

Subject: Veteran's Day

Veteran's Day

This is an answer to a thread that I gave on the subject:

There is really nothing to celebrate. When I think about my family members some who never came back as in the case of the Great War. What did they fight for? The first war was started by Imperialist, Zionist Banking interests as working to together and one backstabbing the other for the agenda of creating a jewish, world communist dictatorship. And we have been suffering ever since from the events it unrolled. I am sure if all the lost soldiers of the Great War could come back and tell us something it would be..... Don't get fooled by the jews into another war again.

Since Veteran's Day is a cult of jewish propaganda, mainly to cover over jewish crimes of starting these wars and for what reasons.....

World War 2 was Zionist interests pushing the world into war so they could use it to build a world communist dictatorship. Which almost gave us WW3. Hitler did everything humanly possible to avoid a war and have peace. He knew what war was like from having fought as front line soldier in the last one. But Germany was attacked by Jewry from their Empires of America, Britain and the USSR. Poland declared war on Germany first by violently attacking the German population in the region they had conducted an illegal military occupation of since the end of the first war. On orders from Churchill and the American Secretary of State, Bacon. In promise of starting a war with Germany. England and France would then declare war and attack Germany from two fronts and Poland would get more of Germany. Of course the Polish government never looked east to the massive military build up along their eastern boarder from the USSR. And seemed to have forgot the last time they were invaded by the Red Army. Hitler offered them peace numerous times. Stalin's plan like fellow jewish masters was to get the west to bleed themselves out so the Red Army would have less opposition. To their coming invasion. Which would be the second time the Red Army invaded into Europe with the goal of taking the whole continent. The jew Lenin who the jewish global bankers, Warburg's got into power. Stated in 1918 there would have to be a second world war to finish the aim of creating a jewish globalist dictatorship of communism and he order the Red Army to invade all of Europe in 1920 to start such.

To be honest the only people to celebrate is those who fought against the USSR in Jew War two. As they were legitimately fighting for a holy cause. Being forced to attack Stalin's world army before Stalin could invade the rest of Europe which Stalin's date for was July of 1941. This event destroyed the USSR and halted the major thrust of the jews plans. Stalin had been the one invading numerous other nations before this date in aggressive wars. To open up the channels for the major invasion coming in 41. Were Hitler's invasions were defense attacks on those who had already declared war on Germany first.

Soros goes on to say that as the crisis in the Eurozone only worsens, **the American financial system will continue to be hit hard. On the way to a full-blown collapse, he cautions, Americans should expect society to alter accordingly. Riots will hit the streets, says Soros, and as a result, "It will be an excuse for cracking down and using strong-arm tactics to maintain law and order, which, carried to an extreme, could bring about a repressive political system, a society where individual liberty is much more constrained, which would be a break with the tradition of the United States."**

Billionaire Globalist Soros Exposed as Hidden Hand Behind Trump Protests — Provoking US 'Color Revolution

[http://thefreethoughtproject.com/soros- ... evolution/](http://thefreethoughtproject.com/soros-... evolution/)

Washington, D.C. – Billionaire globalist financier George Soros' MoveOn.org has been revealed to be a driving force behind the organizing of nationwide protests against the election of Donald Trump — exposing the protests to largely be an organized, top-down operation — and not an organic movement of concerned Americans taking to the streets as reported by the mainstream media.

Wednesday saw protests in the streets of at least 10 major U.S. cities. Chicago, New York, Los Angeles, Philadelphia, Boston, Washington, D.C., Portland, Ore., St. Paul, Minn., Seattle, and several other cities saw protests, according to USA Today.

In light of the protests and rioting that have transpired since the election of Trump, a closer analysis of the dynamic at play is warranted to gauge whether it's an organic grassroots movement,

or something much more organized, sophisticated and potentially dangerous.

Soros' affiliated organization MoveOn.org released the following press release yesterday afternoon:

This is not the first time the Jews have created Civil War in America:

Bismarck knew the truth and revealed it in 1876 to a German, Conrad Siem, who published it ('La Vieille France,' N-216, March, 1921). Bismarck said:

'The division of the United States into two federations of equal force was decided long before the Civil War by the High Financial Power of Europe. These bankers were afraid that the United States, if they remained in one block and as one nation, would attain economical and financial independence, which would upset their financial domination over the World. The voice of the Rothschilds predominated. They foresaw tremendous booty if they could substitute two feeble democracies, indebted to the Jewish financiers, to the vigorous Republic, confident and self-providing. Therefore, they started their emissaries in order to exploit the question of slavery and thus to dig an abyss between the two parts of the Republic. Lincoln never suspected these underground machinations. He was anti-Slaverist, and he was elected as such, But his character prevented him from being the man of one party. When he had affairs in his hands, he perceived that these sinister financiers of Europe, the Rothschilds, wished to make him the executor of their designs. They made the rupture between the North and the South imminent! The masters of Finance in Europe made this rupture definitive in order to exploit it to the utmost. Lincoln's personality surprised them. His candidature did not trouble them: they thought to easily dupe the candidate woodcutter. But Lincoln read their plots and soon understood, that the South was not the worst foe, but the Jew financiers. He did not confide his apprehensions; he watched the gestures of the Hidden Hand; he did not wish to expose publicly the questions which would disconcert the ignorant masses. He decided to eliminate the International bankers, by establishing a system of Loans, allowing the States to borrow directly from the people without intermediary. He did not study financial questions, but his robust good sense revealed to him, that the source of any wealth resides in the work and economy of the nation. He opposed emissions through the International financiers. He obtained from Congress the right to borrow from the people by selling to it the 'bonds' of States. The local banks were only too glad to help such a system. And the Government and the nation escaped the plots of the foreign financiers. They understood at once, that the United States would escape their grip. The death of Lincoln was resolved upon. Nothing is easier than to find a fanatic to strike.'

'The death of Lincoln, was a disaster for Christendom. There was no man in the United States great enough to wear his boots. And Israel went anew to grab the riches of the World. I fear that Jewish Banks with their craftiness and tortuous tricks will entirely control the exuberant riches of America, and use it to systematically corrupt modern civilization. The Jew will not hesitate to plunge the whole of Christendom into wars and chaos, in order that 'the earth should become the inheritance of Israel.'

Thus Bismarck, who knew the game of the Jews, spoke in 1876, [***] According to Bismarck the awful Civil War in America was fomented by a Jewish Conspiracy, and Abraham Lincoln, the hero, and national Saint of the United States, was killed by the same Hidden Hand, which killed six Romanov Czars, ten Kings and scores of Ministers only to easier bleed their nations. [***] Lincoln was reinaugurated on March 4, 1865 and was shot on April 4th, 1865 by an actor Wilkes Booth,

who cried: 'The South is revenged.' He was a Jew, but this has never been mentioned!"Maj.-Gen., Count Cherep-Spiridovich, The Secret World Government, Or, "The Hidden Hand": the Unrevealed in History: 100 Historical "Mysteries" Explained, The Anti-Bolshevist Publishing Association, New York, (1926), pp. 177-178, 180-181, 183.[1]

Subject: Ritual to Incite White Awareness

This was Posted by HPS Maxine Dietrich. All White Satanists need to do it!

EVERYONE, SAVE YOUR PEOPLE FROM THE JEWISH MENACE! WE HAVE HAD ENOUGH!!!

For people who are Black there is ALSO an ongoing Ritual: Here is the link.

[http://www.angefire.com/wizard/pixie66 ... Ritual.pdf](http://www.angefire.com/wizard/pixie66...Ritual.pdf)

—
You can begin this ritual at any time, preferably immediately. This ritual can be done as many times as you wish. The more the better.

13-14/November/2016, the Full Moon is in an extremely powerful aspect. This will continue for the next 2-3 days.

Ritual to Incite White Awareness and Action

Either write or carve the following Runes:

Óðal Sól Óss

The Runes can be carved into wood, or written on paper. If you carve the Runes, vibrate each Rune while you are carving it.

To increase the power of the Runes, when performing this ritual for the first time, you can stain them with your blood. Given the dire situation of our race, this ritual needs all the power we can give it. If staining in blood, this should only be done one time. You should be continuously vibrating the name of the Rune when staining it.

There are different ways of vibrating the Runes. Feel free to use whatever suits you. The combinations of everyone performing the ritual will come together in power.

To repeat this ritual, just focus on your carved or written Runes and vibrate them as follows below. Your Rune board or paper should be securely stored in a safe place and only taken out when performing this ritual.

THE RITUAL

Raise your energies. [See link below], and recite the following prayer:

In The Name of Satan, we call forth the Powers of Hell, the Original, and True Gods of the White Race to come forth and manifest themselves. Satan, True God, Almighty and Ineffable, Who hast Fathered the White Aryan Race that reflects in Thine own image and likeness, we ask you to bestow your powers upon us.

Awaken all of our White Aryan People to the Jewish menace that works to destroy us. Incite our White Aryan People into action. Instill our White Aryan Ancestral Pride. Awaken our White Aryan Brothers and Sisters to the Menace of Christianity, Islam, and related Jewish programs so that they all may be completely and thoroughly destroyed forever.

Bestow the Power of Your Protection to our White Race and White Children worldwide.

Praise, Honor and Glory be given to You, Our True Father and to Our Original Gods!! We are Your Direct Descendants and Children!!

—
The above prayer can be either recited out loud or in your mind.

Now, vibrate Óðal, SóL, Óss, 88 times, while focusing on your Runes. You vibrate these together, not separately. Óðal, SóL, Óss is one round, then Óðal, SóL, Óss...

When you are finished, recite the following with intent:

All White People are now racially aware
All White People are critically aware of the Jewish problem
All White People are taking action to secure the existence of our White Race
All White People are working towards a secure future for our White Children

Vibrate SATANAS

Then close the ritual by stating:

HAIL SATAN AND HIS WHITE RACE FOREVER!!

For those of you who are experienced, you can raise your energies doing whatever works for you.

The "White and Black" Jewish Rulership

<https://josministries.prophbb.com/topic17173.html>

This is the part two that was promised on the other post in regards to "What America Can Expect in Day Two".

<https://josministries.prophbb.com/topic17156.html>

This is IMPERATIVE that this is taken seriously.

Those who don't get this can join the parties of the New Emperor, in the Alt-Right (New-Left) Headquarters, and have some tea or a session of backside massage with Milo Yiannopoulos, thinking the jews are now (not) defeated. Milo Will Tell you about on the Unicorn Ride™ Over the New Great Wall of USA! The Change We can believe In is Here! Unicorn Rides for Everyone! Trump has promised every American will get a Flying Unicorn to fly over the Great Wall of USA! "Believe it!". It also has a warranity, AND a security agreement!

If you fall don't worry, Obama Care will be here to save you and compensate for the damages. Also, make sure not to fall into Muslim Jihad Territory, because apparently, the Muslim 'hate-talk' just disappeared from Trump's webpage. Well you know accidents happen...

Seriously now...

For those who want some harder facts and want to be awake...This topic will deal with the real reason as to how the jews rule and consolidate power, and what has saved them for CENTURIES on the political level and everywhere else. Those who cannot get it through their thick skull, rest reassured, are going to get humanity down the drain.

Scoring Victories for Satan and the Gods, same as our Freedoms, means the setback of the Jewish World Order. Rest reassured, we are nowhere close to finally or completely dealing with the program. As the accursed and damned psychopath named "Cohen" who died recently (Satan bless), said in one in his songs of bragging in front of the face of the Goyim, "First We take Manhattan, Then We take Berlin". Cohen here talks openly about the plans of jewish world domination, and his chosenism, while adding some random excrement and tears about a jewess with a scat fetish, most probably. Not long ago another member of the tribe openly came out to say they are a "god" amongst the Goyim as well. His name is gregory swartz or george Soros. The "God" of immigration, wiping out whites, destroying massively the west and the list goes. A rabbi yahushua/jesus he is indeed!

As to get to the point, which is very serious now.

The Satanic Revolution is becoming more powerful. This does not come for free, and we get extreme damage done both ways. As everyone of you here, knows, this world is like a ship that both our forces and the forces of the enemy excrement are trying to turn into different directions. Satan and the Gods, same as us who have been building the spiritual foundation of what is to come, know that at least the ship is turning more into our direction, slowly but gradually. The attacks and strikes are consistent of both sides. The enemy of course, has for thousands of years, massacred, destroyed and annihilated extremely much. Do NOT have the memory of a jellyfish, as this is the first and most major problem. When this memory of a jellyfish is abolished (this ties into knowledge of one's root and identity) the enemy's attempts are really undermined a lot.

As everything will be turning over to our side, the enemy, as all of you here know, and as its written in their Torah, will start the begging, the tears, the excuses, the extreme shilling, and will also provide even SERVICE to us. After thousands of years time of trying to exterminate us to the last woman and child, they will suddenly play it was all just a game, and that everything is OK now.

"We are friends Goyim you can trust me! I just wanted to pretend to want to kill your children to make you more protective of them, 'hehe', as you can see, it was g-d's plan! Would never do it my Goyim friend! I am also innocent, it was done under g-d's will of which i was just a victim of!", said Rabbi Shlomo to the guard, on the train to the losing Israel. "Please just let us in your countries and states, you know I have done a lot of charity when I was young! I have been honest all my years! The Torah was written by evil jews! Yesh yesh those of the Synagogue of the Iblis! Because as all of us here in Europe know Satan is not a bad guy and Satyan means Truth Eternal now! Well what a dupe this Synagogue of the evil have done! Not one of them am I! What an evil thing this synagogue of evils have done! I myself have never believed it to be true! I was fooled into working 70 years or more against Satan! Oy vey! I will give you 6.000.000\$ so you can forgive me! Will Satan accept 6 million or should I give more? I can give like 600.000.000!

Always liked Satan *jew almost chokes while saying the name*, very nice guy eventhough I fought to exterminate him for all my life, hehe! Well Whites have also been my real friends! I had one White friend once, didn't kill him at all! Fuck g-d indeed my Gentile friends, praise the other one! I can help you defeat them Zionists! Its the Zionsits not me! I am victimized by everyone in the universe including g-d himself! Well ok I used to be friends with Zionists and killed a dozen Gentile Children on Yom Kippur, and infact I liked it *laugh escapes rabbi's mouth* but you know my friend I repented later! IT was g-d's plan so that I would learn, bleeding is my innocence!", Rabbi Shlomo continued... "Please leave us around somewhere to lick your toilets with our tongue, our natural scat-lovingness is to your benefit! We can co-exist together. Did you read the Washington Post lately, it gave all of you much praise hehe! We are friends now, tell that to Mr beloved *jew chokes* Antichrist! 'hehe'"-. The story of Rabbi Shlomo in 2024 or something.

So long they are kept around, and some slime down some dark alley, or some pathetic xian nut reads the bible like a crazy nut at night, know the enemy is just TIME away from consolidating and gaining power again.

As it all started with a SMALL HOLE named christianity at some point, so will it begin all over again, and the jews if left spiritually un-destroyed, will reconsolidate power. The same thing happens now that they have been feeling the heat. They still feel powerful enough to wage open war, which they definitely are in some ways. However, as they will drop into the abyss of powerlessness, they will really do ANYTHING to just stay "in our midst" somewhere. Expect everything. AS the Torah says openly, they will even come begging to join into Paganism or elsewhere. They wish it would be possible, but the Gods know this race of blapshemous rats and the Gods do NOT forget. In the Torah, the jews join Paganism (Start falsely worshipping Baal our Beelzebub) to fool the followers of the Pagan Gods, and after they grow powerful enough from practicing aside with their enemies (Gentiles), they stab them in the back and re-organize to destroy them again. All of these,

according to the Torah, were killed by the Jewish King in the same day. The Jews lived happily ever after.

How did the Vikings go down? Well they managed to accept a small Rabbi to live amongst their Godhead. Its name was "Jesus". Some shills told them that if they worship it, nothing bad will happen. One century later, the Vikings who ruled the seas and worlds, went extinct. Little Rabbi Jesus ascended over all other Gods, and of course, destroyed their inheritance. On top of the chapels and worship places of the Vikings, the small and harmless Jew Jesus created its temples, and of course, the children of the Vikings were taken captive by the Jewish church that slowly turned them into Christendomers, who destroyed the rest of their race, culture and temple. I have now summed up the story overall.

This is why Christianity massacred Whites, Jews became the court and then the political leaders, and now we are under the threat of grave extinction. The same thing happened in all White cultures. It was just a little, harmless, nice Jew, named Jesus. What's so bad about letting him in our culture? Are you xenophobic or what? Let some cancer get in your body! IT will be harmless!

To check nowadays though, these ancient methods are always and forever the same, unchanging, and they apply in the present conditions more than ever...

Where history is now, we will have ONE chance. With the technology and everything else that exists, things are moving to where the head of the spear will be touched so to say. Whomever will use the spear wrong (Like the Jews have done by opening up about their extermination agenda for us Gentiles) they will be destroyed. The Jews have already done this.

Now to continue from the other post in regards to America and elsewhere, you will see where I am going with this.

The Jews have two types of 'branches' in their secret societies and anything else. One branch is the "Dark" branch. Here we have the hated henchmen like Soros, and anything else morbidly imaginable like Merkel, and all these criminals who are in open sight and go straight forward to destroy the world, states, communities, economies and everything else. These are the 'evil' ones who do the work straight up, without asking. Normally, this is the beautiful scenario where the Jews have extremely consolidated power (Like they did in the last 30 years) and have total/unrivaled dominance everywhere. This is the "all systems go" of the Jewish system. This is what has been active as of late.

Then we have the thing that we will be facing soon, and EVERYONE has to be aware. 90% of the retarded population always buys the trick, and as such the Jews have been ruling for thousands of years as a result. We have the "White" branch. When shit is about to hit the fan for the Jews, or when Jews are trying to pull (or after they pull) extreme operations against the Goyim, that would cause revolts (Like now), the "White Branch" slaves of their (Such as Trump) are passed down to the populace as saviors etc. What ultimately is done is that the "White Branch" is always the plan B, and from this have come the largest misfortunes, and freedoms for the masses. Unable to restore and go back to the 'beautiful' flawless ages, the Jews go a bit 'positive' on the masses, while maintaining total power and are still in control, to regenerate forces and go again full throttle to destroy them.

This has been active for tens of years after the defeat of Hitler and the National Socialists. (((Free money))) everywhere, (((funny life))), mainly nice things everywhere, jobs, very small unemployment, and everything else. This is also a very dangerous step of the Jews as most of the accidents that revealed them and destroyed them have happened under those "White Branches" of theirs. "Misfortunes" such as the internet, freedom of speech, end of slavery, freedom of information, the list goes endless. This is MORE DANGEROUS than the "Dark branch", because this is where 90% of the masses fall to sleep again, thinking they have won, or at least, that things

turned better. This is however NEVER the case. When their sleep has climaxed, the enemy pulls again the dark branch, to destroy them completely and in their sleep. This is what happened recently with the merciless immigrant crisis, mass unemployment, and anything else. These are tricks and top level shilling of the jews to stay in power.

Here is the make it or break it point in a civilization: IF PEOPLE AGAIN ACCEPT JEWRY, THEY REMAIN SLAVES! What they have won is nothing but a few petty years, and mind you, with the new means and the power the jews will re-grasp, the suffering of the masses will be TENFOLD than if they had rejected the jewish offer.

Look what happened at the older generations who took the jewish bait and were victimized by jews. While half of them fought for freedoms and were civilization creators, all of them were rallied by the same 'invisible hand' into just re-creating a better Goyim Farm program for all people. They are still the jewish system incarnate, christendooming idiots, civilization wreckers, who had a bit of money and the lowlife as their one and only morality. After the fall of Hitler, the jews went "White Branch" completely on the populace, as the jews were afraid of a resparking of National Socialism, and their revelation as the aggressors and murderers of a race they are.

So what they did is overfeed the masses to no end, while of course bringing them under the condition that Hitler and Satan hate will become the Norm. "Hate Satan, Hitler, And avoid anti-jewish religions, thoughts and spiritual pursuits and everything will be fine Goy! We promise!", was the line. SO the majority followed. Until one day, the jews again pulled the dagger on Humanity out of nowhere. Oy vey! But we had made a contract, with the jews haven't we?

So long you (((fitted in))), you could go somewhere, had promised the jews. So slowly their victimized generations started seeing the facts for what they were... And were later swindled into a life of suffering, debt, and moral and mental defilation by the jews, because with jews you lose. A striking majority of these 'well-fed-ings", are the generation of the fun-pills only to make life more intresting (since it was the life of slaves anyway), the people who were so bored as to stone themselves out of existence, their greatest aim how to own the best car in the neighborhood, or just pacify themselves to death by being a commie-hippie, and those who pray to jewsus to find the keys to their car and if they find it, they consider it a divine miracle from heaven and the whole jewish angelic host alike. "Heaven conspired"! Jews told them Jesus can save you and find your keys for you, now please buy him as your lord and savior!

From the sleeping and deceived half of this generation emerged the cuck leftist generation, many asleep shabbos, and of course all these generations have had an extremely hard time acting against the jews and their beloved Rabbi "Christ" who after all think has fed them bread. Generations who instead of life just want to live in virtual reality with Rabbi Christ, and that are so rootless that the jews have literally thought they could pull the plug to humanity and make the "Great March to Communism". Now the jews carried these elections to get the "Big Yes, Communize us! Fuck us up! Fill us with the 3rd World!", and as the jews celebrated in their mega-win over the USA...Here the Gentiles come again with resistance...

HERE SATAN RAISES HIS HEAD AGAIN...

Thankfully, Shabbos Trump was under them, so they are not done or anything yet. People are waking up, and another intellectual "Shoah" is being committed. Now that the West is being dragged to destruction, vomiting of the jewish crap is necessary, and adhering to the real ancient Gentile values, not jewish ones. Those who cannot choke and vomit the jewish propaganda, will just follow their fate chosen for them. Because with jews, you lose. On whatever conditions, you will just lose.

This seems to be the card the jews are going to pull now, albeit slowly, and only for illusionary purposes. In plain slang, their carrots will be rotten and digital now, non-existent. Just smoke and mirrors in the media to seclude that really Trump Dump didn't really do anything. This is because

they have been losing so they have to waste the time of the populace, or so they think, with parlor tricks. The populace and general masses are educated, and ENRAGED. While they planned economic collapse almost two years ago, now they keep the economy alive, afraid of revolts from the people. Trump has been controlled by the jews, but major loss for the jews, losing spree. The jews have got a clear message that the majority of the people haven't become the cucks they wanted them to be, and as thus, they will be faced with extreme resistance that may go out of control. There is still resistance the jews cannot break straight up, so they decided to 'control it' to just wear it down.

The jews are running out of time, and all this is thanks to our Rituals. With our Rituals we can exploit the benefits they may try to confer above the masses now, and by exploiting the transition of this 'black to white' thing, we can destroy them even more.

THIS MUST STAY IN YOUR MIND FOREVER - Tolerating them, leaving them around to even lick your shoes or serve you, will mean your DEATH. Societies, countries and civilizations need to AIM HIGHER than the jews, and finally leave them hanging in the abyssal levels of excrement they were born to dwell. While Hitler could have sold out, he didn't, and he achieved paradise on Earth. Hitler did not settle down to be Vice chancellor, kiss jewish ass for (((benefits))) and become another Shabbos Goyim leader- he went for the maximum and the full of his National Socialist, jew-less revolution, and won all of it. Hitler was TRUE to his principles.

What can people expect to see now for at least a year, is an in-between hanging between good and evil from the jews. ACCEPT NO EVIL AND NO GOOD FROM THE JEWS, AS BOTH ARE THE SAME COIN THAT WILL DESTROY YOU AND WITH WHICH THEY WILL INDEBT YOU FOREVER.- PERIOD.

This is the simple, carrot and whip. When the whip fails, jews retreat back to the carrot. Sometimes they use both. We are going through the phase they use both. Only with jews, the carrot is ROTTEN, DISEASED and will KILL YOU. You die from both the whip or the carrot.

Now that Trump got elected, the jews are trying to cause civil war, the Jew world order is divided as to how to act, and everything is heard, from the Russia-USA friendship, to the illusion that the things will turn better, and the list goes. We are not dumb masses, or dumb slaves. We know what's up, and we know we are the moving catalyst and why they act that way. It's not like those who want to EXTERMINATE all of us, suddenly became 'good' and gave in. It's just they cannot accomplish their goals. With that being stated, after they pull extreme attacks akin to those of a last stand, then will follow extreme shilling, and the more victories we score, they will even turn to begging. To the jew all of this is the same- even begging or asking for mercy is not real, but a last gamble to get power over their slaves. Only to backstab them again and destroy them.

In closing, NO DUST IN YOUR VISION, NO RECONCILIATION, AND AS HILTER STATED "NO CAPITULATION"! HUMANITY HAS SUFFERED ENOUGH AND WE DON'T HAVE THE TIME OR THE FUTURE SPACE FOR HUMANITY TO SUFFER EVEN MORE! TOO MANY PEOPLE HAVE DIED, TOO MANY SOULS HAVE BEEN LOST FOREVER, SO MANY CULTURES, STATES AND CIVILIZATIONS HAVE SUNK, SO MANY HAVE WENT EXTINCT!

NO MORE JEWISH WARS, NO MORE JEWISH INFLUENCE, NO MORE JEWISH LIFE, NO MORE JEWISH "GOOD" OR JEWISH "EVIL"! NO MORE JEWISH CARROT, NO MORE JEWISH WHIPS AND CARROTS!

GENTILES MUST CLAIM THEIR DESTINY AT LONG LAST!

We are Satanists, children of SATYAN (Truth Eternal). We can see, where others don't. We can act, where others cannot. We have been changing, what others never would or could. We must stay focused on the real points, and not be lost in the details or jewish parlor tricks.

OTHERS CAN BOW, BUT SATANISTS MUST NEVER SETTLE DOWN OR BOW! EVERYTHING OR NOTHING, FOR LESS THAN EVERYTHING *IS* NOTHING!

Jew York Times Forced To Admit Fraudulent Reporting

The fact the Jews are having to openly come out and admit this is because the Trump election with the wiki leaks together have proven to the entire population the Jewish media is a propoganda, lie machine for their Jewish, globalist agenda and nothing else.

The Jewish globalist Media Empire which control's 96% of the global media is on the ropes due to our Reverse Torah Rituals. The way things have turned have caused their ratings to drop into the dirt. Just as Kennedy was the first President elected by the Television. Trump was the first President elected by the online media the internet. The Mainstream Jewish Media is finished all the information is online and with this massive exposure with the Fraudulent coverage of the election campaign it just sped things up.

Keep doing the Reverse Torah Ritual's for the Communications and the Media daily. The entire Jewish media is on the ropes and falling fast we need to keep this up on them. When they lose control of information they lose control. The Jews have used this power to ruin our nations and start wars. When they lose it, they lose.

<http://truthfeed.com/breaking-the-failing-new-york-times-issues-an-apology-to-its-readers-for-biased-reporting/35225/>

The New York Times, along with the rest of the North Korea-style propoganda media, made a mockery of journalism by shamelessly shilling for Hillary Clinton

Now that she has lost, the media is terrified that they're doomed (they are) and are issuing apologies for their "biased reporting."

<http://www.politifact.com/truth-o-meter/statements/2016/nov/15/donald-trump/donald-trump-says-new-york-times-apologized-bad-co/>

Trump spokesman Steven Cheung said Trump was referring to the fact that the letter includes an admission that the New York Times underestimated Trump's chances. The letter said the outcome was "unexpected" and posed the rhetorical question: "Did Donald Trump's sheer unconventionality lead us and other news outlets to underestimate his support among American voters?"

At times during the election, the New York Times presidential poll forecast predicted Hillary Clinton had more than a 90 percent chance of winning the election, and that turned out to be incorrect.

"Doesn't that speak volumes about the coverage?" Cheung said of the inaccurate predictions at the New York Times and elsewhere. "It wasn't just a disservice to President-elect Trump, but it's also a disservice to the voters looking for reliable coverage — which they obviously didn't get during the election."

Subject: Reverse Torah Ritual Schedule [16 to 21 Nov]

<https://josministries.prophpb.com/post85755.html>

Reverse Torah Ritual Schedule [16 to 21 Nov]

Greetings to all our People and Satanic Comrades.

This is the New Schedule we are going to follow and apply.

These five days we will focus on the media, fending off attacks, while also empowering ourselves as a group. Then we will go on full assault mode again. This is as necessary as is the full assault mode.

The enemy is really down especially on the media. We have destroyed them a big deal. We need to keep destroying them, as information is power. Due to our Rituals the jewtrix of the news and the (((Information))) and (((Communications))) have been falling apart. We need to keep up this RTR.

The Curse Israel is self-relevant.

The Serpent Rituals funnel intense power in the workings and are also good at the Soul, as the enemy has done their best to keep this creative force of humanity down so they go unthreatened. As thus these secondary Rituals are good to 'fuel' us again with the necessary power, while renewing the removed curses of the jews.

After this short 5 day schedule, we will go full assault mode with the other Rituals, whose power will be very big due to this preparation and renewal of removing Serpent bindings etc. Not only this, but the enemy will have everything they try to pull up, go straight onto them. This is to generally refresh our energies, backfire their nasty curses, as a group and spark them even stronger.

Below will be the Rituals.

We are doing this on the line of this schedule, with a different addition:

<http://josministries.prophpb.com/topic16880.html>

Priority 1 Ritual for the dates of this schedule we are doing is going to be the Curse Israel RTR. This should help those who feel aggravated and have much on their tail so to say, to fend off the attacks they may have been receiving:

<http://www.angelfire.com/wizard/pixie66...Ritual.htm>

Priority 2 Ritual will be the Communications RTR:

http://dawn666blacksun.angelfire.com/11_9_Ritual.htm

Now, after these Rituals that are prioritized are done, we can go for either of these three, in that order:

Secondary Ritual 1: Reverse Torah Ritual: Serpent Empowerment for Gentiles

<http://josgreece.angelfire.com/E712.html>

Secondary Ritual 2: Reverse Torah Ritual: Removing the Obstacles That Prevent the Serpent from Ascending

[http://www.angelfire.com/wizard/pixie66 ... Ritual.htm](http://www.angelfire.com/wizard/pixie66...Ritual.htm)

TEXTS OF THE RITUALS:

****FOR THE PRONOUNCING, SOUNDS, MP3's ETC, GO TO THE LINKS ABOVE!!!

PRIORITY RITUAL ONE - CURSE ISRAEL:

AHKH-AHR-UHB YAY-EHV AHKH-EHM-USH

AHL-DAHG-AH-AHV AHKH-KHEHRR-AHV-AH-AHV

Subject: The Truth About The Book Of Daniel			

The Truth About The Book Of Daniel

This is from a question I answered on the subject.

The jews stole their Daniel off the Phoenician god of divination and dreams Danel, Dan-el, which means The God Dan. Which also is Danu to the Irish who their Ogham is also Phoenician. In the Torah Daniel interprets the Babylonia Kings dreams which is divination and gives him prophecies. Which is the role of the Phoenician god Danel. The Jews after stealing this from the Gentiles then used it as weapon to attack Gentiles with. In a tale of Jewish bullshit artistry of Jewish supremacy over the Goyim and their Gods and spiritual Empire which Babylon was, the Alexandria of the time. Were their gawd makes the Babylon Emperor bow down and worship the Jews and enthrone the Jewish race and their god over the Gentiles. Which is just Jewish supremacism, racism and bigotry at its normal. Note the Babylonia Emperor was the High Priest of our Gentile People and Gods, and is made to live seven years as wild beast in the fields by the Jewish god. The Jews call Gentiles.....wild beasts of the field, animals. Just a tale of Jewish racism which is based on the Jews dehumanizing non Jews as animals and then claiming we are their cattle [Goyim] property put here by their god to serve them as two legged beasts. To which the Babylon Emperor is made a slave and servant to the Jews along with all the Goyim in his Empire. Its a tale of Jewish conquest and enslavement of the Goyim. Any wonder the Jews created and ran the entire Trans Atlantic slave trade from start to end.

This is the hateful garbage Gentile Children are taught in Sunday Skrulle, by brainwashed morons. Jews are their masters and we are their cattle.

Lone Wolf wrote:

I was just wondering if the name Daniel is jewish. I heard that everything jewish really has a Gentile origin. I heard it is from the Irish "Domhnall" meaning "Attractive".

I was wondering if you can tell me about this name because it is the name of someone that is important to me. Thanks!

Ave Satanas!

Quote from Swami Rama Bharati:

"Want to expand your consciousness? Try meditation--not drugs. Yogis say that drugs weaken the will, damage the subtle body, and stupefy consciousness. One yogi stated he'd seen heavy-duty drug users so internally damaged, they would need lifetimes to detoxify their subtle body."

"Hallucinogens like LSD can do irreparable harm to the impressionable energies of the subtle body. Aspirants are advised to avoid mental crutches like drugs. Instead, they need to develop mental clarity and strength-- something drugs can't give."

I want to add here that Satanism has its roots in ANCIENT Hinduism, going back to the beginning. Sadly, through the centuries, Hinduism has, like other religions, been seriously corrupted. Slavish worship of so-called "Gods," rejection of anything material, promoting poverty as a virtue, physical mutilation, rejection of desire (of course, this excludes the fanatical desire in slavish worship), and other crap.

A REAL GOD does not need or require slavish worship in order to exist. Also, books on Hinduism, and other religions of the Far East, one can see through the lies in these areas, as the authors contradict themselves endlessly.

Myself and HP Hooded Cobra worked together empowering important souls for Satan and Lilith. Lilith worked directly with us. I will tell you, a spirit without a physical body cannot progress or advance in power. We had to empower them, as we are in the physical world. This is why most souls reincarnate. Being dead is intensely boring. The dead cannot make any sounds themselves, as they have no physical voice to change their vibration.

Your home is where your material possessions are. Often, when one leaves one's seat and wishes to come back to that seat, one will leave a sweater, jacket, etc, as this shows one still is using the seat.

Where would we be without books for example? Without the material, life is empty and meaningless. The Jew has relentlessly attacked the material by promoting that poverty is a virtue on the one hand and on the other, pushed materialism ad nauseum, just like they do with sex, to create a backlash, where as with communism, one owns nothing and the Jews own everything.

Material possessions should be respected and appreciated. There should be a healthy balance between the spiritual and the material.

In closing, some Christian idiot was blabbing on his stupid website how in spite of the Hindu Gods and Goddesses, India is extremely poor. He only revealed that he is a deluded ignorant fool.

This is the result of corrupted Hinduism. Most just slavishly worship their "Gods" and have no knowledge how to apply the spiritual, such as workings, stating affirmations, directing energies, properly using the energies they've raised and so forth.

Only through Satan can we really advance. Lilith told me more than once, that "Books are sacred."

In a nutshell, rejection of the material, slavish worship, "moral" control, dietary control, poverty is a virtue, and turn the other cheek mentality, and related, are all of the enemy and lead to nowhere. Just like in the movie "The Ninth Gate," at the end of the maze, the doorway is bricked up.

Subject: Reverse Torah Ritual Schedule [Nov 21-29]			

<https://josministries.prophpb.com/post86103.html>

Reverse Torah Ritual Schedule [Nov 21-29]

Greetings to all our People and Satanic Comrades.

This is the New Schedule for the New Date of Nov 21 to Nov 29.

These days will be focused on relentless warfare against the enemy, and then we will follow a period of other things, again in cycles for our best interest.

The communications RTR does remain, because this is crucial now. More and people are waking up, and this must not stop.

As all of you have observed more or less, the enemy is trying to pass it out that everything will be fine with Trump and the list goes on, so people will stop being militant. That doesn't mean that on the back, the jews are not instigating further plans, which they definitely are.

We need to foil them, and hit them spiritually now that they are down. Do not trust any skill of the enemy, as all of this can be a giant joke and smoke-screening into the eyes of the masses. The jews unless they are absorbed by some black hole and go to another place in the universe, will never let out on their plans of world domination. Their jewish crankpot thoughtform is really going down the drain, and this will leave the jews powerless, as all their dominance over Gentiles is tied into this criminal thoughtform that humanity is duped to worship. In fact their thoughtform also represents the jewish race as a whole.

What we will be focused now is driving their 'godform' into the sands of history even deeper. This is a lie, and the fast destruction of this lie in some few years of our work here, is self-revealing. The enemy fights Satan for thousands of years, and Satan hasn't moved one inch. Their 'godform' is giving up on them and will be destroyed. Everyday, as deceived Gentiles leave this hoax, its power will drastically deteriorate everywhere. The Real Gods have nothing to fear, but this nasty hoax hangs from the slavish fear, terror, and worship energy of the believers.

This crappy fear mongering entity in the mind of humanity must be destroyed. With it, doomsday (((prophecies))), jewish power, wealth and riches will all follow out of the window. When we attack their 'godform', we dispell the illusion itself. This manifests in the mass mind as people breaking out from the filthy jewish spell of christianity.

Below will be the Rituals.

We are doing everything within what this context allows:

<http://josministries.prophpb.com/topic16880.html>

Priority 1 Ritual is the 72 Names RTR:

Greetings to all our Satanic Comrades and Warriors.

I spent quite the time making this documentary, researching and getting deeper into what's going on in the Black community. What the jews have done is insane. These people are tormented by jews from all sides. This is informational for both Black people who need to know the jewish menace, and also for White people who need a few insights in regards to that. Many Black members here know this already, and this is horrible. Whites and Blacks suffer similarly in so many ways, but jews gas confusion into the minds of everyone, and due to lack of knowledge, people fall in for jewish lies.

Black people have been severely attacked by the jews. What I found by looking around stuff, they have infiltrated Black people very severely, no different than how they attack all race oriented groups who oppose them, like Whites etc. They hijack these groups, and either destroy them, or turn them into a second Judaism. This is a major source of the 'we wuz kangz' beliefs, thug culture, and all sorts of other insanities and con-men who are paid by the jews to betray their own race.

I think a guy that deserves a comment is Dr Tony Martin. Martin had the guts to go open about all that stuff, and expose many shills and infiltrators who try to subvert the black race. Martin had the courage to actually speak openly about the jewish menace, and what his research found is also interesting for White people as well. As a result the racist ADL put a bounty on his head as well if I am correct. This is because his researches openly talk about the race that loves to enslave all others: the jews. The jews have done a lot of shit, and they have a lot of crimes on their head as a race. Wise Black people know this, no different than Wise White people. Its striking how Blacks have fallen under the exact same destruction of the jews, as Whites have done. The jews are fucking vicious.

This documentary goes from the rap culture, to the ghetto culture (all created by Jews and traitor Blacks who are on the payroll) and this is systematic to destroy and subvert Blacks and turn them into beasts. This is purposeful, and jews do this according to plan. It didn't happen coincidentally. It happened cohen-cidentally.

I also touched on the subject on who really attacked Africa. Jews attacked Africa. Soros is one of these people who destroy whole countries in Africa just for his own fun, and for his own tribe. The jews hate Blacks and this is in the bible, in the form of a 'biblical curse'. Blacks according to the bible, are supposed to be eternal slaves to the jews, by mandate of 'Jehova'. This is what created

the jewish slave trade, as usually, the jews, doing their Torah and Christianity.

Blacks are also bought in the price of food, or others in gold chains, to destroy their own Race, and never allow anyone to advance. This is no different than how many Whites are sell outs to the kikes, and backstab their own people and race for the price of shekels or just out of fear/lack of knowledge. The jews also own the pseudo-philanthropy (my ass), and the CEO of unicef goes around in a Rolls Royce, because apparently your 1 dollar goes to black people for certain.

The jews also attack and undermine education, telling young black people that this is 'acting white' and other things. With lack of education, lies lack of freedom, and people fall easy prey to control.

There are however jew aware and bright blacks, but the enemy of course will always promote the majority of the dumb and idiots. This is two sided, and this is to to criminalize these people and make them act sub-human. These people who are created into mindless beasts and fanatics through christianity, Islam, and jewish propaganda, are then pushed into the White countries by the backdoor, in order for the jews to walk away without the consequences of their deeds.

The jews claim to be 'white', but genetic evidence, and jewish culture, talks otherwise. The jews are extremely racist, and they are basically the only racist race of the planet. While Abraham Lincoln, a White man, stopped slavery, jews created it and profited from it from centuries. Like all other crimes, these are thrown to the "White Man" who gets all the blame for what the jews do, like for instance who the christian and jew infested (((White))) Ku Klux Klan attacked Black people etc. Blacks have their own ideologies etc, and their own skills, who engage in the same actions.

I created this not to make everyone seem like a 'hopeless victim' in the xian sense, but to show what the jews are doing to these people, so they can wake up and fight alongside White people. We have suffered terribly under jews, and this must stop.

<https://www.youtube.com/watch?v=sKR8BxEsrSM>

The return to the roots can help Black people set themselves free, away from jewish influence, so this insanity will end.

African people have a African land, an African heritage, and a future- if the jews are driven away and allow them to have this. They don't need jewish history or lies.

This must be claimed, and fought for.

Subject: Trump The Crypto?			

Trump The Crypto?

My note to this article is that this is the same with Trump as with Putin in Russia. Where Putin is a full blooded Jew from his mothers side. Trump is at least Jewish enough to be allowed to run and be President. This is how the Jews do it. Don't get suckered in to supporting this Jewish attempt at creating a new Kosher Right over Trump either. Its all about Jewish control.

Note I removed the not relevant parts to the article to keep on the subject of Trump's families history.

Looks Like Donald Trump is Jewish

by Miles Mathis

First published June 6, 2016

As usual, this is just my opinion, based on private research

Readers have been begging me to do Trump, but I don't think this is what they expected or wanted.

Many have been fooled by him. I really don't have much to say about this bozo actor, except to say that he has been one more test of the gullibility of the American public—a test they have failed.

Even

those who don't like him have been fooled into thinking he is real person. He is about as real as Dudley

Do-Right or Rocky the Flying Squirrel.

His genealogy is a total mirage. I'll show you where to look. First go to his mother at Geni.com. She

is Mary Anne MacLeod. So they want you to think she is Scots. Then click on her father, Malcolm MacLeod. Then click on his mother, Anne MacLeod. She is the wife of Alexander MacLeod, so that is her married name. What is her maiden name? Whoops, it is also MacLeod, because her father is also

named Alexander MacLeod. So both her father and her husband have the same first and last names?

Did she marry her own father? Also, her birthyear is given as 1833. Note the 33. [Geni also fails to mention what we have to learn from the DailyMail : the name Trump was originally Drumpf.]

That can't be right, can it? So let's check the other genealogies. The second listed on a Google search

is at About.com. But it has nothing to say about this. It stops just short of the Anne MacLeod problem.

But it does tell us something interesting: both Trump's parents died at Long Island Jewish Medical Center.

Wikitree matches Geni.

That date of 1833 seems suspicious for a second reason: it is too early. I am 52 and my grandparents

were all born between 1900 and 1910. My great-grandparents were born around 1880. Anne McLeod

is supposed to be Trump's great-grandmother. Although Trump looks about 30 years older than me, his

listed age is only 17 years older. Which takes us back to 1863. So we have a 30-year gap there between his 4th generation and mine. That's certainly possible, spread across three couplings, but it is

upside down to the trend. People tended to get married and have kids earlier back then, not later.

And there were no teen pregnancies in my family, if you are wondering. The ages in my maternal line were

23, 30, and 30, and the second two are well above average for the time.

So let's return to Friedrich Drumpf, Donald's great-grandfather. Two of his sisters are listed as

Elisabetha Freund and Syblia Schuster. Oi-vay! Those are both Jewish surnames. We just saw the name Schuster in my paper on Engels published two days ago. I reminded you there that Max Schuster, founder of Simon&Schuster, is now admitted to be Jewish. The Schuster in the Socialism project with Engels was also shown to be almost certainly Jewish. As for Freund, see Michael Freund, Moshe Aryeh Freund, Wilhelm Freund, Yoav Freund, Leopold Freund, and too many others to mention.

So at least two of Trump's great-aunts married Jewish men. This reminds us that his daughter Ivanka married a Jewish man, Jared Kushner. We are told this is an anomaly, but it isn't. What is an anomaly is that Kushner admits he is Jewish.

Friedrich Drumpf's mother is named Katarina Kober. Not only is that possibly Jewish, but it lead to another suspicious scrubbing of the genealogy. Her father is given as Johann, but he has no parents.

He is the only one in that generation whose parents are unknown. Even his wife's parents are known.

I suggest the name isn't Kober, but Kolber. We have seen the genealogies being whitewashed this way again and again. Changing one letter is often the best way to do it. It is the most subtle, so it draws the least attention. Kolber is very often Jewish.

With more study, we find that Trump's aunt Elizabeth married William O. Walter. That name is also possibly Jewish. We find a William Walter as Director of Jewish Family Services in York, PA. Also a William Walter just buried at Jewish Memorial Chapel of Long Island. Also a William O. Walter marrying a Cora Neuhauser in Lebanon, PA, in 1924. That name is also probably Jewish. And most curiously, a William Walter, Esq. listed in the Jewish Missionary Intelligence of June, 1896. More research discovers his firm were the honorary stockbrokers of this London Jewish society in 1900. That is interesting because it directly ties to my previous paper on Friedrich Engels and Robert Owen.

Owen's brother in-law was James Haldane Stewart, who worked for the Jews' Society in the 1830s and 40s, a precursor of this Jewish Missionary Intelligence. At any rate, this may be our William Walter or his father, given that date. His father is scrubbed at Geni. The names Walter and Walters were chosen by Jews entering the US, as a new name, as we see from Barbara Walters. Her father Louis Walters was original Louis Abrahams.

....

But back to Trump. In his biography *The Art of the Deal*, Trump lied about his grandfather's country of origin, stating it was Sweden instead of Germany. So if you think these people wouldn't lie about their ancestry, you need to explain that whopper.

Trump was brought up in Jamaica Estates, Queens, which has a large Jewish population. He went to Kew-Forest School, ditto. Its other notable alumni include Katherine Weber, Jewish, Gideon Yago, Jewish, and Hank Azaria, Jewish. Googling on "attended Kew-Forest" brings up mostly Jewish names.

Trump's father was on the Board of Trustees at Kew-Forest. By the way, it is very expensive.

Trump allegedly went to the Wharton School of Business, a famous spook academy. But we have a problem there, too. Trump is said to have graduated on time in 1968, at age 21 (almost 22).

However,

since he transferred in year 3 from Fordham University, it is unlikely he would be able to fulfill the degree requirements at Wharton in two years. This problem is doubled when we are told Trump worked at E. Trump and Son while at Wharton. It is tripled when we remember Wharton is in Philadelphia and E. Trump and Son is in New York.

He avoided the draft allegedly for heel spurs or a "lucky high number".

Ivana is also Jewish. An early boyfriend was George Syrovatka. That is a Jewish name. Her first husband was Alfred Winklemeier. Many websites try to pass him off as an Austrian skier, but Wiki admits he was a real estate agent. Winklemeier is a Jewish name. Ivana lied about being an alternate

for the Czech Olympic ski team. She went to McGill University in Montreal, a spook academy we have run across many times. Geni.com lists her father's name as both Knavs and Zelníček. I'll give you a hint: drop the second "e". You get Zelnick. It is Yiddish for haberdasher. Clothier. It's Jewish, too. See Robert Zelnick, Strauss Zelnick, Bob Zelnick, etc. Robert was a fellow at the Hoover Institution, Stanford. Strauss was President of 20th Century Fox. Bob was ABC News producer. Also Friedrich Zelnick, silent film producer. Also David O. Selznick, whose name was originally Zeleznick, or, alternately, Zelnick. He and his father were major Hollywood producers, David at RKO (which was

owned by Joseph Kennedy, remember).

Both Trump and his father ran with top Jews in New York, including Samuel Lindenbaum and his father Abraham (Bunny), and Roy Cohn. These guys weren't just their attorneys, they were their enablers. As the NYT says in the 2012 obituary of Samuel Lindenbaum:

Mr. Lindenbaum cultivated a scholar's knowledge of the Zoning Resolution, the arcane document that governs development in New York. As a result, he was able to bend the resolution to his clients' will without breaking it. And because his clients were major builders and landowners — among them Harry B. Helmsley, Harry Macklowe, Larry A. Silverstein, Jerry I. Speyer, Leonard Litwin, Steven Roth and Donald J. Trump; the Fishers and Tisches and Rudins and Roses. . .

Notice anything about that list? Everyone on it "except" Trump is admitted to be Jewish. Curious, no?

This means that the three remaining Presidential candidates are all Jewish, but only two of them are

cryptos. The only question remaining is this: are all three gay? And to answer your question, no, that

was not a joke.

Some will say, "I don't care if Trump is Jewish or gay. I plan to vote for Bernie, so I don't care." But these people are missing my point. I have nothing against gays or most Jews. What I don't like is the

lying and the faking. I don't like these asinine projects being run against me all the time. I don't like my intelligence insulted day by day. I don't like this manufactured world, sold as real. And you shouldn't, either. Bernie isn't as ridiculous as Trump, but he is just as fake. He is an actor on the stage

they have prepared. The entire election is a big stage play, as fake as a Shakespeare production, but not

as well written or acted. The office of the President is now fake, played by a bad actor or the idiot son

of some billionaire. He does nothing but read from Teleprompters, scripted by guys behind the curtains. Trump is sold to you as some sort of financial genius, but like George Bush before him (the

great decider) he couldn't decide what to order for lunch without a cue from a Teleprompter or one of his other gadgets. If you can't see through all these people, you really need to check your prescriptions and dosages.

There are many people who are plagued by lack of self-acceptance, or self hate. This is because they see their life in a 'moral' way, which is basically jewish pseudo-morality. The universe or the universal logos works on its own laws, but the universe does not watch you as you masturbate, or will kill you if you do the wrong moral moves. There are other things into this, and these are not coded in a moral code of the jews. Morality is just what raises when people feel good, act good, and are good with themselves. From this comes love for nature, acceptance of other human beings, the necessary mercy to keep society going, a good and cheery disposition.

Due to lack of spiritual practice, many people feel plain ugly. Let alone their programming that makes them feel real negative about engaging in natural behaviors. There is paranoia out there and people are suffering from it. As such, the soul cannot rest, and these chaotic forces breed chaotic outcomes.

There are no jewish 'moral codes' upon which you must hate yourself, except of a very few codes of nature and NOT jews, and gladly obvious things that are crimes against life that is useful.

"God", does not hate you. The universal logos in that sense is indifferent. Our real God, who is Satan, does not hate his creations. He just wants us to advance. This is for our own good. If we don't follow this advice, we will just wither away. Why do we worship Satan as a God? Because Satan loves us, Satan cares, Satan created us, Satan gave us breath and life, by his own will and admission. Not the universal logos. The universal logos or the universe, had us as monkeys hovering around banana trees, knowing nothing, and just being there like sleepwalking species. No consciousness of many things, no nothing. Satan intervened and changed this, giving us a chance to live. Who knows? Otherwise the universe, with a loving meteor shower, or a solar storm, would just wipe us out before we did anything concrete.

The universal logos/atman is a non-judging consciousness, infinite potentiality, and not an entity

that reasons, feels, hates or loves as humans do. Its just potentiality. What 'god' could be in the sense of this, but potentiality? The universe is just gladly indifferent. For those who argue that the universe is a nice place for life, they are naive. A solar storm and half of humanity will go extinct. The universe does not love, or hate. It does what it does. You can get along with it, understand it, and try to master what more you can master, or just perish. This is not evil or good. The mysterious dilemma is that the eternal power of this universal logos, is inside us.

We honor Satan as the incarnation of the Logos, and the teacher of the Logos, he has all the powers of the universal logos. The question on 'if he is this or not' the Logos is a fallacy, as all Human beings have the 'logos' or this universal consciousness inside them anyway. The jews hide this and try to make it seem like 'god' is some rabbi, sitting on the cloud, spying you as you go to the bathroom or masturbate. This is just jewish psychopathy and nothing else.

Satan in my own experience has led me by instruction to the Atman or "God". I have experienced this. Satan is the gatekeeper and the God. I honor Satan. Honoring anything else is counter productive, and fake. Humanity does not benefit. Humanity has to go where it does benefit lifewise, in order to survive. Life in the universe is in a struggle of evolution and survival.

Some beings from the infinitude of this, have mastered a lot of it. We have the fortune that Satan his Race of beings have done this, so they want to help us. We can take, or reject. Choices will have consequences.

Self hate and many jewish ideologies that plague the human mind, created by jewish propaganda, are destroying the mind. As such people need an 'escape' from reality, instead of living in reality, all for reality. Its natural for the soul to want to go towards happiness. But to go there you need a map, and the jews give a map towards eternal disaster. As such humans become even more sick. The Gods left the map behind, but those who are enemies of our life, like in nature in general, just desecrated the map.

A lot of people are confused, and they come to hate who they are, without any real reasons. This gives rise to a disease of wanting to become someone else, instead of one's self. Emulation that is natural is becoming pathological.

Also, the moment everyone tries to make it fit their own 'story', such as life story, people are making a fable, and no the Truth. Satan's reasons are known to Satan, and do not have direct ties to humans and how 'muh feelz' or 'muh life' relates to these. Satan gave us life and that's the most important thing of all. The rest of the theory is mainly just theory, and a lot of people try to pump themselves up by using the false pump.

"Many Souls of the Demigods still Roam the Earth today through reincarnation." I would kind of agree, it if wasn't implied its just some random people drinking kool-aid in their mother's basement, or smoking a dub and feeling like Pharaoh, or like Alexander the Great is somewhere now and playing video games, or in Nefertiti is in a mental Asylum because damn, people don't understand she is Nefertiti from outer space.

Because clearly this is what is hiding behind such statements. This is bordering on blasphemy. Most of these 'demigods' the Gods took with them, and they are not around. If they were, humanity wouldn't be where it is.

What one should look for is simple: Does this help me? Does this advance me? Does this do anything real or useful? Or does it just advertise and self-advertise. People have a personal agenda in many ways. Satanism is not a mental asylum where everyone is going to find another fake identity. In Satanism one finds themselves. This can take a while depending one's natal chart and influences, or general mindset. However, it happens.

For some reason people always, instead of building rounded confidence and understanding that you DO NOT require to make a fable up for yourself, they just do this anyway. You DO NOT NEED to be ANYONE else, like Nefertiti, or some Pharaoh, or Johnnie Walker. You just need to be yourself, and work for great deeds, and develop your powers that will stay with you forever. This guarantees you the eternal confidence, love for yourself, and mastery over your destiny.

The Truth about the past lives does come in time. A lot of people err however. They misunderstand the things they create, and then they fall victims to their own creations. They consider this part of their identity, but this is like pestilence and not really identity or 'sense of self'. In fact its the opposite of this. Its a complete distancing from the self, into delusion. You do NOT need to be Harry Potter to be loved, or respected, or to do great and honorable deeds, or advance spiritually. These just hinder your evolution. You just need to be the real YOU. This is discovered after clutter of the mind and emotions gives in part, in the sense that one is detached of all the 'musts' that define a person. You are not obligated by your existence to be anyone else, rather than who you are. This is happiness and relief.

In my eyes the average 'we wuz kangz', descendant of the melanated beings (like from Racism is just skin deep, now skin color is the universe- self-contradiction crap), that murders his people for a bag of chips, or some major singer that thinks themselves a god, or some dumb idiotic feminist that thinks they were Artemisia in a past life, is the same retard, in another context. If people really loved themselves for being who they are, they would never act in such a way. This world is plagued by self hatred.

People hate themselves for absolutely no reason whatsoever. We can excuse certain things like these if not threatening, but I have warned people again and again to keep an open mind, and not make up fables, as when these explode, like a drug that wears off, there will be severe consequences. These will bleed into the physical life. Let go of lies and deception forming. Just be yourself. I have been a teenager too and I know how this loop is, and all 5 years old act that way, but people as they grow up need to build past that.

Many people are taught since childhood to just be someone else. Fit into a role, play the good goyim, do this or your parents will never love you and will reject you, work as this to be the guy X and the list goes on. The human being is lost in its role, and doesn't discover who they are. In fact the thing that someone is human is enough to do great deeds, advance spiritually etc.

You don't need to be Adolf Hitler, or anyone else. We always have to idolize those who are superior than us, to emulate with beauty and splendor and not evil, but this is to create a form for ourselves, that is US. Hitler was just Hitler. Hitler said that its wrong and a blasphemy to compare yourself to anyone else, as this undermines you. Hitler said what I tell you in a sermon, in just a sentence. So just be who you are. Satanism, except for a few things that are crucial now in the war and we have to adhere to (as natural rules and the planning to save humanity from the obvious route to destruction its heading) is all about self-realization. This creates a beautiful massive humanity.

As for the Nation of Islam, it's a murderous cult as far as I am concerned, and nothing is right in it. It was created to misdirect young black people and radicalize them into Islam, to use them as footsoldiers to further the jewish lies again.

It would be so nice to form a Neptunian cult of idiots, that when they crush, they will be no better than xian missionaries. I know the fairytale bubbles will be busted, but because I care for Satanism, I always tell people...get real. I will never stop doing this, as I do this for Satan.

Build yourselves on spiritual concrete and you will never fall.

You are a Satanist now. You don't have to hate yourself, or lie to yourself, or try to fit in roles that you hate. Just be who you are, and dance your own dance of life.

[Orwell's Nightmare is not coming...Its here : JoyofSatan666](#)

In a recent wave of banning, the Jews have been shutting down any and all material that does not comply with their agenda.

I uploaded a documentary mentioning all the known, proven and evident crimes of the jews in regards to the Black Race. And of course, this is 'hate speech'. I did this because I want the Black Comrades to be aware and awake when it comes to that enemy.

Meanwhile, deceived Blacks, jews that openly call for our extermination, making videos of Genocide and the list goes, these are all welcome. The jewish shills and many other instigators of hatred (real hatred, not ideological, such as publicly calling for wiping out all White people, or 'kill some crankas') are just welcome in the jew-tube community.

Apparently, this video hit a nerve on the jews, and its now down in around less than 48 hours of upload. Because the jews know, that if Black and White people too know who is the enemy, their reign is over, as Asians and many people down in Asia know them for the trash they are already.

We are living in Orwell's society. People who don't get this, will only understand it when it's too late.

I have done my part in revealing what the jews are going to do, as Satan and the Gods showed directly to all of us. The jews envision they will impose their own rule of technological slavery etc. This will be done through intelligent AI's and bots, and many other means, which they want to advance in the future.

As Hitler said to instruct and teach the people of the world in the Mein Kampf, reduce freedom little by little, almost to the degree that nothing is observable. Soon enough with that method, a nation or a state is plunged into complete and total slavery. Retarded and denial people who are too live and let be, and too much of an animal to accept the Truth and fight for it, will of course stay on the

back, thinking this will never affect them. Until one day they will get to the Gulag, and work alongside those who raised a head against this tyranny.

This is exactly what the jews are doing. Reducing freedoms little by little. State law is becoming little by little talmudic law, the list goes. The second amendment in the USA has been crushed. Freedom of speech no longer exists.

The jews only are focused on very few 'groups' out all the 'trash talkers' and 'hate speech' groups. Jews proudly parade the bible, a book of extermination of all Races of people, and compliance to this is forced. Someone points the finger to this, and this is a criminal offense. The systematic attempt to genocide all races on the planet, instill jewish governments, etc, is all fine.

However let's be blunt, this universe does not work based on what is right, or righteous. It works on sheer force and domination, because right now, civilization has sunk on the level of a toilet. This is deliberate, and the jews want to bring down the last frontiers of civilization, that is, the White Nations.

Our worries, or damage, or wounds of war in this struggle matter not. What matters is who will win, and who will in the end prevail, because this is the future of the world at stake.

Humanity is marching into Orwell's nightmare, and those of us who are awake in this foggy night, we see it coming.

We have the time to change this now, and push back the enemy now, and not later.

It's a sad incident that many people disregarded Hitler's warning. When Hitler said that the crown of the jew will be the funeral wreath of Humanity, he was just looking into this grim, possible future. Like the prophet of prophets, he warned everyone.

In many places of the world this has shifted on level 2 here. Soon, it will get to level 3 if people don't do anything to revert things back to normal.

"Israel will get what she deserves!"

-Satan, on the inevitable punishment of Israel, because of crimes it has committed.

When other places are on fire, stricken by Tsunamis, Earthquakes, impoverishment, etc, nothing really happens. But now its a 6 gorillion fire going on here. And Israel seeks international help. From the states it plunders and towards those who it has controlled, desecrated, and flattened with jewish Jew World Order pawn politicians.

Palestine is ethnically cleansed, the White race is dragged to extinction by the jews, a fire in Israel and oy vey...Terror attack! INSOLENT TO GOD! Go cover it everywhere now! Help us worldwide! More Shekels!

In the midst of this witch-hunt the enemy is pulling off, censorship, sanctions and threats, jewish racism and plans of extermination of the goyim...they start to get natural results for all their crimes. Let alone the billions of corpses this race has produced, dead and living.

"When the Messiah Comes, every jew will have 2800 slaves", are some of the things that are floating around every Israeli brain. If they are challenged, here we go, hate speech, censorship, and who knows what else?

And this is not fake or vain statement. This is actually admitted in video evidence by Jewish Rabbis in front of the wailing wall in Israel.

They will of course keep at pushing things, as they know the dat they are sitting down for judgment, there is only one way humanity will want them to go...

Of course according to them this is "terror attacks". Soon if Jews get the flu, or slip and fall down by themselves, it will be a terror attack as well. Then they will point a finger and the stupid giant enslaved countries will take them down or something.

The RTRs have been tried to be eradicated from the net by the enemy, as these produce blatant results. Hell has been let loose, because the RTRs are in many ways also reversing the crimes of the enemy upon them.

As Wildfires Rage, Israel Suggests Arson and Asks for Foreign Help

<http://mobile.nytimes.com/2016/11/24/wo...fires.html>

From another news source...Notice how they of course use more kabbalistic, mercy inciting spells. Notice the 6 right here...

"Every fire caused by arson or incitement to arson is terror and will be treated as such accordingly," he told reporters in Haifa near the scene of the fires.

More than **60,000** people have been evacuated from their homes in Haifa, its municipality said, while other fires broke out occurred up near Jerusalem and other parts of Israel.

There are also many more news around.

Israel is on Fire.

Keep up the schedule everyone. We must fight for our freedoms.

Satan Is God, The Word Of Life, And The Name Of The Original Religion

In ancient Egypt SATA is the name of the creator God, this also relates to the concept of the Serpent Genie. However Genie is a English spelling for Jin which is originally Jat or Jot as a letter. And Jat means "Power" in the concept of the power of god, the creator god which is the serpent SATA. The locks of Shiva which represents the serpent energy flowing freely out the crown and thought the soul are called JAT-a's in Sanskrit. This relates to the serpent power.

SATA means the Serpent Power, Serpent Creator. In Hinduism we note the original head god is considered as the incarnation of the Cosmic Serpent.

In Sanskrit SATA means "Saviour" and is the highest name of god.

In Egypt the stated name of the Perfected soul is Sahu however this means the soul that stands up straight, upright. TA means stability, uprightness in ancient Egypt. The TAT pillar is the symbol of the upright and reborn soul, literally. Note the T rune or Tyr is the Cosmic Pillar as well the spine. SA also means soul in Sanskrit ones SA-dharma is the term for their soul nature. We still say Soul the S. SA also means sun, the inner sun of the soul.

SATA is the title of the perfected soul. SATA means Saviour in Sanskrit and thus SATA is the one who is saved. Which in the ancient Greek means "To be Made Whole." Sator means saviour in ancient Greek its SATA-r. Or to achieve Yoga, union. The Magnum Opus. Which is performed by SATA. The word holds the power of the meaning. The ancient religion was called SATYA which is the SAT which SATA is the full spelling of. And YA which adds power to the name. Like Ramaya or Shivaya. Its a common title for the God's name in Sanskrit. The concept of Satori in the Far East relates to this. To become enlightened.

SATA-ya is the name of the ancient religion, later it become Sanatana Dharma. The meaning of Yoga is the meaning of to be made whole or saved in Sanskrit hence SATAYA the religion. The perfected being. Which is the point of the ancient religion to be made perfected by the serpent power.

The two mantra's that contain SATA within it.

In Sanskrit Atman means "soul" however this is properly spelled out to ATAMANA, the SA letter however means soul. This is SATAMANA. The mantra SATANAMA which is homage to the God Sata. Is for the centers in the head. MANA means moon in the east and west this is the MANA rune as well and also means Moon. The Moon is the sixth chakra. However the pineal gland and crown are also called the Soma meaning Moon chakra. They are interconnected. MANA relates to the union of male and female as well hence the Sri Yantra which for the Soma chakra is the union of Shiva and Shakti as well, where the ying and yang channels meet in the center of the head with the central channel. The chakra on the forehead is also called the Manas or Mana point.

Note the ideal of the Atman Linga, if you study Vimana the science of Temples and their meaning. The main tower in which the Atman linga is kept represents the head of the deity wearing the Meru crown. The inner sanctum where the linga is kept represents the optic thalamus with the linga being the pineal gland. SATAMANA is what this symbol of what the Moon chakra is called. This is why you see the linga many times with a human face on it. The head and the chakra's within it. And the awakened consciousness from such fully activating such.

Para Atman is a name for god in the east however this is Para SATAMANA.

With SATANAS:

SATA means the serpent power, serpent creator. However SATANAS the NAS means serpent as well. The N letter relates to sparking things into the material realm as well. The bull is Naudi and this relates to the earth element but also sound, spirit and the energy channels within the being. Naudi becomes Nauthi in the runes and is about the fire of creation into the material. N relates to volting things into existence in the east. NAS is the ancient spelling of the N letter in Phoenician which came from the east and was altered to Nun later. SATANAS is about carrying the energy into the physical body and opening the nadisnadis with this. The S letter the SA opens the nadis as well and brings in the breath of life the serpent energy, the fire of the SA is the fire of the soul. The T sound is about opening the nadis further into the physical body and the NAS the final volting and grounding. Working to unite the soul and body into one ascended form.

Note the mundra's for SATANAS relate to purification of the five elements the five great lights which manifest the soul.

SAT-AN also means simply The God SATA. And is a title for the head God of the ancient world. AN is the ancient name for the Gods. The AN's... SATA-AN. SATA is a god name evidence by the Sataya mantra for the head god and is placed in the crown chakra in the east. And is the name of the ancient Religion.

Satan was the openly acknowledged title of Enki the head God of the Sumerian's. That is why the Yezidi still worship Satan under the name Satan, they stated they were part of the Sumerian, Babylonia culture that Enki was the head God of. Satan is still a surname for Hindu's as well. And the Yezidi came out of ancient India by their own records.

Subject: Reverse Torah Ritual Schedule [Nov 30 to Dec 5]

Reverse Torah Ritual Schedule [Nov 30 to Dec 5]

**

Greetings to all our People and Satanic Comrades.

This is the New Schedule for the New Date of Nov 30 to Dec 5. We will then go with another schedule.

This schedule will be broken in three parts, because its in our interest to do this that way for maximum effectiveness.

Until the 3rd of December, these will be the following Rituals we should be doing, as the signs are favorable. Exactly when the moon goes into a powerful position for warfare, we will be doing tough warfare on the enemy for the 4th and 5th of December. We need to keep these short and not give the enemy time to prepare, as this will make them go prepare for what we are about to do. We are, and we must be, unpredictable. In the scope of 5 or less days they won't really have any time to do this.

The "Standard Priority Ritual" will be the Communications RTR. This must be done everyday, or at least every other day (very frequently, no matter what). This is crucial as the jews are going over a 'muh feelz shut it down' rampage, which is their spiritual and ideological death gasp of trying to maintain power over information.

Priority Rituals until the 3rd of Dec- These are to charge us up for the spiritual carnage and annihilation that will follow for the enemy:

1a. Reverse Torah Ritual: Serpent Empowerment for Gentiles [This one is very small and very potent]:

<http://josgreece.angelfire.com/E712.html>

2. Reversing the Curse Upon the Serpent:

<http://www.angelfire.com/wizard/pixie66...Ritual.htm>

3. Communications Reverse Torah Ritual:

http://dawn666blacksun.angelfire.com/11_9_Ritual.htm

4. If you have time, add the Curse Israel RTR which is also extremely effective and helpful for us.

For the 4th and 5th of December we will be going relentlessly for these Rituals:

1. CURSING THE JEWISH (((GOD))), RITUAL ONE

http://dawn666blacksun.angelfire.com/Ritual_42.html

2. Reversing the 72 Name of (((God)))

<http://www.angelfire.com/wizard/pixie666/72.htm>

Below are the texts to the respective Rituals, in the same order as they are above.

Until the 3rd of December:

Reverse Torah Ritual Schedule [Nov 30 to Dec 5]

**

Greetings to all our People and Satanic Comrades.

This is the New Schedule for the New Date of Nov 30 to Dec 5. We will then go with another schedule.

This schedule will be broken in three parts, because its in our interest to do this that way for maximum effectiveness.

Until the 3rd of December, these will be the following Rituals we should be doing, as the signs are favorable. Exactly when the moon goes into a powerful position for warfare, we will be doing tough warfare on the enemy for the 4th and 5th of December. We need to keep these short and not give the enemy time to prepare, as this will make them go prepare for what we are about to do. We are, and we must be, unpredictable. In the scope of 5 or less days they won't really have any time to do this.

The "Standard Priority Ritual" will be the Communications RTR. This must be done everyday, or at least every other day (very frequently, no matter what). This is crucial as the jews are going over a 'muh feelz shut it down' rampage, which is their spiritual and ideological death gasp of trying to maintain power over information.

Priority Rituals until the 3rd of Dec- These are to charge us up for the spiritual carnage and annihilation that will follow for the enemy:

1a. Reverse Torah Ritual: Serpent Empowerment for Gentiles [This one is very small and very potent]:

<http://josgreece.angelfire.com/E712.html>

2. Reversing the Curse Upon the Serpent:

[http://www.angelfire.com/wizard/pixie66 ... Ritual.htm](http://www.angelfire.com/wizard/pixie66...Ritual.htm)

3. Communications Reverse Torah Ritual:

http://dawn666blacksun.angelfire.com/11_9_Ritual.htm

4. If you have time, add the Curse Israel RTR which is also extremely effective and helpful for us.

For the 4th and 5th of December we will be going relentlessly for these Rituals:

1. CURSING THE JEWISH (((GOD))), RITUAL ONE

http://dawn666blacksun.angelfire.com/Ritual_42.html

2. Reversing the 72 Name of (((God)))

<http://www.angelfire.com/wizard/pixie666/72.htm>

Below are the texts to the respective Rituals, in the same order as they are above.

Until the 3rd of December:

Reverse Torah Ritual: Serpent Empowerment for Gentiles

MAHT-OHT-AHMTEH NOHR-HAH-AH AYT-HAM AHL-VEE-IVE MEEN-EEN-AHT-LUH UUY-
HEEY-IVE UUUH-AYT-HAM SHEEE UUUKH-EEL-SHAHY-IVE

After vibrating the above paragraph 18 times, state with conviction 18 times:

Vibrate AUM

All obstacles are totally, permanently, and completely removed!

Satan is fully empowered!

Satan has Supreme and Invincible Power

Satan's Supreme and Invincible Power is Forever!

Vibrate AUM

[*All of the above together is one round]

HAIL SATAN FOREVER!!

End of Ritual

Reversing the Curse Upon the Serpent

Vibrate the following paragraph of words 9 times:

AHKH-YEHY-AHKH YAIM-UHY--LAHK LAHKH-OHT RRAHFF--AH--AYV

Vibrate AUM

Then state with conviction 18 times:

The Serpent is free. The Serpent is exalted. The Serpent is forever!

Vibrate AUM

HAIL SATAN FOREVER!!

End of Ritual

Restoring Communications RTR:

All you need to do is vibrate the paragraph below 9 times:

AYF TSEHR--'AH--AH--LOHK YAIN-UP--LA'--

After vibrating the above paragraph 9 times, state with conviction 9 times:

Vibrate AUM

The Jews have lost all control of the media and of all communications totally, completely and permanently

All media and communications are now free for Gentiles

Vibrate AUM

HAIL SATAN FOREVER!!

End of Ritual

For the 4th and 5th of Dec:

[: JoyofSatan666](#)

Greetings to all our Satanic People and Comrades!

Today is a happy day for everyone, as we are going open with an online store! Bear in mind that this is only just opening now, so many of the products aren't even listed yet. However, there are a few listed, and many more are going to come. It will constantly be updated with new things added!

We will have Android Apps, Services, e-Books, and many, many other interesting things so make sure to check frequently. You will all be notified with updates from here in regards to that, and these will also be frequent.

Unfortunately there are only 24 hours in a day. While most of these hours I devote to work for all of us here, now, some of these hours will be going for services and other beautiful things to make everyone's Satanic journey more easier and fun. There is tireless work going into everything, for all of us, and for Satan and the Gods.

I have named this after Azazel, as he has been really helping me with setting up everything,

guidance, and support. This has been published in literally, record time, and under extreme pressure.

What's good is that what's in the store right now is on the a discount, and will remain so until a few days. The plan is to keep expanding the store and gradually, I will be uploading more services and more things there. As all of you here know, that's a busy job, and you all need to be understanding. There will be updates, things may move around, or be changed, however- all orders placed will be executed 100% as they should. The changes will be expansive, and only dealing with the layout etc of the webpage, new additions etc.

With that being stated feel free to go browse and shop anytime!

By the way, as a celebration for the opening of the store, I put something that is free, as a gift for all of you. Its an Android App called "RTR Veteran". RTR Veteran is an application to help you do your RTR's, provide you all the info required, even have the audio MP3's in it- all of that offline, and from the comfort of your smartphone.

Here is the link to the store:

Subject: Pizzagate			

Pizzagate

With the Pizzagate scandal making waves the American People are now observing something. The

political establishment in Washington is more criminal than they thought.

The question is who runs the political establishment in Washington?

Now you know why every President hopeful has to be approved by the Jewish Lobby that controls Washington, AIPAC. This is because America is owned by the Jewish oligarchs from the top down. Starting with the Federal Reserve which owns America and the money supply. Money is the god of the world, if you control the money you are god on this world. Look no further than the Rothschild's, Warburg's, Goldman Sachs, Rockefeller's and on. All Elders of Zion.

This also goes to the emails that were leaked on DNC boss and Washington chief, Tony Podesta, who attends strange code word parties with his brother. That are hosted by the owner of Comet Pizza, the owner of which is dating a DNC elite, media elite, David Brock who has been convicted of pedophilia in the past. This Comet Pizza has strange art on its walls you can look up for yourself, that points to sexual abuse of children. Its literally graphic images of sexual abuse of children. Hanging right on the walls of the Pizza place. Comet had this up on their media. They quickly took it down when the scandal came out. There is also evidence of them putting coded symbols for pedophilia into their logo's.

Note Tony Podesta is praised as a "Friend of Israel" in the Jewish Press. Because those are his Washington masters:

<http://www.jewishpress.com/news/breakin ... 016/10/27/>

"Podesta and Jake Sullivan, Clinton's likely appointment for National Security Advisor (he is currently serving as Vice President Biden's NSA), are considered friends of Israel."

Tony Podesta also has strange art in his home he is proud of. Such as a statue of one of Jeffery Dahmer's victim's that is headless hanging from the roof of the ceiling in his home. Dahmer [who had Jewish blood] was a child rapist and murderer in general. There is also evidence Dahmer worked as child procurer for some powerful people where he lived. And guess what ethnic group that might have been made up of if one looks into.....Jews.

Podesta statue made from the police photo of one of Dahmer's victim:

Note this Comet Pizza has held major fund raisers for the Democratic Party and has major donations made to it from Hillary [who is Jewish] who we know her and her husband, Bill. Both made regular visits to Jewish Epstein's rape Island, who is a convicted pedophile, Mossad agent and was charged with sex trafficking as well. The Jew, Sorro's, organization has also made donations to this place. If one pulls up a list of names connected to this Comet Place you will find a lot of Jewish names as well. A lot of Washington's elites have attended these strange "Pizza Parties" Obama paid 65,000 dollars for "food" orders from this place for one of his elite White House Parties. Many have pointed out the different names of food are code words for children. Pizza is code for female children. There are tunnels under Washington, and its believed they are also being used for such criminal enterprises. The owner of this Comet Pizza, is listed as one of the most influence people in Washington. Do you think they really just like the food there? Or is he providing something else?

This is not just the Democrats either in the late eighties the Franklin Credit Union, scandal came out showing the Republicans establishment is also involved in such. The G.O.P, Jewish boss, Roy Cohn was believed to have been a major figure in such.

The Jimmy Savile, scandal in Britain showed the same. Savile was untouched his whole life despite

being a known sexual predator because he was a child procurer for the British establishment. Any investigation into Savile was shut down by the higher level political's in Britain in his time. Prince Andrew is also know to have visited Epstein's Island. Its well known the Jewish Rothschild's control the establishment in Britain. They even brag about it. Along with other Jewish Banking elites.

Remember the most notorious convicted Pedophile in recent history, Subway clown, Jewish, Jarred Folge. Its obvious he was part of a larger pedophile ring that was kept quite. Folge was given a slap on the wrist compared to his crimes as well. We also know that Jewish owned Hollywood, which the Jews brag in the Israel Times is such. Has always been a pedophile elite of Jewish sex predators. Its well documented the sex slave trade is run out of Israel, and the Jewish mafia in Eastern Europe was caught in a snuff film operation where they kidnapped, torcher, rape and murder children on tape for 20.000 dollars a tape. Mostly to other Jewish clients.

Jewish control of the sex slave trade:

[topic145.html](#)

Then there is the reality of ritual child sacrifice the Jews have even admitted themselves to have engaged in. The command to do such is part of the Jewish religion right in the Torah. So is raping children.

Jewish ritual murder and snuff film rings:

[topic580.html](#)

Nambala the Pedophile rights organization that wants to legalize raping children has always been run by Jewish bosses. The symbol of Nambala was also being used in the logo's of this Comet Pizza.

This goes into the nature of the Jewish mind and the religion they created for themselves:

Because as below their Jewish holy book the Talmud, shows raping children as young as three is a moral act for Jews:Note Xian is code for Goyim at the time because for the jewish rabbi's xianity is the religion for controlling the Goyim by the Elders of Zion....

The reason there is so much pedophilia in the Establishment elites, power structure is simply because its the Club of Judah. Who's in their racial, ethnic religion this is normal behaviour. Its just Judaism.

The other reason is as the Rabbinical Jew, Adam Weishaupt who was an agent of the Jewish Rabbinical class, Rothschild's and the globalist agenda of the Jewish race, which is the Torah.....Stated:

Its the system the Jewish elites use to recruit morally corrupted and easy to control, Goyim servants to act as front and middle men for the Jewish power establishment. This is why Epstein is also a Mossad agent. His Island is a blackmail center to maintain control over the establishment for the tribe.

Subject: Who is Satan?			

Who is Satan?

The Ancient Sumerian's worshipped the creator of Humanity as Enki who they stated created the race of Adamu [meaning humanity] and into their blood Enki put the secrets of the blood of the

Gods. And in doing such Enki created the new race with a special spiritual purpose, to ascend and become shining ones [God means shining one in the ancient language]. The Creator God, Enki was also called Satana by the ancient Sumerian's. This is why the Yezidi People who live in north Iraq, still worship their God as Satan. The Yezidi people stated in their own records they were part of ancient Sumeria and Babylon and are the first humans. The Yezidi's state before being in Sumeria they migrated out of ancient India. You can still see their religion in Hinduism in India. In Hinduism the highest name of God, the saviour God is SATANAMA this is Satana....ma. This is the most sacred mantra in Kundalini [serpent] yoga the science of true spirituality and liberation.

Satanama is the highest mantra in the original Yoga and is made to transform one into the light body. It means SA birth, TA, life, NA transformation, MA rebirth. However if one pays attention they will note Satana to the ancient Egyptians, Greeks, and Roman's who came out of India from their own texts. Call Satana, Satanama..... the name SATANAS.

SA is birth and rebirth is still birth. SA birth, TA, life, NA, transformation, S, rebirth. The name of Enki, SATANAS is literally the mantra of the light body, the serpent energy. In ancient Sanskrit the sacred language of Hinduism, SATANAS is the mantra of the elements of the soul and their transmutation into light.

The name of the ancient religion was SATya, which is Sata ya. Which is named after Sata...na. And holds the same meaning: Eternal Truth.

The Yezidi and other surviving ancient cultures such as the Mandaean's state that Enki, Satana created humanity not in the near east but in the far east. In the garden Paradise of Sri Lanka and that Satana came down from Adam's peak and taught the race of Adamu the sacred spiritual knowledge of liberation, ascension to the light body. The Hindu's state that Sanata created the Adimu and Eva in the sacred Garden of Sri Lanka in the golden age. When Sri Lanka was part of a larger continent called Kumara Kandam, The Land Of Immortal Serpents, in the first Sangha. When Satana and the other Gods lived physically on earth and had a civilization here. It was in the first Sangha they taught humanity the science of the light body ascension.

The Shivanolipatha Malai, the most sacred mountain in Sri Lanka is still called Adam's Peak by those in the Near East in ancient memory that this was the mountain Satana descended from to teach mankind the light of the soul. Satana is still worshipped by the Sri Lankan's as Sanata/Murugan. The Visnu Purana's stated Sanata is the original God all cultural images of Hindu leader Gods go back to, including Krisna.

Satan is still worshipped in Hinduism as Sanat, note the Peacock and Serpent of Sanat are the sacred symbols of the Yezidi's, Satan. And the Yezidi's came from India from ancient Hinduism. The Satya.

If we look to ancient Sumeria which was part of a much larger culture that migrated out of the ancient east. We find something important. Satana, Enki was shown as a serpent, called the Serpent of Fire, around a tree. He is shown instructing Adamu and Eva in the knowledge of ascension. Sometimes He is shown as a physical man carrying the Waters of Life. As Enki is the God of the Waters of Life in ancient Sumeria. However water is symbolic in the spiritual texts of the ancients for spiritual fire. The Waters of Life is the fire of life. The Serpent of Fire. For it is by fire all life is

made perfected and reborn in eternal life. As the ancients stated.

The Garden of Eden is symbolic its originally Mount Meru in the east the four rivers running into it with the sacred tree at the center, the spine. The tree has a man on one side and a woman on the other. The male and female half of the soul and body which meet at the sushuma the center channel in the spine. Eden means Abode of the Gods. Here Gods are simply allegory for the Chakras which reside in the garden, meaning the soul.

In Hinduism in the east there are images of a woman sitting under a tree holding an apple with a serpent in the tree. The apple represents the symbol of Akasa which is the spiritual god the divine element. The message is the Shakti energy, the serpent transforms the soul. The union with Adamu and Eva with the apple is the union which transmutes spirit and matter the body and soul into the light body. This is when they realize they are naked. To be naked in Hinduism means Kechari to be sky clad, literally. This is the symbol of the rebirth into the ascended state in Hinduism and ancient Sumeria, Egypt and elsewhere. This naked state of Adamu and Eva was called Aurum in the ancient texts meaning "Shining light." Spiritual rebirth.

Enki is also spelled ANKI in Sumerian which becomes Ankh to the Egyptians. The Ankh, Anki is the symbol of immortal life, the light body. Anki, Satana is the God of Life, the God of Light. Which humanity is supposed to have.

Later when Judaism was created it stole the spiritual cultural texts of the Sumerian's [they even stated Abraham came from Sumeria] and corrupted them and into this poured the lie that humans are cattle slaves of a new god, Yahweh and that the ultimate sin the human could reach for was the light body, true freedom. Yahweh openly states in panic if Adamu and Eva eat from this tree they will become Gods, Shining Ones and he will not be able to make them cattle slaves. They will have true eternal freedom.

This becomes obvious again in the story of the Tower of Babel. Babel in the ancient near east is the name BAB the serpent goddess and El, shining one. Babel is the shining serpent. Its also called the Serpent or Fish tower. The spine. The tower the ancient peoples were building is the raising of the kudanlini serpent up the spine to enlightenment. Then enter Yahweh who with a council of other beings openly panics and repeats the exact same statements it made in the Garden of Eden. If humanity finishes that Tower they will become Gods, Shining Ones and he will not be able to make them cattle slaves. Then Yahweh openly attacks humanity and destroys spiritual knowledge to remove spiritual power from humanity. To make humanity his cattle slaves. Which is what Judaism, Christianity and Islam are all about doing. The Jewish Torah the blue Print of Christianity and Islam. Orders the extermination of all the Pagan nations, the extermination of their cultures and the slave subjectification of them to the yoke of Yahweh and the claimed Chosen People. Referring to non Hebrew humanity as literal excrement and animals of the field, cattle put here to be ruled over by the People of Yahweh with a rod of iron in a Hebrew dictatorship of mass murder, enslavement and rape. This book the Torah even sanctifies ritual child murder and cannibalism, just check the story of Japhet. The most sacred ritual of the Christian is gathering around a ritually murdered human on a gallows and then drinking his blood and eating his flesh while chanting they are domesticated slave animals [sheep] of Yahweh, what do you do with sheep? the same thing you do with cattle, slaughter them, work them and herd them. This ideal is from Judaism which uses human and animal ritual murder to appease Yahweh.

Satana [its also spelled Satana not Satan in Hebrew] means Enemy of the Jewish People in Hebrew. And in the proxy death cults of Judaism which equal Jewish control, that of Christianity and Islam. Satana by the confessions of the very people who brand him evil in their Torah..... Literally Satana

is the enemy of injustice, ritual child murder and cannibalism, enslaving humanity, extermination of human beings and animals and all forms of filth in the book of evil the Torah, Bible and Koran. It was not Satana who orders people to murder all people who will not worship him. It was Yahweh in the Torah, Bible and Koran. The Jews called the Gentiles the non-Jewish People the literal blood children of Satana in their Talmud and Torah and state we are to be physically exterminated and enslaved.

The God Satana is Father and Friend of Humanity, His very name means "Saviour." Standing with Satana is standing with life, truth and the eternal way.

Subject: "How Dare you, Goyim?"

"How Dare you, Goyim?"

Greetings to all our People and Satanic Comrades!

Since our recent endeavors, 99.8% of people have been very happy, and that is for a good reason. 0,01% have been worried, so this is to clear up some things, because we care and try to do the best for everyone. The 0,01% of the rest angry jews, is for mockery, so I do this post for a multiple purpose. We are expanding, we are becoming more powerful, and this should make everyone happy that loves Satan and fights for our side.

This is however to deal with some infantile intelligences going on around (probably Rabbis in this too) who have been 'disappointed', 'angry' and even sent me disturbed e-mails, which I really was rejoiced to read.

Know one thing, the boat has set a-sail for Spiritual Satanism, and there is no going back now. Judeo-crap and excrement is going on its way home day by day. The old enemy of the Jews, the eternal Truth, is rising, and is now planted soon in every household, in the internet, in the future who knows, maybe even printed material, and maybe one day in new megalithic structures like the Pyramids, which the jews considered 'defeated civilizations'.

You see the jews, and their demented slaves, or biblical retards, are very afraid, and always try to guilt trip the Goy, bad mouth those who work to set others free. My store has received this, and I have also received this personally over all these years. Why do I even bother? Why don't we just quit? Why the fuck do you do all that you do? Do you love these people? People are born (((Schmucks))) and (((Shlomos)))! Not worthy of anything!, goes the jew shitting feces from its mouth. No hope for the Goyim! Please quit all endeavors now before it's too late! Ever thought about the potential (((Dangers))) that are a-head for you? The lines go endless...

The same thinking behind everything is the old, jewish thinking, and for everyone studied the enemy, clear as sky. I received an e-mail on how the RTR Veteran has to be REMOVED RIGHT

NOW from all cellphones! Very bad move here! You can, with a few taps, curse jews to oblivion! Insolence! Another fiend sending the e-mail also told me, how "DARE I" make something such as this (threatened me as well he is going to start rumors- I can always take extra publicity so by all means I told them please go ahead), and then went into a Rabbinical rampage. He even got angry that we have cellphones.

I am not joking here, he said cellphones promote "laziness" and that all spiritually advanced people shouldn't have a cellphone! It must be the cellphones, that's for sure! Its not the chemtrails, its not the mass pharma rampage and nathanael shekelstein writing prescriptions to dumb people down! Of all the places in the planet, the RTR app is the evil that must be weeded out! Throw it away Goyim! No internet, no messaging, NO COMMUNICATIONS! How dare the Goy have cellphones anyhow?

How dare you not put your name on the internet so the jews can show up at your door and kill you if you have a contradicting opinion, exactly as the TORAH justifies? What the fuck is this Goyim invention called "Anonymity", behind which Voltaire and so many Bad Goyim have changed the planet by corresponding to one another to bravely overthrow jewish xian, church tyranny? The TORAH says (((GOD))) is omnipotent and must know everything! Of course, the pedophilia rights, druglords, and all the jewish crimes dont' get into that, as remember, the jews say they are "God" and beyond judgment from the "Goy", who are not better than cattle.

These are definitely the end-times, oy vey! We had the Goyim in the cattle Middle Ages, blowing jewsus the hoax (((king))), and we were (((kings))), and now, the Goyim are exiting the stable en-masse! This damned RTR Veteran app is also offline, so if we want to DDOS attack the JoS webpage on a scheduled attack day, we now can't! DIS ANNUDA SHOAH!!! Get off the internet! Go back to church, and your local school, and learn about the holohoax already! 6 TRILLION DIED YOU BIGOTED BIGOTS!!! You need to be put in a re-education camp already! This is for your (((Freedom))) of thought!

Yes, let's run for the hills, leave the internet, leave the groups, leave the cellphones, and leave the war effort all together. Don't you dare own any lands, or have a good, decent, humane job. Make sure to go to China, and register there as a worker! Otherwise you are unethical. Little do these jews understand that I don't have their jewish ethics, which is the scariest thing, because I project this to others as well, and because all of us teach them here about the NS, which focuses around personal ownership, gun ownership for citizens, personal wealth, family fortune, Satanism as a religion, and all the other "Satanic" things that make the jewish advance impossible.

Let's go into the mountains and wait for the Gods to descend with the spaceship, and stop fighting for Humankind's destiny. How does the other line go? "Jewsus is coming to save you and save your soul!". (((Stop working on meditations right now Goyim!))). Why should we do that? Because a random kike said so- that's the (((Reasoning))) behind it. Satanists must stay low, retarded, idiots, even impoverished, homeless, uneducated, or whatever else, and for those who have anything, just become a dumb, carnal goth carnival, and spend your whole existence just looking for sex and drugs.

After all, what's a better REVENGE AND VENGEANCE from the SLAVE RACE of the jews, than attacking the children of SATAN, and seeing the Gentiles grovel in all of these ACCURSED levels of existence? This is how the jews get off, by corpses, impoverishment, starting wars, and obliterating their enemies with SLOW, gradual suffering. Thats the 'idea' of the jewish (((Satanism))). Nothing more pleasing to the enemy than to see everyone grovel in things the jews solve in 5 minutes time. This includes bad health, slow decay from drugs, impoverishment, illiteracy, the list goes, and everything else. (((Paradise)))!

I have a different idea, and Satan and the Gods have a different idea, shared by all people who know Satan personally. Satan shows the TRUE WAY.

Our job is to build the new spiritual healers, that will heal people, the new lawyers, lawmakers, judges that will judge correctly, the new scientists that will cure humanity, the new intellectuals that will be writing honestly and without garbage and really be looking into the universe rather than the Jewish Torah. Don't we dare! Let everything to be taken over, looted, and destroyed by the Jews, everyone. Lower everyday your hopes, work, ideals, and deeds, and of course, don't have any aims for your, according to the Jews, purely aimless existence! Otherwise as HP Don said, you have a pocket full of -ism coming. Racism, bigotry, Jew talk, the list goes.

So, to give you an example, I have seen the codes of many apps from the Appstore, and mind you, all apps dealing with planetary times, and the such, belong to KOSHER RABBIS, yes, KOSHER. Of course, Rabbis make millions out of that, all to funnel this into the morbid kike they worship, and enslave the planet. After all, who of the "Goy" would even NEED or KNOW what PLANETARY hours are? Where would they learn this? In the (((Library))), or at the (((University))). OF course these were goodies only for (((Freemasons))), (((Illuminati))), and all sorts of other Jews who are right now swimming in gold bathtubs in the Vatican, or the elite 'Jesuits'. These are not for the average man. Astrology? Didn't we kill ALL astrologers in the middle ages? Why do they still exist? One kike wonders now...

The child molesting rings, and who knows where else. Totally ethical, acceptable. We are to where, for example in Europe, one UTTERS their need to PROTECT THEMSELVES and their EXISTENCE from these PREDATORS, and the SJW, whoredom, wants to stone them in the village. Middle Ages number two is coming, this time with Technology to back it up real hard. This must be stopped.

Meanwhile the poor Goyim, are slowly giving their rights away, thinking that being a wealth hating person is a virtue, and practicing xianity 101. Look at Palestine. They did a very good thing to let up all their wealth, Pagan culture, and Pagan Ethics. These people are living amazing lives now, living in a Jew promised and Allah Promised, Jew-topia. Yes, wealth is extremely evil. Little do people see however how lack of money is used to always coerce, control, enslave, and force Gentiles to do whatever the Jews want. This is the first step to slavery.

However, when one kike Rabbi will fall ill, here will be the others to funnel millions on it to save its life, and when they will have any issue, the experts will be here as well. What about Satanists? Some "Satanists" are still groveling in the shit of inferior morality left back by Rabbis, to deceive the "Goy", and have more new-testament in their heads, than Al-Jilwah. And we have a 0.01% being avid in the loyalty were concerned, so I answer this for them.

As for the rest, you are dealing with personal hangups more than anything. Haven't these retarded people noticed, that criminality, illegality, and all sorts of disgusting, inhuman crap, from which the Jews profit endlessly, are mainly due to the fact that Jews are absorbing the wealth, and that people are very poor? Why since we have so many 'people caring (((institutions)))', the streets are still filled in so many countries with people in rags? This is what happens when Jews own the wealth of the world. How are Jews going to make their giant colossal, communist garbage, or slavery companies, without the people being conditioned by xianity to give up their wealth, and do nothing? Jews are a race conditioned to own slaves, and this is their culture: how to turn people into slaves, and then use them as cattle.

This is however no different on the scorning that went for Henry Ford, or many other special Gentiles who invented human rights in the work place, and all sorts of other great reformations that thankfully still exist today to help us, instead of being cattle in Stalin's fields. Of course, the intelligent kikes have the "Xian NS" rigged by these dumbos, new testament thoughts. Be poor goy! Love Rabbi Jesus Goy, He will provide! You are a traitor to the NS if you own anything Goy! Stay away Goy! NS is the poor man's pride Goy!

However correct, National Socialists and Hitler worked to save this. The distress is turned into work

and labor, the labor turns into fruit, and fruit is supposed to be eaten. In National Socialist Germany, not ONE person was to die from hunger, be homeless, or be unable to buy things, or get a job. The jews purposefully hide the history on the wealth and the joys the National Socialists had, because if that goes out in the public, people will want immediately OUT of the jewish system, where 0.1% jews party, and 99.9% Gentiles are in total despair. The jews rushed to totally annihilate this system, before it did spread to the rest of the world.

Don't have children Goy, live the special life instead! Don't pass Satanism down to your children Goy! But scat on gold paper on e-bay for 100000 Goy! Buy drake's new CD goy, so he can shove in your face how superior and amazing jews are!

Humans are slowly being conditioned into not owning things, and this bleeds over into a false ethical paradigm. Ethical is not the Satanist who tried to play Rabbi Jewsus christ. Ethical is the Satanist that advances Satanism, is a positive influence for all others, or at least advances without causing issues, and make Satan and the Gods proud. For those working on special jobs (we have our people everywhere) that deal with the physical realm, be unrelenting. Grow, and become powerful. The positions of actors, CEO's, Lawyers, and high laborers, or even Rockstars, do *NOT* Belong to the jews. Their jew-monopoly has to be broken.

How dare the Goy create a Hitler! How dare the Goy remove a country from Jewish control! How dare the Goy vote for Britain leaving the multicultural and bright, EU, that ensures that children will be raped on a daily basis? The "how dare's of the jews" are a Satanists ASSWIPE!

Now this should be clear as sky for our Satanists who are deep into finance, law, politics, and the VIP's, down to the last person working for daily pay. In Satanism we place the Soul, spirit, and what one gives CONCRETELY first, but here and now, in 2016, other things have to happen. For those groveling in illusions about how everything will happen 'on its own', it won't. You are part of that 'on its own'. In the future, no Gentile Satanist must be struggling, let alone poor, uneducated, or be left without the ability to advance their Soul. The JoS wants to consolidate this basis forever, so that Souls who reincarnate will not be going useless lifetimes without spiritual advancement. This is for SATANISTS.

The enemy is really afraid of Satanist who take the wheel, help others, assist the war effort, and expand our cause. They show this to you astrally, and whatnot. While the jews program the goyim in servitude, getting nuked and loving it, sadomasochism, and on other bull crap how "Money Corrupts" and "Money is the Source of All Evil", the Torah is a manual for the jews to become rich, and famous, and get everything else in their life. They have whole textbooks, guiding their kikes since infancy, into riches, wealth, and power. The universities that they have taken over, the churches, and all other organizations, produce these members.

Now, when jews do that, everything is OK. After all, its to be expected. When jews own the radio, the countries, the states, and are trying to plunge the internet and make it a second jewish toilet, all fine. The bottom line, all "Goyim" need to be out of the game, and not even bother. Why the fuck, HP Hooded Cobra, you do paid services now? Are you planning to put ads into the internet, and promote the JoS? Are you planning to make cursing the holy jews, a piece of cake? What else? Why are have you filled half of Satan's library without getting a penny? Why are you even doing that?...These are questions Rabbi Nathanael Shekelstein would really like answered.

Of course, the motto here is the same. If "GOY" dare compete with the 'holy people', if Goyim dare to dream to go into universities, build businesses, ask for good workers rights, do RTR's, and DARE reclaim their nations, and even their Soul who has been robbed from jokehova, you are CRIMINALS. Didn't you know 6 trillion died from Hitler's evil rockets to defend the German people from Soviet Domination. It was Gods plan, how dare this person raise a head and make Germany Wealthy, Powerful and Strong? Very evil person.

This is why people like Hitler should never have rockets. People like Mao, Stalin, Hoxha, Castro, wealth, riches, weapons, powers, should be in their hands for ever! Why do you even have websites up, providing all these material for free? You know other (((churches))) have a mandatory three digit registration fee. Why do you give these for free?

Satanists are the wolves that will take over the game, and shatter it, rip it apart, but many also forget, re-order the rules of the game and create a new one. From within? From without? In what methods? These are for you to decide, and everyone makes their decisions in what degree they are going to play, and what they are going to do, in accordance with their personality, traits, and strengths. All of us take part in the spiritual, intellectual, and every other warfare, and those who don't bother or don't give one damn in a year, you won't be given one damn in a year as well.

Greetings to all our People and Satanic Comrades!

Since our recent endeavors, 99.8% of people have been very happy, and that is for a good reason. 0,01% have been worried, so this is to clear up some things, because we care and try to do the best for everyone. The 0,01% of the rest angry jews, is for mockery, so I do this post for a multiple purpose. We are expanding, we are becoming more powerful, and this should make everyone happy that loves Satan and fights for our side.

This is however to deal with some infantile intelligences going on around (probably Rabbis in this too) who have been 'disappointed', 'angry' and even sent me disturbed e-mails, which I really was rejoiced to read.

Know one thing, the boat has set a-sail for Spiritual Satanism, and there is no going back now. Judeo-crap and excrement is going on its way home day by day. The old enemy of the Jews, the eternal Truth, is rising, and is now planted soon in every household, in the internet, in the future who knows, maybe even printed material, and maybe one day in new megalithic structures like the Pyramids, which the jews considered 'defeated civilizations'.

You see the jews, and their demented slaves, or biblical retards, are very afraid, and always try to guilt trip the Goy, bad mouth those who work to set others free. My store has received this, and I have also received this personally over all these years. Why do I even bother? Why don't we just quit? Why the fuck do you do all that you do? Do you love these people? People are born (((Schmucks))) and (((Shlomos)))! Not worthy of anything!, goes the jew shitting feces from its mouth. No hope for the Goyim! Please quit all endeavors now before it's too late! Ever thought about the potential (((Dangers))) that are a-head for you? The lines go endless...

The same thinking behind everything is the old, jewish thinking, and for everyone studied the enemy, clear as sky. I received an e-mail on how the RTR Veteran has to be REMOVED RIGHT NOW from all cellphones! Very bad move here! You can, with a few taps, curse jews to oblivion! Insolence! Another fiend sending the e-mail also told me, how "DARE I" make something such as this (threatened me as well he is going to start rumors- I can always take extra publicity so by all means I told them please go ahead), and then went into a Rabbinical rampage. He even got angry that we have cellphones.

I am not joking here, he said cellphones promote "laziness" and that all spiritually advanced people shouldn't have a cellphone! It must be the cellphones, that's for sure! Its not the chemtrails, its not the mass pharma rampage and nathanael shekelstein writing prescriptions to dumb people down! Of all the places in the planet, the RTR app is the evil that must be weeded out! Throw it away Goyim! No internet, no messaging, NO COMMUNICATIONS! How dare the Goy have cellphones anyhow?

How dare you not put your name on the internet so the jews can show up at your door and kill you

if you have a contradicting opinion, exactly as the TORAH justifies? What the fuck is this Goyim invention called "Anonymity", behind which Voltaire and so many Bad Goyim have changed the planet by corresponding to one another to bravely overthrow jewish xian, church tyranny? The TORAH says (((GOD))) is omnipotent and must know everything! Of course, the pedophilia rights, druglords, and all the jewish crimes dont' get into that, as remember, the jews say they are "God" and beyond judgment from the "Goy", who are not better than cattle.

These are definitely the end-times, oy vey! We had the Goyim in the cattle Middle Ages, blowing jewsus the hoax (((king))), and we were (((kings))), and now, the Goyim are exiting the stable en-masse! This damned RTR Veteran app is also offline, so if we want to DDOS attack the JoS webpage on a scheduled attack day, we now can't! DIS ANNUDA SHOAH!!! Get off the internet! Go back to church, and your local school, and learn about the holohoax already! 6 TRILLION DIED YOU BIGOTED BIGOTS!!! You need to be put in a re-education camp already! This is for your (((Freedom))) of thought!

Yes, let's run for the hills, leave the internet, leave the groups, leave the cellphones, and leave the war effort all together. Don't you dare own any lands, or have a good, decent, humane job. This includes bad health, slow decay from drugs, impoverishment, illiteracy, the list goes, and everything else. (((Paradise)))!

I have a different idea, and Satan and the Gods have a different idea, shared by all people who know Satan personally. Satan shows the TRUE WAY.

Our job is to build the new spiritual healers, that will heal people, the new lawyers, lawmakers, judges that will judge correctly, the new scientists that will cure humanity, the new intellectuals that will be writing honestly and without garbage and really be looking into the universe rather than the jewish torah. Don't we dare! Let everything to be taken over, looted, and destroyed by the jews, everyone. Lower everyday your hopes, work, ideals, and deeds, and of course, don't have any aims for your, according to the jews, purely aimless existence! Otherwise as HP Don said, you have a pocket full of -ism coming. Racism, bigotry, jew talk, the list goes.

So, to give you an example, I have seen the codes of many apps from the Appstore, and mind you, all apps dealing with planetary times, and the such, belong to KOSHER RABBIS, yes, KOSHER. Of course, Rabbis make millions out of that, all to funnel this into the morbid kike they worship, and enslave the planet. After all, who of the "Goy" would even NEED or KNOW what PLANETARY hours are? Where would they learn this? In the (((Library))), or at the (((University))). OF course these were goodies only for (((Freemasons))), (((Illuminati))), and all sorts of other jews who are right now swimming in gold bathtubs in the Vatican, or the elite 'jesuits'. These are not for the average man. Astrology? Didn't we kill ALL astrologers in the middle ages? Why do they still exist? One kike wonders now...

The child molesting rings, and who knows where else. Totally ethical, acceptable. We are to where, for example in Europe, one UTTERS their need to PROTECT THEMSELVES and their EXISTENCE from these PREDATORS, and the SJW, whoredom, wants to stone them in the village. Middle Ages number two is coming, this time with Technology to back it up real hard. This must be stopped.

Meanwhile the poor Goyim, are slowly giving their rights away, thinking that being a wealth hating person is a virtue, and practicing xianity 101. Look at Palestine. They did a very good thing to let up all their wealth, Pagan culture, and Pagan Ethics. These people are living amazing lives now, living in a Jew promised and Allah Promised, Jew-topia. Yes, wealth is extremely evil. Little do

people see however how lack of money is used to always coerce, control, enslave, and force Gentiles to do whatever the jews want. This is the first step to slavery.

However, when one kike Rabbi will fall ill, here will be the others to funnel millions on it to save its life, and when they will have any issue, the experts will be here as well. What about Satanists? Some "Satanists" are still groveling in the shit of inferior morality left back by Rabbis, to deceive the "Goy", and have more new-testament in their heads, than Al-Jilwah. And we have a 0.01% being avid in the loyalty were concerned, so I answer this for them.

As for the rest, you are dealing with personal hangups more than anything. Haven't these retarded people noticed, that criminality, illegality, and all sorts of disgusting, inhuman crap, from which the jews profit endlessly, are mainly due to the fact that jews are absorbing the wealth, and that people are very poor? Why since we have so many 'people caring (((institutions)))', the streets are still filled in so many countries with people in rags? This is what happens when Jews own the wealth of the world. How are jews going to make their giant colossal, communist garbage, or slavery companies, without the people being conditioned by xianity to give up their wealth, and do nothing? Jews are a race conditioned to own slaves, and this is their culture: how to turn people into slaves, and then use them as cattle.

This is however no different on the scorning that went for Henry Ford, or many other special Gentiles who invented human rights in the work place, and all sorts of other great reformations that thankfully still exist today to help us, instead of being cattle in Stalin's fields. Of course, the intelligent kikes have the "Xian NS" rigged by these dumbos, new testament thoughts. Be poor goy! Love Rabbi Jewsus Goy, He will provide! You are a traitor to the NS if you own anything Goy! Stay away Goy! NS is the poor man's pride Goy!

However correct, National Socialists and Hitler worked to save this. The distress is turned into work and labor, the labor turns into fruit, and fruit is supposed to be eaten. In National Socialist Germany, not ONE person was to die from hunger, be homeless, or be unable to buy things, or get a job. The jews purposefully hide the history on the wealth and the joys the National Socialists had, because if that goes out in the public, people will want immediately OUT of the jewish system, where 0.1% jews party, and 99.9% Gentiles are in total despair. The jews rushed to totally annihilate this system, before it did spread to the rest of the world.

Don't have children Goy, live the special life instead! Don't pass Satanism down to your children Goy! But scat on gold paper on e-bay for 100000 Goy! Buy drake's new CD goy, so he can shove in your face how superior and amazing jews are!

Humans are slowly being conditioned into not owning things, and this bleeds over into a false ethical paradigm. Ethical is not the Satanist who tried to play Rabbi Jewsus christ. Ethical is the Satanist that advances Satanism, is a positive influence for all others, or at least advances without causing issues, and make Satan and the Gods proud. For those working on special jobs (we have our people everywhere) that deal with the physical realm, be unrelenting. Grow, and become powerful. The positions of actors, CEO's, Lawyers, and high laborers, or even Rockstars, do *NOT* Belong to the jews. Their jew-monopoly has to be broken.

How dare the Goy create a Hitler! How dare the Goy remove a country from Jewish control! How dare the Goy vote for Britain leaving the multicultural and bright, EU, that ensures that children will be raped on a daily basis? The "how dare's of the jews" are a Satanists ASSWIPE!

Now this should be clear as sky for our Satanists who are deep into finance, law, politics, and the VIP's, down to the last person working for daily pay. In Satanism we place the Soul, spirit, and what one gives CONCRETELY first, but here and now, in 2016, other things have to happen. For those groveling in illusions about how everything will happen 'on its own', it won't. You are part of that 'on its own'. In the future, no Gentile Satanist must be struggling, let alone poor, uneducated,

or be left without the ability to advance their Soul. The JoS wants to consolidate this basis forever, so that Souls who reincarnate will not be going useless lifetimes without spiritual advancement. This is for SATANISTS.

The enemy is really afraid of Satanist who take the wheel, help others, assist the war effort, and expand our cause. They show this to you astrally, and whatnot. While the jews program the goyim in servitude, getting nuked and loving it, sadomasochism, and on other bull crap how "Money Corrupts" and "Money is the Source of All Evil", the Torah is a manual for the jews to become rich, and famous, and get everything else in their life. They have whole textbooks, guiding their kikes since infancy, into riches, wealth, and power. The universities that they have taken over, the churches, and all other organizations, produce these members.

Now, when jews do that, everything is OK. After all, its to be expected. When jews own the radio, the countries, the states, and are trying to plunge the internet and make it a second jewish toilet, all fine. The bottom line, all "Goyim" need to be out of the game, and not even bother. Why the fuck, HP Hooded Cobra, you do paid services now? Are you planning to put ads into the internet, and promote the JoS? Are you planning to make cursing the holy jews, a piece of cake? What else? Why are have you filled half of Satan's library without getting a penny? Why are you even doing that?...These are questions Rabbi Nathanael Shekelstein would really like answered.

Of course, the motto here is the same. If "GOY" dare compete with the 'holy people', if Goyim dare to dream to go into universities, build businesses, ask for good workers rights, do RTR's, and DARE reclaim their nations, and even their Soul who has been robbed from jokehova, you are CRIMINALS. Didn't you know 6 trillion died from Hitler's evil rockets to defend the German people from Soviet Domination. It was Gods plan, how dare this person raise a head and make Germany Wealthy, Powerful and Strong? Very evil person.

This is why people like Hitler should never have rockets. People like Mao, Stalin, Hoxha, Castro, wealth, riches, weapons, powers, should be in their hands for ever! Why do you even have websites up, providing all these material for free? You know other (((churches))) have a mandatory three digit registration fee. Why do you give these for free?

Satanists are the wolves that will take over the game, and shatter it, rip it apart, but many also forget, re-order the rules of the game and create a new one. From within? From without? In what methods? These are for you to decide, and everyone makes their decisions in what degree they are going to play, and what they are going to do, in accordance with their personality, traits, and strengths. All of us take part in the spiritual, intellectual, and every other warfare, and those who don't bother or dont' give one damn in a year, you won't be given one damn in a year as well.

Reverse Torah Ritual Schedule [6th Dec to 12th Dec 2016]

Greetings to all our Warriors and Satanic Comrades!

We are going to get a new schedule. This is exciting, as this time, we will add new RTR's. Without further due, we need to keep up with online activism and educating people, and these RTR's will help us where we need it the most right now. Upon decision of the Clergy, we believe it's best we do that RTR now, before 2017, to influence upcoming events to turn out to our liking. Italy and France are now taking the turn, and the jews are trying to rig these countries, same as the EU and many other places.

For those of you having installed the RTR Veteran App for Android, these will appear in your "RTR Schedule" tab. As for Apple Users, for now just bookmark this site until we get to find a solution to maybe create an app. We are currently looking into if that's a possibility.

These days we will be focused on these Rituals:

1. Priority Ritual One [THIS RITUAL NEEDS THE HIGHEST GRAVITY AND ATTENTION NOW]

Jews Attempt To Destroy 1st Amendment

The Jewish Torah and Talmud state Goyim are cattle with no human rights. Only Jews have rights as they are the only humanity in Judaism.

The Torah also states any who criticize the Jewish Race are to be destroyed.

You understand even mild criticism of what Israel is doing to people in Palestine which is ethnic cleansing. Is "Anti-Semitism". Because its telling Jewish People that acting Jewish is wrong and that is forbidden for the Goyim to ever do.

Telling Jews its wrong to murder, abuse, rob, rape and torture other people for not being Jewish, is basically now a Hate Crime. The Jews are saying so themselves with this new Bill they passed. What does that tell you they want to possible do to other people for not being Jewish.....Maybe this?

This is what their Torah tells them to do to all the Gentile Nations which is what their doing to the Palestinians....Because Palestinians are Goyim, thus not Jewish. And the Jews are warring on them to steal their lives and homeland. As the Torah commands.

This is just being another day in being Jewish and its always costing us our Freedoms.

New anti-Semitism legislation may stifle campus activism for Palestinian rights - See more at:

[http://mondoweiss.net/2016/12/legislati ... PFhIX.dpuf](http://mondoweiss.net/2016/12/legislati...PFhIX.dpuf)

Increasingly, students on American campuses perceive advocating for justice in Palestine as a moral imperative. The steady growth of the Boycott Divestment and Sanctions (BDS) movement for Palestinian freedom has been met by a wave legislation aimed at punishing or suppressing our 1st

amendment rights to free speech and silencing student activism. The latest of these bills is the Anti-Semitism Awareness Act, introduced yesterday by U.S. Senators Bob Casey (D-PA) and Tim Scott (R-SC), which redefines anti-Semitism to include criticism of Israel.

Ostensibly, according to Senators Casey and Scott, the purpose of the legislation is to "ensure the U.S. Department of Education (DOE) has the necessary statutory tools at their disposal to investigate anti-Jewish incidents", implying previous investigations by the DOE, which failed to substantiate accusations of anti-Semitism, lacked sufficient tools to criminalize activism critical of Israel on campus.

Jewish Voice for Peace says the bill would "codify a controversial State Department definition of anti-Semitism that broadly defines criticism of the state of Israel as anti-Semitic." And Kenneth Stern, the American Jewish Committee's specialist on anti-Semitism and one of the drafters of the State Department's definition of anti-Semitism, thinks "official adoption of the State Department's definition would do more harm than good." He doesn't think the definition should be used as a speech code for university students and rejected that proposal in an op-ed in the Jewish Journal last year:

"... official adoption of the State Department's definition would do more harm than good. I say this sadly, as the lead author of the somewhat more detailed European Monitoring Centre on Racism and Xenophobia's (EUMC) "working definition on anti-Semitism," upon which the State Department definition is based, and as a strong advocate of State's use of the definition in its global work.

The EUMC definition was crafted as a tool for data collectors in European countries to identify what to include and exclude from their reports about anti-Semitism, and to have a common frame of reference so that data might be compared across borders. ...

But to enshrine such a definition on a college campus is an ill-advised idea that will make matters worse, and not only for Jewish students; it would also damage the university as a whole.

(JVP), press release: Instead of fighting anti-Semitism, new Senate bill threatens free speech

Instead of fighting anti-Semitism, new Senate bill threatens free speech

Fast-tracked "Anti-Semitism Awareness Act" designed to condemn criticism of Israel

December 1, 2016 – The United States Senate is due to consider the "Anti-Semitism Awareness Act," a bill that, rather than fight anti-Semitism as it purports to do, will enable a crackdown against activism for Palestinian human rights on college campuses. Introduced and fast-tracked this week by Senators Bob Casey (D-PA) and Tim Scott (R-SC), the bill would codify a controversial State Department definition of anti-Semitism that broadly defines criticism of the state of Israel as anti-Semitic.

The bill is supported by the American Israel Public Affairs Committee, the Jewish Federations of North America, the Anti-Defamation League, and the Simon Wiesenthal Center. "Given the silence of most of those organizations on the appointment of Bannon, an actual white supremacist anti-Semite to a position of power in the White House, and their poor track records of Islamophobia, it is outrageous that they are pushing through this legislation targeted at student activism for Palestinian human rights," said Tallie Ben Daniel, academic program manager of Jewish Voice for Peace. "Instead of fighting the anti-Semitism entering the White House, this bill will go after 19-year-old students carrying protest signs against human rights abuses. This is not how to fight anti-Semitism, this is a recipe for restricting civil liberties like the right to criticize a government for its

policies.”

The legislation would codify a problematic definition of anti-Semitism that right-wing Israel advocates have been trying for years to implement on college campuses in order to police student criticism of Israeli policy. The State Department’s definition of anti-Semitism includes vague wording regarding “demonizing” the state of Israel that can and has been interpreted to stifle legitimate criticism of Israel’s human rights abuses and discriminatory policies. Civil rights groups, free speech advocates and news outlets including the Los Angeles Times editorial board have raised free speech concerns about the implementation of this definition. Kenneth Stern, the lead author of the European Monitoring Centre’s definition upon which the state department definition is based, stated that to use this definition on college campuses would “do more harm than good.”

“We must be vigilant to fight against the intensified racism, Islamophobia and anti-Semitism that have been unleashed by Trump’s campaign and the threat of racist, anti-Muslim and anti-immigrant policies promised by his incoming administration. It is more essential than ever that our lawmakers and Jewish communal leaders insist that fighting anti-Semitism go hand in hand with fighting racism and Islamophobia, not reinforce them with misguided legislation designed to defend Israeli policies, not Jews.” said Rabbi Alissa Wise, deputy director of Jewish Voice for Peace.

Liz Jackson, civil rights attorney with Palestine Legal and cooperating counsel with the Center for Constitutional Rights: “As Trump calls for jailing flag burners, every lawmaker must stand up to protect cherished First Amendment freedoms to criticize the government. That includes the right of college students to criticize the U.S. and foreign governments like Israel. Regardless of one’s views on Palestine-Israel, we should all be alarmed at this attempt to pile on top of Trump’s attacks on free speech rights. It is plainly unconstitutional for Congress, the Department of Education, a state legislature, or any public school to punish campus speech critical of Israel.”

The Anti-Semitism Awareness Act merits full consideration and a public debate.

Subject: Canada Proves Its the Same Jewish Enemy Everywhere			

Canada Proves Its the Same Jewish Enemy Everywhere

Its the same agenda everywhere in the White nations were Jewish power rules. In Putin's Russia its open borders to the non-White world, the banning by law and imprisonment of White Russian political activists and parities. The banning of any criticism of Jewish power by law. Including half a decade in a hard labour prison for questioning the claimed Holocaust. The creation of police state that is against the People. Jewish Putin's advisor Dugin is famed for stating his hatred of the White Race and his desire to see it genocided. Which is what is happening slowly in Russia. The Jews already killed 90 million Whites there during their Soviet regime.

"I am a supporter of blacks. White civilization; their cultural values, false, dehumanizing model of the world, built by them – did not pay off. Everything goes to the beginning of the anti-white

pogroms on a planetary scale."-Dugin

You see that, anti-White pogroms on a planetary scale. This Dugin wants the extermination of the White Race and he is Jewish Putin's right hand and advisor, Dugin is also a common Jewish last name. Kosher birds of a feather.....Jew together.

If we look to the European Union were Jews also rule the EU was created by the Jewish Rothschild's, Warburg's and Baruch's. They put this fellow Hebrew speaking Jew out front as their open agent to create the EU the very fellow who in his book on the subject stated this:

As shown the Jews including the Jewess Merkel are the reason for the open borders into Europe with the stated goal of the total Genocide of all Whites in Europe.

International Jewish Power Openly Behind European Genocide:

[topic12011.html](#)

Its the same in America were it was nothing but Jewish lobbies and politician's who changed America's immigration policy to open the borders to the third World to destroy the White Race in America. And its the Jewish Media and Hollywood behind promoting anti-White propaganda into the population. As well as Jewish anti-White ideology of Cultural Marxism which the Jews who created stated its purpose was to destroy the White Race and civilization that is taught in all American and Western campuses. It was also Jewish slavers who imported Blacks into early White America and Jews who have agitated the Blacks against the Whites who freed them.

In Canada its the same, as the media Jew who lives in Canada, Ezra Levant admitted the Jewish Lobby in Canada created the Cultural Marxist, anti-White thought crime codes.

In 1977, the lobby of the Canadian Jewish Congress via Jewish lawyer, Mark Freiman, put the Canadian Human Rights Act into law. Which amounts to simply its against the law for Whites to criticize Jewish power or agenda in destroying Whites in a White nation.

The Bnai Brith have been at the forefront in Canada of the witch hunting of any such people as well using this legalized weapon.

The Jewish lobby in Canada also put, probably crypto, Pierre Trudeau, who worked as a lawyer in a Jewish agency, into power as Prime Minister. Trudeau filled his cabinet with prominent Jews and his Liberal Party was mainly all funded by Jewish wealth. And this agent then changed the long standing racial policy of Canada which was one of European People and its original Multi-cultural Policy simply affirmed the only Canada's were those of the founding Races of Anglo-French descent. The original Canadian Flag, the Ensign showed this the banners of the European Nations of France and the UK that made up Canadian's White racial population. Canada was founded as a White Nation state, like America. A New Europe.

After opening up Canada to the non-White tide of immigration Trudeau also handed over Canada completely to the Global Jewish Bankers and ended Canada's sovereign National Bank. The former Liberal MP Hellyer wrote a book on this fact:

<https://www.youtube.com/watch?v=SXYk5SV3KWM>

Note Hellyer stated: " The World is run by a very small group of (((Elite People))) who are immensely wealthy and want to stay that way. They want to have a strangled hold on the resources and wealth of the world, they want to have globalization."

The Jews like the Asper Family also own most of the Media in Canada such as Global. As Raymond Baaklini, the Lebanese ambassador, stated: "90% of the mass media in Canada is controlled by Jews or Zionists."

As the Times Of Israel states Canada is owned by Jews:

[http://www.timesofisrael.com/in-canada- ... iscussion/](http://www.timesofisrael.com/in-canada-...iscussion/)

So its no surprise the Jewish controlled government of Canada is now using people's tax dollars to promote open Anti-White and murderous propaganda against the very White citizen's who's ancestors built Canada. Anti-White, Jewish Cultural Marxism is the already the social religion of Canada like the rest of the West as well.

End White People Propaganda video paid for by (((Government of Canada)))

Any nation the Jews rule in the Western World its the same agenda of White Genocide. The Jews are working together as race to accomplish this task. Its a organized, global program on their part to murder the White Race off the earth. Because the Extermination of the entire White Race is part of the religious commandments in Judaism.

The Jewish Texts Admit Satan Is the Father of the White Race And Orders Extermination Of All Whites.

In the Jewish writings Samael [Hebrew word for Satan] is called the father of the Aryan race openly. The White race is also called Amalek in the Jewish writings and Samael is stated to be the White race's father here. Here in the Jewish writings we note the Jews heap blasphemy upon Gentiles and Satan. And gives the direct order to exterminate the White Race, along with all Gentiles, the "mixed multitude" it describes the different Goyim but puts the White Race into a special category to be "bolted out" forever as it states below we are the children of Samael/Satan, directly.

The Jewish Zohar volume one, pages 28b to 29a states:

"At that time the mixed multitude shall pass away from the world. The mixed multitude are the impurity which the serpent injected into Eve. From that impurity came forth Cain who killed Abel. For they are the seed of Amalek. Whom it said "thou shalt bolt out the memory of Amalek." Gentiles who are compared to the beasts of the field another from the mazikin [goblins] for the souls of the wicked are literally mazikin [goblins] of the world: and there is impurity from the side of the demons and evil spirits: and there is none so strange among them as Amalek who is the evil serpent "the strange God." He is the cause of all unchastity and murder and his twin soul is the poison of idolatry, the two together being called Samel.... This side of the serpent is accused above all."

Kosher Pizza Gate Around The World

The Jewish Race runs the global sex slave trade and they also run as part of this children sex rings globally including those involving child snuff film rings. Before us here is the case of the Jews running a child sex ring in Brazil that was for their fellow Jews many of them tourists from Israel. The Jewish Talmud states child rape of Goyim as young as 3 is acceptable and ok.

The Kosher Pizza Gate, Brazil

"Brazil. It is dated July 5 -- that's just 10 days ago -- and was reported by Reuters news agency. It is about a child prostitution ring operated in Brazil by Israeli diplomats in order to satisfy the sexual appetites of Israeli tourists. I'll bet you haven't seen anything about this on whichever network television news program you watch. The head of the child prostitution ring is Arie Scher, Israel's consul in Rio de Janeiro, The ring recruited girls as young as nine years old and organized sex parties with the children for Israeli tourists. One of the child prostitutes was questioned by Brazilian police and led them to the home of a Hebrew language teacher in Rio, Georges Schteinberg, where police seized photographs of hundreds of naked children and videos taken at sex parties with the children. Viewing the videos, police officials recognized the swimming pool and deck of the Israeli consul, Arie Scher, which was the scene of many of the sex parties.

I'll quote directly from the Reuters news report: "Police said a young girl testified she was filmed and photographed by the teacher, Georges Schteinberg, having sex with Israeli tourists. She also explained that Scher participated in some of the sessions 'We confirmed that the pornographic pictures were taken next to the consul's pool and on his deck,' said Roberto Costa, a chief investigator for the civil police." - Dr Pierce

THE CONSUL OF Israel, Arie Scher, was charged with running an illegal child pornography and prostitution business, and has fled to Israel. On the advice of the Israeli Consulate, Eitan Surkis, Scher left Brazil on Tuesday, obeying an order of the Israeli Foreign Minister, who appointed a special commission to hear the case. According to the [Brazilian] federal police, Scher departed at 12:57 for Israel by way of Buenos Aires, Argentina. Brazil did not take action to stop him from leaving.

O cônsul de Israel, Arie Scher, acusado de participar de um esquema de exploração de menores e

prostituição infantil, já está em Israel. De acordo com o cônsul-geral do país, Eitan Surkis, Scher deixou o Brasil na terça-feira, obedecendo a uma ordem do Ministério das Relações Exteriores de Israel, que instaurou comissão especial para apurar o caso. Segundo a Polícia Federal, Scher embarcou às 12h57m para Buenos Aires, Argentina, e, de lá para Israel – não havia impedimento legal para sua saída do Brasil.

However, agent Icaro Silva of the Brazilian Police Commission (Copacabana) said that Scher is considered a fugitive and that his preventive arrest for creating child pornography was asked for. His escape resulted in a request to Interpol that Scher be arrested if he ever leaves Israel and that the Brazilian government and the Israeli Embassy be notified of any developments in this case.

Entretanto, segundo o delegado-titular da 12a DP (Copacabana), Icaro Silva, para a polícia brasileira, Scher é considerado fugitivo e, por isso, foi pedida sua prisão preventiva por exploração de menores. "É fuga pois houve uma situação de flagrante. Vou enviar o mandato à Interpol, para o cônsul ser preso caso deixe Israel. Também serão mandadas cópias à Polícia Federal e à Embaixada de Israel", informou.

On Tuesday night, police arrested George Schteinberg, a professor who had been living with Scher and who is now in jail accused of participating in the illegal enterprise. Schteinberg confirmed that he had assisted in making nude photographs in the consul's apartment, and that he had sexual relations with a girl, age 11, who had been living with Schteinberg since the beginning of the year, as had been arranged by Scher. He added that he arrived to leave with foreigners, and he recognized a photo where the consul appears naked on a beach near Búzios.

Na noite de terça-feira, prestou depoimento na 12A DP a menor V. 14 anos, moradora do mesmo prédio do professor George Schteinberg, preso sob acusação de participar do esquema. Ela confirmou que tirava fotografias nua no apartamento do cônsul, feitas pelo próprio ou pelo professor, e que manteve relações sexuais com o menor F., 11, que, de acordo com a polícia, morava com Schteinberg desde o início do ano. Acrescentou que chegou a sair com estrangeiros e se reconheceu em uma foto onde o cônsul aparece nu em uma praia de Búzios, abraçado a ela.

Icaro Silva disclosed that, of the 38 sites found in the memory of the computer of the professor, 9 were pornographic, all in Hebrew, the language that George taught. "We will make a translation of the sites to know details of the content. Also we want to discover who were the other girls who appear in the photos", disclosed the commission agent.

Icaro Silva revelou que, dos 38 sites encontrados na memória do computador do professor, 9 eram pornográficos, todos em hebraico, língua que George ensinava. "Vamos fazer uma tradução dos sites para saber detalhes do conteúdo. Também queremos descobrir quem eram as outras meninas que aparecem nas fotos", revelou o delegado.

The commission agent also plans to interview a retired professor, Abílio Nogueira de Faria, age 78, who is also in jail for making child pornography. In investigation of Arie Scher, a paper written by an American was found in the retiree's home, which contained a description of possibly criminal acts. "We go to investigate if some connection between the two cases exists, therefore Nogueira will be interrogated again", said the commission agent.

O delegado da 12A DP também pretende ouvir o professor aposentado Abílio Nogueira de Faria, 78, preso por exploração de menores. Na cobertura de Arie Scher foi encontrado um papel com o nome de um americano, que constava também em uma agenda apreendida na casa do aposentado. "Vamos investigar se existe alguma ligação entre os dois casos, por isso Nogueira será interrogado novamente", disse o delegado.

He added that he has requested the Israeli government for a statement from Arie Scher.

Ele acrescentou que pretende ouvir também Arie Scher, em Israel, através de carta rogatória.

The Jew Who Fled Rio

This news story from 2005 needs to be kept alive; certain parties very much want to bury it.

<http://nationalvanguard.org/2016/08/the...-fled-rio/>

by David Sims and Jeff Hook

THE Sydney Morning Herald is reporting that notorious child pornographer Arie Scher has been flagged as the replacement for Amir Laty, the former Israeli consul to Australia who was expelled amid extreme secrecy from Australia about a month ago. (ILLUSTRATION: A photograph of Arie Scher and accomplice George Schteinberg found by Brazilian police. The photo shows the two men standing, hugging each other. Each has an arm reaching down toward the front of Professor Schteinberg's swim suit. While Schteinberg holds his waistband down, exposing his private parts, Scher reaches over to grasp Schteinberg's penis. Australia, meet the new ambassador.)

The government has refused to explain why Laty, who was only 18 months into his posting, was forced to leave under the threat of deportation. It is believed, and has been widely reported, that Laty's expulsion was related to espionage, as well as personal "indiscretions."

When the Department of Foreign Affairs was asked for an explanation on why Laty was banished, they suggested asking ASIO, Australia's domestic spy agency. That the agency was involved confirmed speculation the expulsion was related to national security. Eventually, official sources told the Herald espionage was part of the reason Laty was kicked out. Reports subsequently emerged that Laty might have tried to penetrate "highly sensitive Australian intelligence."

In addition, reports of Laty's indiscretions or "out of hours activities," as one official put it, have also emerged. A number of women have complained of his unwanted attentions and persistent phone calls. The women had thought at the time his behavior might have just come down to cultural difference — but they were unnerved nevertheless. Then a report emerged yesterday that Laty had a relationship in Canberra with a woman who worked for the Defense Department.

Arie Scher's choice as Laty's replacement has already sparked outrage. According to dozens of reports, including one in the Israeli newspaper Ma'ariv, Scher abandoned his posting at the Israeli embassy in Brazil five years ago after being implicated in child pornography and before police were able to question him.

schteinberg

Professor Schteinberg hides from photographers as he's being taken away by police.

Scher, who was the Israeli vice-consul in Rio, and at one point the consul-general, was charged with running an illegal child pornography and prostitution business. The investigation began when an underage girl testified that she was filmed and photographed by Hebrew language teacher George Schteinberg having sex with Israeli tourists.

According to the girl, Scher participated in the sex parties. She said the consul also liked the company of boys and that he had a sexual relationship with Schteinberg. Police say this was confirmed by a photograph in which the two men appear naked together.

In a search of Schteinberg's residence, photographs of children posed on a car with diplomatic plates were discovered, as well as "massive quantities" of pornography in the form of DVD's and VCR tapes. Police then traced the car in the pictures back to the Israeli Embassy in Rio. The Brazilian Web site JC Online reported that after learning of the existence of the photographs, Israel's

consul-general rushed to the police station to view them. In a story titled, "Consul of Israel Criticizes Police and Press," they write:

"Yesterday at Police headquarters in Copacabana the consul-general of Israel, Eitan Surkis, saw for the first time the photographs apprehended as evidence in the case against Israeli vice-consul Arie Scher and Hebrew language professor George Schteinberg. In some photos, the two appear naked, hugging. In others, they are surrounded by naked minors.

Israel's ambassador to Brazil, Eitan Surkis, meets with reporters.
Israel's ambassador to Brazil, Eitan Surkis, meets with reporters.

"Surkis met with commission agent Icaro Silva, who is in charge of the investigation. Upon leaving police headquarters, the consul-general refused comment on the photos. Instead he criticized police for not sending a copy of the charges to the consulate, nor to the Department of State of Israel.

"We have not received official notification of the charges from Brazilian authorities regarding this case," said Surkis. Detective Silva replied that he had no obligation to provide such information. "They did not ask for any information," he added. The consul-general also criticized the Brazilian press for divulging what he called "incorrect information."

A search of Scher's apartment confirmed that photographs found at Schteinberg's residence had been taken in the vice-consul's luxury penthouse. "We confirmed that the pornographic pictures were taken next to the consul's pool and on his deck," said Roberto Costa, a chief investigator for the civil police. "We are going to charge him with exploiting minors and prostituting them."

After Brazilian authorities notified the Israeli embassy of plans to revoke Scher's diplomatic immunity, he fled. According to the Brazilian federal police, Scher departed at 12:57 in the morning for Israel by way of Buenos Aires, Argentina. The Brazilian daily O Globo reported that Brazilian judge Siro Darlan ruled that Scher must be returned to Brazil. Brazilian authorities said they have no doubt that Scher was involved in illegal activities, and stated that he will be jailed if he is returned. According to O Globo, Jewish Congregation of Brazil president Rabbi Nilton Bonder decried Scher's departure from Brazil, and said that Schteinberg and Scher should not be considered representatives of the Jewish community there.

Agent Icaro Silva of the Brazilian Police Commission (Copacabana) said that Scher is considered a fugitive wanted for creating child pornography. His escape resulted in a request to Interpol that Scher be arrested if he ever leaves Israel and that the Brazilian government be notified of any developments in this case.

Two little girls hang out at a Christian food bank, not far from Israel's embassy.

Prior to Scher's flight, Mr. Schteinberg confirmed that he had assisted in taking nude photographs in the consul's apartment, and that he had sexual relations with a girl, age 11, who was discovered to be living with him at the time of his arrest. Agent Silva said the pre-teen had been living with Schteinberg for almost a year, "as had been arranged by Scher." However, the sex of the child remains unclear because another Brazilian newspaper Hora do Povo described the 11-year-old as a "street boy who has been placed in the custody of the department of child protection."

Silva told reporters that nine complete pornographic Web sites were found on the hard drive of Schteinberg's computer, and all were in Hebrew, the language that Schteinberg taught. "We want to determine the names of the other girls who appear in those photos," said the commission agent. He added that the Web sites confirm that Schteinberg was running an Internet service that brought Israeli tourists to Brazil to have sex with the children.

Silva also connected Scher to another notorious child pornographer, a retired professor by the name of Ablio Nogueira de Faria, age 78, who was in jail for producing child pornography. A document titled "An Investigation of Arie Scher," written by an unnamed American, was found in the retiree's home which contained descriptions of criminal acts by Scher. "We want to know if some connection between the cases exists, therefore Nogueira will be interrogated again," Silva told reporters.

Israel and Brazil do not have an extradition treaty but the Brazilian Government asked the Israeli Government to return Scher. Brazil's Ministry of Foreign Relations delivered a formal request to Israel's Foreign Ministry stating that Rio de Janeiro's 31st criminal precinct had a criminal case pending against the Jew.

The request was sent to Brazil's embassy in Tel Aviv on October 2001 and later forwarded to the Israeli Foreign Ministry. Ma'ariv reported that Israel refused to extradite Scher and instead conducted its own investigation. They found that Scher had merely "behaved inappropriately for a diplomat." And banned him from foreign diplomatic missions for five years.

A spokesman for the Israeli Foreign Ministry in Jerusalem, Mark Regev, confirmed the disciplinary hearing upon Scher's return from Brazil five years ago. "He was a young and single man at the time. Now he is married and he's six years older and there is no reason why he shouldn't make an excellent diplomatic appointment in Australia," Regev told the Herald on Friday.

Scher likes adult females too, apparently.
Scher likes adult females too, apparently.

Other Israeli sources told the Sydney Morning Herald that because of the public nature of the allegations, the Scher inquiry was quietly held at the highest level of the country's Civil Service Commission. They determined that "while some of his behavior was unbecoming, there was nothing close to criminal."

"He made a mistake when he was younger but there is no reason why he should not go on to have a very strong career as a diplomat," Regev said.

The Israeli Foreign Ministry assured the Herald that Scher's appointment was "just pending" and he had not left for Australia. "The decision to send him to Australia stands but because of concerns that were raised, the case is being looked at at the highest levels of the ministry," Regev said.

Notes

Aryeh "Arie" Scher was born in Tel Aviv and spent much of his childhood in Netanya, Israel. His father was a Jew from Austria; his mother was a Jewess from Italy. He entered the United States, apparently legally, and lived for a while in San Diego, where he taught Hebrew and worked as an administrator for a vacation resort.

In between his visits to California, Scher spent four years in the Israeli Army's "Nachal" corps, a quasi-religious military brigade primarily tasked with harassing and expropriating the Palestinian people. After leaving the IDF, Scher went to Australia for a while, where he networked with Jewish student organizations. Afterward, he returned to Israel to study at the University of Tel Aviv, majoring in Public Administration with a minor in Political Science.

After graduating, Scher spent two years in China as an assistant consular diplomat. His apprenticeship completed, Scher was assigned to the Israeli Embassy in Rio de Janeiro, Brazil.

Scher is fond of suntanning on beaches, often naked. Scher is believed to be homosexual, in addition to being a pedophile.

Georges Schteinberg came to Brazil to teach Hebrew at the prestigious A. Liessin university in Rio de Janeiro. At least, that's what he told his gullible goy friends. He was the accomplice of Arie Scher (see above), assisting the diplomat in the procurement of children for prostitution and handling the Internet end of the child prostitution business. Schteinberg "sampled the wares."

Both Scher and Schteinberg are Jews who had been considered decent and responsible men before a police investigation uncovered their filthy exploitation of children. Now you might have an idea of where Internet child pornography really comes from — Jews make it, Jews upload it, and Jews profit by selling it. Furthermore, Jews use the pornography that they, themselves, created to justify their efforts at censoring the Internet (so that they can subsequently use those censorship laws to get rid of Web sites like this one).

And yet, really, this Jewish habit of foully exploiting the innocent should have been anticipated from the beginning, since many Jews believe (as a religious conviction) that they have a license to do anything they wish with gentiles, including raping their children. The lesson of this story is that the Jews are very, very good at making a false appearance of righteousness and respectability while being, in reality, a danger to the non-Jews among whom they live. Arie Scher got off with a "slap on the wrist" after finding refuge in Israel. That is why Israel exists, and it is why some Jews never live there until after they have been caught committing crimes elsewhere.

Case in point: The refusal of the Israeli Supreme Court to extradite Samuel Sheinbein to the United States for trial for murder. In order to avoid being tried for his crimes in the United States, Sheinbein's relatives evidently arranged for him to flee to Israel, where fugitive Jews often go. The prosecutor in the Maryland county where Sheinbein committed his crime demanded Sheinbein's extradition from Israel to the United States, but the Israeli Supreme Court refused to allow it. Here's what I found written about that decision (read carefully).

"It isn't a question of his guilt or innocence. Neither is it a matter of avoiding justice. At issue is the sanctity of the concept of Israel as refuge."

The second and third sentences in that quotation are in direct conflict, after the usual manner of Jewish doublethink. The "high Jews" aren't really concerned about justice. They don't care whether Sheinbein committed the crime, and they don't much care about the question of justifiability in the event that Sheinbein did kill his victim. What matters to them is "the sanctity of the concept of Israel as a refuge," a place where Jews can go when their own actions provoke the gentiles against them, a place where they can evade retribution of any kind, legal or not, deserved or not. So it is a matter of avoiding justice, but not just for Sheinbein alone. It's a matter of keeping Israel a place where any ratty Jew can avoid justice.

Greetings to all our People and Satanic Comrades.

When one looks around, they see so many people who think they have 'woken' up to the dangers and enemies we have been fighting for so long. They are plagued by illusion, after illusion, thinking that this fight is anywhere close to being won, let alone other bizarre things. The enemy is just sitting, or let's say...add an H on that one, on their neck, and they think its raining...freedom.

The enemy has their planners, who talk, talk, talk, and no changes really happen. The bottom line of all of their plans is "Subscribe to our webpage", "Donate", or "Buy my book". There is nothing further from this. Nothing is built out of it. The average person down there exhibits the same exact behavior one would, if deep on the bed with the enemy. There is no plan for reforming anyone, or healing people from the damages the enemy has done to them.

If anything these are furthered and replaced by new, judeo-talmudic theories, such as scorning women as the source of all mistakes, blame shifting to random groups, accepting Jewcy politicians as your new saviors, and guess what, the ancient meme of bowing down to a jew (Rabbi Jesus) to save you from his...admitted family and loved race in the bible...The jews. Wow, these definitely seem like SOLUTIONS right here.

All the paths are unclear, and their 'ideas' just always revert back to falsified ideas and beliefs based mainly on jewish manuscripts or jewish 'understanding' about how things were, or should be. This is because they cannot formulate new ideals, and because they don't even care to do it, in all honesty. All of their 'offers' are blantly wrong, but since they appeal to level IQ audiences with only an affinity to troll, there's no problem in it.

Some these 'figures' do a good job educating people, and giving out news, but in the end of the day, all they provide is just rants, further confusion, and people are feeling like half awake, and afraid since there is absolute lack of ANY protection, planning- nothing of that nature.

Gradually, all of these 'awake' people are just putting others to sleep with them in new dreams, things will never materialize, and things that produce nothing, and have produced nothing for the effort against the enemy for DECADES. We are talking DECADES. What has been made into these decades? The fortunes of these 'sheep guiders', churches filled, people bowing down to the jew so they can be absolved from the jew, and endless neurosis. That's all that happened. Not one person can be asked honestly and to say "I am fine", "I have advanced", "I have evolved" and here's the fruit of my advancement.

Because of these people and their so 'successful' leading, the enemy reached the peak of their power not a long time ago, after having going from the worst times they ever had for thousands of years, with the "Satanic" and "Demon Possesed" Adolf Hitler, as they themselves admit. Of course, none of these people want to do any introspections, or retrograde analysis into anything, and to see that with these foolish patterns upon which they operate, the jews are laughing.

They are NOT afraid of people without 'spiritual power', and this is why they have rigged all occult practice as 'Satanism'. So someone prays to Odin. Acceptable and fine by us, but for many reasons we explain based on the occult, and history, this is not even halfway of what's required for anyone to really 'wake up' and 'change'. Do they even know what Odin is? What about the Occult lore? What about the nature of symbolism? What does this title mean in the deeper sense of spiritual practice? What about the Runes and the symbols of power that the National Socialists used? How can these be utilized to cause RESULTS and/or actually utilized in any struggle? Apparently, nowhere, except of self-gratification for those who pretend they are mighty and wise into these

matters. But for decades or thousands of years produced nothing to fight effectively the enemy.

The JoS has been in the game for around 14 years now. Out of all of these, we have been fighting together the recent five-six years, or maybe more, with intensive, occult, heavy barrage warfare. Look at how fast and quickly the enemy church, and the enemy jooz have been falling out. In just four years time, they are pulling their hair out of their skulls, and they have also invented all these 'fronts' to cover up the uncovered things that 'akin to magick' came all in the public eye.

Our side and struggle went from subterranean to mainstream, to the point jews have to rig elections in the world's superpower now, in order to just win four more years. And attempt to censor the whole internet, because this has went 'too far' and out of control. Because everyone 'magickally' these recent years, came to know about them. Prior to that, there was nothing for DECADES. DECADES OF WORK AND NO OUTCOMES PROVIDED. If anything, jewsus and all other hoaxes steadily ascended over the rulership of all Races and humans on Earth.

The honest souls who have been fighting the enemy have met with insurmountable and unexplainable MOUNTAINS OF OPPOSITION, much of it dealing with the occult. Those in the spiritual war have seen the deep core of the enemy, and their so called 'watchers' who are in controlled of the real, deeper deal. Because when you see a beggar, infertile, and failed out slaver race, get to the top of the planet as a tight global network of control...There must be something more than...'intelligence' and 'cunning', don't you think?

Most of these people 'mysteriously' are in every media outlet, everyone knows their name, or even address, and these people are still alive, and going well. If that is quite possible in an enemy operated planet, then I leave the rest for people to think about. Real people who advocated for White People's rights for example, like Matt Hale (he is in prison now), or for the Blacks, Dr Tony Martin (has a bounty in his head by ADL) never have it easy. Irving is another case, and he has his issues, but in the end, he went from court after court, and prison after prison.

The JoS has a Master Plan, that none of these people will ever possess. Its the same recipe that Hitler and the National Socialists used to get into power, and even similar to how the desert wandering, enslaved jews, went into power. To people knowing history, the advance and the uprising of both these people has one thing in common: THE OCCULT. Nothing would happen in either case without the occult. To the rest of the 'students' in all of this, nothing will make sense. They will see coincidences, and confusion, or better yet, they won't even see either of the issues in a light.

The JoS plan is fairly simple, albeit very highly thought of and complex.

0. The different ideology gives a different outlook in life. However, its a spiritual ideology, with real beings to back it up, and real results of the practice beliefs.

1. People advance spiritually in REALITY, and they find their Pagan Gods. By spiritual advancement, they get far more abilities than the average person.

These include the occult abilities who are absolutely legal, let alone higher reasoning that comes from opening one's mind, advocating free thought, and staying away from primal, jewish religious practices.

2. The different intellectual and spiritual component that is awake in the people, causes a revolution only by enlightenment, and not straight up, animal violence, or illegal activities.

3. All the above lead to different actions, and one finally breaks 'free' of the established 'order' of the enemy.

4. This manifests into outcomes and actions that spread all over the place. From personal freedom, down to in the future, political, economic and religious realms. Our lines of legality and in anything else are self-definitive.

All of this cannot be monitored, controlled or foiled, directly not even by us, since it happens anonymously, and we don't have physical headquarters or anything remotely related to that. Nobody needs a paid membership, a subscription, and we have nothing to hide as all of our doctrines, conversations and texts are in the wide public for everyone to read, or to enter a big church.

Our doctrine is clear. Those who misinterpret the Gods, use Satan and the Gods in anyway for depraved acts, or disgusting crimes, are not Satanists, anymore than a fake jewish "Nazi" who does illegal activity tries to infiltrate any other group. Granted, we keep, as far as humanly possible, our groups completely CLEAN of such drivel. People get BANNED for professing criminal or any other such activity, be it a slightest or the biggest offense. Spiritual Satanism is about self-responsibility and this ties into that as well.

We do not control human beings (metaphorically speaking) with brain chips, mass propaganda, or direct 'commands' in their personal life, as its purely impossible given we are all over the world, neither we desire this. Our enemies however, are free to do this.

There is nothing mandatory for one to pay, or to expose themselves, or to write a big giant fat oath to any illuminati, or any other 'organization' in paper. People come, leave and stay as they see fit, and there are no physical obligations to that. Nobody sics to anyone in their personal life, and everyone can also advance and do whatever is required, we need no phone numbers, no ID's, no interaction beyond these OPEN TO EVERYONE groups, whatsoever. Everyone is here without getting 'known' in the least. *Everyone is as such master of themselves and their actions/deeds.*

As the enemy admits, all the Ancient Leaders, Adolf Hitler, and anyone else in history that fought for human rights, and advanced civilization, acted in the same, anti-xian, 'anti-christian' and 'Satanic way'. What the enemy and the jews define of as "Satanism" is in diametric opposition to what we define Spritual Satanism as. We have a right and we exercised it, to have our own ideology, religious beliefs, and not hear what these criminals are dictating about "Satan" or "Satanism", the title, name of whom, and practices, are all in the far ancient times in the East.

None of our doctrines advocates mass murder, mass rape, mass humiliation, or anything of that nature, in opposition to the Talmud, Torah, Bible, or the Qu'ran. We solely point intellectual, spiritual, and higher type of resistance.

We support that all Races are to be separate, in good terms, and fighting the common enemy who has caused distress to all of us. We see no point in bickering between Gentile Races, simply because this harms both, advances neither, and in the end of the day, keeps everyone away from the real tormentor, whom we name OPENLY in our websites or material, based on evidence that is everywhere.

Our message cannot be 'adulterated' as its crystal clear, and its everywhere in all of our material. Its consistent. The moment one tries to rabbi it out, it becomes obvious by itself, since we don't seek to confuse anybody with overly complex terms, or idioms, or things that can be corrupted. The moment anything is corrupted, its not us. Purposeful misinterpretation is driven out viciously from our groups.

BEHAVIORAL PATTERNS, XIANITY AND TALMUD PROGRAMMING SINCE INFANCY, DON'T JUST GET AWAY BY SCREAMING "HAIL ODIN". THESE NEED YEARS OF EFFORT, AND CONSCIOUS SPIRITUAL ADVANCEMENT TO BE WEEDED OUT. THESE NEED WORKINGS DEEP INTO THE MIND. Good luck to all the idiots who believe that by suddenly becoming 'Neopagan' or saying 'Hail Freya' they suddenly threw away decades of jewish programming, most of which is also...subliminal.

We are not based on 'personalities' as many have come and went as far as our existence is concerned. It's our material that matters, and the innate spiritual understanding that rises from our members who on their own accord advance spiritually. Only to find the Ancient rules and laws again, who were here all along. Most of these rules are still practiced in every other religious, non-jewish, tenet, across the globe, anyway. They are reflected in different forms in all Gentile Cultures. We just choose to believe in the master system, than any other 'brand', as we see the brands come and go, but the universal message stays.

And who runs this plan, co-ordinates it, brings us together, and keeps us afloat with ZERO help in the physical realm by normies and mass masses? Our people and SATAN, and the Gods in whom we believe.

For this naive enough to brush this...Good luck...

To all of our people and Satanic Comrades,

SIEG HEIL!!!

HAIL SATAN!!!

HAIL THE GODS OF HELL!!!

Greetings to all our People and Satanic Comrades.

Subject: Reverse Torah Ritual Schedule [13 Dec to 20 Dec 2017]

[Reverse Torah Ritual Schedule \[13 Dec to 20 Dec 2017\]](#)

Greetings to all our people and Satanic Comrades!

The Rituals we will be doing for these days will be the following. We need to be relentless on these as these are new and we need to continuously repeat them so that the energies are consolidated for further working on them again in the future:

There is NO "someone else will do the ritual", neither "Oh my I may have issues from it", or "I don't think I have like 10 minutes a day to help save everyone from damnation", or "maybe I am a joo oy vey", "or who cares if I do or if I don't", or "Ill do it tomorrow (tomorrow never comes)", or whatever else morbidly imaginable. The enemy will of course have placed a couple of that into the heads of SS to ward them away. Those of you who do it, might have also met with their petty attacks and tactics, but just stay steadfast. You are blessing yourself when you are doing RTR's, not causing issues.

The surest way for all of Gentiles to destroy their soul and life completely is that if they allow these programs to actually linger onto themselves, minds and humanity. You will not be excluded at all, in fact, no Gentile person will be. I don't care if you "are a bit better now", remember where you was heading under the jewish magick, blindfold and influence .Any ground you gain or have, use it and utilize it to get better. Even the 'best life' and other jewish hoaxes about how you can become the 0.1 % if you bow to the kikes, are dreams of the past, and welcome to the new Goyimland where the enemy is in panic mode. Even their own skills are being actively thrown under the bus, so for those afraid cuck opportunists, just know the jewish 'glamour' days are over and this will get over soon.

Because when their plan is done with, and they have exterminated the last White countries (this will go in full some decades from now) we are then going FULL COMMUNISM mode, and nobody will be spared. Moreso anyone here. They will execute "order 66" into even all of their "White", "African" and "Chinese" and whatever Jooified Gentile Skills they have. So it doesn't make any sense, from ANY standby, to lose ONE day without spiritually damaging those who want to kill you.

This can be seen everywhere, especially in the joo owned USSR. Nobody makes it alive in the end. Even in the bible, the jewish scat alien hive says that it will exterminate most Gentiles and even their own jews on the planet, except of the 'elect' they do have 'chosen' to survive, very few in number. All others are supposed to die, the planet included, but jews are by nature programmed to work for their masters no matter what, even unconsciously, and this can never change. They will spare nobody, and absolutely nobody.

For those thinking they are far away, living nice, and that nothing will ever reach them, good luck with your perceptions and see you in a decade from now. If you think that decade's a lot of time, just look on the back of your life right now. Its been a few already.

Our Comrades and Satanic Warriors however are not blindfolded by this idiocy. So we will do what is required of us and fight in all ways possible.

So for our future we need to execute "Order 666" and fight this filth NOW, and not "LATER", not even ONE MINUTE.

If you feel any flack, the only things that are triggered are of the anti-curses of the enemy, that try to keep everything 'managed' within the jewtrix. You can correct any flack by doing this RTR here, if you are having much on your plate. This will turn their shit into blessings for you and your life:

"Curse Israel RTR"

[http://www.angelfire.com/wizard/pixie66 ... Ritual.htm](http://www.angelfire.com/wizard/pixie66...Ritual.htm)

Just be serious and devote sometime. Because if we don't do this right now where we can, the world will be trampled, and then your 'time' that you are trying to gain now, or the 'tiredness' or whatever else you are trying to escape will be an actual, everyday reality. From which you will never be able to escape from.

Show appreciations to the freedoms you have today by preserving them and fighting for them. Otherwise, these will go away. If you are in 'doubt' then watch some documentaries on what the enemy does when they take over, or look down some very impoverished and damned countries created by the jews. Then your wake up call will come early. If you are on the mindset "oh my, my neighborhood and life are fine", just remember on large scale damnation, nothing of these remains intact. I am not doing anything except of a historical reminder right here.

After all, think of the beautiful possibilities of your offspring or you, living in a BETTER world. Where there is actual advancement and life matters.

Additionally, Satan and the Gods confer extra protection and care for those fighting for them. This has to be understood. Those who help Satan, fight for him and for our side, always get prioritized when it comes to help, benefits and anything else.

Don't lose this opportunity over fake mental guise of fear, worry, or any random enemy thoughform. These also work directly upon the Soul to make your life better by making you superior to the enemy, whilst removing the curses from yourself and the environment as well. There are no unaffected Gentiles at this point, except of us who consciously remove these and fight these.

Subject: Reverse Torah Ritual Schedule [13 Dec to 20 Dec 2017]			

[Reverse Torah Ritual Schedule \[13 Dec to 20 Dec 2017\]](#)

Greetings to all our people and Satanic Comrades!

The Rituals we will be doing for these days will be the following. We need to be relentless on these as these are new and we need to continuously repeat them so that the energies are consolidated for further working on them again in the future:

There is NO "someone else will do the ritual", neither "Oh my I may have issues from it", or "I don't think I have like 10 minutes a day to help save everyone from damnation", or "maybe I am a joo oy vey", "or who cares if I do or if I don't", or "Ill do it tomorrow (tomorrow never comes)", or whatever else morbidly imaginable. The enemy will of course have placed a couple of that into the heads of SS to ward them away. Those of you who do it, might have also met with their petty attacks and tactics, but just stay steadfast. You are blessing yourself when you are doing RTR's, not causing issues.

The surest way for all of Gentiles to destroy their soul and life completely is that if they allow these programs to actually linger onto themselves, minds and humanity. You will not be excluded at all, in fact, no Gentile person will be. I don't care if you "are a bit better now", remember where you was heading under the jewish magick, blindfold and influence .Any ground you gain or have, use it and utilize it to get better. Even the 'best life' and other jewish hoaxes about how you can become

the 0.1 % if you bow to the kikes, are dreams of the past, and welcome to the new Goyimland where the enemy is in panic mode. Even their own skills are being actively thrown under the bus, so for those afraid cuck opportunists, just know the jewish 'glamour' days are over and this will get over soon.

Because when their plan is done with, and they have exterminated the last White countries (this will go in full some decades from now) we are then going FULL COMMUNISM mode, and nobody will be spared. Moreso anyone here. They will execute "order 66" into even all of their "White", "African" and "Chinese" and whatever Jooified Gentile Skills they have. So it doesn't make any sense, from ANY standby, to lose ONE day without spiritually damaging those who want to kill you.

This can be seen everywhere, especially in the joo owned USSR. Nobody makes it alive in the end. Even in the bible, the jewish scat alien hive says that it will exterminate most Gentiles and even their own jews on the planet, except of the 'elect' they do have 'chosen' to survive, very few in number. All others are supposed to die, the planet included, but jews are by nature programmed to work for their masters no matter what, even unconsciously, and this can never change. They will spare nobody, and absolutely nobody.

For those thinking they are far away, living nice, and that nothing will ever reach them, good luck with your perceptions and see you in a decade from now. If you think that decade's a lot of time, just look on the back of your life right now. Its been a few already.

Our Comrades and Satanic Warriors however are not blindfolded by this idiocy. So we will do what is required of us and fight in all ways possible.

So for our future we need to execute "Order 666" and fight this filth NOW, and not "LATER", not even ONE MINUTE.

If you feel any flack, the only things that are triggered are of the anti-curses of the enemy, that try to keep everything 'managed' within the jewtrix. You can correct any flack by doing this RTR here, if you are having much on your plate. This will turn their shit into blessings for you and your life:

"Curse Israel RTR"

[http://www.angelfire.com/wizard/pixie66 ... Ritual.htm](http://www.angelfire.com/wizard/pixie66...Ritual.htm)

Just be serious and devote sometime. Because if we don't do this right now where we can, the world will be trampled, and then your 'time' that you are trying to gain now, or the 'tiredness' or whatever else you are trying to escape will be an actual, everyday reality. From which you will never be able to escape from.

Show appreciations to the freedoms you have today by preserving them and fighting for them. Otherwise, these will go away. If you are in 'doubt' then watch some documentaries on what the enemy does when they take over, or look down some very impoverished and damned countries created by the jews. Then your wake up call will come early. If you are on the mindset "oh my, my neighborhood and life are fine", just remember on large scale damnation, nothing of these remains intact. I am not doing anything except of a historical reminder right here.

After all, think of the beautiful possibilities of your offspring or you, living in a BETTER world. Where there is actual advancement and life matters.

Additionally, Satan and the Gods confer extra protection and care for those fighting for them. This has to be understood. Those who help Satan, fight for him and for our side, always get prioritized when it comes to help, benefits and anything else.

Don't lose this opportunity over fake mental guise of fear, worry, or any random enemy thoughform. These also work directly upon the Soul to make your life better by making you superior to the enemy, whilst removing the curses from yourself and the environment as well. There are no unaffected Gentiles at this point, except of us who consciously remove these and fight these.

Subject: What is Baphomet

What is Baphomet

Most people are familiar with the current well known Goat headed Baphomet of Elphas Levi, the French occultist. But this is not the actual Baphomet of the Templar's thanks to historical records going back to the 14th century we actually know what the Templar Baphomet actually looks like and what it means.

The Templar's were stated to worship a deity called Baphomet. As known the Templars and their fellow Cathar's were actually Pagan's practicing the Aryan religion. The people who tried to murder them all, then wrote their history to conform to their lies:

The Templar's Serpent Tradition:

topic8240.html

Primordial Buddhism/Catharism:

topic8450.html

Bapho is baptised and Met means Wisdom this is further proven that in the Templar cipher

Baphomet means: "Baptised in Sophia". Sophia means wisdom. A Templar chalice was described as having the following written on it: "Let Mete be exalted who caused all things to grow and bloom...". Mete was a name of the ancient Goddess of the Pagan cultures in the west and east. In Hinduism Mete is Mata, Sri Mata the name of the Goddess of creation. Many times the E and A are changed up. The name MET is also MAT or MAAT the ancient Goddess of Justice and Wisdom of Egypt. Who represents the super conscious state of the risen serpent power. The feather She wears in Her hair is the same meaning as the stream of water of the Goddess Ganga that flows out of Shiva's top knot, the open flow of the risen serpent energy which allegorical the water is the sacred water which represents the spiritual fire.

A actual Baphomet of the Templar's that was found in the 14th century in the Paris Preceptory was described as being made out of silver in the image of a woman's head. With the inscription CAPUT LVIII M. And a red and white sash tied together within. It was stated this head was of the Goddess Virgo as even the M inscription was made in the glyph of Virgo. In the East were this knowledge came from. Virgo is called in Sanskrit: "Kundaya" this is the Goddess Kunda which is where Kundalini comes from. The Kunda in the east is shown as the Meru Pillar with the reborn soul emerging from the Yoni gate within it. You still find this on the World Card. Kunda is also the symbolic Metal Smith [the metals are the chakra's] smith that transforms Buddha into the ascended state of Nirvana in the east. Nirvana is a name of the solar realm the working of the sun when all the chakra's are turned to gold. This Kunda of Buddhism/Hinduism is the Kundry of the Grail mythos that hands the Knight the Grail and transforms him into the Godhead. The Grail Myth is from the Templar's. Kundry-Kundalini, is the Baphomet. The real meaning.

The code in Latin in English is M58 which means perfected life. But in the number system spells out the name: ISIS. The Cathar's where know to worship a Mary their inner Women they sang the songs of love to. However its also know this is Isis Mary as Mary is the name of Isis also called Isis Meru or Isis Meri by the Egyptians. The IS rune of the ancient alphabet is the symbol of the Meru axis the spine and the name of the supreme Deity in the Vedic world which later becomes Iswara was IS. The IS rune and IS the god in the Vedic world both also get 11. Isis is the serpent energy moving up the spine taking one to Godhead. She is the force that causes Osiris to be reborn. The serpent energy that turns the soul to gold. The Kunda or Kundry, the Sophia. The Kundalini power.

Baphomet is the title of the serpent Goddess of the Indo-Aryan tradition. Baphomet means simply to be reborn by the powers of ones own soul. The sacred Baptism of Sophia is the baptism of spiritual fire of the kundalini power.

This is to answer questions, misconceptions, and outright lies and purposeful misinfo spready by "Goyim Goddess" aka "Sinead Mccarthy" on her latest video.

So one person 'harassed' you. Questionable if it was our member or not, and who cares in the end if it was or wasn't.

One whole person..? Must have been really difficult to deal with this. This needs to go to the holocaust memorial museum. You suffered a lot here...I think you deserve compensation in the triple digits. Of course one person is the trigger of attacking...Thousands, and claiming they are all emo, criminals, and who knows what else. A shilling comment, by a random person, and we're on.

Apparently, you had to lie, and claim outrageous things like anyone advocates 'slicing your wrists', or sacrifice. That's outrageous, a product of your own demented imagination or lack of knowledge, or purposeful misinfo campaign, and to us this is abomination.

What are we supposed to do. Be called depraved judeophiles, or madmen criminals and take it? These are just products of your imagination, and we do not condone half of it. On absolutely ZERO grounds and evidence, you keep spreading these lies. I would only expect this from BBC or CNN. But it seems renegade is going down a similar route as well? Unless proved otherwise we may also assume this. As Hitler said, its always in the sponsor...

It's written all over our material, that those who condone in illegal and such depraved actions, are not out members. Same as jews, whom we bar out and drive away from all of our groups, as much as possible. For the few demented criminally bent, shills and kikes, we don't have to give word, as they don't belong on our midst anymore than a 'jewish nazi' or any other such shill or troll, or misinfo agent does.

So you brushing it off and calling us ritualistic, wrist slashing, emo retards, doesn't make you seem legitimate. You are accusing us of jewish abomination and immorality, nothing of which Spiritual Satanism represents. It would take 2 minutes to read the frontpage of our website, before commenting to know this. That was dishonest, and an outright attack. It easy to assume someone is shilling if they act that way.

We have DENOUNCED *ALL* (((Jewish Satanism))), (((hollywood Satanism))), and we have been fighting for 15 years to obliterate this jewish scum hoaxes and social dangers labelled as 'Satanism' off of the face of the earth. We don't even care if it existed prior, or what it did, or what it will do, since this has nothing to do with us.

If anything it defames us. This is the 'emo', jewish agenda behind 'Satanism', which we are diametrically opposed against. (((Jewish Satanism))), supposed "Satanist Freemasonry" is just a scapegoat for the jews, to point to the xian/muslim sheeple, so they can see a bad-guy to feel special about. We completely reject jews, and our notions do not stem from jewish material, as we have rediscovered what this "Satanism" was finally about.

Spiritual Satanism has no relation to jewish garbage that whatsoever.

As for the comments, it wasn't to gain members miss "Sinead". We have thousands already. It was only about you lied on us without any absolute reason.

"Speaking for relations" with other organizations, from someone who has actively argued with absolutely everyone, isn't really the best thing.

However in the manner of civility, I will answer your concerns.

To answer your questions one by one:

1. "Why don't you call the Gods by their Names"?

You can do this, but we prefer not to, as we have discovered many of these names hold innate, non-jewish, meaning, that is worthy of high reverence. People are allowed to call "Satan" as they see fit. To us Satan is the forefather and fashioner of the human Race, and direct Father of the White people.

However the title of choice for Satan is because Satan, in Sanskrit, which is a language that predates any and all is derived from the root "Satyan" which means Eternal Truth. The jews who lived in the areas in this historical time, perverted this into SATAN/SATANAS in their texts, meaning enemy. The prefix "SA" means breath of life in Egyptian, while in many other languages it means many other things. There is a text on "Who is Satan" on our Forums, which explains everything in depth.

"SATANAMA" is the mantra to raise the consciousness, vril, or living force within the Soul, giving enlightenment and supreme understanding. Another place where Satan's name has survived, is in the Pan-Hindu culture, which we believe and have proven to have an Aryan Root, namely "SANATANA DHARMA", or the True Path. Satan is still a surname in India, and "Satan" is all over the place in different forms. Satan was NOT invented by the jews. They scammed it off of Gentiles, as a representation term for the massive, Gentile root culture that Humanity was practicing in all its forms and multitudes.

Satanism for us is the master system, from which all other systems evolved, and we believe it started in the Far East.

To claim that "all Whites" are to be under "Odin" is naive, and not well thought out. What about Romans and Jupiter, Greeks and Zeus, or the White Pharaohs of Egypt? They were not White since they believed in the same Gods in PRINCIPLE, but had different names and aliases? To us the master Key behind all of that, is called Spiritual Satanism. Our all inclusive title for our God is SATAN.

We have proved this in many articles, for at least those open minded enough to study these.

We are devoted to destroying and wiping off of the face of the planet the three scourges that destroy the White Race, and damn all the Gentile Races, such as christianity, which in our research we have found are nothing but jewish dupes, and Torah adjusted for Gentile consumption, so that people remain enslaved in the intellectual, mental, spiritual and lastly, physical realm.

2. "What are you doing as an activity?"

Except of having woken up 20000+ people into the Truth of NS, its metaphysical notions, and fighting and exposing the jews for closely 15 years now, let alone 100000's of pages of exposing material, online, daily activism to destroy the jewish injustices and lies, and many other thigns. Maybe you can add that we teach people actual occult, which can be utilized into defeating the enemy, which we are doing in occult warfare every single day, aside everything else. The jews, who after all uses the occult to attack us, have forbidden all Gentiles from knowing and using the Occult, which we believe is an inheritance for everyone, but naive White people and Gentiles are inaware of it, so they are all controlled by it. Lack of knowledge made for fools.

We have groups for all Gentiles of different races in which they organize, evolve spiritually, understand and find their racial roots. We believe and practice racial separation. We don't see reasons of infighting or not having friendly relations with Gentiles, unless on a basis of separation, civility, and mutual friendship while fighting the common enemy.

3. "Why do you use these Symbols"?

Because they do not originally belong to any jews, let alone to any fake jewish "Satanists" who think, like jews, that by claiming the symbols of Gentiles and Pagans, they will keep us away from using them. The Pythagorean pentagram, the God Pan, the Kundalini Serpent, and any other such symbols, do not belong to the jews. As for the "Tree of Life", this is again the Yggdrasil Tree in Norse Mythology, that connects the worlds, and this is an occult term for the human Soul. The Runes for example are to be inscribed in wood, and the wood is the element of Aether, which the Soul is constituted from. This is all over the occult lore. I cannot write an essay on that, we have written on this already.

4: "Are you monotheistic"?

No. We believe in more than one God. We have many Gods who have been labeled as Demons, but we believe and adhere to Satan, as to us Satan represents the highest principle there is to be represented. This is again not an alien belief to Ancient religions. There is nothing 'higher' than Satan, in the same way all other Pagans didn't believe there was someone superior to let's say Zeus. This does not brush off the importance of any other God and there is no 'contradiction' in it. To us Satan in principle means Truth, and we also believe this being to be the maker and creator of Gentile people. Many other Ancient Pagan Gods who are labeled as Demons by the christian church, are important Pagan Gods, whose identities have been bastardized into being hated monsters. To us the Gods are not 'ideograms' or 'archetypes'. They are real, and we believe they are ET's that practice a National Socialist system of governance. This is not far at all from all Pagans who believe and admit their Gods to be real, flesh and bone beings, that came and directly 'gave them life' in numerous "legends". Everyone can name them as they see fit.

5. "What about blood sacrifice?"

This is entirely made up by jews, to smear us, and what we consider to be "Satanism". Of course the jews playing clever, defamed "Satanism" for life, and turned the whole world against this being, which so many claim is evil, while claiming "Rabbi Yashua" or "Jesus Christ" is the good being. We believe the bible is a ficticious manuscript, but it shows the jewish mentality for what it is. Many other Pagan Gods whom we believe in as part of our Demons (Demons comes from Greek and means supernatural deity, knowledgeable one), have been equally defamed and attacked in the jewish bible. We see no reason and reality on why these beings are hated, other than jewish writtings. Obviously, all these "Demons" were beneficial and loving spirits to Humanity, that helped us advance our civilization, to the point of being worshipped by Gentiles. Then jews came about and proclaimed them, same as they did to all Gentile people, as 'unclean', 'impure', 'dirty' and

whatever else morbidly imaginable. Demon is not even a derogatory term. Neither is Satan. They are honorable titles, except of in hebrew, where Satan means 'adversary'. We don't give a damn what jews think or their 'take' on the matter. We found for ourselves.

6. "Why is the Dedication Ritual Obligatory"?

The Dedication Ritual can be done by pinching one's finger with a diabetes patient needle. For the same reasons consecrating Runes with one's blood is obligatory, or why its not 'defiled' and 'wrong' for women to give some blood (symbolic of one's essence) back to the earth, we consider its sensible we give a few drops to those whom we considered are our Forefathers, whom we call "Satan" and His Demons.

This is because the highest possession one has is the blood, and a few drops of one's blood are required to show one's seriousness about the undertaking. This is no different than any other sacrament, and we are morbidly against mutilation, or tons of blood. We consider this unspiritual, jewish and stupid. Since the blood contains the life-force, and the very DNA of an individual, a drop or two are required, since we believe this is the highest thing one can give in one's dedication to show that he is serious. This shows mental and physical dedication. This is more for us, rather than the Gods, and to make ourselves understand that this is a serious, and life changing move towards rejection of everything jewish, allah included, rabbi jesus included, and anything created and inspired by these people. This is to show to ourselves first of all, "YES, I AM HERE NOW". This sacrament on its own means nothing, and its daily spiritual meditation that is required for one to advance spiritually, and become a better being, learn about the occult, and advance in what we call "Spiritual Satanism".

We are against, and total enemies of jewish kabal methods of using human blood, murder, and we consider these excremental jewish methods deplorable, disgusting, and worthy of annihilation for everyone who practices that. To us that is useless and stupid, as the jews do these 'rituals' to raise energy for magickal workings, and we consider this an alien way of doing magick, alien both to the Aryan mindset, and all the mindsets of the civilized people and high spiritually advanced persons. We believe this is not a part of the Aryan religion, which we believe is Satanism. The jews authored and made these methods systematic, while they lied that it was supposedly 'Satanists'. Playing both sides against the middle, both the christians, the islamics, the judaists and the fake hollywood kabal judeo-'satanists' have been playing the masses, while all belonged to the same team all along.

With that being stated I seek nothing but to educate people in the comments section in a polite way.

This is to answer questions, misconceptions, and outright lies and purposeful misinfo spready by "Goyim Goddess" aka "Sinead Mccarthy" on her latest video.

So one person 'harassed' you. Questionable if it was our member or not, and who cares in the end if it was or wasn't.

One whole person..? Must have been really difficult to deal with this. This needs to go to the holocaust memorial museum. You suffered a lot here...I think you deserve compensation in the triple digits. Of course one person is the trigger of attacking...Thousands, and claiming they are all emo, criminals, and who knows what else. A shilling comment, by a random person, and we're on.

Apparently, you had to lie, and claim outrageous things like anyone advocates 'slicing your wrists', or sacrifice. That's outrageous, a product of your own demented imagination or lack of knowledge, or purposeful misinfo campaign, and to us this is abomination.

What are we supposed to do. Be called depraved judeophiles, or madmen criminals and take it? These are just products of your imagination, and we do not condone half of it. On absolutely ZERO grounds and evidence, you keep spreading these lies. I would only expect this from BBC or CNN. But it seems renegade is going down a similar route as well? Unless proved otherwise we may also assume this. As Hitler said, its always in the sponsor...

It's written all over our material, that those who condone in illegal and such depraved actions, are not out members. Same as jews, whom we bar out and drive away from all of our groups, as much as possible. For the few demented criminally bent, shills and kikes, we don't have to give word, as they don't belong on our midst anymore than a 'jewish nazi' or any other such shill or troll, or misinfo agent does.

So you brushing it off and calling us ritualistic, wrist slashing, emo retards, doesn't make you seem legitimate. You are accusing us of jewish abomination and immorality, nothing of which Spiritual Satanism represents. It would take 2 minutes to read the frontpage of our website, before commenting to know this. That was dishonest, and an outright attack. It easy to assume someone is shilling if they act that way.

We have DENOUNCED *ALL* (((Jewish Satanism))), (((hollywood Satanism))), and we have been fighting for 15 years to obliterate this jewish scum hoaxes and social dangers labelled as 'Satanism' off of the face of the earth. We don't even care if it existed prior, or what it did, or what it will do, since this has nothing to do with us.

If anything it defames us. This is the 'emo', jewish agenda behind 'Satanism', which we are diametrically opposed against. (((Jewish Satanism))), supposed "Satanist Freemasonry" is just a scapegoat for the jews, to point to the xian/muslim sheeple, so they can see a bad-guy to feel special about. We completely reject jews, and our notions do not stem from jewish material, as we have rediscovered what this "Satanism" was finally about.

Spiritual Satanism has no relation to jewish garbage that whatsoever.

As for the comments, it wasn't to gain members miss "Sinead". We have thousands already. It was only about you lied on us without any absolute reason.

"Speaking for relations" with other organizations, from someone who has actively argued with absolutely everyone, isn't really the best thing.

However in the manner of civility, I will answer your concerns.

To answer your questions one by one:

1. "Why don't you call the Gods by their Names"?

You can do this, but we prefer not to, as we have discovered many of these names hold innate, non-jewish, meaning, that is worthy of high reverence. People are allowed to call "Satan" as they see fit. To us Satan is the forefather and fashioner of the human Race, and direct Father of the White people.

However the title of choice for Satan is because Satan, in Sanskrit, which is a language that predates any and all is derived from the root "Satyan" which means Eternal Truth. The jews who lived in the areas in this historical time, perverted this into SATAN/SATANAS in their texts, meaning enemy. The prefix "SA" means breath of life in Egyptian, while in many other languages it means many other things. There is a text on "Who is Satan" on our Forums, which explains everything in depth.

"SATANAMA" is the mantra to raise the consciousness, vril, or living force within the Soul, giving enlightenment and supreme understanding. Another place where Satan's name has survived, is in the Pan-Hindu culture, which we believe and have proven to have an Aryan Root, namely "SANATANA DHARMA", or the True Path. Satan is still a surname in India, and "Satan" is all over the place in different forms. Satan was NOT invented by the jews. They scammed it off of Gentiles, as a representation term for the massive, Gentile root culture that Humanity was practicing in all its forms and multitudes.

Satanism for us is the master system, from which all other systems evolved, and we believe it started in the Far East.

To claim that "all Whites" are to be under "Odin" is naive, and not well thought out. What about Romans and Jupiter, Greeks and Zeus, or the White Pharaohs of Egypt? They were not White since they believed in the same Gods in PRINCIPLE, but had different names and aliases? To us the master Key behind all of that, is called Spiritual Satanism. Our all inclusive title for our God is SATAN.

We have proved this in many articles, for at least those open minded enough to study these.

We are devoted to destroying and wiping off of the face of the planet the three scourges that destroy the White Race, and damn all the Gentile Races, such as christianity, which in our research we have found are nothing but jewish dupes, and Torah adjusted for Gentile consumption, so that

people remain enslaved in the intellectual, mental, spiritual and lastly, physical realm.

2. "What are you doing as an activity?"

Except of having woken up 20000+ people into the Truth of NS, its metaphysical notions, and fighting and exposing the jews for closely 15 years now, let alone 100000's of pages of exposing material, online, daily activism to destroy the jewish injustices and lies, and many other thigns. Maybe you can add that we teach people actual occult, which can be utilized into defeating the enemy, which we are doing in occult warfare every single day, aside everything else. The jews, who after all uses the occult to attack us, have forbidden all Gentiles from knowing and using the Occult, which we believe is an inheritance for everyone, but naive White people and Gentiles are inaware of it, so they are all controlled by it. Lack of knowledge made for fools.

We have groups for all Gentiles of different races in which they organize, evolve spiritually, understand and find their racial roots. We believe and practice racial separation. We don't see reasons of infighting or not having friendly relations with Gentiles, unless on a basis of separation, civility, and mutual friendship while fighting the common enemy.

3. "Why do you use these Symbols"?

Because they do not originally belong to any jews, let alone to any fake jewish "Satanists" who think, like jews, that by claiming the symbols of Gentiles and Pagans, they will keep us away from using them. The Pythagorean pentagram, the God Pan, the Kundalini Serpent, and any other such symbols, do not belong to the jews. As for the "Tree of Life", this is again the Yggdrasil Tree in Norse Mythology, that connects the worlds, and this is an occult term for the human Soul. The Runes for example are to be inscribed in wood, and the wood is the element of Aether, which the Soul is constituted from. This is all over the occult lore. I cannot write an essay on that, we have written on this already.

4: "Are you monotheistic"?

No. We believe in more than one God. We have many Gods who have been labeled as Demons, but we believe and adhere to Satan, as to us Satan represents the highest principle there is to be represented. This is again not an alien belief to Ancient religions. There is nothing 'higher' than Satan, in the same way all other Pagans didn't believe there was someone superior to let's say Zeus. This does not brush off the importance of any other God and there is no 'contradiction' in it. To us Satan in principle means Truth, and we also believe this being to be the maker and creator of Gentile people. Many other Ancient Pagan Gods who are labeled as Demons by the christian church, are important Pagan Gods, whose identities have been bastardized into being hated monsters. To us the Gods are not 'ideograms' or 'archetypes'. They are real, and we believe they are ET's that practice a National Socialist system of governance. This is not far at all from all Pagans who believe and admit their Gods to be real, flesh and bone beings, that came and directly 'gave them life' in numerous "legends". Everyone can name them as they see fit.

5. "What about blood sacrifice?"

This is entirely made up by jews, to smear us, and what we consider to be "Satanism". Of course the jews playing clever, defamed "Satanism" for life, and turned the whole world against this being, which so many claim is evil, while claiming "Rabbi Yashua" or "Jesus Christ" is the good being. We believe the bible is a ficticious manuscript, but it shows the jewish mentality for what it is. Many other Pagan Gods whom we believe in as part of our Demons (Demons comes from Greek and means supernatural deity, knowledgeable one), have been equally defamed and attacked in the jewish bible. We see no reason and reality on why these beings are hated, other than jewish writtings. Obviously, all these "Demons" were beneficial and loving spirits to Humanity, that helped us advance our civilization, to the point of being worshipped by Gentiles. Then jews came about

and proclaimed them, same as they did to all Gentile people, as 'unclean', 'impure', 'dirty' and whatever else morbidly imaginable. Demon is not even a derogatory term. Neither is Satan. They are honorable titles, except of in hebrew, where Satan means 'adversary'. We don't give a damn what jews think or their 'take' on the matter. We found for ourselves.

6. "Why is the Dedication Ritual Obligatory"?

The Dedication Ritual can be done by pinching one's finger with a diabetes patient needle. For the same reasons consecrating Runes with one's blood is obligatory, or why its not 'defiled' and 'wrong' for women to give some blood (symbolic of one's essence) back to the earth, we consider its sensible we give a few drops to those whom we considered are our Forefathers, whom we call "Satan" and His Demons.

This is because the highest possession one has is the blood, and a few drops of one's blood are required to show one's seriousness about the undertaking. This is no different than any other sacrament, and we are morbidly against mutilation, or tons of blood. We consider this unspiritual, jewish and stupid. Since the blood contains the life-force, and the very DNA of an individual, a drop or two are required, since we believe this is the highest thing one can give in one's dedication to show that he is serious. This shows mental and physical dedication. This is more for us, rather than the Gods, and to make ourselves understand that this is a serious, and life changing move towards rejection of everything jewish, allah included, rabbi jesus included, and anything created and inspired by these people. This is to show to ourselves first of all, "YES, I AM HERE NOW". This sacrament on its own means nothing, and its daily spiritual meditation that is required for one to advance spiritually, and become a better being, learn about the occult, and advance in what we call "Spiritual Satanism".

We are against, and total enemies of jewish kabal methods of using human blood, murder, and we consider these excremental jewish methods deplorable, disgusting, and worthy of annihilation for everyone who practices that. To us that is useless and stupid, as the jews do these 'rituals' to raise energy for magickal workings, and we consider this an alien way of doing magick, alien both to the Aryan mindset, and all the mindsets of the civilized people and high spiritually advanced persons. We believe this is not a part of the Aryan religion, which we believe is Satanism. The jews authored and made these methods systematic, while they lied that it was supposedly 'Satanists'. Playing both sides against the middle, both the christians, the islamics, the judaists and the fake hollywood kabal judeo-'satanists' have been playing the masses, while all belonged to the same team all along.

With that being stated I seek nothing but to educate people in the comments section in a polite way.

The BIGGEST *LIE* about White religions is the spoken and judaic 'fact' that somehow, all White people didn't really practice spirituality, or that their spirituality was not legit or largely practiced, or things along these lines. The minor form of this is that they were slobs who didn't really bother with all of that and just focused on the physical realm. Which is untrue, as they were excellent in both.

If they didn't bother with Spirituality and their faiths were in vain, why does the enemy jew want to exterminate us to the last man, woman and child, which they openly did so in the middle ages, and after that imposed judeo-christianity? All the unspiritual, dumb people of these "Races" are alive, and all the high, hierarchic, spiritual castes have been destroyed, same as any otherwise successful person, killed, tortured and chased to death in the witch hunts, middle ages, and many other incidents. While the normal, everyday, jeboo race traitor sloths, and submissive cucks, have always had it easy.

So why do they go on a rampage to kill every last druid and spiritual person. While all those who are 'not interest' make it fine by selling the soul to jeboo? Do you do this to people who don't matter, or who are just believing into 'useless' things?

The second room of the same lies goes that Whites have always had the 'orthological/pure logic' type of thought (materialism under a new name, which was inspired by Spinoza and other jews, and passed down as a 'thinking system- mind you all these jews were deep into the occult and judeo-kabbalah themselves). This is a hijacking. The philosophers openly stated that this deals with the occult and opening up the higher consciousness. Only then is true logic materialized. Otherwise its airy jumbo, parading as theory. After all even the 'orthological' and 'empiricists' lies of the jews, are just funny dupes. Not even jews believe their own crap.

Even Karl Marx was deep into the occult from his Rabbi daddy, who probably taught him the divine torah since infancy. As this is what Rabbis do to their children (no, really) reading the Torah to the kids since infancy. And teach them jewish prayers since day one so that these ingrained into the deeper unconscious of their jewish generated creep ghoul. He also knew the Talmud page to page. Because this is his 'scientific work' anyway.

Advocating against all ownership (for the goy), he had the richest millionaire friends and backer jews of his time. And wrote a Talmud for gentile consumption, and a guide to enslavement of the Goy through exploitation for non-spiritual jews. Or namely the physical footsoldiers of the jewish agenda. Even the Stalin creep that destroyed all supposed 'religion' had churches going in the USSR, especially during the war. To amass that occult energy baby. And this creep rejoiced himself in one of the largest, occult libraries ever. While all Russians were illiterate. Confiscating half of it from National Socialist libraries. And Hitler's personal library. Why go to such range to just get your hands on 'lunacy' and 'useless' things. For thousands of years time jooz poozy?

The Frankfurt school was the other giant joke, same as the circles of (((Germans))) and many other

circles in the jewniversities of the time. Who read occult manuscripts, changed words and terms, and tried to make a jewish rehash and present it as their own discovery. While its "physical empiricism" for the Goyim, and *living occult advice* for the fellow jews who knew how to read through these and through the codes. Which is exactly what xianity, islam, and all the sects of these are as well, a dupe on the goyim, lifesavers for jews.

The jews who wrote the bible were nothing but the Frankfurt School of dumbasses, just in their own prelithic times and version. And used psyop to fuck up the "goyim" and eslave their believers, turning them into creeps and people afraid to live. And all jews know it so why would they give a damn about xianity, except of exploiting the loot of gold, shekels, and endless goyim supply that it provides? Who wants to work when you can get holoLOL reparations? As for (((scientific empiricism)))...Only for the cattle again.

So who's the empiricist, "goyim"? Only we Gentiles are supposed for that. Foolish idiots, I don't care who they are or where, who disregard that fact, are at the best affirming that "YES I AM AN UNSPIRITUAL CATTLE" and "I THINK MY OWN CULTURE IS JUST CRAP SUPERSTITION BECAUSE JEWS SAID SO AND I AM A CUCK TO THINK OUTSIDE THE JOOBOX". This should be written down the Judaism Ritual at "sunday blood drinking emulation", down the jeboo church, for every person going there. We can add "YES I AM A CUCK THAT CONDONES MY PEOPLE STAY ENSLAVED DUE TO SPIRITUAL IGNORANCE" in the form as well. "Check". That's all.

These lies are created by the jews, and these are to misdirect even the most studied White people into becoming Goyim (spiritually inaware animals), which leads to xianity in the first place, and make them dumb men who think that all 'religion' is useless nonsense as a result of that. Or just useless superstition. And that sort of like our Ancestors were just dumb uncivilized cattle, living in nature, just having sex in forests, and not minding a thing, while drinking mead and acting drunkard like the show "Vikings". Where the jeboo protagonist is a shill to the judeo-christianity, made into a Hero...Cohencidentally. The line goes...And that even the Vikings were supposedly dumb idiots that took a ship and took turns over the planet, just to pillage, rape and fight, while stoning themselves with mead.

This is the classical jewish story on how the civiliziers of the planet all were retarded "Goyim" without a spiritual culture. Which then the jews try to translate into that only them out of all the "Goyim" had spiritual culture. Even if you have the Pyramids, or China, or even nowadays, advanced Nordic and non White culture in so many places. Hindus are nuts, everyone is nuts, except of jews. Jeboo is the new normal.

After all as the jewish jewdicial system goes, even if one is a criminal and its not found, they are not a criminal. In the same way, if the church for a 1000 years desecrated all these deeper occult things from White people, these don't exist.

Many 'wise Whites' who are also 'studied' do fall in other traps, such as the "Loki Vs Odin" meme. Which is a systematic Christianity 2.0, bleached from the jewish names, into a new meme, where Loki is the bad guy, and Odin is the good guy. Its the same old Hegelian crap, in a new uniform.

The same goes for the other legends about the 'Dragon' and the 'Great Wolf' that need to be 'killed', and the judeo-cucks tying this to the jew, "Saint George". However in the occult lore, this is not a killing of "Evil", neither a message for a supposed cosmological battle such as the jewish 'apocalypse' that many shills and fools of the enemy try to pass it down. For easy consumption for the xianized, 'goyim' who can't live without this stupid and bizarre jewish mindset.

Well, While Odin is the Crown, Loki symbolized the Base chakra. The Yggdrasil Tree is actually the Soul, linking the upper and the lower world (Astral and Physical). When the Dragon is looming on the lower side of the tree, its a dragon or a serpent, but when the Eagle, takes the Serpent and

raises it up on the top of the Tree (Valhalla) here its said the Serpent can see the world. This was of course ripped by the jews into becoming the "Tree of Life" in the jewish kabbalistic, excrement.

And becomes in some legends the actual Eagle, which was the symbol of the National Socialists and as thus the Risen Serpent. Becomes the Eagle. The Eagle is the same symbol nowadays, and it still is shown with the serpent. The Serpent is also never shown dead in any of these inscriptions, but well alive. The National Socialists used the Eagle as the sing of the Risen Serpentine consciousness and the Consciousness of the Race. While the Kundalini Serpent if left untamed and dormant, brings one to 'hel', if ascended and uplifted, it brings one to Asgard/Valhalla. Its not 'evil'. Its a force of consciousness.

"Oy Vey the National Socialists were xian cucks!". Just where? Even their symbol here shows the Risen Serpentine consciousness. Over the Far Eastern Swastika. Because this is who we are. Satanic Pagans, and this is whom we always were. People such as Himmler practiced all of the above, because this is our Racial-cultural heritage. One the large scale, this is Satanism, and applies in different forms to all Gentile people. Real, Satanic, Clean from jewish veneer, Odinism, is just the purest doctrine of "Spiritual Satanism".

The fight of Odin to conquer the Dragon, is the struggling to bring this manifold force of the Serpent under one's control, and draw it upward. This results in the 'inevitable world destruction' upon which all Gods clash (the positive and the negative aspects of the Soul) and the world is destroyed (this is the real "cosmological" battle with the Soul being the "World"). Everything is then destroyed and degenerated.

All the positive Gods die, Loki kills Baldur (the God of Light) and most other Gods are also slaughtered by the 'forces of evil', which mainly deal with the Nigredo stage of the Magnum Opus (which is akin to the death of the individual, and the complete loss of every 'hope' and 'light'). After this there is resurrection. In the second battle, the Gods of light win, and the world is restored, then we have the fable about controlling everything again.

The "Berserker rage" is a spiritual term for the energies of the Soul/Serpent, that lead to apotheosis, and make someone do impossible deeds. This is well documented in how people nowadays while threatened, they can lift cars and things like that. As for an occult term, its the flooding of the energy. The warrior fights best when they drink enough MEAD- mead is the spiritual energy or force.

As after the war is over. Then The Gods reinstate everything on their positions, and the Gods go along again together. There is no 'death' of the 'evil Gods'. Because they are not evil. Meanwhile xianity promises the KILLING of the dragon, or the Kundalini Serpent. So that people will forever fall in spiritual shackles. "Odin" is actually, except of the "God", he is not the strongest "God", but also symbolic of the man who seeks enlightenment and practices for it. Odin sacrifices his eye, because the eye is actually a metaphor for the overly physical perception. This has to be sacrificed, and only 'one' eye remains, which is symbolic of the third eye, or the True vision.

The Captone in Egypt which the kikes stolen is also from that, same as the Cyclops that are written in Odyssey. In the Greek fable, the hero Odessus has to kill the giant cyclops that is blind, by plucking him in the eye with a spear. The spear is symbolic of the spine, and Kundalini energy, the spearhead going into the head. So the cyclops, third eye or the second sight is conquered.

The whole 'battle' is a guide for the Magnum Opus and purification of the Soul, so that one can reach the Godhead, in all of these Aryan fables. Its the same pattern. The same pattern the jews sold and they are now selling as legitimate 'white' culture, for the uneducated 'goyim'. The Runes given to Odin are to be inscribed on the Tree, and with Blood (lifeforce), the Tree, is the Yggdrasil,

the Soul, seat of the life, and life force. Everything is connected to the tree, and all of existence. The Tree is the allegory within all civilizations, and goes back to Sumeria. Yes that place with the blue eyed statues, that was of the first to be annihilated due to being 'Satanic'. The Runes themselves are the actual "Tree" of Yggdrasil. The runes are to be carved on the Tree (the Human Soul) and when carved correctly, one attains the powers of the Gods. Externally, these can be used as magick.

The chanting/vibrating and singing does that. You can see below here, the "Tree" that is the Soul, and all the powers adjusted on it. These are the 'carvings' that need to be done on the tree. The Tree has to be watered, so it can also grow, and this is metaphorical of the daily meditation and adherence to the spiritual practice. This is what the Druids actively, and daily practiced, and all of the strong White tribes who didn't fall first in the Middle Ages, and fought to the last man. Then the Jewish jebbo infiltrated and now people think that this is their culture. You should ask your DEAD ANCESTORS who DIED from this JEWISH CANCER, as to what this is.

Midgard, Asgard, and Hel are actually the three knots in the Soul and the three levels of consciousness. Hel is the lower chakras, Midgard is the Heart, and Asgard are the chakras from the Throat and up. Baldur symbolizes the divine clean, pure and indestructible light of the Soul, while Loki the everlasting darkness. Both are necessary for one's existence, and the 'darkness' is not what's devoid of light, but actually the unperceived light.

The wolf 'Fenrir' and Odin's Valkyries, are actually the powers of the Soul, the 'polar negative' and 'polar positive' energies. Odin sends Valkyries to help those who fight for this war, and he prepares an army for the great war (which is the also an occult terminology for the amassment of the light, or awakening of the chakras and individual very small energy centers). These are troops that will fight against the forces of 'evil' and attempt retaking the world (Soul) and bringing it on a higher level. Why would the Norse appreciate Loki, and use Wolves and all these 'evil' signs as their emblems were they "evil"...Because they were NOT evil, but allegorical. All the Gods represent a chakra, and a center of consciousness.

There is no 'evil' in the sense of Judaism, and hatred against "Satan" in any other Gentile religion, except of the Jewish religions. This is "Beyond Good and Evil", and this is the core of the Aryan religion. "Evil" as in regards to Jews, doesn't have to do with any Loki, or any reverse two sided Hegelianism. Jews are not present in any of such system.

As for the names of the Gods, the names obviously change in every White culture, as these are aliases, and they change and adjust to the native populations. Which is the root of culture anyway. But the examples are always the same. For one example, Aphrodite, Venus, and Freya, Isis, Astarte are the same exact entity, under different, adjusted aliases in native populations.

The 12 God pantheons are representations of the divine energies, but also real beings and worshiped progenitors of the White people. The identities within the characters are almost identical if not entirely the same. All aliases are deeply occult, honorable titles. And obviously these entities, have different names. Same "Satanism" in the deeper core. None of the Pagan Gods is 'evil', because none of that condones literal actions. But is occult allegories. Our people did NOT invent existential, or pseudoethical 'evil' through the religion sense. But due to common, human, sense and ethics that come from the inside.

For those who doubt or misinform in regards to the Pagan origins, the Spiritual Practices, and what Whites have been practicing for thousands of years, I advise reading the following, in the SATANIC way, and by using correct judgment:

"The Eddas: The Keys to the Mysteries of the North", by James Allen Chisholm. Has some good points, but read it in the Satanic way. This shows a lot of things on its own.

For the dumbs, dumbfucks, or victimized and misinformed who think Aryan culture is 'unspiritual' or not 'spiritually founded', or basically an occult culture read the following:

"Pagan Resurrection", by Richard Rudgley - NOTE, this is a "MAINSTREAM" book so a lot of info in it is streamlined to 'act normal' in regards to the dictatorial judeo-philliac world. Even (((independent))) made a page about it. Don't get tangled up in all notions, just read it in a Satanic mindset. I haven't read all of it, but there is proof on how the Aryan people were even doing yoga in it.

As of tonight, I leave many "(((Odinist skills)))" jobless, and many real White people awake from this deadly jewish slumber the jews have done to our Ancestral faiths. Please find another place to shill, or wake up and go to the real occult root of your Ancestry. Or just change the names and continue praising Jeboo, the circumcised Rabbi.

Please steal my writting and post it as your universally grasped information, but don't forget to add some jeboo the circumcised, Rabbi Yashua was an Aryan (mandatory so that Whites remain asleep), positive cucktianity (mandatory, because just WHO can survive without a kike on your race's neck?), shilling lawyerism (oy vey dis and dat), dumbbo Truth evasionism. But I may have a copyright hanging just somewhere? I don't know? I don't really know. Got to keep up with the times of shillers.

Which will soon will have the shils who do this on purpose under the fucking bus. And no "Fight against Loki the evil guy" or "Jews are Loki", "Rabbi Jesus is going to save the White Race" is going to save you from the fact that you are purposefully trolling your own Race while spewing rehashed judaism and xianity.

This is the Truth, and Satanism is the Master Key and system that encompasses all of this.

Whites are waking up.

Because this is his 'scientific work' anyway.

Advocating against all ownership (for the goy), he had the richest millionaire friends and backer jews of his time. And wrote a Talmud for gentile consumption, and a guide to enslavement of the Goy through exploitation for non-spiritual jews. Or namely the physical footsoldiers of the jewish agenda. Even the Stalin creep that destroyed all supposed 'religion' had churches going in the USSR, especially during the war. To amass that occult energy baby. And this creep rejoiced himself in one of the largest, occult libraries ever. While all Russians were illiterate. Confiscating half of it from National Socialist libraries. And Hitler's personal library. Why go to such range to just get your hands on 'lunacy' and 'useless' things. For thousands of years time jooz poozy?

The Frankfurt school was the other giant joke, same as the circles of (((Germans))) and many other circles in the jewniversities of the time. Who read occult manuscripts, changed words and terms, and tried to make a jewish rehash and present it as their own discovery. While its "physical empiricism" for the Goyim, and *living occult advice* for the fellow jews who knew how to read through these and through the codes. Which is exactly what xianity, islam, and all the sects of these are as well, a dupe on the goyim, lifesavers for jews.

The jews who wrote the bible were nothing but the Frankfurt School of dumbasses, just in their own prelithic times and version. And used psyop to fuck up the "goyim" and enslave their believers, turning them into creeps and people afraid to live. And all jews know it so why would they give a damn about xianity, except of exploiting the loot of gold, shekels, and endless goyim supply that it provides? Who wants to work when you can get holoLOL reparations? As for (((scientific empiricism)))...Only for the cattle again.

So who's the empiricist, "goyim"? Only we Gentiles are supposed for that. Foolish idiots, I don't

care who they are or where, who disregard that fact, are at the best affirming that "YES I AM AN UNSPIRITUAL CATTLE" and "I THINK MY OWN CULTURE IS JUST CRAP SUPERSTITION BECAUSE JEWS SAID SO AND I AM A CUCK TO THINK OUTSIDE THE JOOBOX". This should be written down the Judaism Ritual at "sunday blood drinking emulation", down the jeboo church, for every person going there. We can add "YES I AM A CUCK THAT CONDONES MY PEOPLE STAY ENSLAVED DUE TO SPIRITUAL IGNORANCE" in the form as well. "Check". That's all.

These lies are created by the jews, and these are to misdirect even the most studied White people into becoming Goyim (spiritually unaware animals), which leads to xianity in the first place, and make them dumb men who think that all 'religion' is useless nonsense as a result of that. Or just useless superstition. And that sort of like our Ancestors were just dumb uncivilized cattle, living in nature, just having sex in forests, and not minding a thing, while drinking mead and acting drunkard like the show "Vikings". Where the jeboo protagonist is a shill to the judeo-christianity, made into a Hero...Cohencidentally. The line goes...And that even the Vikings were supposedly dumb idiots that took a ship and took turns over the planet, just to pillage, rape and fight, while stoning themselves with mead.

This is the classical jewish story on how the civiliziers of the planet all were retarded "Goyim" without a spiritual culture. Which then the jews try to translate into that only them out of all the "Goyim" had spiritual culture. Even if you have the Pyramids, or China, or even nowadays, advanced Nordic and non White culture in so many places. Hindus are nuts, everyone is nuts, except of jews. Jeboo is the new normal.

After all as the jewish jewdicial system goes, even if one is a criminal and its not found, they are not a criminal. In the same way, if the church for a 1000 years desecrated all these deeper occult things from White people, these don't exist.

Many 'wise Whites' who are also 'studied' do fall in other traps, such as the "Loki Vs Odin" meme. Which is a systematic Christianity 2.0, bleached from the jewish names, into a new meme, where Loki is the bad guy, and Odin is the good guy. Its the same old Hegelian crap, in a new uniform.

The same goes for the other legends about the 'Dragon' and the 'Great Wolf' that need to be 'killed', and the judeo-cucks tying this to the jew, "Saint George". However in the occult lore, this is not a killing of "Evil", neither a message for a supposed cosmological battle such as the jewish 'apocalypse' that many shills and fools of the enemy try to pass it down. For easy consumption for the xianized, 'goyim' who can't live without this stupid and bizarre jewish mindset.

Well, While Odin is the Crown, Loki symbolized the Base chakra. The Yggdrasil Tree is actually the Soul, linking the upper and the lower world (Astral and Physical). When the Dragon is looming on the lower side of the tree, its a dragon or a serpent, but when the Eagle, takes the Serpent and raises it up on the top of the Tree (Valhalla) here its said the Serpent can see the world. This was of course ripped by the jews into becoming the "Tree of Life" in the jewish kabbalistic, excrement.

And becomes in some legends the actual Eagle, which was the symbol of the National Socialists and as thus the Risen Serpent. Becomes the Eagle. The Eagle is the same symbol nowadays, and it still is shown with the serpent. The Serpent is also never shown dead in any of these inscriptions, but well alive. The National Socialists used the Eagle as the sing of the Risen Serpentine consciousness and the Consciousness of the Race. While the Kundalini Serpent if left untamed and dormant, brings one to 'hel', if ascended and uplifted, it brings one to Asgard/Valhalla. Its not 'evil'. Its a force of consciousness.

"Oy Vey the National Socialists were xian cucks!". Just where? Even their symbol here shows the Risen Serpentine consciousness. Over the Far Eastern Swastika. Because this is who we are. Satanic

Pagans, and this is whom we always were. People such as Himmler practiced all of the above, because this is our Racial-cultural heritage. On the large scale, this is Satanism, and applies in different forms to all Gentile people. Real, Satanic, Clean from Jewish veneer, Odinism, is just the purest doctrine of "Spiritual Satanism".

The fight of Odin to conquer the Dragon, is the struggling to bring this manifold force of the Serpent under one's control, and draw it upward. This results in the 'inevitable world destruction' upon which all Gods clash (the positive and the negative aspects of the Soul) and the world is destroyed (this is the real "cosmological" battle with the Soul being the "World"). Everything is then destroyed and degenerated.

All the positive Gods die, Loki kills Baldur (the God of Light) and most other Gods are also slaughtered by the 'forces of evil', which mainly deal with the Nigredo stage of the Magnum Opus (which is akin to the death of the individual, and the complete loss of every 'hope' and 'light'). After this there is resurrection. In the second battle, the Gods of light win, and the world is restored, then we have the fable about controlling everything again.

The "Berserker rage" is a spiritual term for the energies of the Soul/Serpent, that lead to apotheosis, and make someone do impossible deeds. This is well documented in how people nowadays while threatened, they can lift cars and things like that. As for an occult term, it's the flooding of the energy. The warrior fights best when they drink enough MEAD- mead is the spiritual energy or force.

As after the war is over. Then The Gods reinstate everything on their positions, and the Gods go along again together. There is no 'death' of the 'evil Gods'. Because they are not evil. Meanwhile Christianity promises the KILLING of the dragon, or the Kundalini Serpent. So that people will forever fall in spiritual shackles. "Odin" is actually, except of the "God", he is not the strongest "God", but also symbolic of the man who seeks enlightenment and practices for it. Odin sacrifices his eye, because the eye is actually a metaphor for the overly physical perception. This has to be sacrificed, and only 'one' eye remains, which is symbolic of the third eye, or the True vision.

The Cyclops in Egypt which the Kikes stolen is also from that, same as the Cyclops that are written in Odyssey. In the Greek fable, the hero Odysseus has to kill the giant cyclops that is blind, by plucking him in the eye with a spear. The spear is symbolic of the spine, and Kundalini energy, the spearhead going into the head. So the cyclops, third eye or the second sight is conquered.

The whole 'battle' is a guide for the Magnum Opus and purification of the Soul, so that one can reach the Godhead, in all of these Aryan fables. It's the same pattern. The same pattern the Jews sold and they are now selling as legitimate 'white' culture, for the uneducated 'goyim'. The Runes given to Odin are to be inscribed on the Tree, and with Blood (lifeforce), the Tree, is the Yggdrasil, the Soul, seat of the life, and lifeforce. Everything is connected to the tree, and all of existence. The Tree is the allegory within all civilizations, and goes back to Sumeria. Yes that place with the blue eyed statues, that was of the first to be annihilated due to being 'Satanic'. The Runes themselves are the actual "Tree" of Yggdrasil. The runes are to be carved on the Tree (the Human Soul) and when carved correctly, one attains the powers of the Gods. Externally, these can be used as magick.

The chanting/vibrating and singing does that. You can see below here, the "Tree" that is the Soul, and all the powers adjusted on it. These are the 'carvings' that need to be done on the tree. The Tree has to be watered, so it can also grow, and this is metaphorical of the daily meditation and adherence to the spiritual practice. This is what the Druids actively, and daily practiced, and all of the strong White tribes who didn't fall first in the Middle Ages, and fought to the last man. Then the Jewish jeboos infiltrated and now people think that this is their culture. You should ask your DEAD ANCESTORS who DIED from this JEWISH CANCER, as to what this is.

Midgard, Asgard, and Hel are actually the three knots in the Soul and the three levels of consciousness. Hel is the lower chakras, Midgard is the Heart, and Asgard are the chakras from the Throat and up. Baldur symbolizes the divine clean, pure and indestructible light of the Soul, while Loki the everlasting darkness. Both are necessary for one's existence, and the 'darkness' is not what's devoid of light, but actually the unperceived light.

The wolf 'Fenrir' and Odin's Valkyries, are actually the powers of the Soul, the 'polar negative' and 'polar positive' energies. Odin sends Valkyries to help those who fight for this war, and he prepares an army for the great war (which is the also an occult terminology for the amassment of the light, or awakening of the chakras and individual very small energy centers). These are troops that will fight against the forces of 'evil' and attempt retaking the world (Soul) and bringing it on a higher level. Why would the Norse appreciate Loki, and use Wolves and all these 'evil' signs as their emblems were they "evil"...Because they were NOT evil, but allegorical. All the Gods represent a chakra, and a center of consciousness.

There is no 'evil' in the sense of judaism, and hatred against "Satan" in any other Gentile religion, except of the jewish religions. This is "Beyond Good and Evil", and this is the core of the Aryan religion. "Evil" as in regards to jews, doesn't have to do with any Loki, or any reverse two sided Hegelianism. Jews are not present in any of such system.

As for the names of the Gods, the names obviously change in every White culture, as these are aliases, and they change and adjust to the native populations. Which is the root of culture anyway. But the examples are always the same. For one example, Aphrodite, Venus, and Freya, Isis, Astarte are the same exact entity, under different, adjusted aliases in native populations.

The 12 God pantheons are representations of the divine energies, but also real beings and worshiped progenitors of the White people. The identities within the characters are almost identical if not entirely the same. All aliases are deeply occult, honorable titles. And obviously these entities, have different names. Same "Satanism" in the deeper core. None of the Pagan Gods is 'evil', because none of that condones literal actions. But is occult allegories. Our people did NOT invent existential, or pseudoethical 'evil' through the religion sense. But due to common, human, sense and ethics that come from the inside.

For those who doubt or misinform in regards to the Pagan origins, the Spiritual Practices, and what Whites have been practicing for thousands of years, I advise reading the following, in the SATANIC way, and by using correct judgment:

"The Eddas: The Keys to the Mysteries of the North", by James Allen Chisholm. Has some good points, but read it in the Satanic way. This shows a lot of things on its own.

For the dumbs, dumbfucks, or victimized and misinformed who think Aryan culture is 'unspiritual' or not 'spiritually founded', or basically an occult culture read the following:

"Pagan Resurrection", by Richard Rudgley - NOTE, this is a "MAINSTREAM" book so a lot of info in it is streamlined to 'act normal' in regards to the dictatorial judeo-philliac world. Even (((independent))) made a page about it. Don't get tangled up in all notions, just read it in a Satanic mindset. I haven't read all of it, but there is proof on how the Aryan people were even doing yoga in it.

As of tonight, I leave many "(((Odinist shills)))" jobless, and many real White people awake from this deadly jewish slumber the jews have done to our Ancestral faiths. Please find another place to shill, or wake up and go to the real occult root of your Ancestry. Or just change the names and continue praising Jeboo, the circumcised Rabbi.

Please steal my writing and post it as your universally grasped information, but don't forget to add some jeboo the circumcised, Rabbi Yashua was an Aryan (mandatory so that Whites remain asleep), positive cucktianity (mandatory, because just WHO can survive without a kike on your race's neck?), shilling lawyerism (oy vey dis and dat), dumbbo Truth evasionism. But I may have a copyright hanging just somewhere? I don't know? I don't really know. Got to keep up with the times of shillers.

Which will soon will have the shils who do this on purpose under the fucking bus. And no "Fight against Loki the evil guy" or "Jews are Loki", "Rabbi Jesus is going to save the White Race" is going to save you from the fact that you are purposefully trolling your own Race while spewing rehashed judaism and xianity.

This is the Truth, and Satanism is the Master Key and system that encompasses all of this.

Whites are waking up.

Group Rituals for Father Satan [Yule Season]

Greetings to all our People and Satanic Comrades!

Yule is a happy season for all Satanists, and this is because its the celebration of our Father Satan and all our Pagan Gods. However, these days of high importance have been hijacked, do not let the weaklings and frailed out dumb xians and others bring you down. These days belong entirely to us, same as the festivities, and everything that makes the holidays worth it and fun.

Xians and many other dumbasses only own misery, and jewsus christ the cheap rabbinical thoughform is just hovering on his sickly stick as the usual, hammer and sickle. Trying to destroy Yuletide happiness and replace it with slavishly worshipping a lie. This is why the majority of people like 'xmas' and the 'holidays', fun, leisure, only insofar these have Satan, shopping, and no xianity in them.

Do not let others lie to you or make you forget what the Yule season is about. This is entirely ours, and predates xianity by thousands of years. The Yule Tree is the Soul Tree, the Star on the Tree is the Pentacle, the symbol of Satan. Santa is actually an anagram for Satan, and this is symbolic of Santa who comes from the north, on Satan's Power days to confer gifts (blessings) to Humanity, and all those who have been good people over the year. All Children love Satan/Santa, and everyone is on a great mood on these cozy times. The traditional gift giving to the more poor and weaker, is also a Satanic trend, same as spending time with one's family.

All of that is Pagan/Satanic, and none of this has to do with the jewish 'church'. Of course, one cannot deny the resemblance to Odin and the Yggdrasil Tree, which is actually the Yule Tree- the

Soul. The beautiful jewels or spheres hanging from the tree symbolize, aside of the chakras, the desires that one puts on their soul so they can gain power from the Tree of life to manifest in the next year. Its also traditional in many places that people write wishes on top or inside these spheres, and also the Soul needs light, and this is why the trees are decorated with light. This is a physical object to emulate what the Soul has to be: filled with light, beauty and splendor, and crowned by the Star which is the 7th Chakra and the consciousness. After all Satan is the Serpent on the...Tree.

Satan speaks openly through all of these symbols, rivaling the enemy who wants to destroy and defile Satan and the Human Soul. In many xian ruled places, the Yule Tree is forbidden.

We are obligated as Satanists to spend the 21st, 22nd and finally 23rd of Month, in observance to Satan and his Magnificence. Satan is the most beautiful being and in the most Ancient tongues, he means life, truth, wisdom, and generally the highest and meanings that have ever been conceived by the human mind and intelligence. All those who know Satan, do know that all these indeed do fall short of his unparalleled magnificence.

The reason I am posting this is that every year, we gain more power, but the enemy and their ancient propaganda against the Grand God of Truth Satan is actually smearing him. The enemy jews and the enemy xians and pisslamics will of course for yet another year try to taint Satan's legacy, try to pin atrocities and all sorts of emo-crap and ancient lies and defamations on Him. The sheep will gladly follow these, and yet another Yule will be going to waste. That's what the jews think will happen into this Yule, but it will NOT.

What Satan has been receiving in Yule? His own children, creation and progeny attacked, His Name which means LIFE and TRUTH, tainted. Smear, lies, attacks, curses, false enemy propaganda, and hatred. That's what the jews have been giving Satan every year. Not that Satan cares or partakes into anything of this, neither does it even touch him in the least, but the thing is, can you see what is going on here? Do you feel for it? What have our Pagan Gods have been receiving? Smear, attacks, misinformation, being portrayed as hideous monstrosities, which is the exact opposite of what they are.

Nobody of all these scumbags had had ONE ounce of decency to look beyond the jewish crap about Satan. Well you know what, I have, and I have seen the most beautiful being in all creation, within, without, far to the depths of being totally incomprehensible, but yet so tentative to the heart and Soul of humans. Who are His creation after all.

So you know what?

This Yule belongs to Satan and we are going to Honor him MASSIVELY and accordingly. With our silent devotion and happy rituals, and contemplation on his Divine energy, Satan who is the Most High will be glorified. Satan's name has been smeared by the monkey lifeforms who follow stupidly and blindly the jews, and who are listening to their crappy propaganda against our God and our Gods of Hell. There is nothing lower than this filth.

This Yule Satan will get a lot of praise. Now below I am going to post a Ritual, but there are so many more things one can do to make things even better. You can send Satan beautiful energy, write him your gifts or poems, or just tell him whatever you want in your mind. Satan will hear you. Let's give him the gifts, the hymns, the beauty this being deserves. While Satan needs nothing, its in the human heart and a universal law in existence to return the beauty and show gratitude to the ones we love at this season.

On the 20th and 21st of the Month, we are going to drive away the smearing and curses from our Father's name, by reversing this RTR's foiling the kike attempts at scorning and attacking Satan. Let's spam the Hell out of this Ritual. Keep doing it over and over again so we saturate the whole

planet AGAINST all the SMEAR and LIES of the enemy. Let's see what they can do when the TRUTH is going out at such rapid rates.

Jew Run MTV "Your A Fucking White Male!" 2017

MTV which is owned by Elder of Zion, Summer Redstone real surname Rothstein:

Just made a open anti-White video, promoting the Jewish program of Cultural Marxism which is aimed by the admission of its Jewish creators to debase and psychopathologize the White Race and Western Civilisation to destroy the White Race.

Well to make the above ideology of the Jews happen into reality the Jews at MTV have put out this boring propaganda, which a bunch of Jewish TV stereotypes telling you basically "Your A Fucking White Male!" this is also revealing the term "Woke" like Woke up, meaning simply "The Goyim Know!"

<https://www.youtube.com/watch?v=K4syEMiYsgE>

The reason the Jews are promoting White Genocide is because its part of being Jewish, literally its part of their Race Religion:

The Jewish Texts Admit Satan Is the Father of the White Race And Orders Extermination Of All Whites.

In the Jewish writings Samael [Hebrew word for Satan] is called the father of the Aryan race openly. The White race is also called Amalek in the Jewish writings and Samael is stated to be the White race's father here. Here in the Jewish writings we note the Jews heap blasphemy upon Gentiles and Satan. And gives the direct order to exterminate the White Race, along with all Gentiles, the "mixed multitude" it describes the different Goyim but puts the White Race into a special category to be "bolted out" forever as it states below we are the children of Samael/Satan, directly.

The Jewish Zohar volume one, pages 28b to 29a states:

"At that time the mixed multitude shall pass away from the world. The mixed multitude are the impurity which the serpent injected into Eve. From that impurity came forth Cain who killed Abel. For they are the seed of Amalek. Whom it said "thou shalt blot out the memory of Amalek." Gentiles who are compared to the beasts of the field another from the mazikin [goblins] for the souls of the wicked are literally mazikin [goblins] of the world: and there is impurity from the side of the demons and evil spirits: and there is none so strange among them as Amalek who is the evil serpent "the strange God." He is the cause of all unchastity and murder and his twin soul is the poison of idolatry, the two together being called Samel.... This side of the serpent is accused above all."

Subject: Happy Satan's Holiday

Wishing everyone here a Happy Satan's Holiday. Tonight is for Satan.

Satan is truly wonderful beyond words. I can't say this enough. This also includes Lilith and our other Gods.

For those of you who are new, still uncertain or have lingering doubts or fears, know that Satan doesn't demand blind faith. In time, he opens all of our eyes so we can see the truth for ourselves.

I have been with Satan for over 16 years now. How many of you here can honestly state that you are a better person now and that your life has gotten better since you dedicated to Satan? I know I can.

Satan heals us from the inside out.

He also gives us knowledge that those who are without do not have. I remember talking with a woman who had spiritual/occult interests. She had some knowledge and was totally freaked out by what I knew. I was light years ahead of her. This is all from Satan.

Satan and Lilith have touched my life so many times. I remember when I was new, I was broke and hungry. I was walking down the street and right in front of a restaurant, a was of money was stuck to the ground. It was enough for me to go inside and order a meal. This was from Satan. He looked out for me and I didn't even need to ask. I have always been deeply touched by that experience.

He has blessed my life with so many beautiful miracles, that I can't count. I am so grateful to him beyond any words.

WE LOVE YOU SATAN!!!!!!!!!!

Reverse Ritual Schedule, for the 24-25-26th of the Month

Greetings to all our People and Satanic Comrades!

Before anything, just know that after this schedule we are going to attack the enemy severely. We have to foil them on these days however as Rabbi Jewsus and the alien company are more than likely attempting yearly siphoning of energies from the 'goyim' (Gentile) slaves they have. The kike on a stick just does not want to allow its 'sheeple' and its parasitism blood source, let go. Its 'merry xmas' is everywhere, forcibly, and by coercion. They are celebrating a dead thoughform created by some psychotic rabbis just a few hundreds of years ago. The enemy really needs their 'medicine' from that in order to pick up from where they are now.

As for late, Israel has been having serious issues. The Champion of Judah (but plan B of the jews), Trump, wants to bail them out and basically give them more space of abuse settlers and the Palestinians. This is by promoting 'negotiations' that Israel didn't want to make since 1967, anyway. The Jewnited Nations acted for once like United Nations and does want to further the negotiations between the two because it just gets nowhere as it is now. And recognized the war crimes of Israel. How are they going to exactly do this right now, is Trumps offer for "two part negotiations" which is a tried and false one. And destroyed the ME and flooded the west with "Immigrants"... Which just means in the end 'leave Israel unimpeded to do whatever the fuck they please, or...'. All of this is happening behind the clock, while on the 'global scene' things have been appearing to be 'freezing'.

<https://www.theguardian.com/world/2016/...ettlements>

What does that mean for Pissrael? Less war crimes, less 'reparations', less 'financial aid' like 50 billions for 'protection' of Israel, less organ harvesting from Arab children, less property, and finally less land for them. This will force the 'chosen' of the greys and shithead company to 'reduce' and shrink. Which is a major setback to their agenda. Of course the "Champion of Easily Convinced 'White People', the Savior, Oy Vey 6 trillion" Donald Trumpf is the first (And the only one) to stand up for the jews that have created him. After all he is a xian Goyim, and a racial jew to a percent anyway. So if momma bear Israel goes down, then where people like Trumpf are going to be?

The assassination attempt of the Turkish ambassador also has the reason so that "Russian" will join forces with "Turkey" to counter "Terrorism". Al of us here know just who created ISIS, and that is the jews. And that the ultimate purpose of this terror organization is to be caused as proxy so that there is endless immigration, the ME is wiped out, and people leave their territories to only come to Europe.

So for the above, we are going to continue on the Media RTR, for these three days. This will hurt the enemy bad as the media depends on the xian jeboo on these days. So we will just foil all of their projections who are the main causes of jews gaining energy on that 'time'. All of the above is the result of bad negotiations and bad propaganda by the enemy, and it will get worse for them. This can be further exploited by destroying their communications further, now that Mercury is retrograde. Anything that can go wrong, **MUST** go wrong right now.

The Communications RTR we will be doing will further any problems the enemy is having on the communication scale. Added on this, we can do the reversing 'War' prophecies Ritual. As I have explained in my other post, the enemy wanted war between Russia and Turkey but without the Plan B Trump on it, they are going nowhere with this act just yet. They need him up first, to at least know how the terrain is going to be. Also, do not buy the fairytale that Trump wants peace. The jews only want peace as a sideway to gain more power and destroy their enemies. A different jew doesn't change the overall plan. If the jew is not powerful enough, they want 'friendship and peace'. If they are powerful enough, they want to rip the guts on every Gentile child in 'spirit cooking' rituals to Jehova and the "God" of the Illuminati, "JESUS CHRIST". Which is what they did for centuries anyway.

Israel has experienced severe losses. For this reason I have also contacted Satan and have asked for their guidance on the matter, and also upon conversating with the other HPS we have decided to prolong the schedules to way more than just 10 days or weeks. This will happen around the time of the new year. There will be updates. This does NOT mean there may not be the need of immediate RTR's that must be done in between, as this war is active, and nothing is set on stone. Our unpredictability is our strength. How are we destroying the enemy again? Because they are foolish enough to put their "Torah Plan" in public sight.

However at this point its useful that we attack the enemy where they hurt the most. Now, many of you here may be suffering, after Father Satan's amazing day, from the (((Jolly))) energies of xmas, thoughforms, ideas about the jewish zombie, and many other retarded and useless things that come by them. We can disband most of this and give the enemy a horrible "intake" of parasitized energies from their 'goyim'. We need to counteract the poison as the enemy is gaining power and energy from all of this. If we just let them hang, they are going to get even, and they will get more into our tail for the next year.

For the above, we will do the "72 names of 'God' reversal" RTR. Its by that name the Rabbis are trying to summon power to actually pull all the things they want to pool into reality.

Below are the Rituals for the three days above:

Reverse Ritual Schedule, for the 24-25-26th of the Month

Greetings to all our People and Satanic Comrades!

Before anything, just know that after this schedule we are going to attack the enemy severely. We have to foil them on these days however as Rabbi Jewsus and the alien company are more than likely attempting yearly siphoning of energies from the 'goyim' (Gentile) slaves they have. The kike on a stick just does not want to allow its 'sheeple' and its parasitism blood source, let go. Its 'merry xmas' is everywhere, forcibly, and by coercion. Happy New Year to All of our Satanic Family

Greeting to all our People and Satanic Comrades!

Wishing you the best year, filled with advancement, manifestations of your aspirations, and the very best. May we continue to bless one another, and may we continue our highest endeavors together and personally.

You will see everyone welcoming the "New Year" in euphemisms and giant words, promises that will never stand, any many other funny things. However, you know the real key to internal change, transformation, and evolution. Which is Satanic Meditation. You know the reality of what it means to own a Soul, amidst so many people with all these decorative, hypocritical statements, that die by January 3rd at a maximum.

For this reason you need to be thankful, for out of the billions walking in the planet, you have a chance to really transform, advance and evolve in your new year, irrespective of where you are. Thankfulness means application to make one's self better.

May the Gods always bless us, and may we always continue scoring wins and successes for them. With our determined effort and unbreakable works, we will conquer even more the next year, in the personal and transpersonal realms.

A year of advancement, expansion, and empowerment lies ahead for all of you, irrespective of where you are now. Usher your chance, and the next of the next year will find you ever triumphant, your present self being a memory of a prior state of your advancement. Make it happen. Make use of your blessings.

Additionally, a big thank you to all of our people who labor and fight, do work, who advance their Soul, and who resist the advance of this worthless tyranny of the enemy. You are writting history with your own will and pen, causing terror to this tyrannic idiocy that rules over the world at this point. We will fight and in the end we will defeat them, all together. All your contributions are valued and taken to heart.

All of you will enjoy special joy, and blessings by Satan, which you probably do already. Satanists are of the few people on the planet walking around owning their Soul, and having dedicated it to the one whose Name means the greatest thing to ever be grasped by the mind: Truth.

Subject: "Xmas" and The Bible Simply Explained

["Xmas" and The Bible Simply Explained](#)

You see now in around these days, people are actually celebrating some fictitious entity based on an occult manuscript of jewish origin. In that manuscript, there is advocacy of rape, murder, death and all sorts of destruction and decay. It was authored by rabbis whom as the series of the books reveal, were going around the planet writing propaganda against every Nation that was stupid enough to keep them in. And after they plundered enough, raped enough, and attacked enough, they smeared and destroyed the civilization of these people from within and with psyops and went onto the next one.

Somewhere in these times the jews also were around the Babylonian and Far Eastern Area (Because being alien they never had an actual earth to inhabit), where they stole the creation myth, changed names, and added vitriol and lies against their 'enemies' which basically were all other tribes they have co-existed with, even if these treated them nicely. This is the culture of "Judaism" overall. "Satan" from being the ascension mantra of the Serpent, somehow made it into the evil being of a jewish authored story. After all, Satan is the ultimate evil and nightmare of the jews. What blessed us Gentiles, cursed them.

So from all these rumors and lying, somehow, the original Gods of all Gentile people ended up as Demons centuries later. And people literally think Satan is some evil spook because the jews said so. There is absolutely zero evidence coming from non-jewish occult sources in regards to that, especially at thousands years time prior. All the evidence that exists says the exact opposite of what the jews have wrote in this book. Satan is life, Truth, holyness, and all the things that are exactly opposite of what jews stated.

Now this book except of an occult manuscript of the lowest garbage quality, is also a book that cares to brainwash the cultureless Gentiles foolish enough to 'accept' it , with predictive programming. Dealing with how Nations will kill themselves, how the enemy and their so called 'forefathers' will take over the planet, with their appointed "To-Be" Messiah, named the circumcized Jewsus Christ. Who was a Rabbi according to the story. And promises to return to kill anyone in everlasting fire, of those who do not conform to the jews and their demands.

Mind you however, with serious spells and some 'love messages' here and there, as Rabbis admit and as the aliens admit since love is Humanity's weakest point, some centuries later, this propaganda jewish booklet somehow became 'religion'. Of course, on the top of the corpses of millions upon millions of Gentiles, who were enslaved for around 1000 years. From this system, the jews developed a new adjusted system called "Islam" through which they have kept their other enemies in control. And lastly, the jews kept Judaism for themselves. This is because the reality behind both of the other programs come from Judaism.

So Xmas is the celebration of the supposed "Rabbayenu Emmanuel", or "Rabbi Yahoshua" which is in plain, Jewsus. The identity of which was formulated by Gentile Pagan Gods and deities, and astronomical setups that have universe significance. So its just poisoned and stolen, pseudo-culture. All our Gods ended up in this jewish propaganda manuscript of smear without evidence, as "Monsters". How many do actually know our Gods, and know Satan for who he is? How many have asked Satan and have went to see beyond the jewish propaganda? Well all the people who did are here and they all know Satan is nothing even remotely related to the jewish drivel that accuses him.

Certainly not any minion of any hebraic thoughtform.

I guess the all powerful jew in the sky had to wait 50000+ years of Human history until it revealed 'itself' in a book of rape, mutilation, national genocide, and emotional baggage. Yes, definitely.

I mean if a jew comes to you at some point and tells you that you need to die, and that you suck, that must be the truth as well. As the race of the jews is known for their truthfulness, sincerity, and for absolutely not using psyops on everyone since Ancient Times. The bible and xianity are just another psyop of the jewish race on the "Goyim" and nothing more. Its an ancient form of Freudism, false Einstein science, and all sorts of other things that have been created for thousands of years by the jews.

The jews impose their will, being a cowardly and diseased race, based on mental trickery, confusion, and lastly a deranged version of the Ancient Occult, which they stole from the populations that made the mistake of showing them 'mercy'. Of course the jews thrive only by misplaced mercy, if one observes this for what it is. Shortly from this misplaced mercy and 'acceptance', the jew becomes master of Nation, states, and people, and then blends in, ultimately driving them into complete destruction. How is this accomplished? By a cultural injection of xianity, right into the souls of their host races. The "self-destruction while praising the jews" serum.

The same goes for all their other useless foot soldiers such as the 'immigrants' who aren't even useful to fight to free their own country, but through 'mercy', now they are slaughtering the West, raping innocents, and mutilate pedestrians in the name of "Allah"- another jewish generated thoughtform, and attempting to rape the wives of the native populations. OF course the 'mercy' now, this ancient dupe, has been decoded in different, scientific and modernized thoughts, but its the Torah behind all of it. Since Dr Noel Ignatiev says that Whites need to die, oh they should. But wait didn't they say the same thing in their Rabbinical writings too? The only difference is that instead of Rabbi Dr Noel Ignatiev, we have Dr Noel Ignatiev. The message is always the same.

In the bottom line, what people are 'Worshipping' is death, destruction, and the death of all life. All in the form of a Rabbi hovering from a stick. So long will this rabbi descend, so fast will Humanity improve, and only then there will come one real age of permanent real improvement of Humanity, where people can smile again and be internally happy, by practicing the spirituality that the jews have robbed from them.

So when you go outside on Xmas, yawn and let the enemy have their stupid act. See the coercion they need, see the correlations they try to pull, and know that in every other year, their morbid psyop program will be dying a faster and more brutal death.

"Happy Kikemas", but not for long....Information and Truth will in the end prevail.

HAIL SATAN!!!!

Subject: "Christian Whites" The Eternal Cattle of the Jew			

["Christian Whites" The Eternal Cattle of the Jew](#)

Let's be blunt about it shall we?

If one pays attention to everything the jews project in regards to "White History", everything is pletted with xianity, petty wars between Whites such as Protestants and other sects (Celebrate your civil and race warfare Goyim thanks to Rabbi Jewsus) and this is relentless. Such unfruitful and stupid acts are being glorified, and also the 'hatred' that results from these historical mistakes that

were made by jews. This petty worthless excrement is pushed in the White mind as something 'good' and 'decent' and a source of 'pride'.

We don't need Crusades, or the vanity of the judeo-christianity to gain pride for our existence. We have thousands upon thousands of years prehistory of that, and even our present is glorious. Fighting for some stupid 'grail' shouldn't sensitize anyone, compared to WW2, where our people fought for the real grail: That of preserving the White Race. Even in this giant, jewish created war, Hitler did whatever he could to spare and save the life of our people and race, being ultimately too just and too merciful. He left this world with the message of the Race, and the Blood, so that we can follow. Here is your "Holy Grail", and here is a real God, a real Prophet- you name Him as it fits you. Herein lies the Truth.

All the jewish owned and run shows like "Vikings", "Reign" and all the other things, are promoting jewish xian messages to our people. I haven't watched any, but I have watched trailers. Oy vey, the powerful White Warrior kissing the jeboo on the stick, going to battle and winning against his own stupid Pagan enemies. That's all that is there in these so called stories. Of course, these are done horribly. Even the "Battle for Middle Earth" is heavily xianized, and the writer of this was a devout xian. The allegories were nevertheless based on White history, albeit of course, with a little Jewish Cancer in it. Because well if you don't have Jewish Cultural Cancer nowadays, you are not being White!

Hasn't it still dawned to the White Christian Goyim, that the jews literally LOVE that you are a christian? They love how RETARDED you are, how you love their jewish 'Bible', run around like the Goyim they have made out of you to 'prove it' and to advocate for Rabbi Jewsus, they loved how you killed your own ancestors for an imaginary jewish communist, and how you are a worthless peasant-minded fellow thinking their life's meaning is inherent in a jewish book. Where your ultimate reward by following a jew is praising eternal hallelujah's to it, now and for all eternity, aside Rabbis. Excellent aim for existing.

They love it when you bow to the jewish thoughtform, a ripoff of your own -thousands of years older than- Gods, and they also love it if you are in any other worthless department such as Wicca. Given they are aware that the "White Goyim" is very 'revolution tentative', they tell that 'cattle' (That's how the jews see you) that they really are AGAINST xianity and they hate it. Oy vey, they must be honestly hate it- jews are always honest and its not like they are using reverse psychology to get you to entangle with a jewish lie meant to control you- NO. After all its not like xianity opened the door wide for the jews to control and slowly annihilate our race. Its not like jews are slavishly rich by enslaving us through the values of cowardice and sly (((acceptance))) promoted by 'xianity'. That's right. "If your cheek is smitten by the holy jews 'goyim', turn the other cheek immediately!" - That's a totally Viking Mindset right here.

The only thing that scared the jews for their existence, and which they outlawed by law, and by murder of millions of Whites over the centuries, is heavy Witchcraft and "SATANISM", which is a collective term for the unadulterated Pagan practices our Ancestors did, long before jewish recorded (((history))). That's the only thing that worries them. Praying to jeboo, reading the 'bible' and quoting from its chameleonic verses that instill confusion and lie everywhere, doesn't make the jewish ring curly hair stand on its end. Sorry. Its not like the Rabbi which is their own creation, Jewsus Christ, poses any danger, as if you didn't know already, that a fictitious entity made up by jews. If you feel otherwise, why do you feel like that? Maybe because since infancy, jews have been lying to you, so your brain cannot take reality anymore?

But let's take a honest look in the mud invasion of criminals, and in the jewish rulership of our OWN countries, shall we. Why are there JEWS ruling our OWN countries? Because let's admit it, this joke started when people started accepting a JEW as their "god". In the jewish book of witchcraft, namely the 'bible', its stated that the jew will ordain his jews to lead the Goyim cattle. And people actually read and praised that book, thinking it to be holy. Why is it 'holy' after all, and why did it

replace the Holy Eddas or any other book and prior Gentile White Order? Because it KILLED these people, burned, pillaged and destroyed everything. That's why. Then, it became 'holy' by the sword and death of our people.

If you pay attention and have the slightest clue in history, you see that somehow, dumb Whites are praising the 'xian past'. "(((Them Glorious Crusades! White Powa)))". The Crusades upon which "Goyim" were brought to die for jewish court jews, jewish demands, and deranged 'kings' who, ordained by the "Divine Torah" as "Rulers under God" have destroyed their own supposed "Race". Honorable times indeed for the White Race. After all Hollywood made it look really epic! We with our "Christendom" fighting the "Bad Muslim Horde! yay!". What jewish hollywood didn't show is the jew on the back who had created both Islam and Christianity, touching their palms and laughing about how the Goyim were being killed, while they made them trader's profit, from the safety of the 'courthouse' or 'bank', or the 'church'.

Infact, the 'christian past' is actually the LOWEST the White Race has ever sunk.

We reached the all time low when the Bubonic plague, started by jews who threw corpses in lakes and rivers, killed 1/3rd of the White people in Europe. The rest of course were being massacred by civil warfare, instigated by bullshit 'kings' ordained by the Torah, who were to kill one another White Nation, in jewish 'court jewish wars', all financed by the jews.

The White Nations who tried to resist this "Torah Spreading", were forcibly taken into war anyway, and eventually deep in the centuries sunk. Sweden whom everyone talks 'crap', was of the last to fall into the xian jewish cultural domination. For that reason they try to wipe out the Swedes really fast now, as a token of revenge. Because jews remember, and they have a culture to remind them. What about Whites? Where's the culture? In praising "Rabbeyenu Emmanuel" or "Jewsus"?. Very "Divine and Holy". Let's thank Rabbi Jesus of Rabbi Jesus.

Let's suppose for one second that this fictitious jewish lie ever meant anything. What if it did, what if it didn't? Does it serve us anymore? Does it help us live? Did this jew ever do anything for White people, other than kill them and enslave them through his slave followers? The only time Whites have had a better life, is not even in the last century. The jews wiped more of us out less than a century ago, by forcing Hitler in a war. Because he was wiping out both the Vatican and christianity. So the jews needed fast war, because the next generation would be unlike the slaves of the present one. They would honor their existence and blood, above 'money' and above 'comfort' and about "Rabbayenu Emmanuel or Jesus Christ".

Why are the borders of Europe open, and Black Immigrants and rapefugees come with their iphones, to rape, kill and pillage our countries? How did that happen? Bad policies? Who made these policies? Jews did, didn't they? Or people who have studied and worshipped them? Did Europe cause any war in the ME? No. Why does it happen? Why are we paying dues for things never committed??

Because of jewish leadership, and xian cuckolds and useless fools. But even then, based upon WHICH justification is this happening? Based on nothing else than the disgusting and subhuman, jewish bible. "Have Mercy at the beaten", "I brought you my hungry and my weak and you helped them, Goyim". "Keep helping them even if they kill you, for you will live in heaven". "Please give some mercy and open your legs to Abdul and give him some genetics to have a child, and you will be blessed in heaven forever". "If Abdul Rapes you, love him, tolerate him, and embrace him, and keep his child- rape is the gift of god! Don't you dare have an abortion".

However if the guy named Abdul was named "Helmut", a working nice looking guy, who didn't rape, pillage, steal, ask for a pension from native tax payers, and didn't jump of the fence into your native land, and would give his life for you, the saying would go by the jewish media as an interview of a 'liberated' (((White))) Woman: "Of course I had an abortion of Helmut's child! I don't

want to be a mother, I just want to go in Jew York and have a black kid at last! Contacting aids was my greatest liberation! Hail the pirate of Somalia!"

And why is all of this garbage and insanity standing, even if so illogical? Simply. Because the Bible teaches for thousands of years to love wrongly, love misplaced, love stupidly, and above, all LOVE THAT WHICH WILL KILL YOU. Isn't this the meme they put into the heads of all girls and women alike nowadays?

The jews are eating the Middle East alive, foolish xian European "Merciful" idiots pay the bills with dead people, insane taxes, danger of economic collapse, and racial DESTRUCTION and EXTINCTION. Of course, with thousands of dead people pile up each day, others injured, others mentally destroyed, others 'culturally enriched'.

Why do they pay? What's the logic behind it? There is no logic, just hardwired, subconscious bible applied in reality.

Why do non Whites such as the Japanese act honorably same as so many other non Whites, and instead of forming relations with them, White people try to 'get along' with the released from prison, criminal garbage of Somalia, that supposedly need our 'help', and after given such idiotically, they kill us?

The intelligent Europeans are in the back and censored, while all the xian cucks and jews try to make 'policy'. Herein lies the cancer that has wiped out our people, in different forms, over the centuries. Why all this misplaced 'love' for destruction? Mercy for killers? Worthless bent towards worthless 'culture' and people who are savage and want to outbreed you and kill you? Why all this love and tolerance for 'jews' as well?

Because Rabbi Jewsus, that's why.

I don't know what other "Whites" in body, but jews in mentality and Cultural 'ethic' have to say about all of this. We will storm the place out of xian garbage, and if people think they love the jews, we can deport them to Israel or maybe Somalia, to live their so-called (((dreams))). We can also send you down in Gaza, to play the savior, or sent you to be raped as well. Nothing bad in it according to the bible anyway? Why play the "good goyim" in the countries with innocents fellow Whites, when you can go down there and become the 'real change' and 'help' you want to see in the world. We can send you to become "part of the solution" elsewhere. Why not PRACTICE the multicultural preaching, by going down the camps to be RAPED and KILLED as the 17 year old girl two weeks ago? She was trying to play the Good Goyim and to Apply Christianity!

Because well, you want to destroy your own in a subconscious, race hateful, rampage.

This is what happens when one listens to the jew: They become self loathing, self hateful, infected with a jewish virus of inability and later self destructiveness. A being of no worth. Then, this negative twirl of death turns outwards, and they start doing what is the most defiling, destructive and deadly things for all of their so called 'families' and 'people'. That's the poison of Rabbi Jesus. That's the poison Whites have been drinking.

"But, I am an Atheist!". Well, that doesn't really make you immunized against all the propaganda, mass brainwashing, neither the occult forces the jews use to enslave you and control you. Only SATANISM can save you from these nefarious, and deeply ingrained influences. Because Satanism is just our primordial faith, which always guarded us in all ways. Only to be demonized by jews later.

There is ONE Solution to the problem White people are undergoing, and that is the central rooted, most Ancient, Satanic Faith. This is the faith that made the jews quiver, this is the source of

strength, honor, nobility and fighting spirit. Jews will not be defeated with axe, or with Viking play pretend anymore. They will be defeated by actual strong psychic warfare and the inevitable and legal result of this application. Through this, our people will survive and dominate the enemy. Now that we celebrate upon the corpse of the Jewish popes, Jewish Christianity, and Jewish spells, know that your time is coming and the clock is ticking. You will be ripped out from our Nations that that will be soon. As for the plan B of reviving the oldtime dead corpse, to supposedly 'fight Islam' in the old Hegelian dualism, your parlor trick is going to fail as well. A dead end has been met.

The question for the White Race is now clear- do you want to be a Jewish cattle, in any form, under any condition, spell or 'category'? Or you will fight for freedom with a disinfected mind? Effective revolution, or hearsay- 'muh alt right' and extinction?

"Donald Trump Will Save us!". Let's just reply with what this person wrote in their Facebook "Melania and I wish you all a Happy Hannukah". He forgot to add, "idiotic and easily convinced, lazy Goyim, that you think you were going to be saved. Enjoy my 85% Jewish cabinet, and my Jewish daughter controls your White house, Hehe."

One top of that, he added "Merry Christmas". But since you read up to now can't you add one and one together? Wait, how can the "Christian" praise the "Jew"? Well, because they are ONE and the SAME. Didn't you get the motto by now?

Pick your choices and loyally fight, because history will not wait.

We have made OUR choice. For those who want to be Jewish slaves, WE ARE AT WAR. Period-.

Subject: Criminal Culture			

The Criminal Culture is entirely created by the Jews, and this is self-evident, as this abcess is created only recently.

If one pays attention to 'video clips', 'music' and everything else, the 'Criminal Culture' is actually praised all the way, This goes hand in hand with xianity always. The criminal culture produces dead, stupid, and worthless individuals, who suffer their whole life in prison, or have the IQ of a potato, and a worthless life, and are always sad. What you dwell on, you attract.

How does the "Criminal Culture" happen, begin and finally consolidate?

This has its roots in multicultural society mostly, as where we have unified societies, where there is care for people, crime becomes useless, as being a criminal produces less fruits than being a decent person. When people invading cannot 'assimilate', they turn to crime in order to survive, which is in some cases the expected outcome. One case is the Jewish case which the Jews forcibly always try to assimilate themselves with other people. This can only happen by destroying their culture and killing their strong. When these are done with xianity and by controlling the slaves, the Jews get in a civilization and gradually take it over. Not other 'races' who are their slaves are trying to do the same exact thing to White people and other places like Japan or Asia. The Jews attempted xianizing India but failed to a major extent as well.

Why do they do that? Its just their way of doing things. Criminally acting on their 'host' populations, they engage in thievery and deception, until their 'behavior' becomes 'legal' and 'normal'. Criminality becomes then the new normal, and a civilization is being dominated by them. This is no different how the Jews try to push pedophilia as some normal trend. While people resist

this for now, other things such as usury have become 'normal and legal'. These are signs of civilization rot and downfall. Also, the same things goes for other things like race mixing, or other bizarre self-suicidal beliefs that are meant to wipe someone out by their own hand.

Through causing civil unrest and the civilization collapsing and putting so much effort into 'trying to assimilate' everything and 'controlling crime', a civilization deteriorates and loses its power and cultural level. This is simple the more internal problems one country has, the less it can give into its advancement. After that, the culture continues until the host population makes the land into their 'level', or at least keeps civilization far back ahead, or finally destroys it. This is what's behind the uncontrollable muslim invasion, and the filling of Europe and America of the emptied prisons of third world countries.

How does that happen in the first place, however? By Christianity. Christianity and the jewish programs are all about 'mercy'. This 'mercy' takes the form of taking every beaten, criminal idiot, and thinking they will actually 'catch up' and 'evolve' to the standards. Like a rapist for 30 people will suddenly stop and become a good person all of a sudden, and not just make 30, 31. "Only God can Judge" these people and not a courtroom. We can see how this is manifesting in how people are no longer 'judged' no matter the atrocious crap they do. They get away with everything as xian imbeciles are (((tolerant))) of everything, even direct crimes.

For example while there are European laws to imprison someone for holocaust denial, there is also a law about rapists and how they may be left free under circumstances. Ursula Haverbeck went to jail for this. A rapist however went free. This is the law that was applied to an muslim immigrant that raped and killed a 18 year old girl in Germany, and then attempted destroying the corpse to never be found out- mind you the daughter of a high European politics representative. This is what happens when the jews make it into civilization. Subhuman and abnormal behavior becomes normal, while the slightest offence against jews can have disastrous consequences.

Of course, this can only happen if your own standards are being lowered, which of course xianity espouses and does. This happens everywhere. People just after a point forget advanced civilization altogether and are content with smoking weed, chanting snoop dog, and praising jews as their masters. Slowly, civilization sinks and keeps sinking, and after a point nothing can be salvaged anymore. From the money the jews steal by usury and mental trickery, they funnel into their 'chosen' actors of any such identities, so these fools can parade into the populace to fool it, and 'take it through entertainment'.

When the standards are dropped, the criminality becomes even worse, eventually destroying the host population, and reeking the civilization level, ever lower. This is the case in America, where the 'Criminal Culture' backed up by xianity and its misplaced tolerance, acceptance of race mixing, 'universal assimilation into the one'-all enforced by the jews, is making a rave party.

This is why the Jews create all these movements to attack cops, and attack decent persons who are of another Gentile Race but have successfully raised to the level of the civilization that welcomed them. The line goes for every decent Black Person that they are 'Actin White'. Because having a happy family with black kids that are successful in civilization is a universal crime, while thuggery is the black created identity and as thus if people don't follow what the jews say they are on the 'wrong way'. These better people are not as useful to the jewish agenda, as drug selling, jewish 'corleone' criminals. These people have things to lose, and they pose a good paradigm for others of their own Race as well, which makes for upgrading them and promoting them in a civilization. The jews do not profit as much for these people. So they have created the crime identity as part of being a "Non White".

First it starts with misplaced 'mercy', then slow misplaced 'acceptance'. Then it goes to misplaced assimilation, then to domination, and then to your extinction. That's the jewish recipe.

Of course to the brains of White girls, Women and people, the jews use their ancient form of mental warfare and propoganda, applied to nowadays means. That is, Television, Music, and many other forms of 'entertainment'. One would rather be brainwashed by being 'entertained', than by the rod of iron. So we have all these 'gangsta' projections with flashing lights, how badass and evolved these people are because they can dunk a basketball like its some universal feat. How good was the life of Tupac, 'girl ya ain't know how gud being wit a gangsta iz!'. And all the rest of the garbage.

Preying upon the dead souls of people with zero spiritual stimulation, we have the 'stimulants' culture, and also the drug and general culture that mainly comes out of boredom in many cases. People are just bored so they become stoned. Where people just try to 'feel alive' as the jewish system has them feeling and being living dead. By forming cancerous relationships, learning to enjoy abuse, and all sorts of other jewish drivel. So the last high that remains for these people is the high one gets before death, or when committing dangerous acts. That's the jungle civilization the jews have created and it wasn't always like that. "Out there is the jungle", but (((who))) made the jungle? (((Who))) maintains the jungle?

Through this the jews achieve multiple purposes. On one hand they control the 'bad guys', and the criminals, and on the other hand, they control the 'good' guys to a lesser extent. Both are equally rallied to their destruction, the good guys by inducing passivity (such as what they do to the police trying to guilt trip them to not do their job), the other 'bad' guys by having them hooked in drugs and trying to 'be an original gangsta'. The people hovering in between they control either way, by propoganda.

If you pay attention, criminal culture is pushed relentlessly by the jews, as some sort of fun thing, that deals with one having riches and a good life. The reality is that this is never the outcome, and out of the millions that die, the jews project a few muppets they have created such as "Black Rappers" as some sort of "Proof" in regards to the 'success' of such culture. Then you see everyone jumping around like a monkey, honoring this extremely nice civilization. "Only God Can Judge me, Bitch". "Praise Jewsus He will make you successful yo". Sorry Blacks and Whites, but the jewish system benefits only ONE- that is the Jew. And nobody else in the end. This needs to change if you are to see a better day.

If nobody payed attention of course, the promotion of 'criminality' first and foremost destroys the race or people from which the 'promoted' criminals are. In plain the races from where these people come suffer first. So they pose a great danger to them first and foremost.

Of course all this self-destructive and damning civilization is based on xianity. The rappers with their 'jesus glorifying', the promotion of xianity through this, the gangstas and 'badasses' in movies that wear this little jewish crucifix. Ultimately showing everyone how the jews are all on the same side, just attacking the 'goyim' who stand below them.

How is that all able to happen? By removing what creates civilization. This certain 'thing' that creates civilization has a code name called "Satanism", which is actual spirituality that uplifts and evolves human beings, and makes them happy, creative, and lifts them out of the pit of destruction. So that happy people don't have to commit any of that. And knowing the laws of nature, they can never err and become this garbage that the jews need them to become in order to control them. Also, from a living Soul that is given through what is called "Satanism" (The original Gentile religion), humans become better and this evolves to the large scale, creating better civilizations like the Ancient ones. If this is forcibly removed, then all the problems begin, and escalate in these alien phenomena humanity is having as a 'normal life' nowadays.

Spiritual Satanism is the religion of the civilizers. The Gods taught us civilization. Other Gentiles have lost the map more, others less. We are all together waging this spiritual war to restore each and respective civilization, so that humanity can get by its own hand in a Golden Age again.

The Not So Amazing Randi Challenge Is A Fraud

This challenge is set up so no matter what they will declare you a fraud, its not about science its about a social-political agenda to uphold the current (((scientism establishment))) which agenda is to promote Marxist Materialism. There was a lawyer who also covered this and noted its not actually even a legal contract that they can be held accountable to.

[http://newsvoice.se/2010/05/02/james-ra ... nge-fraud/](http://newsvoice.se/2010/05/02/james-ra...nge-fraud/)
[http://www.dailygrail.com/features/the- ... -challenge](http://www.dailygrail.com/features/the-...-challenge)

As stated before.

Back in the 19th century the president of the Royal Society in England the top ranking scientific society, Sir William Crookes and the co founder of the Theory of Evolution with Darwin, Alfred Russell Wallace. The Theory of Evolution was called the Darwin-Wallace Theory originally. Documented the existence of human siddhi's. From telekinesis and levitation under scientific conditions. In the case of Daniel Hume. Hume once levitated in front of the scientists up into the air out the open window on the third floor and came back through another open window this just one ability Hume demonstrated. There is also a book "The New Soviet Psychic Discoveries" published by two America researchers who went into the Soviet Union and documented numerous cases of people who have been tested by Scientist's under lab conditions and have the same abilities Hume did along with other powerful psychic abilities. Dr. Radin has also documented the fact humans have ESP in numerous lab tests. You have the numerous works of Rupert Sheldrake on the subject. The prominent Nobel Prize winner's in physic's Pierre and Marie Currie documented the same abilities of telekinesis and other psychic abilities in the psychology institute in Paris. After years of studying such individuals under lab conditions they wrote to their fellow colleagues in the physic's community and stated the Siddhi's are absolutely real and must be taken into accountability.

As Radin stated in his lecture on taboo on Physic abilities. The scientific community has a taboo against researching physic abilities you can lose your career. This is why Wallace's name was taken off the Theory of Evolution and Darwin's was left.

Science and the taboo of psi" with Dean Radin:

The test by James Randi. This challenge is biased to the point its a purposeful fraud. This has lead to law suits against him and his fake challenge:

[http://bolenreport.com/james-randi-sued ... challenge/](http://bolenreport.com/james-randi-sued...challenge/)

Seems Randi might not be as honest as he claims:

[http://bolenreport.com/amazing-meeting- ... -the-orcs/](http://bolenreport.com/amazing-meeting-...-the-orcs/)

So who is this nobody who has never been able to prove any evidence of the Siddhi's again....

Take a look at how Dawkins has tried to character assassinate Sheldrake even trying to set up an ambush interview under false claims to use as a hit piece. To trying to ban Sheldrake from talking at Tedx. Its funny how Dean Randin has been attacked by the Randi institute yet not one can refute any of his hundreds of lab results. They are just left with name calling. These are the people who are running this claimed non biased challenge.

The Jewish Media always promotes this creep Randi as some messiah of materialism who's every word is perfect and pure and to always be trusted. Cause its their agenda. Goyim are animals without a soul Oy Veh, didntcha know.....That knowledge is only for little gnome looking rabbi's in black hats cause the Torah said so.

[JoS Communications Android Phone App : JoyofSatan666](#)

Greetings to all our People and Satanic Comrades!

Since the enemy has been attacking communications the above tool seems necessary. I have made it so that you can easily enter the groups and forums everyday and easily, without having to go on multiple pages and the list goes. That way, everything will be easier and participation will be easy.

I was planning to launch this for everyone at the 23rd as a gift, but unfortunately, overrun by other things it was impossible to do so. However, here it is now.

Many people are asking why these apps do not get created for iPhone. It's really simple. Because Apple would never accept such apps on the markets, and the only thing they don't ask for yet is your freaking DNA on paper. They actually do ask for address, residence, ID, photographs, and many other things a phone company shouldn't ask its customers of developers. Now they also take your fingerprint- it's a new trend. Apple doesn't respect freedoms at all. Not that other places do, but there are alternatives.

Shoutout to the person that created the artwork. I have no idea who did as I found this online. It is an SS from the groups, however, and gave this out freely (the icon). The rest I created on my own.

NEVER, EVER DOWNLOAD THESE FROM OTHER DEVELOPERS/JUST ONLINE. They can hack into the app and do all sorts of crap to your phone. Use only the official mirrors provided.

If you have a jailbroken iPhone and/or Windows phone, there is an alternative made by a member, but only on RTR Veteran until now. You can download this here:

<http://www.josmarket.org/rtrvet-win-iphones>

Here, you can download the new free app, "JoS Communications". This app will make communicating in the groups very easy and navigation will be easier:

<http://www.josmarket.org/joscommunications>

Also, I don't put any price, even the smallest for the app, but if I ever would, I'd just put the donation button to the JoS. If you feel this worth a dollar or two, or makes your journey easier, you can go here and donate on the bottom of the page:

Subject: Satanic Adage...

I'm reminding people here, especially in the Teen group where there is a thread discussing whether one should "tell" in regards to being a Satanist. Now, that is just one...

"Silence is Golden"

"Three people can keep a secret, but only if two of them are dead."
-- Benjamin Franklin

We have two arms, two legs, two eyes, two ears, 10 fingers and toes and only ONE MOUTH, and that one mouth can get us into more trouble than any of the other body parts combined.

Learn silence. Whenever someone knows your secrets, they have power over you. Why is there such a compulsion for many people to tell?

Keep your mouth shut and your secrets to yourself and sleep peacefully at night. Don't be kept awake as a result of stupidity, worrying about how you shouldn't have revealed something.

Why does someone else need to know?

Slow down!! Several seconds of impulsive and foolish actions, not stopping to think, can destroy the rest of your entire life. Literally.

Remember this. Learn silence.

Subject: The Purpose Of The Christian Ritual

The Purpose Of The Christian Ritual

Sacrament in Sanskrit means Samkara.

"The Sanskrit word samskara means a groove in the mind, a deep impression made in consciousness. To Hindu sacraments also called samskaras are special rites in which a Hindu's connection with the pervading divinity is formally reaffirmed. A new groove formed in the soul orients it....."

There are three main bodies the physical, astral, casual in the ancient Greek its Soma, Psyche, Nous. In Sanskrit, Sthula, Sukshma Sharira, Atma Svarupa. The second body relates close to the chakra's the centers of consciousness and Chitta the mind substance and to the Samskara. This is where psychic imprints are strongly made into the soul. This also rules the temporal personality.

The purpose of the Christian Sacraments are to create the groove or imprint into the soul to close off the soul of the victim to the light and to simply plug them into the enemy god form on the soul, plugging them into the Jewtrix, and cause them to act as a conduit to bring this energetic entity [Jehova the Jewish god form which is built on the Torah] into the material from the astral and over time for the mind to form a personality that is built on deep imprints into the psyche which terra forms the soul deeper into a psychic shell that is simply a program stamped into the soul like a computer program, by the enemy. Causing derangement to the victim. Its simply a way to create nothing more than a Borg Hive mind which channels the "One" the enemy god form into the material. These imprints also stay on the soul for life times. This is why the Jews use their media to act as the ritual conduit, its using media as the ritual to imprint, reinforce and channel the Samskara's they place into the soul. To connect and channel their god form into reality and to connect with the energy they themselves raise and direct in their own Kabbalistic rituals to direct workings within this Jewtrix. Bringing this into the material world.

Also as Hindu Guru's warn right in their ancient texts, drugs and alcohol and lack of spiritual practice opens up soul up to negative entities and influence. This is why the enemy promotes such as spirituality and mainstream life style. Its a trap.

Note this sacrament is made to create a samskara into the soul to close off the spiritual eye, to shut the spiritual eye which allows one to see truth. They do this with using dead ash and the psychic intent behind it. Were in Hinduism they use a special paste that enlivens the nerve endings at this point and it acts as form of Shaktipat to help open this center where the Guru will place a samskara here with Shaktipat to open this center. This is how beeja mantra's also work to open the soul up. The Hindu ritual is about creating imprints that act as Shaktipat to open the soul and take one to spiritual liberation. The Christian ritual is about closing this off and creating a robotic, psychotic hive personality. This is why the enemy removed spiritual knowledge with their programs of Christianity, Islam and Marxism. To bottle up the soul into this Jewish prison.

Satan and the Gods give us spiritual knowledge to free the soul. They want a free humanity and world. The enemy wants this gone to create a robotic hive personality in the population that is the perfect victim, the perfect Goyim [Cattle] slave. For their one world plantation slave state. Were humans will be farmed like cattle. This is why the Jews also want the microchip just like chipping cattle.

Subject: Reverse Torah Ritual Schedule until 29th of January			

2017 will be a very significant year. We need to attack and destroy the enemy power structure and let nothing behind. This is a rotten structure and it must be overthrown, and its collapsing by its own mistakes. We need to facilitate this and make its own demise faster and more brutal. After these 13 days we will change the RTR's, but not earlier. We need to keep up the pressure to overthrow the tyrannical enemy governments and also force things to a conclusion where they cannot lie to the populace anymore. The enemy is planning a massive genocide and holocaust in Europe, and they want to exterminate these people, and aside them, render all others whom they victimize completely incapable to react to jewish demands.

Look in the ME and how the enemy is merciless. Eventhough these people have nothing, eventhough they believe in the jewish hoax of allah, the jews not only show no mercy, but they destroy them all the more. There is no reconciliation with the enemy, and they never display humanity or mercy..

Aside of this, many places which are kept in order only because some more 'civilized' places give help to them, will go down the drain, and this includes continents. If you are fine with watching children die, mass impoverishment, and jews destroying you and spitting at your face, then by all means don't do these rituals, and go take your petty life or something, die from boosetard, or die from overplaying videogames for one week straight without sleep or food.

As for people who are considering themselves more than slimy garbage than the 98% of "Goyim admitted" slaves...The masters rivaling the tyrannical 1% of the enemy...

As all of you know, we are reaching a crucial point where even the last 'idiot' down the street will understand, whether they like it or not. This is reflected into worldwide events, elections, and reactions by the populace displayed by media rejection and many other things. People are gradually waking up and their minds will become more fertile for our ideas.

People will keep 'denying' reality until it is too late, and this is exactly what the enemy wants. The enemy also wants faith in their system, which is proven to lead to destruction everything in a couple of years, even if it took centuries to build. One example is Sweden. Sweden was once glorified about how developed it was as a country, now Sweden in 15 years will become worse than Somalia. Because Somalia has been filling Sweden anyway. So it will become what it has become. Unless these are stopped, both Sweden and Somalia will just die horribly. And the enemy will be laughing.

And let me tell you what the jews have done in Somalia is that half people there have aids, drown in poverty, and people live with less than one dollar a month. And Whites who want to help just can't do anything, because jewnicef and many other jewish liars are in the way, squandering even the buck you send to buy Rolls Royce to tour Israel with.

You know about the whole situation for a reason, and because you CAN act on it by doing these Rituals.

What most people may forget is that this war between us and the enemy didn't happen one century ago. It has been ongoing for thousands of years. As such, we need to be patient and fight daily. In the same way you drink or eat, you need to supply in your Soul with the food that you are doing your purpose back to help mankind in some way. I feel sorry for people who don't care or have let themselves so down as to believe the enemy that lies to them that they are garbage. Because you are not. You can actually make change in your own way. Its easy to do your part.

Ask people in the Middle Ages before these happened. Would you like to do some Rituals for an hour a day in order to escape your punishment, anguish, and slow lingering death that lasted years? What do you think will be their reply?

If you asked Europeans in the bubonic plague, if, only if they did some RTR's to get the jews out, they would never have died? I can go on and on with examples.

You are here, because other people decided to do this for you, to fight. Just think for a while how much labor has went into you existing. You need to labor in your own way for a better tomorrow. As for the rest of the billions who don't, don't you worry, these aren't making it any far anyway, as they are nowhere. If you pay close attention these beings exist for no other purpose than to feed the jewtrix mostly, and then, while its fed enough, it will famine them from where it made them.

As admitted in the enemy texts, there will only be kept a few necessary for the jews as slaves and all others will die. Same as the multicultural icing cake, and cherry berries of the 'colorful' civilization of rainbows and tolerance. If shit hits the fan, with the technology and many other things that will come to exist, numbers will be reduced like flies. Make the difference now, because you ARE the difference already.

Planetary alignments such as Pluto in Aquarius will not bring wonderful benefits with jews in power, but mad tech and many other things that will obliterate the masses like cattle and worse. The jews are trying to shill and keep lying and terrorizing to keep power as much as possible.

We need the jews out of the governments and Gentiles to take the wheel to distribute and advance technology in positive ways, liberating humanity from this misery, taking care of the planet etc. While the age of Pisces could have been the age of transcendence, Magnum Opus and spirituality, the enemy turned it into the age of suffering, lies and deception. Its your purpose as fighters of Saty-an to NOT allow this to happen again.

Lastly, if you are the very selfish type, I don't see what more formidable alliance/friendship you can have than Satan or the Gods in that sense, and getting a chance to live forever or at least increase your personal power and gain knowledge or attainment than billions won't. No matter who you are, fighting wins you a lot of things. You also learn about magick and you become stronger by application. The list goes.

For that reason, the RTR's we will be doing are the following:

What you need to realize, is what you probably knew since a very young age. You are not "them", these other people. Especially those of you that know the Truth or you have this innate tendency to go to it, akin to a butterfly that tries to seek the sun. You are not like the masses of the zombies that are walking outside, and you will never be. You may try to play along, but in the end of the day, you will never be them.

"These" people just aren't butterflies many of them are acting like worms, even though they have potential to become something better. They are convinced by the enemy that they are worms, and whatever they are, they lurk and exist as worms.

This is because you are in your Soul something Ancient no matter from where you are coming, and nowadays we recognize this and name it as a Satanic Spirit. It doesn't have to be individual or at the mercy of filling an ego, because it's far greater than that and that's also because it is shared. The same exact spirit the world tries to crush wherever they see it, be it in little toddlers and children (They actually do sacraments to remove "Satan" from children) to actual teenagers with some real hopes and dreams, the dreamers and idealists. It's the spirit of Truth and Life.

The Satanic Spirit is though ageless, nameless, and eternal. It can be found everywhere, it can leave anywhere, and exist anywhere, but at the same time it also needs a correct person to carry and cultivate this spirit.

There is no higher or lower adage, or title, anymore than this: What is the adage is how much you let this spirit shine forth, or how much you let it shine less. That's the basis of who you are and also this is internal, and at your control.

Therefore, stop judging yourself and putting yourself on the same pot as so many people outside. You don't need their three cigs of weed to relax, and you don't need their ten pounds of 70% alcohol booze to have fun, or any other insanity that is passed down as normalcy while it's just abnormality. You just need to ease up your mind, relax, and ease the heavy weights lingering at the Soul.

You sure as much don't need their slavers to guide you around, either. You are intelligent, and if you devote yourself to find it out, you will understand this. On the other hand, be attentive and listen to everything around you and learn, as we are always learners. Just keep it at learning, and don't assimilate who you are into their nothingness. There is no worth to do so. You will always be depressed and disappointed if you do this.

The correct and pleasant path may seem now hard, as our generation of Satanists is just laying a foundation for others that will follow. Therefore those who build the bricks on this golden road may have it very hard sometimes. However, what we do now will help many others to come. And we will also enjoy the road we are now building by our deeds.

In the end of the day it doesn't matter what the rest of the billions did in the planet. Which mostly consists of drinking, going to the bathroom, eating and sleeping. It matters what you do. This innate individuality and Satanic Spirit is what can create change in the world. And you are here to grasp and seize this opportunity. You don't need to waste it. Again, it's "THEM" that they throw away decent and beautiful opportunities to return to ignorance, only to find its death and not bliss.

Outside beyond smiles and anything else society is largely a society of Truth deprived, Soul deprived, robotic machines. Who just display feeling and emotion here and there. And the rest of who they are is what others made them, akin to a living computer program. Individuality begins when you start to exert your own Will. Such is one of the reasons Satanists are needed to dedicate to Satan. Whose name to us means Truth Eternal, as it did to humans thousands of years prior. You

need to dedicate to affirm your living, conscious Will, and your conscious choice to go against the forces in this time and age that try to crush it. It really is nothing new than what people thousands of years did before. Its the same thing, with slightly altered names, times, and ways of affirming it.

Lastly, the enemy is the same enemy, but names and circumstances change. These are similar obstacles that tried to keep beings from ascending to the ladder of the light and becoming a clean Soul, like Osiris, or the Sun-Soul incarnate. Nothing has really ever changed in that essence. What has also not changed is that you are not like "THEM". While "THEY" will sit down and take it, accept non-existence, you won't. Resisting one's self is useless. If you found yourself down that block even by coincidence and you decide to heed the call, you will shortly lose all faith in coincidences.

When you live your life, just know and be happy. You are not "Them". This isn't to raise you or denigrate you, its just to show you that you are different. And to make you respect this, and follow through with the being that you are. No guilt, no vain promises, just following the path that "THEY" will never be able to even closely tread. You can change everything by changing your spirit and bringing it higher. Because YOU are not THEM. And as the Ancient allegory goes. The world is not saved when its saved. Its saved when YOU are saved.

Through trying to save the world, we are just trying to also save ourselves. Your own war to conquer yourself will also be a sign to those who want to befall humanity in that no matter what, they have lost and they are losing. Because you are NOT "THEM".

Greetings to all our People and Satanic Comrades!

We have updated the schedule, by making only one, minor alteration. The 42 Letter Name RTR was replaced by the 72, as we have decided the 42 is done enough for the time being. The rest of the program remains the same, entirely. The 72 is by far the most damaging and destructive RTR one can do, as it hampers and destroys the enemy's ability to kickstart their magick etc. This is the RTR that has messed a lot of events up from the enemy until now, and it will only continue to do so. **The 72 letter name is Priority ONE RTR until the end of the week.**

Do you want to harm the enemy A LOT but you don't have the time do to all other Rituals? Then do this one. I am not going to stress on how highly toxic and spiritually deadly is the Ritual done in conjunction with the rest, but everyone can see this one for themselves.

Restoring Gentile Power and Right to Rule Our Own Nations

<http://www.angelfire.com/wizard/pixie666/D724.htm>

Vibrate the following paragraph of words 9 times. What this means is vibrate each of the words below, every word from the first word to the last. That is one time. Then, vibrate the same again and again until you have done this 9 times.

MAH-TOH AHKH-DEEM-SHEEHH D AH--

AHKH-EHN-AHFF-UHB SHEE VAYTS-AHYH-TEEYH-OHL

MEEYH-AHM-AHSH-AHH TAHKH-AHT-EEM MAHM-UHSH-TEH

AHT-DAHV AH-- HAH-AYV/W AHKH-EHD-AHY -UHB

MEH-YAYKH-LAHM NAHT-AHN-AYV/W

After vibrating the above paragraph 9 times:

Vibrate V/W--AH--V/W V/W--AH--V/W V/W--AH--V/W
[Pronounced V/W--AHH--V/W]

Then, state with conviction 9 times:

All Gentiles are completely free of any and all Jewish control, Jewish laws, and Jewish enforced rulership.

All Gentiles are completely free of any and all Jewish commands, coercion, threats, directions, and demands.

All Gentiles are completely free to govern their own nations without any Jewish interference whatsoever.

The Jews have totally and completely lost all power, domination, interference and authority over Gentiles and their affairs.

After you have stated the above affirmation 9 times, vibrate
V/W--AH--V/W V/W--AH--V/W V/W--AH--V/W
once again to close the ritual.

HAIL SATAN FOREVER!!

End of Ritual

Subject: The Elixir of Life and the Cup of Death			

The New Age programs with the focus on the heart chakra and the hexagram will eventually result in disaster for those who believe the lies and meditate that way. The reason being, the love bombing tactics that weaken one's own common sense and logical and reasoning abilities that the Christian and related programs use to lower defenses and suck victims in, are focused on the heart chakra, which the enemy uses viciously. Now, I've already gone into how the heart chakra is neuter, but what victims are led to believe is another matter.

The power and focus should always be on the 666 solar/3rd chakra. In explaining why, one can see the common sense here.

The 666 chakra is at the navel, just slightly above, but ties directly into the navel. The navel is where the embryo first receives life and nourishment from the umbilical cord attached to the mother. This is where we were all first given life.

The 666 chakra is the most important chakra. We have our power there, we heal with it and much more. The 666 chakra also has its counterpart in the 6th chakra and the pineal gland. This is the basis and foundation for the Magnum Opus.

In advancing with meditations the correct way, one will often at some point experience a sweet, minty taste in one's mouth, especially following meditation. This lingers and is noticeable throughout the day, but becomes much stronger following meditation.

This is from the pineal gland and is the Nectar of Immortality. If you experience this, know you are meditating correctly.

Now, there is the "Cup of Poison." This results from those who are without following New Age meditations that focus on the heart chakra. Many report the metallic taste in the mouth. Hindus know about this "poison" and warn against swallowing it and advise to spit it out.

In the 1989 movie "Indiana Jones and the Last Crusade" a fictional account of this was the basis of the movie. Of course, Jewish Hollywood had Indiana Jones battling the Nazis; the Nazis also searching for the Grail.

Because the enemy could not completely destroy all spiritual knowledge, they corrupted much of it. Those who follow their programs will pay.

Our personal Demons are our Gurus. Demons are here for spiritual knowledge and to guide us.

In closing, I will be making ALL of the JoS sermons, webpages, Exposing Christianity, The Black Sun, etc, into audio for free download on Satan's Library. I will announce this when they are available.

Subject: Life's Paradoxes and Answers			

<http://josministries.prophpb.com/post91227.html>

Life's Paradoxes and Answers

I am writing this swiftly to explain some paradoxes that are going around in the so called 'life' we are living in nowadays. Don't forget this planet is largely taken over by the enemy. The enemy is not some 'social' or 'ideological' clique. It goes deeper.

The enemy has hidden a lot of laws in regards to how life works. Also, the Torah and the enemy religions (Which are programs given by aliens to the jews, and Gentiles feed these energy) have 'laws' in them. For example, free money for the jews, blessed are the stupid and the weak, self-destruction is beautiful and brings results and the list goes on. These rules, since they are believed by the mass mind, are made real. We can call this (('relative' reality)). This is the reality the jews have created, and inside this, the jews are crowned kings and gods, everyone accepts their lies and abuse etc. This is where most people are, since they are weak by choice, and choose to be stupid.

The person whose message I saw, so I decided to post this, in the group, was dissatisfied. They

were asking, why do people who smoke pot and do nothing with their existence, do win let's say, millions of dollars in lotteries? If we in the first place assume this is 'real', then...

Sometimes its luck, sometimes its chart, sometimes many factors. Sometimes it is better to not care or compare one's self as everyone is an individual. One is wasting one's time. How "good" or "bad" life is highly relative, and wealth or impoverishment has many levels. Mental, spiritual and physical.

Aside from this part of the jewtrix and its demoralization agenda is uneven and unjust distribution of income. With the infinite money the jews have siphoned from parasitism in centuries of usury, now they are making their own rules and financial system.

Where a criminally insane rapper gets paid more than hundreds of legit workers combined, to name one example. This is part of the demoralization and aggressive agenda against the host populations that keep the jews in their midst. They do this to cause exactly this: a mindfuck for those observing these dumb phenomena.

First of all, having a very 'lucky' chart doesn't mean anything else. Every chart has a Saturn. Many people can be financially nice, and they may suffer from diseases. Others may seem like they have it all, but they have the intelligence of a peanut. Sometimes, this is also EXACTLY why they have everything. What are they going to do with millions? Buy more pot and make the jews richer?

Excellent. This is the useless thing the jews want to help. The jews have wrecked global economy and this pattern can be observed elsewhere. To name one example see immigrants in Europe that get paid double pensions contrast to people who have worked for decades. So they can breed more mohammed in Europe and Jihad it. For legit people that want to work, this or that is needed, and the list goes.

This can happen because the jews have amassed the so called capital that can form economies on its own. The enemy creates the rules of such.

Parasites get more than productive citizens, the productive cannot produce, most people are in false and bad positions for them etc. As Marx says in the capital the jews use work as a means to enslave. Our side uses it for liberation and creativity, then providing.

Anyway, most of 'luck', or 'misfortune' alike, is seated in the natal chart, then one's mental programming, then in many other factors. Nobody has it the same, and to ask otherwise would also be useless. The key is to be powerful, then the rest can be achieved. There are many factors that are factoring in, not just one.

What I write below is not TOTAL, and the enemy has ranging levels of power, over ranging conditions and situations. It ranges. So keep that in mind.

The enemy being an alien slaver overlord, gives a lot of things to dumb and useless people, and useful and intelligent people are rotting on the bottom of the foodchain. This is why the people who hold the power, like workers for example, are exploited. By their own energy, admission, and acceptance does the jewtrix run- they feed it, maintain it, and sustain it.

The enemy literally vampirizes them and with mental tricks, steals their labor. Doesn't matter if the Gentile is on a high level position either. The jews will ALWAYS try to coerce and control such Gentiles. So nobody is free from the jew. This is done on a global spectrum.

These people aren't dumb as well, because they have the power, but they don't dare move one inch because of threats. Which obviously shows that they are running on borrowed fuel.

If you look around you, the jews are constantly creating "RULES" about people. From hollywood, to

'life advice', to 'radio', they create "rules", many of which are ingrained into the subconscious of people and taken as 'normal life'. "You cannot have wealth and love together, your health will suffer!". Just who said so? The jews, playing "God", do create a false reality.

They blame Satan for wanting to steal "Gods" position, but its the kikes who have done it. If we can say the universe is God (as in Nature), and has some rules, the jews have superimposed their own rules, upon the rules of the universal consciousness that we call "God/ Nature". Satan fights for their restoration. Satanism is the actual adherence to these rules and working by their side.

Now, "Nature"on her own can be quite unjust or cruel without reason. This is up to us to fix, coming and completing nature's laws and dictates. We must not deviate. However this does not concern the jews at all. No matter what it means for civilization, since they are aliens with intention of wrecking everything, they do what they do anyway.

Not only kikes are not in any 'league' with this universal consciousness/"God"/Nature, but nature seems to have cursed this abominable people quite a deal. Just look on how they look like ghouls, million times uglier than the ugliest gentiles, their horrible health (beyond imagination and its genetic, not to other factors), and many other psychopathy these people have.

They get back to nature and through all this self hatred, they are motivated in everything that is unnatural, ugly, and destructive. They do this as payback to destroy Satan's creation, because Satan took care of his creation. Their masters did not.

You see, these 'rules' made by jews are sometimes backed up by nature, since everyone has a Saturn so to say, but, if you pay close attention, these are FAR WORSE than the native Saturn.

Why would the universe want to fucking kill you, for example? Why would the universal consciousness desire that you burn eternally in agonizing pain? Doesn't make sense.

Well it's not really the universe, its the jewish parasite, if we are talking in 'civilized world'. Through creating one's mind set for destruction ("Love thy enemies goy"), the most minor negative influence manifests in the worse and most abominable ways. Then the person is destroyed.

Kim (((loved her enemy))) and abusive muslim Mohammed. She was trying to be (((Miley Cyrus "slut"))), because she thought (((it was "cool"))), she was trying to be (((("progressive")))). Mohammed had beat her constantly, but she decided to give him one last chance because she was (((sorry))) for how (((unfateful))) Mohammeds life was. Kim ended up in a meat grinder kebab one day, after a tough argument with Mohammed. Mohammed was told since a very young age, that (((("God")))) loves you better if you kill (((("Western Sluts")))), because that's whats supported by the Quaran. (((God Bless))).

[img]https://media3.giphy.com/media/LdaOEvFY7QJGg/200_s.gif[/img]

This is why we have trash leading the planet, the foulest jews on (((leadership))) positions, races are going extinct and are being made into minced beef into a cooking multicultural pot.

So all these people you see outside, do not make assumptions on how fine they are. On top of that, they are cursed by the jewtrix itself, and the jews ride them like cattle too, let alone universal hardship that exists based on natural law. They are sufferers. If you think these people are happy, you are fooling yourself. They are not. They aren't even conscious for a big part, and most of them are just like trapped and watching their life, completely out of control go away. Perfect slaves.

On top of the jewtrix are however, Nature's rules, such as the survival of the fittest, force, the law of causality, and many other things. However, inside the so called 'jewtrix', these rules are modified to fit the jewish society. For example, everyone knows the ugly, repulsive, goo-ey guy that gets all

the women, or the ugly jewish skank that is made into a 'goddess' and worshiped by everyone for her 'beauty'.

This is because people are programmed to behave in such a way, and without wanting to sound too sci-fi, they are sort of like PROGRAMMED to act in that way. Few people are conscious to an extent to be rationed with. This is why all around you, you see people who engage in self-destruction and many other alien things. Another thing, look at how a kike farts something out of its mouth, and everyone accepts it as 'true'. No matter what shit is being said, it is accepted. Why?

Because the 'Goyim' are programmed to accept the jews in any and all ways, and treat them as Gods. Remember, they are worshipping a rabbi on the stick. Unconsciously they believe in a jew, and their life and soul is devoted to a jew. This doesn't deal on the reasoning of the conscious mind, or they would escape.

This goes deeper into the subconscious mind, and weak brains that are programmed since infancy, eventually succumb. This can also last lifetimes for the weak. If you don't get into this whole "video game" (Which you may occasionally have to log in for...survival reasons), they will not have much influence on you.

However, given their power has almost been total, our freedom and our forward going as entities is DIRECTLY tied into destroying and spiritually subverting this system. We will never, ever, EVER be free, and we will die (this goes to all humans) if we don't fight. This is for your personal sake as well.

I don't know how 'high' and 'comfortable' you are in life, or how low, but you have a Saturn, and the jews have made it their purpose to uplift this negativity to hundredfold, creating hostile and dangerous societies (This is why they force miscagenation, immigration, promote criminality, don't allow people to work decently on their dharmic path etc) to manifest only Saturn.

Jupiter or positivity is tried to be minimized. From a macro-perspective, this is just forcing all the Goyim on 'reduction' (Bad Saturn) while for themselves, they keep 'expansion' (Jupiter).

Does that make sense as to why there is so much injustice all over the world? And why so many decent people are suffering while living trash just does nothing but sit as a tick on the neck of potentially better people? Because a parasitic organism hive mind is making the rules of the world now.

They have programmed reality to work that way. Because it's an actual, goddamn system. Look at a xian spewing bible verses, same as an internet bot spews computer program code, and you will see what I mean. Now, why does the 'bible' have so many 'coded' shit that is in 'contradiction'?

Because its PERFECT for the unconscious mind for it to BE that way. This way they include everyone, and every phase of life. For example, there are things for when one is poor to become poorer, or when one is rich so they can become poor. There are verses for the healthy and the unhealthy, so that everyone can become unhealthy. etc. Because of the nature of that manuscript, it could never, EVER be straight forward. Why is being UNHEALTHY or DEAD even "GOOD" in the bible? Because guess what, it makes the jews rich. And human hating aliens, happy and laughing. That's all. It doesn't benefit neither one's self, one's family, or one's society. But it benefits the jew, and the jews in power, and those who hate humanity.

This is why the enemy recreates the weak, the slaves, the morally inferior, the cowards, the democrats, and many other crap that goes around. Its their perfect profit. They do this because they hate humanity and they like to have cattle, not humans around them. Since the enemy is very weak on some levels, everything in society has been turned into meekness and submission, so that the inferior jew can reign supreme over all others. This is why they are gradually sissifying people,

dumbing them down with drugs, preoccupying people in all these bizarre ways. If you pay close attention however, no matter what one does, their life, finances, are being siphoned in the jewish system for its enlargement.

Fear not however: not only these things can be bent, but the laws of nature can easily be superimposed very easily. I cannot go into details, but you can figure this out for yourself. Your workings and personal power **CAN** bend these rules. However, there are technical issues that only the Gods can help you with and show you. They **WILL** if you are advanced enough.

You and We can overcome. Just devote yourself in doing what we have been doing. Not only you help yourself, you are also helping Humanity. Its a win-win situation, for the first time ever, for Gentiles. And a lose-lose for the enemy.

Subject: Total Victory - Not Just "Victory"			

[Total Victory - Not Just "Victory"](#)

The enemy is trying their best to convince people that somehow, the fight against the jews is detrimental for them, and that somehow the jews are running.

We have scored very important victories that should motivate all of us. We are opening the gates everyday for something greater to come. However, our work has only just began.

Until every country and every household is free from jewish poison, until the jews are left powerless to go for a Samson Solution, until generations are recovered and ordered is restored, this war is far from "over". Europe is still being sunk full systems go.

What will manifest in the future is a clump between our influence, the enemy influence-intermediate structures. We have scored a hallmark and a checkpoint when christianity is dead and we have the real orders up in power.

Ones who nobody will doubt as to their content and will not be half jewish and dubious, preying on the make believe and need to see a miracle. This is what will show that jewish influence has been sinking. They will make it actively sink, without any "tolerance".

The Leaders of such will not have jewish daughters, boyfriends, or devout xian kike wives. They will be far clearer. They will not be jewcy celebrities. They will be commoners. Not system skanks.

We also have our people in the enemy system. Which will facilitate the destruction of such system. They are in it because they know it. And they morally disagree with it. And because it has limited them and if it knew about them, it would show its true colors.

Many people forget that this war has lasted thousands of years. Do not be like the blind, too very

easily impressed, but neither blind, impressed by nothing. Maintain a realistic approach.

Do not depend your morale on the show. Depend your morale in damaging the enemy spiritually and intellectually every day. This is what will grow your confidence and morale. And this is what makes the elite SS in contrast to the simpletons out there who take everything as its shown.

Much of what the enemy is doing is just guiding the energies that would otherwise destroy them, in things that do not outright destroy them. For example, they are using the two steps back method such as with Trump, while trying to recover. Their trip destination is and will always be the same. It has been so for thousands of years. Setbacks for the enemy are not ultimate victory. They are just victory.

Pay also attention on how the jews themselves always pretend to be defeated in many cases, and they are doing reverse psychology to get us to relax. They may also stab themselves to prove they are harmed, but NOT on a fatal or decisive spot. They are the masters of "being persecuted".

We know more than anyone the enemy and for that reason we are in league and working closely with the Arch Enemy of the jews on the highest level.

For that reason respect this, fight hard, and let us be proud. But above all, honor this by keeping on the fight. We will fight so long it takes.

Until the Real and Final Victory,

HAIL SATAN!!

HAIL VICTORY!!

[New RTR Coordination Schedule will be Released Soon : JoyofSatan666](#)

In the light of new circumstances, there will be no new RTR Schedule for a while. The reason for this is that we are going to do some other necessary things, which we will keep everyone updated about. These are for all of us here.

For those who want, rest for a couple of days, we ought do it, but for those who want to instead keep attacking, you can continue either on the prior schedule or do this Ritual that is on the 2017 Schedule for after the 29th:

[E712](#)

Normally it won't take long and what we need to be doing will be up fairly soon.

We will keep you posted on the updates.

Subject: VERY IMPORTANT SPECIAL RITUAL

Attachments :

I was going to wait to post this near the time of the 10 of February lunar eclipse. Given the severity of the situation, I am posting this now to make sure everyone has a copy. If you want to begin this ritual now, this is fine, but just make sure you also do this ritual at the time of the eclipse and ideally every day, until the 26th of February, which will be the New Moon and a solar eclipse. The eclipses will act to amplify the energy and the waning Moon [full to new] will act to facilitate the ritual. This ritual is easy and should be done daily through the dates given above, but EVERYONE SHOULD DO THE RITUAL AT LEAST ONCE.

JoS has been cursed. The Ministry here know who threw the curse [at least one] and given it was a "generalized curse," everyone here has been affected to a greater or lesser extent. Certain organizations who claim to be "Satanists" but who readily accept Jews are being rotted out and controlled from the inside. A Jew is a Jew is a Jew... First and foremost. The reason we were cursed so hard? For doing work for Father Satan; the RTRs. So here we have Jews who work directly against Satan. They call themselves "Satanists" but do not believe in him. They only work to make Satanism look bad, and to conform to the Christian concept of Satanism. This is some of the element we are dealing with.

Satan and our Gods are completely fed up and enraged by these organizations. They are taken over by Jews and are actively working for his destruction. This is no different from how the originally Satanic Freemasonry was taken over and hijacked by the Jews. Few of the original rituals remain, the modern newly initiated Freemason swears upon the bible and all of it is now geared toward communism.

Joy of Satan has strength in numbers. We have tens of thousands of members in the Yahoo groups alone and regarding the forums, which most of the boards are open to the public, many who only read the posts do not join on, so there is no telling how many we have who regularly read the forums. For those who do, and who agree with us, you are members and also should definitely do this ritual. We also have people who frequently visit the JoS website. Our numbers could even pass the 100,000 mark for all we know. What this ritual will do is gather the energy together, no different from how the RTRs have been working. The RTRs have been bringing about justice, which has become so rare these days, as corruption has gotten out of control.

I know and can feel how certain enemy filth reads my posts and wonders how and why I'm still alive,

after they put numerous and powerful death curses on me. YES, I'm obviously still here, and I'm fine. ☺ Satan told me many, many years ago that there would be numerous attempts on my life. He said some of these I will be aware of [like the bomb just beaming with Christian love that was hooked under our car], and most I would not. He also told me none of these would ever succeed and stated: "One thing you can be assured of, they will all KNOW *ME.*" I don't care whether the enemy scum believes in Satan or not, nearly all of us here know he is real and honor him.

Now, for the ritual...

You can begin this ritual now, but it is extremely important that you perform the ritual on the 10th and the 11th of February, during the eclipse. In addition, ideally, this ritual should be performed every single day through to the 26th of February. It is pretty simple and does not take too long. Following this on the 2nd of March, everyone should begin building an aura of protection to deflect any and all curses, negative energy directed at us and so forth and return it to the sender/s. This aura of protection is a bit different and I will post this as well. This aura of protection works best during a waxing Moon and should be applied when your aura is completely eradicated of any negative energy.

Even if you haven't been doing the RTRs, it is important to do this working.

In addition, if you have any familiars, it is also important to clean their auras and souls as well. [See below].

Open with the following prayer:

Hear me oh Great and Mighty Satan. I ask your help in returning these curses, amplified to the senders who have attacked us for doing your work. You know who they are. They will know your wrath. I ask that you send a Demon to me to take and deliver the curses and thoughtforms that I have cleaned from my aura and soul directly to those who have sent them. O Mighty Satan, fill me with truth, wisdom and understanding, keep me strong in my faith and service, that I may abide always in Thee with Praise, Honor, and Glory be given Thee forever and ever.

1. Visualize a brilliantly bright Sun directly above your head.

Affirm: "The light is cleaning and removing any and all negative energy, thoughtforms, and curses on or connected to my soul that have been directed to me, and is returning them to the senders."

State this 3 times.

2. Visualize this Sun descending down into your head and pushing down any dirt, filth, thoughtforms [thoughtforms can appear as chunks of filth or for those who are advanced, you can see them as they may be shapes, symbols, like elementals, or otherwise]. This will be grey or black energy [as it collects], and will get darker as it descends.

3. Visualize the brilliant light descending through your throat, down through your shoulders, chest, then stomach area, hips and all the way down through your feet, pushing out all of the dirt from your aura and soul.
4. Move the filth beside you, in a pile.
5. DO THIS THREE TIMES, steps 1 through 4. Keep piling the dirt.
6. When you are finished, your aura and soul should be much brighter and cleaner. You can either ask for a Demon to take the energy and to return it to the senders [especially if you're new], OR, you can visualize it shooting away from you, directing it to the senders.

For Familiars:

The above illustration is both the same for a cat or a dog, a horse and all four legged animals. Snakes and other reptiles have their chakras lined up along their bodies the same way. Some members also have spiders. For cleaning a spider familiar, just visualize the spider engulfed in a brilliant Sun and pull the Sun from its body, pushing out any negative energies. The same goes for other small familiars.

You should do the exact same ritual above for your familiar/s. This is extremely important. You can also use an astral brush or comb [visualize this] in addition and brush any astral negativities from his/her fur, piling it up in the same way, and returning it to the senders.

Your familiar protects your soul. It is important to clean his/her aura frequently. Also, to build a powerful aura of protection around him/her. This should be done every day during a waxing Moon. I will post this shortly.

Subject: Imbolc Ritual to Defend our Satanic JoS			

<http://josministries.prophbb.com/topic18189.html>

Imbolc Ritual to Defend our Satanic JoS

Greetings to all our people and Comrades.

Since HPS Maxine has let everyone know, some Jews (quite a lot) and wanna be's who feel entitled by their tribal insanity, to turn and curse, defame and attempt to destroy Satanism, have decided to make a move of spiritual death sentence. That is to attack us all here. Everyone of you is of course individually hated. Why? Because you raised your head and they do not like this. Our "category" is not welcome: we are too free and too much of a spiritual threat to these incarnate excrement.

How dare these Goyim think about Satanism and finally have a Gentile Only Faith? The jews want to hijack and destroy it! Oy vey!!!

Of course all their Kabal was into it. So they had their turn. They are under the impression that you know, we are some weirdos, and that them, mighty kikes as they are, will ask "God" to kill us and so he will. Why is "god" against me and I am winning anyway? Why do they summon "Gabriel", a jewish invented thoughform with a lifespan of a few hundred years and all the rest of the shitheads (Wow, how "Satanic") to exact vengeance upon me, you and everyone here? And the only thing that happens is that as their alien masters, they drink a cup of piss instead of the wine of victory they expected?

Why is our side winning in all these seemingly "impossible" battles and "godlike" imposed "limitations"? Why do they have billions dumbfounded and still, they are getting their asses kicked towards their spiritual grave? Because guess what, as top Rabbis know they don't represent anyone but their collective and a bunch of neurotic aliens, let alone any "God". And their stupid imbecile spirituality is only a piece of jewish dirt that can do nothing to defeat real spirituality that Gentiles had for hundreds of thousands year prior. That's why.

Here we have Gentiles from all Races. Our Satanic collective ties into all, controls all, and is highly dangerous to the jewish occult powers that be. Because we are focused on Gentile, Pagan restoration, WORLDWIDE. We just want to restore the world to proper, Golden Age, Pagan Grace. We have a high purpose. The jews hate high purposes. They want your purpose to be to envision yet another kike as your 'god' and your destiny as some fruitless existence, that is menial, only existing as their cattle. Because as they admit in the Talmud, that's what all Gentiles are. Everything the jews touch, they make it succumb to this 'purpose', fake "Satanism" included.

As you can see how they paid these other fools the other time to advertise us negatively, you know which I am talking about. What did they earn? We had influxes of hundreds of members. That's where their shekels went to. Any order that be from jews wouldn't be sleeping easy on that. The enemy knows this clearly. So they reacted like the spasmodic rats they are.

What do jews love most? Scamming shekels from Gentiles. Doesn't matter how, when, or through what pretext. This is exactly the case here. For those who don't know, based upon these lies in regards to CURSING and trying to KILL Satan's Name and Legacy (as they admit in their jewish protocols of Zion where they say they want to kill "God", and of course promoting Rabbi Jesus is part of destroying Satan), they want to make money, while destroying ALL Gentile spirituality.

Win and win situation everywhere, great plan for the jews. Turn the cattle against their own God so they remain cattle. Have them worshipping a Rabbi instead. For the more 'spiritual cattle' make some fake ass "Freemasonry" and some fake ass jewish "Order of the Golden Dawn" and we hold that cattle by the balls anyway. For the even angrier, create some jewish "Satanism" and play them in the hegelian dialectic until the end of time.

The jews are laughing. Many of these so called "Satanist" organization do get people to do drugs, become cheap stupid hookers that think they are gods, and read fancy manuscripts about how amazing they are, while snorting coke and spewing communism or something. They of course ask a three number fee to get people 'in' so they can learn how to act like jewish excrement from reverse christianity, and all they spread is death, misinformation, and of course act as control for the 'evil goyim' that seek to leave the other shop of the jews: Christianity and Islam.

Even if the creator of these 'organizations' were alive today and did a google search, they would turn to us. That's how RETARDED these people are. The jewish hijacking has went into their midst so deeply that they have lost all roots and compass from some great, old Satanists that did their best to re-instate a faith for those who wanted to practice magick etc. They are in few words, failures. The same thing happens too every organization and state, or entity, that allows too much 'judaism' into their 'head'. There is decay and collapse. Even world empires fell that way. They always hijack their enemies and try to defame them and destroy them from their own Gentile structures.

What do these beings do? All the same they do in Christianity, Judaism and Islam. Promote stupidity, death, lack of purpose, direction and anything useful in life. They are weak jews, with a big so called "ego", taught them by the torah since they were 5 years old, deeply encoded into their very 'genes', and a slaver complex, just expressing their rotten genetics in everything they 'represent' and 'touch'. Because they are kikes, and that's what they always do. No matter where they just promote the interests of their own race, and seek to the survival of it.

Part of this is to defame the Creator of non jewish Humanity, and drive people away from Him and the other Gods. Because all along, it was an act of vengeance against Him, and all Pagans (The code word for religious non jews who believe in what is summed up as 'Satanism').

Spiritual Satanists see the naked Truth. In the literal sense. We see the 'puppet holder' but what makes the enemy afraid is that our SS here do also learn the art of the puppetry and can no longer be fooled by these alien garbage. Others they can confuse and lie to, but people here know and they cannot be lied to.

It's time Gentiles just take revenge and protect what belongs to them, be it their religion, their ministries here, their Soul. These people just robbed your Soul and your future as well. Those who have advanced can no longer fathom how it is to live as a slave, beaten for all eternity. The enemy is to where they have people as baseless cattle that hardly even owns their body. As so many others here we are opposed to this.

The Jews are under the falsified impression that Satanists, like all other 'goyim' are to be their cattle. They used to infiltrate and run this stable. The staggering arrogance of this debilitated and accursed race has shown itself around here in the form of infiltration, while now these fools, imagining they are still powerful try to attack us. Guess what, they are no longer powerful, and their short time is coming to an end. How they try to own any group, they try to pull the same here, eventhough they have lost the battle here a long time ago. Hoaxes, billions, and many other adversities could not bring this small gathering place of Souls? How? Because we have Satan, and these cockroaches will now run for hiding.

According to the jews, Satan doesn't exist. 2017 years of everyday, single warfare, infiltration and attacks, only to subdue some "Archetype" that doesn't even exist. Again, the "TRIBE" makes total

sense! Even when the Rabbis themselves admit that the one called by the alias SATAN is a being and spiritual master living in another planet, and admittedly an alien. But that's all gibberish goyim! Didn't you listen to the Jew? It said it was an archetype.

We will fight for our side. This of course includes everyone of you. The inexcusable mistake is that the JoS accepts only Gentiles, and we have been waging spiritual war on them and their abrahamic hoaxes, looking for a better world. Even worse, we are building it. So in reverse revenge, they have actively tried to do what they have been doing for 2000 years over: defame Satan.

Additionally however heavy magick was involved, maybe even of the most abominational sense, to "kill" those who they assume are their "obstacle" in completely running the "Satanic game", which to them Jews of course is a high paying business and a perfect bulwark for defaming their Ancient enemy, demoralizing those who are against them, and making Satan their dirtbag as to pin all the shit their race does. The fact that we defend Satan and set hundreds and thousands free everyday, is something they cannot tolerate, same as they do not tolerate nobody here.

In the past it was easier for the enemy. They invaded the temple by rallying degenerate gentile slaves and useless garbage, attacked, raped and killed children on their pilgrimage, spiritual people living peacefully and advancing etc, brought down the statues of the Gentiles. Now we are international entity as JoS and Gentile Satanists. Satan's figure stands as a figure of unity and an image for us, as admitted Father of Truth.

So this is the last temple they try to destroy. Satanism has stood through the centuries. From the dark dens they have created, they created their own spiritual death unwillingly.

Too important to be destroyed and irreplaceable, they just try to bastardize it into Jewish excrement and crap. The Gods have survived even behind closed gates in the mind of humanity. A Truth so great cannot be secluded or hidden for long. But the enemy tries to prolong it until their communist pipe dream comes true and all identities are destroyed forever, trying to hide "Satan" forever.

The JoS does SIMPLY belong to members. Nobody is asked of one buck to pay for a ticket to heaven, or to learn, or advance. It belongs as a home or teaching place, however you see it, to any Gentile who just seeks to advance spiritually and gives back to it. I took a round on the internet and found Jewish 'rituals' to 'summon entities' for like 8000\$. Talk to your deceased grandma for 15,000\$. What's next?

Talk to the 6 trillion lampshades for only 6,000,000\$, on 42 installments (Cancel Anytime Goy), and get straight to heaven! Your new spirituality! Their Jewish cousins want to do this to Satanism as well and have been doing this for decades. It has made useless Jewish fools, rich and important, and guided. Jewish (((Satanism))) is a serious business. Like the Shoah Holocaust Business, the Jews aren't going to leave it at that. They will 'fight' for it. Hebrew shirts, the Quran and Bible all revolve around the myth of an evil "Satan". Debunking this Myth destroys the enemy like a potent neurotoxin. If people learn these are their Gods, it's over for the Jewish Kabul scammers.

Because excuse these kikes: they were fighting to restore (((Satanism))) but the real SATANISM has won. In fact all of this is admitting they have lost horribly in that so called game. Oy Vey Muh Censorship, Oy Vey Muh Satanic Panic, Oy Vey Muh Judaism in Satanic- all have failed. So they went in desperation mode, naturally being kikes as they are.

Nobody believes or even listens to Jews anymore where Satanism is concerned. Because in reality they never practiced Satanism for real and purely, but always attempted to put their racial kabal into it. So now they try to attack those who have uncovered their crap, hoping to regain the grounds for flaming, defaming, and mistreating Satanists. Of course not by skill or essence, but with cunning, Jewish methods. That only comply with the biblical verse of Satan being divided on his

own house. Because that's what the jews do: The want to DESTROY Satanism and therefore God, who is Satan.

What remains out of this? We will turn the things these foolish kikes have sent to us, back at them. Whats EVEN better? Nobody will deviate one inch from the RTR's and the warfare, as guess what, these Rituals are fast.

Do jews think they can mess with the real spiritual Gentile elite of the planet?

Let's see to it.

HAIL SATAN!!!!!!!!!!

I don't want to keep anyone for more than necessary.

Added in HPS Maxine's Ritual, we will repeat this Ritual. This Ritual below plus HPS Maxine's Ritual should not take much time at all. HPS Maxine Ritual is quite fast once you get the hang of it. We add this for maximum effects. Both Rituals once you get the hand of these can take from 15 to no more than 20 minutes.

<https://josministries.prophpb.com/topic18161.html>

Excellent- *If done with the Ritual by HPs Maxine, it will cause further anguish*.

Remember" all these are because hey want to divert our attention from their tribe, that gets their asses kicked. Satan is with all of us and we will clear the clutter. The RTR Schedule remains the recent for those who go for the RTRs.

Below is the simple and easy to do Ritual.

Runic Vibrations-

The runes are to be vibrated one after in this order.

Algiz x18 Sowilo x18 - Tyr x18 -18 times. [or multiplies of 18, such as 36, 72, etc etc times, however many you desire/are able to]

x18 each Rune:

"AAAAAA-LLLLL-GGGGG-IIII-ZZZZ" x18

"SSSSSSSS-OOOOOVVVVVV-EE-LLLLL-OOOOO"x18

"TTTTT-YYY-RRRR"x18

After you raise the energy of the Runes, focus on it and:

VIBRATE SATANAS and Then affirm

"The Joy of Satan Ministries are always protected and completely safe, in every and all ways from any and all forms of harm and negativity.

All those who curse the Joy of Satan are cursed, and all those who bless the Joy of Satan are blessed."

VIBRATE SATANAS

The above Satanas-Affirmation-Satanas is to be repeated either 10 times, or you can do it just once. Satanas - Affirm - Satanas is ONE round. This must be done 10 times.

A big thank you to all our People, and Satanic Comrades. With all of us and the Satanic and Demonic army on our side, we will deliver justice to the enemy adominations.

Imbolc Ritual to Defend our Satanic JoS

[This Ritual is to be done TODAY or TOMMOROW]

Greetings to all our people and Comrades.

Since HPS Maxine has let everyone know, some Jews (quite a lot) and wanna be's who feel entitled by their tribal insanity, to turn and curse, defame and attempt to destroy Satanism, have decided to make a move of spiritual death sentence. That is to attack us all here. Everyone of you is of course individually hated. Why? Because you raised your head and they do not like this. Our "category" is not welcome: we are too free and too much of a spiritual threat to these incarnate excrement.

How dare these Goyim think about Satanism and finally have a Gentile Only Faith? The jews want to hijack and destroy it! Oy vey!!!

Of course all their Kabal was into it. So they had their turn. They are under the impression that you know, we are some weirdos, and that them, mighty kikes as they are, will ask "God" to kill us and so he will. Why is "god" against me and I am winning anyway? Why do they summon "Gabriel", a jewish invented thoughform with a lifespan of a few hundred years and all the rest of the shitheads (Wow, how "Satanic") to exact vengeance upon me, you and everyone here? And the only thing that happens is that as their alien masters, they drink a cup of piss instead of the wine of victory they expected?

Why is our side winning in all these seemingly "impossible" battles and "godlike" imposed "limitations"? Why do they have billions dumbfounded and still, they are getting their asses kicked towards their spiritual grave? Because guess what, as top Rabbis know they don't represent anyone but their collective and a bunch of neurotic aliens, let alone any "God". And their stupid imbecile spirituality is only a piece of jewish dirt that can do nothing to defeat real spirituality that Gentiles had for hundreds of thousands year prior. That's why.

Here we have Gentiles from all Races. Our Satanic collective ties into all, controls all, and is highly

dangerous to the jewish occult powers that be. Because we are focused on Gentile, Pagan restoration, WORLDWIDE. We just want to restore the world to proper, Golden Age, Pagan Grace. We have a high purpose. The jews hate high purposes. They want your purpose to be to envision yet another kike as your 'god' and your destiny as some fruitless existence, that is menial, only existing as their cattle. Because as they admit in the Talmud, that's what all Gentiles are. Everything the jews touch, they make it succumb to this 'purpose', fake "Satanism" included.

As you can see how they paid these other fools the other time to advertise us negatively, you know which I am talking about. What did they earn? We had influxes of hundreds of members. That's where their shekels went to. Any order that be from jews wouldn't be sleeping easy on that. The enemy knows this clearly. So they reacted like the spasmodic rats they are.

What do jews love most? Scamming shekels from Gentiles. Doesn't matter how, when, or through what pretext. This is exactly the case here. For those who don't know, based upon these lies in regards to CURSING and trying to KILL Satan's Name and Legacy (as they admit in their jewish protocols of Zion where they say they want to kill "God", and of course promoting Rabbi Jesus is part of destroying Satan), they want to make money, while destroying ALL Gentile spirituality.

Win and win situation everywhere, great plan for the jews. Turn the cattle against their own God so they remain cattle. Have them worshipping a Rabbi instead. For the more 'spiritual cattle' make some fake ass "Freemasonry" and some fake ass jewish "Order of the Golden Dawn" and we hold that cattle by the balls anyway. For the even angrier, create some jewish "Satanism" and play them in the hegelian dialectic until the end of time.

The jews are laughing. Many of these so called "Satanist" organization do get people to do drugs, become cheap stupid hookers that think they are gods, and read fancy manuscripts about how amazing they are, while snorting coke and spewing communism or something. They of course ask a three number fee to get people 'in' so they can learn how to act like jewish excrement from reverse christianity, and all they spread is death, misinformation, and of course act as control for the 'evil goyim' that seek to leave the other shop of the jews: Christianity and Islam.

Even if the creator of these 'organizations' were alive today and did a google search, they would turn to us. That's how RETARDED these people are. The video below is very revealing concerning Jewish character. Note how the Jew being interviewed continuously reverses himself, lies and even admits he could care less about bulldozing homes with families. The interviewer really makes a total ass of this Jew.

All over the world, especially in Western countries, Jews own and have control of nearly all of rental properties. This is why there are so many homeless. No different from the former communist countries, where the Jewish government took control of all of the housing. The Gentile populace lived in 1 or at most 2 room areas and waited years in hopes of obtaining a bit better on waiting lists.

In addition to this, the Jewish government decided who would live with who. Total strangers would be put to live with families. During the Stalin era, Nina Lugovskaya wrote how an insane individual busted her friend's father's head open with an axe and sawed the mother's head off when they

slept.

Here is what High Priest Don wrote, which is very revealing:

Going over Marxism, I can note its actually Christianity. Jesus preached against private property ownership of any type. Wanted the abolishment of the family unit, fought against the money class, property class, educated class. Lead a proletarian socialist movement. And the model of life given to Christians was a labour based [worker], commune society where all property was shared in common. And preached a one world commune society where all nations, races, classes would cease to exist. The international of Marxism. Marx made reference in his book The Communist Manifesto that what he suggested was already in the previous Xian era of the church.

The actual communist society in the purest form would be a typical monastic order, the commune with prayer.

Marx simply attempted to bring the Xian god down to earth in the communist state. I am not surprised Stalin who had memorized the bible, was known to have organized his rule off the nature of Yahweh and the society laded out in the bible by historians. He was a trained Christian priest and a jew.

Stalin spent seven years in religious training to be a priest and had basic perfect marks. He also had a photographic memory and could speak something like five languages. It was stated he could read a book on any subject in a day and remember and understand the whole thing. If one looks between the lines he also had some kind of psychic level of ability. He was into occultism and a member of a mystic society and probably the mason's as well.

Subject: The Saturnian Gay "Pride" Flag Exposed!			

Here is my latest sermon. A long time ago, I had written an allusion to the Christian Bible's curse against homosexuality in 1 Corinthians 6:9, but I have learned many new things since then and will present them in new sermons in the future. However, this sermon also touches upon how the Jews use Marxism and the energies of "3" and "6" to keep the third sex and their supporters trapped within the Marxist prison of the Christos. The idiots who feel that Lucifer is the Christos, and think they can separate a Jewish Jesus/Yeshua from an Aryan Christ need to grow up and snap out of this Jewish hoax. End of story.

Here is the sermon. It is not for the weak or the faint of the "gay heart." This is reality.

<http://gbllthulesociety666.angelfire.com/gayflag/>

The Saturnian Gay "Pride" Flag Exposed! by High Priest Jake Carlson

This sermon does not cover the history of the six-rayed Gay "Pride" rainbow flag, but is about how the Jews use this symbol. Like the "pink triangle," that the Jews tell their LGBT slaves to adorn themselves with as "the courage to survive in the faces of 'hate,' 'bigotry,' and 'oppression,'" the Jews also use the rainbow "Pride" flag as a symbol of eternal "victimhood" in the name of "liberation."

Christianity's condemnations against the "passive" partner in the homosexual sex act contains some irony in a tragic sense, because for Gentiles, although homosexual behavior is forbidden [except within the Catholic pedophile church], Christianity and the Jewish Kingdom of God **DEPEND UPON WEAKNESS, MEEKNESS, FEMINISM, AND UNMANLINESS!!! Although these traits are not inherent in every third sex person, the Jews who control the Marxist LGBT Rights movement have been creating third sex Gentiles in the image of a bisexual, meek, suffering, exploited, downtrodden, marginalized Jewish bachelor, Jesus Christ. The Jews then spread this spiritual parasitism among their third sex Gentile hosts who originally only wanted to acknowledge that homosexuality was a part of them that isn't to be repressed or ashamed of, but because of Jewish brainwashing, have demanded that homosexuality, or "queerness," be their entire race, nation, and identity that is to be pushed into the faces of everyone, and vilify all who object, **NOT** to homosexuality itself, but to this militant shock troop Marxist revolutionary subversion of White Aryan Pagan society, culture, and Civilization.**

The weak, meek, and the submissive outcasts, deviants, and marginalized make the best vessels for the Jewish scum-bag "holy spirit" that totally annihilates all differences between the different genders, races, castes, creeds, colors, and nationalities at the coming of Christ. Like the fictional Jewish character of Christ, his Jewish people always befriend the outcast and turn them against the worthwhile portions of society--White Pagan Civilization.

Like Romans chapter 1: 24-27, the following verse from the Jewish New Testament attacks the freedom that was White Aryan pre-Jewish Paganism, which is Satanism. It attacks any Gentile heterosexual who doesn't accept the Jewish-invented birth control tactic of "one man/one woman marriages." However, this verse also clearly attacks homosexual behavior among Aryan men, but without using the word "homosexual" or even "sodomy."

"Know ye not that the unrighteous shall not inherit the kingdom of God? Be not

deceived: neither fornicators, nor idolaters, nor adulterers, nor effeminate, nor abusers of themselves with mankind..." -- 1 Corinthians 6:9

"Arsenokoitai," in Greek, means male-bedders, which has been applied to the "abusers of themselves with mankind" described in 1 Corinthians 6:9. This is the "active" role, or the "top" in the homosexual sex act. Likewise, "Malakoi," in the same verse, is the Greek term for the male who takes the "passive" role during homosexual intercourse. Some interpret "Malakoi" as "effeminate" or "unmanly," but a man's masculinity, or lack thereof, more often than not, has very little to do with their private life.

Homosexuality and meekness are not inherently related, but through Jewish social conditioning, the Jewish people have found a loophole to keep the third sex trapped in the Jewish Kingdom of God through secularized Christianity, which is just as deadly to Satanists as bible-thumping Christian fundamentalism. The minds of Liberals close much tighter and much sooner than the "bigots" and "haters" of the so-called "Religious Right Wing" that they claim to be liberating the "oppressed" from.

The numbers "3" and "6" tie into the Saturnian Jewish forces, the Jewish "God," the Jewish people, Christianity, Islam, and Marxism, etc. "3" and "6" are not to be confused with the SATANIC "666." "6" signifies imperfect/incomplete man. "66," like the 66 books within the Christian Bible, represents slave labor of the "goyim" [Gentiles] under a Jewish Utopian one-world government of Christ. "3" with "6" signify the merging of all races and nations together into one big "happy family" of Jesus Christ. On the other hand, "666," which has a completely different meaning, represents the White Aryan MAN-GOD and the New Aeon of Satan.

There are seven main major chakras in the human soul, and their colors are: base-red, sacral-orange, solar-yellow, heart-green, throat-blue, sixth-indigo, and crown-violet. Today [2/8/2017], Satan made me think about something I've never considered thinking about. The Gay "Pride" rainbow flag only has SIX out of the seven colors of the chakra system. The colors of the Gay "Pride" flag are: red, orange, yellow, green, blue, and violet. This means that the kundalini serpent that the Jews have forged for the Jewish gay movement goes from the throat chakra directly to the crown chakra, totally skipping and disregarding the sixth chakra [indigo]. The Jews behind this design for "gay liberation" intentionally created a portal to Saturnian energy to keep those "out and proud" LGBT people and their supporters trapped under the three-dimensional material world of Jehovah-Yahweh-Christos-Allah-Muhammad, totally devoid of the Satanic potential for true physical AND spiritual perfection that would otherwise be the birthright of all Gentiles.

Today, Satan told me that the six instead of seven chakra colors for the Gay "Pride" rainbow flag and the sixth chapter of 1 Corinthians verse 9 are somehow linked. That scripture says that the third sex, whether the "active" or "passive" partner, are both denied access to "heaven" unless they "repent" from this so-called "unnatural" behavior. Some Satanists who are still Christians when it comes to homosexuality like to "turn the tables" and focus on the homosexuality of Christ and his followers so they won't have to give up their traditional Christian values about homosexuality. These hypocrites, then try to apply their anti-homosexual Christian values to Satanism, instead. This sheer hypocrisy doesn't go unpunished by Satan, however. In Satanism, it is extremely unwise for there to be hang-ups surrounding the sex lives of consenting adults, unless race-mixing, rape, or pedophilia are involved. Besides, many husbands and wives perform the very same sex acts that are attributed to homosexuals in the first place, but we don't hear about that very often, nor do we need to.

The truth behind the "can't go to heaven" myth for the third sex is found within the

Marxism of the LGBT Rights movement, itself. "Heaven" and "Hell" are code words for the upper and lower chakras, with the base chakra where the kundalini serpent of Satan resides coiled and dormant. For many people with hang-ups and enemy indoctrination, including the equality crap that is spouted off by Marxist revolutionaries, if their serpent ascends, it will either get trapped somewhere around the solar plexus chakra, or retreat back down in the base chakra.

Satanism is true Nazism, and many of today's Nazis unfortunately have Christian biases against homosexuality, even if some of these Nazis with Christian values are Atheists, Agnostics, Odinists, or even Satanists. Christianity is a virus that can strike any person, even if they have never been exposed to Christianity or related Jewish scum. THAT IS HOW THE CHRISTIAN CONTAGION WORKS!! IT SPREADS LIKE A PLAGUE!!! In true Nazism, both heterosexuality AND homosexuality are not only tolerated, but are welcomed. However, it is the re-population of the Satanic White Aryan Race on planet Earth through the sexual union of White Aryan men and women that is in dire need of **ACTIVISM** UNTIL ORDER AND BALANCE ARE RESTORED AND JUSTICE IS SERVED!** This doesn't mean that the third sex will be unimportant in the Fourth Reich if they don't procreate, but it is simply the price to pay for the fact that Satan has made it a Law of Nature that no two people are equal with one another. I can accept this. Can you?**

Here is how a self-identified "Queer Christian" has created a prayer to outline each color of the Gay "Pride" rainbow flag that is designed not to "liberate" like it claims to, but to keep White Gentile third sex victims of this Marxian creed trapped in Jehovah-Yahwehland, away from the spiritual realm, and without hope for physical AND spiritual perfection through our God, Satan, the true Lucifer. Notice the Marxist equality and racial diversity scam that is supported by Christ, who DOES, in fact, support and represent the Marxist LGBT Rights movement. This is so typical of any Jewish movement, or any movement that is at least given the Jewish kosher seal of approval. Any TRUE Satanist will find the following to be just as repulsive and degenerate as "born-again" Bible-thumping Christian fundamentalist fanaticism.

"Rainbow Christ, you embody all the colors of the world. Rainbows serve as bridges between different realms: heaven and earth, east and west, queer and non-queer. Inspire us to remember the values expressed in the rainbow flag of the lesbian, gay, bisexual, transgender and queer community.

Red is for life, the root of spirit. Living and Self-Loving Christ, you are our Root. Free us from shame and grant us the grace of healthy pride so we can follow our own inner light. With the red stripe in the rainbow, we give thanks that God created us just the way we are.

Orange is for sexuality, the fire of spirit. Erotic Christ, you are our Fire, the Word made flesh. Free us from exploitation and grant us the grace of mutual relationships. With the orange stripe in the rainbow, kindle a fire of passion in us.

Yellow is for self-esteem, the core of spirit. Out Christ, you are our Core. Free us from closets of secrecy and give us the guts and grace to come out. With the yellow stripe in the rainbow, build our confidence.

Green is for love, the heart of spirit. Transgressive Outlaw Christ, you are our Heart, breaking rules out of love. In a world obsessed with purity, you touch the sick and eat with outcasts. Free us from conformity and grant us the grace of deviance. With the green stripe in the rainbow, fill our hearts with untamed compassion for all beings.

Blue is for self-expression, the voice of spirit. Liberator Christ, you are our Voice, speaking out against all forms of oppression. Free us from apathy and grant us the grace of activism. With the blue stripe in the rainbow, motivate us to call for justice.

Violet is for vision, the wisdom of spirit. Interconnected Christ, you are our Wisdom, creating and sustaining the universe. Free us from isolation and grant us the grace of interdependence. With the violet stripe in the rainbow, connect us with others and with the whole creation.

Rainbow colors come together to make one light, the crown of universal consciousness. Hybrid and All-Encompassing Christ, you are our Crown, both human and divine. Free us from rigid categories and grant us the grace of interwoven identities. With the rainbow, lead us beyond black-and-white thinking to experience the whole spectrum of life.

Rainbow Christ, you light up the world. You make rainbows as a promise to support all life on earth. In the rainbow space, we can see all the hidden connections between sexualities, genders and races. Like the rainbow, may we embody all the colors of the world! Amen." [1]

The "Queer Christian" Jewish Utopia outlined by the above prayer's author is the changing face of Cultural Marxism. There are many weak people who call themselves "Satanists," but are opposed to Nazism because they find it to be a stumbling block for their meekness, and desires for the oh-so "oppressive" White Aryan Race of Satan to go extinct while they offer their bleeding heart compassion to Liberal institutions that teach the lesser-thans how to revolt against White Civilization. These people that are "Satanists" only by name, but not through theory and practice, will not experience the raptures of Satan's Kingdom on Earth. On the contrary, they will writhe in agony in the presence of the real, living Satan and his Chosen One, the Anti-Christ.

In light of this sermon, with the revelation from Satan that the Jewish people who push the Marxist gay liberation movement are working to keep the third sex and their supporters trapped in the strictly material realm of Jehovah-Yahwehland, is it any wonder why the Jews also promote the most dangerous and reckless lifestyles, habits, and addictions among the White Aryan portion of the third sex more than anyone else? Of course this unhealthy atmosphere that reeks of Jehovian death and destruction is the resulting backlash of Christian oppression that teaches the third sex that they are going to burn and suffer in a lake of fire for all eternity without any hope. Some Christians even teach that it isn't the denial of, nor the blasphemy against, the "holy spirit" that is the unpardonable sin, but homosexuality. Something that even many Satanists who still have an occasional Christian "cramp" in their side about homosexuality forget is that it is these Christian teachings that program many third sex people to live dangerously and spread disease through what has been labeled "the homosexual lifestyle," where promiscuity and drug and alcohol abuse have been singled out by millions as a political statement, and even yet for some, they believe that they are getting in touch with the spiritual through these disastrous practices.

While it is perfectly fine to lay blame on the third sex individuals who are consciously working for the destruction and assimilation of the White Race into universal bastardy, many others are well-meaning people who were the victims of Jewish brainwashing that the Jews presented as the only "alternative" to Christian oppression. It is the Jewish people who are hiding behind these human shields, teaching the third sex to be perpetual "victims" of the White Male Patriarchy that are to receive the blame, not the third sex who can be given the chance to wake up.

Proof of many third sex people's infection with Jewish materialism can be seen by the many homosexual men who come to Satanism expecting this religion to define Satan the way he is defined in the Christian [Jewish] Bible or how he is portrayed in Anton LaVey's "The Satanic Bible." These people expect Satanism to be all about sex and "phallus worship," black masses, and other forms of rebellious, reverse Christianity instead of pro-White Aryan Pagan Satanism, which is spiritual, it focuses on the spiritual, and it seeks to enlighten Satan's Aryan people. If people are inclined to indulge in their own fetishism, it is to be done only on their own time, and only within the confines of a community of those who enjoy the same thing.

SATANISM IS NOT ABOUT DRUGS, ADDICTIONS, DIRT, FILTH, DARKNESS, DEVIANCY, EVIL OR PERVERSION! SATANISM IS LIFE ITSELF! If this reality doesn't set well with you, then Satanism clearly wasn't meant for you.

The point is that the Jewish, Saturnian curses of "3" and "6" have taken their toll upon this portion of the White Aryan population more than most people realize or even want to know. If you are against helping the third sex live as citizens among White heterosexuals in a National Socialist society, without anymore chaos and confusion, then you are just as responsible for the collapse of White Civilization as the homosexuals that you hate. We have to work together. It is only the Jews who benefit from our pitting ourselves against one another by seeing homosexuality and heterosexuality as categories of separate groups of people, as if something so insignificant as sexual preference could be equated with race or nation. THIS IS THE LIMIT. GROW UP. WAKE UP!!

Last but not least... The third sex at large, for the most part at the current moment, is not a threat to the Jewish powers that be because there are the third sex who are either 1) pacifist, effeminate degenerates who passively sit by idly allowing the death and destruction of the White Aryan Race of Satan, or 2) the outspoken crowd of LGBTs who are not so idle about the death and destruction of the White Aryan Race, but work actively alongside the Jews to kill us off. What we need to do is wake these lost souls up, rehabilitate them, and teach them how to channel their destructive/transformational/shamanic powers into the death of the Jewish people, once and for all. Peace can only be established on a planet Earth that is devoid of our enemies. It is either us or them.

Although many third sex people's THREAT BUTTON against the Jewish Saturnian powers has been disabled for many centuries, due to Christian [Jewish] oppression and the Marxist rebound, the third sex can be reawakened and join their heterosexual brothers and sisters in Satan.

Like heterosexuality, homosexuality has a unique function. Although Aleister Crowley is not a figure that Satanists of today should look up to as a role model, due to the fact that rather than choosing Satan, he chose to attempt to live the life of a non-Jewish rabbi, we can still learn a great deal from him. The problem for Crowley was that he was a victim of the time in which he lived and a lack of knowledge. However, it cannot be denied that in his studies, experiments, and travels, he learned lots about what is considered Satanism, such as Pranayama [Yogic breathing exercises] and Hatha and Kundalini Yoga and Tantra. Crowley's downfall was for the fact that by not being unconditionally aligned with Satan's desires, his use and abuse of the Powers of Hell [Demons], and drug use, he was an open channel for the enemies of Satan at all times.

On a lighter note, here is something that Crowley found out about human sexuality

that Satan has confirmed for me to be true a long time ago.

"[Aleister] Crowley...came to believe that the power of heterosexuality lay in reproduction, whereas the power of homosexuality lay in the shamanic experiences of transformation and death/rebirth. Related to this, he viewed heterosexual relations as extending outward (as to children) and homosexual relations as creating a circuit or loop of magical energy or power. Crowley continued to experiment with homosexual magic, as he did with heterosexual magic, for the remainder of his life." "[In Crowley's] poem 'Hymn to Pan,' read at his funeral...the essence of Crowley's experience with the sacred [is expressed]: "...Pan! Io Pan! / I am thy mate, I am thy man, / Goat of the flock, I am gold, I am god. / Flesh to thy bone, flower to thy rod." [2]

Once more third sex people start coming to Satan, dedicate, study White History, and get committed to daily meditation, they will be an explosive threat to the enemies of Satan once again, and there will no longer be any Christian qualms from National Socialists who have Christian leftovers in their psyches concerning homosexuality.

Subject: The Future Is On Our Hands			

<https://josministries.prophpb.com/topic18206.html>

The Future is On Our Hands

Greetings to all our Satanic People and Comrades.

Many people do not understand the importance of our undertaking. Importance does not necessarily mean a rigid sense of duty, sacrificing all joy or whatever else hollywood may have had people to believe. It can actually be quite fun, and dutiful at the same time, same as tiring and many other things. "Purposes" are not written in just some stone in the heavens. Purposes are manifested by conscious action. Importance can be upheld and honored by at least doing a minor decision in the day to honor this importance you have understood for example.

Reading quite an amount of charts lately, I have come to notice many repeating [patterns](#), mainly for the good. This post is to relate to you some of what I have seen, but also, make up your mind in the fact that I will update people as we go.

Satanists more or less being serious and following the path, will be treated accordingly by the Gods. Most relationships with decent beings, unless if they are scumbags, are such a give and take situation. The more serious they are taken (not only in verbal expression but in action and advancement, loyalty to them) the more serious the Gods will take them in return. So everything I am about to state, falls under this category and rule. If someone just neglects everything and always gets too carried away by a meaningless and fruitless existence, fruits cannot be expected.

The emphasis on one's intellectual, physical and spiritual advancement is not focused upon by the JoS as some sort of joke or 'could be or couldn't be important' thing. Its the hard reality of Satanism. Especially at a point in time and space where outside in this world, many humans are brain-dead, walking zombies.

The more one gets into Spiritual Satanism, the more one sees and does understand an unveiling purpose. Now, how much will one understand falls on many factors. One is one's receptivity, how much one is willing to look into matters, and how serious one is about their beliefs and their advancement. This doesn't force anyone to go outside of their waters and push things more than what is good, but people who are sleeping and waiting to wake up kings will be severely disappointed.

Astrology, expect of a demanding science is actually one that if solely done 'by the book' and no spiritual insight on the behalf of the astrologer, reveals few things if at all. Lydia and other [astrologers](#) more or less know it. Though even at that menial and simple level, astrology is very revealing of the [fatalities](#) of fate, and shows blantly that yes, karma exists whether humanity "likes it" or not. Any such Karma can be surpassed only by the means the Gods have handed down to us, and awareness of it.

For those who think these things are jokes, try to play a [fast](#) one, and always think themselves so highly intelligent and above everything...This still can be tracked into the Natal chart, in a funny note. Conversating back and forth with another astrologer in the groups, I was making a joke about how many people who do not 'believe' into the occult, you can find it in their natal chart anyway. This is the case for many other things.

Now in our people whose charts I have done, I have seen wonderful parents, people of [ethic](#), a LOT of creativity, and many other things. One thing that needs to be mentioned is that no matter the age of the people, most have very strong aspects for [idealism](#), and aspects that show a non-selfish character that is really interested for the wellbeing of Humanity. Many people also have bad planets where organized religion is involved, while at the same time aspects that involve a high idealization of religion.

In short, this can be self-revealing that many souls here aren't on their first lifetime, and more than likely have serious grudges that go lifetimes back with the jewish programs of Pisslam and Xianity. We have idealistic people who really care for the world, and absence of the so called 'very evil selfish' aspects is also quite apparent. In people who have such (few) there are other aspects to balance these. What I am trying to say, is that nothing of these things is a 'coincidence' for people who can read between the lines.

I have seen charts of people who are many years 'older' than many people here. In these charts you can observe their longing, and how due to not having a gate to express themselves and find the Truth, people might have remained for years [ignorant](#) as a result. This is the enemy, and as Satanists, its our spiritual and moral obligation to keep Spiritual Satanism alive, pass it down to our children and [grandchildren](#) (without violence or proselytism - just [enlightenment](#)) so that souls will no longer be lost again. There is nothing more evil than robbing people of their potential to advance and become better. This stagnates the Soul and causes the spirit to have problems.

Thankfully, now we have the JoS and I myself have been saved from this same as tens of thousands others. The difference between most people, if we remove most other things, is how SERIOUSLY people take this undertaking. I see that I deal with people who have high moral expectations, and people who are people of dignity. So much of the "Satanist Soul" and how "Evil and Gruesome" it is. So many of you people are [healers](#) and people who will heal the world, even if it means in the smallest gesture. I have always had unwavering belief in everyone. On the other hand, we have people who are extremely intense and can be spiritually or otherwise brutal and violent, something that rats who want to trap humanity in the cage might want to consider.

You will be with yourself ETERNALLY and so long you exist. Its an unwise investment to let your dreams go, not advance spiritually, not fight the enemy. Humans are to exist in that dimension, and if you don't advance now, you will pay the price.

All people have a Pluto. Pluto was known in the past, but later on Pluto had to be rediscovered. Pluto moves so slowly, as it can take hundreds of years for it to make a full turn around a natal chart. This means that for example, if we take the average lifetime of a person, they will experience Pluto in maybe one-third of their chart. Pluto causes massive changes, most of the time coming as unavoidable results of past life actions. Karma is not some heavenly crap. Its a rule of what you reap, you will sow. You also sow for the things you deserve NOT to sow. This is again a choice.

You do choices all the time, even when you don't- and these choices have influence. The enemy hides that from people as they like to maintain low level, weak cattle, easy for control, and inaware of potential. Even your small choice to meditate today or not, actually forms your day tommorow. The day tommorow, the day after. The day after the day tommorow, the week. The weeks form your habits, and your habits form you. Good habits will create a new you, bad habits will create you into trash and invite weakness. If you are above 13 years old, you can understand it, and even younger. This is why in Satanism we value animals and children, because neither understand these concepts, and they are under the protection of those who do. Depending on the maturation of individuals, the times vary, but this is just an example of course. But when one grows up, one has to be conditioned in this understanding, and as their ability allows, start getting life to their hands. Assitance, guidance and help always available of course. Karma (good or bad) may be carried from one lifetime to another and manifest in different ways.

Even if someone has is great and perfect in this lifetime, due to being unspiritual and weight of negativity and external circumstance pushing on their Soul, the next lifetime may suffer. The Soul does not comprehend time in a linear, left brained standby. It has its own rules. No matter where you are, you need to procure for yourself. Are you high up and amazing now? Excellent- make it EVEN BETTER. Are you one step before destruction? "Excellent" - Make it ALWAYS BETTER.

When one does not know about spirituality, which is a fundamental part of existence and life that was forcibly removed, one can fall prey to savages and fools. There are a few people amongst us here who are higher up, VIP Souls that will make great achievements in their lifetime. However, since these are energies that are set and the Soul understands a particular language, its effort that's needed on your behalf. One doesn't need to be anyone else, just be you.

You will be amazed and stunned on how can a couple of years of meditation and adherence, and taking care of yourself and fighting get you. Nothing else in life will pay you that way. Shortly one realizes that one's past 'existence' was just a menial and very low level task, no matter where one was. It is literally NEVER, EVER too late. Additionally, Satan and the Gods would never let a dedicated Satanist and their Soul just wither or get lost, which is the unfortunate case of so many others. Don't sleep on that however. This is to just show you that you can do things on yourself.

There is a bright future ahead of us. Both in the closeby future, and far ahead. For that reason, everyone needs to start getting themselves up and understand and realized how lucky you are, out of all these people, to have the knowledge we have here, the Gods as a family, and the abilities of development that other beings will more than likely never have. Other people will fall in pits from which one can NEVER recover- you, even in the lowest of pits, you have help if only so you decide to get out of there. Let alone if you are careful and apply wisdom, never fall into the pit of ignorance again. From a historical standpoint, what we do here, and the responsibility all of us in their own terms carry is a big one.

We are heralds of a new revolution, against a lot of rot on this planet. A lot of things must change, and a lot of things will. However for this to happen this change has not only to be expected to rain from the heavens, but people to actually do it. There is infinite potentiality. If a collective of crazy yids can actually manifest their world-slave-empire, so should the Children of Satan strive for higher and more divine purposes. Especially these dupe programs of pseudo-moral and (((Religious))) enslavement, have to be destroyed. This is in accordance to a higher will of liberation for Humanity overall. Most of HOW this will happen also goes through each and everyone of you. If you don't yourself get that in YOURSELF, then how can you be a conduit for this, let alone profit and elevate from it? Nobody else can provide what we provide.

The Future is in our hands and as proven by our RTR's and our glorious achievements, we have a great future ahead of us. Your individual future must also come into your hands, gradually and steadily. The first step in this is by gaining control of your existence as a being within, and then slowly without. Individually and whatnot, Satanists are going to play of the most major roles in the changes that are to come.

Here's the door to greatness. Now, are you going to open and walk towards going ever-higher?

Subject: New Reverse Torah Ritual Schedule [14 February until New Notice]			

Greetings to all our People and Satanic Warriors!

<https://josministries.prophpb.com/topic18301.html>

(RTRs are in the bottom of this post, questions in regards to this are always welcome)

This here is the new RTR Schedule. Ideally, we will do this until the end of the month, unless circumstances call differently.

There is no change from the other schedule, other than one Ritual has been replaced by the reversal of the 42 names of the jewish dumbform.

This is a MOST toxic and highly damaging schedule. Its a complete deconstruction and destruction of the enemy control matrix.

The damage any normal person can now do to the enemy is unparelled. People back in the centuries could only imagine to know what to all of you here has been given. Honor this and apply, so that billions of wronged, ravaged by the enemy, and billions to come, will have a chance. The enemy has done ENOUGH.

We need, and we *WILL* keep up the warfare until these beings pay. The RTRs have changed so many things for the better. They must be continued at all costs. Humanity is still greatly threatened, and the enemy system will not stop. We can reform by our actions now conditions on which so many are yet to live.

This time its literally DO or DIE. Also, its easy, pleasant, and not time consuming at all to do. If people who have been raped, pillaged and killed, from past generations, ONLY IF they had the chance, they would compulsively fight and meditate, and advance.

Also, the RTRs remove any curses the enemy may have put on any Satanist here. These curses are done mainly through the 42 and 72 jewish dumbform name, and this is because this was a magick gimmick of the jews for their magick.

By rivalling their magick, we have thrown off many of their plans. The more this happens, the more they will keep losing ground.

Those who participate in spiritual warfare and help Satan and the Gods in how they can, are their beloved and their real family. Those who are not yet, or are halfway through, can strengthen this bond by doing this. We are in the jewtrix, and the jewtrix can fall from within with RTR's.

Irrespectively of how some things may not make sense in this largely slave planet, the favor of the Gods as it has been for hundreds of thousands of years, is even now and will be permanently, the greatest thing one can receive.

Those who do not help their so called family and friends (Gods), their God or a cause like ours for the better, to improve the world, and do not do nothing themselves in such an easy and straightforward way, these people are of no importance to Satan.

If you find yourself in such category, its not worth at all to be there, so sit and comprehend why this is totally worthless, and after you make some inner searching, decide to become part of something great. There is no greater thing in this world than being in league and friendship with the Creator, Satan.

Satan is the Godhead, and Satan is the holder of the real keys to permanent spiritual uplifting and freedom.

We as Gentile humanity right now have our chance s
SALVAGE IT. The space time continuum we are living right now is exceptionally GOOD for our undertaking. Billions dead scattered by the enemy testify theirs WASN'T! Act upright and apply.

**Trump, the World and the RTR's :
JoyofSatan666**

As predicted in the past, our RTR's have been wrecking havoc on the enemy. Not only their goblin Hillary lost the elections, their media have also been ravaged, but also Trump who they considered their underhand fanboy, is basically doing a good job in steering everything to directions from which we can benefit. We have caused a disaster to the enemy that is unparalleled. We need to keep going.

Trump has actually done good in awakening people to the perils of 'demokrazy' and the existential danger posed by one of the most dangerous jewish programs, which is Islam. Which he had to do, and he was forced to do, as the jews couldn't hide what is going on. Running from the ghost of what they have created, the jews allowed him in a position that cost them extremely much. In their paranoia, they damaged themselves even harder. The enemy has forced Trump into the "normalization" process they force all presidents, but due to many other uncontrollable circumstances this cannot happen, and they more they force it, the more enemies they make. So they outright attack him instead. Because as you can see there is no faithful jew, not even to their own.

They hate Trump and anyone, no matter how much they have been in terms with them, if they don't do EXACTLY as the jews demand. As you can see, the jews don't allow Trump to get his way, and this is not because of him, but because of what will happen if he does not listen. Which by definition hasn't happened and its too late now to correct anything. So they keep attacking him instead and attempt to cause civil war, to kill Goyim and put Fema camps in use. Remember the power is in the people in reality. Its the general populace they are after.

To see how the jews treat their own, just see Stalin. Stalin butchered all the other jews whom he abused and used to get into power, over no reason whatsoever. The jews have a history of killing and brutally murdering their own by a lot of torture, and Trump knows this too. Even if someone is jewish, if they don't dance to the zionist drum, even by mistake, the jews will want to hunt them down and destroy them completely. This is why the jews are forcing the meme that Trump will be a second Kennedy. Kennedy didn't have RTR backup though. If he did, history would have been different now.

Print, save to disk, and salvage the RTR's. As we have seen, the enemy has a habit of attacking these. This is because these are the spiritual warfare tools of Gentiles now. We have occult weaponry, something that for centuries we did not have.

The enemy is forced on stepping back, and assessing damage from many frontiers. Their own people

throw their other own below the bus, simple because a clean house has to be made, and it cannot go indefinitely like this. There is only one thing that can be stated, and its THANK SATAN for the RTR's. Many of you remember how we have saved the internet, averted wars and many other things over the years by our efforts. The RTR's have been falling like rockets who force the enemy to retreat.

In war, even small Victories can be decisive to the outcome of the whole war. No RTR is too small, no person too weak. Everyone can fight. Even a monstrosity as big as the enemy can be taken down, and the hugest of gladiators stepping in the wrong stone can make them collapse like a card tower. Small changes make the big changes in this case.

An RTR is far worse than a rocket in the longterm of history. The RTR's hit the core of the power of the enemy, and not what sprang from it. The enemy has been cursing us "Goyim" for centuries, you have to remember. Only lastly they engage and do a full sweep on the material realm, and only after victory has been completely decided.

I bow in reverence to Satan and His Power, vested in us to do better to this world. Also, our struggle has only just began, and its now the things are getting really heated up. Our RTR's help the whole of humanity, and if you are paying attention, the enemy is at least retreating on many levels. That's all thanks to those of us who did something. Those who have been fighting the enemy for years, know their power, but also they know that the children of Satan have extreme power as well.

This is why for centuries, the enemy has kept our kind under persecution, death, and always seeks to censor, attack and harm us. Satan is the gateway to freedom. As the jews admit, Satan destroyed the jewish empires, both that of the Islamic Ottomans, and the Xian radical Byzantine Empire. Both of these have been destroyed by Satan's hands, same as the Middle ages etc. All of these 'empires' were big climaxes of jewish dreams, and in all of them, humanity and everything good suffered incessantly.

Many people focus on the damage the enemy has done, which is extreme, but also Satan has done them far more extreme damage, and also damage from which one would be pulling their hair on how they lost governance. The Middle Ages were the perfect times of enslavement. The impossible became possible, by spiritualists and people of the time, and Humanity gradually broke free of jewish rulership.

In 2016 many interesting advances have happened, but for the sake of it, many jewish idols perished at that time. Maybe it was a result of the RTR's, maybe not, but the failings of the enemy should in anyway, have a symbolic nature and meaning.

2017 is going to be a really HOT year for our side and our fights. We need to keep going with unending resolve. There is more than meets the eye. The 2017 elections will be a rude awakening to the enemy and those behind gates who try to bring Europe down. We must be unrelenting until we have perfected leadership in every Gentile Nation, and until poverty and many other freedom threatening things have been abolished. One step at a time, and one victory at a time, we are going to set the deal straight.

Lastly, to mention something. In Hindu lore, when Humanity goes off the far end with Race mixing, and many other existential wrongs, while it plunders in decay, the Hindus believe that an Avatar of Vinshu, or even worse Kalki, manifest and sets the record straight. This is Divine intervention. The Hindus may call it like this, we know who it is, who HE has been, and we call Him Anti-Christ. His coming is necessary when things are literally going to the cliffs. Many times, and in many civilizations, many people have raised their heads against the jews, which is why Humanity still exists in an acceptable way. There is FAR BETTER to go, and the enemy is keeping Humanity and all its races back from advancing.

The powers that be, except of the enemy nefarious aliens, do not like it, and even if to Humanity the purposes of these beings are coming to light now, the powers that be such as friendly alien races have knew about them for thousands of years. The jews always try to escape judgement, and sometimes successfully, but if beings keep pushing, this will become inevitable. Spiritual judgement is necessary, and this is because of the situation we are seeing in the world, let alone endless murder and warfare

the enemy has caused. When situations like that reach the cutting blade, some beings *MUST* set the record straight through spiritual warfare. When the time is right, Humanity will be restored, but the pathways have to open, and we have to minimize casualties and damages by the enemy.

The enemy wants to rush into the age of Aquarius, and rob people of their freedom and future, so that Orwell's technological nightmare is created so that people will not be able to react. We are going and we need to stop this by diligent spiritual warfare, opening the path for constantly greater things to emerge.

We will defeat them in every single battle that we can, and NEVER allow this to happen!

Blessed be, Satanic Family and Comrades in Arms!

Masters Among Slaves : JoyofSatan666

Greetings to all of our People and Satanic Comrades!

All Satanists here are in the house of mastery.

Everyone obviously is on different levels. Others have problems with bills, others have other issues, others are higher up. It really comes not down to this. Do you notice a pattern? People are too hung up on these matters to seek self value. This is however, relative.

It comes down to your inner Soul, your morality as a being, and how all of us here can know about and tolerate Truths that the majority of humanity cannot. While they sacrifice everything to be unaware and ignorant, the real Satanist is doing the same sacrifice of everything for Truth.

When we hold racial discussions, we are discussing about people outside, who do not know the Truth and do not advance. We are talking majorities. Satanism is the religion of united individuals, and not the clump jewdified herd.

You are by definition removed from the womb of damnation if you choose to finally embark on a freedom journey. As for the herd, we are seeing them from above as Masters, and we look at them as people who don't know what is going on.

Mastery does not imply a whip, domineering attitude. Its first and foremost mastery of awareness. Not based on fake entitlement, but how much we have really banished the herd from inside us. Or for accurate say, the negativities of the herd.

At the same time, we are the only ones who will face the potential rot or issues within. Something most

people will never do. This is why we also un-dig the greatest and most inconceivable treasures these people will never have.

As thus we recognize their errors, our own errors, our racial errors, we seek to not repeat the errors of the slaves as we have made a conscious choice to never belong to them again. We choose freedom at all costs. They remain enslaved, taking others also hostages of their stupidity.

They are those who sink Humanity. We are those who try to uplift it and uplift ourselves. This is the Satanic spirit that on top of the ever lasting abyss and all the humans sold out to it, people resist.

Satan has made his best choices from all Races, Nations and Peoples. Everyone here holds a common Satanic element deep within their Soul. Not all people really have this.

Now you may not recognize, or you may recognize to an extent only, the gifts you have. Those deep in the path know as to why and who they are, others don't and are still searching.

We have people that discovered the Truth right now, and others who have been in it for so long that compared to new students may be close to Gods. Satan has been keeping his Children close to Him. The bonds last forever.

Its not entitlement showering, because after all, if one does nothing, one is distancing themselves from Truth and they wither away.

Satan loves his family, and his Children. There is no father that would not adore a loving daughter or son. Like a Father, Satan expects his children to advance. Nobody is thrown to the trash can, but a few people do, because THEY think they are for the trash can. They act accordingly if they follow this road.

You will become, what you think you are. Now like any other dad who watches their children take their first steps, Satan is proud of those who seek to advance. Everyday you overcome obstacles, Satan is proud of you. Even if these obstacles may seem to the larger spectrum of existence irrelevant. To you, these are relevant indeed. And every "you" foms "us" as a Satanic Unity.

When you begin or fall he will help you and hold you, but NEVER to the extent of making you incapable of getting up and walking by yourself. Satan is real and therefore, cannot be anyone's nanny. Why? Because Satan really cares for your deepest advancement as a being.

You belong to yourself after all mainly. The (((("religions of nowadays")))) are hijacked to teach people to have slave and victim morality. Part of this is how everyone has no will and must beg for bailouts from their own mistakes and life.

The enemy has defamed Satan for a reason. Satan welcomes with open arms every single Gentile that comes to Him, if they follow through. He is the door to spiritual salvation. The Demons are the teachers. However in school, you have to study.

Satan sees us in our Soul. It matters also not how old or young you are. Your first spiritual step, and you going from crawling spiritually to ever higher places, its how you start unfolding.

You may think that a small victory means nothing, but the crawling is what makes the champion. Well, crawling that is continued for a lot of time. Then standing. Then walking. Then running.

This is what defines us, motivates us, makes us who we are.

This is what makes us Masters Amongst Slaves.

And such we shall FOREVER be!

Subject: Women's Freedom

[Women's Freedom : JoyofSatan666](#)

Women's Freedom : JoyofSatan666

Greetings to all our People and Satanic Comrades.

Here I go again to alienate feminists, and many other zombies who are infected by ideologies just created by perverted jews to make everyone feel special, in a world where humans are just a number.

Its quite interesting how in the West especially, we hear about the cries of "freedom" from Women. Such as we were hearing the meme of how men should rule everything (of course to the expense of women), a few decades ago. Both these memes of course were created by profiteering jews with no higher aims, just destabilize society and profit shekels from it. Because well for the jew it doesn't really matter to which side the balance is perverted, its still good to them. You want abdul raping and killing his 15 wives? By all means, acceptable. You want hundreds of men becoming sissies because they cannot get the 'muh trophy wife' and therefore turn to cuckery? All the better.

These are the conditions the jew does want to inflict further damage to everyone involved, and profit from. To abdul they sell a new 'future' in the west with a potential harem under allah, to the other one, they promise the perfect VR reality, with their ideal wife as fake as the photo-shopped ones online or their favorite porn actress. Its the same merchant guys...Just look at the merchant..

I am not here to debate what xians and other cucks do debate, for example, if these women are doing it right or wrong. Because in that case there is no right or wrong, its flat out alien and bizarre to act in particular ways.

Same as many men want to feel entitled by doing nothing but being liberal cucks, we have the same thing in women. This is a common trend amongst beings who do literally nothing to advance their existence. While others copiously spend their lifetimes to become better and improve in some way, these people just exist as a cattle and nothing more, by their own choice and admission. Therefore, the sheep want fancy shirts to wear in order to feel like they are not sheep, and free 'people'. But we know what (('freedom')) of theirs is.

Now let's see objectively the matter of Woman leaders. Many Women of course are pissed off, thanks to christianity, for the situation in regards to women in the West, for these hundreds of years time. Of course, little consideration is being taken over the fact that, well, you know, in many other places, women are stoned to death. We have seen serious improvements in the last decades, which the enemy immediately pushes off into the opposite direction, to again destroy society. However this is not right, things have in other places been far worse, for jewish reasons all of us here know. The enemy literally, flat out hates women, and all they represent. This is because they hate life and everything women stand for.

Part of the 'liberation' scheme nowadays, we have slutdom, doing drugs, and becoming generally a female version of a lawless, worthless to society, abscess to humanity, type of 'woman'. I am sure in some feminist offices they have a board where they rank the ((Women))) who spread the most STD's, and brought down the most 'social constructs', such as well, the fucking society in which they live in and

does in anyway protect their jewish stupified conceptions.

This is of course done so women remain isolated from men, from themselves, from their families, and also one another. If women like that are ever to support one another, they are doing this harm the opposite gender, go out naked to protest their so called rights (until the radical islamist Abdul spouses them by force, for he comes and kills them or rapes them or something...), and then go flat out become bonged out with the money of their parents. Wow, this is exactly the idea that will produce women's rights. Yes, this social trend of the jewdified west is going to literally, last a long time. I mean what's better for surviving an alien attack, than having pink dildos instead of men, never having children, and stoning one's self out 24/7? These are really behaviors of a dominant, powerful, and higher up woman...NOT.

It never boils down to any gender. As we would never like to be ruled by a flat out, masculine psychopath that would violate humans all the time for no reason, in the same way, we don't want to be ruled by a person whose focus in life is just getting laid, or something like that. Its kind of contradicting. How can anyone, for that sake, have their life's purpose being reading jew Karl Marx's writings, stoning themselves to death, and then having gangstas with robots and queers, be a guide for the future of humanity? I don't see this is as "EVIL" (even though one can say it is) but I see this as well. Erm, nonfunctional. It just cannot work that way. If it ever did, humanity would suffer and die a permanent death.

Lastly before I am accused of being an asshole to everyone. I will pose to everyone the simplest of questions. If you find 'women' offensive, change the sentence to 'man' and repeat it. This may serve the latent feminism at once.

You have two women. Both are women. On one hand, you have the 'liberated' woman who does incesantly bad relations, flat out fucked up her family and future, or has done many of the things stated before, and was nothing at all in her life but a 'liberated' boozetard. On the other hand, you have a woman that is a mother, knows the needs of children, and has existed in a way of quality. I don't tie in sexual experiences insofar this creates tensions in the personality.

Who would you trust to run your life? Which woman protects the rights of women more? The vixen or the mother?

Many women do not get that many of their respective qualities come from the fact of being a woman. Your ability to motherhood, even 'fragility' (as in outwards softness) and many other aspects that may ward off the indoctrinated women nowadays, same as they are turned off by touching the spiritual, or not twerking. Because of my how dare someone mention something about TWERKING, the new god? 'These are the idols we follow, honey! GTFO!'

In fact, you can see most of these 'women' hate everything about being a woman. They are distorted. They are like, hating their own self, trying to promote their so called 'self'. They are acting like the 'men' they are going against. Phallocentrism or Pussycentrisism doesn't really matter. Society must be in the middle pillar, the Shushumna, with both male and female aspects in balance.

How do we address Lilith? Don't we call Her, Mother Lilith? Why do we trust her with our lives? Who do our Goddesses have our admiration, respect, and unending love? Well, not exactly for their Vixen aspect. They are free, liberated, we all know this, but this has nothing to do with those to whom it is addressed. It stands there silently as a doorway to open up pent up suppression, with the higher end of controlling it, and dignifying it into something better.

If you are praying to a certain someone, would be rather praying to a mother, that will nurture you, and knows all your needs, shrouding you with love and protection? Or you will pray to a cucked, feminist abscess that will show up to you with a book of "Des Kapital", which if you don't read she will beat your ass to death? In a softer version, which one would you trust most to tell your issues, open up your heart,

and which would you trust better to show you the way to enlightenment? You see, this trust is something natural, because there is a definition.

The vixen cares for herself and her own pleasure. The divine motherhood quality (irrespective of if you have children or not) is a balance, with emphasis on the well-being of others. This is the power to provide, protect, create and destroy, in the same way as the universal principle of a mother. While a woman with a divine motherhood quality fights for ideals, or her children, and if their well-being is attacked she will flatten out her enemies, what is the good in the 'other kind' of woman? If you steal her boozetard, she will protest naked? I guess that's only good for women of the jewish race. I'd rather have that happen in Pissrael.

Sorry if I offended your (((Freedoms))). I just don't deal well with Satanic women being only emotards, drug users, wasting their life, and becoming nothing else than what the enemy wants them to do. It doesn't sit well to me. If it sits well to some women... Women is a very dignified title that needs upholding. Not that. We can change this to 'living pig by jewish admission'.

And Hooded Cobra to Phallocentric Nazi Monster. Because well he has that fucked up issue about well, not liking to see women on the streets injecting heroin, or seeing poor mothers have children while on drug addiction. How can yer be so (((freedom))) hating at last? In the same context then I guess most of our women here are also anti-femienie, Phallocratic women! Oy vey! The (((Rights of women))) are at serious risk!

Does it still ring to people why the enemy has defamed Lilith in the worst, and lowest degrading words and meanings?

Do you understand now Her Importance? Lilith is the most Dignified Goddess. The rest is gibberish made up by jews.

If you want to look at a feminine aspect to follow, don't put in front of you ghoulish jewesses, morbid creations, and wipe out the enemy prototypes from your mind.

Ennoble yourself, raise yourself, and in reality liberate yourself by going after our Goddesses. They are here to help women recover their lost feminity, and teach to every willing woman all the arts and the powers of their nature. No matter where exactly your nature falls, you can discover and elevate it.

After reading, you may want to check this here :

<https://josministries.prophbb.com/topic15382.html>

It takes one noble Goddess to drive whole legions to their death with the move of a hand, or even maybe their hair, it takes a million slut-dooms to even reach the heart of the lowest of men.

Be a woman of liberty...Not a useless jewtype "libertine"...

Everyone obviously is on different levels. Others have problems with bills, others have other issues, others are higher up. It really comes not down to this. Do you notice a pattern? People are too hung up on these matters to seek self value. This is however, relative.

It comes down to your inner Soul, your morality as a being, and how all of us here can know about and tolerate Truths that the majority of humanity cannot. While they sacrifice everything to be unaware and ignorant, the real Satanist is doing the same sacrifice of everything for Truth.

When we hold racial discussions, we are discussing about people outside, who do not know the Truth and do not advance. We are talking majorities. Satanism is the religion of united individuals, and not the clump jewdified herd.

You are by definition removed from the womb of damnation if you choose to finally embark on a freedom journey. As for the herd, we are seeing them from above as Masters, and we look at them as people who don't know what is going on.

Mastery does not imply a whip, domineering attitude. Its first and foremost mastery of awareness. Not based on fake entitlement, but how much we have really banished the herd from inside us. Or for accurate say, the negativities of the herd.

At the same time, we are the only ones who will face the potential rot or issues within. Something most people will never do. This is why we also un-dig the greatest and most inconceivable treasures these people will never have.

As thus we recognize their errors, our own errors, our racial errors, we seek to not repeat the errors of the slaves as we have made a conscious choice to never belong to them again. We choose freedom at all costs. They remain enslaved, taking others also hostages of their stupidity.

They are those who sink Humanity. We are those who try to uplift it and uplift ourselves. This is the Satanic spirit that on top of the ever lasting abyss and all the humans sold out to it, people resist.

Satan has made his best choices from all Races, Nations and Peoples. Everyone here holds a common Satanic element deep within their Soul. Not all people really have this.

Now you may not recognize, or you may recognize to an extent only, the gifts you have. Those deep in the path know as to why and who they are, others don't and are still searching.

We have people that discovered the Truth right now, and others who have been in it for so long that compared to new students may be close to Gods. Satan has been keeping his Children close to Him.

The bonds last forever.

Its not entitlement showering, because after all, if one does nothing, one is distancing themselves from Truth and they wither away.

Satan loves his family, and his Children. There is no father that would not adore a loving daughter or son. Like a Father, Satan expects his children to advance. Nobody is thrown to the trash can, but a few people do, because THEY think they are for the trash can. They act accordingly if they follow this road.

You will become, what you think you are. Now like any other dad who watches their children take their first steps, Satan is proud of those who seek to advance. Everyday you overcome obstacles, Satan is proud of you. Even if these obstacles may seem to the larger spectrum of existence irrelevant. To you, these are relevant indeed. And every "you" foms "us" as a Satanic Unity.

When you begin or fall he will help you and hold you, but NEVER to the extent of making you incapable of getting up and walking by yourself. Satan is real and therefore, cannot be anyone's nanny. Why? Because Satan really cares for your deepest advancement as a being.

You belong to yourself after all mainly. The (((("religions of nowadays")))) are hijacked to teach people to have slave and victim morality. Part of this is how everyone has no will and must beg for bailouts from their own mistakes and life.

The enemy has defamed Satan for a reason. Satan welcomes with open arms every single Gentile that comes to Him, if they follow through. He is the door to spiritual salvation. The Demons are the teachers. However in school, you have to study.

Satan sees us in our Soul. It matters also not how old or young you are. Your first spiritual step, and you going from crawling spiritually to ever higher places, its how you start unfolding.

You may think that a small victory means nothing, but the crawling is what makes the champion. Well, crawling that is continued for a lot of time. Then standing. Then walking. Then running.

This is what defines us, motivates us, makes us who we are.

This is what makes us Masters Amongst Slaves.

And such we shall FOREVER be!

Uncle Tom's Synagogue

What is worse the fact we live on a planet run by a racist, violent, pedophilic, Globalist Jewish oppressor caste, that thinks of non-Jews as nothing but Niggers of the field. Or the fact the churches are full of Uncle Tom's for the Jews? It's one thing to be a slave its another to love your slavery and grovel in self debasing ecstasy before the boots of your masters..

Do you think it was an accident the Blacks who were all enslaved by Jewish owners. Were forced by then into Christianity and even forced to change their names and language? Till they no longer remembered who they were. The Blacks were simply enslaved as part of Judaism which is about enslaving all the Goyim upon a global plantation state. As such they were Jew Washed mentally into an identity that benefited their Jewish oppressors. The slave identity.

In the Bible Christianity is never hidden from the fact its just Judaism. I wrote before on how Christianity was created by the Jews to topple the Gentiles and create a Jew World Order: topic174.html

It allows the Jews to take over a Goyim society and Judaize it by violent revolution. Replacing the original memory of the hosts religion, culture and identity, severing it off from their own roots. And then replacing it with the identity the Jewish owner class wants. The slave identity that is Jewish globalism the erasure of your racial identity, cultural identity, spiritual wisdom, national identity into the Globalist proto-Communism of we are all one, all racial, cultural, national differences are abolished under the icon of Jewish rule, Yeshua (((Christ))). And setting up a situation politically were the world is to be ruled from the throne of the Jewish St. Peter which the Jewish Messiah shall sit upon and rule from at its arrival. With as the Bible states 144,000 elect Jews representing the entire Jewish race of the 12 Tribes of Israel. Being the entirety of the Globalist ruling caste. And the Goyim shall serve.

The Goyim are all Niggers to the Jews. But we don't have be Uncle Tom's to the Synagogue.

Who cares about what the Jewish bible says about Satan, we have nothing to lose but our Jewish chains by embracing Satan!

Leave the Synagogue and Man Up! Uncle Tom's, you have nothing to lose but your chains.

Hail Satan!

Subject: Satan In Sanskrit Is The Indwelling God			

Satan In Sanskrit Is The Indwelling God

The ancient Sanskrit mantra and greeting Namaste in its original and most ancient form is spelled Namasta. The full spelling of this is with the letter S which is Sa in Sanskrit.

Making Namasata. Nama Sata, which is paying homage to the name of the indwelling God, Sata. In Sanskrit Sata is also spelled with the nasal ending. Making Sata.....SATAN.

Hence the ancient greeting to indwelling spirit the indwelling god, Nama Satan. Making it also bowing to and paying reverence to the God Satan.

The texts on Kundalini Yoga hold Satnam in the same meaning. Satanama is also stated in these texts to be the full mantra of Satnam. Satanama holds the same meaning obviously as Nama Satan.

Satan is the creator God and this is still found in ancient surviving religions such as Hinduism. Hence why Sata/Satan is given the highest degree of honor in Hinduism this term in Hindu texts is relating to the subtle element of the soul and also means saviour.

The famous mudra for this greeting mantra was also stolen by the Christian Church and turned into the praying hand gesture made in the Christian ritual.

Returning Curses Part 2: Building a Powerful Aura of Protection

For more information, please read through Part 1:

Returning Curses Part 1 [Webpage

<http://dawn666blacksun.angelfire.com/1-2-17.htm>

First off, I want to state here that in addition to us being cursed, there are Wiccan idiots and others who have sent binding energies to us, especially in regards to the RTRs, as the RTRs have been actively and effectively destroying the enemy. [That 72 Name is the most powerful against them, as that is their bulwark].

Satan just confirmed to me early this morning what I had already believed; that HE has power over ALL witches that he said, "connect with our Gods." In other words, any practitioners of magick and witchcraft who connect with Pagan Gods are all under His power. He also stated that a very large percentage of Wiccans and related are cowards. He said, "They are fearful." "That's why they practice Wicca."

A few hours ago, there was a New Moon. During the waxing of this Moon and beginning as soon as possible, I strongly recommend everyone here do this ritual for yourselves. The last ritual we did was to clean our auras thoroughly and to return the curses and negative energies back to the senders.

With so much emphasis on the Moon, an extremely powerful source of pure energy, the Sun is often overlooked. I have found the energy of the Sun to be the most powerful between 11:00 and 14:00 approximately. This is when the Sun is directly overhead.

When the Sun is rising [waxing on a daily basis], this is another powerful time. An excellent time for meditation has always been before the Sun rises, before dawn. The setting [waning] Sun also has some of the same effects as a waning Moon in removing and ending things. But, ALWAYS take into consideration the Moon.

The Sun has fire energy, the element of fire. When doing a thorough aura cleaning, stepping outside into the Sun on a sunny day when the Sun is high in the sky can work wonders. For this to be effective, you must be directly in the Sun. Just breathe in the solar energies into your aura and soul, engulf yourself in the solar energy, which is even easier to see astrally when you are standing in the brilliance of the Sun. You can even do a full rosary, vibrating SURYA [Satan told me 216 times is more effective than 108], and to do this, just reach the last bead on your rosary and then turn it back. I have worked with this and it is very effective.

Given this working will be over a period of about 2 weeks, there may be days when it is cloudy or even rainy. Going outdoors anyway and invoking the Sun, repeating the ritual will still be effective. Even sitting facing a window, as long as the light is falling on you, but out of doors directly under the Sun is the strongest and the most effective.

You can breathe in energy from the Sun, lighting up your aura with brilliance and then on each exhale, vibrate SURYA.

The Ritual:

From right now until the full Moon, everyone here should be building a powerful aura of protection. This is more advanced than the standard aura of protection. Given the attacks we have been under and the state of this world right now, this working should be repeated from every new to full Moon every month for a year. This will stay on your soul eternally, protecting you, and keeping you safe from the malice of others, destroying your enemies.

1. Raise your energies. This is best done [as with all magickal workings] when you are at your most powerful, feeling a strong energy buzz. If you are new, just do the best you can. You can also use the energy of the Sun as indicated in the above to raise your energies with reciting SURYA, using a Satanic rosary [or anything that will help you keep count]
2. Clean your aura thoroughly, as instructed from Part 1 of Returning Curses. DO NOT hesitate to ask for a Demon/ess to help you. Even if you cannot hear, sense or see the Demon/ess, know He/She is there and is helping you, and delivering the energies back to the sender/s.
3. Engulf yourself in the light. Again, I repeat, if at all possible, use the Sun. Another effective tactic, if you are unable to use the Sun and have trouble visualizing is to use a lamp, with the bright bulb facing you, shining right in your face as you close your eyes and visualize the light.
4. Affirm 18 times:
"My aura is constantly and continuously deflecting and repelling any and all negative energies, curses, bindings, hatred and destructive energy directed at me and is immediately returning these directly right back to the sender."

Do this daily from now [New Moon] through the 13th of March [Full Moon]. From the Full Moon to the New Moon[waning Moon], I strongly recommend everyone do the INTENSE AURA CLEANING indicated in Returning Curses 1, and keep repeating this through the cycles. You will find with deep cleaning your aura, not only will this remove any curses, but all kinds of other crap that has kept you down in your personal life. A dirty aura also hinders your workings and personal powers. The aura and soul have accumulated all kinds of negative energies throughout many lifetimes and these cannot all be removed in one working. It must be repeated. AGAIN, I strongly advise you ask Satan to send you a Demon/ess to work with you in removing these energies. Even if you are new and cannot see or feel him/her, follow your gut feelings and intuitions. It is extremely important to always say the prayer before your aura cleaning:

Hear me oh Great and Mighty Satan. I ask your help in returning these curses, amplified to the senders who have attacked us for doing your work. You know who they are. They will know your wrath. I ask that you send a Demon to me to take and deliver the curses and thoughtforms that I have cleaned from my aura and soul directly to those who have sent them. O Mighty Satan, fill me with truth, wisdom and understanding, keep me strong in my faith and service, that I may abide always in Thee with Praise, Honor, and Glory be given Thee forever and ever.

Especially if you are actively working for Satan.

Subject: Surge Of Untraceable Alleged Anti-Semitic Hate Crimes In The Media

Surge Of Untraceable Alleged Anti-Semitic Hate Crimes In The Media

Laird M Wilcox a researcher and author put out a book:Crying wolf: Hate crimes hoaxes in America

In which listed numerous examples of fake hate crimes done by Jews, for their own agenda. Here are some cases from the book:

Chicago-area case of anti-Semitic vandalism in a West Rogers Park townhouse was originally thought by police to be a hate crime. On 5 February 1994, however, police had arrested Shazz Steele, 17, and his 14-year-old girlfriend. The two were charged with the vandalism and with burglarizing the same house. Belmont area Police Sgt. Rick Batrich said that the youth, who apparently knew the owner of the townhouse and that the two painted the graffiti to link the burglary with the other unsolved anti-Semitic incidents in the area. "They did this to throw some attention off themselves," he said.

It was one of the worst anti-Semitic cemetery desecrations in recent memory. Los Angeles County sheriff's investigators initially believed that the June 1991 incident at Home of Peace Cemetery in East Los Angeles, one of the oldest Jewish cemeteries in the area, may have been a hate crime. According to news reports, "More than 24 tombstones were knocked over and Nazi swastikas, Ku Klux Klan 'KKKs' and devil worship slogans were painted on some walls and tombs." Within days the case was solved. The owner of C.D.T.A. Security, Roger Ricardo Sapien, 27, of Rosemead, wanted to obtain the security contract on the Jewish cemetery. According to authorities, Sapien, with the aid of two confederates, apparently committed the vandalism in order to discredit the firm currently providing security there.

Information on the case took detectives to Sapien's home, where they found the guard dogs recently stolen from the cemetery. The three were booked for investigation of vandalism of a religious cemetery, a felony, and Sapien was charged with theft of the dogs.

In February 1994, the ADL was involved in a major hoax controversy when Donald Mintz, a member of the ADL's National Commission and candidate for Mayor of New Orleans, was accused of creating and distributing openly racist and anti-Semitic fliers in order to create sympathy for his candidacy and raise funds for the election. The New York Times reported that

"A main Mintz advisor has been charged with a misdemeanor count accusing him of trying to distribute some of the fliers..."

An investigation by the (New Orleans) Human Relations Commission issued a preliminary report concluding that at least two of the fliers 'originated in the Mintz campaign.'

In July 1985 the Jewish Community Center in Milwaukee had been defaced with nine red, spraypainted swastikas. A year before that, in June 1984, the Congregation Beth El Ner Tamid in nearby Mequon was defaced with several red, spraypainted swastikas.

The incident was followed by anonymous telephone calls in the area, one of which said that, "...the defense league is at war with the Jewish community." On 19 December 1985, Cody's apartment was allegedly vandalized. The walls were covered with anti-Semitic symbols, again in red spray paint, including a large swastika and the letters "PDL." Police could find no forced entry. Rabbi Silberg said, "The victim has been re-victimized." An investigation has turned up no such as organization as the "Palestine Defense League" or "P.D.L."

On 15 May 1986 Cody was charged with two counts of obstructing an officer in connection with reports he had made to police about receiving threatening telephone calls, which police had determined were not true. A tracer installed by the phone company had shown that at least two of the calls were placed from Cody's private line.

Later that same day, possibly fearing discovery and disgrace, Buzz Cody tragically committed suicide. Police Captain Ronald Mehl, referring to the alleged December 1985 attack on Cody said, "There has been no shred of evidence to support the allegation." No further "PDL" incidents followed Cody's death.

The Jewish Community Relations Council offered a \$5,000 reward as well. The windows were broken in the predominantly Orthodox Jewish areas of Boro Park and Flatbush in Brooklyn. Two weeks later, windows in another seven stores were broken in the enclave of 100,000 orthodox Jews and 300 synagogues.

Newspapers around the nation reacted with shock and outrage and compared the incident to Kristallnacht, when Nazis terrorized Jews in pre-World War II Germany, even though no swastikas or anti-Semitic graffiti were found on the buildings. Pressure from the Jewish Community brought increased police patrols and calls for greater vigilance against anti-Semitism, although no anti-Semitism had been proven. Nine of the twelve detectives in the police department's "bias" unit had been assigned to the case. Within two weeks Mordechai Levy, leader of the Jewish Defense Organization, a militant Zionist group with a reputation for terrorism, announced that his followers were organizing night patrols.

However, on December 9, the mystery was solved. According to press reports: "A 38-year-old Jewish man with a history of psychological problems was arrested in connection with the smashing of windows of Jewish-owned shops in the Borough Park and Flatbush sections of Brooklyn."

Police had arrested Gary Dworkin, who lived nearby -- on 43rd St in, Brooklyn. He was subsequently charged with 13 counts of criminal mischief, some of which were felonies, including one count of discrimination. Media accounts emphasized his "emotional instability," implying that that was the reason for his behavior. Brooklyn District Attorney Elizabeth Holtzman issued statement that his vandalism was directed at Israelis and Hasidic Jews.

In August 1983, a series of fires in West Hartford, Connecticut, terrorized the Jewish community and evoked media comparisons with the "Night Of Broken Glass" when Nazis terrorized Jews in pre-World War II Germany. Fires were set at Young Israel Synagogue, the Emmanuel Synagogue, and the home of Rabbi Solomon Krupka. In September, the home of Connecticut State Representative Joan Kemler, who is Jewish, was set on fire. Kemler had spoken out against the unknown perpetrator of the three previous fires.

Police involvement in the matter was intense. Nationwide media attention focused on the incident, which had launched several legislative proposals to curb "bigotry and violence." police Chief Francis Reynolds doubled patrols in the predominantly Jewish section of town. West Hartford Mayor Charles R. Matties announced a \$50,000 reward. Indeed, police staked out 15 entire square blocks of West Hartford, hoping to charge someone with arson. An article by Barbara Sullivan in the Chicago Tribune was typical of the coverage. She quoted an "elderly, white-haired woman" who sobbed, "I had relatives in the Holocaust; I never thought I'd see this happen again." Scott Feigelstein of the Connecticut Regional Office of the Anti-Defamation League is quoted as saying "We have to be realistic because of our history, we have to stake utmost caution...Perhaps good has come out of all this, because it's drawn people together, but how sad it's come from something too horrible."

The Jewish Defense League announced they would have armed patrols operating in West Hartford. The Hartford Courant published an apology for their "insensitive" coverage of this and another incident, in which an anti-Semitic note was found on the doorstep of a West Hartford home. The paper editorial "The Courant, for its part, must continue to walk that delicate line between informing the public and not playing into the arsonist's hand...The paper must be careful not to inflame an already touchy situation."

An early suspect in the case was Barry Dov Schuss, a 17-year old Jewish student. An FBI psychological profile of the arsonist clearly pointed to Schuss, as did several other indicators.

Finally, on December 14th, newspapers reported that Schuss had confessed to all four arsons. In fact, Schuss had confessed to his rabbi, Solomon Krupka, several days before his family or the police were notified. Krupka claimed that the relationship between a clergyman and a congregant is privileged. "Krupka disavowed any responsibility for not notifying the police, which would have saved taxpayers thousands of dollars and calmed tense nerves."

In New York City, residents of Co-Op City, a massive housing cooperative in the Bronx, found anti-Semitic graffiti and swastikas daubed on 51 apartment doors and walls in March 1984. The incident received wide publicity, including comparisons with Nazi Germany. A \$3,500 reward was offered for the perpetrators. Later, two Jewish teenagers tried to collect the reward by turning in someone else and were arrested. The two youths, aged 14 and 15, were charged as juveniles with conspiracy, criminal mischief and falsely reporting a police incident. They are also suspected of other racist and anti-Semitic incidents dating back over a several month period, all of which had been attributed to "racists." As usual, the crimes received far more attention than the revelations of fraud.

On July 15, 1987, a Rockville, Maryland Jewish woman and her Roman Catholic husband awoke at 4:45 AM to find a fire in the shape of a swastika burning on their lawn. Neo-Nazis, skinheads and Ku Klux Klansmen were widely speculated as the perpetrators responsible for the outrage.

Elyse Rothschild of the Montgomery County Human Rights Commission spoke of the fire as an "act of terror" and said that

"...there has to be an outcry from everybody in the country that we will not tolerate that type of behavior; it is totally not acceptable."

Lt. Carvel Harding, the Montgomery County fire marshal, reported that the perpetrator came forward and confessed at the urging of his father. Gary L. Stein, a 19-year-old Jewish man, confessed to the crime and implicated a long-time friend, John F. Finnegan, as the actual perpetrator. According to Harding, Stein claimed that "his buddy did it."

The book goes on and on like that for over a hundred pages.

Donald Trump who knows the Jews all too well from having to build a business surrounded by them. Has also called foul on these numerous incidents of vandalized Jewish cemeteries and over sixty bomb threats. That somehow the culprit or culprit's involved just can't be found for some reason. But as noted there is a long history of Jews themselves doing such stunts for attention and petty agenda's. No doubt all of this riding on the time that Trump is taking normal Pro-White People off the Terrorist watch list. Oy...Veh!

Trump suggests anti-Semitic acts are 'false-flag' attacks

<https://www.nytimes.com/2017/02/28/us/p... .html? r=0>

President Trump suggested on Tuesday that the recent spate of anti-Semitic bomb threats and cemetery vandalism could be politically coordinated attacks to "make people look bad" — an apparent suggestion that his opponents could be behind them.

Speaking at the White House to attorneys general from around the country, Mr. Trump was asked by Josh Shapiro, the attorney general of Pennsylvania, about the wave of attacks and how the federal government could work with state governments to confront the violence.

"First, he said the acts were reprehensible," Mr. Shapiro, a Democrat who was elected to the post in November, said while recounting Mr. Trump's response. "Second he said: 'And you've got to be careful, it could be the reverse. This could be the reverse, trying to make people look bad.' "

The comments echoed the Twitter post of an adviser, Anthony Scaramucci, who suggested that Democrats were behind threats to Jewish community centers.

The Anti-Defamation League, which combats anti-Semitism, said it was "astonished" by Mr. Trump's sentiments and called on him to clarify his remarks.

Mr. Shapiro, speaking on the sidelines of the attorneys general conference, said that he was not entirely sure of what to make of Mr. Trump's comments.

"I was a little surprised by it, and others were, too, Republicans and Democrats," Mr. Shapiro said. "The question I asked was a genuine one and one of great concern to people in my state."

Why Spiritual Satanism is the Best Religion in the World : JoyofSatan666

Spiritual Satanism is the True Religion.

No matter from where you see this matter, you can see it easily, especially if you look.

Spiritual Satanism tells the Truth on the afterlife, no bullshit added. There is no need for lying, as by definition becoming a Satanist implies one has already broken their 'comfort zone' by a long shot. We say the Truth on Karma, and how it plays out, same as endless others spiritual concepts. Satanism

doesn't need to fool anyone into believing this or that, and people can see what is the case and isn't, by trying on their own. People who do the meditations see most of these things for themselves. We don't tell anyone what to 'see' in that sense. We just teach people to see, by practices that anyway are inconceivably Ancient and accepted to work by all pre-christian and pre-muslim civilizations. Truth in Satanism is a self-seeking, and also group-seeking inquiry.

We don't even need a 'bible' or something, because well, Spiritual Satanism is rooted in nature. Satanism as the enemy admits, is everywhere 'around' us. Be it in the physical and obvious level, or the higher and unmanifested levels (which we call the astral), Satanism is everywhere. From a beating heart, to the first breath of an infant, all the "Spiritual Satanic" values are there.

Let's assume for a moment that someone is a purely physical person that doesn't care for spirituality. Even them, they benefit from Spiritual Satanism, because we teach a sane morality. You don't do reckless evil, you become a civilizer, and keep your sights on becoming better. These are the people that Satan and the Gods like. Go after freedom, and fight those who seek to enslave you, but at the same time, don't be a stupid revolutionary as if revolution is your day to day job. Use judgement, common sense, logic.

Of all the religions in the world, Spiritual Satanism tells people, aside from any 'fancy' reason or any 'boogiemer' to people to finally use common sense. Therefore we have nothing to divide with science at all. We cherish on the betterment of our existence and life on it, except of two small minor things: the ridiculing of the spiritual notion of man (except of jewish crap about its non-existence when their race practices spirituality en masse).

In Spiritual Satanism, you don't live for any afterlife, even if you know about it. You don't wait to die, seeking a better tomorrow. You strive to advance today. You really start understanding the universal understanding that some people named 'god', as a stupid idea to confuse people that they were destined to be cattle, same as some laws such as 'karma', and what's behind them. Therefore you are free, and you are master of your own behavior. Spiritual Satanism is both materialism, and idealism. Most religions are pretending one or the other, while as everyone can see, materialism always reigns. Spiritual Satanism doesn't need to pretend anything as simply both natures are accepted, and materialism is not excluded from Spirituality. On our behalf, everything is balanced and nice.

Spiritual Satanism also teaches order, but the necessity to revolt against slavers such as the enemy, who seek to destroy humanity for no absolute reason whatsoever. Satanism is a merciful religion to every person seeking to advance, and is against misplaced mercy and fake tolerance that helps nobody. In Satanism, everyone must advance and wage their battle.

If Satanism was to rule the world one day, it would be just the Truth dismantling the lies. Spiritual Satanists seek the highest idealism for the future of their Race and humanity, but we are also practical and realistic about what is going in existence today.

In Spiritual Satanism, no person is left behind, unless they by their own admission leave themselves behind and corrupt themselves in a loop of eternal self-destruction. We carry people out of fire, but we don't take bullets for them. We don't have any slave mentality. For order to exist, there is no need for slave mentality, as simply logic and looking at things really, creates an order.

Spiritual Satanism is also a peaceful religion. However if we are threatened and attacked, we will become spiritually brutal, and we will pay our enemies with the same currency. We don't seek the destruction of any Gentile, no matter their beliefs, unless of course they are seeking ours. We see at people who are xians and other misguided people who have been brainwashed as rather sick, unless they attack us outright.

We know Races to exist, because well, they do. We like to see reality as it is. Being a Satanist, one always has the occult and mental powers, and the support needed to go on. No matter how low

someone has sunk, there is always a choice and some adherence away to become a better being. We know there are ways to eternal life, but we also see that its in our life here that we must fight. Our views of eternal life don't make us life hating, they make us life-loving. We realize life as the greatest gift and we seek to protect and raise it to higher levels of existence.

Our so called "Anti-Semitism" is not situational, and we didn't wake up one day and decided to become anti-semitic to uselessly rebel. We know of the hidden 'agenda' that is no longer hidden anymore, because its carriers don't even hide it anymore. Its a defense against specific groups who have tried to destroy people who, like us, under the massive label of "Satanism" have tried to advance civilization. Since their attacks have been unceasing and repeated we are left with no other choice, and history has now been written anyway, many times in blood of many innocent Gentiles. Due to all of our values and devotion for life, we have had to do something. In Spiritual Satanism, we have morals, but not slave morals which promote injustice, misery and pain. We have thousands of years of evidence, anyway.

In Spiritual Satanism we take natural determinism seriously, but we also take our views seriously, which tell us that everyone should be able to prove themselves, and have the means to advance and become better. We don't judge solely by any birth, and every spiritual Satanist has all the means at their disposal to go anywhere they want and can, with their existence. For the impossible, we devise possibilities. We believe that Humanity is made to be something higher, which as we call it today, we call it "Gods".

We Satanists do respect nature, the laws presented to us by nature, and we believe all advancement should be done in harmony with Nature and not otherwise. We believe Humanity has only as much potential as it decides it has, and puts itself to achieve.

Lastly, in Spiritual Satanism, we don't teach people stupid values like 'anarchy' or being constantly in consistent and fruitless ego wars with other people. We know such values do not promote wellbeing, or civilization, but we are ready to defy values that may be damning to civilization. We teach people to fight if necessary, we would throw ourselves to fire for freedom and for individuality, but a Spiritual Satanist knows how to create a phlanx with his brothers and sisters when the time requires. We value brotherhood, with order, and sometimes a family character to it. But never to the expense of ego.

And why all of this. Because we have met Him who is called Satan.

"God" is not our slave, our fanboy, or something that we use as a car to get us where we want. Our "God" is our God, and so many more things than God, because today this word is empty and means a lot of abrahamic nonsense. Why do we respect Satan? Simply: because He is magnificent, He is known to us, He is the Eternal, and the Eternal can manifest itself. Because there is no reason why 'not'. We consider Humanity worthy. "God" or any being of 'innumerable' capability should, and is able to do this as well, to relate to people in development.

We don't teach "God" is hate, or "love". Our Gods are real beings, and like us, only infinite times more advanced, have ways which we have to understand. Our Gods are not hiding to those who have eyes to see and ears to listen.

Satan doesn't claim the position of 'God', let alone any jewish 'god'. They on the other hand, claimed HIS position, with destructive aftermath for them. Satan has had His eternal throne in all Ancient Civilizations. Satan's position is, has been, and will forever be higher and inconceivable compared to 'God'. Satan also, is the only one who leads to the 'universal consciousness' that many people call "God", but in the East is called Atman: The state of supreme consciousness of creation or simply 'god', called Samadhi, and reached by Satan's Divine Name, SA-TA-NA-MA.

We are blessed to understand that the universe on its own does not 'hate' anyone, let alone favor anyone, all of which we know to be abrahamic lies. The universe is Nature, and nature rewards or damns, depending on our choices. Some people to mystify this term, they call it 'karma', or even worse

in the jewish conspiracy, they pretend this universe is a jew that hates all non-jews. So much of their disturbing lies.

As we understand Him, we call Him God, but He is so much more. He is revealed to anyone, but also the ultimate, greatest, most beautiful and the most magnificent Mystery in Creation. There are no words to describe Him, but we try. Spiritual Satanism is the Eternal Way from which we follow into the Absolute.

Spiritual Satanism is the Now, the Past, and the Forever.

Spiritual Satanism is the gateway to the Eternal Truth of the Cosmos, our Father Satan Lucifer, the God of Light, Splendor and everlasting Strength.

Spiritual Satanism is Truth, Meaning, Life, and Perfection. All this is Satan, and infinitely more.

We are approaching Him and understanding Him, that which many like to call "God", but we know how to call as Satan, whose name is Eternal Truth. To us He is real, existing, and visible to those who want to see Him. We also make sure to display what is best of our God, and people who use the Gods in the same way as the enemy dogmas do, we abolish their rights them and we drive them away. This is because, unlike xians, we know our Gods are real, are Gods are existing, and lastly, our Gods do deliver justice...

We worship Truth, approached and grasped closely by spirituality, which in anyway, enlivens and makes beings better, stronger, but also more peaceful, because it makes humans raise in consciousness and become more intelligent.

**Why Spiritual Satanism is the Best Religion in
the World : JoyofSatan666**

Spiritual Satanism is the True Religion.

No matter from where you see this matter, you can see it easily, especially if you look.

Spiritual Satanism tells the Truth on the afterlife, no bullshit added. There is no need for lying, as by

definition becoming a Satanist implies one has already broken their 'comfort zone' by a long shot. We say the Truth on Karma, and how it plays out, same as endless others spiritual concepts. Satanism doesn't need to fool anyone into believing this or that, and people can see what is the case and isn't, by trying on their own. [History Re-Written : JoyofSatan666](#)

History Re-Written : JoyofSatan666

Greetings to all our People and Satanic Comrades.

I notice a lot of people aren't aware that History can be re-written, or if they are, they never thought about to what EXTENT this can happen. In fact, they can imagine this, but they never understand how deep this can go. You can literally remove anyone and everything from history, especially if you are a globalist power like jews. Globalism = the death of all other opinions, differences, cultures and of course, knowledge and information. Globalism is something evil that only the enemy would want for the world.

This is important and people need to understand this. Imagine an alternative here.

You are who you are and everything, living your life. When you stop existing, or if the public were to 'reject' your existence, would you NOT exist? Let's say your ID and your name meant nothing one day. This is what the enemy does to people, only that they kill them too most of the time, and make them 'disappear' from society. This is the communist practice the enemy has followed to erase many people from existence, mostly after they were dead.

The other thing is that most people don't understand how DEEP this can go. In fact, history itself has been made to confront and fit in the 6000 torah lie as well. Making civilization seem far smaller than it is. You have to think outside of the (((Box))) in that case.

In a future that will come if we stop the spiritual warfare, one that the enemy will have total power, our memory may as well be erased. We will no longer exist in history, and nobody, unless they find a CD (and the means to use/decipher it), or some printed material, or anything else left by any of us, will ever, ever know. Does that mean we never existed?

In the above example, the 'rapid' advances of technology would have rendered CD's 'obsolete'. Nobody could read this. If they opened the CD because well, in a free society they could find some means anyway, they may not have been able to read it. If they read it, they may not have understood it well, or at all. The same thing happens with Spirituality, due to the exact fact the enemy has corrupted information deeply, same as the means of translation.

This is why the enemy on one hand owns all the physical publishing, and this gives almost total control. Everything can be re-written. But see now how in the digital age, everything can be re-written without any evidence, and claimed to be 'true'. For example take jewbook, twitter and anything else. When the enemy has full control, they do these things. They don't do these now, as it will result in their death. When 'paper' and 'ink' will be obsolete, they will do this.

Notice the Egyptians, didn't largely use oil, ink or paper. They used sturdy papyrus, and giant, immovable rocks to record history. Somehow the enemy calls them prelithic, but were they? We can still know what happened in their history, after thousands of years. Will people 10 or 20 thousands of years after, know of us, as we know of these great civilizations now? The Gods also have advanced technology that stores information in Crystals and other materials, that cannot be destroyed, or diamonds. Therefore the Truth remains intact.

Memory erasing is very common in enemy diktat "civilizations". This is common in the USSR and in other states where nobody checks what is going on, because they may end up in the gulag. The same has been done to National Socialists in history, painting them as more xian than they are, then you have a thing called 'conflicting evidence'. Conflicting evidence results as a result of someone, lying.

For example, some people see Hitler as a hyper-xian, even-though it doesn't agree with any of his actions, his visions, or his undertaking, or anything at all. But well it was 'said' he was, and written in a few books. People assume, they do not know. Most of the time not even evidence is needed.

I mean, the enemy says things about us here, on a daily basis, that doesn't make any sense or agree to us in the slightest. This will improve. This is the mentality of the media. Presented things over evidence. People are living in a lie. Unless you think Photoshop is real life. And who owns all this lie-creating machine? The enemy.

Therefore people should understand what happened with Xianity. Xianity destroyed all information and knowledge on past civilization. Until the 1700's, evidence and knowledge of the past was scarce. Normal people didn't know one thing. The only way to know is through the enemy lenses, alliance with the enemy on a higher level (And knowledge was only given so it would be corrupted) and zero to no other ways. People in the bottom of society, were lucky if they knew how to write their own name.

Notice for example how every history book written today, 'paints' things. Hitler this, Hitler that. Hannibal the very bad guy. This or the other thing. Jewish 'acceptance' has platted everything. If its accepted, its promoted. Does it kiss jewish ass? True. Does it not? False. From the Ancient Greek Manuscripts, its estimated and its known that around less than 5% have survived, and also, all these that 'survived' were basically confronted to the demands of the church. That's why they were allowed to exist.

The other thing the enemy does is when something is too big to destroy, they just bastardize its notion. You see in the bible for example, only the strongest Demons and deities are recognized, the leader of which is Satan. Now, the enemy could allow these to skip into memorial destruction. Other Gods have went almost in memorial destruction. Whats even better for the jews to do, is NOT let them skip into memorial destruction.

Its to taint their memory and direct the hatred of their own children to them. Do you see how it goes? From the position and power of Satan in the bible and the enemy manuscripts we can easily figure out, that even if people cannot find 'direct' evidence in the west (There is still extremely much if one does digging such as we did), Satan was probably worshiped everywhere on the planet or something. In India much of it has survived intact, because the Hindus did guard their culture.

People talk anything they have HEARD about Satan. If they one night prayed to him, and if their mind wasn't so strongly afraid and programmed, just allowing themselves to SEE, maybe what they saw would be drastically different. This is what WE have done. We just used our brain to think. I myself was very reluctant when I went to meet Satan in my first steps as a Satanist. Even-though of tens of years of

drumming the false knowledge, however, the so called 'instinct' is more powerful and knows better. Obviously this doesn't overrule evidence, as many would like to think. Because if so then the instinct of the jews to kill everyone of you here is 'legit' and 'accepted'.

I am a Satanist because of knowledge and of instinct, and without instinct, I would never be. Without knowledge I may definitely have been again. Now, the gut instinct, or other higher types of instinct, have to deal with Soul memory, and the Serpent (on the high levels) or advanced reasoning in the lower spheres.

From Philo the jew who burned the library of Alexandria, to Zuckerberg that wants to turn all knowledge into 'digital', you can see the jews follow the same racial pattern. That of destroying evidence and leaving it to be easily malleable and changeable so in the future they can lie to people. Then we have what jews are doing into philosophy and science. They always cry that there is no "Truth" and that everything is "Relative", unless one of course questions the imagined jewish 'holocaust'. Then its TRUTH Goyim. Do you question it? You need to go to jail Goyim!

Imagine if you were an alien invader and you saw beings like humans here. Of course, you would be going after their culture, understanding, and things they have known as facts, especially if these beings get safety, power and protection from such.

After all, whom do they affirm they hate? Satan, in the anglicized version of the term. Satyan in Sanskrit means eternal Truth. Sat in most languages means light, positive, eternal, respected, and all sorts of other things. By all means that's what they hate.

In the future if Humanity advances enough and all individuals raise spiritually (the Devil, Satan's Serpent), the Truth then becomes known, and lying ceases from civilization. This is not only based on instinct, but grounded evidence. Evidence exists in general, and its a most important thing.

This is why until that time I go over and over again on how people need to print, plant some things, and other stuff. I don't say all these to everyone to tire you, or to make you waste a CD that costs 0.20\$. Its just that this CD or USB drive may be discovered in generations to come, and save people, as we have been saved today, by others who chose be thrown into the fire, than succumb, and chose sacrifice, over their head.

Another reason why the enemy abolishes property is that they can storm every place so nothing can be 'hidden' nowhere. Forests and many other places make for excellent hiding places, for anything one wants to hide, same as mountains etc.

Our heads are worth nothing if nobody knows about it and cannot make use of our sacrifice, knowledge, warm or even victories, all of which we are doing today.

Respect civilization and seek to uphold it. Those who act like animals, beat them in line with the Spiritual means. We are sitting on a mine of gold that billions never had, so use your existence and time well.

[Why Spiritual Satanism is the Best Religion in the World : JoyofSatan666](#)

**Why Spiritual Satanism is the Best Religion in
the World : JoyofSatan666**

Spiritual Satanism is the True Religion.

No matter from where you see this matter, you can see it easily, especially if you look.

Spiritual Satanism tells the Truth on the afterlife, no bullshit added. There is no need for lying, as by definition becoming a Satanist implies one has already broken their 'comfort zone' by a long shot. We say the Truth on Karma, and how it plays out, same as endless others spiritual concepts. Satanism doesn't need to fool anyone into believing this or that, and people can see what is the case and isn't, by trying on their own. People who do the meditations see most of these things for themselves. We don't tell anyone what to 'see' in that sense. We just teach people to see, by practices that anyway are inconceivably Ancient and accepted to work by all pre-christian and pre-muslim civilizations. Truth in Satanism is a self-seeking, and also group-seeking inquiry.

We don't even need a 'bible' or something, because well, Spiritual Satanism is rooted in nature. Satanism as the enemy admits, is everywhere 'around' us. Be it in the physical and obvious level, or the higher and unmanifested levels (which we call the astral), Satanism is everywhere. From a beating heart, to the first breath of an infant, all the "Spiritual Satanic" values are there.

Let's assume for a moment that someone is a purely physical person that doesn't care for spirituality. Even them, they benefit from Spiritual Satanism, because we teach a sane morality. You don't do reckless evil, you become a civilizer, and keep your sights on becoming better. These are the people that Satan and the Gods like. Go after freedom, and fight those who seek to enslave you, but at the same time, don't be a stupid revolutionary as if revolution is your day to day job. Use judgement, common sense, logic.

Of all the religions in the world, Spiritual Satanism tells people, aside from any 'fancy' reason or any 'boogieman' to people to finally use common sense. Therefore we have nothing to divide with science at all. We cherish on the betterment of our existence and life on it, except of two small minor things: the ridiculing of the spiritual notion of man (except of jewish crap about its non-existence when their race

practices spirituality en masse).

In Spiritual Satanism, you don't live for any afterlife, even if you know about it. You don't wait to die, seeking a better tomorrow. You strive to advance today. You really start understanding the universal understanding that some people named 'god', as a stupid idea to confuse people that they were destined to be cattle, same as some laws such as 'karma', and what's behind them. Therefore you are free, and you are master of your own behavior. Spiritual Satanism is both materialism, and idealism. Most religions are pretending one or the other, while as everyone can see, materialism always reigns. Spiritual Satanism doesn't need to pretend anything as simply both natures are accepted, and materialism is not excluded from Spirituality. On our behalf, everything is balanced and nice.

Spiritual Satanism also teaches order, but the necessity to revolt against slavers such as the enemy, who seek to destroy humanity for no absolute reason whatsoever. Satanism is a merciful religion to every person seeking to advance, and is against misplaced mercy and fake tolerance that helps nobody. In Satanism, everyone must advance and wage their battle.

If Satanism was to rule the world one day, it would be just the Truth dismantling the lies. Spiritual Satanists seek the highest idealism for the future of their Race and humanity, but we are also practical and realistic about what is going in existence today.

In Spiritual Satanism, no person is left behind, unless they by their own admission leave themselves behind and corrupt themselves in a loop of eternal self-destruction. We carry people out of fire, but we don't take bullets for them. We don't have any slave mentality. For order to exist, there is no need for slave mentality, as simply logic and looking at things really, creates an order.

Spiritual Satanism is also a peaceful religion. However if we are threatened and attacked, we will become spiritually brutal, and we will pay our enemies with the same currency. We don't seek the destruction of any Gentile, no matter their beliefs, unless of course they are seeking ours. We see at people who are xians and other misguided people who have been brainwashed as rather sick, unless they attack us outright.

We know Races to exist, because well, they do. We like to see reality as it is. Being a Satanist, one always has the occult and mental powers, and the support needed to go on. No matter how low someone has sunk, there is always a choice and some adherence away to become a better being. We know there are ways to eternal life, but we also see that its in our life here that we must fight. Our views of eternal life don't make us life hating, they make us life-loving. We realize life as the greatest gift and we seek to protect and raise it to higher levels of existence.

Our so called "Anti-Semitism" is not situational, and we didn't wake up one day and decided to become anti-semitic to uselessly rebel. We know of the hidden 'agenda' that is no longer hidden anymore, because its carriers don't even hide it anymore. Its a defense against specific groups who have tried to destroy people who, like us, under the massive label of "Satanism" have tried to advance civilization. Since their attacks have been unceasing and repeated we are left with no other choice, and history has now been written anyway, many times in blood of many innocent Gentiles. Due to all of our values and devotion for life, we have had to do something. In Spiritual Satanism, we have morals, but not slave morals which promote injustice, misery and pain. We have thousands of years of evidence, anyway.

In Spiritual Satanism we take natural determinism seriously, but we also take our views seriously, which tell us that everyone should be able to prove themselves, and have the means to advance and become better. We don't judge solely by any birth, and every spiritual Satanist has all the means at their disposal to go anywhere they want and can, with their existence. For the impossible, we devise possibilities. We believe that Humanity is made to be something higher, which as we call it today, we call it "Gods".

We Satanists do respect nature, the laws presented to us by nature, and we believe all advancement

should be done in harmony with Nature and not otherwise. We believe Humanity has only as much potential as it decides it has, and puts itself to achieve.

Lastly, in Spiritual Satanism, we don't teach people stupid values like 'anarchy' or being constantly in consistent and fruitless ego wars with other people. We know such values do not promote wellbeing, or civilization, but we are ready to defy values that may be damning to civilization. We teach people to fight if necessary, we would throw ourselves to fire for freedom and for individuality, but a Spiritual Satanist knows how to create a phlanx with his brothers and sisters when the time requires. We value brotherhood, with order, and sometimes a family character to it. But never to the expense of ego.

And why all of this. Because we have met Him who is called Satan.

"God" is not our slave, our fanboy, or something that we use as a car to get us where we want. Our "God" is our God, and so many more things than God, because today this word is empty and means a lot of abrahamic nonsense. Why do we respect Satan? Simply: because He is magnificent, He is known to us, He is the Eternal, and the Eternal can manifest itself. Because there is no reason why 'not'. We consider Humanity worthy. "God" or any being of 'innumerable' capability should, and is able to do this as well, to relate to people in development.

We don't teach "God" is hate, or "love". Our Gods are real beings, and like us, only infinite times more advanced, have ways which we have to understand. Our Gods are not hiding to those who have eyes to see and ears to listen.

Satan doesn't claim the position of 'God', let alone any jewish 'god'. They on the other hand, claimed HIS position, with destructive aftermath for them. Satan has had His eternal throne in all Ancient Civilizations. Satan's position is, has been, and will forever be higher and inconceivable compared to 'God'. Satan also, is the only one who leads to the 'universal consciousness' that many people call "God", but in the East is called Atman: The state of supreme consciousness of creation or simply 'god', called Samadhi, and reached by Satan's Divine Name, SA-TA-NA-MA.

We are blessed to understand that the universe on its own does not 'hate' anyone, let alone favor anyone, all of which we know to be abrahamic lies. The universe is Nature, and nature rewards or damns, depending on our choices. Some people to mystify this term, they call it 'karma', or even worse in the jewish conspiracy, they pretend this universe is a jew that hates all non-jews. So much of their disturbing lies.

As we understand Him, we call Him God, but He is so much more. He is revealed to anyone, but also the ultimate, greatest, most beautiful and the most magnificent Mystery in Creation. There are no words to describe Him, but we try. Spiritual Satanism is the Eternal Way from which we follow into the Absolute.

Spiritual Satanism is the Now, the Past, and the Forever.

Spiritual Satanism is the gateway to the Eternal Truth of the Cosmos, our Father Satan Lucifer, the God of Light, Splendor and everlasting Strength.

Spiritual Satanism is Truth, Meaning, Life, and Perfection. All this is Satan, and infinitely more.

We are approaching Him and understanding Him, that which many like to call "God", but we know how to call as Satan, whose name is Eternal Truth. To us He is real, existing, and visible to those who want to see Him. We also make sure to display what is best of our God, and people who use the Gods in the same way as the enemy dogmas do, we abolish their rights them and we drive them away. This is because, unlike xians, we know our Gods are real, are Gods are existing, and lastly, our Gods do deliver justice...

We worship Truth, approached and grasped closely by spirituality, which in anyway, enlivens and makes beings better, stronger, but also more peaceful, because it makes humans raise in consciousness and become more intelligent.

Subject: Why "Normal" People are SO dumb			

Greetings to all our Satanic People and Comrades.

A sister in the groups made a comment about how she explains things to people, but they cannot take it. The things might be simple, such as the problem-reaction-solution formula the jews are doing to remain in power. All those of you who read my posts, this is why they are so long. I thoroughly explain things to everyone, because I care about everyone.

In our lives we encounter a lot of people. A lot of people are naturally 'intelligent' but there are many types of intelligence. One example is these people who are university decorated, but cannot figure out for example that their own mother is depressed or something. Other people are very emotionally intelligent, but they cannot get it out. Others are so called 'average intelligence' people, that you would be surprised how many things they understand.

In life, the simpler the people, the more things people actually understand. This is because as their thinking is more simple, they can see things simply and they believe their own eyes. Of course this is not idea everytime, but on some matters, its heaven-sent and exactly what is necessary for the moment. A person who sees a woman that is raped and is a farmer, will far more easily do the right thing and try to help or call the police. A high-strung super 'intelligent' cuck, may run or something. A farmer understands easily about the mudslime crisis and the pisslamic terrorists, but other more 'studied' people will always fail to get it, unless of course, they are intelligent in more things than in academia.

I have also noticed that people who consider themselves 'intelligent', also do lie a lot. They are afraid basically to say the truth and they constantly run in circles to bend everything. This is largely what 'clever' people are supposed to do, and this is a jewish teaching. Eventually, they are found out for frauds, and they are rimmed and get what they deserve by others. Obviously, use common sense: what I say here does not apply when communicating with zombies and many others. Its just a general discussion. This is because many such people are weak, and the list goes on. No matter how 'intellectual' one is, a bully can punch them in the face, and that's all.

Take another example. If you try to 'explain' to a cucked feminist, however many 'degrees' they have, they will never understand fairly simple things that you do explain. This is because they are not really 'educated' in this sense, they just did spent more years reading heavenly theories and other things that are inapplicable with reality, generated mainly by jews exactly of that: to suck and be unreal. Education is necessary, but keep AWARE and don't let jews school you. The jews pass poison through education. You need to rule this out and not accept passively.

For a similar issue. You go to some village in Africa and you ask a person there who hardly knows to read, why for example Pisslamics are coming in Europe or other things. You will get straight, real replies. Money, rape, spreading Islamism and the list goes. Who would be more genius in this case. The brother in Africa or the cucked feminist?

The soap bubbles in the West are conditioned to not think in these terms, as this is 'evil', but unfortunately, most of the world does actually think in these terms. If people don't have this ability, or

reject to even KNOW that such animalistic thinking exist, they will be victims of this. Their intelligence is in fact, a hindrance. They cannot see the world as it really is, or as others do in reality see it. This is a high disadvantage for "survival" in situations like this we are going through.

Spiritual Satanism is a club for elite people and souls with higher morale and higher understanding. Unlike cattle herd people, we actually crave to expose ourselves to that which is higher and better. We don't feel bad for it, and for those in the lower levels that may feel hate, we trans-mutate it to go forward in our own self. Satanism at this point is not for everyone because most people are actually too weak to handle the downward spiral of self esteem, an uncontrollable mind, etc, the enemy has imposed.

We understand nature. Nothing needs to be equal. What I mean from this post, is that if people were meditating and advancing, their intelligence would grow a lot, to the point most people would have healthy and sane reasoning in the very least. Basically, look at yourself and how much you have grown, and you will understand how much it can go. For those who don't become more clever, they would at least be and feel better - less crime, less psychological problems, less death and anguish. The universe wants to give pleasure to everyone for free. Its just people don't take this, thanks to jews.

You don't need to be a rocket science expert, just get it. Everyone shrinks compared to a God for example, in everything there is for us to 'compare' ourselves with them. Those who think themselves as their 'equals', just have no idea of what of beings we are talking about, and they need to look deeper.

Infrequently we see attention whoring and other people who are empty, and need a feeling by the time and attention of the Satanic community. It comes in many forms. These people have nothing to offer, and they think they are too important. Little do they see that they suffer from an energetic inflation: as someone who pathologically destroys their self esteem no matter if they are a great person or not, these people pathologically fill it up even if they are a whack person in reality. They suffer from the same disease, but it manifests differently. One is too slim, the other one is MacDonalds obese. That's all.

When you go outside and you see people fucked up in the head, just know, its just spiritual degradation. You can see this here in the group. We have people from all Races, cultures, backgrounds, but we can still conversate and everyone eventually gets one another. Everyone advances. Everyone is on the bright side if they just put themselves to it. We are a family of multitudes.

No xian or anyone else can state the same, in the least. These people while they have 'renounced' the values of the vultures, are the real faithless vultures they have 'renounced'. We are the 'beasts' with the 'bad morality' but we behave nothing closely like it. Guess what. Because we just follow nature dictate so nature rewards by healing us. These fools go against nature and nature curses them.

It may seem like a miracle to others how we can maintain a community with the ideas that we do, and the goals that we do, but well, it is miraculous, but the thing is, WHY? Because everyone of us maintains the SATYAN- Eternal True path, to enlightenment.

This opens up the mind. It makes one expand their horizons and be really able to ingrain things into their mind. One also learns the value of change, and stop associating themselves like a kid that has a complex that all the mistakes of the world are their own. People start to face reality in how they are insidie, and this produces pleasure after the initial shock of a neglected self. Then the pleasure is immense and power starts to grow bigger everyday. So long everyone advances, everyone is happy, this is what many people don't know.

Now lastly, the jews are intelligent, YES, but many people forget WHY they are intelligent. Many of you go around the street, and because you are spiritually awake, you will notice strange things such as jews looking at you, being afraid of you, sneering at you, whatever. You wake to another world. In fact, most jews are aware to this level themselves. They are walking this world around as awakened towards the asleep.

They are in fact worried to see YOU there, on 'THEIR' level. "What do we have here, a Goyim that is

awakening?". Do not worry guys, this is not terminator, and 99% percent of jews don't understand 'what you are specifically, so DO NOT grow paranoid. All they feel is a natural instinct to coerce you, or run away from you, without knowing the details. However, unlike Gentiles, they are NOT oblivious on an instinctive level.

The Rabbis are doing racial magick to keep the jews awake on a racial level, and controlled by the Torah unconsciously. It doesn't matter what the average jew does, the Rabbis have the controller. They can play whatever, that they are opposed to them, xians, or even interested to be "Satanists" or some other joke. The reality is on the blood. Something which the enemy knows.

These jews are on a higher level than others, and they from this level cast down to the lower levels fog, mist, and dust in the eyes of people. This is why you can see after a point of advancement, that most things mean to confuse, coerce, make-believe and do other shit to people, are made by a jew, or a jew is always an associate. This is not you a jew being an antisemite, this is you becoming aware.

The jews are an alien soul.

When people get this, that these beings are aliens acting as overlords here, and that they do not belong to the earth naturally, they will figure out why they do all this. In fact even someone simply reading the Torah will just understand their mentality, as they were dumb enough to keep it in paper.

Satan is only fought against by the jews because he is the Truth and teacher of Meditation. So long people get stuck in the 3rd dimension, those like jews who hover just a bit above, can always lie to them and deceive them. Satan abolishes this ability from these beings to lie to everyone.

They have numerous prayers they channel to their people every day. Jews are a cursed race, they are not gifted. Most races in humanity have decent health for example. Jews don't. But they have the stolen culture and they use it for themselves. This is why they find these 'chances', always make 'profits' and other things. Of course, we have Gentiles that are PROGRAMMED to be stupid and victims. This plus magick, makes a dangerous combination. However, there is nothing 'unable' to be defeated behind this.

The jews do some daily prayers like the Shema prayer, and other prayers, who just have an effect of a normal meditation session. The jews don't really meditate, they just channel the siphoned energy by xianity and Pisslam. So long they lose followers, their power will decrease. They are dependent on blood intake. In fact, everyone with spiritual knowledge can become aware, except of flat out, clinical retards.

The spiritual damnation and darkness, manifests in ignorance in the physical and in all other realms, a desire to waste one's life and one's existence, and a lack of understanding, compassion, and also fighting spirit all together.

Lastly, this is just for general knowledge. This is not to make you think that a race mixing, leftist scumbag, drug user, will magickally be saved at some point, and you need to play the savior. Many people are beyond any 'saving' and also, you need to save yourself and keep yourselves safe as Satanists above all. Secrecy is the most important thing in the world we are living in. Our RTR's will bring the world into a different footing, where in the light of the Age of Aquarius, we will have far better of a scene to project our message.

Subject: Re: "Sacrifice"			

So, how do we REALLY know? The Jews control 96% of the media. This is a proven fact. Being the prolific liars they are, and the ugly fact that they've rewritten history, (they put truths within a book, then embed lies). Psychologically, this works both subliminally and consciously, as the student reads truths and then believes the lies as the truths break down any resistance in the mind...skepticism.

The Jew also explains certain things, especially in regards to advancing their agenda, in a certain way to encourage tolerance for whatever they intend to promote, like communism. They push tolerance... Suicidal tolerance, but certain things like racial awareness, and such, they start screaming "HATE" and that's where their liberalism and tolerance goes right out the window. Revealed for what these tactics truly are...mind manipulation, programming, and indoctrination.

Jews take over the governments, the legal systems, all education, the media, the medical and many more vitally important areas in the countries they infest.
BUT, what key area is even MORE IMPORTANT?? RELIGION.

They have taken control of the religion, the occult, the spiritual to an extreme over the past 2,000 years. Their "Year Zero." They've hijacked everything. Think they don't LIE?

The spiritual precedes the material, and they know this. Their kabbalah reveals how they do this.

Everything their so-called "God" is and does in the bible, they blame on Satan. This acts both to confuse and to distract. Satan never murdered anyone. Nor did he ever order any humans to murder anyone. Nor did he ever lie. He never denied anyone any knowledge, nor did he ever torment humanity.

Like the Jew written text books and such, people are deluded into assuming major newspapers, news outlets and related, just because they are high profile and have been around for decades, that they are trustworthy. All of these are owned and controlled by Jews.

So... Go figure on the human blood sacrifice crap. IMO, this is just more lies.

Their fucking Torah (which is the first five books of the Old Testament), has entire books devoted to instructions on how to butcher, torture, where to put the blood and other ugly details, like in Deuteronomy and Leviticus... How to carry out living blood sacrifices.

Today at 6:39 AM

Hello everyone. This is my response to a video on youtube documenting the ancient temples of Astaroth on Malta Island, where they claim human blood sacrifices was made for our Beloved Astaroth. Also, these civilisations (like others around the world) at one point in history suddenly "disappeared without a trace";

"They ask how can a civilisation just up and vanish... but they come across, how many skeletons did you say? They claim them to have been ritualistic sacrifices? I highly doubt they were! To me it looks as if they were massacred.... The diety you showed is the Goddess of fertility known by many names like Astaroth for one. We celebrate Easter in Her name. Why would a Goddess that represents birth/fertility/love demand death through sacrifice? This is just another example of how they demonised our Gods. Paganism predates christianity by thousands of years as evidently shown in this video.

This is where they stole the 'virgin mary' from. They murder people and stack the bodies in a underground room then pesto! You have another 'blood thirsty', 'evil pagan' ritual site. Spiritual Satanism is restoration of our original religions, look it up. Paganism never revolved around death, death in Paganism is allegorical in which the individual is reborn and awakened by the Serpentine Energy known as the Kundalini. The Serpent talked about in this video is that very same energy which is attained through spiritual dedication, this is the real sacrifice. You sacrifice your time not your life. The Gods aren't interested in that.

The only one as far as I know that demand living blood sacrifice is the one (god) of the bible and the quran... and that can be proven because it's on black and white in their own 'holy' books."

So if they claim "ritual sacrifice" just know at some point in our altered history there was a worldwide inquisition. How can I prove this? Well that man written pieces of shit known as the bible and quran is full of nasty references ofcourse;

"Quran 9:5 Then, when the sacred months have passed, slay the idolaters wherever ye find them, and take them, and besiege them, and prepare for them each ambush. But if they repent and establish worship and pay the poor-due, then leave their way free. Lo! Allah is Forgiving, Merciful."

"Deuteronomy 13:7-12 If your own full brother, or your son or daughter, or your beloved wife, or your intimate friend, entices you secretly to serve other gods, whom you and your fathers have not known, gods of any other nations, near at hand or far away, from one end of the earth to the other: do not yield to him or listen to him, nor look with pity upon him, to spare or shield him, but kill him. Your hand shall be the first raised to slay him; the rest of the people shall join in with you. You shall stone him to death, because he sought to lead you astray from the Lord, your God, who brought you out of the land of Egypt, that place of slavery. And all Israel, hearing of this, shall fear and never do such evil as this in your midst."

The bible and quran is FULL of proof. Pisslam and xian fanatics like to point to those books for historical refrence, so there you go, more proof of how "good" the "allah" and the "jesus" is. So what happend to the ancient civilisations is no longer a big fucking "mystery".

I don't know how others feel about engaging in online warfare. But if you do, then don't give out any information of yourself. Always use a pseudo name and never have pictures of yourself or personal information online. Be safe. Every drop fills the bucket. HAIL SATAN!

Subject: The Jewish Kabbalah, Part 1

Whenever the Jews infest a country, they take control of the government, the legal systems, the educational institutions, and especially what is taught and the text books, the media, the medical and all important key positions.

What is and has been much more important than all of this is RELIGION. The spiritual beliefs and practices of the Gentiles of whatever region the Jews infest. Spiritual knowledge is removed and spiritual leaders, such as the Pagan Priesthood were attacked, tortured, and mass murdered. Given the sly and clever Jews who are the masterminds given exploitation and manipulation, they used the Christians and Muslims to carry out their agenda of mass murder of Pagans and the destruction of Pagan libraries, temples, and artifacts. By hijacking all of the spiritual knowledge and removing it from the populace, the Jews have had much control over the world for centuries. When the populace has no knowledge of the spiritual/occult and no individual spiritual powers, they can be manipulated as whoever has this knowledge sees fit.

I also want to add here, the Jews being the parasitic race that they are, have viciously used, and exploited their own, both for power and profit. There are many Jews, especially at the lower levels who believe the same bunk that the Christians do, such as YHVH is an actual being and other total nonsense.

The Jews have rewritten history and have assumed the position of God. I've written many, many articles concerning this. Now, we can take a closer look at how this is done. Their "Kabbalah" is where plenty is revealed. But, one must be highly knowledgeable concerning the Jews, Hebrew, the occult, the powers of the mind and soul, known as "witchcraft" and also have practical experience in these such as success in making spiritual workings manifest in the material world, and also extremely important...with meditation.

In order to understand the Jewish Kabbalah, one must know certain keywords and code words.

For example [I know I've mentioned this before], the word "God" or as the Jews write "G-d" is a CODE WORD for

1. The self
2. The chakras
3. The "force" that permeates everything in the universe.

Number 3, the force that permeates everything in the universe reveals why it is stated that "God" is omnipresent, omnipotent and in everything. Now, this "force" is what we use in our workings. The ENERGY we raise to accomplish our goals and so forth. It is present in everything in the universe and

can be harnessed by those of us who know how to use it.

As a matter of fact, HP Hooded Cobra 666 stated how in other worlds where intelligent life exists, and where superior life exists in the case of our Gods, ENERGY is the currency used, NOT money. Whoever has the most power has more energy.

I also want to add that the Jews claim that the vowels of a word are the soul of that word. The vowels are what give a word power. This is why they omit the vowels from their written Hebrew.

Given the prolific liars that they are, Jewish authors of books about the Kabbalah conflict in their writings.

The Jewish Kabbalah, like the Talmud is a commentary on their Torah. The Jews at the top know YHVH is not a real being, but is in truth code words for the self, the chakras, and the force. For centuries, they kept this knowledge hidden, while using Christians and Muslims to destroy Gentiles who had this knowledge. Now, with the modern times and easily available information in many Western countries on the occult, the workings of the mind and soul and such, Gentiles are again regaining some lost spiritual knowledge. The Jews also work to take control of and hijack this as well. They have really infested this area. People are geared to using Hebrew letters, their ugly rotten human hating asshole angels, and other Jewish filth along with the mind manipulation such as the “three-fold” crap. As I already wrote in the above, they infest and take control of the most important key areas and then work them towards their agenda to enslave humanity. “Magick” and mysticism is where they push their Kabbalah on the populace in modern times. It’s all over the place. This is how they take control. Occult groups like “Golden Dawn” and others, use the Hebrew crap prolifically.

Getting back to their Kabbalah. Over the centuries, the rabbis had secret doctrines concerning using the workings of the mind and also there is a lot revealing how that bible is used for their own profit and advancement.

Now, this is blatant... “God” created the heavens and the earth in 7 days. God said “Let there be light.” “In the beginning was the word.” The latter was stolen from the Egyptian God Thoth.

Ok. Now for everyone here who is familiar with witchcraft and the workings of the mind and soul, this translates into:

“God” meaning YOU [the self], created [brought a working of the mind into material reality] using the 7 chakras.

“God” said “Let there be light.” The light is the universal force that is energy and is used to create. Colors are of the light spectrum and apply here as well.

“In the beginning was the word,” means through mantra, affirmations, vibration; this added to a working amplifies it and brings it to manifest in the material world.

The Jews at the top know YHVH isn't real. It is a word of power for them and I also seriously question whether this YHVH is even the correct one. They lie and hide things. Even though, it channels energy to them through the belief of those who are deluded, as it creates the necessary subliminal tie in.

The Hebrew letter, the first letter of their aleph bet, Aleph [I also want to add that the entire Hebrew aleph bet has been infused with power. This is another reason the bible has the influence it does, people are under a powerful spell, regardless of whatever language their local bible might be in, the Hebrew original holds the power. For those of you who are new, I had to learn Hebrew thoroughly in order to write the RTRs, so I am knowledgeable in it. Aleph is silent. This translates into the void. It also translates into “in the beginning...” Before one begins a working, there is nothing. Then “God” creates...All of this, highly secret teachings. “Torat HaSod, Sitrei Torah, Razei Torah... Kabbalah is the “secret Torah.”

In earlier times, the study of the Kabbalah was restricted to male Jews over the age of 40. The reason for this, was it was a highly kept secret and given a Jew has been dedicated to Judaism for that length of time, he could be usually trusted to learn their secrets. Given the Jews are an alien race and an alien soul, applying stolen knowledge and practices [much that they had corrupted], this resulted in certain mishaps such as insanity, psychological imbalances and other “dangers” many encountered in applying the practices outlined in their Kabbalistic texts.

The Jews also state that the Torah; “Torah K'dumah” “preceded all creation. The Jews created the Torah. They state that each letter of the Torah is infused with light, meaning that each letter is empowered. This is no working of any “God” like too many are deluded into believing regarding that bible. It was all done by human beings who had esoteric knowledge. In addition by “preceding all creation” this reveals how the Jews use this crap as the foundation of their workings. In other words, like with the article I wrote regarding the 9-11; along with many others, there are certain verses for this in their Torah that they use to bring about certain events in the material world, curse their enemies with, and so forth. This is why we are fighting back with the Reverse Torah Rituals.

Everything is a subliminal tie-in with their crap, such as the 5 books of Moses; the Torah...this ties into the five elements of the human soul. Also, books such as Deuteronomy and Leviticus are repeatedly chock full of specific instructions for living blood sacrifices, even HUMAN. In addition to the blatant references regarding living blood sacrifices [which parasitical entities need in order to thrive], the mass murders committed by the wandering Hebrew tribes attacking Gentile Nations with the help of their “g-d” [which the Torah aka the Old Testament is filled with], these mass murders were also living blood sacrifices en masse.

The knowledgeable Jews have always known, as they stole from the Pagans, how language and words are the foundation of spiritual workings.

I remember reading some time ago, a Hindu [Gentile] lecturer was harassed by a member in the

audience he was addressing. The heckler scoffed openly at the Hindu lecturer's claims concerning words having any power. The Hindu lecturer promptly called the heckler a motherfucking son of a bitch in front of everyone. The heckler went crazy with insult and rage. The Hindu replied- "now, tell me words don't have any power..."

The Kabbalistic Jews meditate on the Hebrew letters of their Torah, which they regarded as particularly potent. As I mentioned before, each of these has been infused with power, not only deliberately from the Jews, but also from the Christian and Muslim programs. It is a sad fact that this bullshit has infested certain sects of Satanism. This has rotted Satanism out from the inside. Certain sects allow Jews, the Jews bring their crap with them, like Rothschild did when admitted to Freemasonry and before you know it, Satan is relegated to only an "archetype," and everything is geared towards the Jewish agenda.

According to 12th century Kabbalist Yitzhak Sagi Nahor of Provence, The written Torah is the "White fire" and the oral Torah is the "Black fire." This "Black Flame" being the reciting of Hebrew words of power, like a mantra. Straight out of the fucking Torah.

In order for this spell to continue and thrive, there must be illiteracy and mass dumbing down.

Given the extent of this information, I am ending the first part here. I will be writing more on this in separate parts.

[The Scary Nazism in "Satanism" : JoyofSatan666](#)

**The Scary Nazism in "Satanism" :
JoyofSatan666**

It's funny how a label changes everything.

I notice many called 'Satanists' do get afraid by things like Nazism, and without evidence or against evidence, they are very ready to attack the notions of Satanism. Little do they observe that they actually follow these and put these in their lives, the moment they come into an alliance with whom they call as the "Dark Lord". There is a lot of emo that goes there, and many of these people on purpose throw

away the history and the NS history of Satanism, such as how the NS and the dark sinister Satanism were both perceived as the worse of the worst.

For example, Satanism is about being strong and self reliant. Defending your honor etc. These notions put under the label of National Socialism scare these otherwise wise and intellectual people.

Satanism follows nature. To not racemix is not really nothing but following nature's dictation. Ideally one should seek the best for their offspring, same as all animals, and incessant race mixing through generations weakens people, lowers IQ and makes many other perils happen which should better be avoided.

They say they are also against stupidity, which is a common Satanic law. I beg you pardon, so if beings are born with an IQ lower than a retard, is this good? This again explains the race mixing thing. We cannot be gambling with nature. Nothing that promotes retardation should be accepted. The same goes of all these useless, infested by Jews, practices of sacrifice etc.

As about one's living "lair" or space and how this is to not be intruded. Even if thought from an animalistic standby, it makes perfect sense that people love their country, protect their natural territory en masse (country/continent) and maintain others who are of the same species as them. Most people in nowadays world don't even have a house or territory anymore. Unlike this system of rent, the NS wanted to give all families and people affordable housing.

Mind you there are also nut cases who are like accepting to Jesus, Mohamed, Jews, and they dare take the name of Satan in their so called religious title. They act as if all is fine just different beliefs. Maybe for THEM it is, but for the others? Meanwhile, these people whom they accept, would gladly have their gutters for supper, in more or less uncivilized ways. IQ level, dumb stone level.

Another thing is individuality, and somehow neglecting herd mentality. The majority of the people are no longer a herd at all. Most humans are egoistical fucks since the uprising of the civil society/town life. Everyone thinks they are a super drama hero, living their own life of Hollywood. Individualism is really not a revolutionary value at all, hasn't been for more than 300 years, it's more than obviously herd mentality. These so called individuals are also some of the most easily controlled and malleable creatures ever created, being the most submissive followers of government to ever exist,

National Socialism is not pro or against massive or individual, everything just goes where it's met. But I guess it's really bad about one's freedom and Satanic individuality to have exercise programs, healthy gender relations, education, focus on personal health etc. Today's individuality of "Satanism" cannot be like that of the NS of course. It has to be just emo, druggie, weed party, because these are highly individual as you can see, and not literally the cattle herd incarnate. Even though more people fry their brain with spaz anymore than those who don't. Yay for free-doom.

Then we have anti-Semitic ideology which is a problem. What is honestly the problem with "antisemitism" if you are a Satanist? This is the race that wrote the slander, defamations, lies about us, even Satanists in general. They are the race of Jesuits and many others who would gladly fry us alive, irrespectively of if a few members of theirs of blood may have pretended to think otherwise. Also, just WHY be a philosemite?

Should it be obligatory in the Satanism where supposedly one does love who they want and hate who they want? Obviously not. Unless it comes for kikes and somehow having to accept them at all costs. Why is that again. Because well kikes as the Torah says, are supposed to have all the goyim's doors open to enjoy as they see fit. Jews and their methods of animal sacrifice and other rabbinical defamations have made Satanism look evil, dark, stupid. They have wrote, aside with their followers who espoused their ideas, all the evil, emo, deathly crap about Satanism. What is there to love exactly, unless one is a similar morbid lowlife?

There is no reason to be philosemetic, but when one does the research there are many reasons to be antisemitic.

There is no reason why one should like or not even be non-spiritually aggressive against Jews. Especially when evidence has piled up so greatly it's not even a joke anymore about their racial lobbying and activities, that happen on the expense of all others. So to deny this... One transgresses therefore only to the realm of cowardice, stupidity, or of course being themselves a Jew.

Then we have self gratification. Where does National Socialism go against self gratification? The fact that it banishes Hollywood beliefs? National Socialism doesn't put restraints to sexuality or any other form of gratification. The frivolous gangbangs down to family joy and gratification were all available in NS Germany.

Another honorable thing in Satanism should be logic, common sense, and scientific inquiry. National Socialism never, ever, went against any of these, they also pushed science beyond the subhuman, cucked limitations. While respecting natural boundaries such as the atomic bomb. Much of the technology, inventions, and scientific foundations actually did come from the so called Nazis as well. They just applied the science that was known at the time to their movement. It was 1940's anyway.

Lastly and most importantly. Satanism is advancement. To advance, become, overcome and become better and stronger. This is in fact the focus of National Socialism. It is what National Socialism is on a political level. A battle for a state as a mass entity, same as the people within it, to rise above limitations, above fate, and become their own "Gods" through the advancement of Science, arts, culture etc.

If you follow any of the above you are in essence already a National Socialist to an extent, and in mindset. The association and alliance with a Satan and the Gods, even indirectly, name these values as you want, but THESE are the values they have passed down their followers anyway, in all their multitude.

Lastly on an occult standpoint, the NS literally believed to whom to Xians and Jews, was Satan. This is evident in all of the enemy's writings. Satan was the giver of their spiritual agenda, let alone their occultism and all spiritual tenets were Pagan, Satanic, you name it: the return of what was abolished as Satanism by the abrahamic frontiers. One also cannot deny the art and how closely ritualistic it was, like the SS uniform, the rings, the daggers, and all these other cool stuffs some Satanists still decide to wear as part of the black metal scene. This type of fashion really began there long time. The skulls, deaths head, equal arms cross, etc etc, as alchemical allegories in dressing or art.

In closing verdict what is the problem and the unrelated nature of the two, nowhere. It's just personal bias on most people's plate, or Jewish blood in their chains, sorry I meant veins, or just the indoctrination of emo Satanism that they have underwent by Jews again.

It's just that Jews feel non comfy and their hardwired Torah cannot take it that they can no longer dictate lies and defame whom they hate the most. Ha-Satan, the Adversary in their own hebrew . It's a natural revenge over the non Jews speaking about their own faith once again, which the Jews have defamed under the category of Satanism since forever. So they seek to destroy them for monopoly. Same as they did to Pagans and others who well, we may call Satanists again today if we want a better title.

Greetings to all our Satanic People and Comrades.

A sister in the groups made a comment about how she explains things to people, but they cannot take

it. The things might be simple, such as the problem-reaction-solution formula the jews are doing to remain in power. All those of you who read my posts, this is why they are so long. I thoroughly explain things to everyone, because I care about everyone.

In our lives we encounter a lot of people. A lot of people are naturally 'intelligent' but there are many types of intelligence. One example is these people who are university decorated, but cannot figure out for example that their own mother is depressed or something. Other people are very emotionally intelligent, but they cannot get it out. Others are so called 'average intelligence' people, that you would be surprised how many things they understand.

In life, the simpler the people, the more things people actually understand. This is because as their thinking is more simple, they can see things simply and they believe their own eyes. Of course this is not idea everytime, but on some matters, its heaven-sent and exactly what is necessary for the moment. A person who sees a woman that is raped and is a farmer, will far more easily do the right thing and try to help or call the police. A high-strung super 'intelligent' cuckold, may run or something. A farmer understands easily about the mudslime crisis and the pisslamic terrorists, but other more 'studied' people will always fail to get it, unless of course, they are intelligent in more things than in academia.

I have also noticed that people who consider themselves 'intelligent', also do lie a lot. They are afraid basically to say the truth and they constantly run in circles to bend everything. This is largely what 'clever' people are supposed to do, and this is a jewish teaching. Eventually, they are found out for frauds, and they are rimmed and get what they deserve by others. Obviously, use common sense: what I say here does not apply when communicating with zombies and many others. Its just a general discussion. This is because many such people are weak, and the list goes on. No matter how 'intellectual' one is, a bully can punch them in the face, and that's all.

Take another example. If you try to 'explain' to a cuckolded feminist, however many 'degrees' they have, they will never understand fairly simple things that you do explain. This is because they are not really 'educated' in this sense, they just did spent more years reading heavenly theories and other things that are inapplicable with reality, generated mainly by jews exactly of that: to suck and be unreal. Education is necessary, but keep AWARE and don't let jews school you. The jews pass poison through education. You need to rule this out and not accept passively.

For a similar issue. You go to some village in Africa and you ask a person there who hardly knows to read, why for example Pisslamics are coming in Europe or other things. You will get straight, real replies. Money, rape, spreading Islamism and the list goes. Who would be more genius in this case. The brother in Africa or the cuckolded feminist?

The soap bubbles in the West are conditioned to not think in these terms, as this is 'evil', but unfortunately, most of the world does actually think in these terms. If people don't have this ability, or reject to even KNOW that such animalistic thinking exist, they will be victims of this. Their intelligence is in fact, a hindrance. They cannot see the world as it really is, or as others do in reality see it. This is a high disadvantage for "survival" in situations like this we are going through.

Spiritual Satanism is a club for elite people and souls with higher morale and higher understanding. Unlike cattle herd people, we actually crave to expose ourselves to that which is higher and better. We don't feel bad for it, and for those in the lower levels that may feel hate, we trans-mutate it to go forward in our own self. Satanism at this point is not for everyone because most people are actually too weak to handle the downward spiral of self esteem, an uncontrollable mind, etc, the enemy has imposed.

We understand nature. Nothing needs to be equal. What I mean from this post, is that if people were meditating and advancing, their intelligence would grow a lot, to the point most people would have healthy and sane reasoning in the very least. Basically, look at yourself and how much you have grown, and you will understand how much it can go. For those who don't become more clever, they would at least be and feel better - less crime, less psychological problems, less death and anguish. The universe wants to give pleasure to everyone for free. Its just people don't take this, thanks to jews.

You don't need to be a rocket science expert, just get it. Everyone shrinks compared to a God for example, in everything there is for us to 'compare' ourselves with them. Those who think themselves as their 'equals', just have no idea of what of beings we are talking about, and they need to look deeper.

Infrequently we see attention whoring and other people who are empty, and need a feeling by the time and attention of the Satanic community. It comes in many forms. These people have nothing to offer, and they think they are too important. Little do they see that they suffer from an energetic inflation: as someone who pathologically destroys their self esteem no matter if they are a great person or not, these people pathologically fill it up even if they are a whack person in reality. They suffer from the same disease, but it manifests differently. One is too slim, the other one is MacDonalds obese. That's all.

When you go outside and you see people fucked up in the head, just know, its just spiritual degradation. You can see this here in the group. We have people from all Races, cultures, backgrounds, but we can still conversate and everyone eventually gets one another. Everyone advances. Everyone is on the bright side if they just put themselves to it. We are a family of multitudes.

No xian or anyone else can state the same, in the least. These people while they have 'renounced' the values of the vultures, are the real faithless vultures they have 'renounced'. We are the 'beasts' with the 'bad morality' but we behave nothing closely like it. Guess what. Because we just follow nature dictate so nature rewards by healing us. These fools go against nature and nature curses them.

It may seem like a miracle to others how we can maintain a community with the ideas that we do, and the goals that we do, but well, it is miraculous, but the thing is, WHY? Because everyone of us maintains the SATYAN- Eternal True path, to enlightenment.

This opens up the mind. It makes one expand their horizons and be really able to ingrain things into their mind. One also learns the value of change, and stop associating themselves like a kid that has a complex that all the mistakes of the world are their own. People start to face reality in how they are insidie, and this produces pleasure after the initial shock of a neglected self. Then the pleasure is immense and power starts to grow bigger everyday. So long everyone advances, everyone is happy, this is what many people don't know.

Now lastly, the jews are intelligent, YES, but many people forget WHY they are intelligent. Many of you go around the street, and because you are spiritually awake, you will notice strange things such as jews looking at you, being afraid of you, sneering at you, whatever. You wake to another world. In fact, most jews are aware to this level themselves. They are walking this world around as awakened towards the asleep.

They are in fact worried to see YOU there, on 'THEIR' level. "What do we have here, a Goyim that is awakening?". Do not worry guys, this is not terminator, and 99% percent of jews don't understand 'what' you are specifically, so DO NOT grow paranoid. All they feel is a natural instinct to coerce you, or run away from you, without knowing the details. However, unlike Gentiles, they are NOT oblivious on an instinctive level.

The Rabbis are doing racial magick to keep the jews awake on a racial level, and controlled by the Torah unconsciously. It doesn't matter what the average jew does, the Rabbis have the controller. They can play whatever, that they are opposed to them, xians, or even interested to be "Satanists" or some other joke. The reality is on the blood. Something which the enemy knows.

These jews are on a higher level than others, and they from this level cast down to the lower levels fog, mist, and dust in the eyes of people. This is why you can see after a point of advancement, that most things mean to confuse, coerce, make-believe and do other shit to people, are made by a jew, or a jew is always an associate. This is not you a jew being an antisemite, this is you becoming aware.

The jews are an alien soul.

When people get this, that these beings are aliens acting as overlords here, and that they do not belong to the earth naturally, they will figure out why they do all this. In fact even someone simply reading the Torah will just understand their mentality, as they were dumb enough to keep it in paper.

Satan is only fought against by the jews because he is the Truth and teacher of Meditation. So long people get stuck in the 3rd dimension, those like jews who hover just a bit above, can always lie to them and deceive them. Satan abolishes this ability from these beings to lie to everyone.

They have numerous prayers they channel to their people every day. Jews are a cursed race, they are not gifted. Most races in humanity have decent health for example. Jews don't. But they have the stolen culture and they use it for themselves. This is why they find these 'chances', always make 'profits' and other things. Of course, we have Gentiles that are PROGRAMMED to be stupid and victims. This plus magick, makes a dangerous combination. However, there is nothing 'unable' to be defeated behind this.

The jews do some daily prayers like the Shema prayer, and other prayers, who just have an effect of a normal meditation session. The jews don't really meditate, they just channel the siphoned energy by christianity and Pisslam. So long they lose followers, their power will decrease. They are dependent on blood intake. In fact, everyone with spiritual knowledge can become aware, except of flat out, clinical retards.

The spiritual damnation and darkness, manifests in ignorance in the physical and in all other realms, a desire to waste one's life and one's existence, and a lack of understanding, compassion, and also fighting spirit all together.

Lastly, this is just for general knowledge. This is not to make you think that a race mixing, leftist scumbag, drug user, will magickally be saved at some point, and you need to play the savior. Many people are beyond any 'saving' and also, you need to save yourself and keep yourselves safe as Satanists above all. Secrecy is the most important thing in the world we are living in. Our RTR's will bring the world into a different footing, where in the light of the Age of Aquarius, we will have far better of a scene to project our message.

Subject: Cursing Back The Enemy - Important			

Greetings to all our People and Satanic Comrades.

I will try to keep this very brief. As our people grow and our side grows in power, the enemy and their lackeys will not just sit down and watch. They will curse, and curse relentlessly to get anyone down. The enemy knows, and many of the people of Satan are Souls with whom the enemy has had problems for a long time.

They hate you because well, you know them. We are not living in a free world. The enemy, who has occult monopoly, flies curses everyday, to destroy and subvert people and maintain strict control over the globe. People who are 'without' can instantly die from such curses, or even worse. Satanists are entitled and very lucky.

The enemy thinks people are cattle, worthless, etc. This is part of their brainwashing. They know it really well that Gentiles, especially those with occult power, are the only people who can challenge their alien authority. In fact, the enemy stole the means that the Satanic Souls of the past have produced, and they are now trying to rally this planet into slavery. This is not a joke. The enemy knows this. Everyone needs to comprehend this fully.

The more you grow spiritually, the more your power will expand, but at the same time, these beings will not be satisfied with this, anymore than a lunatic is not satisfied their time is closing over. The jews and the enemy hive are used to playing with the 'goyim' as if someone plays with pigs on a farm.

The enemy is well aware of what spirituality does, and as you all have seen, the RTR's have cause global changes. There are many freedom fighters on the line, and like the enemy keeps the back of their rotten, so will we keep the back of those who fight for something better for this world. From a person doing their first steps to wake up, down to people in high government that are trying to fight the jews and their alien agenda- its up to us to back them up spiritually.

Think of that: they have NOBODY else. Literally, nobody. All other spiritual circles, plus the hostile enemy and aliens, are against them. This is not an easy fight for them either.

This will only escalate. Nobody must quit. Even if it gets hard, nothing will outweigh the satisfaction of knowing that you have destroyed them, and that you have worked for something great. Satan has made handpicks of His people for a reasoning known to Him. There will be storms, but this should only motivate and reassure people that impact is being made, big time.

Our people have to learn peace, but also to fight. Fighting is necessary, and fighting is what preserves life, especially at a situation such as this. This fake "Peace" is only for the slaves of the enemy who have been flattened and are basically, spiritually dead. Nobody is beating on a dead horse. For the rest who are advancing, there will be some flack, but the benefits far outweigh the problems by infinite times.

Expect of the RTR's (This **Schedule Reminder** here is the most damaging and we will change it when it has served its purpose: topic18484.html)

Subject: Drugs An Answer			

Drugs An Answer

This is an answer on this subject I gave to a member in the groups.

Swami Satyananda Saraswati mentioned in his book on the subject there is a method of using different plant compounds to help open the soul, Aushadi. However the problem is the use of herbs he mentions Soma, Soma is not a plant herb or juice its allegory for the nectar the pineal generates when the crown chakra is activated by internal practise. Other swami's will openly state such fact.

This points to the truth the plants are allegories for the energies of the soul, note the obvious the energy centers are named after a specific plant the lotus. Its no different then how different animals or even tree's are used as symbolism even the actual physical serpent in the Vedic culture is used to be the symbol of prana. Does that mean drinking snake oil is going to raise the kundalini.....no.

What I have seen in the Hindu culture is the literalization of allegorical symbolism. Ganja, relates to the crown chakra and brain centers as mentioned. But note the goddess Ganges is shown as flowing out of Shiva's top knot, which is a symbolic linga. That is simply the flowing of the kundalini thought the seven chakra's and out the crown. The story of the seven sages that bath in the Ganges water. She is not shown sitting their smoking a blunt. She is shown as water does this mean drinking a gallon of water a day will raise the kundalini.....no.

The Aghori were created not that long ago and other Hindu members here stated they were created by jews posing as Brahmin's, the jews have lived in the east for centuries.. These Aghori also practice cannibalism, shit eating, and other gross things that have nothing to do with the soul and are ridiculous and harmful. A popular Hindu guru also mentioned these people never develop any Siddhi's either..... The Aghori represent the corruption of Vedic culture.

The claims of books aside, my own experience is pot is not a positive drug to smoke, it ruins peoples minds and spirit and the people here who smoked it all state nothing but negative experiences with it. Including it opens one up to attacks from the enemy.

Also advanced Yogi's in India have warned against using drugs as it ruins the different Kosha's. And makes it near impossible for spiritual advancement.

Forestman4 wrote:

So HP Hooded Cobra, what about the story of marijuana, Or 'Ganjah' in sanscrit?

Where Lord Shiva's tears formed the Ganges river, and the plant that was ONLY found in the Ganges river before the british colonization, Hence the name 'Ganja', as it is only grown near the ganges, according to you, these are written by jews?

Not only the Veda scripts that documented this plants meditative capabilities concerning the third eye, but Lord Shiva's accounts of the ganges falsified by the so called enemy?

Now to the part of Marijuana,

I live in India, Maybe you have heard of sadhus, or Aghori Saints, These people perform live miracles and claim they're energy was a gift from Shiva and his plant. You cannot turn something into something it isnt. Drugs ARE NOT the creation of the enemy.

[Drug \(\(\(High\)\)\) Explained : JoyofSatan666](#)

Drug (((High))) Explained : JoyofSatan666

Greetings to our Satanic Family,

Unfortunately we live in a civilization that being stoned is the replacement of spirituality. Therefore I am going to fully explain what is happening on the 'highs' of drugs. And show the facts about these.

Because when one doesn't know the facts or buys some lies, one becomes falsely curious. But when you know, well, you know the facts.

To be honest, I believe these particular types of drugs, are developed by the enemy aliens, on purpose, by their 'inspired' followers. If you pay attention most of these drugs were created by the governments or other agencies to just try to hack into the brain for strange purposes, and all have failed at it. These blueprints were later marketed for the 'goyim' to have something 'spiritual' to play with, some fake skittles color in their jewish, colorless life. Which ends up making their goyim life all the worse in the end, and killing them while it robs them all their shekels and life.

Many do really try to act as a cheap replacement of spirituality, which is laughable to all spiritual adepts and others who are rookies but have experienced something. Every now and then people who have tried these, have seen for themselves, that drugs are flattened by the highs or real, Soul meditation.

Now, the physical body has stored hormones/chemicals in it. For people who do not meditate, these chemicals exist there for a reason, such as to be activated on an accident, protection, whatever. Those who hardly ever meditate, their Soul or astral body exists in quite the disassociation from the physical one. This is why many people feel like they do not have a "Soul" at all. Those who are more advanced, or are not in this category, somehow KNOW they do have a Soul. Which is very common as well.

The physical body has its own biochemistry that, for the person who does not meditate, does only to an extent reflect the situation in the chakras. In other words, the Soul has to be activated in a way. Part of how the chakras connect to the physical body, is through the endocrine system. This acts as a connector. For example, a computer (Soul) connects with a screen(physical body), through a cable (connection).

If you mess the cable, you can cause distortions in the screen , that can damage the screen, or the computer. This is a simple example of what the drugs do, in a sense. If you beat the screen with a hammer, or destroy it, you don't really change any computer settings. If you cut the cable, you don't change the computer settings either. The computer is basically the SOURCE, the Soul (astral body).

Drugs do not act on this directly, or at all, to improve anything. Mostly, they damage and destroy the computer possibly, such as if you short-circuit the screen. You can however, destroy the screen, and if you do badly, ruin the computer through indirect current. The cable can also be ruined, severing the computer from the screen.

The above is one of the simplest way to explain this.

When one gets into an accident, loses a limb, or is beat senseless, only some things do pass down to the 'immortal' and non-physical part of the Soul. For example, is someone is beat by a club, only the experience or something deeper makes it into the Soul or astral body. The same goes for bullets and many other things. The damage is more emotional, and what causes into the psyche of the person.

Similar is what happens with drugs. For example, the adrenals have some chemicals in for a fight or flight response. When one inhales cocaine, their body as a reaction shoots this chemicals, as such creating a feeling akin to confidence. This has nothing to do with confidence, or the Soul in anyway, as in the Soul PRODUCING it, or being the CAUSE of it. Its just physical reaction of the system. In plain terms, you were the same dumb-ass you were before, you just shoot your adrenal chemicals. When these are out, you return to being the same dumb-ass x2.

If someone bashes your head with a club, you will feel numbness to pain, a release of chemicals to protect you from it, a purely physical response to this stimuli. Briefly, when this is over, these cease, and one starts to feel pain, even if they did not feel pain earlier. Their 'non painful' feeling wasn't really 'real', it was masked by something.

Of course, this burdens the Soul, because it pulls energy that otherwise isn't supposed to be there, let alone in any frequency, from whatever remains in the Soul as storage. In short, these habits do deplete the Soul energy real bad. Cocaine specifically destroy the Solar plexus chakra, because it draws from it to create this expense.

Its basically regressing you spiritually to do drugs like that.

Additionally, this imbalance feeds into the Soul and stays on it. This is artificial, fake, and happens from BELOW to ABOVE, in an disharmonious and damaging way, and at the expense of the whole system. When the Soul is depleted a lot, it starts pulling energy from other chakras, or the aura. Therefore, the holes in the aura and chakras that some people have talked about. The energy is lacking, and therefore, the aura is minimal.

Meditators have a lot of inner energy, which extends outwards, creating an aura of power. Drug users are the exact reverse. This is why drug users become completely broken in confidence, finances, and many other ways, such as self image. Energy that is supposed to work for one's benefit, just gets sapped from the soul to produce physical reactions.

Another one is heroin. Heroin users say they feel an artificial feeling of being 'loved'. Nobody really loves them, nobody really keeps them 'safe'. Nobody really cares. They are just sitting there like a junkie on the pavement, and nothing has changed but only for the worse: their lives are going downhill even more. They are trying to hack in these altered states without even working for these.

Then we have this other thing "MDMA" which is supposed to make you really happy. Your body has some endorphins stored somewhere, and the reaction to this is to shoot many of them out, making you feel a fake 'happiness'. You aren't even really happy, at all. Your body is being hacked into this. After your (((happy))) time ends, you get what is called a suicide monday and you want to suicide.

This is the natural response of the body that wants to kill itself due to you misusing this. Of course, people think they are in dreamland, and here we go again. Pull more energy from the Soul, damage it further, and of course damn the bodies reserves. Until you eventually die in the street or something, or lose your sanity. This is why the enemy knows and doesn't allow any 'rabbis' or any of their spiritualists

to do drugs.

Because when your aura and your chakras become thin as paper, then any entity and any sort of destructive crap can pin on you. This is why the enemy jews with their xianity focus on saving 'drug addicts' and stuff, and turning them into borgs for their agenda.

Another one is the supposed drugs that 'open' the third eye. The real, Satanic, Third Eye, needs a lot of work to open. When this is open, everything can be seen. If you pay attention to drug users, they always see some random, mental crap of their own, lower than the level of the pre-sleep state, or delusional paranoia. They do not see the Truth, let alone have any ability to use this for their advantage or in any way.

They are just passively watching their brain go on a chemical rampage, and many times we have the ugliest of trips that permanently damage their brains. Their experiences have nothing to do with the astral, its just they have messed up their brain chemistry so they see crap floating all over the place. Its not worth it.

If you put 5 minutes a day in working with your 3rd eye, in about 40 days of time, you will notice, no matter how 'inexperienced' you are, that your head will start to open up. Because you adjust to your Soul, you may start having some pain, and some 'strange' sensations. The Soul is slowly coming to life again. All the insight and empowering states will come as a result of the Soul, not of some jewish joke.

The Satanist who opens the third eye and masters it, can see present and future, can see lies from falsehood, and many other empowering abilities. One really sees the spiritual levels as well.

The drug 'high' is really a low.

Real meditation highs do actually come FROM stimulation from the Soul, DOWN to the body. In other words, they happen due to an increase in the Soul power, which is the light, and these come down to the physical body as an increase and altered states. This is typical in pineal meditation. Pineal meditation can cause highs that put all the artificial "highs" to shame.

Not only it doesn't harm you, and there is no 'drawback', but it is natural and it doesn't mess the balance of your body, leaving you in paranoia or endless depression. This is why meditation has to be done daily. As the forces raise, they have to be raised harmoniously, and the body gradually adjusts to the higher levels, in which the power becomes permanent.

"Highs" are the result of the empowered soul, and they also over time become permanent. Additionally, one's consciousness is raising, which is exactly WHY this is happening. Not some funny pill that one will urinate out of their system. These do result from the 'immortal' Soul. Your Soul is what you take into your next lifetime, adjusting your body into this high, and generally, putting you permanently on a higher level of being, away from misery, pain, spiritual and material impoverishment and all the other crap that torments those who don't work spiritually.

What you rise towards, you will get.

I hope this settles the drug question.

Subject: RTR Schedule Update			

Greetings to all our People and Satanic Comrades.

As for today, we have done the rituals that have to do with protection and channeling back the energies

of the enemy. Of course, we continue on the RTR's as we must.

I am writing this to remind everyone of the RTR's Schedules we are following. We are doing the same exact schedule.

Just through the Week, we need to add this very small RTR which is on the current date.

We need to add this one sometimes a week to prevent any jewish war from happening again. This is disgusting and this can cause massive damage. The enemy profits from war in the Middle East. It must stop and cease completely from happening. This not only kills many people, but it kills many Gentiles and enforces the (((Immigration))) agenda.

This also indirectly destroys the middle eastern, jewish created "Terror" groups. Namely the blasphemous, jewish created and named ((("Isis"))). Because the purpose of this group is to massacre the ME, and cause internal warfare to kill millions, plus attempt to kill as many Europeans as possible, while wiping out Pagan culture.

Satan gives us the means to change everything of the above, and foil all plans. We must make use of this knowledge to no end.

Below the schedule

Greetings to all our People and Satanic Comrades.

I will try to keep this very brief. As our people grow and our side grows in power, the enemy and their lackeys will not just sit down and watch. They will curse, and curse relentlessly to get anyone down. The enemy knows, and many of the people of Satan are Souls with whom the enemy has had problems for a long time.

They hate you because well, you know them. We are not living in a free world. The enemy, who has

occult monopoly, flies curses everyday, to destroy and subvert people and maintain strict control over the globe. People who are 'without' can instantly die from such curses, or even worse. Satanists are entitled and very lucky.

The enemy thinks people are cattle, worthless, etc. This is part of their brainwashing. They know it really well that Gentiles, especially those with occult power, are the only people who can challenge their alien authority. In fact, the enemy stole the means that the Satanic Souls of the past have produced, and they are now trying to rally this planet into slavery. This is not a joke. The enemy knows this. Everyone needs to comprehend this fully.

The more you grow spiritually, the more your power will expand, but at the same time, these beings will not be satisfied with this, anymore than a lunatic is not satisfied their time is closing over. The jews and the enemy hive are used to playing with the 'goyim' as if someone plays with pigs on a farm.

The enemy is well aware of what spirituality does, and as you all have seen, the RTR's have cause global changes. There are many freedom fighters on the line, and like the enemy keeps the back of their rotten, so will we keep the back of those who fight for something better for this world. From a person doing their first steps to wake up, down to people in high government that are trying to fight the jews and their alien agenda- its up to us to back them up spiritually.

Think of that: they have NOBODY else. Literally, nobody. All other spiritual circles, plus the hostile enemy and aliens, are against them. This is not an easy fight for them either.

This will only escalate. Nobody must quit. Even if it gets hard, nothing will outweigh the satisfaction of knowing that you have destroyed them, and that you have worked for something great. Satan has made handpicks of His people for a reasoning known to Him. There will be storms, but this should only motivate and reassure people that impact is being made, big time.

Our people have to learn peace, but also to fight. Fighting is necessary, and fighting is what preserves life, especially at a situation such as this. This fake "Peace" is only for the slaves of the enemy who have been flattened and are basically, spiritually dead. Nobody is beating on a dead horse. For the rest who are advancing, there will be some flack, but the benefits far outweigh the problems by infinite times.

Turkish Minister Calls For Jihad In Europe

Turkey has been under direct Jewish control since the Young Turk movement took over within, over a century ago. This movement was put together by Dohmeh Jews who conspired with Jewish banking elites within the Ottoman Empire and also in the West. The plan was to destroy the Empire from within and without. To be able to create the Zionist state and then proceed with the plans to Genocide the Arab world now fragmented into smaller nations played off against each other and Sunni and Shia played off as well. Atta Turk was also a crypto Jew, put into place by the Western Zionist elites who occupied Istanbul after the war via the British, who made sure the Jews were totally placed into power. And then used Turkey as a shield for the creation of Israel. Note how Turkey has been the major base for the destruction of Israel's enemy of Syria.

Now the Jews are using their control over Turkey to act as the launch base for the Islamic invasion into Europe which is being orchestrated by Israel and the Zionist Oligarch's who built and run the EU in the West. Which is why the Jewish Oligarchs want Turkey officially in the EU to make this easier.

The regime in Turkey is now openly stating a call for Jihad in Europe. This is part of Turkish history constant war with Europe. In fact the reason the crusades were fought for 250 years in Asia minor and the near east was mainly against Islamic Turks over Arabs. The Turks also launched numerous invasions and raids on Europe in the name of Islam as well. The Jews always had a powerful position in the Sultan's courts. The reason the Jews genocided the Armenians was to wipe out the only banking rivals they had in the Ottoman Empire and steal their wealth. Which is what the Talmud commands. The current leader of Turkey styles himself as a Sultan and has Imperial ambitions he is willing to act on. The Ottoman Empire was an Islamic Caliphate. The Koran and Hadith's has never been anything but the Talmud with some words changed.

What this is calling out is the fact they might try and pll off a Islamic uprising in Europe when the Nationalist Parties win. Of course they will lose totality. But they might still try.

Israel Defeated

From statements Netanyahu, had a green light from Washington to invade Lebanon again at the start of this year and this relates to Flynn getting the boot not over Russia but Iran which gives orders to Hezbollah. When the leader of Hezbollah found out he gave a warning to Israel and then Israel backed off.

Because the war in Syria the Jews started with their agencies in Washington. Opened up a pipe line of new and better weapons into as a side effect, Lebanon which had a weapons embargo on them from America. Despite this Hezbollah was already able to defeat Israel in 2006. But now they have the ability to smash Israel totally.

The karma of the Jews have come full swing. They were behind the assassination of Kennedy as the book "Final Judgement" proves part of which was about getting the Atomic weapons program up and running in Israel. This allowed them to become a nuclear power as the NSA report leaked by Obama shows. But has stalemated them as they were using this reactor at Dimona to build these weapons from whistle blowers.

Israel caused the war in Lebanon as the general of the Mossad at the time admitted in his book. To create a false flag to invade and take off Southern Lebanon for Israel. This caused the Shia of Syria and Iran to intervene which caused Hezbollah to be created in the first place. Now the war in Syria has made Hezbollah into a stronger military power and has brought tens of thousands of Iranian troops into Syria which is along Israel's borders. Which the Jewish state is crying over. Now the war the Jews started in Syria for the same reason they did in Lebanon has caused them to be checked into a corner from the Shia world. As I stated before it would.

Then the Jews after they pulled off 911, attacked Iraq and got rid of Saddam as part of their plan to conquer the Middle East and handed Iraq over to the Shia thus Iran. And made the Shia crescent stronger then ever. Every murderous thing the Jews have done has come back on them.

Israel is defeated in the Middle East. The question is will American leaders be foolish enough to follow Israel into that defeat by allowing America to be bogged down into another war for Israel. Especially in a new military age where the high tech weapons that made America unbeatable on the battlefields can be checked by a small crew of infantry with portable missiles that can destroy everything from armour to aircraft to warships. Which Iran and Russia have by the thousands.

Netanyahu was already caught lying to the UN about Iran to attempt to create a war between America and Israel. Which the Israel Lobby has been trying to get into motion for awhile in Washington.

Anyway the simple fact is our RTR's have turned events around.

Hezbollah chief threatens Israel's Dimona nuclear reactor

Nasrallah boasts that decision to move ammonia tank from Haifa was due to 'our threat to target it'; Israeli minister: We will target 'all of Lebanon' if attacked

Hezbollah leader Hassan Nasrallah on Thursday boasted that his rockets can reach Israel's nuclear reactor in the southern city of Dimona, and said he would turn Israel's reported nuclear arsenal against it. A senior Israeli minister threatened Lebanese infrastructures in response.

Christianity, Islam and Judaism = Counter-Cultures : JoyofSatan666

What everyone needs to understand is that the tribe of jews never had their own culture. Everything is stolen. What these beings could only do, is conjure counter-cultures, from the cultures of their host populations and civilizations. This is why, in what they have labelled as "Satanism", collective term for Gentile Paganism, everything is reversed.

Imaginary thoughtforms of the jews are the 'good', some jew named jewsus is the savior, and jews are kings. Exactly the reverse of what the cultures of their native hosts had. The jews have created counter-cultures all the time. This is still practiced to this day. Instead of making anything, they stole the pattern, and reversed the meanings in it.

Then, this counter-culture was imposed on the native population by war, bloodshed, and was imposed as the "NORMAL" and the "REAL" culture. All those who knew or believed otherwise, were killed and slaughtered. As they destroyed the knowledge of the past culture, the real cultures ceased to be known, and the counter-culture they created to benefit the jewish race, became the 'real' culture of their host.

The story of jewsus is stolen from Pagan Gods, the letters of the jewish alphabet, the style of writing the books, the list goes. In the same way the jews steal the blood of the people due to hybrid-ization and race mixing, to infiltrate, the same pattern is done in their so called 'culture'.

They steal the physical appearance of the victim by race-mixing with the native populations, and inject different content in it. The distortions are present, but not anyone can see them, especially if their own culture doesn't wake them up to this fact. Unless one's sense and knowledge is strong, they cannot notice the small, wearing differences, or the complete reversals. Magick of the jews covers their tracks, and they push this process for centuries.

This is why all the Demons are Pagan Gods, Satan has went from the light of the World and Truth, to being the 'abomination', and why jews have went from slaves and beings of excrement to world rulers. This process took hundreds of years, but was eventually successful. Now, we have dumb-asses who think 'Christianity' and Judaism filth are part of their own 'culture' and 'race'. Therefore, the jews always maintain these 'cultures' going.

Culture defines the definitions about life and society. What is good, bad, or evil. What people give their attention and existence to. Instead of any of these being good or beneficial for the survival of the people who make up this culture, the 'cultures' of today just serve the jews, and their agenda and race. Therefore, jews are made into 'god' by parasitism of the native power, work, labor, and psychic energy of their victims. When this process finalizes, not even this fake ass culture is needed, as it has served its purpose.

Then, the jews push what we know politically as 'communism' and remove all culture, identity, and everything that defines their living slaves, even if its corrupted and hijacked. The slave loses all identity, and in the jewish wet dream, the jews rule supreme over the powerless cattle and slaves, now and for all eternity.

One when they get this concept they have understood mostly what the jews does, and you can notice their operation. In plain, they copy, creating a perverted copy of anything, and then they keep doing this while forcing the copies as the original, mainly by violence and distorted xians and other debilitates

who are infected by their lies.

The same thing is done by a cell that is infected by a virus. The virus instills the destroyed DNA into the cell, the cell replicates with the virus encoded in it, and this process keeps going, growing the virus with it, unless of course the body's defenses end this process. The Jew works like a virus and a parasite in many ways.

Subject: To Outbreed and Genocide Europeans - Erdogan (TurkishPM)			

<http://josministries.prophbb.com/topic18658.html>

Erdogan playing the passive aggressive, kike victim, who wants to obliterate and wipe out Europe. Through Jihad and the spread of Pisslamism. Is actually urging his fellows to procreate like rabbits in Europe to wipe out the native populations. Supposedly on the pretext of that they are being 'wronged'.

So 'wronged' they are living in the world's most developed countries, in contrast to his shitty created "Turkey". And get free stuff, such as pensions, and many other things. Aside with millions of Islamic, ISIS terrorists and other invaders whom Erdogan pushes through the Greco-Italian European borders. Using the Jew-talk of trying to play the 'wronged'.

An amount of Turkish people have actually assimilated to an extent in Europe. For better or for worse. Many do in fact hate Erdogan because they know he is a deceiver and Pisslamist. They however want them to be radicalized. In Germany there are millions of Turks. Now how many will turn and be with "Europe" and how many will focus the larger wave of Islamism that the Jews are trying to bring. That's another question. Erdogan hopes its most of them. And judging from history, it will be most, most probably.

He is basically urging them to replace the native European population by out-breeding and trying to get up in the top of the social ladder. So they can steal Europe from within, with elections, and with Europe being unable to in anyway vote themselves out. Since half of the population will be invaders, Browns, and Pisslamics which will later be radicalized if they are not already.

The cuckolds and excrement of the European Jew-nion have been welcoming this for decades, with ignorance that is done on purpose. Because the goal of the European Jew-nion was to break the pan-European bonds for European states, by creating a superstate that would abuse all states and make the European people into a complete mixed race.

The Jews created the European Jew-nion to hijack any possible unification between European Whites, and completely destroy European relations forever. If they would succeed, they would create a USSR that governs upon race-mixed cattle, with Jews on the top. This goal is the "Fulfillment of Europe" or the "Kallergi Plan". Outbreeding is a way to do this directly as well.

Therefore, to bring life in Europe one needs to be a super comfortable thousands a month, casher. While immigrants and other invaders get triple and four digits a month to sit and look at the sun. And feed their five or more children. This is deliberate. Of course, this is European, tax payer, worked and toiled for, money.

Subject: Ostara [Easter] Group Rituals to Awaken White People [+Black Ritual!]

This was Posted by HPS Maxine Dietrich, a year ago. We have done this with monumental changes in White awareness. All White Satanists need to do this Ritual, or at repeat it.

For people who are of the Black Race there is ALSO an ongoing Ritual: Here is the link.

[http://www.angelfire.com/wizard/pixie66 ... Ritual.pdf](http://www.angelfire.com/wizard/pixie66...Ritual.pdf)

Asian people are thankfully more culturally aware than the Black and White people, especially at this point. The time will come when we will do a ritual to wipe of the jewish veneer from their midst as well specifically. In that, many Asian people have stood luckier than both White and Black people.

SPRING EQUINOX

March 21-23 [Sun should be 0 degrees into Aries]

This is the time for beginning major workings such as the Magnum Opus, which is begun at 3:00 am, during the hour of Satan.

Ostara is a powerful Pagan date for Growth, the opening of Spring, where Sun enters Aries. Its a very powerful date to start things and spark things into action or make them more fertile and lively. We need the awareness of Gentile people to raise higher, and gradually, to remove the enemy from within our midst.

Those who have done it then, we are basically repeating these Rituals to add more power to them. The all important, Satanic celebration of Ostara, is the time where Sun enters Aries. This is a most important day of new beginnings, birth, and of empowering things to reach fruition. Ostara belongs to the Goddess Astaroth, the Goddess of War and Fertility.

*If someone cannot carve or write the Runes, or consecrate with blood, **at the very least, intently vibrate these!**

Ritual to Incite White Awareness and Action

Either write or carve the following Runes:

Óðal Sól Óss

The Runes can be carved into wood, or written on paper. If you carve the Runes, vibrate each Rune while you are carving it.

To increase the power of the Runes, when performing this ritual for the first time, you can stain them with your blood. Given the dire situation of our race, this ritual needs all the power we can give it. If staining in blood, this should only be done one time. You should be continuously vibrating the name of the Rune when staining it.

There are different ways of vibrating the Runes. Feel free to use whatever suits you. The combinations of everyone performing the ritual will come together in power.

To repeat this ritual, just focus on your carved or written Runes and vibrate them as follows below. Your Rune board or paper should be securely stored in a safe place and only taken out when performing this ritual.

THE RITUAL

Raise your energies. [See link below], and recite the following prayer:

In The Name of Satan, we call forth the Powers of Hell, the Original, and True Gods of the White Race to come forth and manifest themselves. Satan, True God, Almighty and Ineffable, Who hast Fathered the White Aryan Race that reflects in Thine own image and likeness, we ask you to bestow your powers upon us.

Awaken all of our White Aryan People to the Jewish menace that works to destroy us. Incite our White Aryan People into action. Instill our White Aryan Ancestral Pride. Awaken our White Aryan Brothers and Sisters to the Menace of Christianity, Islam, and related Jewish programs so that they all may be completely and thoroughly destroyed forever.

Bestow the Power of Your Protection to our White Race and White Children worldwide.

Praise, Honor and Glory be given to You, Our True Father and to Our Original Gods!! We are Your Direct Descendants and Children!!

—

The above prayer can be either recited out loud or in your mind.

Now, vibrate Óðal, Sól, Óss, 88 times, while focusing on your Runes. You vibrate these together, not separately. Óðal, Sól, Óss is one round, then Óðal, Sól, Óss...

When you are finished, recite the following with intent:

All White People are now racially aware
All White People are critically aware of the Jewish problem
All White People are taking action to secure the existence of our White Race
All White People are working towards a secure future for our White Children

Vibrate SATANAS

Then close the ritual by stating:

HAIL SATAN AND HIS WHITE RACE FOREVER!!

For those of you who are experienced, you can raise your energies doing whatever works for you.

Subject: What's In A Movie? Krull			

What's In A Movie? Krull

Some time things get put into movies by those in the know for different reasons, sometimes to put important information into the public mind. And sometimes certain themes might arise on their own as ancient archetypes and emanations of ancient human genetic and spiritual memoires in the collective unconscious.

Take the movie Krull made in 1983, its about the earth being invaded from space by a obvious reptilian alien called "The Beast" who works to attack and destroy all the human kingdoms to conquer the planet and enslave the human race, one by one all the great kingdoms fall to the reptilian's power. The Beast, uses its technological and immense psychic powers to attack humanity. From possession of people...xianity, islam, marxism anyone, to (((changelings))) to infiltrate humanity, the changelings are beings which take the appearance of humans but are the evil spirit essence of the Beast, like what Rabbi Laitman stated jews are, and work to bring humanity down and under control of the Beast from within.

Rabbi Laitman: Jews are alien beings that came to earth from another world to conquer earth:
topic13571.html

The Beast steals the Princess at the marriage of her to the Prince, and holds her hostage to capture her power. While trying numerous times to kill the Prince. The movie reveals the Beast does this because both of them united are the only thing which can defeat the Beast. The Princess is Shakti the spiritual power of humanity the Beast tries to bend to its will to enslave the earth. And the Prince is Shiva the thinking mind the beast tries to destroy.

The Reptilian Beast is only destroyed when the Prince and Princess unite and finish the wedding rite, as the movie states their power together destroys the Reptilian Beast and sets the earth free. They destroy the Beast by the fire of their Shakti, the Princess holds the flame and the Prince directs it to destroy the Beast. Shakti is the power that Shiva directs.

This movie showed something strong. The conventional methods of fighting were all defeated by the Beast, it was only spiritual power and those who had knowledge of it that were able to defeat the Beast. This is what the Beast most feared and worked to destroy in the allegory of the Prince and Princess. The enemy has worked to keep humanity spiritually and mentality weak by dividing the male and female element of our souls to keep our spiritual power repressed. This is why they always attack, remove and corrupt spiritual knowledge.

It was only when the Prince and Princess united when Shakti and Shiva united that the Beast was destroyed. This showed this as the alchemical wedding the ancient symbol of the union of the soul, the raising of the kundalini serpent of Satan. Its not just Satan the Reptilian enemy fears the most its the power of Satan that dwells inside us in our very souls. The enemy states in their Talmud the Goyim all have Satanic Souls, because they remember this and its the power of Satan within us that terrifies them the most.

Subject: The 'Great Indestructible Jew' debunked

[The 'Great Indestructible Jew' debunked : JoyofSatan666](#)

**The 'Great Indestructible Jew' debunked :
JoyofSatan666**

One thing I have noticed is that people somehow think the enemy is just sitting, and Trump is like on the other end, same as Nixon, and the Rabbis tell them what to do. Maybe this was for some presidents, but not all. Bush for example, didn't go one inch or wake up in the morning, without reading his Talmud. Kennedy obviously wasn't such case, and he had a hidden interest to Hitler. The jews don't have complete control and dominion over the powers called 'Fate', let alone the Will of the Gods. These powers are competing on a large level.

Presidents obviously, unless we are talking of Bush or Clinton, have an Ego, and they also have a personality and their own opinions. The jews avoid these types as these create unrest. Nixon, whatever his background, this is another discussion, was being ravaged by the jews and therefore was extremely hateful. He even hated his midget, but necessary midget, jew Henry Kissinger.

As its in the Torah, unfortunately, because the Torah makes it as such through magick, leaders, even if Gentiles, are always alone and isolated to an extent, and therefore fall in favor of jews. They sic onto them, threaten them, lend to them, or surround them as their 'friends' and 'advisors' in many cases.

Even if they are jews themselves to an extent, with hybridization, always do come issues. The enemy advises the jews against hybridization, but they HAVE to be a hybrid in order to infiltrate. As thus the jews are mixed with all the races of the planet. And therefore have become the errant and schizoid race of criminals they are today, plus their reptilian blood. The rabbis hate hybridization as it creates UNCERTAINTY. Therefore they do not let mixed kikes get in Israel, because who knows? They may be the most loyal, or they may suddenly go HAM and fuck up their own.

As have done jews in the years, by betraying the agenda of their own. It was a kike that for example, published the protocols of the elders of Zion. Because why not? Who knows what this jew was subjected to? Sometimes, the family abuse in jewish families is also extremely severe, to the point that many people cannot imagine. Just take a look on how they mutilate the penises of their so called spawns.

Jews casually attack, mistreat, and brutalize their own to no end. No lifeform likes pain, and to be treated in that way, no matter how much of a borg it is. This is physical, and hardwired into the physical body, and the very simple levels of existence. Not even a worm likes to be squashed.

Do you think that the president or other people in power enjoy getting Rabbis on the phone telling them they will kill them unless they follow their orders? Or other things like that which the jews seem to do? Not even a mixed kike would like all this abuse, attacks, and defamation by otherwise its own 'tribe'.

The enemy severely abuses their own people. Do you think that since Trump might have shilled for them, after destroying their media empire, the jews wouldn't destroy him at first chance for example? The jews are a brutal race, and they are ready to retaliate. The jews are a very vicious race. No matter how much one 'serves' them and does exactly what they state, the axe always hands on top of their head. Many people as such are extremely displeased.

Internal dispute and warfare is why the jews have been in the position they are today. Not all jews are psychic, 'wise' rabbis, or elders of Zion. However all of them know the act, and all of them are necessary. Also, not all of them are geniuses, either. They also do get actually born with bad astrology charts. And some even go kamikaze against their own jews. For many reasons. This should leave us cold and nobody should feed into the false 'good cop, bad cop'. But it's a reality still.

The enemy runs a worldwide conspiracy, yes, it's extremely powerful, yes, it has lasted a lot of time, yes, it can potentially destroy everything, yes. But then we also have 'human' and 'natural' error, the Gods, our side doing magick, and situational things. So know your enemy, never underestimate them, but don't gravely overestimate them, either. Maintain a level, and a confident approach. With systematic spiritual warfare we will win.

Additionally, many people don't pay attention. The pope, and all these 'grand' traitor figures of the greys and the reptilians, the jewish seed, is bound to a very obscure, and a very damning fate. Even their best servants, will be killed, and this is in the bible. Why? Because they are a dispensable piece of shit.

In Egypt, even the builders and the commonest of the commoners had an actual super proper burial that ensured their existence for eternal life, with frequent litanies done to remember their name. And even insects like Scrabs were made into dieties, same as pet Dogs, Cats, etc. What does that tell you

about how Satan and the Gods treat life? Now we live in a numbered society, and the enemy is the one who makes this happen. What does that tell us about THEM?

The jew, unlike the rabbinical claims, is only a means to a way to the aliens. They would rather have other beings, like the greys directly, doing the job, but instead, due to opposition by our Gods, they cannot do this. Therefore, they created a cheap hybrid to do the job. And they are quite displeased, as this has took a giant while for them to catch up.

The greys are sadistically enslaved to the reptilians, completely robbed of personal intelligence and free will. They do not even have genitals to replicate. What does that tell us about the reptilians and those who 'run the game'? They hate every sense of freedom, even if it comes to their own.

Unlike Satan and the Gods who are compassionate, understanding, gave Gentiles the ability to procreate, and gave us a free and individual spirit, PLUS the means to work on our individual Soul, the enemy has created a creation of a halfling, slave, to serve them and eventually be destroyed when their 'work' is done. The enemy 'god' is so sadistic, and this can be seen in the bible. The jews even in the bible are frequently genocided by the greys and their own alien hive, because of disobedience to their 'covenant'. The jews are a slave race by definition.

In conclusion, the jews seem so extremely powerful and so evil, because people have lost their ancestral knowledge, inner understanding, and because this infection has weakened the White Race who has been ruling for a long time, to the point the jew is perceived as 'great'. The jew is an alien, savage, parasite, and 'great' insofar these objectives are in question.

Society is still advancing, and not everyone is dead. In a desperate bastardized attempt to fulfill their purpose fast, they are attempting now to genocide Whites and destroy everyone, yet again, which will yet again, be met with an insurmountable wall and extremely cutthroat resistance.

The jew is the one who should be afraid, so long people do their spiritual warfare, spiritual advancement, and education of everyone. Satan and our Gods have ruled this planet for who knows how many tens, or closely hundreds of thousands of years. Aside other elect Souls and many people who are powerful, and are also around still. The jew always makes the calculations based on what they presently know, or what they have stolen just a few hundreds of years ago.

But there are so many things we don't know, and we haven't even seen. So, let's let the Gods do their part of the deal, and we do ours.

Indefinitely, until the 'end' and furthermore, we will fight until this is a closed case.

Sieg Heil Brothers and Sisters in Satan!!

[Why Spiritual Satanism is the Best Religion in the World : JoyofSatan666](#)

Why Spiritual Satanism is the Best Religion in the World : JoyofSatan666

Spiritual Satanism is the True Religion.

No matter from where you see this matter, you can see it easily, especially if you look.

Spiritual Satanism tells the Truth on the afterlife, no bullshit added. There is no need for lying, as by definition becoming a Satanist implies one has already broken their 'comfort zone' by a long shot. We say the Truth on Karma, and how it plays out, same as endless others spiritual concepts. Satanism doesn't need to fool anyone into believing this or that, and people can see what is the case and isn't, by trying on their own. People who do the meditations see most of these things for themselves. We don't tell anyone what to 'see' in that sense. We just teach people to see, by practices that anyway are inconceivably Ancient and accepted to work by all pre-christian and pre-muslim civilizations. Truth in Satanism is a self-seeking, and also group-seeking inquiry.

We don't even need a 'bible' or something, because well, Spiritual Satanism is rooted in nature. Satanism as the enemy admits, is everywhere 'around' us. Be it in the physical and obvious level, or the higher and unmanifested levels (which we call the astral), Satanism is everywhere. From a beating heart, to the first breath of an infant, all the "Spiritual Satanic" values are there.

Let's assume for a moment that someone is a purely physical person that doesn't care for spirituality. Even them, they benefit from Spiritual Satanism, because we teach a sane morality. You don't do reckless evil, you become a civilizer, and keep your sights on becoming better. These are the people that Satan and the Gods like. Go after freedom, and fight those who seek to enslave you, but at the same time, don't be a stupid revolutionary as if revolution is your day to day job. Use judgement, common sense, logic.

Of all the religions in the world, Spiritual Satanism tells people, aside from any 'fancy' reason or any 'boogieman' to people to finally use common sense. Therefore we have nothing to divide with science at all. We cherish on the betterment of our existence and life on it, except of two small minor things: the ridiculing of the spiritual notion of man (except of jewish crap about its non-existence when their race practices spirituality en masse).

In Spiritual Satanism, you don't live for any afterlife, even if you know about it. You don't wait to die, seeking a better tomorrow. You strive to advance today. You really start understanding the universal understanding that some people named 'god', as a stupid idea to confuse people that they were destined to be cattle, same as some laws such as 'karma', and what's behind them. Therefore you are free, and you are master of your own behavior. Spiritual Satanism is both materialism, and idealism. Most religions are pretending one or the other, while as everyone can see, materialism always reigns. Spiritual Satanism doesn't need to pretend anything as simply both natures are accepted, and materialism is not excluded from Spirituality. On our behalf, everything is balanced and nice.

Spiritual Satanism also teaches order, but the necessity to revolt against slavers such as the enemy, who seek to destroy humanity for no absolute reason whatsoever. Satanism is a merciful religion to every person seeking to advance, and is against misplaced mercy and fake tolerance that helps nobody. In Satanism, everyone must advance and wage their battle.

If Satanism was to rule the world one day, it would be just the Truth dismantling the lies. Spiritual Satanists seek the highest idealism for the future of their Race and humanity, but we are also practical and realistic about what is going in existence today.

In Spiritual Satanism, no person is left behind, unless they by their own admission leave themselves behind and corrupt themselves in a loop of eternal self-destruction. We carry people out of fire, but we don't take bullets for them. We don't have any slave mentality. For order to exist, there is no need for slave mentality, as simply logic and looking at things really, creates an order.

Spiritual Satanism is also a peaceful religion. However if we are threatened and attacked, we will become spiritually brutal, and we will pay our enemies with the same currency. We don't seek the

destruction of any Gentile, no matter their beliefs, unless of course they are seeking ours. We see at people who are xians and other misguided people who have been brainwashed as rather sick, unless they attack us outright.

We know Races to exist, because well, they do. We like to see reality as it is. Being a Satanist, one always has the occult and mental powers, and the support needed to go on. No matter how low someone has sunk, there is always a choice and some adherence away to become a better being. We know there are ways to eternal life, but we also see that its in our life here that we must fight. Our views of eternal life don't make us life hating, they make us life-loving. We realize life as the greatest gift and we seek to protect and raise it to higher levels of existence.

Our so called "Anti-Semitism" is not situational, and we didn't wake up one day and decided to become anti-semetic to uselessly rebel. We know of the hidden 'agenda' that is no longer hidden anymore, because its carriers don't even hide it anymore. Its a defense against specific groups who have tried to destroy people who, like us, under the massive label of "Satanism" have tried to advance civilization. Since their attacks have been unceasing and repeated we are left with no other choice, and history has now been written anyway, many times in blood of many innocent Gentiles. Due to all of our values and devotion for life, we have had to do something. In Spiritual Satanism, we have morals, but not slave morals which promote injustice, misery and pain. We have thousands of years of evidence, anyway.

In Spiritual Satanism we take natural determinism seriously, but we also take our views seriously, which tell us that everyone should be able to prove themselves, and have the means to advance and become better. We don't judge solely by any birth, and every spiritual Satanist has all the means at their disposal to go anywhere they want and can, with their existence. For the impossible, we devise possibilities. We believe that Humanity is made to be something higher, which as we call it today, we call it "Gods".

We Satanists do respect nature, the laws presented to us by nature, and we believe all advancement should be done in harmony with Nature and not otherwise. We believe Humanity has only as much potential as it decides it has, and puts itself to achieve.

Lastly, in Spiritual Satanism, we don't teach people stupid values like 'anarchy' or being constantly in consistent and fruitless ego wars with other people. We know such values do not promote wellbeing, or civilization, but we are ready to defy values that may be damning to civilization. We teach people to fight if necessary, we would throw ourselves to fire for freedom and for individuality, but a Spiritual Satanist knows how to create a phlanx with his brothers and sisters when the time requires. We value brotherhood, with order, and sometimes a family character to it. But never to the expense of ego.

And why all of this. Because we have met Him who is called Satan.

"God" is not our slave, our fanboy, or something that we use as a car to get us where we want. Our "God" is our God, and so many more things than God, because today this word is empty and means a lot of abrahamic nonsense. Why do we respect Satan? Simply: because He is magnificent, He is known to us, He is the Eternal, and the Eternal can manifest itself. Because there is no reason why 'not'. We consider Humanity worthy. "God" or any being of 'innumerable' capability should, and is able to do this as well, to relate to people in development.

We don't teach "God" is hate, or "love". Our Gods are real beings, and like us, only infinite times more advanced, have ways which we have to understand. Our Gods are not hiding to those who have eyes to see and ears to listen.

Satan doesn't claim the position of 'God', let alone any jewish 'god'. They on the other hand, claimed HIS position, with destructive aftermath for them. Satan has had His eternal throne in all Ancient Civilizations. Satan's position is, has been, and will forever be higher and inconceivable compared to

'God'. Satan also, is the only one who leads to the 'universal consciousness' that many people call "God", but in the East is called Atman: The state of supreme consciousness of creation or simply 'god', called Samadhi, and reached by Satan's Divine Name, SA-TA-NA-MA.

We are blessed to understand that the universe on its own does not 'hate' anyone, let alone favor anyone, all of which we know to be abrahamic lies. The universe is Nature, and nature rewards or damns, depending on our choices. Some people to mystify this term, they call it 'karma', or even worse in the jewish conspiracy, they pretend this universe is a jew that hates all non-jews. So much of their disturbing lies.

As we understand Him, we call Him God, but He is so much more. He is revealed to anyone, but also the ultimate, greatest, most beautiful and the most magnificent Mystery in Creation. There are no words to describe Him, but we try. Spiritual Satanism is the Eternal Way from which we follow into the Absolute.

Spiritual Satanism is the Now, the Past, and the Forever.

Spiritual Satanism is the gateway to the Eternal Truth of the Cosmos, our Father Satan Lucifer, the God of Light, Splendor and everlasting Strength.

Spiritual Satanism is Truth, Meaning, Life, and Perfection. All this is Satan, and infinitely more.

We are approaching Him and understanding Him, that which many like to call "God", but we know how to call as Satan, whose name is Eternal Truth. To us He is real, existing, and visible to those who want to see Him. We also make sure to display what is best of our God, and people who use the Gods in the same way as the enemy dogmas do, we abolish their rights them and we drive them away. This is because, unlike xians, we know our Gods are real, are Gods are existing, and lastly, our Gods do deliver justice...

We worship Truth, approached and grasped closely by spirituality, which in anyway, enlivens and makes beings better, stronger, but also more peaceful, because it makes humans raise in consciousness and become more intelligent.

Futuristic Transhumanism : JoyofSatan666

Greetings to all our People and Satanic Comrades!

This is the giant trend of the jews for this century. You're all going to become borgs, get into a fancy VR, inject drug this or drug that, and "forever", so long the tech exists, you will be a slave of your own illusion of 'power'. You will in reality be a fat atrophied nerd. However, you will compete against other top notch people in video game "X", so it won't really matter. This is a trend that is extremely forced into newer generations, and a term that also focuses around what is called as 'futurism'. This will be constantly pushed by the jews, to finally replace real life and existence, by a digital and fake existence. We are already living in a physical existence, owned largely by jews, and filled with lies. Why not go into full VR

mode, and live DEEPER in the lies? Ever-deeper!

This has been played for a while now. This is because, the enemy wants to use the psychic and life force energy produced by the 'goyim' for their own ends. Life force = Power of "God". It makes things happen, and it creates. The Kundalini is also called the Serpent of Life.

"Futurism" and "Transhumanism" is nothing but middle ages simplified and technologically 'caught up', and nothing comes for free. So long you don't understand the spiritual Truth, it doesn't matter what you do in video games, or how many nonbots you have in your butt indeed. You are a useless species indeed. Now, if the jews put ads all over the internet, I don't wanna know what they will do with a microchip in your optic nerve...Maybe they can flash some ads on your brain or something, snap a vein? Who knows?

When humanity is beaten, powerless, and human beings have no insight to their spiritual potential, humanity starts to sink into a lower level, all the time. One becomes only flesh, bones, and a victim of everything. The enemy aliens and the jews who are in power are very aware of all the secrets that billions of others are not. They therefore use these with considerable ease, to control them as if they were ants. The only thing is that people aren't really ants in that sense. They are just reduced into ants.

The interesting thing is that obviously, there are no limits to how much technology can, or should expand. However, the trick the enemy is now pulling is to MERGE with this technology, on a linear, biological level. The argument is, since the goyim are too bored to go to their PC for google, let's hook it on their brain. Even if google has already got monumental speed. Imagine if the garbage of the internet flew in your brain, without your consensus or something. Unfiltered. So like google spies on them like cattle anyway, now we can spy their thoughts.

The above of course, like everything the jews mimic, does mimic a state of consciousness, where one can project their consciousness in a never ending sea of information. All people can do this, without any chip, and without a kike supervising the process. This can be done by spiritual advancement in the highest levels. People just need to get their act together. The jews state that this is to make 'a mass mind' of humanity, of course, assisted by the technology they supervise and create. Another fake play pretend, that is based on a spiritual concept, that is used to enslave people. Like the blueprint of the nazarene.

Now, this 'mass mind' already exists and its like, right HERE. You are part of this mass-mind, already hooked into it by nature herself. You just don't know how to get into this, because well, you have been reduced into a spiritually unaware person. One just does yoga and meditation, and as they advance, they experience the so called 'mass mind' and the mass consciousness, which is on the astral level. OF course, the jews know all of this, but the goyim that don't, get sold on any lie.

Take for example your mobile phone. What you can do with your phone, you can also do with your telepathy. However, because this ability has been forcibly removed, same as the knowledge on how to do it, they now sell it to you bit by bit. And of course, all your calls can be monitored, tapped into etc. What nature gives you for free, the enemy removes it first, and then, as the Gods force these things to re-appear, we have cellphones, and so forth the enemy tries to control these. At the ultimate pushing and when our Gods will be victorious, we will return to a totally spiritual civilization, but at the same time, extremely advanced, without binding or life damning technology, or technology of underhanded motivations.

A lot of people cannot figure out how the pyramids were built, and other marvelous things happened. The thing is, in Egypt and other civilizations, telepathy and other things were very common. The common man basically had spiritual access and could be initiated anytime they wanted. Now, the

knowledge is forcibly held on the hands of a few jewish pricks, who damn the planet on accord.

All of this 'progress' comes from the same beings and souls that made the Middle ages. And those who spent more time in the Occult than everyone else, telling them that the Occult is a piece of crap. These people are called 'jews' basically, and they are a race. Who has kept humanity enslaved for two thousands of years time.

Now, they come to liberate the goyim, as much as they wanted to liberate them with Christianity, Islam, and other fancy pipedreams of sudden and immaculate salvation, that require nothing, but to accept a microchip, or Jesus christ as your lord and savior, or get a pill down your system and everything will be given to you.

The metaphysical hoax of jesus christ and the perfect life in heaven, has later become the magickal pill that will make you understand everything and get you to elevated consciousness, and now, we have transhumanism, the magical nanobot that will get in your asshole, and show you the way to infinite and prolonged life without any disease etc. All of this is just the same cycle of lies, with the same ultimate purpose.

Of course the jews on one hand push that shit to get in research for their own borg race, and on the other gate, they fill all civilized countries with inhuman, pisslamic scum. So when things come to the correct moment, they will have attained their borg dreams, and the idiots below will be a slave, cattle mass, below them, powerless and defeated.

The human body, from the fingernails, down to the number of fingers, to the pineal gland, has a very deep occult significance, that connects with the larger fabric of creation, or the cosmos. The physical body is actually the 'all' in that sense, housing in it and being able to perceive 'everything' within creation, but only by correspondance. For example, the bones correspond, same as the base chakra, to the dimension of the physical.

As we go upwards, we reach the pineal gland, and the crown, which deal with what is called the "Absolute". In the highest levels, in our senses, the "Absolute" appears as infinite darkness in a sense, some which call it Atman. This is a reason why Satan is also called the Lord of Darkness. However, spiritual power is manifested light, this power too, comes from this "Darkness", which is not devoid of light. But shines. This is the "Black Sun" which is associated with the National Socialists, and is a worldwide hated symbol now. The closest to this manifestation also does exist in the actual Sun, and this corresponds to the Chakra of the Solar plexus as well.

Recent sciences hasn't given a question, on why Humans do actually have 'consciousness' and perception. From the writings of the enemy we can see, that the aliens of the enemy wanted us to be borgs, that had no self consciousness. Satan and the Gods gave us what is called as consciousness.

Consciousness in the linear level, is what makes you a living, moving thing that is not a borg. A borg can move, and maybe it can fly, jump, or even with the correct Artificial Intelligence program, be thinking and making decisions. However, it will never have real 'life' in it, or consciousness. It will only have lower principles. In short, it will be soulless.

A purpose on life and why Satan and the Gods emphasize on not Race mixing, is because Races are in fact different mass-souls that have their own development level. To mix one with the other, is to regress largely, rather than progress. The jews themselves aren't stupid to 'race mix' and they know that families, and ancestors, do actually account to spiritually pent up power. The jews are to avoid this, this is for the goy. The goy are to be living in the multicultural global cage of ants, and the jews are to be standing on a higher level, playing with the goyim like ants. The fate of a parasitic race is to enslave some other entity in order to reach their 'purpose' or 'end'.

After the constant spiritual evolution of a race, when the link with the 'infinite' comes in contact, at some

point, people discover what is called 'Immortality', through what is known by the Magnum Opus. This is metaphysical. The jews only fool the goyim with transhumanism. They are going to only do this for their own lesser elements. The wise of the jews know that the real power lies in the immortal spirit, that can exist irrespectively of even if you nuke it with a nuclear bomb.

The material, flesh and blood body, is what is needed for this process. The Gods aren't stupid. If they wanted to make us as borgs, they would, but this literal 'flesh and bone' which so many fools hate, is actually the link to life itself. Life itself is the most fragile element in existence, but well, it is also the strongest, and its the only thing that is in touch with the infinite potential of existence.

Therefore, only life is 'god' or the 'force of god'. And this life can only inhabit bodies such as these. The more mechanised and gross the body becomes, the less life it can house. A stone, a metal, cannot be alive. Even if it had moving elements such as nanobots in them, any amount of nanobots would never be equal in quality to the blood for example, as the carrier of life.

This deals with the astral light, and the spiritual body, which is tied into the physical body. The races are in a development stage to get into this level. Some individuals can actually do this on their own, and 'escape' the wheel of Karma, to live forever. For those who don't do this process, they will forever be damned in the repeating circle, which the jews glorify by naming their holy book after: The "Torah". The Rota is the eternal circle, that beings and human life does take, until it reaches a point to manifest itself in the most perfect and higher level way.

Lastly, the jewish race pushes trans-humanism, because they are an inferior life-form, that has no spiritual purpose of any serious sort, just to keep other humans in control and preoccupied in a rat wheel. They just want to become actual, physical borgs, as they are on the inside, because there is nothing seriously spiritual for them.

As we have written before, the jews do lack particular things in the Soul that make them an inferior species. As such the jews hate what is called "Truth", named in their writings as "Ha-Satan", the ultimate understanding, and neglect any Truth about existence or reality. They don't have any destiny for immortality, or any other such things, so they just want to desperately preserve themselves in the level of borgs.

Unfortunately, the same aliens that tried to prevent Satan from creating Humans into a worthwhile and whole creation, prevented him later from raising his creation to the highest spiritual level of intention. Our role is to help people finish this, and this is why the hidden 'overlords', greys, and other shitheads, of this petty world make themselves known spiritually to us, to let us know how right we are, and how much they are losing it.

My hope and conviction is that humanity, or at least quite a few beings, will understand that you are already sitting in nuclear power (your Soul) and achieve inner liberation and ascension. The purpose of which is to raise the self, and then gradually the whole, into the level of consciousness of the seventh heaven, or 'god'.

Only Satan can give and guide towards the real Godhead. Not short, ugly, greedy, pieces of alien life that we have been indoctrinated to accept as 'fellow humans'.

When Humanity grasps it, we will be many steps closer to surpassing our current life right now, and really rise on a higher level of existence. To not understand this, is to create a second Middle Ages, owned, run, and technologically executed by jews.

**The 'Great Indestructible Jew' debunked :
JoyofSatan666**

One thing I have noticed is that people somehow think the enemy is just sitting, and Trump is like on the other end, same as Nixon, and the Rabbis tell them what to do. Maybe this was for some presidents, but not all. Bush for example, didn't go one inch or wake up in the morning, without reading his Talmud. Kennedy obviously wasn't such case, and he had a hidden interest to Hitler. The jews don't have complete control and dominion over the powers called 'Fate', let alone the Will of the Gods. These powers are competing on a large level.

Presidents obviously, unless we are talking of Bush or Clinton, have an Ego, and they also have a personality and their own opinions. The jews avoid these types as these create unrest. Nixon, whatever his background, this is another discussion, was being ravaged by the jews and therefore was extremely hateful. He even hated his midget, but necessary midget, jew Henry Kissinger.

As its in the Torah, unfortunately, because the Torah makes it as such through magick, leaders, even if Gentiles, are always alone and isolated to an extent, and therefore fall in favor of jews. They sic onto them, threaten them, lend to them, or surround them as their 'friends' and 'advisors' in many cases.

Even if they are jews themselves to an extent, with hybridization, always do come issues. The enemy advises the jews against hybridization, but they HAVE to be a hybrid in order to infiltrate. As thus the jews are mixed with all the races of the planet. And therefore have become the errant and schizoid race of criminals they are today, plus their reptilian blood. The rabbis hate hybridization as it creates UNCERTAINTY. Therefore they do not let mixed kikes get in Israel, because who knows? They may be the most loyal, or they may suddenly go HAM and fuck up their own.

As have done jews in the years, by betraying the agenda of their own. It was a kike that for example, published the protocols of the elders of Zion. Because why not? Who knows what this jew was subjected to? Sometimes, the family abuse in jewish families is also extremely severe, to the point that many people cannot imagine. Just take a look on how they mutilate the penises of their so called spawns.

Jews casually attack, mistreat, and brutalize their own to no end. No lifeform likes pain, and to be treated in that way, no matter how much of a borg it is. This is physical, and hardwired into the physical body, and the very simple levels of existence. Not even a worm likes to be squashed.

Do you think that the president or other people in power enjoy getting Rabbis on the phone telling them they will kill them unless they follow their orders? Or other things like that which the jews seem to do? Not even a mixed kike would like all this abuse, attacks, and defamation by otherwise its own 'tribe'.

The enemy severely abuses their own people. Do you think that since Trump might have shilled for them, after destroying their media empire, the jews wouldn't destroy him at first chance for example? The jews are a brutal race, and they are ready to retaliate. The jews are a very vicious race. No matter how much one 'serves' them and does exactly what they state, the axe always hands on top of their head. Many people as such are extremely displeased.

Internal dispute and warfare is why the jews have been in the position they are today. Not all jews are psychic, 'wise' rabbis, or elders of Zion. However all of them know the act, and all of them are necessary. Also, not all of them are geniuses, either. They also do get actually born with bad astrology charts. And some even go kamikaze against their own jews. For many reasons. This should leave us

cold and nobody should feed into the false 'good cop, bad cop'. But it's a reality still.

The enemy runs a worldwide conspiracy, yes, it's extremely powerful, yes, it has lasted a lot of time, yes, it can potentially destroy everything, yes. But then we also have 'human' and 'natural' error, the Gods, our side doing magick, and situational things. So know your enemy, never underestimate them, but don't gravely overestimate them, either. Maintain a level, and a confident approach. With systematic spiritual warfare we will win.

Additionally, many people don't pay attention. The pope, and all these 'grand' traitor figures of the greys and the reptilians, the jewish seed, is bound to a very obscure, and a very damning fate. Even their best servants, will be killed, and this is in the bible. Why? Because they are a dispensable piece of shit.

In Egypt, even the builders and the commonest of the commoners had an actual super proper burial that ensured their existence for eternal life, with frequent litanies done to remember their name. And even insects like Scrabs were made into dieties, same as pet Dogs, Cats, etc. What does that tell you about how Satan and the Gods treat life? Now we live in a numbered society, and the enemy is the one who makes this happen. What does that tell us about THEM?

The jew, unlike the rabbinical claims, is only a means to a way to the aliens. They would rather have other beings, like the greys directly, doing the job, but instead, due to opposition by our Gods, they cannot do this. Therefore, they created a cheap hybrid to do the job. And they are quite displeased, as this has took a giant while for them to catch up.

The greys are sadistically enslaved to the reptillians, completely robbed of personal intelligence and free will. They do not even have genitals to replicate. What does that tell us about the reptilians and those who 'run the game'? They hate every sense of freedom, even if it comes to their own.

Unlike Satan and the Gods who are compassionate, understanding, gave Gentiles the ability to procreate, and gave us a free and individual spirit, PLUS the means to work on our individual Soul, the enemy has created a creation of a halfling, slave, to serve them and eventually be destroyed when their 'work' is done. The enemy 'god' is so sadistic, and this can be seen in the bible. The jews even in the bible are frequently genocided by the greys and their own alien hive, because of disobedience to their 'covenant'. The jews are a slave race by definition.

In conclusion, the jews seem so extremely powerful and so evil, because people have lost their ancestral knowledge, inner understanding, and because this infection has weakened the White Race who has been ruling for a long time, to the point the jew is perceived as 'great'. The jew is an alien, savage, parasite, and 'great' insofar these objectives are in question.

Society is still advancing, and not everyone is dead. In a desperate bastardized attempt to fulfill their purpose fast, they are attempting now to genocide Whites and destroy everyone, yet again, which will yet again, be met with an insurmountable wall and extremely cutthroat resistance.

The jew is the one who should be afraid, so long people do their spiritual warfare, spiritual advancement, and education of everyone. Satan and our Gods have ruled this planet for who knows how many tens, or closely hundreds of thousands of years. Aside other elect Souls and many people who are powerful, and are also around still. The jew always makes the calculations based on what they presently know, or what they have stolen just a few hundreds of years ago.

But there are so many things we don't know, and we haven't even seen. So, let's let the Gods do their part of the deal, and we do ours.

Indefinitely, until the 'end' and furthermore, we will fight until this is a closed case.

Sieg Heil Brothers and Sisters in Satan!!

Why Spiritual Satanism is the Best Religion in the World : JoyofSatan666

Spiritual Satanism is the True Religion.

No matter from where you see this matter, you can see it easily, especially if you look.

Spiritual Satanism tells the Truth on the afterlife, no bullshit added. There is no need for lying, as by definition becoming a Satanist implies one has already broken their 'comfort zone' by a long shot. We say the Truth on Karma, and how it plays out, same as endless others spiritual concepts. Satanism doesn't need to fool anyone into believing this or that, and people can see what is the case and isn't, by trying on their own. People who do the meditations see most of these things for themselves. We don't tell anyone what to 'see' in that sense. We just teach people to see, by practices that anyway are inconceivably Ancient and accepted to work by all pre-christian and pre-muslim civilizations. Truth in Satanism is a self-seeking, and also group-seeking inquiry.

We don't even need a 'bible' or something, because well, Spiritual Satanism is rooted in nature. Satanism as the enemy admits, is everywhere 'around' us. Be it in the physical and obvious level, or the higher and unmanifested levels (which we call the astral), Satanism is everywhere. From a beating heart, to the first breath of an infant, all the "Spiritual Satanic" values are there.

Let's assume for a moment that someone is a purely physical person that doesn't care for spirituality. Even them, they benefit from Spiritual Satanism, because we teach a sane morality. You don't do reckless evil, you become a civilizer, and keep your sights on becoming better. These are the people that Satan and the Gods like. Go after freedom, and fight those who seek to enslave you, but at the same time, don't be a stupid revolutionary as if revolution is your day to day job. Use judgement, common sense, logic.

Of all the religions in the world, Spiritual Satanism tells people, aside from any 'fancy' reason or any 'boogieman' to people to finally use common sense. Therefore we have nothing to divide with science at all. We cherish on the betterment of our existence and life on it, except of two small minor things: the ridiculing of the spiritual notion of man (except of jewish crap about its non-existence when their race practices spirituality en masse).

In Spiritual Satanism, you don't live for any afterlife, even if you know about it. You don't wait to die, seeking a better tomorrow. You strive to advance today. You really start understanding the universal understanding that some people named 'god', as a stupid idea to confuse people that they were destined to be cattle, same as some laws such as 'karma', and what's behind them. Therefore you are free, and you are master of your own behavior. Spiritual Satanism is both materialism, and idealism. Most religions are pretending one or the other, while as everyone can see, materialism always reigns. Spiritual Satanism doesn't need to pretend anything as simply both natures are accepted, and materialism is not excluded from Spirituality. On our behalf, everything is balanced and nice.

Spiritual Satanism also teaches order, but the necessity to revolt against slavers such as the enemy,

who seek to destroy humanity for no absolute reason whatsoever. Satanism is a merciful religion to every person seeking to advance, and is against misplaced mercy and fake tolerance that helps nobody. In Satanism, everyone must advance and wage their battle.

If Satanism was to rule the world one day, it would be just the Truth dismantling the lies. Spiritual Satanists seek the highest idealism for the future of their Race and humanity, but we are also practical and realistic about what is going on in existence today.

In Spiritual Satanism, no person is left behind, unless they by their own admission leave themselves behind and corrupt themselves in a loop of eternal self-destruction. We carry people out of fire, but we don't take bullets for them. We don't have any slave mentality. For order to exist, there is no need for slave mentality, as simply logic and looking at things really, creates an order.

Spiritual Satanism is also a peaceful religion. However if we are threatened and attacked, we will become spiritually brutal, and we will pay our enemies with the same currency. We don't seek the destruction of any Gentile, no matter their beliefs, unless of course they are seeking ours. We see at people who are xians and other misguided people who have been brainwashed as rather sick, unless they attack us outright.

We know Races to exist, because well, they do. We like to see reality as it is. Being a Satanist, one always has the occult and mental powers, and the support needed to go on. No matter how low someone has sunk, there is always a choice and some adherence away to become a better being. We know there are ways to eternal life, but we also see that its in our life here that we must fight. Our views of eternal life don't make us life hating, they make us life-loving. We realize life as the greatest gift and we seek to protect and raise it to higher levels of existence.

Our so called "Anti-Semitism" is not situational, and we didn't wake up one day and decided to become anti-semitic to uselessly rebel. We know of the hidden 'agenda' that is no longer hidden anymore, because its carriers don't even hide it anymore. Its a defense against specific groups who have tried to destroy people who, like us, under the massive label of "Satanism" have tried to advance civilization. Since their attacks have been unceasing and repeated we are left with no other choice, and history has now been written anyway, many times in blood of many innocent Gentiles. Due to all of our values and devotion for life, we have had to do something. In Spiritual Satanism, we have morals, but not slave morals which promote injustice, misery and pain. We have thousands of years of evidence, anyway.

In Spiritual Satanism we take natural determinism seriously, but we also take our views seriously, which tell us that everyone should be able to prove themselves, and have the means to advance and become better. We don't judge solely by any birth, and every spiritual Satanist has all the means at their disposal to go anywhere they want and can, with their existence. For the impossible, we devise possibilities. We believe that Humanity is made to be something higher, which as we call it today, we call it "Gods".

We Satanists do respect nature, the laws presented to us by nature, and we believe all advancement should be done in harmony with Nature and not otherwise. We believe Humanity has only as much potential as it decides it has, and puts itself to achieve.

Lastly, in Spiritual Satanism, we don't teach people stupid values like 'anarchy' or being constantly in consistent and fruitless ego wars with other people. We know such values do not promote wellbeing, or civilization, but we are ready to defy values that may be damning to civilization. We teach people to fight if necessary, we would throw ourselves to fire for freedom and for individuality, but a Spiritual Satanist knows how to create a phlanx with his brothers and sisters when the time requires. We value brotherhood, with order, and sometimes a family character to it. But never to the expense of ego.

And why all of this. Because we have met Him who is called Satan.

"God" is not our slave, our fanboy, or something that we use as a car to get us where we want. Our "God" is our God, and so many more things than God, because today this word is empty and means a lot of abrahamic nonsense. Why do we respect Satan? Simply: because He is magnificent, He is known to us, He is the Eternal, and the Eternal can manifest itself. Because there is no reason why 'not'. We consider Humanity worthy. "God" or any being of 'innumerable' capability should, and is able to do this as well, to relate to people in development.

We don't teach "God" is hate, or "love". Our Gods are real beings, and like us, only infinite times more advanced, have ways which we have to understand. Our Gods are not hiding to those who have eyes to see and ears to listen.

Satan doesn't claim the position of 'God', let alone any jewish 'god'. They on the other hand, claimed HIS position, with destructive aftermath for them. Satan has had His eternal throne in all Ancient Civilizations. Satan's position is, has been, and will forever be higher and inconceivable compared to 'God'. Satan also, is the only one who leads to the 'universal consciousness' that many people call "God", but in the East is called Atman: The state of supreme consciousness of creation or simply 'god', called Samadhi, and reached by Satan's Divine Name, SA-TA-NA-MA.

We are blessed to understand that the universe on its own does not 'hate' anyone, let alone favor anyone, all of which we know to be abrahamic lies. The universe is Nature, and nature rewards or damns, depending on our choices. Some people to mystify this term, they call it 'karma', or even worse in the jewish conspiracy, they pretend this universe is a jew that hates all non-jews. So much of their disturbing lies.

As we understand Him, we call Him God, but He is so much more. He is revealed to anyone, but also the ultimate, greatest, most beautiful and the most magnificent Mystery in Creation. There are no words to describe Him, but we try. Spiritual Satanism is the Eternal Way from which we follow into the Absolute.

Spiritual Satanism is the Now, the Past, and the Forever.

Spiritual Satanism is the gateway to the Eternal Truth of the Cosmos, our Father Satan Lucifer, the God of Light, Splendor and everlasting Strength.

Spiritual Satanism is Truth, Meaning, Life, and Perfection. All this is Satan, and infinitely more.

We are approaching Him and understanding Him, that which many like to call "God", but we know how to call as Satan, whose name is Eternal Truth. To us He is real, existing, and visible to those who want to see Him. We also make sure to display what is best of our God, and people who use the Gods in the same way as the enemy dogmas do, we abolish their rights them and we drive them away. This is because, unlike xians, we know our Gods are real, are Gods are existing, and lastly, our Gods do deliver justice...

We worship Truth, approached and grasped closely by spirituality, which in anyway, enlivens and makes beings better, stronger, but also more peaceful, because it makes humans raise in consciousness and become more intelligent.

Subject: Shiva is Satan			

Shiva is Satan

The symbol of the Ankh in Egyptian has a specific name its a letter that spells the name of a divinity. The Ankh is in two parts the top is the Shi letter and the shaft the Va letter in Egyptian. This in Egyptian symbolism forms the formula of the Ankh which spells Shiva. And is called: Infinity, Eternity. This symbol later becomes the trident letter in the ancient alphabet. The concept of infinity or eternity in Sanskrit is called Sat-an.

The Ankh is originally called An in Egyptian. In India, An is also a ancient name of Shiva. Who carries the trident. The symbol of the Ankh in Egypt is the Trident in the east.

The An is also called the Anki in Sumeria, which had the same culture as the Egyptians. Anki is the proper spelling of Enki. Who is also called Satan in Sumeria as well.

In ancient Sumeria:

As Laurence Gardener showed in his book: Genesis Of The Grail Kings that....

"The Serpent Lord was Enki, but in parts of Chaldea[my note Sumeria] He had been called Shaitan."

Anki is called the Lord of the Eye. The Eye of Shiva in Hinduism. The Ankh was drawn in Egyptian art pointing to the forehead to symbolize the open eye.

The Ankh is the symbol of life in Egypt and Anki is the God of the Waters of Life in Sumeria. Shiva as a mantra is used in the head to activate the pineal gland which secrets the dew which is the water of life the Soma or Amrit which means "Immortality" in Sanskrit. Satan is also Satanama in Hinduism a mantra to open the third eye.

Shiva is Satan. The ancient texts in the east and near east state that Shiva ruled the golden age of humanity in Kumara Kandam and taught humans spiritual, cosmic knowledge so that humans could ascend, in the first Sangha. This is Satan.

Anyone Can Advance : JoyofSatan666

The thing is, everyone can advance spiritually, no matter what. Even Race in that one, is not self definitive at all. Anyone, no matter who, or what they are, or what their conditions, can advance, simply because, every Gentile has Soul, Astral body and consciousness. And everyone can develop these big powers as well with loyalty and diligence, same as knowledge.

Those who are naturally more spiritual either from family or past lifetimes, will just do this relatively faster. This is not some sort of useless competition, it is, what it is. Nature is really 'for justice' when it comes to such things. However especially since Spiritual Satanism does give a giant push by raising out of the initiate a lot of very high level astral filth, everyone can advance way faster than most other people out there. Because one becomes member of a family of the Gods, so they oversee those who follow through this decision.

As I have said again. The Gods are Just. Instead of preaching false equality, that of flattening all races and all orders, and attacking life. The Gods have been Just and loving towards their creation by giving us the means to meditate. Which everyone, irrespective can utilize. Your evolution now is largely upon your hands, and solely not on the hands of 'fate', 'chance' whatever.

Even a person who is mute, blind, or has had anything else happen to them, can develop spiritual power. It really doesn't get more 'egalitarian' than that. The peasant or the billionaire can get for themselves powers equally. Any being can prove their worth, by their own admission.

Many people are scared about National Socialism. "Where do I fall in this order! Will this guy X be above me? Maybe I will be run over by others?". All of this is gibberish. Its your CHOICE where you fall into this order of life, cosmos and nature. Even if one has been given lemons, they can make lemonade, or put them in their eyes and cry like a passive aggressive victim and slave.

Ideally to escape suffering, we have correct these things, either by re-reincarnating the Soul into a more decent body, or by healing them. Advancing spiritually has few rules, and this is on the blueprint of evolution. All Gentile Races can advance, and all Gentile Races, do have in them, people who are by nature adept, or can become such.

It's honestly a matter of choice. Nature has few things to do with it. Also, if one lacks any ability, there are always other routes to advance. No matter what, one can advance. Additionally I also believe and have known for a long time, that with diligence, even if one is very 'old', can experience enlightenment to a degree.

I have known a person who was in their seventies, and did the dedication to Satan. Within a year, they have had a lot of spiritual experiences, and also, they died the following years in bliss, serenity and a smile on their face. For one time in their lives, they experienced peace and a feeling of power.

It's only a matter of choice.

Subject: RTR ADD ON TO THE 72 STINKING NAMES

I've added more to the "72 Name" Reverse Torah Ritual. The more I learn about the enemy, the more appalling this gets.

Here is a bit of what the "72 Name" is all about:

The "Lesser Key of Solomon" below is also known as "the Goetia." The prefix "Goe" which is of the Devil [Satan] and GOY.

"The "72-fold name" is highly important to Sefer Raziel,[5][7] and a key (but often missing) component to the magical practices in The Lesser Key of Solomon.[8] It is derived from Exodus 14:19-21,[2][4][5][6] read boustrophedonically [3][8] to produce 72 names of three letters. This method was explained by Rashi, (b. Sukkah 45a).[9]Kabbalist and occultist legends state that the 72-fold name was used by Moses to cross the Red Sea, and that it can grant later holymen the power to control demons, heal the sick, prevent natural disasters, and even kill enemies.[6]"
The above taken from:

https://en.m.wikipedia.org/wiki/Shem_HaMephorash

Destroy the torah and this will destroy all Jewish control and power. The 72 name of god is the foundation. The torah is so sensitive that the Jews will not burn it or trash it when it is too old and/or worn to be used anymore. They bury these scrolls in a special cemetery. I'm not going to go into any great detail here, but suffice it to say, this is their most sacred and sensitive power. By defiling these, as given in the adding onto the 72 Name RTR, this is destroying the torah and their "Names of God."

The Jewish Kabbalah contains everything stolen and corrupted from Gentile Pagan religions, all of it, put into code words and allegories. This was passed down, mainly orally [as given the secretiveness] from rabbis and their students for centuries and has to do with the workings of the mind and soul and with meditation and so-called witchcraft. The reason [as I've stated before], the bible and especially the torah have so much power is that each of the Hebrew letters has been infused with power and energy through many centuries. I read recently where Jews claim their torah scrolls are actually vibrating power.

In addition, the Jews themselves have no issues with hate. They fully acknowledge it while incessantly coercing suicidal "love" and tolerance for Gentiles.

In closing, one should be aware of the extent to where they Jews take over everything and work it to their agenda. What is really appalling is how certain high profile Satanic organizations, one in particular, is completely controlled by Jews and dominated by Jewish mysticism. Most Gentiles are unaware due to the fact that there is a lack of in-depth knowledge regarding Judaism, their Kabbalah their Torah, dietary laws and use of Kabbalistic magick. This is abominable to say the least. Then Satan becomes "just an archetype" and our Gods "just aspects of one's mind" and so forth. These affronts to Satanism then work to promote the Christian concept of Satanism and give support to the Christian concepts of what Satanism is.

I also note that many Gentiles who have used Jewish Kabbalistic workings and magick, such as Aleister Crowley, met with disaster. Those goddamned Jews have been putting curses on and reinforcing those curses against Gentiles getting too knowing regarding their secret teachings and such [All stolen].

As for those who are new. I again ran across new members in the teen group who posted recently in regards to being frightened and having doubts. This is all due to a lack of knowledge. Once you learn the truth past a certain point, there is NOTHING that can ever influence you to go back to Christianity, Islam, etc.

The bible, the stories, everything that was corrupted and stolen [the entire bible is full of nothing but stolen and corrupted concepts, made into Jewish characters and places], was written by rabbis, NOT any "word of God." The reason, again, why the bible and Christianity, Islam, etc hold so much power is because of the energy that has been infused in these LIES for centuries.

Subject: Theft Based Capitalism The God Of The Jew

Theft Based Capitalism The God Of The Jew

Karl Marx, a rabbinical class Jew, himself. So who would know better, stated the god of the Jews is money. He was right the Jewish term for money "Shekel" contains the term EL which is the Hebrew name for their god, El. Shek also means King in the sense of lord. Shekel really translates to "Lord

God".

Capitalism is just the Torah applied to economics', pure capitalism is the slave trade, global monopolies, global money lending and debt slavery, and money oligarchs running a globalist plantation state of the (((rich))) and the serfs (Goyim the cattle) in a neo feudal system, as the Torah instructs the Jew to use usury banking like the Federal Reserve to take over the Goyim nations, steal all their lands and make them slaves to the Jewish owner class. Just like they did in the tale of the Jew, Joseph the first Rothschild, in Egypt. The Jews took the Egyptians over with Capitalism, by pawn broking the Egyptians into debt slavery with ancient banking usury and then stealing their actual properties in return, and turning them into debt slaves on their former lands, to the Jewish owners.

However the lesson was the Pharaoh stepped in and shut them down. Hence Communism eliminates all opposition to the theft and enslavement of the Goyim totally. Communism is the finalization of Capitalism. The transfer of wealth to one percent of Jewish Oligarchs, the destruction of the Gentile ruling and educated classes and land owners. And the transformation of the entire region into a open serfdom of farms and factories where the Goyim toil for their Jewish masters for starvation rations. And get marched off to slave camps to be worked to death to mine the Jewish Oligarchs their precious... golden shekel.

Note Tolkien wrote Lord of the Rings, in a back drop socially of a time when even Churchill was admitting the Jewish agenda with Marxism and Capitalism in the presses, Churchill would know he was on the dole of the Rothschild's, as the book by the Jewish writer Sir Martin Gilbert, "Churchill And The Jews" states . This was well known in England by most people.

What lesson did Tolkien put in his books..... An evil being in Mordor using the power of a evil mount [Zion] to create a golden ring the power of the gold of the Jewish Globalist Banking Oligarchs, that this evil being puts his evil essence [black Torah magic] into to bind the rulers of the nations [Goyim] to his evil Globalist regime. And one by one takes them down and destroys them by internal subversion and external warfare. To create a global slave state run by him.

What did Tolkien call the symbol of the power of the Ring in his book.....Golem.

The Golem is a being made from mud by a rabbi who is master of Kabala, black Jewish witchcraft and infused with the essence of the Jewish Rabbi by the power of the Jewish Alphabet which 22 letters is also the names of their god, which form the Torah, and then the Golem with this is turned into an animated servitor to do the Jews bidding.

This is the model for how Jews use Capitalism to take over Nations. Its the blue print right in their Torah.

As we can note right in their Torah how the Jews have turned money into a religion and god:

Spiritual meaning of Shekel

That a shekel signifies the price or estimation is evident from the following passages in the Word; in Moses:--

And all thy estimation shall be in the **shekel of the holiness** (Lev. 27:25).

And in another place:--

When a soul hath committed a trespass, and sinned in error from the holy things of Jehovah, he shall bring his guilt-offering to Jehovah, a ram without blemish out of the flock, according **to thy estimation, in silver of shekels, after the shekel of holiness (Lev. 5:15).**

From these passages it is plain that by a shekel is signified the price or estimation. It is said the shekel of holiness, because the price or estimation has regard to truth and good from the Lord; and truth and good from the Lord are the holy itself in the church. For this reason it is called the shekel of holiness in other places also (Exod. 30:24; Lev. 27:3; Num. 3:47, 50; 7:13, 19, 25, 31, 37, 43, 49, 55, 61, 67, 73; 18:16).

6] That the shekel denotes the price of what is holy, is clearly evident in Ezekiel, where the Holy Land and the Holy City are treated of. It is there said of the shekel:--

The shekel shall there be twenty gerahs; twenty shekels, five and twenty shekels, fifteen shekels, shall be your maneh (pound) (Ezek. 45:12);

that here by shekel, and by pound, and by the numbers, are signified holy things, that is, good and truth, anyone can see; for the Holy Land, and the Holy City in it (or the New Jerusalem there treated of) is no other than the kingdom of the Lord, where neither shekel nor gerah nor pound, nor the counting by them, but the number itself, from its signification in the internal sense, determines the estimation or the price of what is good and what is true.

[7] In Moses:--

They shall give every man an expiation for his soul lest there should be a plague, half a shekel, after the shekel of holiness: the shekel is twenty gerahs and the half shekel for a therumah (an oblation) to Jehovah (Exod. 30:12, 13);

where ten gerahs, which are the half shekel, denote the remains which are from the Lord. Remains are goods and truths stored up with man, and these are signified by ten, (AC 576, 1738, 1906, 2284); and also that remains are goods and truths from the Lord stored up with man, (AC 1906, 2284). These therefore are called an oblation to Jehovah, and it is said that by them there shall be an expiation for the soul. The reason why it is so often said that the shekel was twenty gerahs, as in the passages quoted, and also in (Lev. 27:25; Num. 3:47; 18:16), is that the shekel which is twenty gerahs signifies the estimation of the good of remains. That twenty signifies the good of remains may be seen above, (AC 2280). On this account the shekel was likewise a weight, according to which the value both of gold and of silver was estimated (Gen. 24:22; Exod. 38:24; Ezek. 4:10; 45:12); the value of gold, because gold signifies good (AC 113, 1551, 1552); and of silver, because silver signifies truth (AC 1551, 2048). From all this it is now plain that by land of four hundred shekels of silver is signified the price of redemption by means of truth. It is called land because the subject is the spiritual church, which is reformed and regenerated by means of truth from the Lord (AC 2954). That by land is signified the church, (AC 662, 1066, 1067, 1262, 1733, 1850, 2117, 2118).

Subject: They Will Fear Us...

[They Will Fear Us... : JoyofSatan666](#)

They Will Fear Us... : JoyofSatan666

Greetings to all our People and Satanic Comrades.

Many people have yet to understand the magnitude and importance of the undertaking we have in our hands today.

Other people falsely blinded by present circumstances, others because they are historically oblivious, while others because they are in the bed with the enemy and they think their small and sorry life is so important do reject this.

If we look at history outside the mainstream, in what Ancient sites left for us speak openly, we see the Greatness of a spirit in Humanity that was very powerful, noble, and great. This spirit has not even been approached, let alone surpassed, today.

The jews and many others do happily laugh about it, boast that this is over. They play their palms against one another and smile over how none of these people don't exist anymore.

That's what they want you to think or assume. Spirituality reveals differently.

They proclaim that their religions are dead, and that their old rival races like the White people are going to go extinct. As the paranoid, scrawny villain, they shake and shout as they think their victims are done with. They believe they have successfully carried out their purpose, that of en-darkening and destroying the mass consciousness of the planet.

However at 2012, what the jews have lied about, was again, their century old lie. That of a sudden salvation that would happen by a rabbinical thoughtform named "Jesus". So life, faith and finances had again to be sacrificed for this salvation. In lying about astronomical dates to keep their old lie going, they covered the Truth.

What is important about this date, is that this was the reaching of the end of the Dark Ages in the cosmic earthy cycle. Hitler, the Divine Incarnate, believed by all Pagan Cultures in different titles, came and stopped the enemy exactly at the climax of their cause, preventing them from fulfilling their purpose of finally enslaving this "foreign" planet. It's not me saying this, it their "wise" tribal men.

Now, with the rise of the Age of Aquarius, our spiritual warfare, and our people who are again rediscovering the meditative and spiritual Truth, we stand a chance to overthrow these liars and deceivers who have desecrated humanity at large. We have given to everyone the means to meditation, the knowledge, and we are lighting the way ahead.

Few people will understand the undertaking at a massive scale. All of these who were early on this ship, we didn't exactly know where this ship was going. We believed in it. And walked, no matter what, forward.

Now, we are growing into a vast army, and we know where this is going. The people who have been with Satan for many lifetimes, and these spiritual souls who have inherited sparks from the Gods, will seek them again, and will fight for them.

This is crucial and necessary if Humanity is to ascend towards a more powerful Golden age than ever before. This is our work. The end of this epoch requires a lot of cleansing and destruction in the spiritual realm. And a lot of healing and uplifting. Humanity has been ravaged, and balance has been quite overthrown. Most people can feel this all the time as they are going about their lives, even many people

who are willingly ignorant.

The air of the times is blowing favorably. However, do not forget, everything can go BOTH ways. The enemy must be destroyed spiritually so that we do not experience the unfavorable circumstances that these dark alien minions want to materialize. Neither anyone should accept their leadership in any form. They bled the planet dry. Things have reached a critical point in our age now.

If the enlightened spiritual rulers were to rule, we would not have to experience all this misery as we did in the Age of Pisces. The Ancients had taken measures to prepare, such as their megalithic structures.

The age of stupid wars, complete removal of spirituality, the worst and deadliest Jewish programs of Judaism, Islam and Christianity, deception as the rule, damnation of history, and flattening of historical sites, this era was so negative due to the alien invasion that took place.

It was supposed to be an era of compassion...

Only the Jews received this false compassion. The alien predator that wanted to destroy us, rode on this compassion and became a slave leader. Rallying people to their mass death. People in reality stopped to show compassion even to one another. Mother would fight the son, and son the father, over disagreement and non-acceptance of a Jewish rabbi named Jesus Christ.

Helping others became to be their slave, spirituality was replaced by pills, love became nothing but an artificial statement. Spirituality to emulate drinking blood of rabbis at Sunday. The Jews as the rot of existence personified, tried to make this permanent and destroy everyone for pure malicious self "interest".

Anyway, remember, the tide can be used by any ship to fare. Ours or the enemy's. It's more on favor for us, as we are in alignment with the greater and benevolent forces of these times, and our Gods. But the enemy may try to hijack this.

We must fight them to the end and sink them completely. If you do not understand your bright part of this purpose, look deeper. In the seat of your Soul you will find where you really belong, and Satan's purposes. Which are nothing but sinister, evil, or dark. Darkness is light turned inside out. The darkness will become the light when the element that causes seeing light as dark to be removed. The enemy.

Those who are spiritually guilty, they will fight us and they will fear us. For the simple reason we are what they have tried to desecrate and destroy, in order to flatten everything successfully. This can never be allowed to happen.

May we all be blessed to continue to fight for the Gods and Satan, and we shall be granted victory.

SIEG HEIL BROTHERS AND SISTERS!

HAIL SATAN!!!

Subject: Superiority			

[Superiority : JoyofSatan666](#)

Superiority : JoyofSatan666

I notice most people have a hangup with understanding what Superiority is. This is because everyone lies to people, and this so called superiority they preach is actually on the basis of false entitlement and

the lie that everyone is equal. Nothing and nobody is and neither should be equal.

People do not really hate superiority. Everyone affirms to it even if they do not accept it. Most people hate a false fake superiority complex. Created by jews to elevate them into a fake status. This is what makes people either mimic them (like we wuz kangz or muh KKK Muhstard Xianized white jewsus) do. Others just hate this so they neglect superiority all in all.

When someone claims for example, Whites are superior in civilization or something else, many people get crazy. I see this in Black fellows who are early on their education in this Satanic school. Very very few people get angry at facts. I am not going to go to Africa and pretend I am an African Plant expert now...Will I? Or go to China and tell them that I know better Chinese medicine while I know nothing about it?

Social superiority the enemy has made a reason of warfare, race hatred and strife. But before you grow angry bear with me before attempting to go crazy.

Here we have a millionaire in business. If he ever were to offer you help on how you can make enough to feed your family easily, what would you say? Fuck off, I am superior to you? Will this earn you money, or a good family, or knowledge?

Another example is how arts like Qi Gong have masters in China or elsewhere. Without these people, Qi gong might have been lost. They withstood a purge of one hundred million Chinese people by Communists and still managed to keep this art alive. Does some xian cucked pastor know better than them? Obviously, NOT.

A car engineer comes to you when you have a broken engine, and offers you help. You do tell them fuck off, and that you are superior? Then remain in Nevada desert.

Not only not accepting superiority and having no sense of it is deadly and a disaster, but it leads someone to being incapable and lonely. The jews force this down the throat of many people in order to keep them dumb and enslaved. This only goes for Gentile to Gentile, never kike-gentile relations. To the jews, they have programmed their Goyim to accept the worse and ugliest jew as master.

Do you see the pattern?

Do you see how this hampers potential? This is the same thing the jews do to instigate other Races against Whites or the West.

To examine this is quite easy. You have a surgeon here. This surgeon has labored for 15 years in college and many other things, learning everyday about his craft. If you are to go to him for a very important surgery, would you rather trust yourself to do your surgery on yourself, or would rather they do the surgery? Are you equals when this Surgeon has saved hundreds or thousands in his life? While you cannot even self diagnose?

Wouldn't it be accepting his superiority a matter of a life saving thing? He can do you thousand times better than you can do to yourself. And that's lovely and glorious. Not a reason to feel "muh superiority". In fact if you act superior for your stupid desires, you may die. And how superior will you be dead then?

The jews of course in regards to White hate, and hate as they do to China-Taiwan, Korea etc (dividing people) they are like "KILL THE FUCKING SURGEON! YOU WILL FEEL BETTER HAVING NOBODY SUPERIOR TO COMPARE TO!". This is exactly what will kill you first and foremost by your own admission. And many others. This is the largest mindset of the jews and how they rot civilization from within.

The jews prey on the superiority complex of the goyim, which is created because infact all goyim are made into unspiritual cattle that does not understand the value of superiority.

Of course there are negative aspcts of superiority. A drugged out, dwarf kike, joe shlomo, comes to you and demands you to be their Goyim slave, making nothing good for you and out of you. Here is where judgement is needed. Do you put this parasitic virus in their position? Or do you become a slave because the bible says so?

In closing, Satan and the Gods are our Superiors. This is great, and the fact they want to help us is an amazing opportunity. Those who do not seize this will be damned, because there is nothing higher to do than commune with these amazing beings.

Those who have 'negative superiority' issues, many times just have self problems and self awareness issues. Not really superiority issues. These like any other fear, or worry, or lack of will, must be brought into light and healed.

Everyone just heal, and chill. As Satanists you are already on the path. Just walk it on your own terms and elevate as you go. If you fall raise again up, and continue. Its not that hard if you don't make it hard for yourself.

As one wise Rabba stated: "Only the Jew is in the image of g-d!". "The purpose of the Goyim (Non Jews) is only to serve the People of Israel!"- Rabbi Schneerson.

DO NOT READ BELOW IF YOU ARE EATING OR SOMETHING!!! SUCH BEAUTY CANNOT BE CONTAINED IN ONE STOMACH!!

Therefore as a bad goyim that tries to repent, I went online to find the image of G-d, so that I have something to wurshit. I am a wurshitter by nature when it comes to the chosen.

I tried hard to find all these beauties online. We have to realize the splendor and grace of g-d.

All of you sinners need to VOTE. Who is the cringiest beauty in which G-D ultimately expresses itself?

If you have more recommendations, of course post them.

**Becoming Better...But Aren't You Bored :
JoyofSatan666**

Greetings to all our People and Satanic Comrades.

Becoming better is what you can do best with your time and existence. So many people fall on their knees asking for help, want everything done for them by others, or just want universal freebies.

Others constantly, too bored to meditate or advance, ask for help from the Gods on a paranoid frequent basis, basically just asking the Gods to be their pets and live their life for them. Of course they create all these fancy reasons.

One believes they were a god in a past life, others say that well, I dedicated my soul so I deserve it. Others just think the Gods are their tools. Others are too busy wasting their existence and just need to maintain their useless pleasure that exists ontop of the suffering of others. Which it basically also prolongs. Because well, its Muh Right to do so.

Lazyness is basically a big trend right now. Like huge.

Everything in human creation has took effort to be created. The less effort, the less work, the more low the product. Of course, lazy lifeforms are useless and meek, and unless they find other people to be their parasites, they die off like pest. Because this is what lazyness is.

Advanced or non advanced civilization, how beautiful one is or isn't, everything that exists and moves, has labor put in it. So that you exist here today to be whatever you are, generations have fought the battle of survival. The more labor and vitality, the better the product.

Of course if someone is better off than others, why is this the case? If we take someone who lets say had a financial success. Why is this the case?

Because someone at some point in their family tree, decided to make wealth. If someone is healthy, even unconsciously, others before them, have decided in an unconscious level for a better partner. If someone is intelligent, chances are their ancestors at least had used their brain more.

There are no freebies in nature. Whomever believes in freebies is just blind to the laws of reality.

On the other hand, reality is very just. It gives some common things and abilities to almost everyone. This is the living consciousness. The Gods have also been just. They taught us how to use this living consciousness energy, the same energy that comes from seeds and creates all this abundance, if so we want, we can use it. This is done through meditation.

All wrongdoings can be, to a lesser or greater extent, be corrected with such. If society advances and rhe worthy push it to advance; civilization raises a level. Disease, poverty and many other things disappear, with the mastery of people over their environment. As Hitler stated, Humanity is becoming God.

There are many people who are totally flat lazy; do nothing for themsleves or for anyone else. These people are trashy; and they are in fact the cause of all the worlds perils. The jews are in the fact the ugliest and laziest of all the living humanoids on the planet.

All they exist for is just stealing from others. The same route follow many others. What they steal from the host nations is actually far better than all the "Pyramids" they claim they would be building. Instead they steal wealth through the jewish program of "mercy".

"Ye Goyim I would be building muh Pyramids but instead I have my twenty children raised by your taxes". We can say that the more life hating people are, the more they tolerate, stand for, and go after lazyness, and accept it within their midst.

With he rise of anti life hate of xianity, all these useless beings life and thrive. This is why you see all trashy Whites are too fond of xianity, jebooisim, and all the like. They scma the working clasa of their own race aside jews, share da loot, and exist for so long they do, until they die off. Leaving nothing behind than ruin.

Then peolle ask why Gods are Nazis. Basically we call them Nazis. Ita a system of labor and production that is known to us like that. In plain rules is that while eveyone offers whatever and however they personally can, within reasonable limits, they live and thrive. Those who are parasites, the just take the road down and have no place among those who do. And go live wherever their "lifestyle" is applicable.

In short, restoration of natural law, and no favoritisms and shit. You will be, who you make yourself to be. The means are at the disposal of all race specimen, unlike capitalism where the means of doing anything are stolen by jews. So others even if they want do, can't do shite.

Honestly lazyness is just plain retarded. For a few hours in one's day, one can meditate and

permanently become a better person. Not even hours. By a few minutes in your day you can become so many times better. Its easy.

The lazy try to hack reality unsuccessfully all the time. One example is drugs. Too bored to look within, the drug user wants to feel "amazing" without being amazing, or doing anything that would cause such result...So here comes a Jew with a pill, they feel amazing for a couple of hours, then they crash two adobes lower than what they were. The Jew comes with another pill..

However the Gods taught us some really nice passivity (which today is basically lazyness). Basically what most people suffer from is inertia- they do not move. Passive or Shakti energy is not inert, its a more effortless way to force. That produces results.

And is the creative Passive Shakti operating. That of magick and meditation. Aside with one's physical merit, one will definitelt advance. Many people are saying crap that emditation is tiring, they cannot do it, or they can't take the time.

Apparently they cannot be sitting down comfortably and just being in deep chilling on a meditative state. And advance their Soul by easy mantra repetition and flexing in hatha yoga. Yes, too forceful. What do you mean do some runes to make my life better?

Aren't you people who think like that bored of suckery, never getting what you want, feeling horrible, and running on a ratwheel? But well this is reality. Sitting on Slothz mode and becoming better is tiring. Being played around like a ball by the universe and everyone else is not tiring at all.

What MORE could the Gods have given the laziest of bummers to get better? I mean its like sleep without the sleep. You just stay focused. Then doing a couple of things in your day to eh, become a better being. If even THAT is too hard, then WHAT is any life worth anyway? Might as well sleep eternally.

Plz daddy Satan I am sitting here by this nasty toilet. Don't you love me..if you do please help me. I dedciated my soul. Aren't you intrested? My soul is very important eventhough I never worked on it for shit. Hey what do you mean there is no help because I have a habit for going and sleeping sround nasty toilets whule playing the baby? Maybe I am in the wrong religion . I will change...OR...I GO FOREVER! NOBODY IS MORE USEFUL THAN ME SITTING BY THIS TOILET. I was too lazy being lazy, so you cna understand. I COMMAND YOU TO CARE or I LEAVE! ARE YOU GOING TO GIVE ME FREE HELP OR NO?

And as the air blew, a semi sleeping Sloth said..."GTFO"..."Get real" ...it continued.

Maybe you need to stop being lazy about being positively meditatively, lazy. And be really good lazy in a productive way. Which means to actually work for things and experience the glory of achievement in all levels.

Jews Behind Trying To Censor Utube

The Jews because they have done and do so many criminal things to everyone else, as the alien soul of Jewishness commands in the Torah and Talmud, naturally have to censor all free forms of media, otherwise they simply can't get away with being Jews to everyone, anymore. So no surprise

here is a Jew, Jewing all Utuber's out of years of their own hard work and deserved profit's of their labour with censorship, Jews always hide behind false humanitarian motives and emotionally manipulative, Pavlovian jewbberish. Why are they really doing this....

The advertising boycott related to extremist content on YouTube will cost Alphabet \$750 million, an analyst predicted Monday -- and another, Pivotal Analyst ((Brian Wieser)), just doesn't think Google is working quickly enough to solve the problem.

"CMOs were genuinely unaware of the problem and related risks given the range of issues they are charged with managing," Wieser wrote in a research note published Monday. He estimates about a 1% revenue impact this year and next, assuming that the problem is settled soon.

The issue is quickly spreading from Google to Facebook, according to ((Eric Feinberg)), founder of Global Intellectual Property Enforcement Center (Gipec). The former Madison Avenue executive turned tech geek set out several years ago to find ad-supported content linked to terror and hate groups. He co-developed a patent issued in December that relies on deep Web integration to find keywords and coding linked to terrorism and hate speech on sites.

4/6/2017 The Day Zionist WW3 Begins

April 6, 2017 is the 100th anniversary of America's entrance (by the Jewish Oligarchs) into the First World War. A war which the Jews started to establish Greater Israel and a Jewish Global Dictatorship under Jewish Communism. The anniversary of the Jewish Communist revolution in Russia is also this year.

This is covered in great detail:

Stalin's War
topic15258.html

100 in Kabala is the number of a full cycle and perfection of a working, of the Jewish God, in this case the creation of a Jewish Global Dictatorship which is the Jewish God brought to earth in Kabala. This event is meant to launch this into existence. The Jews have started this attack with the intent of starting World War 3, that's it.

100 is also 10 in numerology the 0 is a place holder. It can be reduced to 10.

The Jewish leadership times things with dates and numbers as part of their Kabbalistic black magic. This ties into and brings the energies of their rituals about in the material world which is why they use the number 6 so much it brings the energy into the material realm. Hence April 6th. 4 and 6 also add to ten the number of the Jewish God, the 613 laws of Yahweh equal to 10. Which form the core of the Torah. Israel in Hebrew also adds to 10. The banner and power of Yahweh is the rod of Moses in Kabala and Torah this symbol represents the 10th letter. Moses uses this Rod to defeat the Pharaoh of Egypt and the other Gentile Nations the Jews exterminate and enslave in the Torah in their Zionist Empire. 10 represents the power of the Jewish god in destroying the Goyim, the 10 plagues on Egypt.

The IO can also be reduced to 1 which is Aleph in which contains the Kabbalistic code of 26 the number of YHVH the Jewish god form and the secret reason for their worship of this number 10.

The Jews want to bring the perfection of the working of their Torah, The Global Jewish Dictatorship into existence. Were the Jews become god.

The Anti-War Reverse Torah Rituals are the key to stopping this. So do them with devotion daily.

Assad Calls Syrian Conflict: Israel-Syrian War

Its no mistake Trump a Neocohen, Zionist has stepped in for Israeli's war with the recent actions he ordered against Assad. As a political order from Tel Aviv. Washington is Israeli occupied territory and has been for years. Anyone in government who wants a career has to sign the AIPAC Contract. Didn't any American's question why THEIR Presidential candidates all have to line up and give a groveling speech to a foreign Lobby Group for Israel, in order to be able to be the Leader of America....Not Israel. America is the world's global superpower and Israel owns America.

How else would Israel have gotten away with the USS Liberty attack:

<http://sana.sy/en/?p=103658>

Question 18: Mr. President, Syria has been subject recently to continuing Israeli aggression. What is the objective behind that? And are you concerned about the possibility of a Syrian-Israeli war?

President Assad: Concern about a war is unrealistic, because the reality is that we are living this war. But as for calling it a Syrian-Israeli war, you can assume in any case that these terrorists are fighting for Israel. Even if they are not a regular Israeli army, they are still fighting for Israel. And Israel shares the objectives with Turkey, the United States, France, Britain, Saudi Arabia, Qatar, and other states. They all share the same objective. It is a war that has taken a new form and uses new instruments. Practically, our victory over the terrorists is a victory over all those states put together. That's why Israel is doing its best to support these terrorists in every place the Syrian Army advances. They attack in one way or another in order to provide support to the terrorists and in order to stall the momentum of the Syrian Arab Army in facing them.

Chemical Weapon's False Flag

Trump used this false flag of chemical weapons to fire 59 missiles into Syria as an act of war against Syria and Russia on Zion's behalf. But this type of false flag was already in place on the record since 2013 in the Israeli occupied territory that is Washington. The Zionists are desperate to get this war going. Remember Trump and the Zionist owned government and media is spouting the same line of lies that the deep state CIA [created by the Zionist Oligarchs Rothschild and

Rockefeller's and at the top is a Mossad glove puppet] gave us all on Saddam and "The Weapons of Mass Destruction". They later admitted was a lie they made up for war.....For Israel of course. Well they are back to the exact same tricks for the same tricky Hebrews. When this is the official policy these Jews and Shabbos Goyim have on record when can't you trust them...

If the Jews didn't control Washington, Israel would not have gotten away with the USS Liberty attack:

Subject: Trump And What Really Happened In Syria			

Trump And What Really Happened In Syria

Lately there have been all kinds of theories going around from Trump pundit's as to why he ordered this act of war against Syria and Syria's allies including Russia.

To understand what really happened and why. We need to understand the context of this decision by Trump in the larger picture.

The anti-Assad forces in Syria are all Wahhabist mercenaries. That were created by Washington, Tel Aviv and the Saudi's. The FSA, ISIS, Al-Nusra all of them are Wahhabist who hold the same Islamic views. Former NATO General, Clark stated that ISIS was created by American Allies in the Middle East to fight Hezbollah, this is Israel. Obama openly stated that Washington was recruiting, arming and training ISIL forces in Syria. ISIL is ISIS. McCain in 2011 was photographed meeting with the leaders of the Wahhabist forces in Syria. Washington's allies, the leader of ISIS was one of them. Mossad and CIA agents were captured with ISIS forces by the Iraqi army as well. ISIS has had stores of military weapons that were from the Israeli Army. And Israel has been conducting numerous missile and air strikes on the Syrian Army for the Islamist proxy armies in Syria for years.

What happened in Syria is simple. This is an Israeli proxy war against Syria, as Assad has stated. Israel is attempting to destroy the Shia Crescent of Hezbollah, Syria and Iran to break down their opposition in the region so they can build the greater Israel program. However Syria is winning and destroying the Israeli proxy forces. When this has happened the Israeli's and Washington, start conducting air strikes on the Syrian's to attempt to slow them down. Last year the American Air Force, leveled a major Syria military base for this reason and brushed it off as mistake.

The Syrian Army and their allies are making major advances and wiping out whole trapped Wahhabist area's. The war is basically over. So they launched this attack on a false flag in an attempt to wipe out as much of the Syrian Air Force as possible to stop their ability to conduct important air strikes on their proxy forces. To slow them down and give America the needed excuse to put boots on the ground against Assad, which is what Washington is squawking about.

This whole move is about using America to intervene in Syria for Israel and destroy the enemies of Israel, yet again just like in Iraq. The other excuse is about fighting ISIS, but that one is allowed them a small foot in the door to then turn around and start striking Assad. Now they want to just come in fully against Assad which is the whole point. This attack is part of the mission creep into Syria for Israel.

Syria does not have any chemical weapons this fact has been proven by the by The Organization For the Prohibition Of Chemical Weapons. A UN organization. We have the fact that since at least 2013 its been the policy of Washington to use a chemical weapons false flag to attack Syria and

start a conflict that can allow America to fully enter with boots on the ground.

There is this strange esoteric conspiracy theory that Trump's assault on Syria was some major chess move to let him capture some non-existent flag back in Washington politically. And he tipped off the Russian's first as part of this move. The Pentagon claims it did notify Russia before hand. But Tillerson stated there was none. This is still an act of war. The other reason given is the claim the Syrian's moved their major personal and equipment out of this area and only 23 of the missiles hit the base.

There could have been many reasons they moved to another base, one of them understanding from previous experience what was coming next would be a possible attempt to destroy their air power in a strike which Washington claimed this base was responsible for. It does not take a genius to figure out were a possible attack would be happening. The claim's of the notification from Washington are yes they did and no they did not. These bases are surrounded by AA batteries that lock on and shoot down missiles and aircraft which is probably why only 23 went through. They didn't fire 59 Tomahawk missiles at that place to not try and destroy it totally. If some one fires 59 rounds at another person and only hits them with 23 of them does that remove intent to destroy all of a sudden?

The other fact is in how Russia has responded to this attack. They are enraged politically and have shut down their treaty talks with America, and are moving more warships into the Mediterranean Sea, and have moved more towards a war footing. This dismantling of these talks can lead to a situation in which can start a war between America and Russia at any time. The political discussion from Russia is now using soft terms for what Trump did was a deliberate act of war against them. They are calling the reason for this strike an "invented pretext". Lets be honest, just because they might have notified Russia first and then went ahead and did this, does not mean Russia approves. It does not nullify what this is intended to do. Its still a deliberate act of escalation of war. And that is how Russia has reacted to it as. Russia has reacted to this as an escalation of war with them and has acted in accordance with this. America and Russia are now more closer to an open war with each other then before this event.

This is why Trump was elected.....

Then overnight does an about face on his most important promise.....Why?

What really happened was Trump decided putting Israel first is more important then America First.

Washington is Israeli occupied territory if it was not Israel would not have gotten away with the USS Liberty attacks:

I deleted the initial post to avoid confusion:

Greetings to all our People and Satanic Comrades.

This is the schedule until the end of April. We will place the RTR of Reversing Blood Sacrifice, as first priority until the 20th. Of course, we will also do all other RTRs.

We start Today on this schedule, today being the jewish passover. This RTR starts TODAY.

<https://josministries.prophbb.com/topic18966.html>

Now, many innocent children, every year at the jewish passover, are sacrificed in rituals to Jehova and his company by the jews. Many innocent souls will be butchered and will suffer thanks to the jews. There are no words to describe what suffering these children undergo. Nobody really knows the details but the jewish race themselves.

[img]http://antimatrix.org/Convert/Books/Matt_Hale/Jewish_Occult_Murders/img/img3-1.jpg%5b/img

Obviously this is something extremely saddening and the jews know this. Part of why they do this is to completely demoralize their opponents and destroy their willingness to resist. This is a show of brutality both towards authorities of the world, but also towards everyone else as well.

The enemy of course safely assumes that nobody would ever be able to do anything against this disgusting and alien murderous behavior. Now, people can do something. It's called and RTR. All the death and pain they cause to these poor souls, they will pay for it infinite-fold.

These are the real victims nobody which avenges, neither nobody which anyone does anything about. The world police, knowing the vast wealth of jews, does most of the time cover up the issue. This is well known as Jewish Ritual Murder and happens every-year around passover.

One of the reasons jews are hated and despised so much, is because they do this kind of thing for thousands of years. They always pick the more pure blooded and beautiful children they can find, as a form of retaliation against their ancient enemies.

This is a deranged way with which the jews do psychic attack to their victims. This rhymes with the christian Easter, and the energies build upon one another. This is occult warfare of the lowest and most parasitic type.

Those who are spineless creatures and don't raise a finger to help the real innocents of the world, which are the children, are behaving in a way that doesn't deserve a mention. They are to be spat upon.

It's because of this tolerant and stupid live and let be behavior that these things do happen to the world. Some women are missing their children with zero hopes of finding them ever again. They wish they could do something. You can. They cannot.

This has to be stopped in the name of the Real Gods of Hell.

Subject: Jews Pushing Hard for a Communist America			

This is most serious. If America falls to communism, the entire world will be enslaved.

The US Constitution guarantees Freedom of Speech. Unless we fight for our rights, all will be gone. Most people here will end up dead (as anyone who even remotely knows the truth is a threat to the Jewish powers who mass murder millions).

Here is an excerpt from a newsletter I subscribe to:

Arkansas' Ag-Gag law is designed to deter whistleblowers, journalists and undercover investigators from publicizing information, including conditions for animals on factory farms. It also bans undercover investigations of virtually all private entities, including restaurants and daycare centers, and allows employers to sue whistleblowers directly, who could be liable for tens of thousands of dollars just for telling the truth.

<http://aldf.org/press-room/press-releases/animal-legal-defense-fund-statement-on-arkansas-new-unconstitutional-ag-gag-law/>

This is a huge step for the Jewish powers that be in attacking and penalizing anyone who would dare to report abuse. Now note... "Daycare centers" Anyone can neglect, abuse, and even rape children with this and get away with it.

The Jewish powers that be work overtime to destroy our youth through any means possible. Much of this is in creating a psychologically disturbed and disabled populace. Psychiatric drugs are pushed and are not only mind altering, but dangerously addictive.

"Call your doctor...Call your doctor...Call your doctor..."

"Ask your doctor...Ask your doctor...Ask your doctor..."

Then, "restaurants"? I've worked over 20 years in restaurants as a cook. I've seen things that were abominable. That was bad enough. For one example, the bitch manager got onto me one morning, because I took time out to make a new batch of waffle batter. I refused to cook and serve waffle batter that smelled like vomit. The focus with most restaurants is always on saving money. In many places, customers pay for leftovers and cheap generic crap.

If our freedom of speech is taken away, this will be the death of America, which is what the Jews want. This will be the funeral wreath for humanity.

In closing, I also want to add here that the root of Judeo/Christian/Muslim program is in the Jewish kabbalah. This is where all of the stolen spiritual knowledge has been kept under tight wraps for centuries. While the Jews and their nefarious ETs viciously used idiot Christians and Muslims to do their dirty work of mass murdering Pagans, Heathens, destroying libraries and anything spiritual, this occult knowledge was confiscated and kept by the Jews for centuries, while our Gentile people have been force fed Christianity, Islam and related to make us slaves.

Much of the kabbalah was passed down orally only to the most trusted of Jews. They want someone dead, or anything else, they throw a curse and the victim who has no spiritual knowledge is defenseless. This is how they have obtained immense wealth and power. While the average Jew may know nothing, those at the top do and all of this ties in.

The Jewish kabbalah was kept in the highest secrecy for centuries. Now in this short period of history, when we are again becoming knowledgeable about the powers of the mind and soul, some of their kabbalah is being revealed, but is still not understandable to most, as I mentioned before, it was written in allegories, with code words, and then much was given orally. Demons work with the ministry here in guiding us to sources and in revealingly important knowledge to us concerning this. As we go along, we will be making all of this public.

Jews Celebrate Murder of 23 Year Old American Girl By Ritualized Mock Cannibalism

Rachel Corrie was a 23 year old, American peace activist that was murdered by the Israeli Army, as witnesses at the scene stated she was murdered by being run over by an armoured IDF bulldozer as she stood in the way of it and a innocent Palestinians home in a peaceful, unarmed protest, of a people oppressed, by the Jews who are destroying an entire People in their genocide program of Greater Israel.

Corrie was only 23 when murdered for peaceful protest of the Jewish destruction of a entire People.

From the Jews that brought you Purim Fest where they practice mock cannibalistic rituals by baking cookies in the shape of human ears and then eating them. To celebrate the claimed genocide of thousands of women, men and children for whatever made up reasons....They were Goyim that's all it comes down to. No different then their Pass Over celebrates the murder of all the first born of the Goyim in Egypt.

The same race of ghouls is celebrating the murder of Rachel Corrie, right out of the

Torah...Murdering the Goyim and then celebrating cannibalizing them is a intricate part of being Jewish.

By making "Rachel Corrie Pancakes" because she was flattened to a pancake as their Jewish joke goes.....

Corrie's face drawn on a pancake, this is funny to Jews, but never forget Muh sixty billion,...Goyim.

Another mocking image the Jews created as part of this.....

What else does the IDF find funny and likes to sell on its shirts.....

Murdering unarmed pregnant women.....Just like the Torah states to do.

Just normal for the Jews to behave like this.....

From a Jewish, IDF soldiers, social media page:

Just doing what the Rabbi's Torah says to do....

I wonder why Jews are universally hated....must be anti-Semitism, cause the Jews would never behave in anyway to make anyone mad at them ever..... Except those 109 places they got kicked out of.....

The fact is the Jews treat the Arabs like they did the Eastern Europeans under their Communist system. Were they killed 90 million of them. If the Jews get their way and their one world system we are all going to be Palestinians.

Subject: April 30th / 1st of May - JoS Protection Ritual			

<http://josministries.prophpb.com/post98244.html#p98244>

April 30th / 1st of May - JoS Protection Ritual

Greetings to all Our People and Satanic Comrades.

This place has done so much to evolve us, advance us, and help us overcome many things- and to become better. To all of us it's known that this place belongs to Satan, and we are part of this because we are part of Satan's family.

It goes beyond saying that Satan has only one place is he represented, and that is the JoS. This doesn't have to do only with us, but everyone here, one by one. Its one of the last free places where we can talk and conversate, share and organize about our beliefs, advancement, and so forth.

Much of what Satan gets, is defamation, attacks, the dilution of his knowledge and being into a sea

of lies and incessant warfare. The JoS is under the same fire, and it will not stop, simply because, it says the Truth, and the enemy knows this.

What's their problem really? That you are having a soul, advancing, and like all other beings on this planet, you are after your living interests. But that's too heavy for the stomach of some slavers anyway.

Without going into many tiring and non necessary details, the JoS needs, like any other base or structure, protection and maintenance. We are therefore now, on the Satanic New Year [*Beltane/Walpurgisnacht*], are going to re-affirm our working that we have done last year. This is important and keeps the momentum going.

The Truth is coming out at very fast rates, and we have to keep up with this reality. All of us, for Satan and the Gods, have to keep their bastion alive, vibrant and victorious. This Ritual will bless all the people who bless our undertaking, while handling the rest by backfiring their own intentions. This benefits and protects the members and people who are with us at heart and here.

We have to deliver this abomination of the enemy into spiritual judgement finally.

By Empowering Satan's efforts and plans, we empower ourselves.

QUESTIONS ARE ANSWERED BELOW, AFTER THE RITUAL!

The Ritual is fairly simple:

Runic Vibrations-

The runes are to be vibrated one after in this order.

Algiz x18 Sowilo x18 - Tyr x18 [or multiplies of 18, such as 36, 72, etc etc times, however many you desire/are able to]

x18 each Rune:

"AAAAAA-LLLLL-GGGGG-III-ZZZZ" x18

"SSSSSSSS-OOOOOOVVVVV-EE-LLLLL-OOOOO"x18

"TTTTT-YYY-RRRR"x18

After you raise the energy of the Runes, focus on it and:

VIBRATE SATANAS and Then affirm

"The Joy of Satan Ministries are always protected and completely safe, in every and all ways from any and all forms of harm and negativity.

All those who curse the Joy of Satan are cursed, and all those who bless the Joy of Satan are blessed."

VIBRATE SATANAS

The above to be repeated either 10 times. Satanus - Affirm - Satanus is ONE round. This must be done 10 times.

Questions:

1. Which runic alteration should I vibrate?

Any you want. It can be Sol, Sowilo, Saul or anything. However- the choices have been picked because of their considerable power.

2. How long can this Ritual be done?

This Ritual can be done until the 1st of May. The reason for such is that all of us must put power into this on the same days.

3. How many times can I do this Ritual?

As many as you want, the more the better.

4. Is this Ritual White or Black magick.

Neither, its' a protective magick.

5. Do I need to start a formal Ritual?

If you want to, you can do this. It's not necessary. Ideally, one should speak to Satan and the Gods before doing the Ritual.

6. I am short on time, can I still do the Ritual?

This Ritual is very short. You can start doing the vibrations at once, and then doing the affirmations. That too will raise necessary energy.

Subject: Satan is Odin / Wodan

[Satan is Odin / Wodan : JoyofSatan666](#)

Satan is Odin / Wodan : JoyofSatan666

This will definitely put a nail in the coffin of the idiots who say that "Satan is a Jewish Creation" or even "Satan is Loki", which is a common line the enemy tries to guilt trip European Pagans with.

Little do many know and understand, that Satan has been worshiped worldwide in the past, in different names or forms, for guiding people in the Godhead. We know this fact ourselves here.

The jews know all the details, but little attention do the "Goyim" put to educate themselves. Part of the Goyim (animal) identity, is to never try to find anything. Live and let be, as cattle.

Unless if you are a Glue Sniffing, Loki fearing, Satan-is-Loki Goyim I tell you, Mannequin. But that's all crap you know, for my opinion during Glue Sniffing is superior. And spazzers with Rentagoy Radio is my testament.

Now, most people are totally clueless of the Ancient past, let alone they have no clue on how Ancient

languages are taught, or pronounced. The English texts we possess today have been corrupted (translations do this), so for anyone to understand what is going on, we have to make a regression in the past.

First and foremost, the jews, call Satan, SATANAZ in their innermost writings. The original spelling of Satan's name is ΣΑΤΑΝΑΣ in Archaic Greek. This gives us the four letters, as jews write without vowels. It would be STN or STNS. Or simply, ΣΤΝΣ.

Here is the secret however. In Greek, which the original texts were written, we have the letter Digamma.

"Digamma, waw, or wau (uppercase: F, lowercase: f, numeral: Ϛ) is an archaic letter of the Greek alphabet. It originally stood for the sound /w/ but it has principally remained in use as a Greek numeral for 6."

This "Ϛ" is the glyph latter to become the S letter, that came to exist in later languages. Notice how the Ϛ literally looks as a Serpent. Satan is also the Serpent God, or the Serpent in general.

<https://en.wikipedia.org/wiki/Digamma>

This later was forcibly removed from the Ancient Greek, altered, and attempted to be destroyed completely by the Medieval church. As all people know, this is the language of the New Testament which the jews stole. From Ancient Greek did indeed come most of the jewish infested literature, as the jews formulated this hoax during the Hellenistic Era. This letter has three forms:

The last form of Digamma, is actually the S letter we have today and it was transferred to other languages. Phonetically this became SATANAZ or SATANAZ or SATAN later, depending on the language. This is also the glyph of the Rune Fehu. The F, originated from the V sound, which in English speaking dialects, is the sound of a W or /Waw/.

So this would be the original name of Satan written in the Ancient Greek texts. The jews use STN. But as stated above, the S letter, is a cover up for "Ϛ" or Digamma. Effectively making this in the jewish pronouncing, VTN. VTN just pronounced, shows VATAN or VOTAN, in the open, already.

In the Ancient Greek, this would be "STNΣ or STNS", which would be pronounced, VTNS or VTNZ. If we add the vowels, we have...WODANAS. or WODANAZ. From this Ancient Germanic name, came the other alterations such as Odin, Wodan, Wodin, and many other names. Essentially, the real name is Wodanaz...Or as we know him today...Satanas.

<https://en.wikipedia.org/wiki/Odin>

"In wider Germanic mythology and paganism, Odin was known in Old English as Wōden, in Old Saxon as Wōdan, and in Old High German as Wuotan or Wōtan, all stemming from the reconstructed Proto-Germanic theonym wōđanaz."

For those who know Germanic tongue, and how the A and O can change in dialects, we literally have the same sound. The vowels could even change, but the consonants do reveal it on their own as well.

"The pronunciation of such is /'wɔ:.ðɑ.nɑz/." Or as we would speak it, W-a/o-dha-NaZ. The W or V, had become a S sound. Satanaz, basically. Or Satanaz.

This concludes what "SATAN" or "SATANAS" does actually mean and how it relates to Odinism. There is no "Odinism", there is Satanism, and this name wasn't conjured by jews. It was stolen, because it was all over the world in a very obvious form.

For those who are under-educated and believe Satan to be some hostile entity, it's just the Father of the Race, Wodanaz, or Satanaz. Even these two names sounds so strikingly close, in how we just speak them, even after corruption.

The jews hid this, because imagine if it wasn't coded. How could ever people go to church to curse Wodanaz, and their Ancient Father? The jews would have been killed in the open.

Essentially, the comic thing is that, SATANAZ or SATANAS is even closer to WOTANAZ than ODIN is to WOTANAZ.

Lastly let's not forget that for those of us to whom the Truth is known. We know that the Gods are basically, Ancient, existing entities.

Now, let's not forget what the jews write in regards to destroying and killing God. This was accomplished by demonizing the Old Gods, throwing them into "Hell", and imposing a Rabbi as a God and Savior to the people. Which is exactly what they have been doing with Christianity, with which they killed Paganism and destroyed all spiritual foundation in Society. And with Islam over the centuries. To murder the Real God of Gentile people.

From Protocol No 4, from the Protocols of the Elders of Zion:

"WE SHALL DESTROY GOD."

Didn't anyone notice that the jews have kept, run, brutally enforced Christianity and the faith in imaginary rabbis to our people? Butchering 2/3rds of all of them, for not 'accepting' Christianity? For it was said: Their plan is to destroy God. To attack Satan in the bible, to make him seem subservient, to destroy all notion of spirituality, and understanding.

Let's not forget the enemy of the Jews is the White race. And Ha-Satan, or "The Adversary" in Hebrew, is Satan, or as you now know, Wodan. Who will fight a war of destroying them and their hoax, and has been, for thousands of years.

Why do the Jews want to extinct White people, and destroy them in the fastest way possible? Because "Satan is the White Devil" as we will hear from their pawns and many others. The facts are here. Basically, Satanism and Satan always stood in the mind of jews, for the White People, Paganism, and Gentiles at large. For the tenets and beliefs of such were..."Satanic" in nature.

All Ancient religions of the Gentile people, were labelled in the large term of "Satanism" in the eras, and all these people exterminated. For what? Following the Ancient System in different forms. All such people, like the Yezidis who worshiped SHAITAN, are followed around to be exterminated off of the face of the planet, by the jews and their Abrahamic Radical programs and terrorist organizations like ISIL.

Lastly, as Carl Jung admitted. Adolf Hitler was in fact, a manifestation of the Power of Odin. Whom as we know by now, is Satan/Vatan.

"When, for instance, the belief in the God Wotan vanished and nobody thought of him anymore, the phenomenon originally called Wotan remained; nothing changed but its name, as National Socialism has demonstrated on a grand scale. A collective movement consists of millions of individuals, each of whom shows the symptoms of Wotanism and proves thereby that Wotan in reality never died, but has retained his original vitality and autonomy. Our consciousness only imagines that it has lost its Gods; in reality they are still there and it only needs a certain general condition in order to bring them back in full force." –Dr. Carl Gustav Jung in a letter to Miguel Serrano

"Woden As Archetype – The Carl Jung Essay". The closing quote by Dr. Martin Heidegger from "Jung

and the Volkisch Movement” will just as nicely close out this post:

“The past of human existence as a whole is not a nothing, but that to which we always return when we have put down deep roots. But this return is not a passive acceptance of what has been, but its transmutation.”

The Transmutation is called now as we know it, Spiritual Satanism. Join us or be consumed by the jews- that's the motto of the future. Many people have been fighting for so long, at the wrong side, and against their own people, Ancient cultures, and Volk. Spiritual Satanism is the master key to regenerate this damage.

Names change, but always boil down to the same thing, no matter where we look. Its the same image of the Ancient and primordial battle against the forces of the enemy, and our forces.

The jews are at war with Satan, with Odin- with the Aryan Race. The Race of the Gods and the enlightened, against the beast and the ruiners of all existence, the jews.

Reverse Torah Ritual Schedule [May 1st to May 15th] : JoyofSatan666

Greetings to all our People and Satanic Comrades.

For maximum efficiency, we need to all stay focused on the same Reverse Torah Rituals. Scattering energy lessens their impact. Therefore, we all have to stay focused on doing what must be done here.

These 15 days will be very decisive, as the enemy will definitely try to pull something on these days. They have spiritually pre-planned it. We are going to erase this as we go.

At May 7th, the Schedule will have some changes. One will need to look at the schedule for each day (written below) to avoid confusion.

The 72 and the 42 are the most important Rituals, and everyone, if they cannot do more than two a day, should definitely go for these Rituals. These destabilize and destroy the enemy at the very core, and these are the most powerful and potent Rituals we have to do.

It's important now, because elections will happen in year 2017, and France's second round is coming up, that we do these Rituals. Now everyone knows and can see along the lines that this is far from a 'solution', but the grounds are very fertile for further and deeper change.

We saw this backlash on Trump, and how it resulted in millions of people awakening to the fact that the enemy will not let Gentile Nations Breathe...The enemy is damned if they move, damned if they don't at this point. We need to keep up the momentum.

It's interesting to mention that for the jews, the elections in France are put on a day of power for them, which is May 7, and in accordance to the Torah passages they read on this date.

Satan is Odin / Wodan : JoyofSatan666

This will definitely put a nail in the coffin of the idiots who say that "Satan is a Jewish Creation" or even "Satan is Loki", which is a common line the enemy tries to guilt trip European Pagans with.

Little do many know and understand, that Satan has been worshiped worldwide in the past, in different names or forms, for guiding people in the Godhead. We know this fact ourselves here.

The jews know all the details, but little attention do the "Goyim" put to educate themselves. Part of the Goyim (animal) identity, is to never try to find anything. Live and let be, as cattle.

Unless if you are a Glue Sniffing, Loki fearing, Satan-is-Loki Goyim I tell you, Mannequin. But that's all crap you know, for my opinion during Glue Sniffing is superior. And spazzers with Rentagoy Radio is my testament.

Now, most people are totally clueless of the Ancient past, let alone they have no clue on how Ancient languages are taught, or pronounced. The English texts we possess today have been corrupted (translations do this), so for anyone to understand what is going on, we have to make a regression in the past.

First and foremost, the jews, call Satan, SATANAZ in their innermost writings. The original spelling of Satan's name is ΣΑΤΑΝΑΣ in Archaic Greek. This gives us the four letters, as jews write without vowels. It would be STN or STNS. Or simply, ΣΤΝΣ.

Here is the secret however. In Greek, which the original texts were written, we have the letter Digamma.

"Digamma, waw, or wau (uppercase: F, lowercase: f, numeral: Ϛ) is an archaic letter of the Greek alphabet. It originally stood for the sound /w/ but it has principally remained in use as a Greek numeral for 6."

This "Ϛ" is the glyph latter to become the S letter, that came to exist in later languages. Notice how the Ϛ literally looks as a Serpent. Satan is also the Serpent God, or the Serpent in general.

<https://en.wikipedia.org/wiki/Digamma>

This later was forcibly removed from the Ancient Greek, altered, and attempted to be destroyed completely by the Medieval church. As all people know, this is the language of the New Testament which the jews stole. From Ancient Greek did indeed come most of the jewish infested literature, as the jews formulated this hoax during the Hellenistic Era. This letter has three forms:

The last form of Digamma, is actually the S letter we have today and it was transferred to other languages. Phonetically this became SATANAZ or SATANAZ or SATAN later, depending on the language. This is also the glyph of the Rune Fehu. The F, originated from the V sound, which in English

speaking dialects, is the sound of a W or /Waw/.

So this would be the original name of Satan written in the Ancient Greek texts. The Jews use STN. But as stated above, the S letter, is a cover up for "ς" or Digamma. Effectively making this in the Jewish pronouncing, VTN. VTN just pronounced, shows VATAN or VOTAN, in the open, already.

In the Ancient Greek, this would be "STNΣ or STNS", which would be pronounced, VTNS or VTNZ. If we add the vowels, we have...WODANAS. or WODANAZ. From this Ancient Germanic name, came the other alterations such as Odin, Wodan, Wodin, and many other names. Essentially, the real name is Wodanaz...Or as we know him today...Satanas.

<https://en.wikipedia.org/wiki/Odin>

"In wider Germanic mythology and paganism, Odin was known in Old English as Wōden, in Old Saxon as Wōdan, and in Old High German as Wuotan or Wōtan, all stemming from the reconstructed Proto-Germanic theonym wōđanaz."

For those who know Germanic tongue, and how the A and O can change in dialects, we literally have the same sound. The vowels could even change, but the consonants do reveal it on their own as well.

"The pronunciation of such is /'wɔ:.ðɑ.nɑz/." Or as we would speak it, W-a/o-dha-NaZ. The W or V, had become a S sound. Satanaz, basically. Or Satanaz.

This concludes what "SATAN" or "SATANAS" does actually mean and how it relates to Odinism. There is no "Odinism", there is Satanism, and this name wasn't conjured by Jews. It was stolen, because it was all over the world in a very obvious form.

For those who are under-educated and believe Satan to be some hostile entity, it's just the Father of the Race, Wodanaz, or Satanaz. Even these two names sound so strikingly close, in how we just speak them, even after corruption.

The Jews hid this, because imagine if it wasn't coded. How could ever people go to church to curse Wodanaz, and their Ancient Father? The Jews would have been killed in the open.

Essentially, the comic thing is that, SATANAZ or SATANAS is even closer to WOTANAZ than ODIN is to WOTANAZ.

Lastly let's not forget that for those of us to whom the Truth is known. We know that the Gods are basically, Ancient, existing entities.

Now, let's not forget what the Jews write in regards to destroying and killing God. This was accomplished by demonizing the Old Gods, throwing them into "Hell", and imposing a Rabbi as a God and Savior to the people. Which is exactly what they have been doing with Christianity, with which they killed Paganism and destroyed all spiritual foundation in Society. And with Islam over the centuries. To murder the Real God of Gentile people.

From Protocol No 4, from the Protocols of the Elders of Zion:

"WE SHALL DESTROY GOD."

Didn't anyone notice that the Jews have kept, run, brutally enforced Christianity and the faith in imaginary rabbis to our people? Butchering 2/3rds of all of them, for not 'accepting' Christianity? For it was said: Their plan is to destroy God. To attack Satan in the bible, to make him seem subservient, to destroy all notion of spirituality, and understanding.

Let's not forget the enemy of the Jews is the White race. And Ha-Satan, or "The Adversary" in Hebrew,

is Satan, or as you now know, Wodan. Who will fight a war of destroying them and their hoax, and has been, for thousands of years.

Why do the Jews want to extinct White people, and destroy them in the fastest way possible? Because "Satan is the White Devil" as we will hear from their pawns and many others. The facts are here. Basically, Satanism and Satan always stood in the mind of Jews, for the White People, Paganism, and Gentiles at large. For the tenets and beliefs of such were... "Satanic" in nature.

All Ancient religions of the Gentile people, were labelled in the large term of "Satanism" in the eras, and all these people exterminated. For what? Following the Ancient System in different forms. All such people, like the Yezidis who worshiped SHAITAN, are followed around to be exterminated off of the face of the planet, by the Jews and their Abrahamic Radical programs and terrorist organizations like ISIL.

Lastly, as Carl Jung admitted. Adolf Hitler was in fact, a manifestation of the Power of Odin. Whom as we know by now, is Satan/Vatan.

"When, for instance, the belief in the God Wotan vanished and nobody thought of him anymore, the phenomenon originally called Wotan remained; nothing changed but its name, as National Socialism has demonstrated on a grand scale. A collective movement consists of millions of individuals, each of whom shows the symptoms of Wotanism and proves thereby that Wotan in reality never died, but has retained his original vitality and autonomy. Our consciousness only imagines that it has lost its Gods; in reality they are still there and it only needs a certain general condition in order to bring them back in full force." –Dr. Carl Gustav Jung in a letter to Miguel Serrano

"Woden As Archetype – The Carl Jung Essay". The closing quote by Dr. Martin Heidegger from "Jung and the Volkisch Movement" will just as nicely close out this post:

"The past of human existence as a whole is not a nothing, but that to which we always return when we have put down deep roots. But this return is not a passive acceptance of what has been, but its transmutation."

The Transmutation is called now as we know it, Spiritual Satanism. Join us or be consumed by the Jews- that's the motto of the future. Many people have been fighting for so long, at the wrong side, and against their own people, Ancient cultures, and Volk. Spiritual Satanism is the master key to regenerate this damage.

Names change, but always boil down to the same thing, no matter where we look. It's the same image of the Ancient and primordial battle against the forces of the enemy, and our forces.

The Jews are at war with Satan, with Odin- with the Aryan Race. The Race of the Gods and the enlightened, against the beast and the ruiners of all existence, the Jews.

Subject: Happy Beltane (And May Day)			

Greetings to all our People and Satanic Comrades.

Happy Beltane to everyone. It's a blessing by Satan to have one another and advance as we do. This is a day of life, nature, and natural order. It's a day of beauty in its most vibrant sense.

What all of us must know is that Beltane is the New Year in Satanism. This is one very important celebration for our beliefs, tenets, and practices, as it always has been for all Pagans, and Ancient spiritual people. The actual Astrological New Year is actually when Sun enters Aries.

The date of Beltane has shaped history over and over again, turning the Wheel for a better world in which Gentiles can live in better conditions. Associated with fire, life and the striving for advancement, this manifested blatantly in the late 1880's. Where some people, out of 'nowhere', in a cold and calculated world that had them as total cattle and slaves, decided suddenly to revolt to create better rights for the working man.

These people had NOTHING, let alone what 'we' have today. They had no internet, no comfort, not even shoes to wear, or food to feed their families. And still with nothing in their hands decided to do something about it...

The center of all nations and all civilizations, which was tortured in a Jewish, cutthroat system of speculation and numbers, which eventually had the lowest people in consistent ruin. This was nothing but Jewish Middle Ages type of labor, and later feudalism, in a different cloth.

Some people on this day, in the same way as fire rises from unknown reasons in the human soul, decided to revolt against the system, and this set up the path for better conditions in all workers worldwide. The Communists and others claim this date was of 'theirs' and a 'war of socialism', and that 'workers rights' belong to them. Wrong. Workers rights, in the general spirit of the Age of Aquarius, are the future.

As with anything else, they tried to hijack this, even if their actions speak louder than everything. This led in the Communist Revolution. The Revolution of Jews in which, the Worker became a total nobody, a nothing- a slave to the Jewish oligarchs in the top.

It didn't only lead to the Communist revolution though...It led to a Just one too, that really followed with its promises.

On Satan's side, in the late nineteenth century, people rose up against this oppression, which was real and not just imagined. These people were being trampled by the Jews. And not only in their destroyed workers rights, living rights, or simplest rights in Human dignity. Manifested a savior years later. That made this revolution of values a concrete reality. The Satanic wave materialized on the physical realm, in National Socialist Germany.

The worker's paradise on Earth for the time, where nobody was scammed, ripped off, and was exploited. A true miracle and a real revolution of 'values' of all feudalism, church control, and all other oppressive systems which have man working like a pig only to steal his pay.

This later came to be celebrated as May Day, or Volksgemeinschaft in German, which means Community's day. Known to us as the Worker's Day basically. This is a day where people grace and glorify nature, but at the same time, we glorify how existence works on a bigger level, with all of us taking part to work for it from our respective position.

This day belongs to Satanists, and National Socialists if everyone else. It belongs to nobody else.

Spiritually, we can see the significance of this day in the Satanic movement, which in its early beginnings, had a very big importance of this date. This is the date of Pagans, Witches, and all other people who fought for occult freedom in their own ways, more or less correctly, we have to honor them on that day, these Ancient Ancestors.

This is a date to remember all things that Satanism stands for. The Occult, the people who have perished in what we call today as Spiritual Satanism, all these Pagan martyrs who were real women, children and men. And not made up falsely by the church...

Also on this date we celebrate the people who, out of nowhere, revolted, and brought the dreams and visions of a better and more Aquarian age of Satan into humanity, something which later created the few freedoms humanity does still possess in the workplace, which the enemy has tried to control and wreck since the first time. But they lost anyway.

One last thing is to remember all the Gentiles who willingly sacrificed on the last day of the War, in April 30, 1945, in which so many people died defending what is right. And a future vision for humanity in general. It's not to be forgotten how many other Gentiles from Tibet and elsewhere willfully sacrificed their own lives into a giant black mass in Germany, to curse the Jews forever, and to curse the enemy system to fall. Amongst them were many Germans who also participated in this Ritual.

To defeat the monsters we are ourselves winning against today...

Happy Beltane, and also happy May Day.

Subject: Shiva Is The Name Of The 666 In Revelations, And Shiva Is Satan.			

Shiva Is The Name Of The 666 In Revelations, And Shiva Is Satan.

As mentioned before Satan is actually Shiva in the east. I have included the article on this at the bottom on this one. This is also shown in the bible in Revelation, the number of the beast, the beast is another name of the serpent agathodaemon, the symbol of the soul, the serpentine system, in the ancient world. The number of which is 666.

The ancient Pythagorean's who were part of the Golden Chain, the knowledge of Egypt to India. Showed God as the Pentagram with the number 666 underneath. The pentagram is the symbol of Venus who is the serpent, this is where the baphomet comes from. The androgynous serpent. Lucifer is another name of Venus as well.

This 666 is the symbol of the reborn soul and of God. Now, HP Hoodedcobra who has ancient knowledge in Greek, showed me in the Greek Bible the 666 is put as Xi Chi Stau. However the original spelling of the 666 in the ancient world and this is the revealing part. Its Chi Vav Vav. In ancient Kabala the repeating of letters in this case would just be filling in the number code, its the actual letters to be used here in kabala would be ChiVav.... And from here the Vav becomes Va as the Kabala texts show.

Chiva is the ancient name of the serpent God associated with the moon in the Near East, which is originally male, this was also spelled as Sheba the B and V are double letters so one can be exchanged for the other. Sheba becomes Shiva further east where this knowledge came from. Shiva is still called Lord Chandra, the Moon God. The Chiva is also called The Breath of Life. The prana energy of the soul and all creation which is shown as the serpent in Hinduism. The Chi is Shi.

In Hinduism Shiva is called.... Kabala Iswara, the Lord of the Kabala. The Jews stole the Kabala off the ancient East and then corrupted it. Even some Rabbi's admit the Sefer Yetzirah is from the Pythagoreans.

In ancient Kabala letters are numbers and numbers are used to spell letters.

The 666 of the bible is originally spelling Shiva in numerological code. That they stole from the Pagans. Which is showing that the name of Shiva is the Agathodaemon the serpent kundlalini, the breath of life itself. This is why after erasing the Vav and replacing it with Stau they also changed the spelling later to Xi Chi Stau, erasing the original name. The bible is a curse of the serpent energy of the soul of Gentiles from the first book of Genesis to the last of revelation. The negativity directed towards the 666 is part of the Jewish enemies blaspheme on the original God, Satan. Which is a Jewish attack on the soul.

Shiva Is Satan

The symbol of the Ankh in Egyptian has a specific name its a letter that spells the name of a divinity. The Ankh is in two parts the top is the Shi letter and the shaft the Va letter in Egyptian. This in Egyptian symbolism forms the formula of the Ankh which spells Shiva. And is called: Infinity, Eternity. This symbol later becomes the trident letter in the ancient alphabet. The concept of infinity or eternity in Sanskrit is called Sat-an.

The Ankh is originally called An in Egyptian. In India, An is also a ancient name of Shiva. Who carries the trident. The symbol of the Ankh in Egypt is the Trident in the east.

The An is also called the Anki in Sumeria, which had the same culture as the Egyptians. Anki is the proper spelling of Enki. Who is also called Satan in Sumeria as well.

In ancient Sumeria:

As Laurence Gardener showed in his book: Genesis Of The Grail Kings that....

"The Serpent Lord was Enki, but in parts of Chaldea[my note Sumeria] He had been called Shaitan."

Anki is called the Lord of the Eye. The Eye of Shiva in Hinduism. The Ankh was drawn in Egyptian art pointing to the forehead to symbolize the open eye.

The Ankh is the symbol of life in Egypt and Anki is the God of the Waters of Life in Sumeria. Shiva as a mantra is used in the head to activate the pineal gland which secrets the dew which is the water of life the Soma or Amrit which means "Immortality" in Sanskrit. Satan is also Satanama in Hinduism a mantra to open the third eye.

Shiva is Satan. The ancient texts in the east and near east state that Shiva ruled the golden age of humanity in Kumara Kandam and taught humans spiritual, cosmic knowledge so that humans could

ascend, in the first Sangha. This is Satan.

Reverse Torah Ritual Schedule [May 1st to May 15th] : JoyofSatan666

Greetings to all our People and Satanic Comrades.

For maximum efficiency, we need to all stay focused on the same Reverse Torah Rituals. Scattering energy lessens their impact. Therefore, we all have to stay focused on doing what must be done here.

These 15 days will be very decisive, as the enemy will definitely try to pull something on these days. They have spiritually pre-planned it. We are going to erase this as we go.

At May 7th, the Schedule will have some changes. One will need to look at the schedule for each day (written below) to avoid confusion.

The 72 and the 42 are the most important Rituals, and everyone, if they cannot do more than two a day, should definitely go for these Rituals. These destabilize and destroy the enemy at the very core, and these are the most powerful and potent Rituals we have to do.

It's important now, because elections will happen in year 2017, and France's second round is coming up, that we do these Rituals. Now everyone knows and can see along the lines that this is far from a 'solution', but the grounds are very fertile for further and deeper change.

We saw this backlash on Trump, and how it resulted in millions of people awakening to the fact that the enemy will not let Gentile Nations Breathe...The enemy is damned if they move, damned if they don't at this point. We need to keep up the momentum.

It's interesting to mention that for the jews, the elections in France are put on a day of power for them, which is May 7, and in accordance to the Torah passages they read on this date.

It's advisable if one can do it, to do all the Rituals, but the important thing is to follow the circle that will be posted below. **The 72, 42, Anti-Confusion and Right to Rule Own Nations** are of paramount importance UNTIL THE 7th of the Month. This means that these have to be done at all costs on these days.

Rituals to be done From May 1st to May 15th

Happy Beltane Everyone! [And May Day] :
JoyofSatan666

Greetings to all our People and Satanic Comrades.

Happy Beltane to everyone. It's a blessing by Satan to have one another and advance as we do. This is a day of life, nature, and natural order. It's a day of beauty in it's most vibrant sense.

What all of us must know is that Beltane is the New Year in Satanism. This is one very important celebration for our beliefs, tenets, and practices, as it always has been for all Pagans, and Ancient spiritual people. The actual Astrological New Year is actually when Sun enters Aries.

The date of Beltane has shaped history over and over again, turning the Wheel for a better world in which Gentiles can live in better conditions. Associated with fire, life and the striving for advancement, this manifested blatantly in the late 1880's. Where some people, out of 'nowhere', in a cold and calculated world that had them as total cattle and slaves, decided suddenly to revolt to create better rights for the working man.

These people had NOTHING, let alone what 'we' have today. They had no internet, no comfort, not even shoes to wear, or food to feed their families. And still with nothing in their hands decided to do something about it..

The center of all nations and all civilizations, which was tortured in a jewish, cutthroat system of speculation and numbers, which eventually had the lowest people in consistent ruin. This was nothing but jewish Middle Ages type of labor, and later feudalism, in a different cloth.

Some people on this day, in the same way as fire rises from unknown reasons in the human soul, decided to revolt against the system, and this set up the path for better conditions in all workers worldwide. The Communists and others claim this date was of 'theirs' and a 'war of socialism', and that 'workers rights' belong to them. Wrong. Workers rights, in the general spirit of the Age of Aquarius, are the future.

As with anything else, they tried to hijack this, even if their actions speak louder than everything. This lead in the Communist Revolution. The Revolution of Jews in which, the Worker became a total nobody, a nothing- a slave to the jewish oligarchs in the top.

It didn't only lead to the Communist revolution though...It led to a Just one too, that really followed with its promises.

On Satan's side, in the late nineteenth century, people rose up against this oppression, which was real and not just imagined. These people were being trampled by the jews. And not only in their destroyed workers rights, living rights, or simplest rights in Human dignity. Manifested a savior years later. That made this revolution of values a concrete reality. The Satanic wave materialized on the physical realm, in National Socialist Germany.

The worker's paradise on Earth for the time, where nobody was scammed, ripped off, and was exploited. A true miracle and a real revolution of 'values' of all feudalism, church control, and all other oppressive systems which have man working like a pig only to steal his pay.

This later came to be celebrated as May Day, or Volksgemeinschaft in German, which means Community's day. Known to us as the Worker's Day basically. This is a day where people grace and glorify nature, but at the same time, we glorify how existence works on a bigger level, with all of us taking part to work for it from our respective position.

This day belongs to Satanists, and National Socialists if everyone else. It belongs to nobody else.

Spiritually, we can see the significance of this day in the Satanic movement, which in its early beginnings, had a very big importance of this date. This is the date of Pagans, Witches, and all other people who fought for occult freedom in their own ways, more or less correctly, we have to honor them on that day, these Ancient Ancestors.

This is a date to remember all things that Satanism stands for. The Occult, the people who have perished in what we call today as Spiritual Satanism, all these Pagan martyrs who were real women, children and men. And not made up falsely by the church...

Also on this date we celebrate the people who, out of nowhere, revolted, and brought the dreams and visions of a better and more Aquarian age of Satan into humanity, something which later created the few freedoms humanity does still possess in the workplace, which the enemy has tried to control and wreck since the first time. But they lost anyway.

One last thing is to remember all the Gentiles who willingly sacrificed on the last day of the War, in April 30, 1945, in which so many people died defending what is right. And a future vision for humanity in general. It's not to be forgotten how many other Gentiles from Tibet and elsewhere willfully sacrificed their own lives into a giant black mass in Germany, to curse the jews forever, and to curse the enemy system to fall. Amongst them were many Germans who also participated in this Ritual.

To defeat the monsters were are ourselves winning against today...

Happy Beltane, and also happy May Day.

Subject: "WE SHALL DESTROY GOD"			

"WE SHALL DESTROY GOD"

A quote from the Protocols of the Learned Elders of Zion.

Those are some pretty strong words. As I've mentioned before, "God," in truth has several different meanings. For one, it is a code word for one's self, for another, the chakras are "gods" and so forth.

The effects from the systematic removal of spiritual knowledge are, a dying earth and the drastic degeneration of humanity as a whole. The Jews have kept their stolen knowledge under some real tight control. It is in their Kabbalah and most of the real powerful knowledge has been passed down orally from Jewish generation to generation, under the utmost security and secrecy. Their possession of this knowledge has put them in high places of control the world over, has amassed their communities unimaginable wealth and has worked to make nearly every significant opportunity open and available to them. Not too many people are aware. Awareness is the key. Also, an extensive knowledge of who and what they are, their practices and so forth. They are an ALIEN soul.

They have dominated medicine for centuries. Healing, for one, has been under their control for profit and to completely replace anything spiritual. Given they have controlled the media, 96 percent; we hear anything spiritual is "superstition" "bunk" and so forth. We are force-fed the bible, where there is nothing spiritual, Christianity and other completely MATERIALISTIC programs where all spirituality has been systematically removed and told that true spirituality is "nonsense," "of the Devil," and "superstition." But, the Jews at the top know the occult is for real. They have used this to take control of the world, which is now dying without it.

When all spiritual knowledge is removed, as was in the former communist countries, such as the USSR, the Jews with this knowledge [at the top], had control. The spiritually defenseless populace was open to any of their curses with no knowledge of anything like this and paid the price. One

who is cursed and unknowing on how to defend him/herself, remove the curse and so forth will readily succumb to it.

As I mentioned before, the letters of the Hebrew alphabet are each infused with power. This is why the bible has so much power, regardless of whatever language it is in. The root of the Christian and Muslim programs is Judaism. Hebrew is the root of Judaism. Christian churches were built over Pagan temples that were destroyed. These temples were built upon powerful Ley Lines in a lot of places, especially in Europe. Unbeknownst to many, this catapulted Christianity. I remember many years ago, my son took the family on a vacation to the West Coast. He drove us deep into the Redwood Forest. We got out of the vehicle and walked around. I was totally blown away by the extreme energy there from nature. I also overheard a woman relating to friends on how she felt the same when she visited the Amazon Jungle. There are certain areas of the earth and spots that are intense with energy. This can all be scientifically explained. These areas can be used for spiritual purposes and drastically amplify workings.

Attempts over the years of various scholars in exposing certain truths has led to their being ostracized, labeled as "eccentric" or even downright "crazy" and has even ended many a career, if the scholar refused to end his/her research. This is no different from many scientists who have been attacked over the millennia for revealing scientific knowledge that proved Christianity and its twin of sick Islamic filth were outright lies.

It is a sad fact, given the Jews control 96 percent of the media, there are major lies, especially regarding history. I am sooooo fed up with the outrageous claims regarding the White Race, being "uncivilized" "ignorant" "savages" and so forth. One does not just slap a castle or a Gothic cathedral together, nor the Roman Coliseum, which after 2,000+ years is still standing.

"That the ancient Britons applied Pythagorean principles long before Pythagoras was born was a remarkable discovery." "All we can say is it seems most unlikely that a people who possessed such a refined observational science, such as mathematical and geometrical expertise, and such engineering genius, were at the time ignorant and superstitious barbarians, as the ancient inhabitants of Britain are popularly believed to have been." [1]
[This was passed to us from the Nordic Gods, such as Satan himself, who fathered children with human mothers].

Stonehenge was used to predict the phases of the Moon, eclipses and much more, accurately. Much of this was used in ritual magick.

Most of you here already know that the body and spirit are made of bioelectricity. Bioelectricity runs the universe. Thoughts are composed of electrical impulses. This is scientific.

"Basing his ideas on numerology and gematria, Michell puts forward the suggestion that both Stonehenge and Glastonbury were structures designed with incredible subtlety on principles accredited to traditional magic for the purpose of collecting, storing, and transmitting solar energy." "...the actual sites should serve in some measures receiving stations for direct influences from heavenly constellations that were known and appreciated by the priesthood—especially at certain seasons of the year." [2]

There is much, much more to the "Kabbalistic" planetary squares. I also want to add here, these are not anything the Jews invented. I have a book where it reads they are originally Sanskrit. Most of you know, the Jews did not originate in Mesopotamia, or Ancient Palestine, but in the Far East, where nearly everything in their programs has been stolen and corrupted from. Christians and Muslims were used and exploited to viciously remove and destroy this knowledge, burn libraries, Pagan Temples and torture and mass murder those who had this knowledge.

Back to the significance of Planetary Squares:

"One of the more arcane traditions of number magic is that there is associated with each planet a

numerological magic square, which is the key to control of the planet's influence and power. For example, the magic square of the Sun consists of 36 numbers. The square may appear as a random jumble of numbers, but a closer study will reveal that if one number were altered, or if two were made to change places, they symmetry of the whole square would collapse.

Add together any row, column, or diagonal: the total is always 111. Add together the corner numbers of the square, 6, 1, 36, 31: they total 74. Move inward toward the center and add the corner numbers of the smaller square formed by 11, 8, 29, 26: again the total is 74. Add the total of the 4 numbers at the very center, 16, 15, 22, 21: it is also 74. Add together the numbers around the perimeter: the total is 370. The sum of all 36 numbers in the square is 666.

From this are drawn the potent magical numbers of the Sun: 36, 111, 74, 370 and 666. Whole multiples of the magic numbers are taken to be as potent as the numbers themselves. According to Michell's analysis, Stonehenge was laid out on a plan that incorporated these numbers, so functioning as a magical instrument for solar power.

Glastonbury, according to Michell, was also designed on a pattern dictated by the principle numbers of the magic square of the Sun. According to these calculations, it appears that Glastonbury was founded on identical principles to those employed by the people who built Stonehenge between 1500 and 2000 years before the first Christian church was erected." [3]

"From these observations, he goes on to say that they seem to be controlled by mathematical laws that involve the number 3 in their construction and the number 7 in their spiral patterns."

Chinese authorities forbid constructing roads and tracks through certain areas of which they deemed contained lines of force which they called "Dragon Current."

The movie, "Crouching Tiger, Hidden Dragon" for example, has many scenes where the characters levitate and even fly through the air. This is not fiction. Upon empowering this soul [martial arts empowers the soul], levitation can be achieved. Levitation combined with powerful ley lines can give an adept the power to fly through the air. All of this can be scientifically explained.

"If rivers are becoming polluted, the solution is, we reason today, to develop stronger, and therefore costlier, anti-pollutants. Perhaps we should not dismiss the magical and psychical sciences of our forebears as readily as we do. A return to the magical view of the world might be the start of a solution. Why? Because fundamental to the old beliefs is the idea that the world is a grand design, a totality in which the parts are all interrelated, interresponsive, and interdependent, so that whatever happens to the part affects the whole and vice versa. Many of the ills of the modern world can be traced to a neglect of this fundamental principle."

This is where we are at following centuries of enforced Christianity, Islam and being ordered about and slaves to the Jews. Yes, slaves. In most countries, the president, if not a Jew him/herself, is nothing more than a puppet of which the Jewish masters pull and control the strings.

"WE SHALL DESTROY GOD"

India for sure. Nearly everything in the Judeo/Christian has been stolen and corrupted from Hinduism.

Abraham is an anagram of Brahma. This creates a subliminal tie-in of spiritual superiority.

Sarah was stolen and corrupted from Saraswati.

Shiva was also stolen and corrupted. The Jews use "Shiva" for a number of things, such as "Yeshiva" is a rabbinical school, then the ongoing ritual where certain family members mourn their dead and more.

If you are familiar with spirit abuse and parasitic magick, note that Asafoetida, an ingredient used in East Indian cooking, very common to East India, is used to insult the Goetic Demons they would call up, as it has a sulphur odor.

"KLI" which is of their kabbalah was stolen from the Sanskrit mantra "KLIM" which is of abundance.

High Priest Mageson666 also noted the similarity between "Shiva" and their "Queen of Sheba" character in the bible.

I could go on and on here. I have much more regarding their Christian program on www.exposingchristianity.org

As for their presence in other Asian countries, such as Japan, I strongly suspect they have been there as well.

The White Race originated in the Far East thousands of years ago and then migrated to Europe. I personally believe this migration of Whites was to get away from the Jews, who being an alien parasitical race and soul, soon followed. No different from how European Whites fled Europe for America, to escape compulsory religion, and oppression. Then, the Jews followed shortly thereafter...

Where exactly in the Far East; because when you say Far East, China, Japan and Korea are what comes to mind.

Could you be more specific?

Subject: "God"?????

There's some more knowledge I'd like to share. First off, everyone here should know Satan and our Gods do not need or require slavish worship. They come to us as friends and to help us, though they are advanced beings. Satan has made it clear more than once that He does not want or need slavish worship!

Too many people are naturally servile and have been systematically indoctrinated and programmed to be that way. This does not mean anyone should be arrogant or disrespectful. But, continually trying to secure approval (I've seen this in places like working in restaurants, where approval seekers look up to some of the lowest of the low, just because there is a "manager" title involved), is not of Satan. This sort of deal is Judeo/Christian/Muslim crap. In addition, this bleeds over into Jewish communism, where Jewish masters like Lenin, Stalin and other Jewish vermin assume the position of God, and the populace, stripped of all spiritual knowledge, bow down and worship (literally), this degenerate scum, which is no different from one kneeling before a pile of fresh excrement, and praising it, flies and all.

Given the Jews have been playing God for centuries now, (I also want to add here, the universe is infinity, both the macrocosm, and the microcosm. Science proves this. There is NO supreme being.

The Jewish kabbalah has kept this secret for centuries. There IS a force that science can also explain that is within everything. Like how the planets are held together by a gravitational pull... The ether element. This is and has also been referred to as "God." And, repeating myself again, "God" is also a code word for one's self and the chakras (The Gods).

My main point for writing this article is a couple of things I ran across. So much spiritual knowledge has been removed and those who have this knowledge and know how to use it become "God" over those who do not have spiritual ability or knowledge. This is what Christianity and Islam (and of course Judaism at the lower levels has been about. The Jews have a history of exploiting and preying upon their own). Systematic removal of spiritual knowledge.

So, just how much power has been attributed to a so-called "God" over the centuries, inspiring slavish obedience and terror, when much of this has been the work of humans?

In the 2017 Witch's Almanac, there is an interesting article on poppets.
"The phrase 'to burn in effigy' as a way of destroying someone in absentia reflects the sympathetic magic used to annihilate Guy Fawkes all over again. The destruction of his poppet suggests a wish that he burns in the afterlife."

Jews have a long history of cursing their enemies, the holiday of Purim being a blatant example.

The autobiography "Unorthodox" by Deborah Feldman is a very revealing and interesting read. Feldman is the one credited with the (((three parentheses))).

In her book, she reveals much of the secret life of the Hasidim, in which she was raised. She eventually left the restrictive community in Williamsburg NYC.

Now, here is from a paragraph in the book describing what she saw:
(The shomrim are Hasidic police- they have their own and are exempt from the law outside of their communities. They don't have to answer to the law like everyone else).

From the book, page 98, she describes how the shomrim, pull up at the house next door and how three bearded men drag out a black teenager caught stealing, by his hands, he hung heavily

between them.

Her grandmother who was also watching stated the boy can't be any older than fourteen.

She goes on to describe how the shomrim members crowd around the quivering boy and kick him mercilessly until he is sobbing and wailing. "The men beat him for what seems like forever."

"You think you can come in here and do what you want? Impress your friends? You think you can bring your filthy kind into this neighborhood? Oh no, not here. No, we won't call the police, but we'll take care of you like no one else can, you understand? If we catch one of you here ever again, we'll kill you, you hear? You tell your friends that, you tell them never to come near us again or we will rain hell down on their black souls." *

*Note, the word "souls" is used. I don't take that as a symbol. I'm sure, given what I've learned, it is literal.

I would also like to add a few interesting quotes from this book.

"Bubby" is Yiddish for grandmother. For centuries, many orthodox Jews have spoken Yiddish. Hebrew, especially Ashkenazi Hebrew is too sacred and when establishing the state of Israel, orthodox Jews fought atheist and nonreligious Jews over what would be the language of the new state. Orthodox Jews vehemently opposed using Hebrew, but Hebrew was instated anyway, but the Sephardic version is and has been used.

Regarding Hasidim:

"Bubby says it's convenient for us to be presumed poor and unintelligent, so as not to spark the jealousy and resentment of the gentiles."

"A Jew can never be a goy. Even if they try their hardest to become one. They may dress like one, speak like one, live like one, but Jewishness is something that can never be erased. Even Hitler knew that."

You know those fur hats those Hasidim wear? They cost \$2,000.00 and up. Married Hasidic women are forbidden to show their hair. Most wear wigs or head scarves. The wigs they have are mostly made from human hair; \$3,000.00 and up.

On page 205 she reveals how a Hasidic father cut the penis off of his son before murdering him for masturbating in a basement. They buried him in 30 minutes. No police, no death certificate, nothing.

Jews with their supremacy, control and occult knowledge, place themselves above the law.

So, just how much of the spiritual has been attributed to what unknowing people have called "God" for centuries? No doubt, extraterrestrials have been interfering in our world for millennia. They are not "all powerful" or they would have taken this world by now, but just how much of this sort of thing from humans?

Subject: Satanic Unity			

[Satanic Unity : JoyofSatan666](#)

What's a more fitting word than this to begin this?

"It is my desire that all my followers unite in a bond of unity, lest those who are without prevail against them."- Satan, Al Jilwah.

Now I know many people invent all sorts of fancy reasons and problems to 'isolate' themselves. Partly because of one reason or another...However this is the enemy that implies that this should be used as a false reason to completely isolate someone entirely.

This is obviously the enemy, as they basically want to corner people all the time. They will not like the fact you are a threat to them...So they try to minimize this threat by isolating Satanists. Satan, the Gods, or even you, will have no voice, no say, and no power, if his people are scattered and living in their own fantasy land alone. This is the recipe of damnation for the self and the whole accordingly.

There is a rule in nature, the rule of unity. We can see this with the enemy and their Islam and everything else. They are a cancer, eating the planet alive. Wrongly, unjustly, they don't even have common sense, logic, or any serious plan, or anything. They are a literal CANCER that lives and breathes...

But they are doing it TOGETHER and therefore, they are strong. Isolation is the most certain to drain someone down the swamp.

The human soul has 7 chakras. The "Ego" is only in the 3rd, Solar Chakra. There are other things in life. The highest forces and mightiest powers lie in unity, not in strict isolation. These people can at best, only benefit themselves. Greatest powers do not come strictly from the 'self', but from higher aspects of one's existence that deal with higher and united forces.

To do anything functional in reality, one has to band up and work by other people, and all these together, we express the power of Satan. Greatness of any 'ego' and advancement of such, is fundamentally linked to working with other beings.

One man is in the jungle, alone. They don't know crap. How 'great' are they? Maybe they have a skill for breaking coconuts, or eating bananas. What's there to glorify anyway here?

Satan shares knowledge and blessings in the group, and people who don't even bother, will not receive. This is rejection in more than one ways.

One question all people know the answer to. Just how many times one asks from help the Gods, and they guide them to a specific post, or a specific thing within the groups? This makes it easier for them to help all of you out. Otherwise, this can take a lot of time and effort for the Demons to reach someone in an environment with zero 'leads' to answer them. This is only one example...

Being around here does not imply or consist of doing things that make one uncomfortable, doesn't force association with people one doesn't want, or anything uncomfortable like this. However, it implies that one knows when the wolves are to flock and fight so to say. You do not have to like people you don't like, get along with anyone, or whatever else of that nature that may cause discomfort.

Unity does not imply taking others as your 'gods', and those idiots who try to only for their own 'self', some particular failed cases, abuse other Satanists and try to uselessly make them their 'groupies' or whatever else.

Here we understand that unity is halfway, individuality is halfway. One cannot exist without the other. We are not a mass of sheep, as sheep are dumb and useless, but wolves are also worthless if they are not

working in unity, for example.

I had many people who only care about themselves, complain over why they are not receiving any help. When you make your choice to only work for YOU, and include nothing and nobody in your existence (except of course to be their parasite for personal gain, how jewish of you) from just WHO do you expect "HELP"? Aren't you working on your "own", anyway?

Those who think of this only halfway, are in for a very rude and damaging awakening. Many have taken this false route down before, and this never ends good.

Why? Because Satan's focus is to enlighten, protect, and empower his followers. This can happen only by unity on a mass level. Otherwise, say goodbye to Spiritual Satanism, and allow everything to go extinct, to name one example.

We are Satanists and it's important we are united and we stand as one. There may be some disagreements, and sometimes, incompatibilities even. This is natural, and we understand this, same as Satan understands this.

There are however some fools who refuse to work with others, because they consider themselves an isolated 'god' or something. What these people don't understand is that the "God" power can be accessed on the mass level. Our unity here and who we are, in other words, affirms the power of Satan better than anything, let alone solitary individuals.

This does not imply friendship with mismatching or damaging individuals, or parasitic relations (as many people have serious deprogramming to do), let alone for VIPs and more advanced people to associate with people who are in the beginning stages. What it means however is co-operation, working for empowering purposes for everyone involved, and showing our power and participation, long story short.

It affirms something simple. What Satan's Will is, for his followers to be UNITED and be in the same war and in one army. This way, we are invincible, and we can never be taken down.

Lastly, for the brainless idiots (jews excluded for this is in their racial nature and they cannot help it) who call themselves "Satanists" of any "sect", but attack the biggest and most powerful bastion of Satanism, the only one that fights for Satan as a real and recognizable being, that reflects Satan Will in the most total way...

You can seriously just consider leaving behind this madness. The 'rabbinism' and all the jewish gimmick behind and finally follow Satan without jewish observation glasses. This is not Satanism. This does not advance the individual, and this does nothing but generate either atheism, or Rabbinical Judaism under a new name. Both are equally damning, and unreasonable, and will not really help a Gentile who seeks spiritual understanding and anything further than 'atheistic beliefs'.

This is not only demeaning to Satan, but this is also damning for Gentiles who go into this rut.

The jews do this purposefully to destroy people who want to follow Satan and the Pagan Gods. Let's not mention all sorts of other dangers, many of which involve destruction of the individual by stupidity espoused by these so called (("Satanic Groups"))).

Remember, Satanism is not about 'serving' or anything like that. But Satanism is a religion of intelligence, civilized nature, and highest advancement. This cannot happen only by 'solitary' advancement, there has to be massive advancement and expressed power through focused lenses, because we have enemies to conquer if we are to exist peacefully one day.

Those "Satanists" who know nothing to do than disunite, and do anything else to Satan. Are basically following the advice of Jesus.

Matthew 12:26

25. Knowing their thoughts, Jesus said to them, "Every kingdom divided against itself will be laid waste, and every city or household divided against itself will not stand.

26. **If Satan drives out Satan, he is divided against himself. How then can his kingdom stand?**

Those who follow the path of breaking unity, and trying to parasitically damage Satanic Unity, for their own tiny 'muh feels' or anything like that, or other jewish and more sinister purposes (like jews did since time immemorial to Satan anyway), are going to invite and receive Satan's Wrath.

First of all, by isolation, these people are rendered powerless, and second off, if this phenomenon persists, the Gods decide what is to be done, which it's not in my office to conversation about. One can understand by putting one and one together.

Your individual advancement, or our advancement as a whole will never come by scattered, 'know it all' elements, and people who refuse to give back to Satan even the slightest thing he requires from his followers. Satan gives everything. The least his followers can do is actually do what he says.

Why? For our safety, empowerment, and so that we can successfully crush the enemy.

Even if you are the most selfish character of all of them, just remember, the only way to retain this 'individuality' is by banding out with others. In short, even for the most selfish pricks, it's not in their interest to play this that way. Even if your reasons are that low, still, it makes perfect sense.

Sun or lightbulb, if alone, the light can be turned out easily by parasites, enemies and black holes. It's when we come together that we are the most powerful spiritual force on the planet. Those who behave lower than animals (since all the intelligent animals in nature KNOW when it is for them to band together and fight) are on their own.

Satan, and the Gods, fight together. They are all in their level, office, and organization, and they all benefit from the mass and inconceivable power that is raised from the benefit of all. This is how real powerful individuals are born, and this is how things that nobody can ever make on their 'own' happen.

Poor are those who can't see beyond their nose, blessed and mighty those who have both a sense of self and sense of unity. This is the recipe of success.

Reverse Torah Ritual Schedule [May 1st to May 15th] : JoyofSatan666

Greetings to all our People and Satanic Comrades.

For maximum efficiency, we need to all stay focused on the same Reverse Torah Rituals. Scattering energy lessens their impact. Therefore, we all have to stay focused on doing what must be done here.

These 15 days will be very decisive, as the enemy will definitely try to pull something on these days. They have spiritually pre-planned it. We are going to erase this as we go.

At May 7th, the Schedule will have some changes. One will need to look at the schedule for each day (written below) to avoid confusion.

The 72 and the 42 are the most important Rituals, and everyone, if they cannot do more than two a day, should definitely go for these Rituals. These destabilize and destroy the enemy at the very core, and these are the most powerful and potent Rituals we have to do.

It's important now, because elections will happen in year 2017, and France's second round is coming up, that we do these Rituals. Now everyone knows and can see along the lines that this is far from a 'solution', but the grounds are very fertile for further and deeper change.

We saw this backlash on Trump, and how it resulted in millions of people awakening to the fact that the enemy will not let Gentile Nations Breathe...The enemy is damned if they move, damned if they don't at this point. We need to keep up the momentum.

It's interesting to mention that for the jews, the elections in France are put on a day of power for them, which is May 7, and in accordance to the Torah passages they read on this date.

It's advisable if one can do it, to do all the Rituals, but the important thing is to follow the circle that will be posted below. **The 72, 42, Anti-Confusion and Right to Rule Own Nations** are of paramount importance UNTIL THE 7th of the Month. This means that these have to be done at all costs on these days.

Rituals to be done From May 1st to May 15th

-72, 42, Communications RTR, Right to Rule Own Nations RTR, Anti-Confusion RTR.

After the 7th: Reversing the Curse Upon the Goat.

Subject: This is War

[This is War : JoyofSatan666](#)

This is War : JoyofSatan666

Greetings to all our People and Satanic Comrades.

Spiritual Satanism is a path to glory, self exaltation, and self betterment. Now don't think this will come 'for free'. However the prices on has to 'pay' are far better than all the dead cattle have to pay elsewhere, though. Just look at them and how they are rotting, and you will understand your 'reality shocks' were far less to pay compared to them. But for your inner bravery, Satan rewards with power and improvement.

Spiritual Satanism is the eternal and permanent rejection to the slave, and 'goyim' identity. People who are not willing to fight to meet this end, and who do not push things, they are going to get nowhere in life in general. This is a rule.

Those who do not fight, or resist, and want the 'easy' life, they may as well retreat to become a 'goyim'. At least that's what jews say, don't they? Bow down to 'christ' or 'allah', bow down to them, whatever, and you will be 'saved' or 'spared'?

Yes, right...Serve the jews. This must be why all people who are subservient to them are basically dead shells and husks, ignoramus, and at best enjoy a few 'trivial' things (1% of them) while the other 99% is worked in ignorance, death and slavery, something which the other 1% also shares. All these people are angry animals with no spirit whatsoever. It's shocking for them when they find out...

Why were BILLIONS of people butchered eventhough they were their slaves and totally subservient? Because welcome to reality, they will NOT spare you. They will just kill you first if you bow to them...

Newsflash, the life of the "goyim" is a far more gruesome, painful, meaningless and devoid existence of them all.

These people exist for no reason whatsoever. They are so low in understanding they have a hard time even grasping this concept. If they did, and sometimes due to planetary alignments they do, they quickly

contemplate suicide. Because well, life is totally pointless and meaningless.

With the above being stated, those who try to 'lay low' and do nothing for their spiritual freedom or to advance, are already dead and defeated. Therefore, there is no force or opposing force used against them by the enemy. But surely, their stupidity, lack of understanding, and their whole constitution is that of a weak slave. So when 'fate' or any other factor comes at them, they are non-existent like flies.

Another thing everyone has to understand, is that these 'people' outside are filled with ignorance, depression, and many other things. Not in any extent to people who are of Satan, which is basically because one was part of 'them' at some point unavoidably...It's in far...Far worse degrees. This can be easily understood by running a check to one's memory from the 'cattle times', or looking at people around them who reflect the idea of being a 'goy' better.

This is an unpleasant, unrewarding, and a life that baseline borders to non-existence. Indeed if many people understood what they did, where they are rallied by the enemy, and what 'potential' future awaits them, many would choose to die now rather than exist.

Our law is not a law for the many, or the cattle or the mass. Our law and our fortune is that of the strong, with whatever calamities and wars this may come. It's pointless for a Satanic Soul to try to escape it's destiny and to go against what The Creator has ordained us to do. It will only lead to failure, depression, and far from our own inner seeking. Therefore those who quit on this boat, will only waste their time waiting for the next.

For those we are on it, we will fight, because this is what we do: We Fight. People who do not feel this into their heart, align into those who do fight, and gain from them, for this is what a family does. Nobody will be able to stand in your way if you only understand this very Truth.

Lastly, the enemy is FIGHTING us. What does that mean? That they are powerless to erase things all-together. For if they had the power, they would have done it. Do not let them convince you otherwise, because it's imply powerlessness into their behalf. Fight and grow, grow and conquer.

Satanic Souls are like gems into a pile of hubris and excrement in the world, and you are like gold. Therefore do not assume that you will get it easy and along with everyone. Most people will despise your power, inner peace and pleasure when this is achieved, and our war is not a war for 'friendship' with the sworn sheeple of the enemy, but a war of justice and if they attack us, retaliation.

Jews lying they tell the Gentiles, it is 'tooth for tooth', but history proves otherwise. We know and follow the similar agreement. That's therefore OUR agreement: Treat us justly and so we will treat you, but if you touch our tooth, be prepared to lose all teeth within your mouth, so far enemies are concerned.

My last question to those who are afraid and worried, is this: Even if one is afraid about their 'life', what 'life' exactly has the enemy given you so you can 'lose'? Nothing. You owe them nothing. Additionally, our way is only to WIN, for life in a dominated, massively enslaved world such as the one of the enemy, wouldn't be worth living. This is to settle any 'fears' one may be experiencing.

There are no complaints. So many ancients and people who knew even half the things that are in 'plain sight' for many here, jumped in the fire, battled the enemy in the temples, and had to die and sacrifice. This has been everywhere, China, India, Europe, EVERYWHERE. What did all these people have in common?

The Knowledge and Wisdom of the Gods. This was their inheritance, and this is the path they have been set.

Even these calamities were transitory. Many were tied down, burned alive, and tortured until their dying breath to open the mouth to the enemy and tell them secrets of spirituality, or what they knew.

Many saw their own children and 'families' coming at them with the torch to torch them, their 'friends' report them to the christians or muslims, and so many others over needs so simple as to go to school, being women and therefore (((forbidden))) to, had to die.

What did these people do that was so 'bad' and 'criminal'? NOTHING. They simply meditated, tried to advance their fold, and help humanity in the best way. What did the enemy take from them? EVERYTHING. The enemy had to kill them to the last man, woman and child. Because the enemy is an ALIEN soul. Everything beautiful and every attempt to make anything better is an 'attack' to them...

What did these people do however? Did they sit down and watch the enemy? No they didn't...They held the bastion for humanity at the darkest times, times far harder than those today, many of which NOBODY can imagine.

Work in silence, in spirit, and in legal ways to push the last fire that remains for humanity to be enlightened for. The deeds now are so much easier compared to then. It's unacceptable for one to do NOTHING.

As for those who wonder, what are we doing? We are doing the same thing that people have done for tens of thousands of years ago. We preserve the highest of what Humanity has left inherited, and as people who have thrown themselves in the fire or fought victoriously, so will we, to preserve, advance and spread this very thing.

What people out there need to understand is that essentially they have 'nothing' to lose that they haven't lost, or will lose anyway. Most of the things they 'own' are even borrowed from something or someone else, and so they will return. There is only one war that matters, and that is the War for your Soul and the World. For this is where you will always return.

History is changed by individuals, and the brave. The cattle is useless, and beaten down completely by the enemy, and disassociate from waiting for it to be 'saved'. You have to be saved FROM it, FIRST and foremost. This is the first essential step to this. This is the purpose here in what we do together, and in advancement.

After people make it out and throw a rope to those in the melting pot...Only then we can think that the people at large will be "saved" or reach a level where it can at least resist. Because surely, most do NOT want to save themselves, and worse.

Our seeking is the masters of the cattle who have found themselves within the cattle due to pressure, and to find these wolves and bring them to the fold.

This is WAR. Unite, fight, DESTROY and BRING SPIRITUAL JUSTICE.

The Jewish World Order The Jews Are Using Occult Power

Jewish Talmud, Choschen Hamm 388, 15 Happy will be the lost of Israel, whom the Holy One [my note the Jewish Messiah], blessed be He, has chosen from amongst the Goyim, of whom the Scriptures say: "Their work is but vanity, it is an illusion at which we must laugh; they will all perish when God visits them in His wrath." At the moment when the Holy One, blessed be He, will **exterminate all the Goyim of the world**, Israel alone will subsist, even as it is written: "The

Lord alone will appear great on that day!...

Suffering major set backs in Spain and Poland, the Jews reorganized from their losses under rabbinical leaders who came forth and formed a messianic following the start of this momentum was Rabbi Luria a Kabbalistic teacher who was famous for his Lurian Kabala and believed to be the messiah. Luria never wrote down his teachings as was Jewish tradition, he taught them orally to two types those of initiates and adepts. It was not until after his death his students wrote his teachings down in the Lurian Kabala.

Rav Luria

One of the later students of the Kabbalistic system of Luria was Sabbatai Zevi. This character travelled to the Levant where he claimed to be the Messiah of the Jewish Race. This period of history is very revealing as this is the one time the Jews came right out in public with their agenda and intentions and Zevi was believed to be the most recorded Jewish person in history of the time by Gentile sources as well. Which is why Jews are scrambling to always confuse this period of history and leader.

Rabbi Zevi

This also shows the Kabala is the key to Jewish power and power within the Jewish establishment. Zevi spent years in Kabbalistic meditation which included mantra repetition of Kabbalistic formula's such as the fourfold name. And other methods. That are identical to yoga. With mundra's, asana's, breathing techniques, visualizations. The key of kabala is to awaken Shekinah in Malkuth and move it up the other six lower worlds of the first seven to the crown. This knowledge was stolen from Gentiles. However the key of kabala for the individual is based on Shakti energy and moving it up the spine. The Jews stole this from us and damned the Goyim. While keeping it themselves at the top.

In the orthodox Rabbinical movements the leader is a Rabbi who is a Saddak. Meaning he has performed verifiable siddhi's in front of his followers numerous times. And these Rabbi's are the leaders of the Jewish race.

Zevi as Luria before him, demonstrated Siddhi's in public and other Rabbi's stated to as well from his teachings. They claimed to have dreams and visions of Zevi as the messiah. At the high of Zevi's movement over a million Jews were his disciples. And thousands of Jews travelled to the Levant to follow him.

Zevi declared himself Messiah on June 18, 1666, this a Kabbalistic important date. June the 6th month, 18 is the number of life in kabala and made up of three sixes and 1..666. The number of the sun and bringing the spiritual working into the material.

Zevi ordered all his followers to practice the Lurian Kabala and taught them how to use the power of the mind for Jewish witchcraft and also openly used sex magic with the wife swapping and orgies. This is in the Kabala, the enemy knows the power of sexual energy they repress it for the Gentiles but use this at the top for themselves.

Now this is the revealing part.....Zevi crowned his key followers with the crowns of the different European Nations and was preparing for "The Messianic War" in which the Jewish army of Zevi would destroy the nations of Europe and make the Gentiles their slaves. And take Jerusalem from the Sultan and rule as the Messiah a Jewish World Kingdom from his throne in Jerusalem. As this is

what the Jewish Messiah must accomplish as the Torah, Talmud and Kabala command. This is what Judaism is about. As the Jewish holy texts state:

Zohar, Toldoth Noah 63b "When the Messiah comes every Jew will have 2800 slaves."

This is what the Jewish Leader must accomplish....

Choschen Hamm 388, 15 Happy will be the lost of Israel, whom the Holy One [my note the Jewish Messiah], blessed be He, has chosen from amongst the Goyim, of whom the Scriptures say: "Their work is but vanity, it is an illusion at which we must laugh; they will all perish when God visits them in His wrath." At the moment when the Holy One, blessed be He, will **exterminate all the Goyim of the world**, Israel alone will subsist, even as it is written: "The Lord alone will appear great on that day!..."

Zevi marched to the Ottoman's capital to demand Jerusalem from the Sultan, to which the Sultan ordered him to convert to Islam or be executed, to which Zevi converted to save himself. This was officially the end of his movement. As this move disillusioned most of his following. However this conversion of him and his immediate following was a ruse. They went underground as the Donmeh Jews. And kept their teachings so secret they would only reveal the actual religion to their children upon turning 14. So as to hide this easier among the greater Gentile community. The Donmeh later were able to accomplish their agenda by forming the Young Turk movement via the Free Mason lodges they set up in Turkey and with this were able to take over the Turkish Empire and this included the Armenian Genocide. The Armenian community was the major obstacle to the Donmeh grab for power so they exterminated them. Upon stealing the vast wealth of the Armenian's as well. This also forced the Turk's to only be able to deal with International Jewish bankers for finances as the Armenian banks were gone. Putting the Turks under their control. The Donmeh sabotaged the Ottoman's war effort as the Rothschild's and other Zionists need the Ottoman Empire destroyed to grab the Levant for their Messianic mission of Israel. After the war Atta Turk the leader of the Turkish republic was a Donmeh. They forced in secularization at the time as they didn't want any Imperial resurgence in the region from the Turks. The Donmeh community along with the Rothschild's also created the Saudi regime to gain control of Sunni Islam. The Donmeh still run Turkey.

Rabbi Jacob Frank the actual father of Communism.

Back to Europe another important Rabbinical leader Jacob Frank who was a trained adept in Kabala by several Donmeh Jews who came to Europe. Now this is an important point on how Jews lie, the Jews who talk on this issue claim Frank was "Satanic" and not a Jew somehow anymore because he went against the teachings of Judaism.....Then out of the other corner of their mouth they admit everything he did was in the Talmud and not against it. So he was following the teachings of Judaism as a Jewish leader. The Jews believe Gentiles are dumb and they can lie to you with this type of chutzpa and you being the "dumb goyim brain" won't even notice. Everything Frank did was actually in the Talmud from the black magic to human ritual sacrifices. This is also in the Torah. Moses Hess another loyal Jew in the movement stated they would use Talmudic black magic to bring this agenda forth in his own writings.

Also remember when these Jews talk on this issue what their Jewish law commands of them... Sanhedrin 59a To communicate anything to a Goy about our religious relations would be equal to the killing of all Jews, for if the Goyim knew what we teach about them, they would kill us openly.

Libbre David 37 A Jew should and must make a false oath when the Goyim asks if our books

contain anything against them.

So you can bet these Jews are lying to confuse the Goyim as to the actual nature of Judaism. As this situation with Zevi put them in the hot seat in front of the entire world as he came right out in the open and didn't hide behind the scenes as Jews traditionally do.

Frank declared himself the reincarnation of Zevi and started the Frankist movement. To bring about the Jewish World Order. In 1773, Frank personally met with Mayer Rothschild himself a Sabbatean a follower of Zevi's teachings, Mayer was a Shamash, a personal servant to the Rabbi who raised him and to this day Mayer is given worshipful status by Jewish groups like Chabad. And Frank also met with Adam Weishaupt who's father was a Rabbi and himself Weishaupt was a teacher of Jewish Canon Law at the university of Ingolstadt in Bavaria, Germany. It was at this meeting in 1773 with Rothschild and Weishaupt, Frank came up with the agenda of the infiltration of the Masonic lodges and at this meeting the Illuminati was created. Jacob Frank and Weishaupt created the Illuminati doctrine and Rothschild provided the funds and connections. However it was also Frank that originally put Rothschild into money power along with the Warburgs. Frank had his followers run numerous money operations in Poland and then channelled this money into operations including the money the Rothschild's to the type of sum needed for lending to King's and Princes which got them started in the business.

From here the Jews took over the Masonic lodges and turned them into tools of the Messianic Agenda of the Jewish leadership. The French revolution was documented to have been launched by the Frankist's via their control of the Masonic centers and bankrolled by the Rothschild's and other Jewish money elites. This movement in France called the Jacobin's was the Jewish Golem of the "French" revolution in the next century its name was changed to the Communist League. And two Jews Marx and Hess created the Communism Manifesto. Hess was an open Zionist and the father of Zionism officially. He stated Zionism is about creating a global Jewish government that rules from Israel. They just took the Illuminati ideology of Frank and cloaked it in some new mumbo jumbo. And gave it a name change to Communism.

His [Hess] chief work, authorities agree, was "Rome and Jerusalem" (translated by Meyer Waxman and published in the United States in 1945 by the Block Publishing Co.). He rushed home in 1848, says the translator, from Paris, "taking an active part in the armed resistance of the people." (page 22) "In 1845, Hess engaged in propagating the Communistic idea and founding societies devoted to its realization, an occupation which led Arnold Ruge to describe him as 'The Communist Rabbi Moses.'" (pp. 21-22)

It is stated that, "The fundamental principle of Hess' thought ... is based on the teaching of Jewish Spinoza, of which he was a devoted follower," but he went further, says the translator, in expounding the "basic unit" of mind and matter, "the basic unity and its various unfoldings."

Hess also stated, "Judaism has no other dogma but the teaching of the Unity." (page 44) "... the Rabbis never separated the idea of a future world from the conception of the Messianic reign. Nachmanides insists ... upon the identity of ... 'the world to come' with the Messianic reign." (page 46)

Extolling the Talmud and delegating Moses to the inferior role given him therein (page 91), the whole cry of Hess was for Jewish world rule from Palestine "between Europe and far Asia ... the roads that lead to India and China," and he told Jewry:

"You have contributed enough to the cause of civilization and have helped Europe on the path of progress to make revolutions and carry them out successfully." He called for Jews to "March

forward!" and stated: "The world will again pay homage to the oldest of peoples." (pp. 139-40) The "Talmud is the corner-stone of modern" Orthodoxy, (page 143). He looked to black magic, the occultism of Chasidism, which along with Zionism, was to achieve Communist dictatorship." "The great good which will result from the combination of Chasidism with the national movement is almost incalculable," (page 218), and he added, "Although the Chasidists are without social organization, they live in socialistic fashion." (same)

The translator called Hess, in the 1918 edition Preface: "The herald of Nationalism and the trumpet of Zionism."

Communism was spread thought the world via the golem of the Free Masonic lodges and the money of the International Jewish banking elites. This is how Russia was taken down. After the Communist order was on the ground in Russia the Gentile Mason's were eliminated by the new Jewish rulers. And the lodges shut down.

The Rothschild's are the carriers of the mantle of Frank and Zevi, in their own Zionist publications the Rothschild's call themselves the Kings of the Jews. The Messianic Army of Zevi, was the Red Army. Communism is the Golem by which the Jews are trying to create their Messianic Global Kingdom.

The Rothschild's also sent their fellow Jewish agents to America, such as Warburg and Schiff to make deals with American industrialists and money baron's in the end forging a kabal that created the Jewish owned golem of the Federal Reserve and pushed American into the Jewish created First War and then brought on the Great Depression and "New Deal" called the "Jew Deal" openly by those in the know at the time, era which gave the Jews total economic, Media and political control over America. So much so they pushed America into a second world war. For the same purpose as the first. To create needed chaos to bring about the Jewish World Order. Which agenda is still in motion to this day.

The Truth on the World Wars and Communism...

Stalin's War:

topic15258.html

Sometimes the Jews tell you the truth here and there, Barry Chamish a Jewish lecturer and author on the subject of the Sabatean Jews and this movement [he puts the Jewish spin on it to take the heat off the tribes agenda] openly confessed that Joseph Stalin was a Jew who was part of this Zionist Jewish movement to create the Global Jewish government. Think about what that means. Stalin was also well known to be a practitioner of the Kabala and Jewish occult teachings as well. He even changed his birthdate to hide his actual birth chart astrology. Stalin was the first leader to recognize Israel as well. And sent numerous help to establish it as a state. Whenever Otto Kuhn landed in Moscow on behalf of the Rothschild's, Stalin was literally standing out there waiting to greet him with the red carpet rolled out.

The Jews enforce Marxist materialism on the Goyim while they kept the truth about spiritual knowledge for themselves and damn humanity to control it.

Stalin was a Jew:

Ukrainian General Calls For Destruction Of Jewish Community

I mentioned before the Jews had the tiger by the tail by their messing around in the Ukraine and the revolution they tried to hijack for their own purposes would not last for them..... Its already in the wind, this is not the only high level insider that feels this way either, I bet. Of course our RTR's are winning and helping all this.

Le Pen failed in Europe but it seems Le Pogrom, might be around the corner.

Jewish Chronicle

In the latest of a series of highly public antisemitic statements by prominent figures in Ukraine, a retired Ukrainian general affiliated with the country's intelligence services this week called for the destruction of his country's Jewish community.

In a post since deleted from Facebook, Vasily Vovk – a general who holds a senior reserve rank with the Security Service of Ukraine, the local successor to the KGB – wrote that Jews “aren’t Ukrainians and I will destroy you along with Rabinovych. I’m telling you one more time – go to hell, zhidi, the Ukrainian people have had it to here with you.”

“Ukraine must be governed by Ukrainians,” he wrote.

Wonder why the Ukrainians might hate these hateful kikes..... I mean what happened the last time Jews ruled Ukrainians....

Greetings to all the Warriors of Satan!

So as you know, we have been doing this schedule here, from May 1st to May 15th:

[topic19253.html](#)

It's important to remind everyone that these last days, we are doing the following Rituals:

12 May- 72, 42, Right to Rule Nations RTR Reversing the Curse Upon The Goat [This date is perfect for all these Rituals, and they should be SPAMMED if possible]

13 May- 72, 42, Reversing the Curse Upon the Goat RTR [First Sabbath After the crucial date of 7th of May]

14 May- 72, 42, Reversing the Curse Upon The Goat RTR, Communications RTR

15 May- 72, 42, Reversing the Curse Upon The Goat RTR, Communications RTR

It's very IMPORTANT we do the 13th and 12th Rituals, as these will bring ruin to the enemy. The dates are powerful, and we can use this to our advantage.

It's time for some serious warfare these two days...

Thank you and many blessings to people who fight for Satan and our Gods, same as our liberation. The Gods will always remember us, same as we, them.

To make it easier for everyone, below are the texts to the Rituals.

Subject: Christianity is Jewish Cultural Diarrhea...			

I know some may have a weak stomach, but just how can I glorify these creations in the appropriate ways they need to be glorified and explained? There are going to be some strange parallels in this post, affirmed to ((THEIR)) magnificence above all. Including how...

It's obvious in itself that Jews created Christianity, but some people cannot put one and one together to see why they are 'against it'. Even if, in every church you go in all countries, you see all the Jew-faces amassed there and around it, like it's some sort of nest. Because indeed, it is a nest.

But anyway, the Jews are a bit clever. One of the reasons the Jews attack and don't want Christianity, is simply because, the Jews are wiser than believing in excrement and hoaxes generated by their own 'race'. All Jews are supposed to believe in the master system of Judaism, and only lead in Christianity the Goyim Cattle.

If any Jew is so retarded as to believe in the Cattle Control System (Christianity) of course, the Jews sever them from their midst until they repent. Which never really happens, as even the 'misguided Jew' and the 'Christian Jew' is basically, a shilling Jew. Hijacking the Goyim through supposedly affirming their own 'gentile culture'. Played from all sides are the 'goy'.

While the "Goyim" have very low aims for miracles and all these things, the Jews can see beyond this. They basically can see where they have hid from all others, by removing Paganism. In a world where the miracles of Rabbi Jesus as turning Water into Wine are just...gibberish and worthless bullshit. Unfit for the Jews who have higher aims for their civilization and seek world domination.

What is "Goyim Culture" (Christianity) again? Nothing but a crappy story of excrement about some Jewish history that never existed either. That people just believe because whatever, they don't have any other culture to believe in for theirs was removed by death, murder and slavery some centuries ago. That's it.

The bottom of it is that really, the Jews don't even hate Jesus. They love Jesus. But they cannot have a hoax within their own midst, especially one THEY created for the Goyim. Because on one hand, Jesus doesn't exist. On the other, even in the hoax story they wrote, Jesus is always from and for the Jews. And nobody else at all in the world.

So they will do whatever it takes to make the Goyim believe that this hoax has substance. Like, attack it, speak against it, shill for it, whatever. If you pay attention all of this is for different target groups, basically, and to drive them back to the same farm.

In the bottom of it. There is nothing to hate, and nothing to feel 'threatened' from. Other than the absorption of their own into their own created lie. Other than that, throw bags of excrement and vomit in Jesus's face and soul. It won't reply. He doesn't even exist to do so, other than in the written imagination

of a rabbi.

That we had the unfortunate luck to see becoming a fact. We might as well start believing in Gollum from lord of the rings, because well, do you have a moment to speak about our savior Gollum Christ?

Because who is 'jesus' is admitted in the hoax book anyway. He who comes in the last days (where the jews are defeated) to kill all the Goyim responsible for this and finally force the 'kingdom of God', his father, Jehova, which is the representation of the jewish will as "God".

The other memes that jesus has denied the jews don't even exist. They were entirely made up by jews to justify the existence of this alien element in other civilizations. And they adjust it everywhere they go, in different ways. Jesus might have been a ninja in Asia, too. And a hippie in the 80's. He is also a African, didn't you know? He can be anything. For he is a hoax.

But the only factual book that gives info about this hoax, says it openly. That this character is simply a kike.

The bible is basically, if one studies the jews. Nothing but a worthless pipe manuscript. The only important thing is the Torah and there are more important things than this, like the Kabbalah. The Torah is nothing but a jewish curse book, that is esteemed as a basis for jews, but on the other hand, there are other things 'holier' and more filled with feces, such as the Scat Literature of the Kabbalah.

In short, they aren't going to eat their own vomit and cultural diarrhea, that many goyim do actually have as a 'godly culture'. That would be a disgrace to the hoax makers. Who does eat their own vomit and diarrhea? I know the jews do this, but even this diarrhea, is too much for the jews to eat. They just can't swallow their own hoax of vomit and pile of excrement. So they hoard this to Gentiles instead. And surprisingly so, it worked momentarily...

To explain what these things are, they are basically the expired scat of rabbis, in the cultural sense. Obsolete crap, and useless connotations that were put in front of Gentiles so they have something to be harmlessly following while Jews rape, pillage and destroy civilization.

After all what does this Yiddish crap tell us? "Leave the jews unjudged and let them rule you and kill all of you, finally, stupid goy. Fear our imaginary threats goy. Obey Goy."

Of course they cannot tolerate their own jews eating this. They care for their own, unlike many Gentiles. And they love it when the Goyim do eat this cultural diarrhea of the jews as their 'culture', 'western civilization' and even 'spiritual salvation'. Creating accordingly civilizations of excrement, stupidity and weakness. I mean that's a G-d's send solution for the jews, who always had a problem with Satanism or Gentile Cultures of power. That created the strongest civilizations.

So they found out if they pollute this, they will take over their enemies with considerable ease. As it has already happened. Because it's their core source of influence over the goy, and their mental and spiritual enslavement.

The jews openly admit that the Torah was written by jews themselves, under the influence of Ruach HaKodesh (the holy spirit or being high from booze or something, because they aren't that spiritual anyway) and basically, many scrolls like the Torah existed all over the world at the time the jews stole the idea. This was stolen from Babylon, where too the Talmud was stolen from.

Many people wonder why the jews in their own book wrote about things like the crucifixion of christ. Because it's a book of their own pseudohistory, no different than a superman comic. That has to teach jews to deny all sort of crapsters and wanna-be's, and to have high standards for leaders for their race.

Rather than accepting any retard that the Goyim grovel around, because uhm...He did some 'miracles'.

The jews can see past this crap, as they have written this book. And they know all too well that these 'miracles' are a bunch of crap basically. And the character unimportant, because they know too that this is a pseudepigraphical allegory of the Serpent/Kundalini energy and nothing more. There is no reason for the jews to believe in a concept.

The jews see themselves as the 'race of the wise' and the 'only humans', and the only spiritually aware people on the planet. They aren't going to believe in FICTITIOUS concepts created by their OWN, as "REAL". That is obviously an offense and stupid. This 'religion' same as all the other programs are basically for the enslaved goy.

Lastly, of course the jews will not follow the Goyim Morality either. Because they created this, to bind, enslave, and kill the Goyim to the last man, woman, child, and cattle. Many stupid xians are confused because they cannot make any sense of the jewish actions. But the jews have no sense in their actions. And have infested their enemies with false understanding on how to 'judge them'.

The goyim therefore become cucked when they see the jews doing things that are beyond all normal human comprehension, let alone their programming. This has a demoralizing effect which let's "the christ killers" take their way with anything. This is a psyop. First they created an unexistant 'god', then in their pseudo-history they 'killed him' and now people are afraid of them because whatever, they killed 'god'. This scares the 'jewish god fearing' goy, who don't even know this is a hoax.

However the only God they tried to really kill was Satan and the Pagan Gods, and in that, they have failed miserably. The jews aren't against, but totally 'pro' Islam and Christianity and whatever else for the Goyim, unless it's Satanism. If you pay attention the whole books, in all their forms, and Judaism too, agree on one thing, fighting against Satan. That's their common thing.

Other than that, they are created by jews accordingly as two enslavement programs (Christianity and Islam) and the master key to both (Judaism). The jews aren't allowed to believe in what the cattle does, SIMPLY because it's a giant hoax, and they know it since they are five years old.

At best, the mission of the jew is to misguide people into these programs for the greater jewish benefit. But to really believe this is impossible, as on one hand nothing exists, on the other, the master cannot believe what the slave does. That simple.

In the end, jews are against nothing. But Satanism. Specifically, spiritual Satanism or Paganism. This is the only thing them, their slaves, and everything they stand and ever stood for, is against. Because here is the real God and here is the real power of Gentiles. And that is the master key for Gentiles to become powerful and uplift themselves.

The only way to fight the master key of the jews...And finally defeat this race of gollum-real-life, creatures, throwing them on the final mount Doom, before the funeral wreath of humanity ensues...

Is the Master Key of Spiritual Satanism.

Subject: A Most Common Mistake : JoyofSatan666

[A Most Common Mistake : JoyofSatan666](#)

A Most Common Mistake : JoyofSatan666

I notice people do a mistake over and over again. One portion of people, severely underestimates the jews and the enemy. This comes from never having actually crossed them, and merely fighting them in one own's mind.

Then, we have overestimation of the enemy. Which is sometimes people fighting their own weaknesses, and therefore by falling in their own rut, they assume that the enemy is very powerful. Symptoms of this also make in the end people that obsess solely on the enemy.

There are also other people who instead of focusing on the Gods and Satan, they dwell a lot of on the enemy, for example. The enemy is to be attacked, defiled, destroyed. Not to be focused upon. When you are done with destroying them, shut them off like a radio.

Satan is far more powerful than the enemy, but we live in a system where the influences of the Gods show up harder, because there are blocks created by people. Sometimes the blocks are also internal in every individual. This needs yearly work (or at least persistent) until it's taken out of the self. This can take a while since indoctrination is since birth.

Then, we have false association. Many people are becoming very paranoid on some things. Their pancake falls on the floor, it must have been the greys. That's ok as the mind is trying to make sense of the new conditions and inter-connect them, but some people stay for more time in this state than necessary.

If people keep thinking in this theme, they are going to create this theme. This can quickly make someone overestimate the enemy. And can be highly damaging for themselves. Same as people who don't give one shit for the enemy, as if they do not exist. Therefore, they are destroyed by them.

There has to be a healthy balance.

"By deception thou shall wage war". This is the motto of the jews. The jews take something that would happen anyway, is Karma, or a mistake of the person, and they tell them they did it. So the person overrun by this issue, they assume that it was them.

This is for example what a hate group of brain-dead cockroaches, tried to pull out a few weeks ago, that they 'cursed the JoS'. These people cannot curse a toothpick so far I am concerned. I mean they can't do anything at all. The ones who really pull these things, remain unseen, and so they want to remain, because they know retaliation can come. This comes from how they know about the damage they try to do. This is only one example.

In closing this post, focus on the Gods and Satan. The jews have had a transient rule. They are very dangerous, and if left unattended, yes, it's over. Plain and honest in this thing. If however people keep fighting, advancing, and calling the Gods in their heart, life and mind. The jews will not succeed.

This is reaching a funny point where even the enemy knows how strong Satan is, but his own followers, they haven't really understood it. The Jews avoid cursing the Gods face to face, and so many have died from it. They knew a war like this was futile, but they did whatever they could.

Instead of people focusing on the 'power' of the enemy, take most of this time to focus on your own power and on the powers of Satan. Satan is the God of "This" World, and all Worlds combined. When the mind understands it, the mind grows stronger and at ease. Confidence is grown, and this inspires action. This inspires war, and victory.

Lastly, trust in the Gods and tune in them instead. This is where most of your focus should be going. This is where one grows and become better. Your focus on the enemy should be to be aware of them and destroy them, watchful. Not anything else than that. Devotion and tuning in should happen towards the Gods and Satan. They are wonderful beings.

As for the shit and their dead flies over it, we will deal with it as we go. I know they are attention whores and they try to get your attention at all costs, but just let it go, and just fight them and don't dwell on them otherwise.

Reverse Torah Ritual Schedule [May 16th to May 30th] : JoyofSatan666

Greetings to All our People and Satanic Comrades.

The purpose of the minor delay in this schedule was because it was studied thoroughly before posted. We will be following this schedule for May 16 2017, to May 30 2017. This has been calculated efficiently.

Expect of attacking the enemy, we too have to build ourselves up. Planetary wise, these are great dates for unmasking the enemy, empowering ourselves, and then attacking the enemy after the 20th, hard.

The 72 and the 42, and the Communications, which are the most aggressive and needed Rituals, will be done everyday, as these tear the enemy down and there is no reason as to ever stop them. They are necessary, no matter what. Just look on what has happened to media, and you will see why...

The enemy also does their best to curse the Serpent. This is the fuel with which we have to 'drive' so to say. It can no longer be ignored, let alone for another 15 days. If one doesn't fill the fuel, they remain in the middle of the desert. Therefore the 5 first days deal with regeneration and empowerment of ourselves.

If anyone has been feeling down or tired lately, especially from warfare, this RTR Schedule will boost and rejuvenate our energies. The planetary times are also great for this, as the upcoming days from the 16th to the 20th, don't have any serious 'aggressive' patterns. These come later.

The schedule has been made for maximum efficiency, PLUS the planets.

So without further due, below are the schedule days simplified. You will easily notice there are four

sections.

Each has a particular purpose. This is only until the 30th because after this, we will start a new 'cycle'.

As you can see, **it's very easy**. You see the Ritual, you scroll down, do it, then you go to the next one. Everything is in this post.

I may have posted this three-part sermon a long time ago, but I will post it again now. This shows not only our Fuhrer's attitude towards all of Christendom, but it shows that Satan personally protected him from many assassination attempts.

Subject: Teaching For Eternity

[Teaching for Eternity : JoyofSatan666](#)

Teaching for Eternity : JoyofSatan666

Greetings to all our People and Satanic Comrades.

I wanted to clear up this thing just in case it still plagues, unjustly, a few people. In Spiritual Satanism, we abide to Nature's laws and we listen. This makes us strong, fearless, and formidable.

We have to listen to nature and what it tries to tell us, otherwise we will die and fail as many others before us. Nature is the highest wisdom and it speaks to all. All Ancient Pagans worshiped nature and the Gods. The Gods as the highest manifestations of nature. The focus of them was to be the best, and to increase and advance in a healthy manner.

The question of why the Gods want us to be working together, in self-awareness, and by following nature, doesn't have to do with "Who is Superior". They think beyond that, and there is no need for idle stupidity.

In nature, there is an order.

You cannot fight a hungry male lion hand on hand, no matter how much time you spent at the gym. This shouldn't make you feel shrank. But the enemy lies that it matters. It does not matter at all. It doesn't make you weak. It's just how nature is. There is no reason to feel bad and self-hateful about it.

People have to learn self-love, self-tolerance, and self understanding. If these things do not exist, there is no self-respect at all. If an entity does not respect itself, then one cannot look within and find the powers on has inside.

One always looks at themselves as something to run away from, detest, hate, and therefore they get nowhere in their existence. This thing is VERY alien, and the enemy teaches this to people from a young age.

Sure, we have to hate aspects we need to change. What people do now is not this. Not only the negative things are left to exist, they actually reinforce them by self hate. This hate goes nowhere but to tear the person more, and eat their soul.

This is self-hatred of mutilation. Jews taught this to humanity, that you have to feel bad about what you are, for being born, and for existing or whatever.

All Pagans taught people to hate their short-comings, not themselves. That jewish self-hate is purely evil. Its not necessary at all. It makes people evil when it grows out of control.

Everyone has to 'hate' themselves. Then your destructive force is turned on yourself. For no reason whatsoever. The enemy always makes people feel BAD about what they are, and then they use this feeling to get them to do what they want. One example is race mixing.

Many people just hate themselves on a deep level, and they want to kill themselves by breeding themselves out of existence. That's not a good thing. Its unnatural and unhealthy. This is what the jews want you doing to yourself. Then they can rally these unhealthy damaged people on their agenda. And use them as tools of destruction for civilization, society, and other people.

Our beliefs in race things are motivated by respect, understanding, and high level, REAL support. This has nothing to do with who is 'superior'. This is because we recognize the creation of Nature and the Gods. And we humble ourselves. The surest way to kill someone and to never see their face EVER again, is to race mix them. It's even worse than suicide. In suicide, one may exist again by reincarnation.

If race mixing is done too much, then people go extinct forever. Satan and the Gods believe in us and they don't want us to die and go extinct. Why would they? They just give us the best and most sensible advice to grow.

Also, their outlook is for their followers who will KEEP existing. In this life, in the next, however many. Until they achieve the higher and intended levels. They don't lock your understanding on what the 'trends' are today.

The 'trends' today are self destruction, self mutilation, making yourself mentally ill, comparing yourself to everyone to feel inferior or whatever, raging against one's own existence, and after one is destroyed and has destroyed enough of everything around them, they go to a battery to never exist again. That's their 'fate', by the enemy... Therefore the enemy 'teaches' them accordingly.

Satan teaches us likewise, for **eternal** understanding. Not transient things that will be gone in a few decades. The lies of the enemy will be gone, and they will be replaced. Those who 'follow' them, will be equal to nothing. Those who follow eternal understanding, will always be content, peaceful, and powerful.

This is the fate for people who just follow the 'now'. Even animals don't always follow the (((('now')))). We will change this. Then what will remain of these 'people'? Nothing.

Satan and the Gods teach us for eternity's worth.

This is why it's better to listen, and Godlike to apply...By this application, this is how we ourselves stop being transient and become eternal.

This is the 'Godhead'...

Subject: Reverse Torah Rituals Schedule Reminder			

This is mainly a reminder. By the way, there was a small error in the schedule, as the Goat and the Reverse Torah Blood Sacrifice could be done on the same day, but then it was decided this shouldn't be the case. Picking one of the two, I left a small typo error in this, so apologies on that. This was to not

over-inflate the schedule.

The Reverse Torah Blood Sacrifice is to be done today and tomorrow [21 and 22].

Jews are Jews - And Jews ONLY :
JoyofSatan666

Many people get confused on the jews, and this is because they have made people highly confused. This is for the jews to save themselves from the crimes they have done.

The jews are not White, European, Asian, Black, Arab, or anything else. They are basically just Jews.

As Rabbi Laitman stated, the jews are an infiltrator within all races, taking the 'appearance' of the race they are trying to hijack, while on the inner part, they remain jewish. They do not look like the pure race, but they look "quite a bit LIKE them" and can easily be mistaken for their own.

The kikes know this, and they let it slip that they are "White", or "Black" or whatever suits them at the moment, in their defense. Jews are a far eastern tribe that came from the lowest castes of Indian society, though. They were like the gypsies of India, and lower than that.

They are an alien species that were created by evil extraterrestrials to destroy all other Gentiles on the planet. This is definitely where this race began their advance, stealing basic knowledge from Hindu Gentiles and moving onward to steal even more from others. The Torah is a ripoff of the Rig Veda in more than one ways.

These may look 'black' or 'hindu' but they are a distinct, jewish race by themselves.

https://en.wikipedia.org/wiki/Cochin_Jews

In that way, by lying that they are "White", "Black" or even "Asian", their enemies will get the beating for what they have done. But don't jews like Drake and Lil Wayne claim they are black, too? Bruno Mars is also a kike, too, by blood and everything else. They may 'look' like Blacks, but they are jews.

The same thing happens with many jews who 'look' White but they are just...JEWS.

Obama was black, but only in how he appeared. He was jewish in reality.

Below, these people are "Asian Jews". They are basically racially jewish...

This is because Jews are a distinct Race that has the Cohen Gene. This is documented by jews. If you do not have this, you cannot enter Israel or be considered an actual Jew.

This Black skinned person below is a jew. He is also a rabbi. He has the Cohen gene.

Now, take a look on the pic below. Many people call these "White" because they are confused. These people are totally jewish, 100%. People just don't see it because they focus on skin only.

Your mother has to also be racially jewish, while those who don't have a jewish mother, are still considered jews racially, but like a second grade of a jew. **The "MOTHER MUST BE JEWISH" applies to the jews who are to practice IN THE PRIESTLY CASTE.** Others who are from their father, are considered equally jewish. They are just not fit for the priestly caste. So they do other things instead such as infiltrate countries, take them over, and other such operations.

https://en.wikipedia.org/wiki/Y-chromosomal_Aaron

http://www.cohen-levi.org/jewish_genes_..._dition.htm

All these Jews, black, white, yellow, red, or green, or whatever. They are ALWAYS just JEWS.

They are one accursed tribe that exists like a parasite within all other tribes, but maintains unity amongst everyone.

This is how they were able to rule the whole planet and remain unseen. This is high level, racial infiltration.

Lastly, the jews are very obvious to people who can discern their features. They have some core features like the ones you can see in this picture below. The Nazis rounded the jews up for the reason they can always be told from the native population in one way or another. They didn't do this because they were "White"...But because they were Jews, the JEWISH race:

Subject: Fear of Satan - Truth is Coming out			

Greetings to all our People and Satanic Comrades.

I'll get straight to the point. Why don't we have millions of followers?

Even if Satan heals, Satan helps raise the Serpent, Satan leads to enlightenment, positive morality, completion of the character, and the Godhead? Granting immortality, the ways to rule ourselves correctly, and become exalted beings instead of living trash?

Why is Satan hated? It's simple. This society hates Truth, eternal life, and everything positive and uplifting. People have taken 'blessings' that came with curses and cripples from the jews, and they think they are satisfied.

The times are changing and this condition will too change, however.

Why do people still 'fear' Satan while he is basically, a being whose name just means TRUTH?

Do they know him in reality? No. They are just taking jewish word for him, that is the lowest form of gossip. All the faiths of the enemy have been created in war of this particular being, to kill "God"- the one and only, Satan. King of the Gods and people alike.

What is there to fear and worry about worshipping one's...Natural, ancient and eternal Gods. The Demons?

Satanism is the root from where one draws the life of their own racial tree. Satanism is blessings and life.

In Satanism the peasant and the king can be blessed, and they can take from the infinite beauty of the universe. Satan gives order, but Satanism also gives and dispenses gifts freely.

Satanism is the real kingdom of the Soul. The dark side of life that has been hidden, in contrast to a failing and ugly jewish 'light'. That is not even a light, but devoid of any reality in it. It's just a haze conjured for a few centuries, so the mob of evil could rule the world for a while.

Truly- there is NOTHING to fear about Satan, Satanas, Lucifer, or how one decides to name him. People are only conditioned to fear on zero grounds. No reason at all, just jewish propaganda. It's a being they never knew. The enemy rushes since infancy to get everyone to hate this being, because it's the enemy of what is plaguing this world so obviously.

Ironically, all that makes humanity worth existing, such as philosophy, science, meditation, beauty, natural understanding and health- all come from the 'rebuked' Satan. All that makes existence worthwhile, belongs to the King of Existence and all Existence- Satan.

Even his enemies respect him, and fear him, and many of them know the war against him is futile, but they keep going to try to delay his wrath from falling on them.

"Satan is evil, fear the Serpent, smite and curse your own Gods, kill your own people, hate life and hate yourself, worship the jews and be a good slave". That's all there's to it, this is the instruction of the enemy.

Simple because, his name has been cursed and defamed by the enemy. That's the only reason Satan is disliked and hated.

By the way, the enemy has cursed this name for centuries, to incite fear and negativity. The direct opposite of what this name does. Which is uplift the Soul, clean the psyche, and open and gladden the heart, making the person a superior being.

We have to understand that Spiritual Satanism is the only real SATANISM. All other things are jewish hijackings, which may have some points, but they were made only for the purpose of re-affirming the jewish beliefs of the Talmud, the Torah and the Jews: That "Satan is Evil".

We know firsthand this is a lie.

As the spells of the enemy fall and crumble, the Truth will be revealed. This is already happening, and the Age of Aquarius belongs to Satan.

Spiritual Satanism requires bravery, for one has to fight this guise and illusion of the enemy, and their psychotropic hoaxes and mental drugs that paralyze the soul with fear. To affirm one's self as a Satanist is a brave move, not because one is doing anything evil or strange...

But because one just shatters this jewish mirror that keeps them blind and tells them that their selves, their own Gods, and advancing spiritually is evil. Therefore the Gods take these people far more seriously, and teach them closely as their own children.

Satan's name needs to be re-blessed, or for more accurate saying, the clouds between the Sun and the World have to be cleaned. The Sun is there, and shines, but people, due to jewish pollution cannot see, and they cannot breathe in the life giving rays.

Fear not Satan, for He will avenge himself, and set us free. Just keep advancing, and fighting. The slave order of the enemy will fall. You cannot cover the Sun forever. Their small jewtrix and the false rules it has imposed will be cracked and destroyed. Everyday you advance, you dig their spiritual grave ten feet further.

Big Hail of Blessings to all Spiritual Satanists and people of Satan.

Say it to yourself, Satan's name is no longer reviled- Satan's name is blessed and sanctified.

For as He blesses us, we bless Him, as He raises, so we will raise Him, and as He enlighten us, we will enlighten Him - in the consciousness of those who are blind and cannot see, for in HIMSELF, He is the ultimate and requires nothing.

Keep reminding this to yourself, you're under the light of existence, shining directly on your Soul.

Your fearlessness and willingness to see beyond lies of the enemy, is your blessing, and the doorway to enlightenment and power. Keep it strong and keep advancing.

Greetings to all our People and Satanic Comrades.

I'll get straight to the point. Why don't we have millions of followers?

Even if Satan heals, Satan helps raise the Serpent, Satan leads to enlightenment, positive morality, completion of the character, and the Godhead? Granting immortality, the ways to rule ourselves correctly, and become exalted beings instead of living trash?

Why is Satan hated? It's simple. This society hates Truth, eternal life, and everything positive and uplifting. People have taken 'blessings' that came with curses and cripples from the jews, and they think they are satisfied.

The times are changing and this condition will too change, however.

Subject: London Attack, Kabbalistic Black Magic And False Flags WW3			

London Attack, Kabbalistic Black Magic And False Flags WW3

The attack in London was also stated to have killed 22 people and happened on the 22nd of May.

As stated here:

The Jewish World Order The Jews Are Using Occult Power
topic19348.html

The Jewish Elites are using Kabbalistic black magic and their leaders are all Zaddok's, top level Rabbinical occultists and masters in Kabala.

There is a trend in the attacks that fall on the 22, the number 22 is the Jewish Kabbalistic number of completion, its the final number of their God form and bringing things to construction within it. This is the reason they put 22 chapters in revelations the final book in their Bible of Jewish Witchcraft that ties into the book of Daniel in the Torah that prophesizes the destruction of the Gentile Empires and the rise of the Jewish World Empire and dominion over the Goyim. Which Revelations then ties the end of the Bible into. The 22nd chapter ends with the return of the Jewish god who destroys all the Gentile Nations in an Apocalyptic war and then with the 12 tribes of Israel conquerors and rules the world from the New Zion

The Jews chant the 22 names of their God in ritual the 22 letters of their Alphabet which form the name of their god and the word of their god the Torah which is their spell to bring about their agenda. Their whole god form is animated by the 22 names.

Now ISIS has claimed responsibility for these attacks and its well known ISIS is a proxy army for

Israel. Which means this is most likely a Mossad operation. It was no mistake in the Munich and Nice attacks the same Mossad agent was right on the scene at the time of the attacks taking photographs.

The Jews are trying to create a Police state in Europe to bring in Martial Law so they can finish off the Europeans with mass invasion from the third World by crushing any reaction. But they are also trying to drum up support for a war in the Middle East which will expand into the Third World War in which they will destroy the nations of the world and bring about their Messianic Global Jewish prison planet for the surviving Goyim who will be micro chipped in a plantation global slave state in which their will be only the Jews as Gods ruling over the brutalized cattle the Goyim. This was the goal of the First war to destroy the Gentile Empires from the Ottomans to the German and Russian and bring about a Jewish World Order under their globalist Communist movement. The Second War was a continuation of the same. That set them back majorly. They never saw Hitler coming and he was able to rally enough of Europe to resist the final blow that was planned from the Jew Stalin with his Red Army that was set for July of 1941. The Jews also failed to destroy Germany by setting up a deal in which Poland, France and England would attack Germany in two fronts. Bleeding the final major European armies out and leaving no resistance for Stalin's invasion.

The Jews are still attempting bring about this war now. Trump's Syrian strike was planned to connect into the 100 year anniversary of America entering the First War. 100 is a Kabbalistic number of highest importance. They also did fire 60 missiles but one misfired so it was listed as 59 later. But the six is part of their Kabbalistic magic about bringing things down into the material realm to manifest. Why not fire 61?

The Jews are using the 22 in these attacks because they are meant to create the conditions to bring about the final battle and the end of our world and bring about their Jewish slave state of their god, 22

Jewish Talmud, Choschen Hamm 388, 15 Happy will be the lost of Israel, whom the Holy One [my note the Jewish Messiah], blessed be He, has chosen from amongst the Goyim, of whom the Scriptures say: "Their work is but vanity, it is an illusion at which we must laugh; they will all perish when God visits them in His wrath." At the moment when the Holy One, blessed be He, will exterminate all the Goyim of the world, Israel alone will subsist, even as it is written: "The Lord alone will appear great on that day!..

The Jews are an Alien Soul. And at war with this planet and all life upon it.

Subject: Yazidi's, White's Are The Race Of Satan			

Yazidi's, White's Are The Race Of Satan

This is the answer to a question on the Yazidi's I gave in one of the threads on the forum:

The symbol of the Yazidi, one of the cuneiform symbols is the name of Istar who is the Aryan Goddess of Spring, Easter in Europe.

Adamu is the name of the first being Enki created in Sumeria and this is Adimu in the east. Adam is also Atum in Egypt the T and D are double letters and can be exchanged. Adimu in Sanskrit is the name of primordial Shakti energy. The serpent energy.

Sheik Adi of the Yazidi is spelled Shak Adi by the Yazidi Shakti Adi, the Ti on the end just denotes the feminine energy in Hinduism. Shak Adi is a name of the serpent energy as well. Shak Adi is also stated to be an incarnation of Melek Taus. This is symbolic for the risen serpent and transformed soul. Shak Adi was a person who was an ascended master. In the Yazidi record an

important event, Shiek Adi saw Melek Taus appear before as a radiant Nordic being surrounded by Peacock feathers who gave him a prophetic vision of the fall of the Jewish race and their programs of control. And out of this the Children of Shaitan would rise to dominate the new world to come.

The Yazidi on the esoteric level state they come from Shaitan mixing of a drop of seed of Adam in a jar planted under a tree for nine months, this is openly alchemical in symbolism. Adimu, is the serpent Energy of Shaitan coming up from the root chakra and transforming the soul, which is the symbolic tree. The Yazidi have a esoteric and exoteric culture. In the symbolic the seed is the bindu the golden drop of the soul. They received their soul and physical being from Shaitan.

They also state in the literal exoteric sense they were directly physically created by Shaitan and they are descended from Shaitan. And yes they do state they call Melek Taus, Shaitan, which is Arabic for Satan. And it was Shaitan that taught them the knowledge of ascension to the Siddie state.

They call Him Satan, Shaitan because this is His ancient name. In Hinduism, Satanama is the highest name of God and the most holy mantra in the original form of Yoga, kundalini [Kriya] yoga.

As Laurence Gardener showed in his book: Genesis Of The Grail Kings:

"The Serpent Lord was Enki, but in parts of Chaldea[my note Sumeria] He had been called Shaitan."

Shaitan was also the name of Him in the Pagan Sumerian world of the Aryans. The Sumerian's stated Shaitan created them in His image and called them the Ari, Ara, the ancient term of Aryan. The Sumerian's were White as well.

The ancient Sumerians:

The Yazidi came from Northern India there are words in their hymns that only exist in the Rig Veda the most ancient and founding text of Hinduism and the Peacock is not native to the near east. It's stated by anthropologist the Yazidi are the founding people of Hinduism. The Yazidi women still dress in the traditional Hindu dress of India for their rituals and the Seven Sanjak's they carry once a year in procession is common in the Hindu Temple. The Yazidi elders also state they came out of India. In the parts of India that Hinduism in its most ancient form survived in the original god of Hinduism has the serpent and Peacock for symbols, the same symbols of the Yazidi God, Shaitan. Melek Taus means King Peacock not angel. The Sanjak procession of the Yazidi can be seen on ancient Assyrian and Babylonian fresco's. Of the six other Gods that comes from Melek Taus one of them is Shammash the ancient Pagan Sun God.

The Yazidi calendar is also seven thousand years old. Which predates anything the Jews claim by thousands of years. The Yazidi state they are the first people on earth and they are an Aryan People, they are called the blond blood line in the middle east, and the oldest religion. Their name Yazidi is from Ya Siddhie the ancient name of the Gods. The Aryan God Satan who created them as well.

A Yazidi child:

The White Race are the direct Children of Satan, even the Jews state this in their own texts openly. And this is why they are order to exterminate the White Race in the Jewish texts.

What sense does it make to worship our Jewish enemies and their Blaspheme against us and our living Gods and Creator Satan. In their book of Jewish Witchcraft the bible... And bow before the icon of our literal extermination, that of Yashua Ben Yahweh, the foul lie of Christ. The Jewish bible celebrates the extermination of Aryan Peoples from Egypt to Persia to Canaan and the destruction of the Great Aryan Empires in the book of Daniel. Thus setting up a powerful subliminal spell for the destruction of the Aryan Race. And the Bible ends with the Jewish god returning destroying all the Gentile nations in a Jewish messianic race war and then ruling the ruins from the new Zion with the 144,000 Jewish elect who are the twelve tribes of Israel the Jewish Race. Which is what the Jewish messiah does in the Talmud and Torah. Its no mistake the final book of the bible this happens is openly wrote to connect to the book of Daniel in the old testament. The total destruction of the Aryan world.

Im assuming the children of adam are the jews but Ive seen a post that talks a bit about cain and it was positive so i dont know. Also a post going more in depth on the Al jiwah and the teachings would be great as well :)

Trump: Jewish Genocide of ALL Goyim Is Permissible? : JoyofSatan666

It's interesting how Trump in his speech was talking on all these pipe-things ***about combating extremism***, how people should live in peace (which implies killing off Iran of the map, for the peace of the jews) and on the audience, front row, sits the chief, and one of the most "Racist" **Rabbis of Israel, Chief Sephardi Rabbi, Yitzhak Yosef.**

This Rabbi admits that all their 'tolerance' for anyone else in the world is basically because...They do not have a Messiah yet. Who will exterminate all the "Goyim" and drive them out of the land of Israel.

<http://www.timesofisrael.com/chief-rabb...in-israel/>

"According to Jewish law, gentiles should not live in the Land of Israel," Yosef said Saturday in a sermon. "If a gentile does not agree to take on the seven Noahide Laws, we should send him to Saudi Arabia. When the true and complete redemption arrives, that is what we will do."

The only reason non-Jews were still allowed to live in the Jewish state was the fact that the Messiah had yet to arrive, he said. "If our hand were firm, if we had the power to rule, that's what we should do. But the thing is, our hand is not firm, and we are waiting for the Messiah," he added.

Two weeks ago he said Israelis should kill life-threatening knife-wielding terrorists without fear of the law.

"If a terrorist shows up with a knife, it is commanded [by Jewish law] to kill him," Yosef said at the Yazadim Synagogue in Jerusalem.

*[...] He went on to warn against killing a terrorist who no longer posed a threat, however, **saying the not-yet-arrived Messiah was the only arbiter who could sentence a non-threatening enemy to death.***

Just so you know he is the next up from this other guy, Rabbi Ovadia Yosef, and is in his position now, after his death.

Trump openly threatened Iran in his speeches. Basically, this is why they armed the Jewish ISIS through Saudi Arabia, which is the known backer of this. For full scale war basically, towards Iran and Syria. There is no Trump policy, only Rabbinical Policy.

Trump is a tool and does what he's told, or otherwise, flying will come the Curse from the Rabbis, and off Trump will go with a heart attack by their Kabbalistic Magick. Trump is their willing, Jewish Blooded, servant and slave. He has accepted in a loving way his position.

What Trump does admit of kissing ass to the Jews? That he is working on that behalf. He will do as he's told, same as all other USA presidents.

Subject: Nature, Monotheism and "THE ONE" explained.

[Nature, Monotheism and "THE ONE" explained. : JoyofSatan666](#)

**Nature, Monotheism and "THE ONE" explained.
: JoyofSatan666**

Greetings to all our people and Satanic Comrades.

I have decided it's important to educate a bit on the important number of the ONE, and what this literally means.

The number one is the number of the undivided, the eternal, the permanent, the 'all that is', basically. This is the formless, the Aether, the void that permeates all creation. It's at the same time, all potentiality. In other words, everything begins with the "One". This is the god-force that is everywhere in creation. Essentially, this is not even 'god', but the all-pervading power of nature, so to say.

The enemy scammed this allegory and replaced this concept with 'themselves' in the position of 'god'. They based this concept to justify their crimes against creation, against humanity, and their alien

agenda. The enemy knows, as we have stated many times, that all of these things are hoaxes. But like any other hidden order of slavers, their fear is that you know it too.

Creation does not start with the "ONE". It starts with TWO. As thus Satan has been given the "Two" and was called the "Evil one who Divides", but also at the same time, the ultimate Creator of the Cosmos and perceived reality. This is also the symbolism of the Serpent. It divides and brings together at the same time. The Satanic Serpent is the whole, and the division at the same time.

When something does get 'divided' from this 'whole', as a separate consciousness, this is when creation begins. This makes beings co-dependent to it. We are indeed 'one', in the fact we are all permeated by this very essence, but the enemy hides it with hiding spirituality, killing and cursing spiritual people, and trying to pass off spiritual communism as a rule (everyone is 'one') and the 'same'. This is exactly the opposite of what beings in nature should be doing. This right here reveals the soul of the enemy to be that of a parasite and nothing more.

This is only an excuse. To make people understand this. It's actually POLYTHEISM that is divine and non-primal. Polytheism recognizes that individuals can all be "All powerful" and Gods in their own right, for the universe (nature-god force) is limitless and infinite. It was only when the reptilians set foot in the planet, that they stated this was 'evil' and that humanity had to forcibly forget this and just worship 'the one'.

The 'one', without beings, is nothing- absolutely NOTHING. The enemy knows this, and they pretend to be this highest authority, but nobody is, let alone the enemy. It doesn't have to do with 'worshiping' this thing either. We have to worship our Gods, for its THEM giving a damn about our survival. Not the 'one' or 'nature'. Nature launches a solar flare, and off goes 'humanity'. Respect, upholding, and understanding nature, yes, by all means.

On the other hands, its the Pagan Gods that need our attention, worship, and love and admiration, for it's due to them we exist, know occult sciences, medicine, and so forth. All these are survival tools given to humanity, so that they can endure nature's negative decrees. These weren't given to us by "God". Satan was the only one that gave a damn to save these petty monkeys on this abandoned planet, and to him we owe our existence.

As for "nature", we respect her, uphold her, and again, seek to understand her, but on the other hand we cannot deny the fact that with one solar flare, mommy nature can have us extinct in no time. Therefore, we have to SURVIVE. The enemy tries to play "God" and tries to exterminate humanity, de-evolve it, and enslave it.

Never buy the lie that this "God/Nature" is against or pro anyone. It just "IS". It's just creation, infinite potentiality. Everyone is part of it. Now, the more beings develop, they apply this force into developing themselves. Judgement from "God/Nature" is actually what one brings upon themselves for meditating or not meditating, upholding the laws or not.

This doesn't have to do with the tablets of some reptilian kike named Moses, which is a fictitious character, neither with some demented genocidal rabbis. In short, you have to correct your relation to Nature, and how you understand it, work with it's laws etc. If this is not upheld, then people are punished.

This has NOTHING to do with conformity to the Jews. It's all a dupe.

The more these 'divisions' happen, the more creation flourishes and evolves. In fact, this is exactly what nature wants beings to do. The final steps of such as manifested on the planet are different lifeforms, the humans the races, the separate souls that nonetheless, are all "Divine".

The enemy is a criminal and tries to make 'reasons' for the universal crimes they do, such as race mixing. Everything that removes what makes us 'different' (which the ultimate result of race mixing will

be, ONE "Human race") is regressing us back into the 'one'. The same goes for death. In short, the more docile, and the lower the type of the lifeform, the more towards non-existence it goes. It goes back to the first primal state from where it actually was...DIVIDED in order to ADVANCE.

Of course, we have to unite with this force (this is what the Kundalini and Meditation does) and we have to respect it and work with it. In simplicity, to understand that we are one with nature and the world around us, and not just 'separate'. This is where the power is at.

Therefore let all the lies of the enemy, that this is 'natural', 'normal' or even spiritually 'founded', as far as their crimes go. Know they go STRAIGHT UP AGAINST nature and the purposes of creation, for the development and evolution of species. They are actually throwing or attempting to throw humanity billions of years of labor, time and evolution, back into becoming stupid amoebas with the IQ that is inferior to that of a pig.

The above is only one example.

The key is with Satan. Satan is the teacher and the master of the ways of Nature, some naive people which call "God". Satan commands, in all the levels, Satan knows. Without Satan as a representative, creation remains faceless, so to say. Unapproachable, and dull.

Lastly, Satan never had a problem with nature, which many naive people call "god" and it's understanding, for example. It's the enemy that invented this lie. If anything, Satan and only Satan and the Gurus (Demons) do actually LEAD to God (the Godhead, understanding of nature) and our realization as people. It's them that brought about, mastered, and passed us down this science.

However, Satan DOES have a problem, same as all the Gods, with these scumbags that lie to Humanity, plague us, and want to convince by lies, deception and killing that they are "GOD" themselves. I therefore reveal them in front of you know, so that you know, they are lowlifes, trash, and if anything, very AGAINST and DISRESPECTFUL to nature and creation in general.

For that reason, amongst many others they need to be SPIRITUALLY DESTROYED and SPIRITUALLY FLATTENED.

Satan, the Gods and us, we will look to it.

Reverse Torah Ritual Schedule [May 31 - June 16] : JoyofSatan666

Greetings to all our People and Satanic Comrades.

I will do my best so that this schedule is short, easily understandable, and easy to do. As always, unless anything urgent strikes, we will be following this particular schedule for until the 16th of June. We are following our schedule and the planets to ensure the greatest success.

The 72 and 42 are irreplaceable Rituals, same as the one of the Communications. This is important. These Rituals must be done unceasingly, as they do the most damage at this point. The perfect thing is to do all the ones written for the day.

To mention something fundamental, it's understandable and Satan understands and knows that people have a life, responsibilities and other things. However it's also useful to see at the side of the enemy. The average rabbi they have, curses the goy morning, day and night. They hold daily service etc.

I cannot emphasize how it's important people learn persistence and doing something constantly. This is how great things are made, by daily work on them. It does not take much time at all to participate. No matter what 'thoughts' may creep up to you, you can do this.

I have done my end of the deal of making this morbidly easy for everyone. It's too easy to do, to the point there are no excuses. If you haven't done much until now, it's time to pick the ball up and...play ball. The enemy curses us for hours on end.

Just look how RIDICULOUSLY easy that is: You open the app or the page...You scroll down...Find the ritual and do it. All in all it doesn't even take a few minutes!

Those who participate into the RTR's are in Satan's army, therefore will enjoy special protection, benefits, and also, just by doing the RTR's, they remove the curses from THEMSELVES and their OWN LIFE too. If you stay idle that doesn't mean the enemy doesn't curse you, same as all humans who are beaten down by these curses. So it's up to you to do something... This is needless to say, not only toxic to the enemy, but profitable for you too.

Excellent cathartic for emotional issues like anger, and spiritually, this unbinds you from bindings

that torment all other people of the world. Due to an understanding of some people leading highly busy life (not those who use excuses) I will also put some Rituals which are PRIORITY rituals. In short, when one does RTR's for that day, they start from the priority ones.

The more we do, the better. The faster they will go down. In a last note, we are blessed by this ourselves. This schedule will be focused on blessing our own lot, as well, while ripping the enemy off. This is important as the planets are really helpful at this time. We will also re-affirm and reinforce some Rituals we have done before.

Below are the Rituals to be done for each day, numbered accordingly.

Underlined are the PRIORITY rituals for these days, for those who lack time. **However, *ALL* these Rituals are EXCEPTIONALLY important!**

I added an (*) on days where you can really do them intense harm with the rituals, because the astrological aspects literally can rim them. This means on these days we can devoutly do the RTR's. In short, we have to rim them hard on these days, no excuses given...

[Reverse Torah Ritual Schedule \[May 31 - June 16\]: JoyofSatan666](#)

Reverse Torah Ritual Schedule [May 31 - June

Greetings to all our People and Satanic Comrades.

I will do my best so that this schedule is short, easily understandable, and easy to do. As always, unless anything urgent strikes, we will be following this particular schedule for until the 16th of June. We are following our schedule and the planets to ensure the greatest success.

The 72 and 42 are irreplaceable Rituals, same as the one of the Communications. This is important. These Rituals must be done unceasingly, as they do the most damage at this point. The perfect thing is to do all the ones written for the day.

To mention something fundamental, it's understandable and Satan understands and knows that people have a life, responsibilities and other things. However it's also useful to see at the side of the enemy. The average rabbi they have, curses the goy morning, day and night. They hold daily service etc.

I cannot emphasize how it's important people learn persistence and doing something constantly. This is how great things are made, by daily work on them. It does not take much time at all to participate. No matter what 'thoughts' may creep up to you, you can do this.

I have done my end of the deal of making this morbidly easy for everyone. It's too easy to do, to the point there are no excuses. If you haven't done much until now, it's time to pick the ball up and...play ball. The enemy curses us for hours on end.

Just look how RIDICULOUSLY easy that is: You open the app or the page...You scroll down...Find the ritual and do it. All in all it doesn't even take a few minutes!

Those who participate into the RTR's are in Satan's army, therefore will enjoy special protection, benefits, and also, just by doing the RTR's, they remove the curses from THEMSELVES and their OWN LIFE too. If you stay idle that doesn't mean the enemy doesn't curse you, same as all humans who are beaten down by these curses. So it's up to you to do something... This is needless to say, not only toxic to the enemy, but profitable for you too.

Subject: What Happens if We Win			

[What Happens if We Win : JoyofSatan666](#)

What Happens if We Win : JoyofSatan666

Many people don't understand where this is going if we WIN this war. While the jew's winning will be the funeral wreath of the planet, us winning this war totally will signify much bliss, evolution, and forward advancement for the world.

To be a Spiritual Satanist in such scenario, will mean that people will get at the top, so to say. Satanists will become a privileged caste. Spiritual people will not be hunted down like evil or mad, as in today, but rather be upheld and their gifts recognized. There will be no fear for one's life, one's reputation, etc.

In short, Spiritual Satanists (those who fight to bring this about) will be also the first to benefit from it. Not in an unjust manner such as that of free favors, but indeed, the world as it will be then, will be a million times better than it is now, from the rookie spiritual person, to the grand-master. All others are also included in this.

Let's call this world...Natural but Golden Age type of society...

To make some rough estimations...

Some of the things the Gods want to eradicate, are world pollution, impoverishment, homelessness,

lack of spirituality, culture, and generally, they will rectify the planet. We can actually, if the jews are defeated sooner than later, re-create the planet from scratch, and possibly with far more Eco-friendly technology, bring this planet back to a complete normal. This will take some time, but paradise can really return.

No subhuman scum like the enemy jews right now, will be able to destroy the planet, destroy the seas, burn the forests down for no reason, and kill people just for the sake of it. These things will be met with extreme punishments, beyond the realm of simple mortality or death, or imprisonment. As one could see in ALL PAGAN PEOPLE, their first concern was the earth and the cultivation of the planet.

This madness of destroying the planet is recent and is a reptilian invention. The enemy wants the planet to 'warm up' and become extremely hot (not even life Africa, almost burning hot) and as thus they promote technologies like the Nuclear explosions, fill the air with Carbon, and wipe out the earth's ozone layer, which will kill all humans, no matter how 'black' they are.

As for spiritual ignorance, if the enemy goes down, people need not concern themselves about the 'Goyim' or those who just Hoover right now in the middle of ignorance. There will be no 'punishments' just for people being retarded, but there will be punishments for purposeful retardation, such as deadly ignorance. These people will quickly follow suit with those in power, and spirituality, even if not 'forced', will become mandatory in the world where the Gods rule.

People like Tesla will be revered as semi-Gods and they will not be busy trying to see if someone wants to kill them, subdue them, or leave them dying from Hunger in a hotel. They will be allowed to fully exercise their power to make humanity better, as Tesla did with the returning electric current, or like the inventor of the Internet did with the Internet, and so forth.

Freedom will be total, so far things don't promote the reptilians or the enemy in anyway, or alien invading lifeforms. In short, we will work towards really setting humanity free, without wrecking and weakening down humanity beyond recognition as the 'future' of the enemy where people are made into cyborgs, dependent on a computer centralized in Israel.

The Age of Aquarius without jews, will be age of extreme knowledge, spirituality, and highest wisdom, but also true humanitarianism without the false qualms of helping parasites and people who are purely deadly, so to say, to themselves and to other people.

Not that of misplaced and crappy mercy, but sensible and level-headed one, that is generous where it's due, and not only on behalf of agenda, like the jews. All those who will want to spiritually or otherwise advance, will be able to. From the leader of the nation to the leaders of the smallest village, people will have, and we will work for it, to be the best.

Healthy co-operation between people and races will exist, same as sharing technology advancements, and all sorts of uplifting things. There will be low tolerance for people who are evil, in the sense of ruining the planet, acting negatively towards children or animals, and everyone, from birth, will be handed over the chance to advance spiritually.

Fog will also, as far as our advances allow, completely give in. People will actually have a choice, to an extent of their evolution, PLUS civilization, to get somewhere in their existence and life. People just being numbers will completely cease. This is not to say false promises that all people will be kings, far from it, but of course, all these billions of jewish obstacles people experience today for the absolute necessities will cease.

Geniuses, controlled by us and spiritual masters at the top, same as leaders and ministers, will look for the best of the people that they rule. Therefore 'corruption' and jewish mentality will end. No longer will be leaders parasites and cancers upon the people. They will be only positive influences.

Most if not all hangups that people are born with, which make them feel really negatively about

themselves, or really fearful, will give place and melt in the understanding of one's race, community and people as part of one's self. The Gods will balance individuality and the world in a sane way.

Criminality more than likely, when all these advances happen, will cease existing to a high extent, not because of tyrannical rule, but because most reasons that lead to crimes will no longer exist.

We do not say we will overthrow nature or make any other such promises. These things will take time, but it will be extremely easy, like in the Golden Age, to do so, if the enemy goes down. From there on we can have a global spiritual community and uplift humanity very fast, especially by having the correct ministers in the physical realm. In short, everyone will have to do their part, and it will not happen out of nowhere.

With the enemy removed from all spheres of public life, things will shockingly skyrocket for humanity. We are talking advances in 15 and 20 years that haven't happened in the last century.

It goes beyond saying that no Spiritual Satanist will be hopeless, striving to meet 'ends' and other things which are now consuming the whole life of people for no (((reason))) whats-over. This is a purposeful system for the enemy.

The massive population of the planet can guarantee that many people will be working, and to tackle unemployment (The enemy wants people replaced by robots for example) we will just replace all jobs with humans who are alive, get a decent pay, and have time to have a life experience, rather than only working 24/7 like slaves. Workaholics will be easy to work.

It will NOT be a world of false mercy and false freebies, but for one to survive, it will take just raising a hand to, you know, do a duty, even if it means cleaning a street or something. Everyone will fall into this in accordance to their soul development, talents etc, and everyone will have 'social mobility'. If wisdom and power etc, do grow, the person will not remain stuck in the bottom of the food chain for no reason other than jewish insanity.

Buying and selling will not be based only in "Shekels" and one's ability to scam other people and so forth. It will be based on creativity. Nobody who gives an input to society, will be without any input into them.

Do not forget our purpose is NOT to take down the jews only- but to actually rebuild this world after this is done, and completely set a foundation so that humanity will never have to endure these things again.

Lastly, do not forget. Nothing of these things is "DISTANT". The National Socialists, well before the Age of Aquarius, excluded the jews from public life, and they saved a completely broken country in a few years, making it from a country based on terror and war, roads filled with hungry and corpses, into the paradise and free nation of their time. In short, if willingness is there, these things can easily happen.

To put it bluntly, all the forces of civilization which now point DOWNWARDS and towards DECAY, will be focused exactly in the opposite direction, that of betterment, advancement, and improvement.

This is what happens if we win. If we don't, forget about it, and we might as well forget about this planet, our freedoms, and everything that is up to here. We will turn into a wasteland, and unfortunately, this is already happening.

The time is closing in where Humanity has only TWO choices to take. Either go through a more eternal, balanced and advanced future with the help of the Gods, where people live for eternity and will in the end escape the snare of 'time' too...Or become a reptilian wasteland, filled with excrement, evil and corruption, where continents are trash-bins, focused on nothing for the future and nothing in particular but the production of slaves, a place where every minute is filled with anguish and panic, as it is today for so many people...

We have to make our choice...

Subject: Re: The Jews

No other race has caused the world the heinous problems the Jews have and this is nothing new. It goes back centuries.

In ancient times, the Phoenicians, the Philistines, the Assyrians, the Egyptians, the Romans and many more had incessant and major problems with the Jews.

This never stopped. Ever heard the word "pogrom"? When the Gentile populace is at their wits end and completely exasperated, their children abducted, tortured to death and used for blood sacrifices by these kosher monsters, when the populace is so up to their ears in debt, being poisoned, and having their health ruined by Jewish doctors, then in many places, pogroms ensued.

A pogrom is a mass attack and killing of Jews. This is not few and far in between or a few isolated incidents. It is frequent and has been ongoing through centuries.

Jew is a Jew is a Jew... First and foremost, always. Ancient nations tried, but failed to assimilate them, same with the Ancient Romans, with numerous European countries, medieval times, all over the world.

They are parasites and cannot survive without a Gentile host. This is at the soul. They ruin the economy, get the entire nation in debt to them, marry into notable and Gentile families, such as kings, and others with wealth and influence (the biblical book of Esther is a subliminal for this), they take control of everything, take it over and then rule over the nations they infest; an invisible empire.

In spite of being forcibly segregated, such as in ghettos (this is where the word originated), they do not keep to themselves or leave the Gentile populace alone. Continuously throughout history, all over the world, they have been a most serious problem.

The Jewish alien soul does not, nor will ever become a member of any Gentile nation. Wherever they infest, they remain Jews. People need to wake up. They are an alien race and an alien soul (from out there).

For those of you who are forced to go to church, have the vicious alien lie of Christianity jammed down your throat and have lingering hangups, you have the Jews to thank for this. They invented the bible, Christianity and Islam. These three are responsible for all of the evils in the world.

No other people in this planet has even compared to anything like what the Jews are. They are alien.

When Western Europe expelled them (the Jews have a very long history of being expelled from nearly every country except for the USA. This, like pogroms has been going on for centuries. The populace reaches a limit to where Jews can be tolerated no more), Europe entered the Renaissance.

Jewish authors always try to extol their own, bragging about the scientific discoveries and such from Jewish doctors, scientists, etc, but truth be known, if Gentile nations were not infested with the Jews and their nefarious influences, Gentiles would not only have discovered these and much more, centuries ago, but science would be light years ahead. Rome, if left alone and not brought down by the poison of Jewish Christianity, would have eventually put a man on the moon.

The Jews headed east to Poland and Russia and in that area, only to destroy these countries with Communism later on. Jewish communism (which has its foundation in Christianity), has been responsible for the mass murder, torture and destruction of over 100+ million people. Where the inquisition left off. The Jew infested Catholic Church was the KGB of the Middle Ages. This vile institution of Jewish rot also is responsible for murdering and torturing millions of innocent people.

Jews also have a history of persecuting and preying upon each other. They only really come together when there is some outer threat.

I also want to add, HP Hooded Cobra, received a nasty letter he shared with other ministry members that was from a Jew, claiming to be a "Theistic Satanist." This was very revealing in that this Jew, like all of them identifies with their Jewishness first and foremost, even while claiming to be a Satanist. The Jewishness is always of the most importance with both their agenda and identity. Anything else comes behind that.

They are not, and cannot assimilated, no different from cancer cells. This same old shit has been repeating itself for over 3,000+ years.

This history is not taught in the schools. Gentile humanity has been extremely stupid in the way of repeatedly trying the same old attempted solutions (which are nothing but endless and abysmal failures) in trying to deal with them.

The Gentile world needs to wake up.

["IF", "WHEN", or "NEVER" - When do We WIN?](#)

<https://josministries.prophpb.com/topic19627.html>

"Andevili wrote:

*What Happens **if** We Win? So our Victory is probable and not certain? I was thinking the title should be "What Happens **when** We Win". Between, nice sermon as always.."*

Thanks for the comment, it gives me an opportunity to state a few things...

Yes, lest all Satanists sit their ass, never advance, and do nothing about their existence and to advance, what do you think, we will win, or we will lose?

If you stop eating for a hundred days, will you die, or remain alive? If you never, ever go to the gym, will you become stronger? If you do not breathe, will you live?

Other's can't do your meditation for you, feed you, or make you go to the bathroom. Not even toddlers get this behavior to be done to them, they have to do at least something. It's just how reality works.

As for manchilds, and useless princesses, what can be done?

Therefore, there is an *IF*. Not on the side of the Gods, but on our own behalf. We have to CHOOSE and FOLLOW our choice to the end. No matter how many shortcomings, how many falls, and how many obstacles, we have to persist. Then, it becomes a question of WHEN we will take over.

We have responsibility about our existence and bringing about our own ends. If we do not, don't expect free favors.

Why should they do free favors to lazy scum, that doesn't even want to do the absolute least to bring about a better world? The Gods aren't our servants, they are our gurus, friends, guides, leaders- you name them. They are not our nurses or our slaves. They are if anything inconceivably ABOVE us. If we do what we can, they will help. If we do not, they will treat us with our own medicine. They will not.

The Gods have won their own part of the war. They are not threatened by the enemy. What matters is we do the same to safeguard ourselves.

The Gods cannot spoon feed people 24/7, like their nannies or false charity. Nobody grows that way at all, they become an atrophic manchild, that is retarded and mentally ill. People have to get their act straight, and then the Gods respect this and help them out. They have better things to do with their time, rather than 'begging us' to...HELP OURSELVES, so we can live in a society of PLEASURE and MAGNIFICENCE for our own benefit...don't you think?

This logic of stupid 21st century entitlement must cease existing. We do not 'deserve' such a world unless we build ourselves to this level and fight for it. If we do not, then we sit by and watch the rot take us over, awaiting prophecies like retarded christians, we will drown into the cauldron of excrement.

What more the Gods have to do? They guide us, they give us the spiritual means, they help us advance, and they even bless us and do so much to help us out of miserable situations, wrongdoings, ignorance and the list goes. They are pretty much doing so much already. They would do even more if all people helped themselves, and seeked advancement.

The first thing all people who seek to become as the Gods have to understand, is that even-though there are many set 'forces' in fate or other things, we have the power of exercising deep choice with our spiritual means, and turning these energies around. Therefore, we have a 'say' in what is going on. To sit idle and 'expect' prophecies, while doing nothing, is for the retards and the slaves.

When are you going to become a God? If you do not work at all spiritually, then NEVER. If you do work spiritually, then it's only a question of a ranging WHEN. If you really devote yourself in advancing in a balanced manner, it's certain that you in time *WILL*.

IF we keep our end of the deal and fight and advance, then YES, it becomes only a question of WHEN. If people do nothing, it becomes a certain NEVER. If people dabble, which is what a few people still do, it becomes an *IF*.

To be **"kinda lukewarm"** = **IF**

To do **nothing** = **NEVER**

To do **what one can to advance things**= **WHEN/DEFINITELY**

Because many people dabble into the *IF* level, we are saying an *IF*. If more people were dabbling on the "Doing what one can" level, we would only be conversation about the DEFINITELY.

Subject: New Documentary: The Genocide of Indo-European Culture			

[New Documentary: The Genocide of Indo-European Culture](#)

Greetings to all our Satanic Family and People.

I have to thank the customers of my services for giving me the necessary free time by not acting selfishly and impolitely, for tolerating delay, so I could do this Documentary for our Satanic family to see. This was extremely important to know.

It is tragic that documentaries like that are 'triggering' the social media and the small brained people. While all the terrorists and many other psychopaths are freely roaming in all of these social media, facebook, youtube and everywhere else. These are their organization platforms of course. If anything points at the jews, that's the *ONLY* problem. There are videos in Jewtube where Islamics call for OPEN JIHAD, and these have millions of views. But who cares, right? It's okay so long it's not "Whites" and "Jew wise" persons posting things, or other serious crimes like...QUESTIONING THE HOLOCAUST.

Only the safety of the "CHOSEN" is paramount. All others have to fill the graves, the jails, and their 'criticism' and false ideas require a beheading or worse. That's the jewish 1984 we are living in. Teens and children get raped in Europe and radical pisslamics don't receive any penalty, but people who question the Holocaust go to jail on rotting sentences.

Otherwise, Radical Islamic formulating weaponry, riots, and killing spree, is just fine for all these 'media giants'. For these there is no problem, they use all the "media" they want of course. Because who owns these? Those who also own these 'organizations'...

We live in 1984- that should be OBVIOUS.

This is the thing: these things are evolving and advancing, and unless these things stop, civilization will be forced to sink. In some places this is an everyday reality now.

Iraq, Iran, and Syria, all these places were progressing in civilization, until the enemy decided to make their Greater Israel. Now the Middle East is created into an incessant warzone. All caused by the jewish created groups of mad people in the region. This phenomenon is also pushed in Europe and the USA through immigration and radicalization of Gentiles, and ultimately turning them against one another etc.

Needless to say, what happens in the Middle East, and against people there, is horrible. All this is owned, run, and created by the Jews. This has multiple effects, and jews use these. The jews have created a deadly force with the (((("ISIS"))) which was created by them. The reason of such is to kill innocent Gentiles, and wipe out their old time enemy from the region: Satan and the Pagan Gods.

This has always been the jewish goal. This is why the war in Iraq happened, the Syrian torture, all with the higher aim to create the state of "Greater Israel".

Everyone needs to watch this, share this, and enjoy this documentary. It will not be all joy, but it will be all facts...It is gruesome and very saddening. This is a comprehensive documentary in what is going on in the Middle East and where this leads.

This deals with the Yezidis, our beliefs, and The Genocide of Indo-European Culture and Races. Be prepared for a reality shock. The Yazidis are people who worship Satan/Malek Taus/Odin/Shiva, or

HOWEVER one wants to name the Grand God. They are chased all over the globe and wanted dead by the jewish puppet group of (((("ISIS")))).

You will see what happens when jews get power, straight in the video. The jewish created, funded and trained "ISLAMIC STATE", based on the Islamic Abrahamic religion, butchers and enslaves women, innocent children and brutalizes everyone.

IF THESE PHENOMENONS ARE NOT STOPPED, CIVILIZATION WILL BE DESTROYED COMPLETELY...This sort of phenomenon is coming to Europe.

I am also preparing another film on what is going on with Islamic and Christian (jew forced) civil war in Africa. In short, THE JEWS ARE OUR MISFORTUNE!

This problem has to be dealt SPIRITUALLY and with ENLIGHTENMENT of the people. So that they are fought into the core level. Intellectual resistance and spiritual revolution is NECESSARY.

Needless to say, these are the reasons we are doing the RTR's. To stop this madness and jewish domination of the world, which implies all these people have to die, get massacred, radicalized, all in the service of the jewish wet-dream of world domination.

Watch and Download this Documentary! You can repost it if it gets down, but until then, there is no need for this. We can share, promote, and push this incessantly. I have done such on the other documentary, and because many of our people did share, by some tweaks, it had a CUMULATIVE effect. Nothing can keep us from spreading these and unmasking the enemy of what sadists and psychopaths they are.

The Genocide of Indo-European Culture and Races [Full Documentary]

<https://youtu.be/7QqmS8EIPd0>

LASTLY: Keep up with the RTR's. This COULD BE ANY SATANISTS, as many people have ended up in the Inquisition and WORSE. By our hand, we must make sure this will never happen, and with the power of the Gods which we express, WE WILL FLATTEN SPIRITUALLY THE ENEMY COMPLETELY!

Subject: Dealing with Astral Entities: Past Life Memory and Race Soul			

<https://josministries.prophpb.com/topic19703.html>

Dealing with Astral Entities: Past Life Memory and Race Soul

Greetings to all our Family and Satanic People.

Well this deals with what the title says. I am writing this to clean up some particular things that may have people confused.

Many people when they learn about past lives, they become highly interested in such. Depending on the maturity of the person, they may look on what has come 'before' and see things ranging from Truth, to absolute delusion, to some truths mixed with lies, and so forth.

This is why I always advise people to actually work a lot spiritually before they do this process. This is because hangups, fears, insecurities, and wanting to fill one's self to compensate for lack of power and success in this life can subvert a person. The subconscious of the untrained person can be tricky, and filled with programmings that lead to this.

This is the reason many people who are new spiritually and are unfounded in observations, can suddenly say things like, if they are Mexican, that they were the Great Montezuma, or other people can say they were Lao Tzu, or "Me Wuz Napoleon" immediately. Now these things, sometimes have some reality in them, but I will explain what is going on to rectify the situation. But this cannot be explained before I explain some other things.

All races have a racial soul tree, so to say. This is like a massive pool of memories, understanding and spiritual roots, to simplify this. All members of a race are connected through this tree, as such, we have races and soul families. People who dabble and are spiritually inexperienced, can sometimes see delusion, PLUS things from this tree if they are open, and sometimes get into memories of such tree.

Others are caught in complete astral delusion and just see their own delusions. The power and SATAN has to rise in the soul (sense of understanding and wisdom) to see correctly. One should better of remove hangups, so that they are not trapped in false observation.

If someone is something very great, it will show up in the natal chart, in the life, in the wisdom, and everything else. It will be apparent in everything from a younger age. This is because this is carried from the past life, given as passed down from the Race Tree, or both these things. Normally, these go together. The more developed persons are in a fitting place in the race tree so to say.

Now, great men, women and souls in our racial tree, they are very influential in our racial unconscious. We are connected in a genetic level and soul tree with these people. So when we meditate, we find our 'roots' and start feeling this tree. This is why we get to feel and seek our ancestors when we become more conscious, so to say.

Some people are "RIGHT" that they are related to these great people, because they are. Now, the distance in the tree ranges, and of course, that doesn't imply that one *IS* that person.

In a sense, part of them, racially wise, is in them, and theirs in them, but only in the racial unconscious. As individual entities, people have their own future, so to say. If we meditate and advance, we also help and correct our Racial Tree, and uplift all of it's members. We are making space also for ourselves. This is on an astral level. Sometimes, people when they do past life regression, may see such powerful events that happened in the tree of their race, rather than their individual memories from a previous lifetime or such. This needs training.

From the above thing we have many unimportant people or young souls always saying they are 'Kangz', Pharaohs, or that they were Tesla in a past life. They belong to the race tree of this people, they WISH they were these people, and even that wish is actually a wish to point them to evolve THEMSELVES, and become better. They are observing, in short, a bright example.

Believing you're Tesla or an Apache helicopter, will not make you either. Therefore it's better to stop living in this subjective reality, because it keeps you back from your true potential. Additionally, the presence of a Tesla or an apache helicopter (lol) in your Race line, shows that you have the potential to get there. Let's not mix potential, with who we are in the present, and everything else.

All this fog is cleared by SATYAN - SATANAMA. The striving for Truth. When the soul leaves behind dross, hangups and crap, it starts to see the light and accept reality joyously. You don't have to be a movie star to advance, or someone 'famous'. Anyone can do this, and anyone can raise on higher levels. That's the awesome thing about this. Spirituality is open for those who are after it, so to say.

Generally, it's not that great to mix the race trees (let's call these soul families), because this causes internal spiritual confusion. This causes unexpected outcomes. This is not negative, but if done incessantly, can have bad effects many generations down the line. As such the stupid saying that the 'sons and daughters' pay the 'sins of their parents'. This is perverted allegory of the jews, to hide this very fact.

How one is today is tied into the effort of those that came before them and how they managed to handle their time, if they decided to materially or spiritually advance, and such. No matter where one is, one can evolve, advance, and continue existing until they reach the higher levels. The point of such is to advance.

You will feel this as a drawing towards a particular civilization/past so to say. It will attract you, and also it will be obvious in who you are, your temperament and so forth.

As explained before in the series, races have karma. To mix such karma can have strange, and unexpected effects. If we have a spiritual family, they produce spiritual children, and so forth. To disrupt this, can have any effects, with generations ranging from the bottom to whatever so to say. The whole process of rectifying and raising one's soul to a higher level can become a mess. People reincarnate into their race lines, to continue the process of spiritual advancing.

Lastly, see how bright individuals help their own people and the world in general, in more than one way. This is actually why we say that the true potential of a race is not in the retards of such, but in the people who made this EFFORT to get "UP THERE". Notably, the people in the high levels may have absolutely no relation with the fallen leaves and the rotten branches of a tree, so to say.

The whole point of these spiritual teachings are to keep the trees of our races clean, pure, strong, empowered, and to grow and become fruitful and plentiful. This was known to all Ancient civilizations, and actively practiced. This is how the individuals of the Golden Ages came to be. Because the trees were being cleaned, the rotten branches cut off, and the trees taken care of, so to say. One makes sure to always lift one's self and the their race soul by advancing.

When one does regression, they have to be skilled, and better be clean spiritually- having deprogrammed one's self from a need to see lies, and conditioned one's self, without guilt, to see facts. This helps one raise in power.

I hope this clears up this issue in regards to Past Life regression and the Race Spiritual Tree.

-High Priest Hooded Cobra 666

I already wrote another more detailed article concerning this.

The more research we ministry do, the more shocking and apparent this gets:

So much of the "supernatural" and what people attribute to "God" comes from human beings. Human beings who have a high level of occult knowledge, of which was systematically and forcibly removed from the populace in an attempt to create a spiritually defenseless slave state of Gentiles.

As I stated many times before, after the deliberate removal and destruction of this knowledge by Christians and Muslims (tools for the Jews who were behind it), Jews "translated" sacred texts into European languages. I'm sure I don't have to explain the ramifications of this here.

Given our recent findings, so-called "possession" and other related "spiritual" issues, such as attributed to supernatural beings, in truth, is nothing more than works done by human beings.

For example, so-called "demonic possession" is an inside job, look to the Vatican.

Given the extensive occult knowledge and abilities these spiritual criminals have, they are knowledgeable and adept at creating such entities to induce an atmosphere of spiritual terror, which they blame on our Gods, to keep our people under their control.

In Voodoo, followers invoke spirits, some are ancestral, some are what they believe to be their Gods, and much are in truth, powerful thoughtforms. Spirits, regardless of the abovementioned, are empowered through worship, devotion, attention, spirit sex, eating through the living human being by mutually consenting to enter the Human's body, enjoying sex, food, alcohol, dancing and so forth.

The use of powerful thought forms is extensive, along with elementals, etc, and is in truth, behind an extremely large percentage of what the mainstream believes is "God."

This is why "God" needs so much attention and slavish worship, fear and love. Love is used to further these programs because it is about the most powerful of human emotions. How many can attribute extremely and insanely bad judgement to the emotional of love that is misplaced? Some people have lost everything, even their lives to misplaced love. Love is a very manipulating force when it is misused. Not even impassioned hatred can manipulate the human psyche the way love can.

Christianity is known for look "love bombing." Love is liberally used on newbies to hook them in. As the newbie becomes further ensnared in the Christian trap, the love is gradually withdrawn and then used as a reward and punishment manipulating tool.

The same old love crap is also used with the New Age writings, etc, to zealously advocate and promote injustice, both spiritual and in the material world. This keeps these humans (mostly Jews), in control.

No so-called "supreme entity" or so-called "all powerful," etc is going to be threatened if there is no slavish worship. On the other hand, Jew created programs, along with their invisible empire, need the external energy input from their victims.

Few people are aware of the calamities, illnesses, social problems and so forth that are the result of directed and intentional powerful thought forms (THAT ARE NOT ANY MORE INVINCIBLE THAN THE HUMANS WHO CREATED THEM).

The Jews along with their Vatican criminals have been abusing occult power for centuries.

Many Gentiles believe this crap to be "God's punishment" "Acts of God" and related. This creates a spiritual slave state with "God's chosen" in charge.

Azazel told me recently, "The Jews are responsible for all the sicknesses and illnesses in the world."

Their invention of Christianity has dangerously held back science to where it is a crisis, their control of the medical profession for centuries. Yes, centuries. Their using Christian and Muslim filth to destroy the original Gentile Pagan religion and spiritual knowledge.

The Magnum Opus (which was a fact of life during the Golden Age when our Gods lived side by side with humans, who lived hundreds of years, many becoming immortal), was lost and corrupted. Those who searched after this spiritual working, alchemy, aka "The Black Arts" were tortured to death, burned at the stake.

In closing, I also want to add, some occult knowledge also has, again, man-made curses put upon it, by guess who? In order to frighten outsiders from learning too much, away.

The world is under a powerful spell. Only through Satan and our Gods can this be broken. Satan is the Bringer and the Giver of knowledge.

Satan does not demand or require any slavish worship.

Subject: Sexuality and the Metaphysical			

<https://josministries.prophpbb.com/topic19715.html>

[Sexuality and the Metaphysical](#)

I considered writing this post for a few reasons. Over the years myself, I had to think about this matter a lot and went into more than one conclusions; In the end what I clearly understood is what I will relate to this post. Which I found to be the only fundamental fact when it comes to such things.

As HP Don has mentioned before, and as it's known, all people have the Ida and the Pigala-polarities. Any gender and any person can have more of either polarity in their soul. The main issue people do not get, is that if this will manifest sexually or not, is a whole different aspect in itself. Every person spiritually is both male and female. The soul has both aspects.

Now there is a serious misconception here, that ties sexual choices with spiritual advancement. From this came rise to forceful theories such as the jewish madness which says people should be killed or made to 'repent' for their sexual choices, and many other negative things.

Like in the J(N)ew Age community where people are told that "Drugs help them" advance and so forth, and that they must at least 'try them' or whatever, the same is done about sexuality. People are sometimes forced to 'repent' their sexuality, or think that in order to advance spiritually, they have to become gay, bi, or just be celibate.

This has went in both directions, to where now the enemy is forcing the latter end, even towards pedophilia and other insanity and mental diseases. This came from mass sexual repression, insanity about sex, and at the same time over-sexualization of even children. Which bleeds all together, from all sides, into a mass insanity.

There is only ONE mistake in sexuality down to it all. **To not leave your sperm and sexual energy go to waste and be unprogrammed.** This is the wasting of the 'seed', not masturbation or sex. Over the centuries due to spiritual ignorance, a lot of insanity has been created around sexuality, either through deprivation, or basically mainly due to Judaism. In short, this energy needs to be used for your spiritual elevation, goals and so forth. But that is the ONLY real and worrisome 'mistake'.

If we have a person who is spiritually of an Ida (feminine) dominant nature, that will not necessarily make them a homosexual. They may be of the more nurturing type, and more after aggressive and dominant women. On the other hand, a woman who has a very high Pigala element, may be into dominating men very much, acting with more masculinity so to say.

Now, how these manifest, can range. The man in the first example may be extremely feminine in their love affairs, quite the contrary in their general life. In other words, sexuality and behavior do not always relate, but most of the time, they do.

Sexuality in general is the striving for what one does not have. In other words, gay passive men may be after overly masculine, male men, for example. Women who are lesbians of the pigala type, may actually be after feminine women of the same type. This is a way to look at things when people have a more spiritual nature. When they do not, and that is NOT bad/and/or "UNETHICAL", this may range, change or whatever.

Gaps left at the soul and internal needs that are not met, have to be 'replaced'. One example is drugs. People who are too lazy or don't even know about meditation, can get into hallucinogenics, in pursuit of spiritual experience. In the same way, people who lack particular elements, MAY or MAY NOT try to find these in partners.

The natures of such desires and how these will manifest, are affected by MANY, uncountable factors. Do drugs exist in a civilization? Does one have money to buy them? Are meditation books available? Is the person someone who is careless or careful about their life? And so forth.

Depending on if a person is susceptible to change, likes to experiment, and so forth, one may know or may now know exactly 'who they are' and 'what they like'. This can be the case of people who don't have enough self knowledge about things. As someone spiritually advances, this gap is sorted out. There are people who are more easily influenced, and some who can hardly be influenced at all. One example is how in the past, christians tried to push and 'cure' homosexual people, ultimately torturing them and worse.

Now, society is heading past the level of equality (thanks jews) who try to return us into the middle-ages by over-extension of their own sexual depravity, which masquerades as some sort of sexual preference. In short, the humiliation over one's sexual type, and making one's self a worthless human being (either a hetero-savage-islamic) or an extremely effeminate traitor of one's race and so forth, both these are jewish creations.

These don't have to do with one's sexual choice. This has to do with the quality of a person as a person. Like all people eat, some eat in a civilized manner, some eat from the floor, and others like jews feast on feces pie. In short, to focus on the habit of eating or 'ban' it is useless and retarded. Only a xian would think of that.

I noticed the problem is that people aren't sexually accepted. This makes a lot of people feel at

odds with themselves, fearful, and on the other hand, we have a pendulum thing going on in society.

Now spiritually speaking, we know there are three channels. In the female body, the left and right walls of the vagina, and the whole vagina, all connect to the Ida, Pigala and Shushumna accordingly. The same goes for the head of the phallus. The head of the Phallus is the gate to the shushumna, the sides of the Ida and Pigala accordingly.

In general, people are also polarized accordingly in the Soul, women, irrespective of sexual choices, are tentative to the feminine, and men are tentative to the masculine. The anus of both genders deals with the shushumna, the central channel. This is why for SPIRITUAL anal tantra, it's important people to understand how this works in order to advance them. For material purposes, different rules apply, so to say.

NOTE: On spiritual people. People who are just a material body, they work by "denser" laws. Natural psychics and mediums can feel the most sensible things in a space, so to say. Others are more resilient, others oblivious. In short it's not spiritually 'better' to have a particular way of sexuality, and another one is not worse. It all depends on the spiritual openness of the person, and how it affects them individually.

Then, we have astro transits. People are influenced by such, and they change by such, may want to experiment, or depending on the person, they may NOT want to do this.

Now many people are very confused when it comes to transsexuals and other people of the third sex. The third sex does not imply (unless someone is born like that from the womb) a necessary 'ida-pigala' spiritual balance.

This is the material body, which affects the soul only indirectly: it's not the CAUSE or the level of development always. It's secondarily connected to the Soul. Many people assume that if they change their body's biochemistry, they are doing a 'unity' at the soul. This is a misconception. This is not the case, but only indirectly, and from much of a distance if even that.

In other words, even if you inject yourself with testosterone, that doesn't necessarily make you more masculine at the soul, or if you inject estrogen, that doesn't make you more feminine in the soul, either. You are absorbing results here, not causes that come from the soul. You are covering at the symptoms so to say. This affects it from a far and indirect level, and the soul is only from a far distance affected by such actions. The above is why healing, balancing of the soul, has to happen on the inner light/the soul first, to have a permanent transformation effect.

In short and before some people are uselessly infuriated, what I am trying to say, is fairly simple: no matter the modifications you do on your body, no matter your sexual partners, or what you choose in that way, real unity and balance in the soul will ONLY come from meditation. This is what people should be after, and that is the aim.

All the anti-oxidants in the world, isn't going to give you an immortal soul or clean your aura, so to say. In the same way, all the sex or food in the world is equally irrelevant and not that big of a deal unless it's done with a spiritual insight to it. There are levels of sexuality, and it depends on the person. Some people are extremely psychic to the point even minor contact can create serious contacts with others, other people are extremely numb spiritually. That doesn't mean they are not affected, but it's not in the same level as other people.

The point of this post was to explain this: Everything that you see and experience has an internal sense and this has to be recognized. How it will manifest varies. This is why it's important people have self-knowledge before they do moves such as changing their genders and so forth. There needs to be insight into these things, or like with any body modification, people may regret it, or

they may not regret it.

I also notice there is a lot of confusion and force by the jews to confuse everyone, no matter their sexual vocation. One example is how a lot of girls like 'adventure' guys, so the enemy tells them to go date criminals, and many times they wind up dead. Sorry, it wasn't hollywood. This is one example. This hiding of the spiritual aspect of our desires is created in such a way to blind people and make people waste their life chasing anything but spiritual advancement, which is what people should be after to become really content.

The point is that people seek completion through their sexuality in one way or another. This is evident in astrology. People who lack a particular element, can be attracted to people who have that element they are lacking, for example. This is perfectly normal as people look to complete themselves, so to say. Others stick with people of their own element, and that is good again.

The ultimate recipe is to be with people that make you better, advance you, and uplift you spiritually, so to say. The point is to become a better and more advanced person. The details are up to you, and responsibility to the responsible.

Socially speaking, as far as civilization is concerned, a civilization that only has strictly gay people and so forth, or solely lesbians, cannot procreate. Nature takes precautions of such and makes the majority of people with the necessary heterosexual tendency to reproduce. The enemy like all balances, they try to throw this one out in either way.

They don't really care which way, just enough so that balance is overthrown so they can destroy and take over things. This is a problem for every civilization, but so is retarded Abraham celibacy that leads to murder, people feeling emotionally destroyed and so forth. Any civilization that does suppress women or feminine energy (Even expressed through women themselves, or gay people, or people with feminine polarity) does collapse, and is a civilization of savages.

On the other hand, a civilization that is too feminine, is extremely tolerant, extremely 'open' and cannot have any serious division between the members and so forth- chaos. In the middle ages we suffered from the abrahamic hyper-masculinity, now we suffer from abrahamic induced hyper-femininity. There will be no warrior spirit, no order, no defences, no cohesion, nothing.

Again, the above are not fixed "rules". Its just an explanation of some terms. You are in your own to see and know yourself. This may take more or less time, depending on the person, and that is great again. After all everyone is in the same self-knowledge trip.

Spirituality and inner empowerment and wisdom reveal what is what. But again, this is no problem, feel free to research in anyway you see fit and advance towards this.

The point is to be an advanced, upright, and decent individual. If one doesn't fill this criteria, then you can have sex with anyone you want and remain the same negative influence upon this world. Nothing can 'change' this.

Subject: Satan Lucifer The Lord Of The World

Satan Lucifer The Lord Of The World

The original religion of earth is called the SANAT-ana Dharma.

Kumara means Lord, Sanat means Eternal..... Sanat Kumara means Eternal Lord, The Eternal God. Sanat is also spelled as Satan by His ancient Followers as well. Satan Kumara. The Eternal God.

The Eternal, highest God is also called Sata, Satam, Satan, in Hinduism, and His mantra is Satanama the highest mantra of serpent power yoga. Satan or Sanat is the same title and meaning.

In the most ancient texts of Hinduism in Tamil Nadu they state the primordial age or golden age the Sat Yuga, civilization was called Kumara Kadam and was ruled by Sanat Kumara, who came to this world with the other Gods from another star system. This civilization extended to a land mass now underwater. With some of it remaining above water such as Tamil Nadu. The Peoples of the Far East from Thailand to the ancient America's all have the same record of a golden age civilization that once extended across a large continent now much of it under the Indian and Pacific ocean. The Greeks, Druids, Egyptians and Romans stated in their ancient records they came from the east from the same area. The Romans had a ritual of mourning called Lemoria where they threw effigies of their ancestors into the Tiber river to remember when this land was lost. The name of this land was also called MU. The ancient Mayan's had the record of coming from this early region as well. And the Peoples of the America's record these White Gods teaching them spiritual knowledge and cultural knowledge from how to grow food to build homes and medicines, astrology and other knowledge. There are African tribes they state they received the same from the same Beings such as the Dogon.

This explains the megalithic ruins found across the east from off the coast of India all the way to Nan Madol to the ruins off the Japanese coast. To the Andes in the America's. All are shown to come from the same core civilization. Described by the natives as having been built by a tall White Race with light hair and European features. Who were ascended.

The ancient Tibetan and Far Eastern texts state the hub of this ancient civilization was in the region of the current Gobi Desert region. In which there have been numerous findings. From the White Mummies to what Professor Kosloff a Russian archaeologist found a tomb in the Gobi after digging down fifty feet. There were artifacts in their dated to 18,000 years old. The records claim and the migration shows the Aryan Race pushed westwards from the regions of the Gobi, Pamir, Northern India and central Asia in general. The world's largest Pyramids are in north, western China and there are over a hundred of them. The largest ancient cities on earth have been found around the ancient silk road and their inhabitants were Aryan Peoples. The Chinese mention they received their culture from tall, Aryan peoples and their ancient records talk of green and blue eyed Emperor's. The aboriginal Japanese are known to have been a White Race. Many people in China, Korea and Japan are what today would be called Euro-Asian. They still have the divine culture of the Gods as well. The Japanese call Sanat, Sonten and state His eternal spirit resides in the sacred mount Kurama, in Japan.

This Gobi region was stated in the records in the Golden age to have been the capital in which Sanat Kumara ruled from directly while on earth along with the other Gods. This is called Shamballa in the Far East. And might be the source of Valhalla the city in which Odin rules from. Some of the writings on the ancient Norse mention they migrated from the east. The people of modern Hungary and Romania did as well. The ancient Aryan Hun Empire went all the way to the Far East to the Uighur regions of the current Gobi. Hungary is from Hun-Land, it was officially granted to the Hun's forebears of Attila. They were not racial Asians but Aryans from further east. The Scythians came out of the central Asian regions into Europe and became the Slav's to the Saxon's to the Celts.

The Yezidi who are called The Blonde Blood Line, their calendar is seven thousand years old and the Yezidi state they migrated out of the east from Northern India and were part of the Sumerian civilization. The Chaldeans came out of the Hindu Kush along with the ancient Phoenicians who called themselves the Ya Khut's. A title still used in Kashmir. The Phoenician Gods were Red Haired and blue eyed as their ancient images show them as Aryan People like the Sumerians. Tests on their remains show them as European. The Yezidi show Sanat who they call Satan. As the eternal youth surrounded with peacock feathers in their writings. The same way Sanat is shown in India and Tibet.

The Yezidi text the Al Jiwah mentions the realm of Shamballa with in it. If one goes to India you will find the Yezidi religion. As the Yezidi's themselves state. In the worship of Sanat Kumara also called Skanda who is colored red many times and also riding the Peacock and with the serpent. This is how the Tibetan's show Amitabha Buddha. Colored red and riding the Peacock. Amitabha Buddha worship is twenty thousand years old in the Far East. He is the head God. The Tibetans original religion is called Bon further east to China its called Mon. The worship of Mon is not the everlasting blue sky. Its actually a blue colored God. The Mongols relate their origin from a race of blue eyed Whites of divine descent. The Tibetan's stated they got Bon from a race of Aryan's. Of the current Asian groups in the Far East many one way or another mention a previous race of Aryans who's home civilization was Shamballa. The Yezidi's state the Aryan race came directly from Satan, Sanat Kumara and are the original People of this world. However the other races are under the protection of the Gods and some do descend from them as well.

In Primordial Greece before the fall of the Minoan civilization. The head God Zeus was shown as the eternally young God called Korios. He was blue colored had a White bull, 12 cow herder companions and a consort called Rodha. He played a sacred flute as well. Korios is from the Sanskrit, Kumara. His other symbols are the Peacock and the serpent and he carries a staff, thyrsus or spear as Dionysus. The Peacock is only native to the Far East. Where the Greeks state they came from a place called Pan Achaia. Their oldest God still carries the same appearance, banners, totems and myths as Skanda in India. Of whom the Greeks state Dionysus was. Of their maps they called Sri Lanka the place of Dionysus. The mythos of Dionysus is the exact same as Skanda. Korios is the primordial God from which the other images of the head Gods in Greece came from. Dionysus is the Korios. His worship was so ancient the later Greeks thought His religion was foreign. From Egypt, as the Greeks lost much of their culture after the devastation that caused the end of the Minoan civilization the whole island blew up and destroyed most of the region in the fall out. The Egyptians recorded this and that they had kept the records the Greeks had largely lost when they were nearly wiped out. The Greeks and Egyptians both stated Osiris and Dionysus are the same God, and Ptah is another name of Osiris in Memphis.

One will note the ancient figure of Korios is also the famous incarnation of Visnu in India, Krishna. The Hindu Purana's state all the famous head God's of Hinduism including Visnu, go back to one pre ancient God. Sanat Kumara. They are images of the same primeval God, Sanat Kumara. The Chandogya Upanishads also state that it was Sanat Kumara who handed down the Siddha Marga, the Path of Perfection to mankind the teachings of ascension. The Yezidi's who worship the same God Sanat as Satan also state the same.

Venus in Sanatana Dharma is the highest cosmic principal it rules sound and white light and the spectrum of light. As it descends creating all existence which is condensed sound and light. However what we perceive as white light is stated in the Vedic texts to be blue light. This is why the ancient image of the God Sanat Kumara are also shown blue. The purified soul and the concept of Venus.

This is the reason for Lucifer, its a name of Venus. Sanat Kumara is called Shurka, Venus in the original language of Sanskrit. Sanat esoterically represents Venus. This is the same God as Dionysus and Osiris are also called Venus in their ancient cultures.

The reason for the Left Hand Path which is from Sanatana Dharma, its the name of Kundalini Yoga, the Left is Shakt the serpent energy. Is because the planet Venus is the only planet that rotates anti-clockwise to the left. The LHP is the path of Venus, Sanat Kumara. The pentagram is also the symbol of Venus the shape of the orbit of Venus and the five is a Venus number. This symbol of Venus would have 666 placed with it to show spiritual rebirth. Venus's number also connect to the sun. The ankh the symbol of spiritual rebirth is the symbol of Venus.

Venus on the horizon.

Venus rules the mystical transformation of the soul as the morning and evening star. Venus's eight year cycle is a spiritual number of enlightenment and immortality. Its position on the horizon as the evening star just before it disappears into the night of the underworld, to its triumphant reappearance in the dawn heralding the reborn soul, spiritual victory.

Venus is also ruler of the serpents. Venus rules wisdom. This is connected to the throat chakra, which Venus rules which is why Siva is called the blue throated one. Venus rules the path of the gods the sushumna. Vasu is the name of Vishu relating to Venus as well. Vasu, Vas is the symbol of divine kingship in Egypt. Venus is about spiritual material perfection. Venus in Sanatana Dharma rules the serpent energy and the raising of this energy. Venus rules the mula chakra and the other chakra's. The Venus power is about bringing the serpent up through the chakra's.

Venus rules the element of air, which is the breath of life and spirit which element is sound and the blue light of creation. Which is ruled by Mercury on a level but Venus on the highest level. The perfected body is related to this element in the Far East, air. The symbol of air, prana is the serpent of Sanat Kumara, Satan. Spirit, Vayu also rules all the five elements.

Venus rules the Kunda which means water pond but is the name of the root chakra and tail bone and serpent energy. The water of life. Which is the serpent energy, and flowing prana. The sushumna is called the Kunda Kula, the Kunda path. The name Kunda...lini comes from this. This is Kundry in the grail mythos.

Shamballa is shown esoterically as the eight petal city with Sanat Kumara sitting on the throne of the world in the center of His palace. In Sri Lanka the entrance to the Temple of Sanat Kumara as Skanada has a golden throne outside to show His kingship of the world. The grail castle in the Western mythos of the Templars has Sanat Kumara sitting in the center of an eight sided grail castle wearing a peacock crown. Just like in Tibet the same being is shown with a peacock crown.

The Grail is openly of Venus, the Venus stone or cup in the Grail mythos. The emerald and diamond are the symbols of Venus the ancient name of Osiris was Al-Khadir this is also a name of the Yezidhi God, Satan. In Sri Lanka the Temple sacred to Sanat Kumara is called Khadirgama "The Place of Khadir". In the story of Khadir He rules the waters of life, the kundalini and drinks of them and becomes immortal. Al-Khadir means "The Green man". The color of emerald. The emerald rules the transmuted stone, the stone is the element of earth and by the serpent fire its transmuted in a pure light crystal of the emerald or diamond. The meaning of the Grail which means Gro-al,

the inscribed stone. The Templars have the images of the Green Man in the eight pointed star in their buildings.

The popular shape of the western grail is the mount meru column in the east. The palace of Sanat Kumara in Shambhala in the Kala Chakra, His teachings of ascension. Show the base of the palace is the yantra of the root chakra and upward steps as the levels of the mount meru column in other images the meru column is openly shown as the hexagram symbol the star of Venus. In India the Yogi's who worship Sanat Kumara directly, practices are based on awakening the serpent at the root and moving it up the spine.

The exoteric world Sanat Kumara, Satan is the ruler of is this physical planet. The Esoteric world He is ruler of is the soul. His kingdom is the spine which is the cosmic axis and the serpentine life force that flows through it. His symbol of the grail is the unified soul. It's a six pointed star symbol. Which is the star of Venus in the east and the symbol on His yantra in Southern India. His other symbol is the peacock standing atop the mount meru column. This is also the flute Krishna carries it has the peacock on the top. The spine with the serpent energy the prana moving through it. Krishna-Visnu as mentioned is the India Venus. Visnu is pronounced Vesnu, this is arranged to Venus in the west. Venus was shown as the androgynous being many times and was the origin of the Baphomet of the Templars. The main Templar symbol is the eight pointed star of Venus. And their practices are still found in Hindu Tantra. The awakening of the serpent energy and moving it up the spine. The eight pointed star is the entire soul all 13 major chakra's. 13 and 8 are both Venus numbers.

The esoteric meaning of the world is the Temple. It represents the entire soul including the physical body which is the animation of the soul's more dense manifestation. The teachings of Sanat are how to make the body and soul one. By purifying the earth element with serpent fire. Hence He is the God of fire as well. As Skanda, He descends to earth and makes war on and exterminates the Asura's from the earth who represent the dross to be burned out. The process of Yoga is purifying all the elements back to their core essence of spirit which is ruled by Venus. By the practices of Siddha Marga, the kundalini Yoga. Kundalini is the symbol of Venus, Sanat Kumara. Satan.

This is why the enemy extra terrestrials, the Reptilians who attacked this planet in a cosmic war across the solar system around ten thousand years ago which caused the devastation of this planet and the end of the golden age. And their Reptilian hybrid race the Jews, the alien Jews themselves are the only race on earth that has an actual Reptilian gene the Cohen gene and a Reptilian appearance and behaviour. Have been working to remove this knowledge from humanity and rewrite history in a false narrative to turn this planet into a plantation state where humanity is reduced to micro chipped cattle.

The eastern texts make constant mention that Sanat Kumara appears to and works with different Yogi's directly in His etheric form and gives them instructions. As Satan, Sanat states He does in the Al-Jiwah. The famous Yogi, Bogarnath stated He received direct instruction from Sanat in this etheric form and finished the Magnum Opus and ascended with Sanat's instruction. From here He established a school of Yoga to teach others. What is left of the known teachings of this Yoga, is kundalini Yoga. There are many records of Yogi's doing such with direct help from Sanat. The ancient Greeks stated that Zeus which is Sanat sends Daemons to help those on the spiritual path. Daemon later became Demon in spelling. These are the Gods appearing in their astral bodies to help the dedicated ones. Which is why all dedicated members in the JoS receive a Guardian Daemon. This is nothing new.

These are people who have spiritual practices which allow them to be on the spiritual level where they can communicate with the etheric form of Sanat Kumara. The Gods have the ability to astrally project and communicate directly face to face with humans who have the spiritual, psychic centers open enough for this. Which is how the JoS has been established and directed in our time.

The enemy needs to remove this knowledge to close humanity off from Satan and the Gods so we can no longer communicate with them. Because this would be the end of the enemies program. So they remove this knowledge and then scare everyone with lies about Satan, Sanat and about the "occult" to keep people powerless and deceived. And when the lack of spiritual knowledge has taken its toll, they then push Marxist Materialism. Which allows the enemy to push their own agenda to exterminate and enslave humanity into a global factory farm run by Jews. Who use occult power in their kabala at the top. And communicate with their Reptilian masters. This is why the enemy though form of Jehova has numerous curses to bind humanity on the soul and keep them from ascending on any level. Bind them and then damn them. The Jews game.

In Germany there was a young patriot who was practicing the spiritual knowledge he was able to find in spiritual publications and books from the Hindu east. And opened up his spiritual abilities to where he could communicate with Sanat, Satan directly as the spiritual society he was a member in showed him how as they were in contact thought their spiritually opened people. That group created the National Socialist Party and that man became the German Leader of a new society that's purpose was the divine mission of restabilising the Sanat-ana Dharma to the world and defeating the power of the enemy trying to enslave humanity under Marxism. Today that man is lied about as much as Sanat, Satan by the same enemy for the same reason.

That is just what happened the last time with a handful of people. What does the future hold....

Our planet will be ruled again in a new golden age from the peacock throne of Satan Kumara. Lord of the World.

**Jews Don't Hate Jesus... They LOVE Him. :
JoyofSatan666**

The relation of Jews and Jesus is one of love and hate. First love, though. It's that kind of disappointment you have from your first lover for not being a million times more amazing. You liked them really much though and always honor them. But they're with someone else now because they kind of sucked anyway. That's the relation of Jews with Jesus.

First of all you can see, the admitted fault of the Jesus, in his fictitiousness, was nothing else, but that he failed to enslave the whole planet under the rule of the jews. This is the prophecy "Rabbi Yeshua" or "Yeshu" failed to fulfill. HE simply didn't destroy all the Goyim of the world, enslaved all the nations, and gave the jews all the complete power they wanted.

For this reason, the jews were angry at him. They wanted him to take over the world, and they don't believe any such person would exist, for if they did, he would have gave them the world to rule with a rod of iron.

In internal Kabbalistic Tradition, the jews believe that this "Soul" of Rabbi Yeshua, will actually reincarnate and become the full and actualized "Messiah" of the jews, one day. The old version of Jesus is hated and rebuked as the lower aspect of this entity, the old skin of the same jewish ugly, retarded jew.

Jews don't have low standards for their leaders. So they excreted this jesus out of their culture into the culture of their stupid Goyim. Eventually enslaving them into a mass of idiots. Jesus the rabbinical hoax, has served the rabbis well, nonetheless. It's well known the Israelis start many campaigns for Jesus over the years, and promote this incessantly over the centuries.

It's just they don't want the same excrement for their OWN people. They are the people of the "Wisdom" and the people of the "Book". They aren't Goyim retards. Therefore Jesus was appropriately excreted in the culture of their slaves and disavowed in the beliefs of the masters, the jews. Christianity served them better than anything ever could.

Arguably it did them even more good than Judaism itself, for Christianity was the very thing that kept them alive throughout the centuries. Rabbi Yeshu carried a good operation on that one...

It has enslaved nations, rebuked the local and racial Gods, destroyed all spirituality, and got the "Goyim" to do acts that the jews would never have achieved.

In that the Jesus is someone they love. Without this hoax, they would never make it there. To explain you the matter, the jews hardly ever mention the name of Satan or Lilith or the Ancient Gods. They avoid it, especially the wise ones.

They wouldn't be the ones to go and kill the Pagans and burn their temples; for they would be killed on the spot. Therefore, they used the mental parasite of Jesus to get the people to do this unto themselves- and ultimately pay the price of such despicable acts.

Lastly, it's the Gentiles and their own souls and races that would pay the punishment for going against their own Gods, directly or indirectly. The fact that they neglected this fact doesn't take away the reality of their atrocities and acts against the Gods.

The enemy jews are very careful to not even say or pronounce the name of Satan (Especially the higher up Kabbalists), for they know this attracts attention and it can destroy them, or tie them into hostile energies that can ruin them. Unlike the wise ones, the Goyim, who are a sack of sand the jews drop anywhere they want, they openly blaspheme their own Gods, inviting disaster upon themselves.

All the evil statements about Satan and the Pagan Gods are from jews. The Pagan Gods after all,

are all about protecting Gentiles. Beings like the jews is what they protect them from. All negative things mentioned about these Gods are from jews, because well, they fought with the jews and still do so that they will not dominate us like cattle slaves.

Unlike the Goyim, the jews have not the slightest question about the existence of Satan, who Satan is for Humanity, and who the rest of the Gods are to us all. They know the truth entirely, same as what they have done, and what they have caused to this world. They have a purposeful agenda of misinforming the planet about it and turning everyone against everyone.

I've studied enough by now, to know the jews better than many Rabbis know the jews themselves. Not only they do not hate jesus, but they realize the importance of keeping themselves as "Christ Killers". This is highly demoralizing to the Christian Goyim, who have a jewish rabbi as their God, and always make amends, excuses and cuck for the jews for it. See the meme? The jews killed your God, they rule your culture etc.

Christian resistance against the jews can never exist. They control people completely by the Kabbalah. One evil goy who pretends to be "Christos Strongman", gets one curse, and they die like the stupid filth they are in around a week. Nothing could achieve such loweness, but Rabbi Jesus and belief in "This thing".

There are also millions of jews who are avid lovers of jesus. Their offspring, you will find bible trumping, in churches, and in everything christian, such as christian political unions, writers and so forth. The amount of jews in all this forceful pushing of jesus, is paramount, especially at these times where people wake up to them.

Israel gets billions a year from Christian tourists who go to the "Promised" land, Christian Cucks pay them reparations for never gassing them, Christian USA Goyim do fight their wars for centuries, retarded Christians consume their worthless products, shill for their agenda, play their politicians, have no awareness over their racial existence, and they have always mobilized the retarded Christian Slave Mass against the rulers, from Roman Empire to nowadays with mass recruitment of Black people in xian megachurches in Africa and so forth.

It's the Christians that raised their own hands to kill their kinsfolk in the name of jewish 'gods', its them pushing their bible in the whole planet, it's the same Christians who attacked their own Gods through their psychic energy: all this was accomplished by the hoax of Rabbi Yeshua.

Christian is also a code word for : Goy of White descent. Therefore they use hate against "Christians" in their writings, because this is a code word- if they did not, their whole false opposition game would have by now collapsed, leaving the jews naked and defenseless in the public eyes, and they would be slaughtered.

Jesus is the shield of the jew: he ensures that the gentiles will never revolt, but only cry to a rabbi and pray to the racial comrade of the jew. The jew they pray to isn't going to nail a finger on the jews. They are of the same race, this thoughform belongs to them, and lastly, this is a well known hoax ripped from spiritual Pagan concepts.

Subject: Spiritual Satanism: The Definition			

Spiritual Satanism: The Definition

Those who come to Satanism and expect to find terror fables, lies, spooks, ghouls and kosher culture, will be disappointed.

Satan has given His representation in our hands and away from the hands of the jews. Who did nothing else for two thousand years but blame all perils on him, make him seem like an evil pet (Despite all evidence), and subvert "The Adversary" of the jews in any way possible.

Satan for once had the opportunity to speak for Himself, more or less, and make his thesis known. He blessed the Joy of Satan for this very particular reason and objective. As thus, we did our research and presented it to the world, something which seemed to attract, and keeps attracting all the more everyday, giant interest.

Satan tried to speak to Humanity through all ages, in different forms. Even from the position the jews put him, he still channeled his messages of freedom, rebellion towards rotten order, scientific study, occult, spirituality, artistry, love for existance, life and nature, and every other beauty to us.

Him and the Pagan Gods were 'banished' but their influence never really ceased: Even their enemies masked this, attempted with failure to remove this, and attempted to color it with their own colors, but could never get rid of it. Satan always was on top of them: The memory of Satan is everywhere, and in everything. They just hid this fact from the masses, and invented new jewish idols in a vain attempt to replace the Eternal Gods.

For without them, there is nothing beautiful, and important for humanity. Satan can never be banished or destroyed; Satan can only be defamed, and as the enemy hoped -hidden- and in that, his enemies have done all they could.

Now, Spiritual Satanism is just *THE* Primordial Paganism. We have used this name because this has two essences: Spiritual, which means the need for spiritual advancement and working on the Soul, and Satanism, which means, from the Sanskrit Word "Satya", Truth-ism in an English Abbreviation.

It reflects our conviction in Spirituality, and the belief in Our God, whose name means TRUTH.

Those who seek jewish occultism that is blasphemous to the Pagan Gods, jewish mental insanity, and jewish para-psychological retardation, fake 'spiritual' nonsense, will be highly disappointed in what "Satanism" means anymore. They will find better answers on a Synagogue, or a church instead, for they praise the same exact things as our enemies do.

In short, it's a misfortune they still carry around Satan's Divine Name and savagely defame it: which is what the jews have done for thousands of years.

We do not believe in "Satanism" before us. This is simple as to why: Except of few respectful servants and people of Satan, many others just did their best to defame, misrepresent, and create Satan into a racketeering business, no different than how Abrahamic religions and Jews have done for thousands of years.

Spiritual Satanism revolves around 10 main points. These are not written laws, but rather, something to sum up what Satanism is.

1. Satanism is about freedom, positivity, creation and empowerment.
2. Satanism is about studying, wisdom and self knowledge and understanding.
3. Spiritual Satanism is about elevating one's self spiritually and becoming spiritually advanced.

4. Satanism is not about slavish worship, but people are allowed to worship as they please in accordance to their nature (except of disrespecting the Gods).
5. Satanism recognizes all the Pagan Gods as real, flesh and blood entities, that are our spiritual and physical forefathers.
6. Satanism is about respecting, knowing and understanding nature and learning/mastering the universe. We follow Nature's laws, while we also try to learn and master them.
7. Satanism is about life and anything that promotes life, and quality life, and is against degeneration and death, and misery.
8. Satanism is elitism, and people have to seek to make themselves better and more elite/advanced versions of themselves. This creates a better world.
9. Satanism is the striving of Truth and NOT falsehood, at all costs: This is why Satan is our Head God, for this quality His Name represents. There is no simple 'evil' in Satanism, but FALSEHOOD, which only then becomes 'evil'.
10. Satanism is the form we have today for representing all the above ETERNAL CONCEPTS. Spiritual Satanism is an ETERNAL understanding. We understand ourselves as partakers in an ETERNAL, infinite existence.

It's really simple: Spiritual Satanism is ABOUT LIFE, and IMPROVEMENT- it's a system that works Light and Darkness not as 'enemies' and ethical evils, but actually parts of the same creation.

Externalities of that such as the jews, their sick systems, and other things do not concern us anymore, other than DEFENDING ourselves, and wiping out their lies pinned on Satan's back, which are unjustified, pure vehement, and perilous.

All Spiritual Satanists are obligated to find about their roots as people, races, and cultural roots, and understand the eternal concept we coin together under the term "Spiritual Satanism", which is a clearer emanation of the (unfortunately) corrupted presentation of nowadays Sanatana Dharma.

These people have to come together in a worldwide congregation, honoring their past, and our aim is to rebuild the Golden Age of Humanity, where only Truth and Bliss will dwell into the world. This starts from the person, extends to the smaller circle, and then grows until the whole world is engulfed.

Spiritual Satanism is about upholding all the eternal laws of nature, including making positive decisions for one's self, increasing one's spiritual life, becoming better and more advanced, being free and in accordance to one's own nature, and lastly, not engaging in behaviors that ruin this process or the world at large.

Spiritual Satanism is a mastery key system and the only real and Ancient religion of Humanity, which in essence was the same in All Pagans, since forever.

We have proved this, and we keep adding further proof into this unending chain, all the time, both us Clergy and our members. It's an inheritance that can be practiced by all people with permanent and great results, except of Jews.

Why we use the name Satan? Because it means TRUTH, and because our enemies hate, are shrinking of, and are opposed to this Divine Name.

So long everyone tries and advances themselves in that way, one is a Spiritual Satanist.

It's really that simple. Those who just obsess over other drivel are merely missing the point.

Subject: Sacrifice Of Animals Was Forbidden By Pagans

Sacrifice Of Animals Was Forbidden By Pagans

Out of the 613 laws of the Jewish Torah, 130 of them are commandments ordering blood sacrifice of animals. The Torah states all the animals of the earth are put here by the Jewish God to serve the Chosen People of Israel. This includes the Goyim, the non-Jewish peoples who are called an animal on two legs. Note Goyim also means cattle and cattle are one of the forms of animals the Jews are commanded to sacrifice in their Torah. Jews are an alien race and consider themselves the only human's.

A reason the Jews sacrifice the animals that they do in the Torah is revealing because these are animals that are sacred to the Gentile Peoples and Gods. In doing so they state they are killing our Gods by murdering the sacred animals and offering their blood to Yahweh. In the Torah Moses openly refuses to bring sacrifice in Egypt because the Egyptians would punish them with death for killing these animals in sacrifice as these animals are sacred to the Pagans. This shows the ancient Pagan's did not engage in blood sacrifice of animals. The ancient Pagans had laws protecting animals from harm. Its also now known the Pagans didn't sacrifice humans either. They found an ancient cemetery of the Canaanites of whom the Jews claimed they sacrificed their children to their Gods. They did forensic examinations of the remains and found the children had died of natural causes and then been criminated in the Pagan custom. Big surprise the Jews lied and projected their own behaviour onto the Goyim.

The other aspect of this they considering slaughtering the Goyim as a offering to their Jewish God. By killing us they are killing our Gods in the sense we are part of the Gods bloodline.

The fact is what we are told about the ancient culture has been rewritten by our enemies as fake history.

If the ancient Pagan Peoples had strict laws preventing harming or sacrificing animals do you think they were murdering people? Obviously not. Its also known when our Gods were in the America's they ordered the People to not sacrifice living beings but offer flowers instead. You still note this in Hinduism they put garlands of flowers on the images of the Gods as the offering daily.

Subject: Christ Is A Jewish Conspiracy Against All Mankind

Christ Is A Jewish Conspiracy Against All Mankind

The Torah is a book of Jewish Witchcraft which is designed to manifest its blueprint into the world. Even the Talmud is nothing more then a study of the Torah. The Jews have created the New Testament as a necessary strategic plan to bring this about. As one Jew stated: " It has all the world praying to the God of Israel." Which feeds the Jewish Torah-thought form to bring this down into material reality and as social psychologists know. What a nation of people believe they will work unconsciously to bring about into reality. The Bible ends with the Jews ruling the world. Christianity is a Jewish conspiracy to meme this into existence.

The Torah in the book of Daniel, chapter seven a very important book within a important book that

of Daniel. The book of Daniel in Chapter 6:4 holds the entire confession of Jewish faith. Which is why they chose Daniel for this. The Jew Daniel is given the vision of the four beasts of the four Kingdom's that the Jews did not control the great Gentile periods of civilization and life. The fourth is called Edom, this in Judaism is the current age we are in and also relates to the start of Rome which causes the diaspora which causes the Jews to live among Gentile rule as the other three. The age of Edom is the last age before the return of the Jewish Messiah and the creation of the Messianic global Kingdom of the Jews.

Daniel chapter 7:13 is the verse that foretells this and links the Torah and Christian books into one:

"I saw in the visions of the night, and behold with the clouds of the heaven, one like a man was coming, and he came up to the Ancient of Days and was brought before Him."

The Torah states all nations shall serve the Jews when this happens. Because as one Rabbi states: "Because the Jews will be the world Empire." Note they choose 7 and 13. The Jewish God has seven primary names that tie into the Kabala and their God's creation of the world, the new world of the Jews to come with Messiah and the number 13 in Judaism is the letter Mem which relates to 40 the number of the total cycle of completion in the Torah. And Mem the 13th letter in Kabala is called: Messiah. The letter Mem is a code which in the kabala its glyph is drawn containing a Vav and Kav coming to make Mem. This adds to 26 the number of YHVH their god. Kav means crown and rules Keter in Kabala and kingship, the Vav is what brings the energy down into material reality and the Mem relates to the element of spirit. In their kabala this spelling of the letter of Mem as number in Torah is the manifestation of the Jewish kingship by bringing their thought form down from the astral into the material. Their gematria system of kabala spelling letters as numbers and numbers as letters tells one exactly what this Messiah is. The whole Torah is based on Kabala.

Note this is were the Bible plays into this and why the Jews created the New Testament and Christianity. The Christian's scriptures which no one argues was wrote by Torah Jews..... Point to Daniel 13 as the key to the prediction of the coming of Rabbi Yeshua Bar Yahweh [Jesus]. The final book of the New Testament spell, is designed to openly connect this fully into the Torah conspiracy. Is the book of Revelations. Which is wrote in the exact same language of the book of Daniel and the events of Daniel. Which Theologians all know this. The book of Revelations is foretelling the final end of the age of Edom [which is also related to Rome and ongoing period of today] and the return of the Jewish Messiah in the form of Yeshua [Jesus in Greek] and the book of Revelation ends with the destruction of the Gentiles Nations the end of Edom. And the global Empire of the Jewish race in the form of the 144,000 Jews which represent the 12 tribes of Israel the entire Jewish race ruling as the elite with the Jewish Messiah, Yeshua. Thus ushering in the eternal global Empire of the Jews.

This is also why Daniel seven is wrote in Aramaic as well as Hebrew. Jesus is made to speak Aramaic and his final statements on the cross are put into the bible in Aramaic.... Jesus gives the final seven verses on the cross in Aramaic. Which tie into the seventh book of Daniel. The sixth phrase the all important number that brings their magic down into the material realm. Jesus states: "It is finished". The Jewish spell linking back to Daniel seven.

What Daniel foretells is Gentile slavery to the Jews for eternity.

As Daniel chapter 7:14 states:

"And He {The Jewish God} gave him][The Jewish messiah] glory and a kingdom, and all peoples, nations, and tongues shall serve him; his dominion is an eternal dominion, which will not be removed, and his kingdom is one which will not be destroyed."

Jesus is the conduit for channeling the spiritual, psychic energies of the Gentiles into the Jewish thought form to bring all this into existence. Including the leader the Jews need to bring this all

together on earth. The leader who will have the entire Gentile world on their knee's to him licking the Jews feet. This is why Revelations has 22 chapters the number of building the Temple in Kabala their World Empire. Which they tie their Messiah to King David who was the leader of this Empire in the Torah. 22 is also the number of all their letters in their kabala alphabet which is the total names of their god and the Jews chant these as the names of their god. The whole Torah is wrote from the 22 letters. In kabala the five books of the Torah is called the body of their god. The 22 letters.

This is what the New Testament and Christianity is meant to bring about the Global Jewish Dictatorship in which the Goyim shall serve. Of course the Jews need to promise the Goyim something to get them marching to Zion. They promise them fairy tales in the sky to trick them into building their own prison down here on earth for the Jews. The New Testament sets up the needed foundation to bring the Jewish Empire about, spiritually, ideologically and physically.

Subject: Re: Living Blood Sacrifices...etc

This is in reply to High Priest Hooded Cobra's latest sermon, Ancient Egyptian Human Sacrifice a Jewish Hoax, of which I highly recommend everyone read:

<http://josministries.prophpb.com/post101691.html#p101691>

Everything the Jews are and do, they blame on us Gentiles.

In the King James version of the bible, the word "sacrifice" appears 218 times, and the word "sacrificed" appears 33 times.

The entire book of Leviticus is based upon instructions on how to properly carry out living blood sacrifices.

In opposition to this, the blood thirsty Hebrews (Elijah) challenged Pagan priests to offer a sacrifice to Baal and Ashteroth. These were NOT accepted.

The sacrifice to yaweh was speedily accepted:

1 Kings 18:25

I also want to add more on how the Jews deceive. Their kosher dietary laws strictly prohibit the consumption of blood. IMO, this is a cover to deceive, even many of their own.

What they publicly claim their so called "religion" is and what it really is, are two totally different things. Blood libel has gone on for centuries. Those who are deluded would believe otherwise, given the kosher crap. That kosher crap is a cover. People are led to believe because blood is prohibited and is not kosher, that the blood libel accusations against the Jews are nonsense.

One only needs to look to the Torah, which is the "Old Testament" of Christianity and read a bit. There are 5 books and the entire book of Leviticus is focused on these blood sacrifices, how to do them, etc. Deuteronomy is loaded with this sick and depraved garbage as well. Living blood sacrifice is also repeatedly written about in the other books of the Torah as well and of course, the ultimate climax is the living blood sacrifice, child sacrifice I might add, of the Nazarene. Jesusus.

For those who still question the many Talmudic quotes posted here and in other places online, that reveal just how vicious the Jews are towards Gentiles, one only need READ the Old Testament.

The Talmud is a massive collection of volumes of extensive rabbinical writings and commentaries on the Torah (Old Testament). As I already wrote in the above, living blood sacrifice is a biblical theme.

In studying Judaism in depth, I also want to add that in Judaism, "poverty is a sin." Also turning the other cheek is sinful. The biblical story of Jacob wrestling with an angel and given some accounts, "God" and given the name Israel.

"Jacob then demanded a blessing, and the being declared in Genesis 32:28 that, from then on, Jacob would be called יִשְׂרָאֵל, Israel (Yisra`el, meaning "one that struggled with the divine angel" (Josephus), "one who has prevailed with God" (Rashi), "a man seeing God" (Whiston), "he will rule as God" (Strong), or "a prince with God" (Morris), from Hebrew: שָׂרָה, "prevail", "have power as a prince").

<https://en.m.wikipedia.org/wiki/Jacob>

The poverty is a virtue and the turn the other cheek suicidal Nazarene teachings are for Gentiles.

Again, as I wrote before, love being the most powerful of human emotions is used to manipulate victims into accepting this anti-life alien crap. If every cell in your body or any body had that kind of attitude towards harmful bacteria and viruses, just how long do you think you would last?

In closing, Yahoo was bought out by Verizon and another company. What this might mean for our egroups here, we don't know.

This is to not confuse anyone with overlapping Rituals.

This will prepare a small framework for our 21st Rituals. This is, as stated before, based on the planetary alignments for maximum effectiveness.

Subject: Disrespecting Your Satanic Blessings?

[Disrespecting Your Satanic Blessings?](#)

I noticed a few things that need to be dealt with.

The most angering thing one can do to Satan, is not curse him, because curses don't reach him, but misrepresent him. This really attracts his wrath more than anything else. Notice his enemy of course, went into 99% of misrepresentation, and turning him into a hideous monster and so forth. They knew they couldn't damage him anyway. So they damaged how the world saw him, instead.

Now there is something that needs to be talked about, is that people need to get off some meme's they keep recreating.

Many people do not respect what they have been given. One hundred or two hundred years ago, if you go to your bloodline, you may actually see people didn't know how to write, spell their name, or other things. Even if they were some sort of royalty, they didn't know how to clean their aura, or chakras, and if they had spiritual knowledge they were of the VERY lucky ones, the 0.1% of the planet.

This is not a joke. Satan decided in the Age of Aquarius to help humanity get back on it's feet. Many people have lost understanding of the past due to never understanding history. This is in the larger spectrum of living in a world where nothing except of the shekel has value. This makes people retarded and (((greedy))).

People didn't know how to write, in many places, let alone how to clean their aura or work on their chakras. This was higher and top knowledge. For a few thousand years, only the jews knew this, and very few people by oral admission, or random mages. Many people who knew so, rather chose to sacrifice and die, than share this knowledge with the enemy (Such as the Druids).

Now that it's given for free, **we have three potential outcomes.**

1. People that value this and respectfully advance, without much crap.
2. Drama 21st century queens who assumed automatically they were Gods or the axis of the universe, because they use the *means* of the Gods.
3. People who don't give a fuck and just discard the information, or are treating it with utmost disrespect.

Depending on which category you fall, you will advance (or not advance) accordingly. The first category is obviously the best and the holiest of all, so to say.

People need also some propaganda lessons.

You're a human being for a reason. Of course through an overflow of manga, anime, or whatever else, childish disrespect, a lot of people have lost contact with reality. In extreme delusional cases, plus with meditation, addictions to delusion such as with drugs and other things, escalate into other venues (which they would escalate anyway with or without meditation as this is a character flaw).

Some people start thinking they are Santa Claus or anything else, that they deserve the planet on their feet. An idea starts to be formed. This is no different than drug addicts, but at least, spiritual advancement doesn't do bad to people. It rectifies.

That's not negative in itself...partially. A five year old that thinks it's Lionel Messi, that's good for them so that they will learn to exercise. By the time they are 12, they will understand though that

maybe they are not Lionel Messi. And go into a tantrum from 12 to 15, realizing they aren't to lead Brazil or Argentina in the World Cup or something. So what does remain? 3 years of tantrum wasted.

If they knew the Truth since they were five, now, they would be excellent in a field or something. Rather, nobody stopped these people from going down a route of retardation. So the person spends the age from 15 to 30, compartmentalizing a mistake done earlier. And saying "Fuck you god" at every turn of their life for not changing earlier.

Because guess what, except Satan (whose name is Truth) nobody else is concerned for people to understand any Truth. At all. The world is based on lying and works around lying for centuries now.

The same thing happens spiritually. 90% of people do all talk, and claims. No action, no work, and no advancement is given. I have met over 200 supreme Gods behind PC screens, writing in incoherently too, all these years. Materially, they can't even tie their own shoelaces, even-though they hold the keys to even immortality as a few times has been claimed. As they become saggy and grow, they realize they weren't Lionel Messi or Akhenaton or something. This is a disturbing experience.

When there is urgency and they need real spiritual power and help, it's just not there. Why? **Because they devoted their time shitting themselves instead of advancing.** The fast route to advancement is to advance, not bullshit yourself. This is weakness manifested in the reverse direction of lying to one's self all the time to fill a void, to fill gaps in the soul.

You don't need crap to fill the above. Just work for a greater vision and it will fill you. Advance and you will be powerful without needing false reasons for it.

Knowledge is disrespected and discard by those who are not wise. I notice for example, people throw around to outsiders or people they don't know, about the greys and the reptilians. Of course, making themselves sound completely, flat out retarded. In other words, this is like going in the face of someone and mumbling strange mantras you learn at your initiation. You will be taken as a retard, a cult, a fool, and worse.

Let me put it that way. Between a retard who thinks they are supreme overlord of the cosmos and is worthless, and a simple magician in the woods who is in tune with nature and experience, they can destroy the retard at one go. Let Wiccans and others be in deception. Spiritual Satanism is for Truth.

You're a human, you're practicing the arts of the Gods, you're their children and initiate, you're partaking in a great spiritual war for the liberation of humanity, that most people cuck to even think about solving. There is no need for further fuss. You're amazing only at that. Now further amazingness is attained by overcoming obstacles, and by working to advance yourself and in general.

Importance is not built over vain ideas, or even past life memories... It has to be maintained, it has to be furthered, it has to grow again, it has to be kept alive, so to say. Anything that keeps you from advancing is an enemy, even if it's the sweetest deception ever. So long it acts as a cripple to your advancement, it has to be left to wither away.

As for past lives, they will come to you, so to say, without the need of necessary deception. The important thing is to grow. All people when they become reincarnated, they forget (this is done by evil entities mentioned in Judaism, which are angels of the enemy basically) people do FORGET about things. The jews further this by channeling deception in the world, and spiritual blindness. We are fighting this.

Keep a critical eye about anything. Satanism is about keeping a critical eye. Your first priority is NOT to deceive yourself, but to ADVANCE by applying the knowledge. Make believe stories and crap doesn't make one a God. WORKING TO BECOME ONE IS WHAT MAKES ONE A GOD...

Thinking you are important and entitled will not make you entitled. Advancement and progress will.

Now when one knows the Truth, there is a sense of urgency. We see this world from above, and in more than one ways, it is sinking. This sight is extremely consuming, but you need to learn to keep your cool, and remember the Gods also are in control of the situation too. I understand it completely, and everyone of us feel the same. I do, you do, and everyone does. If you do not, you're not really getting what's at stake. This doesn't justify the above.

Lastly, if Satan wanted people to be thinking they were astronauts or "Gods" without being as such, he wouldn't have me here writing this for all of you. We are human, and we are here to fight off the analogous enemy, which is the humanoids of the enemy. In other words, let the Gods do their job, and we do OURS. The 'heavenly' matters are for discussion and because Satan wants people to know a larger image. Not because he wants them to actually waste their time thinking they are princesses.

In other words, knowing something doesn't make you worthy of it. It makes you worthy to be worthy of it, apply it, and give it the necessary respect.

Those who don't do the above, will be delayed from seeing Satan's Powers, promises materialized, and his knowledge. This is sad, as people are delaying themselves.

Treat the knowledge with sanctity, and respect. The Demons too, if you ever wish to know the 'real powers' so to say.

Apply the power of Truth and seek TRUTH first and foremost, for Truth is power, and not power in itself Truth.

Lastly, the most commendable thing that all spiritual people get in, is the alchemical period of Chaos. This period is filled with doubts, delusion, or paranoia (depending on the negativity or instability and issues each person harbors in themselves to begin with). After this period the practitioner raises as if from the dead, and he is a new person, which is capable of taking destiny in their own hands.

HAIL SATYAN!

Subject: Satan And Why The Jews Hate Him			

Satan And Why The Jews Hate Him

The Swastika is the ancient symbol of Satya the ancient name of Dharma. And as we will find Satya is a spelling of Satan. Its the symbol of Eternal Truth.

The ancient Kabbalistic text the Sepher Ha Bahir, calls Satan..... Sata and also Vasata as His name. The Jews reverse letters and words many times to hide things and cause confusion in their texts such as this.

Sata is a Sanskrit word its the full spelling of Sat, which is the highest name of God. Sat or Sata in Sanskrit the original language:

Sat (Sanskrit: ■■■) is a Sanskrit word meaning "the true essence and that "which is unchangeable" of an entity, species or existence.[1] Sat is a common prefix in ancient Indian literature and variously implies that which is good, true, virtuous, being, happening, real, existing, enduring, lasting, essential.[2] In ancient texts, fusion words based on Sat, refer to "Universal

Spirit, Universal Principle, Being, Soul of the World, Brahman".[3][4]

"Sat has several meanings or translations:

"unchangeable"

"that which has no distortion"

"that which is beyond distinctions of time, space, and person"

"that which pervades the universe in all its constancy"

"absolute truth"

"reality"

"Supreme Entity"

"Brahman"

"Sat is the root of many Sanskrit words and concepts such as sattva "pure, truthful" and satya "truth". As a prefix, in some context it means true and genuine; for example, sat-sastra means true doctrine, sat-van means one devoted to the true."

Vasata is actually Satava which is another listed spelling of Satva in Sanskrit. Satava, Satva or Sattva is in Yoga the state of spiritual perfection and enlightenment. That comes from finishing the Magnum Opus.

Satvan which in Sanskrit is also Satva as stated also means one devoted to Sat, the Truth. This also means to spiritual enlightenment and the supreme spiritual reality of all existence. Devoted to Satava the highest state of spiritual purity and transformation.

In the Kabbalistic texts the Jews state this Vasata [Satava] is that which turns people aside from Jewish control. And this is why they are against Sata. Which in Sanskrit is also Satan the nasal sound is placed on the end of this word and it means perfection, enlightenment.

This is why Satanama is the highest mantra of Kundalini Yoga. Satanama means Sata is the nama [name] of the highest God who is Truth, Sata.

So right in the ancient Jewish texts we can see why the Jews hate Satan. The Jews admit they are the enemy of Truth, goodness, spiritual enlightenment, spiritual purity the golden age and all mankind. Remember the Torah starts with Yahweh cursing Adam and Eve for working towards spiritual enlightenment and the perfected state. This is the original sin of the Goyim in Judaism. So its not a surprise when their texts reaffirm this. It was Yahweh who cursed Humans to grow old, die and suffer. It was the serpent the symbol of Satan who showed them how to ascend to the light body state and become their own Gods and have eternal life, spiritual power and super conscious and rise above suffering, forever.

It was also the Sumerian texts which stated that Satana [the Chaldean title of EA] is the Father of Gentile Mankind. And the Jews affirm this in their texts they call Gentiles the Seed of Satan. The Yezidi's who state they were created by Satan and are originally from ancient India and the first People of earth, and still worship the same God of the Sumerians under the same name, Satan. State that, Satan showed humanity the science of ascension in the Golden Age. Before the enemy attacked humanity and the earth from out there. The Jews are the enemy occupation force upon this world who as the Jews themselves state they are alien souls, and alien to our Planet. They were sent here to conqueror in their own words this earth and enslave humanity. For their Reptilian creators. This is why Jews are the only race to have Reptilian genetics' with their Cohen gene. The tale of the Garden in Genesis is them attacking this planet and humanity and removing spiritual knowledge to keep humanity under slave control. Yahweh tries to curse the serpent in the Torah. The symbol of spiritual liberation, bliss and super conscious and the symbol of the Gentile religion the Satyam as it was called in the ancient world. Christianity and Islam are proxy forces of the Jews

to put the planet under their control. Both tie into the Torah and worship Yahweh and the Jewish agenda.

Enlightenment, Eternal Life and Bliss are your Satanic birth right. All you have to do is claim it. Satan is waiting for you to claim it.

Hail Satan!

Subject: New Reverse Torah Ritual for 20th and Summer Solstice			

[New Reverse Torah Ritual for 20th and Summer Solstice](#)

Greetings to all our People and Satanic Comrades.

We are going to add a new RTR. This is an RTR from the New Testament which is in Ancient Greek. We are forced by time to put this up before the Solstice, as unfortunately, the void moons today prohibit us from doing things as we would like. But if we begin today (as we should) this will open the Ritual from today, and therefore we can freely repeat it again in the Solstice.

For those lacking time, you can go straight to the Ritual.

Now what the Jews did to our Gods was a sneaky thing. In the mass unconscious we have (the mass mind of humanity in other words), the Gods have been banished. This has nothing to do with the beings themselves, but our perception and the opening of our mind and soul to them. This coupled with ignorance, attacking our own Gods, and massive physical violence, took its toll over the centuries.

Due to our mass belief, in our "Reality" as a species, we have also accepted that the Gods have been finally 'banished'. While the Jews frivolously practice necromancy, communication with their dead, call their reptilians on the top to receive guidance and so forth, Gentiles hardly can communicate. This is what has saved the Jews. Order has been overthrown in the world simply because we live in a different mini-universe based on Jewish crap, and not on real, natural understanding anymore.

This feat was not achieved by the Jews either. It was achieved by the Gentiles who, due to the enemy lies, have been mentally and spiritually closed to the Gods and our Ancestral faiths so to say. The Jews are not the source of power in anything they do, but they are manipulators and skilled parasites that have knowledge about magick which they have turned to criminality. If there was a criminal record or penalty for misuse of magick or spiritual abuse, the Jews would have, all of them, to be executed infinite times.

While Jews take extra care to not arouse any negative (for them) forces of the Demons or Gods, they of course put naive and retarded Gentiles in the front to commit their crimes for them, against their own Gods, to blaspheme them, and if possible even attack them. One example is how they robbed the tombs in Egypt, which the robbers died for hundreds of years until they finally broke in.

The Gods know who is responsible, but other curses and other pestilences put in place to fall on offenders, actually fell on people doing these deplorable acts, ie the Goyim the jews have put to do these. The jews took the loot off of the dead and called it a day, receiving only part of the damage, if any.

For this reason the Goyim are told to blaspheme the Gods, attack their own, be nonspiritual, and generally be "Christians" which is the doctrine of killing yourself forever. Expendable pawns at best. The wise jews at the top do know better than to blaspheme the Gods.

According to Rabbis, the Pagan Gods are far higher in power than their own thought-forms, and they know it, in the words of some, also MILLIONS of times stronger. But a tight hold in the mass unconscious, massive ignorance, denial of spirituality, and using people as shields in the millions and billions has helped them well. We live in our own little reality (not us here, but humans in general) with these phenomena closed outside. Only jewish influences are allowed to roam freely so to say.

Stupidity comes with a price. This however allowed the jews to walk around in one piece, so to say, and by rallying their slaves against their own Gods, they abused the relationship and love the Gods have for the Gentile people to put them in the front of this heinous crimes. This is nothing basically but taking hostages, and as such limiting the destruction that can fall upon yourself if you are a jewish bolshevik spiritual terrorist.

Lastly, this Ritual will help everyone of us (this will help open the power of the Gods into our own world so to say). From which all of us benefit immensely.

Now that the background, which was necessary, has been explained, we move on.

This Ritual is pretty easy. The only part you need to pay some attention to, is that since this is Reversed Ancient Greek (New Testament is chock filled with very important curses), you will really need to listen to the MP3. I did my best to write this in an understandable way.

Below is the Reverse Torah Ritual [mp3 at the bottom of the text]:

Raising your energies before the Ritual:

[http://dawn666blacksun.angelfire.com/Ra ... ergies.htm](http://dawn666blacksun.angelfire.com/Ra...ergies.htm)

For people extremely short on time, you can do this 3 times, but indeed every turn takes at best 2 minutes (even in the mp3 audio it was slow so to say) and therefore the whole ritual can take around 20 minutes to 15.

Vibrate the words below 10 times: [On pronouncing the words scroll below]

1. UU-SH * EE-THAM-ONO * OHT * EN * NEE-MEE * E-TEE-EES-HAT-OPY * DE-MO-NIA * AT * EE-K * E-EE-REEK * SET-NO-YEL * SARAKH *ATEM * O-EE-D * ATNOK-EEM-OHT-VEE * EE * EE-TH * NASP-ERTS-E-PEE*

After you have vibrated the above 10 times, affirm the following 10 times [Satanas-Affirmation-Satanas is one time. Aum is at the beginning and the end, only done 1 and 1 times.]:

AUM-

Vibrate SATANAS:

The Jewish influence, control and bindings on Satan and His Demons are completely untied and are now void and nullified.

The Jews, their god and their angels have lost any and all spiritual authority over the Demons and Gods of Satan.

Satan and His Demons are restored to the heavens and in full power and authority, now and forever.

THE JEWISH GOD IS OVERTHROWN, DEVOID OF ANY SPIRITUAL AUTHORITY AND COMPLETELY DESTROYED!

Vibrate SATANAS

AUM-

The above is ONE TURN and must be done 10 times for MAXIMUM effectiveness.

Close the Ritual with a big HAIL SATAN!

On pronouncing the words:

Everything is to be vibrated as you see below. THESE DO NOT HAVE TO BE PERFECT! Do not stress this, focus on the Ritual instead. Below is the Mp3 which makes everything easier.

The EE is a high EE sound (slightly prolonged).

The I is a cut EE sound.

The Y is a as in the word YOD.

Some double syllables like NP or PL, the sound is between the two letters. PL (as in Plato), NP is a vibrated N with a vibrated P stuck afterwards.

OO is the U sound.

The U is a tougher OO sound (more strongly pronounced).

TH and DH are as in Thoth, but the DH is a stronger, more powerful sound, almost at the exit of your mouth. TH is softer, more on the back.

SH is a tough SH as in SHAKTI.

You will see some H in the text. You pronounce these as a minor CH sound. As in HAT basically. Stuck vowels like RTS are RRRR-TTT-SSS, each letter vibrated individually but in rapid succession.

Mp3 for pronouncing the words.

Subject: New Reverse Torah Ritual for 20th and Summer Solstice			

[New Reverse Torah Ritual for 20th and Summer Solstice](#)

Greetings to all our People and Satanic Comrades.

We are going to add a new RTR. This is an RTR from the New Testament which is in Ancient Greek, I wrote it. HPS Maxine knows this and gladly approved this, and additionally, many thanks must go to Azazel, because he helped by giving knowledge which resulted in making this Ritual.

We are forced by time to put this up before the Solstice, as unfortunately, the void moons today prohibit us from doing things as we would like. But if we begin today (as we should) this will open the Ritual from today, and therefore we can freely repeat it again in the Solstice.

For those lacking time, you can go straight to the Ritual.

Now what the Jews did to our Gods was a sneaky thing. This doesn't involve the ET's, but how they are known to us in our little mind world to say. In the mass unconscious we have (the mass mind of humanity in other words), the Gods have been banished. This has nothing to do with the beings themselves, but our perception and the opening of our mind and soul to them. This coupled with ignorance, attacking our own Gods, and massive physical violence, took its toll over the centuries.

Due to our mass belief, in our "Reality" as a species, we have also accepted that the Gods have been finally 'banished'. While the Jews frivolously practice necromancy, communication with their dead, call their reptilians on the top to receive guidance and so forth, Gentiles hardly can communicate. This is what has saved the Jews. Order has been overthrown in the world simply because we live in a different mini-universe based on Jewish crap, and not on real, natural understanding anymore.

This feat was not achieved by the Jews either. It was achieved by the Gentiles who, due to the enemy lies, have been mentally and spiritually closed to the Gods and our Ancestral faiths so to say. The Jews are not the source of power in anything they do, but they are manipulators and skilled parasites that have knowledge about magick which they have turned to criminality. If there was a criminal record or penalty for misuse of magick or spiritual abuse, the Jews would have, all of them, to be executed infinite times.

Jewish Rabbi Admits The End Game is WW3

The EU was created by the Elders of Zion, the Warburgs, Baruch's and the Rothschild's. The Rothschild's themselves who claim they are the Kings of the Jews in their own Zionist publications. And in the Times Of Israel, admitted their family was the power behind creating Israel. Which is a Jewish state and does not allow non-Jews to live there. The Rothschild's were exposed in the last French election as the hand behind controlling France as well. When it came out in the leaks the now French leader is a puppet selected by the Rothschild's to keep up the invasion of France. The Jewish Torah tells the Jewish race to exterminate Whites as Whites are the seed line of Satan. They mention the other Gentiles are to be exterminated as well as they have spiritual and genetic connections to Satan as well. The EU project is just the Jews following the Torah.

Lets take a look from the Rothschild's front man who got the EU program going for them, in his very own worlds in his own book what the Purpose of the EU is....

The Jewish leaders such as the Rothschild's are Cohen Jews, from the Rabbinical leadership class of the Jewish race. Everything they do is from the Jewish Torah, its the Jews spiritual, ideological and physical blueprint to bring about their Messianic age that is promised to them in the Torah. Which is the eternal age of the Jewish World Empire were the Goyim nations will be destroyed in a Apocalypse style global Messianic war and the remaining Goyim made slaves to the Jewish race. Note this Rabbi admits the purpose in the long run of what is going on in the Middle and Europe is to lead to the Third World War. Which will usher in the Messianic age of the Jews and give them global control.

These Jews are following the Torah so this is what they are working towards and why Trump launched the Tomahawk missile attack on Syria, which as the news stated was planned months in advanced, on April 6th, 2017 the one hundred anniversary of America's entrance in the FIRST WORLD WAR.

This Jewish Rabbi admits in this video, the invasion of Europe is following their Jewish blueprint of the Torah and is designed to destroy the White Race and bring about the Third World War:

Keep doing the Reverse Torah Rituals its undoing the Torah which is the Jewish God Form matrix,

they are trying to manifest fully into our world. The Reverse Torah Rituals are the water of life for this planet.

Subject: Gnosticism Is Satanic

Gnosticism Is Satanic

Gnosis as a term is from the Sanskrit Jana. The term Jana in Sanskrit means Wisdom of the serpent, Jana also means to burn away to purify. The Jana's relate to the serpent moving thought the chakra's going to Nirvana which in the Upanishad's is a term for the crown chakra. And the realm of the sun, the perfected soul. This was later corrupted in Buddhism. The crown is fully opened with the raising of the serpent. Jana Yoga is stated to be based on awaking the chakra's and bringing the kundalini upwards to the crown.

The title: Jana Pandita, which means "Lord of [serpent] Wisdom" is a title of Skanda the Hindu God who's symbol is the Peacock and Serpent and was also called Sanat/Satan Kumara. The Yezidhi's an Gnostic culture that's calendar is seven thousand years old. Worship this God as Satan, the Yezidhi's stated they came from ancient India. This is Satan Kumara.

In the west the Gnostic's were Pagan's and were members of the Pagan Mystery schools. The god of the Gnostic's was the Agathodaemon, the ancient name of Zeus-Dionysus which was shown as a serpent with a crown of seven rays representing the seven chakra's, planets and vowels of creation. In the Greek Gnostic system the highest name of God was IAO which then divided into the seven vowels and onwards into the entire alphabet. IAO stands for the three trine elements of creation which relate to the three aspects of the serpent which form as the trine nadi's the sun, moon and center channel in the spine and all the seven chakra's manifest of this.

IAO is the ancient name of Zeus who is originally shown as the Korios which is from the Sanskrit Kumara. Zeus primordially was shown as colored blue, with a sacred cow, 12 cowherds and a consort named Rodha, the image of Krishna who is the northern India form of Skanda as Danielou shows in his works on the subject. This original form is Dionysus the incarnation of Zeus, who is shown the same with a Peacock and Serpent as His totems. This as the Egyptians and Greeks state is Osiris in Egypt. And the Greeks stated they came from the East, were this is Satan Kumara.

IAO is also found on the Gnostic gems of Abrasax the Pagan sun god. This symbol of Abrasax and the IAO was on the door of the Templar headquarters. The Gnostic's believed in four stages of purification of the soul which relate to the equal arm cross of the Zodiac which the Greek Pagans stated related to the whole soul. The fourth level being gold. When one became metamorphosed into a Olympian. A ascended being.

The Christian bible calls Zeus, Satan. It refers to the city of Pergamos of which was the city of Zeus were His throne was located, His Temple and Altar.

Revelation 2:13

"I know your works, and where you dwell, even where Satan's seat is: and you hold fast my name, and have not denied my faith, even in those days wherein Antipas was my faithful martyr, who was slain among you, where Satan dwells."

The Greeks also stated Zeus sent Daemon's to People to work with them in ascension. Daemon is also later spelled Demon its the same meaning. Satan and His Demons. Are the Lords of the Gnostic world. There is nothing Christian about Gnosticism. The Jews use the word Satan because this is the ancient name of the Gentile head God who to them is the adversary to the Jewish plan.

As for the Christian claims to Gnostic teachings. Its all fraud. The Jews had a major population in Alexandria and they created a Jewish rip off of the Hellenic-Egyptian mystery school of Seraphis which was the largest mystery school in the Roman Empire. The Jews created this rip off in the form of the Therapeutae. They openly admitted this as well. The character of Jesus was simply openly stolen off Seraphis [Osiris to the Egyptians and Dionysus to the Greeks] and turned into a Jewish character by fraud. The Greeks used to complain about how the Jews mocked and disrespected the rites of Dionysus and the other Gods in Alexandria. The Jews created this subversive cult to then merge it later into Catholicism when they created the Flavian Dynasty. And the agenda of the Therapeutae from their own documents was to destroy the Gentile cultures and bring about the age of the Jewish messiah. The Torah instructs the Jews to use depiction as a form of warfare.

The Christian "Gnostic gospels" people are going on about are just a first wave of cultural subversion of the Jews trying to inject their God in a form of Jesus into the Goyim culture as a form of cultural warfare. The Jews of Alexandria also used to petition the Roman Emperor's to demand the admittance of Jews into all area's of Greek life in the city because they were barred from such in many cases. And also to demand the Greeks not be allowed to have any institutions allowed for their own Greek race. Including demands to send foreigners into the Greek area's. But that the Jews be given special rights to have their own institutions and areas only for Jews. The Jews never change. Its the same today the Jews push for open borders and race mixing for the Goyim but never Israel, Oy veh!

The Jews were trying to destroy the superior Hellenic Gentile culture and Races in the area. The Jews also murdered 100,000 Greeks on their uprising in Cyprus. To which after the Roman Army restored order and wiped all the Jews out in Cyprus, no Jew was allowed on the Island on penalty of death.

Remember Hellenism was the universal culture of the Roman Empire. The Romans also used the Greek Gnostic system for their own and had the same Gods. During the Greek Empire the Greek King Antiochus IV Epiphanes had banned the Jews from reading the Torah in their synagogues under penalty of death. The Greek rulers were adepts and knew the Torah was nothing more then a most evil book of Jewish witchcraft that was based on cursing the Goyim to death and destruction and causing all kinds of evil and calamity. The Romans would ban the reading of the Torah and burn the Torah scrolls for the same reason. The Greek King tried to remove Judaism from existence by assimilation into Hellenism. They realized its danger to the rest of Mankind.

Many Jews just pretended to become Hellenized and used this as an opportunity to subvert the culture from within and make open war on it were it could. Like the Maccabean war. And war by deception in the form of Christianity which was the kiss of death to the Hellenic world and Roman Empire. From the Jewish assassins that created it. Over fifty million people were killed by Christianity just in Europe alone during its centuries reign.

The Jews used Christianity to remove all spiritual knowledge from the Gentiles and overthrow the Gentile cultures and wipe away their civilizations, thus their very memory of themselves into a world were only the god of Israel is supreme. But the Jews kept this spiritual knowledge for themselves and altered this into something toxic to fit their alien soul, in the form of the Kabala which scholars and also Rabbi's have admitted is from the ancient Greek Gnostic schools such as the Pythagoreans. This power has allowed them to become the rulers of this planet. This is why the Jews only rose to power after the enforcing of Christianity onto the world. Not before. These Christian fools today are embracing the poison apple of the ancient Jew to their own native cultures with a fake Gnostic Christ.

What the Jews did the Roman Empire with Christianity they would later due to the Russian and Chinese Empire's in the form of Marxism.

Subject: The original name of the ancient world religion was: Satya.

The original name of the ancient world religion was: Satya.

"The true Dharma is the Law of Truth-Satya-Dharma.... The Divine Truth, Satyam , as the Vedic Rishis saw... The Rishi's pray for a knowledge of the Law of Truth-Satya-Dharmaya. It was the Truth-Law which all sages and seers of the Vedic period sought to know and work upon."-Swami Sivananda

The Vedic period was the golden age, called the SAT yuga of humanity.

This holds the meaning right in the world. Satya is also Sataya in Sanskrit. In Sanskrit the YA or YAE means "I have become". Which is attached to the mantra of the deity name such as Ramaya. "I have become Rama".

Sata means eternally pure and auspicious, that which is forever. Sata, means "The Saviour God". And is the name of the highest God in Sanskrit the original language of humanity. Satya means "I have become eternal." The point of the ancient religion was to achieve the ascended state by finishing the transformation of the person to the purified state of the light body by the fires of the kundalini energy the serpent energy which takes a person to the perfected state, Sata. The Jews called Satan, Sata in their ancient Kabala texts such as the Sepher Ha-Bahir.

Satya is also the name of Sat, Sata which the traditional YA on the end to form the classic deity name mantra in Sanskrit.

Sata was also spelled as Satam, Satan in ancient Sanskrit and also means 100. The number of spiritual perfection and enlightenment. This relates to the sound vibration to open up the crown chakra and third eye. The full opening of such allows one to obtain super consciousness where they can know the Satya Dharma. The Truth of existence on a cosmic level.

Sata is the name of the head god in the East, ancient Egypt and Sumeria.

The Jews state in their Torah and Kabala that Sata, Satan is their enemy. The Jews are the enemy

of Truth. Which do you choose to be?

Subject: Time - By HP Hooded Cobra 666

Time - By HP Hooded Cobra 666

Many people don't really respect their time. This is something, especially teenagers and other younger people need to learn to adhere to.

It's been a few months I wanted to make some updates in Azazel's Marketplace, didn't have the time. Wanted to study about some important things, didn't have the time. It's only when we lack time that we understand it's important, and it's easy to get carried away by life. Modern life is a pure chaos, and the more responsibilities one does have, the less time.

One thing I wanted to state just in case people see my videos and they question themselves if these are work, this is not really work. This is my recreation "personal" time that is going in the videos. In other words I receive sardonic laughter everytime the enemy goes nuts and recreation by doing this. It's enjoyable. Even my recreational time involves doing something at least partly useful. This doesn't involve work, errands, spiritual work, material responsibility, then groups, forums, studying, writing, any other work required of me and so forth.

It never ends, but the key is not seeing where it 'ends' because it doesn't. But get your mind adjusted to the idea of eternal forward going instead. You can't eat only once a month, and having to eat more times is not limited or negative, it's just how it is, for example.

Anyone can do this, that is, to spend their time wisely and in a good way for them. One example is how one may have a job that lasts hours and is menial. It doesn't take much to take an earphone and listen to an audio-book if the job is something menial, for example. Or think to your own mind or even meditate. This is nothing too difficult to do. Of course so long this is allowed and you're able to do this.

Any serious Satanist needs to learn to manage their time, and not waste it on pure drivel that is only meant to dilute your energy with nothing accomplished for yourself, your spirituality or the world. If it doesn't make you grow, it more than likely makes you shrink, or at least doesn't grow you. This is how you should judge the good habits from the negative ones.

People who have time and just waste it, neglect it at a later point in their existence, because they could have advanced, they could have studied, or anything else. The only thing that is important is life is time, and we also don't get money directly, we get time. Rotten as this is, this is a reality.

Time invested correctly can give you more time and benefits in the future, and of course, if you are a devoted spiritual Satanist, it can also put you BEYOND time, which is the meaning of the Magnum Opus. This is the defeat of the grim reaper which is known as time, or the wasting principle in nature. It's not really time that is evil, but the negative aspect in creation that severs things as "Time goes".

We are fighting against decay on a very basic level, and this is the teaching of Satan, to overcome it.

Subject: Reverse Torah Ritual Schedule [July 2nd - July 14th]			

[Reverse Torah Ritual Schedule \[July 2nd - July 14th\]](#)

Greetings to all our People and Satanic Warriors!

What can be said about this schedule? This is going to be one very hardcore defeat for the enemy. This will really set things forward so to say.

Our Gods want to give us a lot of things, including far more extensive guidance, power and benefits. However because the mass mind acts as an obstacle, this is not the case. Instead, we live in the spiritual game of the jews. However this will work on seriously changing this. For this reason this Schedule will be 12 days for now, as to not show what will happen after the schedule. A new cycle will begin after these, we go with cycles as you have seen in the schedules. The astrological patterns are also tying into this.

The Demonic Authority must be consolidated and to be made into an immovable mountain. This has to be done by extremely violent spiritual warfare. We have to impose this in the mind, and from there on, Satan and the Gods will do the rest.

Maybe the enemy doesn't really respect the "Goyim" anymore, and they consider them trash, however the Gods that have trashed their own 'chosen' race and driven them in the fire, metaphorically and/or literally, are just laying in wait to exact revenge for whatever has been committed against themselves and also against their people.

In other words, let's just open the door of this silly and closed mind of this cattle that is today called 'humanity' (for lack of better wording) and let the purgatory begin finally...

Lastly, it's to be stated that those who watch the "News" can see that the RTR's are manifesting in many ways. The enemy gets a beating. Also, they control the news, and those in the top can see the fluctuations and changes way better. In other words, our observatory ability is quite limited compared to this of the enemy, who understands the importance of what is being done, and replies equally with spiritual warfare on their own behalf.

They are far more aware of the "Satanic Times" than 'we' are, from this standpoint so to say. For example the headquarters of Google know very well what is the percent of people searching for this or that, in the world. They have an actual and frozen statistical image of where this world is going. The average person doesn't have this. Equally so exist other means of such insight.

Here is something to cap this:

Schedule Notes:

1. Because the Demonic Authority RTR takes some time compared to other Rituals, you can reduce the repetitions down to even 3. However, the 10 is the actual number of power. If you can't go for 3, then you have to go to 8. The affirmation must remain on the ten.
2. The 42 is a really important ritual and doesn't take all the time in the world. Even in the days missing, it can be done. It all depends on how you space your time.
3. Do you want to cause massive pain? Don't worry. 72 and Demonic Authority are your friends. One couples the other into a feat of impeccable disaster, not known into the ranks of the enemy for thousands of years.
4. You will see after the second day, you will start to be far better than you have been before. Problematic conditions for the children of the Gods are basically a product of our Gods being closed out of this silly jewtrix. When this is reversed, this is the most positive thing for us and the most damning for the enemy.

The whole game of the enemy was played upon this, to cloud the sun, play pretend and cover it so that the victims don't see it. But when the sun comes close even if you are blind you *WILL* be burned...

5. No auras of protection, nothing can save the jews, no Kabbalah, and no 72 name, if the Gods do break into from the mass mind of humanity. It's the power of the mass mind and the Goyim (The progeny of the Gods) that acts as their only shield against judgement and destruction.

Subject: How to Attain Balance and Advance Fast			

[How to Attain Balance and Advance Fast](#)

This is important and I want to be very simplistic in this post to get the point across. The point in Yoga (or meditation at large) is not to give yourself bursts of energy until you remain senseless. Power comes as a result of power, and to successfully advance spiritually, you need to always remain in a sense of balance, or at least know how to maintain it.

Every meditation session must end with a balancing meditation. This can be hatha yoga to ground your energies, or some hatha with some of the things written below. This is why the most important things are balance and persistence.

We can do some meditations that will knock us senseless, when we are spiritually open. This is not really the whole aim. This is not the hard thing either. The challenging thing is to actually tap into this power, incorporate it, and become a balanced conduit for it.

If you feel out of balance, you can control this by doing Hatha Yoga. This must be maintained daily. If there are imbalances that can't be fixed with Alternate Nostil breathing and Yoga, you can also add the chanting of AUM for 5 minutes a day. The sounds must be distinct. You open your mouth, do A, and then slowly close the mouth, automatically producing AUM.

If you have serious imbalances, you need to do SATANAMA for a solid 10 minutes a day. Really relax and melt into it. There is no way that these, if continued for a solid period of time, will leave you without balance. If your case is extremely severe, then use the rune ISA to attain this. ISA will slow down the processes in a necessary fashion for you to maintain control.

Part of being balanced in finding the balance between the material body, the mind, the emotions, and the soul/spirit. Meditation works on the soul and all the bodies. Having a sane mind that is deprogrammed from things that cause you ill, is the healthy mind. The emotions can be healed by meditation in itself, and lastly the material body has it's own balance such as the hormonal.

All these come in unity when you meditate, and all of these are rectified, but a particular part may need particular attention. Your meditation advancement will highlight where the problem is.

When your energies are well aligned, then naturally you will gain control of mind. This will help you advance very quickly. It's balance that will do this, and this is the only thing that will breed a real and lasting sense of power.

Subject: President Nixon, Vice President Agnew, Fought Against Jewish Media M			

President Nixon, Vice President Agnew, Fought Against Jewish Media Monopoly And Jewish Power

Vice President Agnew who fought against the Media Monopoly which made him famous made this speech to the American People in the summer of 1973. After this the Jews swarmed in on Agnew's and forced him to resign from office.

Vice President Agnew

The speech that cost Agnew his career:

Vice President's Agnew's address:

"The people who own and manage national impact media are Jewish and, with other influential Jews, helped create a disastrous U.S. Mideast policy. All you have to do is check the real policy makers and owners and you find a much higher concentration of Jewish people than you're going to find in the population.

By national impact media I am referring to the major news wire services, pollsters, Time and Newsweek magazines, The New York Times, The Washington Post, and the International Herald Tribune. For example, CBS' Mr. Paley's Jewish. Mr. Julian Goodman, who runs NBC, and there's a Leonard Goldenson at ABC. Mrs. Katherine Graham owns The Washington Post and Mr. Sulzberger The New York Times. They are all Jews!

You go down the line in that fashion...not just with ownership but go down to the managing posts and discretionary posts...and you'll find that through their aggressiveness and their inventiveness, they now dominate the news media. Not only in the media, but in academic communities, the financial communities, in the foundations, in all sorts of highly visible and influential services that involve the public, they now have a tremendous voice.

Our policy in the Middle East in my judgement is disastrous, because it's not even handed. I see no reason why nearly half the foreign aid this nation has to give goes to Israel, except for the influence of tis Zionist lobby. I think the power of the media is in the hands of a few people...it's not subject to control for the voters, it's subject only to the whim of the board of directors.' -Vice President Agnew, from Newsweek, Vol.87 1976

President Nixon spoke about this same topic which came public with the Nixon tapes which President Nixon recorded all his conversations in the Oval Office.

From a taped conversation on February 1, 1973 on the subject of Jewish control of the media. Between President Nixon and Reverend Billy Graham were they talk of the Jewish stranglehold on American media:

Graham:

"This [Jewish] stranglehold has go to be broken of the country's going down the drain."

Nixon:

"You believe that?"

Graham:

"Yes sir".

Nixon:

"Oh boy, So do I. I can't ever say that but I believe it."

Nixon mentioned during these conversations he wanted to do something about the Jewish power monopoly over media and political power in America but he wanted to wait for a second term. Nixon had drawn up lists of powerful Jewish elitists in the media, and other key power positions in America for the FBI, CIA and IRS to go after. The Jews found out about Nixon's planned purge of their anti-American cabal and swarmed down on Nixon and made sure his career was ended. Nixon had been close to McCarthy who went after the Jews and their Communist subversion of America. The Jews destroyed McCarthy for the same reason.

Of course when this came out in the media years later Graham cucked down and grovelled like a good Christian before his Jewish masters. He went as far as stating he will crawl to the Jews on his knees and beg forgiveness. That is how much power Jews have they can make the most powerful man in the Free World. The American President terrified of them and their media control and power monopoly and have the most power Christian Leader in America crawl before them on his hands and knees. And ruin the career of a Vice President.

Subject: 10/July/17...Something to Know			

I'm making a point of posting this for our younger members and parents of teens, and young adults who might be considering or persuaded into joining the military.

Back some 30 years ago, I was in the Army. Things were bad, but nothing as bad as what is happening today.

"...after lunch recruits were made to drink water until they vomited. Then they were made to do push-ups in their own vomit."

This news article got special attention because the victim was an American born Muslim, but this sort of thing unfortunately is prevalent. Also, just be aware that not providing the correct answer (what they want to hear) when asked regarding religious affiliation will often put a recruit at even further risk, regardless of what they claim the rules, what is legal, etc, to be.

Just be real well informed, NOT LIED TO BY RECRUITERS, if you are dead set on joining the military.

This is not training. This sort of systematic abuse, actually TORTURE, will create serious life long psychological problems and ruin one's physical health as well.

Given the Jewish domination of the media, endless TV commercials, magazine ads, movies, etc, focus on promoting insanity, mental illness, prescription drug addiction and related. "Call your doctor" "Ask your doctor." Incessantly repeated to imbed this into your mind and soul.

Now, in addition to our youth being pushed into addictive prescription drugs by Jewish doctors, being exposed to sick garbage being pushed on young minds in many of the schools, what is happening in the military to our youth is abominable.

Civilization is breaking down...

This is not just one. I told a coworker not to join the Army. This was back in the late 90s. He wrote me and told me I was right. He eventually got out on an early discharge due to physical disability. He was most relieved to have gotten out.

Recently, another young man who joined the Navy who is a Satanist, got out after just a couple of weeks into training.

Also, for those of you who are veterans or ext military, please bear in mind what is going on today is for the most part very different from say, the "Brown Boot" Army, etc. Times have changed...

The article from the link below is exceptionally long. Just note the excerpts I have from it below and if you are even considering joining, THINK REAL HARD!

<https://mobile.nytimes.com/2017/07/06/magazine/how-the-death-of-a-muslim-recruit-revealed-a-culture-of-brutality-in-the-marines.html>

"I feel like they're really good at lying," says the lance corporal, who was sold on the corps by recruiting videos that presented the Marines as "badasses" on humanitarian missions to save refugees or deliver food and water."

The rest of the intake process, known as "receiving," follows over the next few days: buzz cuts, boots, uniforms, shots. They are given physical-fitness tests, fed what most describe as truly awful food and ordered to perform seemingly meaningless tasks, like standing at attention while holding their heavy gear in front of them until their arms give out, or sitting cross-legged and motionless on the floor for hours. Some Marines I interviewed recalled being kept awake for nearly two days after arriving. "All you can think about is sleep," one said. "Those are the main tools: fear and sleep deprivation."

(The above is the normal and usual). The cross legged probably replaced the standing for hours (toe to the other person's heel in front of you), as too many would faint. Drill Sargents always warned about not locking the knees out. The above like I said is usual though. Read on...

Since 2014, there have been 24 official hazing investigations on Parris Island, half of them substantiated. There is a perspective on the base "that somehow you can make a better Marine by beating the shit out of him,"

"In 2005, a film crew from a South Carolina TV station inadvertently caught a terrified-looking recruit named Jason Tharp being hit by a drill instructor at the Parris Island pool. The following day, Tharp drowned during water-survival training; his drill instructor was charged with negligent homicide (and later acquitted).

2011, a Parris Island drill instructor was sent to the brig for more than a year after he was found guilty of ordering one of his recruits to record a video of himself masturbating on the D.I.'s cellphone.

The next year, a trainee received second- and third-degree burns to his buttocks requiring skin grafts after his drill instructor ordered him "to perform unauthorized exercises under an upside-down laundry bin on a floor covered in bleach," according to Marine Corps documents. The D.I. was court-martialed in 2014, having been turned in by his senior D.I., who himself would later be court-martialed for ordering his platoon into the showers and making them run in place, while thickening the air by pouring bleach down the drain. After these stories broke, some Marines recalled the routine nature of such punishments and how infrequently they were ever brought to light. "Reporting it would have gotten nowhere," a onetime Parris Island recruit, who claimed that he was made to scrub the floors with pure bleach, wrote in a Reddit thread in 2014. "I saw too

much other stuff get swept under the rug."

"The Beaufort Gazette in February 2015 revealed a "staggering level of misconduct and recruit abuse," with recruits reporting that they were choked, kicked and punched in the face, and that they had their heads slammed against walls."

On March 17, Platoon 3042 received instruction on Marine Corps mixed-martial-arts punching techniques. According to the Marines' report, recruits in Lima Company were instructed to throw a "flurry of punches" as hard as they could, and not to listen to their instructors' directions but instead "just to keep punching." It was routine, recruits later said, for their drill instructors to pair bigger or stronger recruits against the weaker or poorly performing recruits. During the March 17 drill, recruits were punched repeatedly in unprotected parts of their body, including their jaws. One sustained two broken ribs. The abuse, according to the report, caused one recruit "to cry during the event." The platoonmate believed one of the targeted recruits was Raheel, but he can't be sure. "It's really all a blur," he says. It was only Day 4. Many recruits didn't even know one another's names. Terror caused them to avoid making eye contact. "Lots of stuff happened while we slept," he says. "Or in the dark."

At around 2 a.m. on March 18, Raheel woke up his bunkmate. He was in pain, he said. We're all in pain, the other recruit told him. Two hours later, the recruits awoke and prepared to sound off before leaving for chow. Raheel pointed to his throat and silently mouthed words. When two D.I.s started yelling at him, Raheel handed one of them a note. "This recruit has to go to medical. This recruit's throat has been swollen for three days and is getting worse," it said. "This recruit also coughed blood a few times last night. And this recruit completely lost his voice and can barely whisper. This recruit's whole neck is in a lot of pain."

"after lunch recruits were made to drink water until they vomited. Then they were made to do push-ups in their own vomit." revealed a "staggering level of misconduct and recruit abuse," with recruits reporting that they were choked, kicked and punched in the face, and that they had their heads slammed against walls.

"During the day, platoons were put through the standard exhaustive physical and tactical training, interspersed with classes or informal discussions on moral courage in battle. But the real making of Marines went on at night. When darkness fell, a D.I. would sometimes dump a bottle of Gain detergent on the floor and order recruits, both hands on their wooden scrub or "scuzz" brushes, to run across the length of the squad bay in a bear-crawl position, an exercise that they timed and called the Indy 500. Other nights, the drill instructors would create what they called a "hurricane" by dumping everyone's things on the floor, sometimes covered with detergent, sunscreen or shaving cream.

Over the months, recruits in the battalion lost consciousness, were revived and never told a soul. A few developed life-threatening rhabdomyolysis, a rapid breakdown of skeletal muscle tissue, often caused by overexertion."

"...after lunch recruits were made to drink water until they vomited. Then they were made to do push-ups in their own vomit."

"On July 14, 2015, Felix and several other D.I.s entered the squad bay in the middle of the night. It appeared they'd been drinking in the small office, or "D.I. hut," at the far end of the barracks, where drill instructors on night duty sometimes slept. Felix was so drunk "he might not have known what he did the next day," according to one member of Platoon 3054.

"Column left!" Felix and another D.I. marched him into the shower room, where, as Bourmeche would later tell investigators, the drill instructors turned on the water and made him do push-ups, high-knees and crunches. Then, when he was thoroughly wet, they marched him into the laundry

room.

"Get in the dryer." Bourmeche folded his six-foot, 157-pound frame into the Speed Queen. Felix said that the Marine Corps has "a way of weeding out spies." He continued: "I'm going to find out who you really are." Then he closed the door.

Felix ran the dryer for half a minute and opened it.

In the squad bay, Weaver and the others, ordered out of their beds, were pushing a recruit around like a scuzz brush. They heard Bourmeche's body thud as it hit the bottom of the dryer.

A half an hour later, it was over. Bourmeche, damp and shaken, was told to go back to the squad bay. As he was standing by his bed, a D.I. approached him. "It's pretty effed-up what they did to you back there," he said. Bourmeche agreed. "You're not going to tell a senior drill instructor about this, though, right?"

No, sir," Bourmeche answered.

The next night, it happened again. Felix told Bourmeche to hand him his martial-arts belt. He tied Bourmeche's shoelaces together, then took the belt, wrapped it around Bourmeche's neck, strung it under his laces and tightened it so Bourmeche bent at the waist. "Are you a terrorist?" Felix held the end of the belt like a leash. He began to walk him like a dog."

"Weaver, one of the platoon's highest-performing recruits, was shaken. During a family picnic just before his graduation, he told his parents that "crazy stuff" happened during training. "I can't talk about it here," he said nervously. "After we get off the island, we can talk about it."

Though it would be tempting to blame the allegations of abuse on a few Marines — the "few bad apples" theory — Raheel's platoonmate told me that rough practices in his platoon continued long after Felix and his drill instructor team were replaced, the very next day, with another team, and after that team was later replaced with another. The message, he says, was "the D.I.s could pretty much get away with anything. Let's say you did report something. They'd change the D.I., and what happens after that? Another D.I. who presumably was friends with the prior D.I. is going to make your life hell."

"He had believed the Marines was an ethical organization. Then a D.I. bashed his head against a wall for seemingly no reason."

"Suicide threats are common during the early weeks of boot camp, though how many are serious is unclear. "Everyone knows saying you're suicidal is a ticket off Parris Island," Raheel's platoonmate says. Sickness or broken bones, on the other hand, will get a recruit a long stint in medical, after which they will simply be assigned to another company and start training all over again."

'Once, the platoonmate recalls, Felix stuffed a recruit in a footlocker. Another time, he made a recruit eat nothing but Jell-O and mashed potatoes for a few days, and threatened that if he didn't improve, he'd have to stuff him in a locker, too. Choking recruits until they were gasping for air was common. Some of the D.I.s, the platoonmate suspected, were almost as terrified of their senior D.I. as the recruits were. One drill instructor, he recalled, became so ill that he projectile-vomited all over the squad bay while simultaneously yelling at the recruits after he himself had been screamed at by Felix moments before. "We never knew if it was blood or Gatorade, but he's vomiting this red stuff while screaming, and we were like, What is going on?"

If you want to be strong, trained, etc, go to a gym regularly, join Martial Arts classes, take up gymnastics, learn about weapons, take training, but STAY OUT of the military.

No one has a spare mind or spare body and we cannot hit the rewind button on our lives.

From now on I will make sure that this channel fares better, but honestly they seem to have this on the bulls-eye already. However what's important is that I get videos up, and that we can download, circulate and spread them so the info can exist.

We must NOT CEASE FIGHTING THE WAR OF INFORMATION... This is the day Satanism dies. Otherwise it never will. The enemy has worked for centuries for Satanism to never be represented and for Satanists to not have a voice. Every single bit matters. Just keep the information out there for everyone, and let the Truth do it's job...

Thanks for the support fellow Comrades.

Subject: Political "Solution"			

Political "Solution"

I will write this in regards to those who look right now for a solely 'political' solution. At best, you are deluding yourselves. I will explain frankly and shortly why.

In order for any 'political entity' to exist, there have to exist other powers and grounds before it. Hitler did not descend upon a spaceship and entered the Chancellery. This is simply NOT how this world works. It works based upon patterns which have to be followed.

The jews have hidden the reality of how things work, and how reality works, especially in the political level. "Goyim" are reduced to either studying nonsense, or believing in nonsense, and therefore, expecting nonsense.

There are four types of power in society. Military, Financial, Political and Intellectual, "Religious" too. The enemy largely controls all of these powers.

To give a figurative and fast analysis, Intellectual power is publishing (they control most of it), schools, universities, and all the places where people 'learn'. Therefore, this is a frontier where there can still be a warfare for us to take over. For anything to exist, there has to be some intellectual ground. Hitler's ideology and other things, were supported by their time, things like Eugenics. There was an intellectual wave going on, long story short.

Then, we have Military power. If we take an example such as the USA, the USA is ruled by Jews. The USA military could easily pull a coup anytime, and regain control of America, for example. It has a giant, and very powerful military. However, thanks to the little book the Jews created, the Bible, 99.5% of Military is mentally, spiritually, and materially obedient to the government and the Jews.

The situation in Europe is that basically many countries do NOT have any military power whatsoever, like Germany, which hardly has a military now. Therefore, pipe-dreams about taking over the military are still non-functional. Hitler had military power, both in the paramilitary, and because of many people who fought in the war. The existence of the Paramilitary was created due to WW1. Now people mostly just know to shoot guns from PC games like Call of Duty, or things like that. That's all they know.

We also have Financial power. Financial power doesn't need much conversation. Hitler had financial backing from industrialists of his time, all of which were Gentiles, Nationalists, party members etc. Any political entity to operate needs funding, to state the obvious. These Nazi suits won't sew themselves. The Jews are very hard on this, and we have banking and many other powers playing here. Financial power is control of the resources of a civilization, and it's building blocks.

Lastly, and only if the above factors contribute, and from their interplay (there is 'chaos' and the 'unforeseen' which also deals with these), we have lastly forming political entities. Therefore, political entities have to come from 'within' the system (this is the case of these fake Nationalists they push now), or they have to form by the system in some way breaking, *OR*, lastly, the people co-coordinating and forming these, have to at least exist in the system somehow. Otherwise, the system has to have received a huge shattering. This is in the granted people have any of the above powers, they put them together etc.

Political power is the LAST of all powers, and it can never manifest in a pure way unless there is backing and some control to either or any of the powers above. Yes, political power can come from outsmarting and playing the Jews in their own game, but few if any people are and would be doing this.

Most people conversation about such 'solutions' are unspiritual 'Goyim', blind, stupid, undereducated, and they don't have the natural talents to carry off this thing. They also have a big mouth to push away other potential candidates that do. Because this is part of how the system works. It's based on a cycle of endless corruption and stupidity.

Essentially, this is impossible, especially from people whom you see having sex with kikes, bloating worship to them, and all the rest of the facts that sum up the 'political solution make-believers'. The fact that some people believe this still, is beyond any intelligent analysis of the situation, and it's just a wish to get some sudden fake ass "Deus Ex Machina" with which they will be saved.

Those people who consider that Le Pen or some other guys are clean and all that, and that Trump is going to save America, or some other Jew-trix entity will come and save them, they are at the very least infantile and deluded. History doesn't work that way. Hitler was a miracle in more than one sense of the world. The Jews know entirely of such.

Lastly, we have a few other things...Which are the most important. Spiritual power (which is what we exact with what we do) and this acts directly on everything, and is above everything. It transcends politics etc, and all this power was only in the hands of Jews. Essentially as a group of Spiritual Satanists we do have this power, and it's by wise use that are going to cause the necessary changes through which we can gradually earn in other areas.

This is the RTR's and our intellectual warfare. This bears the fruit for hijacking into any other levels, and we have to keep pushing the boat of the enemy until it flips or drowns. It's really that simple. All the other powers and circumstances needed, will, when the time is right, fall down accordingly and push us forward. But without this step one must expect *absolutely nothing*, since "humanity" lives in a normative Goyim mind/soul slavery type of life, that doesn't allow of any 'unexpected' events to happen.

It's only when Satanists flip the boat or pluck enough holes, we can expect anything to come out of it. The humans who are Goyim and cucks will not revolt or do anything, simply because, they are beaten down. If we push their spiritual backbone and we support them with warfare and RTR's, we will have glorious events happening such as so many we have caused, if not, they will succumb to spiritual power and be assimilated and destroyed.

Humanity stands for nothing if people abuse spiritual knowledge against it, and rest reassured, if we don't fight, nobody will be even remotely able to resist or fight spiritually against the (('overlords')) of this world.

The "Political Solution" is right now, the SPIRITUAL SOLUTION...That's the only solution there is, if humanity is to hope for anything else to come in the future. And you're the heralds of this solution, same as all of us here. Therefore stay focused because we have important things to achieve.

Subject: One more thing on physical training...

If you are involved in any athletics, weight training, strength training, Martial Arts, etc. If you raise your energies through meditation, Tai Chi, or related.

IT IS VERY IMPORTANT TO STRETCH!! REGULARLY.

Energy can get trapped and cause serious problems. Say someone over trains one day by doing 200 pushups of which is not their norm.

Western Medical Doctors usually lack the knowledge to handle this sort of thing. One should see an acupuncturist.

Prevention is always preferable.

Keep your body as flexible as is possible. This will keep your chi/witchpower circulating and also help you avoid and lessen any training injuries.

Subject: Re: 10/July/17...Something to Know (2)			

I also want to add here, Satan wanted me to post on this topic, as he let me know, there are a lot of our people who signed up for the military, who are literally begging him to get them out after a short time. Again... Today's military is for the most part, quite different than the military years ago.

What I posted amounted to systematic torture. The sort of thing that the Soviets did to their own psychiatric patients who disagreed with Jewish communism. There is also methods like these in the Russian military as well.

My father was in the Marines during WWII. He would talk about the training at times and how the DIs poured oil on top of water, set it on fire and sent the recruits underneath, after being trained on how to push the water back a certain way to avoid getting burned. This saved lives and had much purpose.

He also told of recruits having to stand at attention with a dripping ice cream bucket on their heads and other things. These sorts of things don't destroy one's mental or physical health. Back in those days, recruits underwent a very difficult training program, but were built up. Some died during basic, but this was not like what is going on today.

Drunken drill instructors, waking up recruits to torture them in the middle of the night and other things mentioned in the article are an entirely different matter and are quite prevalent these days.

In addition, lousy food, and intense sleep deprivation, along with overtraining, do not make for building up one's body or for any kind of health. The photos of the recruits on the article page speak for themselves. They look terrible.

Below, I'm including some workout tips, as members have asked me over the years:

As for getting into shape, most military exercises are done with your own body weight. I trained at home for a number of years and got even better results than in the gym. I loved doing both, though.

I was exceptionally strong for a woman, stronger than a lot of men. I always made a point of getting enough rest and I never trained any part of my body that was sore. I always made sure I was healed up 100% before training real hard again.

When you reach a certain level in training, you have to train harder, say one body part per day, like arms day, back day, legs day, etc.

Distance running should be done either every day or at least 3 days a week. Yes, the running track and/or treadmill in the gym is a huge help. So is a pool for swimming laps. No, home training doesn't have everything, but you can still do a lot, especially if you purchase a door jamb pull up bar. I had one in my hallway and every single time I walked under it, I would do pull ups.

If you want to add difficulty, start a pull up (Arms completely straight! Bent arms and you only cheat yourself), and pull slowly to a 120 angle and hold for 10-30 seconds, then do the same at 90 degrees, then at the top again and then do it coming down.

The same can be done with pushups, holding halfway up and down.

If you can get some real heavy chairs or put weights in the seats of the chairs, these can be used for dips.

Martial Arts horse position strengthens legs. Most libraries have books on Martial Arts. Practicing certain kicks and solo moves, all one needs is consistent repetition. Of course, lacking a practice partner can be a problem at home, but again, much can be accomplished any way.

I used to train by the 10,000 rule. Take a movement, say a side kick and do 4 sets of 25 = 100 for one day. Do this every day until you reach 10,000. Everyone who trains should keep a training diary. It is essential.

Gymnast Nadia Comanici did walkovers on the balance beam 10,000+ times.

A heavy bag, if possible is an excellent addition to home training. Different punches, boxer's workout for upper body endurance/aerobics.

One of the very best for a home workout is:

<https://www.amazon.com/Navy-Seal-Workout-Compete-Total-Body/dp/0809229021>

It appears to be deceptively easy, but try doing it. The abdominal section put a six-pack on me in my late 30's after having three kids, and a hernia from the last pregnancy.

Now, here are some videos for a home workout, focusing on abs and core strength:

<https://m.youtube.com/watch?v=1RwggYQpWp8>

<https://m.youtube.com/watch?v=K7EyZ9h4NXoCA>

<https://m.youtube.com/watch?v=hlQQQHsl1CA>

These are shown in fast motion, but should be done slowly. If you are new, start out with 10 reps each and ALWAYS keep your back rounded and shoulders off the floor when doing kicks, leg flutters, etc for abs:

<https://m.youtube.com/watch?v=FZ8rPFtBVbc>

<https://m.youtube.com/watch?v=G9WYd3PXxCA>

I've trained both with gymnastics exercises and heavy weight training. IMO, one should be able to handle one's body weight and establish control as well as lift weights. Weight lifting will not accomplish handling one's body weight. And on the other hand, being able to master one's body weight will result in being able to lift extremely heavy in the gym.

I remember a fitness instructor who was built like an action figure. He would always be on the pull down machine trying to get the strength to do a pull up. He never got anywhere.

Pull ups require a lot of abdominal strength. Once you master pull ups and dips, then, if you want to and have access to a gym, use a dipping belt and string several 5 lb plates, say 10 and do pull ups and dips with these, stripping the weight, one at a time after each set. Do be very careful of doing pull ups without any weights after doing these. I hit my throat real hard on the bar as I was used to the extra weights. Always go slow.

The same can be done with dips.

AND DON'T USE SISSY STRAPS!!

Subject: Wealth: Jews Vs Gentiles			

[Wealth: Jews Vs Gentiles](#)

I wanted to write something about this, to share some Truths known to all jews and the enemy,

but these are vaguely known to any of others who are Cattle and "Goyim" by definition.

One thing we observe when we read this 2000 page book that is called the Bible (depending on the printing, normally has around 1500), we see some things that we can understand deeply. Excellent book to double speak, lie, and always find something to justify just about everything from. "The Word of God". This "God" is a real weasel, but guess why? Because it's nothing but a jewish racial projection and nothing else. OF course, most teachings are NOT contained in the bible at all, which brings us into innumerable pages.

The Old Testament, is what the Jews favor and is their crown jewel. This is their "Torah", however in a greater Torah, they also have other books. The Torah is a body of teachings, not just the Old Testament, but the Old Testament is the core of the magickal book. To be swift and not brush of the point to readers, I'll get to the point.

This book named the **Old Testament**, is chock filled with:

Blessings of wealth without doing anything, also known as parasitism (Proverbs 10:22), prosperity, Scamming other nations after causing massive war for financial gain(Zechariah 14:14), even if people give financial benefits to the jews they are to be killed anyway (Exodus 11:5), advice how to give and take money, always telling jews to take care financially of other jews such as not charging any interest (Deuteronomy 23:19), financial advice (Psalm 112:5), financial relationships advice between members of the jewish tribe (Leviticus 25:35-37), showing how to scam the Non Jews (Deuteronomy 23:19-20), how wealth belongs to the jewish 'god; and subsequently to the Jewish race (Haggai 2:8), how the jewish god gives wealth (Deuteronomy 8:18), advice on how to grow wealth (Proverbs 13:11), 'promises by god' to 'lend to nations' as a blessing (Deuteronomy 15:6), how you should take false oaths as a jew and never pay back debts (to Goyim - Ecclesiastes 5:5), the Jew is supposed to kill even those who housed them simply because those who housed them may be richer than the jews or make them work (Isaiah 19)...

This is a magickal spell book that has countless spells about prosperity for the jews, damning the prosperity of the Gentiles, creating impoverishment and profiting from it, taking the highest social position in Gentile lands (The whole story of Joseph in Genesis, the Jew who betrayed Egypt, includes all the above), how to marry to infiltrate and take over races and when not to (1 Kings 2:21), how the jews should always remain racially loyal and pure of blood and kill race traitors(1 Kings 2:24), and it even has all sorts of other things such as laws on how to lend money to Gentiles and to jews (Exodus 22:25), how your race-kin family and race are the most important thing in the world (Jeremiah 33:17-18), how you should NEVER believe in the Gods of the Gentiles (Exodus 20:3), how there is a STRICT social order that the jews need to follow in order to succeed, how they must always remember that their relation to their 'god' is racial (Leviticus 26:42). These are to name **a few.**

On the same book, that Christians worship, put their hands upon and take oaths, gloat and glorify, we have what is called the **New Testament**. This was written many thousands of years later for the guillible Goyim.

Jesus was a replacement, mimic jewish infiltrator deity, to hijack and replace the Pagan Gods. And preach the exact reverse in order to kill us all.

Now however, this part of the "Scripture" is for the Goyim, the Gentiles, the animals of the field. So what this book writes is simple.

How supposedly "Wealth" is so AGAINST "Spirituality" (Matthew 6:24), how if you supposedly serve money you can't serve God (so leave this to the jews Goyim - Luke 16:13-15), How you should lend your ENEMIES -like the jews- (Luke 6:35), Curses for the Rich Gentiles (James 5:1-6), How there is no race and how we are all equals to 'god', how you should always share what you

have even when you don't have anything, how you should gloat over and eternally worship the Jewish "God" while FROWNING and CURSING your own Gods and not worshipping them either (1 Corinthians 10:20-21), how you should give your money for the Jews in churches even if you don't have to survive (Mark 12:41-44), how you should be against all wealth possessions because it's greed (Luke 12:15), how one should hate wealth since it's a "Jewish Thing" practiced by the Jewish Pharisees and never the Goyim should practice anything similar (Matthew 21:12), how the "Love of Money is the Root of all Evil" (1 Timothy 6:10), wealth is destructive (1 Timothy 6:9), how you need to sell your possessions to follow a fictitious rabbi that never existed (Matthew 19:21), how you need to give up thoughts of survival and managing or amassing any amount of wealth whatsoever (Matthew 6:19-20), how you need to leave and desert your family (Luke 14:26), how you need to get USED TO BEING SCAMMED and BE ROBBED (Luke 6:30), how you should give not a fuck about any social order and only trust Jesus Christ as "Authority" (Galatians 3:28), the earth nor the planet matters one dime neither anything else does (Daniel 4:35), how you need to hate and abhor wealth because it won't get you to "heaven"(Matthew 19:24), how you should cherish disease illness and pestilence because it's bringing you closer to heaven (Psalms 34:19), it's good to die from hunger pestilence or illness if that makes you obey the Jewish 'god' (2 Corinthians 1:8-11), all Rich non-Jews have to be financially destroyed (Revelation 3:17), how you will suffer in eternal hell-fire for not following the "Master Rabbi" and so forth...

Rabbi Jesus (Matthew 1:1 - Hebrews 7:14, etc etc) did the greatest attainment for his racial comrades. It taught all the Goyim of the world slave values, and proto-communism.

This later created the Middle Ages of Serfdom where people became literal Goyim, the Communist regimes where the worker is robbed of all their work, the abolishing of ownership, the tyranny of debt and so forth. Rabbi Jesus has served the Jews well. It's through the morality created by Rabbi Jesus that the Goyim go and give shekels over a holocaust that never even happened.

The Old Testament is by definition a Jewish racial book, and the same goes for the New Testament, however, in the New Testament, the leaders like Jesus and the Apostles are Jewish. While the victims are Pagans and others. What does that tell us...It should be obvious. Of course the Quran says similar things about wealth, such as for example that Islamics and Christians are disavowed by "God" to be "Money Lenders" and that only the Jews can do this.

So the Jews amassed easily all the wealth of the planet just because some retards believed this was the great thing to do. We might as well call Christianity, the most giant spell for usurping the world's wealth to ever exist. It's all a financial spell basically, and as such it's said that Shekel is the God of the Jew, not "HaShem", which HP Don has mentioned before... Shek-El is actually the God of the Jews, EL is a short acronymic concept for their 'god'. JHVH is just a concept of the doer of magick, the racial God of the Jews, and a representation of their aliens, knowledgeable ones, and those at the top. In short, the Jewish occult mafia.

Some fools say the Jews have a 'religion'. They don't have a religion. Their system is a parasitically spiritual founded system on scamming, killing, and robbing the Goyim. This is what their whole existence is about. This ensures they live a lazy and free life. They accomplished this by stolen spiritual means, and by sacrifice of generations, on top of the corpses of innumerable people that wasted whole lifetimes going after a loaf of bread, even if they lived in the most developed countries in the world. Even nowadays, hardly anything has changed.

What more needs to be stated? Do you still wonder why 90% of the world is below the reasonable level of living?

As for Christians who CAUSED all of this by their beliefs, work, Christian pseudo-culture, 'merciful attitude', serving the Jews, believing in their god, accepting a Jew as their 'savior', giving their psychic energy to the Jewish programs, and accepting a reality of being robbed by the Jews as 'given and good' that's all I have to say:

"Even as fools walk along the road, they lack sense and show everyone how stupid they are." - Ecclesiastes 10:3

Subject: Capitalism, Communism, Christianity, Cohen Control

Capitalism, Communism, Christianity, Cohen Control

The name of the Jewish leadership the Rabbi's is the Cohen's.

Capitalism has been best defined as State sponsored Usury. And the Jewish Rabbi, Karl Marx. Defined Capitalism as the religion of the Jews. The Communist system is were you give all ownership to the Party State and now you have the synthesis of pure Capitalism and Communism. In State Capitalism and the Jews control the State. And Communism like Capitalism is Globalist. The Communist movement is just the finalization of Jewish control by ownership and the liquidation of all Gentile wealth into the hands of the Jews. Fulfilling the Messianic promise of the Torah-Talmud. The Jews shall have ownership over the whole planet and all the wealth of it. Gentiles are considered animals in the Torah and put on this earth to be under chattel ownership of the Jews which is part of the wealth promised to the Jews. The Torah states only Jews are under the category of People and Human. And Human rights don't apply to animals.

Capitalism ends with the liquidation of all wealth into hands of the Plutocracy that incorporates as the State in a Global situation and takes control by ownership. Why do you think the Capitalist philosopher the Jewesses, Ann Rand [Rosenbaum] promoted this ideal as the ultimate outcome for Capitalism. A Global Plantation State run by Jewish Plutocracy. In her words of which all races, nations [except for Israel] cultures even the family unit would vanish. Only cosmopolitan consumerism would exist on a global plantation State. Why did Rosenbaum hide her real name. For the same reason Trotsky did.

The New Testament as I have written before is designed to establish this outcome for the Jews. Let us just take a look at how Capitalism really works as its State sponsored Usury. The Torah tells the Jews to use Money Lending [Usury] as a weapon to conqueror the Goyim and make them bonded slaves to the Jews. The New Testament tells the person they are born in the DEBT of sin, and they must Pay their entire life time. That they are here on earth only to labour and toil for daily bread and pay their DEBTS. Which is the cycle of Usury. Nothing more then slave labour. A worker, A consumer. That the State is God and within this the family unit, national unit, racial unit and Gentile cultural unit is all dissolved away into a global Universal plantation state were the majority of the population are reduced to chattel slavery by force and have no identity other then Christian, Communist, Consumer.

You have described Jewish Communism, Jewish Capitalism and Jewish Christianity all at the same time. Three C's of control on a planet that marks time in BC and AC.

As for the Christian arguments on this subject.

Christianity allowed for Jews to use Usury but forbade this practice to Christians unless they paid expensive license they couldn't afford. Ensuring the Gentiles could not economically compete with the Jews and the Capitalist system they created with Usury. And all the wealth and property fell into the hands of the Jews with ease. And with it control of the Goyim by ownership. Banning Usury for

one but not the other ends with what.... Monopoly of the other over the one that holds one under the control of the other. The Jews quickly stole the wealth of the Goyim with Usury rates of up to 84% which quickly enslaved the Gentiles into DEBT slavery to the Jewish owners. With this wealth and power they then finalized this control with Communism. Total ownership. The Three C's of Christianity, Communism and Capitalism are two C's.....Cohen Control.

[RTR's For the Next Days\[Until New Schedule\]](#)

Greetings to all our People and Satanic Comrades.

There is something in the work for the next days. As such, give us days for a new notice. The new notice will be in the upcoming days, and soon.

The next days can be spent for everyone to get up their energies, as we will hit hard very soon. We have been doing cycles relentlessly. The next few days can be used to get your energies up, relax, and fortify defenses.

For those who want to do rituals regardless, you can do the 72, 42, and Communications as these are the central rituals we must not stop. Others we can get to other times and re-fortify them as they are already set.

However you can actually take some time to relax and revamp energies now for stronger strikes later.

Take some time to regenerate your energies everyone. We have been doing great.

In the next days we will get some very powerful things out. Please check regularly.

Hail Our Satanic Warriors and Comrades!

Subject: Half Jews, Quarter Jews etc.			

[Half Jews, Quarter Jews etc.](#)

Now I write this shortly to explain some purposeful (or due to mistakes) misconceptions that

happen amongst people in regards to the jews.

The art of infiltration consists of APPEARING as your enemy, and being behind their ranks and ruining them from within. This is exactly what the enemy has done and what they did.

In their Torah, they have full guides in regards to this very thing. This is the proficiency of the jew. You can't take over billions or millions of Goyim, when you are sick frailing lifeform that comes based on warfare, moreso the Ancient races of old. But you can pretend and get in and ruin them from within with occult means, now that's more possible.

Now many people try to misinterpret the jewish writings in order to make reasons as to why half jews are less jewish and the list goes on. This is entirely untrue. Some even state the Nuremberg laws. Many people do not understand...

Some of these 'jews' were just jews in religion, and additionally, these people were strictly monitored, controlled, and forbidden from marrying with others. They were put in cages, so to say. The crackdown did happen on 99% of jews. The 1% remaining would be weeded of exactly after that time. As procreation was disallowed.

Unfortunately, when jews get too far in civilization (This is advice from the Torah) they gain positions between a state that the state cannot survive without. Surgical incision is needed, brute force will not always work.

The jews know internal mechanics of the soul. They know that the inner soul is inherited by the line of the mother, and outward dealing of life and other factors are generated much by the father. They don't seem to know all the details, but they know what they need to know for their job. However, make no mistake: the soul and the genetics alike are one and there is no 'separation' in such things.

The "Cohen" gene, as I have heard some crap, CANNOT be removed either. It's in every cell, on every strand, every molecule of their hair, and so forth. They are jews. You cannot change what you are. You can change your appearance, alter the DNA code, chop your face into pieces until you can't recognize yourself, become a cyborg even- but this fundamental thing that is 'you' and makes you recognize yourself, this 'damned sense of self' is actually jewish for the jew.

You cannot get this out with meditation or anything like that. The only thing that meditation made to the jew is basically make them all the more dangerous and the first thing they did with spiritual knowledge is weaponize it against the Goyim. Because this is who they are. Their mission is coded in their very soul. There are no stupid or good samaritan reasons to ever accept the jews either. No reason whatsoever. Let's stop acting like good goyim retards here.

I am well aware many people will skip these lessons and go and associate anyway. Like the person in the groups two weeks before that said they had this jew they were doing weed with, so they didn't do the RTR's because they were afraid it would hurt their smoking habit could be met with problems. I mean seriously guys, who should do RTR's to save the planet from extinction while you can smoke a plant and form a culture around it? I mean that's obviously superior than saving the planet from morbid futuristic plans of a jewish oligarchy and shit like that.

"I just want my 10 minutes of kush induced mechanical relaxation and frying braincells and my front cortex which gave me the curse to be able to judge and have self control, not to defeat any jews."

Now please let's just be serious...

Then they wrote later in the message how the jew brought them some strange 'kush' if I recall

right, which knocked them senseless and they felt like they were going insane. The jews love you Goyim. This person knew firsthand. Who knows maybe the jew next time will bring some cyanide or rape them while they are stoned. It may take a while until they get it. But this is the friendship of marijuana in the 21st century. If you don't fight them, they STILL WILL fight you and want to exterminate you. It's really that simple...You will not have peace because you're stupid or in conscious denial...

After all (((self-thinking))) comes with a price in these cases. Most people self-think only when it is, you know, to do retarded shit such as smoke drugs. They want to exercise 'individuality' when it comes to all the suicidal crap in the world, to prove they are an 'individual'.

Everyone knows better than this "Hooded Nut Cobra" and of course all these other people in the world who tell them things like drugs are going to kill you or ruin you. Therefore to my little individual thinking scientists who are always in for 'checking everything'.

I have a challenge for these people [Obviously this is...humor]: You might want to go to a Hasidic neighborhood, and ask the jews there some questions, but why don't you go there? Ask them to read some Torah and other things? And be a bit pressing on your questions because this is where you're going to see them a bit agitated...Keep pressing with it...If you can come around alive, then you can tell us your individual, self-thinking opinion. Because you have a feeling they may gun you down or kill you? Why? We have to be 'individual thinkers' don't we?

Some others also argue: "Oh the non-Zionists do not do crimes". Well, they CAN'T. They are powerless, and then again, how do YOU KNOW? I know their writings and their culture inside and out for a while now, and I see they use occult warfare, lying, and many other things extensively. How do you know what these people do at night so to say? Because they don't stab a knife in your stomach, that doesn't make them good, and it doesn't imply they do not want it.

Needless to say, to accept reality, have spiritual sight, and enough cultural of the jews, shows you things that can be disturbing. I never saw something more evil and deprived before.

The fact that the Rabbis reject these half or part jewish people, is because they are corrupted in accordance to how jews need their people. In other words, this is nothing 'personal'. It's just what they are commanded to do. They know the weaker people to inbreed, and the jews have did whatever they could to maintain their jewishness.

If you look at Rabbis, there aren't many brown rabbis, or asiatic looking rabbis in Israel or close at the top. They simply aren't going to allow lesser than sustained reptilians to run the show. So instead they send these hybrids to infiltrate and do whatever they want really, OUTSIDE of their 'motherland'. They confer them benefits and great lives, so long they wipe out their enemies such as many jews at hollywood do. They simply don't care further however. Why should they? Is it like they have a compassion even for their own?

The jews in Israel, they don't want, especially for the Rabbinical class or spiritualists, jews from the father, simply because, the inner part of the soul is better and closer from the jewish mother. This makes a jew, completely jewish in all levels. Now, when this is from the father, the job of these beings is NOT to be in Israel and pollute it, but become infiltrators to other races of people and so forth. This is just their job. Their external part is concealed for this exact purpose.

Many people do get confused on the jews. The purpose of hybridizing is this. The benefit of the doubt, the 'confusion' and the 'tolerance' that may be given rise to the victims. It's through these hybrids and through infiltration their greatest goals are accomplished. Indeed for jews, this need to 'intergrate' and this need to procreate with their enemies is the fundamental savior of the jewish race. They are programmed to think that way, while most other Gentiles needed propaganda to ever consider this fact.

A Jew is always a Jew. They can dress European, or African or anything else, even adhere to the 'cultures' of their host, and in extreme cases, look and act like them, especially now with plastic surgeries. But as Rabbi Laitman mentioned, at some point, they know for a fact that they are Jews. They can never disassociate this from their blood, behavior, and their soul. Mask it? Sure...For a while.

Especially if the circumstances help, or if people are blind, they can't be seen. Indeed even the Jew can neglect his own Jewishness. However when the time comes, they become exactly what they were all along, like a latent parasitic organism. They just can't help it anymore than every race acts in accordance to their behavior, which paints anything people do. Intergration of Jews in another lands or places has always ended up with Pogroms and expulsions over this very reason.

Jewish hybrids from the mother are completely Jewish in all levels, same are from their father. As I told you, it's only the behavior that may be different and how this is externalized. While the hybrid from the mother is basically in the soul (inner feminine) and therefore is extremely obvious in their behavior, the hybrid from the father is more internalized and as thus maybe less obvious at first glance. This can lead people into confusion and the Jews know it. This is their job. They are however the same thing in their entirety. It's the method of operation that is different.

Lastly, when you understand the patterns of the Jews and study the Jewish soul, as in culture, religion, behavior and anything else, you can thoroughly see that they are an alien species. Many people don't know about them, and that is the problem. The way they perceive the world, their beliefs and everything else are far from 'cultural'.

A Jew can be raised in Mars and he will still materialize the same Jewish culture and the same Jewish way of looking at the world. This is reflected in most Jewish artists who may have even had a "Christian" upbringing. Christianity is essentially Judaism so it brings out the very same product even with zero exposure.

Culture is nothing but the expression of the biology of the Jewish race upon itself. Nobody forced the Jews to believe what they do, but on the other hand, they forced the whole planet to adhere to their lies, so to say.

Let's let this giant pill (pun intended for the post) be swallowed, if humanity is to be saved. It can cause you six trillion gasses, which will kill a lot of parasites inside you, but that's all about it. If you however take the Jew pill, a non adventuresome death is guaranteed.

Subject: The Trine Jew			

The Trine Jew

In Judaism the Torah states the Jews will inherit and rule the earth in the Messianic age. In which there will be no god, religion or culture but the Jewish one. And the nations will serve the Jews as slaves. In a global Jewish theocracy. In which the Goyim will be forced to convert to the one world religion of Judaism, as a slave caste and follow the Noahide laws as righteous Gentiles, meaning slaves who obey their Rabbinical masters How does a small number of Jews bring this about in a practical way.

The bible was written by Jews and states to the Goyim that one must become Jewish and the spiritual seed of Abraham the first Jew. In order to obtain salvation which is of the Jews. The Rabbi Saul converts the Gentiles into open Judaism in the New Testament. As Jesus was a Rabbi who preached Judaism. And commanded his other 12 Rabbi's to go forth and convert the world into Judaism. Thus achieving the agenda of the bringing forth the Messianic Age of the Jewish cult. In

which the ruling Theocracy is god and all must submit to the Jewish god.

Mohammed was a racial Jew who was born of a Jewish mother. Who's Jewish Qurayshi tribe was descended from Ismael. The son of Abraham the first Jew. Mohammed stated he taught the religion of Abraham. Which is Judaism. Jesus is also in the Koran as a great prophet who was born of a virgin birth. This is why Mohammed's first wife was Jewish. The messianic mission of Islam which means Submission to the god of Abraham [Yahweh] the Jewish god. Is to create a global Islamic State in which Judaism will be the sole world religion.

Islam and Christianity are nothing more than a Jewish, mass ritual working to bring about the Jewish Messianic Age.

Christianity, Islam and Judaism are the trine Jew. The Christian's and Muslim's are simply Golem's who are working to spread the Jewish agenda of the Messianic Age around the world and act as physical conduits for the Jewish god form to act thought and take hold in. And when this god form manifests as a ritual working fully into the material world. They will be the willing servants to the Jewish Messiah when this being appears and conquerors the world by bringing together the billions of Golems to act as its world Army and slaves.

There was an article in the Jewish presses in 2016 the large congregations of the Jewish Rabbinical leadership gathered in large rituals by the thousands and performed a Kabbalistic ritual to command their Messiah to come forth into the world.

President Bush also signed the Jewish Noahide Laws into effect as well. Its called: Public Law 102-14.

Subject: Jews The Lords Of Racist Holocausts			

Jews The Lords Of Racist Holocausts

And that's a world without you in it Goyim.

Racism by sociological definition is the psycho-physical differences between the races. And the science of the study of these. Racism as a scientific and common sense observation has been vilified by Jews for Goyim. They went all out to do this including creating the fake Boaz school to push the Racial anthropology lobby out of existence. Boaz was a Communist Jew and was part of the larger Communist agenda. You can watch the old Jewish Communist propaganda documentaries for America from the late 1930's claiming were all one race and race is skin deep. Its now the mainstream establishments line. That is how long the Jews have been at this. Racism is the charge the Jews use to attack and tear apart any organic boundaries of Gentiles, they perfected this under Communism. So they can dissolve all races and nations out and create their Messianic Global Jewish Government. Run out of Israel which is a Jewish Race state. They don't practice what they preach to the Goyim. Because its a form of their war on the Goyim. Even the Jewish crying about Racism is a ploy of Jewish Racism to destroy the Gentile Races.

We are all the same the to the Jew, all the same cattle.

The reality we all know race is real. If a person decides to make a negative or neutral or positive out of that. Its is up to them as its always been. But do to the negativity Jews promote about racial differences out of the other corner of their mouth they are turning the place into a racial warfare

zone. This is the other side of the coin. Create a situation where everyone is obsessed over Racism and then offer the solution to all the problems of Racism.

They do this by.....

Stating the one true evil on earth is one thing that of Racism. And only Whites and all Whites are Racist and all things that are evil come from the original sin of White People existing so the only solution is to end all evil is to end the White Race.

This garbage could not exist without Christianity building the platform. The original sin is now being born White instead of just human. And you must spend a life time in repentance and self hatred over being born with the sin of Whiteness. And the only way to do that is to destroy yourself, race and nation. Jews taught White People, they were evil for being Pagans, having White culture and cultural identity the sin of Whiteness. And only by embracing globalism under the Jewish cross and destroying themselves could they repent and be saved from the sin of Whiteness. So nothing has changed its the same old Jewish poison. From the same old Jewish mouth. Rabbi Jesus or Rabbi Marx. The agenda of the Jews alien soul marches through the ages.

The Torah and Talmud of the Jews, state the White Race is of the seed of Satan and must be totally exterminated. First out of all the Goyim.

This Jewish leader just summed up the meaning of Jewish identity in the Torah and Talmud.

The Jews in their own writings brag they are the authors of racial hatred among Gentiles to get them to hate and kill each other to destroy the entire Goyim and divide and conquer the Goyim.

The entire anti-Racism ideology which the Jews openly state is simply anti-White because only Whites are Racist. Was created by Jews of the Frankfurt School of Cultural Marxism. This is a Judaic racial warfare ideology out of the Torah. The goal is to use this to demoralize us so we will roll over like a good Goyim and let them wipe us out. The only race of people that deserved to be hated is the Jew. The Jew is responsible for the death of two hundred million Whites, under Jewish Communism and Christianity over two hundred million Asians killed under Jewish Communism, 127 million Amerindian People killed in the Americas. Columbus as shown by Jewish historians was a crypto Jew and his whole operation was nothing but Jews and was financed by three wealthy Jews to build a Jewish Zionist Empire in the Americas. And the Jews killed 100 million Africans via their slave trade. The Jews also committed the Armenian Holocaust of a million human beings. The Jews murdered 85-100 million Indians with organized famines during their regime under the Rothschild Empire, the British Empire was openly called the Yiddish [Jewish] Empire as it was run by Jewish banker Lords. The same Jews that committed the Holocaust of a million Irish with the organized potato famine. And the continuing Holocaust of the Arabs by the Jewish state which has killed over a million Arabs. Then the hand of Jewish power in creating two World Wars that killed 100 million humans. We also have the confessions of the Jewish leadership such as the Rothschild's that there is not a single war, famine or conflict that happens without them creating it. Factor that in and you add countless millions of human beings offered up as sacrifices on the altar of Jewish Racism.

Just look at the Jewish Torah they celebrate the racial extermination of the Gentiles living in ancient Canaan and after murdering them burned their bodies as what they call a Holocaust, a burnt offering to their Jewish god.

This puts Rabbi Marx's statements into proper context on the "Revolutionary Holocaust" that most occur in order for the Jews to create their global state under Communism.

The Racism we have to oppose is Jewish Racism against Gentiles its responsible for numerous Holocausts of Gentiles by Jews. The Jewish texts state when the Jews finalize their Messianic Age of a global Jewish Government they are going to exterminate all the Goyim as the holocaust, the blood offering to their God.

Subject: Important, Regarding the Sun

I'm not going to get into a long spiel here, but it is a fact that the sun has gotten much stronger. In many areas, this is very noticeable.

I posted some meditations using the energies of the sun. Normally, these are very effective and powerful.

Unfortunately, the sun, especially the nearer you are to the equator, can be even deadly anymore.

What I have found to be most effective used as a meditation prop is a adjustable crook neck desk lamp, where you close your eyes and shine it in your face. This artificial light does work in helping visualize light, for cleaning your aura and other workings. Being a 24 hour person, I've used this a lot myself. Remember to always keep your eyes closed.

US Senators Pushing for 20 Years in Prison for Citizens Who Support Boycotting Israel

[My note after all the Jews violated American trust as President Kennedy told Gore Vidal in an interview. That President Truman only recognized Israel after being bribed by Abraham Feinberg with two million dollars and the promise of the total interference of the Jewish oligarchs and their media in his Presidential campaign. Jews don't respect American democracy nor the constitution, President Nixon stated in the Nixon tapes that Jews are disloyal to America. He also told Haldeman, who was one of the members of his administration that he knew Israel was behind the assassination of Kennedy and was assembling the evidence to expose them on this. The Jews moved against President Nixon and Vice President Agnew because they were exposing their Jewtrix of power.]

(ANTIMEDIA) — United States senators from both the Republican and Democratic parties are pushing to implement a bill that would make it a felony to support boycotting Israel, punishable by up to twenty years in prison. On Monday, the ACLU issued a letter to the Senate opposing the proposed legislation, which was introduced in March by Sen. Benjamin Cardin (D-MD) and Sen. Rob Portman (R-OH). It was "drafted with the assistance of the American Israel Public Affairs Committee [AIPAC]," according to the Jewish Telegraphic Agency.

We're revolutionizing the news industry, but we need your help! Click here to get started.

The Israel Anti-Boycott Act (S.720), which has a total of 43 sponsors in the Senate (14 Democrats and 29 Republicans), seeks to broaden the the Export Administration Act of 1979 "to include in the prohibitions on boycotts against allies of the United States boycotts fostered by international

governmental organizations against Israel and to direct the Export-Import Bank of the United States to oppose boycotts against Israel, and for other purposes.”

The bill in its current form would also make it illegal to even request information about boycotts against Israel, and violations would carry a minimum civil penalty of \$250,000 and a maximum criminal penalty of \$1 million and 20 years behind bars. If passed, this legislation would effectively put U.S. citizens behind bars for up to twenty years for nothing more than their political beliefs.

“The impacts of the legislation would be antithetical to free speech protections enshrined in the First Amendment,” the ACLU wrote.

The organization also pointed out the contradictory nature of the proposed measure, explaining it “cannot fairly be characterized as an anti-discrimination measure, as some would argue. For example, the Civil Rights Act of 1964 already prevents businesses from discriminating against customers based on race, color, religion, and national origin. This bill, on the other hand, aims to punish people who support international boycotts that are meant to protest Israeli government policies, while leaving those who agree with Israeli government policies free from the threat of sanctions for engaging in the exact same behavior.”

It continues:

“Whatever their merits, such boycotts rightly enjoy First Amendment protection.¹ By penalizing those who support international boycotts of Israel, S.720 seeks only to punish the exercise of constitutional rights.”

If passed, this tyrannical bipartisan bill would blatantly violate the constitutional rights of every United States citizen by punishing individuals based on nothing but their political opinions and decisions as consumers.

There is no coming back from that.

Subject: The Third Eye, God, Kabala Stolen From The East			

The Third Eye, God, Kabala Stolen From The East

In kabala the highest realm or god is called the En. In kabala this is the realm of Kether. Now on the world tree the seven lower faces are the seven main chakra's. However the three upper worlds or faces are the left and right hemisphere's of the brain with the pineal gland in the middle. All the chakra's have corresponds to parts of the brain as well. The pineal connects to the crown. Kether.

Kether is given the Yod letter which is the dot of emanation of which is the symbol of the Yod letter. All the Hebrew alphabet comes from the Yod. The Yod is spelled Iod in kabala the D and T

are double letters in Kabala making Iod, Iot or Iota. The Greek system where this is stolen from states the same for the Iota. Its the emanation point. Both are the number ten which is the number of birth and the crown. The universe was born of Iota the tenth letter in the Greek and in the Vedic the Em mantra is given the highest status in the Veda. The I letter which is vibrated like a EEEEE sound. This is why in Sanskrit the Em is also spelled Im.

Now this is the connection in the Greek system which kabala was taken from as scholar's have written books on. And in the Hindu system in the east which is the same system. The dot point of emanation is the letter I. And in the Sri Yantra this dot is placed as the Bindu, emanation point in the crown chakra and its given the Em, mantra. The name of Jupiter in Latin its given the Iupiter. Its a name of the crown chakra. Em is the mantra of the Goddess Saraswati. The crown chakra and third eye. The Swan, Saraswati sits on is the symbol of the left and right hemispheres of the brain with the pineal gland in the center in esoteric symbolism. This is also the meaning of the Roman Eagle the Legion placed at the top of their standards which they called the spine of the Legion which is why the standard bearer wore the leopard skin to show the transformative energy of the serpentine energy. Shiva is shown in animal skin in the east for the same reason. This Eagle was stolen by the Christians and turned into the Dove.

You can also note this with Aphrodite who is showing the same in the West:

Statue of Saraswati from Indonesia:

This is also the capstone stone in the pyramid with the all seeing eye. The pyramid is the spine with the capstone being the head and has the open third eye on it. Saraswati is the Shakti power of Brahma. The crown is called the door to Brahman which is the Para Brahman which is what the En, En Sop is in Hinduism. The seed mantra or Shakti mantra of the Crown is the Em mantra the sound form to active this point and expand the consciousness. That is why the highest realm is called this.

In the central America civilizations which were Vedic they had Sanskrit as their language. Such as the Mayan's. The Turtle is the symbol of Orion which is the head if you look at the turtle this is the brain which has the serpent coming out at the third eye, the fully open eye, like in the Egyptian Pharaoh Uraeus crown. The turtle is a serpent like as a reptile it has the head of the serpent.

This was encoded in by Michelangelo in The Creation Of Adam:

Michelangelo was a student of Neo-Platonism thus a student of the Greek esoteric system. He like his counterparts had to keep this secret as the punishment for being a Hellenizer which is the Churches charge of being a Pagan was to be burned at the stake by the Catholic Church. This is why the masters of the renaissance hid so much in art. The renaissance was the Hellenistic movement to bring Europe back to the European tradition or Paganism.

The Em is the mantra to awaken and open the crown and third eye and expand the consciousness. Michelangelo was showing what the Tenth letter the number of birth does and how its used in the body. The I letter which is vibrated like a EEEEE sound. This is why in Sanskrit the Em is also spelled Im.

The Jews in their stolen and corrupted Kabala go on and on about the En Soph is not knowable and don't even try and expand your consciousness there. Because they don't want people doing so and maybe they can't. As they are an alien soul trying to use Gentile spiritual knowledge which is alien

to their soul even after trying to modify it for them. Many Rabbi's have gone insane from Kabala which is why they placed so many rules on who can practice it within their own circles.

However the Gentile can and does reach the En. The highest realm of universal consciousness. Which is the point of spiritual systems for Gentiles.

Brahma the Hindu creator God, the crown chakra who's Shakti mantra is the Em was stolen and corrupted into Abraham in the Torah. Sara, Abraham's wife is stolen from Saraswati. This is why Abraham get the number 100 in Kabala the number of the crown and ten times ten. The Iota letter.

The word in Kabala Gematria for all the paths on the world tree, the spine and brain is Lev. However this an anagram and stolen from Vel which is the name of Shiva in the form of Skanda in the east and is shown as a golden spear with the blade symbolizing the head pointing upwards to heaven the base of the spear in the ground the root.

The entire Kabala was stolen out of the East.

Hidden Symbolism of The Weeknd's "I Feel It Coming" Video

Sometime certain things get put into video's and movies. The Truth has many friends.

There was a series of two video's made with Daft Punk and the Weeknd. If you pay attention Starboy is the first. In Starboy he sells himself to the Jewish media empire and becomes their servant and becomes a major celebrity for it. He wears their symbol of the kabala cube of Yahweh in the form of the cross around his neck to show this. He is under the Jewish spell of Christianity. Notice in the second video. "I Feel It Coming". Its a tribute to Michael Jackson the King of Pop. Even down to clothes, dance and set up. He is now at the top of the business as an entertainer. At the end of this video Daft Punk find the neon cross under the ice. The same one from the first video. The influence of the enemy in his soul. The cross is the symbol of the kabala cube which unfolds into the cross which is the cross of Saturn the influence of the enemy programs. The Weeknd also uses it as his own symbol and its famous in this sense and relevant, the spell of the enemy. That kept him from something.

Note not the song but the video for "I feel it Coming". Is full of the imagery of Venus, literally the planet down to the spiritual symbolism. The appearance of Venus in glowing white light is what Shurka [Venus] means in Sanskrit, bright white light. During the sun they are alive and vibrant. And he is at the top of his career game. Then the sun eclipses the symbol of Saturn which is further shown as the skull's face in the stone also ruled by Saturn. They both turn to dust, earth is the element of Saturn. they come close but never kiss before this happens. In the final gasp of life the Weeknd reaches out for the serpent to save him, before he turns to dust realizing its all over and in the end wanting eternal life. But losing it. The kiss is always the esoteric symbol of the union of the body and soul the Magnum Opus in every tradition. Which is done thought the serpent energy of Satan who is called Shurka, Venus in the east. Lucifer means Venus in Latin.

Satan-Lucifer is Venus:
topic19718.html

The women represents the soul, Shakti, Venus and is shown as the serpent. The soul is shown as female in many traditions and the body male. The Weeknd is the king of the pop world and has all the money, fame and success the material world of the enemy can offer, in their anti-spiritual materialism. Yet in the end he realizes the serpent is the truth and reaches out to Lucifer. In the end he turns to dust, doomed by the cross of Yahweh around his neck. Its too late.

The ice with the cross in it at the end. Its not about one person but everything of the enemy program. The energy of the enemy still remains trapping the souls of those who came before in ice, the wheel of death and rebirth ruled by Saturn. Ice, is ruled by the planet Saturn in esoteric symbolism. Water is the symbol of spirit and ice is the freezing of water the slow down of vibration of energy which is what Saturn rules. This is shown by the neon cross in the ice the cross is the symbol of Saturn in occultism. It is also folded into the Jewish kabala cube. And we know who rules that, Yahweh. They also put the cross over the person's grave. The ice is also the symbol of the serpent sleeping in the root chakra inactivated. Which is what the enemy program represented by the kabala cube the cross is about maintaining. The Jewish World Order. The ending is the symbol of the Jewish spell as a whole and what its about.

Someone told the truth into this video that the serpent of Satan-Lucifer is the truth and the price of the enemy deception for humanity. The Weeknd is not one man here but many as seen in the imagery of others trapped in stone. This video was a counter signal to the enemies agenda.

Subject: Why Some Fail On the LHP, Christian Trends of Thought

Why Some Fail On the LHP, Christian Trends of Thought

Edelwise wrote:

I'm having trouble understanding the cosmology. Jews may have been engineered by Greys, Reptilians, or whoever has dominion over them. But who or what is the source of this plague? Who's the evil mastermind? If the gods are the primary manifestation of Akasha, then shouldn't one or more of these gods be responsible for this mess?

If that's not so, then the only other possibility is that a part of the original creation was (for lack of a better word) 'defective' and manifested as an infiltration into Satan's creation (for some reason).

The fact is into Sanskrit the void or En Sop, its called the pregnant void of creation or womb of creation. The I letter relates to this in Hinduism and in the Greek the Iota what existence is born from. I as a letter manifests prana. All existence comes from this womb of creation descending into the world of forms and how it relates to the spectrum of light, sound and number as a unified energy field. The geometry holds the information of light the shape which is also the sound and elemental quality.

There is simply a creative energy field at the source of everything. Its an organizing intelligence. From this all life forms arise and follow the evolutionary patterns of their environments. DNA literally manifests out of the En Sop or Womb of creation as found in lab tests. I wrote about how evolution or the changing forms of beings is related to adjustments in the frequency field that the matter organizes itself according to. Periodic tables are the movement of light and its organizing frequencies. As I discussed the Greeks mention the Perfected form which is perfection within nature the golden mean template of the soul. The soul is multi layered. This relates to vibrational

templates and their properties, elements are templates of existence. This is Venus.

Existence has a trine aspect the symbol of existence is the triangle shown as the yoni or womb of creation. This relates to three natures of organized existence. Each chakra is shown as a triangle in Hinduism. And are called the Yoni gates.

The name of En Sop is the word the 22 letters of Kabala as everything in existence is a combination of different letters into sonic algorithms that generate and organize matter across the different levels of density fields that from the octave scales, light waves and geometric formulation into what we perceive as organic matter. This is the organizational intelligence of the universe. The Jews who stole the kabala from Gentiles know this. The vocal range of the human voice has been mapped as having 54 sounds it can make. This relates to the 54 letters of the Sanskrit alphabet which relate to the petals which form the vibrational, geometric, organic, elemental template of the human. A wise person can note what letter could correspond to different elemental combinations by the chakra's, the letters are placed within. The numbers of petals relates to organization properties of the elements and how they relate to the planets and vowels. The Vowels are the spirit of the letter and the seven vowels are called the seven mothers of creation in Hinduism. The seven chakra's. And what each chakra relates to in the worlds or frequency temples of existence. Note each chakra is formed by the three natures which condense as the nadis along the scale they reside at. Which relate to electrical and magnetic properties in the astral. And how to unify them. The Vowels are stated to be the ruling name of creation in Kabala, same with the Greek and Hindu. IAO the name of Zeus the En Sop [which is were the Jews took this from] is the trine organization and generating principals of energy. That relate to the ruling powers of the seven vowels, planets and chakra's. IAO is a serpent god as the trine aspects of the serpent IAO, Fire, Air, Water. That manifest as the three nadis. Note the Jews took IAO and hide it for themselves as the ancient Kabbalistic documents call their god IAO. This is the three lines of the triangle the yoni of creation.

The different chakra's are called Deva's. And the Deva is a symbol of the cosmological properties of the element of existence it governs. This is dialectical in explanation. Not literal. Its the same with the En Sop of which sparks form all the chakra's or worlds in Kabala. En Sop is the level of existence when the inner sexual union of the chakra's and soul has taken place and brought the person to perfection within Cosmo's, nature. The En Sop is shown as serpent wearing a crown wrapped around the tree. The symbol of perfection and eternal life to the Gentiles. This is all dialectical. There is not a serpent wearing a crown in other realm directing all this.

The reason I have noted a lot of people fail on the Satanic path is because they can't grasp this fact and revert back into something that is pseudo Satanic in its doctrines that calls itself Satanic or Luciferian and formulates according to Christian ideology. In a gnostic sense. They wish to evaporate into the extinction of their being which is right from RHP Buddhism that influenced early Christianity and that gets mixed with Gnosticism in the sense of some evil god that created the world of matter [Mara or Yahweh] they must escape whom they claim Yahweh instead of Mara. This is due to Christian teachings that the body is corrupted and the world is fallen and only the spirit is good and some mystical spiritual realm is good. Which was the excuse to remove spiritual knowledge and give people a death cult. However the soul is the reflection of the body. And the body is part of the soul.

There is just nature and the different scales that it organizes according to. The Gods are beings who perfected themselves within nature. And understand it from the highest level. That is liberation.

The ancients had a principal they called Lucifer which is their name for the perfecting order of nature the Golden mean spiral which are the energy movements all matter arise from and organize according to and its math system is always coming back to 666. This relates to the principal of Venus which is the principal of spirit forming matter. The 6. They placed the symbol of existence as three triangles or Yoni's that were formed into the pentagram and given 666 with the En Sop around it. This is the key to the underlying organizing principal of energy or spirit.

The point of spiritual practices is to give yourself a tune up and get the lead out. Which brings about the Venus or Lucifer form the gold....en mean in the work. The serpent is always related to Venus. The serpent is the symbol of prana which is the force of the universe. Maha Kundalini is another term for this in Hinduism. Its dialectical. The highest light is stated in Hinduism to be blue which we perceive as White light. Note the god that is the symbol of the Venus principal from Zeus to Visnu is always shown as blue, this what Venus rules in the east, White light which is also the blue light. This is dialectic. Venus is sound, light and geometric form. The geometric numbers for the human body are related to 5:8. Venus numbers.

The universe is five elements, the four issue from the first one spirit and are simply energetic rearrangements of the first and hold the first with them. The elements are vibrational templates that form the spectrum of light which is the sub octaves of White light. These vibrational elemental templates form into geometric forms that contain their respective blueprints. All existence is based on arrangements of forms based on sound, light and geometric formation. This is the underlying principal of frequency that all matter is created and arranges itself to.

The universe is Logos, a supreme self organizing intelligence that generates and organizes all life according to the science of the nature of light.

Evil does exist, but this is not a moral debate. Your statement was one of a theological one. Looking for a specific monotheistic being outside of the universe who created everything and is omnipresent. To assign blame to for what you dislike about existence. Your searching for a complaint department for a cosmic boss that does not exist.

Subject: RTR Schedule for 28th July to 10th of August

Greetings to all our Warriors and Satanic Comrades.

First of all, I am going to make it into a point to update RTR Veteran with all the new Rituals and everything. Due to being extremely busy and having other things that constantly need attention, I didn't have the time to do it, but I will be doing this pretty soon.

The backround of this game is the spiritual foundation which we have been subduing, and the information which is a war that is ongoing too. This also has the financial dimension which we need to dissect now. We need to focus on these and deconstruct them all.

The utmost pinnacle for the "Goyim" only rests in their ability to make money which later is going to be stolen by Jews. Jews only amass money as a means to an end, and we all know this end is not a good one. For this reason this thing has to forcibly change by our efforts, and this is a disaster for all people on earth.

The Satanic Path is not an easy one. We see all these things from above, yet we need to stand and fight at a present. Against things completely incomprehensible to others. This is literally like the double life of Superman and this can be demanding. Many people may not see this statement positively, but yes, each and every Satanist is in more than a way 'chosen' by their higher spiritual nature to do exactly this thing we are doing.

The point of the RTR's are not only altruistic world saving, but they do this too. But to also make you a powerful warrior that knows how to curse and has spiritual stamina, and to give someone the unique experience of building something great. These are also training and many, many more things. RTR's also directly benefit you as they remove curses automatically on you.

These are vibrated by thousands of Rabbis and stick to all Gentiles in the world. Depending on the power of the Gentiles they get more or less carried away. When you do the RTR's you clean yourself first and foremost. Don't let anything convince you that the RTR's are anything less than medicine.

This is war. By taking part in a big war spiritually, you gain power, knowledge, experience and stamina other people will never receive.

Below is the Schedule for up to the 10th of August.

We will update this as we approach this date. It's better schedules aren't extremely long to not give the enemy time to prepare:

*Wealth RTR's are BOTH the rituals posted. Due to the size of the second ritual, we include them as one larger ritual.

Subject: 29/July/2017 Sermon

Yesterday, someone posted a link to a YouTube video where some buzzard brained imbecile made a video mocking the opening of the third eye.

As for the idiots who made that video, they can just remain ignorant and closed.

An open third eye allows us to not only see but do many things, like spot all kinds of dirt, etc, on our chakras and our aura, and to clean these.

The words "virgin" and "pure" have been hideously corrupted. This has nothing to do with sex, or so-called "morality." It has to do with the cleanliness of your soul.

Just as one would not want to put wax or finishing on a filthy floor, nor are healings or other workings very effective on a filthy soul.

By filthy, I mean lifetimes of negative experiences, unfortunate events, bad, harmful relationships... All kinds of nasties that due to centuries of Christian and Muslim repression, very few people know how to clean this off.

Illnesses, accidents, loss, and other tragedies manifest in one's life due to this filth. This is triggered by planetary transits and progressions.

The Aura of Protection should be done daily after thoroughly cleaning one's soul, aura and chakras. This should have no ending date, but be a part of your daily routine, just as taking a shower.

When our third eye is open, we can see truths and lies for ourselves. We can see how Christianity, Islam and related depraved spiritually degenerate programs are designed to destroy and enslave humanity, and are responsible for all the ugliness, misery and suffering in this world.

I also want to add, Satan and our Gods are responsible. They have helped myself, JoS Ministry and many others without even having to be asked.

It is becoming more and more clear that much spiritual negativity isn't necessarily from any so-called "higher powers" but from human beings (mostly Jews) with advanced occult knowledge.

I'm sure most of you here are familiar with Hollywood movies where we hear those silly growling

and animal noises the Jews apply to Demons (which are total lies). Certain thought forms they use to attack others are the same thing.

The same hideous appearance and the growling, etc. Then they try to claim their own invented filth is our Gods. Those of us who are at an advanced level and have our third eyes fully open have seen this crap and we know where it comes from. It has nothing to do with Satan or our Gods in any way.

Through centuries of Christian dominance and control (the Jews always command Gentiles), compulsory church, etc, the ignorant populace when encountering such things was understandably terrified and beloved this sort of thing to be from "God."

I also want to add here... Recently, I read when studying about Judaism (the rabbi authors are really letting a lot of info out now, what this program is and to the extent is beyond shocking. As Adolf Hitler wrote in Mein Kampf, throughout history, at certain times, they get confident and drop the mask), you know how Communism always is people's this and people's that? "People's" actually is "CHOSEN PEOPLE'S." THEY OWN.

In closing, I want to add, I have worked for Satan for over 17 years now. Satan and our Gods are truly wonderful. This has been a difficult road, but with many rewards and definitely has been worth it.

As Satan states in the AI Jilwah, he leads us to the straight path without a book. Satanism is true spirituality. How many of you can see how much yourselves and your lives have changed for the better after coming to Satan? I know mine certainly has. I have found peace and spiritual freedom. Satan is the liberator of humanity.

Never, ever has any of our Gods ever asked me to do anything against my will. Nor have they ever coerced me. I mention this in response to the Christian lies about Satan. I have always been totally in agreement with Satan's agenda in every way.

Satan, Lilith, Azazel, Astaroth, and other Gods I have worked with have been wonderful to say the least, and very helpful.

Our Gods have been overloaded with many asking for help. This in some cases can take time. Remember, the goal of Satanism is to become gods in our own right and masters of our own lives and destinies.

There is an old Chinese proverb:

Give a man a fish and feed him for a day. Teach him to fish and feed him for a lifetime.

HAIL SATAN !!!
HAIL AZAZEL !!!
HAIL LILITH !!!
HAIL ASTAROTH
HAIL ALL OUR GODS !!!

Subject: Leviathan, And The Jewish World Order			

Leviathan, And The Jewish World Order

The Rabbi's state the Torah is Kabala. This is repeated many times in Jewish writings.

In Hinduism the oldest religion on earth. Of which much of the Jewish Kabala has come from. Even the six pointed star which was stolen from the Star of Visnu. Shiva is called Kabala Iswara in Hinduism. Kabala actually means coiled in its original Sanskrit origin. The serpent power. Hence Shiva is Kabala [Serpent] Iswara [Lord]. This gets into the fact prana the life force is shown as the serpent in Hinduism. Kabala is the science of how prana or energy works and manifests the universe in Hinduism. Its the science of the structure of the universe.

In Hinduism there is a specific science the Brahmin's their Hindu Priests know, that of Prana Prakriti this relates to the creation of energy forms in the astral. Its the science of creating a literal god form. How to create the mandala's and mantra's to empower and access the god form and how to install this energy into talisman's, statues of the deity and other objects which are connected into the god form and bring it though into the material realm from the astral to manifest. This includes letters which are charged for such.

This is the source of understanding Jewish Kabala. The Jews have created a god form with this science which is why the Rabbi's in their kabala state that their god serves them. In Judaism the Torah is called god and is connected to the Aleph letter in Kabala which adds to 26 in its gematria. The Jews place the Torah into an ark at the end of each Synagogue service. In the Pagan and such still in the Hindu world the energetically installed image of the god is placed into such an ark. They have these from ancient Egypt still in museums. This also relates to the Ark of the Covenant in their Torah it has the Ten Commandments placed with it. Which related to the number Ten the Yod letter is the banner and power of Yahweh in the Torah. The Rod of Moses which is openly shown to be the Jewish god from which they call Leviathan, the serpent upon a rod which Moses uses to defeat the Pharaoh the symbol of the Gentile power. With the power of the Jewish god form. The Torah has 613 laws which form it. These add to Ten which in kabala is the meaning of this number. Its the Torah.

The Jews use the Ark of their Convent against their Gentile enemies to conqueror the Goyim nations in battle and destroy them. The ark also brings sickness and other curses upon the Gentile People. This is an allegory for their Torah. The Greek Kings and Roman Leaders who were adepts in Iso Sophia the Western Kabala which came from the east. Banned the Jews from reading the Torah and had their Torah scrolls burned. As they had laws against this kind of black magic. They knew what it did.

The Torah is as the Kabala and Talmud and Rabbi's refer to it as. A god form the Jews created to serve them. The real Torah is as the Rabbi's state, their god. Which is this energy form they created. The Torah is one long Hebrew mantra to create the harmonic algorithm in the astral their god form and the Jewish rituals are done to infuse this with power. The Hebrew letters are also charged to connect the two of these the god form and the physical Torah. Which is why in the Kabbalistic symbol of the Aleph letter it shows two Yod's between a Vav. Which they state connects the Jew and their God. Or God and Torah. As the Yod in Kabala is the letter that manifests energy that all the other Hebrew letters animate from. The 22 letters are the names of the Hebrew god as they form the Torah that is the mantra of their god form. This all animates out of the Yod. Which is why the Yod letter is shown as their Leviathan. Their god form. In the Talmud and Kabala they use the symbol of the full manifestation of their occult working of bringing their god form into material existence thus the global empire promised to them in the Torah. As the Leviathan encircling and destroying all the Gentiles nations and people of the world. They call this their Messiah. In kabala the 42 names of god are Hebrew mantra's to bring this into being.

The Talmud and Torah both state the name of their god is the 72 names. The 72 names relate to the symbol of the Leviathan which is divided into four quarters of 18 sub categories. That relate to the decan's of the Zodiac of which their are 72 fully in Kabala. It also relates to the five elements. this is the science of Prana Prakriti in Hinduism which in this level is called the Purusha. The kabala

letters relate to the zodiac signs, planets and elements.

The 72 names are used in specific formula's that relate to the specific elemental, planetary and astral energies they relate to within their combinations on the body of Leviathan. Their god form. Leviathan is shown as the serpent in Kabala because the serpent is the symbol of prana, energy and its science of how it manifests the universe. In Hinduism the entire universe is called a mantra and given AUM which divides into the different letters and their combinations which have elemental and planetary, astrological properties and its shown as the serpent. This is where the Jews stole this from.

This is the secret behind the Golem a servitor or animated god form the Rabbi's make to serve them. Its bought to life with the 22 Hebrew letters and the YHVH inscribed upon a parchment placed with it. Its a symbol of their god form the Torah. The Jews state their god serves them. YHVH is the letters of the four quarters the 72 names are divided into.

"According to one story, to make a golem come alive, one would shape it out of soil, and then walk or dance around it saying combination of letters from the alphabet and the secret name of God. To "kill" the golem, its creators would walk in the opposite direction saying and making the order of the words backwards."

Here the Jews admit the way to stop their magic is reverse Torah readings. They probably put that in there as a warning to their Rabbi's to undo out of control thought forms they created. But its still connected to their massive working of Jewish magic their big thought form, YHVH. Same principal.

The Kabbalistic texts called Adam a Golem. The Adam Kadmon, which is of Adam in their Torah. In the Jewish Kabala is sum total of the 72 names and how they work.

The top level Rabbi's like Laitman who are Kabbalistic adepts openly mention how the Jews will have talismans and pendants with different names of the 72 on them to manifest what they want in life. As the are charged talismans and connected to the god form of the Jews. This why the Jews call their god Hashem which they state means "The Name" Hashem is the short form of Hashemporash the 72 names. All Rabbi's who are 40 years old are given the knowledge of the 72. 40 is a Kabbalistic number of their Messiah.

Yashua [Jesus] is called the Jewish Messiah. Yashua is the name of the Messianic leader Yashua [Joshua] in the Torah that conquered and exterminated the Gentile nations to create Israel the Jewish Empire. Jesus is also descended from King David the warrior Messiah who exterminated entire nations of Gentiles and created the Jewish Empire. The Bible ends in the book of Revelations which is given the Kabbalistic number of 22 chapters and is designed to connect to the Torah in the book of Daniel that prophesizes the coming Jewish global empire and Messianic war that will bring this. Revelations ends with the Messianic war which destroys the entire Gentile world. And which the Jewish Messiah rules the entire world from Zion with 144,000 Jews who represent the 12 tribes of Israel. 144,000 is a Kabbalistic number for Leviathan and Jesus is the chief cornerstone of the 144,000. In Kabbalistic terms that means Jesus is the head of the Leviathan.

Jesus openly compares and thus calls himself the Leviathan in the gospel of John. The serpent of Moses. Which in kabala is the symbol of Leviathan.

Jesus is a form of Kabbalistic magic to manifest the Jewish World Order thought. The Gentiles under Christianity have become servants of the Jews. Acting as physical and spiritual cattle for the Jews to harvest in building their Global Kingdom. This is why Christianity is based on the criminalization of spiritual knowledge and power for Gentiles to remove this from the Gentiles and leave them victims of its weaponization against them by the Jews.

Note the Jewish YHVH adds to 26 then is further added into eight. Eight is the Chet letter and in Hindu this letter is the soul the energy of life. Their god is also the collective soul of the Jewish People which their god form is connected with as the Covenant. It relates to their word for life Chai. The reversing Torah Rituals is their Achilles heel.

[Today is a Day to Cause Suffering - WE DO IT](#)

Greetings to all our Warriors.

I will be quite brief. Today is a day you can cause extreme grief to the enemy. Today, one RTR equals around 5 or in your peak, possibly 10. Therefore it's a must that we do warfare now.

If you haven't been doing RTR's, you can amend for such today. This is a great day.

Today, you are to cause damage. You damage and you destroy. The enemy sits passively and they receive tenfold destruction and worse. Make use of this.

[topic20307.html](#)

There is no need for qualms and misplaced forgiveness, on people who curse you 24/7, 365 days a year, for around 5800 years now. The enemy has to experience the 'karma' they tried to seed into this world for their personal evil.

The RTR's themselves will be a good judge on the enemy and will punish those who are responsible first and foremost.

It's a day to give them some of their own medicine.

Subject: Jews Speak In Code Concerning Human Sacrifice

In a book that I am reading by a Kabbalistic Jew who bashes Satan and his Demons as "the dark forces" or the dark "Other Side," the kike admits to the Jewish goal to sacrifice the White Aryan Race to God, and to keep the "mixed multitudes" as their slaves in the pending Jewish Utopia.

"For the holy warrior, the job is clear, remove the enemy physically from this Earth, period. Any Sage who does not see this or does not readily embrace it should not be considered by you to be a Sage. Such passive Sages are sheep; they no longer have the spiritual 'image of Man' upon them. [...] Lions are the kings of the jungle.

Sheep are the food. Sheep are sacrifices. We are the ones who bring sacrifice, not the ones who are sacrificed. [...]

When the battle is spiritual we fight it with full vigor just as if it were physical. If and when the battle does become physical, then we do not shirk our duty. We rise up with every weapon at our disposal, spiritual and physical. Yet, we also must beware that we never cross the line and translate a spiritual battle into the physical plane unless it is absolutely necessary to do so. When we [choose] to fight the spiritual battle in the physical world without paying attention to the psychic source of conflict, we enter an arena of battle in which we will surely be defeated. This is not the way." Protection From Evil: Exposing & Neutralizing Harmful Spiritual Forces in Light of Torah & Kabbalah by HaRav Ariel Bar Tzadok p. 206

Jews, such as Jewish authors like these, try to cover their footsteps and mask their fingerprints, but when they are caught red-handed, like in the above quotes, they continue playing their head games of "We don't want to hurt anyone. We just want to kill you in the most humane of ways. It could be a lot worse for you, so why are you complaining?" The Jews--the least ethical of "humans" on this planet accuse us of everything that they are, and everything that they do on us, their Goyim enemies.

When a Jew speaks of their enemies, they are NOT merely speaking of fellow Jews who they are at their wits' end with, but rather the Gentiles. Why? The reason is because another Goy was born into this world. The Jews talk about how their God is a "man of War," but in truth, he is just as parasitic and cowardly as the Jewish people are, but at the same time relies on living blood sacrifices to satisfy "his" existence. As High Priest Don and High Priest Hooded Cobra have recently pointed out, Satan and the Gods of Hell never have and never will accept human or animal sacrifices. On the other hand, in order just to survive, the Jewish-Christian-Muslim God relies on living blood, human and animal sacrifices. Any "Satanist" who desires any of these things isn't going to make it.

For a Gentile to be an enemy of God and an enemy of Christos, the Messiah, and his Jewish people, all a Gentile has to do is be born. For Gentiles, the Serpent represents the kundalini. For Jews, the false Serpent--the Leviathan--represents the collective Jewish race. Leviathan is the Jewish Messiah who requires the sacrifice of the White Aryan peoples who would protect the colored races from being enslaved by Leviathan. Leviathan is "Lord" Christos. He is the Jewish Messiah, and a reminder to stay devoted to the Reverse Torah Rituals for as long as the Jewish people exist, because if they exist, then they will try to kill us simply for existing. This is very similar to the Weimar Republic after World War 1. We will not let this happen again.

Subject: Torah Is Kabala, Christianity Is A Kabbalistic Spell			

Torah Is Kabala, Christianity Is A Kabbalistic Spell

Some Christian's try and state the Kabala is separate from the Torah. They are wrong and deluded.

The Torah is Kabala as the Jewish Rabbi's openly state. This is why the Torah starts in Genesis with stating that God is the WORD and the WORD is god. This is the 22 Hebrew letters that the Jewish god uses to create all of existence. The 22 letters are called the 22 names of god in Judaism. The Torah is the word of god because its wrote from these 22 letters of creation. And thus anything spoken in Hebrew will bring it to pass into existence in the material world. Kabala is the science of the 22 Hebrew letters that form the Word.

The ten statements of creation in Genesis are the ten Sephiroth of the Kabbalistic world tree. Which shows how existence comes into being from spirit to matter. Each one of the worlds is also assigned a specific Hebrew letter to show its role in creation by Kabala. Rabbi's openly state the creation epic that starts the Torah is pure Kabala. The Kabbalistic book the Zohar is largely based on this fact.

Understanding the 22 Hebrew letters are the names of the Jewish god and the entire Torah is made of the 22 Hebrew letters. Hence the Jewish god is 22 Hebrew letters and is the word and the word is god. And the Torah is thus god as god is the word the 22 Hebrew letters. The entire Torah is

Kabala. Kabala deals with the 22 letters. Now what is in the Torah is designed to bring things to be when read in Hebrew its one long incantation to manifest itself into the world as its how god creates in Genesis. The goal of the Torah is to manifest the Jewish Messianic Age. As promised in the Book of Daniel in which all the Gentile nations will be destroyed in a Messianic war and the Jews shall emerge the owners of the earth and all upon the earth.

As stated before the symbol of the Jewish god in the Torah is the serpent of Moses, which in Kabala is called the Leviathan. The Leviathan is related to the number 10 which is the Yod letter which is the letter all the names of their god, all the 22 letters emerge from. Hence the symbol of their Leviathan is the underlying power of the word of god. The 22 letters and the Torah. This is why the 613 laws of the Torah add to 10. However in Kabala the Leviathan is also given 7 the letter Zayin which is crowned to show the Leviathan as the King of the Jews. The Messianic age fulfilled. In Judaism the Jews state the current six thousand year cycle will end. This is the time of the Vav the sixth letter which is creation hence the six days of creation. This period is to manifest the seventh age represented by Zayin which is a called the Vav crowned. The Messianic Age is the seven. The 1000 years to come after the end of the six thousand years of the age of creation. In which the seventh millennium will be the one in which the Jews will come to power over the earth and rule. The six thousand years is the time in which the Jews work to bring their god form to power which will usher in the new heaven and earth as promised in Isaiah. The world of the Jews, without the Gentiles.

The Ark of the covenant in which the ten commandments were placed represents the Torah in Judaism. They place the Torah in the Ark in a ceremony in the Synagogue to this day. The Torah is the 10 for 613 laws of it add to ten which is the Yod letter which is the power of the 22 letters that form the word and the god form that emanates from it. Which is the Leviathan. Hence the Jewish Priest's were called the Levities and today the Cohen's which means serpents. The Ark is also shown as the Kabala cube in Judaism. Which represents the body of the Leviathan. All the aspects of the 22 letters in the larger macrocosm.

Now Rabbi Yeshua, Yeshua is the name of the Jewish Messiah in the Torah. Who conquerors the Gentiles of Canaan and destroys them in the Olah. The Holocaust in which the Jews stack up the bodies of the murdered Gentiles and burn them as blood offerings to Yahweh. In the Jewish Mishnah, the Rabbi's call the process of creating the Jewish Messianic Global Kingdom, Tikkun Olam. The A in Olah is also the vowel Ah. Its Tiklum Olahm. Meaning one thing. Offering up the entire Gentile Peoples of the world as sacrifice to Yahweh as a holocaust. The Torah states their is five types of animals to be blood sacrifices to Yahweh, Cattle or Goyim in Hebrew is one of them. The Jews call us the non-Jews, Goyim.

It goes from Olah to Olam.... Because M is the letter of Messiah in Kabala. This is what Messiah must accomplish for the Jews. It was Yeshua who did this to the Gentles of Canaan. This is the blueprint for the Messianic war.

Yeshua is latter changed to Jesus in Greek. Now in Revelations Jesus appears as the personification of the Kabala cube of space to John. And Jesus is called the word in the gospel of John and he does declare himself to be the word. In the gospel of John, Jesus calls himself the Leviathan. In the same gospel Jesus states he is the serpent of Moses and relates this to the Torah.

This is why the last book of the Bible. Revelations is openly linked to the Torah book of Daniel. And Revelations is given 22 chapters the 22 letters of the word of god that form the Torah which is the Jewish god form and thus god. Symbolized by the Jewish Leviathan. Which Jesus is the personification of. Jesus is the Jewish Leviathan which is symbolized as the world serpent in Kabala circling the Gentile nations and destroying them. The same serpent that Moses uses to destroy the enemies of Israel such as the Egyptians with the ten plagues. Symbolizing the underlying number of the Torah. Within the Torah and also the symbol of the Ark which is used as a weapon of destruction against the Gentiles. This is how the Jewish god form is shown in Torah. The Torah is

nothing more than a weapon of mass destruction against the Gentiles. Which is why the Greek Kings and Roman leaders banned the Torah from being read and burned the Torah scrolls. They were adepts in the Greek Mysteries and knew what this was about. Which is why Christianity was created to remove this knowledge from the Goyim. Leaving them helpless to the weaponization of it by Jews against them.

Jesus is called the chief cornerstone which symbolizes in Kabala the Leviathan. And the letter Zayin the Messianic Age. This is why the Bible ends with the Jewish Leviathan, Jesus arriving and destroying the Gentile nations in the Jewish Messianic war. And then ruling the new world from Zion with 144,000 thousand Jews. Who represent the 12 tribes of the Jewish race. This is also the symbolism of the Jewish Leviathan in Kabala.

Jesus is simply a spiritual conduit for the Gentiles to pour their emotional, spiritual energies into the Jewish god form they created with the Torah. Which the Gentiles then connect into and become physical conduits to bring the Jewish god form into the material world from the astral. This is why Jesus states he is the fulfillment of the Torah, the word and is the word. The full manifestation of the Jewish Messianic Age.

Christianity is a Kabbalistic spell to bring about the Jewish Messianic Age into existence.

I mentioned before the Jews openly show in their own writings about the Golem how to erase a Jewish spell. By reversing the Hebrew letters.

In Kabala there is something important. The symbol of the Aleph letter. Its the letter which adds to 26 the number of their god YHVH. Its symbol is two Yod's between a Vav. This is the symbol of the Jewish god form being connected to the Jewish soul though the Torah, the Vav. That which connects them. And 26 adds to the Chet letter. Which is the letter of life and the soul in Kabala. The Baal Shem Tov, a Rabbincial Saddok, a high ranking leader of the Jewish people. Called the Aleph letter the most important of all the letters. Aleph in Kabala is showing the relation of the Torah.

The Jews call the Torah....The Water Of Life.

The Aleph letter shows the Jewish soul and the Jewish god form is one. Erase the god form of the Jews from the astral with the Reverse Torah Rituals and what will happen to the Jews in the material world.....

Subject: SATAN Is The Original Name Of Godhead			

SATAN Is The Original Name Of Godhead

Satya is the original name of the ancient primordial religion.

In the original language of Sanskrit, SATA is the highest name of God. This is also spelled SATAN in Sanskrit which means 100 which is the number of the sun, existence, enlightenment and the crown chakra which is the God chakra in Hinduism, the crown chakra is called Guru meaning the remover of darkness, God, the enlightener. The opening of this center with this mantra SATANAMA in Kundalini yoga brings super conscious awareness. There are Hindu's that have SATAN as their spiritual surname in India.

SATA is the name of the Logos, SATA is the original Name of God in the cosmic, universal sense. This is why SATANAMA is the highest mantra in Hinduism. Its paying homage to SATA the highest NAMA [Name] of God. Sat is fully spelled SATA in Sanskrit. The T letter has the A on the end. SATAN means Saviour in Sanskrit as well. The name of the serpent energy that transforms the soul into the gold thus perfecting the light body which is to be made whole or saved in the ancient teachings of serpent yoga.

Why SATAN is the highest name of God:

"From Sat [Sata] springs forth energy, which manifest itself in the form of an elementary vibration that can be compared to a primordial sound nada. It is from this vibration that the boundary point, bindu issues. -Sharadatilak1.7

This is describing the principals of existence for the entire Cosmos.

In the Hindu texts SA is the name of the element of spirit and the name of the Creator God, thus soul the breath of life or prana and the sound or vibration of the universe that as stated all the elements arise from. In the doctrine of the Word in Hinduism, TA is the divine mind the other half of the name of God. The two letters SA and TA come together to form the dual aspects of the Word....Divine mind which manifests as divine speech. Sound and form. Thought in English comes from Tat the ancient name of Thoth in Sanskrit. Which the Egyptians were a Vedic civilization like the Greeks. Ta or Tat is the divine mind in Egypt.

"The process of the creative word is based on the analogy between the processes involved in the transformation of thought into word and sound vibration, and the process of divine thought, which becomes the substance of the word in the shape of energy vibrations."-While the Gods Play, Danielou

SATA is the SA vibrational or Shakti power of existence and TA is the consciousness or awareness of this the Shiva principal. This relates to the vibration the feminine as energy and the masculine as geometry forms the vibrational patterns which relate to number that forms the whole universe, all is number. It also relates to the left and right sides of the brain in the human and the electric and magnetic aspects of the soul. Including the male and female chakra's the upper three and lower three that meet at the heart. The connector of the soul. In later times like in Kashmir Shivaism with the Tantra period this became know as Shiva and Shakti.

SATAN is also the cosmic principal in which the entire Sanskrit alphabet of 54 letters issues from that forms the petals of the sound forms of the chakra's of which are the elements and which manifest the entire being into existence. This is why SATAN is the serpent because this is the body of the Devi or serpent in Hinduism the seven chakra's, their nadis and the flow of prana through them from what is called the body of the serpent. The light body. The literal Word made manifest. Which is SATAN made manifest in the original language.

This is more than philosophical the SATAN is a mantra in Yoga which opens up the crown and third eye. That both sounds the N on the end forms the TAN or Than mantra that in Hinduism opens up the Ajna chakra, the third eye. N is the relation to the voltaging of the energy into the material aspect of existence by acting directly on the Bindu or chakra point to open the flow of energy into the body. Thus bringing the vibration of the SATA fully into the chakra's and opening then with the N on the end.

SATAN is the name of God in the macrocosm of the universe and within the Microcosm of the soul. SATAN is also the name of the physical God that as the Sumerian's stated created the Gentiles. The Sumerian's called ENKI, SATAN as well. This is why the Yezidhi's who were part of this civilization still call their God, SATAN. The Yezidhi's still practice rituals found on ancient Assyrian reliefs. The Yezidhi's also state they came out of India around three thousand years ago. And they still call the Sun, Shammash, the Sumerian, Babylonia name of the Sun God. Their calendar is seven thousand years old much older than the Jewish one. This proves again SATAN predates Judaism by thousands of years as God.

That is why the Jewish Rabbi's call Gentile's SATAN's, its because SATAN gave us our soul which is ethereal within the DNA of which we come from His blood as well. Its metagenetic.

This is why the Jews hate SATAN because they wish to exalt their false god Yahweh, which is just a magician's trick a servitor created and maintained by Rabbi's that has been infused to a major level of energy by criminal vampirism tactics. The Jews are an alien soul and naturally due to this hate us.

The reason the Rabbi's hate SATAN is simple they state it over and over again in their writings. SATAN refused to bow down to them and is more powerful then all of them put together. The Jews as Bobby Fisher confessed have a murderous hatred for anything or anyone that they can't control and that has more power them then. And seek to totally destroy it. They will even destroy each other in this insane hatred.

SATAN is God and as the Jews admit God of this earth, the original God and thus they wish to attack Him by attacking His children the Gentiles and wiping out all Gentiles off the earth as they state in their Torah and Kabala texts. And doing so having the whole planet to themselves as stolen property. Rav Laitman stated the Jews are alien and have come form another world to this one to wage war against it till they conqueror it and remake into their own ugly image.

SATAN the name of the energy of spirit that forms the elements forming all creation and the soul, is eternally and anciently.. Shown as the symbol of the.....

Which is the eternal banner of SATAN.

Jewish Rabbi's Admit Satan Is God Of The Gentiles

The Jews openly state Satan is the Father of the Gentiles and that our cultures are from Satan and that the Gentiles are to be destroyed, totally. The soul and blood are one the soul is the etheric DNA.

As show here Satan is the original Sanskrit [the oldest language on earths] name of God:
topic20376.html

The Sumerian's called ENKI, SATAN as well. This is why the Yezidhi's who were part of this civilization still call their God, SATAN. The Yezidhi's still practice rituals found on ancient Assyrian reliefs. The Yezidhi's also state they came out of India around three thousand years ago. And they still call the Sun, Shammash, the Sumerian, Babylonia name of the Sun God. Their calendar is seven thousand years old much older then the Jewish one. This proves again SATAN predates

Judaism by thousands of years as God.

When the Jews state in their writings that Amalek is to be blotted out and destroyed they are referring literally to Satan. But also to the Gentiles who came from Satan's bloodline as the Jews state in their Torah. The Goyim are from the seedline of Satan. Where the Jews are from Yahweh. The Jews wish to exterminate the Gentiles to usher in the Jewish Messianic age. In which only the Jews will inherit the earth.

Note they call Satan "The strange God".

From a site on Jewish Kabala. Goyim means with strange Gods, meaning our Gods, the Demons. In the Zohar, Satan is called the strange God, the Serpent, Samal [Devil-Satan] who is the Father Of the Gentiles.. Its Samal the Jews place in the garden of Eden whom they say Cain is the descendent of the serpent seed line the Goyim came from. Where the Jews came from Eve via Adam who is Yahweh's creation only and thus have a special blood line the Goyim don't. We have Satanic genes and soul.

Simple Gematria of L'Goyim = (40) +(10) +(6) + (3) +(30) = 89

On the other hand, we can compute the "complex" Gematria of a word by summing the numeric values of the spelling of each letter of the word. For example, in the case of l'goyim, although its simple Gematria is 89, it's complex Gematria would be computed from the individual Gematriot of its five component letters as follows:

= (30) +(40) (4) = 74
= (3) + (40) + (30) = 73
= (6) + (6) = 12
= (10) + (6) + (4) = 20
= (40) + (40) = 80

Complex Gematria = 259

And this complex Gematria of 259 connects the word l'goyim (the Gentiles) to the word b'zarim ("with strange gods", also with a Gematria of 259), "

Our Gods are "Strange" to the Jews because the Jews are alien souls and alien to this world as Rav Laitman has stated.

"Samael in the Zohar is associated with Amalek, the god of the physical world. The text describes Samael as Amalek's occult name.... Also equates him with Satan."

Samel is a Sanskrit word and means SAM [soul] AL [God] The God of the Soul. The Jews acknowledge that Satan is the Father of our souls as well. The Sumerian's stated Satan [The Sumerians called EA, Satan] breathed the breath of life into the Gentiles as their creator. Hence why they openly call us Satanic Souls. However this also means in Kabala the Jews wish to destroy the Gentiles on the soul level as well. Which is what the Torah is created to accomplish with the god form the Rabbi's created with it. The Torah as the Jews state is their god. And its full of curses on the Gentile soul from Genesis and on. This is why the Torah tells the Jews to destroy the Gentiles

and their cultures. And the symbol of the Jewish god which the Jews called Leviathan is the Yod letter which the whole Hebrew alphabet comes from. Which is 22 letters that make the god of the Hebrews and the Torah. The Leviathan the Jewish god form is depicted in kabala as serpent encircling and destroying the Gentiles of the world. This is there Torah. Jesus is openly called the serpent of Moses which is the Jewish Leviathan the Jewish god form. The goal of Christianity is to bring about the Messianic age of the Jews and destroy the Gentiles.

The Jewish Zohar volume one, pages 28b to 29a states:

"At that time the mixed multitude shall pass away from the world. The mixed multitude are the impurity which the serpent injected into Eve. From that impurity came forth Cain who killed Abel. For they are the seed of Amalek. Whom it said "thou shalt blot out the memory of Amalek." Gentiles who are compared to the beasts of the field another from the mazikin [goblins] for the souls of the wicked are literally mazikin [goblins] of the world: and there is impurity from the side of the demons and evil spirits: and there is none so strange among them as Amalek who is the evil serpent "the strange God." He is the cause of all unchastity and murder and his twin soul is the poison of idolatry, the two together being called Samel.... This side of the serpent is accused above all."

In Kabala there is something important. The symbol of the Aleph letter. Its the letter which adds to 26 the number of their god YHVH. Its symbol is two Yod's between a Vav. This is the symbol of the Jewish god form being connected to the Jewish soul though the Torah, the Vav. That which connects them. And 26 adds to the Chet letter. Which is the letter of life and the soul in Kabala. The Baal Shem Tov, a Rabbincial Saddok, a high ranking leader of the Jewish people. Called the Aleph letter the most important of all the letters. Aleph in Kabala is showing the relation of the Torah.

The Jews call the Torah....The Water Of Life.

The way out of this is the Reverse Torah Rituals which the Jews show in their own texts with the Golem. The way to reverse a spell in Hebrew is by reversing the Hebrew letters. The Reverse Torah Rituals is the key to erasing the Jewish god totally from the astral....

The Aleph letter shows the Jewish soul and the Jewish god form is one. Erase the god form of the Jews from the astral with the Reverse Torah Rituals and what will happen to the Jews in the material world..... Jews are biological weapons of mass destruction like their Torah is a spiritual weapon of mass destruction against this whole planet.

The Jews openly state Satan is the Father of the Gentiles and that our cultures are from Satan and that the Gentiles are to be destroyed, totally. To worship the Jewish god, Yahweh in the form of Christ or another other is worshipping the Jews who wanted to exterminate you off the earth. The Jews even state this in their own texts.

THERE IS NO GOD BUT MYSELF" "KNOWING THIS, WHO DARES WORSHIP THE FALSE GODS OF THE KORAN AND BIBLE?"

This is my reply to a thread in the Teen group, but I am reposting this to all the groups and the

forum, as it is something to be aware of:

In addition, the Jewish controlled medical association is pushing hard for the population to be addicted to psychiatric drugs. Who hasn't heard of Prozac?

On top of the trillions of dollars these Jewish doctors, Jewish pharmaceutical companies and Jewish related reap from these drugs, the Jewish media incessantly pushes them.

Television commercials, magazine ads, in the newspapers, online advertisements and of course, their movies with the theme of mental illnesses in the characters.

I have seen several of these movies where the characters reach into their medicine cabinets for those little copper colored prescription bottles, often the shelf is lined with them.

The characters in these movies also have trouble discerning reality from delusion. This often is the main plot. This ties in with the pharmaceutical commercials and everything else as powerful subliminals to encourage mental illnesses among the populace. Not to mention we live in a sick world.

In the former communist countries, especially in the USSR, there was what was called "Punitive Medicine." Anyone who was a threat to Jewish communism was often forcibly placed in a mental institution, shot through with dangerously high doses of mind altering drugs for psychosis, such as haloperidol (commonly used), which produced hideous side effects.

Note- anyone who is against the Jews or their agenda is labeled as "insane."

Again, I want to add here, "People's" as is used synonymously with communism, is "People's Republic of North Korea" etc, has the word "Chosen" dropped. A rabbi authors have admitted this. As is written in their Talmud, they own everything.

Subject: The Half-Awakes and Satan's Kingdom			

[The Half-Awakes and Satan's Kingdom](#)

<https://josministries.prophpbbs.com/topic20431.html>

Reality is simple, at least to an extent.

There is something worse than being asleep. When someone is asleep, people know what to expect and what to NOT expect from them. When people pretend to be 'awake' are more dangerous.

Truly, can we define what an awakening means? As Spiritual Satanists we can. Many other people

are like walking on the darkness. They read a book and now they have been 'awakened'. It has been writing some universally crucial information about the "Millennials" or some sort of MAGA into it.

They are awakened now. That was it. They now a new person. It's almost the same thing when they pop some drugs and they assume they reached the Godhead because their brain goes into a rampage from the chemical imbalance. Awakening made "easy".

One example is how people always complain about how "Civilization is going to fail". While literally they praise and feed a jewish egregore named Jehovah, and have pledge allegiance and servitude to a fictitious rabbi named "Jesus Christ" or for accurate naming, Rabbi Yeshua. Hovah in Jehovah means in Hebrew, Destruction and Disaster. How come Civilization is falling?

I wonder.

Like, what are they expecting with it? What we call 'spiritual' and 'godly' is responsible for our realizations on a higher levels, and also what we are as human beings in the spiritual level. These people don't even have this at all.

Truth is a privilege for the few. Many people are wasting their time being scared. Afraid of losing their so called 'footing' and 'grounding' which is rooted in lies, hearsay, and complete lack of experience, they literally also lose their life. Many people remember this mistake either when they seriously suffer, or when it is too late. But it's too late by then.

Another characteristics of the half-awake people is that they flock where the masses are at. If we had the masses, they would be hailing Satan right now, and praising him in a loud voice. And this will happen in the future. The people that matter however are those who come into the ship when it departs and starts into an unknown trip. When it comes back with the loot, everyone wants their so called loot.

Who has power (to some extent) now? The enemy. Therefore these people are with the enemy. Doesn't matter if they are asleep, spiritually dead, and roaming into nothingness, for all eternity. They closely do not exist at all. But who cares? Certainly, not them.

Satan has built all the Ancient Empires of the world. We know closely nothing about our past. Many people, even if they know the reality that much of history is falsified, they go with the enemy to an extent anyway. Because this is what satisfies them on the present. And truly this is how animal desires go. Satan seeks the Gods as well, and not the cattle. We will never be at a shortage of cattle in this world.

Satan raised Rome for 1500 years (According to mainstream history). Rome only fell in the last centuries, after so much effort by the enemy, for thousands of years. We crumble their own 'empire' in less than two decades, and less than 5 years of consistent spiritual warfare.

Egypt has went for well over 50,000 years according to least 'conventional' reports. In other words, the present may be blinding, but people will see this in the future. The enemy is collapsing with the RTR's in less than two decades. They used to brag that they had won, but have they ever?

All the Gentiles are still the reason any civilization does exist, upon which, by parasitical assignment, jews also 'survive' and 'lead' for a while. Their whole achievement was based on Satan's creations being under parasitic limbo. They got a small country built up for themselves on stolen soil...For not even a century. And they brag. So incessantly. This is the behavior of a loser that is afraid and knows they will lose.

They literally just caught this podium in the world and they go into insanity mode to convince

people of omnipotence ASAP.

Has Satan ever bragged? The monuments however brag on their own. And the enemy knows this. If people believe that these entities that have been running the planet for over 100,000+ years, are going to 'quit' and that they will not retake their kingdom in the future, we must pity their stupidity.

Weak and incapable beings are the harshest judges, same as those who have never done anything. It's these people that try to belittle Hitler and many other bright beings of Old. If they lived and they were in front of them, what would they do? Where their so called 'Opinion' would be there? Nowhere... Because they are a bunch of nothing.

They vilify them, and pretend the world has 'moved' on. Andrew Anglin thinks he knows better than Hitler because well, in 2013, after we have dragged down the enemy for centuries, behold- he raised a website. To promote Duginism by the backdoor, praise Rabbi Jesus, and provide some so called "Anti Semetic Material" while at the same time...He pushes the bastion of all jewish power that brought the greatest Empires of Gentiles down, such as Christianity.

He has found how this will be solved too. You know, praise the Jewish Egregore, this is the solution to the jewish problem. A little kid read a book about Fascism and Christianity. By sucking Rabbi Jesus we are going to be saved from the jews, if you do not get it, then you're a beta cuck. He now knows. He is awake. He knows it all. Except of the obvious...

They consider that since Hitler and all these great people lost their mortal seath (which is what happened according to them), the war is over. They are the new 'Awakened' now. Praise Rabbi Jesus. Because you know, Hitler knew some things, and conquered the whole of Europe at the height of the jewish power. But they know better because...They got a lawsuit by some jew, or because they are on PoL and 4chan.

Hitler deserves mass gratitude that humanity will only has STARTED to understand now, from saving us from the jews by delaying their advances...As the Daemons and the Heroes of old, he did save the world. But instead they praise and worship alien entities, and Jewish Rebel Rabbis. Who in their rebellion state they only came to fullfill Rabbinical Law completely and without a letter changed. LOL

We are the stupid ones for we cannot comprehend this wisdom. Morbidly obese people that weigh half a ton are the new slim. Athletic and fit is the new obesity. Believe it.

The Alt-Right is very equal to the Nazis. 85% percent of it is also jews, cryptos, and christian shabbos Goyim. And since the jews are always a factor in Superiory, they have surpassed Hitler now and the National Socialists. Because this is Communistic Judaism. The past isn't the present and therefore irrelevant. Jewish opinion on how to be saved from jews is now the new relevant.

So they know better than all the Nazis combined. You don't know. Hitler doesn't know. These extremely insightful people do.

One needs to ask the Rabbis if this war is over or not? Are the Rabbis afraid of Anglin, the "Fashy Alt Right", the "Christian Deus Vulters", whom they can kill with a flying curse at the Shabbat? Is this how they assume the jews will fall. If a Rabbi would ever answer honestly...

They will tell you their concerns and how they know they are under extreme dangers spiritually and otherwise. They are only afraid of Satan and the Gods of the Gentiles. Because only through this will come their destruction: Spiritual Warfare.

The enemy sees nobody else behind all these manifestations, clearer or less clear...And they are entirely right. These are all doings of Satan and the Demons. This is the sound of revenge, and

these may come in corrupted forms today, but they get rectified with time and will only become clearer cutting daggers in the future. The Gods will ensure this.

The Jews may not revile in safety. They know and pay their agents to promote Christianity and Christian "Revolutions" incessantly. But from this wave emerges a far more radical and decided wave to end their supremacy advances forever. And no amount of disinfo can change this.

Marcus Aurelius was part of the highest mysteries of his time in Rome. Rome was degenerating. The only reason they failed to turn Rome from destruction was corruption and lacking numbers in the higher order. Spiritual Satanism right now has the numbers. We are a worldwide entity like the Brotherhood of the Serpent. We cannot be stopped, nor can our spiritual warfare. We are a spiritual fighting unit like none other has been for centuries.

Jews have outlived the ballot, the gun, the persecution. They have survived Pagan emperors based on the incompetence of the Christians that couldn't deal with the problem. Hit the Gym and be a Christian Goyim, the Jews will be really afraid of you...Like they didn't deal with killing machines such as the Romans and survived unfortunately. Because they believed that the Lord of the universe was born a Jew...So we must not persecute these chosen people.

But of course, they will not survive Christian Putinist Alt-Righters. I must have missed that. And Christian Goyim are their greatest fear. Because it's not like they have been surviving these ones for twenty centuries...And did whatever they wanted to do when these fools became the majority.

This is how Rome was brought down in Three Centuries, through Christianity. And this is how we will bring them down in possibly three decades, if we follow our decrees and fight spiritually with relentless faith, and through Spiritual Satanism.

The glorification of hoaxes will only last a season. The Pyramids were built in an astrological season that will be upon us during Satan's Era, Aquarius. When the forces of the Gods will become extremely open to the world again, there will be no place to hide: The means the enemy has created to scout and intrude freedoms will be used against them.

This world still belongs, and always did belong, to Satan. His statues are everywhere, what the Gods left behind is our reason to live and exist, all mental striving has Satan's blueprint, and down to the last drop of blood in any Gentile, we have Satan's creation. Any knowledge of spirit, and any manifestation of anything that is greater than Man, always has had the blueprint of Satan on it.

Satan is still the God of the World, and all Worlds. Denial of this fact is only a delay and suffering in the destiny of Gentiles.

The only thing that has changed is blind convictions that this is not the case, even when all reality says otherwise. Even those who make these know this is false, but they keep going regardless to their destruction.

Satan will have his revenge. We must hand him back his kingdom if humanity is to be redeemed and rise again.

[**Reverse Torah Ritual Schedule \[August 11th to August 17th\]**](#)

Greetings to all our Satanic Warriors!

To make a long story short, we have been doing awesome with the schedules. Bit by bit, we are bringing the enemy down. This must only continue and we must never cease for there is only one way to go: Until they are spiritually destroyed.

Our wish is no different from their own. Spiritually they must be completely left destroyed. This objective will become manifest.

The RTR Veteran will be updated when we are doing with new releases. It's too time consuming to literally go at it back every time and re-program it and everyone re-downloading it. However, on the current schedules box, one will be able to find the schedule and I will also put an external link so that people can find the schedule directly.

The RTR's for wealth, plus the Communications and the 72 is a pure disaster, added the Demonic Authority here and then to push things from the backdoor. This combination is a disaster for the enemy and it has cost them more than anything in the past. They literally plucked their own eyes out with all the things they do.

And so long we continue they will keep doing this until people actually chase them on the corners of the earth.

Without further due, here is the Schedule.

In asterisk are the dates that need more spamming of Rituals due to planetary alignments. After this, we will as always update:

11. **RTR's for Wealth, 72**, Communications RTR [Bonus: Demonic Authority RTR]
12. **RTR's for Wealth, 72, Communications RTR**
13. RTR's for Wealth, 72, 42
14. **RTR's for Wealth, 72, 42**
- 15***. **RTR's for Wealth, 72**, Demonic Authority RTR [Wealth RTR's are disastrous in that day]
16. **RTR's for Wealth, 72**, Communications RTR
17. **RTR's for Wealth, 72**, Communications RTR

Subject: The Weather

Something I want to address here. The weather lately has been unusual. Violent storms have torn through parts of Europe and the US and other places.

Getting to the point. I came across a news article this morning regarding the weather that had the word "biblical" in it.

Those biblical prophesies are subliminal. The Jews have used this to control an ignorant world for centuries.

With advanced technology, humanity has been taking strides in attempts to influence the weather. The Chinese used technology in the 2008 Beijing Olympics to stop rain. That was noted.

Don't ever be fooled into believing any of this is "An act of God." No doubt, those in power, Christian idiots and Jews will keep trying to use the violent weather, earthquakes, floods and so forth to push their lies and to try to influence people.

This sort of weather is nothing new. But, to the ignorant masses, most unquestionably believe what they're told, and with the advanced technology, the powerful subliminals and a lack of spiritual

knowledge, many are vulnerable to being manipulated.

Subject: Charlottesville Was A False Flag			

Charlottesville Was A False Flag

The people who attended the rally state they were set up by the government. The governor signed the State of Emergency at 11:06 a Kabbalistic number. President Truman signed the act to recognize Israel at 6:11. And Ben Gurion signed Israel into existence at 6:00. The number 11 represents the Jewish People and their God form as one and six is the number of creation in the material realm.

Israel is also the Jewish People.

6:11 is also the number hidden in the Aleph letter in kabala which is the letter of God. Its two Yod's one for the Jewish God form and the other for the Jewish soul. This reduces to 1 and 1 to 11 which is the number of the Jewish Messiah, Kav, kingship and political power. The 6 is the Vav that connects the two into one. 6:11, 11:06 This is the Kabbalistic number of the Messianic Kingship of the Jewish Race. Which is to be finished by creating a global Communist State. 11 is also the number of Edom the 11 kingdoms of the Gentiles to be destroyed in the Messiah war of the Jews in their Torah and Kabala.

11:06 the Emergency Order was brought to tie this event into their God from 6:11 to create a state of Emergency in the public mind and bring forth more political violence. The Jews are using this to tie into the American Civil War. Which they also started in the past to divide and destroy America. Out of the end of the war the Jews tried to promote a pro Communistic regime in the South.

The car that drove into the Protesters it was driven by a Jewish driver, its license number was GVF1111. The Jewish Media is flashing this all over and over.

VF is 66 in both Jewish and English gematria making 66 and 1111 the doubling of 11:06 the date of the State of Emergency. 66 is also the numbers of chapters in the Bible the Jewish god form. Also the doubling of the number of the American signing of the State of Israel. Thus connecting the agenda of Israel. Which is also the Jewish People.

The Jewish news originally stated 1 killed and 19 injured. Which is 119 which is also 911. The number of Emergency and the date of the Balfour decoration of the State of Israel and the Mossad attacks on American on 911. Which was to create Greater Israel which is also the Jewish People.

The car was not supposed to be allowed into the area but the Police stated they allowed it in. Because it was the same style of undercover Police cars of their department. So this was deception. I don't think the driver was ment to be caught.

From the Kabbalistic numbers and false flags this was a operation to cause chaos and push America towards a Race War for Israel which is also the Jewish People as a whole and their world governments agenda of destroying the American Nation. By starting a civil war and bringing a Communist Revolution out of it. Which is how the Jews took over the Russian Chinese, Cuban, Cambodian, nations with Communism. And was attempted in Spain, Germany, Hungary and other nations as well. The Jewish kabala orders creating chaos to bring the Jewish world order out of it.

[Reverse Torah Ritual Schedule \[August 11th to August 17th\]](#)

Click above for the link in the forums ^

Greetings to all our Satanic Warriors!

To make a long story short, we have been doing awesome with the schedules. Bit by bit, we are bringing the enemy down. This must only continue and we must never cease for there is only one way to go: Until they are spiritually destroyed.

Our wish is no different from their own. Spiritually they must be completely left destroyed. This objective will become manifest.

The RTR Veteran will be updated when we are doing with new releases. It's too time consuming to literally go at it back every time and re-program it and everyone re-downloading it. However, on the current schedules box, one will be able to find the schedule and I will also put an external link so that people can find the schedule directly.

The RTR's for wealth, plus the Communications and the 72 is a pure disaster, added the Demonic Authority here and then to push things from the backdoor. This combination is a disaster for the enemy and it has cost them more than anything in the past. They literally plucked their own eyes out with all the things they do.

And so long we continue they will keep doing this until people actually chase them on the corners of the earth.

Without further due, here is the Schedule.

In asterisk are the dates that need more spamming of Rituals due to planetary alignments. After this, we will as always update:

11. **RTR's for Wealth, 72**, Communications RTR [Bonus: Demonic Authority RTR]
12. **RTR's for Wealth, 72, Communications RTR**
13. RTR's for Wealth, 72, 42
14. **RTR's for Wealth, 72, 42**

16. **RTR's for Wealth, 72**, Communications RTR

Subject: Using Light Props

Last month, I posted on this topic. One very important thing to remember here is NEVER use any LED lights or bulbs! They have an ultraviolet wave length that is bad for eyesight.

If you use a desk lamp, use one with a regular normal lightbulb.

Shining a light in your face with your eyes closed can be a huge help in the visualization of light, especially if you are sick with a dirty aura, or cannot access the sun, etc. Especially for new people.

Always stick to using a regular soft white lightbulb. LED lightbulbs are damaging to the eyes.

Lenin Statue Were Is The Media Outrage

Note the Masonic banner in the background..... Any surprise. The command lodge of Free Masonry is the Jewish b'nai brith lodge. The Communist revolution came out of the Free Mason lodges across Europe which is why they were banned in Germany in the Third Empire. Which was nearly taken over by Jewish led Communist terrorism. Something to consider historians have noted that eight percent of the German population was killed in the second war. Thirty percent of the German population would have been killed if the Communists had of been successful in taking Germany over in the previous decades with their armed assaults like the Spartacist revolution, led by Jews.

With all the crying over statues of the American Civil war [fought over secessionism not slavery, Lincoln even stated such at the start of the war and promised slave owners they could keep their slaves] not a surprise within the realm of the Jewish run toilet of the lame stream media no one is talking about the statue of their fellow Hebrew tribe master Lenin in Seattle. Which was brought over from the USSR after its collapse and placed in the city.

Lenin was a Jew who's first order after violently overthrowing the elected Russian government and its parties with murder and political terrorism. Was the Anti-Semitism act which involved the death penalty for anyone even suspected of anti-Semitism. This was to protect the Communism leaders from being exposed as crypto Jews. And to silence any uprising against the Jews when the people find out the truth its a Jewish criminal movement against them. Which happened in Hungary, Poland and Germany. Ten million Russian's were brutally murdered by Lenin and his actions. His violent actions also includes unprovoked military invasions of other nations under his orders. Lenin order his Red Army to attack and murder its way thought Poland to create the "Red Bridge" to invade Germany though. After that Europe would have fallen.

Also no surprise how the Hebrews who pimp the fake news are not mentioning the entire slave trade was run by Jews. And that Jews used their money power to create political lobbies to pass laws in the governments to ensure that Jews would maintain a total monopoly on the slave trade. And that Rabbi Marx even wrote letters supporting the slave trade of his fellow Hebrews. So much for his claims to want to liberate anything. The core principal of Communist ideology is owning property is the cause of all the social problems and oppression. So no one should own anything.....So to end this you need to hand all your property, rights, media and political control..... Over to a small band of (((individuals))) who just happened to be fellow Hebrews of Marx, so they can OWN EVERYTHING and that includes you in a totalitarian government. Which cancels out the entire premise of Marxism. This some how is freedom. Rabbi Marx tries to explain this hypocrisy away by claiming that after enshrining a political class with the power of god over you. They will somehow just magically fade away and the government ownership will end..... Of course he could never explain how.... BECAUSE he was lying Jew, duh. Ani't no shame in the Hebrew game.

Subject: Most Powerful?

This is a reply I sent to the Teen group. I'm resending this to all the JoS groups, as it is important.

Given centuries of indoctrination, being force fed lies created from Jewish filth and such, too many people unknowingly apply this crap to Satan.

Judaism and its Christian idiots and Islamic vermin keep promoting the LIE that their "God" is omnipotent, omnipresent and all kinds of other "omni" shit.

This is an outrageous lie and is fueled by doubletalk and endless nonsense and excuses.

This is no different from people being indoctrinated with the "Sell your soul to the Devil for wealth, fame, power and riches." When this doesn't happen, then there is a huge letdown.

Satan and our Gods are here to help us spiritually advance. They give us knowledge. Also, there are certain things one cannot do without the direct help of a Demon/ess. They are here to help us.

If someone wants wealth, power, fame and riches, they have to do the workings for it. Many who have achieved this (from all walks of life), have had it programmed onto their souls and/or have already achieved this in past lives. It is etched into the soul.

The universe is infinity. No, our Gods are not the most powerful. The reference in the Al Jilwah (There is no place that does not know My presence), is an allegory for the life force, vril, energy that links everything. This is no different from the reference to how long we live, as this has to do with the soul. Our time of death is programmed into our souls from past lives.

I do want to add, Satan does have the power to change what is on the soul. This is individual though. My own time should have been up in 2005. Satan changed that for me. Death can be seen in one's astrology, but you really have to know what you're doing and not make thoughtless predictions.

Through Satan, we can be given the knowledge to remove this, as well as remove the program that causes aging.

Satan and our Gods are trying to help us. There are certain things each of us have on our souls as a result of experiences, past lives, etc. Our Gods give us the knowledge to remove these (many of which are negative and detrimental). Through meditation, we achieve the power to take control of our own destinies.

Christianity, Islam and other Jewish invented filth strives to remove all spiritual knowledge and to keep humanity as slaves.

Satan DOES have the power to reincarnate His own. Also, when any dedicated Satanists die, Demons escort them to Hell. This is to protect.

The reason we do the RTRs and such is to do our part. Astaroth once told me "You do your part and we will do ours."

We are fighting for our spiritual liberation and freedom. We must fight relentlessly and fight hard.

No, unfortunately Satan is not the most powerful.

The enemy also is NOT the most powerful.

We need to keep fighting.

True Satanism is about achieving spiritual freedom and the power to take control of our own destinies.

The universe, with 100+ billion galaxies is infinity. There is no "one" out there with total power.

Subject: Re: Lenin Statue Were Is The Media Outrage

I want to make a few statements here. First off, this removing Confederate Monuments is an insidious step. The Jews in pushing their communist agenda take two steps forward and one step back. The populace doesn't notice or protest changes that occur slowly. When everything is all said and done, it is too late.

Their ultimate goal is to destroy the USA. The USA is the last free power.

They remove the Confederate Monuments, they will push to remove more, just as President Trump stated, until they have completely taken over and it will be too late.

As I mentioned before, the ubiquitous communist term "People's" has the "Chosen" dropped in front of it. Rabbi authors are now openly admitting this.

Quote from the Talmud:

Seph. Jp., 92, 1: "God has given the Jews power over the possessions and blood of all nations."

Right now, we are somewhat free in the USA.

Everyone should be aware of the tactics of Jewish communism, that presents itself like Christianity, a brotherhood program.

In truth, the Jews take control of everything:

The food- the extremely low quality, endless lines and shortages, then the periodic famines, like the Holodomor in the Ukraine. Famines are instituted to break the will of the populace. Millions wind up systematically starving to death.

The Jew government takes control of the housing- families of seven or more are crammed into one or two room "apartments" and to get anything even a bit better that is still far substandard, one is placed on a waiting list for years, often spanning decades.

Here in the USA, Jews have bought up massive amounts of property. This is why there is such a huge homeless population.

Athletes from the former communist countries, unlike athletes in the free world, had to turn all of their prize money and money from their tours over to the Jewish government.

We are in a very serious issue right now. People need to wake up.

Here is an article everyone should read about who the REAL slave owners were:

Who Brought the Slaves to America?
By Walter White Jr., 1968

The story of the slaves in America begins with Christopher Columbus. His voyage to America was not financed by Queen Isabella, but by Luis de Santangelo, who advanced the sum of 17,000 ducats (about 5,000 pounds-today equal to 50,000 pounds) to finance the voyage, which began on August 3, 1492.

Columbus was accompanied by five 'maranos' (Jews who had foresworn their religion and supposedly became Catholics), Luis de Torres, interpreter, Marco, the surgeon, Bernal, the physician, Alonzo de la Calle and Gabriel Sanchez (1).

Gabriel Sanchez, abetted by the other four Jews, sold Columbus on the idea of capturing 500 Indians and selling them as slaves in Seville, Spain, which was done. Columbus did not receive any of the money from the sale of the slaves, but he became the victim of a conspiracy fostered by Bernal, the ship's doctor. He, Columbus, suffered injustice and imprisonment as his reward. Betrayed by the five maranos (Jews) whom he had trusted and helped. This, ironically, was the beginning of slavery in the Americas (2).

The Jews were expelled from Spain on August 2, 1492, and from Portugal in 1497. Many of these Jews emigrated to Holland, where they set up the Dutch West Indies Company to exploit the new world.

In 1654, the first Jew, Jacob Barsimson, emigrated from Holland to New Amsterdam (New York) and in the next decade many more followed him, settling along the East Coast, principally in New Amsterdam and Newport, Rhode Island. They were prevented by ordinances issued by Governor Peter Stuyvesant from engaging in the domestic economy, so they quickly discovered that the territory inhabited by the Indians would be a fertile field. There were no laws preventing the Jews from trading with the Indians.

The first Jew to begin trading with the Indians was Hayman Levy, who imported cheap glass beads, textiles, earrings, armbands and other cheap adornments from Holland which were traded for valuable fur pelts. Hayman Levy was soon joined by Jews Nicholas Lowe and Joseph Simon. Lowe conceived the idea of trading rum and whiskey to the Indians and set up a distillery in Newport, where these two liquors were produced. Within a short time there were 22 distilleries in Newport, all of them owned by Jews, manufacturing and distributing 'firewater.' The story of the debauching of the Indians with its resultant massacres of the early settlers, is a dramatic story in itself.

It is essential to comprehend the seaport of Newport. It is important in order to recognize the Jewish share in the Slave commerce. There was a period when it was commonly referred to as 'The Jewish Newport-World center of Slave Commerce.' All together, at this time, there were in North America six Jewish communities: Newport, Charleston, New York, Philadelphia, Richmond, and Savannah. There were also many other Jews, scattered over the entire East Coast. Although New York held first place in the settlers of Jews in North America, Newport held second place.

New York was also the main source of Kosher meat, supplying the North American settlements, then the West Indies and also South America. Now Newport took over! Newport also became the great trade harbour of the East Coast of North America. There, vessels from other ports met, to exchange commodities. Newport, as previously mentioned, represented the foremost place in the commerce of rum, whiskey, and liquor dealings. And to conclude, it finally became the Main Center of Slave dealings. It was from this port that the ships left on their way across the ocean, to gather their black human cargo and then derive great sums of money in exchange for them.

An authentic, contemporary report, based on authority, indicates that of 128 Slave ships, for instance, unloaded in Charleston, within one year, their "Cargo," 120 of these were undersigned by Jews from Newport and Charleston by their own name. About the rest of them, one can surmise, although they were entered as Boston (1), Norfolk (2), and Baltimore (4), their real owners were similarly the Jewish slave dealers from Newport and Charleston.

One is able to assess the Jewish share in the entire dealings of the Newport, if one considers the undertaking of a lone Jew, the Portuguese, Aaron Lopez, who plays an important part in the over-all story of the Jews and Slavery.

Aaron Lopez

Concerning the entire commerce of the Colonies, and the later State of Rhode Island, (which included Newport) bills of lading, concessions, receipts, and port clearances carried the signature name of the Jew Aaron Lopez (3). This all took place during the years 1726 to 1774. He had therefore more than 50% of all dealings under his personal control for almost fifty years. Aside from that there were other ships which he owned, but sailed under other names.

In the year 1749, the first Masonic Lodge was established. Ninety percent of the members of this first lodge, fourteen all told, were Jews. And one knows that only so-called "prominent" individuals were accepted. Twenty years later, the second Masonic Lodge, "King David," was established. It is a fact that all of these members were Jews.

In the meantime, the Jewish influence in Newport had reached such proportions that President George Washington decided to pay them a visit. Upon his appearance, both of the Masonic Lodges sent an emissary - a Jew named Moses Seixas (4) - to approach the President with a petition, in which the Jews of Newport stated: "If you will permit the children of Abraham to approach you with a request, to tell you that we honor you, and feel an alliance..... and then: "Until the present time the valuable rights of a free citizen have been withheld. However, now we see a new government coming into being based on the Majesty of the people, a government, not sanctioning any bigotry nor persecution of the Jew, rather, to concede the freedom of thought, which each shares, whatever Nation or Language, as a part of the great Government machine."

It is necessary at this point to consider the disclosures as to who in reality obtained this legendary freedom in America at the founding of the Union. To be sure, the province became independent and severed from the English Jurisdiction. However, we can see from the petition (5) which Moses Seixas offered President Washington in the name of the Jews of Newport, that it was not in reality this type of freedom which they had in mind. They were merely concerned about themselves, and their "own civil rights," which had been withheld. Therefore, following the Revolutionary War, the Jews were accorded equal rights, and freed of all restrictions! And the Negroes? The Revolutionary War notwithstanding, they remained Slaves! In the year 1750, one sixth of the population in New York was Negroid, and proportionately in the Southern parts of the Country, they outnumbered the others, but the proclamation of Freedom did not touch them. More of this later.

Let us scrutinize at close range this dismal handwork of the Jews which gave them influence and power, so we may comprehend the Slave Trade; for there has been so much written since that time by the zealous Jewish writers, that at the present, long since removed, it might appear natural, for the time element has a tendency to make things nebulous.

Let us follow the journey of one ship, owned by a slave dealer, Aaron Lopez, which had made many trips to the African coast.

For instance, in the month of May, 1752, the ship "Abigail" was equipped with about 9,000 gallons of rum, a great supply of iron foot and hand restraints, pistols, powder, sabres, and a lot of worthless tin ornaments, and under the command of the Jewish Captain Freedman, sailed off for Africa. There were but two Mates and six sailors comprising the crew. Three and one half months later they landed on the African Coast. Meantime, there had been constructed an African Agency, by the Jewish slave dealers, who had corralled them, and prepared them for sale. This organization reaching deep into Africa, had many ramifications, including the heads of groups, villages, etc. This method to win over these leaders for the Jewish slave trade, was similar to' that which the Jews had employed with the Indians.

At first, they presented them with rum, and soon found themselves in an alcoholic delirium. When the gold dust, and ivory supply was exhausted, they were induced to sell their descendants. At first their wives, and then their youths. Then they began warfare among each other, plotted and developed mostly by the Jews, and if they captured prisoners, these, too, were exchanged for rum, ammunitions and weapons to the Jews', using them for further campaigns to capture more Negroes. The captured Blacks were linked two by two and driven through the medieval forests to the coast. These painful treks required weeks, and some of them frequently became ill, and felled by exhaustion, and many unable to rise even though the bull whip was applied as an encourager. They were left to die and were devoured by wild beasts. It was not unusual to see the bones of the dead laying in the tropical sun, a sad and gruesome reminder to those who would later on tread this path.

It has been calculated that for each Negro who withstood the rigors of this wandering, there still had to be the long voyage across the ocean, before they reached American soil, nine out of ten died! And when one considers that there was a yearly exodus of ONE MILLION black slaves, then, and only then, can one assess the tremendous and extensive exodus of the African people. At present Africa is thinly populated, not alone due to the 1,000,000 literally dragged out of huts, but due to the five to nine million who never reached their destination. Once they reached the coast, the black slaves were driven together, and restraints were applied to hold them until the next transport ship docked. The agents—many of them Jews—who represented the Chief, then began the deal with the Captain. Each Negro was personally presented to him. But the captains had learned to become suspicious. The Black one must move his fingers, arms, legs, and the entire body to insure that there were not any fractures. Even the teeth were examined. If a tooth was lacking, it lowered the price. Most of the Jew agents knew how to treat sick Negroes with chemicals in order to sell them as sound. Each Negro was valued at about 100 gallons of rum, 100 pounds of gun powder, or in cash between 18 to 20 dollars. The notations of a captain inform us that on September 5, 1763, one Negro brought as much as 200 gallons of rum, due to the bidding among the agents, raising the price.

Women under 25 years, pregnant or not, resulted in the same measure, if they were well and comely. Any over 25 years lost 25%.

And here it should be stated that those Negroes, purchased free at the African Coast for 20 to 40 dollars, were then resold by the same slave dealers in America for two thousand dollars.

This gives one an idea how the Jews managed to acquire tremendous fortunes. Following the bargaining, Captain Freedman paid the bill, either in merchandise or cash. He also recalled some advice which his Jewish employers gave him as he left Newport for Africa: "Pour as much water into the rum as you possibly can." In this manner the Negro chiefs were cheated two times by the Newport Jews!

The next step was to shave the hair from the head of the acquired slaves. Then they were bound and branded with a hot iron, either on the back, or the hip, identifying them with their owners. Now the Negro slave was indeed the property of the Jewish purchaser. If he fled he could be identified. Following this procedure, there was a farewell celebration. There were instances when entire families were brought out of the interior, to the coast, and then separated through the buyer—the father going with one ship, the sons and daughters into another. These "farewell" celebrations were usually packed with emotion, tears, drama and sadness. There was little joy, if ever.

The following day the transport began from land to ship. It was managed by taking four to six Negroes at one time in rowboats to the ship. Of course the slave dealers were aware of how the Negro loved his homeland above all else, and could only be induced by great force to leave it. So, some of the Negroes would leap into the water. But here the overseers were prepared with sharp dogs and retrieved the fleeing men. Other Negroes preferred drowning. What came aboard alive

was immediately undressed. Here was another opportunity to jump overboard and reach land and freedom. But the slave dealers were pitiless and ruthless; they were merely concerned to get their Black cargo to America with the least loss. Therefore, an escapee, recaptured, had both of his legs cut off before the eyes of the remaining Negroes in order to restore "Order."

On board the ship the Negroes were separated into three groups. The men were placed in one part of the ship. The women into another, whereby the lusty Captain arranged it so that the youngest, mostly comely Negro women were accessible to him.

The children remained on deck, covered with a cloth in bad weather. In this fashion the slave ship proceeded on its journey to America. In the main, the ships were too small, and not at all suitable to transport people. They were barely equipped to transport animals, which the Negroes were likened to. In one space, one meter high (39 inches) these unfortunate creatures were placed into a horizontal position, pressed close together. Mostly they were chained together. In this position they had to remain for three months, until the end of the voyage. Rarely was there a captain who sympathized with them or evidenced any feelings whatever for these pitiable creatures. Occasionally they would be taken in groups to the deck for fresh air, shackled in irons.

Somehow, these Negroes were expendable and endured much. On occasion, one of them became insane, killing the other one pressed closely to him. They also had their fingernails closely cut so they could not tear at each other's flesh. The most horrible battles came about among the men, to acquire a centimeter or two for a comfortable position. It was then that the slave overseer stepped in with his bullwhip. The unimaginable, horrible, human excrement in which these slaves had to endure these trips is impossible to describe.

In the women's quarters the same conditions prevailed. Women gave birth to children lying pressed closely together. The younger Negro women were constantly raped by the captain and the crew resulting, thereby, a new type of Mulatto as they came to America.

In Virginia, or in any of the other Southern port cities, the slaves were transferred to the land and immediately sold. A regular auction would take place, following the method of purchase in Africa. The highest bidder obtained the "Ware." In many cases—due to the indescribable filth—some of the Blacks became ill during the sea voyage from Africa to America. They became unemployable. In such cases the captain accepted any price. It was rare to dispose of them for no one wanted to purchase a sick Negro. Therefore, it is not surprising that the Jewish, unethical doctor senses a new form of revenue. They purchased the sick Negro for a small sum, then treated him, and sold him for a large sum. On occasion, the captain would be left with a few Negroes for whom he did not find a buyer. In that case he returned to Newport and sold them to the Jews for cheap domestic help. In other cases, the Jew owner of the ships took them over. This is why the city of Newport and its surroundings had 4,697 black slaves in the year 1756.

Slavery did not extend to the North. Moreover, in many of the North American Colonies, slavery was strictly forbidden. Georgia came under discussion; likewise also Philadelphia. And again it was the Jews who managed a loophole, which had given them freedom following the Revolutionary War, so, they schemed to make slave trading legal.

One had but to read the names of those persons living in Philadelphia who were requesting the elimination of existing laws regarding the slavery dealing. They were: the Jews Sandiford, Lay, Woolman, Solomon, and Benezet. That explained it all! But let us turn back to the slave ship "Abigail." Its captain—and we are reading from his ship's books—did a profitable business. He sold all of his Negroes in Virginia, invested some of the money in tobacco, rice, sugar, and cotton, and went on to Newport where he deposited his wares.

We learn from Captain Freedman's books that the "Abigail" was a small ship and could only accommodate 56 people. He managed, however, to clear from one trip 6,621 dollars, which he in

turn delivered to the owner of the ship: one Aaron Lopez.

The staggering amounts of money acquired by the Jew ship owners and slavery dealers is better illustrated when we emphasize the many years in which this sale and purchase of human flesh was practiced. Prior to 1661, all of the Colonies had laws prohibiting slavery. It was in that year that the Jews had become powerful enough to bring about the repeal of these laws, and slavery began in earnest.

The Jews had discovered that the Colonists needed additional manpower to help them clear their fields for planting, helping in the construction of dwellings, and in general to help with harvesting their crops. This was particularly true of the Southern states which we have referred to earlier. The Southerners had vast tracts of rich soil suitable for rice, cotton, tobacco and cane sugar. At first, impoverished Europeans were recruited. English prison doors were opened and finally prisoners of war from England and Holland were brought to the Colonies, made to work until they had paid the cost of transporting them by ship and then set free.

It doesn't take a Jew long to discover what his brothers are doing, so a group of Jews settled in Charleston, South Carolina, where they set up distilleries for making rum and whiskey. They, too, learned that they could trade with the natives on the West Coast of Africa for ivory, and several ships were purchased and sent to Africa, trading the usual glass beads and other cheap ornaments for ivory, which, however, took up but little space on board ship. It occurred to these Jew traders that they could supply the plantations in the South with 'Black ivory', needed under swampy and malarial conditions which European labor could not tolerate without sickness, and which would not only fill the holds of their ships, but bring enormous profits. (This same group had earlier tried selling Indians as slaves but they found them completely unsatisfactory, as the Indians would not tolerate this type of work.) Thus, another segment of the slave trading had become active and profitable out of Charleston, South Carolina. Several shiploads of Black slaves were sent by the Dutch West Indies Company to Manhattan.

During this time there were a number of plantation owners established in the West Indies and two Jews, Eyrger and SayUer, with strong Rothschild connections in Spain, formed an agency called ASIENITO, which later operated in Holland and England. It was through these connections that Jews in Holland and England exerted influence and both of these connections cooperated in helping the Jews provide Black Slaves for the Colonists.

With the yearly capture and transport of one million Black slaves it is not difficult to figure that from 1661 to 1774 (one hundred thirteen years) approximately one hundred ten million slaves had been removed from their native land. About ten percent, or ELEVEN MILLION, Black slaves reached the Colonies alive.

We have talked about the small ship "Abigail" which could accommodate only 56 people and yet the profits per trip were enormous, with little or no investment. There were many other ships but we will concentrate here on only a few, such as the "La Fortuna," "Hannah," "Sally" or the "Venue" which made very great profits. The "La Fortuna," by the way, transported approximately 217 slaves on each trip. The owner cleared not less than \$41,438.00 from such a trip. These were dollars which the slave dealers 'could keep'. And these were dollars of value which would buy a great deal in return.

When one considers that the Jews of Newport owned about 300 slave-transporting ships, active without interruption, docking at Newport-Africa, Charleston, (or Virginia), one can approximate the tremendous earnings which made their way to Jewish ship owners. Indeed, the Jews admit, that of the 600 ships, leaving Newport harbor into all the world, "at least half of them" went their way to Africa, and we know what these ships going to Africa "were seeking."

The fact that Aaron Lopez had control of over more than half of the combined deals in the Colonies

of Rhode Island, with Newport, is well-known. The well-known Rabbi Morris A. Gutstein, in his book, *The Story of the Jews in Newport*, attempts to remove these facts, maintaining that there is not any evidence that the Jews were connected with the Slave Trade. It is therefore imperative to prove that the Jew was indeed connected with the slave trading. Especially so since this rabbi insists they had made great contributions, and how very "blessed" their residence became for the city of Newport. Surely Morris A. Gutstein will grant us permission to present the facts which he was unable to find.

Turning to one report of the Chamber of Commerce of the "Rhode Island Colony" in the year 1764, we find, for instance, that in the year 1723 "a few merchants in Newport" devised the idea to send their Newport rum to the coast of Africa. It developed into such a great export that in the matter of a few years "several thousand (hogsheads)" of rum went that way. To which purpose did this rum serve?

The Carnegie Institute in Washington, D.C., presents and makes public authentic documents entitled "Documents Illustrative of the History of the Slave Trade in America". We wish to present a few facts from this particular collection of original documents and scrutinize them at closer range, and not at all to prove the heretofore Rabbi Morris A. Gutstein in error. In this collection of the first American institute of learning, we evaluate the capital "Rhode Island" which contributed the main share of the public documentation regarding the Slave trading. Here we find documented the recipients of the numerous shipping letters, also letters to the Slave dealers, and correspondence to the ship's captains, who were about 15% Jews, living in Newport. Among these we find, for instance, the Jew Isaac Elizar. He wrote a letter to Captain Christopher Champlin on February 6, 1763, saying he would like to be an agent for a load of slaves. Then follows the Jew Abraham Pereira Mendez, and one of the main slave dealers, Jacob Rod Rivera—the father-in-law of Aaron Lopez. And then there is Aaron Lopez, himself, and many, many more other Jews. Although we have considered Aaron Lopez several times, the size of this documented treatise limits us, and we cannot describe all of the writers concerned in the Slavery Dealing correspondence, their names and the special dates—rather, we wish to study the documentation of the 'Carnegie Institute' itself—keeping Aaron Lopez in mind. We wish to see what in the main this Jew was pursuing and what his business was. This is due to the fact that Rabbi Morris A. Gutstein presents him as a "lofty and fine civilian of Newport" who was so generous and even "made contributions to welfare."

In a great number of published original unprejudiced writings in the Carnegie Institute, we find that Aaron Lopez pursued a tremendous commerce in rum with the African coast in exchange for slaves. These irrefutable facts are as follows:

June 22, 1764, a letter by Captain William Stead to Aaron Lopez. July 22, 1765, a letter by Aaron Lopez to Captain Nathaniel Briggs. July 22, 1765, a letter to Captain Abraham All. February 4, 1766, a letter to Captain William Stead by Aaron Lopez. March 7, 1766, a letter by Captain William Stead to Aaron Lopez. February 20, 1766, a letter by Aaron Lopez to Captain William Stead. October 8, 1766, a letter by Captain William Stead to Aaron Lopez. February 9, 1767, a letter by Captain William Stead to Aaron Lopez.

Aside from that, there are similar statements out of letters by Aaron Lopez in the original, which he directed to the Captains Henry Cruger, David Mill, Henry White, Thomas Dolbeare, and William Moore. Indeed, one letter by Captain William Moore to Aaron Lopez & Company, is particularly revealing, and of special mention at this point. We wish to remark on the main contents of this letter in which Captain Moore writes: "I wish to advise you that your ship 'Ann' docked here night before last with 112 slaves, consisting of 35 men, 16 large youths, 21 small boys, 29 women, 2 grown girls, 9 small girls, and I assure you this is such a one rumcargo (rum in exchange for slaves) which I have not yet encountered, among the entire group there may be five to which one could take exception."

The date of the above letter was November 27, 1773. We have not yet concluded, because of lack

of space, the excerpts and grateful compilations made available by the "Carnegie Institute."

On November 29, 1767, the Jew Abraham Pereira Mendez—who had been cheated by one of his kind—from Charleston, where he had journeyed to better control his Black cargo, wrote Aaron Lopez at Newport:

"These Negroes, which Captain Abraham All delivered to me, were in such poor condition due to the poor transportation, that I was forced to sell 8 boys and girls for a mere 27 (pounds), 2 other for 45 (pounds) and two women each for 35 (pounds)." (No doubt, English money)

Abraham Pereira Mendez was very angry and accused Aaron Lopez of "cheating" him. This letter delineates to us that this generous and fine citizen of Newport was insatiable in his greed for money. This is what caused the Rabbi Morris A. Gutstein to present this nobleman, Aaron Lopez, to pursue his objectionable methods. Negroes presented to him but a commodity.

In all of the letters which the "Carnegie Institute" published, it stresses the lack of human sympathy for the poor Negro slaves. This lack of feeling and compassion for the abused and pitiful Blacks at the hands of their Jewish dealers, can be read out of the diary of a captain who manned a ship owned by Aaron Lopez. The entries concern a trip from the African Coast to Charleston. Moreover, they are authentic documents, published by the "Carnegie Institute" in Washington, D.C., calling attention to an organization which had heretofore known little or nothing about; neither had they encountered further publicity in books or newspapers. Therefore, it is not to be wondered at that the facts of the leading share of American Jews in the slave trade could be pointed out as a monopoly, and unknown to the non-Jewish Americans, including the great masses of people all over the world. Others, however, acquainted with the facts, had good reason to remain painfully quiet.

The captain of another ship, the "Othello" among other things, makes the following entries in his diary:

February 6th: One man drowned in the process of loading. March 18th: Two women went overboard because they had not been locked up. April 6th: One man dead with Flux. (No doubt an illness.) April 13th: One woman dead with Flux. May 7th: One man dead with Flux. June 16th: One man dead by Kap Henry. June 21st: One man dead by James Fluss. July 5th: One woman dead with fever. July 6th: One girl, sick for two months, died.

This vessel was on its way for five months. What terrible and unspeakable suffering was the lot of these millions of Blacks, who were torn with brutal force from their friendly African huts, jammed together, like animals below deck, and then sold with less concern than selling a head of cattle. Small wonder that ten of them died, being purchased for just a few dollars, and then sold for the sum of \$2,000.00.

Some Negroes managed, through insurrection, to gain control of one or another ship and turned it around, with full sails, toward their African home. The crew of one slave ship, "Three Friends" for instance, tortured their Black cargo in such a manner that the Negroes reciprocated in a bloody rebellion. They killed the captain and the entire crew and threw the dead overboard. They then sailed back to Africa where they had barely escaped their hard-won freedom.

A similar fate struck the slave ship "Amistad". Among the slaves was the son of an enemy tribal chief. Once the ship was under way, he schemed with his compatriots to attack the ship's crew. Following a bloody battle, they managed to capture the captain. The Negro prince forced him to turn back to Africa, then in the evening, under cover of darkness, he changed his course, zigzagged for months until he came close to the American coast, and encountered a government ship. This took place in the year 1839 when slave trading was already forbidden and illegal.

The Negro slaves were freed and the captain punished. These sea voyages were not without danger when they had Black cargo, which accounts for the fact that the Jews most always engaged non-Jewish captains.

The slave dealers preferred to remain in their offices and counted the fat winnings following each journey, such as Aaron Lopez, who left his heirs one of the largest fortunes in the New England era.

When reviewing the documented facts contained herein, it is important that one always remembers that it was a lucky captain who did not lose more than 9 out of 19 slaves on the return trip.

It is equally important to remember that these poor Black creatures had to lie in human excrement for the entire trip. Think of it! No wonder sickness and disease took such a high toll. Remember the figures: approximately one hundred ten million Black people were captured and removed from their homeland in Africa. Only ELEVEN MILLION of these Black slaves reached the Colonies alive.

And the Jews still talk about the Germans and Hitler and how six million Jews were exterminated during World War II. This is the greatest LIE ever perpetrated upon the people of the world—whereas the story of the poor Black slaves is documented. Documented with TRUTH. The evidence is still available for the people of the world to see.

The "Carnegie Institute of Technology" is located in Pittsburgh, Pennsylvania.

As this document is distributed, eventually reaching the hands of the Jew, the evidence will probably be removed and destroyed until finally all documentation is removed which is damaging to the Jew. The Jews have been engaged in this practice for centuries. Truth, however—truth which bears fact cannot remain covered or hidden forever—and more truths are being disclosed by those of us who intend to free America of these sons of the devil—the Jews.

The published documentation contained herein was obtained from the Carnegie Institute of Learning, presently known as "The Carnegie Institute of Technology."

The following is a partial of the slave ships owned by Jews:

'Abigail' by Aaron Lopez. Moses Levy and Jacob Franks. 'Crown' by Isaac Levy and Nathan Simpson. 'Nassau' by Moses Levy. 'Four Sisters' by Moses Levy. 'Anne & Eliza' by Justus Bosch and John Abrams. 'Prudent Betty' by Henry Cruger and Jacob Phoenix. 'Hester' by Mordecai and David Gomez. 'Elizabeth' by David and Mordecai Gomez. 'Antigua' by Nathan Marston and Abram Lyell. 'Betsy' by Wm. DeWoolf. 'PoUy' by James DeWoolf. 'White Horse' by Jan de Sweevts. 'Expedition' by John and Jacob Rosevelt. 'Charlotte' by Moses and Sam Levy and Jacob Franks. 'Caracoa' by Moses and Sam Levy.

Slave-runners, also owned by Jews were the 'La Fortuna', the 'Hannah', the 'Sally', and the 'Venue'.

Some of the Jews of Newport and Charleston who were engaged in the distillery or slavery trade, or both, were: Isaac Gomez, Hayman Levy, Jacob Malhado, Naphtaly Myers, David Hart, Joseph Jacobs, Moses Ben Franks, Moses Gomez, Isaac Dias, Benjamin Levy, David Jeshuvum, Jacob Pinto, Jacob Turk, Daniel Gomez, James Lucana, Jan de Sweevts, Felix (cha-cha) de Souza (known as the 'Prince of Slavers' and second only to Aaron Lopez), Simeon Potter, Isaac Elizer, Jacob Rod, Jacol) Itodrigues Rivera, Haym Isaac Carregal, Abraham Touro, Moses Hays, Moses Lopez, Judah Touro, Abrtham Mendes and Abraham All.

Of some 600 ships leaving the port of Newport, more than 300 were engaged in the slave trade. A typical cargo of one ship, 'La Fortuna', was 217 slaves which cost about \$4,300 and sold for \$41,438.00.

Only about 10% of the slave ship captains were Jews, not wanting to subject themselves to the rigors of the 6-month journey. They preferred to stay at home and continue their distillery operations which continued to supply rum and whiskey to the Indians for many years at a very great profit.

We cannot undertake even this brief history of the modern Jew without taking note of a phenomenon which has confounded Gentile societies for twenty centuries. This is the ability of the Jewish people to collectively retain their identity despite centuries of exposure to Christian civilization. To any student of Judaism, or to the Jews themselves, this phenomenon is partly explained by the fact that Judaism is neither mainly a religion, nor mainly a racial matter, nor yet is it simply a matter of nationality. Rather it is all three, it is a kind of trinity. Judaism is best described as a nationality built on the twin pillars of race and religion. All this is closely related to another aspect of Judaism, namely the persecution myth. Since first appearing in history, we find the Jews propagating the idea that they are an abused and persecuted people, and this idea is, and has always been, central in Jewish thinking. The myth of persecution is the adhesive and cement of Judaism: without it Jews would have long since ceased to exist, their racial-religious nationality notwithstanding.

It is a fact that the Jewish people have suffered numerous hardships in the course of their history, but this is true of other peoples too. The chief difference is that the Jews have kept score. We must repeat—they have kept score—they have made a tradition of persecution.

A casual slaughter of thousands of Christians is remembered by no one in 50 years, but a disability visited upon a few Jews is preserved forever in Jewish histories. And they tell their woes not only to themselves, but to a sympathetic world as well.

Aaron Lopez and his family arrived in Newport around 1750 from New York via Lisbon, Portugal. Lopez arrived in the new world as a member of a "Marrano" family with the Christian name of "Don Duarte Lopez." Lopez immediately dropped his Christian name and took the Hebrew name of Aaron and submitted to ritual circumcision. Within twenty years, Lopez owned or had interests in over 80 sailing vessels. Lopez was also one of the original founders and contributors of Touro Synagogue and by the end of his life was recognized as one of the "Merchant Princes" of early America. His merchant trading interests included rum, molasses, dry goods and African slaves.

Moses Levy and the Moses Seixas families both lived in one of Newport's large colonial mansions at 29 Touro Street. Seixas was a founding member of the nation's oldest Jewish Masonic Lodge (King David in Newport) and Grand Master of the Masonic Order of Rhode Island. Seixas was well known as the Cashier of the Bank of Rhode Island. President (Parnas) of Touro Synagogue at the time of the George Washington visit and letter to the congregation, Seixas also performed the Covenant of Circumcision (B'rith Milah). Prominent merchant and trader Moses Levy of New York and Newport was one of several Ashkenazi Jewish families in Newport at that time. Levy owned the Touro Street Mansion and willed the property to Moses Seixas in 1792.

"Sir: Permit the children of the stock of Abraham to approach you with the most cordial affection and esteem for your person and merit, and to join with our fellow-citizens in welcoming you to Newport. ...

Deprived as we hitherto have been of the invaluable rights of free citizens, we now-with a deep sense of gratitude to the Almighty Disposer of all events — behold a government erected by the majesty of the people—a government which to bigotry gives no sanction, to persecution no assistance, but generously affording to all liberty of conscience and immunities of citizenship, deeming every one of whatever nation, tongue, or language, equal parts of the great governmental machine.

This so ample and extensive Federal Union, whose base is philanthropy, mutual confidence and public virtue, we cannot but acknowledge to be the work of the great God, who rules in the armies of the heavens and among the inhabitants of the earth, doing whatever seemeth to Him good.

For all the blessings of civil and religious liberty which we enjoy under an equal and benign administration, we desire to send up our thanks to the Ancient of days, the great Preserver of men, beseeching Him that the angels who conducted our forefathers through the wilderness into the promised land may graciously conduct you through all the difficulties and dangers of this mortal life; and when, like Joshua, full of days and full of honors, you are gathered to your fathers, may you be admitted into the heavenly paradise to partake of the water of life and the tree of immortality.

Done and signed by order of the Hebrew Congregation in Newport, Rhode Island, August 17, 1790.

Moses Seixas, Warden"

Subject: The Final Eclipse [NEW REVERSAL RITUALS for 21st of AUGUST]			

The Final Eclipse [NEW REVERSAL RITUALS for 21st of AUGUST]

Greetings to all our People and Satanic Comrades.

We know there has been wait in more than one frontiers lately, but this is because we have been doing deep research and fighting the enemy. With that being stated, the enemy has also fired back, but now we have prepared a great spiritual weapon that will annihilate the enemy. This is a calculated strike that they cannot save themselves from.

The stars in all the heavens are shouting now for the enemy to be destroyed. Quite literally and astrologically.

We will be doing three Rituals. Two we have already done before, and one is a new one. The third Ritual is the new one, and this will destroy the lie of their Nazarene, a lie that has created and formed all their authorities in all levels.

The first two Rituals will destroy them where they hurt the most, which is the material aspect of their slave-ship, completely bringing them down in all levels. We have already done these, so their power simply multiplied, ADDED on the power we have already channeled into them.

Before anything further is stated, there is a great Eclipse coming that will affect (be Visible) from America but will affect the whole globe. In the past, during Great Eclipses such as this, the balance of power has tipped severely in the opposite direction. In other words, we must ingrain this in our mind as we do this ritual, that this is an extremely powerful and calculated blow we will be delivering to the enemy, from which, they will never recover.

Our mindset should be in the above regard. While all RTR's are mighty, this combination at this time and particular instance is one in thousands or more. We are dropping a spiritual Nuke straight into the center of the enemy spiritual headquarters. This will destroy them and play a major role in their whole deconstruction and annihilation.

For that reason, *everyone* needs to participate. When this is said, *everyone*, it means, **EVERYONE**. Nobody must be excluded at least for the 21st, and the day after.

We have to give this everything we've got. It will be a great pleasure to everyone to see the enemy sinking as they rightfully deserve, and this is what this calculated strike will do. They will be incapable of defending themselves as well from it. It is a blow straight to the heart.

These Rituals will be of IMPECCABLE IMPORTANCE to how the War as a whole will be turning. In other words, if you want to throw bolts of the heavens until the enemy is destroyed, NOW IS THE TIME TO ACT ON THIS! These will be of the most damaging Rituals, in conjunction to time, we have ever done. ***This is a chance in DECADES.***

Make sure to spread and share the Rituals. POST ANY QUESTIONS NEEDED ASAP AND BELOW.

As for our translators, a fast translation before the Eclipse is exactly the reason these are posted earlier.

Subject: Forums...			

The forums have been taken away. Mercury is retrograde right now until 4 September. We will have a new forum.

For those of you who are new, this has happened before. The enemy has control of communications. Our Gods DO punish these assholes. A number even wind up dead.

The enemy is in dread over our latest RTR.

"Rabbi Winston emphasized that the eclipse wake-up call bears a different message for American Jews.

"Once this era is over and God decides that the purpose of Jews in America is over, even the righteous Jews will not have any protection," warned Rabbi Winston. He explained that this was a recurring pattern in the history of the Jews in exile.

"When an era ended in Spain and Portugal, the countries suffered, but ultimately they recovered," Rabbi Winston said. "But for the Jews of Spain and Portugal, it was the end. The same happened in Germany, and every other country that has ever hosted the Jews."

"This eclipse is the final wake-up call for the American Jews to come to Israel," Rabbi Winston

said."

Another one of the above (this was sent to me earlier today), stated Christians are going to get what they deserve (in so many words). People are getting fed up.

Also, given the natural phenomenon, this eclipse DID drop the temperature. This very well could produce some serious storms in the next few days. This is a normal reaction in nature. Just be aware of it. Ignorant Christians will be pissing in their pants with fear. And of course, the Jews will be trying to say it's their alien greys they have for a "god."

My advice is to prepare. Have an emergency kit, flashlights, generators, etc, IN CASE you do experience severe weather with a plan and as always, your AOP.

We will have the forums back up again and we ask members for any suggestions at this time.

Reverse Torah Ritual Schedule From 23th August to 4th of September 2017

Greetings to all our Satanic Warriors and Comrades

First of all, I wanted to tell everyone: DO NOT JOIN ANY OTHER FORUMS THAT INDIVIDUALS RAISE OUT OF NOWHERE! The infiltrators have been on the prowl since the JoS Forums have been down. Communicate with anyone you want here instead. The jews and the infiltrators will be vicious and they will try to take people down as they have attempted in the past through their scam forums, pretending to be friends, and worse. BE CAREFUL!

We will be making an official release of a New Forum that will be improved in contrast to the last one. This will take sometime as the prior forum was not backed up due to server limitation. We are workig on it with fellow SS who have volunteered to help and offer solutions. We seeing into the matter so that the next forums will be also better than the previous ones.

Now, in regards to the Schedule.

We all need to stay loyal in our warfare. After we gave the enemy a major beating yesterday, we must insist, as the enemy will literally throw their mask even more. The more we fight them, the more this process makes them destroy themselves until they fall apart completely.

They will literally bring themselves down completely in the route they have taken. Nobody really denies this fact anymore on who they are and what they do. In the future, people will literally have to choose a side. But first, they must know about sides like us.

The enemy runs a slaver order. If we do nothing, we are doomed. When we do things, people will have support to ask for better things. We keep their spiritual backbone so they can do this feat, and we fight the intellectual war with online activism. The enemy wants to destroy the internet from that.

As always the schedule has been double checked astrologically and we will do the absolute best and the most beneficial for the time. We have been on a roll.

Below is the Schedule for the following days:

23. Three RTR's of the Eclipse + Restoring Justice RTR

Subject: Satan			

Satan

In Sanskrit Sata/Satan means light. This is the light of existence. the godhead SA relates to spirit and Ta to the material realm. Or soul and body together these two aspects encompass the whole of existence. Hence Sata or Satan in Sanskrit is the highest name of God. This is also the five elements the SA and TA are shown as the cross of matter the union of opposites which is the five elements of the soul as well.

The Jews in Hebrew use the word Ra for darkness and evil. RA in Sanskrit is the sun and the element of the sun which is fire, light. Same with the Egyptians they called RA the fire and light. The Jews call Satan the Lord of Darkness and evil. While in the original language of Sanskrit Satan means the light of Godhead.

The Torah is a spell book to bind the Gentile soul in entropy which the Egyptians state is the damnation of the soul. The Egyptians called Satan the serpent spirit that gives the breath of life and rebirth to the soul. The Jews have inverted the truth with their Hebrew lies.

Major Win For Our RTR;s

The Jews attempt to turn America into a totalitarian state in which Jews and only the Jews decide what is acceptable. Which means the Goyim have no rights as they are not considered human in the Jewish Torah and Talmud, Kabala. Which is why the Jewish run Soviet nations the people had literally no rights .Because only Jews are People and the Jews lived in total wealth, power and privilege when the Goyim were literal slaves to the Jews. It was like living under Orwell's 1984. Remember Palestinians are what it looks like when Jews have total power over the Goyim.

What do the Jews decide as law in the Soviet regime.... The first law the Communist Jewish leaders passed was the Anti-Semitism Act, Which criminalized thoughts the Jews don't like and punished it with capital punishment.

Note the Communist Jews made owning The Protocols of Zion the death penalty. Because they are totally fake....The one Russian who published them was executed by the Jewish Bolsheviks for such.

The original Protocols were demanded authentic as well by Russian scholars in the 90's when they had the freedom to examine them. The Pavel edition from 1903. Not the Nilus edition. Which was based off the Pavel edition but altered to conform to his Xian bias which involved removing all the Torah and Talmudic quotations within them and adding stuff about Darwinism and Nietzsche. The Jews still executed Nilus.

The original Protocols came from the agents of the Zionist conferences happening within the Russian Empire during an anti-Jewish riot their lavish homes were ransacked and the documents discovered.

Article

<https://www.washingtonpost.com/news/volokh-conspiracy/wp/2017/06/19/supreme-court-unanimously-reaffirms-there-is-no-hate-speech-exception-to-the-first-amendment/>

From today's opinion by Justice Samuel Alito (for four justices) in [Matal v. Tam](#), the "Slants" case:

[The idea that the government may restrict] speech expressing ideas that offend ... strikes at the heart of the First Amendment. Speech that demeans on the basis of race, ethnicity, gender, religion, age, disability, or any other similar ground is hateful; but the proudest boast of our free speech jurisprudence is that we protect the freedom to express "the thought that we hate."

Justice Anthony Kennedy wrote separately, also for four justices, but on this point the opinions agreed:

A law found to discriminate based on viewpoint is an "egregious form of content discrimination," which is "presumptively unconstitutional." ... A law that can be directed against speech found offensive to some portion of the public can be turned against minority and dissenting views to the detriment of all. The First Amendment does not entrust that power to the government's benevolence. Instead, our reliance must be on the substantial safeguards of free and open discussion in a democratic society.

And the justices made clear that speech that some view as racially offensive is protected not just against outright prohibition but also against lesser restrictions. In *Matal*, the government refused to register "The Slants" as a band's trademark, on the ground that the name might be seen as demeaning to Asian Americans. The government wasn't trying to forbid the band from using the mark; it was just denying it certain protections that trademarks get against unauthorized use by third parties. But even in this sort of program, the court held, viewpoint discrimination — including against allegedly racially offensive viewpoints — is unconstitutional. And this no-viewpoint-discrimination principle has long been seen as applying to exclusion of speakers from universities, denial of tax exemptions to nonprofits, and much more.

Subject: More with Exposing the Enemy			

First off, www.exposingchristianity.com and www.exposingchristianity.org are working again.

Also, I want to add here, in the Talmud, it reads:

"God" studies the Torah." "God keeps the sabbath." "God puts on tallit and tefillin." "God" is hidden." etc.

This is glaringly obvious that so-called "God" is the Jewish people.

They drop hints like that for their own and rabbis reveal to their own with their oral Torah, the Talmud, etc.

In addition, their "Tree of Life" with the Adam Kadmon, the kether, malkhut, etc, is a vehicle for channeling energy to them.

"Malkhut which is also known as Shekhinah and Knesset Yisrael, the soul root Israel (which manifests in the form of the Jewish people)." (1)

I strongly advise to stay away from their Tree of Life and related. Their soul is NOT our soul.

The Jewish soul is not the same as the Gentile soul. They are an alien soul and we Gentiles have certain aspects of the soul that the Jews lack.

This is why all the emphasis on "love." The Jewish soul is unfeeling and as most are familiar with

Jewish communism, where mass murders and other atrocities went well past the 100+ million mark, Jews are capable of unbelievable cruelty and brutality.

Their insatiable greed has been responsible for usurping and hoarding occult/spiritual knowledge to the detriment of this entire world.

The creativity aspect is also missing on their soul. They have nothing of their own, any more than do their programs of Christianity and Islam, which were made up from stolen and corrupted concepts in Paganism, with the spirituality deliberately removed.

Anyone who is sensitive enough can sense the flat aura of the Jew. They suck energy like a parasite sucks blood.

There are aspects we have on our souls that the Jews totally lack.

Also, that "All is One" crap, along with the love bombing that the New Age is infested with... That's Jewish as well and is of their Shema prayer of which is one of the most important in Judaism:

"Hear, O Israel: G~~l~~d is our L~~l~~rd, G~~l~~d is one."

This "All is One" crap goes with the monotheism.

In closing, I wrote this before and from what I've seen following, this really gets them. The ubiquitous term "People's" in communism, such as "People's Republic of North Korea" etc, has the word "Chosen" dropped preceding it. Rabbi authors are now admitting this.

Many people have inquired on how to identify an Asian Jew. Kim Jong of North Korea is a prime example. Of course, they always try to deny and hide their Jewishness. Asian Jews like Jong are weird looking.

Pull up some images of Chinese Jews, etc on Google and see what I mean.
