White Europe is Satanic Europe!

The Norse God Yngvi Freyr rules the Ing rune. This Ing rune is also used as the suffix “son of” or “daughter of” in the ancient meaning of the Anglo-Saxon and Frisian and other Germanic Peoples. Such as, names like Bunting and Hadding which are still found in Europe in places like England and Holland. The nation of England is Ingland named after the God Ing, Frey.

The ancient Royal family of Sweden was the Ynglingar, as they were descended from Yngvi Freyr just as the Royal families of England are descended from Woden. But note Ing is connected to the Ingaevones, who were the invading Germanic nations. The Angles, Saxons, Frisians, and Jutes were of the Ingaevones. You can note the Germanic nations are still named after the Gods. Holland is Holda's land, Germany is Tiw's land, Frisia is from Frija, Austria, Oesterreich named from Ostara’s realm or Reich. Scandinavia is of Skadi who is similar to the Goddess Scathach of Scotland. Ireland is Ari-land, the land of the Arya. Which is Hari, Hara, a name of Satan. Even Europe is named after the Aryan Goddess, Europa! We are a Pagan-Satanic Race!

Yngvi is also known as Pan, who is Dionysus so we see this across the board. The Spartans stated they were from the blood of the living God Hercules who is called Hari, Odin is called Harighast. Hari, Hercules is also called Sandan, the D is a double letter of T, Sandan is Santan, Santana, Satan.
The Yngvi is symbolized as the Phallus which is the symbol of the God, all the way to the Aryans in the East. However it’s also the symbol of the intertwined serpents, and the symbol of DNA, the royal blood. It’s the symbol of Aryan blood of which the Sumerian texts stated. Enki, who the Sumerians also called Satan, put the blood of the Gods into us and created us in the image of the Gods. Satan put His own blood into us. We are of the race of the Gods. We are their literal children. And our race was named Ari, Aryan, Harya… Hari. After Satan.

The Lay of Rig states that the European Aryan Peoples are descended from the Gods genetically; the eastern texts state this same thing. Our ancestors would set ceremonial places at their table for the Gods as a reminder we are of their racial family. The concept of racial mixing was alien as it was a sin against the blood to commit racial adulteration. As it was destroying the divine blood. When the Germanic, European nations encountered non-Whites, they passed laws against race mixing. It was the advent of Jewish Christianity that changed this. The Visigoths changed this once they converted to Christians. This allowed the Jews a way into the subversion of the European race.

Today we are witnessing the same. Liberalism is simply secular Christianity and its alien globalist cult of Jewish world supremacy. The Jews only got this far by Christianity which removed us from our divine roots. If our Race is conscious of itself it wouldn't allow itself to be destroyed by scheming Hebrews. Cuckanity is Jewish evil.

When White Europe is no longer Satanic Europe, it’s on the verge of total extinction. Spiritual Satanism is the Salvation of the White European Race. It’s who we are as a People. Salvation is of the Swastika of Satan.
