# Leviathan: The Jewish Kundalini Serpent, Also Known As Jesus Christ

**-by Jake Carlson**

One time, in the Satanic Gay Community e-group, I was making a point about a deluded author on "Luciferianism" and his at-the-time approach of treating Satan-Lucifer and his Demons as if they are non-existent and/or nothing more than different aspects of the human unconscious, or the right side of the brain. Out of spite, a flaming Jew-sympathizer replied by saying that the author I am referring to obviously "hasn't met Leviathan face-to-face." It is well-known that those of us at the Joy of Satan Ministries have never met a Demon named "Leviathan." The reason is because Leviathan is an allegory for the Jewish version of the kundalini serpent, and not a real Demon. The person who claimed to have met "Leviathan" was deluded, and they sympathized with the Jewish people in some of their other posts. They might as well have been Jewish, themselves, as they would be nowhere near the first Jews who have tried to infiltrate the Joy of Satan and related e-groups. These maggots can only hide their Jewish identity for a limited time.

As to be expected, the Aryan soul of Anton LaVey, the founder of the Church of Satan, was incarnated into a Jewish family in order to get his books published that would bring Satan's name into the mainstream, but the physical Jewishness of LaVey led to him making mistakes. Although, LaVey did popularize the inverted pentagram, the Baphomet, he made the Jewish mistake of putting the Hebrew letters that spell "Leviathan" around the Baphomet, which, in fact, BIND Satan and exalt his enemies, the Jewish people, along with the Jewish thought-forms of Jehovah-Yahweh and Jesus Christ. I'm sorry to spoil anyone's fun, but this is the reality of it. Reality is not politically correct, nor will it bend and mold to suit one's wishful thinking outside of one's own imagination.

Everyone has a kundalini serpent, and each race has a collective kundalini serpent, and this includes the Jewish people. However, as noted in the Jewish Talmud and Jewish Kabbalah, the Zohar, the Jews and the White Aryan Race are of a completely DIFFERENT species -- a set of different species with different creators who totally oppose each other.

The Aryan race comes directly from the Nordic-Aryan God, Enki-Samael/Satan, who is of the Nordic race of extra-terrestrials. The Jewish people come from the reptilian race of extra-terrestrials, who have been at war with the Nordic Gods, Satan and his Demons, since time immemorial. In the Jewish literature that is approved for the Gentiles to read, the Christian Bible boasts about Jehovah-Yahweh's reptilian nature. While Jehovah-Yahweh isn't real, the reptilian creators of the Jewish people are real, and Jehovah-Yahweh and his worthless Jewish son, Jesus Christ, and his vile, rotten "Holy Spirit," are subliminal examples of the

mind-hive nature of the alien reptilians and the alien greys who are under the reptilian command.

Leviathan has been considered to be an allegorical sea-dragon [reptilian] of chaos. Here are some Bible quotes that refer to the Jewish god's reptilian nature:

"There went up a smoke out of [Jehovah-Yahweh's] nostrils, and fire out of his mouth devoured: coals were kindled by it" (2 Samuel 22:9).

"And mount Sinai was altogether on a smoke, because the LORD descended upon it in fire: and the smoke thereof ascended as the smoke of a furnace, and the whole mount quaked greatly" (Exodus 19:18).

"By the blast of God they perish, and by the breath of his nostrils are they consumed" (Job 4:9).

"By the blast of your nostrils the waters piled up. The surging waters stood up like a wall; the deep waters congealed in the heart of the sea" (Exodus 15:8).

"He will not escape the darkness; a flame will wither his shoots, and the breath of God's mouth will carry him away" (Job 15:30).

"Topheth has long been prepared; it has been made ready for the king. Its fire pit has been made deep and wide, with an abundance of fire and wood; the breath of the LORD, like a stream of burning sulfur, sets it ablaze" (Isaiah 30:33).

"The valleys of the sea were exposed and the foundations of the earth laid bare at your rebuke, O LORD, at the blast of breath from your nostrils" (Psalm 18:15).

"And then the lawless one will be revealed, whom the Lord Jesus will overthrow with the breath of his mouth and destroy by the splendor of his coming" (2 Thessalonians 2:8).

The goal of the Jews is to annihilate the White Aryan Race through race-mixing, which is a Jewish-invented program of genocide [no different from Christianity and its Communist cousin], and then to keep the politically correct, race-less, soul-less group of human cattle who no longer have any identity as their slaves:

"That they all may be one; as thou Father art in me, and I in thee, that they also may be one in us..." -- Jesus Christ (John 17:21)

In the same way as the Jewish Leviathan, the fictional Jewish character of Yeshua/Jesus Christ is an allegory for the Jewish version of the serpentine kundalini force that keeps all Jews, regardless of any differences, bound together in a mind hive. However, while Satan, himself is real, and his symbolism represents the serpentine kundalini force of the White Aryan Race, what Jehovah-Yahweh, Jesus Christ, and Leviathan also represent, is the reptilian nature of the creators of the Jewish people.

What not too many people realize is that the Christian and Muslim religions are Judaism -- Judaism that has been approved by the Jewish people for the White Race to "consume." With that being said, although Christ's Jewish identity doesn't go away, "he" is so ubiquitous that "he" can be anything to anyone at any moment. This Jewish maggot museum hanging from a cross has also been known to put on an Aryan mask to cater to racially-alert Christians in order to keep them under "his" spell, thus keeping them in line and no longer any kind of threat to the Jewish agenda.

In a photo of a Jewish greeting card that shows planet Earth being encircled by a giant snake, the Jewish goal behind their One World slave state is being depicted. The Jewish One World slave state is the ultimate goal of Judaism and Christianity. Even organic Christianity from the Right wing is Judaism. The kicking and screaming over this fact from people who sympathize with Christianity as long as it is from the Right, doesn't change anything, and has only proven to be counter-productive.

[Regarding the Jewish greeting card], "The objective is a Kingdom of the Jews, literally a Jewish Utopia, in which the Jews, as their own Messiah, will reign over the nations [Gentiles]. Thus, the Holy Serpent [Yeshua/Jesus Christ] is their conquering hero. The rabbis call him Leviathan, the piercing serpent." [1]

"The Kabbalah emphasizes the supremacy of Leviathan the Serpent who rises from the depths...to conquer all. Within his protection, the Nation, or House, of Israel will eventually ascend and become god-men and rulers of planet earth and lords over the Gentiles." [2]

"Epstein reports that the scene of Holy Leviathan enclosing cities with his gigantic, circular frame was embroidered on some Sabbath and Synagogue covers. Moreover, "The Leviathan as a fish encircling a city was painted in the dome of Gwodziec Synagogue in the year 1840."

"Epstein quotes the famed rabbi, Ibn Ezra, as teaching to the Righteous Jews that, "Serpents stand as servants to do your will." This is clearly also the reason why the Talmud says that, "On the Sabbath, serpents may be charmed." In other words, the holy day of Sabbath is an

acceptable time when Jews can summon a serpent and, through magic and craft, cause the reptile to do one's bidding."

[Regarding the Jewish reptile Leviathan], "He is destined, the rabbis disclose to the initiates, to incarnate the body and mind of the Christ-Messiah to come." [3]

The serpentine symbolism of the White Aryan Race has been confused with literal reptiles when in reality, the actual reptilian race are the progenitors of the Jewish people, who are the enemies of Satan and his Demons. The Jewish "snake-charmers" are in communication with their reptilian creators. When and if the Jews ever have any dealings with the METAPHORICAL "serpents" -- the Nordic Gods, it is only to curse and bind them. This Jewish practice was extended to the Christian practice that teaches the White Race to turn against our own Creator and blaspheme and defame him.

As far as Christ-Leviathan goes, if "he" were real, he would be of an exclusively Jewish-reptilian nature, which is why even the Jews who pretend to be out to "destroy" Christianity, refer to Jesus Christ, or Christos, as the "Holy One of Israel." The Jews have absolutely no problem whatsoever with "Lord Christ." What troubles the Jews is the Pagan elements that Christianity has inevitably assimilated in its quest to survive at all costs. There is nothing original about the Christos lie, as Christos was stolen, not from Pagan Gods as real, physical beings, but a Pagan CONCEPT which is told in the Pagan myths and legends that was transformed into a Jewish god-man for the Gentiles to worship and hand their damned souls over to, while he is a Jewish political leader for the Jewish people, whose mission is to join the Jews of the world together to rule over a race-less, sex-less slave state of bar-coded, micro-chipped, soul-less Gentile slaves, whose former White Aryan Race was forfeited because they couldn't let go of Christianity on time, and they have forfeited their White Aryan Race through race-mixing. Christianity is just as deadly to the mind, body, and soul as race-mixing is deadly to the physical body and the spiritual body of both the individual, and the collective White Aryan Soul. Christianity in ANY and all forms is just as destructive as race-mixing, and vice versa!

Satan has brought it to my attention that he desires for Satanists to not only recognize him as a literally real, physical and spiritual being, and to STOP cursing and blaspheming him by using the Jewish reptilian name for Yeshua/Jesus Christ around the Baphomet that was popularized by the Church of Satan. Anton LaVey was a rare occurrence, in that he was not actually Jewish. He was an Aryan soul who was incarnated as a Jew because this was the only way he could get his positive statements about Satan published. Any other way would have been literally impossible. The Leviathan is a mistake and nothing more on the part of Anton LaVey. However, Satan wants his people to stop using it, as it binds the Baphomet which represents Satan.

In closing, it must also be stated that Leviathan is most definitely not a Crowned Prince of Hell, either. To call on Leviathan during ritual is to invite the chaos of the Jesus Christ

thought-form and at least indirectly give energy towards the second coming of the Christos - the Jewish Messiah, who, this time would exist on planet Earth as a physical Jewish god-man of the "House/Tribe of David" who would rule planet Earth from Jerusalem with his fellow Jews, world-wide.

"Bluntly stated...if the Gospel that one preaches does not culminate with a Jewish man ruling the world, then it is not the Gospel of the New Testament." [4]

Leviathan is Christ and Christ is Leviathan. Although they currently only exist as astral thought-forms, and not real physical flesh and blood beings, they represent the physical and spiritual enemies of the Satanic Nazi Religion which are the enemies of the White Aryan Race of Satan, which is the Race that has given all of planet Earth the gift of civilization, arts, philosophy, technology, education, culture, true medicine, agriculture, architecture, the wheel, the motor, the pen and plow, and the Satanic Pagan religions, and basically everything that makes life worth living. If the White Aryan Race of Satan goes extinct, planet Earth will never have anything worth living for ever again.

This is a wake-up call for White humanity!

While exposing the Jews is the work of Satan, acknowledging any form of Christ, regardless of how this worthless, rotten name is spelled or pronounced, is to work for the Jews, even if the intentions are just the opposite. That's how it works with Christianity. Christianity is Judaism. This hasn't stopped certain morons with zero credibility from trying to make tired excuses for and arguments in favor of some pointless excrement of a "non-Jewish Christ." Such idiocy doesn't go unpunished by the forces of Nature].
