

President Nixon & Vice President Agnew Fought Jewish Power

President Nixon and Vice President Agnew fought against Jewish Media Monopoly and Jewish Power.

Vice President Agnew fought against the media monopoly which made him famous. He made this speech to the American People in the summer of 1973. After this, the Jews swarmed in on Agnew and forced him to resign from office.

Vice President Agnew

The speech that cost Agnew his career:

"The people who own and manage national impact media are Jewish and, with other influential Jews, helped create a disastrous U.S. Mideast policy. All you have to do is check the real policy makers and owners and you find a much higher concentration of Jewish people than you're going to find in the population.

By national impact media I am referring to the major news wire services, pollsters, Time and Newsweek magazines, The New York Times, The Washington Post, and the International Herald Tribune. For example, CBS' Mr. Paley's Jewish. Mr. Julian Goodman, who runs NBC, and there's a Leonard Goldenson at ABC. Mrs. Katherine Graham owns The Washington Post and Mr. Sulzberger The New York Times. They are all Jews!

You go down the line in that fashion...not just with ownership but go down to the managing posts and discretionary posts...and you'll find that through their aggressiveness and their inventiveness, they now dominate the news media. Not only in the media, but in academic communities, the financial communities, in the

foundations, in all sorts of highly visible and influential services that involve the public, they now have a tremendous voice.

Our policy in the Middle East in my judgement is disastrous, because it's not even handed. I see no reason why nearly half the foreign aid this nation has to give goes to Israel, except for the influence of this Zionist lobby. I think the power of the media is in the hands of a few people...it's not subject to control for the voters, it's subject only to the whim of the board of directors.' -Vice President Agnew, from Newsweek, Vol.87 1976

President Nixon spoke about this same topic which went public with the Nixon tapes in which President Nixon recorded all his conversations in the Oval Office.

From a taped conversation between President Nixon and Reverend Billy Graham on February 1, 1973 on the subject of Jewish control of the media where they talk of the Jewish stranglehold on American media:

Graham:

"This [Jewish] stranglehold has got to be broken or the country's going down the drain."

Nixon:

"You believe that?"

Graham:
"Yes sir".

Nixon:
"Oh boy, So do I. I can't ever say that but I believe it."

Nixon mentioned during these conversations that he wanted to do something about the Jewish power monopoly over media and political power in America, but he wanted to wait for a second term. Nixon had drawn up lists of powerful Jewish elitists in the media and other key power positions in America for the FBI, CIA and IRS to go after. The Jews found out about Nixon's planned purge of their anti-American cabal and swarmed down on Nixon and made sure his career ended. Nixon had been close to McCarthy who went after the Jews and their Communist subversion of America. The Jews destroyed McCarthy for the same reason.

Of course, when this came out in the media years later, Graham cucked down and groveled like a good Christian before his Jewish masters. He went as far as stating he will crawl to the Jews on his knees and beg forgiveness. That is how much power Jews have; they can make the most powerful man in the Free World, The American President, terrified of them and their media control and power monopoly, and have the most powerful Christian Leader in America crawl before them on his hands and knees. They can ruin the career of a Vice President.
