In the light of new circumstances, there will be no new RTR Schedule for a while. The reason for this is that we are going to do some other necessary things, which we will keep everyone updated about. These are for all of us here.

For those who want, rest for a couple of days, we ought do it, but for those who want to instead keep attacking, you can continue either on the prior schedule or do this Ritual that is on the 2017 Schedule for after the 29th:

Normally it won't take long and what we need to be doing will be up fairly soon.

We will keep you posted on the updates.
