

Preliminary Ritual Schedule Before New Release - 29th Jan / 2nd of February

High Priest Hooded Cobra 666
[January 28, 2023](#)

Greetings to everyone in the Spiritual Satanic Family,

We are going to be doing the schedule below to prepare the ground for further Ritual releases. The sole reason that this is given briefly is because of work and things that must be done.

Everyone will love the new Rituals which will empower you all and introduce you to even more beautiful things and further personal power.

We can all start effective immediately with this, if you are in zones where it's still the 28th.

More in regards to the form of the schedule will be understood after the Rituals are posted.

The Final RTR is a given and should be done anywhere we can put one Ritual so to say.

We'll focus on three Rituals because these will help pave the ground for the next ones:

- 29. Beelzebul's Ritual, Demonic Authority Ritual, 72 Names Reversal
- 30. Beelzebul's Ritual, Demonic Authority Ritual, 72 Names Reversal
- 31. Beelzebul's Ritual, Demonic Authority Ritual, 72 Names Reversal
- 1. Beelzebul's Ritual, Demonic Authority Ritual, 72 Names Reversal
- 2. Beelzebul's Ritual, Demonic Authority Ritual, 72 Names Reversal
