

Preparing for Next Schedule

by High Priest Hooded Cobra 666

[April 14, 2021](#)

In a few days, a new schedule will be posted. This one will be devastating, as per usual.

The enemy is being confronted and destroyed. Everything is to be expected right now.

It's advisable to start preparing and doing meditations, to be on keen awareness. Schedule will be posted in the next few days.

Praise and eternal power to all of our SS warriors.

This schedule will be a tomb to the enemy.
