

# Preparing for New RTR Schedule

by High Priest Hooded Cobra 666

[December 09, 2020](#)

Soon, there will be a new release for another RTR Schedule.

Everyone is advised to take some rest, enjoy themselves, and optimally do their meditations in preparation for the next schedule.

The last one went beautifully. The Gods are proud for all of us who participated. These times are pivotal and very crucial for the future of the world.

There will be, aside warfare, important things to help everyone during Yule and set off a precedent of success for the New Year.
