RTR Schedule from 19th of September to 28th of September.

Greetings to all our Satanic Warriors.

Remember, the Schedules can be found here, for your daily ease:

<http://www.rtrschedules.blogspot.com>

For the Upcoming Yom Kippur, we will post this at the 26th, 27th etc. The enemy doesn't need to know what we will be doing on that day. So rest reassured the schedule for this is coming.

There are some important events coming up, including the German Federal elections. Nobody believes that the elections will not be rigged (at least I do not believe the jews will allow this afloat after having such a horrible year) but in whatever the case, our RTR's will ensure that whatever is done will backfire to the enemy and that Gentiles wake up from this event. The jews are not going to risk, or let be Germany and therefore Europe, because that would be their downfall from power.

The German election, rest reassured, is completely rigged. However it's the outcome of such rigging and the future of such that we are going to alter.

By a major coincidence, the German Federal elections also begin during the beginning of the week of the Yom Kippur. Another Coincidence. Like Trump's election on the 11/9, and the falling of the towers in 9/11, and so on, so forth.

However rest reassured, no matter how many elections are rigged, and how loud the media and the jews are going to shout for the victory of their system, their system has snapped completely and they know it too. Everything from there on is a matter of time.

Below is the Schedule for the upcoming days in regards to the Reverse Torah Rituals.
