The enemy is attacking us and of course, all of you here do know how this happens. It doesn't happen with any psychic powers on their behalf, it happens with atrocities and tons of innocent blood. This Ritual should be added to what we are already doing. It can serve to also heal you from attacks you are receiving, as this will bounce the energy back at them and they will pay for what they are doing to beings.

It doesn't take anymore than 7, or 10 or slowly done, 15 minutes out of your day. Just think of the acts they are committing. This needs to be reversed and all this to fall upon their own head. These nasty, nefarious and death/fear energies they are using, are turned towards the unknowing masses, their enemies and other beings who oppose them, so they can destroy them and wreck havoc to any opposition. It's a key to defeating jewish power. It must be reversed every now and then, to make sure everything they do will return to them, making them fail at this most important thing that they are doing.

This ritual is extremely important as it reverses

Genesis 9:5: I will surely require your blood of your lives. At the hand of every animal I will require it. At the hand of man, even at the hand of every man's brother, I will require the life of man.

- Vibrate AUM

- *The blood and lives of both human beings and animals has become toxic to enemy alien agenda and the Jews.*

• *The blood and lives of both human beings and animals have ceased to be effective and have lost all of their power for the enemy alien agenda and the Jews.*

• Vibrate AUM
