Reverse Torah Ritual Program – 1/Jan -15/Jan

Give them their gifts!

-Notes:
1. You can do the Rituals however many times you like. The more, the better.

2. If you lose a Ritual, if its under the same moon sign, it can be done the second day. I.e., you lost 1st January Ritual, you do both in January 2nd, when the moon is in the same sign.

3. Keep your energies on a high level when doing these.

4. Space the Rituals a bit. Now, if you don’t have time, you can repeat, but leave at least 3 or 5 minutes between them.

5. Everyone is advised to follow this program for maximum effectiveness. Many brothers and sisters in good will had this idea, so here it is, for all of us to follow. This way, we have maximum impact.

6. As for the time zone, we cannot sync this for everyone. Good times to do these are: 12 at noon, 3 and 4 AM in the Morning (for those who are able) or just any other hour. We don’t need any confusion. For those who are still wanting to do this at the same time, this can be arranged. We have members all over the world and the differences are striking.

YET, all members from the same locations, conversation this on the comments section. For instance, all members from Europe who are in the same time zone, can do these Rituals at 12 in the morning. Others in India can do the same, or in the USA. We have people from all over the world and this would definitely be hard. Don’t charge what we are doing with strife energy. Just do it and serve justice for the enemy. I will though look into this and keep everyone updated. If it’s possible
and deserves the time, we will do this, all together, at the same time. You will all know at least 3-4 days beforehand.
