

Reverse Torah Ritual Schedule [July 2nd - July 14th]

Greetings to all our People and Satanic Warriors!

What can be said about this schedule? This is going to be one very hardcore defeat for the enemy. This will really set things forward so to say.

Our Gods want to give us a lot of things, including far more extensive guidance, power and benefits. However because the mass mind acts as an obstacle, this is not the case. Instead, we live in the spiritual game of the jews. However this will work on seriously changing this. For this reason this Schedule will be 12 days for now, as to not show what will happen after the schedule. A new cycle will begin after these, we go with cycles as you have seen in the schedules. The astrological patterns are also tying into this.

The Demonic Authority must be consolidated and to be made into an immovable mountain. This has to be done by extremely violent spiritual warfare. We have to impose this in the mind, and from there on, Satan and the Gods will do the rest.

Maybe the enemy doesn't really respect the "Goyim" anymore, and they consider them trash, however the Gods that have trashed their own 'chosen' race and driven them in the fire, metaphorically and/or literally, are just laying in wait to exact revenge for whatever has been committed against themselves and also against their people.

In other words, let's just open the door of this silly and closed mind of this cattle that is today called 'humanity' (for lack of better wording) and let the purgatory begin finally...

Lastly, it's to be stated that those who watch the "News" can see that the RTR's are manifesting in many ways. The enemy gets a beating. Also, they control the news, and those in the top can see the fluctuations and changes way better. In other words, our observatory ability is quite limited compared to this of the enemy, who understands the importance of what is being done, and replies equally with spiritual warfare on their own behalf.

They are far more aware of the "Satanic Times" than 'we' are, from this standpoint so to say. For example the headquarters of Google know very well what is the

percent of people searching for this or that, in the world. They have an actual and frozen statistical image of where this world is going. The average person doesn't have this. Equally so exist other means of such insight.

Here is something to cap this:

<https://web.archive.org/web/20170724081000/https://josministries.prophbb.com/topic20001.html>

Schedule Notes:

1. Because the Demonic Authority RTR takes some time compared to other Rituals, you can reduce the repetitions down to even 3. However, the 10 is the actual number of power. If you can't go for 3, then you have to go to 8. The affirmation must remain on the ten.

2. The 42 is a really important ritual and doesn't take all the time in the world. Even in the days missing, it can be done. It all depends on how you space your time.

3. Do you want to cause massive pain? Don't worry. 72 and Demonic Authority are your friends. One couples the other into a feat of impeccable disaster, not known into the ranks of the enemy for thousands of years.

4. You will see after the second day, you will start to be far better than you have been before. Problematic conditions for the children of the Gods are basically a product of our Gods being closed out of this silly jewtrix. When this is reversed, this is the most positive thing for us and the most damning for the enemy.

The whole game of the enemy was played upon this, to cloud the sun, play pretend and cover it so that the victims don't see it. But when the sun comes close even if you are blind you **WILL** be burned...

5. No auras of protection, nothing can save the jews, no Kabbalah, and no 72 name, if the Gods do break into from the mass mind of humanity. It's the power of the mass mind and the Goyim (The progeny of the Gods) that acts as their only shield against judgement and destruction.
