

# Reverse Torah Ritual Schedule Until 29th of January

by High Priest Hooded Cobra 666

[January 15, 2017](#)

2017 will be a very significant year. We need to attack and destroy the enemy power structure and let nothing behind. This is a rotten structure and it must be overthrown, and its collapsing by its own mistakes. We need to facilitate this and make its own demise faster and more brutal. After these 13 days we will change the RTR's, but not earlier. We need to keep up the pressure to overthrow the tyrannical enemy governments and also force things to a conclusion where they cannot lie to the populace anymore. The enemy is planning a massive genocide and holocaust in Europe, and they want to exterminate these people, and aside them, render all others whom they victimize completely incapable to react to jewish demands.

Look in the ME and how the enemy is merciless. Event hough these people have nothing, even though they believe in the jewish hoax of allah, the jews not only show no mercy, but they destroy them all the more. There is no reconciliation with the enemy, and they never display humanity or mercy..

Aside of this, many places which are kept in order only because some more 'civilized' places give help to them, will go down the drain, and this includes continents. If you are fine with watching children die, mass impoverishment, and jews destroying you and spitting at your face, then by all means don't do these rituals, and go take your petty life or something, die from boosetard, or die from overplaying video games for one week straight without sleep or food.

As for people who are considering themselves more than slimy garbage than the 98% of "Goyim admitted" slaves...The masters rivalling the tyrannical 1% of the enemy...

As all of you know, we are reaching a crucial point where even the last 'idiot' down the street will understand, whether they like it or not. This is reflected into worldwide events, elections, and reactions by the populace displayed by media rejection and many other things. People are gradually waking up and their minds will become more fertile for our ideas.

People will keep 'denying' reality until it is too late, and this is exactly what the enemy wants. The enemy also wants faith in their system, which is proven to lead everything to destruction in a couple of years, even if it took centuries to build. One example is Sweden. Sweden was once glorified about how developed it was as a country, now Sweden in 15 years will become worse than Somalia. Because Somalia has been filling Sweden anyway. So it will become what it has become. Unless these are stopped, both Sweden and Somalia will just die horribly. And the enemy will be laughing.

And let me tell you what the jews have done in Somalia is that half people there have AIDS, drown in poverty, and people live with less than one dollar a month. And

Whites who want to help just can't do anything, because jewnicef and many other jewish liars are in the way, squandering even the buck you send to buy Rolls Royce to tour Israel with.

You know about the whole situation for a reason, and because you CAN act on it by doing these Rituals.

What most people may forget is that this war between us and the enemy didn't happen one century ago. It has been ongoing for thousands of years. As such, we need to be patient and fight daily. In the same way you drink or eat, you need to supply in your Soul with the food that you are doing your purpose back to help mankind in some way. I feel sorry for people who don't care or have let themselves so down as to believe the enemy that lies to them that they are garbage. Because you are not. You can actually make change in your own way. Its easy to do your part.

Ask people in the Middle Ages before these happened. Would you like to do some Rituals for an hour a day in order to escape your punishment, anguish, and slow lingering death that lasted years? What do you think will be their reply?

If you asked Europeans in the bubonic plague, if, only if they did some RTR's to get the jews out, they would never have died? I can go on and on with examples.

You are here, because other people decided to do this for you, to fight. Just think for a while how much labor has went into you existing. You need to labor in your own way for a better tomorrow. As for the rest of the billions who don't, don't you worry, these aren't making it any far anyway, as they are nowhere. If you pay close attention these beings exist for no other purpose than to feed the jewtrix mostly, and then, while its fed enough, it will famine them from where it made them.

As admitted in the enemy texts, there will only be kept a few necessary for the jews as slaves and all others will die. Same as the multicultural icing cake, and cherry berries of the 'colorful' civilization of rainbows and tolerance. If shit hits the fan, with the technology and many other things that will come to exist, numbers will be reduced like flies. Make the difference now, because you ARE the difference already.

Planetary alignments such as Pluto in Aquarius will not bring wonderful benefits with jews in power, but mad tech and many other things that will obliterate the masses like cattle and worse. The jews are trying to shill and keep lying and terrorizing to keep power as much as possible.

We need the jews out of the governments and Gentiles to take the wheel to distribute and advance technology in positive ways, liberating humanity from this misery, taking care of the planet etc. While the age of Pisces could have been the age of transcendence, Magnum Opus and spirituality, the enemy turned it into the age of suffering, lies and deception. Its your purpose as fighters of Saty-an to NOT allow this to happen again.

Lastly, if you are the very selfish type, I don't see what more formidable alliance/friendship you can have than Satan or the Gods in that sense, and getting a chance to live forever or at least increase your personal power and gain knowledge or attainment than billions won't. No matter who you are, fighting wins you a lot of things. You also learn about magick and you become stronger by application. The list goes.

For that reason, the RTR's we will be doing are the following:
