

# Warfare Gift Preparation for Our Fellow Jooz (23 September)

by High Priest Hooded Cobra 666

[September 3, 2015](#)

As you know, the date of the enemy draws near. You know, the date when they will do ritual murder like any other year, the year where some will turn a blind eye, Torah will be reinforced, the Global Economy will again be attempted to collapse and the list goes on and goes. The jooish f(r)iends do prepare lots of surprises for their Gentile slaves if nobody replies to this. But this year it will be different. Someone will. This is US. We will attack them back spiritually, at the core.

This year all their attempts will go down the drain, like they didn't happen at all. And you will feel it and see it for yourself The Warriors of Satan will not turn a blind eye, unlike all the other fucking cowards who pretend to be "kings" and "queens" while they see these fucking bitches abduct and crucify Gentiles, push illegal immigration killing both the immigrants and the target nations, poison the Earth, curse us spiritually, damn the lives of millions, kill millions with their so called "industry", brainwash the whole planet, put everything under a spiritual hoax etc etc. I am not even sorry to break this down for you, those who cannot quite digest it, that they would make your children and lot gladly, beef for hamburgers, if they could.

Just because that's who they are. So stop the bullshit, put every thought that keeps you from defending aside, shit the "Torah" and all the rest products of this Jewish psychospiritual and physical dictatorship, shit everything of these filth, raise your weapon and start the spiritual decimation.

So taking this in the given, I ask everyone of you with a decent character and a Soul, to do something fairly simple, as a warfare plan for the upcoming days. For Satan. For your future. For your self. For your Pride. And For VICTORY AND THE WORLD.

**September 3, 4, 5, 6, we will attack with this Ritual:**
