

# Rabbi Admits Jews Want to Exterminate Germany and Gentile Nations

I just stumbled upon this video by accident and suddenly realized this is the real shit. I instantly uploaded it to the internet archive so it doesn't get taken down. Here, the rabbi talks about how German Whites and Whites around the world are the Amalek that the Jews are supposed to annihilate all of.

The Jews are openly planning to physically exterminate the Gentiles of the world, including the White Race, as part of their alien ideology of conquest of this planet. Rabbi Laitman also stated this in his famous lecture to the entire nation of Israel.

This is yet again as you mention, more evidence that the Jews are working to destroy the Germans and other White Europeans as part of this plan. The EU was created and is run by the Rothschild and Warburg Jewish dynasties who are part of ultra Jewish groups like Chabad. They are all part of the Messianic movement of Jews to conquer the world, going back to the time of Rabbi Frank and his Messianic movement for Jewish world government that got the Rothschilds and Warburgs started as part of this movement. The Rothschilds call themselves the Messianic Jewish rulers in their own writings, which means that they are attempting to bring about the One World Jewish Order; this is why they had their puppet President Bush sign the Noahide laws into effect in 1991.

America is the world empire and the Israeli press states that Jews run America. The Star of David is on the one dollar bill. This is also why the Jews are spying on everyone, they are massing lists of all Gentile dissent so if they get their totalitarian government they are going to do like they did when they took over Russia: punish antisemitism with the death penalty and arrest everyone on those lists and execute them all, and their families too.

Also note this Rabbi is talking about the "Book of Revelations" as well. This is a Jewish text that ties into the "Book of Daniel" in which the nations of the Gentiles are destroyed and the remaining Gentiles become slaves, ruled by the Jews with a rod of iron and have to lick the dust from the soles of the Jew's feet. The Rabbi is openly admitting that the entire Bible is a Jewish occult warfare text against the Gentiles in order to bring about the Jewish World Government.

But even the best of the Goyim slaves, to the Jews, the Torah tells them to "kill the best of the Gentiles" anyway. The Rabbis also debate on if they are going to slaughter all the Gentiles.

So the only way out is for everyone here to keep up the Final RTR and use the Internet to get the word out. We are already up against the wall, the only way out is foreword. The cowards who run away are still on that list of the Jews anyway.
