

Satan, The First Enemy of the Jews

-High Priest Hooded Cobra 666

The Bible and the Hebrew bible as well, are books of Jewish Priests and other jews, who are meant to be read as manuals when one has a deep knowledge of the occult and they know what's really into the books. When these are given to the "Goyim" or people that don't know, they are given other interpretations, as they have created them in this way so the masses are deceived and accept this "tie-in" magick of the Jews. There are thousands of translations and commentaries, but there is only *ONE* TORAH. In the original Torah (Hebrew Bible) one letter is off, and its all void and useless. When it comes to translations and interpretations for Gentiles, everything goes. This is why you have millions of types of xianity, but only one deep and internal occult Judaism. Which is the root of it all.

Now as all of you here are familiar with, the Jews only consider THEMSELVES Human. **This is a major understanding in reading the Jewish Bible and the Torah, without which, you will never understand its meaning as a supremacist "Book". "Adam" or "Adam Kadmon", while stolen from the Sumerian Adimu, and the general Sumerian Myth, is believed in the Bible to be the first and only "Actual man", while all others were excrement and non-humans.**

Gentiles, or Goyim, are NOT HUMANS in the jewish mind, or internal jewish literature. Gentiles should STOP trying to compete in the jewish programs, as simply, as their creators already know, they aren't even considered "Human" in the first place. These are jewish Racial supremacy programs and not religions. Nobody else is allowed in, except of at the level of an ignorant slave, or a willing servant. This ties into the general understanding on how the jews are "Chosen" of "JHVH" while all others are the Goyim. According to their own word, all creation is supposed to "bow to them". This includes the whole planet, all Humans, all animals, the universe even.

Their mental sickness also tells them that even the universe, was created for their own enjoyment. Not only they believe this, but they implement this. This is the idea behind "Zionism" which is just what all jews believe, applied. There is no "Zionism", or "Zionists", there are only jews who just believe the average teachings of their culture. There are even worse teachings that I can't really go into now. The jews are so mentally insane that they really say, the "World Began 6000 Years Ago" just because THEY themselves emerged amongst our midst at this point. Imagine their insanity. Even the Earth is Flat, because they say so. They are universal rulers of the universe, according to their crap, after all. Everyone *MUST* believe this at all costs. Otherwise, this is VOID. Why though? Let's examine.

"The soul of the Jew is different than the soul of the non-Jew."- Rabbi Menachem Mendel Schneerson

"The entire creation [of a non-Jew] exists only for the sake of the Jews."- Rabbi Menachem Mendel Schneerson

"The difference between a Jewish and a non-Jewish person stems from the common

*expression: "Let us differentiate." Thus, we do not have a case of profound change in which a person is merely on a superior level. Rather, we have a case of "let us differentiate" between totally different species." This is what needs to be said about the body: the body of a Jewish person is of a totally different quality from the body of [members] of all nations of the world ... **The difference in the inner quality between Jews and non-Jews is "so great that the bodies should be considered as completely different species.***

*An even greater difference exists in regard to the soul. **Two contrary types of soul exist, a non-Jewish soul comes from three satanic spheres, while the Jewish soul stems from holiness. As has been explained, an embryo is called a human being, because it has both body and soul. Thus, the difference between a Jewish and a non-Jewish embryo can be understood.***" -Menachem Mendel Schneerson

When the Jews talk about HUMANS in the Bible, they just talk about THEMSELVES and only THEMSELVES. This is an imperative understanding or else one cannot really understand the bible. Young jews are taught this truth when they are very young, and revealing it has the penalty of death. The whole hoax of Christianity was based on this cover up.

"Goyim were born only to serve us. Without that, they have no place in the world – only to serve the People of Israel." - Rabbi Ovadia Yosef

(In regards to the "Goyim" animals who are meant to serve Jews: ***"This is his servant... That's why he gets a long life, to work well for this Jew."*** -Rabbi Ovadia Yosef

So Satan was attempted to be "imposed" by the otherwise "All powerful", in their own lying story, by the "JHVH" Thoughform, to be subjected to "Adam Kadmon" or "Adam" (The first jews) and Satan emphatically refused and waged "War with Heaven", mentioning that these beings are imperfect and lower and that nobody should be subjected than them. The fallacy in the story is apparent. While the jews have the lying complex in trying to portray their "God" as all powerful, he wasn't. This is why they came late, they have been trying for centuries and in many ways, to no avail. It required centuries of effort to their part to reach a "Competent" level. Their "God" didn't even have the power to pull anything off, so it just resorted to curses against Humanity and Satan, with the ultimate goal of "Winning the War in Time". The rest is gibberish. Also, the allegory of Satan being "created by God" is stolen from the Aether, which the jews try to personify in JHVH.

The Aether is the source of existence, but it doesn't reason, let alone its not an ugly jew sitting on a cloud on sky 9. Satan was the first anti-Semite and this is self-proven. The things about how Satan "Wants to Destroy Humanity" or how "Satan tries to lead Humanity Astray" or "Lead Humanity to Hell", these are from the Jewish Bible. The jewish Bible and jewish literature, only considers JEWS as Humans. In other words, Gentiles are NOT in this category, anymore than they are not in the category of the "144,000 Elect Jews" or anywhere else fitting. The jews themselves want Satan, as a being, destroyed in all ways and levels. This is how the average "Adamic Jew", or "Real Human" and "Perfect Creation" is actually looking, based on the jews:

Why should ever, a being as Satan, the Aryan God, or any other Gentile Gods, or any other "Non Jew" for that liking, be subjected into this crap excrement, because of merely the statements of "JHVH" who was created thousands of years after Satan existed? JHVH was nothing but a cheap powerless Thoughtform, until the jews rallied in the beaten and damned people and started gaining followers, they enslaved their souls and prayer energies. Satan was always in all ways, superior to this crappy Thoughtform. This is why the enemy chases followers, is an endless liar and hypocrite and they use all the animals needs of Humans to enslave them.

The enemy calls "Satan", as "Ha-Satan" which means, "The Adversary". Now as all of you here know, SATAN derives from the Ancient Sanskrit Satyan, which means, "Eternal Truth". The enemy has made the Truth its enemy.

The "Angels" of "JHVH" all end up in "EL" (EL meaning Light) because they are Thoughtforms created by light energy and by mass belief into their existence. This is why Angels themselves are dumb, and why behind "Angels" all sorts of bizzare enemy alien ET entities do actually hide. The jews themselves use these Thoughtform and each of them has a specific purpose, to attack and try to offset the influences of a particular God. This is why for instance, "Gabri-el" is supposed to counter Satan. Well, this Thoughtform miserably failed even though after thousands of years of charging and mass believe. Satan is still here. Satan exists with or without Human existence or acknowledgement, and this should be evident in how Satan kept existing long after the "Satanic Legacy" was almost eradicated from the planet. Satan is not dependent on followers, as Satan is real.

Satan doesn't need to give gifts or anything, to get more followers, give money or mansions to buy faith. He exists anyway. As for the enemy, their Thoughtform is specifically designed to give them money and anything else, so that they remain spiritually oblivious, and serving this jew. Spiritual ignorance is what they buy for a cheap price.

Only then the Thoughtform of "JHVH" started getting any substantial power, and the "Torah" having any spell-power at all. Prior to this jews were what they are in reality, garbage, ugly excrement, hated by all Gentiles on Earth. Like anything else this can be easily explained. The "Goyim" were spiritually used to actually create this hoax, and their own creative power made this excrement strong. It didn't even exist before. The jews are insane in regards to the "Real Name of God", which is hidden and secluded by Rabbis, because its actually the name of this Thoughtform. Its just a Thoughtform created to help Jews and impose the Torah law. Nothing else. The Rabbis openly state that "God Serves them". And that if "Rabbis Argue

with God, they can defeat God", in glorifying themselves of their lying ability.

"Why are gentiles needed? They will work, they will plow, they will reap. We will sit like an effendi and eat... That is why gentiles were created."-Rabbi Ovadia Yosef

Satan obviously "Refused". For this reason, then follow curses and everything else in the Hebrew Bible, and "JHVH" swears that "Satan will be destroyed" and that "He will burn in the lake of fire", with the elect 144,000 jews actually "saved" and everyone else that "Refused" the jews, burning in "Hellfire" forever. Given to lack of power, they didn't do this. They just try to systematically destroy Humanity in revenge against this being who stood against them and tried to destroy them. Satan is a Hero for all real, Gentile Humanity. He is the nightmare of the enemy and all these jewish beings of decay. The paranoia these people have about this being is insane, because they know their Race went into a straight attack against Him, and so they know about their alliance alliance. They know they are NOT of the same seed or creator, like the rest of Humanity.

You can see the "Lesser Key of Solomon" on how the enemy attempted to bind the Gods of the Ancients with binding methods. The Gods were hated for still trying to defend Humanity. The Gods themselves have been attacking the jews and they have destroyed their so called "legacy" and still kept fighting for Humanity, with certain people and through them, in order for us to re-advance. They never left us. The same goes for Satan.

As for their crappy spells against the Gods, others worked for a while, others didn't, others failed completely. The same that can happen with any human being that is cursed by millions of people. The energy of billions of people, with hate and negativity has been channeled to the Gods in order for them to be destroyed, and the jews did literally and completely fail at it, again. What the Gods have to state about this and is very revealing, is that this is nothing but a season for them.

One can imagine this like if one is cursed by millions, and they just get a flu, how weak are all these millions compared to the Gods, and also, how weak are the actual kike slaver oligarchs. This is not to have them underestimated, as Humanity they have really turned to animals. Humanity also needs to survive, and thrive. In destroying Humanity, they have done a very "wonderful" work. This is why you see them now going insane in trying to wipe out the White Race and with it, all the "Animals" who have "Satanic Blood" or whose "Soul is from the three Satanic Spheres". They are on a Race against Time, in order to destroy Humanity before the ticking bomb exploded on them and all their crimes. That doesn't meant they will succeed, but it doesn't meant it's impossible either. We must fight and we will eventually win if we do this. Their apparent weakness in some areas will not make them stop in ANYWAY, so we must never stop either.
