

Thai Royal Praises Hitler and States the Holocaust is Jewish Lies

To my understanding from a Westerner who went to Thailand to become a Monk, Thai People are openly pro Hitler and National Socialist and anti Jew. It makes sense that the biggest allies and openly NS populations are in the Dharmic based nations in the East that still have higher spiritual values and ways of life which are based around the superior cultivation of the soul, mind and body. This is what National Socialism's core value is, and that is the reason why Jews hate National Socialism and have tried to murder it from the start.

Israel is a nation that has murdered close to a million Palestinians, and its political leaders openly state stuff like this:

"Our race is the Master Race. We Jews are divine gods on this planet. We are as different from the inferior races as they are from insects. In fact, compared to our race, other races are beasts and animals, cattle at best. Other races are considered as human excrement. Our destiny is to rule over the inferior races. Our earthly kingdom will be ruled by our leader with a rod of iron. The masses will lick our feet and serve us as our slaves" - Prime Minister Menachem Begin (Israeli Prime Minister. Speech to the Knesset. Source: Begin and the Beasts," New Statesman, June 1982)

Their ambassador is crying six billion holo tears because smart people are not buying the "Holocost Potter And The Gas Chamber Of Secrets" tales that uncle Shalomo is selling.

[Israel Joo]Ambassador Simon Roded expressed "disappointment and regret" over the comment by ML Rungguna Kitiyakara, a descendent of 19th-century King Rama V and a distant cousin of HM Queen Sirikit.

[The Jew ambassador was probably sad that Jews couldn't place signs on buses in Hitler loving Thailand like in Israel where the bus company Egged has accepted this ad in Jerusalem: "Statement of the kingdom. From the teachings of the [Lubavitcher] rabbi: "The Gentile does not want anything. He waits to be told what the Jew wants!"]

On his Facebook, ML Rungguna praised Nazi leader Adolf Hitler as a genius and patriot, and said the holocaust was "propaganda."

ML Rungguna wrote of his appreciation for Hitler on April 20, the Nazi leader's birthday. He said he believed Hitler made some mistakes, but he was a genius and a patriot so his life was worth studying.

ML Rungguna viewed that Hitler was a statesman who had been destroyed by Jewish bankers and Zionists and been imputed as the bad guy for the holocaust which ML Rungguna claimed did not actually occur. It was propaganda to establish sympathy to expel and kill Palestinians from their homeland so the Jews would have their own state, he wrote.

ML Rungguna, 46, is a son of MR Kiartiguna Kitiyakara and Thailand's former Miss Universe Apassara Hongsakul. He had become a monk for several years and now is a farmer and activist for energy reform.

Oy Vey! Those Thailand Goyim are never going to tolerate this:
