

# The Fruit of the Tree in the Garden

The Torah is the encrypted Kabala and the Kabala is the decrypted Torah as Judaism states. Using the method of gematria on the letters and numbers, we can find the meaning of important passages in the Torah to understand the actual meanings written in this code system for the other Rabbis, and thus read the Jewish code.

What was the actual forbidden thing, the fruit that Adam and Eve ate of from the tree?

Here the Hebrew letters are put in simple English text:

AThH HMN HOTz [1 +400+5] + [5 +40 +50] + [5 +70 +90] = 406 + 95 +165 = 666  
= "Hast thou eaten of the tree" [Gen, 3:11]

Revealing the Fruit is 666.

Now, what is the number of the God that Adam and Eve, under the serpent's direction, were to become that frightened YHVH so much?

KALHIMf, 20 + 1 + 30 + 5 + 10 +600 = 666 = "To be as God" [Gen, 3:5]

The number again is 666.

666 is the number of the Temple of the Sun in the ancient Pagan religion, which is the Light Body. So here it is, right from the codebook of the Jewish enemy themselves. It's a clear order and warning that "YHVH", which is code for the Jewish Race, must stop Gentiles from achieving the Light Body, the 666. Or else, as the Jewish Race was warned in the Torah, YHVH will have no control over the Gentiles.

The Garden is the Jewish paradise. YHVH, the Jewish race, has Adam and Eve created to work for the YHVH as slave workers who are naked the symbol of animal nature. Goyim, the Hebrew word for Gentiles, means "animals" with no spiritual awaking or higher consciousness, just "dumb animal brains" as the Jews call Gentiles. In the Torah, YHVH makes the Babylonian Emperor run around naked like a beast in the field just like Adam, showing that he is just a Goy under YHVH's power.

In Kabala, the Angel was placed in the east to guard the knowledge of the Light Body, to remove the ability to ascend from the Gentiles. In Kabala, the flaming sword this Angel carries is the Zain letter, which in Kabala is a spiritual curse.

This flaming Zain letter makes the path of the tree of life as the instruction that spiritual curses of the Jews are to be used to bind the Gentile soul from being able to ascend. This is how YHVH, the Jewish Race, is to stop this process of ascension from happening. Zain is the 7th letter, which is the number of Saturn, which is the root chakra where the serpent was bound by the Jewish enemy. In the Torah, YHVH makes the serpent crawl upon the earth, the root charka. The seventh day is the day the Jews attend Synagogue and read from the Torah, which is the book of curses against the Gentiles. To achieve this, the Zain letter is also the symbol of the Jewish Messiah in the Torah, which is the symbol of the TORAH itself, showing that the Torah is the spiritual weapon to bind the Gentiles to damnation with. This is why the Roman and Greek rulers ordered the Torahs burned and forbade the Jews from reading from it.

In the Jewish Bible, 666 is the number given to the Beast, which in the Greek word is the ancient name of the Phoenix, the bird of spiritual fire and rebirth, the Light Body of the Gentiles. It's the symbol of the serpent fire, the winged serpent. It's obvious as to what the 666 is. The 666 is also given to the God of the Gentiles, Satan in the Bible, as Satan is also the symbol of the serpent energy in the Garden in the Kabala. The 666 is also the serpent energy or Kundalini power of the Gentiles that was bound in the Torah by the Torah curses on Gentiles.

The Jewish letter TAS is the symbol of the serpent and this letter is clearly stated to be a curse as well and not included for the Jews. It's only given to Samael (Satan). It's the reverse of SAT, the ancient name of the Gentile serpent God and energy. SAT means Truth in the original language of Sanskrit and is the highest name of God in Hinduism. This letter is another curse on the Gentiles.

Many Jewish words and letters are made from reversing Gentiles words of power to attempt to bind them. The Zain when reversed is niaz, and this Z can also be an S in Kabala. If one goes deep into Kabala, words have different methods and can be rearranged. Nias is the ancient word for Serpent, The Kundalini Energy. Interestingly enough the vowels can be moved around in Kabala. Niaz can become NAZI....Nazi is the ancient name of the Goddess who freed ENKI in Sumerian lore. Enki is the symbol of the serpent energy and the Light Body. This shows how the Zain letter is indeed a Jewish curse on the Gentile soul to keep the Gentiles from being able to ascend into the Light Body and obtain Eternal Life and super-consciousness and freedom from all suffering. ENKI was also called Satan by the ancient Sumerians, their head God and creator God.

The Reverse Torah Rituals are the only way to undo this curse on yourself and Gentile humanity. The Rabbis in Kabala state that Satan will destroy them by reversing the Torah. SATAN is also a code word for Gentiles in Judaism. The Rabbis warn that the Gentiles can destroy them by reversing the Torah.

Everyone, the RTRs are the key. You need to do them daily and with passion. Think of Lord of the Rings when the one ring of Sauron, which is a binding spell on the Goyim, was thrown into the fires of Mount Doom. Sauron's jewish spirit was destroyed and the entire Judaic empire came crashing down. Who was also destroyed with the One Ring....GOLEM..... The RTRs are like that.

We are those of SATAN'S that the Rabbis warned about, the ones who will destroy the Torah with RTRs.
