

The Jewish Messiah: How It Ties Together

The Baal Shem Tov, the Kabbalah Jewish sage (Rabbinical Jew with psychic, occult knowledge and power) was founder of most Kabbalah based Jewish movements of the last several centuries, and is held in high reverence by most Jews. In the Kabbalistic works of the Baal Shem Tov on the subject of how to bring about the Jewish Messiah, which is the Jewish World Kingdom in which the Gentiles will be destroyed, he wrote an important story.

The Baal Shem Tov made the psychic ascent with the Kabbalah Merbava teachings. In this expanded state of consciousness, he had a vision of the Jewish Messiah. He asks the Messiah when he will come and destroy the Gentiles and give the world to the Jews. The Messiah of the Jews simply tells him when all the Jews practice the same teachings of the Kabbalah, the Baal Shem Tov has to be able to communicate with him, and then he will come.

The point of the lesson is for the Jews. It is the psychic, occult practices of Judaism of Kabbalah that will bring about the World Government of the Jews. This is why Judaism is constantly repeating the fact that it's by each Jew participating in the rituals of the religion that empowers the thoughtform of YHVH with energy and allows it to manifest and Kabbalah practices of their race that speeds up the coming of the Jewish Messiah.

This is also why many of the religious Jews hate the secular Jews because they understand they are dragging them backwards in the goal of bringing about the final agenda of their racial religion. They are a drain on the race and the occult energies connected with them. They don't help put the power into the racial thoughtform of the Jews, the YHVH, and the religious Jewish leadership in their own beliefs want to purge them down the road if they don't get on the band wagon of the ritual and occult practices of Judaism. This is why now many Rabbinical Kabbalah adepts are coming public trying to appeal to as many Jews both religious and secular to practice the Kabbalah as fast as possible. Because they know they are losing and they need as many Jews practicing the Kabbalah. The other problem the Jewish adepts mention is that too much Kabbalah is philosophy and not the practical practices, so it's slowing them down in dry speculation which does nothing.

The time of Av in Judaism relates to the destruction of the Jewish Temple and the destruction of Israel. The Temple in Kabbalah is symbolic of the Jewish soul collectively and world government and how this ties together with the racial thoughtform they created to tie into this the YHVH. Israel is the Jewish racial soul in Kabbalah, and both are destroyed in the Av. Also, Av stands for Alef-bet in

Kabbalah, the 22 Hebrew letters. The 22 Hebrew letters are shown as being the structure and energy of the Jewish racial soul in Kabbalah. The body is the structure or garment of the Jewish soul in Kabbalah. To affect one is to affect the other. The Temple is the physical race of the Jews and how it contains the soul of the Jewish race, the Ark. The Ark is what the Jews use to defeat the Gentiles in Judaism, Jewish occult power.

The Temple contained the Holy of Holies, which contained the Ark of the Covenant. Of the two angels upon the Ark, one is Metatron and the other is Sandalphon, which represents the form and power of the 22 letters of the Hebrew alphabet and Jewish soul. And the Covenant, which is the Jewish Messiah, will come and destroy the Gentiles and give the Jews the world, which is the fulfillment of the Covenant. Hence the building of the Third Temple is building of the World Jewish Kingdom. The Ark, the symbol of the Covenant and Jewish soul, was made with the 22 Hebrew letters in Kabbalah.

The way to end all of this is the Final RTR, which reverses the Hebrew 22 letters. During the time of Av the enemy is terrified of this occurring. This is the time they are even more open to the effects of the Final RTR. If the Final RTR was not a major threat to them, they would not even have the Av. The Jewish Rabbis have a prophecy and warning in the Kabbalah that Satan (the adversary of the Jews) will destroy them by reversing the 22 Hebrew letters.
