

The Jewishness of Jesus Christ's Communist Teachings

-Part Two by Jake Carlson

Here is some commentary from Jewish authors regarding how Christ's suicidal advice of "Love your enemies" applies only to the Gentiles in the case of real enemies, namely, the Jews and those who are working for the Jewish goals against the White race, while "Love your enemy" AND "Love your neighbor" applies only to Jewish racial loyalty. The Jewish people are threatened to death by any non-Jewish race who abides by true National Socialism and racial loyalty. National Socialism, which is Satanism, is the only way a non-Jewish race can survive. It is either National Socialism, which is of Satan and the Powers of Hell, or it is Communism, which is of the enemies of Satan. There is no middle ground for this one.

Note: Concerning the quotes below about loving one's enemies, "SATAN" means ENEMY in Hebrew! All Gentiles are a Satan, but along with us Satans [plural], it is ultimately "HaSatan," or *THE SATAN* that the Jews fear the most, as it is he who is the birth Father of the Aryan race, who guides us, and it is only through him that we can destroy the Jews, and return to a natural state of existence, completely devoid of any Christian sympathies.

"'Love your enemies' is considered the apogee of the Sermon on the Mount. This concept is heralded as an example of the new faith of Christianity's superiority over 'old' Judaism. In fact, when understood within the correct philosophical categories, this line fits in comfortably with the Pharisaic Orthodox Judaism. First, in Leviticus 19:18 we read: "You shall love your neighbor as yourself," and in Proverbs 25:21 it says: 'If your enemy is hungry, give him bread to eat and if he is thirsty, give him water to drink.' The Talmud proclaims: 'Who is strong? -- he who can make an enemy into a friend.'" [8]

Note: The Jewish "making an enemy into a friend" is exactly how our Satanic Pagan organizations have been infiltrated and taken over by the Jewish people. Freemasonry, which was once Satanic Gentile, but is now Jewish, is a prime example. The Jews infiltrate to make sure that Gentile organizations are Christianized, or are in any other way Judaized, so that the once Gentile occult power is no longer a threat to the Jews and is in their hands, ready for them to throw a curse at any Gentile who gets in their way without a warning.

"Thus the Gospels' statement of 'love your enemies' is far from being superior to Pharisaic Judaism, as well as not being a naive and unrealistic request to make of real human beings. It can be seen as a result of deep, structured, Orthodox Pharisaic philosophy (32nd chapter of The Tanya).

Also in this context, the word 'enemy' does not mean Amalek or Hitler, Arafat or Ahmadinejad. In the context of the Hebrew mind, and the lecture being given to an audience of Jewish people, the word 'enemy' would be synonymous with your fellow Jew with whom you are at your wits' end. And that is precisely the message of the

book of Proverbs." "This is not about the Philistine that is attacking you, nor the Egyptian warrior on horseback who has stumbled on his way to plunder the fleeing Hebrews. These many laws contained in the Oral Torah concerning your enemy, refer to your pain-in-the-neck neighboring Jewish or brotherly enemy. Leviticus 19:17: 'You shall not hate your brother in your heart, but should surely rebuke him. Rebuke means to lovingly reach out, touch and teach him and guide him back to the proper path. You should not avenge or bare a grudge against one of your own people.

We have the famous command of loving your neighbor as yourself. Torah Law forbids taking vengeance or holding a grudge against one of your own." [9]

The statement above reveals that the "Love your neighbor as yourself" applies to the Jewish community, not to Aryans, as Christ, himself, according to Christian mythology, came to divide the Gentiles and destroy us and to permanently destroy our biological Father and God, Satan.

Note: It was NOT the Gentiles who "pillaged and plundered" the Jewish people. It was the other way around, and the truth behind the false history of the Jewish people in the Christian Bible is that this book of toilet paper has endless examples of the Jews PILLAGING AND PLUNDERING the innocent Aryan peoples that surrounded them. They also felt the god-given permission to take any neighboring non-White person as their slaves and personal property. It is the Jewish Talmud that teaches that Black Gentiles, for example, are to be a Jewish person's slave and inheritance. The White man never felt this contempt for the Negro race.

Here is how the Jewish people really feel about non-Jews, including the righteous Gentile, such as Christians who are pro-Israel, pro-Jewish, and follow the Jewish program of Christianity to the letter...

"Maimonides ruled that when a Judaic murders even a righteous gentile (a gentile who is a friend and ally of Judaism) the Judaic is not to be harmed: "A Jew who killed a righteous gentile is not executed in a court of law as it says (Exodus 21:14) 'If a man shall act intentional against his fellow...' (and a gentile is not considered his fellow) and even more so that he is not executed for killing an unrighteous gentile." (Maimonides, Mishneh Torah, Hilchot Totze'ach 2:11) [10]

The Jewish people make damned sure that the White Aryan race remains divided by hating each other and are pre-occupied over non-issues, such as homosexuality, instead of leaving sexual orientation out of it and focusing on things that DO matter, such as immigration and race-mixing. The Jews remain totally loyal to their own while we are ripping each others throats out because of Christian values that we wouldn't have if it weren't for the Jews. In the case of homosexuality, the Christian indoctrination of Gentiles solidified a previously exclusively Jewish hatred of homosexuality, as the Aryan peoples originally universally accepted homosexuality as a part of human nature, as well as a natural part of the animal kingdom. That is only one example of how the Jews always have to ruin a good thing and get Aryans to tear their hair out over each other for what turns out to be no good reason.

If all of the Gentiles were to wake up and practice the National Socialism of Sparta, the Roman Empire, and the Third Reich, while waking up from Christianity, Communism, and all other Jewish plagues, it would be the end of the Jewish people. The Jews are very much aware of this fact, which is why they do everything in their power to keep our people distracted from the real truth.

In the following quotes, we will examine more about Christ's Jewishness, as well as the accusation that he "broke Jewish law" by "violating the Sabbath." The Jews who know the real truth of this matter shamelessly lie and say that "Jesus was killed for blasphemy and leading Israel astray" in order to give more "credibility" to Christianity. This myth must be exposed once and for all...

"Oral transfer of the Gospel of the Nazarene, therefore, forms the entire foundation of the New Testament. Oral transfer of the Torah, as practiced by the Nazarene's Jewish followers and compatriots of his time, was similarly transmitted to major portions of the Gospel records." [11]

"Jesus, the studied Pharisaic rabbi, conducts his argument in the words of the Talmud [when confronted by "opposing" Pharisees for picking grain on the Sabbath in order to stay alive]: 'Now if a boy can be circumcised on the Sabbath so that the Law of Moses may not be broken, why are you angry with me for healing a man's whole body on the Sabbath?' Far from being proof that he [Christ] was a religious rebel, this line of argument puts to rest claims he was anything other than a Pharisaic rabbi."

"...In this situation, breaking the Sabbath did not constitute any violation at all." "Jesus and his disciples were starving to death." "The fact that Jesus cites the story of King David and his men who ate the showbread evidences the fact that the disciples' lives were in jeopardy. Jesus allowed his followers to break the Sabbath to preserve [Jewish] life, as any other rabbi would do." [12]

"The [edited] Gospels allege a major motive for having Jesus killed was the Jews' anger at his engaging in healing on the Sabbath. And yet Jesus defends himself vigorously against any charge that he violated the Sabbath with arguments derived from Pharisaic writings. ...These arguments appear in the Talmud and are supported by Jewish law. Any contemporary Orthodox rabbi would rule as Jesus did: when [Jewish] life is threatened, the Sabbath must be violated.

As Hyam Maccoby writes in *The Mythmaker*: 'When we consult the Pharisee law books to find out what the Pharisees actually taught about healing on the Sabbath, we find that they did not forbid it, and they even used the very same arguments that Jesus used to show that it was permitted. Moreover Jesus' celebrated saying, 'The Sabbath was made for man, not man for the Sabbath,' which has been hailed so many times as an epoch-making new insight proclaimed by Jesus, is found almost word for word in a Pharisee source [Talmud tractate Yoma 85b], where it is used to support the Pharisee doctrine that the saving of [Jewish] life has precedence over the law of the Sabbath.' [13]

"Thus, breaking the Sabbath was in no way a reason for Jesus to be condemned to death. Indeed, Jesus' arguments about healing on the Sabbath lead to an opposite conclusion: he was a devoted Pharisee rabbi learned in Pharisaic sources." [14]

The following quotes prove that Jesus Christ's salvation is out of reach for the Gentile peoples, as we are of Satan. However, the quotes show that Christ was all about racial loyalty among Jews and Jews-only. Christians, and Noahide Law adherents, alike, believe that Christ, the Jewish messiah, will grant them "a portion in the world to come," but this is a false promise. For one, Christ is FICTITIOUS, and two, his message of salvation is for the Jews-only. Unlike the Jews, the teachings that the Gentiles who are "poor in spirit," and such other outcasts, morons, and losers, are "blessed" because they are easier to program with the Jewish lies of Christ and his Communist disciples, such as Karl Marx. Or should I say...Jesus Marx and Karl Christ?

"The gospel of the kingdom is not a message about getting to go to heaven. It is not a message for the hereafter, or the world to come. It is a message for today. It is a message that men and women can come into contact with the living God who breaks through the space time continuum to meet them at the point of their human need. It is a message that men and women can be delivered, healed, made whole, by the power of the living God. That was the 'good news.' That was the gospel of the kingdom." [15]

"Jesus taught, 'Take no thought saying what shall we eat or what shall we drink or with what shall we be clothed... but you seek first the kingdom of God and His righteousness (tzedakah), and all these things shall be added unto you. Take therefore no thought for the morrow...' (Matthew 6:31-34)

Note the similarity between the teachings of the rabbis and the Chapters of the Fathers and the teachings of Jesus. They are so strongly similar that we cannot account for it on the grounds of simple coincidence." [16]

"Hillel and Shammai said, 'Be thou disciples of Aaron, loving peace and pursuing peace, loving your fellow creatures and drawing them nigh to the law.' If you look very carefully at this statement, you can see that it is very similar to the statements Jesus makes in the Sermon on the Mount. Love peace...Run after the holiness...and the completeness that only God can give. Love your fellow creatures, those that God has created...and you shall love your neighbor as yourself. [When asked what the greatest commandment is, Jesus responds], 'Love the Lord your God with all your heart, with all your mind, and all your soul, and the second is like unto it; you shall love your neighbor as yourself...' [17]

"How important it is that we study rabbinical literature, the sayings of the rabbis. The way in which they teach, the word pictures they paint, the images upon which they draw, because it gives us an understanding of the words of Jesus, the ideas, the concepts upon which he is drawing. In many instances, without a knowledge of this background, because of the images, the idioms, the metaphors, etc., so widely used by the sages and rabbis, we are unable to understand the depth, the meaning, of the words of Jesus.

'...Poor in spirit...' is parallel to humble in spirit, broken in spirit, which means one who is sorrowful for his sins, who has repented of his sins, who has turned to God, who loves His word and who keeps His commandments. That is what it

means to be poor in spirit, or humble in spirit. Rabbi Levitas said, 'Be exceedingly humble in spirit since the hope of man is but the worm.' That is, that the final end of this world is going to be death. Therefore, one needs to make preparation in this world for the world to come. Rabbi ben Baroka emphasizes the fact that one day all will be brought forth and exposed, whether for the good or for the bad.

In Matthew 1:16, 17, 18, Jesus makes the statement that is echoed in the words of ben Baroka, 'Moreover, when you fast be not as the hypocrites of a sad countenance, for they disfigure their faces that they may appear unto men that they fast. Verily, I say unto you that they have their reward but you, when you fast, anoint your head and wash your face that you appear not unto men to fast but unto your Father which is in secret, and your Father which sees in secret shall reward you openly.'" [18]

Below, the Mishnah bashes and blasphemes the Goetic Demon of Satan, Balaam [just like they do in the Talmud], who has been even further blasphemed by Christians who think that he is a prototype for Christ.

"Mishnah 19, Chapter 5 says, 'Whoever has these three characteristics is of the disciples of Abraham our father, but he in whom there are three other attributes is of Balaam the wicked. A good eye, a lowly mind, and a humble soul are the traits of the disciples of Abraham our father. An evil eye, a haughty mind and a proud soul are the characteristics of the disciples of Balaam the wicked. And what is the difference between the disciples of our father Abraham and the disciples of the wicked Balaam? The disciples of our father Abraham enjoy this world, and inherit the world to come. But the disciples of the wicked Balaam inherit Gehenna and descend to the pit of destruction.'

Notice that the first characteristic of the disciple of Abraham is the good eye, generosity, tzedakah, an ever recurring theme, the central or foundational theme of biblical faith. The next is the humble in spirit, the broken or wounded, or poor in spirit, the humble soul. Here we see a principal characteristic of Hebrew prose and poetry parallelisms, two statements that are parallel one to the other, that are structured in almost the same way as Jesus presents them in the Beatitudes. 'Blessed are the poor in spirit...Blessed are the meek...Blessed are they that mourn.'" [19]

By overcoming Christianity and adhering to National Socialism, each Gentile race can healthily live in harmony with their own kind and really embrace REAL diversity in its purest form. With National Socialism and everyone staying with their own kind, there will be no more war and there will be no more Jewish-induced racial tension. True National Socialism, which is true Satanism, is the biggest threat to Christianity in all of its many flavors, but unlike any other form of religion or politics, Satanic National Socialism attacks the Jewish root of all of Christianity, no matter which flavor it comes in, thus it destroys every square inch of Christianity, and totally replaces it with a Satanic, nature-based solution.

What gets to me is how many liberals who claim to be "Anti-Christian" will "bash" Christ's fan club, but deep down, they agree with at least some of Christ's "peace-loving," egalitarian, equality-loving, Feminist messages that are designed to destroy our Aryan people and all other non-Jewish life on planet Earth.

As this sermon has proven, the "Jesus" out of many other "Jesuses" found within the Jewish Talmud that are "blasphemed," is NOT Jesus the Christ who is "blasphemed" by any stretch of the imagination. However, Satan and all of his White Aryan people, and other Gentiles, are the ones who have been cursed by the Jews to no end. Lucky for us, the truth is being made known by the Joy of Satan Ministries and many of our people are starting to wake up. If we keep up the momentum, the Jewish people will not win when all is said and done. Through Satan, there is hope. Never forget this!
