

# The Jews Backhandedly Admit Satan is the True God

Numbers are letters and letters are numbers. Satan, as stated before, is actually a holy Sanskrit term. In Sanskrit, the number 100 is SATAM (शतम्). Since the letters "m" and "n" are nasal, they are interchangeable. With this in mind, we now have the word SATAN.

In the Jewish gematria, HA SATAN is given the number 365 - the number of the solar year. 365 is the number related to the Sun God in the west. However, the number 100 (Satam) is also the number of the sun. This shows us SATAN is the name of the Sun God, which is always the king and ruler of the Gods. This is why the solar age is called SAT(Y)A Yuga (the golden age). The ancient Gentile Religion was of Satan – SANATANA Dharma (सनातन धर्म).

The awakened serpent of Satan is another symbol of the sun as well. This also is what the halo represents - the spiritual sun and the enlightenment of humans by the serpent of Satan.

The term "Ha", just like "Satan", is a Sanskrit word. HA means "the sun" in Sanskrit, and Sat(y)a means "the truth" and "eternal" in Sanskrit. HA SATAN means "the enemy" in Hebrew, but as we can see, in Sanskrit, which is the oldest language, HA SATAN means something totally different, something very positive - "The Eternal Sun/God". So even the Jews admit SATAN is the Eternal God, and this fact makes them furious. They have been fighting against the Truth (Satan) for thousands of years. They are trying to rewrite history and brainwash society so they can pretend to be "god" themselves. This can be seen in their garbage Torah which is full of curses against the Gentiles and our enlightenment. The Bible is designed to bind Gentiles to spiritual darkness and ignorance.

HA SATAN, the Eternal God, is the enemy of the Jewish race. The Jews are the declared enemy of the Eternal God. Since the title of SATAN - the Eternal God relates to the perfection of the soul and its full enlightenment, the Jews are the enemies of our souls, spiritual enlightenment and freedom. According to their own books and deeds, they are parasites who want us to be enslaved in spiritual darkness and suffering.
