

The Jews Have Cursed Gentiles to Death

The cause of death, aging, misfortune, sickness and suffering is listed many times in the Eastern spiritual texts of Hinduism. It's because of the Kundalini serpent of Satan being bound in the root chakra, sleeping and unawakened:

"The Kundalini, when she sleeps, is identified with the fire of time that cooks all creatures to death through the aging process. The fire of yoga [yogagni] that destroys the fire of time is identified as kalaagnirudra, the "Rudra of the Fire of Time," that is, a fire when she awakens which is greater than, which consumes, the fire of time. When she sleeps, the kundalini is associated with the fire of time, a time whose passage marked by the movements of sun and moon in the subtle body; when she awakens, sun and moon [here the ida and pingala nadis] are both immobilized, and the kundalini doubling as the sushumna nadi is said to "consume time." [1]

When the serpent ascends up the spine to the head, it is said to unleash a pillar of Ambrosial nectar which is the Amrita (which literally means "deathlessness"). This floods the entire being transforming them into an immortal Siddha (meaning "perfected").

The Jewish enemy in their Torah has placed numerous curses upon the Gentile serpent of Satan in an attempt to bind the Kundalini energy in the root chakra and keep it unawakened, and to make it dangerous to attempt to awaken this power for anyone. The Jewish enemy has cursed every generation of Gentiles literally to DEATH.

Note regarding the Kala agni Rudra, the spiritual fire that destroys the fire of time and liberates one into immortality: Rudra is the main title of Shiva, and Shiva is called Satan Shiva or "The Eternal Shiva" in sanskrit. Shiva's symbol is the serpent, and originally in ancient texts in the ancient garden of Sri Lanka, Shiva created Adimu and Eva and taught them how to ascend the serpent and create the Light Body and become immortals. Even the description of Edin is the same as Mount Meru of Hinduism. The Jewish enemy stated that originally they came out of India. They stole this text and rewrote it in Hebrew to become a curse on Gentiles to curse all Gentiles to DEATH. They made raising the serpent of Satan the original sin, and this Yahweh [the Jewish race] was inserted in the story with the rewrite. It was Yahweh [the Jewish Rabbis using the Hebrew alphabet] who drove the serpent down the spine onto the earth and spoke the curse upon the Gentile serpent. They placed the Jewish angels at the gateway of the garden with flaming swords to prevent them from returning. Angels are symbolic of Jewish curses and thoughtforms in Kabala, and the flaming sword is the symbol

of the Zayin letter which is used for cursing and binding the Gentile soul in Kabala. For this reason, in the Kabala it states that this is how the Jews will be able to become "god" and rule the Gentiles; by cursing them to death. The Jews have driven Gentiles out of immortal life and eternal spiritual bliss into this miserable world they created. It states right in the Torah that Yahweh [the Jewish race] stopped humanity from eating of the tree of immortality.

By contrast, Satan gives us Eternal Life. The Sanskrit texts are full of instructions of literal immortality by serpent power Yoga which came from Satan.

The Final RTR is the way to undo this as their "god" Yahweh is the one who pronounces the Death Curse on the Gentiles by binding the serpent of Satan in this text. Their Yahweh is the 22 Hebrew letters. Christianity is literally a death cult. It's what gives this Jewish spell power, and allows the Jews to remove all the spiritual knowledge from the Gentiles and bind them to slavery and death.

Guess who created Zoroastrianism in which Rudra becomes the evil god Ahriman and all our Gods the Deva's become evil and we are supposed to worship some Yahweh like being..... And it all sounds like a proto Christianity... Including the ban on spiritual knowledge. In the Torah, Cyrus the Persian Emperor who forced Zoroastrianism on the population is called "anointed of Yahweh" and is called a Messiah of the Jews....

Thank you for your contributions and this has confirmed some things for me. I have been working with Azazel in cleansing my soul. I have had much Kundalini activity removing these curses has been a bit unpleasant. I can feel the resistance and like my Kundalini is trying to become active again.

Azazel told me that these curses are very strong on us, centuries. Yesterday during my cleansing, I started to cry. I thought about and felt as though I connected with the negative energy and centuries of blood sacrifices on gentiles. It's almost as if I could feel the sorrow and hopelessness of those gentiles. The death energy. The thought of Jews using other gentile souls to bind us broke me down.

He said it is like a "Battle" within. Very intense. The energy of these curses are so strong that as the filth is leaving my body, it's enough to cause involuntary movement, flailing, jerking and twitching of the body.

I'm always exhausted afterwards but 10 minutes later my body sways, rocks and I feel sensual, floaty and relaxed. My body also does serpentine movement. This is the kundalini.

The FINAL RTR will liberate us while destroying the enemy. It must be done daily.

That's the reality as you mention HPS, Xianity has been going on for centuries so has Xianity part two, islam. So how many of us have had entire life times in this filth.

However I notice that in just two months of the Final RTR what has happened to the Catholic Church an organization that has taken almost two thousand years to build and runs on their Jewish energy. The fact its falling apart fast shows how fast the RTR's are working.

To become a "god" a perfected person you have to finish the Magnum Opus which means you don't die.

I heard the vril society woman maria orsic is still alive and below the earth,she achieved godhead,this made me to believed more about Hitler and other great people,there are beings from every race who have achieved godhead below our earth,including African race and Asians,Nordics and such from the interview of Corey goode he have seen this.the gods really helped humanity to achieve godhead.too bad the enemy has destroyed this.

In books about populations beneath the ground, I skimmed over one that said that some populations of those living underground were dark skinned, had black eyes, and generally the height of statue of blacks today.

Similar has been the case for Whites.

Underground civilizations are not unlikely at all. Living underground especially when one may have had enemy aliens who could use nuclear is a more clever solution than living on the surface.
