

The Latin Cross

The Latin cross, which is the symbol used by Christianity, was not originally the symbol of such until the seventh century CE.

This symbol is shown in Hinduism and Egyptian art as being the crown chakra with the side extensions to the temples, and the straight line going downwards is the spine. With all the other chakras along the straight line shown with their elemental yantras along the spine. This cross folds into the cube which represents the physical body and the element of earth which contains all the other elements, and the five koshas, and three aspects, or, bodies that contain those within them.

This cross also was shown with two lines down each side which are the Sun and Moon channels (Ida and Pingala), and left and right sides of the body that are female and male in polarity. This is also shown as the Yoni, which the reborn soul emerges from on the world card in the tarot. This is simply a symbol of the soul in some cases it was also shown with the X, the Chi-Ro across the main line to denote the four corners of the body; the back, front, each side, and how the chakras connect into such. The Chi-Ro was stolen from Egypt where it was called the Body of Osiris.

The reason the enemy stole this symbol was to put the symbol of their thoughtform of Rabbi Christ upon it to channel the energies into binding the Gentile soul as part of their Kabbalistic spell.

Jake Carlson wrote:

The "t" cross of Christ is the mark of Christianity -- the Christ who the Jewish New Testament is devoted to, who the Bible says has come once for the Gentile Christians, but not yet for the Jewish people, except for the Messianic Jewish community who believe in "him." This "t" cross is the mark of Christ that the Anti-Christ gets the blame for. If Christ were to ever manifest in the form of a human being on planet Earth, "his" symbol is the "t" cross, which is the mark that all of the Goyim will be required to accept, or else they will not be able to buy or sell anything, let alone live.

The equal-armed X Cross -- the Swastika Sun Wheel 666 -- on the other hand, is the mark of Adolf Hitler, the official Anti-Christ. Because of the Aryan Anti-Christ, the Christ thought-form will not be able to manifest in the form of a human being, and our future is ensured. The X Cross has nothing to do with Christ, but is the symbol that "he" will be defeated by. It is the symbol that every Satanist gets "marked" with as soon as they dedicate their soul to Satan. This makes it possible to take up the Serpent's offer and become Gods in ways that those who are without will never be able to experience. The Dedication Ritual defeats the "blood of the lamb" and washes it with Satan's authority and one's Gentile/Pagan Identity in Satan.

The New Testament is just as Jewish as the Old Testament. The Jews tried to destroy Satan, in his incarnation of Ptah-Osiris, by replacing him with Lucifer-Christos [Revelation 22:16]. However, the hoax that many people who expose the stolen mythology of the Christ myth and Christ's parallels with Pagan Gods occasionally fall for, is the superstition that since Christ the Jew never existed, that there must be a real, proto-Aryan Lucifer Christ. But the truth is these people need to wake up just like Jew-worshiping Christians because Christ in "his" equally-fictitious Aryan form is simply Hellenic Judaism -- kosher "Paganism" for Gentiles.

Truth be told, Christ is not based on an Aryan Pagan God, but an Aryan Pagan CONCEPT, that of the Vril/Chi/Witch-power.

"t" = Christ

"X" = 666

Jake Carlson further wrote:

The psychotic Christians believe that the return of the Anti-Christ will mean that they will lose their livelihood if they confess their faith in Christ, and that they will not be able to buy or sell, save that they have the Mark of the Beast. What they fail to realize is that the Christian Churches, both Catholic and Protestant, have a history of not only shunning White Aryan heretics and Pagans from commerce, but killing off these White Aryan Pagans if they wouldn't accept the mark of Christ, the "t." The Crusades, the Dark Ages, and the Inquisition speak for themselves. And contrary to re-written history, the Jewish people were never official "victims" of the Christian Churches. The Jews promote the "Judaism versus Christianity" hoax to try and keep Christianity as "credible" in the eyes of their Goyim slaves as possible, as long as Christianity is still needed to manifest the Jewish/Christian messiah.

As for Adolf Hitler outlawing Christianity, when he came to me, and answered my questions about Christians and Christianity, he showed me how CHRISTIANITY IN ALL OF ITS FORMS WILL BE OUTLAWED JUST LIKE ANY OTHER BRANCH OF JUDAISM.

In Hitler's coming New World Order, the Gentiles who are Christians, but are incurable, will be segregated so they cannot breed with Aryan Pagan Satanists, as Christianity weakens the collective Race-Soul of the White Aryan Race. Christianity, like any other form of Judaism for Gentiles, is a disease that must be wiped out before it permanently wipes us out.
