

The Real Cause of Poverty, the Jewish Bible

The book of Jewish witchcraft the Bible states in Matthew 5:3 "Blessed are the poor in spirit".

This is the underlying reason for the material poverty in the world - the poverty of the soul. The Bible kept the Latin word "spirit". This is not theological handwringing, this is occult. And here we find the truth again about what the Bible really is.

The ancient Egyptians and Greeks stated that the God Mercury was the key to the ascension of the soul/spirit.

Mercury's wand is the Caduceus which symbolizes "The Serpent Energy".

The God Mercury is the symbol of the risen serpent (kundalini). Mercury is the Gentile God also known as Thot or Hermes.

The ancient forms of money used by the Romans, Greeks, and others had the serpent symbol upon them. The meaning is that the Shakti energy (the serpent energy) is what generates wealth - its spiritual richness is what manifests physical wealth. Even today the \$ symbol is the symbol of the wand of Mercury.

The awakening of the Kundalini energy is the key to wealth. This relates to the energetic function of the economic and financial system - its generation of

creative energy into manifestation. A society in which people have the risen kundalini/serpent energy will be able to manifest a more wealthy society.

The verse the Jews wrote in Matthew 5:3 is their curse against the serpent energy of the Gentiles. The reason for this passage is that Gentiles with no spiritual power on their own will be helpless before the Jewish "god". Jesus who allegedly spoke this also states he is the Jewish race (god) in John 10:34, this is also where he quotes the Jewish Torah (Psalm 82:6), which is the kabbalistic statement the Jews are their own "god" in human form.

In the first book of the New Testament, there's a curse to keep Gentiles spiritually powerless so that the Jews can control the world and enslave us. Note the numerological placement of where this curse is written - 5:3, which adds to 8. This was designed to connect to the first book of the Torah, verse Gen 3:14 where the Jewish "god" curses the serpent on a tree. As 3:14 becomes 3:5 when added in gematria, and then this becomes 8. This passage in Genesis is the Hebrew curse on the Gentile Kundalini energy to attempt to bind the serpent energy of Gentiles at the root chakra.

It's only by the removal of spiritual knowledge from Gentiles and the cursing of Gentiles that the Jews can take over the world, as their Jewish book of witchcraft commands. Gentiles are sitting in Christian churches worshipping their own damnation by pouring their psychic energy into these biblical curses against themselves and manifesting them on their own soul and into the world. And the Jews sit back and laugh at the Goyim.
