

WORLD IN CHAINS: THE ROTHSCHILD WEB

1911: Werner Sombart, in his book, "The Jews and Modern Capitalism," stated that from 1820 on, it was the "Age of the Rothschild," and concluded that there was, "Only one power in Europe, and that is Rothschild."

"We have founded many secret associations, which all work for our purpose, under our orders and our direction. One of the many triumphs of our Freemasonry is that those Gentiles who become members of our Lodges, should never suspect that we are using them to build their own jails, upon whose terraces we shall erect the throne of our universal King of the Jews; and should never know that we are commanding them to forge the chains of their own servility to our future King of the World"

– Opening speech made at the B'nai B'rith convention in Paris [published in the Catholic Gazette, Feb 1936]

Back history:

1743: Mayer Amschel Bauer, an Ashkenazi Jew, was born in Frankfurt, Germany, the son of Moses Amschel Bauer, a moneylender and the proprietor of a counting house. Moses Amschel Bauer placed a red sign above the entrance door to his counting house. This sign was a red hexagram, which under Rothschild instruction will end up on the Israeli flag some two centuries later.

1760: During this decade, Mayer Amschel Bauer worked for a bank owned by the Oppenheimers in Hanover, Germany. He was highly successful and became a junior partner. Whilst working at the bank he became acquainted with General von Estorff.

Following his father's death, Bauer returned to Frankfurt to take over his father's business. Bauer recognized the significance of the red hexagram and changed his name from Bauer to Rothschild, after the red hexagram hanging over the entrance door ["Rot," is German for, "Red," "Schild," is German for, "Sign"]. Now Mayer Amschel Rothschild, he discovered that General von Estorff was a member of the court of Prince William IX of Hesse-Hanau, one of the richest royal houses in Europe, which gained its wealth by the hiring out of Hessian soldiers to foreign countries for vast profits [a practice that continues today in the form of exporting, "peacekeeping," troops throughout the world].

He therefore made the General's re-acquaintance on the pretext of selling him valuable coins and trinkets at discounted prices. As he planned, Rothschild was subsequently introduced to Prince William himself who was more than pleased with the discounted prices that he charged for his rare coins and trinkets, and Rothschild offered him a bonus for any other business the Prince could direct his way.

Rothschild subsequently became a close associate of Prince William, and ended up doing business with him and members of the court. He soon discovered that loaning money to governments and royalty was more profitable than loaning to individuals, as the loans were bigger and were secured by the nation's taxes.

1769: Mayer Amschel Rothschild was given permission by Prince William to hang a sign on the front of his business premises declaring that he was, "M. A. Rothschild, by appointment court factor to his serene highness, Prince William of Hanau."

The French situation starting with creation of the Illuminati:

<http://dawn666blacksun.angelfire.com/Illuminati.htm>

1770: Mayer Amschel Rothschild drew up plans for the creation of the Illuminati and entrusted Ashkenazi Jew, Adam Weishaupt, a Crypto-Jew who was outwardly Roman Catholic, with its organization and development. The Illuminati was to be based upon the teachings of the Talmud, which is in turn, the teachings of Rabbinical Jews.

Adam Weishaupt officially completed his organization of the Illuminati on May 1 of that year. The purpose of the Illuminati was to divide all non-Jews through political, economic, social, and religious means. The opposing sides were to be armed and incidents were to be created in order for them to: fight amongst each other; destroy national governments; destroy religious institutions; and eventually destroy each other.

Weishaupt soon infiltrated the Continental Order of Freemasons with this Illuminati doctrine and established lodges of the Grand Orient to be their secret headquarters. This was all under the orders and finance of Mayer Amschel Rothschild, and the concept was spread and was followed within Masonic Lodges worldwide to the present day.

Weishaupt also recruited 2,000 paid followers, including the most intelligent men in the field of arts and letters, education, science, finance, and industry.

Weishaupt wanted a system of truly global dimensions, even if it brought about violent worldwide revolution and rivers of blood. His "benevolent dictatorship" had six main points dealing with the abolition of:

1. Ordered or nationalistic governments in the form of monarchies
2. Private property
3. Inheritance rights
4. Patriotism to nationalist causes
5. Social order in families and all moral codes
6. All religious disciplines based on faith in the spiritual, as opposed to faith in materialism

This is almost word-for-word from Karl Marx's THE COMMUNIST MANIFESTO and that these six points are also perfectly consistent with the Protocols of the Learned Elders of Zion in general, [once again proving their legitimacy]. Weishaupt's vision for a future world was total Communism, with all possessions, even children, held in common.

"It is more interesting to learn that Karl Marx was not the real founder of Communist world revolution. Its true father was Adam Weishaupt, founder of the "Freemasonic Order" of the Illuminati – Marschalko

"The great strength of our Order lies in its concealment; let it never appear in any place in its own name, but always covered by another name, and another occupation. None is fitter than the three lower degrees of Freemasonry; the public is accustomed to it, expects little from it, and therefore takes little notice of it." – Adam Weishaupt

At its beginning, the Illuminati was not a Masonic order, and Weishaupt himself did not enter a lodge until 1777, when he received induction into the Lodge Theodore de Bon Conseil in Munich. However, once inside Masonry, Weishaupt immediately saw its potential value to be a vehicle for the realization of his Illuminati dreams. To create an official union between the Illuminati and Freemasonry, Weishaupt set about organizing the Congress of Wilhelmsbad at the Castle of William IX of Hesse-Kassel, to occur on July 16, 1782. That special event, which was momentous in both size and aspirations, was attended by elite representatives of Masonic lodges from all over. It was there that a decision was reached to allow the previously excluded Jews to be granted admittance into Freemasonry.

When the time came for a vote on their admittance at Wilhelmsbad, the Jews were so anxious to win the day that they completely filled the hall with other Jewish supporters. It was not long afterwards that the Illuminati membership included an abundance of Jewish banking families, including the Rothschilds, the Oppenheimers, the Wertheimers, the Schusters, Speyers, and Sterns. New lodges of predominantly Jews were formed in Frankfurt, the Rothschild's financial capital in Europe, and soon all of Illuminized Freemasonry would make the city its world headquarters.

1784: Adam Weishaupt issued his order for the French Revolution to be commenced by Maximilian Robespierre in book form. This book was written by one of Weishaupt's associates, Xavier Zwack, and sent by courier from Frankfurt to Paris. However, en route there, the courier was struck by lightning; and the book detailing this plan discovered by the police, was handed over to the Bavarian authorities. Consequently, the Bavarian government ordered the police to raid Weishaupt's Masonic lodges of the Grand Orient, and the homes of his most influential associates. Clearly, the Bavarian authorities were convinced that the book that was discovered was a very real threat by a private group of influential people to use wars and revolutions to achieve their political ends.

1785: The Bavarian government outlawed the Illuminati and closed all the Bavarian lodges of the Grand Orient. Mayer Amschel Rothschild moved his family home to a five-storey house in Frankfurt, which he shared with the Schiff family.

1786: The Bavarian government published the details of the Illuminati plot in a document entitled, "The Original Writings of The Order and Sect of The Illuminati." They sent this document to all the heads of church and state throughout Europe, but sadly, their warning was ignored.

1789: Due to the European ignorance of the Bavarian government's warning, the Illuminati's plan for a French Revolution succeeded from this year to 1793. This revolution was a bankers' dream.

Up to one million French civilians were slaughtered in this proto-Communist revolution under the Jacobins by the direct terror and by the wholesale slaughter of tens of thousands more by the Jacobin forces around the Nation. Infants were even killed and nailed to church doors, thousands were herded into locked barrages which were then sunk. France never recovered from this. The same terror and mass murder would occur again when the Jews launched another revolution in Russia in the 20th century.

The Jews always seek to turn the masses against the leadership class, with the middle class killing them off and replacing them with a Jewish elect to rule the mass of non-Jews under Communist systems, with no one left to challenge their Talmudic rule.

1827: Sir Walter Scott published his nine-volume set "The life of Napoleon," and in volume two, he stated that the French Revolution was planned by the Illuminati [Adam Weishaupt] and was financed by the moneychangers of Europe [The Rothschilds].

This would also give rise to the same ideology repackaged as Communism later on.

Some notes on the American situation covered in depth here:

http://www.angelfire.com/dawn666blacksun/Jewish_Banksters_War.html

1906: The Rothschilds claimed that due to growing instability in the region and increasing competition from Rockefeller [the Rockefeller family are Rothschild descendants through a female bloodline] owned Standard Oil, was why they sold their Caspian and Black Sea Petroleum Company to Royal Dutch and Shell. This was another example of the Rothschilds trying to hide their true wealth.

1907: Rothschild, Jacob Schiff, the head of Kuhn, Loeb and Co., in a speech to the New York Chamber of Commerce, warned that, "Unless we have a Central

Bank with adequate control of credit resources, this country is going to undergo the most severe and far reaching money panic in its history."
Suddenly America found itself in the middle of another typical run of the mill Rothschild engineered financial crisis, which ruined, as usual, the lives of millions of innocent people throughout America and made billions for the Rothschilds.

1909: Jacob Schiff founded the National Advancement for the Association of the Colored People [NAACP]. This was done to incite black people into rioting, looting, and other forms of disorder, in order to cause a rift between the black and white communities.

Jewish historian, Howard Sachar, stated the following in his book, "A History of the Jews in America":

"In 1914, Professor Emeritus Joel Spingarn of Columbia University became chairman of the NAACP and recruited for its board such Jewish leaders as Jacob Schiff, Jacob Billikopf, and Rabbi Stephen Wise."

Other Ashkenazi Jew co-founders included Julius Rosenthal, Lillian Wald, and Rabbi Emil G. Hirsch. It was not until 1920 that the NAACP appointed its first black president, James Weldon Johnson. Maurice de Rothschild married Ashkenazi Jew, Noémie Halphen.

1911: Werner Sombart, in his book, "The Jews and Modern Capitalism," stated that from 1820 on, it was the, "Age of the Rothschild," and concluded that there was, "Only one power in Europe, and that is Rothschild."

1912: In the December issue of, "Truth," magazine, George R. Conroy stated of banker Jacob Schiff, "Mr Schiff is head of the great private banking house of Kuhn, Loeb, and Co, which represents the Rothschilds interests on this side of the Atlantic. He has been described as financial strategist and has been for years the financial minister of the great impersonal power known as Standard Oil. He was hand in glove with the Harrimans, the Goulds, and the Rockefellers in all their railroad enterprises and has become the dominant power in the railroad and financial power of America."

1913: On March 4, Woodrow Wilson was elected the 28th President of the United States. Shortly thereafter, he was inaugurated and visited in the White House by Ashkenazi Jew, Samuel Untermyer, of the law firm, Guggenheim, Untermyer, and Marshall, who tried to blackmail him for the sum of \$40,000 in relation to an affair Wilson had while he was a professor at Princeton University, with a fellow professor's wife.

President Wilson did not have the money, so Untermyer volunteered to pay the \$40,000 out of his own pocket to the woman Wilson had had the affair with, on the condition that Wilson promised to appoint to the first vacancy of the United States Supreme Court, a nominee to be recommended to President Wilson by Untermyer. Wilson agreed to this. Jacob Schiff set up the Anti Defamation

League [ADL] in the United States. This organization was formed to slander anyone who questioned or challenged the Rothschild global conspiracy as, "anti-Semitic."

Strangely enough, the same year that they did this, they also set up their last and current central bank in America, the Federal Reserve. Congressman Charles Lindbergh stated, following the passing of the Federal Reserve Act on December 23, "The Act establishes the most gigantic trust on earth. When the President signs this Bill, the invisible government of the monetary power will be legalized. The greatest crime of the ages is perpetrated by this banking and currency bill."

It is important to note that the Federal Reserve is a private company, it is neither Federal, nor does it have any Reserve. It is conservatively estimated that profits exceed \$150 billion per year and the Federal Reserve, not once in its entire history, published its accounts.

In 1914, Professor Emeritus Joel Spingarn of Columbia University became chairman of the NAACP and recruited for its board such Jewish leaders as Jacob Schiff, Jacob Billikopf, and Rabbi Stephen Wise." Other Ashkenazi Jew co-founders included Julius Rosenthal, Lillian Wald, and Rabbi Emil G. Hirsch. It was not until 1920 that the NAACP appointed its first black president, James Weldon Johnson.

1921: Under the orders of Jacob Schiff, the Council on Foreign Relations [CFR] was founded by Ashkenazi Jews, Bernard Baruch and Colonel Edward Mandell House. Schiff gave his orders prior to his death in 1920, as he knew an organization in America needed to be set up to select politicians to carry on the Rothschild conspiracy, and the formation of the CFR was actually agreed upon in a meeting on May 30.

1919, at the Hotel Majestic in Paris, France:

In the beginning, CFR membership approximated 1,000 people in the United States. This membership included the heads of virtually every industrial empire in America, all the American based international bankers, and the heads of all their tax-free foundations. In essence, all the people who would provide the capital required for anyone who wished to run for Congress, the Senate, or the Presidency.

The first job of the CFR was to gain control of the press. This task was given to John D. Rockefeller who set up a number of national news magazines such as Life, and Time. He financed Samuel Newhouse to buy up and establish a chain of newspapers all across the country. Eugene Meyer would go on to buy up many publications such as the Washington Post, Newsweek, and The Weekly Magazine.

The CFR also needed to gain control of radio, television and the motion picture industry. This task was split amongst the international bankers from, Kuhn Loeb, Goldman Sachs, the Warburgs, and the Lehmanns.

From here, the Jew created the Great Depression in America and in the growing upheaval funded a million-man and growing Communist movement.

http://www.angelfire.com/dawn666blacksun/Jewish_Banksters_War.html

On Roosevelt:

"President Roosevelt was born of a Jewish mother, and therefore satisfied the Ashkenazi rules of being Jewish." On November 16 1933, President Roosevelt recognized the Jewish regime of Stalin in Russia, without consultation with Congress, even as 8,000 Ukrainians marched in protest in New York.

Given the fact the Jews were in control of American's major media, economy, and even had one of their own Jews as President along with a totality kosher staff in the White House, it is no surprise that America was pulled into Jew War Two, along with all of the problems America has faced since at the hands of the Jewish cabal.

In England: The Founding Fathers stated the only reason for the Revolutionary War was that the Jewish bankster's in control of England forced it. This reveals the power the Jews had in England, since sneaking back in by funding the insane Puritan and genocidal fanatic Cromwell and his war against the Crown and the people of England. Cromwell's government wanted to make Hebrew the official language of England, as their ideology was British Israelism. Christianity has always been the Jews' major program and protector. Before this, the Jews had been banned from England for three centuries.

1812: Backed by Rothschild money, and Nathan Mayer Rothschild's orders, the British declared war on the United States. The Rothschild's plan was to cause the United States to build up such a debt in fighting this war that they would have to surrender to the Rothschilds and allow the charter for the Rothschild owned First Bank of the United States to be renewed.

1815: The five Rothschild brothers worked to supply gold to both Wellington's army [through Nathan in England] and Napoleon's army [through Jacob in France], and began their policy of funding both sides in wars. The Rothschilds love wars because they are massive generators of risk free debt. This is because they are guaranteed by the government of a country, and therefore the efforts of the population of that country, and it doesn't matter if that country loses the war, because the loans are given on the guarantee that the victor will honour the debts of the vanquished.

While the Rothschilds were funding both sides in that war, they used the banks they had spread out across Europe to give them the opportunity to set up an unrivalled postal service network of secret routes and fast couriers. The post these couriers carried was to be opened up by these couriers and their details given to the Rothschilds so they always were one step ahead of current events.

Furthermore, these Rothschild couriers were the only merchants allowed to pass through the English and French blockades. These couriers also kept Nathan Mayer Rothschild up to date with how the war was going so he could use that intelligence to buy and sell from his position on the stock exchange in accordance with that intelligence.

One of Rothschild's couriers was a man named Rothworth. When the outcome of the Battle of Waterloo was won by the British, Rothworth took off for the Channel and was able to deliver this news to Nathan Mayer Rothschild, a full 24 hours before Wellington's own courier.

At that time, British bonds were called consols and they were traded on the floor of the stock exchange. Nathan Mayer Rothschild instructed all of his workers on the floor to start selling consols. This made all the other traders believe that the British had lost the war so they started selling frantically.

Therefore, the consols plummeted in value, which was when Nathan Mayer Rothschild discreetly instructed his workers to purchase all the consols they could lay their hands on. When news came through that the British had actually won the war, the consols rose to an even higher level than before the war ended, leaving Nathan Mayer Rothschild with a return of approximately 20 to 1 on his investment.

This gave the Rothschild family complete control of the British economy, now the financial centre of the world, following Napoleon's defeat, and forced England to set up a new Bank of England, which Nathan Mayer Rothschild controlled.

Interestingly, 100 years later, the New York Times ran a story stating that Nathan Mayer Rothschild's grandson had attempted to secure a court order to suppress publication of a book, which had this insider-trading story in it. The Rothschild family claimed the story was untrue and libelous, but the court denied the Rothschilds request and ordered the family to pay all court costs.

Back to 1815. This was the year Nathan Mayer Rothschild made his famous statement:

"I care not what puppet is placed upon the throne of England to rule the Empire on which the sun never sets. The man who controls Britain's money supply controls the British Empire, and I control the British money supply."

He would go on to brag that in the 17 years he had been in England he had increased the £20,000 stake given to him by his father, 2,500 times to £50 million.

The Rothschilds also used their control of the Bank of England to replace the method of shipping gold from country to country and instead used their five banks spread across Europe to set up a system of paper debits and credits, the banking system of today.

By the end of this century, a period of time known as the "Age of the Rothschilds," it is estimated that the Rothschild family controlled half the wealth of the world.

1891: The British Labour Leader made the following statement on the subject of the Rothschilds:

"This blood-sucking crew has been the cause of untold mischief and misery in Europe during the present century, and has piled up its prodigious wealth chiefly through fomenting wars between States, which ought never to have quarreled. Whenever there is trouble in Europe, wherever rumours of war circulate and men's minds are distraught with fear of change and calamity, you may be sure that a hook-nosed Rothschild is at his games somewhere near the region of the disturbance."

"Lord Nathan Rothschild was the most powerful man in Britain."

– British Prime Minister Lloyd George

The British Empire had been under Jewish control for a century by this point with the Jewish Banking Dynasties. Many such Jews had also become part of the British Nobility, such as the Rothschilds:

The Rothschild family.

The British branch of the family was elevated to British nobility at the request of Queen Victoria. It has been argued that during the 19th century, the family possessed by far the largest private fortune in the world, and by far the largest fortune in modern world history," even having Jews in control of the British Government directly such as Disraeli:

"Benjamin Disraeli, 1st Earl of Beaconsfield, KG, PC, FRS, [21 December 1804 C 19 April 1881] was a British Prime Minister, parliamentarian, Conservative statesman, and literary figure. He started from comparatively humble origins. He served in government for three decades, twice as Prime Minister of the United Kingdom. Although his father had him baptized to Anglicanism at age 12, he was nonetheless Britain's first and thus far only Prime Minister who was born into a Jewish family—originally from Italy."

On Churchill:

"Winston Churchill [whose mother, Jenny [Jacobson] Jerome, was Jewish – indicating he was Jewish under Ashkenazi law, as he was born of a Jewish mother." No wonder he and his backers were so eager for a war against Germany after they lost control of it to the German National Socialist revolution, which freed the Germans from the Jewish death grip.

A member of the Black Hand, an Anarchist group that was put together and funded by Rothschild in private to act as usefools, sparked the Great War by the murder of the Arch Duke and his Wife. The war in Europe destroyed the old

order, generated a massive war debt to enslave the nations further, and allowed the Jews to manifest the international Communist take over they wanted.

"If my sons did not want wars, there would be none."
– Gutle Schnaper, Mayer Rothschild's wife

"Then a significant event occurred. Germany, although they were winning the war and not one foreign soldier had set foot on their soil, offered armistice to Britain with no requirement of reparations. The Rothschilds were anxious to make sure this didn't happen as they were expecting to make far more money off of this war, so they played another card they had up their sleeve.

While the British were considering Germany's offer, Rothschild agent Louis Brandeis sent a Zionist delegation from America to Britain promising to bring America into the war on the side of the British, provided the British agreed to give the land of Palestine to the Rothschilds.

The Rothschilds wanted Palestine for the following reason; they had major business interests in the Far East and desired their own state in that area along with their own military, which they could use as an aggressor to any state that threatened those interests.

The British subsequently agreed to the deal for Palestine, and the Zionists in London contacted their counterparts in America and informed them of this fact. Suddenly all the major newspapers in America that up to that point had been pro-German, turned on Germany and began running propaganda pieces such as: German soldiers were killing Red Cross Nurses; German soldiers were cutting off babies hands, etc, in order to manipulate the American public against the Germans."

This action led to the deaths of over a million young men of Britain in a prolonged war that did not have to be, if not for the Jewish control of England. Thousands more Britons would later die in the second Jewish world war.

The Situation in Germany:

As mentioned, Germany was also pulled into the First War along with other European Nations due to Jewish manipulations.

This frustration of peace by the Jews caused the deaths of two million German young men in the war and hundreds of thousands of civilians due to the blockade of Germany and wartime deprivation. This was done to bring Germany down, into a situation where they could be taken over by a Communist revolution as the Jews worked in Russia and shortly thereafter in Hungary.

1919: In January, Ashkenazi Jews, Karl Liebknecht and Rosa Luxemburg, were killed as they attempt to lead another Rothschild funded Communist coup, this time in Berlin, Germany.

The Versailles peace conference was held to decide reparations that the Germans needed to pay to the victors following the end of the First World War. A delegation of 117 Jews headed by Jew Bernard Baruch, brought up the subject of the promise of Palestine. At this point, the Germans realized why America had turned on them and under whose influence, the Rothschilds.

The Germans, naturally, felt they had been betrayed by the Jews. This was because, at the time, the Rothschilds made their deal with Britain for Palestine, in exchange for bringing America into the war. Germany was the most friendly country in the world towards the Jews, indeed the German Emancipation Edict of 1822 guaranteed Jews in Germany all civil rights enjoyed by Germans.

In addition, Germany was the only country in Europe that did not place restrictions upon Jews, even giving them refuge when they had to flee from Russia after their first attempted Communist coup failed there in 1905.

Nevertheless, the Rothschilds held up their side of the bargain to spill the blood of millions of innocents and as a result, Palestine was confirmed as a Jewish homeland, and while its handover to the Rothschilds took place, it was to remain under the control of Britain, as the Rothschilds control Britain. At that time, less than one percent of the population of Palestine was Jewish. Interestingly, the host of the Versailles peace conference was its boss, Baron Edmond de Rothschild.

The Versailles peace conference was also used as an attempt by the Rothschilds to set up a world government under the pretext of ending all wars [which they created]. This was called the "League of Nations." Fortunately, not enough countries accepted it and so it soon died.

Over a million Germans were to die in the extreme poverty, crime, and violence in the Jewish created post war chaos in their Nation in Weimar. The Jews made play after play to fold Germany into a Communist slave state as they did with Russia only to be stopped at the 11th hour by the Thule Society [who created the National Socialist Party] and their chosen Leader Adolf Hitler.

1933: On January 30, Adolf Hitler became Chancellor of Germany. He drove Jews, many of which were Communists, out of Governmental positions within Germany. Because of this, in July, the Jews held a World Conference in Amsterdam during which they demanded that Hitler re-instate every Jew back to his former position.

Hitler refused and as a result of this, Samuel Untermyer, the Ashkenazi Jew who blackmailed President Wilson, and was now the head of the American delegation and the president of the entire conference, returned to the United States, and made a speech on radio which was transcribed from the New York Times, Monday, August 7, 1933. In the speech, he made the following statements, "The Jews are the aristocrats of the world. Our campaign is the economic boycott

against all German goods, shipping and services. What we are proposing is to prosecute a purely defensive economic boycott that will undermine the Hitler regime and bring the German people to their senses by destroying their export trade on which their very existence depends. Each of you, Jew and Gentile alike must refuse to deal with any merchant or shopkeeper who sells any German-made goods or who patronizes German ships or shipping."

As two thirds of Germany's food supply had to be imported, and could only be imported with the proceeds of what they exported, if Germany could not export, two thirds of Germany's population would starve, as there would be not enough food for more than one third of the population.

As a result of this boycott, Jews throughout America would protest outside and damage any stores in which they found any products with, "Made in Germany," printed on them, causing stores to have to dump these products or risk bankruptcy.

Once the effects of this boycott began to be felt in Germany, the Germans, who had demonstrated no violence towards the Jews up to this point, simply began boycotting Jewish stores in the same way the Jews had done to stores selling German products in America.

The Jews then pushed Germany into a war via Poland, who under promises from Jews in England, along with France started a genocide campaign against the ethnic Germans whose homeland had been given to Poland, when Germany was cut up piece meal and given to other Nations. This would be identical to Americans in certain states waking up one day and finding themselves citizens of Mexico due to annexing of their sovereign soil by a decree of alien internationalist powers.

After numerous appeals to the League of Nations to intervene and attempted peace deals with Poland, even offering them extra land and greater access to sea-lanes, which is a major economic favour, the terror campaign only increased. Hitler warned the Polish government to cease its ethnic cleansing or he would end it himself by military force. By the time the German Forces committed their humanitarian armed intervention in Poland, over 50,000 German men, women and children had been murdered by the Polish army and armed civilian units. The rest is history. Hitler was forced into a war with the Rothschild [Jew] controlled powers of England, France, America, and the USSR. Jew War Two caused the deaths of 1/3 of the German people and millions others across Europe and the World. The Jews then created the holyhoax mythology to cover up their role as the aggressors while working to legitimize their genocidal criminal behavior under the guise of their propaganda lies:

The situation in Russia:

On March 29, The Times of London reported regarding the Bolsheviks in Russia: "One of the curious features of the Bolshevik movement is the high percentage of non-Russian elements among its leaders. Of the twenty or thirty commissaries, or leaders, who provide the central machinery of the Bolshevik movement, not less than 75% were Jews."

It was reported that the Rothschilds were angry with the Russians because they were not prepared to allow them to form a central bank within their nation. They therefore gathered groups of Jewish spies and sent them into Russia to create a revolution for the benefit of the common man, which was actually a takeover of Russia by a Rothschild controlled Jewish elite.

These Jewish spies were, in age-old deceptive Jewish tradition, given Russian names, for example, Trotsky was a member of the first group, and his original name was Bronstein. These groups were sent to areas throughout Russia to incite riots and rebellion.

The Jewish Post International Edition, week ending January 24 1991, confirmed Vladimir Lenin was Jewish. Lenin was also on record as having stated, "The establishment of a central bank is 90% of communizing a nation."

These Jewish Rothschild funded Bolsheviks would go on in the course of history to slaughter 60 million Non-Jews in Soviet controlled territory. Indeed the author Aleksandr Solzhenitsyn in his work, "Gulag Archipelago, Vol. 2," affirmed that Jews created and administered the organized Soviet concentration camp system in which tens of millions of Non-Jews died. [See "Slave Labor/Death Camps: A Jewish Idea and Jewish Invention" link below].

http://dawn666blacksun.angelfire.com/Real_Death_Camps.htm

On page 79 of his book, he even named the administrators of this the greatest killing machine in the history of the world. They are Aron Solts, Yakov Rappoport, Lazar Kogan, Matvei Berman, Genrikh Yagoda, and Naftaly Frenkel. All six are Zionist Jews. In 1970, Solzhenitsyn would be awarded the Nobel Peace Prize for literature.

The Rothschilds ordered the execution by the Bolsheviks they controlled, of Tsar Nicholas II and his entire family in Russia, even though the Tsar had already abdicated on March 2. This was both to get control of the country and as an act of revenge for Tsar Alexander I, blocking their world government plan in 1815 at the Congress of Vienna, and Tsar Alexander II siding with President Abraham Lincoln in 1864.

1920: Winston Churchill [whose mother, Jenny [Jacobson] Jerome, was Jewish – indicating he was Jewish under Ashkenazi law as he was born of a Jewish

mother] wrote [my note gloats] in an article in the Illustrated Sunday Herald, dated February 8th:

"From the days of Illuminati leader Weishaupt, to those of Karl Marx, to those of Trotsky, this worldwide conspiracy has been steadily growing. And now at last this band of extraordinary personalities from the underworld of the great cities of Europe and America, have gripped the Russian people by the hair of their heads and become the undisputed masters of that enormous empire."

Up to sixty million Gentiles died under this Jewish controlled and created system.

The Israel America situation:

1948: In the spring of that year, the Rothschilds succeeded in bribing President Harry S. Truman [33rd President of the United States 1945 – 1953] into recognizing Israel as a sovereign state, with \$2,000,000 of which they gave to him on his campaign train.

They then declared Israel to be a sovereign Jewish state in Palestine and within half an hour, President Truman declared the United States to be the first foreign nation to recognize it. In the early hours of April 19, 132 Jewish terrorists from the Irgun gang, led by future Israeli Prime Minister Menachem Begin, and the Stern gang, led by future Israeli Prime Minister Yitzhak Shamir, brutally massacred 200 men, women, and children while they were sleeping peacefully in the Arab village of Deir Yassin.

Following the United Nations transfer of Palestine to an independent Jewish state and an independent Arab state on May 15, the Israelis launched a military assault on the Arabs with blaring loudspeakers on their trucks informing the Arabs that if they did not flee immediately, they would be slaughtered.

800,000 Arabs with the recent memory of the Deir Yassin massacre at the forefront of their minds, fled in panic. They asked for help from neighboring Arab states, but those states did not get involved, as they were no match for the Israelis whose modern military hardware had been supplied by the Jewish Stalinist regime in Russia. Following this assault, the Jews now controlled 78% of former Palestine as opposed to the 57% that had been given to them illegally by the United Nations.

The Palestinians were never paid compensation for their homes, property, and businesses stolen from them during this illegal Jewish assault, and these people ended up in slum refugee cities of tents. Furthermore, at least half of the Palestinians in their hurry to flee, left their birth certificates behind. The State of Israel then passed a law that only those who could prove citizenship were allowed to return to Israel, thus meaning these 400,000 Palestinians could not return and lost all their property that they had left there. As of today, the Palestinians are still being slaughtered in a direct campaign of racial genocide against them by the Jews.

The China situation:

1949: On October 1, Mao Tse-tung declared the founding of the People's Republic of China in Tiananmen Square, Beijing. Mao was funded by Rothschild created Communism in Russia and also by the following Rothschild agents: Solomon Adler, a former United States Treasury official who was a Soviet Spy, Israel Epstein, the son of a Jewish Bolshevik imprisoned by the Tsar in Russia for trying to instigate a revolution there, and Frank Coe, a leading official of the Rothschild owned IMF.

Mao would carry out genocide against sixty million innocent Chinese people under his rule mainly to destroy traditional Chinese culture. No different from when Christianity was in control, any practitioners of spiritual systems were outlawed, killed, and sent to gulags, which was a slow death, and Communistic systems became the new culture of control. With China under their flag, Tibet was next on the list as being the last bastion of spiritual knowledge and histories of humanity. All the Jewish systems seek to remove spiritual knowledge from Gentiles and keep it in the hands of the Jewish elite. This is a major part of their domestication program.

A century and more before, the Rothschilds and the Solomon Brothers used their control of England and its control of India to run the Opium trade into China, killing tens of thousands and wrecking entire communities to the point the Chinese fought the Opium wars to try to throw the Jewish dealers out.
